BIDEN SECRET E-MAILS

DANIEL GREENFIELD

1
00:00:00,000 --> 00:00:04,150

[Music]

2
00:00:09,589 --> 00:00:05,670

the origins

3
00:00:12,789 --> 00:00:09,599

of this laptop scandal which starts with

4
00:00:15,669 --> 00:00:12,799

hunter biden apparently taking his

5
00:00:16,630 --> 00:00:15,679

laptop for a simple repair on april 12th

6
00:00:20,470 --> 00:00:16,640

of 2019

7
00:00:21,510 --> 00:00:20,480

to a local repair shop in delaware as

8
00:00:23,990 --> 00:00:21,520

absurd as that

9
00:00:24,550 --> 00:00:24,000

sounds but that's the beginning right

10
00:00:28,470 --> 00:00:24,560

yep

11
00:00:30,870 --> 00:00:28,480

that is and um do we know anything about

12
00:00:32,470 --> 00:00:30,880

this repair shop or the owner of the

13
00:00:35,670 --> 00:00:32,480

repair shop

14

00:00:37,270 --> 00:00:35,680

obviously he's been in the media

15

00:00:38,950 --> 00:00:37,280

spotlight he's come forward

16

00:00:40,549 --> 00:00:38,960

the media has made much of the fact that

17

00:00:41,830 --> 00:00:40,559

he's a conservative but he's a supporter

18

00:00:43,350 --> 00:00:41,840

of president trump

19

00:00:44,869 --> 00:00:43,360

and so they've tried to claim that this

20

00:00:45,830 --> 00:00:44,879

is some sort of setup they've tried to

21

00:00:46,869 --> 00:00:45,840

claim that this is russian

22

00:00:48,549 --> 00:00:46,879

disinformation

23

00:00:50,630 --> 00:00:48,559

none of that makes any particular sense

24

00:00:52,549 --> 00:00:50,640

because the crucial thing here is

25

00:00:54,869 --> 00:00:52,559

that the owner actually uh threw an

26
00:00:56,069 --> 00:00:54,879
intermediary turned over the laptop to

27
00:00:59,750 --> 00:00:56,079
the fbi

28
00:01:01,029 --> 00:00:59,760
um last year so if yes so i want to i

29
00:01:03,670 --> 00:01:01,039
want to kind of walk through it

30
00:01:04,869 --> 00:01:03,680
step by step uh because it it is such a

31
00:01:07,190 --> 00:01:04,879
bizarre story

32
00:01:08,950 --> 00:01:07,200
and such an amazing story and the other

33
00:01:10,710 --> 00:01:08,960
element of the story is the fact that

34
00:01:13,109 --> 00:01:10,720
nobody's covering the story

35
00:01:15,510 --> 00:01:13,119
right i mean it's just uh incredible i

36
00:01:17,429 --> 00:01:15,520
mean this would be a ratings grabber

37
00:01:18,870 --> 00:01:17,439
you would think you would think that uh

38
00:01:21,030 --> 00:01:18,880

media channels would be all over this

39

00:01:24,070 --> 00:01:21,040

thing and yet of course they're not

40

00:01:26,149 --> 00:01:24,080

um but so so he drops it off

41

00:01:27,670 --> 00:01:26,159

and then much have been noted about the

42

00:01:31,030 --> 00:01:27,680

fact that it was left for

43

00:01:34,230 --> 00:01:31,040

45 days so that would put us into late

44

00:01:35,590 --> 00:01:34,240

may of last year uh and then i've got in

45

00:01:38,149 --> 00:01:35,600

my notes here

46

00:01:39,590 --> 00:01:38,159

that the owner called the fbi in

47

00:01:42,789 --> 00:01:39,600

september

48

00:01:45,270 --> 00:01:42,799

so um what is it about him leaving it

49

00:01:47,030 --> 00:01:45,280

for 45 days what happened after 45 days

50

00:01:49,749 --> 00:01:47,040

because i don't have him calling

51
00:01:51,190 --> 00:01:49,759
the fbi until september so just back

52
00:01:52,870 --> 00:01:51,200
track a little bit we don't know for

53
00:01:54,710 --> 00:01:52,880
sure that hunter biden dropped it off

54
00:01:55,830 --> 00:01:54,720
but the laptop had the bill biden

55
00:01:57,670 --> 00:01:55,840
foundation sticker

56
00:01:59,670 --> 00:01:57,680
now beau biden is hunter by his brother

57
00:02:01,590 --> 00:01:59,680
he's deceased um joe biden has pretty

58
00:02:02,389 --> 00:02:01,600
much been running on that i haven't done

59
00:02:06,389 --> 00:02:02,399
something

60
00:02:09,029 --> 00:02:06,399
now hunter biden uh foundation while at

61
00:02:10,949 --> 00:02:09,039
the same time having a romance with um

62
00:02:12,150 --> 00:02:10,959
his brother's widow which is a tad

63
00:02:13,670 --> 00:02:12,160

creepy and this is actually going to

64

00:02:14,550 --> 00:02:13,680

come into play with the newest

65

00:02:16,470 --> 00:02:14,560

revelations

66

00:02:18,630 --> 00:02:16,480

coming from giuliani but anyway so this

67

00:02:20,710 --> 00:02:18,640

laptop has a um

68

00:02:22,070 --> 00:02:20,720

foundation sticker on it the owner is

69

00:02:25,190 --> 00:02:22,080

partially blind so

70

00:02:26,229 --> 00:02:25,200

he's not able to confirm entirely um who

71

00:02:28,390 --> 00:02:26,239

dropped it off

72

00:02:29,430 --> 00:02:28,400

but at some point uh you know it is a

73

00:02:30,869 --> 00:02:29,440

laptop repair shop

74

00:02:32,869 --> 00:02:30,879

you're dropping off something you're

75

00:02:34,630 --> 00:02:32,879

doing you're expect to be paid for it

76

00:02:36,229 --> 00:02:34,640

and sorry wasn't there's a hunter biden

77

00:02:37,270 --> 00:02:36,239

signature on on something what what is

78

00:02:38,869 --> 00:02:37,280

that

79

00:02:40,309 --> 00:02:38,879

so there does seem to be a hunter biden

80

00:02:42,309 --> 00:02:40,319

signature on it but the owner said that

81

00:02:43,270 --> 00:02:42,319

he can't confirm who actually dropped it

82

00:02:46,390 --> 00:02:43,280

off

83

00:02:47,270 --> 00:02:46,400

okay but but but someone signed the name

84

00:02:50,229 --> 00:02:47,280

hunter biden

85

00:02:51,670 --> 00:02:50,239

on the receipt yes i mean there is

86

00:02:53,670 --> 00:02:51,680

paperwork there's a paper

87

00:02:55,589 --> 00:02:53,680

trail there okay so then uh what is it

88

00:02:56,550 --> 00:02:55,599

about this 45 what happened after 45

89

00:02:59,430 --> 00:02:56,560

days

90

00:03:01,110 --> 00:02:59,440

so uh if you don't pick it up uh you the

91

00:03:01,509 --> 00:03:01,120

owner did a certain amount of work on it

92

00:03:02,630 --> 00:03:01,519

um

93

00:03:05,350 --> 00:03:02,640

if you don't pick it up you don't

94

00:03:06,550 --> 00:03:05,360

actually pay your bill

95

00:03:08,470 --> 00:03:06,560

repair shop i mean that's pretty

96

00:03:09,190 --> 00:03:08,480

standard you bring in your car you never

97

00:03:10,869 --> 00:03:09,200

pick it up

98

00:03:13,030 --> 00:03:10,879

you never pay your bill at some point

99

00:03:15,670 --> 00:03:13,040

the um shop is just going to

100

00:03:17,190 --> 00:03:15,680

take possession of it and celebrate have

101
00:03:19,270 --> 00:03:17,200
you have you seen has there been an

102
00:03:20,309 --> 00:03:19,280
extensive on-camera interview with the

103
00:03:21,509 --> 00:03:20,319
owner

104
00:03:24,229 --> 00:03:21,519
uh there have been a number of

105
00:03:26,869 --> 00:03:24,239
interviews mostly ocoee uh they've kind

106
00:03:28,550 --> 00:03:26,879
of tried to barrage him with questions

107
00:03:30,149 --> 00:03:28,560
uh and again i mean this guy's a repair

108
00:03:31,670 --> 00:03:30,159
shop owner he's running a small hole in

109
00:03:34,470 --> 00:03:31,680
the wall computer repair shop

110
00:03:36,949 --> 00:03:34,480
he never expected to be at the center

111
00:03:39,990 --> 00:03:36,959
he's awalded by all this media attention

112
00:03:42,070 --> 00:03:40,000
uh he's partially disabled so uh i mean

113
00:03:44,630 --> 00:03:42,080

beyond that he's kind of overwhelmed by

114

00:03:47,350 --> 00:03:44,640

it and this is the story

115

00:03:49,030 --> 00:03:47,360

do you know the answer to this was he

116

00:03:50,309 --> 00:03:49,040

seeing

117

00:03:51,830 --> 00:03:50,319

because obviously at some point

118

00:03:53,429 --> 00:03:51,840

something registered with him to contact

119

00:03:54,949 --> 00:03:53,439

the fbi so i'm just curious do we think

120

00:03:56,470 --> 00:03:54,959

that he was seeing some of these

121

00:03:57,830 --> 00:03:56,480

interesting materials through the course

122

00:04:00,550 --> 00:03:57,840

of him repairing it

123

00:04:01,750 --> 00:04:00,560

or it was after the 45 days when he said

124

00:04:02,869 --> 00:04:01,760

oh well this guy's not picking

125

00:04:05,110 --> 00:04:02,879

up picking it up so i'm gonna start

126

00:04:07,830 --> 00:04:05,120

noodling around in his computer

127

00:04:08,630 --> 00:04:07,840

uh so again from his account seemingly

128

00:04:13,750 --> 00:04:08,640

uh

129

00:04:15,270 --> 00:04:13,760

i mean when you're running a repair shop

130

00:04:17,030 --> 00:04:15,280

you've got stuff there you're going to

131

00:04:19,189 --> 00:04:17,040

figure out how to resell it use so he

132

00:04:20,629 --> 00:04:19,199

takes a look at it he browses through it

133

00:04:22,469 --> 00:04:20,639

the normal response at that point is

134

00:04:24,790 --> 00:04:22,479

basically delete everything uh

135

00:04:26,830 --> 00:04:24,800

clear the hard drive resell it on ebay

136

00:04:28,390 --> 00:04:26,840

but he comes across stuff that he finds

137

00:04:29,990 --> 00:04:28,400

troubling uh he

138

00:04:31,430 --> 00:04:30,000

he had some points to an intermediary

139

00:04:33,510 --> 00:04:31,440

contact the fbi

140

00:04:35,590 --> 00:04:33,520

now just to actually set the timeline

141

00:04:36,950 --> 00:04:35,600

this happened on in april the laptop was

142

00:04:39,110 --> 00:04:36,960

dropped off in april

143

00:04:41,510 --> 00:04:39,120

uh by the time the fbi is contacted it's

144

00:04:42,230 --> 00:04:41,520

september so we've had more than 40 days

145

00:04:43,670 --> 00:04:42,240

go by

146

00:04:44,950 --> 00:04:43,680

but he doesn't entirely know what to do

147

00:04:46,550 --> 00:04:44,960

with it because this is not quite

148

00:04:48,310 --> 00:04:46,560

normative and yet it does happen

149

00:04:49,590 --> 00:04:48,320

when you're dealing with computer with

150

00:04:52,150 --> 00:04:49,600

computer repair business

151

00:04:52,629 --> 00:04:52,160

i've been do a long time ago this is

152

00:04:54,710 --> 00:04:52,639

stuff

153

00:04:56,710 --> 00:04:54,720

i've encountered also uh something

154

00:04:57,189 --> 00:04:56,720

people just have problematic materials

155

00:04:59,110 --> 00:04:57,199

there

156

00:05:00,629 --> 00:04:59,120

the question is just how problematic is

157

00:05:02,390 --> 00:05:00,639

the material and that's something we're

158

00:05:03,909 --> 00:05:02,400

uh finding out it's something we're

159

00:05:05,029 --> 00:05:03,919

going to find out a bit more of today

160

00:05:08,469 --> 00:05:05,039

and as the story

161

00:05:11,270 --> 00:05:08,479

unfolds what in particular if we know

162

00:05:14,070 --> 00:05:11,280

did he see that caused him hmm caused

163

00:05:16,230 --> 00:05:14,080

him to think hmm i should call the fbi

164

00:05:17,670 --> 00:05:16,240

so uh we've seen uh some of the hunter

165

00:05:18,790 --> 00:05:17,680

biden photos that were printed in new

166

00:05:20,390 --> 00:05:18,800

york post

167

00:05:22,469 --> 00:05:20,400

they obviously are somewhat problematic

168

00:05:23,350 --> 00:05:22,479

they contain seeming depictions not just

169

00:05:25,590 --> 00:05:23,360

of

170

00:05:26,790 --> 00:05:25,600

bong hits but we're talking more serious

171

00:05:30,070 --> 00:05:26,800

drug use

172

00:05:32,870 --> 00:05:30,080

um but and this is really the most

173

00:05:34,469 --> 00:05:32,880

expensive budget pictures of underage

174

00:05:36,870 --> 00:05:34,479

girls on the laptop

175

00:05:37,670 --> 00:05:36,880

that will definitely trigger a response

176
00:05:39,590 --> 00:05:37,680
to uh

177
00:05:40,870 --> 00:05:39,600
we need to call the authorities and this

178
00:05:42,629 --> 00:05:40,880
is again do we know

179
00:05:44,550 --> 00:05:42,639
i mean i've heard the assertion that

180
00:05:46,150 --> 00:05:44,560
there are pictures of of underage girls

181
00:05:48,550 --> 00:05:46,160
and i want to ask you about that but

182
00:05:50,070 --> 00:05:48,560
um so is it just your belief that that

183
00:05:52,390 --> 00:05:50,080
was probably the reason he contacted the

184
00:05:54,150 --> 00:05:52,400
fbi or we know that for sure well he's

185
00:05:55,430 --> 00:05:54,160
just talked about troubling materials so

186
00:05:57,350 --> 00:05:55,440
we don't know for sure but

187
00:05:58,950 --> 00:05:57,360
uh giuliani mentioned the photos of

188
00:06:01,350 --> 00:05:58,960

underage uh girls

189

00:06:02,550 --> 00:06:01,360

that seems to be the center of the issue

190

00:06:05,270 --> 00:06:02,560

uh again the

191

00:06:07,029 --> 00:06:05,280

repairman hasn't uh clarified this he

192

00:06:08,550 --> 00:06:07,039

said that it's disturbing

193

00:06:09,990 --> 00:06:08,560

and but and just to stay on that because

194

00:06:11,830 --> 00:06:10,000

i was going to get to that minute anyway

195

00:06:12,629 --> 00:06:11,840

uh on the underage girls do we happen to

196

00:06:16,790 --> 00:06:12,639

know

197

00:06:19,029 --> 00:06:16,800

are these like uh uh uh is it like

198

00:06:20,230 --> 00:06:19,039

um underage porn that we're talking

199

00:06:20,710 --> 00:06:20,240

about or we're talking about pictures

200

00:06:22,870 --> 00:06:20,720

where

201
00:06:24,390 --> 00:06:22,880
hunter would have been with the girls or

202
00:06:25,590 --> 00:06:24,400
it was clear that he was the one taking

203
00:06:27,749 --> 00:06:25,600
the pictures as a

204
00:06:29,350 --> 00:06:27,759
as opposed to internet porn so we don't

205
00:06:30,710 --> 00:06:29,360
know the pictures have not actually been

206
00:06:32,390 --> 00:06:30,720
released uh newspaper

207
00:06:34,230 --> 00:06:32,400
new post obviously has not printed this

208
00:06:36,629 --> 00:06:34,240
for again very very obvious reasons

209
00:06:38,870 --> 00:06:36,639
they don't seem to have copies of it

210
00:06:41,110 --> 00:06:38,880
again even handling material like that

211
00:06:43,510 --> 00:06:41,120
would be legally very problematic and

212
00:06:46,550 --> 00:06:43,520
exposes you to all sorts of legal risks

213
00:06:48,309 --> 00:06:46,560

um so we don't actually know but there

214

00:06:49,430 --> 00:06:48,319

has been a text mentioning seemingly

215

00:06:52,070 --> 00:06:49,440

inappropriate

216

00:06:52,469 --> 00:06:52,080

um online behavior with one underage

217

00:06:54,790 --> 00:06:52,479

girl

218

00:06:56,390 --> 00:06:54,800

uh by hunter biden so uh that

219

00:06:58,950 --> 00:06:56,400

potentially leads us to

220

00:06:59,589 --> 00:06:58,960

uh conclude that it would be i mean if

221

00:07:02,870 --> 00:06:59,599

there are

222

00:07:06,790 --> 00:07:02,880

incriminating pictures with or

223

00:07:09,909 --> 00:07:06,800

of underage girls on that laptop

224

00:07:13,110 --> 00:07:09,919

imagine the stupidity of

225

00:07:13,830 --> 00:07:13,120

hunter to hand this laptop to someone

226

00:07:15,110 --> 00:07:13,840

else

227

00:07:17,350 --> 00:07:15,120

i mean that's kind of that's almost hard

228

00:07:18,790 --> 00:07:17,360

to fathom it's not that hard to fat i

229

00:07:22,230 --> 00:07:18,800

mean we're just coming off the

230

00:07:24,230 --> 00:07:22,240

jeffrey toobin incident we're coming off

231

00:07:25,830 --> 00:07:24,240

the anthony weiner case which is really

232

00:07:26,629 --> 00:07:25,840

rather similar to this one in a number

233

00:07:28,870 --> 00:07:26,639

of ways

234

00:07:30,150 --> 00:07:28,880

uh we get people behaving stupidly all

235

00:07:32,550 --> 00:07:30,160

the time and again

236

00:07:33,990 --> 00:07:32,560

i have done some computer repair back in

237

00:07:36,390 --> 00:07:34,000

the day quite a while back

238

00:07:37,029 --> 00:07:36,400

uh people will bring in computers with

239

00:07:38,629 --> 00:07:37,039

all sorts of

240

00:07:40,150 --> 00:07:38,639

while doing appropriate material on them

241

00:07:43,350 --> 00:07:40,160

without thinking twice about it

242

00:07:43,990 --> 00:07:43,360

yeah okay now uh so we contact the fbi

243

00:07:46,309 --> 00:07:44,000

and we're going to

244

00:07:47,430 --> 00:07:46,319

follow up on that in a second but also

245

00:07:51,909 --> 00:07:47,440

around the same time

246

00:07:53,830 --> 00:07:51,919

he contacts rudy giuliani's lawyer

247

00:07:55,749 --> 00:07:53,840

so we don't have an exact timeline on

248

00:07:57,909 --> 00:07:55,759

when he uh actually got in touch with

249

00:08:00,469 --> 00:07:57,919

giuliani this seems to have been later

250

00:08:03,110 --> 00:08:00,479

there's an anonymous intermediary who

251

00:08:04,869 --> 00:08:03,120

dealt with the fbi beforehand uh but

252

00:08:06,150 --> 00:08:04,879

giuliani seemed to have gotten hold of

253

00:08:07,909 --> 00:08:06,160

it uh closer

254

00:08:09,670 --> 00:08:07,919

this year seemingly we don't have a

255

00:08:11,830 --> 00:08:09,680

fixed timeline

256

00:08:14,390 --> 00:08:11,840

and i think you said this we have

257

00:08:17,670 --> 00:08:14,400

confirmed to the owner acknowledges

258

00:08:18,869 --> 00:08:17,680

when politically he's to the right or

259

00:08:19,990 --> 00:08:18,879

he's a conservative or he's a trump

260

00:08:21,749 --> 00:08:20,000

supporter i mean

261

00:08:23,029 --> 00:08:21,759

he does acknowledge that yeah he's a

262

00:08:24,790 --> 00:08:23,039

conservative but

263

00:08:26,469 --> 00:08:24,800

if you think about just in terms of the

264

00:08:27,830 --> 00:08:26,479

election people have changed their minds

265

00:08:30,309 --> 00:08:27,840

there had been a year for him to have

266

00:08:33,909 --> 00:08:30,319

changed his mind

267

00:08:36,230 --> 00:08:33,919

set up that was a pretty big gamble

268

00:08:37,190 --> 00:08:36,240

right yeah i mean the idea this was a

269

00:08:39,110 --> 00:08:37,200

russian setup

270

00:08:40,790 --> 00:08:39,120

is seems like a real long shot but and i

271

00:08:42,870 --> 00:08:40,800

know that's you you

272

00:08:43,829 --> 00:08:42,880

pointed that out very well in in your

273

00:08:46,470 --> 00:08:43,839

piece uh

274

00:08:48,389 --> 00:08:46,480

so and we'll get to that also so uh so

275

00:08:51,910 --> 00:08:48,399

anyway so the fbi gets it

276

00:08:52,790 --> 00:08:51,920

um uh actually i i read something that

277

00:08:54,550 --> 00:08:52,800

indicated that

278

00:08:56,470 --> 00:08:54,560

perhaps he contacted the fbi in

279

00:08:58,310 --> 00:08:56,480

september but and then the fbi

280

00:09:00,550 --> 00:08:58,320

actually took possession of the laptop

281

00:09:02,230 --> 00:09:00,560

in december yeah so it's uh

282

00:09:05,030 --> 00:09:02,240

they made contact in september though

283

00:09:07,990 --> 00:09:05,040

the fbi uh issued subpoena and actually

284

00:09:08,710 --> 00:09:08,000

took the laptop in december okay so how

285

00:09:12,310 --> 00:09:08,720

do we get

286

00:09:14,790 --> 00:09:12,320

from december the fbi

287

00:09:16,150 --> 00:09:14,800

taking the laptop giuliani being

288

00:09:17,190 --> 00:09:16,160

contacted some more time around that

289

00:09:18,550 --> 00:09:17,200

same time i think don't we think

290

00:09:19,910 --> 00:09:18,560

giuliani was aware of it during that

291

00:09:21,350 --> 00:09:19,920

time too

292

00:09:23,350 --> 00:09:21,360

again we don't have an exact time on

293

00:09:25,110 --> 00:09:23,360

giuliani still kind of uh feeding our

294

00:09:29,030 --> 00:09:25,120

material and breadcrumbs and okay

295

00:09:31,990 --> 00:09:29,040

so so that that's 10 months ago

296

00:09:33,750 --> 00:09:32,000

or 11 months ago um what's happened in

297

00:09:35,990 --> 00:09:33,760

those intervening 11 months and how come

298

00:09:38,070 --> 00:09:36,000

this story has just come to light now so

299

00:09:38,389 --> 00:09:38,080

the fbi seemed to have just taken it and

300

00:09:40,230 --> 00:09:38,399

sat

301

00:09:41,910 --> 00:09:40,240

on it uh which is for all sorts of

302

00:09:44,070 --> 00:09:41,920

problematics i mean you have two

303

00:09:46,150 --> 00:09:44,080

possibilities here one there's actually

304

00:09:46,790 --> 00:09:46,160

no problematic material the fbi reviews

305

00:09:47,910 --> 00:09:46,800

it and says

306

00:09:49,430 --> 00:09:47,920

okay sorry we don't actually have

307

00:09:50,310 --> 00:09:49,440

anything to do with this ah here's your

308

00:09:51,990 --> 00:09:50,320

laptop bag

309

00:09:53,910 --> 00:09:52,000

uh two there are pro there's problematic

310

00:09:55,990 --> 00:09:53,920

material at this point it does not take

311

00:09:57,910 --> 00:09:56,000

a year to deal with something like this

312

00:09:59,829 --> 00:09:57,920

so obviously people are suspicious

313

00:10:01,590 --> 00:09:59,839

they're concerned they're wondering

314

00:10:04,630 --> 00:10:01,600

why has the fbi been sitting on this for

315

00:10:07,190 --> 00:10:04,640

a year and

316

00:10:08,710 --> 00:10:07,200

do we know whether one of the things the

317

00:10:11,509 --> 00:10:08,720

fbi was looking into

318

00:10:11,990 --> 00:10:11,519

was not just the underage girls well but

319

00:10:13,910 --> 00:10:12,000

the

320

00:10:16,310 --> 00:10:13,920

international dealings that are

321

00:10:18,630 --> 00:10:16,320

referenced in some of the emails

322

00:10:19,509 --> 00:10:18,640

so that's a valid question and the fbi

323

00:10:21,750 --> 00:10:19,519

has been uh

324

00:10:23,350 --> 00:10:21,760

quite on it the only statement the fbi

325

00:10:25,110 --> 00:10:23,360

has issued on in all this time is

326

00:10:26,949 --> 00:10:25,120

basically

327

00:10:28,470 --> 00:10:26,959

perhaps is there a way the statement i'm

328

00:10:29,110 --> 00:10:28,480

paraphrasing a bit but that's pretty

329

00:10:31,670 --> 00:10:29,120

much

330

00:10:33,190 --> 00:10:31,680

uh their response uh so to senator

331

00:10:35,190 --> 00:10:33,200

johnson

332

00:10:38,230 --> 00:10:35,200

okay and what is it that caused it to

333

00:10:41,350 --> 00:10:38,240

come to light within the last week or so

334

00:10:43,030 --> 00:10:41,360

so uh giuliani brought it forward uh he

335

00:10:44,630 --> 00:10:43,040

brought it to the new york post new york

336

00:10:46,150 --> 00:10:44,640

post uh ran the story

337

00:10:47,670 --> 00:10:46,160

the story immediately ran into social

338

00:10:49,350 --> 00:10:47,680

media censorship and this is kind of

339

00:10:52,310 --> 00:10:49,360

where we are now

340

00:10:53,990 --> 00:10:52,320

so so it's pretty much confirmed that

341

00:10:55,590 --> 00:10:54,000

giuliani

342

00:10:57,110 --> 00:10:55,600

turned over the materials to the new

343

00:10:58,710 --> 00:10:57,120

york post um

344

00:11:00,150 --> 00:10:58,720

why why do you think the new york post

345

00:11:02,069 --> 00:11:00,160

by the way

346

00:11:03,670 --> 00:11:02,079

uh that's an interesting question but

347

00:11:05,190 --> 00:11:03,680

giuliani is a new york guy obviously

348

00:11:07,269 --> 00:11:05,200

he was the mayor of new york city at

349

00:11:09,110 --> 00:11:07,279

close ties to the new york post

350

00:11:10,790 --> 00:11:09,120

i was seemingly offered the fox news but

351

00:11:11,509 --> 00:11:10,800

fox news was going back and forth on

352

00:11:13,670 --> 00:11:11,519

this

353

00:11:15,430 --> 00:11:13,680

uh and there are very few other options

354

00:11:17,350 --> 00:11:15,440

nobody in the mainstream media

355

00:11:18,630 --> 00:11:17,360

even wants to report on it now they

356

00:11:21,350 --> 00:11:18,640

certainly would not have wanted to run

357

00:11:25,269 --> 00:11:23,670

uh yeah makes sense i mean you know my

358

00:11:26,790 --> 00:11:25,279

reaction i know new york post

359

00:11:29,509 --> 00:11:26,800

you know can some people consider a bit

360

00:11:31,030 --> 00:11:29,519

of a rag but i mean bottom line

361

00:11:33,190 --> 00:11:31,040

new york post doesn't put something on

362

00:11:36,310 --> 00:11:33,200

the front page

363

00:11:37,750 --> 00:11:36,320

without vetting it to some extent

364

00:11:39,750 --> 00:11:37,760

i mean what they put out there is the

365

00:11:41,269 --> 00:11:39,760

contents of the laptop so people can

366

00:11:42,870 --> 00:11:41,279

just kind of look at it themselves there

367

00:11:44,389 --> 00:11:42,880

are pictures of hunter biden

368

00:11:46,150 --> 00:11:44,399

there are texts in their emails you can

369

00:11:49,269 --> 00:11:46,160

only vet that to some degree but

370

00:11:51,030 --> 00:11:49,279

it's there it is what it is uh you hear

371

00:11:53,350 --> 00:11:51,040

about the fact that

372

00:11:54,790 --> 00:11:53,360

supposedly hunter biden's lawyer has

373

00:11:58,150 --> 00:11:54,800

written a letter

374

00:11:59,190 --> 00:11:58,160

to i don't know whom uh requesting the

375

00:12:00,629 --> 00:11:59,200

laptop back

376

00:12:02,790 --> 00:12:00,639

when was that tell us about that letter

377

00:12:04,790 --> 00:12:02,800

when was that sent so once the story

378

00:12:06,550 --> 00:12:04,800

actually went public uh a letter was

379

00:12:08,389 --> 00:12:06,560

sent from lawyer asking for the return

380

00:12:12,470 --> 00:12:08,399

of the laptop and all materials

381

00:12:17,590 --> 00:12:15,750

um the law is on the computer repair

382

00:12:20,150 --> 00:12:17,600

owner's side

383

00:12:20,710 --> 00:12:20,160

uh sorry hunter a lawyer for hunter

384

00:12:22,949 --> 00:12:20,720

biden

385

00:12:24,389 --> 00:12:22,959

yes sent a letter to whom to the

386

00:12:27,030 --> 00:12:24,399

computer repair shop

387

00:12:28,389 --> 00:12:27,040

but we're but it's now in the possession

388

00:12:31,509 --> 00:12:28,399

of the fbi

389

00:12:32,470 --> 00:12:31,519

uh so seemingly uh the uh laptop itself

390

00:12:34,310 --> 00:12:32,480

the physical laptop

391

00:12:36,230 --> 00:12:34,320

is in the possession of the fbi but the

392

00:12:38,069 --> 00:12:36,240

contents of it were backed up

393

00:12:40,550 --> 00:12:38,079

otherwise this entire process could not

394

00:12:42,550 --> 00:12:40,560

have even begun

395

00:12:43,910 --> 00:12:42,560

before handing it over to the fbi

396

00:12:45,190 --> 00:12:43,920

otherwise it's quite likely

397

00:12:46,949 --> 00:12:45,200

none of this would have ever seen the

398

00:12:48,710 --> 00:12:46,959

light of day uh because if you actually

399

00:12:50,629 --> 00:12:48,720

just go back a minute uh

400

00:12:52,790 --> 00:12:50,639

to the hillary clinton era the fbi

401
00:12:55,269 --> 00:12:52,800
actually destroyed devices

402
00:12:55,829 --> 00:12:55,279
uh from the clinton team after the

403
00:12:58,470 --> 00:12:55,839
interview

404
00:13:00,870 --> 00:12:58,480
so that material was permanently lost i

405
00:13:03,030 --> 00:13:00,880
suspect that would have happened here

406
00:13:05,670 --> 00:13:03,040
and having computer repair shop

407
00:13:07,190 --> 00:13:05,680
expertise as you do

408
00:13:09,430 --> 00:13:07,200
going back to you know the ownership

409
00:13:10,790 --> 00:13:09,440
issue is there a

410
00:13:12,470 --> 00:13:10,800
kind of a standard agreement that you

411
00:13:14,710 --> 00:13:12,480
sign when you turn the thing in that you

412
00:13:16,310 --> 00:13:14,720
actually lose ownership of your laptop

413
00:13:17,910 --> 00:13:16,320

after a certain amount of time

414

00:13:19,430 --> 00:13:17,920

i know if it's standard but seemingly

415

00:13:21,269 --> 00:13:19,440

under delaware wall this is what

416

00:13:25,030 --> 00:13:21,279

happened now the complicated part would

417

00:13:27,190 --> 00:13:25,040

be whether the contents of the drive

418

00:13:29,269 --> 00:13:27,200

also actually passed possession and

419

00:13:31,910 --> 00:13:29,279

would uh not run into copyright issues

420

00:13:33,190 --> 00:13:31,920

i suspect legally that might be a uh

421

00:13:34,389 --> 00:13:33,200

throwing your issue i'm not familiar

422

00:13:36,550 --> 00:13:34,399

with delaware law

423

00:13:38,629 --> 00:13:36,560

uh but it's potentially uh hunter biden

424

00:13:40,069 --> 00:13:38,639

could pursue a copyright case

425

00:13:41,400 --> 00:13:40,079

but that would require admitting that

426

00:13:43,269 --> 00:13:41,410

the pictures are his

427

00:13:46,069 --> 00:13:43,279

[Music]

428

00:13:46,629 --> 00:13:46,079

so i was just going to tick through what

429

00:13:48,389 --> 00:13:46,639

we

430

00:13:49,990 --> 00:13:48,399

think are the most notable things that

431

00:13:53,030 --> 00:13:50,000

have been found

432

00:13:55,110 --> 00:13:53,040

so far and i helped prepare for this

433

00:13:57,189 --> 00:13:55,120

interview just by having uh

434

00:13:58,790 --> 00:13:57,199

cable news on this morning and of course

435

00:14:01,990 --> 00:13:58,800

flipping back and forth between

436

00:14:03,269 --> 00:14:02,000

fox news and cnn which

437

00:14:05,350 --> 00:14:03,279

hopefully we'll have time to get to that

438

00:14:06,870 --> 00:14:05,360

a bit just you know the

439

00:14:08,389 --> 00:14:06,880

situation we've got with the media these

440

00:14:10,629 --> 00:14:08,399

days i mean i couldn't find

441

00:14:11,990 --> 00:14:10,639

anything on cnn about it it's just not

442

00:14:13,910 --> 00:14:12,000

being reported

443

00:14:15,670 --> 00:14:13,920

whatsoever i guess they used to report

444

00:14:17,030 --> 00:14:15,680

on it when they it was a this russian

445

00:14:19,110 --> 00:14:17,040

disinformation campaign

446

00:14:21,430 --> 00:14:19,120

you heard that reporting but but now

447

00:14:23,590 --> 00:14:21,440

you're not hearing any reporting on cnn

448

00:14:25,590 --> 00:14:23,600

and yet foxes it's the lead story every

449

00:14:27,430 --> 00:14:25,600

hour on fox

450

00:14:29,110 --> 00:14:27,440

i mean that kind of reflects the extent

451
00:14:31,110 --> 00:14:29,120
to which the media is partisan to which

452
00:14:32,470 --> 00:14:31,120
the media has a pretty blatantly

453
00:14:34,870 --> 00:14:32,480
straightforward agenda

454
00:14:36,949 --> 00:14:34,880
uh fox is obviously pro-trump the rest

455
00:14:38,310 --> 00:14:36,959
of the media is obviously pro-biden

456
00:14:40,870 --> 00:14:38,320
and they're bearing the story to an

457
00:14:43,350 --> 00:14:40,880
unprecedented degree now this is part of

458
00:14:45,590 --> 00:14:43,360
what happened in 2016.

459
00:14:46,870 --> 00:14:45,600
the democrats blamed their defeat in

460
00:14:48,790 --> 00:14:46,880
part on the media's willingness to

461
00:14:50,470 --> 00:14:48,800
report on hillary's emails

462
00:14:52,230 --> 00:14:50,480
um and on social media's willingness to

463
00:14:53,590 --> 00:14:52,240

tolerate those stories so they've spent

464

00:14:56,230 --> 00:14:53,600

four years preparing for this

465

00:14:57,030 --> 00:14:56,240

and their plan a is to bury any such

466

00:15:00,710 --> 00:14:57,040

material

467

00:15:02,790 --> 00:15:00,720

immediately disavow it and then

468

00:15:04,790 --> 00:15:02,800

quite effectively uh twitter and

469

00:15:05,110 --> 00:15:04,800

facebook have suppressed the reach of

470

00:15:07,430 --> 00:15:05,120

the

471

00:15:08,790 --> 00:15:07,440

uh new york post story on hunter biden

472

00:15:10,710 --> 00:15:08,800

uh they've amped up

473

00:15:12,550 --> 00:15:10,720

the media claims that it's a

474

00:15:14,310 --> 00:15:12,560

disinformation that it's unverified

475

00:15:15,829 --> 00:15:14,320

and the media is very quickly buried in

476

00:15:17,430 --> 00:15:15,839

the only thing they will report on is

477

00:15:18,389 --> 00:15:17,440

that it is on verifying that it is a

478

00:15:21,430 --> 00:15:18,399

russian

479

00:15:21,910 --> 00:15:21,440

disinformation operation okay so and

480

00:15:23,350 --> 00:15:21,920

then

481

00:15:25,110 --> 00:15:23,360

the question is okay is there really

482

00:15:27,670 --> 00:15:25,120

anything of import there

483

00:15:29,030 --> 00:15:27,680

is this really just about a son that we

484

00:15:31,350 --> 00:15:29,040

already know he's got

485

00:15:33,189 --> 00:15:31,360

a uh a son who's who's had addiction

486

00:15:37,189 --> 00:15:33,199

issues and all kinds of

487

00:15:40,550 --> 00:15:37,199

uh other related problems and etc

488

00:15:42,389 --> 00:15:40,560

or is this really reflect on the former

489

00:15:44,150 --> 00:15:42,399

vice president himself and candidate for

490

00:15:45,990 --> 00:15:44,160

for president so let's let's tick

491

00:15:47,269 --> 00:15:46,000

through what i found to be the most

492

00:15:48,470 --> 00:15:47,279

significant stuff that everybody's

493

00:15:50,150 --> 00:15:48,480

reporting and then maybe i'm missing

494

00:15:53,509 --> 00:15:50,160

some things that you're aware of so

495

00:15:55,990 --> 00:15:53,519

there's the burisma issue where

496

00:15:57,829 --> 00:15:56,000

it appears from an email going back to i

497

00:15:59,910 --> 00:15:57,839

think 15 or 16

498

00:16:01,509 --> 00:15:59,920

it looks pretty much confirmed that in

499

00:16:03,590 --> 00:16:01,519

fact uh

500

00:16:05,350 --> 00:16:03,600

in response to a request from the sun

501
00:16:08,230 --> 00:16:05,360
biden met with

502
00:16:09,829 --> 00:16:08,240
a or multiple burisma officials while he

503
00:16:12,150 --> 00:16:09,839
was vice president

504
00:16:13,749 --> 00:16:12,160
as a favor to the sun who was serving on

505
00:16:15,910 --> 00:16:13,759
the board in response to the request

506
00:16:17,990 --> 00:16:15,920
from brisbane officials despite the fact

507
00:16:19,350 --> 00:16:18,000
that biden is on record probably

508
00:16:22,710 --> 00:16:19,360
multiple times

509
00:16:24,710 --> 00:16:22,720
being very clear never met with them

510
00:16:25,749 --> 00:16:24,720
never even discussed parisian with my

511
00:16:28,949 --> 00:16:25,759
son i don't

512
00:16:29,509 --> 00:16:28,959
talk business with my son that's a good

513
00:16:32,470 --> 00:16:29,519

summary

514

00:16:33,910 --> 00:16:32,480

so uh it is pretty clear that um biden

515

00:16:35,269 --> 00:16:33,920

used this influence in that regard that

516

00:16:37,110 --> 00:16:35,279

there were meetings and you've got

517

00:16:38,710 --> 00:16:37,120

emails that are increasingly coming out

518

00:16:41,670 --> 00:16:38,720

from multiple sources now

519

00:16:42,949 --> 00:16:41,680

uh boasting about the ability to get uh

520

00:16:44,870 --> 00:16:42,959

connections to the white house

521

00:16:47,350 --> 00:16:44,880

none of this is really a surprise it's

522

00:16:48,230 --> 00:16:47,360

just biden and democrats in the media

523

00:16:50,470 --> 00:16:48,240

have denied it

524

00:16:52,389 --> 00:16:50,480

uh we've seen this before uh the entire

525

00:16:53,189 --> 00:16:52,399

biden family has been finding ways to

526
00:16:57,189 --> 00:16:53,199
cash in

527
00:16:59,350 --> 00:16:57,199
uh but it gets close to

528
00:17:00,310 --> 00:16:59,360
what biden specifically used his

529
00:17:02,389 --> 00:17:00,320
influence

530
00:17:04,710 --> 00:17:02,399
as vice president because there's a big

531
00:17:07,750 --> 00:17:04,720
difference between just actually access

532
00:17:09,510 --> 00:17:07,760
and action so uh we've gone we're going

533
00:17:13,270 --> 00:17:09,520
from access to action that the

534
00:17:16,870 --> 00:17:13,280
big catch is the action

535
00:17:18,470 --> 00:17:16,880
yeah but i mean even just simply having

536
00:17:21,590 --> 00:17:18,480
the meeting

537
00:17:23,829 --> 00:17:21,600
that he had um you know absent

538
00:17:25,350 --> 00:17:23,839

acting inappropriately at the meeting

539

00:17:28,789 --> 00:17:25,360

improperly at the meeting

540

00:17:31,110 --> 00:17:28,799

i don't think there's anything illegal

541

00:17:32,710 --> 00:17:31,120

about biden meeting with him even

542

00:17:35,590 --> 00:17:32,720

understanding that his son

543

00:17:37,270 --> 00:17:35,600

uh is on the board um really the only

544

00:17:39,270 --> 00:17:37,280

issue that i see and i'm curious your

545

00:17:39,590 --> 00:17:39,280

thoughts is the fact that biden denied

546

00:17:43,750 --> 00:17:39,600

it

547

00:17:45,590 --> 00:17:43,760

there are a lot of things you can do as

548

00:17:47,190 --> 00:17:45,600

a politician that are illegal but are

549

00:17:49,029 --> 00:17:47,200

still blatantly corrupt

550

00:17:50,870 --> 00:17:49,039

uh part of this is really a public

551

00:17:52,390 --> 00:17:50,880

perception issue nobody seriously

552

00:17:54,710 --> 00:17:52,400

expects that um

553

00:17:56,150 --> 00:17:54,720

vine is going to fade that uh by seniors

554

00:17:57,909 --> 00:17:56,160

going to face legal issues in this

555

00:18:00,870 --> 00:17:57,919

regard it's quite unlikely

556

00:18:01,590 --> 00:18:00,880

uh but it shows that um he did abuse

557

00:18:04,150 --> 00:18:01,600

this power

558

00:18:07,590 --> 00:18:04,160

that he uh i mean in some ways this is

559

00:18:13,669 --> 00:18:07,600

not really a new development

560

00:18:15,270 --> 00:18:13,679

sorry about that um joe biden and the

561

00:18:17,990 --> 00:18:15,280

etar biden family have found various

562

00:18:21,110 --> 00:18:18,000

ways to benefit uh biden's brother

563

00:18:22,789 --> 00:18:21,120

um biden's daughter um various

564

00:18:24,630 --> 00:18:22,799

extended members of his family have very

565

00:18:25,270 --> 00:18:24,640

much found ways to benefit from that

566

00:18:26,870 --> 00:18:25,280

access

567

00:18:28,870 --> 00:18:26,880

and it's not necessarily ego a lot of

568

00:18:30,630 --> 00:18:28,880

the things that people in dc do

569

00:18:32,870 --> 00:18:30,640

that are blatantly corrupt are not

570

00:18:34,390 --> 00:18:32,880

illegal um the denial as you mentioned

571

00:18:35,750 --> 00:18:34,400

is obviously a serious problem because

572

00:18:36,630 --> 00:18:35,760

he's on the campaign trail and he's

573

00:18:37,990 --> 00:18:36,640

lying about it

574

00:18:40,789 --> 00:18:38,000

but he's also been called lying about

575

00:18:43,190 --> 00:18:40,799

other things on the campaign show he's

576
00:18:44,950 --> 00:18:43,200
not actually going to ban fracking after

577
00:18:45,669 --> 00:18:44,960
uh insisting you'll find out that he's

578
00:18:48,710 --> 00:18:45,679
going to

579
00:18:49,990 --> 00:18:48,720
wipe out fracking what about um sticking

580
00:18:51,110 --> 00:18:50,000
on the issue of legality i mean i don't

581
00:18:52,310 --> 00:18:51,120
know if you know the answer to this or

582
00:18:53,510 --> 00:18:52,320
not but

583
00:18:55,590 --> 00:18:53,520
you know everybody can understand

584
00:18:57,350 --> 00:18:55,600
conflicts of interest and

585
00:18:59,909 --> 00:18:57,360
i know there's got to be lots of rules

586
00:19:03,590 --> 00:18:59,919
and laws regarding conflicts of interest

587
00:19:04,710 --> 00:19:03,600
the fact that biden was working on the

588
00:19:08,070 --> 00:19:04,720

issue

589

00:19:10,230 --> 00:19:08,080
of this ukrainian prosecutor right

590

00:19:11,270 --> 00:19:10,240
and proudly announced that he managed to

591

00:19:14,390 --> 00:19:11,280
get the guy

592

00:19:15,909 --> 00:19:14,400
uh fired uh i believe is what happened

593

00:19:18,549 --> 00:19:15,919
or or the guy resigned

594

00:19:20,150 --> 00:19:18,559
um that's a clear conflict because the

595

00:19:22,150 --> 00:19:20,160
guy is investigating burisma

596

00:19:23,909 --> 00:19:22,160
his son is on the board and biden is

597

00:19:25,510 --> 00:19:23,919
working on behalf of the u.s government

598

00:19:25,909 --> 00:19:25,520
regardless of the fact that apparently

599

00:19:27,350 --> 00:19:25,919
there was

600

00:19:29,190 --> 00:19:27,360
other governments that also wanted this

601
00:19:32,870 --> 00:19:29,200
guy removed bottom line

602
00:19:34,470 --> 00:19:32,880
that's an obvious conflict and that

603
00:19:35,830 --> 00:19:34,480
could be illegal i would think i mean

604
00:19:37,510 --> 00:19:35,840
it's such an obvious conflict there must

605
00:19:41,029 --> 00:19:37,520
be conflict of interest laws

606
00:19:43,110 --> 00:19:41,039
that would require a politician to

607
00:19:45,350 --> 00:19:43,120
step away from that situation so

608
00:19:47,909 --> 00:19:45,360
conflict of interest is an ethical issue

609
00:19:49,430 --> 00:19:47,919
and dc is not that big on ethics the

610
00:19:51,110 --> 00:19:49,440
legal question really would

611
00:19:52,710 --> 00:19:51,120
hinge on the question of coordination

612
00:19:54,230 --> 00:19:52,720
are there emails are there texts are

613
00:19:56,230 --> 00:19:54,240

there messages being ex

614

00:19:57,669 --> 00:19:56,240

exchanged between buying between his

615

00:19:59,590 --> 00:19:57,679

chief of staff um

616

00:20:01,510 --> 00:19:59,600

between hunter biden between members of

617

00:20:02,470 --> 00:20:01,520

hunter bind's entourage which actually

618

00:20:04,070 --> 00:20:02,480

arranged things

619

00:20:05,590 --> 00:20:04,080

if they're that stupid then they can

620

00:20:07,270 --> 00:20:05,600

actually have walked into territory that

621

00:20:08,870 --> 00:20:07,280

would uh land them in prison

622

00:20:10,390 --> 00:20:08,880

but it takes a lot of effort to prove

623

00:20:12,390 --> 00:20:10,400

something like that really the question

624

00:20:13,830 --> 00:20:12,400

is we're in the final uh stretch of an

625

00:20:17,110 --> 00:20:13,840

election the question is

626

00:20:19,830 --> 00:20:17,120

uh can uh president trump can

627

00:20:20,950 --> 00:20:19,840

his associates make the case that uh

628

00:20:24,310 --> 00:20:20,960

biden is corrupt

629

00:20:25,909 --> 00:20:24,320

using this new information well and and

630

00:20:27,830 --> 00:20:25,919

why was he

631

00:20:29,350 --> 00:20:27,840

lying about it now he may continue to

632

00:20:30,390 --> 00:20:29,360

deny that the meeting took place all

633

00:20:33,510 --> 00:20:30,400

you've got is an

634

00:20:35,270 --> 00:20:33,520

email where the guy's thinking

635

00:20:37,909 --> 00:20:35,280

thanking hunter for putting together the

636

00:20:41,190 --> 00:20:37,919

meeting um that seems pretty

637

00:20:44,470 --> 00:20:41,200

uh you know pretty good evidence but

638

00:20:46,549 --> 00:20:44,480

then again it's it's uh

639

00:20:48,070 --> 00:20:46,559

not firsthand evidence necessarily so

640

00:20:49,270 --> 00:20:48,080

biden can still deny it i don't care

641

00:20:50,549 --> 00:20:49,280

what the guy wrote i didn't meet with

642

00:20:52,549 --> 00:20:50,559

him

643

00:20:53,990 --> 00:20:52,559

i'm sure he'll take that approach that's

644

00:20:55,830 --> 00:20:54,000

a question of what people are going to

645

00:20:56,230 --> 00:20:55,840

believe the more the story continues the

646

00:20:58,870 --> 00:20:56,240

more

647

00:21:00,710 --> 00:20:58,880

materials are coming out and giuliani

648

00:21:02,549 --> 00:21:00,720

team is clearly intent on feeding things

649

00:21:03,909 --> 00:21:02,559

out step by step the drip drip scan

650

00:21:06,149 --> 00:21:03,919

though process

651
00:21:07,430 --> 00:21:06,159
uh the more this actually consumes air

652
00:21:09,190 --> 00:21:07,440
time the more the public actually

653
00:21:11,190 --> 00:21:09,200
develops suspicions about biden

654
00:21:12,789 --> 00:21:11,200
that's really the money insurance so

655
00:21:13,350 --> 00:21:12,799
then the next email you keep hearing

656
00:21:15,990 --> 00:21:13,360
about

657
00:21:17,350 --> 00:21:16,000
is uh from 2017 which of course is

658
00:21:18,710 --> 00:21:17,360
important because that means biden's no

659
00:21:20,470 --> 00:21:18,720
longer in office

660
00:21:21,750 --> 00:21:20,480
and it's hunter trying to put together a

661
00:21:25,190 --> 00:21:21,760
deal with a

662
00:21:25,990 --> 00:21:25,200
large chinese corporation um i think

663
00:21:28,149 --> 00:21:26,000

it's large

664

00:21:30,070 --> 00:21:28,159

you could correct me on that but bottom

665

00:21:31,909 --> 00:21:30,080

line as a part of this deal

666

00:21:33,350 --> 00:21:31,919

it looks like joe biden would get 10

667

00:21:36,630 --> 00:21:33,360

percent equity

668

00:21:39,830 --> 00:21:36,640

in this new entity that they're creating

669

00:21:42,149 --> 00:21:39,840

um is that

670

00:21:43,430 --> 00:21:42,159

really that problematic why should

671

00:21:46,950 --> 00:21:43,440

people be so

672

00:21:48,710 --> 00:21:46,960

bothered by that email with joe biden

673

00:21:51,350 --> 00:21:48,720

no longer in office possibly having an

674

00:21:53,510 --> 00:21:51,360

equity stake in a new business

675

00:21:56,230 --> 00:21:53,520

assuming that uh it is referring to

676
00:21:58,070 --> 00:21:56,240
actually joe biden which is an argument

677
00:22:00,310 --> 00:21:58,080
which is a subject of debate it is a

678
00:22:02,470 --> 00:22:00,320
huge problem because first of all every

679
00:22:05,190 --> 00:22:02,480
chinese uh business particularly this

680
00:22:06,710 --> 00:22:05,200
one has ties to the communist party

681
00:22:08,070 --> 00:22:06,720
uh you don't do business in china

682
00:22:08,710 --> 00:22:08,080
without going through the communist

683
00:22:10,470 --> 00:22:08,720
party

684
00:22:12,470 --> 00:22:10,480
uh the only reason for doing this kind

685
00:22:14,470 --> 00:22:12,480
of business with joe biden would be

686
00:22:15,909 --> 00:22:14,480
because they expect him to become the

687
00:22:18,070 --> 00:22:15,919
president of the united states they

688
00:22:19,830 --> 00:22:18,080

expect him to continue um

689

00:22:21,669 --> 00:22:19,840

holding a position i mean this is the

690

00:22:22,710 --> 00:22:21,679

same thing we had with the clintons uh

691

00:22:23,510 --> 00:22:22,720

back in the day and the clinton

692

00:22:25,990 --> 00:22:23,520

foundation

693

00:22:27,190 --> 00:22:26,000

uh the amount of money being donated to

694

00:22:29,029 --> 00:22:27,200

the clinton foundation

695

00:22:30,470 --> 00:22:29,039

completely went off the cliff once

696

00:22:32,149 --> 00:22:30,480

hillary clinton lost the election was

697

00:22:34,070 --> 00:22:32,159

clear she was no longer going to be

698

00:22:35,510 --> 00:22:34,080

any kind in any kind of leadership

699

00:22:37,029 --> 00:22:35,520

position within the government

700

00:22:38,549 --> 00:22:37,039

meanwhile a ton of money was pouring

701
00:22:41,590 --> 00:22:38,559
into the clinton foundation

702
00:22:43,430 --> 00:22:41,600
uh before 2016. so people are actually

703
00:22:44,549 --> 00:22:43,440
getting on board with politicians for a

704
00:22:45,830 --> 00:22:44,559
very particular reason

705
00:22:47,510 --> 00:22:45,840
because they expect these people to

706
00:22:49,190 --> 00:22:47,520
actually be able to do favors for them

707
00:22:50,630 --> 00:22:49,200
now foreign country frankly one that is

708
00:22:52,789 --> 00:22:50,640
an enemy of the united states

709
00:22:53,990 --> 00:22:52,799
um and personnel who are members of the

710
00:22:55,190 --> 00:22:54,000
communist party were members of the

711
00:22:57,430 --> 00:22:55,200
communist elite

712
00:22:58,789 --> 00:22:57,440
uh if they actually were giving joe

713
00:23:00,470 --> 00:22:58,799

biden a share in the state owned

714

00:23:03,350 --> 00:23:00,480

company uh that would be hugely

715

00:23:08,230 --> 00:23:06,390

do you think in 2017 that

716

00:23:10,390 --> 00:23:08,240

biden was thinking that he was going to

717

00:23:12,070 --> 00:23:10,400

run for president i i kind of

718

00:23:13,830 --> 00:23:12,080

wonder whether he was thinking about

719

00:23:17,270 --> 00:23:13,840

that at that time or not

720

00:23:17,990 --> 00:23:17,280

and maybe maybe if he was truly thinking

721

00:23:19,830 --> 00:23:18,000

of it

722

00:23:20,950 --> 00:23:19,840

well maybe my theory is correct that he

723

00:23:21,750 --> 00:23:20,960

wasn't really thinking about it and

724

00:23:23,830 --> 00:23:21,760

hence

725

00:23:25,430 --> 00:23:23,840

those kind of deals were okay and now

726

00:23:27,190 --> 00:23:25,440

they're not okay now that it turns out

727

00:23:29,750 --> 00:23:27,200

he's running for president

728

00:23:32,230 --> 00:23:29,760

well uh biden very much wanted to run in

729

00:23:33,830 --> 00:23:32,240

2016 the problem with hillary clinton

730

00:23:35,430 --> 00:23:33,840

and we had the surreal spectacle of

731

00:23:36,870 --> 00:23:35,440

actually obama doing an event with

732

00:23:38,310 --> 00:23:36,880

spidey in the rose garden

733

00:23:40,070 --> 00:23:38,320

where joe biden announced that he was

734

00:23:41,029 --> 00:23:40,080

not going to run it was a very very

735

00:23:42,710 --> 00:23:41,039

surreal scene

736

00:23:44,230 --> 00:23:42,720

and it was very clearly an attempt by

737

00:23:47,110 --> 00:23:44,240

obama to uh

738

00:23:48,470 --> 00:23:47,120

combine down and reassure him uh the

739

00:23:50,149 --> 00:23:48,480

momentarily lost by

740

00:23:51,510 --> 00:23:50,159

very much wanted to be back in there

741

00:23:54,149 --> 00:23:51,520

again uh

742

00:23:55,190 --> 00:23:54,159

his people began um building up the

743

00:23:56,870 --> 00:23:55,200

infrastructure

744

00:23:58,149 --> 00:23:56,880

because there's a reason that biden

745

00:23:59,269 --> 00:23:58,159

actually won and burst through the

746

00:24:01,029 --> 00:23:59,279

democrat primaries

747

00:24:02,710 --> 00:24:01,039

uh he did begin building the machine

748

00:24:03,669 --> 00:24:02,720

fairly early you had a bunch of these

749

00:24:06,149 --> 00:24:03,679

candidates who

750

00:24:07,990 --> 00:24:06,159

actually waited way too long some waited

751

00:24:09,430 --> 00:24:08,000

ridiculously long amount of times

752

00:24:11,430 --> 00:24:09,440

i had people jumping in the middle of

753

00:24:12,870 --> 00:24:11,440

the primaries uh by these people had

754

00:24:14,549 --> 00:24:12,880

been planning this for a while

755

00:24:16,789 --> 00:24:14,559

he's got a team of people who are loyal

756

00:24:17,990 --> 00:24:16,799

to him uh he reinforced them with some

757

00:24:20,230 --> 00:24:18,000

of hillary's people

758

00:24:21,590 --> 00:24:20,240

and he became the favorite candidate now

759

00:24:23,110 --> 00:24:21,600

the favorite candidate doesn't always

760

00:24:24,630 --> 00:24:23,120

win i mean we can look back

761

00:24:26,549 --> 00:24:24,640

at jeff bush who was the favorite

762

00:24:27,750 --> 00:24:26,559

candidate who had the machine and he

763

00:24:29,430 --> 00:24:27,760

very much lost

764

00:24:31,269 --> 00:24:29,440

uh hillary clinton however pulled it

765

00:24:32,710 --> 00:24:31,279

through in 2016 and biden

766

00:24:35,510 --> 00:24:32,720

very predictably pulled it through and

767

00:24:38,230 --> 00:24:35,520

20 um in 2020 again

768

00:24:39,909 --> 00:24:38,240

what what did you make of obama being so

769

00:24:42,950 --> 00:24:39,919

slow

770

00:24:44,950 --> 00:24:42,960

to endorse biden

771

00:24:46,470 --> 00:24:44,960

it's pretty clear about that obama has

772

00:24:48,310 --> 00:24:46,480

spoken about it

773

00:24:49,830 --> 00:24:48,320

uh confidentially he doesn't think that

774

00:24:51,190 --> 00:24:49,840

biden can go all the way

775

00:24:53,190 --> 00:24:51,200

he doesn't think that biden is actually

776

00:24:55,029 --> 00:24:53,200

good in the campaign trail and

777

00:24:56,710 --> 00:24:55,039

you know he obviously has a point if

778

00:24:58,630 --> 00:24:56,720

there were if we weren't in the middle

779

00:25:00,070 --> 00:24:58,640

of a pandemic lockdown

780

00:25:01,830 --> 00:25:00,080

if the economy hadn't created if we

781

00:25:04,549 --> 00:25:01,840

hadn't had massive race riots

782

00:25:05,909 --> 00:25:04,559

but would not remotely be a contender so

783

00:25:09,029 --> 00:25:05,919

back to that email

784

00:25:09,750 --> 00:25:09,039

um i don't think you know assuming the

785

00:25:11,110 --> 00:25:09,760

10

786

00:25:12,789 --> 00:25:11,120

is intended i think they call him the

787

00:25:13,269 --> 00:25:12,799

big guy and everybody's assuming that

788

00:25:15,750 --> 00:25:13,279

that's

789

00:25:16,470 --> 00:25:15,760

joe biden um but he's not cc'd on the

790

00:25:18,390 --> 00:25:16,480

email

791

00:25:20,390 --> 00:25:18,400

so frankly we don't really even know

792

00:25:23,190 --> 00:25:20,400

whether biden was even aware

793

00:25:23,590 --> 00:25:23,200

that his son was cooking up this deal a

794

00:25:25,029 --> 00:25:23,600

b

795

00:25:27,350 --> 00:25:25,039

whether the deal actually happened or

796

00:25:28,950 --> 00:25:27,360

not yeah so these are things these are

797

00:25:29,909 --> 00:25:28,960

still question marks these are big

798

00:25:31,590 --> 00:25:29,919

question marks

799

00:25:33,029 --> 00:25:31,600

it's doubtful that biden himself would

800

00:25:35,269 --> 00:25:33,039

have been cc'd on the email

801
00:25:36,549 --> 00:25:35,279
are people like his chief of staff um

802
00:25:38,070 --> 00:25:36,559
some of those who are close to him

803
00:25:39,669 --> 00:25:38,080
actually our key members of his

804
00:25:41,029 --> 00:25:39,679
potential transition team

805
00:25:42,710 --> 00:25:41,039
would be potentially involved in

806
00:25:43,990 --> 00:25:42,720
something like that if the investigation

807
00:25:45,990 --> 00:25:44,000
actually takes off

808
00:25:47,510 --> 00:25:46,000
then they start looking at their emails

809
00:25:48,630 --> 00:25:47,520
uh but joe biden isn't the guy who's

810
00:25:51,909 --> 00:25:48,640
going to be

811
00:25:53,990 --> 00:25:51,919
emailing details of deals back and forth

812
00:25:55,510 --> 00:25:54,000
but if you actually have enough grounds

813
00:25:58,230 --> 00:25:55,520

for the investigation you can actually

814

00:26:00,870 --> 00:25:58,240

start looking into these things

815

00:26:02,230 --> 00:26:00,880

what did you make of the email which was

816

00:26:06,149 --> 00:26:02,240

a little confusing to me

817

00:26:07,110 --> 00:26:06,159

i think it was from hunter biden to his

818

00:26:09,350 --> 00:26:07,120

daughter

819

00:26:10,549 --> 00:26:09,360

but said something about giving half

820

00:26:12,870 --> 00:26:10,559

your salary to pop

821

00:26:13,990 --> 00:26:12,880

or or something did that involve joe

822

00:26:15,669 --> 00:26:14,000

biden at all or

823

00:26:17,029 --> 00:26:15,679

you know the email i'm talking about i

824

00:26:17,750 --> 00:26:17,039

know the email again it's kind of

825

00:26:20,630 --> 00:26:17,760

because they're not

826

00:26:22,230 --> 00:26:20,640

actually coming out and saying things uh

827

00:26:24,070 --> 00:26:22,240

it's hard to know but people are

828

00:26:26,950 --> 00:26:24,080

speculating that it does actually refer

829

00:26:29,190 --> 00:26:26,960

to joe biden because seemingly

830

00:26:29,990 --> 00:26:29,200

uh who else could he refer to but again

831

00:26:32,789 --> 00:26:30,000

just like the

832

00:26:35,269 --> 00:26:32,799

mentioning the big guy it's you're

833

00:26:37,110 --> 00:26:35,279

you're guessing to some degree

834

00:26:40,390 --> 00:26:37,120

but it would seem to indicate that

835

00:26:43,269 --> 00:26:40,400

hunter has been sharing

836

00:26:44,710 --> 00:26:43,279

fees with his dad that's strongly

837

00:26:46,149 --> 00:26:44,720

suggestive of that which would not be

838

00:26:47,269 --> 00:26:46,159

surprising and that actually would be

839

00:26:48,870 --> 00:26:47,279

illegal

840

00:26:50,950 --> 00:26:48,880

yeah yeah then i think we got something

841

00:26:52,390 --> 00:26:50,960

illegal because presumably

842

00:26:54,230 --> 00:26:52,400

yeah assuming it was taking place while

843

00:26:57,510 --> 00:26:54,240

he was uh

844

00:26:59,110 --> 00:26:57,520

vp uh even if he was out of office and

845

00:27:00,630 --> 00:26:59,120

it was unreported that would still be

846

00:27:01,990 --> 00:27:00,640

wire fraud it would be a whole bunch of

847

00:27:04,549 --> 00:27:02,000

things

848

00:27:05,350 --> 00:27:04,559

um then i think this one just came out

849

00:27:07,909 --> 00:27:05,360

today

850

00:27:08,549 --> 00:27:07,919

um a picture or maybe it was yesterday a

851
00:27:11,190 --> 00:27:08,559
picture with

852
00:27:12,950 --> 00:27:11,200
between joe biden hunter biden and some

853
00:27:15,430 --> 00:27:12,960
kazakhstani

854
00:27:16,549 --> 00:27:15,440
official or oligarch tell us about that

855
00:27:18,950 --> 00:27:16,559
picture

856
00:27:20,389 --> 00:27:18,960
so again you've got uh the biden family

857
00:27:22,310 --> 00:27:20,399
doing business in some of these shady

858
00:27:24,549 --> 00:27:22,320
areas and hunter biden very quickly

859
00:27:26,310 --> 00:27:24,559
trading on joe biden to get there

860
00:27:27,990 --> 00:27:26,320
and again you've got an actual picture

861
00:27:30,470 --> 00:27:28,000
now that's undeniable

862
00:27:32,070 --> 00:27:30,480
of joe biden meeting with hunter biden's

863
00:27:32,630 --> 00:27:32,080

business partners in this case in this

864

00:27:34,710 --> 00:27:32,640

case

865

00:27:36,389 --> 00:27:34,720

kazakh oligarchs again very corrupt

866

00:27:37,990 --> 00:27:36,399

country um

867

00:27:40,230 --> 00:27:38,000

used to be within the former soviet

868

00:27:41,669 --> 00:27:40,240

sphere and it's a place you want to go

869

00:27:42,950 --> 00:27:41,679

do business if you're doing something

870

00:27:45,269 --> 00:27:42,960

shady

871

00:27:46,149 --> 00:27:45,279

it's it's just so ridiculous this this

872

00:27:48,710 --> 00:27:46,159

coming by

873

00:27:49,430 --> 00:27:48,720

i don't talk business with my son i mean

874

00:27:52,630 --> 00:27:49,440

if that was

875

00:27:53,190 --> 00:27:52,640

true you're an idiot because he is your

876

00:27:55,269 --> 00:27:53,200

son

877

00:27:57,510 --> 00:27:55,279

your vice president of the united states

878

00:27:59,510 --> 00:27:57,520

and you ought to be concerned about what

879

00:28:02,070 --> 00:27:59,520

business your son is up to

880

00:28:03,590 --> 00:28:02,080

yeah i mean this was all very well known

881

00:28:04,549 --> 00:28:03,600

uh biden's denial is completely

882

00:28:07,029 --> 00:28:04,559

implausible

883

00:28:08,950 --> 00:28:07,039

uh hunter biden and kerry's son uh were

884

00:28:10,310 --> 00:28:08,960

doing major deals around the world while

885

00:28:12,630 --> 00:28:10,320

their father was

886

00:28:13,750 --> 00:28:12,640

um while their fathers held cabinet

887

00:28:16,389 --> 00:28:13,760

positions and

888

00:28:17,830 --> 00:28:16,399

uh in hunter biden's case was the vice

889

00:28:19,590 --> 00:28:17,840

president of the united states

890

00:28:21,190 --> 00:28:19,600

it's obviously ridiculous to think that

891

00:28:22,870 --> 00:28:21,200

these kids who were

892

00:28:24,549 --> 00:28:22,880

utterly incompetent who produced

893

00:28:26,310 --> 00:28:24,559

absolutely nothing were getting these

894

00:28:27,510 --> 00:28:26,320

ridiculous salaries and these ridiculous

895

00:28:28,870 --> 00:28:27,520

business opportunities

896

00:28:30,310 --> 00:28:28,880

because they were so talented on their

897

00:28:31,510 --> 00:28:30,320

own the only reason they were getting

898

00:28:34,630 --> 00:28:31,520

their foot in the door

899

00:28:36,149 --> 00:28:34,640

in china and kazakhstan um and any part

900

00:28:37,909 --> 00:28:36,159

of the former soviet union and the

901
00:28:39,909 --> 00:28:37,919
former warsaw attack areas

902
00:28:40,789 --> 00:28:39,919
was because these uh this is how

903
00:28:41,830 --> 00:28:40,799
business was done over there

904
00:28:43,269 --> 00:28:41,840
unfortunately

905
00:28:47,029 --> 00:28:43,279
that's how business is done here they've

906
00:28:49,590 --> 00:28:47,039
got oligarchies we've got oligarchies

907
00:28:50,710 --> 00:28:49,600
yeah and you know part of me wonders

908
00:28:53,269 --> 00:28:50,720
whether

909
00:28:54,630 --> 00:28:53,279
this will become a bigger story after

910
00:28:57,909 --> 00:28:54,640
the election

911
00:28:59,590 --> 00:28:57,919
um and that even democrats may embrace

912
00:29:03,190 --> 00:28:59,600
the story depending on

913
00:29:05,269 --> 00:29:03,200

which direction it goes but ultimately

914

00:29:07,750 --> 00:29:05,279

could be a way for kamala harris

915

00:29:09,269 --> 00:29:07,760

to become our next president well we're

916

00:29:11,430 --> 00:29:09,279

already looking at unprecedented

917

00:29:13,029 --> 00:29:11,440

corruption if joe biden wins i mean for

918

00:29:15,750 --> 00:29:13,039

example you've got his son-in-law ron

919

00:29:17,590 --> 00:29:15,760

kline who was at the same time advising

920

00:29:19,590 --> 00:29:17,600

biden on the coronavirus response

921

00:29:21,590 --> 00:29:19,600

and at the same time making inve private

922

00:29:22,549 --> 00:29:21,600

equity investments in uh coronavirus

923

00:29:23,990 --> 00:29:22,559

companies

924

00:29:26,149 --> 00:29:24,000

uh but this is just how the binding

925

00:29:28,149 --> 00:29:26,159

family does business uh biden's brother

926

00:29:29,590 --> 00:29:28,159

i got multi-billion dollar contracts to

927

00:29:31,110 --> 00:29:29,600

build houses in iraq what was his

928

00:29:32,950 --> 00:29:31,120

experience building houses

929

00:29:34,310 --> 00:29:32,960

none zero this is just how the blind

930

00:29:36,870 --> 00:29:34,320

family does things and

931

00:29:38,470 --> 00:29:36,880

uh put joe biden at the top uh every

932

00:29:40,070 --> 00:29:38,480

single member of the buying family no

933

00:29:41,990 --> 00:29:40,080

matter how distant distantly related

934

00:29:43,590 --> 00:29:42,000

is going to come in and is going to grab

935

00:29:46,230 --> 00:29:43,600

their own chair

936

00:29:47,750 --> 00:29:46,240

and how uncommon do you think this is

937

00:29:48,549 --> 00:29:47,760

because this sounds like kind of

938

00:29:51,909 --> 00:29:48,559

standard

939

00:29:55,830 --> 00:29:51,919

washington type corruption that

940

00:29:59,350 --> 00:29:55,840

exists i mean we think roughly

941

00:30:01,990 --> 00:29:59,360

20 percent of senators and congressmen

942

00:30:04,310 --> 00:30:02,000

and administration officials have family

943

00:30:06,230 --> 00:30:04,320

members doing these kind of deals

944

00:30:08,070 --> 00:30:06,240

it's widespread but there are kind of

945

00:30:09,590 --> 00:30:08,080

different levels of corruption

946

00:30:11,269 --> 00:30:09,600

are there people who are actually queen

947

00:30:11,669 --> 00:30:11,279

and they're a minority are there people

948

00:30:15,430 --> 00:30:11,679

who

949

00:30:17,110 --> 00:30:15,440

just completely out of control

950

00:30:19,029 --> 00:30:17,120

and when it comes to this kind of thing

951
00:30:20,230 --> 00:30:19,039
the out of control category the clintons

952
00:30:22,710 --> 00:30:20,240
were in that category they could

953
00:30:24,950 --> 00:30:22,720
absolutely not pass up a single dime

954
00:30:27,029 --> 00:30:24,960
um harry reid was in that category

955
00:30:27,669 --> 00:30:27,039
former senate uh democrat majority

956
00:30:29,510 --> 00:30:27,679
leader

957
00:30:31,269 --> 00:30:29,520
and by the family is very much in that

958
00:30:32,310 --> 00:30:31,279
category um these are people who

959
00:30:34,830 --> 00:30:32,320
absolutely will

960
00:30:37,269 --> 00:30:34,840
go for any opportunity no matter how

961
00:30:39,510 --> 00:30:37,279
shitty

962
00:30:40,310 --> 00:30:39,520
okay uh well before i was gonna then get

963
00:30:42,710 --> 00:30:40,320

back to some of the

964

00:30:44,230 --> 00:30:42,720

the hunter related materials because i

965

00:30:45,590 --> 00:30:44,240

even though they're kind of

966

00:30:47,669 --> 00:30:45,600

salacious i think still think they're

967

00:30:48,950 --> 00:30:47,679

relevant uh but before i do that am i

968

00:30:51,350 --> 00:30:48,960

missing any other

969

00:30:53,430 --> 00:30:51,360

important pieces of information that

970

00:30:56,070 --> 00:30:53,440

have been found that directly relate to

971

00:30:56,710 --> 00:30:56,080

to joe biden so stuff is still coming

972

00:30:58,310 --> 00:30:56,720

out uh

973

00:31:00,149 --> 00:30:58,320

i think we're gonna know a lot more

974

00:31:01,350 --> 00:31:00,159

tonight than we know right now

975

00:31:04,070 --> 00:31:01,360

uh but i think that's a pretty good

976

00:31:07,750 --> 00:31:04,080

summary so um

977

00:31:10,070 --> 00:31:07,760

all right so back to hunter then um

978

00:31:11,830 --> 00:31:10,080

there's there's an email about a a crack

979

00:31:14,870 --> 00:31:11,840

pipe and a 14 year old

980

00:31:16,789 --> 00:31:14,880

um and it seemed to me that it's his

981

00:31:18,470 --> 00:31:16,799

wife or ex-wife

982

00:31:19,830 --> 00:31:18,480

making this allegation and it almost

983

00:31:21,350 --> 00:31:19,840

seemed to me that

984

00:31:23,029 --> 00:31:21,360

oh he's pointing this out i think it was

985

00:31:26,310 --> 00:31:23,039

in an email to his father

986

00:31:27,909 --> 00:31:26,320

joe but um that his wife was

987

00:31:29,830 --> 00:31:27,919

maybe just kind of blackmailing with

988

00:31:31,269 --> 00:31:29,840

with this or or bringing us the

989

00:31:32,470 --> 00:31:31,279

attention of some marriage counselor or

990

00:31:34,470 --> 00:31:32,480

something

991

00:31:36,149 --> 00:31:34,480

it seems like this was his brother's

992

00:31:37,509 --> 00:31:36,159

wife or rather his brother's widow so as

993

00:31:38,950 --> 00:31:37,519

mentioned earlier he was running the

994

00:31:41,269 --> 00:31:38,960

beau biden foundation

995

00:31:42,389 --> 00:31:41,279

uh bobine was his brother uh beau biden

996

00:31:43,750 --> 00:31:42,399

uh died

997

00:31:46,630 --> 00:31:43,760

uh for a while hunter biden was

998

00:31:49,830 --> 00:31:46,640

romancing the widow um

999

00:31:52,630 --> 00:31:49,840

whether you see it as creepy or moving

1000

00:31:53,430 --> 00:31:52,640

just kind of as a subjective uh but this

1001
00:31:55,190 --> 00:31:53,440
uh

1002
00:31:56,549 --> 00:31:55,200
discussion puts a whole other spin on it

1003
00:31:58,630 --> 00:31:56,559
so seemingly

1004
00:31:59,590 --> 00:31:58,640
he was behaving inappropriately with an

1005
00:32:01,830 --> 00:31:59,600
underage girl

1006
00:32:04,230 --> 00:32:01,840
some people have speculated that uh this

1007
00:32:07,350 --> 00:32:04,240
would actually be his niece

1008
00:32:10,950 --> 00:32:07,360
and it was so it was beau biden's

1009
00:32:14,310 --> 00:32:10,960
widow who was making this allegation

1010
00:32:16,549 --> 00:32:14,320
seemingly mm-hmm um

1011
00:32:17,669 --> 00:32:16,559
and on blacked out so we're kind of

1012
00:32:19,830 --> 00:32:17,679
speculating

1013
00:32:20,870 --> 00:32:19,840

and and and how does crack pipe fit into

1014

00:32:22,630 --> 00:32:20,880

all this

1015

00:32:23,990 --> 00:32:22,640

so we do one of the photos that the new

1016

00:32:25,750 --> 00:32:24,000

york post published that's made its

1017

00:32:27,750 --> 00:32:25,760

round the seemingly hunter by

1018

00:32:29,509 --> 00:32:27,760

with a crack pipe so this would seem to

1019

00:32:31,269 --> 00:32:29,519

be a reference to um

1020

00:32:33,110 --> 00:32:31,279

problematic behavior by him we know uh

1021

00:32:33,830 --> 00:32:33,120

he had a serious drug problem it seems

1022

00:32:35,509 --> 00:32:33,840

to have been

1023

00:32:37,190 --> 00:32:35,519

even more serious than we thought and it

1024

00:32:38,710 --> 00:32:37,200

seems to according to this

1025

00:32:40,789 --> 00:32:38,720

have led to an appropriate behavior with

1026

00:32:44,789 --> 00:32:40,799

an underage girl

1027

00:32:47,350 --> 00:32:44,799

and what is his current marital status

1028

00:32:48,070 --> 00:32:47,360

uh he's been sued for child support by a

1029

00:32:51,430 --> 00:32:48,080

stripper in

1030

00:32:53,110 --> 00:32:51,440

arkansas who had his uh baby allegedly

1031

00:32:55,509 --> 00:32:53,120

uh but i think that's as close to

1032

00:32:58,870 --> 00:32:55,519

marriage as he's gotten

1033

00:33:01,909 --> 00:32:58,880

but he has a grown daughter

1034

00:33:03,269 --> 00:33:01,919

yes and and that's from that was also

1035

00:33:05,430 --> 00:33:03,279

out of wedlock then i guess

1036

00:33:06,710 --> 00:33:05,440

that's a previous marriage well previous

1037

00:33:07,350 --> 00:33:06,720

marriage okay so he has been married

1038

00:33:10,549 --> 00:33:07,360

before

1039

00:33:14,230 --> 00:33:10,559

he had one kid then he has a fling

1040

00:33:16,789 --> 00:33:14,240

with bo's widow um

1041

00:33:18,310 --> 00:33:16,799

but that they're no longer together uh

1042

00:33:20,070 --> 00:33:18,320

they're not

1043

00:33:22,789 --> 00:33:20,080

giving away this cast white and why they

1044

00:33:26,310 --> 00:33:22,799

might not have been together

1045

00:33:27,029 --> 00:33:26,320

and uh and i guess he lives in delaware

1046

00:33:29,110 --> 00:33:27,039

hence

1047

00:33:30,630 --> 00:33:29,120

why it was dropped off in delaware oh

1048

00:33:31,269 --> 00:33:30,640

the biden family is based out of

1049

00:33:33,990 --> 00:33:31,279

delaware

1050

00:33:36,149 --> 00:33:34,000

it seems like uh hunter biden has had

1051

00:33:38,389 --> 00:33:36,159

places in different parts of the country

1052

00:33:39,750 --> 00:33:38,399

uh but at that point uh it seems like he

1053

00:33:41,509 --> 00:33:39,760

would have been in delaware certainly

1054

00:33:43,190 --> 00:33:41,519

the beau buying foundation is registered

1055

00:33:45,190 --> 00:33:43,200

in delaware

1056

00:33:46,470 --> 00:33:45,200

okay let's get to a little bit of a

1057

00:33:48,070 --> 00:33:46,480

couple of things you're covering in in

1058

00:33:49,430 --> 00:33:48,080

the article well your article seemed to

1059

00:33:52,950 --> 00:33:49,440

me was was a lot about

1060

00:33:55,269 --> 00:33:52,960

the allegation that this is uh you know

1061

00:33:56,630 --> 00:33:55,279

russian propaganda and russian

1062

00:33:58,389 --> 00:33:56,640

disinformation

1063

00:33:59,830 --> 00:33:58,399

and you do a great job of discrediting

1064

00:34:01,669 --> 00:33:59,840

that at this point i'm not sure we need

1065

00:34:03,350 --> 00:34:01,679

to talk too much more about that because

1066

00:34:04,789 --> 00:34:03,360

no one seems to be asserting that

1067

00:34:06,950 --> 00:34:04,799

anymore but i don't know if you want to

1068

00:34:08,470 --> 00:34:06,960

put a

1069

00:34:10,790 --> 00:34:08,480

kind of dot the i across the t on that

1070

00:34:11,909 --> 00:34:10,800

one the representative adam schiff did

1071

00:34:14,470 --> 00:34:11,919

insist that it was russian

1072

00:34:17,430 --> 00:34:14,480

disinformation we had a letter from

1073

00:34:18,950 --> 00:34:17,440

uh 15 national security professionals

1074

00:34:20,550 --> 00:34:18,960

most of whom were obama administration

1075

00:34:22,149 --> 00:34:20,560

veterans uh claiming there was

1076

00:34:23,510 --> 00:34:22,159

that it had the earmarks of russian

1077

00:34:24,950 --> 00:34:23,520

misinformation which is not the same

1078

00:34:26,230 --> 00:34:24,960

thing as saying that it is russian

1079

00:34:28,869 --> 00:34:26,240

misinformation

1080

00:34:31,030 --> 00:34:28,879

um anyway the uh director of national

1081

00:34:32,550 --> 00:34:31,040

intelligence uh radkov came forward to

1082

00:34:34,149 --> 00:34:32,560

say that they were not investigating

1083

00:34:35,589 --> 00:34:34,159

this as russian disinformation

1084

00:34:36,950 --> 00:34:35,599

uh the media was claiming that they had

1085

00:34:38,470 --> 00:34:36,960

a congressional source who was telling

1086

00:34:39,909 --> 00:34:38,480

them the fbi was investigating it

1087

00:34:41,109 --> 00:34:39,919

the fbi has denied that they're

1088

00:34:42,389 --> 00:34:41,119

investigating it as russian

1089

00:34:43,909 --> 00:34:42,399

misinformation so

1090

00:34:45,349 --> 00:34:43,919

the story isn't going anywhere but at

1091

00:34:47,190 --> 00:34:45,359

the same time the media will kind of

1092

00:34:49,109 --> 00:34:47,200

keep up the russian disinformation thing

1093

00:34:52,389 --> 00:34:49,119

anyway

1094

00:34:54,550 --> 00:34:52,399

the uh twitter blocked this

1095

00:34:55,750 --> 00:34:54,560

story from the new york post and am i

1096

00:34:57,750 --> 00:34:55,760

correct that they also

1097

00:34:59,109 --> 00:34:57,760

blocked the entire account of the new

1098

00:35:00,630 --> 00:34:59,119

york post new york post couldn't post

1099

00:35:02,790 --> 00:35:00,640

anything on twitter

1100

00:35:04,630 --> 00:35:02,800

both facebook and twitter took measures

1101
00:35:05,109 --> 00:35:04,640
uh facebook throttled the reach of the

1102
00:35:07,109 --> 00:35:05,119
story

1103
00:35:09,109 --> 00:35:07,119
twitter went very aggressive uh they

1104
00:35:10,870 --> 00:35:09,119
actually suspended accounts um they

1105
00:35:11,910 --> 00:35:10,880
bought people from tweeting including

1106
00:35:14,630 --> 00:35:11,920
nerd post

1107
00:35:15,109 --> 00:35:14,640
um for that matter they hit a lot of

1108
00:35:16,390 --> 00:35:15,119
high

1109
00:35:18,390 --> 00:35:16,400
uh profile people including

1110
00:35:19,990 --> 00:35:18,400
administration people so they've been

1111
00:35:21,589 --> 00:35:20,000
very aggressively trying to censor the

1112
00:35:22,870 --> 00:35:21,599
story they can't actually explain why

1113
00:35:24,310 --> 00:35:22,880

they're censoring the story

1114

00:35:26,790 --> 00:35:24,320

they've gone from one excuse to another

1115

00:35:28,470 --> 00:35:26,800

excuse but yes the nerd post which is a

1116

00:35:30,550 --> 00:35:28,480

major newspaper is locked out of its

1117

00:35:31,030 --> 00:35:30,560

twitter account because it refuses to

1118

00:35:33,829 --> 00:35:31,040

delete

1119

00:35:34,870 --> 00:35:33,839

links to the story so as we speak that's

1120

00:35:37,190 --> 00:35:34,880

the current state

1121

00:35:39,030 --> 00:35:37,200

that uh the new york post is locked out

1122

00:35:43,270 --> 00:35:39,040

of its twitter account

1123

00:35:47,670 --> 00:35:45,510

and has twitter come forward yet with an

1124

00:35:49,829 --> 00:35:47,680

explanation as to

1125

00:35:51,270 --> 00:35:49,839

why they've had four or five

1126

00:35:53,349 --> 00:35:51,280

explanations um

1127

00:35:55,270 --> 00:35:53,359

they could their final explanation was

1128

00:35:56,390 --> 00:35:55,280

that it's in violation of their hack

1129

00:35:57,750 --> 00:35:56,400

materials policy

1130

00:35:59,670 --> 00:35:57,760

the problem is that they have hacked

1131

00:36:00,790 --> 00:35:59,680

materials um being deployed especially

1132

00:36:03,109 --> 00:36:00,800

by the media all the time

1133

00:36:04,630 --> 00:36:03,119

the media has had no problems with uh

1134

00:36:05,829 --> 00:36:04,640

using hacked materials they've done it

1135

00:36:07,510 --> 00:36:05,839

on a regular basis

1136

00:36:09,190 --> 00:36:07,520

and now suddenly twitter decided that

1137

00:36:10,069 --> 00:36:09,200

it's inappropriate this is a very last

1138

00:36:11,270 --> 00:36:10,079

minute decision

1139

00:36:12,870 --> 00:36:11,280

and apparently the only time it's

1140

00:36:15,190 --> 00:36:12,880

inappropriate is when joe biden is

1141

00:36:17,589 --> 00:36:15,200

affected by it

1142

00:36:19,030 --> 00:36:17,599

what about google slash youtube have

1143

00:36:20,310 --> 00:36:19,040

they as far as we know

1144

00:36:21,430 --> 00:36:20,320

i mean sometimes what they do is very

1145

00:36:22,710 --> 00:36:21,440

hidden so you don't know what they're

1146

00:36:24,470 --> 00:36:22,720

doing but do we know if they're doing

1147

00:36:26,470 --> 00:36:24,480

any throttling

1148

00:36:28,069 --> 00:36:26,480

so google and youtube uh google hasn't

1149

00:36:28,950 --> 00:36:28,079

made an official announcement in the

1150

00:36:31,190 --> 00:36:28,960

same way

1151

00:36:32,069 --> 00:36:31,200

uh they tend to like facebook uh

1152

00:36:34,470 --> 00:36:32,079

throttle uh

1153

00:36:35,750 --> 00:36:34,480

limit access uh shadow band people use

1154

00:36:37,829 --> 00:36:35,760

different terms for it

1155

00:36:39,190 --> 00:36:37,839

uh they do it more inconspicuously and

1156

00:36:42,550 --> 00:36:39,200

really twitter's more

1157

00:36:43,990 --> 00:36:42,560

overt um attack i gave the story legs it

1158

00:36:44,950 --> 00:36:44,000

gave it more publicity whereas

1159

00:36:47,349 --> 00:36:44,960

facebook's more

1160

00:36:49,760 --> 00:36:47,359

covert approach i was far more effective

1161

00:36:51,270 --> 00:36:49,770

in limiting the reach of the story

1162

00:36:53,510 --> 00:36:51,280

[Music]

1163

00:36:54,950 --> 00:36:53,520

so i do you follow much mean in fact i

1164

00:36:56,630 --> 00:36:54,960

think it just came up they're already i

1165

00:36:57,910 --> 00:36:56,640

forget who was suggesting an amendment

1166

00:37:00,230 --> 00:36:57,920

to this law but

1167

00:37:00,950 --> 00:37:00,240

it's this um law that gives some

1168

00:37:04,310 --> 00:37:00,960

indemnity

1169

00:37:06,630 --> 00:37:04,320

to the social media companies for i

1170

00:37:08,150 --> 00:37:06,640

assume defamation so it protects them

1171

00:37:09,750 --> 00:37:08,160

against defamation claims

1172

00:37:11,270 --> 00:37:09,760

because merely because somebody posts

1173

00:37:13,190 --> 00:37:11,280

something on their

1174

00:37:15,190 --> 00:37:13,200

site which first of all might write

1175

00:37:16,390 --> 00:37:15,200

about that so there was something

1176

00:37:17,829 --> 00:37:16,400

during the clinton administration that

1177

00:37:19,990 --> 00:37:17,839

was passed called the communications

1178

00:37:21,910 --> 00:37:20,000

decency act or cda

1179

00:37:23,430 --> 00:37:21,920

this was an attempt to actually remove

1180

00:37:24,069 --> 00:37:23,440

pornography and decent material from the

1181

00:37:26,630 --> 00:37:24,079

internet

1182

00:37:28,550 --> 00:37:26,640

uh obviously it never actually really

1183

00:37:30,870 --> 00:37:28,560

functioned as far as the law went

1184

00:37:32,550 --> 00:37:30,880

it was struck down pretty quickly uh but

1185

00:37:35,109 --> 00:37:32,560

section 230 of this and we're talking

1186

00:37:37,349 --> 00:37:35,119

really huge bills the section 230 of it

1187

00:37:38,870 --> 00:37:37,359

was kept alive and section 230 was snuck

1188

00:37:40,310 --> 00:37:38,880

in by special interest which is what

1189

00:37:40,950 --> 00:37:40,320

they do there's a bill there's a big

1190

00:37:42,950 --> 00:37:40,960

bill

1191

00:37:44,069 --> 00:37:42,960

um it's thousands of pages you don't

1192

00:37:45,670 --> 00:37:44,079

actually work through it

1193

00:37:47,670 --> 00:37:45,680

and somewhere in there is something

1194

00:37:49,270 --> 00:37:47,680

that's buried that is going to have a

1195

00:37:51,109 --> 00:37:49,280

huge impact for a particular industry

1196

00:37:53,670 --> 00:37:51,119

that's the case with suction 230

1197

00:37:54,310 --> 00:37:53,680

which basically said that um just

1198

00:37:57,349 --> 00:37:54,320

because

1199

00:37:58,790 --> 00:37:57,359

uh a major platform will run it it

1200

00:38:00,310 --> 00:37:58,800

doesn't actually mean anything they have

1201

00:38:01,750 --> 00:38:00,320

protection in this regard

1202

00:38:04,069 --> 00:38:01,760

um as long as they're not the ones

1203

00:38:06,550 --> 00:38:04,079

actually publishing it themselves

1204

00:38:07,430 --> 00:38:06,560

and all things are kind of subject to

1205

00:38:10,630 --> 00:38:07,440

some debate

1206

00:38:13,670 --> 00:38:10,640

so a lot of the opposition to these uh

1207

00:38:15,990 --> 00:38:13,680

big really huge um big tech monopolies

1208

00:38:16,790 --> 00:38:16,000

has focused on removing section 230

1209

00:38:18,870 --> 00:38:16,800

protections

1210

00:38:20,550 --> 00:38:18,880

especially as these um so-called

1211

00:38:21,829 --> 00:38:20,560

platforms start making editorial

1212

00:38:24,470 --> 00:38:21,839

decisions and really

1213

00:38:26,390 --> 00:38:24,480

function more uh like media outlets

1214

00:38:28,230 --> 00:38:26,400

rather than just providing a platform

1215

00:38:30,310 --> 00:38:28,240

for people to use

1216

00:38:31,270 --> 00:38:30,320

good thanks for that explanation so yeah

1217

00:38:34,630 --> 00:38:31,280

let's talk about that

1218

00:38:38,230 --> 00:38:34,640

just a bit in my personal view i love

1219

00:38:39,030 --> 00:38:38,240

230. um i i think that they should have

1220

00:38:40,550 --> 00:38:39,040

protection

1221

00:38:42,310 --> 00:38:40,560

against claims for defamation zone

1222

00:38:43,510 --> 00:38:42,320

because i think they should just be

1223

00:38:45,990 --> 00:38:43,520

platforms

1224

00:38:47,670 --> 00:38:46,000

things go up there if somebody posts

1225

00:38:49,510 --> 00:38:47,680

something that's defamatory you can go

1226
00:38:50,550 --> 00:38:49,520
after the person who posted and said the

1227
00:38:52,950 --> 00:38:50,560
defamatory

1228
00:38:54,630 --> 00:38:52,960
thing and that allows the ultimate

1229
00:38:56,710 --> 00:38:54,640
freedom of speech

1230
00:38:58,150 --> 00:38:56,720
however if they're going to start

1231
00:39:01,589 --> 00:38:58,160
selectively

1232
00:39:04,790 --> 00:39:01,599
editing as you state then that does

1233
00:39:05,910 --> 00:39:04,800
change the game but and it's in i guess

1234
00:39:08,310 --> 00:39:05,920
it's why

1235
00:39:10,230 --> 00:39:08,320
facebook you know they should not be

1236
00:39:12,470 --> 00:39:10,240
editing they should be enjoying

1237
00:39:13,589 --> 00:39:12,480
the privileges of this section 230

1238
00:39:15,910 --> 00:39:13,599

exemption

1239

00:39:16,710 --> 00:39:15,920

that allows them to have anything be up

1240

00:39:19,910 --> 00:39:16,720

there

1241

00:39:21,829 --> 00:39:19,920

and not face liability and

1242

00:39:23,349 --> 00:39:21,839

that made it nice and easy for them sit

1243

00:39:25,990 --> 00:39:23,359

back let people put stuff

1244

00:39:26,710 --> 00:39:26,000

up there and don't worry about censoring

1245

00:39:28,710 --> 00:39:26,720

or

1246

00:39:30,390 --> 00:39:28,720

editing it but they're really stepping

1247

00:39:33,829 --> 00:39:30,400

into it now

1248

00:39:35,910 --> 00:39:33,839

by doing that and and that probably

1249

00:39:39,270 --> 00:39:35,920

should be an exception to 230 said

1250

00:39:41,670 --> 00:39:39,280

yeah you have uh indemnity unless

1251
00:39:43,030 --> 00:39:41,680
you start editing and then you lose the

1252
00:39:44,550 --> 00:39:43,040
indemnity

1253
00:39:47,829 --> 00:39:44,560
so part of it is that the internet in

1254
00:39:49,349 --> 00:39:47,839
1998 or even 2008 looked very different

1255
00:39:51,190 --> 00:39:49,359
than it does now

1256
00:39:52,470 --> 00:39:51,200
you had a whole large variety of

1257
00:39:54,870 --> 00:39:52,480
companies and you had a lot of free

1258
00:39:56,470 --> 00:39:54,880
speech and you had this kind of healthy

1259
00:39:58,390 --> 00:39:56,480
vigorous climate there are multiple

1260
00:39:59,589 --> 00:39:58,400
search engines in multiple sites and

1261
00:40:01,750 --> 00:39:59,599
multiple forums

1262
00:40:03,910 --> 00:40:01,760
uh increasingly everything is solidified

1263
00:40:04,950 --> 00:40:03,920

around about a dozen companies someone's

1264

00:40:08,470 --> 00:40:04,960

names you know

1265

00:40:10,150 --> 00:40:08,480

like amazon facebook google and some

1266

00:40:12,069 --> 00:40:10,160

uh whose names you don't necessarily

1267

00:40:12,710 --> 00:40:12,079

know but these companies essentially

1268

00:40:19,670 --> 00:40:12,720

control

1269

00:40:21,190 --> 00:40:19,680

of search traffic in the united states

1270

00:40:22,950 --> 00:40:21,200

facebook controls about 80

1271

00:40:24,309 --> 00:40:22,960

of social media these are effectively

1272

00:40:26,550 --> 00:40:24,319

functionally monopolies

1273

00:40:28,470 --> 00:40:26,560

so the game changed very much um these

1274

00:40:29,030 --> 00:40:28,480

provisions were meant to really protect

1275

00:40:30,710 --> 00:40:29,040

um

1276

00:40:32,390 --> 00:40:30,720

a kind of open internet but the internet

1277

00:40:34,230 --> 00:40:32,400

is not open anymore it's very much

1278

00:40:35,670 --> 00:40:34,240

closed it's very much under control of a

1279

00:40:36,550 --> 00:40:35,680

small number of companies who are

1280

00:40:39,670 --> 00:40:36,560

gatekeepers

1281

00:40:40,790 --> 00:40:39,680

how we can cut people off now in 2016 as

1282

00:40:43,109 --> 00:40:40,800

i mentioned before the meeting the

1283

00:40:45,990 --> 00:40:43,119

democrats largely blamed their loss

1284

00:40:48,150 --> 00:40:46,000

on the freedom uh uh for people to just

1285

00:40:50,150 --> 00:40:48,160

discuss things on facebook

1286

00:40:52,069 --> 00:40:50,160

and they've been pressuring very hard uh

1287

00:40:54,230 --> 00:40:52,079

for there to be censorship

1288

00:40:55,990 --> 00:40:54,240

so basically you have both republicans

1289

00:40:58,630 --> 00:40:56,000

and democrats pressuring

1290

00:41:00,390 --> 00:40:58,640

um companies like facebook democrats

1291

00:41:01,430 --> 00:41:00,400

want more censorship republicans want

1292

00:41:03,349 --> 00:41:01,440

less censorship

1293

00:41:04,790 --> 00:41:03,359

uh mark zuckerberg is kind of playing

1294

00:41:06,309 --> 00:41:04,800

both sides he's trying to give both

1295

00:41:07,030 --> 00:41:06,319

sides what they want which of course is

1296

00:41:08,470 --> 00:41:07,040

impossible

1297

00:41:09,990 --> 00:41:08,480

because if you have one group of people

1298

00:41:11,190 --> 00:41:10,000

saying we need you to censor more and we

1299

00:41:12,630 --> 00:41:11,200

have another group of people saying when

1300

00:41:14,790 --> 00:41:12,640

you need to censor less

1301

00:41:16,550 --> 00:41:14,800

how do you split that difference yeah

1302

00:41:17,750 --> 00:41:16,560

and you know if this 230 does get

1303

00:41:19,510 --> 00:41:17,760

amended to take away

1304

00:41:21,589 --> 00:41:19,520

indemnity i you know i don't like that

1305

00:41:23,190 --> 00:41:21,599

because it's just going to cause these

1306

00:41:24,790 --> 00:41:23,200

companies to edit

1307

00:41:26,309 --> 00:41:24,800

even more because they're going to have

1308

00:41:27,670 --> 00:41:26,319

additional reason now that hey we've got

1309

00:41:30,710 --> 00:41:27,680

fear of liability

1310

00:41:32,630 --> 00:41:30,720

so we got to be very cautious and

1311

00:41:34,150 --> 00:41:32,640

they're going to have tons of editors

1312

00:41:36,069 --> 00:41:34,160

and we know that most of those editors

1313

00:41:38,309 --> 00:41:36,079

are going to lean left so 90

1314

00:41:39,349 --> 00:41:38,319

of the stuff edited out is going to be

1315

00:41:42,710 --> 00:41:39,359

material uh

1316

00:41:44,470 --> 00:41:42,720

that's you know conservative yeah

1317

00:41:46,069 --> 00:41:44,480

that's correct i completely agree with

1318

00:41:46,550 --> 00:41:46,079

that some conservatives have embraced

1319

00:41:48,710 --> 00:41:46,560

the whole

1320

00:41:50,230 --> 00:41:48,720

section 230 position i think it's

1321

00:41:51,510 --> 00:41:50,240

dangerous uh for the reason you

1322

00:41:52,870 --> 00:41:51,520

mentioned and also because if you

1323

00:41:54,470 --> 00:41:52,880

actually start having

1324

00:41:56,230 --> 00:41:54,480

a fairness doctrine for the internet

1325

00:41:57,190 --> 00:41:56,240

with some sort of government body

1326

00:41:58,790 --> 00:41:57,200

regulating it

1327

00:42:00,309 --> 00:41:58,800

that's going to push it obviously much

1328

00:42:02,150 --> 00:42:00,319

much further to the left

1329

00:42:03,589 --> 00:42:02,160

again i think what's really needed is to

1330

00:42:05,030 --> 00:42:03,599

turn back the clock on the internet at

1331

00:42:06,150 --> 00:42:05,040

least to some degree break up some of

1332

00:42:07,750 --> 00:42:06,160

these big monopolies

1333

00:42:09,190 --> 00:42:07,760

that just have way too much power

1334

00:42:11,030 --> 00:42:09,200

because if you have a company that

1335

00:42:11,910 --> 00:42:11,040

controls eighty percent eighty percent

1336

00:42:13,510 --> 00:42:11,920

of what people see

1337

00:42:15,430 --> 00:42:13,520

then everybody's gonna be trying to use

1338

00:42:17,030 --> 00:42:15,440

it for political gain if you have

1339

00:42:20,150 --> 00:42:17,040

companies that have 10 12

1340

00:42:20,710 --> 00:42:20,160

18 uh they're not targets in the same

1341

00:42:22,309 --> 00:42:20,720

way it's

1342

00:42:23,750 --> 00:42:22,319

more democratized it's a more open

1343

00:42:25,430 --> 00:42:23,760

internet if you have

1344

00:42:28,069 --> 00:42:25,440

this kind of consolidation of power

1345

00:42:29,829 --> 00:42:28,079

everybody's going to want to control it

1346

00:42:31,589 --> 00:42:29,839

yeah well we saw the first case on that

1347

00:42:33,829 --> 00:42:31,599

right google got sued yesterday for

1348

00:42:34,790 --> 00:42:33,839

anti-trust violations um

1349

00:42:36,630 --> 00:42:34,800

essentially because of what you just

1350

00:42:37,750 --> 00:42:36,640

stated right that because they've got 88

1351
00:42:40,069 --> 00:42:37,760
of the searches

1352
00:42:41,589 --> 00:42:40,079
yeah that is uh this has been a long

1353
00:42:42,870 --> 00:42:41,599
time coming it should have happened

1354
00:42:45,670 --> 00:42:42,880
quite a while back

1355
00:42:47,270 --> 00:42:45,680
uh the scale of google as a monopoly is

1356
00:42:48,230 --> 00:42:47,280
incredible you have multiple state

1357
00:42:49,670 --> 00:42:48,240
attorney generals

1358
00:42:51,030 --> 00:42:49,680
you have the justice department all

1359
00:42:52,150 --> 00:42:51,040
suing you'll go on this is really

1360
00:42:52,550 --> 00:42:52,160
something that should have happened back

1361
00:42:54,790 --> 00:42:52,560
in the

1362
00:42:56,790 --> 00:42:54,800
demonstration uh when google became this

1363
00:42:58,550 --> 00:42:56,800

kind of monopoly it's been uh

1364

00:43:00,630 --> 00:42:58,560

sitting for too long with no action

1365

00:43:01,270 --> 00:43:00,640

taken and this is really important

1366

00:43:03,109 --> 00:43:01,280

because

1367

00:43:04,710 --> 00:43:03,119

the internet really flows through two

1368

00:43:06,870 --> 00:43:04,720

means people find things

1369

00:43:08,470 --> 00:43:06,880

through either search or through social

1370

00:43:09,829 --> 00:43:08,480

media this is how people among other

1371

00:43:11,589 --> 00:43:09,839

things get their news so people are

1372

00:43:12,950 --> 00:43:11,599

either using google or using facebook to

1373

00:43:15,109 --> 00:43:12,960

find out what's going on

1374

00:43:17,109 --> 00:43:15,119

uh take down both of those monopolies

1375

00:43:19,109 --> 00:43:17,119

break them up into smaller companies

1376

00:43:20,630 --> 00:43:19,119

and we have a more open internet we have

1377

00:43:23,030 --> 00:43:20,640

one that's less

1378

00:43:24,340 --> 00:43:23,040

explosive less violent uh less about

1379

00:43:25,670 --> 00:43:24,350

power grabs

1380

00:43:27,349 --> 00:43:25,680

[Music]

1381

00:43:29,190 --> 00:43:27,359

yeah i mean it's weird on the one hand

1382

00:43:32,150 --> 00:43:29,200

the internet it's hard to think

1383

00:43:34,150 --> 00:43:32,160

that a monopoly could even exist in the

1384

00:43:35,430 --> 00:43:34,160

days of the internet now because we do

1385

00:43:38,470 --> 00:43:35,440

have at our fingertips

1386

00:43:41,030 --> 00:43:38,480

access to so much right so that kind of

1387

00:43:44,470 --> 00:43:41,040

argues against there being monopoly but

1388

00:43:46,870 --> 00:43:44,480

if your access to things starts by going

1389

00:43:48,309 --> 00:43:46,880

searching for things and all those

1390

00:43:51,030 --> 00:43:48,319

searches are going through

1391

00:43:52,870 --> 00:43:51,040

google then i guess that's a problem

1392

00:43:54,150 --> 00:43:52,880

when people actually are out to find out

1393

00:43:54,870 --> 00:43:54,160

something what did they do well let me

1394

00:43:56,710 --> 00:43:54,880

google it

1395

00:43:58,630 --> 00:43:56,720

that kind of says it all and people will

1396

00:44:00,950 --> 00:43:58,640

cite uh alternative what they call

1397

00:44:02,630 --> 00:44:00,960

alternative search engines like duck.go

1398

00:44:04,630 --> 00:44:02,640

uh but those are just you really using

1399

00:44:05,829 --> 00:44:04,640

the google index they're just scraping

1400

00:44:07,430 --> 00:44:05,839

google for the most part

1401

00:44:09,990 --> 00:44:07,440

so you're just getting google's results

1402

00:44:11,670 --> 00:44:10,000

but with an a with an anonymous overlay

1403

00:44:13,109 --> 00:44:11,680

which is good for privacy but doesn't

1404

00:44:14,950 --> 00:44:13,119

solve the fundamental problem

1405

00:44:16,950 --> 00:44:14,960

they're really only two major search

1406

00:44:18,790 --> 00:44:16,960

engines google and bing both of those

1407

00:44:20,710 --> 00:44:18,800

are owned by big tech companies and bing

1408

00:44:22,309 --> 00:44:20,720

has a fraction of the market share

1409

00:44:23,910 --> 00:44:22,319

so it's not healthy for a country when

1410

00:44:26,069 --> 00:44:23,920

the marketplace of ideas is controlled

1411

00:44:28,630 --> 00:44:26,079

by a handful of companies

1412

00:44:29,910 --> 00:44:28,640

uh how do you evaluate amazon on that

1413

00:44:32,150 --> 00:44:29,920

scale

1414

00:44:34,950 --> 00:44:32,160

amazon effectively is eating up retail

1415

00:44:36,309 --> 00:44:34,960

it's eating up retail on a massive level

1416

00:44:38,309 --> 00:44:36,319

and what it's really doing because

1417

00:44:39,990 --> 00:44:38,319

increasingly what you see um on amazon

1418

00:44:42,390 --> 00:44:40,000

is third-party sellers so

1419

00:44:44,069 --> 00:44:42,400

uh majority of actual products uh on

1420

00:44:46,309 --> 00:44:44,079

amazon are going to third-party sellers

1421

00:44:47,829 --> 00:44:46,319

a majority of amazon third-party sellers

1422

00:44:49,829 --> 00:44:47,839

are china-based sellers so here what

1423

00:44:51,670 --> 00:44:49,839

amazon has become as a fulfillment

1424

00:44:52,870 --> 00:44:51,680

platform for chinese sellers

1425

00:44:55,109 --> 00:44:52,880

moving products to the united states

1426
00:44:57,510 --> 00:44:55,119
many of these products are counterfeit

1427
00:44:58,630 --> 00:44:57,520
um there's very little action from

1428
00:45:00,790 --> 00:44:58,640
amazon about that i mean

1429
00:45:02,950 --> 00:45:00,800
we all shopped at amazon we've all

1430
00:45:05,190 --> 00:45:02,960
gotten products that don't look right

1431
00:45:06,710 --> 00:45:05,200
uh counterfeiting is a huge issue that's

1432
00:45:08,790 --> 00:45:06,720
one of the things that congress has held

1433
00:45:10,309 --> 00:45:08,800
hearings about but it needs major action

1434
00:45:12,069 --> 00:45:10,319
because at this point american retail is

1435
00:45:12,790 --> 00:45:12,079
being white catholics replacing it is

1436
00:45:15,910 --> 00:45:12,800
basically

1437
00:45:17,190 --> 00:45:15,920
a front page for alibaba yeah well it's

1438
00:45:19,430 --> 00:45:17,200

that and it's also

1439

00:45:20,550 --> 00:45:19,440

amazon making products itself now so it

1440

00:45:22,309 --> 00:45:20,560

sees all the data

1441

00:45:24,069 --> 00:45:22,319

it knows what's making money and what's

1442

00:45:26,790 --> 00:45:24,079

not so it goes into those

1443

00:45:28,390 --> 00:45:26,800

you know it knocks off products that are

1444

00:45:29,910 --> 00:45:28,400

doing well on its site and puts them

1445

00:45:31,990 --> 00:45:29,920

under the amazon brand probably makes

1446

00:45:34,870 --> 00:45:32,000

them in china

1447

00:45:35,270 --> 00:45:34,880

that's pretty anti-competitive yes and

1448

00:45:37,030 --> 00:45:35,280

then

1449

00:45:39,270 --> 00:45:37,040

the last thing i said by amazon is the

1450

00:45:41,670 --> 00:45:39,280

banning of books talk about censorship

1451

00:45:43,109 --> 00:45:41,680

i mean there's a i'm aware of a few

1452

00:45:45,430 --> 00:45:43,119

books that have been

1453

00:45:46,390 --> 00:45:45,440

banned from amazon and it's absolutely

1454

00:45:48,230 --> 00:45:46,400

for absurd

1455

00:45:50,790 --> 00:45:48,240

reasons that they're politically correct

1456

00:45:52,390 --> 00:45:50,800

reasons and when you actually buy an

1457

00:45:52,950 --> 00:45:52,400

ebook from amazon you put it on your

1458

00:45:54,230 --> 00:45:52,960

kindle

1459

00:45:55,990 --> 00:45:54,240

and this is an incredible form of

1460

00:45:57,829 --> 00:45:56,000

censorship amazon can decide to

1461

00:45:58,390 --> 00:45:57,839

retroactively remove the book from your

1462

00:45:59,670 --> 00:45:58,400

kindle

1463

00:46:02,309 --> 00:45:59,680

which means you don't actually own the

1464

00:46:03,670 --> 00:46:02,319

books you buy yeah

1465

00:46:05,190 --> 00:46:03,680

uh all right well i probably need to let

1466

00:46:06,630 --> 00:46:05,200

you go but but there was a quote i do

1467

00:46:08,230 --> 00:46:06,640

have to ask you about that was in your

1468

00:46:10,870 --> 00:46:08,240

your article about this hunter biden

1469

00:46:12,710 --> 00:46:10,880

thing and i never read this quote and

1470

00:46:14,390 --> 00:46:12,720

i want you to give it some context for

1471

00:46:17,270 --> 00:46:14,400

me this quote from putin

1472

00:46:18,309 --> 00:46:17,280

about the democratic party this is this

1473

00:46:19,190 --> 00:46:18,319

is a real quote do you know what i'm

1474

00:46:20,150 --> 00:46:19,200

talking i'm going to read it but you

1475

00:46:22,309 --> 00:46:20,160

know

1476

00:46:24,390 --> 00:46:22,319

okay so it says the democratic party in

1477

00:46:24,950 --> 00:46:24,400

america is traditionally closer to the

1478

00:46:27,349 --> 00:46:24,960

so-called

1479

00:46:28,790 --> 00:46:27,359

liberal values closer to social

1480

00:46:31,190 --> 00:46:28,800

democratic ideas

1481

00:46:32,710 --> 00:46:31,200

and it was from the social democratic

1482

00:46:35,829 --> 00:46:32,720

environment

1483

00:46:38,550 --> 00:46:35,839

that the communist party evolved

1484

00:46:40,790 --> 00:46:38,560

uh this can be seen as an ideological

1485

00:46:43,349 --> 00:46:40,800

basis for developing contacts with the

1486

00:46:45,109 --> 00:46:43,359

democratic representative

1487

00:46:46,790 --> 00:46:45,119

so what was the context in which he made

1488

00:46:48,390 --> 00:46:46,800

this these comments and

1489

00:46:49,910 --> 00:46:48,400

what do you make of it so he was doing

1490

00:46:51,510 --> 00:46:49,920

an interview with a domestic outlet in

1491

00:46:53,270 --> 00:46:51,520

domestic outlets from russia or

1492

00:46:55,270 --> 00:46:53,280

straight-up regime propaganda

1493

00:46:56,950 --> 00:46:55,280

and it's pretty clear that contrary to

1494

00:46:58,710 --> 00:46:56,960

what the media in this country is saying

1495

00:47:00,630 --> 00:46:58,720

putin is actually seemingly preparing

1496

00:47:03,270 --> 00:47:00,640

for a blind victory and preparing to

1497

00:47:03,910 --> 00:47:03,280

um make some sort of uh arrangement with

1498

00:47:06,390 --> 00:47:03,920

pai

1499

00:47:07,670 --> 00:47:06,400

and notably actually uh when it came to

1500

00:47:09,430 --> 00:47:07,680

the star treaty

1501
00:47:11,030 --> 00:47:09,440
uh the trump administration was holding

1502
00:47:13,030 --> 00:47:11,040
out for a one-year extension with an

1503
00:47:14,630 --> 00:47:13,040
end to russian nuclear development well

1504
00:47:15,750 --> 00:47:14,640
biden was prepared to give them a

1505
00:47:18,870 --> 00:47:15,760
five-year extension

1506
00:47:20,390 --> 00:47:18,880
with no preconditions whatsoever

1507
00:47:21,829 --> 00:47:20,400
so uh as far as the russians are

1508
00:47:22,470 --> 00:47:21,839
concerned buy would be a pretty good

1509
00:47:24,069 --> 00:47:22,480
deal

1510
00:47:25,670 --> 00:47:24,079
thank you again to daniel greenfield for

1511
00:47:27,510 --> 00:47:25,680
his great reporting on this you can go

1512
00:47:29,109 --> 00:47:27,520
to his personal website you can also go

1513
00:47:31,829 --> 00:47:29,119

to the front page to see his

1514

00:47:33,990 --> 00:47:31,839

work also if you're watching the debate

1515

00:47:36,630 --> 00:47:34,000

tonight we hope that this gives you good

1516

00:47:38,230 --> 00:47:36,640

background information to see if this is

1517

00:47:39,910 --> 00:47:38,240

addressed in the debate hopefully the

1518

00:47:42,230 --> 00:47:39,920

moderator is going to be

1519

00:47:43,990 --> 00:47:42,240

bringing this issue up and now you've

1520

00:47:44,790 --> 00:47:44,000

got great background information to

1521

00:47:46,230 --> 00:47:44,800

assess

1522

00:47:47,990 --> 00:47:46,240

what the candidates have to say about

1523

00:47:49,910 --> 00:47:48,000

this thank you to our producer michael

1524

00:47:51,190 --> 00:47:49,920

parker thank you to our intern jake wall

1525

00:47:52,790 --> 00:47:51,200
