

HIDDEN TRUTH SHOW WITH JIM BRESLO

DR. KARLADINE GRAVES

1
00:00:04,470 --> 00:00:04,070

[Music]

2
00:00:18,950 --> 00:00:04,480

i

3
00:00:20,630 --> 00:00:18,960

research on you and you've probably

4
00:00:23,910 --> 00:00:20,640

noticed too that

5
00:00:25,109 --> 00:00:23,920

on your page as a doctor where patients

6
00:00:28,630 --> 00:00:25,119

are supposed to rate

7
00:00:32,389 --> 00:00:28,640

you you've got people going on there now

8
00:00:34,790 --> 00:00:32,399

and criticizing you for speaking out

9
00:00:35,990 --> 00:00:34,800

about kovid like you know what do you

10
00:00:37,350 --> 00:00:36,000

know

11
00:00:39,430 --> 00:00:37,360

you shouldn't be commenting on this

12
00:00:41,990 --> 00:00:39,440

you're a lone doctor in the midwest and

13
00:00:43,670 --> 00:00:42,000

leave it up to the experts so uh that

14

00:00:46,069 --> 00:00:43,680

that's actually now showing up on your

15

00:00:49,270 --> 00:00:46,079

patient reviews which has got to not be

16

00:00:49,670 --> 00:00:49,280

fun for you but uh good for you for for

17

00:00:56,389 --> 00:00:49,680

for

18

00:00:59,510 --> 00:00:56,399

let's address people like that who say

19

00:01:01,990 --> 00:00:59,520

what do you know

20

00:01:03,910 --> 00:01:02,000

all right what do i know about anything

21

00:01:07,109 --> 00:01:03,920

in medicine

22

00:01:08,870 --> 00:01:07,119

i have treated various conditions for

23

00:01:11,990 --> 00:01:08,880

over 40 years

24

00:01:15,030 --> 00:01:12,000

and those conditions have been

25

00:01:18,550 --> 00:01:15,040

all the way from a strep throat to

26

00:01:21,590 --> 00:01:18,560

diabetes and does that make me

27

00:01:23,429 --> 00:01:21,600

an ear nose and throat specialist does

28

00:01:27,030 --> 00:01:23,439

that make me

29

00:01:29,990 --> 00:01:27,040

a endocrinologist absolutely not

30

00:01:31,590 --> 00:01:30,000

but i do have knowledge and i do have

31

00:01:35,510 --> 00:01:31,600

the ability to understand

32

00:01:38,630 --> 00:01:35,520

scientific research and papers

33

00:01:41,510 --> 00:01:38,640

and i can come to a conclusion

34

00:01:42,310 --> 00:01:41,520

after seeing and associating myself with

35

00:01:45,670 --> 00:01:42,320

those who are

36

00:01:48,310 --> 00:01:45,680

actually writing those papers

37

00:01:49,190 --> 00:01:48,320

so you've been a doctor for 40 years and

38

00:01:52,630 --> 00:01:49,200

specializing

39

00:01:54,389 --> 00:01:52,640

in what family practice i'm a family

40

00:01:55,910 --> 00:01:54,399

prep i'm a board-certified family

41

00:01:59,270 --> 00:01:55,920

practitioner

42

00:02:02,469 --> 00:01:59,280

and that certainly doesn't disqualify me

43

00:02:05,910 --> 00:02:02,479

from taking care of a variety

44

00:02:09,029 --> 00:02:05,920

of illnesses diseases

45

00:02:09,669 --> 00:02:09,039

nor should it but if they put you up

46

00:02:12,550 --> 00:02:09,679

against dr

47

00:02:13,670 --> 00:02:12,560

fauci who spent his entire career

48

00:02:17,830 --> 00:02:13,680

dealing with

49

00:02:20,790 --> 00:02:17,840

diseases right exclusively diseases

50

00:02:23,110 --> 00:02:20,800

what do you say about that i say that i

51
00:02:27,190 --> 00:02:23,120
have listened to dr fauci and he

52
00:02:30,470 --> 00:02:27,200
has um seemed to waffle back and forth

53
00:02:31,750 --> 00:02:30,480
on this subject of kobit if we all

54
00:02:34,630 --> 00:02:31,760
remember correctly he

55
00:02:36,070 --> 00:02:34,640
came out and first said oh you don't

56
00:02:40,070 --> 00:02:36,080
need mask

57
00:02:43,990 --> 00:02:40,080
he's also i have heard him on interviews

58
00:02:46,589 --> 00:02:44,000
saying that he actually um

59
00:02:47,910 --> 00:02:46,599
thought that the dosage of the

60
00:02:51,110 --> 00:02:47,920
hydroxychloroquine

61
00:02:51,990 --> 00:02:51,120
would be much much higher than that that

62
00:02:55,750 --> 00:02:52,000
would be required

63
00:02:57,670 --> 00:02:55,760

in rheumatoid arthritis or lupus and

64

00:03:00,149 --> 00:02:57,680

those are out and out statements that

65

00:03:01,350 --> 00:03:00,159

certainly have had controversy over his

66

00:03:04,229 --> 00:03:01,360

statements

67

00:03:04,949 --> 00:03:04,239

and his statement now is you must wear a

68

00:03:08,149 --> 00:03:04,959

mask

69

00:03:10,710 --> 00:03:08,159

and he said well that was because he

70

00:03:11,670 --> 00:03:10,720

felt that we would be low on protective

71

00:03:14,710 --> 00:03:11,680

equipment

72

00:03:16,790 --> 00:03:14,720

well that is not a reason to not tell

73

00:03:20,229 --> 00:03:16,800

the truth to the american people

74

00:03:23,830 --> 00:03:20,239

and when he says that you have

75

00:03:25,990 --> 00:03:23,840

actually a higher dose for covid

76
00:03:26,869 --> 00:03:26,000
than you would rheumatoid arthritis or

77
00:03:28,390 --> 00:03:26,879
lupus

78
00:03:29,990 --> 00:03:28,400
i would like to know where he's getting

79
00:03:33,350 --> 00:03:30,000
that data

80
00:03:34,710 --> 00:03:33,360
because i mean that is absolutely a farm

81
00:03:36,390 --> 00:03:34,720
let me interrupt you there because i've

82
00:03:37,910 --> 00:03:36,400
made that point about fauci and i think

83
00:03:40,949 --> 00:03:37,920
it's really important to emphasize

84
00:03:44,949 --> 00:03:40,959
here that he acknowledged

85
00:03:47,110 --> 00:03:44,959
effectively that he lied about mass

86
00:03:47,990 --> 00:03:47,120
he's saying that yes in fact they are

87
00:03:50,550 --> 00:03:48,000
effective

88
00:03:51,430 --> 00:03:50,560

in preventing the transmission but i

89

00:03:53,190 --> 00:03:51,440

said

90

00:03:54,470 --> 00:03:53,200

that they were not effective because i

91

00:03:56,470 --> 00:03:54,480

didn't want there to be a run

92

00:03:58,550 --> 00:03:56,480

on mask because we were concerned about

93

00:04:01,350 --> 00:03:58,560

hospitals having enough ppe

94

00:04:02,229 --> 00:04:01,360

so he he thought the ends justified the

95

00:04:04,309 --> 00:04:02,239

means

96

00:04:05,910 --> 00:04:04,319

that it was okay to lie about that

97

00:04:09,110 --> 00:04:05,920

because there was a higher goal

98

00:04:12,309 --> 00:04:09,120

of protecting ppe that tells you his

99

00:04:13,350 --> 00:04:12,319

mo that he is willing if he sees it in

100

00:04:17,110 --> 00:04:13,360

the public good

101
00:04:19,830 --> 00:04:17,120
for him to lie about some treatment

102
00:04:21,830 --> 00:04:19,840
some prophylactic some vaccine whatever

103
00:04:24,310 --> 00:04:21,840
it may be pertaining to covid

104
00:04:26,469 --> 00:04:24,320
he basically feels it's okay to lie if

105
00:04:29,510 --> 00:04:26,479
it ultimately serves what he sees as

106
00:04:31,030 --> 00:04:29,520
the the good so i think we should all

107
00:04:33,510 --> 00:04:31,040
look at anything that he says

108
00:04:34,710 --> 00:04:33,520
now through a special lens now that he's

109
00:04:36,629 --> 00:04:34,720
admitted that

110
00:04:38,469 --> 00:04:36,639
and you would probably say that well if

111
00:04:39,270 --> 00:04:38,479
he thinks a vaccine is the answer to

112
00:04:40,629 --> 00:04:39,280
everything

113
00:04:42,310 --> 00:04:40,639

then that might cause him to

114

00:04:46,310 --> 00:04:42,320

intentionally diminish

115

00:04:48,310 --> 00:04:46,320

other types of therapies such as

116

00:04:50,950 --> 00:04:48,320

hydroxychloroquine

117

00:04:52,710 --> 00:04:50,960

well there was also the excuse for not

118

00:04:53,510 --> 00:04:52,720

using hydroxycork when that there would

119

00:04:56,710 --> 00:04:53,520

not be

120

00:04:59,270 --> 00:04:56,720

enough doses for those who

121

00:05:00,150 --> 00:04:59,280

are already on hydroxychloroquine which

122

00:05:02,230 --> 00:05:00,160

is those

123

00:05:03,270 --> 00:05:02,240

patients who have lupus or rheumatoid

124

00:05:06,550 --> 00:05:03,280

arthritis

125

00:05:10,629 --> 00:05:06,560

and there again that is still a farce

126

00:05:13,430 --> 00:05:10,639

because we have well over 60 million

127

00:05:15,430 --> 00:05:13,440

doses of hydroxychloric one that are

128

00:05:18,230 --> 00:05:15,440

stockpiled by our government

129

00:05:19,830 --> 00:05:18,240

not counting those who can manufacture

130

00:05:21,670 --> 00:05:19,840

the hydroxychloroquine

131

00:05:23,430 --> 00:05:21,680

and make that available to the american

132

00:05:25,510 --> 00:05:23,440

people okay so i don't want to get

133

00:05:27,110 --> 00:05:25,520

too much into that that specifics now i

134

00:05:28,469 --> 00:05:27,120

want to stay on on credentials because

135

00:05:30,550 --> 00:05:28,479

the other thing interesting about

136

00:05:32,870 --> 00:05:30,560

you as a potential kovit is that you

137

00:05:35,670 --> 00:05:32,880

were involved very early on

138

00:05:36,629 --> 00:05:35,680

in in f in tracking this i believe based

139

00:05:40,150 --> 00:05:36,639

on other interviews

140

00:05:41,590 --> 00:05:40,160

as early as december and that you're

141

00:05:44,950 --> 00:05:41,600

part of some

142

00:05:46,310 --> 00:05:44,960

group um that prepared a letter that

143

00:05:48,870 --> 00:05:46,320

went to trump could you tell us about

144

00:05:52,150 --> 00:05:48,880

the group that you were part of

145

00:05:53,909 --> 00:05:52,160

i have a health care coalition call

146

00:05:55,350 --> 00:05:53,919

and i've had this for several years now

147

00:06:00,070 --> 00:05:55,360

with physicians who are

148

00:06:01,830 --> 00:06:00,080

leaders of other medical organizations

149

00:06:03,749 --> 00:06:01,840

and we have gotten together now for

150

00:06:05,189 --> 00:06:03,759

several years and we've discussed many

151
00:06:08,150 --> 00:06:05,199
topics in medicine

152
00:06:09,990 --> 00:06:08,160
and of course we some topics that some

153
00:06:12,390 --> 00:06:10,000
people are not allowed to discuss

154
00:06:14,230 --> 00:06:12,400
especially if they are hired by a

155
00:06:15,590 --> 00:06:14,240
hospital or an insurance company because

156
00:06:17,909 --> 00:06:15,600
they can't speak out

157
00:06:19,909 --> 00:06:17,919
they have to do what they're told and so

158
00:06:20,950 --> 00:06:19,919
we have an opportunity to have a free

159
00:06:24,150 --> 00:06:20,960
discussion

160
00:06:26,670 --> 00:06:24,160
among ourselves on those calls

161
00:06:27,990 --> 00:06:26,680
and in within those calls there are many

162
00:06:31,270 --> 00:06:28,000
sub-specialties

163
00:06:33,350 --> 00:06:31,280

have their

164

00:06:34,550 --> 00:06:33,360

not only their medical degree but they

165

00:06:39,430 --> 00:06:34,560

also have

166

00:06:42,150 --> 00:06:39,440

their degree in chemistry

167

00:06:43,909 --> 00:06:42,160

and some of them even statistics and so

168

00:06:45,590 --> 00:06:43,919

when you put that all together you've

169

00:06:48,710 --> 00:06:45,600

got quite an array

170

00:06:52,309 --> 00:06:48,720

of individuals who are very well

171

00:06:54,870 --> 00:06:52,319

versed in a wide variety of subjects

172

00:06:56,150 --> 00:06:54,880

and sorry is there a name for this group

173

00:06:57,510 --> 00:06:56,160

it's just called the healthcare

174

00:07:00,710 --> 00:06:57,520

coalition

175

00:07:03,350 --> 00:07:00,720

um do they have a website no

176
00:07:04,629 --> 00:07:03,360
and we do not want to have a website uh

177
00:07:06,870 --> 00:07:04,639
because

178
00:07:08,710 --> 00:07:06,880
that's the way that some of these people

179
00:07:11,510 --> 00:07:08,720
who are criticizing me

180
00:07:13,830 --> 00:07:11,520
certainly come and they fill your

181
00:07:14,629 --> 00:07:13,840
website with all of their comments when

182
00:07:16,309 --> 00:07:14,639
they have

183
00:07:18,629 --> 00:07:16,319
no idea what they're really talking

184
00:07:22,230 --> 00:07:18,639
about most of the time

185
00:07:22,790 --> 00:07:22,240
dr harvey rich works with us and i don't

186
00:07:25,029 --> 00:07:22,800
know

187
00:07:26,629 --> 00:07:25,039
you're probably familiar with dr harvey

188
00:07:29,029 --> 00:07:26,639

rich he's from yale

189

00:07:30,309 --> 00:07:29,039

he's done a great deal of research

190

00:07:33,589 --> 00:07:30,319

there's dr george

191

00:07:36,230 --> 00:07:33,599

ferry and he's a harvard graduate

192

00:07:37,189 --> 00:07:36,240

we have many individuals and doctor by

193

00:07:40,309 --> 00:07:37,199

the way

194

00:07:43,189 --> 00:07:40,319

dr fauci is not an uh

195

00:07:44,710 --> 00:07:43,199

basically someone that he is in the

196

00:07:49,270 --> 00:07:44,720

allergy department

197

00:07:52,790 --> 00:07:49,280

of the nih that's what he oversees

198

00:07:55,350 --> 00:07:52,800

and he's a physician of basically

199

00:07:56,710 --> 00:07:55,360

allergy and yes he has a great deal of

200

00:08:00,390 --> 00:07:56,720

experience

201
00:08:03,110 --> 00:08:00,400
but we have to realize that we

202
00:08:04,710 --> 00:08:03,120
i don't do this just on my own no i'm

203
00:08:07,990 --> 00:08:04,720
not a researchist

204
00:08:11,589 --> 00:08:08,000
no i'm not even an epidemiologist

205
00:08:14,469 --> 00:08:11,599
but neither is really dr fauci

206
00:08:15,350 --> 00:08:14,479
and yet he does uh have a lot of

207
00:08:19,430 --> 00:08:15,360
experience

208
00:08:23,350 --> 00:08:19,440
with the middle east

209
00:08:26,029 --> 00:08:23,360
uh syndrome he had also with sars one

210
00:08:27,189 --> 00:08:26,039
and at that time he touted

211
00:08:31,350 --> 00:08:27,199
hydroxychloroquine

212
00:08:35,110 --> 00:08:31,360
as a wonderful antiviral and he promoted

213
00:08:38,389 --> 00:08:35,120

that and my question is what has changed

214

00:08:40,550 --> 00:08:38,399

dr fauci so yeah i want to get into

215

00:08:42,709 --> 00:08:40,560

that letter that you guys prepared and

216

00:08:45,190 --> 00:08:42,719

then and then move on to

217

00:08:45,910 --> 00:08:45,200

okay we'll talk about other things so so

218

00:08:47,590 --> 00:08:45,920

the group

219

00:08:48,870 --> 00:08:47,600

this group the healthcare coalition by

220

00:08:49,910 --> 00:08:48,880

the way how often do you guys meet

221

00:08:53,030 --> 00:08:49,920

approximately

222

00:08:55,910 --> 00:08:53,040

every other week okay and and

223

00:08:56,870 --> 00:08:55,920

presumably as soon as coronavirus hit

224

00:08:59,190 --> 00:08:56,880

the headlines

225

00:09:00,710 --> 00:08:59,200

this was probably the primary focus of

226

00:09:02,870 --> 00:09:00,720

your meetings i would imagine

227

00:09:05,190 --> 00:09:02,880

back in december and january actually

228

00:09:08,070 --> 00:09:05,200

before it hit the headlines

229

00:09:08,870 --> 00:09:08,080

um we there are some individuals who

230

00:09:11,509 --> 00:09:08,880

knew that this

231

00:09:13,030 --> 00:09:11,519

was going to be coming to our shores and

232

00:09:14,710 --> 00:09:13,040

coming very quickly

233

00:09:17,190 --> 00:09:14,720

and so we began to research it and when

234

00:09:18,230 --> 00:09:17,200

we researched it we found the anti-virus

235

00:09:19,470 --> 00:09:18,240

like i said that dr

236

00:09:21,509 --> 00:09:19,480

fauci had used which was

237

00:09:25,670 --> 00:09:21,519

hydroxychloroquine

238

00:09:28,949 --> 00:09:25,680

as well as other medications

239

00:09:31,030 --> 00:09:28,959

but we knew that it was a medication

240

00:09:33,110 --> 00:09:31,040

that would not kill the virus but it

241

00:09:36,310 --> 00:09:33,120

would keep it from replicating

242

00:09:40,389 --> 00:09:36,320

and so a group of us got together uh

243

00:09:43,590 --> 00:09:40,399

chemist phd uh also

244

00:09:45,590 --> 00:09:43,600

who is a researchest as well as other

245

00:09:46,070 --> 00:09:45,600

physicians and there was probably about

246

00:09:49,350 --> 00:09:46,080

seven

247

00:09:51,990 --> 00:09:49,360

of us and we even had dr zelenko

248

00:09:53,990 --> 00:09:52,000

are actually working with us as well on

249

00:09:56,150 --> 00:09:54,000

dosing of the hydroxycorquin

250

00:09:57,829 --> 00:09:56,160

because in this country he was the one

251
00:09:59,430 --> 00:09:57,839
who had the most experience at that

252
00:10:02,710 --> 00:09:59,440
particular juncture

253
00:10:04,550 --> 00:10:02,720
and so what we did was we found

254
00:10:05,750 --> 00:10:04,560
what hydroxychloroquine does we

255
00:10:08,350 --> 00:10:05,760
explained that in

256
00:10:10,230 --> 00:10:08,360
a letter and we explained that

257
00:10:12,310 --> 00:10:10,240
hydroxychloroquine could be a game

258
00:10:14,150 --> 00:10:12,320
changer for the american people

259
00:10:15,509 --> 00:10:14,160
that we wouldn't have to shut down our

260
00:10:16,550 --> 00:10:15,519
economies we wouldn't have to close our

261
00:10:19,509 --> 00:10:16,560
schools

262
00:10:19,829 --> 00:10:19,519
we wouldn't have to quarantine uh and do

263
00:10:21,590 --> 00:10:19,839

all

264

00:10:22,870 --> 00:10:21,600

of these things that we certainly have

265

00:10:26,310 --> 00:10:22,880

done that has robbed us

266

00:10:27,350 --> 00:10:26,320

of community and so therefore uh we

267

00:10:31,030 --> 00:10:27,360

wrote the letter

268

00:10:34,150 --> 00:10:31,040

and we sent that to the president

269

00:10:35,350 --> 00:10:34,160

and it was hand carried to him uh

270

00:10:38,230 --> 00:10:35,360

through someone who

271

00:10:39,910 --> 00:10:38,240

knew him very very well and he

272

00:10:41,190 --> 00:10:39,920

apparently read the letter because the

273

00:10:42,710 --> 00:10:41,200

very next day

274

00:10:44,470 --> 00:10:42,720

is when he announced at the press

275

00:10:46,470 --> 00:10:44,480

conference about hydroxychloroquine

276

00:10:47,750 --> 00:10:46,480

could possibly be a game changer

277

00:10:49,110 --> 00:10:47,760

let me stop you there because that is

278

00:10:50,710 --> 00:10:49,120

kind of just an intriguing part that

279

00:10:52,230 --> 00:10:50,720

people are going to want to

280

00:10:54,310 --> 00:10:52,240

to to know is that there really was a

281

00:10:57,110 --> 00:10:54,320

connection between your letter

282

00:10:57,590 --> 00:10:57,120

and trump's announcement so how do you

283

00:11:00,150 --> 00:10:57,600

know

284

00:11:01,590 --> 00:11:00,160

when he got the letter you guys somebody

285

00:11:03,190 --> 00:11:01,600

reported to you guys that they'd

286

00:11:06,710 --> 00:11:03,200

actually handed it to him

287

00:11:10,630 --> 00:11:06,720

that is correct and and who was that

288

00:11:13,030 --> 00:11:10,640

um it was his late brother

289

00:11:14,550 --> 00:11:13,040

oh wow okay so so his late brother was

290

00:11:15,750 --> 00:11:14,560

connected to someone in your

291

00:11:18,550 --> 00:11:15,760

organization

292

00:11:20,230 --> 00:11:18,560

that is correct and he told you guys hey

293

00:11:21,750 --> 00:11:20,240

just so you know i got the letter and i

294

00:11:24,389 --> 00:11:21,760

gave it to my brother

295

00:11:25,350 --> 00:11:24,399

that is correct and then the very next

296

00:11:27,030 --> 00:11:25,360

day he's talking about

297

00:11:30,389 --> 00:11:27,040

hydroxychloroquine

298

00:11:32,069 --> 00:11:30,399

that is correct and ultimately

299

00:11:34,069 --> 00:11:32,079

trump says that he started taking

300

00:11:37,350 --> 00:11:34,079

hydroxychloroquine as a prophylactic

301
00:11:41,269 --> 00:11:37,360
correct yes because

302
00:11:42,069 --> 00:11:41,279
they he knew the science he was told the

303
00:11:45,350 --> 00:11:42,079
science

304
00:11:47,590 --> 00:11:45,360
he's uh could figure that out himself

305
00:11:49,829 --> 00:11:47,600
that this hydroxychlorogen but my

306
00:11:50,389 --> 00:11:49,839
question is to those who are so opposed

307
00:11:53,670 --> 00:11:50,399
that i

308
00:11:57,310 --> 00:11:53,680
am giving uh erroneous information

309
00:11:59,190 --> 00:11:57,320
is this how can a drug like

310
00:12:02,389 --> 00:11:59,200
hydroxychloroquine that has been

311
00:12:03,350 --> 00:12:02,399
around for 70 years it is not approved

312
00:12:04,870 --> 00:12:03,360
for lupus

313
00:12:06,710 --> 00:12:04,880

it's not approved for rheumatoid

314

00:12:09,670 --> 00:12:06,720

arthritis all right that that that is

315

00:12:12,629 --> 00:12:09,680

fda approved so to speak it was approved

316

00:12:15,750 --> 00:12:12,639

by the fda in 1955

317

00:12:18,790 --> 00:12:15,760

for malaria anti-malarial

318

00:12:20,710 --> 00:12:18,800

prophylaxis but yet it is an antiviral

319

00:12:24,389 --> 00:12:20,720

it's an anti-inflammatory

320

00:12:26,550 --> 00:12:24,399

and in spain i have some spanish

321

00:12:27,910 --> 00:12:26,560

doctors there that have actually told me

322

00:12:28,550 --> 00:12:27,920

that they have found that it has a

323

00:12:31,430 --> 00:12:28,560

little bit

324

00:12:32,470 --> 00:12:31,440

of an anticoagulation property to it

325

00:12:35,350 --> 00:12:32,480

also

326

00:12:35,750 --> 00:12:35,360

why is it that we are starting to use

327

00:12:39,030 --> 00:12:35,760

even

328

00:12:41,670 --> 00:12:39,040

in breast cancer type of research we're

329

00:12:44,790 --> 00:12:41,680

using hydroxychloroquine

330

00:12:49,190 --> 00:12:44,800

has it been approved for that no and

331

00:12:52,430 --> 00:12:49,200

the lupus foundation who actually does

332

00:12:53,829 --> 00:12:52,440

prescribe 200 to 400 milligrams of

333

00:12:57,509 --> 00:12:53,839

hydroxychloroquine

334

00:13:00,710 --> 00:12:57,519

every single day for those patients

335

00:13:04,790 --> 00:13:00,720

they don't require an elect an ecg or

336

00:13:06,230 --> 00:13:04,800

our ec uh an ecg or ekg

337

00:13:08,310 --> 00:13:06,240

they don't require that they don't

338

00:13:11,190 --> 00:13:08,320

require any cardiac

339

00:13:11,990 --> 00:13:11,200

workup and yet the dosages that we are

340

00:13:15,990 --> 00:13:12,000

giving

341

00:13:18,230 --> 00:13:16,000

is maybe 400 milligrams for five days

342

00:13:19,670 --> 00:13:18,240

and then we are offsetting that with

343

00:13:21,750 --> 00:13:19,680

maybe one a week

344

00:13:23,670 --> 00:13:21,760

we get down to one every other week we

345

00:13:26,190 --> 00:13:23,680

get one down to one a month

346

00:13:29,350 --> 00:13:26,200

why because the half-life of

347

00:13:31,509 --> 00:13:29,360

hydroxychloroquine is 22.4 days

348

00:13:32,949 --> 00:13:31,519

it begins to build up and you don't need

349

00:13:36,389 --> 00:13:32,959

to take high doses

350

00:13:37,910 --> 00:13:36,399

you're not going to see all this is

351

00:13:39,910 --> 00:13:37,920

this is nothing more in fact i have

352

00:13:42,629 --> 00:13:39,920

talked personally

353

00:13:43,990 --> 00:13:42,639

and i do mean personally with the

354

00:13:47,990 --> 00:13:44,000

cardiologist

355

00:13:51,750 --> 00:13:48,000

it who is the qt world

356

00:13:54,470 --> 00:13:51,760

health expert and this

357

00:13:56,509 --> 00:13:54,480

individual told me they have no qualms

358

00:13:58,230 --> 00:13:56,519

about using hydroxychloroquine with

359

00:14:01,430 --> 00:13:58,240

azithromycin

360

00:14:02,389 --> 00:14:01,440

or doxycycline or hydroxychloroquine by

361

00:14:04,310 --> 00:14:02,399

itself

362

00:14:06,629 --> 00:14:04,320

and and all this correct me wrong this

363

00:14:08,870 --> 00:14:06,639

is all about treating

364

00:14:09,910 --> 00:14:08,880

covid very early on as soon as you test

365

00:14:12,310 --> 00:14:09,920

positive and

366

00:14:14,550 --> 00:14:12,320

have some symptoms to theoretically go

367

00:14:16,949 --> 00:14:14,560

on this especially if you're high risk

368

00:14:17,910 --> 00:14:16,959

what about as a prophylactic as trump

369

00:14:20,470 --> 00:14:17,920

was taking

370

00:14:21,990 --> 00:14:20,480

did you guys address that in your letter

371

00:14:24,949 --> 00:14:22,000

we didn't at the time

372

00:14:25,350 --> 00:14:24,959

no we didn't but we certainly have uh

373

00:14:30,069 --> 00:14:25,360

with

374

00:14:33,189 --> 00:14:30,079

the president

375

00:14:35,030 --> 00:14:33,199

and uh told that uh to him because

376

00:14:37,030 --> 00:14:35,040

that's information that we

377

00:14:38,710 --> 00:14:37,040

actually have discovered as we have gone

378

00:14:40,949 --> 00:14:38,720

further into

379

00:14:42,790 --> 00:14:40,959

uh the illness of course and correct me

380

00:14:44,230 --> 00:14:42,800

if i'm wrong that's the primary when we

381

00:14:45,509 --> 00:14:44,240

talk about malaria

382

00:14:47,990 --> 00:14:45,519

that is the primary use of

383

00:14:50,230 --> 00:14:48,000

hydroxychloroquine is as a prophylactic

384

00:14:51,990 --> 00:14:50,240

somebody's going to africa in order to

385

00:14:53,590 --> 00:14:52,000

assure they don't get malaria

386

00:14:55,829 --> 00:14:53,600

they take this as a prophylactic am i

387

00:14:58,710 --> 00:14:55,839

right about that you are correct

388

00:14:59,910 --> 00:14:58,720

that and then and we do that for our

389

00:15:02,949 --> 00:14:59,920

armed services

390

00:15:03,590 --> 00:15:02,959

our all of our armed service individuals

391

00:15:06,790 --> 00:15:03,600

who go

392

00:15:11,829 --> 00:15:06,800

over to a malaria uh

393

00:15:15,110 --> 00:15:11,839

infested area they all have the

394

00:15:18,230 --> 00:15:15,120

and that hydroxychloroquine um

395

00:15:21,829 --> 00:15:18,240

they don't they don't administer

396

00:15:24,470 --> 00:15:21,839

uh a electrocardiogram uh for

397

00:15:25,990 --> 00:15:24,480

these every service individual who has

398

00:15:28,350 --> 00:15:26,000

this in their backpack

399

00:15:29,749 --> 00:15:28,360

nor do they do a cardiac workup or an

400

00:15:33,350 --> 00:15:29,759

echocardiogram

401
00:15:34,710 --> 00:15:33,360
in fact we have now just i think it was

402
00:15:36,949 --> 00:15:34,720
day before yesterday i think it was

403
00:15:40,150 --> 00:15:36,959
september 13th

404
00:15:43,829 --> 00:15:40,160
jama has just put out an article on

405
00:15:46,790 --> 00:15:43,839
the heart muscle and how covid

406
00:15:49,030 --> 00:15:46,800
actually damages what we call the

407
00:15:52,069 --> 00:15:49,040
sarcomere

408
00:15:55,430 --> 00:15:52,079
within the cells of

409
00:15:58,230 --> 00:15:55,440
the heart muscle and they have found

410
00:15:58,550 --> 00:15:58,240
and this is also backed up with a study

411
00:16:01,829 --> 00:15:58,560
from

412
00:16:05,030 --> 00:16:01,839
uh i believe it's berkeley in california

413
00:16:08,629 --> 00:16:05,040

they've also backed this up that

414

00:16:10,790 --> 00:16:08,639

covid actually is doing probably more

415

00:16:12,150 --> 00:16:10,800

damage to the heart muscle than it might

416

00:16:14,710 --> 00:16:12,160

be doing

417

00:16:16,150 --> 00:16:14,720

in the respiratory system and it is

418

00:16:19,990 --> 00:16:16,160

breaking the small little

419

00:16:22,710 --> 00:16:20,000

filaments in that sarcomere

420

00:16:24,470 --> 00:16:22,720

that causes the heart to contract and

421

00:16:26,389 --> 00:16:24,480

then relax

422

00:16:28,150 --> 00:16:26,399

and they are finding that this can

423

00:16:31,189 --> 00:16:28,160

sometimes show up

424

00:16:33,910 --> 00:16:31,199

maybe even months later

425

00:16:35,110 --> 00:16:33,920

that that damage has been done to the

426
00:16:38,870 --> 00:16:35,120
myocardial

427
00:16:41,829 --> 00:16:38,880
muscle cells so so it may so

428
00:16:43,670 --> 00:16:41,839
in your view it it clearly makes sense

429
00:16:45,749 --> 00:16:43,680
that hydroxychloroquine

430
00:16:46,949 --> 00:16:45,759
not just your view and many many uh

431
00:16:50,310 --> 00:16:46,959
experts view that

432
00:16:53,829 --> 00:16:50,320
hydroxychloroquine should work for covid

433
00:16:56,710 --> 00:16:53,839
but what about studies or research or

434
00:16:57,110 --> 00:16:56,720
just use has it been used widespread

435
00:16:59,189 --> 00:16:57,120
enough

436
00:17:02,230 --> 00:16:59,199
at this point to treat covid that we've

437
00:17:04,630 --> 00:17:02,240
got some conclusions that can be drawn

438
00:17:06,309 --> 00:17:04,640

if those people who are criticizing will

439

00:17:08,710 --> 00:17:06,319

just look at the world map

440

00:17:09,669 --> 00:17:08,720

they will easily find that answer

441

00:17:12,949 --> 00:17:09,679

because

442

00:17:15,990 --> 00:17:12,959

the countries that have used the kobot

443

00:17:18,270 --> 00:17:16,000

and are now using it such as china

444

00:17:21,029 --> 00:17:18,280

who have used hydroxychloroquine

445

00:17:23,669 --> 00:17:21,039

hydroxychloroquine that is correct

446

00:17:24,949 --> 00:17:23,679

where has it been used most prevalently

447

00:17:35,029 --> 00:17:24,959

it has been used

448

00:17:37,909 --> 00:17:35,039

in india very early on

449

00:17:39,590 --> 00:17:37,919

they i communicated directly with the

450

00:17:42,630 --> 00:17:39,600

secretary of health

451
00:17:44,070 --> 00:17:42,640
in india not around the corner but

452
00:17:47,430 --> 00:17:44,080
directly

453
00:17:49,430 --> 00:17:47,440
and his take on this was this

454
00:17:50,470 --> 00:17:49,440
that they are going to protect their

455
00:17:52,270 --> 00:17:50,480
citizens because

456
00:17:53,909 --> 00:17:52,280
they have been used to using

457
00:17:57,430 --> 00:17:53,919
hydroxychloroquine

458
00:17:59,430 --> 00:17:57,440
for malaria there for many many years

459
00:18:00,710 --> 00:17:59,440
and so they didn't have a fear of it

460
00:18:03,830 --> 00:18:00,720
being a cardiac

461
00:18:04,950 --> 00:18:03,840
issue or any other of the horrible side

462
00:18:08,470 --> 00:18:04,960
effects that they say

463
00:18:10,950 --> 00:18:08,480

but nevertheless he said to me he said

464

00:18:12,070 --> 00:18:10,960

we are going to protect all of our first

465

00:18:15,190 --> 00:18:12,080

responders

466

00:18:17,510 --> 00:18:15,200

with hydroxychloroquine immediately and

467

00:18:20,870 --> 00:18:17,520

then we're going to set up a protocol

468

00:18:23,669 --> 00:18:20,880

that if a family member does have

469

00:18:25,510 --> 00:18:23,679

a covid then we're going to treat that

470

00:18:26,470 --> 00:18:25,520

individual with a different type of

471

00:18:29,029 --> 00:18:26,480

protocol

472

00:18:31,350 --> 00:18:29,039

however we are going to treat the entire

473

00:18:35,990 --> 00:18:31,360

family for prophylaxis

474

00:18:39,110 --> 00:18:36,000

and he went on to say we have 1.3

475

00:18:42,150 --> 00:18:39,120

billion people in our country

476
00:18:43,510 --> 00:18:42,160
we cannot afford to have millions coming

477
00:18:46,549 --> 00:18:43,520
into our health care

478
00:18:47,750 --> 00:18:46,559
system it would overload us we can't

479
00:18:51,029 --> 00:18:47,760
handle that

480
00:18:54,150 --> 00:18:51,039
nor do we have the privilege

481
00:18:56,710 --> 00:18:54,160
in india of having social

482
00:18:58,230 --> 00:18:56,720
distancing he said there is not such a

483
00:19:01,430 --> 00:18:58,240
thing as social distancing

484
00:19:03,350 --> 00:19:01,440
in india we are jam-packed in here

485
00:19:05,350 --> 00:19:03,360
and so we have to do something to

486
00:19:06,590 --> 00:19:05,360
protect our populace

487
00:19:08,470 --> 00:19:06,600
and so they started the

488
00:19:11,510 --> 00:19:08,480

hydroxychloroquine early

489

00:19:13,669 --> 00:19:11,520

jim have you ever had the flu yes did

490

00:19:16,710 --> 00:19:13,679

you go to the doctor

491

00:19:17,190 --> 00:19:16,720

no typically not okay well i'm sure that

492

00:19:18,710 --> 00:19:17,200

there's

493

00:19:20,310 --> 00:19:18,720

listeners here that have gone to the

494

00:19:22,070 --> 00:19:20,320

doctor with the flu

495

00:19:24,070 --> 00:19:22,080

and one of the first questions that they

496

00:19:26,390 --> 00:19:24,080

will be asked by the doctor or at least

497

00:19:28,630 --> 00:19:26,400

should be is when did your symptoms

498

00:19:30,870 --> 00:19:28,640

first start

499

00:19:33,270 --> 00:19:30,880

why did they ask that because the

500

00:19:35,350 --> 00:19:33,280

tamiflu is an antiviral

501
00:19:36,950 --> 00:19:35,360
that needs to be given within the first

502
00:19:40,070 --> 00:19:36,960
five days

503
00:19:42,070 --> 00:19:40,080
of coming into contact with the viral

504
00:19:45,029 --> 00:19:42,080
infection the flu

505
00:19:46,230 --> 00:19:45,039
and so after that it is not near as

506
00:19:49,590 --> 00:19:46,240
effective

507
00:19:50,470 --> 00:19:49,600
because the virus has replicated to such

508
00:19:53,669 --> 00:19:50,480
a point

509
00:19:54,310 --> 00:19:53,679
that it's hard for the tamiflu to catch

510
00:19:56,789 --> 00:19:54,320
up

511
00:19:57,510 --> 00:19:56,799
with the virus and that's the same

512
00:20:00,390 --> 00:19:57,520
property

513
00:20:01,029 --> 00:20:00,400

with hydroxychloroquine if people would

514

00:20:03,830 --> 00:20:01,039

not

515

00:20:04,870 --> 00:20:03,840

uh think well gosh we have to do so much

516

00:20:12,230 --> 00:20:04,880

research

517

00:20:13,590 --> 00:20:12,240

but we also have to use with that common

518

00:20:15,990 --> 00:20:13,600

sense

519

00:20:17,350 --> 00:20:16,000

and we have to say this is an anti-viral

520

00:20:19,270 --> 00:20:17,360

and it's not going to

521

00:20:22,710 --> 00:20:19,280

really be a whole lot different than

522

00:20:24,789 --> 00:20:22,720

when you go get tamiflu

523

00:20:26,630 --> 00:20:24,799

and what do what are the results out of

524

00:20:28,950 --> 00:20:26,640

india do we know

525

00:20:29,830 --> 00:20:28,960

the results out of india are that they

526
00:20:32,549 --> 00:20:29,840
were they

527
00:20:33,029 --> 00:20:32,559
have found they just did a study in fact

528
00:20:40,870 --> 00:20:33,039
i

529
00:20:43,750 --> 00:20:40,880
those

530
00:20:45,350 --> 00:20:43,760
who have taken the hydroxychloroquine of

531
00:20:48,710 --> 00:20:45,360
the first responders

532
00:20:51,590 --> 00:20:48,720
have an amazing um not only not

533
00:20:52,470 --> 00:20:51,600
getting cobid but also if they should

534
00:20:54,630 --> 00:20:52,480
get covered

535
00:20:56,149 --> 00:20:54,640
a survival rate now where a lot of these

536
00:20:57,830 --> 00:20:56,159
studies have gone wrong and as

537
00:20:59,590 --> 00:20:57,840
you know and i'm sure many of your

538
00:21:01,430 --> 00:20:59,600

listeners know that

539

00:21:04,070 --> 00:21:01,440

many of the articles such as the

540

00:21:07,110 --> 00:21:04,080

brazilian study the va study

541

00:21:10,070 --> 00:21:07,120

such as that that of lancet even

542

00:21:11,750 --> 00:21:10,080

in the new england journal of medicine

543

00:21:14,789 --> 00:21:11,760

those studies have been

544

00:21:16,710 --> 00:21:14,799

shown as disproven

545

00:21:18,070 --> 00:21:16,720

and one of the biggest reasons that they

546

00:21:22,789 --> 00:21:18,080

have been disproven

547

00:21:25,830 --> 00:21:22,799

even uh dr bullware up in uh minnesota

548

00:21:28,549 --> 00:21:25,840

his work was uh even uh showed to be

549

00:21:30,950 --> 00:21:28,559

faulty why he didn't see patients he did

550

00:21:34,070 --> 00:21:30,960

all of it over the phone

551
00:21:36,630 --> 00:21:34,080
and they leave out the zinc

552
00:21:37,750 --> 00:21:36,640
now why is the zinc important because

553
00:21:40,310 --> 00:21:37,760
the zinc

554
00:21:41,590 --> 00:21:40,320
is the hydroxychloric when opens up the

555
00:21:45,350 --> 00:21:41,600
cell

556
00:21:48,549 --> 00:21:45,360
and it allows the zinc to come in

557
00:21:50,950 --> 00:21:48,559
to the cell if by some chance

558
00:21:51,590 --> 00:21:50,960
the hydroxychloroquine hasn't had a

559
00:21:54,789 --> 00:21:51,600
perfect

560
00:21:58,390 --> 00:21:54,799
coating around the cell to disallow

561
00:22:01,750 --> 00:21:58,400
the virus in and when that zinc

562
00:22:04,230 --> 00:22:01,760
gets into the cell it actually

563
00:22:05,669 --> 00:22:04,240

works its way into the replication of

564

00:22:10,149 --> 00:22:05,679

the virus

565

00:22:13,430 --> 00:22:10,159

and it actually causes the rna

566

00:22:15,750 --> 00:22:13,440

of the covid virus not to reproduce

567

00:22:17,110 --> 00:22:15,760

and therefore sorry and this is all

568

00:22:19,990 --> 00:22:17,120

described in that letter

569

00:22:21,830 --> 00:22:20,000

that made it to trump no that's not all

570

00:22:23,990 --> 00:22:21,840

described in a letter like that

571

00:22:26,230 --> 00:22:24,000

uh if the president doesn't have time to

572

00:22:29,110 --> 00:22:26,240

read a lot of that and

573

00:22:30,470 --> 00:22:29,120

i'm sure he's been briefed on it if

574

00:22:34,070 --> 00:22:30,480

nothing else by his

575

00:22:37,510 --> 00:22:34,080

own physician uh in at the white house

576

00:22:40,950 --> 00:22:37,520

because as president trump said

577

00:22:41,669 --> 00:22:40,960

his physician and he are the ones that

578

00:22:44,549 --> 00:22:41,679

decided

579

00:22:45,669 --> 00:22:44,559

if hydroxychloroquine would be used for

580

00:22:48,390 --> 00:22:45,679

prophylaxis

581

00:22:50,230 --> 00:22:48,400

and or treatment and that's the way it

582

00:22:52,710 --> 00:22:50,240

should be for the american people

583

00:22:54,549 --> 00:22:52,720

it should be between why should the

584

00:22:56,870 --> 00:22:54,559

president have that privilege

585

00:22:58,230 --> 00:22:56,880

and not the rest of the american people

586

00:22:59,669 --> 00:22:58,240

well let's try let's let's talk let's

587

00:23:00,310 --> 00:22:59,679

talk about that as far as what the state

588

00:23:03,350 --> 00:23:00,320

of

589

00:23:04,230 --> 00:23:03,360

hydroxychloroquine is today in the u.s i

590

00:23:06,390 --> 00:23:04,240

know

591

00:23:08,310 --> 00:23:06,400

that cuomo had an order about

592

00:23:11,270 --> 00:23:08,320

hydroxychloroquine in new york

593

00:23:11,750 --> 00:23:11,280

that prohibited its use in in many ways

594

00:23:13,909 --> 00:23:11,760

um

595

00:23:15,350 --> 00:23:13,919

i don't i imagine that there's other

596

00:23:16,789 --> 00:23:15,360

governors that have done the same but i

597

00:23:17,909 --> 00:23:16,799

also imagine there's lots of governors

598

00:23:21,270 --> 00:23:17,919

who have not done that

599

00:23:23,590 --> 00:23:21,280

so i assume there's lots of states

600

00:23:26,390 --> 00:23:23,600

that you can take hydroxychloroquine for

601
00:23:30,470 --> 00:23:28,390
there are not a lot of states and there

602
00:23:32,870 --> 00:23:30,480
are a lot of governors who have

603
00:23:35,590 --> 00:23:32,880
certainly prohibited

604
00:23:35,990 --> 00:23:35,600
i'm in missouri right close to uh next

605
00:23:39,110 --> 00:23:36,000
door to

606
00:23:40,990 --> 00:23:39,120
us is kansas and their governor uh has

607
00:23:42,230 --> 00:23:41,000
come out and said that you can use

608
00:23:45,510 --> 00:23:42,240
hydroxychloroquine

609
00:23:48,390 --> 00:23:45,520
for anything but coded

610
00:23:50,789 --> 00:23:48,400
yeah i mean it's absolutely insane that

611
00:23:51,990 --> 00:23:50,799
governors are weighing in on

612
00:23:54,310 --> 00:23:52,000
something that should be between a

613
00:23:56,470 --> 00:23:54,320

doctor and patient i mean it's just

614

00:23:58,070 --> 00:23:56,480

not nothing but politics and we we can

615

00:23:58,630 --> 00:23:58,080

get into the politics of it in a little

616

00:24:01,110 --> 00:23:58,640

bit

617

00:24:02,950 --> 00:24:01,120

but let's go back to those still there's

618

00:24:04,630 --> 00:24:02,960

got to be lots of states

619

00:24:06,390 --> 00:24:04,640

where the governor hasn't made some

620

00:24:09,350 --> 00:24:06,400

proclamation about hydroxychloroquine so

621

00:24:12,870 --> 00:24:09,360

what's going on in those states

622

00:24:13,990 --> 00:24:12,880

in those states many times the physician

623

00:24:18,310 --> 00:24:14,000

is being

624

00:24:20,950 --> 00:24:18,320

obstructed by the pharmaceutical boards

625

00:24:21,909 --> 00:24:20,960

because the pharmaceutical boards uh

626
00:24:24,950 --> 00:24:21,919
have

627
00:24:27,590 --> 00:24:24,960
cited on the

628
00:24:29,269 --> 00:24:27,600
against hydroxychloroquine now why

629
00:24:32,470 --> 00:24:29,279
because hydroxychloroquine

630
00:24:35,830 --> 00:24:32,480
to actually manufacture that

631
00:24:38,950 --> 00:24:35,840
one pill it's 0.05

632
00:24:40,549 --> 00:24:38,960
cents a pill to manufacture

633
00:24:42,710 --> 00:24:40,559
now what are they going to be

634
00:24:45,430 --> 00:24:42,720
manufacturing remdi severe for

635
00:24:45,990 --> 00:24:45,440
and by the way ram disavir was actually

636
00:24:49,430 --> 00:24:46,000
tested in

637
00:24:52,470 --> 00:24:49,440
china and found to be by itself

638
00:24:55,269 --> 00:24:52,480

of no benefit whatsoever

639

00:24:57,110 --> 00:24:55,279

and so the rem disappear is going to

640

00:25:00,549 --> 00:24:57,120

cost between three thousand

641

00:25:02,950 --> 00:25:00,559

and four thousand dollars of vial

642

00:25:04,470 --> 00:25:02,960

now tell me that there's not an

643

00:25:07,590 --> 00:25:04,480

incentive here

644

00:25:11,190 --> 00:25:07,600

to push the rim disappear or

645

00:25:15,029 --> 00:25:11,200

the vaccine who makes ram disappear

646

00:25:19,149 --> 00:25:15,039

um gilead and is there a generic

647

00:25:21,510 --> 00:25:19,159

version there are versions there are

648

00:25:25,430 --> 00:25:21,520

manufacturers who now

649

00:25:28,390 --> 00:25:25,440

uh have been trying to shut down their

650

00:25:29,590 --> 00:25:28,400

manufacturing of hydroxychloroquine and

651
00:25:32,789 --> 00:25:29,600
some other drugs

652
00:25:36,630 --> 00:25:32,799
to make a generic rim disappear

653
00:25:38,470 --> 00:25:36,640
however my question is this why are we

654
00:25:41,590 --> 00:25:38,480
counting on something like when

655
00:25:44,390 --> 00:25:41,600
disappeared when a patient gets back ill

656
00:25:44,710 --> 00:25:44,400
and it has to be hospitalized why are we

657
00:25:47,110 --> 00:25:44,720
over

658
00:25:48,149 --> 00:25:47,120
taxing our hospital staff and our

659
00:25:51,350 --> 00:25:48,159
economy

660
00:25:54,470 --> 00:25:51,360
in order yeah and what's

661
00:25:57,510 --> 00:25:54,480
what was ran disappear um invented

662
00:26:01,590 --> 00:25:57,520
to treat um it was back

663
00:26:03,430 --> 00:26:01,600

with ebola and so it has not been gone

664

00:26:07,029 --> 00:26:03,440

through studies for the treatment

665

00:26:07,830 --> 00:26:07,039

of covid19 just as hydroxychloroquine

666

00:26:10,870 --> 00:26:07,840

has not

667

00:26:11,830 --> 00:26:10,880

right yet it's okay to prescribe and

668

00:26:15,990 --> 00:26:11,840

disaveer

669

00:26:19,990 --> 00:26:16,000

for for coven dodger fauci

670

00:26:22,870 --> 00:26:20,000

gave a study that he was promoting

671

00:26:25,029 --> 00:26:22,880

on rem disappear in at in the oval

672

00:26:26,950 --> 00:26:25,039

office at the white house

673

00:26:28,149 --> 00:26:26,960

obviously you know all this is the white

674

00:26:31,350 --> 00:26:28,159

house um

675

00:26:34,630 --> 00:26:31,360

and so nevertheless what he did

676
00:26:37,830 --> 00:26:34,640
he compared hospitalization

677
00:26:40,630 --> 00:26:37,840
days he changed the study

678
00:26:41,909 --> 00:26:40,640
midstream because he was it the rem

679
00:26:44,549 --> 00:26:41,919
disappear was actually

680
00:26:45,830 --> 00:26:44,559
originally the study was set up to see

681
00:26:49,029 --> 00:26:45,840
if it made a difference

682
00:26:52,470 --> 00:26:49,039
in mortality and so

683
00:26:55,590 --> 00:26:52,480
um it was showing that certainly

684
00:26:58,710 --> 00:26:55,600
it but what they did was they compared

685
00:27:01,909 --> 00:26:58,720
ram disavere giving the patient

686
00:27:03,110 --> 00:27:01,919
the medication five days compared to ten

687
00:27:06,230 --> 00:27:03,120
days

688
00:27:08,950 --> 00:27:06,240

jim you don't compare the same drug

689

00:27:11,190 --> 00:27:08,960

according to the number of days that is

690

00:27:13,110 --> 00:27:11,200

not a scientific study

691

00:27:14,630 --> 00:27:13,120

a scientific study is if you have a

692

00:27:17,990 --> 00:27:14,640

placebo group

693

00:27:21,430 --> 00:27:18,000

to compare it to or if you even have

694

00:27:22,950 --> 00:27:21,440

another drug to compare it to so please

695

00:27:25,510 --> 00:27:22,960

don't criticize me

696

00:27:26,630 --> 00:27:25,520

for taking hydroxychloroquine and i am

697

00:27:31,110 --> 00:27:26,640

taking it by my

698

00:27:34,870 --> 00:27:31,120

on myself and for actually promoting it

699

00:27:37,990 --> 00:27:34,880

because that study that dr fauci

700

00:27:41,029 --> 00:27:38,000

is touting is not a scientific

701
00:27:44,470 --> 00:27:41,039
based study at all and

702
00:27:47,990 --> 00:27:44,480
dr rau in france said he could not

703
00:27:49,510 --> 00:27:48,000
in all good consciousness not give the

704
00:27:51,510 --> 00:27:49,520
medication when he saw

705
00:27:53,029 --> 00:27:51,520
such a difference in the thousands that

706
00:27:55,269 --> 00:27:53,039
he was treating

707
00:27:56,710 --> 00:27:55,279
and turning their lives around i've been

708
00:27:59,990 --> 00:27:56,720
doing telehealth i

709
00:28:02,950 --> 00:28:00,000
see the difference in those

710
00:28:04,789 --> 00:28:02,960
within days that have turned around and

711
00:28:06,950 --> 00:28:04,799
don't need to go to the hospital

712
00:28:08,630 --> 00:28:06,960
they don't need to be on ventilators but

713
00:28:09,029 --> 00:28:08,640

you know the hospital doesn't mind that

714

00:28:12,389 --> 00:28:09,039

in

715

00:28:14,710 --> 00:28:12,399

pneumonia a cold

716

00:28:15,990 --> 00:28:14,720

pneumonia or they're on a ventilator

717

00:28:18,710 --> 00:28:16,000

they're getting from the federal

718

00:28:21,029 --> 00:28:18,720

government around 35 to 39 thousand

719

00:28:23,830 --> 00:28:21,039

dollars extra for that patient

720

00:28:25,110 --> 00:28:23,840

of course you know so in the going back

721

00:28:25,750 --> 00:28:25,120

to these states where the governor

722

00:28:27,830 --> 00:28:25,760

hasn't

723

00:28:29,750 --> 00:28:27,840

banned in some way hydroxychloroquine so

724

00:28:30,870 --> 00:28:29,760

now it's up to the doctors to prescribe

725

00:28:33,110 --> 00:28:30,880

it you're saying

726

00:28:34,630 --> 00:28:33,120

it's still really not happening because

727

00:28:36,470 --> 00:28:34,640

of all of the

728

00:28:38,789 --> 00:28:36,480

negativity that's swirling around

729

00:28:41,909 --> 00:28:38,799

regarding hydroxychloroquine

730

00:28:43,590 --> 00:28:41,919

right correct and a lot of those who are

731

00:28:46,789 --> 00:28:43,600

working for hospitals which is

732

00:28:49,990 --> 00:28:46,799

over 50 percent of our physicians

733

00:28:51,750 --> 00:28:50,000

who are in the field now when they work

734

00:28:53,269 --> 00:28:51,760

for a particular hospital or an

735

00:28:56,549 --> 00:28:53,279

insurance group

736

00:28:57,909 --> 00:28:56,559

they are told to follow the protocol

737

00:29:00,389 --> 00:28:57,919

that hydroxycork hydroxychloroquine will

738

00:29:02,310 --> 00:29:00,399

not be used and what they're doing is if

739

00:29:04,950 --> 00:29:02,320

you if you're very ill

740

00:29:06,549 --> 00:29:04,960

many times you go to the emergency room

741

00:29:07,990 --> 00:29:06,559

they'll say well yes you're covered

742

00:29:12,389 --> 00:29:08,000

positive

743

00:29:13,990 --> 00:29:12,399

but your fever might be low grade 100 99

744

00:29:16,149 --> 00:29:14,000

sure you've got a sore throat sure you

745

00:29:17,990 --> 00:29:16,159

have aches all over just go home and do

746

00:29:21,029 --> 00:29:18,000

the best you can

747

00:29:21,830 --> 00:29:21,039

they're not offering them anything other

748

00:29:24,149 --> 00:29:21,840

than well

749

00:29:26,070 --> 00:29:24,159

one thing that all of our listeners can

750

00:29:26,870 --> 00:29:26,080

do or perhaps should do i'll ask your

751
00:29:29,510 --> 00:29:26,880
opinion on it

752
00:29:30,870 --> 00:29:29,520
is ask their own physician their

753
00:29:35,110 --> 00:29:30,880
personal family physician

754
00:29:37,110 --> 00:29:35,120
and ask them uh hey would you consider

755
00:29:38,389 --> 00:29:37,120
prescribing this to me as a prophylactic

756
00:29:40,710 --> 00:29:38,399
because they're in a high risk group

757
00:29:43,590 --> 00:29:40,720
they're older or have some precondition

758
00:29:45,029 --> 00:29:43,600
or g doc i just want to know if i happen

759
00:29:47,430 --> 00:29:45,039
to get covered

760
00:29:49,110 --> 00:29:47,440
would you prescribe it for me most

761
00:29:52,470 --> 00:29:49,120
physicians are being shamed

762
00:29:56,149 --> 00:29:52,480
into not doing it not using it i mean

763
00:29:57,830 --> 00:29:56,159

personally i have a case now before

764

00:30:00,630 --> 00:29:57,840

the missouri board of healing arts

765

00:30:03,669 --> 00:30:00,640

because i have used hydroxychloroquine

766

00:30:06,549 --> 00:30:03,679

on an individual who

767

00:30:07,750 --> 00:30:06,559

did well but her ex-husband is an

768

00:30:10,789 --> 00:30:07,760

oncologist

769

00:30:13,110 --> 00:30:10,799

and her ex-husband uh said that i was

770

00:30:15,149 --> 00:30:13,120

using a dangerous medication

771

00:30:16,950 --> 00:30:15,159

uh that i have never been using

772

00:30:17,830 --> 00:30:16,960

hydroxychloroquine because it is too

773

00:30:21,110 --> 00:30:17,840

dangerous

774

00:30:24,950 --> 00:30:21,120

and it's not fda approved for

775

00:30:27,430 --> 00:30:24,960

um is that is this 1984

776

00:30:28,310 --> 00:30:27,440

or or what i mean this is just scary

777

00:30:31,430 --> 00:30:28,320

stuff now

778

00:30:32,389 --> 00:30:31,440

you seem to posit that this is about big

779

00:30:34,549 --> 00:30:32,399

pharma

780

00:30:36,950 --> 00:30:34,559

making more money off of drugs other

781

00:30:40,950 --> 00:30:36,960

than hydroxychloroquine

782

00:30:44,230 --> 00:30:40,960

maybe but to me i see just politics

783

00:30:45,350 --> 00:30:44,240

all over this that it's all everything

784

00:30:47,510 --> 00:30:45,360

today in the media

785

00:30:49,029 --> 00:30:47,520

is either pro-trump or anti-trump it's

786

00:30:51,590 --> 00:30:49,039

it's one or the other

787

00:30:52,789 --> 00:30:51,600

and everything is seen through that lens

788

00:30:55,269 --> 00:30:52,799

and when trump comes out

789

00:30:57,029 --> 00:30:55,279

and touts this the the left would like

790

00:30:58,389 --> 00:30:57,039

nothing more than to make him look like

791

00:31:01,110 --> 00:30:58,399

a buffoon

792

00:31:02,149 --> 00:31:01,120

for for suggesting that oh we've got

793

00:31:04,070 --> 00:31:02,159

some

794

00:31:05,830 --> 00:31:04,080

miracle cure or not even a miracle cure

795

00:31:08,310 --> 00:31:05,840

but something that can help

796

00:31:09,590 --> 00:31:08,320

and they want to make him look bad so

797

00:31:13,269 --> 00:31:09,600

they take the vet study

798

00:31:14,070 --> 00:31:13,279

and they um they misrepresent the the

799

00:31:16,789 --> 00:31:14,080

veterans

800

00:31:17,830 --> 00:31:16,799

study and the the governors come out

801
00:31:19,350 --> 00:31:17,840
against it and so on this is all

802
00:31:21,990 --> 00:31:19,360
politics in my opinion

803
00:31:23,590 --> 00:31:22,000
99 you you're i'm surprised you're

804
00:31:25,509 --> 00:31:23,600
putting it as much on

805
00:31:26,870 --> 00:31:25,519
big pharma as you are maybe you can

806
00:31:30,470 --> 00:31:26,880
explain that but for me

807
00:31:31,590 --> 00:31:30,480
it's all politics because many of our

808
00:31:34,630 --> 00:31:31,600
politicians

809
00:31:37,509 --> 00:31:34,640
have direct access or of a

810
00:31:39,509 --> 00:31:37,519
financial invested interest in pharma

811
00:31:41,590 --> 00:31:39,519
yeah i know but but their hatred for

812
00:31:43,350 --> 00:31:41,600
trump and and you gotta remember you

813
00:31:46,149 --> 00:31:43,360

know the media role in this

814

00:31:46,549 --> 00:31:46,159

is so huge because it was the media that

815

00:31:50,149 --> 00:31:46,559

was

816

00:31:52,950 --> 00:31:50,159

all over this hydroxychloroquine and

817

00:31:53,590 --> 00:31:52,960

looking for any evidence to make trump

818

00:31:55,669 --> 00:31:53,600

look bad

819

00:31:57,110 --> 00:31:55,679

for for stating his support of it i

820

00:31:58,950 --> 00:31:57,120

guarantee you

821

00:32:00,549 --> 00:31:58,960

if trump had instead at that press

822

00:32:01,710 --> 00:32:00,559

conference said you know what

823

00:32:03,590 --> 00:32:01,720

somebody brought to my attention

824

00:32:05,269 --> 00:32:03,600

hydroxychloroquine but i would never

825

00:32:06,950 --> 00:32:05,279

take this i don't trust it i don't think

826

00:32:08,870 --> 00:32:06,960

that it's going to work for covid

827

00:32:10,230 --> 00:32:08,880

no one should take this the exact

828

00:32:12,110 --> 00:32:10,240

opposite would have happened

829

00:32:13,509 --> 00:32:12,120

and everybody would start taking

830

00:32:16,549 --> 00:32:13,519

hydroxychloroquine

831

00:32:17,590 --> 00:32:16,559

as a way to disprove trump so

832

00:32:19,430 --> 00:32:17,600

you know i know and i've listened to

833

00:32:20,470 --> 00:32:19,440

your other interviews where you know

834

00:32:22,470 --> 00:32:20,480

you've made the point that

835

00:32:23,830 --> 00:32:22,480

you know politicians are in the the

836

00:32:25,830 --> 00:32:23,840

pockets of big pharma

837

00:32:27,509 --> 00:32:25,840

in many ways but i just think i just

838

00:32:29,509 --> 00:32:27,519

think the pro and and i know

839

00:32:31,430 --> 00:32:29,519

i know you're right about that but

840

00:32:33,269 --> 00:32:31,440

pharma also spends a lot of money in

841

00:32:35,430 --> 00:32:33,279

media

842

00:32:37,110 --> 00:32:35,440

yeah but this is this is i'm talking

843

00:32:40,310 --> 00:32:37,120

about regular media

844

00:32:41,990 --> 00:32:40,320

not paid media this is regular media and

845

00:32:44,630 --> 00:32:42,000

uh i don't know it just seems to me it's

846

00:32:46,789 --> 00:32:44,640

so overwhelming the the the for the

847

00:32:47,509 --> 00:32:46,799

anti-trump fervor in this country of the

848

00:32:49,830 --> 00:32:47,519

people on the left

849

00:32:50,950 --> 00:32:49,840

is so overwhelming especially at cnn and

850

00:32:54,070 --> 00:32:50,960

msnbc

851
00:32:55,350 --> 00:32:54,080
and in the major networks that that

852
00:32:57,590 --> 00:32:55,360
provides

853
00:32:58,549 --> 00:32:57,600
in my opinion the 100 explanation for

854
00:33:00,870 --> 00:32:58,559
this this is an

855
00:33:01,830 --> 00:33:00,880
anti-trump he's supporting it we're

856
00:33:04,870 --> 00:33:01,840
going to prove him wrong

857
00:33:06,310 --> 00:33:04,880
to make him look bad uh that there is no

858
00:33:08,630 --> 00:33:06,320
easy solution for kovid

859
00:33:09,909 --> 00:33:08,640
your solution sucks because you don't

860
00:33:11,110 --> 00:33:09,919
know what you're doing and you need to

861
00:33:14,470 --> 00:33:11,120
be out of office

862
00:33:17,269 --> 00:33:14,480
let's look at dr robert kedlick a minute

863
00:33:20,070 --> 00:33:17,279

uh who happens to be the assistant

864

00:33:23,669 --> 00:33:20,080

secretary for preparedness and response

865

00:33:25,269 --> 00:33:23,679

he worked for has direct ties to

866

00:33:28,549 --> 00:33:25,279

emergent

867

00:33:30,630 --> 00:33:28,559

bio solutions and that company

868

00:33:32,230 --> 00:33:30,640

is the company that is actually making

869

00:33:35,669 --> 00:33:32,240

the vaccine

870

00:33:39,909 --> 00:33:35,679

for oxford for making it

871

00:33:43,269 --> 00:33:39,919

for johnson and johnson and astrazeneca

872

00:33:48,310 --> 00:33:43,279

all right and dr cadleck

873

00:33:50,870 --> 00:33:48,320

actually gave the biogenic

874

00:33:53,590 --> 00:33:50,880

solutions he gave them two billion

875

00:33:56,870 --> 00:33:53,600

dollars for smallpox vaccinations

876

00:33:59,310 --> 00:33:56,880

for vaccine he is the sole proprietor

877

00:34:01,750 --> 00:33:59,320

that actually oversees all the

878

00:34:05,350 --> 00:34:01,760

pharmaceutical

879

00:34:08,389 --> 00:34:05,360

material for our country he also

880

00:34:11,869 --> 00:34:08,399

oversees the stockpiles that

881

00:34:13,510 --> 00:34:11,879

the government has put back uh for of

882

00:34:17,589 --> 00:34:13,520

hydroxychloroquine

883

00:34:20,950 --> 00:34:17,599

and he has does he not possibly

884

00:34:23,990 --> 00:34:20,960

have a financial interest uh in

885

00:34:28,069 --> 00:34:24,000

doing so with his old company by

886

00:34:29,270 --> 00:34:28,079

the bio um or the emergence of vital

887

00:34:32,470 --> 00:34:29,280

solutions rather

888

00:34:34,869 --> 00:34:32,480

and so we have to question it's

889

00:34:35,909 --> 00:34:34,879

it overlaps yes there's a political

890

00:34:39,109 --> 00:34:35,919

agenda here

891

00:34:41,750 --> 00:34:39,119

we don't deny that absolutely

892

00:34:43,030 --> 00:34:41,760

but also there's a financial overlap in

893

00:34:46,389 --> 00:34:43,040

this as well

894

00:34:47,669 --> 00:34:46,399

also power and position has the world

895

00:34:50,550 --> 00:34:47,679

really changed

896

00:34:51,349 --> 00:34:50,560

it hasn't changed remember sex power and

897

00:34:53,030 --> 00:34:51,359

money

898

00:34:54,869 --> 00:34:53,040

those are the three things that drive

899

00:34:56,550 --> 00:34:54,879

the whole entire world it really hasn't

900

00:34:58,790 --> 00:34:56,560

changed that much

901
00:34:59,670 --> 00:34:58,800
yeah no i and i agree with all that i

902
00:35:01,510 --> 00:34:59,680
think we're just

903
00:35:03,109 --> 00:35:01,520
slightly disagreeing about what was the

904
00:35:06,470 --> 00:35:03,119
major cause of it but

905
00:35:09,190 --> 00:35:06,480
let's now talk about vaccine um

906
00:35:10,510 --> 00:35:09,200
because i i do think one of the other

907
00:35:11,750 --> 00:35:10,520
kind of negativities toward

908
00:35:15,190 --> 00:35:11,760
hydroxychloroquine

909
00:35:16,390 --> 00:35:15,200
is well yeah that means the person got

910
00:35:18,550 --> 00:35:16,400
sick

911
00:35:20,150 --> 00:35:18,560
and now you're treating you found a

912
00:35:21,030 --> 00:35:20,160
treatment for somebody sick but we don't

913
00:35:23,990 --> 00:35:21,040

want people to get

914

00:35:25,109 --> 00:35:24,000

sick at all this is the situation we've

915

00:35:27,190 --> 00:35:25,119

gotten into now where

916

00:35:28,870 --> 00:35:27,200

it's no longer seems to be about deaths

917

00:35:29,990 --> 00:35:28,880

and number of deaths or overwhelming the

918

00:35:32,390 --> 00:35:30,000

hospitals it's just about the number

919

00:35:33,190 --> 00:35:32,400

of cases that we freak out that there's

920

00:35:35,670 --> 00:35:33,200

a number of cases

921

00:35:36,470 --> 00:35:35,680

it doesn't matter what what their

922

00:35:37,910 --> 00:35:36,480

symptoms are

923

00:35:39,349 --> 00:35:37,920

does it matter if the person wind up in

924

00:35:40,230 --> 00:35:39,359

the hospital or not we're just freaking

925

00:35:42,790 --> 00:35:40,240

out over the

926
00:35:43,510 --> 00:35:42,800
sheer number of cases it's got people

927
00:35:44,950 --> 00:35:43,520
freaked out

928
00:35:47,349 --> 00:35:44,960
and that's all the numbers that we hear

929
00:35:48,230 --> 00:35:47,359
about so there's all this movement

930
00:35:49,750 --> 00:35:48,240
toward

931
00:35:51,270 --> 00:35:49,760
we just need to stop people from getting

932
00:35:54,150 --> 00:35:51,280
this at all

933
00:35:54,790 --> 00:35:54,160
and therefore hydroxychloroquine that

934
00:35:56,390 --> 00:35:54,800
just

935
00:35:58,790 --> 00:35:56,400
treats you once you're already sick what

936
00:36:00,550 --> 00:35:58,800
good is that we need to keep people from

937
00:36:02,230 --> 00:36:00,560
getting sick to begin with

938
00:36:04,150 --> 00:36:02,240

now you could say that that movement is

939

00:36:05,109 --> 00:36:04,160

about money and i'm sure that plays a

940

00:36:07,829 --> 00:36:05,119

part of it

941

00:36:09,270 --> 00:36:07,839

too but i it's just part of the insanity

942

00:36:11,750 --> 00:36:09,280

that has just

943

00:36:13,349 --> 00:36:11,760

spiraled out of control when it comes to

944

00:36:15,829 --> 00:36:13,359

the way people are looking

945

00:36:17,750 --> 00:36:15,839

at covid and you know trump is right in

946

00:36:19,190 --> 00:36:17,760

there you know potentially to blame on a

947

00:36:22,470 --> 00:36:19,200

lot of this for not speaking out

948

00:36:22,950 --> 00:36:22,480

more on it but um anyway that's what i

949

00:36:26,150 --> 00:36:22,960

see

950

00:36:28,310 --> 00:36:26,160

that

951
00:36:29,430 --> 00:36:28,320
for some reason americans are buying

952
00:36:32,950 --> 00:36:29,440
into the idea that this thing

953
00:36:36,230 --> 00:36:32,960
needs to be totally eradicated

954
00:36:38,710 --> 00:36:36,240
okay we don't eradicate clue do we

955
00:36:39,510 --> 00:36:38,720
uh we take our shots every every flu

956
00:36:41,349 --> 00:36:39,520
season

957
00:36:43,030 --> 00:36:41,359
everywhere you turn when you go to the

958
00:36:45,750 --> 00:36:43,040
pharmacy when you go to the

959
00:36:47,430 --> 00:36:45,760
to the uh grocery store um when you go

960
00:36:49,829 --> 00:36:47,440
to sam's club when you go to

961
00:36:51,190 --> 00:36:49,839
costco there's a there's a table there

962
00:36:53,750 --> 00:36:51,200
set up to get your flu shot

963
00:36:54,710 --> 00:36:53,760

everything and by the way this is a

964

00:36:56,230 --> 00:36:54,720

burning question i have

965

00:36:58,310 --> 00:36:56,240

do you happen to know roughly speaking

966

00:36:59,430 --> 00:36:58,320

what percentage of americans get the flu

967

00:37:02,550 --> 00:36:59,440

shot

968

00:37:03,670 --> 00:37:02,560

no i don't i the reason i ask is

969

00:37:05,670 --> 00:37:03,680

one of the points i've made about

970

00:37:07,910 --> 00:37:05,680

vaccines like okay you're gonna

971

00:37:09,589 --> 00:37:07,920

come out with this and what percentage

972

00:37:11,190 --> 00:37:09,599

of the population are even going to take

973

00:37:12,790 --> 00:37:11,200

it to begin with

974

00:37:14,710 --> 00:37:12,800

and what percentage is it going to be

975

00:37:14,950 --> 00:37:14,720

effective for because we know vaccines

976
00:37:16,870 --> 00:37:14,960
are

977
00:37:19,190 --> 00:37:16,880
not 100 effective maybe they're more

978
00:37:21,910 --> 00:37:19,200
like you could tell us but more like 50

979
00:37:23,349 --> 00:37:21,920
effective so even if 20 even if 20 of

980
00:37:24,470 --> 00:37:23,359
the people took it which would probably

981
00:37:26,230 --> 00:37:24,480
be high

982
00:37:29,030 --> 00:37:26,240
you're really talking about 10 of the

983
00:37:31,270 --> 00:37:29,040
people having now taken the vaccine

984
00:37:33,190 --> 00:37:31,280
i i mean sorry having uh the the

985
00:37:34,230 --> 00:37:33,200
positive antibodies as a result of this

986
00:37:35,589 --> 00:37:34,240
vaccine so

987
00:37:39,109 --> 00:37:35,599
that's what we're sitting around waiting

988
00:37:42,470 --> 00:37:39,119

for is for 10 of the population

989

00:37:45,910 --> 00:37:42,480

well um the lead

990

00:37:48,470 --> 00:37:45,920

pharmaceutical manufacturer

991

00:37:50,790 --> 00:37:48,480

is moderate at this particular juncture

992

00:37:54,470 --> 00:37:50,800

that seems to be leading the way

993

00:37:57,270 --> 00:37:54,480

and if we go back to that and

994

00:37:58,470 --> 00:37:57,280

there again you can say i'm a conspiracy

995

00:38:00,710 --> 00:37:58,480

theory you can say that

996

00:38:01,990 --> 00:38:00,720

i mean you can say anything you want

997

00:38:05,030 --> 00:38:02,000

however

998

00:38:06,390 --> 00:38:05,040

when you look at the company modera it's

999

00:38:11,109 --> 00:38:06,400

really strange that

1000

00:38:14,790 --> 00:38:11,119

ron rosenstein had a great deal of stock

1001
00:38:18,790 --> 00:38:14,800
in modera and who is going to be giving

1002
00:38:21,190 --> 00:38:18,800
our vaccine go ahead

1003
00:38:22,470 --> 00:38:21,200
uh with a particular company well it

1004
00:38:26,150 --> 00:38:22,480
happens to be

1005
00:38:30,069 --> 00:38:26,160
nancy rosenstein it was her

1006
00:38:31,829 --> 00:38:30,079
maiden name and she heads up the cdc

1007
00:38:35,270 --> 00:38:31,839
pharmaceutical

1008
00:38:38,470 --> 00:38:35,280
whoever will be picked modera is leading

1009
00:38:42,230 --> 00:38:38,480
in that modera has never made thus

1010
00:38:45,589 --> 00:38:42,240
far a successful vaccine

1011
00:38:50,150 --> 00:38:45,599
never however and they use the uh

1012
00:38:53,270 --> 00:38:50,160
messenger rna and that messenger rna

1013
00:38:53,910 --> 00:38:53,280

requires a lot of stabilizers not a lot

1014

00:38:56,470 --> 00:38:53,920

but they

1015

00:38:57,750 --> 00:38:56,480

i would i shouldn't say a lot requires

1016

00:39:01,030 --> 00:38:57,760

stabilizers

1017

00:39:03,670 --> 00:39:01,040

to stabilize that vaccine

1018

00:39:05,270 --> 00:39:03,680

and what's amazing is that the fda does

1019

00:39:08,230 --> 00:39:05,280

not have to

1020

00:39:10,390 --> 00:39:08,240

know or even inquire what those

1021

00:39:13,430 --> 00:39:10,400

stabilizers are

1022

00:39:17,030 --> 00:39:13,440

and we do know that those are being

1023

00:39:20,550 --> 00:39:17,040

made from fetal aborted cells

1024

00:39:21,430 --> 00:39:20,560

we do know that and if right now the flu

1025

00:39:24,470 --> 00:39:21,440

vaccine

1026
00:39:25,750 --> 00:39:24,480
i was told um i haven't seen the article

1027
00:39:28,950 --> 00:39:25,760
yet but i was told

1028
00:39:32,550 --> 00:39:28,960
this year is actually going to come

1029
00:39:37,109 --> 00:39:32,560
from basically a cell line from dog

1030
00:39:40,150 --> 00:39:37,119
kidneys and so we have to realize

1031
00:39:41,109 --> 00:39:40,160
that just because the fda has let this

1032
00:39:43,030 --> 00:39:41,119
go

1033
00:39:44,790 --> 00:39:43,040
doesn't mean that they know even what's

1034
00:39:47,270 --> 00:39:44,800
in the vaccines

1035
00:39:48,950 --> 00:39:47,280
and there's only one company that's

1036
00:39:51,750 --> 00:39:48,960
making a dna

1037
00:39:53,349 --> 00:39:51,760
vaccine it's studying that and that's

1038
00:39:55,910 --> 00:39:53,359

anova

1039

00:39:56,950 --> 00:39:55,920

and so however they are not at this

1040

00:39:59,349 --> 00:39:56,960

particular

1041

00:40:01,109 --> 00:39:59,359

time in the lead for putting out the

1042

00:40:03,750 --> 00:40:01,119

vaccine

1043

00:40:04,950 --> 00:40:03,760

so we have to there once again ask what

1044

00:40:08,550 --> 00:40:04,960

is the motive

1045

00:40:09,990 --> 00:40:08,560

american people don't have symptoms

1046

00:40:11,750 --> 00:40:10,000

enough to ask that

1047

00:40:13,750 --> 00:40:11,760

then maybe they deserve to get what

1048

00:40:15,990 --> 00:40:13,760

they're going to get just like we did in

1049

00:40:19,750 --> 00:40:16,000

the anthrax vaccine

1050

00:40:22,230 --> 00:40:19,760

dr kedlick said that he personally gave

1051

00:40:25,270 --> 00:40:22,240

our 800 of our armed service

1052

00:40:28,150 --> 00:40:25,280

individuals the anthrax

1053

00:40:29,750 --> 00:40:28,160

vaccine back in the day and do you know

1054

00:40:33,109 --> 00:40:29,760

that that vaccine now

1055

00:40:36,829 --> 00:40:33,119

after several years back now

1056

00:40:37,990 --> 00:40:36,839

it is directly related with the gulf war

1057

00:40:40,069 --> 00:40:38,000

syndrome

1058

00:40:42,150 --> 00:40:40,079

and so how do we know what we're getting

1059

00:40:43,030 --> 00:40:42,160

today may not have repercussions

1060

00:40:46,230 --> 00:40:43,040

tomorrow

1061

00:40:48,230 --> 00:40:46,240

how do we know that maybe if there is a

1062

00:40:50,069 --> 00:40:48,240

political agenda here against

1063

00:40:52,630 --> 00:40:50,079

president trump how do we know that

1064

00:40:55,190 --> 00:40:52,640

they're not pushing the vaccine

1065

00:40:55,750 --> 00:40:55,200

so that maybe a year or two later from

1066

00:40:57,670 --> 00:40:55,760

now

1067

00:40:59,109 --> 00:40:57,680

we find that these vaccines had a

1068

00:41:00,950 --> 00:40:59,119

repercussion

1069

00:41:02,230 --> 00:41:00,960

they're not going to blame pharma who

1070

00:41:05,510 --> 00:41:02,240

are they going to blame

1071

00:41:09,109 --> 00:41:05,520

they're going to blame president trump

1072

00:41:14,630 --> 00:41:09,119

is there a vaccine for malaria no

1073

00:41:19,990 --> 00:41:17,910

well it certainly was tried but no no

1074

00:41:21,670 --> 00:41:20,000

and there's no vaccine we know for for

1075

00:41:24,790 --> 00:41:21,680

the cold

1076

00:41:27,910 --> 00:41:24,800

no so why is it that if

1077

00:41:31,190 --> 00:41:27,920

if after all these years

1078

00:41:34,790 --> 00:41:31,200

we've yet to get a vaccine for these

1079

00:41:38,069 --> 00:41:34,800

major major diseases why is it that we

1080

00:41:40,390 --> 00:41:38,079

think that we could get it for cobin

1081

00:41:41,510 --> 00:41:40,400

billions of dollars well but there's

1082

00:41:44,230 --> 00:41:41,520

billions of dollars

1083

00:41:46,790 --> 00:41:44,240

potentially for hiv malaria and and the

1084

00:41:50,309 --> 00:41:46,800

cold right and and despite that

1085

00:41:53,430 --> 00:41:50,319

already we will be

1086

00:41:56,550 --> 00:41:53,440

spending even more on this

1087

00:41:59,910 --> 00:41:56,560

there has to be to me this is nefarious

1088

00:42:01,349 --> 00:41:59,920

to me this is something i think that

1089

00:42:05,270 --> 00:42:01,359

every american

1090

00:42:08,550 --> 00:42:05,280

have

1091

00:42:11,670 --> 00:42:08,560

the right to try the hydroxychloroquine

1092

00:42:13,270 --> 00:42:11,680

should they so desire i do have a

1093

00:42:18,230 --> 00:42:13,280

website up now

1094

00:42:21,190 --> 00:42:18,240

that it's personal healthcarenetwork.us

1095

00:42:21,910 --> 00:42:21,200

to sign such a petition if you if any of

1096

00:42:24,230 --> 00:42:21,920

your listeners

1097

00:42:26,309 --> 00:42:24,240

certainly wish to or if some of your

1098

00:42:29,430 --> 00:42:26,319

listeners may have

1099

00:42:33,589 --> 00:42:29,440

a loved one that has come down

1100

00:42:36,150 --> 00:42:33,599

with covid and is at high risk i think

1101
00:42:36,950 --> 00:42:36,160
you know people say that uh president

1102
00:42:38,870 --> 00:42:36,960
trump

1103
00:42:39,990 --> 00:42:38,880
uh certainly doesn't know what he's

1104
00:42:42,150 --> 00:42:40,000
talking about

1105
00:42:44,790 --> 00:42:42,160
when he talks about hydroxychloroquine

1106
00:42:47,030 --> 00:42:44,800
or the covid in general

1107
00:42:48,470 --> 00:42:47,040
however i want to know how many givers

1108
00:42:49,510 --> 00:42:48,480
know what they're talking about these

1109
00:42:53,030 --> 00:42:49,520
governors

1110
00:42:55,430 --> 00:42:53,040
who have purposely put covid patients

1111
00:42:56,950 --> 00:42:55,440
in nursing homes do they know what

1112
00:42:59,670 --> 00:42:56,960
they're talking about

1113
00:43:00,230 --> 00:42:59,680

do they know what they're doing i want

1114

00:43:02,069 --> 00:43:00,240

to know

1115

00:43:04,069 --> 00:43:02,079

and who gave them the right to practice

1116

00:43:07,510 --> 00:43:04,079

medicine who gave them the right

1117

00:43:10,309 --> 00:43:07,520

to put those coveted positive

1118

00:43:11,750 --> 00:43:10,319

patients in with the most vulnerable

1119

00:43:14,069 --> 00:43:11,760

i'll tell you what

1120

00:43:15,270 --> 00:43:14,079

those a lot of those nursing homes are

1121

00:43:18,870 --> 00:43:15,280

getting about fifteen

1122

00:43:21,589 --> 00:43:18,880

thousand dollars more uh money

1123

00:43:23,109 --> 00:43:21,599

for those uh co-bid patients in their

1124

00:43:25,750 --> 00:43:23,119

nursing homes

1125

00:43:29,589 --> 00:43:25,760

is that what we what we've done are we

1126

00:43:33,829 --> 00:43:31,750

considering that we haven't come up with

1127

00:43:35,430 --> 00:43:33,839

the vaccine for malaria hiv the cold and

1128

00:43:36,950 --> 00:43:35,440

probably uh we could probably list a ton

1129

00:43:39,349 --> 00:43:36,960

of other things

1130

00:43:39,990 --> 00:43:39,359

what do you th do you think we should

1131

00:43:41,910 --> 00:43:40,000

consider that

1132

00:43:47,030 --> 00:43:41,920

it's likely that there will be a vaccine

1133

00:43:51,430 --> 00:43:49,270

i can't tell you that i really cannot

1134

00:43:52,630 --> 00:43:51,440

tell you that i can tell you this

1135

00:43:55,190 --> 00:43:52,640

that we haven't come up with a

1136

00:43:57,030 --> 00:43:55,200

successful vaccine thus far

1137

00:43:58,870 --> 00:43:57,040

and these other illnesses that you have

1138

00:44:02,230 --> 00:43:58,880

been so astutely

1139

00:44:04,150 --> 00:44:02,240

able to point out however

1140

00:44:05,829 --> 00:44:04,160

i do know this that there are going to

1141

00:44:08,630 --> 00:44:05,839

be billions of dollars

1142

00:44:09,829 --> 00:44:08,640

that are going to be spent on a vaccine

1143

00:44:13,109 --> 00:44:09,839

when we could do as

1144

00:44:16,069 --> 00:44:13,119

putin has done and as china has done

1145

00:44:18,069 --> 00:44:16,079

and wrapped ramped up their production

1146

00:44:21,990 --> 00:44:18,079

of hydroxychloroquine

1147

00:44:25,270 --> 00:44:22,000

and zinc and then as putin did

1148

00:44:25,829 --> 00:44:25,280

months ago began to administer it out

1149

00:44:28,630 --> 00:44:25,839

throughout

1150

00:44:29,910 --> 00:44:28,640

every region in russia to have it

1151

00:44:32,230 --> 00:44:29,920

prophylactically

1152

00:44:34,150 --> 00:44:32,240

and when you take a medication maybe

1153

00:44:34,870 --> 00:44:34,160

once a week once every other week once a

1154

00:44:37,510 --> 00:44:34,880

month

1155

00:44:37,910 --> 00:44:37,520

i don't see that that being a burden

1156

00:44:41,030 --> 00:44:37,920

yeah

1157

00:44:44,150 --> 00:44:41,040

the mindset

1158

00:44:46,550 --> 00:44:44,160

that we don't need a vaccine to get

1159

00:44:47,829 --> 00:44:46,560

through this and the best example i'm

1160

00:44:48,550 --> 00:44:47,839

going to go back to those same things

1161

00:44:50,390 --> 00:44:48,560

it's like

1162

00:44:52,069 --> 00:44:50,400

are people freaked out in america about

1163

00:44:54,470 --> 00:44:52,079

hiv no

1164

00:44:55,990 --> 00:44:54,480

because we've got a very effective

1165

00:44:58,069 --> 00:44:56,000

treatment for it now

1166

00:44:59,109 --> 00:44:58,079

are they freaked out about the cold no

1167

00:45:00,470 --> 00:44:59,119

because we've got treatment

1168

00:45:01,750 --> 00:45:00,480

are they freaked out about malaria no

1169

00:45:03,430 --> 00:45:01,760

we've got this prophylactic that you

1170

00:45:04,870 --> 00:45:03,440

take so people don't choose not to go to

1171

00:45:06,309 --> 00:45:04,880

africa because of the risk of malaria

1172

00:45:08,309 --> 00:45:06,319

they take these

1173

00:45:09,670 --> 00:45:08,319

as you point out hydroxychloroquine to

1174

00:45:11,829 --> 00:45:09,680

protect them against that and they still

1175

00:45:14,790 --> 00:45:11,839

go on their their africa trip

1176

00:45:16,470 --> 00:45:14,800

so people need to realize that we don't

1177

00:45:17,829 --> 00:45:16,480

need vaccine

1178

00:45:20,550 --> 00:45:17,839

to get through this even though that

1179

00:45:23,270 --> 00:45:20,560

appears to be the current mentality

1180

00:45:24,550 --> 00:45:23,280

that has been sold to us and it is

1181

00:45:26,309 --> 00:45:24,560

unfortunate i would like to hear your

1182

00:45:27,829 --> 00:45:26,319

thoughts on on trump it's unfortunate

1183

00:45:30,950 --> 00:45:27,839

that it appears that he's gotten

1184

00:45:32,069 --> 00:45:30,960

sucked into this thinking yes he has and

1185

00:45:34,309 --> 00:45:32,079

as we all know

1186

00:45:35,829 --> 00:45:34,319

or we should know if we're listening to

1187

00:45:39,109 --> 00:45:35,839

the news at all

1188

00:45:42,309 --> 00:45:39,119

that when president trump

1189

00:45:46,150 --> 00:45:42,319
was first told about the covid

1190

00:45:49,190 --> 00:45:46,160
uh and the epidemiology portion of that

1191

00:45:52,230 --> 00:45:49,200
in spreading dr fauci

1192

00:45:55,430 --> 00:45:52,240
and dr bricks went into

1193

00:45:57,670 --> 00:45:55,440
the oval office and said president trump

1194

00:45:59,270 --> 00:45:57,680
by the calculations coming out of the

1195

00:46:02,150 --> 00:45:59,280
united kingdom

1196

00:46:02,630 --> 00:46:02,160
we have noted the british studies that

1197

00:46:05,990 --> 00:46:02,640
we

1198

00:46:09,829 --> 00:46:06,000
will probably lose 2.2

1199

00:46:12,630 --> 00:46:09,839
million american lives with this kogit

1200

00:46:14,550 --> 00:46:12,640
if we don't do something now now you're

1201
00:46:18,069 --> 00:46:14,560
the president of the united states

1202
00:46:20,870 --> 00:46:18,079
you're not a physician you you have

1203
00:46:22,950 --> 00:46:20,880
got these experts who have come to you

1204
00:46:23,990 --> 00:46:22,960
and told you that this is the data that

1205
00:46:27,270 --> 00:46:24,000
they have gotten

1206
00:46:28,309 --> 00:46:27,280
from intelligence in britain now we know

1207
00:46:32,069 --> 00:46:28,319
that that

1208
00:46:35,190 --> 00:46:32,079
british study that they had done was now

1209
00:46:36,950 --> 00:46:35,200
not correct but yet at the time

1210
00:46:38,870 --> 00:46:36,960
that's what he was basing his

1211
00:46:42,790 --> 00:46:38,880
information on

1212
00:46:46,870 --> 00:46:42,800
and he did what a prudent leader does

1213
00:46:50,309 --> 00:46:46,880

a prudent leader goes to an expert

1214

00:46:53,109 --> 00:46:50,319

and they ask the experts and that's what

1215

00:46:54,150 --> 00:46:53,119

i know our group certainly has done we

1216

00:46:57,030 --> 00:46:54,160

have gone to the

1217

00:46:58,470 --> 00:46:57,040

experts not only in this country but

1218

00:47:01,589 --> 00:46:58,480

around the world

1219

00:47:03,589 --> 00:47:01,599

to see what has been done and we see a

1220

00:47:06,630 --> 00:47:03,599

striking difference

1221

00:47:10,230 --> 00:47:06,640

in the united kingdom canada and

1222

00:47:13,510 --> 00:47:10,240

the united states in not only our death

1223

00:47:17,030 --> 00:47:13,520

rates but also in our economy and

1224

00:47:20,710 --> 00:47:17,040

also in those who have actually

1225

00:47:23,829 --> 00:47:20,720

who have co-bid we have seen an

1226

00:47:25,750 --> 00:47:23,839

increase rather than a decline

1227

00:47:27,030 --> 00:47:25,760

as drastically yes we're seeing a

1228

00:47:31,190 --> 00:47:27,040

decline now i won't

1229

00:47:34,069 --> 00:47:31,200

i won't argue that but we haven't seen

1230

00:47:35,750 --> 00:47:34,079

near what other countries who have used

1231

00:47:38,950 --> 00:47:35,760

the hydroxychloroquine

1232

00:47:42,390 --> 00:47:38,960

have had in their population

1233

00:47:45,750 --> 00:47:42,400

compared to us and

1234

00:47:47,829 --> 00:47:45,760

what about the shutdown um

1235

00:47:49,510 --> 00:47:47,839

you know looking back should we have

1236

00:47:54,069 --> 00:47:49,520

shut down at all

1237

00:47:57,589 --> 00:47:54,079

and what should we be doing today

1238

00:48:00,630 --> 00:47:57,599

well we looked at uh sweden of course

1239

00:48:02,150 --> 00:48:00,640

uh sweden did not shut down sweden kept

1240

00:48:04,230 --> 00:48:02,160

their schools open

1241

00:48:05,670 --> 00:48:04,240

they kept their economy going they kept

1242

00:48:08,549 --> 00:48:05,680

they kept community

1243

00:48:09,430 --> 00:48:08,559

alive whereas we have shut down

1244

00:48:10,950 --> 00:48:09,440

community

1245

00:48:13,510 --> 00:48:10,960

and by the way do you know what sweden's

1246

00:48:16,990 --> 00:48:13,520

policy has been on hydroxychloroquine

1247

00:48:19,990 --> 00:48:17,000

try they certainly have not opposed

1248

00:48:23,829 --> 00:48:20,000

hydroxychloroquine as we have and

1249

00:48:26,549 --> 00:48:23,839

come out against it but i tell you this

1250

00:48:27,030 --> 00:48:26,559

they did not shut down right and that's

1251
00:48:30,710 --> 00:48:27,040
and

1252
00:48:33,190 --> 00:48:30,720
you said

1253
00:48:35,190 --> 00:48:33,200
because i i tend to agree with this that

1254
00:48:36,549 --> 00:48:35,200
hey this thing is going to make its way

1255
00:48:39,349 --> 00:48:36,559
through the population

1256
00:48:41,109 --> 00:48:39,359
and you can shut down for years and have

1257
00:48:44,309 --> 00:48:41,119
it go very slowly

1258
00:48:46,230 --> 00:48:44,319
or you can live your lives

1259
00:48:47,829 --> 00:48:46,240
be cautious if you're somebody who's

1260
00:48:49,589 --> 00:48:47,839
older or has pre-existing conditions or

1261
00:48:51,829 --> 00:48:49,599
whatever be more cautious

1262
00:48:52,790 --> 00:48:51,839
but this is this is going to happen it's

1263
00:48:55,510 --> 00:48:52,800

either going to go

1264

00:48:57,190 --> 00:48:55,520

quickly or it's going to go over years

1265

00:48:59,510 --> 00:48:57,200

right isn't that kind of your point

1266

00:49:00,870 --> 00:48:59,520

you've heard this many times jim i know

1267

00:49:02,150 --> 00:49:00,880

you have because you've had other people

1268

00:49:04,710 --> 00:49:02,160

on this show

1269

00:49:06,390 --> 00:49:04,720

and you've heard it probably some even

1270

00:49:09,750 --> 00:49:06,400

some of my podcasts

1271

00:49:13,030 --> 00:49:09,760

but never in the history of medicine

1272

00:49:16,390 --> 00:49:13,040

have we quarantined well

1273

00:49:17,349 --> 00:49:16,400

individuals we quarantine even back in

1274

00:49:20,150 --> 00:49:17,359

biblical days

1275

00:49:21,990 --> 00:49:20,160

those who had leprosy uh they didn't

1276

00:49:23,670 --> 00:49:22,000

shut everybody else up

1277

00:49:26,390 --> 00:49:23,680

they took the leopards and they put and

1278

00:49:28,390 --> 00:49:26,400

they they actually quarantined them

1279

00:49:30,470 --> 00:49:28,400

i mean that goes back to thousands and

1280

00:49:33,589 --> 00:49:30,480

thousands of years

1281

00:49:37,190 --> 00:49:33,599

and so logically we could

1282

00:49:39,990 --> 00:49:37,200

quarantine those who are at risk

1283

00:49:41,510 --> 00:49:40,000

or maybe those who have multiple core

1284

00:49:45,109 --> 00:49:41,520

morbid conditions

1285

00:49:48,309 --> 00:49:45,119

but to actually shut down our country

1286

00:49:51,109 --> 00:49:48,319

to shut down our schools to shut down

1287

00:49:53,270 --> 00:49:51,119

community my goodness we've had a

1288

00:49:56,470 --> 00:49:53,280

repercussion from that

1289

00:49:59,270 --> 00:49:56,480

i know you're a very intelligent man

1290

00:50:01,670 --> 00:49:59,280

and you have i'm sure read about the

1291

00:50:04,710 --> 00:50:01,680

suicide rate being up the child abuse

1292

00:50:07,349 --> 00:50:04,720

uh rates being up uh those

1293

00:50:09,589 --> 00:50:07,359

who are depressed because they don't

1294

00:50:11,430 --> 00:50:09,599

have interaction with other human beings

1295

00:50:14,870 --> 00:50:11,440

we are meant to be

1296

00:50:18,390 --> 00:50:14,880

a society of community

1297

00:50:20,309 --> 00:50:18,400

and there is risk to life

1298

00:50:22,309 --> 00:50:20,319

and and we've always understood that

1299

00:50:23,349 --> 00:50:22,319

there is risk to life and we've been

1300

00:50:25,670 --> 00:50:23,359

willing to

1301
00:50:27,030 --> 00:50:25,680
take those risks that's why we go 65 on

1302
00:50:29,829 --> 00:50:27,040
the freeway instead of

1303
00:50:30,950 --> 00:50:29,839
20 but for some reason this is all got

1304
00:50:34,549 --> 00:50:30,960
turned on its head

1305
00:50:37,589 --> 00:50:34,559
where we want to have absolutely no risk

1306
00:50:38,390 --> 00:50:37,599
that is correct and that is that that's

1307
00:50:41,109 --> 00:50:38,400
ludicrous

1308
00:50:43,349 --> 00:50:41,119
i mean you mentioned the flu we have flu

1309
00:50:45,190 --> 00:50:43,359
vaccines have we already eradicated the

1310
00:50:46,710 --> 00:50:45,200
flu

1311
00:50:49,030 --> 00:50:46,720
do we acquire still but we still live

1312
00:50:49,750 --> 00:50:49,040
our lives we still live our lives we

1313
00:50:51,750 --> 00:50:49,760

still

1314

00:50:53,430 --> 00:50:51,760

what's stunning to me you just you put

1315

00:50:54,150 --> 00:50:53,440

it very well but what's stunning to me

1316

00:50:57,109 --> 00:50:54,160

is

1317

00:50:58,870 --> 00:50:57,119

that a we did it to begin with so the

1318

00:51:00,710 --> 00:50:58,880

fact that we did shut down you know the

1319

00:51:03,990 --> 00:51:00,720

15 days

1320

00:51:07,270 --> 00:51:04,000

to flatten the curve that we did

1321

00:51:07,510 --> 00:51:07,280

quarantine a healthy people as you point

1322

00:51:10,710 --> 00:51:07,520

out

1323

00:51:12,950 --> 00:51:10,720

very unusual and first time

1324

00:51:14,150 --> 00:51:12,960

ever so it's pretty shocking that we did

1325

00:51:16,309 --> 00:51:14,160

it to begin with

1326

00:51:18,870 --> 00:51:16,319

what's even more shocking is that here

1327

00:51:21,750 --> 00:51:18,880

we are six months later

1328

00:51:21,990 --> 00:51:21,760

and we're still doing it and it seems

1329

00:51:23,430 --> 00:51:22,000

like

1330

00:51:25,030 --> 00:51:23,440

any pushback the people that were

1331

00:51:26,950 --> 00:51:25,040

pushing back during those two weeks and

1332

00:51:29,190 --> 00:51:26,960

really upset about it and talking

1333

00:51:30,790 --> 00:51:29,200

they've almost it's dissipated it's it's

1334

00:51:34,069 --> 00:51:30,800

it's done it's like the argument

1335

00:51:37,510 --> 00:51:34,079

is over we've lost we are

1336

00:51:40,710 --> 00:51:37,520

you know local la county health official

1337

00:51:42,870 --> 00:51:40,720

an unelected woman barbara farrar

1338

00:51:43,829 --> 00:51:42,880

if i got her name correctly she comes

1339

00:51:45,510 --> 00:51:43,839

out every day

1340

00:51:47,030 --> 00:51:45,520

and she tells us what we're allowed to

1341

00:51:49,030 --> 00:51:47,040

do and what we're not allowed to do

1342

00:51:51,349 --> 00:51:49,040

it's not even the mayor it's not the

1343

00:51:53,990 --> 00:51:51,359

governor it's not the legislature

1344

00:51:55,829 --> 00:51:54,000

it's an unelected local health official

1345

00:51:57,910 --> 00:51:55,839

who tells us every day

1346

00:52:00,470 --> 00:51:57,920

what we're allowed to do that day and

1347

00:52:02,710 --> 00:52:00,480

people are okay with it

1348

00:52:04,630 --> 00:52:02,720

and that's what's baffling to me because

1349

00:52:06,069 --> 00:52:04,640

that's not the american spirit that we

1350

00:52:07,990 --> 00:52:06,079

have known that's not the american

1351
00:52:08,950 --> 00:52:08,000
spirit that brought this country to its

1352
00:52:12,630 --> 00:52:08,960
greatest

1353
00:52:15,589 --> 00:52:12,640
and it is a lack of that type of spirit

1354
00:52:17,109 --> 00:52:15,599
that will be our demise and it will be

1355
00:52:20,470 --> 00:52:17,119
that that will actually

1356
00:52:24,270 --> 00:52:20,480
cause our country to succumb to

1357
00:52:26,390 --> 00:52:24,280
non-elected bureaucrats and when did

1358
00:52:29,349 --> 00:52:26,400
non-non-elected bureaucrats

1359
00:52:31,190 --> 00:52:29,359
become such an authority where are they

1360
00:52:31,589 --> 00:52:31,200
getting the social distancing there's

1361
00:52:35,190 --> 00:52:31,599
never

1362
00:52:38,790 --> 00:52:35,200
been a study a high school girl did do

1363
00:52:39,990 --> 00:52:38,800

uh a paper at one point on some social

1364

00:52:41,910 --> 00:52:40,000

distancing

1365

00:52:43,910 --> 00:52:41,920

or at that time it wasn't called social

1366

00:52:47,030 --> 00:52:43,920

distancing but distancing

1367

00:52:49,109 --> 00:52:47,040

and but as far as a double-blind

1368

00:52:50,630 --> 00:52:49,119

study has there really been a

1369

00:52:53,589 --> 00:52:50,640

double-blind study

1370

00:52:54,470 --> 00:52:53,599

of those standing in line to get closer

1371

00:52:56,390 --> 00:52:54,480

together

1372

00:52:58,710 --> 00:52:56,400

i mean is it three foot is it six foot

1373

00:53:01,990 --> 00:52:58,720

is it twelve foot is it twenty feet

1374

00:53:05,510 --> 00:53:02,000

i mean what what is causing this

1375

00:53:08,710 --> 00:53:05,520

uh who who said that who said

1376

00:53:11,670 --> 00:53:08,720

that mask will definitely protect you

1377

00:53:12,230 --> 00:53:11,680

i mean we have schools that are required

1378

00:53:15,829 --> 00:53:12,240

to have

1379

00:53:18,790 --> 00:53:15,839

masks with teachers the janitors

1380

00:53:19,670 --> 00:53:18,800

the students but yet there are still

1381

00:53:22,790 --> 00:53:19,680

outbreaks

1382

00:53:26,230 --> 00:53:22,800

in our schools of covid

1383

00:53:29,270 --> 00:53:26,240

using mask so and

1384

00:53:32,150 --> 00:53:29,280

masks are were originally for

1385

00:53:33,030 --> 00:53:32,160

those in surgery to protect from

1386

00:53:35,510 --> 00:53:33,040

bacteria

1387

00:53:37,190 --> 00:53:35,520

to protect from you know say the surgeon

1388

00:53:39,510 --> 00:53:37,200

sneezes into the field

1389

00:53:40,230 --> 00:53:39,520

i mean who knows what i look i don't

1390

00:53:42,710 --> 00:53:40,240

have

1391

00:53:44,150 --> 00:53:42,720

much doubt personally that locking

1392

00:53:46,710 --> 00:53:44,160

people away

1393

00:53:49,109 --> 00:53:46,720

does slow the spread i think that seems

1394

00:53:51,750 --> 00:53:49,119

to be proven but my point is

1395

00:53:52,470 --> 00:53:51,760

to what end are you locking people away

1396

00:53:54,549 --> 00:53:52,480

because

1397

00:53:56,309 --> 00:53:54,559

if there was a vaccine that we knew was

1398

00:53:57,349 --> 00:53:56,319

going to be 100 effective and that 100

1399

00:53:58,870 --> 00:53:57,359

percent of the people were going to take

1400

00:54:00,950 --> 00:53:58,880

in is going to be available tomorrow

1401
00:54:02,309 --> 00:54:00,960
then then maybe maybe i'd be okay with

1402
00:54:03,990 --> 00:54:02,319
like okay guys let's fatten down the

1403
00:54:06,390 --> 00:54:04,000
hatches and wait for this thing

1404
00:54:07,510 --> 00:54:06,400
but we have no idea whether this vaccine

1405
00:54:08,870 --> 00:54:07,520
is coming we have no idea what

1406
00:54:09,990 --> 00:54:08,880
percentage will take it we have no idea

1407
00:54:12,710 --> 00:54:10,000
how effective it will be

1408
00:54:13,829 --> 00:54:12,720
so the idea of thinking about a vaccine

1409
00:54:15,190 --> 00:54:13,839
is totally wrong

1410
00:54:17,670 --> 00:54:15,200
we should be back at the original

1411
00:54:18,390 --> 00:54:17,680
thinking was not overwhelming the

1412
00:54:20,309 --> 00:54:18,400
hospitals

1413
00:54:22,309 --> 00:54:20,319

as long as we've got capacity at our

1414

00:54:24,870 --> 00:54:22,319

hospitals in ppe

1415

00:54:26,230 --> 00:54:24,880

in all those things then we need to go

1416

00:54:27,750 --> 00:54:26,240

live our lives

1417

00:54:29,349 --> 00:54:27,760

some people want to be more careful than

1418

00:54:30,710 --> 00:54:29,359

others be more careful than others

1419

00:54:32,230 --> 00:54:30,720

everybody make your own decision as to

1420

00:54:33,829 --> 00:54:32,240

how careful you want to be

1421

00:54:35,430 --> 00:54:33,839

but we need to go back and live our

1422

00:54:36,950 --> 00:54:35,440

lives we have a healthcare system the

1423

00:54:38,309 --> 00:54:36,960

best in the world ready to take care of

1424

00:54:40,069 --> 00:54:38,319

you if you get sick

1425

00:54:41,670 --> 00:54:40,079

well it's funny that you should bring

1426

00:54:43,589 --> 00:54:41,680

that up jim because a lot of our

1427

00:54:46,470 --> 00:54:43,599

hospitals are going broke

1428

00:54:48,230 --> 00:54:46,480

because they've been empty because they

1429

00:54:51,430 --> 00:54:48,240

have not been allowed

1430

00:54:52,230 --> 00:54:51,440

to actually do a lot of what hospitals

1431

00:54:55,030 --> 00:54:52,240

are supposed

1432

00:54:55,910 --> 00:54:55,040

to do they're not supposed to stand by

1433

00:54:57,750 --> 00:54:55,920

and wait

1434

00:54:59,510 --> 00:54:57,760

for a covid victim to come in they're

1435

00:55:01,270 --> 00:54:59,520

supposed to take care of myocardial

1436

00:55:02,069 --> 00:55:01,280

infarctions they are to take care of

1437

00:55:05,430 --> 00:55:02,079

surgical

1438

00:55:07,750 --> 00:55:05,440

procedures both elected and non-elected

1439

00:55:09,030 --> 00:55:07,760

surgical procedures they are to take

1440

00:55:10,870 --> 00:55:09,040

care of our sick

1441

00:55:12,870 --> 00:55:10,880

but instead many of them have been

1442

00:55:16,069 --> 00:55:12,880

sitting with absolutely

1443

00:55:18,309 --> 00:55:16,079

nothing to do and they're going broke

1444

00:55:19,430 --> 00:55:18,319

yeah i don't do a lot of them still have

1445

00:55:22,230 --> 00:55:19,440

policies in place

1446

00:55:23,829 --> 00:55:22,240

that they will only treat essentially

1447

00:55:26,549 --> 00:55:23,839

emergencies or

1448

00:55:28,309 --> 00:55:26,559

really serious conditions that has

1449

00:55:30,950 --> 00:55:28,319

pretty well

1450

00:55:31,670 --> 00:55:30,960

gone away i think for the most part but

1451

00:55:34,870 --> 00:55:31,680

there still

1452

00:55:38,309 --> 00:55:34,880

are those out there who will adhere

1453

00:55:39,349 --> 00:55:38,319

to that recommendation why because

1454

00:55:42,950 --> 00:55:39,359

they're afraid

1455

00:55:45,270 --> 00:55:42,960

because i will tell you hundreds

1456

00:55:46,950 --> 00:55:45,280

if not thousands of letters have gone

1457

00:55:49,750 --> 00:55:46,960

out to physicians

1458

00:55:50,549 --> 00:55:49,760

warning them that they should not be

1459

00:55:54,870 --> 00:55:50,559

talking about

1460

00:55:58,789 --> 00:55:54,880

any type of uh

1461

00:56:03,349 --> 00:55:58,799

treatment for covid that would veer away

1462

00:56:06,950 --> 00:56:03,359

from touting the vaccine and touting

1463

00:56:08,470 --> 00:56:06,960

drugs like rem disappear that even goes

1464

00:56:10,390 --> 00:56:08,480

and i want you your listeners to

1465

00:56:13,510 --> 00:56:10,400

understand this dr

1466

00:56:16,950 --> 00:56:13,520

fauci was asked at one point

1467

00:56:19,589 --> 00:56:16,960

about the uh people of color

1468

00:56:20,710 --> 00:56:19,599

possibly being more vulnerable to kobit

1469

00:56:22,789 --> 00:56:20,720

and what would

1470

00:56:23,910 --> 00:56:22,799

he have to offer them and what he

1471

00:56:28,150 --> 00:56:23,920

offered them

1472

00:56:31,190 --> 00:56:28,160

was actually social distancing mask

1473

00:56:34,470 --> 00:56:31,200

and quarantine all right and that's fine

1474

00:56:37,190 --> 00:56:34,480

and and i'm not an anti-vet mac mask

1475

00:56:38,710 --> 00:56:37,200

or pro mask i could care less whatever

1476
00:56:41,750 --> 00:56:38,720
you want to do

1477
00:56:45,190 --> 00:56:41,760
but the point of it being is this

1478
00:56:48,870 --> 00:56:45,200
that he knows he should know that

1479
00:56:52,150 --> 00:56:48,880
most all of our people of color

1480
00:56:55,270 --> 00:56:52,160
are particularly vitamin d deficient

1481
00:56:57,510 --> 00:56:55,280
and we have found within our group

1482
00:57:01,109 --> 00:56:57,520
that we have found that individuals who

1483
00:57:05,510 --> 00:57:01,119
have a vitamin d level of 50 to 75

1484
00:57:08,390 --> 00:57:05,520
have not gone on ventilators now then

1485
00:57:09,910 --> 00:57:08,400
should we not at least be telling our

1486
00:57:12,710 --> 00:57:09,920
population

1487
00:57:14,230 --> 00:57:12,720
get your vitamin d level up as winter is

1488
00:57:17,589 --> 00:57:14,240

approaching

1489

00:57:20,230 --> 00:57:17,599

get your vitamin c right

1490

00:57:21,190 --> 00:57:20,240

get your vitamin a right which actually

1491

00:57:24,710 --> 00:57:21,200

helps protect

1492

00:57:27,670 --> 00:57:24,720

your respiratory system take your zinc

1493

00:57:29,190 --> 00:57:27,680

and with that take about two milligrams

1494

00:57:32,549 --> 00:57:29,200

of copper

1495

00:57:35,990 --> 00:57:32,559

um because if you take a lot of you you

1496

00:57:39,190 --> 00:57:36,000

the virus can deplete you of your zinc

1497

00:57:41,270 --> 00:57:39,200

and then if take elderberry

1498

00:57:43,430 --> 00:57:41,280

for heaven's sakes can't we at least do

1499

00:57:46,470 --> 00:57:43,440

that and and should people take

1500

00:57:49,109 --> 00:57:46,480

should people take zinc

1501
00:57:50,950 --> 00:57:49,119
yes they should take because that you

1502
00:57:52,470 --> 00:57:50,960
can get over the counter

1503
00:57:53,910 --> 00:57:52,480
well yeah you can get it over there you

1504
00:57:55,270 --> 00:57:53,920
can get elderberry over the counter you

1505
00:57:56,789 --> 00:57:55,280
can get vitamin c over the candidate you

1506
00:57:58,150 --> 00:57:56,799
can get vitamin d over the counter

1507
00:58:00,069 --> 00:57:58,160
you can copper over the counter you can

1508
00:58:01,910 --> 00:58:00,079
get all these things you can get iodine

1509
00:58:03,510 --> 00:58:01,920
some but you should you know encourage

1510
00:58:04,390 --> 00:58:03,520
you know people out there such as myself

1511
00:58:06,950 --> 00:58:04,400
who have

1512
00:58:08,390 --> 00:58:06,960
parents that are older they should be

1513
00:58:09,990 --> 00:58:08,400

encouraging their parents to be taking

1514

00:58:11,349 --> 00:58:10,000

these types of things right

1515

00:58:13,990 --> 00:58:11,359

they should they themselves should be

1516

00:58:15,109 --> 00:58:14,000

taking it if we if we build up our own

1517

00:58:17,030 --> 00:58:15,119

immunity

1518

00:58:19,349 --> 00:58:17,040

we might have a better chance of

1519

00:58:23,109 --> 00:58:19,359

actually fighting this virus

1520

00:58:24,950 --> 00:58:23,119

in a much broader sense but

1521

00:58:26,150 --> 00:58:24,960

last question uh because we're running

1522

00:58:27,510 --> 00:58:26,160

out of time and just to wrap up on

1523

00:58:30,549 --> 00:58:27,520

hydroxychloroquine

1524

00:58:32,150 --> 00:58:30,559

um my parents are in their 80s

1525

00:58:34,470 --> 00:58:32,160

they're in good health but they're in

1526

00:58:36,549 --> 00:58:34,480

their 80s would you

1527

00:58:38,390 --> 00:58:36,559

if they had access to hydroxychloroquine

1528

00:58:40,950 --> 00:58:38,400

as a prophylactic would you recommend

1529

00:58:43,349 --> 00:58:40,960

that they take it

1530

00:58:44,309 --> 00:58:43,359

i probably would yes because i don't

1531

00:58:45,270 --> 00:58:44,319

because they're in a high risk they're

1532

00:58:48,870 --> 00:58:45,280

in a high-risk group

1533

00:58:52,789 --> 00:58:48,880

would have them take it

1534

00:58:56,230 --> 00:58:52,799

least as long as coronavirus

1535

00:58:58,870 --> 00:58:56,240

this covet is out there

1536

00:58:59,910 --> 00:58:58,880

probably so maybe one in a month

1537

00:59:03,829 --> 00:58:59,920

eventually

1538

00:59:04,549 --> 00:59:03,839

um to because it has like i said a 22.4

1539

00:59:07,589 --> 00:59:04,559

day

1540

00:59:09,670 --> 00:59:07,599

half-life and there's no point

1541

00:59:11,510 --> 00:59:09,680

in giving a lot of medication i mean you

1542

00:59:13,510 --> 00:59:11,520

can only fill the glass so full before

1543

00:59:16,390 --> 00:59:13,520

it overruns why overrun it

1544

00:59:19,190 --> 00:59:16,400

fill it to i mean just there again go

1545

00:59:21,910 --> 00:59:19,200

back to some just common sense

1546

00:59:24,069 --> 00:59:21,920

that's what we need to be using with

1547

00:59:26,230 --> 00:59:24,079

science

1548

00:59:27,190 --> 00:59:26,240
