

THE HIGHERSIDE CHATS

W/ GREG
CARLWOOD

CONSPIRACY, MYSTERY, AND COMEDY. BOOM.

1
00:00:14,749 --> 00:00:09,370
these are you and they in your chips

2
00:00:16,400 --> 00:00:14,759
America that can you Nicole dragon who

3
00:00:19,460 --> 00:00:16,410
the USA

4
00:00:23,060 --> 00:00:19,470
America's the greatest land of all on a

5
00:00:25,759 --> 00:00:23,070
highway or a road along a levee for

6
00:01:18,370 --> 00:00:25,769
pharmacist leader nothing can beat her

7
00:01:22,640 --> 00:01:20,450
welcome to the show it's been a while

8
00:01:24,200 --> 00:01:22,650
since the last THC that's cuz I spent

9
00:01:27,200 --> 00:01:24,210
the past few months learning how to make

10
00:01:29,060 --> 00:01:27,210
a decent website now if you go to the

11
00:01:30,740 --> 00:01:29,070
higher side chest comm you'll see I try

12
00:01:33,140 --> 00:01:30,750
to put up the best news stories of the

13
00:01:35,300 --> 00:01:33,150

day result though the podcast of course

14

00:01:36,950 --> 00:01:35,310

there's forums so you know people are

15

00:01:39,320 --> 00:01:36,960

talking if you want to talk about some

16

00:01:40,249 --> 00:01:39,330

crazy conspiracy stuff that's a good

17

00:01:43,160 --> 00:01:40,259

place to do it

18

00:01:47,120 --> 00:01:43,170

but I had a great time talking to Jordan

19

00:01:48,800 --> 00:01:47,130

Lilly Tyler and Tory who are four of the

20

00:01:51,710 --> 00:01:48,810

eight or so members of the spirit

21

00:01:53,420 --> 00:01:51,720

science council and we had a great chat

22

00:01:56,290 --> 00:01:53,430

so here it is

23

00:02:01,399 --> 00:01:59,240

hey folks I'm here with Jordan he's a

24

00:02:03,920 --> 00:02:01,409

creator of spirit science and the spirit

25

00:02:06,620 --> 00:02:03,930

quest web series is he's got the whole

26

00:02:10,400 --> 00:02:06,630

spirit science crew with him guys say

27

00:02:12,230 --> 00:02:10,410

hello hello now I'm also here with Kyle

28

00:02:15,620 --> 00:02:12,240

from the show you've seen him for he's

29

00:02:18,110 --> 00:02:15,630

been on here plenty of times we go huh

30

00:02:19,580 --> 00:02:18,120

but if you guys out there haven't seen

31

00:02:21,890 --> 00:02:19,590

spirit science it's one of the most

32

00:02:23,270 --> 00:02:21,900

clear and concise methods of exploring

33

00:02:25,940 --> 00:02:23,280

pretty much all the ideas of the

34

00:02:27,920 --> 00:02:25,950

alternative community meditation chakras

35

00:02:31,490 --> 00:02:27,930

astral projection

36

00:02:34,699 --> 00:02:31,500

you know crop circles 2012 Atlantis it's

37

00:02:36,890 --> 00:02:34,709

all great stuff um and it's one of my

38

00:02:38,690 --> 00:02:36,900

favorite web series is but the first one

39

00:02:40,100 --> 00:02:38,700

is thoughts which basically breaks down

40

00:02:42,530 --> 00:02:40,110

which you'll hear all the time which is

41

00:02:44,390 --> 00:02:42,540

that your thoughts manifest your reality

42

00:02:46,010 --> 00:02:44,400

which is an idea that you guys are

43

00:02:47,960 --> 00:02:46,020

actually living out and demonstrating

44

00:02:49,850 --> 00:02:47,970

with the spirit quest videos so I mean

45

00:02:52,220 --> 00:02:49,860

let's start there how how did spirit

46

00:02:55,340 --> 00:02:52,230

quest start and where's that now spirit

47

00:02:56,990 --> 00:02:55,350

quest started last year I guess in it

48

00:02:59,570 --> 00:02:57,000

was actually August 10th was when I left

49

00:03:01,880 --> 00:02:59,580

I went and decided that I wanted to

50

00:03:04,100 --> 00:03:01,890

travel the world or just kind of travel

51
00:03:06,080 --> 00:03:04,110
because I've always travelled previously

52
00:03:07,970 --> 00:03:06,090
and you know like in kind of school

53
00:03:09,289 --> 00:03:07,980
trips and vacations and stuff with my

54
00:03:11,180 --> 00:03:09,299
family and just thought it would be

55
00:03:12,590 --> 00:03:11,190
amazing and I you know learned about

56
00:03:13,970 --> 00:03:12,600
kind of the secret and the power of

57
00:03:15,650 --> 00:03:13,980
thoughts and stuff and I was like okay

58
00:03:18,140 --> 00:03:15,660
if I can do anything what I want to do

59
00:03:19,550 --> 00:03:18,150
and I decided that traveling was

60
00:03:21,860 --> 00:03:19,560
definitely in my best interest so I

61
00:03:23,870 --> 00:03:21,870
packed up my stuff I literally gave

62
00:03:25,550 --> 00:03:23,880
everything that I owned a way to like

63
00:03:28,699 --> 00:03:25,560

Salvation Army like all of my clothes I

64

00:03:30,319 --> 00:03:28,709

sold a bunch of my old stuff and just

65

00:03:32,840 --> 00:03:30,329

kind of took a few back there like two

66

00:03:36,289 --> 00:03:32,850

backpacks and left on my on this journey

67

00:03:40,460 --> 00:03:36,299

so I I traveled around the states for um

68

00:03:42,350 --> 00:03:40,470

several months and that whole adventure

69

00:03:44,300 --> 00:03:42,360

can be like watched online I probably

70

00:03:47,500 --> 00:03:44,310

don't need to go into all the world type

71

00:03:50,750 --> 00:03:47,510

everything but um eventually it came to

72

00:03:54,110 --> 00:03:50,760

actually I met the Atlantis King Tyler

73

00:03:56,030 --> 00:03:54,120

who's sitting next to me so and we we

74

00:03:57,470 --> 00:03:56,040

started talking I saw his videos on the

75

00:03:58,970 --> 00:03:57,480

spirit science face book and I was like

76

00:04:01,970 --> 00:03:58,980

I have to meet this guy we should

77

00:04:04,550 --> 00:04:01,980

totally hang out so I ended up getting a

78

00:04:08,180 --> 00:04:04,560

trip to Australia for super cheap thanks

79

00:04:09,470 --> 00:04:08,190

to our lovely friend Tori and um that

80

00:04:09,980 --> 00:04:09,480

was wonderful just like on a buddy pass

81

00:04:11,630 --> 00:04:09,990

thing and we

82

00:04:14,390 --> 00:04:11,640

I went to Australia for a month and

83

00:04:17,180 --> 00:04:14,400

lived in this beautiful Australian

84

00:04:19,160 --> 00:04:17,190

paradise we had a wonderful time and

85

00:04:22,850 --> 00:04:19,170

that convinced Tyler to come and travel

86

00:04:25,940 --> 00:04:22,860

so we came back here and now the group

87

00:04:29,270 --> 00:04:25,950

kind of also Lily whose line patches

88

00:04:31,610 --> 00:04:29,280

over there making food Tori is on the

89

00:04:33,440 --> 00:04:31,620

computer here we all kind of just kind

90

00:04:35,990 --> 00:04:33,450

of met online and look through the

91

00:04:40,070 --> 00:04:36,000

internet and came together in LA and

92

00:04:42,200 --> 00:04:40,080

we're like we're gonna roadtrip I love

93

00:04:43,550 --> 00:04:42,210

the fact that I'm like the first video

94

00:04:45,530 --> 00:04:43,560

of yours as thoughts and then that's

95

00:04:46,940 --> 00:04:45,540

like when you learn that you can control

96

00:04:48,560 --> 00:04:46,950

your thoughts and anything's possible

97

00:04:49,910 --> 00:04:48,570

that going traveling is really one of

98

00:04:52,700 --> 00:04:49,920

the first things that you can do it's

99

00:04:54,920 --> 00:04:52,710

like you prove it to yourself when you

100

00:04:56,540 --> 00:04:54,930

quit your job and you your cell you [h__\h]

101
00:04:58,010 --> 00:04:56,550
you grab two bags and stuff and you just

102
00:05:00,320 --> 00:04:58,020
run around the world a little while ago

103
00:05:01,940 --> 00:05:00,330
Wow all that ever matters is me and what

104
00:05:03,170 --> 00:05:01,950
I'm doing so it's really important

105
00:05:04,700 --> 00:05:03,180
lessons for some people to get and some

106
00:05:06,530 --> 00:05:04,710
people have been inspired to do it I'm

107
00:05:08,780 --> 00:05:06,540
just online which is amazing we hear

108
00:05:10,370 --> 00:05:08,790
emails from them around the world it's

109
00:05:11,080 --> 00:05:10,380
good to meet up with them as much as

110
00:05:14,240 --> 00:05:11,090
possible

111
00:05:15,650 --> 00:05:14,250
it's I mean it is such an obvious truth

112
00:05:18,140 --> 00:05:15,660
that your thoughts would manifest your

113
00:05:20,080 --> 00:05:18,150

reality but most people live life like

114

00:05:24,380 --> 00:05:20,090

they're victims of circumstance I mean

115

00:05:26,150 --> 00:05:24,390

me for example I hate my day job uh but

116

00:05:27,650 --> 00:05:26,160

I mean you know people people have the

117

00:05:29,570 --> 00:05:27,660

attitude like oh how did I get stuck

118

00:05:31,220 --> 00:05:29,580

here well you applied for the job you

119

00:05:32,810 --> 00:05:31,230

went on the interviews you tried really

120

00:05:35,030 --> 00:05:32,820

hard to get it and you drive yourself to

121

00:05:36,200 --> 00:05:35,040

work everyday but then then they laugh

122

00:05:39,320 --> 00:05:36,210

when someone says you can do anything

123

00:05:42,380 --> 00:05:39,330

you put your energy into yeah I mean

124

00:05:44,540 --> 00:05:42,390

Kyle he actually has quit his job the

125

00:05:47,720 --> 00:05:44,550

first of the year congratulations to

126

00:05:49,640 --> 00:05:47,730

Kyle he balled up and did it um yeah I

127

00:05:51,440 --> 00:05:49,650

would say that you were and your work

128

00:05:53,510 --> 00:05:51,450

has been pretty much an inspiration now

129

00:05:55,670 --> 00:05:53,520

followed most a spirit quest and all of

130

00:05:57,020 --> 00:05:55,680

the spirit science videos and it's it's

131

00:05:59,270 --> 00:05:57,030

changed my outlook on a lot of things

132

00:06:01,820 --> 00:05:59,280

but actually yeah me and my wife both

133

00:06:04,550 --> 00:06:01,830

quit our jobs and we've converted our

134

00:06:07,070 --> 00:06:04,560

entire grass backyard into a farm and

135

00:06:08,480 --> 00:06:07,080

the way right now and we're selling all

136

00:06:11,420 --> 00:06:08,490

our goods and giving the rest to

137

00:06:12,770 --> 00:06:11,430

Salvation Army so yeah that's awesome

138

00:06:15,080 --> 00:06:12,780

where is that we should come have a look

139

00:06:16,460 --> 00:06:15,090

oh it's in st. Louis you guys can stop

140

00:06:21,770 --> 00:06:16,470

by any time we have plenty of room here

141

00:06:23,390 --> 00:06:21,780

brother Hillary stay on what banks it is

142

00:06:23,770 --> 00:06:23,400

in the middle of the country where no

143

00:06:26,200 --> 00:06:23,780

one

144

00:06:29,500 --> 00:06:26,210

to be ah we would accept I'll build

145

00:06:31,870 --> 00:06:29,510

routers or we may be back there

146

00:06:34,150 --> 00:06:31,880

yeah we were we were just in in Colorado

147

00:06:36,940 --> 00:06:34,160

in Utah and we're almost back yeah I

148

00:06:38,500 --> 00:06:36,950

mean we're almost back in LA now but we

149

00:06:40,240 --> 00:06:38,510

were planning on definitely doing more

150

00:06:42,370 --> 00:06:40,250

traveling so maybe we will be back

151
00:06:44,230 --> 00:06:42,380
around we can even do a gathering out

152
00:06:46,030 --> 00:06:44,240
there and have lots of people kind of

153
00:06:48,400 --> 00:06:46,040
come out and just you know hang out and

154
00:06:50,560 --> 00:06:48,410
be the light for a little while he owns

155
00:06:52,720 --> 00:06:50,570
his home so I mean you're willing to to

156
00:06:53,980 --> 00:06:52,730
give it up for these type of events and

157
00:06:55,659 --> 00:06:53,990
stuff right which is a great resource

158
00:06:57,220 --> 00:06:55,669
you have you don't have any landlord

159
00:06:58,600 --> 00:06:57,230
that's gonna come bang on the door

160
00:07:01,240 --> 00:06:58,610
because you got too many people hanging

161
00:07:03,670 --> 00:07:01,250
out no I mean the banks are after me I

162
00:07:06,130 --> 00:07:03,680
mean eventually well they're after

163
00:07:08,740 --> 00:07:06,140

everybody join the club show up for the

164

00:07:12,850 --> 00:07:08,750

time being it's the strategy to use that

165

00:07:15,159 --> 00:07:12,860

ass yeah absolutely one uh one thing you

166

00:07:17,020 --> 00:07:15,169

mentioned in in the spirit quest and

167

00:07:20,500 --> 00:07:17,030

it's everyone's greatest fear is is

168

00:07:22,810 --> 00:07:20,510

money and a lot of people would love to

169

00:07:24,550 --> 00:07:22,820

live out this kind of lifestyle but

170

00:07:27,159 --> 00:07:24,560

they're just afraid that you know

171

00:07:28,270 --> 00:07:27,169

they're going to go broke and be living

172

00:07:29,530 --> 00:07:28,280

on the streets which you know

173

00:07:31,659 --> 00:07:29,540

essentially that's what a nomadic

174

00:07:34,659 --> 00:07:31,669

lifestyle is so what are you afraid of

175

00:07:36,340 --> 00:07:34,669

but I mean you kind of hint on the fact

176

00:07:39,010 --> 00:07:36,350

that you know things have just kind of

177

00:07:41,230 --> 00:07:39,020

happened as they need to happen but can

178

00:07:43,960 --> 00:07:41,240

you give some more detail like how the

179

00:07:47,730 --> 00:07:43,970

universe is manifesting these things

180

00:07:50,500 --> 00:07:47,740

that you don't hit these roadblocks um

181

00:07:53,200 --> 00:07:50,510

well I mean we pretty much don't have

182

00:07:56,950 --> 00:07:53,210

money except when we do have money and

183

00:07:59,320 --> 00:07:56,960

the way that we're functioning is that

184

00:08:01,810 --> 00:07:59,330

in order to gain something it has to

185

00:08:04,270 --> 00:08:01,820

have space you know in order for a plan

186

00:08:07,029 --> 00:08:04,280

to grow it has to have the space to grow

187

00:08:10,750 --> 00:08:07,039

so when you've accumulated so much you

188

00:08:12,279 --> 00:08:10,760

get stuffed so when you start to let go

189

00:08:14,080 --> 00:08:12,289

of those things and you're creating

190

00:08:16,870 --> 00:08:14,090

space and the new things you want will

191

00:08:20,380 --> 00:08:16,880

be able to come in so every time we go

192

00:08:23,590 --> 00:08:20,390

broke quote-unquote um we pretty much

193

00:08:25,360 --> 00:08:23,600

just sit there and concentrate on what

194

00:08:28,120 --> 00:08:25,370

we want like a specific amount of money

195

00:08:31,120 --> 00:08:28,130

for a specific thing we're trying to do

196

00:08:32,829 --> 00:08:31,130

and then it comes because the universe

197

00:08:34,480 --> 00:08:32,839

isn't bias it'll give you what you want

198

00:08:36,250 --> 00:08:34,490

whether it's positive or negative it's

199

00:08:37,719 --> 00:08:36,260

up to you to be very specific about it

200

00:08:39,399 --> 00:08:37,729

one of the one of them

201
00:08:42,040 --> 00:08:39,409
things or the one of the ways that we've

202
00:08:44,230 --> 00:08:42,050
kind of made someone in law school I was

203
00:08:46,060 --> 00:08:44,240
actually through crystals we went to the

204
00:08:48,460 --> 00:08:46,070
Tucson Gem show with the intention of

205
00:08:50,439 --> 00:08:48,470
getting some crystals and we ended up

206
00:08:54,280 --> 00:08:50,449
getting this like for it was like for

207
00:08:57,400 --> 00:08:54,290
\$50 we got the massive satchel of a

208
00:08:58,660 --> 00:08:57,410
giant sack of rose quartz so as we've

209
00:09:00,160 --> 00:08:58,670
been traveling around we've been giving

210
00:09:02,740 --> 00:09:00,170
away rose quartz to like people that we

211
00:09:04,090 --> 00:09:02,750
meet but we also went to we had our own

212
00:09:07,540 --> 00:09:04,100
little spirit science gathering in

213
00:09:08,949 --> 00:09:07,550

Boulder so we when we were there we were

214

00:09:10,810 --> 00:09:08,959

able to kind of sell some of the

215

00:09:13,509 --> 00:09:10,820

crystals and make a little extra money

216

00:09:14,769 --> 00:09:13,519

that we were able to travel um I guess

217

00:09:17,290 --> 00:09:14,779

that's one of the specifics but yeah

218

00:09:19,480 --> 00:09:17,300

it's it's when you open up to allow

219

00:09:20,769 --> 00:09:19,490

things to flow especially on the the

220

00:09:22,000 --> 00:09:20,779

money aspect it's kind of one of the

221

00:09:24,370 --> 00:09:22,010

things that I think a lot of people

222

00:09:26,439 --> 00:09:24,380

struggle with just because they went

223

00:09:28,780 --> 00:09:26,449

when they get into the mindset that you

224

00:09:30,970 --> 00:09:28,790

know it's like you can do anything in

225

00:09:32,769 --> 00:09:30,980

kind of this spiritual path they kind of

226

00:09:34,420 --> 00:09:32,779

think that money is this taboo subject

227

00:09:36,579 --> 00:09:34,430

and it kind of becomes it just because

228

00:09:38,500 --> 00:09:36,589

that's what they created to be but you

229

00:09:40,420 --> 00:09:38,510

know in this current state of the world

230

00:09:41,889 --> 00:09:40,430

unfortunately we still need it so you

231

00:09:43,150 --> 00:09:41,899

have to find ways to manifest it but

232

00:09:46,480 --> 00:09:43,160

when you come to terms with terms with

233

00:09:48,250 --> 00:09:46,490

that you can usually find ways to make

234

00:09:49,960 --> 00:09:48,260

money relatively smoothly or

235

00:09:52,449 --> 00:09:49,970

harmonically with what it is that you're

236

00:09:54,879 --> 00:09:52,459

doing I like to say that money is what

237

00:09:57,160 --> 00:09:54,889

you need when you don't have faith that

238

00:10:01,000 --> 00:09:57,170

makes it really easy just to think and

239

00:10:05,790 --> 00:10:01,010

then uh what was the other point that I

240

00:10:08,079 --> 00:10:05,800

had it's gone that's okay thank you

241

00:10:09,850 --> 00:10:08,089

there's going to be negative in your

242

00:10:11,920 --> 00:10:09,860

life so if you're thinking of money as a

243

00:10:14,230 --> 00:10:11,930

negative thing you're always going to

244

00:10:16,420 --> 00:10:14,240

have this rough relationship with it if

245

00:10:19,780 --> 00:10:16,430

you like transmute money as a positive

246

00:10:22,329 --> 00:10:19,790

thing as a tool to do good things then

247

00:10:24,759 --> 00:10:22,339

your perception of it will change and

248

00:10:26,740 --> 00:10:24,769

then you won't have such dismal bad

249

00:10:30,550 --> 00:10:26,750

relationship like it's a bad boyfriend a

250

00:10:32,710 --> 00:10:30,560

girlfriend right so that my personal

251
00:10:34,750 --> 00:10:32,720
problem is I have no problem with money

252
00:10:37,870 --> 00:10:34,760
it's just the means of which I'm

253
00:10:40,660 --> 00:10:37,880
attaining it is such a negative

254
00:10:42,550 --> 00:10:40,670
atmosphere and such as it's something I

255
00:10:45,100 --> 00:10:42,560
don't want to do which is you know most

256
00:10:47,500 --> 00:10:45,110
people's day job but I see the money as

257
00:10:49,750 --> 00:10:47,510
a way to to achieve more freedom you

258
00:10:51,340 --> 00:10:49,760
know I I can now buy a kayak so I can

259
00:10:53,860 --> 00:10:51,350
walk it down to the bay

260
00:10:55,480 --> 00:10:53,870
the days off so you know obviously you

261
00:10:58,900 --> 00:10:55,490
get more resources that way but I just

262
00:11:00,460 --> 00:10:58,910
it's the the job that I hate so much but

263
00:11:02,050 --> 00:11:00,470

you know that's the paradigm that so

264

00:11:04,180 --> 00:11:02,060

many people are stuck with and I mean

265

00:11:06,430 --> 00:11:04,190

that's why I love watching the spirit

266

00:11:08,080 --> 00:11:06,440

quest because you know it's kind of like

267

00:11:10,810 --> 00:11:08,090

living vicariously through people who

268

00:11:12,520 --> 00:11:10,820

have the balls to do what I don't just

269

00:11:13,900 --> 00:11:12,530

quit the day job you know I think kind

270

00:11:15,580 --> 00:11:13,910

of as we're moving into this whole new

271

00:11:18,760 --> 00:11:15,590

paradigm of everything I mean money is

272

00:11:21,340 --> 00:11:18,770

slowly gonna start to fizzle out but in

273

00:11:22,750 --> 00:11:21,350

the meantime I think it's I mean you're

274

00:11:25,060 --> 00:11:22,760

just saying you you don't like doing

275

00:11:26,440 --> 00:11:25,070

what you're doing and it's going to be

276

00:11:28,510 --> 00:11:26,450

up to either you know there's going to

277

00:11:29,980 --> 00:11:28,520

be people who are going to start new

278

00:11:32,740 --> 00:11:29,990

businesses and new jobs and new

279

00:11:34,360 --> 00:11:32,750

lifestyles that also kind of bring in

280

00:11:36,820 --> 00:11:34,370

money and it's kind of I guess a new way

281

00:11:38,620 --> 00:11:36,830

of doing business but it's like fun and

282

00:11:40,270 --> 00:11:38,630

you know you're just kind of living free

283

00:11:42,610 --> 00:11:40,280

and having fun and doing what you love

284

00:11:45,910 --> 00:11:42,620

and also bringing in goodness and I

285

00:11:47,290 --> 00:11:45,920

think yes I guess it'll kind of be the

286

00:11:49,420 --> 00:11:47,300

same thing as if you know the people who

287

00:11:50,740 --> 00:11:49,430

start businesses in the modern world

288

00:11:52,630 --> 00:11:50,750

today and then the people who don't and

289

00:11:55,000 --> 00:11:52,640

the other people will start to kind of

290

00:11:56,800 --> 00:11:55,010

come to those people and work for the

291

00:11:58,660 --> 00:11:56,810

businesses and then don't be kind of a

292

00:12:01,750 --> 00:11:58,670

community around doing whatever it is

293

00:12:04,660 --> 00:12:01,760

whether it's some new type of Zen garden

294

00:12:06,580 --> 00:12:04,670

of awesome or I don't really have any

295

00:12:10,630 --> 00:12:06,590

ideas of you know what I'm talking about

296

00:12:13,540 --> 00:12:10,640

I think yeah important to keep reminding

297

00:12:16,750 --> 00:12:13,550

yourself that you don't have to do what

298

00:12:19,510 --> 00:12:16,760

the status quo says to make money you

299

00:12:22,360 --> 00:12:19,520

know as a human being you have this

300

00:12:25,270 --> 00:12:22,370

awesome ability to bring you know things

301
00:12:27,460 --> 00:12:25,280
in the fourth fifth and six and blah

302
00:12:30,070 --> 00:12:27,470
blah dimensions down into the third and

303
00:12:32,020 --> 00:12:30,080
I think visualizing I mean even drawing

304
00:12:35,680 --> 00:12:32,030
yourself even if it's a stick figure of

305
00:12:37,660 --> 00:12:35,690
yourself surrounded by this new life you

306
00:12:39,940 --> 00:12:37,670
want it's important to visualize that

307
00:12:43,410 --> 00:12:39,950
and know that you always have a way out

308
00:12:46,810 --> 00:12:43,420
there is no such thing as being trapped

309
00:12:50,230 --> 00:12:46,820
mmm you create the stuckness yourself of

310
00:12:52,060 --> 00:12:50,240
course of course era yeah it's like it's

311
00:12:54,280 --> 00:12:52,070
like I completely accept that and I just

312
00:12:56,620 --> 00:12:54,290
you know live a hypocritical lifestyle

313
00:13:00,400 --> 00:12:56,630

but I mean that's what's given KY why

314

00:13:03,130 --> 00:13:00,410

why are you putting is from that and

315

00:13:04,240 --> 00:13:03,140

what lesson were you glean and make like

316

00:13:06,130 --> 00:13:04,250

listen how long

317

00:13:07,300 --> 00:13:06,140

will it take before you decide wait I'm

318

00:13:10,000 --> 00:13:07,310

gonna go do something else

319

00:13:11,290 --> 00:13:10,010

that I want to do right I well I mean

320

00:13:12,880 --> 00:13:11,300

that's kind of what the [h__h] with this

321

00:13:14,770 --> 00:13:12,890

website and show is is trying to

322

00:13:16,750 --> 00:13:14,780

transition into something that I

323

00:13:18,160 --> 00:13:16,760

actually enjoy doing but I mean how many

324

00:13:20,140 --> 00:13:18,170

people do you think are out there that

325

00:13:21,430 --> 00:13:20,150

actually watch every spirit science and

326

00:13:22,840 --> 00:13:21,440

the spirit quest and to live in the same

327

00:13:24,190 --> 00:13:22,850

kind of lifestyle they still go to a

328

00:13:26,140 --> 00:13:24,200

nine-to-five they're probably not

329

00:13:28,900 --> 00:13:26,150

passionate about it's because there's

330

00:13:31,810 --> 00:13:28,910

just this fear of completely detaching

331

00:13:33,490 --> 00:13:31,820

and that's why I respect you guys and

332

00:13:35,440 --> 00:13:33,500

Kyle I wanted to have him here because I

333

00:13:36,610 --> 00:13:35,450

think that it's the chain it's the

334

00:13:39,700 --> 00:13:36,620

thought that there's a change in

335

00:13:41,200 --> 00:13:39,710

paradigm that gave Kyle the strength to

336

00:13:42,970 --> 00:13:41,210

be able to walk away from the job

337

00:13:46,090 --> 00:13:42,980

because you know like you just said

338

00:13:47,830 --> 00:13:46,100

money is prot is going to be changing

339

00:13:49,960 --> 00:13:47,840

the way we interact with money and kind

340

00:13:52,870 --> 00:13:49,970

of the economic models we have are gonna

341

00:13:57,550 --> 00:13:52,880

probably be changing I mean what do you

342

00:14:03,790 --> 00:13:57,560

guys expect out of 2012 love a change

343

00:14:06,730 --> 00:14:03,800

I'm gonna she is lying passion and well

344

00:14:10,090 --> 00:14:06,740

there's so many different aspects and

345

00:14:12,940 --> 00:14:10,100

layers and levels of discussing 2012 and

346

00:14:14,440 --> 00:14:12,950

I don't think that you can just say flat

347

00:14:16,000 --> 00:14:14,450

out well this is going to happen or this

348

00:14:18,790 --> 00:14:16,010

is going to happen because it's a very

349

00:14:21,460 --> 00:14:18,800

dynamic thing and absolutely everyone is

350

00:14:22,840 --> 00:14:21,470

going to affect it I think that things

351
00:14:24,790 --> 00:14:22,850
are going to keep moving faster and

352
00:14:27,610 --> 00:14:24,800
faster like I don't know if I'm like for

353
00:14:29,260 --> 00:14:27,620
us maybe is you know it's accelerated

354
00:14:30,940 --> 00:14:29,270
because we're traveling and living in

355
00:14:33,550 --> 00:14:30,950
the way that we are and not kind of in

356
00:14:35,079 --> 00:14:33,560
this nine-to-five ritual but things have

357
00:14:36,400 --> 00:14:35,089
been speeding up monumentally at least

358
00:14:38,530 --> 00:14:36,410
for us and I can't say that's the same

359
00:14:42,060 --> 00:14:38,540
for everyone else but no I agree I agree

360
00:14:44,740 --> 00:14:42,070
ax I even I mean it does it feel like a

361
00:14:47,200 --> 00:14:44,750
sixth of the year is over already

362
00:14:48,910 --> 00:14:47,210
is it I mean yeah look yeah there's

363
00:14:51,100 --> 00:14:48,920

there's only 12 months in a year two of

364

00:14:53,560 --> 00:14:51,110

them are done the months it's a sixth of

365

00:14:56,590 --> 00:14:53,570

the sixth year first quarter is done or

366

00:15:01,240 --> 00:14:56,600

first quarter is worried first six I

367

00:15:03,400 --> 00:15:01,250

mean whoa whoa tight time definitely

368

00:15:06,430 --> 00:15:03,410

feels like it's speeding up the humans

369

00:15:08,230 --> 00:15:06,440

like formula for time is going to be

370

00:15:11,410 --> 00:15:08,240

change scuse me I have food in my mouth

371

00:15:12,730 --> 00:15:11,420

um okay well while you chew or sit I

372

00:15:14,500 --> 00:15:12,740

don't know if you guys know anything

373

00:15:17,470 --> 00:15:14,510

with the dream spell calendar and Jose

374

00:15:19,170 --> 00:15:17,480

argh wellis but um he did like a lot of

375

00:15:21,280 --> 00:15:19,180

work on kind of the whole new paradigm

376

00:15:23,079 --> 00:15:21,290

understanding time and he kind of

377

00:15:25,750 --> 00:15:23,089

rewrote a calendar based on the lunar

378

00:15:27,160 --> 00:15:25,760

cycles and there's a you know that is

379

00:15:30,300 --> 00:15:27,170

like a huge topic on its own I actually

380

00:15:33,910 --> 00:15:30,310

don't know pray as it sounds like but

381

00:15:35,410 --> 00:15:33,920

but he did a lot of work on kind of

382

00:15:37,900 --> 00:15:35,420

trying to push this new calendar

383

00:15:39,970 --> 00:15:37,910

actually I do want to look into this and

384

00:15:41,980 --> 00:15:39,980

possibly share it on spirit science too

385

00:15:43,840 --> 00:15:41,990

in an episode and be like well start

386

00:15:45,189 --> 00:15:43,850

kind of a you know maybe learning about

387

00:15:47,949 --> 00:15:45,199

this calendar and how it works because

388

00:15:49,720 --> 00:15:47,959

it puts you on a cycle of time that is

389

00:15:53,949 --> 00:15:49,730

natural and harmonic to what the earth

390

00:15:55,780 --> 00:15:53,959

experiences so like like it for us our

391

00:15:57,610 --> 00:15:55,790

our way of tracking things you know we

392

00:16:00,370 --> 00:15:57,620

have like the all these different like

393

00:16:03,790 --> 00:16:00,380

leap years and and we're not in tune

394

00:16:06,040 --> 00:16:03,800

with the lunar cycles or the even the

395

00:16:08,980 --> 00:16:06,050

solar cycles really well because of the

396

00:16:11,139 --> 00:16:08,990

leak year part the Mayan calendar date

397

00:16:13,900 --> 00:16:11,149

that's supposed to be the 21st December

398

00:16:16,840 --> 00:16:13,910

this year he actually came up October of

399

00:16:18,910 --> 00:16:16,850

2011 well that was that big game there's

400

00:16:21,340 --> 00:16:18,920

a I've I've heard that but isn't the

401
00:16:23,350 --> 00:16:21,350
Mayan calendar tied to the precession of

402
00:16:25,660 --> 00:16:23,360
the equinoxes so that it doesn't really

403
00:16:28,540 --> 00:16:25,670
you know it's going to come to fruition

404
00:16:31,180 --> 00:16:28,550
on December 21st 2012 because that's the

405
00:16:33,759 --> 00:16:31,190
end of the cycle so it doesn't really

406
00:16:36,639 --> 00:16:33,769
matter what the Gregorian calendar puts

407
00:16:38,680 --> 00:16:36,649
on it or am I wrong article boy yes the

408
00:16:41,889 --> 00:16:38,690
the Gregorian calendar is also part of

409
00:16:44,199 --> 00:16:41,899
the same kind of program and that um

410
00:16:45,699 --> 00:16:44,209
well with the with with the dream spell

411
00:16:48,579 --> 00:16:45,709
as well actually this is something I

412
00:16:50,590 --> 00:16:48,589
learned recently that when you take the

413
00:16:52,600 --> 00:16:50,600

the dream spell calendar because the the

414

00:16:56,650 --> 00:16:52,610

solar counter or the the lunar kept

415

00:16:58,960 --> 00:16:56,660

little we start that be the Mayan Long

416

00:17:01,389 --> 00:16:58,970

Count is the solar calendar they kind of

417

00:17:03,009 --> 00:17:01,399

max my son and how the earth works with

418

00:17:05,319 --> 00:17:03,019

the Sun and then the dream spell is the

419

00:17:07,600 --> 00:17:05,329

lunar calendar so it kind of works with

420

00:17:09,699 --> 00:17:07,610

the the lunar cycles of the moon and

421

00:17:12,460 --> 00:17:09,709

when you when you're working with that

422

00:17:15,850 --> 00:17:12,470

from what I've learned at least is when

423

00:17:17,919 --> 00:17:15,860

you frac build down the the dates with

424

00:17:20,260 --> 00:17:17,929

the the lunar calendar the end of the

425

00:17:23,140 --> 00:17:20,270

cycle ends on 12/12/12

426

00:17:26,049 --> 00:17:23,150

so it's not 12-21-12 but that's just you

427

00:17:27,850 --> 00:17:26,059

know another aspect of change I guess

428

00:17:30,250 --> 00:17:27,860

and all of these things are just windows

429

00:17:31,000 --> 00:17:30,260

to like the minds called this window

430

00:17:33,130 --> 00:17:31,010

that we're in right now

431

00:17:34,270 --> 00:17:33,140

the end of time which says that this

432

00:17:37,300 --> 00:17:34,280

shift is going to happen sometime

433

00:17:39,280 --> 00:17:37,310

between 2007 and 2015 so you can't say

434

00:17:42,070 --> 00:17:39,290

that it's going to be December 21st or

435

00:17:44,170 --> 00:17:42,080

December 12th or our Co world on 28th or

436

00:17:46,180 --> 00:17:44,180

any of these dates because it's it

437

00:17:50,260 --> 00:17:46,190

exists within a window and the time

438

00:17:51,940 --> 00:17:50,270

meaning end of time it's right not end

439

00:17:53,560 --> 00:17:51,950

of the world but the end end of time

440

00:17:55,960 --> 00:17:53,570

like EV you guys studied terence

441

00:17:57,880 --> 00:17:55,970

mckenna's time wave time wave zero have

442

00:17:59,890 --> 00:17:57,890

that book had just got that book and

443

00:18:02,170 --> 00:17:59,900

then we're reading about it in 2012 the

444

00:18:05,890 --> 00:18:02,180

return of quit Sakura was oh nice

445

00:18:07,750 --> 00:18:05,900

awesome boat line basically it well one

446

00:18:10,420 --> 00:18:07,760

big part of spirit science is the whole

447

00:18:12,130 --> 00:18:10,430

idea of Christ consciousness um how do

448

00:18:13,570 --> 00:18:12,140

you guys see that manifesting I mean

449

00:18:16,030 --> 00:18:13,580

because that's supposed to be related in

450

00:18:17,740 --> 00:18:16,040

some way to 2012 or to this time period

451

00:18:20,410 --> 00:18:17,750

correct definitely ooh

452

00:18:24,310 --> 00:18:20,420

I'll start okay I'm maturing I see this

453

00:18:25,660 --> 00:18:24,320

over I am when I was in Australia I was

454

00:18:27,190 --> 00:18:25,670

with a very smart man that was

455

00:18:29,410 --> 00:18:27,200

supporting the rights of amateurism

456

00:18:31,180 --> 00:18:29,420

and this is really what well we're

457

00:18:32,770 --> 00:18:31,190

coming from two different sides but you

458

00:18:35,560 --> 00:18:32,780

know everything that we try and do is

459

00:18:37,570 --> 00:18:35,570

support people to inspire people to go

460

00:18:39,760 --> 00:18:37,580

and start doing what you know what

461

00:18:41,560 --> 00:18:39,770

exactly what they want to do and the

462

00:18:42,940 --> 00:18:41,570

current system doesn't provide for that

463

00:18:45,670 --> 00:18:42,950

so they can't walk into a job like you

464

00:18:47,320 --> 00:18:45,680

yourself your nine-to-five probably

465

00:18:49,900 --> 00:18:47,330

doesn't support you know yourself

466

00:18:52,330 --> 00:18:49,910

spiritually or maybe emotionally and

467

00:18:53,890 --> 00:18:52,340

things like that not at all so you can't

468

00:18:55,360 --> 00:18:53,900

mentally exactly and they're not very

469

00:18:56,800 --> 00:18:55,370

stimulating so you're going to get out

470

00:19:00,100 --> 00:18:56,810

there and you're going to make your own

471

00:19:03,070 --> 00:19:00,110

thing that suits you that's what I'm

472

00:19:04,810 --> 00:19:03,080

like real a book just manifested into

473

00:19:06,370 --> 00:19:04,820

our hands called the Mayan calendar and

474

00:19:08,920 --> 00:19:06,380

the transformation of consciousness and

475

00:19:11,530 --> 00:19:08,930

I want to steal it from our friend

476
00:19:14,500 --> 00:19:11,540
Demetrius so that we may read it okay

477
00:19:17,800 --> 00:19:14,510
the genie will try not to kill you

478
00:19:19,300 --> 00:19:17,810
as long as it's great and wonderful all

479
00:19:21,850 --> 00:19:19,310
right all right we'll read that and put

480
00:19:25,900 --> 00:19:21,860
that on an episode here that I forgot

481
00:19:28,120 --> 00:19:25,910
what I was talking about I forgot just

482
00:19:29,770 --> 00:19:28,130
the man how do you see Christ

483
00:19:31,480 --> 00:19:29,780
consciousness manifesting I mean because

484
00:19:33,580 --> 00:19:31,490
you talk and one me I think it's in the

485
00:19:37,200 --> 00:19:33,590
history movie you talk about the grid

486
00:19:39,670 --> 00:19:37,210
the Christ consciousness grid activating

487
00:19:42,760 --> 00:19:39,680
what can you elaborate on that

488
00:19:44,620 --> 00:19:42,770

consciousness is it's not going to be

489

00:19:47,830 --> 00:19:44,630

something that people look up into this

490

00:19:49,030 --> 00:19:47,840

guy and see something and go whoa and

491

00:19:51,340 --> 00:19:49,040

then it's like that's Christ

492

00:19:53,050 --> 00:19:51,350

consciousness it's here it's back it's

493

00:19:55,120 --> 00:19:53,060

going to be something that's activated

494

00:19:57,430 --> 00:19:55,130

within the hearts of the individuals and

495

00:19:59,530 --> 00:19:57,440

I think the change is going to be very

496

00:20:01,420 --> 00:19:59,540

very internal it's going to be in how

497

00:20:05,380 --> 00:20:01,430

people are thinking how they understand

498

00:20:06,670 --> 00:20:05,390

reality and and how they go how they go

499

00:20:07,680 --> 00:20:06,680

about their lives and how they interact

500

00:20:10,360 --> 00:20:07,690

with each other

501
00:20:13,270 --> 00:20:10,370
mm-hmm do you think the Occupy movement

502
00:20:16,000 --> 00:20:13,280
is it all tied to all of the awakening

503
00:20:18,490 --> 00:20:16,010
all of it is um because it we're just

504
00:20:19,960 --> 00:20:18,500
pushing further and further on the

505
00:20:21,700 --> 00:20:19,970
awareness friend and then people are

506
00:20:23,170 --> 00:20:21,710
like continually talking about more and

507
00:20:25,510 --> 00:20:23,180
more things and I mean it's not starting

508
00:20:27,880 --> 00:20:25,520
you know the big discussion is not right

509
00:20:29,620 --> 00:20:27,890
now you know Christ consciousness and

510
00:20:31,330 --> 00:20:29,630
and evolution of consciousness although

511
00:20:33,850 --> 00:20:31,340
it's you know picking up in our

512
00:20:36,310 --> 00:20:33,860
communities in the kind of modern

513
00:20:38,080 --> 00:20:36,320

society to you know bubble that is still

514

00:20:40,510 --> 00:20:38,090

existing people are still they're

515

00:20:43,300 --> 00:20:40,520

talking about you know the the wealth

516

00:20:45,040 --> 00:20:43,310

gap and the how people are doing things

517

00:20:47,110 --> 00:20:45,050

in the world and the way that the I

518

00:20:48,940 --> 00:20:47,120

guess the social structure of things I

519

00:20:52,090 --> 00:20:48,950

think tribe was really good for that

520

00:20:53,500 --> 00:20:52,100

because thrive talked all about the not

521

00:20:56,140 --> 00:20:53,510

so much the evolution of consciousness

522

00:20:57,940 --> 00:20:56,150

but the evolution of energy and how we

523

00:20:59,770 --> 00:20:57,950

are functioning as a society all

524

00:21:01,660 --> 00:20:59,780

together and that that was really I

525

00:21:03,190 --> 00:21:01,670

think that all together with talking

526
00:21:06,490 --> 00:21:03,200
about Sigma geometries going to bridge a

527
00:21:09,430 --> 00:21:06,500
lot of gaps between people who are not

528
00:21:10,780 --> 00:21:09,440
spiritually interested and then maybe if

529
00:21:13,570 --> 00:21:10,790
I see that and then they'll learn about

530
00:21:15,310 --> 00:21:13,580
sacred geometry and if they're if they

531
00:21:17,830 --> 00:21:15,320
can see something in their new that they

532
00:21:20,140 --> 00:21:17,840
haven't seen before that might get them

533
00:21:21,580 --> 00:21:20,150
till I start looking further because the

534
00:21:23,770 --> 00:21:21,590
thing with sacred geometry is that it's

535
00:21:25,750 --> 00:21:23,780
not just like the Flower of Life that's

536
00:21:28,300 --> 00:21:25,760
not just the pattern of creation but

537
00:21:31,210 --> 00:21:28,310
that's the pattern of you that like like

538
00:21:33,790 --> 00:21:31,220

that is the biological pattern that you

539

00:21:35,290 --> 00:21:33,800

flow through geometrically and if you

540

00:21:38,170 --> 00:21:35,300

work with the patterns and you work with

541

00:21:40,960 --> 00:21:38,180

sacred geometry you can connect with the

542

00:21:42,700 --> 00:21:40,970

basic geometries of the universe and

543

00:21:45,280 --> 00:21:42,710

feel how they flow through your own

544

00:21:49,630 --> 00:21:45,290

being and that is something very magical

545

00:21:52,420 --> 00:21:49,640

I think and do you guys think that the

546

00:21:54,010 --> 00:21:52,430

you know let's say the 13 families or

547

00:21:56,890 --> 00:21:54,020

the global lead you think these people

548

00:21:58,300 --> 00:21:56,900

are knowledgeable in these areas or do

549

00:22:01,240 --> 00:21:58,310

you think they're stuck in

550

00:22:03,160 --> 00:22:01,250

a greed paradigm that just you know

551
00:22:04,860 --> 00:22:03,170
that's why they facilitate it was the

552
00:22:07,480 --> 00:22:04,870
kind of reality there I would say both

553
00:22:09,850 --> 00:22:07,490
therapy at the very very very tippy top

554
00:22:11,680 --> 00:22:09,860
they're using like dark magic so like I

555
00:22:13,420 --> 00:22:11,690
mean I don't know if you've ever looked

556
00:22:15,850 --> 00:22:13,430
at kind of like occult stuff but there's

557
00:22:17,920 --> 00:22:15,860
kind of two sides of where a Freemasonry

558
00:22:19,420 --> 00:22:17,930
kinda went and there's a kind of

559
00:22:21,730 --> 00:22:19,430
exploration of the universe and

560
00:22:23,320 --> 00:22:21,740
equilibrium and balance and stability

561
00:22:25,510 --> 00:22:23,330
and stuff and then there's kind of this

562
00:22:27,790 --> 00:22:25,520
other side side that uses the pentagram

563
00:22:29,260 --> 00:22:27,800

to control and manipulate the

564

00:22:32,470 --> 00:22:29,270

electromagnetic fields and

565

00:22:34,990 --> 00:22:32,480

electromagnetic forces of things and you

566

00:22:36,580 --> 00:22:35,000

know I guess from from my research and

567

00:22:38,020 --> 00:22:36,590

there's you know this goes into all just

568

00:22:40,810 --> 00:22:38,030

like conspiracy theory stuff but I would

569

00:22:42,940 --> 00:22:40,820

say that there's definitely some being

570

00:22:45,400 --> 00:22:42,950

like like beings at the very top of the

571

00:22:49,000 --> 00:22:45,410

pyramid and in even even in higher

572

00:22:52,110 --> 00:22:49,010

frequencies that are placing an

573

00:22:55,840 --> 00:22:52,120

influence on the course of us of our

574

00:22:57,850 --> 00:22:55,850

growth so you know they're doing that

575

00:23:00,580 --> 00:22:57,860

and then kind of like one step down on

576
00:23:02,620 --> 00:23:00,590
that pyramid it's this massive bubble of

577
00:23:04,690 --> 00:23:02,630
greed that is just surrounded by

578
00:23:06,220 --> 00:23:04,700
confusion and they don't really know

579
00:23:08,080 --> 00:23:06,230
what they want but they think it's you

580
00:23:10,210 --> 00:23:08,090
know all this money and then that kind

581
00:23:12,640 --> 00:23:10,220
of trickles down into the systems of

582
00:23:15,340 --> 00:23:12,650
modern society at least that's kind of

583
00:23:18,220 --> 00:23:15,350
what I feel it is you having sex oh well

584
00:23:20,950 --> 00:23:18,230
yeah I tend to agree I mean I'm a lot

585
00:23:23,320 --> 00:23:20,960
more like I research a lot more into the

586
00:23:25,800 --> 00:23:23,330
conspiracy side and not so much into the

587
00:23:28,150 --> 00:23:25,810
new-age side or the New Age philosophy

588
00:23:30,400 --> 00:23:28,160

but that's what I like about spirit

589

00:23:31,810 --> 00:23:30,410
sciences it does do a good job of

590

00:23:34,210 --> 00:23:31,820
blending both almost because you

591

00:23:35,530 --> 00:23:34,220
definitely hint at the fact that you

592

00:23:36,850 --> 00:23:35,540
know NASA doesn't want us to know

593

00:23:39,910 --> 00:23:36,860
certain things that you're talking about

594

00:23:41,590 --> 00:23:39,920
in spirit science and I think they were

595

00:23:42,970 --> 00:23:41,600
definitely relatable but I just have a

596

00:23:45,850 --> 00:23:42,980
hard time because I've not much of a

597

00:23:47,200 --> 00:23:45,860
meditator or I've never had an astral

598

00:23:49,090 --> 00:23:47,210
projection I've had a psychedelic

599

00:23:52,330 --> 00:23:49,100
experience that was out-of-body which

600

00:23:54,940 --> 00:23:52,340
was pretty life-changing but I haven't

601
00:23:56,410 --> 00:23:54,950
had a lot of the personal experiences to

602
00:23:59,800 --> 00:23:56,420
it so it's a lot easier for me to look

603
00:24:02,290 --> 00:23:59,810
at you know something like the Council

604
00:24:04,540 --> 00:24:02,300
on Foreign Relations and see how they

605
00:24:07,210 --> 00:24:04,550
influenced us rather than the internal

606
00:24:09,370 --> 00:24:07,220
or the spiritual side I recommend

607
00:24:10,900 --> 00:24:09,380
meditation personally if you're if

608
00:24:11,430 --> 00:24:10,910
you're looking for spiritual experiences

609
00:24:13,139 --> 00:24:11,440
and

610
00:24:15,119 --> 00:24:13,149
kind of going deeper into yourself

611
00:24:17,460 --> 00:24:15,129
meditation is a great place to start um

612
00:24:18,720 --> 00:24:17,470
and I would actually we've just been

613
00:24:20,759 --> 00:24:18,730

lately we've been reading this book

614

00:24:22,649 --> 00:24:20,769

called living in the heart by dreamful

615

00:24:24,299 --> 00:24:22,659

Oh Melchizedek he also is the one who

616

00:24:26,759 --> 00:24:24,309

did the Flower of Life books amazing

617

00:24:28,710 --> 00:24:26,769

right is amazing yeah I'm going to read

618

00:24:30,480 --> 00:24:28,720

that book it shows exactly why and how

619

00:24:32,460 --> 00:24:30,490

you should meditate in this in this way

620

00:24:34,320 --> 00:24:32,470

in the place that you intend to find it

621

00:24:37,470 --> 00:24:34,330

gives you a whole paradigm and assistant

622

00:24:38,399 --> 00:24:37,480

to to work at it goes into a lot of like

623

00:24:39,840 --> 00:24:38,409

we're going to be doing a lot of

624

00:24:41,430 --> 00:24:39,850

episodes and spirit science about the

625

00:24:43,399 --> 00:24:41,440

heart like the power of the heart and

626

00:24:45,570 --> 00:24:43,409

what is the heart and you know it

627

00:24:47,039 --> 00:24:45,580

everything kind of comes from the heart

628

00:24:48,840 --> 00:24:47,049

and everyone thinks that you know your

629

00:24:50,940 --> 00:24:48,850

brain is your Center but it's not and

630

00:24:52,259 --> 00:24:50,950

when you kind of move your consciousness

631

00:24:55,830 --> 00:24:52,269

into your heart you can do absolutely

632

00:24:58,259 --> 00:24:55,840

magical things and one of the most

633

00:25:00,119 --> 00:24:58,269

amazing things I think is that when

634

00:25:01,889 --> 00:25:00,129

there's a sacred space of the heart and

635

00:25:04,169 --> 00:25:01,899

there's a space within the heart that if

636

00:25:06,180 --> 00:25:04,179

you kind of if science tried to poke a

637

00:25:09,119 --> 00:25:06,190

needle in pew or something or touch they

638

00:25:11,039 --> 00:25:09,129

would die and you died instantly from

639

00:25:12,509 --> 00:25:11,049

touching the space but you can move your

640

00:25:14,639 --> 00:25:12,519

consciousness into this space and

641

00:25:17,340 --> 00:25:14,649

through doing this meditation that Dhruv

642

00:25:20,009 --> 00:25:17,350

Allah provides you can kind of access

643

00:25:22,049 --> 00:25:20,019

this internal world of yourself in your

644

00:25:23,999 --> 00:25:22,059

own heart that you can kind of do and

645

00:25:26,460 --> 00:25:24,009

create and be anything you want so you

646

00:25:29,610 --> 00:25:26,470

can exist in nature like like Jun below

647

00:25:31,649 --> 00:25:29,620

described it as he discovered a cave he

648

00:25:34,799 --> 00:25:31,659

went into his heart space and he

649

00:25:36,060 --> 00:25:34,809

discovered this cave world where he and

650

00:25:37,950 --> 00:25:36,070

and there was kind of these pictures on

651
00:25:39,149 --> 00:25:37,960
the world pictures on the wall of these

652
00:25:40,680 --> 00:25:39,159
memories and stuff and then there was

653
00:25:44,700 --> 00:25:40,690
like this found in all this water that

654
00:25:46,320 --> 00:25:44,710
was shooting out and the more that he

655
00:25:48,720 --> 00:25:46,330
kind of went into the space and explored

656
00:25:51,629 --> 00:25:48,730
it he discovered kind of a surface world

657
00:25:54,029 --> 00:25:51,639
of like this entire kind of planet that

658
00:25:56,460 --> 00:25:54,039
he kind of existed within his own heart

659
00:25:59,249 --> 00:25:56,470
so it's kind of a reflection of you know

660
00:26:02,190 --> 00:25:59,259
if you are consciousness you are God

661
00:26:03,720 --> 00:26:02,200
then the entire world externally is also

662
00:26:05,549 --> 00:26:03,730
mirrored internally you have an entire

663
00:26:07,590 --> 00:26:05,559

world internally that you can also exist

664

00:26:09,779 --> 00:26:07,600

within so we've been kind of doing this

665

00:26:11,549 --> 00:26:09,789

meditation on and off because we've just

666

00:26:14,220 --> 00:26:11,559

been traveling around and stuff but I've

667

00:26:16,080 --> 00:26:14,230

experienced personally some really just

668

00:26:17,580 --> 00:26:16,090

kind of powerful I guess emotions I'm

669

00:26:19,019 --> 00:26:17,590

kind of going into space and everyone

670

00:26:21,090 --> 00:26:19,029

experienced it experiences it

671

00:26:23,039 --> 00:26:21,100

differently but so I'm still working

672

00:26:25,289 --> 00:26:23,049

with it personally I think Tyler's also

673

00:26:28,320 --> 00:26:25,299

had some really intense

674

00:26:30,269 --> 00:26:28,330

soif umm but yeah it's really really

675

00:26:32,549 --> 00:26:30,279

mind-blowing and really interesting to

676

00:26:35,369 --> 00:26:32,559

kind of even think about I think if

677

00:26:36,960 --> 00:26:35,379

you're really deeply going into finding

678

00:26:39,389 --> 00:26:36,970

out stuff that's happening overseas no

679

00:26:41,460 --> 00:26:39,399

problems in the world things that

680

00:26:42,720 --> 00:26:41,470

bankers are doing wrong to you it's

681

00:26:44,669 --> 00:26:42,730

going to bring up all these feelings of

682

00:26:46,259 --> 00:26:44,679

deceit and cunning and you know it's

683

00:26:48,149 --> 00:26:46,269

giving its funding more energy into the

684

00:26:48,600 --> 00:26:48,159

spheres that you don't want to live

685

00:26:50,220 --> 00:26:48,610

anymore

686

00:26:52,259 --> 00:26:50,230

so going into the heart and going with

687

00:26:53,669 --> 00:26:52,269

the self focus is the energy in the

688

00:26:57,210 --> 00:26:53,679

place that you do want everything to

689

00:26:58,979 --> 00:26:57,220

come from so rather than a sit you know

690

00:26:59,669 --> 00:26:58,989

you can see where the results are gonna

691

00:27:02,639 --> 00:26:59,679

show up

692

00:27:04,560 --> 00:27:02,649

absolutely that's fair do you get an eye

693

00:27:07,019 --> 00:27:04,570

when you guys meditate there you go are

694

00:27:07,950 --> 00:27:07,029

you doing it to the point of out-of-body

695

00:27:10,109 --> 00:27:07,960

experience

696

00:27:12,180 --> 00:27:10,119

that's one aim and we've got we

697

00:27:14,310 --> 00:27:12,190

travelers and people that experience

698

00:27:16,470 --> 00:27:14,320

them quite regularly that we honestly

699

00:27:18,749 --> 00:27:16,480

would be numb recently just plugging

700

00:27:20,519 --> 00:27:18,759

away at this audio tape that we got with

701
00:27:22,049 --> 00:27:20,529
drum blow from the book living in the

702
00:27:23,549 --> 00:27:22,059
heart and then follow the heart

703
00:27:25,190 --> 00:27:23,559
meditation go straight into the heart

704
00:27:28,919 --> 00:27:25,200
and then feel that sacred space and

705
00:27:30,359 --> 00:27:28,929
there's but there's a couple other

706
00:27:34,019 --> 00:27:30,369
audiobooks and things like that that

707
00:27:36,259 --> 00:27:34,029
Jordans got on his iPad that um they

708
00:27:39,629 --> 00:27:36,269
talked about third eye meditation and

709
00:27:41,310 --> 00:27:39,639
I'm really good stuff as well weekly

710
00:27:43,769 --> 00:27:41,320
again we're going to do spirit science

711
00:27:45,570 --> 00:27:43,779
episodes and all this stuff now have you

712
00:27:46,979 --> 00:27:45,580
guys done because it's not I don't think

713
00:27:48,509 --> 00:27:46,989

it's ever mentioned in spirit science

714

00:27:50,970 --> 00:27:48,519

but if you had any psychedelic

715

00:27:55,470 --> 00:27:50,980

experiences um yeah that's a touchy

716

00:27:56,999 --> 00:27:55,480

subject but uh what why is it touchy

717

00:27:59,070 --> 00:27:57,009

isn't I mean it's really just a tool

718

00:28:01,440 --> 00:27:59,080

it's kind of like like I have friends

719

00:28:04,649 --> 00:28:01,450

who do do meditation and then I've done

720

00:28:06,720 --> 00:28:04,659

psychedelic method and they equate it to

721

00:28:08,430 --> 00:28:06,730

they wade into a pool where as the

722

00:28:10,889 --> 00:28:08,440

psychedelic is just jumping off a diving

723

00:28:12,210 --> 00:28:10,899

board straight in you know you're

724

00:28:13,919 --> 00:28:12,220

probably you're going to experience

725

00:28:16,889 --> 00:28:13,929

something strange but you might not have

726

00:28:19,320 --> 00:28:16,899

the the training necessary to bring it

727

00:28:22,019 --> 00:28:19,330

into your everyday life absolutely I

728

00:28:23,820 --> 00:28:22,029

think me personally because you know you

729

00:28:26,039 --> 00:28:23,830

can when you come to the second L

730

00:28:27,779 --> 00:28:26,049

experience it's only you can only talk

731

00:28:29,249 --> 00:28:27,789

to someone about what it is with them

732

00:28:31,590 --> 00:28:29,259

personally so I think it's ridiculous

733

00:28:33,210 --> 00:28:31,600

that you could ever place rules or you

734

00:28:35,099 --> 00:28:33,220

know dubber on this and say to someone

735

00:28:38,129 --> 00:28:35,109

that you can't have a personal like

736

00:28:38,760 --> 00:28:38,139

integral experience but for me um what

737

00:28:42,060 --> 00:28:38,770

happens

738

00:28:44,040 --> 00:28:42,070

to practice something that you get

739

00:28:45,840 --> 00:28:44,050

better at it's like a taxi takes you to

740

00:28:48,030 --> 00:28:45,850

a place and then you can figure out how

741

00:28:49,680 --> 00:28:48,040

to get there alone but you know taking

742

00:28:51,330 --> 00:28:49,690

the taxi you also see other things in

743

00:28:52,530 --> 00:28:51,340

the way and you get different you're in

744

00:28:53,820 --> 00:28:52,540

a different space you're sitting in the

745

00:28:55,470 --> 00:28:53,830

seat rather than walking so you've got

746

00:28:57,450 --> 00:28:55,480

time to think about some stuff you know

747

00:29:00,240 --> 00:28:57,460

it's a different experience it's a

748

00:29:02,550 --> 00:29:00,250

wonderful experience and I like it and

749

00:29:05,870 --> 00:29:02,560

I'll do it until I see that there is no

750

00:29:11,850 --> 00:29:05,880

more benefit there how do you guys feel

751

00:29:14,660 --> 00:29:11,860

well I mean for Tory and I we don't

752

00:29:18,120 --> 00:29:14,670

necessarily need psychedelics because

753

00:29:23,340 --> 00:29:18,130

most females you know the female vessel

754

00:29:24,450 --> 00:29:23,350

is already plugged in in certain aspects

755

00:29:26,820 --> 00:29:24,460

it's good when you're trying to

756

00:29:31,500 --> 00:29:26,830

communicate with that specific spirit

757

00:29:34,370 --> 00:29:31,510

like ayahuasca is the it the spirit is

758

00:29:37,470 --> 00:29:34,380

that is in that plant is the mama earth

759

00:29:41,070 --> 00:29:37,480

so when you're trying to better connect

760

00:29:45,330 --> 00:29:41,080

with her in doing ayahuasca you know

761

00:29:46,980 --> 00:29:45,340

it'll be much more clear communication

762

00:29:50,640 --> 00:29:46,990

than if you're doing it on your own

763

00:29:52,860 --> 00:29:50,650

if you're not clear yourself so like

764

00:29:56,640 --> 00:29:52,870

what if you have all this baggage and

765

00:30:00,270 --> 00:29:56,650

your mind is overtaking you more so than

766

00:30:05,060 --> 00:30:00,280

your heart you're doing these medicines

767

00:30:07,410 --> 00:30:05,070

is a good way to get that taste for it

768

00:30:09,150 --> 00:30:07,420

but when you're doing these medicines

769

00:30:13,500 --> 00:30:09,160

you're cutting off the human part of

770

00:30:15,600 --> 00:30:13,510

your brain so transferring those lessons

771

00:30:18,060 --> 00:30:15,610

that you gained in your spirit part of

772

00:30:22,350 --> 00:30:18,070

your mind into your human part of mine

773

00:30:27,540 --> 00:30:22,360

is going to be kind of difficult so I I

774

00:30:30,630 --> 00:30:27,550

do urge people who do do do do hmm do um

775

00:30:33,510 --> 00:30:30,640

medicines and things like that to after

776

00:30:35,880 --> 00:30:33,520

or during your experience you know write

777

00:30:38,130 --> 00:30:35,890

it down if you can I mean some of the

778

00:30:42,540 --> 00:30:38,140

times that I've done um medicines I

779

00:30:45,570 --> 00:30:42,550

can't move um and then opt Wow

780

00:30:47,910 --> 00:30:45,580

yeah I hope because people like me we're

781

00:30:52,120 --> 00:30:47,920

already so plugged in that the

782

00:30:54,730 --> 00:30:52,130

experience like is just

783

00:30:57,340 --> 00:30:54,740

overkill yeah like I'm overloading my

784

00:30:59,530 --> 00:30:57,350

motherboard because I walk down the

785

00:31:03,280 --> 00:30:59,540

street and I see stuff already

786

00:31:05,170 --> 00:31:03,290

um but how do you how do you think you

787

00:31:07,680 --> 00:31:05,180

developed yourself to that level I

788

00:31:12,220 --> 00:31:07,690

didn't um I came through like that oh

789

00:31:16,660 --> 00:31:12,230

yeah I I mean that's a whole nother

790

00:31:18,610 --> 00:31:16,670

conversation but what I am I already

791

00:31:21,520 --> 00:31:18,620

came through the veil with all of my

792

00:31:24,310 --> 00:31:21,530

stuff not not all but a lot of it so I

793

00:31:26,740 --> 00:31:24,320

can tap in pretty easy luckily for me

794

00:31:33,100 --> 00:31:26,750

the environment I grew up and I was able

795

00:31:37,690 --> 00:31:33,110

to function in society and utilize my

796

00:31:40,030 --> 00:31:37,700

quote/unquote gifts but um all that's

797

00:31:44,200 --> 00:31:40,040

being a lot more accepted now in society

798

00:31:45,820 --> 00:31:44,210

so right people Howard sorry well how

799

00:31:47,920 --> 00:31:45,830

would you suggest someone who doesn't

800

00:31:50,110 --> 00:31:47,930

have a lot of experience or is looking

801
00:31:52,840 --> 00:31:50,120
for validation through a personal

802
00:31:55,480 --> 00:31:52,850
experience of say you know communicating

803
00:31:57,070 --> 00:31:55,490
with the higher self or with some spirit

804
00:31:59,170 --> 00:31:57,080
guide or whatever term you want to use

805
00:32:00,820 --> 00:31:59,180
like how how do you think is the best

806
00:32:03,550 --> 00:32:00,830
method of going about that meditation

807
00:32:06,730 --> 00:32:03,560
well well you first you start off with

808
00:32:08,800 --> 00:32:06,740
not having a specific idea of how that's

809
00:32:11,530 --> 00:32:08,810
supposed to happen because everyone

810
00:32:13,750 --> 00:32:11,540
plugs in differently some people more

811
00:32:16,000 --> 00:32:13,760
similar than others but I feel like a

812
00:32:18,850 --> 00:32:16,010
lot of people who aren't having these

813
00:32:23,490 --> 00:32:18,860

experiences is because they expect it to

814

00:32:26,380 --> 00:32:23,500

be this specific way and a lot of like a

815

00:32:29,320 --> 00:32:26,390

lot of these things that they're

816

00:32:32,290 --> 00:32:29,330

experiencing naturally I mean even like

817

00:32:34,420 --> 00:32:32,300

the sensation of eating that that is a

818

00:32:36,670 --> 00:32:34,430

form of communicating with spirit you

819

00:32:39,850 --> 00:32:36,680

know you're ingesting a part of spirit

820

00:32:41,320 --> 00:32:39,860

and and if you can listen to the food as

821

00:32:43,570 --> 00:32:41,330

it's entering in your mouth you're going

822

00:32:46,590 --> 00:32:43,580

to hear it essence of the food like

823

00:32:49,000 --> 00:32:46,600

everything in this world is

824

00:32:52,030 --> 00:32:49,010

communicating and is like corn corn a

825

00:32:54,820 --> 00:32:52,040

psychedelic experience we've just been

826

00:33:00,580 --> 00:32:54,830

trained not to see it we have a green

827

00:33:02,710 --> 00:33:00,590

thing willing on your shoulder where I

828

00:33:05,320 --> 00:33:02,720

had a really good thing in this sense

829

00:33:06,250 --> 00:33:05,330

that I activation book that I told you

830

00:33:08,350 --> 00:33:06,260

about before

831

00:33:10,180 --> 00:33:08,360

if you're expecting that a deity like

832

00:33:11,860 --> 00:33:10,190

you're trying to imagine how one would

833

00:33:14,770 --> 00:33:11,870

come to you or how an angel would come

834

00:33:16,690 --> 00:33:14,780

and and be with you and share its

835

00:33:19,300 --> 00:33:16,700

insights with you if that ever happens

836

00:33:21,430 --> 00:33:19,310

and after you've had that kind of

837

00:33:23,260 --> 00:33:21,440

grounding for it you there's the

838

00:33:25,330 --> 00:33:23,270

possibility that you think it's a

839

00:33:27,070 --> 00:33:25,340

creation of the mind because you wanted

840

00:33:28,870 --> 00:33:27,080

it to happen and then you just kept on

841

00:33:30,700 --> 00:33:28,880

excelling through your your meditative

842

00:33:32,830 --> 00:33:30,710

States so really the best thing to do is

843

00:33:36,340 --> 00:33:32,840

just to do it for yourself like get the

844

00:33:37,900 --> 00:33:36,350

meditative process and then if it

845

00:33:40,570 --> 00:33:37,910

happens then it was meant to happen

846

00:33:42,940 --> 00:33:40,580

but um yet to expect it to happen is

847

00:33:44,800 --> 00:33:42,950

it's like asking the universe to change

848

00:33:47,140 --> 00:33:44,810

their plans because there's a time for

849

00:33:49,870 --> 00:33:47,150

everything and really just going to let

850

00:33:51,430 --> 00:33:49,880

it be as it is and that's a lesson you

851

00:33:54,610 --> 00:33:51,440

can take into much larger life as well

852

00:33:56,680 --> 00:33:54,620

and also I don't think people need need

853

00:33:59,170 --> 00:33:56,690

to be asking well some people do but

854

00:34:01,120 --> 00:33:59,180

don't ask your guides and external

855

00:34:04,000 --> 00:34:01,130

things to show themselves and things

856

00:34:07,630 --> 00:34:04,010

like that ask yourself to see them like

857

00:34:09,970 --> 00:34:07,640

literally be like hey so Lily

858

00:34:12,280 --> 00:34:09,980

can we go experience this and see these

859

00:34:14,230 --> 00:34:12,290

beings you know it first you have to

860

00:34:17,169 --> 00:34:14,240

create a healthy relationship with

861

00:34:19,300 --> 00:34:17,179

yourself and this human vessel like

862

00:34:22,060 --> 00:34:19,310

you've got to work with the vessel in

863

00:34:25,030 --> 00:34:22,070

order to experience other things so

864

00:34:29,380 --> 00:34:25,040

asking yourself I think is a good first

865

00:34:31,480 --> 00:34:29,390

step - yeah hmm run on answers to a lot

866

00:34:33,520 --> 00:34:31,490

of the questions or simply to just do it

867

00:34:35,740 --> 00:34:33,530

yourself to actually try and get the

868

00:34:37,210 --> 00:34:35,750

experience and the Atlantis being

869

00:34:39,159 --> 00:34:37,220

mentioned something about amateurism

870

00:34:41,919 --> 00:34:39,169

earlier and this is a theory that I've

871

00:34:44,639 --> 00:34:41,929

had is that this shift has to do with

872

00:34:48,520 --> 00:34:44,649

the amateur and the expert that

873

00:34:52,419 --> 00:34:48,530

distinction collapsing yeah okay it's an

874

00:34:54,280 --> 00:34:52,429

expert now anyone can be it's horizontal

875

00:34:57,310 --> 00:34:54,290

footing roll on there's no more

876
00:34:58,090 --> 00:34:57,320
hierarchy ah yes well that's an

877
00:35:00,700 --> 00:34:58,100
interesting idea

878
00:35:03,100 --> 00:35:00,710
yeah but the Internet does a lot of that

879
00:35:05,440 --> 00:35:03,110
because you've got people who are

880
00:35:07,990 --> 00:35:05,450
popping up with all their own their own

881
00:35:10,060 --> 00:35:08,000
websites and you're not going to MSNBC

882
00:35:13,090 --> 00:35:10,070
for expert news if you're going to

883
00:35:14,410 --> 00:35:13,100
alternative websites and yeah that kind

884
00:35:17,290 --> 00:35:14,420
of contributes to the breaking down of

885
00:35:19,210 --> 00:35:17,300
that paradigm also I mean we're all

886
00:35:20,829 --> 00:35:19,220
masters that

887
00:35:22,300 --> 00:35:20,839
that's the thing the other thing though

888
00:35:25,030 --> 00:35:22,310

is that we're all students and we're all

889

00:35:27,400 --> 00:35:25,040

teachers but as much as we're yeah we're

890

00:35:30,940 --> 00:35:27,410

all masters as well whatever is that we

891

00:35:33,790 --> 00:35:30,950

are you know no and ourselves maybe

892

00:35:35,440 --> 00:35:33,800

that's key masters itself but in terms

893

00:35:38,050 --> 00:35:35,450

of communicating with others and kind of

894

00:35:40,660 --> 00:35:38,060

learning and teaching and sharing

895

00:35:42,550 --> 00:35:40,670

you can't expect any one person to give

896

00:35:44,470 --> 00:35:42,560

you all the answers because you have to

897

00:35:46,540 --> 00:35:44,480

look within but you can also share

898

00:35:49,059 --> 00:35:46,550

everything that you know with others as

899

00:35:50,440 --> 00:35:49,069

much as you can learn from everyone else

900

00:35:52,300 --> 00:35:50,450

I think that was in the Celestine

901
00:35:54,220 --> 00:35:52,310
Prophecy where it was like saying how

902
00:35:55,599 --> 00:35:54,230
absolutely every person that you meet

903
00:35:59,230 --> 00:35:55,609
has something for you to learn from them

904
00:36:00,339 --> 00:35:59,240
and when you confront just everyone when

905
00:36:03,940 --> 00:36:00,349
you go about your day with that

906
00:36:07,030 --> 00:36:03,950
understanding you learn so much more and

907
00:36:08,589 --> 00:36:07,040
also thoughts said in your wisdom he's

908
00:36:11,109 --> 00:36:08,599
talking about the people that on their

909
00:36:13,000 --> 00:36:11,119
Latin path in your wisdom don't feel

910
00:36:15,250 --> 00:36:13,010
proud when someone comes to you with

911
00:36:16,900 --> 00:36:15,260
their wisdom which you know you may feel

912
00:36:19,089 --> 00:36:16,910
is less than yours because wisdom is all

913
00:36:20,500 --> 00:36:19,099

and all knowledge is the same and

914

00:36:23,349 --> 00:36:20,510

connected and it's all a process and a

915

00:36:25,900 --> 00:36:23,359

path and someone may say something which

916

00:36:27,160 --> 00:36:25,910

you find you know judgment against but

917

00:36:29,440 --> 00:36:27,170

they may have other parts of themselves

918

00:36:30,880 --> 00:36:29,450

which are much higher than you in other

919

00:36:32,170 --> 00:36:30,890

areas because everyone's ignorant on

920

00:36:33,970 --> 00:36:32,180

some level so you're just really going

921

00:36:36,609 --> 00:36:33,980

to find your path and don't worry about

922

00:36:38,740 --> 00:36:36,619

the rest of them I think also changing

923

00:36:41,260 --> 00:36:38,750

the way you see any things like when

924

00:36:44,260 --> 00:36:41,270

people come to me for advice or for

925

00:36:47,770 --> 00:36:44,270

therapy sessions I always thank them for

926
00:36:50,380 --> 00:36:47,780
for like trusting me and and having that

927
00:36:53,410 --> 00:36:50,390
sense of gratitude that they are coming

928
00:36:56,440 --> 00:36:53,420
to me it's gratitude and pride can

929
00:36:59,800 --> 00:36:56,450
sometimes be a fine line and feeling

930
00:37:02,140 --> 00:36:59,810
humbled in that you know while these

931
00:37:04,390 --> 00:37:02,150
people are coming to me for information

932
00:37:07,329 --> 00:37:04,400
which means I'm going to be used as a

933
00:37:09,760 --> 00:37:07,339
vessel for source to speak through you

934
00:37:13,540 --> 00:37:09,770
know that's and then when you move into

935
00:37:15,309 --> 00:37:13,550
that space you start to flow more and

936
00:37:18,180 --> 00:37:15,319
you will see more and experience more

937
00:37:22,270 --> 00:37:18,190
and an experience all entities and

938
00:37:23,710 --> 00:37:22,280

things like that right on yeah I mean I

939

00:37:25,030 --> 00:37:23,720

really I really just haven't done the

940

00:37:26,319 --> 00:37:25,040

work I've done the research but I

941

00:37:29,530 --> 00:37:26,329

haven't done the personal work it's like

942

00:37:31,329 --> 00:37:29,540

I've seen four seasons of Cake Boss but

943

00:37:33,190 --> 00:37:31,339

I wonder why my spiritual development is

944

00:37:35,599 --> 00:37:33,200

blackened

945

00:37:37,490 --> 00:37:35,609

as much as this is like an external

946

00:37:39,890 --> 00:37:37,500

learning it's also a very powerful

947

00:37:42,410 --> 00:37:39,900

internal learning and if you only are

948

00:37:44,240 --> 00:37:42,420

doing half of that work then then you're

949

00:37:46,099 --> 00:37:44,250

only getting half of the half of the

950

00:37:48,650 --> 00:37:46,109

experience and that's I guess you know

951
00:37:50,480 --> 00:37:48,660
male and female balance it's it's

952
00:37:52,220 --> 00:37:50,490
external as well as it is internal so

953
00:37:54,470 --> 00:37:52,230
you have to go within if you want to

954
00:37:55,880 --> 00:37:54,480
accelerate and move forward at some

955
00:37:58,640 --> 00:37:55,890
point everyone will probably hit that

956
00:38:01,130 --> 00:37:58,650
wall yeah I mean you still have have

957
00:38:03,589 --> 00:38:01,140
time you know it if you want to go off

958
00:38:05,630 --> 00:38:03,599
into the world there's still time to go

959
00:38:08,000 --> 00:38:05,640
back to your space you've created like

960
00:38:13,550 --> 00:38:08,010
the job will always be there you know

961
00:38:15,410 --> 00:38:13,560
let's you quitter quit it and you go out

962
00:38:17,329 --> 00:38:15,420
into the world the likelihood of you

963
00:38:20,030 --> 00:38:17,339

coming back and finding the same kind of

964

00:38:21,500 --> 00:38:20,040

job is high if you know desire that's

965

00:38:23,839 --> 00:38:21,510

right but when you come back you might

966

00:38:26,180 --> 00:38:23,849

not want that yeah what I'm saying here

967

00:38:31,089 --> 00:38:26,190

is you probably never wanted it really

968

00:38:36,230 --> 00:38:34,940

interviews a group yeah it's great I

969

00:38:38,660 --> 00:38:36,240

appreciate you guys coming out and doing

970

00:38:42,020 --> 00:38:38,670

this taking the time out of your day I

971

00:38:44,530 --> 00:38:42,030

your road trip um college you have any

972

00:38:46,849 --> 00:38:44,540

questions for them before they go I

973

00:38:48,109 --> 00:38:46,859

don't have any further questions I just

974

00:38:50,329 --> 00:38:48,119

want to say thank you so much you guys

975

00:38:52,130 --> 00:38:50,339

are doing a great job and much love and

976
00:38:55,790 --> 00:38:52,140
energy towards you and I hope everything

977
00:39:00,440 --> 00:38:55,800
is fortunate in your journeys after ohad

978
00:39:01,730 --> 00:39:00,450
nummis hey you namaste yeah I look

979
00:39:03,440 --> 00:39:01,740
forward to seeing more work from you

980
00:39:05,300 --> 00:39:03,450
guys if you guys are ever in San Diego

981
00:39:07,730 --> 00:39:05,310
look me up if you're in st. Louis look

982
00:39:12,050 --> 00:39:07,740
Kyle oh yeah welcome to San Diego we're

983
00:39:14,690 --> 00:39:12,060
new yeah it's like two hours from south

984
00:39:19,670 --> 00:39:14,700
of La oh we're going so yeah it's two

985
00:39:21,500 --> 00:39:19,680
hours south of LA of course I live with

986
00:39:24,680 --> 00:39:21,510
my girlfriend or a dog in our cat and

987
00:39:26,089 --> 00:39:24,690
yeah Kyle was actually him and his wife

988
00:39:29,150 --> 00:39:26,099

we're supposed to come out here and stay

989

00:39:34,010 --> 00:39:29,160

with us so yeah I mean we're definitely

990

00:39:37,180 --> 00:39:34,020

open to like - you told Kyle rooting in

991

00:39:39,740 --> 00:39:37,190

LA for a hot second so well of course

992

00:39:40,970 --> 00:39:39,750

well if your travel ever brings you down

993

00:39:43,010 --> 00:39:40,980

here look me up

994

00:39:45,140 --> 00:39:43,020

absolutely well maybe in the next few

995

00:39:48,170 --> 00:39:45,150

days

996

00:39:50,269 --> 00:39:48,180

yeah sure I'll I'll see if I can clear

997

00:39:51,499 --> 00:39:50,279

my work schedule oh and if we should

998

00:39:53,930 --> 00:39:51,509

leave you with one more thing something

999

00:39:55,670 --> 00:39:53,940

I think recently was don't bless your

1000

00:39:57,650 --> 00:39:55,680

food before you eat it it doesn't have

1001
00:39:59,809 --> 00:39:57,660
to be that you like our man and God

1002
00:40:01,999 --> 00:39:59,819
thank you for all this stuff just like

1003
00:40:05,150 --> 00:40:02,009
we did one food bank mother thank the

1004
00:40:07,190 --> 00:40:05,160
food for providing the yeah whoa yeah

1005
00:40:08,890 --> 00:40:07,200
what we did recently was like we just we

1006
00:40:10,910 --> 00:40:08,900
really held hands around the food and

1007
00:40:12,200 --> 00:40:10,920
sometimes like someone will find

1008
00:40:14,870 --> 00:40:12,210
something to say and then that'll be

1009
00:40:16,549 --> 00:40:14,880
with the energy shifts too but it's we

1010
00:40:17,809 --> 00:40:16,559
had one recently was just quiet and then

1011
00:40:19,970 --> 00:40:17,819
at the end we just said thank you and

1012
00:40:21,529 --> 00:40:19,980
that was that was perfect and you really

1013
00:40:23,569 --> 00:40:21,539

notice that you feel the essence of the

1014

00:40:25,779 --> 00:40:23,579

food and you feel how much better you

1015

00:40:28,789 --> 00:40:25,789

are afterwards it's you know it's adding

1016

00:40:30,440 --> 00:40:28,799

amazing amounts of nutrients thanking

1017

00:40:34,960 --> 00:40:30,450

you Spectre contention you get people to

1018

00:40:39,259 --> 00:40:37,400

[h__\h] I mean those those cows are going

1019

00:40:42,769 --> 00:40:39,269

through so much but the Atlantis King

1020

00:40:52,970 --> 00:40:42,779

will come and get you the picture of you

1021

00:40:54,710 --> 00:40:52,980

would like the threat right well hey

1022

00:40:57,519 --> 00:40:54,720

thanks a lot yes I'll let you guys go

1023

00:40:59,779 --> 00:40:57,529

absolutely all right let's say again
