

HIDDEN TRUTH SHOW WITH JIM BRESLO

LYDIA STAZEN

1
00:00:00,000 --> 00:00:05,510

[Music]

2
00:00:08,629 --> 00:00:06,150

and

3
00:00:10,070 --> 00:00:08,639

you think that absolutely it should be

4
00:00:12,230 --> 00:00:10,080

permitted to

5
00:00:13,509 --> 00:00:12,240

sleep on the sidewalks anywhere and

6
00:00:15,030 --> 00:00:13,519

everywhere so so

7
00:00:16,630 --> 00:00:15,040

so you when you're walking with your

8
00:00:17,990 --> 00:00:16,640

children you're totally fine with the

9
00:00:20,630 --> 00:00:18,000

idea that they may have to occasionally

10
00:00:23,189 --> 00:00:20,640

step over a homeless person

11
00:00:24,150 --> 00:00:23,199

so i wouldn't say i'm totally fine with

12
00:00:26,150 --> 00:00:24,160

that idea i think

13
00:00:28,150 --> 00:00:26,160

the the i think that homelessness is a

14

00:00:30,230 --> 00:00:28,160

really uncomfortable visible

15

00:00:32,069 --> 00:00:30,240

manifestation of poverty right but i

16

00:00:34,150 --> 00:00:32,079

also know from the from the literature

17

00:00:36,549 --> 00:00:34,160

review and from the best practice

18

00:00:38,389 --> 00:00:36,559

um that those types of laws just aren't

19

00:00:39,030 --> 00:00:38,399

effective in ending the in ending the

20

00:00:41,750 --> 00:00:39,040

problem

21

00:00:43,190 --> 00:00:41,760

um and so i would i would hope that well

22

00:00:44,229 --> 00:00:43,200

it may not and it may not end the

23

00:00:46,470 --> 00:00:44,239

problem and would

24

00:00:48,709 --> 00:00:46,480

focus their attention on the types of

25

00:00:52,389 --> 00:00:48,719

solutions that work

26

00:00:54,630 --> 00:00:52,399

so where where else are

27

00:00:55,990 --> 00:00:54,640

could homeless be permitted to sleep

28

00:00:57,270 --> 00:00:56,000

that would be

29

00:00:58,790 --> 00:00:57,280

i mean because you know you have

30

00:01:00,229 --> 00:00:58,800

long-term solutions and short-term

31

00:01:00,950 --> 00:01:00,239

solutions we need some short-term

32

00:01:03,349 --> 00:01:00,960

solutions that

33

00:01:04,789 --> 00:01:03,359

that guide us into longer-term solutions

34

00:01:06,230 --> 00:01:04,799

i mean what are some cities doing

35

00:01:08,469 --> 00:01:06,240

in your opinion that are working for

36

00:01:10,630 --> 00:01:08,479

instance are they taking a park

37

00:01:11,990 --> 00:01:10,640

and saying that you know this used to be

38

00:01:13,830 --> 00:01:12,000

a nice park where everybody

39

00:01:15,030 --> 00:01:13,840

played in but sorry we've got exited

40

00:01:16,469 --> 00:01:15,040

circumstances here

41

00:01:18,550 --> 00:01:16,479

we're going to make this park a homeless

42

00:01:21,030 --> 00:01:18,560

park for now no i think the solutions

43

00:01:23,749 --> 00:01:21,040

are low barrier shelters

44

00:01:25,590 --> 00:01:23,759

where people are engaged in effective

45

00:01:26,390 --> 00:01:25,600

street outreach move to low barrier

46

00:01:28,950 --> 00:01:26,400

shelters

47

00:01:30,469 --> 00:01:28,960

and then quickly moved on to better more

48

00:01:32,630 --> 00:01:30,479

permanent supportive options

49

00:01:34,310 --> 00:01:32,640

so but somehow and i don't know how

50

00:01:34,950 --> 00:01:34,320

chicago is doing on this but somehow

51

00:01:38,830 --> 00:01:34,960

chicago

52

00:01:41,990 --> 00:01:38,840

la is behind on having these low barrier

53

00:01:43,910 --> 00:01:42,000

shelters so they they need to be popular

54

00:01:45,830 --> 00:01:43,920

they're it's not a very popular strategy

55

00:01:48,069 --> 00:01:45,840

because people want to see

56

00:01:49,990 --> 00:01:48,079

um you know there's that idea that

57

00:01:51,670 --> 00:01:50,000

people ought to have fully kicked their

58

00:01:53,270 --> 00:01:51,680

substance use issue and their mental

59

00:01:54,550 --> 00:01:53,280

health issue before they're given a

60

00:01:58,230 --> 00:01:54,560

place to live

61

00:02:00,069 --> 00:01:58,240

and so it's it is a controversial um

62

00:02:01,830 --> 00:02:00,079

kind of suggestion to make but what we

63

00:02:03,590 --> 00:02:01,840

know about it is that it is

64

00:02:04,950 --> 00:02:03,600

effective in moving people off of the

65

00:02:07,590 --> 00:02:04,960

street and to be clear

66

00:02:09,749 --> 00:02:07,600

define low barrier shelter for us yeah

67

00:02:11,190 --> 00:02:09,759

so low barrier shelter means um

68

00:02:13,350 --> 00:02:11,200

you can come in with a partner of the

69

00:02:15,670 --> 00:02:13,360

different sects most shelters are

70

00:02:17,910 --> 00:02:15,680

are split by gender um so there's the

71

00:02:19,430 --> 00:02:17,920

the man's shelter in the women's shelter

72

00:02:21,110 --> 00:02:19,440

and so a low barrier shelter means a

73

00:02:22,229 --> 00:02:21,120

couple can come in together if they want

74

00:02:24,550 --> 00:02:22,239

to

75

00:02:26,070 --> 00:02:24,560

a low barrier shelter can mean that

76

00:02:27,190 --> 00:02:26,080

they're able to bring their dog or their

77

00:02:28,710 --> 00:02:27,200

cat in

78

00:02:30,630 --> 00:02:28,720

they don't have to be separated from

79

00:02:33,110 --> 00:02:30,640

from that animal and it can

80

00:02:34,630 --> 00:02:33,120

oftentimes mean a certain level of

81

00:02:36,949 --> 00:02:34,640

substance use

82

00:02:37,750 --> 00:02:36,959

but again what each community is able to

83

00:02:39,270 --> 00:02:37,760

to deal with

84

00:02:40,790 --> 00:02:39,280

might be different so you might see low

85

00:02:41,430 --> 00:02:40,800

barrier shelters where they don't allow

86

00:02:44,710 --> 00:02:41,440

a pet

87

00:02:46,630 --> 00:02:44,720

um but but our best practice

88

00:02:48,309 --> 00:02:46,640

is a low barrier shelter that allows for

89

00:02:49,670 --> 00:02:48,319

all of those things and then is staffed

90

00:02:52,869 --> 00:02:49,680

with extremely

91

00:02:55,350 --> 00:02:52,879

high quality high skilled staff members

92

00:02:58,470 --> 00:02:55,360

who are then able to engage that person

93

00:03:00,949 --> 00:02:58,480

in further services that get them

94

00:03:01,910 --> 00:03:00,959

moved more into the housing and you

95

00:03:04,390 --> 00:03:01,920

happen to know

96

00:03:06,070 --> 00:03:04,400

has la embraced this or been kind of

97

00:03:09,270 --> 00:03:06,080

opposed i have not

98

00:03:11,190 --> 00:03:09,280

i haven't looked into it in la um

99

00:03:13,110 --> 00:03:11,200

it would surprise me if they haven't you

100

00:03:15,910 --> 00:03:13,120

know started down the conversation

101
00:03:16,630 --> 00:03:15,920
um but but i don't know i can't answer

102
00:03:18,630 --> 00:03:16,640
that for you

103
00:03:20,070 --> 00:03:18,640
and what about as we look worldwide is

104
00:03:20,790 --> 00:03:20,080
there a particular country that you can

105
00:03:23,110 --> 00:03:20,800
point to

106
00:03:25,350 --> 00:03:23,120
that really seems to have this figured

107
00:03:26,550 --> 00:03:25,360
out that ought to be our role model

108
00:03:28,789 --> 00:03:26,560
you're not going to like the answer on

109
00:03:30,470 --> 00:03:28,799
this one it's finland

110
00:03:32,149 --> 00:03:30,480
they have a really strong national

111
00:03:33,030 --> 00:03:32,159
strategy that they've had in place for

112
00:03:34,149 --> 00:03:33,040
30 years

113
00:03:35,589 --> 00:03:34,159

remember in the beginning we were

114

00:03:37,190 --> 00:03:35,599

talking about those categories of

115

00:03:38,949 --> 00:03:37,200

homelessness

116

00:03:41,430 --> 00:03:38,959

they've eliminated the first one so they

117

00:03:42,710 --> 00:03:41,440

don't have street homelessness there in

118

00:03:46,149 --> 00:03:42,720

finland

119

00:03:49,670 --> 00:03:46,159

they do have some shelters which which

120

00:03:51,190 --> 00:03:49,680

um um so they can

121

00:03:52,789 --> 00:03:51,200

they can identify people before they

122

00:03:54,949 --> 00:03:52,799

come street homeless move them into the

123

00:03:57,910 --> 00:03:54,959

shelter for the temporary situation

124

00:03:59,190 --> 00:03:57,920

and then they work with them to um to to

125

00:03:59,910 --> 00:03:59,200

make sure they're moving quickly from

126
00:04:03,990 --> 00:03:59,920
those shelters

127
00:04:07,030 --> 00:04:04,000
into permanent um accommodation okay so

128
00:04:07,509 --> 00:04:07,040
walk walk us through how they've been

129
00:04:09,429 --> 00:04:07,519
able

130
00:04:10,949 --> 00:04:09,439
to do it is this something that they had

131
00:04:11,589 --> 00:04:10,959
a problem and then they said 30 years

132
00:04:14,390 --> 00:04:11,599
ago

133
00:04:15,830 --> 00:04:14,400
finland said housing is a right for our

134
00:04:17,509 --> 00:04:15,840
citizens and we're going to make sure

135
00:04:19,670 --> 00:04:17,519
that they all have access to it

136
00:04:22,230 --> 00:04:19,680
because that's what they deserve and so

137
00:04:26,390 --> 00:04:22,240
the fourth largest landlord in finland

138
00:04:28,870 --> 00:04:26,400

is an ngo and so that ngo buys

139

00:04:30,150 --> 00:04:28,880

property off the market uh sets it aside

140

00:04:32,710 --> 00:04:30,160

and preserves it

141

00:04:34,790 --> 00:04:32,720

um in every community for people who are

142

00:04:37,030 --> 00:04:34,800

experiencing homelessness

143

00:04:38,310 --> 00:04:37,040

okay is it legal to sleep on the

144

00:04:41,990 --> 00:04:38,320

sidewalk there

145

00:04:45,909 --> 00:04:42,000

yeah it is so so you've got all

146

00:04:47,670 --> 00:04:45,919

this housing that's provided for

147

00:04:49,189 --> 00:04:47,680

that that that to the point where you've

148

00:04:51,590 --> 00:04:49,199

got zero homeless problem but you saw

149

00:04:53,189 --> 00:04:51,600

people sleeping on the sidewalk

150

00:04:55,350 --> 00:04:53,199

sorry i can't hear you the trains going

151
00:04:57,030 --> 00:04:55,360
by can you repeat the question

152
00:04:58,550 --> 00:04:57,040
despite the fact that you say that they

153
00:04:59,270 --> 00:04:58,560
essentially have no homeless problem and

154
00:05:00,310 --> 00:04:59,280
they've

155
00:05:02,390 --> 00:05:00,320
taken care of it through

156
00:05:03,909 --> 00:05:02,400
government-provided housing they still

157
00:05:07,189 --> 00:05:03,919
have people sleeping on the sidewalk

158
00:05:09,029 --> 00:05:07,199
no they don't but it's legal too okay

159
00:05:10,710 --> 00:05:09,039
because there's no law against it is

160
00:05:12,150 --> 00:05:10,720
what i'm saying they've never had to

161
00:05:15,029 --> 00:05:12,160
make that law

162
00:05:17,830 --> 00:05:15,039
and so if i'm the moot point because

163
00:05:21,189 --> 00:05:17,840

they focused on the solutions

164

00:05:21,830 --> 00:05:21,199

well it's it's moot if people are going

165

00:05:23,590 --> 00:05:21,840

to them but

166

00:05:25,430 --> 00:05:23,600

people still oftentimes have a lot of

167

00:05:28,310 --> 00:05:25,440

reason to not want to

168

00:05:29,909 --> 00:05:28,320

be in those situations so bottom line

169

00:05:31,670 --> 00:05:29,919

you're saying that

170

00:05:33,270 --> 00:05:31,680

it exists or it doesn't exist in finland

171

00:05:36,070 --> 00:05:33,280

as far as you know so

172

00:05:37,510 --> 00:05:36,080

it doesn't exist in street homelessness

173

00:05:39,110 --> 00:05:37,520

in the street homelessness category

174

00:05:41,430 --> 00:05:39,120

there's a small number of people

175

00:05:43,189 --> 00:05:41,440

that that that are living in shelters so

176

00:05:44,310 --> 00:05:43,199

that category of temporary and crisis

177

00:05:46,150 --> 00:05:44,320

accommodation

178

00:05:48,310 --> 00:05:46,160

and then when you actually ask people

179

00:05:49,830 --> 00:05:48,320

who are working in the sector in finland

180

00:05:51,510 --> 00:05:49,840

how many people are homeless

181

00:05:53,270 --> 00:05:51,520

um they say five thousand i say how can

182

00:05:54,710 --> 00:05:53,280

that be you you don't have any street

183

00:05:57,430 --> 00:05:54,720

homelessness and so they are

184

00:05:59,110 --> 00:05:57,440

they have now expanded their definition

185

00:06:00,469 --> 00:05:59,120

and they are focusing on people who are

186

00:06:02,550 --> 00:06:00,479

living doubled up

187

00:06:04,469 --> 00:06:02,560

and so that's their goal now to make

188

00:06:06,230 --> 00:06:04,479

sure that all of those people

189

00:06:08,550 --> 00:06:06,240

have homes of their own which i think is

190

00:06:10,390 --> 00:06:08,560

a really uh beautiful example of how you

191

00:06:12,550 --> 00:06:10,400

can be expanding that definition

192

00:06:14,230 --> 00:06:12,560

and continuing to help people who who

193

00:06:15,830 --> 00:06:14,240

are in need once you've solved it for

194

00:06:16,710 --> 00:06:15,840

those who are most vulnerable and most

195

00:06:18,710 --> 00:06:16,720

at risk

196

00:06:19,990 --> 00:06:18,720

so what tell me what that would look

197

00:06:22,710 --> 00:06:20,000

like in the u.s

198

00:06:23,590 --> 00:06:22,720

if we were to try to implement this yeah

199

00:06:26,870 --> 00:06:23,600

well

200

00:06:28,550 --> 00:06:26,880

i think we would first really focus on

201
00:06:30,629 --> 00:06:28,560
people who are living on the street and

202
00:06:32,150 --> 00:06:30,639
we would focus on on prevention

203
00:06:34,629 --> 00:06:32,160
right so what is caught what are the

204
00:06:36,230 --> 00:06:34,639
drivers into homelessness um

205
00:06:37,830 --> 00:06:36,240
that we can we can look at with

206
00:06:39,670 --> 00:06:37,840
preventative strategies to make sure

207
00:06:40,550 --> 00:06:39,680
that the number of people becoming

208
00:06:42,710 --> 00:06:40,560
street homeless

209
00:06:44,230 --> 00:06:42,720
gets less and less over time then i

210
00:06:46,230 --> 00:06:44,240
think we would be focusing on

211
00:06:48,710 --> 00:06:46,240
the effective street outreach including

212
00:06:51,029 --> 00:06:48,720
the low barrier shelters quickly moving

213
00:06:54,390 --> 00:06:51,039

people off the street and into that

214

00:06:56,150 --> 00:06:54,400

temporary crisis accommodation um

215

00:06:57,430 --> 00:06:56,160

and then but but that's what you and i

216

00:06:59,670 --> 00:06:57,440

have acknowledged is

217

00:07:02,070 --> 00:06:59,680

is is tricky though getting these people

218

00:07:04,309 --> 00:07:02,080

off oh this is not easy work but it

219

00:07:06,390 --> 00:07:04,319

can't be done and we have a

220

00:07:07,350 --> 00:07:06,400

solid evidence base for the best ways of

221

00:07:10,950 --> 00:07:07,360

doing that

222

00:07:12,469 --> 00:07:10,960

not yet commonplace

223

00:07:14,070 --> 00:07:12,479

so that's what we really need to focus

224

00:07:17,189 --> 00:07:14,080

on as a sector is making those

225

00:07:17,990 --> 00:07:17,199

those best um you know effective street

226

00:07:19,670 --> 00:07:18,000

outreach

227

00:07:21,029 --> 00:07:19,680

practices happening in more and more

228

00:07:23,110 --> 00:07:21,039

places and then

229

00:07:25,670 --> 00:07:23,120

the the person would be taken off the

230

00:07:27,189 --> 00:07:25,680

street and put into

231

00:07:30,390 --> 00:07:27,199

directly into permanent housing if

232

00:07:33,510 --> 00:07:30,400

you're following the finish model

233

00:07:35,589 --> 00:07:33,520

so they they spend some time in

234

00:07:37,350 --> 00:07:35,599

in shelters doing assessments to figure

235

00:07:38,870 --> 00:07:37,360

out like what it is that they

236

00:07:40,469 --> 00:07:38,880

what it is that they need and then

237

00:07:42,309 --> 00:07:40,479

they'll match that person with whatever

238

00:07:44,469 --> 00:07:42,319

their housing solution is so i think for

239

00:07:47,270 --> 00:07:44,479

some of them it's for people who have

240

00:07:49,029 --> 00:07:47,280

you know the recurring um sort of

241

00:07:51,270 --> 00:07:49,039

compounding health or mental health

242

00:07:53,189 --> 00:07:51,280

issues that might mean permanent

243

00:07:55,029 --> 00:07:53,199

housing and supports for them other

244

00:07:57,909 --> 00:07:55,039

people need some some temporary

245

00:07:58,950 --> 00:07:57,919

some temporary or reduced support to get

246

00:08:02,070 --> 00:07:58,960

back on their feet

247

00:08:03,909 --> 00:08:02,080

um so so it just is dependent on what

248

00:08:07,990 --> 00:08:03,919

that person needs but it's not

249

00:08:09,990 --> 00:08:08,000

you know yeah and then ultimately

250

00:08:11,589 --> 00:08:10,000

if you're what below a certain income

251
00:08:13,510 --> 00:08:11,599
level then

252
00:08:14,790 --> 00:08:13,520
is it government housing is provided for

253
00:08:16,790 --> 00:08:14,800
free or is it

254
00:08:19,430 --> 00:08:16,800
discounted based upon your income level

255
00:08:20,629 --> 00:08:19,440
or what i'm not sure all the ins and

256
00:08:23,830 --> 00:08:20,639
outs of it but i

257
00:08:27,189 --> 00:08:23,840
think that um

258
00:08:29,350 --> 00:08:27,199
they still believe that the person

259
00:08:31,029 --> 00:08:29,360
should sign the lease

260
00:08:32,550 --> 00:08:31,039
and that person should still pay for

261
00:08:34,469 --> 00:08:32,560
their you know the 30

262
00:08:36,790 --> 00:08:34,479
or whatever that month and so it might

263
00:08:38,550 --> 00:08:36,800

mean that if a person is getting

264

00:08:40,709 --> 00:08:38,560

government benefits they're still taking

265

00:08:42,149 --> 00:08:40,719

that benefit writing the check

266

00:08:44,070 --> 00:08:42,159

making that payment because there's

267

00:08:46,150 --> 00:08:44,080

something very sort of dignified about

268

00:08:49,030 --> 00:08:46,160

that right like i have this lease

269

00:08:50,389 --> 00:08:49,040

i write this check um it may not matter

270

00:08:52,550 --> 00:08:50,399

if that's a if that's an

271

00:08:54,230 --> 00:08:52,560

employer paying that that money or if

272

00:08:55,190 --> 00:08:54,240

it's a social benefit that's coming and

273

00:08:56,870 --> 00:08:55,200

paying that money

274

00:08:58,949 --> 00:08:56,880

um but that has been something that

275

00:09:01,910 --> 00:08:58,959

they've found really um

276

00:09:03,509 --> 00:09:01,920

to be really important in their model um

277

00:09:05,990 --> 00:09:03,519

that that person feels ownership over

278

00:09:08,230 --> 00:09:06,000

writing that rent check every month

279

00:09:10,070 --> 00:09:08,240

and where have they been building these

280

00:09:11,110 --> 00:09:10,080

these housing units

281

00:09:13,350 --> 00:09:11,120

i don't know that they're building

282

00:09:15,030 --> 00:09:13,360

housing units um but they

283

00:09:16,710 --> 00:09:15,040

are they're buying them off of the off

284

00:09:18,150 --> 00:09:16,720

of the free market um and then

285

00:09:20,790 --> 00:09:18,160

preserving them for people who

286

00:09:22,550 --> 00:09:20,800

who need that permanent support that's

287

00:09:24,710 --> 00:09:22,560

sort of about the prevention of

288

00:09:26,470 --> 00:09:24,720

or the uh preservation of housing for

289

00:09:27,750 --> 00:09:26,480

people in need

290

00:09:29,030 --> 00:09:27,760

i got to go back to one thing you said

291

00:09:30,470 --> 00:09:29,040

because it was pretty controversial but

292

00:09:32,070 --> 00:09:30,480

i let it go at the time and that that is

293

00:09:35,030 --> 00:09:32,080

when you talked about systemic

294

00:09:35,350 --> 00:09:35,040

reasons you put racism number one what

295

00:09:37,430 --> 00:09:35,360

what

296

00:09:38,630 --> 00:09:37,440

how do you relate racism to uh

297

00:09:40,470 --> 00:09:38,640

homelessness

298

00:09:41,990 --> 00:09:40,480

yeah so when you look at sort of those

299

00:09:43,910 --> 00:09:42,000

um the

300

00:09:45,910 --> 00:09:43,920

the intersections of people who are the

301
00:09:48,230 --> 00:09:45,920
most likely to become homeless

302
00:09:50,070 --> 00:09:48,240
um at least in the unit well it's

303
00:09:51,670 --> 00:09:50,080
actually true in almost all communities

304
00:09:55,509 --> 00:09:51,680
that regardless of what you're

305
00:09:56,230 --> 00:09:55,519
um kind of so like in canada for example

306
00:09:59,509 --> 00:09:56,240
people who

307
00:09:59,829 --> 00:09:59,519
are um first nations are more likely to

308
00:10:01,509 --> 00:09:59,839
be

309
00:10:03,350 --> 00:10:01,519
overly represented in the issue of

310
00:10:04,470 --> 00:10:03,360
homelessness in canada it's people who

311
00:10:06,150 --> 00:10:04,480
are aboriginal

312
00:10:07,670 --> 00:10:06,160
um in the united states it's people who

313
00:10:09,269 --> 00:10:07,680

are african-american

314

00:10:10,710 --> 00:10:09,279

when you look at the statistics they're

315

00:10:12,790 --> 00:10:10,720

overly represented

316

00:10:14,710 --> 00:10:12,800

um in the people who become homeless and

317

00:10:15,350 --> 00:10:14,720

so that you know indicates that there

318

00:10:17,350 --> 00:10:15,360

are some

319

00:10:18,470 --> 00:10:17,360

um systemic issues that are causing

320

00:10:19,350 --> 00:10:18,480

these sorts of things housing

321

00:10:21,190 --> 00:10:19,360

discrimination

322

00:10:22,790 --> 00:10:21,200

that type of thing that we need to make

323

00:10:24,949 --> 00:10:22,800

sure that we're really

324

00:10:25,829 --> 00:10:24,959

taking a hard look at and making sure

325

00:10:27,190 --> 00:10:25,839

that

326

00:10:30,069 --> 00:10:27,200

you know no matter what the color of

327

00:10:31,509 --> 00:10:30,079

your skin is you have the same access to

328

00:10:34,550 --> 00:10:31,519

housing and services

329

00:10:35,030 --> 00:10:34,560

um as anyone else okay i understand

330

00:10:37,910 --> 00:10:35,040

though

331

00:10:38,389 --> 00:10:37,920

you're not necessarily saying that it's

332

00:10:42,389 --> 00:10:38,399

result

333

00:10:43,670 --> 00:10:42,399

intentional discrimination against

334

00:10:44,230 --> 00:10:43,680

somebody based on the color of their

335

00:10:45,750 --> 00:10:44,240

skin

336

00:10:47,030 --> 00:10:45,760

you suggest well i think that i mean

337

00:10:49,030 --> 00:10:47,040

that can happen in terms of housing

338

00:10:51,430 --> 00:10:49,040

discrimination

339

00:10:52,710 --> 00:10:51,440

like if you're you know look if you're

340

00:10:53,110 --> 00:10:52,720

if you're looking for an apartment and

341

00:10:55,509 --> 00:10:53,120

you've

342

00:10:56,710 --> 00:10:55,519

found one that um you know is within

343

00:10:58,870 --> 00:10:56,720

what you can afford

344

00:11:00,310 --> 00:10:58,880

and you might be discriminated against i

345

00:11:01,990 --> 00:11:00,320

mean we can't rule that out

346

00:11:03,430 --> 00:11:02,000

right we know that's illegal and you can

347

00:11:04,150 --> 00:11:03,440

sue for that but it doesn't mean it

348

00:11:07,350 --> 00:11:04,160

doesn't

349

00:11:08,870 --> 00:11:07,360

happen so true

350

00:11:10,710 --> 00:11:08,880

but that's that's the type of racism

351
00:11:13,829 --> 00:11:10,720
you're talking about

352
00:11:15,110 --> 00:11:13,839
okay gotcha okay awesome tell me

353
00:11:17,430 --> 00:11:15,120
anything that i missed

354
00:11:18,389 --> 00:11:17,440
that that you really want to say or it's

355
00:11:20,710 --> 00:11:18,399
important message to

356
00:11:22,150 --> 00:11:20,720
to get across because as i said it's a

357
00:11:24,470 --> 00:11:22,160
complicated issue

358
00:11:25,430 --> 00:11:24,480
and we're grappling with it here in

359
00:11:27,430 --> 00:11:25,440
california

360
00:11:28,870 --> 00:11:27,440
and i don't think people frankly are

361
00:11:32,230 --> 00:11:28,880
really coalescing

362
00:11:34,790 --> 00:11:32,240
around a single solution yeah

363
00:11:36,389 --> 00:11:34,800

yeah i mean i guess what i would say is

364

00:11:39,269 --> 00:11:36,399

that um

365

00:11:42,230 --> 00:11:39,279

the issue is solvable and a lot of the

366

00:11:42,630 --> 00:11:42,240

solutions are common sense solutions and

367

00:11:45,829 --> 00:11:42,640

so

368

00:11:47,350 --> 00:11:45,839

i think rather than

369

00:11:49,509 --> 00:11:47,360

you know arguing about some of the

370

00:11:50,870 --> 00:11:49,519

nuances just bringing people together

371

00:11:52,310 --> 00:11:50,880

and saying this is the

372

00:11:53,990 --> 00:11:52,320

scope of the problem these are the

373

00:11:55,509 --> 00:11:54,000

factors um

374

00:11:57,750 --> 00:11:55,519

these are the solutions and it's going

375

00:11:59,670 --> 00:11:57,760

to take that whole society approach

376

00:12:01,590 --> 00:11:59,680

um to getting it done so everyone has a

377

00:12:02,949 --> 00:12:01,600

role let's figure out whose role is what

378

00:12:04,550 --> 00:12:02,959

and let's get it done

379

00:12:06,389 --> 00:12:04,560

thank you so much to lydia's thousand

380
