1
00:00:04,280 --> 00:00:02,240
I know you have books to sell but please

2
00:00:08,900 --> 00:00:04,290
don't tell me you think that he was

3
00:00:10,669 --> 00:00:08,910
killed in prison I believe that the

4
00:00:13,009 --> 00:00:10,679
circumstances surrounding his death

5
00:00:14,839 --> 00:00:13,019
raise a lot of questions first and

6
00:00:17,390 --> 00:00:14,849
foremost someone that tries to commit

7
00:00:20,269 --> 00:00:17,400
suicide is not released back into

8
00:00:24,580 --> 00:00:20,279
regular prison population some two weeks

9
00:00:27,349 --> 00:00:24,590
thereafter typically put in confinement

10
00:00:28,670 --> 00:00:27,359
instead Jeffrey Epstein was allowed to

11
00:00:33,729 --> 00:00:28,680
return to his cell

12
00:00:36,590 --> 00:00:33,739
no cellmates who seemingly watch him and

13
00:00:39,200 --> 00:00:36,600

he's given an appliance with an

14

00:00:41,990 --> 00:00:39,210

electrical cord and he's given bedsheets

15

00:00:44,299 --> 00:00:42,000

under no protocols or procedures at any

16

00:00:47,840 --> 00:00:44,309

jail in America would that be considered

17

00:00:49,670 --> 00:00:47,850

the right form of action to do for

18

00:00:51,799 --> 00:00:49,680

someone who attempted to commit suicide

19

00:00:54,170 --> 00:00:51,809

so I believe the Jeffrey Epstein did

20

00:00:56,810 --> 00:00:54,180

commit suicide but I believe that there

21

00:00:58,490 --> 00:00:56,820

was a conspiracy behind it and I believe

22

00:01:01,090 --> 00:00:58,500

he was given the means motive and

23

00:01:03,349 --> 00:01:01,100

opportunity to take his own life

24

00:01:04,910 --> 00:01:03,359

well yeah you guys do a great job of

25

00:01:08,120 --> 00:01:04,920

providing information that I had not

26

00:01:11,960 --> 00:01:08,130

seen before that really details his time

27

00:01:14,420 --> 00:01:11,970

in jail his access incredible access to

28

00:01:16,820 --> 00:01:14,430

lawyers and in particular what I thought

29

00:01:19,640 --> 00:01:16,830

was interesting was you guys say that

30

00:01:21,980 --> 00:01:19,650

when he was on suicide watch that was a

31

00:01:24,920 --> 00:01:21,990

horrendous experience for him that it is

32

00:01:27,530 --> 00:01:24,930

not fun to be on suicide watch you're in

33

00:01:31,460 --> 00:01:27,540

a miserable cell with a sheet as a

34

00:01:34,069 --> 00:01:31,470

blanket and that he probably used his

35

00:01:37,039 --> 00:01:34,079

lawyers to help him get off of suicide

36

00:01:40,370 --> 00:01:37,049

watch well absolutely and and part of

37

00:01:42,050 --> 00:01:40,380

the notion of constantly calling his

38

00:01:44,359 --> 00:01:42,060

lawyers while at the Metropolitan

39

00:01:46,130 --> 00:01:44,369

Correctional Facility here in Manhattan

40

00:01:48,350 --> 00:01:46,140

was so that he wouldn't be in

41

00:01:50,510 --> 00:01:48,360

confinement that he would spend all day

42

00:01:52,999 --> 00:01:50,520

talking to his lawyers I don't think

43

00:01:55,280 --> 00:01:53,009

though that being on suicide watch for

44

00:01:58,149 --> 00:01:55,290

someone of his ilk is necessarily

45

00:02:02,660 --> 00:01:58,159

horrendous perhaps it's poetic justice

46

00:02:04,520 --> 00:02:02,670

so so you don't subscribe you believe

47

00:02:06,770 --> 00:02:04,530

that he did in fact kill himself because

48

00:02:09,559 --> 00:02:06,780

I mean we certainly have no evidence of

49

00:02:12,470 --> 00:02:09,569

anything else granted some cameras were

50

00:02:13,790 --> 00:02:12,480

not working some guards were asleep but

51

00:02:16,730 --> 00:02:13,800

still we have

52

00:02:19,850 --> 00:02:16,740

zero evidence of anyone entering his

53

00:02:22,850 --> 00:02:19,860

cell any evidence left behind by anyone

54

00:02:24,530 --> 00:02:22,860

so you are subscribing at this point

55

00:02:26,000 --> 00:02:24,540

that he did in fact kill himself

56

00:02:27,260 --> 00:02:26,010

you're just questioning the

57

00:02:29,540 --> 00:02:27,270

circumstances under which that was

58

00:02:31,580 --> 00:02:29,550

permitted to to happen that's a hundred

59

00:02:36,350 --> 00:02:31,590

percent correct and obviously this was

60

00:02:39,200 --> 00:02:36,360

an individual whom knew too much who had

61

00:02:41,690 --> 00:02:39,210

the key revelation of Epstein dead men

62

00:02:46,070 --> 00:02:41,700

tell no tales is that Jeffrey Epstein

63

00:02:50,360 --> 00:02:46,080

not only was a heinous sex trafficker he

64

00:02:53,030 --> 00:02:50,370

was someone whom ran an international

65

00:02:56,350 --> 00:02:53,040

sex trafficking ring also all while

66

00:02:59,240 --> 00:02:56,360

being a member of Israelis Mossad an

67

00:03:00,680 --> 00:02:59,250

international spy and as conspiratorial

68

00:03:04,280 --> 00:03:00,690

as that sounds

69

00:03:05,030 --> 00:03:04,290

consider these facts his closest

70

00:03:08,330 --> 00:03:05,040

confidante

71

00:03:12,380 --> 00:03:08,340

he's procure procurer and alleged pim

72

00:03:14,780 --> 00:03:12,390

Ghislaine Maxwell is the daughter of

73

00:03:17,600 --> 00:03:14,790

former British press tycoon Robert

74

00:03:21,500 --> 00:03:17,610

Maxwell who owned the mirror news group

75

00:03:25,310 --> 00:03:21,510

but also was a known Mossad agent until

76

00:03:28,160 --> 00:03:25,320

he was assassinated in 1991 and in our

77

00:03:31,370 --> 00:03:28,170

book we speak to Ari Ben Missoni who is

78

00:03:33,890 --> 00:03:31,380

a former Israeli spy handler for the

79

00:03:36,470 --> 00:03:33,900

Mossad and he says that the business of

80

00:03:40,370 --> 00:03:36,480

spying was turned over to Epstein and

81

00:03:43,970 --> 00:03:40,380

Ghislaine in the late 1980s so for 30

82

00:03:46,340 --> 00:03:43,980

years or so Jeffrey Epstein roamed on

83

00:03:48,530 --> 00:03:46,350

United States soil collecting

84

00:03:51,170 --> 00:03:48,540

information on the rich and powerful and

85

00:03:53,180 --> 00:03:51,180

funneling it back to Israel for the

86

00:03:55,010 --> 00:03:53,190

benefit of them and these are people

87

00:03:59,390 --> 00:03:55,020

that he was hanging out with like Bill

88

00:04:01,610 --> 00:03:59,400

Clinton and Bill Gates and others where

89

00:04:04,640 --> 00:04:01,620

discussions about technology at taking

90

00:04:06,410 --> 00:04:04,650

place where discussions with Bill

91

00:04:08,690 --> 00:04:06,420

Clinton are taking place at a time when

92

00:04:12,190 --> 00:04:08,700

his wife is a senator and later

93

00:04:14,900 --> 00:04:12,200

Secretary of State the u.s. positions on

94

00:04:17,750 --> 00:04:14,910

international issues and issues of

95

00:04:19,729 --> 00:04:17,760

international diplomacy inevitably were

96

00:04:21,650 --> 00:04:19,739

being shared with Jeffrey Epstein and

97

00:04:23,990 --> 00:04:21,660

funneled back to the Israeli government
