MICHAEL SEAN COMERFORD

1
00:00:04,710 --> 00:00:03,510
okay now here is our interview with

2
00:00:05,829 --> 00:00:04,720
michael comerford

3
00:00:07,829 --> 00:00:05,839
i'd love to talk to you a little bit

4
00:00:09,750 --> 00:00:07,839
about moscow because uh

5
00:00:12,390 --> 00:00:09,760
i'm fascinated by what's going on there

6
00:00:18,710 --> 00:00:12,400
do you still kinda

7
00:00:23,509 --> 00:00:20,390
you were there in much better times i

8
00:00:26,150 --> 00:00:23,519
think it was worse times actually

9
00:00:27,429 --> 00:00:26,160
uh it was of course it was yeltsin

10
00:00:30,630 --> 00:00:27,439
yeltsin's time and

11
00:00:31,750 --> 00:00:30,640
uh it was a real kleptocracy at that

12
00:00:33,670 --> 00:00:31,760
point and uh i was

13
00:00:35,430 --> 00:00:33,680

a business reporter which was a friend

14

00:00:37,830 --> 00:00:35,440

of mine said is really like a crime

15

00:00:40,150 --> 00:00:37,840

reporter in moscow because

16

00:00:41,030 --> 00:00:40,160

um they were literally stealing the

17

00:00:43,110 --> 00:00:41,040

entire state

18

00:00:44,470 --> 00:00:43,120

it was the deep privatization it was the

19

00:00:46,790 --> 00:00:44,480

privatization

20

00:00:49,750 --> 00:00:46,800

of the communist society and everybody

21

00:00:54,630 --> 00:00:52,790

scrambling to gobble up the banks and

22

00:00:56,229 --> 00:00:54,640

the oil companies and so forth and it

23

00:00:59,430 --> 00:00:56,239

was an amazing time

24

00:01:00,069 --> 00:00:59,440

and you had to be close with the

25

00:01:02,069 --> 00:01:00,079

government

26

00:01:03,430 --> 00:01:02,079

to gobble something up is that fair to

27

00:01:06,789 --> 00:01:03,440

say yes

28

00:01:09,350 --> 00:01:06,799

kgb specifically yes

29

00:01:10,550 --> 00:01:09,360

and would you say that yeltsin it was

30

00:01:12,950 --> 00:01:10,560

happening

31

00:01:14,789 --> 00:01:12,960

uh with his approval or knowledge or

32

00:01:15,749 --> 00:01:14,799

tactic consent to right under his nose

33

00:01:18,230 --> 00:01:15,759

or what

34

00:01:18,870 --> 00:01:18,240

i think it was happening happening tacit

35

00:01:21,590 --> 00:01:18,880

consent

36

00:01:23,830 --> 00:01:21,600

because he wasn't really in control and

37

00:01:25,030 --> 00:01:23,840

putin is more in control but that's all

38

00:01:28,310 --> 00:01:25,040

perception

39

00:01:31,830 --> 00:01:28,320

uh you know what's going on behind there

40

00:01:33,670 --> 00:01:31,840

is all guesswork uh my old newspaper the

41

00:01:35,510 --> 00:01:33,680

moscow times which produced

42

00:01:37,030 --> 00:01:35,520

several pulitzer winners it was a pretty

43

00:01:40,230 --> 00:01:37,040

good newspaper

44

00:01:44,149 --> 00:01:40,240

uh does not exist because

45

00:01:48,069 --> 00:01:44,159

uh he had it shut down who's he

46

00:01:51,590 --> 00:01:48,079

putin who started moscow times

47

00:01:55,190 --> 00:01:51,600

it was started by a dutch entrepreneur

48

00:01:59,109 --> 00:01:55,200

and uh he uh he was running it as a

49

00:02:02,230 --> 00:01:59,119

first-class uh uh newspaper but it uh

50

00:02:06,149 --> 00:02:02,240

ended up being critical of of putin

51
00:02:07,990 --> 00:02:06,159
and uh and it was all about uh

52
00:02:10,070 --> 00:02:08,000
it was all about western journalism

53
00:02:12,229 --> 00:02:10,080
happening in moscow which they weren't

54
00:02:15,270 --> 00:02:12,239
doing but we were in the pravda building

55
00:02:15,589 --> 00:02:15,280
by the way it was interesting as i grew

56
00:02:17,589 --> 00:02:15,599
up

57
00:02:19,030 --> 00:02:17,599
wow i forgot the name pravda that that

58
00:02:21,510 --> 00:02:19,040
was

59
00:02:23,990 --> 00:02:21,520
watching that right right you know this

60
00:02:27,350 --> 00:02:24,000
came out from pravda well i'm going i'm

61
00:02:29,350 --> 00:02:27,360
walking into the probability wow but

62
00:02:31,270 --> 00:02:29,360
it was basically the propaganda arm

63
00:02:34,470 --> 00:02:31,280

slash newspaper of

64

00:02:36,309 --> 00:02:34,480

the ussr right absolutely and uh and

65

00:02:39,350 --> 00:02:36,319

what happened to pravda

66

00:02:40,790 --> 00:02:39,360

it's still there it's still there yeah

67

00:02:42,949 --> 00:02:40,800

is there a new is there a newspaper

68

00:02:44,949 --> 00:02:42,959

called pravda yeah

69

00:02:46,309 --> 00:02:44,959

uh-huh the only thing i keep hearing

70

00:02:48,229 --> 00:02:46,319

because you see it here is russian

71

00:02:51,670 --> 00:02:48,239

television rt

72

00:02:54,869 --> 00:02:51,680

all right which is

73

00:02:57,910 --> 00:02:54,879

presumably russian government run

74

00:02:59,670 --> 00:02:57,920

yes and it's for the west because

75

00:03:01,589 --> 00:02:59,680

everything's in english

76

00:03:05,430 --> 00:03:01,599

but i don't you happen to know is

77

00:03:08,070 --> 00:03:05,440

russian television also aired in russia

78

00:03:10,070 --> 00:03:08,080

uh i don't know that now i am out of

79

00:03:10,869 --> 00:03:10,080

i've been out of it for 20 years i think

80

00:03:15,190 --> 00:03:10,879

that well

81

00:03:18,710 --> 00:03:15,200

i left there in the mid 90s so 15 years

82

00:03:23,509 --> 00:03:18,720

so uh let's just stay on this for

83

00:03:26,550 --> 00:03:23,519

for a second so kind of walk us through

84

00:03:30,070 --> 00:03:26,560

how we got from you know gorbachev to

85

00:03:32,070 --> 00:03:30,080

yeltsin to putin essentially and and how

86

00:03:33,110 --> 00:03:32,080

you know there was this opening of the

87

00:03:35,589 --> 00:03:33,120

soviet union

88

00:03:36,869 --> 00:03:35,599

and potentially free market capitalism

89

00:03:39,670 --> 00:03:36,879

coming into play

90

00:03:41,990 --> 00:03:39,680

potentially potentially a westernization

91

00:03:43,270 --> 00:03:42,000

that could cause russia to become

92

00:03:44,550 --> 00:03:43,280

essentially if it had gone in a

93

00:03:45,110 --> 00:03:44,560

particular direction it could be part of

94

00:03:47,030 --> 00:03:45,120

the eu

95

00:03:48,390 --> 00:03:47,040

right now if it had gone in the you know

96

00:03:50,630 --> 00:03:48,400

some of the

97

00:03:52,149 --> 00:03:50,640

former republics are you know estonia

98

00:03:55,030 --> 00:03:52,159

latvia with lithuania

99

00:03:55,750 --> 00:03:55,040

i think are in the eu so you know that's

100

00:03:58,149 --> 00:03:55,760

not

101
00:03:58,789 --> 00:03:58,159
too far-fetched to think that russia

102
00:04:01,190 --> 00:03:58,799
could have

103
00:04:02,789 --> 00:04:01,200
wound up in the eu if it had headed in

104
00:04:04,869 --> 00:04:02,799
in one direction but then it got

105
00:04:06,869 --> 00:04:04,879
steered in a different direction but can

106
00:04:09,270 --> 00:04:06,879
you kind of walk us through how you

107
00:04:09,910 --> 00:04:09,280
connect the dots as far as well i was i

108
00:04:13,110 --> 00:04:09,920
got there

109
00:04:14,550 --> 00:04:13,120
in the early 90s i got to uh budapest in

110
00:04:17,430 --> 00:04:14,560
the early 90s

111
00:04:19,509 --> 00:04:17,440
and that was that was on the outskirts

112
00:04:23,110 --> 00:04:19,519
of what was happening in russia

113
00:04:25,430 --> 00:04:23,120

and um so uh basically

114

00:04:26,310 --> 00:04:25,440

what was happening with yeltsin at the

115

00:04:29,510 --> 00:04:26,320

time was

116

00:04:33,030 --> 00:04:29,520

uh he was struggling to

117

00:04:35,749 --> 00:04:33,040

nobody knew who was in charge and so

118

00:04:36,230 --> 00:04:35,759

people were using their connections to

119

00:04:40,310 --> 00:04:36,240

snap

120

00:04:43,990 --> 00:04:40,320

up wealth and uh and yeltsin was

121

00:04:47,350 --> 00:04:44,000

sort of in charge but he was crippled by

122

00:04:50,469 --> 00:04:47,360

he was crippled by a lack of

123

00:04:53,430 --> 00:04:50,479

disciplined um hierarchy

124

00:04:55,350 --> 00:04:53,440

of of government and so all the

125

00:04:58,469 --> 00:04:55,360

different governments seem to be

126

00:05:00,550 --> 00:04:58,479

ruling themselves and and so he was

127

00:05:04,230 --> 00:05:00,560

attempting to pull it all back together

128

00:05:07,189 --> 00:05:04,240

um uh

129

00:05:08,710 --> 00:05:07,199

we don't know how exactly putin uh

130

00:05:11,749 --> 00:05:08,720

pushed him aside

131

00:05:15,670 --> 00:05:11,759

uh he he won two elections

132

00:05:18,870 --> 00:05:15,680

uh yeltsin and then uh putin uh may have

133

00:05:21,270 --> 00:05:18,880

used some uh uh his kgb

134

00:05:21,909 --> 00:05:21,280

connections to move uh yeltsin to the

135

00:05:25,110 --> 00:05:21,919

side

136

00:05:26,469 --> 00:05:25,120

and then he he ran and uh then he had

137

00:05:29,510 --> 00:05:26,479

magnetic

138

00:05:32,950 --> 00:05:29,520

um uh fill in for him for

139

00:05:34,469 --> 00:05:32,960

a short uh tenure and now he's back and

140

00:05:35,830 --> 00:05:34,479

looks like he's going to stay in power

141

00:05:38,870 --> 00:05:35,840

until the end

142

00:05:41,029 --> 00:05:38,880

um until he wants until he feels like uh

143

00:05:42,790 --> 00:05:41,039

we don't know he there are still

144

00:05:45,990 --> 00:05:42,800

elections but he keeps

145

00:05:49,029 --> 00:05:46,000

poisoning the uh the opposition and

146

00:05:52,070 --> 00:05:49,039

um and having the journalists

147

00:05:53,990 --> 00:05:52,080

uh murdered yeah so um

148

00:05:56,150 --> 00:05:54,000

what about people from the moscow times

149

00:05:57,189 --> 00:05:56,160

did any of those well we were followed

150

00:06:00,390 --> 00:05:57,199

that's for sure

151
00:06:01,830 --> 00:06:00,400
um and uh i don't know about the full

152
00:06:05,189 --> 00:06:01,840
harassment but

153
00:06:08,230 --> 00:06:05,199
uh we were followed and

154
00:06:10,870 --> 00:06:08,240
in some cases intimidated yes

155
00:06:12,790 --> 00:06:10,880
so i mean the soviet union i'm sure was

156
00:06:16,150 --> 00:06:12,800
tremendously corrupt

157
00:06:19,110 --> 00:06:16,160
so anyway right it was

158
00:06:19,749 --> 00:06:19,120
it was uh that there was some uh they

159
00:06:21,749 --> 00:06:19,759
were it was

160
00:06:22,790 --> 00:06:21,759
business as usual a little bit

161
00:06:25,110 --> 00:06:22,800
afterwards

162
00:06:26,150 --> 00:06:25,120
even though they were opening up they

163
00:06:28,550 --> 00:06:26,160

believed that

164

00:06:29,510 --> 00:06:28,560

uh for a while that the more that they

165

00:06:32,150 --> 00:06:29,520

opened up

166

00:06:34,550 --> 00:06:32,160

uh the better but it wasn't it wasn't

167

00:06:38,710 --> 00:06:34,560

that way they believed that much like

168

00:06:42,309 --> 00:06:38,720

uh it was russia first policy

169

00:06:45,350 --> 00:06:42,319

you know so they wanted all their um

170

00:06:46,469 --> 00:06:45,360

they wanted their state oil company to

171

00:06:50,070 --> 00:06:46,479

be still owned by

172

00:06:53,110 --> 00:06:50,080

russians or by the state gasprom

173

00:06:55,909 --> 00:06:53,120

and uh being the gas company and then

174

00:06:56,790 --> 00:06:55,919

um their oil companies uh broke up into

175

00:06:59,189 --> 00:06:56,800

several

176

00:07:01,350 --> 00:06:59,199

uh portions including some that still

177

00:07:04,710 --> 00:07:01,360

exist luke oil

178

00:07:06,070 --> 00:07:04,720

and uh and their banking um which was

179

00:07:09,029 --> 00:07:06,080

all their sources of money

180

00:07:10,469 --> 00:07:09,039

people were scrambling to once the

181

00:07:13,029 --> 00:07:10,479

government said

182

00:07:14,309 --> 00:07:13,039

uh we are going to privatize your bank

183

00:07:16,629 --> 00:07:14,319

or this bank

184

00:07:18,230 --> 00:07:16,639

that usually has to do with a province

185

00:07:21,350 --> 00:07:18,240

or a state

186

00:07:23,189 --> 00:07:21,360

um they uh

187

00:07:24,870 --> 00:07:23,199

they would they would say well we're

188

00:07:28,710 --> 00:07:24,880

going to

189

00:07:31,749 --> 00:07:28,720

randomly assign a value to this bank

190

00:07:32,950 --> 00:07:31,759

and uh we're going to capitalize you in

191

00:07:36,309 --> 00:07:32,960

this way

192

00:07:39,430 --> 00:07:36,319

and uh and then

193

00:07:41,189 --> 00:07:39,440

and then friends uh friends would all

194

00:07:43,510 --> 00:07:41,199

get together and uh

195

00:07:44,869 --> 00:07:43,520

and gobble it up and there was no way as

196

00:07:48,469 --> 00:07:44,879

a journalist to find out

197

00:07:50,629 --> 00:07:48,479

why or how the ownership went or

198

00:07:52,869 --> 00:07:50,639

if these people actually paid any of the

199

00:07:56,790 --> 00:07:52,879

money that they were supposed to pay

200

00:07:59,749 --> 00:07:56,800

and uh and it wasn't an open

201
00:08:00,629 --> 00:07:59,759
process no it was not it was an auction

202
00:08:03,990 --> 00:08:00,639
process but

203
00:08:06,550 --> 00:08:04,000
the the bidders were secret the winners

204
00:08:07,350 --> 00:08:06,560
were not secret they uh the winners were

205
00:08:10,230 --> 00:08:07,360
secret too

206
00:08:11,749 --> 00:08:10,240
that they would say the winner but uh

207
00:08:13,909 --> 00:08:11,759
but who was really behind the winner who

208
00:08:15,110 --> 00:08:13,919
was all really behind it was amazing i

209
00:08:17,749 --> 00:08:15,120
had i went over to

210
00:08:20,070 --> 00:08:17,759
luke oil one time they wanted an abr

211
00:08:22,230 --> 00:08:20,080
here in the united states which is a

212
00:08:23,990 --> 00:08:22,240
kind of uh they wanted to be listed on

213
00:08:26,710 --> 00:08:24,000

our stock exchanges

214

00:08:28,710 --> 00:08:26,720

and uh mckinsey handled that um

215

00:08:30,710 --> 00:08:28,720

transaction and i went in there and i

216

00:08:32,630 --> 00:08:30,720

asked to see their books and

217

00:08:33,990 --> 00:08:32,640

you know because you have to be all very

218

00:08:35,190 --> 00:08:34,000

public if you're gonna go to the

219

00:08:38,790 --> 00:08:35,200

american

220

00:08:39,990 --> 00:08:38,800

uh stock exchange and uh and they gave

221

00:08:41,670 --> 00:08:40,000

me one set of books and i said

222

00:08:43,350 --> 00:08:41,680

these don't add up and then they said

223

00:08:44,949 --> 00:08:43,360

okay and then they gave me another set

224

00:08:46,870 --> 00:08:44,959

of books and i said these don't add up

225

00:08:52,710 --> 00:08:46,880

and then they said

226

00:08:56,310 --> 00:08:54,310

there's a lot of americans and

227

00:08:57,269 --> 00:08:56,320

westerners going there at the time you

228

00:08:58,870 --> 00:08:57,279

were there right to

229

00:08:59,990 --> 00:08:58,880

thinking that this was opening up for

230

00:09:01,430 --> 00:09:00,000

business and there was going to be

231

00:09:03,269 --> 00:09:01,440

opportunities what what happened

232

00:09:05,030 --> 00:09:03,279

it was a wild east they called it at the

233

00:09:05,590 --> 00:09:05,040

y at the time the wild east there were a

234

00:09:07,750 --> 00:09:05,600

lot of

235

00:09:08,949 --> 00:09:07,760

wild cat entrepreneurs in the early 90s

236

00:09:12,790 --> 00:09:08,959

going over there

237

00:09:16,310 --> 00:09:12,800

all hoping to be millionaires and

238

00:09:19,509 --> 00:09:16,320

the obviously the

239

00:09:22,710 --> 00:09:19,519

in most cases i know some millionaires

240

00:09:23,670 --> 00:09:22,720

but in most cases the in-country people

241

00:09:26,949 --> 00:09:23,680

were

242

00:09:30,070 --> 00:09:26,959

that most

243

00:09:32,870 --> 00:09:30,080

benefit so the

244

00:09:34,630 --> 00:09:32,880

the opportunity to buy a business there

245

00:09:36,070 --> 00:09:34,640

start a business there if you weren't

246

00:09:37,910 --> 00:09:36,080

from russia

247

00:09:39,430 --> 00:09:37,920

oh it was there there were a lot of

248

00:09:40,550 --> 00:09:39,440

people that opened businesses there and

249

00:09:44,070 --> 00:09:40,560

they did pretty well

250

00:09:47,430 --> 00:09:44,080

right but the big massive uh

251
00:09:50,949 --> 00:09:47,440
the ones the country changing kind of uh

252
00:09:54,070 --> 00:09:50,959
um entrepreneurship

253
00:09:54,790 --> 00:09:54,080
um was in country in almost all those

254
00:09:57,030 --> 00:09:54,800
cases

255
00:09:57,829 --> 00:09:57,040
uh they were very protective that they

256
00:10:00,630 --> 00:09:57,839
wouldn't be

257
00:10:01,590 --> 00:10:00,640
farmed out to the west simply uh

258
00:10:04,150 --> 00:10:01,600
everything

259
00:10:05,670 --> 00:10:04,160
um given away they weren't going to

260
00:10:08,389 --> 00:10:05,680
allow that

261
00:10:09,430 --> 00:10:08,399
so walk us through if you understand

262
00:10:12,550 --> 00:10:09,440
exactly how

263
00:10:14,069 --> 00:10:12,560

putin becomes essentially what some say

264

00:10:17,910 --> 00:10:14,079

is the richest man

265

00:10:19,030 --> 00:10:17,920

in the world in the world yeah how is he

266

00:10:20,310 --> 00:10:19,040

well let's just assume

267

00:10:22,389 --> 00:10:20,320

he's either let's just assume he's

268

00:10:25,430 --> 00:10:22,399

either that or he's pretty damn close

269

00:10:28,790 --> 00:10:25,440

how does the president of russia

270

00:10:31,590 --> 00:10:28,800

become the richest man in the world

271

00:10:32,870 --> 00:10:31,600

well because the soviet union the whole

272

00:10:36,069 --> 00:10:32,880

idea of communism

273

00:10:39,590 --> 00:10:36,079

is uh had to make had it had made

274

00:10:40,230 --> 00:10:39,600

ownership an issue so the state owned

275

00:10:43,670 --> 00:10:40,240

everything

276

00:10:46,710 --> 00:10:43,680

then they were farming out what uh

277

00:10:47,509 --> 00:10:46,720

what what might not be state owned

278

00:10:50,550 --> 00:10:47,519

anymore

279

00:10:54,230 --> 00:10:50,560

and he came in and he says well

280

00:10:57,030 --> 00:10:54,240

whatever the state owns i own

281

00:10:58,230 --> 00:10:57,040

and uh he's he's got a lot of villas

282

00:11:01,269 --> 00:10:58,240

homes uh

283

00:11:03,590 --> 00:11:01,279

a lot of business uh

284

00:11:06,389 --> 00:11:03,600

businesses that he's involved with that

285

00:11:08,710 --> 00:11:06,399

were formerly state-owned businesses

286

00:11:09,990 --> 00:11:08,720

that he is just transferred to him

287

00:11:13,030 --> 00:11:10,000

himself

288

00:11:15,750 --> 00:11:13,040

and uh he um

289

00:11:17,590 --> 00:11:15,760

that's how he did it he's basically take

290

00:11:21,910 --> 00:11:17,600

imagine if biden

291

00:11:26,790 --> 00:11:25,269

camp david is really my place uh that's

292

00:11:29,990 --> 00:11:26,800

basically what he did

293

00:11:32,310 --> 00:11:30,000

and uh so he didn't have any wealth to

294

00:11:34,150 --> 00:11:32,320

speak of at the time that he became

295

00:11:36,389 --> 00:11:34,160

president he hadn't already been an

296

00:11:36,790 --> 00:11:36,399

oligarch or already he had had one of

297

00:11:40,630 --> 00:11:36,800

the

298

00:11:43,670 --> 00:11:40,640

companies he was just a kgb guy yeah

299

00:11:47,910 --> 00:11:43,680

yes and a politician and when we say

300

00:11:51,430 --> 00:11:47,920

that he he's said these are mine i mean

301
00:11:52,389 --> 00:11:51,440
um he's not even saying it now he's just

302
00:11:54,629 --> 00:11:52,399
inferring it

303
00:11:56,470 --> 00:11:54,639
i mean now i mean we're gonna see if he

304
00:11:57,670 --> 00:11:56,480
if he walks away if he still has

305
00:12:00,389 --> 00:11:57,680
everything but

306
00:12:01,110 --> 00:12:00,399
he's using it all as of his own as his

307
00:12:04,389 --> 00:12:01,120
own

308
00:12:05,829 --> 00:12:04,399
and it's being assumed that it's

309
00:12:07,670 --> 00:12:05,839
much like it has in other eastern

310
00:12:09,829 --> 00:12:07,680
european countries like in the ukraine

311
00:12:11,430 --> 00:12:09,839
and we're talking about mostly

312
00:12:13,190 --> 00:12:11,440
villas and castles are we talking about

313
00:12:17,030 --> 00:12:13,200

companies

314

00:12:20,069 --> 00:12:17,040

both yeah villains and castles and uh

315

00:12:23,190 --> 00:12:20,079

i don't cast but uh

316

00:12:26,470 --> 00:12:23,200

huge estates and companies

317

00:12:29,590 --> 00:12:26,480

and uh and

318

00:12:32,870 --> 00:12:29,600

uh and the

319

00:12:34,949 --> 00:12:32,880

that entire network of what he has and

320

00:12:37,990 --> 00:12:34,959

what he doesn't have i think is very

321

00:12:40,470 --> 00:12:38,000

uh very cloudy right now

322

00:12:41,269 --> 00:12:40,480

but um so he's he's kind of like a good

323

00:12:45,269 --> 00:12:41,279

old-fashioned

324

00:12:46,629 --> 00:12:45,279

dictator he's not a hundred percent a

325

00:12:49,430 --> 00:12:46,639

dictator because they still have

326

00:12:52,230 --> 00:12:49,440

elections and if he ends up losing one

327

00:12:53,110 --> 00:12:52,240

um then he's gonna be in a lot of

328

00:12:56,069 --> 00:12:53,120

trouble but

329

00:12:58,949 --> 00:12:56,079

uh as we all know these elections can be

330

00:13:03,190 --> 00:12:58,959

fixed as what's going on in belarus

331

00:13:07,269 --> 00:13:03,200

um and and his opposition is being

332

00:13:11,030 --> 00:13:07,279

poisoned and and and uh and put down

333

00:13:14,230 --> 00:13:11,040

so i would say that's dictatorial power

334

00:13:15,069 --> 00:13:14,240

um but he is still uh very popular in

335

00:13:18,150 --> 00:13:15,079

russia

336

00:13:21,269 --> 00:13:18,160

extremely popular and uh

337

00:13:25,670 --> 00:13:21,279

he uh he's

338

00:13:27,670 --> 00:13:25,680

fully in command unlike yeltsin

339

00:13:29,110 --> 00:13:27,680

unlike the elsin where you could say in

340

00:13:32,230 --> 00:13:29,120

yeltsin

341

00:13:34,710 --> 00:13:32,240

my time in in there uh the the

342

00:13:36,150 --> 00:13:34,720

mayor of moscow was extremely important

343

00:13:39,269 --> 00:13:36,160

in moscow itself

344

00:13:43,189 --> 00:13:39,279

he was in charge and uh

345

00:13:44,230 --> 00:13:43,199

and on all the the stands kazakhstan and

346

00:13:47,990 --> 00:13:44,240

tajikistan

347

00:13:51,030 --> 00:13:48,000

their uh presidents were pretty much

348

00:13:57,430 --> 00:13:54,870

and when you say putin is very popular

349

00:13:58,629 --> 00:13:57,440

today how do you explain that

350

00:14:03,430 --> 00:13:58,639

considering

351
00:14:05,829 --> 00:14:03,440
you know how corrupt he is etc

352
00:14:07,350 --> 00:14:05,839
well there was a feeling in in russia

353
00:14:09,189 --> 00:14:07,360
that they were out of control and that

354
00:14:10,230 --> 00:14:09,199
they were at the mercy of the west under

355
00:14:13,990 --> 00:14:10,240
yeltsin

356
00:14:17,030 --> 00:14:14,000
and uh then um under putin they

357
00:14:19,430 --> 00:14:17,040
they enjoyed a long period

358
00:14:21,829 --> 00:14:19,440
of oil prices going up and so the

359
00:14:24,790 --> 00:14:21,839
economy went booming

360
00:14:25,990 --> 00:14:24,800
now the economy is not booming so much

361
00:14:27,670 --> 00:14:26,000
and

362
00:14:29,670 --> 00:14:27,680
you would think his popularity would

363
00:14:30,949 --> 00:14:29,680

have gone down but he solidified his

364

00:14:33,990 --> 00:14:30,959

popularity

365

00:14:37,829 --> 00:14:34,000

they believe he's a strong man and uh

366

00:14:38,230 --> 00:14:37,839

he's uh trying to reestablish the empire

367

00:14:41,990 --> 00:14:38,240

and

368

00:14:45,189 --> 00:14:42,000

don't that's what i'm

369

00:14:46,389 --> 00:14:45,199

i'm guessing i know that there is a

370

00:14:50,230 --> 00:14:46,399

strong tradition

371

00:14:53,350 --> 00:14:50,240

of you know in russia or for

372

00:14:54,230 --> 00:14:53,360

the czars and and for before that i mean

373

00:14:57,990 --> 00:14:54,240

after that the

374

00:14:59,110 --> 00:14:58,000

the soviet union with dictators in that

375

00:15:02,069 --> 00:14:59,120

in those cases

376

00:15:03,030 --> 00:15:02,079

communist dictators so now they're very

377

00:15:06,150 --> 00:15:03,040

used to

378

00:15:10,069 --> 00:15:06,160

that kind of government they like

379

00:15:12,710 --> 00:15:10,079

theists i think any other form would be

380

00:15:14,629 --> 00:15:12,720

um foreign to them yeah well and if you

381

00:15:15,670 --> 00:15:14,639

don't have freedom of press and freedom

382

00:15:18,150 --> 00:15:15,680

of speech

383

00:15:20,069 --> 00:15:18,160

then it's criticism right they aren't

384

00:15:23,670 --> 00:15:20,079

seeing the criticism and so

385

00:15:26,550 --> 00:15:23,680

um yeah it's all word of mouth

386

00:15:27,829 --> 00:15:26,560

yeah i mean as much as we in particular

387

00:15:31,189 --> 00:15:27,839

me

388

00:15:33,990 --> 00:15:31,199

complains about u.s journalism right now

389

00:15:35,590 --> 00:15:34,000

where you've got you know just keep it

390

00:15:38,790 --> 00:15:35,600

simple fox news and cnn

391

00:15:40,069 --> 00:15:38,800

and you've got cnn all they do is

392

00:15:42,310 --> 00:15:40,079

criticize the president

393

00:15:44,310 --> 00:15:42,320

when it was trump and now it's the exact

394

00:15:45,670 --> 00:15:44,320

opposite with boxing cnn with the new

395

00:15:47,350 --> 00:15:45,680

with the new president but at least

396

00:15:49,990 --> 00:15:47,360

you've got that at least

397

00:15:50,870 --> 00:15:50,000

if i if if if the president is up to no

398

00:15:52,310 --> 00:15:50,880

good

399

00:15:54,470 --> 00:15:52,320

you're certainly going to know about it

400

00:15:56,790 --> 00:15:54,480

either from cnn if it's a republican or

401
00:15:59,590 --> 00:15:56,800
from fox news if it's a democrat

402
00:16:00,710 --> 00:15:59,600
but in uh in russia you've got to go

403
00:16:01,670 --> 00:16:00,720
underground to get that information

404
00:16:04,150 --> 00:16:01,680
there's a there's

405
00:16:06,069 --> 00:16:04,160
way less debate and it's scary over

406
00:16:09,110 --> 00:16:06,079
there and like i say

407
00:16:13,350 --> 00:16:09,120
your business can be shut down your

408
00:16:17,509 --> 00:16:13,360
uh you better not be critical of

409
00:16:20,150 --> 00:16:17,519
putin or will you risk going off to jail

410
00:16:21,269 --> 00:16:20,160
and uh or being poisoned or being

411
00:16:25,189 --> 00:16:21,279
followed

412
00:16:28,629 --> 00:16:25,199
intimidated um their their opera

413
00:16:31,749 --> 00:16:28,639

their uh operations are very very strong

414

00:16:32,470 --> 00:16:31,759

still well i've got a lot of russian

415

00:16:35,670 --> 00:16:32,480

friends my

416

00:16:36,790 --> 00:16:35,680

my wife is from ukraine and

417

00:16:38,710 --> 00:16:36,800

i have a lot of friends here in los

418

00:16:41,509 --> 00:16:38,720

angeles from have you been there

419

00:16:43,590 --> 00:16:41,519

i've been to kiev twice i wanted to go

420

00:16:47,269 --> 00:16:43,600

from kiev to moscow

421

00:16:48,870 --> 00:16:47,279

because of the tensions right now

422

00:16:51,350 --> 00:16:48,880

between those two countries

423

00:16:51,910 --> 00:16:51,360

um you know it should be an easy flight

424

00:16:54,949 --> 00:16:51,920

but

425

00:16:55,350 --> 00:16:54,959

there's no direct flight so i chose not

426

00:16:57,030 --> 00:16:55,360

to

427

00:16:58,949 --> 00:16:57,040

go there but you know just in my

428

00:17:00,790 --> 00:16:58,959

interactions with her friends in kiev

429

00:17:03,509 --> 00:17:00,800

and so on you realize

430

00:17:04,069 --> 00:17:03,519

uh what an impact of russia is having on

431

00:17:06,870 --> 00:17:04,079

kia

432

00:17:07,510 --> 00:17:06,880

on ukraine's economy i mean it's just

433

00:17:09,350 --> 00:17:07,520

totally

434

00:17:11,029 --> 00:17:09,360

in the dumps right now because who's

435

00:17:12,710 --> 00:17:11,039

going to invest in ukraine when

436

00:17:14,789 --> 00:17:12,720

there's all this uncertainty with its

437

00:17:18,789 --> 00:17:14,799

tensions with russia

438

00:17:20,230 --> 00:17:18,799

and and ukraine having a very strong

439

00:17:23,510 --> 00:17:20,240

black market

440

00:17:26,630 --> 00:17:23,520

and uh and how much of that of their

441

00:17:29,110 --> 00:17:26,640

um economy is a black market

442

00:17:30,390 --> 00:17:29,120

uh i don't know but i had another

443

00:17:33,510 --> 00:17:30,400

another country with

444

00:17:36,870 --> 00:17:33,520

corruption and still corrupt right

445

00:17:40,070 --> 00:17:36,880

yes absolutely yes

446

00:17:40,470 --> 00:17:40,080

and uh i don't know right now i i can't

447

00:17:42,070 --> 00:17:40,480

say

448

00:17:44,310 --> 00:17:42,080

i don't want to talk about things i

449

00:17:46,470 --> 00:17:44,320

don't really i don't have her

450

00:17:47,990 --> 00:17:46,480

now one of my interesting observations

451
00:17:50,230 --> 00:17:48,000
from there is

452
00:17:53,029 --> 00:17:50,240
that you know what was taught in schools

453
00:17:55,909 --> 00:17:53,039
was always ukrainian and russian

454
00:17:56,549 --> 00:17:55,919
and now it's ukrainian and english i

455
00:17:59,029 --> 00:17:56,559
mean they are

456
00:17:59,590 --> 00:17:59,039
really trying to divorce themselves from

457
00:18:02,630 --> 00:17:59,600
russia

458
00:18:04,070 --> 00:18:02,640
you drive around kiev now this you open

459
00:18:05,830 --> 00:18:04,080
up a new restaurant it's in english

460
00:18:08,150 --> 00:18:05,840
they put the sign for the restaurant in

461
00:18:10,630 --> 00:18:08,160
english they very much are trying

462
00:18:11,990 --> 00:18:10,640
to attach themselves to the west and

463
00:18:14,230 --> 00:18:12,000

they're like screw

464

00:18:15,110 --> 00:18:14,240

you russia and putin i mean these people

465

00:18:16,870 --> 00:18:15,120

there will

466

00:18:18,710 --> 00:18:16,880

you know they will shed their bloods in

467

00:18:20,710 --> 00:18:18,720

the streets of kiev if

468

00:18:21,750 --> 00:18:20,720

if putin ever tried to go that far i

469

00:18:24,070 --> 00:18:21,760

mean they're

470

00:18:24,870 --> 00:18:24,080

they're they're going to die to protect

471

00:18:27,110 --> 00:18:24,880

it i

472

00:18:28,150 --> 00:18:27,120

happen to be in level the first

473

00:18:30,470 --> 00:18:28,160

anniversary of

474

00:18:31,430 --> 00:18:30,480

uh ukraine having declared their

475

00:18:34,230 --> 00:18:31,440

independence

476
00:18:35,270 --> 00:18:34,240
and uh they had an american soldier get

477
00:18:38,390 --> 00:18:35,280
up

478
00:18:40,950 --> 00:18:38,400
at the town square to talk about it and

479
00:18:44,230 --> 00:18:40,960
this american soldier said in english

480
00:18:47,510 --> 00:18:44,240
to the crowd we are very proud to be

481
00:18:49,750 --> 00:18:47,520
in uh some uh

482
00:18:50,789 --> 00:18:49,760
maneuvers now with your army with your

483
00:18:53,270 --> 00:18:50,799
military

484
00:18:53,830 --> 00:18:53,280
and we want to make sure that ukraine is

485
00:18:57,029 --> 00:18:53,840
free

486
00:18:57,990 --> 00:18:57,039
forever and that place went nuts because

487
00:19:01,430 --> 00:18:58,000
they

488
00:19:03,190 --> 00:19:01,440

man

489

00:19:05,270 --> 00:19:03,200

you got the feeling like there was no

490

00:19:08,470 --> 00:19:05,280

way they were gonna go back

491

00:19:09,350 --> 00:19:08,480

but uh i i you know i i got the feeling

492

00:19:11,750 --> 00:19:09,360

the same feeling

493

00:19:13,029 --> 00:19:11,760

as you got but half the country are

494

00:19:16,950 --> 00:19:13,039

russian speakers

495

00:19:20,630 --> 00:19:16,960

and uh came from russia and uh

496

00:19:22,310 --> 00:19:20,640

so they're a divided country and um

497

00:19:23,909 --> 00:19:22,320

yeah i i learned i wouldn't have known

498

00:19:24,710 --> 00:19:23,919

this but for my wife that you know

499

00:19:27,830 --> 00:19:24,720

crimea

500

00:19:30,390 --> 00:19:27,840

was a very very very nice place it was

501
00:19:32,950 --> 00:19:30,400
like a crown jewel of ukraine so

502
00:19:34,150 --> 00:19:32,960
when when russia took that that was a

503
00:19:36,310 --> 00:19:34,160
major

504
00:19:39,190 --> 00:19:36,320
deal and it looks like they may not be

505
00:19:41,909 --> 00:19:39,200
stopping there

506
00:19:42,470 --> 00:19:41,919
i have no idea on that i can i can tell

507
00:19:46,870 --> 00:19:42,480
you that

508
00:19:52,950 --> 00:19:49,909
i wouldn't be surprised i i i think that

509
00:19:55,990 --> 00:19:52,960
he i don't know what putin has up his

510
00:19:57,830 --> 00:19:56,000
sleeve but he uh every time he does

511
00:20:00,870 --> 00:19:57,840
something militarily his

512
00:20:03,909 --> 00:20:00,880
popularity goes up i know that yeah

513
00:20:05,430 --> 00:20:03,919

well the same russian people are

514

00:20:07,830 --> 00:20:05,440

very concerned about what they see going

515

00:20:10,310 --> 00:20:07,840

on in with america and

516

00:20:11,029 --> 00:20:10,320

you know we used to have a truly freedom

517

00:20:13,270 --> 00:20:11,039

of speech and

518

00:20:16,149 --> 00:20:13,280

free press and so on and some of the

519

00:20:18,789 --> 00:20:16,159

stuff you see going on with the

520

00:20:19,990 --> 00:20:18,799

social media and taking down things and

521

00:20:23,830 --> 00:20:20,000

you know youtube and so

522

00:20:24,310 --> 00:20:23,840

on so i i can you know they see shades

523

00:20:26,870 --> 00:20:24,320

of

524

00:20:28,310 --> 00:20:26,880

russia with what's going on now albeit

525

00:20:30,710 --> 00:20:28,320

youtube's private

526
00:20:31,510 --> 00:20:30,720
facebook is private and so on so you've

527
00:20:36,549 --> 00:20:31,520
got

528
00:20:38,390 --> 00:20:36,559
large humongous private companies i mean

529
00:20:40,390 --> 00:20:38,400
by historical standards i'm not sure how

530
00:20:41,990 --> 00:20:40,400
big you would consider these countries

531
00:20:44,390 --> 00:20:42,000
these companies compared to say getty

532
00:20:45,830 --> 00:20:44,400
oil back 100 years ago i i don't know

533
00:20:48,789 --> 00:20:45,840
but

534
00:20:49,990 --> 00:20:48,799
by any standard these are humongous

535
00:20:52,070 --> 00:20:50,000
companies

536
00:20:53,590 --> 00:20:52,080
bordering on needing to be broken up

537
00:20:56,630 --> 00:20:53,600
right

538
00:20:57,909 --> 00:20:56,640

albeit private but but controlling

539

00:21:01,190 --> 00:20:57,919

speech

540

00:21:04,070 --> 00:21:01,200

and um well i've seen in my

541

00:21:05,590 --> 00:21:04,080

in my uh on my story the story cycle

542

00:21:07,669 --> 00:21:05,600

americans in the pandemic

543

00:21:09,029 --> 00:21:07,679

bicycling route 66 and collecting

544

00:21:11,190 --> 00:21:09,039

coveted stories

545

00:21:13,270 --> 00:21:11,200

they have given me two strikes if you

546

00:21:15,270 --> 00:21:13,280

get three strikes on youtube

547

00:21:17,990 --> 00:21:15,280

for that channel my youtube channel has

548

00:21:21,909 --> 00:21:18,000

two strikes i think i'm going to get off

549

00:21:23,990 --> 00:21:21,919

on the second strike i don't know but

550

00:21:25,110 --> 00:21:24,000

uh if i get three strikes they're going

551

00:21:27,669 --> 00:21:25,120

to shut down the

552

00:21:29,350 --> 00:21:27,679

the entire program off of yeah well

553

00:21:30,070 --> 00:21:29,360

hopefully you don't give me a second

554

00:21:32,070 --> 00:21:30,080

strike here

555

00:21:33,510 --> 00:21:32,080

because i i can share my youtube story

556

00:21:35,110 --> 00:21:33,520

with you and then you can

557

00:21:36,870 --> 00:21:35,120

share them back and then we can start

558

00:21:38,710 --> 00:21:36,880

talking about what's going to be your

559

00:21:42,310 --> 00:21:38,720

next book about your your bike ride

560

00:21:43,270 --> 00:21:42,320

on route 66. my story is that it was

561

00:21:46,630 --> 00:21:43,280

actually

562

00:21:49,750 --> 00:21:46,640

my most recent episode and i had

563

00:21:52,870 --> 00:21:49,760

a university of wisconsin professor

564

00:21:55,190 --> 00:21:52,880

former professor um

565

00:21:57,590 --> 00:21:55,200

a medical advisor to multiple

566

00:22:01,590 --> 00:21:57,600

congressional committees

567

00:22:03,110 --> 00:22:01,600

md and coming on simply

568

00:22:04,950 --> 00:22:03,120

to say he actually wrote a book called

569

00:22:07,029 --> 00:22:04,960

pandemic blunder and he was talking

570

00:22:10,950 --> 00:22:07,039

about how

571

00:22:13,029 --> 00:22:10,960

the nih and the cdc um just

572

00:22:14,070 --> 00:22:13,039

essentially kind of discouraged early

573

00:22:16,950 --> 00:22:14,080

treatments

574

00:22:18,149 --> 00:22:16,960

of covid before we had vaccines but

575

00:22:19,190 --> 00:22:18,159

there were some early treatments and

576

00:22:20,470 --> 00:22:19,200

they were saying no

577

00:22:21,430 --> 00:22:20,480

stay at home don't go to the hospital

578

00:22:22,710 --> 00:22:21,440

because they didn't want to crowd the

579

00:22:24,230 --> 00:22:22,720

hospitals et cetera anyway that's what

580

00:22:25,270 --> 00:22:24,240

the book was about

581

00:22:27,430 --> 00:22:25,280

then we started talking about the

582

00:22:28,789 --> 00:22:27,440

vaccine and he said that he took the

583

00:22:32,149 --> 00:22:28,799

vaccine

584

00:22:33,430 --> 00:22:32,159

uh both doses had no adverse reaction to

585

00:22:36,470 --> 00:22:33,440

them

586

00:22:38,870 --> 00:22:36,480

but nonetheless now regrets

587

00:22:40,549 --> 00:22:38,880

having taken the vaccine and just

588

00:22:41,909 --> 00:22:40,559

explained a lot of the science that has

589

00:22:43,510 --> 00:22:41,919

come out a lot of things that he's

590

00:22:46,710 --> 00:22:43,520

learned about the vaccine

591

00:22:47,990 --> 00:22:46,720

and just a few things in particular the

592

00:22:49,510 --> 00:22:48,000

the one most important thing he was

593

00:22:51,029 --> 00:22:49,520

letting people know is if you've already

594

00:22:52,710 --> 00:22:51,039

had covet

595

00:22:54,070 --> 00:22:52,720

that means you've got most likely have

596

00:22:54,950 --> 00:22:54,080

the antibodies you could be testifying

597

00:22:56,470 --> 00:22:54,960

antibodies but

598

00:22:59,029 --> 00:22:56,480

that is the group of people that the

599

00:23:01,029 --> 00:22:59,039

vaccines were never tested on

600

00:23:02,710 --> 00:23:01,039

and those are the people that are having

601
00:23:05,909 --> 00:23:02,720
the most adverse

602
00:23:09,270 --> 00:23:05,919
reactions to the vaccine so he's just

603
00:23:10,149 --> 00:23:09,280
warning these people okay two friends of

604
00:23:14,149 --> 00:23:10,159
mine who had

605
00:23:15,990 --> 00:23:14,159
coveted over uh the new over new year's

606
00:23:18,390 --> 00:23:16,000
just took their first dose and got

607
00:23:20,630 --> 00:23:18,400
extremely sick for two days

608
00:23:22,070 --> 00:23:20,640
most people don't on the first dose and

609
00:23:23,750 --> 00:23:22,080
i'm like wow and these are guys

610
00:23:25,510 --> 00:23:23,760
that had copic i'm sure they still have

611
00:23:27,110 --> 00:23:25,520
the antibodies i got it over new years

612
00:23:29,909 --> 00:23:27,120
too and i still have the antibodies

613
00:23:31,270 --> 00:23:29,919

so this guy is just letting people know

614

00:23:34,470 --> 00:23:31,280

be cautious about this

615

00:23:36,230 --> 00:23:34,480

and that video was taken down because it

616

00:23:38,230 --> 00:23:36,240

goes against

617

00:23:39,350 --> 00:23:38,240

the consensus of medical experts

618

00:23:43,430 --> 00:23:39,360

including the

619

00:23:48,070 --> 00:23:43,440

world health organization i'm like holy

620

00:23:49,750 --> 00:23:48,080

in america in america

621

00:23:51,510 --> 00:23:49,760

we're not allowed to say something that

622

00:23:54,070 --> 00:23:51,520

disagrees with the world

623

00:23:54,549 --> 00:23:54,080

health organization this international

624

00:23:56,549 --> 00:23:54,559

body

625

00:23:57,750 --> 00:23:56,559

that has nothing to do with america and

626

00:24:00,310 --> 00:23:57,760

it's probably

627

00:24:01,990 --> 00:24:00,320

chinese controlled the same body that

628

00:24:03,590 --> 00:24:02,000

said that this thing did not come from a

629

00:24:05,190 --> 00:24:03,600

lab and now it looks like it did come

630

00:24:08,549 --> 00:24:05,200

from a lab

631

00:24:10,470 --> 00:24:08,559

youtube what is wrong with you

632

00:24:12,630 --> 00:24:10,480

so you you give me your comments on that

633

00:24:14,070 --> 00:24:12,640

and then i want to hear your i i i feel

634

00:24:15,990 --> 00:24:14,080

that stings so hard

635

00:24:18,230 --> 00:24:16,000

and it's unbelievable especially being

636

00:24:21,669 --> 00:24:18,240

journalists so we uh

637

00:24:22,230 --> 00:24:21,679

we uh we want opinions to get out there

638

00:24:24,149 --> 00:24:22,240

and

639

00:24:26,230 --> 00:24:24,159

because we know that in the world of

640

00:24:27,669 --> 00:24:26,240

opinion that these things should battle

641

00:24:31,190 --> 00:24:27,679

themselves out

642

00:24:33,510 --> 00:24:31,200

um but um i have had

643

00:24:35,590 --> 00:24:33,520

this happen to me where people are

644

00:24:35,909 --> 00:24:35,600

expressing their opinions saying hey i

645

00:24:39,190 --> 00:24:35,919

am

646

00:24:40,710 --> 00:24:39,200

personally not vaccinating uh because

647

00:24:42,950 --> 00:24:40,720

and then they will say i have two

648

00:24:45,990 --> 00:24:42,960

friends who did and then

649

00:24:48,549 --> 00:24:46,000

whatever this is uh i call this

650

00:24:49,990 --> 00:24:48,559

folk wisdom and folk uh this is the way

651
00:24:53,269 --> 00:24:50,000
most people in throughout

652
00:24:56,149 --> 00:24:53,279
all of history have have uh decided

653
00:24:57,990 --> 00:24:56,159
to handle their health uh the the

654
00:25:01,350 --> 00:24:58,000
question of life and death

655
00:25:01,990 --> 00:25:01,360
they sometimes believe in experts far

656
00:25:03,669 --> 00:25:02,000
away

657
00:25:06,070 --> 00:25:03,679
but sometimes they believe on the

658
00:25:09,350 --> 00:25:06,080
experience of people near them

659
00:25:09,590 --> 00:25:09,360
and uh and these people i interview i

660
00:25:12,470 --> 00:25:09,600
have

661
00:25:15,350 --> 00:25:12,480
over 100 interviews said you know

662
00:25:18,789 --> 00:25:15,360
sometimes they're in a town of 12 people

663
00:25:22,070 --> 00:25:18,799

you know and so their

664

00:25:26,070 --> 00:25:22,080

experience is quite different than uh

665

00:25:28,390 --> 00:25:26,080

la or chicago or new york

666

00:25:29,669 --> 00:25:28,400

and uh they're relying on other bits of

667

00:25:32,870 --> 00:25:29,679

information and they're just

668

00:25:33,430 --> 00:25:32,880

describing their experience they're not

669

00:25:36,710 --> 00:25:33,440

saying

670

00:25:37,269 --> 00:25:36,720

i want you to never vaccinate to never

671

00:25:42,390 --> 00:25:37,279

mask

672

00:25:43,990 --> 00:25:42,400

to never um they're not prescribing

673

00:25:44,710 --> 00:25:44,000

anything they're just saying this is

674

00:25:46,630 --> 00:25:44,720

what i do

675

00:25:47,750 --> 00:25:46,640

because these are the stories i'm

676
00:25:51,350 --> 00:25:47,760
telling myself

677
00:25:52,390 --> 00:25:51,360
in order to help me uh navigate another

678
00:25:53,830 --> 00:25:52,400
pandemic because

679
00:25:55,750 --> 00:25:53,840
human beings have been living through

680
00:25:56,789 --> 00:25:55,760
pandemics and plagues through all of

681
00:25:59,830 --> 00:25:56,799
history

682
00:26:01,669 --> 00:25:59,840
and now we're telling ourselves stories

683
00:26:03,750 --> 00:26:01,679
that are going to help us get through

684
00:26:05,750 --> 00:26:03,760
this one too and some people are going

685
00:26:06,549 --> 00:26:05,760
hey i'm going with fauci and i'm going

686
00:26:10,390 --> 00:26:06,559
with the

687
00:26:12,070 --> 00:26:10,400
news i'm going with any

688
00:26:13,909 --> 00:26:12,080

that's what i'm doing because that's

689

00:26:14,630 --> 00:26:13,919

what i trust and other people are saying

690

00:26:16,310 --> 00:26:14,640

you know what

691

00:26:17,990 --> 00:26:16,320

i'm not going to believe the mainstream

692

00:26:19,029 --> 00:26:18,000

news i'm not going to believe my

693

00:26:20,870 --> 00:26:19,039

government

694

00:26:22,950 --> 00:26:20,880

because they've lied to me in the past

695

00:26:23,269 --> 00:26:22,960

even doctors have been wrong in the past

696

00:26:26,310 --> 00:26:23,279

so

697

00:26:30,230 --> 00:26:26,320

i'll believe what i can see and then

698

00:26:36,870 --> 00:26:33,590

doctors fauci himself

699

00:26:40,149 --> 00:26:36,880

has admitted that he lied to everyone

700

00:26:43,269 --> 00:26:40,159

yeah about over the mass

701
00:26:44,070 --> 00:26:43,279
he he said that i told people at that

702
00:26:46,149 --> 00:26:44,080
time

703
00:26:47,909 --> 00:26:46,159
that mass don't work because i was

704
00:26:50,149 --> 00:26:47,919
afraid that we would

705
00:26:51,990 --> 00:26:50,159
lose too many mess so i i so fauci

706
00:26:55,110 --> 00:26:52,000
decided it was in the public good in his

707
00:26:58,870 --> 00:26:55,120
own decision to lie to people

708
00:26:59,430 --> 00:26:58,880
for uh for for what he considered to be

709
00:27:03,029 --> 00:26:59,440
a higher

710
00:27:05,510 --> 00:27:03,039
um purpose a classical mistake

711
00:27:07,669 --> 00:27:05,520
yeah it was a classic mistake they the

712
00:27:08,789 --> 00:27:07,679
the historians came forward right when

713
00:27:11,669 --> 00:27:08,799

this came out i

714

00:27:12,549 --> 00:27:11,679

i heard it uh on the radio but i've read

715

00:27:15,909 --> 00:27:12,559

it also

716

00:27:18,070 --> 00:27:15,919

that the 1918 pan epidemic

717

00:27:19,750 --> 00:27:18,080

resulted in a lot of distrust to the gov

718

00:27:20,710 --> 00:27:19,760

with for the government because of the

719

00:27:22,389 --> 00:27:20,720

lies that came out

720

00:27:24,870 --> 00:27:22,399

and from both the government and the

721

00:27:26,870 --> 00:27:24,880

doctors and the military

722

00:27:28,549 --> 00:27:26,880

and uh and fauci came up with that

723

00:27:30,549 --> 00:27:28,559

classic noble lie

724

00:27:32,470 --> 00:27:30,559

and now people are saying what else are

725

00:27:33,110 --> 00:27:32,480

you lying about what else is for the

726

00:27:35,110 --> 00:27:33,120

better good

727

00:27:36,230 --> 00:27:35,120

well and vaccine is the most obvious

728

00:27:38,630 --> 00:27:36,240

example of that

729

00:27:39,430 --> 00:27:38,640

because here was something that okay

730

00:27:40,950 --> 00:27:39,440

we're trying to get through this

731

00:27:43,909 --> 00:27:40,960

pandemic

732

00:27:46,149 --> 00:27:43,919

and you know it's all just immediate

733

00:27:48,549 --> 00:27:46,159

issues that are popping up so mass

734

00:27:49,990 --> 00:27:48,559

oh boy don't tell people that you you

735

00:27:51,590 --> 00:27:50,000

need to wear a mask don't tell them that

736

00:27:52,149 --> 00:27:51,600

now because we desperately need masks

737

00:27:54,710 --> 00:27:52,159

for this

738

00:27:55,830 --> 00:27:54,720

and vaccine would be could fall right

739

00:27:58,389 --> 00:27:55,840

into the same category

740

00:27:59,269 --> 00:27:58,399

okay everybody uh we know this about the

741

00:28:00,630 --> 00:27:59,279

vaccine

742

00:28:01,830 --> 00:28:00,640

but don't because right now the most

743

00:28:02,389 --> 00:28:01,840

important thing is just to get everybody

744

00:28:05,750 --> 00:28:02,399

kicks

745

00:28:07,909 --> 00:28:05,760

everybody just shut up about

746

00:28:09,269 --> 00:28:07,919

any risks associated with the vaccine

747

00:28:12,389 --> 00:28:09,279

right right

748

00:28:14,789 --> 00:28:12,399

don't tell them that there are people uh

749

00:28:16,470 --> 00:28:14,799

dying there don't tell people about the

750

00:28:17,110 --> 00:28:16,480

adverse effects don't tell them that's

751
00:28:20,149 --> 00:28:17,120
20

752
00:28:23,909 --> 00:28:20,159
or 10 percent or you know whatever

753
00:28:26,950 --> 00:28:23,919
and uh i uh i i'm just saying this

754
00:28:27,590 --> 00:28:26,960
that um what i've set out to do was to

755
00:28:30,789 --> 00:28:27,600
tell

756
00:28:33,110 --> 00:28:30,799
how people think and uh and then

757
00:28:33,830 --> 00:28:33,120
try to get into their head and and and

758
00:28:36,310 --> 00:28:33,840
see

759
00:28:38,230 --> 00:28:36,320
on a random you know sort of america's

760
00:28:40,789 --> 00:28:38,240
main street use

761
00:28:42,310 --> 00:28:40,799
route 66 is called america's main street

762
00:28:43,669 --> 00:28:42,320
and just what everyday people

763
00:28:45,669 --> 00:28:43,679

people who have never been interviewed

764

00:28:48,070 --> 00:28:45,679

before what they think

765

00:28:48,950 --> 00:28:48,080

and get into their heads and see that it

766

00:28:51,990 --> 00:28:48,960

doesn't it's

767

00:28:55,110 --> 00:28:52,000

they're not they're not as crazy

768

00:28:58,710 --> 00:28:55,120

as um

769

00:29:02,230 --> 00:28:58,720

as they might seem if if all you do

770

00:29:05,430 --> 00:29:02,240

is if you're sitting in chicago or l.a

771

00:29:08,389 --> 00:29:05,440

and you're seeing uh hospitals being

772

00:29:08,870 --> 00:29:08,399

over flowing with the human beings dying

773

00:29:12,230 --> 00:29:08,880

and

774

00:29:14,549 --> 00:29:12,240

suffering badly um i

775

00:29:16,310 --> 00:29:14,559

i wanted to get at why they had these

776

00:29:18,710 --> 00:29:16,320

ideas and

777

00:29:20,789 --> 00:29:18,720

and whether they're uh real or i mean

778

00:29:24,070 --> 00:29:20,799

whether they're gonna come out to be

779

00:29:29,510 --> 00:29:27,750

right or not in the end that's not

780

00:29:30,950 --> 00:29:29,520

what i'm concerned about what i'm

781

00:29:34,070 --> 00:29:30,960

concerned about right now

782

00:29:36,789 --> 00:29:34,080

is that these are the stories

783

00:29:37,830 --> 00:29:36,799

i want people to know what how people

784

00:29:41,669 --> 00:29:37,840

are adjusting

785

00:29:45,190 --> 00:29:41,679

to this covet so

786

00:29:47,990 --> 00:29:45,200

there we go so tell me um

787

00:29:49,430 --> 00:29:48,000

what was it that was in whatever you

788

00:29:52,630 --> 00:29:49,440

posted that got

789

00:29:54,070 --> 00:29:52,640

got got you taken down it was somebody

790

00:29:54,950 --> 00:29:54,080

just saying they doubted all the

791

00:29:57,510 --> 00:29:54,960

information

792

00:29:58,630 --> 00:29:57,520

that was coming out and some of you were

793

00:30:01,430 --> 00:29:58,640

interviewing

794

00:30:02,470 --> 00:30:01,440

yes and i was saying nothing in fact i

795

00:30:04,630 --> 00:30:02,480

have said nothing

796

00:30:07,110 --> 00:30:04,640

still and i'm in the process of writing

797

00:30:10,230 --> 00:30:07,120

the book i believe i won't say anything

798

00:30:11,909 --> 00:30:10,240

about my opinion all i'm saying is that

799

00:30:13,590 --> 00:30:11,919

these people have their opinions and

800

00:30:15,990 --> 00:30:13,600

here are some of the

801
00:30:17,830 --> 00:30:16,000
reasons that they have their opinions

802
00:30:19,669 --> 00:30:17,840
and

803
00:30:21,110 --> 00:30:19,679
going to your point about facebook

804
00:30:24,310 --> 00:30:21,120
shutting us down

805
00:30:25,990 --> 00:30:24,320
uh i don't think that's i i mean that is

806
00:30:29,750 --> 00:30:26,000
the biggest argument for

807
00:30:31,750 --> 00:30:29,760
regulating facebook or breaking them up

808
00:30:32,789 --> 00:30:31,760
but having said that there are other i

809
00:30:35,269 --> 00:30:32,799
mean i looked up

810
00:30:35,990 --> 00:30:35,279
alternatives to facebook and they'll

811
00:30:39,510 --> 00:30:36,000
they'll

812
00:30:41,590 --> 00:30:39,520
it'll be harder to get seen yeah but uh

813
00:30:43,110 --> 00:30:41,600

you can still get your information out

814

00:30:45,669 --> 00:30:43,120

they're not the only

815

00:30:46,549 --> 00:30:45,679

they're not about the monolith or a

816

00:30:48,230 --> 00:30:46,559

monopoly on

817

00:30:49,510 --> 00:30:48,240

any of this yeah sometimes i wonder

818

00:30:50,549 --> 00:30:49,520

what's you know what's going through

819

00:30:53,669 --> 00:30:50,559

their heads

820

00:30:55,750 --> 00:30:53,679

because they are creating a big opening

821

00:30:58,070 --> 00:30:55,760

for you know parlor was the thing that

822

00:30:59,990 --> 00:30:58,080

came up as the alternative to twitter

823

00:31:01,509 --> 00:31:00,000

and uh i don't know what the

824

00:31:02,149 --> 00:31:01,519

alternatives are to youtube right now i

825

00:31:04,470 --> 00:31:02,159

know

826
00:31:05,830 --> 00:31:04,480
my producer michael is researching them

827
00:31:08,630 --> 00:31:05,840
after what happened to us

828
00:31:09,269 --> 00:31:08,640
um with youtube but you know but yeah

829
00:31:12,549 --> 00:31:09,279
they are

830
00:31:16,070 --> 00:31:12,559
a distant distant distant second

831
00:31:17,669 --> 00:31:16,080
um but these internet

832
00:31:19,350 --> 00:31:17,679
companies social media companies they've

833
00:31:21,350 --> 00:31:19,360
got this i forget what they call section

834
00:31:23,909 --> 00:31:21,360
230 or whatever it is exemption

835
00:31:26,070 --> 00:31:23,919
that ex the whole point of that is you

836
00:31:27,509 --> 00:31:26,080
can't sue youtube or facebook because

837
00:31:27,909 --> 00:31:27,519
somebody posted something on there

838
00:31:30,070 --> 00:31:27,919

that's

839

00:31:30,950 --> 00:31:30,080

incorrect they've got immunity from that

840

00:31:34,070 --> 00:31:30,960

because this is an

841

00:31:34,789 --> 00:31:34,080

open platform and by god how could you

842

00:31:36,389 --> 00:31:34,799

ever start

843

00:31:37,990 --> 00:31:36,399

a social media company if you had to

844

00:31:41,430 --> 00:31:38,000

regulate everything that's

845

00:31:44,950 --> 00:31:41,440

on there do you know that facebook has

846

00:31:47,509 --> 00:31:44,960

30 000 full-time employees

847

00:31:48,549 --> 00:31:47,519

whose only job it is is to keep an eye

848

00:31:50,549 --> 00:31:48,559

on posts

849

00:31:51,830 --> 00:31:50,559

and to take down stuff that might

850

00:31:54,950 --> 00:31:51,840

violate their policies

851
00:31:55,269 --> 00:31:54,960
30 000 employees and so that's why they

852
00:31:57,029 --> 00:31:55,279
gave

853
00:31:58,310 --> 00:31:57,039
parlor so much grief they said oh well

854
00:32:00,630 --> 00:31:58,320
parlor

855
00:32:02,710 --> 00:32:00,640
you're not meeting the proper standards

856
00:32:04,789 --> 00:32:02,720
for making sure that everything is safe

857
00:32:06,470 --> 00:32:04,799
that's posted on your site like well no

858
00:32:07,110 --> 00:32:06,480
or not because who can afford to

859
00:32:08,870 --> 00:32:07,120
have 30

860
00:32:10,630 --> 00:32:08,880
000 employees where that's their only

861
00:32:12,630 --> 00:32:10,640
job if that's your standard

862
00:32:13,990 --> 00:32:12,640
then guess what you guys are a monopoly

863
00:32:15,190 --> 00:32:14,000

you guys have managed to push

864

00:32:16,470 --> 00:32:15,200

out everybody else because you're saying

865

00:32:17,830 --> 00:32:16,480

here's the standard that you have to

866

00:32:20,630 --> 00:32:17,840

meet and nobody could meet it

867

00:32:21,269 --> 00:32:20,640

well that's 100 correct and then another

868

00:32:26,310 --> 00:32:21,279

thing though

869

00:32:28,950 --> 00:32:26,320

also is uh 30 000 people are applying uh

870

00:32:30,470 --> 00:32:28,960

standards and i just don't think that

871

00:32:33,190 --> 00:32:30,480

those 30 000 people

872

00:32:35,029 --> 00:32:33,200

are applying the same standards i mean

873

00:32:37,430 --> 00:32:35,039

they may have the rules written right in

874

00:32:39,110 --> 00:32:37,440

front of them but they're

875

00:32:41,590 --> 00:32:39,120

i mean and and where are they are they

876

00:32:44,630 --> 00:32:41,600

really 30 000 americans

877

00:32:46,549 --> 00:32:44,640

are these filipinos or these uh

878

00:32:47,830 --> 00:32:46,559

call center people from around the world

879

00:32:51,190 --> 00:32:47,840

indians from

880

00:32:54,310 --> 00:32:51,200

india um i i don't know but i'm

881

00:32:58,389 --> 00:32:54,320

i'm guessing they are

882

00:33:01,509 --> 00:32:58,399

low people overseas trying to apply

883

00:33:04,789 --> 00:33:01,519

democratic values onto um

884

00:33:08,549 --> 00:33:04,799

from countries that are not from our

885

00:33:10,310 --> 00:33:08,559

uh well even yeah even this facebook

886

00:33:12,310 --> 00:33:10,320

review commission that they started

887

00:33:14,230 --> 00:33:12,320

which had that ruling recently that you

888

00:33:17,029 --> 00:33:14,240

know trump can return in two years

889

00:33:18,549 --> 00:33:17,039

that's an international group because

890

00:33:19,269 --> 00:33:18,559

they see themselves as an international

891

00:33:20,630 --> 00:33:19,279

company

892

00:33:22,870 --> 00:33:20,640

so we're going to put international

893

00:33:24,389 --> 00:33:22,880

people on this it's not americans it's

894

00:33:27,110 --> 00:33:24,399

not people who

895

00:33:28,549 --> 00:33:27,120

were born and bred with this individual

896

00:33:31,750 --> 00:33:28,559

freedom

897

00:33:34,389 --> 00:33:31,760

running through their veins you sir

898

00:33:35,590 --> 00:33:34,399

yeah i know i mean uh i'm not i'm not

899

00:33:37,750 --> 00:33:35,600

gonna comment on that

900

00:33:39,350 --> 00:33:37,760

uh but i am gonna say that i that

901
00:33:42,310 --> 00:33:39,360
youtube stuff

902
00:33:45,269 --> 00:33:42,320
gets under my skin and uh i i know that

903
00:33:48,549 --> 00:33:45,279
that's a very complicated thing with

904
00:33:52,470 --> 00:33:48,559
facebook um they want to address these

905
00:33:53,110 --> 00:33:52,480
issues that's um the way they came up

906
00:33:56,149 --> 00:33:53,120
with

907
00:33:59,029 --> 00:33:56,159
uh

908
00:33:59,750 --> 00:33:59,039
it has i i don't know how it's gonna

909
00:34:02,870 --> 00:33:59,760
work out

910
00:34:03,269 --> 00:34:02,880
but it is um yeah well i think you're

911
00:34:06,950 --> 00:34:03,279
saying

912
00:34:10,869 --> 00:34:06,960
you're thirty problem but then having no

913
00:34:12,389 --> 00:34:10,879

no oversight at all just you know

914

00:34:13,829 --> 00:34:12,399

i hope i'm getting the section right if

915

00:34:15,829 --> 00:34:13,839

it's 2 30 but i think people know what

916

00:34:19,030 --> 00:34:15,839

i'm talking about

917

00:34:21,270 --> 00:34:19,040

i think that was brilliant the the idea

918

00:34:22,389 --> 00:34:21,280

that we're not going to hold these

919

00:34:23,750 --> 00:34:22,399

companies responsible

920

00:34:25,990 --> 00:34:23,760

for everything that's put on their sites

921

00:34:28,149 --> 00:34:26,000

i mean that's the free marketplace of

922

00:34:29,669 --> 00:34:28,159

information and that's the way it should

923

00:34:32,069 --> 00:34:29,679

be so i like

924

00:34:33,430 --> 00:34:32,079

giving them that protection and i like

925

00:34:35,990 --> 00:34:33,440

them therefore

926
00:34:37,990 --> 00:34:36,000
staying the heck out of it because

927
00:34:40,310 --> 00:34:38,000
you've been given this protection now

928
00:34:42,310 --> 00:34:40,320
if somebody's saying hey let's go meet

929
00:34:43,270 --> 00:34:42,320
on the street corner and and go kill

930
00:34:45,669 --> 00:34:43,280
somebody

931
00:34:47,030 --> 00:34:45,679
or you know they're plotting some crime

932
00:34:50,069 --> 00:34:47,040
or something

933
00:34:50,470 --> 00:34:50,079
okay you know if if you could take that

934
00:34:55,909 --> 00:34:50,480
down

935
00:34:58,710 --> 00:34:55,919
very minimal standards you're saying

936
00:35:00,150 --> 00:34:58,720
yeah opinions about the pandemic

937
00:35:03,270 --> 00:35:00,160
and you're not you don't have the right

938
00:35:06,310 --> 00:35:03,280

opinion about the vaccine i mean i just

939

00:35:08,710 --> 00:35:06,320

my my blood is boiling just saying oh

940

00:35:10,310 --> 00:35:08,720

absolutely i gotta say i mean and so

941

00:35:13,829 --> 00:35:10,320

many things have turned out

942

00:35:15,670 --> 00:35:13,839

correct um that uh

943

00:35:16,870 --> 00:35:15,680

you know that's how we learn i've been

944

00:35:19,750 --> 00:35:16,880

saying uh

945

00:35:20,950 --> 00:35:19,760

from the beginning and then especially

946

00:35:24,550 --> 00:35:20,960

on this covid

947

00:35:28,630 --> 00:35:24,560

issue and i

948

00:35:31,270 --> 00:35:28,640

i um i'm i'm just trying to

949

00:35:33,190 --> 00:35:31,280

and in my uh with the story cycle

950

00:35:35,829 --> 00:35:33,200

attempting to get individuals to

951

00:35:38,470 --> 00:35:35,839

express themselves and this is just

952

00:35:41,670 --> 00:35:38,480

individuals expressing themselves

953

00:35:43,589 --> 00:35:41,680

and saying hey you know what in one case

954

00:35:45,670 --> 00:35:43,599

i want to bring this up that someone

955

00:35:49,030 --> 00:35:45,680

came up with a folk remedy

956

00:35:50,870 --> 00:35:49,040

and uh in western oklahoma i met a

957

00:35:54,310 --> 00:35:50,880

rancher who said uh

958

00:35:55,670 --> 00:35:54,320

you know what i had covered i thought i

959

00:35:59,430 --> 00:35:55,680

was dying i was

960

00:36:01,589 --> 00:35:59,440

a big trump supporter i was a uh

961

00:36:03,190 --> 00:36:01,599

i didn't believe that this was i believe

962

00:36:06,150 --> 00:36:03,200

this whole thing was over

963

00:36:07,270 --> 00:36:06,160

uh done and uh i got covered i thought i

964

00:36:09,990 --> 00:36:07,280

was gonna die

965

00:36:11,349 --> 00:36:10,000

and he goes then i got a phone call from

966

00:36:14,550 --> 00:36:11,359

a fellow rancher who

967

00:36:16,310 --> 00:36:14,560

slaughters my uh cows and he says take

968

00:36:19,270 --> 00:36:16,320

this cattle dewormer

969

00:36:21,270 --> 00:36:19,280

that i use for our cattle that everyone

970

00:36:25,109 --> 00:36:21,280

uses for their cattle

971

00:36:26,230 --> 00:36:25,119

and i've used it and i know other people

972

00:36:29,589 --> 00:36:26,240

have used it

973

00:36:31,190 --> 00:36:29,599

and your symptoms will go away so

974

00:36:33,270 --> 00:36:31,200

at three o'clock in the morning he went

975

00:36:36,870 --> 00:36:33,280

out to his barn and he

976

00:36:38,870 --> 00:36:36,880

mixed it with applesauce and he

977

00:36:41,829 --> 00:36:38,880

measured it because of the weight of the

978

00:36:44,150 --> 00:36:41,839

cattle so two cc's

979

00:36:45,030 --> 00:36:44,160

and uh he took it for three days first

980

00:36:48,310 --> 00:36:45,040

of all

981

00:36:49,109 --> 00:36:48,320

his first dose relieved the symptoms

982

00:36:51,430 --> 00:36:49,119

within four

983

00:36:52,790 --> 00:36:51,440

hours and within three days he had no

984

00:36:56,310 --> 00:36:52,800

symptoms zero

985

00:36:58,710 --> 00:36:56,320

he went into his doctor uh afterwards

986

00:36:59,750 --> 00:36:58,720

he had talked to his doctor he had

987

00:37:02,950 --> 00:36:59,760

tested positive

988

00:37:04,630 --> 00:37:02,960

earlier the week uh he uh

989

00:37:06,630 --> 00:37:04,640

he goes into the doctor and he says i

990

00:37:08,710 --> 00:37:06,640

expect to get my butt kicked

991

00:37:10,870 --> 00:37:08,720

for doing this and the doctor says i

992

00:37:12,790 --> 00:37:10,880

know other ranchers who have done it and

993

00:37:14,870 --> 00:37:12,800

did you take it for three days many of

994

00:37:17,109 --> 00:37:14,880

them are taking it for seven days

995

00:37:19,430 --> 00:37:17,119

and how did he feel when did you feel

996

00:37:20,390 --> 00:37:19,440

and he and he did not he said it's been

997

00:37:23,670 --> 00:37:20,400

working

998

00:37:25,829 --> 00:37:23,680

and so he goes into his vet

999

00:37:27,349 --> 00:37:25,839

and he says the same and the vet says

1000

00:37:29,190 --> 00:37:27,359

well you did one thing wrong you took it

1001

00:37:31,990 --> 00:37:29,200

in the barn that's unsanitary

1002

00:37:34,150 --> 00:37:32,000

here's another bottle if just in case

1003

00:37:37,030 --> 00:37:34,160

someone in your family gets some

1004

00:37:37,750 --> 00:37:37,040

and uh so these doctors were flat out

1005

00:37:44,630 --> 00:37:37,760

saying

1006

00:37:45,270 --> 00:37:44,640

as a uh as a way to alleviate the

1007

00:37:48,790 --> 00:37:45,280

symptoms

1008

00:37:52,069 --> 00:37:48,800

of covet once you've gotten it and

1009

00:37:53,109 --> 00:37:52,079

saying we don't know 100 why people have

1010

00:37:56,230 --> 00:37:53,119

been using it

1011

00:37:59,430 --> 00:37:56,240

and this is this

1012

00:38:00,150 --> 00:37:59,440

we believe in it they they all these are

1013

00:38:02,069 --> 00:38:00,160

two medical

1014

00:38:03,990 --> 00:38:02,079

one of that and one a real medical

1015

00:38:05,670 --> 00:38:04,000

doctor for humans

1016

00:38:08,630 --> 00:38:05,680

and i don't know if it's true i don't

1017

00:38:11,910 --> 00:38:08,640

have to know all i know is that

1018

00:38:15,829 --> 00:38:11,920

he believed it and he was alive

1019

00:38:18,790 --> 00:38:15,839

and he his experience and

1020

00:38:19,349 --> 00:38:18,800

friends of his experienced that and who

1021

00:38:21,670 --> 00:38:19,359

knows and

1022

00:38:23,109 --> 00:38:21,680

then this may come out to be a

1023

00:38:26,230 --> 00:38:23,119

non-conventional

1024

00:38:27,190 --> 00:38:26,240

folk remedy that does help how i don't

1025

00:38:30,230 --> 00:38:27,200

know

1026
00:38:31,829 --> 00:38:30,240
but well that was the point of my last

1027
00:38:33,430 --> 00:38:31,839
guest book of pandemic blunder

1028
00:38:35,430 --> 00:38:33,440
about a lot of early treatments that

1029
00:38:38,270 --> 00:38:35,440
were were ignored

1030
00:38:39,829 --> 00:38:38,280
you know people yeah you know whether

1031
00:38:42,470 --> 00:38:39,839
hydroxychloroquine was a

1032
00:38:43,990 --> 00:38:42,480
famous example where there was a lot of

1033
00:38:45,990 --> 00:38:44,000
disagreement as to whether it works and

1034
00:38:47,829 --> 00:38:46,000
whether it doesn't and instead

1035
00:38:50,470 --> 00:38:47,839
government stepped in and governors

1036
00:38:52,790 --> 00:38:50,480
banned the use of hydroxychloroquine in

1037
00:38:54,630 --> 00:38:52,800
their state it's like

1038
00:38:56,630 --> 00:38:54,640

i mean so it'd be like same thing in

1039

00:38:57,430 --> 00:38:56,640

oklahoma is that them hearing this rumor

1040

00:38:59,510 --> 00:38:57,440

oh

1041

00:39:01,030 --> 00:38:59,520

people are using this dewormer thing we

1042

00:39:02,710 --> 00:39:01,040

better pass a law that says that you

1043

00:39:06,790 --> 00:39:02,720

can't use that it's like

1044

00:39:10,630 --> 00:39:09,510

remember it's a free country that was a

1045

00:39:12,710 --> 00:39:10,640

big thing we used to say when i was a

1046

00:39:15,829 --> 00:39:12,720

kid it's a free country i can do it

1047

00:39:19,109 --> 00:39:15,839

you don't hear that that much anymore

1048

00:39:23,030 --> 00:39:19,119

well not to get you played um

1049

00:39:26,630 --> 00:39:23,040

well it uh i you know i

1050

00:39:30,230 --> 00:39:26,640

in my case i keep going back to on

1051

00:39:31,510 --> 00:39:30,240

with my book um i don't know if this is

1052

00:39:33,589 --> 00:39:31,520

a real thing

1053

00:39:35,589 --> 00:39:33,599

all i have to know is that he believes

1054

00:39:36,870 --> 00:39:35,599

it and a lot of people around there but

1055

00:39:39,589 --> 00:39:36,880

he they believe it

1056

00:39:40,310 --> 00:39:39,599

and their ideas should get out there too

1057

00:39:42,710 --> 00:39:40,320

and uh

1058

00:39:43,829 --> 00:39:42,720

that this is how they're surviving this

1059

00:39:46,150 --> 00:39:43,839

pandemic

1060

00:39:47,990 --> 00:39:46,160

and uh and if you want to go to the

1061

00:39:52,069 --> 00:39:48,000

larger big picture

1062

00:39:54,230 --> 00:39:52,079

um you know i think uh i know that their

1063

00:39:57,829 --> 00:39:54,240

opinions should be out there

1064

00:40:00,870 --> 00:39:57,839

and uh because there may be other

1065

00:40:03,510 --> 00:40:00,880

uh ways to once you have it

1066

00:40:04,710 --> 00:40:03,520

to alleviate your problems and uh rather

1067

00:40:06,309 --> 00:40:04,720

than going to

1068

00:40:08,390 --> 00:40:06,319

going on a ventilator and going to the

1069

00:40:11,190 --> 00:40:08,400

hospital and a lot of that you know

1070

00:40:12,550 --> 00:40:11,200

well i open you i hope when you complete

1071

00:40:15,190 --> 00:40:12,560

your book

1072

00:40:16,230 --> 00:40:15,200

and that shares these various opinions

1073

00:40:19,349 --> 00:40:16,240

of people

1074

00:40:20,309 --> 00:40:19,359

from the midwest and uh the west and so

1075

00:40:23,349 --> 00:40:20,319

forth

1076

00:40:26,870 --> 00:40:23,359

that uh amazon allows you to sell it

1077

00:40:30,150 --> 00:40:26,880

because you know amazon is another one

1078

00:40:32,069 --> 00:40:30,160

that's that has banned books

1079

00:40:33,510 --> 00:40:32,079

uh i'll name one in particular just

1080

00:40:35,109 --> 00:40:33,520

because

1081

00:40:37,349 --> 00:40:35,119

there was a deep dive that i did on my

1082

00:40:40,069 --> 00:40:37,359

podcast on transgender

1083

00:40:40,630 --> 00:40:40,079

and um i came across these guys and they

1084

00:40:43,190 --> 00:40:40,640

wrote a book

1085

00:40:45,030 --> 00:40:43,200

it's by by a medical doctor it's called

1086

00:40:48,069 --> 00:40:45,040

a parent's guide to preventing

1087

00:40:51,030 --> 00:40:48,079

homosexuality and that book you can

1088

00:40:53,589 --> 00:40:51,040

you you cannot buy that book and i know

1089

00:40:55,910 --> 00:40:53,599

it's kind of a

1090

00:40:56,790 --> 00:40:55,920

humorous title or you you chuckled at

1091

00:40:58,390 --> 00:40:56,800

the title but it's a very

1092

00:41:01,109 --> 00:40:58,400

straightforward title because

1093

00:41:03,430 --> 00:41:01,119

that is what the book is about this is a

1094

00:41:06,470 --> 00:41:03,440

doctor who has studied

1095

00:41:09,349 --> 00:41:06,480

for decades uh homosexuality

1096

00:41:09,990 --> 00:41:09,359

and um and he believes that it stems

1097

00:41:11,750 --> 00:41:10,000

from

1098

00:41:13,270 --> 00:41:11,760

very early childhood that you're not

1099

00:41:15,190 --> 00:41:13,280

born this way it's something that stems

1100

00:41:17,270 --> 00:41:15,200

from very early childhood which i

1101
00:41:18,870 --> 00:41:17,280
based on my own research following his

1102
00:41:20,630 --> 00:41:18,880
happened to agree with

1103
00:41:21,910 --> 00:41:20,640
um and so he has a book that's called a

1104
00:41:23,829 --> 00:41:21,920
parent's guide to preventing

1105
00:41:25,670 --> 00:41:23,839
homosexuality and amazon will not

1106
00:41:27,510 --> 00:41:25,680
will not sell it they they they banned

1107
00:41:30,630 --> 00:41:27,520
the world wow

1108
00:41:32,710 --> 00:41:30,640
but you know that's just one of many

1109
00:41:34,790 --> 00:41:32,720
examples so be careful what you put in

1110
00:41:38,790 --> 00:41:34,800
your description i guess when you

1111
00:41:41,510 --> 00:41:38,800
yeah i hadn't thought of that um

1112
00:41:42,309 --> 00:41:41,520
i'm going to have a disclaimer in there

1113
00:41:45,349 --> 00:41:42,319

obviously

1114

00:41:46,069 --> 00:41:45,359

i'm saying that this my my book is not

1115

00:41:49,109 --> 00:41:46,079

about

1116

00:41:52,630 --> 00:41:49,119

uh prescribing um

1117

00:41:55,589 --> 00:41:52,640

you know dewormer or um

1118

00:41:56,230 --> 00:41:55,599

or faith a lot of people going to their

1119

00:42:00,230 --> 00:41:56,240

religion

1120

00:42:01,030 --> 00:42:00,240

to help them or they're just their good

1121

00:42:03,109 --> 00:42:01,040

health

1122

00:42:05,589 --> 00:42:03,119

i've heard many people saying hey i have

1123

00:42:07,750 --> 00:42:05,599

the i have the uh

1124

00:42:09,750 --> 00:42:07,760

you know i have a healthy immune system

1125

00:42:10,390 --> 00:42:09,760

i have the immune system of a 14 year

1126

00:42:13,589 --> 00:42:10,400

old i can

1127

00:42:15,670 --> 00:42:13,599

beat off anything and uh

1128

00:42:17,270 --> 00:42:15,680

i'm not saying that it is all true

1129

00:42:20,390 --> 00:42:17,280

although i'm saying that this is a

1130

00:42:21,990 --> 00:42:20,400

got to be a world full of ideas yeah

1131

00:42:23,589 --> 00:42:22,000

that all should do battle with each

1132

00:42:25,430 --> 00:42:23,599

other well and uh

1133

00:42:26,710 --> 00:42:25,440

you could probably speak to this having

1134

00:42:28,790 --> 00:42:26,720

just completed this bishop

1135

00:42:29,990 --> 00:42:28,800

i i mean you know we've got a very large

1136

00:42:33,510 --> 00:42:30,000

percentage of

1137

00:42:35,589 --> 00:42:33,520

people who took the vaccine

1138

00:42:37,270 --> 00:42:35,599

and you know they took it for themselves

1139

00:42:38,630 --> 00:42:37,280

i i think you should take the vaccine

1140

00:42:41,750 --> 00:42:38,640

for yourself this is all

1141

00:42:42,710 --> 00:42:41,760

individual health choices and it's your

1142

00:42:44,550 --> 00:42:42,720

body

1143

00:42:46,950 --> 00:42:44,560

and the majority of the people wanted to

1144

00:42:50,309 --> 00:42:46,960

take the vaccine for their own health

1145

00:42:51,589 --> 00:42:50,319

they th there's there's two risks here

1146

00:42:53,910 --> 00:42:51,599

there's the risk of not taking the

1147

00:42:55,589 --> 00:42:53,920

vaccine and getting covered

1148

00:42:57,990 --> 00:42:55,599

and having whatever adverse reaction

1149

00:42:59,430 --> 00:42:58,000

that is and then there's the risk of

1150

00:43:01,030 --> 00:42:59,440

taking this vaccine which frankly is

1151
00:43:02,230 --> 00:43:01,040
still experimental has not been approved

1152
00:43:03,990 --> 00:43:02,240
by the fda

1153
00:43:05,829 --> 00:43:04,000
and that there could be side effects

1154
00:43:06,950 --> 00:43:05,839
either immediately upon taking it which

1155
00:43:09,430 --> 00:43:06,960
we already know

1156
00:43:10,069 --> 00:43:09,440
those occur my mother was sick for two

1157
00:43:12,390 --> 00:43:10,079
weeks after

1158
00:43:13,190 --> 00:43:12,400
after the second one uh or long-term

1159
00:43:15,589 --> 00:43:13,200
effects

1160
00:43:16,710 --> 00:43:15,599
so people have to make a decision

1161
00:43:18,390 --> 00:43:16,720
neither one's perfect

1162
00:43:19,910 --> 00:43:18,400
you've got a background there is one

1163
00:43:23,349 --> 00:43:19,920

more i mean that it

1164

00:43:24,390 --> 00:43:23,359

which is that uh enough people have to

1165

00:43:26,950 --> 00:43:24,400

get the vaccine

1166

00:43:27,990 --> 00:43:26,960

in order for it to work on a societal

1167

00:43:33,589 --> 00:43:28,000

level

1168

00:43:37,670 --> 00:43:33,599

and so how much do you owe to

1169

00:43:40,550 --> 00:43:37,680

the society at large to america at large

1170

00:43:41,510 --> 00:43:40,560

because not being vaccinated against

1171

00:43:44,230 --> 00:43:41,520

polio

1172

00:43:44,790 --> 00:43:44,240

and smallpox isn't just a personal

1173

00:43:48,150 --> 00:43:44,800

decision

1174

00:43:50,230 --> 00:43:48,160

community

1175

00:43:51,670 --> 00:43:50,240

well well let's let's talk about that

1176
00:43:53,030 --> 00:43:51,680
just for a second because i think that

1177
00:43:54,470 --> 00:43:53,040
is the crux of

1178
00:43:56,069 --> 00:43:54,480
you know something very important still

1179
00:43:58,870 --> 00:43:56,079
going on regarding this

1180
00:44:00,150 --> 00:43:58,880
pandemic in america i mean it it's great

1181
00:44:02,309 --> 00:44:00,160
that we're coming out of it

1182
00:44:03,510 --> 00:44:02,319
obviously but you've kind of got this

1183
00:44:05,510 --> 00:44:03,520
lingering

1184
00:44:07,829 --> 00:44:05,520
huh well i don't know but please don't

1185
00:44:10,309 --> 00:44:07,839
tell me what the new delta variant or

1186
00:44:12,870 --> 00:44:10,319
whatever they're talking about now

1187
00:44:13,430 --> 00:44:12,880
anyway i read today they're they're

1188
00:44:16,470 --> 00:44:13,440

going to

1189

00:44:20,150 --> 00:44:16,480

start re uh naming these uh variants

1190

00:44:22,390 --> 00:44:20,160

to uh bird names so that they're less uh

1191

00:44:23,589 --> 00:44:22,400

scary south africans are all for it

1192

00:44:25,190 --> 00:44:23,599

because they hate the fact that they

1193

00:44:25,990 --> 00:44:25,200

have old variant named after their

1194

00:44:28,230 --> 00:44:26,000

country

1195

00:44:29,510 --> 00:44:28,240

right right well yeah i thought the new

1196

00:44:30,950 --> 00:44:29,520

one for some reason i think is called

1197

00:44:33,990 --> 00:44:30,960

the delta variant that you're

1198

00:44:35,349 --> 00:44:34,000

hearing about anyway i mean that one

1199

00:44:36,790 --> 00:44:35,359

sounds really bad

1200

00:44:39,430 --> 00:44:36,800

you know imagine if it was named the

1201
00:44:40,630 --> 00:44:39,440
blue jay yeah yeah well there yeah look

1202
00:44:44,150 --> 00:44:40,640
there's a lot of people very

1203
00:44:45,270 --> 00:44:44,160
invested in this pandemic you know that

1204
00:44:47,510 --> 00:44:45,280
don't want to let it

1205
00:44:48,710 --> 00:44:47,520
go they've made careers out of it or

1206
00:44:52,150 --> 00:44:48,720
they're you know

1207
00:44:54,309 --> 00:44:52,160
and some people are just uh um

1208
00:44:55,510 --> 00:44:54,319
obsessed or ultimately paranoid i mean i

1209
00:44:57,510 --> 00:44:55,520
i've spoken to

1210
00:44:59,349 --> 00:44:57,520
friends that you know they're still not

1211
00:45:02,950 --> 00:44:59,359
comfortable going to a

1212
00:45:04,790 --> 00:45:02,960
um a large event just not comfortable

1213
00:45:06,230 --> 00:45:04,800

doing it i've been comfortable from the

1214

00:45:07,589 --> 00:45:06,240

beginning but it's just it

1215

00:45:10,390 --> 00:45:07,599

i guess that's like what i keep hearing

1216

00:45:13,670 --> 00:45:10,400

it's individual choices

1217

00:45:15,910 --> 00:45:13,680

i wish i had uh you're in la right yeah

1218

00:45:17,349 --> 00:45:15,920

how did i miss you i i was i was going

1219

00:45:19,109 --> 00:45:17,359

all over the place looking for people

1220

00:45:22,150 --> 00:45:19,119

that come up with your uh

1221

00:45:24,550 --> 00:45:22,160

your particular views i i live i live

1222

00:45:28,230 --> 00:45:24,560

about uh three miles from where you

1223

00:45:31,750 --> 00:45:31,109

i i oh you're cutting out a little bit

1224

00:45:35,910 --> 00:45:31,760

really

1225

00:45:37,589 --> 00:45:35,920

wow yeah yeah yeah i i'm

1226

00:45:39,510 --> 00:45:37,599

whoa getting some weird feedback can you

1227

00:45:41,430 --> 00:45:39,520

hear me okay yeah

1228

00:45:42,710 --> 00:45:41,440

okay you're getting near the end i see

1229

00:45:45,670 --> 00:45:42,720

that i

1230

00:45:45,990 --> 00:45:45,680

am uh yeah i'm three miles up pch from

1231

00:45:53,349 --> 00:45:46,000

the

1232

00:45:54,630 --> 00:45:53,359

um yeah i i don't know exactly what's

1233

00:45:57,270 --> 00:45:54,640

protecting you

1234

00:45:58,150 --> 00:45:57,280

or what stories you're telling yourself

1235

00:46:01,430 --> 00:45:58,160

well i got

1236

00:46:03,829 --> 00:46:01,440

i gotta have yeah i got i i got covered

1237

00:46:04,550 --> 00:46:03,839

you know i tried to change my lifestyle

1238

00:46:11,030 --> 00:46:04,560

as

1239

00:46:13,270 --> 00:46:11,040

complaining about the shutdowns and um

1240

00:46:14,309 --> 00:46:13,280

saying i don't think that's the right

1241

00:46:16,230 --> 00:46:14,319

response to this

1242

00:46:18,790 --> 00:46:16,240

and that people that we shouldn't be

1243

00:46:21,109 --> 00:46:18,800

telling people who are perfectly healthy

1244

00:46:22,790 --> 00:46:21,119

that you have to stay home you know

1245

00:46:25,270 --> 00:46:22,800

quarantining

1246

00:46:26,390 --> 00:46:25,280

healthy people i don't think we even did

1247

00:46:28,230 --> 00:46:26,400

that in the spanish

1248

00:46:30,069 --> 00:46:28,240

flu i mean there's never been you you

1249

00:46:31,829 --> 00:46:30,079

quarantine sick people so that they

1250

00:46:33,349 --> 00:46:31,839

don't get other people sick but

1251
00:46:36,069 --> 00:46:33,359
saying that healthy people have to stay

1252
00:46:39,030 --> 00:46:36,079
home is a highly unusual

1253
00:46:40,950 --> 00:46:39,040
step but anyway for me personally um

1254
00:46:42,150 --> 00:46:40,960
yeah i just went on as many trips as i

1255
00:46:45,270 --> 00:46:42,160
could and so on and

1256
00:46:46,710 --> 00:46:45,280
um but ultimately yes i i ultimately

1257
00:46:49,829 --> 00:46:46,720
succumbed

1258
00:46:51,109 --> 00:46:49,839
to covid over new year's because we went

1259
00:46:53,910 --> 00:46:51,119
skiing in park city

1260
00:46:54,710 --> 00:46:53,920
and went to in a new year's party at a

1261
00:46:57,430 --> 00:46:54,720
bar

1262
00:46:58,950 --> 00:46:57,440
that was socially distanced only in that

1263
00:47:00,630 --> 00:46:58,960

you had to be at a table

1264

00:47:02,710 --> 00:47:00,640

uh you couldn't you know was in a packed

1265

00:47:06,150 --> 00:47:02,720

bar with everybody standing by the bar

1266

00:47:08,630 --> 00:47:06,160

but um i had a group of uh about 11

1267

00:47:09,750 --> 00:47:08,640

that was with me and 10 out of 11 wound

1268

00:47:12,870 --> 00:47:09,760

up with

1269

00:47:15,750 --> 00:47:12,880

uh holy man you know i mean once

1270

00:47:16,470 --> 00:47:15,760

i mean so did you just rough it out did

1271

00:47:19,589 --> 00:47:16,480

you have any

1272

00:47:19,990 --> 00:47:19,599

anything when he the any cure that like

1273

00:47:22,390 --> 00:47:20,000

this

1274

00:47:23,030 --> 00:47:22,400

rancher had that he said within four

1275

00:47:26,549 --> 00:47:23,040

hours he

1276

00:47:26,950 --> 00:47:26,559

felt better so i woke up not feeling

1277

00:47:30,069 --> 00:47:26,960

great

1278

00:47:31,910 --> 00:47:30,079

after two days of hard skiing and that's

1279

00:47:33,430 --> 00:47:31,920

actually not that unusual for me because

1280

00:47:34,549 --> 00:47:33,440

when i go on a ski trip you've got high

1281

00:47:36,710 --> 00:47:34,559

altitudes

1282

00:47:37,990 --> 00:47:36,720

and i'm skiing harder than i get you

1283

00:47:39,750 --> 00:47:38,000

know exercising more than normal and

1284

00:47:40,470 --> 00:47:39,760

then at night i'm having some cocktails

1285

00:47:42,630 --> 00:47:40,480

and so

1286

00:47:44,790 --> 00:47:42,640

it's not unusual for me not to feel 100

1287

00:47:47,670 --> 00:47:44,800

so i took a day off of skiing

1288

00:47:49,430 --> 00:47:47,680

and but then i skied the next day and

1289

00:47:52,470 --> 00:47:49,440

then we flew home the day after

1290

00:47:53,910 --> 00:47:52,480

so here i am flying home with coven my

1291

00:47:54,870 --> 00:47:53,920

wife had covered two but we didn't know

1292

00:47:57,430 --> 00:47:54,880

we had covered

1293

00:47:58,390 --> 00:47:57,440

because it was so mild that it was just

1294

00:48:01,030 --> 00:47:58,400

kind of like having

1295

00:48:02,870 --> 00:48:01,040

a cold and in fact i remember when i got

1296

00:48:06,069 --> 00:48:02,880

home i was sneezing like crazy

1297

00:48:09,190 --> 00:48:06,079

um the the the day that i got home

1298

00:48:12,230 --> 00:48:09,200

and um but by the next day i was feeling

1299

00:48:13,349 --> 00:48:12,240

95 but the day after that i lost smell

1300

00:48:14,710 --> 00:48:13,359

and taste

1301

00:48:16,069 --> 00:48:14,720

so it's very weird experience and

1302

00:48:17,270 --> 00:48:16,079

everybody has a kind of weird

1303

00:48:18,549 --> 00:48:17,280

responsibility this is what tells you

1304

00:48:20,549 --> 00:48:18,559

that there's something very strange

1305

00:48:23,510 --> 00:48:20,559

about this virus this is not a normal

1306

00:48:24,309 --> 00:48:23,520

virus so i as i explained i basically

1307

00:48:27,670 --> 00:48:24,319

for me it was

1308

00:48:30,549 --> 00:48:27,680

less than having a cold except

1309

00:48:31,270 --> 00:48:30,559

then boom suddenly my smell and taste is

1310

00:48:33,670 --> 00:48:31,280

gone i mean

1311

00:48:35,670 --> 00:48:33,680

i would put cologne on my hand and go

1312

00:48:38,309 --> 00:48:35,680

like this and smell it i could not smell

1313

00:48:40,150 --> 00:48:38,319

cologne right on my hand and taste was

1314

00:48:42,069 --> 00:48:40,160

down about 75 percent

1315

00:48:43,430 --> 00:48:42,079

um and then and it took you know a

1316

00:48:45,430 --> 00:48:43,440

matter of weeks for it to

1317

00:48:46,470 --> 00:48:45,440

come back i tested positive for the

1318

00:48:48,950 --> 00:48:46,480

antibodies

1319

00:48:50,630 --> 00:48:48,960

you know a couple months ago i presume

1320

00:48:53,030 --> 00:48:50,640

that i still have them i have not

1321

00:48:54,470 --> 00:48:53,040

taken the vaccine because in part

1322

00:48:56,150 --> 00:48:54,480

because of the warnings i've heard

1323

00:48:57,750 --> 00:48:56,160

but also because i've got the freaking

1324

00:48:58,710 --> 00:48:57,760

antibodies why am i going to take this

1325

00:49:00,470 --> 00:48:58,720

thing the whole point is to get the

1326

00:49:02,950 --> 00:49:00,480

antibodies i've got the antibodies

1327

00:49:04,790 --> 00:49:02,960

but what's ridiculous is all these

1328

00:49:06,309 --> 00:49:04,800

places whether it be travel or whether

1329

00:49:07,589 --> 00:49:06,319

it be going to a basketball game

1330

00:49:10,790 --> 00:49:07,599

they say you need to show proof of

1331

00:49:13,750 --> 00:49:10,800

vaccine or a negative cover test

1332

00:49:15,349 --> 00:49:13,760

why isn't there the third option of or a

1333

00:49:18,630 --> 00:49:15,359

positive antibiotic

1334

00:49:20,150 --> 00:49:18,640

people like me who have had colvid are

1335

00:49:22,710 --> 00:49:20,160

just being ignored

1336

00:49:24,150 --> 00:49:22,720

as if no you better go get the vaccine

1337

00:49:25,430 --> 00:49:24,160

so

1338

00:49:27,670 --> 00:49:25,440

i'm rambling but just to finish the

1339

00:49:29,430 --> 00:49:27,680

story so two good friends of mine

1340

00:49:32,710 --> 00:49:29,440

who had clove at the same time that i

1341

00:49:34,950 --> 00:49:32,720

had it they're going to europe in july

1342

00:49:36,950 --> 00:49:34,960

and they're hearing that you know europe

1343

00:49:39,750 --> 00:49:36,960

requires the vaccine

1344

00:49:41,190 --> 00:49:39,760

and but they've they've had coven they

1345

00:49:42,549 --> 00:49:41,200

still have the antibodies but they're

1346

00:49:46,309 --> 00:49:42,559

getting the vaccine

1347

00:49:48,390 --> 00:49:46,319

solely because they want to go to europe

1348

00:49:50,230 --> 00:49:48,400

so they go to get the vaccine as i told

1349

00:49:51,829 --> 00:49:50,240

you this universal wisconsin professor

1350

00:49:54,150 --> 00:49:51,839

said be very careful about taking the

1351

00:49:55,589 --> 00:49:54,160

vaccine if you've already had coven

1352

00:49:58,549 --> 00:49:55,599

these guys do it because they want to go

1353

00:50:00,069 --> 00:49:58,559

to europe and they said they were

1354

00:50:01,910 --> 00:50:00,079

they just took the first shot like on

1355

00:50:05,109 --> 00:50:01,920

thursday they said jim third

1356

00:50:08,549 --> 00:50:05,119

for two days we were very sick like

1357

00:50:11,030 --> 00:50:08,559

we felt like we had coveted worse than

1358

00:50:12,710 --> 00:50:11,040

what we had before they're now better i

1359

00:50:13,750 --> 00:50:12,720

he was hitting a tennis ball around on

1360

00:50:17,109 --> 00:50:13,760

sunday

1361

00:50:18,790 --> 00:50:17,119

but still while we're forcing people to

1362

00:50:20,390 --> 00:50:18,800

take the vaccine

1363

00:50:23,510 --> 00:50:20,400

it should be an individual choice to

1364

00:50:26,069 --> 00:50:23,520

take the vaccine that's my only point

1365

00:50:27,190 --> 00:50:26,079

also i think my sister just got back

1366

00:50:30,950 --> 00:50:27,200

from uh

1367

00:50:31,589 --> 00:50:30,960

from mexico and uh they don't uh require

1368

00:50:34,390 --> 00:50:31,599

that

1369

00:50:35,990 --> 00:50:34,400

however the americans require you to

1370

00:50:38,309 --> 00:50:36,000

having having had a uh

1371

00:50:40,630 --> 00:50:38,319

you have to test posit have to test

1372

00:50:42,069 --> 00:50:40,640

negative within the last 48 hours in

1373

00:50:45,109 --> 00:50:42,079

order to get back in

1374

00:50:47,910 --> 00:50:45,119

to come back the americans do that

1375

00:50:50,150 --> 00:50:47,920

right right yeah i i flew to hawaii uh

1376

00:50:53,270 --> 00:50:50,160

even if you've been vaccinated

1377

00:50:54,230 --> 00:50:53,280

you can have a vaccination card but you

1378

00:50:56,630 --> 00:50:54,240

have to test

1379

00:50:58,069 --> 00:50:56,640

you have to show a test a negative test

1380

00:50:58,470 --> 00:50:58,079

anyway i think you raised something that

1381

00:51:00,870 --> 00:50:58,480

you know

1382

00:51:02,309 --> 00:51:00,880

important that that needs to be i'm just

1383

00:51:03,750 --> 00:51:02,319

checking the clock here we'll wrap up

1384

00:51:05,349 --> 00:51:03,760

here but

1385

00:51:07,990 --> 00:51:05,359

that's kind of the outstanding question

1386

00:51:09,829 --> 00:51:08,000

still with covert right now which is um

1387

00:51:11,670 --> 00:51:09,839

you know should you is there a public

1388

00:51:13,510 --> 00:51:11,680

good element or should people feel

1389

00:51:14,950 --> 00:51:13,520

should we shame people because that's a

1390

00:51:16,630 --> 00:51:14,960

lot of what's going shame people who

1391

00:51:18,230 --> 00:51:16,640

refuse to get the vaccine

1392

00:51:20,230 --> 00:51:18,240

because oh you should be doing it for

1393

00:51:23,030 --> 00:51:20,240

everybody else my answer is

1394

00:51:23,510 --> 00:51:23,040

hell no that it should be when we talk

1395

00:51:25,030 --> 00:51:23,520

about

1396

00:51:26,710 --> 00:51:25,040

somebody's health and injecting a

1397

00:51:28,549 --> 00:51:26,720

healthy person with

1398

00:51:31,109 --> 00:51:28,559

the remnants of a vaccine or whatever

1399

00:51:32,390 --> 00:51:31,119

the heck the thing is that causes

1400

00:51:35,190 --> 00:51:32,400

most people to have some adverse

1401
00:51:37,510 --> 00:51:35,200
reaction that you can't say society

1402
00:51:38,710 --> 00:51:37,520
is gonna require you to do that shame

1403
00:51:40,870 --> 00:51:38,720
you into doing it

1404
00:51:42,150 --> 00:51:40,880
it's an individual choice and ultimately

1405
00:51:44,309 --> 00:51:42,160
if that person

1406
00:51:45,510 --> 00:51:44,319
gets sick and gets covered well they

1407
00:51:47,030 --> 00:51:45,520
have the choice to get

1408
00:51:48,710 --> 00:51:47,040
vaccine or not so who are we trying to

1409
00:51:50,150 --> 00:51:48,720
protect who is this hurt immunity that

1410
00:51:51,910 --> 00:51:50,160
we're trying to protect for

1411
00:51:53,990 --> 00:51:51,920
because either you got the vaccine in

1412
00:51:55,829 --> 00:51:54,000
which case you're you're good

1413
00:51:57,190 --> 00:51:55,839

or you chose not to get it which case

1414

00:51:58,069 --> 00:51:57,200

you chose to take the risk that you're

1415

00:52:01,750 --> 00:51:58,079

going to

1416

00:52:04,230 --> 00:52:01,760

feel bad for you so what are we trying

1417

00:52:05,430 --> 00:52:04,240

so you can spread it spread it but who

1418

00:52:06,390 --> 00:52:05,440

can you spread it to

1419

00:52:08,790 --> 00:52:06,400

other people who haven't taken the

1420

00:52:10,309 --> 00:52:08,800

vaccine so why am i concerned about them

1421

00:52:12,230 --> 00:52:10,319

they made their own choice not to

1422

00:52:16,309 --> 00:52:12,240

to take the vaccine you see what i'm

1423

00:52:24,630 --> 00:52:16,319

saying that's the logic behind it

1424

00:52:29,109 --> 00:52:27,510

i'm not prescribing anything hey hey you

1425

00:52:31,030 --> 00:52:29,119

live in america you should be very

1426
00:52:31,430 --> 00:52:31,040
concerned about going there because uh

1427
00:52:36,150 --> 00:52:31,440
you can

1428
00:52:37,510 --> 00:52:36,160
in america they will silence you you

1429
00:52:40,549 --> 00:52:37,520
know

1430
00:52:42,950 --> 00:52:40,559
that is my that is my biggest horror

1431
00:52:43,829 --> 00:52:42,960
is much like what they did to me in uh

1432
00:52:46,309 --> 00:52:43,839
in moscow

1433
00:52:47,829 --> 00:52:46,319
and trying to shut down our paper and

1434
00:52:51,270 --> 00:52:47,839
then eventually doing it

1435
00:52:53,430 --> 00:52:51,280
uh in budapest uh um also

1436
00:52:55,270 --> 00:52:53,440
uh all these places around the world

1437
00:52:58,390 --> 00:52:55,280
i've been to almost 100 countries

1438
00:52:59,190 --> 00:52:58,400

uh where pr free press and free ideas do

1439

00:53:03,430 --> 00:52:59,200

not

1440

00:53:06,390 --> 00:53:03,440

holds

1441

00:53:07,190 --> 00:53:06,400

is sacred uh i think these things are

1442

00:53:10,069 --> 00:53:07,200

sacred

1443

00:53:11,750 --> 00:53:10,079

and um the youtube trying to shut me

1444

00:53:14,309 --> 00:53:11,760

down because i'm

1445

00:53:15,750 --> 00:53:14,319

because of what you're expressing your

1446

00:53:21,190 --> 00:53:15,760

ideas

1447

00:53:22,630 --> 00:53:21,200

and i think the hidden truth is getting

1448

00:53:24,950 --> 00:53:22,640

those ideas out there

1449

00:53:26,790 --> 00:53:24,960

right hey before i let you go if you got

1450

00:53:27,510 --> 00:53:26,800

a minute let's just touch on american oz

1451
00:53:29,510 --> 00:53:27,520
real quick

1452
00:53:31,270 --> 00:53:29,520
we want to promote that that book about

1453
00:53:33,510 --> 00:53:31,280
you your time spent on

1454
00:53:35,430 --> 00:53:33,520
on on carnivals and i assumed these were

1455
00:53:35,750 --> 00:53:35,440
going to some of these big state fairs

1456
00:53:36,870 --> 00:53:35,760
like

1457
00:53:38,309 --> 00:53:36,880
iowa i think it's got one of the most

1458
00:53:38,790 --> 00:53:38,319
famous ones i've been i've been to that

1459
00:53:41,910 --> 00:53:38,800
one

1460
00:53:43,910 --> 00:53:41,920
right i went to 10 i went to 10 uh

1461
00:53:46,549 --> 00:53:43,920
traveling carnivals in 10 states

1462
00:53:48,069 --> 00:53:46,559
from california to new york alaska down

1463
00:53:50,470 --> 00:53:48,079

to mexico and in

1464

00:53:51,910 --> 00:53:50,480

in florida i was in a freak show but

1465

00:53:54,470 --> 00:53:51,920

they didn't let me on stage because they

1466

00:53:57,510 --> 00:53:54,480

didn't see the inner freak in me

1467

00:54:00,630 --> 00:53:57,520

i had hitchhike to these uh state fairs

1468

00:54:02,150 --> 00:54:00,640

uh and uh festivals because i was living

1469

00:54:05,910 --> 00:54:02,160

on carnival wages

1470

00:54:08,630 --> 00:54:05,920

couldn't exactly fly there and uh and so

1471

00:54:09,750 --> 00:54:08,640

i uh there's a element of the

1472

00:54:11,829 --> 00:54:09,760

hitchhiking there

1473

00:54:12,870 --> 00:54:11,839

but also trying to capture the zeitgeist

1474

00:54:15,510 --> 00:54:12,880

of america's

1475

00:54:16,309 --> 00:54:15,520

americans and the way that they look for

1476
00:54:19,589 --> 00:54:16,319
entertainment

1477
00:54:22,710 --> 00:54:19,599
and part of the book is about how uh

1478
00:54:25,430 --> 00:54:22,720
communal uh uh fun

1479
00:54:26,309 --> 00:54:25,440
and communal uh entertainment is

1480
00:54:29,030 --> 00:54:26,319
important to

1481
00:54:30,549 --> 00:54:29,040
our mental health and that is very

1482
00:54:32,549 --> 00:54:30,559
important during coveted times

1483
00:54:34,630 --> 00:54:32,559
during these kova times we did not have

1484
00:54:38,069 --> 00:54:34,640
that last year we have had

1485
00:54:38,870 --> 00:54:38,079
precipitous problems with uh uh mental

1486
00:54:42,870 --> 00:54:38,880
health in this

1487
00:54:45,349 --> 00:54:42,880
last year um state fairs have uh

1488
00:54:47,030 --> 00:54:45,359

uh used their grounds for uh

1489

00:54:49,190 --> 00:54:47,040

vaccinations but they're all

1490

00:54:50,390 --> 00:54:49,200

opening uh most of them are opening up

1491

00:54:52,630 --> 00:54:50,400

this summer

1492

00:54:54,470 --> 00:54:52,640

and uh and so we're going to see a

1493

00:54:56,950 --> 00:54:54,480

resurgence of that and

1494

00:54:58,309 --> 00:54:56,960

and i really believe that uh people are

1495

00:54:59,910 --> 00:54:58,319

really seeing it especially here in

1496

00:55:03,109 --> 00:54:59,920

chicago they just opened up

1497

00:55:04,710 --> 00:55:03,119

and uh wrigley field has been uh jammed

1498

00:55:07,190 --> 00:55:04,720

has been capacity crowd

1499

00:55:08,870 --> 00:55:07,200

all weekend and i think that we're going

1500

00:55:12,069 --> 00:55:08,880

to see a real comeback

1501

00:55:14,230 --> 00:55:12,079

uh for state fairs and local festivals

1502

00:55:15,990 --> 00:55:14,240

that's great two quick questions on

1503

00:55:19,589 --> 00:55:16,000

fairs what what's the best thing to deep

1504

00:55:23,030 --> 00:55:21,349

i i don't know i haven't had the deep

1505

00:55:26,150 --> 00:55:23,040

fried snickers but

1506

00:55:26,710 --> 00:55:26,160

uh the uh when i was at the texas state

1507

00:55:29,030 --> 00:55:26,720

fair

1508

00:55:30,069 --> 00:55:29,040

i went to five i worked in five state

1509

00:55:33,030 --> 00:55:30,079

fairs and uh

1510

00:55:35,030 --> 00:55:33,040

they had a deep fried entire

1511

00:55:40,230 --> 00:55:35,040

thanksgiving dinner

1512

00:55:43,109 --> 00:55:40,240

on a stick on a stick yeah on a stick

1513

00:55:43,589 --> 00:55:43,119

and uh that's a great question i think i

1514

00:55:45,990 --> 00:55:43,599

should

1515

00:55:47,510 --> 00:55:46,000

prepare for that one in the future okay

1516

00:55:51,510 --> 00:55:47,520

and what about

1517

00:55:55,190 --> 00:55:51,520

the the carnival games are they rigged

1518

00:55:56,710 --> 00:55:55,200

uh mine uh i cannot because of a kearney

1519

00:55:59,510 --> 00:55:56,720

code tell you

1520

00:56:00,549 --> 00:55:59,520

uh but i will say that uh i will say

1521

00:56:03,910 --> 00:56:00,559

that i knew who

1522

00:56:05,829 --> 00:56:03,920

who in some cases i knew at some s

1523

00:56:07,270 --> 00:56:05,839

uh traveling carnivals i knew who was

1524

00:56:09,270 --> 00:56:07,280

gonna win and who was gonna i could make

1525

00:56:11,910 --> 00:56:09,280

your day or break your heart

1526
00:56:13,510 --> 00:56:11,920
uh depending on uh whether you had a

1527
00:56:19,190 --> 00:56:13,520
good looking girlfriend or

1528
00:56:22,549 --> 00:56:21,589
you can rig that game i'm not saying

1529
00:56:25,990 --> 00:56:22,559
what uh

1530
00:56:27,670 --> 00:56:26,000
i'm i am i am a uh former carney and i

1531
00:56:30,870 --> 00:56:27,680
will not break the county code but i

1532
00:56:34,630 --> 00:56:30,880
will say that uh i had a uh

1533
00:56:36,710 --> 00:56:34,640
i worked at the tubs of fun and um

1534
00:56:38,870 --> 00:56:36,720
i can tell you that's a they have a

1535
00:56:39,430 --> 00:56:38,880
laundry basket at a tilt and then you

1536
00:56:42,950 --> 00:56:39,440
throw a

1537
00:56:46,150 --> 00:56:42,960
16-inch softball into them and uh

1538
00:56:49,030 --> 00:56:46,160

i could uh like i say i could

1539

00:56:50,309 --> 00:56:49,040

there's there's all sorts of systems in

1540

00:56:53,750 --> 00:56:50,319

carnivals

1541

00:56:55,349 --> 00:56:53,760

uh to manipulate who's gonna win and

1542

00:56:56,069 --> 00:56:55,359

who's gonna lose and you don't have to

1543

00:56:59,349 --> 00:56:56,079

have it

1544

00:56:59,990 --> 00:56:59,359

be a fixed game you can uh make excuses

1545

00:57:03,270 --> 00:57:00,000

that's called an

1546

00:57:06,789 --> 00:57:03,280

alibi man i wrote about alibi men for

1547

00:57:11,190 --> 00:57:06,799

the los angeles review of books in march

1548

00:57:13,190 --> 00:57:11,200

and uh it's just a uh a way of

1549

00:57:15,030 --> 00:57:13,200

if you think you're if you think you've

1550

00:57:18,309 --> 00:57:15,040

won the alibi man will

1551
00:57:21,510 --> 00:57:18,319
convince you that you've lost and uh

1552
00:57:22,630 --> 00:57:21,520
so um there are basically a con man

1553
00:57:25,430 --> 00:57:22,640
various cons

1554
00:57:26,150 --> 00:57:25,440
in the carnival still yes yeah a lot of

1555
00:57:27,829 --> 00:57:26,160
them is just

1556
00:57:29,430 --> 00:57:27,839
you know making the thing look easier

1557
00:57:31,829 --> 00:57:29,440
than it is like you said the softball in

1558
00:57:33,109 --> 00:57:31,839
the bucket or the ring toss over the the

1559
00:57:36,390 --> 00:57:33,119
pepsi bottles

1560
00:57:39,510 --> 00:57:36,400
right you know right and and uh

1561
00:57:41,750 --> 00:57:39,520
but carnivals really have cleaned up

1562
00:57:43,270 --> 00:57:41,760
uh i know a carnival expert who says

1563
00:57:45,750 --> 00:57:43,280

that uh fixed games

1564

00:57:46,789 --> 00:57:45,760

you'll never see a fixed game anymore he

1565

00:57:49,990 --> 00:57:46,799

says that

1566

00:57:53,030 --> 00:57:50,000

and uh but i say uh

1567

00:57:53,670 --> 00:57:53,040

i i'm sticking to my carnival code and i

1568

00:57:56,870 --> 00:57:53,680

will not

1569

00:57:59,270 --> 00:57:56,880

say that there are none that is for sure

1570

00:58:00,549 --> 00:57:59,280

well and at the end of the day you win

1571

00:58:02,150 --> 00:58:00,559

that big stuffed animal they probably

1572

00:58:05,910 --> 00:58:02,160

pay five bucks for anyway

1573

00:58:07,910 --> 00:58:05,920

so yes well that i had one game

1574

00:58:09,670 --> 00:58:07,920

i had a fishing game where you paid five

1575

00:58:13,750 --> 00:58:09,680

dollars to fish and

1576

00:58:15,589 --> 00:58:13,760

you got a one dollar prize

1577

00:58:17,510 --> 00:58:15,599

and that's you know no matter what and

1578

00:58:18,789 --> 00:58:17,520

and in new jersey by the way in some

1579

00:58:22,710 --> 00:58:18,799

states you cannot

1580

00:58:25,030 --> 00:58:22,720

have uh you you can't um

1581

00:58:26,230 --> 00:58:25,040

have a game of like that where you win

1582

00:58:28,950 --> 00:58:26,240

or lose you have to

1583

00:58:29,829 --> 00:58:28,960

have to have everyone has to win so are

1584

00:58:32,309 --> 00:58:29,839

the rides

1585

00:58:34,309 --> 00:58:32,319

safe would you go on would you go on a

1586

00:58:34,789 --> 00:58:34,319

roller coaster i i would go on any of

1587

00:58:37,670 --> 00:58:34,799

those

1588

00:58:38,309 --> 00:58:37,680

uh i was really impressed by the safety

1589

00:58:41,910 --> 00:58:38,319

but

1590

00:58:42,710 --> 00:58:41,920

having said that i am a violator i ran a

1591

00:58:52,309 --> 00:58:42,720

uh

1592

00:58:53,270 --> 00:58:52,319

golden wheel that's the only carnival

1593

00:58:55,910 --> 00:58:53,280

traveling carnival

1594

00:58:57,270 --> 00:58:55,920

in alaska they do both their state fairs

1595

00:59:00,390 --> 00:58:57,280

and uh

1596

00:59:04,069 --> 00:59:00,400

they uh i ran the

1597

00:59:05,670 --> 00:59:04,079

ferris wheel incorrectly and uh

1598

00:59:07,109 --> 00:59:05,680

stranded some people at the top of the

1599

00:59:10,150 --> 00:59:07,119

character's wheel

1600

00:59:13,430 --> 00:59:10,160

so i can't say it was perfectly

1601
00:59:14,630 --> 00:59:13,440
safe because i was a violator right what

1602
00:59:17,670 --> 00:59:14,640
i did wrong

1603
00:59:19,109 --> 00:59:17,680
to this day i don't know but i may have

1604
00:59:21,750 --> 00:59:19,119
been overshifting

1605
00:59:23,190 --> 00:59:21,760
but uh i had an accident hopefully there

1606
00:59:25,190 --> 00:59:23,200
was a 16 year old boy

1607
00:59:27,270 --> 00:59:25,200
uh with with a girl up there who was who

1608
00:59:28,870 --> 00:59:27,280
was thrilled that he got stuck yeah he

1609
00:59:32,390 --> 00:59:28,880
didn't mind it

1610
00:59:34,230 --> 00:59:32,400
shenanigans going on in those things

1611
00:59:35,670 --> 00:59:34,240
there were a lot of people kissing and

1612
00:59:38,069 --> 00:59:35,680
making out

1613
00:59:39,910 --> 00:59:38,079

yeah ah it puts a smile on my face i

1614

00:59:41,990 --> 00:59:39,920

love carnivals there's a mid-state fair

1615

00:59:43,270 --> 00:59:42,000

in paso robles here in california that i

1616

00:59:45,750 --> 00:59:43,280

love going to mostly because they have

1617

00:59:47,829 --> 00:59:45,760

great country music concerts at it so

1618

00:59:49,510 --> 00:59:47,839

you just put me in that movie absolutely

1619

00:59:50,150 --> 00:59:49,520

absolutely i know that a lot of people

1620

00:59:52,230 --> 00:59:50,160

that bought

1621

00:59:53,589 --> 00:59:52,240

my book was a bestseller for 10 months

1622

00:59:56,870 --> 00:59:53,599

and i know a lot of people who

1623

00:59:57,670 --> 00:59:56,880

uh who read it they they read it because

1624

01:00:00,470 --> 00:59:57,680

they love

1625

01:00:01,829 --> 01:00:00,480

carnivals and state fairs and uh this is

1626

01:00:05,109 --> 01:00:01,839

about the people but

1627

01:00:07,510 --> 01:00:05,119

about the people who are uh

1628

01:00:08,630 --> 01:00:07,520

the working poor it's about the american

1629

01:00:10,630 --> 01:00:08,640

caste system

1630

01:00:12,069 --> 01:00:10,640

it's about people looking for love and

1631

01:00:13,750 --> 01:00:12,079

meaning in their lives just like

1632

01:00:14,630 --> 01:00:13,760

everybody else and i try to flesh out

1633

01:00:17,109 --> 01:00:14,640

the humanity

1634

01:00:18,150 --> 01:00:17,119

of the behind the wheel behind the

1635

01:00:20,630 --> 01:00:18,160

carnivals

1636

01:00:21,270 --> 01:00:20,640

and uh and my my favorite thing about

1637

01:00:24,470 --> 01:00:21,280

the

1638

01:00:26,549 --> 01:00:24,480

available as an audio book right

1639

01:00:28,309 --> 01:00:26,559

it's available as to not as an audio

1640

01:00:30,309 --> 01:00:28,319

audiobook

1641

01:00:32,150 --> 01:00:30,319

i believe the narrator is a madman who

1642

01:00:35,270 --> 01:00:32,160

both sings and tells

1643

01:00:36,309 --> 01:00:35,280

jokes in the middle of this book so it

1644

01:00:38,710 --> 01:00:36,319

is uh

1645

01:00:40,470 --> 01:00:38,720

it's a very lively audio too it's we

1646

01:00:41,190 --> 01:00:40,480

will not put you to sleep it's not like

1647

01:00:45,349 --> 01:00:41,200

reading

1648

01:00:47,349 --> 01:00:45,359

awesome american oz right yes americanah

1649

01:00:50,549 --> 01:00:47,359

is an astonishing year in

1650

01:00:52,950 --> 01:00:50,559

state fairs and inside state fairs and

1651
01:00:53,589 --> 01:00:52,960
festivals hitchhiking from california to

1652
01:00:57,270 --> 01:00:53,599
new york

1653
01:00:59,109 --> 01:00:57,280
alaska to mexico and it is uh like i say

1654
01:01:00,870 --> 01:00:59,119
loved by the critics and the carnies

1655
01:01:01,910 --> 01:01:00,880
because the deeper you read the more

1656
01:01:04,710 --> 01:01:01,920
you'll see

1657
01:01:07,030 --> 01:01:04,720
and uh but uh you don't have to read

1658
01:01:09,430 --> 01:01:07,040
deeply you can enjoy the adventure

1659
01:01:10,630 --> 01:01:09,440
it's got a story arc it's a really good

1660
01:01:12,390 --> 01:01:10,640
book

1661
01:01:14,230 --> 01:01:12,400
thank you again to michael comerford go

1662
01:01:14,630 --> 01:01:14,240
check out his number one best-selling

1663
01:01:19,750 --> 01:01:14,640

book

1664

01:01:22,069 --> 01:01:19,760

that's all about

1665

01:01:22,950 --> 01:01:22,079

him touring with the carnivals and then

1666

01:01:26,309 --> 01:01:22,960

also

1667

01:01:27,109 --> 01:01:26,319

you can uh google his story about bike

1668

01:01:29,109 --> 01:01:27,119

riding during

1669

01:01:30,870 --> 01:01:29,119

the pandemic there's been a big chicago

1670

01:01:33,030 --> 01:01:30,880

tribune article about that

1671

01:01:35,190 --> 01:01:33,040

and he's got another book coming out

1672

01:01:36,630 --> 01:01:35,200

soon thank you to our producer michael

1673
