HOST OF BLAZETV'S THE CHAD PRATHER SHOW

# CHAD PRATHER

1  
00:00:06,070 --> 00:00:03,909  
here's our interview with chad prather

2  
00:00:08,549 --> 00:00:06,080  
so um i'd like to introduce you as the

3  
00:00:10,230 --> 00:00:08,559  
next governor of the state of texas

4  
00:00:11,830 --> 00:00:10,240  
but i i hesitate to do that because the

5  
00:00:14,549 --> 00:00:11,840  
last time i did that it didn't go so

6  
00:00:16,630 --> 00:00:14,559  
well i i hosted caitlyn jenner's first

7  
00:00:18,630 --> 00:00:16,640  
campaign event at my house and i

8  
00:00:20,300 --> 00:00:18,640  
introduced her i introduced her as the

9  
00:00:21,910 --> 00:00:20,310  
next governor of the state of california

10  
00:00:23,269 --> 00:00:21,920  
[Laughter]

11  
00:00:25,189 --> 00:00:23,279  
that's like glenn

12  
00:00:27,429 --> 00:00:25,199  
you know glenn always says he refuses to

13  
00:00:29,589 --> 00:00:27,439

endorse anybody anymore because he says

14

00:00:31,990 --> 00:00:29,599

his endorsement is a kiss of death so i

15

00:00:34,549 --> 00:00:32,000

said okay just keep it to yourself glenn

16

00:00:35,750 --> 00:00:34,559

right right well then larry elder joined

17

00:00:38,310 --> 00:00:35,760

the race

18

00:00:40,790 --> 00:00:38,320

yeah and i i i gotta admit i kind of

19

00:00:42,869 --> 00:00:40,800

shifted loyalties a bit and and got

20

00:00:45,350 --> 00:00:42,879

involved in his campaign and there was a

21

00:00:46,950 --> 00:00:45,360

glimmer of hope there there was about 15

22

00:00:48,869 --> 00:00:46,960

minutes i think when

23

00:00:50,229 --> 00:00:48,879

i really thought he was going to win

24

00:00:52,389 --> 00:00:50,239

which is

25

00:00:55,029 --> 00:00:52,399

silly for me to have thought

26

00:00:56,069 --> 00:00:55,039

considering the state that that we're in

27

00:00:57,590 --> 00:00:56,079

um

28

00:00:58,790 --> 00:00:57,600

but he was an amazing he's an amazing

29

00:01:00,790 --> 00:00:58,800

candidate

30

00:01:03,910 --> 00:01:00,800

and i'm just amazing

31

00:01:06,070 --> 00:01:03,920

you know larry's an amazing man uh i

32

00:01:08,230 --> 00:01:06,080

appreciate larry's voice and and just a

33

00:01:09,750 --> 00:01:08,240

tremendous conservative voice

34

00:01:11,590 --> 00:01:09,760

uh and i thought i was the same way

35

00:01:13,990 --> 00:01:11,600

especially when a person you know girl

36

00:01:15,670 --> 00:01:14,000

in a gorilla mask on a bicycle

37

00:01:18,710 --> 00:01:15,680

bounces an egg off your head i'm

38

00:01:21,190 --> 00:01:18,720

thinking you can't pay for that kind of

39

00:01:22,630 --> 00:01:21,200

campaign publicity that's fantastic

40

00:01:24,469 --> 00:01:22,640

so i thought who knows maybe that'll

41

00:01:25,429 --> 00:01:24,479

push him up over the edge but it didn't

42

00:01:26,710 --> 00:01:25,439

so

43

00:01:28,870 --> 00:01:26,720

california's crazy man what's

44

00:01:31,830 --> 00:01:28,880

unbelievable is the the left is always

45

00:01:34,710 --> 00:01:31,840

looking for examples of racism right

46

00:01:37,910 --> 00:01:34,720

yeah and here they finally get one they

47

00:01:41,270 --> 00:01:37,920

get a girl in a gorilla mask throwing an

48

00:01:43,830 --> 00:01:41,280

egg at a black political candidate

49

00:01:45,109 --> 00:01:43,840

and i don't think it made the news

50

00:01:47,590 --> 00:01:45,119

anywhere

51  
00:01:50,230 --> 00:01:47,600  
on mainstream media

52  
00:01:51,910 --> 00:01:50,240  
no we did we did a couple of hits we

53  
00:01:54,469 --> 00:01:51,920  
pre-taped a couple of hits talking about

54  
00:01:56,310 --> 00:01:54,479  
that story and we actually taped

55  
00:01:58,950 --> 00:01:56,320  
two different versions of the lead and

56  
00:02:02,630 --> 00:01:58,960  
it was me and andrew wilcow and we did a

57  
00:02:04,469 --> 00:02:02,640  
uh if if larry had won and well he

58  
00:02:06,550 --> 00:02:04,479  
almost he didn't make it you know we had

59  
00:02:07,910 --> 00:02:06,560  
to film two of those that's how close it

60  
00:02:09,910 --> 00:02:07,920  
was i mean you really didn't know which

61  
00:02:12,229 --> 00:02:09,920  
way that recall was going to go

62  
00:02:13,910 --> 00:02:12,239  
but gosh man you know gavin knew some

63  
00:02:16,070 --> 00:02:13,920

and listen let me just tell you you know

64

00:02:17,990 --> 00:02:16,080

doing doing live comedy for as long as i

65

00:02:20,550 --> 00:02:18,000

have california has been my most

66

00:02:21,990 --> 00:02:20,560

supportive state over the years uh you

67

00:02:24,309 --> 00:02:22,000

know and people people you know coming

68

00:02:27,270 --> 00:02:24,319

from texas that surprises people but

69

00:02:29,190 --> 00:02:27,280

normally i do 16 very large shows in

70

00:02:31,430 --> 00:02:29,200

california every year of course

71

00:02:34,309 --> 00:02:31,440

coronavirus shut all that down for

72

00:02:36,390 --> 00:02:34,319

two years bakersfield to february 2020

73

00:02:38,309 --> 00:02:36,400

was the last time i was out there

74

00:02:39,990 --> 00:02:38,319

and there's good people in california

75

00:02:42,470 --> 00:02:40,000

they're just really getting

76

00:02:44,710 --> 00:02:42,480

hosed over by bureaucracy it's a bad bad

77

00:02:46,470 --> 00:02:44,720

deal man those big cities are in

78

00:02:48,390 --> 00:02:46,480

sacramento and gavin newsom and that

79

00:02:50,229 --> 00:02:48,400

administration is terrible

80

00:02:53,430 --> 00:02:50,239

yeah the the infrastructure that the

81

00:02:55,830 --> 00:02:53,440

democrats have here is extremely strong

82

00:02:57,190 --> 00:02:55,840

so not only is the state two to one

83

00:02:58,070 --> 00:02:57,200

democrat but

84

00:03:00,149 --> 00:02:58,080

um

85

00:03:03,430 --> 00:03:00,159

you know the control that they have as

86

00:03:05,350 --> 00:03:03,440

far as uh the reach of the party the

87

00:03:07,589 --> 00:03:05,360

resources of the party

88

00:03:09,750 --> 00:03:07,599

that's what's really hard to beat so you

89

00:03:12,390 --> 00:03:09,760

know yeah elder ended up losing by over

90

00:03:14,309 --> 00:03:12,400

20 points which is pretty discouraging

91

00:03:15,589 --> 00:03:14,319

and makes you wonder you know i think he

92

00:03:17,030 --> 00:03:15,599

was thinking he was going to run again

93

00:03:18,790 --> 00:03:17,040

in 2022

94

00:03:20,949 --> 00:03:18,800

um you know newsroom will be up again in

95

00:03:22,949 --> 00:03:20,959

november but

96

00:03:24,550 --> 00:03:22,959

i don't know now he's got to think twice

97

00:03:26,630 --> 00:03:24,560

about that you know that's a lot of

98

00:03:27,910 --> 00:03:26,640

points to make up

99

00:03:30,070 --> 00:03:27,920

yeah you don't know if you trust the

100

00:03:32,789 --> 00:03:30,080

system right you know it's it's like it

101  
00:03:34,550 --> 00:03:32,799  
is so so swampy and smarmy and you don't

102  
00:03:36,229 --> 00:03:34,560  
know if all your efforts are for naught

103  
00:03:37,910 --> 00:03:36,239  
no matter what what happens in there

104  
00:03:39,750 --> 00:03:37,920  
yeah well you know they talk about a

105  
00:03:41,589 --> 00:03:39,760  
rigged election what i kind of figured

106  
00:03:43,509 --> 00:03:41,599  
out and were helping with the elder

107  
00:03:45,270 --> 00:03:43,519  
campaign and so on at least my theory

108  
00:03:48,390 --> 00:03:45,280  
anyway is that you know i'm not sure

109  
00:03:50,869 --> 00:03:48,400  
there's out and out fraud and stolen

110  
00:03:53,110 --> 00:03:50,879  
elections but as far as it being rigged

111  
00:03:55,429 --> 00:03:53,120  
yes it is a bit rigged when you have

112  
00:03:57,750 --> 00:03:55,439  
these mail-in votes that are going out

113  
00:04:00,229 --> 00:03:57,760

every single home in california has got

114

00:04:01,750 --> 00:04:00,239

a live ballot sitting in it some of them

115

00:04:03,670 --> 00:04:01,760

have 20 ballots sitting in it that have

116

00:04:04,789 --> 00:04:03,680

been mailed to addresses from people

117

00:04:07,190 --> 00:04:04,799

that used to live there and so on so you

118

00:04:09,589 --> 00:04:07,200

just have live ballots floating around

119

00:04:12,149 --> 00:04:09,599

the state in the tens of millions

120

00:04:14,550 --> 00:04:12,159

literally yeah and then you've got a

121

00:04:16,949 --> 00:04:14,560

political machine the democrat party

122

00:04:18,229 --> 00:04:16,959

um able to go knocking door to door in

123

00:04:20,390 --> 00:04:18,239

the inner cities

124

00:04:22,870 --> 00:04:20,400

and helping people fill them out and

125

00:04:25,030 --> 00:04:22,880

mail them in and so on and so if you

126

00:04:27,909 --> 00:04:25,040

want to call that rigged

127

00:04:29,990 --> 00:04:27,919

that's what's going on however i agree i

128

00:04:31,590 --> 00:04:30,000

agree with you wholeheartedly it's not

129

00:04:33,510 --> 00:04:31,600

that it's a rigged deal i mean they've

130

00:04:35,350 --> 00:04:33,520

tampered with elections for generations

131

00:04:37,430 --> 00:04:35,360

we always have the right and the left

132

00:04:39,909 --> 00:04:37,440

have done that uh anybody that denies

133

00:04:41,350 --> 00:04:39,919

that's just it's crazy

134

00:04:42,390 --> 00:04:41,360

and uh

135

00:04:43,990 --> 00:04:42,400

sorry i might have lost you there for a

136

00:04:46,469 --> 00:04:44,000

second i had a call that came in

137

00:04:49,110 --> 00:04:46,479

uh but what i what i do say is that

138

00:04:51,749 --> 00:04:49,120

people have built a system that will

139

00:04:54,310 --> 00:04:51,759

fail the system for voting they've built

140

00:04:56,950 --> 00:04:54,320

it to fail uh and and sometimes it fails

141

00:04:58,710 --> 00:04:56,960

in a certain favor and i think that is

142

00:04:59,590 --> 00:04:58,720

what we're really up against in a big

143

00:05:00,710 --> 00:04:59,600

way

144

00:05:03,270 --> 00:05:00,720

and that's what we got to fight against

145

00:05:05,749 --> 00:05:03,280

california being a living example of

146

00:05:07,830 --> 00:05:05,759

that reality yeah yeah mail-in voting is

147

00:05:09,110 --> 00:05:07,840

here to stay certainly in california

148

00:05:10,950 --> 00:05:09,120

where it doesn't matter whether you're

149

00:05:12,710 --> 00:05:10,960

going to be absent or not doesn't matter

150

00:05:15,029 --> 00:05:12,720

whether you request it we're sending you

151

00:05:16,550 --> 00:05:15,039

a ballot and that is a live ballot

152

00:05:18,390 --> 00:05:16,560

that's where we are in california right

153

00:05:20,469 --> 00:05:18,400

now i'm not sure you don't have that in

154

00:05:23,270 --> 00:05:20,479

texas i don't think do you

155

00:05:24,870 --> 00:05:23,280

no um it but it's but it's on thin ice

156

00:05:26,390 --> 00:05:24,880

it's on thin ice people are really

157

00:05:28,150 --> 00:05:26,400

people who don't know you know the

158

00:05:30,710 --> 00:05:28,160

perception is texas is this real

159

00:05:33,430 --> 00:05:30,720

conservative bastion it's not it's very

160

00:05:35,909 --> 00:05:33,440

purplish uh all six of our major cities

161

00:05:37,909 --> 00:05:35,919

are very blue including fort worth which

162

00:05:41,270 --> 00:05:37,919

is where i live where i'm at right now

163

00:05:43,430 --> 00:05:41,280

as now as of 2018 gone blue um and so

164

00:05:46,310 --> 00:05:43,440

it's a it's a sad situation

165

00:05:47,830 --> 00:05:46,320

uh the rest of text is of course still

166

00:05:50,070 --> 00:05:47,840

very conservative

167

00:05:52,390 --> 00:05:50,080

um but our even our politics here in

168

00:05:54,469 --> 00:05:52,400

austin has gotten so big you know that's

169

00:05:55,749 --> 00:05:54,479

why i jumped into this thing uh you know

170

00:05:57,430 --> 00:05:55,759

my whole platform is let's get

171

00:06:00,309 --> 00:05:57,440

government out of our life

172

00:06:02,629 --> 00:06:00,319

and and we're really replicating the the

173

00:06:04,870 --> 00:06:02,639

federal government washington dc model

174

00:06:06,629 --> 00:06:04,880

of just becoming a blob and everything

175

00:06:08,230 --> 00:06:06,639

that we touch we consume and it just

176

00:06:11,830 --> 00:06:08,240

gets bigger and bigger and ever

177

00:06:13,430 --> 00:06:11,840

expansive and texas is just

178

00:06:16,309 --> 00:06:13,440

i was going to say slowly becoming that

179

00:06:18,629 --> 00:06:16,319

but it's very quickly becoming it

180

00:06:20,710 --> 00:06:18,639

yeah you know i know abbott for most

181

00:06:23,990 --> 00:06:20,720

people uh for most conservatives outside

182

00:06:26,469 --> 00:06:24,000

of texas is kind of a a shining peaking

183

00:06:28,550 --> 00:06:26,479

of light for us here in california but

184

00:06:31,110 --> 00:06:28,560

you've made the point i think that

185

00:06:33,590 --> 00:06:31,120

abbott has not always held to

186

00:06:35,110 --> 00:06:33,600

conservative values and am i right that

187

00:06:37,270 --> 00:06:35,120

your biggest complaint about him was

188

00:06:39,510 --> 00:06:37,280

that he had a lot of

189

00:06:42,309 --> 00:06:39,520

executive orders uh

190

00:06:44,230 --> 00:06:42,319

executive mandates on shutdowns he did

191

00:06:46,469 --> 00:06:44,240

you know and if you look at it you know

192

00:06:48,629 --> 00:06:46,479

i've counted 14 constitutional

193

00:06:49,589 --> 00:06:48,639

violations on the part of abbott in the

194

00:06:50,950 --> 00:06:49,599

last

195

00:06:53,430 --> 00:06:50,960

18 months

196

00:06:56,550 --> 00:06:53,440

that's that's that's ridiculous i mean

197

00:06:58,629 --> 00:06:56,560

that's like hiring a security team to

198

00:07:00,390 --> 00:06:58,639

guard your compound right and say don't

199

00:07:02,230 --> 00:07:00,400

come in my bedroom unless it's life or

200

00:07:04,710 --> 00:07:02,240

death don't mess with my kids don't

201  
00:07:06,629 --> 00:07:04,720  
touch my wife you know you break one

202  
00:07:08,309 --> 00:07:06,639  
rule and i hire another security team

203  
00:07:10,390 --> 00:07:08,319  
abbott's broken it over and over and

204  
00:07:12,070 --> 00:07:10,400  
over again but it's a campaign season

205  
00:07:14,469 --> 00:07:12,080  
right so he's going to keep saying the

206  
00:07:15,670 --> 00:07:14,479  
the things that that republican voters

207  
00:07:16,950 --> 00:07:15,680  
want to hear

208  
00:07:18,390 --> 00:07:16,960  
but he's not going to do them and

209  
00:07:20,150 --> 00:07:18,400  
there's a huge antithesis when you

210  
00:07:22,950 --> 00:07:20,160  
compare him and say

211  
00:07:24,629 --> 00:07:22,960  
a ron desantis ron does though you know

212  
00:07:26,950 --> 00:07:24,639  
ron says it and does it

213  
00:07:28,870 --> 00:07:26,960

uh people would be hard pressed to look

214

00:07:31,189 --> 00:07:28,880

at texas and say okay greg abbott's

215

00:07:32,950 --> 00:07:31,199

actually doing these things but i've

216

00:07:34,230 --> 00:07:32,960

discovered if you've got enough money if

217

00:07:36,790 --> 00:07:34,240

you have enough money you can make

218

00:07:39,430 --> 00:07:36,800

yourself look like anything and you know

219

00:07:40,629 --> 00:07:39,440

abbott has a lot of money and so he says

220

00:07:41,990 --> 00:07:40,639

well we're going to do this on the

221

00:07:43,430 --> 00:07:42,000

border and people say yeah see he's

222

00:07:46,230 --> 00:07:43,440

fixing the border no he's not he's not

223

00:07:48,230 --> 00:07:46,240

doing anything he says he's going to but

224

00:07:50,629 --> 00:07:48,240

he doesn't do it because a few few

225

00:07:52,550 --> 00:07:50,639

months ago or about a month ago i took

226  
00:07:55,510 --> 00:07:52,560  
seven headlines of what abbott was going

227  
00:07:58,070 --> 00:07:55,520  
to do on the border and i posted them

228  
00:08:00,950 --> 00:07:58,080  
the problem was it's 2021 and those were

229  
00:08:02,869 --> 00:08:00,960  
headlines from 2015. they were exact

230  
00:08:04,710 --> 00:08:02,879  
same things that he was saying he was

231  
00:08:07,110 --> 00:08:04,720  
going to do on the southern border they

232  
00:08:08,950 --> 00:08:07,120  
never got done it's not being done now i

233  
00:08:11,909 --> 00:08:08,960  
mean just plain and simple fact and i

234  
00:08:14,309 --> 00:08:11,919  
defy anyone anyone out there to tell me

235  
00:08:16,309 --> 00:08:14,319  
one thing that he's actually doing that

236  
00:08:18,150 --> 00:08:16,319  
he says he's going to do so so he has

237  
00:08:19,029 --> 00:08:18,160  
not sent the national guard to the

238  
00:08:21,430 --> 00:08:19,039

border

239

00:08:22,950 --> 00:08:21,440

he sent he said well we have a few

240

00:08:25,350 --> 00:08:22,960

national guard at the border you know

241

00:08:27,110 --> 00:08:25,360

out of a resource of 25 000 i mean

242

00:08:29,110 --> 00:08:27,120

there's there's about 5 000 down there

243

00:08:30,629 --> 00:08:29,120

spread out and he just put another

244

00:08:31,990 --> 00:08:30,639

there's another conglomerate down in

245

00:08:35,350 --> 00:08:32,000

eagle pass

246

00:08:36,630 --> 00:08:35,360

everybody when they turn on the news and

247

00:08:39,350 --> 00:08:36,640

they look

248

00:08:40,630 --> 00:08:39,360

there's uh there's uh the issues going

249

00:08:42,630 --> 00:08:40,640

on like all the haitians under

250

00:08:44,710 --> 00:08:42,640

international bridge that's about verdi

251  
00:08:46,470 --> 00:08:44,720  
county that's del rio texas that's where

252  
00:08:48,949 --> 00:08:46,480  
the real hot spot is that's that's the

253  
00:08:50,630 --> 00:08:48,959  
problem and there's no question about it

254  
00:08:52,790 --> 00:08:50,640  
even if the national guard are there i

255  
00:08:55,110 --> 00:08:52,800  
have witnessed with my own eyes national

256  
00:08:56,310 --> 00:08:55,120  
guardsmen helping people out of the

257  
00:08:58,230 --> 00:08:56,320  
river

258  
00:09:00,310 --> 00:08:58,240  
and bringing them into the interior of

259  
00:09:02,550 --> 00:09:00,320  
texas so it's

260  
00:09:04,870 --> 00:09:02,560  
their presence is one thing what they're

261  
00:09:06,949 --> 00:09:04,880  
being asked to do and allowed to do as

262  
00:09:09,030 --> 00:09:06,959  
far as um

263  
00:09:11,829 --> 00:09:09,040

honoring the oath they took to enforce

264

00:09:13,590 --> 00:09:11,839

the law is a completely different thing

265

00:09:16,230 --> 00:09:13,600

but the fact of the matter is we've got

266

00:09:17,750 --> 00:09:16,240

so many resources the dps resources i

267

00:09:19,350 --> 00:09:17,760

mean they mirror the military in terms

268

00:09:20,949 --> 00:09:19,360

of their human and material resources

269

00:09:24,470 --> 00:09:20,959

we're not we're not truly deploying any

270

00:09:26,150 --> 00:09:24,480

of that stuff uh and and so also

271

00:09:27,269 --> 00:09:26,160

uh that you know again to the national

272

00:09:28,550 --> 00:09:27,279

guard

273

00:09:30,550 --> 00:09:28,560

they got to be allowed to do their job

274

00:09:32,630 --> 00:09:30,560

they're just not being allowed to do it

275

00:09:34,870 --> 00:09:32,640

yeah well i guess the question is what

276

00:09:36,550 --> 00:09:34,880

can they do and what should they be

277

00:09:38,310 --> 00:09:36,560

doing i mean obviously

278

00:09:39,590 --> 00:09:38,320

it's a federal border that should be

279

00:09:40,870 --> 00:09:39,600

patrolled by

280

00:09:43,910 --> 00:09:40,880

the feds

281

00:09:45,030 --> 00:09:43,920

border patrol etc it's not happening we

282

00:09:46,630 --> 00:09:45,040

see it's not happening it's

283

00:09:47,670 --> 00:09:46,640

intentionally not happening they're

284

00:09:49,509 --> 00:09:47,680

allowing

285

00:09:51,190 --> 00:09:49,519

illegals to cross the border processing

286

00:09:53,269 --> 00:09:51,200

them apparently and then

287

00:09:55,509 --> 00:09:53,279

letting them go in the u.s but what what

288

00:09:56,389 --> 00:09:55,519

could the texas national guard do about

289

00:09:59,670 --> 00:09:56,399

that

290

00:10:02,710 --> 00:09:59,680

call it a political they're protecting a

291

00:10:04,949 --> 00:10:02,720

political blame game so dps troopers in

292

00:10:07,110 --> 00:10:04,959

many cases when would these illegals

293

00:10:09,110 --> 00:10:07,120

come across the border they come across

294

00:10:10,870 --> 00:10:09,120

with a big plastic sack on their back

295

00:10:12,310 --> 00:10:10,880

right and that's to keep their goods dry

296

00:10:14,069 --> 00:10:12,320

and their change of clothes and so on

297

00:10:16,310 --> 00:10:14,079

and so forth they come across they strip

298

00:10:18,710 --> 00:10:16,320

down completely naked right there uh you

299

00:10:20,389 --> 00:10:18,720

know in in the basically a parking lot

300

00:10:21,670 --> 00:10:20,399

right on the other side of the river

301

00:10:22,870 --> 00:10:21,680

they leave all of their stuff they

302

00:10:25,110 --> 00:10:22,880

change in their clothes and they don't

303

00:10:27,110 --> 00:10:25,120

run off they just wait they wait and the

304

00:10:28,389 --> 00:10:27,120

in the dps troopers wait they're with

305

00:10:29,670 --> 00:10:28,399

them

306

00:10:31,110 --> 00:10:29,680

and what they're waiting on is the

307

00:10:33,269 --> 00:10:31,120

border patrol to come pick them up

308

00:10:35,190 --> 00:10:33,279

border patrol acts like an uber that

309

00:10:36,870 --> 00:10:35,200

takes them to a processing center where

310

00:10:39,190 --> 00:10:36,880

they get processed in

311

00:10:41,190 --> 00:10:39,200

uh they get checked and then they in

312

00:10:42,949 --> 00:10:41,200

many cases uh

313

00:10:44,790 --> 00:10:42,959

most cases actually they get a court

314

00:10:47,110 --> 00:10:44,800

date that says you got to appear again

315

00:10:48,630 --> 00:10:47,120

in two years and then they disappear

316

00:10:51,110 --> 00:10:48,640

uh they're not coming back for a court

317

00:10:52,870 --> 00:10:51,120

date so you ask me what can you do you

318

00:10:54,310 --> 00:10:52,880

got to stop that at the border at the

319

00:10:56,230 --> 00:10:54,320

end of the day we've got to stop asking

320

00:10:58,630 --> 00:10:56,240

the federal government's permission for

321

00:11:01,030 --> 00:10:58,640

us to do our job as a state what we're

322

00:11:03,269 --> 00:11:01,040

up against is not a refugee or migrant

323

00:11:04,710 --> 00:11:03,279

situation we're up against an invasion i

324

00:11:06,150 --> 00:11:04,720

mean you're talking

325

00:11:07,190 --> 00:11:06,160

millions of people coming across and

326

00:11:08,949 --> 00:11:07,200

they're not just from the southern

327

00:11:11,350 --> 00:11:08,959

border you know i mentioned valverde

328

00:11:14,230 --> 00:11:11,360

county which is 120 miles of border with

329

00:11:16,790 --> 00:11:14,240

mexico they've apprehended over 84

330

00:11:18,949 --> 00:11:16,800

nationalities this year alone that's 84

331

00:11:20,949 --> 00:11:18,959

nationalities there's not 84 countries

332

00:11:22,389 --> 00:11:20,959

below us and below our southern border

333

00:11:23,910 --> 00:11:22,399

so they're coming from all over and it

334

00:11:25,750 --> 00:11:23,920

ain't france or finland they're coming

335

00:11:27,590 --> 00:11:25,760

from yemen and oman and you know the

336

00:11:29,190 --> 00:11:27,600

sudan they're coming from iran and iraq

337

00:11:30,710 --> 00:11:29,200

and they're coming from some places that

338

00:11:33,110 --> 00:11:30,720

really wish us harm

339

00:11:35,030 --> 00:11:33,120

so you know what we've got to do is

340

00:11:38,630 --> 00:11:35,040

you know in in a case you know the texas

341

00:11:40,230 --> 00:11:38,640

constitution article 4 uh section 7 says

342

00:11:42,790 --> 00:11:40,240

that if the federal government is you

343

00:11:44,870 --> 00:11:42,800

know the the governor

344

00:11:46,310 --> 00:11:44,880

in a case of uh the federal government

345

00:11:48,230 --> 00:11:46,320

kind of abandoning you which is

346

00:11:49,030 --> 00:11:48,240

obviously what's happening the governor

347

00:11:51,269 --> 00:11:49,040

of the state becomes the

348

00:11:53,430 --> 00:11:51,279

commander-in-chief he's got the he's got

349

00:11:55,670 --> 00:11:53,440

the right to employ the national guard

350

00:11:57,670 --> 00:11:55,680

the militias the state guard all the

351

00:11:59,590 --> 00:11:57,680

resources at his disposal to basically

352

00:12:01,110 --> 00:11:59,600

stop them at that border and say no

353

00:12:02,629 --> 00:12:01,120

you're not coming across you can't step

354

00:12:03,829 --> 00:12:02,639

foot across this

355

00:12:05,269 --> 00:12:03,839

you know i got a good friend who's

356

00:12:07,910 --> 00:12:05,279

running for land commissioner here in

357

00:12:10,550 --> 00:12:07,920

the state of texas he's got a great idea

358

00:12:12,550 --> 00:12:10,560

uh he says we need to dig the rio grande

359

00:12:15,430 --> 00:12:12,560

out and make it a navigable river for

360

00:12:17,269 --> 00:12:15,440

commercial uh transport he said one it

361

00:12:19,350 --> 00:12:17,279

makes it uncrossable

362

00:12:21,509 --> 00:12:19,360

it's saying we can monitor it as well

363

00:12:24,150 --> 00:12:21,519

for uh with law enforcement as far as

364

00:12:25,590 --> 00:12:24,160

federal trade so our international trade

365

00:12:27,430 --> 00:12:25,600

so there's a ton of things that we could

366

00:12:29,990 --> 00:12:27,440

be doing out there not the least of

367

00:12:31,030 --> 00:12:30,000

which is we control 23 bridges that come

368

00:12:33,430 --> 00:12:31,040

across

369

00:12:35,670 --> 00:12:33,440

we can stop commercial trade with mexico

370

00:12:37,509 --> 00:12:35,680

so that they feel the financial heat the

371

00:12:38,470 --> 00:12:37,519

economic heat and put a stop to it

372

00:12:40,470 --> 00:12:38,480

themselves

373

00:12:42,790 --> 00:12:40,480

um you know we control our roads we

374

00:12:44,710 --> 00:12:42,800

control our highways we can enforce that

375

00:12:46,470 --> 00:12:44,720

but most of our agents are being kept

376

00:12:48,710 --> 00:12:46,480

you know well inland and they're not

377

00:12:50,230 --> 00:12:48,720

right there on the border so you know it

378

00:12:52,310 --> 00:12:50,240

and then take in the fact that we've got

379

00:12:54,310 --> 00:12:52,320

to disincentivize the reason so many are

380

00:12:55,269 --> 00:12:54,320

trying to come across the board uh you

381

00:12:56,470 --> 00:12:55,279

know we've got we're giving them health

382

00:12:57,829 --> 00:12:56,480

care we're giving them welfare we're

383

00:13:00,069 --> 00:12:57,839

giving them you know we're feeding them

384

00:13:01,590 --> 00:13:00,079

we're giving them education uh the

385

00:13:02,790 --> 00:13:01,600

numbers and the statistics are just

386

00:13:05,110 --> 00:13:02,800

insane and we're sitting back and

387

00:13:07,190 --> 00:13:05,120

allowing it to happen at the cost of not

388

00:13:09,350 --> 00:13:07,200

only taxpayer dollars but in some cases

389

00:13:11,750 --> 00:13:09,360

taxpayer lives yeah i think it's pretty

390

00:13:13,910 --> 00:13:11,760

obvious what's going on when they come

391

00:13:16,389 --> 00:13:13,920

across they have children

392

00:13:18,550 --> 00:13:16,399

here and those children become citizens

393

00:13:21,269 --> 00:13:18,560

and 18 years later they're voting

394

00:13:23,829 --> 00:13:21,279

citizens and in california

395

00:13:25,990 --> 00:13:23,839

due to the influx we're at almost 40

396

00:13:27,829 --> 00:13:26,000

percent right about 40 percent hispanic

397

00:13:29,350 --> 00:13:27,839

in in the state they're voting 70

398

00:13:32,150 --> 00:13:29,360

percent democrat

399

00:13:34,069 --> 00:13:32,160

and i think that the democrats see this

400

00:13:35,829 --> 00:13:34,079

and that's why they want that that's why

401  
00:13:37,430 --> 00:13:35,839  
they're letting them in because they see

402  
00:13:40,870 --> 00:13:37,440  
them all as votes is there any other

403  
00:13:42,389 --> 00:13:40,880  
explanation for it i can't think of any

404  
00:13:45,110 --> 00:13:42,399  
and it's been a lo and it's been a long

405  
00:13:46,949 --> 00:13:45,120  
time planned so i i referred to my

406  
00:13:48,949 --> 00:13:46,959  
friend weston martinez running for land

407  
00:13:51,670 --> 00:13:48,959  
commissioner in texas i saw him the

408  
00:13:53,670 --> 00:13:51,680  
other night he's got a handful of ids

409  
00:13:55,910 --> 00:13:53,680  
from uh chile

410  
00:13:58,150 --> 00:13:55,920  
and these are pictures of haitians these

411  
00:14:00,870 --> 00:13:58,160  
are not chileans these are haitians

412  
00:14:03,030 --> 00:14:00,880  
uh and they've been in chile since uh 10

413  
00:14:05,110 --> 00:14:03,040

years since the earthquake in haiti

414

00:14:06,949 --> 00:14:05,120

they've been there that long and they're

415

00:14:08,230 --> 00:14:06,959

dropping those ids on the other on the

416

00:14:10,710 --> 00:14:08,240

mexico side of the river they're

417

00:14:13,430 --> 00:14:10,720

dropping those ids they're coming across

418

00:14:15,350 --> 00:14:13,440

they're trying to claim asylum uh as as

419

00:14:17,750 --> 00:14:15,360

as haitian refugees

420

00:14:19,110 --> 00:14:17,760

and uh and we're bringing them in and

421

00:14:21,030 --> 00:14:19,120

they're just disappearing into the

422

00:14:23,110 --> 00:14:21,040

interior of the country you know when

423

00:14:24,870 --> 00:14:23,120

they said that there were 13 000 that

424

00:14:26,550 --> 00:14:24,880

vanished out of the international bridge

425

00:14:29,189 --> 00:14:26,560

a couple weeks ago the number was really

426

00:14:30,790 --> 00:14:29,199

more like about 23 000. they talk about

427

00:14:32,629 --> 00:14:30,800

a group coming between anywhere the

428

00:14:34,550 --> 00:14:32,639

estimates are between 35 and 50 000.

429

00:14:36,629 --> 00:14:34,560

it's really more like about 85 000 that

430

00:14:38,389 --> 00:14:36,639

are on their way so these caravans are

431

00:14:40,870 --> 00:14:38,399

just getting bigger and bigger uh they

432

00:14:41,910 --> 00:14:40,880

have no concept of legal migration into

433

00:14:44,069 --> 00:14:41,920

the country

434

00:14:46,150 --> 00:14:44,079

uh and so they're coming and their

435

00:14:48,710 --> 00:14:46,160

intention is uh you know a free open

436

00:14:50,310 --> 00:14:48,720

welcome now those in south texas are

437

00:14:52,550 --> 00:14:50,320

seeing a different story and they're

438

00:14:54,150 --> 00:14:52,560

starting to act against that so down in

439

00:14:57,509 --> 00:14:54,160

the rio grande valley for instance

440

00:14:59,750 --> 00:14:57,519

mcallen they just uh had a historic

441

00:15:01,829 --> 00:14:59,760

election at this last cycle where they

442

00:15:03,829 --> 00:15:01,839

elected mayor villalobos who was a

443

00:15:05,110 --> 00:15:03,839

republican uh that's the first time

444

00:15:07,750 --> 00:15:05,120

they've ever had a conservative

445

00:15:09,189 --> 00:15:07,760

republican voted mayor in mcallen and

446

00:15:11,990 --> 00:15:09,199

they're starting to see in the rio

447

00:15:13,829 --> 00:15:12,000

grande valley more and more support

448

00:15:15,829 --> 00:15:13,839

there was a huge percentage of them that

449

00:15:18,550 --> 00:15:15,839

voted for donald trump in the 2020

450

00:15:20,870 --> 00:15:18,560

election so they're seeing they're

451  
00:15:23,269 --> 00:15:20,880  
seeing how these democrat

452  
00:15:25,910 --> 00:15:23,279  
policies have abandoned them

453  
00:15:28,389 --> 00:15:25,920  
uh to suffer a fate that they have no

454  
00:15:29,829 --> 00:15:28,399  
control over with this migration issue

455  
00:15:31,829 --> 00:15:29,839  
uh and so more and more of them are

456  
00:15:33,670 --> 00:15:31,839  
starting to push back politically

457  
00:15:35,430 --> 00:15:33,680  
but we've got to stand behind them and

458  
00:15:37,189 --> 00:15:35,440  
kind of hold their arms up and help them

459  
00:15:41,030 --> 00:15:37,199  
legally as well to make sure that

460  
00:15:42,949 --> 00:15:41,040  
they're no longer encroached you know

461  
00:15:45,990 --> 00:15:42,959  
what i say is you know kind of a five

462  
00:15:47,110 --> 00:15:46,000  
step thing is detect deter detain deport

463  
00:15:48,870 --> 00:15:47,120

and defend

464

00:15:50,790 --> 00:15:48,880

and and none of those are politically

465

00:15:52,389 --> 00:15:50,800

correct in the grand scheme of things

466

00:15:55,030 --> 00:15:52,399

but we've got to create not only what i

467

00:15:56,790 --> 00:15:55,040

say a physical wall and barrier on the

468

00:15:58,550 --> 00:15:56,800

border but we need a human wall a law

469

00:16:00,389 --> 00:15:58,560

enforcement wall that says no you're not

470

00:16:03,030 --> 00:16:00,399

coming across

471

00:16:04,550 --> 00:16:03,040

so talking about the campaign um you

472

00:16:06,389 --> 00:16:04,560

talked about texas is not as

473

00:16:08,230 --> 00:16:06,399

conservative as people think it is

474

00:16:11,189 --> 00:16:08,240

whoever the republican nominee is

475

00:16:13,110 --> 00:16:11,199

whether it be abbott or or hopefully you

476

00:16:15,189 --> 00:16:13,120

uh what what's the race looking like for

477

00:16:17,670 --> 00:16:15,199

next november is a republican a a

478

00:16:20,790 --> 00:16:17,680

shoo-in to win the governorship in texas

479

00:16:22,870 --> 00:16:20,800

or not necessarily is it you know

480

00:16:24,389 --> 00:16:22,880

let's let's say what we assume to know

481

00:16:26,949 --> 00:16:24,399

right now and that would be robert

482

00:16:29,030 --> 00:16:26,959

francis o'rourke on the democrat ticket

483

00:16:30,389 --> 00:16:29,040

uh i'm you know i'd be if i was a

484

00:16:31,670 --> 00:16:30,399

betting man i'd say he's going to be

485

00:16:34,629 --> 00:16:31,680

their democrat

486

00:16:36,790 --> 00:16:34,639

uh uh candidate and the reason being if

487

00:16:39,430 --> 00:16:36,800

you get back to 2018 when he was on the

488

00:16:42,150 --> 00:16:39,440

ticket against senator ted cruz it's a

489

00:16:44,470 --> 00:16:42,160

very slight margin that he lost by

490

00:16:45,910 --> 00:16:44,480

but he didn't lose the ballot he won on

491

00:16:47,350 --> 00:16:45,920

the down ballot there were a lot of

492

00:16:49,110 --> 00:16:47,360

seats that were flipped in the house and

493

00:16:50,949 --> 00:16:49,120

the senate as well as city council seats

494

00:16:52,710 --> 00:16:50,959

and various other

495

00:16:55,990 --> 00:16:52,720

offices that were flipped all because

496

00:16:58,389 --> 00:16:56,000

beto o'rourke was on the ballot he is a

497

00:17:00,550 --> 00:16:58,399

fund-raising machine the money comes in

498

00:17:02,710 --> 00:17:00,560

from california hollywood the elites all

499

00:17:04,309 --> 00:17:02,720

over the multinational corporation

500

00:17:06,549 --> 00:17:04,319

silicon valley of course they're going

501  
00:17:08,949 --> 00:17:06,559  
to spend tens of millions of dollars to

502  
00:17:11,510 --> 00:17:08,959  
try to get beto o'rourke uh on that

503  
00:17:12,949 --> 00:17:11,520  
ballot and ultimately elected and so

504  
00:17:15,510 --> 00:17:12,959  
it's a formidable force when you

505  
00:17:17,510 --> 00:17:15,520  
consider how much money is there so you

506  
00:17:18,549 --> 00:17:17,520  
take uh and that not text his money

507  
00:17:20,390 --> 00:17:18,559  
either so

508  
00:17:22,949 --> 00:17:20,400  
on the flip side you got greg abbott

509  
00:17:24,630 --> 00:17:22,959  
greg abbott is also a cash cow he claims

510  
00:17:26,309 --> 00:17:24,640  
to have about 60 million dollars in a

511  
00:17:27,990 --> 00:17:26,319  
campaign war chest

512  
00:17:29,830 --> 00:17:28,000  
uh it's amazing to me by the way that

513  
00:17:32,070 --> 00:17:29,840

people will spend 80 or 90 million

514

00:17:34,950 --> 00:17:32,080

dollars to get elected to an office

515

00:17:37,270 --> 00:17:34,960

that's only going to pay you 153 000 a

516

00:17:39,750 --> 00:17:37,280

year so that ought to tell you the power

517

00:17:42,390 --> 00:17:39,760

of the position of the governor of texas

518

00:17:44,070 --> 00:17:42,400

so a shoe in no i wish that we could say

519

00:17:46,230 --> 00:17:44,080

that but by and large more and more

520

00:17:48,470 --> 00:17:46,240

we're getting very purple as i said i

521

00:17:49,669 --> 00:17:48,480

was doing a report uh recently with a

522

00:17:51,590 --> 00:17:49,679

newspaper

523

00:17:53,029 --> 00:17:51,600

out of brenham texas and she said if you

524

00:17:54,710 --> 00:17:53,039

make it to austin you think you can

525

00:17:57,430 --> 00:17:54,720

handle it since austin's not like the

526

00:17:58,789 --> 00:17:57,440

rest of texas i said well it's funny you

527

00:18:01,029 --> 00:17:58,799

say that

528

00:18:02,950 --> 00:18:01,039

because uh the fact that you know that

529

00:18:04,950 --> 00:18:02,960

the capital of texas isn't like the rest

530

00:18:06,310 --> 00:18:04,960

of texas is very telling

531

00:18:07,830 --> 00:18:06,320

uh you know that's something that's got

532

00:18:10,390 --> 00:18:07,840

to be flipped over it's got to be

533

00:18:12,630 --> 00:18:10,400

changed because i believe that texas is

534

00:18:14,870 --> 00:18:12,640

the last true bastion of freedom that

535

00:18:17,350 --> 00:18:14,880

has the economy the size the leverage

536

00:18:19,510 --> 00:18:17,360

the people the resolve the legacy the

537

00:18:21,669 --> 00:18:19,520

history all these values that have the

538

00:18:23,350 --> 00:18:21,679

ability to put washington dc back on the

539

00:18:25,029 --> 00:18:23,360

right track now they don't want to be

540

00:18:27,190 --> 00:18:25,039

put back on that track so there's a very

541

00:18:29,190 --> 00:18:27,200

big target on the back of texas they

542

00:18:31,669 --> 00:18:29,200

want to see texas flip they want to see

543

00:18:33,190 --> 00:18:31,679

texas become another california uh they

544

00:18:34,950 --> 00:18:33,200

want it to become an illinois in new

545

00:18:37,029 --> 00:18:34,960

york or an oregon or washington state

546

00:18:39,510 --> 00:18:37,039

well in illegal immigration can provide

547

00:18:41,590 --> 00:18:39,520

a huge tool for that

548

00:18:43,510 --> 00:18:41,600

we used to have a long run of republican

549

00:18:45,510 --> 00:18:43,520

governors here in california right and

550

00:18:47,510 --> 00:18:45,520

the only explanation for for the switch

551  
00:18:49,510 --> 00:18:47,520  
is is the illegal immigration and you're

552  
00:18:51,270 --> 00:18:49,520  
right there at the border so yeah it's

553  
00:18:54,710 --> 00:18:51,280  
happening in texas and you're right we

554  
00:18:56,630 --> 00:18:54,720  
we need examples of the other way to do

555  
00:18:57,909 --> 00:18:56,640  
it you know when if it gets to the point

556  
00:18:59,029 --> 00:18:57,919  
where california is the only way to do

557  
00:19:01,510 --> 00:18:59,039  
it and california's got the highest

558  
00:19:03,190 --> 00:19:01,520  
unemployment rate in the country

559  
00:19:04,789 --> 00:19:03,200  
the most affluent state fifth largest

560  
00:19:06,710 --> 00:19:04,799  
economy in the world and yet we've got

561  
00:19:08,630 --> 00:19:06,720  
the highest unemployment in in the

562  
00:19:10,950 --> 00:19:08,640  
country how do you explain that

563  
00:19:13,110 --> 00:19:10,960

yeah by how it's being run so we need to

564

00:19:15,430 --> 00:19:13,120

have examples of other states to point

565

00:19:17,590 --> 00:19:15,440

to like texas and florida so if that

566

00:19:19,510 --> 00:19:17,600

goes away god help us

567

00:19:22,470 --> 00:19:19,520

yeah and look how close florida was to

568

00:19:24,870 --> 00:19:22,480

having an andrew gillum as their

569

00:19:27,510 --> 00:19:24,880

governor uh you know ron desantis didn't

570

00:19:29,190 --> 00:19:27,520

win by a huge margin and we know from

571

00:19:31,110 --> 00:19:29,200

the things that came out about gillum

572

00:19:33,430 --> 00:19:31,120

shortly thereafter it would not have

573

00:19:35,029 --> 00:19:33,440

been a good uh leadership choice there

574

00:19:37,510 --> 00:19:35,039

so a lot of times people right now

575

00:19:39,350 --> 00:19:37,520

they're pointing to florida as as this

576

00:19:41,430 --> 00:19:39,360

big example but you know florida's in

577

00:19:44,150 --> 00:19:41,440

the doldrums as well of being very very

578

00:19:45,909 --> 00:19:44,160

divided ron desantis fortunately is a

579

00:19:48,230 --> 00:19:45,919

man of action and understands with his

580

00:19:50,470 --> 00:19:48,240

delegated authority comes a

581

00:19:52,230 --> 00:19:50,480

responsibility to not be a politician

582

00:19:53,830 --> 00:19:52,240

but to be a patriot and that's exactly

583

00:19:55,990 --> 00:19:53,840

what he's doing standing up for the

584

00:19:57,590 --> 00:19:56,000

folks that elected him to represent them

585

00:19:59,909 --> 00:19:57,600

you know in the state of texas you

586

00:20:02,310 --> 00:19:59,919

notice dc sort of has a target on our

587

00:20:04,390 --> 00:20:02,320

backs both texas and florida but

588

00:20:06,549 --> 00:20:04,400

specifically texas because you know new

589

00:20:08,390 --> 00:20:06,559

mexico arizona and california they have

590

00:20:10,950 --> 00:20:08,400

a southern border but if you turn on the

591

00:20:12,950 --> 00:20:10,960

news the focus is on south texas they

592

00:20:15,830 --> 00:20:12,960

really want texas to fall they want

593

00:20:17,909 --> 00:20:15,840

texas to become weak and and uh and just

594

00:20:19,750 --> 00:20:17,919

drive it into the ground you know i i

595

00:20:22,149 --> 00:20:19,760

talk about how you know i think that

596

00:20:24,070 --> 00:20:22,159

this is a controlled crash of america

597

00:20:26,390 --> 00:20:24,080

because the globalists really are kind

598

00:20:28,149 --> 00:20:26,400

of driving us into the ground we're

599

00:20:29,830 --> 00:20:28,159

seeing a crash of the economy the

600

00:20:31,750 --> 00:20:29,840

inflation's out of control we see our

601  
00:20:33,909 --> 00:20:31,760  
supply chain what's happening and they

602  
00:20:36,230 --> 00:20:33,919  
do this stuff unapologetically it's like

603  
00:20:38,149 --> 00:20:36,240  
they don't want to nosedive the plane

604  
00:20:39,830 --> 00:20:38,159  
they want to leave just enough value to

605  
00:20:42,390 --> 00:20:39,840  
hand it over to who who knows maybe the

606  
00:20:43,990 --> 00:20:42,400  
u.n to run this whole thing but you know

607  
00:20:45,990 --> 00:20:44,000  
i go back to barack obama who said he

608  
00:20:47,909 --> 00:20:46,000  
wanted a fundamental change of america

609  
00:20:49,990 --> 00:20:47,919  
and then the other day jin saki who

610  
00:20:51,909 --> 00:20:50,000  
mentioned joe biden and his fundamental

611  
00:20:53,909 --> 00:20:51,919  
change to the american economy i think

612  
00:20:55,750 --> 00:20:53,919  
we've had enough fundamental changes at

613  
00:20:57,350 --> 00:20:55,760

this point i think it's time we go back

614

00:20:59,110 --> 00:20:57,360

we want to fundamentally change let's

615

00:21:01,029 --> 00:20:59,120

fundamentally change back to our roots

616

00:21:03,590 --> 00:21:01,039

and the basis of our constitution and

617

00:21:06,310 --> 00:21:03,600

build from there yeah well you have my

618

00:21:07,909 --> 00:21:06,320

vote for governor chad um

619

00:21:09,830 --> 00:21:07,919

let's hit the book let's promote the

620

00:21:12,789 --> 00:21:09,840

book real quick before we run out of

621

00:21:14,870 --> 00:21:12,799

time am i crazy an unapologetic patriot

622

00:21:17,270 --> 00:21:14,880

takes on the insanity of today's woke

623

00:21:19,110 --> 00:21:17,280

world and what kind of struck me just

624

00:21:21,110 --> 00:21:19,120

kind of reading the description was

625

00:21:25,350 --> 00:21:21,120

apparently you've got a lot of

626  
00:21:28,470 --> 00:21:25,360  
uh advice or ideas for uh marriages and

627  
00:21:30,950 --> 00:21:28,480  
parenthood i have a three-month-old

628  
00:21:32,549 --> 00:21:30,960  
my first child by the way

629  
00:21:34,230 --> 00:21:32,559  
so what do you got to tell me what do i

630  
00:21:35,990 --> 00:21:34,240  
need to know about raising this child in

631  
00:21:37,750 --> 00:21:36,000  
today's activities i'll tell you you

632  
00:21:39,110 --> 00:21:37,760  
know and the whole thing is this you

633  
00:21:40,789 --> 00:21:39,120  
know i wrote this book from a humorous

634  
00:21:42,789 --> 00:21:40,799  
perspective i call it my common sense

635  
00:21:44,710 --> 00:21:42,799  
guide to the end of the world and in the

636  
00:21:46,630 --> 00:21:44,720  
woke mob the woke culture is attacking

637  
00:21:48,549 --> 00:21:46,640  
everything from politics to culture to

638  
00:21:49,830 --> 00:21:48,559

parenting and marriages and and

639

00:21:51,750 --> 00:21:49,840

everything that we've ever had is a

640

00:21:53,830 --> 00:21:51,760

traditional value and what i keep

641

00:21:55,909 --> 00:21:53,840

telling people and i've raised five kids

642

00:21:57,909 --> 00:21:55,919

and and they're all doing very well and

643

00:21:59,990 --> 00:21:57,919

and they're great kids huge sense of

644

00:22:01,430 --> 00:22:00,000

identity and i i always say make sure

645

00:22:03,270 --> 00:22:01,440

that we give our kids a sense of

646

00:22:05,190 --> 00:22:03,280

identity because the schools aren't

647

00:22:06,310 --> 00:22:05,200

going to do it woke culture's not going

648

00:22:07,669 --> 00:22:06,320

to do it that's why we have people who

649

00:22:09,430 --> 00:22:07,679

can't figure out their pronouns and

650

00:22:11,510 --> 00:22:09,440

their genders and all these various

651  
00:22:13,270 --> 00:22:11,520  
other identifiers that are out there and

652  
00:22:14,549 --> 00:22:13,280  
if we teach them who they are and we

653  
00:22:16,710 --> 00:22:14,559  
send them out into the world with a

654  
00:22:18,950 --> 00:22:16,720  
sense not only of identity and destiny

655  
00:22:20,630 --> 00:22:18,960  
so that they can leave a legacy uh you

656  
00:22:22,549 --> 00:22:20,640  
know i think that we can turn this this

657  
00:22:24,310 --> 00:22:22,559  
ship around and so i try to take a

658  
00:22:26,230 --> 00:22:24,320  
humorous look at these things like i've

659  
00:22:27,510 --> 00:22:26,240  
got a chapter in there called yes i beat

660  
00:22:29,750 --> 00:22:27,520  
my kids

661  
00:22:31,590 --> 00:22:29,760  
and i've had the woke mom come after me

662  
00:22:33,750 --> 00:22:31,600  
for just that title the whole book or a

663  
00:22:35,430 --> 00:22:33,760

whole chapter rather is about when they

664

00:22:36,950 --> 00:22:35,440

were growing up we played chess i

665

00:22:38,870 --> 00:22:36,960

wouldn't let them win if we played

666

00:22:41,270 --> 00:22:38,880

checkers i didn't let them win they had

667

00:22:43,190 --> 00:22:41,280

to beat me and so yeah i painted the

668

00:22:44,630 --> 00:22:43,200

walls with the blood of their knights

669

00:22:45,830 --> 00:22:44,640

and their pawns and they learned from

670

00:22:48,310 --> 00:22:45,840

that you know because i don't believe in

671

00:22:51,350 --> 00:22:48,320

participation trophies and just letting

672

00:22:53,990 --> 00:22:51,360

you win i wanted you to earn it and so

673

00:22:55,350 --> 00:22:54,000

you know i see that now uh replicated

674

00:22:57,590 --> 00:22:55,360

over and over again in the

675

00:22:59,830 --> 00:22:57,600

accomplishments that my kids are

676

00:23:02,470 --> 00:22:59,840

doing out there in the world today is so

677

00:23:04,310 --> 00:23:02,480

yeah best of luck best wishes and god's

678

00:23:06,070 --> 00:23:04,320

grace but yeah man teach them who they

679

00:23:08,070 --> 00:23:06,080

are and turn them loose

680

00:23:10,310 --> 00:23:08,080

yeah no i i do think the breakdown of

681

00:23:11,990 --> 00:23:10,320

the american family generally is really

682

00:23:13,990 --> 00:23:12,000

one of america's biggest problems and

683

00:23:16,230 --> 00:23:14,000

the the art of parenting and

684

00:23:17,909 --> 00:23:16,240

and and how important parenting

685

00:23:19,430 --> 00:23:17,919

is and having two

686

00:23:21,590 --> 00:23:19,440

loving parents at home what i always

687

00:23:22,789 --> 00:23:21,600

like to say is when you talk about

688

00:23:37,750 --> 00:23:22,799

privilege

689

00:23:39,669 --> 00:23:37,760

children yeah that's exactly right and

690

00:23:42,230 --> 00:23:39,679

we do and i unapologetically say we need

691

00:23:43,830 --> 00:23:42,240

men to be men women to be women uh and

692

00:23:45,029 --> 00:23:43,840

we need to be unapologetic about that

693

00:23:46,710 --> 00:23:45,039

there's certain things that men and

694

00:23:49,430 --> 00:23:46,720

women bring to the table that the other

695

00:23:51,029 --> 00:23:49,440

don't bring uh you know respectively and

696

00:23:52,149 --> 00:23:51,039

we've got to stop apologizing right now

697

00:23:53,990 --> 00:23:52,159

those those are the things that are

698

00:23:56,149 --> 00:23:54,000

under attack we see that firsthand and

699

00:23:57,510 --> 00:23:56,159

we gotta fight back for it yeah

700

00:23:58,710 --> 00:23:57,520

last thing since you're a comedian i'm

701  
00:24:00,470 --> 00:23:58,720  
just curious your thoughts about this

702  
00:24:02,390 --> 00:24:00,480  
whole dave chappelle

703  
00:24:03,909 --> 00:24:02,400  
situation and you know

704  
00:24:05,110 --> 00:24:03,919  
allowing comedians to be comedians i

705  
00:24:07,110 --> 00:24:05,120  
remember last time i went to the comedy

706  
00:24:09,590 --> 00:24:07,120  
store here in l.a it was a couple years

707  
00:24:11,269 --> 00:24:09,600  
ago and i was actually kind of shocked

708  
00:24:13,110 --> 00:24:11,279  
at what the comedians were saying it's

709  
00:24:15,350 --> 00:24:13,120  
like oh my gosh nobody says this kind of

710  
00:24:16,549 --> 00:24:15,360  
stuff anywhere in this woke culture but

711  
00:24:18,549 --> 00:24:16,559  
comedians are still saying it they're

712  
00:24:21,110 --> 00:24:18,559  
making fun of what culture you know and

713  
00:24:23,430 --> 00:24:21,120

bill maher is out there saying that hey

714

00:24:24,950 --> 00:24:23,440

you know we got to let

715

00:24:26,870 --> 00:24:24,960

comedians be comedians here and now

716

00:24:28,549 --> 00:24:26,880

chappelle's under attack so

717

00:24:30,710 --> 00:24:28,559

what do you say on behalf of

718

00:24:32,470 --> 00:24:30,720

the the comedy world

719

00:24:34,070 --> 00:24:32,480

you know i i always tell people to

720

00:24:36,630 --> 00:24:34,080

remind them the two places that should

721

00:24:39,830 --> 00:24:36,640

be the most offensive if you will uh can

722

00:24:41,430 --> 00:24:39,840

cause some introspection and and uh you

723

00:24:43,269 --> 00:24:41,440

know you to kind of look at yourself in

724

00:24:45,510 --> 00:24:43,279

a different way one is the church pulpit

725

00:24:47,269 --> 00:24:45,520

and another is the comedy stage uh they

726

00:24:49,350 --> 00:24:47,279

should be offensive uh they should tell

727

00:24:50,789 --> 00:24:49,360

the truth and they should be you know

728

00:24:53,110 --> 00:24:50,799

when it comes to comedy mocking and

729

00:24:54,470 --> 00:24:53,120

ridicule is in the job description uh

730

00:24:56,149 --> 00:24:54,480

and we should be able to go in there and

731

00:24:57,909 --> 00:24:56,159

be made to feel uncomfortable that's why

732

00:24:59,750 --> 00:24:57,919

i always say you know i make fun of

733

00:25:01,909 --> 00:24:59,760

myself uh but i don't care if you're gay

734

00:25:03,029 --> 00:25:01,919

straight black white fat skinny trans i

735

00:25:04,870 --> 00:25:03,039

don't care what you are i'm gonna make

736

00:25:06,549 --> 00:25:04,880

fun of you because that's what we get to

737

00:25:08,950 --> 00:25:06,559

do right we get to tell jokes and

738

00:25:11,110 --> 00:25:08,960

somebody has to be the punchline but uh

739

00:25:13,110 --> 00:25:11,120

i love that that dave is at least coming

740

00:25:14,870 --> 00:25:13,120

back and saying i'm not apologizing and

741

00:25:17,990 --> 00:25:14,880

if this is cancelled culture give me

742

00:25:20,230 --> 00:25:18,000

more of it uh and and bill maher who

743

00:25:22,390 --> 00:25:20,240

these days makes a way more sense than i

744

00:25:24,230 --> 00:25:22,400

want to give him credit for but he does

745

00:25:25,909 --> 00:25:24,240

and they they come out and say look man

746

00:25:27,909 --> 00:25:25,919

if you if it's something that you're

747

00:25:30,149 --> 00:25:27,919

going to get offended by well in a world

748

00:25:32,390 --> 00:25:30,159

of comedy like that's what you should be

749

00:25:34,230 --> 00:25:32,400

making fun of you know i remember steve

750

00:25:36,230 --> 00:25:34,240

harvey saying you know it's hard to be a

751  
00:25:38,950 --> 00:25:36,240  
comedian because when a tragedy happens

752  
00:25:40,950 --> 00:25:38,960  
like we have the jokes written that day

753  
00:25:42,230 --> 00:25:40,960  
and so like it's there's like never a

754  
00:25:44,470 --> 00:25:42,240  
time limit you know we talk about oh is

755  
00:25:46,630 --> 00:25:44,480  
it too soon no like in the world of

756  
00:25:48,230 --> 00:25:46,640  
comedy it's not you know let's go get

757  
00:25:49,990 --> 00:25:48,240  
them uh but people can't

758  
00:25:51,190 --> 00:25:50,000  
compartmentalize that and let me go back

759  
00:25:52,630 --> 00:25:51,200  
you know that's where that identity

760  
00:25:54,950 --> 00:25:52,640  
thing comes in if you know who you are

761  
00:25:56,789 --> 00:25:54,960  
you're not so easily offended right and

762  
00:25:58,630 --> 00:25:56,799  
you're not so quick to be victimized or

763  
00:26:00,870 --> 00:25:58,640

to at least feel like you are right so

764

00:26:02,630 --> 00:26:00,880

we got to quit all this nonsense and uh

765

00:26:04,230 --> 00:26:02,640

and so it's crazy what's happening you

766

00:26:07,190 --> 00:26:04,240

know i think dave's going to experience

767

00:26:08,870 --> 00:26:07,200

more and more success uh financially and

768

00:26:10,310 --> 00:26:08,880

in terms of getting a whole garnering a

769

00:26:12,710 --> 00:26:10,320

whole new audience what he does with it

770

00:26:15,190 --> 00:26:12,720

from here on out is up to him in that

771

00:26:16,549 --> 00:26:15,200

regard but yeah free speech has a place

772

00:26:18,149 --> 00:26:16,559

there's a lot of comedians out there

773

00:26:19,350 --> 00:26:18,159

that that are my friends that i don't

774

00:26:23,110 --> 00:26:19,360

agree with

775

00:26:24,789 --> 00:26:23,120

politic politics or their viewpoints but

776

00:26:25,990 --> 00:26:24,799

damn they make me laugh

777

00:26:27,909 --> 00:26:26,000

and that's okay

778

00:26:29,669 --> 00:26:27,919

yeah yeah check out his interview if you

779

00:26:31,830 --> 00:26:29,679

haven't seen it with david letterman the

780

00:26:33,510 --> 00:26:31,840

letterman interviews he does on netflix

781

00:26:34,710 --> 00:26:33,520

chappelle uh

782

00:26:36,310 --> 00:26:34,720

letterman interviews chappelle he

783

00:26:38,470 --> 00:26:36,320

explains why he left the chappelle show

784

00:26:40,710 --> 00:26:38,480

which was really interesting kind of

785

00:26:42,310 --> 00:26:40,720

plays into all this

786

00:26:43,590 --> 00:26:42,320

anyway all right my friend well i think
