2
00:00:09,589 --> 00:00:06,330

but he was arrested on July 6th of this

3
00:00:11,720 --> 00:00:09,599

year yeah which is about roughly

4
00:00:13,400 --> 00:00:11,730

speaking what like what eight or nine

5
00:00:16,390 --> 00:00:13,410

years after he had got out of prison the

6
00:00:19,370 --> 00:00:16,400

first time right it was almost 10 years

7
00:00:23,420 --> 00:00:19,380

so we had been reporting on this case

8
00:00:26,689 --> 00:00:23,430

since 2014 which again is years after

9
00:00:28,880 --> 00:00:26,699

even the prison sentence so when he

10
00:00:31,130 --> 00:00:28,890

finally got arrested like six years

11
00:00:33,620 --> 00:00:31,140

after we started reporting on him it was

12
00:00:36,069 --> 00:00:33,630

a huge shock and just the first of many

13
00:00:38,630 --> 00:00:36,079

shocks that would happen in this case

14

00:00:40,220 --> 00:00:38,640

yeah so like I agree as a shock that's

15

00:00:43,880 --> 00:00:40,230

why I wanted to start with July 6 is

16

00:00:46,779 --> 00:00:43,890

what is your guy's theory as to why out

17

00:00:49,100 --> 00:00:46,789

of nowhere 10 years later he's arrested

18

00:00:51,010 --> 00:00:49,110

there's a lot of different theories in

19

00:00:53,330 --> 00:00:51,020

terms of like the fact that his

20

00:00:56,240 --> 00:00:53,340

usefulness might have been declining to

21

00:00:58,220 --> 00:00:56,250

some people if you believe the theory

22

00:01:00,439 --> 00:00:58,230

that we've argued that he was an agent

23

00:01:03,080 --> 00:01:00,449

of the Mossad there have been some

24

00:01:04,910 --> 00:01:03,090

changes in us-israeli relations over the

25

00:01:08,030 --> 00:01:04,920

last couple years in terms of espionage

26
00:01:10,070 --> 00:01:08,040
that might have made him you know less

27
00:01:12,700 --> 00:01:10,080
of a valuable asset for the people that

28
00:01:16,580 --> 00:01:12,710
were protecting him on the other hand

29
00:01:18,230 --> 00:01:16,590
the Sen Y which was the group that

30
00:01:20,660 --> 00:01:18,240
finally went after him for this

31
00:01:24,020 --> 00:01:20,670
I think they've traditionally operated a

32
00:01:25,820 --> 00:01:24,030
little bit outside of more like federal

33
00:01:28,010 --> 00:01:25,830
protocol in terms of who they're going

34
00:01:30,319 --> 00:01:28,020
after they really seem to just want to

35
00:01:33,679 --> 00:01:30,329
go after the big fish even if they're

36
00:01:35,870 --> 00:01:33,689
you know Southern District of New York

37
00:01:37,999 --> 00:01:35,880
and famous for prosecuting white-collar

38
00:01:41,960 --> 00:01:38,009

crimes in New York and so on Michael

39

00:01:43,969 --> 00:01:41,970

Balcon etc mm-hmm so so I think it's a

40

00:01:45,800 --> 00:01:43,979

little bit about them you know having

41

00:01:47,510 --> 00:01:45,810

the balls to go after him and then also

42

00:01:51,050 --> 00:01:47,520

you know the part that we're still

43

00:01:53,330 --> 00:01:51,060

investigating is how did the people that

44

00:01:54,319 --> 00:01:53,340

have been protecting him for so long how

45

00:01:56,859 --> 00:01:54,329

did this happen that they finally

46

00:01:59,450 --> 00:01:56,869

decided that it wasn't worth it anymore

47

00:02:02,120 --> 00:01:59,460

do you think the fact that it was the

48

00:02:04,850 --> 00:02:02,130

Trump administration changes anything I

49

00:02:06,560 --> 00:02:04,860

mean I that's his US attorney in the

50

00:02:09,199 --> 00:02:06,570

Southern District of New York the guy

51
00:02:10,910 --> 00:02:09,209
before him I forget his name is a per

52
00:02:13,309 --> 00:02:10,920
each something but he's a real anti

53
00:02:16,520 --> 00:02:13,319
trend yeah he's big anti Trump guy

54
00:02:20,030 --> 00:02:16,530
do you think that played into it yeah

55
00:02:21,800 --> 00:02:20,040
the Trump administration is totally tied

56
00:02:23,059 --> 00:02:21,810
in to this as you know if it had been

57
00:02:26,259 --> 00:02:23,069
Clinton I probably would have been

58
00:02:28,580 --> 00:02:26,269
saying the same thing both of them are

59
00:02:31,309 --> 00:02:28,590
intricately entangled with that scene

60
00:02:34,190 --> 00:02:31,319
and we actually found in the book this

61
00:02:37,009 --> 00:02:34,200
is super interesting the night of the

62
00:02:39,080 --> 00:02:37,019
2016 election Jeffrey Epstein flew from

63
00:02:41,270 --> 00:02:39,090

Paris where he'd been living and his

64

00:02:44,209 --> 00:02:41,280

plane had been there for like months he

65

00:02:47,509 --> 00:02:44,219

flew to Saudi Arabia on the eve of the

66

00:02:49,759 --> 00:02:47,519

election stayed in Saudi Arabia up until

67

00:02:51,500 --> 00:02:49,769

almost like the moment that the election

68

00:02:54,199 --> 00:02:51,510

was called for Trump and then flew back

69

00:02:55,899 --> 00:02:54,209

to Paris so why did he feel like he

70

00:02:58,309 --> 00:02:55,909

needed to go hide out in Saudi Arabia

71

00:03:01,069 --> 00:02:58,319

pending the results of the election like

72

00:03:06,470 --> 00:03:01,079

that's another kind of big red flag that

73

00:03:10,550 --> 00:03:06,480

we're looking into so so your best

74

00:03:13,990 --> 00:03:10,560

theory today as to why this US attorney

75

00:03:18,250 --> 00:03:14,000

in New York would have chosen to take on

76

00:03:20,119 --> 00:03:18,260

this case that was previously

77

00:03:23,509 --> 00:03:20,129

essentially for all intensive purposes

78

00:03:28,219 --> 00:03:23,519

dismissed by the US Attorney acosta in

79

00:03:31,339 --> 00:03:28,229

Miami is what I think one thing is

80

00:03:33,469 --> 00:03:31,349

climbing usefulness of Epstein part of

81

00:03:35,059 --> 00:03:33,479

that is the rise of digital surveillance

82

00:03:37,399 --> 00:03:35,069

and apps and things you don't need these

83

00:03:39,469 --> 00:03:37,409

on the ground spies anymore but at the

84

00:03:42,920 --> 00:03:39,479

same time you have to know there's been

85

00:03:45,229 --> 00:03:42,930

a huge cultural shift in terms of the

86

00:03:47,599 --> 00:03:45,239

believability of victims and how much

87

00:03:49,550 --> 00:03:47,609

weight that has as evidence you know in

88

00:03:52,729 --> 00:03:49,560

the past with his first arrest there

89

00:03:54,860 --> 00:03:52,739

were 34 confirmed miners that spoke to

90

00:03:57,259 --> 00:03:54,870

the police about their experience with

91

00:04:00,500 --> 00:03:57,269

him and that wasn't enough to convict

92

00:04:02,899 --> 00:04:00,510

that wasn't seen as solid evidence but

93

00:04:04,460 --> 00:04:02,909

after the whole me to movement over the

94

00:04:05,960 --> 00:04:04,470

last couple years we've definitely seen

95

00:04:09,020 --> 00:04:05,970

a cultural shift and everyone's

96

00:04:10,729 --> 00:04:09,030

willingness to listen to victims and who

97

00:04:13,789 --> 00:04:10,739

believe them and are you pretty

98

00:04:17,689 --> 00:04:13,799

confident that he got off so lightly in

99

00:04:19,759 --> 00:04:17,699

Miami because he was an agent of Mossad

100

00:04:23,839 --> 00:04:19,769

and that the word had come down from DC

101
00:04:26,390 --> 00:04:23,849
that hey hands off this guy yeah and I

102
00:04:26,600 --> 00:04:26,400
mean Acosta said it himself that he had

103
00:04:28,760 --> 00:04:26,610
been

104
00:04:30,710 --> 00:04:28,770
told Hugh's intelligence but something a

105
00:04:33,050 --> 00:04:30,720
lot of people don't even know which is

106
00:04:35,929 --> 00:04:33,060
in the book too is the fact that before

107
00:04:37,040 --> 00:04:35,939
he got this big sweetheart deal that you

108
00:04:39,800 --> 00:04:37,050
know gave him just a couple months in

109
00:04:42,980 --> 00:04:39,810
prison he was actually offered another

110
00:04:44,600 --> 00:04:42,990
even better sweetheart deal by the

111
00:04:46,159 --> 00:04:44,610
government he was offered a deal that

112
00:04:47,809 --> 00:04:46,169
would have seen him served no prison

113
00:04:51,110 --> 00:04:47,819

time that would have just put him on

114

00:04:53,420 --> 00:04:51,120

probation in his house in Palm Beach and

115

00:04:55,520 --> 00:04:53,430

that he rejected the deal at the time

116

00:04:58,490 --> 00:04:55,530

because he still thought he was gonna

117

00:05:00,020 --> 00:04:58,500

get away with it Dershowitz Alan

118

00:05:01,730 --> 00:05:00,030

Dershowitz who was his attorney at the

119

00:05:04,450 --> 00:05:01,740

time said that he really believed he had

120

00:05:07,189 --> 00:05:04,460

a strong case he was gonna walk free but

121

00:05:09,499 --> 00:05:07,199

it's just total it's ridiculous that

122

00:05:11,270 --> 00:05:09,509

people like Acosta and Trump are saying

123

00:05:13,610 --> 00:05:11,280

you know this sweetheart deal it was

124

00:05:15,080 --> 00:05:13,620

just the best we could do we really

125

00:05:18,110 --> 00:05:15,090

wanted him to serve some prison time

126

00:05:19,939 --> 00:05:18,120

it's so important it's total BS because

127

00:05:21,800 --> 00:05:19,949

a couple months before they gave him an

128

00:05:23,689 --> 00:05:21,810

even better deal and the only reason he

129

00:05:27,610 --> 00:05:23,699

didn't take it is because he was hedging

130

00:05:29,629 --> 00:05:27,620

his bets so what is Acosta up to today

131

00:05:32,360 --> 00:05:29,639

we don't really know he's kind of

132

00:05:33,980 --> 00:05:32,370

vanished from the radar that's something

133

00:05:36,619 --> 00:05:33,990

that we're planning on going after for

134

00:05:38,510 --> 00:05:36,629

like our next book the sequel is going

135

00:05:41,450 --> 00:05:38,520

down in Florida find him find his family

136

00:05:43,850 --> 00:05:41,460

I'm sure he and the people around him

137

00:05:46,189 --> 00:05:43,860

definitely have some kind of a story to

138

00:05:49,189 --> 00:05:46,199

tell about what's gone down with all of

139

00:05:52,100 --> 00:05:49,199

this yeah I mean if he got the directive

140

00:05:53,990 --> 00:05:52,110

from the Attorney General which is I

141

00:05:56,570 --> 00:05:54,000

think what you guys are a certain

142

00:05:58,209 --> 00:05:56,580

asserting which is is that Michael

143

00:06:00,709 --> 00:05:58,219

Mukasey

144

00:06:04,100 --> 00:06:00,719

I'm not sure who it was at the time

145

00:06:09,079 --> 00:06:04,110

we're kind of asserting more like higher

146

00:06:10,939 --> 00:06:09,089

up even than that like CIA uh-huh

147

00:06:13,519 --> 00:06:10,949

but anyway bottom line who said that it

148

00:06:15,469 --> 00:06:13,529

came from yeah sorry it was the AG was

149

00:06:18,079 --> 00:06:15,479

Michael Mukasey which I think I got this

150

00:06:20,510 --> 00:06:18,089

from your book actually who was Jewish

151

00:06:23,089 --> 00:06:20,520

and very close to Israel so there's a

152

00:06:25,070 --> 00:06:23,099

potential theory there that he has his

153

00:06:26,779 --> 00:06:25,080

own Israeli connections and therefore

154

00:06:29,360 --> 00:06:26,789

was aware of it and get the word out but

155

00:06:32,360 --> 00:06:29,370

anyway point point is that if Acosta got

156

00:06:36,889 --> 00:06:32,370

the director from DC he really took a

157

00:06:38,800 --> 00:06:36,899

bullet by resigning rather than giving

158

00:06:40,690 --> 00:06:38,810

that up yeah and

159

00:06:42,300 --> 00:06:40,700

you we've started to see this with a lot

160

00:06:44,590 --> 00:06:42,310

of other people that have been kind of

161

00:06:46,600 --> 00:06:44,600

unceremoniously booted from champs inner

162

00:06:48,400 --> 00:06:46,610

circle you know people that took a

163

00:06:51,790 --> 00:06:48,410

bullet for him and didn't get the same

164

00:06:54,840 --> 00:06:51,800

in return so I think is only a matter of

165

00:06:57,700 --> 00:06:54,850

time before we hear the truth from him

166

00:07:02,129 --> 00:06:57,710

okay so that so on July 6th he's

167

00:07:05,440 --> 00:07:02,139

arrested July 18th is the is when bail

168

00:07:06,610 --> 00:07:05,450

is denominator which was a pretty big

169

00:07:10,390 --> 00:07:06,620

deal which is probably worth talking

170

00:07:13,960 --> 00:07:10,400

about a little bit you know Epstein has

171

00:07:16,810 --> 00:07:13,970

got plenty of money so he's hoping to be

172

00:07:18,460 --> 00:07:16,820

able to during the pendency of the

173

00:07:23,080 --> 00:07:18,470

period before the trial to be out on

174

00:07:25,030 --> 00:07:23,090

parole essentially and even suggested as

175

00:07:27,640 --> 00:07:25,040

much as a hundred million dollar bail

176

00:07:32,110 --> 00:07:27,650

which was all rejected just funny money

177

00:07:34,000 --> 00:07:32,120

right yeah so he when he was waiting for

178

00:07:35,170 --> 00:07:34,010

the first conviction back in no six he

179

00:07:37,360 --> 00:07:35,180

actually waited out the whole

180

00:07:39,879 --> 00:07:37,370

investigation on his private cribben

181

00:07:41,860 --> 00:07:39,889

island which is now known as orgy island

182

00:07:43,890 --> 00:07:41,870

or a little Saint Jeff I'm sure he was

183

00:07:46,690 --> 00:07:43,900

trying to plan to do the same thing

184

00:07:48,580 --> 00:07:46,700

obviously the Virgin Islands part of

185

00:07:51,969 --> 00:07:48,590

them are US territory so he could

186

00:07:53,529 --> 00:07:51,979

ostensibly go to his little oasis and

187

00:07:56,890 --> 00:07:53,539

just kind of hide out until the trial

188

00:07:58,870 --> 00:07:56,900

happened but we spoke to we had a

189

00:08:01,180 --> 00:07:58,880

reporter in the courtroom that day we

190

00:08:02,890 --> 00:08:01,190

spoke to Gloria Allred the famed victims

191

00:08:05,860 --> 00:08:02,900

rights attorney who was also in the

192

00:08:07,300 --> 00:08:05,870

courtroom that day and everybody said

193

00:08:11,190 --> 00:08:07,310

that when he found out that he wasn't

194

00:08:13,719 --> 00:08:11,200

getting bail he he looked very confused

195

00:08:18,219 --> 00:08:13,729

he looked very confused you look just

196

00:08:20,409 --> 00:08:18,229

totally white exhausted honestly it was

197

00:08:22,570 --> 00:08:20,419

surprising to me it was surprising to me

198

00:08:25,120 --> 00:08:22,580

that they had strong and kept him in

199

00:08:26,860 --> 00:08:25,130

prison yeah that's a tough that's a

200

00:08:30,640 --> 00:08:26,870

tough judge because you know the end of

201
00:08:35,170 --> 00:08:30,650
the day what he's accused of let's be

202
00:08:38,290 --> 00:08:35,180
honest I mean it's not a terribly

203
00:08:40,779 --> 00:08:38,300
terribly significant crime I mean he's

204
00:08:44,190 --> 00:08:40,789
basically alleged you know the actual

205
00:08:46,750 --> 00:08:44,200
complaint involved how many how many

206
00:08:49,050 --> 00:08:46,760
underage girls was in the axle in New

207
00:08:54,650 --> 00:08:49,060
York complained I forget to say half oh

208
00:08:59,300 --> 00:08:58,070
they're adults now so it's you know it's

209
00:09:01,940 --> 00:08:59,310
statutory rape

210
00:09:03,770 --> 00:09:01,950
essentially right I don't I don't I

211
00:09:08,050 --> 00:09:03,780
forget if the if that complaint actually

212
00:09:11,600 --> 00:09:08,060
accused him of being of essentially

213
00:09:13,250 --> 00:09:11,610

pimping the girls out or operating a sex

214

00:09:15,530 --> 00:09:13,260

ring it was really just him indulging

215

00:09:19,100 --> 00:09:15,540

right right so this isn't the most major

216

00:09:21,800 --> 00:09:19,110

federal crime that we of course like you

217

00:09:23,990 --> 00:09:21,810

know even if it was one person that's

218

00:09:26,420 --> 00:09:24,000

significant but this as far as in

219

00:09:29,060 --> 00:09:26,430

context of his greater crimes it was

220

00:09:31,460 --> 00:09:29,070

just the very tip of the iceberg

221

00:09:34,100 --> 00:09:31,470

you know what really influenced the

222

00:09:35,480 --> 00:09:34,110

decision was the fact that the federal

223

00:09:37,910 --> 00:09:35,490

agents when they were rating his New

224

00:09:41,960 --> 00:09:37,920

York mansion and found this fake

225

00:09:43,820 --> 00:09:41,970

passport which was a Saudi Patna an

226

00:09:47,810 --> 00:09:43,830

Austrian passport that listed his

227

00:09:49,910 --> 00:09:47,820

residence as Saudi Arabia like why why

228

00:09:51,470 --> 00:09:49,920

in the world did he have that and his

229

00:09:53,900 --> 00:09:51,480

attorneys came out and said what they

230

00:09:57,290 --> 00:09:53,910

had this convoluted story you know Oh a

231

00:09:59,900 --> 00:09:57,300

friend of his gave it to him and he was

232

00:10:01,580 --> 00:09:59,910

afraid that because he's Jewish somebody

233

00:10:05,150 --> 00:10:01,590

in the Middle East might try to kidnap

234

00:10:06,590 --> 00:10:05,160

him and it's like so you know you just

235

00:10:09,140 --> 00:10:06,600

start laughing halfway through it but

236

00:10:10,310 --> 00:10:09,150

that was enough to convince them that he

237

00:10:12,140 --> 00:10:10,320

was flight risk

238

00:10:17,210 --> 00:10:12,150

he had resources that they didn't even

239

00:10:19,070 --> 00:10:17,220

know about but I I mean judges try not

240

00:10:21,140 --> 00:10:19,080

to take in that external information

241

00:10:22,520 --> 00:10:21,150

that contacts but I feel like they that

242

00:10:23,810 --> 00:10:22,530

had to have played a part in the

243

00:10:25,610 --> 00:10:23,820

decision the fact they knew what

244

00:10:26,930 --> 00:10:25,620

everything else had he had done yeah

245

00:10:29,270 --> 00:10:26,940

well that judge deserves a lot of credit

246

00:10:30,860 --> 00:10:29,280

for doing that but yeah bottom line is

247

00:10:32,480 --> 00:10:30,870

you got a guy who was poured a ton of

248

00:10:33,920 --> 00:10:32,490

money in his own private plane that he

249

00:10:37,280 --> 00:10:33,930

flies wrong for the world and so talk

250

00:10:40,040 --> 00:10:37,290

about flight risk your comment about him

251

00:10:42,440 --> 00:10:40,050

being shocked by that ruling is

252

00:10:46,160 --> 00:10:42,450

interesting because if he committed

253

00:10:49,520 --> 00:10:46,170

suicide we have to kind of walk through

254

00:10:52,820 --> 00:10:49,530

he the spiral down that he experienced

255

00:10:54,500 --> 00:10:52,830

that being step one because one of the

256

00:10:57,079 --> 00:10:54,510

big questions in my mind was wait a

257

00:10:59,390 --> 00:10:57,089

minute this guy can afford to hire the

258

00:11:02,540 --> 00:10:59,400

dream team he can for an old Jays team

259

00:11:04,760 --> 00:11:02,550

times 10 and in fact he did hire the OJS

260

00:11:05,760 --> 00:11:04,770

team times 10 in Miami and it was very

261

00:11:07,440 --> 00:11:05,770

successful

262

00:11:09,660 --> 00:11:07,450

so he should have had every reason to

263

00:11:11,940 --> 00:11:09,670

believe that there was a good chance of

264

00:11:13,830 --> 00:11:11,950

him beating this or negotiating

265

00:11:17,040 --> 00:11:13,840

something very insignificant like he did

266

00:11:19,290 --> 00:11:17,050

in Miami so you know why did he

267

00:11:21,210 --> 00:11:19,300

apparently at some point become hopeless

268

00:11:24,030 --> 00:11:21,220

if you believe in the suicide route

269

00:11:27,930 --> 00:11:24,040

which I do so I need it I need I need to

270

00:11:30,090 --> 00:11:27,940

defend that but there is a spiraling

271

00:11:33,600 --> 00:11:30,100

down that you see that starts with that

272

00:11:35,250 --> 00:11:33,610

tonight correct mm-hmm I think the the

273

00:11:39,350 --> 00:11:35,260

world was kind of narrowing in a little

274

00:11:42,510 --> 00:11:39,360

bit but everything that we've heard from

275

00:11:45,270 --> 00:11:42,520

inside the jail including we spoke to an

276

00:11:46,980 --> 00:11:45,280

attorney that was with him I believe did

277

00:11:48,780 --> 00:11:46,990

one day or two days before the suicide

278

00:11:51,870 --> 00:11:48,790

attempt this is an old friend that had

279

00:11:54,630 --> 00:11:51,880

come to visit everybody said that he I

280

00:11:57,480 --> 00:11:54,640

mean delusionally or not he still seemed

281

00:11:59,340 --> 00:11:57,490

to like be willing to fight this he

282

00:12:01,350 --> 00:11:59,350

would hole up in the kind of attorney

283

00:12:03,570 --> 00:12:01,360

conference room at the prison for like

284

00:12:06,720 --> 00:12:03,580

the whole day days at a time with his

285

00:12:08,520 --> 00:12:06,730

team and this attorney that we spoke to

286

00:12:10,710 --> 00:12:08,530

who saw him just before the suicides

287

00:12:12,150 --> 00:12:10,720

that he did seem like he was in good

288

00:12:13,890 --> 00:12:12,160

spirits and he was talking about you

289

00:12:15,080 --> 00:12:13,900

know like future plans and things like

290

00:12:18,480 --> 00:12:15,090

that

291

00:12:23,760 --> 00:12:18,490

obviously nobody really knows unless you

292

00:12:25,200 --> 00:12:23,770

were there but certainly he it's his

293

00:12:27,330 --> 00:12:25,210

whole entire life he had this attitude

294

00:12:29,280 --> 00:12:27,340

that he was always gonna slip out of it

295

00:12:31,740 --> 00:12:29,290

no matter what happened even like in the

296

00:12:34,260 --> 00:12:31,750

early days before the pedophilia and the

297

00:12:36,180 --> 00:12:34,270

sex ring came to be he slipped out of so

298

00:12:37,950 --> 00:12:36,190

many sticky situations on Wall Street

299

00:12:39,930 --> 00:12:37,960

and issues with securities fraud and

300

00:12:41,640 --> 00:12:39,940

things like that that was his if

301
00:12:43,950 --> 00:12:41,650
anything to find his life it was that

302
00:12:46,350 --> 00:12:43,960
that he could get out of any scrape but

303
00:12:49,280 --> 00:12:46,360
starting with the bail like you said it

304
00:12:52,440 --> 00:12:49,290
you know if you believe in the suicide

305
00:12:54,630 --> 00:12:52,450
verdict there certainly were things that

306
00:12:57,330 --> 00:12:54,640
were happening that were you know they

307
00:12:59,010 --> 00:12:57,340
had to have conveyed to him that this

308
00:13:01,080 --> 00:12:59,020
was going to be different you know that

309
00:13:03,060 --> 00:13:01,090
one thing at a time whether it was

310
00:13:05,880 --> 00:13:03,070
having his house raided the passport

311
00:13:07,800 --> 00:13:05,890
discovered seeing these women his

312
00:13:10,680 --> 00:13:07,810
victims finally standing up and speaking

313
00:13:12,480 --> 00:13:10,690

out and mass like that all of these

314

00:13:14,960 --> 00:13:12,490

things had to have had some effect on

315

00:13:18,120 --> 00:13:14,970

his ability to believe that anymore

316

00:13:19,440 --> 00:13:18,130

what about meds is kind of ties into one

317

00:13:21,150 --> 00:13:19,450

of my theories

318

00:13:25,290 --> 00:13:21,160

we aware whether he was on any type of

319

00:13:27,090 --> 00:13:25,300

meds we're not we do have we had a

320

00:13:29,010 --> 00:13:27,100

source inside the prison that was on the

321

00:13:32,010 --> 00:13:29,020

same cell block as him but he didn't

322

00:13:33,600 --> 00:13:32,020

know anything about that haven't heard

323

00:13:35,820 --> 00:13:33,610

that from anybody and I don't know what

324

00:13:38,520 --> 00:13:35,830

happens when you go to prison if you are

325

00:13:40,800 --> 00:13:38,530

on meds now it's very possible a guy

326

00:13:42,630 --> 00:13:40,810

like him if he was on some type of beds

327

00:13:47,190 --> 00:13:42,640

I'm talking about for some psychiatric

328

00:13:48,690 --> 00:13:47,200

condition bipolar you name it it's very

329

00:13:51,330 --> 00:13:48,700

possible that he was getting them kind

330

00:13:55,050 --> 00:13:51,340

of off prescription anyway but you know

331

00:13:57,630 --> 00:13:55,060

if you're in prison and you are taking

332

00:13:59,670 --> 00:13:57,640

prescription medications I would imagine

333

00:14:03,420 --> 00:13:59,680

they permit you to continue those but

334

00:14:05,910 --> 00:14:03,430

I'm sure yeah I haven't I would believe

335

00:14:07,350 --> 00:14:05,920

that also but we've seen I've seen a lot

336

00:14:09,390 --> 00:14:07,360

of the prison records from when he was

337

00:14:12,900 --> 00:14:09,400

in Florida didn't I didn't see anything

338

00:14:14,490 --> 00:14:12,910

kind of about that and then there's been

339

00:14:16,170 --> 00:14:14,500

much less that's come out of the New

340

00:14:17,880 --> 00:14:16,180

York prison situation since the

341

00:14:20,520 --> 00:14:17,890

investigation still ongoing it but I

342

00:14:22,080 --> 00:14:20,530

haven't in all of the stuff that I've

343

00:14:24,060 --> 00:14:22,090

seen or talked to people that I haven't

344

00:14:26,130 --> 00:14:24,070

seen anything like that and you know

345

00:14:28,110 --> 00:14:26,140

when the police went through his trash

346

00:14:30,330 --> 00:14:28,120

for weeks at a time down in Palm Beach

347

00:14:31,500 --> 00:14:30,340

all of the hawks and the official record

348

00:14:34,860 --> 00:14:31,510

and you can see like everything that

349

00:14:38,360 --> 00:14:34,870

they found every scrap of paper nothing

350

00:14:41,940 --> 00:14:38,370

about prescriptions or doctor visits

351

00:14:44,010 --> 00:14:41,950

anything like that no interesting well

352

00:14:47,640 --> 00:14:44,020

he certainly seems to be at minimum a

353

00:14:50,190 --> 00:14:47,650

sociopath so he has presumably some type

354

00:14:52,110 --> 00:14:50,200

of psychiatric condition and that's why

355

00:14:53,670 --> 00:14:52,120

I wonder if he had been taking meds and

356

00:14:57,270 --> 00:14:53,680

then he's off his meds that could help

357

00:15:00,660 --> 00:14:57,280

explain you know getting unbalanced in

358

00:15:03,000 --> 00:15:00,670

the suicide kanan mindset so let's let's

359

00:15:05,850 --> 00:15:03,010

talk about so then July 23rd eight five

360

00:15:09,690 --> 00:15:05,860

days after bail is denied is when he

361

00:15:12,120 --> 00:15:09,700

attempts suicide allegedly what is your

362

00:15:16,350 --> 00:15:12,130

guys view was that in fact a suicide

363

00:15:18,690 --> 00:15:16,360

attempts on that day yeah so my

364

00:15:20,370 --> 00:15:18,700

co-author James Robertson he was

365

00:15:22,590 --> 00:15:20,380

actually one of the first people that

366

00:15:24,330 --> 00:15:22,600

reported that on Radar Online and they

367

00:15:25,800 --> 00:15:24,340

got a tip from inside the prison and

368

00:15:28,170 --> 00:15:25,810

were able to confirm it with some people

369

00:15:29,910 --> 00:15:28,180

close to Epstein so we've been really on

370

00:15:31,680 --> 00:15:29,920

top of that from the beginning we found

371

00:15:33,170 --> 00:15:31,690

like I told you somebody that actually

372

00:15:35,430 --> 00:15:33,180

witnessed it

373

00:15:37,460 --> 00:15:35,440

kind of more of the aftermath though

374

00:15:41,610 --> 00:15:37,470

they didn't really see the actual

375

00:15:48,230 --> 00:15:41,620

scuffle I'm personally on the murder

376

00:15:50,340 --> 00:15:48,240

side of things just announced yourself

377

00:15:52,020 --> 00:15:50,350

I'm wearing an app see didn't kill

378

00:15:53,160 --> 00:15:52,030

himself it's like a birth or it's like a

379

00:15:55,860 --> 00:15:53,170

birth or we'll have to come up with a

380

00:15:57,780 --> 00:15:55,870

name through for you guys okay well so

381

00:16:01,770 --> 00:15:57,790

alright so you're on the murder side but

382

00:16:02,780 --> 00:16:01,780

but as as for that event where are you

383

00:16:06,570 --> 00:16:02,790

on that one

384

00:16:08,550 --> 00:16:06,580

what we know for sure is that he did

385

00:16:10,770 --> 00:16:08,560

have markings on his neck he was

386

00:16:13,410 --> 00:16:10,780

involved in some kind of incident he was

387

00:16:15,030 --> 00:16:13,420

definitely out cold when this happened

388

00:16:17,340 --> 00:16:15,040

the person that witnessed it said when

389

00:16:19,350 --> 00:16:17,350

he saw them taking him out his feet and

390

00:16:21,960 --> 00:16:19,360

his face were blue

391

00:16:23,490 --> 00:16:21,970

something happened in there if you lean

392

00:16:25,800 --> 00:16:23,500

towards the murder side like yeah I

393

00:16:28,470 --> 00:16:25,810

think that someone could have been

394

00:16:29,490 --> 00:16:28,480

entered as his cell if it was suicide it

395

00:16:33,840 --> 00:16:29,500

definitely could have been a suicide

396

00:16:35,910 --> 00:16:33,850

attempt but regardless somebody I think

397

00:16:37,920 --> 00:16:35,920

somebody whether it was suicide or

398

00:16:40,200 --> 00:16:37,930

murder someone was involved that wanted

399

00:16:42,690 --> 00:16:40,210

it to happen that wasn't necessarily

400

00:16:45,690 --> 00:16:42,700

Epstein the fact that we just found out

401
00:16:47,100 --> 00:16:45,700
yesterday that the tapes of outside his

402
00:16:50,550 --> 00:16:47,110
cell from that night have suddenly

403
00:16:51,960 --> 00:16:50,560
disappeared you know in the same way of

404
00:16:54,480 --> 00:16:51,970
the suicide there's just too many things

405
00:16:56,910 --> 00:16:54,490
that raise questions if it was a simple

406
00:17:00,660 --> 00:16:56,920
suicide attempt they would have kept the

407
00:17:01,830 --> 00:17:00,670
tapes right moderated xx yeah

408
00:17:03,510 --> 00:17:01,840
coincidentally this just came out

409
00:17:07,160 --> 00:17:03,520
yesterday as I was reading your book and

410
00:17:12,090 --> 00:17:07,170
then I saw this thing come up where the

411
00:17:16,050 --> 00:17:12,100
videotape of his cell which apparently

412
00:17:19,050 --> 00:17:16,060
they had before and I believe people had

413
00:17:21,000 --> 00:17:19,060

watched it so wouldn't we have heard if

414

00:17:23,880 --> 00:17:21,010

that videotape showed something other

415

00:17:25,680 --> 00:17:23,890

than an attempted suicide forget about

416

00:17:28,230 --> 00:17:25,690

whether where it is where it's gone now

417

00:17:30,360 --> 00:17:28,240

yeah up until now the understanding has

418

00:17:32,490 --> 00:17:30,370

been that that videotape showed that it

419

00:17:35,240 --> 00:17:32,500

was suicide mm-hmm I don't know of

420

00:17:37,410 --> 00:17:35,250

anyone in particular that ever saw it

421

00:17:39,960 --> 00:17:37,420

and you know the fact that it's missing

422

00:17:41,340 --> 00:17:39,970

now if you can't I'm sure there's not

423

00:17:43,530 --> 00:17:41,350

one person on earth that didn't roll

424

00:17:45,310 --> 00:17:43,540

their eyes when they heard that it could

425

00:17:47,590 --> 00:17:45,320

go on missing very soon by the

426
00:17:49,269 --> 00:17:47,600
report as of yesterday that it wasn't he

427
00:17:50,919 --> 00:17:49,279
said some prosecutor said you know I'm

428
00:17:52,419 --> 00:17:50,929
not aware of where it is right now so I

429
00:17:55,180 --> 00:17:52,429
don't know how much that's been blown

430
00:17:57,789 --> 00:17:55,190
out but my interesting I'm saying is

431
00:17:59,560 --> 00:17:57,799
that is the the his cellmate which was a

432
00:18:02,590 --> 00:17:59,570
former cop mm-hmm

433
00:18:04,539 --> 00:18:02,600
he's upset he wants that yeah out there

434
00:18:06,090 --> 00:18:04,549
to prove his innocence because he's

435
00:18:09,970 --> 00:18:06,100
basically a hey I'm I'm the one that

436
00:18:12,580 --> 00:18:09,980
that called for help yeah how much time

437
00:18:14,409 --> 00:18:12,590
was it between the time that Epstein

438
00:18:16,360 --> 00:18:14,419

would have theoretically either been

439

00:18:19,210 --> 00:18:16,370

attempted the attempted murder or the

440

00:18:20,680 --> 00:18:19,220

attempted suicide and him the cellmate

441

00:18:22,659 --> 00:18:20,690

called for help you know it was just

442

00:18:24,549 --> 00:18:22,669

moments that's the witness told us that

443

00:18:26,680 --> 00:18:24,559

it was he heard some kind of a scuffle

444

00:18:28,690 --> 00:18:26,690

and the guards in that case actually did

445

00:18:29,860 --> 00:18:28,700

they weren't asleep that time they

446

00:18:31,840 --> 00:18:29,870

actually made it over to the South

447

00:18:33,369 --> 00:18:31,850

pretty quickly and the witness that you

448

00:18:35,470 --> 00:18:33,379

guys were the ones they'd interviewed

449

00:18:36,999 --> 00:18:35,480

he's the one that says that he thinks it

450

00:18:39,549 --> 00:18:37,009

was a suicide he has no reason to

451
00:18:41,799 --> 00:18:39,559
believe it was the cop no he does

452
00:18:43,899 --> 00:18:41,809
actually think that the guards were

453
00:18:46,690 --> 00:18:43,909
somehow involved that it was more of an

454
00:18:48,999 --> 00:18:46,700
attack of or murder he says that in the

455
00:18:51,940 --> 00:18:49,009
weeks leading up to this the way of the

456
00:18:53,289 --> 00:18:51,950
guards treated Epstein was really kind

457
00:18:55,690 --> 00:18:53,299
of out of the norm obviously they're

458
00:18:57,190 --> 00:18:55,700
never they don't make best friends with

459
00:18:58,869 --> 00:18:57,200
people that are in the prison but he

460
00:19:02,259 --> 00:18:58,879
said the way that they treated him was

461
00:19:05,830 --> 00:19:02,269
just like a whole other level of disgust

462
00:19:07,629 --> 00:19:05,840
and disdain and he thinks that they had

463
00:19:09,940 --> 00:19:07,639

something to do with it that they eat

464

00:19:13,019 --> 00:19:09,950

their allowed somebody else to let this

465

00:19:15,490 --> 00:19:13,029

happen or actively participated in that

466

00:19:18,159 --> 00:19:15,500

hmm okay well I just read the book

467

00:19:20,350 --> 00:19:18,169

yesterday as I I thought for sure that

468

00:19:21,970 --> 00:19:20,360

you guys in the book maybe someone else

469

00:19:24,490 --> 00:19:21,980

was responsible for that part was saying

470

00:19:25,869 --> 00:19:24,500

that the witness had no reason to

471

00:19:30,460 --> 00:19:25,879

believe certainly not that the cop did

472

00:19:32,799 --> 00:19:30,470

it see he certainly didn't see anybody

473

00:19:35,769 --> 00:19:32,809

like enter the cell and he's on the same

474

00:19:37,419 --> 00:19:35,779

block so he didn't see like a person

475

00:19:40,419 --> 00:19:37,429

dressed in black walked down the hallway

476

00:19:42,129 --> 00:19:40,429

and go into his room and by the way

477

00:19:44,710 --> 00:19:42,139

we've got cameras all throughout that

478

00:19:47,169 --> 00:19:44,720

prison granted some of them perhaps

479

00:19:48,549 --> 00:19:47,179

don't work as we've learned but you got

480

00:19:51,039 --> 00:19:48,559

a bunch of others so you're gonna see

481

00:19:53,289 --> 00:19:51,049

somebody walking around and you're also

482

00:19:55,060 --> 00:19:53,299

gonna have some evidence you would think

483

00:19:56,440 --> 00:19:55,070

usually you know when there's a crime

484

00:19:58,470 --> 00:19:56,450

committed that involves another party

485

00:20:02,900 --> 00:19:58,480

you've got figure Princeton

486

00:20:06,240 --> 00:20:02,910

than that so we really have no evidence

487

00:20:08,880 --> 00:20:06,250

that this was an attempted murder

488

00:20:11,010 --> 00:20:08,890

we have speculation and saying that og

489

00:20:12,330 --> 00:20:11,020

guards didn't like him and og this seems

490

00:20:12,960 --> 00:20:12,340

weird to me that he would attempt

491

00:20:14,820 --> 00:20:12,970

suicide

492

00:20:16,920 --> 00:20:14,830

you have speculation like that but first

493

00:20:21,060 --> 00:20:16,930

evidence no really none

494

00:20:24,840 --> 00:20:21,070

no and no I witnessed details it's more

495

00:20:28,260 --> 00:20:24,850

like this is Dylan's perspective that he

496

00:20:32,370 --> 00:20:28,270

was allowed to commit suicide that you

497

00:20:34,080 --> 00:20:32,380

know they look to the other way for four

498

00:20:36,300 --> 00:20:34,090

reasons and it might have been as simple

499

00:20:38,640 --> 00:20:36,310

as they didn't like him but at the end

500

00:20:41,520 --> 00:20:38,650

of the day it is Occam's razor the

501
00:20:42,230 --> 00:20:41,530
simplest explanation that he did commit

502
00:20:49,350 --> 00:20:42,240
suicide

503
00:20:51,660 --> 00:20:49,360
attempted yeah yeah yeah so in that one

504
00:20:53,940 --> 00:20:51,670
I think it's it's the second one it

505
00:20:55,320 --> 00:20:53,950
seems like it's easier to argue for an

506
00:20:56,520 --> 00:20:55,330
attempted murder because you don't have

507
00:20:58,320 --> 00:20:56,530
the cameras and you've got the sleeping

508
00:20:59,850 --> 00:20:58,330
guards whereas I'm the first one you've

509
00:21:01,170 --> 00:20:59,860
got cards responding right away you've

510
00:21:04,980 --> 00:21:01,180
got the witness you got the guy in the

511
00:21:07,860 --> 00:21:04,990
cell but the problem is for murder

512
00:21:10,440 --> 00:21:07,870
theorists it's that if he attempted

513
00:21:12,960 --> 00:21:10,450

suicide the first time it makes it all

514

00:21:14,910 --> 00:21:12,970

the more likely that in fact the second

515

00:21:16,470 --> 00:21:14,920

one was suicide because now you're

516

00:21:18,060 --> 00:21:16,480

talking about a real coincidence that

517

00:21:19,530 --> 00:21:18,070

okay he tried to kill himself the first

518

00:21:24,060 --> 00:21:19,540

time then was murdered the second time

519

00:21:30,960 --> 00:21:24,070

yeah a little out there for you guys on

520

00:21:31,950 --> 00:21:30,970

the book together we have kind of

521

00:21:34,680 --> 00:21:31,960

different views on it

522

00:21:38,580 --> 00:21:34,690

so okay so then the next event that I've

523

00:21:42,270 --> 00:21:38,590

got is he goes into suicide watch and

524

00:21:43,830 --> 00:21:42,280

comes off of it only six days later if

525

00:21:46,380 --> 00:21:43,840

I've got my dates all right

526
00:21:47,580 --> 00:21:46,390
23rd is the suicide attempt and he goes

527
00:21:50,670 --> 00:21:47,590
and suicide watch and they take them off

528
00:21:53,640 --> 00:21:50,680
on the 29th but when you're on suicide

529
00:21:55,290 --> 00:21:53,650
watch that sounds to me like very

530
00:21:58,920 --> 00:21:55,300
unpleasant you're in a cellar by

531
00:22:01,980 --> 00:21:58,930
yourself and it's extremely bare what

532
00:22:03,420 --> 00:22:01,990
they allow to be in there um and I think

533
00:22:05,220 --> 00:22:03,430
you guys even talk in the book about

534
00:22:07,440 --> 00:22:05,230
there you know this prison being rat

535
00:22:11,370 --> 00:22:07,450
infested etc and in that section of the

536
00:22:12,169 --> 00:22:11,380
suicide watch area is really a place you

537
00:22:14,389 --> 00:22:12,179
don't want to be

538
00:22:17,810 --> 00:22:14,399

that really dragged up steam down but

539

00:22:19,850 --> 00:22:17,820

talk about that right right so this you

540

00:22:22,789 --> 00:22:19,860

know as if prison could get any worse it

541

00:22:26,060 --> 00:22:22,799

does in this kind of suicide watch area

542

00:22:28,159 --> 00:22:26,070

like you said those cells are extremely

543

00:22:30,320 --> 00:22:28,169

bare the sheets that they give them are

544

00:22:31,879 --> 00:22:30,330

essentially like paper towels you know

545

00:22:32,869 --> 00:22:31,889

because they would just rip if you tried

546

00:22:35,149 --> 00:22:32,879

to hang yourself

547

00:22:36,680 --> 00:22:35,159

um so everything that we've heard from

548

00:22:39,230 --> 00:22:36,690

inside the prison and people close to

549

00:22:41,570 --> 00:22:39,240

abstain was that he he and his legal

550

00:22:43,999 --> 00:22:41,580

team were involved in getting him off on

551
00:22:46,639 --> 00:22:44,009
suicide watch because like you said it

552
00:22:48,769 --> 00:22:46,649
was so you know it was so difficult for

553
00:22:53,149 --> 00:22:48,779
him to bear especially from where he's

554
00:22:55,580 --> 00:22:53,159
come from in his life so that that part

555
00:22:57,680 --> 00:22:55,590
doesn't necessarily seem nefarious like

556
00:22:59,810 --> 00:22:57,690
that the guards were actively trying to

557
00:23:02,269 --> 00:22:59,820
get him back into the general population

558
00:23:04,159 --> 00:23:02,279
I think everything points to his team

559
00:23:05,899 --> 00:23:04,169
just you know if you him saying I don't

560
00:23:06,560 --> 00:23:05,909
want to I can't deal with this like get

561
00:23:08,779 --> 00:23:06,570
me out of here

562
00:23:11,779 --> 00:23:08,789
you know well in and there could be a

563
00:23:15,619 --> 00:23:11,789

general indifference to suicide in that

564

00:23:17,419 --> 00:23:15,629

prison as far as you guys make a number

565

00:23:20,509 --> 00:23:17,429

of points a lot of evidence that the

566

00:23:22,669 --> 00:23:20,519

guards disliked him um probably because

567

00:23:23,810 --> 00:23:22,679

he's an alleged pedophile also he was

568

00:23:26,239 --> 00:23:23,820

trying to curry favor with other

569

00:23:29,259 --> 00:23:26,249

prisoners etcetera so somehow he got on

570

00:23:32,090 --> 00:23:29,269

the [h__\h] list of of the guards Wow and

571

00:23:33,950 --> 00:23:32,100

presumably they don't care if he kills

572

00:23:36,980 --> 00:23:33,960

himself or not they probably were

573

00:23:40,970 --> 00:23:36,990

celebrating his his suicide or alleged

574

00:23:43,070 --> 00:23:40,980

suicide just as frankly I did I I'm kind

575

00:23:44,810 --> 00:23:43,080

of a different view than some as far as

576
00:23:46,129 --> 00:23:44,820
being so upset that we're not gonna have

577
00:23:47,570 --> 00:23:46,139
her day in court and so on and you know

578
00:23:50,419 --> 00:23:47,580
Who am I to speak on that I mean it's

579
00:23:53,450 --> 00:23:50,429
the victims day in court but you know if

580
00:23:56,570 --> 00:23:53,460
I look back in the OJ case a attempted

581
00:23:58,489 --> 00:23:56,580
suicide or was suicidal at least I wish

582
00:23:59,930 --> 00:23:58,499
he had committed suicide instead of

583
00:24:01,730 --> 00:23:59,940
subjecting everybody to what we got to

584
00:24:03,499 --> 00:24:01,740
be subjected to and there was no

585
00:24:04,850 --> 00:24:03,509
guarantee we were gonna convict Epstein

586
00:24:07,820 --> 00:24:04,860
because he was gonna have the dream-team

587
00:24:09,529 --> 00:24:07,830
times 10 know the fact that he's dead in

588
00:24:11,570 --> 00:24:09,539

my opinion is a good thing I celebrate

589

00:24:12,950 --> 00:24:11,580

that so in and I think it's very

590

00:24:15,919 --> 00:24:12,960

possible the prison guards felt the same

591

00:24:17,720 --> 00:24:15,929

way yeah completely um you know I feel

592

00:24:20,419 --> 00:24:17,730

the same way too I don't think that

593

00:24:22,310 --> 00:24:20,429

there was any like guarantee that he was

594

00:24:24,090 --> 00:24:22,320

going to suddenly reveal all of his

595

00:24:27,120 --> 00:24:24,100

powerful co-conspirators

596

00:24:29,370 --> 00:24:27,130

the world like that's not him at all

597

00:24:32,220 --> 00:24:29,380

but yeah even if the carts weren't

598

00:24:34,169 --> 00:24:32,230

actively involved in like giving him a

599

00:24:35,760 --> 00:24:34,179

noose or like letting in a killer or

600

00:24:37,620 --> 00:24:35,770

something like that they didn't like him

601
00:24:39,180 --> 00:24:37,630
the rest of the prisoners didn't really

602
00:24:41,010 --> 00:24:39,190
like him they were sick of having his

603
00:24:42,720 --> 00:24:41,020
team come in there take up the

604
00:24:44,100 --> 00:24:42,730
conference room all day long like you

605
00:24:46,169 --> 00:24:44,110
know they just rolled their eyes at it

606
00:24:47,700 --> 00:24:46,179
like here's this billionaire padding

607
00:24:50,159 --> 00:24:47,710
around and his slippers and having his

608
00:24:51,480 --> 00:24:50,169
lawyers come in every day and like take

609
00:24:54,150 --> 00:24:51,490
up the room that other people want to

610
00:24:56,820 --> 00:24:54,160
use and you know there was definitely

611
00:24:58,409 --> 00:24:56,830
like I said more if they don't like the

612
00:25:00,510 --> 00:24:58,419
prisoners in general this was like a

613
00:25:02,970 --> 00:25:00,520

higher degree of it for so many reasons

614

00:25:05,279 --> 00:25:02,980

like you mentioned and then talking

615

00:25:07,680 --> 00:25:05,289

about the spiraling down I think you

616

00:25:10,320 --> 00:25:07,690

guys wrote that when he was in the

617

00:25:12,390 --> 00:25:10,330

suicide watch he was found like sleeping

618

00:25:15,120 --> 00:25:12,400

on the floor and this kind of exhibiting

619

00:25:17,159 --> 00:25:15,130

strange behavior yeah yeah and that's

620

00:25:19,350 --> 00:25:17,169

that kind of like started at the bail

621

00:25:22,320 --> 00:25:19,360

hearing like that was the first time

622

00:25:23,880 --> 00:25:22,330

anyone saw him kind of looking Dazed and

623

00:25:26,610 --> 00:25:23,890

Confused not in control of the situation

624

00:25:27,120 --> 00:25:26,620

and yeah that's if I got my dates

625

00:25:29,789 --> 00:25:27,130

correct

626

00:25:32,690 --> 00:25:29,799

so 29th he's taken off the suicide watch

627

00:25:35,399 --> 00:25:32,700

and then on the 31st there was a hearing

628

00:25:37,590 --> 00:25:35,409

where many people reported him looking

629

00:25:41,000 --> 00:25:37,600

totally out of it yeah that whole period

630

00:25:43,350 --> 00:25:41,010

he was just acting like definitely a

631

00:25:45,180 --> 00:25:43,360

different person and looking liked it

632

00:25:47,940 --> 00:25:45,190

too you know he's always been very like

633

00:25:50,039 --> 00:25:47,950

assured of himself and kind of he used

634

00:25:51,419 --> 00:25:50,049

to smirk in the face of justice you know

635

00:25:53,940 --> 00:25:51,429

when he had those depositions back in

636

00:25:57,029 --> 00:25:53,950

the early 2000s he was laughing the

637

00:25:58,320 --> 00:25:57,039

prosecutors but certainly in that time

638

00:26:01,919 --> 00:25:58,330

period that you're talking about the

639

00:26:03,720 --> 00:26:01,929

spiral he totally transformed at least

640

00:26:05,909 --> 00:26:03,730

externally so you can only imagine what

641

00:26:12,539 --> 00:26:05,919

was happening to him internally at that

642

00:26:15,570 --> 00:26:12,549

time so on the that's on the 31st that

643

00:26:20,760 --> 00:26:15,580

he looks totally out of it and then on

644

00:26:21,590 --> 00:26:20,770

the 8th he updates his will mm-hmm what

645

00:26:25,860 --> 00:26:21,600

do we know about that

646

00:26:27,630 --> 00:26:25,870

so what's he updates his will puts

647

00:26:29,190 --> 00:26:27,640

everything into a trust puts his brother

648

00:26:31,980 --> 00:26:29,200

as kind of the head of the trust this

649

00:26:33,780 --> 00:26:31,990

protects the money from any of the

650

00:26:36,390 --> 00:26:33,790

victims kind of doing civil cases

651
00:26:37,590 --> 00:26:36,400
against him but what's also super

652
00:26:40,100 --> 00:26:37,600
interesting is that the

653
00:26:42,840 --> 00:26:40,110
knees that are the trustees of this will

654
00:26:45,900 --> 00:26:42,850
they have a really long history with

655
00:26:48,270 --> 00:26:45,910
Epstein that goes back to the 90s when

656
00:26:50,549 --> 00:26:48,280
he was involved in the major Ponzi

657
00:26:52,140 --> 00:26:50,559
scheme with Towers Financial Group that

658
00:26:54,840 --> 00:26:52,150
was exposed his partner went to prison

659
00:26:56,820 --> 00:26:54,850
for 25 years and Epstein got off these

660
00:26:58,500 --> 00:26:56,830
two guys were the investigators of that

661
00:27:00,960 --> 00:26:58,510
investigation that let Epstein get off

662
00:27:02,850 --> 00:27:00,970
at that point so ever since them they've

663
00:27:04,020 --> 00:27:02,860

been really closely tied together and he

664

00:27:06,900 --> 00:27:04,030

actually ended up making them the

665

00:27:10,110 --> 00:27:06,910

executor of his well along with another

666

00:27:12,270 --> 00:27:10,120

guy who I forget his name up the top of

667

00:27:14,789 --> 00:27:12,280

my head at something really unusual he's

668

00:27:16,140 --> 00:27:14,799

connected to Microsoft and Bill Gates

669

00:27:18,620 --> 00:27:16,150

and worked with Bill Gates for really a

670

00:27:21,390 --> 00:27:18,630

long time he was added as a backup

671

00:27:23,850 --> 00:27:21,400

executor and this guy came out

672

00:27:26,220 --> 00:27:23,860

afterwards and was like I have no idea

673

00:27:27,570 --> 00:27:26,230

why he put me on this document

674

00:27:29,039 --> 00:27:27,580

I didn't even barely know the guy I

675

00:27:31,710 --> 00:27:29,049

don't want this take me off this

676

00:27:33,240 --> 00:27:31,720

document but that raises another

677

00:27:35,760 --> 00:27:33,250

question that we talked about in the

678

00:27:38,669 --> 00:27:35,770

book in terms of his connections with

679

00:27:41,940 --> 00:27:38,679

Bill Gates and who he actually wanted to

680

00:27:44,580 --> 00:27:41,950

get this money his brother now is kind

681

00:27:45,690 --> 00:27:44,590

of the head of it and you know it's it's

682

00:27:47,549 --> 00:27:45,700

so strange we haven't heard that much

683

00:27:50,159 --> 00:27:47,559

from his brother throughout the years

684

00:27:52,799 --> 00:27:50,169

despite all this he has money himself

685

00:27:55,799 --> 00:27:52,809

but he started to come out a little bit

686

00:27:58,110 --> 00:27:55,809

more now in terms of claiming that it

687

00:28:00,899 --> 00:27:58,120

was a murder thing and we don't even

688

00:28:03,210 --> 00:28:00,909

know like did he have a major insurance

689

00:28:04,919 --> 00:28:03,220

policy that would let his family get

690

00:28:07,320 --> 00:28:04,929

more money if it was murder versus

691

00:28:09,680 --> 00:28:07,330

suicide like that's another possibility

692

00:28:13,110 --> 00:28:09,690

that we're still trying to figure out

693

00:28:16,820 --> 00:28:13,120

but again like you're saying is it a

694

00:28:19,649 --> 00:28:16,830

coincidence that the day before he

695

00:28:22,250 --> 00:28:19,659

suicided he gets suicided or commits

696

00:28:25,529 --> 00:28:22,260

suicide that he changes well like that

697

00:28:27,659 --> 00:28:25,539

you know it certainly would be a huge

698

00:28:32,279 --> 00:28:27,669

coincidence that the timing worked out

699

00:28:36,299 --> 00:28:32,289

right so yeah the brother hires Michael

700

00:28:39,210 --> 00:28:36,309

Baden to stand in at the autopsy right

701

00:28:42,690 --> 00:28:39,220

right and Baden who we know from the OJ

702

00:28:48,090 --> 00:28:42,700

case so willing to do work for OJ and

703

00:28:50,490 --> 00:28:48,100

for Epstein and the original coroner's

704

00:28:51,160 --> 00:28:50,500

report said that it was suicide

705

00:28:53,790 --> 00:28:51,170

even

706

00:28:56,710 --> 00:28:53,800

though it acknowledged that some of the

707

00:28:59,320 --> 00:28:56,720

one or more of the bones that bones that

708

00:29:00,760 --> 00:28:59,330

broken his neck was not always

709

00:29:03,670 --> 00:29:00,770

consistent with suicide could be more

710

00:29:05,920 --> 00:29:03,680

consistent with homicide it seems like

711

00:29:10,150 --> 00:29:05,930

bond Baden really took that and ran with

712

00:29:13,300 --> 00:29:10,160

it and saw the same things and said that

713

00:29:15,880 --> 00:29:13,310

tells the suicide I mean a homicide on

714

00:29:17,980 --> 00:29:15,890

completing homicide yeah so autopsies

715

00:29:20,290 --> 00:29:17,990

and death reports it's really tricky

716

00:29:22,270 --> 00:29:20,300

because no matter how great the medical

717

00:29:23,650 --> 00:29:22,280

examiner is it's always an opinion like

718

00:29:26,590 --> 00:29:23,660

they're taking these pieces of evidence

719

00:29:29,110 --> 00:29:26,600

and basically saying what they think

720

00:29:31,330 --> 00:29:29,120

happened based on that so from person to

721

00:29:33,280 --> 00:29:31,340

person even in cases that are not as

722

00:29:36,940 --> 00:29:33,290

contentious as this you're gonna have

723

00:29:40,090 --> 00:29:36,950

differences of opinion and what was

724

00:29:43,030 --> 00:29:40,100

really like kind of added to the mystery

725

00:29:45,700 --> 00:29:43,040

surrounding that so was that the medical

726

00:29:47,860 --> 00:29:45,710

examiner's in New York do not release a

727

00:29:49,660 --> 00:29:47,870

copy of the autopsy to the family before

728

00:29:52,720 --> 00:29:49,670

they announce the results of it and

729

00:29:54,310 --> 00:29:52,730

that's actually really unusual um Bannen

730

00:29:55,480 --> 00:29:54,320

and other sources close to the family at

731

00:29:57,850 --> 00:29:55,490

the time told us that like they were

732

00:29:59,860 --> 00:29:57,860

having a really hard time getting the

733

00:30:03,010 --> 00:29:59,870

actual documents and the report from the

734

00:30:05,110 --> 00:30:03,020

autopsy and so that added a little bit

735

00:30:09,280 --> 00:30:05,120

to the suspicion I think like why in

736

00:30:11,440 --> 00:30:09,290

this one case did they not you know make

737

00:30:13,570 --> 00:30:11,450

the records public did were they trying

738

00:30:15,760 --> 00:30:13,580

to hide information from the family that

739

00:30:18,100 --> 00:30:15,770

kind of you know adds fuel to the fire

740

00:30:19,210 --> 00:30:18,110

in terms of the other argument but it

741

00:30:21,220 --> 00:30:19,220

could have also just found that they

742

00:30:23,080 --> 00:30:21,230

wanted to get the results out to the

743

00:30:25,360 --> 00:30:23,090

public in terms of the death reports

744

00:30:28,000 --> 00:30:25,370

since it was a case of like huge

745

00:30:31,360 --> 00:30:28,010

interest in what public what public

746

00:30:34,150 --> 00:30:31,370

statements has the brother made about

747

00:30:36,850 --> 00:30:34,160

the death and about him his belief that

748

00:30:38,680 --> 00:30:36,860

he was murdered as opposed to suicide he

749

00:30:41,470 --> 00:30:38,690

came out pretty recently and an

750

00:30:43,480 --> 00:30:41,480

interview I forget the outlet but he did

751
00:30:46,060 --> 00:30:43,490
a short interview and basically said he

752
00:30:47,470 --> 00:30:46,070
does not believe that his brother would

753
00:30:50,230 --> 00:30:47,480
have committed suicide that it was

754
00:30:52,570 --> 00:30:50,240
entirely out of character for him that

755
00:30:56,710 --> 00:30:52,580
they want more of an investigation into

756
00:30:58,690 --> 00:30:56,720
what actually happened you know I don't

757
00:31:00,340 --> 00:30:58,700
really know that that's true that they

758
00:31:03,550 --> 00:31:00,350
want a deeper investigation into his

759
00:31:04,840 --> 00:31:03,560
brother's life on the public scale you

760
00:31:09,010 --> 00:31:04,850
know you have to ask

761
00:31:10,690 --> 00:31:09,020
why he after decades of not commenting

762
00:31:14,140 --> 00:31:10,700
on his brother why suddenly now is he

763
00:31:16,120 --> 00:31:14,150

coming out and you know pushing the

764

00:31:17,860 --> 00:31:16,130

narrative that he was murdered again

765

00:31:20,140 --> 00:31:17,870

like I said maybe it's an insurance

766

00:31:23,980 --> 00:31:20,150

thing maybe there's like a deeper play

767

00:31:26,800 --> 00:31:23,990

happening here he wants to cover up the

768

00:31:29,620 --> 00:31:26,810

suicide or something like that but it's

769

00:31:31,870 --> 00:31:29,630

really weird to first hear from him in

770

00:31:35,530 --> 00:31:31,880

all of these cases now after the brother

771

00:31:38,500 --> 00:31:35,540

has done so if you're on the murder side

772

00:31:42,400 --> 00:31:38,510

of things you have to at least piece

773

00:31:45,460 --> 00:31:42,410

together a plausible Marit narrative as

774

00:31:47,500 --> 00:31:45,470

to how this occurred without leaving any

775

00:31:49,330 --> 00:31:47,510

trace of evidence behind essentially so

776

00:31:52,480 --> 00:31:49,340

walk us through what your potential

777

00:31:54,670 --> 00:31:52,490

theory would be as to how he was

778

00:31:57,220 --> 00:31:54,680

murdered on that day as opposed to it's

779

00:31:59,530 --> 00:31:57,230

a tall order maybe it's a little bit

780

00:32:02,710 --> 00:31:59,540

more murder agnostic I think there's

781

00:32:05,260 --> 00:32:02,720

still more information that we need but

782

00:32:06,790 --> 00:32:05,270

I do think that it would have been

783

00:32:09,160 --> 00:32:06,800

possible for somebody to enter the

784

00:32:11,260 --> 00:32:09,170

prison on that night given the fact that

785

00:32:13,060 --> 00:32:11,270

the guards were asleep the tapes are

786

00:32:15,070 --> 00:32:13,070

destroyed if there was any other kind of

787

00:32:16,570 --> 00:32:15,080

evidence in the prison I'm sure it would

788

00:32:22,150 --> 00:32:16,580

have been destroyed just like the tapes

789

00:32:25,780 --> 00:32:22,160

have been you know the way that he was

790

00:32:27,190 --> 00:32:25,790

found strangled whether that was by

791

00:32:30,010 --> 00:32:27,200

suicide or someone else like you

792

00:32:32,170 --> 00:32:30,020

mentioned a lot of the physical things

793

00:32:34,330 --> 00:32:32,180

that came on the autopsy can also point

794

00:32:36,910 --> 00:32:34,340

to more towards strangulation so he

795

00:32:38,920 --> 00:32:36,920

broke the hyoid bone in his neck he had

796

00:32:41,080 --> 00:32:38,930

a hemorrhage 'as both of those things

797

00:32:44,110 --> 00:32:41,090

like can be from a suicide but not

798

00:32:46,960 --> 00:32:44,120

usually suicides from such a low angle

799

00:32:49,510 --> 00:32:46,970

as he was so he supposedly hung himself

800

00:32:52,120 --> 00:32:49,520

off his bed by like leaning forward the

801
00:32:54,490 --> 00:32:52,130
impact and force of that kind of a

802
00:32:56,410 --> 00:32:54,500
hanging doesn't usually produce the

803
00:33:00,190 --> 00:32:56,420
serious results that they found in the

804
00:33:02,140 --> 00:33:00,200
autopsy well an attorney general bar has

805
00:33:04,600 --> 00:33:02,150
ordered an investigation into the whole

806
00:33:05,860 --> 00:33:04,610
whole thing right I don't know how you

807
00:33:07,480 --> 00:33:05,870
know part of it of course is we know

808
00:33:10,780 --> 00:33:07,490
that the guards are being charged with

809
00:33:12,160 --> 00:33:10,790
falsifying reports you guys also make a

810
00:33:14,380 --> 00:33:12,170
good point in the book about how one

811
00:33:16,180 --> 00:33:14,390
guard apparently had worked an 80 hour

812
00:33:18,130 --> 00:33:16,190
shift that week and the other one was

813
00:33:18,799 --> 00:33:18,140

picking up extra shifts so this idea

814

00:33:21,649 --> 00:33:18,809

that they fell

815

00:33:23,299 --> 00:33:21,659

sleep is kind of believable considering

816

00:33:25,330 --> 00:33:23,309

you know the hours they had been working

817

00:33:28,789 --> 00:33:25,340

in considering I would say you can't

818

00:33:30,110 --> 00:33:28,799

overestimate the incompetence of federal

819

00:33:31,970 --> 00:33:30,120

federal employees especially at a

820

00:33:34,879 --> 00:33:31,980

prisons and in the time that they were

821

00:33:37,820 --> 00:33:34,889

sleeping was essentially you know 3 a.m.

822

00:33:40,460 --> 00:33:37,830

to 6 a.m. so not the easiest time to

823

00:33:41,659 --> 00:33:40,470

stay awake especially you know you're

824

00:33:43,700 --> 00:33:41,669

supposed to watch an Epstein but if they

825

00:33:45,739 --> 00:33:43,710

don't really care about Epstein you know

826

00:33:49,940 --> 00:33:45,749

he's in a Cell and the end of killing

827

00:33:52,129 --> 00:33:49,950

himself you know yeah I mean it's true

828

00:33:53,419 --> 00:33:52,139

that we don't really know what happens

829

00:33:55,159 --> 00:33:53,429

every day in prisons maybe they're

830

00:33:58,489 --> 00:33:55,169

sleeping every night and we don't know

831

00:34:02,299 --> 00:33:58,499

that but I'm super skeptical about the

832

00:34:03,919 --> 00:34:02,309

bar investigation you know I wonder I

833

00:34:06,200 --> 00:34:03,929

questioned a lot why haven't these

834

00:34:08,030 --> 00:34:06,210

guards come forward at all you know

835

00:34:09,770 --> 00:34:08,040

these are like minimum wage employees

836

00:34:12,020 --> 00:34:09,780

and the type of people that in other

837

00:34:13,970 --> 00:34:12,030

cases usually run to outlets like the

838

00:34:15,950 --> 00:34:13,980

New York Post or the National Enquirer

839

00:34:18,950 --> 00:34:15,960

to talk about what actually happened

840

00:34:21,139 --> 00:34:18,960

it's really strange to me that somehow

841

00:34:24,470 --> 00:34:21,149

they've managed to kind of push these

842

00:34:26,000 --> 00:34:24,480

people below the radar and you know put

843

00:34:30,139 --> 00:34:26,010

a lid on the whole thing in terms of

844

00:34:31,760 --> 00:34:30,149

federal witnesses so that that's really

845

00:34:33,710 --> 00:34:31,770

weird that that's happening the

846

00:34:35,930 --> 00:34:33,720

destroyed evidence you know obviously

847

00:34:39,050 --> 00:34:35,940

this is more unlike the conspiracy side

848

00:34:41,329 --> 00:34:39,060

but bill Barr has long connections have

849

00:34:43,970 --> 00:34:41,339

seen his dad was a part of the team that

850

00:34:46,639 --> 00:34:43,980

hired Epstein at the doulton school way

851

00:34:48,440 --> 00:34:46,649

back in the 70s so you know that's

852

00:34:50,960 --> 00:34:48,450

something that conspiracist pick up on a

853

00:34:53,389 --> 00:34:50,970

lot but personally I think the whole

854

00:34:57,470 --> 00:34:53,399

like we're gonna do an investigation

855

00:34:59,210 --> 00:34:57,480

press conference was just all for show

856

00:35:01,250 --> 00:34:59,220

and I think they're hoping that it's

857

00:35:04,579 --> 00:35:01,260

just gonna die over which in some ways

858

00:35:06,050 --> 00:35:04,589

it is you know as this gets older and

859

00:35:07,550 --> 00:35:06,060

older there's fewer and fewer people

860

00:35:09,260 --> 00:35:07,560

that are pointing out on the front page

861

00:35:11,319 --> 00:35:09,270

just people like you and me that are

862

00:35:14,510 --> 00:35:11,329

still trying to figure out what happened

863

00:35:17,180 --> 00:35:14,520

yeah well we'll put a wager down on it

864

00:35:18,710 --> 00:35:17,190

your figure out what that is and see

865

00:35:27,760 --> 00:35:18,720

what we also include although I'm sure

866

00:35:31,650 --> 00:35:30,200

so the other meet you know the major

867

00:35:34,470 --> 00:35:31,660

thing you guys assert is

868

00:35:38,160 --> 00:35:34,480

that he in fact was running a blackmail

869

00:35:43,200 --> 00:35:38,170

scheme presumably for Mossad that he

870

00:35:48,270 --> 00:35:43,210

connected with Jelena is that you

871

00:35:49,920 --> 00:35:48,280

pronounce it going Gill aim that he make

872

00:35:52,770 --> 00:35:49,930

meets ghilane through her he meets her

873

00:35:56,609 --> 00:35:52,780

father Robert Maxwell who you know we've

874

00:35:59,010 --> 00:35:56,619

interviewed Dylan on the show who says

875

00:36:01,079 --> 00:35:59,020

that he absolutely was Mossad Bob and

876

00:36:03,809 --> 00:36:01,089

and that connects Epstein into that

877

00:36:05,579 --> 00:36:03,819

world right and that's all in the book

878

00:36:07,289 --> 00:36:05,589

and I highly recommend people check out

879

00:36:08,640 --> 00:36:07,299

the book what a question I had is if he

880

00:36:10,170 --> 00:36:08,650

was running a blackmail scheme and all

881

00:36:14,279 --> 00:36:10,180

the evidence that's been collected

882

00:36:16,559 --> 00:36:14,289

has there been evidence that he was

883

00:36:19,970 --> 00:36:16,569

running a blackmail scheme and for

884

00:36:24,170 --> 00:36:19,980

instance you know video of mm-hmm famous

885

00:36:27,270 --> 00:36:24,180

powerful men with girls certainly yeah

886

00:36:30,150 --> 00:36:27,280

we starting with like in terms of

887

00:36:32,880 --> 00:36:30,160

setting up the scene we personally seen

888

00:36:36,359 --> 00:36:32,890

evidence that he read all his homes for

889

00:36:37,890 --> 00:36:36,369

this so one in Palm Beach it's all in

890

00:36:39,359 --> 00:36:37,900

the police report from the first raid

891

00:36:42,089 --> 00:36:39,369

that he had cameras hidden throughout

892

00:36:44,069 --> 00:36:42,099

that property in like clocks or like in

893

00:36:46,170 --> 00:36:44,079

a desk facing out to the room like his

894

00:36:48,450 --> 00:36:46,180

whole home there was rigged with this

895

00:36:50,670 --> 00:36:48,460

hidden surveillance system and the

896

00:36:52,410 --> 00:36:50,680

central computer that housed all that

897

00:36:54,809 --> 00:36:52,420

was missing when they did the raid so

898

00:36:58,529 --> 00:36:54,819

then in New York most people haven't

899

00:36:59,670 --> 00:36:58,539

even seen inside of that property in

900

00:37:01,980 --> 00:36:59,680

terms of journalists I don't think

901
00:37:03,990 --> 00:37:01,990
anybody has unless they were you know

902
00:37:07,529 --> 00:37:04,000
like invited George Stephanopoulos

903
00:37:10,170 --> 00:37:07,539
invited to dinner but I've seen hundreds

904
00:37:12,690 --> 00:37:10,180
of photos from inside that house and he

905
00:37:16,349 --> 00:37:12,700
had a room there that was rigged with

906
00:37:18,029 --> 00:37:16,359
like eight monitors showing surveillance

907
00:37:20,640 --> 00:37:18,039
from all over the property and maybe

908
00:37:22,140 --> 00:37:20,650
that's not too strange for somebody

909
00:37:24,960 --> 00:37:22,150
that's really rich and has a big home

910
00:37:29,010 --> 00:37:24,970
but what was really strange is that he

911
00:37:31,710 --> 00:37:29,020
had a massive professional grade printer

912
00:37:33,930 --> 00:37:31,720
large format printer hooked up to the

913
00:37:35,640 --> 00:37:33,940

surveillance system and a couple of

914

00:37:38,370 --> 00:37:35,650

other smaller ones hooked up to that so

915

00:37:40,980 --> 00:37:38,380

I've never seen anybody that had like a

916

00:37:43,349 --> 00:37:40,990

typical surveillance camera with a

917

00:37:45,460 --> 00:37:43,359

little guard there having this whole

918

00:37:47,740 --> 00:37:45,470

other piece to like print out records of

919

00:37:49,839 --> 00:37:47,750

what they see on their and then we know

920

00:37:52,750 --> 00:37:49,849

that when that happy I raided that home

921

00:37:54,099 --> 00:37:52,760

they found thousands of photos some of

922

00:37:57,370 --> 00:37:54,109

which they said were sexually suggestive

923

00:37:58,839 --> 00:37:57,380

so I wanted to ask you specifically

924

00:38:00,370 --> 00:37:58,849

about what was found as far as photos

925

00:38:02,020 --> 00:38:00,380

because I read these reports and

926

00:38:04,180 --> 00:38:02,030

including your book that photos of

927

00:38:06,430 --> 00:38:04,190

underage girls were found for mr. photos

928

00:38:09,070 --> 00:38:06,440

etc but was anything found with it was

929

00:38:10,930 --> 00:38:09,080

the guy in the picture oh there's this

930

00:38:14,260 --> 00:38:10,940

guy we mentioned the book John mark

931

00:38:15,609 --> 00:38:14,270

Dugan who was a sheriff's deputy in Palm

932

00:38:19,210 --> 00:38:15,619

Beach when that investigation was going

933

00:38:21,180 --> 00:38:19,220

on and he says that he obtained the

934

00:38:24,250 --> 00:38:21,190

actual blackmail files that were

935

00:38:26,500 --> 00:38:24,260

recovered in that investigation that he

936

00:38:29,950 --> 00:38:26,510

took those and he's now living in Russia

937

00:38:31,570 --> 00:38:29,960

so he's yeah well for sure he's on my

938

00:38:33,130 --> 00:38:31,580

list of things I wanted to cover with

939

00:38:35,800 --> 00:38:33,140

you because I want to be really

940

00:38:38,250 --> 00:38:35,810

interesting side stories yeah I was not

941

00:38:40,570 --> 00:38:38,260

aware of that is it's pretty amazing so

942

00:38:42,280 --> 00:38:40,580

let's talk about that but but just

943

00:38:44,890 --> 00:38:42,290

finish though with what was found in New

944

00:38:46,990 --> 00:38:44,900

York of what was found in New York all

945

00:38:48,460 --> 00:38:47,000

these pictures thousands of pictures of

946

00:38:49,810 --> 00:38:48,470

whatever it was do we have any reason to

947

00:38:54,160 --> 00:38:49,820

believe that any of that and we heard

948

00:38:55,780 --> 00:38:54,170

any reports that didn't they have there

949

00:38:56,410 --> 00:38:55,790

have been reports there were men with

950

00:38:58,150 --> 00:38:56,420

the girls

951
00:39:01,060 --> 00:38:58,160
nobody's been named they haven't said

952
00:39:04,030 --> 00:39:01,070
Prince Andrew was in one of those sexual

953
00:39:06,430 --> 00:39:04,040
photos there are photos of these famous

954
00:39:08,410 --> 00:39:06,440
men without young girls all over

955
00:39:10,599 --> 00:39:08,420
Epstein's house and really intimate

956
00:39:12,910 --> 00:39:10,609
situations you know Andrew a Brock

957
00:39:14,230 --> 00:39:12,920
President Clinton I've seen personal

958
00:39:16,390 --> 00:39:14,240
photos of them all throughout that

959
00:39:19,660 --> 00:39:16,400
property and they haven't been

960
00:39:21,670 --> 00:39:19,670
identified in like the x-rated images

961
00:39:23,470 --> 00:39:21,680
yet but they certainly have said that

962
00:39:26,200 --> 00:39:23,480
there were men in the pictures and then

963
00:39:29,260 --> 00:39:26,210

as far as Dugan he showed some of the

964

00:39:32,410 --> 00:39:29,270

video that he claims to have to another

965

00:39:35,740 --> 00:39:32,420

journalists raunchy Pesek and he says

966

00:39:37,630 --> 00:39:35,750

that he saw an older man with a younger

967

00:39:38,920 --> 00:39:37,640

woman like in a bedroom in a sexual

968

00:39:41,140 --> 00:39:38,930

situation that he didn't necessarily

969

00:39:44,140 --> 00:39:41,150

recognize okay let's let's tell this

970

00:39:46,750 --> 00:39:44,150

guy's story it's John mark Dugan yes

971

00:39:49,060 --> 00:39:46,760

okay so in he what he was the Palm Beach

972

00:39:53,950 --> 00:39:49,070

County Sheriff yes he was a deputy

973

00:39:56,859 --> 00:39:53,960

sheriff a deputy sheriff okay so how is

974

00:39:57,710 --> 00:39:56,869

it that he winds up with these materials

975

00:40:00,920 --> 00:39:57,720

which

976

00:40:03,440 --> 00:40:00,930

saying our pictures and video that are

977

00:40:05,359 --> 00:40:03,450

potential blackmail materials right how

978

00:40:07,820 --> 00:40:05,369

is it that he winds up with them as an

979

00:40:09,980 --> 00:40:07,830

individual as opposed to them being the

980

00:40:13,099 --> 00:40:09,990

property of Palm Beach County Sheriff's

981

00:40:16,190 --> 00:40:13,109

Department right so first of all just in

982

00:40:17,599 --> 00:40:16,200

general there was a lot of weird stuff

983

00:40:19,790 --> 00:40:17,609

that happened with evidence in Palm

984

00:40:21,770 --> 00:40:19,800

Beach like we were fighting them for

985

00:40:23,900 --> 00:40:21,780

almost a decade to get anything out of

986

00:40:25,370 --> 00:40:23,910

them and they told us all these stories

987

00:40:28,250 --> 00:40:25,380

though the records were in a place that

988

00:40:30,230 --> 00:40:28,260

flooded oh we lost them some of them got

989

00:40:32,089 --> 00:40:30,240

destroyed and when we move blah blah

990

00:40:34,400 --> 00:40:32,099

blah like there's a lot going on there

991

00:40:36,530 --> 00:40:34,410

but these documents were obtained in the

992

00:40:38,060 --> 00:40:36,540

beginning from a detective named Joseph

993

00:40:40,910 --> 00:40:38,070

or Cary who was with the Palm Beach

994

00:40:42,950 --> 00:40:40,920

Police so they handled the whole

995

00:40:44,270 --> 00:40:42,960

investigation not the sheriff's where

996

00:40:46,280 --> 00:40:44,280

the sheriff's got involved was when

997

00:40:48,050 --> 00:40:46,290

Epstein went to prison they were charged

998

00:40:51,349 --> 00:40:48,060

with kind of his whole prison situation

999

00:40:52,310 --> 00:40:51,359

his work-release stay on top of that and

1000

00:40:54,320 --> 00:40:52,320

we're talking about the difference

1001
00:40:56,210 --> 00:40:54,330
between city and county you same Beach

1002
00:40:57,200 --> 00:40:56,220
Police Palm Beach City and then if the

1003
00:40:59,089 --> 00:40:57,210
Sheriff's Department that's where they

1004
00:41:01,910 --> 00:40:59,099
get so they basically like handed the

1005
00:41:04,280 --> 00:41:01,920
case on and he says that he was really

1006
00:41:06,800 --> 00:41:04,290
close with Kerry that Rick Airy as the

1007
00:41:08,000 --> 00:41:06,810
leader in the investigation when he was

1008
00:41:10,640 --> 00:41:08,010
kind of handing the case over to the

1009
00:41:12,200 --> 00:41:10,650
sheriff gave the documents or copies of

1010
00:41:13,250 --> 00:41:12,210
the documents to do again and said like

1011
00:41:15,230 --> 00:41:13,260
hey here's what you're dealing with

1012
00:41:17,810 --> 00:41:15,240
here's all the case info here's what you

1013
00:41:19,310 --> 00:41:17,820

need to know and that's how he obtained

1014

00:41:21,620 --> 00:41:19,320

the documents and came to know of them

1015

00:41:23,510 --> 00:41:21,630

okay so probably they're copies they're

1016

00:41:25,550 --> 00:41:23,520

not originals or they're electronic so

1017

00:41:29,990 --> 00:41:25,560

he doesn't have the only copy of this

1018

00:41:32,359 --> 00:41:30,000

that they also stay right okay but still

1019

00:41:34,970 --> 00:41:32,369

he's it's given to him at his capacity

1020

00:41:38,540 --> 00:41:34,980

as a deputy at the Sheriff's Department

1021

00:41:39,320 --> 00:41:38,550

be total normal protocol okay okay what

1022

00:41:40,849 --> 00:41:39,330

happens next

1023

00:41:43,609 --> 00:41:40,859

I've seen the police reports where they

1024

00:41:45,200 --> 00:41:43,619

list all the DVDs that they got and you

1025

00:41:49,339 --> 00:41:45,210

know there certainly was a lot of

1026

00:41:50,480 --> 00:41:49,349

digital and VHS in the 90s material all

1027

00:41:52,870 --> 00:41:50,490

right so what happens with John mark

1028

00:41:57,980 --> 00:41:52,880

Dugan next so so he gets these materials

1029

00:42:00,530 --> 00:41:57,990

Epstein is in a county jail right and

1030

00:42:02,420 --> 00:42:00,540

what happens next was Dugan so he's

1031

00:42:04,130 --> 00:42:02,430

nothing really happens when Epstein's in

1032

00:42:06,589 --> 00:42:04,140

the prison he kind of oversees it he

1033

00:42:08,060 --> 00:42:06,599

says that it was you know irregular that

1034

00:42:10,089 --> 00:42:08,070

I've seen got to leave and stuff but he

1035

00:42:11,269 --> 00:42:10,099

was still you know toeing the line right

1036

00:42:13,969 --> 00:42:11,279

but

1037

00:42:16,399 --> 00:42:13,979

over time Dugan starts to witness he

1038

00:42:18,289 --> 00:42:16,409

says corruption inside the Palm Beach

1039

00:42:19,939 --> 00:42:18,299

Sheriff's Department inside the Palm

1040

00:42:21,589 --> 00:42:19,949

Beach Police Department that there are

1041

00:42:23,479 --> 00:42:21,599

things that are happening you know

1042

00:42:26,630 --> 00:42:23,489

including the treatment of Epstein that

1043

00:42:28,939 --> 00:42:26,640

he doesn't necessarily agree with so he

1044

00:42:30,049 --> 00:42:28,949

starts to be more vocal about what he

1045

00:42:32,499 --> 00:42:30,059

claims he's seeing in the police

1046

00:42:36,109 --> 00:42:32,509

department he's posting blogs online

1047

00:42:37,489 --> 00:42:36,119

accusing the police officers and his

1048

00:42:39,620 --> 00:42:37,499

higher-ups and the Sheriff's Department

1049

00:42:43,219 --> 00:42:39,630

of doing crazy things going to the

1050

00:42:45,799 --> 00:42:43,229

Caribbean for sex orgies not system like

1051
00:42:47,120 --> 00:42:45,809
just basic you know corruption within

1052
00:42:49,399 --> 00:42:47,130
the department human resources

1053
00:42:53,870 --> 00:42:49,409
corruption all stuff pertaining to

1054
00:42:56,569 --> 00:42:53,880
Epstein or not necessarily starts

1055
00:42:59,719 --> 00:42:56,579
becoming like a vigilante and saying

1056
00:43:02,120 --> 00:42:59,729
like hey this whole department is you

1057
00:43:04,130 --> 00:43:02,130
know rotten to the core and it's not

1058
00:43:06,529 --> 00:43:04,140
just that scene that there's all this

1059
00:43:08,269 --> 00:43:06,539
other stuff going on so he becomes more

1060
00:43:10,969 --> 00:43:08,279
and more public about that obviously

1061
00:43:13,459 --> 00:43:10,979
they don't appreciate that and then

1062
00:43:16,399 --> 00:43:13,469
shortly after that period of him be more

1063
00:43:21,140 --> 00:43:16,409

active online his home was raided by the

1064

00:43:22,849 --> 00:43:21,150

authorities um they said it had to do I

1065

00:43:26,390 --> 00:43:22,859

think with like a sexual harassment

1066

00:43:28,669 --> 00:43:26,400

claim at the office I'm not positive I

1067

00:43:31,039 --> 00:43:28,679

forget that detail but his home was

1068

00:43:33,019 --> 00:43:31,049

raided he freaks out and he's like what

1069

00:43:36,319 --> 00:43:33,029

I'm a target now why am i a target he

1070

00:43:39,559 --> 00:43:36,329

flees to Russia gets political asylum in

1071

00:43:43,069 --> 00:43:39,569

Russia which but he felt he was a target

1072

00:43:45,559 --> 00:43:43,079

of whom of the government of the US

1073

00:43:48,499 --> 00:43:45,569

government okay not of the Israeli

1074

00:43:50,209 --> 00:43:48,509

government or Mossad okay no he thought

1075

00:43:53,390 --> 00:43:50,219

that like he's talking he's being out

1076
00:43:55,279 --> 00:43:53,400
too much he's becoming a target within

1077
00:43:57,949 --> 00:43:55,289
the United States and the FBI and the

1078
00:44:00,439 --> 00:43:57,959
CIA they're like what do you actually

1079
00:44:03,259 --> 00:44:00,449
know and it's getting too hot for him

1080
00:44:07,429 --> 00:44:03,269
essentially so he flees to Russia okay

1081
00:44:09,049 --> 00:44:07,439
so a guy from Palm Beach a guy from Palm

1082
00:44:11,709 --> 00:44:09,059
Beach who is in the sheriff's

1083
00:44:14,959 --> 00:44:11,719
departments in Palm Beach Florida

1084
00:44:18,739 --> 00:44:14,969
abandons his family shoo quote/unquote

1085
00:44:20,959 --> 00:44:18,749
flee to of all places Russia right and

1086
00:44:23,179 --> 00:44:20,969
then Gladys just was arm in arms they

1087
00:44:25,100 --> 00:44:23,189
say you know come on in you at political

1088
00:44:29,060 --> 00:44:25,110

asylum like no problem

1089

00:44:30,800 --> 00:44:29,070

very highly unusual for the average you

1090

00:44:32,750 --> 00:44:30,810

know American police officer but again

1091

00:44:34,460 --> 00:44:32,760

is if you feel he was getting heat in

1092

00:44:36,440 --> 00:44:34,470

Palm Beach as a result of him blowing

1093

00:44:38,090 --> 00:44:36,450

the whistle and all kinds of impropriety

1094

00:44:39,950 --> 00:44:38,100

is going on to that office not

1095

00:44:42,200 --> 00:44:39,960

necessarily Epstein related stuff

1096

00:44:44,560 --> 00:44:42,210

include including the Epstein stuff and

1097

00:44:47,330 --> 00:44:44,570

and the main thing that you know

1098

00:44:49,160 --> 00:44:47,340

frightens him or made him feel like he

1099

00:44:51,350 --> 00:44:49,170

had to flee was that when the house was

1100

00:44:53,720 --> 00:44:51,360

raided whether that was because of

1101
00:44:55,190 --> 00:44:53,730
Epstein or the other stuff they started

1102
00:44:57,800 --> 00:44:55,200
going through his files and they took

1103
00:44:59,840 --> 00:44:57,810
you know things that he had at his house

1104
00:45:02,810 --> 00:44:59,850
and he didn't want them to get that

1105
00:45:04,670 --> 00:45:02,820
seemed blackmail files so he had taken

1106
00:45:07,610 --> 00:45:04,680
the black the Epstein blackmail files to

1107
00:45:12,590 --> 00:45:07,620
his house yeah that doesn't seem

1108
00:45:14,420 --> 00:45:12,600
appropriate there but he felt like you

1109
00:45:16,250 --> 00:45:14,430
know it's too much corruption going on I

1110
00:45:19,100 --> 00:45:16,260
gotta protect these took them to his

1111
00:45:21,590 --> 00:45:19,110
house he says and then you know in

1112
00:45:24,590 --> 00:45:21,600
further efforts to protect the documents

1113
00:45:27,440 --> 00:45:24,600

led to Russia and he says it was worth

1114

00:45:29,810 --> 00:45:27,450

it to leave his family his kids and he

1115

00:45:31,570 --> 00:45:29,820

hasn't seen them for like at least sixty

1116

00:45:34,340 --> 00:45:31,580

years he says it was worth it because

1117

00:45:35,980 --> 00:45:34,350

he's protecting the truth essentially he

1118

00:45:38,450 --> 00:45:35,990

doesn't want this to get covered up and

1119

00:45:40,100 --> 00:45:38,460

he says that he's gonna be speaking out

1120

00:45:43,130 --> 00:45:40,110

more and more about this and potentially

1121

00:45:45,200 --> 00:45:43,140

showing the videos more and more over

1122

00:45:49,010 --> 00:45:45,210

time he certainly has in the last couple

1123

00:45:52,700 --> 00:45:49,020

months what else has he been doing for

1124

00:45:54,620 --> 00:45:52,710

the past six years he's very active on

1125

00:46:00,320 --> 00:45:54,630

his blog I don't actually know what his

1126
00:46:06,110 --> 00:46:00,330
business is in Russia but yeah he posts

1127
00:46:07,460 --> 00:46:06,120
a lot online like he he posts a lot of

1128
00:46:09,650 --> 00:46:07,470
videos where he's running around in

1129
00:46:13,850 --> 00:46:09,660
really nice cars and Range Rovers and

1130
00:46:15,650 --> 00:46:13,860
nice apartments so and what would how

1131
00:46:17,840 --> 00:46:15,660
high up in the Russian government do we

1132
00:46:19,670 --> 00:46:17,850
think it goes as far as providing this I

1133
00:46:21,140 --> 00:46:19,680
don't think you really would call it

1134
00:46:23,710 --> 00:46:21,150
Asylum because hasn't been charged with

1135
00:46:27,080 --> 00:46:23,720
anything right so he's really not

1136
00:46:29,120 --> 00:46:27,090
avoiding the law per se um it's kind of

1137
00:46:33,050 --> 00:46:29,130
hard to figure out what exactly he's

1138
00:46:35,450 --> 00:46:33,060

doing why he's in Russia but presumably

1139

00:46:37,130 --> 00:46:35,460

yeah you got a has an extended visa to

1140

00:46:38,720 --> 00:46:37,140

be able to stay there that long longer

1141

00:46:41,000 --> 00:46:38,730

the heck does required

1142

00:46:44,359 --> 00:46:41,010

so how high up do we think this goes in

1143

00:46:46,990 --> 00:46:44,369

the Russian government I mean I think it

1144

00:46:49,790 --> 00:46:47,000

goes up to Putin I mean the KGB

1145

00:46:51,980 --> 00:46:49,800

certainly what is involved in all of the

1146

00:46:54,770 --> 00:46:51,990

Epstein stuff and Putin as former head

1147

00:46:56,120 --> 00:46:54,780

of the KGB is always intricately

1148

00:46:59,060 --> 00:46:56,130

involved with everything that they're

1149

00:47:01,070 --> 00:46:59,070

doing you know I'm sure it's not like

1150

00:47:02,450 --> 00:47:01,080

he's number one priority or just the

1151

00:47:04,670 --> 00:47:02,460

main thing that he's focusing on right

1152

00:47:06,710 --> 00:47:04,680

now but I'm sure that he knows about it

1153

00:47:10,250 --> 00:47:06,720

and that he was involved in it and they

1154

00:47:13,670 --> 00:47:10,260

it is like if it is true that he has

1155

00:47:15,740 --> 00:47:13,680

these tapes Prince Andrew and other you

1156

00:47:18,020 --> 00:47:15,750

know really powerful people around the

1157

00:47:20,180 --> 00:47:18,030

world of course that's a huge asset for

1158

00:47:21,560 --> 00:47:20,190

Russia in their own you know activities

1159

00:47:25,040 --> 00:47:21,570

right now to have within their borders

1160

00:47:28,910 --> 00:47:25,050

so what does he what does he assert that

1161

00:47:31,430 --> 00:47:28,920

he has has he been specific as far as

1162

00:47:33,980 --> 00:47:31,440

what men are in the videos for instance

1163

00:47:37,250 --> 00:47:33,990

he hasn't named any of the men yet he

1164

00:47:38,720 --> 00:47:37,260

says that he has a like a hard drive or

1165

00:47:41,150 --> 00:47:38,730

something with all these videos and

1166

00:47:43,130 --> 00:47:41,160

photos on it and that there are

1167

00:47:45,830 --> 00:47:43,140

surveillance videos taking him from like

1168

00:47:47,540 --> 00:47:45,840

you know a corner overlooking a bed or

1169

00:47:49,660 --> 00:47:47,550

something like that or different

1170

00:47:52,640 --> 00:47:49,670

positions in different rooms that show

1171

00:47:56,920 --> 00:47:52,650

older men having sex and doing sexual

1172

00:47:59,870 --> 00:47:56,930

acts with younger women so he hasn't

1173

00:48:03,020 --> 00:47:59,880

specifically said Prince Andrew is on

1174

00:48:05,270 --> 00:48:03,030

this tape but he said that he believes

1175

00:48:08,150 --> 00:48:05,280

he's being targeted now by the mi6

1176
00:48:12,710 --> 00:48:08,160
because they think that Andrews on the

1177
00:48:14,359 --> 00:48:12,720
tapes okay I don't want to could talk

1178
00:48:15,740 --> 00:48:14,369
all day so I want to get to a couple

1179
00:48:17,420 --> 00:48:15,750
other things before I before I let you

1180
00:48:19,640 --> 00:48:17,430
go so we'll do what maybe kind a little

1181
00:48:22,130 --> 00:48:19,650
bit of lightning round but the other

1182
00:48:24,950 --> 00:48:22,140
fascinating thing that came out that I

1183
00:48:30,830 --> 00:48:24,960
wasn't aware of is this guy al sepal who

1184
00:48:34,099 --> 00:48:30,840
was the husband of Isabel Maxwell sister

1185
00:48:36,020 --> 00:48:34,109
to ghilane Maxwell in a science day just

1186
00:48:38,900 --> 00:48:36,030
tell us that story real quick in in a

1187
00:48:40,430 --> 00:48:38,910
minute or two and then I'll yeah so I

1188
00:48:42,410 --> 00:48:40,440

found a woman when we started the book

1189

00:48:45,020 --> 00:48:42,420

in the podcast who is close friends with

1190

00:48:46,940 --> 00:48:45,030

Isabel Maxwell and she said to me hey

1191

00:48:50,420 --> 00:48:46,950

like you need to look into the fact that

1192

00:48:52,490 --> 00:48:50,430

Isabel her husband al suckle and Epstein

1193

00:48:55,880 --> 00:48:52,500

hosted a big like scientist calm

1194

00:48:57,470 --> 00:48:55,890

on little st. James and this conference

1195

00:48:59,660 --> 00:48:57,480

was part of that scenes efforts after

1196

00:49:01,460 --> 00:48:59,670

prison to seem like more respectable

1197

00:49:03,650 --> 00:49:01,470

member of society

1198

00:49:04,370 --> 00:49:03,660

so suckles involved with this close with

1199

00:49:07,160 --> 00:49:04,380

that scene

1200

00:49:09,140 --> 00:49:07,170

Seckel announces that he's trying to

1201
00:49:12,470 --> 00:49:09,150
sell some of Robert Maxwell's papers

1202
00:49:14,930 --> 00:49:12,480
cycle turns up dead he vanishes out of

1203
00:49:17,000 --> 00:49:14,940
nowhere and then his body's found like

1204
00:49:19,040 --> 00:49:17,010
at the end bottom of a ravine his cars

1205
00:49:19,880 --> 00:49:19,050
like totally separated somewhere in

1206
00:49:22,070 --> 00:49:19,890
Europe right

1207
00:49:25,580 --> 00:49:22,080
yeah and in France they said he was

1208
00:49:28,250 --> 00:49:25,590
going cave hunt like exploring caves in

1209
00:49:31,220 --> 00:49:28,260
France and he vanished and he also has a

1210
00:49:33,530 --> 00:49:31,230
major car crash before that after the

1211
00:49:35,810 --> 00:49:33,540
collapse and what's absurd to me it's

1212
00:49:37,940 --> 00:49:35,820
like nobody ever talks about this like

1213
00:49:39,740 --> 00:49:37,950

what you said you know Isabel Maxwell's

1214

00:49:42,020 --> 00:49:39,750

husband died and really strange

1215

00:49:44,540 --> 00:49:42,030

circumstances I was like that's really

1216

00:49:46,790 --> 00:49:44,550

interesting well her father as people

1217

00:49:48,230 --> 00:49:46,800

know what died in very strange

1218

00:49:49,820 --> 00:49:48,240

circumstances wherever still don't know

1219

00:49:53,030 --> 00:49:49,830

whether it was accident suicide or

1220

00:49:55,849 --> 00:49:53,040

murder well off of his yacht and then

1221

00:49:58,730 --> 00:49:55,859

here his son-in-law as just as

1222

00:50:00,530 --> 00:49:58,740

mysterious disappearance and ultimately

1223

00:50:02,540 --> 00:50:00,540

death because the bodies found like five

1224

00:50:04,040 --> 00:50:02,550

days later or something yeah yeah I mean

1225

00:50:06,079 --> 00:50:04,050

it was a really long time before they

1226
00:50:08,240 --> 00:50:06,089
even found the body and Isabel claimed

1227
00:50:10,520 --> 00:50:08,250
that she had no idea that like he was

1228
00:50:11,930 --> 00:50:10,530
even going hiking and they had no clue

1229
00:50:13,910 --> 00:50:11,940
where he was until the French

1230
00:50:17,329 --> 00:50:13,920
authorities found him like a week later

1231
00:50:18,920 --> 00:50:17,339
but it's a weird coincidence that all of

1232
00:50:21,380 --> 00:50:18,930
like the men connected to you these

1233
00:50:23,060 --> 00:50:21,390
Maxwell women are just kind of dropping

1234
00:50:24,890 --> 00:50:23,070
off like and what evidence

1235
00:50:28,339 --> 00:50:24,900
what's our evidence that he was trying

1236
00:50:30,740 --> 00:50:28,349
to sell robert maxwell documents there

1237
00:50:33,260 --> 00:50:30,750
was an interview with suckled that

1238
00:50:35,240 --> 00:50:33,270

actually came out like the week after he

1239

00:50:37,520 --> 00:50:35,250

died so it had been completed a couple

1240

00:50:40,430 --> 00:50:37,530

months before he died and in that

1241

00:50:42,290 --> 00:50:40,440

interview he told the magazine doing the

1242

00:50:43,760 --> 00:50:42,300

interview that he had this you know

1243

00:50:45,440 --> 00:50:43,770

cache of documents that were Robert

1244

00:50:49,099 --> 00:50:45,450

Maxwell's and he was looking to sell

1245

00:50:50,930 --> 00:50:49,109

them so that was like a huge red flag to

1246

00:50:55,130 --> 00:50:50,940

me when I read that because if Maxwell

1247

00:50:57,560 --> 00:50:55,140

was ostensibly working for Mossad they

1248

00:50:58,849 --> 00:50:57,570

would not want this random guy to be

1249

00:51:01,099 --> 00:50:58,859

going through all of his correspondence

1250

00:51:03,079 --> 00:51:01,109

and selling it to the highest bidder so

1251
00:51:06,230 --> 00:51:03,089
you know could that be connected

1252
00:51:08,090 --> 00:51:06,240
possibly so one of the things that's

1253
00:51:11,180 --> 00:51:08,100
the kind of stunning when I read the

1254
00:51:13,730 --> 00:51:11,190
book is I didn't realize how many people

1255
00:51:18,140 --> 00:51:13,740
still received Epstein after he had

1256
00:51:20,630 --> 00:51:18,150
served a prison term for essentially

1257
00:51:22,790 --> 00:51:20,640
statutory rape and dealing with underage

1258
00:51:24,050 --> 00:51:22,800
girls and anybody who did any scratching

1259
00:51:25,609 --> 00:51:24,060
of the surface would know that there was

1260
00:51:29,210 --> 00:51:25,619
far more to it than what he actually

1261
00:51:32,540 --> 00:51:29,220
served but people as prominent as Bill

1262
00:51:34,310 --> 00:51:32,550
Gates we're having numerous interactions

1263
00:51:37,460 --> 00:51:34,320

with them according to your book gates

1264

00:51:39,410 --> 00:51:37,470

met with him five or six times after he

1265

00:51:41,600 --> 00:51:39,420

got out of prison over the years yeah

1266

00:51:43,550 --> 00:51:41,610

and he bragged about it he emailed his

1267

00:51:44,750 --> 00:51:43,560

you know coworkers afterwards saying

1268

00:51:48,580 --> 00:51:44,760

like what a great night it was at

1269

00:51:51,740 --> 00:51:48,590

Geoffrey absence it's the most shocking

1270

00:51:53,750 --> 00:51:51,750

example of it is Epstein actually hosted

1271

00:51:55,670 --> 00:51:53,760

a kind of like hey guys I'm out of

1272

00:51:57,050 --> 00:51:55,680

prison party in New York his first

1273

00:52:00,820 --> 00:51:57,060

returned to the New York social scene

1274

00:52:03,590 --> 00:52:00,830

and the guest list for that was just a

1275

00:52:05,810 --> 00:52:03,600

bunch of a listers that you never expect

1276
00:52:07,820 --> 00:52:05,820
to so here with him Katie Couric George

1277
00:52:10,730 --> 00:52:07,830
Stephanopoulos Harvey Weinstein

1278
00:52:13,670 --> 00:52:10,740
Chelsea Handler was even there and these

1279
00:52:15,349 --> 00:52:13,680
people Harvey Weinstein part not such

1280
00:52:17,840 --> 00:52:15,359
that so much of a surprise but but yes

1281
00:52:20,000 --> 00:52:17,850
the other ones Charlie Charlie Rose I

1282
00:52:22,790 --> 00:52:20,010
I'm going from the list from from your

1283
00:52:25,160 --> 00:52:22,800
book Woody Allen but there was a

1284
00:52:26,599 --> 00:52:25,170
question but but there's a there's a

1285
00:52:29,109 --> 00:52:26,609
question you guys raised in the book and

1286
00:52:33,140 --> 00:52:29,119
that was whether or not these guests

1287
00:52:34,849 --> 00:52:33,150
understood that this was a party

1288
00:52:36,740 --> 00:52:34,859

celebrating him getting out here because

1289

00:52:38,480 --> 00:52:36,750

I think you guys say that his home this

1290

00:52:40,430 --> 00:52:38,490

unbelievable most expensive mansion in

1291

00:52:41,660 --> 00:52:40,440

New York while he was in prison was

1292

00:52:44,930 --> 00:52:41,670

actually rented out for some parties

1293

00:52:46,580 --> 00:52:44,940

yeah so they people like Katie Couric

1294

00:52:48,800 --> 00:52:46,590

and Chelsea Handler said that they came

1295

00:52:50,840 --> 00:52:48,810

because they didn't even really know who

1296

00:52:52,580 --> 00:52:50,850

he was it was just more like hey this is

1297

00:52:54,500 --> 00:52:52,590

gonna be an elaborate party with the

1298

00:52:56,150 --> 00:52:54,510

elite of New York it's really exclusive

1299

00:52:58,400 --> 00:52:56,160

come check it out it'll be like a weird

1300

00:53:02,390 --> 00:52:58,410

fun little weird bucket list kind of

1301
00:53:05,420 --> 00:53:02,400
thing but you know it just begs like it

1302
00:53:07,490 --> 00:53:05,430
begs further discussion that in 2010

1303
00:53:09,380 --> 00:53:07,500
like maybe it wasn't the full on Twitter

1304
00:53:12,890 --> 00:53:09,390
culture as it is now but there was the

1305
00:53:14,780 --> 00:53:12,900
internet and like you I don't know

1306
00:53:16,609 --> 00:53:14,790
people had to have known about this he

1307
00:53:17,750 --> 00:53:16,619
it wasn't like he was just operating in

1308
00:53:20,150 --> 00:53:17,760
Palm Beach he was friends with the

1309
00:53:23,630 --> 00:53:20,160
Clintons and like how did George

1310
00:53:25,190 --> 00:53:23,640
not know who he was right what about

1311
00:53:27,289 --> 00:53:25,200
Woody Allen is there any other

1312
00:53:29,779 --> 00:53:27,299
connections other than this party

1313
00:53:31,370 --> 00:53:29,789

between Woody Allen in him no record of

1314

00:53:33,289 --> 00:53:31,380

any connections besides the fact that

1315

00:53:34,160 --> 00:53:33,299

they were kind of neighbors they live

1316

00:53:36,770 --> 00:53:34,170

really close together

1317

00:53:40,430 --> 00:53:36,780

on the same street which also in close

1318

00:53:48,010 --> 00:53:40,440

proximity was home to Bill Cosby so not

1319

00:53:50,930 --> 00:53:48,020

the best place to be a young girl right

1320

00:53:52,370 --> 00:53:50,940

what about just ticking through a couple

1321

00:53:54,589 --> 00:53:52,380

of the other names that are associated

1322

00:53:55,760 --> 00:53:54,599

with him that would seem to be sweating

1323

00:53:57,319 --> 00:53:55,770

a little bit

1324

00:53:59,569 --> 00:53:57,329

or maybe sweating less now that he's

1325

00:54:01,549 --> 00:53:59,579

dead but Bill Clinton seems to be kind

1326

00:54:03,349 --> 00:54:01,559

of at the top of that list right as you

1327

00:54:06,410 --> 00:54:03,359

sit here today based on everything that

1328

00:54:08,450 --> 00:54:06,420

you've reviewed etc is it's what what's

1329

00:54:11,000 --> 00:54:08,460

your best guess as to whether or not

1330

00:54:12,680 --> 00:54:11,010

Clinton himself indulged in underage

1331

00:54:16,880 --> 00:54:12,690

women via Epstein

1332

00:54:18,650 --> 00:54:16,890

I mean I'm positive he indulged even if

1333

00:54:20,150 --> 00:54:18,660

that was just like looking at them and

1334

00:54:22,670 --> 00:54:20,160

enjoying them parading around in their

1335

00:54:25,730 --> 00:54:22,680

tight little clothes you know um I'm a

1336

00:54:28,760 --> 00:54:25,740

huge Democrat and liberal I met Clinton

1337

00:54:32,089 --> 00:54:28,770

but but you know everything about him

1338

00:54:33,440 --> 00:54:32,099

like that would be that's totally par

1339

00:54:35,450 --> 00:54:33,450

for the course for him to be hanging out

1340

00:54:38,269 --> 00:54:35,460

with young hot women all the time and

1341

00:54:39,950 --> 00:54:38,279

the fact that he deliberately took a lot

1342

00:54:43,190 --> 00:54:39,960

of these slights without his Secret

1343

00:54:45,170 --> 00:54:43,200

Service agents which is not common you

1344

00:54:47,089 --> 00:54:45,180

know makes it clear that this was more

1345

00:54:48,680 --> 00:54:47,099

of like a personal relationship for him

1346

00:54:51,529 --> 00:54:48,690

and that he was doing things I mean I

1347

00:54:54,500 --> 00:54:51,539

didn't necessarily want them to see do I

1348

00:54:57,049 --> 00:54:54,510

think that he was involved in an orgy in

1349

00:55:00,620 --> 00:54:57,059

the Caribbean like some of the victims

1350

00:55:03,260 --> 00:55:00,630

have claimed not necessarily but like

1351

00:55:06,950 --> 00:55:03,270

for sure he was on the plane with women

1352

00:55:09,829 --> 00:55:06,960

for sure he got some kind of a like a

1353

00:55:11,569 --> 00:55:09,839

rise out of the situation whether it was

1354

00:55:13,670 --> 00:55:11,579

just the novelty of being in the jet

1355

00:55:15,019 --> 00:55:13,680

with these women you know there there

1356

00:55:16,849 --> 00:55:15,029

was definitely it wasn't all business

1357

00:55:19,069 --> 00:55:16,859

for sure well and by the way I think

1358

00:55:21,470 --> 00:55:19,079

it's important to remind people that not

1359

00:55:23,839 --> 00:55:21,480

all the women were underage then in fact

1360

00:55:25,819 --> 00:55:23,849

it seems like it was a minority of the

1361

00:55:30,529 --> 00:55:25,829

girls entered albeit they're young

1362

00:55:31,819 --> 00:55:30,539

they're 18 19 20 but it seems like the

1363

00:55:33,030 --> 00:55:31,829

majority of them were actually of age

1364

00:55:34,740 --> 00:55:33,040

yeah so

1365

00:55:36,240 --> 00:55:34,750

that's one thing that his brother has

1366

00:55:40,800 --> 00:55:36,250

been talking about a lot more recently

1367

00:55:42,510 --> 00:55:40,810

is that after he went to prison most of

1368

00:55:43,620 --> 00:55:42,520

the women I think pretty much all the

1369

00:55:45,780 --> 00:55:43,630

women that we know about that were

1370

00:55:47,610 --> 00:55:45,790

around him were of age that like he said

1371

00:55:49,560 --> 00:55:47,620

they were really young and it was only

1372

00:55:52,710 --> 00:55:49,570

before the prison stint that he had

1373

00:55:53,850 --> 00:55:52,720

these 16 15 14 year-olds so what we

1374

00:55:55,950 --> 00:55:53,860

heard from a lot of people that were

1375

00:55:58,500 --> 00:55:55,960

around him in the Palm Beaches and later

1376

00:56:00,570 --> 00:55:58,510

was that like they just didn't know who

1377

00:56:01,860 --> 00:56:00,580

how old the girls were like they assumed

1378

00:56:04,020 --> 00:56:01,870

that they were in their 20s because they

1379

00:56:05,640 --> 00:56:04,030

looked they looked older and that can

1380

00:56:09,690 --> 00:56:05,650

certainly happen with younger women but

1381

00:56:11,550 --> 00:56:09,700

like nobody was asking for IDs mm-hmm

1382

00:56:13,050 --> 00:56:11,560

last one I want to ask you about is Alan

1383

00:56:18,900 --> 00:56:13,060

Dershowitz you guys interviewed him for

1384

00:56:21,480 --> 00:56:18,910

the book right yes yes were you the

1385

00:56:24,660 --> 00:56:21,490

person interviewing him hurt no it was a

1386

00:56:25,620 --> 00:56:24,670

reporter Jen hey ger good a really long

1387

00:56:27,150 --> 00:56:25,630

time she's great

1388

00:56:29,670 --> 00:56:27,160

okay so you've never directly

1389

00:56:32,730 --> 00:56:29,680

interviewed Dershowitz about this no I

1390

00:56:34,620 --> 00:56:32,740

personally have not spoken with him he

1391

00:56:38,460 --> 00:56:34,630

comes out whenever you see him you know

1392

00:56:41,820 --> 00:56:38,470

he's been very out front on this and you

1393

00:56:43,950 --> 00:56:41,830

know very defensive of his involvement

1394

00:56:46,800 --> 00:56:43,960

and you know he articulates a very very

1395

00:56:48,660 --> 00:56:46,810

strong case in his favor because he's a

1396

00:56:50,970 --> 00:56:48,670

great lawyer to say that hey I

1397

00:56:55,080 --> 00:56:50,980

absolutely did not build but one of the

1398

00:56:57,720 --> 00:56:55,090

women in particular formerly a girl like

1399

00:57:00,120 --> 00:56:57,730

is that he did participate right right

1400

00:57:04,530 --> 00:57:00,130

so Virginia Roberts jew-free said in her

1401

00:57:07,020 --> 00:57:04,540

civil case back in 2014 that he did rape

1402

00:57:09,240 --> 00:57:07,030

her as part of her quote about work with

1403

00:57:11,840 --> 00:57:09,250

Jeffrey Epstein so we've been in

1404

00:57:15,180 --> 00:57:11,850

communication with him about this since

1405

00:57:22,700 --> 00:57:15,190

2014-2015 and he's been very adamant

1406

00:57:26,880 --> 00:57:22,710

like you said that it's all lies so I

1407

00:57:30,300 --> 00:57:26,890

take him at his word well I mean it's

1408

00:57:32,310 --> 00:57:30,310

it's his word against hers yeah so what

1409

00:57:33,780 --> 00:57:32,320

did the two of them is lying so you know

1410

00:57:35,940 --> 00:57:33,790

then you looked at motivation and you're

1411

00:57:38,580 --> 00:57:35,950

like well obviously he's got reason to

1412

00:57:40,610 --> 00:57:38,590

lie so then you go to hers and what

1413

00:57:42,680 --> 00:57:40,620

would be her reason you

1414

00:57:44,090 --> 00:57:42,690

make that up and if he is making that up

1415

00:57:46,790 --> 00:57:44,100

then it calls into question everybody

1416

00:57:48,620 --> 00:57:46,800

else but everything else the Chiefs top

1417

00:57:51,650 --> 00:57:48,630

spot because especially where we are now

1418

00:57:54,320 --> 00:57:51,660

culturally like believe victims right

1419

00:57:56,930 --> 00:57:54,330

like you they say it it's true but he

1420

00:57:59,270 --> 00:57:56,940

says that he has you know tons of

1421

00:58:00,920 --> 00:57:59,280

documentation about this that he wants

1422

00:58:04,490 --> 00:58:00,930

like the cases to move forward so he's

1423

00:58:07,730 --> 00:58:04,500

the opportunity to defend himself he

1424

00:58:09,950 --> 00:58:07,740

says even in his kind of more friendship

1425

00:58:15,590 --> 00:58:09,960

years with Epstein that he never saw

1426

00:58:18,140 --> 00:58:15,600

anything untoward I think he might admit

1427

00:58:19,790 --> 00:58:18,150

I I read his I read his deposition

1428

00:58:22,190 --> 00:58:19,800

testimony where he's asked about this

1429

00:58:25,820 --> 00:58:22,200

and I know that one of his points is

1430

00:58:28,250 --> 00:58:25,830

that she did not want to name him in a

1431

00:58:30,080 --> 00:58:28,260

lawsuit and the attorney was kind of

1432

00:58:31,820 --> 00:58:30,090

making the point that okay that doesn't

1433

00:58:33,410 --> 00:58:31,830

mean that she's saying it didn't happen

1434

00:58:37,310 --> 00:58:33,420

there could be a variety losing's why

1435

00:58:39,380 --> 00:58:37,320

she chose I think he might acknowledge

1436

00:58:43,310 --> 00:58:39,390

if I'm remembering correctly that he at

1437

00:58:46,400 --> 00:58:43,320

least knew her or had met her I don't

1438

00:58:48,770 --> 00:58:46,410

know I don't know he did say that he

1439

00:58:54,170 --> 00:58:48,780

oughta massage in Palm Beach but he said

1440

00:59:02,870 --> 00:58:54,180

it was an old lady named Olga everyone

1441

00:59:04,430 --> 00:59:02,880

else was busy that day I haven't we had

1442

00:59:06,350 --> 00:59:04,440

certainly haven't found anything beyond

1443

00:59:09,680 --> 00:59:06,360

the witness witness testimony that would

1444

00:59:11,860 --> 00:59:09,690

implicate him at all and I'm sure like

1445
