1  
00:00:08,249 --> 00:00:06,420  
we're here because we don't buy into the

2  
00:00:10,140 --> 00:00:08,259  
[h\_\_\h] of mainstream culture we're

3  
00:00:11,640 --> 00:00:10,150  
tired of the mundane passionless careers

4  
00:00:13,259 --> 00:00:11,650  
we've been shuffled into as a result of

5  
00:00:15,329 --> 00:00:13,269  
this orchestrated death based system of

6  
00:00:16,950 --> 00:00:15,339  
rule and the stranglehold on education

7  
00:00:20,009 --> 00:00:16,960  
entertainment by cold soulless

8  
00:00:23,220 --> 00:00:20,019  
corporations people yes we are

9  
00:00:25,079 --> 00:00:23,230  
frustrated yes we are tired and we

10  
00:00:26,370 --> 00:00:25,089  
reject the pre-approved tranquilizers

11  
00:00:28,529 --> 00:00:26,380  
that are Monday Night Football and a

12  
00:00:30,779 --> 00:00:28,539  
nice cold Budweiser we have to stop

13  
00:00:33,360 --> 00:00:30,789

hiding stop hiding behind the headphone

14

00:00:34,740 --> 00:00:33,370

to the cherry popper 4/20 username let

15

00:00:36,450 --> 00:00:34,750

the world see that the resistance is

16

00:00:38,370 --> 00:00:36,460

strong and society is changing

17

00:00:40,950 --> 00:00:38,380

there was a time to be anonymous and

18

00:00:42,090 --> 00:00:40,960

that time has passed and so the higher

19

00:00:44,310 --> 00:00:42,100

side chats would like to present

20

00:00:45,650 --> 00:00:44,320

conspiracies as the dawning of this new

21

00:00:47,750 --> 00:00:45,660

paradigm

22

00:00:49,580 --> 00:00:47,760

the revolution because bold fashion

23

00:00:51,940 --> 00:00:49,590

should be more than summons celebrity

24

00:00:54,500 --> 00:00:51,950

lead dress for Atlanta sleeping fellow

25

00:00:55,970 --> 00:00:54,510

conspirators redefines film fashion as

26

00:00:58,340 --> 00:00:55,980

having the balls to reject socially

27

00:01:02,570 --> 00:00:58,350

uncomfortable and unpopular truths from

28

00:01:04,610 --> 00:01:02,580

the Iranian chest all bugging today it's

29

00:01:06,950 --> 00:01:04,620

appear to use dotnet let him know that

30

00:01:44,860 --> 00:01:06,960

you know bolt designs for trouble times

31

00:01:49,610 --> 00:01:47,570

people you can [h\_\_\h] about the financial

32

00:01:51,950 --> 00:01:49,620

elites elaborate network of manipulation

33

00:01:54,080 --> 00:01:51,960

and control and the psychopathic suicide

34

00:01:56,000 --> 00:01:54,090

machine we call capitalism just to

35

00:01:57,650 --> 00:01:56,010

remain paralyzed and hypnotized by the

36

00:01:59,120 --> 00:01:57,660

fear of falling through the cracks of a

37

00:02:02,360 --> 00:01:59,130

rigged game you never had the conviction

38

00:02:03,710 --> 00:02:02,370

to demand be evolved or you can get

39

00:02:05,600 --> 00:02:03,720

smart and beat the Wizards of Wall

40

00:02:07,130 --> 00:02:05,610

Street and the demons of the debt based

41

00:02:09,169 --> 00:02:07,140

illusion of scarcity with a little

42

00:02:10,850 --> 00:02:09,179

financial magic and sorcery of your own

43

00:02:12,440 --> 00:02:10,860

and today's guest on the higher side

44

00:02:15,050 --> 00:02:12,450

chats is the man to help you do just

45

00:02:17,330 --> 00:02:15,060

that a lifelong student of magic and the

46

00:02:19,130 --> 00:02:17,340

occult study in the arts in New Orleans

47

00:02:21,199 --> 00:02:19,140

and appalled and across Europe the

48

00:02:23,030 --> 00:02:21,209

author of financial sorcery magical

49

00:02:25,340 --> 00:02:23,040

strategies to create real and lasting

50

00:02:27,830 --> 00:02:25,350

wealth Jason Miller how the hell are you

51  
00:02:30,530 --> 00:02:27,840  
I'm doing alright how are you

52  
00:02:32,240 --> 00:02:30,540  
oh I never been better your book was

53  
00:02:34,729 --> 00:02:32,250  
actually a bit of a wake-up call for me

54  
00:02:36,380 --> 00:02:34,739  
because I spend a lot of time stoned

55  
00:02:38,840 --> 00:02:36,390  
lost on the internet and listening to

56  
00:02:40,940 --> 00:02:38,850  
everything from whistleblower accounts

57  
00:02:43,490 --> 00:02:40,950  
of occult rituals among secret societies

58  
00:02:45,410 --> 00:02:43,500  
to occult symbolism and Disney movies

59  
00:02:46,760 --> 00:02:45,420  
and the dollar bill itself and like a

60  
00:02:48,590 --> 00:02:46,770  
lot of people I'm up on the soapbox

61  
00:02:50,000 --> 00:02:48,600  
saying hey look at them you know look at

62  
00:02:51,860 --> 00:02:50,010  
what the elite are doing it's not fair

63  
00:02:53,240 --> 00:02:51,870

while I'm being railed by the low end of

64

00:02:55,340 --> 00:02:53,250

the totem pole you know it seems like

65

00:02:56,960 --> 00:02:55,350

there are a lot of powerful people using

66

00:02:59,690 --> 00:02:56,970

magic you know why shouldn't we am i

67

00:03:00,949 --> 00:02:59,700

right you're absolutely right absolutely

68

00:03:04,729 --> 00:03:00,959

right

69

00:03:10,420 --> 00:03:04,739

in this world unfortunately it you know

70

00:03:12,949 --> 00:03:10,430

we are stacked against us as far as

71

00:03:15,100 --> 00:03:12,959

attacking the problem from the outside

72

00:03:18,860 --> 00:03:15,110

you know what I mean right

73

00:03:21,470 --> 00:03:18,870

so unfortunately the old saying is a

74

00:03:24,890 --> 00:03:21,480

little bit true money talks and [h\_\_\h]

75

00:03:27,280 --> 00:03:24,900

walks and you know you have to be part

76

00:03:29,860 --> 00:03:27,290

of the system to change it nowadays

77

00:03:33,160 --> 00:03:29,870

that is true you know I don't have much

78

00:03:35,110 --> 00:03:33,170

of a spiritual self but I admire your

79

00:03:36,789 --> 00:03:35,120

dedication to learning and practicing

80

00:03:38,530 --> 00:03:36,799

all the occult arts what are some

81

00:03:41,979 --> 00:03:38,540

examples of how you used them in your

82

00:03:44,770 --> 00:03:41,989

own life well you know I always tell

83

00:03:50,490 --> 00:03:44,780

people that I mean I've done a lot of

84

00:03:54,399 --> 00:03:50,500

ritual I've summon spirits I've done

85

00:03:58,780 --> 00:03:54,409

magical rituals for people for all kinds

86

00:04:01,720 --> 00:03:58,790

of conceivable reasons I have you know

87

00:04:05,050 --> 00:04:01,730

spent time meditating in charnel grounds

88

00:04:09,030 --> 00:04:05,060

and and doing all kinds of strange

89

00:04:15,099 --> 00:04:09,040

things but the best thing that I

90

00:04:17,770 --> 00:04:15,109

practice is just simple meditation just

91

00:04:21,939 --> 00:04:17,780

I mean 20 minutes in the morning and 20

92

00:04:25,060 --> 00:04:21,949

minutes at night sitting down watching

93

00:04:28,210 --> 00:04:25,070

the breath while watching the mind for

94

00:04:31,029 --> 00:04:28,220

distractions getting distracted like you

95

00:04:34,420 --> 00:04:31,039

know every half second and then bringing

96

00:04:38,469 --> 00:04:34,430

myself back to the meditation I tell you

97

00:04:41,290 --> 00:04:38,479

you know it is the number one way to

98

00:04:43,570 --> 00:04:41,300

develop magical skills it's the number

99

00:04:47,670 --> 00:04:43,580

one way to control your mind it's the

100

00:04:53,439 --> 00:04:50,770

and once you have that kind of mind

101  
00:04:56,070 --> 00:04:53,449  
control and the patterns of your own

102  
00:04:59,520 --> 00:04:56,080  
mind start to become apparent as far as

103  
00:05:03,700 --> 00:04:59,530  
well where do these thoughts come from

104  
00:05:08,020 --> 00:05:03,710  
you know your your site deals with a lot

105  
00:05:09,760 --> 00:05:08,030  
of things where you know you're you're

106  
00:05:12,779 --> 00:05:09,770  
encountering the system that's stacked

107  
00:05:15,909 --> 00:05:12,789  
against you I mean right not just

108  
00:05:17,980 --> 00:05:15,919  
political things I mean you walk into an

109  
00:05:21,719 --> 00:05:17,990  
Abercrombie & Fitch and you were walking

110  
00:05:25,270 --> 00:05:21,729  
into a place that has been meticulously

111  
00:05:26,760 --> 00:05:25,280  
designed to make you think certain

112  
00:05:30,070 --> 00:05:26,770  
thoughts

113  
00:05:32,140 --> 00:05:30,080

you know the tiles on the floor when you

114

00:05:35,110 --> 00:05:32,150

first walk in or a certain size that

115

00:05:37,570 --> 00:05:35,120

that tell the mind to walk further in

116

00:05:40,209 --> 00:05:37,580

and then they change as you get deeper

117

00:05:41,030 --> 00:05:40,219

in there are you know in the men's

118

00:05:43,430 --> 00:05:41,040

section

119

00:05:46,790 --> 00:05:43,440

like exposed piping and things like that

120

00:05:48,830 --> 00:05:46,800

it's there purely to make men feel more

121

00:05:52,370 --> 00:05:48,840

manly and more likely to spend money

122

00:05:55,100 --> 00:05:52,380

there's the music at a certain volume to

123

00:05:58,310 --> 00:05:55,110

drive out mom and dad but to keep you

124

00:06:01,640 --> 00:05:58,320

know the juniors in with the credit

125

00:06:05,000 --> 00:06:01,650

cards you know it is a masterpiece of

126

00:06:08,120 --> 00:06:05,010

psychological manipulation so with

127

00:06:09,950 --> 00:06:08,130

meditation these kinds of things become

128

00:06:11,570 --> 00:06:09,960

apparent because you get to know your

129

00:06:14,120 --> 00:06:11,580

own mind you can know

130

00:06:16,670 --> 00:06:14,130

what thoughts are yours what thoughts

131

00:06:20,330 --> 00:06:16,680

are simply mechanistic reactions and

132

00:06:21,860 --> 00:06:20,340

what are you reacting to alright it

133

00:06:25,610 --> 00:06:21,870

seems like such an important first step

134

00:06:29,150 --> 00:06:25,620

but so few people actually put the time

135

00:06:31,280 --> 00:06:29,160

in to you know benefit from meditation I

136

00:06:33,650 --> 00:06:31,290

mean I myself I know you say you can't

137

00:06:35,750 --> 00:06:33,660

be bad at meditation but I mean I just

138

00:06:38,000 --> 00:06:35,760

get distracted and I have a hard time

139

00:06:42,160 --> 00:06:38,010

just dedicating the time to it you know

140

00:06:44,660 --> 00:06:42,170

turning the TV off who wants to do that

141

00:06:47,320 --> 00:06:44,670

you'll thank yourself if you spend a

142

00:06:51,020 --> 00:06:47,330

week just doing it for 20 minutes a day

143

00:06:52,850 --> 00:06:51,030

you'll you'll want to go back it's

144

00:06:55,430 --> 00:06:52,860

getting over that first few days it's

145

00:06:57,830 --> 00:06:55,440

kind of like going to the gym yeah you

146

00:06:59,930 --> 00:06:57,840

go once another thing I don't do right

147

00:07:01,370 --> 00:06:59,940

well you know and I never did it and you

148

00:07:02,810 --> 00:07:01,380

know you go once or twice and you're

149

00:07:04,850 --> 00:07:02,820

trying like oh well you know you fall

150

00:07:08,420 --> 00:07:04,860

off the wagon but once you go for like a

151  
00:07:11,750 --> 00:07:08,430  
week or two and you start to feel just a

152  
00:07:13,060 --> 00:07:11,760  
little bit of what it gives you then all

153  
00:07:15,890 --> 00:07:13,070  
of a sudden it's not a problem

154  
00:07:20,240 --> 00:07:15,900  
wanting to go the problem is wanting to

155  
00:07:23,180 --> 00:07:20,250  
do it more and have that problem and you

156  
00:07:26,660 --> 00:07:23,190  
know you're you're not alone I teach a

157  
00:07:30,370 --> 00:07:26,670  
lot of magicians which is an occultist

158  
00:07:33,260 --> 00:07:30,380  
magic I have my strategic sorcery course

159  
00:07:36,530 --> 00:07:33,270  
and the number one thing that people

160  
00:07:40,130 --> 00:07:36,540  
report back is you know I don't want to

161  
00:07:43,340 --> 00:07:40,140  
meditate and I get it you know I mean a

162  
00:07:44,960 --> 00:07:43,350  
lot of people meditation is like an

163  
00:07:47,090 --> 00:07:44,970

Eastern thing they want to be standing

164

00:07:49,370 --> 00:07:47,100

up they want to be doing rituals they

165

00:07:52,190 --> 00:07:49,380

want to be saying things they want

166

00:07:54,560 --> 00:07:52,200

spirits to appear or as in meditation

167

00:07:54,980 --> 00:07:54,570

I'm saying sit down don't get up and do

168

00:07:58,430 --> 00:07:54,990

rich

169

00:08:00,020 --> 00:07:58,440

I'm saying you know if a goddess appears

170

00:08:02,510 --> 00:08:00,030

in front of you while you're meditating

171

00:08:07,010 --> 00:08:02,520

you tell her politely you're meditating

172

00:08:10,730 --> 00:08:07,020

and go back to the meditation so these

173

00:08:13,340 --> 00:08:10,740

are you know the there's a lot of

174

00:08:15,650 --> 00:08:13,350

resistance to meditation but right it's

175

00:08:18,020 --> 00:08:15,660

it is like working out it you know you

176  
00:08:19,640 --> 00:08:18,030  
you feel better and you feel the effects

177  
00:08:22,189 --> 00:08:19,650  
afterwards mm-hmm

178  
00:08:23,840 --> 00:08:22,199  
we know I am a big fan of the stories

179  
00:08:26,749 --> 00:08:23,850  
surrounding the abilities of Buddhist

180  
00:08:28,689 --> 00:08:26,759  
monks in the Himalayas because it's sort

181  
00:08:31,820 --> 00:08:28,699  
of mysterious and there's a lot of

182  
00:08:33,350 --> 00:08:31,830  
unverifiable and outrageous stories but

183  
00:08:34,850 --> 00:08:33,360  
you've lived in Nepal and I know you

184  
00:08:36,649 --> 00:08:34,860  
have an interest in those particular

185  
00:08:38,329 --> 00:08:36,659  
monks can you tell us any first-hand

186  
00:08:43,130 --> 00:08:38,339  
accounts or what's really going on up

187  
00:08:45,740 --> 00:08:43,140  
there oh there there I mean there are I

188  
00:08:48,230 --> 00:08:45,750

mean first of all even some of the guys

189

00:08:50,420 --> 00:08:48,240

that that live in the cities are just in

190

00:08:54,160 --> 00:08:50,430

the monasteries who have a very strong

191

00:08:57,920 --> 00:08:54,170

spiritual practice have some amazing

192

00:09:00,980 --> 00:08:57,930

amazing powers you know I remember going

193

00:09:03,410 --> 00:09:00,990

to see lama dalai Chodak and I've seen

194

00:09:05,350 --> 00:09:03,420

lots of you know card readers and things

195

00:09:09,980 --> 00:09:05,360

like this but I've never had someone

196

00:09:12,199 --> 00:09:09,990

pull a name out of the air you know and

197

00:09:15,199 --> 00:09:12,209

this is a guy in Nepal literally on the

198

00:09:17,420 --> 00:09:15,209

other side of the world you know and no

199

00:09:22,060 --> 00:09:17,430

one that knew this person's name was

200

00:09:24,590 --> 00:09:22,070

with me there's no conceivable way that

201  
00:09:28,370 --> 00:09:24,600  
he could have done it and he does this

202  
00:09:29,900 --> 00:09:28,380  
all the time and then you know then

203  
00:09:34,070 --> 00:09:29,910  
there are the guys that are up in the

204  
00:09:36,980 --> 00:09:34,080  
caves that are living in retreat and

205  
00:09:39,140 --> 00:09:36,990  
these are the people where the really

206  
00:09:40,940 --> 00:09:39,150  
amazing things happen and that's what

207  
00:09:43,100 --> 00:09:40,950  
I'm hearing you know there are some

208  
00:09:45,680 --> 00:09:43,110  
things that I don't even like to talk

209  
00:09:50,570 --> 00:09:45,690  
about because they just sound hokey when

210  
00:09:54,019 --> 00:09:50,580  
they're coming secondhand but that's the

211  
00:09:55,460 --> 00:09:54,029  
real stuff of wizards up there you know

212  
00:09:57,470 --> 00:09:55,470  
they're putting the time in and they're

213  
00:10:03,140 --> 00:09:57,480

getting the result in accordance with

214

00:10:04,280 --> 00:10:03,150

that time and you know I remember living

215

00:10:07,600 --> 00:10:04,290

in part pings

216

00:10:09,420 --> 00:10:07,610

which is outside of Nepal near

217

00:10:14,170 --> 00:10:09,430

duction collie which is big Kali temple

218

00:10:16,449 --> 00:10:14,180

but all of a sudden one morning we were

219

00:10:17,680 --> 00:10:16,459

about to start this logical ayah ritual

220

00:10:19,930 --> 00:10:17,690

which is going to last for three days

221

00:10:23,230 --> 00:10:19,940

and all these knock buzz these tibetan

222

00:10:25,210 --> 00:10:23,240

sorcerers showed up and we're all doing

223

00:10:26,710 --> 00:10:25,220

this together and then in three days

224

00:10:30,009 --> 00:10:26,720

they're gone

225

00:10:32,470 --> 00:10:30,019

just like well where do these guys live

226

00:10:35,230 --> 00:10:32,480

oh they're you know they're going back

227

00:10:37,750 --> 00:10:35,240

into retreat they're up in caves you

228

00:10:39,579 --> 00:10:37,760

know they're thinking they're not like

229

00:10:43,930 --> 00:10:39,589

guys that hang around for you to chat

230

00:10:46,660 --> 00:10:43,940

with so yeah the real deal is still

231

00:10:48,190 --> 00:10:46,670

happening and you know some of the stuff

232

00:10:51,340 --> 00:10:48,200

is is verifiable

233

00:10:54,759 --> 00:10:51,350

I think it's Cambridge University that

234

00:10:57,970 --> 00:10:54,769

was doing Studies on Tomo which is the

235

00:11:00,970 --> 00:10:57,980

the inner sheet yoga's and you know they

236

00:11:03,940 --> 00:11:00,980

have monks on record getting parts of

237

00:11:05,410 --> 00:11:03,950

their body up to 117 degrees using

238

00:11:08,680 --> 00:11:05,420

nothing but their breath breath

239

00:11:13,030 --> 00:11:08,690

meditation so what do you think the

240

00:11:16,329 --> 00:11:13,040

point of that is well you know it's

241

00:11:19,120 --> 00:11:16,339

interesting because a lot of people have

242

00:11:21,699 --> 00:11:19,130

a mistaken idea that the point of Timmo

243

00:11:22,240 --> 00:11:21,709

is to generate heat and it would make

244

00:11:24,970 --> 00:11:22,250

sense

245

00:11:27,699 --> 00:11:24,980

eating the context of Tibet because of

246

00:11:30,009 --> 00:11:27,709

course Tibet's very cold so you have the

247

00:11:32,050 --> 00:11:30,019

famous repa tradition where you know

248

00:11:37,960 --> 00:11:32,060

people vow to wear nothing but cotton

249

00:11:41,650 --> 00:11:37,970

like Milarepa but really to mo developed

250

00:11:44,439 --> 00:11:41,660

in India and it developed in quite warm

251  
00:11:46,780 --> 00:11:44,449  
climates so having done a little bit of

252  
00:11:49,329 --> 00:11:46,790  
Timah myself I can tell you that the

253  
00:11:53,259 --> 00:11:49,339  
point of chemo is not really to generate

254  
00:11:56,980 --> 00:11:53,269  
physical heat it's part of similar to

255  
00:11:59,620 --> 00:11:56,990  
Kundalini you're raising energy up the

256  
00:12:02,439 --> 00:11:59,630  
spine vital energy that turns the volume

257  
00:12:04,210 --> 00:12:02,449  
up on everything and then this rises

258  
00:12:08,590 --> 00:12:04,220  
through the body and then you experience

259  
00:12:11,370 --> 00:12:08,600  
this ascending power which melts it's

260  
00:12:14,650 --> 00:12:11,380  
said to melt the wisdom drop and cause a

261  
00:12:18,410 --> 00:12:14,660  
descending bliss and then it's in this

262  
00:12:22,340 --> 00:12:18,420  
state of you know bliss and

263  
00:12:24,500 --> 00:12:22,350

and emptiness that you enter into other

264

00:12:30,070 --> 00:12:24,510

yoga's like the the sexy lives and

265

00:12:32,990 --> 00:12:30,080

things like that so right yeah exactly

266

00:12:35,480 --> 00:12:33,000

on the subject of your book financial

267

00:12:37,820 --> 00:12:35,490

sorcery you talk about the spirit of

268

00:12:38,630 --> 00:12:37,830

energy of the spirit and the energy of

269

00:12:41,060 --> 00:12:38,640

money

270

00:12:42,380 --> 00:12:41,070

well like instead of avoiding it or

271

00:12:44,540 --> 00:12:42,390

fighting with it like I'm sure most

272

00:12:46,100 --> 00:12:44,550

people do how should we change our

273

00:12:47,810 --> 00:12:46,110

relationship with it so that it works

274

00:12:52,150 --> 00:12:47,820

with us instead of against us what is

275

00:12:55,520 --> 00:12:52,160

the spirit of money like well you know I

276

00:12:57,350 --> 00:12:55,530

give several qualities of the spirit of

277

00:13:02,690 --> 00:12:57,360

money the spirit of money is related to

278

00:13:05,150 --> 00:13:02,700

time and money doesn't like to be wasted

279

00:13:09,770 --> 00:13:05,160

and and so on and so forth things like

280

00:13:12,490 --> 00:13:09,780

this money needs to move to accumulate a

281

00:13:13,790 --> 00:13:12,500

lot of people think in terms of

282

00:13:16,550 --> 00:13:13,800

accumulative

283

00:13:18,770 --> 00:13:16,560

just you know Scrooge McDuck grat

284

00:13:19,820 --> 00:13:18,780

gathering more and more million let's

285

00:13:23,450 --> 00:13:19,830

sit in this bank

286

00:13:25,730 --> 00:13:23,460

what really money needs to move to to

287

00:13:27,710 --> 00:13:25,740

generate even more money so there are

288

00:13:32,930 --> 00:13:27,720

things like that but our relationship

289

00:13:35,420 --> 00:13:32,940

with money it we have to have a positive

290

00:13:38,870 --> 00:13:35,430

relationship with money and it can be

291

00:13:42,290 --> 00:13:38,880

hard because we look around and we see

292

00:13:46,940 --> 00:13:42,300

people with money behaving reprehensibly

293

00:13:50,510 --> 00:13:46,950

and it's hard to look at that and not

294

00:13:52,310 --> 00:13:50,520

see you know that that's something I

295

00:13:56,420 --> 00:13:52,320

want no part of it's just right you know

296

00:14:00,070 --> 00:13:56,430

evil and you know here's the thing

297

00:14:04,850 --> 00:14:00,080

that take that spiritual take that

298

00:14:08,240 --> 00:14:04,860

anti-materialistic renunciation take is

299

00:14:10,910 --> 00:14:08,250

a good spiritual take if you're really

300

00:14:13,520 --> 00:14:10,920

going to do it so in other words if

301  
00:14:20,060 --> 00:14:13,530  
you're saying you know I don't want to

302  
00:14:21,770 --> 00:14:20,070  
be a part of the the system of chasing

303  
00:14:22,700 --> 00:14:21,780  
after money and dealing with money and

304  
00:14:26,950 --> 00:14:22,710  
so on and so forth

305  
00:14:31,190 --> 00:14:26,960  
that's great become a monk become a nun

306  
00:14:32,390 --> 00:14:31,200  
with that Buddhists or Catholics or if

307  
00:14:34,460 --> 00:14:32,400  
you don't want to go that route

308  
00:14:37,940 --> 00:14:34,470  
then you know come down here to New

309  
00:14:40,880 --> 00:14:37,950  
Jersey to Tom Brown survival school and

310  
00:14:43,940 --> 00:14:40,890  
he'll teach you how to live you know

311  
00:14:46,730 --> 00:14:43,950  
just on your own with a knife in the

312  
00:14:50,480 --> 00:14:46,740  
wood right ready for the class right

313  
00:14:54,050 --> 00:14:50,490

exactly and just walk off into the woods

314

00:14:55,970 --> 00:14:54,060

and live like a wandering yogi or

315

00:14:57,950 --> 00:14:55,980

homeless mystic or something like that

316

00:15:00,610 --> 00:14:57,960

these are all I think these are all

317

00:15:04,850 --> 00:15:00,620

really good ways to go

318

00:15:06,980 --> 00:15:04,860

spiritually speak are you gonna are you

319

00:15:10,040 --> 00:15:06,990

gonna do that right yes they're not that

320

00:15:12,170 --> 00:15:10,050

practical no I mean but that's just it

321

00:15:14,510 --> 00:15:12,180

they're very practical all you have to

322

00:15:17,860 --> 00:15:14,520

do is show up and do it fair I mean

323

00:15:21,110 --> 00:15:17,870

really just sort of cut off from 95% of

324

00:15:25,400 --> 00:15:21,120

humanity you will be and that's the

325

00:15:27,800 --> 00:15:25,410

point is that you can't have what I call

326

00:15:29,750 --> 00:15:27,810

barista spirituality and this is what I

327

00:15:32,930 --> 00:15:29,760

had in the in the 1990s

328

00:15:35,350 --> 00:15:32,940

you know when 20-somethings of

329

00:15:39,050 --> 00:15:35,360

Generation X people were all

330

00:15:41,000 --> 00:15:39,060

quote-unquote slackers in the 90s I mean

331

00:15:43,010 --> 00:15:41,010

you know we'd like just work our little

332

00:15:45,260 --> 00:15:43,020

jobs that we didn't care about and we'd

333

00:15:47,570 --> 00:15:45,270

say you know oh it's just I'm doing

334

00:15:50,810 --> 00:15:47,580

whatever it's just to support you know

335

00:15:52,370 --> 00:15:50,820

my occultism or my music or my poetry or

336

00:15:58,880 --> 00:15:52,380

whatever it is that people were into at

337

00:16:00,770 --> 00:15:58,890

the time and you know and but ultimately

338

00:16:04,970 --> 00:16:00,780

you're still working 40 hours a week

339

00:16:06,290 --> 00:16:04,980

right and and you still need money for

340

00:16:09,110 --> 00:16:06,300

this that and the other thing and what

341

00:16:12,650 --> 00:16:09,120

happens is as you get just not even much

342

00:16:15,410 --> 00:16:12,660

older just a little bit older it you

343

00:16:19,610 --> 00:16:15,420

know the sort of bohemian trip starts to

344

00:16:23,750 --> 00:16:19,620

get a little old and you start to maybe

345

00:16:25,970 --> 00:16:23,760

think about well if it's old now what's

346

00:16:27,440 --> 00:16:25,980

it going to be like when I'm 70 no

347

00:16:29,720 --> 00:16:27,450

that's you know and that's the real

348

00:16:31,280 --> 00:16:29,730

killer right and then geez

349

00:16:33,890 --> 00:16:31,290

people are living into their hundreds so

350

00:16:36,770 --> 00:16:33,900

when I'm 70 you know and ostensibly

351

00:16:37,330 --> 00:16:36,780

retired I still might have another 30

352

00:16:40,670 --> 00:16:37,340

years

353

00:16:42,890 --> 00:16:40,680

uh-huh and then it's like holy crap what

354

00:16:46,160 --> 00:16:42,900

am i you know what am I gonna do with

355

00:16:49,340 --> 00:16:46,170

myself so what I'm saying

356

00:16:51,050 --> 00:16:49,350

is if you're gonna renounce money if

357

00:16:53,690 --> 00:16:51,060

you're gonna renounce finances then

358

00:16:55,970 --> 00:16:53,700

really renounce it don't like you know

359

00:17:00,379 --> 00:16:55,980

yeah that's our box and be like unknown

360

00:17:02,540 --> 00:17:00,389

materialistic otherwise your only other

361

00:17:04,780 --> 00:17:02,550

option is you have to master it because

362

00:17:08,539 --> 00:17:04,790

money is too powerful

363

00:17:10,760 --> 00:17:08,549

to not either renounce it or master it

364

00:17:14,419 --> 00:17:10,770

if you don't fully renounce it

365

00:17:17,659 --> 00:17:14,429

it will master you that way I think if

366

00:17:19,569 --> 00:17:17,669

we look around at the world you see a

367

00:17:23,650 --> 00:17:19,579

lot of problems caused by people

368

00:17:26,480 --> 00:17:23,660

mastered by their love of money and

369

00:17:28,100 --> 00:17:26,490

completely agree I mean it's no wonder

370

00:17:29,840 --> 00:17:28,110

people get so stressed about it on a

371

00:17:32,000 --> 00:17:29,850

daily basis you know you come home from

372

00:17:33,860 --> 00:17:32,010

a job you hate you can't can't quite

373

00:17:35,600 --> 00:17:33,870

figure out a way around it you know I

374

00:17:37,250 --> 00:17:35,610

come home and start suckling at the pity

375

00:17:39,500 --> 00:17:37,260

titty and numbing myself with a new

376

00:17:42,169 --> 00:17:39,510

season of the office while I point my

377

00:17:44,630 --> 00:17:42,179

hatred at the 1% but you know your book

378

00:17:46,280 --> 00:17:44,640

brings up a great psychological barrier

379

00:17:48,919 --> 00:17:46,290

that people have that causes them to

380

00:17:51,320 --> 00:17:48,929

hold themselves back and that's having a

381

00:17:55,100 --> 00:17:51,330

misaligned set point can you explain the

382

00:17:58,820 --> 00:17:55,110

set point absolutely the set point is

383

00:18:01,730 --> 00:17:58,830

the idea that we have a place where

384

00:18:04,159 --> 00:18:01,740

we're comfortable and it's not

385

00:18:06,500 --> 00:18:04,169

necessarily the place that we want to be

386

00:18:10,610 --> 00:18:06,510

it's the place where we think we should

387

00:18:12,860 --> 00:18:10,620

be and it's it's deeper than the

388

00:18:15,799 --> 00:18:12,870

conscious mind we can say all we want

389

00:18:19,010 --> 00:18:15,809

you know I would you know what I really

390

00:18:23,120 --> 00:18:19,020

want is to make you know a million

391

00:18:25,010 --> 00:18:23,130

dollars a year and and having vacation

392

00:18:28,730 --> 00:18:25,020

home in the Maldives and so on and so

393

00:18:31,490 --> 00:18:28,740

forth but if we were raised with parents

394

00:18:35,450 --> 00:18:31,500

that were sort of you know middle middle

395

00:18:38,270 --> 00:18:35,460

class lower middle class we tend to have

396

00:18:40,730 --> 00:18:38,280

a set point that's comfortable around

397

00:18:43,730 --> 00:18:40,740

forty to fifty thousand dollars a year I

398

00:18:45,830 --> 00:18:43,740

think that's so true right and then

399

00:18:48,289 --> 00:18:45,840

people that are raised in poverty you

400

00:18:53,049 --> 00:18:48,299

know of course you want out you want you

401  
00:18:55,820 --> 00:18:53,059  
want you know you want more but people

402  
00:18:58,610 --> 00:18:55,830  
you know you say you want more but

403  
00:18:59,990 --> 00:18:58,620  
you're comfortable with so much less and

404  
00:19:03,140 --> 00:19:00,000  
then people relax

405  
00:19:07,430 --> 00:19:03,150  
defensive when people move out this is

406  
00:19:09,950 --> 00:19:07,440  
why you know people that go to school in

407  
00:19:12,020 --> 00:19:09,960  
extremely poor areas often report

408  
00:19:14,300 --> 00:19:12,030  
getting bullied when they try to do

409  
00:19:16,970 --> 00:19:14,310  
their homework they get bullied wouldn't

410  
00:19:20,300 --> 00:19:16,980  
or you know on a trajectory to go to

411  
00:19:24,440 --> 00:19:20,310  
college you know it could be a racial

412  
00:19:27,290 --> 00:19:24,450  
thing it could be just a class thing but

413  
00:19:29,750 --> 00:19:27,300

you know this happens all over right

414

00:19:32,570 --> 00:19:29,760

it's it's an insecurity that if you know

415

00:19:34,670 --> 00:19:32,580

if Joey over there in the front row is

416

00:19:37,100 --> 00:19:34,680

doing well then that means I'm doing bad

417

00:19:38,690 --> 00:19:37,110

by comparison so let me [h\_\_h] with him so

418

00:19:42,500 --> 00:19:38,700

that we're all doing bad so I don't seem

419

00:19:45,530 --> 00:19:42,510

that worse off exactly yeah exactly

420

00:19:47,900 --> 00:19:45,540

and it's amazing you know we can you can

421

00:19:50,630 --> 00:19:47,910

sit there and if you're you know if

422

00:19:53,990 --> 00:19:50,640

you're kind of used to poverty then

423

00:19:57,290 --> 00:19:54,000

having a job that gives you \$25,000 a

424

00:20:01,340 --> 00:19:57,300

year might be you know right within your

425

00:20:03,530 --> 00:20:01,350

setpoint like I'm doing okay I want more

426  
00:20:06,350 --> 00:20:03,540  
and you're gonna have money problems

427  
00:20:08,780 --> 00:20:06,360  
living in this country at that pay ring

428  
00:20:11,900 --> 00:20:08,790  
but you're used to those money problems

429  
00:20:15,110 --> 00:20:11,910  
do you don't work like crazy but if you

430  
00:20:17,810 --> 00:20:15,120  
lose some of that those all of a sudden

431  
00:20:20,900 --> 00:20:17,820  
all after all stops are off every minute

432  
00:20:24,050 --> 00:20:20,910  
of every day is spent getting yourself

433  
00:20:26,060 --> 00:20:24,060  
back to that level and it's the same

434  
00:20:29,600 --> 00:20:26,070  
thing with sort of middle middle class

435  
00:20:32,000 --> 00:20:29,610  
you're looking at like making \$50,000 a

436  
00:20:33,860 --> 00:20:32,010  
year or something like that and if you

437  
00:20:35,480 --> 00:20:33,870  
you know if you're making that and

438  
00:20:37,790 --> 00:20:35,490

you're like yeah we really should make

439

00:20:40,070 --> 00:20:37,800

more we would be able to save more for

440

00:20:43,310 --> 00:20:40,080

retirement we would be able more way we

441

00:20:46,280 --> 00:20:43,320

should start a second business to do an

442

00:20:49,280 --> 00:20:46,290

income stream we could be doing so much

443

00:20:52,660 --> 00:20:49,290

more with our lives than we are and it's

444

00:20:55,870 --> 00:20:52,670

all like this idea of what I want and

445

00:20:59,120 --> 00:20:55,880

maybe I'm going after it a little bit

446

00:21:01,940 --> 00:20:59,130

but all of a sudden if you have the rug

447

00:21:04,400 --> 00:21:01,950

pulled out from under you if your job

448

00:21:07,010 --> 00:21:04,410

like you know cut your hours in half or

449

00:21:09,140 --> 00:21:07,020

something like that or you lose your job

450

00:21:12,020 --> 00:21:09,150

and all of a sudden yours have to live

451  
00:21:13,440 --> 00:21:12,030  
on your unemployment check then all of a

452  
00:21:17,159 --> 00:21:13,450  
sudden it's a man

453  
00:21:20,899 --> 00:21:17,169  
- oh my god the boat is sinking we have

454  
00:21:22,500 --> 00:21:20,909  
to fix this get ourselves back up to

455  
00:21:24,810 --> 00:21:22,510  
comfortable place

456  
00:21:28,799 --> 00:21:24,820  
relax I mean people tend to look at

457  
00:21:30,149 --> 00:21:28,809  
ideas like like magic and manifesting

458  
00:21:32,519 --> 00:21:30,159  
your own desires with the right

459  
00:21:34,769 --> 00:21:32,529  
intention or willing things they look at

460  
00:21:36,899 --> 00:21:34,779  
that as New Age [h\_\_h] but it is a

461  
00:21:38,669 --> 00:21:36,909  
matter of the set point because you

462  
00:21:40,560 --> 00:21:38,679  
probably worked real hard and dressed

463  
00:21:42,269 --> 00:21:40,570

all sharp and pimp the interviews and

464

00:21:44,519 --> 00:21:42,279

made sure you past that ridiculous drug

465

00:21:46,409 --> 00:21:44,529

test you got the job and then you

466

00:21:48,149 --> 00:21:46,419

stopped I mean I say it all the time

467

00:21:49,590 --> 00:21:48,159

I've watched five seasons of Always

468

00:21:51,299 --> 00:21:49,600

Sunny in Philadelphia and I wonder why

469

00:21:53,639 --> 00:21:51,309

my dreams are dying you know you

470

00:21:55,830 --> 00:21:53,649

manifested your desire then you got lazy

471

00:21:56,850 --> 00:21:55,840

and bitter but how did we get out of

472

00:21:58,500 --> 00:21:56,860

that setpoint

473

00:22:03,029 --> 00:21:58,510

and manifest something a little more

474

00:22:07,799 --> 00:22:03,039

fulfilling well in the book I talk about

475

00:22:09,720 --> 00:22:07,809

how to move the setpoint in stages you

476

00:22:12,899 --> 00:22:09,730

know the first step is to release

477

00:22:16,470 --> 00:22:12,909

yourself from that setpoint and I give

478

00:22:21,360 --> 00:22:16,480

all these sort of a ritual example of

479

00:22:24,620 --> 00:22:21,370

how to you know free yourself from that

480

00:22:28,110 --> 00:22:24,630

old thinking and then the next is to

481

00:22:31,220 --> 00:22:28,120

prepare to have that setpoint move so

482

00:22:35,129 --> 00:22:31,230

you start talking with people like the

483

00:22:38,100 --> 00:22:35,139

that already have their set point where

484

00:22:40,049 --> 00:22:38,110

you want to have yours you start

485

00:22:43,169 --> 00:22:40,059

associating with those people you

486

00:22:45,389 --> 00:22:43,179

literally start mimicking some things

487

00:22:48,240 --> 00:22:45,399

dressing like they dress doing like they

488

00:22:51,060 --> 00:22:48,250

do talking like they talk I mean it

489

00:22:52,289 --> 00:22:51,070

sounds like you're you know some people

490

00:22:54,149 --> 00:22:52,299

would say well you're not being true to

491

00:22:57,509 --> 00:22:54,159

yourself but all of these things are

492

00:22:59,220 --> 00:22:57,519

external like if you think that you know

493

00:23:00,990 --> 00:22:59,230

because you were raised to talk a

494

00:23:02,639 --> 00:23:01,000

certain way and you're changing that now

495

00:23:05,279 --> 00:23:02,649

that you're losing in the central part

496

00:23:10,460 --> 00:23:05,289

of yourself that's a pretty crappy sense

497

00:23:14,100 --> 00:23:10,470

of self right you know so you you

498

00:23:17,090 --> 00:23:14,110

transform yourself into what you want to

499

00:23:21,240 --> 00:23:17,100

become and then you ritually steal that

500

00:23:23,340 --> 00:23:21,250

and then you have to seal it again by

501  
00:23:27,350 --> 00:23:23,350  
actually achieving something at that

502  
00:23:33,770 --> 00:23:27,360  
level so you know my my example

503  
00:23:36,080 --> 00:23:33,780  
my seat for this is Archibald Leitch do

504  
00:23:39,080 --> 00:23:36,090  
you know who Archibald Leitch is no but

505  
00:23:44,210 --> 00:23:39,090  
I like the name Wow Archibald Leitch was

506  
00:23:46,549 --> 00:23:44,220  
born in 1904 and he was you know kind of

507  
00:23:50,990 --> 00:23:46,559  
spoke with a stutter and in a cockney

508  
00:23:53,990 --> 00:23:51,000  
accent and not poverty but you know not

509  
00:23:55,820 --> 00:23:54,000  
well-to-do either and and did some

510  
00:23:57,260 --> 00:23:55,830  
vaudeville acts and things like that and

511  
00:24:01,789 --> 00:23:57,270  
when he came to the States

512  
00:24:04,610 --> 00:24:01,799  
he looked around and you know he saw

513  
00:24:07,970 --> 00:24:04,620

movie stars and he decided he wanted to

514

00:24:09,980 --> 00:24:07,980

be a movie star and so he worked on

515

00:24:14,200 --> 00:24:09,990

changing in his acts and he worked on

516

00:24:20,150 --> 00:24:14,210

changing his appearance he worked on

517

00:24:23,960 --> 00:24:20,160

basically inventing a new self and you

518

00:24:27,950 --> 00:24:23,970

know taking on the initials CG because

519

00:24:30,620 --> 00:24:27,960

he liked Gary Cooper and who was the

520

00:24:35,740 --> 00:24:30,630

other one that had this Clark Gable yes

521

00:24:38,780 --> 00:24:35,750

yes ed Clark era you know he decided to

522

00:24:42,950 --> 00:24:38,790

reinvent himself as Cary Grant

523

00:24:45,789 --> 00:24:42,960

Oh and so Archibald Leitch transforms

524

00:24:48,140 --> 00:24:45,799

himself in the Cary Grant and he even

525

00:24:50,810 --> 00:24:48,150

you know some people think of them as

526

00:24:52,760 --> 00:24:50,820

jokes but people that are really hip to

527

00:24:55,490 --> 00:24:52,770

what he was doing can see that he was

528

00:24:58,700 --> 00:24:55,500

sort of you know enforcing it through a

529

00:25:02,690 --> 00:24:58,710

magical act in his movies for instance

530

00:25:05,480 --> 00:25:02,700

in our Girl Friday there's a point where

531

00:25:06,860 --> 00:25:05,490

he's he's arguing with the mayor and

532

00:25:08,299 --> 00:25:06,870

he's I think you can't tell me to do

533

00:25:10,220 --> 00:25:08,309

that the only man who told me I couldn't

534

00:25:13,430 --> 00:25:10,230

do that as Ultra Ball bleach and I slit

535

00:25:18,289 --> 00:25:13,440

his throat ear to ear so he talks about

536

00:25:21,470 --> 00:25:18,299

killing his his own old persona in in

537

00:25:24,500 --> 00:25:21,480

ads absinthe and old leaf you see where

538

00:25:26,390 --> 00:25:24,510

my head's at Arsenic and Old Lace he's

539

00:25:27,200 --> 00:25:26,400

walking through a graveyard talking with

540

00:25:29,750 --> 00:25:27,210

his girlfriend

541

00:25:32,659 --> 00:25:29,760

and one of the gravestones that he walks

542

00:25:35,150 --> 00:25:32,669

on is Archibald Leitch so you know he

543

00:25:38,140 --> 00:25:35,160

keeps reinforcing this idea and of

544

00:25:41,510 --> 00:25:38,150

course you know Cary Grant also famously

545

00:25:44,180 --> 00:25:41,520

experimented heavily with LSD and

546

00:25:47,660 --> 00:25:44,190

and so on some of the most fascinating

547

00:25:49,850 --> 00:25:47,670

people have experimented with LSD I

548

00:25:51,830 --> 00:25:49,860

can't say that I have but I definitely

549

00:25:55,660 --> 00:25:51,840

look up to a lot of people who blow my

550

00:25:58,730 --> 00:25:55,670

mind regularly who have well you know

551

00:26:03,680 --> 00:25:58,740

it's it's it's the thing that people

552

00:26:07,700 --> 00:26:03,690

have done well do it works for some then

553

00:26:09,920 --> 00:26:07,710

it wrecks havoc for others remember some

554

00:26:13,040 --> 00:26:09,930

of them live on my block I don't have an

555

00:26:14,630 --> 00:26:13,050

address but they live on my block but

556

00:26:15,950 --> 00:26:14,640

for someone who's you know we talked

557

00:26:18,410 --> 00:26:15,960

about a little bit about kind of

558

00:26:21,650 --> 00:26:18,420

practical things but for someone who's

559

00:26:24,200 --> 00:26:21,660

new to magic and kind of wants to test

560

00:26:25,820 --> 00:26:24,210

the waters and see what it brings into

561

00:26:28,880 --> 00:26:25,830

their life what would you recommend as a

562

00:26:31,030 --> 00:26:28,890

an easy spell or practice that's most

563

00:26:35,060 --> 00:26:31,040

likely to yield some type of personal

564

00:26:39,530 --> 00:26:35,070

validation to the power of sorcery you

565

00:26:42,410 --> 00:26:39,540

know a good one to just start off with

566

00:26:45,470 --> 00:26:42,420

that's really easy that doesn't get you

567

00:26:50,470 --> 00:26:45,480

you know involved in any kind of real

568

00:26:54,380 --> 00:26:50,480

funky spiritual powers would be a

569

00:26:57,200 --> 00:26:54,390

lodestone spell so you can go to your

570

00:26:59,630 --> 00:26:57,210

local Botanica and get a lodestone you

571

00:27:01,850 --> 00:26:59,640

can order one online just google

572

00:27:06,020 --> 00:27:01,860

lodestone get one from any number of

573

00:27:09,070 --> 00:27:06,030

different retailers and it should be you

574

00:27:12,350 --> 00:27:09,080

know a fairly large lodestone not not

575

00:27:14,770 --> 00:27:12,360

tremendous but you need large lodestone

576

00:27:18,190 --> 00:27:14,780

and then you need lodestone food

577

00:27:21,890 --> 00:27:18,200

lodestone food is just iron shavings

578

00:27:24,620 --> 00:27:21,900

okay so what you then want to do is you

579

00:27:28,070 --> 00:27:24,630

want to fill out a petition and this is

580

00:27:30,470 --> 00:27:28,080

simply a paper and you can make this out

581

00:27:32,870 --> 00:27:30,480

you can if you're a religious person you

582

00:27:36,260 --> 00:27:32,880

can make it out to God you can make it

583

00:27:39,770 --> 00:27:36,270

out to the goddess you can make it out

584

00:27:41,900 --> 00:27:39,780

to you know whatever powers that you

585

00:27:44,180 --> 00:27:41,910

feel are there if not you can make it

586

00:27:45,460 --> 00:27:44,190

out to the universe to the powers of

587

00:27:48,140 --> 00:27:45,470

Earth

588

00:27:52,730 --> 00:27:48,150

whatever your bag is if you're an

589

00:27:54,890 --> 00:27:52,740

atheist you can just make it out and you

590

00:27:58,930 --> 00:27:54,900

know say I'm

591

00:28:01,520 --> 00:27:58,940

writing this letter to the universe

592

00:28:06,260 --> 00:28:01,530

because there's plenty of atheist magic

593

00:28:09,170 --> 00:28:06,270

too so you write this letter and it

594

00:28:13,280 --> 00:28:09,180

basically just details what you want to

595

00:28:16,280 --> 00:28:13,290

draw to you you know this should be

596

00:28:20,540 --> 00:28:16,290

something that is within the realm of

597

00:28:23,120 --> 00:28:20,550

possibility but is not easy necessarily

598

00:28:24,980 --> 00:28:23,130

so you know when we're setting our

599

00:28:28,100 --> 00:28:24,990

magical goals we want to look for things

600

00:28:31,340 --> 00:28:28,110

that we can work towards we want to look

601  
00:28:33,650 --> 00:28:31,350  
for things that are not so improbable

602  
00:28:36,170 --> 00:28:33,660  
that it may as well be impossible and

603  
00:28:41,420 --> 00:28:36,180  
unfortunately winning Mega Millions

604  
00:28:43,730 --> 00:28:41,430  
really does fall into this category so

605  
00:28:47,510 --> 00:28:43,740  
you know think of things like you know

606  
00:28:49,250 --> 00:28:47,520  
getting promotion or finding that job if

607  
00:28:52,460 --> 00:28:49,260  
you don't have a job or finding a better

608  
00:28:57,350 --> 00:28:52,470  
job and or you know you've taken out of

609  
00:29:01,550 --> 00:28:57,360  
the realm of finances to you know find a

610  
00:29:03,860 --> 00:29:01,560  
lover or so on and so forth whatever it

611  
00:29:06,440 --> 00:29:03,870  
is you want to just write this out it's

612  
00:29:09,200 --> 00:29:06,450  
my desire to have possessed bla bla bla

613  
00:29:12,200 --> 00:29:09,210

bla bla to attain bla bla bla bla

614

00:29:16,580 --> 00:29:12,210

for my you know side business making

615

00:29:20,990 --> 00:29:16,590

t-shirts to you know double my sales in

616

00:29:23,750 --> 00:29:21,000

the next quarter and you write this

617

00:29:25,610 --> 00:29:23,760

petition out and you fold it up fold it

618

00:29:27,620 --> 00:29:25,620

towards you because you're drawing

619

00:29:29,720 --> 00:29:27,630

something towards you and then just

620

00:29:32,390 --> 00:29:29,730

place it on a plate and then place the

621

00:29:34,820 --> 00:29:32,400

lodestone on top of it and then every

622

00:29:37,910 --> 00:29:34,830

day you sprinkle a little bit of the

623

00:29:40,880 --> 00:29:37,920

iron filings on it the lodestone fool

624

00:29:43,580 --> 00:29:40,890

and you just say is I feed you you feed

625

00:29:48,260 --> 00:29:43,590

me or you know as I make this offering

626

00:29:50,950 --> 00:29:48,270

to you please offer me what I'd you know

627

00:29:53,900 --> 00:29:50,960

the the fulfillment of my requests and

628

00:29:56,330 --> 00:29:53,910

you'll see you'll you'll start to see

629

00:29:58,610 --> 00:29:56,340

things start to fall into place for the

630

00:30:00,920 --> 00:29:58,620

things on that petition to happen and

631

00:30:03,440 --> 00:30:00,930

really to fall into place

632

00:30:06,320 --> 00:30:03,450

absolutely now what's the mechanism

633

00:30:09,810 --> 00:30:06,330

there why iron

634

00:30:12,840 --> 00:30:09,820

well you know iron a lodestone is a

635

00:30:14,580 --> 00:30:12,850

magnetic stone so lodestone is a natural

636

00:30:16,230 --> 00:30:14,590

stone then at some point has been hit

637

00:30:20,730 --> 00:30:16,240

with iron lightning and it's been

638

00:30:23,850 --> 00:30:20,740

magnetized and so the iron will actually

639

00:30:25,680 --> 00:30:23,860

stick to the lodestone and it'll

640

00:30:27,780 --> 00:30:25,690

actually look like little hairs by the

641

00:30:30,240 --> 00:30:27,790

time you're done with it so you'll have

642

00:30:33,990 --> 00:30:30,250

this sort of metallic chia-pet looking

643

00:30:35,790 --> 00:30:34,000

thing after a few weeks that's

644

00:30:38,370 --> 00:30:35,800

interesting I mean and it's tough to

645

00:30:40,500 --> 00:30:38,380

know because so few people even pay

646

00:30:42,150 --> 00:30:40,510

attention to their desires and goals

647

00:30:44,840 --> 00:30:42,160

once they reach that comfortable

648

00:30:47,880 --> 00:30:44,850

setpoint right there in the lower middle

649

00:30:50,070 --> 00:30:47,890

so it's hard to know if it's just that

650

00:30:52,230 --> 00:30:50,080

just paying attention in general is

651  
00:30:54,060 --> 00:30:52,240  
helping you to manifest it or if it's

652  
00:30:57,180 --> 00:30:54,070  
the ritual I mean in the end it really

653  
00:30:59,160 --> 00:30:57,190  
doesn't matter if you're getting what

654  
00:31:00,390 --> 00:30:59,170  
you desire but I think you know maybe

655  
00:31:02,370 --> 00:31:00,400  
the ritual just helps you to pay

656  
00:31:04,170 --> 00:31:02,380  
attention on a daily basis and kind of

657  
00:31:07,650 --> 00:31:04,180  
puts it in front of you in a physical

658  
00:31:11,640 --> 00:31:07,660  
form but that's an interesting thing to

659  
00:31:13,740 --> 00:31:11,650  
try out remember this is not just about

660  
00:31:15,870 --> 00:31:13,750  
the lower-middle there are you know I

661  
00:31:17,460 --> 00:31:15,880  
have clients for instance you know I

662  
00:31:20,280 --> 00:31:17,470  
mean I have a lot of clients that

663  
00:31:23,250 --> 00:31:20,290

contacted me contact me for help finding

664

00:31:25,200 --> 00:31:23,260

a job or help getting out of debt but I

665

00:31:26,910 --> 00:31:25,210

also have clients that you know are

666

00:31:30,780 --> 00:31:26,920

already wealthy and they're contacting

667

00:31:33,960 --> 00:31:30,790

me because they want magic to protect

668

00:31:37,830 --> 00:31:33,970

you know assets that they have you know

669

00:31:40,650 --> 00:31:37,840

set up you know they've decided to put a

670

00:31:43,050 --> 00:31:40,660

certain amount of their assets into pure

671

00:31:47,010 --> 00:31:43,060

gold that they're going to store in a

672

00:31:48,990 --> 00:31:47,020

storehouse in Chile and they want you

673

00:31:52,610 --> 00:31:49,000

know some kind of spell to make sure

674

00:31:56,640 --> 00:31:52,620

that gold doesn't disappear on them or

675

00:31:58,170 --> 00:31:56,650

you know you have people whose setpoint

676

00:32:00,780 --> 00:31:58,180

is already at like you know

677

00:32:02,760 --> 00:32:00,790

lawyer doctor banker level because

678

00:32:04,470 --> 00:32:02,770

that's you know that's how they grew up

679

00:32:08,130 --> 00:32:04,480

that's where they grew up but maybe they

680

00:32:13,580 --> 00:32:08,140

feel an artistic pull so they want the

681

00:32:16,950 --> 00:32:13,590

you know they want to have a set point

682

00:32:18,630 --> 00:32:16,960

that's more bohemian because they're not

683

00:32:19,830 --> 00:32:18,640

really fulfilled doing what they're

684

00:32:23,610 --> 00:32:19,840

doing and

685

00:32:25,620 --> 00:32:23,620

they want to you know start making a

686

00:32:27,419 --> 00:32:25,630

living as an artist but maybe they

687

00:32:29,399 --> 00:32:27,429

aren't going to be able to live the same

688

00:32:31,320 --> 00:32:29,409

way they've they've been brought up well

689

00:32:33,870 --> 00:32:31,330

that's also a challenge to the set point

690

00:32:35,940 --> 00:32:33,880

so it you know it can move up or down

691

00:32:38,279 --> 00:32:35,950

most of the time we're trying to move it

692

00:32:40,560 --> 00:32:38,289

up but you know well I mean I'll be

693

00:32:44,640 --> 00:32:40,570

honest with you the only way that I've

694

00:32:48,330 --> 00:32:44,650

ever tried to test the power of magic or

695

00:32:50,190 --> 00:32:48,340

a talisman or you know my focused

696

00:32:52,320 --> 00:32:50,200

intentions the only time I've ever

697

00:32:55,080 --> 00:32:52,330

tested it is at the blackjack table and

698

00:32:58,470 --> 00:32:55,090

I've had no conclusive results but tell

699

00:33:02,610 --> 00:32:58,480

me why that's a bad test well you know

700

00:33:05,190 --> 00:33:02,620

the blackjack table and any casino table

701  
00:33:06,810 --> 00:33:05,200  
first of all some gambling magic does

702  
00:33:09,240 --> 00:33:06,820  
work and if you're going to do it the

703  
00:33:12,810 --> 00:33:09,250  
blackjack table is probably one of the

704  
00:33:19,409 --> 00:33:12,820  
better spots to try it out all right

705  
00:33:22,200 --> 00:33:19,419  
however the you know the the the the

706  
00:33:27,260 --> 00:33:22,210  
place is fact for the house to win of

707  
00:33:30,269 --> 00:33:27,270  
course and ultimately it's a matter of

708  
00:33:32,970 --> 00:33:30,279  
affecting probability magic it does two

709  
00:33:35,789 --> 00:33:32,980  
things for practical magic those two

710  
00:33:38,159 --> 00:33:35,799  
things pretty well this is apart from

711  
00:33:40,710 --> 00:33:38,169  
the illuminative magic of spiritual

712  
00:33:43,070 --> 00:33:40,720  
growth and so on the practical magic

713  
00:33:46,590 --> 00:33:43,080

does two things pretty well it's alters

714

00:33:48,419 --> 00:33:46,600

probability in and that's in direct

715

00:33:50,460 --> 00:33:48,429

relation to the power of what you're

716

00:33:55,950 --> 00:33:50,470

doing the gift of the person doing and

717

00:33:58,680 --> 00:33:55,960

so on and it can affect the minds of

718

00:34:00,779 --> 00:33:58,690

other people but you have to know which

719

00:34:03,210 --> 00:34:00,789

tactic you're taking so in the case of

720

00:34:07,080 --> 00:34:03,220

blackjack it's a matter of what are my

721

00:34:11,730 --> 00:34:07,090

chances to win and how much can I

722

00:34:15,200 --> 00:34:11,740

improve them now take me for instance I

723

00:34:18,690 --> 00:34:15,210

have a natural aversion to gambling and

724

00:34:20,849 --> 00:34:18,700

my wife does not so we went down to New

725

00:34:23,879 --> 00:34:20,859

Orleans and the friend of ours made us a

726

00:34:26,149 --> 00:34:23,889

gambling gris-gris bag which is a type

727

00:34:28,879 --> 00:34:26,159

of mojo bag they make in New Orleans

728

00:34:30,259 --> 00:34:28,889

gris-gris is gray gray meaning

729

00:34:34,399 --> 00:34:30,269

you know a little bit of black magic a

730

00:34:36,289 --> 00:34:34,409

little bit of white magic okay so I

731

00:34:38,539 --> 00:34:36,299

actually think the term comes from

732

00:34:40,759 --> 00:34:38,549

somewhere else but that's the that's the

733

00:34:45,079 --> 00:34:40,769

legend they tell them New Orleans behind

734

00:34:47,599 --> 00:34:45,089

the turn but you know we took it and we

735

00:34:52,549 --> 00:34:47,609

went to Harrah's and I was holding the

736

00:34:55,490 --> 00:34:52,559

gris-gris bag and you know I just we we

737

00:34:57,589 --> 00:34:55,500

do have different gifts and gambling

738

00:34:59,990 --> 00:34:57,599

magic is definitely not one of my

739

00:35:02,390 --> 00:35:00,000

difference so even with this greenery

740

00:35:04,700 --> 00:35:02,400

bag in my pocket I still was just not

741

00:35:07,339 --> 00:35:04,710

pulling in any money off of these slot

742

00:35:09,440 --> 00:35:07,349

machines and you know finally I was like

743

00:35:11,779 --> 00:35:09,450

well you know I'm done cuz I'm not even

744

00:35:14,480 --> 00:35:11,789

having a good time anyway and I handed

745

00:35:17,809 --> 00:35:14,490

my wife the greedy bag and as soon as I

746

00:35:20,480 --> 00:35:17,819

handed it to her boom comes 160 bucks

747

00:35:24,950 --> 00:35:20,490

you know boom comes another windfall

748

00:35:28,279 --> 00:35:24,960

shortly after that you know did we walk

749

00:35:31,420 --> 00:35:28,289

away with millions or even tens of

750

00:35:35,420 --> 00:35:31,430

thousands of dollars no but we you know

751  
00:35:37,039 --> 00:35:35,430  
walked away with a good bundle all right

752  
00:35:41,150 --> 00:35:37,049  
so that's when I there are a lot of

753  
00:35:43,069 --> 00:35:41,160  
factors now with the in the case of like

754  
00:35:47,329 --> 00:35:43,079  
the real long shot thing from the

755  
00:35:51,319 --> 00:35:47,339  
lottery that's something that a lot a

756  
00:35:54,559 --> 00:35:51,329  
lot of people put put a lot of time and

757  
00:35:58,180 --> 00:35:54,569  
effort into magically right just a waste

758  
00:36:01,670 --> 00:35:58,190  
of time because the odds are

759  
00:36:03,200 --> 00:36:01,680  
astronomical that you would win and you

760  
00:36:05,329 --> 00:36:03,210  
make a great point about the lottery in

761  
00:36:07,220 --> 00:36:05,339  
the book which is like you know again

762  
00:36:08,809 --> 00:36:07,230  
people's criticism I did the same I had

763  
00:36:10,519 --> 00:36:08,819

an interview with the psychic last week

764

00:36:12,200 --> 00:36:10,529

and it's the same kind of criticism is

765

00:36:14,029 --> 00:36:12,210

that you know this kind of stuff either

766

00:36:15,950 --> 00:36:14,039

has to be 100% true or 100 percent

767

00:36:17,749 --> 00:36:15,960

[h\_\_\h] and if it's if it's true why

768

00:36:20,299 --> 00:36:17,759

can't you win the lottery and you make

769

00:36:22,309 --> 00:36:20,309

the great point that there are millions

770

00:36:24,109 --> 00:36:22,319

of people putting their intention and

771

00:36:27,170 --> 00:36:24,119

putting their focus and energy into

772

00:36:29,480 --> 00:36:27,180

being the winner so it's not like

773

00:36:31,069 --> 00:36:29,490

everybody is dormant and you're they are

774

00:36:32,569 --> 00:36:31,079

trying to manifest your winnings of the

775

00:36:35,390 --> 00:36:32,579

lottery you're competing against all

776

00:36:37,299 --> 00:36:35,400

other millions of types of energy and

777

00:36:40,059 --> 00:36:37,309

actually I think that's a reasonable

778

00:36:41,680 --> 00:36:40,069

answer for why you can't win it

779

00:36:44,200 --> 00:36:41,690

exactly

780

00:36:48,670 --> 00:36:44,210

I mean apart from that just you know one

781

00:36:53,859 --> 00:36:48,680

in something like 180 million as the

782

00:36:55,630 --> 00:36:53,869

odds is not not great to begin with yeah

783

00:36:59,319 --> 00:36:55,640

I think you know when I was researching

784

00:37:01,029 --> 00:36:59,329

the book one of the the researchers that

785

00:37:03,370 --> 00:37:01,039

I quoted from it said you know you're

786

00:37:05,200 --> 00:37:03,380

you're four times more likely to die in

787

00:37:11,230 --> 00:37:05,210

a car accident on the way to buy a

788

00:37:14,650 --> 00:37:11,240

ticket or win this thing so yeah you

789

00:37:19,779 --> 00:37:14,660

know if you can reduce your chances by

790

00:37:24,779 --> 00:37:19,789

99 percent that's still a terrible odds

791

00:37:26,680 --> 00:37:24,789

you know so tell me about the idea of

792

00:37:29,020 --> 00:37:26,690

there's a good chunk of the books about

793

00:37:32,529 --> 00:37:29,030

offerings how do you build a

794

00:37:34,799 --> 00:37:32,539

relationship with the universe and how

795

00:37:37,900 --> 00:37:34,809

do you like how do you give offerings

796

00:37:42,359 --> 00:37:37,910

well you know there are a lot of

797

00:37:46,750 --> 00:37:42,369

traditions where offerings of light

798

00:37:50,109 --> 00:37:46,760

incense of food and so on are a given

799

00:37:51,970 --> 00:37:50,119

and if you're from those traditions then

800

00:37:54,250 --> 00:37:51,980

you know obviously you already know how

801  
00:37:57,609 --> 00:37:54,260  
to make offerings or and you can extend

802  
00:38:00,579 --> 00:37:57,619  
them out into other areas beyond that

803  
00:38:02,349 --> 00:38:00,589  
but for the normal person in you know

804  
00:38:04,420 --> 00:38:02,359  
sort of Protestant America that's not

805  
00:38:10,329 --> 00:38:04,430  
really used to offerings and things like

806  
00:38:14,289 --> 00:38:10,339  
that I tell people to start with either

807  
00:38:16,299 --> 00:38:14,299  
incense or light or even just rubbing

808  
00:38:19,180 --> 00:38:16,309  
the hands together and offering the

809  
00:38:21,910 --> 00:38:19,190  
warmth holding them out on a as if

810  
00:38:23,920 --> 00:38:21,920  
you're offering a plate and then let the

811  
00:38:28,480 --> 00:38:23,930  
the warrant sort of drain from your

812  
00:38:33,240 --> 00:38:28,490  
palms but you know the idea behind it is

813  
00:38:36,789 --> 00:38:33,250

is fairly simple you know if you think

814

00:38:40,059 --> 00:38:36,799

of just people and your interactions

815

00:38:42,670 --> 00:38:40,069

with people you know you and I have

816

00:38:45,250 --> 00:38:42,680

never met before tonight so right if

817

00:38:47,650 --> 00:38:45,260

after the you know the phone call was

818

00:38:49,870 --> 00:38:47,660

over you were like hey dude can you loan

819

00:38:54,440 --> 00:38:49,880

me a hundred bucks I'd probably say no

820

00:38:57,680 --> 00:38:54,450

because we've never met you never know

821

00:39:01,700 --> 00:38:57,690

thing other than this interview and some

822

00:39:06,140 --> 00:39:01,710

common interest to turn if you asked a

823

00:39:09,170 --> 00:39:06,150

co-worker maybe they'd say yes maybe

824

00:39:11,540 --> 00:39:09,180

they'd say no because you have some

825

00:39:14,599 --> 00:39:11,550

history there you have history

826

00:39:17,510 --> 00:39:14,609

maybe you've bought her lunch at times

827

00:39:21,109 --> 00:39:17,520

in the past and she's reciprocated or

828

00:39:24,680 --> 00:39:21,119

you know you've brought in Donuts and

829

00:39:28,400 --> 00:39:24,690

and so on and so forth but this exchange

830

00:39:30,560 --> 00:39:28,410

of goods and services it doesn't have to

831

00:39:34,160 --> 00:39:30,570

be things it could just be Farmers it

832

00:39:36,140 --> 00:39:34,170

builds relationship you know and then if

833

00:39:38,990 --> 00:39:36,150

you asked your best friend like you know

834

00:39:39,700 --> 00:39:39,000

dude can I you know can I borrow a

835

00:39:42,290 --> 00:39:39,710

hundred bucks

836

00:39:44,540 --> 00:39:42,300

you know if your best friend is like my

837

00:39:47,210 --> 00:39:44,550

best friend he would be just without a

838

00:39:48,829 --> 00:39:47,220

hundred bucks yeah here man

839

00:39:50,270 --> 00:39:48,839

you know is everything all right do you

840

00:39:57,760 --> 00:39:50,280

need more money is this going to cover

841

00:40:03,640 --> 00:39:57,770

you so that because you have years of

842

00:40:08,240 --> 00:40:03,650

that kind of history of time spent and

843

00:40:10,280 --> 00:40:08,250

you know buying amis Oda paint right

844

00:40:12,500 --> 00:40:10,290

over him buying you movie ticket things

845

00:40:14,150 --> 00:40:12,510

like that these kinds of things build

846

00:40:16,339 --> 00:40:14,160

relationships which is why when people

847

00:40:19,339 --> 00:40:16,349

go out to dinner rather than divide up

848

00:40:20,960 --> 00:40:19,349

the check every time you know it's nice

849

00:40:22,970 --> 00:40:20,970

for somebody to say you know well we got

850

00:40:26,030 --> 00:40:22,980

it this time and somebody else it all

851  
00:40:28,640 --> 00:40:26,040  
equals out in the end unless you know

852  
00:40:30,410 --> 00:40:28,650  
somebody's goober wealthy and then you

853  
00:40:31,849 --> 00:40:30,420  
go just not ask for things from the

854  
00:40:35,960 --> 00:40:31,859  
universe you got a build a relationship

855  
00:40:38,540 --> 00:40:35,970  
make some offerings and maybe good

856  
00:40:40,220 --> 00:40:38,550  
things will happen exactly if you go out

857  
00:40:43,730 --> 00:40:40,230  
in the morning and you you know you

858  
00:40:46,430 --> 00:40:43,740  
offer if you don't want to do infants

859  
00:40:50,690 --> 00:40:46,440  
you know pour yourself a cup of coffee

860  
00:40:53,390 --> 00:40:50,700  
and pour a cup of coffee for the spirits

861  
00:40:56,300 --> 00:40:53,400  
of the ground so then you go outside and

862  
00:40:58,790 --> 00:40:56,310  
you offer it to the universe I like to

863  
00:41:01,460 --> 00:40:58,800

offer a liquid in the morning like that

864

00:41:06,349 --> 00:41:01,470

to the ground and then offer incense

865

00:41:07,950 --> 00:41:06,359

smoke to the air and you know you have

866

00:41:10,980 --> 00:41:07,960

sort of all your elements cover

867

00:41:13,079 --> 00:41:10,990

you have the material in the liquid and

868

00:41:15,839 --> 00:41:13,089

the liquid itself covers earth and water

869

00:41:18,089 --> 00:41:15,849

and then the fire that lights the

870

00:41:21,859 --> 00:41:18,099

incense and then the clouds of incense

871

00:41:26,400 --> 00:41:21,869

itself cover your fire and air

872

00:41:29,880 --> 00:41:26,410

so this is you know a good way to make

873

00:41:33,240 --> 00:41:29,890

offerings and you address the beings of

874

00:41:37,829 --> 00:41:33,250

your locale you address the beings of

875

00:41:40,230 --> 00:41:37,839

you know Jupiter universe Jupiter if you

876

00:41:43,650 --> 00:41:40,240

if you want to get involved in the sort

877

00:41:47,250 --> 00:41:43,660

of planetary magic that I adhere to in

878

00:41:49,440 --> 00:41:47,260

the book but yeah that's how offerings

879

00:41:52,410 --> 00:41:49,450

work essentially and then of course they

880

00:41:54,480 --> 00:41:52,420

can get more particular based on what

881

00:41:56,490 --> 00:41:54,490

you're doing and whom you're right one

882

00:41:58,290 --> 00:41:56,500

thing you mentioned that was pretty

883

00:41:59,339 --> 00:41:58,300

curious to me that I thought was a

884

00:42:01,859 --> 00:41:59,349

little weird is that

885

00:42:05,000 --> 00:42:01,869

sex can be used as an offering how does

886

00:42:09,780 --> 00:42:05,010

that look as opposed to just regular sex

887

00:42:11,700 --> 00:42:09,790

well you know this wouldn't you this

888

00:42:15,240 --> 00:42:11,710

would be something you wouldn't do to

889

00:42:17,750 --> 00:42:15,250

like you know local beings that live in

890

00:42:20,160 --> 00:42:17,760

in the backyard or something like that

891

00:42:23,849 --> 00:42:20,170

but this would be an offering to the

892

00:42:28,680 --> 00:42:23,859

divine the energy from your from the sex

893

00:42:30,990 --> 00:42:28,690

act you offer it up you dedicate it you

894

00:42:34,550 --> 00:42:31,000

know in the way that a book a books

895

00:42:37,410 --> 00:42:34,560

dedication is an offering to someone

896

00:42:42,180 --> 00:42:37,420

offerings aren't always material you

897

00:42:44,790 --> 00:42:42,190

know acts can be material or acts can

898

00:42:48,599 --> 00:42:44,800

can be offering so in this case you're

899

00:42:53,550 --> 00:42:48,609

offering up you know this act the merit

900

00:42:55,410 --> 00:42:53,560

accumulated by this act mean the energy

901  
00:43:00,660 --> 00:42:55,420  
accumulated by this act you're offering

902  
00:43:05,400 --> 00:43:00,670  
it up to gods goddesses and the powers

903  
00:43:07,890 --> 00:43:05,410  
that be that's one that one of them I

904  
00:43:11,220 --> 00:43:07,900  
think I said you know use this mindfully

905  
00:43:16,170 --> 00:43:11,230  
and skillfully that's some advanced

906  
00:43:18,030 --> 00:43:16,180  
level yeah more advanced one well you

907  
00:43:20,070 --> 00:43:18,040  
know I really believe that the reality

908  
00:43:20,829 --> 00:43:20,080  
is the most big companies look at

909  
00:43:22,719 --> 00:43:20,839  
customers

910  
00:43:24,999 --> 00:43:22,729  
employees and people all the same which

911  
00:43:27,099 --> 00:43:25,009  
is constantly shower them with empty

912  
00:43:28,900 --> 00:43:27,109  
kindness and shallow praise while trying

913  
00:43:30,400 --> 00:43:28,910

to give them the shittiest deal possible

914

00:43:32,529 --> 00:43:30,410

so to me

915

00:43:35,229 --> 00:43:32,539

a hunter proneural ship is really the

916

00:43:37,749 --> 00:43:35,239

only way to go but it is scary

917

00:43:42,309 --> 00:43:37,759

what magic would be helpful for somebody

918

00:43:46,180 --> 00:43:42,319

like me well there are a number of

919

00:43:48,279 --> 00:43:46,190

things you in the book you had mentioned

920

00:43:51,339 --> 00:43:48,289

Jupiter and in the book of course I give

921

00:43:55,890 --> 00:43:51,349

the glyphs of Jupiter the the set of

922

00:43:58,989 --> 00:43:55,900

sixteen sigils that's specifically

923

00:44:02,229 --> 00:43:58,999

channeled to help in financial magic so

924

00:44:05,950 --> 00:44:02,239

there is a money drawing glyph that you

925

00:44:08,200 --> 00:44:05,960

might use to attract capital now you you

926

00:44:10,900 --> 00:44:08,210

know you might not could be going to a

927

00:44:13,509 --> 00:44:10,910

bank for a loan but you might decide to

928

00:44:15,519 --> 00:44:13,519

do something on Kickstarter or something

929

00:44:19,120 --> 00:44:15,529

like that to get a project going and

930

00:44:21,519 --> 00:44:19,130

humility money that way or to you know

931

00:44:25,329 --> 00:44:21,529

do it even more grassroots and just pass

932

00:44:28,109 --> 00:44:25,339

it around up on your website I remember

933

00:44:31,329 --> 00:44:28,119

when when Randy Mulholland the

934

00:44:35,380 --> 00:44:31,339

illustrator and author of the something

935

00:44:36,789 --> 00:44:35,390

positive web cartoon you know people are

936

00:44:38,650 --> 00:44:36,799

complaining oh you know there's supposed

937

00:44:41,019 --> 00:44:38,660

to be every day it's not every day and

938

00:44:43,779 --> 00:44:41,029

he said well you know guys pony up or

939

00:44:47,529 --> 00:44:43,789

shut up I currently make \$35,000 a year

940

00:44:49,749 --> 00:44:47,539

and if you guys donate \$35,000 I will

941

00:44:52,209 --> 00:44:49,759

quit my job and do this cartoon for the

942

00:44:54,940 --> 00:44:52,219

next year and that's exactly what

943

00:44:57,789 --> 00:44:54,950

happened and then as far as I can tell

944

00:44:59,289 --> 00:44:57,799

you know it just kept going on from

945

00:45:02,950 --> 00:44:59,299

there and meanwhile it set up

946

00:45:04,870 --> 00:45:02,960

advertising and so on but so you can use

947

00:45:08,709 --> 00:45:04,880

your money drawing sizzle for that then

948

00:45:14,349 --> 00:45:08,719

you use your entrepreneurial sigil or

949

00:45:16,479 --> 00:45:14,359

glyph to help you navigate you know some

950

00:45:19,900 --> 00:45:16,489

of the tricky waters for instance if you

951  
00:45:24,339 --> 00:45:19,910  
have a day job then how do you make the

952  
00:45:26,589 --> 00:45:24,349  
time to work on this and entrepreneurial

953  
00:45:29,979 --> 00:45:26,599  
ventures secondary income stream and

954  
00:45:32,440 --> 00:45:29,989  
then when it gets big how do you make

955  
00:45:33,760 --> 00:45:32,450  
the jump this is a you know a huge

956  
00:45:36,880 --> 00:45:33,770  
problem for

957  
00:45:38,980 --> 00:45:36,890  
people right you know things are set up

958  
00:45:41,500 --> 00:45:38,990  
to just like do it with their own sweat

959  
00:45:43,060 --> 00:45:41,510  
equity and then if it gets if it gets

960  
00:45:44,770 --> 00:45:43,070  
hoppin then all of a sudden they have

961  
00:45:47,440 --> 00:45:44,780  
them time and they still can't keep up

962  
00:45:49,990 --> 00:45:47,450  
with orders because they also have their

963  
00:45:52,150 --> 00:45:50,000

day job but maybe things are not quite

964

00:45:54,760 --> 00:45:52,160

good enough for you to just say hey I'm

965

00:45:57,820 --> 00:45:54,770

bailing on the day job entirely you know

966

00:46:01,570 --> 00:45:57,830

the owner of FUBU I can't remember his

967

00:46:04,990 --> 00:46:01,580

name right Shark Tank Damon Johnson I am

968

00:46:07,180 --> 00:46:05,000

her Daymond John that's right yes Shark

969

00:46:12,520 --> 00:46:07,190

Tank favorite show that's right he

970

00:46:15,250 --> 00:46:12,530

worked as a waiter at Red Lobster and he

971

00:46:17,670 --> 00:46:15,260

would tell stories that you know he was

972

00:46:22,570 --> 00:46:17,680

regularly having customers coming in

973

00:46:25,480 --> 00:46:22,580

wearing his clothes you know because his

974

00:46:28,300 --> 00:46:25,490

company was not successful but he was

975

00:46:30,490 --> 00:46:28,310

still you know he's like am I really

976

00:46:31,990 --> 00:46:30,500

gonna quit this job and of course

977

00:46:34,420 --> 00:46:32,000

everyone from the outside at this point

978

00:46:36,370 --> 00:46:34,430

was like yet you'd quit that [h\_\_h] job

979

00:46:41,290 --> 00:46:36,380

okay I mean I didn't mean to use that

980

00:46:44,290 --> 00:46:41,300

language but no no yes I'm sure but you

981

00:46:47,740 --> 00:46:44,300

know yeah man quit that job and and of

982

00:46:49,660 --> 00:46:47,750

course finally he did but you know most

983

00:46:54,430 --> 00:46:49,670

of our ventures are not going to take

984

00:46:57,060 --> 00:46:54,440

off as big as FUBU did so then it

985

00:47:02,080 --> 00:46:57,070

becomes an issue of how do I make that

986

00:47:05,140 --> 00:47:02,090

you might run into issues with you know

987

00:47:08,010 --> 00:47:05,150

taxes or operating under the table four

988

00:47:11,410 --> 00:47:08,020

times so there's the protection from law

989

00:47:12,820 --> 00:47:11,420

this is nothing shameful this has a long

990

00:47:16,510 --> 00:47:12,830

American history

991

00:47:21,520 --> 00:47:16,520

you know Sears & Roebuck was started off

992

00:47:24,010 --> 00:47:21,530

by the founder Sears peddling watches

993

00:47:26,320 --> 00:47:24,020

while he was working at the train

994

00:47:28,360 --> 00:47:26,330

station so when people would come in and

995

00:47:30,550 --> 00:47:28,370

he would do his job on the platform he

996

00:47:33,400 --> 00:47:30,560

would all of a sudden whip out a tray of

997

00:47:36,130 --> 00:47:33,410

you know watches that fell off of a

998

00:47:38,560 --> 00:47:36,140

truck and he would then pocket the money

999

00:47:42,400 --> 00:47:38,570

and it was all done on the table then

1000

00:47:45,810 --> 00:47:42,410

Houston clothing company you know fairly

1001  
00:47:47,380 --> 00:47:45,820  
pricey shirts that you you see all over

1002  
00:47:49,480 --> 00:47:47,390  
outlet malls and

1003  
00:47:52,420 --> 00:47:49,490  
things like that yeah they started

1004  
00:47:54,970 --> 00:47:52,430  
inning completely you know under the

1005  
00:47:59,109 --> 00:47:54,980  
table business with a street cart in

1006  
00:48:00,970 --> 00:47:59,119  
Philadelphia so you know you might have

1007  
00:48:03,819 --> 00:48:00,980  
that to help you with those issues so

1008  
00:48:07,349 --> 00:48:03,829  
the glyphs I would turn to the glyphs to

1009  
00:48:10,450 --> 00:48:07,359  
make your entrepreneurial visions happen

1010  
00:48:12,039 --> 00:48:10,460  
gotcha and that's the that's the point

1011  
00:48:14,859 --> 00:48:12,049  
that I'm at kind of is that transition

1012  
00:48:17,589 --> 00:48:14,869  
period from day job to you know getting

1013  
00:48:19,359 --> 00:48:17,599

my life back and it is a tough spot but

1014

00:48:23,529 --> 00:48:19,369

for someone who may be a little bit

1015

00:48:25,029 --> 00:48:23,539

earlier on the path you say that you

1016

00:48:28,630 --> 00:48:25,039

know you mentioned finding your business

1017

00:48:30,940 --> 00:48:28,640

by performing an invocation to draw an

1018

00:48:34,539 --> 00:48:30,950

idea to you but how does someone do that

1019

00:48:37,480 --> 00:48:34,549

and interpret it correctly well you know

1020

00:48:39,789 --> 00:48:37,490

an invocation to draw your idea for you

1021

00:48:43,589 --> 00:48:39,799

I we've been talking a little bit about

1022

00:48:47,950 --> 00:48:43,599

Jupiter but mercury is the planet of

1023

00:48:51,009 --> 00:48:47,960

intelligence and ideas and so on and you

1024

00:48:54,220 --> 00:48:51,019

know invocations can essentially be like

1025

00:48:57,480 --> 00:48:54,230

prayers so you get you know you can go

1026

00:49:00,130 --> 00:48:57,490

online and Google or succumb to mercury

1027

00:49:02,650 --> 00:49:00,140

and on the Wednesday which is the day of

1028

00:49:07,170 --> 00:49:02,660

mercury and at sunrise which is the hour

1029

00:49:10,599 --> 00:49:07,180

of mercury on Wednesdays it is anyway

1030

00:49:16,630 --> 00:49:10,609

you get up and and you say this Orphic

1031

00:49:18,309 --> 00:49:16,640

in and or just you know I generalize him

1032

00:49:23,109 --> 00:49:18,319

to the powers of mercury and

1033

00:49:25,059 --> 00:49:23,119

intelligence and you ask for an idea you

1034

00:49:29,410 --> 00:49:25,069

know please send them to me you know

1035

00:49:31,269 --> 00:49:29,420

inspiration for my new business and not

1036

00:49:33,670 --> 00:49:31,279

just mercury but you can do it on Sunday

1037

00:49:37,900 --> 00:49:33,680

the powers of the Sun also covers

1038

00:49:41,410 --> 00:49:37,910

inspirations and you know keep doing

1039

00:49:44,230 --> 00:49:41,420

that kind of thing and what you then

1040

00:49:45,940 --> 00:49:44,240

want to do is pay attention to the world

1041

00:49:50,499 --> 00:49:45,950

around you you want to pay attention to

1042

00:49:53,559 --> 00:49:50,509

what people say to you you want to leave

1043

00:49:56,920 --> 00:49:53,569

a little time every day not to spend in

1044

00:50:01,290 --> 00:49:56,930

meditation but just to spend sort of in

1045

00:50:07,750 --> 00:50:05,170

mindless occupation so like mowing the

1046

00:50:09,910 --> 00:50:07,760

lawn driving things like that you ever

1047

00:50:11,740 --> 00:50:09,920

notice how ideas come to you and you're

1048

00:50:13,690 --> 00:50:11,750

mowing the lawn or while you're driving

1049

00:50:15,190 --> 00:50:13,700

and then you're like oh man I got to

1050

00:50:16,510 --> 00:50:15,200

write that down and then later when

1051  
00:50:19,180 --> 00:50:16,520  
you're actually have the ability write

1052  
00:50:21,550 --> 00:50:19,190  
it down it's gone right well that's

1053  
00:50:23,140 --> 00:50:21,560  
because while your mind is just sort of

1054  
00:50:26,940 --> 00:50:23,150  
occupied by the mindless

1055  
00:50:29,160 --> 00:50:26,950  
tasks it it opens itself up you're not

1056  
00:50:33,310 --> 00:50:29,170  
experiencing the discipline of

1057  
00:50:36,910 --> 00:50:33,320  
meditation but you're you're also not

1058  
00:50:39,250 --> 00:50:36,920  
experiencing the occupation of everyday

1059  
00:50:41,770 --> 00:50:39,260  
life either yeah you kind of do have a

1060  
00:50:44,440 --> 00:50:41,780  
quiet mind during those activities yeah

1061  
00:50:46,510 --> 00:50:44,450  
you do yeah

1062  
00:50:49,330 --> 00:50:46,520  
so you know you come up with these great

1063  
00:50:51,580 --> 00:50:49,340

ideas and and you know have a phone with

1064

00:50:54,730 --> 00:50:51,590

Evernote loaded on so you can just rip

1065

00:50:57,220 --> 00:50:54,740

it out and record your record your idea

1066

00:50:59,830 --> 00:50:57,230

and then there are other things that you

1067

00:51:02,380 --> 00:50:59,840

can do you sit down your write a list of

1068

00:51:05,260 --> 00:51:02,390

everything that you like to do but

1069

00:51:07,450 --> 00:51:05,270

everything that maybe you can do but you

1070

00:51:10,210 --> 00:51:07,460

don't necessarily like to do and then

1071

00:51:13,740 --> 00:51:10,220

you write a skill list for each of those

1072

00:51:16,870 --> 00:51:13,750

headings in other words I like to

1073

00:51:18,790 --> 00:51:16,880

practice mix martial arts well what are

1074

00:51:22,030 --> 00:51:18,800

the skills involved in mixed martial

1075

00:51:25,330 --> 00:51:22,040

arts okay so you know on I do some

1076

00:51:27,700 --> 00:51:25,340

training I do this I do that I you know

1077

00:51:30,910 --> 00:51:27,710

I study a little bit of anatomy but

1078

00:51:32,920 --> 00:51:30,920

whatever it is and you take a look at

1079

00:51:37,480 --> 00:51:32,930

those things and start smacking them

1080

00:51:41,380 --> 00:51:37,490

together you know so for instance I know

1081

00:51:44,050 --> 00:51:41,390

somebody that is really into astrology

1082

00:51:46,660 --> 00:51:44,060

and they came to me and said you know I

1083

00:51:49,060 --> 00:51:46,670

keep trying to get my astrology business

1084

00:51:51,070 --> 00:51:49,070

off the ground but it's really hard

1085

00:51:54,070 --> 00:51:51,080

there's so many astrologers out there

1086

00:51:56,890 --> 00:51:54,080

and I don't know how to you know really

1087

00:51:58,060 --> 00:51:56,900

make myself do this so I talked to her

1088

00:52:00,160 --> 00:51:58,070

and I said well what else do you love

1089

00:52:02,620 --> 00:52:00,170

and she listed a couple things she wants

1090

00:52:05,740 --> 00:52:02,630

horticulture I said well there you go

1091

00:52:09,100 --> 00:52:05,750

I said there's lots and lots of

1092

00:52:12,910 --> 00:52:09,110

astrological more surrounding plants why

1093

00:52:14,200 --> 00:52:12,920

don't you you know you can do all kinds

1094

00:52:17,200 --> 00:52:14,210

of astrology but

1095

00:52:19,540 --> 00:52:17,210

specialize in horticulture and take out

1096

00:52:22,180 --> 00:52:19,550

an ad in a horticultural magazine rather

1097

00:52:24,460 --> 00:52:22,190

than an astrology magazine because

1098

00:52:26,770 --> 00:52:24,470

you'll be one of a hundred and fifty

1099

00:52:29,170 --> 00:52:26,780

names in the astrology magazine but

1100

00:52:32,040 --> 00:52:29,180

you'll be the only astrologer in the

1101

00:52:35,620 --> 00:52:32,050

horticulture magazine Touche

1102

00:52:37,420 --> 00:52:35,630

so and and as soon as that happened and

1103

00:52:40,089 --> 00:52:37,430

things started rolling and then people

1104

00:52:41,680 --> 00:52:40,099

that were in the horticulture also tend

1105

00:52:44,980 --> 00:52:41,690

to be the type of people who might

1106

00:52:46,750 --> 00:52:44,990

frequent astrologers as well so they

1107

00:52:49,030 --> 00:52:46,760

would come to her not only for

1108

00:52:54,150 --> 00:52:49,040

horticultural questions but for general

1109

00:52:59,500 --> 00:52:58,270

got to find your angle right well what

1110

00:53:00,750 --> 00:52:59,510

would you say you kind of touched on

1111

00:53:02,770 --> 00:53:00,760

this but what would you say to people

1112

00:53:04,480 --> 00:53:02,780

because I think there's probably some of

1113

00:53:08,170 --> 00:53:04,490

them out there who see this manipulative

1114

00:53:10,180 --> 00:53:08,180

structure and their time and happiness

1115

00:53:12,160 --> 00:53:10,190

that they're losing from their job they

1116

00:53:14,109 --> 00:53:12,170

decide to quit participating and just

1117

00:53:16,690 --> 00:53:14,119

try to be happy with a hippie lifestyle

1118

00:53:18,310 --> 00:53:16,700

without money it does offer a lot of

1119

00:53:19,480 --> 00:53:18,320

challenges but I know some people trying

1120

00:53:24,430 --> 00:53:19,490

to do that what advice would you have

1121

00:53:28,900 --> 00:53:24,440

for them think it through all the way

1122

00:53:30,520 --> 00:53:28,910

right to get back on the wagon well yeah

1123

00:53:32,710 --> 00:53:30,530

it can be tough to get back on the wagon

1124

00:53:38,070 --> 00:53:32,720

but think it through all the way and

1125

00:53:42,490 --> 00:53:38,080

that's you know that I think what people

1126

00:53:47,079 --> 00:53:42,500

didn't do that came up in the 60s and

1127

00:53:49,359 --> 00:53:47,089

70s and so on and of course the occult

1128

00:53:51,880 --> 00:53:49,369

and the magical and witchcraft community

1129

00:53:55,510 --> 00:53:51,890

you know has an overabundance of these

1130

00:53:58,150 --> 00:53:55,520

sort of anti materialist types where as

1131

00:54:00,940 --> 00:53:58,160

occultism used to be the the provenance

1132

00:54:05,530 --> 00:54:00,950

of you know trust-fund babies and and

1133

00:54:07,510 --> 00:54:05,540

the well-to-do you know in it flipped

1134

00:54:14,230 --> 00:54:07,520

and in the 50's it became sort of this

1135

00:54:15,970 --> 00:54:14,240

very bohemian thing to do so it's tied

1136

00:54:18,280 --> 00:54:15,980

in with this sort of hippie anti

1137

00:54:21,810 --> 00:54:18,290

materialist philosophy that it doesn't

1138

00:54:25,420 --> 00:54:21,820

necessarily need to be but think about

1139

00:54:27,730 --> 00:54:25,430

you know I would just say well okay how

1140

00:54:31,390 --> 00:54:27,740

are you really being

1141

00:54:33,940 --> 00:54:31,400

outside the system are you just painting

1142

00:54:36,700 --> 00:54:33,950

that right are you outside of it or are

1143

00:54:38,350 --> 00:54:36,710

you just not participating in relying on

1144

00:54:40,300 --> 00:54:38,360

the people who are participating who

1145

00:54:42,640 --> 00:54:40,310

will put in an extra five hours a week

1146

00:54:46,090 --> 00:54:42,650

to give you a little piece of their pie

1147

00:54:48,100 --> 00:54:46,100

right are you you know are you not

1148

00:54:50,980 --> 00:54:48,110

participating by like sleeping on

1149

00:54:53,970 --> 00:54:50,990

people's couches and because you know

1150

00:54:59,560 --> 00:54:53,980

that's gonna get old think in terms of

1151

00:55:03,430 --> 00:54:59,570

your life overall you know if you are

1152

00:55:05,680 --> 00:55:03,440

spending your 20s sort of doing the

1153

00:55:09,430 --> 00:55:05,690

hippie trip which is a great time to do

1154

00:55:11,920 --> 00:55:09,440

the hippie trip well then you know you

1155

00:55:15,280 --> 00:55:11,930

might just realize that you might find

1156

00:55:18,550 --> 00:55:15,290

yourself wanting more later on and it

1157

00:55:20,830 --> 00:55:18,560

might be a little late to take on

1158

00:55:24,190 --> 00:55:20,840

certain tasks or more difficult to take

1159

00:55:26,260 --> 00:55:24,200

on certain tasks as you get older or you

1160

00:55:29,830 --> 00:55:26,270

know you'll you might find yourself the

1161

00:55:31,720 --> 00:55:29,840

the 40 year old guy working the mall you

1162

00:55:33,609 --> 00:55:31,730

know that's the sad reality for

1163

00:55:36,580 --> 00:55:33,619

something I mean you said it best in

1164

00:55:38,710 --> 00:55:36,590

that money is too powerful to just

1165

00:55:41,830 --> 00:55:38,720

ignore you're gonna have to deal with it

1166

00:55:43,870 --> 00:55:41,840

so why don't you practice mastery of it

1167

00:55:46,210 --> 00:55:43,880

rather than just you know being

1168

00:55:48,099 --> 00:55:46,220

subservient to it or trying to live

1169

00:55:53,020 --> 00:55:48,109

without it when you really can't right

1170

00:55:55,630 --> 00:55:53,030

you know one of one of the best ways for

1171

00:55:56,920 --> 00:55:55,640

people that don't want to be you know

1172

00:55:59,200 --> 00:55:56,930

they don't want to be trapped in the

1173

00:56:01,599 --> 00:55:59,210

system that I want to be trapped in the

1174

00:56:02,320 --> 00:56:01,609

rat race you know that kind of thing

1175

00:56:07,540 --> 00:56:02,330

mm-hmm

1176

00:56:09,790 --> 00:56:07,550

public service you know it's it's a

1177

00:56:11,800 --> 00:56:09,800

crazy thought because you're you're

1178

00:56:15,130 --> 00:56:11,810

working for the government I mean that

1179

00:56:17,080 --> 00:56:15,140

is the system by definition right except

1180

00:56:19,810 --> 00:56:17,090

where else are you gonna get to get that

1181

00:56:21,130 --> 00:56:19,820

job security yeah keep your friends

1182

00:56:24,070 --> 00:56:21,140

close and your enemies closer

1183

00:56:26,080 --> 00:56:24,080

right there is no real rat race in

1184

00:56:27,910 --> 00:56:26,090

public service it's not so much of a

1185

00:56:34,000 --> 00:56:27,920

meritocracy it's more about how long

1186

00:56:36,430 --> 00:56:34,010

you've been there you are you know you

1187

00:56:37,000 --> 00:56:36,440

have to really really really screw up to

1188

00:56:40,870 --> 00:56:37,010

get fired

1189

00:56:41,790 --> 00:56:40,880

you are probably going to get more time

1190

00:56:46,230 --> 00:56:41,800

off

1191

00:56:48,270 --> 00:56:46,240

then at almost any private company that

1192

00:56:50,250 --> 00:56:48,280

you work for so you'll be starting off

1193

00:56:53,630 --> 00:56:50,260

with you know many more weeks of

1194

00:56:56,310 --> 00:56:53,640

vacation many more sick I mean you know

1195

00:56:57,240 --> 00:56:56,320

yeah use the inefficiency of government

1196

00:56:59,640 --> 00:56:57,250

to your advantage

1197

00:57:02,940 --> 00:56:59,650

yeah you know I mean if you have to have

1198

00:57:05,580 --> 00:57:02,950

a job and and and you want to be able to

1199

00:57:09,240 --> 00:57:05,590

go to festivals all summer and things

1200

00:57:11,160 --> 00:57:09,250

like that you know the state job is

1201  
00:57:15,960 --> 00:57:11,170  
going to offer you a lot more freedom

1202  
00:57:19,830 --> 00:57:15,970  
than the barista job right even though

1203  
00:57:21,660 --> 00:57:19,840  
it's ostensibly for the man mm-hmm

1204  
00:57:25,500 --> 00:57:21,670  
another thing is that it seems like

1205  
00:57:28,560 --> 00:57:25,510  
magic and spirituality they have a

1206  
00:57:32,100 --> 00:57:28,570  
prominent place in almost every society

1207  
00:57:34,020 --> 00:57:32,110  
but ours you know a cult symbolism is in

1208  
00:57:36,000 --> 00:57:34,030  
the shadows of our most successful

1209  
00:57:38,220 --> 00:57:36,010  
corporations and institutions it's right

1210  
00:57:39,930 --> 00:57:38,230  
in the logos of a lot of them but do you

1211  
00:57:45,750 --> 00:57:39,940  
think it's been weeded out of mainstream

1212  
00:57:51,440 --> 00:57:45,760  
culture for a reason well you know first

1213  
00:57:55,050 --> 00:57:51,450

of all there's always there's always an

1214

00:57:58,170 --> 00:57:55,060

occult side of things that's hidden in

1215

00:58:01,440 --> 00:57:58,180

whatever culture you're in so you know

1216

00:58:04,109 --> 00:58:01,450

you can go to India and and there's

1217

00:58:06,480 --> 00:58:04,119

still you know if you really talk about

1218

00:58:10,080 --> 00:58:06,490

Tantra and you talk about hardcore

1219

00:58:12,800 --> 00:58:10,090

country cos like the Saudis that's not

1220

00:58:16,950 --> 00:58:12,810

exactly mainstream culture over there

1221

00:58:19,950 --> 00:58:16,960

and we certainly have plenty of you know

1222

00:58:23,160 --> 00:58:19,960

religion and spirituality here it might

1223

00:58:25,080 --> 00:58:23,170

not be good spirituality you know I'm

1224

00:58:28,560 --> 00:58:25,090

thinking of like Republican prayer

1225

00:58:31,260 --> 00:58:28,570

breakfasts and things like that but it's

1226  
00:58:35,930 --> 00:58:31,270  
there so you know it's there overtly and

1227  
00:58:39,960 --> 00:58:35,940  
then there's the covert kind of stuff

1228  
00:58:46,370 --> 00:58:39,970  
that is done you know under the table by

1229  
00:58:50,010 --> 00:58:46,380  
it by some and not anytime that you say

1230  
00:58:55,310 --> 00:58:50,020  
that faith is not enough I want

1231  
00:58:58,440 --> 00:58:55,320  
experience you fall afoul of

1232  
00:59:01,050 --> 00:58:58,450  
secular materialism which says there's

1233  
00:59:04,050 --> 00:59:01,060  
nothing to experience so what are you

1234  
00:59:07,790 --> 00:59:04,060  
looking for you weirdo and you fall

1235  
00:59:11,520 --> 00:59:07,800  
afoul of mainstream religion which says

1236  
00:59:14,880 --> 00:59:11,530  
no you're supposed to have faith in what

1237  
00:59:19,230 --> 00:59:14,890  
I'm telling you so this is where the the

1238  
00:59:22,470 --> 00:59:19,240

faith versus our peace peace vs gnosis

1239

00:59:26,390 --> 00:59:22,480

versus AG gnosis comes in to put it in

1240

00:59:30,020 --> 00:59:26,400

greek terms peace this would be faith

1241

00:59:32,100 --> 00:59:30,030

gnosis would be knowledge and AG gnosis

1242

00:59:34,230 --> 00:59:32,110

technically would be ignorant but it

1243

00:59:36,900 --> 00:59:34,240

would be you know the acceptance of not

1244

00:59:39,990 --> 00:59:36,910

being able to know so we could look at

1245

00:59:41,970 --> 00:59:40,000

mainstream religion as being a

1246

00:59:45,560 --> 00:59:41,980

representative of peace dis we could

1247

00:59:48,120 --> 00:59:45,570

look at secular materialists as being

1248

00:59:51,650 --> 00:59:48,130

representative of AG gnosis and then we

1249

00:59:53,790 --> 00:59:51,660

would look at mystics as being

1250

00:59:57,420 --> 00:59:53,800

representative of the viewpoint of

1251

01:00:00,660 --> 00:59:57,430

gnosis you know there seems to be

1252

01:00:02,610 --> 01:00:00,670

finally some global outrage over the

1253

01:00:05,460 --> 01:00:02,620

unfairness of the monetary system in

1254

01:00:08,400 --> 01:00:05,470

general and a desire for change but also

1255

01:00:10,590 --> 01:00:08,410

an ignorant about what to fight for and

1256

01:00:12,120 --> 01:00:10,600

there's a bit of a media blackout over

1257

01:00:14,370 --> 01:00:12,130

what's happened Iceland but I've heard

1258

01:00:17,280 --> 01:00:14,380

you talk about it before and you kind of

1259

01:00:21,810 --> 01:00:17,290

clarify what's going on over there well

1260

01:00:25,580 --> 01:00:21,820

you know this is Iceland was one of the

1261

01:00:31,170 --> 01:00:25,590

first countries to fall so to speak in

1262

01:00:33,030 --> 01:00:31,180

2008 they their economy um it's not even

1263

01:00:37,950 --> 01:00:33,040

pretty much I mean their economy

1264

01:00:40,980 --> 01:00:37,960

collapsed and because you know as Forbes

1265

01:00:44,730 --> 01:00:40,990

magazine put it you know they were a

1266

01:00:49,670 --> 01:00:44,740

hedge fund that issued passports they

1267

01:00:53,400 --> 01:00:49,680

they were so deeply deeply involved with

1268

01:00:57,630 --> 01:00:53,410

the banking system the shadow banking

1269

01:01:00,660 --> 01:00:57,640

system and you know derivatives markets

1270

01:01:02,880 --> 01:01:00,670

that when it crashed their country is

1271

01:01:06,390 --> 01:01:02,890

small enough and their economy was so

1272

01:01:08,370 --> 01:01:06,400

deeply invested in it that it just went

1273

01:01:13,979 --> 01:01:08,380

belly-up overnight

1274

01:01:16,410 --> 01:01:13,989

and of course you know we started to

1275

01:01:17,849 --> 01:01:16,420

follow down that road and lots of Europe

1276

01:01:22,079 --> 01:01:17,859

started to follow down that road a

1277

01:01:25,559 --> 01:01:22,089

little later but what Iceland did was

1278

01:01:28,950 --> 01:01:25,569

rather than protect the people that did

1279

01:01:31,499 --> 01:01:28,960

it rather than you know protect the

1280

01:01:33,989 --> 01:01:31,509

shadow banking system which just sounds

1281

01:01:36,410 --> 01:01:33,999

like something that you know should be

1282

01:01:39,329 --> 01:01:36,420

the antagonist in a James Bond movie

1283

01:01:42,749 --> 01:01:39,339

exactly rather than something that you

1284

01:01:45,749 --> 01:01:42,759

know actually exists and it's supposed

1285

01:01:49,910 --> 01:01:45,759

to be okay they started arresting

1286

01:01:53,910 --> 01:01:49,920

bankers and they started telling the

1287

01:01:55,979 --> 01:01:53,920

world you know well the continent would

1288

01:01:58,700 --> 01:01:55,989

say well you know you owe our banks blah

1289

01:02:01,259 --> 01:01:58,710

blah blah blah and they said no we don't

1290

01:02:04,349 --> 01:02:01,269

they're like no you know because you

1291

01:02:07,009 --> 01:02:04,359

know you essentially fraudulently got us

1292

01:02:11,249 --> 01:02:07,019

involved in these kinds of things with

1293

01:02:14,549 --> 01:02:11,259

that you know no one had any way of

1294

01:02:16,259 --> 01:02:14,559

knowing how mismanaged you were making

1295

01:02:19,170 --> 01:02:16,269

them and so on they basically just

1296

01:02:23,779 --> 01:02:19,180

refused to accept that they owed this

1297

01:02:26,190 --> 01:02:23,789

money and you know they're a nation and

1298

01:02:31,670 --> 01:02:26,200

when your nation you can do things that

1299

01:02:34,859 --> 01:02:31,680

maybe the individual debtor can't do and

1300

01:02:37,279 --> 01:02:34,869

they're low and behold their economy is

1301

01:02:41,430 --> 01:02:37,289

recovering twice as fast as any other

1302

01:02:43,289 --> 01:02:41,440

European economy yeah that seems to be

1303

01:02:45,209 --> 01:02:43,299

the fact there's a lot of fear and we're

1304

01:02:46,680 --> 01:02:45,219

pumped a lot of fear about you know we

1305

01:02:48,420 --> 01:02:46,690

can't let these banks fail they're too

1306

01:02:49,890 --> 01:02:48,430

big you know everything's gonna suck if

1307

01:02:52,430 --> 01:02:49,900

they fail we're never gonna get out of

1308

01:02:54,779 --> 01:02:52,440

this mess but you know that's just the

1309

01:02:57,420 --> 01:02:54,789

people who are scared for themselves

1310

01:02:59,549 --> 01:02:57,430

telling us like hey you need us you need

1311

01:03:01,739 --> 01:02:59,559

us I promise I swear you need us you've

1312

01:03:05,190 --> 01:03:01,749

always had us you need us now don't get

1313

01:03:07,920 --> 01:03:05,200

rid of us and here we are we don't but

1314

01:03:09,450 --> 01:03:07,930

yeah you know sometimes I hope no I

1315

01:03:11,459 --> 01:03:09,460

don't want to say I hope for a collapse

1316

01:03:13,200 --> 01:03:11,469

but that's really things got to get a

1317

01:03:17,779 --> 01:03:13,210

lot worse before they're going to get

1318

01:03:20,400 --> 01:03:17,789

better well sadly I think you're right

1319

01:03:21,720 --> 01:03:20,410

you know you asked about a second you

1320

01:03:25,050 --> 01:03:21,730

know secondary business

1321

01:03:28,250 --> 01:03:25,060

now is a good time to go you know open

1322

01:03:30,000 --> 01:03:28,260

up the first bagel shop in rec you mix

1323

01:03:32,640 --> 01:03:30,010

amen

1324

01:03:34,620 --> 01:03:32,650

well that about does it Jason thanks for

1325

01:03:36,780 --> 01:03:34,630

getting deep with me about this you know

1326

01:03:38,880 --> 01:03:36,790

I really recommend financial sorcery for

1327

01:03:41,460 --> 01:03:38,890

anyone who's interested and putting some

1328

01:03:43,920 --> 01:03:41,470

of this into practice where can people

1329

01:03:46,620 --> 01:03:43,930

keep up with you and what's your next

1330

01:03:51,300 --> 01:03:46,630

project what are you working on well I

1331

01:03:55,020 --> 01:03:51,310

am working on a book this might just be

1332

01:03:59,160 --> 01:03:55,030

a chat book called extreme financial

1333

01:04:02,220 --> 01:03:59,170

sorcery when the you know everything in

1334

01:04:04,650 --> 01:04:02,230

the book is you use a sorcery so it's

1335

01:04:06,870 --> 01:04:04,660

not mainstream by definition but the

1336

01:04:09,840 --> 01:04:06,880

things that I try to get people to do

1337

01:04:13,020 --> 01:04:09,850

are more or less normal get out of debt

1338

01:04:15,570 --> 01:04:13,030

find a job start a business be

1339

01:04:16,740 --> 01:04:15,580

successful save for retirement so on and

1340

01:04:19,830 --> 01:04:16,750

so forth not really

1341

01:04:22,800 --> 01:04:19,840

earth-shattering things in there as far

1342

01:04:25,200 --> 01:04:22,810

as you know the steps that you take so

1343

01:04:26,040 --> 01:04:25,210

in extreme financial sorcery I apply

1344

01:04:28,500 --> 01:04:26,050

sorcery

1345

01:04:31,800 --> 01:04:28,510

to sort of more extreme ways of dealing

1346

01:04:35,820 --> 01:04:31,810

with that so if you're in a lot a lot a

1347

01:04:38,010 --> 01:04:35,830

lot of debt perhaps it's time to just

1348

01:04:42,210 --> 01:04:38,020

take a year and make it any worse tier

1349

01:04:46,070 --> 01:04:42,220

of your life - you know - couch-surf and

1350

01:04:48,840 --> 01:04:46,080

you know rent free or you know live a

1351

01:04:51,330 --> 01:04:48,850

parent's house again or something like

1352

01:04:53,670 --> 01:04:51,340

that work two jobs never go out never

1353

01:04:57,270 --> 01:04:53,680

see anybody just work work work work for

1354

01:05:01,050 --> 01:04:57,280

a year and then you wind up with you

1355

01:05:02,130 --> 01:05:01,060

know \$40,000 \$50,000 bulk at the end of

1356

01:05:06,870 --> 01:05:02,140

the year that you can pay your debts

1357

01:05:08,670 --> 01:05:06,880

with or say doing something if you're on

1358

01:05:12,630 --> 01:05:08,680

the other end of the financial spectrum

1359

01:05:15,720 --> 01:05:12,640

things like you know the five flags

1360

01:05:19,080 --> 01:05:15,730

theory protecting against economic and

1361

01:05:22,560 --> 01:05:19,090

and other types of catastrophic collapse

1362

01:05:26,490 --> 01:05:22,570

at home how to get a second Passport how

1363

01:05:29,100 --> 01:05:26,500

to establish banking in other countries

1364

01:05:32,880 --> 01:05:29,110

and so on and so forth stuff like that

1365

01:05:35,589 --> 01:05:32,890

there you go the romney stuff yeah

1366

01:05:39,049 --> 01:05:35,599

exactly radical

1367

01:05:43,069 --> 01:05:39,059

so that kind of thing I'm working on I'm

1368

01:05:45,199 --> 01:05:43,079

also working on my second course which

1369

01:05:48,169 --> 01:05:45,209

I'm very very very late with lessons on

1370

01:05:50,719 --> 01:05:48,179

right now but thankfully I have I start

1371

01:05:53,089 --> 01:05:50,729

off courses with you know some of my

1372

01:05:55,059 --> 01:05:53,099

more experienced students that know you

1373

01:05:59,239 --> 01:05:55,069

know are a little patient

1374

01:06:01,519 --> 01:05:59,249

so it's the strategic self course I have

1375

01:06:04,509 --> 01:06:01,529

already four hundred and some-odd people

1376

01:06:07,459 --> 01:06:04,519

in the strategic sorcery course and

1377

01:06:10,279 --> 01:06:07,469

that's always going strong with you know

1378

01:06:12,919 --> 01:06:10,289

the cycles starting every quarter so now

1379

01:06:15,019 --> 01:06:12,929

I have my strategic self course that I'm

1380

01:06:19,130 --> 01:06:15,029

working on which is a course that

1381

01:06:22,849 --> 01:06:19,140

focuses on self transformation nice and

1382

01:06:25,370 --> 01:06:22,859

uh what is your website the website is

1383

01:06:30,559 --> 01:06:25,380

in nomen and I'm calm

1384

01:06:32,900 --> 01:06:30,569

that is Inon I&A and d um but you can

1385

01:06:34,880 --> 01:06:32,910

just google strategic sorcery and you'll

1386

01:06:37,789 --> 01:06:34,890

find me I was gonna say that's a bit of

1387

01:06:40,669 --> 01:06:37,799

a branding challenge yeah yeah I'm

1388

01:06:43,069 --> 01:06:40,679

working on that now well there you have

1389

01:06:45,890 --> 01:06:43,079

it people the very magical Jason Miller

1390

01:06:47,660 --> 01:06:45,900

stop using your will and intention to

1391

01:06:49,160 --> 01:06:47,670

maintain the status quo and start

1392

01:06:51,679 --> 01:06:49,170

thinking about how to make money your

1393

01:06:53,839 --> 01:06:51,689

[h\_\_h] instead of horn your life at some

1394

01:06:56,929 --> 01:06:53,849

corporate job for a few fleeting

1395

01:06:58,459 --> 01:06:56,939

glimpses of greenbacks any last words

1396

01:07:01,039 --> 01:06:58,469

for the young Padawans the higher side

1397

01:07:04,729 --> 01:07:01,049

chest no I want to leave them with your

1398

01:07:08,539 --> 01:07:04,739

words that was a great a great way to

1399

01:07:12,049 --> 01:07:08,549

end to end the interview don't be a

1400

01:07:13,549 --> 01:07:12,059

slave to money make it your [h\_\_h] boom

1401

01:07:16,729 --> 01:07:13,559

there it is alright well thanks again

1402

01:07:19,009 --> 01:07:16,739

Jason really appreciate it thank you all

1403

01:07:21,019 --> 01:07:19,019

right have a good one you too there's

1404

01:07:22,759 --> 01:07:21,029

another show people keep your pimp and

1405

01:07:24,979 --> 01:07:22,769

strong and your altars clean please

1406

01:07:28,189 --> 01:07:24,989

support THC by picking up a t-shirt from

1407

01:07:30,769 --> 01:07:28,199

conspiracies net or voting for me in the

1408

01:07:32,839 --> 01:07:30,779

podcast Awards at podcast Awards calm

1409

01:07:34,130 --> 01:07:32,849

I'm going for the general category

1410

01:07:36,259 --> 01:07:34,140

because I don't seem to fit anywhere

1411

01:07:38,989 --> 01:07:36,269

else and who goes for general anyway

1412

01:07:42,289 --> 01:07:38,999

exactly that's my strategic sorcery

1413

01:07:43,669 --> 01:07:42,299

right there and it'd be nice to cast a

1414

01:07:45,410 --> 01:07:43,679

vote this fall that actually matters

1415

01:07:47,660 --> 01:07:45,420

wouldn't it so please help me out in

1416

01:07:48,740 --> 01:07:47,670

those ways if you like the show playing

1417

01:07:50,720 --> 01:07:48,750

us out today is Ray

1418

01:07:52,280 --> 01:07:50,730

Taylor with a little Aladdin remix the

1419

01:07:53,540 --> 01:07:52,290

plight of Aladdin is the name of the

1420

01:07:55,010 --> 01:07:53,550

track if you want to see a whole new

1421

01:07:56,870 --> 01:07:55,020

world yourself get some financial

1422

01:08:12,079 --> 01:07:56,880

sorcery and your [h\_\_h] life

1423

01:08:23,340 --> 01:08:18,050

copyright to shining shimmering splendid

1424

01:08:25,130 --> 01:08:23,350

place way up in the sky just let your

1425

01:08:54,079 --> 01:08:25,140

heart decide

1426

01:09:00,579 --> 01:08:55,849

mistake

1427

01:09:08,529 --> 01:09:00,589

right yeah we'll be jumping soaring

1428

01:09:17,240 --> 01:09:12,440

do you open my eyes yeah

1429

01:09:21,710 --> 01:09:17,250

take you home I wonder by wonder look in
