00:00:02,170 --> 00:00:05,590

[Music]

2
00:00:08,950 --> 00:00:07,030

what do you think the current state of

3
00:00:12,070 --> 00:00:08,960

the election count is is this thing

4
00:00:15,350 --> 00:00:12,080

over or what i i read my l.a times today

5
00:00:17,510 --> 00:00:15,360

um and in a 20-page first section of the

6
00:00:20,790 --> 00:00:17,520

times was in a single article about

7
00:00:24,310 --> 00:00:20,800

the vote count so what's the latest news

8
00:00:26,550 --> 00:00:24,320

well i think uh the honest news not the

9
00:00:29,669 --> 00:00:26,560

hidden news but the real news

10
00:00:30,390 --> 00:00:29,679

is that the election was not determined

11
00:00:32,630 --> 00:00:30,400

yet

12
00:00:34,709 --> 00:00:32,640

we have at least six states that are in

13
00:00:37,590 --> 00:00:34,719

play we probably have another two states

14

00:00:41,750 --> 00:00:37,600

that could be in play if they choose to

15

00:00:43,750 --> 00:00:41,760

and i think that my forecast model is at

16

00:00:45,670 --> 00:00:43,760

odds with the results and i really

17

00:00:47,110 --> 00:00:45,680

believe my forecast models because i've

18

00:00:49,670 --> 00:00:47,120

been forecasting

19

00:00:51,189 --> 00:00:49,680

presidential elections since 1976 and

20

00:00:53,350 --> 00:00:51,199

i'm usually pretty close to being

21

00:00:55,670 --> 00:00:53,360

exactly right what do you base your

22

00:00:58,549 --> 00:00:55,680

forecast on

23

00:00:59,990 --> 00:00:58,559

well simply my forecast models which are

24

00:01:02,630 --> 00:01:00,000

proprietary

25

00:01:04,390 --> 00:01:02,640

but they're based on variables that i

26

00:01:05,910 --> 00:01:04,400

look at things like registration

27

00:01:08,550 --> 00:01:05,920

dynamics

28

00:01:10,710 --> 00:01:08,560

i look at how the state's registrations

29

00:01:13,510 --> 00:01:10,720

are changing for each party

30

00:01:15,910 --> 00:01:13,520

i look at voter intensity i look at

31

00:01:18,310 --> 00:01:15,920

voter enthusiasm and i have a whole

32

00:01:20,870 --> 00:01:18,320

list of other variables and my book more

33

00:01:23,429 --> 00:01:20,880

great news for america i discuss

34

00:01:24,789 --> 00:01:23,439

how i build my forecast models there's

35

00:01:26,390 --> 00:01:24,799

an interesting variable that i had never

36

00:01:29,429 --> 00:01:26,400

thought of that a

37

00:01:30,630 --> 00:01:29,439

professor from my alma mater uc irvine

38

00:01:33,749 --> 00:01:30,640

marty watenberg

39

00:01:34,149 --> 00:01:33,759

who's a forecaster he mentioned that i

40

00:01:36,630 --> 00:01:34,159

hadn't

41

00:01:37,429 --> 00:01:36,640

heard thought of before is the number of

42

00:01:40,550 --> 00:01:37,439

2016

43

00:01:43,990 --> 00:01:40,560

trump voters that had passed away

44

00:01:46,389 --> 00:01:44,000

and the number in the number of new gen

45

00:01:47,109 --> 00:01:46,399

whatever gen we're in gen y that have

46

00:01:48,789 --> 00:01:47,119

moved in

47

00:01:50,389 --> 00:01:48,799

right so your electorate is always

48

00:01:53,270 --> 00:01:50,399

moving up four years

49

00:01:54,230 --> 00:01:53,280

so you've got the 17 to 21 year olds

50

00:01:56,709 --> 00:01:54,240

that are now voting

51
00:01:58,709 --> 00:01:56,719
or sorry 14 to 18 year olds right from

52
00:01:59,749 --> 00:01:58,719
the last one that are now voting

53
00:02:02,149 --> 00:01:59,759
and then you've got the people that have

54
00:02:04,230 --> 00:02:02,159
passed away and that shift

55
00:02:05,910 --> 00:02:04,240
could be significant that's an

56
00:02:08,550 --> 00:02:05,920
interesting one i haven't heard of that

57
00:02:10,710 --> 00:02:08,560
i'm familiar with some of the major

58
00:02:13,190 --> 00:02:10,720
forecast models out there that there's a

59
00:02:14,869 --> 00:02:13,200
professor at stony brook universally

60
00:02:16,710 --> 00:02:14,879
who predicted trump was going to win

61
00:02:19,910 --> 00:02:16,720
this time with 300

62
00:02:22,790 --> 00:02:19,920
electoral votes and by the way he was

63
00:02:26,309 --> 00:02:22,800

right exactly close last time and in

64
00:02:28,309 --> 00:02:26,319
2016 my forecast model had trump winning

65
00:02:29,510 --> 00:02:28,319
and i picked every state correctly that

66
00:02:31,830 --> 00:02:29,520
he carried

67
00:02:33,509 --> 00:02:31,840
and i don't think anyone else did that

68
00:02:36,229 --> 00:02:33,519
okay so what did you project

69
00:02:37,270 --> 00:02:36,239
for this year i predict that donald

70
00:02:39,430 --> 00:02:37,280
trump would win

71
00:02:41,990 --> 00:02:39,440
with more electoral votes than last time

72
00:02:43,589 --> 00:02:42,000
last time he got 306.

73
00:02:46,470 --> 00:02:43,599
and i predicted he would win more than

74
00:02:48,949 --> 00:02:46,480
that and i and i honestly believe he did

75
00:02:49,990 --> 00:02:48,959
i do not believe uh things like

76

00:02:51,910 --> 00:02:50,000

pennsylvania

77

00:02:53,350 --> 00:02:51,920

i mean if you look at just registration

78

00:02:55,670 --> 00:02:53,360

figures alone

79

00:02:56,390 --> 00:02:55,680

uh and not some of the other variables

80

00:02:58,470 --> 00:02:56,400

uh there were

81

00:03:00,309 --> 00:02:58,480

about a quarter of a million more

82

00:03:01,670 --> 00:03:00,319

registered republicans in the state of

83

00:03:03,030 --> 00:03:01,680

pennsylvania

84

00:03:05,270 --> 00:03:03,040

that alone should have given him a

85

00:03:08,149 --> 00:03:05,280

bigger margin

86

00:03:10,390 --> 00:03:08,159

and i i really think the more evidence i

87

00:03:12,869 --> 00:03:10,400

read and see

88

00:03:15,110 --> 00:03:12,879

my my thought is that the number of

89

00:03:17,670 --> 00:03:15,120

states the votes were tampered with

90

00:03:20,390 --> 00:03:17,680

and states were adding votes and let me

91

00:03:23,910 --> 00:03:20,400

give you an example why i believe this

92

00:03:25,830 --> 00:03:23,920

one piece of data the pew research

93

00:03:27,670 --> 00:03:25,840

group which is a very reputable

94

00:03:28,789 --> 00:03:27,680

organization you're probably familiar

95

00:03:31,509 --> 00:03:28,799

with them

96

00:03:32,390 --> 00:03:31,519

and that they found that 96 percent of

97

00:03:35,750 --> 00:03:32,400

trump voters

98

00:03:37,830 --> 00:03:35,760

and and biden voters said that whoever

99

00:03:40,789 --> 00:03:37,840

they voted for president they would also

100

00:03:42,390 --> 00:03:40,799

vote down ballot for senate same party

101
00:03:44,390 --> 00:03:42,400
so they voted for trump they go for

102
00:03:46,309 --> 00:03:44,400
republican senate candidate

103
00:03:48,550 --> 00:03:46,319
they voted for buying they vote for the

104
00:03:49,910 --> 00:03:48,560
fine senate candidate the democrat

105
00:03:51,910 --> 00:03:49,920
senate candidate

106
00:03:53,270 --> 00:03:51,920
well if you look at the states you find

107
00:03:56,390 --> 00:03:53,280
that for example in

108
00:03:59,509 --> 00:03:56,400
georgia biden somehow got 95

109
00:04:01,429 --> 00:03:59,519
000 more votes whereas trump

110
00:04:03,030 --> 00:04:01,439
and his senate candidates were almost

111
00:04:05,589 --> 00:04:03,040
identical on votes

112
00:04:06,869 --> 00:04:05,599
biden comes up with another 95 000 out

113
00:04:09,509 --> 00:04:06,879

of nowhere

114

00:04:11,110 --> 00:04:09,519

when you see those kind of things uh you

115

00:04:13,589 --> 00:04:11,120

really question

116

00:04:14,869 --> 00:04:13,599

statistically what's going on well let's

117

00:04:15,910 --> 00:04:14,879

copy right let's stop it right there

118

00:04:19,030 --> 00:04:15,920

because that's a lot of votes

119

00:04:22,150 --> 00:04:19,040

so right if there's if there's extra

120

00:04:25,030 --> 00:04:22,160

biden votes without the accompanying

121

00:04:25,350 --> 00:04:25,040

senate votes then that tells you that's

122

00:04:26,710 --> 00:04:25,360

more

123

00:04:28,950 --> 00:04:26,720

that's not a ballot thing that's a

124

00:04:30,550 --> 00:04:28,960

computer thing right

125

00:04:32,310 --> 00:04:30,560

or or are you saying it's a valid thing

126

00:04:33,909 --> 00:04:32,320

but they didn't even bot in those

127

00:04:36,230 --> 00:04:33,919

let's say fraudulent ballots they didn't

128

00:04:37,590 --> 00:04:36,240

even bother to check the box on senator

129

00:04:39,110 --> 00:04:37,600

the whole idea was just get a bunch of

130

00:04:40,870 --> 00:04:39,120

biden votes in there

131

00:04:42,230 --> 00:04:40,880

right well you know there are affidavits

132

00:04:44,310 --> 00:04:42,240

out there that said some people are

133

00:04:47,510 --> 00:04:44,320

filling in just the top line and

134

00:04:49,350 --> 00:04:47,520

turning the ballots in so it's possible

135

00:04:51,590 --> 00:04:49,360

sure that people are manufacturing

136

00:04:54,710 --> 00:04:51,600

ballots sort of the old

137

00:04:55,110 --> 00:04:54,720

ballot stuffing you know but what are

138

00:04:56,390 --> 00:04:55,120

these

139

00:04:58,310 --> 00:04:56,400

because you know i'm really searching

140

00:04:59,909 --> 00:04:58,320

for some hard evidence we're we're

141

00:05:01,510 --> 00:04:59,919

two weeks out here and i think a lot of

142

00:05:02,310 --> 00:05:01,520

people are expecting to see some hard

143

00:05:05,270 --> 00:05:02,320

evidence uh

144

00:05:07,270 --> 00:05:05,280

very soon because if not they're gonna

145

00:05:09,110 --> 00:05:07,280

start giving up on this idea that

146

00:05:10,310 --> 00:05:09,120

that there was genuine fraud what are

147

00:05:13,189 --> 00:05:10,320

these affidavits

148

00:05:15,110 --> 00:05:13,199

what i did is i went to the lawsuit i

149

00:05:16,310 --> 00:05:15,120

read the lawsuits i could put my hands

150

00:05:18,469 --> 00:05:16,320

on and there you get some

151

00:05:19,749 --> 00:05:18,479

real evidence of what they're believing

152

00:05:22,550 --> 00:05:19,759

and according to

153

00:05:23,430 --> 00:05:22,560

uh two of the lawyers for trump rudy

154

00:05:26,469 --> 00:05:23,440

giuliani

155

00:05:28,469 --> 00:05:26,479

and uh sydney powell

156

00:05:30,150 --> 00:05:28,479

uh they're presenting more evidence this

157

00:05:32,230 --> 00:05:30,160

week so i

158

00:05:33,909 --> 00:05:32,240

say the way to really uncover the

159

00:05:35,270 --> 00:05:33,919

evidence is read the lawsuits because

160

00:05:37,670 --> 00:05:35,280

that's where it's being presented to

161

00:05:40,070 --> 00:05:37,680

judges and judges will have to determine

162

00:05:41,670 --> 00:05:40,080

is the evidence adequate to overturn an

163

00:05:42,550 --> 00:05:41,680

election which is what i think they're

164

00:05:44,150 --> 00:05:42,560

after

165

00:05:46,070 --> 00:05:44,160

so let's talk about what's the most

166

00:05:49,189 --> 00:05:46,080

compelling things that you've read

167

00:05:51,270 --> 00:05:49,199

in reviewing the lawsuits well

168

00:05:52,870 --> 00:05:51,280

um there's something called the 14th

169

00:05:53,430 --> 00:05:52,880

amendment which everybody's familiar

170

00:05:56,550 --> 00:05:53,440

with

171

00:05:57,749 --> 00:05:56,560

civil war type amendment and it was it

172

00:06:00,150 --> 00:05:57,759

has among other things

173

00:06:02,950 --> 00:06:00,160

equal protection of the laws in other

174

00:06:06,550 --> 00:06:02,960

words everybody should be treated fairly

175

00:06:08,710 --> 00:06:06,560

votes voting is a civil rights it's it's

176

00:06:10,469 --> 00:06:08,720

a right of every american citizen and

177

00:06:12,710 --> 00:06:10,479

they should be treated fairly

178

00:06:14,550 --> 00:06:12,720

in the state of michigan for example in

179

00:06:16,070 --> 00:06:14,560

a number of counties that would democrat

180

00:06:18,390 --> 00:06:16,080

run counties

181

00:06:20,070 --> 00:06:18,400

they would not allow republican voters

182

00:06:22,309 --> 00:06:20,080

to cure their ballots

183

00:06:24,469 --> 00:06:22,319

but they did go out of their way to call

184

00:06:26,629 --> 00:06:24,479

people ahead of the election

185

00:06:28,150 --> 00:06:26,639

democrats who had faulty ballots and

186

00:06:29,990 --> 00:06:28,160

they were able to cure them

187

00:06:31,430 --> 00:06:30,000

that alone is a reason to throw out the

188

00:06:33,350 --> 00:06:31,440

results in michigan

189

00:06:34,629 --> 00:06:33,360

when you don't have equal protection of

190

00:06:37,029 --> 00:06:34,639

laws

191

00:06:38,150 --> 00:06:37,039

okay so again i'm looking for hard

192

00:06:39,270 --> 00:06:38,160

evidence so whenever you bring up

193

00:06:42,870 --> 00:06:39,280

something i'm going to probe

194

00:06:45,909 --> 00:06:42,880

a little bit so so in michigan

195

00:06:47,590 --> 00:06:45,919

you're saying that on mail-in ballots if

196

00:06:49,270 --> 00:06:47,600

somebody let's say they forgot to sign

197

00:06:52,230 --> 00:06:49,280

it just as a simple example

198

00:06:53,350 --> 00:06:52,240

okay you're saying that michigan poll

199

00:06:56,309 --> 00:06:53,360

workers

200

00:06:57,510 --> 00:06:56,319

would call the person in democratic

201
00:07:01,990 --> 00:06:57,520
counties

202
00:07:03,270 --> 00:07:02,000
the big cities like detroit

203
00:07:04,950 --> 00:07:03,280
and that where you have a lot of

204
00:07:05,749 --> 00:07:04,960
democrats and would actually reach out

205
00:07:07,270 --> 00:07:05,759
to the person

206
00:07:08,870 --> 00:07:07,280
and say hey you know you're going to

207
00:07:11,749 --> 00:07:08,880
need to vote again

208
00:07:12,710 --> 00:07:11,759
and they did and republicans were not

209
00:07:14,550 --> 00:07:12,720
allowed to do that

210
00:07:16,150 --> 00:07:14,560
and they didn't do that for republicans

211
00:07:18,390 --> 00:07:16,160
that they were running them from the

212
00:07:20,150 --> 00:07:18,400
democratic strongholds

213
00:07:21,589 --> 00:07:20,160

let's talk about the poll workers for a

214

00:07:25,110 --> 00:07:21,599

second because i think this is

215

00:07:26,790 --> 00:07:25,120

kind of interesting um as far as who

216

00:07:29,670 --> 00:07:26,800

these people are

217

00:07:31,510 --> 00:07:29,680

because i was surprised a lot of times

218

00:07:33,029 --> 00:07:31,520

the reporters there and they're

219

00:07:34,230 --> 00:07:33,039

talking about how hard they're working

220

00:07:35,110 --> 00:07:34,240

and of course they're working during

221

00:07:37,029 --> 00:07:35,120

covid

222

00:07:39,110 --> 00:07:37,039

and many times the reporter would say

223

00:07:41,029 --> 00:07:39,120

and these are volunteers

224

00:07:42,629 --> 00:07:41,039

volunteers and now that kind of

225

00:07:46,230 --> 00:07:42,639

surprised him like wait a minute

226
00:07:48,950 --> 00:07:46,240
on something as important as vote count

227
00:07:49,270 --> 00:07:48,960
they're relying on volunteers to do this

228
00:07:51,670 --> 00:07:49,280
that

229
00:07:53,270 --> 00:07:51,680
surprised me well i'll tell you i've

230
00:07:53,749 --> 00:07:53,280
done that in my life too you know i've

231
00:07:57,029 --> 00:07:53,759
had a

232
00:07:57,749 --> 00:07:57,039
sort of a political side to me during my

233
00:08:00,390 --> 00:07:57,759
career

234
00:08:00,869 --> 00:08:00,400
and i was an elector for ronald reagan

235
00:08:04,070 --> 00:08:00,879
and

236
00:08:06,550 --> 00:08:04,080
i i helped in the ronald reagan 76

237
00:08:09,270 --> 00:08:06,560
campaign also the 80 campaign

238
00:08:11,110 --> 00:08:09,280

and during the way along the road i was

239

00:08:12,710 --> 00:08:11,120

you know things like delegate to

240

00:08:15,110 --> 00:08:12,720

conventions and

241

00:08:16,309 --> 00:08:15,120

and i've also been a poll watcher i've

242

00:08:19,189 --> 00:08:16,319

also had

243

00:08:20,629 --> 00:08:19,199

uh judge training and poll watcher

244

00:08:22,309 --> 00:08:20,639

training

245

00:08:23,749 --> 00:08:22,319

that's poll watching on behalf of the

246

00:08:25,670 --> 00:08:23,759

republican party

247

00:08:26,869 --> 00:08:25,680

right well that's normally what happens

248

00:08:29,990 --> 00:08:26,879

each party

249

00:08:30,790 --> 00:08:30,000

identifies people that they trust to be

250

00:08:33,909 --> 00:08:30,800

there

251
00:08:36,389 --> 00:08:33,919
and when you see a state do it properly

252
00:08:37,350 --> 00:08:36,399
they'll have a an election judge sitting

253
00:08:39,029 --> 00:08:37,360
in the middle

254
00:08:40,630 --> 00:08:39,039
they'll have a republican maybe on the

255
00:08:42,149 --> 00:08:40,640
left well maybe

256
00:08:43,589 --> 00:08:42,159
that's the wrong side they'll have a

257
00:08:45,110 --> 00:08:43,599
democrat on the left and they'll have a

258
00:08:46,710 --> 00:08:45,120
republican on the right

259
00:08:48,389 --> 00:08:46,720
and they'll both be watching and making

260
00:08:49,110 --> 00:08:48,399
sure everything's on the up and up

261
00:08:50,870 --> 00:08:49,120
there's no

262
00:08:52,870 --> 00:08:50,880
you know the ballot gets through that

263
00:08:55,750 --> 00:08:52,880

looks weird you know or

264

00:08:56,870 --> 00:08:55,760

did something wrong so they have people

265

00:08:59,750 --> 00:08:56,880

on both sides

266

00:09:01,509 --> 00:08:59,760

the problem becomes like in philadelphia

267

00:09:04,389 --> 00:09:01,519

where they have widespread

268

00:09:05,910 --> 00:09:04,399

uh reluctance not reluctance they push

269

00:09:07,990 --> 00:09:05,920

republican poll watches

270

00:09:10,470 --> 00:09:08,000

out the door they wouldn't allow them

271

00:09:12,389 --> 00:09:10,480

within a reasonable distance they said

272

00:09:14,470 --> 00:09:12,399

they said that some of them needed

273

00:09:16,310 --> 00:09:14,480

literally would need binoculars to see

274

00:09:18,470 --> 00:09:16,320

the ballots they were so far away

275

00:09:19,509 --> 00:09:18,480

how close were you when you were judging

276
00:09:23,750 --> 00:09:19,519
ballots

277
00:09:25,990 --> 00:09:23,760
next to them no space restriction

278
00:09:27,110 --> 00:09:26,000
no next to people and next to my

279
00:09:31,110 --> 00:09:27,120
counterpart

280
00:09:34,230 --> 00:09:31,120
that's the normal way that's

281
00:09:34,870 --> 00:09:34,240
equal protection where both brides are

282
00:09:37,430 --> 00:09:34,880
there

283
00:09:39,030 --> 00:09:37,440
to challenge anything that's funny and

284
00:09:41,190 --> 00:09:39,040
then when you're done counting you have

285
00:09:42,949 --> 00:09:41,200
some confidence that she wins our votes

286
00:09:43,990 --> 00:09:42,959
were right we stood there for hours

287
00:09:45,509 --> 00:09:44,000
doing this

288
00:09:47,350 --> 00:09:45,519

right so that you know i know that's

289

00:09:47,910 --> 00:09:47,360

been a big one that giuliani has been

290

00:09:50,230 --> 00:09:47,920

pointing out

291

00:09:51,350 --> 00:09:50,240

talking about 130 000 ballots in

292

00:09:53,350 --> 00:09:51,360

philadelphia but

293

00:09:55,030 --> 00:09:53,360

don't you think if you're the judge on

294

00:09:58,150 --> 00:09:55,040

this the remedy

295

00:10:01,590 --> 00:09:58,160

if that was a problem is to

296

00:10:03,829 --> 00:10:01,600

recount them with the observers closer

297

00:10:05,590 --> 00:10:03,839

well the problem is when they remove the

298

00:10:07,910 --> 00:10:05,600

ballot from the envelope

299

00:10:09,030 --> 00:10:07,920

and we don't you're not able to go back

300

00:10:11,030 --> 00:10:09,040

and and see

301
00:10:12,389 --> 00:10:11,040
the envelope that that goes with a

302
00:10:13,910 --> 00:10:12,399
particular ballot

303
00:10:15,829 --> 00:10:13,920
and was there a signature on that

304
00:10:17,829 --> 00:10:15,839
envelope did it have a correct date if

305
00:10:20,069 --> 00:10:17,839
it was postmarked

306
00:10:21,750 --> 00:10:20,079
that's another problem in pennsylvania

307
00:10:24,150 --> 00:10:21,760
you know the supreme court which are a

308
00:10:26,069 --> 00:10:24,160
bunch of elected democrats

309
00:10:27,829 --> 00:10:26,079
i think it's five to two democrats

310
00:10:30,230 --> 00:10:27,839
elected in pennsylvania

311
00:10:31,990 --> 00:10:30,240
they said well it's okay if it comes in

312
00:10:34,790 --> 00:10:32,000
past 8 p.m on election day

313
00:10:35,990 --> 00:10:34,800

which is state law and they said it's

314

00:10:38,710 --> 00:10:36,000

okay if it has a

315

00:10:39,670 --> 00:10:38,720

faulty or defective postmark it's okay

316

00:10:41,430 --> 00:10:39,680

if it's

317

00:10:43,670 --> 00:10:41,440

illegible it's okay if it doesn't have a

318

00:10:45,750 --> 00:10:43,680

signature well those judges were

319

00:10:47,670 --> 00:10:45,760

rewriting the state law

320

00:10:49,110 --> 00:10:47,680

and article two section one of the

321

00:10:52,230 --> 00:10:49,120

constitution says

322

00:10:53,269 --> 00:10:52,240

the legislature has the right and the

323

00:10:56,550 --> 00:10:53,279

authority

324

00:10:58,949 --> 00:10:56,560

to set laws for the electors

325

00:11:00,150 --> 00:10:58,959

and when the state of pennsylvania had

326

00:11:02,069 --> 00:11:00,160

these laws

327

00:11:03,670 --> 00:11:02,079

it was up to the supreme court of

328

00:11:05,030 --> 00:11:03,680

pennsylvania to follow them but they

329

00:11:07,509 --> 00:11:05,040

chose not to

330

00:11:09,269 --> 00:11:07,519

and that's why ultimately justice alito

331

00:11:11,990 --> 00:11:09,279

of the supreme court

332

00:11:13,590 --> 00:11:12,000

came in and i think ultimately why

333

00:11:14,470 --> 00:11:13,600

pennsylvania is going to be thrown out

334

00:11:15,990 --> 00:11:14,480

for biden

335

00:11:17,750 --> 00:11:16,000

and those 20 electoral votes are going

336

00:11:20,790 --> 00:11:17,760

to go to trump okay

337

00:11:22,389 --> 00:11:20,800

so sticking with pennsylvania um yeah it

338

00:11:25,910 --> 00:11:22,399

definitely seems like this court

339

00:11:26,949 --> 00:11:25,920

ruling is quite questionable um in fact

340

00:11:28,630 --> 00:11:26,959

let me ask you i don't know if you've

341

00:11:29,829 --> 00:11:28,640

read the ruling but let's just start

342

00:11:33,190 --> 00:11:29,839

with

343

00:11:35,269 --> 00:11:33,200

what was the basis for a court

344

00:11:37,269 --> 00:11:35,279

to say that i know the legislature said

345

00:11:40,790 --> 00:11:37,279

it has to be received

346

00:11:43,910 --> 00:11:40,800

by election day not postmarked received

347

00:11:45,269 --> 00:11:43,920

but we're going to say it's okay as long

348

00:11:47,190 --> 00:11:45,279

as it's postmarked by

349

00:11:48,389 --> 00:11:47,200

election day what was the reasoning of

350

00:11:50,550 --> 00:11:48,399

that court

351

00:11:52,389 --> 00:11:50,560

well you'd call that an activist judge

352

00:11:53,910 --> 00:11:52,399

uh they're they're making law

353

00:11:55,750 --> 00:11:53,920

there there is no people but they had to

354

00:11:57,590 --> 00:11:55,760

have some explanation as to why

355

00:11:59,030 --> 00:11:57,600

they were they were modifying was it a

356

00:12:02,069 --> 00:11:59,040

covid related

357

00:12:03,350 --> 00:12:02,079

thing or what what was the the rationale

358

00:12:04,790 --> 00:12:03,360

there do you know i didn't read their

359

00:12:07,030 --> 00:12:04,800

original ruling to tell you

360

00:12:08,230 --> 00:12:07,040

precisely i don't know it might have

361

00:12:09,990 --> 00:12:08,240

been coveted

362

00:12:12,310 --> 00:12:10,000

it might have been they felt like uh

363

00:12:14,150 --> 00:12:12,320

because of covet people needed more time

364

00:12:15,590 --> 00:12:14,160

it doesn't really matter what they

365

00:12:17,269 --> 00:12:15,600

thought yeah it doesn't matter i'm just

366

00:12:19,430 --> 00:12:17,279

i'm just curious

367

00:12:21,190 --> 00:12:19,440

they're making up laws you can't do that

368

00:12:24,790 --> 00:12:21,200

okay but still

369

00:12:25,190 --> 00:12:24,800

that means that any uh ballots that came

370

00:12:27,269 --> 00:12:25,200

in

371

00:12:28,710 --> 00:12:27,279

after election day would be the ones

372

00:12:31,110 --> 00:12:28,720

that would be tossed out

373

00:12:31,990 --> 00:12:31,120

and do we know how many ballots that is

374

00:12:35,350 --> 00:12:32,000

because i've heard that's

375

00:12:37,670 --> 00:12:35,360

a pretty modest number justice alito

376

00:12:39,110 --> 00:12:37,680

justice alito demanded that they

377

00:12:41,509 --> 00:12:39,120

segregate the ballots

378

00:12:42,310 --> 00:12:41,519

so we should be able to find out if they

379

00:12:44,150 --> 00:12:42,320

did that

380

00:12:46,310 --> 00:12:44,160

in fact if they didn't then they

381

00:12:48,310 --> 00:12:46,320

violated a court order like that

382

00:12:49,750 --> 00:12:48,320

that's reason for throwing it out so we

383

00:12:52,470 --> 00:12:49,760

would need because

384

00:12:54,790 --> 00:12:52,480

by it looks like the count is biden one

385

00:12:57,509 --> 00:12:54,800

pennsylvania by about 69 000

386

00:12:58,310 --> 00:12:57,519

votes so right and trump was ahead by

387

00:13:01,509 --> 00:12:58,320

700

388

00:13:05,190 --> 00:13:01,519

000 going into the overnight hours yeah

389

00:13:05,670 --> 00:13:05,200

but he was also yeah but biden was way

390

00:13:07,990 --> 00:13:05,680

ahead

391

00:13:10,069 --> 00:13:08,000

in florida early and then trump overcame

392

00:13:11,430 --> 00:13:10,079

him so i think these states all went in

393

00:13:13,190 --> 00:13:11,440

different directions based on when they

394

00:13:14,389 --> 00:13:13,200

counted the mail-in you had this huge

395

00:13:16,790 --> 00:13:14,399

discrepancy between

396

00:13:18,150 --> 00:13:16,800

way ahead early in florida you must not

397

00:13:21,030 --> 00:13:18,160

have seen all the numbers

398

00:13:21,590 --> 00:13:21,040

trump trump was way ahead in florida

399

00:13:23,190 --> 00:13:21,600

well

400

00:13:25,829 --> 00:13:23,200

all i know is i was watching florida

401
00:13:27,910 --> 00:13:25,839
very closely and at about 50 percent

402
00:13:29,269 --> 00:13:27,920
counted trump was down trump made a big

403
00:13:31,750 --> 00:13:29,279
comeback in the last

404
00:13:33,030 --> 00:13:31,760
50 i mean that's my specific

405
00:13:34,150 --> 00:13:33,040
recollection of watching the election

406
00:13:35,430 --> 00:13:34,160
results that night maybe i'm

407
00:13:38,069 --> 00:13:35,440
misremembering but

408
00:13:39,430 --> 00:13:38,079
um you know i i think you know some of

409
00:13:40,150 --> 00:13:39,440
these states we know pennsylvania

410
00:13:44,310 --> 00:13:40,160
counted

411
00:13:46,069 --> 00:13:44,320
the mail-ins after the in-persons

412
00:13:48,230 --> 00:13:46,079
i think florida probably counted the

413
00:13:49,590 --> 00:13:48,240

mail-ins before the in persons and and

414

00:13:50,870 --> 00:13:49,600

hence the reason why you would get that

415

00:13:53,430 --> 00:13:50,880

flip i mean look we can't dispute the

416

00:13:55,910 --> 00:13:53,440

fact that mail-ins were heavy biden

417

00:13:57,430 --> 00:13:55,920

and in person was favored trump right so

418

00:13:59,110 --> 00:13:57,440

obviously

419

00:14:01,269 --> 00:13:59,120

my point is i'm not going to say that oh

420

00:14:02,710 --> 00:14:01,279

my gosh this is fraudulent because all

421

00:14:03,590 --> 00:14:02,720

of a sudden trump was winning big and

422

00:14:05,110 --> 00:14:03,600

then he lost

423

00:14:06,629 --> 00:14:05,120

there's an easy explanation for that

424

00:14:07,670 --> 00:14:06,639

that's the fact the mail-in ballots were

425

00:14:08,710 --> 00:14:07,680

heavy biden

426

00:14:10,710 --> 00:14:08,720

and you have to count the mail-in

427

00:14:14,150 --> 00:14:10,720

ballots i i just don't like that as an

428

00:14:15,590 --> 00:14:14,160

as our argument that it's fraudulent no

429

00:14:17,990 --> 00:14:15,600

well i think it you have to put

430

00:14:19,269 --> 00:14:18,000

everything together and you have to put

431

00:14:21,030 --> 00:14:19,279

all the pieces together

432

00:14:22,870 --> 00:14:21,040

the timing of it and you also have to

433

00:14:25,670 --> 00:14:22,880

put together if uh

434

00:14:26,230 --> 00:14:25,680

extraneous ballots showed up uh you know

435

00:14:28,829 --> 00:14:26,240

the the

436

00:14:29,990 --> 00:14:28,839

claim in wisconsin for example is that

437

00:14:32,150 --> 00:14:30,000

um

438

00:14:34,710 --> 00:14:32,160

how many was it i think it was 62 000

439

00:14:37,750 --> 00:14:34,720

ballots showed up at 4am

440

00:14:39,990 --> 00:14:37,760

and uh and changed the numbers then

441

00:14:41,269 --> 00:14:40,000

and that by the way is a statistical

442

00:14:43,829 --> 00:14:41,279

issue for me as well

443

00:14:45,110 --> 00:14:43,839

because you look at statistics and i'm a

444

00:14:47,509 --> 00:14:45,120

numbers guy

445

00:14:48,870 --> 00:14:47,519

and that and you see the normal give and

446

00:14:51,110 --> 00:14:48,880

take of balloting if you

447

00:14:52,230 --> 00:14:51,120

watch minute by minute the numbers

448

00:14:53,829 --> 00:14:52,240

coming in

449

00:14:55,590 --> 00:14:53,839

you know they go up a little bit for one

450

00:14:56,790 --> 00:14:55,600

they go up a little for the other person

451
00:14:59,509 --> 00:14:56,800
back and forth

452
00:15:00,310 --> 00:14:59,519
but then you know overnight between 2

453
00:15:03,030 --> 00:15:00,320
a.m and 6

454
00:15:05,269 --> 00:15:03,040
a.m you see sudden jumps outrageously

455
00:15:08,310 --> 00:15:05,279
large numbers for one person only

456
00:15:09,430 --> 00:15:08,320
that looks extremely uh suspicious and

457
00:15:12,069 --> 00:15:09,440
then when you get

458
00:15:13,110 --> 00:15:12,079
on this you know on the ground people

459
00:15:16,949 --> 00:15:13,120
who said we saw

460
00:15:19,030 --> 00:15:16,959
you know three uh cars pull up with 61

461
00:15:20,949 --> 00:15:19,040
boxes of ballots for biden and there

462
00:15:23,670 --> 00:15:20,959
wasn't one trump ballot

463
00:15:27,189 --> 00:15:23,680

those kind of affidavits lend credence

464

00:15:29,749 --> 00:15:27,199

to the statistical analysis

465

00:15:31,189 --> 00:15:29,759

yeah so i mean again at the end of the

466

00:15:33,990 --> 00:15:31,199

day we're going to need the

467

00:15:35,749 --> 00:15:34,000

the hard evidence um because right now i

468

00:15:37,110 --> 00:15:35,759

know a lot of people think

469

00:15:39,509 --> 00:15:37,120

yeah i think a lot of people think it's

470

00:15:43,269 --> 00:15:39,519

it smells fishy

471

00:15:45,269 --> 00:15:43,279

and you know i'm certainly very open

472

00:15:46,470 --> 00:15:45,279

to this review i think it's excellent

473

00:15:49,749 --> 00:15:46,480

that we're going to have this

474

00:15:52,710 --> 00:15:49,759

audit um and finally find out what's

475

00:15:53,509 --> 00:15:52,720

going on we know there are fraudulent

476
00:15:55,110 --> 00:15:53,519
balance i think

477
00:15:56,550 --> 00:15:55,120
no one would disagree that there's some

478
00:15:57,590 --> 00:15:56,560
level of fraud that there's at least one

479
00:15:59,189 --> 00:15:57,600
fraudulent ballot

480
00:16:00,949 --> 00:15:59,199
right so if you can believe there's one

481
00:16:02,949 --> 00:16:00,959
fraudulent ballot then the question is

482
00:16:05,350 --> 00:16:02,959
how many fraudulent ballots are they are

483
00:16:07,590 --> 00:16:05,360
there and let's finally get to

484
00:16:09,509 --> 00:16:07,600
the bottom of this and and find out and

485
00:16:11,749 --> 00:16:09,519
and if it turns out that

486
00:16:13,189 --> 00:16:11,759
the fraud was minimal then great we

487
00:16:13,910 --> 00:16:13,199
learned that if it turns out the fraud

488
00:16:15,430 --> 00:16:13,920

was

489

00:16:17,829 --> 00:16:15,440

more than minimal then we learned that

490

00:16:20,230 --> 00:16:17,839

but let's find out

491

00:16:21,670 --> 00:16:20,240

yeah that's a good point uh we do know

492

00:16:22,870 --> 00:16:21,680

in nevada for example there are

493

00:16:25,350 --> 00:16:22,880

thousands of people

494

00:16:27,030 --> 00:16:25,360

who were not in state and there are a

495

00:16:28,550 --> 00:16:27,040

few of those who were military and

496

00:16:30,230 --> 00:16:28,560

that's fine they were out of state and

497

00:16:30,870 --> 00:16:30,240

voted but the others who had moved out

498

00:16:33,749 --> 00:16:30,880

of the state

499

00:16:34,790 --> 00:16:33,759

shouldn't be counted uh also we've

500

00:16:37,350 --> 00:16:34,800

looked at

501
00:16:39,110 --> 00:16:37,360
you know the national database of deaths

502
00:16:40,710 --> 00:16:39,120
and that compared to ballots

503
00:16:42,230 --> 00:16:40,720
and it turns out a lot of those people

504
00:16:45,269 --> 00:16:42,240
who are dead voted

505
00:16:48,550 --> 00:16:45,279
and that's that's the problem having

506
00:16:52,389 --> 00:16:48,560
overseen ballot counting before right

507
00:16:53,590 --> 00:16:52,399
how do they um how do they catch that on

508
00:16:54,389 --> 00:16:53,600
the day of i mean it just seems to me

509
00:16:57,269 --> 00:16:54,399
you're counting

510
00:16:58,230 --> 00:16:57,279
millions of ballots are you telling me

511
00:17:02,230 --> 00:16:58,240
the signature

512
00:17:04,549 --> 00:17:02,240
is compared every single time yes

513
00:17:05,429 --> 00:17:04,559

in reputable states where they do it by

514

00:17:07,829 --> 00:17:05,439

the book

515

00:17:09,590 --> 00:17:07,839

they do they have the signatures and

516

00:17:12,470 --> 00:17:09,600

they even allow for a little bit you

517

00:17:14,230 --> 00:17:12,480

know people's signatures change slightly

518

00:17:15,909 --> 00:17:14,240

and what they would do for example in my

519

00:17:18,069 --> 00:17:15,919

state colorado

520

00:17:19,270 --> 00:17:18,079

is is your signature differs a little

521

00:17:21,750 --> 00:17:19,280

bit too much

522

00:17:22,870 --> 00:17:21,760

you get a call after the election like

523

00:17:25,270 --> 00:17:22,880

the next day

524

00:17:26,470 --> 00:17:25,280

and you're saying did you have a stroke

525

00:17:28,069 --> 00:17:26,480

did you break your arm

526

00:17:30,070 --> 00:17:28,079

why is your signature different and they

527

00:17:32,230 --> 00:17:30,080

better have a good reason and by the way

528

00:17:34,710 --> 00:17:32,240

is that for an in-person vote or for a

529

00:17:37,990 --> 00:17:34,720

mail-in vote

530

00:17:40,230 --> 00:17:38,000

uh either all ballots all

531

00:17:41,029 --> 00:17:40,240

well in colorado there's really no

532

00:17:43,909 --> 00:17:41,039

longer

533

00:17:45,510 --> 00:17:43,919

many in-person votes it's rare because

534

00:17:48,789 --> 00:17:45,520

in colorado 100

535

00:17:51,270 --> 00:17:48,799

of the voter registration file is

536

00:17:52,870 --> 00:17:51,280

sent a ballot and so normally everybody

537

00:17:54,950 --> 00:17:52,880

just signs an envelope

538

00:17:55,909 --> 00:17:54,960

and deposits it in the mail or at a

539

00:17:58,230 --> 00:17:55,919

voter center

540

00:17:59,190 --> 00:17:58,240

right and then if you go to vote in

541

00:18:01,510 --> 00:17:59,200

person california

542

00:18:02,230 --> 00:18:01,520

california california's the same way um

543

00:18:03,430 --> 00:18:02,240

so we get

544

00:18:06,310 --> 00:18:03,440

i don't know what the percentages are

545

00:18:08,789 --> 00:18:06,320

but probably 70 percent are mail-in

546

00:18:09,830 --> 00:18:08,799

um but for the people that go to the

547

00:18:11,510 --> 00:18:09,840

poll

548

00:18:14,230 --> 00:18:11,520

what is the means of identification

549

00:18:17,430 --> 00:18:14,240

typically they have a voter

550

00:18:19,270 --> 00:18:17,440

um a a book of signatures they've got a

551
00:18:20,390 --> 00:18:19,280
book of registrations and you better be

552
00:18:22,070 --> 00:18:20,400
in it

553
00:18:23,590 --> 00:18:22,080
so you you go and you give your name i

554
00:18:24,870 --> 00:18:23,600
know there's all this controversy over

555
00:18:26,710 --> 00:18:24,880
whether you should have to show an id

556
00:18:27,990 --> 00:18:26,720
or not seems like a no-brainer that you

557
00:18:30,070 --> 00:18:28,000
should show an id but

558
00:18:31,510 --> 00:18:30,080
in 100 countries in the world you have

559
00:18:33,750 --> 00:18:31,520
to use order id

560
00:18:35,669 --> 00:18:33,760
why don't we use it right so instead we

561
00:18:37,110 --> 00:18:35,679
just walk into the poll room and give

562
00:18:39,990 --> 00:18:37,120
our name

563
00:18:41,110 --> 00:18:40,000

right name and address depends on the

564

00:18:43,669 --> 00:18:41,120

state

565

00:18:45,110 --> 00:18:43,679

and then they look you up to see that

566

00:18:46,950 --> 00:18:45,120

you're on there

567

00:18:48,870 --> 00:18:46,960

and then what you probably sign your

568

00:18:51,669 --> 00:18:48,880

name next to

569

00:18:52,789 --> 00:18:51,679

yeah next your name so that that's our

570

00:18:56,070 --> 00:18:52,799

identification

571

00:18:57,750 --> 00:18:56,080

sorry i mean signatures today you know

572

00:18:59,110 --> 00:18:57,760

we hardly you think you know even with a

573

00:19:00,310 --> 00:18:59,120

credit card

574

00:19:02,390 --> 00:19:00,320

most of the time they don't require a

575

00:19:04,549 --> 00:19:02,400

signature anymore i mean it's

576

00:19:05,830 --> 00:19:04,559

the banks don't require a signature on

577

00:19:07,990 --> 00:19:05,840

credit cards

578

00:19:09,510 --> 00:19:08,000

if some stores do i don't know why

579

00:19:10,870 --> 00:19:09,520

because it's not really necessary

580

00:19:13,029 --> 00:19:10,880

anymore

581

00:19:14,630 --> 00:19:13,039

they just go by the credit card itself i

582

00:19:15,750 --> 00:19:14,640

know when i do sign my signature on

583

00:19:17,190 --> 00:19:15,760

something i just

584

00:19:18,549 --> 00:19:17,200

scribble something and it wouldn't match

585

00:19:19,350 --> 00:19:18,559

anything and i think a lot of people do

586

00:19:22,070 --> 00:19:19,360

that it's just such an

587

00:19:22,870 --> 00:19:22,080

antiquated way of security these days

588

00:19:24,549 --> 00:19:22,880

well

589

00:19:26,230 --> 00:19:24,559

a thumb print would be better we could

590

00:19:29,350 --> 00:19:26,240

go to that system

591

00:19:32,710 --> 00:19:29,360

boy would that really cut down on fraud

592

00:19:33,990 --> 00:19:32,720

because don't don't match you know i

593

00:19:35,909 --> 00:19:34,000

mean

594

00:19:37,190 --> 00:19:35,919

you can't really fake it you know a

595

00:19:39,750 --> 00:19:37,200

computer could easily

596

00:19:41,590 --> 00:19:39,760

check that you would think oh absolutely

597

00:19:44,950 --> 00:19:41,600

yeah

598

00:19:47,990 --> 00:19:44,960

let me ask you this in the past what is

599

00:19:50,630 --> 00:19:48,000

give me an example of major voter fraud

600

00:19:52,390 --> 00:19:50,640

that has been uncovered in a an election

601
00:19:52,789 --> 00:19:52,400
whether it be presidential or other fed

602
00:19:55,590 --> 00:19:52,799
you know

603
00:19:56,150 --> 00:19:55,600
senate congress major fraud that's been

604
00:19:59,190 --> 00:19:56,160
uncovered

605
00:20:04,230 --> 00:19:59,200
in voting well um

606
00:20:07,510 --> 00:20:04,240
i believe uh nixon kennedy you know the

607
00:20:10,310 --> 00:20:07,520
mayor daley was famous in chicago for

608
00:20:11,990 --> 00:20:10,320
seeing to it that democrats would win

609
00:20:14,470 --> 00:20:12,000
the city of chicago

610
00:20:15,270 --> 00:20:14,480
and a lot of people feel that uh he

611
00:20:17,510 --> 00:20:15,280
waited

612
00:20:19,990 --> 00:20:17,520
to turn in more ballots for kennedy so

613
00:20:24,070 --> 00:20:20,000

that nixon would lose illinois

614

00:20:25,830 --> 00:20:24,080

same thing happened in texas and nixon

615

00:20:27,909 --> 00:20:25,840

didn't want to put the country into a

616

00:20:31,270 --> 00:20:27,919

crisis by challenging it

617

00:20:32,549 --> 00:20:31,280

and he conceded but probably nixon won

618

00:20:35,750 --> 00:20:32,559

in 1960.

619

00:20:39,110 --> 00:20:35,760

did nixon how many states did he lose by

620

00:20:40,070 --> 00:20:39,120

two two illinois and texas so he would

621

00:20:42,950 --> 00:20:40,080

have had to overturn

622

00:20:44,470 --> 00:20:42,960

both texas and illinois right and you

623

00:20:45,590 --> 00:20:44,480

happen to recall the number of votes

624

00:20:47,270 --> 00:20:45,600

that were

625

00:20:48,789 --> 00:20:47,280

at stake there how much he lost that

626

00:20:49,990 --> 00:20:48,799

year i'd have to look it up i don't

627

00:20:51,669 --> 00:20:50,000

remember it

628

00:20:53,350 --> 00:20:51,679

but anyway they were they were pretty

629

00:20:54,710 --> 00:20:53,360

close probably about you lost by about a

630

00:20:55,750 --> 00:20:54,720

point or something like that in each one

631

00:20:58,149 --> 00:20:55,760

of them

632

00:20:59,029 --> 00:20:58,159

oh you mean the number percentage oh

633

00:21:01,350 --> 00:20:59,039

it's very close

634

00:21:02,789 --> 00:21:01,360

extremely close it might have been 100

635

00:21:05,750 --> 00:21:02,799

000 votes each

636

00:21:09,190 --> 00:21:05,760

was there at least a recount no no

637

00:21:11,510 --> 00:21:09,200

recount he didn't challenge he conceded

638

00:21:12,549 --> 00:21:11,520

it would be as if trump conceded right

639

00:21:14,470 --> 00:21:12,559

away

640

00:21:16,070 --> 00:21:14,480

immediately on wednesday which he didn't

641

00:21:18,789 --> 00:21:16,080

do so

642

00:21:21,270 --> 00:21:18,799

there was never any investigation into

643

00:21:23,350 --> 00:21:21,280

that alleged fraud then

644

00:21:25,029 --> 00:21:23,360

no formal investigation no legal

645

00:21:27,110 --> 00:21:25,039

investigation there might have been some

646

00:21:29,590 --> 00:21:27,120

people that tried to you know historians

647

00:21:31,510 --> 00:21:29,600

have wanted to know for themselves

648

00:21:33,909 --> 00:21:31,520

and was the belief there that it was

649

00:21:39,110 --> 00:21:33,919

dead people voting

650

00:21:40,310 --> 00:21:39,120

uh a lot of them yes and how do you

651
00:21:41,990 --> 00:21:40,320
again i'm trying to get the hard

652
00:21:42,789 --> 00:21:42,000
evidence here so and just walking

653
00:21:45,909 --> 00:21:42,799
through how this

654
00:21:47,190 --> 00:21:45,919
happens right so you you've got dead

655
00:21:50,390 --> 00:21:47,200
people on the roll so

656
00:21:50,870 --> 00:21:50,400
who is voting for these dead people how

657
00:21:53,350 --> 00:21:50,880
does this

658
00:21:54,070 --> 00:21:53,360
happen well for example let's take a

659
00:21:56,870 --> 00:21:54,080
state

660
00:21:58,630 --> 00:21:56,880
that mails out their entire uh

661
00:22:01,510 --> 00:21:58,640
registration rolls

662
00:22:03,110 --> 00:22:01,520
and sends each one on the roll a ballot

663
00:22:07,110 --> 00:22:03,120

you know some people

664

00:22:08,549 --> 00:22:07,120

of state and there may be other reasons

665

00:22:10,310 --> 00:22:08,559

why people they may have moved to a

666

00:22:12,950 --> 00:22:10,320

different city within the state and they

667

00:22:14,230 --> 00:22:12,960

shouldn't be registered in san diego now

668

00:22:16,870 --> 00:22:14,240

or whatever

669

00:22:18,390 --> 00:22:16,880

uh they should have a registration in la

670

00:22:21,990 --> 00:22:18,400

maybe let's say

671

00:22:24,549 --> 00:22:22,000

okay so those things happen but

672

00:22:25,669 --> 00:22:24,559

uh this the votes go i heard someone in

673

00:22:28,549 --> 00:22:25,679

california

674

00:22:30,870 --> 00:22:28,559

say for this election he lived in an

675

00:22:34,230 --> 00:22:30,880

apartment building he said i received

676

00:22:37,110 --> 00:22:34,240

five ballots at my apartment his own

677

00:22:38,870 --> 00:22:37,120

and four others and he presumed he said

678

00:22:40,310 --> 00:22:38,880

he figured the other four must have

679

00:22:41,990 --> 00:22:40,320

previously lived

680

00:22:43,510 --> 00:22:42,000

and given that address and that's why

681

00:22:45,830 --> 00:22:43,520

they were sent there

682

00:22:46,870 --> 00:22:45,840

so he had five fellows now if you're an

683

00:22:48,710 --> 00:22:46,880

honest person

684

00:22:50,070 --> 00:22:48,720

you throw out the other four you don't

685

00:22:52,950 --> 00:22:50,080

try to vote for them

686

00:22:54,070 --> 00:22:52,960

but what can happen is somebody died and

687

00:22:56,789 --> 00:22:54,080

uh

688

00:22:58,230 --> 00:22:56,799

their house maybe they want to make sure

689

00:23:00,710 --> 00:22:58,240

that somebody gets elected

690

00:23:01,510 --> 00:23:00,720

so they put in an extra vote that's how

691

00:23:04,549 --> 00:23:01,520

it happens

692

00:23:05,669 --> 00:23:04,559

yeah now theoretically theoretically it

693

00:23:06,789 --> 00:23:05,679

should be tossed out because the

694

00:23:08,070 --> 00:23:06,799

signature doesn't match

695

00:23:09,909 --> 00:23:08,080

because the person would have to know

696

00:23:12,950 --> 00:23:09,919

that person's signature right

697

00:23:15,029 --> 00:23:12,960

exactly but they're not always checked

698

00:23:18,149 --> 00:23:15,039

a lot of states are eliminating the

699

00:23:20,470 --> 00:23:18,159

voter verification with uh signature

700

00:23:21,590 --> 00:23:20,480

which i'm against but if but if that

701
00:23:24,630 --> 00:23:21,600
were

702
00:23:26,070 --> 00:23:24,640
the basis for the the fraud that's kind

703
00:23:27,270 --> 00:23:26,080
of onesie twozy

704
00:23:29,909 --> 00:23:27,280
kind of stuff because that could have

705
00:23:31,110 --> 00:23:29,919
shown up it's like a thousand or two

706
00:23:32,549 --> 00:23:31,120
thousand it's not

707
00:23:35,669 --> 00:23:32,559
but but here's my point though that's

708
00:23:37,669 --> 00:23:35,679
not organized fraud that's an individual

709
00:23:39,110 --> 00:23:37,679
deciding oh i got an extra ballot i'm

710
00:23:40,230 --> 00:23:39,120
going to vote and by the way he could be

711
00:23:41,909 --> 00:23:40,240
a trump voter

712
00:23:43,830 --> 00:23:41,919
so you know kind of equal chance he

713
00:23:45,190 --> 00:23:43,840

could have been trump or biden there so

714

00:23:47,750 --> 00:23:45,200

it doesn't seem to me that's going to

715

00:23:49,269 --> 00:23:47,760

account for enough to overturn what

716

00:23:50,230 --> 00:23:49,279

needs to be overturned in these states

717

00:23:52,310 --> 00:23:50,240

so

718

00:23:53,430 --> 00:23:52,320

you know i think what is going to need

719

00:23:56,549 --> 00:23:53,440

to be uncovered is

720

00:23:59,350 --> 00:23:56,559

organized premeditated

721

00:24:00,870 --> 00:23:59,360

fraud that right let me bring up a point

722

00:24:01,269 --> 00:24:00,880

you haven't brought up yet might as well

723

00:24:04,310 --> 00:24:01,279

mention

724

00:24:07,110 --> 00:24:04,320

it as a premeditated fraud

725

00:24:08,390 --> 00:24:07,120

and that is the dominion software you

726

00:24:12,230 --> 00:24:08,400

know um

727

00:24:13,590 --> 00:24:12,240

the trump campaign says that they have

728

00:24:15,190 --> 00:24:13,600

evidence they're presenting to the

729

00:24:17,990 --> 00:24:15,200

courts this week

730

00:24:19,669 --> 00:24:18,000

that the software had a back door and

731

00:24:22,149 --> 00:24:19,679

the back door was put in

732

00:24:23,110 --> 00:24:22,159

intentionally the software is owned by

733

00:24:25,669 --> 00:24:23,120

someone who is

734

00:24:27,990 --> 00:24:25,679

now on the biden transition team this is

735

00:24:31,029 --> 00:24:28,000

the software used in 30 states

736

00:24:32,789 --> 00:24:31,039

used all over michigan and it's software

737

00:24:34,470 --> 00:24:32,799

they say has a back door

738

00:24:36,630 --> 00:24:34,480

where you can monitor the voting and

739

00:24:38,070 --> 00:24:36,640

decide how many more to add to one side

740

00:24:40,390 --> 00:24:38,080

or the other

741

00:24:42,390 --> 00:24:40,400

now that would be organized that would

742

00:24:44,149 --> 00:24:42,400

be definitely criminal

743

00:24:46,070 --> 00:24:44,159

yeah well it does raise the question

744

00:24:49,110 --> 00:24:46,080

this is another question i have for you

745

00:24:51,269 --> 00:24:49,120

um is that you know we know that

746

00:24:53,110 --> 00:24:51,279

dictators steal elections around the

747

00:24:56,470 --> 00:24:53,120

world you know putin gets

748

00:24:59,909 --> 00:24:56,480

92 of the vote the guy in venezuela

749

00:25:02,950 --> 00:25:02,070

do we believe that that's people that

750

00:25:05,430 --> 00:25:02,960

are just

751
00:25:07,669 --> 00:25:05,440
scared to not vote for putin or we think

752
00:25:10,390 --> 00:25:07,679
that that is election fraud

753
00:25:10,950 --> 00:25:10,400
oh i think it's election fraud and how

754
00:25:12,630 --> 00:25:10,960
do we

755
00:25:15,110 --> 00:25:12,640
has there ever been any stories or

756
00:25:16,310 --> 00:25:15,120
analysis as to how it

757
00:25:17,909 --> 00:25:16,320
what happens in other words does it

758
00:25:19,669 --> 00:25:17,919
happen through some type of software

759
00:25:23,269 --> 00:25:19,679
program like dominion

760
00:25:25,990 --> 00:25:23,279
yes absolutely and in fact

761
00:25:28,070 --> 00:25:26,000
my understanding is and again i'm

762
00:25:30,630 --> 00:25:28,080
looking to the lawsuits to give me more

763
00:25:33,510 --> 00:25:30,640

information too when they release it and

764

00:25:35,669 --> 00:25:33,520

that is that a venezuelan company was on

765

00:25:38,070 --> 00:25:35,679

contract with a number of our states to

766

00:25:40,310 --> 00:25:38,080

do our vote counting for us

767

00:25:43,430 --> 00:25:40,320

if that's true i would expect to be more

768

00:25:45,669 --> 00:25:43,440

likely to be foreign

769

00:25:46,789 --> 00:25:45,679

yeah and then the question is is this

770

00:25:48,390 --> 00:25:46,799

the first time

771

00:25:50,390 --> 00:25:48,400

if there was this type of fraud is this

772

00:25:53,190 --> 00:25:50,400

the first time or has it been

773

00:25:56,310 --> 00:25:53,200

i think we have evidence it goes back

774

00:25:58,870 --> 00:25:56,320

that it's happened in other elections uh

775

00:26:00,470 --> 00:25:58,880

and and they have proof on that too so i

776

00:26:02,549 --> 00:26:00,480

i think

777

00:26:04,870 --> 00:26:02,559

if there's something here it's big and

778

00:26:06,470 --> 00:26:04,880

if it's big it's gonna be another deep

779

00:26:08,710 --> 00:26:06,480

state

780

00:26:10,390 --> 00:26:08,720

if you will scandal that's being

781

00:26:11,269 --> 00:26:10,400

surfaced and we're going to have to wait

782

00:26:13,909 --> 00:26:11,279

and see if that's

783

00:26:15,110 --> 00:26:13,919

the truth or not i don't know you know

784

00:26:17,510 --> 00:26:15,120

ultimately i'm an

785

00:26:20,470 --> 00:26:17,520

analyst i'm a numbers guy i analyze

786

00:26:22,149 --> 00:26:20,480

numbers i can't guarantee

787

00:26:24,390 --> 00:26:22,159

you know every number that somebody

788

00:26:25,669 --> 00:26:24,400

gives me is correct and

789

00:26:27,269 --> 00:26:25,679

we're going to have to wait and see what

790

00:26:29,510 --> 00:26:27,279

happens but i think a lot's going to

791

00:26:30,789 --> 00:26:29,520

happen in the next couple of weeks

792

00:26:34,070 --> 00:26:30,799

let's go back to talking about the poll

793

00:26:36,390 --> 00:26:34,080

workers um because i mentioned that

794

00:26:38,070 --> 00:26:36,400

a lot of them are volunteers but right

795

00:26:39,350 --> 00:26:38,080

again i'm talking about not the people

796

00:26:40,390 --> 00:26:39,360

that are volunteering for the republican

797

00:26:41,990 --> 00:26:40,400

or democratic party i'm talking about

798

00:26:43,590 --> 00:26:42,000

the actual vote counters

799

00:26:44,870 --> 00:26:43,600

now that's what the reporters kept

800

00:26:46,870 --> 00:26:44,880

saying i don't know if that was true or

801
00:26:48,630 --> 00:26:46,880
not i don't you happen to know in

802
00:26:49,830 --> 00:26:48,640
and i'm sure each state is different

803
00:26:52,310 --> 00:26:49,840
whether these poll workers are

804
00:26:54,950 --> 00:26:52,320
volunteers or they're paid

805
00:26:56,390 --> 00:26:54,960
they're both there are a lot of there

806
00:26:58,470 --> 00:26:56,400
are a lot of people for example i'll

807
00:27:00,789 --> 00:26:58,480
take colorado since i know it very well

808
00:27:03,510 --> 00:27:00,799
i'm very intimate with this state

809
00:27:04,630 --> 00:27:03,520
in colorado the judges are typically

810
00:27:06,630 --> 00:27:04,640
paid

811
00:27:08,470 --> 00:27:06,640
by the local county you know every

812
00:27:10,310 --> 00:27:08,480
election is really a county election in

813
00:27:11,510 --> 00:27:10,320

the united states there are 3 000

814

00:27:13,110 --> 00:27:11,520

counties

815

00:27:15,590 --> 00:27:13,120

and each county you know we don't have a

816

00:27:17,590 --> 00:27:15,600

national election that everybody votes

817

00:27:20,070 --> 00:27:17,600

for president and it's all run by the

818

00:27:23,510 --> 00:27:20,080

federal government it's run by counties

819

00:27:25,909 --> 00:27:23,520

and in accounting uh they normally

820

00:27:27,669 --> 00:27:25,919

pay the judges and they'll have

821

00:27:31,110 --> 00:27:27,679

republican judges

822

00:27:34,149 --> 00:27:31,120

and democrat governor uh judges or paid

823

00:27:36,630 --> 00:27:34,159

a fee fifty dollars to work a day or a

824

00:27:38,549 --> 00:27:36,640

hundred dollars whatever the amount is

825

00:27:39,830 --> 00:27:38,559

and then and they are the principal

826

00:27:42,389 --> 00:27:39,840

counters and they

827

00:27:44,070 --> 00:27:42,399

they watch everything very closely and

828

00:27:45,190 --> 00:27:44,080

they're trained by their parties to do

829

00:27:46,710 --> 00:27:45,200

the job

830

00:27:48,950 --> 00:27:46,720

and they're also trained by the county

831

00:27:49,909 --> 00:27:48,960

to follow the state laws and the county

832

00:27:52,310 --> 00:27:49,919

laws

833

00:27:54,630 --> 00:27:52,320

okay then in addition they have poll

834

00:27:54,950 --> 00:27:54,640

watchers and poll watchers the judges

835

00:27:57,430 --> 00:27:54,960

and

836

00:27:59,110 --> 00:27:57,440

election judges are normally paid poll

837

00:28:01,909 --> 00:27:59,120

watchers are normally

838

00:28:02,950 --> 00:28:01,919

free they're volunteers they care they

839

00:28:05,590 --> 00:28:02,960

want to help

840

00:28:07,830 --> 00:28:05,600

uh but it's you know they may only have

841

00:28:09,510 --> 00:28:07,840

three hours they don't have 12 hours

842

00:28:11,110 --> 00:28:09,520

so and sorry i'm sorry to interrupt are

843

00:28:12,470 --> 00:28:11,120

you saying that the judges are

844

00:28:14,310 --> 00:28:12,480

either republican or democrat they

845

00:28:16,630 --> 00:28:14,320

always make sure there's one of each

846

00:28:17,990 --> 00:28:16,640

yes normally yeah how else can it be

847

00:28:20,310 --> 00:28:18,000

fair

848

00:28:22,710 --> 00:28:20,320

yeah well i mean you would think it's it

849

00:28:24,230 --> 00:28:22,720

should be a non-partisan a political

850

00:28:25,350 --> 00:28:24,240

position we're supposed to just have

851

00:28:28,710 --> 00:28:25,360

blindens on and do

852

00:28:32,630 --> 00:28:28,720

vote counting not be able for not

853

00:28:37,909 --> 00:28:36,230

of a county clerk or secretary of state

854

00:28:39,909 --> 00:28:37,919

the full-time employees are supposed to

855

00:28:40,310 --> 00:28:39,919

be nonpartisan there's no guarantee

856

00:28:44,310 --> 00:28:40,320

there

857

00:28:47,110 --> 00:28:44,320

for political reasons

858

00:28:47,510 --> 00:28:47,120

and uh some would lean one way or the

859

00:28:48,870 --> 00:28:47,520

other

860

00:28:50,789 --> 00:28:48,880

they're supposed to be objective no

861

00:28:52,470 --> 00:28:50,799

matter what by law

862

00:28:54,389 --> 00:28:52,480

and that but the judges are normally

863

00:28:57,110 --> 00:28:54,399

partisan and usually

864

00:28:58,310 --> 00:28:57,120

equal representation if you don't see

865

00:29:01,590 --> 00:28:58,320

equal representation

866

00:29:02,389 --> 00:29:01,600

that's a problem so uh have you followed

867

00:29:05,269 --> 00:29:02,399

the story

868

00:29:07,190 --> 00:29:05,279

about mark zuckerberg and his 400

869

00:29:09,510 --> 00:29:07,200

million dollars that he

870

00:29:11,750 --> 00:29:09,520

uh yeah i'm a little familiar with it

871

00:29:13,269 --> 00:29:11,760

not an expert on it

872

00:29:16,310 --> 00:29:13,279

i thought i would thought it was pretty

873

00:29:19,269 --> 00:29:16,320

fascinating so basically under

874

00:29:19,990 --> 00:29:19,279

the the covid uh stimulus i forget what

875

00:29:23,590 --> 00:29:20,000

that was

876

00:29:26,789 --> 00:29:23,600

called but there was money allocated

877

00:29:28,470 --> 00:29:26,799

to help the vote count i presume because

878

00:29:29,990 --> 00:29:28,480

they were anticipating we were going to

879

00:29:31,909 --> 00:29:30,000

have a lot more mail-in due to

880

00:29:33,430 --> 00:29:31,919

covet and states were going to need more

881

00:29:35,269 --> 00:29:33,440

support so i think it was about 400

882

00:29:37,110 --> 00:29:35,279

million dollars that was allocated

883

00:29:39,029 --> 00:29:37,120

to the states to help with vote counting

884

00:29:41,590 --> 00:29:39,039

in the stimulus package

885

00:29:42,789 --> 00:29:41,600

and then zuckerberg decides that well

886

00:29:45,190 --> 00:29:42,799

that's not

887

00:29:46,630 --> 00:29:45,200

enough you know probably the democrats

888

00:29:46,950 --> 00:29:46,640

had thought a lot more money needed to

889

00:29:50,549 --> 00:29:46,960

be

890

00:29:53,590 --> 00:29:50,559

and says well you know the vote count is

891

00:29:56,389 --> 00:29:53,600

sacred and so important and so i'm going

892

00:30:00,230 --> 00:29:56,399

to contribute 400 million dollars

893

00:30:02,070 --> 00:30:00,240

to this entity um which maybe you know

894

00:30:03,590 --> 00:30:02,080

the name of i could um

895

00:30:05,110 --> 00:30:03,600

dig it up if we need to i forget the

896

00:30:06,710 --> 00:30:05,120

name of any but when you look up this

897

00:30:07,669 --> 00:30:06,720

entity that he gave the 400 million

898

00:30:10,549 --> 00:30:07,679

dollars to

899

00:30:12,950 --> 00:30:10,559

that's going to help the vote count

900

00:30:16,230 --> 00:30:12,960

around the country it's a progressive

901
00:30:19,830 --> 00:30:16,240
obama you know uh

902
00:30:22,070 --> 00:30:19,840
official run organization so it's clear

903
00:30:23,669 --> 00:30:22,080
that this organization their intention

904
00:30:25,909 --> 00:30:23,679
is to make sure

905
00:30:27,430 --> 00:30:25,919
that we get votes counted in the places

906
00:30:30,549 --> 00:30:27,440
that we need votes

907
00:30:32,070 --> 00:30:30,559
counted in um so i i don't know if

908
00:30:33,350 --> 00:30:32,080
you've looked into that much or

909
00:30:35,110 --> 00:30:33,360
what you know i don't know if there's

910
00:30:37,190 --> 00:30:35,120
anything fraudulent

911
00:30:38,870 --> 00:30:37,200
i think that the places where he

912
00:30:39,830 --> 00:30:38,880
supported them i think they voted for

913
00:30:41,510 --> 00:30:39,840

biden

914

00:30:44,310 --> 00:30:41,520

but then i think he picked places that

915

00:30:47,750 --> 00:30:44,320

were probably democrat to start with

916

00:30:49,909 --> 00:30:47,760

sure i mean that would be the way to um

917

00:30:51,909 --> 00:30:49,919

affect the election is you know it's

918

00:30:53,830 --> 00:30:51,919

it's all part of get out the vote

919

00:30:55,430 --> 00:30:53,840

right yeah actually what i think a lot

920

00:30:56,389 --> 00:30:55,440

of people don't realize too is that

921

00:30:59,269 --> 00:30:56,399

google

922

00:31:01,909 --> 00:30:59,279

facebook youtube twitter really made

923

00:31:03,430 --> 00:31:01,919

huge in-kind contributions to the biden

924

00:31:05,509 --> 00:31:03,440

campaign just by

925

00:31:06,630 --> 00:31:05,519

basically suppressing any news that was

926
00:31:09,669 --> 00:31:06,640
negative

927
00:31:12,230 --> 00:31:09,679
on him and uh or suppressing

928
00:31:14,230 --> 00:31:12,240
people knowing negative things about him

929
00:31:15,430 --> 00:31:14,240
but uh playing up anything bad about

930
00:31:17,909 --> 00:31:15,440
trump and also

931
00:31:19,509 --> 00:31:17,919
uh shutting down trump you know trump's

932
00:31:20,710 --> 00:31:19,519
vehicle for communicating with the

933
00:31:22,470 --> 00:31:20,720
american people

934
00:31:24,630 --> 00:31:22,480
whether people liked it or not was

935
00:31:27,190 --> 00:31:24,640
twitter and when they started

936
00:31:27,909 --> 00:31:27,200
you know cutting every tweet down or

937
00:31:30,070 --> 00:31:27,919
saying

938
00:31:32,149 --> 00:31:30,080

uh that's false information that was

939

00:31:34,470 --> 00:31:32,159

really an in-kind contribution

940

00:31:37,029 --> 00:31:34,480

and i'm against censorship of any kind

941

00:31:40,149 --> 00:31:37,039

i'm a first amendment guy

942

00:31:43,669 --> 00:31:40,159

and i do not think anybody should censor

943

00:31:44,310 --> 00:31:43,679

uh people's political opinions well 100

944

00:31:46,470 --> 00:31:44,320

percent

945

00:31:47,909 --> 00:31:46,480

agree that's the whole reason that

946

00:31:50,950 --> 00:31:47,919

they've got the exemption

947

00:31:52,070 --> 00:31:50,960

from defamation suits is to allow it to

948

00:31:54,710 --> 00:31:52,080

be an open platform

949

00:31:55,830 --> 00:31:54,720

to say whatever the heck you want and

950

00:31:57,590 --> 00:31:55,840

but instead

951
00:32:00,710 --> 00:31:57,600
we're in this election instead they're

952
00:32:02,149 --> 00:32:00,720
editing and censoring and

953
00:32:04,470 --> 00:32:02,159
that puts you in the role now as a

954
00:32:06,789 --> 00:32:04,480
publisher and should change

955
00:32:07,830 --> 00:32:06,799
whether they can be sued for defamation

956
00:32:11,029 --> 00:32:07,840
or not

957
00:32:14,549 --> 00:32:11,039
yeah so you know when they do that

958
00:32:18,230 --> 00:32:14,559
about for example uh back in the

959
00:32:20,070 --> 00:32:18,240
heyday of covid and what drugs you

960
00:32:21,590 --> 00:32:20,080
should use or don't use and they wanted

961
00:32:23,669 --> 00:32:21,600
to censor

962
00:32:25,750 --> 00:32:23,679
doctors that put them in the business of

963
00:32:27,110 --> 00:32:25,760

giving medical advice to their

964

00:32:28,789 --> 00:32:27,120

listeners i would think that's a

965

00:32:31,990 --> 00:32:28,799

liability in itself

966

00:32:32,310 --> 00:32:32,000

to say oh don't use that hydroxychloride

967

00:32:41,110 --> 00:32:32,320

or

968

00:32:42,630 --> 00:32:41,120

oh and there's trust me there's we've

969

00:32:43,830 --> 00:32:42,640

done an episode or two on that there's

970

00:32:46,070 --> 00:32:43,840

plenty of doctors

971

00:32:46,870 --> 00:32:46,080

who say that it's absolutely what you

972

00:32:50,310 --> 00:32:46,880

should be taking

973

00:32:50,789 --> 00:32:50,320

sign of anything and if people had been

974

00:32:53,269 --> 00:32:50,799

doing it

975

00:32:54,830 --> 00:32:53,279

with a combination of zinc and if people

976

00:32:56,470 --> 00:32:54,840

had been doing that if the

977

00:32:59,190 --> 00:32:56,480

hospitalization rate would have

978

00:33:00,789 --> 00:32:59,200

gone way down yeah i mean after all a

979

00:33:02,470 --> 00:33:00,799

software engineer supposed to be the

980

00:33:05,750 --> 00:33:02,480

equivalent of medical doctors

981

00:33:08,950 --> 00:33:05,760

specialists uh i think it's utterly

982

00:33:12,230 --> 00:33:08,960

ridiculous that they'd censor anybody

983

00:33:14,230 --> 00:33:12,240

yeah so you know i think one explanation

984

00:33:16,230 --> 00:33:14,240

you know for instance why your modeling

985

00:33:18,070 --> 00:33:16,240

was was off

986

00:33:19,669 --> 00:33:18,080

i don't think my modeling was off well

987

00:33:21,590 --> 00:33:19,679

but you projected a trump victory

988

00:33:22,870 --> 00:33:21,600

and we don't have a trump victory well i

989

00:33:25,430 --> 00:33:22,880

think it still may happen

990

00:33:26,310 --> 00:33:25,440

i know i agree but i'm just saying so

991

00:33:29,430 --> 00:33:26,320

either it was

992

00:33:31,110 --> 00:33:29,440

fraud right which would make your models

993

00:33:33,350 --> 00:33:31,120

wrong because you didn't project fraud

994

00:33:34,549 --> 00:33:33,360

i presume i think we did fraud in my

995

00:33:36,710 --> 00:33:34,559

models but not

996

00:33:39,509 --> 00:33:36,720

much i predict like a little bit like

997

00:33:41,509 --> 00:33:39,519

you said about a thousand here and there

998

00:33:43,029 --> 00:33:41,519

dead people voting i figure there's

999

00:33:43,750 --> 00:33:43,039

always some of that so i put some of

1000

00:33:45,990 --> 00:33:43,760

that in

1001
00:33:47,909 --> 00:33:46,000
but i don't put in hundreds of thousands

1002
00:33:49,190 --> 00:33:47,919
of votes dropping on somebody's lap in

1003
00:33:52,630 --> 00:33:49,200
the middle of the night right

1004
00:33:54,549 --> 00:33:52,640
so i'm just proposing that that

1005
00:33:55,990 --> 00:33:54,559
the reason the numbers don't match your

1006
00:33:59,750 --> 00:33:56,000
numbers okay

1007
00:34:01,990 --> 00:33:59,760
could either be widespread fraud or

1008
00:34:02,870 --> 00:34:02,000
i'm gonna ask this as a question it

1009
00:34:05,029 --> 00:34:02,880
could be

1010
00:34:06,470 --> 00:34:05,039
people like zuckerberg and and i'm sure

1011
00:34:07,669 --> 00:34:06,480
these are not the only dollars there's

1012
00:34:09,349 --> 00:34:07,679
probably hundreds of other millions of

1013
00:34:11,589 --> 00:34:09,359

dollars that i'm not aware of but

1014

00:34:13,270 --> 00:34:11,599

zuckerberg's 400 million which is

1015

00:34:15,430 --> 00:34:13,280

basically

1016

00:34:17,669 --> 00:34:15,440

essentially get out the vote campaigns i

1017

00:34:19,270 --> 00:34:17,679

mean the percentage of voters supposedly

1018

00:34:22,470 --> 00:34:19,280

in the inner city

1019

00:34:23,190 --> 00:34:22,480

was extremely high like 91 percent i

1020

00:34:25,750 --> 00:34:23,200

read

1021

00:34:26,230 --> 00:34:25,760

somewhere so they were getting out the

1022

00:34:28,790 --> 00:34:26,240

vote

1023

00:34:30,629 --> 00:34:28,800

in the inner cities which is where you

1024

00:34:33,510 --> 00:34:30,639

should focus if you're a democrat

1025

00:34:35,430 --> 00:34:33,520

and perhaps they did an astounding job

1026
00:34:36,869 --> 00:34:35,440
may be so astounding that it borders on

1027
00:34:38,310 --> 00:34:36,879
illegal because there's certain things

1028
00:34:39,589 --> 00:34:38,320
that are allowed and not they call talk

1029
00:34:41,109 --> 00:34:39,599
about ballot harvesting and can you

1030
00:34:42,310 --> 00:34:41,119
knock on doors and help somebody fill

1031
00:34:43,349 --> 00:34:42,320
out their ballot and this or that who

1032
00:34:44,310 --> 00:34:43,359
knows maybe some of the stuff they

1033
00:34:47,430 --> 00:34:44,320
actually did was

1034
00:34:49,190 --> 00:34:47,440
illegal but they had a very concerted

1035
00:34:49,990 --> 00:34:49,200
effort to get out the vote in the inner

1036
00:34:51,750 --> 00:34:50,000
cities

1037
00:34:54,389 --> 00:34:51,760
so did trump trump had a great

1038
00:34:57,510 --> 00:34:54,399

organization biden had no ground

1039

00:34:58,069 --> 00:34:57,520

game whatsoever and we know that trump

1040

00:35:02,310 --> 00:34:58,079

got

1041

00:35:04,630 --> 00:35:02,320

2016 so he managed to get 10 million

1042

00:35:06,390 --> 00:35:04,640

well biden biden himself wasn't out

1043

00:35:07,910 --> 00:35:06,400

there giving speeches but as far as

1044

00:35:10,150 --> 00:35:07,920

ground game i mean

1045

00:35:11,349 --> 00:35:10,160

i i didn't they didn't do door-to-door

1046

00:35:12,790 --> 00:35:11,359

they're people around

1047

00:35:14,550 --> 00:35:12,800

that's what they were so isn't that what

1048

00:35:16,710 --> 00:35:14,560

the democratic party does

1049

00:35:18,550 --> 00:35:16,720

he lost florida because they didn't have

1050

00:35:21,990 --> 00:35:18,560

people getting out the vote

1051

00:35:23,190 --> 00:35:22,000

in florida but i think it's complaining

1052

00:35:25,030 --> 00:35:23,200

i'm quoting them

1053

00:35:26,710 --> 00:35:25,040

is isn't the democratic party though

1054

00:35:29,109 --> 00:35:26,720

notorious for for

1055

00:35:29,750 --> 00:35:29,119

being pretty good at uh you know

1056

00:35:32,870 --> 00:35:29,760

community

1057

00:35:35,670 --> 00:35:32,880

organizing and and knocking on doors and

1058

00:35:37,510 --> 00:35:35,680

barack obama was joe biden isn't but but

1059

00:35:39,829 --> 00:35:37,520

it's the democratic party

1060

00:35:42,069 --> 00:35:39,839

well i'm sorry they just didn't have a

1061

00:35:45,349 --> 00:35:42,079

campaign i think that was a political

1062

00:35:47,349 --> 00:35:45,359

strategy decision they made they did not

1063

00:35:49,589 --> 00:35:47,359

have a good ground game

1064

00:35:50,390 --> 00:35:49,599

and i don't think they did a good job

1065

00:35:52,550 --> 00:35:50,400

and

1066

00:35:54,230 --> 00:35:52,560

some of their alternatives like you said

1067

00:35:55,589 --> 00:35:54,240

zuckerberg some of them may have done

1068

00:35:58,310 --> 00:35:55,599

something to help them

1069

00:36:00,310 --> 00:35:58,320

but his own campaign didn't well i mean

1070

00:36:02,950 --> 00:36:00,320

some of these progressive organizations

1071

00:36:04,470 --> 00:36:02,960

are huge and getting i mean look at the

1072

00:36:07,990 --> 00:36:04,480

money that black lives matter

1073

00:36:09,910 --> 00:36:08,000

gets where'd all that money go

1074

00:36:12,550 --> 00:36:09,920

well i guess that goes into the coffers

1075

00:36:15,670 --> 00:36:12,560

of future rioting

1076

00:36:17,430 --> 00:36:15,680

well it also goes to a lot of democratic

1077

00:36:19,510 --> 00:36:17,440

candidates i think a lot of it was spent

1078

00:36:23,190 --> 00:36:19,520

on political campaigns

1079

00:36:25,589 --> 00:36:23,200

yeah that's possible um and

1080

00:36:26,950 --> 00:36:25,599

you know with the george soros funded

1081

00:36:29,589 --> 00:36:26,960

organizations

1082

00:36:31,589 --> 00:36:29,599

those are significant too yeah in fact

1083

00:36:33,829 --> 00:36:31,599

talk talk about that to extent you

1084

00:36:35,030 --> 00:36:33,839

you know because uh george soros is

1085

00:36:37,109 --> 00:36:35,040

notorious

1086

00:36:38,150 --> 00:36:37,119

my understanding for supporting very

1087

00:36:42,230 --> 00:36:38,160

local

1088

00:36:45,190 --> 00:36:42,240

attorney they want a progressive

1089

00:36:46,710 --> 00:36:45,200

district attorney we got that here in la

1090

00:36:48,390 --> 00:36:46,720

we had a very progressive district

1091

00:36:49,589 --> 00:36:48,400

attorney and she lost to the guy from

1092

00:36:51,750 --> 00:36:49,599

san francisco is even

1093

00:36:52,950 --> 00:36:51,760

more progressive we have a very

1094

00:36:55,349 --> 00:36:52,960

progressive ellie

1095

00:36:55,990 --> 00:36:55,359

city council but one of the city council

1096

00:36:57,510 --> 00:36:56,000

members

1097

00:36:59,510 --> 00:36:57,520

was ousted by another even more

1098

00:37:02,470 --> 00:36:59,520

progressive person

1099

00:37:02,790 --> 00:37:02,480

an incumbent loss which is very rare um

1100

00:37:04,950 --> 00:37:02,800

but

1101
00:37:07,030 --> 00:37:04,960
you know soros money is going a lot of

1102
00:37:09,750 --> 00:37:07,040
these type of campaigns

1103
00:37:11,670 --> 00:37:09,760
yeah that's true i he was going for a

1104
00:37:13,349 --> 00:37:11,680
while for secretaries of state because

1105
00:37:16,390 --> 00:37:13,359
he knew how powerful they were

1106
00:37:17,430 --> 00:37:16,400
influencing election results and he also

1107
00:37:20,710 --> 00:37:17,440
for a while

1108
00:37:23,349 --> 00:37:20,720
including local more recently

1109
00:37:25,670 --> 00:37:23,359
uh for d.a you know district attorneys

1110
00:37:26,710 --> 00:37:25,680
because he wanted progressive da's those

1111
00:37:29,589 --> 00:37:26,720
are people who

1112
00:37:31,109 --> 00:37:29,599
wanted bail reform eliminate bail uh

1113
00:37:33,349 --> 00:37:31,119

they're talking about eliminating

1114

00:37:33,750 --> 00:37:33,359

misdemeanors in some locations where

1115

00:37:35,670 --> 00:37:33,760

they

1116

00:37:37,589 --> 00:37:35,680

you can't commit a misdemeanor that's

1117

00:37:39,670 --> 00:37:37,599

going to create a lot of havoc and a lot

1118

00:37:42,790 --> 00:37:39,680

of problems when you eliminate

1119

00:37:46,710 --> 00:37:42,800

um essentially law and order yeah

1120

00:37:49,990 --> 00:37:46,720

and it also i think they also were

1121

00:37:52,630 --> 00:37:50,000

decided for example in portland uh

1122

00:37:54,390 --> 00:37:52,640

not to you know not to go ahead and

1123

00:37:57,430 --> 00:37:54,400

pursue certain crimes

1124

00:37:59,030 --> 00:37:57,440

the fellow who was killed uh

1125

00:38:00,950 --> 00:37:59,040

i think he was in a shoot off with the

1126

00:38:04,230 --> 00:38:00,960

police who were trying to catch him

1127

00:38:05,990 --> 00:38:04,240

after he had hurt someone else uh

1128

00:38:07,750 --> 00:38:06,000

he had been arrested and they didn't

1129

00:38:08,470 --> 00:38:07,760

charge him with anything so he got let

1130

00:38:10,630 --> 00:38:08,480

out

1131

00:38:12,150 --> 00:38:10,640

and i think it was on a gun charge and

1132

00:38:14,150 --> 00:38:12,160

he eventually wound up i think

1133

00:38:15,349 --> 00:38:14,160

shooting someone killing them a trump

1134

00:38:16,790 --> 00:38:15,359

supporter

1135

00:38:18,470 --> 00:38:16,800

and that crime could have been committed

1136

00:38:19,030 --> 00:38:18,480

had they kept them in jail the first

1137

00:38:20,630 --> 00:38:19,040

time

1138

00:38:23,030 --> 00:38:20,640

instead they just didn't pursue any

1139

00:38:25,670 --> 00:38:23,040

charges so these uh

1140

00:38:26,390 --> 00:38:25,680

liberal district attorneys i should say

1141

00:38:29,510 --> 00:38:26,400

socialist

1142

00:38:30,550 --> 00:38:29,520

i think that fits them better um that's

1143

00:38:32,870 --> 00:38:30,560

something that

1144

00:38:33,990 --> 00:38:32,880

george soros and his various funded

1145

00:38:37,030 --> 00:38:34,000

organizations

1146

00:38:39,190 --> 00:38:37,040

seem to pursue and

1147

00:38:40,790 --> 00:38:39,200

have a lot of money also i might add

1148

00:38:42,310 --> 00:38:40,800

there's enormous amount of money that's

1149

00:38:44,150 --> 00:38:42,320

gone into act blue

1150

00:38:45,430 --> 00:38:44,160

which is suspicious money from my

1151

00:38:47,190 --> 00:38:45,440

perspective because

1152

00:38:49,270 --> 00:38:47,200

a lot of people list themselves who

1153

00:38:50,230 --> 00:38:49,280

donate money to act blue as not having

1154

00:38:52,790 --> 00:38:50,240

any jobs

1155

00:38:54,230 --> 00:38:52,800

so a lot of unemployed money uh

1156

00:38:57,349 --> 00:38:54,240

unemployed people

1157

00:38:59,430 --> 00:38:57,359

are donating to act blue which is money

1158

00:39:00,069 --> 00:38:59,440

that goes to democrat candidates and we

1159

00:39:03,270 --> 00:39:00,079

had

1160

00:39:04,150 --> 00:39:03,280

three senate candidates where the

1161

00:39:05,990 --> 00:39:04,160

democrats

1162

00:39:08,069 --> 00:39:06,000

raised a hundred million dollars and

1163

00:39:10,550 --> 00:39:08,079

each one of them by the way lost

1164

00:39:12,390 --> 00:39:10,560

and i have a theory that you can't buy

1165

00:39:15,030 --> 00:39:12,400

an election in america people

1166

00:39:17,030 --> 00:39:15,040

wisely often know a whole lot of money

1167

00:39:19,430 --> 00:39:17,040

is coming from outside

1168

00:39:20,790 --> 00:39:19,440

uh to influence elections and i think

1169

00:39:23,109 --> 00:39:20,800

that's what happened with those three

1170

00:39:25,349 --> 00:39:23,119

senate races one was lindsey graham

1171

00:39:26,550 --> 00:39:25,359

he had 109 million dollars brought in

1172

00:39:28,550 --> 00:39:26,560

against him

1173

00:39:29,990 --> 00:39:28,560

yeah yeah act blue was the organization

1174

00:39:32,230 --> 00:39:30,000

i was thinking of that's uh

1175

00:39:33,349 --> 00:39:32,240

my unchanged where uh where most of the

1176

00:39:36,550 --> 00:39:33,359

black lives matter

1177

00:39:38,950 --> 00:39:36,560

money goes is to act blue and

1178

00:39:39,750 --> 00:39:38,960

so so yeah apparently if you click on

1179

00:39:41,589 --> 00:39:39,760

donate on

1180

00:39:43,190 --> 00:39:41,599

black lives matter people could confirm

1181

00:39:43,829 --> 00:39:43,200

this it's taking you to that blue

1182

00:39:46,230 --> 00:39:43,839

website

1183

00:39:47,589 --> 00:39:46,240

so tell me what what is act blue how

1184

00:39:48,950 --> 00:39:47,599

long has this thing been around if you

1185

00:39:50,870 --> 00:39:48,960

know and who's

1186

00:39:52,950 --> 00:39:50,880

the organizer of that thing oh i don't

1187

00:39:54,790 --> 00:39:52,960

have a history of it i spend my time on

1188

00:39:59,109 --> 00:39:54,800

elections not on people

1189

00:40:01,990 --> 00:39:59,119

funding it uh there there's uh

1190

00:40:02,710 --> 00:40:02,000

an organization called act blue that

1191

00:40:06,470 --> 00:40:02,720

basically

1192

00:40:09,910 --> 00:40:06,480

is a opportunity for people to donate

1193

00:40:11,589 --> 00:40:09,920

uh to blue causes and they apparently

1194

00:40:12,309 --> 00:40:11,599

distribute the money i don't know how

1195

00:40:13,910 --> 00:40:12,319

they do it

1196

00:40:15,589 --> 00:40:13,920

i'm not sure how they you know if they

1197

00:40:17,349 --> 00:40:15,599

get 100 million one year i don't know

1198

00:40:20,150 --> 00:40:17,359

how they divide it up

1199

00:40:22,150 --> 00:40:20,160

basically a big democratic pack yeah

1200

00:40:23,910 --> 00:40:22,160

that's kind of what it is

1201
00:40:26,150 --> 00:40:23,920
and you know back to that back to money

1202
00:40:28,550 --> 00:40:26,160
influencing elections i i tend to

1203
00:40:29,910 --> 00:40:28,560
agree with you however the exception to

1204
00:40:32,309 --> 00:40:29,920
that might be

1205
00:40:33,910 --> 00:40:32,319
these smaller elections where nobody

1206
00:40:34,870 --> 00:40:33,920
knows who the heck these two people are

1207
00:40:37,030 --> 00:40:34,880
anyway

1208
00:40:38,390 --> 00:40:37,040
so the only way they really are able to

1209
00:40:40,069 --> 00:40:38,400
distinguish themselves if they're able

1210
00:40:41,829 --> 00:40:40,079
to spend enough money to build up name

1211
00:40:45,510 --> 00:40:41,839
recognition and that might be why you

1212
00:40:48,630 --> 00:40:45,520
know in part by soros focuses on those

1213
00:40:50,710 --> 00:40:48,640

yeah well that's possible he has won a

1214

00:40:52,390 --> 00:40:50,720

number of da's he's supported have won

1215

00:40:54,550 --> 00:40:52,400

over the years

1216

00:40:55,910 --> 00:40:54,560

so just to wrap up on on the election

1217

00:40:57,750 --> 00:40:55,920

numbers um

1218

00:40:59,349 --> 00:40:57,760

and then we'll talk about the future a

1219

00:41:01,430 --> 00:40:59,359

little bit um

1220

00:41:03,430 --> 00:41:01,440

you talk about your modeling and so on

1221

00:41:05,829 --> 00:41:03,440

so

1222

00:41:08,390 --> 00:41:05,839

these are very rough numbers but it

1223

00:41:11,510 --> 00:41:08,400

looks like around 160 million

1224

00:41:14,870 --> 00:41:11,520

votes were cast and 100 million of them

1225

00:41:15,990 --> 00:41:14,880

were mailing compared to four years

1226
00:41:19,430 --> 00:41:16,000
earlier

1227
00:41:21,750 --> 00:41:19,440
uh just 33 million mail-in ballots

1228
00:41:22,790 --> 00:41:21,760
so you have three times as many mail-in

1229
00:41:26,069 --> 00:41:22,800
ballots

1230
00:41:29,349 --> 00:41:26,079
and they went big-time for biden

1231
00:41:30,550 --> 00:41:29,359
so that's a pretty good explanation

1232
00:41:32,069 --> 00:41:30,560
right there now there's could be

1233
00:41:33,510 --> 00:41:32,079
fraudulent ballots we'll find out but

1234
00:41:35,750 --> 00:41:33,520
when you were modeling this were you

1235
00:41:39,109 --> 00:41:35,760
expecting that many mail-in ballots

1236
00:41:42,150 --> 00:41:39,119
three times more than four years ago

1237
00:41:44,309 --> 00:41:42,160
i don't uh i don't distinguish between

1238
00:41:47,829 --> 00:41:44,319

how a vote gets voted

1239

00:41:51,829 --> 00:41:47,839

so i did not model for mail-in versus

1240

00:41:54,790 --> 00:41:51,839

in-person versus drop-off or any other

1241

00:41:56,470 --> 00:41:54,800

way of voting my attempt is to

1242

00:41:57,190 --> 00:41:56,480

understand how many people are in a

1243

00:41:59,589 --> 00:41:57,200

state

1244

00:42:01,430 --> 00:41:59,599

and how they are leaning what trends are

1245

00:42:03,270 --> 00:42:01,440

driving them that sort of thing

1246

00:42:04,950 --> 00:42:03,280

but i look at other kinds of numbers

1247

00:42:07,670 --> 00:42:04,960

than the mechanism

1248

00:42:09,510 --> 00:42:07,680

they bought so now that so so now it can

1249

00:42:11,750 --> 00:42:09,520

be variable to look at

1250

00:42:13,829 --> 00:42:11,760

huh sorry it could be a new variable i

1251

00:42:15,430 --> 00:42:13,839

should look at in the future

1252

00:42:17,589 --> 00:42:15,440

yeah it seems like there's been a

1253

00:42:19,030 --> 00:42:17,599

variable of significance

1254

00:42:20,630 --> 00:42:19,040

i mean the last thing by this way if

1255

00:42:23,510 --> 00:42:20,640

it's harder

1256

00:42:24,870 --> 00:42:23,520

let's just you know i i don't i don't

1257

00:42:25,829 --> 00:42:24,880

know if this is true or not but it could

1258

00:42:29,349 --> 00:42:25,839

be true

1259

00:42:31,349 --> 00:42:29,359

if it's harder for let's say poor people

1260

00:42:32,630 --> 00:42:31,359

to get to the polls let's say they got

1261

00:42:36,550 --> 00:42:32,640

to take a bus

1262

00:42:39,109 --> 00:42:36,560

to get there which is no fun so

1263

00:42:40,630 --> 00:42:39,119

you know so but now the ballot's sitting

1264

00:42:42,150 --> 00:42:40,640

in their house

1265

00:42:44,470 --> 00:42:42,160

and all they got to do is fill it out in

1266

00:42:47,990 --> 00:42:44,480

their house maybe mail-in balloting

1267

00:42:49,670 --> 00:42:48,000

ends up getting more democrat votes

1268

00:42:51,109 --> 00:42:49,680

or maybe we should go back to the way it

1269

00:42:54,150 --> 00:42:51,119

was where you had

1270

00:42:56,390 --> 00:42:54,160

uh balloting in each individual precinct

1271

00:42:57,750 --> 00:42:56,400

so like you walked down the block to

1272

00:42:59,829 --> 00:42:57,760

your neighbor's house and they had a

1273

00:43:01,589 --> 00:42:59,839

precinct office you know not a precinct

1274

00:43:02,230 --> 00:43:01,599

office but they used their precinct for

1275

00:43:04,550 --> 00:43:02,240

voting

1276
00:43:05,670 --> 00:43:04,560
or sometimes it was a school elementary

1277
00:43:07,589 --> 00:43:05,680
school

1278
00:43:09,829 --> 00:43:07,599
or sometimes it was a church in the

1279
00:43:13,109 --> 00:43:09,839
neighborhood used to be we had

1280
00:43:14,950 --> 00:43:13,119
voting places in each precinct we no

1281
00:43:16,230 --> 00:43:14,960
longer have that that's been eliminated

1282
00:43:19,109 --> 00:43:16,240
that's one of the

1283
00:43:20,950 --> 00:43:19,119
many so-called reforms it must be a

1284
00:43:21,589 --> 00:43:20,960
colorado thing because we still have

1285
00:43:24,390 --> 00:43:21,599
them

1286
00:43:25,270 --> 00:43:24,400
here i mean my local voting place is a

1287
00:43:28,390 --> 00:43:25,280
local church

1288
00:43:30,870 --> 00:43:28,400

that's about

1289

00:43:32,150 --> 00:43:30,880

a half mile away well i think it depends

1290

00:43:35,750 --> 00:43:32,160

by state

1291

00:43:37,510 --> 00:43:35,760

and that in a way since i'm not as

1292

00:43:38,150 --> 00:43:37,520

familiar with california i don't live

1293

00:43:40,069 --> 00:43:38,160

there

1294

00:43:42,870 --> 00:43:40,079

it surprises me given all your other

1295

00:43:45,349 --> 00:43:42,880

reforms that you even bother with

1296

00:43:47,030 --> 00:43:45,359

voting in a church well and that's you

1297

00:43:47,990 --> 00:43:47,040

know as we look forward in the future

1298

00:43:50,630 --> 00:43:48,000

elections

1299

00:43:52,630 --> 00:43:50,640

this is probably going to this is not

1300

00:43:54,710 --> 00:43:52,640

going to change if anything mail-in

1301

00:43:56,470 --> 00:43:54,720

uh voting is probably going to increase

1302

00:43:57,990 --> 00:43:56,480

right all these states that implement it

1303

00:44:01,589 --> 00:43:58,000

implemented it for the first time due to

1304

00:44:05,109 --> 00:44:01,599

covid are probably going to keep it

1305

00:44:06,390 --> 00:44:05,119

that could be very well and if it helps

1306

00:44:08,230 --> 00:44:06,400

democrats to win

1307

00:44:09,430 --> 00:44:08,240

i'm sure that they would prefer to keep

1308

00:44:10,630 --> 00:44:09,440

it that way the ones who are running

1309

00:44:11,910 --> 00:44:10,640

those places

1310

00:44:14,309 --> 00:44:11,920

yeah i mean it was again it was

1311

00:44:16,950 --> 00:44:14,319

astounding percentage-wise how heavy

1312

00:44:18,550 --> 00:44:16,960

it was for biden assuming it's

1313

00:44:20,550 --> 00:44:18,560

legitimate a lot of people think that

1314

00:44:22,710 --> 00:44:20,560

it's because well these

1315

00:44:24,150 --> 00:44:22,720

democrats tend to fear covid more than

1316

00:44:26,069 --> 00:44:24,160

republicans perhaps because they watch

1317

00:44:28,790 --> 00:44:26,079

cnn instead of fox

1318

00:44:29,829 --> 00:44:28,800

and and so they didn't want to go to the

1319

00:44:31,190 --> 00:44:29,839

polls

1320

00:44:33,190 --> 00:44:31,200

even though they go to the grocery store

1321

00:44:34,950 --> 00:44:33,200

no problem but they didn't want to stand

1322

00:44:38,309 --> 00:44:34,960

six feet behind somebody

1323

00:44:41,670 --> 00:44:38,319

wearing a mask to go vote um and so

1324

00:44:44,309 --> 00:44:41,680

that's what that explains the more biden

1325

00:44:44,950 --> 00:44:44,319

mail-in votes let me ask you a question

1326

00:44:47,270 --> 00:44:44,960

can you

1327

00:44:48,870 --> 00:44:47,280

you actually can vote in a church even

1328

00:44:50,790 --> 00:44:48,880

though i thought churches were sort of

1329

00:44:52,870 --> 00:44:50,800

like persona non grata with

1330

00:44:54,950 --> 00:44:52,880

governor newsom in other words people

1331

00:44:57,109 --> 00:44:54,960

weren't allowed to go to church

1332

00:44:58,309 --> 00:44:57,119

worship are you allowed to go to church

1333

00:45:02,550 --> 00:44:58,319

to vote

1334

00:45:05,829 --> 00:45:02,560

well uh i i did i did mail in this year

1335

00:45:09,510 --> 00:45:05,839

but yes it it's actually a christian

1336

00:45:12,710 --> 00:45:09,520

um elementary school that

1337

00:45:14,630 --> 00:45:12,720

um is where i voted in in the past and

1338

00:45:17,990 --> 00:45:14,640

um you walk into

1339

00:45:18,790 --> 00:45:18,000

some room there and and vote but uh yeah

1340

00:45:20,230 --> 00:45:18,800

you would think that'd be very

1341

00:45:21,030 --> 00:45:20,240

controversial in california right that

1342

00:45:23,349 --> 00:45:21,040

for you

1343

00:45:24,069 --> 00:45:23,359

yeah christian christian's cool to to

1344

00:45:26,630 --> 00:45:24,079

vote in

1345

00:45:28,630 --> 00:45:26,640

so you're very concerned about the rise

1346

00:45:32,069 --> 00:45:28,640

of socialism in america

1347

00:45:33,589 --> 00:45:32,079

as am i uh totally antithetical to what

1348

00:45:35,349 --> 00:45:33,599

america is all about

1349

00:45:36,870 --> 00:45:35,359

that's why i'm just like you know when

1350

00:45:38,230 --> 00:45:36,880

bernie sanders almost beats hillary

1351

00:45:40,790 --> 00:45:38,240

clinton i'm thinking to myself

1352

00:45:42,390 --> 00:45:40,800

man what are people learning how could

1353

00:45:44,309 --> 00:45:42,400

you vote for a socialist if you're an

1354

00:45:47,670 --> 00:45:44,319

american it's just

1355

00:45:49,990 --> 00:45:47,680

the two just don't go together um

1356

00:45:51,829 --> 00:45:50,000

but what do you see assuming the

1357

00:45:54,630 --> 00:45:51,839

republicans keep the senate

1358

00:45:56,550 --> 00:45:54,640

so some balance is held there assuming

1359

00:45:58,550 --> 00:45:56,560

they keep the senate

1360

00:45:59,990 --> 00:45:58,560

what do you what are you still concerned

1361

00:46:02,309 --> 00:46:00,000

that biden will do

1362

00:46:03,589 --> 00:46:02,319

to move this country in a socialist

1363

00:46:06,309 --> 00:46:03,599

direction

1364

00:46:07,910 --> 00:46:06,319

well i think he uh he got his support

1365

00:46:10,870 --> 00:46:07,920

from the progressives

1366

00:46:12,870 --> 00:46:10,880

i think he's being pressured by aoc and

1367

00:46:15,670 --> 00:46:12,880

elizabeth warren and others

1368

00:46:17,510 --> 00:46:15,680

to follow progressive and by the way the

1369

00:46:18,150 --> 00:46:17,520

word progressive let's call spade a

1370

00:46:19,750 --> 00:46:18,160

spade

1371

00:46:21,750 --> 00:46:19,760

the word progressive means progress

1372

00:46:22,710 --> 00:46:21,760

towards socialism that's what they're

1373

00:46:24,950 --> 00:46:22,720

after

1374

00:46:26,950 --> 00:46:24,960

and the goal is ultimately socialism

1375

00:46:29,190 --> 00:46:26,960

that means things like

1376
00:46:30,950 --> 00:46:29,200
government controlled medical care

1377
00:46:34,230 --> 00:46:30,960
medical care for all

1378
00:46:35,510 --> 00:46:34,240
it means you know free cell phones free

1379
00:46:38,390 --> 00:46:35,520
everything

1380
00:46:40,069 --> 00:46:38,400
free child care guaranteed income for

1381
00:46:42,230 --> 00:46:40,079
everybody regardless of whether or not

1382
00:46:43,670 --> 00:46:42,240
they choose to work uh

1383
00:46:45,670 --> 00:46:43,680
it's it's sort of guaranteed yeah

1384
00:46:49,270 --> 00:46:45,680
guaranteed housing yeah

1385
00:46:51,109 --> 00:46:49,280
guaranteed guaranteed jobs everything

1386
00:46:53,190 --> 00:46:51,119
government takes care of everything

1387
00:46:54,390 --> 00:46:53,200
right and by the way that's precisely

1388
00:46:56,870 --> 00:46:54,400

the program

1389

00:46:57,510 --> 00:46:56,880

that democrat socialist hugo chavez

1390

00:47:00,550 --> 00:46:57,520

promised

1391

00:47:02,390 --> 00:47:00,560

the venezuelan people and remember that

1392

00:47:04,470 --> 00:47:02,400

was 1998

1393

00:47:06,550 --> 00:47:04,480

and at that time venezuela was probably

1394

00:47:09,910 --> 00:47:06,560

the richest nation

1395

00:47:12,470 --> 00:47:09,920

in best economy in south america is now

1396

00:47:14,630 --> 00:47:12,480

a poverty stricken basket case

1397

00:47:15,910 --> 00:47:14,640

because hugo chavez promised everything

1398

00:47:18,069 --> 00:47:15,920

to everybody

1399

00:47:20,230 --> 00:47:18,079

and they thought it sounded great you

1400

00:47:22,390 --> 00:47:20,240

know all this stuff for free

1401

00:47:24,309 --> 00:47:22,400

and he nationalized the industries he

1402

00:47:25,910 --> 00:47:24,319

socialized everything

1403

00:47:27,510 --> 00:47:25,920

and he wound up turning them into

1404

00:47:29,750 --> 00:47:27,520

bankruptcy they can't even produce

1405

00:47:32,309 --> 00:47:29,760

enough food for themselves they can't

1406

00:47:34,470 --> 00:47:32,319

provide their for their own needs and i

1407

00:47:37,829 --> 00:47:34,480

think that's what would happen here too

1408

00:47:39,270 --> 00:47:37,839

and i just hope that it'd be enough

1409

00:47:41,990 --> 00:47:39,280

sense in the senate

1410

00:47:42,390 --> 00:47:42,000

to uh not go along with it because i

1411

00:47:46,630 --> 00:47:42,400

think

1412

00:47:47,750 --> 00:47:46,640

uh my book uh i studied socialism i have

1413

00:47:49,990 --> 00:47:47,760

behind me

1414

00:47:51,589 --> 00:47:50,000

uh this is part of my library you can

1415

00:47:53,510 --> 00:47:51,599

see part of it here

1416

00:47:54,790 --> 00:47:53,520

uh i have an enormous library on

1417

00:47:57,109 --> 00:47:54,800

socialism

1418

00:47:58,950 --> 00:47:57,119

and my knowledge of it and i think i

1419

00:48:01,349 --> 00:47:58,960

captured it well in the book

1420

00:48:02,150 --> 00:48:01,359

is that every socialist experiment has

1421

00:48:04,150 --> 00:48:02,160

failed

1422

00:48:05,750 --> 00:48:04,160

you can mention any one you want

1423

00:48:09,190 --> 00:48:05,760

including the

1424

00:48:12,630 --> 00:48:09,200

the ones that temporarily uh uh

1425

00:48:14,230 --> 00:48:12,640

paraded as a socialist in the swedish

1426

00:48:16,950 --> 00:48:14,240

countries denmark those kind of

1427

00:48:19,670 --> 00:48:16,960

countries they've all failed

1428

00:48:21,190 --> 00:48:19,680

and uh they all wind up not only

1429

00:48:24,549 --> 00:48:21,200

corrupting their economy

1430

00:48:26,549 --> 00:48:24,559

but corrupting uh the morality

1431

00:48:29,109 --> 00:48:26,559

you always get moral and economic

1432

00:48:31,190 --> 00:48:29,119

bankruptcy from socialism over the years

1433

00:48:33,670 --> 00:48:31,200

that it has been tried

1434

00:48:35,349 --> 00:48:33,680

what do you say to people such as i

1435

00:48:38,790 --> 00:48:35,359

think bernie sanders who says well

1436

00:48:42,630 --> 00:48:38,800

we just want european style socialism

1437

00:48:43,270 --> 00:48:42,640

um or scandinavian i mean the ones

1438

00:48:46,069 --> 00:48:43,280

people send

1439

00:48:46,710 --> 00:48:46,079

the ones people tend to point to are

1440

00:48:49,589 --> 00:48:46,720

denmark

1441

00:48:51,670 --> 00:48:49,599

norway and sweden what they have what

1442

00:48:54,150 --> 00:48:51,680

they have is not socialism

1443

00:48:55,910 --> 00:48:54,160

what they have is a welfare state that's

1444

00:48:57,910 --> 00:48:55,920

funded by capitalism

1445

00:48:59,910 --> 00:48:57,920

they were going downhill fast their

1446

00:49:02,309 --> 00:48:59,920

economies and if they hadn't

1447

00:49:03,589 --> 00:49:02,319

picked up some free market reforms and

1448

00:49:05,910 --> 00:49:03,599

put in some capitalist

1449

00:49:08,150 --> 00:49:05,920

ideas they would be bankrupt too like

1450

00:49:09,270 --> 00:49:08,160

venezuela they had a switch away from

1451
00:49:10,390 --> 00:49:09,280
socialism so

1452
00:49:12,230 --> 00:49:10,400
tell us a little bit about that because

1453
00:49:12,870 --> 00:49:12,240
this is a real point of confusion for

1454
00:49:15,589 --> 00:49:12,880
people because

1455
00:49:15,990 --> 00:49:15,599
it's very easy just to listen to bernie

1456
00:49:18,230 --> 00:49:16,000
and say

1457
00:49:19,589 --> 00:49:18,240
yeah what's wrong with those countries

1458
00:49:22,230 --> 00:49:19,599
we should be more like those

1459
00:49:23,990 --> 00:49:22,240
countries and um he says that's all he's

1460
00:49:25,190 --> 00:49:24,000
talking about so

1461
00:49:26,950 --> 00:49:25,200
talk to us about what are some of the

1462
00:49:27,349 --> 00:49:26,960
things that they had implemented going

1463
00:49:29,829 --> 00:49:27,359

toward

1464

00:49:31,349 --> 00:49:29,839

real socialism that they had to then

1465

00:49:33,750 --> 00:49:31,359

unwind

1466

00:49:35,750 --> 00:49:33,760

oh gosh well for one thing they had high

1467

00:49:38,150 --> 00:49:35,760

taxes

1468

00:49:39,670 --> 00:49:38,160

the amount of time i think they had 25

1469

00:49:41,430 --> 00:49:39,680

tax on a car

1470

00:49:43,589 --> 00:49:41,440

they had all sorts of things that were

1471

00:49:45,990 --> 00:49:43,599

just really tough on their economy

1472

00:49:46,870 --> 00:49:46,000

and they try and income taxes as high as

1473

00:49:49,589 --> 00:49:46,880

70 80

1474

00:49:49,990 --> 00:49:49,599

kind of thing yeah those kind of things

1475

00:49:51,990 --> 00:49:50,000

and

1476

00:49:53,349 --> 00:49:52,000

uh i actually do a good job of putting

1477

00:49:55,670 --> 00:49:53,359

in the book

1478

00:49:57,190 --> 00:49:55,680

and if you want to read about it and get

1479

00:49:59,109 --> 00:49:57,200

a lot of detail and answer

1480

00:50:00,870 --> 00:49:59,119

i'd like to answer your question with

1481

00:50:02,630 --> 00:50:00,880

the book but i have to read it to you

1482

00:50:05,589 --> 00:50:02,640

you know there's a lot of data in there

1483

00:50:08,150 --> 00:50:05,599

it's full of data it's got 250 i think

1484

00:50:09,510 --> 00:50:08,160

footnotes that's a lot of a lot of

1485

00:50:11,829 --> 00:50:09,520

references

1486

00:50:13,030 --> 00:50:11,839

and uh the book is called real world

1487

00:50:15,829 --> 00:50:13,040

socialism

1488

it's also in

1490

kindle edition if you prefer kindle

1491

00:50:22,150 --> 00:50:20,559

electronic

1492

00:50:23,670 --> 00:50:22,160

and it's available in books wherever you

1493

00:50:26,790 --> 00:50:23,680

want to buy books

1494

00:50:27,910 --> 00:50:26,800

and i go through and go into detail why

1495

00:50:31,190 --> 00:50:27,920

it failed

1496

00:50:33,109 --> 00:50:31,200

kibbutz

1497

00:50:35,030 --> 00:50:33,119

you know israel there are a number of

1498

00:50:37,109 --> 00:50:35,040

people that believed in socialism back

1499

00:50:38,710 --> 00:50:37,119

there in the 1940s

1500

00:50:41,270 --> 00:50:38,720

and they tried it and it worked for a

1501
00:50:44,790 --> 00:50:41,280
while as long as it was subsidized

1502
00:50:46,549 --> 00:50:44,800
by the free market israeli economy

1503
00:50:48,309 --> 00:50:46,559
when the government subsidized it those

1504
00:50:49,510 --> 00:50:48,319
little kibbutz's which are like little

1505
00:50:52,390 --> 00:50:49,520
socialist

1506
00:50:53,510 --> 00:50:52,400
towns if you will they were able to work

1507
00:50:55,270 --> 00:50:53,520
but you know what

1508
00:50:57,829 --> 00:50:55,280
they didn't work over time when they

1509
00:51:00,069 --> 00:50:57,839
were no longer subsidized they shut down

1510
00:51:01,030 --> 00:51:00,079
why because people didn't want to work

1511
00:51:03,430 --> 00:51:01,040
for free

1512
00:51:04,870 --> 00:51:03,440
the people who had talent they thought

1513
00:51:06,390 --> 00:51:04,880

they weren't getting paid enough and

1514

00:51:07,190 --> 00:51:06,400

they left and went to other parts of

1515

00:51:09,190 --> 00:51:07,200

israel

1516

00:51:11,510 --> 00:51:09,200

where they get a regular job and regular

1517

00:51:13,670 --> 00:51:11,520

pay and the people who were kind of

1518

00:51:16,630 --> 00:51:13,680

loafers and didn't do anything

1519

00:51:17,190 --> 00:51:16,640

uh they they would stay there they like

1520

00:51:18,630 --> 00:51:17,200

getting

1521

00:51:20,309 --> 00:51:18,640

something for free but they weren't

1522

00:51:21,030 --> 00:51:20,319

producing anything so it just didn't

1523

00:51:23,349 --> 00:51:21,040

work

1524

00:51:25,349 --> 00:51:23,359

and that's what happens uh if you look

1525

00:51:27,829 --> 00:51:25,359

all around at socialism it just

1526
00:51:29,510 --> 00:51:27,839
fails and it fails because it violates

1527
00:51:31,589 --> 00:51:29,520
human nature

1528
00:51:33,910 --> 00:51:31,599
what do you say to people who believe it

1529
00:51:37,910 --> 00:51:33,920
or not will actually point to china

1530
00:51:40,309 --> 00:51:37,920
to say that that's a model of success

1531
00:51:41,109 --> 00:51:40,319
that we should be following how china's

1532
00:51:42,950 --> 00:51:41,119
in because wow

1533
00:51:44,470 --> 00:51:42,960
look how great china is doing and

1534
00:51:47,589 --> 00:51:44,480
they're about to be the largest

1535
00:51:49,430 --> 00:51:47,599
economy in the world well what i'd start

1536
00:51:50,710 --> 00:51:49,440
with and say look at look at what where

1537
00:51:54,150 --> 00:51:50,720
they're standing on they

1538
00:51:57,190 --> 00:51:54,160

they killed roughly 25 million people

1539

00:51:57,910 --> 00:51:57,200

in their in their great famine because

1540

00:52:01,589 --> 00:51:57,920

of their

1541

00:52:03,990 --> 00:52:01,599

socialist ideas uh the torture

1542

00:52:05,030 --> 00:52:04,000

that has gone on in china has been

1543

00:52:06,950 --> 00:52:05,040

horrific

1544

00:52:08,390 --> 00:52:06,960

the stories just make you sick to your

1545

00:52:11,589 --> 00:52:08,400

stomach about how people

1546

00:52:11,910 --> 00:52:11,599

have been treated uh their low opinion

1547

00:52:19,670 --> 00:52:11,920

of

1548

00:52:20,470 --> 00:52:19,680

is just incredibly awesome i've read it

1549

00:52:22,790 --> 00:52:20,480

and i've seen it

1550

00:52:24,470 --> 00:52:22,800

pictures and it's just horrible i'd say

1551
00:52:29,750 --> 00:52:24,480
it's a horrible country

1552
00:52:33,109 --> 00:52:31,510
it's got all sorts of corruption which

1553
00:52:36,790 --> 00:52:33,119
is socialist

1554
00:52:39,430 --> 00:52:36,800
and it'll never compete against us

1555
00:52:40,549 --> 00:52:39,440
we'll beat it well one thing that i say

1556
00:52:43,510 --> 00:52:40,559
you tell me if you agree

1557
00:52:44,549 --> 00:52:43,520
is that yes it's had a resurgence in the

1558
00:52:46,950 --> 00:52:44,559
past

1559
00:52:48,790 --> 00:52:46,960
25 years or whatever number of years but

1560
00:52:51,910 --> 00:52:48,800
that's primarily because it has

1561
00:52:54,470 --> 00:52:51,920
implemented some modicum of

1562
00:52:56,150 --> 00:52:54,480
free markets and that's that's the

1563
00:52:56,950 --> 00:52:56,160

explanation as to why it's doing better

1564

00:52:58,470 --> 00:52:56,960

now

1565

00:53:00,950 --> 00:52:58,480

that's true and that's why they did a

1566

00:53:02,630 --> 00:53:00,960

little better but they also

1567

00:53:04,230 --> 00:53:02,640

now are involved in getting rid of some

1568

00:53:05,829 --> 00:53:04,240

of those reforms because

1569

00:53:07,510 --> 00:53:05,839

they don't really like giving anybody

1570

00:53:09,190 --> 00:53:07,520

freedom

1571

00:53:11,589 --> 00:53:09,200

and then last thing just to talk about

1572

00:53:13,109 --> 00:53:11,599

socialism versus communism

1573

00:53:14,630 --> 00:53:13,119

am i right that if you look and say the

1574

00:53:16,309 --> 00:53:14,640

soviet union which is

1575

00:53:17,910 --> 00:53:16,319

kind of the model of what people call

1576

00:53:20,390 --> 00:53:17,920

communism

1577

00:53:21,270 --> 00:53:20,400

really never became communist wasn't it

1578

00:53:22,790 --> 00:53:21,280

really just

1579

00:53:24,309 --> 00:53:22,800

socialist i mean walk us through the

1580

00:53:25,910 --> 00:53:24,319

difference there well let's let's talk

1581

00:53:28,069 --> 00:53:25,920

about the two words

1582

00:53:31,670 --> 00:53:28,079

okay karl marx who wrote the communist

1583

00:53:33,910 --> 00:53:31,680

manifesto with friedrich engels in 1848

1584

00:53:36,630 --> 00:53:33,920

those two are the ones who really pushed

1585

00:53:39,190 --> 00:53:36,640

socialism and got it sort of going

1586

00:53:41,270 --> 00:53:39,200

it existed before that but they really

1587

00:53:44,950 --> 00:53:41,280

pushed it as a philosophy

1588

00:53:47,109 --> 00:53:44,960

they believe socialism equals communism

1589

00:53:48,069 --> 00:53:47,119

sometimes people would refer to

1590

00:53:51,349 --> 00:53:48,079

socialism as

1591

00:53:53,349 --> 00:53:51,359

the step preceding communism as if there

1592

00:53:54,710 --> 00:53:53,359

were difference but karl marx and

1593

00:53:55,670 --> 00:53:54,720

friedrich engels thought they were

1594

00:53:57,910 --> 00:53:55,680

equivalent

1595

00:54:00,870 --> 00:53:57,920

if you had socialism you had communism

1596

00:54:04,230 --> 00:54:00,880

if you had communism you had socialism

1597

00:54:06,150 --> 00:54:04,240

and i still believe that's the case and

1598

00:54:08,150 --> 00:54:06,160

uh let me just ask you this so some

1599

00:54:09,510 --> 00:54:08,160

people are aware it's been a while since

1600

00:54:12,950 --> 00:54:09,520

i've studied all this

1601
00:54:16,069 --> 00:54:12,960
but um but but none the two terms

1602
00:54:17,990 --> 00:54:16,079
existed so what was

1603
00:54:19,430 --> 00:54:18,000
how would you describe socialism versus

1604
00:54:23,109 --> 00:54:19,440
communism to

1605
00:54:25,349 --> 00:54:23,119
to marx how would he describe

1606
00:54:26,309 --> 00:54:25,359
versus communism sorry they would

1607
00:54:29,109 --> 00:54:26,319
consider them

1608
00:54:30,470 --> 00:54:29,119
synonyms karl marx would consider the

1609
00:54:33,829 --> 00:54:30,480
two words equal

1610
00:54:37,670 --> 00:54:33,839
okay and whereas others would say what

1611
00:54:37,990 --> 00:54:37,680
others would say oh some would say that

1612
00:54:40,950 --> 00:54:38,000
they

1613
00:54:42,230 --> 00:54:40,960

thought that socialism could exist with

1614

00:54:45,349 --> 00:54:42,240

religion

1615

00:54:47,349 --> 00:54:45,359

and communism couldn't they might say

1616

00:54:49,270 --> 00:54:47,359

for example some socialist countries

1617

00:54:52,069 --> 00:54:49,280

will allow religion

1618

00:54:53,910 --> 00:54:52,079

and um but yet if you look at karl marx

1619

00:54:56,710 --> 00:54:53,920

he was an atheist

1620

00:54:58,789 --> 00:54:56,720

and socialism is really its own little

1621

00:55:01,430 --> 00:54:58,799

religion where the government

1622

00:55:02,150 --> 00:55:01,440

is all powerful not god and where the

1623

00:55:05,109 --> 00:55:02,160

government

1624

00:55:05,750 --> 00:55:05,119

everything instead of looking down to

1625

00:55:06,950 --> 00:55:05,760

god

1626
00:55:09,030 --> 00:55:06,960
you know you pray to the government

1627
00:55:10,789 --> 00:55:09,040
instead of praying to god

1628
00:55:12,150 --> 00:55:10,799
so i would say some people thought that

1629
00:55:14,549 --> 00:55:12,160
that was the difference

1630
00:55:17,510 --> 00:55:14,559
some people thought that communism was

1631
00:55:20,549 --> 00:55:17,520
more reflective of totalitarianism

1632
00:55:23,990 --> 00:55:20,559
you know implemented more uh

1633
00:55:25,750 --> 00:55:24,000
dictatorial more murders more torture

1634
00:55:27,430 --> 00:55:25,760
and some people thought socialism was

1635
00:55:29,109 --> 00:55:27,440
part of communism white

1636
00:55:30,710 --> 00:55:29,119
you know less than that but an awful lot

1637
00:55:34,069 --> 00:55:30,720
of socialist countries

1638
00:55:36,150 --> 00:55:34,079

turned out to be uh pretty tough too

1639

00:55:37,990 --> 00:55:36,160

what i have in my head for my time

1640

00:55:38,950 --> 00:55:38,000

studying this was that you've got this

1641

00:55:40,710 --> 00:55:38,960

move

1642

00:55:42,630 --> 00:55:40,720

through and i guess it was from

1643

00:55:44,230 --> 00:55:42,640

socialism to communism

1644

00:55:45,750 --> 00:55:44,240

but that you had this the dictatorship

1645

00:55:48,150 --> 00:55:45,760

of the proletariat

1646

00:55:50,390 --> 00:55:48,160

where there's this period of time when

1647

00:55:51,589 --> 00:55:50,400

you need to redistribute wealth

1648

00:55:53,270 --> 00:55:51,599

you know you got to get rid of the rich

1649

00:55:54,789 --> 00:55:53,280

people and you got to redistribute their

1650

00:55:57,270 --> 00:55:54,799

wealth to everybody because

1651
00:55:59,030 --> 00:55:57,280
it's a commune everybody should be

1652
00:56:01,190 --> 00:55:59,040
equally sharing in everything

1653
00:56:02,230 --> 00:56:01,200
right so you've got this period in which

1654
00:56:05,349 --> 00:56:02,240
the state

1655
00:56:07,109 --> 00:56:05,359
needs to implement this and through

1656
00:56:08,230 --> 00:56:07,119
coercive oppressive means there's no

1657
00:56:09,430 --> 00:56:08,240
other way to implement

1658
00:56:11,829 --> 00:56:09,440
taking somebody's wealth and giving it

1659
00:56:15,030 --> 00:56:11,839
to somebody else and

1660
00:56:17,109 --> 00:56:15,040
that eventually so that would require an

1661
00:56:18,069 --> 00:56:17,119
authoritarian government but then

1662
00:56:19,990 --> 00:56:18,079
ultimately

1663
00:56:21,910 --> 00:56:20,000

you would move to this other level where

1664

00:56:24,150 --> 00:56:21,920

it was the people

1665

00:56:26,309 --> 00:56:24,160

now the commune is complete and we have

1666

00:56:29,510 --> 00:56:26,319

i presume communism at that point

1667

00:56:32,150 --> 00:56:29,520

and everybody's working together and

1668

00:56:32,950 --> 00:56:32,160

nobody's oppressing anybody it doesn't

1669

00:56:36,630 --> 00:56:32,960

work

1670

00:56:38,390 --> 00:56:36,640

course not and there's a lot

1671

00:56:39,829 --> 00:56:38,400

and a lot of people like bernie will say

1672

00:56:42,390 --> 00:56:39,839

well someone saw you know

1673

00:56:44,230 --> 00:56:42,400

venezuela didn't do it the right way

1674

00:56:47,990 --> 00:56:44,240

well they did it the right way they felt

1675

00:56:49,670 --> 00:56:48,000

uh karl marx um

1676
00:56:51,829 --> 00:56:49,680
they'd say lennon didn't do it the right

1677
00:56:55,109 --> 00:56:51,839
well well he was a big advocate for

1678
00:56:56,950 --> 00:56:55,119
paul marks and socialism and they

1679
00:56:58,630 --> 00:56:56,960
might say joseph stalin didn't do it the

1680
00:57:00,309 --> 00:56:58,640
right way well everybody didn't do it

1681
00:57:01,990 --> 00:57:00,319
the right way did they or else they all

1682
00:57:03,589 --> 00:57:02,000
did it exactly right because they all

1683
00:57:06,870 --> 00:57:03,599
followed it

1684
00:57:09,190 --> 00:57:06,880
um socialism just doesn't work that's

1685
00:57:11,670 --> 00:57:09,200
the bottom line of the book i wrote

1686
00:57:12,950 --> 00:57:11,680
what i find stunning is these people

1687
00:57:17,109 --> 00:57:12,960
like zuckerberg

1688
00:57:19,990 --> 00:57:17,119

and other media titans multi multi

1689

00:57:20,950 --> 00:57:20,000

billionaires who don't realize that

1690

00:57:23,910 --> 00:57:20,960

these people that

1691

00:57:25,270 --> 00:57:23,920

you're supporting these progressive

1692

00:57:28,789 --> 00:57:25,280

socialists

1693

00:57:30,950 --> 00:57:28,799

they're coming for you homeboy

1694

00:57:33,510 --> 00:57:30,960

you you don't deserve what you've got

1695

00:57:36,549 --> 00:57:33,520

you made it off the the sweat

1696

00:57:39,589 --> 00:57:36,559

in tears of of of the worker

1697

00:57:41,430 --> 00:57:39,599

and and in a racist society

1698

00:57:42,870 --> 00:57:41,440

that your white privilege put you in the

1699

00:57:46,390 --> 00:57:42,880

position

1700

00:57:48,870 --> 00:57:46,400

to uh to achieve and

1701

00:57:50,230 --> 00:57:48,880

what happens in these social revolutions

1702

00:57:51,349 --> 00:57:50,240

is all the wealthy people have to get

1703

00:57:53,030 --> 00:57:51,359

the hell out of the country

1704

00:57:54,710 --> 00:57:53,040

so zuckerberg they're coming for you

1705

00:57:55,910 --> 00:57:54,720

buddy the guys that you're giving all

1706

00:57:59,030 --> 00:57:55,920

this money to

1707

00:58:00,950 --> 00:57:59,040

yeah but but maybe he maybe he i have a

1708

00:58:02,230 --> 00:58:00,960

theory though that maybe he knows that

1709

00:58:04,549 --> 00:58:02,240

and they're kind of just buying time

1710

00:58:06,630 --> 00:58:04,559

that maybe by paying them off

1711

00:58:08,710 --> 00:58:06,640

i'm like hey guys i'm with you don't

1712

00:58:10,069 --> 00:58:08,720

come and take my house from me

1713

00:58:13,030 --> 00:58:10,079

you know it's almost like an insurance

1714

00:58:15,589 --> 00:58:13,040

policy i'm worth 20 billion dollars

1715

00:58:17,109 --> 00:58:15,599

you know what i'll peel off a billion

1716

00:58:19,430 --> 00:58:17,119

and give it to these guys

1717

00:58:20,950 --> 00:58:19,440

they're paying its protection money

1718

00:58:22,549 --> 00:58:20,960

right well i think that's the reason the

1719

00:58:25,270 --> 00:58:22,559

corporations

1720

00:58:26,069 --> 00:58:25,280

have supported blm i think the donations

1721

00:58:29,510 --> 00:58:26,079

to blm

1722

00:58:33,750 --> 00:58:29,520

are money to be left alone

1723

00:58:35,190 --> 00:58:33,760

i really do i think zuckerberg i'll say

1724

00:58:36,789 --> 00:58:35,200

something else about

1725

00:58:38,870 --> 00:58:36,799

and this is maybe slightly different

1726

00:58:42,069 --> 00:58:38,880

than what you're saying and that is

1727

00:58:45,030 --> 00:58:42,079

um they remind me of friedrich

1728

00:58:47,589 --> 00:58:45,040

hayek hayek was a great economist and

1729

00:58:50,150 --> 00:58:47,599

philosopher of the 20th century

1730

00:58:51,270 --> 00:58:50,160

and hayek wrote a book called the fatal

1731

00:58:53,510 --> 00:58:51,280

conceit

1732

00:58:54,390 --> 00:58:53,520

where the people who are running things

1733

00:58:56,230 --> 00:58:54,400

sort of think

1734

00:58:57,589 --> 00:58:56,240

they're so smart they're smarter than

1735

00:58:59,910 --> 00:58:57,599

the average person

1736

00:59:01,430 --> 00:58:59,920

they can do everything better and i

1737

00:59:02,150 --> 00:59:01,440

think maybe that's what zuckerberg

1738

00:59:04,549 --> 00:59:02,160

thinks

1739

00:59:05,190 --> 00:59:04,559

he's doing his part to do everything

1740

00:59:07,349 --> 00:59:05,200

better

1741

00:59:09,510 --> 00:59:07,359

and he's going to make the world good by

1742

00:59:11,670 --> 00:59:09,520

censoring all those stupid conservatives

1743

00:59:13,270 --> 00:59:11,680

who don't know as much as he does

1744

00:59:14,789 --> 00:59:13,280

and that sort of thing yeah it's the

1745

00:59:17,589 --> 00:59:14,799

bloomberg totally wrong

1746

00:59:18,150 --> 00:59:17,599

it's the bloomberg mentality yeah you

1747

00:59:20,309 --> 00:59:18,160

should not

1748

00:59:21,349 --> 00:59:20,319

have a 16 ounce soda because it's not

1749

00:59:24,309 --> 00:59:21,359

good for you

1750

00:59:25,510 --> 00:59:24,319

and i'm like well thanks jeff for your

1751

00:59:27,430 --> 00:59:25,520

opinion

1752

00:59:29,190 --> 00:59:27,440

but sorry i'm going to make my own

1753

00:59:31,349 --> 00:59:29,200

decision about my own

1754

00:59:32,309 --> 00:59:31,359

body you're not going to tell me what i

1755

00:59:34,069 --> 00:59:32,319

can eat

1756

00:59:35,510 --> 00:59:34,079

but they are so much smarter than the

1757

00:59:37,910 --> 00:59:35,520

rest of us

1758

00:59:39,510 --> 00:59:37,920

right that they need to tell us what to

1759

00:59:42,390 --> 00:59:39,520

eat and what to drink

1760

00:59:43,990 --> 00:59:42,400

yeah like for example the the barack

1761

00:59:48,069 --> 00:59:44,000

obama advisor

1762

00:59:50,069 --> 00:59:48,079

on affordable hacked it's his name um

1763

00:59:51,510 --> 00:59:50,079

i'm trying to think of what his name was

1764

00:59:54,150 --> 00:59:51,520

but anyway he

1765

00:59:56,390 --> 00:59:54,160

uh said basically the american people

1766

00:59:58,390 --> 00:59:56,400

are too stupid to tell them the truth

1767

00:59:59,670 --> 00:59:58,400

about health care you have to just

1768

01:00:02,870 --> 00:59:59,680

spring it on them

1769

01:00:04,630 --> 01:00:02,880

right and that's the fatal conceit

1770

01:00:05,190 --> 01:00:04,640

thinking they know more than anybody

1771

01:00:08,549 --> 01:00:05,200

else

1772

01:00:10,230 --> 01:00:08,559
