

HIDDEN TRUTH SHOW WITH JIM BRESLO

LT. GENERAL ROBERT "ROD" BISHOP

1
00:00:00,000 --> 00:00:05,430

[Music]

2
00:00:10,470 --> 00:00:07,030

when did you first become

3
00:00:12,070 --> 00:00:10,480

knowledgeable of this well jim i first

4
00:00:15,270 --> 00:00:12,080

became knowledgeable

5
00:00:16,550 --> 00:00:15,280

in august of this year um we were

6
00:00:18,550 --> 00:00:16,560

talking earlier about vail and

7
00:00:19,429 --> 00:00:18,560

breckenridge i have a lodge or a little

8
00:00:23,670 --> 00:00:19,439

cabin up there

9
00:00:26,870 --> 00:00:23,680

and my friend the uncle of jp

10
00:00:28,470 --> 00:00:26,880

uh has a weekly timeshare a month a

11
00:00:29,910 --> 00:00:28,480

yearly timeshare up there

12
00:00:31,830 --> 00:00:29,920

i said well why don't you and mary come

13
00:00:33,110 --> 00:00:31,840

over you know it's cold area we can

14

00:00:36,790 --> 00:00:33,120

social

15

00:00:37,750 --> 00:00:36,800

uh distance on my deck uh we had a glass

16

00:00:41,270 --> 00:00:37,760

of wine

17

00:00:44,630 --> 00:00:41,280

something to tell you

18

00:00:48,310 --> 00:00:44,640

and he told me the story of his nephew

19

00:00:51,270 --> 00:00:48,320

jp having this computer shop

20

00:00:52,549 --> 00:00:51,280

in delaware and a man he thought was

21

00:00:55,590 --> 00:00:52,559

hunter biden

22

00:00:57,910 --> 00:00:55,600

came in dropped off three laptops and

23

00:00:59,990 --> 00:00:57,920

that's probably enough for starters i

24

00:01:01,670 --> 00:01:00,000

i'll go from there whatever questions

25

00:01:02,389 --> 00:01:01,680

you want to ask me about your interview

26

00:01:04,630 --> 00:01:02,399

with

27

00:01:05,670 --> 00:01:04,640

david greenfield i mean he's pretty

28

00:01:07,590 --> 00:01:05,680

pretty well

29

00:01:08,789 --> 00:01:07,600

has the the facts down straight as i

30

00:01:10,870 --> 00:01:08,799

know him

31

00:01:12,230 --> 00:01:10,880

yeah a couple clean up items to kind of

32

00:01:12,550 --> 00:01:12,240

go through that and then get back to

33

00:01:18,390 --> 00:01:12,560

your

34

00:01:19,910 --> 00:01:18,400

well this was according to jp's

35

00:01:21,190 --> 00:01:19,920

interview that i was just watching with

36

00:01:22,630 --> 00:01:21,200

these three reporters

37

00:01:24,310 --> 00:01:22,640

uh so there were three laptops

38

00:01:27,910 --> 00:01:24,320

apparently that were brought in

39

00:01:31,190 --> 00:01:27,920

um all with some form of liquid damage

40

00:01:32,630 --> 00:01:31,200

and but jp only accepted one of them one

41

00:01:33,749 --> 00:01:32,640

of them he said was beyond repair he

42

00:01:35,990 --> 00:01:33,759

didn't even bother to take it in the

43

00:01:38,069 --> 00:01:36,000

other simply needed a new keyboard

44

00:01:39,990 --> 00:01:38,079

um and i'm not sure how that was handled

45

00:01:42,469 --> 00:01:40,000

but i don't think he kept that one

46

00:01:43,109 --> 00:01:42,479

and then he only kept the third laptop

47

00:01:46,149 --> 00:01:43,119

is that your

48

00:01:48,630 --> 00:01:46,159

understanding i never got down to the

49

00:01:50,870 --> 00:01:48,640

numbers of laptops jim what i what i

50

00:01:53,510 --> 00:01:50,880

know now is just based what i've

51
00:01:55,830 --> 00:01:53,520
read and the interviews i've watched so

52
00:01:59,510 --> 00:01:55,840
uh when i was told the story

53
00:02:02,789 --> 00:01:59,520
there was only one laptop one hard drive

54
00:02:04,149 --> 00:02:02,799
and i read your original post which i

55
00:02:06,550 --> 00:02:04,159
think what what

56
00:02:07,990 --> 00:02:06,560
got our attention uh where you you

57
00:02:10,279 --> 00:02:08,000
posted an extensive piece

58
00:02:11,670 --> 00:02:10,289
uh on facebook about it and

59
00:02:13,430 --> 00:02:11,680
[Music]

60
00:02:15,270 --> 00:02:13,440
it seemed to me that you were kind of

61
00:02:17,030 --> 00:02:15,280
alluding to thinking that hunter may

62
00:02:18,630 --> 00:02:17,040
have intentionally

63
00:02:20,470 --> 00:02:18,640

dropped these laptops off with the

64

00:02:23,910 --> 00:02:20,480

intention of never picking them up

65

00:02:27,270 --> 00:02:23,920

is that is that a theory that you have

66

00:02:29,110 --> 00:02:27,280

i've read that um in an article but i

67

00:02:32,550 --> 00:02:29,120

personally didn't have that

68

00:02:34,390 --> 00:02:32,560

uh that that sense of hey i'm just

69

00:02:37,750 --> 00:02:34,400

dropping these off here i mean if

70

00:02:40,070 --> 00:02:37,760

to me if i wanted to destroy laptops or

71

00:02:41,910 --> 00:02:40,080

the article i've read uh kind of

72

00:02:44,390 --> 00:02:41,920

inferred that you know he was hoping to

73

00:02:47,030 --> 00:02:44,400

ensure that they were beyond recovery

74

00:02:48,790 --> 00:02:47,040

i i don't know that would be speculation

75

00:02:51,990 --> 00:02:48,800

yeah that seemed like

76

00:02:54,390 --> 00:02:52,000

a little bit of a strained theory to me

77

00:02:56,869 --> 00:02:54,400

that he had intentionally tried to

78

00:02:57,830 --> 00:02:56,879

destroy these laptops by creating water

79

00:03:00,790 --> 00:02:57,840

damage

80

00:03:02,149 --> 00:03:00,800

and then dropped them off at a computer

81

00:03:05,270 --> 00:03:02,159

store that would essentially

82

00:03:06,550 --> 00:03:05,280

confirm that yeah

83

00:03:08,710 --> 00:03:06,560

to me that seemed a little bit of a

84

00:03:10,710 --> 00:03:08,720

stretch as well that was not anything i

85

00:03:13,910 --> 00:03:10,720

was told jim

86

00:03:15,509 --> 00:03:13,920

um so

87

00:03:17,430 --> 00:03:15,519

yeah and by the way what what i think

88

00:03:17,990 --> 00:03:17,440

would defeat that if if two of the three

89

00:03:20,229 --> 00:03:18,000

were returned

90

00:03:21,830 --> 00:03:20,239

to him then then the idea that his whole

91

00:03:23,509 --> 00:03:21,840

plan was just to drop them off and leave

92

00:03:26,869 --> 00:03:23,519

him there doesn't sound

93

00:03:28,229 --> 00:03:26,879

correct it is obviously odd that he had

94

00:03:30,470 --> 00:03:28,239

in his possession

95

00:03:32,070 --> 00:03:30,480

three laptops which means that certainly

96

00:03:33,589 --> 00:03:32,080

he has more than three uh

97

00:03:35,350 --> 00:03:33,599

he's dropping off those three i'm sure

98

00:03:35,910 --> 00:03:35,360

he's got at least another one that he's

99

00:03:37,350 --> 00:03:35,920

working on

100

00:03:39,750 --> 00:03:37,360

and that he would have all of them with

101
00:03:41,350 --> 00:03:39,760
him in delaware

102
00:03:43,830 --> 00:03:41,360
considering that it's my understanding

103
00:03:45,910 --> 00:03:43,840
that hunter biden lives in los angeles

104
00:03:47,830 --> 00:03:45,920
that's what i've read as well but again

105
00:03:50,550 --> 00:03:47,840
that was not part of any of the story

106
00:03:51,910 --> 00:03:50,560
the story was fairly short and simple

107
00:03:54,710 --> 00:03:51,920
dropped them off

108
00:03:56,710 --> 00:03:54,720
tried to give them to the fbi and we can

109
00:03:59,190 --> 00:03:56,720
go into more detail there because

110
00:04:00,070 --> 00:03:59,200
what i was told two months ago has been

111
00:04:01,910 --> 00:04:00,080
corroborated

112
00:04:03,750 --> 00:04:01,920
in stories i've read since then you know

113
00:04:05,429 --> 00:04:03,760

the dad tried to get involved

114

00:04:07,429 --> 00:04:05,439

in albuquerque i want to say

115

00:04:10,550 --> 00:04:07,439

september-ish

116

00:04:12,309 --> 00:04:10,560

after the 90-day period plus with many

117

00:04:17,590 --> 00:04:12,319

attempts to try to give those

118

00:04:22,310 --> 00:04:20,550

and and i think the dad got involved

119

00:04:24,710 --> 00:04:22,320

again from what i was told

120

00:04:26,710 --> 00:04:24,720

that said hey you know we're i'm a

121

00:04:28,390 --> 00:04:26,720

retired air force colonel

122

00:04:30,150 --> 00:04:28,400

uh you know this isn't just some

123

00:04:30,870 --> 00:04:30,160

fly-by-night people that you're dealing

124

00:04:32,629 --> 00:04:30,880

with

125

00:04:34,469 --> 00:04:32,639

we're serious about this and we're

126

00:04:36,790 --> 00:04:34,479

concerned

127

00:04:38,070 --> 00:04:36,800

yeah by the way one thing i learned in a

128

00:04:40,310 --> 00:04:38,080

little bit of research is that

129

00:04:43,270 --> 00:04:40,320

apparently there's a one-year law

130

00:04:45,030 --> 00:04:43,280

in delaware so if you've got no contract

131

00:04:48,070 --> 00:04:45,040

and you leave something for over a year

132

00:04:50,629 --> 00:04:48,080

then uh the repair shop uh

133

00:04:51,830 --> 00:04:50,639

now owns it and has no responsibility to

134

00:04:55,350 --> 00:04:51,840

return it

135

00:04:56,629 --> 00:04:55,360

but apparently hunter signed an

136

00:04:57,270 --> 00:04:56,639

agreement when he turned when he brought

137

00:04:59,670 --> 00:04:57,280

these in

138

00:05:01,510 --> 00:04:59,680

where it was a 90 day so he had his own

139

00:05:03,670 --> 00:05:01,520

contract that says 90 days whereas the

140

00:05:05,110 --> 00:05:03,680

the state is one year and presumably the

141

00:05:06,790 --> 00:05:05,120

the contract was fixed a lot of people

142

00:05:08,469 --> 00:05:06,800

questioned okay that applies to the

143

00:05:10,710 --> 00:05:08,479

hardware

144

00:05:13,590 --> 00:05:10,720

does that apply to copywritten materials

145

00:05:15,270 --> 00:05:13,600

such as videos that he took

146

00:05:16,870 --> 00:05:15,280

does the possession of those also

147

00:05:18,790 --> 00:05:16,880

transfer so that's an interesting legal

148

00:05:22,070 --> 00:05:18,800

question that may or may not come up

149

00:05:25,110 --> 00:05:22,080

later yeah i would say

150

00:05:27,270 --> 00:05:25,120

it would be interesting but the

151
00:05:29,029 --> 00:05:27,280
the more interesting legal question to

152
00:05:32,230 --> 00:05:29,039
me is i i was sent

153
00:05:36,469 --> 00:05:32,240
some emails in august

154
00:05:39,590 --> 00:05:36,479
not any of the ones like

155
00:05:41,189 --> 00:05:39,600
we've seen come out now which at least

156
00:05:44,710 --> 00:05:41,199
the way i read them

157
00:05:46,790 --> 00:05:44,720
uh seemed to definitely confirm that

158
00:05:48,629 --> 00:05:46,800
uh hunter biden set up a meeting with

159
00:05:51,749 --> 00:05:48,639
his dad with

160
00:05:51,990 --> 00:05:51,759
number two and charisma so so getting

161
00:05:53,990 --> 00:05:52,000
back

162
00:05:55,350 --> 00:05:54,000
to your story so you're saying as early

163
00:06:00,070 --> 00:05:55,360

as august of

164

00:06:03,110 --> 00:06:00,080

of um this year august of this year

165

00:06:05,029 --> 00:06:03,120

you had seen what is

166

00:06:07,189 --> 00:06:05,039

perhaps the most important email that

167

00:06:10,070 --> 00:06:07,199

the rest of us have seen so far

168

00:06:11,189 --> 00:06:10,080

which is the email uh from the bureau

169

00:06:13,830 --> 00:06:11,199

representative

170

00:06:15,029 --> 00:06:13,840

confirming that there had been a meeting

171

00:06:17,510 --> 00:06:15,039

with joe biden

172

00:06:18,070 --> 00:06:17,520

i did not see that email jim my point

173

00:06:20,629 --> 00:06:18,080

was

174

00:06:21,830 --> 00:06:20,639

i saw a couple of emails that seemed to

175

00:06:23,909 --> 00:06:21,840

indicate that

176
00:06:26,070 --> 00:06:23,919
hunter was well and we already knew this

177
00:06:28,790 --> 00:06:26,080
that hunter was working with

178
00:06:30,469 --> 00:06:28,800
charisma and i looked at oh that's

179
00:06:31,909 --> 00:06:30,479
pretty innocuous i wonder what else is

180
00:06:34,950 --> 00:06:31,919
on the hard drive

181
00:06:38,230 --> 00:06:34,960
and that's about as far as it went

182
00:06:40,469 --> 00:06:38,240
beyond my friend the uncle's

183
00:06:41,909 --> 00:06:40,479
story to me is rod i've tried to get i

184
00:06:45,270 --> 00:06:41,919
mean the family

185
00:06:49,029 --> 00:06:45,280
from what ron told me

186
00:06:51,510 --> 00:06:49,039
and from what i've read

187
00:06:52,150 --> 00:06:51,520
you know they're just super patriots i

188
00:06:54,390 --> 00:06:52,160

mean

189

00:06:56,870 --> 00:06:54,400

that they could have probably sold this

190

00:06:59,350 --> 00:06:56,880

for a lot of money didn't

191

00:07:01,430 --> 00:06:59,360

uh they tried to take it to the fbi a

192

00:07:04,469 --> 00:07:01,440

number of times

193

00:07:07,749 --> 00:07:04,479

um and then ron tells me and

194

00:07:10,390 --> 00:07:07,759

when we watch an impeachment trial go by

195

00:07:12,230 --> 00:07:10,400

and there are exculpatory emails on that

196

00:07:12,629 --> 00:07:12,240

hard drive and none of those are brought

197

00:07:16,309 --> 00:07:12,639

into

198

00:07:18,469 --> 00:07:16,319

evidence that's when they said okay

199

00:07:19,510 --> 00:07:18,479

something's wrong something's wrong in

200

00:07:22,309 --> 00:07:19,520

denmark

201
00:07:24,150 --> 00:07:22,319
we've got to try to get the word out so

202
00:07:26,550 --> 00:07:24,160
again i don't know how closely

203
00:07:27,510 --> 00:07:26,560
you've read my facebook post but you'll

204
00:07:30,550 --> 00:07:27,520
see that

205
00:07:32,309 --> 00:07:30,560
he sent either an email and the way he

206
00:07:33,670 --> 00:07:32,319
summarized the email to me i've never

207
00:07:36,230 --> 00:07:33,680
seen it but the way he said

208
00:07:37,589 --> 00:07:36,240
summarize the email to me is i sent it

209
00:07:41,589 --> 00:07:37,599
to brett bear

210
00:07:44,550 --> 00:07:41,599
sarah carter john sullivan um

211
00:07:47,029 --> 00:07:44,560
sheryl atkinson maybe some others and it

212
00:07:49,670 --> 00:07:47,039
was i have access to some

213
00:07:52,230 --> 00:07:49,680

salacious emails that you would be

214

00:07:54,629 --> 00:07:52,240

interested in from hunter biden's left

215

00:07:56,230 --> 00:07:54,639

and sorry who sent that email and when

216

00:07:58,950 --> 00:07:56,240

was that sent

217

00:08:00,710 --> 00:07:58,960

that was sent i i know a number of them

218

00:08:02,070 --> 00:08:00,720

were sent in march

219

00:08:03,749 --> 00:08:02,080

and i know there are a number of

220

00:08:05,589 --> 00:08:03,759

follow-ups because again if you look at

221

00:08:08,950 --> 00:08:05,599

my facebook post

222

00:08:11,670 --> 00:08:08,960

cheryl atkinson uh and i go back and

223

00:08:14,070 --> 00:08:11,680

forth and ron jumps in there as well

224

00:08:15,909 --> 00:08:14,080

because she was taking some heat

225

00:08:17,510 --> 00:08:15,919

and some hate i guess on twitter and i

226

00:08:20,150 --> 00:08:17,520

don't even do twitter so

227

00:08:21,990 --> 00:08:20,160

it wasn't me that posted it out there

228

00:08:22,790 --> 00:08:22,000

but i know sheryl atkinson and i know

229

00:08:24,629 --> 00:08:22,800

her

230

00:08:25,990 --> 00:08:24,639

yeah i spent a better part of the day

231

00:08:30,790 --> 00:08:26,000

with her who is cheryl

232

00:08:35,269 --> 00:08:30,800

atkinson so cheryl atkinson was a former

233

00:08:36,550 --> 00:08:35,279

cbs reporter she's a personal hero of

234

00:08:40,310 --> 00:08:36,560

mine

235

00:08:41,829 --> 00:08:40,320

because i flew her a number of other

236

00:08:43,509 --> 00:08:41,839

media jim i can't tell you

237

00:08:45,030 --> 00:08:43,519

begin to tell you how many media were on

238

00:08:48,070 --> 00:08:45,040

this flight but

239

00:08:50,470 --> 00:08:48,080

uh hillary clinton uh chelsea clinton on

240

00:08:53,509 --> 00:08:50,480

chelsea spring break

241

00:08:55,030 --> 00:08:53,519

simbad cheryl crowe who are part of the

242

00:08:58,310 --> 00:08:55,040

uso tour

243

00:09:01,509 --> 00:08:58,320

we flew them into from ramstein

244

00:09:05,350 --> 00:09:01,519

into skopje macedonia and then they were

245

00:09:07,910 --> 00:09:05,360

helicoptered into an army post in bosnia

246

00:09:09,750 --> 00:09:07,920

hillary made claim that you may remember

247

00:09:13,829 --> 00:09:09,760

from the last

248

00:09:17,110 --> 00:09:13,839

uh election uh that you know trying to

249

00:09:17,990 --> 00:09:17,120

i guess have uh who's that nbc news

250

00:09:20,870 --> 00:09:18,000

reporter

251
00:09:22,550 --> 00:09:20,880
that brian williams yeah trying to have

252
00:09:25,590 --> 00:09:22,560
a brian williams moment that

253
00:09:28,150 --> 00:09:25,600
we were fired on on landing and

254
00:09:29,430 --> 00:09:28,160
uh the receiving line that i was

255
00:09:32,389 --> 00:09:29,440
supposed to

256
00:09:34,550 --> 00:09:32,399
uh go to was cancelled and i'm thinking

257
00:09:36,389 --> 00:09:34,560
gee i think she only went to bosnia once

258
00:09:37,670 --> 00:09:36,399
and i was on that flight and i remember

259
00:09:39,350 --> 00:09:37,680
being fired on

260
00:09:41,190 --> 00:09:39,360
i think i escorted her over to that

261
00:09:43,190 --> 00:09:41,200
receiving one

262
00:09:45,350 --> 00:09:43,200
so cheryl atkinson wrote the story on

263
00:09:49,430 --> 00:09:45,360

cbs and told the truth and

264

00:09:51,350 --> 00:09:49,440

so then she left cbs shortly thereafter

265

00:09:54,230 --> 00:09:51,360

were you one of the ones that came out

266

00:09:57,269 --> 00:09:54,240

and debunked the story at the time

267

00:09:59,269 --> 00:09:57,279

well um let's see when it came out

268

00:10:00,710 --> 00:09:59,279

the first time i believe i was still in

269

00:10:03,110 --> 00:10:00,720

uniform and

270

00:10:04,069 --> 00:10:03,120

once sheryl atkinson debunked it on cbs

271

00:10:05,990 --> 00:10:04,079

i said please there's

272

00:10:07,350 --> 00:10:06,000

i mean i certainly debunked it with a

273

00:10:09,829 --> 00:10:07,360

number of friends

274

00:10:11,670 --> 00:10:09,839

and people that i was speaking with um

275

00:10:14,710 --> 00:10:11,680

but i didn't go public

276

00:10:18,870 --> 00:10:16,550

okay so back to your communicating with

277

00:10:20,230 --> 00:10:18,880

cheryl atkinson about

278

00:10:22,870 --> 00:10:20,240

the the story now by the way you

279

00:10:25,990 --> 00:10:22,880

mentioned march

280

00:10:28,710 --> 00:10:26,000

right march of this year okay but

281

00:10:30,389 --> 00:10:28,720

so he who was involved i'm sorry sorry

282

00:10:31,030 --> 00:10:30,399

that that wasn't you involved in march

283

00:10:32,389 --> 00:10:31,040

then

284

00:10:34,150 --> 00:10:32,399

no it was wrong because i didn't know

285

00:10:37,590 --> 00:10:34,160

anything about this until august

286

00:10:40,470 --> 00:10:37,600

okay it was ron and ron is the uncle

287

00:10:41,509 --> 00:10:40,480

uncle correct okay how long had ron

288

00:10:43,269 --> 00:10:41,519

known about it from the beginning

289

00:10:46,389 --> 00:10:43,279

essentially

290

00:10:48,150 --> 00:10:46,399

um he i want to say december i don't

291

00:10:51,910 --> 00:10:48,160

think he ever told me a specific

292

00:10:53,190 --> 00:10:51,920

month but i know he's been to delaware

293

00:10:56,550 --> 00:10:53,200

and saw the laptop

294

00:10:58,310 --> 00:10:56,560

so so so in march of this year they were

295

00:11:00,870 --> 00:10:58,320

trying to get the media

296

00:11:01,670 --> 00:11:00,880

the media's attention to cover this

297

00:11:04,790 --> 00:11:01,680

because

298

00:11:07,430 --> 00:11:04,800

the uh impeachment hearing was still

299

00:11:08,710 --> 00:11:07,440

going on the peaceman i believe was done

300

00:11:11,110 --> 00:11:08,720

by march

301
00:11:12,230 --> 00:11:11,120
but i think they were concerned because

302
00:11:16,470 --> 00:11:12,240
none of this

303
00:11:17,829 --> 00:11:16,480
came up as evidence um so my question

304
00:11:19,269 --> 00:11:17,839
i mean this is the thing that i

305
00:11:21,430 --> 00:11:19,279
scratched my head on not that i'm a

306
00:11:22,710 --> 00:11:21,440
conspiracy theorist but they also about

307
00:11:25,670 --> 00:11:22,720
this time

308
00:11:26,710 --> 00:11:25,680
from my knowledge of what i've been told

309
00:11:29,269 --> 00:11:26,720
and what i've read

310
00:11:31,910 --> 00:11:29,279
is they got rudy giuliani and rudy

311
00:11:35,829 --> 00:11:31,920
giuliani's lawyer involved

312
00:11:37,670 --> 00:11:35,839
so why in the world um

313
00:11:39,350 --> 00:11:37,680

if i you know i don't know the exact

314

00:11:41,269 --> 00:11:39,360

timing of

315

00:11:43,030 --> 00:11:41,279

did they give it to rudy after the

316

00:11:45,350 --> 00:11:43,040

impeachment or before i would hope that

317

00:11:47,509 --> 00:11:45,360

if they gave the president's lawyer

318

00:11:49,990 --> 00:11:47,519

that information before that that

319

00:11:53,430 --> 00:11:50,000

information would have been part of

320

00:11:55,269 --> 00:11:53,440

the uh the impeachment trial

321

00:11:57,269 --> 00:11:55,279

i have in my notes but i'm not sure

322

00:12:00,069 --> 00:11:57,279

where i got it from

323

00:12:01,750 --> 00:12:00,079

that they gave it to giuliani in

324

00:12:04,470 --> 00:12:01,760

december

325

00:12:05,750 --> 00:12:04,480

yeah so that makes you wonder doesn't it

326

00:12:07,910 --> 00:12:05,760

makes me wonder

327

00:12:09,670 --> 00:12:07,920

and so when when ron was telling me the

328

00:12:11,269 --> 00:12:09,680

story of the media he had tried to get

329

00:12:12,790 --> 00:12:11,279

it out

330

00:12:14,790 --> 00:12:12,800

that he had sent letters to to try to

331

00:12:16,550 --> 00:12:14,800

get the story out

332

00:12:17,670 --> 00:12:16,560

i said to him well you know i was

333

00:12:19,269 --> 00:12:17,680

thinking in the back of my mind well i

334

00:12:20,710 --> 00:12:19,279

wish you had told me cheryl atkinson

335

00:12:23,269 --> 00:12:20,720

because i know her maybe

336

00:12:25,350 --> 00:12:23,279

i could reach to her and tell her

337

00:12:28,310 --> 00:12:25,360

reminder of the story of

338

00:12:30,150 --> 00:12:28,320

our our flight into macedonia we say

339

00:12:31,750 --> 00:12:30,160

bosnia but is actually right right next

340

00:12:34,870 --> 00:12:31,760

to macedonia together

341

00:12:36,949 --> 00:12:34,880

she's still with cbs no she had to leave

342

00:12:39,509 --> 00:12:36,959

cbs from what i know jim

343

00:12:40,790 --> 00:12:39,519

because when i read some of the other

344

00:12:42,949 --> 00:12:40,800

posts

345

00:12:44,470 --> 00:12:42,959

below mine and below mine and cheryl's

346

00:12:44,949 --> 00:12:44,480

exchange you know people are going back

347

00:12:46,470 --> 00:12:44,959

saying

348

00:12:48,949 --> 00:12:46,480

surely you should have sent a private

349

00:12:50,870 --> 00:12:48,959

message instead of public

350

00:12:52,550 --> 00:12:50,880

um but it was interesting just as an

351
00:12:54,629 --> 00:12:52,560
aside

352
00:12:56,710 --> 00:12:54,639
every time i pull up that facebook post

353
00:12:59,430 --> 00:12:56,720
sheryl atkinson's

354
00:13:01,110 --> 00:12:59,440
an initial post to me was under the

355
00:13:02,230 --> 00:13:01,120
picture and that's rod you're posting

356
00:13:05,990 --> 00:13:02,240
salacious or

357
00:13:09,829 --> 00:13:06,000
false information interesting

358
00:13:11,430 --> 00:13:09,839
yeah but anyway uh one of the posts in

359
00:13:12,230 --> 00:13:11,440
that said you know cheryl's life was

360
00:13:14,230 --> 00:13:12,240
threatened

361
00:13:15,670 --> 00:13:14,240
when she left cvs so i can understand

362
00:13:16,790 --> 00:13:15,680
her concern and if you read the rest of

363
00:13:18,870 --> 00:13:16,800

the post i mean

364

00:13:20,230 --> 00:13:18,880

she's satisfied with both ron's and my

365

00:13:21,829 --> 00:13:20,240

answer

366

00:13:23,910 --> 00:13:21,839

as to how we described it because

367

00:13:24,790 --> 00:13:23,920

there's nothing untrue of what i wrote i

368

00:13:26,550 --> 00:13:24,800

was told that

369

00:13:29,430 --> 00:13:26,560

my friend reached out to cheryl he

370

00:13:31,350 --> 00:13:29,440

didn't get any answers that's all i knew

371

00:13:33,030 --> 00:13:31,360

so and let's just be clear as to what

372

00:13:35,350 --> 00:13:33,040

the connection is between

373

00:13:36,710 --> 00:13:35,360

what's on the laptop and impeachment let

374

00:13:38,790 --> 00:13:36,720

me make sure i

375

00:13:41,110 --> 00:13:38,800

have this right that basically one of

376

00:13:44,550 --> 00:13:41,120

the grounds for impeachment

377

00:13:47,430 --> 00:13:44,560

involved trump asking

378

00:13:49,509 --> 00:13:47,440

the ukrainian president to open an

379

00:13:51,750 --> 00:13:49,519

investigation and announce it

380

00:13:54,310 --> 00:13:51,760

into joe biden's in his son's

381

00:13:57,430 --> 00:13:54,320

involvement in verism et cetera

382

00:13:59,430 --> 00:13:57,440

um am i right so far that's the

383

00:14:00,790 --> 00:13:59,440

that's certainly the way i took it jim

384

00:14:03,910 --> 00:14:00,800

right and

385

00:14:07,750 --> 00:14:03,920

yet here on the laptop it appears that

386

00:14:09,590 --> 00:14:07,760

well trump had good reason to be asking

387

00:14:11,189 --> 00:14:09,600

for such an investigation because as it

388

00:14:14,389 --> 00:14:11,199

turns out

389

00:14:16,470 --> 00:14:14,399

biden as vice president was meeting with

390

00:14:17,590 --> 00:14:16,480

officials of this company that was being

391

00:14:21,030 --> 00:14:17,600

accused

392

00:14:22,790 --> 00:14:21,040

of a lot of bad dealings broadly

393

00:14:25,750 --> 00:14:22,800

speaking was under investigation

394

00:14:26,870 --> 00:14:25,760

for corruption in ukraine who knows i

395

00:14:28,230 --> 00:14:26,880

don't even know what all that involves

396

00:14:29,990 --> 00:14:28,240

but whether the ball is paying off

397

00:14:33,910 --> 00:14:30,000

politicians etc

398

00:14:37,110 --> 00:14:33,920

they were under investigation in ukraine

399

00:14:40,550 --> 00:14:37,120

and subsequently biden

400

00:14:44,870 --> 00:14:40,560

actually got the prosecutor

401
00:14:47,509 --> 00:14:44,880
fired i guess on that investigation

402
00:14:48,230 --> 00:14:47,519
told that story yeah yeah he was proud

403
00:14:51,030 --> 00:14:48,240
that he

404
00:14:51,990 --> 00:14:51,040
got that there's some speculation as to

405
00:14:54,389 --> 00:14:52,000
well

406
00:14:55,670 --> 00:14:54,399
why was he trying to get it obviously

407
00:14:59,030 --> 00:14:55,680
you've got the self-interest

408
00:15:00,550 --> 00:14:59,040
of protecting uh burisma because of his

409
00:15:02,629 --> 00:15:00,560
son being there but you've got others

410
00:15:05,829 --> 00:15:02,639
saying that well actually

411
00:15:07,590 --> 00:15:05,839
that um investigator uh

412
00:15:09,110 --> 00:15:07,600
or that prosecutor was fired because he

413
00:15:10,389 --> 00:15:09,120

wasn't doing his job

414

00:15:12,230 --> 00:15:10,399

that he wasn't that there was other

415

00:15:13,269 --> 00:15:12,240

countries that wanted him fired also

416

00:15:14,870 --> 00:15:13,279

because

417

00:15:16,550 --> 00:15:14,880

he was almost potentially part of the

418

00:15:19,189 --> 00:15:16,560

corruption is it

419

00:15:20,949 --> 00:15:19,199

am i right about that so the way i break

420

00:15:24,150 --> 00:15:20,959

it so the way i break it down

421

00:15:25,910 --> 00:15:24,160

in my head jim is we impeach the

422

00:15:27,750 --> 00:15:25,920

president of the united states for

423

00:15:32,310 --> 00:15:27,760

asking a question

424

00:15:35,030 --> 00:15:32,320

about corruption and

425

00:15:37,030 --> 00:15:35,040

simultaneously that he held foreign

426

00:15:39,590 --> 00:15:37,040

military financing

427

00:15:41,110 --> 00:15:39,600

from the ukrainians for a period of what

428

00:15:42,870 --> 00:15:41,120

almost three months

429

00:15:45,269 --> 00:15:42,880

i can tell you as a former deputy

430

00:15:47,509 --> 00:15:45,279

commander at u.s other command

431

00:15:48,310 --> 00:15:47,519

foreign military financing is held up

432

00:15:54,790 --> 00:15:48,320

all

433

00:15:57,509 --> 00:15:54,800

so now we appears like

434

00:15:59,189 --> 00:15:57,519

the former vice president i say appears

435

00:16:00,870 --> 00:15:59,199

because i want the law enforcement

436

00:16:02,710 --> 00:16:00,880

agency and oh by the way the fourth

437

00:16:04,949 --> 00:16:02,720

element of our democracy

438

00:16:07,590 --> 00:16:04,959

to be doing their job and i should be

439

00:16:09,430 --> 00:16:07,600

investigating this where's the curiosity

440

00:16:12,470 --> 00:16:09,440

it appears like the former vice

441

00:16:15,749 --> 00:16:12,480

president of the united states

442

00:16:17,509 --> 00:16:15,759

did what worse than what the president

443

00:16:19,749 --> 00:16:17,519

was accused of

444

00:16:20,550 --> 00:16:19,759

he was actually appears i don't want to

445

00:16:22,949 --> 00:16:20,560

say

446

00:16:23,990 --> 00:16:22,959

it's because nothing's been proven yet

447

00:16:25,670 --> 00:16:24,000

but

448

00:16:29,110 --> 00:16:25,680

this laptop's been out there and in the

449

00:16:32,790 --> 00:16:29,120

fbi's hand since last december

450

00:16:36,230 --> 00:16:32,800

why the delay um why isn't there

451
00:16:37,749 --> 00:16:36,240
why hasn't there been an investigation

452
00:16:39,749 --> 00:16:37,759
yeah when i don't know enough about

453
00:16:41,509 --> 00:16:39,759
invest fbi investigations to know

454
00:16:42,949 --> 00:16:41,519
what a typical length of time would be

455
00:16:46,150 --> 00:16:42,959
on something like this but

456
00:16:46,790 --> 00:16:46,160
um what we've heard is that it appears

457
00:16:50,230 --> 00:16:46,800
that they're

458
00:16:53,749 --> 00:16:50,240
investigating money laundering that

459
00:16:56,870 --> 00:16:53,759
i think i think it was the receipt that

460
00:17:00,230 --> 00:16:56,880
uh jp received or

461
00:17:02,550 --> 00:17:00,240
some coding on an fbi document indicated

462
00:17:03,430 --> 00:17:02,560
coding for that this laptop is being

463
00:17:07,029 --> 00:17:03,440

taken

464

00:17:09,510 --> 00:17:07,039

for investigation into money laundering

465

00:17:10,309 --> 00:17:09,520

that's that's what i've heard as well

466

00:17:13,669 --> 00:17:10,319

but again

467

00:17:15,750 --> 00:17:13,679

when i read the emails for example

468

00:17:17,350 --> 00:17:15,760

and this is one again i did not have but

469

00:17:18,470 --> 00:17:17,360

now now that they've been out there and

470

00:17:20,549 --> 00:17:18,480

i read the

471

00:17:22,069 --> 00:17:20,559

email from the vice president of

472

00:17:24,630 --> 00:17:22,079

charisma to hunter

473

00:17:26,309 --> 00:17:24,640

i believe that was his position that

474

00:17:28,230 --> 00:17:26,319

says thanks for setting

475

00:17:31,029 --> 00:17:28,240

a meeting up with your dad at the very

476
00:17:32,070 --> 00:17:31,039
least you know that his dad wasn't being

477
00:17:33,669 --> 00:17:32,080
truthful to the american

478
00:17:35,190 --> 00:17:33,679
people when he said you know i never

479
00:17:36,950 --> 00:17:35,200
never had any contact or didn't know

480
00:17:38,630 --> 00:17:36,960
anything about my sons involved

481
00:17:40,150 --> 00:17:38,640
yeah i mean that's that's huge and i

482
00:17:42,070 --> 00:17:40,160
think that's one of the biggest pieces i

483
00:17:43,669 --> 00:17:42,080
think for purposes of people evaluating

484
00:17:46,390 --> 00:17:43,679
biden for the election

485
00:17:47,190 --> 00:17:46,400
um you know i did not have sex with that

486
00:17:48,789 --> 00:17:47,200
woman

487
00:17:50,950 --> 00:17:48,799
i did not have had sexual relations with

488
00:17:54,070 --> 00:17:50,960

that woman i mean look how much he

489

00:17:57,110 --> 00:17:54,080

clinton got for looking into the camera

490

00:18:01,190 --> 00:17:57,120

and telling that bald-faced lie

491

00:18:02,549 --> 00:18:01,200

but it was about sex you know

492

00:18:04,630 --> 00:18:02,559

still you don't lie to the american

493

00:18:05,750 --> 00:18:04,640

people not that certainly not that

494

00:18:07,430 --> 00:18:05,760

directly

495

00:18:09,110 --> 00:18:07,440

but at least clinton's got the excuse

496

00:18:10,150 --> 00:18:09,120

you know hey it's none of your business

497

00:18:13,190 --> 00:18:10,160

to begin with

498

00:18:16,630 --> 00:18:13,200

he could argue but here you've got biden

499

00:18:19,029 --> 00:18:16,640

looking in the camera and directly lying

500

00:18:20,470 --> 00:18:19,039

about having any involvement with his

501
00:18:22,870 --> 00:18:20,480
son's

502
00:18:24,310 --> 00:18:22,880
uh involvement with burisma and now

503
00:18:26,789 --> 00:18:24,320
here's the proof

504
00:18:28,310 --> 00:18:26,799
that in fact he met with burisma while

505
00:18:29,990 --> 00:18:28,320
he was vice president while they were

506
00:18:31,350 --> 00:18:30,000
under investigation while he was

507
00:18:34,150 --> 00:18:31,360
supposedly

508
00:18:36,390 --> 00:18:34,160
trying to get the prosecutor fired who

509
00:18:39,430 --> 00:18:36,400
was on the investigation

510
00:18:40,150 --> 00:18:39,440
and he was fired and he was fired and

511
00:18:41,669 --> 00:18:40,160
even if you take

512
00:18:43,430 --> 00:18:41,679
everything else out of this i think

513
00:18:45,510 --> 00:18:43,440

maybe you made this point in in your

514

00:18:47,830 --> 00:18:45,520

facebook post but

515

00:18:49,590 --> 00:18:47,840

biden should have recused himself from

516

00:18:51,190 --> 00:18:49,600

having any involvement

517

00:18:52,710 --> 00:18:51,200

in this issue of this prosecutor

518

00:18:53,510 --> 00:18:52,720

considering that his son was on the

519

00:18:55,750 --> 00:18:53,520

board

520

00:18:56,950 --> 00:18:55,760

of the entity the prosecutor was

521

00:18:59,669 --> 00:18:56,960

prosecuting

522

00:19:01,750 --> 00:18:59,679

right yeah you know it's interesting a

523

00:19:02,549 --> 00:19:01,760

facebook post popped up yesterday from a

524

00:19:06,710 --> 00:19:02,559

year ago

525

00:19:09,270 --> 00:19:06,720

ago was

526
00:19:10,230 --> 00:19:09,280
you know whether or not vice president

527
00:19:13,669 --> 00:19:10,240
former vice president

528
00:19:16,789 --> 00:19:13,679
biden was involved in charisma

529
00:19:18,630 --> 00:19:16,799
is interesting but you i mean it is

530
00:19:21,029 --> 00:19:18,640
it is interesting but you would think at

531
00:19:23,990 --> 00:19:21,039
least we would be asking the questions

532
00:19:25,190 --> 00:19:24,000
because the federal regulations tell us

533
00:19:28,710 --> 00:19:25,200
that you have to avoid

534
00:19:31,190 --> 00:19:28,720
even the appearance even the appearance

535
00:19:32,230 --> 00:19:31,200
of uh you know special interests trying

536
00:19:35,990 --> 00:19:32,240
to

537
00:19:38,150 --> 00:19:36,000
also think generally speaking as vice

538
00:19:41,990 --> 00:19:38,160

president of the united states

539

00:19:43,990 --> 00:19:42,000

you would ask your son to cool it

540

00:19:45,590 --> 00:19:44,000

you know i mean the burisma board thing

541

00:19:47,590 --> 00:19:45,600

is just one of the

542

00:19:48,950 --> 00:19:47,600

things that this kid was up to

543

00:19:49,590 --> 00:19:48,960

internationally i think one of the

544

00:19:51,110 --> 00:19:49,600

reasons they're

545

00:19:52,870 --> 00:19:51,120

the investigations money laundering is

546

00:19:54,390 --> 00:19:52,880

apparently one of the things he was

547

00:19:55,350 --> 00:19:54,400

doing is advising people and helping

548

00:19:56,789 --> 00:19:55,360

them get their money

549

00:19:58,789 --> 00:19:56,799

out of various countries that may have

550

00:20:01,990 --> 00:19:58,799

been the moscow wife

551
00:20:04,070 --> 00:20:02,000
sorry moscow mayor wife story

552
00:20:05,669 --> 00:20:04,080
where they're trying to get money out of

553
00:20:08,310 --> 00:20:05,679
various countries

554
00:20:10,149 --> 00:20:08,320
and hunter was helping them do that but

555
00:20:12,390 --> 00:20:10,159
this is kind of like my god i'm vice

556
00:20:14,710 --> 00:20:12,400
president of the united states

557
00:20:16,149 --> 00:20:14,720
keep an eye on your son and don't have

558
00:20:17,750 --> 00:20:16,159
him be doing this kind of stuff

559
00:20:19,430 --> 00:20:17,760
i mean maybe he can do it after your

560
00:20:20,710 --> 00:20:19,440
vice president but but not while you're

561
00:20:23,510 --> 00:20:20,720
vice president

562
00:20:25,590 --> 00:20:23,520
one would think well i i kiddingly

563
00:20:28,149 --> 00:20:25,600

posted two a year ago

564

00:20:29,270 --> 00:20:28,159

uh i wonder when i was a commander over

565

00:20:31,190 --> 00:20:29,280

in europe i

566

00:20:33,590 --> 00:20:31,200

had the luxury of being able to fly

567

00:20:33,990 --> 00:20:33,600

myself around to the 11 bases that were

568

00:20:36,390 --> 00:20:34,000

under my

569

00:20:37,270 --> 00:20:36,400

command and quite often my spouse would

570

00:20:39,190 --> 00:20:37,280

have to

571

00:20:40,789 --> 00:20:39,200

accompany me for an official function or

572

00:20:43,590 --> 00:20:40,799

whatever this one weekend

573

00:20:44,390 --> 00:20:43,600

where a son was in high school he could

574

00:20:46,070 --> 00:20:44,400

not

575

00:20:47,430 --> 00:20:46,080

we didn't have a babysitter probably

576

00:20:49,430 --> 00:20:47,440

could have left him alone

577

00:20:51,990 --> 00:20:49,440

so i asked the legal officers could i

578

00:20:53,590 --> 00:20:52,000

bring my son with me on the plane

579

00:20:55,590 --> 00:20:53,600

yes i could but i had to write a check

580

00:20:56,230 --> 00:20:55,600

to the us government so i wonder if

581

00:20:57,990 --> 00:20:56,240

hunter

582

00:21:01,270 --> 00:20:58,000

ever wrote a check to the u.s government

583

00:21:03,750 --> 00:21:01,280

for his flights aboard air force two

584

00:21:04,390 --> 00:21:03,760

to either ukraine or china interested

585

00:21:06,070 --> 00:21:04,400

yeah

586

00:21:07,750 --> 00:21:06,080

i mean you know trump had his

587

00:21:09,029 --> 00:21:07,760

opportunity at the debate to ask him

588

00:21:10,470 --> 00:21:09,039

these kind of questions because it

589

00:21:10,950 --> 00:21:10,480

doesn't appear that biden's going to be

590

00:21:13,350 --> 00:21:10,960

asked

591

00:21:15,110 --> 00:21:13,360

these kind of questions but that's one

592

00:21:15,990 --> 00:21:15,120

that still biden hasn't answered what

593

00:21:20,390 --> 00:21:16,000

was hunter biden

594

00:21:23,669 --> 00:21:20,400

doing on air force two flying to china

595

00:21:26,950 --> 00:21:23,679

with you what was his role in that

596

00:21:29,029 --> 00:21:26,960

why was he aboard and what meetings

597

00:21:30,870 --> 00:21:29,039

took place and which ones was he in and

598

00:21:33,190 --> 00:21:30,880

which ones were you on and

599

00:21:34,710 --> 00:21:33,200

you know was he on u.s government

600

00:21:36,230 --> 00:21:34,720

business or was he on hunter biden

601
00:21:39,750 --> 00:21:36,240
business

602
00:21:43,029 --> 00:21:41,830
yeah i mean just seems too obvious these

603
00:21:45,430 --> 00:21:43,039
questions are just

604
00:21:47,510 --> 00:21:45,440
too obvious and uh by jesus we don't

605
00:21:48,870 --> 00:21:47,520
have the fourth state

606
00:21:51,750 --> 00:21:48,880
and you know it looks like i mean i i

607
00:21:55,029 --> 00:21:51,760
guess perhaps thanks to

608
00:21:55,430 --> 00:21:55,039
covid biden is able to avoid a lot of

609
00:21:58,630 --> 00:21:55,440
these

610
00:22:02,149 --> 00:21:58,640
drive-in

611
00:22:04,950 --> 00:22:02,159
rallies or simply um

612
00:22:05,990 --> 00:22:04,960
you know speeches given from as they say

613
00:22:07,510 --> 00:22:06,000

his basement

614

00:22:09,029 --> 00:22:07,520

but you know is he going to face

615

00:22:11,590 --> 00:22:09,039

reporter questions

616

00:22:13,830 --> 00:22:11,600

again between now in the election seems

617

00:22:16,870 --> 00:22:13,840

like he might get by without facing any

618

00:22:18,630 --> 00:22:16,880

it does it does so again just going back

619

00:22:19,029 --> 00:22:18,640

to where we left off on my story when

620

00:22:22,549 --> 00:22:19,039

mark

621

00:22:25,990 --> 00:22:22,559

when my friend ron the uncle was of jp

622

00:22:27,510 --> 00:22:26,000

was telling me about the uh attempts he

623

00:22:29,350 --> 00:22:27,520

had made at the media i thought well

624

00:22:31,350 --> 00:22:29,360

shoot i had known sheryl crowe

625

00:22:33,750 --> 00:22:31,360

uh i wish you'd help me i but you know

626

00:22:35,350 --> 00:22:33,760

if you have if you're having trouble

627

00:22:37,350 --> 00:22:35,360

my next-door neighbor is a former not

628

00:22:40,470 --> 00:22:37,360

fox news reporter

629

00:22:43,830 --> 00:22:40,480

and so subsequently

630

00:22:44,549 --> 00:22:43,840

come in july ron and my next-door

631

00:22:47,590 --> 00:22:44,559

neighbor

632

00:22:50,710 --> 00:22:47,600

rod bernson former fox news

633

00:22:52,870 --> 00:22:50,720

former and retired la police started

634

00:22:56,789 --> 00:22:52,880

came to know one another over our zoo

635

00:23:00,710 --> 00:22:59,270

strategize on how we get the air force

636

00:23:04,310 --> 00:23:00,720

academy to realize

637

00:23:07,110 --> 00:23:04,320

that hosting a black lives matter video

638

00:23:08,630 --> 00:23:07,120

is offensive to many graduates the

639

00:23:09,669 --> 00:23:08,640

initial letter that i wrote to the

640

00:23:11,750 --> 00:23:09,679

superintendent is

641

00:23:12,870 --> 00:23:11,760

uh who used to work for me when when i

642

00:23:15,990 --> 00:23:12,880

was uh

643

00:23:18,630 --> 00:23:16,000

a three star and he was a colonel was

644

00:23:19,669 --> 00:23:18,640

hey jay you know you ask any air force

645

00:23:22,549 --> 00:23:19,679

academy graduate

646

00:23:24,549 --> 00:23:22,559

and we'll stand arm and arm no we'll put

647

00:23:27,510 --> 00:23:24,559

our arms around our black brother

648

00:23:28,789 --> 00:23:27,520

and sisters and say we stand against any

649

00:23:31,270 --> 00:23:28,799

form of racism

650

00:23:33,590 --> 00:23:31,280

but you can't let it appear like we're

651
00:23:35,830 --> 00:23:33,600
endorsing black lives matter

652
00:23:37,510 --> 00:23:35,840
but anyway ron and rod became to know

653
00:23:40,549 --> 00:23:37,520
came to know one another that way

654
00:23:41,350 --> 00:23:40,559
and then about maybe two or three weeks

655
00:23:42,870 --> 00:23:41,360
well

656
00:23:45,350 --> 00:23:42,880
i guess two and a half three weeks ago

657
00:23:47,269 --> 00:23:45,360
now ron gave me a call

658
00:23:48,470 --> 00:23:47,279
the uncle and asked me could i put him

659
00:23:50,710 --> 00:23:48,480
in contact with

660
00:23:52,470 --> 00:23:50,720
my next door neighbor former fox news

661
00:23:55,510 --> 00:23:52,480
reporter

662
00:23:57,750 --> 00:23:55,520
so the questions i asked i think any

663
00:24:00,149 --> 00:23:57,760

reasonable man would ask

664

00:24:01,590 --> 00:24:00,159

you know you've got the family has rudy

665

00:24:03,350 --> 00:24:01,600

giuliani involved

666

00:24:04,789 --> 00:24:03,360

i've been told that rudy julie never did

667

00:24:08,310 --> 00:24:04,799

any personal research but

668

00:24:10,950 --> 00:24:08,320

been told that rudy giuliani is the

669

00:24:12,310 --> 00:24:10,960

lawyer for the new york post why do we

670

00:24:15,669 --> 00:24:12,320

need

671

00:24:16,549 --> 00:24:15,679

our help to break this story the answer

672

00:24:20,310 --> 00:24:16,559

i was given

673

00:24:23,110 --> 00:24:20,320

from both ron and rod

674

00:24:23,590 --> 00:24:23,120

seemed to be fairly reasonable they

675

00:24:25,909 --> 00:24:23,600

wanted

676

00:24:28,950 --> 00:24:25,919

another avenue other than just rudy

677

00:24:32,310 --> 00:24:28,960

giuliani breaking the story with fox

678

00:24:35,269 --> 00:24:32,320

because of some of the oh

679

00:24:36,950 --> 00:24:35,279

uh dispersions that have been cast upon

680

00:24:38,870 --> 00:24:36,960

that relationship i guess would be a

681

00:24:41,990 --> 00:24:38,880

positive way to say

682

00:24:46,070 --> 00:24:42,000

so my friend rod the former

683

00:24:50,070 --> 00:24:46,080

fox news reporter called his old mentor

684

00:24:53,669 --> 00:24:50,080

a guy that used to be the executive

685

00:24:56,470 --> 00:24:53,679

vice president uh at fox i think for

686

00:24:57,750 --> 00:24:56,480

20 years and a guy by the name of ken

687

00:25:00,070 --> 00:24:57,760

lacourt

688

00:25:00,950 --> 00:25:00,080

and if you go to his media site you'll

689

00:25:03,669 --> 00:25:00,960

see

690

00:25:04,470 --> 00:25:03,679

how he wrote about getting this call

691

00:25:07,430 --> 00:25:04,480

from

692

00:25:09,269 --> 00:25:07,440

rob bernsen an old friend former fox

693

00:25:11,190 --> 00:25:09,279

news reporter

694

00:25:13,029 --> 00:25:11,200

said oh yeah come on rod you know three

695

00:25:15,430 --> 00:25:13,039

weeks before the election

696

00:25:17,350 --> 00:25:15,440

rod gave him the information to talk to

697

00:25:19,029 --> 00:25:17,360

jp personally

698

00:25:21,029 --> 00:25:19,039

they convinced them they sent him some

699

00:25:22,870 --> 00:25:21,039

emails so i think

700

00:25:24,789 --> 00:25:22,880

the small role that i played was

701

00:25:28,230 --> 00:25:24,799

obviously just hooking up

702

00:25:30,789 --> 00:25:28,240

the uncle and my next-door neighbor

703

00:25:32,310 --> 00:25:30,799

and from there he was able to talk to

704

00:25:36,310 --> 00:25:32,320

his old mentor

705

00:25:38,390 --> 00:25:36,320

this old contacts that still remain and

706

00:25:39,909 --> 00:25:38,400

it remained at fox to help write the

707

00:25:43,190 --> 00:25:39,919

story

708

00:25:46,310 --> 00:25:43,200

post

709

00:25:47,830 --> 00:25:46,320

but you'll notice right after that fox

710

00:25:50,789 --> 00:25:47,840

was all over it

711

00:25:52,149 --> 00:25:50,799

okay so so you're saying because there's

712

00:25:55,190 --> 00:25:52,159

kind of a narrative out there

713

00:25:55,669 --> 00:25:55,200

that fox passed on this story are you

714

00:25:57,669 --> 00:25:55,679

saying

715

00:25:59,430 --> 00:25:57,679

you don't think you have you know those

716

00:26:01,510 --> 00:25:59,440

details i don't know and neither does

717

00:26:03,590 --> 00:26:01,520

rod because i've asked him

718

00:26:04,549 --> 00:26:03,600

uh you know he gave it to his friend ken

719

00:26:06,789 --> 00:26:04,559

lacour what

720

00:26:08,549 --> 00:26:06,799

what ken mccourt did behind the scenes

721

00:26:10,630 --> 00:26:08,559

what he needed to convince hi

722

00:26:11,750 --> 00:26:10,640

the last post i read he said he would

723

00:26:15,110 --> 00:26:11,760

tell

724

00:26:17,190 --> 00:26:15,120

in another uh post what

725

00:26:18,630 --> 00:26:17,200

how he got how they got the story in the

726

00:26:19,430 --> 00:26:18,640

public square but i haven't read that

727

00:26:22,390 --> 00:26:19,440

one yet

728

00:26:22,630 --> 00:26:22,400

so when did fox first report on it was

729

00:26:26,070 --> 00:26:22,640

it

730

00:26:27,430 --> 00:26:26,080

the same day as new york same day and

731

00:26:29,110 --> 00:26:27,440

do you happen to know was there

732

00:26:31,830 --> 00:26:29,120

reporting saying

733

00:26:32,870 --> 00:26:31,840

new york post says or were they

734

00:26:36,070 --> 00:26:32,880

reporting it

735

00:26:39,510 --> 00:26:36,080

independent of the new york post um

736

00:26:40,630 --> 00:26:39,520

kind of both uh the i remember watching

737

00:26:43,990 --> 00:26:40,640

special report

738

00:26:44,310 --> 00:26:44,000

that night and bret baer was saying you

739

00:26:46,230 --> 00:26:44,320

know

740

00:26:48,070 --> 00:26:46,240

we haven't confirmed but the new york

741

00:26:49,990 --> 00:26:48,080

post and you know he had a lot of

742

00:26:52,870 --> 00:26:50,000

questions and i remember

743

00:26:54,390 --> 00:26:52,880

texting my my friend the uncle saying

744

00:26:55,269 --> 00:26:54,400

ron you need to call it brett bear and

745

00:26:57,510 --> 00:26:55,279

tell him

746

00:26:59,430 --> 00:26:57,520

give me answers to all these questions

747

00:27:02,390 --> 00:26:59,440

well he said i've been trying

748

00:27:03,830 --> 00:27:02,400

that's what i remember is very early on

749

00:27:06,950 --> 00:27:03,840

fox news was

750

00:27:09,190 --> 00:27:06,960

reporting that and we have confirmed

751
00:27:10,149 --> 00:27:09,200
so they they had they had the confidence

752
00:27:13,269 --> 00:27:10,159
to report it

753
00:27:14,149 --> 00:27:13,279
they weren't just reading the newspaper

754
00:27:17,350 --> 00:27:14,159
and reporting

755
00:27:19,190 --> 00:27:17,360
the newspaper and that that may have put

756
00:27:20,389 --> 00:27:19,200
fox in a different categories than some

757
00:27:22,230 --> 00:27:20,399
of the other networks

758
00:27:24,149 --> 00:27:22,240
who a we know didn't want to cover to

759
00:27:25,990 --> 00:27:24,159
begin with but b

760
00:27:27,909 --> 00:27:26,000
didn't necessarily have that that

761
00:27:30,950 --> 00:27:27,919
confirmation

762
00:27:32,389 --> 00:27:30,960
exactly and and and then the rest is

763
00:27:36,630 --> 00:27:32,399

history as far as the

764

00:27:39,430 --> 00:27:36,640

reporting on that um so

765

00:27:40,470 --> 00:27:39,440

one question that a lot of people are

766

00:27:43,750 --> 00:27:40,480

pondering

767

00:27:46,870 --> 00:27:43,760

is i mean it appears that jp

768

00:27:47,990 --> 00:27:46,880

after the 90 days basically said okay

769

00:27:51,830 --> 00:27:48,000

this is now

770

00:27:53,350 --> 00:27:51,840

mine um i know it's hunter biden's

771

00:27:55,430 --> 00:27:53,360

laptop

772

00:27:57,350 --> 00:27:55,440

he's a very interesting fellow

773

00:27:58,710 --> 00:27:57,360

considering who his father is

774

00:28:00,470 --> 00:27:58,720

and certainly has been a lot of

775

00:28:03,909 --> 00:28:00,480

speculation about what he's been up to

776

00:28:05,669 --> 00:28:03,919

is that jp then decided to comb through

777

00:28:07,830 --> 00:28:05,679

his laptop

778

00:28:09,110 --> 00:28:07,840

i don't think there's any other way to i

779

00:28:11,430 --> 00:28:09,120

don't know if he's

780

00:28:12,310 --> 00:28:11,440

admitted to that or it's even something

781

00:28:14,549 --> 00:28:12,320

to admit to

782

00:28:15,990 --> 00:28:14,559

because arguably there's nothing wrong

783

00:28:18,630 --> 00:28:16,000

with that if he now owned

784

00:28:20,070 --> 00:28:18,640

it but i mean how else to explain him

785

00:28:25,430 --> 00:28:20,080

finding

786

00:28:27,990 --> 00:28:25,440

some of these emails among 10 000 emails

787

00:28:28,470 --> 00:28:28,000

yeah i saw you ask david greenfield that

788

00:28:31,990 --> 00:28:28,480

question

789

00:28:37,110 --> 00:28:32,000

would have to ask jp

790

00:28:40,070 --> 00:28:37,120

and that one i haven't nobody's told me

791

00:28:42,710 --> 00:28:40,080

and and and then you know there's

792

00:28:46,389 --> 00:28:42,720

speculation as to why he

793

00:28:49,110 --> 00:28:46,399

contacted the fbi um

794

00:28:50,789 --> 00:28:49,120

do you know why he contacted the the fbi

795

00:28:53,830 --> 00:28:50,799

was it about

796

00:28:55,750 --> 00:28:53,840

what what in particular did he find on

797

00:28:56,230 --> 00:28:55,760

the laptop that caused him to think this

798

00:28:57,669 --> 00:28:56,240

is

799

00:29:00,149 --> 00:28:57,679

something i needed to contact the fbi

800

00:29:02,789 --> 00:29:00,159

about the only thing i haven't been told

801
00:29:06,230 --> 00:29:02,799
anything on that gym what i've read

802
00:29:07,909 --> 00:29:06,240
was that in september the phone call

803
00:29:10,710 --> 00:29:07,919
between

804
00:29:12,870 --> 00:29:10,720
president trump and president zielinski

805
00:29:16,310 --> 00:29:12,880
i believe from ukraine

806
00:29:19,269 --> 00:29:16,320
was made public and he knew that

807
00:29:20,630 --> 00:29:19,279
a lot of the details that he had on that

808
00:29:22,230 --> 00:29:20,640
laptop

809
00:29:24,870 --> 00:29:22,240
were applicable to that phone

810
00:29:27,350 --> 00:29:24,880
conversation

811
00:29:28,950 --> 00:29:27,360
yeah and i kind of gleaned that from the

812
00:29:30,789 --> 00:29:28,960
jp interview

813
00:29:32,710 --> 00:29:30,799

uh that he did with the three reporters

814

00:29:33,510 --> 00:29:32,720

uh he was didn't want to answer a lot of

815

00:29:36,230 --> 00:29:33,520

their questions

816

00:29:37,029 --> 00:29:36,240

but one thing he did mention was the

817

00:29:39,510 --> 00:29:37,039

impeachment

818

00:29:41,269 --> 00:29:39,520

and just kind of threw it out there um

819

00:29:41,909 --> 00:29:41,279

and it led me to believe that yes that

820

00:29:44,870 --> 00:29:41,919

was a

821

00:29:46,950 --> 00:29:44,880

pretty serious motivating factor to him

822

00:29:50,470 --> 00:29:46,960

that i'm i'm sitting on information

823

00:29:52,389 --> 00:29:50,480

that i know totally contradicts

824

00:29:54,230 --> 00:29:52,399

the side that's attempting to impeach or

825

00:29:56,870 --> 00:29:54,240

supports trump's case or what have you

826

00:29:58,230 --> 00:29:56,880

it's relevant to the impeachment and

827

00:30:01,510 --> 00:29:58,240

therefore needs to be

828

00:30:04,549 --> 00:30:01,520

brought forward that is an accurate

829

00:30:07,430 --> 00:30:04,559

description of what i always told you

830

00:30:08,470 --> 00:30:07,440

and i guess just to add to that and i've

831

00:30:12,549 --> 00:30:08,480

seen

832

00:30:16,549 --> 00:30:15,350

diminish the family's credibility that

833

00:30:19,110 --> 00:30:16,559

you know they're saying they're rabid

834

00:30:22,230 --> 00:30:19,120

trump supporters etc you know i

835

00:30:25,510 --> 00:30:22,240

you know i i know mac

836

00:30:28,230 --> 00:30:25,520

jp's dad from the air force and

837

00:30:29,269 --> 00:30:28,240

back in those days when we wore the

838

00:30:32,710 --> 00:30:29,279

uniform

839

00:30:34,710 --> 00:30:32,720

the military was apolitical so

840

00:30:36,630 --> 00:30:34,720

i can't really attest to anyone's

841

00:30:39,190 --> 00:30:36,640

political leanings

842

00:30:40,950 --> 00:30:39,200

but what i can just say is you know

843

00:30:42,070 --> 00:30:40,960

they're a great patriotic family my

844

00:30:44,710 --> 00:30:42,080

friend ron

845

00:30:45,430 --> 00:30:44,720

who lives kind of in my neighborhood

846

00:30:50,149 --> 00:30:45,440

here

847

00:30:51,830 --> 00:30:50,159

has by far by far the highest flagpole

848

00:30:54,549 --> 00:30:51,840

in in any of the neighborhoods around

849

00:30:55,590 --> 00:30:54,559

here and he probably flies that american

850

00:30:57,269 --> 00:30:55,600

flag

851
00:30:59,190 --> 00:30:57,279
any time when the winds are below 60

852
00:31:01,909 --> 00:30:59,200
knots

853
00:31:03,590 --> 00:31:01,919
so what happened in the two months

854
00:31:05,350 --> 00:31:03,600
between the time that you learned about

855
00:31:08,389 --> 00:31:05,360
it in august

856
00:31:10,070 --> 00:31:08,399
and ultimately played a role in

857
00:31:11,350 --> 00:31:10,080
getting fox news to cover it what was

858
00:31:12,230 --> 00:31:11,360
going on in those two months

859
00:31:14,630 --> 00:31:12,240
approximately

860
00:31:15,269 --> 00:31:14,640
that that i can't really attest to too

861
00:31:17,509 --> 00:31:15,279
much

862
00:31:19,190 --> 00:31:17,519
uh jim but i can tell you that ron and i

863
00:31:22,470 --> 00:31:19,200

were speaking

864

00:31:23,509 --> 00:31:22,480

several times a week on a black lives

865

00:31:27,269 --> 00:31:23,519

matter

866

00:31:29,110 --> 00:31:27,279

video issue because we've been

867

00:31:30,870 --> 00:31:29,120

you know putting together i mean there's

868

00:31:32,870 --> 00:31:30,880

probably i bet

869

00:31:33,909 --> 00:31:32,880

i mean literally hundreds of emails that

870

00:31:35,590 --> 00:31:33,919

have gone to two different

871

00:31:37,590 --> 00:31:35,600

superintendents again

872

00:31:39,430 --> 00:31:37,600

the football coach the athletic director

873

00:31:42,630 --> 00:31:39,440

we've had zoo meetings

874

00:31:44,710 --> 00:31:42,640

with leadership at the academy so i've

875

00:31:47,350 --> 00:31:44,720

interfaced with him a lot

876

00:31:47,830 --> 00:31:47,360

and i don't ever remember asking him

877

00:31:50,470 --> 00:31:47,840

what's

878

00:31:51,430 --> 00:31:50,480

going on until he called me about two

879

00:31:53,110 --> 00:31:51,440

and a half weeks ago

880

00:31:56,470 --> 00:31:53,120

and said hey could you put me in contact

881

00:32:00,070 --> 00:31:56,480

with your next-door neighbor

882

00:32:02,070 --> 00:32:00,080

so it seemed as if

883

00:32:04,870 --> 00:32:02,080

they wanted to get the story out there

884

00:32:06,630 --> 00:32:04,880

before the election

885

00:32:09,830 --> 00:32:06,640

you know you'd be asking me to speculate

886

00:32:11,990 --> 00:32:09,840

on someone's motivation so that and that

887

00:32:12,950 --> 00:32:12,000

to be honest again that's why i asked

888

00:32:15,509 --> 00:32:12,960

ron and rod

889

00:32:16,549 --> 00:32:15,519

so many questions i mean i kind of

890

00:32:19,590 --> 00:32:16,559

wincd

891

00:32:21,269 --> 00:32:19,600

you know this is just three weeks out um

892

00:32:23,350 --> 00:32:21,279

but i also know what you went through

893

00:32:24,950 --> 00:32:23,360

trying to get the media to

894

00:32:27,110 --> 00:32:24,960

to bite on it back in march and i

895

00:32:29,590 --> 00:32:27,120

believe may as well

896

00:32:31,590 --> 00:32:29,600

um so yeah i'll make the call because i

897

00:32:33,590 --> 00:32:31,600

believe the information

898

00:32:34,789 --> 00:32:33,600

despite the timing is more important to

899

00:32:38,630 --> 00:32:34,799

be in the public's hands

900

00:32:41,509 --> 00:32:38,640

and to bury it so that kind of explains

901
00:32:43,509 --> 00:32:41,519
that timing what do you think explains

902
00:32:45,669 --> 00:32:43,519
giuliani's timing

903
00:32:47,029 --> 00:32:45,679
with the new york post because he had it

904
00:32:49,909 --> 00:32:47,039
for many months prior

905
00:32:51,029 --> 00:32:49,919
to that do we think giuliani was holding

906
00:32:53,430 --> 00:32:51,039
it back and to

907
00:32:54,070 --> 00:32:53,440
spring it at the most opportune time

908
00:32:56,590 --> 00:32:54,080
it's a great

909
00:32:58,630 --> 00:32:56,600
question great question

910
00:33:00,149 --> 00:32:58,640
[Music]

911
00:33:02,789 --> 00:33:00,159
i haven't talked to rudy so i can't

912
00:33:04,710 --> 00:33:02,799
answer what he you gotta wonder whether

913
00:33:06,310 --> 00:33:04,720

how opportune it'll turn out to be

914

00:33:07,990 --> 00:33:06,320

because you know these

915

00:33:10,070 --> 00:33:08,000

we you know we wasted the first week

916

00:33:10,950 --> 00:33:10,080

with everybody ignoring it and blocking

917

00:33:16,470 --> 00:33:10,960

it

918

00:33:18,389 --> 00:33:16,480

some details emerging but you know we're

919

00:33:20,549 --> 00:33:18,399

only about uh

920

00:33:22,470 --> 00:33:20,559

10 days out from the election now yeah

921

00:33:25,190 --> 00:33:22,480

exactly and 50 million people or more

922

00:33:27,909 --> 00:33:25,200

have already voted so

923

00:33:29,509 --> 00:33:27,919

what do you make of or what what have

924

00:33:32,470 --> 00:33:29,519

you learned from ron

925

00:33:34,070 --> 00:33:32,480

about other stuff that was on there this

926
00:33:36,549 --> 00:33:34,080
kind of salacious

927
00:33:37,669 --> 00:33:36,559
stuff you know one note i have is this

928
00:33:40,870 --> 00:33:37,679
14-minute

929
00:33:43,909 --> 00:33:40,880
video that involves him

930
00:33:45,509 --> 00:33:43,919
with a crack pipe and some type of sex

931
00:33:47,669 --> 00:33:45,519
video

932
00:33:49,430 --> 00:33:47,679
the only thing i've i've heard that i

933
00:33:51,430 --> 00:33:49,440
can honestly attest to jim was that

934
00:33:53,590 --> 00:33:51,440
there was some pornography

935
00:33:55,110 --> 00:33:53,600
and in the three-way conversation with

936
00:33:58,149 --> 00:33:55,120
my next-door neighbor

937
00:34:01,430 --> 00:33:58,159
a former fox news reporter and

938
00:34:04,549 --> 00:34:01,440

and former la police sergeant he

939

00:34:06,149 --> 00:34:04,559

asked ron point blank do you have that

940

00:34:09,750 --> 00:34:06,159

in your possession

941

00:34:11,109 --> 00:34:09,760

and is there any pornographic child

942

00:34:14,310 --> 00:34:11,119

pornographic material

943

00:34:15,990 --> 00:34:14,320

because if there is he said given what

944

00:34:18,149 --> 00:34:16,000

we've seen i'm not sure i'd trust the

945

00:34:20,230 --> 00:34:18,159

fbi they may be coming after you

946

00:34:23,030 --> 00:34:20,240

and ron's response to that is i have not

947

00:34:25,990 --> 00:34:23,040

seen any child pornography

948

00:34:26,550 --> 00:34:26,000

so does that mean we don't think that

949

00:34:28,629 --> 00:34:26,560

there was

950

00:34:29,750 --> 00:34:28,639

child pornography on the computer i

951
00:34:31,829 --> 00:34:29,760
don't know

952
00:34:33,270 --> 00:34:31,839
what ron's answer to me indicated that

953
00:34:34,230 --> 00:34:33,280
he hadn't been through the whole hard

954
00:34:37,510 --> 00:34:34,240
drive like

955
00:34:39,270 --> 00:34:37,520
like his nephew had been but

956
00:34:40,950 --> 00:34:39,280
he said his nephew was visiting him a

957
00:34:44,310 --> 00:34:40,960
couple weeks ago

958
00:34:46,230 --> 00:34:44,320
and uh you know showed him

959
00:34:48,550 --> 00:34:46,240
a couple of pictures but none of it was

960
00:34:51,750 --> 00:34:48,560
child pornography

961
00:34:55,030 --> 00:34:51,760
so he was aware of pornography on there

962
00:34:57,109 --> 00:34:55,040
it was not child pornography

963
00:34:58,390 --> 00:34:57,119

the best of my knowledge i've not seen

964

00:34:59,349 --> 00:34:58,400

the only thing i've ever seen off the

965

00:35:01,510 --> 00:34:59,359

laptop

966

00:35:03,030 --> 00:35:01,520

basically is i think the two innocuous

967

00:35:04,270 --> 00:35:03,040

emails i was sent in august and what

968

00:35:05,670 --> 00:35:04,280

i've seen on the news

969

00:35:08,150 --> 00:35:05,680

[Music]

970

00:35:10,470 --> 00:35:08,160

and did you hear anything about this

971

00:35:16,230 --> 00:35:10,480

14-minute

972

00:35:21,589 --> 00:35:16,240

crack smoking video i have not

973

00:35:24,790 --> 00:35:21,599

um and what what's the uh

974

00:35:25,349 --> 00:35:24,800

what are they up to now is ron speaking

975

00:35:27,990 --> 00:35:25,359

to

976

00:35:29,510 --> 00:35:28,000

reporters about this at all is jp

977

00:35:31,109 --> 00:35:29,520

speaking to reporters is his father

978

00:35:34,230 --> 00:35:31,119

speaking to reporters

979

00:35:34,710 --> 00:35:34,240

um well i addressed uh jp and mack the

980

00:35:38,069 --> 00:35:34,720

dad

981

00:35:39,430 --> 00:35:38,079

earlier max emailed to me yesterday uh i

982

00:35:43,670 --> 00:35:39,440

think made it pretty clear

983

00:35:44,230 --> 00:35:43,680

um to me anyway i said you know i feel

984

00:35:47,589 --> 00:35:44,240

as

985

00:35:49,829 --> 00:35:47,599

a fellow american

986

00:35:51,670 --> 00:35:49,839

citizen who wants to do the civic duty

987

00:35:54,310 --> 00:35:51,680

that i want to stand here with you

988

00:35:55,349 --> 00:35:54,320

on this if you don't mind i'll accept a

989

00:35:58,790 --> 00:35:55,359

few interviews

990

00:36:00,470 --> 00:35:58,800

and his response was jp is

991

00:36:02,870 --> 00:36:00,480

asking me not to because he's worried

992

00:36:06,230 --> 00:36:02,880

about me and i need to

993

00:36:08,470 --> 00:36:06,240

i need to take care of jp um so

994

00:36:09,910 --> 00:36:08,480

this morning i did speak with the uncle

995

00:36:13,670 --> 00:36:09,920

and i said you know ron you're

996

00:36:15,829 --> 00:36:13,680

much closer to this than i am

997

00:36:16,710 --> 00:36:15,839

you should be doing these and he said no

998

00:36:19,750 --> 00:36:16,720

i think you

999

00:36:21,589 --> 00:36:19,760

provide the right degree of

1000

00:36:23,030 --> 00:36:21,599

i guess we called it you know i'm one

1001

00:36:25,670 --> 00:36:23,040

degree of freedom away

1002

00:36:27,030 --> 00:36:25,680

i know i know the parties pretty well

1003

00:36:30,870 --> 00:36:27,040

but i'm not a family member

1004

00:36:31,510 --> 00:36:30,880

so i'm not in the position to be accused

1005

00:36:33,750 --> 00:36:31,520

of

1006

00:36:34,790 --> 00:36:33,760

maybe being overly biased because i am a

1007

00:36:36,790 --> 00:36:34,800

family member

1008

00:36:39,109 --> 00:36:36,800

so i said i get it i'll do it i'm proud

1009

00:36:41,910 --> 00:36:39,119

to do it

1010

00:36:43,349 --> 00:36:41,920

and we appreciate that um yeah i i

1011

00:36:45,750 --> 00:36:43,359

thought that uh biden

1012

00:36:46,950 --> 00:36:45,760

joe biden kind of stepped in it a bit in

1013

00:36:50,710 --> 00:36:46,960

the debate

1014

00:36:53,349 --> 00:36:50,720

when he just doubled down

1015

00:36:55,030 --> 00:36:53,359

on this is russian disinformation i mean

1016

00:36:57,750 --> 00:36:55,040

speaking specifically about

1017

00:36:59,109 --> 00:36:57,760

the laptop and the emails he called it

1018

00:37:01,349 --> 00:36:59,119

russian disinformation

1019

00:37:03,270 --> 00:37:01,359

yeah well jim if you looked at my bio

1020

00:37:06,550 --> 00:37:03,280

you'll see one of the jobs i have as

1021

00:37:09,190 --> 00:37:06,560

assistant director of operations

1022

00:37:10,790 --> 00:37:09,200

for the air force another job i had was

1023

00:37:12,470 --> 00:37:10,800

the deputy commander of southern command

1024

00:37:15,109 --> 00:37:12,480

another one i had was the

1025

00:37:16,870 --> 00:37:15,119

third air force commander and air

1026

00:37:19,109 --> 00:37:16,880

commander europe as well

1027

00:37:20,710 --> 00:37:19,119

i've seen a lot of intelligence i've

1028

00:37:23,430 --> 00:37:20,720

seen a lot of uh

1029

00:37:24,069 --> 00:37:23,440

intentional disinformation well you know

1030

00:37:26,710 --> 00:37:24,079

when i hear

1031

00:37:28,470 --> 00:37:26,720

that spin i just have to shake my head

1032

00:37:31,109 --> 00:37:28,480

and say you know

1033

00:37:33,589 --> 00:37:31,119

personally yeah the russians are good

1034

00:37:36,870 --> 00:37:33,599

but they're not that good

1035

00:37:40,150 --> 00:37:36,880

do you think you really think that

1036

00:37:44,150 --> 00:37:40,160

they could pen

1037

00:37:46,630 --> 00:37:44,160

a text from a father to his daughter

1038

00:37:47,990 --> 00:37:46,640

the way that we've seen you know come

1039

00:37:49,670 --> 00:37:48,000

out in the media i mean do you really

1040

00:37:52,230 --> 00:37:49,680

think the russians are capable of that

1041

00:37:55,349 --> 00:37:52,240

level of detail maybe but uh

1042

00:37:55,910 --> 00:37:55,359

it's much more logical for me to believe

1043

00:37:57,990 --> 00:37:55,920

that

1044

00:37:59,589 --> 00:37:58,000

hey a patriotic family here is doing

1045

00:38:01,670 --> 00:37:59,599

their civic duty

1046

00:38:03,109 --> 00:38:01,680

and they're they turned over to laptops

1047

00:38:04,550 --> 00:38:03,119

to the fbi

1048

00:38:06,630 --> 00:38:04,560

thank you again to lieutenant general

1049

00:38:08,310 --> 00:38:06,640

rod bishop i do want to clarify

1050

00:38:09,190 --> 00:38:08,320

something that came up i had mentioned

1051
00:38:11,430 --> 00:38:09,200
that it appeared

1052
00:38:12,710 --> 00:38:11,440
that the laptop had made it to giuliani

1053
00:38:15,190 --> 00:38:12,720
in december

1054
00:38:17,190 --> 00:38:15,200
uh lieutenant general bishop uh

1055
00:38:19,750 --> 00:38:17,200
confirmed for me after our interview

1056
00:38:20,710 --> 00:38:19,760
that no he did not get it until august

1057
00:38:23,349 --> 00:38:20,720
or september

1058
00:38:25,030 --> 00:38:23,359
of this year so that helps explain why

1059
00:38:27,270 --> 00:38:25,040
it did not get its

1060
00:38:29,190 --> 00:38:27,280
the information did get to the hands of

1061
00:38:32,310 --> 00:38:29,200
the president or his lawyers

1062
00:38:34,790 --> 00:38:32,320
only to the fbi and it didn't get to his

1063
00:38:36,470 --> 00:38:34,800

uh to giuliani or his lawyers until

1064

00:38:39,829 --> 00:38:36,480

august or september

1065

00:38:41,430 --> 00:38:39,839

of this year wanted to clarify that

1066

00:38:43,109 --> 00:38:41,440

um we're also going to be probably

1067

00:38:45,990 --> 00:38:43,119

talking to the general more

1068

00:38:47,670 --> 00:38:46,000

about his issue with this video the air

1069

00:38:49,589 --> 00:38:47,680

force video that the football team put

1070

00:38:51,910 --> 00:38:49,599

together in support of black lives

1071

00:38:53,030 --> 00:38:51,920

matter you can look that up on your own

1072

00:38:55,030 --> 00:38:53,040

if you want to just

1073

00:38:56,630 --> 00:38:55,040

google black lives matter and the air

1074

00:38:59,990 --> 00:38:56,640

force academy and you'll see that

1075

00:39:01,670 --> 00:39:00,000

very disturbing video thank you to our

1076

00:39:03,349 --> 00:39:01,680

producer michael parker

1077

00:39:05,270 --> 00:39:03,359

thank you to our intern jake wall we'll

1078

00:39:10,550 --> 00:39:05,280

be back soon with another episode of the

1079

00:39:13,750 --> 00:39:12,069

thank you for listening to the truth

1080

00:39:17,349 --> 00:39:13,760

show with jim breslow

1081

00:39:19,510 --> 00:39:17,359

you can find us at hiddentruthshow.com

1082

00:39:20,390 --> 00:39:19,520

follow us on facebook twitter and
