

HIDDEN TRUTH SHOW WITH JIM BRESLO

GARY M. JACKSON

1
00:00:04,150 --> 00:00:02,950
here is our interview about the break-in

2
00:00:06,869 --> 00:00:04,160
to the capitol

3
00:00:08,470 --> 00:00:06,879
with gary jackson perhaps a good place

4
00:00:09,350 --> 00:00:08,480
to start is a question a lot of people

5
00:00:11,509 --> 00:00:09,360
are asking

6
00:00:12,870 --> 00:00:11,519
which is that it appears that the

7
00:00:16,390 --> 00:00:12,880
capitol police were

8
00:00:19,109 --> 00:00:16,400
caught off guard is that your assessment

9
00:00:19,910 --> 00:00:19,119
i think it was a tremendous security

10
00:00:23,029 --> 00:00:19,920
failure

11
00:00:25,589 --> 00:00:23,039
to be honest uh

12
00:00:27,670 --> 00:00:25,599
they should have been prepared for

13
00:00:30,230 --> 00:00:27,680

hundreds of thousands of people

14

00:00:31,990 --> 00:00:30,240

marching to the capitol and there was

15

00:00:34,069 --> 00:00:32,000

little

16

00:00:36,790 --> 00:00:34,079

uh you know you have to take your hat

17

00:00:39,670 --> 00:00:36,800

off to the few that were there

18

00:00:40,950 --> 00:00:39,680

law enforcement but there should have

19

00:00:44,069 --> 00:00:40,960

been

20

00:00:45,270 --> 00:00:44,079

plans for this yeah so i have a lot of

21

00:00:47,110 --> 00:00:45,280

questions

22

00:00:49,510 --> 00:00:47,120

about these type of demonstrations and i

23

00:00:51,590 --> 00:00:49,520

don't know what your familiarity is with

24

00:00:52,709 --> 00:00:51,600

these type of demonstrations but

25

00:00:54,150 --> 00:00:52,719

uh let's kind of take it from the

26
00:00:54,790 --> 00:00:54,160
beginning and see what you're able to

27
00:00:58,709 --> 00:00:54,800
answer so

28
00:01:00,709 --> 00:00:58,719
it starts with trump's speech uh on

29
00:01:02,069 --> 00:01:00,719
what's what the lawn of the white house

30
00:01:05,910 --> 00:01:02,079
essentially yeah

31
00:01:09,030 --> 00:01:05,920
on the sixth i i on what on sixth street

32
00:01:11,429 --> 00:01:09,040
yeah on the sixth yes january six

33
00:01:13,190 --> 00:01:11,439
yeah but as far as the location it was

34
00:01:16,149 --> 00:01:13,200
adjacent to the white house

35
00:01:17,510 --> 00:01:16,159
now would those guys have had to go the

36
00:01:18,390 --> 00:01:17,520
people who attended have gone through a

37
00:01:21,030 --> 00:01:18,400
metal detector

38
00:01:23,190 --> 00:01:21,040

to attend that yeah it depends on

39

00:01:24,550 --> 00:01:23,200

exactly and i can't find out the exact

40

00:01:26,230 --> 00:01:24,560

proximity

41

00:01:27,590 --> 00:01:26,240

because there were way more people than

42

00:01:29,990 --> 00:01:27,600

that it stretched all the way back to

43

00:01:31,590 --> 00:01:30,000

the working monument so they were

44

00:01:33,590 --> 00:01:31,600

i haven't seen an accurate estimate

45

00:01:34,710 --> 00:01:33,600

either but it was some hundreds of

46

00:01:38,149 --> 00:01:34,720

thousands probably

47

00:01:41,590 --> 00:01:38,159

200 to 300 000 people and

48

00:01:43,510 --> 00:01:41,600

uh they relax everywhere i i have to say

49

00:01:45,830 --> 00:01:43,520

they relax

50

00:01:47,990 --> 00:01:45,840

and having formally been in the secret

51
00:01:49,990 --> 00:01:48,000
service i'm aware of how prepared they

52
00:01:52,310 --> 00:01:50,000
can be

53
00:01:53,749 --> 00:01:52,320
but i would say they were even less

54
00:01:57,030 --> 00:01:53,759
prepared

55
00:01:58,550 --> 00:01:57,040
at the capitol well

56
00:02:00,550 --> 00:01:58,560
but but again i want to kind of start

57
00:02:02,149 --> 00:02:00,560
with with the first event because that

58
00:02:04,630 --> 00:02:02,159
led to the second event

59
00:02:05,510 --> 00:02:04,640
because one thing i was wondering is it

60
00:02:08,070 --> 00:02:05,520
doesn't appear

61
00:02:08,790 --> 00:02:08,080
that any of these people had guns thank

62
00:02:12,470 --> 00:02:08,800
god

63
00:02:13,670 --> 00:02:12,480

right so going back to our original

64

00:02:15,030 --> 00:02:13,680

question do you believe that at some

65

00:02:16,550 --> 00:02:15,040

point they did have to cross through a

66

00:02:20,150 --> 00:02:16,560

metal detector to

67

00:02:21,750 --> 00:02:20,160

to attend trump's speech apparently not

68

00:02:23,910 --> 00:02:21,760

and that you know there's no information

69

00:02:25,990 --> 00:02:23,920

on that i have looked

70

00:02:27,430 --> 00:02:26,000

there's there's no information about the

71

00:02:28,630 --> 00:02:27,440

security well

72

00:02:30,470 --> 00:02:28,640

what about like you know the

73

00:02:32,150 --> 00:02:30,480

inauguration that's coming up right if

74

00:02:33,830 --> 00:02:32,160

you want to attend that inauguration

75

00:02:35,830 --> 00:02:33,840

are you going through a metal detector

76

00:02:37,350 --> 00:02:35,840

absolutely okay that seems like a

77

00:02:38,550 --> 00:02:37,360

no-brainer to me i i would think that

78

00:02:40,390 --> 00:02:38,560

any event

79

00:02:42,869 --> 00:02:40,400

where you're attending where the

80

00:02:46,550 --> 00:02:42,879

president is going to be speaking

81

00:02:49,509 --> 00:02:46,560

requires a metal detector absolutely

82

00:02:50,630 --> 00:02:49,519

even more than that ids you have to

83

00:02:52,470 --> 00:02:50,640

check ids

84

00:02:53,670 --> 00:02:52,480

so there's a lot of you how do you check

85

00:02:57,509 --> 00:02:53,680

ids on 300

86

00:02:59,030 --> 00:02:57,519

000 people i don't know but um

87

00:03:00,790 --> 00:02:59,040

they should have been prepared for such

88

00:03:03,830 --> 00:03:00,800

a large

89

00:03:06,550 --> 00:03:03,840

wherever it was located well and it

90

00:03:08,869 --> 00:03:06,560

wasn't it wasn't at the portico

91

00:03:11,350 --> 00:03:08,879

i'm not sure how far out it was who

92

00:03:12,869 --> 00:03:11,360

would have done the security planning

93

00:03:14,470 --> 00:03:12,879

for the trump speech would that have

94

00:03:16,550 --> 00:03:14,480

been secret service

95

00:03:17,750 --> 00:03:16,560

primarily secret service but they always

96

00:03:21,190 --> 00:03:17,760

work with

97

00:03:22,470 --> 00:03:21,200

dc police and other authorities fbi if

98

00:03:25,190 --> 00:03:22,480

necessary

99

00:03:25,750 --> 00:03:25,200

so it's it's usually a gang of cops you

100

00:03:28,229 --> 00:03:25,760

know

101
00:03:30,070 --> 00:03:28,239
from different organizations um and they

102
00:03:34,470 --> 00:03:30,080
work together very well

103
00:03:36,470 --> 00:03:34,480
we're used to doing this so um

104
00:03:39,270 --> 00:03:36,480
the one question i can't answer is the

105
00:03:41,589 --> 00:03:39,280
exact location because i can't find it

106
00:03:43,030 --> 00:03:41,599
the most i've seen is near the white

107
00:03:45,589 --> 00:03:43,040
house so

108
00:03:47,270 --> 00:03:45,599
it could have been outside the fence

109
00:03:50,309 --> 00:03:47,280
where you don't need

110
00:03:53,830 --> 00:03:50,319
id you don't need metal

111
00:03:55,670 --> 00:03:53,840
detectors so my guess it's

112
00:03:57,830 --> 00:03:55,680
back in the area not up against the

113
00:03:59,350 --> 00:03:57,840

portico of the black white

114

00:04:01,589 --> 00:03:59,360

or they would have had gone through all

115

00:04:02,550 --> 00:04:01,599

of that it almost seems as if they were

116

00:04:04,309 --> 00:04:02,560

prepared from a

117

00:04:06,390 --> 00:04:04,319

security perspective for the trump

118

00:04:09,190 --> 00:04:06,400

speech but not for the march

119

00:04:11,350 --> 00:04:09,200

on the capitol yeah i think that's

120

00:04:14,789 --> 00:04:11,360

exactly right i think you know

121

00:04:15,509 --> 00:04:14,799

you can guarantee that president trump

122

00:04:17,990 --> 00:04:15,519

himself

123

00:04:19,990 --> 00:04:18,000

was protected okay that's that's the

124

00:04:23,749 --> 00:04:20,000

purpose of the secret service

125

00:04:26,870 --> 00:04:23,759

is to protect the protectees

126

00:04:29,189 --> 00:04:26,880

so when it comes to crowds you're

127

00:04:30,790 --> 00:04:29,199

looking at capitol police you're looking

128

00:04:32,950 --> 00:04:30,800

at dc police

129

00:04:35,030 --> 00:04:32,960

you're looking at uh national guard

130

00:04:37,030 --> 00:04:35,040

perhaps being on the ready

131

00:04:39,510 --> 00:04:37,040

if they needed to be called out and i'm

132

00:04:42,550 --> 00:04:39,520

a little surprised they weren't

133

00:04:46,070 --> 00:04:42,560

um and it was

134

00:04:49,670 --> 00:04:46,080

to be a peaceful march

135

00:04:51,510 --> 00:04:49,680

uh according to what said

136

00:04:53,350 --> 00:04:51,520

he said let's peacefully and

137

00:04:56,469 --> 00:04:53,360

patriotically

138

00:04:57,990 --> 00:04:56,479

walk to the capitol and

139

00:05:01,749 --> 00:04:58,000

of course when you have a group like

140

00:05:04,469 --> 00:05:01,759

that some of that group becomes a mob

141

00:05:05,749 --> 00:05:04,479

and a mob isn't a group but mob has

142

00:05:10,390 --> 00:05:05,759

intent

143

00:05:14,390 --> 00:05:10,400

to cause harm so there was a fraction

144

00:05:17,189 --> 00:05:14,400

that basically breached the capital

145

00:05:17,670 --> 00:05:17,199

that weren't there for a peaceful thing

146

00:05:20,390 --> 00:05:17,680

no

147

00:05:21,670 --> 00:05:20,400

hey gary uh is the microphone on your

148

00:05:23,350 --> 00:05:21,680

headphones

149

00:05:24,790 --> 00:05:23,360

yes could you just maybe just hold out

150

00:05:26,390 --> 00:05:24,800

the microphone just a little bit because

151
00:05:28,710 --> 00:05:26,400
sometimes you're it's not it's missing

152
00:05:30,230 --> 00:05:28,720
you i have another set i can try

153
00:05:32,230 --> 00:05:30,240
that that that that's better that's

154
00:05:35,029 --> 00:05:32,240
better okay okay so

155
00:05:37,189 --> 00:05:35,039
yeah so it seems that there there was

156
00:05:41,350 --> 00:05:37,199
some things on social media

157
00:05:44,390 --> 00:05:41,360
about going to the capitol afterwards so

158
00:05:45,590 --> 00:05:44,400
but but you know and i don't know is is

159
00:05:48,629 --> 00:05:45,600
there

160
00:05:52,150 --> 00:05:48,639
file

161
00:05:55,510 --> 00:05:52,160
to do a demonstration at the capitol

162
00:05:58,390 --> 00:05:55,520
they're supposed to be and that probably

163
00:05:59,430 --> 00:05:58,400

was not filled out in this circumstance

164

00:06:03,270 --> 00:05:59,440

i don't know

165

00:06:04,150 --> 00:06:03,280

uh if it was weren't prepared by reading

166

00:06:07,909 --> 00:06:04,160

it

167

00:06:09,430 --> 00:06:07,919

people

168

00:06:11,590 --> 00:06:09,440

i keep saying three hundred thousand but

169

00:06:14,790 --> 00:06:11,600

let's say two to three hundred thousand

170

00:06:17,830 --> 00:06:14,800

uh marching toward the capitol

171

00:06:19,670 --> 00:06:17,840

uh there had to be some observation

172

00:06:21,590 --> 00:06:19,680

of some people in that group that were

173

00:06:24,390 --> 00:06:21,600

getting pretty rowdy

174

00:06:25,670 --> 00:06:24,400

it wasn't just everybody 100 percent

175

00:06:27,909 --> 00:06:25,680

marching peace

176

00:06:29,590 --> 00:06:27,919

yeah so you know when you start seeing

177

00:06:31,350 --> 00:06:29,600

those kinds of observations you start

178

00:06:32,950 --> 00:06:31,360

preparing a little differently

179

00:06:35,189 --> 00:06:32,960

and it takes a little while to walk up

180

00:06:38,390 --> 00:06:35,199

there you know it's not five minutes

181

00:06:39,029 --> 00:06:38,400

so um there should have been people on

182

00:06:41,350 --> 00:06:39,039

the ready

183

00:06:43,029 --> 00:06:41,360

including national guard that dc could

184

00:06:46,670 --> 00:06:43,039

have called out

185

00:06:50,230 --> 00:06:46,680

um so there just wasn't much

186

00:06:53,110 --> 00:06:50,240

visible and trump supporters

187

00:06:54,309 --> 00:06:53,120

in the past have been peaceful they they

188

00:06:56,230 --> 00:06:54,319

don't have a

189

00:06:57,589 --> 00:06:56,240

history a history of violence like some

190

00:06:59,909 --> 00:06:57,599

other groups have

191

00:07:01,110 --> 00:06:59,919

so that's one reason why the guard could

192

00:07:03,510 --> 00:07:01,120

have been down a bit

193

00:07:04,710 --> 00:07:03,520

yeah that's correct i think based on

194

00:07:08,150 --> 00:07:04,720

history

195

00:07:09,990 --> 00:07:08,160

uh but you know if

196

00:07:12,309 --> 00:07:10,000

me this did not start on the sixth it

197

00:07:13,589 --> 00:07:12,319

started a long time ago

198

00:07:15,510 --> 00:07:13,599

and you know i kind of have some

199

00:07:18,469 --> 00:07:15,520

analogies for that but

200

00:07:18,790 --> 00:07:18,479

this was this was a process that started

201
00:07:22,710 --> 00:07:18,800
with

202
00:07:25,749 --> 00:07:22,720
his followers that have they have become

203
00:07:28,150 --> 00:07:25,759
increasingly angered uh

204
00:07:29,270 --> 00:07:28,160
over this whole election process there's

205
00:07:32,469 --> 00:07:29,280
also

206
00:07:35,110 --> 00:07:32,479
virus there's past

207
00:07:35,749 --> 00:07:35,120
damage and violence in the streets and

208
00:07:39,350 --> 00:07:35,759
you know

209
00:07:43,189 --> 00:07:39,360
um so there's a lot leading up to this

210
00:07:46,950 --> 00:07:43,199
that went beyond the speech the speech

211
00:07:48,550 --> 00:07:46,960
in a sense of the trigger

212
00:07:50,230 --> 00:07:48,560
but the gun was already loaded if you

213
00:07:52,790 --> 00:07:50,240

know what i mean yeah

214

00:07:54,230 --> 00:07:52,800

well i mean i actually happened to watch

215

00:07:57,110 --> 00:07:54,240

the speech i wasn't

216

00:07:58,309 --> 00:07:57,120

feeling good at the time in fact this uh

217

00:08:01,589 --> 00:07:58,319

maybe one of the few

218

00:08:03,110 --> 00:08:01,599

podcasts conducted by someone positive

219

00:08:04,550 --> 00:08:03,120

for covet i'm pretty sure i have covered

220

00:08:07,350 --> 00:08:04,560

right now

221

00:08:09,110 --> 00:08:07,360

well i'm close but i'm not very i got i

222

00:08:09,990 --> 00:08:09,120

got back from park city with a big group

223

00:08:12,469 --> 00:08:10,000

on a ski trip

224

00:08:14,629 --> 00:08:12,479

and about nine out of ten it got it it's

225

00:08:18,309 --> 00:08:14,639

basically just been like a common cold

226

00:08:21,830 --> 00:08:18,319

for me i i even skied with it but i i i

227

00:08:22,950 --> 00:08:21,840

left some healthy and younger thanks

228

00:08:24,950 --> 00:08:22,960

i jumped ahead of the line for the

229

00:08:25,189 --> 00:08:24,960

vaccine is the way i like to think about

230

00:08:29,189 --> 00:08:25,199

it

231

00:08:31,670 --> 00:08:29,199

deal for me

232

00:08:33,029 --> 00:08:31,680

um but anyway so i i was watching it and

233

00:08:36,310 --> 00:08:33,039

so i saw the trump speech

234

00:08:37,589 --> 00:08:36,320

and you know i was zoning out

235

00:08:39,430 --> 00:08:37,599

during the speech it was kind of a

236

00:08:39,990 --> 00:08:39,440

typical trump speech that kind of goes

237

00:08:42,870 --> 00:08:40,000

on and on

238

00:08:43,909 --> 00:08:42,880

and on and he goes state by state with

239

00:08:46,470 --> 00:08:43,919

the numbers of

240

00:08:47,190 --> 00:08:46,480

this many people under 21 who voted et

241

00:08:49,350 --> 00:08:47,200

cetera

242

00:08:50,949 --> 00:08:49,360

in fact uh i was watching on fox

243

00:08:52,710 --> 00:08:50,959

business and they had a split screen one

244

00:08:54,949 --> 00:08:52,720

showing the crowd one showing trump

245

00:08:56,710 --> 00:08:54,959

and and people were filing out during

246

00:09:00,310 --> 00:08:56,720

the speech

247

00:09:00,949 --> 00:09:00,320

so it wasn't a rousing speech by any

248

00:09:03,350 --> 00:09:00,959

stretch

249

00:09:04,470 --> 00:09:03,360

wow now maybe giuliani got people worked

250

00:09:06,550 --> 00:09:04,480

up by saying

251

00:09:08,389 --> 00:09:06,560

trial by combat whatever the hell he

252

00:09:11,670 --> 00:09:08,399

meant by that yeah um

253

00:09:13,590 --> 00:09:11,680

or don jr don jr but um but yeah i think

254

00:09:14,550 --> 00:09:13,600

it's hard to say that the trump speech

255

00:09:16,070 --> 00:09:14,560

itself got around

256

00:09:17,670 --> 00:09:16,080

to your point there's all kinds of

257

00:09:19,670 --> 00:09:17,680

things leading up to that moment

258

00:09:21,670 --> 00:09:19,680

yes and this is the ultimate moment

259

00:09:22,630 --> 00:09:21,680

because congress is about to vote to

260

00:09:25,190 --> 00:09:22,640

certify

261

00:09:26,790 --> 00:09:25,200

so it's all coming to a head uh i don't

262

00:09:28,230 --> 00:09:26,800

think trump did a great job of rallying

263

00:09:31,030 --> 00:09:28,240

the troops per se

264

00:09:32,230 --> 00:09:31,040

but they were already rallied right and

265

00:09:35,350 --> 00:09:32,240

to that point

266

00:09:35,990 --> 00:09:35,360

we now know that many came apparently

267

00:09:38,790 --> 00:09:36,000

with some pipe

268

00:09:39,509 --> 00:09:38,800

bombs and certainly came with military

269

00:09:43,670 --> 00:09:39,519

gear

270

00:09:45,829 --> 00:09:43,680

and helmets and padding and so on so

271

00:09:47,190 --> 00:09:45,839

this was pre-planned by probably you

272

00:09:48,230 --> 00:09:47,200

know the ones who really carried it out

273

00:09:50,710 --> 00:09:48,240

i think

274

00:09:51,829 --> 00:09:50,720

yeah we don't know for sure who they all

275

00:09:55,430 --> 00:09:51,839

were

276

00:09:58,470 --> 00:09:55,440

um you know many are opportunists

277

00:10:01,910 --> 00:09:58,480

if if you are antifa or

278

00:10:03,350 --> 00:10:01,920

um other groups and you hear that 300

279

00:10:04,310 --> 00:10:03,360

000 people are going to march to the

280

00:10:08,470 --> 00:10:04,320

capitol

281

00:10:09,750 --> 00:10:08,480

that's a perfect time to jump in linden

282

00:10:13,430 --> 00:10:09,760

and get closer than you would have

283

00:10:16,150 --> 00:10:13,440

gotten otherwise and be prepared for

284

00:10:17,269 --> 00:10:16,160

backlash and riots in the street with

285

00:10:19,829 --> 00:10:17,279

pipe bombs

286

00:10:21,910 --> 00:10:19,839

whatever that that's a typical mo we've

287

00:10:25,990 --> 00:10:21,920

seen

288

00:10:27,829 --> 00:10:26,000

since summer uh when there's

289

00:10:29,430 --> 00:10:27,839

actually starts out as peaceful protests

290

00:10:32,069 --> 00:10:29,440

that's being objective

291

00:10:32,949 --> 00:10:32,079

then suddenly it turns south there's a

292

00:10:35,110 --> 00:10:32,959

group that

293

00:10:38,150 --> 00:10:35,120

breaks away groups into stores still

294

00:10:41,350 --> 00:10:38,160

stuff it's an opportunistic

295

00:10:43,269 --> 00:10:41,360

ants to do what otherwise you'd be

296

00:10:45,910 --> 00:10:43,279

caught for

297

00:10:47,750 --> 00:10:45,920

so this is not unusual that you would

298

00:10:50,150 --> 00:10:47,760

have a fraction

299

00:10:52,069 --> 00:10:50,160

kind of break away and do their thing

300

00:10:53,750 --> 00:10:52,079

while you have probably 90 some odd

301
00:10:56,870 --> 00:10:53,760
percent

302
00:10:57,910 --> 00:10:56,880
just standing there yeah so what's

303
00:10:58,710 --> 00:10:57,920
interesting is it looked like the

304
00:11:02,150 --> 00:10:58,720
perimeter

305
00:11:04,550 --> 00:11:02,160
of the capitol was closed

306
00:11:05,910 --> 00:11:04,560
and i don't know what is typical i i've

307
00:11:08,069 --> 00:11:05,920
been

308
00:11:10,310 --> 00:11:08,079
usually the capital is open i thought to

309
00:11:11,350 --> 00:11:10,320
visitors at least to a certain number of

310
00:11:13,670 --> 00:11:11,360
visitors

311
00:11:15,269 --> 00:11:13,680
yeah but it's hard to get in that door

312
00:11:17,190 --> 00:11:15,279
and if you don't have the right id or a

313
00:11:21,030 --> 00:11:17,200

tag you're not getting that

314

00:11:22,550 --> 00:11:21,040

um if a tourist wanted to go into the

315

00:11:23,829 --> 00:11:22,560

capitol what's the problem yes

316

00:11:26,069 --> 00:11:23,839

you'd have to go through a process

317

00:11:28,150 --> 00:11:26,079

yourself you'd have to have an id

318

00:11:30,550 --> 00:11:28,160

you don't just walk in you'd have to

319

00:11:33,350 --> 00:11:30,560

call ahead make arrangements

320

00:11:34,870 --> 00:11:33,360

um and be accepted uh so they would ask

321

00:11:38,470 --> 00:11:34,880

you what's your id

322

00:11:42,949 --> 00:11:38,480

you know um let's check and so

323

00:11:45,750 --> 00:11:42,959

um would you say the perimeter being um

324

00:11:47,509 --> 00:11:45,760

cordoned off you know i mean as much as

325

00:11:50,470 --> 00:11:47,519

at least 100 yards away from the

326

00:11:52,710 --> 00:11:50,480

building itself is pretty common

327

00:11:54,790 --> 00:11:52,720

yeah but it's nothing i mean it's

328

00:11:57,670 --> 00:11:54,800

nothing it's just

329

00:12:00,710 --> 00:11:57,680

some people call it a snow fence you can

330

00:12:04,069 --> 00:12:00,720

pick it up move it so it's not really

331

00:12:05,430 --> 00:12:04,079

for riots uh or protesters it's just

332

00:12:09,829 --> 00:12:05,440

some

333

00:12:12,870 --> 00:12:09,839

front line perimeter uh obstacle

334

00:12:14,470 --> 00:12:12,880

but it's not designed for this in fact

335

00:12:17,350 --> 00:12:14,480

they've been putting up a much larger

336

00:12:19,190 --> 00:12:17,360

sense around it now

337

00:12:20,550 --> 00:12:19,200

it's very common correct me from wrong

338

00:12:23,350 --> 00:12:20,560

you know the

339

00:12:24,949 --> 00:12:23,360

million man march and martin luther

340

00:12:26,949 --> 00:12:24,959

king's famous

341

00:12:28,150 --> 00:12:26,959

march and so forth i mean all of that

342

00:12:30,949 --> 00:12:28,160

happens

343

00:12:32,790 --> 00:12:30,959

on what they call the mall right which

344

00:12:34,710 --> 00:12:32,800

leads directly to the capitol

345

00:12:36,150 --> 00:12:34,720

right and that's where the inauguration

346

00:12:37,910 --> 00:12:36,160

will be yes

347

00:12:39,750 --> 00:12:37,920

and so for instance when we all

348

00:12:41,590 --> 00:12:39,760

envisioned the martin luther king speech

349

00:12:42,790 --> 00:12:41,600

is that essentially the same location as

350

00:12:44,550 --> 00:12:42,800

where biden's going to be

351

00:12:45,910 --> 00:12:44,560

speaking from it sounds like it it

352

00:12:46,550 --> 00:12:45,920

sounds like you know they usually have

353

00:12:50,470 --> 00:12:46,560

it

354

00:12:51,990 --> 00:12:50,480

already putting up you know the benches

355

00:12:55,030 --> 00:12:52,000

and all of that

356

00:12:57,269 --> 00:12:55,040

and so they're already there and that's

357

00:13:00,230 --> 00:12:57,279

why they're putting up the extra fencing

358

00:13:01,910 --> 00:13:00,240

and i guarantee that they'll be national

359

00:13:04,389 --> 00:13:01,920

guard on standby there'll be

360

00:13:05,430 --> 00:13:04,399

you know a lot more security this time

361

00:13:07,430 --> 00:13:05,440

so you can

362

00:13:09,269 --> 00:13:07,440

have an event there but it's probably

363

00:13:10,790 --> 00:13:09,279

got to be reserved months in advance and

364

00:13:11,590 --> 00:13:10,800

all kinds of scrutiny and there's going

365

00:13:13,670 --> 00:13:11,600

to be

366

00:13:16,790 --> 00:13:13,680

um metal detectors and all kinds of

367

00:13:18,790 --> 00:13:16,800

stuff yeah you don't just walk in

368

00:13:20,550 --> 00:13:18,800

so that's really the the difference here

369

00:13:23,670 --> 00:13:20,560

as far as people saying oh

370

00:13:25,269 --> 00:13:23,680

capitol police you know

371

00:13:26,629 --> 00:13:25,279

had their guard down or whatever i mean

372

00:13:26,949 --> 00:13:26,639

yeah they had their guard down but you

373

00:13:28,790 --> 00:13:26,959

know

374

00:13:31,590 --> 00:13:28,800

part of the reason was there was not an

375

00:13:34,790 --> 00:13:31,600

event planned for that location

376

00:13:35,990 --> 00:13:34,800

yeah i uh one thing i can't find is how

377

00:13:39,509 --> 00:13:36,000

much was announced

378

00:13:41,910 --> 00:13:39,519

about walking to the capitol

379

00:13:43,110 --> 00:13:41,920

obviously it was in the speech and we

380

00:13:47,350 --> 00:13:43,120

came here to march

381

00:13:49,430 --> 00:13:47,360

but um there's not much about this

382

00:13:51,269 --> 00:13:49,440

so well and that's something this hasn't

383

00:13:52,069 --> 00:13:51,279

come up before but maybe that's another

384

00:13:54,949 --> 00:13:52,079

way in which

385

00:13:56,470 --> 00:13:54,959

trump actually should be faulted is that

386

00:13:58,790 --> 00:13:56,480

he should know better

387

00:14:00,870 --> 00:13:58,800

than to tell people to go march to the

388

00:14:01,430 --> 00:14:00,880

capitol when you don't have a permit to

389

00:14:03,350 --> 00:14:01,440

be

390

00:14:05,350 --> 00:14:03,360

hanging out 250 000 people at the

391

00:14:09,590 --> 00:14:05,360

capitol i mean his

392

00:14:13,189 --> 00:14:09,600

in the way he spoke was good

393

00:14:16,710 --> 00:14:13,199

but it was missing logic to be honest

394

00:14:20,470 --> 00:14:16,720

i'm just again being objective um

395

00:14:24,230 --> 00:14:20,480

you don't tell a group that size that

396

00:14:25,910 --> 00:14:24,240

go to the capitol walk to the capitol

397

00:14:27,670 --> 00:14:25,920

he said i'll walk with you which

398

00:14:32,230 --> 00:14:27,680

obviously do

399

00:14:36,230 --> 00:14:32,240

um and voice your concern

400

00:14:39,829 --> 00:14:36,240

support some senators who are trying to

401
00:14:41,030 --> 00:14:39,839
um i won't say overturned but trying to

402
00:14:42,710 --> 00:14:41,040
object

403
00:14:44,470 --> 00:14:42,720
the electoral college's votes around

404
00:14:47,670 --> 00:14:44,480
those five states

405
00:14:49,430 --> 00:14:47,680
show them your support uh but

406
00:14:51,670 --> 00:14:49,440
we're not going to support some of the

407
00:14:55,670 --> 00:14:51,680
senators that we meet

408
00:14:58,710 --> 00:14:55,680
yeah and so there was a message there

409
00:14:59,430 --> 00:14:58,720
and you know people went to show their

410
00:15:02,150 --> 00:14:59,440
support

411
00:15:03,910 --> 00:15:02,160
but some did a lot more than that yeah i

412
00:15:05,750 --> 00:15:03,920
mean it's arguably

413
00:15:08,230 --> 00:15:05,760

i don't know the rules of dc but it

414

00:15:10,310 --> 00:15:08,240

could even be an unlawful gathering

415

00:15:11,829 --> 00:15:10,320

it could be right to have hundreds of

416

00:15:13,430 --> 00:15:11,839

thousands of people go to the capitol

417

00:15:15,269 --> 00:15:13,440

when they have not

418

00:15:17,110 --> 00:15:15,279

made any application for any

419

00:15:19,509 --> 00:15:17,120

demonstration at the capitol

420

00:15:20,790 --> 00:15:19,519

if they didn't i don't know that for

421

00:15:22,870 --> 00:15:20,800

sure

422

00:15:24,230 --> 00:15:22,880

yeah uh there could have been a permit

423

00:15:25,829 --> 00:15:24,240

there could have been

424

00:15:28,310 --> 00:15:25,839

so there's still a lot of questions

425

00:15:31,670 --> 00:15:28,320

about this since it's so new

426

00:15:35,350 --> 00:15:31,680

um but the one thing i will say

427

00:15:37,350 --> 00:15:35,360

is nothing has been solved

428

00:15:39,110 --> 00:15:37,360

it's unfortunate there was loss of life

429

00:15:41,990 --> 00:15:39,120

very unfortunate

430

00:15:43,509 --> 00:15:42,000

should have been avoided um but the

431

00:15:46,949 --> 00:15:43,519

vitriol

432

00:15:49,350 --> 00:15:46,959

and everything and um

433

00:15:49,990 --> 00:15:49,360

all the way through you know trying to

434

00:15:59,110 --> 00:15:50,000

uh

435

00:16:02,470 --> 00:15:59,120

run again so there's a

436

00:16:04,790 --> 00:16:02,480

there's a lot going on um nothing's

437

00:16:08,389 --> 00:16:04,800

really been settled

438

00:16:10,150 --> 00:16:08,399

and unless this stops we're going to see

439

00:16:13,430 --> 00:16:10,160

continued

440

00:16:16,310 --> 00:16:13,440

protests and violence

441

00:16:17,990 --> 00:16:16,320

yeah yeah the the response to it has

442

00:16:21,110 --> 00:16:18,000

arguably been as bad as

443

00:16:23,030 --> 00:16:21,120

the event itself yes media of course

444

00:16:24,710 --> 00:16:23,040

anything that trump does they overreact

445

00:16:27,030 --> 00:16:24,720

to it and uh

446

00:16:27,990 --> 00:16:27,040

try to take advantage of it in every way

447

00:16:29,749 --> 00:16:28,000

that they can but

448

00:16:31,189 --> 00:16:29,759

uh yeah the fact that this being an

449

00:16:32,790 --> 00:16:31,199

impeachable offense seems

450

00:16:34,790 --> 00:16:32,800

absurd to me and then of course taking

451
00:16:38,550 --> 00:16:34,800
off twitter is absurd you know

452
00:16:39,269 --> 00:16:38,560
suppressing speech and uh 75 million

453
00:16:43,590 --> 00:16:39,279
people

454
00:16:46,710 --> 00:16:43,600
for him that's not going to end well

455
00:16:50,310 --> 00:16:46,720
if no that's the idea no it's not

456
00:16:53,590 --> 00:16:50,320
it's just anti-american the whole

457
00:16:53,910 --> 00:16:53,600
response to this and like i said like i

458
00:16:56,150 --> 00:16:53,920
said

459
00:16:57,590 --> 00:16:56,160
whether you're left or right you know

460
00:16:59,509 --> 00:16:57,600
that

461
00:17:01,269 --> 00:16:59,519
but one side's just been a lot more

462
00:17:04,069 --> 00:17:01,279
vocal about it than the other one

463
00:17:04,630 --> 00:17:04,079

and that's not picking sides it's just

464

00:17:07,909 --> 00:17:04,640

saying

465

00:17:09,909 --> 00:17:07,919

you know one side still

466

00:17:12,069 --> 00:17:09,919

wants to correct what they think was

467

00:17:15,590 --> 00:17:12,079

wrong the other side just

468

00:17:17,510 --> 00:17:15,600

wants to punish and move on

469

00:17:19,270 --> 00:17:17,520

that's basically what's driving both

470

00:17:21,189 --> 00:17:19,280

sides very different

471

00:17:22,949 --> 00:17:21,199

well we and we've had extreme now

472

00:17:23,669 --> 00:17:22,959

violence on both sides of the political

473

00:17:26,069 --> 00:17:23,679

aisle

474

00:17:27,669 --> 00:17:26,079

here it's it's you know we had a summer

475

00:17:29,350 --> 00:17:27,679

full of black lives matter and antifa

476

00:17:31,990 --> 00:17:29,360

violence and now we've had uh

477

00:17:33,830 --> 00:17:32,000

trump supporter violence and you know

478

00:17:36,950 --> 00:17:33,840

the shoe is on the other foot

479

00:17:39,590 --> 00:17:36,960

for both sides yes so

480

00:17:41,270 --> 00:17:39,600

for all the people that's that defended

481

00:17:43,029 --> 00:17:41,280

antifa and things say oh well it was

482

00:17:44,230 --> 00:17:43,039

just a few bad apples they were mostly

483

00:17:45,750 --> 00:17:44,240

peaceful protests

484

00:17:47,430 --> 00:17:45,760

right well now trump supporters are

485

00:17:49,190 --> 00:17:47,440

saying the same thing it was just a few

486

00:17:52,470 --> 00:17:49,200

bad apples it was mostly a peaceful

487

00:17:54,310 --> 00:17:52,480

protest and now all of a sudden the left

488

00:17:57,029 --> 00:17:54,320

is on the side of the police and is very

489

00:17:58,230 --> 00:17:57,039

upset that what happened to the police

490

00:18:00,310 --> 00:17:58,240

and they're the ones that wanted to

491

00:18:03,669 --> 00:18:00,320

defund the police before right

492

00:18:06,310 --> 00:18:03,679

and there's no you know at this point

493

00:18:06,870 --> 00:18:06,320

honestly both sides should be talking

494

00:18:10,390 --> 00:18:06,880

about

495

00:18:12,310 --> 00:18:10,400

unity it's become almost a joke term

496

00:18:14,070 --> 00:18:12,320

there's nothing about okay let's have

497

00:18:17,430 --> 00:18:14,080

peace let's start

498

00:18:18,870 --> 00:18:17,440

new let's work together all the things

499

00:18:22,630 --> 00:18:18,880

that should be

500

00:18:26,230 --> 00:18:22,640

happening quiet this down unfortunately

501
00:18:29,510 --> 00:18:26,240
just not occurring and so we're seeing

502
00:18:30,630 --> 00:18:29,520
like rabid speech that's going to keep

503
00:18:33,029 --> 00:18:30,640
this going

504
00:18:34,310 --> 00:18:33,039
in one way or another yeah it's like

505
00:18:36,150 --> 00:18:34,320
know when you've

506
00:18:38,150 --> 00:18:36,160
won yeah you know if you're the

507
00:18:39,190 --> 00:18:38,160
democrats you have won you've got the

508
00:18:41,270 --> 00:18:39,200
senate

509
00:18:43,029 --> 00:18:41,280
you got the presidency right trump is

510
00:18:45,830 --> 00:18:43,039
pretty disgraced

511
00:18:46,150 --> 00:18:45,840
and now they want to dance on his grave

512
00:18:49,830 --> 00:18:46,160
and

513
00:18:50,470 --> 00:18:49,840

where they're going to just take this

514

00:18:52,390 --> 00:18:50,480

too far

515

00:18:53,909 --> 00:18:52,400

you know they've got a beautiful win

516

00:18:54,789 --> 00:18:53,919

right now where trump is leaving in

517

00:18:56,789 --> 00:18:54,799

disgrace

518

00:18:58,390 --> 00:18:56,799

not even attending the inauguration

519

00:19:01,510 --> 00:18:58,400

which i think makes him look

520

00:19:05,190 --> 00:19:01,520

bad to not attend the inauguration so

521

00:19:08,230 --> 00:19:05,200

you know let it be and be magnanimous

522

00:19:10,230 --> 00:19:08,240

and and run with it but you know biden

523

00:19:11,990 --> 00:19:10,240

doesn't seem to have the strength

524

00:19:13,990 --> 00:19:12,000

to have his own voice because here's an

525

00:19:16,310 --> 00:19:14,000

opportunity where he could

526
00:19:17,110 --> 00:19:16,320
step out in front of all those

527
00:19:20,549 --> 00:19:17,120
passionate

528
00:19:22,310 --> 00:19:20,559
people and say enough is enough but he's

529
00:19:25,510 --> 00:19:22,320
not doing it in fact

530
00:19:26,070 --> 00:19:25,520
instead he fanned the flames yes by

531
00:19:28,470 --> 00:19:26,080
saying

532
00:19:30,630 --> 00:19:28,480
that oh don't tell me if this had been a

533
00:19:32,070 --> 00:19:30,640
black lives matter protest that this

534
00:19:35,190 --> 00:19:32,080
wouldn't have

535
00:19:37,190 --> 00:19:35,200
gone down differently and

536
00:19:38,230 --> 00:19:37,200
in the last four years have been hell

537
00:19:40,750 --> 00:19:38,240
basically

538
00:19:42,150 --> 00:19:40,760

right yeah i mean you're that you're the

539

00:19:43,669 --> 00:19:42,160

president-elect

540

00:19:45,430 --> 00:19:43,679

right you've got all these racial

541

00:19:48,230 --> 00:19:45,440

tensions and you just

542

00:19:49,590 --> 00:19:48,240

fan the racial tensions and by the way

543

00:19:52,070 --> 00:19:49,600

with kind of

544

00:19:52,789 --> 00:19:52,080

an absurd argument i mean one thing that

545

00:20:08,950 --> 00:19:52,799

i

546

00:20:11,750 --> 00:20:08,960

shot

547

00:20:12,390 --> 00:20:11,760

and could see it going through the glass

548

00:20:16,310 --> 00:20:12,400

if

549

00:20:20,470 --> 00:20:16,320

shooting a

550

00:20:22,789 --> 00:20:20,480

black black lives matter protester

551
00:20:23,909 --> 00:20:22,799
our cities would be burning to the

552
00:20:27,110 --> 00:20:23,919
ground right now

553
00:20:29,110 --> 00:20:27,120
absolutely and he wants to say that this

554
00:20:31,350 --> 00:20:29,120
crowd was treated special

555
00:20:33,430 --> 00:20:31,360
because they were white instead of black

556
00:20:34,630 --> 00:20:33,440
yeah that just i mean there's just a lot

557
00:20:37,029 --> 00:20:34,640
of

558
00:20:38,070 --> 00:20:37,039
bad statements occurring that are you

559
00:20:41,669 --> 00:20:38,080
know we've had that all

560
00:20:43,669 --> 00:20:41,679
year honestly uh even going back to the

561
00:20:46,470 --> 00:20:43,679
riots

562
00:20:49,110 --> 00:20:46,480
i remember uh one of the newscasters

563
00:20:52,230 --> 00:20:49,120

standing in front of a burning building

564

00:20:52,789 --> 00:20:52,240

saying this is peaceful right so you

565

00:20:54,549 --> 00:20:52,799

know

566

00:20:57,350 --> 00:20:54,559

there hasn't been real accurate

567

00:20:59,750 --> 00:20:57,360

reporting say the least

568

00:21:02,070 --> 00:20:59,760

and it's all been looked at as peaceful

569

00:21:03,590 --> 00:21:02,080

protests in the past people know better

570

00:21:05,750 --> 00:21:03,600

than that

571

00:21:08,230 --> 00:21:05,760

but when it comes like you said okay

572

00:21:11,430 --> 00:21:08,240

that she's on the other foot now

573

00:21:13,830 --> 00:21:11,440

and we want those people prosecuted

574

00:21:15,110 --> 00:21:13,840

inside that capital they have to be

575

00:21:17,270 --> 00:21:15,120

there has to be

576

00:21:19,110 --> 00:21:17,280

an example made of them and they deserve

577

00:21:21,110 --> 00:21:19,120

to be prosecuted

578

00:21:24,630 --> 00:21:21,120

but you know what if you're this young

579

00:21:26,470 --> 00:21:24,640

lady 18-year air force veteran

580

00:21:28,149 --> 00:21:26,480

why is she in their break trying to

581

00:21:31,430 --> 00:21:28,159

break through it

582

00:21:32,789 --> 00:21:31,440

to get the descent i mean that's when

583

00:21:35,830 --> 00:21:32,799

you do get shot

584

00:21:37,029 --> 00:21:35,840

that they have to protect the congress

585

00:21:38,390 --> 00:21:37,039

they have to protect them

586

00:21:40,390 --> 00:21:38,400

just like the secret service has to

587

00:21:41,909 --> 00:21:40,400

protect the president

588

00:21:45,029 --> 00:21:41,919

and if people are coming through that

589

00:21:47,029 --> 00:21:45,039

door and those congressmen and women are

590

00:21:50,230 --> 00:21:47,039

still in there and the senators

591

00:21:51,190 --> 00:21:50,240

they have no choice they have to protect

592

00:21:53,510 --> 00:21:51,200

them

593

00:21:54,870 --> 00:21:53,520

and so so so do you think speaking of

594

00:21:57,830 --> 00:21:54,880

that particular incident

595

00:21:59,430 --> 00:21:57,840

um do you think that i think the police

596

00:22:01,430 --> 00:21:59,440

officer has been suspended but

597

00:22:02,870 --> 00:22:01,440

would you imagine that he's going to

598

00:22:04,789 --> 00:22:02,880

seek or

599

00:22:05,990 --> 00:22:04,799

receive punishment or or you think he

600

00:22:07,270 --> 00:22:06,000

acted appropriately

601
00:22:09,350 --> 00:22:07,280
i don't think he's going to receive

602
00:22:11,909 --> 00:22:09,360
punishment i think that

603
00:22:12,470 --> 00:22:11,919
they were coming through the door he did

604
00:22:15,510 --> 00:22:12,480
what he

605
00:22:19,029 --> 00:22:15,520
had to do it's unfortunate

606
00:22:19,830 --> 00:22:19,039
it's a tragedy but what else is he going

607
00:22:21,750 --> 00:22:19,840
to do

608
00:22:22,870 --> 00:22:21,760
but all of the crowd through to get to

609
00:22:26,149 --> 00:22:22,880
the congress people

610
00:22:28,950 --> 00:22:26,159
he can't do that i think he could have

611
00:22:33,110 --> 00:22:28,960
handled it differently

612
00:22:35,990 --> 00:22:33,120
even some warning shots you know even

613
00:22:37,190 --> 00:22:36,000

showing the force and why weren't they

614

00:22:39,669 --> 00:22:37,200

protected

615

00:22:40,390 --> 00:22:39,679

i'm talking about the law enforcement

616

00:22:43,830 --> 00:22:40,400

with

617

00:22:46,070 --> 00:22:43,840

tear gas pepper spray you know

618

00:22:47,990 --> 00:22:46,080

why not spray tear gas and pepper spray

619

00:22:50,070 --> 00:22:48,000

through that window

620

00:22:52,310 --> 00:22:50,080

keep those people away in fact i'm

621

00:22:54,549 --> 00:22:52,320

surprised we don't have

622

00:22:55,909 --> 00:22:54,559

canisters of pepper spray and tear gas

623

00:22:58,950 --> 00:22:55,919

around the capital

624

00:23:03,190 --> 00:22:58,960

just in case a group gets unruly

625

00:23:06,950 --> 00:23:03,200

so i think the security

626

00:23:10,230 --> 00:23:06,960

process needs a strong investigation

627

00:23:14,549 --> 00:23:10,240

um it's not to put police

628

00:23:15,590 --> 00:23:14,559

uh in jail but they were overwhelmed

629

00:23:17,430 --> 00:23:15,600

and they should not have been

630

00:23:18,710 --> 00:23:17,440

overwhelmed that should have been

631

00:23:20,549 --> 00:23:18,720

adequately planned

632

00:23:23,029 --> 00:23:20,559

if you can't call law enforcement

633

00:23:26,149 --> 00:23:23,039

together at the last minute

634

00:23:27,909 --> 00:23:26,159

we have a problem yeah well my my

635

00:23:30,470 --> 00:23:27,919

attitude is

636

00:23:32,470 --> 00:23:30,480

she shouldn't have been killed but i

637

00:23:35,190 --> 00:23:32,480

don't have much sympathy for her

638

00:23:37,430 --> 00:23:35,200

because when you do stupid things like

639

00:23:40,230 --> 00:23:37,440

that

640

00:23:40,710 --> 00:23:40,240

as a policeman is pointing a gun at you

641

00:23:42,870 --> 00:23:40,720

yes

642

00:23:44,789 --> 00:23:42,880

uh you take your life in your own hands

643

00:23:47,590 --> 00:23:44,799

and it's the same thing that i've said

644

00:23:48,710 --> 00:23:47,600

regarding a lot of the you know

645

00:23:50,230 --> 00:23:48,720

incidents that have

646

00:23:51,669 --> 00:23:50,240

been so polarizing over the summer and

647

00:23:52,230 --> 00:23:51,679

so on the george floyd kind of stuff and

648

00:23:54,230 --> 00:23:52,240

so on

649

00:23:55,350 --> 00:23:54,240

it's that you know the thing shouldn't

650

00:23:57,510 --> 00:23:55,360

have happened to the person

651
00:23:58,470 --> 00:23:57,520
but then again they put themselves in

652
00:24:00,470 --> 00:23:58,480
that situation

653
00:24:03,190 --> 00:24:00,480
you're supposed to do whatever the hell

654
00:24:04,789 --> 00:24:03,200
the police tell you to do period

655
00:24:06,310 --> 00:24:04,799
and when you don't you take your life

656
00:24:09,590 --> 00:24:06,320
into your own hands and that's

657
00:24:11,430 --> 00:24:09,600
that's what she did and um

658
00:24:13,110 --> 00:24:11,440
you know she got caught up in what they

659
00:24:15,510 --> 00:24:13,120
call the mob mentality

660
00:24:16,549 --> 00:24:15,520
which i think a lot of the people did i

661
00:24:18,870 --> 00:24:16,559
don't know

662
00:24:19,669 --> 00:24:18,880
tell us based on all of your studies and

663
00:24:22,149 --> 00:24:19,679

so on about

664

00:24:23,029 --> 00:24:22,159

mob mentality and what happens to people

665

00:24:24,549 --> 00:24:23,039

when they get

666

00:24:26,230 --> 00:24:24,559

caught up in the fervor of something

667

00:24:27,830 --> 00:24:26,240

like like what happened

668

00:24:30,230 --> 00:24:27,840

well a lot of people don't understand

669

00:24:33,350 --> 00:24:30,240

what a mob is first of all

670

00:24:36,149 --> 00:24:33,360

so it's not a group of people

671

00:24:37,830 --> 00:24:36,159

a mob is when a group and it could be a

672

00:24:38,870 --> 00:24:37,840

small group it can be two or three

673

00:24:45,350 --> 00:24:38,880

people

674

00:24:48,549 --> 00:24:45,360

suddenly have intent

675

00:24:50,070 --> 00:24:48,559

to harm or cause damage

676
00:24:51,909 --> 00:24:50,080
now you're talking about a mob as

677
00:24:54,950 --> 00:24:51,919
opposed to a

678
00:24:58,310 --> 00:24:54,960
oh there's a there's a switch over

679
00:25:01,669 --> 00:24:58,320
with intent if the intent is there

680
00:25:04,950 --> 00:25:01,679
for example if we had a group of people

681
00:25:09,190 --> 00:25:04,960
arming the capital they were planning

682
00:25:12,149 --> 00:25:09,200
to cause damage and harm that's a mob

683
00:25:12,830 --> 00:25:12,159
the 300 000 that were going there to

684
00:25:15,990 --> 00:25:12,840
mark

685
00:25:18,710 --> 00:25:16,000
peacefully and to show concern

686
00:25:19,590 --> 00:25:18,720
that's not a mob that's that's a protest

687
00:25:23,269 --> 00:25:19,600
group

688
00:25:25,029 --> 00:25:23,279

so when you have a mob they often get

689

00:25:28,390 --> 00:25:25,039

out of control

690

00:25:29,029 --> 00:25:28,400

um there's not much restraint to stop

691

00:25:31,590 --> 00:25:29,039

them

692

00:25:33,830 --> 00:25:31,600

and you kind of feed off of one another

693

00:25:36,789 --> 00:25:33,840

you know you know who each other

694

00:25:38,070 --> 00:25:36,799

are and look at me i'm going over the

695

00:25:39,350 --> 00:25:38,080

fence look at me well i've got to go

696

00:25:41,430 --> 00:25:39,360

over the fence too

697

00:25:43,350 --> 00:25:41,440

i've got a break in the door with me too

698

00:25:46,549 --> 00:25:43,360

let's keep going let's keep going

699

00:25:49,669 --> 00:25:46,559

so it kind of has self-fueling

700

00:25:51,990 --> 00:25:49,679

um it just kind of feeds on itself

701
00:25:55,350 --> 00:25:52,000
and there might not be a plan other than

702
00:26:00,549 --> 00:25:55,360
i'm gonna cause damage

703
00:26:05,190 --> 00:26:03,430
capital because in everybody it was a

704
00:26:08,390 --> 00:26:05,200
significant group

705
00:26:10,390 --> 00:26:08,400
big enough to overwhelm security and to

706
00:26:11,990 --> 00:26:10,400
get into these offices i mean

707
00:26:14,149 --> 00:26:12,000
the picture of the guy with his foot up

708
00:26:15,750 --> 00:26:14,159
on nancy pelosi's desk

709
00:26:17,830 --> 00:26:15,760
you know the guy carrying out the

710
00:26:20,390 --> 00:26:17,840
speaker's podium

711
00:26:21,990 --> 00:26:20,400
um those people weren't there by

712
00:26:23,909 --> 00:26:22,000
accident

713
00:26:25,830 --> 00:26:23,919

that's you know that's a plan to go in

714

00:26:28,310 --> 00:26:25,840

and cause havoc

715

00:26:28,950 --> 00:26:28,320

and i don't think that's what trump was

716

00:26:32,390 --> 00:26:28,960

saying

717

00:26:35,430 --> 00:26:32,400

i went over his transcripts three times

718

00:26:37,190 --> 00:26:35,440

um there's nothing in there to incite

719

00:26:38,870 --> 00:26:37,200

riot

720

00:26:40,230 --> 00:26:38,880

uh there's nothing in there that says go

721

00:26:43,110 --> 00:26:40,240

up the airplane cause

722

00:26:46,149 --> 00:26:43,120

damage the worst that's in there is make

723

00:26:50,149 --> 00:26:48,310

yeah in fact i i i wrote down a quote

724

00:26:51,430 --> 00:26:50,159

peacefully make your voices heard he

725

00:26:52,870 --> 00:26:51,440

actually says

726

00:26:54,789 --> 00:26:52,880

i have the same quote you know

727

00:26:58,149 --> 00:26:54,799

peacefully and patriotically

728

00:27:03,110 --> 00:26:58,159

right uh make your voices heard and

729

00:27:05,269 --> 00:27:03,120

so it's not an incitement to riot

730

00:27:06,630 --> 00:27:05,279

but i can't call it good judgment at the

731

00:27:08,470 --> 00:27:06,640

same time

732

00:27:10,710 --> 00:27:08,480

yeah i think we've identified in this

733

00:27:14,070 --> 00:27:10,720

discussion sending people to the capitol

734

00:27:15,190 --> 00:27:14,080

bad idea um especially if there was no

735

00:27:18,470 --> 00:27:15,200

permits for that

736

00:27:20,230 --> 00:27:18,480

right and then also a quote that i have

737

00:27:23,510 --> 00:27:20,240

written down that's not from the speech

738

00:27:25,269 --> 00:27:23,520

but that's from trump repeatedly saying

739

00:27:28,389 --> 00:27:25,279

things like the only way we

740

00:27:30,710 --> 00:27:28,399

lose is if it is rigged right

741

00:27:32,149 --> 00:27:30,720

right so if and if you've managed to

742

00:27:35,110 --> 00:27:32,159

convince your followers

743

00:27:35,909 --> 00:27:35,120

of that then these followers now are

744

00:27:38,630 --> 00:27:35,919

going to feel

745

00:27:40,630 --> 00:27:38,640

that well this is stolen and this is the

746

00:27:42,630 --> 00:27:40,640

type of thing that our founders

747

00:27:44,310 --> 00:27:42,640

told us about this is the reason why we

748

00:27:47,510 --> 00:27:44,320

have a right to bear arms

749

00:27:48,630 --> 00:27:47,520

right is if if tyranny takes over our

750

00:27:51,830 --> 00:27:48,640

government

751

00:27:53,669 --> 00:27:51,840

and brings to power someone who

752

00:27:56,950 --> 00:27:53,679

shouldn't be brought to power right

753

00:27:59,190 --> 00:27:56,960

correct that's absolutely correct and i

754

00:28:01,350 --> 00:27:59,200

think that

755

00:28:02,230 --> 00:28:01,360

i'm not sure we can say everybody is as

756

00:28:05,269 --> 00:28:02,240

knowledgeable

757

00:28:07,110 --> 00:28:05,279

as some you know

758

00:28:09,669 --> 00:28:07,120

uh if you're a supporter and you're

759

00:28:12,230 --> 00:28:09,679

there and your focus is trump

760

00:28:14,070 --> 00:28:12,240

and you're not you might not be aware of

761

00:28:16,549 --> 00:28:14,080

all the history and

762

00:28:17,190 --> 00:28:16,559

all the vitriol but you know that you're

763

00:28:20,070 --> 00:28:17,200

there to

764

00:28:20,710 --> 00:28:20,080

support him and if he says let's march

765

00:28:23,909 --> 00:28:20,720

to the con

766

00:28:26,470 --> 00:28:23,919

let's march to the capitol you almost

767

00:28:28,310 --> 00:28:26,480

feel obligated to do that

768

00:28:30,630 --> 00:28:28,320

because the man is saying let's march

769

00:28:33,430 --> 00:28:30,640

the capitol and so

770

00:28:34,549 --> 00:28:33,440

but that's a that's a long way away from

771

00:28:37,590 --> 00:28:34,559

let's break in

772

00:28:40,870 --> 00:28:37,600

cause damage and steal things

773

00:28:43,990 --> 00:28:40,880

and hurt people so

774

00:28:47,350 --> 00:28:44,000

that part's missing from what he said

775

00:28:49,669 --> 00:28:47,360

um and that's where the mob

776

00:28:51,590 --> 00:28:49,679

i would call it kind of took over and

777

00:28:54,870 --> 00:28:51,600

that's what we're seeing on tv

778

00:28:56,310 --> 00:28:54,880

is a mob so as you look closely at some

779

00:28:58,310 --> 00:28:56,320

of the video and saw

780

00:28:59,830 --> 00:28:58,320

the people who were on the front lines

781

00:29:02,389 --> 00:28:59,840

of battling the police and

782

00:29:03,830 --> 00:29:02,399

breaking down barriers and so on and saw

783

00:29:06,950 --> 00:29:03,840

what they were armed with and

784

00:29:08,630 --> 00:29:06,960

saw their tactics what does it tell you

785

00:29:11,110 --> 00:29:08,640

about those people

786

00:29:12,789 --> 00:29:11,120

i think that being on the front line is

787

00:29:16,549 --> 00:29:12,799

important

788

00:29:18,549 --> 00:29:16,559

to them and i think that um

789

00:29:20,310 --> 00:29:18,559

they were there for a purpose that went

790

00:29:24,310 --> 00:29:20,320

beyond

791

00:29:26,230 --> 00:29:24,320

peaceful um and patriotic

792

00:29:27,909 --> 00:29:26,240

do you have any doubt that those people

793

00:29:29,669 --> 00:29:27,919

that i'm talking about woke up that

794

00:29:31,430 --> 00:29:29,679

morning

795

00:29:32,710 --> 00:29:31,440

knowing that they were going to be

796

00:29:34,149 --> 00:29:32,720

attempting to break into the capital

797

00:29:36,710 --> 00:29:34,159

later

798

00:29:38,470 --> 00:29:36,720

i can't put a number on it i would say

799

00:29:42,870 --> 00:29:38,480

some

800

00:29:43,669 --> 00:29:42,880

probably jumped in this is a perfect

801
00:29:46,630 --> 00:29:43,679
time to

802
00:29:48,389 --> 00:29:46,640
do this i think some got caught up in it

803
00:29:50,710 --> 00:29:48,399
it does happen

804
00:29:53,110 --> 00:29:50,720
uh you can be an innocent bystander and

805
00:29:57,269 --> 00:29:53,120
suddenly i'm going to join this crowd

806
00:29:59,909 --> 00:29:57,279
like the unfortunate young lady who got

807
00:30:01,430 --> 00:29:59,919
killed i don't think she woke up that

808
00:30:03,350 --> 00:30:01,440
morning and said i'm going to break into

809
00:30:06,549 --> 00:30:03,360
the capitol

810
00:30:08,549 --> 00:30:06,559
but she's a good example maybe of one

811
00:30:11,350 --> 00:30:08,559
who got caught up

812
00:30:13,830 --> 00:30:11,360
in the excitement and wanted to get in

813
00:30:17,590 --> 00:30:13,840

and voice her support

814

00:30:20,870 --> 00:30:17,600

um to the congress so

815

00:30:22,950 --> 00:30:20,880

that happens sometimes they go beyond

816

00:30:23,909 --> 00:30:22,960

self-control they're caught up in the

817

00:30:28,230 --> 00:30:23,919

group

818

00:30:31,269 --> 00:30:28,240

and it's mob mentality

819

00:30:34,310 --> 00:30:31,279

so some mobs have follow-on

820

00:30:37,190 --> 00:30:34,320

people that might not be part of the

821

00:30:39,190 --> 00:30:37,200

actual mob they just get caught up in it

822

00:30:42,310 --> 00:30:39,200

and they're just as much

823

00:30:43,990 --> 00:30:42,320

aim as itself

824

00:30:45,990 --> 00:30:44,000

all right hold up your microphone a

825

00:30:49,590 --> 00:30:46,000

little bit more gary okay

826

00:30:52,710 --> 00:30:49,600

yeah uh what about antifa

827

00:30:55,750 --> 00:30:52,720

do you believe that they were there

828

00:30:59,110 --> 00:30:55,760

yes and what do you base that on

829

00:31:01,029 --> 00:30:59,120

i do it based on um them finding pipe

830

00:31:06,310 --> 00:31:01,039

bombs

831

00:31:10,149 --> 00:31:06,320

found in the past

832

00:31:12,149 --> 00:31:10,159

some of the other materials

833

00:31:13,750 --> 00:31:12,159

i think they i think they found a gun i

834

00:31:15,110 --> 00:31:13,760

was trying to find more information on

835

00:31:18,950 --> 00:31:15,120

that

836

00:31:22,070 --> 00:31:18,960

the information so it's very strong

837

00:31:24,310 --> 00:31:22,080

for the mob itself inside

838

00:31:26,389 --> 00:31:24,320

all kinds of stuff all kinds of videos

839

00:31:27,430 --> 00:31:26,399

but finding more information about the

840

00:31:30,950 --> 00:31:27,440

outside

841

00:31:33,509 --> 00:31:30,960

what was going on were there more police

842

00:31:35,669 --> 00:31:33,519

very difficult to find that need a

843

00:31:38,710 --> 00:31:35,679

really good investigation of

844

00:31:41,029 --> 00:31:38,720

what's happening you yeah well the video

845

00:31:42,549 --> 00:31:41,039

though is so good um and we've already

846

00:31:43,110 --> 00:31:42,559

seen bits and pieces of it you got to

847

00:31:46,310 --> 00:31:43,120

assume

848

00:31:47,110 --> 00:31:46,320

so time will tell and you know if antifa

849

00:31:49,190 --> 00:31:47,120

was there

850

00:31:50,870 --> 00:31:49,200

we're going to know it seems we will

851
00:31:54,070 --> 00:31:50,880
know uh

852
00:31:55,909 --> 00:31:54,080
we have facial recognition those cameras

853
00:31:57,830 --> 00:31:55,919
are very clear

854
00:32:00,470 --> 00:31:57,840
anybody's face who popped up on that

855
00:32:01,750 --> 00:32:00,480
camera is likely to be identified

856
00:32:03,990 --> 00:32:01,760
you know they run checks against

857
00:32:05,590 --> 00:32:04,000
driver's licenses photos

858
00:32:07,350 --> 00:32:05,600
you know there are a lot of ways to

859
00:32:10,389 --> 00:32:07,360
identify people

860
00:32:13,110 --> 00:32:10,399
plus many have been arrested now

861
00:32:14,630 --> 00:32:13,120
you know how that works you know look

862
00:32:15,190 --> 00:32:14,640
you know we'll give you a little bit of

863
00:32:17,029 --> 00:32:15,200

a deal

864

00:32:18,310 --> 00:32:17,039

if you tell us who these three people

865

00:32:21,430 --> 00:32:18,320

are you know

866

00:32:24,310 --> 00:32:21,440

so it's going to happen where most of

867

00:32:26,070 --> 00:32:24,320

the people are going to be identified

868

00:32:27,750 --> 00:32:26,080

they're already identifying them you

869

00:32:29,350 --> 00:32:27,760

know person

870

00:32:31,029 --> 00:32:29,360

with the foot on the desk the person

871

00:32:32,389 --> 00:32:31,039

carrying out the podium the person

872

00:32:35,430 --> 00:32:32,399

wearing the deer horns

873

00:32:38,149 --> 00:32:35,440

they already have them so um

874

00:32:39,190 --> 00:32:38,159

people tend to talk uh when they get

875

00:32:41,669 --> 00:32:39,200

caught

876
00:32:44,149 --> 00:32:41,679
and they have facial recognition so yeah

877
00:32:47,190 --> 00:32:44,159
all that speaks to how absurdly

878
00:32:49,909 --> 00:32:47,200
premature impeachment is

879
00:32:51,190 --> 00:32:49,919
when the investigation is still ongoing

880
00:32:54,950 --> 00:32:51,200
we may learn

881
00:32:57,269 --> 00:32:54,960
that this was a antifa plot

882
00:32:59,269 --> 00:32:57,279
and that 90 of the people who were on

883
00:33:01,110 --> 00:32:59,279
the front lines were antifa and

884
00:33:02,549 --> 00:33:01,120
and with the whole idea of sabotaging

885
00:33:04,789 --> 00:33:02,559
trump's uh

886
00:33:06,389 --> 00:33:04,799
rally i'm not saying that's going to

887
00:33:09,509 --> 00:33:06,399
happen but it's possible

888
00:33:11,590 --> 00:33:09,519

no absolutely i i hold that out as a

889

00:33:14,070 --> 00:33:11,600

strong possibility again

890

00:33:15,669 --> 00:33:14,080

there are opportunists i would call some

891

00:33:18,230 --> 00:33:15,679

of them in fifa

892

00:33:19,830 --> 00:33:18,240

uh who jump into that situation because

893

00:33:22,870 --> 00:33:19,840

it's a ready way

894

00:33:24,149 --> 00:33:22,880

to be included in the crowd and a good

895

00:33:27,269 --> 00:33:24,159

way to get in

896

00:33:29,909 --> 00:33:27,279

and once in you're in

897

00:33:30,789 --> 00:33:29,919

um you have any information on the um on

898

00:33:31,990 --> 00:33:30,799

the other desks

899

00:33:33,750 --> 00:33:32,000

it seems like there hasn't been that

900

00:33:35,269 --> 00:33:33,760

much disclosed we know about the woman

901
00:33:37,110 --> 00:33:35,279
yeah sean it's not really clear

902
00:33:39,029 --> 00:33:37,120
exactly how the officer died or the

903
00:33:40,789 --> 00:33:39,039
other three what i'm seeing

904
00:33:42,389 --> 00:33:40,799
and i actually look specifically for

905
00:33:45,029 --> 00:33:42,399
that

906
00:33:45,750 --> 00:33:45,039
the officer apparently got hit in the

907
00:33:49,190 --> 00:33:45,760
head

908
00:33:51,509 --> 00:33:49,200
with the fire um

909
00:33:52,310 --> 00:33:51,519
and he died extinguisher yes when he

910
00:33:58,870 --> 00:33:52,320
died

911
00:34:00,470 --> 00:33:58,880
other injuries that weren't related to

912
00:34:03,750 --> 00:34:00,480
the actual attack

913
00:34:05,830 --> 00:34:03,760

if we call it an attack or fall uh i

914

00:34:07,590 --> 00:34:05,840

for and i can't find because i expected

915

00:34:09,190 --> 00:34:07,600

it since i said other causes maybe heart

916

00:34:11,909 --> 00:34:09,200

attack or something like that

917

00:34:13,349 --> 00:34:11,919

but they can't find that's the kind of

918

00:34:14,950 --> 00:34:13,359

thing i'm talking about

919

00:34:16,389 --> 00:34:14,960

you can't find information on things

920

00:34:19,510 --> 00:34:16,399

that we should know

921

00:34:21,190 --> 00:34:19,520

but we have a lot of information on the

922

00:34:23,270 --> 00:34:21,200

riot itself

923

00:34:24,710 --> 00:34:23,280

yeah i mean the the three so you've said

924

00:34:26,550 --> 00:34:24,720

the police officer appears that he was

925

00:34:27,030 --> 00:34:26,560

attacked with a with a fire extinguisher

926
00:34:29,669 --> 00:34:27,040
i mean

927
00:34:30,149 --> 00:34:29,679
that person's could be tried for murder

928
00:34:33,430 --> 00:34:30,159
yes

929
00:34:34,149 --> 00:34:33,440
absolutely um the other three i mean

930
00:34:37,430 --> 00:34:34,159
were they

931
00:34:41,349 --> 00:34:37,440
hit by police officers i mean

932
00:34:44,550 --> 00:34:41,359
all i've seen honestly is it says um

933
00:34:46,149 --> 00:34:44,560
medical related causes

934
00:34:49,829 --> 00:34:46,159
that could be anything it could be a

935
00:34:51,829 --> 00:34:49,839
heart attack it could be you know

936
00:34:53,190 --> 00:34:51,839
anything so i hate to speculate on

937
00:34:55,510 --> 00:34:53,200
something like that

938
00:34:58,230 --> 00:34:55,520

but i will say it's very difficult to

939

00:34:59,349 --> 00:34:58,240

find that information right now

940

00:35:01,349 --> 00:34:59,359

[Music]

941

00:35:03,670 --> 00:35:01,359

i'm sure if i keep looking i'll find it

942

00:35:06,950 --> 00:35:03,680

but i did go back

943

00:35:08,870 --> 00:35:06,960

for this purpose uh of this radio show

944

00:35:10,069 --> 00:35:08,880

to see what i could see on the deaths

945

00:35:14,310 --> 00:35:10,079

and it just

946

00:35:17,589 --> 00:35:14,320

not much of there except the shooting

947

00:35:19,030 --> 00:35:17,599

of the young lady and uh officers

948

00:35:22,470 --> 00:35:19,040

starting to come out now a little

949

00:35:30,870 --> 00:35:26,069

you know that kind of thing that's

950

00:35:33,750 --> 00:35:30,880

a bad situation so a group like

951
00:35:35,510 --> 00:35:33,760
isis or al qaeda i'm thinking almost

952
00:35:37,510 --> 00:35:35,520
must be kicking themselves

953
00:35:39,109 --> 00:35:37,520
watching this as they see how easy it

954
00:35:43,109 --> 00:35:39,119
was to break into

955
00:35:45,670 --> 00:35:43,119
the capital i mean that would be a major

956
00:35:46,470 --> 00:35:45,680
feather in their cap to break into the

957
00:35:49,589 --> 00:35:46,480
capital well

958
00:35:51,270 --> 00:35:49,599
they tried once before remember the

959
00:35:53,750 --> 00:35:51,280
capital has been a target

960
00:35:55,670 --> 00:35:53,760
that's with the plane that went down in

961
00:35:57,750 --> 00:35:55,680
romania

962
00:36:01,109 --> 00:35:57,760
more than likely and most people agree

963
00:36:04,550 --> 00:36:02,790

so the capital has been a prime target

964

00:36:07,670 --> 00:36:04,560

about qaeda

965

00:36:10,150 --> 00:36:07,680

and now as you say and i've been

966

00:36:10,870 --> 00:36:10,160

very concerned about this not just al

967

00:36:13,349 --> 00:36:10,880

qaeda

968

00:36:17,349 --> 00:36:13,359

isis or any other group says my god is

969

00:36:22,710 --> 00:36:20,550

let's do some more planning yeah

970

00:36:23,670 --> 00:36:22,720

but they they probably do recognize that

971

00:36:27,510 --> 00:36:23,680

this will change

972

00:36:31,030 --> 00:36:27,520

things from a security standpoint

973

00:36:32,630 --> 00:36:31,040

we can expect tighter security uh with

974

00:36:35,170 --> 00:36:32,640

any kind of event that comes close to

975

00:36:36,470 --> 00:36:35,180

the capitol we're probably going to see

976

00:36:39,990 --> 00:36:36,480

[Music]

977

00:36:42,630 --> 00:36:40,000

buttressed security guards police

978

00:36:43,270 --> 00:36:42,640

national guard just on standby just in

979

00:36:46,550 --> 00:36:43,280

case

980

00:36:49,670 --> 00:36:46,560

ready to deploy on a moment and i think

981

00:36:52,310 --> 00:36:49,680

we'll actually see as i was saying

982

00:36:53,829 --> 00:36:52,320

perhaps canisters or tear gas or you

983

00:36:55,829 --> 00:36:53,839

know pepper spray or whatever around the

984

00:36:57,190 --> 00:36:55,839

capital we will see some increase in

985

00:37:00,470 --> 00:36:57,200

this

986

00:37:02,870 --> 00:37:00,480

absolutely you have to have it yeah

987

00:37:04,790 --> 00:37:02,880

and which raises a good perhaps final

988

00:37:08,310 --> 00:37:04,800

question is you know how do we defend

989

00:37:11,030 --> 00:37:08,320

it going forward without destroying

990

00:37:11,910 --> 00:37:11,040

the natural beauty the people's access

991

00:37:13,190 --> 00:37:11,920

to it

992

00:37:15,270 --> 00:37:13,200

you know and look like a third world

993

00:37:18,950 --> 00:37:15,280

country where all of our monuments are

994

00:37:22,550 --> 00:37:18,960

boarded up yeah i agree that's a concern

995

00:37:24,870 --> 00:37:22,560

but um something we have to have

996

00:37:26,230 --> 00:37:24,880

i remember the white house they put up

997

00:37:28,710 --> 00:37:26,240

barriers and

998

00:37:30,950 --> 00:37:28,720

you know they had to they started with

999

00:37:33,829 --> 00:37:30,960

dump trucks and went to walls

1000

00:37:34,140 --> 00:37:33,839

you know it's just part of where we are

1001
00:37:35,510 --> 00:37:34,150
now

1002
00:37:38,630 --> 00:37:35,520
[Music]

1003
00:37:41,349 --> 00:37:38,640
uh and we can expect more of it

1004
00:37:42,790 --> 00:37:41,359
so we have to have increases in physical

1005
00:37:45,990 --> 00:37:42,800
security

1006
00:37:47,990 --> 00:37:46,000
we have to anticipate better we have to

1007
00:37:49,829 --> 00:37:48,000
be more proactive

1008
00:37:51,109 --> 00:37:49,839
uh not just reactive we're being

1009
00:37:52,790 --> 00:37:51,119
reactive right now

1010
00:37:55,030 --> 00:37:52,800
and we'll put up security barriers and

1011
00:37:58,470 --> 00:37:55,040
we'll put up uh increased security

1012
00:38:01,030 --> 00:37:58,480
we need to start thinking not just about

1013
00:38:02,470 --> 00:38:01,040

the capital do we need to take another

1014

00:38:03,829 --> 00:38:02,480

look at the white house do we

1015

00:38:05,670 --> 00:38:03,839

need to take a look some of the

1016

00:38:07,270 --> 00:38:05,680

government bill about the fbi building

1017

00:38:08,870 --> 00:38:07,280

how secure is it

1018

00:38:12,950 --> 00:38:08,880

so i think we need to take another

1019

00:38:15,990 --> 00:38:12,960

closer look because i hate to say it

1020

00:38:18,310 --> 00:38:16,000

we're in that time where we're seeing

1021

00:38:20,550 --> 00:38:18,320

a lot of violence whether people want to

1022

00:38:23,750 --> 00:38:20,560

acknowledge it or not

1023

00:38:24,069 --> 00:38:23,760

these cities have been burning down this

1024

00:38:26,470 --> 00:38:24,079

is

1025

00:38:27,990 --> 00:38:26,480

you know we've been seeing violence now

1026

00:38:31,190 --> 00:38:28,000

many months

1027

00:38:34,630 --> 00:38:31,200

and not much is being done

1028

00:38:38,310 --> 00:38:34,640

so i i think hopefully

1029

00:38:41,510 --> 00:38:38,320

people wake up uh after this

1030

00:38:44,310 --> 00:38:41,520

and say this was the u.s capital if it's

1031

00:38:46,470 --> 00:38:44,320

the us capital it can be anything

1032

00:38:50,230 --> 00:38:46,480

and so we better start taking another

1033

00:38:54,310 --> 00:38:53,270

yeah it almost served as a fire drill in

1034

00:38:56,710 --> 00:38:54,320

some respects

1035

00:38:58,150 --> 00:38:56,720

and hopefully will be responded to as

1036

00:38:58,470 --> 00:38:58,160

such because it certainly could have

1037

00:39:01,670 --> 00:38:58,480

been

1038

00:39:04,550 --> 00:39:01,680

a lot worse for all the

1039

00:39:05,190 --> 00:39:04,560

critique that this has received rightly

1040

00:39:07,750 --> 00:39:05,200

so

1041

00:39:08,790 --> 00:39:07,760

um still bottom line when they got in

1042

00:39:10,470 --> 00:39:08,800

there

1043

00:39:12,470 --> 00:39:10,480

they didn't do anything terribly

1044

00:39:15,829 --> 00:39:12,480

egregious for instance they didn't

1045

00:39:17,910 --> 00:39:15,839

kill anyone um but you know imagine if

1046

00:39:19,829 --> 00:39:17,920

that's what had happened well you know

1047

00:39:22,310 --> 00:39:19,839

we can look at past examples

1048

00:39:23,829 --> 00:39:22,320

congress people i mean you remember the

1049

00:39:28,550 --> 00:39:23,839

baseball game well

1050

00:39:30,470 --> 00:39:28,560

where steve scalia almost got killed

1051
00:39:32,150 --> 00:39:30,480
from a gunman outside the fence and

1052
00:39:34,550 --> 00:39:32,160
others and

1053
00:39:36,390 --> 00:39:34,560
you know the law enforcement stopped it

1054
00:39:39,430 --> 00:39:36,400
they got injured

1055
00:39:43,270 --> 00:39:39,440
i mean congress

1056
00:39:46,230 --> 00:39:43,280
men and women um have been targets

1057
00:39:48,069 --> 00:39:46,240
presidents of target these are a target

1058
00:39:51,109 --> 00:39:48,079
we can't forget that

1059
00:39:53,430 --> 00:39:51,119
and they can't go lacks on us

1060
00:39:54,150 --> 00:39:53,440
and when there's a crowd i think what

1061
00:39:57,270 --> 00:39:54,160
we'll see

1062
00:39:58,470 --> 00:39:57,280
is immediate increased security and

1063
00:40:01,750 --> 00:39:58,480

hopefully there will be

1064

00:40:05,510 --> 00:40:01,760

improvements in physical

1065

00:40:08,550 --> 00:40:05,520

uh and in anticipation we should have

1066

00:40:10,550 --> 00:40:08,560

we should have anticipated yeah

1067

00:40:11,670 --> 00:40:10,560

um someone should have you know i don't

1068

00:40:14,710 --> 00:40:11,680

want to put the blame on

1069

00:40:16,550 --> 00:40:14,720

anyone you can't just have the capital

1070

00:40:19,750 --> 00:40:16,560

guarded by some people and

1071

00:40:21,589 --> 00:40:19,760

you know you overrun we can't do that

1072

00:40:22,870 --> 00:40:21,599

it might look bad to have increased

1073

00:40:25,589 --> 00:40:22,880

security

1074

00:40:28,790 --> 00:40:25,599

but it's better than someone getting in

1075

00:40:31,270 --> 00:40:28,800

there and killing 10 congress people

1076

00:40:32,150 --> 00:40:31,280

right and it was all done apparently

1077

00:40:35,109 --> 00:40:32,160

without

1078

00:40:36,710 --> 00:40:35,119

guns that's the astounding part you know

1079

00:40:38,950 --> 00:40:36,720

i don't think we've seen a single

1080

00:40:39,829 --> 00:40:38,960

gun thank god but they they broke in

1081

00:40:41,990 --> 00:40:39,839

mostly through

1082

00:40:43,990 --> 00:40:42,000

flag poles it looks like i saw one

1083

00:40:45,910 --> 00:40:44,000

report that said a person had it done

1084

00:40:49,750 --> 00:40:45,920

and that's all it said

1085

00:40:50,710 --> 00:40:49,760

and um so i'm even have a hard time

1086

00:40:54,870 --> 00:40:50,720

finding out

1087

00:40:59,030 --> 00:40:56,950

so there's some sketchy information i

1088

00:41:00,230 --> 00:40:59,040

don't know why it's not being reported

1089

00:41:02,710 --> 00:41:00,240

better

1090

00:41:03,430 --> 00:41:02,720

but the focus seems to be not on that

1091

00:41:06,630 --> 00:41:03,440

focusing

1092

00:41:09,750 --> 00:41:06,640

on honestly how

1093

00:41:11,589 --> 00:41:09,760

can we go after trump

1094

00:41:13,270 --> 00:41:11,599

and his supporters that seems to be the

1095

00:41:15,990 --> 00:41:13,280

focus

1096

00:41:17,349 --> 00:41:16,000

uh whether we like it or not and it's

1097

00:41:19,990 --> 00:41:17,359

continuing today

1098

00:41:21,430 --> 00:41:20,000

yeah yeah i thought that he was done but

1099

00:41:22,309 --> 00:41:21,440

i think he's going to stay in the news

1100

00:41:24,790 --> 00:41:22,319

for quite

1101

00:41:26,309 --> 00:41:24,800

some time uh some of those networks they

1102

00:41:28,069 --> 00:41:26,319

make too much money off of trump and

1103

00:41:30,230 --> 00:41:28,079

they don't want to let it go

1104

00:41:31,349 --> 00:41:30,240

well we were talking recently some

1105

00:41:33,990 --> 00:41:31,359

colleagues and

1106

00:41:35,430 --> 00:41:34,000

i would be very surprised and this is

1107

00:41:38,150 --> 00:41:35,440

not easy to do

1108

00:41:39,829 --> 00:41:38,160

but i would be very surprised not to see

1109

00:41:42,470 --> 00:41:39,839

a trump network

1110

00:41:43,349 --> 00:41:42,480

form of twitter and when you think about

1111

00:41:46,230 --> 00:41:43,359

it

1112

00:41:48,630 --> 00:41:46,240

you got 75 million immediate people is

1113

00:41:51,030 --> 00:41:48,640

going to go to it

1114

00:41:51,750 --> 00:41:51,040

um so i wouldn't be surprised we haven't

1115

00:41:55,510 --> 00:41:51,760

heard the end

1116

00:41:56,069 --> 00:41:55,520

of donald trump yet no twitter seems to

1117

00:41:59,510 --> 00:41:56,079

be

1118

00:42:00,870 --> 00:41:59,520

mean

1119

00:42:02,790 --> 00:42:00,880

it doesn't make a lot of business sense

1120

00:42:06,150 --> 00:42:02,800

to me you know

1121

00:42:08,309 --> 00:42:06,160

and to block out parlor i mean it's just

1122

00:42:09,510 --> 00:42:08,319

you're starting to diverge on antitrust

1123

00:42:12,870 --> 00:42:09,520

and all kinds of

1124

00:42:16,150 --> 00:42:12,880

laws here where big guys

1125

00:42:18,790 --> 00:42:16,160

have become a group monopoly now we

1126

00:42:21,430 --> 00:42:18,800

call them a monopoly they're a group

1127

00:42:24,790 --> 00:42:21,440

monopoly now they get on the phone hey

1128

00:42:28,230 --> 00:42:24,800

that's all that's all blocked forever

1129

00:42:29,990 --> 00:42:28,240

i mean that's what's happening so

1130

00:42:32,309 --> 00:42:30,000

uh and you know we haven't even talked

1131

00:42:35,750 --> 00:42:32,319

about the media you know

1132

00:42:37,109 --> 00:42:35,760

my analogy is a fireplace i i build my

1133

00:42:38,950 --> 00:42:37,119

fireplace everywhere

1134

00:42:41,750 --> 00:42:38,960

you got to put sticks in it you get

1135

00:42:45,030 --> 00:42:41,760

kindling and some logs

1136

00:42:47,430 --> 00:42:45,040

here in the political situation six and

1137

00:42:48,550 --> 00:42:47,440

henley have been going in for a long

1138

00:42:50,950 --> 00:42:48,560

time

1139

00:42:52,550 --> 00:42:50,960

the speech might have been the match

1140

00:42:54,230 --> 00:42:52,560

that started it

1141

00:42:56,230 --> 00:42:54,240

but we're still putting logs on that

1142

00:42:59,589 --> 00:42:56,240

fire now today

1143

00:43:03,270 --> 00:42:59,599

we're still doing it the fire is

1144

00:43:04,630 --> 00:43:03,280

going large now if we left it alone it

1145

00:43:07,750 --> 00:43:04,640

would go out

1146

00:43:09,829 --> 00:43:07,760

but you know if we moved on to

1147

00:43:11,190 --> 00:43:09,839

the Biden presidency whether we went to

1148

00:43:13,430 --> 00:43:11,200

or not

1149

00:43:15,990 --> 00:43:13,440

and just moved on with policies and that

1150

00:43:19,030 --> 00:43:16,000

type of thing but the thing buy down

1151
00:43:20,470 --> 00:43:19,040
but we're stoking it poking that fire

1152
00:43:24,150 --> 00:43:20,480
daily

1153
00:43:31,270 --> 00:43:27,670
and it puts president trump in even

1154
00:43:34,710 --> 00:43:31,280
a more defensive mode because he

1155
00:43:38,309 --> 00:43:34,720
feels that he was treated unjustly

1156
00:43:42,150 --> 00:43:38,319
he feels like he's a victim of him

1157
00:43:45,349 --> 00:43:42,160
um and i don't see him going away

1158
00:43:47,349 --> 00:43:45,359
into the quiet of the night yeah you're

1159
00:43:48,309 --> 00:43:47,359
giving his supporters more things to get

1160
00:43:51,270 --> 00:43:48,319
worked up about

1161
00:43:53,430 --> 00:43:51,280
for sure and rightly so like i said they

1162
00:43:56,069 --> 00:43:53,440
could have exited with the high ground

1163
00:43:57,430 --> 00:43:56,079

look at trump yeah look how silly he was

1164

00:44:00,470 --> 00:43:57,440

and the way he went out but

1165

00:44:02,710 --> 00:44:00,480

now they have to out silly him

1166

00:44:03,750 --> 00:44:02,720

by saying that he shouldn't be even

1167

00:44:05,589 --> 00:44:03,760

allowed to

1168

00:44:07,349 --> 00:44:05,599

say what he wants to say on twitter when

1169

00:44:08,790 --> 00:44:07,359

you know they already censor him as

1170

00:44:10,950 --> 00:44:08,800

they do they put all kinds of warning

1171

00:44:13,510 --> 00:44:10,960

labels on his things that's not enough

1172

00:44:15,270 --> 00:44:13,520

he needs to have a permanent life ban i

1173

00:44:18,309 --> 00:44:15,280

mean it's just

1174

00:44:22,069 --> 00:44:18,319

i can't can't believe the logic

1175

00:44:23,510 --> 00:44:22,079

of it there's no logic um you know you

1176
00:44:24,309 --> 00:44:23,520
have to know that you're stoking the

1177
00:44:26,230 --> 00:44:24,319
fire

1178
00:44:27,829 --> 00:44:26,240
you do these things and you're not

1179
00:44:29,510 --> 00:44:27,839
talking about public supporters you're

1180
00:44:31,510 --> 00:44:29,520
talking about half the country

1181
00:44:32,710 --> 00:44:31,520
well and he's just so good for business

1182
00:44:34,309 --> 00:44:32,720
i mean people were

1183
00:44:36,069 --> 00:44:34,319
talking about twitter before trump

1184
00:44:38,309 --> 00:44:36,079
became president it would be like

1185
00:44:40,470 --> 00:44:38,319
cnn deciding we're not going to mention

1186
00:44:43,349 --> 00:44:40,480
trump's name anymore

1187
00:44:45,030 --> 00:44:43,359
well gee cnn you guys are doing great

1188
00:44:47,589 --> 00:44:45,040

covering trump all the time

1189

00:44:48,950 --> 00:44:47,599

why would you stop covering him are they

1190

00:44:52,309 --> 00:44:48,960

going to cover now

1191

00:44:54,150 --> 00:44:52,319

right you know so there's

1192

00:44:56,950 --> 00:44:54,160

there's going to be a loss there for

1193

00:44:59,109 --> 00:44:56,960

them uh unless he continues

1194

00:45:00,790 --> 00:44:59,119

you know with something but i i think

1195

00:45:02,550 --> 00:45:00,800

that i just wouldn't be surprised to see

1196

00:45:05,990 --> 00:45:02,560

him start up his own

1197

00:45:06,630 --> 00:45:06,000

form of twitter and uh you know social

1198

00:45:10,150 --> 00:45:06,640

networking

1199

00:45:11,670 --> 00:45:10,160

you can't um i mean there's a lot going

1200

00:45:15,190 --> 00:45:11,680

against that because

1201
00:45:18,470 --> 00:45:15,200
everybody's saying no networks you know

1202
00:45:20,390 --> 00:45:18,480
uh how do you form a network these days

1203
00:45:23,270 --> 00:45:20,400
when everybody's saying no

1204
00:45:24,150 --> 00:45:23,280
so even more people are jumping on

1205
00:45:26,390 --> 00:45:24,160
bandwagon

1206
00:45:28,790 --> 00:45:26,400
with twitter and you know google's

1207
00:45:31,030 --> 00:45:28,800
jumping in amazon

1208
00:45:32,630 --> 00:45:31,040
wow oh yeah i mean they are exerting

1209
00:45:34,069 --> 00:45:32,640
their monopoly powers that's for sure i

1210
00:45:35,430 --> 00:45:34,079
mean imagine if he did try to start

1211
00:45:37,270 --> 00:45:35,440
something we already know that

1212
00:45:39,109 --> 00:45:37,280
amazon's not going to host him on his

1213
00:45:39,990 --> 00:45:39,119

servers we know that apple's not going

1214

00:45:42,150 --> 00:45:40,000

to carry his

1215

00:45:44,829 --> 00:45:42,160

app you got to figure spectrum cable

1216

00:45:48,309 --> 00:45:44,839

probably won't carry his cable a channel

1217

00:45:49,750 --> 00:45:48,319

so i mean everybody's concerned about

1218

00:45:51,190 --> 00:45:49,760

the government suppressing speech but it

1219

00:45:52,309 --> 00:45:51,200

turns out private industry is the best

1220

00:45:55,750 --> 00:45:52,319

at it

1221

00:45:58,069 --> 00:45:55,760

absolutely and i hate to say it

1222

00:46:00,950 --> 00:45:58,079

because i hate to go left or right here

1223

00:46:04,550 --> 00:46:00,960

but they're totally supported

1224

00:46:05,750 --> 00:46:04,560

by the left so they continue to stoke

1225

00:46:09,829 --> 00:46:05,760

the fire

1226

00:46:12,950 --> 00:46:09,839

and um i think this

1227

00:46:15,190 --> 00:46:12,960

impeachment attempt what nine days left

1228

00:46:17,109 --> 00:46:15,200

is probably one of the most important

1229

00:46:20,870 --> 00:46:17,119

things i've ever seen

1230

00:46:23,990 --> 00:46:20,880

uh we we should be passing

1231

00:46:27,030 --> 00:46:24,000

cobit relief you know

1232

00:46:29,750 --> 00:46:27,040

why are we distracted with

1233

00:46:31,349 --> 00:46:29,760

the man is is going to be gone in nine

1234

00:46:34,550 --> 00:46:31,359

days

1235

00:46:37,829 --> 00:46:34,560

why aren't we like we say doing

1236

00:46:39,589 --> 00:46:37,839

the country's business and why

1237

00:46:40,870 --> 00:46:39,599

you know it it's trump derangement

1238

00:46:44,150 --> 00:46:40,880

syndrome yes

1239

00:46:45,910 --> 00:46:44,160

which is rampant and and you've got the

1240

00:46:46,470 --> 00:46:45,920

incoming president who doesn't have the

1241

00:46:49,109 --> 00:46:46,480

guts

1242

00:46:49,910 --> 00:46:49,119

to stand up to the people in the party

1243

00:46:52,470 --> 00:46:49,920

and say guys

1244

00:46:52,950 --> 00:46:52,480

enough is enough let's move forward you

1245

00:46:56,710 --> 00:46:52,960

know as

1246

00:47:00,309 --> 00:46:56,720

someone said all it would take is for

1247

00:47:04,230 --> 00:47:00,319

uh biden joe biden to pick a

1248

00:47:07,510 --> 00:47:04,240

phone call nancy pelosi and say stop

1249

00:47:09,670 --> 00:47:07,520

stop with the impeachment

1250

00:47:11,030 --> 00:47:09,680

this isn't doing any good and it would

1251

00:47:12,630 --> 00:47:11,040

stop

1252

00:47:14,230 --> 00:47:12,640

and then you know we could start moving

1253

00:47:16,870 --> 00:47:14,240

on but you know

1254

00:47:18,470 --> 00:47:16,880

well he would run the risk of uh

1255

00:47:21,670 --> 00:47:18,480

upsetting

1256

00:47:24,230 --> 00:47:21,680

25 of his base

1257

00:47:25,670 --> 00:47:24,240

he would have the benefit of 75 of his

1258

00:47:27,589 --> 00:47:25,680

opponents

1259

00:47:29,349 --> 00:47:27,599

warming to him a little bit and that's

1260

00:47:31,030 --> 00:47:29,359

what you're supposed to be mr

1261

00:47:32,950 --> 00:47:31,040

i'm going to be president to all the

1262

00:47:36,230 --> 00:47:32,960

people as he continues to say

1263

00:47:38,950 --> 00:47:36,240

mr unity right mr unity prove it

1264

00:47:39,750 --> 00:47:38,960

you know somebody needs to have the guts

1265

00:47:41,589 --> 00:47:39,760

to prove it

1266

00:47:43,430 --> 00:47:41,599

yeah we haven't seen it yet and i i

1267

00:47:46,150 --> 00:47:43,440

don't think he can

1268

00:47:47,349 --> 00:47:46,160

much pressure no he's too insecure in

1269

00:47:49,990 --> 00:47:47,359

his power

1270

00:47:50,470 --> 00:47:50,000

and in in feeling like he just cannot

1271

00:47:53,750 --> 00:47:50,480

upset

1272

00:47:55,829 --> 00:47:53,760

anyone in his base right and we don't

1273

00:47:58,150 --> 00:47:55,839

know who's controlling all that anyway

1274

00:47:59,910 --> 00:47:58,160

yet thank you again to our guest gary
