

**HIDDEN TRUTH SHOW
WITH JIM BRESLO**

JOHN O'NEILL

**JOHN O'NEILL: THE INSIDE STORY OF
UKRAINE BIOWEAPONS LABS**

1
00:00:04,470 --> 00:00:02,550
before we get to our interview with john

2
00:00:06,710 --> 00:00:04,480
just a reminder to rate and review the

3
00:00:10,070 --> 00:00:06,720
show on your podcast app and support us

4
00:00:12,709 --> 00:00:10,080
on patreon hidden truth show okay here's

5
00:00:14,709 --> 00:00:12,719
our interview with john o'neill so let's

6
00:00:17,269 --> 00:00:14,719
talk about the um

7
00:00:18,870 --> 00:00:17,279
the war in ukraine um i've been covering

8
00:00:20,950 --> 00:00:18,880
it for the show i also have a personal

9
00:00:23,830 --> 00:00:20,960
connection my wife's uh mother and

10
00:00:25,830 --> 00:00:23,840
grandmother are live in kiev so we we've

11
00:00:27,509 --> 00:00:25,840
been living it pretty personally here uh

12
00:00:29,910 --> 00:00:27,519
every day fortunately things are looking

13
00:00:32,229 --> 00:00:29,920

a little bit better but

14

00:00:33,990 --> 00:00:32,239

one thing i've been intrigued by that we

15

00:00:36,150 --> 00:00:34,000

haven't heard as much about of late but

16

00:00:38,389 --> 00:00:36,160

we heard about a lot of the outset

17

00:00:39,670 --> 00:00:38,399

was these bio

18

00:00:41,190 --> 00:00:39,680

labs

19

00:00:44,389 --> 00:00:41,200

in ukraine

20

00:00:47,750 --> 00:00:44,399

that are supposedly old soviet labs that

21

00:00:48,549 --> 00:00:47,760

the u.s has some relationship to has

22

00:00:49,830 --> 00:00:48,559

been

23

00:00:51,350 --> 00:00:49,840

funding or

24

00:00:53,110 --> 00:00:51,360

or what have you

25

00:00:56,389 --> 00:00:53,120

so tell me what you know about these

26
00:00:58,389 --> 00:00:56,399
labs all right you need to understand um

27
00:01:00,950 --> 00:00:58,399
sort of first where they came from

28
00:01:03,910 --> 00:01:00,960
uh joseph stalin began what are called

29
00:01:06,390 --> 00:01:03,920
literary killings literary killings were

30
00:01:09,350 --> 00:01:06,400
liquidations that looked like people

31
00:01:11,990 --> 00:01:09,360
were dying naturally he used anthrax and

32
00:01:13,830 --> 00:01:12,000
so like in our book pavlova died of

33
00:01:16,230 --> 00:01:13,840
pneumonia but it wasn't pneumonia it was

34
00:01:17,910 --> 00:01:16,240
anthrax and he killed a lot of people

35
00:01:19,670 --> 00:01:17,920
exactly like that

36
00:01:21,590 --> 00:01:19,680
well having killed people like that he

37
00:01:24,310 --> 00:01:21,600
decided to go on a big scale and he

38
00:01:26,390 --> 00:01:24,320

started bio-weapons laboratories in a

39

00:01:28,950 --> 00:01:26,400

number of locations one of them was in

40

00:01:30,870 --> 00:01:28,960

kiev uh another the big ones were in

41

00:01:32,870 --> 00:01:30,880

saratov and the soviet union and out in

42

00:01:35,350 --> 00:01:32,880

the urals and one

43

00:01:36,469 --> 00:01:35,360

poison lab in moscow itself called lab

44

00:01:43,590 --> 00:01:36,479

one

45

00:01:46,069 --> 00:01:43,600

1939 almost killed stalin stalin called

46

00:01:48,069 --> 00:01:46,079

the guy in from ceratop he was at the

47

00:01:50,069 --> 00:01:48,079

hotel in moscow

48

00:01:51,910 --> 00:01:50,079

and he started coughing and so they

49

00:01:54,149 --> 00:01:51,920

brought a doctor and the doctor said my

50

00:01:56,230 --> 00:01:54,159

god you've got mnemonic plague we

51
00:01:57,749 --> 00:01:56,240
haven't seen demonic plague in moscow in

52
00:01:59,830 --> 00:01:57,759
300 years

53
00:02:02,389 --> 00:01:59,840
and so they

54
00:02:03,749 --> 00:02:02,399
isolated him the people in contact with

55
00:02:05,990 --> 00:02:03,759
him all died

56
00:02:07,830 --> 00:02:06,000
and they closed the hotel down claimed

57
00:02:09,430 --> 00:02:07,840
it was a plumbing failure but it came

58
00:02:11,830 --> 00:02:09,440
with an hour or two of wiping out the

59
00:02:15,670 --> 00:02:11,840
whole leadership of the soviet union

60
00:02:18,229 --> 00:02:15,680
that was the first big league in 1972

61
00:02:19,030 --> 00:02:18,239
in kiev the city that your friends are

62
00:02:21,910 --> 00:02:19,040
in

63
00:02:24,229 --> 00:02:21,920

a bio lab operated by the soviet union

64

00:02:25,589 --> 00:02:24,239

by a war lab leaked into the sanitary

65

00:02:27,589 --> 00:02:25,599

water system

66

00:02:30,630 --> 00:02:27,599

into the rats and the sanitary water

67

00:02:34,070 --> 00:02:30,640

system leaked anthrax and produced a

68

00:02:37,030 --> 00:02:34,080

form of anthrax called anthrax 638

69

00:02:39,270 --> 00:02:37,040

through mutation which is uh is still

70

00:02:40,070 --> 00:02:39,280

used by the soviet union

71

00:02:43,589 --> 00:02:40,080

uh

72

00:02:46,630 --> 00:02:43,599

in 1979 in the urals at a cottonburg

73

00:02:49,670 --> 00:02:46,640

there was a disaster a genuine disaster

74

00:02:52,229 --> 00:02:49,680

a a plume of anthrax

75

00:02:54,150 --> 00:02:52,239

went a long way killed at least a

76

00:02:56,229 --> 00:02:54,160

thousand people

77

00:02:58,790 --> 00:02:56,239

the soviets at that time claimed it was

78

00:03:01,589 --> 00:02:58,800

due to tainted meat in a meat market

79

00:03:04,070 --> 00:03:01,599

they shot dogs and tried to butcher but

80

00:03:07,750 --> 00:03:04,080

it was an anthrax league at the same

81

00:03:09,830 --> 00:03:07,760

time there was a leak in china in 1977

82

00:03:12,229 --> 00:03:09,840

talking about for just a second about

83

00:03:14,550 --> 00:03:12,239

the ukraine because it's a terrible

84

00:03:16,710 --> 00:03:14,560

false flag story

85

00:03:18,470 --> 00:03:16,720

what really happened is when the soviet

86

00:03:20,470 --> 00:03:18,480

union collapsed

87

00:03:23,670 --> 00:03:20,480

the united states went in and provided

88

00:03:25,910 --> 00:03:23,680

money to both the both the ukraine and

89

00:03:28,630 --> 00:03:25,920

the soviet union to clean up these

90

00:03:30,710 --> 00:03:28,640

terrible bio-war labs and get rid of the

91

00:03:32,630 --> 00:03:30,720

contents of them understand

92

00:03:35,030 --> 00:03:32,640

they have smallpox

93

00:03:37,750 --> 00:03:35,040

the only smallpox on earth is in a

94

00:03:39,509 --> 00:03:37,760

soviet lab in a chinese lab they have

95

00:03:41,270 --> 00:03:39,519

other terrible deals so getting rid of

96

00:03:43,509 --> 00:03:41,280

them is no small

97

00:03:44,630 --> 00:03:43,519

item in the ukraine that's exactly what

98

00:03:46,550 --> 00:03:44,640

they did

99

00:03:48,949 --> 00:03:46,560

and they took the bio war labs that they

100

00:03:50,949 --> 00:03:48,959

had and turned them into bio labs now

101

00:03:52,710 --> 00:03:50,959

gym biolabs are a great thing that's

102

00:03:55,270 --> 00:03:52,720

where when when somebody takes your

103

00:03:57,670 --> 00:03:55,280

blood they analyze it there are 40 000

104

00:03:59,750 --> 00:03:57,680

bio labs in the united states what we

105

00:04:02,470 --> 00:03:59,760

don't have are bioware labs

106

00:04:05,270 --> 00:04:02,480

and so the biolabs in kiev and other

107

00:04:06,470 --> 00:04:05,280

places were all converted

108

00:04:08,949 --> 00:04:06,480

into

109

00:04:11,350 --> 00:04:08,959

normal biolabs used by pharmaceutical

110

00:04:13,270 --> 00:04:11,360

companies and used for testing

111

00:04:14,949 --> 00:04:13,280

in the soviet union

112

00:04:18,789 --> 00:04:14,959

according to the wall street journal in

113

00:04:20,469 --> 00:04:18,799

2000 2001 as soon as putin came in

114

00:04:22,790 --> 00:04:20,479

he took the money we were giving to

115

00:04:25,430 --> 00:04:22,800

clean them up and devoted it to buy

116

00:04:27,749 --> 00:04:25,440

weapons and so he re-energized their

117

00:04:29,430 --> 00:04:27,759

entire bioweapons program

118

00:04:31,990 --> 00:04:29,440

there's a good book by a man named

119

00:04:33,510 --> 00:04:32,000

kenneth albrecht a defector who tells

120

00:04:36,629 --> 00:04:33,520

you the story of this

121

00:04:38,710 --> 00:04:36,639

and the soviet union uh russia has the

122

00:04:40,950 --> 00:04:38,720

largest bioweapons program on earth

123

00:04:43,270 --> 00:04:40,960

right now china is number two they have

124

00:04:46,230 --> 00:04:43,280

14 bio weapons labs

125

00:04:48,629 --> 00:04:46,240

putin bragged in 2012 in the

126
00:04:50,550 --> 00:04:48,639
presidential debate about his bio

127
00:04:52,710 --> 00:04:50,560
weapons and he shut off all the

128
00:04:53,990 --> 00:04:52,720
inspections required

129
00:04:56,790 --> 00:04:54,000
under a treaty that everyone in the

130
00:04:58,790 --> 00:04:56,800
world signed in 1972

131
00:05:01,189 --> 00:04:58,800
in 2014

132
00:05:03,670 --> 00:05:01,199
and that's why people in the ukraine are

133
00:05:05,510 --> 00:05:03,680
afraid as they genuinely should be

134
00:05:07,909 --> 00:05:05,520
about the possibility of his use of

135
00:05:11,189 --> 00:05:07,919
chemical and biological war

136
00:05:13,749 --> 00:05:11,199
in miracle the marines have claimed as

137
00:05:17,670 --> 00:05:13,759
you know that the that the russians are

138
00:05:22,629 --> 00:05:20,550

when did the u.s stop funding um the

139

00:05:25,350 --> 00:05:22,639

cleanup of the labs in russia i'm

140

00:05:27,270 --> 00:05:25,360

curious as soon as we learned that the

141

00:05:28,150 --> 00:05:27,280

money had been diverted

142

00:05:31,830 --> 00:05:28,160

we

143

00:05:33,510 --> 00:05:31,840

2001.

144

00:05:36,469 --> 00:05:33,520

what happened is the guy that was

145

00:05:38,629 --> 00:05:36,479

supposedly in charge of the cleanup

146

00:05:40,390 --> 00:05:38,639

he became exposed it was a big article

147

00:05:42,469 --> 00:05:40,400

in the wall street journal and so putin

148

00:05:44,390 --> 00:05:42,479

announced he was firing him

149

00:05:46,150 --> 00:05:44,400

yes he fired him from being in charge of

150

00:05:48,790 --> 00:05:46,160

the cleanup and he placed him in charge

151
00:05:51,670 --> 00:05:48,800
of the entire pharmaceutical industry of

152
00:05:53,909 --> 00:05:51,680
russia that was how he was fired

153
00:05:55,749 --> 00:05:53,919
and he's still there right now uh you

154
00:05:58,790 --> 00:05:55,759
can look all about him he lives

155
00:06:02,150 --> 00:05:58,800
interestingly in czar village

156
00:06:04,390 --> 00:06:02,160
tsar village which is an interesting

157
00:06:05,830 --> 00:06:04,400
place isn't it for a for an official to

158
00:06:07,029 --> 00:06:05,840
live

159
00:06:11,510 --> 00:06:07,039
so

160
00:06:13,510 --> 00:06:11,520
it came up as a part of

161
00:06:15,189 --> 00:06:13,520
you know after the invasion and there

162
00:06:16,469 --> 00:06:15,199
was testimony and i forget the name of

163
00:06:18,950 --> 00:06:16,479

the woman you probably know who i'm

164

00:06:20,469 --> 00:06:18,960

talking about who said something to the

165

00:06:22,469 --> 00:06:20,479

effect of

166

00:06:23,830 --> 00:06:22,479

my god we got to protect these labs and

167

00:06:25,749 --> 00:06:23,840

make sure that putin doesn't get these

168

00:06:27,350 --> 00:06:25,759

labs but but

169

00:06:30,070 --> 00:06:27,360

why were we still concerned about labs

170

00:06:31,110 --> 00:06:30,080

in 2022 well it wasn't so much putin

171

00:06:32,550 --> 00:06:31,120

getting them

172

00:06:35,510 --> 00:06:32,560

with the

173

00:06:38,150 --> 00:06:35,520

integrity of the lab being opened up

174

00:06:40,870 --> 00:06:38,160

if i'm if i have a lab and i'm testing

175

00:06:43,029 --> 00:06:40,880

uh you to see if uh

176

00:06:46,150 --> 00:06:43,039

what types of covets you have

177

00:06:47,990 --> 00:06:46,160

or if you have covent or if you have

178

00:06:50,550 --> 00:06:48,000

a plague which is a disease that

179

00:06:53,510 --> 00:06:50,560

actually exists in in the you know in

180

00:06:56,550 --> 00:06:53,520

the eastern ukraine or other diseases i

181

00:06:58,950 --> 00:06:56,560

have samples in my lab of those if

182

00:07:01,110 --> 00:06:58,960

somebody goes and blows up the lab those

183

00:07:04,230 --> 00:07:01,120

samples are everywhere that's true of a

184

00:07:07,589 --> 00:07:04,240

normal lab uh and not not simply a a

185

00:07:10,550 --> 00:07:07,599

bio-weapons lab and so i think in a very

186

00:07:12,309 --> 00:07:10,560

inarticulate way she was expressing hey

187

00:07:13,510 --> 00:07:12,319

we don't want to have these labs all

188

00:07:16,390 --> 00:07:13,520

blown up

189

00:07:18,070 --> 00:07:16,400

okay so just to be clear these labs and

190

00:07:19,830 --> 00:07:18,080

by the way should we be using plural or

191

00:07:21,990 --> 00:07:19,840

singular was it just kiev or was there

192

00:07:23,430 --> 00:07:22,000

others as far as the former soviet

193

00:07:25,270 --> 00:07:23,440

weapons labs

194

00:07:27,189 --> 00:07:25,280

oh uh

195

00:07:30,390 --> 00:07:27,199

that i can't i can tell you for sure

196

00:07:33,350 --> 00:07:30,400

there was a soviet weapons lab in kiev

197

00:07:35,749 --> 00:07:33,360

when the soviet union dissolved because

198

00:07:37,749 --> 00:07:35,759

in that lab is famous

199

00:07:40,390 --> 00:07:37,759

it is not impossible there were other

200

00:07:42,469 --> 00:07:40,400

soviet bioweapons labs in the ukraine

201
00:07:44,469 --> 00:07:42,479
but i'm not knowledgeable about that and

202
00:07:46,469 --> 00:07:44,479
at what point would you say that that

203
00:07:48,790 --> 00:07:46,479
lab was cleaned up

204
00:07:52,029 --> 00:07:48,800
in the sense of the bio weapons were

205
00:07:55,350 --> 00:07:52,039
somehow removed and no longer a concern

206
00:07:57,589 --> 00:07:55,360
1991 through 1995

207
00:07:59,510 --> 00:07:57,599
that's when the big cleanup occurred in

208
00:08:01,990 --> 00:07:59,520
the ukraine um

209
00:08:03,749 --> 00:08:02,000
largely with u.s money at the very same

210
00:08:06,070 --> 00:08:03,759
time that the ukraine was surrendering

211
00:08:08,070 --> 00:08:06,080
all of its atomic the ukraine was had

212
00:08:10,629 --> 00:08:08,080
the third largest number of

213
00:08:13,270 --> 00:08:10,639

nuclear weapons on earth in at the time

214

00:08:15,670 --> 00:08:13,280

of the breakup and of course the ukraine

215

00:08:18,390 --> 00:08:15,680

in exchange for guarantees of its

216

00:08:20,150 --> 00:08:18,400

territorial integrity gave up all of its

217

00:08:21,510 --> 00:08:20,160

nuclear weapons

218

00:08:23,029 --> 00:08:21,520

yeah i mean we might we might want to

219

00:08:25,270 --> 00:08:23,039

revisit that because i you know that's

220

00:08:26,469 --> 00:08:25,280

not talked about enough

221

00:08:28,869 --> 00:08:26,479

but um

222

00:08:31,909 --> 00:08:28,879

one more question on the on the labs so

223

00:08:33,589 --> 00:08:31,919

why is the us still today

224

00:08:36,550 --> 00:08:33,599

if it is

225

00:08:38,870 --> 00:08:36,560

funding anything going on with bio labs

226

00:08:41,190 --> 00:08:38,880

in ukraine well i'm sure that there's

227

00:08:43,269 --> 00:08:41,200

all kinds of pharmaceutical experiments

228

00:08:45,430 --> 00:08:43,279

and so on occurring in the ukraine and

229

00:08:46,389 --> 00:08:45,440

everywhere else in the world

230

00:08:47,990 --> 00:08:46,399

um

231

00:08:50,630 --> 00:08:48,000

why would the nih

232

00:08:53,190 --> 00:08:50,640

have experiments in the ukraine i i'm

233

00:08:55,750 --> 00:08:53,200

not aware of what they are

234

00:08:58,150 --> 00:08:55,760

but they aren't nefarious weaponizing

235

00:09:00,310 --> 00:08:58,160

anything that our problem is not

236

00:09:02,150 --> 00:09:00,320

weaponizing anything our problem is

237

00:09:04,389 --> 00:09:02,160

we're completely defenseless on the

238

00:09:05,190 --> 00:09:04,399

other side hell we didn't even have mass

239

00:09:06,949 --> 00:09:05,200

jim

240

00:09:08,870 --> 00:09:06,959

you know we

241

00:09:11,829 --> 00:09:08,880

we don't even have the pharmacology to

242

00:09:14,150 --> 00:09:11,839

deal with uh you know with biowarfare

243

00:09:15,590 --> 00:09:14,160

we're essentially undefended outside of

244

00:09:17,910 --> 00:09:15,600

fort made

245

00:09:19,990 --> 00:09:17,920

what about this theory that gain of

246

00:09:21,990 --> 00:09:20,000

function research that's so

247

00:09:24,630 --> 00:09:22,000

controversial now because allegedly was

248

00:09:26,470 --> 00:09:24,640

going on in wuhan and fauci

249

00:09:27,990 --> 00:09:26,480

denied it or what have you

250

00:09:30,230 --> 00:09:28,000

some people speculating because that's

251
00:09:31,829 --> 00:09:30,240
not allowed in the u.s

252
00:09:33,670 --> 00:09:31,839
maybe the u.s is doing that in other

253
00:09:35,910 --> 00:09:33,680
places including ukraine

254
00:09:37,590 --> 00:09:35,920
well we there's no question to

255
00:09:39,910 --> 00:09:37,600
understand what it is

256
00:09:41,829 --> 00:09:39,920
if we take it in terms of the i'll call

257
00:09:44,630 --> 00:09:41,839
it a proton hook that's involved in

258
00:09:47,110 --> 00:09:44,640
covid19

259
00:09:49,030 --> 00:09:47,120
people in labs develop

260
00:09:50,389 --> 00:09:49,040
ways of making viruses much more

261
00:09:52,949 --> 00:09:50,399
communicable

262
00:09:55,269 --> 00:09:52,959
so if i'm in a lab and i have

263
00:09:58,150 --> 00:09:55,279

75 mice i'd like all the mice to get

264

00:09:59,990 --> 00:09:58,160

infected all at once right and if i

265

00:10:03,110 --> 00:10:00,000

if i don't consider the possibility of a

266

00:10:05,430 --> 00:10:03,120

leak that all sounds great

267

00:10:07,430 --> 00:10:05,440

that technology was developed a lot of

268

00:10:09,590 --> 00:10:07,440

it at the university of north carolina

269

00:10:11,190 --> 00:10:09,600

and it was sent to wuhan china to the

270

00:10:15,750 --> 00:10:11,200

lab at wuhan

271

00:10:18,550 --> 00:10:15,760

in 2015 we outlawed all gain of function

272

00:10:19,990 --> 00:10:18,560

uh research in the united states which

273

00:10:22,790 --> 00:10:20,000

can be done

274

00:10:24,630 --> 00:10:22,800

using a tool called the crispr tool

275

00:10:27,350 --> 00:10:24,640

and there is a lot of evidence that

276

00:10:30,310 --> 00:10:27,360

nonetheless the nih

277

00:10:32,870 --> 00:10:30,320

continued to do the research indirectly

278

00:10:34,710 --> 00:10:32,880

in wuhan china through funding

279

00:10:35,750 --> 00:10:34,720

other companies that went to wuhan with

280

00:10:36,630 --> 00:10:35,760

money

281

00:10:38,389 --> 00:10:36,640

um

282

00:10:41,110 --> 00:10:38,399

having said that i don't think that that

283

00:10:43,430 --> 00:10:41,120

was involved directly in the leak of the

284

00:10:45,829 --> 00:10:43,440

coven 19 virus

285

00:10:48,150 --> 00:10:45,839

i do think that the covet 19 virus

286

00:10:49,350 --> 00:10:48,160

leaked from wuhan from the military lab

287

00:10:51,590 --> 00:10:49,360

at wuhan

288

00:10:53,910 --> 00:10:51,600

um but i don't think our money was

289

00:10:55,990 --> 00:10:53,920
responsible for that happening

290

00:10:57,030 --> 00:10:56,000
well let's go ahead and stay on that for

291

00:10:59,430 --> 00:10:57,040
for a moment there because that's pretty

292

00:11:01,990 --> 00:10:59,440
controversial statement so you you call

293

00:11:04,310 --> 00:11:02,000
it a a military lab this is the one that

294

00:11:05,750 --> 00:11:04,320
everybody is talking about though yeah

295

00:11:07,030 --> 00:11:05,760
there's just a different lab than than

296

00:11:08,470 --> 00:11:07,040
most people have been talking about as

297

00:11:10,949 --> 00:11:08,480
far as a wuhan lab because i understand

298

00:11:12,870 --> 00:11:10,959
there's lots of labs on muhan has a

299

00:11:15,030 --> 00:11:12,880
whole bunch of labs it has the lab

300

00:11:16,630 --> 00:11:15,040
everybody's talked about the virology

301
00:11:18,470 --> 00:11:16,640
lab the reason they've talked about it

302
00:11:22,150 --> 00:11:18,480
is that a horseshoe bat

303
00:11:24,389 --> 00:11:22,160
was in that lab in 2015 and we know that

304
00:11:27,350 --> 00:11:24,399
the covid virus is most closely related

305
00:11:30,630 --> 00:11:27,360
in the world to a virus extracted and in

306
00:11:33,829 --> 00:11:30,640
that lab in wuhan there is a second lab

307
00:11:36,870 --> 00:11:33,839
in wuhan 2.8 miles away that is the

308
00:11:39,990 --> 00:11:36,880
wuhan military virology lab its job is

309
00:11:41,829 --> 00:11:40,000
to weaponize viruses it is one of 14

310
00:11:44,230 --> 00:11:41,839
such labs identified by the united

311
00:11:46,949 --> 00:11:44,240
states government in china it works

312
00:11:49,190 --> 00:11:46,959
closely with the wuhan lab

313
00:11:52,389 --> 00:11:49,200

i'm going to take just a second

314

00:11:55,110 --> 00:11:52,399

to tell you a story if i can okay and

315

00:11:57,750 --> 00:11:55,120

when i was a little kid in not that

316

00:11:58,949 --> 00:11:57,760

little but in 1977 i got really sick

317

00:12:01,430 --> 00:11:58,959

with the flu

318

00:12:03,509 --> 00:12:01,440

it was called the 1977 flu it went all

319

00:12:04,629 --> 00:12:03,519

over the earth

320

00:12:06,470 --> 00:12:04,639

and

321

00:12:08,949 --> 00:12:06,480

the thing that perplexed everybody about

322

00:12:11,550 --> 00:12:08,959

the 1977 flu

323

00:12:15,590 --> 00:12:11,560

was it was exactly the same virus as the

324

00:12:18,310 --> 00:12:15,600

1955 flu which was called the china flu

325

00:12:20,230 --> 00:12:18,320

then a virus can't stay exactly the same

326

00:12:21,030 --> 00:12:20,240

this is like gem

327

00:12:26,230 --> 00:12:21,040

of

328

00:12:27,750 --> 00:12:26,240

doesn't happen people mutate viruses

329

00:12:30,150 --> 00:12:27,760

mutate and change

330

00:12:32,790 --> 00:12:30,160

and so when the 77 virus appeared they

331

00:12:35,269 --> 00:12:32,800

said wait a second somebody must have

332

00:12:37,430 --> 00:12:35,279

kept this virus in a laboratory somebody

333

00:12:40,310 --> 00:12:37,440

preserved this virus because it is

334

00:12:42,470 --> 00:12:40,320

exactly the same as the 55 virus

335

00:12:44,829 --> 00:12:42,480

chinese said we have no idea what you're

336

00:12:46,389 --> 00:12:44,839

talking about we don't know anything in

337

00:12:48,389 --> 00:12:46,399

1994

338

00:12:49,430 --> 00:12:48,399

the head of the virology program in

339

00:12:51,829 --> 00:12:49,440

china

340

00:12:54,790 --> 00:12:51,839

his name is in the book and the sources

341

00:12:57,990 --> 00:12:54,800

were in the book said oh yeah the 1977

342

00:12:59,509 --> 00:12:58,000

virus yeah we preserved the 55 virus

343

00:13:02,629 --> 00:12:59,519

okay and we were trying to work on a

344

00:13:05,590 --> 00:13:02,639

vaccine using our military to develop a

345

00:13:07,190 --> 00:13:05,600

vaccine for that virus and it just got

346

00:13:10,230 --> 00:13:07,200

away from us i'm sorry during the

347

00:13:11,030 --> 00:13:10,240

vaccine test it just escaped

348

00:13:13,829 --> 00:13:11,040

now

349

00:13:15,430 --> 00:13:13,839

ponder that for just a second first that

350

00:13:17,430 --> 00:13:15,440

there was a leak it went all over the

351
00:13:19,910 --> 00:13:17,440
world it killed millions of people

352
00:13:21,030 --> 00:13:19,920
second why would you be doing military

353
00:13:23,110 --> 00:13:21,040
tests

354
00:13:26,230 --> 00:13:23,120
with a with a virus

355
00:13:28,790 --> 00:13:26,240
of course for bioware for to develop a

356
00:13:30,710 --> 00:13:28,800
vaccine to a debilitating agent

357
00:13:33,990 --> 00:13:30,720
understand that the virus exists only in

358
00:13:35,829 --> 00:13:34,000
your lab nowhere else in the world

359
00:13:37,990 --> 00:13:35,839
so exactly the same things happened

360
00:13:39,910 --> 00:13:38,000
before i personally think

361
00:13:41,829 --> 00:13:39,920
that it was likely they were developing

362
00:13:44,949 --> 00:13:41,839
a vaccine and in the course of the

363
00:13:47,590 --> 00:13:44,959

vaccine this bug which is asymptomatic

364

00:13:49,110 --> 00:13:47,600

this virus just escaped i don't think

365

00:13:51,350 --> 00:13:49,120

they meant for two

366

00:13:52,550 --> 00:13:51,360

i think that's how cobit 19 occurred i

367

00:13:54,870 --> 00:13:52,560

also think

368

00:13:56,710 --> 00:13:54,880

it was the first synthetic virus that's

369

00:13:58,470 --> 00:13:56,720

ever affected mankind

370

00:14:01,509 --> 00:13:58,480

all the other viruses we've ever dealt

371

00:14:02,629 --> 00:14:01,519

with were natural viruses this virus

372

00:14:04,389 --> 00:14:02,639

is

373

00:14:06,150 --> 00:14:04,399

three and a half percent different than

374

00:14:07,990 --> 00:14:06,160

any other than the virus that comes out

375

00:14:10,470 --> 00:14:08,000

of the horseshoe bath

376

00:14:12,710 --> 00:14:10,480

and we've had you know like a

377

00:14:14,470 --> 00:14:12,720

hunt for they used to call them a shy

378

00:14:15,350 --> 00:14:14,480

the hunt for the non-existent

379

00:14:17,189 --> 00:14:15,360

animal

380

00:14:20,470 --> 00:14:17,199

for the past three years and no one has

381

00:14:22,949 --> 00:14:20,480

ever found the coven 19 virus

382

00:14:24,470 --> 00:14:22,959

in nature it doesn't exist

383

00:14:26,389 --> 00:14:24,480

so from that

384

00:14:29,110 --> 00:14:26,399

and a great deal of other evidence in my

385

00:14:31,590 --> 00:14:29,120

book the dancer and the devil

386

00:14:33,350 --> 00:14:31,600

i uh deduce and believe

387

00:14:36,870 --> 00:14:33,360

that it was leaked out of the wuhan

388

00:14:37,990 --> 00:14:36,880

military lab where it was created

389

00:14:40,870 --> 00:14:38,000

so

390

00:14:43,590 --> 00:14:40,880

your primary evidence is the fact that

391

00:14:44,870 --> 00:14:43,600

it's not fat has not been found anywhere

392

00:14:46,870 --> 00:14:44,880

else

393

00:14:48,710 --> 00:14:46,880

and therefore it must have been

394

00:14:50,230 --> 00:14:48,720

essentially man-made

395

00:14:52,150 --> 00:14:50,240

well that's my evidence for the fact

396

00:14:54,389 --> 00:14:52,160

it's man-made that it doesn't exist in

397

00:14:56,230 --> 00:14:54,399

nature my evidence for the fact that it

398

00:14:58,629 --> 00:14:56,240

came from the wuhan lab is it appeared

399

00:15:00,790 --> 00:14:58,639

on the doorsteps of the wuhan lab i

400

00:15:03,269 --> 00:15:00,800

think you and i know recipes the locator

401
00:15:05,030 --> 00:15:03,279
the thing speaks well right

402
00:15:06,550 --> 00:15:05,040
i guess the second thing i'd say is they

403
00:15:09,269 --> 00:15:06,560
destroyed all the records the

404
00:15:10,870 --> 00:15:09,279
contemporaneous records of infections

405
00:15:13,750 --> 00:15:10,880
and muhammad the very first thing they

406
00:15:18,230 --> 00:15:13,760
did in november and december and january

407
00:15:20,470 --> 00:15:18,240
of 19 2019 2020 was destroy every single

408
00:15:23,509 --> 00:15:20,480
record the whistleblower who revealed it

409
00:15:25,350 --> 00:15:23,519
to the world he supposedly died of the

410
00:15:28,550 --> 00:15:25,360
covet virus now

411
00:15:29,990 --> 00:15:28,560
look people 36 years old only die of the

412
00:15:32,310 --> 00:15:30,000
covet virus

413
00:15:34,870 --> 00:15:32,320

one and a half percent of the time

414

00:15:36,629 --> 00:15:34,880

somehow he suddenly dies as do all the

415

00:15:38,829 --> 00:15:36,639

other people who essentially deal with

416

00:15:41,590 --> 00:15:38,839

it in the early stages

417

00:15:44,230 --> 00:15:41,600

um you you know i've tried a lot of

418

00:15:45,990 --> 00:15:44,240

cases i tried that case anytime in front

419

00:15:47,990 --> 00:15:46,000

of any jury in the world i'd win it

420

00:15:49,269 --> 00:15:48,000

every single time i would never lose

421

00:15:50,069 --> 00:15:49,279

that case

422

00:15:52,870 --> 00:15:50,079

so

423

00:15:56,069 --> 00:15:52,880

if that's the case walk us through the

424

00:15:58,470 --> 00:15:56,079

state of chinese vaccines against this

425

00:16:00,550 --> 00:15:58,480

virus that you say that they created and

426

00:16:02,710 --> 00:16:00,560

they created it at the same time they

427

00:16:04,310 --> 00:16:02,720

were also creating vaccines

428

00:16:05,189 --> 00:16:04,320

to prevent against it because the idea

429

00:16:06,710 --> 00:16:05,199

would be

430

00:16:08,870 --> 00:16:06,720

have a vaccine for our people but not

431

00:16:10,470 --> 00:16:08,880

for the enemy right right

432

00:16:12,150 --> 00:16:10,480

understand

433

00:16:14,310 --> 00:16:12,160

i don't think that they intended for it

434

00:16:16,710 --> 00:16:14,320

to get out i think it was imperfect at

435

00:16:19,110 --> 00:16:16,720

the time it just got out the problem

436

00:16:21,509 --> 00:16:19,120

with this uh covet 19 is it's

437

00:16:23,430 --> 00:16:21,519

asymptomatic you can look like you don't

438

00:16:24,710 --> 00:16:23,440

have it anymore and still communicate it

439

00:16:27,110 --> 00:16:24,720

to other people

440

00:16:29,509 --> 00:16:27,120

they probably didn't know that but in

441

00:16:31,030 --> 00:16:29,519

fact the vaccines are powerful evidence

442

00:16:34,629 --> 00:16:31,040

of what they were doing

443

00:16:37,030 --> 00:16:34,639

it took our pharmaceutical industry from

444

00:16:38,949 --> 00:16:37,040

the time this became known in december

445

00:16:41,350 --> 00:16:38,959

of 2019

446

00:16:43,269 --> 00:16:41,360

until january um

447

00:16:46,389 --> 00:16:43,279

2021

448

00:16:47,829 --> 00:16:46,399

a period of about 13 months to develop

449

00:16:49,990 --> 00:16:47,839

any vaccine

450

00:16:52,470 --> 00:16:50,000

the chinese army was being vaccinated by

451
00:16:54,310 --> 00:16:52,480
may within four months of the of the

452
00:16:57,030 --> 00:16:54,320
outbreak of this stuff they had a

453
00:16:59,350 --> 00:16:57,040
vaccine it was a crummy vaccine but it

454
00:17:02,069 --> 00:16:59,360
was the vaccine they were vaccinating

455
00:17:04,309 --> 00:17:02,079
their own army and the army unit that

456
00:17:06,630 --> 00:17:04,319
they happen to move in it of course is a

457
00:17:09,029 --> 00:17:06,640
bio-war unit that was the unit that was

458
00:17:11,429 --> 00:17:09,039
actually that they moved into wuhan well

459
00:17:14,069 --> 00:17:11,439
that certainly does look suspicious

460
00:17:14,870 --> 00:17:14,079
that that like you said that uh suddenly

461
00:17:16,309 --> 00:17:14,880
you're

462
00:17:17,110 --> 00:17:16,319
the the things released and the next

463
00:17:19,270 --> 00:17:17,120

thing you know they're already

464

00:17:21,510 --> 00:17:19,280

vaccinating people they are

465

00:17:24,309 --> 00:17:21,520

bad vaccine you know it still is a bad

466

00:17:26,150 --> 00:17:24,319

vaccine um which is why they're having

467

00:17:27,270 --> 00:17:26,160

you know terrible problems today in

468

00:17:29,669 --> 00:17:27,280

shanghai

469

00:17:31,110 --> 00:17:29,679

and uh you know i guess in pecan too

470

00:17:33,669 --> 00:17:31,120

maybe

471

00:17:35,750 --> 00:17:33,679

yeah well is that still the same vaccine

472

00:17:38,230 --> 00:17:35,760

that they're using

473

00:17:40,789 --> 00:17:38,240

um they've changed their vaccine from

474

00:17:44,070 --> 00:17:40,799

time to modified their vaccine

475

00:17:45,270 --> 00:17:44,080

as the as the covet virus is mutated of

476

00:17:47,430 --> 00:17:45,280

course the

477

00:17:49,590 --> 00:17:47,440

another terrible thing about this virus

478

00:17:51,190 --> 00:17:49,600

is it's mutating

479

00:17:53,430 --> 00:17:51,200

you know in ways that we really haven't

480

00:17:55,750 --> 00:17:53,440

encountered before

481

00:17:57,909 --> 00:17:55,760

in every other virus we've run into it's

482

00:18:00,710 --> 00:17:57,919

always been the same pattern which is

483

00:18:02,549 --> 00:18:00,720

you start off with a fairly deadly virus

484

00:18:04,310 --> 00:18:02,559

not very communicable it becomes more

485

00:18:05,350 --> 00:18:04,320

and more communicable and less and less

486

00:18:07,350 --> 00:18:05,360

deadly

487

00:18:09,029 --> 00:18:07,360

this virus is mutated over and over

488

00:18:11,270 --> 00:18:09,039

where the vaccines we've developed won't

489

00:18:12,470 --> 00:18:11,280

work against the new mutation

490

00:18:15,270 --> 00:18:12,480

and

491

00:18:16,070 --> 00:18:15,280

that's that's very unusual really

492

00:18:17,909 --> 00:18:16,080

um

493

00:18:19,830 --> 00:18:17,919

and i've been articulating a very

494

00:18:22,230 --> 00:18:19,840

simplistic analysis tell me if this

495

00:18:23,800 --> 00:18:22,240

doesn't make any sense but i i just say

496

00:18:25,029 --> 00:18:23,810

so i i got it um

497

00:18:28,470 --> 00:18:25,039

[Music]

498

00:18:29,909 --> 00:18:28,480

about a year and a half ago and um very

499

00:18:31,350 --> 00:18:29,919

light symptoms it was basically like

500

00:18:33,110 --> 00:18:31,360

having a cold wouldn't have even known

501
00:18:35,350 --> 00:18:33,120
that i had it except then i lost smell

502
00:18:37,669 --> 00:18:35,360
and taste and i lost it you know pretty

503
00:18:39,750 --> 00:18:37,679
significantly zero smell

504
00:18:42,150 --> 00:18:39,760
lost 70 percent of taste and it lasted

505
00:18:44,310 --> 00:18:42,160
for a few weeks and and just from my

506
00:18:46,390 --> 00:18:44,320
layman's perspective like this is not

507
00:18:48,630 --> 00:18:46,400
like anything i've ever heard of before

508
00:18:50,630 --> 00:18:48,640
i mean how is it that i've lost smelt

509
00:18:52,950 --> 00:18:50,640
and taste of all things and it happened

510
00:18:56,150 --> 00:18:52,960
two days after i recovered from my mild

511
00:18:58,630 --> 00:18:56,160
cold this thing's got to be man-made

512
00:19:01,029 --> 00:18:58,640
does that is that make any sense that's

513
00:19:02,390 --> 00:19:01,039

it uh it you're dealing with the first

514

00:19:04,390 --> 00:19:02,400

you know

515

00:19:06,950 --> 00:19:04,400

look we saw the first people go to the

516

00:19:09,270 --> 00:19:06,960

moon right well we were seeing the first

517

00:19:12,950 --> 00:19:09,280

man-made virus that's ever affected

518

00:19:14,710 --> 00:19:12,960

mankind and that's sad uh because we it

519

00:19:16,310 --> 00:19:14,720

makes it hard to treat it and means that

520

00:19:19,029 --> 00:19:16,320

we don't know as much about it as we

521

00:19:21,430 --> 00:19:19,039

would if it were natural and

522

00:19:24,630 --> 00:19:21,440

you you two you tend to agree with me

523

00:19:27,430 --> 00:19:24,640

that that those bizarre symptoms

524

00:19:30,549 --> 00:19:27,440

point to you to something other than a

525

00:19:31,909 --> 00:19:30,559

naturally mutated virus that and plus

526

00:19:34,070 --> 00:19:31,919

the uh

527

00:19:36,230 --> 00:19:34,080

the ability to carry and communicate it

528

00:19:37,909 --> 00:19:36,240

a asymptotically

529

00:19:39,510 --> 00:19:37,919

you can have people that actually have

530

00:19:41,270 --> 00:19:39,520

absolutely no symptoms and they can

531

00:19:42,710 --> 00:19:41,280

communicate it to other people how

532

00:19:45,830 --> 00:19:42,720

unique you're saying that's a very

533

00:19:49,990 --> 00:19:45,840

unique feature of a virus very unusual

534

00:19:51,830 --> 00:19:50,000

um those are both very unusual and uh so

535

00:19:54,950 --> 00:19:51,840

yeah there's a tremendous amount about

536

00:19:55,990 --> 00:19:54,960

this virus that's that's that's unusual

537

00:19:57,669 --> 00:19:56,000

so

538

00:19:59,750 --> 00:19:57,679

high-level officials in the u.s

539

00:20:02,070 --> 00:19:59,760

government

540

00:20:04,789 --> 00:20:02,080

they presumably know all of what you've

541

00:20:07,029 --> 00:20:04,799

just said and presumably

542

00:20:08,870 --> 00:20:07,039

if they have full access this

543

00:20:11,430 --> 00:20:08,880

information which i assume they do they

544

00:20:13,510 --> 00:20:11,440

they should share your opinion

545

00:20:15,830 --> 00:20:13,520

well it's sad uh jim

546

00:20:17,750 --> 00:20:15,840

they when you look at the and i'm not

547

00:20:20,310 --> 00:20:17,760

trying to criticize farsi and my

548

00:20:23,029 --> 00:20:20,320

criticism is of china who created the

549

00:20:24,710 --> 00:20:23,039

virus but when you look at them they

550

00:20:27,669 --> 00:20:24,720

actually discussed what are we going to

551

00:20:29,830 --> 00:20:27,679

do in february and the emails say hey

552

00:20:31,590 --> 00:20:29,840

wait this is pretty bad if people learn

553

00:20:34,070 --> 00:20:31,600

about this well they'll become

554

00:20:35,510 --> 00:20:34,080

anti-science they'll become you know

555

00:20:37,110 --> 00:20:35,520

they'll hate science they'll hate

556

00:20:39,350 --> 00:20:37,120

experimentation

557

00:20:41,110 --> 00:20:39,360

well i mean science you and i know it's

558

00:20:43,750 --> 00:20:41,120

the search for truth it's not trying to

559

00:20:45,590 --> 00:20:43,760

hide from the truth and to some degree

560

00:20:47,590 --> 00:20:45,600

unfortunately that's what we've done

561

00:20:50,310 --> 00:20:47,600

we've hidden from the truth

562

00:20:53,190 --> 00:20:50,320

the original

563

00:20:55,430 --> 00:20:53,200

medical journal articles were put out by

564

00:20:56,950 --> 00:20:55,440

people who were very closely tied to the

565

00:21:00,310 --> 00:20:56,960

chinese government

566

00:21:01,909 --> 00:21:00,320

and they were hardly neutral researchers

567

00:21:04,070 --> 00:21:01,919

in any way

568

00:21:06,149 --> 00:21:04,080

the eight who investigation that

569

00:21:07,750 --> 00:21:06,159

occurred was only of researchers that

570

00:21:09,350 --> 00:21:07,760

china had approved

571

00:21:11,110 --> 00:21:09,360

and they weren't given any of the early

572

00:21:14,070 --> 00:21:11,120

forensic records and they were only

573

00:21:16,630 --> 00:21:14,080

allowed to question people in china

574

00:21:18,390 --> 00:21:16,640

understand if you're in china and you

575

00:21:19,990 --> 00:21:18,400

you provide a no where you should

576
00:21:22,789 --> 00:21:20,000
provide a yes

577
00:21:25,190 --> 00:21:22,799
there's just no gem anymore after you

578
00:21:27,830 --> 00:21:25,200
know a week or two

579
00:21:30,390 --> 00:21:27,840
so the u.s

580
00:21:32,630 --> 00:21:30,400
uh intelligence says absolutely there

581
00:21:35,110 --> 00:21:32,640
are chinese bio-weapon labs is that

582
00:21:37,510 --> 00:21:35,120
correct yes uh there's a list of them in

583
00:21:39,270 --> 00:21:37,520
our book there's an appendix we included

584
00:21:41,590 --> 00:21:39,280
the actual uh

585
00:21:42,470 --> 00:21:41,600
list of where the bio weapons facilities

586
00:21:45,990 --> 00:21:42,480
are

587
00:21:48,070 --> 00:21:46,000
uh as as uh revealed by u.s intelligence

588
00:21:49,430 --> 00:21:48,080

the u.s state department but what's

589

00:21:52,149 --> 00:21:49,440

interesting is

590

00:21:54,549 --> 00:21:52,159

you have the fouchy types who are mostly

591

00:21:55,669 --> 00:21:54,559

still wanting to point to a wet market

592

00:21:56,950 --> 00:21:55,679

leak

593

00:21:58,549 --> 00:21:56,960

which you're saying is really kind of

594

00:22:00,950 --> 00:21:58,559

absurd if you look at

595

00:22:03,029 --> 00:22:00,960

the virus that clearly it's man-made in

596

00:22:04,870 --> 00:22:03,039

your opinion and then you have others

597

00:22:06,950 --> 00:22:04,880

that say that well yeah maybe they were

598

00:22:08,549 --> 00:22:06,960

experimenting with viruses to find

599

00:22:10,630 --> 00:22:08,559

vaccines and so on and accidentally

600

00:22:12,789 --> 00:22:10,640

leaked out which sounds relatively

601
00:22:14,470 --> 00:22:12,799
innocent but still a lot of people don't

602
00:22:16,710 --> 00:22:14,480
want to acknowledge

603
00:22:18,950 --> 00:22:16,720
that possibility but you're taking it

604
00:22:20,070 --> 00:22:18,960
one whole other level that this was an

605
00:22:22,789 --> 00:22:20,080
actual

606
00:22:24,070 --> 00:22:22,799
bio weapon being developed at a bio

607
00:22:25,110 --> 00:22:24,080
weapons

608
00:22:26,789 --> 00:22:25,120
lab

609
00:22:29,029 --> 00:22:26,799
and you don't hear anybody in the u.s

610
00:22:31,029 --> 00:22:29,039
government talking about that well uh

611
00:22:33,270 --> 00:22:31,039
actually there was a release out of the

612
00:22:34,390 --> 00:22:33,280
state department it's also an appendix

613
00:22:37,110 --> 00:22:34,400

to our book

614

00:22:41,110 --> 00:22:37,120

and they specifically point to the uh

615

00:22:43,270 --> 00:22:41,120

cooperation between the lab at wuhan the

616

00:22:46,390 --> 00:22:43,280

one that everybody talks about and the

617

00:22:48,870 --> 00:22:46,400

military lab on military projects the

618

00:22:51,909 --> 00:22:48,880

only military projects on viruses are

619

00:22:54,310 --> 00:22:51,919

bioweapons i don't know of any others

620

00:22:56,470 --> 00:22:54,320

but we're kind of in denial the soviet

621

00:22:59,270 --> 00:22:56,480

army i mean the russian army right now

622

00:23:01,110 --> 00:22:59,280

spends one day out of every five on bio

623

00:23:04,310 --> 00:23:01,120

weapons that's what they do one day out

624

00:23:07,990 --> 00:23:04,320

of every five they in hazmat suits and

625

00:23:09,990 --> 00:23:08,000

so on um in 2012

626

00:23:11,510 --> 00:23:10,000

in the presidential debate

627

00:23:14,470 --> 00:23:11,520

uh

628

00:23:15,990 --> 00:23:14,480

putin was somebody said that his

629

00:23:18,070 --> 00:23:16,000

opponent said well you haven't done a

630

00:23:20,630 --> 00:23:18,080

good job with the russian army they're

631

00:23:22,070 --> 00:23:20,640

not up to speed and putin said that's

632

00:23:24,470 --> 00:23:22,080

because you don't know about our

633

00:23:25,510 --> 00:23:24,480

genetics weapons i mean that's what he

634

00:23:26,870 --> 00:23:25,520

said

635

00:23:28,870 --> 00:23:26,880

um so

636

00:23:30,549 --> 00:23:28,880

it doesn't take you know

637

00:23:33,510 --> 00:23:30,559

you can look in their instance for

638

00:23:36,630 --> 00:23:33,520

example in siberia three years ago they

639

00:23:39,669 --> 00:23:36,640

had a an outbreak of ebola now ebola is

640

00:23:41,750 --> 00:23:39,679

a tropical disease how did it get to

641

00:23:44,789 --> 00:23:41,760

siberia well i i know how it got to the

642

00:23:46,230 --> 00:23:44,799

urals in siberia the same way that uh

643

00:23:48,870 --> 00:23:46,240

that terrible

644

00:23:50,789 --> 00:23:48,880

deal occurred in cottonburg

645

00:23:53,990 --> 00:23:50,799

there's a very good book written by a

646

00:23:55,190 --> 00:23:54,000

defector named uh kenneth albeck who

647

00:23:58,710 --> 00:23:55,200

defected

648

00:24:01,110 --> 00:23:58,720

circa 1999 on this on the

649

00:24:02,830 --> 00:24:01,120

project on the russian projects which

650

00:24:07,029 --> 00:24:02,840

are called project

651
00:24:09,029 --> 00:24:07,039
enzyme pre putin and pre yeltsin

652
00:24:11,029 --> 00:24:09,039
russia was spending more money

653
00:24:13,350 --> 00:24:11,039
on bioweapons projects than it was

654
00:24:15,029 --> 00:24:13,360
spending on nuclear weapons it had 60

655
00:24:17,110 --> 00:24:15,039
000 scientists

656
00:24:18,789 --> 00:24:17,120
and engineers working on bioweapons in

657
00:24:21,350 --> 00:24:18,799
the soviet union according to kenneth

658
00:24:22,470 --> 00:24:21,360
alba the number two guy in the in the

659
00:24:23,510 --> 00:24:22,480
project

660
00:24:24,549 --> 00:24:23,520
um

661
00:24:30,470 --> 00:24:24,559
it's a

662
00:24:32,549 --> 00:24:30,480
in this sense if if i launch a nuclear

663
00:24:35,190 --> 00:24:32,559

weapon and i'm putin everybody's going

664

00:24:36,549 --> 00:24:35,200

to hit me with a nuclear weapon too

665

00:24:39,350 --> 00:24:36,559

but

666

00:24:42,310 --> 00:24:39,360

tim if somebody coughs out in kansas

667

00:24:43,190 --> 00:24:42,320

and you lose 70 million people

668

00:24:45,750 --> 00:24:43,200

from

669

00:24:47,909 --> 00:24:45,760

smallpox

670

00:24:49,830 --> 00:24:47,919

you know you say gee it's unfortunate

671

00:24:51,750 --> 00:24:49,840

that you guys haven't been immunizing

672

00:24:54,789 --> 00:24:51,760

anybody for smallpox we started

673

00:24:57,510 --> 00:24:54,799

immunizing people five years ago in in

674

00:25:00,310 --> 00:24:57,520

russia for smallpox it's very difficult

675

00:25:02,870 --> 00:25:00,320

to trace it so special weapons as putin

676

00:25:04,870 --> 00:25:02,880

points out they're untraceable and

677

00:25:06,950 --> 00:25:04,880

they're they're a device to escape the

678

00:25:09,430 --> 00:25:06,960

nuclear stalemate that's how both the

679

00:25:12,070 --> 00:25:09,440

chinese and the russians look at them

680

00:25:15,190 --> 00:25:12,080

and i presume you would say the us does

681

00:25:19,190 --> 00:25:15,200

not have such weapons we don't have them

682

00:25:22,149 --> 00:25:19,200

we have a we have a a at fort meade

683

00:25:23,430 --> 00:25:22,159

is our limited uh defense against we we

684

00:25:26,310 --> 00:25:23,440

did have them

685

00:25:30,230 --> 00:25:26,320

but in 1972 we signed the bioweapons

686

00:25:32,630 --> 00:25:30,240

convention bwc and we got rid of all all

687

00:25:35,190 --> 00:25:32,640

offensive weapons unfortunately we got

688

00:25:37,590 --> 00:25:35,200

rid of most of our defenses too so our

689

00:25:40,390 --> 00:25:37,600

only defenses are at fort meade our only

690

00:25:43,029 --> 00:25:40,400

studies at fort b and there they've been

691

00:25:45,909 --> 00:25:43,039

obviously sadly inadequate

692

00:25:47,029 --> 00:25:45,919

i mean our whole country was brought

693

00:25:50,070 --> 00:25:47,039

you know

694

00:25:52,549 --> 00:25:50,080

to its knees by covid19 which is only a

695

00:25:55,190 --> 00:25:52,559

debilitating disease you can imagine

696

00:25:56,789 --> 00:25:55,200

what smallpox or what a terrible

697

00:25:59,110 --> 00:25:56,799

disease like that would do to our

698

00:26:02,390 --> 00:25:59,120

country well and that takes us back to

699

00:26:05,110 --> 00:26:02,400

you know the ukraine labs and

700

00:26:06,310 --> 00:26:05,120

didn't the u.s want to study

701
00:26:08,630 --> 00:26:06,320
what was in

702
00:26:11,029 --> 00:26:08,640
these soviet weapons labs

703
00:26:13,669 --> 00:26:11,039
i have no doubt we would have wanted to

704
00:26:15,590 --> 00:26:13,679
um and i don't i don't have any insights

705
00:26:18,310 --> 00:26:15,600
into how we went about

706
00:26:19,990 --> 00:26:18,320
looking at it i know that we allocated

707
00:26:24,710 --> 00:26:20,000
money to clean them out

708
00:26:26,390 --> 00:26:24,720
to both russia and to and to the ukraine

709
00:26:28,310 --> 00:26:26,400
and i know that in the ukraine it was

710
00:26:30,710 --> 00:26:28,320
used to clean them out i know that in

711
00:26:32,710 --> 00:26:30,720
russia it was initially used that way i

712
00:26:34,870 --> 00:26:32,720
know that the programs were according to

713
00:26:36,789 --> 00:26:34,880

albeck and others were all reinstated

714

00:26:38,870 --> 00:26:36,799

as soon as putin became the prime

715

00:26:42,230 --> 00:26:38,880

minister in 2000.

716

00:26:44,710 --> 00:26:42,240

so whether we also studied them or not

717

00:26:46,870 --> 00:26:44,720

you're not sure but you would certainly

718

00:26:47,750 --> 00:26:46,880

say that it would not still be going on

719

00:26:49,350 --> 00:26:47,760

today

720

00:26:51,510 --> 00:26:49,360

your best information is those labs are

721

00:26:53,590 --> 00:26:51,520

long gone they're long gone i wish we'd

722

00:26:55,830 --> 00:26:53,600

studied them i wish we'd studied them a

723

00:26:58,470 --> 00:26:55,840

whole lot more than we apparently did

724

00:27:00,390 --> 00:26:58,480

um and i hope we study them now deeply

725

00:27:03,669 --> 00:27:00,400

because i think they posed a tremendous

726

00:27:05,510 --> 00:27:03,679

threat jim to the to the world

727

00:27:07,510 --> 00:27:05,520

so

728

00:27:10,710 --> 00:27:07,520

theoretically we could have a change of

729

00:27:12,950 --> 00:27:10,720

administrations here in in three years

730

00:27:15,830 --> 00:27:12,960

could be trump back in

731

00:27:17,830 --> 00:27:15,840

and this information might

732

00:27:19,990 --> 00:27:17,840

make uh the light of day a bit more than

733

00:27:21,269 --> 00:27:20,000

it is now and then the us is going to be

734

00:27:22,950 --> 00:27:21,279

faced with

735

00:27:25,350 --> 00:27:22,960

what do we do

736

00:27:27,029 --> 00:27:25,360

with china in light of

737

00:27:29,190 --> 00:27:27,039

what happened with covet

738

00:27:30,950 --> 00:27:29,200

you know i hope it's not a i really

739

00:27:33,430 --> 00:27:30,960

deeply hope it's not a republican

740

00:27:35,430 --> 00:27:33,440

democratic thing i mean i even hope it's

741

00:27:37,510 --> 00:27:35,440

not an american russian thing it's sort

742

00:27:39,990 --> 00:27:37,520

of a human being thing

743

00:27:41,190 --> 00:27:40,000

when you can when you begin developing

744

00:27:43,590 --> 00:27:41,200

viruses

745

00:27:45,110 --> 00:27:43,600

that can kill people and spread you know

746

00:27:47,110 --> 00:27:45,120

through mankind

747

00:27:49,830 --> 00:27:47,120

you're you're really talking about an

748

00:27:50,789 --> 00:27:49,840

existential threat to man himself

749

00:27:52,470 --> 00:27:50,799

uh

750

00:27:54,549 --> 00:27:52,480

the chinese

751

00:27:56,789 --> 00:27:54,559

in china played with fire the world is

752

00:27:58,310 --> 00:27:56,799

sort of burning as my book says

753

00:28:00,070 --> 00:27:58,320

that shouldn't be a

754

00:28:01,669 --> 00:28:00,080

good thing for the republicans or a good

755

00:28:03,590 --> 00:28:01,679

thing for the democrats that should be

756

00:28:04,470 --> 00:28:03,600

something that alarms all of us it seems

757

00:28:07,510 --> 00:28:04,480

to me

758

00:28:08,470 --> 00:28:07,520

and whatever administration uh reckons

759

00:28:09,990 --> 00:28:08,480

with this

760

00:28:12,470 --> 00:28:10,000

what should it do

761

00:28:14,630 --> 00:28:12,480

in response to this well first we've got

762

00:28:16,789 --> 00:28:14,640

to expose it we've got to expose those

763

00:28:19,430 --> 00:28:16,799

bile labs in china and we've got to

764

00:28:21,190 --> 00:28:19,440

expose the biolabs in russia and we have

765

00:28:23,110 --> 00:28:21,200

defectors we've had two out of the

766

00:28:24,230 --> 00:28:23,120

chinese labs according to the state

767

00:28:25,029 --> 00:28:24,240

department

768

00:28:27,269 --> 00:28:25,039

deal

769

00:28:29,590 --> 00:28:27,279

and we've had defectors out of russia so

770

00:28:31,029 --> 00:28:29,600

we have to expose to the world exactly

771

00:28:32,630 --> 00:28:31,039

what is happening

772

00:28:35,430 --> 00:28:32,640

um then it seems to me we've got to

773

00:28:36,389 --> 00:28:35,440

really get ready i mean look

774

00:28:38,230 --> 00:28:36,399

heck we

775

00:28:40,710 --> 00:28:38,240

you know think of how pitifully we were

776

00:28:42,789 --> 00:28:40,720

ready for covet 19 which was a

777

00:28:44,389 --> 00:28:42,799

debilitating disease supposedly we were

778

00:28:46,230 --> 00:28:44,399

still you know spending

779

00:28:48,630 --> 00:28:46,240

2 billion dollars a year but we were

780

00:28:50,630 --> 00:28:48,640

completely unprepared

781

00:28:53,430 --> 00:28:50,640

biological weapons in the future

782

00:28:55,029 --> 00:28:53,440

represent as much of a threat to us as

783

00:28:57,190 --> 00:28:55,039

nuclear weapons do

784

00:28:59,269 --> 00:28:57,200

and we actually need to get our best

785

00:29:01,350 --> 00:28:59,279

minds our greatest doctors our best

786

00:29:03,110 --> 00:29:01,360

people to actually study this and get

787

00:29:06,470 --> 00:29:03,120

prepared what does the united states do

788

00:29:07,990 --> 00:29:06,480

if smallpox breaks out and we have a

789

00:29:11,269 --> 00:29:08,000

civilization right now that's not

790

00:29:13,029 --> 00:29:11,279

immunized why don't we have stocks of

791

00:29:15,750 --> 00:29:13,039

you know uh

792

00:29:18,230 --> 00:29:15,760

of vaccines prepared

793

00:29:20,389 --> 00:29:18,240

there are all kinds of things we can do

794

00:29:22,149 --> 00:29:20,399

well and i'd like to get into that a

795

00:29:24,549 --> 00:29:22,159

little bit because we've spent so much

796

00:29:26,950 --> 00:29:24,559

money and where has it gone but let's

797

00:29:29,430 --> 00:29:26,960

start with deterrence

798

00:29:30,630 --> 00:29:29,440

how do we is it certainly our response

799

00:29:31,909 --> 00:29:30,640

to kovid

800

00:29:33,590 --> 00:29:31,919

isn't going to deter anything in the

801
00:29:35,590 --> 00:29:33,600
future because we haven't done anything

802
00:29:38,230 --> 00:29:35,600
to china we if anything we've helped

803
00:29:41,830 --> 00:29:38,240
cover it up if anybody dares to suggest

804
00:29:44,149 --> 00:29:41,840
it came from a lab it's asian hate so

805
00:29:45,510 --> 00:29:44,159
china's off scot-free so if anybody if

806
00:29:46,870 --> 00:29:45,520
russia or china's looking at this and

807
00:29:48,230 --> 00:29:46,880
looking at what the u.s is going to do

808
00:29:50,310 --> 00:29:48,240
in the future

809
00:29:52,549 --> 00:29:50,320
they shouldn't be very worried so what

810
00:29:53,510 --> 00:29:52,559
do we need to do to deter it to begin

811
00:29:56,950 --> 00:29:53,520
with

812
00:29:58,470 --> 00:29:56,960
well uh first of all my opinion is that

813
00:30:00,389 --> 00:29:58,480

both qi

814

00:30:04,789 --> 00:30:00,399

and

815

00:30:07,110 --> 00:30:04,799

the russians at least the current

816

00:30:09,350 --> 00:30:07,120

russians with putin are a tremendous

817

00:30:11,110 --> 00:30:09,360

threat to world peace and i think that

818

00:30:12,710 --> 00:30:11,120

they're they're stalling us

819

00:30:14,549 --> 00:30:12,720

they're dying the wall and i think we

820

00:30:16,389 --> 00:30:14,559

need to start off recognizing that

821

00:30:18,470 --> 00:30:16,399

that's exactly what we're dealing with

822

00:30:33,510 --> 00:30:18,480

i'm sorry did you say fauci

823

00:30:38,549 --> 00:30:36,470

uh but putin and she are uh

824

00:30:40,870 --> 00:30:38,559

you know are they're very dangerous uh

825

00:30:43,909 --> 00:30:40,880

people they're they're driven by

826

00:30:46,149 --> 00:30:43,919

by marxism essentially they they view

827

00:30:47,590 --> 00:30:46,159

human beings as just material objects to

828

00:30:49,430 --> 00:30:47,600

be used and they're

829

00:30:51,909 --> 00:30:49,440

they're their values are very very

830

00:30:53,590 --> 00:30:51,919

different than ours and uh

831

00:30:55,350 --> 00:30:53,600

they uh

832

00:30:59,269 --> 00:30:55,360

you know they'll they're

833

00:31:02,149 --> 00:30:59,279

willing to extract a cost in human lives

834

00:31:02,950 --> 00:31:02,159

that would be unthinkable for us so you

835

00:31:05,509 --> 00:31:02,960

can

836

00:31:08,149 --> 00:31:05,519

you look right now to ukraine at miropol

837

00:31:10,710 --> 00:31:08,159

but 20 000 civilians killed in maripol

838

00:31:12,710 --> 00:31:10,720

so far estimated i mean those are tens

839

00:31:15,990 --> 00:31:12,720

of thousands of people that that guy has

840

00:31:18,470 --> 00:31:16,000

killed putin for what why to liberate

841

00:31:20,789 --> 00:31:18,480

people that don't want to be liberated

842

00:31:23,509 --> 00:31:20,799

i mean that desperately want to be free

843

00:31:25,590 --> 00:31:23,519

and want to be left alone

844

00:31:27,190 --> 00:31:25,600

you have exactly the same thing in china

845

00:31:28,070 --> 00:31:27,200

so we're living in a

846

00:31:30,789 --> 00:31:28,080

in a

847

00:31:32,470 --> 00:31:30,799

bitterly divided world a very dangerous

848

00:31:34,149 --> 00:31:32,480

world and the recognition of it is the

849

00:31:36,230 --> 00:31:34,159

very first thing to do

850

00:31:39,110 --> 00:31:36,240

we've got to start a big bioweapons

851
00:31:42,070 --> 00:31:39,120
defensive program in the united states

852
00:31:44,870 --> 00:31:42,080
including the stocking of vaccines and

853
00:31:46,549 --> 00:31:44,880
actual better detection programs we

854
00:31:48,710 --> 00:31:46,559
don't even know how to wine earth we

855
00:31:51,110 --> 00:31:48,720
didn't know how to treat this earlier i

856
00:31:52,870 --> 00:31:51,120
have no idea we were sticking people in

857
00:31:54,630 --> 00:31:52,880
ventilators which killed them instead of

858
00:31:56,070 --> 00:31:54,640
giving them you know oxygen through

859
00:31:58,789 --> 00:31:56,080
concentrators

860
00:32:01,350 --> 00:31:58,799
um so we've kind of got to get our act

861
00:32:05,669 --> 00:32:01,360
together a little better than we have

862
00:32:08,230 --> 00:32:05,679
um using our very best people to do it

863
00:32:10,549 --> 00:32:08,240

but if we don't take any

864

00:32:12,630 --> 00:32:10,559

retaliatory action toward

865

00:32:15,269 --> 00:32:12,640

china any punitive response for what

866

00:32:16,950 --> 00:32:15,279

they did then that's not setting up

867

00:32:17,750 --> 00:32:16,960

deterrence very well for the future

868

00:32:19,269 --> 00:32:17,760

isn't

869

00:32:21,269 --> 00:32:19,279

the best thing to deter

870

00:32:22,950 --> 00:32:21,279

something similar happening is to show

871

00:32:23,669 --> 00:32:22,960

them what we're going to do the last

872

00:32:26,549 --> 00:32:23,679

time

873

00:32:29,269 --> 00:32:26,559

absolutely i would uh i would

874

00:32:30,310 --> 00:32:29,279

adopt trade serious trade sanctions on

875

00:32:32,789 --> 00:32:30,320

china

876

00:32:35,430 --> 00:32:32,799

i would uh as quickly as possible throw

877

00:32:38,549 --> 00:32:35,440

large tariffs on china and and detach

878

00:32:41,029 --> 00:32:38,559

our economy from the chinese economy

879

00:32:42,470 --> 00:32:41,039

um and i would do that as rapidly as i

880

00:32:46,070 --> 00:32:42,480

possibly can

881

00:32:48,470 --> 00:32:46,080

could until there's a change of of uh

882

00:32:50,630 --> 00:32:48,480

you know of administrations in china i

883

00:32:52,310 --> 00:32:50,640

represented china many years ago in

884

00:32:57,269 --> 00:32:52,320

their first litigation in the united

885

00:32:59,590 --> 00:32:57,279

states in the early 1980s in 1988

886

00:33:01,990 --> 00:32:59,600

the they killed the kids in tiananmen

887

00:33:03,190 --> 00:33:02,000

square and that was a sea change once

888

00:33:05,029 --> 00:33:03,200

that happened

889

00:33:07,110 --> 00:33:05,039

china changed from a country that was

890

00:33:08,630 --> 00:33:07,120

becoming solely a

891

00:33:11,430 --> 00:33:08,640

really a country you could be proud of

892

00:33:14,310 --> 00:33:11,440

and be a friend with into back into its

893

00:33:16,710 --> 00:33:14,320

marxist malice past has continued to go

894

00:33:18,230 --> 00:33:16,720

downhill that way ever since 1989 at

895

00:33:20,870 --> 00:33:18,240

tiananmen square

896

00:33:23,990 --> 00:33:20,880

um these are not these are not our

897

00:33:25,830 --> 00:33:24,000

friends these are very dangerous people

898

00:33:28,470 --> 00:33:25,840

she's motto

899

00:33:32,230 --> 00:33:28,480

which was also mao's motto which comes

900

00:33:34,149 --> 00:33:32,240

in turn from the ming dynasty is a smile

901
00:33:35,990 --> 00:33:34,159
fill your mouth with honey and hold a

902
00:33:38,470 --> 00:33:36,000
knife next to your heart

903
00:33:40,870 --> 00:33:38,480
and unlike for example trump who is

904
00:33:43,590 --> 00:33:40,880
announcing something every three seconds

905
00:33:45,350 --> 00:33:43,600
she smiles quietly and then he uh

906
00:33:47,990 --> 00:33:45,360
you know he takes action

907
00:33:49,990 --> 00:33:48,000
that is uh terribly detrimental as the

908
00:33:52,389 --> 00:33:50,000
book points out

909
00:33:54,789 --> 00:33:52,399
okay so we need to get much tougher with

910
00:33:57,990 --> 00:33:54,799
china and specifically

911
00:34:00,149 --> 00:33:58,000
in response to the coveted leak or even

912
00:34:02,149 --> 00:34:00,159
if you don't want to say that we have to

913
00:34:03,750 --> 00:34:02,159

prove that that leak happened

914

00:34:06,310 --> 00:34:03,760

you're saying intelligence already

915

00:34:08,550 --> 00:34:06,320

saying there's many bio weapons labs in

916

00:34:10,629 --> 00:34:08,560

china there ought to be sanctions

917

00:34:14,230 --> 00:34:10,639

simply for for that alone

918

00:34:16,310 --> 00:34:14,240

in 2005 china provided bio weapons to

919

00:34:18,069 --> 00:34:16,320

iraq i mean to iran

920

00:34:19,750 --> 00:34:18,079

and that's covered in the book and

921

00:34:21,829 --> 00:34:19,760

that's how we learned about the chinese

922

00:34:22,869 --> 00:34:21,839

bio weapons facilities as nearly as i

923

00:34:25,030 --> 00:34:22,879

can tell

924

00:34:27,030 --> 00:34:25,040

and so we when we threaten sanctions

925

00:34:29,990 --> 00:34:27,040

they stop providing

926

00:34:32,470 --> 00:34:30,000

bioweapons to iran um

927

00:34:35,190 --> 00:34:32,480

yeah i think that sanctions are a start

928

00:34:37,669 --> 00:34:35,200

of course i i believe that we should arm

929

00:34:40,389 --> 00:34:37,679

you know taiwan so that they can defend

930

00:34:41,349 --> 00:34:40,399

themselves we should coordinate with our

931

00:34:44,550 --> 00:34:41,359

our

932

00:34:47,030 --> 00:34:44,560

allies like japan and uh south korea

933

00:34:48,790 --> 00:34:47,040

australia in the pacific and we should

934

00:34:50,950 --> 00:34:48,800

get ready to defend the pacific

935

00:34:53,510 --> 00:34:50,960

perimeter

936

00:34:55,750 --> 00:34:53,520

and what should we be doing in ukraine

937

00:34:58,150 --> 00:34:55,760

in your opinion is uh have we done

938

00:35:00,790 --> 00:34:58,160

enough and is this

939

00:35:02,710 --> 00:35:00,800

wha what are the u.s national interests

940

00:35:04,230 --> 00:35:02,720

in protecting ukraine

941

00:35:07,589 --> 00:35:04,240

well i think we made a tremendous

942

00:35:09,109 --> 00:35:07,599

mistake in cutting off for a year

943

00:35:12,069 --> 00:35:09,119

the supply of

944

00:35:13,910 --> 00:35:12,079

javelin missiles into the ukraine we

945

00:35:16,790 --> 00:35:13,920

renewed them again just before the

946

00:35:19,510 --> 00:35:16,800

russian attack we had delivered 350 of

947

00:35:22,710 --> 00:35:19,520

them apparently before

948

00:35:24,950 --> 00:35:22,720

the biden administration took office

949

00:35:27,670 --> 00:35:24,960

they took the position that look if we

950

00:35:29,349 --> 00:35:27,680

provide them that'll be a provocation

951
00:35:31,270 --> 00:35:29,359
to putin that was a terrible

952
00:35:33,829 --> 00:35:31,280
miscalculation

953
00:35:35,990 --> 00:35:33,839
putin for a long long time has had in

954
00:35:37,349 --> 00:35:36,000
mind seizing the ukraine in a great deal

955
00:35:39,270 --> 00:35:37,359
else

956
00:35:42,390 --> 00:35:39,280
having made that mistake i would arm the

957
00:35:44,310 --> 00:35:42,400
ukraine as fully as i could

958
00:35:46,710 --> 00:35:44,320
the biggest problem that the ukraine has

959
00:35:49,030 --> 00:35:46,720
now are is its cities being reduced to

960
00:35:50,150 --> 00:35:49,040
ashes by russian artillery

961
00:35:54,630 --> 00:35:50,160
i would

962
00:35:57,030 --> 00:35:54,640
of our best drones that they would be

963
00:35:59,510 --> 00:35:57,040

like mosquitoes blowing the russians

964

00:36:01,349 --> 00:35:59,520

away every time those russian artillery

965

00:36:04,470 --> 00:36:01,359

units got started

966

00:36:07,030 --> 00:36:04,480

and to be clear why would you be

967

00:36:09,910 --> 00:36:07,040

so aggressively helping ukraine defend

968

00:36:11,990 --> 00:36:09,920

itself because i think it's our fight i

969

00:36:14,390 --> 00:36:12,000

i don't we're not alive with them i'm

970

00:36:15,670 --> 00:36:14,400

not in favor of sending kids to die in

971

00:36:18,230 --> 00:36:15,680

the ukraine

972

00:36:20,230 --> 00:36:18,240

but look our country stands for human

973

00:36:22,870 --> 00:36:20,240

freedom those are people bravely

974

00:36:24,870 --> 00:36:22,880

fighting for their freedom for their own

975

00:36:27,990 --> 00:36:24,880

country the reason they're fighting so

976
00:36:29,109 --> 00:36:28,000
bravely as you know is they've done this

977
00:36:31,510 --> 00:36:29,119
before

978
00:36:32,630 --> 00:36:31,520
they were conquered by the russians in

979
00:36:33,670 --> 00:36:32,640
the nineteen

980
00:36:35,349 --> 00:36:33,680
teens

981
00:36:37,910 --> 00:36:35,359
they lost somewhere between four and

982
00:36:39,589 --> 00:36:37,920
eight million people in the 1930s to

983
00:36:41,510 --> 00:36:39,599
stalin

984
00:36:43,670 --> 00:36:41,520
putin's grandfather

985
00:36:45,829 --> 00:36:43,680
was stalin's cook his father was an

986
00:36:47,030 --> 00:36:45,839
exterminator in the ukraine during world

987
00:36:48,230 --> 00:36:47,040
war ii

988
00:36:49,510 --> 00:36:48,240

and so

989

00:36:51,589 --> 00:36:49,520

they've seen it all before and they

990

00:36:53,510 --> 00:36:51,599

don't want to be enslaved again

991

00:36:55,510 --> 00:36:53,520

and so i would be willing to do anything

992

00:36:57,349 --> 00:36:55,520

for them except send american troops

993

00:36:58,550 --> 00:36:57,359

there

994

00:37:01,160 --> 00:36:58,560

and

995

00:37:02,470 --> 00:37:01,170

you also are it's not just a um

996

00:37:03,589 --> 00:37:02,480

[Music]

997

00:37:05,349 --> 00:37:03,599

supporting

998

00:37:06,870 --> 00:37:05,359

freedom and independence and so on you

999

00:37:09,109 --> 00:37:06,880

also think there's geopolitical

1000

00:37:11,910 --> 00:37:09,119

strategic reasons we should be concerned

1001
00:37:15,109 --> 00:37:11,920
about russia taking over ukraine

1002
00:37:17,190 --> 00:37:15,119
yes i think that uh i think that the

1003
00:37:19,910 --> 00:37:17,200
withdrawal out of afghanistan was a

1004
00:37:21,349 --> 00:37:19,920
disaster for the credibility of american

1005
00:37:22,390 --> 00:37:21,359
foreign policy

1006
00:37:24,630 --> 00:37:22,400
it was

1007
00:37:26,870 --> 00:37:24,640
incredibly demoralizing for people in

1008
00:37:29,670 --> 00:37:26,880
the military of whom i have a number of

1009
00:37:30,790 --> 00:37:29,680
relatives it was horrifying to sit in

1010
00:37:32,950 --> 00:37:30,800
kabul

1011
00:37:34,870 --> 00:37:32,960
and see people presenting little babies

1012
00:37:36,710 --> 00:37:34,880
and you couldn't help them right and

1013
00:37:39,430 --> 00:37:36,720

then to do a bailout

1014

00:37:42,150 --> 00:37:39,440

um and leaving them behind uh i think

1015

00:37:44,870 --> 00:37:42,160

that was terribly debilitating i think

1016

00:37:48,310 --> 00:37:44,880

that if we allow uh putin to crush the

1017

00:37:49,990 --> 00:37:48,320

ukraine a free country the ukraine that

1018

00:37:52,069 --> 00:37:50,000

although not our allies at least have

1019

00:37:54,870 --> 00:37:52,079

been our friends i think would make a

1020

00:37:55,670 --> 00:37:54,880

terrible mistake i think that we go back

1021

00:38:00,230 --> 00:37:55,680

to

1022

00:38:02,870 --> 00:38:00,240

czechoslovakia austria the sequence

1023

00:38:05,270 --> 00:38:02,880

ryland austria czechoslovakia and

1024

00:38:06,790 --> 00:38:05,280

finally poland

1025

00:38:09,349 --> 00:38:06,800

yeah one of the lessons from world war

1026

00:38:11,510 --> 00:38:09,359

ii seems to be when you've got a tyrant

1027

00:38:14,069 --> 00:38:11,520

who's got territorial ambitions and is

1028

00:38:15,670 --> 00:38:14,079

invading sovereign neighbors you kind of

1029

00:38:19,030 --> 00:38:15,680

nip that in the bud sooner rather than

1030

00:38:20,950 --> 00:38:19,040

later well he becomes a hero otherwise

1031

00:38:23,349 --> 00:38:20,960

uh putin conquering the ukraine and

1032

00:38:27,030 --> 00:38:23,359

marching through kiev you know

1033

00:38:29,430 --> 00:38:27,040

and so on becomes a he is like hitler

1034

00:38:31,270 --> 00:38:29,440

a normal people somehow think that this

1035

00:38:33,750 --> 00:38:31,280

uh

1036

00:38:36,069 --> 00:38:33,760

i guess gorky described it best of all

1037

00:38:39,109 --> 00:38:36,079

work he was describing stalin once upon

1038

00:38:40,470 --> 00:38:39,119

a time in his diary and he said stalin

1039

00:38:43,270 --> 00:38:40,480

is a flea

1040

00:38:45,750 --> 00:38:43,280

magnified by propaganda into a fearsome

1041

00:38:47,750 --> 00:38:45,760

creature well that's who putin is putin

1042

00:38:50,470 --> 00:38:47,760

is a flea and if you allow him to be

1043

00:38:53,270 --> 00:38:50,480

magnified by a victory in the ukraine he

1044

00:38:55,109 --> 00:38:53,280

will become a truly fearsome creature

1045

00:38:56,790 --> 00:38:55,119

let's talk a little bit about putin and

1046

00:38:58,829 --> 00:38:56,800

stalin because i i think you you're

1047

00:39:01,589 --> 00:38:58,839

making the point that

1048

00:39:04,150 --> 00:39:01,599

uh putin is stalin

1049

00:39:06,390 --> 00:39:04,160

that he idolizes stalin and that in fact

1050

00:39:08,710 --> 00:39:06,400

even i'm i've been hearing that stalin

1051
00:39:09,990 --> 00:39:08,720
is having some reemergence in in russia

1052
00:39:11,510 --> 00:39:10,000
as far as

1053
00:39:15,190 --> 00:39:11,520
people starting to

1054
00:39:17,349 --> 00:39:15,200
rethink him as a as a great leader

1055
00:39:18,870 --> 00:39:17,359
he's on the side of buses in russia

1056
00:39:21,190 --> 00:39:18,880
right now in moscow

1057
00:39:23,190 --> 00:39:21,200
they put him on the side of buses stalin

1058
00:39:25,589 --> 00:39:23,200
i mean putin has said over and over

1059
00:39:27,910 --> 00:39:25,599
again stalin is a great man who's just

1060
00:39:30,069 --> 00:39:27,920
been misunderstood he got a little bit

1061
00:39:32,870 --> 00:39:30,079
of bad advice from bad subordinates but

1062
00:39:33,910 --> 00:39:32,880
basically he was a wonderful man as i

1063
00:39:36,470 --> 00:39:33,920

said

1064

00:39:38,550 --> 00:39:36,480

putin's career is closely tied to stalin

1065

00:39:41,109 --> 00:39:38,560

his grandfather his father

1066

00:39:44,870 --> 00:39:41,119

both both tied up with stalin and the

1067

00:39:45,670 --> 00:39:44,880

kgb he said chip off the old kgb block

1068

00:39:48,630 --> 00:39:45,680

um

1069

00:39:50,870 --> 00:39:48,640

i mean that's who putin actually is

1070

00:39:52,710 --> 00:39:50,880

he mourns the loss of the

1071

00:39:55,589 --> 00:39:52,720

soviet union

1072

00:39:58,470 --> 00:39:55,599

he told the patriarchs in the

1073

00:40:00,950 --> 00:39:58,480

russian orthodox church which is

1074

00:40:02,390 --> 00:40:00,960

a classic state church not a church like

1075

00:40:04,630 --> 00:40:02,400

you and i would think of he told them

1076

00:40:06,390 --> 00:40:04,640

that they should make lenin and stalin

1077

00:40:09,750 --> 00:40:06,400

saints of the church

1078

00:40:12,069 --> 00:40:09,760

you know lenin and stalin killed 175 000

1079

00:40:13,829 --> 00:40:12,079

priests orthodox priests and their

1080

00:40:14,630 --> 00:40:13,839

saints of the church

1081

00:40:17,190 --> 00:40:14,640

um

1082

00:40:18,870 --> 00:40:17,200

you know that's he's uh when he first

1083

00:40:21,510 --> 00:40:18,880

was elected jim

1084

00:40:24,950 --> 00:40:21,520

his mentor was a guy named slo slobock

1085

00:40:27,270 --> 00:40:24,960

and sloblock had been the the mayor was

1086

00:40:28,470 --> 00:40:27,280

the mayor of saint petersburg then

1087

00:40:29,750 --> 00:40:28,480

leningrad

1088

00:40:33,030 --> 00:40:29,760

and uh

1089

00:40:34,710 --> 00:40:33,040

he was asked who is stalin

1090

00:40:35,750 --> 00:40:34,720

and uh

1091

00:40:38,390 --> 00:40:35,760

someone

1092

00:40:41,510 --> 00:40:38,400

and uh slovak said

1093

00:40:43,910 --> 00:40:41,520

uh i mean who is putin sloback said

1094

00:40:45,510 --> 00:40:43,920

putin is the new stalin

1095

00:40:47,510 --> 00:40:45,520

two days later

1096

00:40:49,190 --> 00:40:47,520

he was dead

1097

00:40:51,430 --> 00:40:49,200

with a heart attack and both of his

1098

00:40:53,510 --> 00:40:51,440

bodyguards had simultaneous three

1099

00:40:55,030 --> 00:40:53,520

simultaneous heart attacks

1100

00:40:57,829 --> 00:40:55,040

that's putin

1101
00:41:01,430 --> 00:40:57,839
putin is just as slovak said the new the

1102
00:41:04,470 --> 00:41:01,440
new stalin and he's just as as slobox

1103
00:41:07,109 --> 00:41:04,480
death shown a new poisoner

1104
00:41:09,829 --> 00:41:07,119
and for the russian people

1105
00:41:10,950 --> 00:41:09,839
they seem to be going along

1106
00:41:13,910 --> 00:41:10,960
with this

1107
00:41:15,990 --> 00:41:13,920
i don't know i was looking at uh

1108
00:41:19,349 --> 00:41:16,000
of course thousands and thousands of

1109
00:41:21,589 --> 00:41:19,359
demonstrators in russia are rotting in

1110
00:41:24,069 --> 00:41:21,599
some ghouling and we know what they

1111
00:41:26,150 --> 00:41:24,079
think because they were protesting until

1112
00:41:28,309 --> 00:41:26,160
they were picked up by the secret police

1113
00:41:29,349 --> 00:41:28,319

and and taken away and by the way it's

1114

00:41:31,109 --> 00:41:29,359

your understanding they have not been

1115

00:41:32,950 --> 00:41:31,119

released yet

1116

00:41:34,950 --> 00:41:32,960

some have not been released no question

1117

00:41:37,270 --> 00:41:34,960

some have disappeared there any number

1118

00:41:38,790 --> 00:41:37,280

of people in both china and russia that

1119

00:41:41,670 --> 00:41:38,800

get picked up and they're never found

1120

00:41:44,630 --> 00:41:41,680

again they never appear again the

1121

00:41:47,190 --> 00:41:44,640

there's in china for example

1122

00:41:49,589 --> 00:41:47,200

a pastor named wang yi had an entire

1123

00:41:52,870 --> 00:41:49,599

church called the early reign church

1124

00:41:54,390 --> 00:41:52,880

there were 82 different parishioners

1125

00:41:56,150 --> 00:41:54,400

that were picked up who have just

1126
00:41:58,069 --> 00:41:56,160
disappeared nobody knows what ever

1127
00:41:59,910 --> 00:41:58,079
happened to them they're gone

1128
00:42:04,150 --> 00:41:59,920
they're probably somebody else's kidney

1129
00:42:06,230 --> 00:42:04,160
the way organs are harvested in china

1130
00:42:07,829 --> 00:42:06,240
in terms of russia yeah there are any

1131
00:42:10,470 --> 00:42:07,839
number of people

1132
00:42:12,710 --> 00:42:10,480
the most famous of the people who are

1133
00:42:13,510 --> 00:42:12,720
imprisoned right now is navalny navalny

1134
00:42:16,710 --> 00:42:13,520
was

1135
00:42:19,109 --> 00:42:16,720
the primary electoral opponent to

1136
00:42:21,829 --> 00:42:19,119
putin he was poisoned

1137
00:42:23,510 --> 00:42:21,839
with novichok which is a

1138
00:42:25,109 --> 00:42:23,520

soviet defense

1139

00:42:29,349 --> 00:42:25,119

poison

1140

00:42:31,270 --> 00:42:29,359

he almost died he was taken to germany

1141

00:42:33,829 --> 00:42:31,280

and he was secure he was treated

1142

00:42:35,510 --> 00:42:33,839

actually survived bravely went back to

1143

00:42:37,910 --> 00:42:35,520

russia he was immediately arrested in

1144

00:42:40,710 --> 00:42:37,920

russia for violating his parole

1145

00:42:42,630 --> 00:42:40,720

by going to germany to be cured and he's

1146

00:42:45,430 --> 00:42:42,640

in a he's now been given up 15

1147

00:42:47,589 --> 00:42:45,440

additional years so he's in for a term

1148

00:42:49,829 --> 00:42:47,599

of 17 years an effective death sentence

1149

00:42:52,069 --> 00:42:49,839

for opposing uh putin

1150

00:42:53,670 --> 00:42:52,079

um yeah there are any number who have

1151
00:42:54,710 --> 00:42:53,680
just disappeared

1152
00:42:57,910 --> 00:42:54,720
yeah

1153
00:43:00,870 --> 00:42:57,920
um my guest last week said that she

1154
00:43:03,910 --> 00:43:00,880
considers putin's to be very safe in his

1155
00:43:06,630 --> 00:43:03,920
positions that you know hope for

1156
00:43:08,390 --> 00:43:06,640
some type of ouster is

1157
00:43:10,390 --> 00:43:08,400
not likely to happen and we're likely to

1158
00:43:12,390 --> 00:43:10,400
be looking at putin in that position for

1159
00:43:13,750 --> 00:43:12,400
decades to come

1160
00:43:18,230 --> 00:43:13,760
you know that's what they said about

1161
00:43:19,270 --> 00:43:18,240
stalin in 1953 stalin was

1162
00:43:26,230 --> 00:43:19,280
planning

1163
00:43:29,109 --> 00:43:26,240

you know of course in russia seven

1164

00:43:32,309 --> 00:43:29,119

different uh oligopoles have supposedly

1165

00:43:35,829 --> 00:43:32,319

committed suicide in the last two weeks

1166

00:43:37,270 --> 00:43:35,839

the last one uh you know was in spain

1167

00:43:39,670 --> 00:43:37,280

i'm sorry say that again we're talking

1168

00:43:41,589 --> 00:43:39,680

about present day the present day in the

1169

00:43:44,470 --> 00:43:41,599

last two weeks

1170

00:43:46,710 --> 00:43:44,480

seven different oligarchs seven of them

1171

00:43:49,349 --> 00:43:46,720

have committed suicide in russia

1172

00:43:51,030 --> 00:43:49,359

high-ranking wealthy people

1173

00:43:52,470 --> 00:43:51,040

i didn't i didn't i wasn't aware of that

1174

00:43:53,589 --> 00:43:52,480

well in spain

1175

00:43:58,470 --> 00:43:53,599

um

1176

00:44:01,750 --> 00:43:58,480

their in their oil company

1177

00:44:04,710 --> 00:44:01,760

was found in his villa in spain

1178

00:44:06,390 --> 00:44:04,720

he was hung and his wife and child were

1179

00:44:10,309 --> 00:44:06,400

chopped to pieces

1180

00:44:11,829 --> 00:44:10,319

near him the knife and the axe had been

1181

00:44:14,470 --> 00:44:11,839

wiped clean

1182

00:44:16,230 --> 00:44:14,480

and they claimed waited to suicide

1183

00:44:18,870 --> 00:44:16,240

strange suicide

1184

00:44:20,470 --> 00:44:18,880

and very coincidental suicide so he he's

1185

00:44:22,710 --> 00:44:20,480

got problems and he knows he has

1186

00:44:23,910 --> 00:44:22,720

problems that's why he sits so far from

1187

00:44:26,470 --> 00:44:23,920

everybody

1188

00:44:29,190 --> 00:44:26,480

but he should take lesson from stalin

1189

00:44:31,750 --> 00:44:29,200
and stalin was 53

1190

00:44:34,230 --> 00:44:31,760
was planning a uh likely planning a

1191

00:44:36,550 --> 00:44:34,240
nuclear attack on the west ultimately

1192

00:44:37,670 --> 00:44:36,560
but planning initially immediately a

1193

00:44:39,190 --> 00:44:37,680
purge

1194

00:44:42,230 --> 00:44:39,200
and so

1195

00:44:43,670 --> 00:44:42,240
beria his number two guy poisoned stalin

1196

00:44:45,829 --> 00:44:43,680
with waffran

1197

00:44:48,390 --> 00:44:45,839
understands stalin's got tasters one of

1198

00:44:50,710 --> 00:44:48,400
them was putin's father and he's got to

1199

00:44:53,190 --> 00:44:50,720
be surrounded by guards wafferin

1200

00:44:55,510 --> 00:44:53,200
is the deal we use for rat poison it's a

1201

00:44:57,589 --> 00:44:55,520

blood thinner and so they

1202

00:45:00,069 --> 00:44:57,599

fed

1203

00:45:02,150 --> 00:45:00,079

stolen blood thinner and he bled to

1204

00:45:03,510 --> 00:45:02,160

death how do we know that well we know

1205

00:45:05,670 --> 00:45:03,520

that because

1206

00:45:07,910 --> 00:45:05,680

molotov's autobiography says so

1207

00:45:10,390 --> 00:45:07,920

khrushchev's autobiography says so and

1208

00:45:11,910 --> 00:45:10,400

barriott confessed to killing it at his

1209

00:45:14,390 --> 00:45:11,920

own trial

1210

00:45:15,990 --> 00:45:14,400

when solomon was unconscious and so on

1211

00:45:18,069 --> 00:45:16,000

barry had brought in the doctors you

1212

00:45:19,910 --> 00:45:18,079

know what they did jim they applied

1213

00:45:21,510 --> 00:45:19,920

leeches now that really helps a guy

1214

00:45:22,470 --> 00:45:21,520

who's bleeding to death in his stomach

1215

00:45:24,710 --> 00:45:22,480

doesn't it

1216

00:45:26,950 --> 00:45:24,720

and and then stalin

1217

00:45:29,670 --> 00:45:26,960

died in front of his daughter's fit lana

1218

00:45:31,670 --> 00:45:29,680

and svetlana described how he died he

1219

00:45:33,430 --> 00:45:31,680

sat there waving his arms screaming like

1220

00:45:34,470 --> 00:45:33,440

the angel of death was coming to pick

1221

00:45:36,230 --> 00:45:34,480

him up

1222

00:45:38,230 --> 00:45:36,240

so if you ask me putin looks a little

1223

00:45:41,109 --> 00:45:38,240

nervous these days and i wouldn't think

1224

00:45:41,910 --> 00:45:41,119

he was sitting quite so secure

1225

00:45:44,950 --> 00:45:41,920

and

1226

00:45:47,030 --> 00:45:44,960

if if he has security it's i mean he's

1227

00:45:49,589 --> 00:45:47,040

surrounded half the people around him

1228

00:45:51,750 --> 00:45:49,599

hate him uh you know as do a large

1229

00:45:53,589 --> 00:45:51,760

number of the people in russia he's got

1230

00:45:55,430 --> 00:45:53,599

any number of people in prison that

1231

00:45:56,390 --> 00:45:55,440

isn't because you know he's a democratic

1232

00:45:58,870 --> 00:45:56,400

ruler

1233

00:46:00,309 --> 00:45:58,880

um he's i guess he has to sleep at night

1234

00:46:01,829 --> 00:46:00,319

knowing about the thousands and

1235

00:46:04,870 --> 00:46:01,839

thousands of people he's killed in the

1236

00:46:10,470 --> 00:46:06,710

what do you make of his what appears to

1237

00:46:12,390 --> 00:46:10,480

be a major miscalculation in ukraine i i

1238

00:46:14,790 --> 00:46:12,400

don't know what he thought was going to

1239

00:46:17,190 --> 00:46:14,800

happen there that they were going to be

1240

00:46:20,309 --> 00:46:17,200

welcome as liberators but

1241

00:46:22,470 --> 00:46:20,319

clearly there's no support for

1242

00:46:23,589 --> 00:46:22,480

in ukraine to become a client state of

1243

00:46:26,630 --> 00:46:23,599

russia

1244

00:46:29,109 --> 00:46:26,640

amazing hubris is an amazing thing isn't

1245

00:46:31,589 --> 00:46:29,119

it uh and i guess if you're an absolute

1246

00:46:34,309 --> 00:46:31,599

dictator you never have anybody to say

1247

00:46:36,150 --> 00:46:34,319

no or you're wrong and that seems to be

1248

00:46:38,870 --> 00:46:36,160

what has happened to him

1249

00:46:41,109 --> 00:46:38,880

of course he denies any miscalculation

1250

00:46:43,270 --> 00:46:41,119

says the whole deal is on schedule

1251
00:46:44,870 --> 00:46:43,280
you know and and uh

1252
00:46:46,710 --> 00:46:44,880
of course he denies killing any

1253
00:46:49,510 --> 00:46:46,720
civilians in maripo

1254
00:46:51,270 --> 00:46:49,520
you know or the all those bodies in buka

1255
00:46:52,150 --> 00:46:51,280
you know that were on the on the road

1256
00:46:55,109 --> 00:46:52,160
into

1257
00:46:57,589 --> 00:46:55,119
ikea whom he claims were all planted

1258
00:46:58,710 --> 00:46:57,599
by the ukrainians um

1259
00:47:00,390 --> 00:46:58,720
you know so

1260
00:47:01,910 --> 00:47:00,400
there doesn't seem to be any truth to a

1261
00:47:03,910 --> 00:47:01,920
guy like uh

1262
00:47:06,950 --> 00:47:03,920
like putin no he's made a tremendous

1263
00:47:08,790 --> 00:47:06,960

miscalculation i think in the ukraine um

1264

00:47:11,270 --> 00:47:08,800

the question is what will he do to

1265

00:47:13,750 --> 00:47:11,280

correct it will he continue with this

1266

00:47:15,990 --> 00:47:13,760

madness or will he use biological or

1267

00:47:18,870 --> 00:47:16,000

chemical warfare or will he actually go

1268

00:47:21,829 --> 00:47:18,880

to you know tactical nuclear weapons i

1269

00:47:22,829 --> 00:47:21,839

and the answer is we don't know for sure

1270

00:47:25,270 --> 00:47:22,839

as to

1271

00:47:27,510 --> 00:47:25,280

bioweapons when do you believe he has

1272

00:47:30,630 --> 00:47:27,520

used them in the past when and where

1273

00:47:32,549 --> 00:47:30,640

bioweapons um well he certainly used uh

1274

00:47:36,390 --> 00:47:32,559

he certainly provided

1275

00:47:38,630 --> 00:47:36,400

bioweapons to the uh iraqis to who's you

1276

00:47:40,150 --> 00:47:38,640

know hussein regime

1277

00:47:42,950 --> 00:47:40,160

um

1278

00:47:45,829 --> 00:47:42,960

in terms of of his own use of bioweapons

1279

00:47:48,390 --> 00:47:45,839

he hasn't used them as far as i know uh

1280

00:47:51,190 --> 00:47:48,400

so far he hasn't used them they've

1281

00:47:52,870 --> 00:47:51,200

leaked but i i have no knowledge that he

1282

00:47:55,190 --> 00:47:52,880

has actually used them he has used

1283

00:47:56,470 --> 00:47:55,200

poisons like nova jack

1284

00:47:59,430 --> 00:47:56,480

polonium

1285

00:48:00,870 --> 00:47:59,440

210 and so on to poison any a large

1286

00:48:01,910 --> 00:48:00,880

number of people

1287

00:48:03,430 --> 00:48:01,920

that

1288

00:48:04,870 --> 00:48:03,440

he used

1289

00:48:07,349 --> 00:48:04,880

effectively

1290

00:48:10,230 --> 00:48:07,359

weapons prohibited

1291

00:48:13,670 --> 00:48:10,240

by the biowarfare convention in

1292

00:48:15,589 --> 00:48:13,680

the theater incident involving chechens

1293

00:48:18,829 --> 00:48:15,599

in russia you remember the theater that

1294

00:48:21,829 --> 00:48:18,839

was taken over by chechens roughly

1295

00:48:23,510 --> 00:48:21,839

2011 um they gassed the theater they

1296

00:48:25,430 --> 00:48:23,520

walked in and

1297

00:48:27,829 --> 00:48:25,440

about half the people were dead that was

1298

00:48:31,589 --> 00:48:27,839

the use of a lethal gas prohibited by

1299

00:48:33,109 --> 00:48:31,599

the geneva convention since 1933

1300

00:48:35,030 --> 00:48:33,119

um

1301

00:48:37,670 --> 00:48:35,040

so that's what he's done but he hasn't

1302

00:48:40,309 --> 00:48:37,680

cut loose biological weapons so far

1303

00:48:41,910 --> 00:48:40,319

that as far as we know

1304

00:48:43,750 --> 00:48:41,920

but no doubt he has them and the more

1305

00:48:45,430 --> 00:48:43,760

desperate things become in ukraine the

1306

00:48:46,790 --> 00:48:45,440

more likely he is to use them and

1307

00:48:48,470 --> 00:48:46,800

presumably

1308

00:48:50,309 --> 00:48:48,480

it would be more likely the nuclear as

1309

00:48:53,670 --> 00:48:50,319

you point out because it's

1310

00:48:55,430 --> 00:48:53,680

not as likely to get the retaliatory

1311

00:48:57,510 --> 00:48:55,440

uh response

1312

00:48:59,589 --> 00:48:57,520

well he's had a terrible problem in mary

1313

00:49:00,710 --> 00:48:59,599

opal you know the little city which is

1314

00:49:02,870 --> 00:49:00,720

right on the

1315

00:49:04,790 --> 00:49:02,880

eastern border of the ukraine a

1316

00:49:07,750 --> 00:49:04,800

wonderful little city

1317

00:49:09,349 --> 00:49:07,760

and uh he you know it's a city of about

1318

00:49:12,870 --> 00:49:09,359

a half million

1319

00:49:14,829 --> 00:49:12,880

he went in with 28 000 troops it was

1320

00:49:17,109 --> 00:49:14,839

defended essentially by

1321

00:49:19,109 --> 00:49:17,119

2700 marines

1322

00:49:20,470 --> 00:49:19,119

they fell back finally under a steel

1323

00:49:23,109 --> 00:49:20,480

plant which is where they're still

1324

00:49:24,950 --> 00:49:23,119

surviving right now they've reported

1325

00:49:27,670 --> 00:49:24,960

that there were chemicals being sprayed

1326
00:49:30,230 --> 00:49:27,680
on them the russians have denied using

1327
00:49:33,349 --> 00:49:30,240
biological or chemical weapons and say

1328
00:49:35,910 --> 00:49:33,359
that these were simply special weapons

1329
00:49:37,349 --> 00:49:35,920
i'm not sure what a special weapon is i

1330
00:49:38,870 --> 00:49:37,359
guess if i'm a marine and i'm

1331
00:49:40,549 --> 00:49:38,880
underground and somebody's pouring

1332
00:49:42,870 --> 00:49:40,559
something on me

1333
00:49:44,390 --> 00:49:42,880
it's a distinction without a difference

1334
00:49:45,589 --> 00:49:44,400
it's a special weapon for a special

1335
00:49:46,870 --> 00:49:45,599
operation

1336
00:49:48,549 --> 00:49:46,880
it's a special

1337
00:49:50,790 --> 00:49:48,559
they say that they're going to

1338
00:49:52,230 --> 00:49:50,800

they're going to gas them out like moles

1339

00:49:55,430 --> 00:49:52,240

that's what uh

1340

00:49:56,309 --> 00:49:55,440

that's what the the russians say

1341

00:49:57,670 --> 00:49:56,319

well

1342

00:49:59,829 --> 00:49:57,680

hopefully the u.s does what you're

1343

00:50:02,870 --> 00:49:59,839

suggesting which is do everything we can

1344

00:50:04,230 --> 00:50:02,880

to to further arm uh ukraine and

1345

00:50:07,109 --> 00:50:04,240

deal putin

1346

00:50:08,870 --> 00:50:07,119

a major major defeat that keeps his tail

1347

00:50:10,390 --> 00:50:08,880

between his legs for

1348

00:50:11,990 --> 00:50:10,400

as long as possible

1349

00:50:14,470 --> 00:50:12,000

well we've got to hope that we've got to

1350

00:50:17,109 --> 00:50:14,480

hope and pray you know even just as

1351

00:50:17,910 --> 00:50:17,119

human beings we'd have to do that absent

1352

00:50:19,750 --> 00:50:17,920

the

1353

00:50:21,349 --> 00:50:19,760

you know any political calculations but

1354

00:50:23,829 --> 00:50:21,359

in fact it's very strongly in our own

1355

00:50:25,430 --> 00:50:23,839

best interest it's a tremendous mistake

1356

00:50:26,470 --> 00:50:25,440

to let tyrants

1357

00:50:28,950 --> 00:50:26,480

overrun

1358

00:50:30,390 --> 00:50:28,960

peoples who are trying to be free yeah

1359

00:50:32,790 --> 00:50:30,400

well not to mention to bring it back to

1360

00:50:34,870 --> 00:50:32,800

that nuclear arms deal the us was a

1361

00:50:37,030 --> 00:50:34,880

signatory to that deal

1362

00:50:39,349 --> 00:50:37,040

whereby ukraine voluntarily gave up

1363

00:50:40,630 --> 00:50:39,359

nuclear weapons if they hadn't done that

1364

00:50:43,190 --> 00:50:40,640

i don't think this invasion would have

1365

00:50:44,630 --> 00:50:43,200

ever happened ukraine gives up the

1366

00:50:46,230 --> 00:50:44,640

nuclear weapons in exchange for

1367

00:50:47,589 --> 00:50:46,240

territorial integrity and everybody's

1368

00:50:49,430 --> 00:50:47,599

going to respect their current borders

1369

00:50:52,549 --> 00:50:49,440

including the us and russia

1370

00:50:53,670 --> 00:50:52,559

exactly that was the 1994 agreement

1371

00:50:55,030 --> 00:50:53,680

which

1372

00:50:56,710 --> 00:50:55,040

seems to have been honored more in

1373

00:50:58,069 --> 00:50:56,720

passing of course the russians

1374

00:51:00,069 --> 00:50:58,079

immediately claim

1375

00:51:02,069 --> 00:51:00,079

that they're no longer bound by it uh

1376

00:51:04,549 --> 00:51:02,079

putin's not bound by anything

1377

00:51:06,470 --> 00:51:04,559

and um the united states was you know

1378

00:51:08,630 --> 00:51:06,480

initially was longer on rise than

1379

00:51:10,870 --> 00:51:08,640

providing bullets as

1380

00:51:11,910 --> 00:51:10,880

zlinsky said now we seem to be actually

1381

00:51:12,790 --> 00:51:11,920

arming

1382

00:51:15,109 --> 00:51:12,800

them

1383

00:51:17,030 --> 00:51:15,119

hopefully with the best and most arms we

1384

00:51:18,470 --> 00:51:17,040

can get to them as quickly as possible

1385

00:51:20,069 --> 00:51:18,480

yeah but it sounds like you agree with

1386

00:51:22,390 --> 00:51:20,079

me that we ought to be talking about

1387

00:51:24,870 --> 00:51:22,400

that agreement more often as far as the

1388

00:51:27,190 --> 00:51:24,880

u.s having an obligation here the u.s

1389

00:51:29,670 --> 00:51:27,200

benefits from having fewer nations with

1390

00:51:31,750 --> 00:51:29,680

nuclear weapons arguably so we were

1391

00:51:33,349 --> 00:51:31,760

beneficiary of that agreement

1392

00:51:34,630 --> 00:51:33,359

and now we need to

1393

00:51:36,630 --> 00:51:34,640

live up to it

1394

00:51:38,790 --> 00:51:36,640

if we don't live up to that if we really

1395

00:51:40,069 --> 00:51:38,800

let them go under

1396

00:51:43,030 --> 00:51:40,079

how long do you think it's going to be

1397

00:51:45,109 --> 00:51:43,040

till the japanese get nuclear weapons or

1398

00:51:47,270 --> 00:51:45,119

the australians or the india well the

1399

00:51:49,510 --> 00:51:47,280

indians already have them or saudi

1400

00:51:53,270 --> 00:51:49,520

arabia if you can't rely on the united

1401

00:51:55,190 --> 00:51:53,280

states um and its treaty obligations

1402

00:51:57,109 --> 00:51:55,200

while you arm yourself to the teeth and

1403

00:51:58,870 --> 00:51:57,119

then you look at a world where everybody

1404

00:52:00,470 --> 00:51:58,880

has nuclear weapons

1405

00:52:02,470 --> 00:52:00,480

thank you again to john o'neill you can

1406

00:52:04,470 --> 00:52:02,480

check out his book the dancer and the
