GUN CITY

CLOSED

1
00:00:09,289 --> 00:00:05,660
we designed this gun after that uses a

2
00:00:11,900 --> 00:00:09,299
tec-9 receiver 3d printed frame and

3
00:00:14,119 --> 00:00:11,910
block magazines we designed it after

4
00:00:16,189 --> 00:00:14,129
Attorney General Josh Shapiro tried to

5
00:00:20,660 --> 00:00:16,199
like shut down distribution of file

6
00:00:21,740 --> 00:00:20,670
sharing of 3d printable weapons oh okay

7
00:00:24,679 --> 00:00:21,750
gotcha

8
00:00:28,130 --> 00:00:24,689
is Josh is he in Florida no he's in

9
00:00:29,720 --> 00:00:28,140
Pennsylvania Pennsylvania and what so

10
00:00:32,450 --> 00:00:29,730
what is the current status of people

11
00:00:35,569 --> 00:00:32,460
being able to make their own guns with a

12
00:00:39,139 --> 00:00:35,579
3d printer diluents I mean it's totally

13
00:00:41,560 --> 00:00:39,149

legal in most the country but what about

14

00:00:44,689 --> 00:00:41,570

the whole background check requirement

15

00:00:46,010 --> 00:00:44,699

in well most of the country you don't

16

00:00:48,529 --> 00:00:46,020

need a background check to make your own

17

00:00:51,500 --> 00:00:48,539

gun it like federally you only need a

18

00:00:54,080 --> 00:00:51,510

background check to transfer a firearm

19

00:00:57,979 --> 00:00:54,090

transferred to you and through a dealer

20

00:00:58,700 --> 00:00:57,989

right so when you are the genesis of the

21

00:01:02,450 --> 00:00:58,710

firearm

22

00:01:04,310 --> 00:01:02,460

there's no transfer happening right from

23

00:01:06,380 --> 00:01:04,320

a federal level and then what about do

24

00:01:08,270 --> 00:01:06,390

states have their own some states so

25

00:01:10,310 --> 00:01:08,280

like California has some silly

26

00:01:13,370 --> 00:01:10,320

requirements that you have to get a

27

00:01:16,580 --> 00:01:13,380

serial number before it's made some

28

00:01:20,540 --> 00:01:16,590

other states have weird requirements but

29

00:01:22,190 --> 00:01:20,550

uh but federally there's and and it's

30

00:01:24,080 --> 00:01:22,200

like there's there's a good reason for

31

00:01:26,240 --> 00:01:24,090

it because the federal government

32

00:01:29,570 --> 00:01:26,250

doesn't have the power to restrict

33

00:01:31,310 --> 00:01:29,580

purely interstate intrastate activity

34

00:01:34,070 --> 00:01:31,320

even though it does it all the time

35

00:01:35,900 --> 00:01:34,080

right right but they still sometimes

36

00:01:38,330 --> 00:01:35,910

like to at least pretend they recognize

37

00:01:42,860 --> 00:01:38,340

that right and then what about the

38

00:01:43,130 --> 00:01:42,870

bullets but I mean where do they come

39

00:01:49,400 --> 00:01:43,140

from

40

00:01:51,110 --> 00:01:49,410

the cartridges anywhere so the gun is

41

00:01:53,450 --> 00:01:51,120

made to be able to use standard bullets

42

00:01:55,460 --> 00:01:53,460

in other words yes lock yeah it takes

43

00:01:58,280 --> 00:01:55,470

the Glock magazine takes regular old

44

00:02:03,170 --> 00:01:58,290

9-millimeter cartridges and what's a gun

45

00:02:06,710 --> 00:02:03,180

made out of this one is made of PLA plus

46

00:02:08,639 --> 00:02:06,720

it's a um it's like [h__h] it's plastic it

47

00:02:12,809 --> 00:02:08,649

comes in a roll

48

00:02:16,860 --> 00:02:12,819

right here yeah it keeps doing that yeah

49

00:02:21,589 --> 00:02:16,870

yeah and how would you compare it to a

50

00:02:24,149 --> 00:02:21,599

regular gun as far as its effectiveness

51
00:02:28,920 --> 00:02:24,159
well the guys that designed these have

52
00:02:30,930 --> 00:02:28,930
come really a long way they're like

53
00:02:33,630 --> 00:02:30,940
there's no problems with them a lot of

54
00:02:37,350 --> 00:02:33,640
times like this design everything that's

55
00:02:40,800 --> 00:02:37,360
you know under pressure is an original

56
00:02:42,569 --> 00:02:40,810
firearm component anyway so we've put

57
00:02:45,300 --> 00:02:42,579
hundreds of rounds through this and

58
00:02:49,800 --> 00:02:45,310
haven't had a single issue how much it's

59
00:02:51,449 --> 00:02:49,810
the 3d printer the like the minimum that

60
00:02:57,869 --> 00:02:51,459
you want to spend to get one that'll

61
00:03:00,690 --> 00:02:57,879
that'll do guns is like 175 bucks Wow is

62
00:03:03,569 --> 00:03:00,700
that cheap yeah and then live in the

63
00:03:05,610 --> 00:03:03,579

future man materials to make the gun

64

00:03:08,880 --> 00:03:05,620

what does that cost 20 bucks a kilogram

65

00:03:14,729 --> 00:03:08,890

and and that means how much for a gun

66

00:03:17,879 --> 00:03:14,739

then seven or eight dollars and it takes

67

00:03:20,670 --> 00:03:17,889

though how long to make one this one

68

00:03:23,520 --> 00:03:20,680

right here was printed out in 36 hours

69

00:03:25,530 --> 00:03:23,530

and that's because you're printing one

70

00:03:28,979 --> 00:03:25,540

piece at a time so how it is it's like

71

00:03:30,839 --> 00:03:28,989

um it's like a hot glue gun it's a fancy

72

00:03:32,879 --> 00:03:30,849

hot glue gun that's what it is so you

73

00:03:36,809 --> 00:03:32,889

have the filament right and you see this

74

00:03:39,360 --> 00:03:36,819

is like a little it's fed in there it's

75

00:03:42,930 --> 00:03:39,370

like a spaghetti and it heats it up and

76

00:03:45,869 --> 00:03:42,940

then the little nozzle extrudes it like

77

00:03:48,030 --> 00:03:45,879

like squirts it out very slowly one

78

00:03:51,710 --> 00:03:48,040

layer right and then you do your layer

79

00:03:54,270 --> 00:03:51,720

and then the whole level goes down by as

80

00:03:57,780 --> 00:03:54,280

little as you know a fraction of a

81

00:03:59,699 --> 00:03:57,790

millimeter like I have it set to 0.15

82

00:04:02,009 --> 00:03:59,709

millimeters so it goes down then it does

83

00:04:05,849 --> 00:04:02,019

another 0.15 millimeter layer goes down

84

00:04:08,939 --> 00:04:05,859

there's another one and so yeah so you

85

00:04:11,699 --> 00:04:08,949

tie your gun yeah so it does layer by

86

00:04:14,580 --> 00:04:11,709

layer so right it's the your printhead

87

00:04:15,930 --> 00:04:14,590

is moving in two dimensions so it's just

88

00:04:18,509 --> 00:04:15,940

like kind of like a normal printer in

89

00:04:20,759 --> 00:04:18,519

that sense but then it does another

90

00:04:22,470 --> 00:04:20,769

layer and another layer and another

91

00:04:25,110 --> 00:04:22,480

layer and so that's how it

92

00:04:26,820 --> 00:04:25,120

becomes 3d so the thing is basically

93

00:04:30,050 --> 00:04:26,830

just running for 36 hours straight

94

00:04:33,990 --> 00:04:30,060

making this thing yep out pops the gun

95

00:04:36,090 --> 00:04:34,000

well out pops the receiver you know then

96

00:04:38,460 --> 00:04:36,100

you have to there's none that are that

97

00:04:40,050 --> 00:04:38,470

right now and you know I have a lot of

98

00:04:41,460 --> 00:04:40,060

friends in the space and they always get

99

00:04:43,860 --> 00:04:41,470

on me when I'm like oh there's nothing

100

00:04:45,450 --> 00:04:43,870

of this yet and they develop it but

101
00:04:47,970 --> 00:04:45,460
there's none that I'm aware of right now

102
00:04:50,880 --> 00:04:47,980
that you just that is one piece you know

103
00:04:52,380 --> 00:04:50,890
single print job to where you know you

104
00:04:54,360 --> 00:04:52,390
run it and then you take out your

105
00:04:57,780 --> 00:04:54,370
complete gun it usually requires some

106
00:05:01,980 --> 00:04:57,790
assembly and some tinkering how tricky

107
00:05:03,510 --> 00:05:01,990
is the assembly it depends it can depend

108
00:05:06,180 --> 00:05:03,520
from you know you needing to have like

109
00:05:08,520 --> 00:05:06,190
basically small machine equipment to

110
00:05:09,930 --> 00:05:08,530
this one that I've been showing you just

111
00:05:11,670 --> 00:05:09,940
a little bit of filing

112
00:05:14,280 --> 00:05:11,680
just a little filing to smooth out the

113
00:05:16,380 --> 00:05:14,290

rough edges then slap it together and

114

00:05:20,630 --> 00:05:16,390

slap it together meaning screw it

115

00:05:23,910 --> 00:05:20,640

together glue it together pins

116

00:05:25,350 --> 00:05:23,920

little pins see okay

117

00:05:27,810 --> 00:05:25,360

let's put all the things in together and

118

00:05:31,110 --> 00:05:27,820

put the pins in screws on this way

119

00:05:34,020 --> 00:05:31,120

presume you need to acquire a software

120

00:05:36,030 --> 00:05:34,030

program to run on the printer to build

121

00:05:39,440 --> 00:05:36,040

it yeah the printers generally have

122

00:05:42,360 --> 00:05:39,450

their own software they're really simple

123

00:05:44,070 --> 00:05:42,370

like basically the the file you feed to

124

00:05:46,140 --> 00:05:44,080

the printer is specific to that printer

125

00:05:48,390 --> 00:05:46,150

the software that's like kind of

126
00:05:50,460 --> 00:05:48,400
complicated is the slicer which is what

127
00:05:53,670 --> 00:05:50,470
you put on your computer and that goes

128
00:05:56,100 --> 00:05:53,680
from the 3d model and then slices it

129
00:05:57,810 --> 00:05:56,110
right into layers and in those layers

130
00:06:00,480 --> 00:05:57,820
there's instructions which are basically

131
00:06:03,200 --> 00:06:00,490
like move left you know 300 millimeters

132
00:06:06,540 --> 00:06:03,210
move up 300 mil you know like like that

133
00:06:09,000 --> 00:06:06,550
and so yeah that's that your slicer

134
00:06:10,920 --> 00:06:09,010
software converts the 3d file into

135
00:06:11,910 --> 00:06:10,930
instructions for your machine and then

136
00:06:15,180 --> 00:06:11,920
you just feed the Machine the

137
00:06:17,370 --> 00:06:15,190
instructions you just click on it and it

138
00:06:20,220 --> 00:06:17,380

spits it out and do you have to pay for

139

00:06:23,280 --> 00:06:20,230

that software uh there's some like

140

00:06:26,220 --> 00:06:23,290

really luxurious ones better that are

141

00:06:28,020 --> 00:06:26,230

like a hundred bucks but usually they're

142

00:06:32,520 --> 00:06:28,030

free I mean the ones that most people

143

00:06:34,170 --> 00:06:32,530

use cura which is free and you're pretty

144

00:06:36,050 --> 00:06:34,180

much assured to get on the FBI watch

145

00:06:38,629 --> 00:06:36,060

list by downloading this off

146

00:06:40,490 --> 00:06:38,639

probably right I mean it's you the same

147

00:06:43,010 --> 00:06:40,500

software is used for everything so like

148

00:06:46,600 --> 00:06:43,020

the same people who are making you know

149

00:06:49,940 --> 00:06:46,610

prosthesis same people who are making

150

00:06:51,590 --> 00:06:49,950

you know like little pin holders or like

151

00:06:53,300 --> 00:06:51,600

I have a little business card holder

152

00:06:53,990 --> 00:06:53,310

that I 3d printed we all use the same

153

00:06:56,120 --> 00:06:54,000

stuff

154

00:06:58,940 --> 00:06:56,130

yeah but specifically though the

155

00:07:01,730 --> 00:06:58,950

software that says computer make this or

156

00:07:05,659 --> 00:07:01,740

printer make this gun that's gotta be

157

00:07:06,409 --> 00:07:05,669

obviously unique it's all the same it's

158

00:07:08,840 --> 00:07:06,419

all the same

159

00:07:12,379 --> 00:07:08,850

hey I use the same exact software to go

160

00:07:15,200 --> 00:07:12,389

from design to 3d object that you would

161

00:07:17,390 --> 00:07:15,210

for a business card holder or hand okay

162

00:07:18,890 --> 00:07:17,400

but but isn't somebody else designing

163

00:07:23,150 --> 00:07:18,900

the gun you're not the one designing the

164

00:07:26,810 --> 00:07:23,160

gun sometimes I do okay but I'm a little

165

00:07:28,340 --> 00:07:26,820

weird in that way but ya know we there's

166

00:07:32,719 --> 00:07:28,350

there's all kinds of groups where people

167

00:07:35,150 --> 00:07:32,729

trade files and just now def CAD opened

168

00:07:39,409 --> 00:07:35,160

back up so anybody can go online and

169

00:07:41,750 --> 00:07:39,419

download all the designs if I think the

170

00:07:43,850 --> 00:07:41,760

FBI probably like be more interested in

171

00:07:50,270 --> 00:07:43,860

you if you were developing medical

172

00:07:53,120 --> 00:07:50,280

devices then then this stuff but you see

173

00:07:56,180 --> 00:07:53,130

it's just so what else have you made

174

00:07:59,630 --> 00:07:56,190

with your 3d printer I don't even know

175

00:08:01,310 --> 00:07:59,640

I've had um I was kind of like I wasn't

176

00:08:02,779 --> 00:08:01,320

a super early adopter but I was

177

00:08:07,520 --> 00:08:02,789

relatively early I've been in it for

178

00:08:09,320 --> 00:08:07,530

like five years I just do stuff like all

179

00:08:12,050 --> 00:08:09,330

the time whenever I think of something

180

00:08:14,270 --> 00:08:12,060

like I was restoring an old lathe I do

181

00:08:16,969 --> 00:08:14,280

some metalworking and it didn't have a

182

00:08:18,770 --> 00:08:16,979

threading dial and so I went online and

183

00:08:20,629 --> 00:08:18,780

I found a threading dial for another

184

00:08:23,210 --> 00:08:20,639

model and I modified it to work with my

185

00:08:25,460 --> 00:08:23,220

lathe and burn it out like I said a

186

00:08:28,250 --> 00:08:25,470

business card holder a little stand for

187

00:08:31,730 --> 00:08:28,260

my phone just little things that you

188

00:08:33,140 --> 00:08:31,740

don't want to order you know and where

189

00:08:35,930 --> 00:08:33,150

do you get the 3d printer can you get it

190

00:08:38,149 --> 00:08:35,940

on Amazon yeah yeah everybody should I

191

00:08:42,050 --> 00:08:38,159

feel like everybody should have an ender

192

00:08:45,290 --> 00:08:42,060

3 the under 3 is 175 bucks and it's able

193

00:08:48,740 --> 00:08:45,300

to you can totally do guns with it you

194

00:08:52,130 --> 00:08:48,750

give me that name again ender ya Yin

195

00:08:56,120 --> 00:08:52,140

dr3 that's not what I use I use a raised

196

00:08:57,650 --> 00:08:56,130

3d n2 which is like you know it's a

197

00:09:00,560 --> 00:08:57,660

couple years old but it was a really

198

00:09:02,530 --> 00:09:00,570

advanced machine but nowadays the the

199

00:09:05,630 --> 00:09:02,540

Enders for a couple hundred bucks are

200

00:09:07,040 --> 00:09:05,640

totally totally enough and besides guns

201
00:09:09,010 --> 00:09:07,050
what would you say they're primarily

202
00:09:11,540 --> 00:09:09,020
used for in people's homes

203
00:09:13,850 --> 00:09:11,550
just whatever anybody's there anything

204
00:09:16,340 --> 00:09:13,860
that that kinda is a common thing that's

205
00:09:20,120 --> 00:09:16,350
it's really great for people really like

206
00:09:23,180 --> 00:09:20,130
making mounting stuff uh people like

207
00:09:25,790 --> 00:09:23,190
people like to have solutions for like

208
00:09:27,800 --> 00:09:25,800
home organization and stuff like that I

209
00:09:31,520 --> 00:09:27,810
see that's what I see mostly and then

210
00:09:32,960 --> 00:09:31,530
like trinket tree people like I know the

211
00:09:34,700 --> 00:09:32,970
people who do like the trading card

212
00:09:37,430 --> 00:09:34,710
games like to have little figurines

213
00:09:39,620 --> 00:09:37,440

there's a lot of that I don't know

214

00:09:40,880 --> 00:09:39,630

people use it for I mean it's kind of

215

00:09:43,730 --> 00:09:40,890

like asking what do you use a printer

216

00:09:46,730 --> 00:09:43,740

for you know it's gotten it's gotten

217

00:09:49,150 --> 00:09:46,740

some advanced that it's really you know

218

00:09:52,130 --> 00:09:49,160

I've used it to print out an auto part

219

00:09:54,350 --> 00:09:52,140

my buddy has an old diesel Mercedes that

220

00:09:56,440 --> 00:09:54,360

needs these certain plastic rings that

221

00:09:59,870 --> 00:09:56,450

we just burn them out sometimes

222

00:10:02,170 --> 00:09:59,880

well guns writes people must certainly

223

00:10:03,770 --> 00:10:02,180

like them we can use that to segue into

224

00:10:06,350 --> 00:10:03,780

specifically what we're talking about

225

00:10:08,079 --> 00:10:06,360

you're probably very busy today we know

226

00:10:11,270 --> 00:10:08,089

that lawsuit was filed in California

227

00:10:13,820 --> 00:10:11,280

right on Friday

228

00:10:16,910 --> 00:10:13,830

we've been ourselves questioning the

229

00:10:19,070 --> 00:10:16,920

constitutionality not just of anything

230

00:10:21,950 --> 00:10:19,080

that shuts down gun stores but the stay

231

00:10:24,410 --> 00:10:21,960

at home orders the limitation on

232

00:10:26,510 --> 00:10:24,420

personal liberty by the government

233

00:10:27,829 --> 00:10:26,520

ordering everybody to stay in the home

234

00:10:29,540 --> 00:10:27,839

and maybe maybe we'll get to that talk

235

00:10:31,070 --> 00:10:29,550

about that a little bit also just get

236

00:10:34,610 --> 00:10:31,080

your thoughts on that but let's start

237

00:10:37,370 --> 00:10:34,620

with with guns and start quickly at the

238

00:10:40,340 --> 00:10:37,380

beginning and then get to the specifics

239

00:10:44,150 --> 00:10:40,350

because this is the first gun interview

240

00:10:46,220 --> 00:10:44,160

I've done for our show and guns is an

241

00:10:49,760 --> 00:10:46,230

interesting issue I personally am NOT a

242

00:10:52,340 --> 00:10:49,770

huge gun rights guy myself but I'm I'm a

243

00:10:54,410 --> 00:10:52,350

rule of law Constitution guy so if the

244

00:10:58,060 --> 00:10:54,420

Constitution says you can have it you

245

00:11:01,010 --> 00:10:58,070

have to have it so let's start there and

246

00:11:02,390 --> 00:11:01,020

just read it for everybody everybody's

247

00:11:03,740 --> 00:11:02,400

heard this before but I think

248

00:11:05,300 --> 00:11:03,750

two worthwhile place to start which is

249

00:11:07,400 --> 00:11:05,310

the Second Amendment which says that a

250

00:11:09,500 --> 00:11:07,410

well-regulated militia being necessary

251
00:11:11,630 --> 00:11:09,510
to the security of a free State the

252
00:11:16,400 --> 00:11:11,640
right of the people to keep and bear

253
00:11:20,330 --> 00:11:16,410
arms shall not be infringed the the this

254
00:11:22,460 --> 00:11:20,340
was written in a very odd way and

255
00:11:24,440 --> 00:11:22,470
there's been multiple Supreme Court

256
00:11:27,140 --> 00:11:24,450
rulings about the meaning of the Second

257
00:11:29,000 --> 00:11:27,150
Amendment and I know in particular the

258
00:11:32,240 --> 00:11:29,010
Supreme Court has said that yes in fact

259
00:11:34,250 --> 00:11:32,250
an individual has the right to have a

260
00:11:36,860 --> 00:11:34,260
gun even though it talks about a militia

261
00:11:40,460 --> 00:11:36,870
they're not talking about the military

262
00:11:42,590 --> 00:11:40,470
or State National Guard or state

263
00:11:44,090 --> 00:11:42,600

military men being able to have a gun

264

00:11:48,620 --> 00:11:44,100

we're talking about every individual

265

00:11:50,710 --> 00:11:48,630

having one but it is worded in a

266

00:11:54,350 --> 00:11:50,720

confusing way that leaves open that

267

00:11:57,320 --> 00:11:54,360

argument so let's just put a pin in that

268

00:11:59,120 --> 00:11:57,330

for a second if we could why is it kind

269

00:12:00,890 --> 00:11:59,130

of oddly worded like this where it talks

270

00:12:02,390 --> 00:12:00,900

about the militia if you know the real

271

00:12:05,030 --> 00:12:02,400

intent is know everybody supposed to

272

00:12:06,920 --> 00:12:05,040

have a gun be able to help it's really

273

00:12:10,640 --> 00:12:06,930

not oddly work worded if you look at it

274

00:12:13,420 --> 00:12:10,650

in the way people wrote back then and

275

00:12:16,400 --> 00:12:13,430

this has been pretty extensively studied

276

00:12:18,110 --> 00:12:16,410

so what it is is if there's what's

277

00:12:22,370 --> 00:12:18,120

called a predatory clause and then the

278

00:12:23,960 --> 00:12:22,380

operative Clause so the reason you do

279

00:12:25,610 --> 00:12:23,970

these clauses and you see these in all

280

00:12:27,590 --> 00:12:25,620

kinds of state constitutions in other

281

00:12:29,120 --> 00:12:27,600

areas right not just in the state right

282

00:12:31,900 --> 00:12:29,130

to keep and bear arms but in like state

283

00:12:34,610 --> 00:12:31,910

free speech things whereas you know like

284

00:12:36,920 --> 00:12:34,620

freedom of assembly being essential or

285

00:12:38,930 --> 00:12:36,930

this is that it's back then it was in

286

00:12:43,610 --> 00:12:38,940

fashion when you were doing something to

287

00:12:46,370 --> 00:12:43,620

start with an example an example of why

288

00:12:48,830 --> 00:12:46,380

you might do something so like if there

289

00:12:50,570 --> 00:12:48,840

was a right to you know a specific

290

00:12:52,190 --> 00:12:50,580

constitutional right to cars I think

291

00:12:53,600 --> 00:12:52,200

there is a right to cars but anyway if

292

00:12:56,420 --> 00:12:53,610

there was a specific constitutionally

293

00:12:59,240 --> 00:12:56,430

illuminated right of two cars and it

294

00:13:01,580 --> 00:12:59,250

started with convertibles being

295

00:13:03,950 --> 00:13:01,590

wonderful to drive on a summer day the

296

00:13:06,860 --> 00:13:03,960

right to keep and own automobiles shall

297

00:13:08,390 --> 00:13:06,870

not be infringed would you say that you

298

00:13:10,010 --> 00:13:08,400

know would you think that it only meant

299

00:13:12,440 --> 00:13:10,020

convertibles or would you understand

300

00:13:14,810 --> 00:13:12,450

that oh they just like those at the time

301
00:13:15,330 --> 00:13:14,820
you know and that was one thing that you

302
00:13:17,340 --> 00:13:15,340
could do

303
00:13:19,470 --> 00:13:17,350
with cars let's that's what it is in the

304
00:13:21,120 --> 00:13:19,480
Second Amendment so they're starting

305
00:13:23,490 --> 00:13:21,130
with the idea that hey a well-regulated

306
00:13:25,530 --> 00:13:23,500
militias necessary to the security of a

307
00:13:27,600 --> 00:13:25,540
free State mm-hmm

308
00:13:30,480 --> 00:13:27,610
that's really just the preface that's

309
00:13:32,760 --> 00:13:30,490
kind of the example yeah and you have a

310
00:13:35,400 --> 00:13:32,770
comma and then it says the right of the

311
00:13:39,840 --> 00:13:35,410
people to keep and bear Arms shall not

312
00:13:41,970 --> 00:13:39,850
be infringed so right so a militia which

313
00:13:43,680 --> 00:13:41,980

back then also regulated didn't mean

314

00:13:45,300 --> 00:13:43,690

like checkboard warrior making sure

315

00:13:47,220 --> 00:13:45,310

you've complied with all the stuff back

316

00:13:50,720 --> 00:13:47,230

then and regular meant to make regular

317

00:13:53,880 --> 00:13:50,730

as in frequent often you know available

318

00:13:57,000 --> 00:13:53,890

so that's what that meant then but so

319

00:13:59,730 --> 00:13:57,010

yeah a good state militia being one of

320

00:14:04,050 --> 00:13:59,740

the things that is a wonderful thing to

321

00:14:05,970 --> 00:14:04,060

have it is thus required that we all be

322

00:14:08,250 --> 00:14:05,980

able to keep and bear arms and that's

323

00:14:09,870 --> 00:14:08,260

the people so like and there's also an

324

00:14:12,740 --> 00:14:09,880

interesting definitional thing there too

325

00:14:17,070 --> 00:14:12,750

so militia back then was defined as

326

00:14:19,170 --> 00:14:17,080

something like all men above you know

327

00:14:22,980 --> 00:14:19,180

above a certain age except for some

328

00:14:25,950 --> 00:14:22,990

bureaucrats so it wasn't like you know

329

00:14:27,840 --> 00:14:25,960

the National Guard this was you know

330

00:14:29,550 --> 00:14:27,850

back you had militia acts at the

331

00:14:30,960 --> 00:14:29,560

founding era which just specified if

332

00:14:32,940 --> 00:14:30,970

you're above this age and you don't work

333

00:14:35,820 --> 00:14:32,950

in government you need to keep a powder

334

00:14:39,050 --> 00:14:35,830

pistol this that and the other ready and

335

00:14:41,720 --> 00:14:39,060

you need to come to militia practice so

336

00:14:44,820 --> 00:14:41,730

there's that and then there's the people

337

00:14:46,770 --> 00:14:44,830

right which i think is written as

338

00:14:50,430 --> 00:14:46,780

succinctly as it possibly could be it

339

00:14:52,680 --> 00:14:50,440

doesn't say citizens it doesn't say you

340

00:14:54,510 --> 00:14:52,690

know it doesn't say a specific race it

341

00:14:58,200 --> 00:14:54,520

doesn't say a specific creed or a job

342

00:15:01,770 --> 00:14:58,210

title it just says the people so all of

343

00:15:04,880 --> 00:15:01,780

the people that are in the country have

344

00:15:08,940 --> 00:15:04,890

the right to keep and bear arms and

345

00:15:11,700 --> 00:15:08,950

militias are one great thing that

346

00:15:14,400 --> 00:15:11,710

happens as a result of that and one of

347

00:15:17,340 --> 00:15:14,410

the thoughts was that a state one of the

348

00:15:19,800 --> 00:15:17,350

13 states may have its own militia is

349

00:15:21,600 --> 00:15:19,810

that right well yeah it was I mean all

350

00:15:23,250 --> 00:15:21,610

the states were expected to have

351

00:15:25,740 --> 00:15:23,260

militias and you'd have local militias

352

00:15:28,720 --> 00:15:25,750

as well I mean this was just say was a

353

00:15:31,300 --> 00:15:28,730

normal thing and what would use

354

00:15:33,850 --> 00:15:31,310

say was the purpose behind it because

355

00:15:35,590 --> 00:15:33,860

there's a lot of people that get

356

00:15:37,449 --> 00:15:35,600

confused about that or talk about

357

00:15:39,790 --> 00:15:37,459

different things so is the purpose

358

00:15:42,310 --> 00:15:39,800

because people should be able to hunt

359

00:15:44,829 --> 00:15:42,320

and gather their own food through funds

360

00:15:46,750 --> 00:15:44,839

is the purpose because people need to be

361

00:15:49,420 --> 00:15:46,760

able to defend themselves against a

362

00:15:54,069 --> 00:15:49,430

criminal breaking into their home or is

363

00:15:56,259 --> 00:15:54,079

the purpose that we need that we can't

364

00:15:58,740 --> 00:15:56,269

let the government become so oppressive

365

00:16:00,699 --> 00:15:58,750

that the people could never

366

00:16:02,379 --> 00:16:00,709

theoretically rebelled against that we

367

00:16:05,199 --> 00:16:02,389

rebelled against Great Britain and we

368

00:16:07,810 --> 00:16:05,209

used muskets in order to have a

369

00:16:11,650 --> 00:16:07,820

revolution and and throw off an

370

00:16:13,150 --> 00:16:11,660

oppressive King so is that what we've

371

00:16:16,240 --> 00:16:13,160

had in mind is that hey if the US

372

00:16:17,439 --> 00:16:16,250

government becomes King like at some

373

00:16:18,610 --> 00:16:17,449

point even though we've done everything

374

00:16:22,360 --> 00:16:18,620

we could to guard against it through

375

00:16:26,860 --> 00:16:22,370

checks bounce power etc that that's what

376

00:16:29,800 --> 00:16:26,870

we need guns for so like there's there's

377

00:16:31,269 --> 00:16:29,810

a lot to unpack there but the the first

378

00:16:33,689 --> 00:16:31,279

thing I like to start out with as I say

379

00:16:36,790 --> 00:16:33,699

you don't have a second Amendment right

380

00:16:39,340 --> 00:16:36,800

you're right to keep and bear arms is

381

00:16:41,530 --> 00:16:39,350

recognized by the Second Amendment so I

382

00:16:43,780 --> 00:16:41,540

try to take it out of that context so

383

00:16:47,290 --> 00:16:43,790

like I don't try to think of why we have

384

00:16:49,780 --> 00:16:47,300

the right to arms within that you know

385

00:16:53,170 --> 00:16:49,790

several word framework I think of it

386

00:16:55,740 --> 00:16:53,180

more broadly and that's the way the

387

00:16:57,460 --> 00:16:55,750

founders thought of it and in fact the

388

00:17:00,610 --> 00:16:57,470

anti-federalists you know they fought

389

00:17:03,879 --> 00:17:00,620

heavily against these amendments because

390

00:17:06,100 --> 00:17:03,889

they thought that well if you if you

391

00:17:07,990 --> 00:17:06,110

suggest that you know we have a right

392

00:17:09,250 --> 00:17:08,000

that can't be infringed that that

393

00:17:10,870 --> 00:17:09,260

suggests in the beginning that the

394

00:17:13,569 --> 00:17:10,880

government could have the power to take

395

00:17:15,340 --> 00:17:13,579

your arms away in the beginning so you

396

00:17:19,720 --> 00:17:15,350

know that's a really like thousand-foot

397

00:17:21,970 --> 00:17:19,730

overview of that but as for why well ya

398

00:17:23,319 --> 00:17:21,980

know there's no white tail clause to the

399

00:17:26,679 --> 00:17:23,329

Second Amendment right there's no

400

00:17:28,270 --> 00:17:26,689

pheasant clause and if we think of it in

401
00:17:30,280 --> 00:17:28,280
terms of hunting which is incredibly

402
00:17:34,330 --> 00:17:30,290
frustrating to me because we've

403
00:17:36,280 --> 00:17:34,340
tolerated such incredible restrictive

404
00:17:38,049 --> 00:17:36,290
regulations in the hunting context since

405
00:17:40,000 --> 00:17:38,059
the beginning of our society I think

406
00:17:41,950 --> 00:17:40,010
that shows that hunting is something

407
00:17:43,390 --> 00:17:41,960
entirely separate from the right to game

408
00:17:45,490 --> 00:17:43,400
in bear arms right because for a long

409
00:17:46,840 --> 00:17:45,500
time the government we've tolerated the

410
00:17:48,280 --> 00:17:46,850
government saying alright this is when

411
00:17:50,049 --> 00:17:48,290
you can hunt this animal this is when

412
00:17:52,060 --> 00:17:50,059
you're gonna have this tan you know that

413
00:17:54,100 --> 00:17:52,070

doesn't sound like what we're talking

414

00:17:58,060 --> 00:17:54,110

about what we're talking about is

415

00:18:01,000 --> 00:17:58,070

there's one simple way to look at it do

416

00:18:04,840 --> 00:18:01,010

you have the right to control your body

417

00:18:06,669 --> 00:18:04,850

against unlawful force I think the

418

00:18:07,899 --> 00:18:06,679

answer is yes and so that could be

419

00:18:09,610 --> 00:18:07,909

anything unlawful force could be

420

00:18:11,140 --> 00:18:09,620

anything if the government is acting

421

00:18:13,180 --> 00:18:11,150

tyrannical that's unlawful it's

422

00:18:15,640 --> 00:18:13,190

unconstitutional and so do you have a

423

00:18:17,770 --> 00:18:15,650

right to secure yourself against

424

00:18:19,360 --> 00:18:17,780

unlawful action of the government I

425

00:18:20,860 --> 00:18:19,370

think so do you have a right to secure

426

00:18:22,630 --> 00:18:20,870

yourself against unlawful action of

427

00:18:24,610 --> 00:18:22,640

other people well what's the government

428

00:18:27,340 --> 00:18:24,620

but a bunch of other people so it all

429

00:18:29,230 --> 00:18:27,350

boils down to that we have the right to

430

00:18:30,240 --> 00:18:29,240

protect ourselves against the worst day

431

00:18:32,440 --> 00:18:30,250

of our lives

432

00:18:35,380 --> 00:18:32,450

you know against something horrible

433

00:18:36,280 --> 00:18:35,390

happening to us and that's so that's

434

00:18:38,380 --> 00:18:36,290

what it's all about

435

00:18:41,470 --> 00:18:38,390

they had just gone through this horrible

436

00:18:44,770 --> 00:18:41,480

war with people that were their brothers

437

00:18:47,560 --> 00:18:44,780

shortly before right against what was

438

00:18:49,990 --> 00:18:47,570

their own government and they recognized

439

00:18:53,860 --> 00:18:50,000

that this was people being treated

440

00:18:56,289 --> 00:18:53,870

inhumanely and unlawfully and so there

441

00:18:58,450 --> 00:18:56,299

was no other choice but to use forests

442

00:19:00,399 --> 00:18:58,460

and is it fair to say that you think

443

00:19:04,659 --> 00:19:00,409

that was the primary purpose of the

444

00:19:06,130 --> 00:19:04,669

amendment was to allow the people to

445

00:19:09,370 --> 00:19:06,140

defend themselves against an oppressive

446

00:19:11,049 --> 00:19:09,380

government I would say given with it

447

00:19:12,370 --> 00:19:11,059

just experience and especially if you

448

00:19:13,860 --> 00:19:12,380

look at the events that led up to

449

00:19:16,330 --> 00:19:13,870

hostilities

450

00:19:18,549 --> 00:19:16,340

guns didn't start going off until about

451
00:19:20,830 --> 00:19:18,559
when they started to try to seize arms

452
00:19:23,760 --> 00:19:20,840
and powder so I'd say yes that was

453
00:19:26,740 --> 00:19:23,770
probably pretty fresh in their minds and

454
00:19:31,600 --> 00:19:26,750
secondarily might be self-defense

455
00:19:33,340 --> 00:19:31,610
against somebody trying to steal from

456
00:19:36,700 --> 00:19:33,350
you well I'd say it's all self-defense

457
00:19:39,820 --> 00:19:36,710
um I'd say that self-defense against

458
00:19:42,310 --> 00:19:39,830
somebody you know burglarizing you is

459
00:19:44,289 --> 00:19:42,320
the same at its core as self against

460
00:19:47,110 --> 00:19:44,299
defense against somebody acting under

461
00:19:49,120 --> 00:19:47,120
color of an order doing something

462
00:19:51,790 --> 00:19:49,130
similarly violent and unlawful towards

463
00:19:53,590 --> 00:19:51,800

you okay so just just to put a bow on

464

00:19:55,049 --> 00:19:53,600

this before we talk specifically about

465

00:19:57,090 --> 00:19:55,059

California what's going on

466

00:20:01,799 --> 00:19:57,100

right now with coronavirus in these

467

00:20:04,590 --> 00:20:01,809

shutdowns in the in the time of the

468

00:20:07,379 --> 00:20:04,600

Constitution having guns was a good way

469

00:20:09,259 --> 00:20:07,389

to repel government oppression what do

470

00:20:13,669 --> 00:20:09,269

you say about the fact that today

471

00:20:16,529 --> 00:20:13,679

weaponry has become so advanced that

472

00:20:17,999 --> 00:20:16,539

handguns or any type of guns are not

473

00:20:20,489 --> 00:20:18,009

going to be sufficient to be able to

474

00:20:22,919 --> 00:20:20,499

overthrow a government now you've got

475

00:20:25,080 --> 00:20:22,929

tanks you've got planes you've got

476

00:20:27,239 --> 00:20:25,090

nuclear weapons yeah you know I could go

477

00:20:30,930 --> 00:20:27,249

through the list of weapons that have

478

00:20:32,669 --> 00:20:30,940

been developed since the revolution that

479

00:20:34,710 --> 00:20:32,679

was fought with muskets

480

00:20:37,830 --> 00:20:34,720

what do you say to people would say well

481

00:20:40,590 --> 00:20:37,840

at this point the second man has become

482

00:20:42,989 --> 00:20:40,600

antiquated because of the advancement of

483

00:20:45,600 --> 00:20:42,999

weaponry so we should either get rid of

484

00:20:47,789 --> 00:20:45,610

it for that reason or we need to expand

485

00:20:50,060 --> 00:20:47,799

it and say not only are you allowed to

486

00:20:52,649 --> 00:20:50,070

have a gun you're allowed to have a tank

487

00:20:53,820 --> 00:20:52,659

well I wouldn't call that an expansion I

488

00:20:56,430 --> 00:20:53,830

would say that the Second Amendment

489

00:20:59,009 --> 00:20:56,440

probably does protect tanks as it's

490

00:21:02,460 --> 00:20:59,019

written however I would respond to that

491

00:21:05,789 --> 00:21:02,470

by saying I've been tested in the courts

492

00:21:08,070 --> 00:21:05,799

yet but I don't know if it's been fully

493

00:21:10,619 --> 00:21:08,080

tested but who knows maybe we'll work on

494

00:21:12,419 --> 00:21:10,629

it because it says keep an bare right so

495

00:21:14,129 --> 00:21:12,429

keep must be something you can't hold in

496

00:21:18,899 --> 00:21:14,139

your hands that's that's my theory but

497

00:21:20,249 --> 00:21:18,909

uh so my answer to that would be to just

498

00:21:21,810 --> 00:21:20,259

like you know that's like kind of a

499

00:21:23,100 --> 00:21:21,820

practical concern which is how you're

500

00:21:28,080 --> 00:21:23,110

gonna fight the government they'd go

501
00:21:30,239 --> 00:21:28,090
f-16 well I would say that the past 60

502
00:21:32,340 --> 00:21:30,249
years you know in this era of modern

503
00:21:35,340 --> 00:21:32,350
military of you know super modern

504
00:21:37,919 --> 00:21:35,350
military history has been pretty

505
00:21:42,239 --> 00:21:37,929
colorful with examples of motivated

506
00:21:45,239 --> 00:21:42,249
civilian populations using small arms to

507
00:21:47,549 --> 00:21:45,249
bring to its knees the most powerful

508
00:21:52,200 --> 00:21:47,559
fighting forces in the world including

509
00:21:53,970 --> 00:21:52,210
including ours so I I don't know I don't

510
00:21:55,529 --> 00:21:53,980
think that makes it any different if it

511
00:21:57,359 --> 00:21:55,539
if it made it any different I don't

512
00:22:01,470 --> 00:21:57,369
think we'd still be playing around in

513
00:22:02,879 --> 00:22:01,480

Afghanistan today well you know I I

514

00:22:04,619 --> 00:22:02,889

agree with the point you made but I

515

00:22:06,659 --> 00:22:04,629

could take it even a step further I mean

516

00:22:08,590 --> 00:22:06,669

if you look at many revolutions these

517

00:22:10,180 --> 00:22:08,600

days for instance in Egypt it wasn't

518

00:22:12,280 --> 00:22:10,190

people leaving leave use handguns they

519

00:22:15,520 --> 00:22:12,290

just pour it into the streets and you're

520

00:22:17,140 --> 00:22:15,530

gonna cut down a city and a state simply

521

00:22:21,100 --> 00:22:17,150

by the people saying we're not working

522

00:22:21,790 --> 00:22:21,110

anymore and we're going to jam your

523

00:22:24,100 --> 00:22:21,800

streets with people

524

00:22:25,840 --> 00:22:24,110

oh yeah and look at the Arab strips the

525

00:22:27,370 --> 00:22:25,850

Arab Spring right there there were

526

00:22:30,940 --> 00:22:27,380

spirits of violence but a lot of it was

527

00:22:33,100 --> 00:22:30,950

peaceful um you know that you you don't

528

00:22:35,950 --> 00:22:33,110

you don't need to have a military win

529

00:22:37,480 --> 00:22:35,960

you don't need to blow up tanks to get

530

00:22:38,980 --> 00:22:37,490

the hearts and minds of the people in

531

00:22:40,870 --> 00:22:38,990

fact all you need is the hearts and

532

00:22:43,630 --> 00:22:40,880

minds of the people to win in the long

533

00:22:45,960 --> 00:22:43,640

term but it sounds like you would argue

534

00:22:50,020 --> 00:22:45,970

that the Second Amendment protects not

535

00:22:53,380 --> 00:22:50,030

just guns but perhaps even weapons

536

00:22:58,350 --> 00:22:53,390

beyond it including a tank and including

537

00:23:02,230 --> 00:22:58,360

an airplane that can shoot a missile

538

00:23:05,890 --> 00:23:02,240

probably I think that there are probably

539

00:23:09,220 --> 00:23:05,900

some limitations which but like a

540

00:23:12,400 --> 00:23:09,230

limitation in a different way not as in

541

00:23:16,690 --> 00:23:12,410

like you know this is the caliber limit

542

00:23:19,680 --> 00:23:16,700

but is in is there a you know can you

543

00:23:24,070 --> 00:23:19,690

use that equipment in a way that doesn't

544

00:23:25,780 --> 00:23:24,080

necessarily cause public harm and like

545

00:23:27,310 --> 00:23:25,790

that's a kind of pointy-headed academic

546

00:23:29,250 --> 00:23:27,320

way of looking at it but I don't think

547

00:23:32,470 --> 00:23:29,260

the limit I don't think there is a like

548

00:23:34,690 --> 00:23:32,480

the right to keep and bear arms as long

549

00:23:38,530 --> 00:23:34,700

as you can for you know you can use

550

00:23:40,510 --> 00:23:38,540

those arms in a responsible manner in a

551
00:23:42,610 --> 00:23:40,520
legal way I don't think there's a

552
00:23:44,380 --> 00:23:42,620
justification for banning them or

553
00:23:46,990 --> 00:23:44,390
locking people in cages for owning them

554
00:23:49,060 --> 00:23:47,000
but it hasn't the Supreme Court ruled

555
00:23:52,200 --> 00:23:49,070
that you can restrict for instance

556
00:23:57,510 --> 00:23:52,210
automatic automatic weapons not quite

557
00:24:00,280 --> 00:23:57,520
they they didn't exactly say that they

558
00:24:04,660 --> 00:24:00,290
what they said was is dangerous and

559
00:24:08,230 --> 00:24:04,670
unusual weapons may be able to be

560
00:24:09,850 --> 00:24:08,240
regulated and that in time you know

561
00:24:11,830 --> 00:24:09,860
they'll be able to discover that much

562
00:24:15,280 --> 00:24:11,840
but in in however the court really

563
00:24:19,930 --> 00:24:15,290

didn't approve much they left a lot to

564

00:24:21,520 --> 00:24:19,940

be reinterpreted that said if you

565

00:24:22,390 --> 00:24:21,530

brought a machine gun case to the

566

00:24:25,960 --> 00:24:22,400

Supreme Court to

567

00:24:28,090 --> 00:24:25,970

do I think they would so I think they

568

00:24:28,540 --> 00:24:28,100

would rule in favor of the people's

569

00:24:31,630 --> 00:24:28,550

rights

570

00:24:33,190 --> 00:24:31,640

I don't know right but you know I'm

571

00:24:37,270 --> 00:24:33,200

speaking from a theoretical perspective

572

00:24:40,480 --> 00:24:37,280

from what the Constitution actually says

573

00:24:44,770 --> 00:24:40,490

what the intent of that was and how does

574

00:24:46,840 --> 00:24:44,780

you know how does a civil society that

575

00:24:49,360 --> 00:24:46,850

respects individual liberty function and

576

00:24:52,299 --> 00:24:49,370

I think that if it doesn't matter what

577

00:24:53,890 --> 00:24:52,309

color your gun is or or how it works

578

00:24:56,710 --> 00:24:53,900

if you haven't done anything wrong with

579

00:24:58,680 --> 00:24:56,720

it I think it's immoral and wrong to

580

00:25:02,440 --> 00:24:58,690

lock people in cages for owning them

581

00:25:05,460 --> 00:25:02,450

yeah well most constitutional rights if

582

00:25:07,690 --> 00:25:05,470

not all are subject to some reasonable

583

00:25:09,310 --> 00:25:07,700

limitations here's a quote that I just

584

00:25:11,799 --> 00:25:09,320

kind of pulled I think it was actually

585

00:25:13,630 --> 00:25:11,809

from the ACLU but I think you'd probably

586

00:25:15,310 --> 00:25:13,640

agree with it there's no right is

587

00:25:18,130 --> 00:25:15,320

absolute the government is always

588

00:25:20,440 --> 00:25:18,140

allowed to restrict the right if it can

589

00:25:22,930 --> 00:25:20,450

satisfy constitutional strict scrutiny

590

00:25:25,510 --> 00:25:22,940

and show the restriction is narrowly

591

00:25:28,060 --> 00:25:25,520

tailored to promote a goal of compelling

592

00:25:30,910 --> 00:25:28,070

importance and that's been applied to

593

00:25:33,160 --> 00:25:30,920

the Second Amendment also by the Supreme

594

00:25:36,220 --> 00:25:33,170

Court right so it's not a hundred

595

00:25:37,660 --> 00:25:36,230

percent absolute reasonable restriction

596

00:25:42,150 --> 00:25:37,670

subject to script strict scrutiny

597

00:25:46,630 --> 00:25:42,160

narrowly tailored usually is permissible

598

00:25:51,220 --> 00:25:46,640

so I questioned the concept of tiered

599

00:25:52,720 --> 00:25:51,230

scrutiny at its core so I you know a lot

600

00:25:54,310 --> 00:25:52,730

of law professors will tell you this is

601
00:25:57,870 --> 00:25:54,320
it this is how it's been done this is

602
00:26:01,030 --> 00:25:57,880
the way we view our rights but it really

603
00:26:03,730 --> 00:26:01,040
you know this this way of looking at our

604
00:26:05,650 --> 00:26:03,740
rights is actually kind of new and I

605
00:26:06,190 --> 00:26:05,660
don't know if it's the right way to look

606
00:26:09,280 --> 00:26:06,200
at our rights

607
00:26:10,360 --> 00:26:09,290
I don't think there and so then that's

608
00:26:16,200 --> 00:26:10,370
the other question how do you view our

609
00:26:20,049 --> 00:26:16,210
right so is your right to do something I

610
00:26:24,850 --> 00:26:20,059
think it's exclusive of other people's

611
00:26:28,900 --> 00:26:24,860
rights so you can take you know you're

612
00:26:31,660 --> 00:26:28,910
like being in the woods can you swing a

613
00:26:34,000 --> 00:26:31,670

hammer in any direction I'd say probably

614

00:26:35,590 --> 00:26:34,010

yes right if you are free to do that

615

00:26:37,750 --> 00:26:35,600

you are free to swing your hammer and

616

00:26:39,820 --> 00:26:37,760

any directions but do you have the right

617

00:26:41,590 --> 00:26:39,830

to and I would say under a natural

618

00:26:44,260 --> 00:26:41,600

rights perspective you have the right to

619

00:26:46,900 --> 00:26:44,270

swing your hammer in any direction until

620

00:26:50,620 --> 00:26:46,910

it touches another person or another

621

00:26:52,930 --> 00:26:50,630

person's property so but is that

622

00:26:55,120 --> 00:26:52,940

limiting your right I don't think so I

623

00:26:58,029 --> 00:26:55,130

think it's that your rights have to

624

00:27:00,909 --> 00:26:58,039

exist with other people's right so I

625

00:27:03,940 --> 00:27:00,919

don't think there's a way to justify a

626

00:27:05,320 --> 00:27:03,950

ban on you know suppressors machine gun

627

00:27:07,960 --> 00:27:05,330

short-barrel rifles or anything like

628

00:27:09,730 --> 00:27:07,970

that on their own I think there's a

629

00:27:11,590 --> 00:27:09,740

there might be a way to justify saying

630

00:27:13,390 --> 00:27:11,600

you know you'll get extra years in

631

00:27:17,350 --> 00:27:13,400

prison if you use one of these in the

632

00:27:19,570 --> 00:27:17,360

commission of a robbery but I think that

633

00:27:22,740 --> 00:27:19,580

if you just look at it by itself like

634

00:27:25,659 --> 00:27:22,750

let's say you know let's say you had a

635

00:27:27,640 --> 00:27:25,669

suppressor you know a firearm suppressor

636

00:27:29,230 --> 00:27:27,650

on the table in front of you and you

637

00:27:32,940 --> 00:27:29,240

hadn't filled out your paperwork and

638

00:27:36,460 --> 00:27:32,950

paid your tax where is the moral

639

00:27:39,250 --> 00:27:36,470

justification for the government coming

640

00:27:42,130 --> 00:27:39,260

and locking you away right for doing

641

00:27:44,080 --> 00:27:42,140

that I don't I don't see it I don't see

642

00:27:46,480 --> 00:27:44,090

it until the very point where somebody

643

00:27:49,659 --> 00:27:46,490

else has been hurt and so if you didn't

644

00:27:51,580 --> 00:27:49,669

hurt anybody and you were you had your

645

00:27:54,460 --> 00:27:51,590

rights taken away from you as a result

646

00:27:56,919 --> 00:27:54,470

of owning a weapon of any sort I would

647

00:27:59,200 --> 00:27:56,929

say your rights were violated I gotcha

648

00:28:01,600 --> 00:27:59,210

so but anyway brought it broadly

649

00:28:03,730 --> 00:28:01,610

speaking certainly the current state of

650

00:28:05,649 --> 00:28:03,740

the law for the most part part is that

651
00:28:09,460 --> 00:28:05,659
constitutional rights can be subject to

652
00:28:11,740 --> 00:28:09,470
some reasonable limitations so let's

653
00:28:14,529 --> 00:28:11,750
talk about what's going on in California

654
00:28:16,330 --> 00:28:14,539
and some other places and I know there's

655
00:28:17,980 --> 00:28:16,340
been some very recent developments even

656
00:28:20,470 --> 00:28:17,990
over the weekend so I'll get into

657
00:28:22,180 --> 00:28:20,480
specifics in a second but generally

658
00:28:24,820 --> 00:28:22,190
speaking what happened in California is

659
00:28:29,919 --> 00:28:24,830
a closing of all non-essential

660
00:28:31,990 --> 00:28:29,929
businesses and determined gun stores

661
00:28:33,430 --> 00:28:32,000
were not considered essential so in

662
00:28:36,520 --> 00:28:33,440
certain places in California they've

663
00:28:39,220 --> 00:28:36,530

been closed with the rationale being

664

00:28:41,740 --> 00:28:39,230

that this is a reasonable restriction

665

00:28:47,720 --> 00:28:41,750

because we have exigent circumstances

666

00:28:50,900 --> 00:28:47,730

we've got an uncontrolled enemy

667

00:28:54,410 --> 00:28:50,910

that that being this virus that we need

668

00:28:57,380 --> 00:28:54,420

to control so for the time being we need

669

00:29:00,760 --> 00:28:57,390

to shut down gun stores what your

670

00:29:02,510 --> 00:29:00,770

thought about that being a reasonable

671

00:29:04,490 --> 00:29:02,520

restriction on your gun rights

672

00:29:12,560 --> 00:29:04,500

considering this national emergency we

673

00:29:14,630 --> 00:29:12,570

face it's stupid well put so it's like

674

00:29:17,000 --> 00:29:14,640

this gets into tailoring like you were

675

00:29:19,670 --> 00:29:17,010

talking about if the government and so

676

00:29:21,560 --> 00:29:19,680

like if I'm to accept this you know

677

00:29:24,260 --> 00:29:21,570

framework if the government is to

678

00:29:27,740 --> 00:29:24,270

restrict rights which in California it

679

00:29:30,200 --> 00:29:27,750

unquestionably has is it in a way that

680

00:29:32,720 --> 00:29:30,210

is tailored narrowly right so it does

681

00:29:34,730 --> 00:29:32,730

the minimum it has to do to achieve its

682

00:29:38,060 --> 00:29:34,740

interest its interest is stopping

683

00:29:42,590 --> 00:29:38,070

coronavirus good luck government but so

684

00:29:44,270 --> 00:29:42,600

then let's say this what does closing

685

00:29:46,010 --> 00:29:44,280

gun shops have to do with stopping

686

00:29:47,360 --> 00:29:46,020

coronavirus like keeping people away

687

00:29:49,850 --> 00:29:47,370

from each other I understand that

688

00:29:51,740 --> 00:29:49,860

however people are already in contact in

689

00:29:56,090 --> 00:29:51,750

other ways so this isn't narrowly

690

00:29:58,550 --> 00:29:56,100

tailored also does it take as little of

691

00:29:59,560 --> 00:29:58,560

the right as possible absolutely not so

692

00:30:02,780 --> 00:29:59,570

in California

693

00:30:04,520 --> 00:30:02,790

unlike in my home state of Florida where

694

00:30:07,460 --> 00:30:04,530

we have other options aside from gun

695

00:30:09,650 --> 00:30:07,470

shops we can buy from other individuals

696

00:30:11,840 --> 00:30:09,660

other Floridians we can make our own

697

00:30:14,660 --> 00:30:11,850

firearms without asking the government's

698

00:30:18,380 --> 00:30:14,670

permission like I have one whirring on

699

00:30:20,270 --> 00:30:18,390

the 3d printer behind me you have those

700

00:30:22,610 --> 00:30:20,280

options in California the government has

701
00:30:24,530 --> 00:30:22,620
said there is one way to get it and you

702
00:30:28,100 --> 00:30:24,540
have to be funneled into this very

703
00:30:31,040 --> 00:30:28,110
narrow chasm and then they shut the door

704
00:30:32,330 --> 00:30:31,050
so that's a total elimination of your

705
00:30:36,110 --> 00:30:32,340
second Amendment right to acquire a

706
00:30:37,850 --> 00:30:36,120
firearm I don't think you can say that

707
00:30:40,100 --> 00:30:37,860
that's narrowly tailored in any sense of

708
00:30:42,200 --> 00:30:40,110
the imagination they've completely taken

709
00:30:44,570 --> 00:30:42,210
away the right from anyone who didn't

710
00:30:46,850 --> 00:30:44,580
already have a gun during a time where

711
00:30:48,830 --> 00:30:46,860
people are most uncertain and where

712
00:30:50,810 --> 00:30:48,840
people there is actual fear of looting

713
00:30:53,270 --> 00:30:50,820

you know of toilet paper has gotten

714

00:30:55,730 --> 00:30:53,280

pretty scarce hasn't it there's all

715

00:30:57,170 --> 00:30:55,740

kinds of fears it's uncertain times and

716

00:30:59,090 --> 00:30:57,180

these are the times where people need an

717

00:31:00,710 --> 00:30:59,100

effective mechanism of defense so I

718

00:31:01,370 --> 00:31:00,720

would think that completely barring

719

00:31:04,070 --> 00:31:01,380

people from

720

00:31:06,350 --> 00:31:04,080

firing firearms is as I said before a

721

00:31:09,590 --> 00:31:06,360

bit stupid do you think there's an

722

00:31:13,100 --> 00:31:09,600

ulterior motive to it yes which is I

723

00:31:15,170 --> 00:31:13,110

mean they I this might shock your

724

00:31:18,590 --> 00:31:15,180

audience but government of California is

725

00:31:21,440 --> 00:31:18,600

not very gun friendly I don't know if

726

00:31:22,910 --> 00:31:21,450

they've thought this far ahead but in

727

00:31:24,520 --> 00:31:22,920

fact I think they probably haven't but

728

00:31:26,960 --> 00:31:24,530

this is what I've been thinking about it

729

00:31:28,550 --> 00:31:26,970

these people who are buying guns now a

730

00:31:30,650 --> 00:31:28,560

lot of them are first-time gun buyers

731

00:31:32,150 --> 00:31:30,660

people who have guns like me would not

732

00:31:33,920 --> 00:31:32,160

go and buy a gun right now because the

733

00:31:36,710 --> 00:31:33,930

prices are out of control

734

00:31:38,570 --> 00:31:36,720

so now you've got all these new people

735

00:31:39,620 --> 00:31:38,580

who previously a lot of them are

736

00:31:41,120 --> 00:31:39,630

probably the type of people who would

737

00:31:42,740 --> 00:31:41,130

say I would never own a gun I don't know

738

00:31:44,360 --> 00:31:42,750

why you would ever own a gun now there's

739

00:31:47,750 --> 00:31:44,370

a crisis going on and they kind of

740

00:31:50,480 --> 00:31:47,760

understand why we own guns that's gonna

741

00:31:53,000 --> 00:31:50,490

cause a huge cultural shift in this

742

00:31:55,040 --> 00:31:53,010

country there's gonna be a whole new

743

00:31:57,740 --> 00:31:55,050

generation of gun owners as a result of

744

00:31:59,120 --> 00:31:57,750

this who now can never say that they

745

00:32:03,380 --> 00:31:59,130

don't understand why you would want to

746

00:32:05,360 --> 00:32:03,390

buy a gun I can see why people who are

747

00:32:08,870 --> 00:32:05,370

very devoutly anti-gun would want to

748

00:32:10,760 --> 00:32:08,880

stem that tide but I couldn't I I don't

749

00:32:12,940 --> 00:32:10,770

really think that they are thinking that

750

00:32:15,890 --> 00:32:12,950

far ahead I think they're just saying oh

751
00:32:17,930 --> 00:32:15,900
not essential I can't comprehend why a

752
00:32:19,280 --> 00:32:17,940
gun shop would be essential because I

753
00:32:22,040 --> 00:32:19,290
live in a nice neighborhood and I've

754
00:32:25,730 --> 00:32:22,050
never felt in danger and so we're just

755
00:32:28,180 --> 00:32:25,740
gonna show them down yeah California

756
00:32:30,530 --> 00:32:28,190
generally as you point out you know

757
00:32:32,870 --> 00:32:30,540
people's right to bear arms not being on

758
00:32:36,890 --> 00:32:32,880
the top of their list of things to be

759
00:32:39,380 --> 00:32:36,900
concerned about right virus here for

760
00:32:42,710 --> 00:32:39,390
people to have guns down here shut them

761
00:32:46,970 --> 00:32:42,720
down but you know to your point I just

762
00:32:51,620 --> 00:32:46,980
heard coming in this morning 12% of NYPD

763
00:32:54,230 --> 00:32:51,630

are home sick right now and presumably

764

00:32:57,260 --> 00:32:54,240

that's only going to get worse so as you

765

00:32:59,720 --> 00:32:57,270

point out if there was ever a need for a

766

00:33:01,460 --> 00:32:59,730

gun for purposes of self-defense anyway

767

00:33:04,760 --> 00:33:01,470

now would be the time

768

00:33:07,130 --> 00:33:04,770

and yet California's shutting that down

769

00:33:11,420 --> 00:33:07,140

or attempting to well we're now starting

770

00:33:14,000 --> 00:33:11,430

to realize the cracks in the armor that

771

00:33:14,860 --> 00:33:14,010

exist like the government has made a lot

772

00:33:16,810 --> 00:33:14,870

of us think

773

00:33:19,480 --> 00:33:16,820

that you know they've got everything

774

00:33:21,700 --> 00:33:19,490

under control at all times but the

775

00:33:24,190 --> 00:33:21,710

limits of the system are being tested

776

00:33:27,280 --> 00:33:24,200

right now like you said 12% home sick in

777

00:33:28,390 --> 00:33:27,290

a massive district that's huge and then

778

00:33:29,380 --> 00:33:28,400

we don't know how many other people are

779

00:33:30,640 --> 00:33:29,390

affected right those numbers are

780

00:33:33,100 --> 00:33:30,650

probably gonna explode in the coming

781

00:33:35,890 --> 00:33:33,110

weeks so people are now forced to reckon

782

00:33:39,930 --> 00:33:35,900

with okay you know let's say they're the

783

00:33:42,310 --> 00:33:39,940

police force is down 12% and there's a

784

00:33:43,120 --> 00:33:42,320

like let's say forget la but you're

785

00:33:45,130 --> 00:33:43,130

living somewhere in the middle of

786

00:33:46,930 --> 00:33:45,140

country there's an armed robbery

787

00:33:50,530 --> 00:33:46,940

somewhere right

788

00:33:51,940 --> 00:33:50,540

there's looting all of the where all of

789

00:33:54,040 --> 00:33:51,950

the cops in the city gonna be they're

790

00:33:56,350 --> 00:33:54,050

gonna be answering that call and now

791

00:34:00,310 --> 00:33:56,360

let's say during this horrible event

792

00:34:02,470 --> 00:34:00,320

something happens to you do you you know

793

00:34:04,660 --> 00:34:02,480

a hundred percent of time are they gonna

794

00:34:05,200 --> 00:34:04,670

be able to be there and help you I don't

795

00:34:08,139 --> 00:34:05,210

think so

796

00:34:10,960 --> 00:34:08,149

95 percent sure but people are now

797

00:34:13,149 --> 00:34:10,970

realizing about that you know that

798

00:34:15,970 --> 00:34:13,159

possibility that possibility that you

799

00:34:18,129 --> 00:34:15,980

may have to take care of yourself and

800

00:34:21,010 --> 00:34:18,139

you know it's it's I don't think people

801
00:34:22,810 --> 00:34:21,020
I don't think any of these people who

802
00:34:24,760 --> 00:34:22,820
are now lining up to get guns are doing

803
00:34:26,200 --> 00:34:24,770
it because they want to do anything bad

804
00:34:29,020 --> 00:34:26,210
with guns I think they're doing it

805
00:34:31,060 --> 00:34:29,030
because they are seeing the chips in the

806
00:34:32,860 --> 00:34:31,070
armor they're seeing that the state

807
00:34:35,470 --> 00:34:32,870
can't be there every single time

808
00:34:37,330 --> 00:34:35,480
something bad happens and if something

809
00:34:40,270 --> 00:34:37,340
horrible were to happen they just want

810
00:34:43,240 --> 00:34:40,280
to have an option now what about the

811
00:34:46,930 --> 00:34:43,250
oppressive government circumstances and

812
00:34:49,180 --> 00:34:46,940
that being a right to have arms you know

813
00:34:51,480 --> 00:34:49,190

in in emergency situations

814

00:34:55,060 --> 00:34:51,490

that's when government oftentimes

815

00:34:57,040 --> 00:34:55,070

overreaches and I think it's a very good

816

00:34:59,140 --> 00:34:57,050

argument right now that the state of

817

00:35:00,310 --> 00:34:59,150

California has overreached as we talked

818

00:35:02,440 --> 00:35:00,320

about if you're going to violate

819

00:35:04,330 --> 00:35:02,450

somebody's constitutional right it's

820

00:35:06,730 --> 00:35:04,340

gonna be subject descriptors strict

821

00:35:10,300 --> 00:35:06,740

scrutiny and it better be near nari

822

00:35:14,980 --> 00:35:10,310

nareh Lee Taylor sorry to promote the

823

00:35:19,540 --> 00:35:14,990

goal the state of California has ordered

824

00:35:20,770 --> 00:35:19,550

everybody to shelter in place even

825

00:35:22,180 --> 00:35:20,780

though the federal government has an

826

00:35:23,800 --> 00:35:22,190

asset the federal guidelines are

827

00:35:25,360 --> 00:35:23,810

basically to keep your distance and

828

00:35:26,590 --> 00:35:25,370

follow certain protocols the state of

829

00:35:28,060 --> 00:35:26,600

California says you not allowed to leave

830

00:35:28,710 --> 00:35:28,070

your home you not allowed to tend to

831

00:35:30,300 --> 00:35:28,720

your property

832

00:35:32,849 --> 00:35:30,310

not allowed to tend to your business

833

00:35:35,400 --> 00:35:32,859

unless it's essential and now they've

834

00:35:37,800 --> 00:35:35,410

closed the beaches and essentially the

835

00:35:40,859 --> 00:35:37,810

Pacific Ocean is now closed I've got

836

00:35:46,109 --> 00:35:40,869

pictures of surfers getting citations

837

00:35:49,680 --> 00:35:46,119

from from LA County sheriff's for

838

00:35:53,010 --> 00:35:49,690

surfing on the Pacific Ocean right is

839

00:35:54,750 --> 00:35:53,020

this yes oh absolutely and like that's

840

00:35:56,010 --> 00:35:54,760

another thing it's not just about the

841

00:35:58,200 --> 00:35:56,020

right to keep and bear arms there's a

842

00:36:00,990 --> 00:35:58,210

lot of First Amendment violations that

843

00:36:03,060 --> 00:36:01,000

are going on and unfortunately we

844

00:36:04,859 --> 00:36:03,070

haven't gotten curfews very heavily

845

00:36:07,109 --> 00:36:04,869

reviewed by the courts I mean the cases

846

00:36:10,320 --> 00:36:07,119

just haven't come up that much in our

847

00:36:13,050 --> 00:36:10,330

country's history but now we obviously

848

00:36:16,080 --> 00:36:13,060

have the need for guidance there it

849

00:36:18,690 --> 00:36:16,090

seems to me that the government has to

850

00:36:21,089 --> 00:36:18,700

at least provide an exception for First

851

00:36:24,060 --> 00:36:21,099

Amendment protected conduct as well as

852

00:36:26,370 --> 00:36:24,070

Second Amendment protected conduct at

853

00:36:30,089 --> 00:36:26,380

minimum you know to have any of these

854

00:36:32,099 --> 00:36:30,099

stay at home orders be lawful and the

855

00:36:35,040 --> 00:36:32,109

complicated thing is it takes time to

856

00:36:37,020 --> 00:36:35,050

get your cases heard and if like let's

857

00:36:38,810 --> 00:36:37,030

say the stay at home order is a First

858

00:36:41,900 --> 00:36:38,820

Amendment violation which I think it is

859

00:36:44,760 --> 00:36:41,910

two to right to peaceably assemble

860

00:36:46,589 --> 00:36:44,770

exactly or the right to do your

861

00:36:50,150 --> 00:36:46,599

religious observations you know any

862

00:36:52,589 --> 00:36:50,160

anything or just paint I don't know

863

00:36:54,870 --> 00:36:52,599

let's say that the sheriff tells you no

864

00:36:58,440 --> 00:36:54,880

no painting right you have to stay

865

00:36:59,970 --> 00:36:58,450

inside and you sue by the time your case

866

00:37:00,810 --> 00:36:59,980

gets heard because half the courts are

867

00:37:02,609 --> 00:37:00,820

closed now too

868

00:37:03,870 --> 00:37:02,619

the government's already stopped doing

869

00:37:05,670 --> 00:37:03,880

it and they're gonna say oh well your

870

00:37:07,970 --> 00:37:05,680

case is moot so that's something that

871

00:37:09,930 --> 00:37:07,980

really scares me there's a lot of

872

00:37:12,329 --> 00:37:09,940

unquestionable violations that are

873

00:37:14,670 --> 00:37:12,339

having right now that are at risk of

874

00:37:16,589 --> 00:37:14,680

being never heard in court yeah so

875

00:37:18,839 --> 00:37:16,599

normally you're able to go in and if you

876

00:37:20,670 --> 00:37:18,849

can prove likelihood of success and

877

00:37:23,040 --> 00:37:20,680

exigent circumstances you can get a

878

00:37:25,050 --> 00:37:23,050

temporary restraining order right I I

879

00:37:28,109 --> 00:37:25,060

know that's what you guys are attempting

880

00:37:29,849 --> 00:37:28,119

through what you filed on Friday but

881

00:37:31,680 --> 00:37:29,859

you're talking about the courts possibly

882

00:37:33,329 --> 00:37:31,690

not being open so let's get into

883

00:37:36,150 --> 00:37:33,339

specifics of your case you guys filed it

884

00:37:37,620 --> 00:37:36,160

on Friday are you were able to file it

885

00:37:39,450 --> 00:37:37,630

the court was open to receive right yeah

886

00:37:40,650 --> 00:37:39,460

I'm talking about the whole country that

887

00:37:42,330 --> 00:37:40,660

we're seeing okay

888

00:37:44,610 --> 00:37:42,340

and what

889

00:37:46,290 --> 00:37:44,620

you guys are trying to get a temporary

890

00:37:50,280 --> 00:37:46,300

restraining order against the state from

891

00:37:53,610 --> 00:37:50,290

enforcing this shutdown rule well yeah

892

00:37:54,780 --> 00:37:53,620

so it's it's the state needs to because

893

00:37:57,630 --> 00:37:54,790

the state has tried to like play this

894

00:37:59,790 --> 00:37:57,640

game hot potato or they're like oh you

895

00:38:01,380 --> 00:37:59,800

know we're not gonna make a call the

896

00:38:04,830 --> 00:38:01,390

individual sheriffs get to make the call

897

00:38:06,960 --> 00:38:04,840

um we think that that is like their

898

00:38:09,480 --> 00:38:06,970

behavior there is a violation they

899

00:38:11,100 --> 00:38:09,490

should direct the you know they should

900

00:38:13,140 --> 00:38:11,110

make the directive no obviously don't

901
00:38:15,600 --> 00:38:13,150
restrict don't violate people's rights

902
00:38:17,400 --> 00:38:15,610
yeah let's take people through that that

903
00:38:19,980 --> 00:38:17,410
history real quick so so the the

904
00:38:21,840 --> 00:38:19,990
Governor of California Newsom issues an

905
00:38:24,470 --> 00:38:21,850
order that says that everybody stay at

906
00:38:27,510 --> 00:38:24,480
home other than non-essential businesses

907
00:38:31,200 --> 00:38:27,520
businesses and then he points to a

908
00:38:33,900 --> 00:38:31,210
federal list of essential businesses gun

909
00:38:36,690 --> 00:38:33,910
stores aren't on there so the county

910
00:38:39,870 --> 00:38:36,700
sheriff in Los Angeles says that gun

911
00:38:42,240 --> 00:38:39,880
stores are not essential then he gets

912
00:38:44,280 --> 00:38:42,250
some type of opinion apparently from a

913
00:38:46,740 --> 00:38:44,290

county attorney that says well no

914

00:38:50,910 --> 00:38:46,750

actually they are he reverses his order

915

00:38:52,800 --> 00:38:50,920

then governor Newsom says that I'm gonna

916

00:38:54,600 --> 00:38:52,810

leave it up to sheriff's to make the

917

00:38:57,540 --> 00:38:54,610

determination as to whether gun stores

918

00:38:59,880 --> 00:38:57,550

are essential or not and based on that

919

00:39:01,770 --> 00:38:59,890

this LA County Sheriff feels it now

920

00:39:03,630 --> 00:39:01,780

embolden that oh okay the governor told

921

00:39:07,290 --> 00:39:03,640

me it's up to me I say they're not

922

00:39:08,520 --> 00:39:07,300

essential but it shuts them down so you

923

00:39:11,070 --> 00:39:08,530

know either they're essential or they're

924

00:39:14,580 --> 00:39:11,080

not governor who just really punted it

925

00:39:16,050 --> 00:39:14,590

to scare so it seems kind of silly but

926

00:39:18,540 --> 00:39:16,060

you guys sued the state of California

927

00:39:23,490 --> 00:39:18,550

nonetheless along with LA County Sheriff

928

00:39:26,610 --> 00:39:23,500

yes and and look it's we all have a duty

929

00:39:27,930 --> 00:39:26,620

right and even me right I I'm a lawyer I

930

00:39:30,740 --> 00:39:27,940

swear an oath we all have a duty to

931

00:39:32,940 --> 00:39:30,750

protect it up all the Constitution and

932

00:39:34,980 --> 00:39:32,950

everyone you know the entire chain of

933

00:39:38,100 --> 00:39:34,990

command violated their duty here that's

934

00:39:40,980 --> 00:39:38,110

as simple as it has to be so keeping

935

00:39:44,930 --> 00:39:40,990

with the specific specifics of your case

936

00:39:47,880 --> 00:39:44,940

on Saturday it's my understanding that

937

00:39:49,260 --> 00:39:47,890

the federal government and this is I

938

00:39:52,840 --> 00:39:49,270

think it's homeland security that's

939

00:39:56,920 --> 00:39:52,850

creating this list of essential business

940

00:39:59,110 --> 00:39:56,930

gun stores to the list right woman let

941

00:40:01,000 --> 00:39:59,120

me let me pause you right there I'm not

942

00:40:04,570 --> 00:40:01,010

sure they weren't on there to begin with

943

00:40:06,970 --> 00:40:04,580

because a lot of these use you know

944

00:40:10,090 --> 00:40:06,980

language this this federal language

945

00:40:12,760 --> 00:40:10,100

it included shops that sell other

946

00:40:16,930 --> 00:40:12,770

supplies that are necessary for ensuring

947

00:40:19,960 --> 00:40:16,940

the safety of you know homes I think

948

00:40:22,060 --> 00:40:19,970

that that's what a gun shop is right and

949

00:40:25,810 --> 00:40:22,070

so I think it's arguable that they were

950

00:40:29,380 --> 00:40:25,820

already covered however yes then now the

951
00:40:30,850 --> 00:40:29,390
feds came forth and clarified and and

952
00:40:33,610 --> 00:40:30,860
they went so far as to say the entire

953
00:40:35,560 --> 00:40:33,620
gun industry is essential and by the way

954
00:40:37,660 --> 00:40:35,570
another point is whether they were

955
00:40:38,950 --> 00:40:37,670
covered or not it doesn't change the

956
00:40:41,920 --> 00:40:38,960
fact that you have a second Amendment

957
00:40:43,630 --> 00:40:41,930
right to do a yeah yeah no because the

958
00:40:46,660 --> 00:40:43,640
government would probably not say that

959
00:40:48,520 --> 00:40:46,670
you know you know if you ask them

960
00:40:50,920 --> 00:40:48,530
specifically what's essential during a

961
00:40:54,460 --> 00:40:50,930
time of crisis would they necessarily

962
00:40:56,350 --> 00:40:54,470
say a church I think it would depend on

963
00:40:57,990 --> 00:40:56,360

the official but it doesn't matter you

964

00:41:01,570 --> 00:40:58,000

have a First Amendment protected

965

00:41:04,300 --> 00:41:01,580

expression interest there so but now if

966

00:41:07,260 --> 00:41:04,310

you look at newsome's order now that gun

967

00:41:09,400 --> 00:41:07,270

stores are expressly on the list

968

00:41:12,100 --> 00:41:09,410

presumably that therefore changes

969

00:41:14,380 --> 00:41:12,110

Newsom's order and nuisance order no

970

00:41:17,770 --> 00:41:14,390

longer applies to gun stores so has this

971

00:41:19,930 --> 00:41:17,780

mooted your case well so it's a little

972

00:41:21,910 --> 00:41:19,940

more nuanced than that right because

973

00:41:23,620 --> 00:41:21,920

there are some counties there are some

974

00:41:27,040 --> 00:41:23,630

places in the country that directly

975

00:41:32,320 --> 00:41:27,050

adopted the government list and so the

976

00:41:34,030 --> 00:41:32,330

federal list Newsom referenced it so

977

00:41:36,880 --> 00:41:34,040

then there's the question of does that

978

00:41:40,450 --> 00:41:36,890

you know does the updated list still you

979

00:41:44,080 --> 00:41:40,460

know count is it binding you know those

980

00:41:45,670 --> 00:41:44,090

are open questions I mean I I hope that

981

00:41:49,540 --> 00:41:45,680

we can just as quickly as possible get

982

00:41:52,180 --> 00:41:49,550

people's rights respected but um you

983

00:41:56,320 --> 00:41:52,190

know it's it's an open question as to

984

00:42:00,010 --> 00:41:56,330

what effect the update will have on the

985

00:42:02,760 --> 00:42:00,020

lawsuits mm-hmm it is a scary thought

986

00:42:04,560 --> 00:42:02,770

though to think how little our

987

00:42:07,860 --> 00:42:04,570

politicians

988

00:42:09,450 --> 00:42:07,870

think about our rights and just you know

989

00:42:11,670 --> 00:42:09,460

regarding anything this is just a great

990

00:42:14,220 --> 00:42:11,680

example to talk about but it's so

991

00:42:17,490 --> 00:42:14,230

obvious that they could have still

992

00:42:20,190 --> 00:42:17,500

protected our right to bear arms under

993

00:42:21,930 --> 00:42:20,200

the Second Amendment by putting an order

994

00:42:25,050 --> 00:42:21,940

in place that says that okay yeah gun

995

00:42:26,960 --> 00:42:25,060

stores can be open but any line into the

996

00:42:30,060 --> 00:42:26,970

gun store you must be six feet apart

997

00:42:32,280 --> 00:42:30,070

right X number of people at it within

998

00:42:34,940 --> 00:42:32,290

the gun store at a particular time I'd

999

00:42:36,570 --> 00:42:34,950

be it so even by appointment only

1000

00:42:39,990 --> 00:42:36,580

appointment only

1001
00:42:42,000 --> 00:42:40,000
I mean it's so easy to think of ways to

1002
00:42:45,630 --> 00:42:42,010
still protect against the virus but

1003
00:42:49,340 --> 00:42:45,640
allow the sale of guns and to just so

1004
00:42:53,550 --> 00:42:49,350
callously say nope not essential Chlo

1005
00:42:55,320 --> 00:42:53,560
and even though Newsom himself hasn't

1006
00:42:57,060 --> 00:42:55,330
ordered any clothes the fact that he

1007
00:42:59,850 --> 00:42:57,070
would allow sheriff's to make their own

1008
00:43:01,380 --> 00:42:59,860
decision I mean that only seems to be

1009
00:43:03,090 --> 00:43:01,390
the most that's even worse in my opinion

1010
00:43:05,940 --> 00:43:03,100
than Newsom saying the gun stores aren't

1011
00:43:08,310 --> 00:43:05,950
aren't essential right that's him saying

1012
00:43:10,590 --> 00:43:08,320
I don't want to touch this right but I

1013
00:43:12,840 --> 00:43:10,600

mean Newsom not wanting to touch a gun

1014

00:43:16,250 --> 00:43:12,850

thing I think that tells you it's pretty

1015

00:43:19,850 --> 00:43:16,260

clear how wrong you are and I mean it's

1016

00:43:21,420 --> 00:43:19,860

especially in California man it's like a

1017

00:43:24,870 --> 00:43:21,430

slam dunk

1018

00:43:29,100 --> 00:43:24,880

you know like they're this is like it's

1019

00:43:31,650 --> 00:43:29,110

stupid this is not alone right tell me

1020

00:43:34,410 --> 00:43:31,660

what other states counties or cities

1021

00:43:38,280 --> 00:43:34,420

have said that gun stores must close

1022

00:43:40,440 --> 00:43:38,290

well in North Carolina we've been you

1023

00:43:43,200 --> 00:43:40,450

know we're suing a temperate area we're

1024

00:43:45,710 --> 00:43:43,210

suing a sheriff who prohibited we

1025

00:43:48,540 --> 00:43:45,720

stopped all pistol permit applications

1026

00:43:50,310 --> 00:43:48,550

we we were prepared to sue the county

1027

00:43:52,470 --> 00:43:50,320

but they they got back to us and we're

1028

00:43:55,410 --> 00:43:52,480

like oh no okay you know gun shops are

1029

00:43:58,590 --> 00:43:55,420

essential at least they that's what

1030

00:44:01,020 --> 00:43:58,600

they're saying they'll do Louisiana

1031

00:44:03,360 --> 00:44:01,030

we've got a lawsuit pending I mean we've

1032

00:44:05,370 --> 00:44:03,370

got stuff going on all over the place I

1033

00:44:07,160 --> 00:44:05,380

mean if you guys are curious I'd

1034

00:44:09,720 --> 00:44:07,170

recommend you check out firearms policy

1035

00:44:11,880 --> 00:44:09,730

org and you can see under the legal tap

1036

00:44:14,880 --> 00:44:11,890

we've got all the stuff listed out yeah

1037

00:44:16,860 --> 00:44:14,890

there's there's a lot going on and we're

1038

00:44:18,240 --> 00:44:16,870

sending a lot of letters yeah I know you

1039

00:44:20,730 --> 00:44:18,250

guys are also asking the

1040

00:44:23,970 --> 00:44:20,740

so we'll ask our listeners to inform you

1041

00:44:25,350 --> 00:44:23,980

guys you know if they have if their

1042

00:44:27,150 --> 00:44:25,360

particular city because there's so many

1043

00:44:30,000 --> 00:44:27,160

cities out there if they're just ban

1044

00:44:33,720 --> 00:44:30,010

guns to inform you guys yeah yeah check

1045

00:44:35,250 --> 00:44:33,730

out FPC hotline org we've got a hotline

1046

00:44:36,510 --> 00:44:35,260

set up basically you know if you're a

1047

00:44:38,370 --> 00:44:36,520

gun shop owner you've been ordered to

1048

00:44:39,630 --> 00:44:38,380

close down or you're you're especially

1049

00:44:41,340 --> 00:44:39,640

if you're one of these people who are

1050

00:44:43,350 --> 00:44:41,350

wanting to buy a gun for the first time

1051

00:44:45,480 --> 00:44:43,360

but the city has ordered all the gun

1052

00:44:48,000 --> 00:44:45,490

shops closed we definitely want to hear

1053

00:44:49,920 --> 00:44:48,010

from you no matter where you are you

1054

00:44:52,410 --> 00:44:49,930

know it's very hard to keep track over

1055

00:44:53,640 --> 00:44:52,420

all these city and county ordinances all

1056

00:44:55,200 --> 00:44:53,650

over the place and a lot of them are

1057

00:44:57,030 --> 00:44:55,210

actually like it seems like they're

1058

00:45:00,840 --> 00:44:57,040

intentionally making themselves hard to

1059

00:45:02,760 --> 00:45:00,850

find so you know we if you've been

1060

00:45:04,560 --> 00:45:02,770

subjected to that we definitely want to

1061

00:45:07,550 --> 00:45:04,570

hear from you and you guys have the

1062

00:45:10,770 --> 00:45:07,560

resources to litigate all these cases

1063

00:45:12,270 --> 00:45:10,780

well I don't know about all but we're

1064

00:45:14,100 --> 00:45:12,280

doing our best you know we've got a lot

1065

00:45:15,330 --> 00:45:14,110

of support we've we've been working

1066

00:45:17,220 --> 00:45:15,340

together with other gun rights

1067

00:45:21,630 --> 00:45:17,230

organization including Sekhmet

1068

00:45:24,360 --> 00:45:21,640

Foundation the NRA so we've been putting

1069

00:45:27,060 --> 00:45:24,370

our everything we can down on the table

1070

00:45:29,880 --> 00:45:27,070

just to protect the people because I

1071

00:45:33,270 --> 00:45:29,890

mean to me this is like a key example

1072

00:45:35,790 --> 00:45:33,280

like this is why I do what I do you know

1073

00:45:38,160 --> 00:45:35,800

people need to be able to protect

1074

00:45:41,670 --> 00:45:38,170

themselves in a time of crisis and right

1075

00:45:43,920 --> 00:45:41,680

now is a time of crisis so we haven't

1076

00:45:45,330 --> 00:45:43,930

been getting much sleep so the one that

1077

00:45:47,370 --> 00:45:45,340

will probably continue to get the most

1078

00:45:50,730 --> 00:45:47,380

attention is the one that you filed in

1079

00:45:52,530 --> 00:45:50,740

Los Angeles on Friday tell me what is

1080

00:45:54,960 --> 00:45:52,540

the status of that when do you think

1081

00:45:56,400 --> 00:45:54,970

you'll be in front of a judge arguing

1082

00:46:00,030 --> 00:45:56,410

the merits of this on a temporary

1083

00:46:02,610 --> 00:46:00,040

restraining order I well it me it won't

1084

00:46:04,770 --> 00:46:02,620

be me I'm I'm only barred in Florida so

1085

00:46:08,940 --> 00:46:04,780

but we have local council that's working

1086

00:46:10,740 --> 00:46:08,950

on it I don't know you know everything's

1087

00:46:13,110 --> 00:46:10,750

up in the air right now with this stuff

1088

00:46:14,490 --> 00:46:13,120

but the good thing is is that we've been

1089

00:46:17,340 --> 00:46:14,500

acting quickly and getting these

1090

00:46:20,250 --> 00:46:17,350

lawsuits filed and getting the ball

1091

00:46:22,860 --> 00:46:20,260

rolling so we're trying our best to get

1092

00:46:26,970 --> 00:46:22,870

everything done as quickly as possible

1093

00:46:29,880 --> 00:46:26,980

but I you know that's like asking me to

1094

00:46:31,800 --> 00:46:29,890

predict the election and I learned in

1095

00:46:34,410 --> 00:46:31,810

2016 not to try to do that

1096

00:46:37,050 --> 00:46:34,420

well I'm just saying stances if the

1097

00:46:38,670 --> 00:46:37,060

court were fully open and you know my

1098

00:46:39,780 --> 00:46:38,680

understanding is in Los Angeles is that

1099

00:46:41,970 --> 00:46:39,790

they're open they're not doing jury

1100

00:46:44,130 --> 00:46:41,980

trials but you can write for the judges

1101

00:46:46,140 --> 00:46:44,140

and so on I happen to be dealing with a

1102

00:46:48,210 --> 00:46:46,150

case in Quebec Canada and can say that

1103

00:46:50,460 --> 00:46:48,220

Quebec is a hundred percent closed you

1104

00:46:53,280 --> 00:46:50,470

can't really any reason unless it's a

1105

00:46:55,980 --> 00:46:53,290

genuine emergency so who knows what

1106

00:46:58,890 --> 00:46:55,990

they're gonna implement as things go by

1107

00:47:00,630 --> 00:46:58,900

here but you know based on my experience

1108

00:47:02,010 --> 00:47:00,640

many years ago being a litigator on the

1109

00:47:03,600 --> 00:47:02,020

temporary restraining order you can get

1110

00:47:05,340 --> 00:47:03,610

in pretty quickly I mean what surprised

1111

00:47:07,560 --> 00:47:05,350

me if you guys are having a hearing by

1112

00:47:09,480 --> 00:47:07,570

the end of this week in front of a judge

1113

00:47:11,640 --> 00:47:09,490

it would be nice I mean we've definitely

1114

00:47:13,080 --> 00:47:11,650

been alleging you know the exigent

1115

00:47:15,930 --> 00:47:13,090

circumstances we've definitely been

1116

00:47:18,110 --> 00:47:15,940

doing you know we've been basically

1117

00:47:20,520 --> 00:47:18,120

making it clear this is an emergency

1118

00:47:22,740 --> 00:47:20,530

there's also the issue that like like I

1119

00:47:24,480 --> 00:47:22,750

was talking to you earlier about the

1120

00:47:27,990 --> 00:47:24,490

standing thing like this is something

1121

00:47:29,910 --> 00:47:28,000

that is very serious and shouldn't be

1122

00:47:31,230 --> 00:47:29,920

allowed to wiggle its way out on

1123

00:47:34,740 --> 00:47:31,240

mootness you know this needs to be

1124

00:47:37,080 --> 00:47:34,750

handled now and presumably

1125

00:47:39,660 --> 00:47:37,090

you would seek not just that the order

1126

00:47:43,230 --> 00:47:39,670

be reversed but that the gun stores

1127

00:47:48,030 --> 00:47:43,240

receive damages for lost sales during

1128

00:47:49,800 --> 00:47:48,040

that time um I mean I think that would

1129

00:47:53,700 --> 00:47:49,810

it's hard to get those types of

1130

00:47:55,950 --> 00:47:53,710

judgments but I mean under a tort theory

1131

00:47:57,960 --> 00:47:55,960

that would make sense right it's the I

1132

00:47:59,910 --> 00:47:57,970

mean it's the directed and probable

1133

00:48:02,820 --> 00:47:59,920

consequences of the action the

1134

00:48:05,450 --> 00:48:02,830

government took and are you hearing

1135

00:48:07,950 --> 00:48:05,460

anything about cases being brought

1136

00:48:09,840 --> 00:48:07,960

saying that these shut down orders are

1137

00:48:13,770 --> 00:48:09,850

overly broad that they're not narrowly

1138

00:48:18,750 --> 00:48:13,780

tailored to fighting this virus and that

1139

00:48:21,540 --> 00:48:18,760

stay at home orders violate individual

1140

00:48:22,920 --> 00:48:21,550

liberty right to protect property you

1141

00:48:25,020 --> 00:48:22,930

know their state constitutions and

1142

00:48:27,300 --> 00:48:25,030

there's the the US Constitution whose

1143

00:48:29,430 --> 00:48:27,310

Constitution we've got the First

1144

00:48:32,160 --> 00:48:29,440

Amendment and then you've got right

1145

00:48:34,020 --> 00:48:32,170

against you know takings clause you know

1146

00:48:37,320 --> 00:48:34,030

arguably shutting down these businesses

1147

00:48:38,580 --> 00:48:37,330

is a taking what do you think about

1148

00:48:41,400 --> 00:48:38,590

cases like that and are you hearing

1149

00:48:43,470 --> 00:48:41,410

about any of them being brought so like

1150

00:48:45,750 --> 00:48:43,480

as that all gets

1151

00:48:48,600 --> 00:48:45,760

your theory of the case which is is

1152

00:48:51,120 --> 00:48:48,610

heavily jurisdiction independent because

1153

00:48:53,190 --> 00:48:51,130

in places like the Ninth Circuit we

1154

00:48:54,900 --> 00:48:53,200

don't even know what tier of scrutiny

1155

00:48:57,330 --> 00:48:54,910

second amendment cases are heard over

1156

00:48:59,850 --> 00:48:57,340

right they claim it's intermediate but

1157

00:49:03,180 --> 00:48:59,860

we don't know in the Ninth Circuit what

1158

00:49:05,880 --> 00:49:03,190

how much tailoring like how much the

1159

00:49:08,340 --> 00:49:05,890

judges care about tailoring I certainly

1160

00:49:10,500 --> 00:49:08,350

think it's relevant but you know as far

1161

00:49:12,720 --> 00:49:10,510

as how the cases are broad it you know

1162

00:49:15,360 --> 00:49:12,730

we always make sure to go with the

1163

00:49:19,260 --> 00:49:15,370

strongest theory for the jurisdiction I

1164

00:49:21,540 --> 00:49:19,270

mean like I would you know me personally

1165

00:49:24,780 --> 00:49:21,550

I would want to see a case that was won

1166

00:49:29,780 --> 00:49:24,790

on the Commerce Clause you know against

1167

00:49:31,650 --> 00:49:29,790

a federal uh you know prohibition but

1168

00:49:33,750 --> 00:49:31,660

federal government I think it's been

1169

00:49:35,610 --> 00:49:33,760

very careful about what they've issued

1170

00:49:38,940 --> 00:49:35,620

ll you know just over the weekend

1171

00:49:40,950 --> 00:49:38,950

oh yeah start out a quarantine of New

1172

00:49:43,260 --> 00:49:40,960

York and New Jersey and then he ends up

1173

00:49:44,820 --> 00:49:43,270

not doing it I think most likely he

1174

00:49:46,830 --> 00:49:44,830

chose not to do it because he was

1175

00:49:48,390 --> 00:49:46,840

advised it's not constantly because

1176
00:49:52,620 --> 00:49:48,400
somebody probably pulled him aside and

1177
00:49:54,540 --> 00:49:52,630
said stop it like this right and the

1178
00:49:56,610 --> 00:49:54,550
federal guidelines are just that they're

1179
00:49:57,840 --> 00:49:56,620
really just guidelines it's up to the

1180
00:49:59,340 --> 00:49:57,850
states in the cities and that's what a

1181
00:50:00,660 --> 00:49:59,350
lot of people don't realize and I think

1182
00:50:03,600 --> 00:50:00,670
that we're gonna be getting into very

1183
00:50:05,700 --> 00:50:03,610
interesting times here where say the

1184
00:50:09,120 --> 00:50:05,710
federal government decides okay I think

1185
00:50:10,770 --> 00:50:09,130
it's time to allow people to start going

1186
00:50:13,650 --> 00:50:10,780
back to work and so on but the

1187
00:50:15,420 --> 00:50:13,660
individual governors say no it's not and

1188
00:50:18,690 --> 00:50:15,430

right the ones that have the authority

1189

00:50:20,630 --> 00:50:18,700

or more authority anyway than the

1190

00:50:23,010 --> 00:50:20,640

federal government to shut things down

1191

00:50:24,390 --> 00:50:23,020

ya know it's a really interest this

1192

00:50:26,580 --> 00:50:24,400

whole situation is just so fascinating

1193

00:50:29,580 --> 00:50:26,590

and especially because like you know

1194

00:50:33,360 --> 00:50:29,590

it's it's a situation where there's a

1195

00:50:35,940 --> 00:50:33,370

virus where the primary target right the

1196

00:50:37,110 --> 00:50:35,950

people most at risk for it are generally

1197

00:50:41,160 --> 00:50:37,120

the same people that are in the

1198

00:50:44,550 --> 00:50:41,170

political class so it's it's just a

1199

00:50:46,530 --> 00:50:44,560

fascinating way it's developing and I

1200

00:50:49,740 --> 00:50:46,540

think that like you're saying once the

1201
00:50:51,360 --> 00:50:49,750
feds and also like I mean who really

1202
00:50:54,900 --> 00:50:51,370
cares what the feds think on the matter

1203
00:50:56,610 --> 00:50:54,910
but you know once they think it's it's

1204
00:50:58,800 --> 00:50:56,620
time to pull back

1205
00:51:00,270 --> 00:50:58,810
and Android go home and I would hope

1206
00:51:03,570 --> 00:51:00,280
that that would be supported by the you

1207
00:51:05,610 --> 00:51:03,580
know scientific analysis it would be up

1208
00:51:08,550 --> 00:51:05,620
to like the personality of the governor

1209
00:51:11,030 --> 00:51:08,560
to decide whether or not to take that

1210
00:51:16,160 --> 00:51:11,040
and that's that's why this is also

1211
00:51:20,120 --> 00:51:16,170
problematic yeah they're definitely

1212
00:51:23,520 --> 00:51:20,130
basically allowing this panic to

1213
00:51:25,290 --> 00:51:23,530

overreach and decide that this is the

1214

00:51:27,750 --> 00:51:25,300

role of government the people can't be

1215

00:51:30,050 --> 00:51:27,760

trusted you know we've been told keep

1216

00:51:33,830 --> 00:51:30,060

six feet of distance from each other and

1217

00:51:37,530 --> 00:51:33,840

wash your hands and coffin to your elbow

1218

00:51:40,170 --> 00:51:37,540

but they got a photo from a helicopter

1219

00:51:43,440 --> 00:51:40,180

of one of the popular hiking trails in

1220

00:51:46,290 --> 00:51:43,450

Los Angeles which my gosh showed people

1221

00:51:50,130 --> 00:51:46,300

crossing paths with each other on the

1222

00:51:51,930 --> 00:51:50,140

hiking trail and my gosh if you measured

1223

00:51:54,690 --> 00:51:51,940

it it was less than six feet like we

1224

00:51:56,760 --> 00:51:54,700

can't trust people to model these

1225

00:51:58,620 --> 00:51:56,770

guidelines so we better just shut

1226

00:52:00,150 --> 00:51:58,630

everything down that's really what

1227

00:52:02,370 --> 00:52:00,160

they're doing they're saying you we

1228

00:52:03,660 --> 00:52:02,380

can't trust the people to follow these

1229

00:52:06,030 --> 00:52:03,670

guidelines even though you can make the

1230

00:52:09,150 --> 00:52:06,040

guidelines mandatory you write me and

1231

00:52:11,070 --> 00:52:09,160

Ettore to keep six feet distance but

1232

00:52:12,090 --> 00:52:11,080

rather than doing that there's end up we

1233

00:52:14,970 --> 00:52:12,100

just got to shut the whole thing down

1234

00:52:17,790 --> 00:52:14,980

yeah the mountains in Los Angeles are

1235

00:52:20,190 --> 00:52:17,800

closed the beaches are closed and

1236

00:52:23,910 --> 00:52:20,200

essentially the Pacific Ocean is closed

1237

00:52:26,670 --> 00:52:23,920

I mean this is really it's it look not

1238

00:52:29,070 --> 00:52:26,680

I'm not gonna downplay the significance

1239

00:52:30,600 --> 00:52:29,080

of this virus it's very serious and it's

1240

00:52:33,660 --> 00:52:30,610

changed of all of our lives probably

1241

00:52:36,570 --> 00:52:33,670

permanently however when this virus

1242

00:52:39,240 --> 00:52:36,580

wasn't happening people scuba douve

1243

00:52:42,690 --> 00:52:39,250

right I have a scuba diver that's

1244

00:52:44,880 --> 00:52:42,700

massively dangerous you know it I choose

1245

00:52:47,010 --> 00:52:44,890

to do it and we choose to just people

1246

00:52:50,220 --> 00:52:47,020

take risks right people choose to engage

1247

00:52:53,190 --> 00:52:50,230

in risky activity I think it I do think

1248

00:52:55,650 --> 00:52:53,200

it's very odd the degree to which we

1249

00:52:58,250 --> 00:52:55,660

have accepted the government and

1250

00:53:02,700 --> 00:52:58,260

intervening in the risk-taking behavior

1251

00:53:04,560 --> 00:53:02,710

at the end of the day you know I do

1252

00:53:06,120 --> 00:53:04,570

think it to a certain extent

1253

00:53:07,650 --> 00:53:06,130

you should set guidelines people should

1254

00:53:10,640 --> 00:53:07,660

generally follow them these the six foot

1255

00:53:13,859 --> 00:53:10,650

thing it's pretty rational right I do it

1256

00:53:16,799 --> 00:53:13,869

but if somebody chooses to engage in

1257

00:53:18,319 --> 00:53:16,809

risky behavior I think at some point you

1258

00:53:20,880 --> 00:53:18,329

got to just say all right

1259

00:53:22,140 --> 00:53:20,890

yeah automobiles being the most obvious

1260

00:53:25,589 --> 00:53:22,150

example all right

1261

00:53:29,069 --> 00:53:25,599

restrict that but yeah it's not what you

1262

00:53:30,630 --> 00:53:29,079

got to keep T you got a balance reducing

1263

00:53:33,180 --> 00:53:30,640

the spread of this virus with in my

1264

00:53:34,799 --> 00:53:33,190

opinion two things one is total

1265

00:53:36,569 --> 00:53:34,809

destruction of your economy which could

1266

00:53:39,480 --> 00:53:36,579

cause even more damage everybody talks

1267

00:53:41,849 --> 00:53:39,490

about that but the second thing is if

1268

00:53:44,730 --> 00:53:41,859

this is how we're gonna react anytime

1269

00:53:45,870 --> 00:53:44,740

this happens are we going to be able to

1270

00:53:47,670 --> 00:53:45,880

go through this again a year from now

1271

00:53:50,670 --> 00:53:47,680

when there's another one can we afford

1272

00:53:53,400 --> 00:53:50,680

another two trillion dollar bailout and

1273

00:53:54,960 --> 00:53:53,410

another 220 trillion to hit to our

1274

00:53:57,089 --> 00:53:54,970

economy how many kind of say we did I

1275

00:53:59,010 --> 00:53:57,099

think we're exposed now we are exposing

1276

00:54:02,849 --> 00:53:59,020

ourselves by demonstrating that this is

1277

00:54:04,920 --> 00:54:02,859

how we react and I hate to even mention

1278

00:54:06,569 --> 00:54:04,930

it or talk about it but I'm just saying

1279

00:54:10,260 --> 00:54:06,579

that there could be nefarious actors out

1280

00:54:13,859 --> 00:54:10,270

there let's see huh okay we see how to

1281

00:54:16,859 --> 00:54:13,869

bring the Great Satan to his knees yeah

1282

00:54:18,450 --> 00:54:16,869

I mean that those are all rational

1283

00:54:20,970 --> 00:54:18,460

concerns I mean we haven't had something

1284

00:54:22,470 --> 00:54:20,980

like this since the Spanish flu and of

1285

00:54:24,510 --> 00:54:22,480

course like our understanding of biology

1286

00:54:26,339 --> 00:54:24,520

back then was very different what I

1287

00:54:28,440 --> 00:54:26,349

really want to worry about is you know

1288

00:54:29,670 --> 00:54:28,450

people have been very just okay with

1289

00:54:32,520 --> 00:54:29,680

everything happening they've been very

1290

00:54:33,960 --> 00:54:32,530

generally just very okay with say curfew

1291

00:54:35,549 --> 00:54:33,970

all right you know fine as long as it'll

1292

00:54:36,839 --> 00:54:35,559

you know people have been very okay

1293

00:54:39,120 --> 00:54:36,849

about all this stuff does that mean that

1294

00:54:40,559 --> 00:54:39,130

our triggers gonna be lowered does that

1295

00:54:42,329 --> 00:54:40,569

mean that next time because the way

1296

00:54:44,579 --> 00:54:42,339

these viruses work rightly like you were

1297

00:54:46,770 --> 00:54:44,589

saying next year is very high likelihood

1298

00:54:50,460 --> 00:54:46,780

that a year from now there will be

1299

00:54:52,140 --> 00:54:50,470

another run around you know yeah I don't

1300

00:54:53,910 --> 00:54:52,150

know or is it next time that like it

1301
00:54:56,250 --> 00:54:53,920
would be you know you remember we've

1302
00:54:59,299 --> 00:54:56,260
lived through this the swine flu avian

1303
00:55:01,799 --> 00:54:59,309
flu SARS all these different things and

1304
00:55:04,079 --> 00:55:01,809
we took precautions but nothing like

1305
00:55:07,160 --> 00:55:04,089
this does that mean that in the future

1306
00:55:10,079 --> 00:55:07,170
when some like less serious not quite as

1307
00:55:11,430 --> 00:55:10,089
pandemic virus comes up they're just

1308
00:55:14,670 --> 00:55:11,440
gonna feel empowered to shut the light

1309
00:55:16,740 --> 00:55:14,680
switch off I don't know yeah and what's

1310
00:55:20,579 --> 00:55:16,750
scary is it's just very politically

1311
00:55:22,890 --> 00:55:20,589
incorrect to suggest that we shouldn't

1312
00:55:24,630 --> 00:55:22,900
all be sheltering in place and you know

1313
00:55:27,780 --> 00:55:24,640

time will tell

1314

00:55:29,370 --> 00:55:27,790

whether we took proper measures or not I

1315

00:55:32,880 --> 00:55:29,380

just think that there aren't enough

1316

00:55:35,040 --> 00:55:32,890

voices questioning what this government

1317

00:55:37,320 --> 00:55:35,050

what these governments are doing yeah

1318

00:55:40,080 --> 00:55:37,330

and it's hard right it's it's very hard

1319

00:55:41,730 --> 00:55:40,090

to talk about this because I do I am

1320

00:55:45,060 --> 00:55:41,740

sheltering in place and I think people

1321

00:55:47,610 --> 00:55:45,070

generally should be keeping apart and I

1322

00:55:50,790 --> 00:55:47,620

think that if somebody were to you know

1323

00:55:52,260 --> 00:55:50,800

go out and I don't know line dance or

1324

00:55:53,940 --> 00:55:52,270

whatever I feel a little uncomfortable

1325

00:55:55,350 --> 00:55:53,950

with that might be a little annoyed with

1326

00:55:58,620 --> 00:55:55,360

them but I don't think it's my right to

1327

00:56:01,290 --> 00:55:58,630

stop them you know I think we exercise

1328

00:56:02,760 --> 00:56:01,300

our rights to keep our distance and and
