

**HIDDEN TRUTH SHOW WITH JIM BRESLO**  
**MARK MEUSER - CONSTITUTIONAL LAW ATTORNEY**

**AVAILABLE ON ALL PODCAST APPS**

**HIDDEN TRUTH**  
WITH JIM BRESLO

1  
00:00:07,240 --> 00:00:04,720  
let's start with the federal government

2  
00:00:09,610 --> 00:00:07,250  
and what Trump is ordered as far as I

3  
00:00:12,580 --> 00:00:09,620  
can tell the only thing the federal

4  
00:00:14,830 --> 00:00:12,590  
government has really ordered is the 15

5  
00:00:17,259 --> 00:00:14,840  
day thing we keep hearing Trump talk

6  
00:00:19,210 --> 00:00:17,269  
about that it's gonna be up a week from

7  
00:00:23,019 --> 00:00:19,220  
Monday he's saying we're gonna reassess

8  
00:00:25,990 --> 00:00:23,029  
or we'll tell you at that point um so

9  
00:00:29,769 --> 00:00:26,000  
what what is what's the most owners

10  
00:00:32,349 --> 00:00:29,779  
things in that 15 day requirement or

11  
00:00:35,169 --> 00:00:32,359  
rules and where does the federal

12  
00:00:37,149 --> 00:00:35,179  
government authority to do that well the

13  
00:00:39,459 --> 00:00:37,159

first thing I would have is is he

14

00:00:44,169 --> 00:00:39,469

actually really ordering eBay or as had

15

00:00:46,239 --> 00:00:44,179

been really strong I will call it really

16

00:00:48,309 --> 00:00:46,249

strong suggestions I haven't really ever

17

00:00:51,250 --> 00:00:48,319

got the impression that Donald Trump has

18

00:00:55,959 --> 00:00:51,260

ordered a nationwide quarantine as much

19

00:00:58,809 --> 00:00:55,969

as he has strongly suggested it and

20

00:01:00,699 --> 00:00:58,819

that's I haven't actually like on the

21

00:01:03,219 --> 00:01:00,709

state and the counties I have spent a

22

00:01:05,259 --> 00:01:03,229

lot of time studying what they have

23

00:01:10,740 --> 00:01:05,269

actually said I've actually looked at

24

00:01:14,679 --> 00:01:10,750

the writings there but as for the

25

00:01:17,139 --> 00:01:14,689

president and the and the United States

26

00:01:21,130 --> 00:01:17,149

I haven't yeah I haven't actually read

27

00:01:23,260 --> 00:01:21,140

the text of though so the 15 days to

28

00:01:26,429 --> 00:01:23,270

slow the spread presidents coronavirus

29

00:01:29,080 --> 00:01:26,439

guidelines which as you point out

30

00:01:30,760 --> 00:01:29,090

perhaps these are simply guidelines in

31

00:01:32,590 --> 00:01:30,770

the federal government has not actually

32

00:01:34,450 --> 00:01:32,600

you know it's if you feel sick say at

33

00:01:36,899 --> 00:01:34,460

home if your children are 6 and at home

34

00:01:41,440 --> 00:01:36,909

if you're an older person stay at home

35

00:01:44,319 --> 00:01:41,450

you know and we saw that with Ted Cruz

36

00:01:47,230 --> 00:01:44,329

you know Ted Cruz came into contact with

37

00:01:49,480 --> 00:01:47,240

somebody who had the virus at CPAC and

38

00:01:51,999 --> 00:01:49,490

so what did he do he self quarantined

39

00:01:55,029 --> 00:01:52,009

you know Donald Trump came in contact

40

00:01:57,849 --> 00:01:55,039

with somebody who had the virus what did

41

00:02:00,969 --> 00:01:57,859

he do he went out and got tested those

42

00:02:02,980 --> 00:02:00,979

are the reasonable things that we really

43

00:02:05,109 --> 00:02:02,990

are getting from the federal government

44

00:02:07,719 --> 00:02:05,119

if you come in contact with somebody go

45

00:02:09,040 --> 00:02:07,729

self quarantine yourself if you if you

46

00:02:10,630 --> 00:02:09,050

know that you've come in contact with

47

00:02:15,140 --> 00:02:10,640

somebody who has a virus go get yourself

48

00:02:17,630 --> 00:02:15,150

tested let's be safe let's be cautious

49

00:02:21,620 --> 00:02:17,640

these are guidelines I don't I don't see

50

00:02:23,930 --> 00:02:21,630

the same level of what we see out of the

51  
00:02:25,640 --> 00:02:23,940  
state of California we're not seeing out

52  
00:02:27,140 --> 00:02:25,650  
of state of Florida which has a lot more

53  
00:02:29,059 --> 00:02:27,150  
retired people than we see out of the

54  
00:02:30,830 --> 00:02:29,069  
state of California the Florida governor

55  
00:02:33,740 --> 00:02:30,840  
hasn't come out with an executive order

56  
00:02:35,720 --> 00:02:33,750  
and said you are to stay in place where

57  
00:02:37,040 --> 00:02:35,730  
are the places that you see the stay in

58  
00:02:39,350 --> 00:02:37,050  
place orders you see him in California

59  
00:02:41,600 --> 00:02:39,360  
you see him in New York I believe

60  
00:02:44,570 --> 00:02:41,610  
Massachusetts has done one Illinois's

61  
00:02:47,870 --> 00:02:44,580  
has done one you know traditionally

62  
00:02:49,640 --> 00:02:47,880  
solid blue states are the states that

63  
00:02:52,460 --> 00:02:49,650

have come up with these executive orders

64

00:02:53,809 --> 00:02:52,470

where they've just taken the guidelines

65

00:02:56,449 --> 00:02:53,819

of the federal government and they said

66

00:02:58,670 --> 00:02:56,459

no they're not guidelines you know

67

00:02:59,570 --> 00:02:58,680

you're to shelter in place yeah well and

68

00:03:01,280 --> 00:02:59,580

you mentioned something we might as well

69

00:03:03,350 --> 00:03:01,290

politics is obviously going to enter

70

00:03:04,550 --> 00:03:03,360

into this it has to and you mentioned

71

00:03:08,479 --> 00:03:04,560

that these are blue state meaning

72

00:03:11,120 --> 00:03:08,489

Democrat governors what is it that

73

00:03:13,759 --> 00:03:11,130

causes a Democrat governor to be more

74

00:03:15,890 --> 00:03:13,769

inclined to implement tough safety

75

00:03:17,090 --> 00:03:15,900

measures compared to a Republican

76

00:03:21,789 --> 00:03:17,100

governor for instance like the one you

77

00:03:24,800 --> 00:03:21,799

have in Florida I think the issue is a

78

00:03:28,550 --> 00:03:24,810

difference in perspective and a dis I

79

00:03:31,090 --> 00:03:28,560

and a respect for the Constitution and

80

00:03:36,400 --> 00:03:31,100

the concepts of personal responsibility

81

00:03:39,319 --> 00:03:36,410

and personal liberty you know as a child

82

00:03:42,380 --> 00:03:39,329

you chaffed at your parents telling you

83

00:03:44,720 --> 00:03:42,390

when you had to go to bed and who who

84

00:03:46,789 --> 00:03:44,730

your friends could be you couldn't wait

85

00:03:48,920 --> 00:03:46,799

to grow up to be able to make your own

86

00:03:50,590 --> 00:03:48,930

decisions and that seems to be one of

87

00:03:55,039 --> 00:03:50,600

the biggest difference between

88

00:03:58,309 --> 00:03:55,049

Republicans and Democrats is that the

89

00:03:59,930 --> 00:03:58,319

desire of Liberty the desire of I don't

90

00:04:04,009 --> 00:03:59,940

want the government to tell me what to

91

00:04:06,860 --> 00:04:04,019

do whereas in the Democrat circles they

92

00:04:11,059 --> 00:04:06,870

are much more open to government control

93

00:04:14,349 --> 00:04:11,069

and government dictatorial power in the

94

00:04:18,170 --> 00:04:14,359

Republican circles they are much more

95

00:04:20,900 --> 00:04:18,180

about freedom and liberty where I am an

96

00:04:23,300 --> 00:04:20,910

adult I can hear what the media is

97

00:04:27,470 --> 00:04:23,310

telling me I can read the scientific

98

00:04:30,770 --> 00:04:27,480

reports and I'm going to make the

99

00:04:33,740 --> 00:04:30,780

that's best for me and my family whereas

100

00:04:36,860 --> 00:04:33,750

in the Democrat States you see much more

101  
00:04:39,560 --> 00:04:36,870  
of a willingness to say no what I'm

102  
00:04:45,940 --> 00:04:39,570  
gonna make that decision for you so the

103  
00:04:51,530 --> 00:04:48,170  
Republican governor is more like a

104  
00:04:54,320 --> 00:04:51,540  
parent who has a 23 year old living at

105  
00:04:57,800 --> 00:04:54,330  
their house maybe home for summer from

106  
00:05:00,590 --> 00:04:57,810  
college for the summer versus a Democrat

107  
00:05:02,930 --> 00:05:00,600  
governor is somebody who has a 13 year

108  
00:05:04,640 --> 00:05:02,940  
old living at the house there's a little

109  
00:05:07,220 --> 00:05:04,650  
bit more control that a parent should

110  
00:05:09,680 --> 00:05:07,230  
exercise over their 13 year old and over

111  
00:05:12,710 --> 00:05:09,690  
their 23 year old and I see the

112  
00:05:16,670 --> 00:05:12,720  
Republicans treat their constituents

113  
00:05:18,050 --> 00:05:16,680

more like the 23 year old child then

114

00:05:19,700 --> 00:05:18,060

Democrats tend to treat their

115

00:05:23,810 --> 00:05:19,710

constituents more like a 13 year old

116

00:05:25,580 --> 00:05:23,820

yeah well I I tend to agree with you you

117

00:05:27,680 --> 00:05:25,590

know but if there was ever a need for

118

00:05:30,500 --> 00:05:27,690

government you would think this would be

119

00:05:34,760 --> 00:05:30,510

the time I think the issues at play are

120

00:05:36,380 --> 00:05:34,770

what you just described but also trying

121

00:05:40,160 --> 00:05:36,390

to understand okay

122

00:05:42,740 --> 00:05:40,170

who's right here is the Florida governor

123

00:05:45,770 --> 00:05:42,750

right to not impose all this stuff and

124

00:05:49,850 --> 00:05:45,780

not hurt his economy as much or is the

125

00:05:53,930 --> 00:05:49,860

California governor right that no this

126

00:05:55,190 --> 00:05:53,940

is a serious public safety concern this

127

00:05:56,990 --> 00:05:55,200

thing is gonna spread like wildfire

128

00:05:59,270 --> 00:05:57,000

millions are gonna die if we don't

129

00:06:01,160 --> 00:05:59,280

implement these draconian shut down

130

00:06:02,720 --> 00:06:01,170

measures I think that six months from

131

00:06:05,030 --> 00:06:02,730

now or a year from now we're gonna look

132

00:06:06,910 --> 00:06:05,040

back and we're gonna say one guy was

133

00:06:11,270 --> 00:06:06,920

right and one guy was wrong well let's

134

00:06:15,830 --> 00:06:11,280

let's go back to World War two Pearl

135

00:06:19,070 --> 00:06:15,840

Harbor happened 74 days later the

136

00:06:21,800 --> 00:06:19,080

President of the United States FDR was

137

00:06:25,520 --> 00:06:21,810

under so much political pressure that he

138

00:06:29,240 --> 00:06:25,530

did something he had to do something and

139

00:06:32,720 --> 00:06:29,250

what was something that he did he

140

00:06:35,840 --> 00:06:32,730

interned the Japanese he took away their

141

00:06:38,660 --> 00:06:35,850

property he took away their Liberty he

142

00:06:39,629 --> 00:06:38,670

took away their right to pursue

143

00:06:43,379 --> 00:06:39,639

happiness

144

00:06:47,489 --> 00:06:43,389

all in the name of political expediency

145

00:06:50,279 --> 00:06:47,499

of doing something to protect the

146

00:06:52,769 --> 00:06:50,289

Americans and now as we look back at it

147

00:06:56,420 --> 00:06:52,779

as constitutional scholars look back at

148

00:06:59,279 --> 00:06:56,430

it we clearly see that he violated the

149

00:07:02,129 --> 00:06:59,289

japanese-americans constitutional rights

150

00:07:04,559 --> 00:07:02,139

and we say you know what you do not have

151  
00:07:08,249 --> 00:07:04,569  
the right as a politician in the name of

152  
00:07:10,950 --> 00:07:08,259  
political expediency to take away the

153  
00:07:12,899 --> 00:07:10,960  
constitutional rights what is the

154  
00:07:14,999 --> 00:07:12,909  
Constitution the United States

155  
00:07:17,700 --> 00:07:15,009  
Constitution and state constitutions are

156  
00:07:21,179 --> 00:07:17,710  
contracts between the people and the

157  
00:07:23,820 --> 00:07:21,189  
government it is a document that it's

158  
00:07:26,610 --> 00:07:23,830  
not really designed to limit people it

159  
00:07:29,100 --> 00:07:26,620  
is designed to limit the government and

160  
00:07:32,459 --> 00:07:29,110  
to say government there are some areas

161  
00:07:36,300 --> 00:07:32,469  
that you just do not have control over

162  
00:07:39,929 --> 00:07:36,310  
and that's why we have the Bill of

163  
00:07:43,140 --> 00:07:39,939

Rights to say hey Congress you cannot

164

00:07:48,079 --> 00:07:43,150

touch the Second Amendment rights to

165

00:07:50,429 --> 00:07:48,089

bear arm Congress you cannot authorize

166

00:07:52,559 --> 00:07:50,439

unwarranted searches and seizures and

167

00:07:56,550 --> 00:07:52,569

one of the things that I actually find

168

00:07:58,639 --> 00:07:56,560

so interesting is a third amendment the

169

00:08:02,850 --> 00:07:58,649

third amendment is probably the least

170

00:08:05,010 --> 00:08:02,860

litigated amendment don't please don't

171

00:08:09,269 --> 00:08:05,020

ask for what it's so the third amendment

172

00:08:11,869 --> 00:08:09,279

is the one that soldiers cannot force

173

00:08:15,659 --> 00:08:11,879

themselves into your house and make you

174

00:08:18,749 --> 00:08:15,669

house them and feed them during the

175

00:08:20,820 --> 00:08:18,759

Revolutionary War what would happen is

176

00:08:23,249 --> 00:08:20,830

the British would come into town and

177

00:08:25,350 --> 00:08:23,259

they basically find that nicest house

178

00:08:27,300 --> 00:08:25,360

and they basically plant themselves

179

00:08:29,219 --> 00:08:27,310

there and they would make you feed them

180

00:08:32,279 --> 00:08:29,229

you go kill your cows go kill your

181

00:08:34,589 --> 00:08:32,289

chickens and you and they and some of

182

00:08:38,060 --> 00:08:34,599

some of the generals actually paid but

183

00:08:42,329 --> 00:08:38,070

most of them did not it was government

184

00:08:45,509 --> 00:08:42,339

forced itself upon your personal rights

185

00:08:48,509 --> 00:08:45,519

your home your ability to make a living

186

00:08:52,030 --> 00:08:48,519

your ability to feed your people and the

187

00:08:54,340 --> 00:08:52,040

founding fathers were so up

188

00:08:57,069 --> 00:08:54,350

about that that they put in the third

189

00:08:59,530 --> 00:08:57,079

amendment in the Bill of Rights that

190

00:09:03,670 --> 00:08:59,540

government does not have the power to

191

00:09:05,379 --> 00:09:03,680

supersede over your home that is your

192

00:09:09,430 --> 00:09:05,389

personal property that is your personal

193

00:09:11,740 --> 00:09:09,440

sphere of influence and so what we

194

00:09:13,509 --> 00:09:11,750

understand as we now look at what is

195

00:09:17,129 --> 00:09:13,519

going on and let's look at the state of

196

00:09:20,710 --> 00:09:17,139

California it started in San Francisco

197

00:09:22,480 --> 00:09:20,720

San Francisco basically was the one as

198

00:09:26,069 --> 00:09:22,490

far as I can tell by timeline with the

199

00:09:28,509 --> 00:09:26,079

first County to do the shelter in place

200

00:09:30,280 --> 00:09:28,519

you're not going to go you know we're

201  
00:09:31,990 --> 00:09:30,290  
taking the recommendations of the

202  
00:09:33,340 --> 00:09:32,000  
federal government we're taking the

203  
00:09:36,509 --> 00:09:33,350  
recommendations of the state of

204  
00:09:40,150 --> 00:09:36,519  
California and but we're gonna actually

205  
00:09:42,970 --> 00:09:40,160  
use our police powers and we're going to

206  
00:09:46,780 --> 00:09:42,980  
enforce that and you are ordered to stay

207  
00:09:49,120 --> 00:09:46,790  
at home now the statute that this the

208  
00:09:53,860 --> 00:09:49,130  
County of San Francisco and the Bay Area

209  
00:09:56,680 --> 00:09:53,870  
is utilized is a statute that has been

210  
00:09:58,900 --> 00:09:56,690  
around for a long time this is actually

211  
00:10:01,780 --> 00:09:58,910  
not the first time in the State of

212  
00:10:04,150 --> 00:10:01,790  
California's history that public health

213  
00:10:07,960 --> 00:10:04,160

officials have tried to use their

214

00:10:10,900 --> 00:10:07,970

authority to quarantine people and those

215

00:10:14,110 --> 00:10:10,910

issues have been litigated not once not

216

00:10:16,389 --> 00:10:14,120

twice multiple times and the courts have

217

00:10:19,350 --> 00:10:16,399

said that public health officials have

218

00:10:24,340 --> 00:10:19,360

the authority to quarantine people who

219

00:10:27,639 --> 00:10:24,350

they reasonably believe to be affected

220

00:10:31,120 --> 00:10:27,649

by the infected by the virus or have

221

00:10:33,490 --> 00:10:31,130

been around people likely to be infected

222

00:10:36,639 --> 00:10:33,500

by the virus they have to show and it's

223

00:10:40,509 --> 00:10:36,649

a legal term probable cause if they

224

00:10:43,120 --> 00:10:40,519

don't want to get a judicial warrant to

225

00:10:45,639 --> 00:10:43,130

quarantine somebody they have to have or

226

00:10:49,150 --> 00:10:45,649

be able to articulate probable cause

227

00:10:50,370 --> 00:10:49,160

that somebody has the virus Earth's been

228

00:10:52,360 --> 00:10:50,380

around somebody who has the virus

229

00:10:55,090 --> 00:10:52,370

probable cause as to a particular

230

00:10:57,389 --> 00:10:55,100

individual or a swath of people know by

231

00:11:00,519 --> 00:10:57,399

age it has to be person by person

232

00:11:02,650 --> 00:11:00,529

because in here in California we have

233

00:11:05,470 --> 00:11:02,660

article one section one of our car of

234

00:11:07,689 --> 00:11:05,480

our Constitution it is actually

235

00:11:10,230 --> 00:11:07,699

much stronger than the Bill of Rights

236

00:11:12,819 --> 00:11:10,240

and the courts have constantly

237

00:11:15,730 --> 00:11:12,829

interpreted interpreted it stronger

238

00:11:18,400 --> 00:11:15,740

than the Bill of Rights in article 1

239

00:11:21,759 --> 00:11:18,410

section 1 you have a right to Liberty

240

00:11:25,900 --> 00:11:21,769

you have a right to obtain property and

241

00:11:28,750 --> 00:11:25,910

maintain property when and the courts

242

00:11:31,780 --> 00:11:28,760

looking at these quarantine orders that

243

00:11:35,379 --> 00:11:31,790

were not specifically articulated as to

244

00:11:38,490 --> 00:11:35,389

that person they said if you do not have

245

00:11:43,449 --> 00:11:38,500

proximate cause to determine that that

246

00:11:47,170 --> 00:11:43,459

person has the virus you cannot deprive

247

00:11:49,840 --> 00:11:47,180

them of their liberties you cannot

248

00:11:52,780 --> 00:11:49,850

deprive them of their ability to obtain

249

00:11:55,240 --> 00:11:52,790

and maintain property which is a job

250

00:11:57,970 --> 00:11:55,250

were these courts looking at quarantines

251  
00:12:00,189 --> 00:11:57,980  
that apply to everyone as these do yeah

252  
00:12:03,220 --> 00:12:00,199  
they were there there are applied to

253  
00:12:05,949 --> 00:12:03,230  
quarantines where they said you have

254  
00:12:09,310 --> 00:12:05,959  
trach taken away a person's right was

255  
00:12:12,040 --> 00:12:09,320  
out actually making a determination that

256  
00:12:14,319 --> 00:12:12,050  
that individual has right and in that

257  
00:12:17,439 --> 00:12:14,329  
circumstance was it like today where the

258  
00:12:19,960 --> 00:12:17,449  
city or county had ordered everyone to

259  
00:12:21,850 --> 00:12:19,970  
stay at home what was the example in

260  
00:12:23,170 --> 00:12:21,860  
that case if you recall I I don't recall

261  
00:12:25,660 --> 00:12:23,180  
that one I've read way too many cases

262  
00:12:28,120 --> 00:12:25,670  
but I mean it's it's be how

263  
00:12:30,490 --> 00:12:28,130

unprecedented is it for there to be an

264

00:12:32,170 --> 00:12:30,500

order that applies to everyone

265

00:12:33,250 --> 00:12:32,180

well no has that ever happened in

266

00:12:35,620 --> 00:12:33,260

California before that it applied to

267

00:12:38,259 --> 00:12:35,630

everyone as this one does I got to

268

00:12:40,269 --> 00:12:38,269

remember that the Spanish flu was

269

00:12:42,069 --> 00:12:40,279

killing tons of people in the United

270

00:12:44,620 --> 00:12:42,079

States during World War two and that or

271

00:12:47,949 --> 00:12:44,630

World War one and these cases arose out

272

00:12:51,100 --> 00:12:47,959

of that the World War 1 epidemic that we

273

00:12:52,780 --> 00:12:51,110

call the Spanish flu today it is you

274

00:12:55,329 --> 00:12:52,790

know that what their governor that was a

275

00:12:59,230 --> 00:12:55,339

way bigger killer than this Oh

276  
00:13:01,269 --> 00:12:59,240  
seventy seventy thousand people I think

277  
00:13:02,800 --> 00:13:01,279  
in something like seventy thousand

278  
00:13:04,660 --> 00:13:02,810  
people were killed in the United States

279  
00:13:06,970 --> 00:13:04,670  
alone from it isn't it was like more

280  
00:13:08,980 --> 00:13:06,980  
much smaller population yes and it was

281  
00:13:11,740 --> 00:13:08,990  
more I think more people in the United

282  
00:13:14,710 --> 00:13:11,750  
States died because of the Spanish flu

283  
00:13:16,720 --> 00:13:14,720  
then died in World War one so California

284  
00:13:18,910 --> 00:13:16,730  
was trying to or California counties

285  
00:13:20,740 --> 00:13:18,920  
were trying to implement something

286  
00:13:22,240 --> 00:13:20,750  
similar to what they're doing today to

287  
00:13:25,690 --> 00:13:22,250  
control the Spanish flu and the courts

288  
00:13:27,100 --> 00:13:25,700

said no it was overly broad this

289

00:13:29,230 --> 00:13:27,110

restriction you put in place it needs to

290

00:13:31,900 --> 00:13:29,240

be narrowly tailored essentially to

291

00:13:33,940 --> 00:13:31,910

people who have been infected or you can

292

00:13:36,340 --> 00:13:33,950

reasonably suspect have been exposed to

293

00:13:39,490 --> 00:13:36,350

infected people basically if if you know

294

00:13:41,500 --> 00:13:39,500

that your wife had tested positive they

295

00:13:43,569 --> 00:13:41,510

could quarantine you and your children

296

00:13:46,210 --> 00:13:43,579

and by the way I think that's how South

297

00:13:47,560 --> 00:13:46,220

Korea was doing I've just read been

298

00:13:49,689 --> 00:13:47,570

reading about South Korea and they were

299

00:13:51,490 --> 00:13:49,699

very strict about as soon as they

300

00:13:53,680 --> 00:13:51,500

learned that somebody in particular had

301  
00:13:55,569 --> 00:13:53,690  
it they would send notices out to that

302  
00:13:58,720 --> 00:13:55,579  
neighborhood and anybody and that

303  
00:14:02,680 --> 00:13:58,730  
ballpark was now quarantined yeah and

304  
00:14:06,430 --> 00:14:02,690  
that's because our Constitution protects

305  
00:14:08,740 --> 00:14:06,440  
that individual right you know what I'm

306  
00:14:11,139 --> 00:14:08,750  
not saying that people shouldn't you

307  
00:14:13,780 --> 00:14:11,149  
know as I mentioned earlier Ted Cruz

308  
00:14:16,480 --> 00:14:13,790  
self quarantine the second he realized

309  
00:14:19,180 --> 00:14:16,490  
that he might be infected let's go do

310  
00:14:21,069 --> 00:14:19,190  
the test less quarantine myself you know

311  
00:14:22,629 --> 00:14:21,079  
what there there are people who are in

312  
00:14:25,060 --> 00:14:22,639  
their sixties and seventies or people

313  
00:14:28,060 --> 00:14:25,070

who have disease is who know that

314

00:14:31,060 --> 00:14:28,070

they're more susceptible to it those

315

00:14:34,569 --> 00:14:31,070

type of individuals they're responsible

316

00:14:36,160 --> 00:14:34,579

adults they know better than to just go

317

00:14:39,250 --> 00:14:36,170

out into the public I have plenty of

318

00:14:40,329 --> 00:14:39,260

friends in the political world who let's

319

00:14:42,759 --> 00:14:40,339

say are seventy years old

320

00:14:44,230 --> 00:14:42,769

as soon as this thing came out they

321

00:14:45,639 --> 00:14:44,240

basically told all their friends I'll

322

00:14:48,189 --> 00:14:45,649

see you in a couple months we're just

323

00:14:52,380 --> 00:14:48,199

gonna stay home and you know have a home

324

00:14:55,810 --> 00:14:52,390

vacation that is prudence that is

325

00:14:57,790 --> 00:14:55,820

liberty that is how things are supposed

326

00:15:01,750 --> 00:14:57,800

to work what you're not supposed to do

327

00:15:04,030 --> 00:15:01,760

is say to that 30 year old okay let's do

328

00:15:07,990 --> 00:15:04,040

it this way let's say you have twin

329

00:15:10,840 --> 00:15:08,000

brothers 22 years old one of them has a

330

00:15:15,550 --> 00:15:10,850

job at the grocery store the other has a

331

00:15:17,769 --> 00:15:15,560

job at the local bar now they both have

332

00:15:19,900 --> 00:15:17,779

the go went to the same school they have

333

00:15:22,870 --> 00:15:19,910

the same amount of student debt they

334

00:15:25,240 --> 00:15:22,880

live together but one of them is allowed

335

00:15:28,240 --> 00:15:25,250

to interact with people and make an

336

00:15:30,910 --> 00:15:28,250

made make money and the other one is

337

00:15:32,160 --> 00:15:30,920

forced to stay home what we are doing

338

00:15:34,290 --> 00:15:32,170

was this Paul

339

00:15:37,139 --> 00:15:34,300

see right now if the government is

340

00:15:39,240 --> 00:15:37,149

picking winners and losers if you're if

341

00:15:42,000 --> 00:15:39,250

you got a government job you're gonna

342

00:15:44,970 --> 00:15:42,010

get your paycheck but if you work at a

343

00:15:48,480 --> 00:15:44,980

restaurant if you are a small business

344

00:15:51,120 --> 00:15:48,490

owner and you own a dentist shop you're

345

00:15:54,060 --> 00:15:51,130

gonna be staying home but if you own a

346

00:15:56,280 --> 00:15:54,070

bar you're staying home but if you have

347

00:15:58,949 --> 00:15:56,290

a grocery store you get to work yeah but

348

00:16:00,360 --> 00:15:58,959

there is a rational basis behind them

349

00:16:02,730 --> 00:16:00,370

picking those winners and losers

350

00:16:04,800 --> 00:16:02,740

essential workers is not essential and

351

00:16:08,400 --> 00:16:04,810

it does seem to me they've divided that

352

00:16:10,620 --> 00:16:08,410

up appropriately but even before you get

353

00:16:12,420 --> 00:16:10,630

to that what you're saying is if it's

354

00:16:14,340 --> 00:16:12,430

not narrowly tailored to people who

355

00:16:16,889 --> 00:16:14,350

either have it or have been in proximity

356

00:16:18,449 --> 00:16:16,899

to it that inherently is over broad

357

00:16:20,220 --> 00:16:18,459

based on prior court rulings there's

358

00:16:21,329 --> 00:16:20,230

quite precedent in California saying

359

00:16:24,000 --> 00:16:21,339

sorry guys

360

00:16:25,710 --> 00:16:24,010

unconstitutional can't do it exactly and

361

00:16:27,780 --> 00:16:25,720

you don't hear many people saying this

362

00:16:30,090 --> 00:16:27,790

other than you and maybe a handful of

363

00:16:31,560 --> 00:16:30,100

others I thought I was one of the first

364

00:16:33,449 --> 00:16:31,570

to come out with this there I've been

365

00:16:35,639 --> 00:16:33,459

seeing some people who have started to

366

00:16:38,280 --> 00:16:35,649

say this over the weekend I started to

367

00:16:40,860 --> 00:16:38,290

see stuff in other states this issue has

368

00:16:42,240 --> 00:16:40,870

been you're starting to see more and

369

00:16:44,610 --> 00:16:42,250

more people talk about it

370

00:16:46,079 --> 00:16:44,620

I've been formed by people in DC that I

371

00:16:48,569 --> 00:16:46,089

was one of the first people out there

372

00:16:50,160 --> 00:16:48,579

who actually raised this issue yeah and

373

00:16:53,130 --> 00:16:50,170

the issue that we're talking about is

374

00:16:54,780 --> 00:16:53,140

not what if there was no Constitution

375

00:16:56,400 --> 00:16:54,790

but others knows just what should we do

376

00:16:58,380 --> 00:16:56,410

you could have a reasonable argument

377

00:16:59,850 --> 00:16:58,390

that you'd have half the people saying I

378

00:17:01,380 --> 00:16:59,860

like what California's doing we should

379

00:17:03,090 --> 00:17:01,390

shut everything down and the other half

380

00:17:04,860 --> 00:17:03,100

would say no I think that this is too

381

00:17:06,900 --> 00:17:04,870

much but you need to look at what's

382

00:17:09,059 --> 00:17:06,910

going on in the context of the

383

00:17:10,230 --> 00:17:09,069

governmental system that we live under

384

00:17:13,020 --> 00:17:10,240

and as you point out we have a

385

00:17:14,909 --> 00:17:13,030

constitution that's been around for 250

386

00:17:17,490 --> 00:17:14,919

years on the federal level and whatever

387

00:17:18,870 --> 00:17:17,500

number 170 170 years on the California

388

00:17:22,890 --> 00:17:18,880

level that we've all bought into and

389

00:17:25,199 --> 00:17:22,900

said we we hold that up here and

390

00:17:26,340 --> 00:17:25,209

everything else you cannot violate the

391

00:17:28,740 --> 00:17:26,350

Constitution I think most people agree

392

00:17:30,419 --> 00:17:28,750

you should not cannot violate the

393

00:17:33,570 --> 00:17:30,429

Constitution the state of emergency

394

00:17:38,549 --> 00:17:33,580

powers that the governor have in that

395

00:17:41,610 --> 00:17:38,559

power it gives the governor authority to

396

00:17:44,070 --> 00:17:41,620

suspend regulations and statutes and he

397

00:17:45,930 --> 00:17:44,080

has done so regarding our elections you

398

00:17:49,260 --> 00:17:45,940

know usually in the elections

399

00:17:52,350 --> 00:17:49,270

the states have 30 days to certify

400

00:17:55,440 --> 00:17:52,360

election he expanded it to 51 days that

401  
00:17:58,260 --> 00:17:55,450  
is completely within his power but if

402  
00:18:00,000 --> 00:17:58,270  
you study the powers of the governor

403  
00:18:03,630 --> 00:18:00,010  
under the state of emergency act and it

404  
00:18:06,240 --> 00:18:03,640  
says that here are the numerated powers

405  
00:18:09,180 --> 00:18:06,250  
which means if it's not in that list of

406  
00:18:10,980 --> 00:18:09,190  
powers he does not have and one of the

407  
00:18:14,280 --> 00:18:10,990  
things that he does not have is the

408  
00:18:16,890 --> 00:18:14,290  
ability to suspend your constitutional

409  
00:18:19,260 --> 00:18:16,900  
rights he could suspend a statute he

410  
00:18:22,170 --> 00:18:19,270  
could suspend a regulation but he cannot

411  
00:18:24,720 --> 00:18:22,180  
suspend the Constitution okay

412  
00:18:25,890 --> 00:18:24,730  
so let's stay now well let's go back to

413  
00:18:27,090 --> 00:18:25,900

federal and it looks like we've

414

00:18:28,860 --> 00:18:27,100

confirmed I just looked it up on my

415

00:18:31,590 --> 00:18:28,870

computer what we were that you're 100%

416

00:18:33,320 --> 00:18:31,600

correct that federal is guidelines so

417

00:18:36,030 --> 00:18:33,330

the federal government hasn't ordered

418

00:18:37,560 --> 00:18:36,040

anything they've issued guidelines that

419

00:18:38,940 --> 00:18:37,570

the states have now encounters have

420

00:18:42,420 --> 00:18:38,950

taken and kind of run with as you point

421

00:18:45,000 --> 00:18:42,430

out so now as far as what has Newsom and

422

00:18:46,590 --> 00:18:45,010

the state of California done what has he

423

00:18:48,300 --> 00:18:46,600

ordered and then we'll get to the

424

00:18:49,770 --> 00:18:48,310

counties and cities what has he ordered

425

00:18:53,730 --> 00:18:49,780

that you believe may be unconstitutional

426

00:18:56,790 --> 00:18:53,740

okay first off if you look at the you

427

00:18:58,550 --> 00:18:56,800

got to look at everything in order first

428

00:19:01,280 --> 00:18:58,560

he declared a state of emergency

429

00:19:03,420 --> 00:19:01,290

perfectly within his rights to do so

430

00:19:05,790 --> 00:19:03,430

issued the state of emergency

431

00:19:08,970 --> 00:19:05,800

now he's exercising under his state of

432

00:19:11,970 --> 00:19:08,980

emergency powers when he gives executive

433

00:19:15,540 --> 00:19:11,980

orders in his executive order last

434

00:19:19,590 --> 00:19:15,550

Thursday night he stated that the

435

00:19:22,230 --> 00:19:19,600

executive order was that we were to heed

436

00:19:25,670 --> 00:19:22,240

the directives of the public health

437

00:19:28,230 --> 00:19:25,680

authorities that word heed means to take

438

00:19:32,880 --> 00:19:28,240

consideration so if you were to take the

439

00:19:35,070 --> 00:19:32,890

actual legal analysis of what Gavin

440

00:19:36,720 --> 00:19:35,080

Newsom did was an executive order his

441

00:19:39,510 --> 00:19:36,730

executive order was to the people

442

00:19:44,310 --> 00:19:39,520

California as you make your decisions in

443

00:19:47,070 --> 00:19:44,320

your daily life you are to consider the

444

00:19:49,670 --> 00:19:47,080

advice of the California Department of

445

00:19:52,770 --> 00:19:49,680

Public Health in your decision making

446

00:19:55,350 --> 00:19:52,780

that is what the actual words of the

447

00:19:57,960 --> 00:19:55,360

order say now what does he say that they

448

00:19:59,549 --> 00:19:57,970

said well he went out on Twitter he said

449

00:20:03,119 --> 00:19:59,559

in his press conference I

450

00:20:05,700 --> 00:20:03,129

have ordered this shelter in place his

451

00:20:09,570 --> 00:20:05,710

order actually does not say that his

452

00:20:11,430 --> 00:20:09,580

order does not say that there's a

453

00:20:13,860 --> 00:20:11,440

shelter in place order for the state of

454

00:20:16,320 --> 00:20:13,870

California he just a bit clerk is really

455

00:20:19,139 --> 00:20:16,330

important what you're getting heed does

456

00:20:21,570 --> 00:20:19,149

not mean must follow you got it

457

00:20:22,860 --> 00:20:21,580

because I mean I trust you that you've

458

00:20:24,119 --> 00:20:22,870

looked up the definition and the legal

459

00:20:26,519 --> 00:20:24,129

Devon this has been interpreted by

460

00:20:27,749 --> 00:20:26,529

courts what he'd means he's not a word

461

00:20:29,549 --> 00:20:27,759

that's interpreted the court you have to

462

00:20:31,529 --> 00:20:29,559

go to the merriam-webster dictionary to

463

00:20:33,269 --> 00:20:31,539

figure out what it means and so you

464

00:20:36,539 --> 00:20:33,279

believe that was very clearly

465

00:20:39,239 --> 00:20:36,549

intentional to use that word because if

466

00:20:40,499 --> 00:20:39,249

he had used you must follow these they

467

00:20:42,299 --> 00:20:40,509

recognize that would probably been

468

00:20:44,279 --> 00:20:42,309

unconstitutional he's been using this

469

00:20:45,869 --> 00:20:44,289

word he'd throughout the whole entire

470

00:20:49,200 --> 00:20:45,879

time whether he's doing it intentionally

471

00:20:51,090 --> 00:20:49,210

or accidentally I don't know but it's

472

00:20:54,119 --> 00:20:51,100

but he's consistently using the word

473

00:20:56,700 --> 00:20:54,129

he'd and as you go and look at the word

474

00:20:58,799 --> 00:20:56,710

he'd it does not you know I've looked in

475

00:21:01,049 --> 00:20:58,809

Black's Law Dictionary Black's Law

476

00:21:03,480 --> 00:21:01,059

Dictionary doesn't even define it it's

477

00:21:06,269 --> 00:21:03,490

not defined in our code section so you

478

00:21:09,629 --> 00:21:06,279

have to go to the English dictionaries

479

00:21:13,259 --> 00:21:09,639

and the English dictionaries do not it

480

00:21:15,779 --> 00:21:13,269

is a strong suggestion like language

481

00:21:18,450 --> 00:21:15,789

mm-hmm so it's a and you would say

482

00:21:21,810 --> 00:21:18,460

probably intentionally done by him in

483

00:21:24,210 --> 00:21:21,820

recognition that he's not able to order

484

00:21:26,279 --> 00:21:24,220

these things I you know anybody who

485

00:21:28,440 --> 00:21:26,289

studies the history of quarantine law in

486

00:21:30,899 --> 00:21:28,450

California understands he doesn't have

487

00:21:34,289 --> 00:21:30,909

the authority to order statewide

488

00:21:36,840 --> 00:21:34,299

quarantine so I think his advisers have

489

00:21:38,519 --> 00:21:36,850

actually advised him very well he wants

490

00:21:41,430 --> 00:21:38,529

their based at home where the problem

491

00:21:44,609 --> 00:21:41,440

has come in is that all the sheriffs and

492

00:21:48,180 --> 00:21:44,619

the Highway Patrol and the meter maids

493

00:21:50,549 --> 00:21:48,190

all have this assumption that it is

494

00:21:54,119 --> 00:21:50,559

actually an order and they are now

495

00:21:57,029 --> 00:21:54,129

enforcing it through the law so whether

496

00:22:01,649 --> 00:21:57,039

or not he actually ordered it it's being

497

00:22:05,070 --> 00:22:01,659

treated as an order and he's speaking of

498

00:22:08,519 --> 00:22:05,080

it as if it's an order exactly as a

499

00:22:12,090 --> 00:22:08,529

plate is a case where his his spoken

500

00:22:12,899 --> 00:22:12,100

word is giving a lot more precedent than

501  
00:22:16,169 --> 00:22:12,909  
what the writ

502  
00:22:17,909 --> 00:22:16,179  
word is and I think it's creating you

503  
00:22:20,999 --> 00:22:17,919  
know whether it's intentional what he's

504  
00:22:23,430 --> 00:22:21,009  
doing or I I have no way

505  
00:22:25,320 --> 00:22:23,440  
I think it's intentional that he you

506  
00:22:27,419 --> 00:22:25,330  
know try to try to create a little bit

507  
00:22:28,169 --> 00:22:27,429  
of and have you been looking only at

508  
00:22:30,089 --> 00:22:28,179  
California

509  
00:22:32,070 --> 00:22:30,099  
I have predominantly only looked at

510  
00:22:33,930 --> 00:22:32,080  
California I've got the same thing yeah

511  
00:22:36,180 --> 00:22:33,940  
I'm a California attorney that's where

512  
00:22:37,950 --> 00:22:36,190  
I'm allowed to advise my life presumably

513  
00:22:39,239 --> 00:22:37,960

New York's got the same problem they

514

00:22:41,489 --> 00:22:39,249

they probably have a similar

515

00:22:45,359 --> 00:22:41,499

Constitution to California and they're

516

00:22:47,969 --> 00:22:45,369

governors probably violating it as our

517

00:22:50,879 --> 00:22:47,979

governor sort of is yeah well if

518

00:22:54,869 --> 00:22:50,889

somebody who studied the Constitution's

519

00:22:57,180 --> 00:22:54,879

of the states the the Constitution's of

520

00:22:59,820 --> 00:22:57,190

the state tend to model themselves off

521

00:23:01,229 --> 00:22:59,830

of the federal government unless you're

522

00:23:03,269 --> 00:23:01,239

doing the thirteen states that were

523

00:23:04,649 --> 00:23:03,279

before the federal government in which

524

00:23:06,749 --> 00:23:04,659

the federal government goes off of the

525

00:23:08,879 --> 00:23:06,759

thirteen states and their building

526

00:23:11,369 --> 00:23:08,889

blocks and so when the state of

527

00:23:14,039 --> 00:23:11,379

California had his initial constitution

528

00:23:16,409 --> 00:23:14,049

in 1850 and then the subsequent one I

529

00:23:19,259 --> 00:23:16,419

think was 1871 or 73 I can't remember

530

00:23:21,060 --> 00:23:19,269

what year they're modeling them off of

531

00:23:23,489 --> 00:23:21,070

other states and since California with

532

00:23:25,560 --> 00:23:23,499

around after New York there are going to

533

00:23:28,339 --> 00:23:25,570

be a lot of provisions in the California

534

00:23:30,779 --> 00:23:28,349

Constitution that you're going to see in

535

00:23:33,330 --> 00:23:30,789

the New York Constitution in the

536

00:23:35,639 --> 00:23:33,340

Illinois Constitution states that had

537

00:23:37,229 --> 00:23:35,649

constitutions before California so

538

00:23:38,879 --> 00:23:37,239

before we talk about counties and cities

539

00:23:41,279 --> 00:23:38,889

one more thing with the state are you

540

00:23:48,529 --> 00:23:41,289

aware of actual examples of state

541

00:23:50,940 --> 00:23:48,539

officials treating his you know heating

542

00:23:54,119 --> 00:23:50,950

requirement because we're not gonna call

543

00:23:57,779 --> 00:23:54,129

it an order treating it as an order and

544

00:24:00,080 --> 00:23:57,789

enforcing it everything I've heard has

545

00:24:02,639 --> 00:24:00,090

come from the county sheriff level I

546

00:24:04,379 --> 00:24:02,649

haven't heard anything from I mean this

547

00:24:06,599 --> 00:24:04,389

this would be Highway Patrol is State

548

00:24:09,119 --> 00:24:06,609

Highway Patrol of the state and I have

549

00:24:12,450 --> 00:24:09,129

not heard any instances that have come

550

00:24:14,729 --> 00:24:12,460

from Highway Patrol now what I have

551

00:24:17,369 --> 00:24:14,739

heard it's like you know the Chief

552

00:24:19,950 --> 00:24:17,379

Justice of the state courts has ordered

553

00:24:22,649 --> 00:24:19,960

all the courts to stop doing jury trials

554

00:24:24,089 --> 00:24:22,659

but you know that was in its prerogative

555

00:24:25,889 --> 00:24:24,099

you know they've kept the court systems

556

00:24:26,790 --> 00:24:25,899

open I talked to a criminal attorney

557

00:24:29,190 --> 00:24:26,800

yesterday

558

00:24:31,470 --> 00:24:29,200

he's not going into court he's doing you

559

00:24:32,910 --> 00:24:31,480

know telephone calls the the client the

560

00:24:34,380 --> 00:24:32,920

criminals aren't going to the court the

561

00:24:37,440 --> 00:24:34,390

judge is just basically doing everything

562

00:24:40,290 --> 00:24:37,450

by telephones you know that that is was

563

00:24:41,850 --> 00:24:40,300

in the prerogative of the Chief Justice

564

00:24:42,390 --> 00:24:41,860

of the state of California to say you

565

00:24:43,590 --> 00:24:42,400

know what

566

00:24:46,140 --> 00:24:43,600

we're gonna take the recommendations

567

00:24:47,160 --> 00:24:46,150

given us by the federal government the

568

00:24:48,690 --> 00:24:47,170

state government and the county

569

00:24:51,210 --> 00:24:48,700

governments we're just not going to put

570

00:24:53,250 --> 00:24:51,220

people in where they have to go appear

571

00:24:56,010 --> 00:24:53,260

in court we're gonna suspend all her

572

00:24:59,370 --> 00:24:56,020

jury trials for a couple months so that

573

00:25:00,810 --> 00:24:59,380

is an example of where the state has

574

00:25:03,299 --> 00:25:00,820

used its authorities but it hasn't

575

00:25:05,910 --> 00:25:03,309

punished somebody it's key it's actually

576

00:25:07,740 --> 00:25:05,920

keeping the system going right but

577

00:25:09,950 --> 00:25:07,750

without a doubt we do think while

578

00:25:12,150 --> 00:25:09,960

Newsom's order might be technically

579

00:25:15,240 --> 00:25:12,160

constitutional Newsom has been

580

00:25:19,530 --> 00:25:15,250

conducting himself in a way as to act as

581

00:25:21,720 --> 00:25:19,540

if that is a order by the state that

582

00:25:24,570 --> 00:25:21,730

restricts people's liberty regardless of

583

00:25:26,700 --> 00:25:24,580

whether you have the virus or not and

584

00:25:28,620 --> 00:25:26,710

that's clearly unconstitutional he

585

00:25:29,970 --> 00:25:28,630

should know it and it's really not

586

00:25:32,490 --> 00:25:29,980

appropriate for him to be acting the way

587

00:25:35,310 --> 00:25:32,500

he's been acting at public news

588

00:25:38,460 --> 00:25:35,320

conferences I would say that his words

589

00:25:39,840 --> 00:25:38,470

clearly violate both the spirit and the

590

00:25:42,090 --> 00:25:39,850

letter of the California Constitution

591

00:25:44,220 --> 00:25:42,100

and probably even the United States

592

00:25:46,140 --> 00:25:44,230

Constitution because you have rights to

593

00:25:48,560 --> 00:25:46,150

equal you know due process and equal

594

00:25:51,810 --> 00:25:48,570

protection under the US Constitution

595

00:25:54,240 --> 00:25:51,820

there's also the issue of your First

596

00:25:56,640 --> 00:25:54,250

Amendment rights of right to associate

597

00:25:59,130 --> 00:25:56,650

when he came in and shut down all events

598

00:26:02,549 --> 00:25:59,140

over 250 or and shut down all the

599

00:26:06,299 --> 00:26:02,559

churches that you have a right to

600

00:26:08,340 --> 00:26:06,309

peaceably assemble now government does

601  
00:26:11,280 --> 00:26:08,350  
have the reasonable time place and

602  
00:26:13,200 --> 00:26:11,290  
manner restrictions you know narrowly

603  
00:26:15,770 --> 00:26:13,210  
tailored restrictions and the question

604  
00:26:19,020 --> 00:26:15,780  
then becomes is this a narrowly tailored

605  
00:26:21,210 --> 00:26:19,030  
restriction or is this not and the

606  
00:26:24,270 --> 00:26:21,220  
question is well you know what he

607  
00:26:26,490 --> 00:26:24,280  
initially said you know restaurants 50%

608  
00:26:28,350 --> 00:26:26,500  
occupancy let's spread people out you're

609  
00:26:30,990 --> 00:26:28,360  
gonna be allowed but then he said 24

610  
00:26:33,780 --> 00:26:31,000  
hours later no all restaurants and bars

611  
00:26:35,070 --> 00:26:33,790  
has to be closed I think the first one

612  
00:26:36,870 --> 00:26:35,080  
might have passed the mustard as

613  
00:26:40,020 --> 00:26:36,880

something that was naylor narrowly

614

00:26:40,499 --> 00:26:40,030

tailored I'm a triathlete I go out there

615

00:26:43,489 --> 00:26:40,509

and I work

616

00:26:48,359 --> 00:26:43,499

outside I work out all the time outside

617

00:26:50,699 --> 00:26:48,369

well you know what because the races I

618

00:26:53,369 --> 00:26:50,709

that I was doing had over 250 people the

619

00:26:58,079 --> 00:26:53,379

race organizers all shut down based upon

620

00:26:59,489 --> 00:26:58,089

the governor's orders was that something

621

00:27:02,669 --> 00:26:59,499

that really needed to be shut down

622

00:27:03,930 --> 00:27:02,679

people were outside exercising swimming

623

00:27:05,729 --> 00:27:03,940

you're not gonna catch it in the water

624

00:27:07,859 --> 00:27:05,739

you know people are riding their bikes

625

00:27:10,199 --> 00:27:07,869

you have in these races you have to be

626  
00:27:12,119 --> 00:27:10,209  
more than six meters apart which is well

627  
00:27:14,189 --> 00:27:12,129  
beyond the six feet people are running

628  
00:27:15,959 --> 00:27:14,199  
you're in the fresh air that's not where

629  
00:27:17,309 --> 00:27:15,969  
you know people aren't coughing on each

630  
00:27:18,839 --> 00:27:17,319  
other these are some of the healthiest

631  
00:27:23,369 --> 00:27:18,849  
people than people least likely to get

632  
00:27:25,349 --> 00:27:23,379  
it so is this really a naeli tailored

633  
00:27:27,599 --> 00:27:25,359  
statute and so I think that there is an

634  
00:27:30,239 --> 00:27:27,609  
argument that it violates the First

635  
00:27:32,639 --> 00:27:30,249  
Amendment right of Association because

636  
00:27:34,139 --> 00:27:32,649  
he shut down churches it violates you

637  
00:27:37,489 --> 00:27:34,149  
know Congress shall pass no law

638  
00:27:39,719 --> 00:27:37,499

regarding the you know religion I

639

00:27:42,539 --> 00:27:39,729

because of what's going on with the gun

640

00:27:44,789 --> 00:27:42,549

stores it it's probably violating the

641

00:27:49,289 --> 00:27:44,799

Second Amendment your due process and

642

00:27:52,379 --> 00:27:49,299

equal protection so yes it's very clear

643

00:27:54,329 --> 00:27:52,389

that it's violating the state law but it

644

00:27:57,149 --> 00:27:54,339

also has the state constitution state

645

00:27:58,589 --> 00:27:57,159

constitution but there's also some

646

00:28:00,389 --> 00:27:58,599

pretty strong arguments that are going

647

00:28:03,869 --> 00:28:00,399

to be coming up in the next couple weeks

648

00:28:06,659 --> 00:28:03,879

and that regarding has they also

649

00:28:07,949 --> 00:28:06,669

violated the US Constitution as you

650

00:28:10,919 --> 00:28:07,959

point out there's actually been multiple

651  
00:28:15,029 --> 00:28:10,929  
orders from Newsom has every one of them

652  
00:28:16,859 --> 00:28:15,039  
used the word he'd pretty much not all

653  
00:28:19,259 --> 00:28:16,869  
of them are you know he's injured so

654  
00:28:21,089 --> 00:28:19,269  
many executive orders I'm probably today

655  
00:28:24,209 --> 00:28:21,099  
or tomorrow going to be doing a YouTube

656  
00:28:25,919 --> 00:28:24,219  
live on the topic of just every

657  
00:28:28,379 --> 00:28:25,929  
executive order that has come out of

658  
00:28:29,849 --> 00:28:28,389  
Gavin Newsome mouth as a result of this

659  
00:28:32,639 --> 00:28:29,859  
I mean it's like every day there's a new

660  
00:28:35,729 --> 00:28:32,649  
executive order not all of them are

661  
00:28:38,759 --> 00:28:35,739  
related to what the people are to do

662  
00:28:41,759 --> 00:28:38,769  
some of them are usually utilizing his

663  
00:28:43,619 --> 00:28:41,769

authority you know okay we're gonna make

664

00:28:45,509 --> 00:28:43,629

sure that our school stay funded because

665

00:28:47,789 --> 00:28:45,519

schools are funded based upon how many

666

00:28:49,529 --> 00:28:47,799

days they're open well we're gonna make

667

00:28:51,869 --> 00:28:49,539

sure that next year's school budget is

668

00:28:54,509 --> 00:28:51,879

not deprived because we had to close

669

00:28:54,790 --> 00:28:54,519

everything up this year you know so some

670

00:28:56,620 --> 00:28:54,800

of the

671

00:28:58,090 --> 00:28:56,630

have absolutely nothing to do with

672

00:29:01,300 --> 00:28:58,100

shelter-in-place or anything like that

673

00:29:06,790 --> 00:29:01,310

there you know like the executive orders

674

00:29:09,730 --> 00:29:06,800

regarding the elections but when he has

675

00:29:14,080 --> 00:29:09,740

come out when he's been talking about

676

00:29:15,940 --> 00:29:14,090

following public health directives he

677

00:29:18,910 --> 00:29:15,950

has used the word he'd he's been very

678

00:29:21,070 --> 00:29:18,920

consistent that way uh what about the

679

00:29:24,670 --> 00:29:21,080

schools he's ordered the schools closed

680

00:29:27,580 --> 00:29:24,680

yes okay how do you evaluate that from a

681

00:29:33,100 --> 00:29:27,590

constitutional perspective the the law

682

00:29:35,980 --> 00:29:33,110

on quarantine has act is actually pretty

683

00:29:38,800 --> 00:29:35,990

explicit that they have the power to

684

00:29:40,270 --> 00:29:38,810

just basically shut down the schools

685

00:29:46,840 --> 00:29:40,280

during that issue

686

00:29:48,160 --> 00:29:46,850

I haven't public and private I'd have to

687

00:29:49,600 --> 00:29:48,170

go and look at it I don't think it's

688

00:29:52,500 --> 00:29:49,610

been interpreted I didn't look at it

689

00:29:55,180 --> 00:29:52,510

very carefully but the quarantine law

690

00:29:57,870 --> 00:29:55,190

indicated that in order to protect the

691

00:30:02,140 --> 00:29:57,880

spread of it they have the ability to

692

00:30:04,480 --> 00:30:02,150

ensure now the question becomes because

693

00:30:06,940 --> 00:30:04,490

it's a statute a couple below the one

694

00:30:09,760 --> 00:30:06,950

that says that's been interpreted by the

695

00:30:12,960 --> 00:30:09,770

courts as to only allow them to

696

00:30:15,610 --> 00:30:12,970

quarantine those people who they know

697

00:30:18,520 --> 00:30:15,620

does that mean that the courts would

698

00:30:23,170 --> 00:30:18,530

interpreted that yes okay you can't make

699

00:30:26,290 --> 00:30:23,180

somebody who they know has this to go to

700

00:30:27,970 --> 00:30:26,300

school you know it's there there needs

701  
00:30:30,640 --> 00:30:27,980  
to be some more research on it but the

702  
00:30:32,500 --> 00:30:30,650  
plain reading of it tends to indicate

703  
00:30:34,030 --> 00:30:32,510  
that the state has power to just kind of

704  
00:30:36,580 --> 00:30:34,040  
shut down the school you certainly think

705  
00:30:38,950 --> 00:30:36,590  
as to the public schools that would have

706  
00:30:40,660 --> 00:30:38,960  
that but back to the personal liberty

707  
00:30:43,650 --> 00:30:40,670  
which is in the California Constitution

708  
00:30:45,700 --> 00:30:43,660  
yeah but that clearly would apply to is

709  
00:30:47,740 --> 00:30:45,710  
limiting someone to that you can't leave

710  
00:30:50,740 --> 00:30:47,750  
your home they accept under these

711  
00:30:53,260 --> 00:30:50,750  
circumstances that is a clear violation

712  
00:30:55,390 --> 00:30:53,270  
of personal liberty that the courts have

713  
00:30:59,050 --> 00:30:55,400

already said that yes right it's so it's

714

00:31:01,600 --> 00:30:59,060

it and you also you know our article one

715

00:31:06,070 --> 00:31:01,610

section one says their right to obtain

716

00:31:08,190 --> 00:31:06,080

and maintain property if you are a small

717

00:31:12,419 --> 00:31:08,200

business owner let's say

718

00:31:14,610 --> 00:31:12,429

that you own a bar you're not allowed to

719

00:31:16,259 --> 00:31:14,620

open that bar that means you're not

720

00:31:17,430 --> 00:31:16,269

allowed to go down there because they're

721

00:31:20,340 --> 00:31:17,440

saying that you have to stay at home

722

00:31:23,580 --> 00:31:20,350

you're not allowed to maintain that

723

00:31:25,919 --> 00:31:23,590

property to protect that property and

724

00:31:27,690 --> 00:31:25,929

you're left up to the National Guard if

725

00:31:29,519 --> 00:31:27,700

that gets called in or the or the police

726

00:31:32,700 --> 00:31:29,529

to guard it who are the people who are

727

00:31:34,279 --> 00:31:32,710

most likely to disobey this order the

728

00:31:36,269 --> 00:31:34,289

people who are lawbreakers and

729

00:31:39,000 --> 00:31:36,279

lawbreakers are looking for

730

00:31:41,220 --> 00:31:39,010

opportunities home burglaries have gone

731

00:31:44,580 --> 00:31:41,230

down with everybody staying at home what

732

00:31:46,980 --> 00:31:44,590

has gone up break-ins at businesses that

733

00:31:48,570 --> 00:31:46,990

there's nobody there to protect by

734

00:31:50,610 --> 00:31:48,580

making air-based at home you're

735

00:31:52,799 --> 00:31:50,620

decreasing the opportunity for people to

736

00:31:54,840 --> 00:31:52,809

protect their property also when you

737

00:31:58,680 --> 00:31:54,850

shut down a business let's say it's a

738

00:32:03,210 --> 00:31:58,690

bar that bartender now does not have the

739

00:32:06,690 --> 00:32:03,220

ability to obtain property you have cut

740

00:32:09,659 --> 00:32:06,700

off their constitutional right just

741

00:32:12,330 --> 00:32:09,669

because they are a bartender to go out

742

00:32:14,190 --> 00:32:12,340

and obtain property because they can't

743

00:32:16,980 --> 00:32:14,200

make the money they can't go you know

744

00:32:19,019 --> 00:32:16,990

buy additional property there are so

745

00:32:21,840 --> 00:32:19,029

many problems with what's going on

746

00:32:25,110 --> 00:32:21,850

because we're quarantine een everybody

747

00:32:27,090 --> 00:32:25,120

and we're making the decision as to what

748

00:32:29,659 --> 00:32:27,100

is essential and what is not essential

749

00:32:31,680 --> 00:32:29,669

and here's it here's just a common sense

750

00:32:36,299 --> 00:32:31,690

let's put a little common sense into

751

00:32:39,560 --> 00:32:36,309

this because we're rationing milk and

752

00:32:43,590 --> 00:32:39,570

eggs to you know one one gallon and and

753

00:32:45,659 --> 00:32:43,600

one dozen eggs if you are a family of

754

00:32:48,870 --> 00:32:45,669

five you're gonna have to go to the

755

00:32:50,600 --> 00:32:48,880

grocery store every single day which

756

00:32:53,789 --> 00:32:50,610

means you're you're being put into

757

00:32:55,830 --> 00:32:53,799

contact with with somebody at the

758

00:32:57,960 --> 00:32:55,840

grocery store every single day and

759

00:32:59,789 --> 00:32:57,970

here's a deal because we're closing our

760

00:33:01,740 --> 00:32:59,799

restaurants down more people have to go

761

00:33:04,259 --> 00:33:01,750

to the grocery store so instead of

762

00:33:06,060 --> 00:33:04,269

spreading everybody out what we have

763

00:33:08,669 --> 00:33:06,070

done is we forced everybody into a

764

00:33:10,740 --> 00:33:08,679

consolidated area and because we've put

765

00:33:13,259 --> 00:33:10,750

rationing principles in people have to

766

00:33:14,610 --> 00:33:13,269

go there even more and that's why you're

767

00:33:16,799 --> 00:33:14,620

going to the grocery stores and you're

768

00:33:20,299 --> 00:33:16,809

seeing a lot of empty aisles and stuff

769

00:33:22,140 --> 00:33:20,309

like that because you're forcing

770

00:33:23,580 --> 00:33:22,150

everybody rather than

771

00:33:26,910 --> 00:33:23,590

spread out you know they're food

772

00:33:30,720 --> 00:33:26,920

purchases between the restaurants and

773

00:33:32,430 --> 00:33:30,730

the grocery stores now everything's a

774

00:33:33,900 --> 00:33:32,440

grocery store and because of rationing

775

00:33:36,480 --> 00:33:33,910

everybody has to go to that gorgeous

776

00:33:37,980 --> 00:33:36,490

standing in line together and whether it

777

00:33:39,240 --> 00:33:37,990

be waiting outside a restaurant to get

778

00:33:41,670 --> 00:33:39,250

in or waiting to get into a grocery

779

00:33:44,660 --> 00:33:41,680

store I had that experience this weekend

780

00:33:47,660 --> 00:33:44,670

I went to Joshua Tree National Park

781

00:33:50,160 --> 00:33:47,670

Joshua Tree National Park on Saturday

782

00:33:52,980 --> 00:33:50,170

closed I don't know if you've been there

783

00:33:56,040 --> 00:33:52,990

but this is a 60 mile wide park in the

784

00:33:57,660 --> 00:33:56,050

middle of the desert wide open they

785

00:33:59,120 --> 00:33:57,670

closed it so what do you have you have

786

00:34:01,950 --> 00:33:59,130

all these people at the entrance

787

00:34:03,300 --> 00:34:01,960

congregating they were turning cars away

788

00:34:05,210 --> 00:34:03,310

but they're allowing people to walk into

789

00:34:08,190 --> 00:34:05,220

the park ok there's all these people now

790

00:34:10,500 --> 00:34:08,200

hiking in Joshua Tree Park all together

791

00:34:11,909 --> 00:34:10,510

instead of being spread out among the 60

792

00:34:14,930 --> 00:34:11,919

miles I checked all the other parks

793

00:34:17,730 --> 00:34:14,940

Yosemite National Park is now closed

794

00:34:20,010 --> 00:34:17,740

Sequoia Park all the national parks have

795

00:34:23,310 --> 00:34:20,020

closed these huge wide-open spaces yeah

796

00:34:26,010 --> 00:34:23,320

I mean I went for a run on Sunday

797

00:34:28,560 --> 00:34:26,020

morning up to Mount Wilson over Los

798

00:34:30,960 --> 00:34:28,570

Angeles and you know what it was a

799

00:34:32,190 --> 00:34:30,970

five-mile on a paved road that was

800

00:34:33,240 --> 00:34:32,200

closed because they've closed the

801  
00:34:36,120 --> 00:34:33,250  
observatory

802  
00:34:38,909 --> 00:34:36,130  
I was probably most of time with the

803  
00:34:41,880 --> 00:34:38,919  
closest person to me was it was in a

804  
00:34:44,970 --> 00:34:41,890  
it was at least a mile I mean that's on

805  
00:34:48,960 --> 00:34:44,980  
average during that you know run here's

806  
00:34:51,450 --> 00:34:48,970  
the deal just the other day we saw LA

807  
00:34:56,730 --> 00:34:51,460  
County is closing down all the hiking

808  
00:34:58,080 --> 00:34:56,740  
trails and the foothills why I mean

809  
00:35:00,690 --> 00:34:58,090  
people are in the fresh air they're

810  
00:35:02,580 --> 00:35:00,700  
getting exercise because they hear a

811  
00:35:05,610 --> 00:35:02,590  
couple complaints that people were

812  
00:35:07,230 --> 00:35:05,620  
within the six feet of each other well

813  
00:35:08,700 --> 00:35:07,240

if they're not coughing on them right

814

00:35:10,740 --> 00:35:08,710

there yeah you got you know these trails

815

00:35:13,140 --> 00:35:10,750

are narrow you're gonna pass every now

816

00:35:16,740 --> 00:35:13,150

and then but it's it's not like these

817

00:35:19,380 --> 00:35:16,750

people were endangering it is well you

818

00:35:22,020 --> 00:35:19,390

pointed out internment after or during

819

00:35:23,970 --> 00:35:22,030

World War two after Pearl Harbor and you

820

00:35:28,410 --> 00:35:23,980

could cite example of example of

821

00:35:30,990 --> 00:35:28,420

Americans overreacting to a dramatic

822

00:35:34,710 --> 00:35:31,000

incident it is human nature now to have

823

00:35:35,760 --> 00:35:34,720

fear panic and overreaction set in and

824

00:35:37,530 --> 00:35:35,770

you know

825

00:35:39,390 --> 00:35:37,540

a good argument says that that's what

826  
00:35:41,010 --> 00:35:39,400  
happened after 9/11 that we overreacted

827  
00:35:42,510 --> 00:35:41,020  
to 9/11 and you kind of look at it but

828  
00:35:45,810 --> 00:35:42,520  
we opened up our airports for them four

829  
00:35:50,760 --> 00:35:45,820  
days of 9/11 within four days of 9/11 we

830  
00:35:54,150 --> 00:35:50,770  
we we reopened the economy this you know

831  
00:35:57,810 --> 00:35:54,160  
we are you know I like to go back to

832  
00:36:00,420 --> 00:35:57,820  
FDR's phrase the only thing to fear is

833  
00:36:03,690 --> 00:36:00,430  
fear itself and unfortunately as you're

834  
00:36:06,290 --> 00:36:03,700  
saying right now people are fearing and

835  
00:36:11,370 --> 00:36:06,300  
it's allowing the politicians to

836  
00:36:13,650 --> 00:36:11,380  
overstep their the limitations that are

837  
00:36:15,390 --> 00:36:13,660  
put upon them and we're letting them to

838  
00:36:16,770 --> 00:36:15,400

do it and you know people and I've been

839

00:36:19,290 --> 00:36:16,780

attacked by some of the things that I've

840

00:36:20,700 --> 00:36:19,300

said on you know today I said it on

841

00:36:23,550 --> 00:36:20,710

YouTube and I've been attacked saying

842

00:36:26,280 --> 00:36:23,560

you know what I've been a lifelong you

843

00:36:28,920 --> 00:36:26,290

know liberty-loving American and I think

844

00:36:33,510 --> 00:36:28,930

that you know you are the problem

845

00:36:36,600 --> 00:36:33,520

no I'm saying in the same way that you

846

00:36:39,630 --> 00:36:36,610

don't tell curfew to your 23 year old is

847

00:36:41,730 --> 00:36:39,640

the same thing Americans are smart

848

00:36:46,200 --> 00:36:41,740

enough we live in the information age in

849

00:36:50,700 --> 00:36:46,210

between Facebook the internet Twitter

850

00:36:52,830 --> 00:36:50,710

the news media cable news you have the

851

00:36:55,020 --> 00:36:52,840

ability to get the information out there

852

00:36:56,880 --> 00:36:55,030

now you have to use your brain and use

853

00:36:58,230 --> 00:36:56,890

critical thinking skills to figure out

854

00:37:02,160 --> 00:36:58,240

what's important and what's not

855

00:37:05,460 --> 00:37:02,170

important but here's the deal you have a

856

00:37:08,090 --> 00:37:05,470

greater chance of being killed in a car

857

00:37:09,990 --> 00:37:08,100

accident than you do dying of

858

00:37:12,060 --> 00:37:10,000

coronavirus in the United States right

859

00:37:13,440 --> 00:37:12,070

now yeah yeah yeah and I do think cars

860

00:37:15,600 --> 00:37:13,450

is a really important example I've been

861

00:37:18,060 --> 00:37:15,610

using that a lot because we know tens of

862

00:37:20,250 --> 00:37:18,070

thousands of people die every year from

863

00:37:22,770 --> 00:37:20,260

car accidents but we don't shut down

864

00:37:24,750 --> 00:37:22,780

driving there is risk associated with

865

00:37:26,850 --> 00:37:24,760

life we all choose to accept that risk

866

00:37:29,370 --> 00:37:26,860

but all the sudden people are in this oh

867

00:37:31,470 --> 00:37:29,380

if we could save one life it's all worth

868

00:37:32,640 --> 00:37:31,480

it wrong it's not worth it that's not

869

00:37:34,290 --> 00:37:32,650

the way we conduct ourselves that's not

870

00:37:36,570 --> 00:37:34,300

the way we live our lives especially not

871

00:37:39,320 --> 00:37:36,580

as Americans yeah what we're gonna do

872

00:37:42,060 --> 00:37:39,330

this is gonna have a long-term impact

873

00:37:45,930 --> 00:37:42,070

you know we already were hearing words

874

00:37:49,350 --> 00:37:45,940

about the the over the bloated pensions

875

00:37:51,690 --> 00:37:49,360

in the state of California what's going

876

00:37:54,630 --> 00:37:51,700

to happen because the stock market has

877

00:37:56,400 --> 00:37:54,640

tanked to all these cities if you

878

00:37:58,920 --> 00:37:56,410

remember what happened in 2008 when the

879

00:38:00,660 --> 00:37:58,930

stock market crashed cities had to start

880

00:38:03,170 --> 00:38:00,670

laying off firefighters and police

881

00:38:06,030 --> 00:38:03,180

departments because they had designated

882

00:38:07,940 --> 00:38:06,040

amount of money that they had to pay for

883

00:38:10,980 --> 00:38:07,950

pensions for people who no longer worked

884

00:38:12,870 --> 00:38:10,990

what's gonna happen if real estate

885

00:38:14,430 --> 00:38:12,880

prices start having to fall because

886

00:38:17,430 --> 00:38:14,440

people have to start pulling more money

887

00:38:19,020 --> 00:38:17,440

out you know have to start selling the

888

00:38:23,070 --> 00:38:19,030

real estate in order to pay their bills

889

00:38:26,520 --> 00:38:23,080

if we have a real estate crash like we

890

00:38:29,460 --> 00:38:26,530

did in 2008 now that means our cities

891

00:38:32,910 --> 00:38:29,470

are gonna get less tax dollars out of

892

00:38:35,310 --> 00:38:32,920

property tax now over the next six

893

00:38:37,500 --> 00:38:35,320

months people are gonna have to recover

894

00:38:39,920 --> 00:38:37,510

from this you know not working for a

895

00:38:43,200 --> 00:38:39,930

couple months which means they're gonna

896

00:38:44,430 --> 00:38:43,210

restore their personal finances which

897

00:38:45,690 --> 00:38:44,440

means they're not going to be going to

898

00:38:47,130 --> 00:38:45,700

restaurants they're not going to be

899

00:38:49,080 --> 00:38:47,140

going to the movie theaters they're not

900

00:38:51,060 --> 00:38:49,090

going to be doing stuff thus they're not

901  
00:38:52,830 --> 00:38:51,070  
gonna be spending their dollars and the

902  
00:38:55,320 --> 00:38:52,840  
sales tax that's gonna be affecting the

903  
00:38:57,360 --> 00:38:55,330  
communities our communities are gonna be

904  
00:38:59,580 --> 00:38:57,370  
hit because of the stock market crash

905  
00:39:00,660 --> 00:38:59,590  
and their pit and that what that's gonna

906  
00:39:02,940 --> 00:39:00,670  
do to the pensions are they're gonna

907  
00:39:04,920 --> 00:39:02,950  
have to layoff essential personnel in

908  
00:39:07,800 --> 00:39:04,930  
these counties and cities we're probably

909  
00:39:10,140 --> 00:39:07,810  
gonna see several cities and actually

910  
00:39:12,870 --> 00:39:10,150  
have to file bankruptcy in the near

911  
00:39:15,180 --> 00:39:12,880  
future because the sales people are

912  
00:39:17,400 --> 00:39:15,190  
gonna be spending less to try to regain

913  
00:39:19,290 --> 00:39:17,410

their personal financial fitting footing

914

00:39:20,940 --> 00:39:19,300

you're gonna see less sales tax which

915

00:39:22,560 --> 00:39:20,950

means less money for the cities and

916

00:39:24,720 --> 00:39:22,570

you're gonna probably see less property

917

00:39:27,150 --> 00:39:24,730

taxes because property values are gonna

918

00:39:30,390 --> 00:39:27,160

fall all over result is because we've

919

00:39:33,210 --> 00:39:30,400

crashed our economy because our

920

00:39:35,430 --> 00:39:33,220

politicians have over stepped their

921

00:39:38,160 --> 00:39:35,440

authority what I find interesting about

922

00:39:42,330 --> 00:39:38,170

that is here the Constitution is there

923

00:39:44,550 --> 00:39:42,340

to protect us right and it really if it

924

00:39:46,560 --> 00:39:44,560

had been followed it would be there

925

00:39:49,620 --> 00:39:46,570

protecting us right now against

926  
00:39:52,890 --> 00:39:49,630  
politicians overreaching and crashing

927  
00:39:54,690 --> 00:39:52,900  
the economy so the the courts had

928  
00:39:56,880 --> 00:39:54,700  
already interpreted our constitutions

929  
00:39:58,470 --> 00:39:56,890  
and struck a proper balance when it

930  
00:39:59,970 --> 00:39:58,480  
comes to quarantine people in

931  
00:40:01,650 --> 00:39:59,980  
circumstances like this as you point out

932  
00:40:02,010 --> 00:40:01,660  
we've had this before we had the Spanish

933  
00:40:02,520 --> 00:40:02,020  
flu

934  
00:40:04,620 --> 00:40:02,530  
yeah

935  
00:40:05,940 --> 00:40:04,630  
there's court cases on this interpreting

936  
00:40:07,650 --> 00:40:05,950  
what you're allowed to do in these

937  
00:40:11,040 --> 00:40:07,660  
circumstances if we had followed those

938  
00:40:12,930 --> 00:40:11,050

court cases we will be doing all those

939

00:40:16,080 --> 00:40:12,940

things just like Donald Trump is doing

940

00:40:19,140 --> 00:40:16,090

its guidelines and you know what if

941

00:40:21,630 --> 00:40:19,150

you're 70 years old you don't go get on

942

00:40:24,930 --> 00:40:21,640

a cruise ship right now you don't get on

943

00:40:26,850 --> 00:40:24,940

a airplane right now you stay home you

944

00:40:28,140 --> 00:40:26,860

have a major health condition or you

945

00:40:30,660 --> 00:40:28,150

have a major health condition over a

946

00:40:32,820 --> 00:40:30,670

certain age you know those people should

947

00:40:34,920 --> 00:40:32,830

be self quarantine and being extremely

948

00:40:36,690 --> 00:40:34,930

cautious about interacting with anyone

949

00:40:37,340 --> 00:40:36,700

my parents are in their 80s they're in

950

00:40:39,630 --> 00:40:37,350

good health

951  
00:40:41,880 --> 00:40:39,640  
Easter is coming up I was planning to

952  
00:40:43,560 --> 00:40:41,890  
visit them and they said stay home we

953  
00:40:44,790 --> 00:40:43,570  
don't want to see they still wanted to

954  
00:40:46,590 --> 00:40:44,800  
see us because they love their kids so

955  
00:40:48,930 --> 00:40:46,600  
much and they love seeing us but it's

956  
00:40:52,290 --> 00:40:48,940  
the kids actually that are saying we're

957  
00:40:55,350 --> 00:40:52,300  
not going to risk interacting with you

958  
00:40:57,210 --> 00:40:55,360  
that's the way to do it you doesn't

959  
00:40:59,130 --> 00:40:57,220  
require a total shutdown but most

960  
00:41:00,660 --> 00:40:59,140  
important for this conversation forget

961  
00:41:02,250 --> 00:41:00,670  
about what you should do or shouldn't

962  
00:41:03,870 --> 00:41:02,260  
you're saying it violates the

963  
00:41:05,850 --> 00:41:03,880

Constitution so either you believe in

964

00:41:08,070 --> 00:41:05,860

the Constitution you don't we don't have

965

00:41:10,020 --> 00:41:08,080

a provision that allows the Constitution

966

00:41:12,540 --> 00:41:10,030

to be suspended under exigent

967

00:41:14,520 --> 00:41:12,550

circumstances correct there are there's

968

00:41:17,610 --> 00:41:14,530

one provision of the Constitution that

969

00:41:20,070 --> 00:41:17,620

they have the ability to suspend but

970

00:41:23,340 --> 00:41:20,080

it's in the Constitution that says that

971

00:41:27,180 --> 00:41:23,350

this provision can be suspended Abraham

972

00:41:29,730 --> 00:41:27,190

Lincoln gets a lot of you know a lot of

973

00:41:31,640 --> 00:41:29,740

people are upset at Abraham Lincoln for

974

00:41:33,870 --> 00:41:31,650

suspending the rights of habeas corpus

975

00:41:35,670 --> 00:41:33,880

but it's in the Constitution that says

976  
00:41:40,020 --> 00:41:35,680  
he has that authority during the time of

977  
00:41:42,510 --> 00:41:40,030  
war he utilized his War Powers to

978  
00:41:44,790 --> 00:41:42,520  
suspend certain rights under the

979  
00:41:46,110 --> 00:41:44,800  
Constitution that is the only provision

980  
00:41:49,680 --> 00:41:46,120  
of the Constitution that I'm aware of

981  
00:41:51,590 --> 00:41:49,690  
that has the right to be suspended every

982  
00:41:54,570 --> 00:41:51,600  
other constitutional right that you have

983  
00:41:56,730 --> 00:41:54,580  
they do not have the right to suspend

984  
00:41:59,280 --> 00:41:56,740  
whether it's a state of emergency or a

985  
00:42:01,710 --> 00:41:59,290  
state of war it's same with California

986  
00:42:06,260 --> 00:42:01,720  
same with California so are there any

987  
00:42:12,390 --> 00:42:09,300  
my firm has been in communication with a

988  
00:42:15,120 --> 00:42:12,400

lot of potential clients we have not

989

00:42:15,990 --> 00:42:15,130

filed one yet I do know that there are

990

00:42:18,900 --> 00:42:16,000

people in the

991

00:42:20,849 --> 00:42:18,910

gun owners around the gun stores that

992

00:42:22,530 --> 00:42:20,859

are looking at doing something I have

993

00:42:24,810 --> 00:42:22,540

not heard that any lawsuit has been

994

00:42:26,760 --> 00:42:24,820

filed yet I know you know this is still

995

00:42:28,830 --> 00:42:26,770

fresh we're about a week it's you know

996

00:42:31,830 --> 00:42:28,840

you have to make sure that you have the

997

00:42:33,920 --> 00:42:31,840

right case and you know these type of

998

00:42:37,890 --> 00:42:33,930

lawsuits are going to be very expensive

999

00:42:39,900 --> 00:42:37,900

well on the one hand I get it you need

1000

00:42:43,020 --> 00:42:39,910

time to evaluate the cases on but the

1001  
00:42:44,430 --> 00:42:43,030  
other hand just as the governors are

1002  
00:42:45,720 --> 00:42:44,440  
saying these are edges and exigent

1003  
00:42:47,339 --> 00:42:45,730  
circumstances these need to be

1004  
00:42:49,200 --> 00:42:47,349  
implemented right away they are tanking

1005  
00:42:52,230 --> 00:42:49,210  
our economy and destroying our liberties

1006  
00:42:54,900 --> 00:42:52,240  
as we speak so it's almost as if we need

1007  
00:42:56,070 --> 00:42:54,910  
to be in court immediately challenging

1008  
00:42:59,780 --> 00:42:56,080  
these trying to get a temporary

1009  
00:43:02,310 --> 00:42:59,790  
restraining order to keep the state from

1010  
00:43:04,170 --> 00:43:02,320  
destroying our condoms I'm not gonna

1011  
00:43:07,980 --> 00:43:04,180  
argue with you there but I've done some

1012  
00:43:09,120 --> 00:43:07,990  
pretty high-level litigations against

1013  
00:43:11,790 --> 00:43:09,130

the state and if you're gonna be suing

1014

00:43:15,089 --> 00:43:11,800

the state on constitutional violations

1015

00:43:17,580 --> 00:43:15,099

you need it's not just something that a

1016

00:43:19,890 --> 00:43:17,590

solo attorney is going to just be able

1017

00:43:23,220 --> 00:43:19,900

to go in there and when you really need

1018

00:43:24,660 --> 00:43:23,230

a powerful team a group of attorneys

1019

00:43:26,220 --> 00:43:24,670

that are working together because you're

1020

00:43:28,320 --> 00:43:26,230

gonna have a bunch of attorneys working

1021

00:43:30,630 --> 00:43:28,330

around the clock I've cited some

1022

00:43:32,370 --> 00:43:30,640

information that comes from 30 hours of

1023

00:43:34,920 --> 00:43:32,380

research that I've done on this issue

1024

00:43:36,720 --> 00:43:34,930

and I've just I've just scraped the top

1025

00:43:38,220 --> 00:43:36,730

of it the level of research that would

1026

00:43:40,260 --> 00:43:38,230

need to be done just before you could

1027

00:43:42,870 --> 00:43:40,270

even file one of these lawsuits to get a

1028

00:43:45,780 --> 00:43:42,880

federal judge or state judge to go yeah

1029

00:43:48,630 --> 00:43:45,790

the state is unconstitutional you're

1030

00:43:52,200 --> 00:43:48,640

probably talking I would say at minimum

1031

00:43:53,820 --> 00:43:52,210

500 hours of attorney time okay if you

1032

00:43:55,920 --> 00:43:53,830

if you actually wanted to be successful

1033

00:43:58,589 --> 00:43:55,930

if all you wanted to do is go raise some

1034

00:44:00,570 --> 00:43:58,599

money and highlight this issue yeah I

1035

00:44:02,280 --> 00:44:00,580

could have filed a lawsuit yesterday I

1036

00:44:04,079 --> 00:44:02,290

could have filed a lawsuit on Friday

1037

00:44:06,240 --> 00:44:04,089

it would have been bare-bones but the

1038

00:44:08,579 --> 00:44:06,250

likelihood of success would have been

1039

00:44:11,579 --> 00:44:08,589

very small if you actually want to have

1040

00:44:13,470 --> 00:44:11,589

a successful lawsuit that actually comes

1041

00:44:17,579 --> 00:44:13,480

down and tells the state of California

1042

00:44:19,079 --> 00:44:17,589

no you have overstepped your Browns well

1043

00:44:21,720 --> 00:44:19,089

but there's a lot of public interest law

1044

00:44:23,609 --> 00:44:21,730

groups out there oftentimes on what

1045

00:44:24,839 --> 00:44:23,619

would be considered the left but I know

1046

00:44:28,800 --> 00:44:24,849

there's some on the right isn't like

1047

00:44:29,640 --> 00:44:28,810

Pacific Law Foundation yeah why are they

1048

00:44:31,529 --> 00:44:29,650

bringing

1049

00:44:33,480 --> 00:44:31,539

this case because I get it I know it

1050

00:44:34,980 --> 00:44:33,490

requires a lot of work but the way

1051

00:44:38,549 --> 00:44:34,990

you're describing things this is a

1052

00:44:40,620 --> 00:44:38,559

clear-cut violation of the California

1053

00:44:42,269 --> 00:44:40,630

Constitution if not the US Constitution

1054

00:44:44,339 --> 00:44:42,279

but as we mentioned I was one of the

1055

00:44:47,519 --> 00:44:44,349

first attorneys in the nation that

1056

00:44:49,260 --> 00:44:47,529

started talking about this and you know

1057

00:44:51,120 --> 00:44:49,270

is it because I got tired of people

1058

00:44:52,950 --> 00:44:51,130

saying are we in martial law and I just

1059

00:44:55,710 --> 00:44:52,960

started down a rabbit trail and it it

1060

00:44:58,980 --> 00:44:55,720

was 30 hours of research and that all

1061

00:45:00,900 --> 00:44:58,990

Son finished the day that you know gavin

1062

00:45:03,359 --> 00:45:00,910

newsom does executive order so i was in

1063

00:45:05,279 --> 00:45:03,369

a position to immediately come out there

1064

00:45:06,900 --> 00:45:05,289

and talk about it you know you got a lot

1065

00:45:08,910 --> 00:45:06,910

of law firms that have all their

1066

00:45:10,500 --> 00:45:08,920

employees at home they're not you know

1067

00:45:12,150 --> 00:45:10,510

sitting in a room talking and discussing

1068

00:45:13,710 --> 00:45:12,160

and doing the research it really does

1069

00:45:15,120 --> 00:45:13,720

need to be what they call pro bono work

1070

00:45:17,430 --> 00:45:15,130

it needs to be essentially for free it

1071

00:45:18,900 --> 00:45:17,440

needs to be a foundation that is funded

1072

00:45:20,670 --> 00:45:18,910

by people who are concerned about

1073

00:45:23,819 --> 00:45:20,680

government overreach that's the type of

1074

00:45:25,019 --> 00:45:23,829

entity that our firm that needs to bring

1075

00:45:27,359 --> 00:45:25,029

this hopefully will because I what I

1076

00:45:28,559 --> 00:45:27,369

envision happening is right now the

1077

00:45:30,809 --> 00:45:28,569

federal government the states are

1078

00:45:33,960 --> 00:45:30,819

relatively aligned but with Trump

1079

00:45:36,390 --> 00:45:33,970

pushing more and more to ease his own

1080

00:45:38,220 --> 00:45:36,400

guidelines yeah if the states are going

1081

00:45:42,029 --> 00:45:38,230

their own direction look if California

1082

00:45:45,210 --> 00:45:42,039

in New York if California New York are

1083

00:45:47,069 --> 00:45:45,220

shut down the u.s. is shut down so the

1084

00:45:49,650 --> 00:45:47,079

control over this right now is with the

1085

00:45:51,450 --> 00:45:49,660

governors yeah right well I you know and

1086

00:45:54,260 --> 00:45:51,460

so the my point being one of these

1087

00:45:57,029 --> 00:45:54,270

lawsuits may be necessary I and as I

1088

00:45:59,789 --> 00:45:57,039

ever since I did that YouTube video you

1089

00:46:02,519 --> 00:45:59,799

know within hours of Gavin Newsom doing

1090

00:46:04,019 --> 00:46:02,529

his executive order my phone has been

1091

00:46:06,900 --> 00:46:04,029

going off the hook and I've been talking

1092

00:46:09,559 --> 00:46:06,910

to people and you know unfortunately I'm

1093

00:46:13,289 --> 00:46:09,569

not a non-profit entity I work in a

1094

00:46:15,990 --> 00:46:13,299

midsize firm that you know survives on

1095

00:46:19,470 --> 00:46:16,000

people being able to pay their bills and

1096

00:46:22,230 --> 00:46:19,480

so I need a case where maybe it's a

1097

00:46:24,420 --> 00:46:22,240

group of restaurants or you know

1098

00:46:25,829 --> 00:46:24,430

somebody who owns a franchise that's had

1099

00:46:28,890 --> 00:46:25,839

to lay off hundreds of employees

1100

00:46:30,930 --> 00:46:28,900

Association yeah that's who has to be my

1101  
00:46:33,269 --> 00:46:30,940  
client you would and you would go in and

1102  
00:46:36,000 --> 00:46:33,279  
try to get first a temporary restraining

1103  
00:46:39,059 --> 00:46:36,010  
order yes that's that would be the most

1104  
00:46:41,279 --> 00:46:39,069  
logical thing to do mm-hmm

1105  
00:46:43,400 --> 00:46:41,289  
and let's talk about we only have a few

1106  
00:46:46,670 --> 00:46:43,410  
more minutes let's talk about guns

1107  
00:46:49,420 --> 00:46:46,680  
real quick so is it the city or the

1108  
00:46:53,480 --> 00:46:49,430  
county of LA that has been issuing these

1109  
00:46:55,730 --> 00:46:53,490  
restrictions on closing of stores saying

1110  
00:46:58,220 --> 00:46:55,740  
my understanding is it's a city of La

1111  
00:47:00,080 --> 00:46:58,230  
the City of LA but it's a county sheriff

1112  
00:47:01,670 --> 00:47:00,090  
that's enforcing it so that's that's

1113  
00:47:03,020 --> 00:47:01,680

really been a little confusing because I

1114

00:47:05,570 --> 00:47:03,030

have not heard that the county

1115

00:47:07,310 --> 00:47:05,580

supervisors have put a shelter in place

1116

00:47:09,890 --> 00:47:07,320

all I've heard is that the shelter in

1117

00:47:13,820 --> 00:47:09,900

place came from this this the mayor of

1118

00:47:16,520 --> 00:47:13,830

La but it's the sheriff that's enforcing

1119

00:47:17,780 --> 00:47:16,530

it and so it's like it does not make any

1120

00:47:21,110 --> 00:47:17,790

sense there seems to be a lot of

1121

00:47:23,960 --> 00:47:21,120

confusion here in LA County in LA City

1122

00:47:25,850 --> 00:47:23,970

as to who's actually making these orders

1123

00:47:29,660 --> 00:47:25,860

and who's enforcing these orders I mean

1124

00:47:31,370 --> 00:47:29,670

if it's a city ordinance then it would

1125

00:47:32,390 --> 00:47:31,380

be the city police that's both to

1126  
00:47:34,310 --> 00:47:32,400  
enforce it

1127  
00:47:36,800 --> 00:47:34,320  
you know the mayor of LA doesn't have

1128  
00:47:38,780 --> 00:47:36,810  
authority over LA County Sheriff but

1129  
00:47:40,340 --> 00:47:38,790  
it's not making sense to me well let's

1130  
00:47:42,500 --> 00:47:40,350  
just say stick with that life so LA City

1131  
00:47:44,210 --> 00:47:42,510  
is put in some these are real

1132  
00:47:45,800 --> 00:47:44,220  
restrictions California you're saying

1133  
00:47:47,150 --> 00:47:45,810  
he's saying he'd these so it's not

1134  
00:47:50,300 --> 00:47:47,160  
really clear where these are actual

1135  
00:47:52,030 --> 00:47:50,310  
orders that are enforceable by force of

1136  
00:47:54,170 --> 00:47:52,040  
law and let me tell you a fun story

1137  
00:47:57,140 --> 00:47:54,180  
actually one of the things that got me

1138  
00:47:58,190 --> 00:47:57,150

started into looking at executive orders

1139

00:47:59,750 --> 00:47:58,200

and everything like that

1140

00:48:03,140 --> 00:47:59,760

because I was reading a book at the

1141

00:48:04,760 --> 00:48:03,150

about the 1906 earthquake and in it they

1142

00:48:08,480 --> 00:48:04,770

talked about how the city was under

1143

00:48:10,340 --> 00:48:08,490

martial law and as I start researching

1144

00:48:13,550 --> 00:48:10,350

it I discovered that the governor of

1145

00:48:17,360 --> 00:48:13,560

California never actually issued a order

1146

00:48:19,550 --> 00:48:17,370

of martial law he never ordered the

1147

00:48:22,670 --> 00:48:19,560

National Guard to come in and maintain

1148

00:48:25,640 --> 00:48:22,680

peace and order what had happened was

1149

00:48:27,950 --> 00:48:25,650

the mayor of San Francisco basically

1150

00:48:29,960 --> 00:48:27,960

told the press I have told the National

1151

00:48:33,620 --> 00:48:29,970

Guard that they are to shoot on sight

1152

00:48:36,020 --> 00:48:33,630

anybody who is looting or whatever that

1153

00:48:38,840 --> 00:48:36,030

was not within the authority of a mayor

1154

00:48:41,420 --> 00:48:38,850

a mayor does not have the authority to

1155

00:48:44,030 --> 00:48:41,430

declare a state of emergency the mayor

1156

00:48:46,640 --> 00:48:44,040

does not have authority over the

1157

00:48:49,660 --> 00:48:46,650

National Guard and a mayor doesn't have

1158

00:48:54,050 --> 00:48:49,670

the authority over a County Sheriff and

1159

00:48:55,820 --> 00:48:54,060

so what you know yeah you know America

1160

00:48:56,420 --> 00:48:55,830

said he could say a lot of things but is

1161

00:48:59,060 --> 00:48:56,430

he

1162

00:49:03,080 --> 00:48:59,070

actually saying stuff that's was in his

1163

00:49:04,250 --> 00:49:03,090

authority the National Guard there's the

1164

00:49:07,190 --> 00:49:04,260

you know the president has some

1165

00:49:09,530 --> 00:49:07,200

authority over it with the permission of

1166

00:49:12,110 --> 00:49:09,540

a governor a governor has control of it

1167

00:49:14,120 --> 00:49:12,120

but even a governor does not send in the

1168

00:49:17,150 --> 00:49:14,130

National Guard to a city unless he has

1169

00:49:18,230 --> 00:49:17,160

some permission of the city and so what

1170

00:49:20,390 --> 00:49:18,240

we're seeing right now is that

1171

00:49:22,610 --> 00:49:20,400

politicians who are wanting to do

1172

00:49:25,480 --> 00:49:22,620

something they're wanting to go out and

1173

00:49:28,700 --> 00:49:25,490

talk to the media and say I'm doing

1174

00:49:30,380 --> 00:49:28,710

something about this crisis they're not

1175

00:49:31,970 --> 00:49:30,390

checked in with their lawyers they're

1176

00:49:34,190 --> 00:49:31,980

not checking with their constitution

1177

00:49:36,320 --> 00:49:34,200

they're not following you know proper

1178

00:49:39,230 --> 00:49:36,330

police powers and they're not following

1179

00:49:42,110 --> 00:49:39,240

proper Authority guidelines of who has

1180

00:49:44,540 --> 00:49:42,120

the authority they're just saying stuff

1181

00:49:46,250 --> 00:49:44,550

and at the end of the day we might find

1182

00:49:48,080 --> 00:49:46,260

out like the 1906 earthquake

1183

00:49:50,540 --> 00:49:48,090

it's the biggest urban legend out there

1184

00:49:52,610 --> 00:49:50,550

that martial law was in the city of San

1185

00:49:55,250 --> 00:49:52,620

Francisco during the earthquake because

1186

00:49:58,310 --> 00:49:55,260

there was never that authority granted

1187

00:50:00,590 --> 00:49:58,320

but you can still go to Wikipedia today

1188

00:50:02,660 --> 00:50:00,600

and you're gonna see that people believe

1189

00:50:05,870 --> 00:50:02,670

martial law was called out during the

1190

00:50:08,330 --> 00:50:05,880

1906 earthquake legally it never

1191

00:50:11,270 --> 00:50:08,340

happened the perception is there but

1192

00:50:13,070 --> 00:50:11,280

legality is that it never happened so

1193

00:50:14,660 --> 00:50:13,080

Garcetti zorder I think is similar to

1194

00:50:17,300 --> 00:50:14,670

San Francisco's order in a bunch of

1195

00:50:19,430 --> 00:50:17,310

counties up there which is basically

1196

00:50:21,800 --> 00:50:19,440

shelter in place you can only leave your

1197

00:50:25,520 --> 00:50:21,810

home to go to the grocery store go to

1198

00:50:28,700 --> 00:50:25,530

the doctor go care for a family member

1199

00:50:31,490 --> 00:50:28,710

or to go to an essential job yeah right

1200

00:50:33,850 --> 00:50:31,500

otherwise and you would say thousand

1201  
00:50:36,590 --> 00:50:33,860  
percent that's unconstitutional based on

1202  
00:50:38,870 --> 00:50:36,600  
prior court rulings based upon my

1203  
00:50:40,940 --> 00:50:38,880  
reading of what happened in the Spanish

1204  
00:50:43,880 --> 00:50:40,950  
flu and how the courts interpreted it

1205  
00:50:45,740 --> 00:50:43,890  
that is completely outside of the

1206  
00:50:47,900 --> 00:50:45,750  
guidelines because a public health

1207  
00:50:52,040 --> 00:50:47,910  
official is not allowed to quarantine

1208  
00:50:54,980 --> 00:50:52,050  
somebody who has not been they do not

1209  
00:50:56,450 --> 00:50:54,990  
have probable cause has the virus or

1210  
00:50:59,300 --> 00:50:56,460  
it's been associated with somebody that

1211  
00:51:03,050 --> 00:50:59,310  
has a virus and in turn he's trampled

1212  
00:51:07,550 --> 00:51:03,060  
over gun rights because he says well an

1213  
00:51:09,380 --> 00:51:07,560

essential job is not selling guns Merced

1214

00:51:09,860 --> 00:51:09,390

he says that's not an essential job so

1215

00:51:13,280 --> 00:51:09,870

guns

1216

00:51:14,750 --> 00:51:13,290

you are shut down and apparently he

1217

00:51:16,700 --> 00:51:14,760

stepped in it with that because it

1218

00:51:19,130 --> 00:51:16,710

appears as of this morning that they may

1219

00:51:21,380 --> 00:51:19,140

have already reversed that because

1220

00:51:23,750 --> 00:51:21,390

basically he's saying that I'm going to

1221

00:51:26,180 --> 00:51:23,760

deny you your second Amendment right to

1222

00:51:28,070 --> 00:51:26,190

bear arms because you can't go get one

1223

00:51:29,210 --> 00:51:28,080

yeah I've shut down the gun stores and

1224

00:51:30,860 --> 00:51:29,220

what's so funny is because we have

1225

00:51:32,360 --> 00:51:30,870

10-day waiting periods you know when

1226

00:51:35,210 --> 00:51:32,370

this started happening a lot of people

1227

00:51:36,680 --> 00:51:35,220

went out there and bought guns and Olson

1228

00:51:38,810 --> 00:51:36,690

learned that they had a 10-day waiting

1229

00:51:40,400 --> 00:51:38,820

period and then now with his gun stores

1230

00:51:42,290 --> 00:51:40,410

being shut down how can they go even

1231

00:51:45,620 --> 00:51:42,300

pick up their gun in ten days and

1232

00:51:47,780 --> 00:51:45,630

because of how the shelter-in-place

1233

00:51:51,070 --> 00:51:47,790

rules are going on the longer this goes

1234

00:51:53,300 --> 00:51:51,080

on the people who can't pay their

1235

00:51:54,740 --> 00:51:53,310

grocery bill because they don't have a

1236

00:51:58,370 --> 00:51:54,750

job they live paycheck to paycheck

1237

00:52:00,860 --> 00:51:58,380

they're gonna start wanting to loot and

1238

00:52:03,140 --> 00:52:00,870

riot and everything like that we are

1239

00:52:04,610 --> 00:52:03,150

sitting on a tinderbox I mean I've been

1240

00:52:06,290 --> 00:52:04,620

actually impressed with this people of

1241

00:52:08,900 --> 00:52:06,300

California that we haven't gone to riot

1242

00:52:11,810 --> 00:52:08,910

mode yet but the everyday that this is

1243

00:52:14,840 --> 00:52:11,820

going on is that much more likely that

1244

00:52:16,640 --> 00:52:14,850

somebody is not going to be able to pay

1245

00:52:18,260 --> 00:52:16,650

their bills there they're gonna just

1246

00:52:20,570 --> 00:52:18,270

steal something at the grocery store

1247

00:52:23,690 --> 00:52:20,580

it's gonna turn into a riot very quickly

1248

00:52:26,060 --> 00:52:23,700

plundered to see and we're gonna see the

1249

00:52:31,120 --> 00:52:26,070

National Guard called out very very

1250

00:52:34,100 --> 00:52:31,130

quickly to maintain peace and order and

1251  
00:52:36,800 --> 00:52:34,110  
we are making it worse because we got

1252  
00:52:39,620 --> 00:52:36,810  
politicians you know cutting off

1253  
00:52:41,420 --> 00:52:39,630  
people's ability to make money and cut

1254  
00:52:43,130 --> 00:52:41,430  
off people's ability to actually protect

1255  
00:52:44,630 --> 00:52:43,140  
their property yeah well and I'll give

1256  
00:52:46,760 --> 00:52:44,640  
you one last example before we finish

1257  
00:52:49,220 --> 00:52:46,770  
this the extent of Garcetti zorder

1258  
00:52:52,610 --> 00:52:49,230  
because he expressly stated this you

1259  
00:52:55,160 --> 00:52:52,620  
cannot leave your home in Los Angeles to

1260  
00:52:58,490 --> 00:52:55,170  
go to your vacation home in Palm Springs

1261  
00:53:01,250 --> 00:52:58,500  
I'm gonna leave my home get in my car

1262  
00:53:03,010 --> 00:53:01,260  
drive to my property in Palm Springs get

1263  
00:53:05,780 --> 00:53:03,020

out of the car and go into my house no

1264

00:53:08,630 --> 00:53:05,790

shelter in place you're not permitted to

1265

00:53:10,430 --> 00:53:08,640

go to your vacation home you know this

1266

00:53:12,170 --> 00:53:10,440

is having an effect on a lot of

1267

00:53:14,840 --> 00:53:12,180

different people I had people who were

1268

00:53:17,000 --> 00:53:14,850

actually planning on moving out of the

1269

00:53:18,890 --> 00:53:17,010

state Nelson because moving is not an

1270

00:53:21,740 --> 00:53:18,900

essential service can't move out of the

1271

00:53:23,210 --> 00:53:21,750

state people who are supposed to get

1272

00:53:25,339 --> 00:53:23,220

married this week

1273

00:53:26,839 --> 00:53:25,349

again are not gonna be allowed to get

1274

00:53:28,550 --> 00:53:26,849

married this weekend yeah they can go

1275

00:53:33,400 --> 00:53:28,560

have a justice of the peace wedding but

1276

00:53:36,260 --> 00:53:33,410

I mean it's this is having a dramatic

1277

00:53:39,710 --> 00:53:36,270

effect on the life of a lot of people

1278

00:53:42,160 --> 00:53:39,720

because the politicians don't want to

1279

00:53:45,680 --> 00:53:42,170

leave it at a guideline or a

1280

00:53:49,480 --> 00:53:45,690

recommendation they want to be able to

1281

00:53:52,160 --> 00:53:49,490

say that they are doing something and

1282

00:53:54,800 --> 00:53:52,170

the Constitution doesn't allow them that

1283

00:53:57,080 --> 00:53:54,810

authority but they don't care they're

1284

00:53:59,660 --> 00:53:57,090

gonna be like that mayor in San

1285

00:54:02,960 --> 00:53:59,670

Francisco in 1906 and they're gonna just

1286

00:54:05,300 --> 00:54:02,970

say stuff whether it's true or not yeah
