read all week the pyramids and the

18

00:01:45,330 --> 00:01:42,940

Pentagon the government's top secret

19

00:01:47,700 --> 00:01:45,340

pursuit of mystic relic ancient

20

00:01:49,350 --> 00:01:47,710

astronauts and lost civilizations ladies

21

00:01:51,210 --> 00:01:49,360

and gentlemen the jury I present to you

22

00:01:53,520 --> 00:01:51,220

exhibit a Nick Redfern Nick how the hell

23

00:01:55,169 --> 00:01:53,530

are you hey Greg I'm doing good things

24

00:01:59,190 --> 00:01:55,179

first time I've ever been called eggs

25

00:02:01,529 --> 00:01:59,200

every day I'm weird like that

26

00:02:02,940 --> 00:02:01,539

that's alright hey you know I'm really

27

00:02:05,340 --> 00:02:02,950

psyched you're here one of my favorite

28

00:02:07,080 --> 00:02:05,350

things about your work is that you don't

29

00:02:09,480 --> 00:02:07,090

really speculate you educate because

30

00:02:11,700 --> 00:02:09,490

honestly not to name names but I've had

31

00:02:13,590 --> 00:02:11,710

a few guests recently that just they

32

00:02:15,620 --> 00:02:13,600

just know we're not the only intelligent

33

00:02:18,180 --> 00:02:15,630

race in the plant or they have a feeling

34

00:02:20,370 --> 00:02:18,190

Atlantis was the real place but you

35

00:02:22,020 --> 00:02:20,380

actually dig up documents research cases

36

00:02:25,740 --> 00:02:22,030

and you don't sacrifice your credibility

37

00:02:27,300 --> 00:02:25,750

just to sex it up you know well well I

38

00:02:29,309 --> 00:02:27,310

appreciate you saying that I mean I've

39

00:02:31,050 --> 00:02:29,319

always I mean my background is in

40

00:02:32,430 --> 00:02:31,060

journalism he's sort of regular

41

00:02:34,920 --> 00:02:32,440

journalism and I've always sort of been

42

00:02:37,260 --> 00:02:34,930

in a case that just because I'm writing

43

00:02:39,330 --> 00:02:37,270

about Bigfoot or UFOs or Roswell or

44

00:02:40,949 --> 00:02:39,340

whatever you know it doesn't mean your

45

00:02:42,690 --> 00:02:40,959

brain has to go out the window you know

46

00:02:45,449 --> 00:02:42,700

you should still apply the same

47

00:02:47,250 --> 00:02:45,459

journalistic techniques and when you can

48

00:02:49,559 --> 00:02:47,260

other facts when you can uncover facts

49

00:02:51,660 --> 00:02:49,569

tell people it's facts when you've got

50

00:02:54,390 --> 00:02:51,670

something that's an intriguing bit of

51
00:02:56,550 --> 00:02:54,400
data which is suggestive something will

52
00:02:58,920 --> 00:02:56,560
tell them it's just suggestive you know

53
00:03:01,500 --> 00:02:58,930
but don't go in there with this belief

54
00:03:04,320 --> 00:03:01,510
system but this is what it is you know

55
00:03:06,150 --> 00:03:04,330
and it's casting stone if you

56
00:03:08,580 --> 00:03:06,160
unable to prove that it is casting stone

57
00:03:09,720 --> 00:03:08,590
you know yeah I mean it's great because

58
00:03:11,580 --> 00:03:09,730
there's a lot of times I think people

59
00:03:13,470 --> 00:03:11,590
get maybe too close to the work and

60
00:03:15,060 --> 00:03:13,480
they're like maybe a placebo effect

61
00:03:16,410 --> 00:03:15,070
takes hold and they're like well I did

62
00:03:18,780 --> 00:03:16,420
see a spirit and it's like well how

63
00:03:20,400 --> 00:03:18,790

funny is it that rarely if people see

64

00:03:22,860 --> 00:03:20,410

them but the guy who researches them is

65

00:03:23,460 --> 00:03:22,870

now seeing them so I mean you know it is

66

00:03:25,620 --> 00:03:23,470

what it is

67

00:03:27,720 --> 00:03:25,630

yeah well let's do the normal thing and

68

00:03:30,330 --> 00:03:27,730

dig into your newest book the pyramids

69

00:03:32,970 --> 00:03:30,340

the Pentagon Oh would you mind kind of

70

00:03:35,100 --> 00:03:32,980

summarizing it up for the people yes

71

00:03:36,450 --> 00:03:35,110

yeah well basically you know I mean I'm

72

00:03:39,720 --> 00:03:36,460

sure everybody's heard of the whole

73

00:03:43,230 --> 00:03:39,730

ancient astronaut scenario erich von

74

00:03:46,470 --> 00:03:43,240

daniken zecharia sitchin and shows on TV

75

00:03:49,190 --> 00:03:46,480

now like ancient aliens the idea that in

76

00:03:50,880 --> 00:03:49,200

the distant past we were visited by

77

00:03:53,330 --> 00:03:50,890

extraterrestrials and that they were

78

00:03:56,610 --> 00:03:53,340

responsible for a lot of our mythologies

79

00:03:58,350 --> 00:03:56,620

folklore beliefs etc you know of higher

80

00:04:00,630 --> 00:03:58,360

entities coming down from the sky in

81

00:04:03,120 --> 00:04:00,640

fiery chariots that sort of thing yeah

82

00:04:04,830 --> 00:04:03,130

and because of you know dozens and

83

00:04:07,020 --> 00:04:04,840

dozens of books have been written on the

84

00:04:08,910 --> 00:04:07,030

subject and you know you could make a

85

00:04:11,280 --> 00:04:08,920

good case of saying well what else could

86

00:04:12,930 --> 00:04:11,290

could be written about it all but there

87

00:04:14,820 --> 00:04:12,940

was one of the things that I got little

88

00:04:17,159 --> 00:04:14,830

snippets of information of from time to

89

00:04:19,140 --> 00:04:17,169

time which I never really did much weird

90

00:04:20,580 --> 00:04:19,150

until I realized that if you do do

91

00:04:23,220 --> 00:04:20,590

something with it there's a big story

92

00:04:25,280 --> 00:04:23,230

here and that was what government

93

00:04:27,630 --> 00:04:25,290

agencies know about the whole ancient

94

00:04:29,550 --> 00:04:27,640

astronauts angle you know there is a lot

95

00:04:31,260 --> 00:04:29,560

of theorizing and books telling the

96

00:04:33,510 --> 00:04:31,270

story in general of what people believe

97

00:04:35,520 --> 00:04:33,520

happened you know thousands of years ago

98

00:04:37,590 --> 00:04:35,530

but not from what the perspective what

99

00:04:40,260 --> 00:04:37,600

the Pentagon knew or believed or

100

00:04:42,060 --> 00:04:40,270

concluded about it also what I did was

101
00:04:44,850 --> 00:04:42,070
to start digging into this more and more

102
00:04:47,460 --> 00:04:44,860
uncovering more data and ultimately just

103
00:04:51,090 --> 00:04:47,470
basically demonstrated that since at

104
00:04:54,420 --> 00:04:51,100
least the late 40s u.s. British and

105
00:04:58,110 --> 00:04:54,430
other countries in some cases have sort

106
00:05:00,540 --> 00:04:58,120
of dug very deeply into you know ancient

107
00:05:02,580 --> 00:05:00,550
history with a view to address in this

108
00:05:05,460 --> 00:05:02,590
whole angle of you know where we visited

109
00:05:07,590 --> 00:05:05,470
by somebody else at some point it's that

110
00:05:08,850 --> 00:05:07,600
angle the fact that it's the research

111
00:05:10,680 --> 00:05:08,860
that the government's have done that

112
00:05:12,690 --> 00:05:10,690
lets you explore so many different areas

113
00:05:14,100 --> 00:05:12,700

within the book because they got their

114

00:05:16,590 --> 00:05:14,110

hands and everything really like they

115

00:05:18,250 --> 00:05:16,600

don't really struggling all the way they

116

00:05:20,800 --> 00:05:18,260

make it seem to the public

117

00:05:22,390 --> 00:05:20,810

that they do well I think you know

118

00:05:24,880 --> 00:05:22,400

governments are good at that I mean that

119

00:05:27,130 --> 00:05:24,890

first I've got a huge budget so you know

120

00:05:28,750 --> 00:05:27,140

giving three million to this think-tank

121

00:05:31,420 --> 00:05:28,760

and five million to that one or whatever

122

00:05:33,490 --> 00:05:31,430

you know pretty much any shoes that all

123

00:05:35,350 --> 00:05:33,500

bases are going to be covered and you

124

00:05:37,330 --> 00:05:35,360

know one of the you quite right they

125

00:05:38,890 --> 00:05:37,340

didn't sort of really avoid anything you

126

00:05:42,100 --> 00:05:38,900

know that if it was a mystery of the

127

00:05:44,470 --> 00:05:42,110

past and they felt there was some going

128

00:05:46,180 --> 00:05:44,480

to be obtained from looking into it you

129

00:05:50,790 --> 00:05:46,190

know whether it was the Dead Sea Scrolls

130

00:05:55,990 --> 00:05:53,680

Atlantis the Ark of the Covenant you

131

00:05:58,000 --> 00:05:56,000

know that they covered all bases of you

132

00:05:59,770 --> 00:05:58,010

know serve ancient relics and mysteries

133

00:06:01,090 --> 00:05:59,780

it all seems a little less silly when

134

00:06:03,790 --> 00:06:01,100

you see all the documentation they

135

00:06:05,560 --> 00:06:03,800

looked into it but um the the book is

136

00:06:07,360 --> 00:06:05,570

full of phenomenal stories but one of my

137

00:06:10,630 --> 00:06:07,370

favorites I'd say and it was also pretty

138

00:06:12,880 --> 00:06:10,640

new to me was the Harry Cooper Roswell

139

00:06:15,010 --> 00:06:12,890

account would you mind telling us about

140

00:06:17,950 --> 00:06:15,020

the details there and do you believe his

141

00:06:21,430 --> 00:06:17,960

story yeah sure I can I can answer all

142

00:06:25,150 --> 00:06:21,440

those questions for basically the the

143

00:06:27,880 --> 00:06:25,160

story that we can verify is that in 1947

144

00:06:30,730 --> 00:06:27,890

which was the Roswell the the flying

145

00:06:32,950 --> 00:06:30,740

saucer was born the year the CIA was

146

00:06:35,350 --> 00:06:32,960

created it was also the year which the

147

00:06:37,330 --> 00:06:35,360

Dead Sea scrolls were found it raised a

148

00:06:39,730 --> 00:06:37,340

year and they go to sea yeah crazy here

149

00:06:42,280 --> 00:06:39,740

we did also the Aleister Crowley died

150

00:06:46,930 --> 00:06:42,290

there's a lot of strange stuff going on

151
00:06:49,960 --> 00:06:46,940
in 47 and when the Dead Sea scrolls were

152
00:06:53,530 --> 00:06:49,970
found as I said this coincided with the

153
00:06:56,410 --> 00:06:53,540
CIA being set up and the CIA actually

154
00:06:59,200 --> 00:06:56,420
set up an office in Damascus in the

155
00:07:02,710 --> 00:06:59,210
Middle East in the American Embassy in

156
00:07:06,160 --> 00:07:02,720
the city of Damascus and on one

157
00:07:07,660 --> 00:07:06,170
particular day this guy came into the

158
00:07:10,600 --> 00:07:07,670
offices and sort of a middle-eastern

159
00:07:13,330 --> 00:07:10,610
character in these long flowing Bedouin

160
00:07:15,700 --> 00:07:13,340
type robes and acting very mysteriously

161
00:07:17,050 --> 00:07:15,710
and said that he'd got something he

162
00:07:21,100 --> 00:07:17,060
wanted to show to someone in a position

163
00:07:23,440 --> 00:07:21,110

of authority so the embassy called

164

00:07:25,450 --> 00:07:23,450

this one particular guy Dam miles

165

00:07:28,360 --> 00:07:25,460

Copeland who was a senior operative in

166

00:07:30,670 --> 00:07:28,370

the CIA at the time and he was also as a

167

00:07:32,150 --> 00:07:30,680

stranger on the side he was a father of

168

00:07:34,010 --> 00:07:32,160

and Stewart coke

169

00:07:36,140 --> 00:07:34,020

the drummer at the police it's got

170

00:07:38,840 --> 00:07:36,150

nothing to do with the story but but he

171

00:07:42,500 --> 00:07:38,850

was anyway and so they called Copeland

172

00:07:44,390 --> 00:07:42,510

down and basically this guy pulled out

173

00:07:47,690 --> 00:07:44,400

this role of look like an ancient

174

00:07:50,450 --> 00:07:47,700

parchment very much like the Dead Sea

175

00:07:51,920 --> 00:07:50,460

Scrolls that we know today and this guy

176

00:07:54,290 --> 00:07:51,930

this mysterious character wanted

177

00:07:57,590 --> 00:07:54,300

somebody to look at it and try and

178

00:08:02,240 --> 00:07:57,600

decipher or you know code break it if

179

00:08:03,770 --> 00:08:02,250

you like and so being the CIA Copeland

180

00:08:05,960 --> 00:08:03,780

said well you know I've got somebody or

181

00:08:07,970 --> 00:08:05,970

people I can you know passed his answer

182

00:08:09,890 --> 00:08:07,980

and they can have a look at it and so he

183

00:08:11,630 --> 00:08:09,900

was this guy was happy with this and he

184

00:08:13,370 --> 00:08:11,640

left and promised to come back later but

185

00:08:15,740 --> 00:08:13,380

he never did he just sort of he's almost

186

00:08:17,240 --> 00:08:15,750

like he actually he was a ruse just to

187

00:08:20,030 --> 00:08:17,250

get it off his hands and give it to the

188

00:08:24,260 --> 00:08:20,040

CIA which is kind of odd because you

189

00:08:27,080 --> 00:08:24,270

know this particular scroll was sent to

190

00:08:28,880 --> 00:08:27,090

the CIA Colvin photographed it and he

191

00:08:30,830 --> 00:08:28,890

just literally vanished into the you

192

00:08:34,190 --> 00:08:30,840

know the archives or the the decks of

193

00:08:35,630 --> 00:08:34,200

the CIA never resurfaced now you know

194

00:08:37,400 --> 00:08:35,640

the other Dead Sea Scrolls are all on

195

00:08:39,560 --> 00:08:37,410

public display so it's almost like

196

00:08:42,650 --> 00:08:39,570

there's something unique about this one

197

00:08:44,000 --> 00:08:42,660

that when the CIA deciphered it they

198

00:08:46,630 --> 00:08:44,010

didn't want to give it up for some weird

199

00:08:48,620 --> 00:08:46,640

reason which sort of you know opens

200

00:08:50,720 --> 00:08:48,630

possibilities as whether or you know did

201
00:08:54,170 --> 00:08:50,730
it contain something really weird in

202
00:08:57,890 --> 00:08:54,180
significance but regardless of that the

203
00:09:00,650 --> 00:08:57,900
story gets even stranger in the 1980s

204
00:09:03,680 --> 00:09:00,660
and 1990s a number of UFO researchers

205
00:09:05,990 --> 00:09:03,690
one day William Steinman in the 80s he

206
00:09:08,410 --> 00:09:06,000
was looking into a crashed UFO case in

207
00:09:10,910 --> 00:09:08,420
northern New Mexico in the forties and

208
00:09:13,940 --> 00:09:10,920
Timothy Cooper who was looking into the

209
00:09:16,640 --> 00:09:13,950
Roswell case but you know 50 years later

210
00:09:19,280 --> 00:09:16,650
the 1990s when he got into it

211
00:09:23,240 --> 00:09:19,290
Tim Cooper's dad served in the US

212
00:09:25,580 --> 00:09:23,250
military and told Timothy Coker about

213
00:09:28,400 --> 00:09:25,590

how he was he supposedly printed off

214

00:09:31,340 --> 00:09:28,410

this lengthy report for the military on

215

00:09:33,860 --> 00:09:31,350

a crashed UFO incident in New Mexico in

216

00:09:36,530 --> 00:09:33,870

the summer of 47 it wasn't Roswell but

217

00:09:40,730 --> 00:09:36,540

it was reportedly another one in the

218

00:09:42,560 --> 00:09:40,740

state of Utah and according to Cooper's

219

00:09:44,480 --> 00:09:42,570

father who I was actually was able to

220

00:09:45,980 --> 00:09:44,490

get his military files and verify that

221

00:09:49,370 --> 00:09:45,990

he was at the base he claims

222

00:09:51,320 --> 00:09:49,380

when he said he printed this document he

223

00:09:53,990 --> 00:09:51,330

said that when the military got into the

224

00:09:56,930 --> 00:09:54,000

remains of this sort of wrecked UFO they

225

00:09:59,180 --> 00:09:56,940

found an ancient parchment that's sort

226

00:10:01,300 --> 00:09:59,190

of that respectively the time they

227

00:10:03,769 --> 00:10:01,310

didn't realize but that respectively

228

00:10:05,570 --> 00:10:03,779

sounded like or look like you know one

229

00:10:08,150 --> 00:10:05,580

of the Dead Sea Scrolls and it was

230

00:10:11,420 --> 00:10:08,160

written in some sort of look like you

231

00:10:13,370 --> 00:10:11,430

know a very ancient language and so in

232

00:10:15,710 --> 00:10:13,380

handy was yeah it was reportedly taken

233

00:10:17,600 --> 00:10:15,720

to codebreakers and the National

234

00:10:20,120 --> 00:10:17,610

Security Agency and that was set up in

235

00:10:23,449 --> 00:10:20,130

52 and everybody had a hard time trying

236

00:10:25,730 --> 00:10:23,459

to decipher it and and that's that's a

237

00:10:28,430 --> 00:10:25,740

weird story you know the idea of a

238

00:10:30,800 --> 00:10:28,440

crashed UFO come again is sensational

239

00:10:33,320 --> 00:10:30,810

enough but then being founded like a

240

00:10:35,480 --> 00:10:33,330

Dead Sea scroll inside it is even more

241

00:10:37,699 --> 00:10:35,490

sensational now you know when you ask me

242

00:10:40,670 --> 00:10:37,709

do I believe the story there's

243

00:10:43,220 --> 00:10:40,680

absolutely no doubt that the the first

244

00:10:44,329 --> 00:10:43,230

part of the story has been verified and

245

00:10:47,449 --> 00:10:44,339

back to by other

246

00:10:50,060 --> 00:10:47,459

CAS CIA people be I'd hear that that

247

00:10:53,600 --> 00:10:50,070

miles Copeland was a recipient of this

248

00:10:55,910 --> 00:10:53,610

particular scroll and that the CIA did

249

00:10:58,160 --> 00:10:55,920

acquire it and that it vanished within

250

00:11:01,160 --> 00:10:58,170

the CIA and has never resurfaced since

251
00:11:03,740 --> 00:11:01,170
so we do know that an intelligence

252
00:11:05,389 --> 00:11:03,750
agency in the u.s. namely the CIA has

253
00:11:08,690 --> 00:11:05,399
had a deep interest in the Dead Sea

254
00:11:10,430 --> 00:11:08,700
Scrolls now the next part of the story

255
00:11:13,250 --> 00:11:10,440
you know about the military having an

256
00:11:17,930 --> 00:11:13,260
interest in another type of scroll but

257
00:11:19,880 --> 00:11:17,940
found in a saucer I take it one of two

258
00:11:22,040 --> 00:11:19,890
ways I well that's it it's three ways

259
00:11:24,590 --> 00:11:22,050
you can either interpret the story

260
00:11:27,620 --> 00:11:24,600
literally you know the UFO came down of

261
00:11:29,690 --> 00:11:27,630
a scroll was found you can take it the

262
00:11:32,630 --> 00:11:29,700
idea that you know a UFO did come down

263
00:11:34,850 --> 00:11:32,640

but the scroll story was added by I

264

00:11:36,829 --> 00:11:34,860

guess people in government to try and

265

00:11:39,350 --> 00:11:36,839

discredit the research as you know

266

00:11:41,030 --> 00:11:39,360

rather than to actually create add

267

00:11:43,130 --> 00:11:41,040

credibility to the story just make it

268

00:11:45,530 --> 00:11:43,140

over the tuft where people would walk

269

00:11:47,780 --> 00:11:45,540

away from agencies are good at doing

270

00:11:51,079 --> 00:11:47,790

that or the third possibility of course

271

00:11:54,290 --> 00:11:51,089

is that it's complete nonsense now my

272

00:11:56,510 --> 00:11:54,300

view and my experience is that when you

273

00:11:57,980 --> 00:11:56,520

start to get to the close of some you

274

00:11:59,780 --> 00:11:57,990

get close to some sort of mystery

275

00:12:01,970 --> 00:11:59,790

whether the government angle

276

00:12:05,210 --> 00:12:01,980

you often do find people coming forward

277

00:12:07,580 --> 00:12:05,220

who try and push on to you sensational

278

00:12:10,610 --> 00:12:07,590

stories and I think sometimes that is

279

00:12:14,960 --> 00:12:10,620

done to try and discredit the more

280

00:12:17,390 --> 00:12:14,970

credible angle but in this case I'm not

281

00:12:19,730 --> 00:12:17,400

entirely sure that's all there is to it

282

00:12:21,680 --> 00:12:19,740

I would say that was all there is to it

283

00:12:24,200 --> 00:12:21,690

if it wasn't for the fact that we can

284

00:12:26,390 --> 00:12:24,210

prove that the CIA really did have an

285

00:12:28,670 --> 00:12:26,400

interest in the Dead Sea Scrolls yeah I

286

00:12:31,490 --> 00:12:28,680

mean that that's the weird thing it's

287

00:12:34,100 --> 00:12:31,500

not like the entire story can be

288

00:12:35,930 --> 00:12:34,110

disproved right one part of it can be

289

00:12:39,970 --> 00:12:35,940

proved and of course this begs a bigger

290

00:12:42,560 --> 00:12:39,980

question why on earth would the CIA be

291

00:12:45,050 --> 00:12:42,570

analyzing and even hide in afterwards -

292

00:12:46,760 --> 00:12:45,060

Dead Sea Scrolls independent they just

293

00:12:48,950 --> 00:12:46,770

yeah why didn't they just hand it over

294

00:12:50,810 --> 00:12:48,960

to the bigger collection which is now on

295

00:12:53,630 --> 00:12:50,820

public display for anybody and everybody

296

00:12:55,880 --> 00:12:53,640

to see yeah yeah it's that sort of makes

297

00:12:58,670 --> 00:12:55,890

you wonder if there really was something

298

00:13:00,680 --> 00:12:58,680

to this story yeah that's a crazy thing

299

00:13:02,630 --> 00:13:00,690

to be inside a UFO I thought that was

300

00:13:04,670 --> 00:13:02,640

the Rozell one but as far as Roswell

301
00:13:06,410 --> 00:13:04,680
goes I've always loved that story is one

302
00:13:08,030 --> 00:13:06,420
of the Batna Loch Ness monsters kind of

303
00:13:11,060 --> 00:13:08,040
what got me and when I was really young

304
00:13:13,550 --> 00:13:11,070
and uh I mean there's so many Roswell

305
00:13:16,460 --> 00:13:13,560
theories like there's you know that they

306
00:13:20,030 --> 00:13:16,470
were genetic mutations and they were

307
00:13:23,150 --> 00:13:20,040
know all kinds of different rehab in

308
00:13:24,890 --> 00:13:23,160
held responsible from one angle for the

309
00:13:26,690 --> 00:13:24,900
Roswell crash like as some of their

310
00:13:28,340 --> 00:13:26,700
secret technology but if you had to put

311
00:13:30,680 --> 00:13:28,350
your money on the story as you see it

312
00:13:32,930 --> 00:13:30,690
being most accurate how does the Roswell

313
00:13:35,420 --> 00:13:32,940

story go we did they find by did they

314

00:13:38,240 --> 00:13:35,430

not yeah I think they found something

315

00:13:39,620 --> 00:13:38,250

and they found bodies and I think you

316

00:13:42,830 --> 00:13:39,630

know there's no way was a weather

317

00:13:45,260 --> 00:13:42,840

balloon and the ridiculous

318

00:13:47,930 --> 00:13:45,270

yeah and the idea also that it was this

319

00:13:49,580 --> 00:13:47,940

mogul balloon that you know the gum that

320

00:13:51,710 --> 00:13:49,590

there's nobody disputes the government

321

00:13:53,780 --> 00:13:51,720

was flying these big mold mogul balloons

322

00:13:56,030 --> 00:13:53,790

at the time but the idea was that in

323

00:14:00,050 --> 00:13:56,040

crash test dummies that doesn't hold

324

00:14:03,080 --> 00:14:00,060

water so I think it can only go in one

325

00:14:06,770 --> 00:14:03,090

or two directions one is a literal UFO

326

00:14:09,440 --> 00:14:06,780

with alien bodies or some sort of dark

327

00:14:11,810 --> 00:14:09,450

and dubious military experiments with

328

00:14:13,519 --> 00:14:11,820

human guinea pigs on board that went

329

00:14:14,989 --> 00:14:13,529

wrong and that was so

330

00:14:16,579 --> 00:14:14,999

controversial you know one of the

331

00:14:18,829 --> 00:14:16,589

theories is you know could they use like

332

00:14:20,689 --> 00:14:18,839

Japanese prisoners of war yeah I mean

333

00:14:24,230 --> 00:14:20,699

this is wonder I addressed him in one of

334

00:14:26,530 --> 00:14:24,240

my books either it was a genuine UFO or

335

00:14:28,819 --> 00:14:26,540

it was a like a dark and dubious

336

00:14:32,059 --> 00:14:28,829

experiment that would create such a

337

00:14:33,319 --> 00:14:32,069

scandal that it had to be hidden so but

338

00:14:36,019 --> 00:14:33,329

then again when you listen to the

339

00:14:38,150 --> 00:14:36,029

descriptions of the bodies you know they

340

00:14:39,530 --> 00:14:38,160

don't sound by regular people you know

341

00:14:41,059 --> 00:14:39,540

if you read but if then again if you

342

00:14:43,009 --> 00:14:41,069

read them they're not glad the classic

343

00:14:45,379 --> 00:14:43,019

greys you know these little spindly gray

344

00:14:46,790 --> 00:14:45,389

guys with a big black eyes most of the

345

00:14:49,999 --> 00:14:46,800

books talked about and being more

346

00:14:53,449 --> 00:14:50,009

human-like and about five feet tall so

347

00:14:56,869 --> 00:14:53,459

my view is that it was either a UFO or

348

00:14:58,759 --> 00:14:56,879

some bizarre military human

349

00:15:01,429 --> 00:14:58,769

experimentation and I don't think

350

00:15:03,319 --> 00:15:01,439

there's any ground for anything else

351

00:15:05,030 --> 00:15:03,329

other than you know weather balloons

352

00:15:08,540 --> 00:15:05,040

mogul balloons crash test dummies you

353

00:15:11,059 --> 00:15:08,550

know it's just ridiculous yeah but the

354

00:15:12,710 --> 00:15:11,069

big problem is you know it's I've sort

355

00:15:14,569 --> 00:15:12,720

of made this analogy before it's kind of

356

00:15:16,939 --> 00:15:14,579

like Jack the Ripper or who killed

357

00:15:19,460 --> 00:15:16,949

Kennedy you know that these mysteries

358

00:15:22,400 --> 00:15:19,470

are so getting so old now everybody's

359

00:15:24,559 --> 00:15:22,410

dying off the government's a nothing and

360

00:15:26,119 --> 00:15:24,569

it's like how do we take it to the next

361

00:15:29,210 --> 00:15:26,129

step you know what I mean it's can we

362

00:15:30,920 --> 00:15:29,220

even resolve it and when everybody's

363

00:15:32,449 --> 00:15:30,930

dead and the government said well we'd

364

00:15:36,079 --> 00:15:32,459

look for the files sorry there's nothing

365

00:15:38,689 --> 00:15:36,089

go away you know short of well I say

366

00:15:39,319 --> 00:15:38,699

short I just don't know how you know ten

367

00:15:42,019 --> 00:15:39,329

years from now

368

00:15:43,910 --> 00:15:42,029

Roswell hasn't been solved to the point

369

00:15:45,470 --> 00:15:43,920

where we can prove what happened we

370

00:15:46,819 --> 00:15:45,480

might never know I just don't know

371

00:15:49,100 --> 00:15:46,829

no we may never know because I just

372

00:15:51,079 --> 00:15:49,110

don't know how we can go to that next

373

00:15:53,900 --> 00:15:51,089

steps yeah well hey let me ask you

374

00:15:56,119 --> 00:15:53,910

something a little more modern that

375

00:15:58,069 --> 00:15:56,129

being the u.s. involvement in the Middle

376

00:16:00,290 --> 00:15:58,079

East it seems a little national treasure

377

00:16:02,210 --> 00:16:00,300

but this is my favorite part of the book

378

00:16:03,919 --> 00:16:02,220

you see any reason to think that we may

379

00:16:05,809 --> 00:16:03,929

be there for something a little more

380

00:16:08,179 --> 00:16:05,819

serious than oil I mean and of course

381

00:16:09,410 --> 00:16:08,189

not to fight terrorism well yeah I mean

382

00:16:11,299 --> 00:16:09,420

that this is one of the interesting

383

00:16:13,970 --> 00:16:11,309

things the idea that you know at least

384

00:16:17,419 --> 00:16:13,980

part of the reason for the presence in

385

00:16:20,960 --> 00:16:17,429

like Iraq for example you know the bindi

386

00:16:24,169 --> 00:16:20,970

store is about you know sort of ancient

387

00:16:26,720 --> 00:16:24,179

priceless artifacts and sort of I guess

388

00:16:27,350 --> 00:16:26,730

like science and technology developed

389

00:16:29,030 --> 00:16:27,360

thousands of

390

00:16:30,949 --> 00:16:29,040

years ago by the ancients that might

391

00:16:32,449 --> 00:16:30,959

still be sort of hidden somewhere in

392

00:16:35,600 --> 00:16:32,459

Iraq I mean there's several of these

393

00:16:38,120 --> 00:16:35,610

stories I mean I talk in the book about

394

00:16:40,790 --> 00:16:38,130

the story of Jim Marrs who've been

395

00:16:42,470 --> 00:16:40,800

researching this so-called white gold as

396

00:16:45,230 --> 00:16:42,480

it's known which you know the

397

00:16:47,090 --> 00:16:45,240

speculation is it's a so-called manna

398

00:16:51,500 --> 00:16:47,100

from heaven that you know could extend

399

00:16:53,600 --> 00:16:51,510

lifespans and rejuvenate cells and you

400

00:16:55,400 --> 00:16:53,610

know I mean today's scientists are

401
00:16:57,650 --> 00:16:55,410
trying to crack the code you know to

402
00:16:59,840 --> 00:16:57,660
prevent aging I don't mean you know some

403
00:17:02,829 --> 00:16:59,850
old lady having a place pulled back with

404
00:17:06,740 --> 00:17:02,839
Botox or you know I mean literally

405
00:17:09,949 --> 00:17:06,750
slowing down the process of how the body

406
00:17:12,289 --> 00:17:09,959
you know just decays over time you know

407
00:17:14,419 --> 00:17:12,299
it's an unfortunate thing but it does

408
00:17:16,819 --> 00:17:14,429
you know right but it's but you know if

409
00:17:18,500 --> 00:17:16,829
you could stop it and this is one of the

410
00:17:21,319 --> 00:17:18,510
fears with this sort of white gold the

411
00:17:22,970 --> 00:17:21,329
idea that maybe because he ties in with

412
00:17:25,220 --> 00:17:22,980
Iraq you know could it be that the

413
00:17:27,530 --> 00:17:25,230

ancients or either given or develop some

414

00:17:27,949 --> 00:17:27,540

technology that would allow that to

415

00:17:30,650 --> 00:17:27,959

happen

416

00:17:34,240 --> 00:17:30,660

now there's also the fact that you know

417

00:17:36,440 --> 00:17:34,250

when the invasion of Baghdad occurred

418

00:17:39,440 --> 00:17:36,450

one of the places that was heavily

419

00:17:42,169 --> 00:17:39,450

looted was the Baghdad Museum and then

420

00:17:44,870 --> 00:17:42,179

the room was for a long time of again

421

00:17:47,690 --> 00:17:44,880

technological artifacts going back

422

00:17:50,450 --> 00:17:47,700

thousands of years secretly held in the

423

00:17:52,190 --> 00:17:50,460

Baghdad Museum and what's interesting is

424

00:17:55,310 --> 00:17:52,200

that when there was literally thousands

425

00:17:57,169 --> 00:17:55,320

of items looted from the museum well a

426
00:17:59,510 --> 00:17:57,179
substantial amount were never recovered

427
00:18:00,770 --> 00:17:59,520
what was interesting is that many of the

428
00:18:03,020 --> 00:18:00,780
ones that were never found

429
00:18:04,460 --> 00:18:03,030
or recovered again assured so lesson

430
00:18:08,780 --> 00:18:04,470
taken from the basement of the museum

431
00:18:10,580 --> 00:18:08,790
and when a study was done it was all

432
00:18:13,070 --> 00:18:10,590
that looked like too many people on the

433
00:18:15,230 --> 00:18:13,080
investigation that that area being

434
00:18:17,659 --> 00:18:15,240
deliberately targeted and doors have

435
00:18:19,610 --> 00:18:17,669
been unlocked to allow people to get in

436
00:18:22,610 --> 00:18:19,620
there and specifically target certain

437
00:18:24,650 --> 00:18:22,620
areas and you know take certain items

438
00:18:26,930 --> 00:18:24,660

and again this has led to the theory

439

00:18:30,080 --> 00:18:26,940

that you know maybe that was one of the

440

00:18:33,260 --> 00:18:30,090

reasons that you know it was under cover

441

00:18:34,909 --> 00:18:33,270

of a you know war-torn area that these

442

00:18:37,130 --> 00:18:34,919

items were sort of shipped out and

443

00:18:40,130 --> 00:18:37,140

because of all the battles going on and

444

00:18:41,360 --> 00:18:40,140

bombs going up nobody noticed you know

445

00:18:42,830 --> 00:18:41,370

what was going

446

00:18:45,440 --> 00:18:42,840

literally but you know beneath their

447

00:18:47,990 --> 00:18:45,450

eyes so to speak yeah and when you look

448

00:18:51,740 --> 00:18:48,000

at the the other angle of the Stargate

449

00:18:54,680 --> 00:18:51,750

and the 22 2012 angle the timing of it

450

00:18:56,840 --> 00:18:54,690

is interesting because the Zechariah

451

00:18:58,610 --> 00:18:56,850

stitch and story kind of comes in line

452

00:19:00,950 --> 00:18:58,620

with this but the idea that the Anunnaki

453

00:19:03,620 --> 00:19:00,960

will return in 2012 and that the

454

00:19:06,200 --> 00:19:03,630

technology that they used you to arrive

455

00:19:10,550 --> 00:19:06,210

fear is actually in the Middle East and

456

00:19:13,430 --> 00:19:10,560

the US they're sort of to take control

457

00:19:15,500 --> 00:19:13,440

of that where does that story start well

458

00:19:17,120 --> 00:19:15,510

yeah this is I mean fragments of these

459

00:19:19,400 --> 00:19:17,130

have been sort of circulating for a

460

00:19:21,290 --> 00:19:19,410

while but I mean one of the people who

461

00:19:23,870 --> 00:19:21,300

discussed this in the last few years was

462

00:19:26,710 --> 00:19:23,880

a guy named Michael Saleh UFO researcher

463

00:19:29,120 --> 00:19:26,720

and he sort of dug deep into this idea

464

00:19:31,370 --> 00:19:29,130

you know of some sort of Stargate like

465

00:19:33,590 --> 00:19:31,380

in the Stargate movie and TV series

466

00:19:35,960 --> 00:19:33,600

where you know instead of you know

467

00:19:39,110 --> 00:19:35,970

traveling like a vast distance from our

468

00:19:41,480 --> 00:19:39,120

Sun to another sun you know by literally

469

00:19:43,160 --> 00:19:41,490

going from point A to point B and you

470

00:19:47,540 --> 00:19:43,170

know turned on your thrusters and go in

471

00:19:50,030 --> 00:19:47,550

but you could sort of I guess you know

472

00:19:52,370 --> 00:19:50,040

condense the journey by warping space

473

00:19:54,200 --> 00:19:52,380

and time so in other words you know you

474

00:19:56,930 --> 00:19:54,210

don't travel in like a linear fashion

475

00:20:00,170 --> 00:19:56,940

you actually distort it and arrive from

476
00:20:01,970 --> 00:20:00,180
point A to point B in no time at all and

477
00:20:03,920 --> 00:20:01,980
that's the idea you know the Stargate

478
00:20:05,660 --> 00:20:03,930
scenario and they've been these rumors

479
00:20:08,870 --> 00:20:05,670
about you know as you said some sort of

480
00:20:10,640 --> 00:20:08,880
ancient Anunnaki Stargate possibly in

481
00:20:12,290 --> 00:20:10,650
Iraq or somewhere in the Middle East and

482
00:20:14,630 --> 00:20:12,300
you know that there have been a flurry

483
00:20:19,040 --> 00:20:14,640
of attempts by military and governmental

484
00:20:20,900 --> 00:20:19,050
agencies to locate it and understand the

485
00:20:22,730 --> 00:20:20,910
technology because again you know you

486
00:20:24,920 --> 00:20:22,740
said the theory is that the Anunnaki are

487
00:20:26,900 --> 00:20:24,930
coming back and could this be tied in

488
00:20:29,720 --> 00:20:26,910

with December 2012 you know that they're

489

00:20:31,460 --> 00:20:29,730

going to make a reappearance and you

490

00:20:33,470 --> 00:20:31,470

know you can look at it from several

491

00:20:35,510 --> 00:20:33,480

angles again you know either the stories

492

00:20:38,180 --> 00:20:35,520

true could have been disinformation or

493

00:20:39,920 --> 00:20:38,190

it could be as I suspect that you know

494

00:20:41,660 --> 00:20:39,930

there are people in government who who

495

00:20:44,900 --> 00:20:41,670

are just like us they know these stories

496

00:20:47,210 --> 00:20:44,910

and they know the rumors and the legends

497

00:20:49,550 --> 00:20:47,220

and everything else and so they do what

498

00:20:51,530 --> 00:20:49,560

most of us can't do they have the the

499

00:20:53,690 --> 00:20:51,540

manpower and the funding to actually go

500

00:20:54,799 --> 00:20:53,700

out there and see if there's anything to

501
00:20:56,690 --> 00:20:54,809
it or not

502
00:20:58,430 --> 00:20:56,700
I think that could be what's happened

503
00:21:00,710 --> 00:20:58,440
here that they know all these stories

504
00:21:02,119 --> 00:21:00,720
and the and if there's an intelligence

505
00:21:03,889 --> 00:21:02,129
capital to be gained

506
00:21:06,889 --> 00:21:03,899
they take the view what we can't afford

507
00:21:09,769 --> 00:21:06,899
not to look into it you know so they go

508
00:21:11,239 --> 00:21:09,779
out there not necessarily you know who

509
00:21:14,570 --> 00:21:11,249
knows you know where the truth begins

510
00:21:17,690 --> 00:21:14,580
and an end so does mean but by going out

511
00:21:19,070 --> 00:21:17,700
there you know they ensure that they're

512
00:21:20,480 --> 00:21:19,080
going to do their best to find out if

513
00:21:22,190 --> 00:21:20,490

there is anything to it and I think

514

00:21:24,350 --> 00:21:22,200

that's an important thing for us to

515

00:21:27,320 --> 00:21:24,360

remember is that governments don't

516

00:21:29,149 --> 00:21:27,330

always investigate stuff because they'd

517

00:21:31,159 --> 00:21:29,159

it's they're a hundred percent believe

518

00:21:33,230 --> 00:21:31,169

it they do it because they don't want to

519

00:21:35,230 --> 00:21:33,240

risk leaving any stone unturned which is

520

00:21:38,539 --> 00:21:35,240

actually two very different scenario

521

00:21:40,249 --> 00:21:38,549

good point I mean and that it seems a

522

00:21:42,919 --> 00:21:40,259

little far-fetched but at the same time

523

00:21:44,930 --> 00:21:42,929

those kind of missions they sort of

524

00:21:47,090 --> 00:21:44,940

mirror the supposed actions of the Nazis

525

00:21:49,730 --> 00:21:47,100

in terms of invading places to seek out

526

00:21:51,470 --> 00:21:49,740

ancient relics and stuff right now you

527

00:21:53,450 --> 00:21:51,480

you're quite right I mean you know it's

528

00:21:55,460 --> 00:21:53,460

it's sounds bizarre until you know as

529

00:21:57,019 --> 00:21:55,470

you pointed out earlier that one of the

530

00:21:58,549 --> 00:21:57,029

things I did in the book was to use the

531

00:22:01,340 --> 00:21:58,559

Freedom of Information Act quite

532

00:22:04,820 --> 00:22:01,350

extensively and you know you find that

533

00:22:07,009 --> 00:22:04,830

the CIA's house files on Noah's Ark you

534

00:22:09,019 --> 00:22:07,019

know that we've got government files now

535

00:22:10,820 --> 00:22:09,029

showing the agencies were interesting

536

00:22:13,730 --> 00:22:10,830

people they were talking about the

537

00:22:16,580 --> 00:22:13,740

pyramids built by levitation so you know

538

00:22:18,409 --> 00:22:16,590

when you look back historically it's not

539

00:22:20,480 --> 00:22:18,419

so strange that somebody would be paying

540

00:22:22,909 --> 00:22:20,490

attention to some ancient technologies

541

00:22:25,220 --> 00:22:22,919

in the Middle East today when 50 years

542

00:22:26,930 --> 00:22:25,230

ago they were looking at whether or not

543

00:22:28,999 --> 00:22:26,940

you know the pyramids of Egypt were

544

00:22:30,919 --> 00:22:29,009

built by levitation this is actually not

545

00:22:33,289 --> 00:22:30,929

that difference really you know it's

546

00:22:35,450 --> 00:22:33,299

pretty much the same project but ongoing

547

00:22:37,669 --> 00:22:35,460

you know that's a big theme in the book

548

00:22:40,190 --> 00:22:37,679

is that idea of the ancient levitation

549

00:22:41,779 --> 00:22:40,200

or the acoustic technology it's funny

550

00:22:43,970 --> 00:22:41,789

because another project I have is the

551
00:22:45,859 --> 00:22:43,980
conspiracy themed clothing line called

552
00:22:48,049 --> 00:22:45,869
conspiracies and one of the first shirt

553
00:22:50,450 --> 00:22:48,059
designs I made was just that it's a

554
00:22:52,100 --> 00:22:50,460
three UFO hovering over the pyramids

555
00:22:54,259 --> 00:22:52,110
with the block sort of floating into

556
00:22:57,080 --> 00:22:54,269
place and it goes right in line with

557
00:23:00,200 --> 00:22:57,090
that idea that sounds cool but on in uh

558
00:23:02,450 --> 00:23:00,210
in terms of the Nazis something I've

559
00:23:05,450 --> 00:23:02,460
always wondered about the actual culture

560
00:23:08,149 --> 00:23:05,460
during World War two is if the ancient

561
00:23:08,780 --> 00:23:08,159
alien lineage motive was really out in

562
00:23:10,820 --> 00:23:08,790
the open

563
00:23:13,340 --> 00:23:10,830

or and it's been edited out by

564

00:23:15,650 --> 00:23:13,350

calculated historians or where those

565

00:23:18,920 --> 00:23:15,660

ideas kept close to the chest among the

566

00:23:20,480 --> 00:23:18,930

leaders even then oh that's a good

567

00:23:22,850 --> 00:23:20,490

question one of the things we do know

568

00:23:25,220 --> 00:23:22,860

for example about the the Nazis you know

569

00:23:27,650 --> 00:23:25,230

it wasn't just that they believed that

570

00:23:28,940 --> 00:23:27,660

they say you know sort of his ancient

571

00:23:30,770 --> 00:23:28,950

relics like the Ark of the Covenant

572

00:23:33,080 --> 00:23:30,780

which suppose and all these you know

573

00:23:35,360 --> 00:23:33,090

bizarre powers etc that he would help

574

00:23:37,400 --> 00:23:35,370

them win the war they actually felt the

575

00:23:40,010 --> 00:23:37,410

Nazis felt that their lineage went back

576
00:23:41,750 --> 00:23:40,020
to like an ancient human race you know

577
00:23:44,180 --> 00:23:41,760
that they it wasn't just that there with

578
00:23:45,890 --> 00:23:44,190
a master race today in their eyes it was

579
00:23:47,900 --> 00:23:45,900
more the fact that they would descended

580
00:23:50,690 --> 00:23:47,910
from this sort of race of supermen going

581
00:23:52,790 --> 00:23:50,700
back however long so in other words they

582
00:23:55,730 --> 00:23:52,800
were taking the view that they were

583
00:23:59,390 --> 00:23:55,740
already an ancient race and it was time

584
00:24:02,870 --> 00:23:59,400
for them to return by you know reopening

585
00:24:06,560 --> 00:24:02,880
all these ancient aspects of you know

586
00:24:08,660 --> 00:24:06,570
their original culture if you like you

587
00:24:10,760 --> 00:24:08,670
know so there was there was this idea

588
00:24:12,710 --> 00:24:10,770

that he wasn't just a master race or a

589

00:24:14,930 --> 00:24:12,720

super race today in their mind it was

590

00:24:18,020 --> 00:24:14,940

that they were just continuing on to

591

00:24:20,750 --> 00:24:18,030

where you know if they left off and sort

592

00:24:22,490 --> 00:24:20,760

of I guess devolve for a while and now

593

00:24:24,830 --> 00:24:22,500

it was time for them to come back again

594

00:24:26,960 --> 00:24:24,840

so you know a lot of people realize that

595

00:24:28,340 --> 00:24:26,970

they just saw Hitler was on you know the

596

00:24:30,020 --> 00:24:28,350

lookout for anything that would help him

597

00:24:32,750 --> 00:24:30,030

win the war but you know you actually

598

00:24:34,670 --> 00:24:32,760

did have this background to where he

599

00:24:36,890 --> 00:24:34,680

felt he was fulfilling and bringing back

600

00:24:39,410 --> 00:24:36,900

you know the ancients which they were

601
00:24:41,630 --> 00:24:39,420
descended from so well and obviously you

602
00:24:43,040 --> 00:24:41,640
know about Project Paperclip those who

603
00:24:45,380 --> 00:24:43,050
don't it's you know the program to bring

604
00:24:48,380 --> 00:24:45,390
that Nazi scientists to work in the

605
00:24:51,440 --> 00:24:48,390
States black ops projects to avoid

606
00:24:53,540 --> 00:24:51,450
persecution and prosecution but have you

607
00:24:55,910 --> 00:24:53,550
heard any of the stories of Hitler

608
00:24:59,120 --> 00:24:55,920
escaping or the Nazis returning to a

609
00:25:00,620 --> 00:24:59,130
camp in the Arctic yeah I mean those

610
00:25:03,140 --> 00:25:00,630
with the book obviously you know I was

611
00:25:04,850 --> 00:25:03,150
sort of limited in the number of pages I

612
00:25:06,470 --> 00:25:04,860
could write which is why we've been at

613
00:25:08,210 --> 00:25:06,480

sea I just focused on their involvement

614

00:25:10,160 --> 00:25:08,220

in the ancient stuff because it was very

615

00:25:12,950 --> 00:25:10,170

relevant but I mean yeah I mean the

616

00:25:14,870 --> 00:25:12,960

whole Nazi conspiracy clean you know

617

00:25:16,970 --> 00:25:14,880

goes much further you know you've got

618

00:25:19,490 --> 00:25:16,980

the paperclip scientists coming over in

619

00:25:21,710 --> 00:25:19,500

the theory that at least some UFOs may

620

00:25:22,490 --> 00:25:21,720

have been developed in the late forties

621

00:25:25,070 --> 00:25:22,500

in the

622

00:25:27,200 --> 00:25:25,080

as an outgrowth of advanced Nazi

623

00:25:29,810 --> 00:25:27,210

technology developed in the final stages

624

00:25:31,310 --> 00:25:29,820

of the war and we know you know a lot of

625

00:25:33,320 --> 00:25:31,320

rocket scientists were brought over I

626

00:25:35,780 --> 00:25:33,330

mean Wernher von Braun who was one of

627

00:25:38,810 --> 00:25:35,790

you know that the main brilliant German

628

00:25:43,000 --> 00:25:38,820

rocket scientists who built the v1 and 2

629

00:25:45,950 --> 00:25:43,010

v2 rockets that bombed London Britain

630

00:25:48,860 --> 00:25:45,960

you know he became director of NASA you

631

00:25:50,480 --> 00:25:48,870

know that's not a joke or a rumor I mean

632

00:25:52,550 --> 00:25:50,490

Wernher von Braun who was a ninety

633

00:25:55,700 --> 00:25:52,560

scientist in the Second World War became

634

00:25:58,700 --> 00:25:55,710

the director of NASA you know then in

635

00:26:01,460 --> 00:25:58,710

plain sight right there yeah and so you

636

00:26:03,590 --> 00:26:01,470

know that in itself is kind of bizarre

637

00:26:06,860 --> 00:26:03,600

but yeah I mean you know you've got the

638

00:26:10,610 --> 00:26:06,870

idea of sort of a faction of the Nazis

639

00:26:11,960 --> 00:26:10,620

hiding out in one of the polls if you

640

00:26:14,320 --> 00:26:11,970

like to say the North Pole

641

00:26:16,550 --> 00:26:14,330

interestingly enough the FBI

642

00:26:19,070 --> 00:26:16,560

Declassified a whole file which runs

643

00:26:21,530 --> 00:26:19,080

into I forget the number of pages but

644

00:26:24,050 --> 00:26:21,540

it's a huge file on people who claimed

645

00:26:25,250 --> 00:26:24,060

to have seen Hitler in the state after

646

00:26:27,140 --> 00:26:25,260

the Second World War

647

00:26:28,610 --> 00:26:27,150

you know they opened a file on all these

648

00:26:29,990 --> 00:26:28,620

letters that were coming in from people

649

00:26:32,300 --> 00:26:30,000

saying well you know yes gate here any

650

00:26:34,640 --> 00:26:32,310

escape then they did a lengthy and

651
00:26:36,410 --> 00:26:34,650
extensive investigation and I'm not sure

652
00:26:38,630 --> 00:26:36,420
if it's online at their website or not

653
00:26:40,880 --> 00:26:38,640
which is called the vault but you can

654
00:26:42,590 --> 00:26:40,890
get it from the FBI and it you know that

655
00:26:45,410 --> 00:26:42,600
like a whole department that was looking

656
00:26:46,940 --> 00:26:45,420
into these stories about Hitler like

657
00:26:50,240 --> 00:26:46,950
faking his own death and you know

658
00:26:52,310 --> 00:26:50,250
fleeing somewhere else now this is kind

659
00:26:53,420 --> 00:26:52,320
of this is a total 180 from what we've

660
00:26:56,660 --> 00:26:53,430
been talking about I kind of want to

661
00:26:57,980 --> 00:26:56,670
talk about some paranormal aspect and

662
00:26:59,690 --> 00:26:57,990
I'm really curious to hear your thoughts

663
00:27:01,010 --> 00:26:59,700

on this because I know you've researched

664

00:27:03,440 --> 00:27:01,020

a lot of other paranormal stuff

665

00:27:06,080 --> 00:27:03,450

including stories of like entities that

666

00:27:08,780 --> 00:27:06,090

sort of feed on negative energy or like

667

00:27:11,180 --> 00:27:08,790

the torture of the human soul and that

668

00:27:12,920 --> 00:27:11,190

that said it seems to me that there are

669

00:27:14,900 --> 00:27:12,930

essentially three levels in government

670

00:27:16,490 --> 00:27:14,910

like and I'm simplifying just to kind of

671

00:27:17,990 --> 00:27:16,500

get to the point but the main ninety

672

00:27:19,880 --> 00:27:18,000

percent who just disregard anything

673

00:27:22,940 --> 00:27:19,890

paranormal or alien and there's like a

674

00:27:24,470 --> 00:27:22,950

higher order who it's kind of involved

675

00:27:25,880 --> 00:27:24,480

in the occult research but really

676
00:27:27,920 --> 00:27:25,890
doesn't know what's going on these are

677
00:27:30,320 --> 00:27:27,930
the people that are the subject of a lot

678
00:27:31,910 --> 00:27:30,330
of the stories in your book but then I

679
00:27:34,040 --> 00:27:31,920
think there's an even higher group or

680
00:27:36,350 --> 00:27:34,050
secret society if you will that's deeply

681
00:27:38,090 --> 00:27:36,360
involved in demonic and Dark Ritual

682
00:27:40,210 --> 00:27:38,100
and I hear these stories of child

683
00:27:43,090 --> 00:27:40,220
trafficking amongst the elites and

684
00:27:45,590 --> 00:27:43,100
systematic ritual sexual abuse and these

685
00:27:48,200 --> 00:27:45,600
these weird cults and it just seems to

686
00:27:50,389 --> 00:27:48,210
me that the groups know something about

687
00:27:52,190 --> 00:27:50,399
how to harness deep emotional trauma do

688
00:27:55,039 --> 00:27:52,200

you see any parallels there or am i kind

689

00:27:57,590 --> 00:27:55,049

of stretching I've never sort of really

690

00:28:00,200 --> 00:27:57,600

you know delved into the whole abuse

691

00:28:02,570 --> 00:28:00,210

angle at all but what I will say I mean

692

00:28:04,460 --> 00:28:02,580

I wrote a book in 2010 called final

693

00:28:06,740 --> 00:28:04,470

events which were a study of how a

694

00:28:08,840 --> 00:28:06,750

think-tank type grouping the government

695

00:28:11,029 --> 00:28:08,850

came to believe you know that the whole

696

00:28:13,310 --> 00:28:11,039

UFO phenomena and was like a demonic

697

00:28:15,049 --> 00:28:13,320

deception I mean you know that was a

698

00:28:16,549 --> 00:28:15,059

belief system that's an important thing

699

00:28:18,649 --> 00:28:16,559

to stress you know he wasn't that they

700

00:28:20,450 --> 00:28:18,659

proved that's what he was that's what

701
00:28:23,000 --> 00:28:20,460
they came to believe it was you know

702
00:28:26,060 --> 00:28:23,010
they felt that like alien abductions

703
00:28:29,259 --> 00:28:26,070
were staged by this phenomenon to kind

704
00:28:31,879 --> 00:28:29,269
of create like an ET même if you like

705
00:28:34,940 --> 00:28:31,889
when in reality you know they were sort

706
00:28:37,279 --> 00:28:34,950
of deceiving us into accepting demons

707
00:28:39,470 --> 00:28:37,289
amongst us but you know that you can

708
00:28:41,750 --> 00:28:39,480
find a lot of examples of where the

709
00:28:44,180 --> 00:28:41,760
government has dabbled in the occult I

710
00:28:47,659 --> 00:28:44,190
mean for example one of the most famous

711
00:28:50,509 --> 00:28:47,669
are cultists who did extensive work in

712
00:28:52,759 --> 00:28:50,519
the late forties for the US military and

713
00:28:55,159 --> 00:28:52,769

government was Jack Parsons you know

714

00:28:58,070 --> 00:28:55,169

Jack Martin set up the Aerojet

715

00:29:00,440 --> 00:28:58,080

corporation which also ultimately made

716

00:29:02,899 --> 00:29:00,450

the solid rocket boosters for the Space

717

00:29:05,419 --> 00:29:02,909

Shuttle and you know this is a guy who

718

00:29:07,870 --> 00:29:05,429

in his early rocket tests out of

719

00:29:09,440 --> 00:29:07,880

Pasadena

720

00:29:13,009 --> 00:29:09,450

appropriately enough at a place called

721

00:29:15,230 --> 00:29:13,019

Devil's Gate dam the in Pasadena you

722

00:29:18,500 --> 00:29:15,240

know he before each rocket launch he

723

00:29:20,570 --> 00:29:18,510

would invoke the god Pan to ensure a

724

00:29:22,759 --> 00:29:20,580

successful flight you know and he was

725

00:29:25,639 --> 00:29:22,769

being funded by the military at this

726

00:29:29,269 --> 00:29:25,649

time and he was also a disciple Aleister

727

00:29:31,039 --> 00:29:29,279

Crowley who was also who had extensive

728

00:29:34,370 --> 00:29:31,049

links in both British and American

729

00:29:37,129 --> 00:29:34,380

intelligence Crowley was you and and

730

00:29:38,750 --> 00:29:37,139

Parsons after Chloe's death you know

731

00:29:40,879 --> 00:29:38,760

they're both engaged in trying to open

732

00:29:43,129 --> 00:29:40,889

portals and doorways to other realms of

733

00:29:45,919 --> 00:29:43,139

existence and you know letting these

734

00:29:49,700 --> 00:29:45,929

higher entities and Crowley suppose they

735

00:29:50,420 --> 00:29:49,710

did this in 1917 with this entity known

736

00:29:53,030 --> 00:29:50,430

as

737

00:29:55,370 --> 00:29:53,040

I am right if you google Aleister

738

00:29:56,960 --> 00:29:55,380

Crowley plus lamb and you look at the

739

00:29:58,640 --> 00:29:56,970

picture of lamb it looks just like the

740

00:30:02,450 --> 00:29:58,650

alien on the front cover Whitley

741

00:30:04,280 --> 00:30:02,460

streamers communion are from the ID but

742

00:30:06,650 --> 00:30:04,290

everything else looks the same you know

743

00:30:09,590 --> 00:30:06,660

it's just like this hip music being head

744

00:30:11,630 --> 00:30:09,600

and little shoulders etc so you know but

745

00:30:12,890 --> 00:30:11,640

as I said the important thing is when in

746

00:30:15,980 --> 00:30:12,900

relation to your question

747

00:30:20,180 --> 00:30:15,990

I mean Parsons you know you it was

748

00:30:23,900 --> 00:30:20,190

heavily paid and funded by the military

749

00:30:26,090 --> 00:30:23,910

but you know he was having sort of

750

00:30:28,190 --> 00:30:26,100

occult masses and everything in you know

751
00:30:32,000 --> 00:30:28,200
downtown Los Angeles in his house etc

752
00:30:33,550 --> 00:30:32,010
and but the military didn't care you

753
00:30:36,350 --> 00:30:33,560
know they recognized he was a brilliant

754
00:30:39,620 --> 00:30:36,360
scientist and let him do his thing but

755
00:30:41,270 --> 00:30:39,630
there are other examples as well the CIA

756
00:30:44,780 --> 00:30:41,280
we know again through the Freedom of

757
00:30:46,670 --> 00:30:44,790
Information Act in 52 actually opened a

758
00:30:50,240 --> 00:30:46,680
small project to determine the

759
00:30:51,800 --> 00:30:50,250
feasibility of using Ouija boards to try

760
00:30:53,510 --> 00:30:51,810
and contact Libya and this sounds

761
00:30:57,170 --> 00:30:53,520
bizarre but the plan was to try and

762
00:31:00,080 --> 00:30:57,180
contact dead CIA agents and have them

763
00:31:02,450 --> 00:31:00,090

use their soul to spy on the Russians

764

00:31:05,120 --> 00:31:02,460

you know you could go pass the message

765

00:31:07,310 --> 00:31:05,130

to the Ouija board to go to the Kremlin

766

00:31:08,330 --> 00:31:07,320

you know it sounds bizarre but that

767

00:31:10,070 --> 00:31:08,340

that's literally what they were

768

00:31:14,210 --> 00:31:10,080

researching and you know they did a lot

769

00:31:15,770 --> 00:31:14,220

of research also into you know everybody

770

00:31:19,430 --> 00:31:15,780

knows about the things like you know be

771

00:31:21,230 --> 00:31:19,440

MKULTRA LSD mind-control program but

772

00:31:24,380 --> 00:31:21,240

they were also you know the CIA

773

00:31:26,390 --> 00:31:24,390

initiated and sponsored trips to South

774

00:31:29,260 --> 00:31:26,400

America you know to tour to find

775

00:31:31,910 --> 00:31:29,270

psychedelic psychedelic plants etc and

776

00:31:34,550 --> 00:31:31,920

you know tap into that and try and find

777

00:31:36,020 --> 00:31:34,560

out why people had mystical experiences

778

00:31:39,260 --> 00:31:36,030

you know when when they were under the

779

00:31:41,480 --> 00:31:39,270

influence of this or that so you know

780

00:31:43,940 --> 00:31:41,490

they were looking into some very weird

781

00:31:46,670 --> 00:31:43,950

and esoteric areas yeah you actually

782

00:31:50,240 --> 00:31:46,680

have a little part of about magic

783

00:31:52,040 --> 00:31:50,250

mushrooms in this most recent book tell

784

00:31:55,820 --> 00:31:52,050

us about that story because those those

785

00:31:56,990 --> 00:31:55,830

hallucinations seem pretty wild yeah

786

00:31:58,430 --> 00:31:57,000

what you want me to tell you about magic

787

00:32:01,060 --> 00:31:58,440

mushrooms or the magic mushrooms in the

788

00:32:04,480 --> 00:32:01,070

book yeah yeah

789

00:32:07,480 --> 00:32:04,490

but yeah I mean yeah this this is sort

790

00:32:09,879 --> 00:32:07,490

of a central part of the story you know

791

00:32:12,730 --> 00:32:09,889

if it was just a case of government

792

00:32:15,279 --> 00:32:12,740

agencies you know looking back into the

793

00:32:17,499 --> 00:32:15,289

history books and you know googling this

794

00:32:18,909 --> 00:32:17,509

or whatever you could say they didn't

795

00:32:20,710 --> 00:32:18,919

really have much insight you know they

796

00:32:23,560 --> 00:32:20,720

were just sort of surfing around the

797

00:32:26,259 --> 00:32:23,570

edges but when you find you know they

798

00:32:29,710 --> 00:32:26,269

were dealing and looking at stories of

799

00:32:31,990 --> 00:32:29,720

reincarnation and people you know sort

800

00:32:34,299 --> 00:32:32,000

of getting into altered states of mind

801
00:32:36,220 --> 00:32:34,309
to where there was a possibility that

802
00:32:38,799 --> 00:32:36,230
they were sort of literally sending

803
00:32:40,600 --> 00:32:38,809
their soul or essence back through time

804
00:32:42,850 --> 00:32:40,610
you know they were sort of surfing time

805
00:32:43,389 --> 00:32:42,860
while their mind was in this altered

806
00:32:45,399 --> 00:32:43,399
state

807
00:32:47,110 --> 00:32:45,409
you know and the view was that you know

808
00:32:49,960 --> 00:32:47,120
when you get into this kind of altered

809
00:32:51,820 --> 00:32:49,970
state and people have some people say

810
00:32:53,830 --> 00:32:51,830
hallucinations they were actually

811
00:32:55,749 --> 00:32:53,840
looking at the idea that rather than

812
00:32:58,269 --> 00:32:55,759
been hallucinating people have seen

813
00:33:00,580 --> 00:32:58,279

literal portals and doorways for the

814

00:33:04,539 --> 00:33:00,590

realms that you don't see in a normal

815

00:33:06,460 --> 00:33:04,549

quote normal state of mind you know and

816

00:33:08,379 --> 00:33:06,470

they were they were listening to people

817

00:33:11,159 --> 00:33:08,389

who were you know under the influence of

818

00:33:13,389 --> 00:33:11,169

this or that and particularly mushrooms

819

00:33:15,909 --> 00:33:13,399

and who were telling stories about

820

00:33:18,279 --> 00:33:15,919

seeing that stones lifted into the air

821

00:33:22,210 --> 00:33:18,289

in the you know in Egypt by flying

822

00:33:23,619 --> 00:33:22,220

saucer type devices and you know that

823

00:33:25,210 --> 00:33:23,629

they were digging into some very

824

00:33:26,980 --> 00:33:25,220

alternative areas but what was more

825

00:33:28,629 --> 00:33:26,990

interesting is that clearly there were

826

00:33:29,860 --> 00:33:28,639

some people in government and this gets

827

00:33:31,600 --> 00:33:29,870

back to what you said about like a

828

00:33:34,180 --> 00:33:31,610

higher group there was people in

829

00:33:36,879 --> 00:33:34,190

government who clearly realized this was

830

00:33:39,279 --> 00:33:36,889

an important area of significance to

831

00:33:41,649 --> 00:33:39,289

look into you know that they knew that

832

00:33:44,409 --> 00:33:41,659

there was some reap they knew you know

833

00:33:47,950 --> 00:33:44,419

for some reason there was a good reason

834

00:33:50,590 --> 00:33:47,960

for for digging into this whole angle of

835

00:33:53,379 --> 00:33:50,600

you know psychedelics and portals being

836

00:33:56,080 --> 00:33:53,389

opened and possibly you know some

837

00:33:59,580 --> 00:33:56,090

military gain coming from all that it is

838

00:34:03,430 --> 00:33:59,590

weird I think that the psychedelics and

839

00:34:05,409 --> 00:34:03,440

paranormal phenomenon and UFOs I don't

840

00:34:07,539 --> 00:34:05,419

know how or why but to me those dots

841

00:34:09,970 --> 00:34:07,549

kind of connect it's kind of hazy how

842

00:34:12,730 --> 00:34:09,980

but they all seem like parts of the same

843

00:34:14,800 --> 00:34:12,740

phenomena well I mean there are cases

844

00:34:16,720 --> 00:34:14,810

for example where people have

845

00:34:20,740 --> 00:34:16,730

you know being under the influence of

846

00:34:22,990 --> 00:34:20,750

LSD for example I mean I I I quote one

847

00:34:25,570 --> 00:34:23,000

story in I think was in final events

848

00:34:27,870 --> 00:34:25,580

where people have been under the

849

00:34:31,510 --> 00:34:27,880

influence of LSD and they both seen a

850

00:34:32,830 --> 00:34:31,520

UFO they've seen the same UFO now you

851
00:34:36,220 --> 00:34:32,840
know one of the important things about

852
00:34:39,160 --> 00:34:36,230
LSD is that what's more equally as

853
00:34:41,680 --> 00:34:39,170
important as the strength of the dose

854
00:34:43,750 --> 00:34:41,690
needs the scene and the setting and the

855
00:34:46,030 --> 00:34:43,760
mindset of the person of course and and

856
00:34:48,190 --> 00:34:46,040
this you know tests have proved this

857
00:34:51,010 --> 00:34:48,200
that if you are in a bad setting in a

858
00:34:53,920 --> 00:34:51,020
negative vibe the experience is probably

859
00:34:57,640 --> 00:34:53,930
not going to be a good trick oh no no no

860
00:35:00,550 --> 00:34:57,650
no not intended and so in that sense you

861
00:35:03,280 --> 00:35:00,560
know it's kind of like it's not just the

862
00:35:04,480 --> 00:35:03,290
expectation that maybe if you think

863
00:35:07,690 --> 00:35:04,490

you're going to see something you see it

864

00:35:09,460 --> 00:35:07,700

but possibly if your minds amenable when

865

00:35:12,280 --> 00:35:09,470

you're in this altered state you really

866

00:35:14,380 --> 00:35:12,290

do open the fabric of reality to

867

00:35:16,330 --> 00:35:14,390

something else you know it's like DMT

868

00:35:18,790 --> 00:35:16,340

you know which occurs naturally in the

869

00:35:20,920 --> 00:35:18,800

brain well when people you know being

870

00:35:24,070 --> 00:35:20,930

given like want a overdose ooh the extra

871

00:35:26,710 --> 00:35:24,080

doses of DMT they started reported

872

00:35:29,920 --> 00:35:26,720

seeing you know images of these sort of

873

00:35:32,050 --> 00:35:29,930

little elf like creatures coming through

874

00:35:34,390 --> 00:35:32,060

the veil if you like and some of these

875

00:35:36,640 --> 00:35:34,400

sores are so close to each other it's

876

00:35:39,220 --> 00:35:36,650

difficult to dismiss the idea that you

877

00:35:42,520 --> 00:35:39,230

know we've seen something that we don't

878

00:35:44,560 --> 00:35:42,530

normally see in in regular situations

879

00:35:46,210 --> 00:35:44,570

you know what we call reality but more

880

00:35:49,300 --> 00:35:46,220

importantly these things seem to know

881

00:35:51,400 --> 00:35:49,310

when we see them they know we that we've

882

00:35:53,350 --> 00:35:51,410

seen and you know right we've been

883

00:35:56,200 --> 00:35:53,360

rumbled if you like some it is very

884

00:35:59,050 --> 00:35:56,210

weird and you mentioned earlier the the

885

00:36:00,580 --> 00:35:59,060

face on Mars and that's one area that I

886

00:36:03,610 --> 00:36:00,590

just find it really hard to form an

887

00:36:05,770 --> 00:36:03,620

opinion on because as far as the face on

888

00:36:08,680 --> 00:36:05,780

Mars and the cydonia pyramids because

889

00:36:11,110 --> 00:36:08,690

anything I find compelling NASA seems to

890

00:36:13,090 --> 00:36:11,120

have some high-res photo of some other

891

00:36:14,980 --> 00:36:13,100

angle where it looks like nothing and

892

00:36:16,390 --> 00:36:14,990

the problem is yeah you know if there

893

00:36:18,340 --> 00:36:16,400

were structures on Mars or the moon

894

00:36:19,630 --> 00:36:18,350

while we're at it I have no doubt it

895

00:36:21,310 --> 00:36:19,640

would be covered up but that doesn't

896

00:36:23,290 --> 00:36:21,320

necessarily mean there's something to

897

00:36:25,780 --> 00:36:23,300

cover up but you know what have you seen

898

00:36:27,910 --> 00:36:25,790

with that yeah now you like that I think

899

00:36:28,640 --> 00:36:27,920

that the big problem with the face on

900

00:36:31,490 --> 00:36:28,650

Mars

901
00:36:34,010 --> 00:36:31,500
not so much that it's there it's the

902
00:36:35,539 --> 00:36:34,020
fact that the average person isn't able

903
00:36:38,120 --> 00:36:35,549
to go and look at it you know we can't

904
00:36:40,700 --> 00:36:38,130
go there you know that's the problem

905
00:36:42,349 --> 00:36:40,710
it's kind of like something on the earth

906
00:36:44,359 --> 00:36:42,359
like the pyramids you know anybody can

907
00:36:46,519 --> 00:36:44,369
go there and analyze them etc and come

908
00:36:47,420 --> 00:36:46,529
to form a conclusion the problem is with

909
00:36:50,809 --> 00:36:47,430
the face on Mars

910
00:36:52,609 --> 00:36:50,819
we're strictly and solely limited to you

911
00:36:55,130 --> 00:36:52,619
know a few photographs some of which do

912
00:36:57,799 --> 00:36:55,140
appear to show her face others that kind

913
00:37:01,609 --> 00:36:57,809

of look just like a pond or rubble Mesa

914

00:37:05,390 --> 00:37:01,619

or whatever but you know the interesting

915

00:37:07,760 --> 00:37:05,400

thing is that that I mean the fact that

916

00:37:10,099 --> 00:37:07,770

when you look at it from some angles in

917

00:37:11,809 --> 00:37:10,109

certain light it does look like a face

918

00:37:13,849 --> 00:37:11,819

now they the thing that a number of

919

00:37:16,130 --> 00:37:13,859

researchers who believe that it is a

920

00:37:18,799 --> 00:37:16,140

face have said is that you know the

921

00:37:20,809 --> 00:37:18,809

Egyptian pyramids may go back you know

922

00:37:22,579 --> 00:37:20,819

ten thousand years or whatever you know

923

00:37:24,589 --> 00:37:22,589

some people do push you know some people

924

00:37:26,359 --> 00:37:24,599

say wait the official stories like three

925

00:37:28,849 --> 00:37:26,369

to five thousand but maybe when pushing

926

00:37:30,650 --> 00:37:28,859

back ten to fifteen we don't render by

927

00:37:33,890 --> 00:37:30,660

Mac Tony sue wrote a book called after

928

00:37:35,690 --> 00:37:33,900

the Martian apocalypse Mac theorized you

929

00:37:38,329 --> 00:37:35,700

know these Martian artifacts could be

930

00:37:40,430 --> 00:37:38,339

half a million years old you know and he

931

00:37:42,829 --> 00:37:40,440

said it's the case you imagine what the

932

00:37:44,299 --> 00:37:42,839

Sphinx and today's pyramids you need it

933

00:37:46,700 --> 00:37:44,309

would look like a half a million years

934

00:37:48,410 --> 00:37:46,710

from now the problem wouldn't be that

935

00:37:50,720 --> 00:37:48,420

recognizable you know beyond the average

936

00:37:52,880 --> 00:37:50,730

shape and cut that looks kind of face

937

00:37:57,230 --> 00:37:52,890

like you know rather than today it

938

00:37:59,420 --> 00:37:57,240

clearly is a face and so you know what I

939

00:38:02,690 --> 00:37:59,430

find interesting is that from certain

940

00:38:06,620 --> 00:38:02,700

angles the face on Mars does look things

941

00:38:09,200 --> 00:38:06,630

like and also not far away you do have

942

00:38:12,200 --> 00:38:09,210

structures that look pyramid like as

943

00:38:14,630 --> 00:38:12,210

well so even if it's just a bizarre

944

00:38:16,760 --> 00:38:14,640

coincidence the very fact that you do

945

00:38:18,589 --> 00:38:16,770

have this Sphinx like face and pyramid

946

00:38:22,579 --> 00:38:18,599

type structures all in the same area for

947

00:38:24,980 --> 00:38:22,589

me suggests we have to look into it you

948

00:38:26,930 --> 00:38:24,990

know and one of the things I point out

949

00:38:29,690 --> 00:38:26,940

in the book one the very weird stories

950

00:38:31,880 --> 00:38:29,700

is that there are a number of people in

951

00:38:34,579 --> 00:38:31,890

the world of science fiction from the

952

00:38:35,720 --> 00:38:34,589

50s particularly who had links and

953

00:38:38,359 --> 00:38:35,730

contacts within the intelligence

954

00:38:40,579 --> 00:38:38,369

community the military the CIA who

955

00:38:42,180 --> 00:38:40,589

actually wrote sci-fi stories and comic

956

00:38:44,520 --> 00:38:42,190

books with a

957

00:38:47,280 --> 00:38:44,530

with a theme having the theme of them

958

00:38:49,140 --> 00:38:47,290

was what face even pyramids on Mars you

959

00:38:51,270 --> 00:38:49,150

know this has led to speculation that

960

00:38:53,160 --> 00:38:51,280

maybe somebody in the government knew

961

00:38:55,230 --> 00:38:53,170

about the face on Mars decades and

962

00:38:57,770 --> 00:38:55,240

decades ago long before NASA found out

963

00:39:01,260 --> 00:38:57,780

and may have actually even tried to

964

00:39:02,850 --> 00:39:01,270

subtly seed a few early stories into the

965

00:39:05,280 --> 00:39:02,860

public domain to see what the reaction

966

00:39:07,170 --> 00:39:05,290

would be you know but but do it through

967

00:39:09,570 --> 00:39:07,180

the medium of like entertainment with

968

00:39:12,480 --> 00:39:09,580

novels and comic books and whatever and

969

00:39:15,000 --> 00:39:12,490

just see you know what the response was

970

00:39:16,620 --> 00:39:15,010

an example Jack Kirby the famous comic

971

00:39:19,410 --> 00:39:16,630

book artist actually wrote a story

972

00:39:21,180 --> 00:39:19,420

called the face on Mars in 58 which is

973

00:39:23,700 --> 00:39:21,190

all about American astronauts going to

974

00:39:25,590 --> 00:39:23,710

Mars and finding this huge carved face

975

00:39:27,660 --> 00:39:25,600

it stays up from the surface of the

976

00:39:29,490 --> 00:39:27,670

planet you know you couldn't get yeah

977

00:39:32,400 --> 00:39:29,500

you couldn't get much closer you peep

978

00:39:34,920 --> 00:39:32,410

you google again Jack Kirby plus face on

979

00:39:36,450 --> 00:39:34,930

Mars you actually people scanned in you

980

00:39:39,060 --> 00:39:36,460

know at the front cover or the you know

981

00:39:41,850 --> 00:39:39,070

the main page of the of the story and

982

00:39:44,460 --> 00:39:41,860

you'll see you know this huge face on

983

00:39:47,970 --> 00:39:44,470

Mars in a story titled the face on Mars

984

00:39:49,320 --> 00:39:47,980

and Kirby had sort of quasi-official not

985

00:39:53,790 --> 00:39:49,330

quite a official but I mean he had

986

00:39:55,710 --> 00:39:53,800

tangential links with paper and CIA you

987

00:39:59,670 --> 00:39:55,720

know so you get some very weird stuff

988

00:40:01,500 --> 00:39:59,680

like that as if somebody knew that you

989

00:40:03,750 --> 00:40:01,510

know there was weird stuff on Mars it

990

00:40:05,760 --> 00:40:03,760

sort of paralleled you know the things

991

00:40:08,400 --> 00:40:05,770

in Egypt so to speak well you can find

992

00:40:11,610 --> 00:40:08,410

that with all kinds of stuff I mean I've

993

00:40:14,400 --> 00:40:11,620

seen montages about 9/11 that where

994

00:40:18,840 --> 00:40:14,410

they've got all this imagery that came

995

00:40:21,120 --> 00:40:18,850

out before 2001 and it's all eerie very

996

00:40:23,040 --> 00:40:21,130

eerie there's one of them is you know

997

00:40:26,730 --> 00:40:23,050

the Simpsons one of them's the Rugrats

998

00:40:28,350 --> 00:40:26,740

movie one of them some album cover an

999

00:40:30,090 --> 00:40:28,360

episode of the x-files and it's weird

1000

00:40:32,250 --> 00:40:30,100

because it's like it almost seems like

1001
00:40:36,500 --> 00:40:32,260
somebody somewhere knows that there's a

1002
00:40:40,380 --> 00:40:36,510
link between subliminal messages and

1003
00:40:42,570 --> 00:40:40,390
reality well yeah I mean you know I mean

1004
00:40:44,250 --> 00:40:42,580
this sort of in one sense you could

1005
00:40:46,860 --> 00:40:44,260
argue ties in with this whole issue

1006
00:40:49,680 --> 00:40:46,870
about the CIA we're sort of looking at

1007
00:40:51,960 --> 00:40:49,690
the idea of you know sort of psychedelic

1008
00:40:54,930 --> 00:40:51,970
trips into the past and possibly the

1009
00:40:56,200 --> 00:40:54,940
future you know maybe maybe you know

1010
00:40:59,200 --> 00:40:56,210
time isn't as we

1011
00:41:02,220 --> 00:40:59,210
see it and possibly you know maybe some

1012
00:41:05,099 --> 00:41:02,230
of these you know sort of imagery from

1013
00:41:07,810 --> 00:41:05,109

events that haven't happened yet is

1014

00:41:09,550 --> 00:41:07,820

occurring because somebody is literally

1015

00:41:11,470 --> 00:41:09,560

picking up on something that inevitably

1016

00:41:13,720 --> 00:41:11,480

is going to happen you know and they

1017

00:41:15,190 --> 00:41:13,730

become like a comic book artist you know

1018

00:41:16,960 --> 00:41:15,200

where do they get their inspiration from

1019

00:41:17,710 --> 00:41:16,970

maybe they really are getting it from

1020

00:41:20,050 --> 00:41:17,720

the future

1021

00:41:22,450 --> 00:41:20,060

you know maybe Jack Kirby's mindset

1022

00:41:24,880 --> 00:41:22,460

tapped into the fact that 20 years later

1023

00:41:26,680 --> 00:41:24,890

NASA was going to take these photographs

1024

00:41:28,300 --> 00:41:26,690

of this weird-looking face you know

1025

00:41:31,599 --> 00:41:28,310

right I mean well I've heard the

1026

00:41:33,070 --> 00:41:31,609

theories of there being time portals

1027

00:41:35,260 --> 00:41:33,080

that we just don't know much about that

1028

00:41:38,079 --> 00:41:35,270

maybe the Bermuda Triangle is one maybe

1029

00:41:39,880 --> 00:41:38,089

the Loch Ness monster is a is something

1030

00:41:42,400 --> 00:41:39,890

where the portal opens up and the energy

1031

00:41:44,980 --> 00:41:42,410

of a dinosaur or actual dinosaur comes

1032

00:41:47,770 --> 00:41:44,990

through you know and maybe that's what

1033

00:41:50,230 --> 00:41:47,780

UFOs are is like future crafts coming

1034

00:41:51,760 --> 00:41:50,240

through for a second weird oh yeah I

1035

00:41:53,530 --> 00:41:51,770

mean you know it's one of my other big

1036

00:41:55,210 --> 00:41:53,540

interest he's cryptozoology you know the

1037

00:41:56,890 --> 00:41:55,220

study of unknown animals he's loving

1038

00:41:59,500 --> 00:41:56,900

Bigfoot you know some researchers will

1039

00:42:01,270 --> 00:41:59,510

tell you Bigfoot's just an unidentified

1040

00:42:03,310 --> 00:42:01,280

eight but the science hasn't found but

1041

00:42:06,820 --> 00:42:03,320

the more you dig into it it's clearly

1042

00:42:08,200 --> 00:42:06,830

not you know he goes way beyond that you

1043

00:42:09,940 --> 00:42:08,210

know you have reports of Bigfoot

1044

00:42:12,880 --> 00:42:09,950

appearing and vanishing in the blink of

1045

00:42:15,310 --> 00:42:12,890

an eye cameras jamming you know all

1046

00:42:18,430 --> 00:42:15,320

sorts of just strange stuff associated

1047

00:42:20,260 --> 00:42:18,440

with it and these things come and go we

1048

00:42:22,260 --> 00:42:20,270

never catch them and it is almost like

1049

00:42:25,030 --> 00:42:22,270

they sort of flit in and out of a

1050

00:42:26,650 --> 00:42:25,040

reality or possibly our time frame you

1051

00:42:27,700 --> 00:42:26,660

know that it's almost like they're on

1052

00:42:29,950 --> 00:42:27,710

the equivalents of like the New York

1053

00:42:31,870 --> 00:42:29,960

subway or the London Underground you

1054

00:42:33,790 --> 00:42:31,880

know they jump offered station at

1055

00:42:35,920 --> 00:42:33,800

station in a way that we don't

1056

00:42:38,349 --> 00:42:35,930

understand you know but it's more like a

1057

00:42:40,780 --> 00:42:38,359

dimension by dimension possible I mean

1058

00:42:42,910 --> 00:42:40,790

people are afraid of the idea that a

1059

00:42:45,160 --> 00:42:42,920

secret shadow government knows about our

1060

00:42:47,140 --> 00:42:45,170

origins and aliens and keeps us in the

1061

00:42:48,550 --> 00:42:47,150

dark to control us but a part of me

1062

00:42:50,200 --> 00:42:48,560

takes comfort in thinking well at least

1063

00:42:53,140 --> 00:42:50,210

somebody can explain all this [\h__\h] even

1064

00:42:54,099 --> 00:42:53,150

if they won't yeah well I think I think

1065

00:42:56,050 --> 00:42:54,109

you right when there's like different

1066

00:42:57,970 --> 00:42:56,060

levels you know there's certainly some

1067

00:42:59,710 --> 00:42:57,980

agencies in government who know nothing

1068

00:43:02,170 --> 00:42:59,720

I mean you said the UFO subject where

1069

00:43:04,060 --> 00:43:02,180

Project Blue Book was pretty much just

1070

00:43:06,339 --> 00:43:04,070

like a public relations exercise you

1071

00:43:08,020 --> 00:43:06,349

know they didn't really find much or

1072

00:43:09,970 --> 00:43:08,030

know much at all then certainly in the

1073

00:43:11,470 --> 00:43:09,980

last ten years or so it really was just

1074

00:43:13,960 --> 00:43:11,480

couple of guys in an office you know

1075

00:43:17,620 --> 00:43:13,970

there was no field work or anything but

1076
00:43:19,810 --> 00:43:17,630
then you have you know agencies higher

1077
00:43:22,510 --> 00:43:19,820
up than them you know like the CIA and

1078
00:43:24,250 --> 00:43:22,520
the NSA doing research but then you have

1079
00:43:26,740 --> 00:43:24,260
these other rumors of you know what's

1080
00:43:30,220 --> 00:43:26,750
going on at area 51 etc that kind of

1081
00:43:32,550 --> 00:43:30,230
thing so I think that's not just the way

1082
00:43:34,720 --> 00:43:32,560
secrets are kept you know by just

1083
00:43:38,410 --> 00:43:34,730
ensuring not everybody knows but the

1084
00:43:39,940 --> 00:43:38,420
less people know but less you know

1085
00:43:42,420 --> 00:43:39,950
chance of a secret leaking air but I

1086
00:43:45,130 --> 00:43:42,430
think it's also connected with like

1087
00:43:46,870 --> 00:43:45,140
powerful ancient people ancient money

1088
00:43:49,720 --> 00:43:46,880

things like that you know ancient

1089

00:43:52,120 --> 00:43:49,730

families you know these big big business

1090

00:43:53,770 --> 00:43:52,130

and big money families who are tied in

1091

00:43:57,790 --> 00:43:53,780

with government and intelligence

1092

00:44:00,340 --> 00:43:57,800

agencies etc and then they're gone yeah

1093

00:44:01,720 --> 00:44:00,350

I don't personally think the ones are

1094

00:44:03,730 --> 00:44:01,730

really in the know are just like

1095

00:44:08,200 --> 00:44:03,740

Pentagon generals I think it's more like

1096

00:44:12,359 --> 00:44:08,210

a cabal of of big money old families you

1097

00:44:15,280 --> 00:44:12,369

know powerful you know backgrounds and

1098

00:44:18,880 --> 00:44:15,290

aristocracy that sort of things right Oh

1099

00:44:21,370 --> 00:44:18,890

simply put if you had to speculate and

1100

00:44:23,290 --> 00:44:21,380

try to come up with one cohesive

1101
00:44:25,570 --> 00:44:23,300
worldview out of all your research that

1102
00:44:28,599 --> 00:44:25,580
you've done explaining flying saucers

1103
00:44:30,010 --> 00:44:28,609
and the Mothman and jinn and everything

1104
00:44:31,990 --> 00:44:30,020
um what would it look like

1105
00:44:33,910 --> 00:44:32,000
are these independent phenomenon in

1106
00:44:36,670 --> 00:44:33,920
your mind or are there a unifying theory

1107
00:44:38,920 --> 00:44:36,680
oh I think there's a unifying theory I'm

1108
00:44:40,810 --> 00:44:38,930
not convinced to us at all that the UFO

1109
00:44:43,570 --> 00:44:40,820
phenomenon is extraterrestrial in the

1110
00:44:46,540 --> 00:44:43,580
sense that it's literally aliens coming

1111
00:44:50,500 --> 00:44:46,550
from planet to planet Earth what I think

1112
00:44:52,240 --> 00:44:50,510
is the phenomenon is real but you know

1113
00:44:54,220 --> 00:44:52,250

you can find clear parallels throughout

1114

00:44:57,490 --> 00:44:54,230

history where things that have been

1115

00:45:00,820 --> 00:44:57,500

interpreted as demon goblins jinn and

1116

00:45:02,470 --> 00:45:00,830

today's aliens it all manifests in the

1117

00:45:05,440 --> 00:45:02,480

same way to also do with like

1118

00:45:09,160 --> 00:45:05,450

manifestation in people's bedrooms like

1119

00:45:11,560 --> 00:45:09,170

an interest in human reproduction and

1120

00:45:14,650 --> 00:45:11,570

babies and these sort of predatory

1121

00:45:17,560 --> 00:45:14,660

entities that kidnap us time distortions

1122

00:45:20,349 --> 00:45:17,570

and I think the kind of what I call the

1123

00:45:22,120 --> 00:45:20,359

alien meme he's sort of the modern-day

1124

00:45:23,259 --> 00:45:22,130

equivalent of the demon name or the

1125

00:45:25,149 --> 00:45:23,269

Goblin name

1126

00:45:28,809 --> 00:45:25,159

whatever mean you know something's been

1127

00:45:31,239 --> 00:45:28,819

interacting with us manipulating us for

1128

00:45:33,669 --> 00:45:31,249

as long as we've been around and I think

1129

00:45:36,549 --> 00:45:33,679

the current incarnation is the one

1130

00:45:38,109 --> 00:45:36,559

that's used because we accept the idea

1131

00:45:39,639 --> 00:45:38,119

that aliens could be out there in the

1132

00:45:41,799 --> 00:45:39,649

same way that two thousand three

1133

00:45:43,749 --> 00:45:41,809

thousand years ago there's a far bigger

1134

00:45:47,349 --> 00:45:43,759

belief in like demons and demonic

1135

00:45:49,689 --> 00:45:47,359

entities are bigger than today and I

1136

00:45:52,539 --> 00:45:49,699

think the phenomenon whatever it is

1137

00:45:55,059 --> 00:45:52,549

seems to have some sort of controlling

1138

00:45:56,739 --> 00:45:55,069

or manipulation factor involving us

1139

00:45:59,019 --> 00:45:56,749

maybe you know many people like our

1140

00:46:00,789 --> 00:45:59,029

belief systems to keep us in will I per

1141

00:46:02,829 --> 00:46:00,799

heard you know and they're the farmer or

1142

00:46:05,139 --> 00:46:02,839

something and I think there are people

1143

00:46:07,179 --> 00:46:05,149

in government who know this I think

1144

00:46:09,719 --> 00:46:07,189

there are some people who like this

1145

00:46:13,089 --> 00:46:09,729

information people who spread stories

1146

00:46:15,309 --> 00:46:13,099

you know suggesting there's nothing to

1147

00:46:17,889 --> 00:46:15,319

this mother's bread stories suggest

1148

00:46:19,749 --> 00:46:17,899

howdy alien you don't know and I think

1149

00:46:21,059 --> 00:46:19,759

that I think the whole point is to there

1150

00:46:24,519 --> 00:46:21,069

are people in government who do know

1151

00:46:25,929 --> 00:46:24,529

part of their task is to confuse us by

1152

00:46:29,529 --> 00:46:25,939

Paula leanness with so many

1153

00:46:31,809 --> 00:46:29,539

contradictory angles that it keeps us

1154

00:46:33,429 --> 00:46:31,819

busy looking for all those well maybe

1155

00:46:36,149 --> 00:46:33,439

the real secret they don't want us to

1156

00:46:38,499 --> 00:46:36,159

get hold of stays buried if you like

1157

00:46:40,659 --> 00:46:38,509

well let me hit you with a few questions

1158

00:46:42,519 --> 00:46:40,669

from the internet because we're kind of

1159

00:46:45,249 --> 00:46:42,529

getting down to the last sentence or so

1160

00:46:47,349 --> 00:46:45,259

but uh do you think there are physics

1161

00:46:51,669 --> 00:46:47,359

that explain UFO movement that are

1162

00:46:53,529 --> 00:46:51,679

classified to the public yes I think you

1163

00:46:55,509 --> 00:46:53,539

know there's no doubt in my mind the

1164

00:46:57,009 --> 00:46:55,519

more our technology advances the more

1165

00:47:00,009 --> 00:46:57,019

and more difficult it's going to be to

1166

00:47:02,649 --> 00:47:00,019

differentiate between our UFOs and

1167

00:47:04,120 --> 00:47:02,659

somebody else's UFOs I mean you know you

1168

00:47:06,639 --> 00:47:04,130

look at the whole black triangle

1169

00:47:08,799 --> 00:47:06,649

phenomenon over the last few decades you

1170

00:47:11,499 --> 00:47:08,809

know there this you can there are cases

1171

00:47:13,389 --> 00:47:11,509

where you can suggest some of these are

1172

00:47:15,609 --> 00:47:13,399

extraterrestrial and some of them could

1173

00:47:17,620 --> 00:47:15,619

be highly advanced military craft but if

1174

00:47:19,839 --> 00:47:17,630

some of them are highly advanced

1175

00:47:21,759 --> 00:47:19,849

military craft you know to have some

1176

00:47:24,939 --> 00:47:21,769

sort of vehicle that can go the size of

1177

00:47:27,069 --> 00:47:24,949

747 you know that can go from standing

1178

00:47:29,679 --> 00:47:27,079

still to literally vanishing in an

1179

00:47:31,989 --> 00:47:29,689

instant with no apparent acceleration

1180

00:47:33,399 --> 00:47:31,999

effects on the crew I mean I'm using

1181

00:47:35,679 --> 00:47:33,409

that as an example because there's a

1182

00:47:36,940 --> 00:47:35,689

famous British case investigated by the

1183

00:47:41,310 --> 00:47:36,950

Ministry of Defense in nine

1184

00:47:44,020 --> 00:47:41,320

three we're actually a Royal Air Force

1185

00:47:46,480 --> 00:47:44,030

observer saw this thing hovering over a

1186

00:47:49,359 --> 00:47:46,490

military base in central England in 93

1187

00:47:51,910 --> 00:47:49,369

and he described it as like a black

1188

00:47:54,040 --> 00:47:51,920

triangle almost the size of a 747 that

1189

00:47:55,990 --> 00:47:54,050

was barely moving like 15 mile an hour

1190

00:47:58,329 --> 00:47:56,000

and then just shut up into the sky and

1191

00:48:00,579 --> 00:47:58,339

vanished you know in an instant now that

1192

00:48:02,770 --> 00:48:00,589

would kill the crew right you know with

1193

00:48:05,500 --> 00:48:02,780

the g-forces so yeah I think there's

1194

00:48:07,510 --> 00:48:05,510

clearly evidence of advanced

1195

00:48:10,120 --> 00:48:07,520

technologies that go far beyond

1196

00:48:12,700 --> 00:48:10,130

mainstream physics but the problem is

1197

00:48:15,339 --> 00:48:12,710

again it's who has access to it and you

1198

00:48:18,520 --> 00:48:15,349

know to what extent or not they'll share

1199

00:48:21,010 --> 00:48:18,530

it with anybody else right another good

1200

00:48:24,310 --> 00:48:21,020

one I got here that I liked was have you

1201

00:48:26,170 --> 00:48:24,320

ever experienced non ordinary life forms

1202

00:48:30,069 --> 00:48:26,180

in shamanic states of consciousness or

1203

00:48:31,540 --> 00:48:30,079

any other means um I've had a few weird

1204

00:48:34,390 --> 00:48:31,550

experiences I mean one of the big

1205

00:48:36,760 --> 00:48:34,400

interests of mine is tokers the idea

1206

00:48:38,560 --> 00:48:36,770

which basically like thought-forms where

1207

00:48:41,559 --> 00:48:38,570

you know you concentrate on an image in

1208

00:48:43,839 --> 00:48:41,569

the human mind and try and you know you

1209

00:48:46,059 --> 00:48:43,849

go into like a trance-like meditative

1210

00:48:47,980 --> 00:48:46,069

state and try and conjure up over a

1211

00:48:49,900 --> 00:48:47,990

period of time you know whatever image

1212

00:48:52,740 --> 00:48:49,910

like for example when I tried once like

1213

00:48:57,250 --> 00:48:52,750

a like a black dog with fiery red eyes

1214

00:49:00,640 --> 00:48:57,260

and then actually coming home like one

1215

00:49:03,160 --> 00:49:00,650

night actually saw what looks just like

1216

00:49:05,950 --> 00:49:03,170

that but it looked like it was born out

1217

00:49:10,240 --> 00:49:05,960

of the shadows from the streetlights and

1218

00:49:12,069 --> 00:49:10,250

hold etc but it was almost as if you

1219

00:49:14,740 --> 00:49:12,079

imagined the shadows would be

1220

00:49:16,270 --> 00:49:14,750

manipulated by something to come to life

1221

00:49:19,480 --> 00:49:16,280

for a brief instant and make it look

1222

00:49:21,490 --> 00:49:19,490

like this spectral big black dog you

1223

00:49:23,920 --> 00:49:21,500

know it was almost too coincidental and

1224

00:49:25,660 --> 00:49:23,930

here taupe was a particular fascination

1225

00:49:28,329 --> 00:49:25,670

of mine the idea that you know he

1226
00:49:31,510 --> 00:49:28,339
concentrates on something in your mind

1227
00:49:34,329 --> 00:49:31,520
you can literally kind of give birth to

1228
00:49:35,890 --> 00:49:34,339
Lonnie anaphase I but you can manifest

1229
00:49:38,170 --> 00:49:35,900
you and then you can actually take on

1230
00:49:40,210 --> 00:49:38,180
like a quasi independent existence and

1231
00:49:43,030 --> 00:49:40,220
the more people who believe in it it

1232
00:49:44,829 --> 00:49:43,040
sustains more strength and the more

1233
00:49:47,500 --> 00:49:44,839
strength it gets and it's and it

1234
00:49:50,500 --> 00:49:47,510
instills fear in the witness in other

1235
00:49:52,810 --> 00:49:50,510
words it has to be seen to instill fear

1236
00:49:55,120 --> 00:49:52,820
then fades on like a psychic vampire to

1237
00:49:56,560 --> 00:49:55,130
keep itself alive if you like so it's

1238
00:49:59,140 --> 00:49:56,570

kind of God giving birth to a mind

1239

00:50:01,960 --> 00:49:59,150

monster oof sometime yeah maybe that has

1240

00:50:04,120 --> 00:50:01,970

something to do with why Hollywood has

1241

00:50:05,380 --> 00:50:04,130

put out the idea of the greys maybe they

1242

00:50:07,240 --> 00:50:05,390

know something like that and they're

1243

00:50:10,060 --> 00:50:07,250

pushing it out maybe that I also

1244

00:50:12,250 --> 00:50:10,070

explains pretty much all cryptids you

1245

00:50:13,510 --> 00:50:12,260

know well it could you I mean we all

1246

00:50:15,610 --> 00:50:13,520

think you know there's weird stuff in

1247

00:50:17,290 --> 00:50:15,620

the woods if enough people believe as

1248

00:50:19,390 --> 00:50:17,300

monsters in the woods maybe that

1249

00:50:21,370 --> 00:50:19,400

actually brings them to life because so

1250

00:50:23,020 --> 00:50:21,380

many people intentionally went believing

1251

00:50:25,200 --> 00:50:23,030

that they're out there almost like

1252

00:50:30,460 --> 00:50:25,210

another version of the placebo effect

1253

00:50:32,290 --> 00:50:30,470

exactly yeah crazy I guess another one I

1254

00:50:33,670 --> 00:50:32,300

got here I think I already we already

1255

00:50:34,570 --> 00:50:33,680

kind of covered I kind of the answer to

1256

00:50:37,180 --> 00:50:34,580

but do you think there are other

1257

00:50:38,890 --> 00:50:37,190

frequencies beans can exist on and art

1258

00:50:41,070 --> 00:50:38,900

like would you say ghosts are multi

1259

00:50:45,760 --> 00:50:41,080

multi dimensional beings rather than

1260

00:50:47,320 --> 00:50:45,770

just spirit yeah I mean I mean certainly

1261

00:50:49,000 --> 00:50:47,330

things like quantum physics today you

1262

00:50:51,550 --> 00:50:49,010

know they're allowing for the existence

1263

00:50:52,630 --> 00:50:51,560

of extra dimensions or multi dimensions

1264

00:50:54,400 --> 00:50:52,640

and I think you know the best way to

1265

00:50:55,920 --> 00:50:54,410

describe it for me you know you're

1266

00:50:57,790 --> 00:50:55,930

driving your car listening to the radio

1267

00:50:59,560 --> 00:50:57,800

you don't like the song that's playing

1268

00:51:01,360 --> 00:50:59,570

so you flick to another channel and

1269

00:51:02,560 --> 00:51:01,370

another one and another one you know but

1270

00:51:05,020 --> 00:51:02,570

all these channels are playing at the

1271

00:51:07,180 --> 00:51:05,030

same time but you can only be on one any

1272

00:51:09,250 --> 00:51:07,190

given moment and I think that's the same

1273

00:51:11,610 --> 00:51:09,260

that some of these entities if not all

1274

00:51:14,860 --> 00:51:11,620

of them you know are sort of like

1275

00:51:16,060 --> 00:51:14,870

dimension-hopping things you know that

1276
00:51:17,860 --> 00:51:16,070
makes more sense to me than just

1277
00:51:21,070 --> 00:51:17,870
flitting back and forth from some

1278
00:51:23,650 --> 00:51:21,080
faraway planet or whatever and he could

1279
00:51:26,800 --> 00:51:23,660
explain why all these things really said

1280
00:51:29,440 --> 00:51:26,810
ghosts Bigfoot you know like monsters

1281
00:51:30,790 --> 00:51:29,450
werewolves aliens you know all these

1282
00:51:32,710 --> 00:51:30,800
sort of things that exist in our

1283
00:51:35,980 --> 00:51:32,720
folklore mythology for thousands of

1284
00:51:38,440 --> 00:51:35,990
years you know come and go but they're

1285
00:51:40,780 --> 00:51:38,450
always elusive to us and I you know I

1286
00:51:42,460 --> 00:51:40,790
think that is the case and you know my

1287
00:51:45,040 --> 00:51:42,470
view on life after death and the

1288
00:51:46,420 --> 00:51:45,050

question about ghosts you know I'm not

1289

00:51:49,060 --> 00:51:46,430

I'll be the first to me I'm not a

1290

00:51:50,890 --> 00:51:49,070

believer in the rigid heaven and hell

1291

00:51:53,530 --> 00:51:50,900

angle you know that there's this place

1292

00:51:55,440 --> 00:51:53,540

where it's all cool and clouds and harps

1293

00:51:57,250 --> 00:51:55,450

and these other places full of fire and

1294

00:52:00,520 --> 00:51:57,260

pitchforks you know I don't believe that

1295

00:52:03,280 --> 00:52:00,530

I but what I do think is that there's a

1296

00:52:04,340 --> 00:52:03,290

good chance that some essence survives

1297

00:52:08,840 --> 00:52:04,350

bodily

1298

00:52:11,570 --> 00:52:08,850

and it transcends to you know pay one of

1299

00:52:13,970 --> 00:52:11,580

these multi dimensions or you know it

1300

00:52:16,310 --> 00:52:13,980

can surf all of them because it's not in

1301
00:52:18,980 --> 00:52:16,320
like physical form and maybe you know

1302
00:52:21,200 --> 00:52:18,990
they manifest in our dimension from time

1303
00:52:24,950 --> 00:52:21,210
to time and we see them again you know I

1304
00:52:27,530 --> 00:52:24,960
think life after death possibly will be

1305
00:52:29,840 --> 00:52:27,540
explainable via you know the science of

1306
00:52:32,600 --> 00:52:29,850
something surviving and you know

1307
00:52:34,370 --> 00:52:32,610
accessing other multi dimensions that

1308
00:52:37,910 --> 00:52:34,380
maybe the ancients knew about these

1309
00:52:40,730 --> 00:52:37,920
ain't these multi dimensions and kind of

1310
00:52:42,140 --> 00:52:40,740
put their their spin on them and class

1311
00:52:43,850 --> 00:52:42,150
to them as you know hell or the

1312
00:52:46,270 --> 00:52:43,860
underworld or whatever but it was just

1313
00:52:48,440 --> 00:52:46,280

another realm of existence you know yeah

1314

00:52:50,960 --> 00:52:48,450

alright so what I mean it's getting to

1315

00:52:52,550 --> 00:52:50,970

be that time and you know simply hearing

1316

00:52:54,500 --> 00:52:52,560

your journalistic approach to this stuff

1317

00:52:56,060 --> 00:52:54,510

is very refreshing to me because I mean

1318

00:52:57,320 --> 00:52:56,070

I remember calling anybody a liar but

1319

00:52:59,120 --> 00:52:57,330

like I said in the beginning I've had

1320

00:53:01,430 --> 00:52:59,130

guests that it seems like their astral

1321

00:53:04,310 --> 00:53:01,440

projected on Sunday Channel and entities

1322

00:53:05,480 --> 00:53:04,320

on Monday in under ten and I just think

1323

00:53:08,120 --> 00:53:05,490

man let me follow you around with a

1324

00:53:09,170 --> 00:53:08,130

camera for one week you know well you

1325

00:53:11,510 --> 00:53:09,180

know I think we've got to remain

1326

00:53:13,760 --> 00:53:11,520

balanced and you know try not to let

1327

00:53:16,400 --> 00:53:13,770

belief overtake us but you know I think

1328

00:53:17,980 --> 00:53:16,410

most people who delve into this like me

1329

00:53:20,780 --> 00:53:17,990

you know you do have occasional weird

1330

00:53:22,300 --> 00:53:20,790

flashes of strange stuff going on but

1331

00:53:24,590 --> 00:53:22,310

you know we've got to try and keep it

1332

00:53:26,330 --> 00:53:24,600

balanced and determine what happened and

1333

00:53:28,160 --> 00:53:26,340

not hope it was this or hope it was that

1334

00:53:29,690 --> 00:53:28,170

you know yeah well thanks again Egham

1335

00:53:31,730 --> 00:53:29,700

world's weirdest places which is

1345

00:53:57,200 --> 00:53:54,750

basically your study of 25 sort of low

1346

00:53:58,610 --> 00:53:57,210

window portal type areas where you know

1347

00:54:00,290 --> 00:53:58,620

they've just been harmonized for a whole

1348

00:54:02,410 --> 00:54:00,300

range of weird activity

1349

00:54:07,460 --> 00:54:02,420

you got the Bermuda Triangle in there

1350

00:54:08,690 --> 00:54:07,470

Bermuda Triangle place in Texas called

1351

00:54:10,880 --> 00:54:08,700

the Big Thicket where there's been

1352

00:54:13,610 --> 00:54:10,890

Bigfoot and UFO sightings and ghost

1353

00:54:17,750 --> 00:54:13,620

lights and so in other words it has been

1354

00:54:18,440 --> 00:54:17,760

sort of Bigfoot UFOs ghosts all in one

1355

00:54:20,329 --> 00:54:18,450

area

1356

00:54:22,220 --> 00:54:20,339

you know I've sort of focused on those

1357

00:54:23,960 --> 00:54:22,230

where it's been a hot spot for you know

1358

00:54:24,680 --> 00:54:23,970
