

HIDDEN TRUTH SHOW WITH JIM BRESLO

MICHAEL RECTENWALD

1
00:00:03,350 --> 00:00:01,110

[Music]

2
00:00:06,230 --> 00:00:03,360

now our interview with

3
00:00:07,829 --> 00:00:06,240

former professor michael rechtenwald

4
00:00:08,870 --> 00:00:07,839

what i want to start with is talking

5
00:00:11,669 --> 00:00:08,880

about

6
00:00:12,070 --> 00:00:11,679

the fact that you're a former marxist is

7
00:00:15,350 --> 00:00:12,080

that

8
00:00:18,950 --> 00:00:15,360

yeah it's true

9
00:00:20,230 --> 00:00:18,960

absolutely true so this reminds me of

10
00:00:22,310 --> 00:00:20,240

the david horowitz uh

11
00:00:23,590 --> 00:00:22,320

story and we actually interviewed him a

12
00:00:27,429 --> 00:00:23,600

couple months ago i loved

13
00:00:30,390 --> 00:00:27,439

his book um about his path

14

00:00:31,830 --> 00:00:30,400
and you know on this show we've covered

15

00:00:32,549 --> 00:00:31,840
a lot of different subjects but you know

16

00:00:34,389 --> 00:00:32,559
one of them is

17

00:00:35,830 --> 00:00:34,399
what's going on in our universities not

18

00:00:39,350 --> 00:00:35,840
to mention our our

19

00:00:40,389 --> 00:00:39,360
k-12 schools and this marxist ideology

20

00:00:44,069 --> 00:00:40,399
that's out there

21

00:00:46,709 --> 00:00:44,079
and but to some extent i have trouble

22

00:00:47,350 --> 00:00:46,719
believing it it's like i i say it i hear

23

00:00:51,590 --> 00:00:47,360
it

24

00:00:53,510 --> 00:00:51,600
tr you're saying truly was

25

00:00:55,110 --> 00:00:53,520
a marxist so first right could you just

26

00:00:56,709 --> 00:00:55,120

tell us a little bit about that and

27

00:00:57,350 --> 00:00:56,719

convince us that you're not making that

28

00:01:00,630 --> 00:00:57,360

up just to

29

00:01:03,270 --> 00:01:00,640

for effect okay well i i was a

30

00:01:05,030 --> 00:01:03,280

what i call the left communist uh that

31

00:01:08,469 --> 00:01:05,040

is i believed in the uh

32

00:01:10,710 --> 00:01:08,479

revolution but i was uh not happy about

33

00:01:12,710 --> 00:01:10,720

the bolshevik revolution which

34

00:01:14,230 --> 00:01:12,720

i believe that the workers could take

35

00:01:17,350 --> 00:01:14,240

over the means of production

36

00:01:19,030 --> 00:01:17,360

and then the state would be coterminous

37

00:01:22,390 --> 00:01:19,040

with the with the people

38

00:01:22,870 --> 00:01:22,400

and as such would disappear um and so i

39

00:01:26,149 --> 00:01:22,880

was a

40

00:01:27,510 --> 00:01:26,159

that's called left communism and so i am

41

00:01:30,550 --> 00:01:27,520

a marxist

42

00:01:33,910 --> 00:01:30,560

uh an orthodox i was i was i'm sorry

43

00:01:37,030 --> 00:01:33,920

i was a marxist an orthodox marxist

44

00:01:40,310 --> 00:01:37,040

and uh yeah i wrote for uh numerous

45

00:01:42,870 --> 00:01:40,320

uh marxist publications published

46

00:01:46,389 --> 00:01:42,880

articles on all kinds of topics uh

47

00:01:49,590 --> 00:01:46,399

economics political economy of course

48

00:01:53,270 --> 00:01:49,600

but also on the singularity

49

00:01:56,389 --> 00:01:53,280

and marxism i wrote about marxism and

50

00:01:58,230 --> 00:01:56,399

identity politics uh i wrote a lot of

51
00:01:59,590 --> 00:01:58,240
stuff on marxism and i was a true

52
00:02:02,550 --> 00:01:59,600
believer

53
00:02:04,149 --> 00:02:02,560
i tried to join a trotskyist sect but

54
00:02:05,749 --> 00:02:04,159
they wouldn't have me they said i was

55
00:02:08,309 --> 00:02:05,759
too bourgeois

56
00:02:10,949 --> 00:02:08,319
so i'm happy about that because who

57
00:02:14,949 --> 00:02:10,959
knows how long i would have been stuck

58
00:02:18,790 --> 00:02:14,959
in mouthing a decrepit uh defunct

59
00:02:19,510 --> 00:02:18,800
uh line a political line and then ended

60
00:02:22,869 --> 00:02:19,520
up you know

61
00:02:25,510 --> 00:02:22,879
knowing that it's crazy in the end so uh

62
00:02:26,550 --> 00:02:25,520
you were a marxist while at what nyu

63
00:02:28,710 --> 00:02:26,560

while at nyu

64

00:02:31,030 --> 00:02:28,720

that's right and how how unique was it

65

00:02:33,430 --> 00:02:31,040

to be a marxist at nyu

66

00:02:35,190 --> 00:02:33,440

not at all it was it was very common in

67

00:02:37,670 --> 00:02:35,200

fact it was just another flavor of

68

00:02:39,910 --> 00:02:37,680

leftism that you could be

69

00:02:40,949 --> 00:02:39,920

and there are many flavors of leftism

70

00:02:43,270 --> 00:02:40,959

and you can

71

00:02:44,630 --> 00:02:43,280

you could be just about any one of them

72

00:02:46,630 --> 00:02:44,640

without a problem

73

00:02:48,790 --> 00:02:46,640

but would you say that all the flavors

74

00:02:50,390 --> 00:02:48,800

really do have

75

00:02:52,070 --> 00:02:50,400

whether you call it marxism or not

76

00:02:52,790 --> 00:02:52,080

essentially that as its core this

77

00:02:54,630 --> 00:02:52,800

collectivism

78

00:02:56,790 --> 00:02:54,640

got an ethos of marxists all of them

79

00:02:58,149 --> 00:02:56,800

have an ethos of marxism under them the

80

00:03:01,110 --> 00:02:58,159

basic idea of

81

00:03:02,830 --> 00:03:01,120

under dogism if you will that you know

82

00:03:05,990 --> 00:03:02,840

overcoming the powerful

83

00:03:09,750 --> 00:03:06,000

or overcoming the ruling class

84

00:03:12,949 --> 00:03:09,760

or overcoming the patriarchy

85

00:03:15,110 --> 00:03:12,959

or overcoming or overcoming any way that

86

00:03:17,750 --> 00:03:15,120

you want to describe

87

00:03:20,070 --> 00:03:17,760

the the power differential supposedly

88

00:03:23,030 --> 00:03:20,080

between the people

89

00:03:25,910 --> 00:03:23,040

and or some aspects of people like race

90

00:03:28,630 --> 00:03:25,920

race a racial group or

91

00:03:29,750 --> 00:03:28,640

fam you know in the case of feminism

92

00:03:33,190 --> 00:03:29,760

women

93

00:03:36,550 --> 00:03:33,200

or transgenderism the trans community

94

00:03:37,350 --> 00:03:36,560

etc etc they're all share the ethos of

95

00:03:39,030 --> 00:03:37,360

marxism

96

00:03:41,270 --> 00:03:39,040

and that is this kind of idea that

97

00:03:44,830 --> 00:03:41,280

you're underneath this power

98

00:03:48,229 --> 00:03:44,840

that you have to overthrow and

99

00:03:49,110 --> 00:03:48,239

the ultimate objective is a kind of a

100

00:03:51,830 --> 00:03:49,120

utopian

101
00:03:52,229 --> 00:03:51,840
society well marx would declaim that he

102
00:03:54,390 --> 00:03:52,239
did

103
00:03:56,070 --> 00:03:54,400
he said he wasn't a utopian and what he

104
00:03:57,830 --> 00:03:56,080
meant was that he didn't try to

105
00:04:00,149 --> 00:03:57,840
prescribe what the marx what the

106
00:04:03,110 --> 00:04:00,159
socialist world would look like

107
00:04:04,789 --> 00:04:03,120
that was just a ruse on his part to keep

108
00:04:05,190 --> 00:04:04,799
from having to describe how it would

109
00:04:07,750 --> 00:04:05,200
work

110
00:04:09,350 --> 00:04:07,760
because it's been pointed out it can't

111
00:04:12,229 --> 00:04:09,360
work

112
00:04:12,830 --> 00:04:12,239
not just politically it becomes tyranny

113
00:04:15,509 --> 00:04:12,840

and

114

00:04:17,030 --> 00:04:15,519

totalitarianism every time but

115

00:04:20,310 --> 00:04:17,040

economically it can't work

116

00:04:24,230 --> 00:04:20,320

so that was just a ruse but yeah um

117

00:04:27,030 --> 00:04:24,240

it looks for kind of like a uh

118

00:04:28,550 --> 00:04:27,040

you know a much improved if not utopian

119

00:04:31,749 --> 00:04:28,560

future

120

00:04:34,150 --> 00:04:31,759

in which you know everybody has equal

121

00:04:38,790 --> 00:04:34,160

ownership in the means of production

122

00:04:40,830 --> 00:04:38,800

and distribution and effectively

123

00:04:43,189 --> 00:04:40,840

at least in my case the state would

124

00:04:45,670 --> 00:04:43,199

disappear in effect

125

00:04:46,629 --> 00:04:45,680

uh but you know having come out of that

126

00:04:50,150 --> 00:04:46,639

and read

127

00:04:51,510 --> 00:04:50,160

a great deal uh crit of criticism of

128

00:04:55,110 --> 00:04:51,520

marxism especially

129

00:04:59,110 --> 00:04:55,120

from uh the from mises uh ludwig

130

00:05:01,909 --> 00:04:59,120

mises uh i recognize it's impossible

131

00:05:03,830 --> 00:05:01,919

economically and politically it always

132

00:05:05,749 --> 00:05:03,840

leads to totalitarianism

133

00:05:06,950 --> 00:05:05,759

there's no other way what do you think

134

00:05:10,629 --> 00:05:06,960

was the allure

135

00:05:13,909 --> 00:05:10,639

to you of it well i was kind of uh

136

00:05:16,150 --> 00:05:13,919

idealist and uh kind of i guess

137

00:05:16,950 --> 00:05:16,160

you might say i'm naive about human

138

00:05:20,390 --> 00:05:16,960

nature

139

00:05:23,189 --> 00:05:20,400

or about uh even about economics

140

00:05:23,830 --> 00:05:23,199

uh i was pretty naive i i did read and

141

00:05:26,950 --> 00:05:23,840

write of

142

00:05:28,870 --> 00:05:26,960

economic treatises but there were some

143

00:05:31,670 --> 00:05:28,880

things that i didn't know

144

00:05:32,550 --> 00:05:31,680

um but i would say the allure is just

145

00:05:34,950 --> 00:05:32,560

like

146

00:05:36,150 --> 00:05:34,960

this notion that we can have a vastly

147

00:05:39,749 --> 00:05:36,160

improved

148

00:05:42,390 --> 00:05:39,759

world and uh and that we wouldn't

149

00:05:43,510 --> 00:05:42,400

live in this competitive society now i

150

00:05:46,550 --> 00:05:43,520

recognize

151

00:05:49,830 --> 00:05:46,560

competition now is actually the key

152

00:05:52,230 --> 00:05:49,840

to freedom uh and that

153

00:05:54,070 --> 00:05:52,240

individual rights and autonomy are the

154

00:05:55,270 --> 00:05:54,080

key to freedom and there are no other

155

00:05:58,390 --> 00:05:55,280

kind of rights

156

00:06:01,830 --> 00:05:58,400

so um you know i was i was wrong

157

00:06:03,909 --> 00:06:01,840

um but you know what happened is

158

00:06:05,990 --> 00:06:03,919

when you go to graduate school and i

159

00:06:08,150 --> 00:06:06,000

went a bit late i had spent 10 years

160

00:06:09,110 --> 00:06:08,160

in advertising before i went to graduate

161

00:06:12,870 --> 00:06:09,120

school

162

00:06:15,510 --> 00:06:12,880

went by the time i went back to

163

00:06:16,629 --> 00:06:15,520

graduate school everything had changed

164

00:06:19,749 --> 00:06:16,639

and this

165

00:06:22,790 --> 00:06:19,759

this notion of theory generally

166

00:06:24,550 --> 00:06:22,800

marxist or neo-marxist and post-modern

167

00:06:25,590 --> 00:06:24,560

theory had totally taken over the

168

00:06:28,629 --> 00:06:25,600

university

169

00:06:30,870 --> 00:06:28,639

in the interim and i realized that if

170

00:06:32,070 --> 00:06:30,880

all they kept feeding me were these

171

00:06:33,990 --> 00:06:32,080

treatises from

172

00:06:35,430 --> 00:06:34,000

you know these texts from marxism and

173

00:06:38,550 --> 00:06:35,440

post-modernism

174

00:06:39,510 --> 00:06:38,560

neo-marxists and so forth that really if

175

00:06:42,550 --> 00:06:39,520

i wanted to be

176

00:06:45,350 --> 00:06:42,560

to

177

00:06:47,189 --> 00:06:45,360

basically imbibe this stuff and sooner

178

00:06:49,830 --> 00:06:47,199

or later it ropes you in

179

00:06:51,909 --> 00:06:49,840

when that's all you're reading uh it's

180

00:06:53,430 --> 00:06:51,919

it's a form of indoctrination it's what

181

00:06:56,629 --> 00:06:53,440

takes place

182

00:06:57,830 --> 00:06:56,639

isn't there also an elitism to it oh

183

00:07:00,150 --> 00:06:57,840

absolutely

184

00:07:02,070 --> 00:07:00,160

there's an elitism that there's a

185

00:07:05,110 --> 00:07:02,080

there's an elite of elitism about

186

00:07:06,710 --> 00:07:05,120

all leftism all left wait which seems

187

00:07:07,830 --> 00:07:06,720

contradictory because they're talking

188

00:07:10,550 --> 00:07:07,840

about everybody being

189

00:07:12,390 --> 00:07:10,560

the same and us all working together

190

00:07:14,390 --> 00:07:12,400

right so how do you explain that

191

00:07:16,230 --> 00:07:14,400

well they're the only ones who know this

192

00:07:16,790 --> 00:07:16,240

they're the only ones who have the right

193

00:07:19,909 --> 00:07:16,800

moral

194

00:07:21,830 --> 00:07:19,919

and ethical system they're the only ones

195

00:07:22,710 --> 00:07:21,840

that are intellectually smart enough to

196

00:07:26,150 --> 00:07:22,720

understand

197

00:07:28,950 --> 00:07:26,160

the class structure or the patriarchy or

198

00:07:30,390 --> 00:07:28,960

what have you or or white privilege and

199

00:07:33,430 --> 00:07:30,400

so on and so forth so

200

00:07:33,909 --> 00:07:33,440

there's an intellectual arrogance about

201
00:07:44,950 --> 00:07:33,919
it

202
00:07:46,629 --> 00:07:44,960
themselves absolutely that even though

203
00:07:48,550 --> 00:07:46,639
they're among the elites

204
00:07:49,990 --> 00:07:48,560
right nonetheless care about the little

205
00:07:51,990 --> 00:07:50,000
guy right

206
00:07:54,230 --> 00:07:52,000
that's right i i didn't think i was in

207
00:07:55,510 --> 00:07:54,240
the elite when i was a professor at nyu

208
00:07:57,350 --> 00:07:55,520
i thought i was

209
00:08:00,790 --> 00:07:57,360
part of the working class struggling for

210
00:08:04,710 --> 00:08:00,800
working class emancipation

211
00:08:07,029 --> 00:08:04,720
but you know that's completely absurd

212
00:08:09,749 --> 00:08:07,039
i mean i had uh you know i was an nyu

213
00:08:11,909 --> 00:08:09,759

professor and uh you know i hardly

214

00:08:14,550 --> 00:08:11,919

had the kind of working class life that

215

00:08:17,909 --> 00:08:14,560

marx was talking about

216

00:08:20,469 --> 00:08:17,919

that marx had uh claimed was

217

00:08:22,469 --> 00:08:20,479

just a miserable miserable life right

218

00:08:25,510 --> 00:08:22,479

with no control over your time

219

00:08:26,230 --> 00:08:25,520

and being robbed at the point of

220

00:08:29,430 --> 00:08:26,240

production

221

00:08:32,070 --> 00:08:29,440

and all this uh so yeah

222

00:08:32,550 --> 00:08:32,080

there's elitism uh the elitism comes

223

00:08:34,550 --> 00:08:32,560

with

224

00:08:36,550 --> 00:08:34,560

intellectual superiority and moral

225

00:08:38,149 --> 00:08:36,560

superiority the sense

226

00:08:40,870 --> 00:08:38,159

and they generally think that the

227

00:08:43,509 --> 00:08:40,880

general population is kind of dumb

228

00:08:43,990 --> 00:08:43,519

and needs to be taken care of you know

229

00:08:45,990 --> 00:08:44,000

they need to be

230

00:08:47,269 --> 00:08:46,000

they think they're duped generally that

231

00:08:50,070 --> 00:08:47,279

they're duped by

232

00:08:52,070 --> 00:08:50,080

ideology or something like that the

233

00:08:54,710 --> 00:08:52,080

irony there is that the marxists are

234

00:08:55,670 --> 00:08:54,720

duped by ideology they're the ones that

235

00:08:59,269 --> 00:08:55,680

are under

236

00:09:01,910 --> 00:08:59,279

ideological uh

237

00:09:03,509 --> 00:09:01,920

indoctrination ideological they're

238

00:09:06,470 --> 00:09:03,519

living in an ideological

239

00:09:07,990 --> 00:09:06,480

framework that was imposed on them they

240

00:09:10,310 --> 00:09:08,000

don't realize that it's actually

241

00:09:11,910 --> 00:09:10,320

something they learned and that was

242

00:09:14,310 --> 00:09:11,920

actually imbibed

243

00:09:15,670 --> 00:09:14,320

and that has really distorted their

244

00:09:17,670 --> 00:09:15,680

worldview and also

245

00:09:20,070 --> 00:09:17,680

makes them feel like an underdog no

246

00:09:23,030 --> 00:09:20,080

matter what circumstances they're in

247

00:09:24,790 --> 00:09:23,040

that leftism has an underdog ism about

248

00:09:28,150 --> 00:09:24,800

it they always believe that they're

249

00:09:31,350 --> 00:09:28,160

in the they're the weaker party and even

250

00:09:31,910 --> 00:09:31,360

though today with authoritarian leftism

251
00:09:34,070 --> 00:09:31,920
ruling

252
00:09:35,910 --> 00:09:34,080
everything they still believe that

253
00:09:38,070 --> 00:09:35,920
they're the underdogs and that they're

254
00:09:39,829 --> 00:09:38,080
in the weaker party

255
00:09:41,110 --> 00:09:39,839
it's unbelievable and what does it mean

256
00:09:44,870 --> 00:09:41,120
for the students

257
00:09:45,750 --> 00:09:44,880
graduating from nyu well i mean i never

258
00:09:48,710 --> 00:09:45,760
taught

259
00:09:50,070 --> 00:09:48,720
i i never tried to indoctrinate students

260
00:09:52,389 --> 00:09:50,080
i should say that right away

261
00:09:54,230 --> 00:09:52,399
i never tried to voice the political

262
00:09:56,870 --> 00:09:54,240
ideology on people

263
00:09:59,509 --> 00:09:56,880

on students i always thought that was

264

00:10:02,790 --> 00:09:59,519

the wrong thing to do in the classroom

265

00:10:05,030 --> 00:10:02,800

that i kept my ideological frame out of

266

00:10:06,870 --> 00:10:05,040

it in fact i challenged my own

267

00:10:09,430 --> 00:10:06,880

ideological frame by introducing

268

00:10:11,030 --> 00:10:09,440

readings completely at odds with it and

269

00:10:13,190 --> 00:10:11,040

i'd let the students

270

00:10:14,230 --> 00:10:13,200

think for themselves what they thought

271

00:10:18,150 --> 00:10:14,240

about different

272

00:10:20,949 --> 00:10:18,160

never uh

273

00:10:22,150 --> 00:10:20,959

imposed that but what is it is being

274

00:10:25,750 --> 00:10:22,160

imposed

275

00:10:29,269 --> 00:10:25,760

by many professors of their particular

276

00:10:31,670 --> 00:10:29,279

uh political framework or ideology is

277

00:10:35,190 --> 00:10:31,680

being imposed on the students

278

00:10:38,150 --> 00:10:35,200

so they come out of there basically woke

279

00:10:39,350 --> 00:10:38,160

if you will uh which means that you know

280

00:10:41,670 --> 00:10:39,360

they believe that

281

00:10:42,710 --> 00:10:41,680

western white men are the evil of the

282

00:10:46,550 --> 00:10:42,720

world

283

00:10:49,750 --> 00:10:46,560

uh western civilization is the poorer

284

00:10:51,750 --> 00:10:49,760

and the only perpetrators of political

285

00:10:53,829 --> 00:10:51,760

or other crimes that have ever taken

286

00:10:58,150 --> 00:10:53,839

place were done by

287

00:11:01,190 --> 00:10:58,160

the western uh european and american

288

00:11:04,550 --> 00:11:01,200

civilization it's just unbelievable they

289

00:11:07,030 --> 00:11:04,560

have a very cartoon version of history

290

00:11:09,110 --> 00:11:07,040

so is there any moment you can point to

291

00:11:10,710 --> 00:11:09,120

that caused your conversion

292

00:11:12,550 --> 00:11:10,720

well the beginning of it was when i

293

00:11:16,150 --> 00:11:12,560

started to criticize

294

00:11:19,190 --> 00:11:16,160

the social justice warriors on campus

295

00:11:19,509 --> 00:11:19,200

and the kind of institutional adoption

296

00:11:23,509 --> 00:11:19,519

of

297

00:11:26,150 --> 00:11:23,519

social justice ideas and policies

298

00:11:27,990 --> 00:11:26,160

when they instituted a bias reporting

299

00:11:31,269 --> 00:11:28,000

hotline on campus

300

00:11:34,550 --> 00:11:31,279

and when trigger warnings and safe faces

301
00:11:36,389 --> 00:11:34,560
and shutting down speakers who came from

302
00:11:37,990 --> 00:11:36,399
outside and not letting them speak when

303
00:11:41,670 --> 00:11:38,000
all this became

304
00:11:44,949 --> 00:11:41,680
it all came together in the fall of 2016

305
00:11:48,310 --> 00:11:44,959
and then after i re after i criticized

306
00:11:51,829 --> 00:11:48,320
these these ideas i was

307
00:11:54,949 --> 00:11:51,839
attacked savagely by leftists

308
00:11:56,829 --> 00:11:54,959
both in the university and outside of it

309
00:11:58,710 --> 00:11:56,839
and then i realized what kind of

310
00:12:01,190 --> 00:11:58,720
totalitarians these people

311
00:12:02,870 --> 00:12:01,200
were and then i said i don't want

312
00:12:05,990 --> 00:12:02,880
anything to do with these people i

313
00:12:08,710 --> 00:12:06,000

i want nothing to do with the left ever

314

00:12:09,750 --> 00:12:08,720

and so my my conversion was political

315

00:12:11,509 --> 00:12:09,760

first

316

00:12:14,629 --> 00:12:11,519

and then it became economic when i

317

00:12:16,550 --> 00:12:14,639

started to read more deeply

318

00:12:18,629 --> 00:12:16,560

and what ultimately led to your

319

00:12:20,790 --> 00:12:18,639

departure from nyu

320

00:12:21,910 --> 00:12:20,800

well i mean they made my life impossible

321

00:12:24,790 --> 00:12:21,920

there they moved

322

00:12:26,230 --> 00:12:24,800

after i was attacked by these people uh

323

00:12:29,509 --> 00:12:26,240

viciously they moved

324

00:12:31,430 --> 00:12:29,519

my office instead of chastising these

325

00:12:32,389 --> 00:12:31,440

people or punishing them in any way

326

00:12:35,509 --> 00:12:32,399

after they had done

327

00:12:38,629 --> 00:12:35,519

outrageous things to me like they moved

328

00:12:39,110 --> 00:12:38,639

well like creating an email well they

329

00:12:41,829 --> 00:12:39,120

had

330

00:12:43,509 --> 00:12:41,839

they used the official nyu listserv

331

00:12:45,590 --> 00:12:43,519

their email list

332

00:12:46,629 --> 00:12:45,600

to call me every name in the book so

333

00:12:50,069 --> 00:12:46,639

they were just

334

00:12:51,509 --> 00:12:50,079

disparaging me uh ruining my reputation

335

00:12:54,389 --> 00:12:51,519

across the whole

336

00:12:54,710 --> 00:12:54,399

a program that i taught him and sorry

337

00:12:57,829 --> 00:12:54,720

they

338

00:13:00,310 --> 00:12:57,839

is students or faculty or faculty

339

00:13:01,670 --> 00:13:00,320

faculty called you know writing these

340

00:13:04,870 --> 00:13:01,680

emails calling me

341

00:13:05,990 --> 00:13:04,880

fascists racist nazi uh white

342

00:13:09,110 --> 00:13:06,000

supremacists

343

00:13:11,030 --> 00:13:09,120

uh white i mean just unbelievable so

344

00:13:12,949 --> 00:13:11,040

and you have to understand that i was in

345

00:13:15,269 --> 00:13:12,959

a department without tenure

346

00:13:16,470 --> 00:13:15,279

you had to be renewed every so many

347

00:13:19,590 --> 00:13:16,480

years for me i was on

348

00:13:21,110 --> 00:13:19,600

five-year contract so they had totally

349

00:13:23,190 --> 00:13:21,120

polluted the waters

350

00:13:24,150 --> 00:13:23,200

there so that i would never be renewed

351
00:13:25,910 --> 00:13:24,160
by any

352
00:13:27,269 --> 00:13:25,920
committee that would be drawn from the

353
00:13:29,110 --> 00:13:27,279
same faculty

354
00:13:30,470 --> 00:13:29,120
that was denouncing me all over the

355
00:13:31,350 --> 00:13:30,480
place even though i'd never done

356
00:13:33,910 --> 00:13:31,360
anything like

357
00:13:34,790 --> 00:13:33,920
what they referred to you know you know

358
00:13:36,870 --> 00:13:34,800
better than

359
00:13:39,189 --> 00:13:36,880
uh you must know now and so many people

360
00:13:41,590 --> 00:13:39,199
do that these names mean nothing

361
00:13:43,430 --> 00:13:41,600
on anything it's racist i mean i never

362
00:13:46,949 --> 00:13:43,440
said a racist thing

363
00:13:49,509 --> 00:13:46,959

publicly in my life so um

364

00:13:51,509 --> 00:13:49,519

it was complete uh then they moved my

365

00:13:53,430 --> 00:13:51,519

office to the russian department

366

00:13:55,350 --> 00:13:53,440

which was an irony i liked they

367

00:13:58,550 --> 00:13:55,360

basically pushed me into my own personal

368

00:14:00,949 --> 00:13:58,560

gulag as i like to say

369

00:14:02,069 --> 00:14:00,959

they put me in this room with no books

370

00:14:04,069 --> 00:14:02,079

metal shelves they

371

00:14:05,750 --> 00:14:04,079

refused to the university refused to

372

00:14:08,389 --> 00:14:05,760

have my books moved

373

00:14:09,350 --> 00:14:08,399

i was completely uh sequestered and

374

00:14:10,629 --> 00:14:09,360

isolated

375

00:14:12,470 --> 00:14:10,639

so that means that it wasn't just the

376

00:14:13,110 --> 00:14:12,480

faculty the administration played a role

377

00:14:16,470 --> 00:14:13,120

in this

378

00:14:18,150 --> 00:14:16,480

totally behind it as well they were

379

00:14:20,949 --> 00:14:18,160

completely

380

00:14:21,590 --> 00:14:20,959

cowing to or else in agreement with

381

00:14:25,430 --> 00:14:21,600

these

382

00:14:29,269 --> 00:14:25,440

people that had libeled me and uh

383

00:14:32,470 --> 00:14:29,279

you know uh decla you know defamation of

384

00:14:34,949 --> 00:14:32,480

character that ruined my career at nyu

385

00:14:36,870 --> 00:14:34,959

just absolutely ruined it they moved me

386

00:14:38,949 --> 00:14:36,880

to the russian department

387

00:14:40,230 --> 00:14:38,959

and basically they just made my life

388

00:14:43,110 --> 00:14:40,240

miserable so i

389

00:14:45,350 --> 00:14:43,120

finally came out i sued them i sued the

390

00:14:50,230 --> 00:14:45,360

university and these professors

391

00:14:53,910 --> 00:14:52,150

seems like an obvious question but would

392

00:14:58,230 --> 00:14:53,920

you send your son or daughter

393

00:14:59,990 --> 00:14:58,240

to nyu i did but i wouldn't again when i

394

00:15:01,110 --> 00:15:00,000

was teaching there my son was able to go

395

00:15:03,910 --> 00:15:01,120

for no tuition

396

00:15:06,470 --> 00:15:03,920

so uh we took advantage of that but i

397

00:15:06,870 --> 00:15:06,480

would send my son or daughter to that or

398

00:15:11,430 --> 00:15:06,880

most

399

00:15:14,710 --> 00:15:13,829

where where'd you send them is there is

400

00:15:17,110 --> 00:15:14,720

there a university

401
00:15:18,949 --> 00:15:17,120
come out to work actually get a job and

402
00:15:20,629 --> 00:15:18,959
uh learn to uh

403
00:15:22,470 --> 00:15:20,639
make money and learn to be an

404
00:15:24,389 --> 00:15:22,480
entrepreneur because

405
00:15:26,069 --> 00:15:24,399
you know at this rate you can be

406
00:15:29,350 --> 00:15:26,079
cancelled from anything from any

407
00:15:32,230 --> 00:15:29,360
university from any corporation

408
00:15:34,310 --> 00:15:32,240
anything you do might be deemed you know

409
00:15:34,629 --> 00:15:34,320
unwoke and that's the end of you so i

410
00:15:36,310 --> 00:15:34,639
would

411
00:15:39,670 --> 00:15:36,320
encourage them and i do encourage them

412
00:15:41,430 --> 00:15:39,680
to be entrepreneurial frankly

413
00:15:43,030 --> 00:15:41,440

so now let's talk a little bit about

414

00:15:46,710 --> 00:15:43,040

some of your writings since

415

00:15:47,350 --> 00:15:46,720

uh since your conversion you can call it

416

00:15:51,269 --> 00:15:47,360

that

417

00:15:54,790 --> 00:15:51,279

today

418

00:15:59,550 --> 00:15:54,800

as far as you know where is this country

419

00:16:02,710 --> 00:15:59,560

on the march toward this uh collectivism

420

00:16:05,749 --> 00:16:02,720

totalitarian utopian uh

421

00:16:07,670 --> 00:16:05,759

socialist dream well it's

422

00:16:09,590 --> 00:16:07,680

you know as i predicted it wasn't going

423

00:16:10,550 --> 00:16:09,600

to stay in the university and this is

424

00:16:12,710 --> 00:16:10,560

obviously

425

00:16:14,710 --> 00:16:12,720

well past the borders of the university

426

00:16:17,350 --> 00:16:14,720

this is now everywhere right

427

00:16:18,230 --> 00:16:17,360

so we're living in a you know like this

428

00:16:20,389 --> 00:16:18,240

sort of

429

00:16:21,430 --> 00:16:20,399

first of all with the covid crisis this

430

00:16:23,350 --> 00:16:21,440

sort of total

431

00:16:25,590 --> 00:16:23,360

before the covet crisis what did we we

432

00:16:27,910 --> 00:16:25,600

were dealing with cancel culture

433

00:16:30,550 --> 00:16:27,920

we were dealing with uh these leftist

434

00:16:33,749 --> 00:16:30,560

authoritarians running the internet

435

00:16:35,110 --> 00:16:33,759

uh basically uh running everything

436

00:16:37,670 --> 00:16:35,120

outside of the state

437

00:16:40,870 --> 00:16:37,680

and even parts of the state of course

438

00:16:42,470 --> 00:16:40,880

including local governments but

439

00:16:44,310 --> 00:16:42,480

you know we had let we have leftist

440

00:16:47,269 --> 00:16:44,320

authoritarians running

441

00:16:49,509 --> 00:16:47,279

basically the public square in effect

442

00:16:49,990 --> 00:16:49,519

because the public square is now a

443

00:16:52,550 --> 00:16:50,000

digital

444

00:16:54,870 --> 00:16:52,560

square and everything else is rather

445

00:16:56,949 --> 00:16:54,880

irrelevant or ineffectual

446

00:16:58,150 --> 00:16:56,959

so that's where we were and then with

447

00:17:01,269 --> 00:16:58,160

covid we we

448

00:17:03,910 --> 00:17:01,279

antici which i anticipated when the

449

00:17:04,949 --> 00:17:03,920

virus was announced that it would be a

450

00:17:07,350 --> 00:17:04,959

move

451
00:17:08,789 --> 00:17:07,360
it would it would allow or provide a

452
00:17:11,829 --> 00:17:08,799
pretext for

453
00:17:12,789 --> 00:17:11,839
the state and the leftist authoritarians

454
00:17:15,990 --> 00:17:12,799
to even

455
00:17:19,270 --> 00:17:16,000
up their game and to you know create

456
00:17:19,990 --> 00:17:19,280
lockdowns and you know all universal

457
00:17:23,429 --> 00:17:20,000
masking

458
00:17:25,270 --> 00:17:23,439
and you know closing downs closing down

459
00:17:27,990 --> 00:17:25,280
of businesses and

460
00:17:28,870 --> 00:17:28,000
uh and the whole nine yards and and

461
00:17:33,110 --> 00:17:28,880
maybe even

462
00:17:35,270 --> 00:17:33,120
uh the the mandating of a universal

463
00:17:37,830 --> 00:17:35,280

vaccine which is possible i think

464

00:17:40,150 --> 00:17:37,840

um if it's not going to be issued by the

465

00:17:42,470 --> 00:17:40,160

state it'll be issued by

466

00:17:44,150 --> 00:17:42,480

corporations such that you can't go

467

00:17:45,750 --> 00:17:44,160

anywhere or do anything unless you're

468

00:17:48,230 --> 00:17:45,760

vaccinated maybe

469

00:17:49,430 --> 00:17:48,240

that's that's the prospect i think is on

470

00:17:52,630 --> 00:17:49,440

the horizon

471

00:17:55,110 --> 00:17:52,640

not too far so we're we're under

472

00:17:58,150 --> 00:17:55,120

leftist authoritarianism in the whole

473

00:17:59,510 --> 00:17:58,160

country now in every respect

474

00:18:01,350 --> 00:17:59,520

well yeah i mean certainly they've

475

00:18:03,270 --> 00:18:01,360

gotten the universities

476

00:18:05,590 --> 00:18:03,280

they've gotten the media i presume you

477

00:18:08,549 --> 00:18:05,600

would say mainstream oh yes the media

478

00:18:09,110 --> 00:18:08,559

um social media big tech we definitely

479

00:18:11,990 --> 00:18:09,120

want to

480

00:18:13,110 --> 00:18:12,000

talk about that and then also um the big

481

00:18:15,590 --> 00:18:13,120

cities because

482

00:18:17,510 --> 00:18:15,600

yes even though you've got a republican

483

00:18:19,350 --> 00:18:17,520

senate and a democrat house and

484

00:18:21,190 --> 00:18:19,360

trump was president et cetera but if you

485

00:18:23,110 --> 00:18:21,200

look at the big cities

486

00:18:25,590 --> 00:18:23,120

that's where most of the population is

487

00:18:27,909 --> 00:18:25,600

and not to mention california which

488

00:18:29,510 --> 00:18:27,919

you know the legislature is over 75

489

00:18:33,029 --> 00:18:29,520

percent democrat i mean it's a

490

00:18:35,510 --> 00:18:33,039

total monopoly here in california yeah

491

00:18:36,630 --> 00:18:35,520

so it's it's yeah it's further along

492

00:18:41,590 --> 00:18:36,640

than people

493

00:18:43,510 --> 00:18:41,600

um might think um as far as

494

00:18:45,430 --> 00:18:43,520

covid in the in the vaccine let's just

495

00:18:46,950 --> 00:18:45,440

talk about that for a second so

496

00:18:49,029 --> 00:18:46,960

there's some wild stuff going on out

497

00:18:50,870 --> 00:18:49,039

there as far as people asserting that

498

00:18:52,630 --> 00:18:50,880

this is some grand conspiracy to

499

00:18:54,549 --> 00:18:52,640

vaccinate the entire public

500

00:18:56,549 --> 00:18:54,559

and it puts some dna in you and it

501
00:18:57,590 --> 00:18:56,559
changes you permanently and now we track

502
00:19:00,230 --> 00:18:57,600
you and this and that

503
00:19:01,029 --> 00:19:00,240
so and that kind of leads into things

504
00:19:04,470 --> 00:19:01,039
going on in

505
00:19:05,909 --> 00:19:04,480
in your in your book uh but

506
00:19:07,669 --> 00:19:05,919
can i presume that that you're not in

507
00:19:09,110 --> 00:19:07,679
that camp that you believe that's some

508
00:19:12,470 --> 00:19:09,120
sinister vaccine

509
00:19:14,390 --> 00:19:12,480
no i'm i'm not anti-vaxx per se

510
00:19:15,590 --> 00:19:14,400
what i'm talking about is mandating

511
00:19:18,390 --> 00:19:15,600
something

512
00:19:20,310 --> 00:19:18,400
that then will be used as a pretext for

513
00:19:21,510 --> 00:19:20,320

restricting your freedoms if you don't

514

00:19:23,270 --> 00:19:21,520

accept it

515

00:19:24,630 --> 00:19:23,280

and there are a lot of reasons not to

516

00:19:26,789 --> 00:19:24,640

accept it not not

517

00:19:28,150 --> 00:19:26,799

not the least of which is it's brand new

518

00:19:29,830 --> 00:19:28,160

and we don't know what's going to happen

519

00:19:31,270 --> 00:19:29,840

i mean wouldn't you rather have somebody

520

00:19:33,430 --> 00:19:31,280

else take it first

521

00:19:36,150 --> 00:19:33,440

and see how they react to it rather than

522

00:19:40,070 --> 00:19:36,160

being first in line

523

00:19:46,150 --> 00:19:40,080

but uh just the means it's just another

524

00:19:48,150 --> 00:19:46,160

means for a kind of totalitarian control

525

00:19:51,270 --> 00:19:48,160

it's not it's not to me that they're

526

00:19:54,470 --> 00:19:51,280

trying to change my dna or put implant

527

00:19:55,750 --> 00:19:54,480

microchips in my brain and so on and so

528

00:19:57,750 --> 00:19:55,760

forth although this stuff

529

00:19:59,909 --> 00:19:57,760

is possible okay but it's not in the

530

00:20:03,430 --> 00:19:59,919

vaccine

531

00:20:05,270 --> 00:20:03,440

there are there are people that are

532

00:20:07,270 --> 00:20:05,280

promoting this and there's technology

533

00:20:09,190 --> 00:20:07,280

that can accomplish it but

534

00:20:10,310 --> 00:20:09,200

i don't believe the vaccine is part of

535

00:20:13,190 --> 00:20:10,320

that

536

00:20:13,909 --> 00:20:13,200

is it truly a desire for totalitarian

537

00:20:16,310 --> 00:20:13,919

control

538

00:20:18,950 --> 00:20:16,320

as opposed to just a lack of

539

00:20:20,470 --> 00:20:18,960

appreciation for individual freedom

540

00:20:22,549 --> 00:20:20,480

and individuals i mean those are two

541

00:20:25,190 --> 00:20:22,559

sides of the same coin

542

00:20:27,029 --> 00:20:25,200

i think you can and you can get if once

543

00:20:29,430 --> 00:20:27,039

you've indoctrinated a great deal of the

544

00:20:32,950 --> 00:20:29,440

population into leftism

545

00:20:36,470 --> 00:20:32,960

and all leftism is authoritarian

546

00:20:40,310 --> 00:20:36,480

then they take on the mandates with glee

547

00:20:43,990 --> 00:20:40,320

you know they you know they br they

548

00:20:46,870 --> 00:20:44,000

don the mask with pride and uh you know

549

00:20:49,029 --> 00:20:46,880

virtue and uh and they also like to

550

00:20:51,029 --> 00:20:49,039

comply and they like to make others

551
00:20:51,990 --> 00:20:51,039
comply they're little authoritarians

552
00:20:53,590 --> 00:20:52,000
running around

553
00:20:56,549 --> 00:20:53,600
i'm sure you've encountered something

554
00:20:58,710 --> 00:20:56,559
right and of course and very demeaning

555
00:21:01,029 --> 00:20:58,720
to people and belittling and look down

556
00:21:03,909 --> 00:21:01,039
upon people who

557
00:21:05,510 --> 00:21:03,919
try who dare suggest that their

558
00:21:07,270 --> 00:21:05,520
individual freedom is at stake when it

559
00:21:08,230 --> 00:21:07,280
comes to taking the vaccine or wearing

560
00:21:10,310 --> 00:21:08,240
the mask

561
00:21:12,310 --> 00:21:10,320
right are they they're very much

562
00:21:13,830 --> 00:21:12,320
collectivists and they want to do

563
00:21:15,990 --> 00:21:13,840

you know they think that you know

564

00:21:20,310 --> 00:21:16,000

everybody that's resisting any

565

00:21:22,070 --> 00:21:20,320

of this is selfish and so on meanwhile

566

00:21:23,669 --> 00:21:22,080

it's quite selfish that millions of

567

00:21:26,149 --> 00:21:23,679

people are starving

568

00:21:26,950 --> 00:21:26,159

because of these lockdowns the way that

569

00:21:29,270 --> 00:21:26,960

it has

570

00:21:30,070 --> 00:21:29,280

impacted the economy and the supply

571

00:21:33,510 --> 00:21:30,080

chains across

572

00:21:36,149 --> 00:21:33,520

the world in in in interestingly enough

573

00:21:40,070 --> 00:21:36,159

in africa where black people live

574

00:21:42,149 --> 00:21:40,080

mostly mostly black people i mean and uh

575

00:21:45,029 --> 00:21:42,159

these are black lives matter activists

576

00:21:48,149 --> 00:21:45,039

basically starving out black people

577

00:21:51,669 --> 00:21:48,159

it's really ironic and uh yeah

578

00:21:51,990 --> 00:21:51,679

um so there's complicity on the part of

579

00:21:59,029 --> 00:21:52,000

the

580

00:22:02,310 --> 00:21:59,039

well but it's

581

00:22:05,470 --> 00:22:02,320

also an acceptance of it uh

582

00:22:08,470 --> 00:22:05,480

and there is an impulse of of

583

00:22:11,510 --> 00:22:08,480

totalitarian control on the left

584

00:22:13,990 --> 00:22:11,520

and all leftist leaders exhibited

585

00:22:15,190 --> 00:22:14,000

so you have those two things working

586

00:22:17,830 --> 00:22:15,200

together

587

00:22:19,510 --> 00:22:17,840

and in describing that it's because of

588

00:22:21,190 --> 00:22:19,520

this perhaps elitism that

589

00:22:23,750 --> 00:22:21,200

they know better and the people are kind

590

00:22:25,590 --> 00:22:23,760

of dumb they always know better

591

00:22:28,390 --> 00:22:25,600

they know better what's good for you and

592

00:22:31,029 --> 00:22:28,400

you can't be left to your own devices

593

00:22:34,470 --> 00:22:31,039

this is the key you can't be left

594

00:22:37,190 --> 00:22:34,480

freedom is too expensive for you to have

595

00:22:37,750 --> 00:22:37,200

your freedom is a threat to the common

596

00:22:40,230 --> 00:22:37,760

good

597

00:22:41,350 --> 00:22:40,240

as they put it so that has to be

598

00:22:44,549 --> 00:22:41,360

curtailed

599

00:22:55,190 --> 00:22:44,559

this

600

00:22:57,669 --> 00:22:55,200

individual freedom has to take a back

601
00:23:00,390 --> 00:22:57,679
seat to the collective

602
00:23:01,669 --> 00:23:00,400
right right and and they have no problem

603
00:23:04,549 --> 00:23:01,679
with that whatsoever because

604
00:23:06,310 --> 00:23:04,559
they love it they embrace it yeah they

605
00:23:08,070 --> 00:23:06,320
they just don't put that much value on

606
00:23:09,510 --> 00:23:08,080
the idea of individual freedom i mean

607
00:23:12,630 --> 00:23:09,520
you know what i say is

608
00:23:13,830 --> 00:23:12,640
you know the the some people say that oh

609
00:23:15,350 --> 00:23:13,840
people aren't smart enough to make their

610
00:23:16,549 --> 00:23:15,360
own decision about the vaccine they just

611
00:23:18,070 --> 00:23:16,559
need to make it or they're not smart

612
00:23:19,990 --> 00:23:18,080
enough to make a decision about 16-ounce

613
00:23:22,390 --> 00:23:20,000

soda or whatever and

614

00:23:23,510 --> 00:23:22,400

whether that's true or not at the end of

615

00:23:26,630 --> 00:23:23,520

the day

616

00:23:28,549 --> 00:23:26,640

someone is free to do dumb things you

617

00:23:30,310 --> 00:23:28,559

have the freedom to do dumb things

618

00:23:32,149 --> 00:23:30,320

if you can't have freedom to make

619

00:23:35,029 --> 00:23:32,159

mistakes how do you learn anything and

620

00:23:38,390 --> 00:23:35,039

so you can't constrain people to have a

621

00:23:42,149 --> 00:23:38,400

risk-free uh mistake-free

622

00:23:44,549 --> 00:23:42,159

life uh making a mistake is an inherent

623

00:23:46,470 --> 00:23:44,559

right i have a right to make a mistake

624

00:23:48,230 --> 00:23:46,480

as long as i'm not infringing on anyone

625

00:23:50,310 --> 00:23:48,240

else's rights

626

00:23:51,430 --> 00:23:50,320

uh so yeah right and and making a bad

627

00:23:53,510 --> 00:23:51,440

argument or

628

00:23:55,510 --> 00:23:53,520

or what have you you know is it an

629

00:23:56,149 --> 00:23:55,520

inherent right and it's how you come to

630

00:23:58,070 --> 00:23:56,159

the truth

631

00:24:00,549 --> 00:23:58,080

so you know like when it comes to the

632

00:24:02,950 --> 00:24:00,559

vaccine you know i think we're already

633

00:24:04,470 --> 00:24:02,960

seeing some attempts to suppress speech

634

00:24:05,990 --> 00:24:04,480

about the vaccine you're not allowed to

635

00:24:08,070 --> 00:24:06,000

criticize this vaccine

636

00:24:09,590 --> 00:24:08,080

yeah john stuart mill said this very

637

00:24:12,870 --> 00:24:09,600

well in non-liberty

638

00:24:15,990 --> 00:24:12,880

in 1859 that

639

00:24:19,350 --> 00:24:16,000

at a time in which unpopular speech even

640

00:24:21,029 --> 00:24:19,360

dangerous speech uh it's

641

00:24:22,549 --> 00:24:21,039

when when some speech is deemed

642

00:24:24,950 --> 00:24:22,559

unpopular and dangerous

643

00:24:26,149 --> 00:24:24,960

it's all the more necessary to allow

644

00:24:28,789 --> 00:24:26,159

that speech to be

645

00:24:32,070 --> 00:24:28,799

voiced right in order to come to the

646

00:24:33,590 --> 00:24:32,080

right conclusions

647

00:24:35,590 --> 00:24:33,600

yeah tucker carlson actually had a good

648

00:24:37,830 --> 00:24:35,600

little segment on this yesterday that

649

00:24:38,630 --> 00:24:37,840

you know telling people to shut up is

650

00:24:41,190 --> 00:24:38,640

not what's going to

651
00:24:42,789 --> 00:24:41,200
convince them to take this vaccine you

652
00:24:43,669 --> 00:24:42,799
need a dialogue you need to convince

653
00:24:45,669 --> 00:24:43,679
them so let's hear

654
00:24:46,870 --> 00:24:45,679
these people that are concerned about it

655
00:24:48,710 --> 00:24:46,880
let's hear their concerns

656
00:24:50,230 --> 00:24:48,720
let them voice their concerns in the

657
00:24:52,789 --> 00:24:50,240
open market of ideas and

658
00:24:54,310 --> 00:24:52,799
let's have it out we will eliminate some

659
00:24:56,390 --> 00:24:54,320
objections and we'll

660
00:24:58,789 --> 00:24:56,400
maybe some others wouldn't be eliminated

661
00:25:00,070 --> 00:24:58,799
it's but you have to voice it first

662
00:25:03,110 --> 00:25:00,080
and the same thing goes with a

663
00:25:05,750 --> 00:25:03,120

fraudulent election right

664

00:25:06,789 --> 00:25:05,760

okay you know is that not po do we not

665

00:25:08,230 --> 00:25:06,799

know that there was fraud in this

666

00:25:10,230 --> 00:25:08,240

election of course there was

667

00:25:11,830 --> 00:25:10,240

some level of fraud there's some level

668

00:25:13,669 --> 00:25:11,840

fraud in every single election

669

00:25:15,510 --> 00:25:13,679

right there's always a degree of fraud

670

00:25:16,070 --> 00:25:15,520

right and how are we ever going to find

671

00:25:18,230 --> 00:25:16,080

out

672

00:25:20,549 --> 00:25:18,240

to what extent it exists if we don't

673

00:25:22,630 --> 00:25:20,559

allow a free exchange of ideas about it

674

00:25:23,669 --> 00:25:22,640

yeah this has just been squelched black

675

00:25:26,789 --> 00:25:23,679

hole you know

676

00:25:28,950 --> 00:25:26,799

memory holder completely banished

677

00:25:30,789 --> 00:25:28,960

so so in one of your books leading up to

678

00:25:32,470 --> 00:25:30,799

your current book which was i think the

679

00:25:36,710 --> 00:25:32,480

google archipelago

680

00:25:40,549 --> 00:25:36,720

book you talk about big tech right and

681

00:25:44,549 --> 00:25:40,559

you know it just help us understand why

682

00:25:44,870 --> 00:25:44,559

a google slash youtube or a facebook or

683

00:25:56,950 --> 00:25:44,880

a

684

00:25:57,750 --> 00:25:56,960

more the better more controversy the

685

00:25:59,430 --> 00:25:57,760

better more

686

00:26:00,789 --> 00:25:59,440

why would you limit anything i mean if

687

00:26:02,789 --> 00:26:00,799

you ban something that means you don't

688

00:26:04,630 --> 00:26:02,799

get to sell advertising on it so

689

00:26:06,630 --> 00:26:04,640

help us understand what's going on there

690

00:26:08,549 --> 00:26:06,640

well i mean it goes back to their

691

00:26:11,830 --> 00:26:08,559

political ideology i mean they are

692

00:26:14,230 --> 00:26:11,840

leftists and that that's another

693

00:26:15,590 --> 00:26:14,240

curious thing is why are these major

694

00:26:17,590 --> 00:26:15,600

tech oligarchs

695

00:26:19,190 --> 00:26:17,600

leftists and and their employees are

696

00:26:21,750 --> 00:26:19,200

leftists too

697

00:26:23,190 --> 00:26:21,760

um and they're authoritarians

698

00:26:26,789 --> 00:26:23,200

necessarily

699

00:26:29,750 --> 00:26:26,799

um it's a

700

00:26:30,310 --> 00:26:29,760

there's a i have a theory about this and

701
00:26:33,669 --> 00:26:30,320
it

702
00:26:36,789 --> 00:26:33,679
is that leftism is really

703
00:26:39,510 --> 00:26:36,799
in line with their objectives

704
00:26:41,190 --> 00:26:39,520
with their commercial objectives as as

705
00:26:45,669 --> 00:26:41,200
as a matter of fact

706
00:26:46,870 --> 00:26:45,679
uh they need to create a kind of uh

707
00:26:49,669 --> 00:26:46,880
they're looking to create a kind of

708
00:26:52,630 --> 00:26:49,679
two-tiered system of oligarchs on top

709
00:26:54,630 --> 00:26:52,640
and everybody else kind of equal below

710
00:26:56,789 --> 00:26:54,640
this kind of equality on the ground

711
00:26:58,870 --> 00:26:56,799
while you have these oligarchs on top

712
00:27:00,230 --> 00:26:58,880
dictating what's allowed and what's not

713
00:27:01,269 --> 00:27:00,240

which is most socialist countries in

714

00:27:04,470 --> 00:27:01,279

most third world countries

715

00:27:05,669 --> 00:27:04,480

exactly but why does big why does big

716

00:27:07,990 --> 00:27:05,679

tech want that

717

00:27:10,070 --> 00:27:08,000

they spread the ideology of socialism

718

00:27:11,430 --> 00:27:10,080

and they squelch anything oppositional

719

00:27:14,310 --> 00:27:11,440

to it if possible

720

00:27:14,789 --> 00:27:14,320

because this is in their interests and

721

00:27:16,870 --> 00:27:14,799

this

722

00:27:19,110 --> 00:27:16,880

also explains why they're so dead deeply

723

00:27:21,430 --> 00:27:19,120

in bed with china

724

00:27:24,149 --> 00:27:21,440

and i could go into the many ways that

725

00:27:26,909 --> 00:27:24,159

big tech is deeply in bed with china

726

00:27:28,070 --> 00:27:26,919

uh they they share a political and

727

00:27:31,110 --> 00:27:28,080

socio-economic

728

00:27:33,110 --> 00:27:31,120

model and that is very similar to that

729

00:27:36,230 --> 00:27:33,120

in china they want

730

00:27:39,830 --> 00:27:36,240

this kind of state-controlled monopolies

731

00:27:42,950 --> 00:27:39,840

or semi-monopolies on top

732

00:27:45,269 --> 00:27:42,960

with equality for the masses and

733

00:27:47,190 --> 00:27:45,279

and the kind of reduced expectations for

734

00:27:49,669 --> 00:27:47,200

everybody

735

00:27:51,269 --> 00:27:49,679

and and do you think that that emanates

736

00:27:54,710 --> 00:27:51,279

from a political

737

00:27:57,830 --> 00:27:54,720

ideology or a capitalist ideology

738

00:28:01,750 --> 00:27:57,840

it's both um it's not capitalist it's

739

00:28:03,430 --> 00:28:01,760

it's a it's a corporatist ideology

740

00:28:05,029 --> 00:28:03,440

free market is not what they're

741

00:28:07,430 --> 00:28:05,039

interested in

742

00:28:09,510 --> 00:28:07,440

they don't want a free market they want

743

00:28:13,430 --> 00:28:09,520

to monopolize as

744

00:28:15,510 --> 00:28:13,440

much as possible their industries and

745

00:28:18,470 --> 00:28:15,520

to have as much control over the

746

00:28:20,870 --> 00:28:18,480

population as they possibly can

747

00:28:21,830 --> 00:28:20,880

they're statist really at base these

748

00:28:25,669 --> 00:28:21,840

people

749

00:28:25,990 --> 00:28:25,679

they want to be the state they have even

750

00:28:28,549 --> 00:28:26,000

said

751
00:28:29,029 --> 00:28:28,559
nation states are irrelevant now we the

752
00:28:31,750 --> 00:28:29,039
state

753
00:28:32,070 --> 00:28:31,760
is basically google is you know wants to

754
00:28:35,190 --> 00:28:32,080
be

755
00:28:38,149 --> 00:28:35,200
the state uh they their status

756
00:28:39,430 --> 00:28:38,159
who want power and they want to have a

757
00:28:42,389 --> 00:28:39,440
certain control

758
00:28:44,230 --> 00:28:42,399
of the population notice how for example

759
00:28:47,190 --> 00:28:44,240
google never

760
00:28:48,470 --> 00:28:47,200
never ever or youtube for example you'll

761
00:28:51,830 --> 00:28:48,480
never see a

762
00:28:53,590 --> 00:28:51,840
socialist video taken down even though

763
00:28:55,269 --> 00:28:53,600

socialists have killed more people

764

00:28:59,029 --> 00:28:55,279

historically than any other

765

00:29:02,149 --> 00:28:59,039

political group in history um you know

766

00:29:04,470 --> 00:29:02,159

they've committed more political crimes

767

00:29:06,230 --> 00:29:04,480

and killed more political people for

768

00:29:08,710 --> 00:29:06,240

political purposes

769

00:29:10,070 --> 00:29:08,720

than any other political ideology on the

770

00:29:11,750 --> 00:29:10,080

face of the earth yet

771

00:29:14,230 --> 00:29:11,760

they're never censored they're never

772

00:29:15,190 --> 00:29:14,240

taken down they're never even chided

773

00:29:17,830 --> 00:29:15,200

they're never

774

00:29:20,549 --> 00:29:17,840

you could be a maoist and and promote

775

00:29:21,909 --> 00:29:20,559

maoism of course mao killed 60 million

776
00:29:24,789 --> 00:29:21,919
people

777
00:29:26,870 --> 00:29:24,799
but that's never like you can't possibly

778
00:29:30,149 --> 00:29:26,880
say anything about supremacism or

779
00:29:31,990 --> 00:29:30,159
recipient supremacist even though peop

780
00:29:33,269 --> 00:29:32,000
four times more people have been killed

781
00:29:35,669 --> 00:29:33,279
in the name of uh

782
00:29:37,590 --> 00:29:35,679
equality than have been killed in the

783
00:29:40,710 --> 00:29:37,600
name of supremacy

784
00:29:43,750 --> 00:29:40,720
and yet only supremacist ideas are or

785
00:29:45,750 --> 00:29:43,760
disallowed so so big big tech

786
00:29:48,070 --> 00:29:45,760
primarily grew out of the san francisco

787
00:29:51,510 --> 00:29:48,080
bay area and the seattle

788
00:29:52,149 --> 00:29:51,520

area right if it had instead grown out

789

00:29:56,310 --> 00:29:52,159

of

790

00:29:57,990 --> 00:29:56,320

texas dallas texas or houston

791

00:30:00,549 --> 00:29:58,000

texas do you think it would have been

792

00:30:03,029 --> 00:30:00,559

different that's a good question

793

00:30:03,990 --> 00:30:03,039

um that's that goes to the question is

794

00:30:07,029 --> 00:30:04,000

is big tech

795

00:30:11,110 --> 00:30:07,039

leftists just because the people who

796

00:30:15,350 --> 00:30:11,120

work there and run it are leftists

797

00:30:17,830 --> 00:30:15,360

um um you know i think that

798

00:30:18,389 --> 00:30:17,840

first of all silicon valley grew out of

799

00:30:20,710 --> 00:30:18,399

you know

800

00:30:21,510 --> 00:30:20,720

south bay and that's just where it was

801
00:30:23,190 --> 00:30:21,520
located

802
00:30:24,950 --> 00:30:23,200
there's a lot of reasons for that and

803
00:30:26,470 --> 00:30:24,960
i've looked into the history of silicon

804
00:30:28,389 --> 00:30:26,480
valley

805
00:30:30,470 --> 00:30:28,399
it just so happens that there were other

806
00:30:31,190 --> 00:30:30,480
technologies that were developed out

807
00:30:33,830 --> 00:30:31,200
there

808
00:30:36,070 --> 00:30:33,840
you know in and around stanford that

809
00:30:37,590 --> 00:30:36,080
just made silicon valley the right place

810
00:30:39,669 --> 00:30:37,600
for this to happen

811
00:30:40,870 --> 00:30:39,679
then it just so happens that that the

812
00:30:43,190 --> 00:30:40,880
people in those

813
00:30:45,029 --> 00:30:43,200

regions are generally leftists although

814

00:30:46,870 --> 00:30:45,039

not in the south bay as you probably

815

00:30:48,870 --> 00:30:46,880

know

816

00:30:50,310 --> 00:30:48,880

not as much as yeah although a lot of

817

00:30:51,430 --> 00:30:50,320

their employees are coming

818

00:30:52,470 --> 00:30:51,440

especially the younger ones you know

819

00:30:53,590 --> 00:30:52,480

they're coming from san francisco

820

00:30:56,950 --> 00:30:53,600

they're coming from the cities

821

00:30:59,909 --> 00:30:56,960

yeah right so i don't think it's

822

00:31:01,990 --> 00:30:59,919

a sufficient explanation to suggest that

823

00:31:05,509 --> 00:31:02,000

they're only leftist because

824

00:31:08,630 --> 00:31:05,519

leftists work there and therefore the pl

825

00:31:11,029 --> 00:31:08,640

their ideology is leftist it lines up

826

00:31:14,310 --> 00:31:11,039

too well with their politics and their

827

00:31:17,669 --> 00:31:14,320

interests as well yeah in other words

828

00:31:17,990 --> 00:31:17,679

if this leftism political ideology which

829

00:31:21,110 --> 00:31:18,000

i think

830

00:31:21,830 --> 00:31:21,120

we agree permeates these these places

831

00:31:24,230 --> 00:31:21,840

from

832

00:31:26,789 --> 00:31:24,240

in all levels if that was totally

833

00:31:28,630 --> 00:31:26,799

contrary ultimately to their economic

834

00:31:30,630 --> 00:31:28,640

interests they wouldn't then they would

835

00:31:31,350 --> 00:31:30,640

butt heads that would butt heads and

836

00:31:35,269 --> 00:31:31,360

they're not

837

00:31:37,750 --> 00:31:35,279

they roll over at the

838

00:31:39,029 --> 00:31:37,760

at the leftist uh demands of their

839

00:31:40,630 --> 00:31:39,039

employees for example

840

00:31:42,310 --> 00:31:40,640

but what i think it might mean for the

841

00:31:45,509 --> 00:31:42,320

answer to my question is that

842

00:31:49,029 --> 00:31:45,519

if instead it had started in texas

843

00:31:51,190 --> 00:31:49,039

that i i mean a relatively

844

00:31:52,389 --> 00:31:51,200

moderate or conservative ideology i

845

00:31:53,830 --> 00:31:52,399

don't think is bad for business

846

00:31:56,950 --> 00:31:53,840

necessarily either

847

00:31:57,830 --> 00:31:56,960

so so you know without without that left

848

00:31:59,029 --> 00:31:57,840

culture and

849

00:32:01,669 --> 00:31:59,039

you know let's face it this left culture

850

00:32:05,350 --> 00:32:01,679

i mean you you talked about it at nyu

851

00:32:07,430 --> 00:32:05,360

this pc culture this woke culture it's

852

00:32:08,950 --> 00:32:07,440

it's highly pressurized i mean you saw

853

00:32:12,310 --> 00:32:08,960

what happened to you

854

00:32:14,950 --> 00:32:12,320

it's it's it's enforced by mobs

855

00:32:15,350 --> 00:32:14,960

uh it's it's enforced with vehemence i

856

00:32:18,310 --> 00:32:15,360

mean

857

00:32:19,909 --> 00:32:18,320

this is not just hey you think what you

858

00:32:20,710 --> 00:32:19,919

want and i'll think what i want not at

859

00:32:22,710 --> 00:32:20,720

all

860

00:32:23,990 --> 00:32:22,720

yeah i mean it's you know los angeles i

861

00:32:25,750 --> 00:32:24,000

mean you don't dare

862

00:32:28,230 --> 00:32:25,760

put a trump bumper sticker on your on

863

00:32:30,710 --> 00:32:28,240

your car i mean we'll do that here in

864

00:32:32,310 --> 00:32:30,720

pittsburgh you can't do that here either

865

00:32:34,070 --> 00:32:32,320

you'll get your windows smashed in while

866

00:32:35,830 --> 00:32:34,080

you go to the store right

867

00:32:37,509 --> 00:32:35,840

biden you're free to do that and you're

868

00:32:38,870 --> 00:32:37,519

gonna you're gonna be totally fine

869

00:32:39,830 --> 00:32:38,880

nobody's gonna bother you if you put a

870

00:32:42,149 --> 00:32:39,840

bison but you put a

871

00:32:43,269 --> 00:32:42,159

trump sign on and and by the way trump

872

00:32:45,590 --> 00:32:43,279

was extremely

873

00:32:46,549 --> 00:32:45,600

polarizing we all recognize that but

874

00:32:48,470 --> 00:32:46,559

ain't gonna change in

875

00:32:49,750 --> 00:32:48,480

in four years if it was a ted cruz if he

876

00:32:51,029 --> 00:32:49,760

had been the guy

877

00:32:52,870 --> 00:32:51,039

guarantee you people wouldn't have been

878

00:32:53,669 --> 00:32:52,880

able to put a cruise bumper sticker on

879

00:32:57,669 --> 00:32:53,679

either right

880

00:33:01,190 --> 00:32:57,679

true um so

881

00:33:03,350 --> 00:33:01,200

and then how about similar question but

882

00:33:05,590 --> 00:33:03,360

how about just billionaires in general

883

00:33:08,149 --> 00:33:05,600

why is it that billionaires

884

00:33:10,310 --> 00:33:08,159

tend to be leftist you know that's a

885

00:33:13,269 --> 00:33:10,320

very good question but they do and

886

00:33:14,710 --> 00:33:13,279

there's a lot of history to validate

887

00:33:16,310 --> 00:33:14,720

this you know because people have

888

00:33:18,950 --> 00:33:16,320

generally thought well

889

00:33:20,549 --> 00:33:18,960

you know right-wing ideology goes better

890

00:33:22,950 --> 00:33:20,559

with capitalism

891

00:33:23,590 --> 00:33:22,960

that's not really true historically or

892

00:33:30,310 --> 00:33:23,600

even

893

00:33:32,070 --> 00:33:30,320

it has to do with the monopolistic

894

00:33:34,630 --> 00:33:32,080

tendencies

895

00:33:35,269 --> 00:33:34,640

you know it is no surprise that the

896

00:33:37,430 --> 00:33:35,279

soviet

897

00:33:38,870 --> 00:33:37,440

bolshevik revolution was actually funded

898

00:33:41,029 --> 00:33:38,880

by wall street bankers

899

00:33:43,110 --> 00:33:41,039

this is a this is fact it's not

900

00:33:43,909 --> 00:33:43,120

conspiracy they were funded by wall

901
00:33:46,389 --> 00:33:43,919
street

902
00:33:46,950 --> 00:33:46,399
bankers and bankers in england and

903
00:33:50,549 --> 00:33:46,960
bankers

904
00:33:51,190 --> 00:33:50,559
in germany they wanted to create a

905
00:33:52,710 --> 00:33:51,200
captive

906
00:33:54,950 --> 00:33:52,720
colony there where they would have

907
00:33:56,950 --> 00:33:54,960
control over production and everybody

908
00:33:59,350 --> 00:33:56,960
else would just work

909
00:34:00,710 --> 00:33:59,360
so their monopolistic tendencies is why

910
00:34:03,710 --> 00:34:00,720
they're leftist

911
00:34:05,669 --> 00:34:03,720
leftists intense towards monopoly and

912
00:34:07,909 --> 00:34:05,679
authoritarianism works to help them

913
00:34:09,829 --> 00:34:07,919

establish it

914

00:34:11,909 --> 00:34:09,839

is is do you think there's an element

915

00:34:14,629 --> 00:34:11,919

also of um

916

00:34:15,430 --> 00:34:14,639

embarrassment of riches that that's

917

00:34:17,270 --> 00:34:15,440

apostle

918

00:34:20,470 --> 00:34:17,280

there's that too there's the sense of

919

00:34:23,190 --> 00:34:20,480

guilt or shame over being rich

920

00:34:25,109 --> 00:34:23,200

and uh you know so but that has to be

921

00:34:26,230 --> 00:34:25,119

that's already leftism in the first

922

00:34:28,310 --> 00:34:26,240

place right

923

00:34:29,349 --> 00:34:28,320

when you have when you're guilt-tripped

924

00:34:32,470 --> 00:34:29,359

and to be for

925

00:34:36,069 --> 00:34:32,480

for your privilege or or whatever you're

926
00:34:38,550 --> 00:34:36,079
already bought into leftist ideas

927
00:34:40,310 --> 00:34:38,560
and how about how much of it is is is

928
00:34:43,750 --> 00:34:40,320
protection money

929
00:34:46,230 --> 00:34:43,760
because they're paying off the state

930
00:34:48,869 --> 00:34:46,240
hang up the state and the people i mean

931
00:34:51,349 --> 00:34:48,879
these these mobs these um

932
00:34:51,909 --> 00:34:51,359
you know antifa mobs black lives matter

933
00:34:54,950 --> 00:34:51,919
mobs

934
00:34:56,950 --> 00:34:54,960
you know marxist i mean in my view

935
00:34:58,630 --> 00:34:56,960
they're coming for jeff bezos they're

936
00:34:59,510 --> 00:34:58,640
coming for his house he doesn't know

937
00:35:01,589 --> 00:34:59,520
that but yeah

938
00:35:02,950 --> 00:35:01,599

i think that's true in fact you know

939

00:35:03,910 --> 00:35:02,960

specifically you'll see his name on

940

00:35:05,829 --> 00:35:03,920

signs

941

00:35:07,030 --> 00:35:05,839

sometimes i don't know why you don't see

942

00:35:09,510 --> 00:35:07,040

zuckerberg as much maybe

943

00:35:10,790 --> 00:35:09,520

the name is too big but you'll see jeff

944

00:35:13,190 --> 00:35:10,800

bezos's name

945

00:35:14,550 --> 00:35:13,200

on these signs so yeah that's where i

946

00:35:15,670 --> 00:35:14,560

get to the protection money thing where

947

00:35:17,670 --> 00:35:15,680

they're basically like

948

00:35:19,270 --> 00:35:17,680

whoa whoa whoa guys what are you talking

949

00:35:19,990 --> 00:35:19,280

about don't come after me i'm with you

950

00:35:22,310 --> 00:35:20,000

guys

951
00:35:23,349 --> 00:35:22,320
yeah they but yeah that's that's there's

952
00:35:26,069 --> 00:35:23,359
that too i wouldn't

953
00:35:26,470 --> 00:35:26,079
i'm not saying that this is all these

954
00:35:29,589 --> 00:35:26,480
are

955
00:35:31,430 --> 00:35:29,599
mutually exclusive explanations

956
00:35:33,589 --> 00:35:31,440
i just don't think any one of them in

957
00:35:36,470 --> 00:35:33,599
particular is sufficient

958
00:35:37,990 --> 00:35:36,480
uh they're necessary but not sufficient

959
00:35:41,190 --> 00:35:38,000
but i do think

960
00:35:42,230 --> 00:35:41,200
that um part of it is buying off this

961
00:35:45,109 --> 00:35:42,240
leftist

962
00:35:45,349 --> 00:35:45,119
constituency to keep them from attacking

963
00:35:48,710 --> 00:35:45,359

you

964

00:35:50,069 --> 00:35:48,720

yeah so walk us through the current path

965

00:35:51,990 --> 00:35:50,079

that we're on

966

00:35:53,829 --> 00:35:52,000

yeah where is it heading and i think

967

00:35:55,990 --> 00:35:53,839

that that leads into if you could talk

968

00:35:57,750 --> 00:35:56,000

about your book a little bit uh um

969

00:35:59,589 --> 00:35:57,760

but if we stay on this course where is

970

00:36:02,150 --> 00:35:59,599

it heading

971

00:36:04,630 --> 00:36:02,160

well um i think we're looking at uh you

972

00:36:05,349 --> 00:36:04,640

know if this great reset for example i

973

00:36:07,910 --> 00:36:05,359

don't know if you're

974

00:36:09,349 --> 00:36:07,920

at all familiar with it if this gets

975

00:36:12,630 --> 00:36:09,359

embraced and it is being

976

00:36:16,069 --> 00:36:12,640

embraced by a number of major u.s

977

00:36:16,550 --> 00:36:16,079

corporations and states like canada and

978

00:36:19,750 --> 00:36:16,560

i think

979

00:36:21,710 --> 00:36:19,760

biden if this gets instituted we're

980

00:36:24,470 --> 00:36:21,720

looking at a kind of

981

00:36:26,069 --> 00:36:24,480

neo-techno-feudalism in effect and that

982

00:36:29,030 --> 00:36:26,079

is a kind of uh

983

00:36:32,230 --> 00:36:29,040

this two-tiered system again but with

984

00:36:36,150 --> 00:36:32,240

using technology to control the public

985

00:36:39,510 --> 00:36:36,160

uh using ai you know with smart cities

986

00:36:41,349 --> 00:36:39,520

so i think china is in a way the model

987

00:36:42,870 --> 00:36:41,359

they don't want the chinese to invade

988

00:36:46,069 --> 00:36:42,880

the united states

989

00:36:47,030 --> 00:36:46,079

as some politicians seem to suggest but

990

00:36:49,430 --> 00:36:47,040

they do have

991

00:36:51,829 --> 00:36:49,440

highly functioning wealth producing

992

00:36:54,470 --> 00:36:51,839

corporations

993

00:36:56,069 --> 00:36:54,480

with a total con you know a really

994

00:36:59,109 --> 00:36:56,079

highly controlled

995

00:37:01,030 --> 00:36:59,119

population controlled population that

996

00:37:02,310 --> 00:37:01,040

that's the future if it keeps going this

997

00:37:03,750 --> 00:37:02,320

way

998

00:37:06,230 --> 00:37:03,760

and there's a lot there's a lot of

999

00:37:08,710 --> 00:37:06,240

people that look at china's

1000

00:37:10,550 --> 00:37:08,720

models being okay it's more efficient

1001
00:37:11,270 --> 00:37:10,560
look how quickly they can build roads

1002
00:37:12,710 --> 00:37:11,280
look how

1003
00:37:14,950 --> 00:37:12,720
cheaply they were able to build their

1004
00:37:16,470 --> 00:37:14,960
bullet trains yeah that's funny that's

1005
00:37:19,190 --> 00:37:16,480
like saying you know

1006
00:37:20,069 --> 00:37:19,200
you know stalin is saying you know uh

1007
00:37:22,390 --> 00:37:20,079
when they point out

1008
00:37:23,670 --> 00:37:22,400
you know 20 million killed you know or

1009
00:37:26,390 --> 00:37:23,680
20 or 30.

1010
00:37:26,950 --> 00:37:26,400
yeah but look at the railroads you know

1011
00:37:29,190 --> 00:37:26,960
i mean

1012
00:37:29,990 --> 00:37:29,200
you know that hardly compensates but

1013
00:37:32,710 --> 00:37:30,000

yeah i think

1014

00:37:34,950 --> 00:37:32,720

china kills uh like 50 million

1015

00:37:37,589 --> 00:37:34,960

dissidents a year

1016

00:37:38,710 --> 00:37:37,599

and they also put you know the wiggers

1017

00:37:41,430 --> 00:37:38,720

in in prison

1018

00:37:42,790 --> 00:37:41,440

and they're also taking uh by the

1019

00:37:44,790 --> 00:37:42,800

busload

1020

00:37:47,670 --> 00:37:44,800

dissidents from hong kong and putting

1021

00:37:50,870 --> 00:37:47,680

them in re-education camps

1022

00:37:51,589 --> 00:37:50,880

uh that's what they do this is not some

1023

00:37:55,030 --> 00:37:51,599

benign

1024

00:37:56,630 --> 00:37:55,040

oh just another if we will liberalize if

1025

00:37:58,390 --> 00:37:56,640

we do business with them that hasn't

1026

00:38:00,230 --> 00:37:58,400

proven to be the truth at all

1027

00:38:02,870 --> 00:38:00,240

and the people that made those bullet

1028

00:38:06,150 --> 00:38:02,880

trains got paid about 25 cents an hour

1029

00:38:07,270 --> 00:38:06,160

yeah what concerns me is it seemed like

1030

00:38:09,670 --> 00:38:07,280

we were on a path

1031

00:38:11,510 --> 00:38:09,680

of a wake-up call for americans about

1032

00:38:13,109 --> 00:38:11,520

china in the risk of china and so on

1033

00:38:14,950 --> 00:38:13,119

because we are asleep we are enjoying

1034

00:38:15,670 --> 00:38:14,960

all the the the cheap stuff coming out

1035

00:38:17,990 --> 00:38:15,680

of there

1036

00:38:19,349 --> 00:38:18,000

walmart is everything's cheap at walmart

1037

00:38:22,470 --> 00:38:19,359

thanks to china and

1038

00:38:25,270 --> 00:38:22,480

we benefited from that quite a bit but

1039

00:38:26,950 --> 00:38:25,280

it's a short-term benefit not long-term

1040

00:38:27,510 --> 00:38:26,960

it seems like trump administration kind

1041

00:38:29,430 --> 00:38:27,520

of

1042

00:38:31,270 --> 00:38:29,440

woke everybody up to that a bit but you

1043

00:38:33,030 --> 00:38:31,280

know just like with any administration

1044

00:38:35,589 --> 00:38:33,040

you know the new one wants to do the

1045

00:38:38,470 --> 00:38:35,599

opposite of the prior one

1046

00:38:39,430 --> 00:38:38,480

so um it's really scary what this new

1047

00:38:42,390 --> 00:38:39,440

administration

1048

00:38:42,950 --> 00:38:42,400

is likely to do regarding china yeah

1049

00:38:47,190 --> 00:38:42,960

it's very

1050

00:38:48,630 --> 00:38:47,200

know it looks like his family has been

1051

00:38:50,950 --> 00:38:48,640

in bed with them

1052

00:38:53,030 --> 00:38:50,960

uh in this company that they were

1053

00:38:55,829 --> 00:38:53,040

dealing with wasn't just some sort of an

1054

00:38:59,190 --> 00:38:55,839

energy company they were also

1055

00:39:00,630 --> 00:38:59,200

uh propagators of chinese political

1056

00:39:03,589 --> 00:39:00,640

ideology

1057

00:39:04,390 --> 00:39:03,599

and uh so this is not this is

1058

00:39:07,670 --> 00:39:04,400

interesting it's

1059

00:39:10,790 --> 00:39:07,680

it's a it's a scary scenario that he

1060

00:39:14,069 --> 00:39:10,800

that biden will totally try to

1061

00:39:16,950 --> 00:39:14,079

placate china and maybe even invite

1062

00:39:18,230 --> 00:39:16,960

them further into our situation here

1063

00:39:21,109 --> 00:39:18,240

which is already

1064

00:39:23,589 --> 00:39:21,119

bad enough yeah freed zakaria was

1065

00:39:26,230 --> 00:39:23,599

criticizing the policy toward china

1066

00:39:28,069 --> 00:39:26,240

this sunday and calling it protectionism

1067

00:39:30,630 --> 00:39:28,079

in america this is not the way the world

1068

00:39:31,109 --> 00:39:30,640

is going this is america retreating to

1069

00:39:34,069 --> 00:39:31,119

itself

1070

00:39:35,510 --> 00:39:34,079

and being protectionists but i don't see

1071

00:39:37,430 --> 00:39:35,520

that as what the objective was

1072

00:39:38,710 --> 00:39:37,440

in what the goals of this administration

1073

00:39:41,190 --> 00:39:38,720

have been no

1074

00:39:42,069 --> 00:39:41,200

no not not to protect ourselves in that

1075

00:39:43,990 --> 00:39:42,079

sense

1076

00:39:46,470 --> 00:39:44,000

i think we were we were trying to

1077

00:39:49,750 --> 00:39:46,480

protect our ideals

1078

00:39:51,990 --> 00:39:49,760

from them being overridden by other ones

1079

00:39:54,150 --> 00:39:52,000

by collectivist ideals like the kind of

1080

00:39:56,790 --> 00:39:54,160

the permeate china

1081

00:39:57,910 --> 00:39:56,800

we're trying to and get our our liberty

1082

00:40:02,710 --> 00:39:57,920

against

1083

00:40:04,710 --> 00:40:02,720

that's what i think is really being

1084

00:40:06,390 --> 00:40:04,720

protected that's what i thought

1085

00:40:08,470 --> 00:40:06,400

and i always thought you know make

1086

00:40:09,510 --> 00:40:08,480

america great was about it wasn't about

1087

00:40:13,030 --> 00:40:09,520

trying to like

1088

00:40:16,069 --> 00:40:13,040

become some sort of jingoistic uh

1089

00:40:18,710 --> 00:40:16,079

protectionistic uh closed

1090

00:40:20,470 --> 00:40:18,720

society the idea was to uphold our

1091

00:40:23,589 --> 00:40:20,480

values

1092

00:40:25,190 --> 00:40:23,599

and to reinstate them and to re-express

1093

00:40:27,349 --> 00:40:25,200

them and uh

1094

00:40:29,430 --> 00:40:27,359

that's really what it meant to me yeah

1095

00:40:31,829 --> 00:40:29,440

well here's a good quote that i

1096

00:40:33,190 --> 00:40:31,839

read in talking about the vaccine i

1097

00:40:34,630 --> 00:40:33,200

guess melinda gates and bill gates

1098

00:40:35,910 --> 00:40:34,640

obviously have been out there advocating

1099

00:40:39,270 --> 00:40:35,920

for

1100

00:40:40,550 --> 00:40:39,280

the vaccine and not wanting people to

1101
00:40:42,870 --> 00:40:40,560
criticize it but

1102
00:40:44,630 --> 00:40:42,880
here's a quote from melinda gates one of

1103
00:40:45,430 --> 00:40:44,640
the things i know about president-elect

1104
00:40:47,349 --> 00:40:45,440
biden

1105
00:40:48,630 --> 00:40:47,359
is he's not just thinking about how to

1106
00:40:53,829 --> 00:40:48,640
keep americans

1107
00:40:56,870 --> 00:40:53,839
about global leadership and how to keep

1108
00:40:57,990 --> 00:40:56,880
everybody safe yeah that's the kind of

1109
00:40:59,270 --> 00:40:58,000
leader that they want the

1110
00:41:00,870 --> 00:40:59,280
the president of the united states is

1111
00:41:02,150 --> 00:41:00,880
not supposed to put americans first

1112
00:41:03,910 --> 00:41:02,160
they're supposed to

1113
00:41:06,069 --> 00:41:03,920

put the world first that's what obama

1114

00:41:07,910 --> 00:41:06,079

that's what obama did and that's why

1115

00:41:09,510 --> 00:41:07,920

sorry to keep going but but that's why

1116

00:41:10,790 --> 00:41:09,520

trump said that at the debate

1117

00:41:12,390 --> 00:41:10,800

you know he's saying look it wasn't for

1118

00:41:13,109 --> 00:41:12,400

you guys i would have i would have never

1119

00:41:15,510 --> 00:41:13,119

won all right

1120

00:41:16,230 --> 00:41:15,520

you know i wouldn't be here but for you

1121

00:41:18,069 --> 00:41:16,240

guys

1122

00:41:19,670 --> 00:41:18,079

right but i always said about the obama

1123

00:41:20,150 --> 00:41:19,680

administrations they think they're the

1124

00:41:22,470 --> 00:41:20,160

president

1125

00:41:24,630 --> 00:41:22,480

of the world and i thought it was great

1126

00:41:26,470 --> 00:41:24,640

how specific trump was and say no no no

1127

00:41:29,030 --> 00:41:26,480

no i'm president for you guys

1128

00:41:30,390 --> 00:41:29,040

and he even at global summits would tell

1129

00:41:31,910 --> 00:41:30,400

the other leaders and by the way

1130

00:41:33,910 --> 00:41:31,920

you guys should be the leaders for your

1131

00:41:34,470 --> 00:41:33,920

country you should put your own people

1132

00:41:36,390 --> 00:41:34,480

first

1133

00:41:37,910 --> 00:41:36,400

that's why you have people all over the

1134

00:41:39,910 --> 00:41:37,920

world actually

1135

00:41:42,550 --> 00:41:39,920

championing trump because they see the

1136

00:41:44,470 --> 00:41:42,560

same problems in their own countries

1137

00:41:46,470 --> 00:41:44,480

that these globalists don't care about

1138

00:41:47,990 --> 00:41:46,480

their particular interests

1139

00:41:49,829 --> 00:41:48,000

and that they're putting the interests

1140

00:41:50,950 --> 00:41:49,839

of the so-called world really what this

1141

00:41:54,069 --> 00:41:50,960

means is

1142

00:41:56,150 --> 00:41:54,079

they're not giving a crap about the uh

1143

00:41:57,510 --> 00:41:56,160

economic well-being of their own

1144

00:41:59,430 --> 00:41:57,520

citizens

1145

00:42:00,710 --> 00:41:59,440

uh and their you know and their

1146

00:42:02,790 --> 00:42:00,720

political well-being their

1147

00:42:05,349 --> 00:42:02,800

their individual rights and so forth i

1148

00:42:08,150 --> 00:42:05,359

mean you have people in japan

1149

00:42:10,390 --> 00:42:08,160

i mean large crowds of people in japan

1150

00:42:12,630 --> 00:42:10,400

after the election

1151
00:42:15,750 --> 00:42:12,640
in in protest to what's happening in the

1152
00:42:19,190 --> 00:42:17,829
let's go back to real quick to the reset

1153
00:42:20,470 --> 00:42:19,200
because

1154
00:42:21,990 --> 00:42:20,480
i mean i don't know how real this thing

1155
00:42:23,109 --> 00:42:22,000
is and to be honest i i don't know much

1156
00:42:24,870 --> 00:42:23,119
much about it

1157
00:42:26,470 --> 00:42:24,880
isn't it a resetting of debt is that the

1158
00:42:27,990 --> 00:42:26,480
major is it wiping out of debt

1159
00:42:29,589 --> 00:42:28,000
part of it it's to reset the whole

1160
00:42:33,109 --> 00:42:29,599
economy

1161
00:42:37,190 --> 00:42:33,119
to get rid of carbon use to

1162
00:42:40,550 --> 00:42:37,200
get rid of to change our habits to to

1163
00:42:43,670 --> 00:42:40,560

greatly reduce consumption and

1164

00:42:44,069 --> 00:42:43,680

to have a different look about economic

1165

00:42:47,270 --> 00:42:44,079

growth

1166

00:42:50,630 --> 00:42:47,280

they they decry the idea of

1167

00:42:51,829 --> 00:42:50,640

growth as a goal for economics they say

1168

00:42:55,349 --> 00:42:51,839

that we could shrink

1169

00:42:55,670 --> 00:42:55,359

in fact the gdp of the world we should

1170

00:42:58,630 --> 00:42:55,680

go

1171

00:42:59,589 --> 00:42:58,640

the other way why is growth being always

1172

00:43:02,630 --> 00:42:59,599

touted so they're

1173

00:43:04,870 --> 00:43:02,640

talking about greatly changing our whole

1174

00:43:07,190 --> 00:43:04,880

way of life and the united states is the

1175

00:43:09,910 --> 00:43:07,200

big target because we're the big bad

1176

00:43:11,030 --> 00:43:09,920

consumers and we're the ones that don't

1177

00:43:13,430 --> 00:43:11,040

you know

1178

00:43:14,550 --> 00:43:13,440

that haven't signed on to the paris a

1179

00:43:17,109 --> 00:43:14,560

accord

1180

00:43:18,390 --> 00:43:17,119

and so on we did and then got out of it

1181

00:43:20,230 --> 00:43:18,400

but

1182

00:43:21,990 --> 00:43:20,240

the the united states is the target

1183

00:43:24,150 --> 00:43:22,000

they're the pop we're the population

1184

00:43:25,349 --> 00:43:24,160

whose economic status they want to bring

1185

00:43:27,829 --> 00:43:25,359

down

1186

00:43:29,750 --> 00:43:27,839

definitely uh we're living at a too high

1187

00:43:30,870 --> 00:43:29,760

of a rate of consumption and so on and

1188

00:43:32,470 --> 00:43:30,880

so forth so

1189

00:43:34,790 --> 00:43:32,480

that's that's one part of the great

1190

00:43:36,309 --> 00:43:34,800

reset there there's other parts to it

1191

00:43:38,390 --> 00:43:36,319

let me just say this though it's a

1192

00:43:39,670 --> 00:43:38,400

propaganda campaign it's not like a

1193

00:43:41,430 --> 00:43:39,680

fayette complete

1194

00:43:43,270 --> 00:43:41,440

but there's some button even though they

1195

00:43:44,710 --> 00:43:43,280

presented this this way that there's a

1196

00:43:47,589 --> 00:43:44,720

button that you push

1197

00:43:48,470 --> 00:43:47,599

that resets everything there this is a

1198

00:43:50,790 --> 00:43:48,480

this is a

1199

00:43:53,510 --> 00:43:50,800

world economic forum who's trying to get

1200

00:43:55,270 --> 00:43:53,520

people to buy into their ideas

1201

00:43:58,790 --> 00:43:55,280

you know this is not like a global

1202

00:44:01,190 --> 00:43:58,800

conspiracy this is a propaganda campaign

1203

00:44:02,470 --> 00:44:01,200

and why do leftists love climate change

1204

00:44:04,430 --> 00:44:02,480

so much

1205

00:44:06,150 --> 00:44:04,440

because it's a leftist need

1206

00:44:08,950 --> 00:44:06,160

catastrophism

1207

00:44:09,510 --> 00:44:08,960

in order to justify socialism they have

1208

00:44:13,190 --> 00:44:09,520

to find

1209

00:44:13,829 --> 00:44:13,200

something wrong so the economy you know

1210

00:44:15,910 --> 00:44:13,839

with

1211

00:44:17,829 --> 00:44:15,920

wealth production under capitalism that

1212

00:44:20,230 --> 00:44:17,839

no longer became the issue

1213

00:44:21,190 --> 00:44:20,240

too many working class people were doing

1214

00:44:23,990 --> 00:44:21,200

fine

1215

00:44:26,630 --> 00:44:24,000

so especially in the 50s and 60s so

1216

00:44:28,470 --> 00:44:26,640

climate change came about as another way

1217

00:44:32,230 --> 00:44:28,480

of justifying

1218

00:44:34,309 --> 00:44:32,240

uh the need for socialism

1219

00:44:35,670 --> 00:44:34,319

just as kovit is being used for that

1220

00:44:39,510 --> 00:44:35,680

purpose yeah just

1221

00:44:40,390 --> 00:44:39,520

just as uh you know george floyd black

1222

00:44:42,790 --> 00:44:40,400

lives matter

1223

00:44:44,550 --> 00:44:42,800

systemic racism is used for that yeah

1224

00:44:47,270 --> 00:44:44,560

exactly all these things are

1225

00:44:48,630 --> 00:44:47,280

just in fact socialists have been

1226

00:44:50,710 --> 00:44:48,640

attempting to

1227

00:44:51,670 --> 00:44:50,720

create racial tension in the united

1228

00:44:54,630 --> 00:44:51,680

states for

1229

00:44:55,829 --> 00:44:54,640

decades they've yeah in their writing

1230

00:44:57,589 --> 00:44:55,839

you know

1231

00:44:59,270 --> 00:44:57,599

explain why they they love racial

1232

00:45:00,790 --> 00:44:59,280

tension

1233

00:45:02,829 --> 00:45:00,800

uh because they want to point out that

1234

00:45:05,510 --> 00:45:02,839

there's something endemically wrong with

1235

00:45:06,790 --> 00:45:05,520

capitalism the capitalism produces

1236

00:45:08,950 --> 00:45:06,800

racism racism

1237

00:45:10,950 --> 00:45:08,960

is an effect of capitalism nothing could

1238

00:45:14,069 --> 00:45:10,960

be further from the truth

1239

00:45:15,910 --> 00:45:14,079

um it has nothing to do with capitalism

1240

00:45:19,990 --> 00:45:15,920

capitalism doesn't create refining

1241

00:45:20,309 --> 00:45:20,000

capitalism creates abolishes racism we

1242

00:45:23,910 --> 00:45:20,319

don't

1243

00:45:27,349 --> 00:45:25,829

somebody i buy something from or

1244

00:45:28,390 --> 00:45:27,359

something that who's buying something

1245

00:45:30,309 --> 00:45:28,400

for me is and

1246

00:45:31,990 --> 00:45:30,319

you know the market actually takes care

1247

00:45:33,910 --> 00:45:32,000

of racism

1248

00:45:35,270 --> 00:45:33,920

uh what doesn't take care you know so

1249

00:45:38,230 --> 00:45:35,280

they try to use

1250

00:45:40,230 --> 00:45:38,240

racism as another pressure point to show

1251

00:45:42,710 --> 00:45:40,240

the weakness of capitalism

1252

00:45:43,589 --> 00:45:42,720

and then the climate catastrophism is

1253

00:45:48,470 --> 00:45:43,599

another

1254

00:45:49,829 --> 00:45:48,480

saying there's no global warming what i

1255

00:45:52,790 --> 00:45:49,839

am saying is not

1256

00:45:55,109 --> 00:45:52,800

nearly the catastrophe that they're

1257

00:45:57,750 --> 00:45:55,119

painting it as

1258

00:45:58,150 --> 00:45:57,760

yeah well again you never get two sides

1259

00:46:00,950 --> 00:45:58,160

of the

1260

00:46:02,630 --> 00:46:00,960

coin with covid you don't hear what

1261

00:46:03,430 --> 00:46:02,640

lockdowns are doing that's negative we

1262

00:46:05,589 --> 00:46:03,440

just see what

1263

00:46:06,950 --> 00:46:05,599

it's doing is positive right climate

1264

00:46:09,030 --> 00:46:06,960

change

1265

00:46:10,390 --> 00:46:09,040

you don't hear about any of the benefits

1266

00:46:11,990 --> 00:46:10,400

of climate change

1267

00:46:13,750 --> 00:46:12,000

right there are benefits of course

1268

00:46:16,470 --> 00:46:13,760

there's benefits yeah and

1269

00:46:17,670 --> 00:46:16,480

and just to pick sometime in the history

1270

00:46:20,150 --> 00:46:17,680

of time and say

1271

00:46:21,349 --> 00:46:20,160

the weather in in 1950 that was the

1272

00:46:23,349 --> 00:46:21,359

perfect weather for the world

1273

00:46:25,030 --> 00:46:23,359

yeah right what what weather is about

1274

00:46:27,030 --> 00:46:25,040

what what temperature

1275

00:46:28,630 --> 00:46:27,040

is the right one where did this come

1276

00:46:30,390 --> 00:46:28,640

from is there some

1277

00:46:31,670 --> 00:46:30,400

where did we get the right temperature

1278

00:46:33,829 --> 00:46:31,680

from yeah

1279

00:46:35,190 --> 00:46:33,839

i i mean we all adjust when the weather

1280

00:46:36,550 --> 00:46:35,200

changes um

1281

00:46:37,670 --> 00:46:36,560

the world can adjust when the weather

1282

00:46:38,870 --> 00:46:37,680

changes especially when we're just

1283

00:46:41,349 --> 00:46:38,880

talking about a couple

1284

00:46:42,710 --> 00:46:41,359

degrees you know and not to mention that

1285

00:46:45,910 --> 00:46:42,720

you know the cost of it is just

1286

00:46:48,069 --> 00:46:45,920

um insane so so to

1287

00:46:49,670 --> 00:46:48,079

to kind of get us toward the end here so

1288

00:46:50,309 --> 00:46:49,680

so tell us a little bit about the new

1289

00:46:52,550 --> 00:46:50,319

book and

1290

00:46:54,390 --> 00:46:52,560

and and how many years we are away from

1291

00:46:57,109 --> 00:46:54,400

this dystopian society you

1292

00:46:58,630 --> 00:46:57,119

you depict in the book well we're not

1293

00:47:00,390 --> 00:46:58,640

inevitably

1294

00:47:02,470 --> 00:47:00,400

any amount of years away none of this

1295

00:47:05,190 --> 00:47:02,480

has to happen okay so i'll make that

1296

00:47:07,589 --> 00:47:05,200

clear this is a pre-monetary

1297

00:47:10,230 --> 00:47:07,599

warning i'm i'm sending out it's not

1298

00:47:13,670 --> 00:47:10,240

like this is where we're headed

1299

00:47:15,510 --> 00:47:13,680

so the book is cast to say

1300

00:47:18,069 --> 00:47:15,520

i don't want to give it a specific time

1301
00:47:19,829 --> 00:47:18,079
because it could happen sooner if it

1302
00:47:20,870 --> 00:47:19,839
happens it could happen later if it

1303
00:47:22,790 --> 00:47:20,880
happens but

1304
00:47:23,990 --> 00:47:22,800
i cast it into the future and there's

1305
00:47:25,670 --> 00:47:24,000
this future in which we

1306
00:47:29,829 --> 00:47:25,680
don't live in the united states here we

1307
00:47:32,870 --> 00:47:29,839
live in a global federation of pandemos

1308
00:47:34,390 --> 00:47:32,880
uh and pandemos it does sound like

1309
00:47:36,150 --> 00:47:34,400
pandemia

1310
00:47:38,150 --> 00:47:36,160
but it isn't about the pandemic

1311
00:47:41,990 --> 00:47:38,160
necessarily pandemos means a

1312
00:47:48,630 --> 00:47:45,589
and there's this database and processing

1313
00:47:51,270 --> 00:47:48,640

system called collective mind

1314

00:47:52,309 --> 00:47:51,280

and collective mind is like the vast

1315

00:47:55,430 --> 00:47:52,319

knowledge

1316

00:47:58,790 --> 00:47:55,440

storage system and processing system

1317

00:48:01,829 --> 00:47:58,800

and regulation system that runs

1318

00:48:02,549 --> 00:48:01,839

the pandemos federation and what they're

1319

00:48:05,510 --> 00:48:02,559

trying to do

1320

00:48:06,630 --> 00:48:05,520

is connect everybody to collective mind

1321

00:48:08,430 --> 00:48:06,640

vis-a-vis

1322

00:48:09,829 --> 00:48:08,440

nanobots that would connect to the

1323

00:48:12,230 --> 00:48:09,839

neocortex

1324

00:48:14,710 --> 00:48:12,240

and receive signals from and send

1325

00:48:17,829 --> 00:48:14,720

signals to collective mind

1326

00:48:19,990 --> 00:48:17,839

there's a group especially led by one

1327

00:48:22,309 --> 00:48:20,000

character who are deviationists they're

1328

00:48:23,030 --> 00:48:22,319

called thought deviationists because

1329

00:48:25,349 --> 00:48:23,040

they're trying

1330

00:48:27,190 --> 00:48:25,359

to resist getting the virus which is

1331

00:48:28,470 --> 00:48:27,200

what they call the nanobots

1332

00:48:31,190 --> 00:48:28,480

they're not telling people that's what

1333

00:48:32,790 --> 00:48:31,200

the virus is but that's what it is

1334

00:48:35,349 --> 00:48:32,800

and he they're trying to resist the

1335

00:48:37,670 --> 00:48:35,359

virus and the vaccine

1336

00:48:39,829 --> 00:48:37,680

that they're trying to administer is not

1337

00:48:42,950 --> 00:48:39,839

a vaccine against the virus

1338

00:48:44,230 --> 00:48:42,960

it's actually a vaccine that actually

1339

00:48:47,349 --> 00:48:44,240

facilitates and

1340

00:48:48,549 --> 00:48:47,359

amplifies the effects of the virus so

1341

00:48:51,910 --> 00:48:48,559

these people are called

1342

00:48:54,950 --> 00:48:51,920

thought deviationists vaccine resisters

1343

00:48:57,990 --> 00:48:54,960

and in his case banned researchers

1344

00:49:01,349 --> 00:48:58,000

and so they form a network to

1345

00:49:05,349 --> 00:49:01,359

try to subvert this

1346

00:49:07,030 --> 00:49:05,359

system and again it's not something that

1347

00:49:08,950 --> 00:49:07,040

you're saying

1348

00:49:10,790 --> 00:49:08,960

is something that's going on today it's

1349

00:49:13,829 --> 00:49:10,800

not something going on with this

1350

00:49:17,430 --> 00:49:13,839

vaccine no

1351

00:49:20,069 --> 00:49:17,440

i'm trying to it's metaphorical you know

1352

00:49:21,990 --> 00:49:20,079

does the vaccine connect us to a collect

1353

00:49:23,030 --> 00:49:22,000

does the virus connect us to a

1354

00:49:25,990 --> 00:49:23,040

collective mind

1355

00:49:28,309 --> 00:49:26,000

in a way it does the the the way the

1356

00:49:30,630 --> 00:49:28,319

virus has been used

1357

00:49:32,549 --> 00:49:30,640

to control our thinking or to make us

1358

00:49:34,470 --> 00:49:32,559

think in a certain way

1359

00:49:35,750 --> 00:49:34,480

so in a way this is a metaphor for

1360

00:49:37,589 --> 00:49:35,760

what's happening but it's

1361

00:49:38,950 --> 00:49:37,599

projected into the future so that it

1362

00:49:41,990 --> 00:49:38,960

doesn't necessarily

1363

00:49:43,589 --> 00:49:42,000

have anything to do with today yeah well

1364

00:49:45,670 --> 00:49:43,599

and i know your book has been compared

1365

00:49:47,109 --> 00:49:45,680

to orwell's 1984

1366

00:49:48,710 --> 00:49:47,119

in the same sense that that was

1367

00:49:50,790 --> 00:49:48,720

projecting into the future and now we

1368

00:49:54,069 --> 00:49:50,800

sit here today and we see a lot of

1369

00:49:55,910 --> 00:49:54,079

what orwell had in that book happening

1370

00:49:59,190 --> 00:49:55,920

right in fact you've heard people call

1371

00:50:02,549 --> 00:49:59,200

this covet 1984.

1372

00:50:04,870 --> 00:50:02,559

uh just makes perfect sense yeah i mean

1373

00:50:05,750 --> 00:50:04,880

and i've you hear the joke too on on the

1374

00:50:08,069 --> 00:50:05,760

web

1375

00:50:10,710 --> 00:50:08,079

so about the left you know didn't you

1376
00:50:11,880 --> 00:50:10,720
know that 1984 was not an instruction

1377
00:50:13,910 --> 00:50:11,890
manual

1378
00:50:16,069 --> 00:50:13,920
[Music]

1379
00:50:17,030 --> 00:50:16,079
and that seems to be how they're using

1380
00:50:20,230 --> 00:50:17,040
it yeah

1381
00:50:21,750 --> 00:50:20,240
and last question and you said it's not

1382
00:50:24,390 --> 00:50:21,760
inevitable so

1383
00:50:26,069 --> 00:50:24,400
what is the path out of this what what

1384
00:50:28,390 --> 00:50:26,079
is your optimistic

1385
00:50:30,470 --> 00:50:28,400
well you right now in the united states

1386
00:50:32,230 --> 00:50:30,480
of america we have a constitution we

1387
00:50:35,270 --> 00:50:32,240
have a bill of rights and we also have

1388
00:50:38,710 --> 00:50:35,280

more i think almost more importantly

1389

00:50:41,829 --> 00:50:38,720

a tradition and a history of belief

1390

00:50:46,630 --> 00:50:41,839

in the values of individual liberty

1391

00:50:48,950 --> 00:50:46,640

and that is what will save us in the end

1392

00:50:50,870 --> 00:50:48,960

that we will use against we'll use that

1393

00:50:53,270 --> 00:50:50,880

and stand it up against

1394

00:50:54,950 --> 00:50:53,280

these other possibilities that are being

1395

00:50:57,670 --> 00:50:54,960

foisted on us

1396

00:50:58,549 --> 00:50:57,680

and that holding on to that that

1397

00:51:01,829 --> 00:50:58,559

tradition that

1398

00:51:02,309 --> 00:51:01,839

great history and that you know that

1399

00:51:05,829 --> 00:51:02,319

whole

1400

00:51:08,069 --> 00:51:05,839

eneration of individual rights will be

1401
00:51:09,190 --> 00:51:08,079
what actually saves us from this kind of

1402
00:51:11,510 --> 00:51:09,200
collectivism

1403
00:51:13,430 --> 00:51:11,520
even though it's being eroded as we

1404
00:51:15,349 --> 00:51:13,440
speak even though it's being eroded

1405
00:51:16,710 --> 00:51:15,359
because even as it's being eroded there

1406
00:51:19,910 --> 00:51:16,720
are more

1407
00:51:22,470 --> 00:51:19,920
thought deviationists being produced

1408
00:51:23,510 --> 00:51:22,480
now there are more people that are

1409
00:51:25,990 --> 00:51:23,520
resisting it

1410
00:51:27,030 --> 00:51:26,000
real resistance i think now so you

1411
00:51:29,349 --> 00:51:27,040
actually

1412
00:51:31,270 --> 00:51:29,359
seriously i mean you're optimistic

1413
00:51:33,589 --> 00:51:31,280

seeing the way people are

1414

00:51:36,069 --> 00:51:33,599

responding because i get depressed

1415

00:51:38,710 --> 00:51:36,079

sometimes because californians

1416

00:51:39,349 --> 00:51:38,720

are in my view acting like sheep in in

1417

00:51:41,510 --> 00:51:39,359

many way

1418

00:51:43,829 --> 00:51:41,520

and one of my theories is it's like well

1419

00:51:45,829 --> 00:51:43,839

jim you're not out in the street

1420

00:51:46,870 --> 00:51:45,839

protesting speaking of myself i'm like

1421

00:51:48,549 --> 00:51:46,880

yeah because

1422

00:51:50,069 --> 00:51:48,559

it's very comfortable in my house you

1423

00:51:51,430 --> 00:51:50,079

know i'm not allowed to leave my house

1424

00:51:52,710 --> 00:51:51,440

but guess what i got a big screen

1425

00:51:55,349 --> 00:51:52,720

television and i got a

1426

00:51:56,390 --> 00:51:55,359

cell phone and a computer and and a nice

1427

00:51:59,430 --> 00:51:56,400

uh deck

1428

00:52:01,510 --> 00:51:59,440

so you know getting people to go out

1429

00:52:03,190 --> 00:52:01,520

into the street and really oppose this

1430

00:52:04,309 --> 00:52:03,200

is i don't think it's necessary to go

1431

00:52:07,430 --> 00:52:04,319

out into the street

1432

00:52:10,549 --> 00:52:07,440

um that's the leftist routine right uh

1433

00:52:13,750 --> 00:52:10,559

collectivist resistance the collectivist

1434

00:52:14,950 --> 00:52:13,760

at protesting all that that's their

1435

00:52:16,549 --> 00:52:14,960

playbook

1436

00:52:18,549 --> 00:52:16,559

you know i've even heard people on the

1437

00:52:19,270 --> 00:52:18,559

right using some of the same phrases the

1438

00:52:21,349 --> 00:52:19,280

left foot

1439

00:52:24,150 --> 00:52:21,359

uses like whose streets are streets i

1440

00:52:25,910 --> 00:52:24,160

was like nauseated when i heard that

1441

00:52:27,589 --> 00:52:25,920

okay well i'm feeling better so i don't

1442

00:52:28,470 --> 00:52:27,599

need to go out in the street so so so

1443

00:52:31,670 --> 00:52:28,480

what do we

1444

00:52:34,870 --> 00:52:31,680

individualists need to do we need to

1445

00:52:39,430 --> 00:52:34,880

we we need to resist and to continue to

1446

00:52:42,950 --> 00:52:39,440

to to present these individualist

1447

00:52:45,190 --> 00:52:42,960

values and never to never to resign them

1448

00:52:46,390 --> 00:52:45,200

and then to keep expressing them and

1449

00:52:50,390 --> 00:52:46,400

just to

1450

00:52:52,150 --> 00:52:50,400

not to be in a massive of uh

1451
00:52:54,150 --> 00:52:52,160
like the leftists on the street but to

1452
00:52:56,470 --> 00:52:54,160
be in a network

1453
00:52:58,630 --> 00:52:56,480
of as i put it in the book a network of

1454
00:53:02,309 --> 00:52:58,640
thought deviationists

1455
00:53:04,390 --> 00:53:02,319
who will won't succumb that's it

1456
00:53:05,990 --> 00:53:04,400
