

Episode 28: Philip Coppens

The Pyramids Tee & more available at:

The Ancient Alien Question
& more available at:
PhilipCoppens.com

1
00:00:10,070 --> 00:00:08,310
in the 1930s

2
00:00:11,669 --> 00:00:10,080
roosevelt the dress the nation through a

3
00:00:14,950 --> 00:00:11,679
series of radio broadcasts

4
00:00:16,550 --> 00:00:14,960
known as the fireside chats his aim was

5
00:00:18,510 --> 00:00:16,560
to reassure the common man that our

6
00:00:23,189 --> 00:00:18,520
society would recover from its troubled

7
00:00:27,830 --> 00:00:25,670
for a new era of worldly frustration we

8
00:00:30,710 --> 00:00:27,840
offer a fresh conversation

9
00:00:31,189 --> 00:00:30,720
i'm greg carlwood and these are the

10
00:00:35,590 --> 00:00:31,199
higher

11
00:00:37,590 --> 00:00:35,600
side chatters today we're celebrating a

12
00:00:39,990 --> 00:00:37,600
milestone of sorts with our first

13
00:00:41,830 --> 00:00:40,000

legitimate tv star on the podcast

14

00:00:43,590 --> 00:00:41,840

no it's not cake boss buddy or bill nye

15

00:00:45,510 --> 00:00:43,600

the science guy but a regular on my

16

00:00:46,470 --> 00:00:45,520

favorite tv show and i'm talking about

17

00:00:47,990 --> 00:00:46,480

ancient aliens

18

00:00:50,470 --> 00:00:48,000

better yet i'm talking about philip

19

00:00:51,910 --> 00:00:50,480

copens goddammit author of nine books

20

00:00:54,630 --> 00:00:51,920

with titles like 2012

21

00:00:56,389 --> 00:00:54,640

science fiction killing kennedy and of

22

00:00:58,869 --> 00:00:56,399

course the reason for the season

23

00:01:00,630 --> 00:00:58,879

the ancient alien question his resume is

24

00:01:02,229 --> 00:01:00,640

more diverse than the cast of glee and i

25

00:01:03,270 --> 00:01:02,239

couldn't be more excited about the next

26

00:01:06,230 --> 00:01:03,280

hour of my life

27

00:01:07,590 --> 00:01:06,240

philip copens how you doing i'm doing

28

00:01:09,830 --> 00:01:07,600

great how are you

29

00:01:11,750 --> 00:01:09,840

i'm great i'm super psyched to have you

30

00:01:13,990 --> 00:01:11,760

here wow man i mean thanks

31

00:01:15,350 --> 00:01:14,000

again for doing it um you know let's

32

00:01:17,109 --> 00:01:15,360

start with the easy stuff

33

00:01:19,590 --> 00:01:17,119

it looks like season five of ancient

34

00:01:20,550 --> 00:01:19,600

aliens is uh is a go man congrats on

35

00:01:22,310 --> 00:01:20,560

that

36

00:01:23,990 --> 00:01:22,320

thank you so are people stopping you at

37

00:01:26,230 --> 00:01:24,000

the grocery store breaking out new

38

00:01:28,550 --> 00:01:26,240

theories of the checkout line

39

00:01:29,830 --> 00:01:28,560

um it doesn't it hasn't gotten down to

40

00:01:32,710 --> 00:01:29,840

the grocery store

41

00:01:33,749 --> 00:01:32,720

and i i have the privilege of of

42

00:01:35,990 --> 00:01:33,759

spending my

43

00:01:36,870 --> 00:01:36,000

my life in various countries at uk

44

00:01:39,429 --> 00:01:36,880

france

45

00:01:41,749 --> 00:01:39,439

uh and los angeles and it has to be said

46

00:01:43,429 --> 00:01:41,759

that um

47

00:01:45,109 --> 00:01:43,439

the funniest sequence of events actually

48

00:01:48,069 --> 00:01:45,119

happened in las vegas where

49

00:01:49,510 --> 00:01:48,079

clearly ancient aliens is popular um

50

00:01:52,069 --> 00:01:49,520

when um

51
00:01:53,429 --> 00:01:52,079
at one point we had had breakfast in in

52
00:01:55,030 --> 00:01:53,439
one of the hotels and we were walking

53
00:01:56,069 --> 00:01:55,040
through the casino floor to get to a

54
00:01:58,310 --> 00:01:56,079
taxi

55
00:01:59,190 --> 00:01:58,320
um and one of those guys with earpieces

56
00:02:01,670 --> 00:01:59,200
in there

57
00:02:02,789 --> 00:02:01,680
um here obviously uh came up to us and

58
00:02:04,630 --> 00:02:02,799
said like um sir this

59
00:02:06,149 --> 00:02:04,640
is something of a strange question but

60
00:02:09,669 --> 00:02:06,159
um

61
00:02:10,949 --> 00:02:09,679
are you the guy who's on tv so it turned

62
00:02:12,470 --> 00:02:10,959
out that um

63
00:02:15,030 --> 00:02:12,480

one of the security guys was was

64

00:02:17,350 --> 00:02:15,040

interested and then we got into a taxi

65

00:02:18,309 --> 00:02:17,360

and then when uh we were dropped off at

66

00:02:20,070 --> 00:02:18,319

our hotel the

67

00:02:22,070 --> 00:02:20,080

the taxi driver kind of like said like

68

00:02:24,550 --> 00:02:22,080

you're the guy from ancient aliens

69

00:02:25,190 --> 00:02:24,560

so um like within you know ten minutes

70

00:02:27,990 --> 00:02:25,200

or so

71

00:02:29,830 --> 00:02:28,000

um two people can like do it it seems to

72

00:02:31,830 --> 00:02:29,840

be apparently mostly the voice

73

00:02:33,830 --> 00:02:31,840

which um kind of like identifies people

74

00:02:35,589 --> 00:02:33,840

that i'm the guy from ancient aliens

75

00:02:37,110 --> 00:02:35,599

but um yeah it does come with a bit of

76

00:02:38,630 --> 00:02:37,120

street recognition because it's an

77

00:02:41,509 --> 00:02:38,640

extremely popular show

78

00:02:43,430 --> 00:02:41,519

um at the end of season one and two it

79

00:02:45,270 --> 00:02:43,440

was estimated that across the world

80

00:02:46,070 --> 00:02:45,280

after one episode about 100 million

81

00:02:48,309 --> 00:02:46,080

people

82

00:02:49,990 --> 00:02:48,319

uh had seen an episode throughout its

83

00:02:51,910 --> 00:02:50,000

various cycles but

84

00:02:54,070 --> 00:02:51,920

that figure is really probably gonna go

85

00:02:55,990 --> 00:02:54,080

up with uh three and four as that makes

86

00:02:58,229 --> 00:02:56,000

its way around the world because

87

00:02:59,509 --> 00:02:58,239

specifically in america season three was

88

00:03:01,270 --> 00:02:59,519

extremely popular

89

00:03:02,790 --> 00:03:01,280

um and the early start of season four

90

00:03:05,190 --> 00:03:02,800

was as well so

91

00:03:06,790 --> 00:03:05,200

but you know what i like about it is

92

00:03:09,430 --> 00:03:06,800

that it keeps people

93

00:03:10,710 --> 00:03:09,440

or it starts people to to talk and to

94

00:03:13,910 --> 00:03:10,720

think and um

95

00:03:14,470 --> 00:03:13,920

it it really covers very young children

96

00:03:21,030 --> 00:03:14,480

to

97

00:03:22,949 --> 00:03:21,040

with uh

98

00:03:24,470 --> 00:03:22,959

ancient aliens and that's great you know

99

00:03:25,589 --> 00:03:24,480

to see that you're part of something

100

00:03:29,030 --> 00:03:25,599

which really

101
00:03:30,789 --> 00:03:29,040
um is is kind of like bringing about um

102
00:03:32,390 --> 00:03:30,799
i wouldn't say a revolution in in

103
00:03:33,990 --> 00:03:32,400
television but definitely

104
00:03:36,710 --> 00:03:34,000
something which moves away from the

105
00:03:38,949 --> 00:03:36,720
traditional expert asus

106
00:03:40,309 --> 00:03:38,959
something and expert b says something

107
00:03:43,830 --> 00:03:40,319
completely the opposite

108
00:03:46,869 --> 00:03:43,840
and the viewer kind of goes like okay so

109
00:03:48,710 --> 00:03:46,879
and what about us um and and that is i

110
00:03:50,550 --> 00:03:48,720
think what ancient aliens does it it

111
00:03:51,110 --> 00:03:50,560
does put the viewers central and kind of

112
00:03:53,270 --> 00:03:51,120
says like

113
00:03:54,949 --> 00:03:53,280

okay so here's the evidence now it's up

114

00:03:57,589 --> 00:03:54,959

to you to kind of like you know

115

00:03:58,789 --> 00:03:57,599

um believe or accept that this is

116

00:04:01,910 --> 00:03:58,799

convincing enough or say

117

00:04:02,470 --> 00:04:01,920

nah um i'm not convinced yet and and

118

00:04:06,550 --> 00:04:02,480

that is

119

00:04:07,190 --> 00:04:06,560

from a viewer's perspective than the

120

00:04:08,789 --> 00:04:07,200

traditional

121

00:04:10,229 --> 00:04:08,799

side a says something inside b says

122

00:04:13,110 --> 00:04:10,239

something completely opposite

123

00:04:14,949 --> 00:04:13,120

it leaves viewers come confused because

124

00:04:16,550 --> 00:04:14,959

the way side amb is quite often talking

125

00:04:19,030 --> 00:04:16,560

about it is completely

126
00:04:20,550 --> 00:04:19,040
um you know so diverse that no viewer

127
00:04:23,830 --> 00:04:20,560
can actually make up their mind

128
00:04:26,230 --> 00:04:23,840
at the end but you know it's um

129
00:04:27,909 --> 00:04:26,240
it's it's something which i think is a

130
00:04:29,030 --> 00:04:27,919
great contributing factor to the success

131
00:04:31,110 --> 00:04:29,040
of ancient aliens

132
00:04:33,030 --> 00:04:31,120
i love the show i was so in shock first

133
00:04:34,150 --> 00:04:33,040
time i saw it on conventional television

134
00:04:34,950 --> 00:04:34,160
you know and i've been watching ever

135
00:04:36,710 --> 00:04:34,960
since

136
00:04:38,230 --> 00:04:36,720
and i love the book ancient alien

137
00:04:39,749 --> 00:04:38,240
questions which

138
00:04:41,110 --> 00:04:39,759

you know i just finished reading and

139

00:04:42,950 --> 00:04:41,120

i'll be honest i thought it was going to

140

00:04:44,710 --> 00:04:42,960

be a long detailed account of all the

141

00:04:45,590 --> 00:04:44,720

stone monuments and ancient sites from

142

00:04:47,270 --> 00:04:45,600

the show but

143

00:04:49,510 --> 00:04:47,280

really it's incredibly diverse and

144

00:04:51,270 --> 00:04:49,520

covers so many sides of the coin

145

00:04:53,990 --> 00:04:51,280

from david ike's reptilian agenda to the

146

00:04:55,990 --> 00:04:54,000

coral castle it really is a great read

147

00:04:57,030 --> 00:04:56,000

well thank you i mean you know what i

148

00:04:59,830 --> 00:04:57,040

what i

149

00:05:03,270 --> 00:04:59,840

tv is obviously a visual medium and it

150

00:05:06,950 --> 00:05:03,280

also is defined by the format which is

151
00:05:07,590 --> 00:05:06,960
um even in in in season uh one or season

152
00:05:10,469 --> 00:05:07,600
two

153
00:05:12,550 --> 00:05:10,479
um you know there was like 20 minutes or

154
00:05:15,670 --> 00:05:12,560
30 minutes per subject now it's it's

155
00:05:16,870 --> 00:05:15,680
it's 12 minutes per subject um and four

156
00:05:20,469 --> 00:05:16,880
subjects per

157
00:05:22,469 --> 00:05:20,479
episode um and that's it so we have

158
00:05:23,990 --> 00:05:22,479
kind of you know whenever at each at

159
00:05:26,310 --> 00:05:24,000
each in each year

160
00:05:27,670 --> 00:05:26,320
um the producers ask for kind of you

161
00:05:28,710 --> 00:05:27,680
know what would you like to see covered

162
00:05:31,430 --> 00:05:28,720
what is kind like

163
00:05:33,029 --> 00:05:31,440

and i send in certain stuff and quite

164

00:05:34,469 --> 00:05:33,039

often it comes back like yeah we would

165

00:05:36,150 --> 00:05:34,479

really like to cover this but there is

166

00:05:40,310 --> 00:05:36,160

no footage of this

167

00:05:42,629 --> 00:05:40,320

um so for television that's kind of

168

00:05:43,909 --> 00:05:42,639

a no-go zone so obviously for a book i'm

169

00:05:46,790 --> 00:05:43,919

not limited to

170

00:05:48,629 --> 00:05:46,800

um you know whether there is 10 minutes

171

00:05:49,670 --> 00:05:48,639

of footage available of something or for

172

00:05:51,749 --> 00:05:49,680

something

173

00:05:53,270 --> 00:05:51,759

so i was able to go into things like to

174

00:05:55,189 --> 00:05:53,280

drop a tribe in china

175

00:05:56,950 --> 00:05:55,199

um some other things about china for

176

00:06:00,070 --> 00:05:56,960

which there is no footage

177

00:06:02,150 --> 00:06:00,080

um just you know a few photographs and

178

00:06:05,189 --> 00:06:02,160

even aspects of the crystal skulls

179

00:06:07,590 --> 00:06:05,199

um can be discussed in in in in a

180

00:06:08,550 --> 00:06:07,600

way that again you're not tied to to

181

00:06:11,029 --> 00:06:08,560

visual footage

182

00:06:12,230 --> 00:06:11,039

way more in depth yeah and then

183

00:06:15,189 --> 00:06:12,240

obviously you know

184

00:06:17,990 --> 00:06:15,199

um i'm one of the people who appears on

185

00:06:21,029 --> 00:06:18,000

ancient aliens but it is a tv show

186

00:06:23,510 --> 00:06:21,039

and the format of the show is

187

00:06:24,790 --> 00:06:23,520

that really my opinion counts as much as

188

00:06:27,350 --> 00:06:24,800

anybody else's or as

189

00:06:29,189 --> 00:06:27,360

little as anybody else's um you know

190

00:06:31,110 --> 00:06:29,199

there are certain cases

191

00:06:32,550 --> 00:06:31,120

uh we're being interviewed and say what

192

00:06:33,430 --> 00:06:32,560

do you know about this what do you think

193

00:06:35,110 --> 00:06:33,440

about this

194

00:06:37,350 --> 00:06:35,120

um have you got additional evidence

195

00:06:38,070 --> 00:06:37,360

about this and we yeah we talking on on

196

00:06:40,070 --> 00:06:38,080

camera

197

00:06:41,430 --> 00:06:40,080

and and kind of like you know certain

198

00:06:43,189 --> 00:06:41,440

stuff gets retained and other

199

00:06:45,590 --> 00:06:43,199

things end up on the cutting floor of

200

00:06:47,830 --> 00:06:45,600

course but there is no such thing as

201
00:06:50,309 --> 00:06:47,840
kind of like saying um you know what is

202
00:06:52,150 --> 00:06:50,319
the best evidence or or what is

203
00:06:53,830 --> 00:06:52,160
or what do you think the best evidence

204
00:06:55,589 --> 00:06:53,840
is everything is treated of equal

205
00:06:56,550 --> 00:06:55,599
importance within those 12-minute

206
00:06:58,950 --> 00:06:56,560
segments

207
00:07:01,510 --> 00:06:58,960
so the book allows you to kind of create

208
00:07:05,350 --> 00:07:01,520
a landscape which is less flat than that

209
00:07:08,950 --> 00:07:05,360
um and also to go beyond it and also to

210
00:07:10,550 --> 00:07:08,960
to to weave it in um you know

211
00:07:12,950 --> 00:07:10,560
an episode of ancient aliens will say

212
00:07:16,070 --> 00:07:12,960
okay this week we tackle whatever

213
00:07:18,230 --> 00:07:16,080

um i can kind of go you know in the book

214

00:07:20,629 --> 00:07:18,240

i can make a chapter as long as i want

215

00:07:21,670 --> 00:07:20,639

it's sort of so to speak covering three

216

00:07:24,469 --> 00:07:21,680

weeks of what

217

00:07:25,430 --> 00:07:24,479

we take on television to right to do um

218

00:07:29,350 --> 00:07:25,440

so

219

00:07:30,390 --> 00:07:29,360

then at the final bit you know i didn't

220

00:07:32,070 --> 00:07:30,400

want to be

221

00:07:33,510 --> 00:07:32,080

preaching i wanted to present an

222

00:07:36,390 --> 00:07:33,520

overview and also a bit of

223

00:07:36,790 --> 00:07:36,400

of kind like where are we um how is it

224

00:07:39,270 --> 00:07:36,800

that

225

00:07:40,390 --> 00:07:39,280

eric von danican in 1968 posed this

226

00:07:43,350 --> 00:07:40,400

question

227

00:07:44,230 --> 00:07:43,360

and why don't we have an answer why is

228

00:07:46,469 --> 00:07:44,240

science

229

00:07:48,309 --> 00:07:46,479

uh not to a point where we are able to

230

00:07:51,029 --> 00:07:48,319

answer this question and why

231

00:07:52,469 --> 00:07:51,039

are you know as a tv show says ancient

232

00:07:54,629 --> 00:07:52,479

alien theorists

233

00:07:56,469 --> 00:07:54,639

i'm not able to to come up with a

234

00:07:57,510 --> 00:07:56,479

convincing argument and i cannot point

235

00:07:59,510 --> 00:07:57,520

out in the book

236

00:08:00,950 --> 00:07:59,520

as to why that is and how it has come

237

00:08:03,110 --> 00:08:00,960

about and and

238

00:08:04,309 --> 00:08:03,120

suggest you know maybe a way forward

239

00:08:06,710 --> 00:08:04,319

which might

240

00:08:08,390 --> 00:08:06,720

break a bit of this paradigm and you

241

00:08:11,670 --> 00:08:08,400

know there are some signs

242

00:08:12,869 --> 00:08:11,680

um that some people in some corners of

243

00:08:15,589 --> 00:08:12,879

the academic world

244

00:08:16,550 --> 00:08:15,599

begin to realize that that there might

245

00:08:19,909 --> 00:08:16,560

be

246

00:08:22,550 --> 00:08:19,919

a need for a new wave of of kind of like

247

00:08:24,710 --> 00:08:22,560

approaching this but they're it's going

248

00:08:27,830 --> 00:08:24,720

to take an awful long time for them to

249

00:08:30,150 --> 00:08:27,840

to really come around to that and so um

250

00:08:30,869 --> 00:08:30,160

you know and then also what i kind of

251

00:08:35,670 --> 00:08:30,879

like

252

00:08:38,149 --> 00:08:35,680

the fact that

253

00:08:39,269 --> 00:08:38,159

certain people just keep putting the the

254

00:08:41,670 --> 00:08:39,279

burden of evidence

255

00:08:43,029 --> 00:08:41,680

the level of proof required ever higher

256

00:08:44,149 --> 00:08:43,039

like you know you can answer every

257

00:08:46,150 --> 00:08:44,159

question they have

258

00:08:48,389 --> 00:08:46,160

but they will come up with another one

259

00:08:50,550 --> 00:08:48,399

just so that they don't have to accept

260

00:08:52,230 --> 00:08:50,560

kind like what the topic of debate was

261

00:08:54,150 --> 00:08:52,240

yeah um

262

00:08:55,670 --> 00:08:54,160

yeah or they'll kind of say like oh well

263

00:08:57,430 --> 00:08:55,680

that's all perfectly true

264

00:08:59,110 --> 00:08:57,440

but what if it weren't aliens what if

265

00:09:00,630 --> 00:08:59,120

they were time travelers from the future

266

00:09:03,110 --> 00:09:00,640

and that's kind of like my sign off

267

00:09:04,949 --> 00:09:03,120

point of view and that's your theory

268

00:09:06,949 --> 00:09:04,959

so kind of like let's start debating

269

00:09:08,470 --> 00:09:06,959

your theory now

270

00:09:10,870 --> 00:09:08,480

well it's a damn fine point that you

271

00:09:12,310 --> 00:09:10,880

make about the tendency for skeptics to

272

00:09:13,829 --> 00:09:12,320

keep raising the bar for evidence and

273

00:09:15,350 --> 00:09:13,839

it's funny a little ironic

274

00:09:17,269 --> 00:09:15,360

your book sort of had the opposite

275

00:09:18,949 --> 00:09:17,279

effect for me and that i have been

276

00:09:20,949 --> 00:09:18,959

convinced but a couple of talking points

277

00:09:22,710 --> 00:09:20,959

i've been using to support the theory

278

00:09:25,110 --> 00:09:22,720

you dismiss is essentially [h__\h]

279

00:09:27,910 --> 00:09:25,120

hoaxes and these two points i'm

280

00:09:29,670 --> 00:09:27,920

referring to are the insanely popular

281

00:09:31,190 --> 00:09:29,680

zechariah stitching translations that

282

00:09:32,870 --> 00:09:31,200

are apparently very inaccurate

283

00:09:34,470 --> 00:09:32,880

and the fact that the man who spread the

284

00:09:36,350 --> 00:09:34,480

mystery of the dogon tribe's

285

00:09:38,310 --> 00:09:36,360

advanced star knowledge seems to have

286

00:09:39,110 --> 00:09:38,320

sensationalized what they really told

287

00:09:41,110 --> 00:09:39,120

them

288

00:09:42,630 --> 00:09:41,120

and so i've promptly removed these two

289

00:09:44,470 --> 00:09:42,640

arguments from my rolodex

290

00:09:46,230 --> 00:09:44,480

but let me have you tell the people why

291

00:09:46,630 --> 00:09:46,240

they should probably stop using these

292

00:09:48,550 --> 00:09:46,640

two

293

00:09:49,990 --> 00:09:48,560

popular talking points in their

294

00:09:52,230 --> 00:09:50,000

arguments as well

295

00:09:53,750 --> 00:09:52,240

well i mean you know the dogan thing is

296

00:09:56,790 --> 00:09:53,760

is something which was

297

00:09:58,710 --> 00:09:56,800

of interest for a while um you know this

298

00:10:01,590 --> 00:09:58,720

tribe definitely is very interesting and

299

00:10:04,150 --> 00:10:01,600

their star lore is extremely interesting

300

00:10:05,750 --> 00:10:04,160

um but basically the basic thing is this

301
00:10:07,670 --> 00:10:05,760
this mysterious star

302
00:10:09,030 --> 00:10:07,680
which robert temple then identifies as

303
00:10:11,430 --> 00:10:09,040
sirius b

304
00:10:13,430 --> 00:10:11,440
um you know is is a is a star which is

305
00:10:15,590 --> 00:10:13,440
invisible to the naked eye

306
00:10:16,470 --> 00:10:15,600
and the dough will make it very clear

307
00:10:19,990 --> 00:10:16,480
that the star

308
00:10:21,829 --> 00:10:20,000
is visible to the naked eye but

309
00:10:23,590 --> 00:10:21,839
very difficult visible and the very

310
00:10:26,310 --> 00:10:23,600
difficult visibility

311
00:10:28,389 --> 00:10:26,320
is because it is close to the horizon

312
00:10:31,590 --> 00:10:28,399
and therefore it's it's very

313
00:10:32,870 --> 00:10:31,600

hard to to to see because you know

314

00:10:33,350 --> 00:10:32,880

you've got the glare of the earth and

315

00:10:36,949 --> 00:10:33,360

and

316

00:10:38,710 --> 00:10:36,959

various other things so um

317

00:10:39,990 --> 00:10:38,720

that is the reason why why this star is

318

00:10:43,269 --> 00:10:40,000

mysterious oh sorry

319

00:10:45,590 --> 00:10:43,279

hard to see and and temple um

320

00:10:47,269 --> 00:10:45,600

who otherwise respect but in this case

321

00:10:50,230 --> 00:10:47,279

completely disagree with

322

00:10:51,829 --> 00:10:50,240

um basically um makes it into a star

323

00:10:52,310 --> 00:10:51,839

which is invisible to the naked eye and

324

00:10:56,550 --> 00:10:52,320

says

325

00:10:57,990 --> 00:10:56,560

invisible so how did they see it

326
00:10:59,590 --> 00:10:58,000
they must have had some form of high

327
00:11:03,110 --> 00:10:59,600
technology it's kind of like

328
00:11:04,630 --> 00:11:03,120
it's they say that it is visible so if

329
00:11:05,430 --> 00:11:04,640
you're identifying a star which is

330
00:11:08,230 --> 00:11:05,440
invisible

331
00:11:08,710 --> 00:11:08,240
it's probably not that star um and there

332
00:11:10,310 --> 00:11:08,720
are other

333
00:11:12,389 --> 00:11:10,320
you know aspects to this but that's kind

334
00:11:14,949 --> 00:11:12,399
of like in a in a 30-second

335
00:11:17,190 --> 00:11:14,959
kind of like uh synopsis of kind like

336
00:11:20,150 --> 00:11:17,200
the argument against the dogon thing

337
00:11:21,990 --> 00:11:20,160
um the the thing about sitchin is is

338
00:11:23,430 --> 00:11:22,000

that sitchin has been something of a

339

00:11:26,550 --> 00:11:23,440

sleeping monster

340

00:11:30,069 --> 00:11:26,560

the fact that sitchin was

341

00:11:32,550 --> 00:11:30,079

who probably

342

00:11:34,230 --> 00:11:32,560

um sort of invented an awful lot of his

343

00:11:37,829 --> 00:11:34,240

things was well known

344

00:11:40,470 --> 00:11:37,839

within the ancient astronaut field

345

00:11:42,069 --> 00:11:40,480

whenever people were commenting or

346

00:11:43,829 --> 00:11:42,079

asking questions kind of like you know

347

00:11:45,590 --> 00:11:43,839

what do you think of zechariah sitchin

348

00:11:47,750 --> 00:11:45,600

um there was quite often kind of like

349

00:11:48,870 --> 00:11:47,760

silence or somebody trying to sidestep

350

00:11:52,150 --> 00:11:48,880

the issue

351
00:11:54,550 --> 00:11:52,160
and at the same time you have people who

352
00:11:55,269 --> 00:11:54,560
are absolutely convinced of of what he's

353
00:11:58,629 --> 00:11:55,279
saying

354
00:12:01,590 --> 00:11:58,639
um the the problem is this there

355
00:12:02,550 --> 00:12:01,600
it's twofold one it starts with a very

356
00:12:05,829 --> 00:12:02,560
simple thing

357
00:12:07,990 --> 00:12:05,839
um he believes sitchin believes that he

358
00:12:09,509 --> 00:12:08,000
was able to correctly translate certain

359
00:12:11,509 --> 00:12:09,519
words which in his opinion

360
00:12:13,509 --> 00:12:11,519
every other sumerian expert had

361
00:12:16,710 --> 00:12:13,519
completely mistranslated

362
00:12:18,790 --> 00:12:16,720
the most famous words was moo which he

363
00:12:20,470 --> 00:12:18,800

you know basically said was spaceship

364

00:12:22,870 --> 00:12:20,480

starship something which would go from

365

00:12:25,910 --> 00:12:22,880

here into outer space

366

00:12:27,269 --> 00:12:25,920

when the experts asked him where do you

367

00:12:29,670 --> 00:12:27,279

get this from

368

00:12:30,710 --> 00:12:29,680

where on what do you on what do you base

369

00:12:33,829 --> 00:12:30,720

this

370

00:12:35,910 --> 00:12:33,839

he for a period of about 30 years

371

00:12:37,750 --> 00:12:35,920

remained completely silent and ever

372

00:12:40,550 --> 00:12:37,760

deemed himself to reply

373

00:12:42,389 --> 00:12:40,560

to any of these people that is not a

374

00:12:43,829 --> 00:12:42,399

problem the problem is that after a

375

00:12:46,150 --> 00:12:43,839

while they began to get

376

00:12:47,430 --> 00:12:46,160

a bit upset with this man who basically

377

00:12:49,190 --> 00:12:47,440

you know refused

378

00:12:50,790 --> 00:12:49,200

who it's kind of like the guy who's

379

00:12:54,069 --> 00:12:50,800

constantly calling you

380

00:12:55,030 --> 00:12:54,079

um stupid and wrong and when you say

381

00:12:57,670 --> 00:12:55,040

like

382

00:12:58,949 --> 00:12:57,680

but please tell us why we are right and

383

00:13:00,790 --> 00:12:58,959

he kind of keeps saying because you're

384

00:13:02,310 --> 00:13:00,800

stupid and you're wrong

385

00:13:04,629 --> 00:13:02,320

and it's kind of and after a while you

386

00:13:06,389 --> 00:13:04,639

kind of begin like okay but why

387

00:13:08,790 --> 00:13:06,399

yeah and you can't just stonewall

388

00:13:10,629 --> 00:13:08,800

jackson everybody no and so it came to

389

00:13:12,629 --> 00:13:10,639

and it came to the point that basically

390

00:13:14,230 --> 00:13:12,639

they said okay enough is enough

391

00:13:16,310 --> 00:13:14,240

um and they asked him another question

392

00:13:17,110 --> 00:13:16,320

they basically said okay so you're

393

00:13:20,310 --> 00:13:17,120

telling us that

394

00:13:23,990 --> 00:13:20,320

we've mistranslated ancient sumerian but

395

00:13:27,750 --> 00:13:24,000

mr sitchin um we

396

00:13:30,389 --> 00:13:27,760

know and we use uh sumerian lexicon

397

00:13:32,069 --> 00:13:30,399

which is still a stand it sits on a wall

398

00:13:35,590 --> 00:13:32,079

and on that wall we read

399

00:13:36,230 --> 00:13:35,600

in ancient sumerian mu and they defined

400

00:13:38,470 --> 00:13:36,240

this

401
00:13:39,910 --> 00:13:38,480
as blah blah blah you know i mean not

402
00:13:42,949 --> 00:13:39,920
going to do the entire explanation

403
00:13:46,949 --> 00:13:42,959
but basically sky or heaven

404
00:13:50,310 --> 00:13:46,959
um so you're actually saying mr sitchin

405
00:13:52,310 --> 00:13:50,320
that the ancient sumerians said

406
00:13:53,990 --> 00:13:52,320
that the word mu men's spaceship but

407
00:13:57,269 --> 00:13:54,000
then they write on a wall

408
00:13:59,509 --> 00:13:57,279
that it means heaven or sky

409
00:14:00,389 --> 00:13:59,519
how could you explain that difference of

410
00:14:02,230 --> 00:14:00,399
about uh

411
00:14:03,590 --> 00:14:02,240
why the ancient sumerians would define a

412
00:14:07,189 --> 00:14:03,600
word twice

413
00:14:09,110 --> 00:14:07,199

completely differently to which sitchin

414

00:14:10,790 --> 00:14:09,120

for the next 20 years didn't say

415

00:14:12,150 --> 00:14:10,800

anything about i mean there are several

416

00:14:15,350 --> 00:14:12,160

examples of this but like

417

00:14:16,069 --> 00:14:15,360

really what hit me extremely the wrong

418

00:14:19,590 --> 00:14:16,079

way

419

00:14:20,629 --> 00:14:19,600

um is that i was looking for the best

420

00:14:23,829 --> 00:14:20,639

evidence

421

00:14:25,030 --> 00:14:23,839

of um an ancient alien presence and or

422

00:14:27,189 --> 00:14:25,040

intervention

423

00:14:28,389 --> 00:14:27,199

in in our human history and one of the

424

00:14:30,310 --> 00:14:28,399

things which

425

00:14:31,670 --> 00:14:30,320

people have pushed forward and sitchin

426

00:14:34,069 --> 00:14:31,680

used in some of his books

427

00:14:35,110 --> 00:14:34,079

was the fact that the senate desert of

428

00:14:38,870 --> 00:14:35,120

you know in between

429

00:14:40,710 --> 00:14:38,880

uh israel and egypt there are tiny glass

430

00:14:43,829 --> 00:14:40,720

beats where you can really see

431

00:14:46,389 --> 00:14:43,839

that sand has been exposed to a

432

00:14:48,389 --> 00:14:46,399

very high temperature whereby the sand

433

00:14:53,350 --> 00:14:48,399

turned into glass

434

00:14:56,790 --> 00:14:53,360

and he in i think 1989

435

00:14:58,550 --> 00:14:56,800

19 1991 wrote a book which basically

436

00:14:59,990 --> 00:14:58,560

updated some of his things and he said

437

00:15:01,030 --> 00:15:00,000

like oh by the way there is this

438

00:15:03,990 --> 00:15:01,040

professor

439

00:15:05,430 --> 00:15:04,000

there is a scientific report now which

440

00:15:07,430 --> 00:15:05,440

basically says that they have looked

441

00:15:10,949 --> 00:15:07,440

into these beads and the scientific

442

00:15:13,269 --> 00:15:10,959

paper says that there is no known

443

00:15:14,069 --> 00:15:13,279

means of how these glass beads could

444

00:15:17,670 --> 00:15:14,079

have been

445

00:15:18,230 --> 00:15:17,680

created so as a result of that i would

446

00:15:20,470 --> 00:15:18,240

say

447

00:15:22,470 --> 00:15:20,480

that if everything else has been taken

448

00:15:23,990 --> 00:15:22,480

out of the equation the only thing which

449

00:15:25,509 --> 00:15:24,000

still remains is the fact that this is

450

00:15:29,189 --> 00:15:25,519

indeed evidence of an ancient

451
00:15:31,350 --> 00:15:29,199
atomic warfare at which moment in time

452
00:15:33,110 --> 00:15:31,360
i kind of thought okay now he wrote this

453
00:15:35,590 --> 00:15:33,120
before google

454
00:15:36,870 --> 00:15:35,600
and um he doesn't he he hardly ever

455
00:15:39,189 --> 00:15:36,880
footnoted or sourced

456
00:15:40,389 --> 00:15:39,199
something um now i'm not one of those

457
00:15:41,430 --> 00:15:40,399
people who believes that you have to

458
00:15:43,269 --> 00:15:41,440
source everything

459
00:15:44,790 --> 00:15:43,279
but kind of like sometimes a big claim

460
00:15:46,949 --> 00:15:44,800
like this you really want to

461
00:15:47,990 --> 00:15:46,959
you kind of you want to stir your your

462
00:15:51,509 --> 00:15:48,000
readers to

463
00:15:53,189 --> 00:15:51,519

to this evidence um so

464

00:15:54,710 --> 00:15:53,199

you know in the time of google really

465

00:15:55,590 --> 00:15:54,720

all you have to do is put in certain

466

00:15:58,629 --> 00:15:55,600

keywords like

467

00:16:01,110 --> 00:15:58,639

cine desert egypt glassbeats

468

00:16:02,310 --> 00:16:01,120

um and kind of like you know google

469

00:16:06,150 --> 00:16:02,320

starts building out

470

00:16:08,389 --> 00:16:06,160

things and in the top 10 was

471

00:16:09,670 --> 00:16:08,399

a paper which actually was freely

472

00:16:12,150 --> 00:16:09,680

available on the internet

473

00:16:12,949 --> 00:16:12,160

i downloaded it started reading this the

474

00:16:18,230 --> 00:16:12,959

the

475

00:16:19,749 --> 00:16:18,240

realized that this was what sitchin was

476
00:16:20,389 --> 00:16:19,759
talking about went back to the sitchin

477
00:16:22,310 --> 00:16:20,399
book

478
00:16:25,110 --> 00:16:22,320
saw that he had actually listed this

479
00:16:27,430 --> 00:16:25,120
article in his bibliography

480
00:16:29,189 --> 00:16:27,440
um so clearly it was the one he was

481
00:16:30,310 --> 00:16:29,199
referring to and i read the synopsis and

482
00:16:33,269 --> 00:16:30,320
i find

483
00:16:34,470 --> 00:16:33,279
that sitchin you know has this

484
00:16:38,230 --> 00:16:34,480
completely wrong

485
00:16:40,949 --> 00:16:38,240
the scientific paper says the

486
00:16:42,069 --> 00:16:40,959
glass beads in the sinead desert come

487
00:16:45,670 --> 00:16:42,079
from a volcanic

488
00:16:47,910 --> 00:16:45,680

eruption the only doubt which remained

489

00:16:49,910 --> 00:16:47,920

within the group of people

490

00:16:51,430 --> 00:16:49,920

who had done this analysis they had even

491

00:16:52,389 --> 00:16:51,440

identified which volcano it was it's

492

00:16:53,990 --> 00:16:52,399

santorini

493

00:16:55,910 --> 00:16:54,000

the only thing they hadn't been able to

494

00:16:58,870 --> 00:16:55,920

identify so far

495

00:17:00,069 --> 00:16:58,880

was which eruption because within that

496

00:17:01,829 --> 00:17:00,079

there were three

497

00:17:03,430 --> 00:17:01,839

quick well not quick behind each other

498

00:17:05,110 --> 00:17:03,440

but relatively quick behind each other

499

00:17:07,350 --> 00:17:05,120

eruptions of this volcano

500

00:17:08,390 --> 00:17:07,360

and they couldn't tell at that moment in

501
00:17:10,630 --> 00:17:08,400
time

502
00:17:12,710 --> 00:17:10,640
from which specific eruption of those

503
00:17:15,990 --> 00:17:12,720
three it had originated

504
00:17:16,470 --> 00:17:16,000
which sitchin had made into they don't

505
00:17:19,029 --> 00:17:16,480
know

506
00:17:20,949 --> 00:17:19,039
what the origins of these glass beads

507
00:17:22,630 --> 00:17:20,959
are no the scientific paper in its

508
00:17:25,750 --> 00:17:22,640
synopsis clearly states

509
00:17:28,630 --> 00:17:25,760
a volcanic eruption namely terra

510
00:17:30,070 --> 00:17:28,640
also known as santorini in in the um

511
00:17:31,430 --> 00:17:30,080
mediterranean sea

512
00:17:33,430 --> 00:17:31,440
now you know there are only two

513
00:17:34,390 --> 00:17:33,440

possibilities here either sichuan can't

514

00:17:37,909 --> 00:17:34,400

read

515

00:17:41,110 --> 00:17:37,919

and he's stupid or he um

516

00:17:44,470 --> 00:17:41,120

basically you know read it and

517

00:17:45,430 --> 00:17:44,480

faked his conclusion because he wanted

518

00:17:47,110 --> 00:17:45,440

to suit it

519

00:17:49,270 --> 00:17:47,120

um you know i will give everybody the

520

00:17:52,150 --> 00:17:49,280

benefit of that i can't prove the second

521

00:17:53,270 --> 00:17:52,160

um aspect but other people are

522

00:17:55,270 --> 00:17:53,280

definitely

523

00:17:56,549 --> 00:17:55,280

um you know as a result of the ancient

524

00:17:57,430 --> 00:17:56,559

alien question i actually was asked to

525

00:18:00,070 --> 00:17:57,440

write a forward for

526

00:18:01,510 --> 00:18:00,080

another book um and that person

527

00:18:03,510 --> 00:18:01,520

basically had a

528

00:18:04,950 --> 00:18:03,520

had another exposition of of kind of

529

00:18:07,909 --> 00:18:04,960

like what sitchin

530

00:18:08,630 --> 00:18:07,919

had been um misconstruing to kind of

531

00:18:10,390 --> 00:18:08,640

like you know

532

00:18:13,190 --> 00:18:10,400

get to a certain point which he wanted

533

00:18:14,549 --> 00:18:13,200

to make the drogon example and sitchin

534

00:18:17,029 --> 00:18:14,559

are definitely not

535

00:18:18,390 --> 00:18:17,039

the the best evidences the best

536

00:18:21,510 --> 00:18:18,400

evidences are really

537

00:18:23,350 --> 00:18:21,520

little stories which hardly anybody has

538

00:18:24,870 --> 00:18:23,360

has spoken of well i was going to say

539

00:18:27,350 --> 00:18:24,880

one of my favorites is the

540

00:18:29,029 --> 00:18:27,360

the dropa and the stone discs i think

541

00:18:30,870 --> 00:18:29,039

that's a fascinating story there's so

542

00:18:31,510 --> 00:18:30,880

many weird little things about the discs

543

00:18:33,909 --> 00:18:31,520

um

544

00:18:36,230 --> 00:18:33,919

tell us about that one well absolutely

545

00:18:36,630 --> 00:18:36,240

you know it's it's an amazing story it's

546

00:18:43,750 --> 00:18:36,640

um

547

00:18:45,029 --> 00:18:43,760

eight decades ago there was an

548

00:18:49,029 --> 00:18:45,039

expedition

549

00:18:52,150 --> 00:18:49,039

into the chinese heartland um small

550

00:18:52,789 --> 00:18:52,160

beings were discovered in a cave next to

551
00:18:55,669 --> 00:18:52,799
them

552
00:18:57,909 --> 00:18:55,679
were stories uh sorry were discs which

553
00:19:00,549 --> 00:18:57,919
had inscriptions now finding these

554
00:19:01,190 --> 00:19:00,559
discs which are so-called bi-discs next

555
00:19:02,870 --> 00:19:01,200
to

556
00:19:04,950 --> 00:19:02,880
people who are buried inside a cave is

557
00:19:07,430 --> 00:19:04,960
nothing spectacular

558
00:19:08,390 --> 00:19:07,440
um what was spectacular about it was

559
00:19:10,390 --> 00:19:08,400
that these

560
00:19:11,909 --> 00:19:10,400
creatures which were lying there were

561
00:19:13,430 --> 00:19:11,919
sort of human and burned

562
00:19:15,430 --> 00:19:13,440
in the sense that they were human but

563
00:19:18,470 --> 00:19:15,440

they didn't look like you or i

564

00:19:20,870 --> 00:19:18,480

they were small their forehead was

565

00:19:23,190 --> 00:19:20,880

extremely thick

566

00:19:25,029 --> 00:19:23,200

their joints were kind of like weird and

567

00:19:26,870 --> 00:19:25,039

it was also clear that this is that this

568

00:19:27,909 --> 00:19:26,880

wasn't one but that this was a group of

569

00:19:30,549 --> 00:19:27,919

people

570

00:19:33,510 --> 00:19:30,559

so nothing was hurt for a little while

571

00:19:36,470 --> 00:19:33,520

and then in 1962

572

00:19:38,070 --> 00:19:36,480

um there basically was a story which

573

00:19:39,510 --> 00:19:38,080

said that a chinese professor had been

574

00:19:42,549 --> 00:19:39,520

able to

575

00:19:44,310 --> 00:19:42,559

identify uh the writing and had been

576

00:19:45,990 --> 00:19:44,320

able to translate it and the translation

577

00:19:49,029 --> 00:19:46,000

basically said that the people

578

00:19:51,990 --> 00:19:49,039

who were buried were descendants from

579

00:19:53,830 --> 00:19:52,000

a group of beings who had crash-landed

580

00:19:55,990 --> 00:19:53,840

in that general vicinity

581

00:19:58,870 --> 00:19:56,000

several thousand years before and that

582

00:20:00,870 --> 00:19:58,880

this explained why they looked so weird

583

00:20:03,110 --> 00:20:00,880

and then the story was reported in a

584

00:20:06,470 --> 00:20:03,120

number of um

585

00:20:10,070 --> 00:20:06,480

newspapers including in germany in 1962

586

00:20:10,870 --> 00:20:10,080

and then in 1970s a guy decides to use

587

00:20:13,510 --> 00:20:10,880

this

588

00:20:14,549 --> 00:20:13,520

um as material for a book which is going

589

00:20:17,750 --> 00:20:14,559

to be fiction

590

00:20:19,830 --> 00:20:17,760

but which he decides in his ingenuity um

591

00:20:20,870 --> 00:20:19,840

he will label non-fiction so that people

592

00:20:23,990 --> 00:20:20,880

will kind of like

593

00:20:26,950 --> 00:20:24,000

buy this kind of fiction um so

594

00:20:28,630 --> 00:20:26,960

he does it um he the book you know kind

595

00:20:31,270 --> 00:20:28,640

of like sells relatively okay

596

00:20:31,830 --> 00:20:31,280

by by no means was the best seller and

597

00:20:37,029 --> 00:20:31,840

he

598

00:20:37,590 --> 00:20:37,039

device which i used to kind of like you

599

00:20:40,950 --> 00:20:37,600

know

600

00:20:42,549 --> 00:20:40,960

um lure you into my world of fiction by

601
00:20:44,149 --> 00:20:42,559
saying it was non-fiction

602
00:20:45,909 --> 00:20:44,159
whereby the entire community both

603
00:20:46,470 --> 00:20:45,919
skeptics and and various other people

604
00:20:48,390 --> 00:20:46,480
said like

605
00:20:50,470 --> 00:20:48,400
oh so there's no truth to this because

606
00:20:52,549 --> 00:20:50,480
you know everything about this thing the

607
00:20:54,549 --> 00:20:52,559
book was called sun gods in exile

608
00:20:56,950 --> 00:20:54,559
um you know it's all invented he all

609
00:20:58,870 --> 00:20:56,960
invented in 1978.

610
00:21:02,149 --> 00:20:58,880
no he didn't he said that he read

611
00:21:03,669 --> 00:21:02,159
newspaper reports from the 1960s um

612
00:21:05,110 --> 00:21:03,679
and then there was an entire debate that

613
00:21:06,549 --> 00:21:05,120

somehow the hoax would have started in

614

00:21:08,390 --> 00:21:06,559

1966

615

00:21:10,470 --> 00:21:08,400

researchers keep digging they have now

616

00:21:13,590 --> 00:21:10,480

found that in 1962

617

00:21:15,990 --> 00:21:13,600

as happened this person you know the

618

00:21:17,510 --> 00:21:16,000

international media did report on that

619

00:21:19,350 --> 00:21:17,520

uh german research called hartwick

620

00:21:20,789 --> 00:21:19,360

hausdorff has found german newspapers

621

00:21:24,470 --> 00:21:20,799

from 1962

622

00:21:25,430 --> 00:21:24,480

clearly showing uh that this story was

623

00:21:29,510 --> 00:21:25,440

in there

624

00:21:32,149 --> 00:21:29,520

um the for a long period of time

625

00:21:33,270 --> 00:21:32,159

there it's kind of people are so kind of

626

00:21:37,350 --> 00:21:33,280

you know sometimes

627

00:21:40,470 --> 00:21:37,360

weird um like they see a name of a guy

628

00:21:42,070 --> 00:21:40,480

and um they kind of go

629

00:21:44,630 --> 00:21:42,080

oh well this isn't you know this this

630

00:21:46,870 --> 00:21:44,640

this can't be a real chinese professor

631

00:21:48,549 --> 00:21:46,880

because he doesn't have a chinese name

632

00:21:50,470 --> 00:21:48,559

dumb argument have you ever heard of

633

00:21:53,830 --> 00:21:50,480

people from a different country

634

00:21:55,590 --> 00:21:53,840

or exactly in uh you know a country and

635

00:21:58,710 --> 00:21:55,600

as it turns out you know this guy was

636

00:22:01,669 --> 00:21:58,720

uh japanese rather than chinese um

637

00:22:03,350 --> 00:22:01,679

so all of these things kind of like you

638

00:22:07,270 --> 00:22:03,360

know but basically at the core

639

00:22:07,669 --> 00:22:07,280

is that in the 1970s uh the same discs

640

00:22:09,590 --> 00:22:07,679

were

641

00:22:11,510 --> 00:22:09,600

photographed in a museum by an i think

642

00:22:15,669 --> 00:22:11,520

an austrian

643

00:22:18,950 --> 00:22:15,679

tourist and then in 1995

644

00:22:19,669 --> 00:22:18,960

sorry 94 hartley hazdorf was one of the

645

00:22:22,470 --> 00:22:19,679

few europe

646

00:22:24,230 --> 00:22:22,480

first year operators who kind of began

647

00:22:25,990 --> 00:22:24,240

to explore china

648

00:22:27,270 --> 00:22:26,000

from a perspective from a tour point of

649

00:22:29,750 --> 00:22:27,280

view and he

650

00:22:30,310 --> 00:22:29,760

loved all of these things he was into it

651
00:22:32,470 --> 00:22:30,320
and so

652
00:22:33,909 --> 00:22:32,480
he made sure that when he was in china

653
00:22:34,870 --> 00:22:33,919
and when he was speaking to these

654
00:22:37,110 --> 00:22:34,880
museums

655
00:22:39,350 --> 00:22:37,120
about kind of getting westerners in

656
00:22:40,070 --> 00:22:39,360
there uh you know as soon as that was

657
00:22:42,230 --> 00:22:40,080
done his last

658
00:22:43,350 --> 00:22:42,240
question of the session would be by the

659
00:22:46,870 --> 00:22:43,360
way

660
00:22:47,830 --> 00:22:46,880
in the 1970s i saw this thing in in a in

661
00:22:51,990 --> 00:22:47,840
a book

662
00:22:54,470 --> 00:22:52,000
um about these discs um in your museum

663
00:22:56,310 --> 00:22:54,480

do you still have them and so this is

664

00:22:57,590 --> 00:22:56,320

how he began to find out that the fate

665

00:22:59,990 --> 00:22:57,600

of these discs

666

00:23:01,510 --> 00:23:00,000

um they they had disappeared but that

667

00:23:02,149 --> 00:23:01,520

pretty much most of the story was

668

00:23:06,070 --> 00:23:02,159

interesting

669

00:23:07,909 --> 00:23:06,080

something which has happened um

670

00:23:10,470 --> 00:23:07,919

a few years ago which is that the

671

00:23:12,310 --> 00:23:10,480

chinese authorities tried to map

672

00:23:13,590 --> 00:23:12,320

all the people of china and god knows

673

00:23:17,029 --> 00:23:13,600

there are an awful lot of them

674

00:23:20,390 --> 00:23:17,039

tons and what was happening was

675

00:23:22,310 --> 00:23:20,400

that in a region there was a group of

676
00:23:24,710 --> 00:23:22,320
people who looked very weird

677
00:23:26,070 --> 00:23:24,720
and they obviously became part of the

678
00:23:29,110 --> 00:23:26,080
census

679
00:23:32,390 --> 00:23:29,120
and the region

680
00:23:34,310 --> 00:23:32,400
is pretty much whereas these discs were

681
00:23:35,430 --> 00:23:34,320
found in caves in the mountains if you

682
00:23:38,230 --> 00:23:35,440
were to go from

683
00:23:40,149 --> 00:23:38,240
that area down to the valley or the

684
00:23:42,070 --> 00:23:40,159
flatlands that is like the area where

685
00:23:43,909 --> 00:23:42,080
these weird people were found and these

686
00:23:46,070 --> 00:23:43,919
weird people looked exactly like

687
00:23:47,269 --> 00:23:46,080
the people who had been found on the

688
00:23:49,750 --> 00:23:47,279

highlands so

689

00:23:51,830 --> 00:23:49,760

they realized that the last few decades

690

00:23:53,269 --> 00:23:51,840

from the 1940s when some photographs of

691

00:23:54,230 --> 00:23:53,279

these were taken the photographs are in

692

00:23:57,750 --> 00:23:54,240

my book

693

00:23:59,269 --> 00:23:57,760

um until recent times the people

694

00:24:00,549 --> 00:23:59,279

or at least some of the people have left

695

00:24:01,430 --> 00:24:00,559

the highlands and are now living in the

696

00:24:04,870 --> 00:24:01,440

lowlands

697

00:24:06,390 --> 00:24:04,880

um they brought their features were

698

00:24:07,190 --> 00:24:06,400

brought to the attention of chinese

699

00:24:08,789 --> 00:24:07,200

experts

700

00:24:10,230 --> 00:24:08,799

we tried to explain it away they

701
00:24:11,669 --> 00:24:10,240
basically said that these people had

702
00:24:13,830 --> 00:24:11,679
been exposed to lead

703
00:24:14,789 --> 00:24:13,840
and that the genetic mutations were due

704
00:24:17,590 --> 00:24:14,799
to lead poisoning

705
00:24:18,070 --> 00:24:17,600
to which other people in china um

706
00:24:19,830 --> 00:24:18,080
basically

707
00:24:21,350 --> 00:24:19,840
said but let poisoning kills that

708
00:24:24,870 --> 00:24:21,360
poisoning doesn't

709
00:24:27,029 --> 00:24:24,880
uh doesn't create genetic mutations so

710
00:24:28,950 --> 00:24:27,039
you know that's where it sits it's up to

711
00:24:29,750 --> 00:24:28,960
the chinese authorities to do something

712
00:24:31,909 --> 00:24:29,760
there

713
00:24:33,669 --> 00:24:31,919

um but it sits in a very interesting

714

00:24:35,510 --> 00:24:33,679

place in the sense that

715

00:24:37,029 --> 00:24:35,520

we know that there are people who look

716

00:24:40,230 --> 00:24:37,039

extremely weird

717

00:24:42,789 --> 00:24:40,240

uh living in china and they have

718

00:24:44,710 --> 00:24:42,799

a history of their own which basically

719

00:24:48,149 --> 00:24:44,720

says that they came from the stars

720

00:24:50,070 --> 00:24:48,159

now they might be wrong but at least

721

00:24:51,830 --> 00:24:50,080

we're in a position to say

722

00:24:54,149 --> 00:24:51,840

um you know these people believe that

723

00:24:57,190 --> 00:24:54,159

and oh my they look weird

724

00:25:00,870 --> 00:24:57,200

david weird has anyone tried

725

00:25:02,470 --> 00:25:00,880

to get a dna test on one like

726

00:25:05,430 --> 00:25:02,480

this could be the evidence this could be

727

00:25:07,430 --> 00:25:05,440

the smoking gun sitting right over there

728

00:25:08,870 --> 00:25:07,440

absolutely now you know the position

729

00:25:09,990 --> 00:25:08,880

obviously is and this is what i say in

730

00:25:12,070 --> 00:25:10,000

the book as well

731

00:25:13,510 --> 00:25:12,080

we're at the moment we're at a point in

732

00:25:16,149 --> 00:25:13,520

time where

733

00:25:17,590 --> 00:25:16,159

to prove certain things we need the

734

00:25:22,470 --> 00:25:17,600

active cooperation

735

00:25:27,110 --> 00:25:25,350

if i or any other any anybody else who

736

00:25:30,310 --> 00:25:27,120

would try to prove or disprove this

737

00:25:32,549 --> 00:25:30,320

theory were to go into china

738

00:25:34,149 --> 00:25:32,559

and they would say why do you want to go

739

00:25:35,990 --> 00:25:34,159

and meet these people

740

00:25:38,149 --> 00:25:36,000

why do you want to you know have their

741

00:25:39,029 --> 00:25:38,159

blood you either tell the truth or you

742

00:25:40,710 --> 00:25:39,039

lie

743

00:25:42,390 --> 00:25:40,720

if you tell the truth and you say well

744

00:25:43,110 --> 00:25:42,400

it's because i want to find out whether

745

00:25:45,750 --> 00:25:43,120

they are of

746

00:25:46,870 --> 00:25:45,760

mexican origins right now any government

747

00:25:50,149 --> 00:25:46,880

including the chinese

748

00:25:53,110 --> 00:25:50,159

will say um yeah maybe but not so

749

00:25:55,190 --> 00:25:53,120

no authorization to do that if you lie

750

00:25:56,950 --> 00:25:55,200

and you say oh i like these people

751

00:25:58,310 --> 00:25:56,960

you know i think they're well we

752

00:25:59,830 --> 00:25:58,320

wouldn't probably say oppressed because

753

00:26:00,710 --> 00:25:59,840

if that were the case then we probably

754

00:26:01,830 --> 00:26:00,720

wouldn't get an either

755

00:26:03,750 --> 00:26:01,840

but kind of you know some kind of

756

00:26:05,510 --> 00:26:03,760

humanitarian thing we want to have some

757

00:26:07,430 --> 00:26:05,520

dna thing because we want to

758

00:26:08,789 --> 00:26:07,440

um and their suffering we want to find

759

00:26:11,830 --> 00:26:08,799

out why they were so

760

00:26:13,669 --> 00:26:11,840

uh mutated

761

00:26:15,430 --> 00:26:13,679

at that moment in time if you do that

762

00:26:16,870 --> 00:26:15,440

and you do the analysis and it comes up

763

00:26:17,830 --> 00:26:16,880

with the fact that they might be of

764

00:26:20,549 --> 00:26:17,840

mixed

765

00:26:22,470 --> 00:26:20,559

human extraterrestrial origin all the

766

00:26:25,430 --> 00:26:22,480

scientists will say

767

00:26:25,909 --> 00:26:25,440

but you went into full pretenses so you

768

00:26:27,350 --> 00:26:25,919

light

769

00:26:29,269 --> 00:26:27,360

so how do we know you're not lying about

770

00:26:33,110 --> 00:26:29,279

the results so

771

00:26:37,029 --> 00:26:33,120

this is why it's it's lose lose

772

00:26:40,230 --> 00:26:37,039

until they are willing to to engage

773

00:26:42,470 --> 00:26:40,240

or are forced to engage um

774

00:26:44,390 --> 00:26:42,480

you know we are in a lose-lose situation

775

00:26:46,789 --> 00:26:44,400

and obviously you know

776

00:26:47,669 --> 00:26:46,799

they love saying this well there is no

777

00:26:49,350 --> 00:26:47,679

evidence for

778

00:26:51,830 --> 00:26:49,360

anything to do with extraterrestrial

779

00:26:53,430 --> 00:26:51,840

beings right now or in the past it's

780

00:26:53,990 --> 00:26:53,440

like no and there's a reason why there

781

00:26:56,310 --> 00:26:54,000

is not

782

00:26:58,470 --> 00:26:56,320

because you're not helping right like

783

00:27:00,710 --> 00:26:58,480

you know if you refuse to do any

784

00:27:02,149 --> 00:27:00,720

research if you refuse to help those who

785

00:27:03,190 --> 00:27:02,159

are doing research there's never going

786

00:27:04,630 --> 00:27:03,200

to be any evidence

787

00:27:07,430 --> 00:27:04,640

and they know it but it's a game they

788

00:27:09,350 --> 00:27:07,440

play well i mean that behavior

789

00:27:10,789 --> 00:27:09,360

on the part of governments kind of leads

790

00:27:12,549 --> 00:27:10,799

me to a question i mean you've clearly

791

00:27:14,789 --> 00:27:12,559

researched the idea of the

792

00:27:16,230 --> 00:27:14,799

grand conspiracy according to david ike

793

00:27:18,149 --> 00:27:16,240

or william brinley

794

00:27:19,750 --> 00:27:18,159

but how much of it do you entertain as a

795

00:27:19,990 --> 00:27:19,760

real possibility and what just seems

796

00:27:21,269 --> 00:27:20,000

like

797

00:27:23,350 --> 00:27:21,279

too far of a stretch because the way

798

00:27:25,430 --> 00:27:23,360

governments act i mean they're kind of

799

00:27:27,750 --> 00:27:25,440

validating ike

800

00:27:28,870 --> 00:27:27,760

well i mean you know governments um you

801
00:27:32,149 --> 00:27:28,880
know hide things

802
00:27:33,029 --> 00:27:32,159
on on a daily basis um and most

803
00:27:36,149 --> 00:27:33,039
politicians

804
00:27:39,269 --> 00:27:36,159
i grew up in belgium and um i

805
00:27:41,430 --> 00:27:39,279
i guess for sins of of whoever my

806
00:27:43,909 --> 00:27:41,440
ancestors i was raised in a

807
00:27:44,789 --> 00:27:43,919
in a family of of politicians and they

808
00:27:46,470 --> 00:27:44,799
were all

809
00:27:48,630 --> 00:27:46,480
quite often from different parties which

810
00:27:51,110 --> 00:27:48,640
meant that you know whoever was in power

811
00:27:51,750 --> 00:27:51,120
um like some member was was close to it

812
00:27:54,230 --> 00:27:51,760
anyway

813
00:27:56,310 --> 00:27:54,240

at one point a party had not been in

814

00:27:58,310 --> 00:27:56,320

power for about 20 years

815

00:28:00,149 --> 00:27:58,320

and this meant that an entire new

816

00:28:02,870 --> 00:28:00,159

generation of politicians

817

00:28:04,149 --> 00:28:02,880

who came into power they had never been

818

00:28:07,190 --> 00:28:04,159

like they were minister of this

819

00:28:09,110 --> 00:28:07,200

and secretary of dead and they had never

820

00:28:10,549 --> 00:28:09,120

been around or or had these positions

821

00:28:13,269 --> 00:28:10,559

themselves and all of a sudden

822

00:28:14,549 --> 00:28:13,279

they were leading this country uh not

823

00:28:18,389 --> 00:28:14,559

this country but belgium

824

00:28:22,549 --> 00:28:18,399

and um they they basically

825

00:28:25,909 --> 00:28:22,559

after a few months said like every day

826

00:28:28,310 --> 00:28:25,919

we have to cover up things for

827

00:28:29,590 --> 00:28:28,320

reasons which don't make sense to us

828

00:28:32,789 --> 00:28:29,600

most of it is

829

00:28:35,990 --> 00:28:32,799

you know not important but it

830

00:28:36,710 --> 00:28:36,000

involves weird weird things in like you

831

00:28:38,950 --> 00:28:36,720

know like

832

00:28:40,470 --> 00:28:38,960

um why are we covering up the fact that

833

00:28:43,510 --> 00:28:40,480

and i'm making one up here

834

00:28:44,470 --> 00:28:43,520

um that the immigration figures or that

835

00:28:46,950 --> 00:28:44,480

this guy

836

00:28:48,630 --> 00:28:46,960

went through there and it's like oh well

837

00:28:49,669 --> 00:28:48,640

you know you have to realize that it is

838

00:28:52,549 --> 00:28:49,679

because of this thing

839

00:28:53,990 --> 00:28:52,559

and he kind of said i hate it i hate

840

00:28:56,789 --> 00:28:54,000

doing this

841

00:28:58,630 --> 00:28:56,799

it's not why i was elected but it is

842

00:29:00,149 --> 00:28:58,640

within governments governments cover up

843

00:29:00,789 --> 00:29:00,159

and most of the time they cover up

844

00:29:02,230 --> 00:29:00,799

because

845

00:29:04,389 --> 00:29:02,240

whenever something goes wrong and

846

00:29:05,510 --> 00:29:04,399

somebody from the public says um why did

847

00:29:07,830 --> 00:29:05,520

this go wrong

848

00:29:08,630 --> 00:29:07,840

it's traced back to a person in

849

00:29:10,789 --> 00:29:08,640

government

850

00:29:14,230 --> 00:29:10,799

and they don't want that to do so this

851
00:29:16,950 --> 00:29:14,240
is primarily why cover-ups happen

852
00:29:17,510 --> 00:29:16,960
now you know there are other examples

853
00:29:21,669 --> 00:29:17,520
and

854
00:29:24,470 --> 00:29:21,679
a recent one is this um in 1992

855
00:29:25,590 --> 00:29:24,480
lawrence rockefeller decided to brief

856
00:29:27,110 --> 00:29:25,600
the new president

857
00:29:29,029 --> 00:29:27,120
who in the end turned out to be clinton

858
00:29:30,389 --> 00:29:29,039
but when he decided to brief the new

859
00:29:31,190 --> 00:29:30,399
president he had no idea who it was

860
00:29:35,190 --> 00:29:31,200
going to be

861
00:29:37,430 --> 00:29:35,200
not officially and he he asked um

862
00:29:39,430 --> 00:29:37,440
a person cb scott jones to get a

863
00:29:41,190 --> 00:29:39,440

material which would be a good briefing

864

00:29:44,230 --> 00:29:41,200

document for the president

865

00:29:47,430 --> 00:29:44,240

and so clinton walks into office uh

866

00:29:48,389 --> 00:29:47,440

and a few days weeks later gets

867

00:29:51,110 --> 00:29:48,399

presented

868

00:29:52,870 --> 00:29:51,120

on a kind of you know private party

869

00:29:54,149 --> 00:29:52,880

which rockefeller organizes but

870

00:29:55,909 --> 00:29:54,159

with his briefing document which

871

00:29:59,909 --> 00:29:55,919

basically says

872

00:30:02,310 --> 00:29:59,919

dear mr clinton you are not in power

873

00:30:03,350 --> 00:30:02,320

there are forces behind you who have

874

00:30:05,029 --> 00:30:03,360

hidden the truth

875

00:30:07,430 --> 00:30:05,039

of this this this and this and this and

876

00:30:10,070 --> 00:30:07,440

this and this away from you

877

00:30:11,590 --> 00:30:10,080

which basically disempowered him uh when

878

00:30:14,070 --> 00:30:11,600

it came to these things

879

00:30:15,830 --> 00:30:14,080

um you know carter had a different

880

00:30:17,750 --> 00:30:15,840

attitude carter basically said like i'm

881

00:30:19,350 --> 00:30:17,760

gonna find out the truth about ufos

882

00:30:22,470 --> 00:30:19,360

and he tried you know there were a

883

00:30:25,590 --> 00:30:22,480

string in the 1970s a string

884

00:30:27,510 --> 00:30:25,600

of um senate hearings congressional uh

885

00:30:31,029 --> 00:30:27,520

committees and all of that stuff

886

00:30:33,029 --> 00:30:31,039

to find out about the death of kennedy

887

00:30:35,590 --> 00:30:33,039

um and ultra minor experiments all of

888

00:30:39,269 --> 00:30:35,600

these things were happening in the 1970s

889

00:30:41,590 --> 00:30:39,279

and you know some of them made progress

890

00:30:43,510 --> 00:30:41,600

some of them didn't go anywhere or most

891

00:30:44,789 --> 00:30:43,520

of them didn't go anywhere near as far

892

00:30:46,470 --> 00:30:44,799

as where they should have gone but they

893

00:30:47,190 --> 00:30:46,480

went somewhere and evidence wasn't

894

00:30:50,070 --> 00:30:47,200

covered

895

00:30:50,710 --> 00:30:50,080

that something was happening it was just

896

00:30:52,389 --> 00:30:50,720

that these

897

00:30:54,470 --> 00:30:52,399

congressional committees and hearing

898

00:30:55,430 --> 00:30:54,480

things were not willing to send people

899

00:30:57,590 --> 00:30:55,440

to jail

900

00:30:58,470 --> 00:30:57,600

or or things like that they were just

901
00:31:00,630 --> 00:30:58,480
kind of like going

902
00:31:01,909 --> 00:31:00,640
we'll expose all of these things and as

903
00:31:05,509 --> 00:31:01,919
a result of that

904
00:31:07,029 --> 00:31:05,519
um you know it'll never happen again um

905
00:31:08,549 --> 00:31:07,039
and and that was kind of like their

906
00:31:10,870 --> 00:31:08,559
attitude and you know

907
00:31:12,070 --> 00:31:10,880
it's it's probably fall short of what

908
00:31:13,430 --> 00:31:12,080
they were supposed to be doing but at

909
00:31:17,430 --> 00:31:13,440
least they did something

910
00:31:18,950 --> 00:31:17,440
um but um clinton and various people

911
00:31:20,630 --> 00:31:18,960
kind of like you know even in the early

912
00:31:22,389 --> 00:31:20,640
days of the obama administration there

913
00:31:24,870 --> 00:31:22,399

were some clintonites in there

914

00:31:27,350 --> 00:31:24,880

and people who were absolutely convinced

915

00:31:29,509 --> 00:31:27,360

that the x-files were real

916

00:31:31,269 --> 00:31:29,519

but they also believed that they were

917

00:31:32,149 --> 00:31:31,279

not pulling the strings that there were

918

00:31:33,909 --> 00:31:32,159

forces behind

919

00:31:35,669 --> 00:31:33,919

them who were doing these things for

920

00:31:37,990 --> 00:31:35,679

them and there is no evidence for this

921

00:31:41,190 --> 00:31:38,000

but it disempowered these people

922

00:31:45,430 --> 00:31:41,200

um and you know that is a sad thing when

923

00:31:48,389 --> 00:31:45,440

um a president thinks or is briefed

924

00:31:50,310 --> 00:31:48,399

by people who mean well but actually end

925

00:31:52,870 --> 00:31:50,320

up doing an awful lot of damage

926
00:31:55,350 --> 00:31:52,880
right um you know the briefing of a new

927
00:31:57,669 --> 00:31:55,360
president who's green behind his ears

928
00:31:59,269 --> 00:31:57,679
should not be mr president there's a

929
00:31:59,990 --> 00:31:59,279
secret out there and he will never find

930
00:32:01,509 --> 00:32:00,000
a secret

931
00:32:04,070 --> 00:32:01,519
because that president then will go like

932
00:32:06,070 --> 00:32:04,080
okay i'm glad i know

933
00:32:07,830 --> 00:32:06,080
and and that is the problem and that is

934
00:32:09,830 --> 00:32:07,840
um you know something

935
00:32:10,950 --> 00:32:09,840
which i hate about the the conspiracy

936
00:32:14,950 --> 00:32:10,960
field in general

937
00:32:16,630 --> 00:32:14,960
it disempowers you it basically says um

938
00:32:18,710 --> 00:32:16,640

you can't do anything about this

939

00:32:21,830 --> 00:32:18,720

tomorrow you can go

940

00:32:23,350 --> 00:32:21,840

and you know go into washington and you

941

00:32:25,509 --> 00:32:23,360

can try and change it

942

00:32:26,789 --> 00:32:25,519

but it won't matter because there are

943

00:32:29,830 --> 00:32:26,799

forces out there

944

00:32:31,669 --> 00:32:29,840

they are out there and um it's so

945

00:32:34,789 --> 00:32:31,679

disempowering and it's so

946

00:32:36,710 --> 00:32:34,799

not true egypt has proven

947

00:32:37,830 --> 00:32:36,720

that you know you can bring about very

948

00:32:40,230 --> 00:32:37,840

quick change

949

00:32:42,470 --> 00:32:40,240

um through you know a few people who

950

00:32:44,549 --> 00:32:42,480

going to sit peacefully

951

00:32:45,750 --> 00:32:44,559

in a square the belgian revolution in

952

00:32:48,789 --> 00:32:45,760

1830

953

00:32:49,750 --> 00:32:48,799

happened when about 500 people went to a

954

00:32:52,789 --> 00:32:49,760

play

955

00:32:56,549 --> 00:32:52,799

and said enough of this dutch dominance

956

00:32:58,950 --> 00:32:56,559

we want to be free the 250 people

957

00:32:59,830 --> 00:32:58,960

out of that party ran out in the streets

958

00:33:03,350 --> 00:32:59,840

of brussels

959

00:33:06,870 --> 00:33:03,360

and said you know the two words go away

960

00:33:10,149 --> 00:33:06,880

and um by morning pretty much

961

00:33:13,110 --> 00:33:10,159

belgium was independent the

962

00:33:15,110 --> 00:33:13,120

um you know during the um during the

963

00:33:17,029 --> 00:33:15,120

iraq invasion

964

00:33:19,669 --> 00:33:17,039

two million people walked the streets of

965

00:33:21,669 --> 00:33:19,679

london in protest

966

00:33:23,110 --> 00:33:21,679

if any of those two million people had

967

00:33:26,789 --> 00:33:23,120

decided

968

00:33:29,590 --> 00:33:26,799

actually we can occupy this

969

00:33:30,950 --> 00:33:29,600

london situation and tony blair will be

970

00:33:33,190 --> 00:33:30,960

no more

971

00:33:33,990 --> 00:33:33,200

it would have been a revolution but you

972

00:33:36,870 --> 00:33:34,000

see

973

00:33:37,269 --> 00:33:36,880

right now the people are still afraid of

974

00:33:40,549 --> 00:33:37,279

uh

975

00:33:41,990 --> 00:33:40,559

the people in power and the conspiracy

976
00:33:45,190 --> 00:33:42,000
theorists

977
00:33:45,909 --> 00:33:45,200
maintain that balance however much david

978
00:33:48,470 --> 00:33:45,919
ike says

979
00:33:50,310 --> 00:33:48,480
you need to break free you need to start

980
00:33:51,990 --> 00:33:50,320
doing this thing

981
00:33:54,310 --> 00:33:52,000
it's like no you're not telling them

982
00:33:55,590 --> 00:33:54,320
that you know you're making them afraid

983
00:33:57,110 --> 00:33:55,600
and you're making sure that they will

984
00:33:59,669 --> 00:33:57,120
stay in that corner

985
00:34:01,029 --> 00:33:59,679
yeah i mean those are fair points phil

986
00:34:01,830 --> 00:34:01,039
but you could also just say we've won a

987
00:34:03,990 --> 00:34:01,840
few battles

988
00:34:06,070 --> 00:34:04,000

um though i do agree that the conspiracy

989

00:34:07,909 --> 00:34:06,080

angle has a tendency to

990

00:34:09,349 --> 00:34:07,919

maybe quell rebellious actions because

991

00:34:11,349 --> 00:34:09,359

it seems pointless to go up

992

00:34:12,710 --> 00:34:11,359

against such a dominant enemy there's

993

00:34:14,149 --> 00:34:12,720

also the problem with the savior

994

00:34:17,190 --> 00:34:14,159

psychology you know

995

00:34:19,270 --> 00:34:17,200

uh the idea that the good guys got my

996

00:34:20,389 --> 00:34:19,280

back i mean i'm being screwed but i just

997

00:34:21,349 --> 00:34:20,399

have to wait it out because they're

998

00:34:23,909 --> 00:34:21,359

working for me

999

00:34:25,669 --> 00:34:23,919

on that uh covert power struggle against

1000

00:34:28,149 --> 00:34:25,679

the elite behind the scenes and

1001
00:34:30,069 --> 00:34:28,159
man i hope they win and to bring this

1002
00:34:30,389 --> 00:34:30,079
[h__\h] back around the same psychology

1003
00:34:32,710 --> 00:34:30,399
can

1004
00:34:34,470 --> 00:34:32,720
[h__\h] the drive to study the mysteries

1005
00:34:35,589 --> 00:34:34,480
of our origins and the ancient alien

1006
00:34:36,869 --> 00:34:35,599
question by saying

1007
00:34:38,310 --> 00:34:36,879
well i hate the global elite and they're

1008
00:34:39,750 --> 00:34:38,320
[h__\h] up my life but they got the

1009
00:34:40,950 --> 00:34:39,760
wheel and at least they know the real

1010
00:34:42,310 --> 00:34:40,960
story

1011
00:34:43,750 --> 00:34:42,320
i mean even if it's classified and

1012
00:34:45,669 --> 00:34:43,760
hidden from the public at least they

1013
00:34:48,310 --> 00:34:45,679

know our history and i'll take comfort

1014

00:34:51,030 --> 00:34:48,320

in that it's just a mystery to me

1015

00:34:52,310 --> 00:34:51,040

and a scary realization honestly might

1016

00:34:55,669 --> 00:34:52,320

be that nobody knows

1017

00:34:57,270 --> 00:34:55,679

and that it's all been lost exactly you

1018

00:34:59,349 --> 00:34:57,280

know i mean we were having this debate

1019

00:35:00,870 --> 00:34:59,359

um earlier today and like when you have

1020

00:35:03,349 --> 00:35:00,880

children

1021

00:35:04,310 --> 00:35:03,359

you know you they need to know certain

1022

00:35:06,550 --> 00:35:04,320

things one

1023

00:35:07,750 --> 00:35:06,560

that father christmas comes on december

1024

00:35:09,910 --> 00:35:07,760

25th

1025

00:35:10,870 --> 00:35:09,920

that there will be cereal and milk in

1026

00:35:13,030 --> 00:35:10,880

the morning

1027

00:35:16,230 --> 00:35:13,040

and that you will pick them up at school

1028

00:35:17,829 --> 00:35:16,240

um at whenever time your school finishes

1029

00:35:20,150 --> 00:35:17,839

those are kind of like the things the

1030

00:35:23,510 --> 00:35:20,160

child needs it needs to know

1031

00:35:23,990 --> 00:35:23,520

certain things the reason why so many

1032

00:35:26,710 --> 00:35:24,000

people

1033

00:35:27,430 --> 00:35:26,720

are religious even though they don't

1034

00:35:29,750 --> 00:35:27,440

really

1035

00:35:30,950 --> 00:35:29,760

kind of like you know feel that religion

1036

00:35:33,829 --> 00:35:30,960

is is all that

1037

00:35:35,349 --> 00:35:33,839

nice or that religion is kind of there

1038

00:35:37,990 --> 00:35:35,359

is that there is some kind of

1039

00:35:39,589 --> 00:35:38,000

shape or formal framework for their

1040

00:35:43,190 --> 00:35:39,599

belief system

1041

00:35:46,390 --> 00:35:43,200

um you know people um

1042

00:35:48,710 --> 00:35:46,400

i mean like you know i i

1043

00:35:50,390 --> 00:35:48,720

am absolutely in awe and in love with

1044

00:35:52,230 --> 00:35:50,400

what jesus christ wrote

1045

00:35:54,150 --> 00:35:52,240

but i wouldn't call myself a christian

1046

00:35:56,550 --> 00:35:54,160

because i don't go to church

1047

00:35:57,430 --> 00:35:56,560

um i was raised as a catholic but

1048

00:35:59,990 --> 00:35:57,440

basically

1049

00:36:00,790 --> 00:36:00,000

i pretty much um feel abhorred by

1050

00:36:04,069 --> 00:36:00,800

anything

1051

00:36:07,109 --> 00:36:04,079

they do and stand for um and

1052

00:36:10,870 --> 00:36:07,119

so am i a christian in um in

1053

00:36:11,270 --> 00:36:10,880

faith it's kind of like well yeah but i

1054

00:36:13,750 --> 00:36:11,280

don't

1055

00:36:14,790 --> 00:36:13,760

associate with anything of the religions

1056

00:36:19,030 --> 00:36:14,800

and it's because

1057

00:36:21,589 --> 00:36:19,040

um you know i am comfortable

1058

00:36:23,349 --> 00:36:21,599

with the notion that jesus christ was an

1059

00:36:26,069 --> 00:36:23,359

extremely interesting dude

1060

00:36:27,910 --> 00:36:26,079

who said extremely clever things who um

1061

00:36:29,510 --> 00:36:27,920

you know i want to take as an example on

1062

00:36:32,550 --> 00:36:29,520

a daily basis and kind of go

1063

00:36:35,190 --> 00:36:32,560

wow that was deep um

1064

00:36:36,470 --> 00:36:35,200

but this this kind of like you know this

1065

00:36:38,950 --> 00:36:36,480

this thing of like oh

1066

00:36:40,069 --> 00:36:38,960

he's the son of god um and let's

1067

00:36:42,310 --> 00:36:40,079

dogmatically hold

1068

00:36:43,430 --> 00:36:42,320

to that because kind of like you know

1069

00:36:44,870 --> 00:36:43,440

it's it's it's

1070

00:36:47,270 --> 00:36:44,880

true isn't it it's kind of we're all

1071

00:36:50,230 --> 00:36:47,280

children of god um

1072

00:36:51,670 --> 00:36:50,240

and there are other aspects there and

1073

00:36:54,790 --> 00:36:51,680

and yes you know

1074

00:36:55,829 --> 00:36:54,800

um it's this this this classic thing

1075

00:36:58,310 --> 00:36:55,839

it's like you know

1076
00:36:59,430 --> 00:36:58,320
who should we vote for the bad guy or

1077
00:37:02,630 --> 00:36:59,440
the worst guy

1078
00:37:05,109 --> 00:37:02,640
um and and that is a sad situation to

1079
00:37:09,109 --> 00:37:05,119
find ourselves in but it's unfortunately

1080
00:37:10,790 --> 00:37:09,119
uh the truth and i think it europe

1081
00:37:12,310 --> 00:37:10,800
no longer trust politicians they've

1082
00:37:14,150 --> 00:37:12,320
never trusted them uh

1083
00:37:16,230 --> 00:37:14,160
and and all faith in politicians went

1084
00:37:20,790 --> 00:37:16,240
out in the early 1990s

1085
00:37:23,030 --> 00:37:20,800
america kept kept faith in politicians

1086
00:37:24,069 --> 00:37:23,040
um lost it with george bush for obvious

1087
00:37:27,349 --> 00:37:24,079
reasons

1088
00:37:31,430 --> 00:37:27,359

but really um i find that americans

1089

00:37:34,710 --> 00:37:31,440

are especially hurt by um you know obama

1090

00:37:36,470 --> 00:37:34,720

um who basically didn't deliver and

1091

00:37:37,990 --> 00:37:36,480

you know my wife campaigned for obama

1092

00:37:41,349 --> 00:37:38,000

and she kind of goes like

1093

00:37:41,910 --> 00:37:41,359

who is this dude i did too i really did

1094

00:37:44,069 --> 00:37:41,920

too i

1095

00:37:45,990 --> 00:37:44,079

that was the first time that i have ever

1096

00:37:48,790 --> 00:37:46,000

really gotten involved in politics

1097

00:37:50,150 --> 00:37:48,800

and i already have a conspiratorial view

1098

00:37:52,069 --> 00:37:50,160

and i can't believe

1099

00:37:53,829 --> 00:37:52,079

i'm like i'm still kicking myself that i

1100

00:37:55,829 --> 00:37:53,839

got played because i

1101

00:37:57,349 --> 00:37:55,839

and there's people now that i see around

1102

00:38:00,069 --> 00:37:57,359

town that have obama

1103

00:38:01,349 --> 00:38:00,079

20 uh 12 stickers on their card i'm like

1104

00:38:03,510 --> 00:38:01,359

why the hell

1105

00:38:04,470 --> 00:38:03,520

would you put that on your car what did

1106

00:38:06,390 --> 00:38:04,480

he

1107

00:38:07,670 --> 00:38:06,400

promise you four years ago that you were

1108

00:38:09,589 --> 00:38:07,680

all into that

1109

00:38:11,030 --> 00:38:09,599

came through came true you know we're

1110

00:38:11,910 --> 00:38:11,040

still in the wars we're in more than we

1111

00:38:13,910 --> 00:38:11,920

were then

1112

00:38:14,950 --> 00:38:13,920

guantanamo bay is still open the economy

1113

00:38:16,950 --> 00:38:14,960

is [h__h]

1114

00:38:18,710 --> 00:38:16,960

uh you know and and now we have this

1115

00:38:21,670 --> 00:38:18,720

false choice between

1116

00:38:23,190 --> 00:38:21,680

obama and romney it's just it's it's

1117

00:38:25,030 --> 00:38:23,200

pretty ridiculous

1118

00:38:27,990 --> 00:38:25,040

well and it comes back to the fact that

1119

00:38:31,030 --> 00:38:28,000

he was sorely disappointed he was a guy

1120

00:38:31,990 --> 00:38:31,040

who was naive walked in there and you

1121

00:38:33,990 --> 00:38:32,000

know on day one

1122

00:38:35,750 --> 00:38:34,000

of his presidency when he was at

1123

00:38:37,990 --> 00:38:35,760

president-elect in november

1124

00:38:39,510 --> 00:38:38,000

you know i think it was fourth or five

1125

00:38:42,390 --> 00:38:39,520

um he had his

1126
00:38:43,270 --> 00:38:42,400
first security briefing and he came out

1127
00:38:45,829 --> 00:38:43,280
of that meeting

1128
00:38:47,670 --> 00:38:45,839
a changed man he said was like well

1129
00:38:48,790 --> 00:38:47,680
there are reasons why we can't leave

1130
00:38:52,310 --> 00:38:48,800
afghanistan

1131
00:38:53,270 --> 00:38:52,320
it's like some guy from the civil

1132
00:38:56,870 --> 00:38:53,280
service

1133
00:38:59,990 --> 00:38:56,880
um you know secretary whoever um

1134
00:39:03,030 --> 00:39:00,000
who had months to prepare us

1135
00:39:06,710 --> 00:39:03,040
who has had years of expertise in

1136
00:39:09,910 --> 00:39:06,720
impressing politicians and you

1137
00:39:12,790 --> 00:39:09,920
fell for it you fell for it

1138
00:39:13,349 --> 00:39:12,800

and you know then he kind of like i

1139

00:39:15,990 --> 00:39:13,359

think you know

1140

00:39:16,390 --> 00:39:16,000

more more recently he just lost interest

1141

00:39:18,950 --> 00:39:16,400

uh

1142

00:39:19,910 --> 00:39:18,960

i i see a guy who basically goes like

1143

00:39:23,190 --> 00:39:19,920

seriously

1144

00:39:26,870 --> 00:39:23,200

he can't wait to get out um

1145

00:39:29,990 --> 00:39:26,880

i say the same thing and you know he

1146

00:39:32,710 --> 00:39:30,000

he at one point he became hilarious when

1147

00:39:33,270 --> 00:39:32,720

kind like you know if if somebody would

1148

00:39:35,910 --> 00:39:33,280

like at

1149

00:39:38,790 --> 00:39:35,920

i think it's about 2000 in the latter

1150

00:39:41,670 --> 00:39:38,800

part of 2009 in the early part of 2010

1151
00:39:42,710 --> 00:39:41,680
when i swear if somebody had dropped or

1152
00:39:45,190 --> 00:39:42,720
lost

1153
00:39:47,349 --> 00:39:45,200
a shoe in the white house he would have

1154
00:39:49,510 --> 00:39:47,359
been the one doing a press conference

1155
00:39:52,069 --> 00:39:49,520
saying this issue belonged to somebody

1156
00:39:54,950 --> 00:39:52,079
for everything which was ridiculously

1157
00:39:56,470 --> 00:39:54,960
um below him he was the guy doing the

1158
00:39:58,550 --> 00:39:56,480
press conference it's kind of

1159
00:40:00,310 --> 00:39:58,560
where are your secretaries where where

1160
00:40:02,069 --> 00:40:00,320
is where is everybody else in this

1161
00:40:03,990 --> 00:40:02,079
administration why are you here again

1162
00:40:05,510 --> 00:40:04,000
talking about something which really the

1163
00:40:07,349 --> 00:40:05,520

president shouldn't be talking about

1164

00:40:08,950 --> 00:40:07,359

but you know i think that's kind of like

1165

00:40:11,109 --> 00:40:08,960

problematic and that

1166

00:40:13,270 --> 00:40:11,119

kind of like you know kind of works into

1167

00:40:16,069 --> 00:40:13,280

the conspiracy mindset of people saying

1168

00:40:17,270 --> 00:40:16,079

well you see um you know he was turned

1169

00:40:18,230 --> 00:40:17,280

it's kind of like he was part of the

1170

00:40:21,510 --> 00:40:18,240

conspiracy

1171

00:40:24,230 --> 00:40:21,520

no i absolutely do believe that obama

1172

00:40:25,750 --> 00:40:24,240

went in there um with all the good

1173

00:40:29,430 --> 00:40:25,760

intentions that he was

1174

00:40:30,470 --> 00:40:29,440

you know a nice man who had the best

1175

00:40:33,990 --> 00:40:30,480

intentions

1176

00:40:34,950 --> 00:40:34,000

um but from day one the civil service

1177

00:40:37,589 --> 00:40:34,960

got to him

1178

00:40:39,430 --> 00:40:37,599

um impressed him with an awful lot of

1179

00:40:41,990 --> 00:40:39,440

stupidity which he fell for

1180

00:40:42,710 --> 00:40:42,000

um and then you know he probably

1181

00:40:45,190 --> 00:40:42,720

realized

1182

00:40:46,309 --> 00:40:45,200

that he fell for it said oh my god what

1183

00:40:49,109 --> 00:40:46,319

did i just do

1184

00:40:49,510 --> 00:40:49,119

too but too late you know i don't i

1185

00:40:51,589 --> 00:40:49,520

don't

1186

00:40:53,750 --> 00:40:51,599

take quite as optimistic of you as you

1187

00:40:55,589 --> 00:40:53,760

do on obama but you know at least

1188

00:40:56,950 --> 00:40:55,599

you know there's a funny old bill hicks

1189

00:40:58,069 --> 00:40:56,960

routine that kind of ties into your

1190

00:40:59,270 --> 00:40:58,079

newest book but

1191

00:41:00,790 --> 00:40:59,280

you know he says you know you get the

1192

00:41:01,990 --> 00:41:00,800

president in there you sit him down you

1193

00:41:03,829 --> 00:41:02,000

show him a view of the kennedy

1194

00:41:05,430 --> 00:41:03,839

assassination he's never seen

1195

00:41:07,030 --> 00:41:05,440

you know you then put the curtain up and

1196

00:41:10,870 --> 00:41:07,040

you say you got any questions

1197

00:41:14,870 --> 00:41:10,880

you know yeah i mean it it it works

1198

00:41:17,910 --> 00:41:14,880

um urigaler has has this story about how

1199

00:41:18,630 --> 00:41:17,920

um at one point you know certain things

1200

00:41:22,230 --> 00:41:18,640

were happening

1201

00:41:25,109 --> 00:41:22,240

and um mossad showed him

1202

00:41:27,190 --> 00:41:25,119

something um whereby i mean you know

1203

00:41:28,309 --> 00:41:27,200

urikara went in the 1970s around

1204

00:41:30,390 --> 00:41:28,319

demonstrating

1205

00:41:32,069 --> 00:41:30,400

um psychic abilities and whoever was

1206

00:41:34,390 --> 00:41:32,079

testing him whatever laboratory

1207

00:41:36,069 --> 00:41:34,400

was testing him all the tests always

1208

00:41:38,069 --> 00:41:36,079

came out positive

1209

00:41:39,829 --> 00:41:38,079

um and now first of all he hated that

1210

00:41:40,390 --> 00:41:39,839

because he really was treated like a lab

1211

00:41:42,630 --> 00:41:40,400

rat

1212

00:41:43,990 --> 00:41:42,640

kinda like okay i've just been tested by

1213

00:41:46,710 --> 00:41:44,000

laboratory x

1214

00:41:48,710 --> 00:41:46,720

now i'm going to laboratory act why kind

1215

00:41:49,510 --> 00:41:48,720

of you know every laboratory was testing

1216

00:41:52,309 --> 00:41:49,520

it and it's like

1217

00:41:53,030 --> 00:41:52,319

it's not alive anyway um as a result of

1218

00:41:55,190 --> 00:41:53,040

that his

1219

00:41:56,390 --> 00:41:55,200

fame began to rise he became invited you

1220

00:41:57,270 --> 00:41:56,400

know kind of could you do this could you

1221

00:42:01,190 --> 00:41:57,280

do that

1222

00:42:04,550 --> 00:42:01,200

um and there is

1223

00:42:06,630 --> 00:42:04,560

a point whereby they really began to

1224

00:42:07,270 --> 00:42:06,640

realize that this was dangerous because

1225

00:42:10,069 --> 00:42:07,280

remember

1226

00:42:12,069 --> 00:42:10,079

it's the early 70s vietnam is going on

1227

00:42:15,190 --> 00:42:12,079

there is massive disgruntlement

1228

00:42:17,670 --> 00:42:15,200

um you know politicians weren't

1229

00:42:18,630 --> 00:42:17,680

stable in in their seats and they

1230

00:42:21,510 --> 00:42:18,640

realized that

1231

00:42:21,990 --> 00:42:21,520

that that there might be a shift um in

1232

00:42:27,030 --> 00:42:22,000

into

1233

00:42:28,710 --> 00:42:27,040

component of that and certain people

1234

00:42:30,870 --> 00:42:28,720

were beginning to use galler

1235

00:42:32,950 --> 00:42:30,880

because guess what jesus comes out of

1236

00:42:35,190 --> 00:42:32,960

india and walks on water well

1237

00:42:36,390 --> 00:42:35,200

you know uri came out so he came out of

1238

00:42:38,950 --> 00:42:36,400

israel um

1239

00:42:39,670 --> 00:42:38,960

and and uruguay kind of like was able to

1240

00:42:41,030 --> 00:42:39,680

buy located

1241

00:42:43,109 --> 00:42:41,040

according to certain reports and could

1242

00:42:45,670 --> 00:42:43,119

ban spoons so it's like that same

1243

00:42:46,630 --> 00:42:45,680

framework right um and people were

1244

00:42:49,670 --> 00:42:46,640

beginning to

1245

00:42:52,390 --> 00:42:49,680

people behind the scenes were about to

1246

00:42:53,750 --> 00:42:52,400

set him up as kind of maybe he is the

1247

00:42:56,710 --> 00:42:53,760

next jesus

1248

00:42:57,589 --> 00:42:56,720

now he he hated that and he didn't know

1249

00:42:59,990 --> 00:42:57,599

some of his

1250

00:43:01,190 --> 00:43:00,000

people around him were kind of like

1251
00:43:02,390 --> 00:43:01,200
going to do that because they were

1252
00:43:04,710 --> 00:43:02,400
trying to bring about

1253
00:43:05,510 --> 00:43:04,720
change and they felt that that was

1254
00:43:08,550 --> 00:43:05,520
useful

1255
00:43:09,829 --> 00:43:08,560
so anyway what happens is that there was

1256
00:43:13,109 --> 00:43:09,839
a briefing whereby

1257
00:43:13,829 --> 00:43:13,119
they basically said uri down and they

1258
00:43:17,190 --> 00:43:13,839
said

1259
00:43:20,309 --> 00:43:17,200
um you just made the top 20

1260
00:43:24,150 --> 00:43:20,319
of people to be assassinated

1261
00:43:25,349 --> 00:43:24,160
wow you're only expected to rise if this

1262
00:43:28,950 --> 00:43:25,359
continues

1263
00:43:31,030 --> 00:43:28,960

and guess what nobody cares whether

1264

00:43:34,790 --> 00:43:31,040

you're alive or not because

1265

00:43:37,589 --> 00:43:34,800

like jesus if you die

1266

00:43:39,510 --> 00:43:37,599

they can speculate endlessly about you

1267

00:43:39,990 --> 00:43:39,520

so don't think that anybody is that

1268

00:43:43,829 --> 00:43:40,000

worried

1269

00:43:47,349 --> 00:43:43,839

about your life um and he said well i

1270

00:43:48,710 --> 00:43:47,359

am my wife is um

1271

00:43:50,950 --> 00:43:48,720

and they said okay well there are things

1272

00:43:52,470 --> 00:43:50,960

which we can do we can make you

1273

00:43:54,950 --> 00:43:52,480

controversial

1274

00:43:57,190 --> 00:43:54,960

we can say you don't have these powers

1275

00:44:00,230 --> 00:43:57,200

that'll keep you alive

1276
00:44:00,550 --> 00:44:00,240
and he said yeah i'll take that one and

1277
00:44:02,230 --> 00:44:00,560
then

1278
00:44:04,470 --> 00:44:02,240
a certain guy with a long beard started

1279
00:44:06,630 --> 00:44:04,480
to appear um

1280
00:44:08,069 --> 00:44:06,640
who looked a bit like father christmas

1281
00:44:10,230 --> 00:44:08,079
but um you know it it's

1282
00:44:11,270 --> 00:44:10,240
it's that kind of thing you know things

1283
00:44:14,069 --> 00:44:11,280
which are going on

1284
00:44:16,230 --> 00:44:14,079
are not happening in isolation and um it

1285
00:44:17,510 --> 00:44:16,240
it influences people in power sometimes

1286
00:44:20,550 --> 00:44:17,520
in a good way

1287
00:44:22,150 --> 00:44:20,560
i've forgotten who it was but um i think

1288
00:44:25,510 --> 00:44:22,160

it was clinton as well

1289

00:44:26,870 --> 00:44:25,520

at at one point they like the president

1290

00:44:29,910 --> 00:44:26,880

publishes his reading list

1291

00:44:32,309 --> 00:44:29,920

for over christmas or whatever it was um

1292

00:44:32,950 --> 00:44:32,319

and and there was like a ufo book in

1293

00:44:36,150 --> 00:44:32,960

there

1294

00:44:37,190 --> 00:44:36,160

um and so it's interesting that people

1295

00:44:39,430 --> 00:44:37,200

in power

1296

00:44:40,950 --> 00:44:39,440

do realize that quite often something

1297

00:44:44,150 --> 00:44:40,960

larger is going on

1298

00:44:47,190 --> 00:44:44,160

right but they themselves you know

1299

00:44:49,510 --> 00:44:47,200

are not necessarily the right people

1300

00:44:50,309 --> 00:44:49,520

to to come up with the answers and it's

1301

00:44:52,150 --> 00:44:50,319

it's nothing

1302

00:44:53,589 --> 00:44:52,160

not so much to do with the fact that the

1303

00:44:54,150 --> 00:44:53,599

president's is supposed to be all

1304

00:45:01,430 --> 00:44:54,160

powerful

1305

00:45:03,109 --> 00:45:01,440

um so by default the president will

1306

00:45:05,829 --> 00:45:03,119

never be able to answer

1307

00:45:06,870 --> 00:45:05,839

everything um simply because he's only

1308

00:45:08,870 --> 00:45:06,880

the president

1309

00:45:10,470 --> 00:45:08,880

and that has nothing to do with the

1310

00:45:11,430 --> 00:45:10,480

conspiracy theory that there are people

1311

00:45:13,829 --> 00:45:11,440

behind the president

1312

00:45:15,829 --> 00:45:13,839

we've defined the job as president as

1313

00:45:17,829 --> 00:45:15,839

somebody who has limited power

1314

00:45:19,430 --> 00:45:17,839

true that is a fair point man but what

1315

00:45:21,190 --> 00:45:19,440

about those people behind the scenes you

1316

00:45:22,790 --> 00:45:21,200

know uh to bring it back to the book and

1317

00:45:24,390 --> 00:45:22,800

throw out a little stone of speculation

1318

00:45:25,430 --> 00:45:24,400

that crossed my mind a couple times

1319

00:45:27,109 --> 00:45:25,440

while reading

1320

00:45:28,790 --> 00:45:27,119

you have this quote in the book for one

1321

00:45:30,309 --> 00:45:28,800

example of a priest traveling with

1322

00:45:32,870 --> 00:45:30,319

conquistadors i think where

1323

00:45:34,390 --> 00:45:32,880

he casually mentions destroying all the

1324

00:45:35,430 --> 00:45:34,400

writings and histories of the cultures

1325

00:45:36,870 --> 00:45:35,440

they'd come across

1326

00:45:40,309 --> 00:45:36,880

and i started to think that that almost

1327

00:45:42,790 --> 00:45:40,319

seems like the destruction of records

1328

00:45:44,710 --> 00:45:42,800

was so thorough that it was one of the

1329

00:45:47,270 --> 00:45:44,720

top priorities of the people tasked with

1330

00:45:48,630 --> 00:45:47,280

exploring other civilizations which

1331

00:45:50,150 --> 00:45:48,640

sounds like a weird thing for people to

1332

00:45:51,990 --> 00:45:50,160

do and i'm going a little david ike on

1333

00:45:52,470 --> 00:45:52,000

you now but a weird thing for people to

1334

00:45:54,470 --> 00:45:52,480

do

1335

00:45:56,470 --> 00:45:54,480

unless the royal bloodlines calling the

1336

00:45:57,990 --> 00:45:56,480

shots already knew what was out there

1337

00:46:00,470 --> 00:45:58,000

and they wanted to make sure

1338

00:46:02,150 --> 00:46:00,480

that any evidence or recorded accounts

1339

00:46:03,750 --> 00:46:02,160

of aliens in the past were erased

1340

00:46:05,990 --> 00:46:03,760

because we might start to figure some

1341

00:46:07,190 --> 00:46:06,000

things out start asking some questions

1342

00:46:09,190 --> 00:46:07,200

i mean what do you think is that a

1343

00:46:12,150 --> 00:46:09,200

possibility um i

1344

00:46:13,030 --> 00:46:12,160

i i you know it's it's a possibility but

1345

00:46:14,950 --> 00:46:13,040

there's

1346

00:46:17,990 --> 00:46:14,960

often quite very mundane reasons for it

1347

00:46:20,150 --> 00:46:18,000

like in the 3rd century 80 there was a

1348

00:46:21,190 --> 00:46:20,160

chinese emperor who said burn everything

1349

00:46:24,069 --> 00:46:21,200

which comes before

1350

00:46:24,950 --> 00:46:24,079

me and the reason was that he his ego

1351

00:46:27,270 --> 00:46:24,960

was such

1352

00:46:29,510 --> 00:46:27,280

that he wanted to go down into history

1353

00:46:32,230 --> 00:46:29,520

as the start of chinese civilization

1354

00:46:33,990 --> 00:46:32,240

and guess what he got his way um because

1355

00:46:35,910 --> 00:46:34,000

by burning everything the way

1356

00:46:37,190 --> 00:46:35,920

we treat histories like obas needs to be

1357

00:46:39,750 --> 00:46:37,200

a written source

1358

00:46:41,190 --> 00:46:39,760

so by default as nothing from before him

1359

00:46:44,470 --> 00:46:41,200

pretty much survived

1360

00:46:47,510 --> 00:46:44,480

um history began with his dudes so he

1361

00:46:49,190 --> 00:46:47,520

he succeeded in accomplishing um what he

1362

00:46:52,870 --> 00:46:49,200

set out to achieve

1363

00:46:56,069 --> 00:46:52,880

um you know not everything um

1364

00:46:57,990 --> 00:46:56,079

of of contact with uh

1365

00:46:59,910 --> 00:46:58,000

if anything i would say that most

1366

00:47:01,510 --> 00:46:59,920

evidence of of contact with

1367

00:47:03,430 --> 00:47:01,520

non-human intelligence is from our

1368

00:47:05,910 --> 00:47:03,440

ancestors has survived

1369

00:47:07,190 --> 00:47:05,920

uh the monitor king list which says that

1370

00:47:09,589 --> 00:47:07,200

the gods once ruled

1371

00:47:10,710 --> 00:47:09,599

over ancient egypt directly that has

1372

00:47:13,829 --> 00:47:10,720

survived

1373

00:47:16,870 --> 00:47:13,839

um the barossa's account about oweny's

1374

00:47:19,030 --> 00:47:16,880

coming out um this half-ish half-human

1375

00:47:21,829 --> 00:47:19,040

creature who thought by day and went

1376

00:47:25,510 --> 00:47:21,839

back um you know that survived

1377

00:47:27,510 --> 00:47:25,520

um the accounts of the uh the mayan

1378

00:47:29,270 --> 00:47:27,520

kings and how they contacted

1379

00:47:30,549 --> 00:47:29,280

the nine gods of the underworld on a

1380

00:47:32,470 --> 00:47:30,559

regular basis

1381

00:47:34,230 --> 00:47:32,480

that has survived so there's there's

1382

00:47:36,470 --> 00:47:34,240

quite a bit of of of

1383

00:47:38,309 --> 00:47:36,480

survival skills to these accounts that

1384

00:47:40,230 --> 00:47:38,319

our ancestors had

1385

00:47:41,829 --> 00:47:40,240

um you know contact with non-human

1386

00:47:43,910 --> 00:47:41,839

intelligences and again

1387

00:47:45,589 --> 00:47:43,920

this is kind of tying it back to to kind

1388

00:47:48,630 --> 00:47:45,599

of like the zecharizations and

1389

00:47:52,870 --> 00:47:48,640

the robot temples i find it

1390

00:47:56,150 --> 00:47:52,880

interesting or and or sad that

1391

00:47:58,790 --> 00:47:56,160

the two of them had to come up with

1392

00:47:59,670 --> 00:47:58,800

fake stories when there are good stories

1393

00:48:03,030 --> 00:47:59,680

out there

1394

00:48:04,950 --> 00:48:03,040

um and they are you know interesting

1395

00:48:07,190 --> 00:48:04,960

like the the barossas account this

1396

00:48:08,230 --> 00:48:07,200

show that something was happening in

1397

00:48:11,270 --> 00:48:08,240

that area of

1398

00:48:14,069 --> 00:48:11,280

of iraq and that

1399

00:48:16,109 --> 00:48:14,079

non-human entities did have contact with

1400

00:48:19,990 --> 00:48:16,119

with human beings

1401

00:48:22,870 --> 00:48:20,000

unfortunately sitchin prefer to invent

1402

00:48:24,150 --> 00:48:22,880

a story rather than use a story um and

1403

00:48:26,549 --> 00:48:24,160

explore that story

1404

00:48:28,150 --> 00:48:26,559

and and you know the same thing with a

1405

00:48:31,030 --> 00:48:28,160

few other examples of like

1406

00:48:32,390 --> 00:48:31,040

um you know robert temple wanted to use

1407

00:48:36,710 --> 00:48:32,400

an african saga

1408

00:48:38,549 --> 00:48:36,720

have used that example

1409

00:48:40,870 --> 00:48:38,559

so it's it's sad to me that people

1410

00:48:42,790 --> 00:48:40,880

invent rather than use what is out there

1411

00:48:43,910 --> 00:48:42,800

um you know by no means is my book

1412

00:48:47,270 --> 00:48:43,920

exhaustive

1413

00:48:48,069 --> 00:48:47,280

um and nor was it meant to be nor can i

1414

00:48:50,870 --> 00:48:48,079

be

1415

00:48:51,910 --> 00:48:50,880

but i think you will find and this is

1416

00:48:54,230 --> 00:48:51,920

kind of like what i say

1417

00:48:56,069 --> 00:48:54,240

in in in in the book uh as a

1418

00:48:58,230 --> 00:48:56,079

generalization and kind of you know

1419

00:48:59,670 --> 00:48:58,240

if ever we really go back to africa and

1420

00:49:02,309 --> 00:48:59,680

we sit down with

1421

00:49:02,710 --> 00:49:02,319

uh these these tribal elders and say

1422

00:49:07,270 --> 00:49:02,720

like

1423

00:49:10,069 --> 00:49:07,280

okay forget whoever came before

1424

00:49:11,510 --> 00:49:10,079

forget whatever was written about you

1425

00:49:14,470 --> 00:49:11,520

before

1426

00:49:15,190 --> 00:49:14,480

could you please help us write your

1427

00:49:16,870 --> 00:49:15,200

story

1428

00:49:18,230 --> 00:49:16,880

and by the way you will have editorial

1429

00:49:21,270 --> 00:49:18,240

control you

1430

00:49:24,870 --> 00:49:21,280

will be able to verify that what i write

1431

00:49:28,470 --> 00:49:24,880

is you know not kind of like created to

1432

00:49:30,870 --> 00:49:28,480

fit into a devil worship or a primitive

1433

00:49:33,829 --> 00:49:30,880

worship or a christian worship

1434

00:49:35,270 --> 00:49:33,839

just talk and i think if we go to these

1435

00:49:37,109 --> 00:49:35,280

people with that attitude

1436

00:49:38,790 --> 00:49:37,119

then they are going to tell us a very

1437

00:49:39,670 --> 00:49:38,800

interesting story and also i think in

1438

00:49:41,349 --> 00:49:39,680

those accounts

1439

00:49:42,950 --> 00:49:41,359

you know there's going to be stories

1440

00:49:44,390 --> 00:49:42,960

about

1441

00:49:46,790 --> 00:49:44,400

non-human intelligences when that

1442

00:49:49,430 --> 00:49:46,800

happened with the with the hopi

1443

00:49:49,829 --> 00:49:49,440

um you know they began to to relate as

1444

00:49:52,950 --> 00:49:49,839

well

1445

00:49:53,510 --> 00:49:52,960

again unfortunately um and this is so

1446

00:49:56,390 --> 00:49:53,520

sad

1447

00:49:57,270 --> 00:49:56,400

of of of mankind you know the hopi say

1448

00:50:00,030 --> 00:49:57,280

one thing

1449

00:50:01,510 --> 00:50:00,040

then one guy jumps on it and

1450

00:50:05,109 --> 00:50:01,520

spectacularizes it

1451
00:50:07,510 --> 00:50:05,119
and then he gets all the press um and

1452
00:50:08,870 --> 00:50:07,520
twists it in a way that kind of like you

1453
00:50:10,309 --> 00:50:08,880
know makes it appear as if

1454
00:50:12,870 --> 00:50:10,319
the hopi have said that the world is

1455
00:50:15,990 --> 00:50:12,880
gonna end soon and all of that stuff

1456
00:50:19,349 --> 00:50:16,000
um it's sad but

1457
00:50:20,470 --> 00:50:19,359
it's it's it's it's also something human

1458
00:50:22,150 --> 00:50:20,480
you know

1459
00:50:24,309 --> 00:50:22,160
again and it comes back to to what you

1460
00:50:27,670 --> 00:50:24,319
were talking about earlier which is this

1461
00:50:30,390 --> 00:50:27,680
this need to have a final answer um

1462
00:50:31,990 --> 00:50:30,400
you know like i'm perfectly fine living

1463
00:50:33,510 --> 00:50:32,000

in a world where the dogon may or may

1464

00:50:34,390 --> 00:50:33,520

not have had contact with not even

1465

00:50:36,230 --> 00:50:34,400

intelligences

1466

00:50:38,150 --> 00:50:36,240

whether the chinese might have had what

1467

00:50:39,910 --> 00:50:38,160

we have you know

1468

00:50:41,829 --> 00:50:39,920

based on all the evidence which i've

1469

00:50:44,470 --> 00:50:41,839

seen i think we should

1470

00:50:46,470 --> 00:50:44,480

logically draw the conclusion yes we

1471

00:50:47,829 --> 00:50:46,480

were probably contacted by non-human

1472

00:50:50,309 --> 00:50:47,839

intelligences yes

1473

00:50:50,870 --> 00:50:50,319

we were not alone definitely what we can

1474

00:50:52,870 --> 00:50:50,880

say

1475

00:50:55,030 --> 00:50:52,880

is that our ancestors absolutely

1476
00:50:56,630 --> 00:50:55,040
believed that they were not alone

1477
00:50:58,069 --> 00:50:56,640
and that they had been contacted by

1478
00:51:00,470 --> 00:50:58,079
non-human intelligences

1479
00:51:01,190 --> 00:51:00,480
so you know our ancestors might be wrong

1480
00:51:03,750 --> 00:51:01,200
but at least

1481
00:51:05,349 --> 00:51:03,760
they lived within this world um where

1482
00:51:07,030 --> 00:51:05,359
they were absolutely convinced that they

1483
00:51:09,430 --> 00:51:07,040
were not alone

1484
00:51:11,190 --> 00:51:09,440
and that is you know to me interesting

1485
00:51:14,390 --> 00:51:11,200
and and rich and beautiful

1486
00:51:16,549 --> 00:51:14,400
um and um you know says an awful lot

1487
00:51:19,190 --> 00:51:16,559
i think about our ancestors and and the

1488
00:51:21,910 --> 00:51:19,200

world they created for themselves and

1489

00:51:22,790 --> 00:51:21,920

which is in you know market contrast to

1490

00:51:24,390 --> 00:51:22,800

our world

1491

00:51:26,230 --> 00:51:24,400

where we believe we are completely

1492

00:51:29,829 --> 00:51:26,240

unique completely alone

1493

00:51:32,790 --> 00:51:29,839

um and and completely special um

1494

00:51:34,630 --> 00:51:32,800

and and they believe that they were not

1495

00:51:35,510 --> 00:51:34,640

and as a result of that they took care

1496

00:51:37,990 --> 00:51:35,520

of the earth

1497

00:51:39,990 --> 00:51:38,000

they lived in balance with the earth um

1498

00:51:42,470 --> 00:51:40,000

you know and and we do not

1499

00:51:44,309 --> 00:51:42,480

because we don't think that there's

1500

00:51:47,430 --> 00:51:44,319

anything worthy out there

1501
00:51:51,190 --> 00:51:47,440
which needs our you know our

1502
00:51:52,390 --> 00:51:51,200
our attention um a few dolphins or a few

1503
00:51:55,109 --> 00:51:52,400
whales

1504
00:51:56,069 --> 00:51:55,119
uh you know don't really seem to matter

1505
00:51:57,670 --> 00:51:56,079
that much and

1506
00:51:59,589 --> 00:51:57,680
and that is a market difference i think

1507
00:52:03,030 --> 00:51:59,599
between us and our ancestors

1508
00:52:03,750 --> 00:52:03,040
um and you know there are unfortunate

1509
00:52:06,309 --> 00:52:03,760
things to

1510
00:52:07,190 --> 00:52:06,319
to say about our world um but at the

1511
00:52:08,950 --> 00:52:07,200
same time

1512
00:52:10,230 --> 00:52:08,960
i find that our world is interesting

1513
00:52:13,270 --> 00:52:10,240

because

1514

00:52:14,230 --> 00:52:13,280

it is being created into this viral one

1515

00:52:17,270 --> 00:52:14,240

global

1516

00:52:18,950 --> 00:52:17,280

kind of you know connection thing and so

1517

00:52:20,390 --> 00:52:18,960

when our ancestors were coming saying

1518

00:52:21,750 --> 00:52:20,400

how they were able to tune into the

1519

00:52:24,710 --> 00:52:21,760

world as one

1520

00:52:26,390 --> 00:52:24,720

um i'm kind of like feeling or seeing

1521

00:52:28,549 --> 00:52:26,400

that maybe technology

1522

00:52:30,309 --> 00:52:28,559

um you know in a few years from now

1523

00:52:30,950 --> 00:52:30,319

seems to be able to accomplish the same

1524

00:52:34,470 --> 00:52:30,960

thing

1525

00:52:36,069 --> 00:52:34,480

and i think you know if that happens um

1526

00:52:37,990 --> 00:52:36,079

that might be a good thing that might be

1527

00:52:41,190 --> 00:52:38,000

something whereby

1528

00:52:45,349 --> 00:52:43,510

well you know jumping off from that idea

1529

00:52:45,990 --> 00:52:45,359

i know you've done some work with 2012

1530

00:52:49,430 --> 00:52:46,000

and looking into

1531

00:52:51,349 --> 00:52:49,440

the prophecies around that do you find

1532

00:52:54,790 --> 00:52:51,359

it coincidental at all

1533

00:52:57,750 --> 00:52:54,800

that it seems like the global economy

1534

00:53:00,069 --> 00:52:57,760

the very structure that we've been

1535

00:53:01,109 --> 00:53:00,079

following since as long as we can

1536

00:53:02,870 --> 00:53:01,119

remember

1537

00:53:04,470 --> 00:53:02,880

uh it seems to be coming apart at the

1538

00:53:06,069 --> 00:53:04,480

seams in a lot of ways i mean you have

1539

00:53:07,349 --> 00:53:06,079

the occupy movement which is kind of

1540

00:53:09,030 --> 00:53:07,359

fizzled out but i mean that was a

1541

00:53:09,750 --> 00:53:09,040

rebellion against capitalism you have

1542

00:53:10,950 --> 00:53:09,760

iceland

1543

00:53:12,950 --> 00:53:10,960

you have a lot of things going in the

1544

00:53:15,030 --> 00:53:12,960

european union that i don't even know

1545

00:53:18,470 --> 00:53:15,040

about but it seems like

1546

00:53:20,309 --> 00:53:18,480

there is a culture of people finally

1547

00:53:21,589 --> 00:53:20,319

pointing the finger at the structure

1548

00:53:22,790 --> 00:53:21,599

they've never pointed their finger at

1549

00:53:24,549 --> 00:53:22,800

before and that would be more

1550

00:53:26,790 --> 00:53:24,559

revolutionary than anything

1551
00:53:28,549 --> 00:53:26,800
and it also seems to be coinciding with

1552
00:53:29,430 --> 00:53:28,559
the time that people predicted thousands

1553
00:53:31,750 --> 00:53:29,440
of years ago

1554
00:53:33,030 --> 00:53:31,760
would be a period of intense change is

1555
00:53:34,549 --> 00:53:33,040
that just a coincidence or do you think

1556
00:53:37,030 --> 00:53:34,559
those things are related

1557
00:53:37,910 --> 00:53:37,040
no i think they're absolutely related um

1558
00:53:41,349 --> 00:53:37,920
i wouldn't say

1559
00:53:42,630 --> 00:53:41,359
it just you know is limited to to 2012

1560
00:53:45,349 --> 00:53:42,640
and the mayans

1561
00:53:47,349 --> 00:53:45,359
clearly say that the greatest changes

1562
00:53:48,710 --> 00:53:47,359
happen in a period 20 years before and

1563
00:53:51,910 --> 00:53:48,720

20 years after

1564

00:53:53,349 --> 00:53:51,920

uh these kind of milestones um and that

1565

00:53:56,950 --> 00:53:53,359

it is really a time

1566

00:53:57,430 --> 00:53:56,960

when things intensify um this cycle

1567

00:53:59,829 --> 00:53:57,440

began

1568

00:54:01,030 --> 00:53:59,839

in in you know april of 1993 and the

1569

00:54:02,790 --> 00:54:01,040

world then

1570

00:54:04,390 --> 00:54:02,800

and now is completely different it's a

1571

00:54:07,750 --> 00:54:04,400

completely different

1572

00:54:09,670 --> 00:54:07,760

uh world and that is interesting

1573

00:54:11,670 --> 00:54:09,680

we you know we are going through these

1574

00:54:12,309 --> 00:54:11,680

rapid developments things like skype the

1575

00:54:13,829 --> 00:54:12,319

internet

1576

00:54:15,750 --> 00:54:13,839

being able to fly around the world

1577

00:54:18,630 --> 00:54:15,760

pretty much on a month's salary

1578

00:54:20,150 --> 00:54:18,640

um is is something or the ability to fly

1579

00:54:23,109 --> 00:54:20,160

around the world in 48 hours

1580

00:54:25,030 --> 00:54:23,119

is something which 20 years ago you know

1581

00:54:28,069 --> 00:54:25,040

i mean 20 years ago cell phones

1582

00:54:30,790 --> 00:54:28,079

you know who would think that

1583

00:54:31,990 --> 00:54:30,800

everybody's computer and internet wi-fi

1584

00:54:35,270 --> 00:54:32,000

would be on a cell thing

1585

00:54:36,870 --> 00:54:35,280

20 years ago wi-fi didn't exist um and

1586

00:54:40,630 --> 00:54:36,880

and all of these things really

1587

00:54:42,549 --> 00:54:40,640

show how quickly we are are moving and

1588

00:54:44,789 --> 00:54:42,559

there are two things here the world is

1589

00:54:48,309 --> 00:54:44,799

coming together as a global village

1590

00:54:50,309 --> 00:54:48,319

our phones get answered in india

1591

00:54:51,510 --> 00:54:50,319

when we want to speak to our banks or

1592

00:54:52,789 --> 00:54:51,520

wherever and our

1593

00:54:55,109 --> 00:54:52,799

clothing and our furniture and

1594

00:54:57,589 --> 00:54:55,119

everything else is produced in china

1595

00:54:58,630 --> 00:54:57,599

um it's a global village it's a global

1596

00:55:01,349 --> 00:54:58,640

economy

1597

00:55:03,829 --> 00:55:01,359

europa tried to say okay we're going to

1598

00:55:05,190 --> 00:55:03,839

do a pan-european economy as well

1599

00:55:07,750 --> 00:55:05,200

and we're going to make this hard we're

1600

00:55:09,910 --> 00:55:07,760

going to tie this into our euro and all

1601
00:55:11,670 --> 00:55:09,920
of these things but what they forgot

1602
00:55:13,910 --> 00:55:11,680
was this that there were still strong

1603
00:55:16,710 --> 00:55:13,920
borders that there is no such thing

1604
00:55:17,829 --> 00:55:16,720
as a european i have never heard anybody

1605
00:55:20,950 --> 00:55:17,839
say

1606
00:55:22,870 --> 00:55:20,960
to the question where are you from i'm

1607
00:55:25,510 --> 00:55:22,880
from europe

1608
00:55:27,430 --> 00:55:25,520
um and you know i live i was born in

1609
00:55:29,589 --> 00:55:27,440
belgium i live in france part-time i

1610
00:55:31,990 --> 00:55:29,599
live in the uk part-time

1611
00:55:33,750 --> 00:55:32,000
when people say to me where are you from

1612
00:55:34,789 --> 00:55:33,760
my wife and i we kind of go like that's

1613
00:55:36,549 --> 00:55:34,799

a good question

1614

00:55:37,910 --> 00:55:36,559

have you got five minutes because it's

1615

00:55:39,829 --> 00:55:37,920

rather complex

1616

00:55:42,150 --> 00:55:39,839

um yet i could say i'm a european who

1617

00:55:43,670 --> 00:55:42,160

sometimes lives in in l.a

1618

00:55:46,150 --> 00:55:43,680

um and that would answer the question

1619

00:55:48,349 --> 00:55:46,160

but even i who i'm not necessarily

1620

00:55:50,710 --> 00:55:48,359

kind of like tied into a belgian

1621

00:55:53,349 --> 00:55:50,720

nationality or feeling

1622

00:55:54,150 --> 00:55:53,359

uh specifically special for being

1623

00:55:57,349 --> 00:55:54,160

belgian

1624

00:56:00,150 --> 00:55:57,359

um kind of i even i don't do it

1625

00:56:01,270 --> 00:56:00,160

and and nobody does yet somehow we were

1626

00:56:04,150 --> 00:56:01,280

going to think that this

1627

00:56:05,829 --> 00:56:04,160

euro thing was going to work and that

1628

00:56:07,430 --> 00:56:05,839

politicians were going to let go of

1629

00:56:08,950 --> 00:56:07,440

their borders and we're going to let go

1630

00:56:11,430 --> 00:56:08,960

of their power

1631

00:56:13,430 --> 00:56:11,440

it didn't happen it's not happening i

1632

00:56:14,789 --> 00:56:13,440

think it will happen eventually

1633

00:56:17,670 --> 00:56:14,799

but i think it's going to be a much

1634

00:56:18,309 --> 00:56:17,680

slower process um and i think what we're

1635

00:56:21,670 --> 00:56:18,319

seeing

1636

00:56:24,789 --> 00:56:21,680

is basically that the entire banking

1637

00:56:26,630 --> 00:56:24,799

issues are are part of that um you know

1638

00:56:28,549 --> 00:56:26,640

the entire

1639

00:56:30,470 --> 00:56:28,559

the world has become a global village

1640

00:56:33,349 --> 00:56:30,480

but there's nobody steering it

1641

00:56:33,990 --> 00:56:33,359

and meanwhile you have a world economy

1642

00:56:36,069 --> 00:56:34,000

who has an

1643

00:56:37,589 --> 00:56:36,079

engine which is roaring saying feed me

1644

00:56:40,950 --> 00:56:37,599

feed me feed me

1645

00:56:43,190 --> 00:56:40,960

um but it's like a monster and on

1646

00:56:44,710 --> 00:56:43,200

occasion like you know certain people

1647

00:56:45,030 --> 00:56:44,720

feed it like the germans will feed and

1648

00:56:48,069 --> 00:56:45,040

say

1649

00:56:48,789 --> 00:56:48,079

here's a leaf and the the giant dungeon

1650

00:56:50,789 --> 00:56:48,799

let's give it

1651

00:56:52,230 --> 00:56:50,799

an intelligence of its own will kind of

1652

00:56:54,630 --> 00:56:52,240

go like i need much more

1653

00:56:56,230 --> 00:56:54,640

a leaf won't do the americans will put

1654

00:56:57,349 --> 00:56:56,240

another leaf and they're gonna go okay

1655

00:57:00,390 --> 00:56:57,359

are you kidding me

1656

00:57:01,910 --> 00:57:00,400

two leaves i need more um and the reason

1657

00:57:03,910 --> 00:57:01,920

why the world economy isn't working is

1658

00:57:06,069 --> 00:57:03,920

because nobody's in charge of it

1659

00:57:07,109 --> 00:57:06,079

um who's left to be in charge of it are

1660

00:57:10,309 --> 00:57:07,119

the banks

1661

00:57:11,910 --> 00:57:10,319

right someone's in charge well i mean

1662

00:57:14,069 --> 00:57:11,920

but they end up being in charge because

1663

00:57:15,670 --> 00:57:14,079

nobody else can like you know is and by

1664

00:57:17,270 --> 00:57:15,680

default the people in charge of money

1665

00:57:17,829 --> 00:57:17,280

are guess what the people in charge of

1666

00:57:20,630 --> 00:57:17,839

money

1667

00:57:22,710 --> 00:57:20,640

which are banks and until we put

1668

00:57:25,589 --> 00:57:22,720

somebody else in charge of money

1669

00:57:27,270 --> 00:57:25,599

um you know it's going to be like that

1670

00:57:29,190 --> 00:57:27,280

but there is nobody there there is no

1671

00:57:31,829 --> 00:57:29,200

president of the world there is no

1672

00:57:33,670 --> 00:57:31,839

i mean there's a u.n um but you know

1673

00:57:34,470 --> 00:57:33,680

let's laugh about it now and then let's

1674

00:57:37,190 --> 00:57:34,480

move on

1675

00:57:39,750 --> 00:57:37,200

um there is nobody there um you know the

1676
00:57:41,750 --> 00:57:39,760
world bank yes guess what it's a bank

1677
00:57:43,589 --> 00:57:41,760
once again you know we have created a

1678
00:57:46,069 --> 00:57:43,599
system whereby we

1679
00:57:47,750 --> 00:57:46,079
are not realized well we realize but

1680
00:57:50,870 --> 00:57:47,760
nobody's doing anything about it

1681
00:57:53,109 --> 00:57:50,880
um the there is a global economy the

1682
00:57:56,470 --> 00:57:53,119
banking industry is global

1683
00:57:59,030 --> 00:57:56,480
but there is no world power out there uh

1684
00:57:59,990 --> 00:57:59,040
directing it and that is a problem which

1685
00:58:03,510 --> 00:58:00,000
is why

1686
00:58:06,630 --> 00:58:03,520
you know the banks will continuously say

1687
00:58:08,390 --> 00:58:06,640
well we can't sustain this because it's

1688
00:58:10,710 --> 00:58:08,400

not coordinated like you know

1689

00:58:12,150 --> 00:58:10,720

uh the american banks can mess up as

1690

00:58:15,990 --> 00:58:12,160

much as they want by

1691

00:58:16,390 --> 00:58:16,000

by creating um completely bad mortgages

1692

00:58:17,910 --> 00:58:16,400

and

1693

00:58:20,549 --> 00:58:17,920

bringing everybody rest in the world

1694

00:58:22,549 --> 00:58:20,559

down because there is no regulation

1695

00:58:24,549 --> 00:58:22,559

they can just do these things because

1696

00:58:26,150 --> 00:58:24,559

again there is no regulation and it's

1697

00:58:26,870 --> 00:58:26,160

not the fault of a bank is it kind of

1698

00:58:30,870 --> 00:58:26,880

like you know

1699

00:58:31,910 --> 00:58:30,880

if if um our children stay up until four

1700

00:58:34,630 --> 00:58:31,920

o'clock in the morning

1701

00:58:36,950 --> 00:58:34,640

and get completely drunk um and do

1702

00:58:38,710 --> 00:58:36,960

various things the question is well did

1703

00:58:40,870 --> 00:58:38,720

you ever tell them it's a bad thing

1704

00:58:42,309 --> 00:58:40,880

and if the answer is no well then you

1705

00:58:42,870 --> 00:58:42,319

shouldn't be upset by the fact that they

1706

00:58:44,230 --> 00:58:42,880

get drunk

1707

00:58:46,549 --> 00:58:44,240

and stay out until four o'clock in the

1708

00:58:48,309 --> 00:58:46,559

morning um and that's unfortunately the

1709

00:58:49,670 --> 00:58:48,319

situation with our banks

1710

00:58:51,990 --> 00:58:49,680

nobody's telling them off nobody's

1711

00:58:54,470 --> 00:58:52,000

saying this is bad um

1712

00:58:55,589 --> 00:58:54,480

and so they do whatever they want well i

1713

00:58:59,430 --> 00:58:55,599

wonder if

1714

00:59:01,510 --> 00:58:59,440

when the institution of

1715

00:59:02,870 --> 00:59:01,520

you know fractional reserve banking was

1716

00:59:05,670 --> 00:59:02,880

implemented

1717

00:59:05,990 --> 00:59:05,680

i wonder if the people who started it

1718

00:59:07,670 --> 00:59:06,000

just

1719

00:59:09,589 --> 00:59:07,680

created it out of happenstance or if

1720

00:59:10,950 --> 00:59:09,599

they had a good idea who was going to be

1721

00:59:12,630 --> 00:59:10,960

holding all the chips at the end of the

1722

00:59:14,390 --> 00:59:12,640

game

1723

00:59:15,829 --> 00:59:14,400

well i mean the sad conclusion i think i

1724

00:59:16,789 --> 00:59:15,839

mean i don't know the specific answer

1725

00:59:19,829 --> 00:59:16,799

but i think

1726

00:59:23,030 --> 00:59:19,839

kind of like you know they

1727

00:59:27,109 --> 00:59:23,040

money always stays where it is

1728

00:59:29,829 --> 00:59:27,119

um you know it it doesn't move that much

1729

00:59:31,270 --> 00:59:29,839

um kind of you know we seem to pretend

1730

00:59:35,349 --> 00:59:31,280

that all of these people

1731

00:59:37,430 --> 00:59:35,359

in in china and um russia are somehow

1732

00:59:39,829 --> 00:59:37,440

new but like you know they were the

1733

00:59:42,150 --> 00:59:39,839

power brokers of the past it's just that

1734

00:59:43,349 --> 00:59:42,160

in the past that power and their money

1735

00:59:44,549 --> 00:59:43,359

was run through the government

1736

00:59:46,390 --> 00:59:44,559

accounting things and

1737

00:59:48,230 --> 00:59:46,400

in more recent times to just kind of run

1738

00:59:51,990 --> 00:59:48,240

it through their own accounting things

1739

00:59:53,430 --> 00:59:52,000

um nothing truly changes i find there

1740

00:59:56,710 --> 00:59:53,440

and um

1741

00:59:59,670 --> 00:59:56,720

you know whatever system you you apply

1742

01:00:00,950 --> 00:59:59,680

um at the end of the day who begins with

1743

01:00:02,789 --> 01:00:00,960

an awful lot of money at the end of the

1744

01:00:04,950 --> 01:00:02,799

day will have just more money

1745

01:00:08,470 --> 01:00:04,960

um and and i think that's that's you

1746

01:00:11,190 --> 01:00:08,480

know that's the game everybody plays so

1747

01:00:12,390 --> 01:00:11,200

that's unfortunately the reality and it

1748

01:00:14,789 --> 01:00:12,400

just sucks phil that

1749

01:00:16,230 --> 01:00:14,799

we couldn't have got people to adopt our

1750

01:00:17,990 --> 01:00:16,240

currency so that everyone could be

1751

01:00:20,309 --> 01:00:18,000

indebted to us

1752

01:00:22,309 --> 01:00:20,319

i i believe the americans tried to do

1753

01:00:24,870 --> 01:00:22,319

that and it works quite well

1754

01:00:26,950 --> 01:00:24,880

touche um well let me bring this back to

1755

01:00:29,829 --> 01:00:26,960

your specialty because we are getting

1756

01:00:31,510 --> 01:00:29,839

down to it and you know you've done a

1757

01:00:33,430 --> 01:00:31,520

lot of research on ancient aliens and

1758

01:00:34,950 --> 01:00:33,440

the idea that we've interacted with them

1759

01:00:37,190 --> 01:00:34,960

and that our history may be a lot

1760

01:00:39,030 --> 01:00:37,200

stranger than we realize maybe older

1761

01:00:40,549 --> 01:00:39,040

uh maybe some lost civilizations we

1762

01:00:41,990 --> 01:00:40,559

don't know about maybe we had technology

1763

01:00:43,910 --> 01:00:42,000

we don't know about

1764

01:00:45,829 --> 01:00:43,920

and it is so fun to look at these things

1765

01:00:46,470 --> 01:00:45,839

under a microscope case by case by case

1766

01:00:48,230 --> 01:00:46,480

but

1767

01:00:49,670 --> 01:00:48,240

can you broaden it out for us because it

1768

01:00:51,589 --> 01:00:49,680

gets a little hazy for me

1769

01:00:53,270 --> 01:00:51,599

what is the whole story what does it

1770

01:00:56,470 --> 01:00:53,280

look like to you were these

1771

01:00:57,589 --> 01:00:56,480

interactions sporadic were they there at

1772

01:00:59,190 --> 01:00:57,599

the beginning

1773

01:01:01,349 --> 01:00:59,200

gave us little bits of information and

1774

01:01:04,390 --> 01:01:01,359

went away how do we bring it together

1775

01:01:08,150 --> 01:01:04,400

what's the overarching story here

1776

01:01:08,829 --> 01:01:08,160

phil um i think it went something like

1777

01:01:12,150 --> 01:01:08,839

that

1778

01:01:12,549 --> 01:01:12,160

um we have been and to some extent it's

1779

01:01:15,829 --> 01:01:12,559

it's

1780

01:01:16,230 --> 01:01:15,839

um you know my next book which is coming

1781

01:01:18,309 --> 01:01:16,240

out

1782

01:01:19,670 --> 01:01:18,319

is uh the lost civilization enigma which

1783

01:01:21,430 --> 01:01:19,680

is coming out in october

1784

01:01:22,870 --> 01:01:21,440

and it's like a natural sequence to the

1785

01:01:24,069 --> 01:01:22,880

ancient daily in question and whereas

1786

01:01:27,829 --> 01:01:24,079

the ancient alien question

1787

01:01:30,549 --> 01:01:27,839

asks were we um you know

1788

01:01:31,910 --> 01:01:30,559

are we were we alone answering no uh

1789

01:01:33,349 --> 01:01:31,920

this is kind of like saying were we the

1790

01:01:34,950 --> 01:01:33,359

first and the answer is no we've been

1791

01:01:36,950 --> 01:01:34,960

around for far longer

1792

01:01:38,069 --> 01:01:36,960

and we've been intelligent and civilized

1793

01:01:40,710 --> 01:01:38,079

for far longer

1794

01:01:42,789 --> 01:01:40,720

and i think the way it went is something

1795

01:01:46,309 --> 01:01:42,799

like this at one point

1796

01:01:51,430 --> 01:01:46,319

um mankind was created

1797

01:01:56,069 --> 01:01:54,309

at that moment in time certain things

1798

01:01:59,190 --> 01:01:56,079

began to happen

1799

01:02:02,230 --> 01:01:59,200

and people began to realize that

1800

01:02:05,109 --> 01:02:02,240

our brain was very interesting

1801

01:02:05,990 --> 01:02:05,119

maybe somebody fell from a rock once um

1802

01:02:08,470 --> 01:02:06,000

and said like

1803

01:02:10,150 --> 01:02:08,480

i had this dream that i went somewhere

1804

01:02:11,510 --> 01:02:10,160

and i saw this shiny being and then i

1805

01:02:13,109 --> 01:02:11,520

was back in my body

1806

01:02:15,109 --> 01:02:13,119

and then kind of like you know a few

1807

01:02:16,150 --> 01:02:15,119

weeks later somebody probably fell from

1808

01:02:17,829 --> 01:02:16,160

another rock

1809

01:02:19,670 --> 01:02:17,839

um and said like you know i had that

1810

01:02:20,390 --> 01:02:19,680

same dream and then at some point

1811

01:02:24,150 --> 01:02:20,400

somebody was

1812

01:02:28,230 --> 01:02:24,160

like maybe it's not a dream um

1813

01:02:30,789 --> 01:02:28,240

and early men definitely explored

1814

01:02:32,630 --> 01:02:30,799

other realities they they tried to get

1815

01:02:35,670 --> 01:02:32,640

there through you know

1816

01:02:39,349 --> 01:02:35,680

creating substances to to get there

1817

01:02:40,549 --> 01:02:39,359

um they began to map the other realities

1818

01:02:42,789 --> 01:02:40,559

and came away

1819

01:02:43,670 --> 01:02:42,799

knowing that they were not alone that

1820

01:02:46,230 --> 01:02:43,680

there were

1821

01:02:47,349 --> 01:02:46,240

intelligences non-human intelligences

1822

01:02:50,789 --> 01:02:47,359

out there

1823

01:02:52,470 --> 01:02:50,799

and then as we developed um i think we

1824

01:02:56,470 --> 01:02:52,480

began to ask them

1825

01:02:59,109 --> 01:02:56,480

they lent it to us

1826

01:03:00,390 --> 01:02:59,119

and some of these you know ancient alien

1827

01:03:02,470 --> 01:03:00,400

contacts

1828

01:03:03,670 --> 01:03:02,480

though i say in the book that definitely

1829

01:03:06,309 --> 01:03:03,680

some of them were uh

1830

01:03:07,750 --> 01:03:06,319

physically in nature i think also quite

1831

01:03:08,630 --> 01:03:07,760

a few of them were non-physical in

1832

01:03:11,670 --> 01:03:08,640

nature

1833

01:03:13,109 --> 01:03:11,680

um and terence mckenna is is a very good

1834

01:03:15,910 --> 01:03:13,119

example of that he basically

1835

01:03:16,870 --> 01:03:15,920

went into went into the you know into

1836

01:03:18,870 --> 01:03:16,880

the amazon

1837

01:03:21,270 --> 01:03:18,880

um was given this person contacted his

1838

01:03:24,470 --> 01:03:21,280

intelligence the intelligence said here

1839

01:03:26,470 --> 01:03:24,480

here's the nature of time um which in

1840

01:03:28,950 --> 01:03:26,480

itself you know was a radical

1841

01:03:29,990 --> 01:03:28,960

um radically interesting thing even

1842

01:03:31,910 --> 01:03:30,000

today's standards

1843

01:03:33,670 --> 01:03:31,920

basically say that time is a byproduct

1844

01:03:36,710 --> 01:03:33,680

of gravity and that it

1845

01:03:38,230 --> 01:03:36,720

isn't really in existence and whenever

1846

01:03:38,950 --> 01:03:38,240

people kind of go like well time doesn't

1847

01:03:41,190 --> 01:03:38,960

exist it's an

1848

01:03:42,710 --> 01:03:41,200

illusion it's like well maybe it's not

1849

01:03:44,470 --> 01:03:42,720

and and the canon was given this thing

1850

01:03:45,829 --> 01:03:44,480

that basically time is a fractal wave

1851

01:03:47,670 --> 01:03:45,839

and was given the equation

1852

01:03:49,190 --> 01:03:47,680

and also told that in certain points in

1853

01:03:51,109 --> 01:03:49,200

time um

1854

01:03:53,589 --> 01:03:51,119

basically the wave of novelty would be

1855

01:03:56,789 --> 01:03:53,599

more intense i knew things would happen

1856

01:03:59,990 --> 01:03:56,799

uh more often in certain pockets

1857

01:04:01,589 --> 01:04:00,000

of time than in other pockets of time um

1858

01:04:03,349 --> 01:04:01,599

he never really understood that he did a

1859

01:04:04,390 --> 01:04:03,359

bit with it but you know nor was he

1860

01:04:06,870 --> 01:04:04,400

meant to be

1861

01:04:08,390 --> 01:04:06,880

um and kind of the genius he was going

1862

01:04:11,510 --> 01:04:08,400

to figure it all out

1863

01:04:13,109 --> 01:04:11,520

um he did his job he gave it to the rest

1864

01:04:14,630 --> 01:04:13,119

of us and said like here

1865

01:04:16,710 --> 01:04:14,640

i've tried to do certain stuff with it

1866

01:04:19,670 --> 01:04:16,720

now maybe you would have a better chance

1867

01:04:21,349 --> 01:04:19,680

the difference between today and however

1868

01:04:24,470 --> 01:04:21,359

the ancient egyptians

1869

01:04:26,470 --> 01:04:24,480

is this today was a lone guy

1870

01:04:27,750 --> 01:04:26,480

who had to publish a book who got help

1871

01:04:30,789 --> 01:04:27,760

from you know

1872

01:04:31,109 --> 01:04:30,799

three four people um in in doing it one

1873

01:04:33,589 --> 01:04:31,119

guy

1874

01:04:34,950 --> 01:04:33,599

made it into a computer program and

1875

01:04:36,950 --> 01:04:34,960

that's about it

1876

01:04:38,309 --> 01:04:36,960

if this if terence had lived in ancient

1877

01:04:40,150 --> 01:04:38,319

egypt um

1878

01:04:41,670 --> 01:04:40,160

if the gods would have given and you

1879

01:04:42,950 --> 01:04:41,680

know and if if he would have come back

1880

01:04:45,190 --> 01:04:42,960

from this trip

1881

01:04:46,150 --> 01:04:45,200

um i would have said to somebody in

1882

01:04:47,910 --> 01:04:46,160

ancient egypt

1883

01:04:49,910 --> 01:04:47,920

um the gods have just told me this not

1884

01:04:53,589 --> 01:04:49,920

even intelligence has just told me

1885

01:04:54,950 --> 01:04:53,599

that time is a fractal wave um and this

1886

01:04:58,309 --> 01:04:54,960

is the wave

1887

01:04:59,910 --> 01:04:58,319

it would have been a matter of state the

1888

01:05:01,589 --> 01:04:59,920

top geniuses in the country would have

1889

01:05:03,349 --> 01:05:01,599

been gathered and they would have tried

1890

01:05:04,710 --> 01:05:03,359

to figure out what the heck this was all

1891

01:05:06,069 --> 01:05:04,720

about

1892

01:05:07,829 --> 01:05:06,079

and that is the difference between our

1893

01:05:09,829 --> 01:05:07,839

times and our our history

1894

01:05:11,430 --> 01:05:09,839

in our in our history yeah that's an

1895

01:05:13,349 --> 01:05:11,440

interesting distinct distinction

1896

01:05:15,270 --> 01:05:13,359

for sure yeah it could still be going on

1897

01:05:16,309 --> 01:05:15,280

and people just aren't given the time of

1898

01:05:19,190 --> 01:05:16,319

day

1899

01:05:20,470 --> 01:05:19,200

absolutely and you know and i think

1900

01:05:22,470 --> 01:05:20,480

that's that's really

1901

01:05:23,910 --> 01:05:22,480

um our ancestors were in contact with

1902

01:05:24,710 --> 01:05:23,920

these non-human intelligences they

1903

01:05:27,670 --> 01:05:24,720

treasured it

1904

01:05:29,589 --> 01:05:27,680

uh it was something which to them was of

1905

01:05:32,870 --> 01:05:29,599

a daily basis they experienced

1906

01:05:35,029 --> 01:05:32,880

the divine um you know it wasn't like

1907

01:05:36,789 --> 01:05:35,039

do you believe god exists it's like oh

1908

01:05:37,750 --> 01:05:36,799

i'll give you an experience let's go to

1909

01:05:39,829 --> 01:05:37,760

the temple

1910

01:05:41,670 --> 01:05:39,839

um and you will be given an experience

1911

01:05:45,430 --> 01:05:41,680

of often of a

1912

01:05:47,270 --> 01:05:45,440

of another reality and that was you know

1913

01:05:50,789 --> 01:05:47,280

that wasn't knowing that was

1914

01:05:52,630 --> 01:05:50,799

wisdom rather than um you know

1915

01:05:54,069 --> 01:05:52,640

a dude in a frock standing in front of a

1916

01:05:56,230 --> 01:05:54,079

congregation saying

1917

01:05:57,910 --> 01:05:56,240

trust me um you know it's like well

1918

01:05:59,910 --> 01:05:57,920

that's nothing to trust you haven't got

1919

01:06:03,029 --> 01:05:59,920

any direct experience of the divine

1920

01:06:04,950 --> 01:06:03,039

in fact christianity is based on a

1921

01:06:07,190 --> 01:06:04,960

complete non-revolutionary

1922

01:06:08,390 --> 01:06:07,200

um you know kind of experience it's

1923

01:06:10,710 --> 01:06:08,400

basically

1924

01:06:12,230 --> 01:06:10,720

um adhering to the fact that the

1925

01:06:14,150 --> 01:06:12,240

catholic church has correctly

1926

01:06:16,230 --> 01:06:14,160

interpreted the words of jesus

1927

01:06:17,190 --> 01:06:16,240

um and forever shall we live in those

1928

01:06:20,069 --> 01:06:17,200

words

1929

01:06:21,829 --> 01:06:20,079

um it's not that much of a direct

1930

01:06:23,990 --> 01:06:21,839

experience and it's a stark

1931

01:06:25,029 --> 01:06:24,000

contrast to anything which had happened

1932

01:06:26,870 --> 01:06:25,039

before now i

1933

01:06:29,109 --> 01:06:26,880

actually don't blame the catholic church

1934

01:06:32,470 --> 01:06:29,119

um for you know being

1935

01:06:34,309 --> 01:06:32,480

kind for what that aspect of it um

1936

01:06:35,990 --> 01:06:34,319

because it was a sign of this sign of

1937

01:06:36,630 --> 01:06:36,000

the times all the other religions pretty

1938

01:06:39,829 --> 01:06:36,640

much

1939

01:06:41,510 --> 01:06:39,839

um are are in that same format um

1940

01:06:43,109 --> 01:06:41,520

and it's again something which which

1941

01:06:46,150 --> 01:06:43,119

developed over time and

1942

01:06:49,829 --> 01:06:46,160

in our history but the sad thing is that

1943

01:06:51,990 --> 01:06:49,839

you know our ancestors

1944

01:06:53,190 --> 01:06:52,000

early mankind realized that they were a

1945

01:06:56,390 --> 01:06:53,200

part of something

1946

01:06:59,430 --> 01:06:56,400

larger um and that

1947

01:07:00,630 --> 01:06:59,440

seems to have trickled down to um you

1948

01:07:02,630 --> 01:07:00,640

know us

1949

01:07:05,109 --> 01:07:02,640

really putting borders in like you know

1950

01:07:07,910 --> 01:07:05,119

like my community my country my

1951

01:07:09,589 --> 01:07:07,920

state when mankind as a whole can't even

1952

01:07:12,549 --> 01:07:09,599

appreciate that they are part of

1953

01:07:13,349 --> 01:07:12,559

our world that we are all citizens of

1954

01:07:16,630 --> 01:07:13,359

this world

1955

01:07:20,390 --> 01:07:16,640

well if if somebody cannot define them

1956

01:07:22,150 --> 01:07:20,400

as a citizen of the world um by default

1957

01:07:24,470 --> 01:07:22,160

they can't identify themselves as a

1958

01:07:27,510 --> 01:07:24,480

citizen of the universe

1959

01:07:29,670 --> 01:07:27,520

so by default whoever is out there

1960

01:07:31,670 --> 01:07:29,680

basically kind of like goes like they

1961

01:07:33,670 --> 01:07:31,680

don't want to hear what we have to say

1962

01:07:35,029 --> 01:07:33,680

well i mean cultures like the mayans are

1963

01:07:38,390 --> 01:07:35,039

often depicted to us

1964

01:07:40,230 --> 01:07:38,400

as you know savages but they seem to

1965

01:07:41,670 --> 01:07:40,240

have more of that mindset that global

1966

01:07:42,950 --> 01:07:41,680

mindset that we're part of the earth

1967

01:07:45,829 --> 01:07:42,960

mindset and

1968

01:07:47,270 --> 01:07:45,839

you know i wonder about the idea uh that

1969

01:07:48,870 --> 01:07:47,280

people talk about that there might be

1970

01:07:50,549 --> 01:07:48,880

some type of energy grit under the

1971

01:07:51,349 --> 01:07:50,559

sacred ruins that have been built around

1972

01:07:52,789 --> 01:07:51,359

the globe

1973

01:07:54,390 --> 01:07:52,799

and then i think about people's

1974

01:07:56,710 --> 01:07:54,400

obsession with astrology

1975

01:07:58,150 --> 01:07:56,720

and the precise aligning of these

1976

01:07:59,990 --> 01:07:58,160

structures with stars

1977

01:08:02,150 --> 01:08:00,000

and also the lore that you mentioned

1978

01:08:04,549 --> 01:08:02,160

about like travel to realms and stuff

1979

01:08:06,950 --> 01:08:04,559

and i wonder if it all relates to an

1980

01:08:08,710 --> 01:08:06,960

ability to somehow induce astral travel

1981

01:08:11,349 --> 01:08:08,720

or an out-of-body experience

1982

01:08:13,029 --> 01:08:11,359

with these structures on the place that

1983

01:08:15,109 --> 01:08:13,039

they are on the earth

1984

01:08:17,189 --> 01:08:15,119

it's a very good question isn't it well

1985

01:08:19,269 --> 01:08:17,199

my uh the book after

1986

01:08:20,630 --> 01:08:19,279

um the lost civilization enigma is

1987

01:08:23,349 --> 01:08:20,640

actually going to

1988

01:08:23,990 --> 01:08:23,359

go into an aspect of that not as as big

1989

01:08:27,110 --> 01:08:24,000

as as you

1990

01:08:29,269 --> 01:08:27,120

pointed out uh but like a subset of that

1991

01:08:31,910 --> 01:08:29,279

um and the working title is actually

1992

01:08:34,070 --> 01:08:31,920

called the afterlife machines of the

1993

01:08:35,269 --> 01:08:34,080

it's probably going to change um oh

1994

01:08:37,590 --> 01:08:35,279

that's cool but um

1995

01:08:39,910 --> 01:08:37,600

it does show you that certain people at

1996

01:08:43,269 --> 01:08:39,920

certain points on this globe

1997

01:08:45,669 --> 01:08:43,279

were um kind of like had a

1998

01:08:47,349 --> 01:08:45,679

did they showed up in a place and um

1999

01:08:47,990 --> 01:08:47,359

basically were convinced that they were

2000

01:08:51,030 --> 01:08:48,000

gonna

2001

01:08:52,470 --> 01:08:51,040

get an otherworldly experience and um i

2002

01:08:53,510 --> 01:08:52,480

think the short answer to your question

2003

01:08:56,070 --> 01:08:53,520

is yes

2004

01:08:57,110 --> 01:08:56,080

um you know everything points out to the

2005

01:09:00,070 --> 01:08:57,120

fact that

2006

01:09:00,950 --> 01:09:00,080

certain places across the world um

2007

01:09:03,430 --> 01:09:00,960

allowed

2008

01:09:05,829 --> 01:09:03,440

for um access to the dimensions and that

2009

01:09:07,510 --> 01:09:05,839

our ancestors knew how they could

2010

01:09:10,870 --> 01:09:07,520

manipulate these places

2011

01:09:12,709 --> 01:09:10,880

into um regulating this like that

2012

01:09:15,110 --> 01:09:12,719

you know some places where happenstance

2013

01:09:17,030 --> 01:09:15,120

like the pythia

2014

01:09:18,630 --> 01:09:17,040

breeded fumes but sometimes there were

2015

01:09:20,070 --> 01:09:18,640

no fumes because they came from the

2016

01:09:21,910 --> 01:09:20,080

earth

2017

01:09:24,229 --> 01:09:21,920

and sometimes you didn't give off these

2018

01:09:26,390 --> 01:09:24,239

gases

2019

01:09:28,229 --> 01:09:26,400

they organized themselves it was very

2020

01:09:29,349 --> 01:09:28,239

much like you know soul factories in the

2021

01:09:31,829 --> 01:09:29,359

sense that

2022

01:09:32,870 --> 01:09:31,839

um everybody who wanted to know came to

2023

01:09:34,470 --> 01:09:32,880

these places

2024

01:09:37,349 --> 01:09:34,480

and would experience that they had a

2025

01:09:39,269 --> 01:09:37,359

soul um and the factory aspect com comes

2026

01:09:41,749 --> 01:09:39,279

in that that people came and

2027

01:09:43,910 --> 01:09:41,759

had to walk away with this experience

2028

01:09:45,749 --> 01:09:43,920

and so they they realized how they had

2029

01:09:47,349 --> 01:09:45,759

to collect regulate everything so that

2030

01:09:49,030 --> 01:09:47,359

everybody did go away

2031

01:09:50,390 --> 01:09:49,040

with that experience rather than just

2032

01:09:51,510 --> 01:09:50,400

coming saying well have you got a month

2033

01:09:54,630 --> 01:09:51,520

to hang out

2034

01:09:56,149 --> 01:09:54,640

um and

2035

01:09:58,310 --> 01:09:56,159

you know that that is kind of like i

2036

01:10:00,870 --> 01:09:58,320

think some of of of the lost

2037

01:10:01,750 --> 01:10:00,880

technology um it was a spiritual

2038

01:10:05,270 --> 01:10:01,760

technology

2039

01:10:08,390 --> 01:10:05,280

was meant to be

2040

01:10:11,830 --> 01:10:08,400

or to make us uh spiritual by giving us

2041

01:10:13,830 --> 01:10:11,840

experiences um but yes you know

2042

01:10:16,870 --> 01:10:13,840

there's definitely evidence that certain

2043

01:10:20,149 --> 01:10:16,880

places across the world um

2044

01:10:21,669 --> 01:10:20,159

have this ability innately

2045

01:10:24,390 --> 01:10:21,679

and then obviously when they were

2046

01:10:27,669 --> 01:10:24,400

enhanced by our ancestors

2047

01:10:30,229 --> 01:10:27,679

became not necessarily even more

2048

01:10:32,070 --> 01:10:30,239

powerful as a place of initiation but

2049

01:10:35,430 --> 01:10:32,080

definitely we're recognized as a power

2050

01:10:39,189 --> 01:10:35,440

of initiation but i think as a whole um

2051
01:10:41,189 --> 01:10:39,199
any place on earth you know suffices to

2052
01:10:43,030 --> 01:10:41,199
to kind of like make us go out of our

2053
01:10:43,990 --> 01:10:43,040
mind certain places are just more

2054
01:10:46,070 --> 01:10:44,000
powerful

2055
01:10:48,390 --> 01:10:46,080
than others and and our ancestors you

2056
01:10:51,270 --> 01:10:48,400
know picked those places

2057
01:10:53,350 --> 01:10:51,280
obviously where it was easier and and

2058
01:10:54,070 --> 01:10:53,360
and to to some extent better for them to

2059
01:10:56,470 --> 01:10:54,080
work at

2060
01:10:57,910 --> 01:10:56,480
uh than other places because they could

2061
01:10:58,950 --> 01:10:57,920
pick and choose where they wanted to go

2062
01:11:01,430 --> 01:10:58,960
because

2063
01:11:03,270 --> 01:11:01,440

there weren't any borders man there's

2064

01:11:03,990 --> 01:11:03,280

there's so many questions you know it's

2065

01:11:07,910 --> 01:11:04,000

a

2066

01:11:09,270 --> 01:11:07,920

but

2067

01:11:11,030 --> 01:11:09,280

i know you got to get out of here soon i

2068

01:11:11,990 --> 01:11:11,040

have a couple of questions that people

2069

01:11:13,990 --> 01:11:12,000

sent in from the internet

2070

01:11:17,189 --> 01:11:14,000

if you got we can do some quick ones

2071

01:11:18,630 --> 01:11:17,199

sure before you go uh fernando asked

2072

01:11:20,229 --> 01:11:18,640

has there been any real outside

2073

01:11:22,229 --> 01:11:20,239

influence on ancient aliens

2074

01:11:23,990 --> 01:11:22,239

or censorship told you can't talk about

2075

01:11:24,709 --> 01:11:24,000

a certain subject or they might pull the

2076

01:11:26,149 --> 01:11:24,719

plug

2077

01:11:27,830 --> 01:11:26,159

and do you think the government's out

2078

01:11:28,870 --> 01:11:27,840

there someone's out there throwing out

2079

01:11:31,910 --> 01:11:28,880

disinformation

2080

01:11:34,070 --> 01:11:31,920

to muddy these waters a little bit

2081

01:11:36,070 --> 01:11:34,080

um nobody has ever tried to interfere

2082

01:11:37,590 --> 01:11:36,080

with anything being said on ancient

2083

01:11:38,709 --> 01:11:37,600

aliens but as i said there are like

2084

01:11:40,790 --> 01:11:38,719

completely

2085

01:11:42,229 --> 01:11:40,800

human uh considerations to make like

2086

01:11:44,229 --> 01:11:42,239

it's a tv show

2087

01:11:45,270 --> 01:11:44,239

um so anything which isn't visual will

2088

01:11:48,310 --> 01:11:45,280

not be aired

2089

01:11:49,430 --> 01:11:48,320

um because there's nothing to air it's

2090

01:11:52,550 --> 01:11:49,440

it's not visual

2091

01:11:55,750 --> 01:11:52,560

um and you know i don't believe in this

2092

01:11:56,790 --> 01:11:55,760

kind like pool being plugged up uh plug

2093

01:11:59,830 --> 01:11:56,800

being pulled

2094

01:12:03,270 --> 01:11:59,840

um on television shows um

2095

01:12:03,590 --> 01:12:03,280

you know it doesn't happen it happens in

2096

01:12:07,750 --> 01:12:03,600

in

2097

01:12:09,510 --> 01:12:07,760

actually knows about it

2098

01:12:11,990 --> 01:12:09,520

mostly have to do with biographies of

2099

01:12:12,870 --> 01:12:12,000

people um whereby somebody from the

2100

01:12:14,870 --> 01:12:12,880

family or

2101

01:12:16,310 --> 01:12:14,880

somebody else you know puts an

2102

01:12:19,830 --> 01:12:16,320

injunction in there

2103

01:12:23,030 --> 01:12:19,840

um it sometimes happens on things to do

2104

01:12:25,030 --> 01:12:23,040

with secrets of state but you know

2105

01:12:26,790 --> 01:12:25,040

nothing of the ancient alien thing has

2106

01:12:29,750 --> 01:12:26,800

anything to do with that

2107

01:12:30,229 --> 01:12:29,760

and the ufo waters have been so muddled

2108

01:12:31,990 --> 01:12:30,239

um

2109

01:12:33,430 --> 01:12:32,000

that our government actually loves the

2110

01:12:36,550 --> 01:12:33,440

fact and i actually think is

2111

01:12:37,510 --> 01:12:36,560

actively engaged in promoting these

2112

01:12:39,270 --> 01:12:37,520

things

2113

01:12:40,870 --> 01:12:39,280

because they know that the waters are so

2114

01:12:43,510 --> 01:12:40,880

muddled that you know they are

2115

01:12:44,950 --> 01:12:43,520

safe um and they don't need to use

2116

01:12:47,030 --> 01:12:44,960

anything of that kind

2117

01:12:48,950 --> 01:12:47,040

well you know the something we talked

2118

01:12:50,390 --> 01:12:48,960

about earlier which is the idea of

2119

01:12:53,590 --> 01:12:50,400

making things up

2120

01:12:55,510 --> 01:12:53,600

i mean i think that that's a built-in

2121

01:12:57,110 --> 01:12:55,520

plus for the people who really want to

2122

01:12:59,030 --> 01:12:57,120

muddy the waters because

2123

01:13:00,390 --> 01:12:59,040

the the economy itself you know rent's

2124

01:13:01,350 --> 01:13:00,400

got to get paid so if you're out there

2125

01:13:02,630 --> 01:13:01,360

doing research

2126
01:13:04,470 --> 01:13:02,640
and you don't come up with something

2127
01:13:05,910 --> 01:13:04,480
interesting or narrative that makes

2128
01:13:07,510 --> 01:13:05,920
sense and is easy to market

2129
01:13:09,669 --> 01:13:07,520
you might be out on the street tomorrow

2130
01:13:11,030 --> 01:13:09,679
so yeah you know if on the 30th of the

2131
01:13:12,390 --> 01:13:11,040
month you haven't found it well i guess

2132
01:13:15,510 --> 01:13:12,400
it's time to start writing it

2133
01:13:17,270 --> 01:13:15,520
and science scientists do it as well um

2134
01:13:19,030 --> 01:13:17,280
you know if if this report is not going

2135
01:13:21,270 --> 01:13:19,040
to be published then because it's

2136
01:13:23,910 --> 01:13:21,280
it's basically you know an archaeologist

2137
01:13:25,590 --> 01:13:23,920
who goes into a field and finds nothing

2138
01:13:27,110 --> 01:13:25,600

kind like realizes that might not be the

2139

01:13:27,990 --> 01:13:27,120

best thing for his career and quite a

2140

01:13:30,790 --> 01:13:28,000

few of them

2141

01:13:32,790 --> 01:13:30,800

have gone to the sellers of museums

2142

01:13:35,590 --> 01:13:32,800

where they know that most of watches in

2143

01:13:37,189 --> 01:13:35,600

these sellers is unindexed anyway

2144

01:13:38,709 --> 01:13:37,199

and they can't pretend they found it a

2145

01:13:41,430 --> 01:13:38,719

few weeks before

2146

01:13:42,550 --> 01:13:41,440

um that happens on on a daily basis uh

2147

01:13:44,950 --> 01:13:42,560

you know

2148

01:13:45,990 --> 01:13:44,960

but but yeah this idea that that somehow

2149

01:13:49,110 --> 01:13:46,000

there are injunctions

2150

01:13:51,189 --> 01:13:49,120

placed uh you know it it's

2151

01:13:53,510 --> 01:13:51,199

it doesn't work like that well that's

2152

01:13:56,390 --> 01:13:53,520

good to know and i got one more question

2153

01:13:56,870 --> 01:13:56,400

from this jake fella jake says he thinks

2154

01:13:58,870 --> 01:13:56,880

there's an

2155

01:13:59,990 --> 01:13:58,880

obvious correlation between aliens and

2156

01:14:02,229 --> 01:14:00,000

what the ancients thought

2157

01:14:03,270 --> 01:14:02,239

were gods but do you think these beings

2158

01:14:05,270 --> 01:14:03,280

could or did

2159

01:14:07,510 --> 01:14:05,280

create life on earth or even manipulate

2160

01:14:08,709 --> 01:14:07,520

the environment to support life

2161

01:14:11,350 --> 01:14:08,719

and i guess you kind of talk about that

2162

01:14:14,790 --> 01:14:11,360

in the book with the terraforming idea

2163

01:14:17,910 --> 01:14:14,800

yes um i mean yes i believe that

2164

01:14:18,790 --> 01:14:17,920

that that dna is is intelligent that um

2165

01:14:20,709 --> 01:14:18,800

you know

2166

01:14:22,550 --> 01:14:20,719

dna is far more interesting than we

2167

01:14:26,070 --> 01:14:22,560

think it is i think that dna

2168

01:14:29,110 --> 01:14:26,080

is universal um i don't think

2169

01:14:32,310 --> 01:14:29,120

dna was sent by an intelligence here

2170

01:14:33,510 --> 01:14:32,320

i actually think dna is the intelligence

2171

01:14:37,990 --> 01:14:33,520

which sends itself

2172

01:14:44,630 --> 01:14:41,189

um you know have we been

2173

01:14:47,669 --> 01:14:44,640

hazard climate been been adapted i think

2174

01:14:50,310 --> 01:14:47,679

um no i don't think

2175

01:14:51,510 --> 01:14:50,320

um an extraterrestrial force has adapted

2176

01:14:54,149 --> 01:14:51,520

our climate

2177

01:14:55,510 --> 01:14:54,159

uh to so to fit certain needs i think

2178

01:14:55,990 --> 01:14:55,520

it's far easier to do it the other way

2179

01:14:58,149 --> 01:14:56,000

around which

2180

01:14:59,110 --> 01:14:58,159

is adapt us to our environment or let's

2181

01:15:02,950 --> 01:14:59,120

just you know

2182

01:15:06,070 --> 01:15:02,960

life be um but again i think you know

2183

01:15:07,910 --> 01:15:06,080

um the history of of

2184

01:15:10,550 --> 01:15:07,920

extraterrestrial intervention in this

2185

01:15:12,630 --> 01:15:10,560

earth didn't begin with homo sapiens it

2186

01:15:15,350 --> 01:15:12,640

began with the arrival of dna

2187

01:15:16,870 --> 01:15:15,360

and that is basically what um francis

2188

01:15:18,790 --> 01:15:16,880

crick who was the

2189

01:15:20,149 --> 01:15:18,800

co-discoverer of double helix structure

2190

01:15:24,550 --> 01:15:20,159

of dna um

2191

01:15:26,630 --> 01:15:24,560

set himself when nasa is recreating

2192

01:15:28,310 --> 01:15:26,640

interstellar space what they find is

2193

01:15:31,590 --> 01:15:28,320

that the building blocks of dna

2194

01:15:35,110 --> 01:15:31,600

i.e life are present there it happens

2195

01:15:38,149 --> 01:15:35,120

it has created the universe creates life

2196

01:15:40,550 --> 01:15:38,159

itself um you know

2197

01:15:42,790 --> 01:15:40,560

and and that is something which

2198

01:15:47,830 --> 01:15:42,800

scientists are aware of scientists

2199

01:15:51,030 --> 01:15:47,840

know um but because it is only a decade

2200

01:15:52,550 --> 01:15:51,040

um old isn't much out there as

2201

01:15:54,630 --> 01:15:52,560

something which people know about and

2202

01:15:56,390 --> 01:15:54,640

something which you kind of you know

2203

01:15:57,830 --> 01:15:56,400

we are considering as part of the daily

2204

01:16:00,950 --> 01:15:57,840

debate but um

2205

01:16:05,189 --> 01:16:00,960

you know i think intelligent life

2206

01:16:09,350 --> 01:16:05,199

began when life came to planet earth and

2207

01:16:10,390 --> 01:16:09,360

we are we are just an aspect of that we

2208

01:16:13,189 --> 01:16:10,400

are you know

2209

01:16:14,229 --> 01:16:13,199

the final thing of on two legs which is

2210

01:16:16,390 --> 01:16:14,239

running around but

2211

01:16:17,990 --> 01:16:16,400

there are things swimming in the ocean

2212

01:16:21,189 --> 01:16:18,000

um and there are

2213

01:16:21,910 --> 01:16:21,199

animals out there you know which have a

2214

01:16:23,910 --> 01:16:21,920

conscious

2215

01:16:25,189 --> 01:16:23,920

of themselves somebody was actually

2216

01:16:25,669 --> 01:16:25,199

pointing out a few weeks ago he said

2217

01:16:28,310 --> 01:16:25,679

like

2218

01:16:30,229 --> 01:16:28,320

cats never meow against each other when

2219

01:16:31,110 --> 01:16:30,239

cats meow it's always for the attention

2220

01:16:32,550 --> 01:16:31,120

of the humans

2221

01:16:34,310 --> 01:16:32,560

so he said like so how do cats

2222

01:16:36,870 --> 01:16:34,320

communicate with each other and

2223

01:16:37,350 --> 01:16:36,880

um it's it's one of those things you

2224

01:16:38,870 --> 01:16:37,360

know we

2225

01:16:41,189 --> 01:16:38,880

we think we know all of these animals

2226

01:16:44,229 --> 01:16:41,199

who are who are around us

2227

01:16:46,470 --> 01:16:44,239

but really we don't um and and clearly

2228

01:16:48,229 --> 01:16:46,480

when we began to study dolphins it was

2229

01:16:51,590 --> 01:16:48,239

clearly the case that we had

2230

01:16:52,470 --> 01:16:51,600

hardly any idea whatsoever um as to who

2231

01:16:55,830 --> 01:16:52,480

they were or what

2232

01:16:58,229 --> 01:16:55,840

um was going on there but you know

2233

01:16:59,189 --> 01:16:58,239

we are we're an interesting species we

2234

01:17:00,790 --> 01:16:59,199

will um

2235

01:17:02,310 --> 01:17:00,800

hopefully move along and find some of

2236

01:17:03,750 --> 01:17:02,320

these answers

2237

01:17:05,030 --> 01:17:03,760

well thanks a lot for being here man

2238

01:17:06,550 --> 01:17:05,040

that's pretty much all i got for i know

2239

01:17:08,390 --> 01:17:06,560

you got to get going it's been

2240

01:17:09,830 --> 01:17:08,400

an awesome show i had a great time

2241

01:17:10,950 --> 01:17:09,840

talking to you i mean we talked a little

2242

01:17:13,030 --> 01:17:10,960

bit about

2243

01:17:14,950 --> 01:17:13,040

your upcoming book and you just put out

2244

01:17:16,709 --> 01:17:14,960

killing kennedy

2245

01:17:18,390 --> 01:17:16,719

i saw on your website you got some

2246

01:17:19,510 --> 01:17:18,400

upcoming tours which really looked

2247

01:17:21,110 --> 01:17:19,520

fascinating to me

2248

01:17:23,350 --> 01:17:21,120

uh the bosnian valley of the pyramids

2249

01:17:23,990 --> 01:17:23,360

and the inca tours those are exactly

2250

01:17:26,149 --> 01:17:24,000

what

2251

01:17:27,750 --> 01:17:26,159

uh i talked to somebody patchinard on a

2252

01:17:30,870 --> 01:17:27,760

past show about the idea that

2253

01:17:33,750 --> 01:17:30,880

someone needs to go and and do these

2254

01:17:36,630 --> 01:17:33,760

tours with the idea of the alternative

2255

01:17:38,070 --> 01:17:36,640

history rather than conventional and i

2256

01:17:39,990 --> 01:17:38,080

mean it seems i read the description

2257

01:17:41,110 --> 01:17:40,000

seems exactly like what that is it seems

2258

01:17:44,149 --> 01:17:41,120

awesome

2259

01:17:45,669 --> 01:17:44,159

absolutely again kathleen and i we do

2260

01:17:49,350 --> 01:17:45,679

these tours regularly

2261

01:17:51,510 --> 01:17:49,360

um bosnia and and peru is is up

2262

01:17:53,830 --> 01:17:51,520

um but like we also take people to

2263

01:17:57,189 --> 01:17:53,840

france and we take people to scotland

2264

01:17:57,510 --> 01:17:57,199

um because we really feel that there is

2265

01:17:59,830 --> 01:17:57,520

no

2266

01:18:01,669 --> 01:17:59,840

substitute for traveling for people

2267

01:18:04,870 --> 01:18:01,679

showing them and say like you know

2268

01:18:05,830 --> 01:18:04,880

um things like you know because the

2269

01:18:08,149 --> 01:18:05,840

other way around

2270

01:18:09,430 --> 01:18:08,159

it's so weird i mean on a completely

2271

01:18:10,870 --> 01:18:09,440

different note and very quickly

2272

01:18:12,470 --> 01:18:10,880

like you know davinci code somehow

2273

01:18:13,350 --> 01:18:12,480

believed that the body of mary magdalene

2274

01:18:16,470 --> 01:18:13,360

is missing

2275

01:18:17,270 --> 01:18:16,480

it's not it's on display in churches in

2276

01:18:18,630 --> 01:18:17,280

parts

2277

01:18:20,630 --> 01:18:18,640

you know one church has a head the other

2278

01:18:22,470 --> 01:18:20,640

one has bone and the church

2279

01:18:25,110 --> 01:18:22,480

absolutely agrees with the fact that

2280

01:18:28,550 --> 01:18:25,120

mary magdalene came to france after

2281

01:18:30,070 --> 01:18:28,560

jesus's death but if you don't travel to

2282

01:18:32,790 --> 01:18:30,080

these places

2283

01:18:34,470 --> 01:18:32,800

you will or you're potentially convinced

2284

01:18:36,149 --> 01:18:34,480

that dan brown might be right that she's

2285

01:18:39,350 --> 01:18:36,159

somewhere underneath the louvre

2286

01:18:42,070 --> 01:18:39,360

um in the shopping mall and

2287

01:18:43,590 --> 01:18:42,080

you know it's it's we want to put people

2288

01:18:45,669 --> 01:18:43,600

into contact with the re

2289

01:18:47,189 --> 01:18:45,679

with the reality and say this is what

2290

01:18:48,550 --> 01:18:47,199

you've read about about this is what

2291

01:18:50,229 --> 01:18:48,560

you've seen on tv

2292

01:18:51,590 --> 01:18:50,239

um now meet the real thing meet the real

2293

01:18:54,790 --> 01:18:51,600

people involved

2294

01:18:56,229 --> 01:18:54,800

um and it becomes real and you know it

2295

01:18:57,750 --> 01:18:56,239

it's not just something which you've

2296

01:19:00,229 --> 01:18:57,760

read about or seen about

2297

01:19:02,470 --> 01:19:00,239

it the world needs to be lived not seen

2298

01:19:05,110 --> 01:19:02,480

on tv or read about in a book

2299

01:19:05,990 --> 01:19:05,120

great point so you stop just being alive

2300

01:19:08,390 --> 01:19:06,000

and start living

2301

01:19:09,910 --> 01:19:08,400

on philippines.com is the website phil

2302

01:19:12,229 --> 01:19:09,920

you got anything else to let the people

2303

01:19:16,870 --> 01:19:12,239

know about while i still got you

2304

01:19:20,470 --> 01:19:16,880

um philip coppins p-h-i-p-c-o-w-p-e-n-s

2305

01:19:22,470 --> 01:19:20,480

um and if you go to twitter or facebook

2306

01:19:25,350 --> 01:19:22,480

and you type in my name there

2307

01:19:26,630 --> 01:19:25,360

you will also come to me um so you can

2308

01:19:29,350 --> 01:19:26,640

kind of like follow me

2309

01:19:30,229 --> 01:19:29,360

on a more daily basis if you want and

2310

01:19:32,790 --> 01:19:30,239

kind of like

2311

01:19:33,669 --> 01:19:32,800

my the website has articles has

2312

01:19:36,870 --> 01:19:33,679

informations about

2313

01:19:38,470 --> 01:19:36,880

book has information about tours um has

2314

01:19:40,310 --> 01:19:38,480

basically like the central point of

2315

01:19:42,390 --> 01:19:40,320

contact all right

2316

01:19:43,910 --> 01:19:42,400

well philip copens you're the man keep

2317

01:19:45,350 --> 01:19:43,920

fighting the good fight keep doing your

2318

01:19:46,390 --> 01:19:45,360

research i'll keep reading about it and

2319

01:19:47,350 --> 01:19:46,400

hopefully i can get you on again

2320

01:19:49,270 --> 01:19:47,360

sometime

2321

01:19:51,350 --> 01:19:49,280

absolutely it's been my pleasure and we

2322

01:19:52,070 --> 01:19:51,360

will meet again alrighty sir enjoy your

2323

01:19:56,229 --> 01:19:52,080

day

2324

01:19:57,830 --> 01:19:56,239

thank you thank you there it is people

2325

01:19:59,590 --> 01:19:57,840

there you have it be sure to check out

2326

01:20:01,030 --> 01:19:59,600

the work of philip copens on his website

2327

01:20:02,550 --> 01:20:01,040

and get connected with me in the higher

2328

01:20:03,430 --> 01:20:02,560

side chats on facebook twitter and

2329

01:20:05,350 --> 01:20:03,440

youtube

2330

01:20:06,870 --> 01:20:05,360

and stop by conspiracies.net for all

2331

01:20:09,110 --> 01:20:06,880

your conspiracy clothing needs the

2332

01:20:11,669 --> 01:20:09,120

coupon code higher side get your 15

2333

01:20:13,669 --> 01:20:11,679

off here's a band called the believers

2334

01:20:15,430 --> 01:20:13,679

will be suspicious with the song the

2335

01:20:16,149 --> 01:20:15,440

light appropriately about a weird light

2336

01:20:18,390 --> 01:20:16,159

in the sky

2337

01:20:32,950 --> 01:20:18,400

check them out if you like it boom i'm

2338

01:20:36,870 --> 01:20:32,960

outta here

2339

01:20:41,590 --> 01:20:36,880

late one night i saw the light

2340

01:20:49,910 --> 01:20:45,430

something strange and i cannot

2341

01:20:49,920 --> 01:21:25,350

but i know i'm never gone

2342

01:21:34,149 --> 01:21:29,510

i'm at the bar drinking thinking

2343

01:21:51,830 --> 01:21:37,430

if i can't get my pay

2344

01:21:51,840 --> 01:22:08,790

late one night i saw the light

2345

01:22:08,800 --> 01:22:36,830

but i know i'm never

2346

01:22:36,840 --> 01:22:50,830

um

2347

01:22:50,840 --> 01:23:04,830

oh

2348

01:23:04,840 --> 01:23:10,390

uh

2349

01:23:16,709 --> 01:23:13,669

twenty dollar room some

2350

01:23:20,390 --> 01:23:16,719

cheap red white and i'd be

2351

01:23:27,910 --> 01:23:20,400

fine smells like

2352

01:23:36,709 --> 01:23:32,629

i don't need shiny things to make me

2353

01:23:45,669 --> 01:23:36,719

feel like i'm okay

2354

01:23:54,310 --> 01:23:49,590

late one night i saw the light

2355

01:23:54,320 --> 01:24:00,830

something strange and i cannot

2356

01:24:06,709 --> 01:24:02,550

explain

2357

01:24:11,750 --> 01:24:06,719

but i know i'm never gonna be

2358

01:24:20,550 --> 01:24:15,590

late one night i saw the light

2359

01:24:29,030 --> 01:24:24,470

something strange i cannot
