1  
00:00:03,020 --> 00:00:01,490  
okay well let that one go why don't we

2  
00:00:04,370 --> 00:00:03,030  
finished with just one Trump question

3  
00:00:07,519 --> 00:00:04,380  
and this is gonna be easy one for you to

4  
00:00:09,799 --> 00:00:07,529  
answer is there anything that you're

5  
00:00:11,990 --> 00:00:09,809  
aware of regarding Trump that he just

6  
00:00:13,879 --> 00:00:12,000  
seems he seems very clean to me I before

7  
00:00:15,470 --> 00:00:13,889  
a guy that's been in a realist in real

8  
00:00:17,240 --> 00:00:15,480  
estate for as long as he was in in New

9  
00:00:19,429 --> 00:00:17,250  
York and so on I expected there'd be way

10  
00:00:21,980 --> 00:00:19,439  
more dirt on this guy than there has he

11  
00:00:23,540 --> 00:00:21,990  
it then appears to be pretty clean

12  
00:00:26,390 --> 00:00:23,550  
is there anything out there though that

13  
00:00:28,339 --> 00:00:26,400

you think that Trump fears that the

14

00:00:30,320 --> 00:00:28,349

public doesn't know about that that they

15

00:00:34,220 --> 00:00:30,330

could still come out well according to

16

00:00:37,880 --> 00:00:34,230

Ryan Farrow there are 60 stories 60

17

00:00:40,069 --> 00:00:37,890

stories that I personally killed to

18

00:00:42,680 --> 00:00:40,079

protect the president I don't know what

19

00:00:44,810 --> 00:00:42,690

Ronan Farrow smoking but there were not

20

00:00:47,240 --> 00:00:44,820

60 stories that were killed in support

21

00:00:49,190 --> 00:00:47,250

of President Donald Trump and what's

22

00:00:51,319 --> 00:00:49,200

more mr. Farrow doesn't know my

23

00:00:54,229 --> 00:00:51,329

political allegiance so why would I do

24

00:00:57,920 --> 00:00:54,239

something to support the president if

25

00:01:00,770 --> 00:00:57,930

I'm not in fact a supporter of the

26  
00:01:05,210 --> 00:01:00,780  
Republican Party I am not aware of any

27  
00:01:08,710 --> 00:01:05,220  
story about the president that has not

28  
00:01:13,399 --> 00:01:08,720  
been published a story of dirt or

29  
00:01:15,440 --> 00:01:13,409  
scandal that remains hidden and will

30  
00:01:16,070 --> 00:01:15,450  
never see the light of day it doesn't

31  
00:01:19,010 --> 00:01:16,080  
exist

32  
00:01:23,359 --> 00:01:19,020  
but according to Ronan Farrow I killed

33  
00:01:26,060 --> 00:01:23,369  
60 of them it's why my lawyers continue

34  
00:01:30,560 --> 00:01:26,070  
to maintain our position on Ronan Farrow

35  
00:01:32,620 --> 00:01:30,570  
and that there is active legal measures

36  
00:01:36,499 --> 00:01:32,630  
being taken across multiple countries

37  
00:01:38,960 --> 00:01:36,509  
about his lack of judgment and his lack

38  
00:01:41,660 --> 00:01:38,970

of reporting skills well I appreciate

39

00:01:43,039 --> 00:01:41,670

that Dylan let's please not in this

40

00:01:47,330 --> 00:01:43,049

though by you telling me you're a Bernie

41

00:01:49,280 --> 00:01:47,340

supporter I don't have a dog in the fire
