

**HIDDEN TRUTH SHOW
WITH JIM BRESLO**

MINDY ROBINSON

**NEW DOC: "UNCOVERING THE
COVER-UP OF THE VEGAS MASS
SHOOTING"**

1
00:00:03,590 --> 00:00:01,829
i agree with you look i know that

2
00:00:04,710 --> 00:00:03,600
there's there's good evidence of

3
00:00:06,710 --> 00:00:04,720
multiple

4
00:00:07,590 --> 00:00:06,720
shooters and we we covered that on our

5
00:00:09,350 --> 00:00:07,600
show

6
00:00:12,870 --> 00:00:09,360
you know you do have the issue of fog of

7
00:00:15,190 --> 00:00:12,880
war you know people in a crazy situation

8
00:00:16,550 --> 00:00:15,200
there's going to be lots of reports of

9
00:00:18,310 --> 00:00:16,560
different things that are going to turn

10
00:00:20,710 --> 00:00:18,320
out to later be

11
00:00:21,990 --> 00:00:20,720
inaccurate or misperceived you do have

12
00:00:24,150 --> 00:00:22,000
as we talked about

13
00:00:26,870 --> 00:00:24,160

not a great investigation at all

14

00:00:29,269 --> 00:00:26,880

by the vegas police but but i would jump

15

00:00:30,710 --> 00:00:29,279

to okay let's assume

16

00:00:33,030 --> 00:00:30,720

there were multiple

17

00:00:37,030 --> 00:00:33,040

shooters you got to then package that

18

00:00:38,790 --> 00:00:37,040

into some theory here as to what really

19

00:00:39,590 --> 00:00:38,800

happened because otherwise you've just

20

00:00:41,430 --> 00:00:39,600

got

21

00:00:43,110 --> 00:00:41,440

some tidbits of information that seemed

22

00:00:45,830 --> 00:00:43,120

to conflict with each other and so on

23

00:00:47,910 --> 00:00:45,840

but have you and i you know i watched

24

00:00:48,950 --> 00:00:47,920

the first half hour of your documentary

25

00:00:50,790 --> 00:00:48,960

unfortunately i

26

00:00:51,590 --> 00:00:50,800

didn't watch the whole thing but i will

27

00:00:53,189 --> 00:00:51,600

but

28

00:00:55,110 --> 00:00:53,199

do you get to that in the documentary i

29

00:00:57,590 --> 00:00:55,120

mean ultimately

30

00:00:59,189 --> 00:00:57,600

what is your conclusion about what

31

00:01:01,510 --> 00:00:59,199

really happened

32

00:01:04,070 --> 00:01:01,520

well one thing to keep in mind is

33

00:01:05,990 --> 00:01:04,080

yes there's a fog of war thing but most

34

00:01:07,990 --> 00:01:06,000

of the 911 calls and there are hundreds

35

00:01:09,270 --> 00:01:08,000

collab collaborate each other you know

36

00:01:10,710 --> 00:01:09,280

you'll hear a call about hearing

37

00:01:12,469 --> 00:01:10,720

gunshots and then someone calls one

38

00:01:14,390 --> 00:01:12,479

minute later seeing a gunman and then

39

00:01:16,070 --> 00:01:14,400

someone calls about running from a gun

40

00:01:17,429 --> 00:01:16,080

and they were all corroborating each

41

00:01:19,030 --> 00:01:17,439

other so i think that's important to

42

00:01:21,429 --> 00:01:19,040

detail they're not all random some are

43

00:01:23,190 --> 00:01:21,439

crazy but you know so that's one thing

44

00:01:24,390 --> 00:01:23,200

and then toward the end i knew people

45

00:01:26,390 --> 00:01:24,400

were going to ask me i want people to

46

00:01:27,510 --> 00:01:26,400

come to their own conclusions but i know

47

00:01:28,630 --> 00:01:27,520

i'm going to get asked because i spent

48

00:01:31,510 --> 00:01:28,640

so much time on it what do i think

49

00:01:33,270 --> 00:01:31,520

happen and while i can't prove exactly

50

00:01:35,590 --> 00:01:33,280

what they were going for

51
00:01:37,749 --> 00:01:35,600
i can prove that the fbi covered it up

52
00:01:39,510 --> 00:01:37,759
pretty poorly

53
00:01:41,190 --> 00:01:39,520
in fact which is why i mean when have

54
00:01:43,270 --> 00:01:41,200
you ever seen a tragedy

55
00:01:45,030 --> 00:01:43,280
drop from the news after two weeks they

56
00:01:46,310 --> 00:01:45,040
milk that stuff especially if there's a

57
00:01:48,550 --> 00:01:46,320
chance that they can get gun rights and

58
00:01:49,910 --> 00:01:48,560
i think that was one of the focuses

59
00:01:52,789 --> 00:01:49,920
there was something going on with the

60
00:01:54,389 --> 00:01:52,799
saudis i don't know i would need my

61
00:01:55,590 --> 00:01:54,399
four-year request i would need more

62
00:01:56,950 --> 00:01:55,600
information to come to that conclusion

63
00:01:58,550 --> 00:01:56,960

all i can prove is that the fbi covered

64

00:02:00,389 --> 00:01:58,560

it up and they were going for all our

65

00:02:02,310 --> 00:02:00,399

gun rights they

66

00:02:03,590 --> 00:02:02,320

kept bringing up bump stocks bomb stocks

67

00:02:04,789 --> 00:02:03,600

but which if you're a second amendment

68

00:02:06,310 --> 00:02:04,799

supporter like i don't own them i

69

00:02:07,910 --> 00:02:06,320

wouldn't even use them why are they so

70

00:02:09,669 --> 00:02:07,920

obsessed with this and i think they

71

00:02:11,350 --> 00:02:09,679

wanted to make a point that all

72

00:02:13,350 --> 00:02:11,360

semi-automatic weapons look at what they

73

00:02:14,229 --> 00:02:13,360

can do they can turn into automatic so

74

00:02:16,790 --> 00:02:14,239

we have to get rid of the

75

00:02:18,630 --> 00:02:16,800

semi-automatics too which they have

76

00:02:19,990 --> 00:02:18,640

around before

77

00:02:22,620 --> 00:02:20,000

especially around

78

00:02:27,110 --> 00:02:22,630

that time

79

00:02:29,510 --> 00:02:28,150

we're going to give up their rights

80

00:02:31,750 --> 00:02:29,520

we're going to do whatever he did go oh

81

00:02:33,430 --> 00:02:31,760

god oh no please take away my rights and

82

00:02:34,790 --> 00:02:33,440

protect me god didn't happen it wasn't

83

00:02:36,630 --> 00:02:34,800

going to happen

84

00:02:38,070 --> 00:02:36,640

and and i think

85

00:02:39,990 --> 00:02:38,080

they lost there and because there were

86

00:02:41,430 --> 00:02:40,000

so many holes in this forced to drop it

87

00:02:43,350 --> 00:02:41,440

from the news cycle before people

88

00:02:45,589 --> 00:02:43,360

figured out how badly they were lying

89

00:02:47,110 --> 00:02:45,599

about everything i mean the three women

90

00:02:52,229 --> 00:02:47,120

there were three women as lauren lima

91

00:02:57,509 --> 00:02:54,309

no interviews you got the australian guy

92

00:02:59,270 --> 00:02:57,519

who now highlighted again um

93

00:03:01,270 --> 00:02:59,280

that new stuff before it was released

94

00:03:02,470 --> 00:03:01,280

how to do that so the only way we're

95

00:03:04,550 --> 00:03:02,480

going to get answers if the people get

96

00:03:05,990 --> 00:03:04,560

mad and demand them and and that is one

97

00:03:07,750 --> 00:03:06,000

thing joey gilbert who's running against

98

00:03:09,190 --> 00:03:07,760

lombardo he promised to reopen the case

99

00:03:11,270 --> 00:03:09,200

and i'm like you have no idea what that

100

00:03:12,869 --> 00:03:11,280

that means to las vegas you know this is

101

00:03:14,309 --> 00:03:12,879

the most surveilled city in the world

102

00:03:15,509 --> 00:03:14,319

and yet we don't have any real footage

103

00:03:17,830 --> 00:03:15,519

we just have people's cell phones and

104

00:03:18,550 --> 00:03:17,840

body cam footage we had to sue for even

105

00:03:20,149 --> 00:03:18,560

though we're not supposed to we're

106

00:03:21,350 --> 00:03:20,159

supposed to just ask but it took a year

107

00:03:22,869 --> 00:03:21,360

all the way to the federal supreme court

108

00:03:24,550 --> 00:03:22,879

here to get that footage and now now we

109

00:03:26,149 --> 00:03:24,560

know why why were cops told to put off

110

00:03:28,550 --> 00:03:26,159

their cameras why are they eating on a

111

00:03:29,830 --> 00:03:28,560

sat why are hard hard drives walking off

112

00:03:31,750 --> 00:03:29,840

why aren't people getting interviewed

113

00:03:33,430 --> 00:03:31,760

that were registered to the room why

114

00:03:35,270 --> 00:03:33,440

didn't anyone even bring about all this

115

00:03:38,070 --> 00:03:35,280

other evidence and gun casings and

116

00:03:40,309 --> 00:03:38,080

witnesses and shooting caught you know

117

00:03:42,710 --> 00:03:40,319

on there's nine different cop body camp

118

00:03:43,910 --> 00:03:42,720

cams uh columns i mean some of it was

119

00:03:46,550 --> 00:03:43,920

camera some of it was just i'm hearing

120

00:03:48,309 --> 00:03:46,560

over the radio of automatic gunfire at

121

00:03:49,430 --> 00:03:48,319

belgium at midnight how do you explain

122

00:03:51,910 --> 00:03:49,440

that

123

00:03:53,830 --> 00:03:51,920

you know we could solve this

124

00:03:56,470 --> 00:03:53,840

if they would allow us to but they're

125

00:03:58,550 --> 00:03:56,480

hiding it and that tells me man

126
00:04:01,030 --> 00:03:58,560
they messed up whatever they were doing

127
00:04:02,390 --> 00:04:01,040
did not go the way they want and they're

128
00:04:04,070 --> 00:04:02,400
covering it up or this was the plan all

129
00:04:06,149 --> 00:04:04,080
along to do a false flag which is

130
00:04:08,869 --> 00:04:06,159
nothing new to this government

131
00:04:11,030 --> 00:04:08,879
definitely nothing new to the fbi

132
00:04:13,429 --> 00:04:11,040
and what would walk me through the false

133
00:04:16,069 --> 00:04:13,439
flag theory

134
00:04:17,990 --> 00:04:16,079
what what walk me through the false flag

135
00:04:19,590 --> 00:04:18,000
theory in other words what what who

136
00:04:20,870 --> 00:04:19,600
would have been behind it and what would

137
00:04:22,550 --> 00:04:20,880
have been their

138
00:04:24,469 --> 00:04:22,560

uh motivation

139

00:04:25,990 --> 00:04:24,479

what's weird is that as being someone

140

00:04:28,150 --> 00:04:26,000

that's looked at everything i could get

141

00:04:30,390 --> 00:04:28,160

my hands on there seems to be an isis

142

00:04:32,629 --> 00:04:30,400

element there seems to be an antifa

143

00:04:34,550 --> 00:04:32,639

element and there seems to be an fbi

144

00:04:35,990 --> 00:04:34,560

element who else can hide before

145

00:04:37,510 --> 00:04:36,000

helicopters

146

00:04:38,870 --> 00:04:37,520

i mean if the government wanted to solve

147

00:04:41,189 --> 00:04:38,880

who was flying those and what was going

148

00:04:42,550 --> 00:04:41,199

on because if people don't know

149

00:04:44,469 --> 00:04:42,560

three helicopters turned off their

150

00:04:46,150 --> 00:04:44,479

transponders before the shooting right

151
00:04:48,150 --> 00:04:46,160
before the shooting they don't go on

152
00:04:49,590 --> 00:04:48,160
until the minute the shooting ends and

153
00:04:50,950 --> 00:04:49,600
no one can tell us what the hell they

154
00:04:52,550 --> 00:04:50,960
were doing they're clearly flying around

155
00:04:53,909 --> 00:04:52,560
they're on all kinds of videos people

156
00:04:55,670 --> 00:04:53,919
saw them people thought they were

157
00:04:57,990 --> 00:04:55,680
getting shot at from them because it

158
00:04:59,110 --> 00:04:58,000
just sounded so crazy that day uh i

159
00:05:00,230 --> 00:04:59,120
would just like to see those interviews

160
00:05:01,749 --> 00:05:00,240
with those pilots and what they were

161
00:05:03,590 --> 00:05:01,759
doing why does it look like they were

162
00:05:05,350 --> 00:05:03,600
landing on roofs and stuff what were

163
00:05:07,270 --> 00:05:05,360

they doing how did they know to put

164

00:05:08,950 --> 00:05:07,280

their transponders off before the

165

00:05:10,629 --> 00:05:08,960

terrorist attack that sounds like they

166

00:05:12,550 --> 00:05:10,639

had some kind of info what about the

167

00:05:14,390 --> 00:05:12,560

hispanic woman that told everybody they

168

00:05:15,749 --> 00:05:14,400

were going to die 45 minutes in front of

169

00:05:17,990 --> 00:05:15,759

the stage how to get carried off by

170

00:05:19,590 --> 00:05:18,000

security how about the guy that many

171

00:05:21,909 --> 00:05:19,600

people saw lighting firecrackers and

172

00:05:23,270 --> 00:05:21,919

poppers which you know could have a

173

00:05:24,230 --> 00:05:23,280

fault sense of security oh don't worry

174

00:05:25,909 --> 00:05:24,240

they're firecrackers when they're

175

00:05:28,469 --> 00:05:25,919

getting shot at or gauging the win for

176

00:05:30,790 --> 00:05:28,479

snipers you had head shots i i had a

177

00:05:32,790 --> 00:05:30,800

look at every autopsy 19 autopsies

178

00:05:34,390 --> 00:05:32,800

straight parallel wounds i get a

179

00:05:37,029 --> 00:05:34,400

ricochet off here and there but how do

180

00:05:38,790 --> 00:05:37,039

people get shot straight on looking at

181

00:05:40,710 --> 00:05:38,800

the stage not people running or hiding i

182

00:05:42,310 --> 00:05:40,720

only counted the people at the stage

183

00:05:44,469 --> 00:05:42,320

there's a whole grouping things don't

184

00:05:47,189 --> 00:05:44,479

make sense i want answers and until

185

00:05:49,510 --> 00:05:47,199

people get angry at lombardo at the lvpd

186

00:05:51,270 --> 00:05:49,520

and at the fbi who's already been caught

187

00:05:54,790 --> 00:05:51,280

doing how many other false flags between

188

00:05:56,070 --> 00:05:54,800

the whitmer kidnapping january 6th why

189

00:05:57,590 --> 00:05:56,080

do they have their finger in all this

190

00:05:59,270 --> 00:05:57,600

stuff i i get it it's a great way to

191

00:06:00,790 --> 00:05:59,280

take away people's rights and increase

192

00:06:03,350 --> 00:06:00,800

government power but i really don't want

193

00:06:05,670 --> 00:06:03,360

to be shot at by my own government

194

00:06:07,590 --> 00:06:05,680

fair enough what about what do you make

195

00:06:09,029 --> 00:06:07,600

of paddock because

196

00:06:10,870 --> 00:06:09,039

you know we interviewed his we're the

197

00:06:12,870 --> 00:06:10,880

first to interview his brother so we we

198

00:06:15,430 --> 00:06:12,880

we did a lot of investigating on paddock

199

00:06:18,070 --> 00:06:15,440

his his upbringing his background his

200

00:06:21,749 --> 00:06:18,080

mental health his financial situation

201
00:06:24,150 --> 00:06:21,759
his girlfriend situation and um you know

202
00:06:26,390 --> 00:06:24,160
a lot of that does seem to point to a

203
00:06:28,710 --> 00:06:26,400
murder suicide murder suicide is a very

204
00:06:29,510 --> 00:06:28,720
common way of people going out they kill

205
00:06:31,270 --> 00:06:29,520
their

206
00:06:32,790 --> 00:06:31,280
wife and children and then and then kill

207
00:06:34,550 --> 00:06:32,800
themselves or they kill their girlfriend

208
00:06:36,150 --> 00:06:34,560
and then they kill themselves and you

209
00:06:37,990 --> 00:06:36,160
know this guy

210
00:06:40,710 --> 00:06:38,000
killed uh

211
00:06:42,550 --> 00:06:40,720
i forget the number now it was a 59

212
00:06:45,430 --> 00:06:42,560
50 58 people

213
00:06:49,670 --> 00:06:45,440

um and then killed himself um you know

214

00:06:51,909 --> 00:06:49,680

my looking at that was you know he was

215

00:06:53,909 --> 00:06:51,919

down on his luck clearly in depression

216

00:06:55,909 --> 00:06:53,919

he did have psychological issues he had

217

00:06:58,070 --> 00:06:55,919

been prescribed i forget the medication

218

00:07:00,950 --> 00:06:58,080

that he had been prescribed before but

219

00:07:03,830 --> 00:07:00,960

you know he seemed to be a bit autistic

220

00:07:06,150 --> 00:07:03,840

um definitely had some bizarre behaviors

221

00:07:08,150 --> 00:07:06,160

with the video poker but you know he

222

00:07:09,510 --> 00:07:08,160

lost his girlfriend he was losing money

223

00:07:12,150 --> 00:07:09,520

at the casino

224

00:07:15,029 --> 00:07:12,160

and he's spiraling down and he's going

225

00:07:17,430 --> 00:07:15,039

to go out in one big burst of glory and

226
00:07:18,390 --> 00:07:17,440
be the greatest mass shooter in american

227
00:07:21,510 --> 00:07:18,400
history

228
00:07:23,670 --> 00:07:21,520
um and then kill himself

229
00:07:25,830 --> 00:07:23,680
yeah that's not what i see when i look

230
00:07:28,309 --> 00:07:25,840
at everything um

231
00:07:30,629 --> 00:07:28,319
first off if paddock's goal was to be

232
00:07:32,550 --> 00:07:30,639
insane and murder as many people as he

233
00:07:34,390 --> 00:07:32,560
wanted at once

234
00:07:36,150 --> 00:07:34,400
and he's a millionaire why wouldn't he

235
00:07:37,830 --> 00:07:36,160
buy a belt fed you know use a belt-fed

236
00:07:40,550 --> 00:07:37,840
weapon why would you trust a bump stock

237
00:07:42,469 --> 00:07:40,560
they're awful why would he stop shooting

238
00:07:44,070 --> 00:07:42,479

for no reason

239

00:07:45,510 --> 00:07:44,080

and the cops don't even get to the door

240

00:07:47,990 --> 00:07:45,520

for an hour later if you're gonna go out

241

00:07:50,070 --> 00:07:48,000

you go out why did he pay his taxes on

242

00:07:51,830 --> 00:07:50,080

his winnings uh what i think happened

243

00:07:53,749 --> 00:07:51,840

was i think he was a spook i think he

244

00:07:56,550 --> 00:07:53,759

was working for the feds his last real

245

00:07:58,869 --> 00:07:56,560

job on paper was lockheed martin uh he

246

00:08:00,390 --> 00:07:58,879

barely has an online presence i mean

247

00:08:02,390 --> 00:08:00,400

they had that one picture with his eyes

248

00:08:03,510 --> 00:08:02,400

closed which is the main picture even

249

00:08:04,469 --> 00:08:03,520

though they had his license sitting

250

00:08:06,950 --> 00:08:04,479

there it's like they didn't want people

251

00:08:09,430 --> 00:08:06,960

to recognize him uh he had a pilot's

252

00:08:10,710 --> 00:08:09,440

license uh and my thing was i think he

253

00:08:12,629 --> 00:08:10,720

was working for the feds i think he was

254

00:08:14,629 --> 00:08:12,639

setting up this deal to hopefully stop

255

00:08:17,110 --> 00:08:14,639

terrorists hopefully hopefully he was at

256

00:08:19,350 --> 00:08:17,120

least doing that um isis thought he was

257

00:08:20,790 --> 00:08:19,360

one of them they said on their official

258

00:08:22,629 --> 00:08:20,800

channels oh no he's one of us but i'm

259

00:08:24,309 --> 00:08:22,639

like if he had to sell guns to the

260

00:08:26,950 --> 00:08:24,319

saudis or something like that that's the

261

00:08:28,469 --> 00:08:26,960

story he would tell them you know and

262

00:08:30,710 --> 00:08:28,479

and i don't know if he shot anyone it

263

00:08:31,909 --> 00:08:30,720

doesn't make doesn't make any sense i

264

00:08:33,909 --> 00:08:31,919

think he was dead before anything

265

00:08:35,750 --> 00:08:33,919

happened or died halfway through or

266

00:08:37,269 --> 00:08:35,760

something there's no way he's shooting

267

00:08:40,469 --> 00:08:37,279

in one room

268

00:08:42,149 --> 00:08:40,479

or from the inside magically transports

269

00:08:43,909 --> 00:08:42,159

to the other room and he's dead on the

270

00:08:45,910 --> 00:08:43,919

floor that's not possible in a

271

00:08:47,030 --> 00:08:45,920

one-person scenario there's so much and

272

00:08:47,990 --> 00:08:47,040

i pray you watch the rest of the

273

00:08:50,630 --> 00:08:48,000

documentary because you're going to get

274

00:08:52,790 --> 00:08:50,640

mad at a lot of parts but i was yeah it

275

00:08:54,470 --> 00:08:52,800

just doesn't add up that he would do it

276

00:08:56,230 --> 00:08:54,480

like this it makes more sense it was a

277

00:08:58,389 --> 00:08:56,240

bad terrorist plot that the government

278

00:08:59,590 --> 00:08:58,399

either screwed up or let happen to gain

279

00:09:01,269 --> 00:08:59,600

something from it kind of like the

280

00:09:03,269 --> 00:09:01,279

boston bombing if anyone's familiar with

281

00:09:04,790 --> 00:09:03,279

that that's a mess that's a real hot

282

00:09:06,870 --> 00:09:04,800

bass

283

00:09:08,949 --> 00:09:06,880

well you know we do know isis claimed

284

00:09:10,710 --> 00:09:08,959

responsibility for it and in fact did it

285

00:09:12,230 --> 00:09:10,720

twice and we covered that quite a bit

286

00:09:14,070 --> 00:09:12,240

the fact that uh

287

00:09:15,430 --> 00:09:14,080

if if isis wasn't a part of it it would

288

00:09:17,990 --> 00:09:15,440

have been the first time that isis had

289

00:09:18,630 --> 00:09:18,000

claimed responsibility for something in

290

00:09:24,070 --> 00:09:18,640

it

291

00:09:26,470 --> 00:09:25,829

that doesn't often happen

292

00:09:29,750 --> 00:09:26,480

and

293

00:09:32,230 --> 00:09:29,760

oh can you hear me yeah go ahead

294

00:09:33,430 --> 00:09:32,240

it's just kind of delayed i'll try to

295

00:09:34,310 --> 00:09:33,440

talk slower

296

00:09:36,550 --> 00:09:34,320

um

297

00:09:38,630 --> 00:09:36,560

i i feel like he just told he that was

298

00:09:40,310 --> 00:09:38,640

his cover that he converted and he was a

299

00:09:41,910 --> 00:09:40,320

terrorist and that's how

300

00:09:43,430 --> 00:09:41,920

this whole thing was going to work that

301
00:09:45,509 --> 00:09:43,440
makes more sense he doesn't scream

302
00:09:47,350 --> 00:09:45,519
islamic terrorists to me uh when you

303
00:09:49,110 --> 00:09:47,360
watch his actions i think the whole

304
00:09:50,949 --> 00:09:49,120
gambling was just money laundering for

305
00:09:52,949 --> 00:09:50,959
illegal gun sales which seems to be the

306
00:09:54,790 --> 00:09:52,959
only thing uh other than real estate

307
00:09:56,470 --> 00:09:54,800
that he was doing and

308
00:09:58,310 --> 00:09:56,480
you know i have friends that are in the

309
00:09:59,990 --> 00:09:58,320
gun industry and they they'll tell you

310
00:10:01,750 --> 00:10:00,000
stories you will get approached by oh

311
00:10:03,670 --> 00:10:01,760
yeah just sell me this weapon under your

312
00:10:05,750 --> 00:10:03,680
name and we'll make it disappear and

313
00:10:07,030 --> 00:10:05,760

they're like nah nah no you know you're
