# PATRICK M. WOOD

1  
00:00:00,000 --> 00:00:05,670

[Music]

2  
00:00:09,110 --> 00:00:06,230

okay

3  
00:00:09,669 --> 00:00:09,120

now our interview with patrick wood once

4  
00:00:11,589 --> 00:00:09,679

something

5  
00:00:13,669 --> 00:00:11,599

starts like this that spreads like

6  
00:00:15,509 --> 00:00:13,679

wildfire it's very difficult to get

7  
00:00:17,750 --> 00:00:15,519

people off of the

8  
00:00:18,950 --> 00:00:17,760

you know the the narrative it's just

9  
00:00:21,990 --> 00:00:18,960

tough

10  
00:00:23,109 --> 00:00:22,000

and people get used to it they get their

11  
00:00:24,870 --> 00:00:23,119

own ideas they

12  
00:00:26,150 --> 00:00:24,880

they don't read the law they don't read

13  
00:00:27,670 --> 00:00:26,160

the executive orders

14

00:00:29,750 --> 00:00:27,680

you know i see this in arizona all the

15

00:00:31,830 --> 00:00:29,760

time uh stores

16

00:00:33,270 --> 00:00:31,840

doing things you know locking people out

17

00:00:35,190 --> 00:00:33,280

if you don't have a mask i said do you

18

00:00:36,709 --> 00:00:35,200

understand that

19

00:00:38,389 --> 00:00:36,719

all the way up and down the line from

20

00:00:39,270 --> 00:00:38,399

the governor to the mayor here in our

21

00:00:41,110 --> 00:00:39,280

town

22

00:00:42,630 --> 00:00:41,120

have provided a medical exemption for

23

00:00:44,869 --> 00:00:42,640

instance for people if they

24

00:00:46,470 --> 00:00:44,879

feel that they cannot wear a face mask

25

00:00:48,150 --> 00:00:46,480

oh i never saw that

26  
00:00:49,750 --> 00:00:48,160  
well could i show it to you you know and

27  
00:00:50,470 --> 00:00:49,760  
you pull off the document show it to

28  
00:00:52,709 --> 00:00:50,480  
them

29  
00:00:53,910 --> 00:00:52,719  
it's like oh i didn't know that i never

30  
00:00:56,310 --> 00:00:53,920  
saw that

31  
00:00:56,950 --> 00:00:56,320  
well okay they're ignorant and they

32  
00:00:58,069 --> 00:00:56,960  
don't know

33  
00:01:00,150 --> 00:00:58,079  
until somebody comes along and

34  
00:01:01,750 --> 00:01:00,160  
challenges them they don't know it's

35  
00:01:02,150 --> 00:01:01,760  
going to be very hard to get the face

36  
00:01:04,229 --> 00:01:02,160  
mask

37  
00:01:06,149 --> 00:01:04,239  
out of society again and to get people

38  
00:01:06,469 --> 00:01:06,159

you know out of this mode of limiting

39

00:01:09,510 --> 00:01:06,479

lock

40

00:01:12,310 --> 00:01:09,520

distancing

41

00:01:12,870 --> 00:01:12,320

it's just insane but yeah make a lot of

42

00:01:14,710 --> 00:01:12,880

time

43

00:01:16,149 --> 00:01:14,720

even if a government like the governor

44

00:01:18,149 --> 00:01:16,159

like the sandisk says

45

00:01:20,230 --> 00:01:18,159

stop it doesn't mean everybody's going

46

00:01:24,390 --> 00:01:20,240

to just stop it

47

00:01:27,910 --> 00:01:24,400

is there a mask requirement in arizona

48

00:01:31,510 --> 00:01:27,920

well yes and no uh there is a master

49

00:01:33,590 --> 00:01:31,520

uh there is a um

50

00:01:36,550 --> 00:01:33,600

there are local mass mandates and put it

51  
00:01:38,230 --> 00:01:36,560  
that way and counties and cities

52  
00:01:39,670 --> 00:01:38,240  
of one type or another it depends on the

53  
00:01:43,030 --> 00:01:39,680  
city in the county

54  
00:01:44,950 --> 00:01:43,040  
um but even the counties for instance

55  
00:01:46,550 --> 00:01:44,960  
that don't have a masked mandate like

56  
00:01:49,429 --> 00:01:46,560  
the one out east of us here

57  
00:01:51,830 --> 00:01:49,439  
uh does not have a mass mandate there

58  
00:01:54,149 --> 00:01:51,840  
are still stores wearing masks and

59  
00:01:56,789 --> 00:01:54,159  
people wearing masks in that county

60  
00:01:58,069 --> 00:01:56,799  
right or signs on the store that say no

61  
00:02:01,030 --> 00:01:58,079  
entry without masks

62  
00:02:02,630 --> 00:02:01,040  
well they do and you know we've we found

63  
00:02:06,830 --> 00:02:02,640

um

64

00:02:07,990 --> 00:02:06,840

kind of end run ways around it for

65

00:02:10,710 --> 00:02:08,000

instance

66

00:02:12,869 --> 00:02:10,720

restaurants with bars have been in this

67

00:02:15,030 --> 00:02:12,879

particular county i'm talking about

68

00:02:16,470 --> 00:02:15,040

uh have received a visit from the state

69

00:02:20,229 --> 00:02:16,480

liquor board

70

00:02:21,510 --> 00:02:20,239

liquor license right

71

00:02:23,270 --> 00:02:21,520

they don't have otherwise they don't

72

00:02:24,150 --> 00:02:23,280

have anything to do with that city or

73

00:02:27,430 --> 00:02:24,160

that county

74

00:02:29,990 --> 00:02:27,440

they're not means nothing to them

75

00:02:32,390 --> 00:02:30,000

liquor board representative comes out

76  
00:02:33,750 --> 00:02:32,400  
and talks to the bar owner and says if

77  
00:02:36,710 --> 00:02:33,760  
you don't comply

78  
00:02:38,309 --> 00:02:36,720  
we're going to pull your liquor license

79  
00:02:41,990 --> 00:02:38,319  
that's extortion

80  
00:02:43,670 --> 00:02:42,000  
pure and simple just distortion

81  
00:02:45,270 --> 00:02:43,680  
they have no business doing that no

82  
00:02:47,190 --> 00:02:45,280  
right to do it and yet they come out and

83  
00:02:50,150 --> 00:02:47,200  
say it scares the store half the death

84  
00:02:50,790 --> 00:02:50,160  
of the restaurant bar half to death oh

85  
00:02:53,830 --> 00:02:50,800  
my gosh

86  
00:02:57,190 --> 00:02:53,840  
i better i better just do it or i'm done

87  
00:02:57,589 --> 00:02:57,200  
that's my business are you surprised at

88  
00:02:59,509 --> 00:02:57,599

how

89

00:03:01,750 --> 00:02:59,519

americans have reacted generally

90

00:03:04,070 --> 00:03:01,760

speaking to all these restrictions

91

00:03:07,350 --> 00:03:04,080

i am and i'm thinking at this point

92

00:03:09,750 --> 00:03:07,360

they're getting more and more sick of it

93

00:03:11,670 --> 00:03:09,760

and they're starting to see through it

94

00:03:14,149 --> 00:03:11,680

so not about the virus

95

00:03:15,750 --> 00:03:14,159

so you would have originally guessed

96

00:03:17,509 --> 00:03:15,760

that americans would have pushed back

97

00:03:19,430 --> 00:03:17,519

more against the restrictions but you're

98

00:03:21,190 --> 00:03:19,440

you're seeing it finally happen

99

00:03:22,869 --> 00:03:21,200

is that what you're saying well there's

100

00:03:23,830 --> 00:03:22,879

more pushback now than there ever has

101  
00:03:27,110 --> 00:03:23,840  
been before

102  
00:03:29,430 --> 00:03:27,120  
initially the media

103  
00:03:31,670 --> 00:03:29,440  
the mainstream media was so skilled at

104  
00:03:35,270 --> 00:03:31,680  
delivering

105  
00:03:37,750 --> 00:03:35,280  
a scary narrative that people believed

106  
00:03:39,910 --> 00:03:37,760  
you know you think back to was the orson

107  
00:03:40,789 --> 00:03:39,920  
welles that did war of the worlds on the

108  
00:03:43,910 --> 00:03:40,799  
radio

109  
00:03:45,750 --> 00:03:43,920  
back in the was it the 30s

110  
00:03:47,589 --> 00:03:45,760  
and everybody across america thought it

111  
00:03:49,110 --> 00:03:47,599  
was real

112  
00:03:50,710 --> 00:03:49,120  
they thought they were being invaded by

113  
00:03:53,910 --> 00:03:50,720

aliens

114

00:03:57,990 --> 00:03:57,190

well this narrative had was just boom it

115

00:04:00,229 --> 00:03:58,000

just came on

116

00:04:01,670 --> 00:04:00,239

all of a sudden scared the dickens out

117

00:04:05,190 --> 00:04:01,680

of people

118

00:04:07,190 --> 00:04:05,200

and in a panic people will take any kind

119

00:04:08,789 --> 00:04:07,200

of suggestion that's offered to them by

120

00:04:11,110 --> 00:04:08,799

authorities that's that's a

121

00:04:13,030 --> 00:04:11,120

that's been proven many times over the

122

00:04:15,910 --> 00:04:13,040

cent well these

123

00:04:17,430 --> 00:04:15,920

decades and so they did they just

124

00:04:20,229 --> 00:04:17,440

started doing the things the government

125

00:04:22,790 --> 00:04:20,239

told them to do put on a mask

126

00:04:24,390 --> 00:04:22,800

social distance locked down self

127

00:04:26,070 --> 00:04:24,400

quarantine

128

00:04:27,430 --> 00:04:26,080

and then the panic spread from there

129

00:04:28,070 --> 00:04:27,440

into the corporate world first it was

130

00:04:30,710 --> 00:04:28,080

just people

131

00:04:32,310 --> 00:04:30,720

then it was a corporate world well

132

00:04:33,990 --> 00:04:32,320

americans you know

133

00:04:36,070 --> 00:04:34,000

genuinely for the most part want to be

134

00:04:37,189 --> 00:04:36,080

good citizens so i think there's that

135

00:04:40,230 --> 00:04:37,199

component to it

136

00:04:41,110 --> 00:04:40,240

and then i also make the point that life

137

00:04:43,909 --> 00:04:41,120

is pretty good

138

00:04:44,550 --> 00:04:43,919

in america being locked in your home you

139

00:04:47,189 --> 00:04:44,560

still got

140

00:04:48,790 --> 00:04:47,199

your television set lots of movies

141

00:04:50,469 --> 00:04:48,800

you've got your computer you've got your

142

00:04:52,710 --> 00:04:50,479

phone you can interact with people

143

00:04:53,590 --> 00:04:52,720

and so on and you know most people's

144

00:04:55,110 --> 00:04:53,600

homes

145

00:04:56,950 --> 00:04:55,120

you know relative to other countries are

146

00:04:59,670 --> 00:04:56,960

are pretty nice

147

00:05:00,710 --> 00:04:59,680

here uh running water heat air

148

00:05:03,510 --> 00:05:00,720

conditioning all the

149

00:05:04,550 --> 00:05:03,520

all those niceties most people have that

150

00:05:07,189 --> 00:05:04,560

so

151  
00:05:09,029 --> 00:05:07,199  
um to get people to go out and really

152  
00:05:10,550 --> 00:05:09,039  
complain about this is

153  
00:05:12,070 --> 00:05:10,560  
really difficult they you know they're

154  
00:05:14,550 --> 00:05:12,080  
they're it's easy to get americans to

155  
00:05:18,870 --> 00:05:14,560  
roll over on stuff like this

156  
00:05:20,710 --> 00:05:18,880  
it has been initially now the pressure

157  
00:05:24,070 --> 00:05:20,720  
is is different than it was at the

158  
00:05:26,230 --> 00:05:24,080  
beginning when it was just temporary

159  
00:05:27,270 --> 00:05:26,240  
that was one thing you know if it's a

160  
00:05:30,550 --> 00:05:27,280  
and they told us

161  
00:05:32,150 --> 00:05:30,560  
if we need 14 days to flatten the curve

162  
00:05:33,590 --> 00:05:32,160  
they never really defined that but they

163  
00:05:35,749 --> 00:05:33,600

showed a curve and they said we need to

164

00:05:37,110 --> 00:05:35,759

flatten this curve and you got 14 days

165

00:05:39,270 --> 00:05:37,120

to do it

166

00:05:41,270 --> 00:05:39,280

at that point most people thought i

167

00:05:43,189 --> 00:05:41,280

could do anything for 14 days

168

00:05:44,469 --> 00:05:43,199

it's like i can go on vacation just go

169

00:05:47,670 --> 00:05:44,479

home and

170

00:05:49,670 --> 00:05:47,680

do a staycation and that was all

171

00:05:50,790 --> 00:05:49,680

kind of fun and games for a while but

172

00:05:52,950 --> 00:05:50,800

now that

173

00:05:54,950 --> 00:05:52,960

the economies in many areas have been

174

00:05:56,950 --> 00:05:54,960

totally wrecked

175

00:05:58,469 --> 00:05:56,960

and unemployment has gone through the

176

00:06:00,629 --> 00:05:58,479

roof

177

00:06:02,469 --> 00:06:00,639

and people can't find jobs they don't

178

00:06:04,309 --> 00:06:02,479

have jobs they're living hand-to-hand

179

00:06:06,230 --> 00:06:04,319

they don't have savings they ran out of

180

00:06:09,029 --> 00:06:06,240

savings some time ago

181

00:06:12,070 --> 00:06:09,039

the pressure now is on people are still

182

00:06:15,029 --> 00:06:12,080

at home but they're running out of money

183

00:06:16,230 --> 00:06:15,039

and i think the backlog right now of

184

00:06:18,230 --> 00:06:16,240

tenants who

185

00:06:20,070 --> 00:06:18,240

would otherwise have been kicked out for

186

00:06:21,590 --> 00:06:20,080

failure to pay rent

187

00:06:24,629 --> 00:06:21,600

is somewhere in the neighborhood of two

188

00:06:27,830 --> 00:06:24,639

and a half billion dollars in background

189

00:06:28,469 --> 00:06:27,840

now the government has forced the land

190

00:06:31,990 --> 00:06:28,479

owners the

191

00:06:34,390 --> 00:06:32,000

tenant the building owners to not

192

00:06:35,990 --> 00:06:34,400

evict those people that should be

193

00:06:38,070 --> 00:06:36,000

evicted

194

00:06:40,390 --> 00:06:38,080

and i'm not making commentary on that

195

00:06:44,230 --> 00:06:40,400

i'm just saying

196

00:06:46,309 --> 00:06:44,240

that there's a decay in economic status

197

00:06:47,909 --> 00:06:46,319

that's going on across the country

198

00:06:49,749 --> 00:06:47,919

very few people are talking about it but

199

00:06:52,150 --> 00:06:49,759

the people who are

200

00:06:53,270 --> 00:06:52,160

living in that right now are under

201  
00:06:56,309 --> 00:06:53,280  
intense

202  
00:06:57,110 --> 00:06:56,319  
pressure and you take somebody still at

203  
00:06:59,909 --> 00:06:57,120  
home

204  
00:07:01,029 --> 00:06:59,919  
out of work hasn't made a house payment

205  
00:07:03,510 --> 00:07:01,039  
six months

206  
00:07:04,950 --> 00:07:03,520  
haven't made their rent payment in six

207  
00:07:07,909 --> 00:07:04,960  
months

208  
00:07:09,909 --> 00:07:07,919  
their car payments in jeopardy they're

209  
00:07:11,350 --> 00:07:09,919  
one step away from being homeless and

210  
00:07:12,950 --> 00:07:11,360  
they know it

211  
00:07:14,790 --> 00:07:12,960  
and what's a person like that gonna

212  
00:07:17,189 --> 00:07:14,800  
think as he sits there at home watches

213  
00:07:19,990 --> 00:07:17,199

this tvs is going to eat them alive

214

00:07:22,790 --> 00:07:20,000

it's no wonder that that counselors are

215

00:07:24,309 --> 00:07:22,800

seeing people for depression and ptsd

216

00:07:26,629 --> 00:07:24,319

it's no wonder that people are

217

00:07:28,870 --> 00:07:26,639

committing suicide across the country

218

00:07:30,710 --> 00:07:28,880

in increasing numbers yeah i think it's

219

00:07:33,589 --> 00:07:30,720

a very dangerous

220

00:07:34,309 --> 00:07:33,599

social and economic experiment that

221

00:07:36,469 --> 00:07:34,319

we're doing

222

00:07:38,309 --> 00:07:36,479

the idea of restricting people for such

223

00:07:40,309 --> 00:07:38,319

an extended period of time

224

00:07:42,150 --> 00:07:40,319

shutting down an economy for such an

225

00:07:45,670 --> 00:07:42,160

extended period of time

226

00:07:47,189 --> 00:07:45,680

um spending six they just approved

227

00:07:49,029 --> 00:07:47,199

another two trillion which puts us i

228

00:07:52,150 --> 00:07:49,039

don't know five or six trillion

229

00:07:55,589 --> 00:07:52,160

in spending on top that's an experiment

230

00:07:56,950 --> 00:07:55,599

this idea that um you can tell everybody

231

00:07:58,390 --> 00:07:56,960

you don't have to pay your rent and now

232

00:08:00,309 --> 00:07:58,400

in california i don't know if this is

233

00:08:01,990 --> 00:08:00,319

true in arizona also but

234

00:08:03,430 --> 00:08:02,000

there's going to be a deal that the

235

00:08:05,029 --> 00:08:03,440

state will bail you out whatever you

236

00:08:06,309 --> 00:08:05,039

have owed your accrued amount that you

237

00:08:08,150 --> 00:08:06,319

owe free rent

238

00:08:10,309 --> 00:08:08,160

as long as the landlord will take a 20

239

00:08:13,909 --> 00:08:10,319

haircut the state will pay that bill

240

00:08:16,950 --> 00:08:13,919

so um just a lot of what i see is

241

00:08:19,990 --> 00:08:16,960

dangerous experiments

242

00:08:21,670 --> 00:08:20,000

it is and this is i i just have to say

243

00:08:23,430 --> 00:08:21,680

this is not the future that america

244

00:08:25,909 --> 00:08:23,440

wanted

245

00:08:28,070 --> 00:08:25,919

i guarantee you that i mean and nobody

246

00:08:29,749 --> 00:08:28,080

would say oh this is really what

247

00:08:33,589 --> 00:08:29,759

you know this is what i want to envision

248

00:08:35,909 --> 00:08:33,599

for america nobody's going to say that

249

00:08:36,949 --> 00:08:35,919

so before we get to china's role in this

250

00:08:40,389 --> 00:08:36,959

which i kind of want to make

251

00:08:43,190 --> 00:08:40,399

the focus kind of put a

252

00:08:45,509 --> 00:08:43,200

bow on uh covet i i'm sure that you're

253

00:08:48,710 --> 00:08:45,519

concerned about the great reset

254

00:08:52,230 --> 00:08:48,720

what do you see as the great

255

00:08:54,230 --> 00:08:52,240

reset this is the purpose right now of

256

00:08:56,870 --> 00:08:54,240

the covet narrative

257

00:08:58,470 --> 00:08:56,880

uh is to facilitate the great reset

258

00:09:00,230 --> 00:08:58,480

that's being promoted by the world

259

00:09:02,630 --> 00:09:00,240

economic forum and all of the global

260

00:09:05,670 --> 00:09:02,640

monkey mucks that belong to it

261

00:09:08,230 --> 00:09:05,680

this is a global initiative the

262

00:09:09,750 --> 00:09:08,240

global corporations are 100 behind it

263

00:09:11,990 --> 00:09:09,760

they see trillions of dollars in their

264

00:09:14,470 --> 00:09:12,000

pocket as a result

265

00:09:15,269 --> 00:09:14,480

and basically the great reset is nothing

266

00:09:17,110 --> 00:09:15,279

more is

267

00:09:18,550 --> 00:09:17,120

it's a new name for most people they

268

00:09:19,190 --> 00:09:18,560

never heard that before but the great

269

00:09:21,110 --> 00:09:19,200

reset

270

00:09:23,190 --> 00:09:21,120

is just another marketing name for

271

00:09:25,430 --> 00:09:23,200

sustainable development

272

00:09:28,070 --> 00:09:25,440

which is technocracy i've documented

273

00:09:29,990 --> 00:09:28,080

that my book six ways to sunday

274

00:09:32,310 --> 00:09:30,000

technocracy and sustainable development

275

00:09:34,310 --> 00:09:32,320

are both resource-based economic systems

276

00:09:36,870 --> 00:09:34,320

designed to micromanage

277

00:09:37,350 --> 00:09:36,880

people and to control the resources of

278

00:09:41,110 --> 00:09:37,360

the world

279

00:09:42,949 --> 00:09:41,120

period this is what klaus schwab it

280

00:09:44,870 --> 00:09:42,959

wants to do at through the world

281

00:09:49,110 --> 00:09:44,880

economic forum and he now

282

00:09:52,230 --> 00:09:49,120

and what the wef has said openly

283

00:09:54,389 --> 00:09:52,240

that the global pandemic and climate

284

00:09:57,910 --> 00:09:54,399

change are intimately linked

285

00:10:00,949 --> 00:09:57,920

in order to bring about

286

00:10:02,630 --> 00:10:00,959

their great reset new world order

287

00:10:04,150 --> 00:10:02,640

they they're open about this now this is

288

00:10:05,750 --> 00:10:04,160

not a conspiracy this is not

289

00:10:07,670 --> 00:10:05,760

you know nobody's wearing a tinfoil hat

290

00:10:09,990 --> 00:10:07,680

here this is what they say on their own

291

00:10:13,110 --> 00:10:10,000

website coming out of his own lips

292

00:10:17,269 --> 00:10:13,120

this is what they want to do now

293

00:10:19,829 --> 00:10:17,279

the great reset uh

294

00:10:20,470 --> 00:10:19,839

that phrase and the phrase build back

295

00:10:23,590 --> 00:10:20,480

better

296

00:10:25,110 --> 00:10:23,600

that's another phrase that waf came out

297

00:10:26,870 --> 00:10:25,120

with build back better

298

00:10:28,310 --> 00:10:26,880

sorry sorry who came up with that the

299

00:10:31,190 --> 00:10:28,320

world economic forum

300

00:10:32,470 --> 00:10:31,200

oh that didn't that's not biden's phrase

301  
00:10:33,990 --> 00:10:32,480  
well it is so he says it

302  
00:10:35,110 --> 00:10:34,000  
so do all the other leaders of the world

303  
00:10:36,310 --> 00:10:35,120  
they're saying the same thing we're

304  
00:10:38,870 --> 00:10:36,320  
going to build back better

305  
00:10:40,710 --> 00:10:38,880  
oh but but but i i didn't real i i

306  
00:10:41,190 --> 00:10:40,720  
thought that truly that was his campaign

307  
00:10:43,430 --> 00:10:41,200  
that came out

308  
00:10:46,150 --> 00:10:43,440  
of that no he did not come up with that

309  
00:10:47,509 --> 00:10:46,160  
that was not his phrase originally but

310  
00:10:51,430 --> 00:10:47,519  
it's a clever phrase

311  
00:10:55,110 --> 00:10:51,440  
right and you have to parse it now

312  
00:10:56,790 --> 00:10:55,120  
those of us who are english speakers

313  
00:10:58,230 --> 00:10:56,800

understand when i say you need to parse

314

00:11:00,790 --> 00:10:58,240

a statement what does it say

315

00:11:01,509 --> 00:11:00,800

what does it mean when you say build

316

00:11:03,430 --> 00:11:01,519

back better

317

00:11:05,350 --> 00:11:03,440

the best example i can give you is let's

318

00:11:09,030 --> 00:11:05,360

say heaven forbid

319

00:11:11,670 --> 00:11:09,040

your house burns down it's a shock

320

00:11:13,670 --> 00:11:11,680

total loss you're gonna be for two or

321

00:11:15,430 --> 00:11:13,680

three months in complete dismay

322

00:11:17,190 --> 00:11:15,440

that your house burned down and you lost

323

00:11:18,389 --> 00:11:17,200

everything you're going to work through

324

00:11:19,990 --> 00:11:18,399

the difficulties you're going to

325

00:11:21,430 --> 00:11:20,000

insurance company if you add insurance

326

00:11:23,590 --> 00:11:21,440

is eventually going to come around and

327

00:11:26,389 --> 00:11:23,600

say well we'll give you x dollars for

328

00:11:27,590 --> 00:11:26,399

your your house so that you can do

329

00:11:29,509 --> 00:11:27,600

something else

330

00:11:31,509 --> 00:11:29,519

if you want to do it over whatever they

331

00:11:34,150 --> 00:11:31,519

give you the money

332

00:11:36,389 --> 00:11:34,160

and you you kind of pull your bootstraps

333

00:11:39,190 --> 00:11:36,399

up and after a while you say you know

334

00:11:40,790 --> 00:11:39,200

i'm going to lick this this was a very

335

00:11:42,870 --> 00:11:40,800

devastating thing to have my house

336

00:11:45,990 --> 00:11:42,880

burned down and lose everything

337

00:11:49,509 --> 00:11:46,000

but now i'm going to build back

338

00:11:50,150 --> 00:11:49,519

better that's an attitude of hope for

339

00:11:53,190 --> 00:11:50,160

you

340

00:11:55,670 --> 00:11:53,200

but what does it imply it implies that

341

00:11:56,949 --> 00:11:55,680

your house burned down for pete's sake

342

00:11:58,710 --> 00:11:56,959

when somebody says they're going to

343

00:12:00,629 --> 00:11:58,720

build back better

344

00:12:02,550 --> 00:12:00,639

it means that something has been burned

345

00:12:05,350 --> 00:12:02,560

down

346

00:12:06,790 --> 00:12:05,360

namely the economic system of the planet

347

00:12:09,990 --> 00:12:06,800

and you're going to build back

348

00:12:13,350 --> 00:12:10,000

better this is very dangerous talk

349

00:12:13,990 --> 00:12:13,360

the only group in the world that has

350

00:12:17,190 --> 00:12:14,000

sworn

351  
00:12:20,230 --> 00:12:17,200  
to destroy capitalism free enterprise

352  
00:12:21,990 --> 00:12:20,240  
is the united nations well

353  
00:12:23,269 --> 00:12:22,000  
that's the technocrats of the united

354  
00:12:27,670 --> 00:12:23,279  
nations

355  
00:12:30,629 --> 00:12:27,680  
they've their pledged to replace

356  
00:12:32,870 --> 00:12:30,639  
free-market economics with sustainable

357  
00:12:34,790 --> 00:12:32,880  
development

358  
00:12:36,550 --> 00:12:34,800  
that's the great reset that's the bill

359  
00:12:39,030 --> 00:12:36,560  
back better

360  
00:12:41,190 --> 00:12:39,040  
they need to murder literally the

361  
00:12:43,269 --> 00:12:41,200  
economic system of the planet

362  
00:12:44,389 --> 00:12:43,279  
in order to build back better on its

363  
00:12:47,509 --> 00:12:44,399

ashes

364

00:12:51,430 --> 00:12:47,519

well and and it has been murdered by

365

00:12:54,470 --> 00:12:51,440

kobe shutdowns yes it has

366

00:12:58,230 --> 00:12:54,480

they had the they had the uh excuse

367

00:12:59,829 --> 00:12:58,240

they had the uh don't let a great um

368

00:13:01,350 --> 00:12:59,839

uh what's the word catastrophe or

369

00:13:03,030 --> 00:13:01,360

whatever go to ways

370

00:13:05,870 --> 00:13:03,040

that's right yeah don't let it go to

371

00:13:08,629 --> 00:13:05,880

waste i have documented on

372

00:13:11,910 --> 00:13:08,639

technocracy.news by the way

373

00:13:13,910 --> 00:13:11,920

that the original uh panic that started

374

00:13:15,430 --> 00:13:13,920

was at the hands of the same people who

375

00:13:18,790 --> 00:13:15,440

have been promoting

376

00:13:19,590 --> 00:13:18,800

uh climate alarmism global warming

377

00:13:23,190 --> 00:13:19,600

alarmism

378

00:13:25,110 --> 00:13:23,200

for years same people using the same

379

00:13:27,750 --> 00:13:25,120

flawed computer models

380

00:13:28,550 --> 00:13:27,760

using the same academic credentials to

381

00:13:31,829 --> 00:13:28,560

hide behind

382

00:13:35,190 --> 00:13:31,839

like we're experts you know

383

00:13:37,430 --> 00:13:35,200

this was a program of the same people

384

00:13:41,509 --> 00:13:37,440

that have brought us climate change

385

00:13:43,430 --> 00:13:41,519

catastrophe you know fear fear mongering

386

00:13:45,110 --> 00:13:43,440

for all these years it hasn't worked but

387

00:13:46,870 --> 00:13:45,120

now they have dead bodies to show and

388

00:13:48,550 --> 00:13:46,880

they're having a heyday

389

00:13:50,550 --> 00:13:48,560

this is their initiative this is their

390

00:13:53,509 --> 00:13:50,560

narrative and it's the same

391

00:13:54,310 --> 00:13:53,519

we all need to do this together this

392

00:13:55,750 --> 00:13:54,320

needs to be

393

00:13:57,670 --> 00:13:55,760

you know community the world needs to

394

00:13:59,829 --> 00:13:57,680

come together for this

395

00:14:01,110 --> 00:13:59,839

and anybody and you also have them

396

00:14:03,670 --> 00:14:01,120

blaming deniers

397

00:14:05,590 --> 00:14:03,680

right you have climate change deniers

398

00:14:07,350 --> 00:14:05,600

and you have coveted deniers and they

399

00:14:09,430 --> 00:14:07,360

change and they shame you and they

400

00:14:11,350 --> 00:14:09,440

deplatform you etc

401  
00:14:12,470 --> 00:14:11,360  
if you question things regarding covet

402  
00:14:14,230 --> 00:14:12,480  
or climate change

403  
00:14:16,949 --> 00:14:14,240  
yes exactly what happened with climate

404  
00:14:19,829 --> 00:14:16,959  
change i'll never forget the day

405  
00:14:21,509 --> 00:14:19,839  
that al gore talking about his film an

406  
00:14:22,389 --> 00:14:21,519  
inconvenient truth or something like

407  
00:14:25,829 --> 00:14:22,399  
that

408  
00:14:36,150 --> 00:14:25,839  
deserve to be punished

409  
00:14:38,710 --> 00:14:36,160  
talk for anybody

410  
00:14:40,150 --> 00:14:38,720  
but for those who question the climate

411  
00:14:42,150 --> 00:14:40,160  
narrative

412  
00:14:43,189 --> 00:14:42,160  
the science and i'm not just people like

413  
00:14:46,550 --> 00:14:43,199

me but i mean

414

00:14:48,389 --> 00:14:46,560

legitimate astrophysicists and

415

00:14:50,150 --> 00:14:48,399

climate scientists various whatever they

416

00:14:53,110 --> 00:14:50,160

want to question

417

00:14:55,750 --> 00:14:53,120

the these other findings that clearly

418

00:14:58,629 --> 00:14:55,760

have been corrupted with corrupted data

419

00:15:00,389 --> 00:14:58,639

they're called climate deniers and they

420

00:15:01,990 --> 00:15:00,399

deserve to be punished now you have the

421

00:15:04,150 --> 00:15:02,000

same thing happening with

422

00:15:05,990 --> 00:15:04,160

uh with the the covet deniers the

423

00:15:06,550 --> 00:15:06,000

suppose you know whatever the pandemic

424

00:15:08,790 --> 00:15:06,560

uh the

425

00:15:09,670 --> 00:15:08,800

the face master and they are be they are

426

00:15:11,110 --> 00:15:09,680

being punished

427

00:15:13,269 --> 00:15:11,120

i mean i think there's any question that

428

00:15:14,949 --> 00:15:13,279

you are you are ostracized in the

429

00:15:16,470 --> 00:15:14,959

scientific community if you

430

00:15:18,550 --> 00:15:16,480

question it i think that there's tons of

431

00:15:20,790 --> 00:15:18,560

them that just choose to uh

432

00:15:21,670 --> 00:15:20,800

it's not worth losing my career over

433

00:15:24,550 --> 00:15:21,680

i'll just

434

00:15:26,069 --> 00:15:24,560

keep quiet about it right and same thing

435

00:15:28,710 --> 00:15:26,079

is going on in the medical community

436

00:15:29,470 --> 00:15:28,720

with doctors who might say that well

437

00:15:35,670 --> 00:15:29,480

actually

438

00:15:36,710 --> 00:15:35,680

treatment for covid but it's gotten so

439

00:15:38,150 --> 00:15:36,720

politicized

440

00:15:39,990 --> 00:15:38,160

and they'll be ostracized if they

441

00:15:42,069 --> 00:15:40,000

promote it that they just go quiet

442

00:15:43,749 --> 00:15:42,079

yes it becomes self-censorship at that

443

00:15:46,470 --> 00:15:43,759

point

444

00:15:48,150 --> 00:15:46,480

where they shut up for fear of being

445

00:15:50,470 --> 00:15:48,160

ostracized

446

00:15:51,670 --> 00:15:50,480

yeah so yeah the the links between the

447

00:15:54,310 --> 00:15:51,680

two are scary

448

00:15:55,509 --> 00:15:54,320

and you know they were using climate

449

00:15:57,110 --> 00:15:55,519

change and now coveted

450

00:15:59,350 --> 00:15:57,120

they've hopped on coveted it seems like

451

00:16:01,430 --> 00:15:59,360

an even easier thing to use

452

00:16:03,110 --> 00:16:01,440

for a great reset well the one thing

453

00:16:03,910 --> 00:16:03,120

they never had with climate change was

454

00:16:04,949 --> 00:16:03,920

dead bodies

455

00:16:06,150 --> 00:16:04,959

you know i don't know if you ever

456

00:16:07,749 --> 00:16:06,160

noticed that but there was no dead

457

00:16:08,470 --> 00:16:07,759

bodies nobody ever died from climate

458

00:16:10,069 --> 00:16:08,480

change

459

00:16:11,829 --> 00:16:10,079

they claim people are dying from climate

460

00:16:13,509 --> 00:16:11,839

change well they do but they can't

461

00:16:14,949 --> 00:16:13,519

produce pictures of the bodies now the

462

00:16:19,110 --> 00:16:14,959

polar bears

463

00:16:21,590 --> 00:16:19,120

tried to get that off but that

464

00:16:22,550 --> 00:16:21,600

that ran out of steam too but now that

465

00:16:25,749 --> 00:16:22,560

they can show

466

00:16:28,790 --> 00:16:25,759

people in bodybags anywhere

467

00:16:31,430 --> 00:16:28,800

and say that's because of covid

468

00:16:32,790 --> 00:16:31,440

people believe that and that has

469

00:16:35,829 --> 00:16:32,800

fulfilled

470

00:16:37,030 --> 00:16:35,839

poor little bretta thundberg's dreams

471

00:16:40,230 --> 00:16:37,040

that you need to behave

472

00:16:42,230 --> 00:16:40,240

as if your house is on fire and

473

00:16:43,910 --> 00:16:42,240

uh people are behaving that way now they

474

00:16:45,269 --> 00:16:43,920

got their attention because of the dead

475

00:16:48,389 --> 00:16:45,279

bodies

476

00:16:50,069 --> 00:16:48,399

the perfect storm for

477

00:16:51,590 --> 00:16:50,079

sustainable development in the great

478

00:16:53,749 --> 00:16:51,600

reset

479

00:16:55,189 --> 00:16:53,759

so i know you would consider china to be

480

00:17:01,110 --> 00:16:55,199

a technocracy

481

00:17:02,870 --> 00:17:01,120

right so um and obviously looking to

482

00:17:04,549 --> 00:17:02,880

become the the world's most dominant

483

00:17:06,069 --> 00:17:04,559

power seems pretty obvious that that's

484

00:17:10,150 --> 00:17:06,079

an objective of theirs

485

00:17:14,069 --> 00:17:10,160

um it seems as if now it's confirmed

486

00:17:16,230 --> 00:17:14,079

that this virus came from a chinese lab

487

00:17:17,510 --> 00:17:16,240

um the chinese lab that's always been

488

00:17:19,270 --> 00:17:17,520

discussed even though

489

00:17:20,630 --> 00:17:19,280

early on people were convinced that it

490

00:17:23,429 --> 00:17:20,640

came from bats or

491

00:17:25,189 --> 00:17:23,439

rodents the wet marks and so on china

492

00:17:27,429 --> 00:17:25,199

has even thrown out there lately that it

493

00:17:30,789 --> 00:17:27,439

came from spain

494

00:17:33,750 --> 00:17:30,799

but i saw a couple experts on bill maher

495

00:17:35,190 --> 00:17:33,760

known for being you know a a guy from

496

00:17:36,789 --> 00:17:35,200

the left and they just flat out said

497

00:17:37,750 --> 00:17:36,799

it's a hundred and ten percent that it

498

00:17:39,909 --> 00:17:37,760

came from a lab

499

00:17:41,029 --> 00:17:39,919

so yeah what what what do you know you

500

00:17:42,070 --> 00:17:41,039

know about that and let's talk about

501  
00:17:46,710 --> 00:17:42,080  
what

502  
00:17:49,750 --> 00:17:46,720  
concerned the most correct

503  
00:17:50,470 --> 00:17:49,760  
the most credible um evidence and

504  
00:17:53,510 --> 00:17:50,480  
analysis

505  
00:17:55,350 --> 00:17:53,520  
at this point said it came from a lab

506  
00:17:57,190 --> 00:17:55,360  
u.s intelligence also has said that

507  
00:17:58,710 --> 00:17:57,200  
right yes and i don't think there's any

508  
00:18:00,310 --> 00:17:58,720  
doubt the chinese are never going to

509  
00:18:00,710 --> 00:18:00,320  
admit this you know that they're gonna

510  
00:18:02,630 --> 00:18:00,720  
lie

511  
00:18:05,750 --> 00:18:02,640  
they're gonna they're gonna throw up

512  
00:18:07,669 --> 00:18:05,760  
flak to take people off the trail

513  
00:18:09,750 --> 00:18:07,679

but their behavior does nothing more

514

00:18:11,669 --> 00:18:09,760

than confirm what western

515

00:18:13,110 --> 00:18:11,679

experts say that it came from their

516

00:18:14,950 --> 00:18:13,120

laboratory

517

00:18:17,190 --> 00:18:14,960

now what nobody's really saying a whole

518

00:18:18,870 --> 00:18:17,200

lot about is that that laboratory had a

519

00:18:21,990 --> 00:18:18,880

lot of western connections

520

00:18:22,470 --> 00:18:22,000

and it did there was they received money

521

00:18:28,150 --> 00:18:22,480

from

522

00:18:29,909 --> 00:18:28,160

united states as well as europe

523

00:18:31,350 --> 00:18:29,919

this was not just you know we can't just

524

00:18:34,710 --> 00:18:31,360

look at it and say oh it's

525

00:18:35,909 --> 00:18:34,720

just china doing this

526

00:18:38,230 --> 00:18:35,919

what are these other people doing

527

00:18:41,350 --> 00:18:38,240

involved with it what's fauci's role

528

00:18:43,510 --> 00:18:41,360

with that particular laboratory and

529

00:18:45,830 --> 00:18:43,520

virus research that they were doing and

530

00:18:47,590 --> 00:18:45,840

it is there is a connection

531

00:18:49,190 --> 00:18:47,600

i got questions we don't have all the

532

00:18:52,150 --> 00:18:49,200

answers

533

00:18:52,710 --> 00:18:52,160

but that seems to be where it came from

534

00:18:54,470 --> 00:18:52,720

pretty much

535

00:18:56,150 --> 00:18:54,480

everybody in the universe at this point

536

00:18:59,350 --> 00:18:56,160

is pointing to

537

00:19:00,470 --> 00:18:59,360

the wuhan virology lab there as being

538

00:19:02,390 --> 00:19:00,480

the source of this now

539

00:19:03,830 --> 00:19:02,400

question was was it accidentally

540

00:19:07,590 --> 00:19:03,840

released

541

00:19:09,830 --> 00:19:07,600

question isn't answered that's just

542

00:19:11,750 --> 00:19:09,840

if they say where it was where it was

543

00:19:13,510 --> 00:19:11,760

developed

544

00:19:15,110 --> 00:19:13,520

doesn't really answer that critical

545

00:19:18,630 --> 00:19:15,120

question was it purposeful

546

00:19:22,070 --> 00:19:18,640

or was it accidentally released

547

00:19:24,630 --> 00:19:22,080

well what is that lab

548

00:19:25,350 --> 00:19:24,640

does what it studies infectious diseases

549

00:19:28,950 --> 00:19:25,360

does it

550

00:19:30,710 --> 00:19:28,960

create diseases in order to study them

551

00:19:32,230 --> 00:19:30,720

what do we know about the lab well

552

00:19:35,270 --> 00:19:32,240

that's exactly what what

553

00:19:37,830 --> 00:19:35,280

what they do it's it's a level four

554

00:19:40,470 --> 00:19:37,840

uh lab which makes us the most secure in

555

00:19:44,630 --> 00:19:40,480

the world that's the designation

556

00:19:46,470 --> 00:19:44,640

it's supposed to be escape proof uh

557

00:19:48,310 --> 00:19:46,480

you know there's not that many level

558

00:19:49,430 --> 00:19:48,320

four laboratories around the world but

559

00:19:51,750 --> 00:19:49,440

they're supposed to be

560

00:19:53,590 --> 00:19:51,760

so secure that they're escape proof and

561

00:19:55,190 --> 00:19:53,600

this may prove it wrong

562

00:19:56,789 --> 00:19:55,200

this actually some people are saying

563

00:19:58,950 --> 00:19:56,799

well that proves that they released it

564

00:20:01,909 --> 00:19:58,960

on purpose because the lab should never

565

00:20:03,270 --> 00:20:01,919

you know but there's arguments on that

566

00:20:06,870 --> 00:20:03,280

in both directions

567

00:20:10,789 --> 00:20:06,880

but they studied at that

568

00:20:14,070 --> 00:20:10,799

virology lab the creation

569

00:20:16,390 --> 00:20:14,080

of variants of viruses

570

00:20:18,149 --> 00:20:16,400

to promote what they call gain of

571

00:20:21,430 --> 00:20:18,159

function

572

00:20:24,549 --> 00:20:21,440

and this is an experimental

573

00:20:27,909 --> 00:20:24,559

uh genetically modified

574

00:20:33,110 --> 00:20:27,919

practice of seeing what can be

575

00:20:35,270 --> 00:20:33,120

done with viruses as biological weapon

576

00:20:36,870 --> 00:20:35,280

this has been going on around the world

577

00:20:38,710 --> 00:20:36,880

in these types of labs

578

00:20:39,990 --> 00:20:38,720

ever since they're created ever since

579

00:20:43,830 --> 00:20:40,000

they really got a handle

580

00:20:46,230 --> 00:20:43,840

on especially on crispr technology to do

581

00:20:49,350 --> 00:20:46,240

genetic modification

582

00:20:51,510 --> 00:20:49,360

so this is their business to do this

583

00:20:54,310 --> 00:20:51,520

kind of thing

584

00:20:55,430 --> 00:20:54,320

and you know did they specifically

585

00:20:58,149 --> 00:20:55,440

engineer this

586

00:20:59,510 --> 00:20:58,159

virus to do what it's doing today nobody

587

00:21:00,950 --> 00:20:59,520

could really answer that question

588

00:21:02,390 --> 00:21:00,960

because

589

00:21:04,310 --> 00:21:02,400

you know the people on the inside of the

590

00:21:04,950 --> 00:21:04,320

lab aren't talking well they can't talk

591

00:21:07,510 --> 00:21:04,960

because

592

00:21:08,710 --> 00:21:07,520

china took care of that they open their

593

00:21:10,070 --> 00:21:08,720

mouth they're dead

594

00:21:12,870 --> 00:21:10,080

they'll just disappear in their whole

595

00:21:14,870 --> 00:21:12,880

families and then go into a black hole

596

00:21:16,789 --> 00:21:14,880

um so if you think the lab was

597

00:21:17,110 --> 00:21:16,799

experimenting with bioweapons why would

598

00:21:20,310 --> 00:21:17,120

the

599

00:21:21,909 --> 00:21:20,320

west have been giving money to this lab

600

00:21:23,830 --> 00:21:21,919

i could see the west donating something

601  
00:21:24,470 --> 00:21:23,840  
that's studying infectious diseases for

602  
00:21:30,950 --> 00:21:24,480  
the

603  
00:21:33,990 --> 00:21:30,960  
of stuff for a very

604  
00:21:38,310 --> 00:21:34,000  
very long time this is not new

605  
00:21:41,350 --> 00:21:38,320  
um you hope as citizens

606  
00:21:42,630 --> 00:21:41,360  
at least in america we hope that there

607  
00:21:45,750 --> 00:21:42,640  
is never

608  
00:21:46,310 --> 00:21:45,760  
a meltdown or a massive leak in some of

609  
00:21:48,950 --> 00:21:46,320  
these

610  
00:21:50,549 --> 00:21:48,960  
level four laboratories a lot of people

611  
00:21:52,390 --> 00:21:50,559  
are concerned about it

612  
00:21:54,149 --> 00:21:52,400  
we used to be concerned that a nuclear

613  
00:21:56,310 --> 00:21:54,159

reactor somewhere is going to melt down

614

00:21:58,470 --> 00:21:56,320

and release radiation

615

00:22:00,390 --> 00:21:58,480

that that would be nothing compared to

616

00:22:01,270 --> 00:22:00,400

what would happen if one of these labs

617

00:22:04,070 --> 00:22:01,280

all of a sudden

618

00:22:05,110 --> 00:22:04,080

threw open the door and all their stuff

619

00:22:08,070 --> 00:22:05,120

inside got out

620

00:22:09,990 --> 00:22:08,080

it would just it would be you know the

621

00:22:12,390 --> 00:22:10,000

end of america probably and maybe the

622

00:22:16,470 --> 00:22:12,400

whole world

623

00:22:18,710 --> 00:22:16,480

why should technocrats like this

624

00:22:19,750 --> 00:22:18,720

experiment with such things they

625

00:22:22,870 --> 00:22:19,760

shouldn't

626

00:22:24,789 --> 00:22:22,880

in my opinion nobody should be doing

627

00:22:27,990 --> 00:22:24,799

this kind of experiment

628

00:22:29,669 --> 00:22:28,000

but they do it because they can they do

629

00:22:31,190 --> 00:22:29,679

it because they have taxpayer money they

630

00:22:33,510 --> 00:22:31,200

don't come up with the money to do this

631

00:22:35,430 --> 00:22:33,520

it's all given to them they've never

632

00:22:37,110 --> 00:22:35,440

worked an honest day in their life so to

633

00:22:38,149 --> 00:22:37,120

speak to generate wealth or generate

634

00:22:41,029 --> 00:22:38,159

income

635

00:22:42,630 --> 00:22:41,039

they're given a salary to develop this

636

00:22:44,549 --> 00:22:42,640

kind of stuff you say well okay so who

637

00:22:46,390 --> 00:22:44,559

gives them the salaries

638

00:22:48,149 --> 00:22:46,400

well well the government gives them the

639

00:22:50,070 --> 00:22:48,159

salaries that's who

640

00:22:51,590 --> 00:22:50,080

and in our case through our government

641

00:22:55,430 --> 00:22:51,600

and through uh

642

00:22:58,470 --> 00:22:55,440

the the nih that fauci has

643

00:22:59,990 --> 00:22:58,480

been had up for years money flows to

644

00:23:03,909 --> 00:23:00,000

organizations like this

645

00:23:05,350 --> 00:23:03,919

to do research it's pretty crazy and

646

00:23:07,669 --> 00:23:05,360

pretty convoluted and

647

00:23:09,669 --> 00:23:07,679

i mean it's stunning that i mean they're

648

00:23:13,350 --> 00:23:09,679

our largest

649

00:23:15,029 --> 00:23:13,360

geopolitical foe slash enemy

650

00:23:16,470 --> 00:23:15,039

fact that we would cooperate with them

651  
00:23:19,669 --> 00:23:16,480  
on anything like this

652  
00:23:20,390 --> 00:23:19,679  
is hard to believe i can tell you why i

653  
00:23:23,350 --> 00:23:20,400  
have a good

654  
00:23:25,990 --> 00:23:23,360  
very good theory why this this happens

655  
00:23:29,190 --> 00:23:26,000  
this way because

656  
00:23:33,590 --> 00:23:29,200  
the technocrats who run china

657  
00:23:35,510 --> 00:23:33,600  
are fully engaged with the technocrats

658  
00:23:36,789 --> 00:23:35,520  
and the rest of the world that's not

659  
00:23:39,750 --> 00:23:36,799  
everyone but

660  
00:23:41,269 --> 00:23:39,760  
the technocrats in the rest of the world

661  
00:23:43,110 --> 00:23:41,279  
they're very cozy

662  
00:23:45,990 --> 00:23:43,120  
and they change information back and

663  
00:23:49,110 --> 00:23:46,000

forth like it's nothing

664

00:23:51,269 --> 00:23:49,120

the technocrats in china believe that

665

00:23:52,789 --> 00:23:51,279

they have a right to any other data and

666

00:23:54,230 --> 00:23:52,799

any other research and science in the

667

00:23:55,830 --> 00:23:54,240

world they think they have a right to

668

00:23:58,230 --> 00:23:55,840

that what copyright is

669

00:24:01,029 --> 00:23:58,240

aside and patents aside they think if it

670

00:24:05,510 --> 00:24:01,039

exists they have a right to get it

671

00:24:07,830 --> 00:24:05,520

and vice versa so we see people

672

00:24:09,669 --> 00:24:07,840

unusual bet fellows we see people like

673

00:24:11,350 --> 00:24:09,679

elon musk for instance building a

674

00:24:13,669 --> 00:24:11,360

partnership with china for one of its

675

00:24:15,750 --> 00:24:13,679

largest giga plants

676

00:24:18,390 --> 00:24:15,760

he loves china he's praised china for

677

00:24:20,390 --> 00:24:18,400

its being a great place and america is

678

00:24:22,789 --> 00:24:20,400

all backwards and out of date and you

679

00:24:24,870 --> 00:24:22,799

know we should be more like china

680

00:24:26,549 --> 00:24:24,880

really you live here elon musk just

681

00:24:29,990 --> 00:24:26,559

moved to texas

682

00:24:31,990 --> 00:24:30,000

he's exhibited um libertarian leanings

683

00:24:34,870 --> 00:24:32,000

uh from time to time

684

00:24:36,390 --> 00:24:34,880

but elon musk's grandfather was a head

685

00:24:38,549 --> 00:24:36,400

of technocracy in canada

686

00:24:39,669 --> 00:24:38,559

during the 30s and 40s he grew up in

687

00:24:41,430 --> 00:24:39,679

that home

688

00:24:42,789 --> 00:24:41,440

he understands technocracy and he's a

689

00:24:46,870 --> 00:24:42,799

technocrat

690

00:24:48,630 --> 00:24:46,880

you have a more autocratic or

691

00:24:50,950 --> 00:24:48,640

authoritarian government can do anything

692

00:24:53,430 --> 00:24:50,960

it wants and it does

693

00:24:54,230 --> 00:24:53,440

china acts more like musk runs his

694

00:24:56,149 --> 00:24:54,240

factories

695

00:24:57,669 --> 00:24:56,159

they love that their birds of a feather

696

00:24:59,909 --> 00:24:57,679

flock together

697

00:25:01,510 --> 00:24:59,919

now you have somebody like fauci and and

698

00:25:03,590 --> 00:25:01,520

his cronies

699

00:25:05,029 --> 00:25:03,600

they're also in the same boat they're

700

00:25:06,470 --> 00:25:05,039

technocrats

701  
00:25:08,789 --> 00:25:06,480  
they love what's going on over there in

702  
00:25:10,549 --> 00:25:08,799  
china because they can do more things

703  
00:25:11,990 --> 00:25:10,559  
than they can do here

704  
00:25:14,390 --> 00:25:12,000  
so i don't think there i don't think

705  
00:25:17,269 --> 00:25:14,400  
there's any barrier

706  
00:25:18,950 --> 00:25:17,279  
if from people in the west who think

707  
00:25:20,870 --> 00:25:18,960  
this way who are

708  
00:25:23,190 --> 00:25:20,880  
who have a mind of a technocrat i don't

709  
00:25:27,430 --> 00:25:23,200  
think there's any barrier for them

710  
00:25:28,549 --> 00:25:27,440  
to not work with somebody like

711  
00:25:29,830 --> 00:25:28,559  
yeah china does seem to me that there's

712  
00:25:31,350 --> 00:25:29,840  
a big risk that people are going to

713  
00:25:33,590 --> 00:25:31,360

start looking to china

714

00:25:35,029 --> 00:25:33,600

as the model to follow i mean just the

715

00:25:35,669 --> 00:25:35,039

statements you just mentioned from musk

716

00:25:42,549 --> 00:25:35,679

and

717

00:25:45,190 --> 00:25:42,559

statement would be 10 or 20 years ago as

718

00:25:45,750 --> 00:25:45,200

america kind of muddles along here and

719

00:25:47,750 --> 00:25:45,760

you know

720

00:25:49,590 --> 00:25:47,760

our economy is probably not going to do

721

00:25:52,230 --> 00:25:49,600

great over the next four years

722

00:25:53,269 --> 00:25:52,240

and you see china recovering quickly and

723

00:25:55,590 --> 00:25:53,279

so on

724

00:25:58,310 --> 00:25:55,600

that people think that that's that's a

725

00:26:01,590 --> 00:25:58,320

model for success

726

00:26:04,710 --> 00:26:01,600

they do but i what i would say is

727

00:26:07,990 --> 00:26:04,720

a centrally controlled economy which

728

00:26:08,950 --> 00:26:08,000

china used to be closer to 100 centrally

729

00:26:09,990 --> 00:26:08,960

controlled

730

00:26:12,230 --> 00:26:10,000

i think that they've become

731

00:26:14,470 --> 00:26:12,240

decentralized and allowed some

732

00:26:16,310 --> 00:26:14,480

level of private enterprise in the past

733

00:26:18,950 --> 00:26:16,320

20 years which explains

734

00:26:19,909 --> 00:26:18,960

their resurgence right it's actually

735

00:26:21,430 --> 00:26:19,919

infusion of

736

00:26:23,669 --> 00:26:21,440

some element of private enterprises

737

00:26:25,750 --> 00:26:23,679

really what's caused them to take off

738

00:26:27,590 --> 00:26:25,760

but nonetheless it's still a primarily

739

00:26:30,630 --> 00:26:27,600

essentially controlled economy which i

740

00:26:33,510 --> 00:26:30,640

argue will always eventually

741

00:26:34,149 --> 00:26:33,520

implode so is that a good prediction for

742

00:26:36,870 --> 00:26:34,159

what's going to

743

00:26:37,750 --> 00:26:36,880

ultimately happen to china or not i

744

00:26:41,269 --> 00:26:37,760

don't

745

00:26:43,750 --> 00:26:41,279

um

746

00:26:44,710 --> 00:26:43,760

i look at the people that are making

747

00:26:46,710 --> 00:26:44,720

capitalist and

748

00:26:49,029 --> 00:26:46,720

what look to be capitalism rules like

749

00:26:51,430 --> 00:26:49,039

jack ma as an example

750

00:26:52,630 --> 00:26:51,440

uh he's a billionaire much like elon

751  
00:26:55,669 --> 00:26:52,640  
musk in a lot of ways

752  
00:26:57,909 --> 00:26:55,679  
uh he rose up you know and started a

753  
00:27:01,590 --> 00:26:57,919  
business made a lot of money

754  
00:27:03,669 --> 00:27:01,600  
but jack ma is not purely a communist

755  
00:27:05,510 --> 00:27:03,679  
for sure he's really exhibiting all the

756  
00:27:06,789 --> 00:27:05,520  
behavior of a technocrat

757  
00:27:09,029 --> 00:27:06,799  
and there's a lot of people like that in

758  
00:27:12,470 --> 00:27:09,039  
china and china's

759  
00:27:13,909 --> 00:27:12,480  
leadership is mostly scientific oriented

760  
00:27:15,990 --> 00:27:13,919  
they're engineers and scientists

761  
00:27:18,470 --> 00:27:16,000  
themselves with advanced degrees some

762  
00:27:20,630 --> 00:27:18,480  
many of them have phds

763  
00:27:21,830 --> 00:27:20,640

and they're using the technology to

764

00:27:25,190 --> 00:27:21,840

engineer society

765

00:27:26,549 --> 00:27:25,200

that's the mark of a technocracy uh it's

766

00:27:27,830 --> 00:27:26,559

not in other words they're not using

767

00:27:30,710 --> 00:27:27,840

communism as a tool

768

00:27:31,750 --> 00:27:30,720

to monitor the or to you know control

769

00:27:34,230 --> 00:27:31,760

the people

770

00:27:36,149 --> 00:27:34,240

they're using a technocratic system of

771

00:27:38,789 --> 00:27:36,159

of social control

772

00:27:40,470 --> 00:27:38,799

in the early days in america they

773

00:27:41,909 --> 00:27:40,480

technocrats call that the science of

774

00:27:44,710 --> 00:27:41,919

social engineering

775

00:27:46,630 --> 00:27:44,720

china has mastered that today with

776

00:27:49,909 --> 00:27:46,640

advanced technology

777

00:27:51,510 --> 00:27:49,919

um so what we see going on in china

778

00:27:54,789 --> 00:27:51,520

today with this economic system

779

00:27:57,990 --> 00:27:54,799

is engineered to be

780

00:27:59,669 --> 00:27:58,000

uh to be a technocracy they're exporting

781

00:28:02,389 --> 00:27:59,679

their technocracy around the world

782

00:28:04,310 --> 00:28:02,399

to for instance to africa to south

783

00:28:06,470 --> 00:28:04,320

america a lot to europe

784

00:28:08,789 --> 00:28:06,480

and it's also coming back on us here in

785

00:28:11,750 --> 00:28:08,799

america it's repeating in america

786

00:28:13,350 --> 00:28:11,760

um but china is exporting this ideology

787

00:28:15,269 --> 00:28:13,360

and has been with him a very long time

788

00:28:15,990 --> 00:28:15,279

from the very beginning when sabign

789

00:28:18,230 --> 00:28:16,000

brzezinski

790

00:28:19,190 --> 00:28:18,240

first brought china into the world stage

791

00:28:23,029 --> 00:28:19,200

again

792

00:28:26,149 --> 00:28:23,039

in 1976 they didn't teach him

793

00:28:29,269 --> 00:28:26,159

they didn't teach chairman dang

794

00:28:30,789 --> 00:28:29,279

capitalism and free enterprise they

795

00:28:33,669 --> 00:28:30,799

taught him technocracy

796

00:28:35,750 --> 00:28:33,679

and the principles of technocracy and

797

00:28:38,470 --> 00:28:35,760

this is what they've grown up with now

798

00:28:39,269 --> 00:28:38,480

you know could they implode yes i've i

799

00:28:40,870 --> 00:28:39,279

thought for ten

800

00:28:42,470 --> 00:28:40,880

over ten years now that they should have

801  
00:28:44,310 --> 00:28:42,480  
imploded because

802  
00:28:45,669 --> 00:28:44,320  
they have the screwiest economic system

803  
00:28:48,630 --> 00:28:45,679  
that you could ever imagine

804  
00:28:50,470 --> 00:28:48,640  
they really do it's so corrupt and it's

805  
00:28:52,789 --> 00:28:50,480  
so full of holes

806  
00:28:53,669 --> 00:28:52,799  
uh from just from an economic analysis

807  
00:28:56,389 --> 00:28:53,679  
point of view

808  
00:28:58,070 --> 00:28:56,399  
i used to say these these guys are just

809  
00:29:00,710 --> 00:28:58,080  
going to completely

810  
00:29:02,549 --> 00:29:00,720  
blow themselves up economically but you

811  
00:29:05,350 --> 00:29:02,559  
know what has never happened

812  
00:29:06,789 --> 00:29:05,360  
they're still going and they're still

813  
00:29:10,830 --> 00:29:06,799

engineering

814

00:29:13,190 --> 00:29:10,840

you know their economic system and their

815

00:29:13,830 --> 00:29:13,200

society and they haven't imploded and

816

00:29:15,830 --> 00:29:13,840

they haven't

817

00:29:17,430 --> 00:29:15,840

you know completely gone by zonkers now

818

00:29:18,789 --> 00:29:17,440

and now they're leading in some areas

819

00:29:21,909 --> 00:29:18,799

where you wonder

820

00:29:23,350 --> 00:29:21,919

if they really get control of this can

821

00:29:25,830 --> 00:29:23,360

anything stop them

822

00:29:27,350 --> 00:29:25,840

good question are they maybe succeeding

823

00:29:30,070 --> 00:29:27,360

in spite of themselves

824

00:29:31,669 --> 00:29:30,080

in spite of this corrupt system

825

00:29:34,870 --> 00:29:31,679

essentially controlled

826

00:29:38,630 --> 00:29:34,880

system because essentially the west

827

00:29:42,070 --> 00:29:38,640

is allowing it i mean we've handed them

828

00:29:42,950 --> 00:29:42,080

so much business you know big tech loves

829

00:29:46,230 --> 00:29:42,960

china

830

00:29:49,430 --> 00:29:46,240

i think because they make our goods

831

00:29:52,470 --> 00:29:49,440

very cheaply and they buy our goods

832

00:29:55,350 --> 00:29:52,480

so silicon valley is selling to china

833

00:29:56,549 --> 00:29:55,360

and also taking advantage of very low

834

00:29:57,990 --> 00:29:56,559

labor rates there

835

00:30:00,149 --> 00:29:58,000

but as long as the rest of the world

836

00:30:03,029 --> 00:30:00,159

continues to feed china so much

837

00:30:03,590 --> 00:30:03,039

business in both directions they've got

838

00:30:08,149 --> 00:30:03,600

nowhere

839

00:30:09,590 --> 00:30:08,159

else to go but up it would seem that way

840

00:30:11,029 --> 00:30:09,600

now they could have difficulties

841

00:30:12,149 --> 00:30:11,039

something could happen to them just as

842

00:30:15,590 --> 00:30:12,159

much as it could here

843

00:30:17,510 --> 00:30:15,600

i suppose or anywhere else but somebody

844

00:30:19,029 --> 00:30:17,520

somebody probably ought to be asking the

845

00:30:20,830 --> 00:30:19,039

question considering that the global

846

00:30:22,950 --> 00:30:20,840

economic system has been murdered by

847

00:30:25,110 --> 00:30:22,960

coven

848

00:30:26,230 --> 00:30:25,120

did china have any intention or any role

849

00:30:27,669 --> 00:30:26,240

in that did they have

850

00:30:29,750 --> 00:30:27,679

in other words did they have it out to

851  
00:30:31,909 --> 00:30:29,760  
murder the economic system of capitalism

852  
00:30:35,029 --> 00:30:31,919  
and free enterprise

853  
00:30:38,549 --> 00:30:35,039  
well let's go down that rabbit hole just

854  
00:30:42,149 --> 00:30:38,559  
a little bit um is that a theory

855  
00:30:45,830 --> 00:30:42,159  
that covid would have been intentionally

856  
00:30:48,830 --> 00:30:45,840  
um leaked out of this lab it would be

857  
00:30:51,190 --> 00:30:48,840  
it actually would be and even if it was

858  
00:30:54,789 --> 00:30:51,200  
accidental let's say what let's just

859  
00:30:58,870 --> 00:30:54,799  
say was accidental for a minute um

860  
00:31:00,470 --> 00:30:58,880  
once it was discovered to be released

861  
00:31:02,230 --> 00:31:00,480  
would they jump on it for that purpose

862  
00:31:02,950 --> 00:31:02,240  
and fan the flames of panic around the

863  
00:31:05,430 --> 00:31:02,960

world

864

00:31:07,029 --> 00:31:05,440

to destroy the global economic system

865

00:31:08,630 --> 00:31:07,039

maybe that's the better way to put it

866

00:31:11,190 --> 00:31:08,640

without touching yeah i just can't

867

00:31:14,549 --> 00:31:11,200

imagine that anyone could have predicted

868

00:31:16,310 --> 00:31:14,559

in in china that if something like this

869

00:31:17,590 --> 00:31:16,320

was released either intentionally or

870

00:31:18,389 --> 00:31:17,600

once as you point out once it was

871

00:31:21,029 --> 00:31:18,399

released

872

00:31:21,909 --> 00:31:21,039

deciding to to pursue this that that

873

00:31:25,110 --> 00:31:21,919

america

874

00:31:27,909 --> 00:31:25,120

would shut down

875

00:31:29,110 --> 00:31:27,919

its economy as it did i mean that would

876

00:31:30,149 --> 00:31:29,120

be tough to predict you'd have to

877

00:31:31,990 --> 00:31:30,159

predict

878

00:31:33,430 --> 00:31:32,000

exactly what would happen with covid

879

00:31:35,190 --> 00:31:33,440

once it started spreading the world

880

00:31:36,950 --> 00:31:35,200

how much of an impact would it have and

881

00:31:38,950 --> 00:31:36,960

then also what would be

882

00:31:40,070 --> 00:31:38,960

the political response to it that it

883

00:31:41,830 --> 00:31:40,080

just seems to me to be tough

884

00:31:43,430 --> 00:31:41,840

to predict i know i sure as heck would

885

00:31:47,269 --> 00:31:43,440

never predict that america would

886

00:31:47,750 --> 00:31:47,279

respond this way here's how it happened

887

00:31:49,830 --> 00:31:47,760

though

888

00:31:51,590 --> 00:31:49,840

we pretty much discovered now the

889

00:31:53,430 --> 00:31:51,600

mechanism that

890

00:31:54,870 --> 00:31:53,440

how the whole world all of a sudden

891

00:31:56,470 --> 00:31:54,880

froze up

892

00:31:58,310 --> 00:31:56,480

it's like having the engine in your car

893

00:32:00,230 --> 00:31:58,320

seize right just seize up because you

894

00:32:02,149 --> 00:32:00,240

didn't have oil in it or something

895

00:32:04,149 --> 00:32:02,159

what happened on a global basis was the

896

00:32:05,909 --> 00:32:04,159

united nations for years has been laying

897

00:32:08,549 --> 00:32:05,919

the groundwork around the world with

898

00:32:09,909 --> 00:32:08,559

treaties between companies or between

899

00:32:12,149 --> 00:32:09,919

countries excuse me

900

00:32:14,070 --> 00:32:12,159

and the united nations and these

901  
00:32:18,070 --> 00:32:14,080  
treaties have

902  
00:32:19,110 --> 00:32:18,080  
put a a binder on nations to behave a

903  
00:32:22,950 --> 00:32:19,120  
certain way

904  
00:32:25,430 --> 00:32:22,960  
during health emergencies according to

905  
00:32:27,269 --> 00:32:25,440  
what the who tells them to do that's a

906  
00:32:29,269 --> 00:32:27,279  
u.n agency

907  
00:32:31,110 --> 00:32:29,279  
all these treaties were in place before

908  
00:32:32,789 --> 00:32:31,120  
covet hit this this happened over a

909  
00:32:34,549 --> 00:32:32,799  
period of years

910  
00:32:35,909 --> 00:32:34,559  
uh that these traders were put in place

911  
00:32:37,269 --> 00:32:35,919  
you know like we have for instance the

912  
00:32:40,470 --> 00:32:37,279  
climate

913  
00:32:42,950 --> 00:32:40,480

it's not quite a treaty but it

914

00:32:44,710 --> 00:32:42,960

has the same effect signed by all the

915

00:32:47,350 --> 00:32:44,720

nations of the world

916

00:32:48,549 --> 00:32:47,360

well nations have signed these treaties

917

00:32:50,950 --> 00:32:48,559

big and small

918

00:32:52,470 --> 00:32:50,960

africa south america europe it doesn't

919

00:32:53,509 --> 00:32:52,480

matter where they are but virtually

920

00:32:56,870 --> 00:32:53,519

every nation in the world

921

00:32:58,710 --> 00:32:56,880

sign these treaties that they will obey

922

00:33:01,590 --> 00:32:58,720

the world health organization during a

923

00:33:05,029 --> 00:33:01,600

health emergency global health emergency

924

00:33:07,350 --> 00:33:05,039

the united nations pulled the chain

925

00:33:08,789 --> 00:33:07,360

on all of those treaties at the same

926  
00:33:11,909 --> 00:33:08,799  
time

927  
00:33:15,190 --> 00:33:11,919  
in early 2020 to

928  
00:33:19,430 --> 00:33:15,200  
cause the whole policy mechanism to be

929  
00:33:21,509 --> 00:33:19,440  
activated across the globe

930  
00:33:22,549 --> 00:33:21,519  
and they job of these countries and said

931  
00:33:26,950 --> 00:33:22,559  
you can't say

932  
00:33:29,269 --> 00:33:26,960  
no because you're under treaty on this

933  
00:33:31,269 --> 00:33:29,279  
you must do it you cannot be an outlet

934  
00:33:32,789 --> 00:33:31,279  
an outlier but the country's on either

935  
00:33:34,870 --> 00:33:32,799  
side of you're going to do it you don't

936  
00:33:37,830 --> 00:33:34,880  
do it you're going to kill them all

937  
00:33:39,350 --> 00:33:37,840  
if you don't behave and do what we say

938  
00:33:43,110 --> 00:33:39,360

and initially

939

00:33:45,430 --> 00:33:43,120

the entire planet knuckled under this

940

00:33:47,830 --> 00:33:45,440

and all of a sudden you wake up 30 days

941

00:33:50,950 --> 00:33:47,840

later forget flattening the curve

942

00:33:54,549 --> 00:33:50,960

you wake up 30 days later and the entire

943

00:33:56,950 --> 00:33:54,559

world economic system is at a standstill

944

00:33:58,149 --> 00:33:56,960

this is how they did it they took the

945

00:34:01,430 --> 00:33:58,159

policies that came

946

00:34:04,230 --> 00:34:01,440

out of the initial and by the way

947

00:34:04,630 --> 00:34:04,240

the policies originated in china the

948

00:34:06,389 --> 00:34:04,640

mass

949

00:34:08,790 --> 00:34:06,399

wearing masks social distancing

950

00:34:10,629 --> 00:34:08,800

lockdowns and so on

951  
00:34:12,629 --> 00:34:10,639  
they were spread to the world and back

952  
00:34:14,550 --> 00:34:12,639  
to the united nations through the london

953  
00:34:17,829 --> 00:34:14,560  
school

954  
00:34:21,190 --> 00:34:17,839  
um in in london

955  
00:34:23,270 --> 00:34:21,200  
and um uh one of the professors their

956  
00:34:24,389 --> 00:34:23,280  
original epidemiologist that released a

957  
00:34:27,430 --> 00:34:24,399  
study said we're all

958  
00:34:29,430 --> 00:34:27,440  
basically we're all going to die put

959  
00:34:29,990 --> 00:34:29,440  
those policies out right on the back of

960  
00:34:32,069 --> 00:34:30,000  
his ep

961  
00:34:33,349 --> 00:34:32,079  
of a study of his model computer model

962  
00:34:35,030 --> 00:34:33,359  
that's what you need to do the united

963  
00:34:36,389 --> 00:34:35,040

nations just picked that up and slapped

964

00:34:36,869 --> 00:34:36,399

it down in all the countries of the

965

00:34:38,310 --> 00:34:36,879

world

966

00:34:39,669 --> 00:34:38,320

this is what you have to do to protect

967

00:34:40,869 --> 00:34:39,679

yourselves and the rest of your

968

00:34:43,750 --> 00:34:40,879

neighbors

969

00:34:44,790 --> 00:34:43,760

do it now or else you know suffer our

970

00:34:46,550 --> 00:34:44,800

wrath

971

00:34:48,069 --> 00:34:46,560

and so you these countries really would

972

00:34:50,230 --> 00:34:48,079

be in violation of a treaty

973

00:34:52,069 --> 00:34:50,240

if they had not implemented lockdowns

974

00:34:54,149 --> 00:34:52,079

right that's exactly right and that's a

975

00:34:55,909 --> 00:34:54,159

treaty that is with the u.n or it's a

976  
00:34:57,270 --> 00:34:55,919  
treaty among nations

977  
00:34:59,910 --> 00:34:57,280  
where they say we're all going to adhere

978  
00:35:02,470 --> 00:34:59,920  
to these un or who

979  
00:35:05,829 --> 00:35:02,480  
in this case it was both that the u.n

980  
00:35:07,510 --> 00:35:05,839  
was the orchestrator of the treaties

981  
00:35:08,870 --> 00:35:07,520  
yeah well that that makes sense and it's

982  
00:35:10,150 --> 00:35:08,880  
a great explanation because one of the

983  
00:35:13,430 --> 00:35:10,160  
things i was always questioning

984  
00:35:15,190 --> 00:35:13,440  
about it was the fact that every country

985  
00:35:18,310 --> 00:35:15,200  
was doing the same thing and so it's

986  
00:35:21,349 --> 00:35:18,320  
what caused me to think well

987  
00:35:21,829 --> 00:35:21,359  
i think u.s is overreacting to this

988  
00:35:24,950 --> 00:35:21,839

thing

989

00:35:26,870 --> 00:35:24,960

but if every world leader is seeing this

990

00:35:28,870 --> 00:35:26,880

and acting the same way

991

00:35:30,950 --> 00:35:28,880

i must be missing something they must

992

00:35:32,470 --> 00:35:30,960

know something that i don't know

993

00:35:34,630 --> 00:35:32,480

but what you're saying is no it's all

994

00:35:36,870 --> 00:35:34,640

coming from one place wh

995

00:35:38,069 --> 00:35:36,880

yes and and the pressure is intense

996

00:35:40,390 --> 00:35:38,079

because

997

00:35:42,950 --> 00:35:40,400

violating a treaty can lead to things

998

00:35:45,589 --> 00:35:42,960

like sanctions and economic harm and

999

00:35:46,470 --> 00:35:45,599

political isolation and

1000

00:35:48,230 --> 00:35:46,480

you know there's all kinds of

1001  
00:35:50,069 --> 00:35:48,240  
browbeating that can go on just imagine

1002  
00:35:51,670 --> 00:35:50,079  
if the united states just flat out said

1003  
00:35:53,990 --> 00:35:51,680  
we're not going to do it and then canada

1004  
00:35:55,910 --> 00:35:54,000  
and mexico who are doing it

1005  
00:35:57,990 --> 00:35:55,920  
they step up and they take a complaint

1006  
00:35:59,349 --> 00:35:58,000  
to the world trade organization or

1007  
00:36:02,550 --> 00:35:59,359  
somebody that hey

1008  
00:36:06,710 --> 00:36:02,560  
those people united states are

1009  
00:36:10,310 --> 00:36:06,720  
adversely affecting our societies

1010  
00:36:12,950 --> 00:36:10,320  
because they refuse to wear face masks

1011  
00:36:14,950 --> 00:36:12,960  
well there is someone who who didn't do

1012  
00:36:16,310 --> 00:36:14,960  
it and that's sweden so let's talk about

1013  
00:36:19,589 --> 00:36:16,320

sweden for a moment

1014

00:36:21,910 --> 00:36:19,599

um did they violate some treaty by not

1015

00:36:24,390 --> 00:36:21,920

locking down like everyone else

1016

00:36:25,990 --> 00:36:24,400

i honestly i'm not sure in that specific

1017

00:36:28,230 --> 00:36:26,000

case if they are but sweden did

1018

00:36:29,510 --> 00:36:28,240

buck the trend and they had a good

1019

00:36:30,870 --> 00:36:29,520

outcome there have been a couple of

1020

00:36:33,910 --> 00:36:30,880

other countries that

1021

00:36:35,510 --> 00:36:33,920

you know i think isle of man just uh not

1022

00:36:36,150 --> 00:36:35,520

a very big country either but i think

1023

00:36:39,430 --> 00:36:36,160

they

1024

00:36:41,030 --> 00:36:39,440

free right now

1025

00:36:43,190 --> 00:36:41,040

and there's been a few islands i think

1026  
00:36:44,470 --> 00:36:43,200  
out in the pacific that are overtreated

1027  
00:36:46,390 --> 00:36:44,480  
maybe just because they're already

1028  
00:36:49,190 --> 00:36:46,400  
isolated i don't know

1029  
00:36:50,069 --> 00:36:49,200  
but um yeah it's amazing how little you

1030  
00:36:52,230 --> 00:36:50,079  
hear about

1031  
00:36:53,349 --> 00:36:52,240  
sweden um they don't nobody wants to

1032  
00:36:56,470 --> 00:36:53,359  
talk about sweden

1033  
00:36:58,550 --> 00:36:56,480  
no no sweden is just uh

1034  
00:37:00,470 --> 00:36:58,560  
a stupid exception you know there's all

1035  
00:37:02,550 --> 00:37:00,480  
these excuses on why you know but no

1036  
00:37:05,349 --> 00:37:02,560  
they don't want to talk about it because

1037  
00:37:05,670 --> 00:37:05,359  
it disproves their entire model you know

1038  
00:37:07,670 --> 00:37:05,680

not

1039

00:37:08,870 --> 00:37:07,680

sweden's model but it disproves

1040

00:37:10,390 --> 00:37:08,880

everything that the world health

1041

00:37:11,510 --> 00:37:10,400

organization is trying to get people to

1042

00:37:13,349 --> 00:37:11,520

do

1043

00:37:15,030 --> 00:37:13,359

and now the truth honestly the truth is

1044

00:37:16,550 --> 00:37:15,040

coming out now i believe there's more

1045

00:37:17,109 --> 00:37:16,560

and more studies coming out that just

1046

00:37:21,030 --> 00:37:17,119

say this

1047

00:37:24,069 --> 00:37:21,040

absolute nonsense that we have

1048

00:37:24,470 --> 00:37:24,079

limited the spread of a virus and now

1049

00:37:26,069 --> 00:37:24,480

there's

1050

00:37:27,430 --> 00:37:26,079

now they're telling us i just saw this

1051  
00:37:28,710 --> 00:37:27,440  
this morning now they're telling us that

1052  
00:37:32,069 --> 00:37:28,720  
there are thousands

1053  
00:37:34,470 --> 00:37:32,079  
of variants mutations

1054  
00:37:37,349 --> 00:37:34,480  
of this virus floating around the world

1055  
00:37:40,069 --> 00:37:37,359  
thousands of mutations

1056  
00:37:41,270 --> 00:37:40,079  
well anybody that's lived for very long

1057  
00:37:44,550 --> 00:37:41,280  
knows

1058  
00:37:48,630 --> 00:37:44,560  
that a corona virus

1059  
00:37:51,510 --> 00:37:48,640  
you know it morphs into the cold area

1060  
00:37:52,310 --> 00:37:51,520  
it's the yeah it's a form of the cold it

1061  
00:37:55,030 --> 00:37:52,320  
is

1062  
00:37:56,630 --> 00:37:55,040  
and so yeah okay so it's got thousands

1063  
00:37:58,390 --> 00:37:56,640

of variants well they're using that now

1064

00:37:59,750 --> 00:37:58,400

to scare us and basically it means this

1065

00:38:01,349 --> 00:37:59,760

is going to be permanent

1066

00:38:03,030 --> 00:38:01,359

we're going to have to be fighting this

1067

00:38:04,470 --> 00:38:03,040

virus forever

1068

00:38:06,390 --> 00:38:04,480

yeah there doesn't seem to be a clear

1069

00:38:08,470 --> 00:38:06,400

way out tell us what would be the

1070

00:38:11,670 --> 00:38:08,480

incentive of nations

1071

00:38:14,310 --> 00:38:11,680

to keep this going to to not

1072

00:38:15,109 --> 00:38:14,320

knock it out and be able to say that

1073

00:38:17,589 --> 00:38:15,119

that's now

1074

00:38:18,390 --> 00:38:17,599

in the past what would be the perverse

1075

00:38:21,030 --> 00:38:18,400

incentive

1076

00:38:21,990 --> 00:38:21,040

for them to keep it going in one form or

1077

00:38:25,589 --> 00:38:22,000

another

1078

00:38:27,510 --> 00:38:25,599

the carrot that is being held out

1079

00:38:28,950 --> 00:38:27,520

is coming from the multinational

1080

00:38:31,270 --> 00:38:28,960

corporations

1081

00:38:33,750 --> 00:38:31,280

through like for instance the auspices

1082

00:38:35,670 --> 00:38:33,760

of the world economic forum

1083

00:38:36,790 --> 00:38:35,680

and that's just a front i realize that

1084

00:38:39,829 --> 00:38:36,800

we should just

1085

00:38:42,390 --> 00:38:39,839

look at it as a front wef

1086

00:38:44,710 --> 00:38:42,400

doesn't have some kind of a dictatorial

1087

00:38:48,470 --> 00:38:44,720

power over the planet it doesn't

1088

00:38:51,750 --> 00:38:48,480

but it has accumulated all of these

1089

00:38:54,150 --> 00:38:51,760

global elitists from the planet

1090

00:38:55,990 --> 00:38:54,160

the giant the biggest multinational

1091

00:38:58,470 --> 00:38:56,000

global corporations the the

1092

00:39:00,950 --> 00:38:58,480

the top leaders the top people involved

1093

00:39:02,230 --> 00:39:00,960

sustainable development and the ngos

1094

00:39:04,230 --> 00:39:02,240

that

1095

00:39:06,069 --> 00:39:04,240

you know are trying to you know lock up

1096

00:39:07,910 --> 00:39:06,079

resources and stuff around the world

1097

00:39:09,190 --> 00:39:07,920

they got all these big monkey mucks in

1098

00:39:12,230 --> 00:39:09,200

one place and then they

1099

00:39:14,550 --> 00:39:12,240

talk to them and they jawbone them

1100

00:39:15,430 --> 00:39:14,560

it's been estimated that for the great

1101  
00:39:17,190 --> 00:39:15,440  
reset

1102  
00:39:18,870 --> 00:39:17,200  
or for sustainable development same

1103  
00:39:22,310 --> 00:39:18,880  
thing to actually

1104  
00:39:24,470 --> 00:39:22,320  
or build back better same thing

1105  
00:39:26,550 --> 00:39:24,480  
what what their what they what some of

1106  
00:39:30,470 --> 00:39:26,560  
the estimates now are saying

1107  
00:39:34,069 --> 00:39:30,480  
it's going to take between 30 and 50

1108  
00:39:38,710 --> 00:39:34,079  
trillion dollars to apply this

1109  
00:39:42,069 --> 00:39:38,720  
green new deal thing across the planet

1110  
00:39:44,870 --> 00:39:42,079  
just imagine now 50 trillion dollars

1111  
00:39:46,230 --> 00:39:44,880  
is could be potentially up for grabs for

1112  
00:39:49,270 --> 00:39:46,240  
these multinational

1113  
00:39:51,670 --> 00:39:49,280

corporations we're talking feeding

1114

00:39:53,750 --> 00:39:51,680

frenzy here

1115

00:39:55,589 --> 00:39:53,760

this kind of money cannot be ignored but

1116

00:39:56,310 --> 00:39:55,599

this is what people like klaus schwab

1117

00:39:58,790 --> 00:39:56,320

are saying this

1118

00:39:59,750 --> 00:39:58,800

yes it's gonna cost money taxpayer money

1119

00:40:02,390 --> 00:39:59,760

of course but

1120

00:40:03,030 --> 00:40:02,400

it's gonna we're gonna have to suck this

1121

00:40:05,270 --> 00:40:03,040

wealth

1122

00:40:07,109 --> 00:40:05,280

out of somebody to pay for the great

1123

00:40:07,589 --> 00:40:07,119

reset it's gonna come out of the middle

1124

00:40:11,270 --> 00:40:07,599

and lower

1125

00:40:14,550 --> 00:40:11,280

classes unfortunately but to the big

1126

00:40:17,589 --> 00:40:14,560

companies they want a piece

1127

00:40:18,950 --> 00:40:17,599

of this action i think it's just an easy

1128

00:40:21,430 --> 00:40:18,960

thing to understand

1129

00:40:22,870 --> 00:40:21,440

trillions and trillions of dollars are

1130

00:40:26,309 --> 00:40:22,880

going to be spent

1131

00:40:28,550 --> 00:40:26,319

in futility in my opinion to flip the

1132

00:40:30,069 --> 00:40:28,560

world into an otherworldly economic

1133

00:40:31,750 --> 00:40:30,079

system

1134

00:40:33,510 --> 00:40:31,760

but they will do it for the sake of

1135

00:40:34,870 --> 00:40:33,520

short-term greed or more short-term

1136

00:40:36,309 --> 00:40:34,880

greed

1137

00:40:37,990 --> 00:40:36,319

that'll be one of the incentives they

1138

00:40:38,630 --> 00:40:38,000

have to get into it now the countries of

1139

00:40:41,750 --> 00:40:38,640

the world

1140

00:40:43,510 --> 00:40:41,760

are all

1141

00:40:46,390 --> 00:40:43,520

to get those companies to come to their

1142

00:40:48,069 --> 00:40:46,400

countries just remember when

1143

00:40:49,750 --> 00:40:48,079

when amazon said that they were going to

1144

00:40:51,430 --> 00:40:49,760

have another headquarters

1145

00:40:53,109 --> 00:40:51,440

what happened in the united states all

1146

00:40:55,030 --> 00:40:53,119

of a sudden

1147

00:40:56,309 --> 00:40:55,040

all of the cities of you know the big

1148

00:40:59,990 --> 00:40:56,319

cities in america went

1149

00:41:03,589 --> 00:41:00,000

berserk and tried to

1150

00:41:06,150 --> 00:41:03,599

win the attention of amazon

1151

00:41:07,109 --> 00:41:06,160

come here come here is like a like

1152

00:41:09,510 --> 00:41:07,119

carnival

1153

00:41:12,390 --> 00:41:09,520

barkers you know say come play this game

1154

00:41:15,510 --> 00:41:12,400

free for a dollar

1155

00:41:17,589 --> 00:41:15,520

and uh it was a feeding frenzy

1156

00:41:19,109 --> 00:41:17,599

because they knew if amazon headquarters

1157

00:41:21,750 --> 00:41:19,119

came to their city

1158

00:41:24,390 --> 00:41:21,760

they're gonna be a big time we got

1159

00:41:26,230 --> 00:41:24,400

amazon baby we're on fire

1160

00:41:27,750 --> 00:41:26,240

well just imagine the countries of the

1161

00:41:29,910 --> 00:41:27,760

world vying for these

1162

00:41:31,750 --> 00:41:29,920

giant corporations to come and put their

1163

00:41:33,270 --> 00:41:31,760

roots down there or put a big

1164

00:41:35,109 --> 00:41:33,280

you know big headquarters there or

1165

00:41:38,470 --> 00:41:35,119

something and

1166

00:41:41,430 --> 00:41:38,480

focus their attention on our country

1167

00:41:42,150 --> 00:41:41,440

everybody now is a chamber of commerce

1168

00:41:44,870 --> 00:41:42,160

right

1169

00:41:46,630 --> 00:41:44,880

they all want the big players to come to

1170

00:41:49,030 --> 00:41:46,640

them

1171

00:41:51,109 --> 00:41:49,040

i was just thinking that if covert were

1172

00:41:54,390 --> 00:41:51,119

to go go away tomorrow

1173

00:41:55,589 --> 00:41:54,400

everybody would go back to work stadiums

1174

00:41:58,230 --> 00:41:55,599

are filled again

1175

00:41:59,109 --> 00:41:58,240

economy is taking off again and there's

1176

00:42:02,309 --> 00:41:59,119

no longer this

1177

00:42:03,829 --> 00:42:02,319

urgent need to implement

1178

00:42:06,069 --> 00:42:03,839

all these things are implementing that

1179

00:42:06,790 --> 00:42:06,079

are essentially redistribution of wealth

1180

00:42:09,750 --> 00:42:06,800

which is

1181

00:42:11,030 --> 00:42:09,760

people only have to pay 25 rent rent is

1182

00:42:13,990 --> 00:42:11,040

forgiven

1183

00:42:15,990 --> 00:42:14,000

checks to the poor this and that all

1184

00:42:18,870 --> 00:42:16,000

these things that they're doing

1185

00:42:22,069 --> 00:42:18,880

they don't get to do any of that if they

1186

00:42:25,190 --> 00:42:23,829

it's going to be interesting to see if

1187

00:42:26,550 --> 00:42:25,200

it were possible

1188

00:42:28,230 --> 00:42:26,560

i don't think it's going to happen but

1189

00:42:29,829 --> 00:42:28,240

if it were possible one day that the

1190

00:42:30,790 --> 00:42:29,839

president just stands up and says the

1191

00:42:35,109 --> 00:42:30,800

threat is over

1192

00:42:39,670 --> 00:42:38,230

i don't think that the world

1193

00:42:41,349 --> 00:42:39,680

the people of the world and the

1194

00:42:42,710 --> 00:42:41,359

organizations of the world that are so

1195

00:42:43,109 --> 00:42:42,720

embedded in this i don't think they're

1196

00:42:45,589 --> 00:42:43,119

just

1197

00:42:47,030 --> 00:42:45,599

all of a sudden gonna fall asleep say

1198

00:42:48,550 --> 00:42:47,040

emergency's over

1199

00:42:50,390 --> 00:42:48,560

throw all that stuff out let's just

1200

00:42:52,390 --> 00:42:50,400

forget it

1201  
00:42:54,950 --> 00:42:52,400  
and the reason one of the reasons i say

1202  
00:42:58,950 --> 00:42:54,960  
that i liken it to

1203  
00:43:02,630 --> 00:42:58,960  
uh to a giant ship

1204  
00:43:04,390 --> 00:43:02,640  
on the ocean that is cruising along in

1205  
00:43:05,910 --> 00:43:04,400  
one direction say it's going north and

1206  
00:43:06,790 --> 00:43:05,920  
all of a sudden it decides it needs to

1207  
00:43:10,790 --> 00:43:06,800  
turn and go

1208  
00:43:18,069 --> 00:43:14,870  
it takes a long time to steer

1209  
00:43:22,870 --> 00:43:18,079  
a large ship with a small rudder

1210  
00:43:25,030 --> 00:43:22,880  
a long time and

1211  
00:43:26,309 --> 00:43:25,040  
that's kind of the way economic systems

1212  
00:43:29,670 --> 00:43:26,319  
are they don't turn

1213  
00:43:32,710 --> 00:43:29,680

quickly uh social systems

1214

00:43:35,510 --> 00:43:32,720

don't turn quickly fads don't appear so

1215

00:43:37,829 --> 00:43:35,520

quickly and disappear so quickly

1216

00:43:39,589 --> 00:43:37,839

so this appeared pretty quickly but i

1217

00:43:41,910 --> 00:43:39,599

get where you're going but go ahead

1218

00:43:43,589 --> 00:43:41,920

well it it kind of appears that way i

1219

00:43:44,950 --> 00:43:43,599

suppose in some cases some fads of

1220

00:43:46,870 --> 00:43:44,960

course can appear pretty quickly and

1221

00:43:48,630 --> 00:43:46,880

they spread like wildfire

1222

00:43:50,230 --> 00:43:48,640

but they don't go away nearly as quickly

1223

00:43:51,829 --> 00:43:50,240

if they you know as they appeared if

1224

00:43:56,230 --> 00:43:51,839

that were the case

1225

00:43:58,710 --> 00:43:56,240

when fear is involved fear is a very

1226

00:43:59,430 --> 00:43:58,720

difficult emotion to manage and get rid

1227

00:44:03,430 --> 00:43:59,440

of

1228

00:44:05,349 --> 00:44:03,440

individually and in society as well

1229

00:44:07,510 --> 00:44:05,359

and in spite of a leader saying that the

1230

00:44:09,190 --> 00:44:07,520

emergency is over

1231

00:44:10,790 --> 00:44:09,200

the fear is going to remain down on the

1232

00:44:13,190 --> 00:44:10,800

lower levels of society

1233

00:44:15,109 --> 00:44:13,200

and the the want to be tyrants that have

1234

00:44:16,630 --> 00:44:15,119

taken advantage of all these things

1235

00:44:18,150 --> 00:44:16,640

themselves

1236

00:44:20,230 --> 00:44:18,160

they're not going to be eager to give up

1237

00:44:21,430 --> 00:44:20,240

their little fighters now that all of a

1238

00:44:23,910 --> 00:44:21,440

sudden they figured out

1239

00:44:25,270 --> 00:44:23,920

man i could really make it with this one

1240

00:44:26,950 --> 00:44:25,280

you know you look at people like in

1241

00:44:31,349 --> 00:44:26,960

michigan like the governor there

1242

00:44:35,030 --> 00:44:33,990

she wouldn't let go of this stuff if

1243

00:44:38,230 --> 00:44:35,040

even if president

1244

00:44:39,910 --> 00:44:38,240

biden said stop it she's

1245

00:44:41,910 --> 00:44:39,920

she's going to continue with her lock

1246

00:44:43,750 --> 00:44:41,920

down and she's got power she's got

1247

00:44:45,589 --> 00:44:43,760

control this is what politicians want

1248

00:44:47,349 --> 00:44:45,599

they're not going to say oh we better be

1249

00:44:49,190 --> 00:44:47,359

we better err on the side of caution

1250

00:44:49,750 --> 00:44:49,200

here and keep it going for a while maybe

1251  
00:44:53,589 --> 00:44:49,760  
14

1252  
00:44:55,190 --> 00:44:53,599  
and then we'll let it go

1253  
00:44:56,790 --> 00:44:55,200  
yeah that natural instinct of some

1254  
00:44:59,030 --> 00:44:56,800  
politicians which at this point are the

1255  
00:45:02,950 --> 00:44:59,040  
majority of politicians in the u.s

1256  
00:45:06,790 --> 00:45:04,550  
protecting your health you know the

1257  
00:45:09,589 --> 00:45:06,800  
bloomberg 16-ounce soda

1258  
00:45:10,390 --> 00:45:09,599  
rule yes we've handed them the keys to

1259  
00:45:12,550 --> 00:45:10,400  
our health and

1260  
00:45:13,589 --> 00:45:12,560  
now they're in control and they like

1261  
00:45:18,309 --> 00:45:13,599  
that

1262  
00:45:21,349 --> 00:45:18,319  
too if it weren't just for

1263  
00:45:23,829 --> 00:45:21,359

the policies of um

1264

00:45:25,510 --> 00:45:23,839

you know the policies themselves of face

1265

00:45:28,309 --> 00:45:25,520

mass social distancing et cetera

1266

00:45:29,910 --> 00:45:28,319

shut down school shutdown now you have

1267

00:45:31,430 --> 00:45:29,920

introduced on top of that

1268

00:45:33,349 --> 00:45:31,440

what i think was probably the original

1269

00:45:36,390 --> 00:45:33,359

goal is the whole vaccination

1270

00:45:40,470 --> 00:45:36,400

narrative where big pharma

1271

00:45:43,270 --> 00:45:40,480

now has its access to the human body

1272

00:45:43,910 --> 00:45:43,280

and to the human genome they're not

1273

00:45:46,069 --> 00:45:43,920

going to

1274

00:45:47,829 --> 00:45:46,079

let up on that i can guarantee you if

1275

00:45:49,109 --> 00:45:47,839

somebody says there's no emergency we

1276

00:45:50,710 --> 00:45:49,119

don't need that anymore they're going to

1277

00:45:52,390 --> 00:45:50,720

say well you still need the vaccine you

1278

00:45:54,390 --> 00:45:52,400

know

1279

00:45:55,349 --> 00:45:54,400

well let's that's a good place for us to

1280

00:45:57,030 --> 00:45:55,359

to finish on because that was one

1281

00:45:59,829 --> 00:45:57,040

subject i want to get to which is this

1282

00:46:01,190 --> 00:45:59,839

dna collection 60 minutes covered it

1283

00:46:05,109 --> 00:46:01,200

over the weekend

1284

00:46:07,109 --> 00:46:05,119

um you know at this point probably virtu

1285

00:46:08,950 --> 00:46:07,119

almost all americans have been tested at

1286

00:46:12,790 --> 00:46:08,960

some point for covid

1287

00:46:16,230 --> 00:46:12,800

and those swabs have your dna

1288

00:46:19,670 --> 00:46:16,240

on them and the report is that china

1289

00:46:23,990 --> 00:46:19,680

has been trying to use uh kovites

1290

00:46:27,589 --> 00:46:24,000

to collect the dna of all americans

1291

00:46:30,710 --> 00:46:27,599

a is this really happening in b

1292

00:46:33,109 --> 00:46:30,720

why does china want the dna of americans

1293

00:46:33,829 --> 00:46:33,119

yes i know it is happening and you know

1294

00:46:36,870 --> 00:46:33,839

what

1295

00:46:39,910 --> 00:46:36,880

the implication of that story is

1296

00:46:41,910 --> 00:46:39,920

china's trying to steal our dna but our

1297

00:46:42,630 --> 00:46:41,920

government would never do something like

1298

00:46:47,109 --> 00:46:42,640

that

1299

00:46:49,990 --> 00:46:47,119

got bad news for people

1300

00:46:51,430 --> 00:46:50,000

china wants our dna but it's already

1301  
00:46:52,710 --> 00:46:51,440  
being collected by people here in the

1302  
00:46:55,109 --> 00:46:52,720  
united states

1303  
00:46:56,790 --> 00:46:55,119  
nilly willie anywhere they can get it

1304  
00:46:58,390 --> 00:46:56,800  
they'll get it if they can tag it and

1305  
00:46:59,750 --> 00:46:58,400  
you know get it into the into the

1306  
00:47:00,790 --> 00:46:59,760  
database

1307  
00:47:01,910 --> 00:47:00,800  
let me stop you there and just see if

1308  
00:47:04,710 --> 00:47:01,920  
you happen to know the answer to this so

1309  
00:47:07,910 --> 00:47:04,720  
i go to the doctor i get a swamp

1310  
00:47:10,230 --> 00:47:07,920  
and a cova test comes back negative

1311  
00:47:12,230 --> 00:47:10,240  
but that is sitting somewhere that test

1312  
00:47:14,710 --> 00:47:12,240  
is sitting somewhere it has my dna

1313  
00:47:16,150 --> 00:47:14,720

in it yes are you telling me that that's

1314

00:47:18,950 --> 00:47:16,160

going somewhere else

1315

00:47:20,790 --> 00:47:18,960

it's not just dying in that lab that's

1316

00:47:22,549 --> 00:47:20,800

exactly what i would say that is not

1317

00:47:24,549 --> 00:47:22,559

going to just sit there and be destroyed

1318

00:47:26,710 --> 00:47:24,559

on the spot

1319

00:47:28,950 --> 00:47:26,720

that that sample and i've i've gone

1320

00:47:32,470 --> 00:47:28,960

round and round with testing labs here

1321

00:47:35,990 --> 00:47:32,480

in arizona um to

1322

00:47:38,950 --> 00:47:36,000

find out what happens to the biological

1323

00:47:40,870 --> 00:47:38,960

samples that you take from me

1324

00:47:42,710 --> 00:47:40,880

these same testing companies it doesn't

1325

00:47:43,349 --> 00:47:42,720

matter they're they they draw your blood

1326

00:47:44,870 --> 00:47:43,359

or whatever

1327

00:47:46,549 --> 00:47:44,880

you know they prick your fingers stick a

1328

00:47:47,510 --> 00:47:46,559

needle in there and get blood out in the

1329

00:47:49,270 --> 00:47:47,520

vials

1330

00:47:50,870 --> 00:47:49,280

what do you do with that blood you're

1331

00:47:54,390 --> 00:47:50,880

testing me for

1332

00:47:55,990 --> 00:47:54,400

thyroid or for something you know um

1333

00:47:59,030 --> 00:47:56,000

what do you do with the blood after it's

1334

00:48:01,750 --> 00:47:59,040

all done testing for what i asked for

1335

00:48:02,470 --> 00:48:01,760

is it going to anywhere to you know

1336

00:48:05,829 --> 00:48:02,480

match

1337

00:48:07,510 --> 00:48:05,839

my dna you know most of the people are

1338

00:48:09,589 --> 00:48:07,520

ignorant at the bottom but you

1339

00:48:11,290 --> 00:48:09,599

you go back up far enough whatever read

1340

00:48:11,990 --> 00:48:11,300

the terms of service

1341

00:48:13,829 --> 00:48:12,000

[Laughter]

1342

00:48:17,109 --> 00:48:13,839

[Music]

1343

00:48:19,109 --> 00:48:17,119

gotcha and yes they can do anything they

1344

00:48:20,710 --> 00:48:19,119

want to do with your blood once you have

1345

00:48:22,309 --> 00:48:20,720

paid for it you've done

1346

00:48:24,549 --> 00:48:22,319

you know you've gotten your results

1347

00:48:27,589 --> 00:48:24,559

there your blood is now free

1348

00:48:28,150 --> 00:48:27,599

business just like google takes your

1349

00:48:31,030 --> 00:48:28,160

data

1350

00:48:33,109 --> 00:48:31,040

because you never know goes out to them

1351  
00:48:35,990 --> 00:48:33,119  
to sell

1352  
00:48:36,549 --> 00:48:36,000  
your dna also just like that it's the

1353  
00:48:39,990 --> 00:48:36,559  
same

1354  
00:48:43,910 --> 00:48:40,000  
idea it's it's free-floating

1355  
00:48:45,349 --> 00:48:43,920  
data and data is the new oil of the 21st

1356  
00:48:48,390 --> 00:48:45,359  
century

1357  
00:48:49,670 --> 00:48:48,400  
everybody wants the data our government

1358  
00:48:52,790 --> 00:48:49,680  
wants the data

1359  
00:48:55,190 --> 00:48:52,800  
let's talk about

1360  
00:48:56,230 --> 00:48:55,200  
china china has been in the business

1361  
00:48:59,910 --> 00:48:56,240  
with western help

1362  
00:49:03,510 --> 00:48:59,920  
of engineering genetically engineering

1363  
00:49:04,950 --> 00:49:03,520

organisms that affect the human body

1364

00:49:06,470 --> 00:49:04,960

this is a very this is not a trick

1365

00:49:09,109 --> 00:49:06,480

question but i'm going to kind of ask it

1366

00:49:12,470 --> 00:49:11,510

if china could get a hold of a complete

1367

00:49:17,829 --> 00:49:12,480

profile

1368

00:49:19,910 --> 00:49:17,839

of americans dna structure

1369

00:49:24,069 --> 00:49:19,920

would that potentially be a national

1370

00:49:25,990 --> 00:49:24,079

security risk if they focus that data

1371

00:49:28,390 --> 00:49:26,000

for instance in a place like the wuhan

1372

00:49:34,309 --> 00:49:31,829

and they use that widespread

1373

00:49:36,069 --> 00:49:34,319

across our whole society genetic

1374

00:49:38,150 --> 00:49:36,079

information

1375

00:49:39,990 --> 00:49:38,160

to genetically engineer yet another

1376

00:49:41,750 --> 00:49:40,000

virus

1377

00:49:43,270 --> 00:49:41,760

that would be more specific to attack

1378

00:49:47,109 --> 00:49:43,280

americans

1379

00:49:53,030 --> 00:49:50,150

yes it is is it probable

1380

00:49:55,670 --> 00:49:53,040

i'm not saying is probable but why

1381

00:50:00,549 --> 00:49:55,680

should people be excited about china

1382

00:50:03,349 --> 00:50:00,559

collecting american dna well duh

1383

00:50:03,829 --> 00:50:03,359

yes it's like this is just so in your

1384

00:50:06,390 --> 00:50:03,839

face

1385

00:50:08,390 --> 00:50:06,400

blatant is not even funny of course they

1386

00:50:09,990 --> 00:50:08,400

would want it if they could get it

1387

00:50:12,549 --> 00:50:10,000

so they would want it because

1388

00:50:15,190 --> 00:50:12,559

theoretically they could

1389

00:50:16,069 --> 00:50:15,200

as you say um release a a virus which

1390

00:50:18,470 --> 00:50:16,079

would be a bioware

1391

00:50:20,150 --> 00:50:18,480

absolutely we're talking bio warfare

1392

00:50:23,510 --> 00:50:20,160

here or they could use it

1393

00:50:26,309 --> 00:50:23,520

to to profit from it though right yeah

1394

00:50:27,030 --> 00:50:26,319

absolutely i mean if it weren't just

1395

00:50:29,750 --> 00:50:27,040

that

1396

00:50:31,829 --> 00:50:29,760

let's just talk about uh the drug

1397

00:50:33,589 --> 00:50:31,839

manufacturing you know like 90

1398

00:50:35,589 --> 00:50:33,599

of our drugs right now we're dependent

1399

00:50:38,390 --> 00:50:35,599

on china for it

1400

00:50:39,190 --> 00:50:38,400

with the knowledge of our dna they could

1401  
00:50:42,390 --> 00:50:39,200  
put such a

1402  
00:50:44,230 --> 00:50:42,400  
lock on drug manufacturing

1403  
00:50:46,870 --> 00:50:44,240  
that they would control us through drugs

1404  
00:50:49,030 --> 00:50:46,880  
eventually completely

1405  
00:50:50,710 --> 00:50:49,040  
that that might just be an economic type

1406  
00:50:54,069 --> 00:50:50,720  
of a thing rather than a bile

1407  
00:50:57,030 --> 00:50:54,079  
weapon but china has already

1408  
00:50:58,630 --> 00:50:57,040  
identified itself as being an enemy of

1409  
00:51:01,990 --> 00:50:58,640  
the west

1410  
00:51:05,430 --> 00:51:02,000  
through its cyber warfare

1411  
00:51:08,549 --> 00:51:05,440  
and through its experimentation with

1412  
00:51:10,630 --> 00:51:08,559  
bio warfare

1413  
00:51:12,710 --> 00:51:10,640

and america hasn't taken that very

1414

00:51:13,270 --> 00:51:12,720

seriously over a period of time i have

1415

00:51:16,630 --> 00:51:13,280

to say

1416

00:51:18,069 --> 00:51:16,640

they just haven't biosecurity has had a

1417

00:51:20,870 --> 00:51:18,079

back seat

1418

00:51:22,150 --> 00:51:20,880

to cyber security with all the hacking

1419

00:51:25,190 --> 00:51:22,160

and stuff has taken place

1420

00:51:26,230 --> 00:51:25,200

from china but then we've had hacking

1421

00:51:28,069 --> 00:51:26,240

from russia

1422

00:51:30,710 --> 00:51:28,079

from east german you know from east the

1423

00:51:33,829 --> 00:51:30,720

eastern bloc in europe

1424

00:51:35,910 --> 00:51:33,839

uh all over the place uh

1425

00:51:37,750 --> 00:51:35,920

would people want to use these advanced

1426  
00:51:41,670 --> 00:51:37,760  
technologies to create

1427  
00:51:44,870 --> 00:51:41,680  
warfare situations of course they would

1428  
00:51:49,270 --> 00:51:47,349  
following up on on china policy you know

1429  
00:51:50,710 --> 00:51:49,280  
trump had a tough on china policy but i

1430  
00:51:52,390 --> 00:51:50,720  
didn't consider his policies to really

1431  
00:51:54,470 --> 00:51:52,400  
be that tough i mean

1432  
00:51:56,390 --> 00:51:54,480  
right we needed to get a lot tougher at

1433  
00:51:57,829 --> 00:51:56,400  
least he was turning the tide

1434  
00:51:59,030 --> 00:51:57,839  
to being tougher on china there's all

1435  
00:51:59,510 --> 00:51:59,040  
kinds of things we need to get tougher

1436  
00:52:02,230 --> 00:51:59,520  
with them

1437  
00:52:03,030 --> 00:52:02,240  
but now i presume you would say that

1438  
00:52:04,309 --> 00:52:03,040

whatever he's

1439

00:52:05,910 --> 00:52:04,319

done is going to be reversed and we're

1440

00:52:07,190 --> 00:52:05,920

going to be back to being extremely weak

1441

00:52:10,309 --> 00:52:07,200

with china

1442

00:52:15,829 --> 00:52:10,319

yes it's tough you know

1443

00:52:18,950 --> 00:52:15,839

i had i knew a a professor of era of um

1444

00:52:21,190 --> 00:52:18,960

aeronautics at the university of

1445

00:52:24,549 --> 00:52:21,200

michigan i believe it was

1446

00:52:25,109 --> 00:52:24,559

tenured and he watched over a period of

1447

00:52:28,390 --> 00:52:25,119

years

1448

00:52:33,670 --> 00:52:28,400

as the aerospace technology was

1449

00:52:35,750 --> 00:52:33,680

stolen from their department by china

1450

00:52:38,150 --> 00:52:35,760

and he raised he became kind of a

1451  
00:52:38,549 --> 00:52:38,160  
whistleblower he raised a protest in his

1452  
00:52:41,510 --> 00:52:38,559  
own

1453  
00:52:43,910 --> 00:52:41,520  
school university how was it being

1454  
00:52:45,589 --> 00:52:43,920  
stolen

1455  
00:52:47,190 --> 00:52:45,599  
chinese coming over and going to school

1456  
00:52:50,549 --> 00:52:47,200  
there and

1457  
00:52:52,549 --> 00:52:50,559  
uh wow like graduate students

1458  
00:52:54,710 --> 00:52:52,559  
yeah like stealing the technology and

1459  
00:52:56,390 --> 00:52:54,720  
taking it back to china

1460  
00:52:58,150 --> 00:52:56,400  
patented technology that was being

1461  
00:52:59,750 --> 00:52:58,160  
developed there

1462  
00:53:02,470 --> 00:52:59,760  
they were taking it away and taking it

1463  
00:53:05,670 --> 00:53:02,480

anyway he complained about it

1464

00:53:07,589 --> 00:53:05,680

and it ended up i mean it was he's

1465

00:53:09,190 --> 00:53:07,599

i talked to him at length about this

1466

00:53:09,750 --> 00:53:09,200

several years ago and he said it was

1467

00:53:12,950 --> 00:53:09,760

just

1468

00:53:13,670 --> 00:53:12,960

outrageous it was in your face it was

1469

00:53:16,069 --> 00:53:13,680

almost like

1470

00:53:17,270 --> 00:53:16,079

you can't stop me give me that i'm

1471

00:53:20,390 --> 00:53:17,280

taking it

1472

00:53:22,230 --> 00:53:20,400

and he and it just drove him insane

1473

00:53:24,549 --> 00:53:22,240

and he finally tried to make a big

1474

00:53:27,510 --> 00:53:24,559

protest at the university over it and he

1475

00:53:33,270 --> 00:53:31,430

so any part of it got fired and

1476

00:53:34,790 --> 00:53:33,280

i'm not sure he's even alive today he

1477

00:53:36,230 --> 00:53:34,800

might have passed since then but i'll

1478

00:53:39,430 --> 00:53:36,240

tell you he was just absolutely

1479

00:53:40,630 --> 00:53:39,440

livid over this theft of intellectual

1480

00:53:43,510 --> 00:53:40,640

property

1481

00:53:45,670 --> 00:53:43,520

this is how china has made a lot of

1482

00:53:45,910 --> 00:53:45,680

their advances and stuff is by stealing

1483

00:53:50,710 --> 00:53:45,920

it

1484

00:53:52,710 --> 00:53:50,720

to the professor that was the

1485

00:53:54,150 --> 00:53:52,720

whistleblower to him it was outrageous

1486

00:53:56,150 --> 00:53:54,160

it was a crime

1487

00:53:57,829 --> 00:53:56,160

so the people inside the university

1488

00:53:59,349 --> 00:53:57,839

cooperating with the chinese

1489

00:54:01,349 --> 00:53:59,359

it was just technocrats helping

1490

00:54:02,230 --> 00:54:01,359

technocrats well of course you could

1491

00:54:04,549 --> 00:54:02,240

have it here

1492

00:54:05,589 --> 00:54:04,559

see what you can do with it now it's

1493

00:54:09,190 --> 00:54:05,599

like well

1494

00:54:14,390 --> 00:54:11,349

but if it if it exists they want it and

1495

00:54:16,230 --> 00:54:14,400

they think they have a right to it

1496

00:54:18,309 --> 00:54:16,240

so you know we've been we've been

1497

00:54:21,910 --> 00:54:18,319

infiltrated in america the chinese have

1498

00:54:24,150 --> 00:54:21,920

deep deep claws into american society

1499

00:54:26,230 --> 00:54:24,160

right now in so many different ways

1500

00:54:28,069 --> 00:54:26,240

through corporate ownership through

1501

00:54:31,670 --> 00:54:28,079

ownership of media

1502

00:54:33,270 --> 00:54:31,680

interests um farmland there's huge

1503

00:54:36,710 --> 00:54:33,280

amounts of farmland that are owned by

1504

00:54:39,910 --> 00:54:38,549

we have a hard time to get rid of the

1505

00:54:42,870 --> 00:54:39,920

influence in america

1506

00:54:43,990 --> 00:54:42,880

at this point yeah a lot of it has been

1507

00:54:45,190 --> 00:54:44,000

naivete

1508

00:54:46,789 --> 00:54:45,200

but a lot of it's just been good

1509

00:54:48,710 --> 00:54:46,799

old-fashioned greed even with your

1510

00:54:49,910 --> 00:54:48,720

university story yes they're making a

1511

00:54:50,870 --> 00:54:49,920

lot of money off of these students that

1512

00:54:53,589 --> 00:54:50,880

come from china

1513

00:54:56,390 --> 00:54:53,599

yes they are exactly right that was one

1514

00:54:57,750 --> 00:54:56,400  
of the excuses they said
