**JUDD DUNNING**  
WITH ERIC GOLUB

**JUDD DUNNING**

1  
00:00:03,590 --> 00:00:02,470  
okay here is our interview with judd

2  
00:00:05,590 --> 00:00:03,600  
dunning

3  
00:00:07,190 --> 00:00:05,600  
did you have some type of political

4  
00:00:10,150 --> 00:00:07,200  
conversion at some point

5  
00:00:11,110 --> 00:00:10,160  
i did 9 11 was uh was with a wake-up

6  
00:00:14,310 --> 00:00:11,120  
call for me because

7  
00:00:17,990 --> 00:00:14,320  
i literally sold everything uh

8  
00:00:21,269 --> 00:00:18,000  
at uh colorado socialist university

9  
00:00:22,150 --> 00:00:21,279  
uh i was so brainwashed i went you went

10  
00:00:24,870 --> 00:00:22,160  
to boulder

11  
00:00:25,509 --> 00:00:24,880  
i went to fort collins for college okay

12  
00:00:27,830 --> 00:00:25,519  
yeah and

13  
00:00:29,589 --> 00:00:27,840

the um it was amazing because the

14

00:00:31,669 --> 00:00:29,599

professors were so leftist

15

00:00:33,030 --> 00:00:31,679

i really don't remember ever having the

16

00:00:35,110 --> 00:00:33,040

counter dialogue

17

00:00:36,150 --> 00:00:35,120

and i was boom you know michael moore

18

00:00:39,030 --> 00:00:36,160

and al gore

19

00:00:40,709 --> 00:00:39,040

and oliver stone just consumed the

20

00:00:43,670 --> 00:00:40,719

clintons consumed us

21

00:00:44,869 --> 00:00:43,680

i ended up selling everything i became a

22

00:00:48,069 --> 00:00:44,879

pre-civil law

23

00:00:49,670 --> 00:00:48,079

uh civil liberties lawyer pre-law i was

24

00:00:52,229 --> 00:00:49,680

i signed up with the test

25

00:00:54,229 --> 00:00:52,239

and then um i took an acting class just

26

00:00:57,510 --> 00:00:54,239

to you know advance my sales and

27

00:00:59,670 --> 00:00:57,520

legal you know and i did well

28

00:01:01,990 --> 00:00:59,680

and uh i got kind of scouted and it's

29

00:01:03,990 --> 00:01:02,000

got a lot of incidents happened and then

30

00:01:05,429 --> 00:01:04,000

uh i ended up getting my final credits

31

00:01:08,230 --> 00:01:05,439

at act

32

00:01:09,429 --> 00:01:08,240

and uh i sold everything to become uh

33

00:01:11,590 --> 00:01:09,439

you know to

34

00:01:13,670 --> 00:01:11,600

swear off white oligarchical christian

35

00:01:15,910 --> 00:01:13,680

repressive america

36

00:01:16,789 --> 00:01:15,920

and you say so it helped me understand

37

00:01:18,230 --> 00:01:16,799

sold everything

38

00:01:19,749 --> 00:01:18,240

i mean first of all what did you have

39

00:01:21,109 --> 00:01:19,759

you're in college so i didn't know that

40

00:01:22,469 --> 00:01:21,119

much you know my dad just gave me a

41

00:01:23,990 --> 00:01:22,479

brand new car he's like what the hell

42

00:01:26,870 --> 00:01:24,000

man why are you selling his bra

43

00:01:27,990 --> 00:01:26,880

for graduation and you sold it and did

44

00:01:31,429 --> 00:01:28,000

what with the money

45

00:01:33,510 --> 00:01:31,439

uh i moved to europe okay

46

00:01:34,469 --> 00:01:33,520

with the intention of just hanging out

47

00:01:36,789 --> 00:01:34,479

or no

48

00:01:39,190 --> 00:01:36,799

just giving up on america you know i i

49

00:01:40,710 --> 00:01:39,200

really was that

50

00:01:42,230 --> 00:01:40,720

yeah and then i came back and the next

51  
00:01:44,069 --> 00:01:42,240  
thing you know i was in hollywood

52  
00:01:45,510 --> 00:01:44,079  
and what was just since we're going to

53  
00:01:45,910 --> 00:01:45,520  
be talking a lot of politics in this i

54  
00:01:48,389 --> 00:01:45,920  
mean

55  
00:01:49,910 --> 00:01:48,399  
what was your view of america at that

56  
00:01:52,550 --> 00:01:49,920  
time

57  
00:01:53,429 --> 00:01:52,560  
uh pretty much a very similar view to

58  
00:01:56,469 --> 00:01:53,439  
what the left is

59  
00:01:58,310 --> 00:01:56,479  
trying to sell again in 2020 you know is

60  
00:02:01,350 --> 00:01:58,320  
that systematic uh

61  
00:02:04,789 --> 00:02:01,360  
uh racial injustice is a key element a

62  
00:02:07,270 --> 00:02:04,799  
key problem that we were uh

63  
00:02:08,070 --> 00:02:07,280

that we took this land brutally by force

64

00:02:11,510 --> 00:02:08,080

that were really

65

00:02:13,510 --> 00:02:11,520

run by the military industrial complexes

66

00:02:15,750 --> 00:02:13,520

relationship to war

67

00:02:17,589 --> 00:02:15,760

uh that were destroying the planet that

68

00:02:17,990 --> 00:02:17,599

you know we should create fairness over

69

00:02:24,949 --> 00:02:18,000

equal

70

00:02:26,070 --> 00:02:24,959

i mean it was a it was a pretty dark a

71

00:02:28,070 --> 00:02:26,080

dark uh

72

00:02:29,830 --> 00:02:28,080

place but you know you're you know a

73

00:02:31,350 --> 00:02:29,840

woman's right to choose is preeminent

74

00:02:33,190 --> 00:02:31,360

over life

75

00:02:34,390 --> 00:02:33,200

which i talk about in my book you know i

76

00:02:35,670 --> 00:02:34,400

mean i talk about this in my book at the

77

00:02:35,990 --> 00:02:35,680

front but i've been a hardcore check the

78

00:02:39,190 --> 00:02:36,000

box

79

00:02:40,470 --> 00:02:39,200

conservative for you know uh 15 years

80

00:02:42,229 --> 00:02:40,480

so what do you think made you

81

00:02:43,589 --> 00:02:42,239

susceptible to all those views at the

82

00:02:45,990 --> 00:02:43,599

time

83

00:02:47,430 --> 00:02:46,000

i'd just say a lack of a rational uh

84

00:02:48,710 --> 00:02:47,440

alternative discussion just similar to

85

00:02:49,430 --> 00:02:48,720

what they're doing right now in big tech

86

00:02:51,509 --> 00:02:49,440

and

87

00:02:53,110 --> 00:02:51,519

in our societies there's just silencing

88

00:02:55,110 --> 00:02:53,120

a descending view i just don't know

89

00:02:56,790 --> 00:02:55,120

i didn't have any mentors it's

90

00:02:57,190 --> 00:02:56,800

interesting my family's republican but

91

00:03:01,190 --> 00:02:57,200

they

92

00:03:02,790 --> 00:03:01,200

politics are like the bedroom

93

00:03:04,070 --> 00:03:02,800

you can leave them in your bedroom you

94

00:03:05,670 --> 00:03:04,080

know you didn't have to talk about them

95

00:03:06,390 --> 00:03:05,680

you could have good labor democrat

96

00:03:08,949 --> 00:03:06,400

friends

97

00:03:11,190 --> 00:03:08,959

which i still strive for today i have a

98

00:03:13,030 --> 00:03:11,200

lot of liberal friends

99

00:03:14,229 --> 00:03:13,040

and i'm trying to hold and create a

100

00:03:15,750 --> 00:03:14,239

container for them that's what the book

101  
00:03:18,550 --> 00:03:15,760  
was about you know because let me

102  
00:03:19,990 --> 00:03:18,560  
when you start losing so many people in

103  
00:03:21,190 --> 00:03:20,000  
your life thousands and thousands of

104  
00:03:21,990 --> 00:03:21,200  
people simply because you came out

105  
00:03:24,070 --> 00:03:22,000  
against obama

106  
00:03:25,670 --> 00:03:24,080  
simply because you came out in pro pro

107  
00:03:28,149 --> 00:03:25,680  
family pro pro gun

108  
00:03:29,030 --> 00:03:28,159  
pro small government there was just such

109  
00:03:31,110 --> 00:03:29,040  
and i talked about this

110  
00:03:33,270 --> 00:03:31,120  
book there was such a sea that when my

111  
00:03:33,910 --> 00:03:33,280  
dad died i went up to his cabin and i

112  
00:03:36,550 --> 00:03:33,920  
said hey

113  
00:03:38,229 --> 00:03:36,560

uh you know let me make sure my facts

114

00:03:39,509 --> 00:03:38,239

are 100 clear i've been studying them

115

00:03:42,710 --> 00:03:39,519

for 15 years

116

00:03:43,990 --> 00:03:42,720

so i went into the discussions of 13.5

117

00:03:45,430 --> 00:03:44,000

reasons that i got from doing a

118

00:03:47,430 --> 00:03:45,440

politicon panel

119

00:03:48,710 --> 00:03:47,440

and i took you know evan sayett and eric

120

00:03:50,949 --> 00:03:48,720

golib and uh

121

00:03:52,309 --> 00:03:50,959

adam yenser and michael loftus and a

122

00:03:53,990 --> 00:03:52,319

number of other

123

00:03:56,869 --> 00:03:54,000

conservative minds that i said you know

124

00:03:59,429 --> 00:03:56,879

what are the core 13 reasons we choose

125

00:04:00,789 --> 00:03:59,439

ideology and what are the arguments

126  
00:04:02,470 --> 00:04:00,799  
and then you know we went into science

127  
00:04:04,070 --> 00:04:02,480  
history philosophy and journalism and we

128  
00:04:05,350 --> 00:04:04,080  
substantiated them and we looked at the

129  
00:04:07,910 --> 00:04:05,360  
alternatives we're like

130  
00:04:08,710 --> 00:04:07,920  
they're they once again they don't win

131  
00:04:11,910 --> 00:04:08,720  
it was almost like a

132  
00:04:15,910 --> 00:04:11,920  
principles

133  
00:04:17,270 --> 00:04:15,920  
to um to anchor in and distill and

134  
00:04:19,110 --> 00:04:17,280  
that's what i created the book for

135  
00:04:20,469 --> 00:04:19,120  
before the election was to to sway but

136  
00:04:22,469 --> 00:04:20,479  
we ended up coming out late because of

137  
00:04:23,830 --> 00:04:22,479  
coven so we rewrote the book

138  
00:04:25,830 --> 00:04:23,840

and it was more about it's more of a

139

00:04:26,710 --> 00:04:25,840

conservative compendium of ideological

140

00:04:28,390 --> 00:04:26,720

thoughts

141

00:04:30,310 --> 00:04:28,400

of how you defend yourself and then how

142

00:04:32,310 --> 00:04:30,320

to argue and i think it's

143

00:04:33,749 --> 00:04:32,320

really it it's a great handbook for the

144

00:04:36,629 --> 00:04:33,759

the the road ahead

145

00:04:38,150 --> 00:04:36,639

what's interesting about it is that i uh

146

00:04:39,749 --> 00:04:38,160

even though i wrote it i don't hold it

147

00:04:42,629 --> 00:04:39,759

all in my head you know i'm not

148

00:04:44,390 --> 00:04:42,639

a jordan peterson i am not a ben shapiro

149

00:04:46,070 --> 00:04:44,400

like many of us you know we work for our

150

00:04:49,030 --> 00:04:46,080

ideological principles

151  
00:04:50,870 --> 00:04:49,040  
but then our arguments in practice we

152  
00:04:52,390 --> 00:04:50,880  
distill down our four or five points you

153  
00:04:54,230 --> 00:04:52,400  
know we've we distilled down how to

154  
00:04:55,350 --> 00:04:54,240  
break up our logical fallacies most of

155  
00:04:57,510 --> 00:04:55,360  
us need help because

156  
00:04:59,189 --> 00:04:57,520  
you know we're personally attacked now

157  
00:05:00,070 --> 00:04:59,199  
in a different way than we were before

158  
00:05:01,590 --> 00:05:00,080  
you know right

159  
00:05:03,029 --> 00:05:01,600  
you can get off your i can get somebody

160  
00:05:03,749 --> 00:05:03,039  
off their skis by calling them a bigoted

161  
00:05:05,990 --> 00:05:03,759  
and a racist

162  
00:05:07,350 --> 00:05:06,000  
you know or intellectually inferior or

163  
00:05:10,469 --> 00:05:07,360

broken

164

00:05:12,629 --> 00:05:10,479

uh and then yeah what's that

165

00:05:13,670 --> 00:05:12,639

or a trumpeter i mean simply being a trump

166

00:05:16,629 --> 00:05:13,680

supporter is

167

00:05:17,430 --> 00:05:16,639

um ostracizes you and you know in and of

168

00:05:19,830 --> 00:05:17,440

itself

169

00:05:21,110 --> 00:05:19,840

absolutely absolutely so so tell us

170

00:05:22,950 --> 00:05:21,120

about how 911

171

00:05:24,790 --> 00:05:22,960

impacted your thinking and the

172

00:05:25,830 --> 00:05:24,800

conversion you had after 9 11. well it

173

00:05:28,469 --> 00:05:25,840

was interesting because i

174

00:05:30,230 --> 00:05:28,479

had a buddhist uh actually in this back

175

00:05:32,629 --> 00:05:30,240

property now that we're working out of

176

00:05:34,150 --> 00:05:32,639

um in the back of our property we had uh

177

00:05:35,990 --> 00:05:34,160

the buddhist teacher that my wife and i

178

00:05:37,590 --> 00:05:36,000

met through even though my wife is

179

00:05:39,350 --> 00:05:37,600

jewish and i'm christian we met at a

180

00:05:40,870 --> 00:05:39,360

buddhist uh retreat

181

00:05:42,710 --> 00:05:40,880

married and have jewish kids that we've

182

00:05:44,710 --> 00:05:42,720

raised um which makes us

183

00:05:46,390 --> 00:05:44,720

californian but this teacher was a you

184

00:05:47,990 --> 00:05:46,400

know as a buddhist any i you would think

185

00:05:51,749 --> 00:05:48,000

a buddhist would not be a hawk

186

00:05:54,950 --> 00:05:51,759

and he was kind of a neocon hawk and uh

187

00:05:56,790 --> 00:05:54,960

because of his connection to breaking

188

00:05:58,550 --> 00:05:56,800

through moral relativism to moral

189

00:05:59,749 --> 00:05:58,560

absolutism as the truths

190

00:06:00,950 --> 00:05:59,759

actually even resonate with the buddha

191

00:06:01,909 --> 00:06:00,960

the buddha you know the buddha believed

192

00:06:04,230 --> 00:06:01,919

in the

193

00:06:05,510 --> 00:06:04,240

natural you know anyway long story

194

00:06:07,270 --> 00:06:05,520

christ was definitely

195

00:06:09,990 --> 00:06:07,280

influenced by the eastern thought that

196

00:06:12,390 --> 00:06:10,000

came before him and you know i was

197

00:06:13,749 --> 00:06:12,400

i was open because i didn't expect the

198

00:06:15,830 --> 00:06:13,759

message to come from

199

00:06:16,950 --> 00:06:15,840

a one of the top buddhist mass to the

200

00:06:19,749 --> 00:06:16,960

united states of america

201  
00:06:21,110 --> 00:06:19,759  
based on truth so he cracked my lens and

202  
00:06:22,790 --> 00:06:21,120  
he invited me to a group and then a

203  
00:06:24,309 --> 00:06:22,800  
bunch of california liberals for 15

204  
00:06:25,510 --> 00:06:24,319  
years i call my family in a small

205  
00:06:26,550 --> 00:06:25,520  
private group called conservative

206  
00:06:28,070 --> 00:06:26,560  
conversation

207  
00:06:29,510 --> 00:06:28,080  
we just started reading books after

208  
00:06:31,189 --> 00:06:29,520  
books i remember when i got to liberal

209  
00:06:33,830 --> 00:06:31,199  
fascism with jonah goldberg

210  
00:06:34,629 --> 00:06:33,840  
who i've met now several times uh i was

211  
00:06:36,309 --> 00:06:34,639  
like

212  
00:06:37,909 --> 00:06:36,319  
wait a minute this is the big lie this

213  
00:06:41,189 --> 00:06:37,919

is the big switch

214

00:06:43,830 --> 00:06:41,199

i've been sold the wrong uh

215

00:06:44,469 --> 00:06:43,840

the wrong story i i've been i i've given

216

00:06:47,990 --> 00:06:44,479

up my

217

00:06:51,029 --> 00:06:48,000

my my seniority of thought and emotion

218

00:06:54,070 --> 00:06:51,039

and choice and what was it about

219

00:06:54,950 --> 00:06:54,080

the 9 11 event itself that was some kind

220

00:06:56,950 --> 00:06:54,960

of a wake-up call

221

00:06:58,950 --> 00:06:56,960

i think for some of us it takes a crisis

222

00:06:59,990 --> 00:06:58,960

to awaken and i think what you know if

223

00:07:03,830 --> 00:07:00,000

you now i would say

224

00:07:05,830 --> 00:07:03,840

now looking back as a conservative is

225

00:07:07,589 --> 00:07:05,840

the more that i'm a big fan of military

226

00:07:09,350 --> 00:07:07,599

history i always have been but i wasn't

227

00:07:11,029 --> 00:07:09,360

looking at the right view

228

00:07:12,950 --> 00:07:11,039

and i think what we've done is we've

229

00:07:13,909 --> 00:07:12,960

started to tell like howard zinn's

230

00:07:16,469 --> 00:07:13,919

message

231

00:07:17,510 --> 00:07:16,479

that we're marauding opportunists versus

232

00:07:19,029 --> 00:07:17,520

the fact that we're reluctant

233

00:07:21,270 --> 00:07:19,039

interventionists

234

00:07:23,110 --> 00:07:21,280

that we don't steal oil fields we don't

235

00:07:25,189 --> 00:07:23,120

rape and pillage we don't take over

236

00:07:26,629 --> 00:07:25,199

countries you know after we leave them

237

00:07:27,510 --> 00:07:26,639

if anything we get drug into them too

238

00:07:29,589 --> 00:07:27,520

long because we're trying to actually

239

00:07:32,629 --> 00:07:29,599

put in the essence of democracy so

240

00:07:35,510 --> 00:07:32,639

911 was you know home court home court

241

00:07:36,390 --> 00:07:35,520

just you know we i was you and i were

242

00:07:38,629 --> 00:07:36,400

attacked

243

00:07:40,309 --> 00:07:38,639

directly on american soil we were on the

244

00:07:41,909 --> 00:07:40,319

edge of war

245

00:07:43,830 --> 00:07:41,919

and uh that's what it took for me to

246

00:07:46,150 --> 00:07:43,840

wake up yeah well

247

00:07:48,629 --> 00:07:46,160

what's amazing about that and looking

248

00:07:51,990 --> 00:07:48,639

back at it was that the patriotism

249

00:07:54,390 --> 00:07:52,000

that um of the response

250

00:07:55,189 --> 00:07:54,400

and people flying flags at their homes

251  
00:07:56,950 --> 00:07:55,199  
people flying

252  
00:07:59,510 --> 00:07:56,960  
them on their cars and so on i mean it

253  
00:08:01,990 --> 00:07:59,520  
really was a pretty unifying

254  
00:08:03,189 --> 00:08:02,000  
moment in many ways in america i mean

255  
00:08:05,670 --> 00:08:03,199  
bush

256  
00:08:07,270 --> 00:08:05,680  
here's a you know a republican president

257  
00:08:09,029 --> 00:08:07,280  
that for the most part

258  
00:08:11,909 --> 00:08:09,039  
republican presidents get absolutely

259  
00:08:13,029 --> 00:08:11,919  
slaughtered um but he had enormous

260  
00:08:15,909 --> 00:08:13,039  
support

261  
00:08:16,469 --> 00:08:15,919  
you know one won reelection uh pretty

262  
00:08:18,309 --> 00:08:16,479  
easily

263  
00:08:20,950 --> 00:08:18,319

because the nation really came together

264

00:08:24,469 --> 00:08:20,960

and man does that seem a long time ago

265

00:08:27,909 --> 00:08:24,479

now i would flip it over and say that

266

00:08:29,909 --> 00:08:27,919

the unifying force of the wars after 911

267

00:08:31,189 --> 00:08:29,919

that kept bush in office for a second

268

00:08:34,469 --> 00:08:31,199

term

269

00:08:35,589 --> 00:08:34,479

is parallel in an inverse way as the

270

00:08:38,949 --> 00:08:35,599

medical tragic

271

00:08:41,990 --> 00:08:38,959

aberration being covered that took

272

00:08:44,070 --> 00:08:42,000

trump out and so a war on trump and a

273

00:08:45,269 --> 00:08:44,080

war on this virus that decimated his

274

00:08:48,550 --> 00:08:45,279

incumbent strong

275

00:08:51,750 --> 00:08:48,560

economy gave a no

276

00:08:54,310 --> 00:08:51,760

candidate uh party

277

00:08:56,070 --> 00:08:54,320

uh this victory and i think that's why

278

00:08:58,070 --> 00:08:56,080

we got paranoid and i think that's why

279

00:08:59,110 --> 00:08:58,080

we got suspicious that's why we checked

280

00:09:01,829 --> 00:08:59,120

into electoral

281

00:09:04,070 --> 00:09:01,839

uh college and and fraud so it's

282

00:09:06,710 --> 00:09:04,080

interesting so we were unified

283

00:09:08,710 --> 00:09:06,720

by a tragic event and the dems were

284

00:09:10,710 --> 00:09:08,720

empowered and we were divided

285

00:09:12,150 --> 00:09:10,720

by a warlike event you know that's

286

00:09:12,630 --> 00:09:12,160

what's really interesting and you know

287

00:09:13,910 --> 00:09:12,640

because

288

00:09:16,230 --> 00:09:13,920

if you really want to keep somebody in

289

00:09:17,430 --> 00:09:16,240

office start a war you know trump could

290

00:09:19,030 --> 00:09:17,440

have probably done it like if he wanted

291

00:09:20,150 --> 00:09:19,040

to start a war with iran right now if he

292

00:09:20,790 --> 00:09:20,160

was that kind of guy he's not that kind

293

00:09:22,150 --> 00:09:20,800

of guy

294

00:09:24,550 --> 00:09:22,160

he probably could have been the big

295

00:09:25,670 --> 00:09:24,560

distraction to bring us all back

296

00:09:27,430 --> 00:09:25,680

together he could have stayed in

297

00:09:29,110 --> 00:09:27,440

by starting well i mean there was there

298

00:09:31,829 --> 00:09:29,120

was nothing unifying about

299

00:09:33,590 --> 00:09:31,839

about covet i mean it was dividing from

300

00:09:36,150 --> 00:09:33,600

from the get-go as far as

301  
00:09:37,590 --> 00:09:36,160  
where it came from you know i mean you

302  
00:09:39,110 --> 00:09:37,600  
know i started with conspiracy theories

303  
00:09:41,590 --> 00:09:39,120  
about covet itself

304  
00:09:43,030 --> 00:09:41,600  
and then as far as how to respond to it

305  
00:09:44,870 --> 00:09:43,040  
and so on and you almost

306  
00:09:47,350 --> 00:09:44,880  
seem to always have a left and a right

307  
00:09:49,269 --> 00:09:47,360  
view about how to respond to covid

308  
00:09:52,150 --> 00:09:49,279  
i think it kind of broke down to

309  
00:09:54,790 --> 00:09:52,160  
individual rights versus collective

310  
00:09:56,870 --> 00:09:54,800  
good so you had naturally had the right

311  
00:09:58,790 --> 00:09:56,880  
who's very into individual freedom being

312  
00:10:01,350 --> 00:09:58,800  
very suspect of the idea of

313  
00:10:03,030 --> 00:10:01,360

lockdowns and on the left it's all into

314

00:10:05,430 --> 00:10:03,040

collectivism and everything being

315

00:10:06,790 --> 00:10:05,440

equal for everybody said no no everybody

316

00:10:08,230 --> 00:10:06,800

stay at home close on everything that

317

00:10:11,350 --> 00:10:08,240

way everything's equal

318

00:10:13,269 --> 00:10:11,360

and and from that point forward we've

319

00:10:14,470 --> 00:10:13,279

covet has further divided the country i

320

00:10:16,230 --> 00:10:14,480

think yeah

321

00:10:17,509 --> 00:10:16,240

exactly no and that's my point about the

322

00:10:20,030 --> 00:10:17,519

inversion it was

323

00:10:21,430 --> 00:10:20,040

it was a a great it was saying it was

324

00:10:23,269 --> 00:10:21,440

non-unifying

325

00:10:24,470 --> 00:10:23,279

but they got handed the only reason they

326

00:10:26,310 --> 00:10:24,480

won was coveted

327

00:10:27,670 --> 00:10:26,320

there was no way they were going to take

328

00:10:29,590 --> 00:10:27,680

this president down with his

329

00:10:31,430 --> 00:10:29,600

with his employment and stock market and

330

00:10:33,269 --> 00:10:31,440

economic numbers i mean there was no we

331

00:10:35,750 --> 00:10:33,279

were unstoppable

332

00:10:39,030 --> 00:10:35,760

so i you know i'm not i don't know you

333

00:10:41,030 --> 00:10:39,040

know i i i can't i cannot go

334

00:10:43,030 --> 00:10:41,040

i lo there's a rabbi rabbi finley that

335

00:10:45,030 --> 00:10:43,040

we see and i like what he says

336

00:10:46,550 --> 00:10:45,040

he said you can test it conspiracy by

337

00:10:50,310 --> 00:10:46,560

the fact that people start committing

338

00:10:51,910 --> 00:10:50,320

suicide because there is a moral center

339

00:10:53,430 --> 00:10:51,920

and we want to go down these shoot

340

00:10:55,190 --> 00:10:53,440

eventually people would pop up

341

00:10:56,710 --> 00:10:55,200

and kill themselves to cover things now

342

00:10:57,509 --> 00:10:56,720

interesting a couple suicides right

343

00:10:59,750 --> 00:10:57,519

after

344

00:11:00,870 --> 00:10:59,760

uh what happened in washington

345

00:11:01,509 --> 00:11:00,880

interesting right within the law

346

00:11:04,150 --> 00:11:01,519

enforcement

347

00:11:04,550 --> 00:11:04,160

a couple guys killed himself so but he's

348

00:11:07,269 --> 00:11:04,560

it was

349

00:11:08,230 --> 00:11:07,279

it's a good point like my uh i'm not are

350

00:11:10,710 --> 00:11:08,240

we on the air

351

00:11:12,069 --> 00:11:10,720

oh yeah yeah we're going really okay

352

00:11:14,630 --> 00:11:12,079

okay okay

353

00:11:16,069 --> 00:11:14,640

all right sorry sorry we we we just keep

354

00:11:16,870 --> 00:11:16,079

talking to my producer picks a beginning

355

00:11:18,870 --> 00:11:16,880

and an end so

356

00:11:20,310 --> 00:11:18,880

oh great great well then i won't name

357

00:11:21,750 --> 00:11:20,320

anybody that's what i want to say but i

358

00:11:24,790 --> 00:11:21,760

know certain people that are just

359

00:11:26,150 --> 00:11:24,800

running down this you know and the queue

360

00:11:27,350 --> 00:11:26,160

thing was interesting right because it

361

00:11:29,750 --> 00:11:27,360

was about

362

00:11:31,030 --> 00:11:29,760

trump brought up fake news and then from

363

00:11:33,269 --> 00:11:31,040

fake news we had

364

00:11:34,550 --> 00:11:33,279

you know definitely it became almost

365

00:11:35,910 --> 00:11:34,560

like an analysis

366

00:11:37,910 --> 00:11:35,920

game that a lot of people got involved

367

00:11:38,630 --> 00:11:37,920

in so i want to say you know good job

368

00:11:41,269 --> 00:11:38,640

america

369

00:11:42,310 --> 00:11:41,279

we're no longer uh we're no longer aware

370

00:11:44,630 --> 00:11:42,320

of where you know

371

00:11:45,750 --> 00:11:44,640

uh paraguay is i mean we were pretty

372

00:11:47,430 --> 00:11:45,760

unconscious people

373

00:11:49,350 --> 00:11:47,440

before fake news came along said

374

00:11:51,829 --> 00:11:49,360

americans need to think more deeply

375

00:11:52,949 --> 00:11:51,839

and now now we've gotten so deep into

376

00:11:54,710 --> 00:11:52,959

the wormhole

377

00:11:56,870 --> 00:11:54,720

that you know there is some danger to

378

00:11:58,710 --> 00:11:56,880

overthinking things so anyway more

379

00:12:00,710 --> 00:11:58,720

people would start killing themselves if

380

00:12:02,389 --> 00:12:00,720

big conspiracies actually happened

381

00:12:04,949 --> 00:12:02,399

and some are and some aren't but i you

382

00:12:06,629 --> 00:12:04,959

know i can't go into the one about

383

00:12:08,470 --> 00:12:06,639

being intentionally started that's such

384

00:12:11,110 --> 00:12:08,480

a deep and complicated

385

00:12:13,430 --> 00:12:11,120

premise i i don't i i just think it was

386

00:12:16,550 --> 00:12:13,440

a real aberration

387

00:12:19,110 --> 00:12:16,560

so now as we try to bridge the divide

388

00:12:22,150 --> 00:12:19,120

between the two sides and

389

00:12:22,470 --> 00:12:22,160

try to demonstrate that our side so to

390

00:12:24,629 --> 00:12:22,480

speak

391

00:12:25,750 --> 00:12:24,639

conservative side is is the voice of

392

00:12:29,030 --> 00:12:25,760

reason but

393

00:12:32,069 --> 00:12:29,040

you've got this capital break-in event

394

00:12:33,590 --> 00:12:32,079

that the left is now using to just throw

395

00:12:35,590 --> 00:12:33,600

everybody on the right under the bus

396

00:12:36,150 --> 00:12:35,600

that see we've been telling you from the

397

00:12:38,069 --> 00:12:36,160

beginning

398

00:12:40,389 --> 00:12:38,079

trump was dangerous his supporters are

399

00:12:43,190 --> 00:12:40,399

dangerous these white nationalists

400

00:12:43,590 --> 00:12:43,200

etc are dangerous and just casting the

401  
00:12:46,870 --> 00:12:43,600  
whole

402  
00:12:48,870 --> 00:12:46,880  
right aside so uh it's making the task

403  
00:12:50,150 --> 00:12:48,880  
even more difficult now to bridge the

404  
00:12:52,310 --> 00:12:50,160  
divide but

405  
00:12:54,710 --> 00:12:52,320  
you know i guess the first question is

406  
00:12:56,870 --> 00:12:54,720  
as somebody who is

407  
00:12:57,990 --> 00:12:56,880  
you know on the on the right you know

408  
00:13:00,870 --> 00:12:58,000  
what do you have to say

409  
00:13:02,389 --> 00:13:00,880  
about the capital break-in well i just

410  
00:13:04,389 --> 00:13:02,399  
did an article on newsmax it was about

411  
00:13:05,509 --> 00:13:04,399  
the three big reasons the one first all

412  
00:13:07,750 --> 00:13:05,519  
is that the rule of law

413  
00:13:09,190 --> 00:13:07,760

exists anyway regardless of whether left

414

00:13:12,230 --> 00:13:09,200

or right or politicized

415

00:13:14,629 --> 00:13:12,240

there were 14 000 break in 14 000

416

00:13:16,949 --> 00:13:14,639

arrests during the 400 cities that were

417

00:13:18,790 --> 00:13:16,959

we had george floyd protests in you know

418

00:13:20,870 --> 00:13:18,800

on this one we've had like 80 so far

419

00:13:23,110 --> 00:13:20,880

80 a few more than 80s last couple days

420

00:13:23,750 --> 00:13:23,120

and five dead we had 19 dead on that

421

00:13:27,030 --> 00:13:23,760

night and

422

00:13:27,750 --> 00:13:27,040

on george floyd and 96 000 uh national

423

00:13:29,430 --> 00:13:27,760

guards

424

00:13:30,949 --> 00:13:29,440

deployed and two billion dollars worth

425

00:13:33,670 --> 00:13:30,959

of damage so i'm

426

00:13:33,990 --> 00:13:33,680

i'm not going to be gaslit on the fact

427

00:13:37,590 --> 00:13:34,000

that

428

00:13:40,710 --> 00:13:37,600

inaccurate so untrue

429

00:13:42,790 --> 00:13:40,720

i mean if you go to uh the g20 it was

430

00:13:44,389 --> 00:13:42,800

all leftist fascist destruction over

431

00:13:44,870 --> 00:13:44,399

there if you go to berkeley if you go to

432

00:13:46,710 --> 00:13:44,880

heart

433

00:13:48,150 --> 00:13:46,720

all america is known for leftist

434

00:13:49,590 --> 00:13:48,160

violence with an

435

00:13:51,829 --> 00:13:49,600

occasional aberration of right-wing

436

00:13:53,350 --> 00:13:51,839

violence and then also

437

00:13:55,030 --> 00:13:53,360

so that's the first contest is law and

438

00:13:56,230 --> 00:13:55,040

order exists outside of policy and it

439

00:13:57,910 --> 00:13:56,240

actually functioned the second thing

440

00:13:59,910 --> 00:13:57,920

that i said about the capital riots was

441

00:14:01,110 --> 00:13:59,920

is that trump's speeches on paper were

442

00:14:02,629 --> 00:14:01,120

fantastic

443

00:14:04,150 --> 00:14:02,639

it's just like listening to his russian

444

00:14:05,829 --> 00:14:04,160

call on paper it was

445

00:14:07,829 --> 00:14:05,839

it was actually right down the line he

446

00:14:10,470 --> 00:14:07,839

immediately retracted the third major

447

00:14:13,509 --> 00:14:10,480

point is that the norfolk virginia

448

00:14:15,590 --> 00:14:13,519

fbi said we have there

449

00:14:17,269 --> 00:14:15,600

are because of covet lockdowns they said

450

00:14:18,069 --> 00:14:17,279

we need to make congress pay people are

451  
00:14:20,710 --> 00:14:18,079

angry

452  
00:14:22,389 --> 00:14:20,720

why did george floyd blow up because

453  
00:14:23,590 --> 00:14:22,399

people were angry about covet we've

454  
00:14:25,189 --> 00:14:23,600

never been shut down

455  
00:14:26,550 --> 00:14:25,199

we're still angry if anything we're

456  
00:14:27,750 --> 00:14:26,560

angry as we're a lot of people are

457  
00:14:30,790 --> 00:14:27,760

sliding into long-term

458  
00:14:32,629 --> 00:14:30,800

devastation so that norfolk virginia fbi

459  
00:14:35,829 --> 00:14:32,639

gave a warning that they were planning

460  
00:14:38,710 --> 00:14:35,839

to bring a war to a riot to congress

461  
00:14:40,230 --> 00:14:38,720

before trump incited so trump incited

462  
00:14:41,509 --> 00:14:40,240

they said and that why the reason they

463  
00:14:44,230 --> 00:14:41,519

impeached in eight hours

464

00:14:46,230 --> 00:14:44,240

but the truth was right is it was

465

00:14:48,470 --> 00:14:46,240

already in motion before he got there

466

00:14:49,350 --> 00:14:48,480

it was already multiple groups so we i

467

00:14:52,550 --> 00:14:49,360

mean you know

468

00:14:54,150 --> 00:14:52,560

but right wing groups uh

469

00:14:55,990 --> 00:14:54,160

no they were they're a mixture of

470

00:14:57,030 --> 00:14:56,000

multiple groups throughout i mean look

471

00:14:59,430 --> 00:14:57,040

at this guy jane uh

472

00:15:01,590 --> 00:14:59,440

john sullivan he's definitely not he's

473

00:15:03,350 --> 00:15:01,600

he's definitely not to the right

474

00:15:04,790 --> 00:15:03,360

the guy that was filming it coordinating

475

00:15:07,910 --> 00:15:04,800

it sitting in the corner

476

00:15:09,910 --> 00:15:07,920

when uh the young uh um

477

00:15:11,350 --> 00:15:09,920

babbitt what's her name got shot that

478

00:15:13,030 --> 00:15:11,360

guy was definitively aligned with the

479

00:15:14,389 --> 00:15:13,040

left there's a lot of leftist

480

00:15:16,230 --> 00:15:14,399

people there and they agitated they

481

00:15:19,350 --> 00:15:16,240

grabbed in some other people you know

482

00:15:21,189 --> 00:15:19,360

so i i'm not i'm not buying it i'm not

483

00:15:22,629 --> 00:15:21,199

buying it i think it was a big setup and

484

00:15:24,230 --> 00:15:22,639

they they really want to destroy the

485

00:15:25,509 --> 00:15:24,240

trump legacy i look the way

486

00:15:27,189 --> 00:15:25,519

we did a show last night we said the

487

00:15:28,790 --> 00:15:27,199

reason that trump got impeached twice is

488

00:15:29,670 --> 00:15:28,800

because that's how dangerous he is to

489

00:15:31,269 --> 00:15:29,680

the system

490

00:15:32,949 --> 00:15:31,279

that exists that he's been draining the

491

00:15:35,030 --> 00:15:32,959

swamp for a long time that he's that

492

00:15:36,710 --> 00:15:35,040

kind of free speech advocate i'm i'm not

493

00:15:39,990 --> 00:15:36,720

going to go to sleep on this

494

00:15:42,949 --> 00:15:40,000

yeah but i mean bottom line the right

495

00:15:44,710 --> 00:15:42,959

you know republicans etc condemned the

496

00:15:45,990 --> 00:15:44,720

break-in condemned the violence right

497

00:15:46,629 --> 00:15:46,000

away which is something that you didn't

498

00:15:47,910 --> 00:15:46,639

say

499

00:15:49,829 --> 00:15:47,920

yeah right which is something you didn't

500

00:15:50,389 --> 00:15:49,839

see from the left but i mean it does

501  
00:15:53,030 --> 00:15:50,399  
appear

502  
00:15:54,230 --> 00:15:53,040  
that primarily this was maybe it was

503  
00:15:55,910 --> 00:15:54,240  
infiltrated a bit

504  
00:15:58,550 --> 00:15:55,920  
but you tell me if you feel differently

505  
00:16:01,350 --> 00:15:58,560  
it does appear that it was primarily

506  
00:16:01,829 --> 00:16:01,360  
these hardcore right-wing groups that

507  
00:16:03,670 --> 00:16:01,839  
were

508  
00:16:05,350 --> 00:16:03,680  
behind it basically under the

509  
00:16:06,150 --> 00:16:05,360  
presumption that this is a stolen

510  
00:16:08,710 --> 00:16:06,160  
election

511  
00:16:09,910 --> 00:16:08,720  
and we need to go in and take it back

512  
00:16:11,910 --> 00:16:09,920  
this is our

513  
00:16:13,110 --> 00:16:11,920

moment you know the same reason why we

514

00:16:15,189 --> 00:16:13,120

have the second amendment

515

00:16:16,550 --> 00:16:15,199

which allows us to carry guns in case we

516

00:16:18,710 --> 00:16:16,560

are faced with a tyrannical

517

00:16:19,670 --> 00:16:18,720

government i think this was a call to

518

00:16:22,230 --> 00:16:19,680

action

519

00:16:22,870 --> 00:16:22,240

by some of these extreme groups that

520

00:16:24,790 --> 00:16:22,880

thought this

521

00:16:25,990 --> 00:16:24,800

is our moment this is the time we need

522

00:16:28,150 --> 00:16:26,000

to rise up

523

00:16:29,590 --> 00:16:28,160

and take our country back isn't that

524

00:16:31,509 --> 00:16:29,600

what you saw

525

00:16:34,150 --> 00:16:31,519

uh i think there was a corner

526

00:16:35,509 --> 00:16:34,160

coordinated agitation which recruited a

527

00:16:37,269 --> 00:16:35,519

lot of people on the right that were in

528

00:16:39,110 --> 00:16:37,279

that position but i'd actually go back

529

00:16:40,230 --> 00:16:39,120

and place the blame on the media for one

530

00:16:44,150 --> 00:16:40,240

thing they did

531

00:16:46,230 --> 00:16:44,160

look man we we came out and trump

532

00:16:47,749 --> 00:16:46,240

challenged election integrity which is

533

00:16:49,269 --> 00:16:47,759

always election fraud it's just a matter

534

00:16:50,550 --> 00:16:49,279

of whether it throws off the electoral

535

00:16:51,829 --> 00:16:50,560

college at the end of the day that's why

536

00:16:52,310 --> 00:16:51,839

we have electoral colleges they're

537

00:16:53,590 --> 00:16:52,320

trying to

538

00:16:55,110 --> 00:16:53,600

eliminate right now and go to the

539

00:16:56,069 --> 00:16:55,120

popular vote which is which is

540

00:16:58,310 --> 00:16:56,079

absolutely crazy

541

00:17:00,150 --> 00:16:58,320

but what do they say they said false

542

00:17:01,910 --> 00:17:00,160

baseless and conspiracy based

543

00:17:04,549 --> 00:17:01,920

instead of alleged claims from the very

544

00:17:06,309 --> 00:17:04,559

beginning that pissed me off

545

00:17:08,789 --> 00:17:06,319

you know i know enough about the law i

546

00:17:10,470 --> 00:17:08,799

know enough about due process to

547

00:17:13,270 --> 00:17:10,480

somebody just the media can't claim

548

00:17:15,350 --> 00:17:13,280

eminent domain over my individual rights

549

00:17:16,710 --> 00:17:15,360

by saying false baseless conspiracy

550

00:17:18,949 --> 00:17:16,720

based that would be in court that would

551  
00:17:21,029 --> 00:17:18,959  
be hey conjecture presumption

552  
00:17:22,150 --> 00:17:21,039  
but you know well then they do by the

553  
00:17:23,590 --> 00:17:22,160  
way they do the same thing about the

554  
00:17:26,789 --> 00:17:23,600  
break-in it's basically the

555  
00:17:27,669 --> 00:17:26,799  
the trump incited break-in you know that

556  
00:17:29,110 --> 00:17:27,679  
i mean they flat out

557  
00:17:30,710 --> 00:17:29,120  
i forget some of the quotes it was on 60

558  
00:17:32,070 --> 00:17:30,720  
minutes piece from from last night where

559  
00:17:35,190 --> 00:17:32,080  
they just flat out say that

560  
00:17:36,470 --> 00:17:35,200  
trump directed the the the capital

561  
00:17:38,870 --> 00:17:36,480  
insurrection

562  
00:17:40,630 --> 00:17:38,880  
and and you're just supposed to buy it

563  
00:17:41,430 --> 00:17:40,640

it's unbelievable what they're getting

564

00:17:43,830 --> 00:17:41,440

away with

565

00:17:44,789 --> 00:17:43,840

in what is supposed to be unbiased

566

00:17:46,789 --> 00:17:44,799

reporting

567

00:17:47,830 --> 00:17:46,799

in the little stuff that they slip in so

568

00:17:50,310 --> 00:17:47,840

you're right so

569

00:17:51,990 --> 00:17:50,320

yeah i think that this but you you could

570

00:17:52,710 --> 00:17:52,000

all chalk it up just to the polarized

571

00:17:54,230 --> 00:17:52,720

environment

572

00:17:56,070 --> 00:17:54,240

that we're in where basically people are

573

00:17:57,029 --> 00:17:56,080

getting two totally different sets of

574

00:18:00,390 --> 00:17:57,039

facts

575

00:18:01,990 --> 00:18:00,400

and yeah it's super frustrating to

576

00:18:03,270 --> 00:18:02,000

say that if you mention anything about

577

00:18:04,070 --> 00:18:03,280

election fraud you're going to be taken

578

00:18:06,390 --> 00:18:04,080

down from

579

00:18:07,909 --> 00:18:06,400

youtube and it's super frustrating that

580

00:18:10,070 --> 00:18:07,919

you know from day one

581

00:18:12,390 --> 00:18:10,080

they were you know not accepting of the

582

00:18:15,190 --> 00:18:12,400

trump election so

583

00:18:16,230 --> 00:18:15,200

that created this fevered environment

584

00:18:18,789 --> 00:18:16,240

for sure

585

00:18:19,669 --> 00:18:18,799

but at the end of the day i mean there's

586

00:18:22,549 --> 00:18:19,679

no excuse

587

00:18:23,029 --> 00:18:22,559

for what happened right absolutely

588

00:18:25,110 --> 00:18:23,039

absolutely

589

00:18:27,190 --> 00:18:25,120

dewey is so funny we're saying suddenly

590

00:18:29,190 --> 00:18:27,200

democrats are republicans

591

00:18:30,549 --> 00:18:29,200

on law and order you know suddenly

592

00:18:31,830 --> 00:18:30,559

they're like build a wall around the

593

00:18:32,230 --> 00:18:31,840

white house to protect what we're doing

594

00:18:33,909 --> 00:18:32,240

you know

595

00:18:36,230 --> 00:18:33,919

it's like suddenly they're yeah i love

596

00:18:37,190 --> 00:18:36,240

it the shoe is on the other foot in so

597

00:18:41,270 --> 00:18:37,200

many respects

598

00:18:43,270 --> 00:18:41,280

on this um but you know as we look at

599

00:18:44,549 --> 00:18:43,280

as as we look at the the violence that

600

00:18:46,870 --> 00:18:44,559

came over the summer as a result of

601  
00:18:48,630 --> 00:18:46,880  
george floyd and so on and the left

602  
00:18:51,350 --> 00:18:48,640  
violence you know they're they're going

603  
00:18:54,470 --> 00:18:51,360  
to say that well that was a very small

604  
00:18:57,029 --> 00:18:54,480  
radicalized minority of the left just

605  
00:19:00,549 --> 00:18:57,039  
like you have a small radicalized

606  
00:19:02,549 --> 00:19:00,559  
uh uh group on your side so is that

607  
00:19:04,230 --> 00:19:02,559  
fair yeah it's fair i mean look i was

608  
00:19:08,310 --> 00:19:04,240  
looking at wikipedia last night just in

609  
00:19:11,270 --> 00:19:08,320  
general and they they said that 96.43

610  
00:19:13,110 --> 00:19:11,280  
of george floyd protests were peaceful i

611  
00:19:15,830 --> 00:19:13,120  
was like oh that's interesting statistic

612  
00:19:16,549 --> 00:19:15,840  
but what matters is how radicalized and

613  
00:19:20,310 --> 00:19:16,559

organized

614

00:19:22,070 --> 00:19:20,320

was that you know uh 3.6

615

00:19:24,310 --> 00:19:22,080

and i think what we had was some we had

616

00:19:26,870 --> 00:19:24,320

some extreme olinsky eye

617

00:19:28,549 --> 00:19:26,880

weather underground agitation that was

618

00:19:30,390 --> 00:19:28,559

never let a crisis go to waste is

619

00:19:32,470 --> 00:19:30,400

absolutely a key element

620

00:19:34,230 --> 00:19:32,480

of the terms of socialism and communism

621

00:19:35,990 --> 00:19:34,240

and the progressive hard left

622

00:19:38,070 --> 00:19:36,000

which you know in look in the 70s and

623

00:19:39,029 --> 00:19:38,080

80s and 90s we found documents saying

624

00:19:42,230 --> 00:19:39,039

hey lie

625

00:19:45,110 --> 00:19:42,240

agitate duplicity organize

626

00:19:46,310 --> 00:19:45,120

flip and turn that's not hyperbole the

627

00:19:47,590 --> 00:19:46,320

people that are organized with the

628

00:19:49,909 --> 00:19:47,600

radical left

629

00:19:52,390 --> 00:19:49,919

know the handbook inside and out i mean

630

00:19:54,390 --> 00:19:52,400

our last president was a devotee

631

00:19:55,909 --> 00:19:54,400

of these of these actual theories in

632

00:19:57,990 --> 00:19:55,919

order to get to

633

00:19:59,110 --> 00:19:58,000

a machiavellian outcome no matter what

634

00:20:00,470 --> 00:19:59,120

he had to do

635

00:20:02,470 --> 00:20:00,480

so that's really happening i mean if you

636

00:20:04,390 --> 00:20:02,480

read the new organized document i was

637

00:20:07,110 --> 00:20:04,400

telling you from aoc in the squad and

638

00:20:09,029 --> 00:20:07,120

blm it's basically saying let's defund

639

00:20:11,430 --> 00:20:09,039

the police and let's fund education

640

00:20:12,470 --> 00:20:11,440

16 million people should be given jobs

641

00:20:15,270 --> 00:20:12,480

immediately

642

00:20:16,950 --> 00:20:15,280

uh reparations should continue we should

643

00:20:19,029 --> 00:20:16,960

privatize companies that are taking

644

00:20:22,390 --> 00:20:19,039

assistance during this

645

00:20:25,110 --> 00:20:22,400

during covid it is a socialist manifesto

646

00:20:26,789 --> 00:20:25,120

putting a bar for how far biden can go

647

00:20:28,710 --> 00:20:26,799

it's already on the table so

648

00:20:31,350 --> 00:20:28,720

if that's real then i would say the

649

00:20:32,789 --> 00:20:31,360

organizing elements of one

650

00:20:34,630 --> 00:20:32,799

what was it i mean two million people

651  
00:20:35,190 --> 00:20:34,640  
went to washington and we had you know a

652  
00:20:38,070 --> 00:20:35,200  
handful

653  
00:20:39,510 --> 00:20:38,080  
200 probably at the head acting up but i

654  
00:20:40,789 --> 00:20:39,520  
gotta challenge this a little bit james

655  
00:20:42,950 --> 00:20:40,799  
because i've been doing a lot of

656  
00:20:43,830 --> 00:20:42,960  
watching of the videos and looking on

657  
00:20:47,830 --> 00:20:43,840  
judicial

658  
00:20:49,110 --> 00:20:47,840  
leftists in this group so it looked

659  
00:20:49,990 --> 00:20:49,120  
pretty coordinated to me and i think

660  
00:20:52,789 --> 00:20:50,000  
they grabbed

661  
00:20:54,070 --> 00:20:52,799  
the opportunity well i certainly say

662  
00:20:55,350 --> 00:20:54,080  
that's one of the reasons why it's

663  
00:20:59,190 --> 00:20:55,360

absolutely absurd

664

00:21:01,029 --> 00:20:59,200

to impeach so quickly

665

00:21:02,710 --> 00:21:01,039

you know not only does what trump said

666

00:21:03,669 --> 00:21:02,720

not rise to the standard of inciting

667

00:21:06,549 --> 00:21:03,679

violence under the

668

00:21:07,029 --> 00:21:06,559

criminal code but there hasn't been the

669

00:21:14,230 --> 00:21:07,039

most

670

00:21:15,430 --> 00:21:14,240

as to who was behind this how it all

671

00:21:18,630 --> 00:21:15,440

happened it's like

672

00:21:20,230 --> 00:21:18,640

it happened boom impeach i mean if

673

00:21:23,110 --> 00:21:20,240

hypothetically

674

00:21:24,390 --> 00:21:23,120

this was something that was uh planned

675

00:21:26,549 --> 00:21:24,400

by a leftist group

676

00:21:28,070 --> 00:21:26,559

basically to make trump look bad then

677

00:21:29,029 --> 00:21:28,080

does he deserve to be in peace if that's

678

00:21:32,549 --> 00:21:29,039

the case

679

00:21:35,590 --> 00:21:32,559

obviously not yeah i mean i i think

680

00:21:38,710 --> 00:21:35,600

graham is tapping into to schumer

681

00:21:40,789 --> 00:21:38,720

and saying let's stay in rationality

682

00:21:42,149 --> 00:21:40,799

let's lead forward i think if they're

683

00:21:44,230 --> 00:21:42,159

going to take control

684

00:21:45,909 --> 00:21:44,240

they're taking control of the office uh

685

00:21:48,630 --> 00:21:45,919

then i and with 25 000

686

00:21:50,149 --> 00:21:48,640

troops there um i think they're trying

687

00:21:50,870 --> 00:21:50,159

to back off this and focus on their

688

00:21:52,230 --> 00:21:50,880

agenda

689

00:21:53,750 --> 00:21:52,240

hopefully there's enough rationalists

690

00:21:54,789 --> 00:21:53,760

out there that you know they don't have

691

00:21:55,909 --> 00:21:54,799

to follow through this and

692

00:21:57,430 --> 00:21:55,919

we don't even know the legality if you

693

00:21:59,270 --> 00:21:57,440

can impeach a president after office

694

00:22:01,590 --> 00:21:59,280

anyway

695

00:22:02,390 --> 00:22:01,600

so go into your your book a couple

696

00:22:04,789 --> 00:22:02,400

things i want to

697

00:22:06,950 --> 00:22:04,799

point out is that you know it seems you

698

00:22:09,590 --> 00:22:06,960

know you had your own conversion

699

00:22:10,630 --> 00:22:09,600

um you make a note in there as far as

700

00:22:12,470 --> 00:22:10,640

kind of bridging the divide

701  
00:22:13,669 --> 00:22:12,480  
how to change hearts and minds or at

702  
00:22:15,270 --> 00:22:13,679  
worst preserve

703  
00:22:17,669 --> 00:22:15,280  
a few more mutually respectful

704  
00:22:21,350 --> 00:22:17,679  
relationships with more ease

705  
00:22:22,630 --> 00:22:21,360  
clarity and dignity so what is it that

706  
00:22:24,630 --> 00:22:22,640  
you would like to see

707  
00:22:26,070 --> 00:22:24,640  
as far as the discourse in america that

708  
00:22:29,029 --> 00:22:26,080  
you think could help

709  
00:22:29,350 --> 00:22:29,039  
bring us back together it's funny

710  
00:22:30,630 --> 00:22:29,360  
because

711  
00:22:32,470 --> 00:22:30,640  
you know right at thanksgiving things

712  
00:22:33,669 --> 00:22:32,480  
heated up sean spicer had had me on his

713  
00:22:35,510 --> 00:22:33,679

show on newsmax

714

00:22:38,710 --> 00:22:35,520

and i said well i go i'm reversing my

715

00:22:40,390 --> 00:22:38,720

position the middle is dead

716

00:22:42,230 --> 00:22:40,400

the aspirations of our book are on hold

717

00:22:43,590 --> 00:22:42,240

till after january 20th

718

00:22:45,190 --> 00:22:43,600

so the first thing i have to say is you

719

00:22:47,029 --> 00:22:45,200

have to acknowledge reality right now

720

00:22:48,549 --> 00:22:47,039

you can't talk to the unconverted

721

00:22:50,470 --> 00:22:48,559

uh they're saying you know parlor was

722

00:22:51,990 --> 00:22:50,480

screaming into an echo chamber i'm like

723

00:22:52,950 --> 00:22:52,000

oh that's okay if the echo chamber is

724

00:22:54,470 --> 00:22:52,960

getting bigger

725

00:22:55,830 --> 00:22:54,480

and people are getting clearer you know

726

00:22:57,350 --> 00:22:55,840

because they didn't tie any of the

727

00:22:58,470 --> 00:22:57,360

violence that was projected back in the

728

00:22:59,590 --> 00:22:58,480

parlor on that by the way it was

729

00:23:02,950 --> 00:22:59,600

organized on facebook

730

00:23:05,190 --> 00:23:02,960

funny enough um what would i like to see

731

00:23:06,870 --> 00:23:05,200

you know uh i would like to see the

732

00:23:08,149 --> 00:23:06,880

following being the fact my best friend

733

00:23:10,230 --> 00:23:08,159

is a democratic

734

00:23:11,830 --> 00:23:10,240

socialist bernie kratt who's uh one of

735

00:23:12,950 --> 00:23:11,840

the delegates here and we have wonderful

736

00:23:15,350 --> 00:23:12,960

conversations

737

00:23:16,950 --> 00:23:15,360

i'd like to see people uh nestle into

738

00:23:18,710 --> 00:23:16,960

gratitude first i think that's a big

739

00:23:19,510 --> 00:23:18,720

perspective if you can get to gratitude

740

00:23:20,710 --> 00:23:19,520

in history

741

00:23:22,470 --> 00:23:20,720

like when you're connecting with

742

00:23:23,190 --> 00:23:22,480

somebody you have to say do you

743

00:23:25,830 --> 00:23:23,200

appreciate

744

00:23:27,350 --> 00:23:25,840

the life that you have the justice

745

00:23:28,870 --> 00:23:27,360

system that you have that supports the

746

00:23:31,430 --> 00:23:28,880

free markets to allow us

747

00:23:33,350 --> 00:23:31,440

this amount of prosperity here do you

748

00:23:35,029 --> 00:23:33,360

appreciate the free speech that you can

749

00:23:36,070 --> 00:23:35,039

actually have hate speech and even

750

00:23:38,549 --> 00:23:36,080

challenge censorship

751

00:23:40,789 --> 00:23:38,559

do you appreciate the dominant

752

00:23:42,390 --> 00:23:40,799

geographical superiority that america

753

00:23:43,990 --> 00:23:42,400

has just by the nature of where we're

754

00:23:46,230 --> 00:23:44,000

located in relationship to the world

755

00:23:48,630 --> 00:23:46,240

and how strong our military is 13 times

756

00:23:51,510 --> 00:23:48,640

long larger than people what that costs

757

00:23:51,909 --> 00:23:51,520

so if somebody's somebody knows enough

758

00:23:54,149 --> 00:23:51,919

to

759

00:23:55,669 --> 00:23:54,159

be in some sense of gratitude there's a

760

00:23:57,190 --> 00:23:55,679

context that's my big

761

00:23:59,110 --> 00:23:57,200

deal you know i throw people out they

762

00:24:00,390 --> 00:23:59,120

just hate america i'm not here i'm not

763

00:24:02,390 --> 00:24:00,400

you know they i called the years of

764

00:24:03,669 --> 00:24:02,400

obama the amerishame years

765

00:24:05,909 --> 00:24:03,679

because whenever you would speak at the

766

00:24:08,470 --> 00:24:05,919

u.n or this is definitely part of

767

00:24:09,909 --> 00:24:08,480

writing this book he would just destroy

768

00:24:11,830 --> 00:24:09,919

every fundamental thing that we had as

769

00:24:12,789 --> 00:24:11,840

proud and trump would say make america

770

00:24:14,789 --> 00:24:12,799

great again

771

00:24:16,390 --> 00:24:14,799

so that challenged a lot of people so if

772

00:24:19,190 --> 00:24:16,400

somebody has enough

773

00:24:21,029 --> 00:24:19,200

self-awareness to to be aware how free

774

00:24:22,470 --> 00:24:21,039

we are then there's a context to happen

775

00:24:24,070 --> 00:24:22,480

so that's the first thing i'd like to

776

00:24:26,070 --> 00:24:24,080

to nail down is identifying that

777

00:24:28,310 --> 00:24:26,080

gratitude and the second is are they

778

00:24:30,390 --> 00:24:28,320

connected outside of emotion

779

00:24:31,510 --> 00:24:30,400

to having a discussion if they are then

780

00:24:34,149 --> 00:24:31,520

you know engage

781

00:24:36,070 --> 00:24:34,159

i i want more people to to substantiate

782

00:24:37,190 --> 00:24:36,080

but the problem is i find this in 75

783

00:24:39,269 --> 00:24:37,200

percent of people left

784

00:24:40,310 --> 00:24:39,279

they jump to convict just like the

785

00:24:42,070 --> 00:24:40,320

impeachment

786

00:24:43,990 --> 00:24:42,080

before they even hear the rational

787

00:24:45,350 --> 00:24:44,000

discussion you know and i'm willing i'm

788

00:24:45,990 --> 00:24:45,360

like give me your point of view let's

789

00:24:47,269 --> 00:24:46,000

hear it and then

790

00:24:48,950 --> 00:24:47,279

you know if you know your faction you

791

00:24:49,750 --> 00:24:48,960

can debunk it and that i can tell you

792

00:24:51,350 --> 00:24:49,760

once again

793

00:24:53,590 --> 00:24:51,360

that's what our book is about is just

794

00:24:55,510 --> 00:24:53,600

making sure that you have

795

00:24:57,350 --> 00:24:55,520

the entire arsenal clear and i'll stand

796

00:24:59,669 --> 00:24:57,360

by this we we we took a

797

00:25:01,510 --> 00:24:59,679

we had the millennial institute we had

798

00:25:03,029 --> 00:25:01,520

another company i sent it out and i paid

799

00:25:05,909 --> 00:25:03,039

people to vet our logic

800

00:25:08,789 --> 00:25:05,919

our logic and our facts but how do you

801  
00:25:11,909 --> 00:25:08,799  
get someone who doesn't agree

802  
00:25:12,549 --> 00:25:11,919  
with that with that side to even read

803  
00:25:15,830 --> 00:25:12,559  
this book

804  
00:25:19,110 --> 00:25:15,840  
or is that not really the goal you know

805  
00:25:20,310 --> 00:25:19,120  
we marketing i chose this title because

806  
00:25:21,909 --> 00:25:20,320  
i was kind of discussed through the

807  
00:25:24,549 --> 00:25:21,919  
moral relatives of the show

808  
00:25:25,750 --> 00:25:24,559  
13 reasons why for you know i've young i

809  
00:25:27,269 --> 00:25:25,760  
have young

810  
00:25:28,789 --> 00:25:27,279  
daughters and i'm like uh okay let's

811  
00:25:30,710 --> 00:25:28,799  
glamorize suicide

812  
00:25:32,390 --> 00:25:30,720  
when kurt cobain did it in the united

813  
00:25:33,830 --> 00:25:32,400

states of america suicide went up in a

814

00:25:34,870 --> 00:25:33,840

certain sect so we have to be really

815

00:25:37,350 --> 00:25:34,880

careful playing with that

816

00:25:37,990 --> 00:25:37,360

so i grabbed the title because i'm a

817

00:25:42,070 --> 00:25:38,000

moral

818

00:25:44,950 --> 00:25:42,080

traditionalist repressive kind of guy

819

00:25:46,310 --> 00:25:44,960

um i just lost my point of my thought

820

00:25:50,230 --> 00:25:46,320

what was the question again

821

00:25:51,830 --> 00:25:50,240

uh well getting was it your hope or

822

00:25:53,029 --> 00:25:51,840

intent that liberals would read this

823

00:25:54,950 --> 00:25:53,039

book thank you thank you that that's my

824

00:25:56,149 --> 00:25:54,960

point so i got into this book thinking

825

00:25:57,909 --> 00:25:56,159

i get a little emotional about it

826  
00:25:59,350 --> 00:25:57,919  
because my kids and what's going on in

827  
00:26:02,390 --> 00:25:59,360  
there in their culture

828  
00:26:03,830 --> 00:26:02,400  
um you know we wrote a bombastic title

829  
00:26:05,190 --> 00:26:03,840  
uh i you know we could have done

830  
00:26:05,990 --> 00:26:05,200  
something else and that's what that's

831  
00:26:09,029 --> 00:26:06,000  
the publishers

832  
00:26:10,230 --> 00:26:09,039  
charge chose um

833  
00:26:11,990 --> 00:26:10,240  
you know i would love to see

834  
00:26:14,070 --> 00:26:12,000  
independents read it and say you know

835  
00:26:16,070 --> 00:26:14,080  
look understand what your conservatives

836  
00:26:17,750 --> 00:26:16,080  
want to uh want you to understand about

837  
00:26:19,350 --> 00:26:17,760  
them so you could have a real discussion

838  
00:26:20,870 --> 00:26:19,360

i mean i think more we wrote it

839

00:26:23,750 --> 00:26:20,880

kind of to influence the election and to

840

00:26:26,070 --> 00:26:23,760

validate what's working but chapter 13

841

00:26:27,750 --> 00:26:26,080

is trump but this is a timeless

842

00:26:29,110 --> 00:26:27,760

compendium of true facts that should

843

00:26:30,549 --> 00:26:29,120

sustain for years i look forward to

844

00:26:33,190 --> 00:26:30,559

rewriting it

845

00:26:34,470 --> 00:26:33,200

uh can i get it across to them i can get

846

00:26:37,430 --> 00:26:34,480

it to the middle

847

00:26:39,269 --> 00:26:37,440

um it's hard to get to the left james

848

00:26:40,630 --> 00:26:39,279

it's just hard to get to the left right

849

00:26:42,070 --> 00:26:40,640

now i i don't know

850

00:26:43,990 --> 00:26:42,080

that's the question and that's what our

851

00:26:46,549 --> 00:26:44,000

next book is going to be about is

852

00:26:48,470 --> 00:26:46,559

what is the you know how do you navigate

853

00:26:49,430 --> 00:26:48,480

the next four years if we go into some

854

00:26:51,510 --> 00:26:49,440

radical

855

00:26:53,510 --> 00:26:51,520

more socialistic left policies what can

856

00:26:55,269 --> 00:26:53,520

we do when the dems control

857

00:26:56,630 --> 00:26:55,279

every angle of government how do we do

858

00:26:58,549 --> 00:26:56,640

it with dignity

859

00:27:00,470 --> 00:26:58,559

so i have a friend who's in the process

860

00:27:01,669 --> 00:27:00,480

of starting a new media outlet right now

861

00:27:03,909 --> 00:27:01,679

and he's got some pretty good

862

00:27:05,029 --> 00:27:03,919

money behind it so it's it's got a

863

00:27:06,630 --> 00:27:05,039

legitimate chance hasn't

864

00:27:08,870 --> 00:27:06,640

launched yet and i won't mention the

865

00:27:12,230 --> 00:27:08,880

name but the idea

866

00:27:12,630 --> 00:27:12,240

is to get both sides talking to each

867

00:27:15,110 --> 00:27:12,640

other

868

00:27:16,630 --> 00:27:15,120

and not just talking about day-to-day

869

00:27:18,789 --> 00:27:16,640

news but basically you know the

870

00:27:21,029 --> 00:27:18,799

historical background of things and

871

00:27:22,149 --> 00:27:21,039

you know a deeper dive into the big

872

00:27:25,269 --> 00:27:22,159

controversial

873

00:27:27,350 --> 00:27:25,279

subjects but the whole concept is

874

00:27:29,510 --> 00:27:27,360

i don't you know he they would measure

875

00:27:30,389 --> 00:27:29,520

success by getting people on both sides

876

00:27:34,470 --> 00:27:30,399

coming to this

877

00:27:36,389 --> 00:27:34,480

media outlet do you think in today's

878

00:27:38,470 --> 00:27:36,399

environment that that has any chance of

879

00:27:40,630 --> 00:27:38,480

success

880

00:27:42,230 --> 00:27:40,640

it's an interesting question yeah i mean

881

00:27:45,350 --> 00:27:42,240

one of it just to finish

882

00:27:47,669 --> 00:27:45,360

one of his premises is that you know

883

00:27:49,830 --> 00:27:47,679

people agree when it comes right down to

884

00:27:52,389 --> 00:27:49,840

it on more things that they disagree

885

00:27:54,310 --> 00:27:52,399

about so we you know we're the media

886

00:27:56,149 --> 00:27:54,320

sticking us in these separate camps

887

00:27:57,830 --> 00:27:56,159

but if we really sat down and talked and

888

00:27:58,789 --> 00:27:57,840

really to talk things through there

889

00:28:00,950 --> 00:27:58,799

would be more agreement than

890

00:28:02,389 --> 00:28:00,960

disagreement

891

00:28:04,789 --> 00:28:02,399

you know i mean i appreciate it on a

892

00:28:06,230 --> 00:28:04,799

media level uh as far as

893

00:28:07,830 --> 00:28:06,240

you know getting back to some neutrality

894

00:28:09,669 --> 00:28:07,840

and media that'd be great i think that

895

00:28:11,029 --> 00:28:09,679

could succeed a right left and center

896

00:28:13,110 --> 00:28:11,039

i've always talked about that it'd be

897

00:28:13,430 --> 00:28:13,120

great to have the news from two views

898

00:28:15,190 --> 00:28:13,440

right

899

00:28:17,110 --> 00:28:15,200

and just have somebody say the news

900

00:28:17,990 --> 00:28:17,120

today they're not like and we see it as

901  
00:28:20,870 --> 00:28:18,000  
you know and

902  
00:28:22,630 --> 00:28:20,880  
moving on you know uh our interpreter

903  
00:28:23,510 --> 00:28:22,640  
will interpret i think that's a great

904  
00:28:27,190 --> 00:28:23,520  
concept

905  
00:28:27,990 --> 00:28:27,200  
um i miss uh the neutrality of news and

906  
00:28:29,430 --> 00:28:28,000  
i really

907  
00:28:31,269 --> 00:28:29,440  
tried to look for it i read across the

908  
00:28:32,870 --> 00:28:31,279  
spectrum and unfortunately it takes up a

909  
00:28:34,950 --> 00:28:32,880  
lot of your time i mean you know and you

910  
00:28:35,830 --> 00:28:34,960  
dynamia in greek philosophy of full

911  
00:28:37,909 --> 00:28:35,840  
prospering

912  
00:28:39,350 --> 00:28:37,919  
we've got too much energy in politics as

913  
00:28:40,149 --> 00:28:39,360

my dad said one of the reasons i wrote

914

00:28:42,470 --> 00:28:40,159

the book is

915

00:28:43,990 --> 00:28:42,480

if if the government's working well you

916

00:28:45,190 --> 00:28:44,000

shouldn't hear about it that much that's

917

00:28:46,310 --> 00:28:45,200

what he said i was like you should be

918

00:28:47,510 --> 00:28:46,320

back in the background while you're

919

00:28:48,950 --> 00:28:47,520

living your life it's not in the

920

00:28:51,590 --> 00:28:48,960

background anymore

921

00:28:53,190 --> 00:28:51,600

yeah well it's become an inexpensive

922

00:28:55,750 --> 00:28:53,200

form of entertainment

923

00:28:58,710 --> 00:28:55,760

you know i mean these news channels fox

924

00:28:59,510 --> 00:28:58,720

cnn msnbc i mean they're doing extremely

925

00:29:01,430 --> 00:28:59,520

well

926

00:29:03,110 --> 00:29:01,440

and when you think about their cost

927

00:29:04,549 --> 00:29:03,120

their cost is no you and i were talking

928

00:29:05,909 --> 00:29:04,559

at the outset about how

929

00:29:07,590 --> 00:29:05,919

you know they don't pay anything for

930

00:29:09,190 --> 00:29:07,600

commentary and so on so

931

00:29:11,430 --> 00:29:09,200

they've got a handful of people they got

932

00:29:12,549 --> 00:29:11,440

to pay a good chunk of money to

933

00:29:14,310 --> 00:29:12,559

uh but they don't have foreign

934

00:29:15,669 --> 00:29:14,320

correspondents you know traipsing around

935

00:29:17,990 --> 00:29:15,679

the middle east to pay for

936

00:29:19,350 --> 00:29:18,000

they've got talking heads uh not even

937

00:29:21,430 --> 00:29:19,360

sitting in a studio anymore

938

00:29:23,110 --> 00:29:21,440

because of covid they're all they're all

939

00:29:28,149 --> 00:29:23,120

on zoom sitting at home

940

00:29:30,470 --> 00:29:28,159

so it's very cheap and and people watch

941

00:29:31,510 --> 00:29:30,480

yeah no they do they definitely do but i

942

00:29:32,710 --> 00:29:31,520

want to go back to your question i was

943

00:29:33,510 --> 00:29:32,720

just thinking about the essence that

944

00:29:35,029 --> 00:29:33,520

look

945

00:29:36,630 --> 00:29:35,039

i need people to know that the

946

00:29:39,029 --> 00:29:36,640

government programs fail

947

00:29:40,630 --> 00:29:39,039

big government fails they're you know

948

00:29:42,389 --> 00:29:40,640

they're they're they

949

00:29:44,070 --> 00:29:42,399

they've been countless interventionists

950

00:29:45,669 --> 00:29:44,080

catastrophic government mistakes that

951  
00:29:46,950 --> 00:29:45,679  
have destroyed lives and spread misery

952  
00:29:48,950 --> 00:29:46,960  
in the united states of america

953  
00:29:50,470 --> 00:29:48,960  
i need people that i talk to to

954  
00:29:52,549 --> 00:29:50,480  
understand the same principles

955  
00:29:53,990 --> 00:29:52,559  
i'm not going to sit down and i mean big

956  
00:29:55,909 --> 00:29:54,000  
government exists big free markets

957  
00:29:58,710 --> 00:29:55,919  
exist but everything that we do go back

958  
00:30:01,549 --> 00:29:58,720  
to fdr's great depression

959  
00:30:02,870 --> 00:30:01,559  
we struck 75 percent of his stuff uh

960  
00:30:04,950 --> 00:30:02,880  
unconstitutional

961  
00:30:05,909 --> 00:30:04,960  
uh only the war pulled us out of there

962  
00:30:08,149 --> 00:30:05,919  
72 percent

963  
00:30:09,590 --> 00:30:08,159

illegitimacy rates came when we put in

964

00:30:11,830 --> 00:30:09,600

the war in poverty

965

00:30:13,350 --> 00:30:11,840

the trying to make housing fair fair

966

00:30:16,870 --> 00:30:13,360

destroyed our economy

967

00:30:18,950 --> 00:30:16,880

solyndra failed um obama said you know

968

00:30:19,590 --> 00:30:18,960

shovel ready wasn't as shovel ready as

969

00:30:22,710 --> 00:30:19,600

we thought

970

00:30:24,310 --> 00:30:22,720

there's there's just right now

971

00:30:26,310 --> 00:30:24,320

i i appreciate that people want to get

972

00:30:27,669 --> 00:30:26,320

to the middle but big government doesn't

973

00:30:29,029 --> 00:30:27,679

work

974

00:30:30,630 --> 00:30:29,039

but what do you what do you think about

975

00:30:31,909 --> 00:30:30,640

california's 100 billion dollar bullet

976

00:30:35,029 --> 00:30:31,919

train isn't that a

977

00:30:36,789 --> 00:30:35,039

example of uh kyle comfort look man

978

00:30:38,149 --> 00:30:36,799

i surf i just want to go on the record

979

00:30:39,669 --> 00:30:38,159

the only reason i'm in california is

980

00:30:41,669 --> 00:30:39,679

because i've been here for so long i was

981

00:30:42,549 --> 00:30:41,679

a young actor here back in the 80s with

982

00:30:44,070 --> 00:30:42,559

her 90s

983

00:30:46,070 --> 00:30:44,080

and i'm here because i have a great

984

00:30:47,830 --> 00:30:46,080

community and i love the water

985

00:30:49,990 --> 00:30:47,840

but i don't even want to pay my taxes

986

00:30:51,510 --> 00:30:50,000

man i mean i i feel like i'm getting

987

00:30:53,990 --> 00:30:51,520

ripped off because they're mismanaged

988

00:30:56,789 --> 00:30:54,000

i'm surrounded by homeless in west l.a

989

00:30:58,470 --> 00:30:56,799

i'm surrounded by crime there is

990

00:30:59,830 --> 00:30:58,480

functionally there is a functional

991

00:31:02,149 --> 00:30:59,840

meltdown of our

992

00:31:03,669 --> 00:31:02,159

california management and i all i see is

993

00:31:06,070 --> 00:31:03,679

garcetti and newsome just

994

00:31:08,549 --> 00:31:06,080

pandering to the presidency i don't see

995

00:31:11,029 --> 00:31:08,559

them concerned with the day-to-day uh

996

00:31:12,950 --> 00:31:11,039

solidity of our economy whatsoever no

997

00:31:14,870 --> 00:31:12,960

and they have a monopoly on power in

998

00:31:16,230 --> 00:31:14,880

california you know i don't know if

999

00:31:17,669 --> 00:31:16,240

all of our listeners know this because

1000

00:31:21,190 --> 00:31:17,679

they're across the country but you know

1001

00:31:24,070 --> 00:31:21,200

our legislature is 75 percent or more

1002

00:31:24,870 --> 00:31:24,080

uh democrats every single statewide seat

1003

00:31:28,230 --> 00:31:24,880

is held by

1004

00:31:29,990 --> 00:31:28,240

a democrat los angeles every i think

1005

00:31:31,430 --> 00:31:30,000

maybe there's one moderate or

1006

00:31:34,710 --> 00:31:31,440

conservative council

1007

00:31:37,430 --> 00:31:34,720

member out of 14 or 15. so it's just an

1008

00:31:37,750 --> 00:31:37,440

absolute total monopoly on power the

1009

00:31:39,269 --> 00:31:37,760

whole

1010

00:31:41,110 --> 00:31:39,279

idea that you know it's checks and

1011

00:31:43,190 --> 00:31:41,120

balances and you know think about

1012

00:31:44,789 --> 00:31:43,200

washington washington's constantly going

1013

00:31:46,470 --> 00:31:44,799

back and forth back and forth between

1014

00:31:50,230 --> 00:31:46,480

republicans holding democrats

1015

00:31:51,669 --> 00:31:50,240

california is long gone and um

1016

00:31:53,830 --> 00:31:51,679

you know i don't know how it reverses

1017

00:31:55,430 --> 00:31:53,840

itself i agree with you though it's it's

1018

00:31:58,630 --> 00:31:55,440

such a beautiful

1019

00:31:59,990 --> 00:31:58,640

place that they're gonna have to really

1020

00:32:02,630 --> 00:32:00,000

really screw it up even

1021

00:32:04,470 --> 00:32:02,640

more than they have to get me to leave

1022

00:32:05,750 --> 00:32:04,480

yeah i mean it's hard too right you get

1023

00:32:07,509 --> 00:32:05,760

to a certain age in your life you don't

1024

00:32:09,190 --> 00:32:07,519

want to reconstruct your whole

1025

00:32:11,509 --> 00:32:09,200

reconstruct your entire community based

1026

00:32:13,110 --> 00:32:11,519

on politics look i love politics

1027

00:32:15,029 --> 00:32:13,120

but politics are temporal i believe in

1028

00:32:16,710 --> 00:32:15,039

god i believe in individual liberty i

1029

00:32:17,509 --> 00:32:16,720

believe in nature i believe in my family

1030

00:32:19,190 --> 00:32:17,519

i believe in my

1031

00:32:20,950 --> 00:32:19,200

friends i'm serious man just build my

1032

00:32:23,430 --> 00:32:20,960

roads protect my country

1033

00:32:24,389 --> 00:32:23,440

you know uh keep a basic level of safety

1034

00:32:26,870 --> 00:32:24,399

in industry

1035

00:32:28,549 --> 00:32:26,880

break up big big big monopolies like

1036

00:32:31,190 --> 00:32:28,559

like like what's happening with uh

1037

00:32:31,590 --> 00:32:31,200

amazon and parlor and every everything

1038

00:32:33,029 --> 00:32:31,600

that's

1039

00:32:35,269 --> 00:32:33,039

happening with apple and google it's

1040

00:32:37,509 --> 00:32:35,279

getting out of control you know create

1041

00:32:39,750 --> 00:32:37,519

an element of safety so i can prosper

1042

00:32:41,430 --> 00:32:39,760

and california is complete it's the

1043

00:32:42,470 --> 00:32:41,440

field state it's like oh i feel we

1044

00:32:43,590 --> 00:32:42,480

should change something

1045

00:32:45,830 --> 00:32:43,600

and suddenly people are on the streets

1046

00:32:47,029 --> 00:32:45,840

we have a feeling you're like i don't

1047

00:32:48,070 --> 00:32:47,039

care about your feeling man i have a

1048

00:32:50,710 --> 00:32:48,080

constitution

1049

00:32:52,789 --> 00:32:50,720

this place is really distorted but i

1050

00:32:55,750 --> 00:32:52,799

have to say this i have to say this

1051  
00:32:56,310 --> 00:32:55,760  
liberals are beautiful now why because

1052  
00:32:58,710 --> 00:32:56,320  
they

1053  
00:33:00,630 --> 00:32:58,720  
let's let's let's have great education

1054  
00:33:01,110 --> 00:33:00,640  
let's save the planet let's make the

1055  
00:33:04,470 --> 00:33:01,120  
world

1056  
00:33:05,190 --> 00:33:04,480  
uh a p let's all have peace and uh you

1057  
00:33:07,029 --> 00:33:05,200  
know let's

1058  
00:33:08,310 --> 00:33:07,039  
make everything fair what they

1059  
00:33:10,710 --> 00:33:08,320  
essentially want

1060  
00:33:11,990 --> 00:33:10,720  
is great it's just conservatives are the

1061  
00:33:14,070 --> 00:33:12,000  
adults in the room

1062  
00:33:15,190 --> 00:33:14,080  
because we look at the the fiscal

1063  
00:33:17,430 --> 00:33:15,200

realities and the

1064

00:33:18,950 --> 00:33:17,440

executionary realities of the world the

1065

00:33:21,590 --> 00:33:18,960

world is a broken

1066

00:33:23,029 --> 00:33:21,600

scary place with a lot of evil forces we

1067

00:33:24,710 --> 00:33:23,039

have a very lucky thing here we have to

1068

00:33:26,230 --> 00:33:24,720

preserve it so

1069

00:33:27,430 --> 00:33:26,240

you know it's hard to sit in that place

1070

00:33:29,269 --> 00:33:27,440

of rationalism i'm not going to leave

1071

00:33:32,789 --> 00:33:29,279

california because it's being overrun by

1072

00:33:34,549 --> 00:33:32,799

by you know this this socialism yeah

1073

00:33:36,789 --> 00:33:34,559

so um this is going to be our

1074

00:33:37,590 --> 00:33:36,799

inauguration episode so let's talk a

1075

00:33:41,110 --> 00:33:37,600

little bit about

1076  
00:33:44,549 --> 00:33:41,120  
the transition that's that's coming and

1077  
00:33:46,549 --> 00:33:44,559  
and how we we move potentially past

1078  
00:33:48,310 --> 00:33:46,559  
trump i want to get your thoughts um on

1079  
00:33:49,269 --> 00:33:48,320  
that but let's start with the fact that

1080  
00:33:52,310 --> 00:33:49,279  
trump is not

1081  
00:33:53,509 --> 00:33:52,320  
going to attend the inauguration what do

1082  
00:33:55,909 --> 00:33:53,519  
you think about that

1083  
00:33:56,870 --> 00:33:55,919  
well i mean he's like hey man fi i think

1084  
00:33:59,590 --> 00:33:56,880  
it's pretty easy if you

1085  
00:34:00,149 --> 00:33:59,600  
if you look at the fisa fbi d-class

1086  
00:34:01,830 --> 00:34:00,159  
which is

1087  
00:34:03,669 --> 00:34:01,840  
very interesting if people are paying

1088  
00:34:05,590 --> 00:34:03,679

attention we covered that again and

1089

00:34:08,069 --> 00:34:05,600

again in our show bullet points

1090

00:34:09,270 --> 00:34:08,079

um look it said there was spying because

1091

00:34:10,310 --> 00:34:09,280

they tried to put somebody in the trump

1092

00:34:13,589 --> 00:34:10,320

administration

1093

00:34:15,589 --> 00:34:13,599

uh there were multiple reclassifications

1094

00:34:17,030 --> 00:34:15,599

where obama and biden hid the fact that

1095

00:34:19,669 --> 00:34:17,040

they had no evidence

1096

00:34:21,750 --> 00:34:19,679

they tried to do they tried to justify

1097

00:34:23,750 --> 00:34:21,760

the the steele dossier it was denied

1098

00:34:25,030 --> 00:34:23,760

i mean there are 17 gross errors they

1099

00:34:25,750 --> 00:34:25,040

said they didn't know the sources they

1100

00:34:28,950 --> 00:34:25,760

made it up

1101

00:34:31,190 --> 00:34:28,960

that d-class is serious so

1102

00:34:32,629 --> 00:34:31,200

trump's being asked hey this guy

1103

00:34:35,270 --> 00:34:32,639

attacked you the whole time

1104

00:34:35,750 --> 00:34:35,280

and ran a coup against your presidency

1105

00:34:37,270 --> 00:34:35,760

once you

1106

00:34:38,629 --> 00:34:37,280

show up and celebrate the fact that he's

1107

00:34:39,349 --> 00:34:38,639

in the office the guy was attacked the

1108

00:34:40,950 --> 00:34:39,359

whole time

1109

00:34:43,829 --> 00:34:40,960

if anything i think it's a statement of

1110

00:34:45,909 --> 00:34:43,839

dignity to not attend

1111

00:34:46,950 --> 00:34:45,919

so for a guy who wants to help heal the

1112

00:34:48,470 --> 00:34:46,960

divide

1113

00:34:50,790 --> 00:34:48,480

you think being the first president in

1114

00:34:53,190 --> 00:34:50,800

150 years to not

1115

00:34:54,310 --> 00:34:53,200

attend the next guy's inauguration is

1116

00:34:56,149 --> 00:34:54,320

okay

1117

00:34:58,630 --> 00:34:56,159

well i mean that that's a great that's a

1118

00:34:59,990 --> 00:34:58,640

great that's the liberal trap

1119

00:35:01,190 --> 00:35:00,000

i get what you're saying i'm not saying

1120

00:35:02,870 --> 00:35:01,200

you're presenting it but that's the

1121

00:35:03,430 --> 00:35:02,880

liberal traps like hey there was some

1122

00:35:05,990 --> 00:35:03,440

real

1123

00:35:07,829 --> 00:35:06,000

bad action electoral college challenge

1124

00:35:11,510 --> 00:35:07,839

25th amendment challenge

1125

00:35:12,630 --> 00:35:11,520

uh impeachment twice uh the uh rush of

1126

00:35:14,069 --> 00:35:12,640

the mueller report

1127

00:35:16,550 --> 00:35:14,079

and then now the mall reports turn out

1128

00:35:18,230 --> 00:35:16,560

to be valid so look

1129

00:35:20,230 --> 00:35:18,240

it's hard i mean keep your enemies close

1130

00:35:21,349 --> 00:35:20,240

and yeah your friends close your enemy's

1131

00:35:22,710 --> 00:35:21,359

closer but

1132

00:35:24,630 --> 00:35:22,720

you know i don't know what trump's

1133

00:35:25,990 --> 00:35:24,640

greater long-term plan is i mean maybe

1134

00:35:28,790 --> 00:35:26,000

he's trying to

1135

00:35:30,630 --> 00:35:28,800

be a voice for a new movement we'll find

1136

00:35:31,990 --> 00:35:30,640

out but uh i kind of i kind of

1137

00:35:33,270 --> 00:35:32,000

understand this because i understand

1138

00:35:35,430 --> 00:35:33,280

what he's gone through i think

1139

00:35:37,270 --> 00:35:35,440

the left has acted horribly and what

1140

00:35:39,349 --> 00:35:37,280

they want us to do is like ah it's okay

1141

00:35:41,430 --> 00:35:39,359

let's keep moving everything's fine now

1142

00:35:41,750 --> 00:35:41,440

yeah well you know look i i'm with you

1143

00:35:46,390 --> 00:35:41,760

on

1144

00:35:49,910 --> 00:35:46,400

both sides acknowledging

1145

00:35:51,750 --> 00:35:49,920

where they go wrong and so on and um

1146

00:35:53,030 --> 00:35:51,760

you know when it comes to trump's role

1147

00:35:55,109 --> 00:35:53,040

in all this

1148

00:35:56,390 --> 00:35:55,119

as i've already stated in no way do i

1149

00:35:59,589 --> 00:35:56,400

think that it merits

1150

00:36:01,510 --> 00:35:59,599

impeachment but statements

1151  
00:36:03,829 --> 00:36:01,520  
like this that he was making again and

1152  
00:36:06,390 --> 00:36:03,839  
again in during the campaign

1153  
00:36:08,550 --> 00:36:06,400  
the only way we lose this election if it

1154  
00:36:11,349 --> 00:36:08,560  
is if it's rigged

1155  
00:36:11,990 --> 00:36:11,359  
now that's a pretty absurd statement

1156  
00:36:13,910 --> 00:36:12,000  
trump makes a lot

1157  
00:36:15,990 --> 00:36:13,920  
of absurd statements and so yeah you

1158  
00:36:18,390 --> 00:36:16,000  
know you you just kind of

1159  
00:36:20,150 --> 00:36:18,400  
roll off your back but to continually

1160  
00:36:21,910 --> 00:36:20,160  
rile people up in that way to say that

1161  
00:36:25,270 --> 00:36:21,920  
if we lose it had to have been

1162  
00:36:26,790 --> 00:36:25,280  
rigged i don't think that's right i know

1163  
00:36:28,710 --> 00:36:26,800

a lot of conservatives are standing

1164

00:36:31,030 --> 00:36:28,720

right now and i appreciate that

1165

00:36:33,670 --> 00:36:31,040

but if we'll remember florida was lost

1166

00:36:35,349 --> 00:36:33,680

by 538 votes

1167

00:36:37,349 --> 00:36:35,359

you know i mean just if you look at the

1168

00:36:40,870 --> 00:36:37,359

specific numbers on the mass just

1169

00:36:42,710 --> 00:36:40,880

look uh right but point point being what

1170

00:36:44,310 --> 00:36:42,720

mark levin just came out and said there

1171

00:36:47,109 --> 00:36:44,320

were violations how they managed the

1172

00:36:49,190 --> 00:36:47,119

the constant just yet yesterday there

1173

00:36:50,870 --> 00:36:49,200

were still violations on four states on

1174

00:36:51,910 --> 00:36:50,880

how they managed deadlines on mail-in

1175

00:36:53,670 --> 00:36:51,920

ballots

1176

00:36:56,150 --> 00:36:53,680

i mean we actually had margins in

1177

00:36:56,390 --> 00:36:56,160

multiple states the supreme court failed

1178

00:36:59,910 --> 00:36:56,400

us

1179

00:37:01,349 --> 00:36:59,920

go into a rational inquiry i was like oh

1180

00:37:02,069 --> 00:37:01,359

that's this case in this case in this

1181

00:37:03,190 --> 00:37:02,079

case

1182

00:37:04,150 --> 00:37:03,200

they could have made the choice to hear

1183

00:37:05,589 --> 00:37:04,160

a case they could have brought it they

1184

00:37:06,069 --> 00:37:05,599

could have kept us out of this violence

1185

00:37:07,670 --> 00:37:06,079

so

1186

00:37:09,270 --> 00:37:07,680

i don't think trump acted poorly and i

1187

00:37:11,750 --> 00:37:09,280

think they're look i was in

1188

00:37:13,510 --> 00:37:11,760

i was door knocking for romney and uh in

1189

00:37:16,069 --> 00:37:13,520

the last election uh prior

1190

00:37:17,829 --> 00:37:16,079

and uh you know i saw buses of people

1191

00:37:20,710 --> 00:37:17,839

pull up in ohio

1192

00:37:22,470 --> 00:37:20,720

uh a lot of people of ethnicity paid for

1193

00:37:23,349 --> 00:37:22,480

by other people i saw them going to vote

1194

00:37:25,670 --> 00:37:23,359

twice

1195

00:37:27,270 --> 00:37:25,680

i mean there's def there's always fraud

1196

00:37:29,109 --> 00:37:27,280

it's just a matter was there enough

1197

00:37:30,950 --> 00:37:29,119

all we needed was a fair place to to

1198

00:37:33,109 --> 00:37:30,960

hear it out but people are too scared

1199

00:37:34,310 --> 00:37:33,119

america went for stability instead of

1200

00:37:35,829 --> 00:37:34,320

justice

1201

00:37:37,829 --> 00:37:35,839

you know which i get it look we didn't

1202

00:37:40,069 --> 00:37:37,839

bail out bear stearns we didn't

1203

00:37:41,030 --> 00:37:40,079

bail out lehman we bared out goldman

1204

00:37:42,630 --> 00:37:41,040

sachs

1205

00:37:43,829 --> 00:37:42,640

so i still think there was some bad eye

1206

00:37:45,190 --> 00:37:43,839

i'm not going to go down the route there

1207

00:37:46,390 --> 00:37:45,200

wasn't fraud i'll go down the route that

1208

00:37:48,069 --> 00:37:46,400

they didn't give us the audience at

1209

00:37:49,190 --> 00:37:48,079

least to eliminate the possibility to

1210

00:37:52,950 --> 00:37:49,200

unify us

1211

00:37:55,190 --> 00:37:52,960

so while i i mean yeah look i'm i'm

1212

00:37:56,230 --> 00:37:55,200

obviously with you and you'd have to be

1213

00:37:58,069 --> 00:37:56,240

dumb

1214

00:38:00,069 --> 00:37:58,079

not to be with you to say that there was

1215

00:38:01,190 --> 00:38:00,079

some fraud obviously there was some

1216

00:38:03,510 --> 00:38:01,200

level of fraud right

1217

00:38:05,109 --> 00:38:03,520

whether it's one vote or a thousand

1218

00:38:06,790 --> 00:38:05,119

votes or a million votes

1219

00:38:09,589 --> 00:38:06,800

we know that there's always some level

1220

00:38:13,750 --> 00:38:09,599

of fraud but it's incumbent on

1221

00:38:15,589 --> 00:38:13,760

the person who is a alleging fraud

1222

00:38:17,349 --> 00:38:15,599

to prove it and unfortunately the way

1223

00:38:19,510 --> 00:38:17,359

the system is there's very limited time

1224

00:38:21,430 --> 00:38:19,520

to do that if you think about

1225

00:38:23,829 --> 00:38:21,440

november 6th or whatever it is and

1226  
00:38:25,910 --> 00:38:23,839  
you've got two months to get it all done

1227  
00:38:27,990 --> 00:38:25,920  
that's very very difficult and it's

1228  
00:38:28,630 --> 00:38:28,000  
never been really done before so it's an

1229  
00:38:30,069 --> 00:38:28,640  
uphill

1230  
00:38:32,630 --> 00:38:30,079  
battle so i don't know about i mean

1231  
00:38:35,990 --> 00:38:32,640  
clearly media tried to suppress

1232  
00:38:37,270 --> 00:38:36,000  
any claim that there was fraud uh so you

1233  
00:38:39,349 --> 00:38:37,280  
clearly had that

1234  
00:38:40,470 --> 00:38:39,359  
but you know you had the court system

1235  
00:38:41,510 --> 00:38:40,480  
you had the supreme court you've got a

1236  
00:38:44,390 --> 00:38:41,520  
supreme court that's

1237  
00:38:46,550 --> 00:38:44,400  
that's mostly conservatives right now so

1238  
00:38:48,230 --> 00:38:46,560

and they weren't able to do it so

1239

00:38:50,069 --> 00:38:48,240

i mean on top of this let's throw in the

1240

00:38:53,030 --> 00:38:50,079

biden situation media

1241

00:38:53,910 --> 00:38:53,040

big tech genuinely suppressed there was

1242

00:38:56,390 --> 00:38:53,920

a huge

1243

00:38:57,349 --> 00:38:56,400

outpouring of people left and right that

1244

00:38:59,109 --> 00:38:57,359

said we might have

1245

00:39:01,190 --> 00:38:59,119

to the left that we might have changed

1246

00:39:04,470 --> 00:39:01,200

our vote if the if the laptop

1247

00:39:06,870 --> 00:39:04,480

information had just not run in the the

1248

00:39:08,870 --> 00:39:06,880

realm of freedom of speech because if

1249

00:39:10,870 --> 00:39:08,880

you look at the presidential act of 2018

1250

00:39:12,550 --> 00:39:10,880

you can't have any in a relationship

1251

00:39:13,109 --> 00:39:12,560

with a foreign company now what happens

1252

00:39:14,630 --> 00:39:13,119

is

1253

00:39:15,910 --> 00:39:14,640

as soon as you're in the presidency in

1254

00:39:17,510 --> 00:39:15,920

the united states of america you're

1255

00:39:18,550 --> 00:39:17,520

unindictable essentially besides

1256

00:39:21,990 --> 00:39:18,560

impeachment

1257

00:39:23,750 --> 00:39:22,000

and it rarely happens so our elites are

1258

00:39:24,630 --> 00:39:23,760

not subject to law in the united states

1259

00:39:27,190 --> 00:39:24,640

of america

1260

00:39:28,390 --> 00:39:27,200

so on top of this biden information came

1261

00:39:29,750 --> 00:39:28,400

out if you remember he was definitely

1262

00:39:31,510 --> 00:39:29,760

wearing a wire they showed it

1263

00:39:33,030 --> 00:39:31,520

he turned halfway through and went from

1264

00:39:36,310 --> 00:39:33,040

his brain watered

1265

00:39:38,150 --> 00:39:36,320

uh timbre to just remember to mail in

1266

00:39:39,270 --> 00:39:38,160

your balance mail in your balance smell

1267

00:39:41,349 --> 00:39:39,280

it come on man

1268

00:39:42,870 --> 00:39:41,359

and and he just changed like an

1269

00:39:43,829 --> 00:39:42,880

automaton and people just started oh

1270

00:39:45,430 --> 00:39:43,839

mail in your balance we

1271

00:39:47,109 --> 00:39:45,440

don't need to hear the debates and then

1272

00:39:48,390 --> 00:39:47,119

they repress that bible green well that

1273

00:39:50,390 --> 00:39:48,400

you know what that laptop's

1274

00:39:52,550 --> 00:39:50,400

legitimate i mean there are there's real

1275

00:39:54,069 --> 00:39:52,560

compromises of somebody the son of a

1276

00:39:55,829 --> 00:39:54,079

president there they've proven

1277

00:39:57,510 --> 00:39:55,839

actually in a relationship we've proven

1278

00:39:58,630 --> 00:39:57,520

fisa so i don't know

1279

00:40:01,589 --> 00:39:58,640

but what's exciting to me about the

1280

00:40:03,750 --> 00:40:01,599

laptop and and also the suppression of

1281

00:40:05,750 --> 00:40:03,760

of trump on twitter and so on is that

1282

00:40:08,710 --> 00:40:05,760

you see these companies

1283

00:40:10,390 --> 00:40:08,720

that are willing to go against their own

1284

00:40:12,950 --> 00:40:10,400

economic interests

1285

00:40:13,670 --> 00:40:12,960

because to support the left which is a

1286

00:40:16,390 --> 00:40:13,680

shocking

1287

00:40:17,270 --> 00:40:16,400

to me so this was potentially one of the

1288

00:40:19,589 --> 00:40:17,280

greatest

1289

00:40:20,870 --> 00:40:19,599

most fascinating stories ever is that

1290

00:40:23,750 --> 00:40:20,880

this idiot

1291

00:40:23,990 --> 00:40:23,760

hunter biden leaves his freaking laptop

1292

00:40:26,950 --> 00:40:24,000

at

1293

00:40:28,630 --> 00:40:26,960

a computer store and it turns out to

1294

00:40:30,950 --> 00:40:28,640

have all this stuff on it

1295

00:40:32,230 --> 00:40:30,960

and it's absolutely confirmed 100 true

1296

00:40:34,390 --> 00:40:32,240

the fbi has confirmed

1297

00:40:35,430 --> 00:40:34,400

all of this it's on the front page of

1298

00:40:37,270 --> 00:40:35,440

the new york post

1299

00:40:38,790 --> 00:40:37,280

yet they still you know they banned the

1300

00:40:40,870 --> 00:40:38,800

post from twitter and so on

1301  
00:40:42,630 --> 00:40:40,880  
so so here you got the potential of a

1302  
00:40:43,589 --> 00:40:42,640  
fabulous story but they're willing to

1303  
00:40:46,630 --> 00:40:43,599  
kill it

1304  
00:40:48,150 --> 00:40:46,640  
simply because it's not supportive of

1305  
00:40:49,670 --> 00:40:48,160  
the left's position

1306  
00:40:51,990 --> 00:40:49,680  
yeah and the same thing with trump trump

1307  
00:40:53,589 --> 00:40:52,000  
made twitter in the past four years

1308  
00:40:55,349 --> 00:40:53,599  
twitter who knows where twitter would be

1309  
00:40:56,550 --> 00:40:55,359  
right now but for trump yet they're

1310  
00:40:58,870 --> 00:40:56,560  
still willing

1311  
00:40:59,670 --> 00:40:58,880  
to kick the guy off after he made

1312  
00:41:01,270 --> 00:40:59,680  
twitter

1313  
00:41:03,030 --> 00:41:01,280

right yeah i mean you're telling me the

1314

00:41:05,510 --> 00:41:03,040

new york post event i mean that

1315

00:41:06,790 --> 00:41:05,520

look they then kaylee kaley was silenced

1316

00:41:07,430 --> 00:41:06,800

i mean we covered it last night he's

1317

00:41:11,430 --> 00:41:07,440

like

1318

00:41:12,630 --> 00:41:11,440

now jack dorsey i'm sorry to me he's the

1319

00:41:14,550 --> 00:41:12,640

enemy of the state right now

1320

00:41:16,309 --> 00:41:14,560

i don't he i haven't elected him he's

1321

00:41:17,430 --> 00:41:16,319

not the fourth branch of government nor

1322

00:41:20,150 --> 00:41:17,440

is the ap

1323

00:41:20,550 --> 00:41:20,160

so we also had the media like telling us

1324

00:41:22,870 --> 00:41:20,560

that

1325

00:41:23,990 --> 00:41:22,880

it was over i've never seen stuff like

1326

00:41:25,109 --> 00:41:24,000

this so my um

1327

00:41:26,870 --> 00:41:25,119

you know it's interesting we're choosing

1328

00:41:27,750 --> 00:41:26,880

a title for this new news max all-star i

1329

00:41:29,589 --> 00:41:27,760

got invited

1330

00:41:31,430 --> 00:41:29,599

newsmax back to mannex we accident our

1331

00:41:32,870 --> 00:41:31,440

book i got invited to write for them so

1332

00:41:34,309 --> 00:41:32,880

i just their first one and we're doing

1333

00:41:35,910 --> 00:41:34,319

i just released a second article today

1334

00:41:36,230 --> 00:41:35,920

and we're looking at the title and you

1335

00:41:39,349 --> 00:41:36,240

know

1336

00:41:42,870 --> 00:41:39,359

um i i i'm i'm

1337

00:41:44,790 --> 00:41:42,880

i'm unapologetically rational so i think

1338

00:41:45,270 --> 00:41:44,800

it's really important with what's going

1339

00:41:47,990 --> 00:41:45,280

on with

1340

00:41:49,430 --> 00:41:48,000

media to i don't want to be an angry

1341

00:41:52,150 --> 00:41:49,440

person but i'm like hey man you can't

1342

00:41:53,589 --> 00:41:52,160

keep selling me the same repeated loop

1343

00:41:55,829 --> 00:41:53,599

and telling me it's true because you

1344

00:41:57,190 --> 00:41:55,839

repeat it and negating me every time i

1345

00:41:59,270 --> 00:41:57,200

challenge free speech so

1346

00:42:01,030 --> 00:41:59,280

we're in a really dangerous place james

1347

00:42:02,950 --> 00:42:01,040

and you know thank god for your uh

1348

00:42:04,470 --> 00:42:02,960

cast here and the work that you're doing

1349

00:42:05,829 --> 00:42:04,480

and guys like ourselves

1350

00:42:07,510 --> 00:42:05,839

uh it's interesting though because

1351

00:42:09,589 --> 00:42:07,520

there's also this wild westing

1352

00:42:11,349 --> 00:42:09,599

happening as you said in the meteor

1353

00:42:12,710 --> 00:42:11,359

revolution right now so it's going to be

1354

00:42:14,710 --> 00:42:12,720

interesting how these are

1355

00:42:15,750 --> 00:42:14,720

organized and what's what's the future

1356

00:42:17,109 --> 00:42:15,760

of the internet when everything that's

1357

00:42:17,589 --> 00:42:17,119

going on it should be interesting times

1358

00:42:19,550 --> 00:42:17,599

yeah

1359

00:42:21,270 --> 00:42:19,560

well last thing i'll cover as i said the

1360

00:42:25,430 --> 00:42:21,280

inauguration uh

1361

00:42:29,430 --> 00:42:25,440

episode and and the future of trump

1362

00:42:31,030 --> 00:42:29,440

uh with the republicans i mean

1363

00:42:32,630 --> 00:42:31,040

republicans are pretty divided right now

1364

00:42:34,309 --> 00:42:32,640

because there is a pretty good

1365

00:42:36,230 --> 00:42:34,319

constituency that

1366

00:42:38,309 --> 00:42:36,240

that feels that trump did take things

1367

00:42:39,270 --> 00:42:38,319

too far and that would like to see him

1368

00:42:41,030 --> 00:42:39,280

just kind of

1369

00:42:43,349 --> 00:42:41,040

move on and then you've got the other

1370

00:42:46,470 --> 00:42:43,359

constituency that is

1371

00:42:47,990 --> 00:42:46,480

hardcore trumpers and

1372

00:42:50,069 --> 00:42:48,000

um believe everything you know was

1373

00:42:52,870 --> 00:42:50,079

stolen from him

1374

00:42:54,230 --> 00:42:52,880

yeah what is the future of trump and the

1375

00:42:55,829 --> 00:42:54,240

gop

1376

00:42:57,510 --> 00:42:55,839

look i think what's more importantly is

1377

00:42:58,550 --> 00:42:57,520

what happened to the gop because of

1378

00:43:01,510 --> 00:42:58,560

trump

1379

00:43:02,470 --> 00:43:01,520

and you know the mccain and the romney

1380

00:43:05,349 --> 00:43:02,480

as we're seeing

1381

00:43:07,030 --> 00:43:05,359

romney's real recalcitrant rhino colors

1382

00:43:09,430 --> 00:43:07,040

right it's interesting

1383

00:43:11,109 --> 00:43:09,440

uh and i back that guy you know i still

1384

00:43:12,550 --> 00:43:11,119

have a mccain sticker on my shirt on my

1385

00:43:15,589 --> 00:43:12,560

surfboard you know

1386

00:43:17,030 --> 00:43:15,599

i mean i really went for the old school

1387

00:43:19,270 --> 00:43:17,040

gop because i choose

1388

00:43:21,710 --> 00:43:19,280

one of two rational alternatives which

1389

00:43:23,270 --> 00:43:21,720

is big government versus over hyper

1390

00:43:24,870 --> 00:43:23,280

accommodationism which i think is

1391

00:43:27,270 --> 00:43:24,880

deconstructive to our freedom and our

1392

00:43:29,349 --> 00:43:27,280

way of life um so i think that

1393

00:43:30,589 --> 00:43:29,359

the red pill of trump was a real

1394

00:43:32,150 --> 00:43:30,599

positive shake-up for the

1395

00:43:35,190 --> 00:43:32,160

deconstructionist

1396

00:43:36,950 --> 00:43:35,200

um anti-institutional element of uh of

1397

00:43:38,150 --> 00:43:36,960

what republicanism is about

1398

00:43:40,230 --> 00:43:38,160

how it's going to settle in and

1399

00:43:41,829 --> 00:43:40,240

integrate we'll find out and i'm i'm

1400

00:43:43,670 --> 00:43:41,839

also a rationalist on the societal level

1401  
00:43:44,550 --> 00:43:43,680  
because look george floyd as negative as

1402  
00:43:46,950 --> 00:43:44,560  
that was

1403  
00:43:48,069 --> 00:43:46,960  
we now have better training in police

1404  
00:43:49,910 --> 00:43:48,079  
force me too

1405  
00:43:51,589 --> 00:43:49,920  
uh we now have a better workforce for

1406  
00:43:53,670 --> 00:43:51,599  
women how does everything settle in and

1407  
00:43:56,230 --> 00:43:53,680  
get integrated into our society

1408  
00:43:57,829 --> 00:43:56,240  
so i think you know trump really brought

1409  
00:44:00,230 --> 00:43:57,839  
forward more of our uh

1410  
00:44:01,430 --> 00:44:00,240  
our uh the importance that americans

1411  
00:44:03,589 --> 00:44:01,440  
want to stay you know

1412  
00:44:04,950 --> 00:44:03,599  
ultimately free i'm excited for what

1413  
00:44:05,750 --> 00:44:04,960

that's going to do in the party as far

1414

00:44:06,790 --> 00:44:05,760

as trump

1415

00:44:07,829 --> 00:44:06,800

you know i think trump's going to

1416

00:44:08,870 --> 00:44:07,839

sustain i mean they're already talking

1417

00:44:09,430 --> 00:44:08,880

about his daughters and how they're

1418

00:44:11,030 --> 00:44:09,440

going to run

1419

00:44:12,710 --> 00:44:11,040

i think you know this thing about him

1420

00:44:13,190 --> 00:44:12,720

really challenging at the end i think he

1421

00:44:15,349 --> 00:44:13,200

didn't want

1422

00:44:16,710 --> 00:44:15,359

he's like he's a dad he's a granddad i

1423

00:44:17,349 --> 00:44:16,720

think he didn't want to ruin his kids

1424

00:44:18,950 --> 00:44:17,359

lives

1425

00:44:20,390 --> 00:44:18,960

because ultimately think about if he had

1426

00:44:22,390 --> 00:44:20,400

actually really gone down

1427

00:44:23,750 --> 00:44:22,400

did the insurrection act or something

1428

00:44:25,349 --> 00:44:23,760

the entire family's lives would have

1429

00:44:27,829 --> 00:44:25,359

been ruined and their legacy and their

1430

00:44:29,589 --> 00:44:27,839

empire and i think he hit that stop gap

1431

00:44:31,030 --> 00:44:29,599

so i think he's got greater plans in

1432

00:44:31,990 --> 00:44:31,040

media i think he's got greater plans for

1433

00:44:33,589 --> 00:44:32,000

his children

1434

00:44:35,829 --> 00:44:33,599

and i appreciate everything he did in

1435

00:44:36,710 --> 00:44:35,839

his 390-something achievements he did a

1436

00:44:37,829 --> 00:44:36,720

good job

1437

00:44:39,349 --> 00:44:37,839

but i think people are going to keep

1438

00:44:42,069 --> 00:44:39,359

arm's length from him for a little bit i

1439

00:44:45,190 --> 00:44:42,079

think he's kryptonite for a while

1440

00:44:48,390 --> 00:44:45,200

yeah i feel similarly i i think that um

1441

00:44:51,030 --> 00:44:48,400

you know putting america first

1442

00:44:52,150 --> 00:44:51,040

um it was essential and something that

1443

00:44:54,390 --> 00:44:52,160

had totally gone

1444

00:44:55,270 --> 00:44:54,400

astray so the whole idea that america

1445

00:44:56,550 --> 00:44:55,280

first

1446

00:44:58,309 --> 00:44:56,560

uh is a principle i think this is going

1447

00:45:00,470 --> 00:44:58,319

to say in in in the wake up

1448

00:45:02,150 --> 00:45:00,480

regarding china i think that people are

1449

00:45:04,870 --> 00:45:02,160

awoken as to china

1450

00:45:06,470 --> 00:45:04,880

people are awoken as to iran um so i

1451

00:45:07,750 --> 00:45:06,480

think those are the lasting

1452

00:45:10,230 --> 00:45:07,760

yeah i think those are the last things

1453

00:45:10,790 --> 00:45:10,240

things then you know the negatives in my

1454

00:45:13,829 --> 00:45:10,800

view

1455

00:45:15,910 --> 00:45:13,839

is you know the narcissistic personality

1456

00:45:17,589 --> 00:45:15,920

that kind of makes everything about him

1457

00:45:18,470 --> 00:45:17,599

so that's why i'd love to see us move

1458

00:45:20,710 --> 00:45:18,480

past

1459

00:45:22,550 --> 00:45:20,720

him and then also the fact that you know

1460

00:45:25,190 --> 00:45:22,560

he's was not a true

1461

00:45:26,230 --> 00:45:25,200

genuine ideological conservative i mean

1462

00:45:29,510 --> 00:45:26,240

for instance i was

1463

00:45:30,309 --> 00:45:29,520

not a fan of this idea of two thousand

1464

00:45:32,870 --> 00:45:30,319

dollars

1465

00:45:33,829 --> 00:45:32,880

for everybody instead of the 600 for

1466

00:45:36,630 --> 00:45:33,839

everybody

1467

00:45:37,990 --> 00:45:36,640

that you know that that was also bad

1468

00:45:39,270 --> 00:45:38,000

politically because i think it didn't

1469

00:45:41,829 --> 00:45:39,280

help with the whole georgia

1470

00:45:43,030 --> 00:45:41,839

situation but you know this this

1471

00:45:46,390 --> 00:45:43,040

instinct that he has

1472

00:45:48,710 --> 00:45:46,400

that's not grounded in

1473

00:45:49,510 --> 00:45:48,720

traditional conservatives yeah i mean he

1474

00:45:52,710 --> 00:45:49,520

was dead like

1475

00:45:53,510 --> 00:45:52,720

he was a he was a pro-life democrat who

1476

00:45:55,829 --> 00:45:53,520

was probably

1477

00:45:56,870 --> 00:45:55,839

uh you know just going to church for to

1478

00:45:58,550 --> 00:45:56,880

do business

1479

00:45:59,910 --> 00:45:58,560

who i mean that guy actually had i mean

1480

00:46:01,030 --> 00:45:59,920

i know people close to him that guy

1481

00:46:04,069 --> 00:46:01,040

actually had a conversion

1482

00:46:05,750 --> 00:46:04,079

uh in the process but i don't think i

1483

00:46:06,550 --> 00:46:05,760

don't think it was a major conversion

1484

00:46:09,190 --> 00:46:06,560

like perhaps

1485

00:46:10,550 --> 00:46:09,200

you had um this one i've said this

1486

00:46:13,750 --> 00:46:10,560

before probably on the show

1487

00:46:14,630 --> 00:46:13,760

that i think that schumer made a big

1488

00:46:15,990 --> 00:46:14,640

mistake

1489

00:46:17,109 --> 00:46:16,000

he would never left would never

1490

00:46:17,910 --> 00:46:17,119

acknowledge it because everything just

1491

00:46:19,990 --> 00:46:17,920

had to be

1492

00:46:21,990 --> 00:46:20,000

resist trump resist trump resist trump

1493

00:46:23,430 --> 00:46:22,000

but both of them are new yorkers they're

1494

00:46:26,069 --> 00:46:23,440

both kind of the same style

1495

00:46:28,950 --> 00:46:26,079

kind of guy yeah trump loves to be loved

1496

00:46:30,870 --> 00:46:28,960

you you like him he likes you period

1497

00:46:33,109 --> 00:46:30,880

schumer could have played the hell out

1498

00:46:34,630 --> 00:46:33,119

of trump if he had just come in there

1499

00:46:35,829 --> 00:46:34,640

and befriended him and i think they

1500

00:46:37,109 --> 00:46:35,839

could have gotten a lot done together

1501

00:46:38,950 --> 00:46:37,119

and even some things that you and i may

1502

00:46:41,430 --> 00:46:38,960

not have really liked

1503

00:46:42,870 --> 00:46:41,440

yeah no i i agree there are a ton of

1504

00:46:44,069 --> 00:46:42,880

missed opportunities

1505

00:46:46,230 --> 00:46:44,079

and you're basically bringing up one

1506

00:46:48,230 --> 00:46:46,240

thing about his personality sure

1507

00:46:49,829 --> 00:46:48,240

look i mean i'm not uh i'm not some

1508

00:46:51,430 --> 00:46:49,839

blind-eyed trumper because i'm a

1509

00:46:53,030 --> 00:46:51,440

conservative rationalist

1510

00:46:56,470 --> 00:46:53,040

i mean there was some behavior that was

1511

00:46:58,550 --> 00:46:56,480

crazy i did like the transparency of his

1512

00:47:00,550 --> 00:46:58,560

twitter i like seeing a president as a

1513

00:47:02,710 --> 00:47:00,560

person i've never seen that i mean

1514

00:47:03,910 --> 00:47:02,720

i know the speech writers for obama i

1515

00:47:06,069 --> 00:47:03,920

know those guys personally

1516

00:47:07,829 --> 00:47:06,079

they tell me their process i mean it was

1517

00:47:08,630 --> 00:47:07,839

all a fabrication and they were doing

1518

00:47:10,870 --> 00:47:08,640

something else

1519

00:47:12,790 --> 00:47:10,880

at least we saw this guy on the surface

1520

00:47:15,109 --> 00:47:12,800

and i'm going to take that as a win

1521

00:47:15,950 --> 00:47:15,119

oh the access he provided of himself to

1522

00:47:18,950 --> 00:47:15,960

the press was

1523

00:47:21,030 --> 00:47:18,960

unprecedented yeah yeah yeah so but i

1524

00:47:23,430 --> 00:47:21,040

agree what you're saying a lot a lot of

1525

00:47:25,750 --> 00:47:23,440

missed opportunity because of hubris

1526

00:47:26,790 --> 00:47:25,760

but if he hadn't had that hubris his pal

1527

00:47:28,470 --> 00:47:26,800

i mean he was pretty aggressive

1528

00:47:30,309 --> 00:47:28,480

policymaker and nobody wants to

1529

00:47:31,670 --> 00:47:30,319

slow down and keep looking at his trump

1530

00:47:32,309 --> 00:47:31,680

achievements list just came out and we

1531

00:47:34,309 --> 00:47:32,319

covered him

1532

00:47:36,150 --> 00:47:34,319

they're real that guy that guy was

1533

00:47:36,630 --> 00:47:36,160

unstoppably productive i heard his

1534

00:47:38,150 --> 00:47:36,640

process

1535

00:47:40,069 --> 00:47:38,160

is you know here's a meeting room of

1536

00:47:41,829 --> 00:47:40,079

people arguing and he just listen up

1537

00:47:43,589 --> 00:47:41,839

next and go to the next one next do this

1538

00:47:47,030 --> 00:47:43,599

next i heard his process was

1539

00:47:49,030 --> 00:47:47,040

stellar and and fast so i hope that

1540

00:47:50,630 --> 00:47:49,040

look i'm i'm with you man i i just got

1541

00:47:51,430 --> 00:47:50,640

to tell you i hope that our election

1542

00:47:53,349 --> 00:47:51,440

process

1543

00:47:54,549 --> 00:47:53,359

isn't really damaged and level it could

1544

00:47:57,589 --> 00:47:54,559

be i hope

1545

00:47:59,589 --> 00:47:57,599

that uh the dems don't get hijacked by

1546

00:48:01,750 --> 00:47:59,599

the left because it's going to be war

1547

00:48:03,750 --> 00:48:01,760

you know i i don't want a war at home i

1548

00:48:04,549 --> 00:48:03,760

want a war abroad when we're threatened

1549

00:48:05,670 --> 00:48:04,559

and you know

1550

00:48:07,109 --> 00:48:05,680

we're just going to have to

1551  
00:48:08,470 --> 00:48:07,119  
conservatives are just going to have to

1552  
00:48:11,030 --> 00:48:08,480  
take every situation

1553  
00:48:11,670 --> 00:48:11,040  
and decide is this a war-like situation

1554  
00:48:14,710 --> 00:48:11,680  
now

1555  
00:48:16,309 --> 00:48:14,720  
or are we americans together so well

1556  
00:48:17,910 --> 00:48:16,319  
you know one final silver lining i'll

1557  
00:48:19,109 --> 00:48:17,920  
just state about the capital break-ins

1558  
00:48:20,549 --> 00:48:19,119  
at least we've got the left now

1559  
00:48:23,030 --> 00:48:20,559  
condemning violence

1560  
00:48:24,470 --> 00:48:23,040  
and supporting the police right so it's

1561  
00:48:25,109 --> 00:48:24,480  
going to be very hard for them next time

1562  
00:48:27,270 --> 00:48:25,119  
antifa

1563  
00:48:28,870 --> 00:48:27,280

you know gets all riled up for the

1564

00:48:29,990 --> 00:48:28,880

they're going to really be contradicting

1565

00:48:33,270 --> 00:48:30,000

themselves that they don't talk

1566

00:48:34,870 --> 00:48:33,280

speak up then absolutely absolutely yeah

1567

00:48:36,309 --> 00:48:34,880

thank you again to judd dunning you can
