

**HIDDEN TRUTH SHOW
WITH JIM BRESLO**

**DR. SHIVA
AYYADURAI**

1
00:00:05,749 --> 00:00:03,290
okay now for our interview with Dr Shiva

2
00:00:08,870 --> 00:00:05,759
I started by asking him about his MIT

3
00:00:10,790 --> 00:00:08,880
PhD program MIT created this beautiful

4
00:00:13,070 --> 00:00:10,800
Department called biological engineering

5
00:00:14,829 --> 00:00:13,080
which was saying just as chemical

6
00:00:17,510 --> 00:00:14,839
engineering was equivalent of chemistry

7
00:00:19,910 --> 00:00:17,520
we needed biological engineering to

8
00:00:22,970 --> 00:00:19,920
understand biology to understand how we

9
00:00:24,710 --> 00:00:22,980
could engineer biological systems

10
00:00:27,050 --> 00:00:24,720
so I was one of the first graduates it's

11
00:00:28,310 --> 00:00:27,060
a it's a very new field

12
00:00:29,689 --> 00:00:28,320
so

13
00:00:31,970 --> 00:00:29,699

what people need to understand is

14

00:00:33,350 --> 00:00:31,980

frankly I know more than fauci on this I

15

00:00:37,250 --> 00:00:33,360

know more than probably

16

00:00:40,250 --> 00:00:37,260

99 of the MDS on this because it's a

17

00:00:43,010 --> 00:00:40,260

field that of systems so I study systems

18

00:00:44,389 --> 00:00:43,020

I've published in you know peer-reviewed

19

00:00:46,970 --> 00:00:44,399

journals like Nature Neuroscience which

20

00:00:48,970 --> 00:00:46,980

a handful of scientists in the world you

21

00:00:51,350 --> 00:00:48,980

know you know would die to publish it

22

00:00:53,689 --> 00:00:51,360

published and sell so you're looking at

23

00:00:55,610 --> 00:00:53,699

an accomplished scientist

24

00:00:57,170 --> 00:00:55,620

um and the problem to many of these

25

00:00:59,630 --> 00:00:57,180

people very dumb people in mainstream

26

00:01:01,430 --> 00:00:59,640

media little children they find they

27

00:01:02,510 --> 00:01:01,440

can't comprehend a guy like me can

28

00:01:04,609 --> 00:01:02,520

articulate

29

00:01:07,670 --> 00:01:04,619

is reasonably good looking

30

00:01:09,050 --> 00:01:07,680

can talk has all my degrees that blows

31

00:01:10,550 --> 00:01:09,060

their mind it doesn't compute for them

32

00:01:12,710 --> 00:01:10,560

because you're typically supposed to be

33

00:01:14,630 --> 00:01:12,720

a nerd who can't talk you're typically

34

00:01:16,370 --> 00:01:14,640

supposed to be someone who does not

35

00:01:19,190 --> 00:01:16,380

fight for other people

36

00:01:20,330 --> 00:01:19,200

so they find it hard to handle a triple

37

00:01:22,070 --> 00:01:20,340

threat like me

38

00:01:23,630 --> 00:01:22,080

so you see denigration in the media

39

00:01:25,370 --> 00:01:23,640

people trying to deny that I created the

40

00:01:27,050 --> 00:01:25,380

first email system maybe it's like at

41

00:01:28,730 --> 00:01:27,060

the New York Times two-year-olds people

42

00:01:31,429 --> 00:01:28,740

try to denigrate me trying to call me an

43

00:01:34,609 --> 00:01:31,439

anti-vaxxer when in fact the first paper

44

00:01:36,109 --> 00:01:34,619

I put out was beyond backs anti-vaxx

45

00:01:37,910 --> 00:01:36,119

that we need to take a personalized

46

00:01:40,490 --> 00:01:37,920

systems approach so these people have a

47

00:01:41,749 --> 00:01:40,500

major problem with me because you're

48

00:01:44,450 --> 00:01:41,759

looking at someone who's a serious

49

00:01:46,010 --> 00:01:44,460

scientist and has played with the best

50

00:01:46,850 --> 00:01:46,020

in the world including Nobel Prize

51

00:01:49,850 --> 00:01:46,860

people

52

00:01:52,550 --> 00:01:49,860

so I find it a very interesting

53

00:01:55,130 --> 00:01:52,560

opportunity now to be here at this

54

00:01:57,170 --> 00:01:55,140

moment in history where I think we're at

55

00:01:58,609 --> 00:01:57,180

an inflection point we're at a point

56

00:02:01,249 --> 00:01:58,619

where there's massive corruption in the

57

00:02:03,830 --> 00:02:01,259

media there's massive corruption in

58

00:02:06,530 --> 00:02:03,840

science there's massive corruption uh

59

00:02:08,510 --> 00:02:06,540

and all the major institutions and so I

60

00:02:10,070 --> 00:02:08,520

think the mainstream media

61

00:02:11,029 --> 00:02:10,080

are some of the most ignorant people on

62

00:02:12,949 --> 00:02:11,039

the planet

63

00:02:14,809 --> 00:02:12,959

and many of these people wouldn't even

64

00:02:16,670 --> 00:02:14,819

be qualified to be a student in an

65

00:02:19,550 --> 00:02:16,680

undergraduate class that I would teach

66

00:02:20,990 --> 00:02:19,560

so any everyone listening out there I'm

67

00:02:22,550 --> 00:02:21,000

going to start a series you know maybe

68

00:02:24,350 --> 00:02:22,560

we'll talk about it we're going to start

69

00:02:25,850 --> 00:02:24,360

taking these journalists and we're going

70

00:02:27,410 --> 00:02:25,860

to start taking these journalists down

71

00:02:30,229 --> 00:02:27,420

we're going to look at their resumes

72

00:02:31,970 --> 00:02:30,239

what their backgrounds were the nonsense

73

00:02:34,070 --> 00:02:31,980

that they're writing and rip it apart

74

00:02:35,270 --> 00:02:34,080

from a scientific basis and really show

75

00:02:36,589 --> 00:02:35,280

the connection of many of these

76
00:02:38,570 --> 00:02:36,599
journalists to the organizations they

77
00:02:40,910 --> 00:02:38,580
belong to and how those organizations

78
00:02:42,830 --> 00:02:40,920
directly tie into Power profit and

79
00:02:44,630 --> 00:02:42,840
control now others like one of my

80
00:02:46,369 --> 00:02:44,640
mentors Noam Chomsky has done this and

81
00:02:49,130 --> 00:02:46,379
you know manufacturing consent Robert

82
00:02:50,750 --> 00:02:49,140
mcchesney has done this this is not a uh

83
00:02:52,070 --> 00:02:50,760
old topic it's always been done in

84
00:02:54,589 --> 00:02:52,080
academic circles we're going to take it

85
00:02:56,270 --> 00:02:54,599
mainstream we're going to go after these

86
00:02:58,729 --> 00:02:56,280
fake journalists after the fake

87
00:03:01,850 --> 00:02:58,739
scientists after the fake historians in

88
00:03:04,070 --> 00:03:01,860

a very in a very direct and

89

00:03:06,589 --> 00:03:04,080

um vicious manner because these people

90

00:03:09,050 --> 00:03:06,599

are actually not doing journalism

91

00:03:11,750 --> 00:03:09,060

they're basically doing propaganda

92

00:03:13,970 --> 00:03:11,760

so I think we can talk about that in

93

00:03:16,490 --> 00:03:13,980

this context why

94

00:03:18,890 --> 00:03:16,500

how dare anyone attack someone of my

95

00:03:20,750 --> 00:03:18,900

credentials who's busted his ass who

96

00:03:22,729 --> 00:03:20,760

came from working class background who's

97

00:03:24,530 --> 00:03:22,739

earned everything that I have

98

00:03:27,649 --> 00:03:24,540

and it's time that we go after these

99

00:03:30,289 --> 00:03:27,659

people because what's really exciting is

100

00:03:32,509 --> 00:03:30,299

that the alternative media I mean I

101
00:03:36,110 --> 00:03:32,519
think our followers are growing

102
00:03:38,690 --> 00:03:36,120
exponentially not even exponentially is

103
00:03:43,070 --> 00:03:38,700
because the alternative media uh is

104
00:03:45,170 --> 00:03:43,080
putting to shame a so-called journalists

105
00:03:46,970 --> 00:03:45,180
well it doesn't it seem to come from the

106
00:03:49,009 --> 00:03:46,980
top that everybody's following fouchy it

107
00:03:52,670 --> 00:03:49,019
seems that the medical community has

108
00:03:54,649 --> 00:03:52,680
embraced fauci and that the the line is

109
00:03:58,009 --> 00:03:54,659
that this is the perfect guy for the

110
00:04:00,589 --> 00:03:58,019
position Trump is trusting fauci

111
00:04:01,789 --> 00:04:00,599
um but you are the anti-fouchy you're

112
00:04:04,149 --> 00:04:01,799
basically saying that virtually

113
00:04:07,070 --> 00:04:04,159

everything that fauci is saying is wrong

114

00:04:08,990 --> 00:04:07,080

so I guess I'd like to kind of start

115

00:04:11,149 --> 00:04:09,000

there first do you have any relationship

116

00:04:12,830 --> 00:04:11,159

with fauci do you know each other on a

117

00:04:16,249 --> 00:04:12,840

personal level no I never met the guy

118

00:04:18,349 --> 00:04:16,259

and what and what would he say about

119

00:04:20,990 --> 00:04:18,359

your credentials would he acknowledge

120

00:04:23,110 --> 00:04:21,000

that yes someone in in Dr shiva's

121

00:04:26,270 --> 00:04:23,120

position is

122

00:04:28,670 --> 00:04:26,280

let's talk about his credentials

123

00:04:31,010 --> 00:04:28,680

what are what are fauci's credentials

124

00:04:32,510 --> 00:04:31,020

tell us we couldn't even get into MIT he

125

00:04:33,710 --> 00:04:32,520

had to go to Cornell Cornell is a nice

126

00:04:36,530 --> 00:04:33,720

school he couldn't get into my team

127

00:04:39,050 --> 00:04:36,540

sorry okay I have four degrees from MIT

128

00:04:40,850 --> 00:04:39,060

okay why is why is fauci in the position

129

00:04:43,070 --> 00:04:40,860

that he's in

130

00:04:46,610 --> 00:04:43,080

because that's it now you're talking a

131

00:04:48,710 --> 00:04:46,620

good question why is uh the mainstream

132

00:04:50,689 --> 00:04:48,720

media have so much influence why is

133

00:04:52,249 --> 00:04:50,699

voucher where he is now we're talking to

134

00:04:54,830 --> 00:04:52,259

a good question let's talk about that

135

00:04:56,510 --> 00:04:54,840

and why is no one questions this guy how

136

00:04:59,030 --> 00:04:56,520

long has this guy been here Jim he's

137

00:05:00,770 --> 00:04:59,040

been there since Reagan including Trump

138

00:05:03,230 --> 00:05:00,780

by the way so it's everybody including

139

00:05:05,870 --> 00:05:03,240

Trump is trusting this guy right now

140

00:05:09,050 --> 00:05:05,880

yeah yeah and that's okay

141

00:05:11,090 --> 00:05:09,060

um look there was a time when 97 of the

142

00:05:12,050 --> 00:05:11,100

people thought that the sun went around

143

00:05:13,790 --> 00:05:12,060

the Earth

144

00:05:19,850 --> 00:05:13,800

right

145

00:05:21,950 --> 00:05:19,860

had all the data which said that's not

146

00:05:22,969 --> 00:05:21,960

true well the fact is the sun doesn't go

147

00:05:25,010 --> 00:05:22,979

around the earth the earth goes around

148

00:05:26,990 --> 00:05:25,020

the Sun there are facts the fact is that

149

00:05:29,330 --> 00:05:27,000

the immune system we're all a bunch of

150

00:05:32,150 --> 00:05:29,340

walking bucket of germs 380 trillion

151
00:05:34,850 --> 00:05:32,160
viruses inside of us as I keep saying uh

152
00:05:37,730 --> 00:05:34,860
60 trillion bacteria we're a germ

153
00:05:41,990 --> 00:05:37,740
Factory we microbes are our friends uh

154
00:05:43,430 --> 00:05:42,000
to think that uh to think

155
00:05:47,450 --> 00:05:43,440
um let me just turn this off to think

156
00:05:49,670 --> 00:05:47,460
that uh germs and viruses and microbes

157
00:05:52,430 --> 00:05:49,680
are not part of our ecosystem is

158
00:05:54,409 --> 00:05:52,440
basically a fake a a fear-mongering

159
00:05:56,570 --> 00:05:54,419
scientific understanding of everything

160
00:05:58,730 --> 00:05:56,580
we know about science the microbes

161
00:06:01,370 --> 00:05:58,740
everything we're talking about is a part

162
00:06:02,689 --> 00:06:01,380
of who we are and they will always be a

163
00:06:04,070 --> 00:06:02,699

part of who we are we're never going to

164

00:06:05,809 --> 00:06:04,080

eliminate viruses we're not going to

165

00:06:07,309 --> 00:06:05,819

eliminate any of these viruses they're

166

00:06:08,809 --> 00:06:07,319

going to be here for a long time so I

167

00:06:10,969 --> 00:06:08,819

hope that's clear

168

00:06:13,909 --> 00:06:10,979

so the first thing we need to step back

169

00:06:16,129 --> 00:06:13,919

is realize that we've been imbued with

170

00:06:18,590 --> 00:06:16,139

Hollywood with movies like pandemic all

171

00:06:20,450 --> 00:06:18,600

these movies that viruses or some boogie

172

00:06:23,150 --> 00:06:20,460

monster it's like sort of the last

173

00:06:26,029 --> 00:06:23,160

boogie monster left okay and that these

174

00:06:27,950 --> 00:06:26,039

viruses somehow come and they attack our

175

00:06:30,050 --> 00:06:27,960

bodies and they eat away our eyeballs or

176

00:06:31,730 --> 00:06:30,060

they eat away our liver they eat away

177

00:06:34,070 --> 00:06:31,740

our heart right when remember when Ebola

178

00:06:35,809 --> 00:06:34,080

was coming out what was the news oh my

179

00:06:38,029 --> 00:06:35,819

God the guy's bleeding inside and out

180

00:06:39,469 --> 00:06:38,039

you almost thought that this virus was

181

00:06:41,749 --> 00:06:39,479

getting in and eating away your body

182

00:06:45,170 --> 00:06:41,759

right I'm sure that's what you I'm sure

183

00:06:46,670 --> 00:06:45,180

that's where 99 of the numb skulls on

184

00:06:49,070 --> 00:06:46,680

mainstream media thought because these

185

00:06:51,469 --> 00:06:49,080

people again don't know science

186

00:06:53,270 --> 00:06:51,479

um you know they're basically taught in

187

00:06:55,790 --> 00:06:53,280

the mainstream media to write something

188

00:06:57,890 --> 00:06:55,800

their editors scratch it out and they're

189

00:06:59,270 --> 00:06:57,900

taught to be good little lap dogs and

190

00:07:00,890 --> 00:06:59,280

then they're Publishers own it so but

191

00:07:03,770 --> 00:07:00,900

the bottom line is that's not what it is

192

00:07:06,670 --> 00:07:03,780

the truth is the scientific truth is

193

00:07:09,290 --> 00:07:06,680

that it's an overreactive immune system

194

00:07:12,650 --> 00:07:09,300

a dysfunctional and weaken immune immune

195

00:07:16,010 --> 00:07:12,660

system that overreacts and attacks parts

196

00:07:18,409 --> 00:07:16,020

of your own body in response

197

00:07:21,529 --> 00:07:18,419

to exogenous pathogens coming in which

198

00:07:24,409 --> 00:07:21,539

are occurring at every moment in time in

199

00:07:25,670 --> 00:07:24,419

every millisecond we're being right so

200

00:07:27,050 --> 00:07:25,680

in the normal case the immune system

201
00:07:29,089 --> 00:07:27,060
gets it and you don't even think about

202
00:07:30,710 --> 00:07:29,099
it you have proper nutrients and maybe

203
00:07:32,629 --> 00:07:30,720
get a little sniffer sometimes you know

204
00:07:35,029 --> 00:07:32,639
you scratch your eyes right these are

205
00:07:37,790 --> 00:07:35,039
all little immune processes taking place

206
00:07:39,830 --> 00:07:37,800
in the advanced dysfunctional State your

207
00:07:42,770 --> 00:07:39,840
immune system attacks

208
00:07:44,749 --> 00:07:42,780
and it and eats itself starts eating

209
00:07:46,850 --> 00:07:44,759
itself and this is a very complex system

210
00:07:48,290 --> 00:07:46,860
and I'm one of the leaders in this this

211
00:07:50,629 --> 00:07:48,300
is why the National Science Foundation

212
00:07:52,309 --> 00:07:50,639
had me coming to it the prestige lecture

213
00:07:55,309 --> 00:07:52,319

on it so people want to know about the

214

00:07:58,249 --> 00:07:55,319

immune system let's invite Mr fauci and

215

00:08:00,110 --> 00:07:58,259

let's have me and let all the worlds let

216

00:08:02,390 --> 00:08:00,120

him bring all of the scientists

217

00:08:04,430 --> 00:08:02,400

let him bring every scientist on the NIH

218

00:08:06,830 --> 00:08:04,440

I'll take them all on to talk about

219

00:08:09,529 --> 00:08:06,840

what's going on that's how confident I

220

00:08:12,770 --> 00:08:09,539

am in my expertise just like if you were

221

00:08:14,689 --> 00:08:12,780

a you know a senior level mechanic who

222

00:08:16,249 --> 00:08:14,699

knew something and you had a bunch of

223

00:08:18,589 --> 00:08:16,259

little children running around you would

224

00:08:20,570 --> 00:08:18,599

say yeah bring it on okay because I know

225

00:08:22,790 --> 00:08:20,580

what I'm talking about this would be

226

00:08:25,550 --> 00:08:22,800

like telling a master you know who's a

227

00:08:26,809 --> 00:08:25,560

karate master that you don't know what

228

00:08:29,330 --> 00:08:26,819

you're talking about and that's what we

229

00:08:30,950 --> 00:08:29,340

have we have little scoundrel mainstream

230

00:08:32,870 --> 00:08:30,960

media running around who don't know

231

00:08:35,269 --> 00:08:32,880

science who frankly can't even solve a

232

00:08:37,909 --> 00:08:35,279

math problem most of them telling a guy

233

00:08:39,469 --> 00:08:37,919

of my level of credentials who's busted

234

00:08:41,149 --> 00:08:39,479

his butt to get here

235

00:08:44,209 --> 00:08:41,159

that they try to Brand me or something

236

00:08:48,110 --> 00:08:44,219

but Dr Shiva what sorry what confuses me

237

00:08:51,230 --> 00:08:48,120

is it's not just about uh fauci and U.S

238

00:08:53,329 --> 00:08:51,240

media this is around the globe every

239

00:08:55,670 --> 00:08:53,339

country around the globe seems to have

240

00:08:58,250 --> 00:08:55,680

reacted in the same way to this which is

241

00:09:00,410 --> 00:08:58,260

with this essential total shutdown so

242

00:09:01,970 --> 00:09:00,420

there's no Dr shivas anywhere that are

243

00:09:04,790 --> 00:09:01,980

being listened to

244

00:09:08,030 --> 00:09:04,800

yeah there are uh if you look at how

245

00:09:10,550 --> 00:09:08,040

many people have signed up our petition

246

00:09:13,009 --> 00:09:10,560

and I hope you've looked at it nearly 70

247

00:09:15,530 --> 00:09:13,019

000 people have nearly 3 000 medical

248

00:09:17,449 --> 00:09:15,540

doctors scientists all over the world

249

00:09:19,790 --> 00:09:17,459

it's a lot of people but none of these

250

00:09:21,170 --> 00:09:19,800

governments are listening

251

00:09:23,030 --> 00:09:21,180

well

252

00:09:25,550 --> 00:09:23,040

what you have to understand is who is

253

00:09:27,590 --> 00:09:25,560

the government these days

254

00:09:29,990 --> 00:09:27,600

who runs these governments we have seen

255

00:09:32,630 --> 00:09:30,000

a consolidation of power

256

00:09:34,009 --> 00:09:32,640

um as never before technology helps look

257

00:09:35,030 --> 00:09:34,019

when the printing press came you

258

00:09:36,470 --> 00:09:35,040

remember when the printing press people

259

00:09:38,630 --> 00:09:36,480

talk about the Gutenberg printing press

260

00:09:40,370 --> 00:09:38,640

this is quite an interesting thing to

261

00:09:42,829 --> 00:09:40,380

understand the history of Technology you

262

00:09:45,530 --> 00:09:42,839

know a guy like David Noble talks about

263

00:09:47,090 --> 00:09:45,540

this when the printing press came many

264

00:09:49,130 --> 00:09:47,100

people thought oh my God the printing

265

00:09:51,769 --> 00:09:49,140

press is here we'll all be able to print

266

00:09:53,870 --> 00:09:51,779

right all of us will be the Press right

267

00:09:55,910 --> 00:09:53,880

we'll all have the ability to have more

268

00:09:58,670 --> 00:09:55,920

freedom of discourse and discussion Etc

269

00:10:00,110 --> 00:09:58,680

that was a notion of when a new

270

00:10:02,389 --> 00:10:00,120

technology like the printing press came

271

00:10:04,069 --> 00:10:02,399

what actually happened

272

00:10:06,350 --> 00:10:04,079

over time what should have been a

273

00:10:08,990 --> 00:10:06,360

technology for Freedom that Consolidated

274

00:10:11,389 --> 00:10:09,000

to four major publishing houses right

275

00:10:12,590 --> 00:10:11,399

four major publishing houses owned all

276

00:10:13,850 --> 00:10:12,600

the newspapers you know in the book

277

00:10:16,430 --> 00:10:13,860

publishing company so if you're a young

278

00:10:19,069 --> 00:10:16,440

writer you have to get an agent you need

279

00:10:21,410 --> 00:10:19,079

a Harvey Weinstein okay you have to kiss

280

00:10:23,990 --> 00:10:21,420

up to him and then you get to be a star

281

00:10:26,090 --> 00:10:24,000

so we Consolidated power well when the

282

00:10:27,590 --> 00:10:26,100

internet came I wrote an interesting

283

00:10:29,329 --> 00:10:27,600

book I don't have it here called arts on

284

00:10:31,009 --> 00:10:29,339

the internet the guide to the revolution

285

00:10:32,329 --> 00:10:31,019

I was like wow you know I do a lot of

286

00:10:34,009 --> 00:10:32,339

artwork A lot of my friends are artists

287

00:10:35,690 --> 00:10:34,019

and I said wow the internet will

288

00:10:37,550 --> 00:10:35,700

eliminate Gatekeepers we can all go

289

00:10:39,370 --> 00:10:37,560

direct we're all building our own little

290

00:10:43,069 --> 00:10:39,380

web pages well what actually happened

291

00:10:44,449 --> 00:10:43,079

well you had two major three five major

292

00:10:47,569 --> 00:10:44,459

people control the internet right now

293

00:10:49,490 --> 00:10:47,579

you have the zuckerbergs you have the

294

00:10:52,310 --> 00:10:49,500

Googles any of the three major Telco

295

00:10:54,290 --> 00:10:52,320

companies so whenever technology comes

296

00:10:56,630 --> 00:10:54,300

we think there's going to be freedom but

297

00:10:59,449 --> 00:10:56,640

as long as there's this Global Elite

298

00:11:01,610 --> 00:10:59,459

that consolidate power so as time has

299

00:11:03,949 --> 00:11:01,620

gone on it's easier to consolidate power

300

00:11:05,569 --> 00:11:03,959

gym it's easier before you had many

301
00:11:07,550 --> 00:11:05,579
little kingdoms right people can travel

302
00:11:09,530 --> 00:11:07,560
around right but now we can travel

303
00:11:11,269 --> 00:11:09,540
around at the speed of light through the

304
00:11:13,610 --> 00:11:11,279
internet through all sorts of vehicles

305
00:11:16,970 --> 00:11:13,620
so the elite have also become more and

306
00:11:19,430 --> 00:11:16,980
more Consolidated and the people no

307
00:11:20,930 --> 00:11:19,440
longer are nationalist people Warren

308
00:11:24,230 --> 00:11:20,940
Buffett doesn't give a damn about the

309
00:11:25,850 --> 00:11:24,240
United States He invests everywhere

310
00:11:28,069 --> 00:11:25,860
the clintons and the gates don't give a

311
00:11:29,870 --> 00:11:28,079
damn about you the American worker they

312
00:11:31,550 --> 00:11:29,880
invest everywhere they'll invest

313
00:11:34,610 --> 00:11:31,560

anywhere so you've seen the

314

00:11:36,829 --> 00:11:34,620

consolidation of power at a enormous

315

00:11:37,850 --> 00:11:36,839

particularly in the last 20 years you

316

00:11:39,470 --> 00:11:37,860

can go look at the number of

317

00:11:41,150 --> 00:11:39,480

billionaires and probably trillionaires

318

00:11:43,970 --> 00:11:41,160

that have been generated you have

319

00:11:45,829 --> 00:11:43,980

enormous consolidation of power so you

320

00:11:48,290 --> 00:11:45,839

should not be that surprised in fact I

321

00:11:49,610 --> 00:11:48,300

find it that you're surprised that there

322

00:11:58,329 --> 00:11:49,620

that

323

00:12:01,670 --> 00:11:58,339

here this was well planned well executed

324

00:12:03,110 --> 00:12:01,680

consolidation of power and look the guy

325

00:12:05,210 --> 00:12:03,120

that's behind this is interesting is

326

00:12:07,790 --> 00:12:05,220

Bill Gates who by the way didn't write

327

00:12:09,230 --> 00:12:07,800

dos didn't invent dos bought it from

328

00:12:10,610 --> 00:12:09,240

someone else and flipped it but he does

329

00:12:12,350 --> 00:12:10,620

understand software to the extent

330

00:12:14,210 --> 00:12:12,360

whenever you know whenever I create

331

00:12:16,370 --> 00:12:14,220

software you go through three phases of

332

00:12:17,389 --> 00:12:16,380

release Alpha phase where you do an

333

00:12:19,550 --> 00:12:17,399

initial test

334

00:12:21,829 --> 00:12:19,560

data phase you get more people to use it

335

00:12:24,050 --> 00:12:21,839

and then gold where you release it so

336

00:12:25,670 --> 00:12:24,060

you go through testing you see how

337

00:12:28,129 --> 00:12:25,680

people react they like your product or

338

00:12:29,750 --> 00:12:28,139

not well the event 2001 if 201 whatever

339

00:12:31,129 --> 00:12:29,760

that you could argue that was like an

340

00:12:33,230 --> 00:12:31,139

alpha release right testing with

341

00:12:34,610 --> 00:12:33,240

people's psychology is this a Beta

342

00:12:37,370 --> 00:12:34,620

release or a gold release I don't know

343

00:12:41,690 --> 00:12:37,380

but I can tell you the Dynamics of this

344

00:12:44,030 --> 00:12:41,700

is a global opportunity to enforce as I

345

00:12:45,949 --> 00:12:44,040

put in my first tweet and that tweet

346

00:12:47,990 --> 00:12:45,959

will probably end up as a very very

347

00:12:50,269 --> 00:12:48,000

important historic tweet because it said

348

00:12:52,370 --> 00:12:50,279

that as a MIT PhD in biological

349

00:12:53,930 --> 00:12:52,380

engineering what we're witnessing right

350

00:12:56,030 --> 00:12:53,940

now is one of the biggest fear-mongering

351

00:12:59,090 --> 00:12:56,040

hoaxes that will destroy economies to

352

00:13:01,850 --> 00:12:59,100

manipulate economies to suppress descent

353

00:13:03,829 --> 00:13:01,860

and to impose mandated medicine that's

354

00:13:05,150 --> 00:13:03,839

what this is about now the mainstream

355

00:13:07,490 --> 00:13:05,160

media

356

00:13:09,410 --> 00:13:07,500

doesn't probably they know exactly what

357

00:13:12,889 --> 00:13:09,420

I'm talking about because they're part

358

00:13:14,690 --> 00:13:12,899

of it they're part of that collusion as

359

00:13:16,370 --> 00:13:14,700

though vaccines have no safety issues

360

00:13:18,050 --> 00:13:16,380

well they do in fact there's no safety

361

00:13:19,910 --> 00:13:18,060

standards done on vaccines because

362

00:13:21,710 --> 00:13:19,920

they're biologic they don't even have to

363

00:13:23,990 --> 00:13:21,720

go through pharmaceutical testing now

364

00:13:25,370 --> 00:13:24,000

most of the fools in mainstream media

365

00:13:26,870 --> 00:13:25,380

don't even know this because they don't

366

00:13:28,069 --> 00:13:26,880

even know the regulatory framework of

367

00:13:31,069 --> 00:13:28,079

the FDA

368

00:13:33,710 --> 00:13:31,079

so you have ignorance and you have

369

00:13:35,629 --> 00:13:33,720

people being taken advantage of

370

00:13:37,190 --> 00:13:35,639

and that's what you have but it comes

371

00:13:40,069 --> 00:13:37,200

down to fundamental ignorance of Science

372

00:13:41,689 --> 00:13:40,079

and that's what fauci's banking on Trump

373

00:13:44,210 --> 00:13:41,699

was able to make it through the Russian

374

00:13:46,790 --> 00:13:44,220

collusion okay because he could play his

375

00:13:49,069 --> 00:13:46,800

he could do his thing he could do his

376

00:13:51,230 --> 00:13:49,079

thing with impeachment but this thing

377

00:13:53,750 --> 00:13:51,240

he's surrounded by people where he

378

00:13:55,430 --> 00:13:53,760

doesn't have the the tool chest right he

379

00:13:57,650 --> 00:13:55,440

doesn't have the chops he has some gut

380

00:13:59,750 --> 00:13:57,660

instincts on this okay you know

381

00:14:01,790 --> 00:13:59,760

something doesn't smell right but this

382

00:14:03,949 --> 00:14:01,800

isn't a different playing field

383

00:14:05,990 --> 00:14:03,959

and that's why you know a guy like me

384

00:14:07,430 --> 00:14:06,000

that's why all these things are going so

385

00:14:08,990 --> 00:14:07,440

viral this is why you called me this is

386

00:14:10,610 --> 00:14:09,000

why I'm getting five thousand six

387

00:14:12,889 --> 00:14:10,620

thousand messages this is why I'm

388

00:14:15,050 --> 00:14:12,899

getting almost 400 interview requests

389

00:14:17,750 --> 00:14:15,060

because people want answers and they

390

00:14:19,730 --> 00:14:17,760

know that things are not adding up well

391

00:14:21,470 --> 00:14:19,740

let's be very clear please about what

392

00:14:24,410 --> 00:14:21,480

you're asserting regarding this virus

393

00:14:27,530 --> 00:14:24,420

are you suggesting that this was made up

394

00:14:30,170 --> 00:14:27,540

that this was created in order to create

395

00:14:32,629 --> 00:14:30,180

an excuse for the Deep state to take

396

00:14:37,970 --> 00:14:35,689

well what I'm arguing is and it's not

397

00:14:41,150 --> 00:14:37,980

even an argument let's just look at the

398

00:14:43,370 --> 00:14:41,160

facts let's just do a simple simple uh

399

00:14:45,110 --> 00:14:43,380

data analysis let's apply some math

400

00:14:47,150 --> 00:14:45,120

which people have forgotten in this

401
00:14:48,710 --> 00:14:47,160
country because of this whole thing that

402
00:14:51,769 --> 00:14:48,720
everything is the right answer let's

403
00:14:53,990 --> 00:14:51,779
just apply some simple math when H1N1

404
00:14:55,790 --> 00:14:54,000
took place how many million people got

405
00:14:59,090 --> 00:14:55,800
it about 62 million people if I don't

406
00:15:01,069 --> 00:14:59,100
know right 17 of the US population how

407
00:15:05,230 --> 00:15:01,079
many people died from it about 60 000

408
00:15:10,850 --> 00:15:08,090
that's worldwide right no in the United

409
00:15:13,189 --> 00:15:10,860
States U.S yeah much more worldwide how

410
00:15:16,790 --> 00:15:13,199
many people in the United States how

411
00:15:19,310 --> 00:15:16,800
many shutdowns were called here did we

412
00:15:21,110 --> 00:15:19,320
call a global pandemic did we shut down

413
00:15:24,650 --> 00:15:21,120

the United States economy

414

00:15:26,329 --> 00:15:24,660

did we not at all that I can recall so

415

00:15:28,250 --> 00:15:26,339

so you can just put those numbers here

416

00:15:31,310 --> 00:15:28,260

and just look at them as as a scientist

417

00:15:32,810 --> 00:15:31,320

okay this event took place it was a

418

00:15:35,090 --> 00:15:32,820

infectious disease

419

00:15:36,829 --> 00:15:35,100

it was something that was spreading it

420

00:15:39,590 --> 00:15:36,839

was something that was Lethal so many

421

00:15:42,110 --> 00:15:39,600

people died now look over here we have

422

00:15:43,189 --> 00:15:42,120

something that has a higher infectivity

423

00:15:44,930 --> 00:15:43,199

rate

424

00:15:48,290 --> 00:15:44,940

we don't have anywhere near the number

425

00:15:51,410 --> 00:15:48,300

of debts and more importantly right now

426

00:15:54,889 --> 00:15:51,420

we're seeing a decline in so-called the

427

00:15:57,949 --> 00:15:54,899

flu that ammonia a linear Decline and an

428

00:16:00,110 --> 00:15:57,959

increase in so-called covid uh covet

429

00:16:01,610 --> 00:16:00,120

infected and people dying okay it's

430

00:16:02,990 --> 00:16:01,620

almost like one is cannibalizing another

431

00:16:05,150 --> 00:16:03,000

again everyone should go look at the

432

00:16:06,590 --> 00:16:05,160

data the problem is in this case we

433

00:16:08,449 --> 00:16:06,600

don't we can't even trust the data

434

00:16:11,329 --> 00:16:08,459

because they're using polymerase Chase

435

00:16:13,009 --> 00:16:11,339

Chain Reaction experiments which are

436

00:16:14,389 --> 00:16:13,019

which they're looking for a little piece

437

00:16:16,730 --> 00:16:14,399

of a nucleotide it's like they call them

438

00:16:18,170 --> 00:16:16,740

virus Hunters they call them bacterial

439

00:16:20,689 --> 00:16:18,180

Hunters they're like trying to find

440

00:16:22,490 --> 00:16:20,699

something to pin pin the crime on

441

00:16:24,650 --> 00:16:22,500

somebody and this has been the history

442

00:16:27,170 --> 00:16:24,660

of the scientific biological medical

443

00:16:28,970 --> 00:16:27,180

establishment for far too long they've

444

00:16:31,370 --> 00:16:28,980

been trying to always pin some disease

445

00:16:34,850 --> 00:16:31,380

including cancer on retroviruses every

446

00:16:37,670 --> 00:16:34,860

disease is a virus age is a virus why

447

00:16:39,470 --> 00:16:37,680

because when you pin it on a virus you

448

00:16:41,990 --> 00:16:39,480

create enough fear you know you ever

449

00:16:44,990 --> 00:16:42,000

heard of how IBM used to sell you know

450

00:16:47,749 --> 00:16:45,000

the IBM selling model Jim no fear

451
00:16:50,749 --> 00:16:47,759
uncertainty and doubt fear uncertainty

452
00:16:52,310 --> 00:16:50,759
and doubt fud so when IBM went to a

453
00:16:53,509 --> 00:16:52,320
customer they say well look we're big

454
00:16:55,129 --> 00:16:53,519
blue are you going to buy from that

455
00:16:56,569 --> 00:16:55,139
small guy over there what about when

456
00:16:58,189 --> 00:16:56,579
your computer fails we're going to be

457
00:17:00,170 --> 00:16:58,199
here for you is he ever going to be in

458
00:17:02,509 --> 00:17:00,180
business uncertainty can you trust him

459
00:17:06,230 --> 00:17:02,519
fear uncertainty and doubt it's a

460
00:17:07,789 --> 00:17:06,240
selling methodology Pharma uses fud fear

461
00:17:09,949 --> 00:17:07,799
uncertainty and doubt in fact it's

462
00:17:12,350 --> 00:17:09,959
taught in Business School

463
00:17:13,490 --> 00:17:12,360

all right so what you're seeing here and

464

00:17:14,929 --> 00:17:13,500

this is not something that's even

465

00:17:17,510 --> 00:17:14,939

conspiracy

466

00:17:19,669 --> 00:17:17,520

this is and if you're frankly stupid if

467

00:17:21,230 --> 00:17:19,679

you don't understand this it fear

468

00:17:22,370 --> 00:17:21,240

uncertainty and doubt is a selling

469

00:17:24,890 --> 00:17:22,380

methodology

470

00:17:27,049 --> 00:17:24,900

and Pharma is a masters of fear

471

00:17:29,330 --> 00:17:27,059

uncertainty and doubt masters of it

472

00:17:30,890 --> 00:17:29,340

watch every commercial prime time they

473

00:17:32,810 --> 00:17:30,900

follow that formula and finally they

474

00:17:34,669 --> 00:17:32,820

reach to a beautiful Utopia where you've

475

00:17:37,669 --> 00:17:34,679

taken this drug and it's healed you

476

00:17:40,490 --> 00:17:37,679

so that is a foundational model of this

477

00:17:42,830 --> 00:17:40,500

so when you look at this virus

478

00:17:45,470 --> 00:17:42,840

you tell me what is fundamentally

479

00:17:47,810 --> 00:17:45,480

different about this virus in H1N1 in

480

00:17:51,230 --> 00:17:47,820

terms of the catastrophic numbers and

481

00:17:54,409 --> 00:17:51,240

the answer is this is actually uh not as

482

00:17:56,330 --> 00:17:54,419

worse okay and then so then the other

483

00:17:57,230 --> 00:17:56,340

thing is well this could be a bio weapon

484

00:18:01,010 --> 00:17:57,240

right

485

00:18:02,450 --> 00:18:01,020

this could be a bio weapon well okay so

486

00:18:04,490 --> 00:18:02,460

what are we supposed to do get even more

487

00:18:07,970 --> 00:18:04,500

scared now you see that's almost at

488

00:18:10,370 --> 00:18:07,980

gravitas to a virus when let me tell you

489

00:18:12,350 --> 00:18:10,380

that the fundamental issues we have Bill

490

00:18:14,810 --> 00:18:12,360

we've been our immune system has been

491

00:18:17,630 --> 00:18:14,820

around for billions of years billions

492

00:18:19,330 --> 00:18:17,640

just think about that and that immune

493

00:18:21,770 --> 00:18:19,340

system the evolution has gone through

494

00:18:23,450 --> 00:18:21,780

has been to create what's called a

495

00:18:25,250 --> 00:18:23,460

resilient system if you again study

496

00:18:27,289 --> 00:18:25,260

Engineering Systems which biologists

497

00:18:31,730 --> 00:18:27,299

don't you will find one of the core

498

00:18:33,710 --> 00:18:31,740

features of systems is resilience you

499

00:18:35,870 --> 00:18:33,720

build a bridge a bad bridge will fall

500

00:18:38,210 --> 00:18:35,880

apart if a wind comes a good Bridge can

501
00:18:40,010 --> 00:18:38,220
take a wave right it can handle it

502
00:18:41,510 --> 00:18:40,020
skyscrapers they don't build them stiff

503
00:18:43,490 --> 00:18:41,520
anymore they build them to take a little

504
00:18:46,130 --> 00:18:43,500
that's called resilience they can take a

505
00:18:48,409 --> 00:18:46,140
hit and get stronger so our bodies are

506
00:18:50,750 --> 00:18:48,419
built to have resilience now the people

507
00:18:52,370 --> 00:18:50,760
who weaken their bodies and we can go

508
00:18:54,770 --> 00:18:52,380
through the reasons they have

509
00:18:56,690 --> 00:18:54,780
non-resilient systems and they'll crack

510
00:18:58,250 --> 00:18:56,700
and by the way all these people that are

511
00:18:59,690 --> 00:18:58,260
dying well frankly many of them are

512
00:19:02,390 --> 00:18:59,700
going to die anyway the way they were

513
00:19:04,010 --> 00:19:02,400

living so let's talk about that but we

514

00:19:06,350 --> 00:19:04,020

don't want to talk about that

515

00:19:07,850 --> 00:19:06,360

we want to assume and so wow this virus

516

00:19:10,370 --> 00:19:07,860

is killing everyone no it isn't it's

517

00:19:13,010 --> 00:19:10,380

killing the people that

518

00:19:14,570 --> 00:19:13,020

are elderly as they age their immune

519

00:19:16,250 --> 00:19:14,580

system is weakened it's killing those

520

00:19:18,590 --> 00:19:16,260

who are smokers it's killing those

521

00:19:19,669 --> 00:19:18,600

people who had very compromised immune

522

00:19:23,630 --> 00:19:19,679

systems

523

00:19:25,549 --> 00:19:23,640

and on top of it idiots like fauci the

524

00:19:27,950 --> 00:19:25,559

model of social distancing all day long

525

00:19:30,350 --> 00:19:27,960

creates social isolation we just have a

526

00:19:32,990 --> 00:19:30,360

wonderful family friend okay

527

00:19:36,230 --> 00:19:33,000

my friend calls me goshiva my wife has

528

00:19:40,010 --> 00:19:36,240

relapsed after 40 years 40 years she's

529

00:19:42,590 --> 00:19:40,020

relapsed into serious depression

530

00:19:44,029 --> 00:19:42,600

40 years ago she was on Prozac he goes I

531

00:19:45,830 --> 00:19:44,039

got to put my wife back on it I go

532

00:19:47,450 --> 00:19:45,840

what's going on he goes she can't go out

533

00:19:49,490 --> 00:19:47,460

and swim anymore she's at such an

534

00:19:52,370 --> 00:19:49,500

extrovert she can't play mahjong with

535

00:19:54,890 --> 00:19:52,380

her friends social isolation the

536

00:19:57,110 --> 00:19:54,900

detriment of social isolation destroys

537

00:19:58,669 --> 00:19:57,120

the immune system it creates viral

538

00:20:02,450 --> 00:19:58,679

infection

539

00:20:04,430 --> 00:20:02,460

so let's step back including all of you

540

00:20:07,010 --> 00:20:04,440

guys want to talk let's have a real

541

00:20:09,529 --> 00:20:07,020

conversation and let's Elevate this

542

00:20:11,390 --> 00:20:09,539

conversation beyond the fraudulent

543

00:20:13,130 --> 00:20:11,400

fake science conversations the

544

00:20:15,409 --> 00:20:13,140

mainstreaming John said let's talk about

545

00:20:18,169 --> 00:20:15,419

the immune system let's talk about real

546

00:20:20,630 --> 00:20:18,179

science let's start educating people

547

00:20:22,549 --> 00:20:20,640

about science because for far too do you

548

00:20:25,190 --> 00:20:22,559

know in China you know who who's on

549

00:20:28,130 --> 00:20:25,200

billboards in China

550

00:20:29,930 --> 00:20:28,140

scientists engineers we put stupid

551
00:20:32,570 --> 00:20:29,940
people on billboards like George Clooney

552
00:20:34,430 --> 00:20:32,580
and Lady Gaga and idiots

553
00:20:36,289 --> 00:20:34,440
so just to be clear so that the audience

554
00:20:38,390 --> 00:20:36,299
knows because again you've been blowing

555
00:20:40,330 --> 00:20:38,400
up in some conspiracy websites and so on

556
00:20:43,070 --> 00:20:40,340
you're not saying the virus is not real

557
00:20:44,690 --> 00:20:43,080
and you're saying that yeah most likely

558
00:20:48,169 --> 00:20:44,700
it came out of

559
00:20:49,970 --> 00:20:48,179
um uh Wuhan and I presume out of a out

560
00:20:51,590 --> 00:20:49,980
of a wet Market no no I'm not saying

561
00:20:53,990 --> 00:20:51,600
that Jim I'm saying yeah there's a virus

562
00:20:55,070 --> 00:20:54,000
okay and just be clear where do you

563
00:20:57,169 --> 00:20:55,080

think it came from I just want to kind

564

00:20:59,930 --> 00:20:57,179

of establish what your base is here I

565

00:21:02,390 --> 00:20:59,940

you know I you know one research says

566

00:21:04,370 --> 00:21:02,400

that it came out of Wuhan there's other

567

00:21:06,710 --> 00:21:04,380

people out there who sang the first 13

568

00:21:08,690 --> 00:21:06,720

out of the 41 don't match I've heard

569

00:21:10,250 --> 00:21:08,700

people say came out of Fort Dietrich all

570

00:21:13,310 --> 00:21:10,260

of that's irrelevant

571

00:21:15,110 --> 00:21:13,320

okay it's how do we respond to it I I I

572

00:21:17,510 --> 00:21:15,120

understand that and that's where you're

573

00:21:19,430 --> 00:21:17,520

this is all nonsense

574

00:21:21,470 --> 00:21:19,440

this is all playing on people's

575

00:21:23,029 --> 00:21:21,480

psychology but but let me let me just

576

00:21:24,710 --> 00:21:23,039

the biggest hot spot that most people

577

00:21:26,149 --> 00:21:24,720

wear China who knows really what

578

00:21:28,090 --> 00:21:26,159

happened in China because you can't

579

00:21:30,710 --> 00:21:28,100

trust anything that China says but Italy

580

00:21:32,810 --> 00:21:30,720

had had what appears to have been a

581

00:21:34,250 --> 00:21:32,820

serious crisis and appeared to be worse

582

00:21:36,830 --> 00:21:34,260

than anything we'd seen before as far as

583

00:21:38,930 --> 00:21:36,840

Birds died before you go there you're

584

00:21:40,549 --> 00:21:38,940

you're making up assertions that are not

585

00:21:43,190 --> 00:21:40,559

true I'm sorry to I just want to level

586

00:21:45,049 --> 00:21:43,200

how many people died of flu over the

587

00:21:47,750 --> 00:21:45,059

last two years in Italy I don't have

588

00:21:49,909 --> 00:21:47,760

that figure 22 to 40 000 people do you

589

00:21:51,470 --> 00:21:49,919

want to go to an Italian Hospital

590

00:21:53,690 --> 00:21:51,480

friends of mine when I've worked with at

591

00:21:55,909 --> 00:21:53,700

MIT very nice people you don't want to

592

00:21:58,909 --> 00:21:55,919

end up gym in an Italian Hospital

593

00:22:01,190 --> 00:21:58,919

they are totally corrupt their level of

594

00:22:02,630 --> 00:22:01,200

corruption in Italy is and it shows up

595

00:22:05,529 --> 00:22:02,640

in the Health Care system

596

00:22:09,049 --> 00:22:05,539

so let's just step back and understand

597

00:22:11,990 --> 00:22:09,059

context let's understand some systems

598

00:22:14,630 --> 00:22:12,000

the Health Care system in Italy is a

599

00:22:17,450 --> 00:22:14,640

state-owned socialist top-down model

600

00:22:19,430 --> 00:22:17,460

which is completely devoid of any human

601
00:22:21,710 --> 00:22:19,440
interaction in bedside manners you do

602
00:22:25,490 --> 00:22:21,720
not want to end up in Italian hospital I

603
00:22:26,870 --> 00:22:25,500
repeat that a thousand times it and 38

604
00:22:29,510 --> 00:22:26,880
percent of the people who go to Italian

605
00:22:31,490 --> 00:22:29,520
hospitals are elderly people who have

606
00:22:32,810 --> 00:22:31,500
pre-existing conditions some guy comes

607
00:22:36,049 --> 00:22:32,820
with the chest pain by the way they have

608
00:22:38,450 --> 00:22:36,059
two codes that the who came one was

609
00:22:41,690 --> 00:22:38,460
covid-19 positive the others well

610
00:22:43,190 --> 00:22:41,700
anything that sounds like covet okay

611
00:22:44,690 --> 00:22:43,200
the number of people that are dying

612
00:22:46,010 --> 00:22:44,700
right now in Italian hospitals go look

613
00:22:47,750 --> 00:22:46,020

at last year how many people died from

614

00:22:50,029 --> 00:22:47,760

flu well but they didn't shut down the

615

00:22:51,649 --> 00:22:50,039

country at that time so people would

616

00:22:53,990 --> 00:22:51,659

argue that had they not shut down the

617

00:22:56,690 --> 00:22:54,000

country it would have been far far worse

618

00:23:00,049 --> 00:22:56,700

so if this is just as bad as the flu how

619

00:23:02,330 --> 00:23:00,059

come company to protect yourself right

620

00:23:04,010 --> 00:23:02,340

pardon me that was like a great way to

621

00:23:05,870 --> 00:23:04,020

protect yourself right

622

00:23:07,610 --> 00:23:05,880

well they would argue and this is what I

623

00:23:10,190 --> 00:23:07,620

want you to challenge that if they had

624

00:23:11,750 --> 00:23:10,200

not done that the hospitals would have

625

00:23:14,330 --> 00:23:11,760

been overwhelmed they were overwhelmed

626
00:23:16,850 --> 00:23:14,340
as it was and the only option they had

627
00:23:19,010 --> 00:23:16,860
they felt was to force people to stay at

628
00:23:21,289 --> 00:23:19,020
home uh otherwise their hospitals would

629
00:23:24,110 --> 00:23:21,299
have been overwhelmed

630
00:23:26,330 --> 00:23:24,120
okay so let's look at how many people

631
00:23:27,890 --> 00:23:26,340
came to the hospitals last year and how

632
00:23:29,930 --> 00:23:27,900
overwhelmed they were there last year

633
00:23:32,090 --> 00:23:29,940
and you'll find out that order of

634
00:23:33,950 --> 00:23:32,100
magnitude of people died over the last

635
00:23:35,750 --> 00:23:33,960
two years just look at the numbers okay

636
00:23:36,950 --> 00:23:35,760
so why was it in the news this year how

637
00:23:39,529 --> 00:23:36,960
come we didn't hear about it last year

638
00:23:41,990 --> 00:23:39,539

well let's talk about that

639

00:23:43,549 --> 00:23:42,000

um what was going on in Italy what is

640

00:23:45,950 --> 00:23:43,559

going on in the Italian political what

641

00:23:48,590 --> 00:23:45,960

was going on 30 let's just sort of step

642

00:23:50,990 --> 00:23:48,600

back and look at over the last six

643

00:23:54,769 --> 00:23:51,000

months what's been going on globally

644

00:23:57,529 --> 00:23:54,779

let's go six months ago before we very

645

00:23:59,570 --> 00:23:57,539

nicely all put on little you know uh

646

00:24:01,370 --> 00:23:59,580

what what are those blinders what was

647

00:24:04,370 --> 00:24:01,380

going on six months to go globally

648

00:24:08,029 --> 00:24:05,230

um

649

00:24:11,930 --> 00:24:08,039

departure from globalization what was

650

00:24:15,490 --> 00:24:14,210

huh Michael's going to help me answer

651
00:24:17,990 --> 00:24:15,500
your questions

652
00:24:19,010 --> 00:24:18,000
I mean you know what was going on in

653
00:24:20,750 --> 00:24:19,020
France by the way oh you're saying

654
00:24:21,769 --> 00:24:20,760
populist movements is that what you're

655
00:24:23,810 --> 00:24:21,779
suggesting

656
00:24:25,430 --> 00:24:23,820
well yeah what was going on in France

657
00:24:26,930 --> 00:24:25,440
and place like there's there's massive

658
00:24:29,029 --> 00:24:26,940
protests taking place it's everyone

659
00:24:30,950 --> 00:24:29,039
seems to have forgotten this

660
00:24:32,930 --> 00:24:30,960
massive protests on the streets in

661
00:24:35,870 --> 00:24:32,940
France what was going on which is not

662
00:24:39,110 --> 00:24:35,880
uncommon though they have France has

663
00:24:40,549 --> 00:24:39,120

major labor strikes all the time not

664

00:24:42,830 --> 00:24:40,559

like the ones that they were going on

665

00:24:44,269 --> 00:24:42,840

okay not like I've been to France not

666

00:24:46,190 --> 00:24:44,279

like the ones that were going on then

667

00:24:48,610 --> 00:24:46,200

the yellow jackets everywhere what was

668

00:24:51,649 --> 00:24:48,620

going on in Hong Kong

669

00:24:54,289 --> 00:24:51,659

protesting uh China Millions not

670

00:24:58,190 --> 00:24:54,299

Millions what was going on in Wuhan

671

00:25:01,490 --> 00:24:58,200

itself in June of uh 2019.

672

00:25:03,950 --> 00:25:01,500

no idea massive anti-pollution protest

673

00:25:05,990 --> 00:25:03,960

by the people of China against their own

674

00:25:07,730 --> 00:25:06,000

government

675

00:25:09,649 --> 00:25:07,740

China has been burning building

676
00:25:11,750 --> 00:25:09,659
incinerator plants all over China

677
00:25:12,830 --> 00:25:11,760
because of the Paris Accords they can

678
00:25:14,149 --> 00:25:12,840
pollute the hell out of their country

679
00:25:16,490 --> 00:25:14,159
even more

680
00:25:17,810 --> 00:25:16,500
so there were pollution protests in

681
00:25:20,029 --> 00:25:17,820
Wuhan you know what happens when you

682
00:25:23,269 --> 00:25:20,039
protest in China right you get thrown

683
00:25:25,669 --> 00:25:23,279
away you get jailed Etc in China itself

684
00:25:27,110 --> 00:25:25,679
there were massive pollution protests

685
00:25:30,169 --> 00:25:27,120
massive

686
00:25:31,330 --> 00:25:30,179
it ten thousand people in Wuhan it all

687
00:25:34,250 --> 00:25:31,340
disappeared

688
00:25:36,769 --> 00:25:34,260

Venezuela the massive protests

689

00:25:38,990 --> 00:25:36,779

South Africa massive Pro I can keep

690

00:25:40,430 --> 00:25:39,000

going on and on and on I mean if you

691

00:25:42,890 --> 00:25:40,440

just did a little film you would see

692

00:25:44,750 --> 00:25:42,900

masses not like ten thousand I'm talking

693

00:25:47,690 --> 00:25:44,760

about millions of people taking to the

694

00:25:50,330 --> 00:25:47,700

street Puerto Rico remember that

695

00:25:53,390 --> 00:25:50,340

so this is this is government's way of

696

00:25:57,230 --> 00:25:53,400

being able to quell the people put them

697

00:25:59,390 --> 00:25:57,240

away in their homes to to Tamp down the

698

00:26:00,649 --> 00:25:59,400

social unrest well you have to

699

00:26:03,370 --> 00:26:00,659

understand there's been an

700

00:26:06,890 --> 00:26:03,380

anti-establishment movement and two

701
00:26:09,049 --> 00:26:06,900
two leaders got elected who were

702
00:26:10,909 --> 00:26:09,059
populist leaders in two of the biggest

703
00:26:13,250 --> 00:26:10,919
democracies where was that in the United

704
00:26:15,470 --> 00:26:13,260
States Donald Trump and in India

705
00:26:21,890 --> 00:26:15,480
Narendra Modi

706
00:26:24,409 --> 00:26:21,900
minister to win from a dynasty of of the

707
00:26:25,909 --> 00:26:24,419
Gandhi family and the Gandhi family is

708
00:26:28,909 --> 00:26:25,919
one of the most corrupt families in

709
00:26:31,970 --> 00:26:28,919
India Modi came Bottoms Up

710
00:26:34,250 --> 00:26:31,980
so just step back and look at history

711
00:26:37,190 --> 00:26:34,260
globally there was a movement of people

712
00:26:39,710 --> 00:26:37,200
coming Bottoms Up For Truth and freedom

713
00:26:42,529 --> 00:26:39,720

less than six months ago all over the

714

00:26:43,789 --> 00:26:42,539

world Mass protests brexit took just

715

00:26:45,649 --> 00:26:43,799

place

716

00:26:47,210 --> 00:26:45,659

so you're talking about events taking

717

00:26:49,310 --> 00:26:47,220

place that were Against The

718

00:26:51,169 --> 00:26:49,320

Establishment and we need to understand

719

00:26:52,850 --> 00:26:51,179

that and if you got to really understand

720

00:26:56,210 --> 00:26:52,860

you can't just look at this little

721

00:26:57,890 --> 00:26:56,220

snapshot oh my God coronavirus step back

722

00:27:00,409 --> 00:26:57,900

take your lens back do a little Google

723

00:27:02,930 --> 00:27:00,419

zoom out and what you will see is

724

00:27:06,110 --> 00:27:02,940

massive anti-establishment movements

725

00:27:07,909 --> 00:27:06,120

taking place throughout the world and

726

00:27:10,010 --> 00:27:07,919

two leaders of the two of the democratic

727

00:27:12,409 --> 00:27:10,020

countries who are not supposed to get

728

00:27:14,930 --> 00:27:12,419

elected Modi got elected in a landslide

729

00:27:16,310 --> 00:27:14,940

in India the Gandhi family never thought

730

00:27:19,610 --> 00:27:16,320

he was going to win

731

00:27:20,870 --> 00:27:19,620

and Trump also beat the the Clinton

732

00:27:22,909 --> 00:27:20,880

establishment

733

00:27:25,850 --> 00:27:22,919

that's what occurred now in the context

734

00:27:28,549 --> 00:27:25,860

of that do you not do you think that

735

00:27:32,149 --> 00:27:28,559

those people in power would take this

736

00:27:35,389 --> 00:27:32,159

lying down no they have been wanting to

737

00:27:38,330 --> 00:27:35,399

seize power back because they saw either

738

00:27:40,490 --> 00:27:38,340

through suffrage through a votes people

739

00:27:42,289 --> 00:27:40,500

are starting to rise up or they saw

740

00:27:43,490 --> 00:27:42,299

through these populist movements that

741

00:27:46,730 --> 00:27:43,500

were taking place

742

00:27:48,830 --> 00:27:46,740

and that is how changes always come so

743

00:27:51,230 --> 00:27:48,840

that is not something that's a Harbinger

744

00:27:53,149 --> 00:27:51,240

for good for those people in power I'm

745

00:27:55,789 --> 00:27:53,159

talking about the global Elites

746

00:27:57,470 --> 00:27:55,799

so that all that was six months where is

747

00:27:58,730 --> 00:27:57,480

Hong Kong where are all those people

748

00:28:00,289 --> 00:27:58,740

what happened to them

749

00:28:01,909 --> 00:28:00,299

where did all these people go did they

750

00:28:04,010 --> 00:28:01,919

just disappear I mean I really like to

751

00:28:05,930 --> 00:28:04,020

know what happened to them but these

752

00:28:07,909 --> 00:28:05,940

same governments that you're saying that

753

00:28:08,990 --> 00:28:07,919

the Deep state or whoever fears they're

754

00:28:10,850 --> 00:28:09,000

the same governments that shut

755

00:28:12,590 --> 00:28:10,860

everything down so Boris Johnson in UK

756

00:28:14,930 --> 00:28:12,600

shut down his country Donald Trump in

757

00:28:16,669 --> 00:28:14,940

America shut down his country uh I don't

758

00:28:19,250 --> 00:28:16,679

know what they did in India I presume

759

00:28:21,350 --> 00:28:19,260

that was shut down so why are these

760

00:28:24,049 --> 00:28:21,360

leaders shutting down their own

761

00:28:25,490 --> 00:28:24,059

movements right but but do you

762

00:28:27,529 --> 00:28:25,500

acknowledge that there were massive

763

00:28:29,149 --> 00:28:27,539

movements of dissension taking place

764

00:28:31,549 --> 00:28:29,159

globally I'm not talking about simple

765

00:28:33,710 --> 00:28:31,559

I'm talking about massive

766

00:28:35,870 --> 00:28:33,720

well I mean look all times have

767

00:28:37,490 --> 00:28:35,880

movements whether this is a particular

768

00:28:40,310 --> 00:28:37,500

time where movements are greater time

769

00:28:41,870 --> 00:28:40,320

Hong Kong went like that never

770

00:28:44,330 --> 00:28:41,880

it's not true

771

00:28:47,510 --> 00:28:44,340

when was Imodium ever elected in India

772

00:28:51,350 --> 00:28:47,520

not true since 1947 it's been the Gandhi

773

00:28:54,110 --> 00:28:51,360

families nehru then Indira Gandhi then

774

00:28:56,510 --> 00:28:54,120

then you know Rajiv Gandhi then the wife

775

00:28:58,070 --> 00:28:56,520

I mean this has been a dynasty so so

776

00:28:59,990 --> 00:28:58,080

Trump but Trump is someone who calls out

777

00:29:01,789 --> 00:29:00,000

the Deep State all the time how come

778

00:29:03,289 --> 00:29:01,799

he's not smart enough to figure out what

779

00:29:04,789 --> 00:29:03,299

you're talking about right now and why

780

00:29:07,430 --> 00:29:04,799

is he falling for this

781

00:29:08,510 --> 00:29:07,440

I just told you this is a very tough

782

00:29:11,210 --> 00:29:08,520

problem

783

00:29:13,190 --> 00:29:11,220

because we're talking about science

784

00:29:14,930 --> 00:29:13,200

we're talking about something that

785

00:29:16,430 --> 00:29:14,940

perhaps only a guy like me at this

786

00:29:18,409 --> 00:29:16,440

moment in history can speak to because

787

00:29:20,930 --> 00:29:18,419

of my background in a unique position

788

00:29:22,430 --> 00:29:20,940

that life has placed me in

789

00:29:24,830 --> 00:29:22,440

um how many people in the scientific

790

00:29:26,690 --> 00:29:24,840

establishment are going to talk I mean I

791

00:29:27,769 --> 00:29:26,700

have friends of mine at MIT who've told

792

00:29:30,710 --> 00:29:27,779

me Shiva everything you're saying is

793

00:29:35,090 --> 00:29:30,720

right but I'm not going to say anything

794

00:29:36,230 --> 00:29:35,100

okay why how many people knew before I

795

00:29:37,850 --> 00:29:36,240

think there's that movie called The Big

796

00:29:39,769 --> 00:29:37,860

Short remember that one where the Wall

797

00:29:41,149 --> 00:29:39,779

Street all crashed people knew what they

798

00:29:43,610 --> 00:29:41,159

were doing was going to crash the

799

00:29:45,710 --> 00:29:43,620

economy but not everyone keeps their

800

00:29:47,690 --> 00:29:45,720

mouths shut and this is something that

801
00:29:49,549 --> 00:29:47,700
you shouldn't be surprised at because

802
00:29:52,310 --> 00:29:49,559
people are making money on this people

803
00:29:54,049 --> 00:29:52,320
are making money in biological sciences

804
00:29:55,669 --> 00:29:54,059
where they keep purporting that

805
00:29:58,490 --> 00:29:55,679
everything is a virus every you know

806
00:30:01,250 --> 00:29:58,500
this is this infectious disease model

807
00:30:02,510 --> 00:30:01,260
so that Arc you have to understand and

808
00:30:05,330 --> 00:30:02,520
you have people need to get over their

809
00:30:06,830 --> 00:30:05,340
night and I think people are you know

810
00:30:08,330 --> 00:30:06,840
I don't think we really need to continue

811
00:30:10,070 --> 00:30:08,340
this discussion if we don't have a

812
00:30:11,750 --> 00:30:10,080
fundamental understanding that people

813
00:30:13,490 --> 00:30:11,760

with common sense and this is why I have

814

00:30:15,110 --> 00:30:13,500

great hope people who work with their

815

00:30:17,090 --> 00:30:15,120

hands the plumbers the electricians that

816

00:30:18,950 --> 00:30:17,100

I know that follow our campaign they

817

00:30:20,690 --> 00:30:18,960

already get it the people who don't get

818

00:30:22,190 --> 00:30:20,700

it are the vulnerable educated Elites

819

00:30:24,289 --> 00:30:22,200

were part of the mainstream media

820

00:30:26,090 --> 00:30:24,299

they're the stupid people because

821

00:30:27,710 --> 00:30:26,100

they're the ones indoctrinated to think

822

00:30:30,470 --> 00:30:27,720

oh fauci knows what he's talking about

823

00:30:33,529 --> 00:30:30,480

no fauci doesn't fauci's the one who

824

00:30:37,490 --> 00:30:33,539

created the HIV causality to AIDS

825

00:30:38,990 --> 00:30:37,500

complete lie HIV does not cause AIDS it

826

00:30:42,350 --> 00:30:39,000

doesn't fulfill Coke's hypothesis

827

00:30:44,450 --> 00:30:42,360

postulates untrue they created a whole

828

00:30:46,549 --> 00:30:44,460

pandemic based on that that was his

829

00:30:49,130 --> 00:30:46,559

first rodeo and I'll do a whole video on

830

00:30:51,830 --> 00:30:49,140

this if we go down to the science you'll

831

00:30:54,110 --> 00:30:51,840

find out that HIV doesn't cause AIDS but

832

00:30:56,870 --> 00:30:54,120

AIDS was promoted you had Bono speaking

833

00:30:58,669 --> 00:30:56,880

about it you know big concerts fouchies

834

00:31:00,289 --> 00:30:58,679

out there Elton John all these people

835

00:31:02,450 --> 00:31:00,299

and if you said anything against it you

836

00:31:05,389 --> 00:31:02,460

were seen as anti-gay or something HIV

837

00:31:07,310 --> 00:31:05,399

doesn't cause AIDS that made Peter

838

00:31:08,630 --> 00:31:07,320

duceberg one of the most eminent

839

00:31:10,250 --> 00:31:08,640

scientists the youngest guy to get

840

00:31:11,389 --> 00:31:10,260

tenure at Berkeley one of the youngest

841

00:31:14,630 --> 00:31:11,399

people in the National Academy of

842

00:31:17,509 --> 00:31:14,640

Sciences one of the best NIH researchers

843

00:31:19,850 --> 00:31:17,519

uh NIH Grant researchers when he exposed

844

00:31:21,350 --> 00:31:19,860

this he was vilified Carrie Mullis was

845

00:31:23,389 --> 00:31:21,360

vilified who ran the Nobel Prize in

846

00:31:25,909 --> 00:31:23,399

chemistry

847

00:31:27,950 --> 00:31:25,919

people need to understand that you think

848

00:31:29,930 --> 00:31:27,960

that fauci's a good guy you think that

849

00:31:32,330 --> 00:31:29,940

these people are in it for the noble

850

00:31:35,210 --> 00:31:32,340

duty of science or not that fell off a

851
00:31:37,250 --> 00:31:35,220
long time ago man in 1970 through the

852
00:31:39,889 --> 00:31:37,260
Mansfield Amendment

853
00:31:41,990 --> 00:31:39,899
that went away science became a

854
00:31:43,130 --> 00:31:42,000
pay-to-play game and the really good

855
00:31:45,769 --> 00:31:43,140
scientists

856
00:31:49,310 --> 00:31:45,779
got thrown out what got

857
00:31:51,350 --> 00:31:49,320
what resulted was always uh coming to

858
00:31:53,630 --> 00:31:51,360
the mean mediocrity and science that's

859
00:31:55,490 --> 00:31:53,640
what took place so this is something

860
00:31:58,430 --> 00:31:55,500
very fundamental and what we're

861
00:32:00,409 --> 00:31:58,440
witnessing right here is something

862
00:32:02,750 --> 00:32:00,419
that's been going on for 40 years

863
00:32:03,710 --> 00:32:02,760

and now it's all coming together the

864

00:32:05,509 --> 00:32:03,720

corruption of the scientific

865

00:32:07,610 --> 00:32:05,519

establishment the corruption of the

866

00:32:10,070 --> 00:32:07,620

medical establishment the corruption of

867

00:32:11,870 --> 00:32:10,080

Pharma and it's all aimed against you

868

00:32:16,490 --> 00:32:11,880

and you and you and and the American

869

00:32:18,590 --> 00:32:16,500

worker because we keep forgetting that

870

00:32:21,289 --> 00:32:18,600

we think slavery is over

871

00:32:22,610 --> 00:32:21,299

we think you know 200 years ago there

872

00:32:24,769 --> 00:32:22,620

were people like King George who thought

873

00:32:27,889 --> 00:32:24,779

he's connected to God and you and I are

874

00:32:29,149 --> 00:32:27,899

slaves so this notion is what we've

875

00:32:30,830 --> 00:32:29,159

forgotten because people don't study

876

00:32:33,169 --> 00:32:30,840

history anymore but if you really study

877

00:32:34,669 --> 00:32:33,179

history and you really study science and

878

00:32:36,769 --> 00:32:34,679

math you find out what's going on now

879

00:32:37,850 --> 00:32:36,779

has occurred before in history we're

880

00:32:39,230 --> 00:32:37,860

just coming to it in a much more

881

00:32:41,690 --> 00:32:39,240

momentous way let me ask you something

882

00:32:43,370 --> 00:32:41,700

it is fouchy just a victim of all what

883

00:32:46,909 --> 00:32:43,380

you described like the rest of us or is

884

00:32:49,190 --> 00:32:46,919

he really a real is he a ringleader does

885

00:32:51,649 --> 00:32:49,200

he know that what he's proposing is

886

00:32:54,950 --> 00:32:51,659

wrong and but he's doing it anyway

887

00:32:57,590 --> 00:32:54,960

well it's it's a little more it's not um

888

00:32:59,990 --> 00:32:57,600

look you ever been in a fraternity you

889

00:33:00,950 --> 00:33:00,000

ever been in a club you ever have your

890

00:33:02,810 --> 00:33:00,960

own company

891

00:33:05,389 --> 00:33:02,820

I was a proud member of Sigma Chi

892

00:33:07,009 --> 00:33:05,399

Fraternity okay so I belong to okay so

893

00:33:08,750 --> 00:33:07,019

when you're in a fraternity or joining a

894

00:33:11,389 --> 00:33:08,760

club you know there's sort of an

895

00:33:13,250 --> 00:33:11,399

implicit understanding right hey that

896

00:33:16,370 --> 00:33:13,260

guy doesn't really fit here anymore you

897

00:33:18,110 --> 00:33:16,380

know it's not direct it's more implicit

898

00:33:19,730 --> 00:33:18,120

you follow what I'm saying oh yeah um

899

00:33:22,370 --> 00:33:19,740

okay we're all hanging around these

900

00:33:24,350 --> 00:33:22,380

Social Circles hey Bob is now supporting

901
00:33:26,330 --> 00:33:24,360
Trump let's not invite him anymore to

902
00:33:28,250 --> 00:33:26,340
our parties anymore you follow or well

903
00:33:29,750 --> 00:33:28,260
wait a minute bill is hanging around

904
00:33:31,789 --> 00:33:29,760
with that girl we don't really like her

905
00:33:34,850 --> 00:33:31,799
you see it's much more implicit okay

906
00:33:36,769 --> 00:33:34,860
this now take this on a higher level so

907
00:33:39,409 --> 00:33:36,779
this is not like oh

908
00:33:41,090 --> 00:33:39,419
we are the Deep State and you know

909
00:33:43,310 --> 00:33:41,100
there's an implicit understanding

910
00:33:45,529 --> 00:33:43,320
because everyone has connections

911
00:33:47,690 --> 00:33:45,539
everyone you know does business with

912
00:33:49,970 --> 00:33:47,700
each other they all hang out at the same

913
00:33:51,710 --> 00:33:49,980

parties it's one incestuous plan they're

914

00:33:53,090 --> 00:33:51,720

all friends with Jeffrey Epstein they

915

00:33:55,970 --> 00:33:53,100

all know Harvey Weinstein you follow

916

00:33:59,269 --> 00:33:55,980

what I'm saying it's a clan and it's not

917

00:34:01,909 --> 00:33:59,279

like this conspiracy it's more a

918

00:34:04,310 --> 00:34:01,919

plutocracy that understands what their

919

00:34:06,590 --> 00:34:04,320

needs are and like an immune system they

920

00:34:08,690 --> 00:34:06,600

spit out people who don't fit their

921

00:34:11,510 --> 00:34:08,700

narrative okay so that's what this is

922

00:34:14,569 --> 00:34:11,520

really about so fauci is part of an

923

00:34:16,909 --> 00:34:14,579

academic model that really started after

924

00:34:19,609 --> 00:34:16,919

World War II which was about creating

925

00:34:21,649 --> 00:34:19,619

big scientific establishment denying

926
00:34:23,149 --> 00:34:21,659
that Innovation and science could occur

927
00:34:25,369 --> 00:34:23,159
in the edges which is by the way what

928
00:34:26,750 --> 00:34:25,379
made this country great people tinkering

929
00:34:29,149 --> 00:34:26,760
in their little Labs finding stuff

930
00:34:32,329 --> 00:34:29,159
discovering stuff it became big science

931
00:34:34,329 --> 00:34:32,339
Big Medicine big Academia and the

932
00:34:36,829 --> 00:34:34,339
evolution of that started in 1944

933
00:34:38,930 --> 00:34:36,839
leading all the way up until

934
00:34:40,970 --> 00:34:38,940
uh today

935
00:34:42,889 --> 00:34:40,980
um and really the big inflection point

936
00:34:45,109 --> 00:34:42,899
was 1970 with the Mansfield Amendment

937
00:34:47,030 --> 00:34:45,119
and so that really Consolidated power

938
00:34:49,550 --> 00:34:47,040

and Science and as a part of that

939

00:34:51,530 --> 00:34:49,560

consolidation of power you had the

940

00:34:53,389 --> 00:34:51,540

creation of Administrators not

941

00:34:54,349 --> 00:34:53,399

scientists scientific administrators

942

00:34:56,089 --> 00:34:54,359

okay

943

00:34:57,950 --> 00:34:56,099

not people who knew the science but

944

00:35:00,410 --> 00:34:57,960

people who could wheedle their way

945

00:35:03,710 --> 00:35:00,420

through Jim people who could manage

946

00:35:05,870 --> 00:35:03,720

their way into the halls of scientific

947

00:35:06,890 --> 00:35:05,880

stuff that's why uh Henry Kissinger said

948

00:35:09,109 --> 00:35:06,900

if you want to learn how to be a

949

00:35:10,910 --> 00:35:09,119

politician go to Academia all right

950

00:35:12,290 --> 00:35:10,920

because that's how you learn to backstab

951
00:35:14,750 --> 00:35:12,300
people that's why you learn to

952
00:35:16,550 --> 00:35:14,760
manipulate that's fauci's Legacy because

953
00:35:18,410 --> 00:35:16,560
if you want to make it in Academia you

954
00:35:19,910 --> 00:35:18,420
have to get tenure in order to get

955
00:35:22,010 --> 00:35:19,920
tenure you have to kiss ass to everyone

956
00:35:23,569 --> 00:35:22,020
else around you to say oh yeah Jim's a

957
00:35:25,430 --> 00:35:23,579
good guy Jim's a good guy Jim's a good

958
00:35:27,650 --> 00:35:25,440
guy you have to ask us and enough ass

959
00:35:29,089 --> 00:35:27,660
kissing gets you citations on papers so

960
00:35:30,770 --> 00:35:29,099
when it comes to your seven year 10-year

961
00:35:32,210 --> 00:35:30,780
review everyone's saying oh yeah Jim's a

962
00:35:34,550 --> 00:35:32,220
good guy and then you're part of the

963
00:35:36,290 --> 00:35:34,560

club but if you do truly Innovative

964

00:35:37,670 --> 00:35:36,300

research you're never going to be in

965

00:35:38,630 --> 00:35:37,680

that club it's not part of the system

966

00:35:40,970 --> 00:35:38,640

anymore

967

00:35:43,130 --> 00:35:40,980

and this is something fundamental so

968

00:35:45,950 --> 00:35:43,140

when you ask who is fauci he's part of a

969

00:35:48,530 --> 00:35:45,960

system so when I said fire fauci I'm

970

00:35:50,390 --> 00:35:48,540

sending a signal by fowering firing him

971

00:35:52,550 --> 00:35:50,400

we're sending a signal that we figured

972

00:35:54,050 --> 00:35:52,560

stuff out because the noble duty of

973

00:35:56,150 --> 00:35:54,060

science to tell the truth has been

974

00:35:58,130 --> 00:35:56,160

diminished year over year over year over

975

00:36:00,109 --> 00:35:58,140

year I went into science to understand

976

00:36:02,510 --> 00:36:00,119

truth I went into the love of it when I

977

00:36:04,550 --> 00:36:02,520

created the first email system in 1978

978

00:36:06,290 --> 00:36:04,560

as a kid in Newark New Jersey it wasn't

979

00:36:07,790 --> 00:36:06,300

about making money it was about wow

980

00:36:09,890 --> 00:36:07,800

could we do that could we take the

981

00:36:11,150 --> 00:36:09,900

interoffice mail system and make it the

982

00:36:13,490 --> 00:36:11,160

electronic version

983

00:36:15,650 --> 00:36:13,500

that's where Innovation comes from it

984

00:36:17,569 --> 00:36:15,660

doesn't come top down have systems

985

00:36:19,250 --> 00:36:17,579

biologists been welcomed into the

986

00:36:21,230 --> 00:36:19,260

community

987

00:36:24,829 --> 00:36:21,240

systems by well there's a great paper

988

00:36:27,109 --> 00:36:24,839

written uh in 2017 which says that we

989

00:36:28,970 --> 00:36:27,119

need to revamp Immunology it's called

990

00:36:32,030 --> 00:36:28,980

systems Immunology

991

00:36:34,550 --> 00:36:32,040

all right the modern science of the

992

00:36:35,690 --> 00:36:34,560

immune system is literally 50 to 150

993

00:36:38,150 --> 00:36:35,700

years old

994

00:36:40,250 --> 00:36:38,160

period And this is documented

995

00:36:41,450 --> 00:36:40,260

so what fauci's talking about the

996

00:36:45,130 --> 00:36:41,460

science he's talking about he should go

997

00:36:49,250 --> 00:36:47,690

he just doesn't know what you know is

998

00:36:51,770 --> 00:36:49,260

that fair to say

999

00:36:55,790 --> 00:36:51,780

he knows what I he may know what I'm not

1000

00:36:57,710 --> 00:36:55,800

saying is true but it doesn't meet his

1001

00:36:59,870 --> 00:36:57,720

objectives to accept the truth I'm

1002

00:37:01,849 --> 00:36:59,880

saying because the goal here is he's

1003

00:37:03,290 --> 00:37:01,859

part of a click I mean you see him

1004

00:37:05,030 --> 00:37:03,300

hanging around Bill Gates you see him

1005

00:37:07,130 --> 00:37:05,040

hanging around with Hillary Clinton he

1006

00:37:08,990 --> 00:37:07,140

wants to be I think he said oh it was so

1007

00:37:10,609 --> 00:37:09,000

great that Bono was in my house hanging

1008

00:37:12,950 --> 00:37:10,619

out with him you see these guys are

1009

00:37:15,170 --> 00:37:12,960

little dweebs who are little nerds who

1010

00:37:16,910 --> 00:37:15,180

get all excited they're you know I don't

1011

00:37:18,109 --> 00:37:16,920

want to use this word when I used to be

1012

00:37:20,930 --> 00:37:18,119

out in Hollywood they used to call them

1013

00:37:25,130 --> 00:37:20,940

star offers okay

1014

00:37:27,170 --> 00:37:25,140

at least part of that you know and uh I

1015

00:37:30,310 --> 00:37:27,180

don't know him personally but I can tell

1016

00:37:33,470 --> 00:37:30,320

you is that we live in a world right now

1017

00:37:34,670 --> 00:37:33,480

where a small set of people do control

1018

00:37:37,190 --> 00:37:34,680

science

1019

00:37:39,050 --> 00:37:37,200

fauci and Francis Collins director of

1020

00:37:41,210 --> 00:37:39,060

the NIH do you know they could literally

1021

00:37:42,050 --> 00:37:41,220

destroy the lives of any academic right

1022

00:37:43,430 --> 00:37:42,060

now

1023

00:37:44,930 --> 00:37:43,440

any one of them

1024

00:37:47,210 --> 00:37:44,940

no one's going to say anything against

1025

00:37:48,950 --> 00:37:47,220

them not what that's why no one said

1026
00:37:51,170 --> 00:37:48,960
anything against Harvey Weinstein for so

1027
00:37:53,930 --> 00:37:51,180
long yeah you control the lives of many

1028
00:37:55,069 --> 00:37:53,940
actors well we ex we feel we expose some

1029
00:37:56,870 --> 00:37:55,079
serious peer pressure in the medical

1030
00:37:59,450 --> 00:37:56,880
community when it came to the issue of

1031
00:38:01,069 --> 00:37:59,460
transgender and how the LGBT activists

1032
00:38:04,069 --> 00:38:01,079
have take hijacked major American

1033
00:38:06,109 --> 00:38:04,079
Medical institutions and basically you

1034
00:38:08,750 --> 00:38:06,119
have to believe born this way or you're

1035
00:38:11,210 --> 00:38:08,760
ostracized so I totally get what you're

1036
00:38:12,470 --> 00:38:11,220
saying let's say if you could to Bill

1037
00:38:17,210 --> 00:38:12,480
Gates

1038
00:38:18,650 --> 00:38:17,220

um does he have a good heart is his

1039

00:38:20,510 --> 00:38:18,660

heart in the right place understanding

1040

00:38:22,310 --> 00:38:20,520

questions that I'm not the person to

1041

00:38:24,410 --> 00:38:22,320

judge here I'm I don't know I mean I'm

1042

00:38:26,510 --> 00:38:24,420

not a judgment of people's hearts I'm a

1043

00:38:28,490 --> 00:38:26,520

scientist but do you believe that he's

1044

00:38:30,230 --> 00:38:28,500

up to that he has ulterior motives other

1045

00:38:32,750 --> 00:38:30,240

than the health of the world's

1046

00:38:34,910 --> 00:38:32,760

population Bill Gates

1047

00:38:35,630 --> 00:38:34,920

well I can just look at what his actions

1048

00:38:40,310 --> 00:38:35,640

are

1049

00:38:42,290 --> 00:38:40,320

which he put about a billion dollars

1050

00:38:43,970 --> 00:38:42,300

into which is a vaccine Alliance he

1051
00:38:46,190 --> 00:38:43,980
funded the gay and these are just facts

1052
00:38:47,630 --> 00:38:46,200
let's just go to facts and and the Gabby

1053
00:38:50,450 --> 00:38:47,640
is a vaccine Alliance which which

1054
00:38:53,030 --> 00:38:50,460
supports the sdg the sustainable

1055
00:38:54,890 --> 00:38:53,040
development goes three of the U.N this

1056
00:38:56,810 --> 00:38:54,900
is just a fact and those sustainable

1057
00:38:58,849 --> 00:38:56,820
development goals are to create what

1058
00:39:01,910 --> 00:38:58,859
they purport to be a Utopia gender

1059
00:39:03,710 --> 00:39:01,920
equality of all genders eliminate

1060
00:39:05,150 --> 00:39:03,720
poverty I mean go down the list this

1061
00:39:09,349 --> 00:39:05,160
Utopia

1062
00:39:11,210 --> 00:39:09,359
fact sdg3 and those 17 sustainable

1063
00:39:15,829 --> 00:39:11,220

development goals according to the la

1064

00:39:19,490 --> 00:39:15,839

2030 fact say that the only way to get

1065

00:39:21,230 --> 00:39:19,500

there Jim is that you must you must okay

1066

00:39:23,510 --> 00:39:21,240

the only way to get there for people on

1067

00:39:26,089 --> 00:39:23,520

Instagram I'm just going to uh juice you

1068

00:39:27,829 --> 00:39:26,099

in here so I don't lose you the only way

1069

00:39:30,950 --> 00:39:27,839

to get there for the sustainable

1070

00:39:32,170 --> 00:39:30,960

development goals is by immunizing

1071

00:39:35,930 --> 00:39:32,180

everyone

1072

00:39:38,109 --> 00:39:35,940

immunization for all that thesis is

1073

00:39:41,569 --> 00:39:38,119

supported by the international

1074

00:39:43,670 --> 00:39:41,579

pharmaceutical manufacturers Federation

1075

00:39:44,930 --> 00:39:43,680

which is com which the executive

1076

00:39:46,849 --> 00:39:44,940

leadership of that is the three major

1077

00:39:48,950 --> 00:39:46,859

Pharma companies these are just facts

1078

00:39:52,010 --> 00:39:48,960

and this is not you know what's

1079

00:39:53,810 --> 00:39:52,020

fascinating is uh to even call this a

1080

00:39:56,870 --> 00:39:53,820

conspiracy we're just going down fact

1081

00:40:00,170 --> 00:39:56,880

after fact after fact after fact this is

1082

00:40:02,810 --> 00:40:00,180

just global capitalism on a much larger

1083

00:40:05,630 --> 00:40:02,820

scale whereas truly Global Consolidated

1084

00:40:09,109 --> 00:40:05,640

global capitalism it's no longer you

1085

00:40:10,670 --> 00:40:09,119

know your your your local you know uh

1086

00:40:13,069 --> 00:40:10,680

General Motors in the United States

1087

00:40:14,809 --> 00:40:13,079

you're talking about big Pharma at the

1088

00:40:17,630 --> 00:40:14,819

World level trying to control all of it

1089

00:40:19,250 --> 00:40:17,640

because pharmaceutical industry is

1090

00:40:20,750 --> 00:40:19,260

burning down they're not making money

1091

00:40:22,790 --> 00:40:20,760

they're losing money they're not getting

1092

00:40:24,950 --> 00:40:22,800

their drugs allowed they have lawsuits

1093

00:40:28,190 --> 00:40:24,960

against them their future is vaccines

1094

00:40:30,650 --> 00:40:28,200

and if they could mandate it mandated

1095

00:40:31,609 --> 00:40:30,660

how powerful would that be scare enough

1096

00:40:33,770 --> 00:40:31,619

people

1097

00:40:35,569 --> 00:40:33,780

mandated so your neighbor says hey Jim

1098

00:40:37,370 --> 00:40:35,579

is not vaccinated

1099

00:40:40,010 --> 00:40:37,380

you know Jim needs to get vaccinated so

1100

00:40:42,770 --> 00:40:40,020

this is what's what I find interesting

1101

00:40:46,130 --> 00:40:42,780

is that we're allowing the mainstream

1102

00:40:48,470 --> 00:40:46,140

media we're allowing very very

1103

00:40:50,809 --> 00:40:48,480

um uh you know toddlers who write these

1104

00:40:55,270 --> 00:40:50,819

articles to control the narrative and

1105

00:40:59,930 --> 00:40:58,609

you should call up you know uh some of

1106

00:41:01,130 --> 00:40:59,940

these people write articles and say hey

1107

00:41:03,650 --> 00:41:01,140

why are you calling Dr Shiva

1108

00:41:04,790 --> 00:41:03,660

anti-vaccine where'd you get that why

1109

00:41:07,250 --> 00:41:04,800

are you not acknowledging that he has

1110

00:41:09,290 --> 00:41:07,260

four degrees from MIT are you a racist

1111

00:41:10,910 --> 00:41:09,300

is it not want to see a dark-skinned

1112

00:41:12,349 --> 00:41:10,920

Indian guy

1113

00:41:14,150 --> 00:41:12,359

um do you know do not want to give him

1114

00:41:15,950 --> 00:41:14,160

his accolades his deserve it accolades

1115

00:41:17,930 --> 00:41:15,960

that's what you should be calling we

1116

00:41:19,130 --> 00:41:17,940

should have those people on your gym we

1117

00:41:21,530 --> 00:41:19,140

should go interview all those people

1118

00:41:23,510 --> 00:41:21,540

what what is your position on vaccines

1119

00:41:25,430 --> 00:41:23,520

are you okay with some say the polio

1120

00:41:30,109 --> 00:41:25,440

vaccine

1121

00:41:31,730 --> 00:41:30,119

let me let you're asking me these

1122

00:41:33,349 --> 00:41:31,740

questions so let's understand let's get

1123

00:41:35,089 --> 00:41:33,359

over okay well I'm hoping you're gonna

1124

00:41:36,710 --> 00:41:35,099

tell us because I'm I'm no doctor I

1125

00:41:39,170 --> 00:41:36,720

could take a stab at it if you'd like

1126

00:41:40,370 --> 00:41:39,180

well I mean one second here the goal

1127

00:41:41,630 --> 00:41:40,380

here is to really understand what we're

1128

00:41:45,470 --> 00:41:41,640

talking about right

1129

00:41:48,890 --> 00:41:45,480

uh what is a vaccine well the concept of

1130

00:41:53,030 --> 00:41:48,900

vaccines of immunizing people okay by

1131

00:41:55,790 --> 00:41:53,040

introducing them to a exogenous pathogen

1132

00:41:58,069 --> 00:41:55,800

let's say you have chickenpox in the old

1133

00:41:59,270 --> 00:41:58,079

days people would literally bring you

1134

00:42:00,589 --> 00:41:59,280

over to my house and I would get

1135

00:42:02,150 --> 00:42:00,599

Chickenpox with you

1136

00:42:04,790 --> 00:42:02,160

you remember that chickenpox parties

1137

00:42:06,530 --> 00:42:04,800

okay or measles parties that was done

1138

00:42:09,349 --> 00:42:06,540

because people this goes back to a long

1139

00:42:11,690 --> 00:42:09,359

tradition in villages in China someone

1140

00:42:13,130 --> 00:42:11,700

got some disease you know some pus or

1141

00:42:16,010 --> 00:42:13,140

for in fact they would literally take

1142

00:42:19,010 --> 00:42:16,020

that puss and shoot it up people's nose

1143

00:42:20,510 --> 00:42:19,020

in villages in India and other places if

1144

00:42:21,890 --> 00:42:20,520

a horse I mean I can show you the

1145

00:42:25,370 --> 00:42:21,900

picture literally shooting it up

1146

00:42:26,930 --> 00:42:25,380

people's nose the notion of we lived in

1147

00:42:29,030 --> 00:42:26,940

let's say a village where everyone had a

1148

00:42:32,630 --> 00:42:29,040

horse and everyone had to farm the

1149

00:42:35,930 --> 00:42:32,640

notion of exposing people to disease

1150

00:42:37,910 --> 00:42:35,940

so you accelerated the immune system

1151
00:42:39,770 --> 00:42:37,920
it's been well known for thousands of

1152
00:42:41,809 --> 00:42:39,780
years well no

1153
00:42:43,190 --> 00:42:41,819
so that's well known and this was all

1154
00:42:44,870 --> 00:42:43,200
under one assumption that the immune

1155
00:42:46,730 --> 00:42:44,880
system was strong okay

1156
00:42:49,430 --> 00:42:46,740
you have a strong immune system I was

1157
00:42:50,990 --> 00:42:49,440
why did I expose you to it Washington in

1158
00:42:52,970 --> 00:42:51,000
fact used a technique called variation

1159
00:42:55,910 --> 00:42:52,980
brought to the United States by an

1160
00:42:57,829 --> 00:42:55,920
African slave which was what if you had

1161
00:43:01,790 --> 00:42:57,839
a disease they would make a small

1162
00:43:03,170 --> 00:43:01,800
abrasion on your on your arm and then

1163
00:43:05,569 --> 00:43:03,180

add to it

1164

00:43:08,089 --> 00:43:05,579

the disease you can look at a variation

1165

00:43:11,089 --> 00:43:08,099

and so you got it you accelerated it so

1166

00:43:13,849 --> 00:43:11,099

Washington used that technique to

1167

00:43:16,190 --> 00:43:13,859

inoculate 40 000 troops for smallpox

1168

00:43:18,650 --> 00:43:16,200

this is basically like sneezing on

1169

00:43:22,190 --> 00:43:18,660

people okay giving them it so they could

1170

00:43:24,589 --> 00:43:22,200

build the immunity you follow in Mass

1171

00:43:25,790 --> 00:43:24,599

it all said an economic goal right you

1172

00:43:28,670 --> 00:43:25,800

can call your building what's called

1173

00:43:30,710 --> 00:43:28,680

immunity so this has been well known now

1174

00:43:32,390 --> 00:43:30,720

the difference of the vaccine

1175

00:43:33,530 --> 00:43:32,400

what's the difference there what's the

1176

00:43:35,450 --> 00:43:33,540

fundamental difference between what I

1177

00:43:37,550 --> 00:43:35,460

just told you Jim the fundamental

1178

00:43:39,349 --> 00:43:37,560

difference is you have what's called an

1179

00:43:41,030 --> 00:43:39,359

innate immune system you see your immune

1180

00:43:43,609 --> 00:43:41,040

system your eyes your nose your throat

1181

00:43:46,010 --> 00:43:43,619

when I sneeze on you it's hitting all

1182

00:43:48,589 --> 00:43:46,020

your innate immune system your body then

1183

00:43:51,230 --> 00:43:48,599

takes on the innate immunity it sends

1184

00:43:53,690 --> 00:43:51,240

out these beautiful macrophages okay it

1185

00:43:55,309 --> 00:43:53,700

turns itself on then it goes through a

1186

00:43:57,050 --> 00:43:55,319

series of processes at the bloodstream

1187

00:44:00,890 --> 00:43:57,060

level okay

1188

00:44:02,930 --> 00:44:00,900

now when you try to mimic that in nature

1189

00:44:05,630 --> 00:44:02,940

by taking a dead form of that virus

1190

00:44:06,589 --> 00:44:05,640

which is what polio buzz and it wasn't

1191

00:44:08,270 --> 00:44:06,599

working

1192

00:44:10,370 --> 00:44:08,280

so then what they said oh we got to add

1193

00:44:11,210 --> 00:44:10,380

some Mercury we got to add some other

1194

00:44:13,550 --> 00:44:11,220

stuff

1195

00:44:15,770 --> 00:44:13,560

to create that same mimic that same

1196

00:44:18,650 --> 00:44:15,780

effect of the infection

1197

00:44:20,990 --> 00:44:18,660

so that mimicking process what they're

1198

00:44:23,450 --> 00:44:21,000

trying to mimic is a standard immunity

1199

00:44:26,450 --> 00:44:23,460

process you follow that immunization

1200

00:44:28,250 --> 00:44:26,460

process is what

1201

00:44:31,309 --> 00:44:28,260

um what we should be going through

1202

00:44:32,990 --> 00:44:31,319

that's a good thing okay now when you

1203

00:44:34,690 --> 00:44:33,000

try to mimic nature which is what a

1204

00:44:37,309 --> 00:44:34,700

vaccine tries to do you follow me

1205

00:44:38,450 --> 00:44:37,319

vaccine is trying to mimic this natural

1206

00:44:41,150 --> 00:44:38,460

process

1207

00:44:43,309 --> 00:44:41,160

well it may work in some cases and it

1208

00:44:46,130 --> 00:44:43,319

may not work in some cases because some

1209

00:44:48,950 --> 00:44:46,140

people may be highly highly

1210

00:44:52,490 --> 00:44:48,960

allergic to the adjuvants that you put

1211

00:44:54,230 --> 00:44:52,500

into that deaden virus like Mercury

1212

00:44:56,089 --> 00:44:54,240

aluminum these things have not been in

1213

00:44:58,190 --> 00:44:56,099

the body before

1214

00:45:00,890 --> 00:44:58,200

so let's define what a vaccine is a

1215

00:45:04,849 --> 00:45:00,900

vaccine is an attempt to create natural

1216

00:45:06,710 --> 00:45:04,859

immunity to an artificial means so my

1217

00:45:09,349 --> 00:45:06,720

position on this again I'm a systems

1218

00:45:10,910 --> 00:45:09,359

biologist one size doesn't fit all if

1219

00:45:13,130 --> 00:45:10,920

you take a child who's been brought up

1220

00:45:15,710 --> 00:45:13,140

in a laboratory environment right where

1221

00:45:17,450 --> 00:45:15,720

everyone keeps a child in a pristine

1222

00:45:20,210 --> 00:45:17,460

home he never gets to play with pig pen

1223

00:45:22,550 --> 00:45:20,220

next door okay the kid who's Dirty well

1224

00:45:23,990 --> 00:45:22,560

that kid may need to be titrated some

1225

00:45:26,089 --> 00:45:24,000

vaccines or something like that

1226

00:45:27,710 --> 00:45:26,099

otherwise if he goes out he's probably

1227

00:45:30,050 --> 00:45:27,720

going to die with the allergic because

1228

00:45:31,309 --> 00:45:30,060

his body's never become resilient The

1229

00:45:34,069 --> 00:45:31,319

Other Extreme is you could have a kid

1230

00:45:35,990 --> 00:45:34,079

who grew up in slums all day okay always

1231

00:45:37,550 --> 00:45:36,000

being attacked attacked attacked by his

1232

00:45:39,170 --> 00:45:37,560

immune system may be compromised in a

1233

00:45:40,430 --> 00:45:39,180

different way he probably needs to get

1234

00:45:42,770 --> 00:45:40,440

out of those slums he probably has a lot

1235

00:45:44,990 --> 00:45:42,780

and he needs to chill out but the point

1236

00:45:46,910 --> 00:45:45,000

is it's on a spectrum

1237

00:45:50,450 --> 00:45:46,920

and the the way to really address this

1238

00:45:53,390 --> 00:45:50,460

problem is not by one size fits all

1239

00:45:55,430 --> 00:45:53,400

it should be decentralized if you're my

1240

00:45:57,410 --> 00:45:55,440

doctor you and I decide what I need hey

1241

00:45:59,990 --> 00:45:57,420

shiva's got a pretty resilient immune

1242

00:46:03,890 --> 00:46:00,000

system you know why am I giving 30

1243

00:46:05,870 --> 00:46:03,900

different vaccines to a one day old kid

1244

00:46:08,089 --> 00:46:05,880

why is a one day old kid getting

1245

00:46:10,370 --> 00:46:08,099

hepatitis 1B vaccine the day he's born

1246

00:46:13,130 --> 00:46:10,380

which is what we give IV drug users and

1247

00:46:15,710 --> 00:46:13,140

prostitutes why is that why is there 30

1248

00:46:17,750 --> 00:46:15,720

vaccines in 70 Doses and another 120

1249

00:46:19,550 --> 00:46:17,760

vaccines coming down the pipeline these

1250

00:46:22,670 --> 00:46:19,560

are just questions of science this is

1251
00:46:25,069 --> 00:46:22,680
not vax or anti-vaxx but the morons in

1252
00:46:26,329 --> 00:46:25,079
the media I hope they're listening is

1253
00:46:28,010 --> 00:46:26,339
this is what they do because they're

1254
00:46:30,050 --> 00:46:28,020
really stupid and they always want to

1255
00:46:31,730 --> 00:46:30,060
create a dialectic they can't take a

1256
00:46:33,290 --> 00:46:31,740
systems approach they can't do math they

1257
00:46:35,809 --> 00:46:33,300
can't do engineering they can't do

1258
00:46:37,670 --> 00:46:35,819
physics they're dumb and you have a

1259
00:46:38,930 --> 00:46:37,680
bunch of dumb people promoting other

1260
00:46:42,770 --> 00:46:38,940
dumb people

1261
00:46:45,530 --> 00:46:42,780
and this is why we're in this situation

1262
00:46:48,170 --> 00:46:45,540
we have a lot of dumb people who didn't

1263
00:46:51,370 --> 00:46:48,180

do their homework who didn't stay awake

1264

00:46:54,950 --> 00:46:51,380

and bust their you know Buster

1265

00:46:57,109 --> 00:46:54,960

behind or no one really told them hey

1266

00:46:59,030 --> 00:46:57,119

look do your homework do your math do

1267

00:47:01,609 --> 00:46:59,040

your engineering because if they did

1268

00:47:02,510 --> 00:47:01,619

plumbers do that see all my plumbers

1269

00:47:04,670 --> 00:47:02,520

friends they go this whole thing is

1270

00:47:06,170 --> 00:47:04,680

nonsense electricians get it surgeons

1271

00:47:07,550 --> 00:47:06,180

we've had hundreds of Surgeons call me

1272

00:47:10,430 --> 00:47:07,560

they say Shiva this whole thing is

1273

00:47:11,930 --> 00:47:10,440

[h__h] the people who don't get it are

1274

00:47:13,970 --> 00:47:11,940

the people who never did science math

1275

00:47:15,950 --> 00:47:13,980

physics never had to fix anything

1276

00:47:18,230 --> 00:47:15,960

and that's why we're frankly going to be

1277

00:47:21,829 --> 00:47:18,240

in good condition because at least 50 of

1278

00:47:24,049 --> 00:47:21,839

the world is still people uh who work

1279

00:47:25,670 --> 00:47:24,059

with their hands and build stuff

1280

00:47:27,470 --> 00:47:25,680

yeah it does seem to me that the

1281

00:47:29,210 --> 00:47:27,480

shutdown has come out of ignorance you

1282

00:47:31,370 --> 00:47:29,220

know it this came out of left field for

1283

00:47:34,490 --> 00:47:31,380

most people nobody was talking about

1284

00:47:37,069 --> 00:47:34,500

pandemics suddenly it's here it's like 9

1285

00:47:40,250 --> 00:47:37,079

11 nobody was expecting 911 and people

1286

00:47:42,250 --> 00:47:40,260

panic and overreact and we've panicked

1287

00:47:45,170 --> 00:47:42,260

and overreacted because we weren't

1288

00:47:47,569 --> 00:47:45,180

expecting it planning for it we don't

1289

00:47:49,069 --> 00:47:47,579

know what it is it's scary no one has

1290

00:47:53,329 --> 00:47:49,079

very few people have your level of

1291

00:47:55,130 --> 00:47:53,339

education and so the masses believe that

1292

00:47:57,770 --> 00:47:55,140

staying home is the best plan

1293

00:47:59,390 --> 00:47:57,780

well that's why if you look you know

1294

00:48:01,670 --> 00:47:59,400

I've been doing Health since I was a

1295

00:48:02,870 --> 00:48:01,680

four-year-old kid I was a at the age of

1296

00:48:06,710 --> 00:48:02,880

14.

1297

00:48:09,290 --> 00:48:06,720

I was a full-time research fellow

1298

00:48:11,510 --> 00:48:09,300

okay that makes you unique compared to

1299

00:48:13,910 --> 00:48:11,520

the population I've been interested in

1300

00:48:16,430 --> 00:48:13,920

health and well-being since I was a kid

1301

00:48:18,230 --> 00:48:16,440

this has been a passion of mine

1302

00:48:19,970 --> 00:48:18,240

and I was a pretty smart guy but I also

1303

00:48:22,190 --> 00:48:19,980

played baseball and you know I wasn't

1304

00:48:24,470 --> 00:48:22,200

just a nerd so you're looking at someone

1305

00:48:26,390 --> 00:48:24,480

who the people in the mainstream media

1306

00:48:29,450 --> 00:48:26,400

do not know what to do with because most

1307

00:48:33,470 --> 00:48:29,460

of them are frankly cannot comprehend

1308

00:48:35,450 --> 00:48:33,480

that someone like me who really uh loves

1309

00:48:38,210 --> 00:48:35,460

sports who loves things who could

1310

00:48:40,069 --> 00:48:38,220

program who could mow Lawns exist but

1311

00:48:42,470 --> 00:48:40,079

but by the way that's what this country

1312

00:48:43,849 --> 00:48:42,480

was made of this country is made up of

1313

00:48:45,650 --> 00:48:43,859

extraordinary people who could do many

1314

00:48:47,809 --> 00:48:45,660

things and in fact a lot of the people

1315

00:48:48,890 --> 00:48:47,819

come to our campaign for U.S Senate are

1316

00:48:51,290 --> 00:48:48,900

quite extraordinary they're working

1317

00:48:53,450 --> 00:48:51,300

people we've created a bunch of dumb

1318

00:48:56,329 --> 00:48:53,460

idiots who run the media

1319

00:48:58,609 --> 00:48:56,339

and those people cannot comprehend that

1320

00:49:00,589 --> 00:48:58,619

smart people exist they can't comprehend

1321

00:49:01,849 --> 00:49:00,599

hard-working people exist so I've been

1322

00:49:04,010 --> 00:49:01,859

involved in health and interest and

1323

00:49:05,690 --> 00:49:04,020

health since I was a 14 year old kid I

1324

00:49:07,990 --> 00:49:05,700

wrote my first paper and published it as

1325

00:49:10,430 --> 00:49:08,000

a 18 year old kid

1326

00:49:13,069 --> 00:49:10,440

you agree that people the the the

1327

00:49:17,230 --> 00:49:13,079

population in general should have been

1328

00:49:21,349 --> 00:49:17,240

much better educated about pandemics

1329

00:49:23,870 --> 00:49:21,359

viruses vaccines immunity

1330

00:49:24,910 --> 00:49:23,880

Etc we're a dumb population and

1331

00:49:26,990 --> 00:49:24,920

therefore

1332

00:49:28,309 --> 00:49:27,000

going along with staying at home because

1333

00:49:30,530 --> 00:49:28,319

we don't know any better there should

1334

00:49:33,410 --> 00:49:30,540

have been better education

1335

00:49:36,890 --> 00:49:33,420

definitely but what right now

1336

00:49:38,870 --> 00:49:36,900

what's unfortunate is that not one

1337

00:49:40,549 --> 00:49:38,880

person in the mainstream media that's

1338

00:49:42,170 --> 00:49:40,559

why it's great watching this because our

1339

00:49:43,849 --> 00:49:42,180

stuff is going viral all over the world

1340

00:49:45,770 --> 00:49:43,859

and the mainstream media doesn't know

1341

00:49:49,790 --> 00:49:45,780

what to do with me

1342

00:49:51,349 --> 00:49:49,800

and it's it's really cool to watch

1343

00:49:53,089 --> 00:49:51,359

because we don't need them anymore we're

1344

00:49:54,589 --> 00:49:53,099

going to make them Irrelevant this

1345

00:49:56,450 --> 00:49:54,599

pandemic and the content that I'm

1346

00:49:59,750 --> 00:49:56,460

putting out is going to make the

1347

00:50:03,049 --> 00:49:59,760

mainstream media irrelevant because we

1348

00:50:05,630 --> 00:50:03,059

are teaching something that fauci should

1349

00:50:07,730 --> 00:50:05,640

be doing using that Podium that he has

1350

00:50:09,890 --> 00:50:07,740

he should be talking about the power of

1351
00:50:12,829 --> 00:50:09,900
vitamin C he should be talking about IV

1352
00:50:14,630 --> 00:50:12,839
vitamin c does work

1353
00:50:16,370 --> 00:50:14,640
he should be talking about the power of

1354
00:50:18,589 --> 00:50:16,380
vitamin D he should be talking about the

1355
00:50:21,470 --> 00:50:18,599
power of vitamin A he's not and that's

1356
00:50:23,750 --> 00:50:21,480
why when I put my content out everyone's

1357
00:50:25,549 --> 00:50:23,760
saying wait a minute here's an MIT guy

1358
00:50:27,589 --> 00:50:25,559
who's got all these degrees is published

1359
00:50:29,630 --> 00:50:27,599
is a scientist

1360
00:50:31,430 --> 00:50:29,640
he's talking something that this guy

1361
00:50:32,329 --> 00:50:31,440
isn't block you know what the hell is

1362
00:50:34,730 --> 00:50:32,339
going on

1363
00:50:36,829 --> 00:50:34,740

so I'm showing the contradiction now

1364

00:50:39,049 --> 00:50:36,839

whether Trump gets it or not look I

1365

00:50:40,309 --> 00:50:39,059

voted for him that's up to him I can't

1366

00:50:42,770 --> 00:50:40,319

control him

1367

00:50:44,210 --> 00:50:42,780

but I will keep doing our thing and

1368

00:50:45,950 --> 00:50:44,220

we're building a movement for truth

1369

00:50:47,990 --> 00:50:45,960

freedom and health that's why I'm

1370

00:50:50,270 --> 00:50:48,000

running for U.S Senate and I I just want

1371

00:50:52,790 --> 00:50:50,280

to I have a couple minutes left but the

1372

00:50:55,010 --> 00:50:52,800

reason our campaign for U.S Senate is so

1373

00:50:57,530 --> 00:50:55,020

powerful and the reason it's explosively

1374

00:51:01,549 --> 00:50:57,540

taking off is that because we're

1375

00:51:03,710 --> 00:51:01,559

addressing a huge huge huge vacuum which

1376

00:51:05,030 --> 00:51:03,720

is about the oppression of Freedom

1377

00:51:07,790 --> 00:51:05,040

that's taken place in this country over

1378

00:51:09,589 --> 00:51:07,800

the last 40 years no free speech no

1379

00:51:11,809 --> 00:51:09,599

debate moving away from the scientific

1380

00:51:14,270 --> 00:51:11,819

method to Scientific consensus

1381

00:51:15,950 --> 00:51:14,280

and and the complete denigration of

1382

00:51:19,010 --> 00:51:15,960

science the complete Corruption of

1383

00:51:21,290 --> 00:51:19,020

science which leads to lies which leads

1384

00:51:22,730 --> 00:51:21,300

to fake histories and fake science and

1385

00:51:24,530 --> 00:51:22,740

then because of that you create fake

1386

00:51:27,710 --> 00:51:24,540

problems and fake Solutions

1387

00:51:29,990 --> 00:51:27,720

we have 600 700 000 people die of heart

1388

00:51:31,670 --> 00:51:30,000

disease number one cause of death number

1389

00:51:33,770 --> 00:51:31,680

two is cancer well you know what number

1390

00:51:36,470 --> 00:51:33,780

three is number three cause of heart

1391

00:51:39,290 --> 00:51:36,480

disease okay number three cause of heart

1392

00:51:41,390 --> 00:51:39,300

disease I gotta start this up again is

1393

00:51:45,650 --> 00:51:44,089

number three cause is cancer I mean

1394

00:51:49,790 --> 00:51:45,660

sorry number three cause is medical

1395

00:51:52,250 --> 00:51:49,800

errors medical errors number fourth is

1396

00:51:54,670 --> 00:51:52,260

pharmaceutical drug errors okay

1397

00:51:57,230 --> 00:51:54,680

pharmaceutical drugs prescription drugs

1398

00:51:58,430 --> 00:51:57,240

1.9 million people get hospitalized due

1399

00:52:00,109 --> 00:51:58,440

to prescription drugs in the United

1400

00:52:03,770 --> 00:52:00,119

States I don't see anything being called

1401
00:52:06,049 --> 00:52:03,780
for that 30 obesity in this country 54

1402
00:52:08,569 --> 00:52:06,059
of the kids have autoimmune disorders

1403
00:52:09,890 --> 00:52:08,579
so do you understand how vile this is

1404
00:52:12,650 --> 00:52:09,900
what's going on

1405
00:52:14,030 --> 00:52:12,660
we haven't why don't we shut down the

1406
00:52:15,530 --> 00:52:14,040
entire economy for the fact that people

1407
00:52:16,670 --> 00:52:15,540
are getting heart disease so maybe we

1408
00:52:18,530 --> 00:52:16,680
should

1409
00:52:20,270 --> 00:52:18,540
why aren't we talking about the fact of

1410
00:52:22,670 --> 00:52:20,280
the enormous amount of obesity that's

1411
00:52:26,150 --> 00:52:22,680
taking place

1412
00:52:27,349 --> 00:52:26,160
opioid addiction opioid addiction why

1413
00:52:30,049 --> 00:52:27,359

aren't we talking about that and the

1414

00:52:32,990 --> 00:52:30,059

reason we're not is because these filthy

1415

00:52:33,829 --> 00:52:33,000

lawyer lobbyist politicians filthy

1416

00:52:36,349 --> 00:52:33,839

people

1417

00:52:37,549 --> 00:52:36,359

sixty percent of them in Congress in the

1418

00:52:39,230 --> 00:52:37,559

Senate

1419

00:52:41,270 --> 00:52:39,240

they have destroyed the infrastructure

1420

00:52:43,309 --> 00:52:41,280

in this country and infrastructure is

1421

00:52:45,770 --> 00:52:43,319

how we solve infectious diseases right

1422

00:52:49,010 --> 00:52:45,780

in the 19 if go look at 1900 I'll keep

1423

00:52:50,569 --> 00:52:49,020

repeating this 1900s 14 out of 40 out of

1424

00:52:53,870 --> 00:52:50,579

100 000 people had infectious diseases

1425

00:52:55,490 --> 00:52:53,880

before long before the polio virus long

1426

00:52:59,150 --> 00:52:55,500

before measles

1427

00:53:01,930 --> 00:52:59,160

it got we reduced 90 to 98 of infectious

1428

00:53:04,430 --> 00:53:01,940

diseases how Vitamin A nutrition

1429

00:53:07,309 --> 00:53:04,440

eliminating child labor

1430

00:53:09,349 --> 00:53:07,319

sanitation refrigeration and how did

1431

00:53:10,870 --> 00:53:09,359

that come because people like you and me

1432

00:53:12,890 --> 00:53:10,880

and others listening here we fought

1433

00:53:14,569 --> 00:53:12,900

militantly on the streets in the late

1434

00:53:17,030 --> 00:53:14,579

1800s

1435

00:53:19,730 --> 00:53:17,040

working class movements bottoms up

1436

00:53:21,770 --> 00:53:19,740

bottoms up bottoms up not some booby

1437

00:53:23,690 --> 00:53:21,780

Kennedy coming down okay not some

1438

00:53:25,490 --> 00:53:23,700

Kennedy's you know talking fighting

1439

00:53:27,470 --> 00:53:25,500

against Gates acting as other Fighters

1440

00:53:30,170 --> 00:53:27,480

and then meanwhile supporting Hillary

1441

00:53:32,270 --> 00:53:30,180

Clinton it was a Bottoms Up movement and

1442

00:53:34,130 --> 00:53:32,280

that Bottoms Up movement is what gave us

1443

00:53:35,690 --> 00:53:34,140

infrastructure today in the United

1444

00:53:36,829 --> 00:53:35,700

States we have a d plus an

1445

00:53:39,530 --> 00:53:36,839

infrastructure

1446

00:53:41,089 --> 00:53:39,540

we have the highest infant mortality

1447

00:53:42,650 --> 00:53:41,099

rates in the western world and the

1448

00:53:43,730 --> 00:53:42,660

lowest longevity rates give me a

1449

00:53:45,710 --> 00:53:43,740

freaking break

1450

00:53:47,630 --> 00:53:45,720

average lifespan going down over the

1451
00:53:49,910 --> 00:53:47,640
past five years what's that I can't take

1452
00:53:51,290 --> 00:53:49,920
this seriously yeah I have to ask you

1453
00:53:53,210 --> 00:53:51,300
one last question before I let you go on

1454
00:53:55,490 --> 00:53:53,220
that is bottom line if you're in charge

1455
00:53:56,349 --> 00:53:55,500
what would you be doing right now as far

1456
00:53:59,150 --> 00:53:56,359
as

1457
00:54:00,589 --> 00:53:59,160
eliminating the shutdown people can go

1458
00:54:02,150 --> 00:54:00,599
back to restaurants they can go to

1459
00:54:03,829 --> 00:54:02,160
concerts they can go to sporting events

1460
00:54:05,569 --> 00:54:03,839
did you read the letter that I wrote to

1461
00:54:07,450 --> 00:54:05,579
the president yes I did it said that if

1462
00:54:10,069 --> 00:54:07,460
you have it you have to self quarantine

1463
00:54:13,010 --> 00:54:10,079

and then I know you highly recommended

1464

00:54:13,910 --> 00:54:13,020

vitamins go ahead four-part plan go

1465

00:54:17,930 --> 00:54:13,920

ahead

1466

00:54:20,270 --> 00:54:17,940

and that plan Jim was based on the

1467

00:54:22,790 --> 00:54:20,280

modern science of systems biology which

1468

00:54:24,589 --> 00:54:22,800

said personalized Precision medicine one

1469

00:54:27,109 --> 00:54:24,599

size doesn't fit all so these are the

1470

00:54:29,450 --> 00:54:27,119

latest findings and that said number one

1471

00:54:32,990 --> 00:54:29,460

let's take all of those people who have

1472

00:54:35,750 --> 00:54:33,000

COPD 19 okay that's one group and give

1473

00:54:37,910 --> 00:54:35,760

them high dosage DNA why because D is an

1474

00:54:39,530 --> 00:54:37,920

antimicrobial a will protect their cell

1475

00:54:42,109 --> 00:54:39,540

walls boom

1476
00:54:44,750 --> 00:54:42,119
second people are the immunocompromise

1477
00:54:47,270 --> 00:54:44,760
high dosage vitamin D and also vitamin

1478
00:54:48,650 --> 00:54:47,280
C the critically ill were about to be

1479
00:54:50,510 --> 00:54:48,660
sent to their debt Sense on these

1480
00:54:52,670 --> 00:54:50,520
ventilators because their bodies are

1481
00:54:55,250 --> 00:54:52,680
filling up with fluid which is from the

1482
00:54:58,970 --> 00:54:55,260
cytokine storm for God's sake

1483
00:55:00,410 --> 00:54:58,980
put them on IV vitamin C right away so

1484
00:55:02,569 --> 00:55:00,420
at least you can stop that cytokine

1485
00:55:04,910 --> 00:55:02,579
storm stop the inflammation in the in

1486
00:55:07,190 --> 00:55:04,920
their body number that's number three

1487
00:55:09,289 --> 00:55:07,200
number four for the broad mass of us

1488
00:55:11,510 --> 00:55:09,299

let's get back to work take the vitamin

1489

00:55:13,609 --> 00:55:11,520

D take the vitamin A juice up your

1490

00:55:15,410 --> 00:55:13,619

immune system you may get some simples

1491

00:55:18,109 --> 00:55:15,420

your body will build some immune system

1492

00:55:20,030 --> 00:55:18,119

and we go and any social distancing in

1493

00:55:22,309 --> 00:55:20,040

your opinion for that group

1494

00:55:24,770 --> 00:55:22,319

no why do you need social distancing so

1495

00:55:26,390 --> 00:55:24,780

concerts are okay we can go back to uh

1496

00:55:30,049 --> 00:55:26,400

the ball games

1497

00:55:32,329 --> 00:55:30,059

if you have a strong immune system okay

1498

00:55:34,549 --> 00:55:32,339

which is what we came out of we as human

1499

00:55:38,150 --> 00:55:34,559

beings came out of have you been to

1500

00:55:39,650 --> 00:55:38,160

Africa yes became dirt and and we

1501
00:55:41,990 --> 00:55:39,660
primates you know we grew up with all

1502
00:55:45,289 --> 00:55:42,000
sorts of junk okay

1503
00:55:46,309 --> 00:55:45,299
so the goal is it's boosting the immune

1504
00:55:48,650 --> 00:55:46,319
system

1505
00:55:51,049 --> 00:55:48,660
why aren't we talking about that and let

1506
00:55:53,030 --> 00:55:51,059
me tell you why because when you go down

1507
00:55:55,670 --> 00:55:53,040
that truth hole not the other Rabbit

1508
00:55:59,030 --> 00:55:55,680
Hole you come to a truth which is food

1509
00:56:02,390 --> 00:55:59,040
is medicine vitamins are medicine the

1510
00:56:04,609 --> 00:56:02,400
other hole takes you down vaccines

1511
00:56:06,650 --> 00:56:04,619
it's very simple they don't want to talk

1512
00:56:08,390 --> 00:56:06,660
about this oh my God I can hang out with

1513
00:56:09,410 --> 00:56:08,400

my friends and my immune system could be

1514

00:56:11,089 --> 00:56:09,420

strong

1515

00:56:12,589 --> 00:56:11,099

I don't know if you have a loved one or

1516

00:56:13,849 --> 00:56:12,599

if you have a wife or a girlfriend but

1517

00:56:16,970 --> 00:56:13,859

how many times have you gotten a cold

1518

00:56:19,370 --> 00:56:16,980

and your girlfriend doesn't get it

1519

00:56:22,309 --> 00:56:19,380

how many times does that happen

1520

00:56:24,829 --> 00:56:22,319

often right often

1521

00:56:25,849 --> 00:56:24,839

happens all the time right to people

1522

00:56:29,270 --> 00:56:25,859

yeah

1523

00:56:31,190 --> 00:56:29,280

and the reason that happens is because

1524

00:56:33,109 --> 00:56:31,200

um we are differential everyone's

1525

00:56:34,670 --> 00:56:33,119

different some people and by the way

1526

00:56:37,250 --> 00:56:34,680

it's not only antibodies it's your

1527

00:56:39,589 --> 00:56:37,260

microbiome it's your gut there's the

1528

00:56:41,569 --> 00:56:39,599

immune system is a is a complex system

1529

00:56:44,510 --> 00:56:41,579

it's not just any one thing it's

1530

00:56:45,770 --> 00:56:44,520

multiple things are those very high

1531

00:56:46,789 --> 00:56:45,780

doses of vitamins that you're

1532

00:56:49,190 --> 00:56:46,799

recommending

1533

00:56:51,289 --> 00:56:49,200

those dosages of pediatric doses look it

1534

00:56:54,470 --> 00:56:51,299

up it's in the literature for two days

1535

00:56:56,990 --> 00:56:54,480

those are pediatric doses they they uh

1536

00:56:59,210 --> 00:56:57,000

the dosage of vitamin A and D they've

1537

00:57:00,349 --> 00:56:59,220

given in pediatric doses short period of

1538

00:57:02,569 --> 00:57:00,359

time you don't give them a long period

1539

00:57:04,430 --> 00:57:02,579

of time short period of time

1540

00:57:06,170 --> 00:57:04,440

because what it does it creates a

1541

00:57:07,849 --> 00:57:06,180

massive immune response to support your

1542

00:57:09,410 --> 00:57:07,859

body

1543

00:57:10,849 --> 00:57:09,420

so you're not suggesting that we stay on

1544

00:57:12,829 --> 00:57:10,859

this you're saying

1545

00:57:14,809 --> 00:57:12,839

no no after that you people should

1546

00:57:16,849 --> 00:57:14,819

typically go on you know a preventative

1547

00:57:19,010 --> 00:57:16,859

dose which I have in there which is you

1548

00:57:20,089 --> 00:57:19,020

know now in the ideal case you don't

1549

00:57:22,130 --> 00:57:20,099

really need this if you're getting

1550

00:57:23,630 --> 00:57:22,140

enough Sun if you're eating your green

1551
00:57:25,190 --> 00:57:23,640
leafy vegetables which is where I like

1552
00:57:27,049 --> 00:57:25,200
to get it and I Supple these are known

1553
00:57:28,970 --> 00:57:27,059
as supplements

1554
00:57:30,530 --> 00:57:28,980
well we can't get any sun in Los Angeles

1555
00:57:31,970 --> 00:57:30,540
because the mountains are closed the

1556
00:57:33,829 --> 00:57:31,980
beaches are closed and the Pacific Ocean

1557
00:57:35,630 --> 00:57:33,839
is closed

1558
00:57:38,150 --> 00:57:35,640
yeah but you know it's yeah you know

1559
00:57:39,109 --> 00:57:38,160
it's interesting at least uh you know

1560
00:57:41,390 --> 00:57:39,119
it's interesting they notice the

1561
00:57:42,730 --> 00:57:41,400
homeless people I don't have anywhere

1562
00:57:44,690 --> 00:57:42,740
near the amount of quote unquote

1563
00:57:46,670 --> 00:57:44,700

coronavirus cases because you know

1564

00:57:48,710 --> 00:57:46,680

especially people out in California

1565

00:57:49,849 --> 00:57:48,720

because they're out you know during nine

1566

00:57:51,410 --> 00:57:49,859

months eight months of the year at least

1567

00:57:54,650 --> 00:57:51,420

getting lots and lots of sun even here

1568

00:57:57,410 --> 00:57:54,660

right so the sun is quite powerful the

1569

00:57:59,809 --> 00:57:57,420

UVB radiation produces vitamin D and the

1570

00:58:02,690 --> 00:57:59,819

vitamin D produces these antimicrobials

1571

00:58:04,250 --> 00:58:02,700

called Catholic sedans well I hope mayor

1572

00:58:06,170 --> 00:58:04,260

Garcetti hears this we'll do everything

1573

00:58:07,789 --> 00:58:06,180

we can to make sure that he does

1574

00:58:10,010 --> 00:58:07,799

well the issue is it doesn't matter what

1575

00:58:11,569 --> 00:58:10,020

these guys do what needs to happen is

1576

00:58:13,069 --> 00:58:11,579

people we the people need to get

1577

00:58:15,410 --> 00:58:13,079

educated we need to get away from this

1578

00:58:18,410 --> 00:58:15,420

model of top-down

1579

00:58:20,329 --> 00:58:18,420

um caring of our people we we the people

1580

00:58:22,309 --> 00:58:20,339

need to take care of our health we need

1581

00:58:24,049 --> 00:58:22,319

to take Health into our own hands and we

1582

00:58:25,609 --> 00:58:24,059

need to take it away from the top it

1583

00:58:27,170 --> 00:58:25,619

needs to be decentralized to the edges

1584

00:58:28,309 --> 00:58:27,180

well and I assume you support these

1585

00:58:29,870 --> 00:58:28,319

protests where people are starting to

1586

00:58:32,030 --> 00:58:29,880

take to the streets to March against

1587

00:58:34,370 --> 00:58:32,040

these government ordered shutdowns

1588

00:58:35,870 --> 00:58:34,380

I support the First Amendment people

1589

00:58:37,789 --> 00:58:35,880

have a right to assemble that's the

1590

00:58:40,730 --> 00:58:37,799

American way we're not in China we're

1591

00:58:42,530 --> 00:58:40,740

not in Russia we're we're what made this

1592

00:58:44,630 --> 00:58:42,540

country great why my parents came here

1593

00:58:46,670 --> 00:58:44,640

was because the enormous Freedom this

1594

00:58:47,990 --> 00:58:46,680

company this country afforded and that's

1595

00:58:49,609 --> 00:58:48,000

what makes this country great that's

1596

00:58:51,289 --> 00:58:49,619

where Innovation came from

1597

00:58:52,549 --> 00:58:51,299

and if you don't have that you might as

1598

00:58:54,530 --> 00:58:52,559

well just you know you might as well

1599

00:58:56,510 --> 00:58:54,540

just what does a long life mean if you

1600

00:58:58,250 --> 00:58:56,520

don't have freedom it doesn't mean a lot

1601
00:58:59,510 --> 00:58:58,260
you're a slave Give Me Freedom or give

1602
00:59:01,849 --> 00:58:59,520
me death

1603
00:59:03,650 --> 00:59:01,859
yeah it's pretty much says it all thank

1604
00:59:05,569 --> 00:59:03,660
you again to Dr Shiva if you want more

1605
00:59:07,910 --> 00:59:05,579
information about Dr Shiva you should

1606
00:59:10,730 --> 00:59:07,920
check out his website it's the website

1607
00:59:14,089 --> 00:59:10,740
that he's using to raise money for his

1608
00:59:15,890 --> 00:59:14,099
campaign for U.S Senate in Massachusetts

1609
00:59:17,150 --> 00:59:15,900
thank you all for listening thank you to

1610
00:59:19,010 --> 00:59:17,160
our producer Michael Parker we'll be

1611
00:59:20,830 --> 00:59:19,020
