

**HIDDEN TRUTH SHOW
WITH JIM BRESLO**

DR. JEROME CORSI

1
00:00:00,000 --> 00:00:04,870

[Music]

2
00:00:08,790 --> 00:00:06,070
compare for us

3
00:00:09,669 --> 00:00:08,800
uh the the 60s radicals that you

4
00:00:12,709 --> 00:00:09,679
encountered

5
00:00:16,710 --> 00:00:12,719
and probably studied alongside of and

6
00:00:19,189 --> 00:00:16,720
and examined with with today's radicals

7
00:00:21,029 --> 00:00:19,199
well the and i met many of them too i've

8
00:00:22,070 --> 00:00:21,039
met bill ayers and talked to bill ayers

9
00:00:25,509 --> 00:00:22,080
uh

10
00:00:27,830 --> 00:00:25,519
the the 60s radicals were um

11
00:00:30,230 --> 00:00:27,840
more focused on the vietnam war that was

12
00:00:33,190 --> 00:00:30,240
their main focus they wanted to

13
00:00:35,350 --> 00:00:33,200

oppose the vietnam war of course martin

14

00:00:37,830 --> 00:00:35,360

luther king had raised the consciousness

15

00:00:39,910 --> 00:00:37,840

of the country on civil rights

16

00:00:41,270 --> 00:00:39,920

and he did it on a very different basis

17

00:00:46,150 --> 00:00:41,280

he wanted

18

00:00:48,470 --> 00:00:46,160

color blindness as it were

19

00:00:50,069 --> 00:00:48,480

where color would not be a determining

20

00:00:51,350 --> 00:00:50,079

characteristic and he made a big impact

21

00:00:53,189 --> 00:00:51,360

on the country i

22

00:00:55,029 --> 00:00:53,199

saw martin luther king i agreed with

23

00:00:57,590 --> 00:00:55,039

martin luther king

24

00:00:59,910 --> 00:00:57,600

but when jack kennedy was assassinated

25

00:01:03,750 --> 00:00:59,920

the politics of the united states became

26
00:01:05,750 --> 00:01:03,760
harder and more radicalized by 1965 the

27
00:01:08,950 --> 00:01:05,760
race riot started

28
00:01:11,030 --> 00:01:08,960
and we were going into vietnam in a big

29
00:01:12,789 --> 00:01:11,040
way

30
00:01:14,789 --> 00:01:12,799
lyndon johnson started that actually

31
00:01:16,550 --> 00:01:14,799
before kennedy was buried he started

32
00:01:19,109 --> 00:01:16,560
reversing the decisions and going into

33
00:01:20,950 --> 00:01:19,119
vietnam it's one almost the first policy

34
00:01:24,070 --> 00:01:20,960
decisions he did

35
00:01:26,310 --> 00:01:24,080
and um that radicalized the country uh

36
00:01:28,469 --> 00:01:26,320
the race riots in first in los angeles

37
00:01:30,390 --> 00:01:28,479
and watts and then in huff

38
00:01:31,749 --> 00:01:30,400

cleveland where i was so i got to see

39

00:01:34,310 --> 00:01:31,759

them up close

40

00:01:35,670 --> 00:01:34,320

began studying the i was in that would

41

00:01:37,350 --> 00:01:35,680

have been 1965

42

00:01:39,190 --> 00:01:37,360

66 i would have been a freshman and

43

00:01:42,310 --> 00:01:39,200

sophomore in college

44

00:01:44,469 --> 00:01:42,320

i began working on them and writing

45

00:01:46,550 --> 00:01:44,479

things and my

46

00:01:48,310 --> 00:01:46,560

professors wanted to publish my papers i

47

00:01:50,230 --> 00:01:48,320

was actually as an undergraduate writing

48

00:01:52,310 --> 00:01:50,240

things that got into print

49

00:01:54,149 --> 00:01:52,320

and i'd written i finally wrote i think

50

00:01:57,510 --> 00:01:54,159

three books as an undergraduate

51
00:01:58,469 --> 00:01:57,520
with my own name on them and several

52
00:02:00,950 --> 00:01:58,479
articles

53
00:02:02,230 --> 00:02:00,960
in law journals and other places i and

54
00:02:05,910 --> 00:02:02,240
got to

55
00:02:08,070 --> 00:02:05,920
do a lot of advanced work in the 60s on

56
00:02:13,030 --> 00:02:08,080
the race riots and on the anti-war

57
00:02:16,869 --> 00:02:13,040
protests these rise today

58
00:02:20,630 --> 00:02:16,879
are more of a true result of

59
00:02:22,309 --> 00:02:20,640
the universities having adopted this

60
00:02:26,710 --> 00:02:22,319
marxism which they have done

61
00:02:30,309 --> 00:02:26,720
and changing it into this social justice

62
00:02:33,589 --> 00:02:30,319
political theory and identity politics

63
00:02:36,630 --> 00:02:33,599

so this is much more ideologically based

64

00:02:39,830 --> 00:02:36,640

and the race crisis which the

65

00:02:41,110 --> 00:02:39,840

black lives matter is articulating is

66

00:02:44,790 --> 00:02:41,120

really

67

00:02:46,949 --> 00:02:44,800

not the magnitude of problem that

68

00:02:48,229 --> 00:02:46,959

uh racial discrimination was in the

69

00:02:50,550 --> 00:02:48,239

1960s

70

00:02:51,350 --> 00:02:50,560

i remember segregation as a child and i

71

00:02:54,550 --> 00:02:51,360

remember seeing

72

00:02:55,589 --> 00:02:54,560

separate colored uh which they called

73

00:02:58,149 --> 00:02:55,599

them at the time

74

00:03:00,470 --> 00:02:58,159

uh restaurants or eating facilities and

75

00:03:03,830 --> 00:03:00,480

washrooms and the like

76

00:03:05,910 --> 00:03:03,840

uh and there was true poverty and true

77

00:03:08,070 --> 00:03:05,920

economic discrimination in those years

78

00:03:10,390 --> 00:03:08,080

it's largely

79

00:03:12,710 --> 00:03:10,400

the laws have at least mitigated against

80

00:03:15,110 --> 00:03:12,720

that since 1965

81

00:03:16,949 --> 00:03:15,120

especially the voting rights act and

82

00:03:19,030 --> 00:03:16,959

several other pieces of legislation so

83

00:03:21,750 --> 00:03:19,040

today

84

00:03:23,750 --> 00:03:21,760

i think lyndon johnson's programs

85

00:03:25,830 --> 00:03:23,760

created a black dependency

86

00:03:27,830 --> 00:03:25,840

broke up black families i think daniel

87

00:03:29,589 --> 00:03:27,840

patrick moynihan was right

88

00:03:31,190 --> 00:03:29,599

when he warned lyndon johnson the aid

89

00:03:33,670 --> 00:03:31,200

for families with dependent children

90

00:03:35,509 --> 00:03:33,680

would cause families to break up in the

91

00:03:37,910 --> 00:03:35,519

black communities

92

00:03:38,630 --> 00:03:37,920

uh and i see this being much more of a

93

00:03:41,350 --> 00:03:38,640

race

94

00:03:42,149 --> 00:03:41,360

you know the the idea that we should uh

95

00:03:45,350 --> 00:03:42,159

take a knee

96

00:03:48,470 --> 00:03:45,360

to the black race is just another

97

00:03:49,990 --> 00:03:48,480

reverse form of racial discrimination so

98

00:03:53,110 --> 00:03:50,000

black lives matter is all about

99

00:03:54,390 --> 00:03:53,120

race and identity all about that with

100

00:03:58,149 --> 00:03:54,400

the ultimate goal though

101
00:04:00,949 --> 00:03:58,159
of implementing a progressive

102
00:04:02,070 --> 00:04:00,959
socialist communist uh system they want

103
00:04:05,110 --> 00:04:02,080
a revolution see

104
00:04:06,710 --> 00:04:05,120
the 60s failed to create the kind of

105
00:04:07,670 --> 00:04:06,720
revolution that ayers thought would

106
00:04:09,350 --> 00:04:07,680
result

107
00:04:10,710 --> 00:04:09,360
let me ask you though is it fair to say

108
00:04:13,190 --> 00:04:10,720
you mentioned the vietnam war was their

109
00:04:16,789 --> 00:04:13,200
primary objection but were they using

110
00:04:19,030 --> 00:04:16,799
the vietnam war to discredit the system

111
00:04:19,830 --> 00:04:19,040
and america in the same way today

112
00:04:22,150 --> 00:04:19,840
they're using

113
00:04:22,870 --> 00:04:22,160

systemic racism as the basis to

114

00:04:24,950 --> 00:04:22,880

discredit

115

00:04:26,310 --> 00:04:24,960

america with the ultimate goal of

116

00:04:28,950 --> 00:04:26,320

overthrowing the system

117

00:04:30,310 --> 00:04:28,960

yes i mean there was clearly that was

118

00:04:31,430 --> 00:04:30,320

where they were headed

119

00:04:33,430 --> 00:04:31,440

but there were two things that have

120

00:04:34,790 --> 00:04:33,440

happened since then one is you had a lot

121

00:04:39,590 --> 00:04:34,800

more of the

122

00:04:41,270 --> 00:04:39,600

writing of marxist analysis of history

123

00:04:42,950 --> 00:04:41,280

so the textbooks have been written with

124

00:04:44,550 --> 00:04:42,960

a marxist perspective

125

00:04:47,189 --> 00:04:44,560

you've had much more analysis of the

126

00:04:50,070 --> 00:04:47,199

civil war of slavery

127

00:04:51,189 --> 00:04:50,080

of the united states as a from a race

128

00:04:53,670 --> 00:04:51,199

perspective

129

00:04:56,230 --> 00:04:53,680

this is the kind of critical theory that

130

00:04:58,070 --> 00:04:56,240

led to social justice theory and you

131

00:05:00,230 --> 00:04:58,080

know john rawls was at harvard when i

132

00:05:03,189 --> 00:05:00,240

was there and i

133

00:05:05,029 --> 00:05:03,199

spent some time studying john rawls and

134

00:05:07,430 --> 00:05:05,039

he was all about justice as

135

00:05:10,230 --> 00:05:07,440

fairness that's where a lot of this

136

00:05:13,430 --> 00:05:10,240

start started from intellectually

137

00:05:16,469 --> 00:05:13,440

but the point is um today

138

00:05:18,230 --> 00:05:16,479

you're dealing with a uh a

139

00:05:19,830 --> 00:05:18,240

you don't have the same focus i mean

140

00:05:22,310 --> 00:05:19,840

when you go to say okay

141

00:05:23,590 --> 00:05:22,320

the the cases like this george floyd and

142

00:05:25,749 --> 00:05:23,600

these other cases

143

00:05:27,670 --> 00:05:25,759

there's only 10 or 15 of these incidents

144

00:05:30,950 --> 00:05:27,680

a year where white cops

145

00:05:34,710 --> 00:05:30,960

encounter an unarmed black male who

146

00:05:35,749 --> 00:05:34,720

is dies in the interaction so it's not

147

00:05:39,110 --> 00:05:35,759

like it was in

148

00:05:40,790 --> 00:05:39,120

vietnam where you had a universal draft

149

00:05:42,469 --> 00:05:40,800

and people were leaving and fighting and

150

00:05:45,110 --> 00:05:42,479

we were suffering 50 000

151
00:05:45,670 --> 00:05:45,120
deaths it was a very fundamentally

152
00:05:48,469 --> 00:05:45,680
different

153
00:05:49,430 --> 00:05:48,479
kind of crisis so theoretically there

154
00:05:53,270 --> 00:05:49,440
was

155
00:05:55,029 --> 00:05:53,280
more support for the movement at least

156
00:05:56,950 --> 00:05:55,039
in that sense as far as opposition to

157
00:06:00,309 --> 00:05:56,960
the vietnam war

158
00:06:01,990 --> 00:06:00,319
versus today um well i don't know i mean

159
00:06:04,830 --> 00:06:02,000
certainly when you see

160
00:06:06,070 --> 00:06:04,840
all these corporations jumping on the

161
00:06:07,990 --> 00:06:06,080
anti-racism

162
00:06:10,309 --> 00:06:08,000
black lives matter bandwagon you see the

163
00:06:13,029 --> 00:06:10,319

sports leagues jumping on the bandwagon

164

00:06:13,749 --> 00:06:13,039

they certainly have support in that

165

00:06:16,230 --> 00:06:13,759

sense

166

00:06:18,390 --> 00:06:16,240

whether they have yeah yeah it said so

167

00:06:20,070 --> 00:06:18,400

the uh the black lives matter has

168

00:06:22,469 --> 00:06:20,080

learned how to use some a lot of these

169

00:06:22,790 --> 00:06:22,479

techniques and they're more advanced on

170

00:06:30,150 --> 00:06:22,800

the

171

00:06:31,749 --> 00:06:30,160

and so ideologically you've got an echo

172

00:06:34,629 --> 00:06:31,759

chamber in the media which will not

173

00:06:35,670 --> 00:06:34,639

examine stories that are critical to the

174

00:06:38,790 --> 00:06:35,680

left

175

00:06:39,189 --> 00:06:38,800

and uh you've got with the corporations

176

00:06:43,350 --> 00:06:39,199

a

177

00:06:45,909 --> 00:06:43,360

wrong it's extortion in other words

178

00:06:47,830 --> 00:06:45,919

you know we won't ruin your brand

179

00:06:49,430 --> 00:06:47,840

provided you take a need of black lives

180

00:06:51,270 --> 00:06:49,440

matter and pay us money

181

00:06:53,510 --> 00:06:51,280

so we won't trash all your restaurants

182

00:06:55,909 --> 00:06:53,520

we won't trash your brand

183

00:06:57,430 --> 00:06:55,919

and corporations just use this they say

184

00:06:59,430 --> 00:06:57,440

well let's pay them

185

00:07:00,710 --> 00:06:59,440

you know did you see the lululemon

186

00:07:03,670 --> 00:07:00,720

example today

187

00:07:04,309 --> 00:07:03,680

no i haven't seen that lululemon uh yeah

188

00:07:07,189 --> 00:07:04,319

you know the

189

00:07:07,830 --> 00:07:07,199

activewear company 45 billion dollar

190

00:07:10,870 --> 00:07:07,840

company

191

00:07:11,270 --> 00:07:10,880

that's you know selling uh workout pants

192

00:07:14,950 --> 00:07:11,280

for

193

00:07:16,870 --> 00:07:14,960

promoting the end of

194

00:07:18,550 --> 00:07:16,880

capitalism and so on their website

195

00:07:21,749 --> 00:07:18,560

they're teaching courses

196

00:07:22,790 --> 00:07:21,759

about uh and and decolonizing i swear to

197

00:07:24,070 --> 00:07:22,800

god this is a term

198

00:07:27,029 --> 00:07:24,080

we got to figure this one out

199

00:07:28,230 --> 00:07:27,039

decolonizing gender

200

00:07:31,110 --> 00:07:28,240

whatever that do you know what that

201
00:07:33,909 --> 00:07:31,120
means oh yeah i i don't that's i

202
00:07:35,270 --> 00:07:33,919
look the and the social justice critical

203
00:07:37,830 --> 00:07:35,280
theory

204
00:07:38,309 --> 00:07:37,840
what they the whole thing stems from the

205
00:07:42,309 --> 00:07:38,319
idea

206
00:07:45,189 --> 00:07:42,319
that uh colonization slavery

207
00:07:45,749 --> 00:07:45,199
and in other words they it it's based on

208
00:07:48,150 --> 00:07:45,759
various

209
00:07:49,270 --> 00:07:48,160
french philosophers actually who say

210
00:07:51,270 --> 00:07:49,280
that

211
00:07:53,430 --> 00:07:51,280
all of these things like gender is a

212
00:07:54,550 --> 00:07:53,440
social construct it's only exist in

213
00:07:57,189 --> 00:07:54,560

words

214

00:08:00,309 --> 00:07:57,199

and so therefore with identity politics

215

00:08:02,710 --> 00:08:00,319

you're allowed to have your own identity

216

00:08:03,510 --> 00:08:02,720

whether that is not you know it's not

217

00:08:06,629 --> 00:08:03,520

sex because

218

00:08:07,350 --> 00:08:06,639

male and female but it's gender which

219

00:08:10,230 --> 00:08:07,360

means your

220

00:08:11,510 --> 00:08:10,240

orientation and then it can be past

221

00:08:13,830 --> 00:08:11,520

lives it can be

222

00:08:14,950 --> 00:08:13,840

animals it can be all kinds of weird

223

00:08:17,510 --> 00:08:14,960

things kind of

224

00:08:18,869 --> 00:08:17,520

and that's your identity and they're

225

00:08:22,150 --> 00:08:18,879

saying that

226

00:08:24,830 --> 00:08:22,160

uh the traditional male female

227

00:08:27,029 --> 00:08:24,840

heterosexual definitions are

228

00:08:29,350 --> 00:08:27,039

politicalizations the result from

229

00:08:30,950 --> 00:08:29,360

colonization so they're the oppressive

230

00:08:33,829 --> 00:08:30,960

terminology

231

00:08:34,870 --> 00:08:33,839

that we've been taught to accept as

232

00:08:37,230 --> 00:08:34,880

morals

233

00:08:39,029 --> 00:08:37,240

whereas their amorphous and largely

234

00:08:40,509 --> 00:08:39,039

incomprehensible

235

00:08:42,149 --> 00:08:40,519

definitions they get into things like

236

00:08:45,350 --> 00:08:42,159

intersectionality

237

00:08:47,990 --> 00:08:45,360

so you know you can be a black

238

00:08:48,389 --> 00:08:48,000

woman now you've got two complexes you

239

00:08:51,750 --> 00:08:48,399

know

240

00:08:53,750 --> 00:08:51,760

asian i got three okay and so

241

00:08:54,870 --> 00:08:53,760

we've got things interact yeah i know if

242

00:08:56,550 --> 00:08:54,880

you heard about this new law in

243

00:08:57,750 --> 00:08:56,560

california they had already passed a

244

00:08:59,829 --> 00:08:57,760

couple years ago that if you're a

245

00:09:01,910 --> 00:08:59,839

corporation formed in california

246

00:09:04,150 --> 00:09:01,920

um you you need to have at least one

247

00:09:05,670 --> 00:09:04,160

woman on the board oh sure

248

00:09:07,269 --> 00:09:05,680

diversity the oscars are going to have

249

00:09:09,829 --> 00:09:07,279

diversity requirements

250

00:09:12,230 --> 00:09:09,839

these things are i look at this first of

251
00:09:16,150 --> 00:09:13,990
it did not succeed with the revolution

252
00:09:16,949 --> 00:09:16,160
in the 1960s and it won't succeed here

253
00:09:18,389 --> 00:09:16,959
today

254
00:09:20,550 --> 00:09:18,399
because when you look at the reality of

255
00:09:22,070 --> 00:09:20,560
what antifa is and black lives matter

256
00:09:24,870 --> 00:09:22,080
defund the police

257
00:09:26,389 --> 00:09:24,880
and you see the chaotic violence that

258
00:09:27,910 --> 00:09:26,399
they're bringing into these democratic

259
00:09:30,150 --> 00:09:27,920
cities

260
00:09:31,590 --> 00:09:30,160
nobody is going to accept this who is

261
00:09:34,790 --> 00:09:31,600
mature and wants to

262
00:09:36,389 --> 00:09:34,800
understand civil society as a place in

263
00:09:38,310 --> 00:09:36,399

which you can live without these people

264

00:09:40,949 --> 00:09:38,320

coming and trashing your home and

265

00:09:42,070 --> 00:09:40,959

screaming in your face these groups

266

00:09:45,430 --> 00:09:42,080

begin to attract

267

00:09:48,870 --> 00:09:45,440

psychopaths violent psychopaths

268

00:09:50,870 --> 00:09:48,880

and they have a a cycle

269

00:09:53,190 --> 00:09:50,880

where they will reach intensity and i

270

00:09:55,190 --> 00:09:53,200

don't think we're the most intense yet

271

00:09:56,630 --> 00:09:55,200

but they produce a reaction people say

272

00:09:57,670 --> 00:09:56,640

i'm done with this

273

00:09:59,829 --> 00:09:57,680

you know we're going to move out of the

274

00:10:02,790 --> 00:09:59,839

city we're going to move on to new york

275

00:10:04,389 --> 00:10:02,800

uh we're going to reject all this

276

00:10:06,069 --> 00:10:04,399

because the architecting that these

277

00:10:08,069 --> 00:10:06,079

leftist groups wants

278

00:10:09,910 --> 00:10:08,079

our society in which nobody wants to

279

00:10:11,030 --> 00:10:09,920

live you know you're not going to have

280

00:10:12,630 --> 00:10:11,040

any first amendment you're not going to

281

00:10:15,030 --> 00:10:12,640

have any second amendment

282

00:10:16,790 --> 00:10:15,040

you're going to be forced to agree with

283

00:10:18,630 --> 00:10:16,800

our ideological agenda

284

00:10:19,910 --> 00:10:18,640

you're gonna set up a totalitarian state

285

00:10:21,590 --> 00:10:19,920

that'll tell you what you're permitted

286

00:10:23,350 --> 00:10:21,600

to think and will track and follow you

287

00:10:25,990 --> 00:10:23,360

everywhere you go

288

00:10:28,150 --> 00:10:26,000

people forget that the fascism was an

289

00:10:31,030 --> 00:10:28,160

ideology of the left

290

00:10:32,310 --> 00:10:31,040

both of the uh control ideologies coming

291

00:10:35,590 --> 00:10:32,320

out of

292

00:10:39,590 --> 00:10:35,600

nazi germany communism and

293

00:10:40,949 --> 00:10:39,600

also nazism the nazis were national

294

00:10:43,910 --> 00:10:40,959

socialists

295

00:10:45,509 --> 00:10:43,920

they just had difference the communists

296

00:10:48,389 --> 00:10:45,519

believed that there should not be no

297

00:10:49,829 --> 00:10:48,399

private property at all the nazis were

298

00:10:51,829 --> 00:10:49,839

happy with private property they just

299

00:10:53,670 --> 00:10:51,839

wanted multinational corporations to be

300

00:10:57,030 --> 00:10:53,680

controlled by the government

301
00:10:59,509 --> 00:10:57,040
in a sense we are more nazi than we are

302
00:11:00,150 --> 00:10:59,519
communist and the attempt to make the

303
00:11:03,190 --> 00:11:00,160
united states

304
00:11:05,509 --> 00:11:03,200
communist has been a failing attempt uh

305
00:11:07,990 --> 00:11:05,519
because again while we've become more

306
00:11:09,670 --> 00:11:08,000
authoritarian and we've gotten far more

307
00:11:10,389 --> 00:11:09,680
government control than i'm comfortable

308
00:11:14,870 --> 00:11:10,399
with

309
00:11:17,190 --> 00:11:14,880
even today uh people do not want to live

310
00:11:18,389 --> 00:11:17,200
in what is essentially a maoist cultural

311
00:11:19,670 --> 00:11:18,399
revolution

312
00:11:20,949 --> 00:11:19,680
and if you started the cultural

313
00:11:21,910 --> 00:11:20,959

revolution you know it was complete

314

00:11:23,190 --> 00:11:21,920

chaos

315

00:11:25,910 --> 00:11:23,200

they destroyed a whole group of the

316

00:11:27,509 --> 00:11:25,920

intelligentsia they destroyed culture

317

00:11:29,990 --> 00:11:27,519

and history in china

318

00:11:31,430 --> 00:11:30,000

and it was very very destructive these

319

00:11:33,509 --> 00:11:31,440

movements on the left end up

320

00:11:34,550 --> 00:11:33,519

killing millions of people and i'm

321

00:11:37,110 --> 00:11:34,560

hoping that this

322

00:11:38,870 --> 00:11:37,120

will open people's eyes enough have a

323

00:11:41,350 --> 00:11:38,880

great awakening where we can reject

324

00:11:43,910 --> 00:11:41,360

these ideologies once and for ever

325

00:11:44,949 --> 00:11:43,920

as malware the type of thinking you get

326

00:11:46,470 --> 00:11:44,959

in your brain

327

00:11:48,470 --> 00:11:46,480

and just like malware in a computer

328

00:11:50,470 --> 00:11:48,480

stops the computer working these

329

00:11:53,190 --> 00:11:50,480

political ideologies are malware

330

00:11:54,470 --> 00:11:53,200

politically in the brain

331

00:11:55,829 --> 00:11:54,480

yeah well they've they've kind of

332

00:11:56,389 --> 00:11:55,839

achieved i don't know what percent you

333

00:11:58,629 --> 00:11:56,399

would put

334

00:12:00,870 --> 00:11:58,639

on it but certainly as far as changing

335

00:12:01,990 --> 00:12:00,880

history and in culture and so on they at

336

00:12:03,990 --> 00:12:02,000

least seem to be

337

00:12:05,829 --> 00:12:04,000

10 to 15 percent of the way there as

338

00:12:09,030 --> 00:12:05,839

they just overhand them guess

339

00:12:10,710 --> 00:12:09,040

but you know how do you see this playing

340

00:12:11,110 --> 00:12:10,720

out ultimately you're optimistic and so

341

00:12:12,550 --> 00:12:11,120

am i

342

00:12:14,230 --> 00:12:12,560

because it's we know it's a failed

343

00:12:16,069 --> 00:12:14,240

ideology and at the end of the day just

344

00:12:16,629 --> 00:12:16,079

like muslim extremism and so on you know

345

00:12:18,629 --> 00:12:16,639

failed

346

00:12:20,550 --> 00:12:18,639

ideologies eventually are going to

347

00:12:23,110 --> 00:12:20,560

wither away but

348

00:12:25,030 --> 00:12:23,120

how do you see this happening well my

349

00:12:26,790 --> 00:12:25,040

best expectation is that i you know i

350

00:12:28,389 --> 00:12:26,800

wrote an e-book on the plan to remove

351

00:12:30,550 --> 00:12:28,399

donald trump for the presidency and i

352

00:12:33,509 --> 00:12:30,560

warned him about this continuing coup

353

00:12:34,710 --> 00:12:33,519

he read it i said this violence was only

354

00:12:37,910 --> 00:12:34,720

going to intensify

355

00:12:39,910 --> 00:12:37,920

through the summer and into the fall if

356

00:12:41,110 --> 00:12:39,920

donald trump wins and i expect he will

357

00:12:43,269 --> 00:12:41,120

win

358

00:12:44,870 --> 00:12:43,279

uh you'll see intensifying violence and

359

00:12:48,150 --> 00:12:44,880

probably a continuation of the coup

360

00:12:50,389 --> 00:12:48,160

efforts they won't stop but the american

361

00:12:52,710 --> 00:12:50,399

public is going to get tired of it

362

00:12:54,389 --> 00:12:52,720

and uh the idea of defunding the police

363

00:12:56,870 --> 00:12:54,399

isn't going to happen

364

00:12:59,110 --> 00:12:56,880

eventually like in all these socialist

365

00:13:00,949 --> 00:12:59,120

ideologies they run out of money

366

00:13:03,030 --> 00:13:00,959

so right now the governments and you

367

00:13:05,509 --> 00:13:03,040

know the the governors in new york and

368

00:13:07,269 --> 00:13:05,519

new jersey are largely bankrupt

369

00:13:09,590 --> 00:13:07,279

you'll start to see a deterioration of

370

00:13:13,030 --> 00:13:09,600

the city services or the

371

00:13:15,750 --> 00:13:13,040

state services people being fired and

372

00:13:17,269 --> 00:13:15,760

uh the bankruptcies will affect the

373

00:13:18,310 --> 00:13:17,279

ability of these governments to keep

374

00:13:20,470 --> 00:13:18,320

going

375

00:13:21,590 --> 00:13:20,480

affecting ultimately fire and police and

376

00:13:24,870 --> 00:13:21,600

other other

377

00:13:25,670 --> 00:13:24,880

functions of the of the state so to

378

00:13:28,710 --> 00:13:25,680

actually see

379

00:13:31,350 --> 00:13:28,720

finally some of these democratic mayors

380

00:13:33,269 --> 00:13:31,360

and governors being ousted in in

381

00:13:34,870 --> 00:13:33,279

california and new york and actually

382

00:13:37,350 --> 00:13:34,880

being replaced by republicans

383

00:13:38,949 --> 00:13:37,360

well california i think is you know the

384

00:13:41,990 --> 00:13:38,959

whole west coast has gotten

385

00:13:42,790 --> 00:13:42,000

into this ideology uh you're having a

386

00:13:45,829 --> 00:13:42,800

migration

387

00:13:47,350 --> 00:13:45,839

out of california people who can't take

388

00:13:49,269 --> 00:13:47,360

it anymore

389

00:13:51,670 --> 00:13:49,279

on california will continue down to the

390

00:13:53,269 --> 00:13:51,680

extreme where nobody can take it anymore

391

00:13:56,069 --> 00:13:53,279

i mean you've got forest fires now they

392

00:13:59,030 --> 00:13:56,079

blame that on global warming

393

00:13:59,910 --> 00:13:59,040

uh actually i think the sun is less

394

00:14:03,509 --> 00:13:59,920

vibrant today

395

00:14:04,150 --> 00:14:03,519

less dominant it have fewer sun spots so

396

00:14:06,870 --> 00:14:04,160

it's in

397

00:14:08,870 --> 00:14:06,880

a minimum period which means the earth

398

00:14:12,069 --> 00:14:08,880

will begin to cool off

399

00:14:12,790 --> 00:14:12,079

i won't be noticeable on time series

400

00:14:15,990 --> 00:14:12,800

analysis

401
00:14:19,030 --> 00:14:16,000
for for decades if but it's

402
00:14:20,310 --> 00:14:19,040
happening and so you know the carbon

403
00:14:22,629 --> 00:14:20,320
dioxide is not a

404
00:14:23,509 --> 00:14:22,639
noxious chemical we exhale it plants

405
00:14:25,269 --> 00:14:23,519
breathe it

406
00:14:26,629 --> 00:14:25,279
but california won't let anybody tear

407
00:14:27,829 --> 00:14:26,639
down a tree you know you've got to hug a

408
00:14:30,470 --> 00:14:27,839
tree you can't

409
00:14:32,550 --> 00:14:30,480
go in and do normal forest management

410
00:14:34,550 --> 00:14:32,560
forest fires are part of the cycle of

411
00:14:37,590 --> 00:14:34,560
normal forest management

412
00:14:39,910 --> 00:14:37,600
and um it's not handled

413
00:14:41,430 --> 00:14:39,920

it's handled ideologically yeah by the

414

00:14:42,389 --> 00:14:41,440

way i got to tell you i just got back

415

00:14:44,470 --> 00:14:42,399

from yosemite

416

00:14:46,389 --> 00:14:44,480

so i don't get in the california forest

417

00:14:48,230 --> 00:14:46,399

very often but i was in there

418

00:14:49,509 --> 00:14:48,240

and it i got to see it with my own two

419

00:14:52,230 --> 00:14:49,519

eyes it is all

420

00:14:53,110 --> 00:14:52,240

kindling yeah it's tender it's all

421

00:14:55,990 --> 00:14:53,120

tinder

422

00:14:57,750 --> 00:14:56,000

just ready to blow and it's not been

423

00:14:59,829 --> 00:14:57,760

managed with the view

424

00:15:01,189 --> 00:14:59,839

to understanding that forest fires are

425

00:15:02,790 --> 00:15:01,199

natural

426
00:15:04,230 --> 00:15:02,800
just from lightning and you know the

427
00:15:06,150 --> 00:15:04,240
forests burn

428
00:15:07,829 --> 00:15:06,160
and they replenish the soil with the

429
00:15:09,430 --> 00:15:07,839
nutrients and another forest

430
00:15:11,350 --> 00:15:09,440
comes back right we implemented a

431
00:15:11,990 --> 00:15:11,360
strategy of immediately putting out any

432
00:15:14,069 --> 00:15:12,000
forest fire

433
00:15:15,189 --> 00:15:14,079
and that was the wrong strategy and i

434
00:15:16,470 --> 00:15:15,199
think we've known

435
00:15:18,069 --> 00:15:16,480
that it was wrong now there's been

436
00:15:18,629 --> 00:15:18,079
people talking about for 20 years now

437
00:15:20,310 --> 00:15:18,639
but they

438
00:15:22,310 --> 00:15:20,320

they haven't turned it around and

439

00:15:23,829 --> 00:15:22,320

instead they they seem to

440

00:15:25,670 --> 00:15:23,839

like having the forest fires because

441

00:15:28,629 --> 00:15:25,680

they can blame it on global warming yeah

442

00:15:29,749 --> 00:15:28,639

the these the the the future of all

443

00:15:32,310 --> 00:15:29,759

these socialist

444

00:15:34,870 --> 00:15:32,320

states like california is that they end

445

00:15:37,189 --> 00:15:34,880

up in bankruptcy and chaos

446

00:15:39,189 --> 00:15:37,199

so you're going to have unmanageable

447

00:15:40,629 --> 00:15:39,199

traffic you're going to have

448

00:15:42,870 --> 00:15:40,639

a flood of illegal immigrants you're

449

00:15:43,910 --> 00:15:42,880

going to be releasing people from prison

450

00:15:46,069 --> 00:15:43,920

you're going to have increasing

451
00:15:46,949 --> 00:15:46,079
taxations to pay for the goss of all

452
00:15:49,910 --> 00:15:46,959
this

453
00:15:50,470 --> 00:15:49,920
and ideologies that don't make any sense

454
00:15:53,670 --> 00:15:50,480
when you

455
00:15:55,670 --> 00:15:53,680
try to live by them or implement them

456
00:15:57,110 --> 00:15:55,680
and eventually the people who agree with

457
00:15:59,509 --> 00:15:57,120
it live there everybody else

458
00:16:00,710 --> 00:15:59,519
leaves let them be bankrupt and

459
00:16:04,069 --> 00:16:00,720
eventually

460
00:16:06,230 --> 00:16:04,079
it becomes so dysfunctional that no one

461
00:16:07,749 --> 00:16:06,240
can function in it no one can survive

462
00:16:09,350 --> 00:16:07,759
so it's going to collapse of its own

463
00:16:11,030 --> 00:16:09,360

weight in california and others have

464

00:16:13,829 --> 00:16:11,040

given enough time

465

00:16:15,350 --> 00:16:13,839

it's just that in the process a lot of

466

00:16:17,189 --> 00:16:15,360

people from california will move out and

467

00:16:18,069 --> 00:16:17,199

they'll take their leftist ideology with

468

00:16:19,749 --> 00:16:18,079

them

469

00:16:21,509 --> 00:16:19,759

so comparing it again to the 60s have

470

00:16:22,949 --> 00:16:21,519

they made more progress today than they

471

00:16:24,790 --> 00:16:22,959

did in the 60s

472

00:16:26,069 --> 00:16:24,800

only because they've done more education

473

00:16:27,990 --> 00:16:26,079

in the schools

474

00:16:29,430 --> 00:16:28,000

i think they i've always said in this

475

00:16:31,990 --> 00:16:29,440

one that they waited they

476
00:16:34,230 --> 00:16:32,000
moved too soon donald trump forced them

477
00:16:35,829 --> 00:16:34,240
into the open now we see exactly who

478
00:16:37,350 --> 00:16:35,839
they are as

479
00:16:39,910 --> 00:16:37,360
and champions and we've heard their

480
00:16:41,350 --> 00:16:39,920
chance of death to america

481
00:16:43,350 --> 00:16:41,360
they should have waited until my

482
00:16:44,470 --> 00:16:43,360
generation died the generation that was

483
00:16:47,030 --> 00:16:44,480
raised by world war

484
00:16:49,509 --> 00:16:47,040
ii and understands american values

485
00:16:52,550 --> 00:16:49,519
understands american exceptionalism

486
00:16:54,550 --> 00:16:52,560
understands the political theory that

487
00:16:55,990 --> 00:16:54,560
led to the constitution which is based

488
00:16:57,749 --> 00:16:56,000

on the idea that

489

00:16:59,670 --> 00:16:57,759

governments inherently tend to gain

490

00:17:01,509 --> 00:16:59,680

power and become corrupt

491

00:17:02,949 --> 00:17:01,519

and you've got to do all kinds of checks

492

00:17:04,710 --> 00:17:02,959

and balances

493

00:17:06,390 --> 00:17:04,720

to have any chance that a government

494

00:17:09,829 --> 00:17:06,400

will stay

495

00:17:11,429 --> 00:17:09,839

in any length of time by its original

496

00:17:13,909 --> 00:17:11,439

founding principles

497

00:17:15,590 --> 00:17:13,919

and we struggle with that all the time

498

00:17:17,669 --> 00:17:15,600

what do you think their strategy

499

00:17:18,949 --> 00:17:17,679

is as far as exactly how it would play

500

00:17:21,110 --> 00:17:18,959

out i mean we know they want

501
00:17:22,069 --> 00:17:21,120
biden to win but that's just a very

502
00:17:23,990 --> 00:17:22,079
small

503
00:17:25,189 --> 00:17:24,000
piece to it what do you think their

504
00:17:28,390 --> 00:17:25,199
ultimate objective is

505
00:17:31,270 --> 00:17:28,400
is it a genuine revolution

506
00:17:31,990 --> 00:17:31,280
where america just doesn't exist anymore

507
00:17:34,390 --> 00:17:32,000
or it's

508
00:17:36,070 --> 00:17:34,400
a series of small victories like

509
00:17:37,990 --> 00:17:36,080
medicare for all

510
00:17:39,669 --> 00:17:38,000
well it'll be they'll pass social

511
00:17:41,830 --> 00:17:39,679
legislation medicare for all

512
00:17:43,990 --> 00:17:41,840
greater taxes all things a green new

513
00:17:46,390 --> 00:17:44,000

deal they want to do all those things

514

00:17:47,510 --> 00:17:46,400

but they also want us to be part of a

515

00:17:49,510 --> 00:17:47,520

new world order

516

00:17:51,430 --> 00:17:49,520

internationalism globalism they want the

517

00:17:54,630 --> 00:17:51,440

united states to go away

518

00:17:56,870 --> 00:17:54,640

as a country uh they don't believe in

519

00:17:59,190 --> 00:17:56,880

our founding principles or our

520

00:18:00,950 --> 00:17:59,200

system of government they want it to be

521

00:18:02,470 --> 00:18:00,960

much more of a totalitarian government

522

00:18:04,310 --> 00:18:02,480

without a first amendment they want to

523

00:18:05,430 --> 00:18:04,320

have all these rights to free this free

524

00:18:07,750 --> 00:18:05,440

that

525

00:18:09,270 --> 00:18:07,760

well the history of these socialist

526

00:18:11,029 --> 00:18:09,280

movements is that the

527

00:18:12,310 --> 00:18:11,039

followers and the people who implement

528

00:18:14,549 --> 00:18:12,320

them will believe they're going to get

529

00:18:16,470 --> 00:18:14,559

all those goodies and the people in the

530

00:18:17,190 --> 00:18:16,480

street today with anti-farm black lives

531

00:18:19,270 --> 00:18:17,200

matter

532

00:18:20,950 --> 00:18:19,280

when the nancy pelosi's take over who

533

00:18:23,350 --> 00:18:20,960

always understood

534

00:18:23,990 --> 00:18:23,360

this was a way to get rich in for a

535

00:18:26,390 --> 00:18:24,000

small

536

00:18:28,230 --> 00:18:26,400

group that would be the elite you know

537

00:18:30,470 --> 00:18:28,240

the basic premise of communism is give

538

00:18:33,029 --> 00:18:30,480

me your wallet i can spend your money

539

00:18:34,710 --> 00:18:33,039

better than you can hey i'm going to

540

00:18:36,630 --> 00:18:34,720

keep a lot of it for myself and b i'm

541

00:18:38,630 --> 00:18:36,640

going to give it to somebody else

542

00:18:41,110 --> 00:18:38,640

well no rational person would want to do

543

00:18:42,870 --> 00:18:41,120

that if it was sold honestly

544

00:18:45,350 --> 00:18:42,880

so in other words they generate social

545

00:18:47,909 --> 00:18:45,360

justice consciousness make you guilty

546

00:18:48,630 --> 00:18:47,919

make you feel you're not doing enough uh

547

00:18:53,110 --> 00:18:48,640

you should

548

00:18:55,110 --> 00:18:53,120

back for your privileges all these

549

00:18:57,669 --> 00:18:55,120

things which don't work

550

00:18:58,710 --> 00:18:57,679

uh then you're paying someone else not

551
00:19:01,350 --> 00:18:58,720
to work

552
00:19:03,029 --> 00:19:01,360
and that the only way people can it's

553
00:19:04,549 --> 00:19:03,039
like your immune system the only way you

554
00:19:06,310 --> 00:19:04,559
get a good immune system is go out in

555
00:19:07,510 --> 00:19:06,320
the world let it be exposed illness well

556
00:19:09,190 --> 00:19:07,520
the only way

557
00:19:10,549 --> 00:19:09,200
you're gonna build wealth is to get out

558
00:19:13,830 --> 00:19:10,559
there and

559
00:19:16,710 --> 00:19:13,840
work do something build build value

560
00:19:19,190 --> 00:19:16,720
and yes we did build it barack obama is

561
00:19:21,190 --> 00:19:19,200
wrong nobody built it for us those who

562
00:19:23,110 --> 00:19:21,200
create business did build it and if we

563
00:19:25,430 --> 00:19:23,120

don't have that principle

564

00:19:27,510 --> 00:19:25,440

the socialist control will ultimately

565

00:19:30,310 --> 00:19:27,520

undermine the international

566

00:19:31,909 --> 00:19:30,320

status of u.s businesses they want to

567

00:19:33,510 --> 00:19:31,919

weaken the united states they want to

568

00:19:35,750 --> 00:19:33,520

lower everybody's standard of living to

569

00:19:38,950 --> 00:19:35,760

the lowest common denominator

570

00:19:40,549 --> 00:19:38,960

and the elite who run communism will be

571

00:19:43,029 --> 00:19:40,559

happy to steal everybody's money and let

572

00:19:45,510 --> 00:19:43,039

them go to this lower common denominator

573

00:19:46,870 --> 00:19:45,520

communist societies end up where you

574

00:19:48,470 --> 00:19:46,880

don't have any bread on the table you

575

00:19:52,230 --> 00:19:48,480

don't have any work

576

00:19:53,430 --> 00:19:52,240

it ends up in a very a state that is

577

00:19:57,430 --> 00:19:53,440

very very

578

00:20:00,549 --> 00:19:57,440

um impossible to live in venezuela

579

00:20:00,950 --> 00:20:00,559

and we've all become venezuelans well

580

00:20:03,669 --> 00:20:00,960

that's

581

00:20:05,669 --> 00:20:03,679

that could happen here but i think

582

00:20:07,669 --> 00:20:05,679

there's enough americans who are yet

583

00:20:09,190 --> 00:20:07,679

understanding the constitutional values

584

00:20:12,230 --> 00:20:09,200

that this

585

00:20:14,710 --> 00:20:12,240

will fail because it went too soon they

586

00:20:16,230 --> 00:20:14,720

freaked out over donald trump and they

587

00:20:18,549 --> 00:20:16,240

if they spent another 10 years

588

00:20:19,990 --> 00:20:18,559

indoctrinating in the schools

589

00:20:21,990 --> 00:20:20,000

they would have had a much better chance

590

00:20:23,590 --> 00:20:22,000

of pulling this off

591

00:20:25,029 --> 00:20:23,600

well there's a bunch of other things i

592

00:20:25,830 --> 00:20:25,039

wanted to get to we've got limited time

593

00:20:29,110 --> 00:20:25,840

so let me just

594

00:20:31,750 --> 00:20:29,120

touch on one more biggie which is

595

00:20:33,909 --> 00:20:31,760

covid and our government's handling of

596

00:20:35,430 --> 00:20:33,919

kovid and as it relates to what we were

597

00:20:37,110 --> 00:20:35,440

just talking about because

598

00:20:39,110 --> 00:20:37,120

clearly there's got to be a correlation

599

00:20:39,990 --> 00:20:39,120

here between what we're seeing with blm

600

00:20:41,750 --> 00:20:40,000

in the streets

601
00:20:43,909 --> 00:20:41,760
and the fact that people are all locked

602
00:20:47,190 --> 00:20:43,919
in their homes with no jobs and

603
00:20:48,310 --> 00:20:47,200
nothing to do so i mean and maybe that's

604
00:20:51,909 --> 00:20:48,320
the answer ultimately

605
00:20:52,789 --> 00:20:51,919
to them moving too soon is maybe it's

606
00:20:54,549 --> 00:20:52,799
coveted that

607
00:20:56,070 --> 00:20:54,559
that pushed this into them moving too

608
00:20:57,669 --> 00:20:56,080
soon in part

609
00:20:59,430 --> 00:20:57,679
is donald trump freak out i mean they've

610
00:21:02,390 --> 00:20:59,440
been after donald trump since before

611
00:21:03,510 --> 00:21:02,400
he came down the escalator in 2015 and

612
00:21:04,710 --> 00:21:03,520
announced he was going to run for

613
00:21:07,909 --> 00:21:04,720

president he

614

00:21:11,830 --> 00:21:07,919

scared them into into the streets

615

00:21:15,350 --> 00:21:11,840

too soon covid uh again you see the

616

00:21:16,710 --> 00:21:15,360

medical elite leftist globalist fauci in

617

00:21:19,990 --> 00:21:16,720

the crowd

618

00:21:22,710 --> 00:21:20,000

who are in the cdc and the nih

619

00:21:25,029 --> 00:21:22,720

are both not government agencies per se

620

00:21:27,750 --> 00:21:25,039

they're public-private partnerships

621

00:21:29,110 --> 00:21:27,760

and they are foundations a lot of money

622

00:21:30,549 --> 00:21:29,120

from gates they get a lot of money from

623

00:21:33,909 --> 00:21:30,559

big pharmacy

624

00:21:36,789 --> 00:21:33,919

fauci and the other doctors get patents

625

00:21:38,549 --> 00:21:36,799

on treatments for various diseases those

626

00:21:41,350 --> 00:21:38,559

patents get paid

627

00:21:41,909 --> 00:21:41,360

when a pharmaceutical is made and so

628

00:21:43,750 --> 00:21:41,919

fauci

629

00:21:45,190 --> 00:21:43,760

ran into donald trump's office and he

630

00:21:47,510 --> 00:21:45,200

said two million people are going to die

631

00:21:49,830 --> 00:21:47,520

here's my model that shows you that

632

00:21:51,470 --> 00:21:49,840

unless you lock everything down well

633

00:21:54,870 --> 00:21:51,480

donald trump is not an

634

00:21:56,310 --> 00:21:54,880

epidemiologist and you you government

635

00:21:58,149 --> 00:21:56,320

scientists come in and tell you this is

636

00:22:01,029 --> 00:21:58,159

president you don't listen to them

637

00:22:02,950 --> 00:22:01,039

you've got a political liability uh the

638

00:22:03,430 --> 00:22:02,960

lockdowns i think were the worst thing

639

00:22:06,789 --> 00:22:03,440

we could

640

00:22:08,390 --> 00:22:06,799

do traditionally you might quarantine

641

00:22:10,630 --> 00:22:08,400

those who are sick

642

00:22:11,990 --> 00:22:10,640

but you let everybody else get into

643

00:22:15,029 --> 00:22:12,000

society where their immune

644

00:22:17,830 --> 00:22:15,039

systems are going to get more robust

645

00:22:19,750 --> 00:22:17,840

and we this hydroxychloroquine in zinc

646

00:22:21,909 --> 00:22:19,760

and the azithromycin is a

647

00:22:23,270 --> 00:22:21,919

is a protocol dr zelenko developed i've

648

00:22:25,830 --> 00:22:23,280

worked with him a lot

649

00:22:27,510 --> 00:22:25,840

on this and it is very efficacious in

650

00:22:28,789 --> 00:22:27,520

the early stages of the disease i'm

651
00:22:30,390 --> 00:22:28,799
convinced of that from the clinical

652
00:22:32,149 --> 00:22:30,400
studies that have been done

653
00:22:33,350 --> 00:22:32,159
and every one of the studies i've seen

654
00:22:35,029 --> 00:22:33,360
that trying to demonize

655
00:22:37,190 --> 00:22:35,039
hydroxychloroquine has been

656
00:22:38,549 --> 00:22:37,200
fraudulent and withdrawn largely from

657
00:22:42,070 --> 00:22:38,559
the journals

658
00:22:44,070 --> 00:22:42,080
so we had a well governor cuomo

659
00:22:45,669 --> 00:22:44,080
a band essentially banned it in new york

660
00:22:49,270 --> 00:22:45,679
so you had a governor deciding

661
00:22:51,909 --> 00:22:49,280
what doctors could give to patients and

662
00:22:52,789 --> 00:22:51,919
the the states are in control of a lot

663
00:22:55,110 --> 00:22:52,799

of the

664

00:22:56,070 --> 00:22:55,120

these kinds of decisions the president

665

00:22:57,830 --> 00:22:56,080

does not under

666

00:22:59,590 --> 00:22:57,840

federalism have the authority to come in

667

00:23:00,549 --> 00:22:59,600

and tell the states necessarily what to

668

00:23:03,909 --> 00:23:00,559

do

669

00:23:06,950 --> 00:23:03,919

really one i

670

00:23:10,149 --> 00:23:06,960

think i was it was smart to take it was

671

00:23:12,710 --> 00:23:10,159

let these democratic governors fail and

672

00:23:14,630 --> 00:23:12,720

now that they won't reopen their states

673

00:23:17,190 --> 00:23:14,640

they're begging for a bailout and donald

674

00:23:19,510 --> 00:23:17,200

trump has said no no more money

675

00:23:21,110 --> 00:23:19,520

so states like new york state you know

676

00:23:21,990 --> 00:23:21,120

cities like new york states like new

677

00:23:24,789 --> 00:23:22,000

york and new jersey

678

00:23:26,630 --> 00:23:24,799

are going to be in economic distress now

679

00:23:27,830 --> 00:23:26,640

but it's not just the democrat states i

680

00:23:30,390 --> 00:23:27,840

mean ultimately

681

00:23:31,990 --> 00:23:30,400

everyone caved i mean even desantis in

682

00:23:34,950 --> 00:23:32,000

florida who was the last

683

00:23:35,590 --> 00:23:34,960

hold out he ended up caving and not to

684

00:23:37,830 --> 00:23:35,600

mention

685

00:23:38,630 --> 00:23:37,840

that but almost every other country did

686

00:23:41,269 --> 00:23:38,640

the same thing

687

00:23:42,390 --> 00:23:41,279

so how do you explain that well it's

688

00:23:44,789 --> 00:23:42,400

been a

689

00:23:47,029 --> 00:23:44,799

first time we've had we've been prepared

690

00:23:49,110 --> 00:23:47,039

for this gates has been running

691

00:23:51,430 --> 00:23:49,120

seminars and tests on these kinds of

692

00:23:53,750 --> 00:23:51,440

pandemics we've had movies and

693

00:23:55,669 --> 00:23:53,760

saying here comes we'll go back to 1918

694

00:23:57,669 --> 00:23:55,679

with the flu epidemic

695

00:23:58,710 --> 00:23:57,679

uh today it was all architected so that

696

00:24:01,590 --> 00:23:58,720

people would think well

697

00:24:03,269 --> 00:24:01,600

i might get this and i might die i said

698

00:24:04,470 --> 00:24:03,279

from the very beginning analyzing the

699

00:24:06,390 --> 00:24:04,480

disease that

700

00:24:07,669 --> 00:24:06,400

it was a serious disease if it took hold

701
00:24:09,990 --> 00:24:07,679
in you but

702
00:24:12,390 --> 00:24:10,000
at early stages and for most people it

703
00:24:14,310 --> 00:24:12,400
was going to be no worse than the flu

704
00:24:16,070 --> 00:24:14,320
and that's turning out to be the case we

705
00:24:17,110 --> 00:24:16,080
even see the numbers the statistics

706
00:24:19,669 --> 00:24:17,120
having to be

707
00:24:21,590 --> 00:24:19,679
revised dramatically downward and

708
00:24:23,350 --> 00:24:21,600
emphasizing comorbidity

709
00:24:25,510 --> 00:24:23,360
as really where the disease is most

710
00:24:27,909 --> 00:24:25,520
dangerous of course if people have

711
00:24:29,350 --> 00:24:27,919
multiple health problems they're going

712
00:24:31,990 --> 00:24:29,360
to be more vulnerable to almost

713
00:24:33,830 --> 00:24:32,000

anything happening and that's that

714

00:24:35,669 --> 00:24:33,840

they're more at risk as they get older

715

00:24:36,950 --> 00:24:35,679

as they get heavier as they get diabetes

716

00:24:38,950 --> 00:24:36,960

etc

717

00:24:41,430 --> 00:24:38,960

isn't your is it your reaction that we

718

00:24:44,149 --> 00:24:41,440

panicked and overreacted

719

00:24:45,110 --> 00:24:44,159

and oh yeah i mean we did but but okay

720

00:24:47,190 --> 00:24:45,120

but the question is

721

00:24:48,149 --> 00:24:47,200

why did we panic and overreact not my

722

00:24:50,710 --> 00:24:48,159

theory would be that

723

00:24:52,390 --> 00:24:50,720

in fact we weren't prepared there hadn't

724

00:24:53,909 --> 00:24:52,400

been enough discussion

725

00:24:55,430 --> 00:24:53,919

and knowledge about this if you look at

726
00:24:56,230 --> 00:24:55,440
all the democratic debates that had been

727
00:24:58,149 --> 00:24:56,240
going on

728
00:24:59,750 --> 00:24:58,159
did pandemics ever come up in any of

729
00:25:02,789 --> 00:24:59,760
those debates before covet

730
00:25:05,590 --> 00:25:02,799
no it wasn't on the table as an issue

731
00:25:06,310 --> 00:25:05,600
and because so and i you know i blame a

732
00:25:07,909 --> 00:25:06,320
lot of people

733
00:25:09,830 --> 00:25:07,919
but there's blame to go around for that

734
00:25:12,950 --> 00:25:09,840
that you know maybe bill gates

735
00:25:13,990 --> 00:25:12,960
was correct to be trying to alert people

736
00:25:15,830 --> 00:25:14,000
to pandemics but

737
00:25:17,350 --> 00:25:15,840
had we been more knowledgeable about

738
00:25:18,870 --> 00:25:17,360

them perhaps we would not have

739

00:25:20,149 --> 00:25:18,880

overreacted and panicked

740

00:25:23,029 --> 00:25:20,159

well actually i've been reading about

741

00:25:23,750 --> 00:25:23,039

epidemics since about eight years old i

742

00:25:26,950 --> 00:25:23,760

mean

743

00:25:29,029 --> 00:25:26,960

my father had books on pandemics

744

00:25:30,470 --> 00:25:29,039

you know there's been a history of

745

00:25:32,710 --> 00:25:30,480

pandemics going back to the

746

00:25:34,789 --> 00:25:32,720

peloponnesian war which was something

747

00:25:37,430 --> 00:25:34,799

several hundred years before christ in

748

00:25:39,350 --> 00:25:37,440

great in greece there was a major

749

00:25:40,870 --> 00:25:39,360

epidemic in athens which killed a lot of

750

00:25:43,750 --> 00:25:40,880

people

751
00:25:44,549 --> 00:25:43,760
my first criteria on this disease was

752
00:25:47,350 --> 00:25:44,559
you know the

753
00:25:49,350 --> 00:25:47,360
black death for instance a disease is

754
00:25:51,909 --> 00:25:49,360
really serious if you can get it that

755
00:25:53,510 --> 00:25:51,919
and you die that day okay that's my

756
00:25:55,830 --> 00:25:53,520
first criteria

757
00:25:57,990 --> 00:25:55,840
and when i realized with cobid people

758
00:26:00,149 --> 00:25:58,000
weren't dying the first day

759
00:26:03,190 --> 00:26:00,159
and then i analyzed the nature of the

760
00:26:06,950 --> 00:26:03,200
disease as genome was being published

761
00:26:09,510 --> 00:26:06,960
i saw how it operated it was going to be

762
00:26:10,390 --> 00:26:09,520
serious if it took hold in you but early

763
00:26:11,830 --> 00:26:10,400

stages

764

00:26:14,549 --> 00:26:11,840

i was working on various medical

765

00:26:16,789 --> 00:26:14,559

treatments i was going back to january

766

00:26:19,669 --> 00:26:16,799

and aware that this was there i mean yes

767

00:26:21,590 --> 00:26:19,679

we were stampeded into a lockdown

768

00:26:23,190 --> 00:26:21,600

and it largely was because the american

769

00:26:26,310 --> 00:26:23,200

people aren't educated

770

00:26:29,110 --> 00:26:26,320

or haven't studied and the doctors who

771

00:26:30,870 --> 00:26:29,120

are politically oriented to want control

772

00:26:32,149 --> 00:26:30,880

use the disease to architect social

773

00:26:34,390 --> 00:26:32,159

control

774

00:26:36,390 --> 00:26:34,400

well and doctors also naturally doctors

775

00:26:37,830 --> 00:26:36,400

also naturally give conservative advice

776

00:26:39,510 --> 00:26:37,840

if we always listen to our doctors we

777

00:26:41,669 --> 00:26:39,520

wouldn't eat red meat right so

778

00:26:43,430 --> 00:26:41,679

you can't just listen to the doctors the

779

00:26:44,710 --> 00:26:43,440

doctors are often wrong about everything

780

00:26:47,430 --> 00:26:44,720

they say and that was the case

781

00:26:48,549 --> 00:26:47,440

here too because medical science is

782

00:26:51,909 --> 00:26:48,559

still

783

00:26:53,830 --> 00:26:51,919

very much yet an art and we are become

784

00:26:55,909 --> 00:26:53,840

so dependent on these pharmaceuticals as

785

00:26:57,750 --> 00:26:55,919

if you take a pill for everything

786

00:26:59,909 --> 00:26:57,760

and uh the pharmaceutical industry has

787

00:27:01,190 --> 00:26:59,919

done a lot to eliminate the natural

788

00:27:04,470 --> 00:27:01,200

paths

789

00:27:07,510 --> 00:27:04,480

so that we are not in any particularly

790

00:27:09,110 --> 00:27:07,520

good structure with medicine in terms of

791

00:27:10,390 --> 00:27:09,120

long term it's all oriented towards

792

00:27:13,269 --> 00:27:10,400

money at this point in the

793

00:27:14,870 --> 00:27:13,279

big pharmacy donald trump's trying and i

794

00:27:17,269 --> 00:27:14,880

think we'll succeed if he gets another

795

00:27:18,830 --> 00:27:17,279

term and reversing a lot of that

796

00:27:20,870 --> 00:27:18,840

but there are many cures like

797

00:27:23,750 --> 00:27:20,880

hydroxychloroquine

798

00:27:25,830 --> 00:27:23,760

and zinc various vitamin treatments lots

799

00:27:27,430 --> 00:27:25,840

of different naturopathic treatments

800

00:27:29,990 --> 00:27:27,440

that do succeed

801
00:27:32,389 --> 00:27:30,000
the point is the fundamental issue we're

802
00:27:33,190 --> 00:27:32,399
not born in little biohazard suit so god

803
00:27:34,870 --> 00:27:33,200
did not

804
00:27:37,669 --> 00:27:34,880
make the design of this place that you

805
00:27:39,909 --> 00:27:37,679
had to be isolated and protected

806
00:27:40,950 --> 00:27:39,919
it was made so that you had to go out

807
00:27:44,149 --> 00:27:40,960
and get your

808
00:27:45,350 --> 00:27:44,159
immune system to be robust and in fact

809
00:27:47,190 --> 00:27:45,360
at the end

810
00:27:48,389 --> 00:27:47,200
even if you succeed tremendously you

811
00:27:50,789 --> 00:27:48,399
still die

812
00:27:51,590 --> 00:27:50,799
there's no way to to live in this place

813
00:27:55,430 --> 00:27:51,600

permanently

814

00:27:57,350 --> 00:27:55,440

it's a temporary existence and if you

815

00:27:59,190 --> 00:27:57,360

are intelligent about how you live you

816

00:28:00,630 --> 00:27:59,200

can possibly prolong it

817

00:28:02,950 --> 00:28:00,640

but even that has a lot to do with

818

00:28:04,950 --> 00:28:02,960

genetics and how you're structured

819

00:28:06,630 --> 00:28:04,960

so you know the idea that this

820

00:28:07,750 --> 00:28:06,640

experience here on earth is going to be

821

00:28:11,110 --> 00:28:07,760

fair

822

00:28:13,750 --> 00:28:11,120

or it is going to be easy

823

00:28:15,669 --> 00:28:13,760

or fun or lasting i mean when i studied

824

00:28:18,310 --> 00:28:15,679

thomas hobbs in graduate school

825

00:28:19,350 --> 00:28:18,320

thomas hobbes used to say life is um

826

00:28:21,909 --> 00:28:19,360

nasty cruel

827

00:28:23,430 --> 00:28:21,919

brutish and short i always used to

828

00:28:24,710 --> 00:28:23,440

wonder about thomas hobbes whether it

829

00:28:27,430 --> 00:28:24,720

had been okay with him

830

00:28:28,830 --> 00:28:27,440

it was just nasty cruel and brutish but

831

00:28:31,029 --> 00:28:28,840

short was the real

832

00:28:31,750 --> 00:28:31,039

insult you go through all this and it's

833

00:28:33,269 --> 00:28:31,760

short

834

00:28:34,870 --> 00:28:33,279

right that i thought was what pushed him

835

00:28:37,029 --> 00:28:34,880

over the top yeah

836

00:28:38,710 --> 00:28:37,039

well you were an educated person on

837

00:28:41,110 --> 00:28:38,720

pandemics and that's why you've got a

838

00:28:43,350 --> 00:28:41,120

rational response and not enough people

839

00:28:44,389 --> 00:28:43,360

were my last question about kovid and my

840

00:28:48,070 --> 00:28:44,399

concern about it

841

00:28:50,149 --> 00:28:48,080

is the long-term ramifications of people

842

00:28:51,750 --> 00:28:50,159

being willing to relinquish so much

843

00:28:53,750 --> 00:28:51,760

control to government

844

00:28:55,110 --> 00:28:53,760

i'm wondering about the precedent that

845

00:28:58,230 --> 00:28:55,120

setting for the future

846

00:29:00,789 --> 00:28:58,240

and the precedent of how many people

847

00:29:02,310 --> 00:29:00,799

received a government check that never

848

00:29:03,190 --> 00:29:02,320

before would have ever received a

849

00:29:07,029 --> 00:29:03,200

government check

850

00:29:08,630 --> 00:29:07,039

in the precedent for that

851
00:29:10,149 --> 00:29:08,640
going forward there's a lot of

852
00:29:11,830 --> 00:29:10,159
re-architecting going on

853
00:29:13,590 --> 00:29:11,840
to condition people to go into a more

854
00:29:14,789 --> 00:29:13,600
authoritarian society there's no doubt

855
00:29:17,990 --> 00:29:14,799
about it

856
00:29:19,990 --> 00:29:18,000
i think the uh fear factor

857
00:29:21,750 --> 00:29:20,000
was one that that prompted it i've

858
00:29:23,510 --> 00:29:21,760
written a book another ebook on my

859
00:29:26,870 --> 00:29:23,520
website coursingnation.com

860
00:29:28,470 --> 00:29:26,880
on covid20 and i've architected what the

861
00:29:30,789 --> 00:29:28,480
intelligence agents

862
00:29:32,549 --> 00:29:30,799
say could easily be a next disease it

863
00:29:34,950 --> 00:29:32,559

will be more deadly

864

00:29:36,630 --> 00:29:34,960

and if a more deadly covid which does

865

00:29:37,990 --> 00:29:36,640

come closer to killing you in the same

866

00:29:39,990 --> 00:29:38,000

day you get it

867

00:29:41,430 --> 00:29:40,000

people will stampede right back into

868

00:29:42,630 --> 00:29:41,440

quarantine because that's how we've been

869

00:29:46,149 --> 00:29:42,640

conditioned

870

00:29:48,789 --> 00:29:46,159

and again you know human condition

871

00:29:49,750 --> 00:29:48,799

and in the black death uh they've swept

872

00:29:53,110 --> 00:29:49,760

through

873

00:29:57,029 --> 00:29:53,120

europa to much of the world and in

874

00:29:58,630 --> 00:29:57,039

1300s 1400s you did half the population

875

00:30:01,190 --> 00:29:58,640

died

876

00:30:02,070 --> 00:30:01,200

and if you face that kind of a calamity

877

00:30:03,669 --> 00:30:02,080

um

878

00:30:05,590 --> 00:30:03,679

you know that's going to cause major

879

00:30:07,669 --> 00:30:05,600

social disruption

880

00:30:10,149 --> 00:30:07,679

obviously but the point is half the

881

00:30:12,470 --> 00:30:10,159

population didn't die

882

00:30:13,269 --> 00:30:12,480

and what the nature of human beings are

883

00:30:16,230 --> 00:30:13,279

that

884

00:30:18,070 --> 00:30:16,240

the ones who survive are carrying on

885

00:30:22,149 --> 00:30:18,080

both the techniques

886

00:30:24,950 --> 00:30:22,159

and the immune systems and the physical

887

00:30:27,190 --> 00:30:24,960

adaptations we need in order to continue

888

00:30:30,149 --> 00:30:27,200

to survive i don't believe in

889

00:30:31,750 --> 00:30:30,159

evolution according to darwin i look

890

00:30:32,710 --> 00:30:31,760

back at the extinctions of which we've

891

00:30:34,630 --> 00:30:32,720

had

892

00:30:36,950 --> 00:30:34,640

five or six major extinctions where

893

00:30:39,830 --> 00:30:36,960

almost everything on the planet died

894

00:30:41,269 --> 00:30:39,840

and it comes back almost instantly it

895

00:30:43,190 --> 00:30:41,279

doesn't go through

896

00:30:44,389 --> 00:30:43,200

starting with a single cell and all this

897

00:30:47,669 --> 00:30:44,399

nonsense

898

00:30:49,669 --> 00:30:47,679

so i think that the whole process

899

00:30:51,029 --> 00:30:49,679

of species advancement is much more

900

00:30:52,789 --> 00:30:51,039

complex

901

00:30:55,350 --> 00:30:52,799

and again like i put in terms of

902

00:30:57,350 --> 00:30:55,360

relativity theory or fractals

903

00:30:59,190 --> 00:30:57,360

you know we're only at the very edge of

904

00:31:00,870 --> 00:30:59,200

being unable to understand these things

905

00:31:01,669 --> 00:31:00,880

we don't even understand relativity

906

00:31:03,430 --> 00:31:01,679

theory

907

00:31:05,909 --> 00:31:03,440

even though we live in a relativistic

908

00:31:07,269 --> 00:31:05,919

world another hundred years from now

909

00:31:10,470 --> 00:31:07,279

it's going to be different

910

00:31:12,070 --> 00:31:10,480

we'll look back on today as a an

911

00:31:13,509 --> 00:31:12,080

era was fairly primitive in our

912

00:31:15,029 --> 00:31:13,519

understanding

913

00:31:17,190 --> 00:31:15,039

even though we've got computers and

914

00:31:18,950 --> 00:31:17,200

technology and all the rest of it

915

00:31:21,110 --> 00:31:18,960

i look at every road in the united

916

00:31:22,789 --> 00:31:21,120

states is obsolete because

917

00:31:25,590 --> 00:31:22,799

they're architected where you have to

918

00:31:28,070 --> 00:31:25,600

drive they're not smart highways

919

00:31:29,990 --> 00:31:28,080

you know we we there's fundamental

920

00:31:32,470 --> 00:31:30,000

re-engineering going to happen

921

00:31:33,830 --> 00:31:32,480

in the next hundred years and human

922

00:31:34,630 --> 00:31:33,840

beings are going to struggle to keep up

923

00:31:37,509 --> 00:31:34,640

with it

924

00:31:39,430 --> 00:31:37,519

and not be put into totalitarian

925

00:31:40,310 --> 00:31:39,440

situations or controlled preserving

926
00:31:42,870 --> 00:31:40,320
freedom

927
00:31:44,230 --> 00:31:42,880
is i think one of the underlying

928
00:31:46,389 --> 00:31:44,240
challenges of the human

929
00:31:47,750 --> 00:31:46,399
condition and i don't think it'll ever

930
00:31:49,990 --> 00:31:47,760
get easier

931
00:31:51,350 --> 00:31:50,000
thank you to dr corsi please go check

932
00:31:54,389 --> 00:31:51,360
out his website

933
00:31:56,630 --> 00:31:54,399
and his books on amazon

934
00:31:57,990 --> 00:31:56,640
thank you to our producer michael parker

935
00:32:00,630 --> 00:31:58,000
and to our intern

936
00:32:01,430 --> 00:32:00,640
jake wall will be back soon with another

937
00:32:06,950 --> 00:32:01,440
episode of

938
00:32:10,230 --> 00:32:08,470

thank you for listening to the truth

939

00:32:18,789 --> 00:32:10,240

show with jim breslow

940

00:32:22,710 --> 00:32:20,470

join us again next week for another

941

00:32:27,880 --> 00:32:22,720

episode of hidden truth show
