HIDDEN TRUTH
WITH JIM BRESLO

1
00:00:04,470 --> 00:00:10,780

[Music]

2
00:00:16,279 --> 00:00:12,770

well you're writing some pretty

3
00:00:18,170 --> 00:00:16,289

incredible stuff so let's get into it I

4
00:00:19,750 --> 00:00:18,180

love the headlines I think maybe we

5
00:00:23,120 --> 00:00:19,760

should allow some of the headlines to

6
00:00:25,490 --> 00:00:23,130

drive the interview such as how the CIA

7
00:00:27,259 --> 00:00:25,500

Mossad and the Epstein Network are

8
00:00:29,990 --> 00:00:27,269

exploiting mass shootings to create an

9
00:00:33,880 --> 00:00:30,000

Orwellian nightmare are you writing your

10
00:00:36,200 --> 00:00:33,890

own headlines yeah most of the time yeah

11
00:00:38,450 --> 00:00:36,210

but that's sort of a spin off of the

12
00:00:41,030 --> 00:00:38,460

Epstein series we can start there if you

13
00:00:44,209 --> 00:00:41,040

want it's it's sort of about well it's

14

00:00:46,119 --> 00:00:44,219

mainly about you know is really military

15

00:00:48,470 --> 00:00:46,129

intelligence Jeffrey Epstein's

16

00:00:50,450 --> 00:00:48,480

involvement and in funding a company

17

00:00:52,850 --> 00:00:50,460

with a cute Barak and Peter Thiel of

18

00:00:55,130 --> 00:00:52,860

Palantir I mean some other companies

19

00:00:58,610 --> 00:00:55,140

that are sort of dovetailing and that

20

00:01:00,110 --> 00:00:58,620

same sort of a marketing campaign based

21

00:01:02,450 --> 00:01:00,120

around mass shootings trying this

22

00:01:04,250 --> 00:01:02,460

they're sort of them I would say

23

00:01:06,080 --> 00:01:04,260

exploiting the climate of fear around

24

00:01:09,710 --> 00:01:06,090

mass shootings as a way to sort of push

25

00:01:11,330 --> 00:01:09,720

through their technological solutions to

26

00:01:13,219 --> 00:01:11,340

gun control they claim that by

27

00:01:14,990 --> 00:01:13,229

implementing technological solutions you

28

00:01:18,140 --> 00:01:15,000

can go beyond the partisan gridlock in

29

00:01:19,810 --> 00:01:18,150

Capitol Hill and sort of you know do

30

00:01:23,120 --> 00:01:19,820

something in response to these events

31

00:01:25,340 --> 00:01:23,130

but basically you know their their

32

00:01:27,289 --> 00:01:25,350

business model is based on you know

33

00:01:29,450 --> 00:01:27,299

increased fear among the American public

34

00:01:30,980 --> 00:01:29,460

and more mass shootings taking place

35

00:01:32,149 --> 00:01:30,990

which is quite disturbing and when you

36

00:01:35,330 --> 00:01:32,159

start to look into what these companies

37

00:01:36,950 --> 00:01:35,340

are you know involved in and how their

38

00:01:39,469 --> 00:01:36,960

software really works I mean it's a lot

39

00:01:41,749 --> 00:01:39,479

of it is based on pre-crime and

40

00:01:43,399 --> 00:01:41,759

it is very or weally and involves

41

00:01:45,710 --> 00:01:43,409

extracting a lot of data without your

42

00:01:47,810 --> 00:01:45,720

permission storing it and and analyzing

43

00:01:49,399 --> 00:01:47,820

it with artificial intelligence and a

44

00:01:51,100 --> 00:01:49,409

lot of this um you know we sort of seen

45

00:01:52,850 --> 00:01:51,110

Trump after some recent mass shootings

46

00:01:56,899 --> 00:01:52,860

really promote these sort of

47

00:01:59,539 --> 00:01:56,909

technological solutions as his sort of

48

00:02:01,580 --> 00:01:59,549

response saying you know after El Paso

49

00:02:03,709 --> 00:02:01,590

he said it's time for you know Silicon

50

00:02:05,929 --> 00:02:03,719

Valley companies so detect mass shooters

51
00:02:07,429 --> 00:02:05,939
before they strike based on what they

52
00:02:10,780 --> 00:02:07,439
say on social media and things like that

53
00:02:13,070 --> 00:02:10,790
so profiling people based on what their

54
00:02:13,850 --> 00:02:13,080
you know their their electronic lives

55
00:02:15,410 --> 00:02:13,860
and

56
00:02:18,410 --> 00:02:15,420
things they post on social media in

57
00:02:19,460 --> 00:02:18,420
private or in public let's stay on that

58
00:02:21,800 --> 00:02:19,470
for a second because I think it's

59
00:02:23,600 --> 00:02:21,810
interesting and then we'll get to you

60
00:02:26,210 --> 00:02:23,610
know Epstein's connection with Mossad

61
00:02:28,040 --> 00:02:26,220
because that ties in with our martin

62
00:02:30,650 --> 00:02:28,050
dillon conversation where he says that

63
00:02:32,630 --> 00:02:30,660

robert maxwell absolutely positively was

64

00:02:34,670 --> 00:02:32,640

working with Mossad and it raised the

65

00:02:36,490 --> 00:02:34,680

question whether whether Epstein was or

66

00:02:39,380 --> 00:02:36,500

not but I am interested about this

67

00:02:42,350 --> 00:02:39,390

technology and detecting mass shooters I

68

00:02:44,870 --> 00:02:42,360

mean certainly almost all of them had

69

00:02:49,990 --> 00:02:44,880

some type of social media footprint that

70

00:02:52,730 --> 00:02:50,000

in retrospect looked kind of bizarre so

71

00:02:56,449 --> 00:02:52,740

what does this technology do is it

72

00:02:59,710 --> 00:02:56,459

simply looking at public social media

73

00:03:01,850 --> 00:02:59,720

postings or is it look at something now

74

00:03:03,590 --> 00:03:01,860

it's pretty much it's like a dragnet

75

00:03:05,150 --> 00:03:03,600

basically so like the company that

76
00:03:06,440 --> 00:03:05,160
Epstein was funding with a huge Barak

77
00:03:07,850 --> 00:03:06,450
who's the former Prime Minister of

78
00:03:10,280 --> 00:03:07,860
Israel and former head of Israeli

79
00:03:12,560 --> 00:03:10,290
military intelligence on that company is

80
00:03:15,860 --> 00:03:12,570
called carbine 9-1-1 and what carbine

81
00:03:19,070 --> 00:03:15,870
9-1-1 does is basically it's a system

82
00:03:20,900 --> 00:03:19,080
that connects to 911 call centers and

83
00:03:22,880 --> 00:03:20,910
you can use and you either have the

84
00:03:25,370 --> 00:03:22,890
smartphone app of carbon a11 on your

85
00:03:28,070 --> 00:03:25,380
phone or if you just even call any

86
00:03:31,310 --> 00:03:28,080
device that has this carbine network on

87
00:03:34,160 --> 00:03:31,320
it carbine can extract any data it wants

88
00:03:36,229 --> 00:03:34,170

from your phone and it stores that and

89

00:03:38,300 --> 00:03:36,239

uses artificial intelligence to analyze

90

00:03:39,800 --> 00:03:38,310

the past and present behavior of collars

91

00:03:44,420 --> 00:03:39,810

and to predict what they will do in the

92

00:03:46,580 --> 00:03:44,430

future so it it it it would require a

93

00:03:50,960 --> 00:03:46,590

warrant then theoretically in the u.s.

94

00:03:52,130 --> 00:03:50,970

to utilize in in theory well they make

95

00:03:55,850 --> 00:03:52,140

they claim that they're using it for

96

00:03:58,280 --> 00:03:55,860

emergency response purposes only but it

97

00:04:00,350 --> 00:03:58,290

definitely has a lot of disturbing

98

00:04:02,330 --> 00:04:00,360

connections if you look at who's funding

99

00:04:04,310 --> 00:04:02,340

it for example so as I mentioned that

100

00:04:07,250 --> 00:04:04,320

Peter Thiel of Palantir is funding less

101
00:04:08,780 --> 00:04:07,260
they of course have a Palantir has a lot

102
00:04:11,270 --> 00:04:08,790
of involvement with pre-crime it's been

103
00:04:14,060 --> 00:04:11,280
used by us the police departments in

104
00:04:16,640 --> 00:04:14,070
several counties I believe in several

105
00:04:19,280 --> 00:04:16,650
larger cities as a way of predicting who

106
00:04:21,469 --> 00:04:19,290
is going to be a match who is going to

107
00:04:23,480 --> 00:04:21,479
be a shoe a perpetrator of a shooting

108
00:04:25,430 --> 00:04:23,490
who are going to be shooting victims and

109
00:04:27,550 --> 00:04:25,440
basically mapping that out entertaining

110
00:04:29,410 --> 00:04:27,560
people in advance based on that

111
00:04:32,710 --> 00:04:29,420
um you know that technology that

112
00:04:34,870 --> 00:04:32,720
happened in New Orleans for example and

113
00:04:36,909 --> 00:04:34,880

we also have Michael Chertoff for

114

00:04:38,980 --> 00:04:36,919

example on the board of advisors the

115

00:04:40,629 --> 00:04:38,990

former head of Homeland Security whose

116

00:04:44,409 --> 00:04:40,639

mother worked for the Mossad at one

117

00:04:46,450 --> 00:04:44,419

point so we so we all want to we all

118

00:04:49,270 --> 00:04:46,460

want to stop crime and we all want to

119

00:04:51,610 --> 00:04:49,280

stop mass shootings we also have a

120

00:04:53,760 --> 00:04:51,620

constitution in the u.s. that you know

121

00:04:55,900 --> 00:04:53,770

theoretically protects us against

122

00:04:58,030 --> 00:04:55,910

intrusions and illegal searches and

123

00:05:00,550 --> 00:04:58,040

seizures and so on so let's just assume

124

00:05:02,620 --> 00:05:00,560

let's just assume for a second that the

125

00:05:05,980 --> 00:05:02,630

Constitution is going to work and if any

126

00:05:08,680 --> 00:05:05,990

of this overreaches in its attempts to

127

00:05:11,320 --> 00:05:08,690

provide us safe the courts are it's not

128

00:05:13,780 --> 00:05:11,330

going to be permitted the the reason I

129

00:05:19,090 --> 00:05:13,790

set that up is it's a soap what do you

130

00:05:20,440 --> 00:05:19,100

see as sinister about this I understand

131

00:05:23,950 --> 00:05:20,450

we have concerns that gee maybe this

132

00:05:25,719 --> 00:05:23,960

goes too far in trying to find criminals

133

00:05:27,670 --> 00:05:25,729

and it overreaches and maybe it's

134

00:05:30,390 --> 00:05:27,680

unconstitutional but other than that

135

00:05:32,830 --> 00:05:30,400

what do you find it especially sinister

136

00:05:35,740 --> 00:05:32,840

um so this is just one of several

137

00:05:37,600 --> 00:05:35,750

companies that is doing this that are

138

00:05:39,370 --> 00:05:37,610

based in Israel and they're marketing

139

00:05:41,740 --> 00:05:39,380

themselves as solutions to the mass

140

00:05:43,150 --> 00:05:41,750

shooting problem and carbon nine-one-one

141

00:05:44,830 --> 00:05:43,160

is one of them and there's another one

142

00:05:47,710 --> 00:05:44,840

called Gabriel and both of them are

143

00:05:49,210 --> 00:05:47,720

basically they were co-founded by people

144

00:05:52,779 --> 00:05:49,220

with ties to Israeli military

145

00:05:54,490 --> 00:05:52,789

intelligence or or the Mossad directly

146

00:05:56,050 --> 00:05:54,500

and I think that is troubling when you

147

00:05:58,600 --> 00:05:56,060

consider that there is a long a long

148

00:06:01,840 --> 00:05:58,610

history of the United States being

149

00:06:03,370 --> 00:06:01,850

targeted for espionage by private

150

00:06:06,130 --> 00:06:03,380

Israeli companies that have those same

151

00:06:07,810 --> 00:06:06,140

ties to Israeli military intelligence so

152

00:06:10,810 --> 00:06:07,820

for example carbon nine-one-one it was

153

00:06:13,779 --> 00:06:10,820

co-founded by by three individuals two

154

00:06:16,540 --> 00:06:13,789

of them were part of Israel's unit 8200

155

00:06:18,370 --> 00:06:16,550

which is a military intelligence signal

156

00:06:22,150 --> 00:06:18,380

intelligence unit that has a long

157

00:06:23,830 --> 00:06:22,160

history of using basically electronic

158

00:06:26,650 --> 00:06:23,840

surveillance to acquire blackmail on

159

00:06:30,460 --> 00:06:26,660

people among other things and has a lot

160

00:06:33,159 --> 00:06:30,470

of other you know past activities that

161

00:06:35,350 --> 00:06:33,169

have been exposed in the past for

162

00:06:38,050 --> 00:06:35,360

example some Israeli telecommunications

163

00:06:39,730 --> 00:06:38,060

companies that are known to have a past

164

00:06:40,860 --> 00:06:39,740

history of this sort of thing or Amdocs

165

00:06:43,590 --> 00:06:40,870

and converse and post

166

00:06:45,960 --> 00:06:43,600

who were caught aggressively spying on

167

00:06:48,180 --> 00:06:45,970

the US government and in the early 2000s

168

00:06:50,460 --> 00:06:48,190

including on the White House which I

169

00:06:53,430 --> 00:06:50,470

believe was actually mentioned by Gordon

170

00:06:56,640 --> 00:06:53,440

Thomas and in one of his books yes so

171

00:06:59,190 --> 00:06:56,650

there's a big connection you expose and

172

00:07:03,870 --> 00:06:59,200

I guess others expose in Israel between

173

00:07:05,540 --> 00:07:03,880

Mossad and technology companies so

174

00:07:09,060 --> 00:07:05,550

you've got a real mix of private

175

00:07:11,360 --> 00:07:09,070

technology with government and Mossad

176

00:07:14,010 --> 00:07:11,370

all the kind of crossing over right

177

00:07:15,600 --> 00:07:14,020

right right so I mean this is something

178

00:07:17,250 --> 00:07:15,610

you know I would argue what's going on

179

00:07:18,690 --> 00:07:17,260

with carbon n11 and things like that

180

00:07:20,070 --> 00:07:18,700

this is really only the latest evolution

181

00:07:22,230 --> 00:07:20,080

of something that's been going on since

182

00:07:24,660 --> 00:07:22,240

the 1980s with the promise software

183

00:07:26,250 --> 00:07:24,670

which is where this own software was

184

00:07:28,770 --> 00:07:26,260

marketed by people like Robert Maxwell

185

00:07:30,450 --> 00:07:28,780

and people like her'll Brian this

186

00:07:32,850 --> 00:07:30,460

software that had a backdoor for both

187

00:07:35,250 --> 00:07:32,860

Israeli and US intelligence all over the

188

00:07:37,230 --> 00:07:35,260

world and it was sold as many as 80

189

00:07:38,640 --> 00:07:37,240

intelligence agencies and a lot of banks

190

00:07:40,590 --> 00:07:38,650

basically giving these intelligence

191

00:07:42,090 --> 00:07:40,600

agencies a window into all these

192

00:07:45,840 --> 00:07:42,100

secretive databases where it was

193

00:07:47,550 --> 00:07:45,850

installed after that was exposed on what

194

00:07:49,710 --> 00:07:47,560

Israeli intelligence started to do was

195

00:07:51,990 --> 00:07:49,720

use these telecommunications companies

196

00:07:54,450 --> 00:07:52,000

or software companies like AM Docs and

197

00:07:56,160 --> 00:07:54,460

Congress Infosys for the same purpose

198

00:07:58,320 --> 00:07:56,170

and those companies were later exposed

199

00:08:00,630 --> 00:07:58,330

for their spying activities and now

200

00:08:03,030 --> 00:08:00,640

there's been all these but the strategy

201
00:08:04,830 --> 00:08:03,040
is again changed instead of having you

202
00:08:07,500 --> 00:08:04,840
know these standalone companies they

203
00:08:09,090 --> 00:08:07,510
there's all these some tech startups

204
00:08:11,520 --> 00:08:09,100
that are later absorbed by larger

205
00:08:13,260 --> 00:08:11,530
multinational technology companies but a

206
00:08:17,370 --> 00:08:13,270
lot of that software is believed to have

207
00:08:19,020 --> 00:08:17,380
sort of the same complete same conflicts

208
00:08:21,180 --> 00:08:19,030
of interests and it's also interesting

209
00:08:22,440 --> 00:08:21,190
that since 2012 Israel's government has

210
00:08:27,360 --> 00:08:22,450
basically admitted that they have

211
00:08:29,280 --> 00:08:27,370
changed policy from that they've shifted

212
00:08:31,200 --> 00:08:29,290
operations that used to be done in-house

213
00:08:33,480 --> 00:08:31,210

from Israeli military intelligence or

214

00:08:35,670 --> 00:08:33,490

Israeli intelligence and outsource that

215

00:08:37,140 --> 00:08:35,680

into private companies that were spun

216

00:08:38,940 --> 00:08:37,150

off at the behest of these same

217

00:08:41,220 --> 00:08:38,950

intelligence companies by agents that

218

00:08:43,290 --> 00:08:41,230

were managing those same programs one of

219

00:08:46,020 --> 00:08:43,300

those companies we know is black cube

220

00:08:48,480 --> 00:08:46,030

for example so black cube is basically a

221

00:08:50,640 --> 00:08:48,490

privatized Mossad that was created at

222

00:08:52,530 --> 00:08:50,650

the behest of the Mossad in order to be

223

00:08:54,210 --> 00:08:52,540

a privatized Mossad in the head of its

224

00:08:56,730 --> 00:08:54,220

on its board until

225

00:08:58,740 --> 00:08:56,740

stephane 2016 was merry beggin former

226

00:09:00,540 --> 00:08:58,750

director of the Mossad and one of the

227

00:09:02,699 --> 00:09:00,550

cofounders occurred by nine-one-one used

228

00:09:05,970 --> 00:09:02,709

to work for black cube and then you have

229

00:09:07,889 --> 00:09:05,980

you know unit 8200 you know co-founding

230

00:09:10,889 --> 00:09:07,899

this organization one of their board

231

00:09:13,410 --> 00:09:10,899

members is penis burkas who's the former

232

00:09:15,030 --> 00:09:13,420

commander of unit 8200 and of course a

233

00:09:18,780 --> 00:09:15,040

hood Barak he was very deeply tied to

234

00:09:20,100 --> 00:09:18,790

Jeffrey Epstein and was also um you know

235

00:09:22,110 --> 00:09:20,110

responsible for getting Epstein's

236

00:09:24,480 --> 00:09:22,120

involvement and this project secured um

237

00:09:26,490 --> 00:09:24,490

he used to be head of Israel's military

238

00:09:28,740 --> 00:09:26,500

intelligence and is also a former Prime

239

00:09:31,110 --> 00:09:28,750

Minister of Israel so there's a lot of

240

00:09:33,059 --> 00:09:31,120

you know overlap there that's that's

241

00:09:35,670 --> 00:09:33,069

quite troubling I would say especially

242

00:09:37,290 --> 00:09:35,680

considering what carbine nine-one-one is

243

00:09:38,910 --> 00:09:37,300

capable of just looking at it from the

244

00:09:41,040 --> 00:09:38,920

software side and also the fact that

245

00:09:44,040 --> 00:09:41,050

I've seen when he invested in this

246

00:09:46,410 --> 00:09:44,050

company he chose to use a company that

247

00:09:48,540 --> 00:09:46,420

was filed as a data mining company to

248

00:09:49,980 --> 00:09:48,550

invest in carbine nine-one-one which

249

00:09:51,480 --> 00:09:49,990

suggests that there that he knew and he

250

00:09:53,999 --> 00:09:51,490

knew in advance that there was some sort

251
00:09:57,509 --> 00:09:54,009
of data mining component to be to be had

252
00:09:59,819 --> 00:09:57,519
in this supposed emergency response

253
00:10:02,759 --> 00:09:59,829
software so we should basically assume

254
00:10:06,629 --> 00:10:02,769
that any technology that's coming from a

255
00:10:08,999 --> 00:10:06,639
significant company in Israel especially

256
00:10:11,280 --> 00:10:09,009
that has former government officials

257
00:10:12,889 --> 00:10:11,290
working at the company is actually tied

258
00:10:15,809 --> 00:10:12,899
to the Israeli government and a Mossad

259
00:10:19,350 --> 00:10:15,819
that's kind of a safe assumption well I

260
00:10:20,939 --> 00:10:19,360
mean you know I wouldn't say that every

261
00:10:22,980 --> 00:10:20,949
single piece of software that comes out

262
00:10:24,449 --> 00:10:22,990
of Israel is compromised but I would say

263
00:10:26,220 --> 00:10:24,459

that there is a concerted effort that

264

00:10:29,730 --> 00:10:26,230

actually Netanyahu himself has admitted

265

00:10:32,720 --> 00:10:29,740

to being policy to get a lot of startups

266

00:10:35,639 --> 00:10:32,730

that are connected and still that's the

267

00:10:37,499 --> 00:10:35,649

openly admit basically to blurring the

268

00:10:39,420 --> 00:10:37,509

line between israel's intelligence

269

00:10:41,460 --> 00:10:39,430

apparatus and its commercial activity

270

00:10:43,559 --> 00:10:41,470

getting those you know embedded into

271

00:10:45,629 --> 00:10:43,569

foreign companies as a way to prove make

272

00:10:47,699 --> 00:10:45,639

israel a global cyber power that's what

273

00:10:49,710 --> 00:10:47,709

he claims he's doing it for and also to

274

00:10:52,619 --> 00:10:49,720

counter BDS making it impossible to

275

00:10:55,590 --> 00:10:52,629

boycott israel and they're not opposed

276

00:10:56,999 --> 00:10:55,600

just buying on the US alright no not at

277

00:10:58,590 --> 00:10:57,009

all i mean recently there was the case

278

00:11:01,079 --> 00:10:58,600

of the sting rate of these devices

279

00:11:02,309 --> 00:11:01,089

around the white house for example that

280

00:11:04,049 --> 00:11:02,319

were believed to have been placed by

281

00:11:05,579 --> 00:11:04,059

israeli officials i think that was just

282

00:11:07,830 --> 00:11:05,589

a few weeks ago and that story has been

283

00:11:09,780 --> 00:11:07,840

kind of memory hold and we also know

284

00:11:11,280 --> 00:11:09,790

that Netanyahu for example when he was

285

00:11:13,800 --> 00:11:11,290

Prime Minister the first time in the

286

00:11:15,690 --> 00:11:13,810

late 90s was the first one of the first

287

00:11:17,580 --> 00:11:15,700

people to obtain phone logs I'm

288

00:11:19,470 --> 00:11:17,590

recording basically what was phone sex

289

00:11:21,090 --> 00:11:19,480
between Bill Clinton and Monica Lewinsky

290

00:11:23,100 --> 00:11:21,100
and attempted to use that as leverage

291

00:11:26,340 --> 00:11:23,110
over Bill Clinton and this was back in

292

00:11:28,380 --> 00:11:26,350
like 1998 and that was because Amdocs

293

00:11:30,420 --> 00:11:28,390
the company image earlier had been

294

00:11:31,829 --> 00:11:30,430
contracted by Bell Atlantic to reinstall

295

00:11:34,530 --> 00:11:31,839
all the phone lines on the White House

296

00:11:36,630 --> 00:11:34,540
and basically they were caught siphoning

297

00:11:38,880 --> 00:11:36,640
off all those two of those calls from DC

298

00:11:40,590 --> 00:11:38,890
to a facility in st. Louis which then

299

00:11:42,750 --> 00:11:40,600
had a direct line to tel-aviv and was

300

00:11:44,250 --> 00:11:42,760
sending all of these calls there yeah it

301
00:11:45,570 --> 00:11:44,260
may mean it makes sense that countries

302
00:11:49,290 --> 00:11:45,580
would want to spy in the u.s. when

303
00:11:52,079 --> 00:11:49,300
you're the the lone superpower you know

304
00:11:54,690 --> 00:11:52,089
and so significant what what decisions

305
00:11:57,600 --> 00:11:54,700
the u.s. makes and what policies we

306
00:12:00,240 --> 00:11:57,610
follow and so on that any country friend

307
00:12:04,470 --> 00:12:00,250
or foe is gonna want to know what's

308
00:12:05,970 --> 00:12:04,480
going on behind closed doors in DC right

309
00:12:07,230 --> 00:12:05,980
I think it's a fair assumption but it's

310
00:12:08,910 --> 00:12:07,240
also worth pointing out to you that a

311
00:12:10,740 --> 00:12:08,920
lot of times I'm what we're seeing a lot

312
00:12:12,270 --> 00:12:10,750
of now coming out in connection with not

313
00:12:15,150 --> 00:12:12,280

just Epstein but with this you know

314

00:12:16,710 --> 00:12:15,160

electronic aspect that we've been

315

00:12:19,190 --> 00:12:16,720

discussing is that there is a use of

316

00:12:21,900 --> 00:12:19,200

blackmail for this and you know 8,200

317

00:12:23,400 --> 00:12:21,910

has a history of looking for

318

00:12:25,020 --> 00:12:23,410

compromising information on people

319

00:12:28,110 --> 00:12:25,030

within israel and also within the

320

00:12:29,730 --> 00:12:28,120

palestinian palestinian territories of

321

00:12:32,790 --> 00:12:29,740

looking for compromising material is a

322

00:12:34,590 --> 00:12:32,800

way to make people informants so for

323

00:12:35,910 --> 00:12:34,600

them to apply that there and what we

324

00:12:37,860 --> 00:12:35,920

know about for example what I mentioned

325

00:12:39,150 --> 00:12:37,870

about Netanyahu and Clinton and things

326

00:12:41,010 --> 00:12:39,160

like that and what was going on with

327

00:12:42,480 --> 00:12:41,020

Epstein and they would make sense as

328

00:12:44,760 --> 00:12:42,490

well that you know if there's a person

329

00:12:46,620 --> 00:12:44,770

that they want to target for example or

330

00:12:48,300 --> 00:12:46,630

get leverage over that they could use

331

00:12:52,020 --> 00:12:48,310

you know electronic means to do that as

332

00:12:55,790 --> 00:12:52,030

well do we know whether they did in fact

333

00:12:59,790 --> 00:12:55,800

use the Monica Lewinsky Clinton evidence

334

00:13:01,949 --> 00:12:59,800

as blackmail against him um so that's

335

00:13:04,079 --> 00:13:01,959

alleged by two different authors I think

336

00:13:05,220 --> 00:13:04,089

one of them is Daniel helped help her in

337

00:13:07,980 --> 00:13:05,230

this his name and the other one is

338

00:13:11,310 --> 00:13:07,990

Gordon Thomas I'm Gordon Thomas claimed

339

00:13:12,990 --> 00:13:11,320

that they had like 30 hours of phone

340

00:13:14,640 --> 00:13:13,000

calls between Bill Clinton Monica

341

00:13:16,740 --> 00:13:14,650

Lewinsky that Israel had obtained that

342

00:13:19,170 --> 00:13:16,750

and attempted to use that during the

343

00:13:21,420 --> 00:13:19,180

white plantation talks help her in

344

00:13:23,490 --> 00:13:21,430

obtain so as we say sorry when we say

345

00:13:25,260 --> 00:13:23,500

tempted to use it what what it was

346

00:13:28,370 --> 00:13:25,270

specifically what do I mean they talked

347

00:13:30,690 --> 00:13:28,380

to Bill and said hey Bill come over here

348

00:13:33,150 --> 00:13:30,700

Yahoo tried to secure the release of

349

00:13:34,769 --> 00:13:33,160

Jonathan Pollard from prison tried to

350

00:13:37,160 --> 00:13:34,779

get Bill Clinton to part in Jonathan

351

00:13:39,180 --> 00:13:37,170

Pollard Clinton apparently was

352

00:13:41,400 --> 00:13:39,190

considering going along with it until

353

00:13:43,710 --> 00:13:41,410

George Tenet threatened to resign from

354

00:13:44,990 --> 00:13:43,720

the CIA and make a big fuss about it but

355

00:13:48,480 --> 00:13:45,000

do any of these guys alleged

356

00:13:50,670 --> 00:13:48,490

specifically that Netanyahu said to

357

00:13:52,710 --> 00:13:50,680

Clinton yeah here's what I've got

358

00:13:55,740 --> 00:13:52,720

yeah here's what I want for me to keep

359

00:13:57,389 --> 00:13:55,750

it quiet yeah they has been alleged I

360

00:13:58,590 --> 00:13:57,399

mean there's an article about it in The

361

00:14:00,510 --> 00:13:58,600

Times of Israel which is pretty

362

00:14:02,670 --> 00:14:00,520

mainstream as far as Israeli media is

363

00:14:04,320 --> 00:14:02,680

concerned right that talks about those

364

00:14:05,610 --> 00:14:04,330

allegations and there was actually a lot

365

00:14:09,540 --> 00:14:05,620

of this was compiled in legal documents

366

00:14:11,220 --> 00:14:09,550

that was obtained by by Halperin in the

367

00:14:13,410 --> 00:14:11,230

event that there was a subsequent

368

00:14:15,990 --> 00:14:13,420

litigation regarding the Lewinsky case

369

00:14:18,300 --> 00:14:16,000

after Clinton left office and what's the

370

00:14:22,949 --> 00:14:18,310

current status of carbon nine-one-one

371

00:14:25,560 --> 00:14:22,959

it's ongoing product and and has it been

372

00:14:27,329 --> 00:14:25,570

sold in the u.s. at all yeah it has been

373

00:14:28,860 --> 00:14:27,339

sold in the u.s. it's currently active

374

00:14:31,050 --> 00:14:28,870

in two counties one of them's in Georgia

375

00:14:32,579 --> 00:14:31,060

I forget the other state before

376

00:14:35,670 --> 00:14:32,589

Epstein's arrests it was being very

377

00:14:38,430 --> 00:14:35,680

heavily promoted in US media as a way to

378

00:14:40,740 --> 00:14:38,440

resolve the what the media described as

379

00:14:42,690 --> 00:14:40,750

aging nine-one-one infrastructure

380

00:14:45,150 --> 00:14:42,700

throughout the country and to make it

381

00:14:48,090 --> 00:14:45,160

all into one national interconnected

382

00:14:50,190 --> 00:14:48,100

system and also carbine 9-1-1 has a very

383

00:14:52,890 --> 00:14:50,200

close relationship with the two only

384

00:14:55,260 --> 00:14:52,900

lobbying groups that are lobbying for a

385

00:14:58,070 --> 00:14:55,270

national next generation 9 1 1 system

386

00:15:00,420 --> 00:14:58,080

nationwide and Congress right now and

387

00:15:02,490 --> 00:15:00,430

both of those are quite are pushing

388

00:15:04,170 --> 00:15:02,500

quite extensively for kagra of those

389

00:15:06,449 --> 00:15:04,180

lobby groups sorry are pushing for

390

00:15:08,730 --> 00:15:06,459

carbine 9-1-1 and this company also has

391

00:15:11,940 --> 00:15:08,740

ties into the Trump administration as

392

00:15:13,440 --> 00:15:11,950

well one of the Trump's top 2020 donors

393

00:15:16,440 --> 00:15:13,450

Eliot to wheel is on the board of

394

00:15:18,930 --> 00:15:16,450

directors for carbine and the former

395

00:15:21,569 --> 00:15:18,940

head of the Trump Department of Defense

396

00:15:24,389 --> 00:15:21,579

transition team Trace Stevens who's also

397

00:15:25,860 --> 00:15:24,399

an ex Palantir employee I'm is on the

398

00:15:27,240 --> 00:15:25,870

board of advisers as well and then you

399

00:15:29,699 --> 00:15:27,250

have Peter Thiel he was a prominent

400

00:15:31,860 --> 00:15:29,709

Trump backer so basically it's a you

401
00:15:33,660 --> 00:15:31,870
know if it wasn't for Epstein this was

402
00:15:34,630 --> 00:15:33,670
basically fast-tracked to be the the

403
00:15:37,600 --> 00:15:34,640
promise you know

404
00:15:40,270 --> 00:15:37,610
lucien to not just to you know the 911

405
00:15:43,750 --> 00:15:40,280
issue but also to you know mass

406
00:15:48,150 --> 00:15:43,760
shootings so so what exactly is the

407
00:15:50,890 --> 00:15:48,160
carbine 9-1-1 product doing in georgia

408
00:15:54,580 --> 00:15:50,900
so if you call 9-1-1 in this county in

409
00:15:56,560 --> 00:15:54,590
georgia it your call is put into this

410
00:15:58,420 --> 00:15:56,570
carbine system the audio of that call is

411
00:16:01,360 --> 00:15:58,430
recorded in carbine is able to extract

412
00:16:03,780 --> 00:16:01,370
any data it chooses well basically at

413
00:16:06,850 --> 00:16:03,790

mass mass extracts the data and whatever

414

00:16:09,040 --> 00:16:06,860

someone considers it to be relevant is

415

00:16:12,310 --> 00:16:09,050

stored there whoever makes that decision

416

00:16:14,830 --> 00:16:12,320

is not um you know transparent really

417

00:16:17,350 --> 00:16:14,840

and it also i'm car by 9-1-1 also

418

00:16:19,960 --> 00:16:17,360

obtains own control over your camera can

419

00:16:21,940 --> 00:16:19,970

record the live video feed so it's a

420

00:16:23,580 --> 00:16:21,950

video and audio and if you can get

421

00:16:25,900 --> 00:16:23,590

access to that at the time of the call

422

00:16:28,420 --> 00:16:25,910

people have raised concern that perhaps

423

00:16:30,040 --> 00:16:28,430

it could have access at any time to the

424

00:16:33,760 --> 00:16:30,050

camera and microphone of your of your

425

00:16:35,560 --> 00:16:33,770

cell phone so it takes all the

426

00:16:38,410 --> 00:16:35,570

information that it gets but puts it in

427

00:16:40,150 --> 00:16:38,420

a database and collects it and stores it

428

00:16:42,100 --> 00:16:40,160

and the idea is the bigger the database

429

00:16:45,280 --> 00:16:42,110

the better for cross referencing etc

430

00:16:48,070 --> 00:16:45,290

right it also run it also has access to

431

00:16:51,700 --> 00:16:48,080

several federal databases so it runs

432

00:16:53,290 --> 00:16:51,710

your ID through those databases for

433

00:16:55,630 --> 00:16:53,300

whatever reason it's also worth pointing

434

00:16:58,510 --> 00:16:55,640

out to that in china for example china

435

00:17:00,700 --> 00:16:58,520

had a very similar app that it's sort of

436

00:17:02,890 --> 00:17:00,710

promoted and that was very similar to

437

00:17:07,090 --> 00:17:02,900

car by 9-1-1 it was marketed as a

438

00:17:09,100 --> 00:17:07,100

emergency response tool and it turned

439

00:17:10,329 --> 00:17:09,110

out that it was used being used by the

440

00:17:12,310 --> 00:17:10,339

Chinese government for a master

441

00:17:14,350 --> 00:17:12,320

surveillance against civilians and was

442

00:17:16,569 --> 00:17:14,360

personality of basically profiling

443

00:17:18,160 --> 00:17:16,579

people based upon their geolocation

444

00:17:19,840 --> 00:17:18,170

where they were going who they were

445

00:17:21,460 --> 00:17:19,850

meeting with who they were associating

446

00:17:23,050 --> 00:17:21,470

with what they would say online yeah

447

00:17:24,430 --> 00:17:23,060

well you know it seems to me there's

448

00:17:27,540 --> 00:17:24,440

different versions of this they could

449

00:17:29,680 --> 00:17:27,550

sell in some countries you know people's

450

00:17:31,660 --> 00:17:29,690

constitutional rights are not quite as

451

00:17:33,100 --> 00:17:31,670

strong so there's plenty of countries

452

00:17:34,840 --> 00:17:33,110

that would probably say yeah give us the

453

00:17:37,120 --> 00:17:34,850

whole thing will implement the whole

454

00:17:38,680 --> 00:17:37,130

thing we don't care and then in the US

455

00:17:41,260 --> 00:17:38,690

if you try to implement the whole thing

456

00:17:44,050 --> 00:17:41,270

theoretically you would get into trouble

457

00:17:45,280 --> 00:17:44,060

at some point well assumably so but i

458

00:17:47,110 --> 00:17:45,290

think that's why it's interesting that

459

00:17:47,520 --> 00:17:47,120

they are marketing this in connection

460

00:17:49,290 --> 00:17:47,530

with

461

00:17:50,760 --> 00:17:49,300

shootings because basically the theory

462

00:17:52,380 --> 00:17:50,770

behind that is that you have betrayed

463

00:17:54,750 --> 00:17:52,390

more of your liberty for increased

464

00:17:56,400 --> 00:17:54,760

safety right yeah well look it's just

465

00:18:04,020 --> 00:17:56,410

you know I hate to say it but it's a

466

00:18:06,390 --> 00:18:04,030

good marketing right personally well I

467

00:18:08,730 --> 00:18:06,400

mean it depends on how you how you look

468

00:18:12,780 --> 00:18:08,740

at it but I mean bottom line is you

469

00:18:15,060 --> 00:18:12,790

can't dispute that America has a problem

470

00:18:16,170 --> 00:18:15,070

with mass shootings I mean I'm not

471

00:18:17,640 --> 00:18:16,180

saying that we should go into mass

472

00:18:19,890 --> 00:18:17,650

hysteria over it but I'm just

473

00:18:22,560 --> 00:18:19,900

acknowledging that yes this is a

474

00:18:24,480 --> 00:18:22,570

relatively new problem that has been

475

00:18:28,530 --> 00:18:24,490

getting worse there's no question about

476

00:18:30,780 --> 00:18:28,540

that and so coming up with ways to try

477

00:18:32,340 --> 00:18:30,790

to prevent them I don't begrudge anybody

478

00:18:34,500 --> 00:18:32,350

for doing that and if you've come up

479

00:18:36,540 --> 00:18:34,510

with a technology that you think would

480

00:18:38,970 --> 00:18:36,550

help in you're pointing out that hey

481

00:18:42,240 --> 00:18:38,980

guys this could be helpful in preventing

482

00:18:46,290 --> 00:18:42,250

future mass shootings I don't find that

483

00:18:48,270 --> 00:18:46,300

to be problematic frankly but it depends

484

00:18:52,050 --> 00:18:48,280

on what exactly the technology does I'm

485

00:18:54,300 --> 00:18:52,060

a big fan of the Constitution on the end

486

00:18:56,070 --> 00:18:54,310

of individual liberty so when it crosses

487

00:18:56,610 --> 00:18:56,080

the line in the violating individual

488

00:18:58,800 --> 00:18:56,620

liberty

489

00:19:01,380 --> 00:18:58,810

then that's gone too far but that's up

490

00:19:03,240 --> 00:19:01,390

to the governments to make sure that

491

00:19:04,590 --> 00:19:03,250

it's not violating individual liberty

492

00:19:07,350 --> 00:19:04,600

not necessarily up to the private

493

00:19:08,910 --> 00:19:07,360

company that's selling it well I suppose

494

00:19:10,590 --> 00:19:08,920

so but if you're opening this up to a

495

00:19:12,750 --> 00:19:10,600

pre-crime system which is the system

496

00:19:14,910 --> 00:19:12,760

that's being suggested to basically use

497

00:19:17,190 --> 00:19:14,920

people's and electronically surveilled

498

00:19:19,530 --> 00:19:17,200

people to identify quote-unquote warning

499

00:19:21,120 --> 00:19:19,540

signs you know who decides what those

500

00:19:23,160 --> 00:19:21,130

warning sides are I mean just recently

501
00:19:25,020 --> 00:19:23,170
we had the FBI saying that conspiracy

502
00:19:27,360 --> 00:19:25,030
theorists are a terror threat who

503
00:19:29,070 --> 00:19:27,370
defines what that means anymore you know

504
00:19:30,750 --> 00:19:29,080
these definitions have become basically

505
00:19:33,210 --> 00:19:30,760
whatever anyone in government wants them

506
00:19:34,920 --> 00:19:33,220
to be any time you throw in this whole

507
00:19:36,810 --> 00:19:34,930
claim of pre-crime you're you're

508
00:19:38,520 --> 00:19:36,820
basically going out potentially and

509
00:19:40,050 --> 00:19:38,530
detaining someone for a crime they

510
00:19:41,670 --> 00:19:40,060
haven't even committed just because you

511
00:19:43,980 --> 00:19:41,680
think they'll commit the crime well not

512
00:19:46,770 --> 00:19:43,990
necessarily it depends on what again if

513
00:19:50,100 --> 00:19:46,780

your survey if somebody's posting stuff

514

00:19:52,710 --> 00:19:50,110

on the internet about wanting to let's

515

00:19:53,970 --> 00:19:52,720

just be absurd you know I'll want to go

516

00:19:55,260 --> 00:19:53,980

commit a mass shooting okay they're

517

00:19:56,280 --> 00:19:55,270

saying that they're saying it again and

518

00:19:59,250 --> 00:19:56,290

again and again

519

00:20:00,660 --> 00:19:59,260

[Music]

520

00:20:01,890 --> 00:20:00,670

okay something to say so it's public

521

00:20:04,470 --> 00:20:01,900

information they're putting it out there

522

00:20:06,930 --> 00:20:04,480

publicly right I'm not suggesting that

523

00:20:08,760 --> 00:20:06,940

you go arrest the person although maybe

524

00:20:10,830 --> 00:20:08,770

some of that is a crime as a terrorist

525

00:20:12,840 --> 00:20:10,840

threat but let's assume that it's not a

526

00:20:17,100 --> 00:20:12,850

crime as a terrorist threat to keep an

527

00:20:18,180 --> 00:20:17,110

eye in that person I'm in favor of if

528

00:20:19,260 --> 00:20:18,190

you're posting that kind of stuff

529

00:20:21,480 --> 00:20:19,270

publicly I'm not talking about

530

00:20:24,540 --> 00:20:21,490

intercepting a private phone call right

531

00:20:26,730 --> 00:20:24,550

but is it really necessary so yeah so

532

00:20:29,070 --> 00:20:26,740

the thing is that the system that that's

533

00:20:31,710 --> 00:20:29,080

being pushed for right now in connection

534

00:20:33,300 --> 00:20:31,720

to mass shootings also includes this

535

00:20:36,060 --> 00:20:33,310

plush to create this new government

536

00:20:37,200 --> 00:20:36,070

agency called Harper I don't know if

537

00:20:39,150 --> 00:20:37,210

you're familiar with it but it's

538

00:20:41,970 --> 00:20:39,160

basically a help mental health version

539

00:20:44,750 --> 00:20:41,980

of DARPA of the Pentagon and what they

540

00:20:47,670 --> 00:20:44,760

are pushing to do is to use devices like

541

00:20:49,800 --> 00:20:47,680

Amazon echo and Google home in your

542

00:20:52,340 --> 00:20:49,810

smartphone to basically surveil you into

543

00:20:55,560 --> 00:20:52,350

say an identified problematic behavior

544

00:20:57,120 --> 00:20:55,570

that will get you basically tipped off

545

00:20:58,440 --> 00:20:57,130

for increased surveillance or have the

546

00:21:01,560 --> 00:20:58,450

government basically come to your house

547

00:21:03,060 --> 00:21:01,570

to see if you're mentally well which was

548

00:21:05,040 --> 00:21:03,070

promoted in the Washington Post recently

549

00:21:07,950 --> 00:21:05,050

and things like that and involves a lot

550

00:21:09,450 --> 00:21:07,960

of this sort of pre-crime overtones I

551
00:21:11,250 --> 00:21:09,460
think it's a very slippery slope here

552
00:21:13,740 --> 00:21:11,260
and I think you know even if the u.s.

553
00:21:16,980 --> 00:21:13,750
wanted to go this route it is not smart

554
00:21:19,230 --> 00:21:16,990
to use the technology of a foreign so

555
00:21:21,270 --> 00:21:19,240
deeply tied you know foreign military

556
00:21:23,070 --> 00:21:21,280
intelligence I think you know imagine

557
00:21:24,930 --> 00:21:23,080
for example if the same software was

558
00:21:26,280 --> 00:21:24,940
connected to example Russian military

559
00:21:28,770 --> 00:21:26,290
intelligence I think you would be

560
00:21:30,390 --> 00:21:28,780
hearing about it in the media non-stop

561
00:21:32,040 --> 00:21:30,400
but of course this hasn't really gotten

562
00:21:33,810 --> 00:21:32,050
very much coverage at all is it okay

563
00:21:35,700 --> 00:21:33,820

because it's our ally it's worth

564

00:21:37,230 --> 00:21:35,710

pointing out that the NSA in 2013

565

00:21:40,410 --> 00:21:37,240

identified Israel as the number three

566

00:21:42,330 --> 00:21:40,420

most aggressive a spy spy agency

567

00:21:44,910 --> 00:21:42,340

targeting the u.s. in terms of espionage

568

00:21:47,250 --> 00:21:44,920

rate behind Russia and China it's it's

569

00:21:49,350 --> 00:21:47,260

Israel even though they're our ally that

570

00:21:50,790 --> 00:21:49,360

that is troubling that we would give

571

00:21:53,790 --> 00:21:50,800

them you know a potential you know

572

00:21:56,850 --> 00:21:53,800

backdoor into so many you know key

573

00:21:58,890 --> 00:21:56,860

electronic infrastructure um in our

574

00:22:00,810 --> 00:21:58,900

country with no questions asked I think

575

00:22:02,790 --> 00:22:00,820

that's a very glaring conflict of

576

00:22:05,600 --> 00:22:02,800

interest personally yeah well I agree

577

00:22:08,070 --> 00:22:05,610

and just to be clear I applaud you for

578

00:22:11,700 --> 00:22:08,080

raising all this and making people aware

579

00:22:12,540 --> 00:22:11,710

of it you're a classic liberal in that

580

00:22:13,920 --> 00:22:12,550

sense of

581

00:22:16,950 --> 00:22:13,930

affecting people against government

582

00:22:20,160 --> 00:22:16,960

overreach and those type of liberals are

583

00:22:22,590 --> 00:22:20,170

a dying breed because the Democrat Party

584

00:22:24,840 --> 00:22:22,600

at this point is all about socialism not

585

00:22:27,870 --> 00:22:24,850

about liberalism so that's a topic for

586

00:22:31,080 --> 00:22:27,880

another day but it's it's it's too bad

587

00:22:33,600 --> 00:22:31,090

that we don't have enough of your type

588

00:22:35,160 --> 00:22:33,610

of voices in the US because you know the

589

00:22:36,450 --> 00:22:35,170

Republican Party hasn't really been big

590

00:22:38,310 --> 00:22:36,460

in that in the past and now the Democrat

591

00:22:41,100 --> 00:22:38,320

Party is not big on it so somebody needs

592

00:22:44,940 --> 00:22:41,110

to be watchful over the overreach of

593

00:22:47,490 --> 00:22:44,950

government so going back to carbon

594

00:22:50,040 --> 00:22:47,500

nine-one-one and Epstein's investment in

595

00:22:50,790 --> 00:22:50,050

it so I'm gonna let's now dive into

596

00:22:53,760 --> 00:22:50,800

Epstein

597

00:22:57,750 --> 00:22:53,770

I don't inherently find that sinister

598

00:22:59,940 --> 00:22:57,760

because the guy is an investor and this

599

00:23:02,250 --> 00:22:59,950

looks like a good investment so what is

600

00:23:05,730 --> 00:23:02,260

sinister about Epstein investing in it

601
00:23:07,740 --> 00:23:05,740
well I've seen was and he was basically

602
00:23:09,600 --> 00:23:07,750
tapped to be in this by a hoot Barak and

603
00:23:11,340 --> 00:23:09,610
he and a hoot Barak had a what I would

604
00:23:13,680 --> 00:23:11,350
consider to be you know a troubling

605
00:23:16,530 --> 00:23:13,690
relationship on a couple of levels for

606
00:23:19,380 --> 00:23:16,540
example a Brock would admits to having

607
00:23:21,060 --> 00:23:19,390
gone to Epstein's Island he went on he

608
00:23:22,650 --> 00:23:21,070
was seen multiple times entering an

609
00:23:23,880 --> 00:23:22,660
apartment building owned by Epstein's

610
00:23:25,920 --> 00:23:23,890
brother that federal investigators

611
00:23:28,200 --> 00:23:25,930
considered to be a major part of F

612
00:23:29,910 --> 00:23:28,210
scenes sex trafficking operation where

613
00:23:31,200 --> 00:23:29,920

underage girls from South America and in

614

00:23:33,330 --> 00:23:31,210

the in Eastern Europe were routinely

615

00:23:35,250 --> 00:23:33,340

held and he numerous other people that

616

00:23:36,960 --> 00:23:35,260

live that are normal people that live in

617

00:23:38,460 --> 00:23:36,970

that apartment building told reporters

618

00:23:41,130 --> 00:23:38,470

that they had seen an uber up there

619

00:23:43,110 --> 00:23:41,140

multiple times the security detail and

620

00:23:46,050 --> 00:23:43,120

he's also sorry let me interrupt

621

00:23:47,730 --> 00:23:46,060

where was that apartment it's it's in

622

00:23:50,220 --> 00:23:47,740

New York I forget the exact address but

623

00:23:51,030 --> 00:23:50,230

there's several reports on it and so

624

00:23:54,300 --> 00:23:51,040

that's his brother

625

00:23:56,040 --> 00:23:54,310

that's Epstein's brother's apartment and

626
00:23:58,320 --> 00:23:56,050
you believe there were underage girls at

627
00:23:59,940 --> 00:23:58,330
that apartment yeah well it's an

628
00:24:02,010 --> 00:23:59,950
apartment building so there's multiple

629
00:24:03,420 --> 00:24:02,020
apartments in it and so some regular

630
00:24:05,490 --> 00:24:03,430
families have apartments but there's

631
00:24:06,780 --> 00:24:05,500
other apartments that are you know

632
00:24:08,520 --> 00:24:06,790
controlled by the people that own the

633
00:24:10,680 --> 00:24:08,530
building which is majority owned by mark

634
00:24:12,980 --> 00:24:10,690
Epstein right and this is according to

635
00:24:15,750 --> 00:24:12,990
the former keeper for John Luke Brunel

636
00:24:17,580 --> 00:24:15,760
who's one of the major alleged

637
00:24:19,920 --> 00:24:17,590
co-conspirators with Epstein is that

638
00:24:21,690 --> 00:24:19,930

that building was used to house underage

639

00:24:24,120 --> 00:24:21,700

girls from South America and from

640

00:24:25,230 --> 00:24:24,130

Eastern Europe specifically so let's say

641

00:24:25,980 --> 00:24:25,240

on the brother for a second because you

642

00:24:28,169 --> 00:24:25,990

don't really

643

00:24:29,510 --> 00:24:28,179

him being culpable in all this are you

644

00:24:31,950 --> 00:24:29,520

basically saying that he was

645

00:24:33,390 --> 00:24:31,960

knowledgeable as to what Epstein was

646

00:24:36,060 --> 00:24:33,400

doing and theoretically should be in

647

00:24:38,280 --> 00:24:36,070

jail yeah I think he at least he should

648

00:24:39,900 --> 00:24:38,290

at least be questioned for sure he also

649

00:24:42,120 --> 00:24:39,910

has a some ties to the State Department

650

00:24:43,830 --> 00:24:42,130

into some Democrats like Adam Schiff and

651
00:24:45,870 --> 00:24:43,840
debbie Wasserman so what's Herman

652
00:24:48,120 --> 00:24:45,880
Schultz I mean some other people he was

653
00:24:49,919 --> 00:24:48,130
very connected and and it would have

654
00:24:51,600 --> 00:24:49,929
been really hard for him to not know

655
00:24:54,030 --> 00:24:51,610
what his brother was up to because they

656
00:24:56,430 --> 00:24:54,040
shared a lot of investments together had

657
00:24:58,080 --> 00:24:56,440
a lot of financial overlap and this

658
00:25:00,750 --> 00:24:58,090
building that federal investigators

659
00:25:03,270 --> 00:25:00,760
believe was used as a major part of

660
00:25:05,040 --> 00:25:03,280
Epstein sex trafficking operation that

661
00:25:07,919 --> 00:25:05,050
was majority owned by mark Epstein it's

662
00:25:09,930 --> 00:25:07,929
quite shocking that that you know that

663
00:25:11,580 --> 00:25:09,940

building wasn't rated for one thing and

664

00:25:13,020 --> 00:25:11,590

that mark Epstein hasn't been questioned

665

00:25:15,990 --> 00:25:13,030

in connection with with that case

666

00:25:17,280 --> 00:25:16,000

specifically so for all we know that you

667

00:25:18,780 --> 00:25:17,290

know that apartment building some of

668

00:25:20,700 --> 00:25:18,790

those apartments could still be used for

669

00:25:22,590 --> 00:25:20,710

the same purpose you know his penthouse

670

00:25:24,360 --> 00:25:22,600

the penthouse that was originally bought

671

00:25:26,400 --> 00:25:24,370

by Leslie Wexner and given to Epstein

672

00:25:28,380 --> 00:25:26,410

that was raided but this other building

673

00:25:29,610 --> 00:25:28,390

was not and I think that's quite telling

674

00:25:31,080 --> 00:25:29,620

especially when you consider that

675

00:25:33,150 --> 00:25:31,090

there's a couple other residences of

676
00:25:35,100 --> 00:25:33,160
Epstein's that to date still have not

677
00:25:38,130 --> 00:25:35,110
been raided including the the ranch in

678
00:25:39,780 --> 00:25:38,140
New Mexico I'm he owns two islands one

679
00:25:42,780 --> 00:25:39,790
of those islands was not rated the other

680
00:25:44,610 --> 00:25:42,790
one wasn't rated until after he was

681
00:25:46,740 --> 00:25:44,620
alleged to have committed suicide right

682
00:25:48,750 --> 00:25:46,750
um so they waited like over a month to

683
00:25:50,940 --> 00:25:48,760
read one of his most notorious

684
00:25:53,100 --> 00:25:50,950
residences for example well not to

685
00:25:56,610 --> 00:25:53,110
mention it wasn't none of that was

686
00:26:01,400 --> 00:25:56,620
raided ten years ago right when he was

687
00:26:05,490 --> 00:26:01,410
originally charged right good point so

688
00:26:07,380 --> 00:26:05,500

what's your theory as to why the

689

00:26:10,830 --> 00:26:07,390

government has not been tougher on

690

00:26:15,930 --> 00:26:10,840

Epstein ten years ago and even more

691

00:26:18,570 --> 00:26:15,940

recently that is quite a long answers so

692

00:26:21,780 --> 00:26:18,580

basically on to summarize you know my

693

00:26:24,180 --> 00:26:21,790

research I consider Jeffrey Epstein to

694

00:26:27,780 --> 00:26:24,190

be late as one of the later iterations

695

00:26:29,160 --> 00:26:27,790

of an organization that a lot of people

696

00:26:31,890 --> 00:26:29,170

come up with different nicknames for

697

00:26:34,140 --> 00:26:31,900

over the years and is basically the

698

00:26:36,540 --> 00:26:34,150

coming together this sort of unholy

699

00:26:38,580 --> 00:26:36,550

alliance as it were between elements of

700

00:26:39,690 --> 00:26:38,590

organized crime elements of US

701
00:26:41,639 --> 00:26:39,700
intelligence and

702
00:26:43,259 --> 00:26:41,649
so Israeli intelligence that we saw for

703
00:26:46,919 --> 00:26:43,269
example come together in the iran-contra

704
00:26:48,450 --> 00:26:46,929
scandal these same three elements if you

705
00:26:50,399 --> 00:26:48,460
look back at their history of where they

706
00:26:52,620 --> 00:26:50,409
really started to come together it was

707
00:26:56,100 --> 00:26:52,630
around the national crime syndicate in

708
00:26:57,810 --> 00:26:56,110
their alliance with the CIA really the

709
00:27:00,210 --> 00:26:57,820
precursor to the CIA the Office of

710
00:27:01,769 --> 00:27:00,220
Strategic Services and it was this on

711
00:27:03,180 --> 00:27:01,779
national crime syndicate that was

712
00:27:06,090 --> 00:27:03,190
co-founded by the Genovese crime family

713
00:27:07,950 --> 00:27:06,100

in in Mayr Lansky that pioneered the use

714

00:27:09,299 --> 00:27:07,960

of these sexual blackmail operations

715

00:27:11,310 --> 00:27:09,309

that actually and was later known to be

716

00:27:14,970 --> 00:27:11,320

involved in if you look at the people

717

00:27:17,159 --> 00:27:14,980

that surrounded you know Mayr Lansky and

718

00:27:18,930 --> 00:27:17,169

his business operations going forward as

719

00:27:22,320 --> 00:27:18,940

well as intelligence and the sort of

720

00:27:23,700 --> 00:27:22,330

alliance between these these groups you

721

00:27:27,029 --> 00:27:23,710

end up seeing that a lot of the same

722

00:27:30,539 --> 00:27:27,039

that not only are a lot of these figures

723

00:27:32,279 --> 00:27:30,549

they're intergenerational successors I

724

00:27:33,899 --> 00:27:32,289

guess you could say they not only did

725

00:27:36,149 --> 00:27:33,909

then they come to surround Epstein later

726

00:27:38,159 --> 00:27:36,159

on but there were several sexual

727

00:27:40,259 --> 00:27:38,169

blackmail operations not just Epstein

728

00:27:42,990 --> 00:27:40,269

that were connected to the same network

729

00:27:44,940 --> 00:27:43,000

Epstein being just one of them so for

730

00:27:46,560 --> 00:27:44,950

example it connected to iran-contra you

731

00:27:48,450 --> 00:27:46,570

have like the Franklin scandal for

732

00:27:49,980 --> 00:27:48,460

example you have the Craig Spence

733

00:27:51,659 --> 00:27:49,990

pedophile ring that was some that

734

00:27:54,240 --> 00:27:51,669

sometimes called the White House cowboy

735

00:27:56,129 --> 00:27:54,250

ring because they were you know some of

736

00:27:58,259 --> 00:27:56,139

these underage boys were that were

737

00:28:00,450 --> 00:27:58,269

sexually abused were taken to the White

738

00:28:02,700 --> 00:28:00,460

House allegedly and this was run by

739

00:28:05,460 --> 00:28:02,710

Craig Spence and then also am i talking

740

00:28:08,970 --> 00:28:05,470

in my in my series about one that was

741

00:28:10,649 --> 00:28:08,980

also run by Roy Cohn who's that the

742

00:28:13,350 --> 00:28:10,659

former general counsel to Senator

743

00:28:15,840 --> 00:28:13,360

McCarthy and was also a very notorious

744

00:28:18,240 --> 00:28:15,850

and influential New York lawyer and also

745

00:28:21,360 --> 00:28:18,250

a very important political player in the

746

00:28:25,769 --> 00:28:21,370

Reagan administration so is it your

747

00:28:29,610 --> 00:28:25,779

theory that the US Attorney's office

748

00:28:31,529 --> 00:28:29,620

went light on him 10 years ago because

749

00:28:34,110 --> 00:28:31,539

in fact it became known to him that he

750

00:28:36,440 --> 00:28:34,120

was an agent a Mossad agent or some I

751

00:28:39,480 --> 00:28:36,450

think you know I think I think he was

752

00:28:42,029 --> 00:28:39,490

the asset of more than one intelligence

753

00:28:43,620 --> 00:28:42,039

agency I would argue that he served more

754

00:28:45,360 --> 00:28:43,630

than one purpose to intelligence the

755

00:28:48,810 --> 00:28:45,370

sexual blackmail operation was just one

756

00:28:50,150 --> 00:28:48,820

of them and I think that he was also

757

00:28:52,010 --> 00:28:50,160

involved in

758

00:28:55,010 --> 00:28:52,020

the world of shadow finance as it were a

759

00:28:56,990 --> 00:28:55,020

lot of money laundering in sort of

760

00:28:58,820 --> 00:28:57,000

shadow banking activity I think a lot of

761

00:29:01,340 --> 00:28:58,830

that shadow banking activity was done on

762

00:29:04,340 --> 00:29:01,350

behalf of the CIA and I think he was

763

00:29:05,900 --> 00:29:04,350

also involved in and smuggling among

764

00:29:08,960 --> 00:29:05,910

other things I mean we can get into that

765

00:29:11,270 --> 00:29:08,970

specifically about Epstein himself and

766

00:29:13,610 --> 00:29:11,280

his ties to intelligence but I think the

767

00:29:15,260 --> 00:29:13,620

main reason that he wasn't pursued is

768

00:29:16,580 --> 00:29:15,270

because he's part of this larger network

769

00:29:19,100 --> 00:29:16,590

that has been doing this for a very long

770

00:29:20,570 --> 00:29:19,110

time if you look at um bill bar for

771

00:29:23,690 --> 00:29:20,580

instance who's the Attorney General

772

00:29:25,340 --> 00:29:23,700

right now um knowing that this sort of

773

00:29:27,140 --> 00:29:25,350

activity has been connected to a lot of

774

00:29:29,690 --> 00:29:27,150

the same individuals behind iran-contra

775

00:29:31,190 --> 00:29:29,700

is notable because bill bar when he was

776

00:29:33,080 --> 00:29:31,200

Attorney General the first time was very

777

00:29:34,670 --> 00:29:33,090

involved in the cover-up of iran-contra

778

00:29:36,650 --> 00:29:34,680

and the pardoning of a lot of people

779

00:29:39,890 --> 00:29:36,660

involved he was also involved in the

780

00:29:42,260 --> 00:29:39,900

cover-up to an extent of the the insula

781

00:29:44,210 --> 00:29:42,270

or promise software scandal which is

782

00:29:47,240 --> 00:29:44,220

also and you know very much involved

783

00:29:48,950 --> 00:29:47,250

Robert Maxwell and a lot of the same

784

00:29:50,320 --> 00:29:48,960

iran-contra figures were involved in

785

00:29:52,730 --> 00:29:50,330

that as well

786

00:29:54,890 --> 00:29:52,740

bill Barr just really has a long history

787

00:29:56,780 --> 00:29:54,900

of doing running interference on for

788

00:29:59,780 --> 00:29:56,790

intelligence agencies I'm covering up on

789

00:30:02,420 --> 00:29:59,790

their crimes even before Iran Contra you

790

00:30:04,430 --> 00:30:02,430

know in the late 70s he was the CIA's

791

00:30:05,750 --> 00:30:04,440

liaison to Congress during the church

792

00:30:07,880 --> 00:30:05,760

committee hearings and basically

793

00:30:09,380 --> 00:30:07,890

stonewalled the Church Committee trying

794

00:30:11,150 --> 00:30:09,390

to prevent as much information as

795

00:30:13,340 --> 00:30:11,160

possible from coming out one of the

796

00:30:15,590 --> 00:30:13,350

things that he fought tooth and nail to

797

00:30:17,570 --> 00:30:15,600

keep the church church committee from

798

00:30:19,160 --> 00:30:17,580

uncovering involved the CIA's use of

799

00:30:21,980 --> 00:30:19,170

sexual blackmail operations targeting

800

00:30:25,340 --> 00:30:21,990

foreign diplomats what about the fact

801
00:30:26,210 --> 00:30:25,350
though that Epstein was finally being

802
00:30:29,030 --> 00:30:26,220
brought to justice

803
00:30:31,490 --> 00:30:29,040
under Bill Barr the prior AG's he was

804
00:30:33,140 --> 00:30:31,500
not being brought to justice well I

805
00:30:35,030 --> 00:30:33,150
think the reason that Epstein was

806
00:30:36,550 --> 00:30:35,040
arrested this time didn't have to do so

807
00:30:38,720 --> 00:30:36,560
much with his sexual trafficking

808
00:30:43,670 --> 00:30:38,730
operations I think it had more to do

809
00:30:44,840 --> 00:30:43,680
with changes in his other services to

810
00:30:47,240 --> 00:30:44,850
intelligence that I mentioned earlier

811
00:30:49,850 --> 00:30:47,250
the shadow financing aspect I think if

812
00:30:52,190 --> 00:30:49,860
there was a really a real interest in

813
00:30:55,160 --> 00:30:52,200

investigating the the sexual trafficking

814

00:30:56,690 --> 00:30:55,170

operation there were a lot of things

815

00:30:58,250 --> 00:30:56,700

would have happened a lot differently if

816

00:31:00,650 --> 00:30:58,260

Bill Barr was really interested in

817

00:31:03,980 --> 00:31:00,660

pursuing that he would have had all of

818

00:31:06,590 --> 00:31:03,990

those residences raided at the same time

819

00:31:09,350 --> 00:31:06,600

had all that evidence he would he you

820

00:31:11,270 --> 00:31:09,360

know um he would have had other people

821

00:31:13,040 --> 00:31:11,280

brought in the question that weren't

822

00:31:14,570 --> 00:31:13,050

questioned d'Alene Maxwell for example

823

00:31:17,600 --> 00:31:14,580

there was no pushback against Leslie

824

00:31:19,820 --> 00:31:17,610

Wexner who was intimately involved well

825

00:31:21,620 --> 00:31:19,830

hold on though this is important point

826

00:31:23,450 --> 00:31:21,630

so I'm curious what you have to say

827

00:31:25,280 --> 00:31:23,460

about this the only charges that were

828

00:31:28,910 --> 00:31:25,290

actually brought at least as of the time

829

00:31:30,890 --> 00:31:28,920

of his death involved sex with underage

830

00:31:33,650 --> 00:31:30,900

girls you're suggesting though that you

831

00:31:36,110 --> 00:31:33,660

think that what they were really aiming

832

00:31:40,160 --> 00:31:36,120

for was something else well yeah because

833

00:31:42,440 --> 00:31:40,170

if you look at it the 2007 arrest he got

834

00:31:43,700 --> 00:31:42,450

off very lightly and what what change

835

00:31:46,850 --> 00:31:43,710

that would have him arrest

836

00:31:49,520 --> 00:31:46,860

arrested at this point in July to me

837

00:31:51,049 --> 00:31:49,530

what happened well it it sort of caught

838

00:31:52,940 --> 00:31:51,059

I'm doing a report on this yet so I

839

00:31:55,490 --> 00:31:52,950

haven't um it's still in progress so I

840

00:31:57,260 --> 00:31:55,500

haven't gotten all of all of the the

841

00:31:58,549 --> 00:31:57,270

pieces together but what I suspect

842

00:32:00,520 --> 00:31:58,559

happened had to do with his relationship

843

00:32:02,660 --> 00:32:00,530

with Deutsche Bank among other things

844

00:32:06,950 --> 00:32:02,670

because if you look at what happened in

845

00:32:07,910 --> 00:32:06,960

June before his arrest and in the first

846

00:32:09,799 --> 00:32:07,920

week of July

847

00:32:11,210 --> 00:32:09,809

Deutsche Bank abruptly that was when

848

00:32:13,190 --> 00:32:11,220

Deutsche Bank finally closed all their

849

00:32:15,140 --> 00:32:13,200

accounts with Epstein they had

850

00:32:17,660 --> 00:32:15,150

maintained those open for I consider

851
00:32:19,220 --> 00:32:17,670
about a considerable amount of time and

852
00:32:20,810 --> 00:32:19,230
we know that X well what I'll be writing

853
00:32:23,720 --> 00:32:20,820
about in the future is that Epstein was

854
00:32:25,669 --> 00:32:23,730
really involved in money laundering on

855
00:32:27,710 --> 00:32:25,679
behalf of intelligence agencies and

856
00:32:29,690 --> 00:32:27,720
there was a policy change that happened

857
00:32:31,490 --> 00:32:29,700
around the same time as this Miami

858
00:32:34,669 --> 00:32:31,500
Herald expose that was supposedly the

859
00:32:38,030 --> 00:32:34,679
reason for Epstein's arrest and it that

860
00:32:39,620 --> 00:32:38,040
policy change is called standard 56 and

861
00:32:43,340 --> 00:32:39,630
basically what it allows the u.s.

862
00:32:45,680 --> 00:32:43,350
government to do is any agency that

863
00:32:47,570 --> 00:32:45,690

wants work that the CIA wants to pilfer

864

00:32:50,210 --> 00:32:47,580

money from they can basically do it with

865

00:32:51,590 --> 00:32:50,220

impunity whereas in the past you know

866

00:32:53,060 --> 00:32:51,600

this was sort of described as the

867

00:32:56,000 --> 00:32:53,070

missing trillions by people who have

868

00:32:57,680 --> 00:32:56,010

investigated in it that there's these uh

869

00:32:59,480 --> 00:32:57,690

as they're called unsupported

870

00:33:01,640 --> 00:32:59,490

adjustments where money is unaccounted

871

00:33:02,660 --> 00:33:01,650

for either by the Pentagon or the the

872

00:33:06,260 --> 00:33:02,670

Department of Housing and Urban

873

00:33:07,730 --> 00:33:06,270

Development among other parts of the US

874

00:33:09,500 --> 00:33:07,740

government and they basically say we

875

00:33:10,730 --> 00:33:09,510

can't account for this money I mean some

876

00:33:13,250 --> 00:33:10,740

people may have heard of this like on

877

00:33:14,510 --> 00:33:13,260

September 10th before 9/11 Donald

878

00:33:15,950 --> 00:33:14,520

Rumsfeld said there was all this money

879

00:33:17,600 --> 00:33:15,960

missing from the Pentagon well that

880

00:33:21,320 --> 00:33:17,610

continued while after 9/11

881

00:33:22,789 --> 00:33:21,330

and between 1997 and 2015 it was 21

882

00:33:24,440 --> 00:33:22,799

something trillion dollars

883

00:33:26,090 --> 00:33:24,450

one of the main investigators of that

884

00:33:27,320 --> 00:33:26,100

Katherine Austin sits who used to work

885

00:33:30,590 --> 00:33:27,330

for the Department of Housing and Urban

886

00:33:32,210 --> 00:33:30,600

Development you know told me that she

887

00:33:33,650 --> 00:33:32,220

thinks that Epstein was involved in in

888

00:33:36,440 --> 00:33:33,660

laundering that money as were some other

889

00:33:38,240 --> 00:33:36,450

organizations this changed last October

890

00:33:40,130 --> 00:33:38,250

made that type of money laundering

891

00:33:41,930 --> 00:33:40,140

unnecessary because basically those

892

00:33:44,630 --> 00:33:41,940

unsupported adjustments that used to be

893

00:33:47,480 --> 00:33:44,640

reported are no longer required to be

894

00:33:49,789 --> 00:33:47,490

reported on under law so basically any

895

00:33:51,560 --> 00:33:49,799

government agency can now have a private

896

00:33:54,169 --> 00:33:51,570

financial statement that's true and the

897

00:33:56,930 --> 00:33:54,179

one they make public can basically be

898

00:33:59,210 --> 00:33:56,940

made up and they don't have to say that

899

00:34:00,980 --> 00:33:59,220

it was made up okay so it's crazy but

900

00:34:03,140 --> 00:34:00,990

it's worth them looking into you can

901
00:34:06,650 --> 00:34:03,150
find information about it online so is

902
00:34:08,599 --> 00:34:06,660
the theory that arrest him for the same

903
00:34:10,520 --> 00:34:08,609
thing that's the low-hanging fruit the

904
00:34:12,740 --> 00:34:10,530
sex trafficking will arrest him and

905
00:34:16,760 --> 00:34:12,750
charge him with that and then we'll get

906
00:34:19,190 --> 00:34:16,770
him to talk about the other stuff and

907
00:34:21,800 --> 00:34:19,200
bring others down well so here's the

908
00:34:23,659 --> 00:34:21,810
thing um but let's just look at what

909
00:34:27,080 --> 00:34:23,669
happened so so he's yeah so he was

910
00:34:28,550 --> 00:34:27,090
charged with federal sex trafficking and

911
00:34:30,680 --> 00:34:28,560
some other charges but what happened

912
00:34:32,119 --> 00:34:30,690
after he died is that all of that all of

913
00:34:35,480 --> 00:34:32,129

those charges went away the case is

914

00:34:38,270 --> 00:34:35,490

closed and there's no it's been

915

00:34:40,639 --> 00:34:38,280

basically cancelled by a Florida Court

916

00:34:42,740 --> 00:34:40,649

that they will go after co-conspirators

917

00:34:43,310 --> 00:34:42,750

named in the 2007 on prosecution

918

00:34:45,530 --> 00:34:43,320

agreement

919

00:34:47,720 --> 00:34:45,540

thank you including the lay Maxwell um

920

00:34:50,720 --> 00:34:47,730

and other people named in that document

921

00:34:53,149 --> 00:34:50,730

so um basically what happens after

922

00:34:55,639 --> 00:34:53,159

Epstein's death in prison which was you

923

00:34:57,710 --> 00:34:55,649

know a lot of mystery has has surrounded

924

00:34:59,900 --> 00:34:57,720

that is that this case basically dies

925

00:35:01,520 --> 00:34:59,910

with him and not only that but all of

926
00:35:04,370 --> 00:35:01,530
the evidence gathered in connection with

927
00:35:06,109 --> 00:35:04,380
that investigation has never made public

928
00:35:08,150 --> 00:35:06,119
it never has to be made public now

929
00:35:09,920 --> 00:35:08,160
unless someone else is charged Liberty

930
00:35:11,630 --> 00:35:09,930
said they're not there pretty much they

931
00:35:13,190 --> 00:35:11,640
haven't charged anyone if they do you

932
00:35:15,380 --> 00:35:13,200
know then I'll eat my words I guess but

933
00:35:16,990 --> 00:35:15,390
I haven't seen any evidence of that so

934
00:35:19,330 --> 00:35:17,000
sorry let's go back to the

935
00:35:21,440 --> 00:35:19,340
co-conspirators that ghilane Maxwell's

936
00:35:26,750 --> 00:35:21,450
what are you saying is going on with

937
00:35:27,640 --> 00:35:26,760
them oh so under the 2007 on prosecution

938
00:35:29,890 --> 00:35:27,650

agreement

939

00:35:31,329 --> 00:35:29,900

ghilane maxvill can't be charged right

940

00:35:33,370 --> 00:35:31,339

I'm saying with that same with Epstein

941

00:35:34,930 --> 00:35:33,380

but they charged him again in New York

942

00:35:36,309 --> 00:35:34,940

well they charged him in New York

943

00:35:38,950 --> 00:35:36,319

and basically there was an effort to

944

00:35:40,690 --> 00:35:38,960

throw that out in Florida so that Glenn

945

00:35:42,970 --> 00:35:40,700

Maxwell could be prosecuted and other

946

00:35:45,249 --> 00:35:42,980

people could be prosecuted and the

947

00:35:47,470 --> 00:35:45,259

Florida judge refused to throw that out

948

00:35:49,870 --> 00:35:47,480

right but that's just in Florida so they

949

00:35:51,130 --> 00:35:49,880

could so go to her in New York right but

950

00:35:52,989 --> 00:35:51,140

that all those charges have been dropped

951
00:35:54,400 --> 00:35:52,999
because no one else has been charged in

952
00:35:56,319 --> 00:35:54,410
the case they claim that the

953
00:35:58,089 --> 00:35:56,329
investigation is ongoing but there are

954
00:36:00,789 --> 00:35:58,099
currently no charges open against anyone

955
00:36:03,489 --> 00:36:00,799
right right well I think the general

956
00:36:06,549 --> 00:36:03,499
public believes I believe but maybe

957
00:36:08,650 --> 00:36:06,559
mistakenly that d'Alene will eventually

958
00:36:10,749 --> 00:36:08,660
be arrested that they haven't totally

959
00:36:12,069 --> 00:36:10,759
stopped what they're doing but they

960
00:36:13,630 --> 00:36:12,079
don't know where she is and she hasn't

961
00:36:15,700 --> 00:36:13,640
been brought in for questioning I think

962
00:36:18,640 --> 00:36:15,710
to me that shows a lack of interest

963
00:36:20,380 --> 00:36:18,650

frankly so in other words supporting

964

00:36:22,299 --> 00:36:20,390

your theory that this wasn't really

965

00:36:25,660 --> 00:36:22,309

about sex trafficking this was about

966

00:36:29,170 --> 00:36:25,670

what Epstein was involved in money

967

00:36:30,609 --> 00:36:29,180

laundering etc etc yeah I don't really

968

00:36:32,470 --> 00:36:30,619

think I've heard a lot of it had to do

969

00:36:34,599 --> 00:36:32,480

with sex trafficking because you know if

970

00:36:36,640 --> 00:36:34,609

it did for example why haven't they

971

00:36:38,229 --> 00:36:36,650

questioned Leslie Wexner there is so

972

00:36:40,450 --> 00:36:38,239

much evidence indicating that Leslie

973

00:36:42,749 --> 00:36:40,460

Wexner was intimately involved in this

974

00:36:46,690 --> 00:36:42,759

scheme really from the beginning of it

975

00:36:49,210 --> 00:36:46,700

well it may very well be that you know

976
00:36:52,720 --> 00:36:49,220
they want they were gonna have Epstein

977
00:36:56,109 --> 00:36:52,730
sing about everyone else maybe Wexler

978
00:36:58,059 --> 00:36:56,119
and and to knows who else on the sex

979
00:37:00,940 --> 00:36:58,069
trafficking side and then to your point

980
00:37:02,499 --> 00:37:00,950
on the money laundering side I imagine

981
00:37:04,509 --> 00:37:02,509
there was a lot of people he could be

982
00:37:06,279 --> 00:37:04,519
bringing down though oh right I think

983
00:37:09,130 --> 00:37:06,289
that's definitely true but I think you

984
00:37:10,720 --> 00:37:09,140
know me you know you know just as a you

985
00:37:12,999 --> 00:37:10,730
know someone writing about this stuff

986
00:37:14,769 --> 00:37:13,009
and looking into it um you know I have

987
00:37:17,499 --> 00:37:14,779
found plenty of evidence that is enough

988
00:37:18,999 --> 00:37:17,509

to implicate Waxman in this activity the

989

00:37:21,249 --> 00:37:19,009

fact that they haven't even bothered to

990

00:37:22,989 --> 00:37:21,259

question him I think is really troubling

991

00:37:24,489 --> 00:37:22,999

and we've also seen in the media sort of

992

00:37:26,559 --> 00:37:24,499

this effort to distance Wexler from

993

00:37:28,479 --> 00:37:26,569

Epstein just based on election airs own

994

00:37:31,239 --> 00:37:28,489

words so for example not long after

995

00:37:33,279 --> 00:37:31,249

Epstein was arrested there were there

996

00:37:34,870 --> 00:37:33,289

was documentation reported on showing

997

00:37:37,390 --> 00:37:34,880

that Epstein right before he went to

998

00:37:39,090 --> 00:37:37,400

prison the first time transferred 46

999

00:37:42,570 --> 00:37:39,100

million dollars

1000

00:37:44,340 --> 00:37:42,580

of his money to Wexner and then just a

1001
00:37:46,740 --> 00:37:44,350
month later Wexner says actually he

1002
00:37:48,270 --> 00:37:46,750
stole that money from me he stole 46

1003
00:37:50,670 --> 00:37:48,280
million dollars from me but he provides

1004
00:37:52,200 --> 00:37:50,680
no evidence but the same media outlets

1005
00:37:54,030 --> 00:37:52,210
that reported on the documentation

1006
00:37:56,760 --> 00:37:54,040
showing the opposite immediately report

1007
00:37:58,170 --> 00:37:56,770
on Westerners claims without any

1008
00:38:00,840 --> 00:37:58,180
pushback at all saying oh actually

1009
00:38:02,160 --> 00:38:00,850
Wexner was duped by Epstein that to me

1010
00:38:04,920 --> 00:38:02,170
suggests sort of an orchestrated

1011
00:38:06,720 --> 00:38:04,930
campaign to distance Wexler from these

1012
00:38:08,100 --> 00:38:06,730
activities despite the fact that if you

1013
00:38:09,780 --> 00:38:08,110

look into the history of the Wexner

1014

00:38:12,480 --> 00:38:09,790

Epstein relationship it's abundantly

1015

00:38:14,130 --> 00:38:12,490

clear that the Wexner was not only knew

1016

00:38:15,900 --> 00:38:14,140

what was going on but was very involved

1017

00:38:17,730 --> 00:38:15,910

in those activities several of Epstein's

1018

00:38:20,730 --> 00:38:17,740

victims have accused Wexner of raping

1019

00:38:22,740 --> 00:38:20,740

them for example one of EPs teens first

1020

00:38:24,960 --> 00:38:22,750

victims to come forward maria farmer was

1021

00:38:27,030 --> 00:38:24,970

almost raped by Epstein in Wexler's home

1022

00:38:28,530 --> 00:38:27,040

and it was Wexner personal security

1023

00:38:31,170 --> 00:38:28,540

guards that prevented her from leaving

1024

00:38:34,500 --> 00:38:31,180

the house for 12 hours after she called

1025

00:38:39,030 --> 00:38:34,510

the police who alleges who alleges that

1026

00:38:41,250 --> 00:38:39,040

they were with Wexner sexually the names

1027

00:38:42,750 --> 00:38:41,260

of the victims I can't remember off the

1028

00:38:44,190 --> 00:38:42,760

top of my head which ones of them are

1029

00:38:45,930 --> 00:38:44,200

but I know that actually alan dershowitz

1030

00:38:48,510 --> 00:38:45,940

talks about this in an interview he did

1031

00:38:50,310 --> 00:38:48,520

with trt world he's trying to say that

1032

00:38:52,140 --> 00:38:50,320

it's absurd but I had been accused of

1033

00:38:54,660 --> 00:38:52,150

this because even Leslie Wexner has been

1034

00:38:56,430 --> 00:38:54,670

accused of this and he says there

1035

00:38:58,850 --> 00:38:56,440

Dershowitz says that Wiktionary has been

1036

00:39:08,720 --> 00:38:58,860

accused on seven different occasions of

1037

00:39:13,290 --> 00:39:08,730

assault by because Bob Petraeus yeah mhm

1038

00:39:16,050 --> 00:39:13,300

Petraeus you know he asserts that Wexner

1039

00:39:20,040 --> 00:39:16,060

is gay so that's why I'm questioning if

1040

00:39:21,680 --> 00:39:20,050

there's girls accusing Wexner of sexual

1041

00:39:23,910 --> 00:39:21,690

assault that strikes me as a little odd

1042

00:39:27,030 --> 00:39:23,920

well I mean someone could also be

1043

00:39:29,160 --> 00:39:27,040

bisexual too right if he found evidence

1044

00:39:31,200 --> 00:39:29,170

of that I don't I don't really know but

1045

00:39:33,660 --> 00:39:31,210

this is according this is why this I

1046

00:39:35,310 --> 00:39:33,670

first learned about the accusation

1047

00:39:41,030 --> 00:39:35,320

against Mexico from Alan Dershowitz of

1048

00:39:43,650 --> 00:39:41,040

all people so so when you say Wexner was

1049

00:39:46,530 --> 00:39:43,660

you know connected to Epstein's

1050

00:39:48,300 --> 00:39:46,540

wrongdoing are you talking about the sex

1051
00:39:51,150 --> 00:39:48,310
trafficking are you talking about the

1052
00:39:52,810 --> 00:39:51,160
money laundering I would actually say

1053
00:39:54,670 --> 00:39:52,820
it's both so

1054
00:39:57,130 --> 00:39:54,680
I guess we could go back into the

1055
00:40:00,610 --> 00:39:57,140
history a little bit of Epstein the

1056
00:40:02,710 --> 00:40:00,620
Wexner according to you know some of the

1057
00:40:04,240 --> 00:40:02,720
earliest reports about Epstein including

1058
00:40:07,210 --> 00:40:04,250
one that came out in the UK press in

1059
00:40:10,720 --> 00:40:07,220
2001 Epstein began to work for Leslie

1060
00:40:12,970 --> 00:40:10,730
Wexner 1985 that same year in 1985 there

1061
00:40:15,760 --> 00:40:12,980
was a very still unsolved

1062
00:40:17,320 --> 00:40:15,770
technically homicide of a lawyer named

1063
00:40:19,330 --> 00:40:17,330

Arthur Shapiro who was representing

1064

00:40:22,840 --> 00:40:19,340

Wexner his company the limited the day

1065

00:40:25,180 --> 00:40:22,850

before or the day after he died he was

1066

00:40:27,400 --> 00:40:25,190

need to give testimony to a grand jury

1067

00:40:30,910 --> 00:40:27,410

about his involvement with questionable

1068

00:40:33,070 --> 00:40:30,920

tax shelters and other sort of shady

1069

00:40:35,140 --> 00:40:33,080

financial shenanigans tax evasion and

1070

00:40:36,910 --> 00:40:35,150

things like that this police report

1071

00:40:38,620 --> 00:40:36,920

there was a police report on it that

1072

00:40:40,360 --> 00:40:38,630

actually bought the track a sum obtained

1073

00:40:42,250 --> 00:40:40,370

several years later after it was written

1074

00:40:45,220 --> 00:40:42,260

that was thought to be destroyed by

1075

00:40:47,920 --> 00:40:45,230

Columbus police not only implicated

1076

00:40:49,960 --> 00:40:47,930

Wexner in in the murder of sort of

1077

00:40:51,820 --> 00:40:49,970

planning the murder or having an

1078

00:40:53,580 --> 00:40:51,830

interest in Shapiro dying but also

1079

00:40:56,740 --> 00:40:53,590

linked him to organized crime

1080

00:40:59,050 --> 00:40:56,750

specifically though yeah we covered we

1081

00:41:00,880 --> 00:40:59,060

covered a lot of that but with Bob okay

1082

00:41:02,890 --> 00:41:00,890

right I didn't know if you had him on

1083

00:41:04,960 --> 00:41:02,900

right so so that happened and right

1084

00:41:07,060 --> 00:41:04,970

after that is when Epstein and Wexner

1085

00:41:09,460 --> 00:41:07,070

start working together and the official

1086

00:41:11,350 --> 00:41:09,470

story is that Wexner hired Epstein to

1087

00:41:12,610 --> 00:41:11,360

fix his tangled finances which is

1088

00:41:15,220 --> 00:41:12,620

interesting when you consider the

1089

00:41:17,080 --> 00:41:15,230

overlap of the Shapiro the Shapiro

1090

00:41:19,540 --> 00:41:17,090

murder during that period of time right

1091

00:41:20,980 --> 00:41:19,550

so after that Epstein gets involved in a

1092

00:41:23,530 --> 00:41:20,990

couple different things including this

1093

00:41:26,590 --> 00:41:23,540

the scam with Steve Hoffenberg and the

1094

00:41:28,990 --> 00:41:26,600

tower financial Ponzi scheme and all of

1095

00:41:30,400 --> 00:41:29,000

that and then becomes very intimately

1096

00:41:32,320 --> 00:41:30,410

involved with Wexler's business

1097

00:41:34,690 --> 00:41:32,330

activities eventually getting power of

1098

00:41:37,180 --> 00:41:34,700

attorney over his affairs he begins to

1099

00:41:38,800 --> 00:41:37,190

handle logistics for the limited he and

1100

00:41:41,820 --> 00:41:38,810

Wexner negotiate the move of southern

1101

00:41:44,050 --> 00:41:41,830

air transport the CIA front company

1102

00:41:45,970 --> 00:41:44,060

airline that was involved in iran-contra

1103

00:41:47,860 --> 00:41:45,980

to run cargo for the limited they

1104

00:41:51,250 --> 00:41:47,870

negotiate its relocation from Miami

1105

00:41:52,900 --> 00:41:51,260

Florida into Columbus Ohio to run cargo

1106

00:41:54,880 --> 00:41:52,910

on behalf of the limited and I don't

1107

00:41:56,830 --> 00:41:54,890

know if you touched on this with Bob but

1108

00:41:59,770 --> 00:41:56,840

when I talked to him he said that a

1109

00:42:01,120 --> 00:41:59,780

couple different officials in Ohio when

1110

00:42:03,220 --> 00:42:01,130

that relocation of southern air

1111

00:42:04,940 --> 00:42:03,230

transport was ongoing thought that both

1112

00:42:07,960 --> 00:42:04,950

Wexner and Epstein were working with

1113

00:42:10,520 --> 00:42:07,970

CIA and smuggling something perhaps on

1114

00:42:12,230 --> 00:42:10,530

along with organized crime and actually

1115

00:42:14,480 --> 00:42:12,240

Ohio's Inspector General during the time

1116

00:42:16,010 --> 00:42:14,490

called that cargo run that Southern Air

1117

00:42:18,410 --> 00:42:16,020

Transport was doing for the limited he

1118

00:42:21,260 --> 00:42:18,420

called it the Mayr Lansky run yeah you

1119

00:42:23,420 --> 00:42:21,270

know sort of odd mind you're saying you

1120

00:42:26,329 --> 00:42:23,430

you think the connection between Epstein

1121

00:42:30,170 --> 00:42:26,339

and Wexner was obviously very close goes

1122

00:42:34,010 --> 00:42:30,180

way back but you do have Wexner claiming

1123

00:42:37,430 --> 00:42:34,020

that he broke ties with Epstein when he

1124

00:42:40,550 --> 00:42:37,440

went to jail because he had to have

1125

00:42:42,829 --> 00:42:40,560

somebody else to run his finances may

1126
00:42:44,870 --> 00:42:42,839
have but I don't you know I think that's

1127
00:42:47,240 --> 00:42:44,880
possible but I don't think that he was

1128
00:42:50,960 --> 00:42:47,250
robbed by Epstein like he claims because

1129
00:42:52,849 --> 00:42:50,970
the evidence suggests and I well we

1130
00:42:54,339 --> 00:42:52,859
don't we know that he don't report we

1131
00:42:57,380 --> 00:42:54,349
know he didn't report it to the police

1132
00:42:59,270 --> 00:42:57,390
right he didn't and he also you know um

1133
00:43:01,160 --> 00:42:59,280
claimed that he had no idea what at what

1134
00:43:03,290 --> 00:43:01,170
Epstein was doing to these girls but

1135
00:43:04,849 --> 00:43:03,300
there's evidence of that definitely not

1136
00:43:08,030 --> 00:43:04,859
being the case and there's also the fact

1137
00:43:09,559 --> 00:43:08,040
of this penthouse that in New York were

1138
00:43:11,120 --> 00:43:09,569

a lot of this would be used was gonna

1139

00:43:13,309 --> 00:43:11,130

take place that Epstein was basically

1140

00:43:15,290 --> 00:43:13,319

received for free essentially from

1141

00:43:17,690 --> 00:43:15,300

lecture and one of the things we know

1142

00:43:19,970 --> 00:43:17,700

that came with the house after Wexner

1143

00:43:21,650 --> 00:43:19,980

bought it and and furnished it and then

1144

00:43:23,270 --> 00:43:21,660

gave it to Epstein in the round nineteen

1145

00:43:25,670 --> 00:43:23,280

ninety four hundred nineteen ninety five

1146

00:43:27,170 --> 00:43:25,680

is that it was basically equipped the

1147

00:43:28,670 --> 00:43:27,180

rooms with like recording and audio

1148

00:43:30,710 --> 00:43:28,680

equipment and there was sort of this

1149

00:43:32,240 --> 00:43:30,720

command center for it in this bathroom

1150

00:43:35,030 --> 00:43:32,250

under the stairs he would open up a

1151

00:43:36,680 --> 00:43:35,040

cabinet there would be CCTV and you know

1152

00:43:38,180 --> 00:43:36,690

recording equipment basically of all

1153

00:43:40,849 --> 00:43:38,190

these different rooms and we know later

1154

00:43:43,910 --> 00:43:40,859

on that in that house Epstein was using

1155

00:43:46,099 --> 00:43:43,920

that equipment to record you know in D

1156

00:43:48,170 --> 00:43:46,109

and E interactions I guess you could

1157

00:43:49,609 --> 00:43:48,180

call it that of these underage girls he

1158

00:43:51,319 --> 00:43:49,619

was exploiting with the people he was

1159

00:43:53,660 --> 00:43:51,329

trying to blackmail and would you know

1160

00:43:56,059 --> 00:43:53,670

keep that that video and audio as a way

1161

00:43:57,980 --> 00:43:56,069

of you know maintaining power and

1162

00:44:00,230 --> 00:43:57,990

leverage over the people that he had he

1163

00:44:03,859 --> 00:44:00,240

had film here's a look at technology

1164

00:44:06,380 --> 00:44:03,869

came from Wexner mmm-hmm so a question I

1165

00:44:08,480 --> 00:44:06,390

have is what was Epstein up to from the

1166

00:44:11,120 --> 00:44:08,490

time period after he got out of jail

1167

00:44:13,490 --> 00:44:11,130

because Maxwell says that he cut all

1168

00:44:17,210 --> 00:44:13,500

ties with him I believe guilt ghilane

1169

00:44:18,860 --> 00:44:17,220

Maxwell who did I say first what wexner

1170

00:44:22,430 --> 00:44:18,870

Wexler says he cuddled

1171

00:44:26,240 --> 00:44:22,440

with her with him ghilane says that she

1172

00:44:29,060 --> 00:44:26,250

cut all ties Bill Clinton and others say

1173

00:44:30,410 --> 00:44:29,070

that they cut all ties if you look at

1174

00:44:32,900 --> 00:44:30,420

the charges that were brought against

1175

00:44:35,060 --> 00:44:32,910

him ten years later it's still pertained

1176

00:44:37,040 --> 00:44:35,070

to things that happened prior to him

1177

00:44:39,080 --> 00:44:37,050

going to jail nothing after he got out

1178

00:44:41,300 --> 00:44:39,090

of jail so what do you know about the

1179

00:44:43,610 --> 00:44:41,310

time period from him getting out of jail

1180

00:44:46,550 --> 00:44:43,620

and being arrested what was I've seen up

1181

00:44:48,230 --> 00:44:46,560

to well he was meeting he was very

1182

00:44:49,790 --> 00:44:48,240

involved with a hood Barak during the

1183

00:44:51,710 --> 00:44:49,800

period after this and it was actually

1184

00:44:53,480 --> 00:44:51,720

for example carbon nine-one-one and he'd

1185

00:44:56,900 --> 00:44:53,490

Barak tapped Epstein to fund that in

1186

00:44:58,640 --> 00:44:56,910

2015 and was wanted in a lot of the

1187

00:45:00,590 --> 00:44:58,650

sightings for example if they can Baraka

1188

00:45:02,240 --> 00:45:00,600

Epstein's residences this a lot of this

1189

00:45:04,910 --> 00:45:02,250

happened after he on that scene left

1190

00:45:06,260 --> 00:45:04,920

prison the first time we also know that

1191

00:45:08,000 --> 00:45:06,270

for example he was meeting with some

1192

00:45:10,010 --> 00:45:08,010

people like Steve ban and for example I

1193

00:45:12,640 --> 00:45:10,020

think was seen leaving his house in 2016

1194

00:45:15,740 --> 00:45:12,650

and also I think Prince Andrew as well

1195

00:45:18,050 --> 00:45:15,750

maintain some sort of connection but a

1196

00:45:19,940 --> 00:45:18,060

lot of people you know because of I've

1197

00:45:22,430 --> 00:45:19,950

seen himself even described his

1198

00:45:25,520 --> 00:45:22,440

reputation after prison as radioactive a

1199

00:45:27,260 --> 00:45:25,530

lot of people maintain ties somewhat

1200

00:45:30,170 --> 00:45:27,270

covertly like for example even a hoot

1201

00:45:32,480 --> 00:45:30,180

Barak Wright had the pictures of him

1202

00:45:34,100 --> 00:45:32,490

going in and out of Epstein's house in

1203

00:45:36,320 --> 00:45:34,110

New York he was trying to cover his face

1204

00:45:38,120 --> 00:45:36,330

with some sort of like scarf thing but

1205

00:45:39,920 --> 00:45:38,130

he pulled up over his his mouth and nose

1206

00:45:42,320 --> 00:45:39,930

and but there are enough pictures were

1207

00:45:44,240 --> 00:45:42,330

taken that it was you know people

1208

00:45:46,130 --> 00:45:44,250

figured out who was really going in

1209

00:45:47,840 --> 00:45:46,140

during that time what about sex

1210

00:45:49,100 --> 00:45:47,850

trafficking and blackmailing do you

1211

00:45:51,380 --> 00:45:49,110

think that was going on during that

1212

00:45:53,030 --> 00:45:51,390

period I think during the period of time

1213

00:45:55,070 --> 00:45:53,040

after he left prison he was involved in

1214

00:45:56,540 --> 00:45:55,080

rebranding as a tech investor as a high

1215

00:45:59,120 --> 00:45:56,550

tech investor and trying to get more

1216

00:46:01,670 --> 00:45:59,130

involved with Silicon Valley type stuff

1217

00:46:05,810 --> 00:46:01,680

from my understanding do you think that

1218

00:46:08,000 --> 00:46:05,820

he was trying to go legit um I think he

1219

00:46:10,640 --> 00:46:08,010

was trying to rebrand perhaps or at

1220

00:46:12,440 --> 00:46:10,650

least be in a we know that in the months

1221

00:46:15,470 --> 00:46:12,450

leading up to his arrest in July he was

1222

00:46:18,680 --> 00:46:15,480

doing someone on his behalf had arranged

1223

00:46:20,420 --> 00:46:18,690

several interviews about technology and

1224

00:46:22,850 --> 00:46:20,430

tech startups and had promoted him as

1225

00:46:24,560 --> 00:46:22,860

being a tech investor in several

1226
00:46:27,410 --> 00:46:24,570
companies for example and that he was

1227
00:46:29,960 --> 00:46:27,420
trying to actively rebrand as some sort

1228
00:46:30,780 --> 00:46:29,970
of high tech investor you know that the

1229
00:46:33,620 --> 00:46:30,790
year before

1230
00:46:37,710 --> 00:46:33,630
last year he was involved allegedly in

1231
00:46:40,400 --> 00:46:37,720
giving advice to Elon Musk and Tesla and

1232
00:46:42,630 --> 00:46:40,410
things like that trying to arrange ties

1233
00:46:45,330 --> 00:46:42,640
funding from the Kingdom of Saudi Arabia

1234
00:46:46,770 --> 00:46:45,340
epstein apparently had forged a very

1235
00:46:48,150 --> 00:46:46,780
close relationship with Mohammed bin

1236
00:46:50,610 --> 00:46:48,160
Salman in the Crown Prince of Saudi

1237
00:46:52,740 --> 00:46:50,620
Arabia in the period after he left

1238
00:46:54,900 --> 00:46:52,750

prison so you know there's a couple

1239

00:46:56,520 --> 00:46:54,910

relationships while some of the

1240

00:46:58,140 --> 00:46:56,530

relationships that he had prior to

1241

00:46:59,970 --> 00:46:58,150

prison the first time like Maxwell and

1242

00:47:01,140 --> 00:46:59,980

Wexner sort of faded after he left

1243

00:47:04,050 --> 00:47:01,150

prison the first time he said he

1244

00:47:05,970 --> 00:47:04,060

continued to maintain his influence and

1245

00:47:07,710 --> 00:47:05,980

ended up on his closest relationships

1246

00:47:09,540 --> 00:47:07,720

appear to have been different after he

1247

00:47:13,440 --> 00:47:09,550

left prison but but still significant

1248

00:47:14,820 --> 00:47:13,450

but according to you and I assume we

1249

00:47:16,710 --> 00:47:14,830

people can find this article I haven't

1250

00:47:19,230 --> 00:47:16,720

seen it but this New York Times article

1251

00:47:21,320 --> 00:47:19,240

by James Stewart where this is just

1252

00:47:23,940 --> 00:47:21,330

about a year before his second arrest

1253

00:47:25,680 --> 00:47:23,950

Frank told Stewart that he has

1254

00:47:28,080 --> 00:47:25,690

potentially damaging or embarrassing

1255

00:47:29,760 --> 00:47:28,090

information on Silicon Valley's elite

1256

00:47:31,830 --> 00:47:29,770

right and told them that their

1257

00:47:34,440 --> 00:47:31,840

hedonistic and regular users of

1258

00:47:36,120 --> 00:47:34,450

recreational drugs yeah yeah it

1259

00:47:37,980 --> 00:47:36,130

basically you know the way it sounded to

1260

00:47:39,990 --> 00:47:37,990

me when I read that article is that um

1261

00:47:42,030 --> 00:47:40,000

Epstein was trying to talk about all

1262

00:47:45,150 --> 00:47:42,040

this dirt that he had on Silicon Valley

1263

00:47:46,770 --> 00:47:45,160

people um now that we know that he had

1264

00:47:48,510 --> 00:47:46,780

all these ties to a weed Barak and some

1265

00:47:50,310 --> 00:47:48,520

people a you know there's been

1266

00:47:52,020 --> 00:47:50,320

confirmation from a couple different um

1267

00:47:53,580 --> 00:47:52,030

you know journalists and he had

1268

00:47:54,990 --> 00:47:53,590

involvement with Israeli military

1269

00:47:57,390 --> 00:47:55,000

intelligence what we were talking about

1270

00:47:59,760 --> 00:47:57,400

earlier with unit 8200 you know I would

1271

00:48:01,560 --> 00:47:59,770

ask maybe he was trying to use some of

1272

00:48:03,900 --> 00:48:01,570

that that leverage as a way to sort of

1273

00:48:05,730 --> 00:48:03,910

get to advance the interests of some of

1274

00:48:09,000 --> 00:48:05,740

these tech companies that are related to

1275

00:48:10,530 --> 00:48:09,010

unit 8200 or even car binary 101 which

1276

00:48:12,240 --> 00:48:10,540

he himself was invested and actually

1277

00:48:14,700 --> 00:48:12,250

invested at least a million dollars in

1278

00:48:16,470 --> 00:48:14,710

that company but he probably invested

1279

00:48:20,070 --> 00:48:16,480

more it hasn't really been disclosed

1280

00:48:21,750 --> 00:48:20,080

I heard Barak did later after denying it

1281

00:48:23,640 --> 00:48:21,760

initially did admit that Epstein

1282

00:48:26,100 --> 00:48:23,650

invested in that company but declined to

1283

00:48:28,410 --> 00:48:26,110

say exactly how much he had invested in

1284

00:48:30,800 --> 00:48:28,420

total we just know his initial

1285

00:48:33,000 --> 00:48:30,810

investment was \$1,000,000 so this is

1286

00:48:36,390 --> 00:48:33,010

Jeffrey going back to what he knows best

1287

00:48:37,440 --> 00:48:36,400

which is blackmail yeah well I think

1288

00:48:39,660 --> 00:48:37,450

there's a couple different ways to

1289

00:48:42,360 --> 00:48:39,670

blackmail people right you you don't

1290

00:48:43,170 --> 00:48:42,370

necessarily need to you know as I

1291

00:48:45,390 --> 00:48:43,180

mentioned earlier you

1292

00:48:47,040 --> 00:48:45,400

necessarily need to run SEC a sex

1293

00:48:49,890 --> 00:48:47,050

trafficking operation you can just spy

1294

00:48:51,510 --> 00:48:49,900

on someone electronically for example or

1295

00:48:53,250 --> 00:48:51,520

what he was talking about you know and

1296

00:48:54,870 --> 00:48:53,260

as far as Silicon Valley figures that

1297

00:48:56,370 --> 00:48:54,880

was just information about their alleged

1298

00:48:59,760 --> 00:48:56,380

sexual fetishes and their use of

1299

00:49:01,559 --> 00:48:59,770

recreational but illegal drugs right so

1300

00:49:03,329 --> 00:49:01,569

any any of that sort of stuff you can

1301

00:49:05,849 --> 00:49:03,339

put someone's head but what a weird

1302

00:49:08,670 --> 00:49:05,859

thing it would seem to me to say to the

1303

00:49:11,220 --> 00:49:08,680

New York Times when you're trying to

1304

00:49:16,079 --> 00:49:11,230

ingratiate yourself into Silicon Valley

1305

00:49:18,319 --> 00:49:16,089

and advise Elon Musk etc and then you're

1306

00:49:21,299 --> 00:49:18,329

quoted as saying I've witnessed

1307

00:49:24,210 --> 00:49:21,309

prominent tech figures taking drugs in

1308

00:49:25,680 --> 00:49:24,220

arranging for sex why are you saying

1309

00:49:27,180 --> 00:49:25,690

yeah well you know what's interesting

1310

00:49:30,630 --> 00:49:27,190

I'm gonna have a report about this

1311

00:49:34,049 --> 00:49:30,640

tomorrow is that there is a former

1312

00:49:35,609 --> 00:49:34,059

Israeli spy basically who did an

1313

00:49:38,370 --> 00:49:35,619

interview last week where he was talking

1314

00:49:39,960 --> 00:49:38,380

about hacking new Epstein and he was

1315

00:49:42,990 --> 00:49:39,970

introduced to Epstein by Robert Maxwell

1316

00:49:45,480 --> 00:49:43,000

delay Maxwell's father and he described

1317

00:49:48,690 --> 00:49:45,490

Epstein is not very competent when it

1318

00:49:51,690 --> 00:49:48,700

came to blackmail operations and that

1319

00:49:53,130 --> 00:49:51,700

that that he and and ghilane Maxwell had

1320

00:49:54,990 --> 00:49:53,140

sort of carved out this a niche for

1321

00:49:55,650 --> 00:49:55,000

themselves in terms of a sexual

1322

00:49:58,650 --> 00:49:55,660

blackmail

1323

00:50:01,530 --> 00:49:58,660

so if Epstein tried to go to you know

1324

00:50:04,500 --> 00:50:01,540

another route of blackmail perhaps he

1325

00:50:06,720 --> 00:50:04,510

you know it's true what this this former

1326

00:50:08,579 --> 00:50:06,730

spy said and that maybe he wasn't really

1327

00:50:12,030 --> 00:50:08,589

as competent as he as he looked like to

1328

00:50:14,940 --> 00:50:12,040

claim or is competent at ingratiating

1329

00:50:16,799 --> 00:50:14,950

himself into a particular community i

1330

00:50:19,920 --> 00:50:16,809

mean he you know he probably pretty

1331

00:50:22,559 --> 00:50:19,930

clearly was a sex addict sometimes some

1332

00:50:26,609 --> 00:50:22,569

type of a sociopath and he just can't

1333

00:50:29,549 --> 00:50:26,619

help himself in talking about sex when

1334

00:50:31,440 --> 00:50:29,559

he's with a New York Times reporter that

1335

00:50:33,120 --> 00:50:31,450

that's very possible or he was so used

1336

00:50:35,190 --> 00:50:33,130

to sort of you know trying to brag about

1337

00:50:36,870 --> 00:50:35,200

how powerful he was you know and had

1338

00:50:38,910 --> 00:50:36,880

some sort of like narcissistic an

1339

00:50:41,849 --> 00:50:38,920

element to his personality I'm sure that

1340

00:50:43,829 --> 00:50:41,859

he wanted to sort of um you know promote

1341

00:50:45,569 --> 00:50:43,839

his his importance and how much he knew

1342

00:50:49,200 --> 00:50:45,579

and how well-connected he was and how

1343

00:50:50,940 --> 00:50:49,210

many people in in this you know sector

1344

00:50:53,329 --> 00:50:50,950

that he was familiar with and how

1345

00:50:55,410 --> 00:50:53,339

intimately he knew them things like that

1346

00:50:56,980 --> 00:50:55,420

another person that interviewed him but

1347

00:50:59,560 --> 00:50:56,990

from the information

1348

00:51:01,870 --> 00:50:59,570

not long after this New York Times

1349

00:51:04,089 --> 00:51:01,880

report came out said that basically when

1350

00:51:05,800 --> 00:51:04,099

she interviewed Epstein it was just him

1351
00:51:07,750 --> 00:51:05,810
ranting and raving about all the people

1352
00:51:09,670 --> 00:51:07,760
he knew in Silicon Valley so I think he

1353
00:51:11,790 --> 00:51:09,680
was just um perhaps increasingly

1354
00:51:13,960 --> 00:51:11,800
desperate to maintain some sort of

1355
00:51:15,730 --> 00:51:13,970
relevance or some sort of semblance of

1356
00:51:17,079 --> 00:51:15,740
the power that he had before his first

1357
00:51:20,349 --> 00:51:17,089
arrest yeah

1358
00:51:22,260 --> 00:51:20,359
supposed to rest we really are not don't

1359
00:51:25,900 --> 00:51:22,270
know what he was doing as far as

1360
00:51:27,880 --> 00:51:25,910
underage girls and whether they were

1361
00:51:29,200 --> 00:51:27,890
seen being around him so he was seen

1362
00:51:31,089 --> 00:51:29,210
there were some underage girls that were

1363
00:51:34,990 --> 00:51:31,099

seen entering his apartment as late as

1364

00:51:36,640 --> 00:51:35,000

like 2016 or things like that so you

1365

00:51:38,770 --> 00:51:36,650

know it may have continued to some

1366

00:51:41,349 --> 00:51:38,780

extent but definitely not the extent it

1367

00:51:44,220 --> 00:51:41,359

was on in the early 2000s what about

1368

00:51:48,190 --> 00:51:44,230

Bill Clinton do you think we're going to

1369

00:51:51,790 --> 00:51:48,200

eventually learn that Clinton himself

1370

00:51:53,650 --> 00:51:51,800

indulged with underage girls via Epstein

1371

00:51:56,020 --> 00:51:53,660

well I think that depends on what

1372

00:51:57,430 --> 00:51:56,030

happens to the video evidence and the

1373

00:51:59,290 --> 00:51:57,440

other electronic evidence that was

1374

00:52:01,450 --> 00:51:59,300

stored for the purposes of blackmail by

1375

00:52:03,430 --> 00:52:01,460

Jeffrey Epstein we know that some of

1376

00:52:04,839 --> 00:52:03,440

that presumably wasn't obtained by

1377

00:52:06,430 --> 00:52:04,849

federal investigators but as I said

1378

00:52:08,470 --> 00:52:06,440

earlier now that those charges against

1379

00:52:10,990 --> 00:52:08,480

Epstein have been dismissed none of the

1380

00:52:12,700 --> 00:52:11,000

information will be made public but I

1381

00:52:15,130 --> 00:52:12,710

think it's you know it's definitely

1382

00:52:18,520 --> 00:52:15,140

possible that that information could

1383

00:52:20,440 --> 00:52:18,530

come to light statute of limitations I

1384

00:52:23,410 --> 00:52:20,450

don't know what it is when it comes to

1385

00:52:26,020 --> 00:52:23,420

essentially statutory rape which is I

1386

00:52:29,740 --> 00:52:26,030

think what you'd be talking about but I

1387

00:52:32,740 --> 00:52:29,750

gotta figure it's a pretty long so if

1388

00:52:34,020 --> 00:52:32,750

they've got video evidence of somebody

1389

00:52:37,950 --> 00:52:34,030

with an underage girl

1390

00:52:41,829 --> 00:52:37,960

you would think charges would be brought

1391

00:52:43,480 --> 00:52:41,839

right but um you know there's a lot of

1392

00:52:45,250 --> 00:52:43,490

other people besides Bill Clinton that

1393

00:52:48,070 --> 00:52:45,260

were presumably entrapped by this

1394

00:52:50,710 --> 00:52:48,080

operation and there's been no no push

1395

00:52:54,730 --> 00:52:50,720

against them either so I think it's um

1396

00:52:58,960 --> 00:52:54,740

well you got it you know you probably

1397

00:53:01,240 --> 00:52:58,970

have to get the person to testify and

1398

00:53:05,920 --> 00:53:01,250

there's got to be evidence that she was

1399

00:53:08,770 --> 00:53:05,930

underage so and and you don't hear I

1400

00:53:10,710 --> 00:53:08,780

don't think there's ever been a girl

1401

00:53:13,710 --> 00:53:10,720

that has come out and claimed that

1402

00:53:16,770 --> 00:53:13,720

she had sex with Clinton while she was

1403

00:53:18,900 --> 00:53:16,780

underage no some of the people are the

1404

00:53:20,730 --> 00:53:18,910

victims that have said they you know saw

1405

00:53:23,040 --> 00:53:20,740

Bill Clinton around they never accused

1406

00:53:26,690 --> 00:53:23,050

him of wrongdoing they just said that he

1407

00:53:28,560 --> 00:53:26,700

was present were they were present

1408

00:53:30,930 --> 00:53:28,570

what's your what you're feeling about

1409

00:53:35,760 --> 00:53:30,940

Alan Dershowitz because he certainly has

1410

00:53:37,859 --> 00:53:35,770

come out extremely strongly in denying

1411

00:53:39,540 --> 00:53:37,869

the allegations against him and they

1412

00:53:41,820 --> 00:53:39,550

were brought by one of the most

1413

00:53:45,440 --> 00:53:41,830

prominent of the girls that have come

1414

00:53:46,740 --> 00:53:45,450

out what's that now Liberty Roberts

1415

00:53:48,810 --> 00:53:46,750

Roberts

1416

00:53:51,030 --> 00:53:48,820

I mean she's not the only one a couple

1417

00:53:53,099 --> 00:53:51,040

other have accused him as well so she's

1418

00:53:55,650 --> 00:53:53,109

not the only victim to make that claim

1419

00:53:57,120 --> 00:53:55,660

against her she wins um you know as far

1420

00:53:59,550 --> 00:53:57,130

as Dershowitz goes if you look at his

1421

00:54:01,200 --> 00:53:59,560

past history um for example he was a

1422

00:54:02,880 --> 00:54:01,210

character witness for a guy that ran a

1423

00:54:04,710 --> 00:54:02,890

sexual blackmail operation exploiting

1424

00:54:06,420 --> 00:54:04,720

children of Roy Cohn who I mentioned

1425

00:54:07,680 --> 00:54:06,430

earlier in his disbarment hearing Alan

1426

00:54:10,050 --> 00:54:07,690

Dershowitz was one of his character

1427

00:54:11,849 --> 00:54:10,060

witnesses and then if you look what you

1428

00:54:13,920 --> 00:54:11,859

know at what Gershowitz was doing well

1429

00:54:15,030 --> 00:54:13,930

before Eckstein was even known to be

1430

00:54:18,150 --> 00:54:15,040

involved in this type of activity

1431

00:54:21,210 --> 00:54:18,160

publicly you know he was wrote that very

1432

00:54:22,920 --> 00:54:21,220

controversial opinion piece I forgotten

1433

00:54:25,620 --> 00:54:22,930

watch which newspaper where he was

1434

00:54:29,010 --> 00:54:25,630

arguing for the age of consent to be

1435

00:54:31,050 --> 00:54:29,020

lowered to as low as 14 and of course at

1436

00:54:32,160 --> 00:54:31,060

the time that Virginia Roberts claims

1437

00:54:33,839 --> 00:54:32,170

that she was engaged

1438

00:54:35,490 --> 00:54:33,849

forced to engage in this activity with

1439

00:54:38,070 --> 00:54:35,500

Dershowitz that that's pretty much I

1440

00:54:40,140 --> 00:54:38,080

think she was 15 at the time and

1441

00:54:42,720 --> 00:54:40,150

Dershowitz is claimed if you actually

1442

00:54:44,640 --> 00:54:42,730

read that op-ed as the reasoning why the

1443

00:54:47,910 --> 00:54:44,650

legal age of consent consent must be

1444

00:54:49,980 --> 00:54:47,920

lowered should be lowered is that girls

1445

00:54:52,500 --> 00:54:49,990

are getting their periods earlier and

1446

00:54:55,410 --> 00:54:52,510

earlier and so as a consequence of that

1447

00:54:57,930 --> 00:54:55,420

the age of consent um should be should

1448

00:55:01,650 --> 00:54:57,940

be lowered which i think is um really

1449

00:55:04,140 --> 00:55:01,660

messed up like I mean I guess I could go

1450

00:55:06,270 --> 00:55:04,150

expand on that a little more but I don't

1451

00:55:08,790 --> 00:55:06,280

prefer not to just read the op-ed you

1452

00:55:10,859 --> 00:55:08,800

know for yourself look at the timing I

1453

00:55:12,690 --> 00:55:10,869

think it came out like in the early 2000

1454

00:55:15,630 --> 00:55:12,700

well before that years before Epstein

1455

00:55:17,400 --> 00:55:15,640

was arrested the first time and you know

1456

00:55:19,560 --> 00:55:17,410

that op-ed coincides with the

1457

00:55:24,059 --> 00:55:19,570

accusations against him it doesn't look

1458

00:55:27,359 --> 00:55:24,069

great yeah well he's a great lawyer and

1459

00:55:29,099 --> 00:55:27,369

he's now the lawyer for himself so he's

1460

00:55:31,949 --> 00:55:29,109

doing a very good job of defending

1461

00:55:34,949 --> 00:55:31,959

himself because I've seen him speak on

1462

00:55:36,630 --> 00:55:34,959

it I also read the James Patterson book

1463

00:55:39,120 --> 00:55:36,640

I know if you've read that about Epstein

1464

00:55:41,459 --> 00:55:39,130

and it's got a lot of deposition

1465

00:55:44,670 --> 00:55:41,469

transcripts in it including Dershowitz

1466

00:55:47,670 --> 00:55:44,680

is and sir Schwartz comes across very

1467

00:55:50,309 --> 00:55:47,680

compelling in his own defense but as I

1468

00:55:53,759 --> 00:55:50,319

said he's a great lawyer yeah well I

1469

00:55:57,650 --> 00:55:53,769

mean he's known for being able to get a

1470

00:56:03,029 --> 00:55:57,660

lot of people off quite famously right

1471

00:56:04,979 --> 00:56:03,039

I've seen right so you're right so you

1472

00:56:07,079 --> 00:56:04,989

know I'm sure that guy could argue

1473

00:56:10,259 --> 00:56:07,089

himself out you know of pretty much any

1474

00:56:12,029 --> 00:56:10,269

situation or not um you know that

1475

00:56:13,469 --> 00:56:12,039

doesn't honestly surprise me frankly

1476

00:56:15,449 --> 00:56:13,479

though I do think it's worth pointing

1477

00:56:19,380 --> 00:56:15,459

out too that he made a concerted efforts

1478

00:56:21,269 --> 00:56:19,390

to only get you know a partial release

1479

00:56:23,370 --> 00:56:21,279

of these documents that he was pushing

1480

00:56:24,839 --> 00:56:23,380

for with some of the recent charges and

1481

00:56:27,509 --> 00:56:24,849

in the civil cases between Virginia

1482

00:56:31,349 --> 00:56:27,519

Roberts and Elaine Maxwell he was

1483

00:56:33,209 --> 00:56:31,359

pushing to have certain documents of

1484

00:56:35,609 --> 00:56:33,219

that made public that would have

1485

00:56:36,930 --> 00:56:35,619

unreleased more names of victims and

1486

00:56:39,239 --> 00:56:36,940

things like that in people allege that

1487

00:56:42,120 --> 00:56:39,249

he would have been been able to use that

1488

00:56:43,650 --> 00:56:42,130

to intimidate victims of Epstein because

1489

00:56:45,689 --> 00:56:43,660

we know that Alan Dershowitz for example

1490

00:56:49,109 --> 00:56:45,699

did hire Louis Freeh the former FBI

1491

00:56:51,299 --> 00:56:49,119

director he then went on to question and

1492

00:56:52,799 --> 00:56:51,309

intimidate some of Epstein's victims in

1493

00:56:53,519 --> 00:56:52,809

the role of an ostensible private

1494

00:56:55,920 --> 00:56:53,529

investigator

1495

00:56:58,259 --> 00:56:55,930

so Dershowitz has definitely gone on the

1496

00:57:00,239 --> 00:56:58,269

offensive towards a lot of the women

1497

00:57:02,189 --> 00:57:00,249

that have accused him of that that's not

1498

00:57:05,069 --> 00:57:02,199

exactly something you would do if you

1499

00:57:07,140 --> 00:57:05,079

were necessarily you know so convinced

1500

00:57:09,900 --> 00:57:07,150

that your the evidence would prove you

1501
00:57:12,150 --> 00:57:09,910
guilt free right so but I don't want to

1502
00:57:13,890 --> 00:57:12,160
keep you too long but let me just hit

1503
00:57:18,059 --> 00:57:13,900
two other individuals real quick before

1504
00:57:21,689 --> 00:57:18,069
we let you go let's start with Kevin

1505
00:57:23,999 --> 00:57:21,699
Spacey some you know it's kind of a

1506
00:57:27,900 --> 00:57:24,009
bizarre person to be linked to Epstein

1507
00:57:30,779 --> 00:57:27,910
because he's not in politics or in

1508
00:57:32,969 --> 00:57:30,789
business so what do you know about the

1509
00:57:35,549 --> 00:57:32,979
link between Spacey and him he flew with

1510
00:57:37,440 --> 00:57:35,559
him to Africa on the flight that I think

1511
00:57:39,930 --> 00:57:37,450
Clinton went on right right

1512
00:57:42,780 --> 00:57:39,940
and Chris Tucker and I believe Ron

1513
00:57:44,609 --> 00:57:42,790

Burkle was also on that on that flight I

1514

00:57:46,770 --> 00:57:44,619

think it's interesting considering that

1515

00:57:49,800 --> 00:57:46,780

this was years before the accusations

1516

00:57:53,430 --> 00:57:49,810

about Spacey were made public that he

1517

00:57:57,300 --> 00:57:53,440

was accused of raping underage underaged

1518

00:57:57,900 --> 00:57:57,310

people as well and all underage underage

1519

00:58:00,839 --> 00:57:57,910

males

1520

00:58:03,870 --> 00:58:00,849

man sorry yeah and he was on some of

1521

00:58:04,950 --> 00:58:03,880

those accusers have you know died some

1522

00:58:06,540 --> 00:58:04,960

people would say under mysterious

1523

00:58:08,700 --> 00:58:06,550

circumstances I think there was one that

1524

00:58:12,620 --> 00:58:08,710

died just recently and the the cause of

1525

00:58:15,390 --> 00:58:12,630

death still hasn't been disclosed so

1526
00:58:17,430 --> 00:58:15,400
yeah and all the sex trafficking that we

1527
00:58:19,680 --> 00:58:17,440
believe Epstein did is there any

1528
00:58:23,339 --> 00:58:19,690
evidence or assertion that he also

1529
00:58:25,290 --> 00:58:23,349
trafficked in boys um I've seen

1530
00:58:27,060 --> 00:58:25,300
specifically now but as I mentioned

1531
00:58:29,520 --> 00:58:27,070
earlier Epstein is a part of a network

1532
00:58:30,150 --> 00:58:29,530
and there are a lot of people that did

1533
00:58:31,920 --> 00:58:30,160
this before

1534
00:58:35,190 --> 00:58:31,930
Epstein connected do a lot of the same

1535
00:58:36,569 --> 00:58:35,200
figures and intelligence agencies as it

1536
00:58:38,579 --> 00:58:36,579
were that we're very involved in

1537
00:58:40,440 --> 00:58:38,589
trafficking underage boys specifically

1538
00:58:42,630 --> 00:58:40,450

so I mentioned earlier that Epstein

1539

00:58:44,069 --> 00:58:42,640

there are clear connections between a

1540

00:58:46,470 --> 00:58:44,079

lot of the network that he was

1541

00:58:49,440 --> 00:58:46,480

positioned in - for example the Craig

1542

00:58:51,300 --> 00:58:49,450

Spence cowboy ring and that involved

1543

00:58:53,520 --> 00:58:51,310

underage boys the Franklin scandal as

1544

00:58:56,760 --> 00:58:53,530

well connected to some of these same

1545

00:58:59,339 --> 00:58:56,770

individuals that was also involved under

1546

00:59:01,050 --> 00:58:59,349

eight mainly underaged boys and of

1547

00:59:02,760 --> 00:59:01,060

course Roy Cohn as well who I mentioned

1548

00:59:04,770 --> 00:59:02,770

earlier that also was specifically

1549

00:59:06,300 --> 00:59:04,780

underage boys I would say that during

1550

00:59:07,500 --> 00:59:06,310

that the same time period that all of

1551

00:59:10,290 --> 00:59:07,510

those rings were going on there was

1552

00:59:12,089 --> 00:59:10,300

someone doing the same um for underage

1553

00:59:13,620 --> 00:59:12,099

girls so I think you know parallel to

1554

00:59:15,720 --> 00:59:13,630

what Epstein was doing there was someone

1555

00:59:18,319 --> 00:59:15,730

doing the same sort of activity for the

1556

00:59:20,670 --> 00:59:18,329

same forces that was using underage boys

1557

00:59:22,859 --> 00:59:20,680

so bottom line you think it's possible

1558

00:59:24,870 --> 00:59:22,869

that the connection between Stacey and

1559

00:59:28,410 --> 00:59:24,880

Epstein was that Epstein had connected

1560

00:59:30,809 --> 00:59:28,420

him with underage boys well you know I I

1561

00:59:32,819 --> 00:59:30,819

think it's possible but I'm not you know

1562

00:59:34,950 --> 00:59:32,829

I haven't really looked in in depth to

1563

00:59:36,900 --> 00:59:34,960

the the space t Epstein connection all I

1564

00:59:39,599 --> 00:59:36,910

really seen is like he was on that very

1565

00:59:42,750 --> 00:59:39,609

now very infamous plane ride that had

1566

00:59:44,700 --> 00:59:42,760

been organized months in advance by Doug

1567

00:59:46,200 --> 00:59:44,710

band on behalf of Bill Clinton and that

1568

00:59:48,540 --> 00:59:46,210

Bill Clinton wanted Epstein's jet

1569

00:59:50,789 --> 00:59:48,550

specifically for that trip out of all

1570

00:59:53,640 --> 00:59:50,799

the possible planes to chew

1571

00:59:54,929 --> 00:59:53,650

from in the United States so I think you

1572

00:59:56,160 --> 00:59:54,939

know that definitely is troubling

1573

00:59:57,660 --> 00:59:56,170

especially considering what we know

1574

00:59:59,009 --> 00:59:57,670

about what Epstein was involved in and

1575

01:00:02,609 --> 00:59:59,019

that there were people like Ron Burkle

1576

01:00:06,509 --> 01:00:02,619

for example who is known to solicit the

1577

01:00:08,489 --> 01:00:06,519

services of of people for for sex and a

1578

01:00:10,949 --> 01:00:08,499

somewhat controversial in that capacity

1579

01:00:13,439 --> 01:00:10,959

as you know and what we know about

1580

01:00:15,599 --> 01:00:13,449

Spacey what he's been accused of now you

1581

01:00:18,269 --> 01:00:15,609

know these sort of networks you know

1582

01:00:21,630 --> 01:00:18,279

when you get up into the higher levels

1583

01:00:24,120 --> 01:00:21,640

of power you know they do exist and it's

1584

01:00:25,319 --> 01:00:24,130

it's not unreasonable to think that they

1585

01:00:26,910 --> 01:00:25,329

you know I think it's quite reasonable

1586

01:00:28,380 --> 01:00:26,920

to think that they're interconnected to

1587

01:00:30,359 --> 01:00:28,390

an extent where that could have happened

1588

01:00:32,429 --> 01:00:30,369

but I'm not going to say that I think

1589

01:00:35,009 --> 01:00:32,439

that a hundred percent is what the

1590

01:00:37,620 --> 01:00:35,019

connection was okay and the last one is

1591

01:00:39,719 --> 01:00:37,630

is George Mitchell because he would kind

1592

01:00:43,380 --> 01:00:39,729

of be the last person that anybody would

1593

01:00:46,499 --> 01:00:43,390

suspect to be tied in with underage

1594

01:00:49,529 --> 01:00:46,509

girls I guess unless you knew him better

1595

01:00:52,939 --> 01:00:49,539

but what's his connection to Epstein and

1596

01:00:56,309 --> 01:00:52,949

and do you believe that he was indulging

1597

01:00:58,380 --> 01:00:56,319

um he was accused of them and that

1598

01:01:00,299 --> 01:00:58,390

recent document dump that preceded

1599

01:01:03,079 --> 01:01:00,309

Epstein's death by by a day that also

1600

01:01:05,279 --> 01:01:03,089

named Bill Richardson and some other

1601
01:01:07,410 --> 01:01:05,289
individuals in connection with that you

1602
01:01:11,640 --> 01:01:07,420
know it's hard to know exactly the

1603
01:01:13,289 --> 01:01:11,650
extent of his you know in full

1604
01:01:14,669 --> 01:01:13,299
involvement but I think you know what

1605
01:01:17,429 --> 01:01:14,679
happens even if someone wanted they

1606
01:01:19,469 --> 01:01:17,439
expect the sort of thing to happen you

1607
01:01:21,299 --> 01:01:19,479
know or someone bakes on their public

1608
01:01:22,769 --> 01:01:21,309
persona to be involved in that remember

1609
01:01:24,419 --> 01:01:22,779
all of this stuff goes on behind closed

1610
01:01:26,339 --> 01:01:24,429
doors and if they entrap you the first

1611
01:01:29,249 --> 01:01:26,349
time and you know they have leverage on

1612
01:01:30,779 --> 01:01:29,259
you you know in the past with these type

1613
01:01:32,609 --> 01:01:30,789

of operations we've seen people sort of

1614

01:01:34,949 --> 01:01:32,619

end up embracing this sort of activity

1615

01:01:36,390 --> 01:01:34,959

knowing they've been compromised and it

1616

01:01:37,859 --> 01:01:36,400

can't get any worse than it already is
