

1  
00:00:07,269 --> 00:00:06,150  
see

2  
00:00:09,589 --> 00:00:07,279  
the

3  
00:00:12,390 --> 00:00:09,599  
usa in your

4  
00:00:14,549 --> 00:00:12,400  
america is asking you to call

5  
00:00:16,470 --> 00:00:14,559  
drive you

6  
00:00:19,429 --> 00:00:16,480  
through the usa

7  
00:00:22,790 --> 00:00:19,439  
america's the greatest land of all

8  
00:00:25,590 --> 00:00:22,800  
on a highway or a road along a levee

9  
00:00:28,950 --> 00:00:25,600  
performance is sweeter nothing can beat

10  
00:00:53,830 --> 00:00:28,960  
her life is complete

11  
00:00:58,389 --> 00:00:56,310  
listen up people i am here with ari

12  
00:01:01,029 --> 00:00:58,399  
shafir the

13  
00:01:03,189 --> 00:01:01,039

guy who spawned the idea

14

00:01:04,549 --> 00:01:03,199

for shroom fest which i'm totally

15

00:01:05,910 --> 00:01:04,559

psyched to be

16

00:01:07,429 --> 00:01:05,920

here

17

00:01:09,830 --> 00:01:07,439

questioning him about the first

18

00:01:10,950 --> 00:01:09,840

spoonfest so i mean what what really is

19

00:01:12,870 --> 00:01:10,960

shrimp festival true president

20

00:01:14,390 --> 00:01:12,880

international mushroom festival uh we're

21

00:01:16,149 --> 00:01:14,400

all doing mushrooms across the globe all

22

00:01:18,230 --> 00:01:16,159

together not in the same place but in

23

00:01:19,590 --> 00:01:18,240

the same frame of mind you know

24

00:01:22,950 --> 00:01:19,600

we're going to be doing it on the higher

25

00:01:39,109 --> 00:01:22,960

side chats we will we will send aria

26  
00:01:42,789 --> 00:01:41,109  
aim was to reassure the common man that

27  
00:01:47,910 --> 00:01:42,799  
our society would recover from its

28  
00:01:52,550 --> 00:01:50,389  
for a new era of worldly frustration we

29  
00:02:04,069 --> 00:01:52,560  
offer a fresh conversation

30  
00:02:07,429 --> 00:02:05,030  
from

31  
00:02:08,389 --> 00:02:07,439  
san diego in the comedy store and paul

32  
00:02:11,190 --> 00:02:08,399  
herman

33  
00:02:14,070 --> 00:02:11,200  
another comedian from la jolla comedy

34  
00:02:16,470 --> 00:02:14,080  
store um they're filming for ryan dunn

35  
00:02:19,190 --> 00:02:16,480  
today who just couldn't make it

36  
00:02:20,710 --> 00:02:19,200  
on the last day of shroom fest

37  
00:02:23,110 --> 00:02:20,720  
which is

38  
00:02:24,790 --> 00:02:23,120

kind of an event r shapiro i guess

39

00:02:27,430 --> 00:02:24,800

started the shroom fest idea yes this is

40

00:02:31,990 --> 00:02:27,440

the first annual shroom fest uh created

41

00:02:35,509 --> 00:02:32,000

by ari shafir uh best known as the

42

00:02:37,990 --> 00:02:35,519

internet sensation the amazing racist

43

00:02:41,270 --> 00:02:38,000

that you can find on uh on youtube and

44

00:02:45,350 --> 00:02:43,589

hi i'm maria shapiro and i'm the amazing

45

00:02:46,869 --> 00:02:45,360

racist for an agent she kind of has an

46

00:02:49,030 --> 00:02:46,879

ass huh

47

00:02:51,990 --> 00:02:49,040

right right

48

00:02:53,030 --> 00:02:52,000

say it stay with the arts right can you

49

00:02:55,750 --> 00:02:53,040

do it

50

00:02:58,229 --> 00:02:55,760

uh yeah it's like uh 4 20 but for

51  
00:03:00,229 --> 00:02:58,239  
shrooms exactly and it's three days long

52  
00:03:01,589 --> 00:03:00,239  
instead of one

53  
00:03:02,830 --> 00:03:01,599  
do you think it needed to be three days

54  
00:03:04,949 --> 00:03:02,840  
do you think you need three days for

55  
00:03:07,190 --> 00:03:04,959  
mushrooms um

56  
00:03:08,710 --> 00:03:07,200  
well depends on how many you're doing

57  
00:03:09,910 --> 00:03:08,720  
yeah

58  
00:03:12,390 --> 00:03:09,920  
you know i don't think you need three

59  
00:03:13,910 --> 00:03:12,400  
days to do them but uh it does make for

60  
00:03:15,990 --> 00:03:13,920  
one hell of a party

61  
00:03:18,949 --> 00:03:16,000  
[h\_\_h] yeah which is what we are doing

62  
00:03:20,869 --> 00:03:18,959  
right now that is correct

63  
00:03:22,229 --> 00:03:20,879

we all my lovely girlfriend was nice

64

00:03:25,110 --> 00:03:22,239

enough to

65

00:03:27,750 --> 00:03:25,120

give us all an equal dose

66

00:03:29,030 --> 00:03:27,760

how do you normally in ingest how do you

67

00:03:30,630 --> 00:03:29,040

normally what's your favorite you just

68

00:03:33,190 --> 00:03:30,640

eat them i just eat them

69

00:03:36,149 --> 00:03:33,200

it's like there's why waste time

70

00:03:37,910 --> 00:03:36,159

preparing the preparations and and just

71

00:03:42,550 --> 00:03:37,920

you know just

72

00:03:43,990 --> 00:03:42,560

to make teas and all this other stuff

73

00:03:50,470 --> 00:03:44,000

when it's just right there you just eat

74

00:03:53,190 --> 00:03:51,830

i'm just cooking it really just dipping

75

00:03:55,190 --> 00:03:53,200

the water first

76

00:03:57,589 --> 00:03:55,200

moistens them up it's the heat that

77

00:03:58,869 --> 00:03:57,599

pulls it out

78

00:04:01,030 --> 00:03:58,879

like you ever sit in the sun all day and

79

00:04:02,149 --> 00:04:01,040

get [h\_\_\h] tired of [h\_\_\h] just because

80

00:04:04,630 --> 00:04:02,159

you're in the sun

81

00:04:06,710 --> 00:04:04,640

because the heat from the sun is taking

82

00:04:08,949 --> 00:04:06,720

[h\_\_\h] out of you

83

00:04:10,869 --> 00:04:08,959

yeah i got sunstroke in thailand orange

84

00:04:13,110 --> 00:04:10,879

juice is supposed to

85

00:04:16,229 --> 00:04:13,120

we used to do orange juice uh when we

86

00:04:17,990 --> 00:04:16,239

would take um other hallucinogens

87

00:04:19,349 --> 00:04:18,000

they say vitamin c is the best thing

88

00:04:21,110 --> 00:04:19,359

yeah

89

00:04:24,070 --> 00:04:21,120

a rough

90

00:04:24,950 --> 00:04:24,080

cigarette before you start oh yeah

91

00:04:27,670 --> 00:04:24,960

all right

92

00:04:28,390 --> 00:04:27,680

we'll go back and restart oh we already

93

00:04:29,590 --> 00:04:28,400

started

94

00:04:34,230 --> 00:04:29,600

yeah

95

00:04:38,070 --> 00:04:35,909

[h\_\_h] i'll key i'll chop you up put you

96

00:04:39,749 --> 00:04:38,080

inside the mattress like drug money i

97

00:04:42,070 --> 00:04:39,759

like to think that

98

00:04:44,550 --> 00:04:42,080

my kids my potential kids i just don't

99

00:04:46,790 --> 00:04:44,560

have any kids but in in 20 20 years my

100

00:04:49,430 --> 00:04:46,800

kids could be sneaking out on june 20th

101  
00:04:50,950 --> 00:04:49,440  
yeah exactly do shroom fest and i could

102  
00:04:53,110 --> 00:04:50,960  
be like you know what i was in the first

103  
00:04:55,030 --> 00:04:53,120  
room first part of it your [h\_\_\h]

104  
00:04:57,350 --> 00:04:55,040  
father yeah before he hated you talk to

105  
00:04:58,790 --> 00:04:57,360  
the guy yeah he skipped out talk to the

106  
00:05:01,590 --> 00:04:58,800  
actual man

107  
00:05:04,790 --> 00:05:01,600  
who sent forth this actually helped

108  
00:05:06,950 --> 00:05:04,800  
to uh spread the word about it

109  
00:05:08,469 --> 00:05:06,960  
before he hated you and beat you i beat

110  
00:05:12,310 --> 00:05:08,479  
you mercilessly for not going to bed on

111  
00:05:15,590 --> 00:05:13,990  
we've all eaten about

112  
00:05:17,189 --> 00:05:15,600  
an eighth of mushrooms three and a half

113  
00:05:20,150 --> 00:05:17,199

dried grams

114

00:05:22,070 --> 00:05:20,160

it was about 15 minutes ago yeah about

115

00:05:24,550 --> 00:05:22,080

15 20 minutes so in about another 10

116

00:05:25,830 --> 00:05:24,560

minutes we should be uh just starting

117

00:05:27,909 --> 00:05:25,840

ahead

118

00:05:30,550 --> 00:05:27,919

exactly all [h\_\_\h] up

119

00:05:32,950 --> 00:05:30,560

make this happen

120

00:05:35,670 --> 00:05:32,960

uh this was actually uh this is

121

00:05:38,150 --> 00:05:35,680

i figured it what's the most appropriate

122

00:05:40,310 --> 00:05:38,160

place to celebrate shroom fest and on

123

00:05:41,749 --> 00:05:40,320

the higher side chats the last time you

124

00:05:44,550 --> 00:05:41,759

were here that's we did the exact

125

00:05:46,550 --> 00:05:44,560

exactly yes for your birthday

126

00:05:49,029 --> 00:05:46,560

that is what it was for paul wasn't here

127

00:05:50,390 --> 00:05:49,039

paul wasn't cool back then no

128

00:05:52,790 --> 00:05:50,400

well how long have you been fairly cool

129

00:05:55,749 --> 00:05:52,800

now at the comedy store uh i started

130

00:05:57,430 --> 00:05:55,759

doing open mic there a few years ago and

131

00:05:59,029 --> 00:05:57,440

uh

132

00:06:01,189 --> 00:05:59,039

got serious about it i guess about two

133

00:06:02,710 --> 00:06:01,199

years year and a half two years ago

134

00:06:05,590 --> 00:06:02,720

i've been uh

135

00:06:07,510 --> 00:06:05,600

working there for about a year now so

136

00:06:09,270 --> 00:06:07,520

what is the because you guys both

137

00:06:12,150 --> 00:06:09,280

actually work you don't just perform at

138

00:06:13,909 --> 00:06:12,160

the store you work for the store yeah

139

00:06:16,230 --> 00:06:13,919

what is the process

140

00:06:18,950 --> 00:06:16,240

like i guess you have to do a show in

141

00:06:20,230 --> 00:06:18,960

front of mitzi no no that's that's uh

142

00:06:21,909 --> 00:06:20,240

that's the hollywood that's the

143

00:06:23,990 --> 00:06:21,919

hollywood stuff um she doesn't come down

144

00:06:27,029 --> 00:06:24,000

here to do that oh no no i've seen her

145

00:06:29,670 --> 00:06:27,039

twice uh in these six and a half years

146

00:06:32,309 --> 00:06:29,680

i've been at the comedy store

147

00:06:33,990 --> 00:06:32,319

uh five years working but you do have to

148

00:06:35,909 --> 00:06:34,000

basically have to audition do you have

149

00:06:37,830 --> 00:06:35,919

to be a comic to work for a store too

150

00:06:39,830 --> 00:06:37,840

yeah well for the guys that's that's how

151  
00:06:42,150 --> 00:06:39,840  
we find who the next guy is because as

152  
00:06:43,830 --> 00:06:42,160  
soon as you when you get a job there um

153  
00:06:45,270 --> 00:06:43,840  
you get moved up to the best of san

154  
00:06:47,670 --> 00:06:45,280  
diego which means you're no longer on

155  
00:06:49,270 --> 00:06:47,680  
the open mic uh you're doing shows three

156  
00:06:50,870 --> 00:06:49,280  
nights a week eventually you're good to

157  
00:06:53,510 --> 00:06:50,880  
do weekend shows

158  
00:06:55,430 --> 00:06:53,520  
and um you know it's it's a process and

159  
00:06:57,749 --> 00:06:55,440  
everybody's paying the rent

160  
00:06:59,270 --> 00:06:57,759  
and not really no it's

161  
00:07:00,150 --> 00:06:59,280  
not

162  
00:07:02,309 --> 00:07:00,160  
no

163  
00:07:04,790 --> 00:07:02,319

most everybody else has day jobs i don't

164

00:07:07,029 --> 00:07:04,800

have a day job because my day job is the

165

00:07:09,350 --> 00:07:07,039

comedy store and i get a lot of perks

166

00:07:13,909 --> 00:07:09,360

like i bartend there too so i get tips

167

00:07:14,870 --> 00:07:13,919

which keeps me afloat he's just uh broke

168

00:07:16,790 --> 00:07:14,880

it's

169

00:07:19,350 --> 00:07:16,800

awesome to be able to do this again on

170

00:07:21,189 --> 00:07:19,360

shroom fest and last day ari was cool

171

00:07:23,749 --> 00:07:21,199

enough to come and meet me at the comedy

172

00:07:25,990 --> 00:07:23,759

store last time he was here to talk

173

00:07:27,830 --> 00:07:26,000

about the shroom fest

174

00:07:30,230 --> 00:07:27,840

and uh

175

00:07:32,150 --> 00:07:30,240

i like it because i think people i think

176

00:07:33,350 --> 00:07:32,160

in a lot of cases people just have if

177

00:07:35,189 --> 00:07:33,360

you just say it's a holiday for

178

00:07:37,029 --> 00:07:35,199

something people do it that's really

179

00:07:38,390 --> 00:07:37,039

just all it takes like cinco de mayo oh

180

00:07:41,430 --> 00:07:38,400

everybody's going to get drunk you know

181

00:07:44,150 --> 00:07:41,440

i could be in a a for two years but hey

182

00:07:46,309 --> 00:07:44,160

single day bio it's an excuse so i think

183

00:07:48,790 --> 00:07:46,319

for half of it having a day for shroom

184

00:07:50,150 --> 00:07:48,800

fest is just overdue awesome it's a

185

00:07:52,790 --> 00:07:50,160

three-day event

186

00:07:54,309 --> 00:07:52,800

yeah is today the 20th day

187

00:07:56,710 --> 00:07:54,319

i didn't even realize that i think

188

00:08:07,270 --> 00:07:56,720

father's day weekend was a miss play

189

00:08:10,950 --> 00:08:09,589

the day after father's day because

190

00:08:12,790 --> 00:08:10,960

because you know if the fathers didn't

191

00:08:14,950 --> 00:08:12,800

leave then we probably would never have

192

00:08:17,430 --> 00:08:14,960

done shrooms right

193

00:08:19,270 --> 00:08:17,440

but paul's dad's still around yeah just

194

00:08:20,629 --> 00:08:19,280

i was just a [h\_\_h] up kid you're just a

195

00:08:23,029 --> 00:08:20,639

fuck-up

196

00:08:24,550 --> 00:08:23,039

no excuse

197

00:08:29,189 --> 00:08:24,560

for this one

198

00:08:32,469 --> 00:08:30,629

so it was was the last time you did

199

00:08:34,709 --> 00:08:32,479

mushrooms when you're on the show

200

00:08:36,709 --> 00:08:34,719

yeah last time i did mushrooms was uh on

201  
00:08:37,750 --> 00:08:36,719  
this show march 25th

202  
00:08:38,630 --> 00:08:37,760  
i think

203  
00:08:40,630 --> 00:08:38,640  
so

204  
00:08:42,149 --> 00:08:40,640  
it's a good couple months mushrooms are

205  
00:08:43,829 --> 00:08:42,159  
not obviously not something you can do

206  
00:08:47,269 --> 00:08:43,839  
every day you'll [h\_\_\h] go you'll end

207  
00:08:48,389 --> 00:08:47,279  
up like dave oh yeah but he's not here

208  
00:08:50,790 --> 00:08:48,399  
paul when was the last time you did

209  
00:08:52,230 --> 00:08:50,800  
mushrooms it's been at least 10 years at

210  
00:08:54,870 --> 00:08:52,240  
least

211  
00:08:56,790 --> 00:08:54,880  
here

212  
00:08:59,750 --> 00:08:56,800  
on the higher side chance that's right

213  
00:09:01,110 --> 00:08:59,760

side chats i appreciate

214

00:09:02,870 --> 00:09:01,120

being a part of this milestone in your

215

00:09:05,110 --> 00:09:02,880

life oh we're back on the wagon with

216

00:09:06,949 --> 00:09:05,120

mushrooms yeah well it was it was never

217

00:09:08,870 --> 00:09:06,959

something where i was like oh

218

00:09:09,829 --> 00:09:08,880

i don't want to do them it was just you

219

00:09:12,150 --> 00:09:09,839

know

220

00:09:14,470 --> 00:09:12,160

the right opportunity and

221

00:09:16,310 --> 00:09:14,480

everything else so i i guess hanging out

222

00:09:18,389 --> 00:09:16,320

with comics now i'm i'm around a lot

223

00:09:21,110 --> 00:09:18,399

more drugs than i was a lot more freedom

224

00:09:22,870 --> 00:09:21,120

when i was married to uh uh satan so

225

00:09:23,750 --> 00:09:22,880

that was not your

226

00:09:25,350 --> 00:09:23,760

mom

227

00:09:27,110 --> 00:09:25,360

that's my first wife

228

00:09:29,110 --> 00:09:27,120

my current wife i would never refer to

229

00:09:30,630 --> 00:09:29,120

as satan because uh

230

00:09:32,150 --> 00:09:30,640

she's actually a wonderful follower

231

00:09:33,990 --> 00:09:32,160

she's she's really awesome my current

232

00:09:36,710 --> 00:09:34,000

wife is [h\_\_h] awesome but yeah my

233

00:09:38,389 --> 00:09:36,720

first one was uh was satan

234

00:09:39,670 --> 00:09:38,399

was your first one would she [h\_\_h] at

235

00:09:43,430 --> 00:09:39,680

you if you did something like this you

236

00:09:45,990 --> 00:09:43,440

see that she i went home i didn't smoke

237

00:09:47,910 --> 00:09:46,000

anything uh i d i didn't do any drugs

238

00:09:49,910 --> 00:09:47,920

the whole time we were married except

239

00:09:52,070 --> 00:09:49,920

for i went home for like a week for

240

00:09:53,750 --> 00:09:52,080

vacation and i smoked out with a buddy

241

00:09:55,269 --> 00:09:53,760

and she was like

242

00:09:58,150 --> 00:09:55,279

uh it flipped out like threatened

243

00:10:00,710 --> 00:09:58,160

divorce over this [h\_\_\h] man like it just

244

00:10:02,630 --> 00:10:00,720

yeah irrational by the way shit's just

245

00:10:05,829 --> 00:10:02,640

starting to hit me right now

246

00:10:07,990 --> 00:10:05,839

so it's it's it's about that time yeah

247

00:10:10,150 --> 00:10:08,000

that's what it looks like

248

00:10:11,670 --> 00:10:10,160

what i like drugs yeah it's a great i

249

00:10:13,190 --> 00:10:11,680

just i just like that as soon as i can

250

00:10:14,870 --> 00:10:13,200

then people are really into it just do

251

00:10:16,949 --> 00:10:14,880

shrooms have fun

252

00:10:19,350 --> 00:10:16,959

plan your parties very exciting yeah

253

00:10:20,790 --> 00:10:19,360

it's it i think it does a lot to this

254

00:10:23,030 --> 00:10:20,800

girl on the radio today she was like i

255

00:10:24,949 --> 00:10:23,040

want to but i have my my my girlfriend's

256

00:10:26,230 --> 00:10:24,959

like bachelorette party i'm like then

257

00:10:27,750 --> 00:10:26,240

yeah let's go to the bachelorette party

258

00:10:29,590 --> 00:10:27,760

and just see your face light up like oh

259

00:10:31,110 --> 00:10:29,600

my god yeah you can do that no one's

260

00:10:33,590 --> 00:10:31,120

ever done bachelorette parties on

261

00:10:35,269 --> 00:10:33,600

mushrooms no one's done that that's epic

262

00:10:36,949 --> 00:10:35,279

whatever you got to do don't use that as

263

00:10:38,790 --> 00:10:36,959

an excuse use that as like ooh that'll

264

00:10:40,870 --> 00:10:38,800

be way cooler on shrooms

265

00:10:42,710 --> 00:10:40,880

it does a lot to remove the

266

00:10:43,990 --> 00:10:42,720

mystery and the danger from mushrooms

267

00:10:46,550 --> 00:10:44,000

these mushrooms are kind of thought to

268

00:10:48,630 --> 00:10:46,560

be a next level it's for potheads

269

00:10:50,230 --> 00:10:48,640

of that sort and i think it does a lot

270

00:10:51,750 --> 00:10:50,240

to just make it a little bit sillier

271

00:10:53,269 --> 00:10:51,760

like hey you know you're not gonna it's

272

00:10:55,110 --> 00:10:53,279

not that dangerous it's just not it's

273

00:10:57,350 --> 00:10:55,120

just fun

274

00:10:58,310 --> 00:10:57,360

what's gonna happen is

275

00:10:59,670 --> 00:10:58,320

nothing

276

00:11:01,110 --> 00:10:59,680

you might get diarrhea later once you

277

00:11:02,949 --> 00:11:01,120

recover you can get a little diarrhea i

278

00:11:04,949 --> 00:11:02,959

always kind of have an upset stomach i

279

00:11:07,509 --> 00:11:04,959

don't feel like great afterwards but the

280

00:11:09,509 --> 00:11:07,519

laughs you have amazing laughs

281

00:11:11,590 --> 00:11:09,519

every if you go out walking every group

282

00:11:13,269 --> 00:11:11,600

of people you see seems like characters

283

00:11:15,430 --> 00:11:13,279

of themselves and you can like

284

00:11:17,190 --> 00:11:15,440

categorize them very easily yeah i did a

285

00:11:19,030 --> 00:11:17,200

bunch of the ottawa blues festival last

286

00:11:20,470 --> 00:11:19,040

year and i was leaving i i knew

287

00:11:21,910 --> 00:11:20,480

everybody else that was on shroom i

288

00:11:23,829 --> 00:11:21,920

could just see that yeah

289

00:11:26,470 --> 00:11:23,839

they're on it they're on it they're on

290

00:11:28,870 --> 00:11:26,480

it all these people sober

291

00:11:31,269 --> 00:11:28,880

anyways back to your invisible wife

292

00:11:32,870 --> 00:11:31,279

your ex-wife no he hasn't he actually

293

00:11:35,670 --> 00:11:32,880

asked his wife last his new wife his

294

00:11:37,590 --> 00:11:35,680

wonderful amazing wife uh yesterday if

295

00:11:38,470 --> 00:11:37,600

he could if he can come do this stuff

296

00:11:39,670 --> 00:11:38,480

today

297

00:11:40,790 --> 00:11:39,680

yeah

298

00:11:42,389 --> 00:11:40,800

i was like are you good with this she's

299

00:11:44,790 --> 00:11:42,399

like oh yeah whatever the hell pass like

300

00:11:46,310 --> 00:11:44,800

oh yeah like the movie i mean she and

301  
00:11:47,590 --> 00:11:46,320  
you know she's super cool we got married

302  
00:11:50,710 --> 00:11:47,600  
last august so we're coming up on our

303  
00:11:52,310 --> 00:11:50,720  
year anniversary and uh like when we got

304  
00:11:54,069 --> 00:11:52,320  
a couple nights beforehand i had the

305  
00:11:56,150 --> 00:11:54,079  
bachelor party and she told my boy will

306  
00:11:58,949 --> 00:11:56,160  
who this guy's been like like my brother

307  
00:12:00,550 --> 00:11:58,959  
since we were kids and [h\_\_\h] uh she like

308  
00:12:02,790 --> 00:12:00,560  
gave him money for the strippers was

309  
00:12:05,030 --> 00:12:02,800  
like make sure he make sure he has all

310  
00:12:07,670 --> 00:12:05,040  
this make sure he has a good night and

311  
00:12:10,629 --> 00:12:07,680  
gave me a stack of ones and you know so

312  
00:12:12,470 --> 00:12:10,639  
yeah she's she's cool as [h\_\_\h]

313  
00:12:13,750 --> 00:12:12,480

yeah my girl's pretty [h\_\_h] cool she

314

00:12:15,670 --> 00:12:13,760

weighed all this [h\_\_h] out for us and

315

00:12:17,829 --> 00:12:15,680

then she just walked yeah that was

316

00:12:19,590 --> 00:12:17,839

awesome

317

00:12:21,430 --> 00:12:19,600

that's a good girl hopefully she comes

318

00:12:27,110 --> 00:12:21,440

back what kind of training is involved

319

00:12:30,710 --> 00:12:28,470

she's going to catch on one of these

320

00:12:33,509 --> 00:12:30,720

days sweet and then i'll be left paying

321

00:12:35,509 --> 00:12:33,519

more rent than i can afford

322

00:12:39,269 --> 00:12:35,519

i'll be doing these from an outlet

323

00:12:41,829 --> 00:12:39,279

outside of [h\_\_h] moon doggies

324

00:12:44,150 --> 00:12:41,839

oh man so i'm feeling like i definitely

325

00:12:46,629 --> 00:12:44,160

have taken mushrooms oh yeah

326

00:12:48,550 --> 00:12:46,639

oh that's that's that's far out magical

327

00:12:50,310 --> 00:12:48,560

mushrooms could have medical benefits

328

00:12:53,350 --> 00:12:50,320

researchers say

329

00:12:55,190 --> 00:12:53,360

in yahoo news just sitting right next to

330

00:12:57,030 --> 00:12:55,200

me

331

00:12:58,790 --> 00:12:57,040

does anybody want to read this

332

00:13:00,470 --> 00:12:58,800

you can read it if you want to uh no not

333

00:13:01,750 --> 00:13:00,480

right now no basically there's just

334

00:13:03,590 --> 00:13:01,760

they're just saying i think it's

335

00:13:06,069 --> 00:13:03,600

happening a lot more uh

336

00:13:08,069 --> 00:13:06,079

in the media the more i see is um

337

00:13:09,750 --> 00:13:08,079

medical marijuana and then the next

338

00:13:11,190 --> 00:13:09,760

thing to roll out is mushrooms i mean in

339

00:13:13,110 --> 00:13:11,200

amsterdam they have mushrooms they sell

340

00:13:15,030 --> 00:13:13,120

them in uh

341

00:13:17,750 --> 00:13:15,040

so it's kind of the next the next thing

342

00:13:19,590 --> 00:13:17,760

but right now yeah it was yesterday um

343

00:13:21,190 --> 00:13:19,600

on three different websites i saw the

344

00:13:23,670 --> 00:13:21,200

same story of

345

00:13:25,430 --> 00:13:23,680

uh people at john hopkins university

346

00:13:26,470 --> 00:13:25,440

they see that there might be some

347

00:13:28,230 --> 00:13:26,480

medical

348

00:13:29,350 --> 00:13:28,240

benefits of mushrooms

349

00:13:30,949 --> 00:13:29,360

and that's been there's been theories

350

00:13:32,790 --> 00:13:30,959

about that for a really long time well

351

00:13:34,870 --> 00:13:32,800

apparently i guess it's like ninety

352

00:13:37,350 --> 00:13:34,880

percent of the people there had

353

00:13:39,590 --> 00:13:37,360

long lasting positive experiences they

354

00:13:41,910 --> 00:13:39,600

say it changed their life you know

355

00:13:43,590 --> 00:13:41,920

uh and then it says it's this is

356

00:13:45,430 --> 00:13:43,600

long-lasting positive experiences on

357

00:13:47,110 --> 00:13:45,440

there and then it follows up with it

358

00:13:49,670 --> 00:13:47,120

gave someone the courage to leave their

359

00:13:52,069 --> 00:13:49,680

husband

360

00:13:54,629 --> 00:13:52,079

positive

361

00:13:56,629 --> 00:13:54,639

gain of the courage they just had a bad

362

00:13:57,430 --> 00:13:56,639

dose and just wake the [h\_\_\h] up and

363

00:14:00,310 --> 00:13:57,440

that's

364

00:14:01,590 --> 00:14:00,320

like i was a monster you guys put all

365

00:14:03,430 --> 00:14:01,600

that

366

00:14:05,189 --> 00:14:03,440

kind of uh metaphysical stuff on

367

00:14:07,189 --> 00:14:05,199

mushrooms or do you just see do you see

368

00:14:09,670 --> 00:14:07,199

it as a way to get [h\_\_h] up or you just

369

00:14:10,949 --> 00:14:09,680

have a decoration uh i'm certainly not

370

00:14:13,110 --> 00:14:10,959

gonna claim that it's helping me with

371

00:14:14,470 --> 00:14:13,120

any medical issues right now all right

372

00:14:16,550 --> 00:14:14,480

but do you think there's anything people

373

00:14:17,990 --> 00:14:16,560

talk about i think there's validity to

374

00:14:20,069 --> 00:14:18,000

it i mean like especially with some of

375

00:14:22,949 --> 00:14:20,079

the psychological conditions i mean

376

00:14:24,550 --> 00:14:22,959

it cracks me up that people are so uh

377

00:14:26,150 --> 00:14:24,560

quick to judge

378

00:14:27,910 --> 00:14:26,160

natural stuff

379

00:14:29,990 --> 00:14:27,920

when

380

00:14:31,590 --> 00:14:30,000

prozac numbers are through the roof and

381

00:14:32,470 --> 00:14:31,600

and adderall and like all these

382

00:14:36,629 --> 00:14:32,480

different

383

00:14:38,470 --> 00:14:36,639

drugs that are made for add and

384

00:14:40,470 --> 00:14:38,480

everything else it's like they're being

385

00:14:43,350 --> 00:14:40,480

taken in record numbers

386

00:14:44,790 --> 00:14:43,360

um and nobody nobody talks about that

387

00:14:46,629 --> 00:14:44,800

but but

388

00:14:48,150 --> 00:14:46,639

you know marijuana is automatically

389

00:14:50,629 --> 00:14:48,160  
attacked

390

00:14:51,990 --> 00:14:50,639  
mushrooms and weed and

391

00:14:53,189 --> 00:14:52,000  
pretty much mushrooms and wheat i won't

392

00:14:55,430 --> 00:14:53,199  
even throw any other drug in that

393

00:14:56,710 --> 00:14:55,440  
category is they make it

394

00:14:57,990 --> 00:14:56,720  
they make you sit there and think you're

395

00:14:59,670 --> 00:14:58,000  
like god you look at your life and

396

00:15:00,790 --> 00:14:59,680  
you're like man i'm just going to work

397

00:15:02,870 --> 00:15:00,800  
every day

398

00:15:04,949 --> 00:15:02,880  
letting some [h\_\_h] tell me what to do

399

00:15:07,269 --> 00:15:04,959  
i have no [h\_\_h] control of anything

400

00:15:09,430 --> 00:15:07,279  
for what for some change for some

401  
00:15:11,030 --> 00:15:09,440  
[h\_\_h] money just so i can you know

402  
00:15:12,949 --> 00:15:11,040  
live paycheck to paycheck and barely

403  
00:15:14,710 --> 00:15:12,959  
keep the roof over my head just just

404  
00:15:17,910 --> 00:15:14,720  
like get fed i got to deal with this

405  
00:15:20,389 --> 00:15:17,920  
guy's [h\_\_h] just so i can eat those those

406  
00:15:21,509 --> 00:15:20,399  
are the drugs that really tuned me into

407  
00:15:23,350 --> 00:15:21,519  
that kind of

408  
00:15:25,030 --> 00:15:23,360  
thought process whereas if i'm just

409  
00:15:27,990 --> 00:15:25,040  
going to get drunk every night i'll just

410  
00:15:30,150 --> 00:15:28,000  
wake up with a hangover you know get a

411  
00:15:31,750 --> 00:15:30,160  
cup of coffee and get my ass to work you

412  
00:15:33,590 --> 00:15:31,760  
know that you don't really have the

413  
00:15:35,350 --> 00:15:33,600

introspective thoughts on them i don't

414

00:15:37,590 --> 00:15:35,360

know if mushrooms and

415

00:15:39,269 --> 00:15:37,600

and weed causes

416

00:15:40,710 --> 00:15:39,279

i think they turn that out of you but i

417

00:15:42,310 --> 00:15:40,720

think they open up creativity and

418

00:15:44,550 --> 00:15:42,320

everything like i love what george

419

00:15:46,069 --> 00:15:44,560

carlin said about his writing process is

420

00:15:48,230 --> 00:15:46,079

that he would like spend

421

00:15:49,030 --> 00:15:48,240

time like um you know weeks or whatever

422

00:15:50,710 --> 00:15:49,040

writing

423

00:15:52,629 --> 00:15:50,720

and then when he was ready to when he

424

00:15:55,430 --> 00:15:52,639

was ready to get all the punch lines out

425

00:15:57,990 --> 00:15:55,440

he'd smoke yeah and that helped him you

426

00:15:59,590 --> 00:15:58,000

know he so he set the premise up he set

427

00:16:01,509 --> 00:15:59,600

the premise of the jokes up but then for

428

00:16:03,350 --> 00:16:01,519

the punchline you know he would

429

00:16:05,590 --> 00:16:03,360

he would use that for creativity so i

430

00:16:07,749 --> 00:16:05,600

think it can be uh you know it can

431

00:16:09,749 --> 00:16:07,759

definitely open up that

432

00:16:13,110 --> 00:16:09,759

the creative side of people it does open

433

00:16:14,470 --> 00:16:13,120

up a creative process it definitely

434

00:16:17,430 --> 00:16:14,480

um

435

00:16:19,509 --> 00:16:17,440

enhances a way of thinking and it's it's

436

00:16:21,430 --> 00:16:19,519

like normal people

437

00:16:23,430 --> 00:16:21,440

i use term normal people as like people

438

00:16:24,949 --> 00:16:23,440

that don't do comedy that aren't comics

439

00:16:27,829 --> 00:16:24,959

that aren't on stage

440

00:16:29,829 --> 00:16:27,839

normal people yeah greg well you're not

441

00:16:32,230 --> 00:16:29,839

really normal because you have this

442

00:16:33,749 --> 00:16:32,240

blurring the line trying to but uh

443

00:16:36,550 --> 00:16:33,759

without the internet i would have killed

444

00:16:38,550 --> 00:16:36,560

myself yeah but normal people they don't

445

00:16:41,509 --> 00:16:38,560

think of things in a certain way because

446

00:16:44,629 --> 00:16:41,519

they're born and bred to do this this

447

00:16:45,590 --> 00:16:44,639

only little thing but people that

448

00:16:47,990 --> 00:16:45,600

do

449

00:16:50,550 --> 00:16:48,000

comedy or entertainment or or something

450

00:16:52,710 --> 00:16:50,560

artistic you know they view things in a

451  
00:16:53,990 --> 00:16:52,720  
whole different demeanor whereas comics

452  
00:16:58,470 --> 00:16:54,000  
you can

453  
00:17:00,790 --> 00:16:58,480  
[h\_\_h] you feel like saying right and i i

454  
00:17:03,269 --> 00:17:00,800  
i'm starting to lose where this started

455  
00:17:05,029 --> 00:17:03,279  
off no but i mean it's a wall when as a

456  
00:17:07,189 --> 00:17:05,039  
comic like it's hard to hold

457  
00:17:09,510 --> 00:17:07,199  
conversations i'm trying to say is we do

458  
00:17:14,230 --> 00:17:09,520  
drugs

459  
00:17:15,829 --> 00:17:14,240  
way do you see shrooms is more of a

460  
00:17:17,669 --> 00:17:15,839  
more than just a obviously more than a

461  
00:17:19,429 --> 00:17:17,679  
party drone it's not just

462  
00:17:20,549 --> 00:17:19,439  
absolutely i see things clearly when i'm

463  
00:17:21,669 --> 00:17:20,559

on mushrooms i sort of see things

464

00:17:23,510 --> 00:17:21,679

through it i'm not talking about any

465

00:17:25,270 --> 00:17:23,520

sort of metaphysical like connection to

466

00:17:27,750 --> 00:17:25,280

the universe or others if you want to

467

00:17:29,350 --> 00:17:27,760

believe that that's fine i i'm i'm more

468

00:17:30,390 --> 00:17:29,360

of an atheist i don't believe in sort of

469

00:17:32,230 --> 00:17:30,400

that stuff i'm not going to tell you're

470

00:17:34,630 --> 00:17:32,240

a liar or you're wrong but to me it's

471

00:17:36,230 --> 00:17:34,640

just like it helps me see clearly like

472

00:17:37,830 --> 00:17:36,240

have you ever talked through a problem

473

00:17:39,669 --> 00:17:37,840

and you're like oh i get it that girl's

474

00:17:41,190 --> 00:17:39,679

cheating on me i get it exactly it just

475

00:17:42,070 --> 00:17:41,200

helps you see things clearly so i would

476

00:17:43,510 --> 00:17:42,080

like

477

00:17:44,630 --> 00:17:43,520

i made a rule the first time i did

478

00:17:45,750 --> 00:17:44,640

mushrooms i was like i should compliment

479

00:17:47,270 --> 00:17:45,760

other comics more i don't know why i

480

00:17:48,390 --> 00:17:47,280

don't compliment them

481

00:17:49,830 --> 00:17:48,400

so i remember calling my friend chris

482

00:17:51,750 --> 00:17:49,840

fairbanks yeah writing him he's like

483

00:17:53,270 --> 00:17:51,760

you're a really cool comic interesting

484

00:17:54,710 --> 00:17:53,280

technique that's funny you say that

485

00:17:56,630 --> 00:17:54,720

because just a few that's not a bad

486

00:17:58,789 --> 00:17:56,640

thing it's a good thing

487

00:18:01,430 --> 00:17:58,799

a few episodes ago i was talking about

488

00:18:04,070 --> 00:18:01,440

like i did i had the same exact feeling

489

00:18:06,710 --> 00:18:04,080

with ecstasy my roommate started uh he

490

00:18:08,549 --> 00:18:06,720

wanted to spin fire you know a fire poi

491

00:18:10,390 --> 00:18:08,559

yeah and uh he started doing it with

492

00:18:12,470 --> 00:18:10,400

tube socks and tennis balls to get the

493

00:18:14,150 --> 00:18:12,480

feel down of spinning fire oh cool and i

494

00:18:15,909 --> 00:18:14,160

was just like i just asked him like you

495

00:18:17,270 --> 00:18:15,919

know i i watch him do this all the time

496

00:18:18,470 --> 00:18:17,280

i never say anything you know he's doing

497

00:18:20,549 --> 00:18:18,480

it by himself he doesn't get any

498

00:18:22,150 --> 00:18:20,559

encouragement and i'm like you know go

499

00:18:23,909 --> 00:18:22,160

for it dude you'll spin that

500

00:18:25,750 --> 00:18:23,919

it's nice to be able to say we're

501  
00:18:27,430 --> 00:18:25,760  
watching the beach you know like good

502  
00:18:28,870 --> 00:18:27,440  
job practicing get out on the beach and

503  
00:18:30,070 --> 00:18:28,880  
spend some [h\_\_h] easy to [h\_\_h] on

504  
00:18:32,150 --> 00:18:30,080  
things but you can also just easily

505  
00:18:33,590 --> 00:18:32,160  
point out the good stuff right and drugs

506  
00:18:36,630 --> 00:18:33,600  
and then you feel better about it have a

507  
00:18:37,830 --> 00:18:36,640  
lot of types make that just easier to do

508  
00:18:39,510 --> 00:18:37,840  
not all of them but some of them and

509  
00:18:40,950 --> 00:18:39,520  
mushrooms really does i remember calling

510  
00:18:42,710 --> 00:18:40,960  
my friend telling him i was just so

511  
00:18:44,789 --> 00:18:42,720  
sorry about his dad dying

512  
00:18:46,150 --> 00:18:44,799  
and i just never really wanted to i just

513  
00:18:47,270 --> 00:18:46,160

felt bad about it for him he was like

514

00:18:48,630 --> 00:18:47,280

thanks man what's wrong with you i'm

515

00:18:50,470 --> 00:18:48,640

like i'm lots of mushrooms he's like all

516

00:18:52,710 --> 00:18:50,480

right that makes sense

517

00:18:54,950 --> 00:18:52,720

it's fun when you can have like you know

518

00:18:56,310 --> 00:18:54,960

i'm sure that i will definitely at some

519

00:18:57,990 --> 00:18:56,320

point have to go back to the day job

520

00:18:59,430 --> 00:18:58,000

grind which i'm not looking forward to

521

00:19:01,669 --> 00:18:59,440

but i don't think i can go back to what

522

00:19:02,470 --> 00:19:01,679

i was doing before because it was

523

00:19:04,710 --> 00:19:02,480

uh

524

00:19:07,270 --> 00:19:04,720

soul-crushing and sometimes you need

525

00:19:09,669 --> 00:19:07,280

some uh well that's yeah you know you

526

00:19:11,430 --> 00:19:09,679

definitely need something to to take the

527

00:19:12,310 --> 00:19:11,440

edge off and if it's

528

00:19:14,789 --> 00:19:12,320

you know

529

00:19:16,390 --> 00:19:14,799

if pot or mushrooms is your thing then

530

00:19:18,150 --> 00:19:16,400

then cool i don't think that there's

531

00:19:20,070 --> 00:19:18,160

anything different than it's nothing

532

00:19:23,029 --> 00:19:20,080

different from taking prozac or

533

00:19:25,669 --> 00:19:23,039

antidepressants or whatever it helps to

534

00:19:27,350 --> 00:19:25,679

fill a chemical imbalance

535

00:19:29,430 --> 00:19:27,360

in some people i guess you think people

536

00:19:30,789 --> 00:19:29,440

just naturally they'll find the drug

537

00:19:31,750 --> 00:19:30,799

that they like the most and stick with

538

00:19:36,830 --> 00:19:31,760

that

539

00:19:38,230 --> 00:19:36,840

uh well i mean like if crack is your

540

00:19:40,070 --> 00:19:38,240

drug with this

541

00:19:41,510 --> 00:19:40,080

you're gonna find that and it's gonna

542

00:19:43,590 --> 00:19:41,520

it's gonna you know i don't think

543

00:19:46,630 --> 00:19:43,600

there's an excuse to say i just have a

544

00:19:51,990 --> 00:19:46,640

crack personality right i was just

545

00:19:54,950 --> 00:19:53,590

that's like i just woke up one day and i

546

00:19:56,950 --> 00:19:54,960

was like you know what you know some

547

00:19:59,270 --> 00:19:56,960

people get high some people get drunk i

548

00:20:00,789 --> 00:19:59,280

really crack that's gonna be my thing

549

00:20:03,270 --> 00:20:00,799

i'm just gonna

550

00:20:05,669 --> 00:20:03,280

i'm gonna pick up rocks and smoke them

551

00:20:07,029 --> 00:20:05,679

i can say

552

00:20:09,110 --> 00:20:07,039

um

553

00:20:11,669 --> 00:20:09,120

i'm at a point with these mushrooms now

554

00:20:13,669 --> 00:20:11,679

that is hard to follow my own train of

555

00:20:15,190 --> 00:20:13,679

thought and it's also hard to listen to

556

00:20:16,390 --> 00:20:15,200

a full sentence from either one of you

557

00:20:17,990 --> 00:20:16,400

guys

558

00:20:19,669 --> 00:20:18,000

it's hard yeah the walls are dancing the

559

00:20:20,710 --> 00:20:19,679

end of a sentence i'm like where the

560

00:20:23,430 --> 00:20:20,720

[h\_\_\h]

561

00:20:26,390 --> 00:20:23,440

what were we talking about jobs yeah who

562

00:20:28,549 --> 00:20:26,400

works rock work

563

00:20:29,750 --> 00:20:28,559

i'm going there tomorrow in less than 12

564

00:20:31,350 --> 00:20:29,760

hours

565

00:20:32,870 --> 00:20:31,360

uh there's not i might as well be in

566

00:20:34,390 --> 00:20:32,880

prison at least you're not driving a bus

567

00:20:35,909 --> 00:20:34,400

or anything though

568

00:20:37,270 --> 00:20:35,919

that's nothing important like that where

569

00:20:38,950 --> 00:20:37,280

people's lives

570

00:20:41,510 --> 00:20:38,960

like you know yeah you're not a fireman

571

00:20:43,669 --> 00:20:41,520

i've done more drugs like firefighters

572

00:20:45,430 --> 00:20:43,679

it created videos that makes me feel

573

00:20:46,230 --> 00:20:45,440

super safe the next time i have to get

574

00:20:47,909 --> 00:20:46,240

them

575

00:20:50,149 --> 00:20:47,919

one they're like they're not cops we're

576

00:20:51,830 --> 00:20:50,159

just there to [h\_\_h] put out fires and

577

00:20:54,070 --> 00:20:51,840

save old people like

578

00:20:56,230 --> 00:20:54,080

they do they party more than anybody

579

00:21:00,470 --> 00:20:56,240

else that i've ever met in my life

580

00:21:02,070 --> 00:21:00,480

firefighters firefighters firefighters

581

00:21:03,590 --> 00:21:02,080

but you gotta be [h\_\_h] up like are you

582

00:21:05,110 --> 00:21:03,600

like everything you definitely have to

583

00:21:06,070 --> 00:21:05,120

have this different personality to be

584

00:21:07,990 --> 00:21:06,080

willing

585

00:21:09,270 --> 00:21:08,000

there's on fire i'm just gonna walk in

586

00:21:10,950 --> 00:21:09,280

there and then like

587

00:21:12,310 --> 00:21:10,960

and do [h\_\_h] that's

588

00:21:14,070 --> 00:21:12,320

you know you gotta really treat you guys

589

00:21:18,470 --> 00:21:14,080

i know who are firefighters were pretty

590

00:21:21,909 --> 00:21:19,990

they were like people who tried

591

00:21:23,590 --> 00:21:21,919

everything else the people who tried

592

00:21:25,029 --> 00:21:23,600

every [h\_\_h] other thing couldn't get

593

00:21:28,070 --> 00:21:25,039

into any others every other school

594

00:21:30,070 --> 00:21:28,080

program was too long

595

00:21:32,390 --> 00:21:30,080

the firefighting one is like a few weeks

596

00:21:34,230 --> 00:21:32,400

shorter than police academy well it's a

597

00:21:35,990 --> 00:21:34,240

it's definitely that one it's the

598

00:21:37,270 --> 00:21:36,000

airport it's a generational thing too

599

00:21:38,549 --> 00:21:37,280

it's like the military you know it's

600

00:21:40,390 --> 00:21:38,559

like oh well my grandfather was a

601  
00:21:41,990 --> 00:21:40,400  
firefighter and my dad was a firefighter

602  
00:21:47,029 --> 00:21:42,000  
you know people got to be able to fight

603  
00:21:51,990 --> 00:21:49,190  
firefighters like the air force

604  
00:21:54,149 --> 00:21:52,000  
of the uh of the military

605  
00:21:57,110 --> 00:21:54,159  
the crazy ones yeah like well they're

606  
00:22:01,270 --> 00:21:57,120  
not really crazy towards like easier

607  
00:22:05,909 --> 00:22:02,950  
i'm just going off again i'm sorry yeah

608  
00:22:09,350 --> 00:22:05,919  
man you're just good at your amtrak

609  
00:22:12,789 --> 00:22:11,270  
[h\_\_\h] just kind of starts hitting you and

610  
00:22:16,149 --> 00:22:12,799  
i just wolfed him down i'm sorry i

611  
00:22:18,710 --> 00:22:16,159  
didn't even wait me too i was like

612  
00:22:20,470 --> 00:22:18,720  
it is it's funny to have i know i'm

613  
00:22:21,830 --> 00:22:20,480

going to look back at this and laugh but

614

00:22:24,149 --> 00:22:21,840

at this point i'm like i don't want to

615

00:22:25,590 --> 00:22:24,159

do this at all

616

00:22:27,190 --> 00:22:25,600

you don't even want to do the podcast

617

00:22:29,990 --> 00:22:27,200

now

618

00:22:32,870 --> 00:22:30,000

i don't i see that cracked open door and

619

00:22:34,630 --> 00:22:32,880

i'm like frisbee golf or something

620

00:22:36,390 --> 00:22:34,640

get outside

621

00:22:38,470 --> 00:22:36,400

for this i like the idea of connecting

622

00:22:44,070 --> 00:22:38,480

everybody to each other too like it's

623

00:22:48,710 --> 00:22:46,390

yeah post pictures and whatever twitter

624

00:22:50,390 --> 00:22:48,720

we got a hashtag shroomfest exactly so

625

00:22:51,750 --> 00:22:50,400

anything you do [h\_\_h] hashtag and

626

00:22:53,590 --> 00:22:51,760

people just follow along in real time

627

00:22:55,110 --> 00:22:53,600

yeah like some crazy shits going down it

628

00:22:56,630 --> 00:22:55,120

really is my friend bobby he's hugging

629

00:22:57,909 --> 00:22:56,640

the dirt and you just take a picture of

630

00:22:59,510 --> 00:22:57,919

that you're like ah all right this guy's

631

00:23:00,789 --> 00:22:59,520

assuming i'm gonna shoot tomorrow or i

632

00:23:03,190 --> 00:23:00,799

stream yesterday let me watch these guys

633

00:23:05,029 --> 00:23:03,200

today do you have any concerns about it

634

00:23:05,990 --> 00:23:05,039

um

635

00:23:07,510 --> 00:23:06,000

being

636

00:23:09,270 --> 00:23:07,520

you know the way people put up salvia

637

00:23:11,110 --> 00:23:09,280

videos it would just be nonsense just

638

00:23:12,789 --> 00:23:11,120

crazy do you have any any concerns of it

639

00:23:13,990 --> 00:23:12,799

being nonsense do you want people to get

640

00:23:15,270 --> 00:23:14,000

something out of it or do you really i

641

00:23:16,870 --> 00:23:15,280

wanted to see that's a cool thing just

642

00:23:18,310 --> 00:23:16,880

[h\_\_\h] do it you see it i don't want

643

00:23:19,830 --> 00:23:18,320

for myself i don't want anything out of

644

00:23:21,549 --> 00:23:19,840

it i might host some a place on my

645

00:23:23,590 --> 00:23:21,559

website uh

646

00:23:25,270 --> 00:23:23,600

reshaffir.com or alreadythegreat.com

647

00:23:26,470 --> 00:23:25,280

just like a place to put people like

648

00:23:28,230 --> 00:23:26,480

pictures and videos and stuff just to

649

00:23:29,510 --> 00:23:28,240

host them but like i don't want anything

650

00:23:31,190 --> 00:23:29,520

i just want the idea of everybody doing

651  
00:23:32,870 --> 00:23:31,200  
them i just like it so it's like for

652  
00:23:34,870 --> 00:23:32,880  
whatever reason

653  
00:23:36,549 --> 00:23:34,880  
i got the idea so i'm in charge no

654  
00:23:39,510 --> 00:23:36,559  
that's that's you know and then so let's

655  
00:23:42,070 --> 00:23:39,520  
just do it let's get it done

656  
00:23:43,909 --> 00:23:42,080  
so yeah go eat a [h\_\_\h] ton of shrooms

657  
00:23:46,470 --> 00:23:43,919  
relax for a little bit

658  
00:23:47,830 --> 00:23:46,480  
talk amongst friends and then

659  
00:23:50,630 --> 00:23:47,840  
when it's time to go it's time to go i

660  
00:23:53,430 --> 00:23:50,640  
feel like a giant right now i'm just

661  
00:23:56,070 --> 00:23:53,440  
that's just that's that's just me we're

662  
00:23:57,830 --> 00:23:56,080  
we're hitting on a lot of deep

663  
00:24:00,710 --> 00:23:57,840

deep subjects

664

00:24:04,390 --> 00:24:00,720

a lot of stuff mike feels like a giant

665

00:24:06,470 --> 00:24:04,400

we're all about to start tearing up

666

00:24:07,669 --> 00:24:06,480

this is when it needs to end i think so

667

00:24:09,590 --> 00:24:07,679

yes

668

00:24:11,269 --> 00:24:09,600

we are peaking right now i think is what

669

00:24:13,350 --> 00:24:11,279

we're all trying to say

670

00:24:15,029 --> 00:24:13,360

and it's going to be really hard to uh

671

00:24:17,430 --> 00:24:15,039

if we're not peaking that's an early

672

00:24:20,070 --> 00:24:17,440

peak right it prob pretty much is but i

673

00:24:20,870 --> 00:24:20,080

mean i feel like if this is not halfway

674

00:24:22,870 --> 00:24:20,880

there

675

00:24:24,390 --> 00:24:22,880

yeah

676

00:24:26,710 --> 00:24:24,400

there you go what is an hour from now

677

00:24:28,789 --> 00:24:26,720

i'm going to be like all right i'm not

678

00:24:36,870 --> 00:24:28,799

going anywhere good you guys want to go

679

00:24:39,830 --> 00:24:38,390

that's why you're smart to do this at

680

00:24:41,590 --> 00:24:39,840

your house

681

00:24:43,430 --> 00:24:41,600

he had to drive i had to pick up paul in

682

00:24:45,269 --> 00:24:43,440

his county yeah he had to drive all the

683

00:24:47,029 --> 00:24:45,279

way because i was like i can't

684

00:24:48,470 --> 00:24:47,039

i'm down to do it but i can't drive

685

00:24:50,070 --> 00:24:48,480

afterwards

686

00:24:51,909 --> 00:24:50,080

i was like yeah [h\_\_h] it i'll do it oh

687

00:24:54,390 --> 00:24:51,919

look at that somebody just walked in

688

00:24:56,549 --> 00:24:54,400

there she is she's back from her walk

689

00:25:00,710 --> 00:24:56,559

how are you feeling she's giggling she's

690

00:25:01,830 --> 00:25:00,720

going theresa just walked in

691

00:25:03,909 --> 00:25:01,840

she's a

692

00:25:06,549 --> 00:25:03,919

regular guest here right yeah she lives

693

00:25:09,190 --> 00:25:08,230

she's tackling me i think we're the

694

00:25:10,390 --> 00:25:09,200

guests

695

00:25:12,230 --> 00:25:10,400

actually this is

696

00:25:14,230 --> 00:25:12,240

her house yeah we're in her house this

697

00:25:16,870 --> 00:25:14,240

is her living room we're invading her

698

00:25:17,909 --> 00:25:16,880

space it's always about her

699

00:25:20,070 --> 00:25:17,919

yeah

700

00:25:25,830 --> 00:25:20,080

we had this conversation yes

701  
00:25:29,830 --> 00:25:27,269  
but i think that's about it right yeah

702  
00:25:31,750 --> 00:25:29,840  
we'll edit that out

703  
00:25:33,269 --> 00:25:31,760  
i'm about ready guys i'm about ready too

704  
00:25:34,950 --> 00:25:33,279  
do you feel that way i'm feeling this

705  
00:25:36,230 --> 00:25:34,960  
yeah nothing to do with your guys's life

706  
00:25:38,310 --> 00:25:36,240  
you know that you know part of your eye

707  
00:25:39,909 --> 00:25:38,320  
or [h\_\_\h] i do have i do have one

708  
00:25:41,510 --> 00:25:39,919  
interesting piece of history though

709  
00:25:43,269 --> 00:25:41,520  
before we go

710  
00:25:46,390 --> 00:25:43,279  
uh i was listening to the intro and it

711  
00:25:49,110 --> 00:25:46,400  
was talking about fdr doing the the

712  
00:25:50,789 --> 00:25:49,120  
fireside chats uh i used to work at the

713  
00:25:52,630 --> 00:25:50,799

us grant hotel which i probably

714

00:25:55,269 --> 00:25:52,640

shouldn't admit on anything that's being

715

00:25:59,269 --> 00:25:56,870

but i used to work at the u.s grant

716

00:26:01,190 --> 00:25:59,279

hotel and um it's like top secret [h\_\_\h]

717

00:26:02,390 --> 00:26:01,200

you know it's like head cia he worked at

718

00:26:04,390 --> 00:26:02,400

this hotel

719

00:26:05,909 --> 00:26:04,400

well no no i just don't want to announce

720

00:26:07,750 --> 00:26:05,919

the people that i might have to ask for

721

00:26:21,269 --> 00:26:07,760

a job in a couple months i was doing

722

00:26:26,630 --> 00:26:24,230

i'm in limbo right now but um anyways

723

00:26:27,990 --> 00:26:26,640

the us grand hotel the the penthouse

724

00:26:29,750 --> 00:26:28,000

suite which i got to live in for a

725

00:26:31,909 --> 00:26:29,760

couple months when i first moved to san

726

00:26:34,310 --> 00:26:31,919

diego which was awesome uh was

727

00:26:37,510 --> 00:26:34,320

originally a it was the first radio

728

00:26:40,230 --> 00:26:37,520

station that was ever in california

729

00:26:41,350 --> 00:26:40,240

and fdr owned a home in coronado so he

730

00:26:45,750 --> 00:26:41,360

did

731

00:26:46,630 --> 00:26:45,760

fireside chats uh

732

00:26:48,149 --> 00:26:46,640

from

733

00:26:50,630 --> 00:26:48,159

that radio station at the u.s grand

734

00:26:56,390 --> 00:26:50,640

hotel so oh right there in san diego

735

00:27:00,789 --> 00:26:58,470

everybody feels like we're one

736

00:27:02,870 --> 00:27:00,799

and we pretty much are [h\_\_h] one right

737

00:27:03,909 --> 00:27:02,880

their brands have melted together in

738

00:27:04,830 --> 00:27:03,919

this

739

00:27:07,430 --> 00:27:04,840

all

740

00:27:09,029 --> 00:27:07,440

right i'm glad good night anything you

741

00:27:11,909 --> 00:27:09,039

want to plug before we go

742

00:27:17,110 --> 00:27:15,190

we should probably plug that

743

00:27:18,870 --> 00:27:17,120

go to the la jolla comedy store on

744

00:27:20,870 --> 00:27:18,880

wednesday thursdays and sundays and you

745

00:27:23,990 --> 00:27:20,880

can see mike's van and paul herman yeah

746

00:27:26,070 --> 00:27:24,000

we got uh wednesday wednesday we have a

747

00:27:27,190 --> 00:27:26,080

what is it the new world order of comedy

748

00:27:29,350 --> 00:27:27,200

or something

749

00:27:31,669 --> 00:27:29,360

bob hanson guys about that but that's

750

00:27:43,269 --> 00:27:31,679

not gonna happen we came we tried we're

751  
00:27:48,710 --> 00:27:45,909  
there was a mushroom

752  
00:27:51,110 --> 00:27:48,720  
sad little mushroom

753  
00:27:53,590 --> 00:27:51,120  
and there was a medal

754  
00:27:55,830 --> 00:27:53,600  
ready to cry

755  
00:27:58,630 --> 00:27:55,840  
there was a sparrow

756  
00:28:00,789 --> 00:27:58,640  
and gray little spell

757  
00:28:03,430 --> 00:28:00,799  
there was an eagle
