little smoke and talk about something

11
00:00:55,229 --> 00:00:53,679
that's not being rammed down our throats

12
00:00:57,119 --> 00:00:55,239
and that's what we're going to do folks

13
00:00:59,040 --> 00:00:57,129

my guest today deserves some serious

14

00:01:00,630 --> 00:00:59,050

respect because he spent nearly three

15

00:01:02,759 --> 00:01:00,640

decades researching and investigating

16

00:01:04,170 --> 00:01:02,769

the claim that the Catholic Church is

17

00:01:06,750 --> 00:01:04,180

behind the assassination of President

18

00:01:08,480 --> 00:01:06,760

Lincoln almost 150 years ago he's

19

00:01:10,830 --> 00:01:08,490

presented a very thorough and detailed

20

00:01:12,270 --> 00:01:10,840

investigation in his fascinating book

21

00:01:14,160 --> 00:01:12,280

who killed Abraham Lincoln

22

00:01:16,109 --> 00:01:14,170

prepare to be lathered in the sweet may

23

00:01:19,859 --> 00:01:16,119

flee goodness up today's guest Paul

24

00:01:22,679 --> 00:01:19,869

syrup Paul how are you very well thanks

25

00:01:24,690 --> 00:01:22,689

how are you I'm great you know thanks

26
00:01:27,149 --> 00:01:24,700
for being here I love conspiracies and

27
00:01:28,980 --> 00:01:27,159
I've always had a real curiosity with

28
00:01:30,870 --> 00:01:28,990
stories and accounts of the dark side of

29
00:01:33,389 --> 00:01:30,880
the Catholic Church so your book really

30
00:01:35,100 --> 00:01:33,399
struck a certain chord with me but uh

31
00:01:36,539 --> 00:01:35,110
something I want people to understand is

32
00:01:38,580 --> 00:01:36,549
just how much work you really did on

33
00:01:40,170 --> 00:01:38,590
this the book is full of sources and

34
00:01:41,999 --> 00:01:40,180
copies of official documents and

35
00:01:44,219 --> 00:01:42,009
handwritten letters in fact the book

36
00:01:46,230 --> 00:01:44,229
comes with a CD of thousands of

37
00:01:47,849 --> 00:01:46,240
documents I mean this is more than just

38
00:01:49,440 --> 00:01:47,859

a hunch Paul how did you get started on

39

00:01:53,700 --> 00:01:49,450

the subject and how much work have you

40

00:01:57,050 --> 00:01:53,710

really put into this oh well I I didn't

41

00:01:59,940 --> 00:01:57,060

realize it at the time I just read

42

00:02:02,039 --> 00:01:59,950

Charles tunicates book 50 years in the

43

00:02:06,359 --> 00:02:02,049

Church of Rome and I believe it was in

44

00:02:11,160 --> 00:02:06,369

the spring of 1986 and I was so

45

00:02:13,740 --> 00:02:11,170

surprised by what he said that I just

46

00:02:17,040 --> 00:02:13,750

became very very curious about him and I

47

00:02:18,480 --> 00:02:17,050

started to research I wrote a few

48

00:02:21,940 --> 00:02:18,490

letters and

49

00:02:24,400 --> 00:02:21,950

and then I and I got some replies back

50

00:02:27,220 --> 00:02:24,410

and and that's what started me I just

51
00:02:30,820 --> 00:02:27,230
wanted to know who this man was and you

52
00:02:33,550 --> 00:02:30,830
know what sort of credibility he had and

53
00:02:37,480 --> 00:02:33,560
and and I had no plans of doing anything

54
00:02:38,740 --> 00:02:37,490
when I started I was just curious and

55
00:02:42,400 --> 00:02:38,750
that's so interesting let's talk about

56
00:02:43,660 --> 00:02:42,410
this priest Charles Chen okay he's a

57
00:02:45,880 --> 00:02:43,670
friend of Lincoln and the first to

58
00:02:47,620 --> 00:02:45,890
publicly accused the Catholic Church for

59
00:02:50,230 --> 00:02:47,630
his murder and in his day he was

60
00:02:51,730 --> 00:02:50,240
immensely popular with the people but he

61
00:02:53,800 --> 00:02:51,740
wasn't big on blindly following

62
00:02:55,840 --> 00:02:53,810
authority which bruised some egos in the

63
00:02:57,730 --> 00:02:55,850

Catholic hierarchy but we're where did

64

00:03:04,560 --> 00:02:57,740

his break from the Catholic authorities

65

00:03:08,590 --> 00:03:04,570

start well he he said in his

66

00:03:11,410 --> 00:03:08,600

autobiography that he grew up in in

67

00:03:14,140 --> 00:03:11,420

Quebec and he he learned the Bible from

68

00:03:16,210 --> 00:03:14,150

his at his mother's side and he and very

69

00:03:21,660 --> 00:03:16,220

much enjoyed reading the Bible and and

70

00:03:23,980 --> 00:03:21,670

then his father died and he ended up in

71

00:03:25,960 --> 00:03:23,990

under the care of an uncle and he

72

00:03:30,360 --> 00:03:25,970

decided to study for the priesthood and

73

00:03:33,010 --> 00:03:30,370

as he studied for the priesthood his

74

00:03:34,980 --> 00:03:33,020

independent thought and and his

75

00:03:37,450 --> 00:03:34,990

knowledge of the Bible made him question

76

00:03:41,590 --> 00:03:37,460

the things that he learned he was taught

77

00:03:44,290 --> 00:03:41,600

and then but he and and he had problems

78

00:03:46,420 --> 00:03:44,300

with things like obeying what his

79

00:03:48,610 --> 00:03:46,430

superiors told him regard you know

80

00:03:53,320 --> 00:03:48,620

regardless of what they told him and

81

00:03:55,210 --> 00:03:53,330

things like celibacy and things like

82

00:03:58,720 --> 00:03:55,220

that but he still wanted to be a priest

83

00:04:04,199 --> 00:03:58,730

so he took his vows and but he still had

84

00:04:08,140 --> 00:04:04,209

this independent thought and that's what

85

00:04:12,670 --> 00:04:08,150

continued continued with him and and and

86

00:04:15,190 --> 00:04:12,680

he had he persuaded roughly half of

87

00:04:17,860 --> 00:04:15,200

Quebec in the mid 19th century to give

88

00:04:20,530 --> 00:04:17,870

up drinking he became concerned about

89

00:04:22,780 --> 00:04:20,540

the effects of alcohol for individuals

90

00:04:26,530 --> 00:04:22,790

and society in general and he

91

00:04:29,530 --> 00:04:26,540

established a Temperance Society and was

92

00:04:32,290 --> 00:04:29,540

tremendously successful and he his

93

00:04:34,629 --> 00:04:32,300

portrait was in in most of the

94

00:04:38,309 --> 00:04:34,639

holds in Quebec for his work that he did

95

00:04:42,309 --> 00:04:38,319

and he was recognized for that and then

96

00:04:43,240 --> 00:04:42,319

and then he ended up down in in Chicago

97

00:04:44,950 --> 00:04:43,250

area

98

00:04:46,809 --> 00:04:44,960

well actually self in Chicago and

99

00:04:48,700 --> 00:04:46,819

invited by the Bishop of Chicago and

100

00:04:53,110 --> 00:04:48,710

then he had a very very public clash

101
00:04:57,610 --> 00:04:53,120
with a different Bishop of Chicago which

102
00:05:00,249 --> 00:04:57,620
was well covered by the Chicago Press

103
00:05:03,760 --> 00:05:00,259
I believe the Chicago Tribune reported

104
00:05:05,499 --> 00:05:03,770
on him about a hundred times and and not

105
00:05:08,140 --> 00:05:05,509
actually resulted in that Bishop being

106
00:05:11,740 --> 00:05:08,150
summoned to Rome and removed as a Bishop

107
00:05:13,300 --> 00:05:11,750
of Chicago I mean that just shows like

108
00:05:16,959 --> 00:05:13,310
the kind of influence he had he was a

109
00:05:18,339 --> 00:05:16,969
immensely popular guy and you know one

110
00:05:20,050 --> 00:05:18,349
of my favorite things that Jenna Kay

111
00:05:22,209 --> 00:05:20,060
says about his problems with the

112
00:05:24,520 --> 00:05:22,219
priesthood was when he was training in

113
00:05:26,409 --> 00:05:24,530

his college years he said that instead

114

00:05:28,719 --> 00:05:26,419

of stimulating the pupils intelligence

115

00:05:30,730 --> 00:05:28,729

Roman Catholic education institutions

116

00:05:32,649 --> 00:05:30,740

tried to prove that each student's own

117

00:05:35,770 --> 00:05:32,659

intellect was actually his greatest

118

00:05:37,809 --> 00:05:35,780

enemy and you know it's I think that's

119

00:05:39,519 --> 00:05:37,819

so true but why would someone so wise to

120

00:05:41,920 --> 00:05:39,529

the authoritarian brainwashing in the

121

00:05:45,219 --> 00:05:41,930

church continue to be a member of such

122

00:05:48,790 --> 00:05:45,229

an organization for so long that's a

123

00:05:52,120 --> 00:05:48,800

very very good question and you can ask

124

00:05:55,050 --> 00:05:52,130

that I mean this Church's teachings

125

00:05:57,939 --> 00:05:55,060

hasn't really changed and you have very

126

00:06:00,610 --> 00:05:57,949

intelligent people even you know

127

00:06:04,089 --> 00:06:00,620

deciding that's what they want to be

128

00:06:07,180 --> 00:06:04,099

under and so that's a that's a good

129

00:06:08,830 --> 00:06:07,190

question it has a hold on people it's

130

00:06:15,219 --> 00:06:08,840

it's tremendous

131

00:06:20,800 --> 00:06:15,229

in Quebec most Quebecers don't go to the

132

00:06:24,040 --> 00:06:20,810

to church they I believe in in the 50s

133

00:06:26,080 --> 00:06:24,050

and 60s there you know 90% of them would

134

00:06:29,110 --> 00:06:26,090

go to church and now it's more like I

135

00:06:31,899 --> 00:06:29,120

think it's around 15% or something like

136

00:06:35,140 --> 00:06:31,909

that but they have they have no plans of

137

00:06:38,680 --> 00:06:35,150

changing their religious affiliation and

138

00:06:41,439 --> 00:06:38,690

so it's it's quite quite an interesting

139

00:06:43,180 --> 00:06:41,449

thing why why that is yeah it is

140

00:06:44,740 --> 00:06:43,190

definitely a weird thing I grew up in

141

00:06:45,700 --> 00:06:44,750

the Midwest where it's definitely

142

00:06:49,480 --> 00:06:45,710

prevalent and

143

00:06:50,890 --> 00:06:49,490

I never did really click with me but you

144

00:06:53,170 --> 00:06:50,900

know let's fast forward a bit to the

145

00:06:55,749 --> 00:06:53,180

conflict and that put Charles tunic a in

146

00:06:58,840 --> 00:06:55,759

court with the bishop in Chicago it also

147

00:07:01,120 --> 00:06:58,850

brought him an Abe Lincoln together yeah

148

00:07:04,390 --> 00:07:01,130

no it wasn't it wasn't actually the

149

00:07:07,540 --> 00:07:04,400

bishop chinna case said that it was a

150

00:07:12,310 --> 00:07:07,550

prominent Catholic people I think right

151
00:07:15,400 --> 00:07:12,320
who the bishop yeah the Bishop used but

152
00:07:17,230 --> 00:07:15,410
there is certainly at jinuk a biographer

153
00:07:20,500 --> 00:07:17,240
Richard lougheed out of Quebec and

154
00:07:23,379 --> 00:07:20,510
academic out of summitry all I said that

155
00:07:25,150 --> 00:07:23,389
there's very strong points to show that

156
00:07:30,810 --> 00:07:25,160
Jenica was correct that the bishop was

157
00:07:35,770 --> 00:07:30,820
behind the prosecution he because he

158
00:07:41,980 --> 00:07:35,780
stood up for for French the French in in

159
00:07:45,219 --> 00:07:41,990
Chicago they had to the reason he went

160
00:07:47,350 --> 00:07:45,229
there it was because a lot of French

161
00:07:49,089 --> 00:07:47,360
Canadians were leaving Quebec and going

162
00:07:51,670 --> 00:07:49,099
to the United States and they were going

163
00:07:54,430 --> 00:07:51,680

to the larger urban centers where they

164

00:07:57,360 --> 00:07:54,440

were quote losing their religion I'm not

165

00:08:00,460 --> 00:07:57,370

concerned the Catholic Church so they

166

00:08:02,710 --> 00:08:00,470

asked unike to come down and establish a

167

00:08:08,939 --> 00:08:02,720

french-canadian Catholic colony self of

168

00:08:13,540 --> 00:08:08,949

Chicago which which he did and so the

169

00:08:15,370 --> 00:08:13,550

for but for some reason this the bishop

170

00:08:16,180 --> 00:08:15,380

he was invited by the second Bishop of

171

00:08:18,460 --> 00:08:16,190

Chicago

172

00:08:21,460 --> 00:08:18,470

van de velde but then his the succeeding

173

00:08:24,310 --> 00:08:21,470

bishop Anthony Oh Reagan an Irish man

174

00:08:27,390 --> 00:08:24,320

seemed to have a real problem with the

175

00:08:29,529 --> 00:08:27,400

French and with other Germans and

176

00:08:33,159 --> 00:08:29,539

essentially took the French's church

177

00:08:36,190 --> 00:08:33,169

away from them the building and rented

178

00:08:37,810 --> 00:08:36,200

it to Irish Catholics and you know

179

00:08:40,510 --> 00:08:37,820

things like that which outraged the

180

00:08:43,659 --> 00:08:40,520

French and Charles shinik a was willing

181

00:08:46,240 --> 00:08:43,669

to stand up to him and actually it drew

182

00:08:50,380 --> 00:08:46,250

the attention across the United States

183

00:08:52,420 --> 00:08:50,390

at this bishop was being this priest was

184

00:08:56,470 --> 00:08:52,430

standing up to this bishop and refusing

185

00:08:58,809 --> 00:08:56,480

to back down from him and stop so the

186

00:09:01,029 --> 00:08:58,819

bishop said I would give anything

187

00:09:03,639 --> 00:09:01,039

to the person who would get rid of this

188

00:09:05,979 --> 00:09:03,649

Jenica who causes me more problems than

189

00:09:08,009 --> 00:09:05,989

all the other priests combined you know

190

00:09:12,189 --> 00:09:08,019

what would Jesus do right

191

00:09:13,629 --> 00:09:12,199

well exactly yeah good good question yes

192

00:09:15,400 --> 00:09:13,639

I mean you study they study the

193

00:09:17,529 --> 00:09:15,410

teachings for so long and then you find

194

00:09:19,419 --> 00:09:17,539

out that it's just really a it seems

195

00:09:21,189 --> 00:09:19,429

more like just a secret society of

196

00:09:22,809 --> 00:09:21,199

people who are power-hungry that don't

197

00:09:24,879 --> 00:09:22,819

really believe what they're teaching but

198

00:09:26,650 --> 00:09:24,889

you know one question I had which you

199

00:09:29,259 --> 00:09:26,660

bring up that quote from him is that

200

00:09:31,779 --> 00:09:29,269

instead of dragging Chinna Kay through

201
00:09:35,019 --> 00:09:31,789
dozens of court battles for so long and

202
00:09:36,789 --> 00:09:35,029
bringing up you know 70 false witnesses

203
00:09:38,559 --> 00:09:36,799
most of them priests when I go through

204
00:09:41,469 --> 00:09:38,569
all this publicly and when you could

205
00:09:45,400 --> 00:09:41,479
just kill him early on kill Qin okay

206
00:09:47,799 --> 00:09:45,410
yeah ah well he was still a Catholic

207
00:09:51,699 --> 00:09:47,809
priest he hadn't left the Catholic

208
00:09:54,340 --> 00:09:51,709
Church at that time and there was he had

209
00:09:59,409 --> 00:09:54,350
friends in the Catholic Church people

210
00:10:02,919 --> 00:09:59,419
that he still looked up to and I think

211
00:10:07,979 --> 00:10:02,929
it was very very late in the game

212
00:10:12,039 --> 00:10:07,989
he left the Catholic Church in 1858 the

213
00:10:18,309 --> 00:10:12,049

the court battles that that Lincoln took

214

00:10:21,909 --> 00:10:18,319

pardon were in 1856 and and there was so

215

00:10:23,679 --> 00:10:21,919

write up - pretty late in the game as

216

00:10:30,039 --> 00:10:23,689

far as him being part of the Catholic

217

00:10:34,359 --> 00:10:30,049

Church you know hope he still had people

218

00:10:38,079 --> 00:10:34,369

that he was where it was friends with

219

00:10:42,879 --> 00:10:38,089

and the people and people are diverse

220

00:10:45,189 --> 00:10:42,889

over him yeah well they he and so maybe

221

00:10:47,559 --> 00:10:45,199

the church wasn't thinking about that

222

00:10:51,669 --> 00:10:47,569

yet this organization wasn't thinking

223

00:10:54,129 --> 00:10:51,679

about that yet but certainly he reports

224

00:10:56,710 --> 00:10:54,139

that there was after that there was many

225

00:10:58,840 --> 00:10:56,720

attempts on his life and we should say

226

00:11:01,119 --> 00:10:58,850

that during these court cases

227

00:11:03,669 --> 00:11:01,129

Abraham Lincoln was his lawyer that's

228

00:11:05,439 --> 00:11:03,679

kind of what brought them together and

229

00:11:08,409 --> 00:11:05,449

apparently that they developed a pretty

230

00:11:11,019 --> 00:11:08,419

rich friendship wouldn't you say I would

231

00:11:12,250 --> 00:11:11,029

say very much so I would say that their

232

00:11:14,680 --> 00:11:12,260

strong evidence

233

00:11:17,800 --> 00:11:14,690

Charles Jenica was Abraham Lincoln's

234

00:11:20,730 --> 00:11:17,810

best friend and which is you know pretty

235

00:11:24,580 --> 00:11:20,740

amazing when you consider what a

236

00:11:30,760 --> 00:11:24,590

towering figure Abraham Lincoln was and

237

00:11:32,470 --> 00:11:30,770

is yeah Lincoln said that he because she

238

00:11:35,680 --> 00:11:32,480

cared about the Catholic Church and he

239

00:11:37,630 --> 00:11:35,690

had been there a Lincoln wanted to know

240

00:11:40,630 --> 00:11:37,640

about the influence of the Catholic

241

00:11:42,310 --> 00:11:40,640

Church in the Civil War and so he

242

00:11:46,720 --> 00:11:42,320

consulted with chinoco

243

00:11:49,180 --> 00:11:46,730

about what was really going on what what

244

00:11:52,030 --> 00:11:49,190

things meant mm-hmm the letter of the

245

00:11:54,640 --> 00:11:52,040

Pope to Jeff Davis right that's a really

246

00:11:56,950 --> 00:11:54,650

interesting saying yeah I mean a lot of

247

00:11:59,680 --> 00:11:56,960

people aren't aware of this stuff and it

248

00:12:02,440 --> 00:11:59,690

it appears to be continued to be

249

00:12:06,910 --> 00:12:02,450

carefully suppressed I mean I feel that

250

00:12:09,880 --> 00:12:06,920

I have now run into some it appears to

251
00:12:11,890 --> 00:12:09,890
me to be censorship I was going to ask

252
00:12:14,410 --> 00:12:11,900
you if you've run into that because you

253
00:12:16,420 --> 00:12:14,420
know there's a lot of corruption that

254
00:12:17,710 --> 00:12:16,430
goes on and a lot of things are buried

255
00:12:19,900 --> 00:12:17,720
and redacted and we're dealing with

256
00:12:22,420 --> 00:12:19,910
something that's about 150 years old a

257
00:12:24,070 --> 00:12:22,430
lot of the information if it even if it

258
00:12:26,050 --> 00:12:24,080
hasn't been burned and destroyed is

259
00:12:29,160 --> 00:12:26,060
probably heavily guarded I mean did you

260
00:12:34,090 --> 00:12:29,170
you ran into a few roadblocks then uh

261
00:12:36,280 --> 00:12:34,100
well it's been more after the book was

262
00:12:37,900 --> 00:12:36,290
published I don't think people my own

263
00:12:40,510 --> 00:12:37,910

family didn't know what I was doing

264

00:12:43,210 --> 00:12:40,520

actually mostly like this I guess I kept

265

00:12:45,490 --> 00:12:43,220

it fairly close as a few people that did

266

00:12:46,200 --> 00:12:45,500

and I it made my life a little simpler

267

00:12:48,580 --> 00:12:46,210

for me

268

00:12:51,640 --> 00:12:48,590

people thought I had a girlfriend in

269

00:12:58,770 --> 00:12:51,650

Chicago as I was down there all the time

270

00:13:02,050 --> 00:12:58,780

but I was doing this research but I

271

00:13:06,610 --> 00:13:02,060

don't know that I found too much

272

00:13:08,680 --> 00:13:06,620

difficulty before but but but afterward

273

00:13:12,120 --> 00:13:08,690

there's you know that the book is out

274

00:13:15,910 --> 00:13:12,130

there seems to be some real heavy

275

00:13:18,940 --> 00:13:15,920

censorship um Karl Shaniqua was a major

276

00:13:21,370 --> 00:13:18,950

Chicago figure mm-hmm

277

00:13:23,380 --> 00:13:21,380

you know the Chicago Tribune put the

278

00:13:26,060 --> 00:13:23,390

notice of his 80th birthday on the front

279

00:13:28,639 --> 00:13:26,070

page now why do they do that to

280

00:13:31,129 --> 00:13:28,649

if somebody doesn't matter at all right

281

00:13:33,560 --> 00:13:31,139

he's how many Chicago figures have gone

282

00:13:36,740 --> 00:13:33,570

on to become world famous I think

283

00:13:40,910 --> 00:13:36,750

there's a very small handful that you

284

00:13:45,650 --> 00:13:40,920

could say that yet the Chicago Public

285

00:13:49,490 --> 00:13:45,660

Library has no books by or about him and

286

00:13:52,189 --> 00:13:49,500

there's no no plans to change the

287

00:13:58,879 --> 00:13:52,199

Chicago Tribune this is their own

288

00:14:00,499 --> 00:13:58,889

history which they apparently have it

289

00:14:03,170 --> 00:14:00,509

appears to me they're suppressing their

290

00:14:06,439 --> 00:14:03,180

own history to make sure they don't

291

00:14:10,160 --> 00:14:06,449

offend this organization mmm you're not

292

00:14:13,879 --> 00:14:10,170

interesting what I found and I run into

293

00:14:15,499 --> 00:14:13,889

other instances where you know in Canada

294

00:14:19,280 --> 00:14:15,509

the Canadian Broadcasting Corporation

295

00:14:21,499 --> 00:14:19,290

according to Richard lo he's in the 2009

296

00:14:24,470 --> 00:14:21,509

biography of Trinity Seneca is still

297

00:14:27,379 --> 00:14:24,480

Canada's most successful author of all

298

00:14:30,590 --> 00:14:27,389

time yet Canada's national broadcaster

299

00:14:32,329 --> 00:14:30,600

the CBC has never mentioned his name on

300

00:14:34,550 --> 00:14:32,339

a public on a national or provincial

301
00:14:36,680 --> 00:14:34,560
broadcast as far as I understand and how

302
00:14:38,629 --> 00:14:36,690
go plans are changing that that's a

303
00:14:42,079 --> 00:14:38,639
curious thing you know makes you to me

304
00:14:45,110 --> 00:14:42,089
that validates the information ya know

305
00:14:48,910 --> 00:14:45,120
and there's other instances that you'd

306
00:14:51,740 --> 00:14:48,920
like to say it all seems to fit together

307
00:14:54,199 --> 00:14:51,750
well now as Chinna K's lawyer

308
00:14:57,110 --> 00:14:54,209
Lincoln clearly got on the bad side of

309
00:14:58,790 --> 00:14:57,120
some people in the church hierarchy but

310
00:15:00,530 --> 00:14:58,800
was there there obviously there was a

311
00:15:02,329 --> 00:15:00,540
bigger motivation and plotting to kill

312
00:15:04,579 --> 00:15:02,339
the president than to settle an old

313
00:15:06,530 --> 00:15:04,589

grudge but your book points out several

314

00:15:08,929 --> 00:15:06,540

entrances of the church back in the

315

00:15:11,290 --> 00:15:08,939

South in the Civil War in secret but

316

00:15:16,579 --> 00:15:11,300

what was their motivation for doing that

317

00:15:19,100 --> 00:15:16,589

well I would advance the same argument

318

00:15:22,639 --> 00:15:19,110

that Chinna Kay does that the Catholic

319

00:15:25,850 --> 00:15:22,649

Church believes that ultimately it's the

320

00:15:29,150 --> 00:15:25,860

Dodge Church of God you know the God

321

00:15:32,600 --> 00:15:29,160

that created everything and as such they

322

00:15:37,579 --> 00:15:32,610

make the leap to the church should rule

323

00:15:39,030 --> 00:15:37,589

the world and so power should you know

324

00:15:40,949 --> 00:15:39,040

they did and

325

00:15:42,540 --> 00:15:40,959

the Pope certainly at the time of the

326

00:15:46,470 --> 00:15:42,550

Civil War and it was published in New

327

00:15:48,900 --> 00:15:46,480

York Times he publicly railed against

328

00:15:52,370 --> 00:15:48,910

things like freedom of religion and

329

00:15:58,939 --> 00:15:52,380

freedom of speech and and democracy and

330

00:16:03,660 --> 00:15:58,949

so therefore the United States as I

331

00:16:05,189 --> 00:16:03,670

believe the the only important democracy

332

00:16:09,660 --> 00:16:05,199

in the world at that time

333

00:16:12,660 --> 00:16:09,670

certainly the four most democratic

334

00:16:19,710 --> 00:16:12,670

nation in the world I believe provided a

335

00:16:21,930 --> 00:16:19,720

threat to this institution that again I

336

00:16:23,790 --> 00:16:21,940

suggest believes that in the Divine

337

00:16:25,949 --> 00:16:23,800

Right of Kings and then the church

338

00:16:29,040 --> 00:16:25,959

setting up the Kings therefore really

339

00:16:31,559 --> 00:16:29,050

controlling thanks and let's talk about

340

00:16:33,300 --> 00:16:31,569

that letter you mentioned from from the

341

00:16:39,629 --> 00:16:33,310

Pope to Jefferson Davis that was a

342

00:16:44,360 --> 00:16:39,639

really talent I believe so and here is

343

00:16:46,829 --> 00:16:44,370

this Pope writing a letter to Jeff Davis

344

00:16:49,829 --> 00:16:46,839

calling him the president of the

345

00:16:51,780 --> 00:16:49,839

Confederate States of America instead of

346

00:16:54,720 --> 00:16:51,790

the man leading a massive rebellion

347

00:16:56,730 --> 00:16:54,730

against the US nation them I was causing

348

00:16:59,610 --> 00:16:56,740

the deaths of hundreds of thousands of

349

00:17:02,189 --> 00:16:59,620

America's finest young men and yeah

350

00:17:05,399 --> 00:17:02,199

that's that's what he did and chinna k

351

00:17:09,149 --> 00:17:05,409

said that it was a recognition of the

352

00:17:12,120 --> 00:17:09,159

Southern Confederacy by this European

353

00:17:17,699 --> 00:17:12,130

power by the Vatican by the Roman

354

00:17:21,240 --> 00:17:17,709

Catholic Church and that it was a an

355

00:17:23,669 --> 00:17:21,250

arrow also aimed right at it Abraham

356

00:17:26,579 --> 00:17:23,679

Lincoln saying that he was about

357

00:17:29,520 --> 00:17:26,589

fighting against the nation that the

358

00:17:31,799 --> 00:17:29,530

Pope rocky does yeah I mean it seems

359

00:17:33,570 --> 00:17:31,809

like the assassination as the Civil War

360

00:17:35,159 --> 00:17:33,580

was coming to a close was kind of a

361

00:17:37,799 --> 00:17:35,169

last-ditch effort to throw the country

362

00:17:39,690 --> 00:17:37,809

back into chaos but how do you think the

363

00:17:41,130 --> 00:17:39,700

church really would have benefited if

364

00:17:43,320 --> 00:17:41,140

the South would have won the Civil War

365

00:17:45,680 --> 00:17:43,330

or had all four of their planned

366

00:17:48,539 --> 00:17:45,690

assassinations been successful

367

00:17:51,360 --> 00:17:48,549

well I mean if the if the four planned

368

00:17:53,700 --> 00:17:51,370

assassinations had been successful it

369

00:17:57,150 --> 00:17:53,710

would have certainly

370

00:17:59,340 --> 00:17:57,160

the United States government into chaos

371

00:18:01,320 --> 00:17:59,350

and we were those work by the way we

372

00:18:03,420 --> 00:18:01,330

should tell people for yeah sure that

373

00:18:06,480 --> 00:18:03,430

was the book for the President the Vice

374

00:18:09,690 --> 00:18:06,490

President the Secretary of State's

375

00:18:12,750 --> 00:18:09,700

Seward and the head of the Union Army

376

00:18:17,790 --> 00:18:12,760

which was General Grant and they were

377

00:18:20,070 --> 00:18:17,800

slated for assassination but they but of

378

00:18:22,110 --> 00:18:20,080

course you know they would they were not

379

00:18:23,880 --> 00:18:22,120

killed the Secretary of State those many

380

00:18:24,840 --> 00:18:23,890

people I think don't know that he was

381

00:18:28,770 --> 00:18:24,850

almost killed

382

00:18:30,480 --> 00:18:28,780

right he had a brace from a carriage

383

00:18:32,600 --> 00:18:30,490

accident around his neck which I believe

384

00:18:39,930 --> 00:18:32,610

saved him from being stabbed to death by

385

00:18:42,360 --> 00:18:39,940

another member of booths it was a lofty

386

00:18:45,300 --> 00:18:42,370

goal but you know had it been successful

387

00:18:47,850 --> 00:18:45,310

do you think that the country would have

388

00:18:49,650 --> 00:18:47,860

gone back into chaos and the war might

389

00:18:52,740 --> 00:18:49,660

have turned I mean it seemed like it was

390

00:18:54,180 --> 00:18:52,750

pretty much over at that point yeah you

391

00:18:59,730 --> 00:18:54,190

would think so

392

00:19:02,790 --> 00:18:59,740

it's it's hard to to know whether it

393

00:19:07,740 --> 00:19:02,800

would have succeeded but I guess the

394

00:19:09,750 --> 00:19:07,750

people that that were attempting him

395

00:19:13,170 --> 00:19:09,760

must have believed it was it was

396

00:19:15,540 --> 00:19:13,180

worthwhile and like you say it was it

397

00:19:17,490 --> 00:19:15,550

was pretty much a last-ditch attempt

398

00:19:21,630 --> 00:19:17,500

although the civil war wasn't over till

399

00:19:25,470 --> 00:19:21,640

the next month and there was still you

400

00:19:30,090 --> 00:19:25,480

know actions by Confederate forces even

401
00:19:34,770 --> 00:19:30,100
through through that summer but it's

402
00:19:36,990 --> 00:19:34,780
it's hard to tell what you know what

403
00:19:39,120 --> 00:19:37,000
what would have happened or but they

404
00:19:42,240 --> 00:19:39,130
seem to think that that there was a

405
00:19:43,770 --> 00:19:42,250
chance don't right well let me kind of

406
00:19:46,380 --> 00:19:43,780
switch gears on you there's a large part

407
00:19:48,480 --> 00:19:46,390
of the conspiracy community that claims

408
00:19:51,150 --> 00:19:48,490
Lincoln was killed by bankers because he

409
00:19:53,070 --> 00:19:51,160
was planning to usher in a new non debt

410
00:19:54,270 --> 00:19:53,080
based currency which seems to be

411
00:19:56,550 --> 00:19:54,280
historically the number one cause of

412
00:19:57,990 --> 00:19:56,560
political assassinations but have you

413
00:20:05,280 --> 00:19:58,000

come across that opinion at all on your

414

00:20:06,480 --> 00:20:05,290

research mm well not not too much I

415

00:20:09,930 --> 00:20:06,490

don't know what this

416

00:20:12,510 --> 00:20:09,940

points would be that would favor that I

417

00:20:15,060 --> 00:20:12,520

don't know how booth would be linked to

418

00:20:18,000 --> 00:20:15,070

some banking and as a group if you don't

419

00:20:20,270 --> 00:20:18,010

link to some banking organization yeah

420

00:20:22,860 --> 00:20:20,280

it seems to be just kind of a general

421

00:20:24,480 --> 00:20:22,870

thought I hadn't heard too much about I

422

00:20:26,040 --> 00:20:24,490

mean the motivation is there obviously

423

00:20:28,080 --> 00:20:26,050

to keep control over the currency and

424

00:20:30,380 --> 00:20:28,090

and that kind of thing happens but I

425

00:20:33,480 --> 00:20:30,390

guess from your research there's no

426

00:20:36,360 --> 00:20:33,490

there's no link for John Wilkes Booth to

427

00:20:38,940 --> 00:20:36,370

the banking industry or breaking cartel

428

00:20:43,860 --> 00:20:38,950

but it is clear that there's a link to

429

00:20:45,420 --> 00:20:43,870

the Catholic Church correct yes most if

430

00:20:47,760 --> 00:20:45,430

not all of the conspirators were

431

00:20:50,430 --> 00:20:47,770

Catholic including Booth and that was at

432

00:20:53,280 --> 00:20:50,440

a time where that wasn't quite so normal

433

00:20:56,510 --> 00:20:53,290

as it is today well no well it shouldn't

434

00:21:00,840 --> 00:20:56,520

have been any involved in that right and

435

00:21:03,180 --> 00:21:00,850

or any quote Christian Church but they

436

00:21:07,100 --> 00:21:03,190

were Oprah over-represented some six

437

00:21:10,110 --> 00:21:07,110

times something like that I mean the

438

00:21:12,090 --> 00:21:10,120

amount of Catholics in the United States

439

00:21:14,400 --> 00:21:12,100

at that time and in Washington was about

440

00:21:16,740 --> 00:21:14,410

eleven percent and yet a majority of

441

00:21:18,900 --> 00:21:16,750

them were Catholics and and as I say

442

00:21:21,000 --> 00:21:18,910

they've certainly dominated by Catholics

443

00:21:22,760 --> 00:21:21,010

and and they may all of them Catholics

444

00:21:26,010 --> 00:21:22,770

because we've sort of found out

445

00:21:31,740 --> 00:21:26,020

relatively late the proof that booth was

446

00:21:34,760 --> 00:21:31,750

a Catholic so yeah I mean there is

447

00:21:40,070 --> 00:21:34,770

there's very strong evidence for that

448

00:21:43,590 --> 00:21:40,080

the news of lincoln and seward murder is

449

00:21:47,400 --> 00:21:43,600

talked about in minnesota far removed

450

00:21:49,260 --> 00:21:47,410

from from washington know what what what

451
00:21:51,930 --> 00:21:49,270
did booth and company have to do with

452
00:21:53,870 --> 00:21:51,940
that well Tunica pointed out that that

453
00:21:56,760 --> 00:21:53,880
was a place where there was a very large

454
00:22:01,650 --> 00:21:56,770
institution for training roman catholic

455
00:22:03,630 --> 00:22:01,660
priests out there and this news that's

456
00:22:06,270 --> 00:22:03,640
how that's how that got out there and

457
00:22:08,280 --> 00:22:06,280
air before the events happened hours

458
00:22:12,360 --> 00:22:08,290
before the events happened their murders

459
00:22:16,830 --> 00:22:12,370
were were spoken about and and then you

460
00:22:20,130 --> 00:22:16,840
have the fact that the person who headed

461
00:22:22,830 --> 00:22:20,140
the official u.s. investigation and

462
00:22:25,140 --> 00:22:22,840
Lincoln's murder Secretary of War Edwin

463
00:22:27,450 --> 00:22:25,150

Stanton believed that his murder was a

464

00:22:31,710 --> 00:22:27,460

result of the Catholic plot and not

465

00:22:33,660 --> 00:22:31,720

that's pretty hard to get around mm-hmm

466

00:22:35,520 --> 00:22:33,670

you know because he if you look at the

467

00:22:37,230 --> 00:22:35,530

murder of John F Kennedy they are

468

00:22:39,930 --> 00:22:37,240

whenever there's a report and people

469

00:22:44,340 --> 00:22:39,940

questioning whether the single gunman

470

00:22:46,350 --> 00:22:44,350

theory or account is correct

471

00:22:47,790 --> 00:22:46,360

they always wrapped mentioned the Warren

472

00:22:50,460 --> 00:22:47,800

Commission well the Warren Commission

473

00:22:51,900 --> 00:22:50,470

and what what it concluded well the war

474

00:22:54,210 --> 00:22:51,910

no question was the official US

475

00:23:00,590 --> 00:22:54,220

government investigation into his murder

476

00:23:03,590 --> 00:23:00,600

so yes I believe there is very strong

477

00:23:08,340 --> 00:23:03,600

essentially circumstantial evidence that

478

00:23:11,280 --> 00:23:08,350

indeed the Jesuits were behind it yeah I

479

00:23:14,190 --> 00:23:11,290

mean you you mentioned this to me one of

480

00:23:15,690 --> 00:23:14,200

the most interesting bits of evidence in

481

00:23:18,450 --> 00:23:15,700

the book is the account of Reverend

482

00:23:21,330 --> 00:23:18,460

Francis Kahn well because it's a classic

483

00:23:22,800 --> 00:23:21,340

flip up situation and you'll see this in

484

00:23:25,350 --> 00:23:22,810

the details of a lot of conspiracies

485

00:23:27,690 --> 00:23:25,360

actually 9/11 most notably that certain

486

00:23:30,030 --> 00:23:27,700

channels seem to be reporting the news

487

00:23:32,160 --> 00:23:30,040

of a tragedy faster than should be

488

00:23:34,530 --> 00:23:32,170

possible and the Lincoln assassination

489

00:23:37,560 --> 00:23:34,540

is no different tell us kind of what

490

00:23:40,890 --> 00:23:37,570

happened with Francis Conwell well

491

00:23:42,990 --> 00:23:40,900

typically met him in in Chicago well C

492

00:23:47,670 --> 00:23:43,000

Kinnick a when when his friend was

493

00:23:49,410 --> 00:23:47,680

murdered and he had mourned Lincoln to

494

00:23:51,810 --> 00:23:49,420

be on the to be on guard against

495

00:23:53,670 --> 00:23:51,820

assassinate an assassination attempt by

496

00:23:56,130 --> 00:23:53,680

the Jesuits so when his fan was murdered

497

00:23:59,490 --> 00:23:56,140

he started on investigation which he

498

00:24:02,190 --> 00:23:59,500

spent 20 years doing published 20 years

499

00:24:07,410 --> 00:24:02,200

after Lincoln's assassination in 1885

500

00:24:11,220 --> 00:24:07,420

and he met Francis Conwell in Chicago

501
00:24:13,980 --> 00:24:11,230
and Conwell told him that the day of the

502
00:24:17,160 --> 00:24:13,990
murder he was in the village of st.

503
00:24:19,470 --> 00:24:17,170
Joseph Minnesota at about 6 o'clock and

504
00:24:22,500 --> 00:24:19,480
that afternoon he was told by a Roman

505
00:24:27,600 --> 00:24:22,510
Catholic who was supplying this

506
00:24:29,340 --> 00:24:27,610
institution there this sort of a

507
00:24:33,090 --> 00:24:29,350
seminary monastery

508
00:24:33,690 --> 00:24:33,100
I believe that Secretary of State Seward

509
00:24:42,210 --> 00:24:33,700
and

510
00:24:45,480 --> 00:24:42,220
was pulled in the company of another man

511
00:24:48,390 --> 00:24:45,490
named Bennett and at the time there were

512
00:24:51,390 --> 00:24:48,400
no railroad lines closer than 40 miles

513
00:24:53,430 --> 00:24:51,400

and no telegraph office closer than 80

514

00:24:55,710 --> 00:24:53,440

miles right so there's no way that

515

00:24:59,220 --> 00:24:55,720

information should have gotten there no

516

00:25:02,070 --> 00:24:59,230

no way unless you know it came another

517

00:25:05,040 --> 00:25:02,080

another day but you know that's that was

518

00:25:08,700 --> 00:25:05,050

my thought because even the next day he

519

00:25:10,530 --> 00:25:08,710

goes to st. cloud and he asks the hotel

520

00:25:13,140 --> 00:25:10,540

manager he asked people who sees hey

521

00:25:14,490 --> 00:25:13,150

have you guys heard about Lincoln being

522

00:25:15,960 --> 00:25:14,500

killed and they're like no I haven't

523

00:25:17,790 --> 00:25:15,970

even heard about it the next day and

524

00:25:19,980 --> 00:25:17,800

that just that shows you how slow

525

00:25:23,810 --> 00:25:19,990

information traveled at that time but it

526
00:25:26,730 --> 00:25:23,820
is pretty damning evidence that you know

527
00:25:28,650 --> 00:25:26,740
they the Roman Catholics seem to have

528
00:25:32,130 --> 00:25:28,660
this channel of information a little

529
00:25:34,500 --> 00:25:32,140
faster and that would seem you know

530
00:25:38,580 --> 00:25:34,510
pretty normal if you were concerned

531
00:25:42,930 --> 00:25:38,590
about your plot being successful yeah

532
00:25:44,670 --> 00:25:42,940
yeah and it was and I've looked into it

533
00:25:48,510 --> 00:25:44,680
and this was saying Joseph which was

534
00:25:52,170 --> 00:25:48,520
essentially 100% Catholic village out

535
00:25:53,850 --> 00:25:52,180
there in Minnesota and you know and as

536
00:25:56,520 --> 00:25:53,860
you as you say you know what

537
00:26:00,900 --> 00:25:56,530
what is that information doing out there

538
00:26:03,150 --> 00:26:00,910

and and ginika got affidavits from from

539

00:26:05,910 --> 00:26:03,160

all the people responsible there down in

540

00:26:09,540 --> 00:26:05,920

black and white in their own words which

541

00:26:13,110 --> 00:26:09,550

I have most of them reproduced in the in

542

00:26:16,470 --> 00:26:13,120

the book they are held in the Chinna

543

00:26:18,030 --> 00:26:16,480

cave collections in Ontario Canada

544

00:26:23,610 --> 00:26:18,040

but he got it down in black and white

545

00:26:26,730 --> 00:26:23,620

from these people sworn before a notary

546

00:26:29,460 --> 00:26:26,740

public what they what their experience

547

00:26:33,870 --> 00:26:29,470

was and the person who gave him that

548

00:26:36,360 --> 00:26:33,880

information a Catholic he refused to

549

00:26:38,190 --> 00:26:36,370

make a statement down the black and

550

00:26:39,480 --> 00:26:38,200

white any claim but he couldn't he

551
00:26:41,250 --> 00:26:39,490
couldn't you couldn't remember who gave

552
00:26:43,380 --> 00:26:41,260
him that information and yet all sorts

553
00:26:46,360 --> 00:26:43,390
of different stories as I said go

554
00:26:48,250 --> 00:26:46,370
through in the media and it you know and

555
00:26:51,220 --> 00:26:48,260
they said well the reason that that he

556
00:26:52,810 --> 00:26:51,230
could remember this stunning news but

557
00:26:55,330 --> 00:26:52,820
can't remember who gave it to him was

558
00:26:57,730 --> 00:26:55,340
because he was told and by the priest

559
00:26:59,980 --> 00:26:57,740
not to reveal his source

560
00:27:02,320 --> 00:26:59,990
right it's like it like I said it's a

561
00:27:04,510 --> 00:27:02,330
kind of a classic slip-up I mean it the

562
00:27:07,870 --> 00:27:04,520
parallels to 9/11 whatever your thoughts

563
00:27:09,910 --> 00:27:07,880

about it are pretty pretty apparent

564

00:27:11,350 --> 00:27:09,920

because I mean the two instances were

565

00:27:13,270 --> 00:27:11,360

that George Bush said that he saw the

566

00:27:15,340 --> 00:27:13,280

first plane hit the building on

567

00:27:16,840 --> 00:27:15,350

television which wasn't the case there

568

00:27:18,610 --> 00:27:16,850

was no footage of that unless he had a

569

00:27:22,990 --> 00:27:18,620

closed-circuit TV that no one else could

570

00:27:25,960 --> 00:27:23,000

see and then the the BBC was reporting

571

00:27:27,490 --> 00:27:25,970

that building 7 had fallen when it was

572

00:27:29,320 --> 00:27:27,500

standing in the background of the

573

00:27:30,580 --> 00:27:29,330

reporter I mean you know whatever your

574

00:27:32,500 --> 00:27:30,590

thoughts of who's responsible these are

575

00:27:34,120 --> 00:27:32,510

facts that are verifiable on YouTube

576

00:27:36,700 --> 00:27:34,130

especially the second one you can you

577

00:27:38,980 --> 00:27:36,710

can see the reporter giving the message

578

00:27:40,750 --> 00:27:38,990

that the building had fallen while it's

579

00:27:43,240 --> 00:27:40,760

standing in the background but you know

580

00:27:46,060 --> 00:27:43,250

so I mean this happened before and it

581

00:27:47,919 --> 00:27:46,070

seems like kind of a classic slip of

582

00:27:49,299 --> 00:27:47,929

it's the most damning evidence to me but

583

00:27:50,560 --> 00:27:49,309

I mean what do you think were some of

584

00:27:53,049 --> 00:27:50,570

the most damning pieces of evidence

585

00:27:54,190 --> 00:27:53,059

outside of that that convinced you the

586

00:27:56,890 --> 00:27:54,200

church was responsible for the

587

00:27:59,070 --> 00:27:56,900

assassination yeah I would just say that

588

00:28:01,510 --> 00:27:59,080

well they said there's a long line

589

00:28:07,150 --> 00:28:01,520

certainly the amount of Catholics that

590

00:28:09,160 --> 00:28:07,160

were involved in this if John like you

591

00:28:11,260 --> 00:28:09,170

did you see the movie like you know

592

00:28:13,200 --> 00:28:11,270

there was a movie John Robert Redford in

593

00:28:15,760 --> 00:28:13,210

a movie last year called the

594

00:28:18,310 --> 00:28:15,770

conspirators do that and it's not

595

00:28:21,690 --> 00:28:18,320

stunning too because the movie itself

596

00:28:25,810 --> 00:28:21,700

that your average person would go to see

597

00:28:30,160 --> 00:28:25,820

is is saying that she's innocent yeah he

598

00:28:32,290 --> 00:28:30,170

produced a documentary sort of DVD as

599

00:28:34,480 --> 00:28:32,300

well where he consults with the experts

600

00:28:38,580 --> 00:28:34,490

and they all say she was guilty right

601
00:28:41,440 --> 00:28:38,590
and they just stunning you know sort of

602
00:28:45,060 --> 00:28:41,450
sort of total disconnect between the

603
00:28:49,540 --> 00:28:45,070
facts and and its produced but by this

604
00:28:54,220 --> 00:28:49,550
man who went to I I don't know if he can

605
00:28:57,490 --> 00:28:54,230
professor to be a Catholic but it's he

606
00:29:00,070 --> 00:28:57,500
went to a Jesuit trained he went to a

607
00:29:03,220 --> 00:29:00,080
Jesuit university and

608
00:29:06,970 --> 00:29:03,230
he bankrolled it and his name is

609
00:29:08,730 --> 00:29:06,980
Ricketts and it's about Mary Surratt and

610
00:29:13,779 --> 00:29:08,740
it in it I believe it's the ongoing

611
00:29:18,039 --> 00:29:13,789
attempt to rehabilitate her image which

612
00:29:20,830 --> 00:29:18,049
is a pretty tough go and and then

613
00:29:24,130 --> 00:29:20,840

there's also dr. Samuel Mudd where we

614

00:29:25,720 --> 00:29:24,140

get there determining is still mud her

615

00:29:27,460 --> 00:29:25,730

name is mud and then there was a

616

00:29:30,759 --> 00:29:27,470

wonderful book written called his name

617

00:29:32,919 --> 00:29:30,769

is still mud about you know the attempts

618

00:29:36,580 --> 00:29:32,929

to try and rehabilitate His image and

619

00:29:40,950 --> 00:29:36,590

try to explain the facts away his but

620

00:29:45,549 --> 00:29:40,960

I'm sorry Mary Surratt son immediately

621

00:29:47,740 --> 00:29:45,559

the facts show went north to Catholic

622

00:29:49,389 --> 00:29:47,750

call back and he was sheltered there by

623

00:29:51,129 --> 00:29:49,399

the Roman Catholic Church and then he

624

00:29:55,120 --> 00:29:51,139

went across Europe and ended up in the

625

00:29:57,070 --> 00:29:55,130

in the papal army you know and did then

626
00:30:02,200 --> 00:29:57,080
then there were attempts to manipulate

627
00:30:04,450 --> 00:30:02,210
his his trial there's just a long list

628
00:30:07,560 --> 00:30:04,460
of circumstantial evidence I would say

629
00:30:11,169 --> 00:30:07,570
the amount of Catholics in the flaunt

630
00:30:13,299 --> 00:30:11,179
the you know Jenica reported that that

631
00:30:15,940 --> 00:30:13,309
was the Mary Surratt sporting house was

632
00:30:17,500 --> 00:30:15,950
both the Jesuits priests and the

633
00:30:20,649 --> 00:30:17,510
conspirators common meeting place

634
00:30:24,120 --> 00:30:20,659
because they were telling them why they

635
00:30:26,980 --> 00:30:24,130
needed to do was to murder these people

636
00:30:28,980 --> 00:30:26,990
they the fact that as you say what

637
00:30:33,070 --> 00:30:28,990
happened in Minnesota

638
00:30:35,379 --> 00:30:33,080

Edwin Stanton's you did the person who

639

00:30:38,049 --> 00:30:35,389

headed the official US investigation his

640

00:30:40,299 --> 00:30:38,059

view that was a Catholic plot again I

641

00:30:45,820 --> 00:30:40,309

think is is very powerful but there's

642

00:30:49,720 --> 00:30:45,830

certainly smaller sort of other

643

00:30:52,060 --> 00:30:49,730

information that again points it's sort

644

00:30:54,310 --> 00:30:52,070

of a when you look at the actual

645

00:30:56,799 --> 00:30:54,320

evidence like you like you're mentioning

646

00:30:58,720 --> 00:30:56,809

the not what somebody's advocating but

647

00:31:01,509 --> 00:30:58,730

what the evidence is pointing right

648

00:31:03,519 --> 00:31:01,519

point there's a long line of

649

00:31:06,450 --> 00:31:03,529

circumstantial evidence at points

650

00:31:09,310 --> 00:31:06,460

unmistakable to that source Utley and

651
00:31:11,620 --> 00:31:09,320
also in your book I mean you you wrote

652
00:31:13,960 --> 00:31:11,630
about whether it be you know most of it

653
00:31:17,740 --> 00:31:13,970
being coming from chin okay

654
00:31:19,899 --> 00:31:17,750
book fifty years there seems to be a lot

655
00:31:21,730 --> 00:31:19,909
of corruption in the Catholic hierarchy

656
00:31:23,350 --> 00:31:21,740
a lot more than you would think for an

657
00:31:26,950 --> 00:31:23,360
institution that is built around

658
00:31:28,360 --> 00:31:26,960
principles of love and happiness I mean

659
00:31:30,999 --> 00:31:28,370
were you kind of shocked at the amount

660
00:31:36,399 --> 00:31:31,009
of little scandals that were going on in

661
00:31:41,049 --> 00:31:36,409
the Catholic Church yeah yeah I was I

662
00:31:42,999 --> 00:31:41,059
was surprised and and I you know I'd

663
00:31:45,850 --> 00:31:43,009

heard lots of negative things about the

664

00:31:47,619 --> 00:31:45,860

Roman Catholic Church but I also like to

665

00:31:49,509 --> 00:31:47,629

be able to I mean I don't want to lose

666

00:31:54,610 --> 00:31:49,519

argument so I don't want it so I want to

667

00:31:57,159 --> 00:31:54,620

have the proof right I mean in to know

668

00:32:01,060 --> 00:31:57,169

that in the 50s in Mexico that

669

00:32:08,139 --> 00:32:01,070

Protestants were being raped and beaten

670

00:32:12,249 --> 00:32:08,149

and lynched by Catholic mobs - and and

671

00:32:14,519 --> 00:32:12,259

you know - to know that the Vatican Bank

672

00:32:17,289 --> 00:32:14,529

to bring it more up to date has been

673

00:32:22,440 --> 00:32:17,299

again and again linked to money

674

00:32:25,869 --> 00:32:22,450

laundering and other financial crime um

675

00:32:27,909 --> 00:32:25,879

you know I mean it's just I mean there's

676

00:32:30,039 --> 00:32:27,919

actually uh I think a butler on trial

677

00:32:33,669 --> 00:32:30,049

right now in the Vatican for the crime

678

00:32:35,590 --> 00:32:33,679

of reporting information about the Pope

679

00:32:38,639 --> 00:32:35,600

and and he's quoted as saying he's

680

00:32:41,529 --> 00:32:38,649

afraid for his life yeah I heard that

681

00:32:43,629 --> 00:32:41,539

you know like this is a supposedly

682

00:32:44,369 --> 00:32:43,639

Christian Church and he's afraid for his

683

00:32:49,749 --> 00:32:44,379

life

684

00:32:52,570 --> 00:32:49,759

mm-hmm you know I mean so I guess I was

685

00:32:55,060 --> 00:32:52,580

I was surprised in some cases what what

686

00:32:58,450 --> 00:32:55,070

I found yeah I mean you that's kind of

687

00:32:59,769 --> 00:32:58,460

as you go through the whole conspiracy

688

00:33:01,799 --> 00:32:59,779

itself towards the end of the book you

689

00:33:04,480 --> 00:33:01,809

ask is the assassination of a president

690

00:33:06,249 --> 00:33:04,490

something the Catholic Church would do

691

00:33:08,440 --> 00:33:06,259

is it consistent with the character of

692

00:33:11,740 --> 00:33:08,450

the Catholic Church and you you know you

693

00:33:15,340 --> 00:33:11,750

obviously conclude that it is but what

694

00:33:17,560 --> 00:33:15,350

other actions that of the church have

695

00:33:18,820 --> 00:33:17,570

brought you that conclusion I mean have

696

00:33:20,639 --> 00:33:18,830

you researched the corruption at the

697

00:33:25,690 --> 00:33:20,649

Vatican Bank much

698

00:33:28,290 --> 00:33:25,700

well again I'm you know I I did not

699

00:33:32,920 --> 00:33:32,140

Canada Council grant or any man down of

700

00:33:35,470 --> 00:33:32,930

the Arts

701
00:33:39,850 --> 00:33:35,480
probably locked up pretty tight yeah

702
00:33:41,530 --> 00:33:39,860
it's fun on my own dime and so I've been

703
00:33:42,880 --> 00:33:41,540
limited I mean I've people always

704
00:33:44,320 --> 00:33:42,890
thought you know you're going to

705
00:33:46,900 --> 00:33:44,330
Washington and all you're going to

706
00:33:49,360 --> 00:33:46,910
Chicago you know a nice vacation no I

707
00:33:52,750 --> 00:33:49,370
didn't spend I wasn't on vacation I was

708
00:33:54,760 --> 00:33:52,760
hidden these archives and libraries you

709
00:33:57,820 --> 00:33:54,770
know and then in the evening I was

710
00:34:01,960 --> 00:33:57,830
reviewing that I found so I didn't I

711
00:34:04,150 --> 00:34:01,970
kind of was concentrating more on on

712
00:34:07,090 --> 00:34:04,160
what Chinna Kay's allegation so I didn't

713
00:34:08,950 --> 00:34:07,100

have a whole lot of extra time for for

714

00:34:12,220 --> 00:34:08,960

looking at other things but certainly

715

00:34:16,180 --> 00:34:12,230

you know David yeah let's book in God's

716

00:34:18,730 --> 00:34:16,190

name you can perhaps read down about his

717

00:34:21,220 --> 00:34:18,740

allegation that John Paul the first was

718

00:34:24,580 --> 00:34:21,230

actually murdered and the Vatican

719

00:34:26,740 --> 00:34:24,590

because he was going to clean things up

720

00:34:28,330 --> 00:34:26,750

so this does seem kind of consistent

721

00:34:33,540 --> 00:34:28,340

with the character of the Catholic

722

00:34:39,550 --> 00:34:33,550

Church it does yeah it does and

723

00:34:46,030 --> 00:34:39,560

unfortunately at this point they seem to

724

00:34:52,060 --> 00:34:46,040

have a lot of friends in certainly in in

725

00:34:55,360 --> 00:34:52,070

big media who you know do their best to

726

00:34:57,790 --> 00:34:55,370

try and write shelter shelter them to

727

00:35:00,280 --> 00:34:57,800

suppress any information that would be

728

00:35:04,300 --> 00:35:00,290

what would be negative and I and I think

729

00:35:06,220 --> 00:35:04,310

that's really very corrupt in itself of

730

00:35:09,790 --> 00:35:06,230

course I mean even the movie you

731

00:35:11,320 --> 00:35:09,800

mentioned the conspirator I mean you

732

00:35:12,820 --> 00:35:11,330

know you have a book that comes out and

733

00:35:15,700 --> 00:35:12,830

people start talking about it and then

734

00:35:17,560 --> 00:35:15,710

here comes the Hollywood unlimited

735

00:35:19,240 --> 00:35:17,570

budget to come and say well you know

736

00:35:21,220 --> 00:35:19,250

let's nudge it back in our direction

737

00:35:24,100 --> 00:35:21,230

and even if there's a documentary on the

738

00:35:25,930 --> 00:35:24,110

very same DVD it claims our documentary

739

00:35:28,270 --> 00:35:25,940

is [h__h] or that our movie is

740

00:35:29,500 --> 00:35:28,280

[h__h] you know no one's going to

741

00:35:31,060 --> 00:35:29,510

notice you know they looking at the

742

00:35:32,470 --> 00:35:31,070

bright lights and they're going to hear

743

00:35:34,270 --> 00:35:32,480

the big picture which is don't pay

744

00:35:41,090 --> 00:35:34,280

attention you know let's just move it

745

00:35:46,640 --> 00:35:44,180

kind of know what I've been doing and

746

00:35:49,280 --> 00:35:46,650

and they say boy it must be incredibly

747

00:35:52,430 --> 00:35:49,290

discouraging for you to work this long

748

00:35:54,560 --> 00:35:52,440

on a on a book and and to do your

749

00:35:58,130 --> 00:35:54,570

homework and then to be sort of flopped

750

00:36:03,500 --> 00:35:58,140

down by major media who you would think

751
00:36:07,850 --> 00:36:03,510
would be interested right and and then

752
00:36:09,620 --> 00:36:07,860
you get people who apparently spent very

753
00:36:12,020 --> 00:36:09,630
little time in libraries to rates and

754
00:36:14,420 --> 00:36:12,030
rates books on Lincoln and and their

755
00:36:17,050 --> 00:36:14,430
lionized and and things like that and

756
00:36:21,350 --> 00:36:17,060
they get a lot of very large sales and

757
00:36:25,790 --> 00:36:21,360
but you know I guess it's just one has

758
00:36:27,290 --> 00:36:25,800
to keep plugging away right it seems

759
00:36:28,580 --> 00:36:27,300
like if you get ignored that's pretty

760
00:36:31,040 --> 00:36:28,590
good evidence that you might be on the

761
00:36:33,730 --> 00:36:31,050
right track well yeah like just for

762
00:36:36,850 --> 00:36:33,740
instance I could be completely wrong but

763
00:36:39,440 --> 00:36:36,860

Ford's Theatre has two bookstores

764

00:36:40,940 --> 00:36:39,450

one is five men by the National Park

765

00:36:43,190 --> 00:36:40,950

Service and the other is run by a

766

00:36:44,690 --> 00:36:43,200

company that also applied supply the

767

00:36:46,490 --> 00:36:44,700

Abraham Lincoln Presidential Library

768

00:36:50,030 --> 00:36:46,500

bookstore in the Chicago History Library

769

00:36:54,230 --> 00:36:50,040

book store and others and I went through

770

00:36:56,210 --> 00:36:54,240

the process I mean I'm I'm here in

771

00:37:00,020 --> 00:36:56,220

Western Canada and went through the

772

00:37:01,910 --> 00:37:00,030

process with this company that supplies

773

00:37:05,540 --> 00:37:01,920

all these different ones and even got an

774

00:37:07,760 --> 00:37:05,550

IRS tax number and and we had talked

775

00:37:10,100 --> 00:37:07,770

about they got the book and this lady

776

00:37:12,080 --> 00:37:10,110

was going to you know get it eight or

777

00:37:13,670 --> 00:37:12,090

ten and try them in the Ford's Theater

778

00:37:17,470 --> 00:37:13,680

and just do a testing and everything

779

00:37:19,430 --> 00:37:17,480

like that and back and forth and then

780

00:37:24,280 --> 00:37:19,440

when that's all done

781

00:37:26,980 --> 00:37:24,290

I hear absolutely nothing and you know

782

00:37:29,690 --> 00:37:26,990

and and the same with the Park Service

783

00:37:32,780 --> 00:37:29,700

I've communicated with them now I can't

784

00:37:35,600 --> 00:37:32,790

get an answer from all right and you

785

00:37:37,940 --> 00:37:35,610

know I said Jack very possibly they

786

00:37:40,100 --> 00:37:37,950

don't want to tell the truth and they

787

00:37:43,790 --> 00:37:40,110

don't want to tell a lie when they say

788

00:37:48,500 --> 00:37:43,800

nothing perilous I mean look at common

789

00:37:50,690 --> 00:37:48,510

thing common thread yeah yeah but but I

790

00:37:52,069 --> 00:37:50,700

spent you know all this time on it and

791

00:37:54,140 --> 00:37:52,079

and I say I'm not

792

00:37:56,449 --> 00:37:54,150

I'm going away going back to the

793

00:37:58,940 --> 00:37:56,459

character of the Catholic Church and one

794

00:38:00,680 --> 00:37:58,950

thing you do write about also is the the

795

00:38:02,630 --> 00:38:00,690

Magdalene laundries which is something

796

00:38:04,190 --> 00:38:02,640

that I hadn't heard about before but how

797

00:38:06,039 --> 00:38:04,200

was the Catholic Church involved there

798

00:38:08,479 --> 00:38:06,049

and what were the Magdalene laundries

799

00:38:11,299 --> 00:38:08,489

well there was a movie at the

800

00:38:14,509 --> 00:38:11,309

documentary put out about it which I saw

801
00:38:16,459 --> 00:38:14,519
and I see that well I'm sorry I there's

802
00:38:18,859 --> 00:38:16,469
so much information I don't have a lot

803
00:38:20,870 --> 00:38:18,869
it's right Mike but it was I think it

804
00:38:24,979 --> 00:38:20,880
was about eight years ago if my memory

805
00:38:29,380 --> 00:38:24,989
serves me and it's just a stunning thing

806
00:38:32,599 --> 00:38:29,390
that they had this sort of a system of

807
00:38:34,839 --> 00:38:32,609
essentially slavery in Ireland where

808
00:38:40,609 --> 00:38:34,849
were women who were thought to be

809
00:38:43,190 --> 00:38:40,619
morally sort of fallen were essentially

810
00:38:47,229 --> 00:38:43,200
committed by their families and and they

811
00:38:51,890 --> 00:38:47,239
were in this system of slavery to to I

812
00:38:57,319 --> 00:38:51,900
guess do do laundry and things like that

813
00:39:00,949 --> 00:38:57,329

and you know and suffer abuse and this

814

00:39:04,299 --> 00:39:00,959

this documentary finally came out

815

00:39:06,739 --> 00:39:04,309

because it had been there was a

816

00:39:10,339 --> 00:39:06,749

discovery of hundreds of unmarked graves

817

00:39:12,380 --> 00:39:10,349

had had caused this to come out and

818

00:39:14,809 --> 00:39:12,390

these these women that were considered

819

00:39:17,289 --> 00:39:14,819

moral criminals were given life

820

00:39:21,170 --> 00:39:17,299

sentences and and the last of these

821

00:39:25,489 --> 00:39:21,180

Irish convent prisons were closed in

822

00:39:29,150 --> 00:39:25,499

1996 yeah and not long not that not that

823

00:39:30,650 --> 00:39:29,160

long ago and and it's interesting you

824

00:39:32,900 --> 00:39:30,660

know it's very interesting that Kath

825

00:39:35,989 --> 00:39:32,910

Ireland was one of the most catholic

826

00:39:38,180 --> 00:39:35,999

places in the world and it's really I

827

00:39:43,519 --> 00:39:38,190

think fascinating now that the Catholic

828

00:39:46,400 --> 00:39:43,529

Church is essentially out there and I

829

00:39:48,349 --> 00:39:46,410

haven't tracked it down but I've heard

830

00:39:50,799 --> 00:39:48,359

anecdotaly that priests are afraid to

831

00:39:54,319 --> 00:39:50,809

go out in public trust as a priest

832

00:40:02,690 --> 00:39:54,329

because of the abuse I think that ironic

833

00:40:10,650 --> 00:40:08,190

sort of working on another work oh yeah

834

00:40:13,890 --> 00:40:10,660

tell us about that well it would be

835

00:40:17,040 --> 00:40:13,900

about the New York City draft riots till

836

00:40:18,120 --> 00:40:17,050

you do touch on that in this book - I do

837

00:40:21,960 --> 00:40:18,130

that's correct

838

00:40:23,640 --> 00:40:21,970

and and it was really a Catholic attempt

839

00:40:25,620 --> 00:40:23,650

to overthrow the gut Union government

840

00:40:29,190 --> 00:40:25,630

the federal government by these riots in

841

00:40:32,700 --> 00:40:29,200

New York and these are these huge mobs

842

00:40:38,750 --> 00:40:32,710

of Irish Catholics were destroying

843

00:40:44,180 --> 00:40:41,070

beating black people to death for the

844

00:40:47,640 --> 00:40:44,190

crime of being black and and actually

845

00:40:49,950 --> 00:40:47,650

and and and and and in Chinna Kay talks

846

00:40:52,200 --> 00:40:49,960

about the Irish and how kind of slaves

847

00:40:54,990 --> 00:40:52,210

they were to the to their bishops but

848

00:40:57,600 --> 00:40:55,000

that apparently has now changed which is

849

00:41:00,359 --> 00:40:57,610

really interesting and and and to get to

850

00:41:05,160 --> 00:41:00,369

9/11 I was in New York two months after

851

00:41:07,800 --> 00:41:05,170

that and because I was doing again doing

852

00:41:13,260 --> 00:41:07,810

research mm-hmm and and I walked around

853

00:41:14,760 --> 00:41:13,270

9/11 and there's a police memorial I

854

00:41:17,370 --> 00:41:14,770

forget I think it's called the wall of

855

00:41:19,050 --> 00:41:17,380

hero heroes and they did list all the

856

00:41:19,470 --> 00:41:19,060

police that have died in the line of

857

00:41:22,200 --> 00:41:19,480

duty

858

00:41:24,210 --> 00:41:22,210

mm-hm and I looked at that thing and I

859

00:41:27,270 --> 00:41:24,220

said there's got to be a mistake

860

00:41:29,340 --> 00:41:27,280

because there was no one in 1863 listen

861

00:41:32,820 --> 00:41:29,350

I knew there was at least one police

862

00:41:34,740 --> 00:41:32,830

person killed mm-hmm and it's kind of

863

00:41:37,260 --> 00:41:34,750

ironic they were gonna actually finally

864

00:41:39,960 --> 00:41:37,270

put them on there on like September 26

865

00:41:42,240 --> 00:41:39,970

or something like that and then so like

866

00:41:44,970 --> 00:41:42,250

a hundred and some years later they just

867

00:41:47,670 --> 00:41:44,980

miss it by two weeks because this 9/11

868

00:41:50,040 --> 00:41:47,680

happened yeah but but but how does it

869

00:41:53,220 --> 00:41:50,050

take that long to put his name on there

870

00:41:55,650 --> 00:41:53,230

and again I think that has to do with

871

00:41:57,960 --> 00:41:55,660

the suppression of disinformation and

872

00:42:00,030 --> 00:41:57,970

I've been in contact with the city of

873

00:42:01,859 --> 00:42:00,040

New York Police Department and they have

874

00:42:05,340 --> 00:42:01,869

now actually found another I believe it

875

00:42:08,670 --> 00:42:05,350

as two or three policemen that they now

876

00:42:10,710 --> 00:42:08,680

list as having died during that time on

877

00:42:13,770 --> 00:42:10,720

the line of duty it's interesting that

878

00:42:15,960 --> 00:42:13,780

they would miss that I mean just rather

879

00:42:18,780 --> 00:42:15,970

not bring it up it might it might lead

880

00:42:22,830 --> 00:42:18,790

down a trail unless not you know not

881

00:42:24,990 --> 00:42:22,840

talking about yeah yeah and and that's

882

00:42:27,060 --> 00:42:25,000

something else I mean and and I UK yeah

883

00:42:29,640 --> 00:42:27,070

you talk to people in Chicago and

884

00:42:30,960 --> 00:42:29,650

Stephanie and they look at you like you

885

00:42:33,900 --> 00:42:30,970

know like I've never heard of this stuff

886

00:42:36,089 --> 00:42:33,910

before mm-hmm and then and I believe

887

00:42:39,150 --> 00:42:36,099

it's been it has been relentlessly

888

00:42:40,740 --> 00:42:39,160

relentlessly suppressed and it's

889

00:42:43,200 --> 00:42:40,750

terrible what was done to the block

890

00:42:46,650 --> 00:42:43,210

people of New York during this time and

891

00:42:47,940 --> 00:42:46,660

there ought to be and you know the Roman

892

00:42:50,490 --> 00:42:47,950

Catholic Church could have stopped it

893

00:42:52,470 --> 00:42:50,500

but they they did not and they were also

894

00:42:55,980 --> 00:42:52,480

involved on behind the scenes in world

895

00:42:59,280 --> 00:42:55,990

war two with the Nazis I mean they have

896

00:43:03,330 --> 00:42:59,290

a track record of being on the wrong

897

00:43:05,070 --> 00:43:03,340

side of conflict they do absolutely but

898

00:43:08,430 --> 00:43:05,080

people still give them money on Sunday

899

00:43:11,640 --> 00:43:08,440

oh yeah I guess but they that people

900

00:43:15,540 --> 00:43:11,650

don't you know people don't know what

901
00:43:18,800 --> 00:43:15,550
what they really did and and and and

902
00:43:22,829 --> 00:43:18,810
large you know and in the media are

903
00:43:28,109 --> 00:43:22,839
helping that out it appears definitely

904
00:43:32,310 --> 00:43:28,119
yeah so it's yeah I mean what was done

905
00:43:34,290 --> 00:43:32,320
in in Yugoslavia was just horrendous I

906
00:43:36,180 --> 00:43:34,300
don't know if you've ever heard I don't

907
00:43:41,370 --> 00:43:36,190
know about what happened in Colombia it

908
00:43:50,370 --> 00:43:41,380
was there was um a man whose name was

909
00:43:56,520 --> 00:43:50,380
Pavelec and he wanted to make this part

910
00:44:01,520 --> 00:43:56,530
of the world Catholic and and I get my

911
00:44:04,589 --> 00:44:01,530
information from a Time Life source and

912
00:44:07,050 --> 00:44:04,599
that when the Nazis took over Yugoslavia

913
00:44:10,560 --> 00:44:07,060

they installed a vicious homegrown

914

00:44:13,020 --> 00:44:10,570

fascist named Pavlik he was a longtime

915

00:44:15,270 --> 00:44:13,030

advocate of Croatian independence and

916

00:44:17,790 --> 00:44:15,280

the founder of a pro Catholic terrorist

917

00:44:21,420 --> 00:44:17,800

organization known as mustachio or

918

00:44:24,599 --> 00:44:21,430

rebels and he his plan was to eliminate

919

00:44:26,880 --> 00:44:24,609

the alien elements Serbs Jews and and

920

00:44:29,170 --> 00:44:26,890

gypsies and that the Serbs who were

921

00:44:33,160 --> 00:44:29,180

Eastern Orthodox

922

00:44:37,870 --> 00:44:33,170

he had a simple plan for them one third

923

00:44:39,849 --> 00:44:37,880

would be exhaled one third would be

924

00:44:44,670 --> 00:44:39,859

converted to Catholicism and one third

925

00:44:48,670 --> 00:44:44,680

would be killed and and what he did

926

00:44:53,799 --> 00:44:48,680

sickened the Nazis really if you can

927

00:44:55,930 --> 00:44:53,809

believe it and yeah according to this

928

00:44:57,430 --> 00:44:55,940

time life source the Germans who shared

929

00:44:59,170 --> 00:44:57,440

local occupation duties with the

930

00:45:01,599 --> 00:44:59,180

Italians were first embarrassing and

931

00:45:04,420 --> 00:45:01,609

sickened by the stashes indiscriminate

932

00:45:09,520 --> 00:45:04,430

bestiality and and they want to replace

933

00:45:11,290 --> 00:45:09,530

him but they couldn't but but he took

934

00:45:13,870 --> 00:45:11,300

the precaution of having his likely

935

00:45:15,640 --> 00:45:13,880

successor murdered and the Germans were

936

00:45:19,710 --> 00:45:15,650

not able to find someone else so they

937

00:45:22,569 --> 00:45:19,720

they'd let him bang animals yeah and so

938

00:45:24,099 --> 00:45:22,579

the statue master is the report by the

939

00:45:26,349 --> 00:45:24,109

time the killings were finally brought

940

00:45:29,440 --> 00:45:26,359

to an envious - II had taken incredible

941

00:45:30,940 --> 00:45:29,450

toll of Serbs variously estimated from

942

00:45:34,599 --> 00:45:30,950

three hundred fifty thousand seven

943

00:45:36,910 --> 00:45:34,609

hundred fifty thousand and efficient to

944

00:45:39,190 --> 00:45:36,920

know this you know you've never heard of

945

00:45:42,250 --> 00:45:39,200

it no that's not saying much that I

946

00:45:44,319 --> 00:45:42,260

haven't heard of it though well but a

947

00:45:48,760 --> 00:45:44,329

lot of people have it right many people

948

00:45:51,700 --> 00:45:48,770

have never heard of this and it's it's

949

00:45:53,680 --> 00:45:51,710

pretty yeah it's pretty terrible there I

950

00:45:55,180 --> 00:45:53,690

don't know if you were aware that the

951
00:45:57,220 --> 00:45:55,190
Catholic Church helped Nazis war

952
00:45:58,809 --> 00:45:57,230
criminals to escape right I'd heard

953
00:46:00,700 --> 00:45:58,819
about that sort of the US government

954
00:46:05,349 --> 00:46:00,710
apparently with project yeah yeah they

955
00:46:10,420 --> 00:46:05,359
did they didn't that was very very wrong

956
00:46:13,660 --> 00:46:10,430
and there should be a you know it should

957
00:46:15,700 --> 00:46:13,670
be cleared up look you know that's the

958
00:46:17,740 --> 00:46:15,710
hope but I guess my argument would be I

959
00:46:20,559 --> 00:46:17,750
mean it's only it's they've gotten away

960
00:46:22,569 --> 00:46:20,569
with it for so long I think that the

961
00:46:24,819 --> 00:46:22,579
same players are still there at least

962
00:46:26,140 --> 00:46:24,829
you know they're cycling through of

963
00:46:27,789 --> 00:46:26,150

course you know the lifespan of people

964

00:46:29,559 --> 00:46:27,799

in 150 years like the Lincoln

965

00:46:31,599 --> 00:46:29,569

assassination was but the culture is

966

00:46:33,579 --> 00:46:31,609

still there it's a it's a culture of

967

00:46:35,230 --> 00:46:33,589

criminals and I think those same people

968

00:46:37,480 --> 00:46:35,240

are still in power and they've never

969

00:46:39,339 --> 00:46:37,490

really been fully exposed though we get

970

00:46:41,829 --> 00:46:39,349

closer all the time with the Internet I

971

00:46:42,870 --> 00:46:41,839

mean that's probably the biggest box

972

00:46:44,819 --> 00:46:42,880

opener

973

00:46:46,769 --> 00:46:44,829

that we've had you know to take the lid

974

00:46:48,329 --> 00:46:46,779

off some of this information but I think

975

00:46:49,829 --> 00:46:48,339

those people are still there so that's

976
00:46:52,769 --> 00:46:49,839
why we're we're still not really gonna

977
00:46:55,650 --> 00:46:52,779
ever well at least not at this point get

978
00:46:56,730 --> 00:46:55,660
that stuff to go mainstream but you know

979
00:46:58,740 --> 00:46:56,740
towards the end of the book you also

980
00:46:59,910 --> 00:46:58,750
talk about a few modern plots that you

981
00:47:01,950 --> 00:46:59,920
think the Catholic Church may be

982
00:47:07,049 --> 00:47:01,960
involved in let's talk about that a

983
00:47:10,890 --> 00:47:07,059
little bit sure which which ones were

984
00:47:12,839 --> 00:47:10,900
you thinking of well most notably you

985
00:47:17,009 --> 00:47:12,849
spend some time talking about the idea

986
00:47:19,109 --> 00:47:17,019
that they may be responsible or for you

987
00:47:20,759 --> 00:47:19,119
know the Mexican illegal immigration or

988
00:47:24,029 --> 00:47:20,769

that they may have a motive there and

989

00:47:25,349 --> 00:47:24,039

bringing over a lot of Catholics from

990

00:47:27,509 --> 00:47:25,359

across the border because didn't they do

991

00:47:31,980 --> 00:47:27,519

something similar and in Canada or

992

00:47:34,499 --> 00:47:31,990

support assistant something similar well

993

00:47:38,640 --> 00:47:34,509

certainly the most Catholic part of

994

00:47:44,279 --> 00:47:38,650

Canada Quebec has been has there's been

995

00:47:46,140 --> 00:47:44,289

an ongoing attempt to separate from the

996

00:47:53,099 --> 00:47:46,150

rest of Canada and break the country up

997

00:47:59,730 --> 00:47:53,109

and there there was actually the New

998

00:48:04,470 --> 00:47:59,740

York Times also there was a write up

999

00:48:07,769 --> 00:48:04,480

about the attempt to bring Catholics

1000

00:48:11,150 --> 00:48:07,779

into New England from Quebec and to take

1001
00:48:15,740 --> 00:48:11,160
over that part of the United States I

1002
00:48:19,650 --> 00:48:15,750
the Catholic Church have talked about

1003
00:48:23,430 --> 00:48:19,660
really invading the United States and

1004
00:48:30,690 --> 00:48:23,440
and and and taking it over and I had

1005
00:48:33,390 --> 00:48:30,700
quote from priests that you really

1006
00:48:35,880 --> 00:48:33,400
really say this I'm just trying to find

1007
00:48:37,980 --> 00:48:35,890
it oh yeah you do have some quotes in

1008
00:48:39,930 --> 00:48:37,990
there that they say you know they they

1009
00:48:41,519 --> 00:48:39,940
they're very passive about it but they

1010
00:48:43,140 --> 00:48:41,529
suggest you know hey maybe you should

1011
00:48:46,289 --> 00:48:43,150
cross the border and have a bunch of

1012
00:48:49,079 --> 00:48:46,299
children and it seems so like I hate to

1013
00:48:51,690 --> 00:48:49,089

even entertain it really because it is

1014

00:48:54,200 --> 00:48:51,700

to me such a non-issue I don't really

1015

00:48:56,170 --> 00:48:54,210

find immigration to be a important issue

1016

00:48:58,299 --> 00:48:56,180

um but

1017

00:49:01,030 --> 00:48:58,309

it is I mean compared to the corruption

1018

00:49:02,950 --> 00:49:01,040

in the corporate corruption and the type

1019

00:49:05,230 --> 00:49:02,960

of money that's getting spent on Wars

1020

00:49:06,790 --> 00:49:05,240

you know I feel like immigration is kind

1021

00:49:08,950 --> 00:49:06,800

of like paying attention to a mosquito

1022

00:49:10,930 --> 00:49:08,960

on your arm while a horse is raping your

1023

00:49:13,750 --> 00:49:10,940

throat it's such a minor thing but

1024

00:49:15,339 --> 00:49:13,760

people like to like to hype it up

1025

00:49:16,720 --> 00:49:15,349

because it's you put it in front of all

1026
00:49:19,000 --> 00:49:16,730
those other corruption and then no one

1027
00:49:20,950 --> 00:49:19,010
ever digs that deep but it is

1028
00:49:23,500 --> 00:49:20,960
interesting to think that the Catholic

1029
00:49:25,690 --> 00:49:23,510
Church may actually still today be

1030
00:49:28,000 --> 00:49:25,700
trying to they you know I find it to be

1031
00:49:30,490 --> 00:49:28,010
an irrational thought and kind of a

1032
00:49:33,370 --> 00:49:30,500
paranoia that you know kind of is fueled

1033
00:49:35,440 --> 00:49:33,380
by racism that some conservatives have

1034
00:49:37,780 --> 00:49:35,450
but it may be interesting that they may

1035
00:49:39,880 --> 00:49:37,790
actually be trying to infiltrate the

1036
00:49:43,510 --> 00:49:39,890
southern states and then get a majority

1037
00:49:45,390 --> 00:49:43,520
and then bring up a rebellion and try to

1038
00:49:49,690 --> 00:49:45,400

succeed secede in some way

1039

00:49:52,630 --> 00:49:49,700

yeah well that that talk has surfaced

1040

00:49:55,540 --> 00:49:52,640

and and I find it very interesting that

1041

00:49:58,650 --> 00:49:55,550

wherever you find these concentration

1042

00:50:02,140 --> 00:49:58,660

well you find Catholicism you find

1043

00:50:04,690 --> 00:50:02,150

separation you find corruption I mean

1044

00:50:07,329 --> 00:50:04,700

what why they you know first of all why

1045

00:50:08,950 --> 00:50:07,339

aren't the prelates telling them well

1046

00:50:11,079 --> 00:50:08,960

this is United States they have their

1047

00:50:13,230 --> 00:50:11,089

own law and are allowed to make their

1048

00:50:15,609 --> 00:50:13,240

own law so don't break their own law by

1049

00:50:16,930 --> 00:50:15,619

illegally immigrating right you would

1050

00:50:19,480 --> 00:50:16,940

think they would at least just say that

1051
00:50:21,280 --> 00:50:19,490
I mean yeah and and teach their people

1052
00:50:27,039 --> 00:50:21,290
that but instead they're advocating for

1053
00:50:29,260 --> 00:50:27,049
them to come in it and I mean why is in

1054
00:50:31,960 --> 00:50:29,270
another question is wise

1055
00:50:33,490 --> 00:50:31,970
I mean why they even coming north I mean

1056
00:50:35,319 --> 00:50:33,500
when you cross the border the air

1057
00:50:37,870 --> 00:50:35,329
doesn't change the soil doesn't change

1058
00:50:40,059 --> 00:50:37,880
right but the economic situation changes

1059
00:50:42,280 --> 00:50:40,069
sure but that's based on your that's

1060
00:50:46,270 --> 00:50:42,290
based on your political system and so

1061
00:50:49,720 --> 00:50:46,280
you have people from a predominantly

1062
00:50:51,579 --> 00:50:49,730
overwhelmingly Catholic country risking

1063
00:50:54,520 --> 00:50:51,589

their lives to get into a Protestant

1064

00:50:56,890 --> 00:50:54,530

country it doesn't that tell you it tell

1065

00:50:59,349 --> 00:50:56,900

people anything why is it so such a

1066

00:51:01,780 --> 00:50:59,359

basket case well I think people are

1067

00:51:05,240 --> 00:51:01,790

willing to compromise their their

1068

00:51:07,069 --> 00:51:05,250

religion when money's tight

1069

00:51:10,760 --> 00:51:07,079

oh sure no but what I'm just saying I'm

1070

00:51:13,670 --> 00:51:10,770

what I'm I guess my point is is why is

1071

00:51:16,400 --> 00:51:13,680

Mexico so messed up right yeah I mean

1072

00:51:18,020 --> 00:51:16,410

that we never talked about that we

1073

00:51:20,809 --> 00:51:18,030

always talk about illiberal immigration

1074

00:51:22,490 --> 00:51:20,819

is it is it a serious problem or not or

1075

00:51:25,339 --> 00:51:22,500

should we grant them amnesty but no one

1076

00:51:26,870 --> 00:51:25,349

ever talks about hey we we could just

1077

00:51:28,880 --> 00:51:26,880

make Mexico a little better we could

1078

00:51:32,300 --> 00:51:28,890

just help them out you know do a little

1079

00:51:34,220 --> 00:51:32,310

Gordon Ramsay and you know get them up

1080

00:51:38,870 --> 00:51:34,230

to speed and then we wouldn't have this

1081

00:51:40,430 --> 00:51:38,880

problem yeah yeah well I believe the

1082

00:51:44,690 --> 00:51:40,440

United States s certainly you've got

1083

00:51:49,809 --> 00:51:44,700

some there's tremendous problems down in

1084

00:51:53,480 --> 00:51:49,819

the United States it's it has been a

1085

00:51:57,460 --> 00:51:53,490

citadel of freedom around the world and

1086

00:52:00,740 --> 00:51:57,470

has done historically much good

1087

00:52:03,950 --> 00:52:00,750

certainly you've got very powerful

1088

00:52:06,410 --> 00:52:03,960

groups that that that seem to have

1089

00:52:08,240 --> 00:52:06,420

tremendous amount of control that you

1090

00:52:09,800 --> 00:52:08,250

know eisenhower warned about the

1091

00:52:12,650 --> 00:52:09,810

military the military-industrial complex

1092

00:52:15,260 --> 00:52:12,660

there you know and and I think you've

1093

00:52:20,900 --> 00:52:15,270

certainly got some some very big

1094

00:52:24,589 --> 00:52:20,910

problems and but I would suggest that it

1095

00:52:27,710 --> 00:52:24,599

is a plan to when you when you have

1096

00:52:30,260 --> 00:52:27,720

enough Catholics in an area then the

1097

00:52:32,089 --> 00:52:30,270

area becomes Catholic and they become

1098

00:52:36,170 --> 00:52:32,099

influenced by this church because you

1099

00:52:37,910 --> 00:52:36,180

have such a control on their mind this

1100

00:52:41,120 --> 00:52:37,920

is the suggestion that you should rise

1101
00:52:42,770 --> 00:52:41,130
up I mean it's so odd that people just

1102
00:52:45,260 --> 00:52:42,780
fall for that you know they're they're

1103
00:52:46,670 --> 00:52:45,270
logical rational brain just kind of

1104
00:52:49,280 --> 00:52:46,680
dissipates and they're just like well

1105
00:52:50,990 --> 00:52:49,290
you know this is what I'm told to do I'm

1106
00:52:52,609 --> 00:52:51,000
just going to go with it people have

1107
00:52:53,960 --> 00:52:52,619
been telling me what to do for an

1108
00:52:58,250 --> 00:52:53,970
authority and perspective my whole life

1109
00:53:01,490 --> 00:52:58,260
parents school bosses so yeah yeah and

1110
00:53:03,559 --> 00:53:01,500
and I think it is important to for

1111
00:53:05,510 --> 00:53:03,569
people to use their brains I mean that's

1112
00:53:08,930 --> 00:53:05,520
what God gave everyone a brain for not

1113
00:53:13,970 --> 00:53:08,940

to check it at the door of your church

1114

00:53:17,300 --> 00:53:13,980

or wherever but to use it yeah well you

1115

00:53:19,070 --> 00:53:17,310

know you end the book by saying this is

1116

00:53:21,380 --> 00:53:19,080

a really great quote from it but

1117

00:53:22,970 --> 00:53:21,390

it is this author's wish that this book

1118

00:53:25,010 --> 00:53:22,980

will serve as a current and timely

1119

00:53:26,780 --> 00:53:25,020

warning to American patriots that the

1120

00:53:28,610 --> 00:53:26,790

Roman Catholic Church remains one of the

1121

00:53:30,590 --> 00:53:28,620

most deadly enemies of the freedoms of

1122

00:53:33,050 --> 00:53:30,600

the United States no matter how friendly

1123

00:53:34,610 --> 00:53:33,060

or harmless it appears to be and I love

1124

00:53:37,820 --> 00:53:34,620

that is there anything else you'd like

1125

00:53:43,940 --> 00:53:37,830

to add to or cite to reinforce that

1126

00:53:46,190 --> 00:53:43,950

statement well I don't know I I really I

1127

00:53:49,700 --> 00:53:46,200

thank you for your interest and you seem

1128

00:53:52,460 --> 00:53:49,710

to be very interested in in the facts

1129

00:53:53,990 --> 00:53:52,470

and we're sort of a bit of a refreshing

1130

00:53:56,020 --> 00:53:54,000

change from some of the quote

1131

00:53:58,370 --> 00:53:56,030

journalists that I've been dealing with

1132

00:54:00,440 --> 00:53:58,380

and I would never call myself a

1133

00:54:02,270 --> 00:54:00,450

journalist I'm just about college

1134

00:54:06,500 --> 00:54:02,280

dropout it's most we didn't reads

1135

00:54:08,870 --> 00:54:06,510

interesting books oh okay well but

1136

00:54:10,910 --> 00:54:08,880

better you're interested in and what the

1137

00:54:14,450 --> 00:54:10,920

facts are what deterrence of course and

1138

00:54:17,810 --> 00:54:14,460

that's great because and and I would I

1139

00:54:21,260 --> 00:54:17,820

guess I would hope Americans would

1140

00:54:25,040 --> 00:54:21,270

indeed realize that that the blood was

1141

00:54:27,350 --> 00:54:25,050

shed for for the country of the United

1142

00:54:30,230 --> 00:54:27,360

States for what it stands for for the

1143

00:54:33,170 --> 00:54:30,240

for freedom for true freedom for true

1144

00:54:34,880 --> 00:54:33,180

for true liberty and Americans you know

1145

00:54:38,630 --> 00:54:34,890

you have a gardening you also have to

1146

00:54:40,640 --> 00:54:38,640

attend it and I would suggest that

1147

00:54:46,100 --> 00:54:40,650

indeed the Roman Catholic Church does

1148

00:54:49,460 --> 00:54:46,110

remain a huge sort of a threat to that

1149

00:54:52,330 --> 00:54:49,470

and I would also say that their friends

1150

00:54:55,130 --> 00:54:52,340

in the media are also in the same

1151
00:54:57,560 --> 00:54:55,140
category in my experience and an

1152
00:54:59,990 --> 00:54:57,570
American should very much question what

1153
00:55:02,030 --> 00:55:00,000
the mainstream media tells tells them

1154
00:55:04,880 --> 00:55:02,040
until the mainstream media stops being

1155
00:55:07,760 --> 00:55:04,890
in the in the interests stop being in

1156
00:55:09,980 --> 00:55:07,770
the business of currying favor and

1157
00:55:12,290 --> 00:55:09,990
protecting powerful institutions and

1158
00:55:15,920 --> 00:55:12,300
individuals of course do you think that

1159
00:55:17,960 --> 00:55:15,930
those freedoms are all it seems to me

1160
00:55:20,000 --> 00:55:17,970
like kind of the way the Catholic Church

1161
00:55:21,200 --> 00:55:20,010
at the highest levels is completely

1162
00:55:23,420 --> 00:55:21,210
corrupt and doesn't care about anything

1163
00:55:25,250 --> 00:55:23,430

but they preach you know love and

1164

00:55:26,930 --> 00:55:25,260

happiness and you know don't don't sin

1165

00:55:28,460 --> 00:55:26,940

how we can do it but you know you guys

1166

00:55:30,050 --> 00:55:28,470

shouldn't do it it kind of seems like

1167

00:55:32,030 --> 00:55:30,060

the same thing when we're talking about

1168

00:55:32,810 --> 00:55:32,040

politicians today talking about this

1169

00:55:35,180 --> 00:55:32,820

great free

1170

00:55:36,380 --> 00:55:35,190

we all have and just everybody wants to

1171

00:55:39,530 --> 00:55:36,390

infringe on our freedoms

1172

00:55:41,150 --> 00:55:39,540

I don't feel on a daily basis all that

1173

00:55:43,850 --> 00:55:41,160

free when I can't fly in an airplane

1174

00:55:46,820 --> 00:55:43,860

without three ounces of shampoo you know

1175

00:55:49,730 --> 00:55:46,830

I you know like I said I have an

1176

00:55:52,370 --> 00:55:49,740

affinity for a certain plant that you

1177

00:55:54,650 --> 00:55:52,380

know the president also has partaken in

1178

00:55:56,870 --> 00:55:54,660

you know but if I got caught I'd be

1179

00:55:59,600 --> 00:55:56,880

thrown in jail but he has no incentive

1180

00:56:02,150 --> 00:55:59,610

to you know help those people out and

1181

00:56:04,370 --> 00:56:02,160

stop infringing on that freedom while he

1182

00:56:06,530 --> 00:56:04,380

uses Harold and Kumar on his DNC ad

1183

00:56:08,120 --> 00:56:06,540

which is kind of ridiculous if you think

1184

00:56:10,400 --> 00:56:08,130

it's a serious problem worth putting

1185

00:56:12,830 --> 00:56:10,410

people in jail for but I just don't feel

1186

00:56:16,190 --> 00:56:12,840

like there's that much freedom you know

1187

00:56:17,780 --> 00:56:16,200

red light cameras we seem to be pretty

1188

00:56:19,970 --> 00:56:17,790

controlled but everybody wants to talk

1189

00:56:23,120 --> 00:56:19,980

about this great freedom it seems to be

1190

00:56:25,610 --> 00:56:23,130

doublespeak once again to me yeah I

1191

00:56:28,280 --> 00:56:25,620

would tend to agree with you and and

1192

00:56:34,730 --> 00:56:28,290

certainly you should be able to talk

1193

00:56:37,820 --> 00:56:34,740

about things I mean I if you know in my

1194

00:56:41,240 --> 00:56:37,830

own particular case I'm I'm willing to

1195

00:56:43,550 --> 00:56:41,250

go away but only if somebody refutes

1196

00:56:45,410 --> 00:56:43,560

what I say not just says oh we're just

1197

00:56:49,030 --> 00:56:45,420

not going to listen to you or just we're

1198

00:56:52,400 --> 00:56:49,040

going to pretend you don't exist and

1199

00:56:55,340 --> 00:56:52,410

you'd like you say you know there

1200

00:56:58,250 --> 00:56:55,350

there's a lot of things that that really

1201
00:57:00,620 --> 00:56:58,260
should be should be talked about and it

1202
00:57:03,560 --> 00:57:00,630
seems to be very very rare that you that

1203
00:57:05,570 --> 00:57:03,570
you do get a somebody in politics who's

1204
00:57:07,190 --> 00:57:05,580
willing to talk about them the only one

1205
00:57:09,260 --> 00:57:07,200
that I might be able to think of right

1206
00:57:11,690 --> 00:57:09,270
off the top of my head with my limited

1207
00:57:14,480 --> 00:57:11,700
knowledge of American politics is maybe

1208
00:57:18,860 --> 00:57:14,490
Ron Paul that's fair that's the first

1209
00:57:21,860 --> 00:57:18,870
Damon yeah but you know look at how he

1210
00:57:25,670 --> 00:57:21,870
was depressed he apparently one main but

1211
00:57:27,020 --> 00:57:25,680
yet no you know nobody looked at it or

1212
00:57:28,700 --> 00:57:27,030
went back to the count they just kind of

1213
00:57:32,240 --> 00:57:28,710

glossed over it like oh you know he

1214

00:57:34,370 --> 00:57:32,250

didn't win let's go on oh really okay I

1215

00:57:36,710 --> 00:57:34,380

didn't I didn't I guess I was aware of

1216

00:57:39,020 --> 00:57:36,720

that but well again you never can really

1217

00:57:40,610 --> 00:57:39,030

know you know it's just because I feel

1218

00:57:42,320 --> 00:57:40,620

like everybody's got a motivation Ron

1219

00:57:44,090 --> 00:57:42,330

Paul supporters have a motivation to say

1220

00:57:45,830 --> 00:57:44,100

look you actually want to stay like you

1221

00:57:46,430 --> 00:57:45,840

know we got to momentum and then of

1222

00:57:48,530 --> 00:57:46,440

course the government

1223

00:57:50,780 --> 00:57:48,540

has definitely shut him down not

1224

00:57:52,309 --> 00:57:50,790

allowing him to speak at the RNC you

1225

00:57:56,150 --> 00:57:52,319

know they have fought him tooth and nail

1226

00:57:57,770 --> 00:57:56,160

not givin him a fair a fair chance at

1227

00:57:59,960 --> 00:57:57,780

winning the nomination I mean that's

1228

00:58:01,160 --> 00:57:59,970

clear but did he really win Maine I

1229

00:58:02,569 --> 00:58:01,170

don't know I'll never see the vote

1230

00:58:04,790 --> 00:58:02,579

counts but there's a lot of people that

1231

00:58:08,870 --> 00:58:04,800

think that when the votes were fully

1232

00:58:11,510 --> 00:58:08,880

tallied Ron Paul was on top but the race

1233

00:58:12,770 --> 00:58:11,520

had already been declared for someone

1234

00:58:14,870 --> 00:58:12,780

else I don't even know if it was Romney

1235

00:58:18,050 --> 00:58:14,880

at that time but they just kind of went

1236

00:58:20,690 --> 00:58:18,060

past it Wow I guess I hadn't heard of

1237

00:58:23,540 --> 00:58:20,700

that but I you know he does seem to be

1238

00:58:25,339 --> 00:58:23,550

you know at least talking about some

1239

00:58:27,349 --> 00:58:25,349

things that I think is significant

1240

00:58:28,819 --> 00:58:27,359

probably a portion of the top US

1241

00:58:31,010 --> 00:58:28,829

population would like to you know

1242

00:58:33,109 --> 00:58:31,020

actually talk about a green well he's

1243

00:58:38,180 --> 00:58:33,119

all about getting the freedoms back you

1244

00:58:40,400 --> 00:58:38,190

know yeah and and you know I mean you

1245

00:58:43,430 --> 00:58:40,410

can have a wonderful Constitution but I

1246

00:58:46,760 --> 00:58:43,440

guess if you think you have the legal

1247

00:58:49,460 --> 00:58:46,770

right to ignore it and you don't doesn't

1248

00:58:51,650 --> 00:58:49,470

really matter which I am I I'm sort of

1249

00:58:53,780 --> 00:58:51,660

understanding it's what is what has been

1250

00:58:55,339 --> 00:58:53,790

happened whereas you know Abraham

1251

00:58:58,160 --> 00:58:55,349

Lincoln said no I

1252

00:59:01,339 --> 00:58:58,170

I just want to uphold it and I'm going

1253

00:59:04,190 --> 00:59:01,349

to yeah and I mean not to get in a big a

1254

00:59:05,870 --> 00:59:04,200

big thing about Ron Paul but um you know

1255

00:59:08,180 --> 00:59:05,880

he is about freedoms he wants to end the

1256

00:59:09,859 --> 00:59:08,190

drug war and the wars overseas and then

1257

00:59:11,270 --> 00:59:09,869

the Federal Reserve which you know huge

1258

00:59:12,380 --> 00:59:11,280

that would be that would be great that

1259

00:59:15,050 --> 00:59:12,390

would get us on the right track but he

1260

00:59:16,579 --> 00:59:15,060

also wants to remove some of the

1261

00:59:18,890 --> 00:59:16,589

restraints from corporations which

1262

00:59:20,390 --> 00:59:18,900

there's where I think it's a disastrous

1263

00:59:21,859 --> 00:59:20,400

idea to remove regulations from

1264

00:59:24,950 --> 00:59:21,869

corporations we've seen what it does

1265

00:59:27,380 --> 00:59:24,960

they are corrupt institutions as well

1266

00:59:31,099 --> 00:59:27,390

and they never really do anything from

1267

00:59:32,359 --> 00:59:31,109

altruistic means so to allow them free

1268

00:59:33,349 --> 00:59:32,369

rein on everything they've already got

1269

00:59:35,720 --> 00:59:33,359

too much power I think it'd be

1270

00:59:37,849 --> 00:59:35,730

disastrous and that's kind of where I

1271

00:59:39,890 --> 00:59:37,859

separate from Ron Paul but you know we

1272

00:59:41,960 --> 00:59:39,900

are getting we are getting down to it

1273

00:59:43,760 --> 00:59:41,970

Paul and I appreciate you being here

1274

00:59:45,589 --> 00:59:43,770

you're a great historian you know I'm

1275

00:59:47,750 --> 00:59:45,599

standing off all the work you've done a

1276

00:59:50,120 --> 00:59:47,760

lot of it has to be very tedious digging

1277

00:59:51,650 --> 00:59:50,130

through documents and I appreciate that

1278

00:59:53,420 --> 00:59:51,660

there's someone out there who is willing

1279

00:59:56,120 --> 00:59:53,430

to spend a good chunk of their time

1280

00:59:57,740 --> 00:59:56,130

doing it so that facts can come forward

1281

01:00:00,080 --> 00:59:57,750

and we can get down to the truth you

1282

01:00:02,420 --> 01:00:00,090

know so well Thanks

1283

01:00:04,940 --> 01:00:02,430

but oh well that's very kind of you to

1284

01:00:07,190 --> 01:00:04,950

say and and again thank you very much

1285

01:00:09,440 --> 01:00:07,200

for for your great interest I hope

1286

01:00:11,900 --> 01:00:09,450

there's there's more Americans that are

1287

01:00:13,700 --> 01:00:11,910

also as interested as you are of course

1288

01:00:16,970 --> 01:00:13,710

thanks and where can people get the book

1289

01:00:22,450 --> 01:00:16,980

1290

01:00:26,840 --> 01:00:22,460

it's one can go and it's also I can come

1292

01:00:35,630 --> 01:00:33,390

1293

01:00:38,120 --> 01:00:35,640

can also be available directly from me

1294

01:00:43,520 --> 01:00:38,130

and people can go on my website and read

1295

01:00:46,640 --> 01:00:43,530

my blog you can it's it's not that your

1296

01:01:12,650 --> 01:00:46,650

blog okay well I tell my website which

1297

01:01:14,960 --> 01:01:12,660

is www.hyken.com okay all the results

1298

01:01:18,560 --> 01:01:14,970

you are the guy when it comes to talking

1299

01:01:20,060 --> 01:01:18,570

about this particular conspiracy and you

1300

01:01:22,520 --> 01:01:20,070

know again it's great that you spend so

1301
01:01:24,590 --> 01:01:22,530
much time and dedication learning about

1302
01:01:26,450 --> 01:01:24,600
it and you know you say your next book

1303
01:01:27,710 --> 01:01:26,460
is going to be on the draft riots is

1304
01:01:31,940 --> 01:01:27,720
there anything else you're working on or

1305
01:01:35,780 --> 01:01:31,950
when will that be coming out oh well I'm

1306
01:01:38,210 --> 01:01:35,790
20 years work I'm yeah no no I hope not

1307
01:01:39,590 --> 01:01:38,220
I hope not although it it takes way

1308
01:01:42,230 --> 01:01:39,600
longer than you think to write a book

1309
01:01:46,010 --> 01:01:42,240
but yeah no I

1310
01:01:49,450 --> 01:01:46,020
I see ie house of work renovations and

1311
01:01:52,960 --> 01:01:49,460
another family business right now but I

1312
01:01:56,270 --> 01:01:52,970
I would hope I could maybe get it out

1313
01:01:58,730 --> 01:01:56,280

I'm just thinking maybe possibly this

1314

01:02:02,000 --> 01:01:58,740

year or maybe early next year where

1315

01:02:03,950 --> 01:02:02,010

we're in the 150th anniversary of the

1316

01:02:07,000 --> 01:02:03,960

Civil War so we're coming up to the

1317

01:02:13,710 --> 01:02:07,010

150th anniversary of that time next July

1318

01:02:16,560 --> 01:02:13,720

so maybe before then but we'll we'll see

1319

01:02:18,000 --> 01:02:16,570

how things go well I look forward to it

1320

01:02:19,710 --> 01:02:18,010

you know it's always important to expose

1321

01:02:21,390 --> 01:02:19,720

the shady paths of organizations

1322

01:02:22,800 --> 01:02:21,400

especially ones that still wield power

1323

01:02:23,490 --> 01:02:22,810

like the Catholic Church today so again

1324

01:02:25,740 --> 01:02:23,500

thank you

1325

01:02:27,120 --> 01:02:25,750

I hope society rewards you for the

1326

01:02:28,550 --> 01:02:27,130

service you've done to our historical

1327

01:02:30,990 --> 01:02:28,560

record and it's been a pleasure Paul

1328

anybody just listen to the words that

1354

01:05:07,690 --> 01:05:04,029
