

HIDDEN TRUTH SHOW WITH JIM BRESLO

PROF. JOHN M. ELLIS

1
00:00:06,470 --> 00:00:04,789

[Music]

2
00:00:09,910 --> 00:00:06,480
so when did you kind of start

3
00:00:12,789 --> 00:00:09,920
taking on this concern about

4
00:00:14,390 --> 00:00:12,799
the breakdown of higher education well i

5
00:00:17,109 --> 00:00:14,400
think my first

6
00:00:19,269 --> 00:00:17,119
uh triad it was a book i wrote that was

7
00:00:22,470 --> 00:00:19,279
called against deconstruction

8
00:00:23,830 --> 00:00:22,480
a deconstruction was what seemed to me

9
00:00:27,589 --> 00:00:23,840
at the time a

10
00:00:30,710 --> 00:00:27,599
an intellectually very flawed movement

11
00:00:32,950 --> 00:00:30,720
uh in the humanities and social sciences

12
00:00:35,030 --> 00:00:32,960
so i wrote a book basically proving that

13
00:00:36,229 --> 00:00:35,040

it was complete nonsense from start to

14

00:00:39,590 --> 00:00:36,239

finish

15

00:00:41,510 --> 00:00:39,600

uh and um and what is that sorry what is

16

00:00:45,110 --> 00:00:41,520

the concept of deconstruction

17

00:00:48,389 --> 00:00:45,120

well deconstruction is basically

18

00:00:51,029 --> 00:00:48,399

it's a bully it's such a woolly movement

19

00:00:52,470 --> 00:00:51,039

it's difficult to actually you know make

20

00:00:54,950 --> 00:00:52,480

it coherent

21

00:00:56,630 --> 00:00:54,960

that was one of its problems but i mean

22

00:00:58,310 --> 00:00:56,640

essentially ideas like there's no such

23

00:01:01,430 --> 00:00:58,320

thing as truth

24

00:01:04,070 --> 00:01:01,440

uh that everything once you once you

25

00:01:07,030 --> 00:01:04,080

analyze it it falls to pieces

26

00:01:08,789 --> 00:01:07,040

uh and so there's no distinction between

27

00:01:12,070 --> 00:01:08,799

truth and falsehood

28

00:01:12,630 --> 00:01:12,080

and so on um and the same is true of

29

00:01:14,710 --> 00:01:12,640

meaning

30

00:01:16,070 --> 00:01:14,720

uh would seem to mean things but

31

00:01:17,510 --> 00:01:16,080

actually they mean something different

32

00:01:18,310 --> 00:01:17,520

if you look at them hard enough and so

33

00:01:21,910 --> 00:01:18,320

on

34

00:01:26,230 --> 00:01:21,920

it was the first stage of the pulling

35

00:01:29,429 --> 00:01:26,240

the academic world down into a morass of

36

00:01:33,030 --> 00:01:29,439

just opinion and uh

37

00:01:33,670 --> 00:01:33,040

and emotionalism and away from a logical

38

00:01:37,270 --> 00:01:33,680

thinking and

39

00:01:39,270 --> 00:01:37,280

intelligence and

40

00:01:40,550 --> 00:01:39,280

by the way you should uh if you can look

41

00:01:43,749 --> 00:01:40,560

up into the um

42

00:01:44,550 --> 00:01:43,759

camera yeah there we go so how do you

43

00:01:46,550 --> 00:01:44,560

relate

44

00:01:48,310 --> 00:01:46,560

that deconstruction movement into what

45

00:01:51,190 --> 00:01:48,320

we're seeing today

46

00:01:55,030 --> 00:01:51,200

well i think we've moved on from that i

47

00:01:57,749 --> 00:01:55,040

mean i think what that did was demolish

48

00:01:59,830 --> 00:01:57,759

what we had in in the academic world

49

00:02:01,510 --> 00:01:59,840

which is a coherent intellectual

50

00:02:05,429 --> 00:02:01,520

tradition

51
00:02:07,910 --> 00:02:05,439
and on the ruins of that i mean which

52
00:02:10,150 --> 00:02:07,920
you know this deconstruction was like a

53
00:02:12,550 --> 00:02:10,160
demolition of the old

54
00:02:13,830 --> 00:02:12,560
on the on the ruins of that was built

55
00:02:16,949 --> 00:02:13,840
radical

56
00:02:20,309 --> 00:02:16,959
political leftism as a movement that now

57
00:02:25,910 --> 00:02:24,070
and um today you talk about

58
00:02:27,190 --> 00:02:25,920
you know i i read the beginnings of the

59
00:02:28,390 --> 00:02:27,200
books and and

60
00:02:30,869 --> 00:02:28,400
you know what we've been seeing as far

61
00:02:33,350 --> 00:02:30,879
as the violence on campuses

62
00:02:34,390 --> 00:02:33,360
and uh anytime a conservative speaker

63
00:02:36,710 --> 00:02:34,400

comes to speak

64

00:02:38,150 --> 00:02:36,720

and now we're seeing that violence on

65

00:02:39,830 --> 00:02:38,160

the streets of our cities

66

00:02:42,070 --> 00:02:39,840

yeah you see a correlation between those

67

00:02:43,589 --> 00:02:42,080

two oh absolutely yeah

68

00:02:45,910 --> 00:02:43,599

i wrote a piece for the wall street

69

00:02:49,110 --> 00:02:45,920

journal about a month ago on this

70

00:02:51,910 --> 00:02:49,120

and there's no doubt in my mind that uh

71

00:02:53,670 --> 00:02:51,920

there's been a very long campaign by the

72

00:02:55,509 --> 00:02:53,680

radical left to take over

73

00:02:56,949 --> 00:02:55,519

the college campuses and they've now

74

00:02:59,910 --> 00:02:56,959

succeeded

75

00:03:01,509 --> 00:02:59,920

and now the next stage is to export

76

00:03:04,949 --> 00:03:01,519

those ideas

77

00:03:07,750 --> 00:03:04,959

into the wider world so so on campus

78

00:03:09,670 --> 00:03:07,760

you have kids learning that there's only

79

00:03:12,710 --> 00:03:09,680

one way to think

80

00:03:13,110 --> 00:03:12,720

and that's the radical left way and then

81

00:03:15,430 --> 00:03:13,120

then

82

00:03:17,270 --> 00:03:15,440

they go home they they leave the campus

83

00:03:19,509 --> 00:03:17,280

go to the outside world

84

00:03:22,070 --> 00:03:19,519

and in that outside world they take with

85

00:03:24,309 --> 00:03:22,080

them that attitude

86

00:03:25,190 --> 00:03:24,319

that that anyone who doesn't think their

87

00:03:28,710 --> 00:03:25,200

way

88

00:03:31,350 --> 00:03:28,720

is an evil that they mustn't tolerate

89

00:03:32,390 --> 00:03:31,360

so you so the sort of one-party

90

00:03:36,149 --> 00:03:32,400

atmosphere

91

00:03:38,229 --> 00:03:36,159

on campus is being exported now to

92

00:03:39,990 --> 00:03:38,239

the wider campus the weather culture

93

00:03:42,229 --> 00:03:40,000

outside the campus

94

00:03:43,670 --> 00:03:42,239

and that's what we now call the cancel

95

00:03:45,509 --> 00:03:43,680

culture

96

00:03:49,030 --> 00:03:45,519

everything that isn't as the radical

97

00:03:52,309 --> 00:03:49,040

left wants it is cancelled

98

00:03:55,110 --> 00:03:52,319

so you wrote about this a bit as far as

99

00:03:56,070 --> 00:03:55,120

whether this is organized or not i know

100

00:03:57,910 --> 00:03:56,080

in in the book

101
00:03:59,990 --> 00:03:57,920
you say that you believe it's a lot of

102
00:04:03,670 --> 00:04:00,000
just coming directly from

103
00:04:07,190 --> 00:04:03,680
the radical views of the professors

104
00:04:08,710 --> 00:04:07,200
at these universities yeah but

105
00:04:11,030 --> 00:04:08,720
don't you think there's also some

106
00:04:14,149 --> 00:04:11,040
outside organization

107
00:04:17,509 --> 00:04:14,159
going on here well

108
00:04:19,349 --> 00:04:17,519
um i guess there's always got to be an

109
00:04:20,710 --> 00:04:19,359
interchange between the canvas and the

110
00:04:23,990 --> 00:04:20,720
outside world but

111
00:04:26,830 --> 00:04:24,000
but mainly uh but

112
00:04:28,070 --> 00:04:26,840
half a century ago the radical left

113
00:04:29,990 --> 00:04:28,080

decided

114

00:04:31,749 --> 00:04:30,000

that it could never succeed at the

115

00:04:34,710 --> 00:04:31,759

ballot box

116

00:04:36,710 --> 00:04:34,720

which was true he couldn't uh and it

117

00:04:38,950 --> 00:04:36,720

decided the way forward was

118

00:04:40,390 --> 00:04:38,960

to take over the universities to seize

119

00:04:44,230 --> 00:04:40,400

control of the universities

120

00:04:46,390 --> 00:04:44,240

they actually said this in a report 1962

121

00:04:47,909 --> 00:04:46,400

and it's taken them you know half

122

00:04:50,790 --> 00:04:47,919

century to do it

123

00:04:51,749 --> 00:04:50,800

but now they finally got there i mean

124

00:04:55,430 --> 00:04:51,759

now

125

00:04:59,909 --> 00:04:55,440

uh if you go back to 1968

126

00:05:03,029 --> 00:04:59,919

there were in 68 a study by carnegie

127

00:05:05,670 --> 00:05:03,039

found that there were three left of

128

00:05:08,230 --> 00:05:05,680

center professors for every two

129

00:05:09,830 --> 00:05:08,240

right of center now that that still

130

00:05:11,830 --> 00:05:09,840

gives you a pretty good debate i mean

131

00:05:13,749 --> 00:05:11,840

three to two is

132

00:05:15,670 --> 00:05:13,759

you know no one's no one feels

133

00:05:19,430 --> 00:05:15,680

overwhelmed by that

134

00:05:22,230 --> 00:05:19,440

uh now thirty years later

135

00:05:24,870 --> 00:05:22,240

the figure was five to one five left to

136

00:05:28,150 --> 00:05:24,880

one right of center

137

00:05:31,270 --> 00:05:28,160

by about 2006

138

00:05:33,029 --> 00:05:31,280

six years later the figure was eight to

139

00:05:36,870 --> 00:05:33,039

one

140

00:05:40,790 --> 00:05:36,880

can see

141

00:05:41,110 --> 00:05:40,800

very steady very there's no way around

142

00:05:44,629 --> 00:05:41,120

it

143

00:05:46,310 --> 00:05:44,639

this was planned this is deliberate this

144

00:05:48,950 --> 00:05:46,320

is a campaign

145

00:05:49,909 --> 00:05:48,960

now but it's worse than 13 to 1 because

146

00:05:54,310 --> 00:05:49,919

if you look at the

147

00:05:57,990 --> 00:05:54,320

um the details of the latest studies

148

00:06:00,710 --> 00:05:58,000

uh they look into the distribution

149

00:06:01,909 --> 00:06:00,720

by age group of professors so for

150

00:06:04,230 --> 00:06:01,919

example

151
00:06:04,950 --> 00:06:04,240
an assistant professor is a young guy

152
00:06:07,029 --> 00:06:04,960
who's only

153
00:06:08,230 --> 00:06:07,039
recently been hired in the last five

154
00:06:12,629 --> 00:06:08,240
years because after

155
00:06:16,790 --> 00:06:14,870
now and then associate professors

156
00:06:18,309 --> 00:06:16,800
another six years beyond that so if you

157
00:06:19,749 --> 00:06:18,319
look at assistant professors and

158
00:06:21,909 --> 00:06:19,759
associate professors

159
00:06:24,390 --> 00:06:21,919
you've got the the most recent hired the

160
00:06:28,070 --> 00:06:24,400
last 10 years of hiring

161
00:06:31,270 --> 00:06:28,080
and the figure there is 48 to 1.

162
00:06:35,029 --> 00:06:31,280
now 48 to 1 there's no two ways about it

163
00:06:37,830 --> 00:06:35,039

this is deliberate shutting out

164

00:06:41,189 --> 00:06:37,840
of any political opinion that the

165

00:06:44,230 --> 00:06:41,199
radicals don't want

166

00:06:46,830 --> 00:06:44,240
so clearly that is going to result in

167

00:06:48,710 --> 00:06:46,840
indoctrination going on at these

168

00:06:50,150 --> 00:06:48,720
absolutely but as far as as far as

169

00:06:51,909 --> 00:06:50,160
organization

170

00:06:53,909 --> 00:06:51,919
you know where these students get

171

00:06:56,790 --> 00:06:53,919
together and protest

172

00:06:57,830 --> 00:06:56,800
a conservative speaking on campus yeah

173

00:07:01,189 --> 00:06:57,840
probably

174

00:07:02,150 --> 00:07:01,199
student groups that they're joining um

175

00:07:03,350 --> 00:07:02,160
you know one in particular

176

00:07:05,270 --> 00:07:03,360

just recently reading about is the

177

00:07:08,710 --> 00:07:05,280

national lawyers guild

178

00:07:11,749 --> 00:07:08,720

and how it represents antifa and it has

179

00:07:14,309 --> 00:07:11,759

uh on it's on 100 different campuses

180

00:07:16,230 --> 00:07:14,319

yeah as an organization so you've got

181

00:07:18,230 --> 00:07:16,240

all kinds of these organizations

182

00:07:20,230 --> 00:07:18,240

on these campuses that these students

183

00:07:22,070 --> 00:07:20,240

are joining right

184

00:07:25,029 --> 00:07:22,080

that's right but they're all programmed

185

00:07:26,629 --> 00:07:25,039

by radical left professors ultimately

186

00:07:30,070 --> 00:07:26,639

you know i know the kids

187

00:07:31,909 --> 00:07:30,080

the kids that go to campus they live in

188

00:07:35,670 --> 00:07:31,919

an atmosphere where there's only

189

00:07:36,950 --> 00:07:35,680

one opinion and not that's not the worst

190

00:07:40,230 --> 00:07:36,960

of it though the worst

191

00:07:41,350 --> 00:07:40,240

is that any other opinion except that

192

00:07:44,869 --> 00:07:41,360

one

193

00:07:46,390 --> 00:07:44,879

is evil that's the a very crucial thing

194

00:07:50,230 --> 00:07:46,400

to understand

195

00:07:53,749 --> 00:07:50,240

that it's not just wrong or logically

196

00:07:56,550 --> 00:07:53,759

you're fallacious it is evil

197

00:07:58,309 --> 00:07:56,560

it is these are bad people if they hold

198

00:08:00,869 --> 00:07:58,319

different views

199

00:08:01,990 --> 00:08:00,879

and so basically the professors don't

200

00:08:04,390 --> 00:08:02,000

need to have

201
00:08:05,909 --> 00:08:04,400
organizations for the kids pick up the

202
00:08:08,710 --> 00:08:05,919
notion that

203
00:08:10,790 --> 00:08:08,720
they've got to do right by the world and

204
00:08:12,790 --> 00:08:10,800
stamp out evil so they shout down

205
00:08:15,589 --> 00:08:12,800
visiting speakers who don't

206
00:08:16,390 --> 00:08:15,599
obey the party line and all this works

207
00:08:20,390 --> 00:08:16,400
certainly through

208
00:08:21,430 --> 00:08:20,400
organizations like that lawyers guild

209
00:08:23,990 --> 00:08:21,440
and but there are many other

210
00:08:26,230 --> 00:08:24,000
organizations like the i mean

211
00:08:27,270 --> 00:08:26,240
teacher high school teachers elementary

212
00:08:30,469 --> 00:08:27,280
school teachers

213
00:08:33,430 --> 00:08:30,479

get trained on college campuses now they

214

00:08:34,230 --> 00:08:33,440

again the orthodoxy there certainly

215

00:08:38,310 --> 00:08:34,240

operates

216

00:08:41,430 --> 00:08:38,320

through the uh the teachers unions

217

00:08:43,829 --> 00:08:41,440

but ultimately it's it's the

218

00:08:46,710 --> 00:08:43,839

brainwashing that goes on on campuses

219

00:08:48,310 --> 00:08:46,720

that sets this thing in motion

220

00:08:50,150 --> 00:08:48,320

i mean what we're seeing on the streets

221

00:08:51,509 --> 00:08:50,160

of portland and seattle and so on i mean

222

00:08:55,350 --> 00:08:51,519

these are

223

00:08:57,509 --> 00:08:55,360

anarchists radicals revolutionaries

224

00:08:58,470 --> 00:08:57,519

marxists whatever you want to call them

225

00:09:01,110 --> 00:08:58,480

yeah and

226

00:09:01,990 --> 00:09:01,120

also this does not appear to be a

227

00:09:04,470 --> 00:09:02,000

movement

228

00:09:06,470 --> 00:09:04,480

that is limited to the us this appears

229

00:09:08,870 --> 00:09:06,480

to be an international movement

230

00:09:09,509 --> 00:09:08,880

that's right that's right and when so

231

00:09:12,230 --> 00:09:09,519

when we talk about

232

00:09:15,030 --> 00:09:12,240

international coordination where do we

233

00:09:19,030 --> 00:09:17,190

you mean where's the source of it all

234

00:09:21,910 --> 00:09:19,040

yes i i mean i know it's

235

00:09:23,750 --> 00:09:21,920

it's not all necessarily centrally

236

00:09:25,430 --> 00:09:23,760

organized and controlled

237

00:09:27,670 --> 00:09:25,440

but there are international

238

00:09:29,190 --> 00:09:27,680

organizations that are supporting these

239

00:09:32,310 --> 00:09:29,200

things and giving

240

00:09:35,030 --> 00:09:32,320

money to these uh local oh

241

00:09:36,070 --> 00:09:35,040

absolutely no i mean you do have uh you

242

00:09:38,310 --> 00:09:36,080

know

243

00:09:39,190 --> 00:09:38,320

very well healed people who are very

244

00:09:41,829 --> 00:09:39,200

supportive and they

245

00:09:42,550 --> 00:09:41,839

get contribute money but the most

246

00:09:46,389 --> 00:09:42,560

powerful

247

00:09:49,350 --> 00:09:46,399

culture on earth is american culture

248

00:09:50,630 --> 00:09:49,360

what happens here pretty soon shows up

249

00:09:53,670 --> 00:09:50,640

in england

250

00:09:56,389 --> 00:09:53,680

canada australia anywhere where the

251
00:09:59,509 --> 00:09:56,399
english language is spoken

252
00:10:02,949 --> 00:09:59,519
uh is likely to be

253
00:10:06,470 --> 00:10:02,959
a a a culture that

254
00:10:07,670 --> 00:10:06,480
uh sooner or later will will mimic

255
00:10:09,670 --> 00:10:07,680
what's going on here

256
00:10:11,509 --> 00:10:09,680
well i think the george floyd protests

257
00:10:14,870 --> 00:10:11,519
are the best example of that

258
00:10:19,110 --> 00:10:14,880
it was it was you know here is a

259
00:10:22,230 --> 00:10:19,120
singular incident in a uh

260
00:10:24,790 --> 00:10:22,240
mid-sized u.s city in minnesota

261
00:10:26,949 --> 00:10:24,800
involving one individual yeah and

262
00:10:29,430 --> 00:10:26,959
they're protesting it around the world

263
00:10:30,069 --> 00:10:29,440

yeah and and they're claiming that it is

264

00:10:32,949 --> 00:10:30,079

a huge

265

00:10:34,550 --> 00:10:32,959

wide pattern and that's just the tip of

266

00:10:37,910 --> 00:10:34,560

the iceberg and so on

267

00:10:40,150 --> 00:10:37,920

uh as you say it's one one guy and

268

00:10:41,269 --> 00:10:40,160

the the question that someone needs to

269

00:10:44,829 --> 00:10:41,279

ask them is

270

00:10:46,310 --> 00:10:44,839

if it's part of a wider much wider

271

00:10:49,110 --> 00:10:46,320

pattern

272

00:10:50,870 --> 00:10:49,120

why weren't you in the streets before

273

00:10:53,430 --> 00:10:50,880

george floyd's death

274

00:10:55,110 --> 00:10:53,440

i mean if if it's a big wide pattern if

275

00:10:57,670 --> 00:10:55,120

it's everywhere

276

00:10:58,630 --> 00:10:57,680

why won't you protest to get long before

277

00:11:01,350 --> 00:10:58,640

george floyd

278

00:11:02,790 --> 00:11:01,360

died and the answer to that of course is

279

00:11:05,990 --> 00:11:02,800

that

280

00:11:09,269 --> 00:11:06,000

they had to find a case and it took them

281

00:11:13,430 --> 00:11:09,279

a long time to find a case i mean 2014

282

00:11:15,910 --> 00:11:13,440

they tried it with michael brown

283

00:11:16,790 --> 00:11:15,920

in uh let me think in uh michael

284

00:11:21,509 --> 00:11:16,800

ferguson

285

00:11:24,710 --> 00:11:21,519

michael brown wasn't a good case

286

00:11:27,910 --> 00:11:24,720

well they had to wait from 2014

287

00:11:29,590 --> 00:11:27,920

to 2010 six whole years yeah trayvon

288

00:11:31,590 --> 00:11:29,600

martin which ended up not being

289

00:11:34,069 --> 00:11:31,600

a great case your point is there's been

290

00:11:36,630 --> 00:11:34,079

plenty of potential

291

00:11:38,470 --> 00:11:36,640

examples but this one appears to really

292

00:11:40,630 --> 00:11:38,480

be a good one where it really

293

00:11:42,310 --> 00:11:40,640

is clear that you know the police

294

00:11:44,150 --> 00:11:42,320

officer acted inappropriately

295

00:11:46,790 --> 00:11:44,160

that's right it's really clear this time

296

00:11:49,750 --> 00:11:46,800

now if they have to wait

297

00:11:50,870 --> 00:11:49,760

all those years and they're searching

298

00:11:52,870 --> 00:11:50,880

for a good case they

299

00:11:55,030 --> 00:11:52,880

they with trayvon martin they can't find

300

00:11:58,150 --> 00:11:55,040

it with michael brown they can't find it

301
00:12:00,310 --> 00:11:58,160
and so on there's something wrong here

302
00:12:01,750 --> 00:12:00,320
right i mean they shouldn't have had to

303
00:12:04,230 --> 00:12:01,760
wait all those years well

304
00:12:05,030 --> 00:12:04,240
not to mention professor that um there's

305
00:12:07,750 --> 00:12:05,040
still

306
00:12:08,949 --> 00:12:07,760
zero evidence that it was racially

307
00:12:11,670 --> 00:12:08,959
motivated

308
00:12:12,710 --> 00:12:11,680
that's right that's right and and the

309
00:12:19,670 --> 00:12:12,720
the

310
00:12:22,069 --> 00:12:19,680
suggests that he was resisting arrest

311
00:12:24,230 --> 00:12:22,079
which at least started off the physical

312
00:12:25,910 --> 00:12:24,240
altercation between the cops but my

313
00:12:27,910 --> 00:12:25,920

point is you can have police brutality

314

00:12:29,829 --> 00:12:27,920

without it being racist police

315

00:12:31,269 --> 00:12:29,839

exactly so i'm willing to stipulate that

316

00:12:32,550 --> 00:12:31,279

this was police brutality and

317

00:12:34,230 --> 00:12:32,560

particularly furthermore the police

318

00:12:37,910 --> 00:12:34,240

brutality is a is a problem

319

00:12:39,670 --> 00:12:37,920

um but it's a problem for all races and

320

00:12:42,069 --> 00:12:39,680

in this particular case

321

00:12:43,990 --> 00:12:42,079

i'm not aware of any evidence that

322

00:12:46,790 --> 00:12:44,000

demonstrates that this police brutality

323

00:12:49,990 --> 00:12:46,800

was racially motivated

324

00:12:53,350 --> 00:12:50,000

i agree i agree but it

325

00:12:54,470 --> 00:12:53,360

it this is a brilliant strategy by the

326
00:12:57,910 --> 00:12:54,480
radicals

327
00:12:59,670 --> 00:12:57,920
to to assert that there's systemic

328
00:13:03,190 --> 00:12:59,680
racism in america

329
00:13:07,110 --> 00:13:03,200
that america was founded on racism

330
00:13:09,670 --> 00:13:07,120
via slavery and

331
00:13:11,269 --> 00:13:09,680
and there's white privilege so anything

332
00:13:13,670 --> 00:13:11,279
that whites have achieved

333
00:13:15,829 --> 00:13:13,680
they don't deserve and should be taken

334
00:13:18,230 --> 00:13:15,839
away from them

335
00:13:20,069 --> 00:13:18,240
and you can discredit the entire system

336
00:13:21,269 --> 00:13:20,079
as a racist system that needs to be

337
00:13:23,509 --> 00:13:21,279
brought down

338
00:13:25,750 --> 00:13:23,519

and and you and you label it black lives

339

00:13:27,590 --> 00:13:25,760

matter which nobody can disagree with

340

00:13:29,269 --> 00:13:27,600

and you're often running toward a

341

00:13:31,269 --> 00:13:29,279

revolution

342

00:13:34,310 --> 00:13:31,279

that's right the the goal you're right

343

00:13:35,509 --> 00:13:34,320

the the goal is revolution and the

344

00:13:36,069 --> 00:13:35,519

question is how they're going to get

345

00:13:41,670 --> 00:13:36,079

there

346

00:13:42,870 --> 00:13:41,680

by quoting karl marx that's not going to

347

00:13:46,069 --> 00:13:42,880

fly

348

00:13:48,710 --> 00:13:46,079

the one thing that they can use

349

00:13:49,189 --> 00:13:48,720

to try and prove that our society is

350

00:13:53,350 --> 00:13:49,199

rotten

351

00:13:55,189 --> 00:13:53,360

through and through is racism

352

00:13:57,750 --> 00:13:55,199

now they don't i don't honestly think

353

00:14:00,069 --> 00:13:57,760

that black lives matter the movement

354

00:14:02,069 --> 00:14:00,079

doesn't care really very much about

355

00:14:03,910 --> 00:14:02,079

black deaths because

356

00:14:05,990 --> 00:14:03,920

the result of what they've been doing

357

00:14:08,949 --> 00:14:06,000

discrediting the police is that

358

00:14:09,750 --> 00:14:08,959

as you know black deaths in chicago and

359

00:14:12,310 --> 00:14:09,760

so on have

360

00:14:13,189 --> 00:14:12,320

skyrocketed and if they really were

361

00:14:16,310 --> 00:14:13,199

concerned

362

00:14:18,230 --> 00:14:16,320

to minimize black death state of they'd

363

00:14:20,790 --> 00:14:18,240

have done something about that

364

00:14:21,990 --> 00:14:20,800

but what they're really after is

365

00:14:25,189 --> 00:14:22,000

persuading

366

00:14:28,629 --> 00:14:25,199

the american citizen that is culture

367

00:14:31,750 --> 00:14:28,639

is rotten through and through and race

368

00:14:34,470 --> 00:14:31,760

is the one issue they know they

369

00:14:36,949 --> 00:14:34,480

they might be able to use and exploit

370

00:14:40,790 --> 00:14:36,959

there are no other issues they can use

371

00:14:42,550 --> 00:14:40,800

um economic issues

372

00:14:43,990 --> 00:14:42,560

they're dead on arrival with those i

373

00:14:47,269 --> 00:14:44,000

mean uh um

374

00:14:50,710 --> 00:14:47,279

this is this is clearly a very

375

00:14:52,949 --> 00:14:50,720

uh a very affluent culture people

376

00:14:53,910 --> 00:14:52,959

even even people at the bottom end of

377

00:14:57,030 --> 00:14:53,920

the scale

378

00:14:58,949 --> 00:14:57,040

barely count as poverty stricken by

379

00:15:01,430 --> 00:14:58,959

world standards

380

00:15:03,590 --> 00:15:01,440

so you're not going to get a revolution

381

00:15:05,829 --> 00:15:03,600

based on marx's ideas you're not going

382

00:15:09,590 --> 00:15:05,839

to get a revolution based on

383

00:15:12,230 --> 00:15:09,600

socialist ideas but that's the one

384

00:15:13,350 --> 00:15:12,240

way that the radical left chooses to

385

00:15:15,910 --> 00:15:13,360

pursue

386

00:15:16,790 --> 00:15:15,920

to try and persuade everyone that this

387

00:15:20,629 --> 00:15:16,800

is

388

00:15:22,629 --> 00:15:20,639

society

389

00:15:24,230 --> 00:15:22,639

yeah and i and i do think it's it's semi

390

00:15:25,509 --> 00:15:24,240

brilliant and you can see how they've

391

00:15:28,389 --> 00:15:25,519

changed strategies because

392

00:15:29,350 --> 00:15:28,399

occupy wall street yeah was the strategy

393

00:15:31,749 --> 00:15:29,360

10 years ago

394

00:15:33,269 --> 00:15:31,759

yeah nowhere yeah it got nowhere and to

395

00:15:34,949 --> 00:15:33,279

your point that was kind of trying to

396

00:15:36,550 --> 00:15:34,959

sell socialism that we need to

397

00:15:38,069 --> 00:15:36,560

take from the rich and give to the poor

398

00:15:41,509 --> 00:15:38,079

and and this and that

399

00:15:43,269 --> 00:15:41,519

but but getting people to rally behind

400

00:15:44,710 --> 00:15:43,279

the idea of racism i mean first of all

401
00:15:46,310 --> 00:15:44,720
there's lots of good people that have no

402
00:15:47,030 --> 00:15:46,320
idea what black lives matter is really

403
00:15:49,350 --> 00:15:47,040
about

404
00:15:51,189 --> 00:15:49,360
and they're they're buying into this

405
00:15:53,749 --> 00:15:51,199
because they want to demonstrate that

406
00:15:55,749 --> 00:15:53,759
hey i'm not racist and i absolutely am

407
00:15:57,110 --> 00:15:55,759
against racism i mean we're all against

408
00:16:00,230 --> 00:15:57,120
racism

409
00:16:00,470 --> 00:16:00,240
uh we all believe black lives matter so

410
00:16:02,470 --> 00:16:00,480
it's

411
00:16:03,749 --> 00:16:02,480
easy thing to get everybody to sign on

412
00:16:06,629 --> 00:16:03,759
to um

413
00:16:08,310 --> 00:16:06,639

but it's the the radical part where it

414

00:16:10,310 --> 00:16:08,320

says as you point out

415

00:16:11,829 --> 00:16:10,320

it means that our society's rotten to

416

00:16:13,189 --> 00:16:11,839

the core and

417

00:16:15,749 --> 00:16:13,199

everything needs to change everything

418

00:16:16,629 --> 00:16:15,759

needs to be overturned and that includes

419

00:16:19,430 --> 00:16:16,639

the founding

420

00:16:20,550 --> 00:16:19,440

the founders our history the

421

00:16:22,470 --> 00:16:20,560

constitution

422

00:16:24,389 --> 00:16:22,480

the declaration of independence the

423

00:16:25,990 --> 00:16:24,399

whole thing needs to be i mean that's

424

00:16:27,590 --> 00:16:26,000

where they're going with this that's

425

00:16:29,829 --> 00:16:27,600

right that's right

426

00:16:30,949 --> 00:16:29,839

and the racism is a vehicle the best

427

00:16:33,030 --> 00:16:30,959

vehicle they have

428

00:16:34,230 --> 00:16:33,040

they think to get there they've tried

429

00:16:36,310 --> 00:16:34,240

others

430

00:16:37,350 --> 00:16:36,320

they don't work as you say the occupy

431

00:16:39,670 --> 00:16:37,360

wall street think

432

00:16:41,829 --> 00:16:39,680

doesn't work the notion that there's

433

00:16:44,790 --> 00:16:41,839

widespread poverty in inequality

434

00:16:46,470 --> 00:16:44,800

doesn't really work because uh you know

435

00:16:48,230 --> 00:16:46,480

recently we had the lowest black

436

00:16:49,990 --> 00:16:48,240

unemployment in the history of the

437

00:16:53,910 --> 00:16:50,000

country

438

00:16:55,509 --> 00:16:53,920

you can't very well mount a challenge to

439

00:16:56,949 --> 00:16:55,519

the economic order

440

00:16:59,030 --> 00:16:56,959

when those are the conditions you're

441

00:17:01,189 --> 00:16:59,040

facing but racism

442

00:17:02,470 --> 00:17:01,199

that's the one issue that they think

443

00:17:05,990 --> 00:17:02,480

they could

444

00:17:08,309 --> 00:17:06,000

use as their vehicle i don't think

445

00:17:09,029 --> 00:17:08,319

honestly myself they care very much

446

00:17:11,270 --> 00:17:09,039

about

447

00:17:13,350 --> 00:17:11,280

what the vehicle is i think they care

448

00:17:15,829 --> 00:17:13,360

about the result which is

449

00:17:17,510 --> 00:17:15,839

revolution yeah well what we know about

450

00:17:19,110 --> 00:17:17,520

the leaders frankly the leaders are more

451
00:17:21,350 --> 00:17:19,120
concerned about lgbt

452
00:17:22,309 --> 00:17:21,360
issues than they are race issues if you

453
00:17:24,230 --> 00:17:22,319
read about

454
00:17:25,669 --> 00:17:24,240
these the three women that have founded

455
00:17:28,150 --> 00:17:25,679
it um yeah

456
00:17:30,950 --> 00:17:28,160
i think two of them are members are

457
00:17:33,430 --> 00:17:30,960
members of lgbt

458
00:17:36,630 --> 00:17:33,440
and that i think uh all of them have

459
00:17:38,070 --> 00:17:36,640
marxist training so you just have to

460
00:17:39,830 --> 00:17:38,080
marxism was the one thing that was

461
00:17:41,830 --> 00:17:39,840
common to all of them

462
00:17:43,350 --> 00:17:41,840
right and it's the one thing they don't

463
00:17:44,950 --> 00:17:43,360

want to make

464

00:17:46,789 --> 00:17:44,960

front and center because they know it

465

00:17:49,590 --> 00:17:46,799

doesn't sell

466

00:17:50,390 --> 00:17:49,600

so they're duping lots of people so far

467

00:17:53,270 --> 00:17:50,400

and they're

468

00:17:54,789 --> 00:17:53,280

um duping corporations i think it was

469

00:17:56,789 --> 00:17:54,799

bank of america

470

00:17:58,230 --> 00:17:56,799

that gave a billion dollars to black

471

00:18:00,710 --> 00:17:58,240

lives matter

472

00:18:01,350 --> 00:18:00,720

um you've got apple has given a hundred

473

00:18:05,190 --> 00:18:01,360

million

474

00:18:08,230 --> 00:18:05,200

these guys

475

00:18:10,070 --> 00:18:08,240

i mean these companies recognize

476

00:18:12,230 --> 00:18:10,080

what what they what this guy's really

477

00:18:14,230 --> 00:18:12,240

bad i mean they're gonna come

478

00:18:15,430 --> 00:18:14,240

for tim cook they're going to come for

479

00:18:16,630 --> 00:18:15,440

jeff bezos

480

00:18:18,789 --> 00:18:16,640

they're going to come knocking on your

481

00:18:20,870 --> 00:18:18,799

door yeah saying

482

00:18:21,830 --> 00:18:20,880

get out of this house this is our house

483

00:18:24,070 --> 00:18:21,840

yes

484

00:18:25,909 --> 00:18:24,080

that's what marxists do that's what all

485

00:18:27,750 --> 00:18:25,919

revolutions do

486

00:18:30,150 --> 00:18:27,760

rich people in revolutions get the hell

487

00:18:34,870 --> 00:18:32,310

no but you're right this is this is the

488

00:18:39,350 --> 00:18:34,880

emphasis we need to see

489

00:18:41,669 --> 00:18:39,360

that their real concern is revolution

490

00:18:42,390 --> 00:18:41,679

and race is a way of getting there

491

00:18:44,630 --> 00:18:42,400

they're not

492

00:18:45,830 --> 00:18:44,640

really very concerned about race per se

493

00:18:47,830 --> 00:18:45,840

i think

494

00:18:48,950 --> 00:18:47,840

so tell me what you observed in your

495

00:18:51,270 --> 00:18:48,960

years uh

496

00:18:52,870 --> 00:18:51,280

teaching and so on and kind of the

497

00:18:55,990 --> 00:18:52,880

progression

498

00:18:58,070 --> 00:18:56,000

of things getting more and more leftist

499

00:18:59,510 --> 00:18:58,080

on the campus through you know anecdotes

500

00:19:00,150 --> 00:18:59,520

or however you want to describe it to us

501
00:19:04,150 --> 00:19:00,160
based on

502
00:19:07,669 --> 00:19:04,160
how you observed it living it well i saw

503
00:19:08,549 --> 00:19:07,679
such a rising tide i mean year by year

504
00:19:11,590 --> 00:19:08,559
there were

505
00:19:15,190 --> 00:19:11,600
more radical leftists on campus

506
00:19:19,029 --> 00:19:15,200
uh there were i think two

507
00:19:20,950 --> 00:19:19,039
big episodes but after all uh you know

508
00:19:22,070 --> 00:19:20,960
this plan i was describing that that

509
00:19:26,470 --> 00:19:22,080
they

510
00:19:30,070 --> 00:19:26,480
port huron statement 1962

511
00:19:32,630 --> 00:19:30,080
that plan was uh 58 years old

512
00:19:33,830 --> 00:19:32,640
and uh just the fact they had a plan

513
00:19:35,430 --> 00:19:33,840

doesn't mean they were going to get

514

00:19:37,350 --> 00:19:35,440

anywhere i mean

515

00:19:39,430 --> 00:19:37,360

at the time they wrote it through only

516

00:19:41,430 --> 00:19:39,440

about 200 of them

517

00:19:42,710 --> 00:19:41,440

and everybody laughed at them including

518

00:19:45,669 --> 00:19:42,720

me i have to

519

00:19:47,350 --> 00:19:45,679

regret now uh because they seemed a sad

520

00:19:49,830 --> 00:19:47,360

little bunch of uh

521

00:19:51,270 --> 00:19:49,840

totally unrealistic people would we

522

00:19:52,230 --> 00:19:51,280

recognize any of the names of these

523

00:19:56,310 --> 00:19:52,240

people

524

00:19:59,430 --> 00:19:56,320

tom hayden um

525

00:20:06,470 --> 00:20:01,029

most of them are gone now people like

526

00:20:09,990 --> 00:20:06,480

todd gitlin um

527

00:20:13,270 --> 00:20:10,000

yeah um yeah we just said uh

528

00:20:14,390 --> 00:20:13,280

david horowitz on david i don't know

529

00:20:17,669 --> 00:20:14,400

whether david was

530

00:20:20,230 --> 00:20:17,679

part of that group that wrote that uh

531

00:20:21,990 --> 00:20:20,240

uh that manifesto certainly he's you

532

00:20:24,149 --> 00:20:22,000

know pretty soon changed sides as you

533

00:20:26,950 --> 00:20:24,159

know and now is a staunch

534

00:20:28,149 --> 00:20:26,960

opponent of of everything uh that's

535

00:20:31,190 --> 00:20:28,159

going on

536

00:20:35,990 --> 00:20:31,200

so so this plan um can people still

537

00:20:39,909 --> 00:20:39,430

anyway they had two fantastic pieces of

538

00:20:41,510 --> 00:20:39,919

luck

539

00:20:43,270 --> 00:20:41,520

without which they wouldn't have gone

540

00:20:48,070 --> 00:20:43,280

anywhere because let's face it

541

00:20:50,390 --> 00:20:48,080

america's on the whole a happy society a

542

00:20:51,190 --> 00:20:50,400

society where on the whole people have

543

00:20:53,750 --> 00:20:51,200

been quite

544

00:20:55,430 --> 00:20:53,760

pleased with their lives with their i

545

00:20:57,270 --> 00:20:55,440

mean they look at other countries and

546

00:20:58,630 --> 00:20:57,280

it's clear they're better off than most

547

00:21:02,070 --> 00:20:58,640

other countries

548

00:21:05,669 --> 00:21:02,080

but there was one the first stroke of

549

00:21:10,390 --> 00:21:05,679

fantastic good luck they had was

550

00:21:13,669 --> 00:21:10,400

the fact that 1965 to 1975

551
00:21:16,390 --> 00:21:13,679
those 10 years a critical 10 years

552
00:21:18,710 --> 00:21:16,400
two things happened and if the two

553
00:21:21,029 --> 00:21:18,720
things hadn't happened at the same time

554
00:21:24,310 --> 00:21:21,039
that it got nowhere the first of them

555
00:21:26,870 --> 00:21:24,320
was the vietnam war

556
00:21:27,750 --> 00:21:26,880
and in that time the campuses were

557
00:21:31,510 --> 00:21:27,760
roiled by

558
00:21:33,270 --> 00:21:31,520
the fact that the kids were very angry

559
00:21:35,990 --> 00:21:33,280
about the fact they're being drafted to

560
00:21:38,310 --> 00:21:36,000
a war that no one really understood

561
00:21:40,149 --> 00:21:38,320
and it was not clear i mean the

562
00:21:42,230 --> 00:21:40,159
government was not terribly forthcoming

563
00:21:44,149 --> 00:21:42,240

about what the hell was going on

564

00:21:45,909 --> 00:21:44,159

and whether you're for or against the

565

00:21:47,990 --> 00:21:45,919

vietnam war in retrospect the

566

00:21:49,990 --> 00:21:48,000

the fact of the matter is the campuses

567

00:21:51,750 --> 00:21:50,000

were full of angry young people who

568

00:21:54,549 --> 00:21:51,760

didn't want to be drafted

569

00:21:55,270 --> 00:21:54,559

and so political radicalism that is to

570

00:21:58,390 --> 00:21:55,280

say

571

00:22:01,510 --> 00:21:58,400

a political sentiment where kids are

572

00:22:02,789 --> 00:22:01,520

very critical of the honesty and decency

573

00:22:04,549 --> 00:22:02,799

of the government of their own

574

00:22:07,270 --> 00:22:04,559

government that was

575

00:22:08,870 --> 00:22:07,280

rampant in those 10 years now that's

576

00:22:12,149 --> 00:22:08,880

that's the first thing

577

00:22:12,870 --> 00:22:12,159

about that period 65 75 but here's the

578

00:22:15,909 --> 00:22:12,880

other thing

579

00:22:18,950 --> 00:22:15,919

about it which is it's tragic

580

00:22:23,430 --> 00:22:18,960

that this happened as well

581

00:22:24,789 --> 00:22:23,440

65 was the just about the year when the

582

00:22:29,350 --> 00:22:24,799

baby boomers

583

00:22:31,909 --> 00:22:29,360

came of age now the end of world war ii

584

00:22:32,630 --> 00:22:31,919

servicemen come back from the war and

585

00:22:39,669 --> 00:22:32,640

they

586

00:22:41,909 --> 00:22:39,679

for the whole of the war and so the

587

00:22:44,470 --> 00:22:41,919

birth rate goes up because people

588

00:22:45,909 --> 00:22:44,480

you know have families again that

589

00:22:49,070 --> 00:22:45,919

they've been putting off

590

00:22:52,230 --> 00:22:49,080

so huge increase in the birth rate

591

00:22:55,669 --> 00:22:52,240

1945 to 55 and

592

00:22:59,350 --> 00:22:55,679

so 65 is the time when this

593

00:23:00,470 --> 00:22:59,360

huge boom in the population hits college

594

00:23:05,190 --> 00:23:00,480

age

595

00:23:09,350 --> 00:23:05,200

and for so from 65 to 75

596

00:23:11,510 --> 00:23:09,360

you go from in 65 4 million students in

597

00:23:14,630 --> 00:23:11,520

higher education

598

00:23:16,789 --> 00:23:14,640

by 75 you've got 9 million

599

00:23:17,830 --> 00:23:16,799

students in higher education so in other

600

00:23:21,510 --> 00:23:17,840

words

601
00:23:24,149 --> 00:23:21,520
you've all you've doubled and then some

602
00:23:26,390 --> 00:23:24,159
so think about it this way the number of

603
00:23:31,110 --> 00:23:26,400
professors in the country

604
00:23:34,630 --> 00:23:31,120
in 65 you have to find that number

605
00:23:37,029 --> 00:23:34,640
all over again to hire

606
00:23:38,310 --> 00:23:37,039
to handle the increase in the size of

607
00:23:39,909 --> 00:23:38,320
academia

608
00:23:43,029 --> 00:23:39,919
and then some more you know in other

609
00:23:47,269 --> 00:23:43,039
words it's a 125 percent increase

610
00:23:50,390 --> 00:23:47,279
now so there's a mad rush to hire

611
00:23:53,590 --> 00:23:50,400
new professors and that cohort

612
00:23:56,470 --> 00:23:53,600
65 to 75 hires they

613
00:23:58,789 --> 00:23:56,480

quickly outnumber all the other

614

00:24:02,230 --> 00:23:58,799

professors in the country

615

00:24:04,950 --> 00:24:02,240

and where do you find them you find them

616

00:24:05,590 --> 00:24:04,960

on the campuses graduate students and

617

00:24:09,830 --> 00:24:05,600

they've been

618

00:24:13,110 --> 00:24:09,840

radicalized by the vietnam war so

619

00:24:16,630 --> 00:24:13,120

very suddenly a profession

620

00:24:19,510 --> 00:24:16,640

the academic teachers that had a strong

621

00:24:21,830 --> 00:24:19,520

professional ethic that you should never

622

00:24:25,190 --> 00:24:21,840

let politics interfere with

623

00:24:29,190 --> 00:24:25,200

the truth as as you know an academic

624

00:24:33,830 --> 00:24:29,200

teacher sees it uh you suddenly have

625

00:24:37,430 --> 00:24:33,840

that professional ethic swamped

626

00:24:40,870 --> 00:24:37,440

by a huge cohort of new professors

627

00:24:44,070 --> 00:24:40,880

who are inclined towards left radicalism

628

00:24:44,950 --> 00:24:44,080

now let's suppose for example that the

629

00:24:47,990 --> 00:24:44,960

baby boom

630

00:24:50,230 --> 00:24:48,000

hadn't been there then

631

00:24:53,510 --> 00:24:50,240

radicals would have been hired in small

632

00:24:55,990 --> 00:24:53,520

numbers from 65 to 75

633

00:24:56,630 --> 00:24:56,000

they'd have been absorbed by the

634

00:25:02,950 --> 00:24:56,640

profession

635

00:25:04,310 --> 00:25:02,960

the restrictions on what they can do in

636

00:25:07,269 --> 00:25:04,320

the classroom

637

00:25:08,950 --> 00:25:07,279

but because they arrive in huge numbers

638

00:25:09,430 --> 00:25:08,960

they've arrived in big enough numbers

639

00:25:12,630 --> 00:25:09,440

they can

640

00:25:16,710 --> 00:25:12,640

change that professional ethic so

641

00:25:18,070 --> 00:25:16,720

by 75 the profession of academic

642

00:25:19,909 --> 00:25:18,080

teachers

643

00:25:21,190 --> 00:25:19,919

looked very very different to what it

644

00:25:24,470 --> 00:25:21,200

was in 65

645

00:25:26,070 --> 00:25:24,480

and those radicals who in 1962 looked

646

00:25:29,029 --> 00:25:26,080

very unrealistic

647

00:25:30,549 --> 00:25:29,039

and very full-on and you know hopeless

648

00:25:33,750 --> 00:25:30,559

their course was hopeless

649

00:25:35,269 --> 00:25:33,760

it suddenly wasn't by 75 they had a real

650

00:25:39,430 --> 00:25:35,279

toehold in the universities

651
00:25:41,990 --> 00:25:39,440
a big toehold that change in

652
00:25:42,870 --> 00:25:42,000
professional ethics sure rings a bell

653
00:25:46,149 --> 00:25:42,880
when you

654
00:25:48,710 --> 00:25:46,159
yeah

655
00:25:49,430 --> 00:25:48,720
journalistic ethics are out the window

656
00:25:53,190 --> 00:25:49,440
yeah

657
00:25:55,350 --> 00:25:53,200
well these people now as you say

658
00:25:56,310 --> 00:25:55,360
change the ethics now then there's a

659
00:25:58,149 --> 00:25:56,320
second wave

660
00:25:59,909 --> 00:25:58,159
that comes up which is all to do with

661
00:26:02,710 --> 00:25:59,919
civil rights you know

662
00:26:03,830 --> 00:26:02,720
by about 1977 affirmative action gets

663
00:26:06,950 --> 00:26:03,840

going big time

664

00:26:08,470 --> 00:26:06,960

on college campuses and there's a big

665

00:26:12,149 --> 00:26:08,480

clamor to hire

666

00:26:14,070 --> 00:26:12,159

more women more minorities as professors

667

00:26:15,669 --> 00:26:14,080

the problem is that the people doing the

668

00:26:17,990 --> 00:26:15,679

clamoring are

669

00:26:20,070 --> 00:26:18,000

mostly the radicals i mean because they

670

00:26:22,230 --> 00:26:20,080

see as we've said before

671

00:26:23,510 --> 00:26:22,240

a few minutes ago they see an

672

00:26:25,909 --> 00:26:23,520

opportunity here

673

00:26:27,750 --> 00:26:25,919

to hire more radicals and sure enough

674

00:26:28,870 --> 00:26:27,760

almost all those new people that were

675

00:26:30,870 --> 00:26:28,880

hired

676
00:26:32,630 --> 00:26:30,880
on the basis that they they were

677
00:26:34,789 --> 00:26:32,640
minorities or women

678
00:26:35,909 --> 00:26:34,799
they were disproportionately radical in

679
00:26:39,029 --> 00:26:35,919
their in their

680
00:26:43,110 --> 00:26:39,039
attitudes and so

681
00:26:45,990 --> 00:26:43,120
by about 1990

682
00:26:46,710 --> 00:26:46,000
you've already reached a stage where the

683
00:26:49,990 --> 00:26:46,720
academy

684
00:26:51,909 --> 00:26:50,000
is probably lost it took it took some

685
00:26:54,710 --> 00:26:51,919
time to filter out because

686
00:26:56,230 --> 00:26:54,720
through retirements the remaining people

687
00:26:58,630 --> 00:26:56,240
with integrity

688
00:26:59,990 --> 00:26:58,640

but slowly you know the numbers keep

689

00:27:02,630 --> 00:27:00,000

building up

690

00:27:03,750 --> 00:27:02,640

but without those two incidents i mean

691

00:27:05,990 --> 00:27:03,760

without

692

00:27:07,430 --> 00:27:06,000

the vietnam war coinciding with the baby

693

00:27:10,070 --> 00:27:07,440

boomers

694

00:27:11,350 --> 00:27:10,080

and without the civil rights movement

695

00:27:13,750 --> 00:27:11,360

hitting the campuses

696

00:27:15,430 --> 00:27:13,760

with affirmative action the radicals

697

00:27:18,070 --> 00:27:15,440

wouldn't have had a chance

698

00:27:19,430 --> 00:27:18,080

but they have now taken over the academy

699

00:27:21,990 --> 00:27:19,440

they control it

700

00:27:22,710 --> 00:27:22,000

they run it they they're doing what they

701

00:27:24,630 --> 00:27:22,720

like with it

702

00:27:26,710 --> 00:27:24,640

they're corrupting all the professions

703

00:27:30,389 --> 00:27:26,720

one by one the journalism as you say

704

00:27:33,029 --> 00:27:30,399

is the ethic of journalism is no longer

705

00:27:34,789 --> 00:27:33,039

to tell the truth but to advance a

706

00:27:37,750 --> 00:27:34,799

radical narrative

707

00:27:39,669 --> 00:27:37,760

same is true school teachers education

708

00:27:42,310 --> 00:27:39,679

departments of colleges are now

709

00:27:43,110 --> 00:27:42,320

very very strongly pro-social justice

710

00:27:46,950 --> 00:27:43,120

which means

711

00:27:50,310 --> 00:27:46,960

radical left um law

712

00:27:53,350 --> 00:27:50,320

increasingly low faculties are going

713

00:27:58,389 --> 00:27:53,360

radical left as well it's

714

00:28:03,350 --> 00:28:01,430

it's starting to affect the sciences

715

00:28:04,870 --> 00:28:03,360

more about architecture i have to stop

716

00:28:07,990 --> 00:28:04,880

beyond that one how does it affect

717

00:28:09,350 --> 00:28:08,000

architecture you know i'm not an expert

718

00:28:11,750 --> 00:28:09,360

in architecture but

719

00:28:12,710 --> 00:28:11,760

my friends tell me you know to tell me

720

00:28:15,430 --> 00:28:12,720

that

721

00:28:16,870 --> 00:28:15,440

the movement is is gaining ground for

722

00:28:19,830 --> 00:28:16,880

example

723

00:28:20,630 --> 00:28:19,840

my campus is about to build a new

724

00:28:23,510 --> 00:28:20,640

sciences

725

00:28:25,750 --> 00:28:23,520

building on campus they've hired a

726
00:28:32,310 --> 00:28:25,760
consultant

727
00:28:34,470 --> 00:28:32,320
for the purpose of of uh uh

728
00:28:36,710 --> 00:28:34,480
determining what campus opinion is on

729
00:28:38,630 --> 00:28:36,720
what this building should look like

730
00:28:40,230 --> 00:28:38,640
and so the consultant sent a

731
00:28:41,269 --> 00:28:40,240
questionnaire to all the students and

732
00:28:43,029 --> 00:28:41,279
faculty

733
00:28:44,870 --> 00:28:43,039
and one of the main questions they're

734
00:28:50,070 --> 00:28:44,880
asking is what would

735
00:28:54,470 --> 00:28:53,669
so you see it's it's seeping into

736
00:28:56,149 --> 00:28:54,480
everything

737
00:28:58,710 --> 00:28:56,159
yeah well the thing i thought of as i

738
00:28:59,590 --> 00:28:58,720

asked the question was climate change i

739

00:29:01,590 --> 00:28:59,600

could see how

740

00:29:03,430 --> 00:29:01,600

oh yeah climate change would affect

741

00:29:05,669 --> 00:29:03,440

architecture and it's k you have to have

742

00:29:08,070 --> 00:29:05,679

a green construction and so on and

743

00:29:09,590 --> 00:29:08,080

i'm sure climate change is something on

744

00:29:11,350 --> 00:29:09,600

college campuses

745

00:29:13,909 --> 00:29:11,360

you you you have to subscribe to

746

00:29:16,710 --> 00:29:13,919

otherwise you're going to be canceled

747

00:29:18,710 --> 00:29:16,720

absolutely there is a man on the

748

00:29:19,269 --> 00:29:18,720

university california los angeles campus

749

00:29:24,310 --> 00:29:19,279

who

750

00:29:28,230 --> 00:29:27,510

soot particles i think if i remember

751
00:29:29,990 --> 00:29:28,240
rightly

752
00:29:31,350 --> 00:29:30,000
i could be wrong this but i think it's

753
00:29:34,789 --> 00:29:31,360
diesel

754
00:29:38,070 --> 00:29:34,799
the

755
00:29:40,789 --> 00:29:38,080
soot particles leave behind and he

756
00:29:42,710 --> 00:29:40,799
um he did some very careful research and

757
00:29:46,269 --> 00:29:42,720
found that the health

758
00:29:47,830 --> 00:29:46,279
hazards of this were had been much

759
00:29:49,990 --> 00:29:47,840
exaggerated

760
00:29:51,830 --> 00:29:50,000
by other academic studies so he

761
00:29:55,830 --> 00:29:51,840
published his results

762
00:29:58,630 --> 00:29:55,840
and got fired because this was not what

763
00:29:59,269 --> 00:29:58,640

the climate change people wanted to hear

764

00:30:00,789 --> 00:29:59,279

yeah

765

00:30:02,389 --> 00:30:00,799

well one of them that i deal with

766

00:30:05,750 --> 00:30:02,399

because we did a deep dive on

767

00:30:07,350 --> 00:30:05,760

transgender is that you know

768

00:30:09,830 --> 00:30:07,360

born this way when it comes to

769

00:30:11,830 --> 00:30:09,840

transgender or um

770

00:30:13,350 --> 00:30:11,840

or sexual preference if you don't

771

00:30:13,909 --> 00:30:13,360

subscribe to born this way you're going

772

00:30:17,510 --> 00:30:13,919

to be

773

00:30:19,909 --> 00:30:17,520

oh yeah oh yeah and likewise i mean

774

00:30:21,350 --> 00:30:19,919

there's that famous case of the harvard

775

00:30:25,190 --> 00:30:21,360

president

776

00:30:28,230 --> 00:30:25,200

larry summers famous economist

777

00:30:32,310 --> 00:30:28,240

and he one day speculated

778

00:30:35,110 --> 00:30:32,320

just speculated in front of an audience

779

00:30:36,630 --> 00:30:35,120

as to he wondered whether the fact there

780

00:30:39,750 --> 00:30:36,640

were more male

781

00:30:41,830 --> 00:30:39,760

mathematicians and scientists than

782

00:30:44,870 --> 00:30:41,840

female

783

00:30:47,750 --> 00:30:44,880

one of the reasons might be that women

784

00:30:50,470 --> 00:30:47,760

prefer to do other things men prefer to

785

00:30:53,029 --> 00:30:50,480

do this and so on and that

786

00:30:54,950 --> 00:30:53,039

speculation just saying that it's one of

787

00:30:56,789 --> 00:30:54,960

the things we should look at he didn't

788

00:30:58,470 --> 00:30:56,799

say that that was the case

789

00:30:59,830 --> 00:30:58,480

he said there's one thing worth looking

790

00:31:03,029 --> 00:30:59,840

at

791

00:31:06,149 --> 00:31:03,039

he was fired from his presidency

792

00:31:08,549 --> 00:31:06,159

basically for that yeah well and

793

00:31:10,389 --> 00:31:08,559

going back to the statistics um i think

794

00:31:11,990 --> 00:31:10,399

one of them you cite is that about one

795

00:31:14,149 --> 00:31:12,000

in four

796

00:31:16,830 --> 00:31:14,159

professors are actually subscribed to

797

00:31:21,909 --> 00:31:16,840

marxist ideology

798

00:31:28,230 --> 00:31:25,669

it's it's it's a very complicated thing

799

00:31:30,230 --> 00:31:28,240

uh it's more in some subject areas than

800

00:31:32,070 --> 00:31:30,240

others i mean it's like sociology for

801
00:31:34,710 --> 00:31:32,080
example political science

802
00:31:35,909 --> 00:31:34,720
there's more there than there are in say

803
00:31:39,190 --> 00:31:35,919
in chemistry or

804
00:31:40,870 --> 00:31:39,200
or physics and also

805
00:31:42,310 --> 00:31:40,880
you have to be aware of the fact that

806
00:31:46,070 --> 00:31:42,320
people

807
00:31:47,909 --> 00:31:46,080
academic sociologists who are marxists

808
00:31:50,230 --> 00:31:47,919
know that they don't want to be

809
00:31:52,710 --> 00:31:50,240
identified as marxists

810
00:31:54,389 --> 00:31:52,720
so when they're asked the question how

811
00:31:55,509 --> 00:31:54,399
do you describe themselves they'll say

812
00:32:00,310 --> 00:31:55,519
well

813
00:32:03,830 --> 00:32:00,320

i'm a uh i'm a socialist or

814

00:32:07,750 --> 00:32:03,840

i'm a a political activist or

815

00:32:10,070 --> 00:32:07,760

so you you have to beware a bit

816

00:32:11,509 --> 00:32:10,080

of the numbers that you get from surveys

817

00:32:13,110 --> 00:32:11,519

but in other words it really should be

818

00:32:13,430 --> 00:32:13,120

higher than that because if somebody

819

00:32:15,750 --> 00:32:13,440

else

820

00:32:16,789 --> 00:32:15,760

says yes i'm a marxist yes they're

821

00:32:20,710 --> 00:32:16,799

hardcore

822

00:32:23,909 --> 00:32:20,720

yeah anymore i'm for economic justice

823

00:32:26,389 --> 00:32:23,919

that's right democrats socialists so

824

00:32:28,149 --> 00:32:26,399

among sociology academic sociologists

825

00:32:32,070 --> 00:32:28,159

professors of sociology

826

00:32:35,350 --> 00:32:32,080

one in four admits to being a marxist

827

00:32:38,470 --> 00:32:35,360

my guess is that that really means

828

00:32:41,430 --> 00:32:38,480

more like one in two is

829

00:32:43,110 --> 00:32:41,440

motivated by marxist ideas one of the

830

00:32:45,830 --> 00:32:43,120

great points you make in the book

831

00:32:46,470 --> 00:32:45,840

is for people to think about the vast

832

00:32:51,029 --> 00:32:46,480

sums

833

00:32:53,029 --> 00:32:51,039

of public money intended for education

834

00:32:55,669 --> 00:32:53,039

that are actually being diverted to this

835

00:32:58,549 --> 00:32:55,679

political agenda at these universities

836

00:32:59,669 --> 00:32:58,559

so it's our tax dollars yeah that are

837

00:33:01,269 --> 00:32:59,679

funding

838

00:33:02,710 --> 00:33:01,279

to some extent ultimately the democrat

839

00:33:05,110 --> 00:33:02,720

party because that's

840

00:33:05,750 --> 00:33:05,120

yeah you know where this is all heading

841

00:33:07,350 --> 00:33:05,760

ultimately

842

00:33:09,669 --> 00:33:07,360

and it's all our tax dollars that are

843

00:33:12,950 --> 00:33:09,679

going toward it

844

00:33:14,870 --> 00:33:12,960

it's a terrible situation i mean

845

00:33:17,029 --> 00:33:14,880

well not only tax dollars but when

846

00:33:17,669 --> 00:33:17,039

parents pay tuition for their kids go to

847

00:33:24,630 --> 00:33:17,679

college

848

00:33:27,430 --> 00:33:24,640

they're all supporting radical left

849

00:33:28,470 --> 00:33:27,440

politics and i don't think they really

850

00:33:30,230 --> 00:33:28,480

want to do that

851

00:33:31,669 --> 00:33:30,240

and i think they should you know the

852

00:33:36,789 --> 00:33:31,679

public

853

00:33:40,149 --> 00:33:36,799

should be sitting down and asking itself

854

00:33:43,590 --> 00:33:40,159

what really is happening now i mean

855

00:33:45,430 --> 00:33:43,600

30 40 years ago paying for that tuition

856

00:33:46,630 --> 00:33:45,440

paying those taxes to port state

857

00:33:48,710 --> 00:33:46,640

universities

858

00:33:50,070 --> 00:33:48,720

that brought you higher education that

859

00:33:52,389 --> 00:33:50,080

brought your kids

860

00:33:54,230 --> 00:33:52,399

something that enhanced their careers

861

00:33:56,070 --> 00:33:54,240

and that the rest of their lives

862

00:33:59,029 --> 00:33:56,080

now what the public really has got to do

863

00:34:01,430 --> 00:33:59,039

is sit down and say to itself

864

00:34:02,950 --> 00:34:01,440

is that really what's happening now

865

00:34:05,909 --> 00:34:02,960

because i don't think it is

866

00:34:06,310 --> 00:34:05,919

i think it's proof positive proof that

867

00:34:09,190 --> 00:34:06,320

it

868

00:34:10,230 --> 00:34:09,200

isn't happening now uh and the public

869

00:34:13,869 --> 00:34:10,240

ought to stop

870

00:34:16,790 --> 00:34:13,879

spending money in such a

871

00:34:18,790 --> 00:34:16,800

self-destructive way i mean the public

872

00:34:22,069 --> 00:34:18,800

is supporting

873

00:34:25,190 --> 00:34:22,079

a radical left enterprise

874

00:34:29,270 --> 00:34:25,200

that is causing social decay that is

875

00:34:32,470 --> 00:34:29,280

is seriously um

876

00:34:34,869 --> 00:34:32,480

reducing the the the

877

00:34:36,069 --> 00:34:34,879

quality of the society that they live in

878

00:34:37,190 --> 00:34:36,079

yeah well and it's in it's

879

00:34:39,270 --> 00:34:37,200

indoctrinating

880

00:34:41,270 --> 00:34:39,280

and it's just getting worse and worse

881

00:34:44,069 --> 00:34:41,280

the more that are indoctrinated

882

00:34:45,190 --> 00:34:44,079

the easier it is to sell this stuff yeah

883

00:34:47,109 --> 00:34:45,200

um

884

00:34:48,470 --> 00:34:47,119

you know i liking it to my

885

00:34:51,829 --> 00:34:48,480

indoctrination just being

886

00:34:53,349 --> 00:34:51,839

raised catholic as a as a child

887

00:34:55,190 --> 00:34:53,359

and you're just raised to believe

888

00:34:57,030 --> 00:34:55,200

certain things it's not yes

889

00:34:58,470 --> 00:34:57,040

deep into adulthood that you have any

890

00:35:00,710 --> 00:34:58,480

type of reckoning

891

00:35:02,390 --> 00:35:00,720

with that where you experience other

892

00:35:03,589 --> 00:35:02,400

things and you start to question

893

00:35:06,470 --> 00:35:03,599

that's what's happening with these

894

00:35:08,310 --> 00:35:06,480

college yeah right is they're coming out

895

00:35:09,670 --> 00:35:08,320

indoctrinated and then it's going to

896

00:35:12,870 --> 00:35:09,680

take a while

897

00:35:14,710 --> 00:35:12,880

if ever for them to realize

898

00:35:16,870 --> 00:35:14,720

whoa whoa whoa wait a minute this stuff

899

00:35:20,790 --> 00:35:16,880

i was taught this is

900

00:35:22,870 --> 00:35:20,800

true yes and unlike the

901
00:35:24,069 --> 00:35:22,880
indoctrination you get as a catholic i

902
00:35:29,990 --> 00:35:24,079
mean

903
00:35:30,870 --> 00:35:30,000
a large part of it is rather useful

904
00:35:35,030 --> 00:35:30,880
right like

905
00:35:37,990 --> 00:35:35,040
for example your individual conscience

906
00:35:39,990 --> 00:35:38,000
as your guide that's a very useful thing

907
00:35:43,349 --> 00:35:40,000
to have drummed into you

908
00:35:45,030 --> 00:35:43,359
that there is a standard of conduct that

909
00:35:48,710 --> 00:35:45,040
you must measure up to

910
00:35:50,470 --> 00:35:48,720
and that it's one that you said um

911
00:35:52,230 --> 00:35:50,480
and there's also a demand for

912
00:35:55,910 --> 00:35:52,240
truthfulness

913
00:35:59,030 --> 00:35:55,920

um so you know there's morality

914

00:36:00,550 --> 00:35:59,040

ethics and decency decent treatment of

915

00:36:03,910 --> 00:36:00,560

other people

916

00:36:05,510 --> 00:36:03,920

uh if you're a radical if you're radical

917

00:36:09,109 --> 00:36:05,520

leftist

918

00:36:12,710 --> 00:36:09,119

the goal is power

919

00:36:15,109 --> 00:36:12,720

for radical leftists and anything goes

920

00:36:16,150 --> 00:36:15,119

in the pursuit of that power uh that's

921

00:36:19,190 --> 00:36:16,160

this

922

00:36:21,910 --> 00:36:19,200

the very sad thing about it it is

923

00:36:24,630 --> 00:36:21,920

justifies the means yeah it's a

924

00:36:27,190 --> 00:36:24,640

thoroughly immoral

925

00:36:27,750 --> 00:36:27,200

creed let's go back to this the to the

926
00:36:30,310 --> 00:36:27,760
plan

927
00:36:32,150 --> 00:36:30,320
that that these radicals developed back

928
00:36:33,829 --> 00:36:32,160
in the 60s that you're saying they were

929
00:36:36,310 --> 00:36:33,839
successful at

930
00:36:36,950 --> 00:36:36,320
what what exactly were the details of

931
00:36:38,870 --> 00:36:36,960
that plan

932
00:36:40,390 --> 00:36:38,880
and what can we learn from that as we

933
00:36:43,270 --> 00:36:40,400
think today about

934
00:36:45,829 --> 00:36:43,280
trying to come up with a new plan well

935
00:36:48,069 --> 00:36:45,839
their plan was pretty simple i mean

936
00:36:48,870 --> 00:36:48,079
it starts out with the fact that they

937
00:36:52,069 --> 00:36:48,880
they have a

938
00:36:54,950 --> 00:36:52,079

certain belief system which is marxism

939

00:36:55,750 --> 00:36:54,960

and then they say that americans are

940

00:36:59,750 --> 00:36:55,760

basically

941

00:37:02,310 --> 00:36:59,760

too complacent too stuck in their ideas

942

00:37:03,349 --> 00:37:02,320

and really the hint is too stupid the

943

00:37:05,750 --> 00:37:03,359

electorate

944

00:37:06,710 --> 00:37:05,760

to ever allow them to succeed at the

945

00:37:09,430 --> 00:37:06,720

ballot box

946

00:37:11,109 --> 00:37:09,440

so okay they have these ideas they

947

00:37:12,870 --> 00:37:11,119

believe in these ideas

948

00:37:14,950 --> 00:37:12,880

they think these ideas ought to be the

949

00:37:15,910 --> 00:37:14,960

ideas that went out that control our

950

00:37:18,950 --> 00:37:15,920

society

951
00:37:21,910 --> 00:37:18,960
but no one no one will join with them

952
00:37:23,030 --> 00:37:21,920
they were 200 people at that time get

953
00:37:27,349 --> 00:37:23,040
less than

954
00:37:30,710 --> 00:37:27,359
population

955
00:37:31,510 --> 00:37:30,720
um so they said there's the way forward

956
00:37:35,510 --> 00:37:31,520
is just

957
00:37:38,710 --> 00:37:35,520
literally their words seize control

958
00:37:42,230 --> 00:37:38,720
of university faculties

959
00:37:45,430 --> 00:37:42,240
to use the the position of of the

960
00:37:48,710 --> 00:37:45,440
university as the the

961
00:37:51,829 --> 00:37:48,720
uh as an agency within the society

962
00:37:55,270 --> 00:37:51,839
that that that promotes

963
00:37:57,030 --> 00:37:55,280

beliefs and ideas so they they were very

964

00:38:00,230 --> 00:37:57,040

conscious about the fact that

965

00:38:01,750 --> 00:38:00,240

universities spread ideas they spread

966

00:38:05,030 --> 00:38:01,760

codes of conduct

967

00:38:08,550 --> 00:38:05,040

they spread uh you know

968

00:38:11,109 --> 00:38:08,560

a sort of way of behaving and they said

969

00:38:12,950 --> 00:38:11,119

we've got to take control of that and

970

00:38:16,069 --> 00:38:12,960

then we'll use it to spread

971

00:38:18,630 --> 00:38:16,079

our ideas now was

972

00:38:20,950 --> 00:38:18,640

thoroughly immoral they were admitting

973

00:38:23,589 --> 00:38:20,960

that they couldn't win at the ballot box

974

00:38:26,390 --> 00:38:23,599

so they what they were going to do is to

975

00:38:28,470 --> 00:38:26,400

make our educational system a banana a

976

00:38:31,030 --> 00:38:28,480

public educational system

977

00:38:32,150 --> 00:38:31,040

one where a government controls

978

00:38:35,589 --> 00:38:32,160

everything the citizens

979

00:38:39,829 --> 00:38:35,599

can can think and believe now

980

00:38:45,430 --> 00:38:43,430

break up the the whole

981

00:38:49,349 --> 00:38:45,440

structure they built up i mean to

982

00:38:51,030 --> 00:38:49,359

basically say to the universities

983

00:38:52,950 --> 00:38:51,040

you don't deserve the funding we're

984

00:38:54,710 --> 00:38:52,960

giving you because you're not using that

985

00:38:56,150 --> 00:38:54,720

money for the purpose that it's been

986

00:38:59,349 --> 00:38:56,160

given to you for

987

00:39:01,750 --> 00:38:59,359

so we're cutting off the money and

988

00:39:03,670 --> 00:39:01,760

uh you're going to have to fire all

989

00:39:05,670 --> 00:39:03,680

those people who have no academic

990

00:39:07,030 --> 00:39:05,680

qualifications but are only political

991

00:39:08,390 --> 00:39:07,040

activists

992

00:39:10,550 --> 00:39:08,400

you have to get rid of them and you're

993

00:39:13,030 --> 00:39:10,560

going to have to hire people who

994

00:39:15,349 --> 00:39:13,040

really care about developing students

995

00:39:18,069 --> 00:39:15,359

ability to think for themselves

996

00:39:18,630 --> 00:39:18,079

as opposed to thinking the way you want

997

00:39:24,150 --> 00:39:18,640

them

998

00:39:26,069 --> 00:39:24,160

because i'm in my mind i'm thinking

999

00:39:27,910 --> 00:39:26,079

about california naturally i'm thinking

1000

00:39:30,150 --> 00:39:27,920

well that ain't gonna happen anytime

1001

00:39:33,670 --> 00:39:30,160

soon because look who's in

1002

00:39:36,390 --> 00:39:33,680

leadership in sacramento um but

1003

00:39:36,790 --> 00:39:36,400

i i gotta assume that if you look at

1004

00:39:39,270 --> 00:39:36,800

more

1005

00:39:39,910 --> 00:39:39,280

red states whether it be texas or

1006

00:39:41,910 --> 00:39:39,920

florida

1007

00:39:43,270 --> 00:39:41,920

et cetera that the problem is not as bad

1008

00:39:46,390 --> 00:39:43,280

there

1009

00:39:47,829 --> 00:39:46,400

i think you have some chance in red

1010

00:39:52,230 --> 00:39:47,839

states

1011

00:39:53,670 --> 00:39:52,240

um because there will be the political

1012

00:39:55,910 --> 00:39:53,680

will

1013

00:39:57,910 --> 00:39:55,920

to do it you're saying the problem still

1014

00:40:00,230 --> 00:39:57,920

exists in these red states

1015

00:40:03,589 --> 00:40:00,240

oh yeah it exists everywhere no no

1016

00:40:06,710 --> 00:40:03,599

academia is a monolith

1017

00:40:09,990 --> 00:40:06,720

but just to put a fine point on it isn't

1018

00:40:14,470 --> 00:40:10,000

aren't the campuses in california worse

1019

00:40:20,309 --> 00:40:17,750

no no there i mean

1020

00:40:22,950 --> 00:40:20,319

i i know of two or three places i would

1021

00:40:24,309 --> 00:40:22,960

send children to but that's about all

1022

00:40:25,910 --> 00:40:24,319

uh what are those by the way because

1023

00:40:28,870 --> 00:40:25,920

that was going to be one of my questions

1024

00:40:31,670 --> 00:40:28,880

well hillsdale college

1025

00:40:33,430 --> 00:40:31,680

um and then grove city college which i

1026

00:40:37,829 --> 00:40:33,440

forget where that is but

1027

00:40:39,109 --> 00:40:37,839

just just a tiny handful hillsdale's in

1028

00:40:42,069 --> 00:40:39,119

new york isn't it

1029

00:40:42,790 --> 00:40:42,079

no uh hillsdale's in uh is it uh

1030

00:40:44,870 --> 00:40:42,800

michigan

1031

00:40:45,910 --> 00:40:44,880

i think okay so what is that a small

1032

00:40:50,470 --> 00:40:45,920

liberal arts school

1033

00:40:53,190 --> 00:40:50,480

resolute refused to take

1034

00:40:54,069 --> 00:40:53,200

uh federal money so the feds haven't

1035

00:40:57,190 --> 00:40:54,079

been able to

1036

00:40:59,589 --> 00:40:57,200

control them at all uh but no

1037

00:41:01,190 --> 00:40:59,599

the the problem is this the academic

1038

00:41:03,589 --> 00:41:01,200

world is

1039

00:41:04,710 --> 00:41:03,599

something of a unit you know the

1040

00:41:07,270 --> 00:41:04,720

attitudes

1041

00:41:09,109 --> 00:41:07,280

on one campus spread to another campus

1042

00:41:10,230 --> 00:41:09,119

very it's a little world of its own

1043

00:41:13,109 --> 00:41:10,240

academia

1044

00:41:13,829 --> 00:41:13,119

so take for example north carolina i

1045

00:41:16,630 --> 00:41:13,839

mean uh

1046

00:41:17,270 --> 00:41:16,640

you know it has a a university state

1047

00:41:20,470 --> 00:41:17,280

university

1048

00:41:23,510 --> 00:41:20,480

that

1049

00:41:26,870 --> 00:41:23,520

50 years ago ranked with

1050

00:41:29,109 --> 00:41:26,880

world-class universities and it's a

1051

00:41:30,790 --> 00:41:29,119

fairly you know moderately conservative

1052

00:41:32,390 --> 00:41:30,800

environment you'd think that that would

1053

00:41:36,230 --> 00:41:32,400

retain

1054

00:41:39,990 --> 00:41:36,240

more value than say california does

1055

00:41:41,670 --> 00:41:40,000

but it but it's it's it's not true i

1056

00:41:44,309 --> 00:41:41,680

mean

1057

00:41:45,670 --> 00:41:44,319

academic campuses influence each other

1058

00:41:47,750 --> 00:41:45,680

the standards

1059

00:41:50,390 --> 00:41:47,760

professors really like sheep i mean they

1060

00:41:52,390 --> 00:41:50,400

really do follow each other

1061

00:41:53,510 --> 00:41:52,400

so what you have to do though i think is

1062

00:41:56,710 --> 00:41:53,520

build on

1063

00:41:58,630 --> 00:41:56,720

situations in

1064

00:42:02,230 --> 00:41:58,640

red states where there is a political

1065

00:42:02,710 --> 00:42:02,240

will for the legislature to say we're

1066

00:42:04,710 --> 00:42:02,720

not

1067

00:42:06,710 --> 00:42:04,720

funding this anymore because this isn't

1068

00:42:08,069 --> 00:42:06,720

genuine higher education anymore

1069

00:42:09,990 --> 00:42:08,079

well that's the beauty of america and

1070

00:42:13,349 --> 00:42:10,000

having the 50 different states

1071

00:42:16,150 --> 00:42:13,359

so let me ask is there a state that has

1072

00:42:19,430 --> 00:42:16,160

attempted this yet

1073

00:42:22,550 --> 00:42:19,440

uh there were sort of glimmerings

1074

00:42:24,550 --> 00:42:22,560

here and there um but nothing and

1075

00:42:26,790 --> 00:42:24,560

nothing big nothing big time i mean the

1076

00:42:29,910 --> 00:42:26,800

one or two places that have

1077

00:42:32,630 --> 00:42:29,920

uh started to

1078

00:42:33,349 --> 00:42:32,640

introduce legislation to for example to

1079

00:42:36,470 --> 00:42:33,359

make

1080

00:42:38,630 --> 00:42:36,480

um free speech on campus mandatory you

1081

00:42:40,710 --> 00:42:38,640

know so you can't shout down

1082

00:42:43,270 --> 00:42:40,720

uh visiting speakers but that's really

1083

00:42:46,550 --> 00:42:43,280

pretty superficial stuff because

1084

00:42:48,309 --> 00:42:46,560

uh you could you can

1085

00:42:50,550 --> 00:42:48,319

protect visiting speakers from being

1086

00:42:51,750 --> 00:42:50,560

shouted down but that won't stop what's

1087

00:42:53,910 --> 00:42:51,760

happening in the classrooms

1088

00:42:55,670 --> 00:42:53,920

in other words the same radical

1089

00:42:57,190 --> 00:42:55,680

professors are still brainwashing

1090

00:42:59,589 --> 00:42:57,200

students in the classrooms

1091

00:43:00,309 --> 00:42:59,599

so this is an issue that that that cries

1092

00:43:03,430 --> 00:43:00,319

out

1093

00:43:03,910 --> 00:43:03,440

for a republican governor in one of

1094

00:43:07,910 --> 00:43:03,920

those

1095

00:43:11,190 --> 00:43:07,920

red states yeah make this a top priority

1096

00:43:13,589 --> 00:43:11,200

backed by a vibrant

1097

00:43:15,190 --> 00:43:13,599

public opinion the public opinion that

1098

00:43:17,670 --> 00:43:15,200

simply says to the governor

1099

00:43:19,829 --> 00:43:17,680

we want you to fix this problem because

1100

00:43:22,870 --> 00:43:19,839

our kids are not getting an education

1101

00:43:23,349 --> 00:43:22,880

now my feeling is this that once one

1102

00:43:29,910 --> 00:43:23,359

state

1103

00:43:32,710 --> 00:43:29,920

say the let's take just as an example

1104

00:43:33,750 --> 00:43:32,720

university of nebraska if that were to

1105

00:43:35,829 --> 00:43:33,760

be reformed

1106

00:43:37,109 --> 00:43:35,839

if radical activists would be shoved

1107

00:43:40,230 --> 00:43:37,119

aside and

1108

00:43:42,630 --> 00:43:40,240

serious academic teachers hired

1109

00:43:43,750 --> 00:43:42,640

it would be a magnet i mean all across

1110

00:43:45,510 --> 00:43:43,760

the country people

1111

00:43:47,270 --> 00:43:45,520

parents would know there's a real

1112

00:43:49,589 --> 00:43:47,280

education available here

1113

00:43:50,309 --> 00:43:49,599

i mean not a brainwashing right so your

1114

00:43:51,510 --> 00:43:50,319

kids

1115

00:43:53,589 --> 00:43:51,520

are going to be able to think for

1116

00:43:55,510 --> 00:43:53,599

themselves they're going to know

1117

00:43:57,030 --> 00:43:55,520

can you bet applications would go

1118

00:43:57,829 --> 00:43:57,040

through the roof to the university of

1119

00:44:00,710 --> 00:43:57,839

nebraska

1120

00:44:01,990 --> 00:44:00,720

that's right that's right and uh my

1121

00:44:05,990 --> 00:44:02,000

feeling is that it would be

1122

00:44:09,190 --> 00:44:06,000

so successful that then another

1123

00:44:13,190 --> 00:44:09,200

place maybe now maybe the university of

1124

00:44:16,309 --> 00:44:13,200

south dakota would be tempted to try it

1125

00:44:18,230 --> 00:44:16,319

once you get three or four

1126

00:44:19,349 --> 00:44:18,240

there will be a bad wagon effect i'm

1127

00:44:22,230 --> 00:44:19,359

sure and

1128

00:44:23,910 --> 00:44:22,240

because i think parents are not happy

1129

00:44:25,270 --> 00:44:23,920

with what's going on they're paying all

1130

00:44:27,109 --> 00:44:25,280

sorts of money

1131

00:44:29,109 --> 00:44:27,119

and they're getting kids that are just

1132

00:44:30,870 --> 00:44:29,119

brainwashed sometimes

1133

00:44:33,670 --> 00:44:30,880

kids come home from college and they're

1134

00:44:35,750 --> 00:44:33,680

estranged from their parents

1135

00:44:37,190 --> 00:44:35,760

because of this radical brainwashing so

1136

00:44:37,750 --> 00:44:37,200

i thought well yeah especially with the

1137

00:44:39,829 --> 00:44:37,760

canceled

1138

00:44:41,829 --> 00:44:39,839

culture i i had this happen recently

1139

00:44:43,349 --> 00:44:41,839

with a friend of mine who won't talk to

1140

00:44:45,510 --> 00:44:43,359

me anymore because

1141

00:44:46,790 --> 00:44:45,520

i suggested that the problem isn't

1142

00:44:48,710 --> 00:44:46,800

police brutality

1143

00:44:50,150 --> 00:44:48,720

in the black community the problem is

1144

00:44:51,829 --> 00:44:50,160

lack of black fathers

1145

00:44:54,470 --> 00:44:51,839

he considered that to be a racist

1146

00:44:55,910 --> 00:44:54,480

comment and uh i don't hear from it i'm

1147

00:44:58,710 --> 00:44:55,920

canceled i'm out

1148

00:44:59,349 --> 00:44:58,720

well i mean the general decay of the

1149

00:45:03,510 --> 00:44:59,359

support

1150

00:45:08,150 --> 00:45:03,520

system i mean for example uh

1151

00:45:12,309 --> 00:45:08,160

go back to uh what not yet 1900

1152

00:45:15,349 --> 00:45:12,319

lots of um irish immigrants

1153

00:45:17,030 --> 00:45:15,359

jewish immigrants italian immigrants who

1154

00:45:18,790 --> 00:45:17,040

are the have-nots of their day right

1155

00:45:21,109 --> 00:45:18,800

they're poor

1156

00:45:23,430 --> 00:45:21,119

and they count they don't count for much

1157

00:45:26,870 --> 00:45:23,440

in the social system

1158

00:45:29,109 --> 00:45:26,880

now because higher education was genuine

1159

00:45:29,990 --> 00:45:29,119

it i mean if you could get into a

1160

00:45:31,910 --> 00:45:30,000

college

1161

00:45:33,750 --> 00:45:31,920

you got a damn good education you got

1162

00:45:35,750 --> 00:45:33,760

taught to think for yourself

1163

00:45:37,030 --> 00:45:35,760

you got the equipment you needed to

1164

00:45:39,750 --> 00:45:37,040

succeed now

1165

00:45:41,190 --> 00:45:39,760

the result of that is that 50 years

1166

00:45:44,790 --> 00:45:41,200

later

1167

00:45:47,270 --> 00:45:44,800

you got presidents and senators

1168

00:45:48,790 --> 00:45:47,280

and supreme court justices from those

1169

00:45:53,910 --> 00:45:48,800

populations

1170

00:45:56,950 --> 00:45:53,920

now as of about i would say what 1950

1171

00:45:59,270 --> 00:45:56,960

1969 70

1172

00:46:00,150 --> 00:45:59,280

it was irish were already taken care of

1173

00:46:01,910 --> 00:46:00,160

they were

1174

00:46:04,069 --> 00:46:01,920

highly successful the italians were

1175

00:46:07,510 --> 00:46:04,079

highly successful and so on

1176

00:46:10,470 --> 00:46:07,520

but blacks it was their turn to move up

1177

00:46:11,349 --> 00:46:10,480

and what happened they got college

1178

00:46:14,950 --> 00:46:11,359

campuses

1179

00:46:17,349 --> 00:46:14,960

that were so corrupt and so politicized

1180

00:46:18,470 --> 00:46:17,359

that they didn't get an education and

1181

00:46:22,470 --> 00:46:18,480

part of what we're seeing

1182

00:46:26,390 --> 00:46:22,480

now is the the division

1183

00:46:29,750 --> 00:46:26,400

between minorities and the wider culture

1184

00:46:32,870 --> 00:46:29,760

is not going away if it should have been

1185

00:46:34,150 --> 00:46:32,880

had had those kids been getting minority

1186

00:46:37,510 --> 00:46:34,160

kids been getting

1187

00:46:38,150 --> 00:46:37,520

the first-rate education that the irish

1188

00:46:40,790 --> 00:46:38,160

of

1189

00:46:42,470 --> 00:46:40,800

100 years ago were getting they would

1190

00:46:45,109 --> 00:46:42,480

have moved up the ladder

1191

00:46:46,309 --> 00:46:45,119

and the society we live in would have

1192

00:46:49,589 --> 00:46:46,319

been racially

1193

00:46:51,589 --> 00:46:49,599

much more integrated much happier well

1194

00:46:53,829 --> 00:46:51,599

aren't you referring even more so in

1195

00:46:56,309 --> 00:46:53,839

that circumstance to k-12

1196

00:46:57,430 --> 00:46:56,319

yeah absolutely absolutely well but

1197

00:47:00,950 --> 00:46:57,440

because again

1198

00:47:01,270 --> 00:47:00,960

who trains the k-12 teachers academics

1199

00:47:04,630 --> 00:47:01,280

do

1200

00:47:05,670 --> 00:47:04,640

on college campuses so basically what

1201
00:47:07,829 --> 00:47:05,680
we've got is

1202
00:47:09,750 --> 00:47:07,839
a breakdown of higher education a

1203
00:47:10,790 --> 00:47:09,760
breakdown of elementary and high school

1204
00:47:13,750 --> 00:47:10,800
education

1205
00:47:14,390 --> 00:47:13,760
and who suffers most in that situation

1206
00:47:17,589 --> 00:47:14,400
well

1207
00:47:20,390 --> 00:47:17,599
the people whose turn it was to move

1208
00:47:21,270 --> 00:47:20,400
up through a first-rate education in

1209
00:47:24,630 --> 00:47:21,280
other words

1210
00:47:26,710 --> 00:47:24,640
minorities so what the radicals are

1211
00:47:29,270 --> 00:47:26,720
doing

1212
00:47:31,109 --> 00:47:29,280
the people they are most harming are

1213
00:47:33,430 --> 00:47:31,119

minorities

1214

00:47:35,109 --> 00:47:33,440

which is very very sad i mean when they

1215

00:47:38,230 --> 00:47:35,119

say black lives matter

1216

00:47:41,349 --> 00:47:38,240

the answer to that is yes they do

1217

00:47:42,790 --> 00:47:41,359

and that and they they matter so much

1218

00:47:44,870 --> 00:47:42,800

that you should

1219

00:47:47,270 --> 00:47:44,880

cut out your nonsense on the college

1220

00:47:50,150 --> 00:47:47,280

campuses and make sure those kids get a

1221

00:47:52,549 --> 00:47:50,160

decent education

1222

00:47:54,069 --> 00:47:52,559

yeah and i think these teachers unions

1223

00:47:56,630 --> 00:47:54,079

need to be called to account

1224

00:47:58,630 --> 00:47:56,640

especially in california where they seem

1225

00:48:01,109 --> 00:47:58,640

to be holding out

1226
00:48:01,990 --> 00:48:01,119
on agreeing to go back to teaching yeah

1227
00:48:05,430 --> 00:48:02,000
provided

1228
00:48:07,430 --> 00:48:05,440
uh you know the the la union

1229
00:48:08,710 --> 00:48:07,440
is demanding defunding of the police

1230
00:48:09,589 --> 00:48:08,720
before they're going to come back to

1231
00:48:11,750 --> 00:48:09,599
teach

1232
00:48:13,750 --> 00:48:11,760
yeah yeah well that's the radical

1233
00:48:14,390 --> 00:48:13,760
playbook you never let a crisis go to

1234
00:48:17,750 --> 00:48:14,400
waste

1235
00:48:20,710 --> 00:48:17,760
milk it for whatever you can uh and

1236
00:48:22,309 --> 00:48:20,720
your political goals come you know

1237
00:48:23,510 --> 00:48:22,319
always remember what your political

1238
00:48:26,069 --> 00:48:23,520

goals are

1239

00:48:27,670 --> 00:48:26,079

and uh advance them by any means

1240

00:48:29,670 --> 00:48:27,680

necessary right but i mean

1241

00:48:31,910 --> 00:48:29,680

these teachers unions in california they

1242

00:48:33,829 --> 00:48:31,920

are radical i mean the leaders of them

1243

00:48:34,549 --> 00:48:33,839

are very radical they are the number one

1244

00:48:37,670 --> 00:48:34,559

lobby group

1245

00:48:38,790 --> 00:48:37,680

in sacramento yeah they're the ones that

1246

00:48:40,309 --> 00:48:38,800

are dictating

1247

00:48:42,309 --> 00:48:40,319

you know the the terms of any

1248

00:48:43,109 --> 00:48:42,319

negotiation etc for their teachers i

1249

00:48:45,349 --> 00:48:43,119

gotta imagine

1250

00:48:47,190 --> 00:48:45,359

if you polled the actual teachers in

1251

00:48:48,790 --> 00:48:47,200

california i'll bet you the majority of

1252

00:48:51,750 --> 00:48:48,800

them would like to go back

1253

00:48:52,069 --> 00:48:51,760

and are ready to teach but the unions

1254

00:48:55,109 --> 00:48:52,079

are

1255

00:48:57,589 --> 00:48:55,119

using this to make political demands

1256

00:48:59,430 --> 00:48:57,599

yeah yeah because they're radical

1257

00:49:01,190 --> 00:48:59,440

leftists

1258

00:49:03,270 --> 00:49:01,200

and that's that's the way running

1259

00:49:06,069 --> 00:49:03,280

leftists work

1260

00:49:07,829 --> 00:49:06,079

they for the radical left you use

1261

00:49:10,069 --> 00:49:07,839

whatever comes to hand

1262

00:49:12,309 --> 00:49:10,079

to advance your political objectives and

1263

00:49:13,349 --> 00:49:12,319

it doesn't matter who you heard in the

1264

00:49:14,870 --> 00:49:13,359

process

1265

00:49:16,710 --> 00:49:14,880

and this is yet another example of

1266

00:49:17,750 --> 00:49:16,720

public dollars going to support this

1267

00:49:20,710 --> 00:49:17,760

because

1268

00:49:22,069 --> 00:49:20,720

it's our tax dollars that are paying

1269

00:49:23,829 --> 00:49:22,079

these teachers

1270

00:49:26,390 --> 00:49:23,839

that are giving their percentage to the

1271

00:49:29,510 --> 00:49:26,400

unions that are then lobbying

1272

00:49:32,710 --> 00:49:29,520

the state that pays them that's right

1273

00:49:34,069 --> 00:49:32,720

that's right so it's a and what in

1274

00:49:35,589 --> 00:49:34,079

universities

1275

00:49:38,710 --> 00:49:35,599

remind me are we dealing with unions

1276

00:49:41,670 --> 00:49:38,720

when it comes to professors or not

1277

00:49:42,710 --> 00:49:41,680

well um sort of and sort of not i mean

1278

00:49:45,910 --> 00:49:42,720

uh in this

1279

00:49:47,910 --> 00:49:45,920

in california now the state colleges

1280

00:49:49,829 --> 00:49:47,920

are una nice there's the american

1281

00:49:52,950 --> 00:49:49,839

federation of teachers

1282

00:49:55,990 --> 00:49:52,960

um i believe they still represent the

1283

00:49:56,950 --> 00:49:56,000

the professoriate of um of the state

1284

00:49:58,390 --> 00:49:56,960

college system

1285

00:49:59,750 --> 00:49:58,400

university california is slightly

1286

00:50:02,549 --> 00:49:59,760

different there's the faculty

1287

00:50:06,710 --> 00:50:02,559

association which is an independent

1288

00:50:09,910 --> 00:50:08,790

unless things have changed since i was

1289

00:50:13,190 --> 00:50:09,920

last involved

1290

00:50:15,030 --> 00:50:13,200

i mean i was once the president of

1291

00:50:17,349 --> 00:50:15,040

the faculty association santa cruz

1292

00:50:18,790 --> 00:50:17,359

campus um

1293

00:50:20,549 --> 00:50:18,800

but unless things have changed that's

1294

00:50:23,109 --> 00:50:20,559

still an independent group that's not

1295

00:50:25,109 --> 00:50:23,119

aligned with another union

1296

00:50:26,390 --> 00:50:25,119

um so i would say the university of

1297

00:50:30,230 --> 00:50:26,400

california

1298

00:50:34,390 --> 00:50:30,240

but this is just simply a an in-house

1299

00:50:37,030 --> 00:50:34,400

union that fairly represents

1300

00:50:39,030 --> 00:50:37,040

what the sentiment is of the faculty

1301

00:50:42,150 --> 00:50:39,040

which is radical anyway

1302

00:50:45,109 --> 00:50:42,160

but on the state college campuses

1303

00:50:45,990 --> 00:50:45,119

they're they're they're represented by a

1304

00:50:48,870 --> 00:50:46,000

union that has

1305

00:50:50,870 --> 00:50:48,880

wider ties i mean that that is that it

1306

00:50:53,190 --> 00:50:50,880

can be manipulated from outside the

1307

00:50:56,630 --> 00:50:53,200

university system

1308

00:51:00,150 --> 00:50:56,640

how do you read the politics of

1309

00:51:03,190 --> 00:51:00,160

college campuses not opening to

1310

00:51:03,750 --> 00:51:03,200

in-room education due to covid and k-12

1311

00:51:07,510 --> 00:51:03,760

not

1312

00:51:10,549 --> 00:51:07,520

opening well i suppose this

1313

00:51:11,910 --> 00:51:10,559

depends on the medical evidence and from

1314

00:51:14,790 --> 00:51:11,920

what i've read

1315

00:51:16,470 --> 00:51:14,800

there's no medical evidence whatsoever

1316

00:51:19,030 --> 00:51:16,480

that says

1317

00:51:19,990 --> 00:51:19,040

you should keep elementary and high

1318

00:51:23,430 --> 00:51:20,000

schools closed

1319

00:51:24,549 --> 00:51:23,440

may they looks to me as if the science

1320

00:51:26,309 --> 00:51:24,559

is clear on that

1321

00:51:28,549 --> 00:51:26,319

yeah well there's just to add to that

1322

00:51:31,910 --> 00:51:28,559

there there's been one

1323

00:51:34,069 --> 00:51:31,920

i repeat one confirmed coveted

1324

00:51:35,910 --> 00:51:34,079

death of someone under 19 years old it

1325

00:51:37,349 --> 00:51:35,920

was a 17 year old who had underlying

1326
00:51:38,390 --> 00:51:37,359
conditions and they haven't disclosed

1327
00:51:42,150 --> 00:51:38,400
what those are

1328
00:51:42,870 --> 00:51:42,160
so essentially no one let's just talk k

1329
00:51:46,150 --> 00:51:42,880
through 12

1330
00:51:47,589 --> 00:51:46,160
no one has died so whose health are we

1331
00:51:50,710 --> 00:51:47,599
concerned about

1332
00:51:51,270 --> 00:51:50,720
that what we're doing we're keeping our

1333
00:51:52,950 --> 00:51:51,280
kids

1334
00:51:55,109 --> 00:51:52,960
out because of the teachers well i just

1335
00:51:57,750 --> 00:51:55,119
flew on an american airlines flight

1336
00:51:58,710 --> 00:51:57,760
back from a little uh vacation and

1337
00:52:01,349 --> 00:51:58,720
there's

1338
00:52:03,109 --> 00:52:01,359

stewardess flight attendants working on

1339

00:52:04,230 --> 00:52:03,119

there

1340

00:52:07,030 --> 00:52:04,240

they're not complaining they're

1341

00:52:09,030 --> 00:52:07,040

represented by a union they're working

1342

00:52:10,790 --> 00:52:09,040

yeah no i i don't think there's any case

1343

00:52:15,430 --> 00:52:10,800

whatever for keeping uh

1344

00:52:19,030 --> 00:52:17,750

i think the same thing i i don't see why

1345

00:52:21,109 --> 00:52:19,040

you don't open them

1346

00:52:22,390 --> 00:52:21,119

so if there's no if you see no reason

1347

00:52:26,230 --> 00:52:22,400

then why

1348

00:52:29,349 --> 00:52:26,240

do you believe they're not opening

1349

00:52:32,630 --> 00:52:29,359

well it's probably political i think uh

1350

00:52:34,549 --> 00:52:32,640

at the moment the one the one starting

1351
00:52:36,309 --> 00:52:34,559
point you always have with college

1352
00:52:38,630 --> 00:52:36,319
campuses right now

1353
00:52:41,109 --> 00:52:38,640
is that they are deeply political so

1354
00:52:45,030 --> 00:52:41,119
they're motivated by political concerns

1355
00:52:45,670 --> 00:52:45,040
left radical concerns and once you start

1356
00:52:48,870 --> 00:52:45,680
from that

1357
00:52:51,030 --> 00:52:48,880
starting point then the question is what

1358
00:52:52,069 --> 00:52:51,040
is the particular political motivation

1359
00:52:55,190 --> 00:52:52,079
of this and

1360
00:52:57,910 --> 00:52:55,200
it's likely to be

1361
00:52:59,910 --> 00:52:57,920
something to do with the thinking that

1362
00:53:00,309 --> 00:52:59,920
politically it's to their advantage to

1363
00:53:03,430 --> 00:53:00,319

have

1364

00:53:03,990 --> 00:53:03,440

things closed yeah i'm not sure that's

1365

00:53:07,030 --> 00:53:04,000

actually

1366

00:53:08,549 --> 00:53:07,040

true because i think that the longer the

1367

00:53:14,549 --> 00:53:08,559

campuses

1368

00:53:15,990 --> 00:53:14,559

the more room there is for parents to

1369

00:53:19,430 --> 00:53:16,000

reconsider whether this

1370

00:53:22,230 --> 00:53:19,440

is worthwhile and the more

1371

00:53:23,990 --> 00:53:22,240

people will feel inclined to research

1372

00:53:26,950 --> 00:53:24,000

alternatives

1373

00:53:28,309 --> 00:53:26,960

so for example suppose your kid comes

1374

00:53:31,270 --> 00:53:28,319

home

1375

00:53:32,150 --> 00:53:31,280

and does his college work online which

1376

00:53:34,790 --> 00:53:32,160

is what

1377

00:53:35,670 --> 00:53:34,800

the university california and the state

1378

00:53:37,510 --> 00:53:35,680

college system

1379

00:53:38,870 --> 00:53:37,520

seem to be looking towards now for the

1380

00:53:41,910 --> 00:53:38,880

fourth quarter

1381

00:53:43,270 --> 00:53:41,920

so these kids are at home and they say

1382

00:53:46,470 --> 00:53:43,280

doing a course on

1383

00:53:48,390 --> 00:53:46,480

us history online

1384

00:53:51,109 --> 00:53:48,400

well the problem is their parents can

1385

00:53:53,990 --> 00:53:51,119

just sneak up behind them

1386

00:53:56,069 --> 00:53:54,000

and look and see what's happening and if

1387

00:53:58,549 --> 00:53:56,079

the history course they're getting is

1388

00:54:01,990 --> 00:53:58,559

based on the ideas of howard zinn

1389

00:54:04,549 --> 00:54:02,000

a deranged lunatic who hates the country

1390

00:54:06,069 --> 00:54:04,559

but whose textbook has sold two to three

1391

00:54:08,870 --> 00:54:06,079

million copies so

1392

00:54:10,069 --> 00:54:08,880

widely used in college campuses the

1393

00:54:12,309 --> 00:54:10,079

parents are not going to be very

1394

00:54:15,750 --> 00:54:12,319

impressed with that

1395

00:54:18,870 --> 00:54:15,760

and moreover the kids themselves

1396

00:54:20,470 --> 00:54:18,880

you know if i for me i'd feel inclined i

1397

00:54:21,910 --> 00:54:20,480

feel tempted to see what else is

1398

00:54:24,950 --> 00:54:21,920

available on the web

1399

00:54:28,150 --> 00:54:24,960

well on the web you can get for very

1400

00:54:30,870 --> 00:54:28,160

little money a hundred bucks a superb

1401

00:54:32,790 --> 00:54:30,880

course on american history by a

1402

00:54:34,630 --> 00:54:32,800

traditional professor one that really

1403

00:54:37,349 --> 00:54:34,640

teaches you something not just radical

1404

00:54:42,150 --> 00:54:39,190

and it seems to me that's going to be

1405

00:54:44,789 --> 00:54:42,160

very very subversive you know

1406

00:54:46,870 --> 00:54:44,799

once kids start to realize that there

1407

00:54:49,270 --> 00:54:46,880

are better alternatives

1408

00:54:49,910 --> 00:54:49,280

just staying at home using the web that

1409

00:54:53,030 --> 00:54:49,920

they'll

1410

00:54:56,630 --> 00:54:53,040

have a

1411

00:54:59,430 --> 00:54:56,640

an instructor who's first-rate uh

1412

00:55:01,109 --> 00:54:59,440

there's a real danger that the

1413

00:55:02,870 --> 00:55:01,119

enrollment in colleges

1414

00:55:04,630 --> 00:55:02,880

goes down yeah that's an interesting

1415

00:55:07,990 --> 00:55:04,640

observation i think is almost

1416

00:55:08,630 --> 00:55:08,000

guaranteed to to happen uh one last

1417

00:55:11,750 --> 00:55:08,640

question

1418

00:55:12,549 --> 00:55:11,760

you gave a recommendation for two

1419

00:55:14,150 --> 00:55:12,559

colleges

1420

00:55:15,670 --> 00:55:14,160

that students could go to if we're

1421

00:55:18,710 --> 00:55:15,680

talking about actually attending

1422

00:55:19,589 --> 00:55:18,720

college what about k-12 if you're a

1423

00:55:21,589 --> 00:55:19,599

parent

1424

00:55:23,190 --> 00:55:21,599

in light of the the state of key through

1425

00:55:27,030 --> 00:55:23,200

12 where do you send

1426
00:55:28,549 --> 00:55:27,040
your kid well there are two alternatives

1427
00:55:29,670 --> 00:55:28,559
one's home schooling if you have the

1428
00:55:32,549 --> 00:55:29,680
time for it

1429
00:55:33,190 --> 00:55:32,559
if the parents can manage to do it and

1430
00:55:37,430 --> 00:55:33,200
the other

1431
00:55:41,670 --> 00:55:37,440
is uh you know i have to confess that

1432
00:55:45,910 --> 00:55:44,230
there has always been one alternative

1433
00:55:49,270 --> 00:55:45,920
and that's as true

1434
00:55:51,750 --> 00:55:49,280
70 years ago as it is today

1435
00:55:53,589 --> 00:55:51,760
and that one alternative is catholic

1436
00:55:57,430 --> 00:55:53,599
schools

1437
00:56:00,829 --> 00:55:57,440
uh my father my family was

1438
00:56:04,549 --> 00:56:00,839

basically church of england i grew up in

1439

00:56:07,109 --> 00:56:04,559

england my father didn't hesitate

1440

00:56:09,589 --> 00:56:07,119

sending my sister to a catholic school

1441

00:56:10,069 --> 00:56:09,599

he knew she'd get a first-rate education

1442

00:56:13,349 --> 00:56:10,079

there

1443

00:56:17,190 --> 00:56:13,359

and she did and the

1444

00:56:19,270 --> 00:56:17,200

the sisters the nuns who taught her

1445

00:56:21,750 --> 00:56:19,280

doted on her though she was a protestant

1446

00:56:23,349 --> 00:56:21,760

she wasn't a catholic

1447

00:56:25,910 --> 00:56:23,359

and it worked very well and i think

1448

00:56:29,030 --> 00:56:25,920

that's still

1449

00:56:30,789 --> 00:56:29,040

i had

1450

00:56:33,349 --> 00:56:30,799

school-aged children i'd be looking at

1451

00:56:33,990 --> 00:56:33,359

that yeah well i kind of had a feeling

1452

00:56:35,829 --> 00:56:34,000

you might

1453

00:56:37,190 --> 00:56:35,839

suggest that um and it's certainly

1454

00:56:38,870 --> 00:56:37,200

something that i

1455

00:56:40,549 --> 00:56:38,880

had in mind but and i don't know how

1456

00:56:42,069 --> 00:56:40,559

much you follow this but i wonder

1457

00:56:44,309 --> 00:56:42,079

if we should be concerned about the

1458

00:56:46,549 --> 00:56:44,319

direction the catholic church is

1459

00:56:47,430 --> 00:56:46,559

taking as it it seems to embrace social

1460

00:56:50,470 --> 00:56:47,440

justice

1461

00:56:52,549 --> 00:56:50,480

yes yes i mean the the the

1462

00:56:54,150 --> 00:56:52,559

flaw in what i've just said is that

1463

00:56:57,750 --> 00:56:54,160

you've got to pick a catholic school

1464

00:57:00,470 --> 00:56:57,760

that's still a catholic school

1465

00:57:01,589 --> 00:57:00,480

and and unfortunately you have to be

1466

00:57:04,069 --> 00:57:01,599

able to afford it

1467

00:57:05,589 --> 00:57:04,079

um yeah i know you know the the the the

1468

00:57:08,390 --> 00:57:05,599

other option i guess you've got

1469

00:57:09,589 --> 00:57:08,400

is um am i getting the right is it uh

1470

00:57:13,109 --> 00:57:09,599

charter schools

1471

00:57:14,950 --> 00:57:13,119

and

1472

00:57:16,230 --> 00:57:14,960

yeah i would definitely look to charter

1473

00:57:19,510 --> 00:57:16,240

schools

1474

00:57:22,549 --> 00:57:19,520

but depends on the area you live in now

1475

00:57:25,589 --> 00:57:22,559

one thing i should mention before we uh

1476

00:57:27,829 --> 00:57:25,599

sign off is that something that

1477

00:57:28,789 --> 00:57:27,839

people don't seem to know i mean you

1478

00:57:31,829 --> 00:57:28,799

won't see it

1479

00:57:35,349 --> 00:57:31,839

commented on anywhere

1480

00:57:39,190 --> 00:57:35,359

and it's this that since

1481

00:57:42,309 --> 00:57:39,200

2011 as nine years ago

1482

00:57:47,190 --> 00:57:42,319

enrollment in higher education

1483

00:57:50,230 --> 00:57:47,200

is down from 20 and a half million

1484

00:57:50,870 --> 00:57:50,240

nine years ago to seventeen and a half

1485

00:57:53,270 --> 00:57:50,880

million

1486

00:57:54,309 --> 00:57:53,280

today that's why i never i never would

1487

00:57:57,349 --> 00:57:54,319

have guessed that

1488

00:57:58,390 --> 00:57:57,359

in the last 10 years were down about 15

1489

00:58:01,430 --> 00:57:58,400

percent

1490

00:58:02,870 --> 00:58:01,440

in higher education enrollment it's

1491

00:58:06,549 --> 00:58:02,880

actually worse than that

1492

00:58:07,750 --> 00:58:06,559

let me explain it's nine years in those

1493

00:58:11,829 --> 00:58:07,760

nine years

1494

00:58:17,910 --> 00:58:15,430

so uh actually

1495

00:58:18,870 --> 00:58:17,920

instead of the drop being from 20 and a

1496

00:58:24,870 --> 00:58:18,880

half

1497

00:58:25,589 --> 00:58:24,880

gone up to 21.5 to match the population

1498

00:58:27,589 --> 00:58:25,599

increase

1499

00:58:29,190 --> 00:58:27,599

so we're actually down from 21 and a

1500

00:58:32,950 --> 00:58:29,200

half to 17.5 so

1501

00:58:36,470 --> 00:58:32,960

that's 19 down

1502

00:58:39,510 --> 00:58:36,480

now you won't find this statistic

1503

00:58:40,789 --> 00:58:39,520

quoted anywhere in the in the national

1504

00:58:43,670 --> 00:58:40,799

press

1505

00:58:45,510 --> 00:58:43,680

people run away from it whenever anyone

1506

00:58:47,589 --> 00:58:45,520

mentions it

1507

00:58:49,270 --> 00:58:47,599

you hear people say oh well it's because

1508

00:58:50,230 --> 00:58:49,280

the population's getting older but

1509

00:58:52,309 --> 00:58:50,240

actually it's not true

1510

00:58:53,910 --> 00:58:52,319

i mean the population is getting older

1511

00:58:57,030 --> 00:58:53,920

but the cohort of the

1512

00:58:58,789 --> 00:58:57,040

uh you know the college age kids has not

1513

00:59:01,030 --> 00:58:58,799

changed very much recently

1514

00:59:02,950 --> 00:59:01,040

and certainly if it has changed it's

1515

00:59:05,030 --> 00:59:02,960

it's in the order of one percent or two

1516

00:59:08,309 --> 00:59:05,040

percent but not nineteen percent

1517

00:59:11,270 --> 00:59:08,319

now my point in saying this is this

1518

00:59:13,670 --> 00:59:11,280

parents are voting with their feet and

1519

00:59:16,950 --> 00:59:13,680

kids are voting at their feet

1520

00:59:22,549 --> 00:59:16,960

um the the thing is

1521

00:59:28,950 --> 00:59:26,069

the high visibility schools like harvard

1522

00:59:30,870 --> 00:59:28,960

yale university california

1523

00:59:32,789 --> 00:59:30,880

they can maintain their enrollment

1524

00:59:34,069 --> 00:59:32,799

because they had such large application

1525

00:59:36,950 --> 00:59:34,079

pools so they just did

1526
00:59:39,430 --> 00:59:36,960
dig deeper into their application pools

1527
00:59:41,829 --> 00:59:39,440
but the shortfall shows up heavily

1528
00:59:42,950 --> 00:59:41,839
at the bottom end so in the community

1529
00:59:46,150 --> 00:59:42,960
colleges it's

1530
00:59:49,270 --> 00:59:46,160
the the shortfall is much much greater

1531
00:59:52,549 --> 00:59:49,280
but this is really my point

1532
00:59:56,870 --> 00:59:52,559
suppose that 19 drop

1533
00:59:59,349 --> 00:59:56,880
gets up to 30 that's the point at which

1534
01:00:03,109 --> 00:59:59,359
you're going to see

1535
01:00:05,990 --> 01:00:03,119
fairly large number of schools closing

1536
01:00:08,870 --> 01:00:06,000
and that's when we'll see some kind of

1537
01:00:12,069 --> 01:00:08,880
reckoning i think

1538
01:00:12,470 --> 01:00:12,079

well that presupposes one thing and that

1539

01:00:14,710 --> 01:00:12,480

is

1540

01:00:15,510 --> 01:00:14,720

that the democrats don't take over both

1541

01:00:18,230 --> 01:00:15,520

houses

1542

01:00:19,030 --> 01:00:18,240

and the white house and make higher

1543

01:00:23,030 --> 01:00:19,040

education

1544

01:00:24,230 --> 01:00:23,040

free yes

1545

01:00:26,710 --> 01:00:24,240

because one thought i had as you were

1546

01:00:27,430 --> 01:00:26,720

saying is i think they're voting with

1547

01:00:28,630 --> 01:00:27,440

their feet

1548

01:00:30,230 --> 01:00:28,640

but one of the reasons they're voting

1549

01:00:31,109 --> 01:00:30,240

with their feet is it's gotten so damn

1550

01:00:33,270 --> 01:00:31,119

expensive

1551

01:00:34,710 --> 01:00:33,280

right yeah so you take that in and

1552

01:00:36,870 --> 01:00:34,720

perhaps

1553

01:00:39,670 --> 01:00:36,880

you've done a great job of explaining

1554

01:00:42,710 --> 01:00:39,680

why democrats want higher education

1555

01:00:45,430 --> 01:00:42,720

uh so badly to be free because that's

1556

01:00:47,750 --> 01:00:45,440

where everyone will be indoctrinated

1557

01:00:48,789 --> 01:00:47,760

now you have a point there yeah

1558

01:00:53,030 --> 01:00:48,799

definitely

1559

01:00:54,150 --> 01:00:53,040

uh the cost of making it free for

1560

01:00:57,349 --> 01:00:54,160

everybody would be

1561

01:01:00,710 --> 01:00:57,359

simply enormous i mean it would be a

1562

01:01:05,270 --> 01:01:00,720

it would bust the national budget uh

1563

01:01:07,270 --> 01:01:05,280

but um well it's scary that the federal

1564

01:01:07,910 --> 01:01:07,280

government is the one that holds all of

1565

01:01:09,910 --> 01:01:07,920

the debt

1566

01:01:11,430 --> 01:01:09,920

student loan debt to begin with you know

1567

01:01:12,470 --> 01:01:11,440

they took that over i believe that was

1568

01:01:14,630 --> 01:01:12,480

under obama

1569

01:01:16,630 --> 01:01:14,640

yeah so it's now in the hands of the

1570

01:01:19,109 --> 01:01:16,640

federal government to relieve that debt

1571

01:01:20,470 --> 01:01:19,119

so yeah they could that's something you

1572

01:01:21,109 --> 01:01:20,480

know you're going to hear some clamoring

1573

01:01:22,710 --> 01:01:21,119

for in

1574

01:01:24,710 --> 01:01:22,720

in the future at some point as it

1575

01:01:26,230 --> 01:01:24,720

reaches whatever help how many trillion
