

California's Illegal

SHUTDOWN

1
00:00:05,030 --> 00:00:02,540
let's start with the federal government

2
00:00:07,400 --> 00:00:05,040
and what Trump is ordered as far as I

3
00:00:10,400 --> 00:00:07,410
can tell the only thing the federal

4
00:00:12,650 --> 00:00:10,410
government has really ordered is the 15

5
00:00:15,049 --> 00:00:12,660
day thing we keep hearing Trump talk

6
00:00:17,000 --> 00:00:15,059
about that it's gonna be up a week from

7
00:00:20,840 --> 00:00:17,010
Monday he's saying we're gonna reassess

8
00:00:23,779 --> 00:00:20,850
or we'll tell you at that point um so

9
00:00:27,560 --> 00:00:23,789
what what is what's the most owners

10
00:00:30,140 --> 00:00:27,570
things in that 15 day requirement or

11
00:00:31,600 --> 00:00:30,150
rules and where does the federal

12
00:00:34,670 --> 00:00:31,610
government get the authority to do that

13
00:00:37,069 --> 00:00:34,680

well the first thing I would have is is

14

00:00:41,569 --> 00:00:37,079

he actually really ordering eBay or as

15

00:00:43,580 --> 00:00:41,579

had been really strong we'll call it

16

00:00:45,080 --> 00:00:43,590

really strong suggestions I haven't

17

00:00:47,660 --> 00:00:45,090

really ever got the impression that

18

00:00:51,490 --> 00:00:47,670

Donald Trump has ordered a nationwide

19

00:00:55,369 --> 00:00:51,500

quarantine as much as he has strongly

20

00:00:57,319 --> 00:00:55,379

suggested it and that's I haven't

21

00:00:58,970 --> 00:00:57,329

actually like on the state and the

22

00:01:02,090 --> 00:00:58,980

counties I have spent a lot of time

23

00:01:03,709 --> 00:01:02,100

studying what they have actually said

24

00:01:09,859 --> 00:01:03,719

I've actually looked at the writings

25

00:01:13,850 --> 00:01:09,869

there but as for the president and the

26

00:01:15,710 --> 00:01:13,860

and the United States I haven't yeah I

27

00:01:19,820 --> 00:01:15,720

haven't actually read the text of though

28

00:01:22,130 --> 00:01:19,830

so the 15 days to slow the spread

29

00:01:25,760 --> 00:01:22,140

presidents coronavirus guidelines which

30

00:01:27,260 --> 00:01:25,770

as you point out perhaps these are

31

00:01:29,149 --> 00:01:27,270

simply guidelines in the federal

32

00:01:30,859 --> 00:01:29,159

government has not actually you know

33

00:01:32,660 --> 00:01:30,869

it's if you feel sick say at home if

34

00:01:36,789 --> 00:01:32,670

your children are six and at home if

35

00:01:39,770 --> 00:01:36,799

you're an older person stay at home you

36

00:01:42,109 --> 00:01:39,780

know and we saw that with Ted Cruz you

37

00:01:45,020 --> 00:01:42,119

know Ted Cruz came into contact with

38

00:01:47,300 --> 00:01:45,030

somebody who had the virus at CPAC and

39

00:01:49,789 --> 00:01:47,310

so what did he do he self quarantined

40

00:01:52,700 --> 00:01:49,799

you know Donald Trump came in contact

41

00:01:54,950 --> 00:01:52,710

with somebody who who had the virus what

42

00:01:58,429 --> 00:01:54,960

did he do he went out and got tested

43

00:02:00,410 --> 00:01:58,439

those are the reasonable things that we

44

00:02:01,999 --> 00:02:00,420

really are getting from the federal

45

00:02:04,370 --> 00:02:02,009

government if you come in contact with

46

00:02:06,410 --> 00:02:04,380

somebody go self quarantine yourself if

47

00:02:07,940 --> 00:02:06,420

you if you know that you've come in

48

00:02:10,639 --> 00:02:07,950

contact with somebody who has a virus go

49

00:02:14,540 --> 00:02:10,649

get yourself tested let's be safe let's

50

00:02:18,949 --> 00:02:14,550

be cautious these are guidelines I don't

51
00:02:21,320 --> 00:02:18,959
I don't see the same level of what we

52
00:02:23,059 --> 00:02:21,330
see out of state of California we're not

53
00:02:24,650 --> 00:02:23,069
seeing out of state of Florida which has

54
00:02:26,180 --> 00:02:24,660
a lot more retired people than we see

55
00:02:27,860 --> 00:02:26,190
out of the state of California the

56
00:02:30,380 --> 00:02:27,870
Florida governor hasn't come out with an

57
00:02:32,420 --> 00:02:30,390
executive order and said you are to stay

58
00:02:34,520 --> 00:02:32,430
in place where are the places that you

59
00:02:37,130 --> 00:02:34,530
see the stay in place orders you see him

60
00:02:38,780 --> 00:02:37,140
in California you see him in New York I

61
00:02:41,380 --> 00:02:38,790
believe Massachusetts has done one

62
00:02:45,170 --> 00:02:41,390
Illinois's has done one you know

63
00:02:46,640 --> 00:02:45,180

traditionally solid blue states are the

64

00:02:48,440 --> 00:02:46,650

states that have come up with these

65

00:02:50,570 --> 00:02:48,450

executive orders where they've just

66

00:02:52,070 --> 00:02:50,580

taken the guidelines of the federal

67

00:02:55,220 --> 00:02:52,080

government and they said no they're not

68

00:02:56,960 --> 00:02:55,230

guidelines you know you're to shelter in

69

00:02:58,550 --> 00:02:56,970

place yeah well and you mentioned some

70

00:03:00,740 --> 00:02:58,560

we might as well politics was obviously

71

00:03:02,059 --> 00:03:00,750

going to enter into this it has to and

72

00:03:05,720 --> 00:03:02,069

you mentioned that these are blue state

73

00:03:08,509 --> 00:03:05,730

meaning Democrat governors what is it

74

00:03:11,540 --> 00:03:08,519

that causes a Democrat governor to be

75

00:03:13,699 --> 00:03:11,550

more inclined to implement tough safety

76

00:03:14,869 --> 00:03:13,709

measures compared to a Republican

77

00:03:19,600 --> 00:03:14,879

governor for instance like the one you

78

00:03:22,580 --> 00:03:19,610

have in Florida I think the issue is a

79

00:03:26,420 --> 00:03:22,590

difference in perspective and a dis I

80

00:03:28,960 --> 00:03:26,430

and a respect for the Constitution and

81

00:03:34,210 --> 00:03:28,970

the concepts of personal responsibility

82

00:03:37,130 --> 00:03:34,220

and personal liberty you know as a child

83

00:03:40,190 --> 00:03:37,140

you chaffed at your parents telling you

84

00:03:42,530 --> 00:03:40,200

when you had to go to bed and who who

85

00:03:44,600 --> 00:03:42,540

your friends could be you couldn't wait

86

00:03:46,699 --> 00:03:44,610

to grow up to be able to make your own

87

00:03:48,039 --> 00:03:46,709

decisions and that seems to be one of

88

00:03:52,850 --> 00:03:48,049

the biggest difference between

89

00:03:55,910 --> 00:03:52,860

Republicans and Democrats is that the

90

00:03:57,710 --> 00:03:55,920

desire of Liberty the desire of I don't

91

00:04:01,820 --> 00:03:57,720

want the government to tell me what to

92

00:04:05,089 --> 00:04:01,830

do whereas in the Democrat circles they

93

00:04:06,289 --> 00:04:05,099

are much more open to government control

94

00:04:09,380 --> 00:04:06,299

and government

95

00:04:13,640 --> 00:04:09,390

dictatorial power in the Republican

96

00:04:17,060 --> 00:04:13,650

circles they are much more about freedom

97

00:04:19,550 --> 00:04:17,070

and liberty where I am an adult I can

98

00:04:23,540 --> 00:04:19,560

hear what the media is telling me I can

99

00:04:25,270 --> 00:04:23,550

read the scientific reports and I'm

100

00:04:28,570 --> 00:04:25,280

going to make the

101
00:04:31,540 --> 00:04:28,580
that's best for me and my family whereas

102
00:04:34,659 --> 00:04:31,550
in the Democrat States you see much more

103
00:04:37,360 --> 00:04:34,669
of a willingness to say no what I'm

104
00:04:43,740 --> 00:04:37,370
gonna make that decision for you so the

105
00:04:49,270 --> 00:04:45,970
Republican governor is more like a

106
00:04:52,150 --> 00:04:49,280
parent who has a 23 year old living at

107
00:04:55,600 --> 00:04:52,160
their house maybe home for summer from

108
00:04:58,390 --> 00:04:55,610
college for the summer versus a Democrat

109
00:05:00,730 --> 00:04:58,400
governor is somebody who has a 13 year

110
00:05:02,440 --> 00:05:00,740
old living at the house there's a little

111
00:05:05,020 --> 00:05:02,450
bit more control that a parent should

112
00:05:07,480 --> 00:05:05,030
exercise over their 13 year old and over

113
00:05:10,510 --> 00:05:07,490

their 23 year old and I see the

114

00:05:14,470 --> 00:05:10,520

Republicans treat their constituents

115

00:05:15,850 --> 00:05:14,480

more like the 23 year old child then

116

00:05:17,500 --> 00:05:15,860

Democrats tend to treat their

117

00:05:21,610 --> 00:05:17,510

constituents more like a 13 year old

118

00:05:23,379 --> 00:05:21,620

yeah well I I tend to agree with you

119

00:05:25,330 --> 00:05:23,389

know but if there was ever a need for

120

00:05:28,300 --> 00:05:25,340

government you would think this would be

121

00:05:32,560 --> 00:05:28,310

the time I think the issues at play are

122

00:05:34,180 --> 00:05:32,570

what you just described but also trying

123

00:05:37,960 --> 00:05:34,190

to understand okay

124

00:05:40,510 --> 00:05:37,970

who's right here is the Florida governor

125

00:05:43,570 --> 00:05:40,520

right to not impose all this stuff and

126

00:05:47,650 --> 00:05:43,580

not hurt his economy as much or is the

127

00:05:51,730 --> 00:05:47,660

California governor right that no this

128

00:05:52,990 --> 00:05:51,740

is a serious public safety concern this

129

00:05:54,790 --> 00:05:53,000

thing is gonna spread like wildfire

130

00:05:57,070 --> 00:05:54,800

millions are gonna die if we don't

131

00:05:59,050 --> 00:05:57,080

implement these draconian shut down

132

00:06:00,520 --> 00:05:59,060

measures I think that six months from

133

00:06:02,830 --> 00:06:00,530

now or a year from now we're gonna look

134

00:06:04,710 --> 00:06:02,840

back and we're gonna say one guy was

135

00:06:09,070 --> 00:06:04,720

right and one guy was wrong well let's

136

00:06:13,630 --> 00:06:09,080

let's go back to World War two Pearl

137

00:06:16,870 --> 00:06:13,640

Harbor happened 74 days later the

138

00:06:19,600 --> 00:06:16,880

President of the United States FDR was

139

00:06:23,320 --> 00:06:19,610

under so much political pressure that he

140

00:06:27,040 --> 00:06:23,330

did something he had to do something and

141

00:06:30,550 --> 00:06:27,050

what was something that he did he

142

00:06:33,640 --> 00:06:30,560

interned the Japanese he took away their

143

00:06:36,460 --> 00:06:33,650

property he took away their Liberty he

144

00:06:37,570 --> 00:06:36,470

took away their right to pursue

145

00:06:41,200 --> 00:06:37,580

happiness

146

00:06:45,279 --> 00:06:41,210

all in the name of political expediency

147

00:06:48,100 --> 00:06:45,289

of doing something to protect the

148

00:06:50,589 --> 00:06:48,110

Americans and now as we look back at it

149

00:06:54,240 --> 00:06:50,599

as constitutional scholars look back at

150

00:06:57,070 --> 00:06:54,250

it we clearly see that he violated the

151
00:06:59,950 --> 00:06:57,080
japanese-americans constitutional rights

152
00:07:02,529 --> 00:06:59,960
and we say you know what you do not have

153
00:07:06,040 --> 00:07:02,539
the right as a politician in the name of

154
00:07:08,770 --> 00:07:06,050
political expediency to take away the

155
00:07:10,719 --> 00:07:08,780
constitutional rights what is the

156
00:07:12,790 --> 00:07:10,729
Constitution the United States

157
00:07:15,520 --> 00:07:12,800
Constitution and state constitutions are

158
00:07:18,969 --> 00:07:15,530
contracts between the people and the

159
00:07:21,610 --> 00:07:18,979
government it is a document that it's

160
00:07:24,399 --> 00:07:21,620
not really designed to limit people it

161
00:07:26,890 --> 00:07:24,409
is designed to limit the government and

162
00:07:30,249 --> 00:07:26,900
to say government there are some areas

163
00:07:34,089 --> 00:07:30,259

that you just do not have control over

164

00:07:37,719 --> 00:07:34,099

and that's why we have the Bill of

165

00:07:40,839 --> 00:07:37,729

Rights to say hey Congress you cannot

166

00:07:45,869 --> 00:07:40,849

touch the Second Amendment rights to

167

00:07:48,219 --> 00:07:45,879

bear arm Congress you cannot authorize

168

00:07:50,350 --> 00:07:48,229

unwarranted searches and seizures and

169

00:07:54,339 --> 00:07:50,360

one of the things that I actually find

170

00:07:56,430 --> 00:07:54,349

so interesting is a third amendment the

171

00:08:00,430 --> 00:07:56,440

third amendment is probably the least

172

00:08:02,800 --> 00:08:00,440

litigated amendment don't please don't

173

00:08:07,059 --> 00:08:02,810

ask me what it says the third amendment

174

00:08:09,689 --> 00:08:07,069

is the one that soldiers cannot force

175

00:08:13,480 --> 00:08:09,699

themselves into your house and make you

176

00:08:16,540 --> 00:08:13,490

house them and feed them during the

177

00:08:18,610 --> 00:08:16,550

Revolutionary War what would happen is

178

00:08:21,040 --> 00:08:18,620

the British would come into town and

179

00:08:23,140 --> 00:08:21,050

they basically find that nicest house

180

00:08:25,119 --> 00:08:23,150

and they basically plant themselves

181

00:08:27,010 --> 00:08:25,129

there and they would make you feed them

182

00:08:30,519 --> 00:08:27,020

you go kill your cows go kill your

183

00:08:32,649 --> 00:08:30,529

chickens and you and they and some some

184

00:08:36,880 --> 00:08:32,659

of the generals actually paid but most

185

00:08:40,990 --> 00:08:36,890

of them did not it was government forced

186

00:08:43,959 --> 00:08:41,000

itself upon your personal rights your

187

00:08:46,329 --> 00:08:43,969

home your ability to make a living your

188

00:08:50,110 --> 00:08:46,339

ability to feed your people and the

189

00:08:51,490 --> 00:08:50,120

founding fathers were so upset about

190

00:08:53,770 --> 00:08:51,500

that that they put

191

00:08:56,860 --> 00:08:53,780

in the third amendment in the Bill of

192

00:09:01,210 --> 00:08:56,870

Rights that government does not have the

193

00:09:02,740 --> 00:09:01,220

power to supersede over your home that

194

00:09:07,030 --> 00:09:02,750

is your personal property that is your

195

00:09:09,460 --> 00:09:07,040

personal sphere of influence and so what

196

00:09:11,320 --> 00:09:09,470

we understand as we now look at what is

197

00:09:14,940 --> 00:09:11,330

going on and let's look at the state of

198

00:09:18,790 --> 00:09:14,950

California it started in San Francisco

199

00:09:20,530 --> 00:09:18,800

San Francisco basically with them as far

200

00:09:24,880 --> 00:09:20,540

as I can tell by timeline was the first

201
00:09:26,920 --> 00:09:24,890
County to do the shelter-in-place you're

202
00:09:28,390 --> 00:09:26,930
not gonna go you know we're taking the

203
00:09:29,800 --> 00:09:28,400
recommendations of the federal

204
00:09:31,150 --> 00:09:29,810
government we're taking the

205
00:09:33,790 --> 00:09:31,160
recommendations of the state of

206
00:09:37,960 --> 00:09:33,800
California and but we're gonna actually

207
00:09:40,780 --> 00:09:37,970
use our police powers and we're going to

208
00:09:44,590 --> 00:09:40,790
enforce that and you are ordered to stay

209
00:09:46,930 --> 00:09:44,600
at home now the statute that this the

210
00:09:51,640 --> 00:09:46,940
County of San Francisco and the Bay Area

211
00:09:54,700 --> 00:09:51,650
is utilized is a statute that has been

212
00:09:56,710 --> 00:09:54,710
around for a long time this is actually

213
00:09:59,590 --> 00:09:56,720

not the first time in the State of

214

00:10:01,960 --> 00:09:59,600

California's history that public health
