1  
00:00:08,240 --> 00:00:06,410  
we're here because we don't buy into the

2  
00:00:10,129 --> 00:00:08,250  
[h\_\_\h] of mainstream culture we're

3  
00:00:11,600 --> 00:00:10,139  
tired of the mundane passionless careers

4  
00:00:13,280 --> 00:00:11,610  
we've been shuffled into as a result of

5  
00:00:15,320 --> 00:00:13,290  
this orchestrated debt based system of

6  
00:00:16,939 --> 00:00:15,330  
rule and the stranglehold on education

7  
00:00:20,029 --> 00:00:16,949  
entertainment by cold soulless

8  
00:00:23,359 --> 00:00:20,039  
corporations people yes we are

9  
00:00:25,070 --> 00:00:23,369  
frustrated yes we are tired and we

10  
00:00:26,390 --> 00:00:25,080  
reject the pre-approved tranquilizers

11  
00:00:28,490 --> 00:00:26,400  
that are monday night football and a

12  
00:00:30,769 --> 00:00:28,500  
nice cold Budweiser we have to stop

13  
00:00:33,379 --> 00:00:30,779

hiding stop hiding behind the headphone

14

00:00:34,729 --> 00:00:33,389

strong in society is changing there was

17

00:00:41,509 --> 00:00:39,149

a time to be anonymous at that time has

18

00:00:43,309 --> 00:00:41,519

passed and so the higher side chats

19

00:00:45,610 --> 00:00:43,319

would like to present conspiracies as

20

00:00:47,709 --> 00:00:45,620

the dawning of this new paradigm

21

00:00:49,600 --> 00:00:47,719

the revolution because bold fashion

22

00:00:51,930 --> 00:00:49,610

should mean more than some celebrity

23

00:00:54,490 --> 00:00:51,940

meat dress or Atlanta sleeping column

24

00:00:55,959 --> 00:00:54,500

conspiracies redefines both fashions

25

00:00:58,389 --> 00:00:55,969

have the balls to reject socially

26

00:01:02,530 --> 00:00:58,399

uncomfortable and unpopular truths for

27

00:01:04,990 --> 00:01:02,540

38

00:02:02,410 --> 00:01:59,869

prominent truth blogger and author

39

00:02:05,109 --> 00:02:02,420

Shander blessed Minh the sacred scribe

40

00:02:06,430 --> 00:02:05,119

doing really great Greg thanks for being

47

00:02:23,680 --> 00:02:20,810

here you know you've written a lot of

48

00:02:25,720 --> 00:02:23,690

great articles that hit on some of the

49

00:02:27,370 --> 00:02:25,730

major spokes at the conspiracy wagon

50

00:02:31,270 --> 00:02:27,380

wheel heading down the oregon trail of

51  
00:02:33,850 --> 00:02:31,280  
2012 mainly the flu vaccine fluoride the

52  
00:02:36,550 --> 00:02:33,860  
corrupted manipulative media to mention

53  
00:02:38,440 --> 00:02:36,560  
a few and you know whenever I meet

54  
00:02:40,870 --> 00:02:38,450  
someone knowledgeable about these topics

55  
00:02:43,509 --> 00:02:40,880  
I like to ask them where was your major

56  
00:02:45,130 --> 00:02:43,519  
break from the mainstream and what was

57  
00:02:50,259 --> 00:02:45,140  
the lie that sent you down the rabbit

58  
00:02:54,370 --> 00:02:50,269  
hole oh wow um that's actually going

59  
00:02:57,160 --> 00:02:54,380  
back in time quite a bit um I kind of

60  
00:02:58,539 --> 00:02:57,170  
started to you know wake up or have

61  
00:03:01,530 --> 00:02:58,549  
these little glimmers back when I was

62  
00:03:06,160 --> 00:03:01,540  
about 20 years old Wow uh in nineteen

63  
00:03:08,830 --> 00:03:06,170

eighty it was in it I'm talking politics

64

00:03:10,920 --> 00:03:08,840

and in terms of politics in nineteen

65

00:03:14,410 --> 00:03:10,930

eighty there was a gentleman named

66

00:03:16,570 --> 00:03:14,420

Anderson I forget his first name but he

67

00:03:19,650 --> 00:03:16,580

was running as an independent for

68

00:03:22,030 --> 00:03:19,660

president and this was the year that

69

00:03:26,100 --> 00:03:22,040

Ronald well one of the years at Ronald

70

00:03:28,930 --> 00:03:26,110

Reagan was huge and I was actually

71

00:03:30,280 --> 00:03:28,940

stomping for Anderson and voted for him

72

00:03:32,800 --> 00:03:30,290

I was one of the like two or three

73

00:03:35,890 --> 00:03:32,810

percent that actually thought hey maybe

74

00:03:37,810 --> 00:03:35,900

we could change the world by getting rid

75

00:03:40,240 --> 00:03:37,820

of these democrats and republicans and

76  
00:03:42,850 --> 00:03:40,250  
and getting somebody independent in

77  
00:03:46,900 --> 00:03:42,860  
there and of course he didn't win but

78  
00:03:51,400 --> 00:03:46,910  
that kind of started my journey um then

79  
00:03:53,350 --> 00:03:51,410  
the rank the the real break the thing

80  
00:03:56,010 --> 00:03:53,360  
that really made me start questioning

81  
00:04:01,180 --> 00:03:56,020  
the reality that they were feeding us

82  
00:04:06,640 --> 00:04:01,190  
was the Waco affair my little brother

83  
00:04:11,080 --> 00:04:06,650  
was telling me that the the military the

84  
00:04:13,300 --> 00:04:11,090  
police had started that fire and I was

85  
00:04:15,400 --> 00:04:13,310  
telling him what you know I was

86  
00:04:16,990 --> 00:04:15,410  
determined that it wasn't the police

87  
00:04:22,570 --> 00:04:17,000  
that had done it that the police were

88  
00:04:24,970 --> 00:04:22,580

bad that the people inside the Waco

89  
00:04:29,260 --> 00:04:24,980  
compound had started that themselves and

90  
00:04:31,840 --> 00:04:29,270  
he gave me a film to watch and for the

91  
00:04:34,030 --> 00:04:31,850  
longest time I refuse to watch it I got

92  
00:04:35,530 --> 00:04:34,040  
mad at him so then one day I finally

93  
00:04:36,790 --> 00:04:35,540  
said you know what I'm gonna watch that

94  
00:04:39,220 --> 00:04:36,800  
film and I'm gonna prove to him that

95  
00:04:40,420 --> 00:04:39,230  
he's wrong and I watched that film and

96  
00:04:42,580 --> 00:04:40,430  
it showed me that he was the one that

97  
00:04:44,920 --> 00:04:42,590  
was right I had to apologize to my

98  
00:04:46,600 --> 00:04:44,930  
little brother for him so angry I think

99  
00:04:50,140 --> 00:04:46,610  
that's what really started things for me

100  
00:04:52,210 --> 00:04:50,150  
nice that's a common thread that a lot

101  
00:04:56,590 --> 00:04:52,220  
of people when they start down the path

102  
00:04:58,360 --> 00:04:56,600  
they initially are trying to defend the

103  
00:05:00,430 --> 00:04:58,370  
government and the leaders and then they

104  
00:05:01,990 --> 00:05:00,440  
just find once they really dig into the

105  
00:05:04,420 --> 00:05:02,000  
evidence they get past that first layer

106  
00:05:08,110 --> 00:05:04,430  
of propaganda they see man this is crazy

107  
00:05:09,940 --> 00:05:08,120  
I can't defend this kind of stuff it was

108  
00:05:12,490 --> 00:05:09,950  
like taking the red pill and once you

109  
00:05:13,930 --> 00:05:12,500  
know once you know the truth once you

110  
00:05:15,430 --> 00:05:13,940  
admit that you know the truth I mean a

111  
00:05:17,650 --> 00:05:15,440  
lot of people know the truth but they

112  
00:05:19,630 --> 00:05:17,660  
just won't admit it it's overwhelming

113  
00:05:21,580 --> 00:05:19,640

right they won't see it from selves they

114

00:05:25,150 --> 00:05:21,590

refuse to believe it they refuse to

115

00:05:27,820 --> 00:05:25,160

believe that their dad or their mom is

116

00:05:29,920 --> 00:05:27,830

bad and you know by that I mean mommy

117

00:05:32,050 --> 00:05:29,930

government daddy government you know

118

00:05:33,820 --> 00:05:32,060

they they want these people to be good

119

00:05:35,710 --> 00:05:33,830

they want these people to be taking care

120

00:05:37,450 --> 00:05:35,720

of him and I don't blame him i can

121

00:05:39,980 --> 00:05:37,460

understand that we all want to be

122

00:05:43,040 --> 00:05:39,990

coddled and loved

123

00:05:44,750 --> 00:05:43,050

only it's a good feeling but when it

124

00:05:46,550 --> 00:05:44,760

ain't happening and it happened it and

125

00:05:51,290 --> 00:05:46,560

you need to admit it and you need to

126

00:05:53,360 --> 00:05:51,300

grow up all right you know just admit

127

00:05:56,180 --> 00:05:53,370

that these people are bad admit that

128

00:05:58,610 --> 00:05:56,190

they're corrupt and try to look for

129

00:06:00,350 --> 00:05:58,620

somebody who isn't trying to you know

130

00:06:04,970 --> 00:06:00,360

try to find it a different relationship

131

00:06:07,490 --> 00:06:04,980

I agree um let's talk a bit about the

132

00:06:11,270 --> 00:06:07,500

Waco situation because I hear a lot of

133

00:06:13,100 --> 00:06:11,280

people of a slightly older generation

134

00:06:16,190 --> 00:06:13,110

than my own talk about that being there

135

00:06:18,050 --> 00:06:16,200

pivotal moment and you know I've heard a

136

00:06:21,230 --> 00:06:18,060

little bit about it but I tell the

137

00:06:26,260 --> 00:06:21,240

people what exactly happen at Waco well

138

00:06:30,590 --> 00:06:26,270

Waco was a standoff with the FBI the ATF

139

00:06:34,340 --> 00:06:30,600

for a long time and they what they did

140

00:06:41,990 --> 00:06:34,350

was they went into it was a UH as a

141

00:06:44,030 --> 00:06:42,000

religious compound and they they went up

142

00:06:46,340 --> 00:06:44,040

there looking for guns and I you know

143

00:06:49,430 --> 00:06:46,350

what refresh my memory I forget the

144

00:06:55,580 --> 00:06:49,440

leaders name oh man it was David crush

145

00:06:58,490 --> 00:06:55,590

David Koresh yeah that was it and they

146

00:07:01,520 --> 00:06:58,500

went up looking for illegal weapons and

147

00:07:02,840 --> 00:07:01,530

they had a radar planned and it fell

148

00:07:04,940 --> 00:07:02,850

apart because there was a bunch of

149

00:07:06,830 --> 00:07:04,950

people in there with a guns and they

150

00:07:10,130 --> 00:07:06,840

started shooting back they were

151  
00:07:15,050 --> 00:07:10,140  
defending themselves and naturally once

152  
00:07:16,940 --> 00:07:15,060  
that happened the the FBI couldn't let

153  
00:07:18,590 --> 00:07:16,950  
people think that hey these people were

154  
00:07:23,800 --> 00:07:18,600  
just defending themselves against us

155  
00:07:27,410 --> 00:07:23,810  
they had to justify their their actions

156  
00:07:29,930 --> 00:07:27,420  
so they surrounded the house and they

157  
00:07:32,690 --> 00:07:29,940  
seized it for about a month six weeks I

158  
00:07:34,580 --> 00:07:32,700  
think and then one day they went in

159  
00:07:36,410 --> 00:07:34,590  
there with a tank and they started it on

160  
00:07:39,650 --> 00:07:36,420  
fire and they killed all these little

161  
00:07:43,400 --> 00:07:39,660  
kids they killed women and they just

162  
00:07:45,680 --> 00:07:43,410  
didn't care and I used to think no no

163  
00:07:47,480 --> 00:07:45,690

they tried to save their lives they were

164

00:07:50,690 --> 00:07:47,490

the good guys they were you know this

165

00:07:53,170 --> 00:07:50,700

David Koresh guy was crazy there was no

166

00:07:55,090 --> 00:07:53,180

excuse there was no excuse

167

00:07:59,080 --> 00:07:55,100

whatsoever what these government people

168

00:08:00,790 --> 00:07:59,090

did and once you once you figured that

169

00:08:03,219 --> 00:08:00,800

out it was just disgusting and if you're

170

00:08:05,520 --> 00:08:03,229

out there and you still think that the

171

00:08:11,260 --> 00:08:05,530

government did the right thing there

172

00:08:13,810 --> 00:08:11,270

consider that they knew brushes routine

173

00:08:15,820 --> 00:08:13,820

and they could have been any time going

174

00:08:17,710 --> 00:08:15,830

up to him while he was walking down the

175

00:08:20,800 --> 00:08:17,720

road because he used to walk every day

176

00:08:22,360 --> 00:08:20,810

or at least once a week and they could

177

00:08:24,249 --> 00:08:22,370

have gone up there and arrested him

178

00:08:26,320 --> 00:08:24,259

right then and there they didn't have to

179

00:08:29,189 --> 00:08:26,330

surround his compound they didn't have

180

00:08:31,749 --> 00:08:29,199

to deal with anybody else there at all

181

00:08:33,339 --> 00:08:31,759

and what was it that they were doing

182

00:08:37,269 --> 00:08:33,349

there that got the government's

183

00:08:39,250 --> 00:08:37,279

attention that I'm not sure of the

184

00:08:42,750 --> 00:08:39,260

illegal weapons that that's all I know

185

00:08:44,889 --> 00:08:42,760

it's the same with Ruby Ridge they

186

00:08:50,350 --> 00:08:44,899

suspected them of illegal weapons

187

00:08:53,980 --> 00:08:50,360

dealing and just go in there and you

188

00:08:56,740 --> 00:08:53,990

crack down as a conspiracy theorist I

189

00:09:01,480 --> 00:08:56,750

think that at the time they were trying

190

00:09:03,100 --> 00:09:01,490

to you know really crack down on gun

191

00:09:05,350 --> 00:09:03,110

ownership and take guns away from

192

00:09:08,140 --> 00:09:05,360

everybody and so I think that they were

193

00:09:10,180 --> 00:09:08,150

going to use these these people to

194

00:09:13,199 --> 00:09:10,190

crushes and the people from Ruby Ridge

195

00:09:15,699 --> 00:09:13,209

as examples in a knot backfired on them

196

00:09:17,230 --> 00:09:15,709

you know one can only wonder if the if

197

00:09:20,500 --> 00:09:17,240

they had been competent enough to

198

00:09:25,829 --> 00:09:20,510

actually make it you know make the

199

00:09:28,269 --> 00:09:25,839

arrest and make these guys look like bad

200

00:09:31,150 --> 00:09:28,279

illegal people that threatened the lives

201  
00:09:32,380 --> 00:09:31,160  
of innocence and maybe we might be in a

202  
00:09:34,180 --> 00:09:32,390  
different you know they might have

203  
00:09:36,340 --> 00:09:34,190  
actually taken a step forward and been

204  
00:09:38,980 --> 00:09:36,350  
able to take more guns off the street

205  
00:09:42,130 --> 00:09:38,990  
and kind of disarm the American people

206  
00:09:46,660 --> 00:09:42,140  
more than they have already but because

207  
00:09:49,960 --> 00:09:46,670  
because they [h\_\_h] up and really they

208  
00:09:53,440 --> 00:09:49,970  
really shot themselves in the foot no

209  
00:09:55,810 --> 00:09:53,450  
pun intended no pun intended I mean it

210  
00:09:59,019 --> 00:09:55,820  
does seem that seems to be the most

211  
00:10:00,819 --> 00:09:59,029  
common thing that the part of the

212  
00:10:02,620 --> 00:10:00,829  
programming that does break down is

213  
00:10:04,120 --> 00:10:02,630

people seem to be pretty attached to

214

00:10:06,940 --> 00:10:04,130

their guns and it's a weird thing

215

00:10:10,270 --> 00:10:06,950

because no people cite the Constitution

216

00:10:12,250 --> 00:10:10,280

then it's like the government puts forth

217

00:10:15,040 --> 00:10:12,260

all this like happy American propaganda

218

00:10:17,080 --> 00:10:15,050

like proud to be an American and you

219

00:10:19,720 --> 00:10:17,090

know people take that to heart and that

220

00:10:21,490 --> 00:10:19,730

part of that includes the right to bear

221

00:10:24,430 --> 00:10:21,500

arms so when you come back on the

222

00:10:25,810 --> 00:10:24,440

opposite end and say you know everything

223

00:10:27,580 --> 00:10:25,820

we're founded on is great but we got to

224

00:10:29,650 --> 00:10:27,590

take those guns away people just they

225

00:10:34,210 --> 00:10:29,660

kind of a switch goes off and there they

226

00:10:36,280 --> 00:10:34,220

like hunker down no yeah well that's

227

00:10:38,440 --> 00:10:36,290

that's a tough part that the government

228

00:10:40,990 --> 00:10:38,450

it's same with free speech I think the

229

00:10:42,730 --> 00:10:41,000

first two amendments are really

230

00:10:45,790 --> 00:10:42,740

something that the American people kind

231

00:10:48,370 --> 00:10:45,800

of you you know get their jolted to

232

00:10:51,850 --> 00:10:48,380

awakeness turd all of a sudden you know

233

00:10:53,500 --> 00:10:51,860

the other the other rights the right to

234

00:10:55,450 --> 00:10:53,510

own your own property and stuff like

235

00:10:57,730 --> 00:10:55,460

that let them have that as long as they

236

00:11:02,140 --> 00:10:57,740

keep us secure but when it comes to free

237

00:11:05,080 --> 00:11:02,150

speech and when it comes to taking guns

238

00:11:07,240 --> 00:11:05,090

away and and religion it really seems

239

00:11:10,510 --> 00:11:07,250

that the government is having a tough

240

00:11:12,640 --> 00:11:10,520

time I mean it's it's good that the

241

00:11:15,160 --> 00:11:12,650

program mean breaks down somewhere but

242

00:11:18,010 --> 00:11:15,170

it was a lot earlier than that far down

243

00:11:20,410 --> 00:11:18,020

the line but you know it's hard to break

244

00:11:23,140 --> 00:11:20,420

the the indoctrination of the schools

245

00:11:27,010 --> 00:11:23,150

the school system you know when you're

246

00:11:28,780 --> 00:11:27,020

when you have to stand well I when I was

247

00:11:30,460 --> 00:11:28,790

growing up I had to stand up every day

248

00:11:32,950 --> 00:11:30,470

and put my hand over my heart said

249

00:11:36,190 --> 00:11:32,960

pledge allegiance to the flag in America

250

00:11:38,290 --> 00:11:36,200

I mean soon and yeah and it just it's

251

00:11:40,600 --> 00:11:38,300

it's really hard to break through that

252

00:11:43,980 --> 00:11:40,610

kind of a doctrine a shin and the state

253

00:11:47,860 --> 00:11:43,990

owns two schools you can't send your kid

254

00:11:49,720 --> 00:11:47,870

to Lee well you're already paying for

255

00:11:52,540 --> 00:11:49,730

the school mm-hmm because you're paying

256

00:11:55,300 --> 00:11:52,550

those the property taxes so if you want

257

00:11:57,370 --> 00:11:55,310

to send your kid to another pub a

258

00:12:01,720 --> 00:11:57,380

private school it's going to cost you a

259

00:12:03,520 --> 00:12:01,730

whole heck of a lot more and then the

260

00:12:05,710 --> 00:12:03,530

private schools are now getting more and

261

00:12:08,410 --> 00:12:05,720

more public they're taking more and more

262

00:12:10,120 --> 00:12:08,420

public money and it's really really

263

00:12:12,100 --> 00:12:10,130

difficult to send your kid to a school

264

00:12:15,340 --> 00:12:12,110

where they can teach them how to think

265

00:12:18,820 --> 00:12:15,350

critically and how to how to think in

266

00:12:19,860 --> 00:12:18,830

terms that's that's not status sorry I

267

00:12:21,450 --> 00:12:19,870

mean this the whole

268

00:12:24,390 --> 00:12:21,460

cool system itself is a big conspiracy

269

00:12:26,250 --> 00:12:24,400

that you know the Department of

270

00:12:27,870 --> 00:12:26,260

Education was actually funded by the

271

00:12:30,930 --> 00:12:27,880

Rockefellers and a bunch of large

272

00:12:33,780 --> 00:12:30,940

multinational corporations who in turn

273

00:12:36,990 --> 00:12:33,790

put forth a system that was just going

274

00:12:40,320 --> 00:12:37,000

to teach people how to be good workers

275

00:12:41,550 --> 00:12:40,330

and you know I hear all the time kids in

276

00:12:42,990 --> 00:12:41,560

school so when am I ever going to use

277

00:12:43,950 --> 00:12:43,000

this it's like well you're using it

278

00:12:45,870 --> 00:12:43,960

right now because what you're learning

279

00:12:48,000 --> 00:12:45,880

is that you go somewhere you don't want

280

00:12:50,310 --> 00:12:48,010

to be 48 hours a day five days a week

281

00:12:52,019 --> 00:12:50,320

you respond to the bells you clock out

282

00:12:56,310 --> 00:12:52,029

for lunch and then you get to go home

283

00:12:58,829 --> 00:12:56,320

and from the age of five to twenty one

284

00:13:01,710 --> 00:12:58,839

you're learning that eight hours your

285

00:13:02,970 --> 00:13:01,720

day belongs to you know they you might

286

00:13:05,100 --> 00:13:02,980

say the greater good but it's really

287

00:13:07,170 --> 00:13:05,110

just private corporations well that is

288

00:13:09,030 --> 00:13:07,180

so true and people forget that public

289

00:13:14,100 --> 00:13:09,040

schools is the tenth plank of the

290

00:13:15,930 --> 00:13:14,110

Communist Manifesto so it's that's you

291

00:13:19,769 --> 00:13:15,940

you didn't know that now read the

292

00:13:21,840 --> 00:13:19,779

communist manifesto it's it'll open up

293

00:13:24,329 --> 00:13:21,850

your eyes if you're if especially if you

294

00:13:26,640 --> 00:13:24,339

can read it from the point of view that

295

00:13:30,720 --> 00:13:26,650

you're at right now the fifth blank is

296

00:13:32,070 --> 00:13:30,730

to have the central bank all right yeah

297

00:13:36,180 --> 00:13:32,080

and that's a huge problem in itself

298

00:13:38,750 --> 00:13:36,190

right the front probably the the whole

299

00:13:41,010 --> 00:13:38,760

origins of the great conspiracies that

300

00:13:42,600 --> 00:13:41,020

you know some people instituted a

301  
00:13:46,410 --> 00:13:42,610  
currency and convinced us that it was

302  
00:13:48,420 --> 00:13:46,420  
all worth working for yes right in that

303  
00:13:51,120 --> 00:13:48,430  
the the first four points are all about

304  
00:13:53,880 --> 00:13:51,130  
taxation and how you don't get to have

305  
00:13:56,280 --> 00:13:53,890  
private property that it all belongs to

306  
00:13:58,740 --> 00:13:56,290  
state but then you got to ask yourself

307  
00:14:01,380 --> 00:13:58,750  
well well who's the state I mean and

308  
00:14:02,790 --> 00:14:01,390  
these will be the top guys you mean they

309  
00:14:05,579 --> 00:14:02,800  
get all the property that sounds like a

310  
00:14:09,290 --> 00:14:05,589  
king to me alright so it's really just

311  
00:14:11,670 --> 00:14:09,300  
the communism is really just feudalism

312  
00:14:15,000 --> 00:14:11,680  
yeah you know they're all built on each

313  
00:14:16,740 --> 00:14:15,010

other I mean I'm kind of feel like we've

314

00:14:18,140 --> 00:14:16,750

never really experienced a lot of these

315

00:14:20,670 --> 00:14:18,150

government structures because the

316

00:14:24,900 --> 00:14:20,680

monetary system is still at its base

317

00:14:28,440 --> 00:14:24,910

always and that in itself kind of throws

318

00:14:30,630 --> 00:14:28,450

a wrench in any type of system because I

319

00:14:32,310 --> 00:14:30,640

mean that's the greatest bit of

320

00:14:33,330 --> 00:14:32,320

programming i think is again that you

321

00:14:35,160 --> 00:14:33,340

have to work for the money

322

00:14:37,680 --> 00:14:35,170

you know communism is supposed to be

323

00:14:40,410 --> 00:14:37,690

everyone shares but the principle of

324

00:14:42,300 --> 00:14:40,420

scarcity is always still put right in

325

00:14:46,230 --> 00:14:42,310

the middle of it you know assumed

326

00:14:49,940 --> 00:14:46,240

scarcity and then you know Americans did

327

00:14:52,140 --> 00:14:49,950

have a different system at the beginning

328

00:14:53,700 --> 00:14:52,150

I shouldn't say at the beginning because

329

00:14:56,220 --> 00:14:53,710

they did have the first national bank

330

00:14:57,990 --> 00:14:56,230

but once Jackson got in there and

331

00:15:01,490 --> 00:14:58,000

crushed actually crushed the second

332

00:15:04,620 --> 00:15:01,500

National Bank Americans had their own

333

00:15:08,280 --> 00:15:04,630

money at silver or I'm sorry of the

334

00:15:10,350 --> 00:15:08,290

dollar for instance is defined as about

335

00:15:16,830 --> 00:15:10,360

an ounce of silver there's an exact

336

00:15:21,090 --> 00:15:16,840

measurement point night so that was it

337

00:15:24,050 --> 00:15:21,100

is actually still is long so the dollars

338

00:15:30,120 --> 00:15:24,060

that we use from the frns are actually

339

00:15:32,010 --> 00:15:30,130

truly lawfully not real dollars the real

340

00:15:35,580 --> 00:15:32,020

dollar is supposed to be a measure of

341

00:15:37,680 --> 00:15:35,590

silver and when you tell people this

342

00:15:40,470 --> 00:15:37,690

their eyes just kind of glaze over and

343

00:15:44,130 --> 00:15:40,480

they really don't they don't get it they

344

00:15:48,060 --> 00:15:44,140

don't have that that understanding that

345

00:15:50,280 --> 00:15:48,070

the money that we use is what keeps us

346

00:15:54,540 --> 00:15:50,290

free when you're using a debt-based

347

00:15:57,540 --> 00:15:54,550

money you go into debt when you're

348

00:16:01,370 --> 00:15:57,550

indebted you're no longer free because

349

00:16:04,350 --> 00:16:01,380

you owe somebody a portion of your

350

00:16:09,900 --> 00:16:04,360

basically of your labor or of something

351  
00:16:12,870 --> 00:16:09,910  
that you produce means so you are not

352  
00:16:16,140 --> 00:16:12,880  
free because you're under the the heel

353  
00:16:18,600 --> 00:16:16,150  
of the person that you owe so in the

354  
00:16:22,200 --> 00:16:18,610  
long run we're all under the heel of the

355  
00:16:24,420 --> 00:16:22,210  
Federal Reserve exactly and well you

356  
00:16:25,980 --> 00:16:24,430  
know one of the pieces you you wrote

357  
00:16:28,350 --> 00:16:25,990  
that actually got a lot of attention

358  
00:16:31,620 --> 00:16:28,360  
that I really liked was actually about

359  
00:16:33,630 --> 00:16:31,630  
the flu vaccine and I mean this is an

360  
00:16:35,310 --> 00:16:33,640  
area of great concern to me because I

361  
00:16:37,230 --> 00:16:35,320  
have friends that are in med school and

362  
00:16:39,360 --> 00:16:37,240  
they say I'm crazy for being skeptical

363  
00:16:41,640 --> 00:16:39,370

and I'm ignorant to the science behind

364

00:16:43,260 --> 00:16:41,650

it you know and that part's true but

365

00:16:45,030 --> 00:16:43,270

they're ignorant to the planned and

366

00:16:47,430 --> 00:16:45,040

calculated attacks on humanity by

367

00:16:50,189 --> 00:16:47,440

hidden hand behind global politics but I

368

00:16:52,439 --> 00:16:50,199

get very skeptical of anything that has

369

00:16:54,569 --> 00:16:52,449

such an aggressive chorus line of

370

00:16:57,030 --> 00:16:54,579

support through society and in some

371

00:16:59,340 --> 00:16:57,040

cases becomes even mandatory right the

372

00:17:01,259 --> 00:16:59,350

question is is this part of the plan to

373

00:17:03,030 --> 00:17:01,269

keep us down or am I just looking at

374

00:17:06,390 --> 00:17:03,040

something that isn't there what do you

375

00:17:10,230 --> 00:17:06,400

think well okay I wrote that piece

376

00:17:11,819 --> 00:17:10,240

because of the mandatory nature of the

377

00:17:13,679 --> 00:17:11,829

what they were doing with the flu

378

00:17:16,110 --> 00:17:13,689

vaccine was they were making it

379

00:17:18,720 --> 00:17:16,120

mandatory or they were trying they were

380

00:17:21,569 --> 00:17:18,730

they were doing their best to make it

381

00:17:25,650 --> 00:17:21,579

mandatory and I don't trust the

382

00:17:28,409 --> 00:17:25,660

government and I don't want the flu

383

00:17:30,780 --> 00:17:28,419

vaccine for me the flu vaccine got me

384

00:17:33,450 --> 00:17:30,790

sick right so you know it's an

385

00:17:35,669 --> 00:17:33,460

individual thing and and you can tell me

386

00:17:38,940 --> 00:17:35,679

no that wasn't the case all you want I'm

387

00:17:41,700 --> 00:17:38,950

saying look I've taken it I got sick I

388

00:17:43,470 --> 00:17:41,710

know what happened you don't you weren't

389

00:17:45,810 --> 00:17:43,480

sitting there in bed with me while I was

390

00:17:48,000 --> 00:17:45,820

shaking and shivering and couldn't get

391

00:17:50,580 --> 00:17:48,010

up that had this headache and muscle

392

00:17:53,340 --> 00:17:50,590

aches everywhere and it was terrible it

393

00:17:55,500 --> 00:17:53,350

was awful and I don't want to go through

394

00:18:00,780 --> 00:17:55,510

that again so I don't want to take these

395

00:18:04,560 --> 00:18:00,790

shots I don't trust them so you know if

396

00:18:08,159 --> 00:18:04,570

I want to take my chances getting the

397

00:18:11,580 --> 00:18:08,169

flu through natural means why should you

398

00:18:14,190 --> 00:18:11,590

be so concerned about me you go ahead

399

00:18:16,320 --> 00:18:14,200

and have your shot I don't care you want

400

00:18:18,780 --> 00:18:16,330

a shot take it have all the shot you

401  
00:18:20,610 --> 00:18:18,790  
want in fact there's a guy I talked to

402  
00:18:22,620 --> 00:18:20,620  
every once in a while at the bar and I

403  
00:18:24,990 --> 00:18:22,630  
saw him going into walgreens for his flu

404  
00:18:27,090 --> 00:18:25,000  
shot and I asked him about it he says

405  
00:18:31,140 --> 00:18:27,100  
hey I've never got sick so there you

406  
00:18:35,399 --> 00:18:31,150  
know he's had good good results now when

407  
00:18:39,770 --> 00:18:35,409  
I start looking into the this the

408  
00:18:45,270 --> 00:18:39,780  
adjuvant of the mercury the squalene the

409  
00:18:47,760 --> 00:18:45,280  
occurrences of autism after after the

410  
00:18:50,549 --> 00:18:47,770  
shots and stuff like that I say you know

411  
00:18:53,460 --> 00:18:50,559  
this needs to be studied more and at

412  
00:18:56,370 --> 00:18:53,470  
least needs to be studied more and no it

413  
00:18:57,400 --> 00:18:56,380

should never be mandatory people should

414

00:18:59,950 --> 00:18:57,410

should

415

00:19:03,130 --> 00:18:59,960

you forced put things into their body

416

00:19:05,500 --> 00:19:03,140

that they don't like right and I mean I

417

00:19:07,390 --> 00:19:05,510

think about this a lot because i'm not

418

00:19:09,040 --> 00:19:07,400

sure if when I have kids if I want to

419

00:19:11,050 --> 00:19:09,050

get them vaccinated it's a scary thing

420

00:19:13,150 --> 00:19:11,060

because I l'd hate myself if they got

421

00:19:15,280 --> 00:19:13,160

sick and died because of it and then

422

00:19:17,170 --> 00:19:15,290

people like my med school friends say

423

00:19:19,210 --> 00:19:17,180

I'm actually put in society at risk by

424

00:19:22,330 --> 00:19:19,220

not vaccinating bring out a table sugar

425

00:19:24,100 --> 00:19:22,340

yeah it seems that way but I'd feel even

426

00:19:26,650 --> 00:19:24,110

shittier if my kid developed autism

427

00:19:30,130 --> 00:19:26,660

because I let some [h\_\_h] inject my

428

00:19:32,890 --> 00:19:30,140

newborn with you no traces of a virus is

429

00:19:34,060 --> 00:19:32,900

essentially what vaccines are right on

430

00:19:35,560 --> 00:19:34,070

but it's tough you know did you

431

00:19:39,430 --> 00:19:35,570

vaccinate your kids I know you have a

432

00:19:42,100 --> 00:19:39,440

couple um I I didn't have much of a

433

00:19:44,410 --> 00:19:42,110

choice because it's just not just me you

434

00:19:47,860 --> 00:19:44,420

know i was living to my wife to he and

435

00:19:50,350 --> 00:19:47,870

keep peace in the family the one thing

436

00:19:54,010 --> 00:19:50,360

that i did do that I actually regret

437

00:19:58,330 --> 00:19:54,020

doing is I had my son circumcised and I

438

00:20:00,790 --> 00:19:58,340

wish I hadn't done that in my girlfriend

439

00:20:03,220 --> 00:20:00,800

debate that very issue all the time no

440

00:20:06,730 --> 00:20:03,230

well see that's the thing as my wife at

441

00:20:09,130 --> 00:20:06,740

the time would have agreed to not have

442

00:20:11,680 --> 00:20:09,140

him circumcised she thought that that

443

00:20:14,830 --> 00:20:11,690

was a bad thing to do and so I wish I

444

00:20:16,300 --> 00:20:14,840

had listened to her yeah it's like do we

445

00:20:18,970 --> 00:20:16,310

really think chopping the dicks off

446

00:20:20,860 --> 00:20:18,980

infants and injecting them with needles

447

00:20:23,590 --> 00:20:20,870

is the best way to bring them into this

448

00:20:26,410 --> 00:20:23,600

world it's the first thing we do exactly

449

00:20:29,080 --> 00:20:26,420

a you know that's violent and so we're

450

00:20:33,010 --> 00:20:29,090

teaching the violence even before they

451  
00:20:35,080 --> 00:20:33,020  
could grab hold of anything hmm you know

452  
00:20:38,800 --> 00:20:35,090  
it's it's it's a terrible thing to do

453  
00:20:42,370 --> 00:20:38,810  
and um yeah I wish I hadn't done that

454  
00:20:45,570 --> 00:20:42,380  
but I did and he's forgiven me for it so

455  
00:20:51,040 --> 00:20:45,580  
why would you opt out of circumcision

456  
00:20:54,430 --> 00:20:51,050  
because it's not necessary it's um yeah

457  
00:20:58,060 --> 00:20:54,440  
you know I actually understand the the

458  
00:21:01,990 --> 00:20:58,070  
reasons I have a friend whose son isn't

459  
00:21:03,700 --> 00:21:02,000  
circumcised and he actually had to to

460  
00:21:06,250 --> 00:21:03,710  
show his son how to take care of the

461  
00:21:08,140 --> 00:21:06,260  
foreskin so that it doesn't become a dry

462  
00:21:10,990 --> 00:21:08,150  
and brittle and and kind of break and

463  
00:21:11,170 --> 00:21:11,000

stuff and I you know I can understand

464

00:21:12,610 --> 00:21:11,180

what

465

00:21:14,290 --> 00:21:12,620

that can be embarrassing and everything

466

00:21:16,570 --> 00:21:14,300

like that so circumstance you know

467

00:21:18,610 --> 00:21:16,580

circumcision kind of makes it so that

468

00:21:20,680 --> 00:21:18,620

you don't have to go through through

469

00:21:23,860 --> 00:21:20,690

that but on the other hand you're kind

470

00:21:26,800 --> 00:21:23,870

of bonding a little bit I suppose you're

471

00:21:29,530 --> 00:21:26,810

a strange thing to talk about but well I

472

00:21:32,260 --> 00:21:29,540

just think that I mean her argument is

473

00:21:34,330 --> 00:21:32,270

and she's she's wise to to a lot of

474

00:21:36,720 --> 00:21:34,340

things but her argument is really just

475

00:21:39,010 --> 00:21:36,730

cosmetic she just thinks that

476

00:21:40,810 --> 00:21:39,020

cosmetically if you don't have it done

477

00:21:43,090 --> 00:21:40,820

you're going to be in a you're going to

478

00:21:45,490 --> 00:21:43,100

be the odd man out the weird one in a

479

00:21:48,460 --> 00:21:45,500

society where your sexuality is already

480

00:21:49,660 --> 00:21:48,470

such a taboo subject now you're the one

481

00:21:53,890 --> 00:21:49,670

with the weird dick when in reality

482

00:21:56,080 --> 00:21:53,900

yours is the only natural dip around but

483

00:21:58,270 --> 00:21:56,090

you know she just thinks it's cosmetic I

484

00:21:59,950 --> 00:21:58,280

say well what if I thought that vaginas

485

00:22:01,720 --> 00:21:59,960

looked better without clitoris is should

486

00:22:03,820 --> 00:22:01,730

I just be chopping all those off you

487

00:22:06,100 --> 00:22:03,830

know for everybody up and you know what

488

00:22:07,750 --> 00:22:06,110

that's how about Muslims look at it so

489

00:22:10,630 --> 00:22:07,760

if you're gonna look at cosmetic things

490

00:22:12,850 --> 00:22:10,640

you know that's just not right right if

491

00:22:15,130 --> 00:22:12,860

she's worried about about the look she

492

00:22:17,830 --> 00:22:15,140

can--look on board to a little bit i'm

493

00:22:20,290 --> 00:22:17,840

sure she can find men without circle

494

00:22:23,950 --> 00:22:20,300

stitches and you mean she's got one but

495

00:22:27,610 --> 00:22:23,960

you no worries about a kid there you go

496

00:22:30,190 --> 00:22:27,620

no no don't let her do it it's barbaric

497

00:22:32,440 --> 00:22:30,200

it's a barbaric practice and it should

498

00:22:34,930 --> 00:22:32,450

be stopped and it's you know it's time

499

00:22:38,290 --> 00:22:34,940

to stop it and really I don't I mean

500

00:22:42,010 --> 00:22:38,300

like you said she's got a man so I mean

501  
00:22:43,210 --> 00:22:42,020  
is she she happy with you yeah she is

502  
00:22:45,790 --> 00:22:43,220  
she saying that you should get a

503  
00:22:47,350 --> 00:22:45,800  
circumcision because you look funny no

504  
00:22:49,180 --> 00:22:47,360  
no no I mean she's got one that's

505  
00:22:51,790 --> 00:22:49,190  
circumsized and that's the hearth anus

506  
00:22:54,460 --> 00:22:51,800  
she just cosmetically she thinks that if

507  
00:22:55,960 --> 00:22:54,470  
your kid is in high school girls are

508  
00:22:57,700 --> 00:22:55,970  
gonna go around being like you know he's

509  
00:23:00,250 --> 00:22:57,710  
got that kick that kids got the weird

510  
00:23:02,080 --> 00:23:00,260  
dick and then may I didn't think that

511  
00:23:03,370 --> 00:23:02,090  
that would make him more popular with

512  
00:23:05,680 --> 00:23:03,380  
the girls because they're all gonna want

513  
00:23:08,830 --> 00:23:05,690

to see it yeah they're gonna be curious

514

00:23:11,140 --> 00:23:08,840

it is it is a weird thing to barbaric

515

00:23:14,200 --> 00:23:11,150

thing I mean I know I think in my family

516

00:23:15,820 --> 00:23:14,210

is probably done at the time for just as

517

00:23:18,880 --> 00:23:15,830

a religious ritual which is also

518

00:23:21,040 --> 00:23:18,890

ridiculous but I don't know I don't know

519

00:23:21,480 --> 00:23:21,050

if I'm going to cave in on that or not

520

00:23:25,230 --> 00:23:21,490

but

521

00:23:27,780 --> 00:23:25,240

are you Jewish no no Catholic Catholic

522

00:23:29,250 --> 00:23:27,790

okay I mean I'm not anything and I don't

523

00:23:30,600 --> 00:23:29,260

think neither of my parents are anymore

524

00:23:32,520 --> 00:23:30,610

either but I mean I guess we were all

525

00:23:38,160 --> 00:23:32,530

just playing along for her than my

526

00:23:40,020 --> 00:23:38,170

childhood um I had a sister who became

527

00:23:44,100 --> 00:23:40,030

jewish so that she could marry her

528

00:23:46,620 --> 00:23:44,110

husband who was Jewish and she I went to

529

00:23:48,900 --> 00:23:46,630

the circumcisions of her children where

530

00:23:52,410 --> 00:23:48,910

they they do it for everybody to see

531

00:23:54,390 --> 00:23:52,420

it's kind of a strange thing but well

532

00:23:56,820 --> 00:23:54,400

you bring out that's what it is and it

533

00:23:59,220 --> 00:23:56,830

is also a Jewish practice as well but in

534

00:24:03,000 --> 00:23:59,230

in the Jewish religion I've seen some

535

00:24:06,510 --> 00:24:03,010

weird stuff that the the I guess it's a

536

00:24:11,370 --> 00:24:06,520

moyel who does the procedure yeah there

537

00:24:14,669 --> 00:24:11,380

is a ritual where the moyel does removes

538

00:24:16,860 --> 00:24:14,679

the foreskin with his mouth ooh and it's

539

00:24:19,140 --> 00:24:16,870

rated on that one I mean I won't say

540

00:24:21,390 --> 00:24:19,150

it's common today but you can still see

541

00:24:24,480 --> 00:24:21,400

pictures of real traditionalists where

542

00:24:25,799 --> 00:24:24,490

the moyel is is I keep saying that like

543

00:24:28,140 --> 00:24:25,809

I'm pretty I'm pretty sure that's what

544

00:24:30,870 --> 00:24:28,150

it is oh yeah cool it's up to go home

545

00:24:33,990 --> 00:24:30,880

but he takes it off with his mouth and

546

00:24:36,299 --> 00:24:34,000

you can find pictures of it online and I

547

00:24:39,060 --> 00:24:36,309

don't think I want to see that right I

548

00:24:40,500 --> 00:24:39,070

mean I totally said they could I don't

549

00:24:42,540 --> 00:24:40,510

think they could do that in the United

550

00:24:44,970 --> 00:24:42,550

States said get arrested I'm not sure if

551

00:24:47,850 --> 00:24:44,980

they do or not they do it here I mean

552

00:24:49,560 --> 00:24:47,860

I've never I'm not sure but the point is

553

00:24:51,270 --> 00:24:49,570

if he wasn't a religious leader and this

554

00:24:53,700 --> 00:24:51,280

wasn't a religious ritual you know I'd

555

00:24:55,980 --> 00:24:53,710

be in jail for having that picture on my

556

00:24:58,530 --> 00:24:55,990

computer right right but instead it's

557

00:25:01,640 --> 00:24:58,540

done in a public forum well i don't

558

00:25:03,930 --> 00:25:01,650

think i have that by computer anyway oh

559

00:25:07,140 --> 00:25:03,940

man you don't want to see my computer

560

00:25:09,090 --> 00:25:07,150

but another conspiracy that's in the

561

00:25:11,790 --> 00:25:09,100

public health sector that you've written

562

00:25:14,280 --> 00:25:11,800

about is fluoride in the water supply

563

00:25:16,590 --> 00:25:14,290

and that's the thing i always say about

564

00:25:18,720 --> 00:25:16,600

the situation is where else in society

565

00:25:20,850 --> 00:25:18,730

do you see government putting an extra

566

00:25:22,980 --> 00:25:20,860

effort on that sort of scale to make

567

00:25:24,960 --> 00:25:22,990

everyone healthy and I mean why why

568

00:25:27,860 --> 00:25:24,970

teeth why not just pump in natural

569

00:25:31,110 --> 00:25:27,870

vitamins well the thing that got me um

570

00:25:33,420 --> 00:25:31,120

that really opened my eyes

571

00:25:35,460 --> 00:25:33,430

fluoride in the water is the fact that

572

00:25:37,710 --> 00:25:35,470

the Germans used it in their

573

00:25:42,090 --> 00:25:37,720

concentration camps we're going to keep

574

00:25:44,700 --> 00:25:42,100

the prisoners uh you know cos I'll yeah

575

00:25:47,130 --> 00:25:44,710

it does how so so you're going wait a

576  
00:25:49,890 --> 00:25:47,140  
minute you know and then you're telling

577  
00:25:52,260 --> 00:25:49,900  
me it's because it's good for teeth and

578  
00:25:53,820 --> 00:25:52,270  
you know they talk about the bags that

579  
00:25:55,980 --> 00:25:53,830  
they have that they put into the water

580  
00:26:00,240 --> 00:25:55,990  
supply where it says you know all its

581  
00:26:02,130 --> 00:26:00,250  
poison and it ate us in rat poison come

582  
00:26:05,549 --> 00:26:02,140  
on right what kind of Lies are you

583  
00:26:08,700 --> 00:26:05,559  
feeding me and so it's just lie over

584  
00:26:10,560 --> 00:26:08,710  
upon lie upon lie and if you if you it's

585  
00:26:13,140 --> 00:26:10,570  
always follow the money if you trace the

586  
00:26:15,330 --> 00:26:13,150  
bag it's always some way to make money

587  
00:26:21,630 --> 00:26:15,340  
the fluoride was in the water because

588  
00:26:24,000 --> 00:26:21,640

the the certain businesses didn't want

589

00:26:26,730 --> 00:26:24,010

to have to dispose of it yeah it's a

590

00:26:30,090 --> 00:26:26,740

byproduct of certain processes right

591

00:26:32,760 --> 00:26:30,100

right i think atomic processes so this

592

00:26:34,950 --> 00:26:32,770

is coming in after world war two when

593

00:26:39,390 --> 00:26:34,960

you're making in the nuclear power

594

00:26:41,940 --> 00:26:39,400

industry is just in fledgling years and

595

00:26:47,460 --> 00:26:41,950

you've got all these processes to make a

596

00:26:49,860 --> 00:26:47,470

nuclear bomb in you know it wasn't that

597

00:26:52,350 --> 00:26:49,870

70 years ago wasn't really that long ago

598

00:26:55,020 --> 00:26:52,360

people might think oh yeah that was

599

00:26:57,710 --> 00:26:55,030

forever back but it wasn't and in the

600

00:27:00,740 --> 00:26:57,720

town that I I lived in in West Chicago

601  
00:27:04,290 --> 00:27:00,750  
for years I lived there for 20 years

602  
00:27:09,290 --> 00:27:04,300  
there is a stuff called thorium it was

603  
00:27:12,360 --> 00:27:09,300  
the byproduct of kerr-mcgee corporation

604  
00:27:15,650 --> 00:27:12,370  
which was a huge corporation still is

605  
00:27:18,540 --> 00:27:15,660  
and they were working with the

606  
00:27:20,510 --> 00:27:18,550  
Department of Defense to help create the

607  
00:27:24,290 --> 00:27:20,520  
atom bomb they were part of the

608  
00:27:26,940 --> 00:27:24,300  
Manhattan Project which by the way was

609  
00:27:28,410 --> 00:27:26,950  
when when people talk about conspiracies

610  
00:27:30,870 --> 00:27:28,420  
oh if there was that many people

611  
00:27:33,299 --> 00:27:30,880  
involved we know the Manhattan problem

612  
00:27:36,299 --> 00:27:33,309  
had project had like a hundred thousand

613  
00:27:38,730 --> 00:27:36,309

people involved and nobody knew about it

614

00:27:41,340 --> 00:27:38,740

until those bombs went off in japan

615

00:27:44,340 --> 00:27:41,350

right great you know the general public

616

00:27:48,659 --> 00:27:44,350

was kept unaware of what was going on

617

00:27:50,940 --> 00:27:48,669

right under their feet and you know so

618

00:27:55,710 --> 00:27:50,950

the people in Chicago in the Chicago

619

00:27:57,659 --> 00:27:55,720

area had they knew they were part of

620

00:28:00,810 --> 00:27:57,669

something big they didn't know exactly

621

00:28:03,480 --> 00:28:00,820

what it was you know some of them did

622

00:28:06,510 --> 00:28:03,490

but most of them were just I am going to

623

00:28:09,210 --> 00:28:06,520

work for the Department of Defense were

624

00:28:11,220 --> 00:28:09,220

battling the Japanese were battling

625

00:28:13,529 --> 00:28:11,230

their Germans and we're trying to win

626

00:28:18,000 --> 00:28:13,539

this war and we're just doing what we're

627

00:28:19,830 --> 00:28:18,010

told so kerr-mcgee had a process where

628

00:28:23,250 --> 00:28:19,840

it was enriching the uranium I believe

629

00:28:27,450 --> 00:28:23,260

and it the byproduct was this dust

630

00:28:30,539 --> 00:28:27,460

called thorium which is a an element

631

00:28:33,120 --> 00:28:30,549

it's a heavy element so they would come

632

00:28:35,610 --> 00:28:33,130

out as as like dust is like dirt so

633

00:28:38,430 --> 00:28:35,620

rather than taking the thorium and

634

00:28:41,100 --> 00:28:38,440

putting it in barrels and burying it

635

00:28:43,049 --> 00:28:41,110

under ground for you know a thousand

636

00:28:46,049 --> 00:28:43,059

million years or whatever it had to be

637

00:28:48,690 --> 00:28:46,059

until it was dangerous they found out

638

00:28:51,270 --> 00:28:48,700

that plants grow real goodness stuff and

639

00:28:53,510 --> 00:28:51,280

so they were giving it away to the

640

00:29:04,080 --> 00:28:53,520

people of West Chicago to put in their

641

00:29:07,680 --> 00:29:04,090

gardens and why Chicago had a they had a

642

00:29:10,950 --> 00:29:07,690

really high rate of brain cancer and

643

00:29:13,770 --> 00:29:10,960

somebody I actually went out and bought

644

00:29:15,630 --> 00:29:13,780

stock and kerr-mcgee so that they could

645

00:29:19,380 --> 00:29:15,640

get cuz kerr-mcgee said it didn't have

646

00:29:21,149 --> 00:29:19,390

the money to clean up historian that

647

00:29:24,210 --> 00:29:21,159

they had given away that they now know

648

00:29:26,070 --> 00:29:24,220

was radioactive and dangerous so

649

00:29:28,169 --> 00:29:26,080

somebody in West Chicago had the bright

650

00:29:29,880 --> 00:29:28,179

idea of buying stock in the company so

651  
00:29:32,250 --> 00:29:29,890  
that they could get their earnings

652  
00:29:35,940 --> 00:29:32,260  
reports and they would go and they say

653  
00:29:38,250 --> 00:29:35,950  
look here's the money Wow clean it up

654  
00:29:41,159 --> 00:29:38,260  
now so they brought this to suit sure

655  
00:29:46,440 --> 00:29:41,169  
enough they kerr-mcgee came in and for

656  
00:29:48,539 --> 00:29:46,450  
about five or five maybe even 10 years

657  
00:29:50,460 --> 00:29:48,549  
while I was living there many front

658  
00:29:54,060 --> 00:29:50,470  
yards would have been weird ugh down

659  
00:29:56,120 --> 00:29:54,070  
like 20-30 feet and they were taking all

660  
00:29:57,980 --> 00:29:56,130  
this dirt out of there

661  
00:30:01,400 --> 00:29:57,990  
putting it on trains and taking it to

662  
00:30:03,860 --> 00:30:01,410  
Utah where they were storing it to get

663  
00:30:06,050 --> 00:30:03,870

rid of the thorium so there are things

664

00:30:08,120 --> 00:30:06,060

that you can do to to make these changes

665

00:30:09,800 --> 00:30:08,130

you don't have to live the you know

666

00:30:13,850 --> 00:30:09,810

stuff that's going to give you a brain

667

00:30:15,800 --> 00:30:13,860

cancer right um you know Alex Jones he

668

00:30:19,400 --> 00:30:15,810

talks a lot about the flora in the water

669

00:30:22,100 --> 00:30:19,410

but he always filters out the spiritual

670

00:30:23,960 --> 00:30:22,110

angle and it's a big thing the

671

00:30:26,110 --> 00:30:23,970

conspiracy community is talking about

672

00:30:29,210 --> 00:30:26,120

the pineal gland and the idea that

673

00:30:30,590 --> 00:30:29,220

fluoride is the real purpose of it the

674

00:30:32,690 --> 00:30:30,600

real reason it's in our waters to

675

00:30:35,150 --> 00:30:32,700

calcify the pineal and you wrote a

676

00:30:37,160 --> 00:30:35,160

little bit about that in one of your

677

00:30:40,070 --> 00:30:37,170

articles fluoride as a chemical weapon

678

00:30:41,780 --> 00:30:40,080

and spirit for spiritual warfare but you

679

00:30:44,420 --> 00:30:41,790

know you kind of when you wrote that you

680

00:30:46,250 --> 00:30:44,430

kind of presented it as science fiction

681

00:30:47,630 --> 00:30:46,260

but you were a little vez Aegis at the

682

00:30:49,610 --> 00:30:47,640

end saying this could never happen the

683

00:30:50,990 --> 00:30:49,620

real world right but do you think there

684

00:30:52,280 --> 00:30:51,000

is truth to that story is it just

685

00:30:57,650 --> 00:30:52,290

something you heard that you think

686

00:31:01,610 --> 00:30:57,660

sounds good you be home yeah okay I been

687

00:31:08,020 --> 00:31:01,620

a spiritual person all my life I've I I

688

00:31:11,600 --> 00:31:08,030

meditate I tried my best to maintain

689

00:31:14,150 --> 00:31:11,610

contacts in my own in my own way with

690

00:31:19,070 --> 00:31:14,160

with God and with the spirits and with

691

00:31:22,150 --> 00:31:19,080

spiritual stuff and I never really

692

00:31:25,630 --> 00:31:22,160

understood the physiology of

693

00:31:28,910 --> 00:31:25,640

spirituality that there is a spiritual

694

00:31:33,770 --> 00:31:28,920

physiology that there is reasons why we

695

00:31:36,770 --> 00:31:33,780

should eat in a certain way and so I I

696

00:31:38,870 --> 00:31:36,780

think that yeah after more and more

697

00:31:42,620 --> 00:31:38,880

studying and I know you call yourself

698

00:31:45,890 --> 00:31:42,630

the higher side chat so there's that I

699

00:31:50,240 --> 00:31:45,900

believe it's called DMT churches which

700

00:31:54,290 --> 00:31:50,250

is a hallucinogen and I had the human

701  
00:31:56,300 --> 00:31:54,300  
brain produces it and it produces it my

702  
00:32:05,110 --> 00:31:56,310  
understanding is through the pineal

703  
00:32:07,049 --> 00:32:05,120  
gland and so if I'm if I'm able to

704  
00:32:10,799 --> 00:32:07,059  
induce

705  
00:32:14,299 --> 00:32:10,809  
a state of deep meditation where I can

706  
00:32:18,659 --> 00:32:14,309  
go and discover a whole nother reality

707  
00:32:21,720 --> 00:32:18,669  
and if we're all able to do that if we

708  
00:32:25,019 --> 00:32:21,730  
that we have a planet full of you know a

709  
00:32:28,259 --> 00:32:25,029  
billion of us or two million of us then

710  
00:32:30,840 --> 00:32:28,269  
all of a sudden a lot of people that are

711  
00:32:35,789 --> 00:32:30,850  
making a lot of money selling material

712  
00:32:41,509 --> 00:32:35,799  
things and you know a lot of just

713  
00:32:47,480 --> 00:32:45,629

truths then that we might you know we

714

00:32:50,039 --> 00:32:47,490

would otherwise have philosophic

715

00:32:52,200 --> 00:32:50,049

philosophical arguments over discovering

716

00:32:55,499 --> 00:32:52,210

all these truth a lot of people in power

717

00:32:59,190 --> 00:32:55,509

would no longer be in power and great no

718

00:33:02,519 --> 00:32:59,200

longer be able to maintain their control

719

00:33:07,619 --> 00:33:02,529

over humanity and so it would behoove

720

00:33:11,639 --> 00:33:07,629

them to do something like that so yeah I

721

00:33:15,509 --> 00:33:11,649

don't think that that this is done by

722

00:33:17,999 --> 00:33:15,519

accident I you know I actually believe

723

00:33:22,369 --> 00:33:18,009

that there you know I listen to David

724

00:33:26,430 --> 00:33:25,109

you know when you go real deep into the

725

00:33:29,430 --> 00:33:26,440

rabbit hole when he talks about

726

00:33:32,970 --> 00:33:29,440

reptilians and things like that some of

727

00:33:35,039 --> 00:33:32,980

these things they make a lot of sense if

728

00:33:37,889 --> 00:33:35,049

you if you just you know you you start

729

00:33:40,950 --> 00:33:37,899

thinking about them I can't prove any of

730

00:33:43,739 --> 00:33:40,960

it well I didn't think of that even just

731

00:33:47,310 --> 00:33:43,749

in terms of DNA like even if there's

732

00:33:49,680 --> 00:33:47,320

just blood lines that no and teach their

733

00:33:51,659 --> 00:33:49,690

children hey we are different we are

734

00:33:53,999 --> 00:33:51,669

part of you know an alien race came here

735

00:33:56,789 --> 00:33:54,009

a long time ago and we've been working

736

00:33:58,560 --> 00:33:56,799

this this system for a while now and our

737

00:34:00,180 --> 00:33:58,570

systems of slavery have just gotten more

738

00:34:02,820 --> 00:34:00,190

advanced and now they involve this green

739

00:34:04,950 --> 00:34:02,830

paper but while everyone does that we do

740

00:34:06,840 --> 00:34:04,960

this over here right so you don't even

741

00:34:08,309 --> 00:34:06,850

have to take it to the aliens we don't

742

00:34:11,099 --> 00:34:08,319

want to write I mean well essentially

743

00:34:13,589 --> 00:34:11,109

it's the same thing it's just uh you

744

00:34:16,260 --> 00:34:13,599

know do it is it really important if

745

00:34:19,079 --> 00:34:16,270

they shape-shift into reptiles or not I

746

00:34:20,530 --> 00:34:19,089

mean I I would hope that they do because

747

00:34:22,830 --> 00:34:20,540

that'd be pretty cool to see

748

00:34:25,780 --> 00:34:22,840

at the same time I don't like to argue

749

00:34:29,070 --> 00:34:25,790

that point back and forth because there

750

00:34:31,540 --> 00:34:29,080

it's irrelevant really but it's all just

751

00:34:33,190 --> 00:34:31,550

it just makes it harder for the

752

00:34:35,530 --> 00:34:33,200

programming to really be broken because

753

00:34:37,960 --> 00:34:35,540

people latch on to that and they're just

754

00:34:40,240 --> 00:34:37,970

like oh this is all [h\_\_h] right and

755

00:34:41,830 --> 00:34:40,250

then um and and you're right when you

756

00:34:43,510 --> 00:34:41,840

talk about royalty and bloodlines

757

00:34:46,540 --> 00:34:43,520

everybody knows that they're there and

758

00:34:49,630 --> 00:34:46,550

it's very easy you only have to go back

759

00:34:53,409 --> 00:34:49,640

maybe two or three hundred years and you

760

00:34:56,140 --> 00:34:53,419

see that they believed that they had the

761

00:34:58,750 --> 00:34:56,150

right to rule over you that was what the

762

00:35:00,820 --> 00:34:58,760

American Revolution was all about so you

763

00:35:04,510 --> 00:35:00,830

don't have to go to the to the alien

764

00:35:09,340 --> 00:35:04,520

spot but you can say that in in a lot of

765

00:35:12,760 --> 00:35:09,350

ways they're thinking the people the the

766

00:35:15,010 --> 00:35:12,770

the royalty who are still very rich it's

767

00:35:18,910 --> 00:35:15,020

still very influential still powerful

768

00:35:20,950 --> 00:35:18,920

and their thinking is alien to the

769

00:35:24,340 --> 00:35:20,960

thinking of the common man who wants to

770

00:35:28,630 --> 00:35:24,350

be free and be able to own his own

771

00:35:31,510 --> 00:35:28,640

property true I mean I think if you ask

772

00:35:32,920 --> 00:35:31,520

anybody globally just an average citizen

773

00:35:34,570 --> 00:35:32,930

what they want they're like well I want

774

00:35:36,280 --> 00:35:34,580

enough for me and my friends and family

775

00:35:38,710 --> 00:35:36,290

to be comfortable I want everybody to be

776

00:35:39,940 --> 00:35:38,720

happy I want world peace I mean you're

777

00:35:42,970 --> 00:35:39,950

going to hear that time and time again

778

00:35:44,500 --> 00:35:42,980

yet there is no world peace but we are

779

00:35:47,920 --> 00:35:44,510

supposed to be elected representatives

780

00:35:49,630 --> 00:35:47,930

of what we want so yeah you know clearly

781

00:35:52,240 --> 00:35:49,640

that's all that's all you have to you

782

00:35:54,070 --> 00:35:52,250

only have to go that far to really draw

783

00:35:59,800 --> 00:35:54,080

out the idea that there's a conspiracy

784

00:36:03,760 --> 00:35:59,810

underway and i think that uh with with

785

00:36:06,370 --> 00:36:03,770

the vast majority of common folk do just

786

00:36:08,310 --> 00:36:06,380

want to be comfortable just want to you

787

00:36:12,250 --> 00:36:08,320

know live so they're not being greedy

788

00:36:14,830 --> 00:36:12,260

but it's this very small minority at the

789

00:36:17,380 --> 00:36:14,840

top that rules those are the greedy ones

790

00:36:19,500 --> 00:36:17,390

and they're not necessarily greedy for

791

00:36:24,010 --> 00:36:19,510

money and wanting to live comfortably

792

00:36:25,780 --> 00:36:24,020

they're greedy for power and 42 and I it

793

00:36:29,290 --> 00:36:25,790

seems to me that they want to be

794

00:36:31,450 --> 00:36:29,300

worshipped that they you know I mean you

795

00:36:32,980 --> 00:36:31,460

know I imagine they get off on having

796

00:36:36,010 --> 00:36:32,990

all these servants around

797

00:36:39,040 --> 00:36:36,020

than everybody you know bowing down to

798

00:36:40,930 --> 00:36:39,050

them like it's a control thing right and

799

00:36:44,980 --> 00:36:40,940

oh that's what they are is control

800

00:36:47,380 --> 00:36:44,990

freaks so yeah and you know they think

801  
00:36:49,300 --> 00:36:47,390  
that that's respect a lot of times it's

802  
00:36:51,820 --> 00:36:49,310  
just fear or is because you're painting

803  
00:36:54,490 --> 00:36:51,830  
me true you know has nothing to do with

804  
00:37:00,000 --> 00:36:54,500  
respect true respect is earned through

805  
00:37:04,960 --> 00:37:00,010  
love I think what true respect is a

806  
00:37:07,330 --> 00:37:04,970  
mutual respect and and I don't think

807  
00:37:10,870 --> 00:37:07,340  
that the people at the top have a

808  
00:37:13,870 --> 00:37:10,880  
respect for us no I that should be clear

809  
00:37:15,490 --> 00:37:13,880  
I mean and you can't trust someone who

810  
00:37:17,470 --> 00:37:15,500  
treats you like that I mean how how

811  
00:37:20,260 --> 00:37:17,480  
could I trees trust a government that

812  
00:37:23,320 --> 00:37:20,270  
has admitted using its own citizens as

813  
00:37:25,570 --> 00:37:23,330

guinea pigs for like tests on LSD and

814

00:37:28,720 --> 00:37:25,580

radiation like you mentioned was you

815

00:37:30,010 --> 00:37:28,730

know yeah you know I even have friends

816

00:37:31,900 --> 00:37:30,020

that come out of the military today

817

00:37:33,970 --> 00:37:31,910

saying that they were given shots with

818

00:37:35,560 --> 00:37:33,980

no explanation of what it is or why I

819

00:37:37,780 --> 00:37:35,570

mean that's not it's the same stuff

820

00:37:40,330 --> 00:37:37,790

still going on and these are our

821

00:37:42,130 --> 00:37:40,340

soldiers these are the people that we're

822

00:37:44,080 --> 00:37:42,140

supposed to have the utmost respect for

823

00:37:46,150 --> 00:37:44,090

these are the people that are supposedly

824

00:37:48,160 --> 00:37:46,160

going out there and protecting our

825

00:37:51,060 --> 00:37:48,170

freedoms and fighting for our way of

826

00:37:53,440 --> 00:37:51,070

life and yet they get no respect from

827

00:37:55,960 --> 00:37:53,450

the people at the top of the chain of

828

00:37:58,260 --> 00:37:55,970

the food chain right i mean they're

829

00:38:01,990 --> 00:37:58,270

they're used as guinea pigs but i also i

830

00:38:04,270 --> 00:38:02,000

just feel like the whole theme of

831

00:38:06,340 --> 00:38:04,280

support the troops is really just a

832

00:38:08,290 --> 00:38:06,350

propaganda to support the mission in

833

00:38:10,510 --> 00:38:08,300

mainstream society you know it's hard to

834

00:38:12,730 --> 00:38:10,520

really separate those two and i just

835

00:38:16,540 --> 00:38:12,740

think you know you should you should

836

00:38:18,099 --> 00:38:16,550

know i knew at 18 that signing up to go

837

00:38:19,750 --> 00:38:18,109

shoot some people i didn't know was a

838

00:38:21,640 --> 00:38:19,760

bad idea like I kind of feel like

839

00:38:24,130 --> 00:38:21,650

everyone should know if you didn't know

840

00:38:28,690 --> 00:38:24,140

and you put yourself in harm's way just

841

00:38:31,330 --> 00:38:28,700

to be a soldier for corrupt leaders I

842

00:38:34,599 --> 00:38:31,340

mean I don't think that's Noble no

843

00:38:36,400 --> 00:38:34,609

neither do i and you're in you're right

844

00:38:41,109 --> 00:38:36,410

I do believe that the the support the

845

00:38:42,730 --> 00:38:41,119

troop things is a propaganda I mean you

846

00:38:45,580 --> 00:38:42,740

might as well be a hit man in the Mafia

847

00:38:46,340 --> 00:38:45,590

why do we respect them right right but

848

00:38:51,740 --> 00:38:46,350

you

849

00:38:53,300 --> 00:38:51,750

supposedly these are the the people that

850

00:38:55,280 --> 00:38:53,310

are supposed to get the highest amount

851  
00:38:57,410 --> 00:38:55,290  
of respect right you know according

852  
00:39:00,710 --> 00:38:57,420  
especially according to the people that

853  
00:39:02,930 --> 00:39:00,720  
are spreading the propaganda very true

854  
00:39:06,410 --> 00:39:02,940  
by their own you know right by their own

855  
00:39:08,270 --> 00:39:06,420  
message there well it just it just goes

856  
00:39:11,900 --> 00:39:08,280  
to show in here and here you can look at

857  
00:39:15,590 --> 00:39:11,910  
the Ron Paul what happened to him in in

858  
00:39:17,210 --> 00:39:15,600  
terms of the Republican nomination where

859  
00:39:19,520 --> 00:39:17,220  
I mean the very first things that are

860  
00:39:25,490 --> 00:39:19,530  
then that happened to him during this

861  
00:39:26,960 --> 00:39:25,500  
year's they tried they they lied said he

862  
00:39:28,730 --> 00:39:26,970  
didn't win New Hampshire he didn't win

863  
00:39:32,180 --> 00:39:28,740

Iowa when he was winning those things

864

00:39:33,740 --> 00:39:32,190

and if they if Karl Rove believe it was

865

00:39:38,780 --> 00:39:33,750

Karl Rove hadn't gotten out there and

866

00:39:41,540 --> 00:39:38,790

lied about that then people who don't

867

00:39:43,940 --> 00:39:41,550

care don't follow politics and I are

868

00:39:45,890 --> 00:39:43,950

just there once every four years to vote

869

00:39:47,810 --> 00:39:45,900

for the president what it started saying

870

00:39:50,690 --> 00:39:47,820

hey you know let's look at what this guy

871

00:39:54,380 --> 00:39:50,700

has to say and you can't have that they

872

00:39:57,020 --> 00:39:54,390

can't have people being free they can't

873

00:39:59,770 --> 00:39:57,030

have people saying no I want to

874

00:40:02,600 --> 00:39:59,780

determine my own fate they can't have

875

00:40:06,170 --> 00:40:02,610

people going you know what taxes are

876

00:40:08,540 --> 00:40:06,180

theft you guys are just extorting me if

877

00:40:11,180 --> 00:40:08,550

that starts happening in large enough

878

00:40:13,460 --> 00:40:11,190

numbers they're finished the Federal

879

00:40:15,230 --> 00:40:13,470

Reserve's finished her all done right

880

00:40:18,380 --> 00:40:15,240

well I mean on the subject of Ron Paul

881

00:40:19,700 --> 00:40:18,390

let's talk about Alan wasser and the

882

00:40:21,620 --> 00:40:19,710

open letter that he wrote which he

883

00:40:24,500 --> 00:40:21,630

responded to which also got picked up by

884

00:40:28,970 --> 00:40:24,510

Alex Jones yeah that was a that was my

885

00:40:31,940 --> 00:40:28,980

first big really huge blog and a lot of

886

00:40:33,770 --> 00:40:31,950

people saw that and started

887

00:40:35,390 --> 00:40:33,780

complimenting me and how I was saying

888

00:40:37,880 --> 00:40:35,400

the things that they would have liked to

889

00:40:41,000 --> 00:40:37,890

have said so what happened there what an

890

00:40:44,930 --> 00:40:41,010

Alan wha slur right well he was really

891

00:40:50,870 --> 00:40:44,940

easy to pick apart he said he said that

892

00:40:52,820 --> 00:40:50,880

the polls were fixed and and I'm like

893

00:40:55,940 --> 00:40:52,830

look it's your pole right and for those

894

00:40:58,130 --> 00:40:55,950

who don't know he works for CNBC right

895

00:41:00,020 --> 00:40:58,140

and this is in regards to just one of

896

00:41:05,360 --> 00:41:00,030

their post debate polls

897

00:41:07,370 --> 00:41:05,370

right and so he said well the the Ron

898

00:41:09,640 --> 00:41:07,380

Paul people got together and this then

899

00:41:11,870 --> 00:41:09,650

decided to gain the pole and they all

900

00:41:14,780 --> 00:41:11,880

and I'm like on anybody could have done

901

00:41:17,630 --> 00:41:14,790

that the the if any of the other

902

00:41:21,410 --> 00:41:17,640

candidates had people out there that

903

00:41:25,010 --> 00:41:21,420

felt so strongly about them as the Ron

904

00:41:27,260 --> 00:41:25,020

Paul people felt about Ron Paul anybody

905

00:41:31,130 --> 00:41:27,270

could have done that mm-hmm and I

906

00:41:34,040 --> 00:41:31,140

pointed that out he said that it was

907

00:41:36,170 --> 00:41:34,050

like coming and coming into a room and

908

00:41:38,570 --> 00:41:36,180

you know being shouted down and i'm i

909

00:41:41,660 --> 00:41:38,580

going well yeah you're coming into the

910

00:41:43,430 --> 00:41:41,670

room that ron paul and that's populated

911

00:41:46,730 --> 00:41:43,440

by ron paul people of course you're

912

00:41:53,110 --> 00:41:46,740

going to debt to have it shouted down it

913

00:41:58,850 --> 00:41:53,120

was just if this guy was just so

914

00:42:00,860 --> 00:41:58,860

blatantly trying to I don't know to make

915

00:42:03,080 --> 00:42:00,870

Robbie all belittle them thought the

916

00:42:06,740 --> 00:42:03,090

following yet so really he's a very kind

917

00:42:09,440 --> 00:42:06,750

of sending and smug right right and you

918

00:42:12,290 --> 00:42:09,450

know I pointed all that out and I tried

919

00:42:17,450 --> 00:42:12,300

to be actually tried to be nice about it

920

00:42:19,880 --> 00:42:17,460

ah but sometimes when you try to be nice

921

00:42:26,360 --> 00:42:19,890

and you're sarcastic it just it you know

922

00:42:29,120 --> 00:42:26,370

I really lambasted him and I think that

923

00:42:32,030 --> 00:42:29,130

a lot of people saw that they thought I

924

00:42:33,500 --> 00:42:32,040

did a good job so yeah I liked it you

925

00:42:36,140 --> 00:42:33,510

know there's a lot of crossover between

926  
00:42:38,930 --> 00:42:36,150  
the conspiracy community and Ron Paul

927  
00:42:40,430 --> 00:42:38,940  
but I just I think Ron Paul has some

928  
00:42:42,980 --> 00:42:40,440  
stances that are really concerning

929  
00:42:45,500 --> 00:42:42,990  
mainly his removal of restrictions on

930  
00:42:48,230 --> 00:42:45,510  
corporations in Wall Street I mean it

931  
00:42:49,880 --> 00:42:48,240  
just seems like those of the people we

932  
00:42:51,110 --> 00:42:49,890  
need to restrict and yes he wants to get

933  
00:42:53,210 --> 00:42:51,120  
rid of the Federal Reserve and end the

934  
00:42:55,210 --> 00:42:53,220  
wars knows things are great but i still

935  
00:42:57,500 --> 00:42:55,220  
think within this political structure

936  
00:43:01,120 --> 00:42:57,510  
supporting ron paul is kind of just a

937  
00:43:04,550 --> 00:43:01,130  
way to pacify the movement well um

938  
00:43:07,160 --> 00:43:04,560

there's that yeah I you know there's

939

00:43:09,950 --> 00:43:07,170

things about Ron Paul that that I would

940

00:43:13,120 --> 00:43:09,960

argue with to but he has opened a lot of

941

00:43:15,579 --> 00:43:13,130

eyes and when it comes to corporations

942

00:43:17,740 --> 00:43:15,589

personally I don't think that

943

00:43:21,089 --> 00:43:17,750

corporations should be allowed to exist

944

00:43:24,910 --> 00:43:21,099

and corporations are nothing but

945

00:43:27,730 --> 00:43:24,920

protection from the government for a

946

00:43:30,519 --> 00:43:27,740

company right there's no one at hold

947

00:43:32,859 --> 00:43:30,529

accountable right and and no one is held

948

00:43:35,470 --> 00:43:32,869

accountable so it seems to me if you

949

00:43:38,470 --> 00:43:35,480

want to do business in this country in

950

00:43:41,380 --> 00:43:38,480

this country in the United States of

951  
00:43:43,690 --> 00:43:41,390  
America you're going to have to assume a

952  
00:43:46,480 --> 00:43:43,700  
certain amount of risk and that wrist

953  
00:43:51,720 --> 00:43:46,490  
should be things like oh I don't know if

954  
00:43:55,269 --> 00:43:51,730  
you're a drug company and your and your

955  
00:43:58,299 --> 00:43:55,279  
shot is found to cause guillain-barre

956  
00:44:02,349 --> 00:43:58,309  
syndrome and people die from it maybe

957  
00:44:07,089 --> 00:44:02,359  
you should go to jail or you know I if

958  
00:44:09,730 --> 00:44:07,099  
if there's that risk that that should

959  
00:44:13,150 --> 00:44:09,740  
happen then you should be required to

960  
00:44:15,900 --> 00:44:13,160  
tell anybody taking that shot hey

961  
00:44:18,490 --> 00:44:15,910  
there's a chance that you might get

962  
00:44:21,099 --> 00:44:18,500  
guillain-barre syndrome or that you

963  
00:44:23,650 --> 00:44:21,109

might die from taking the shot take that

964

00:44:25,990 --> 00:44:23,660

into consideration before you make your

965

00:44:27,490 --> 00:44:26,000

decision because I am going to make you

966

00:44:29,740 --> 00:44:27,500

sign a piece of paper that says you're

967

00:44:33,880 --> 00:44:29,750

not going to sue me if your child dies

968

00:44:37,359 --> 00:44:33,890

or if you die well there's also a lot of

969

00:44:39,579 --> 00:44:37,369

cases of corporations doing something

970

00:44:42,430 --> 00:44:39,589

they know is morally wrong because it's

971

00:44:44,920 --> 00:44:42,440

more profitable and then pain just

972

00:44:47,079 --> 00:44:44,930

paying the the fines which are also

973

00:44:49,630 --> 00:44:47,089

which are massive but they pale in

974

00:44:52,509 --> 00:44:49,640

comparison to the profits which was yeah

975

00:44:55,539 --> 00:44:52,519

which is what happened with the deeper

976

00:44:59,019 --> 00:44:55,549

isin right and also you know aspirin

977

00:45:01,240 --> 00:44:59,029

they got caught sending contaminated

978

00:45:03,309 --> 00:45:01,250

blood HIV contaminated blood to

979

00:45:05,349 --> 00:45:03,319

Australia and Europe knowing that

980

00:45:07,240 --> 00:45:05,359

because there's documents that show they

981

00:45:10,089 --> 00:45:07,250

pulled it from the US but they had to

982

00:45:12,309 --> 00:45:10,099

dump it somewhere and if an individual

983

00:45:14,769 --> 00:45:12,319

did that they would not be able to run a

984

00:45:17,970 --> 00:45:14,779

company anymore right because it's an

985

00:45:20,740 --> 00:45:17,980

LLC the liability is limited in the

986

00:45:23,530 --> 00:45:20,750

liability is usually just fiscal there's

987

00:45:25,300 --> 00:45:23,540

Thursday you know has nothing to do with

988

00:45:29,770 --> 00:45:25,310

whether I mean especially if you can

989

00:45:31,990 --> 00:45:29,780

prove intention that's weird right and

990

00:45:35,110 --> 00:45:32,000

those are the people we trust to relieve

991

00:45:37,150 --> 00:45:35,120

our headaches uh-huh I don't know I

992

00:45:39,490 --> 00:45:37,160

think marijuana especially certain a

993

00:45:41,140 --> 00:45:39,500

brand the marijuana probably be better

994

00:45:43,090 --> 00:45:41,150

at relieving your headache hey I haven't

995

00:45:46,990 --> 00:45:43,100

had a headache all morning there you go

996

00:45:48,820 --> 00:45:47,000

great uh-huh but and another thing you

997

00:45:52,540 --> 00:45:48,830

wrote about that I wanted to talk about

998

00:45:54,100 --> 00:45:52,550

on the air was this open letter to my

999

00:45:57,010 --> 00:45:54,110

alien friends visiting earth it's

1000

00:45:58,990 --> 00:45:57,020

basically about the claims of Edgar

1001  
00:46:01,720 --> 00:45:59,000  
Mitchell which you know he's been pretty

1002  
00:46:04,030 --> 00:46:01,730  
vocal about the idea that he's pretty

1003  
00:46:06,250 --> 00:46:04,040  
sure aliens exist but I mean as vocal as

1004  
00:46:08,380 --> 00:46:06,260  
he could be without maybe drawing too

1005  
00:46:09,850 --> 00:46:08,390  
much unwanted attention but tell us a

1006  
00:46:12,580 --> 00:46:09,860  
little bit about Edgar Mitchell in that

1007  
00:46:14,230 --> 00:46:12,590  
piece you wrote well yeah I don't know

1008  
00:46:16,300 --> 00:46:14,240  
that much about Edgar Mitchell but I

1009  
00:46:18,520 --> 00:46:16,310  
just remember that i read that he had

1010  
00:46:22,660 --> 00:46:18,530  
come out and was talking about just what

1011  
00:46:24,880 --> 00:46:22,670  
you said and hey he's an astronaut so

1012  
00:46:27,370 --> 00:46:24,890  
finally this astronaut is coming out and

1013  
00:46:32,290 --> 00:46:27,380

saying and I think I believe Buzz Aldrin

1014

00:46:37,480 --> 00:46:32,300

also came out and said something but

1015

00:46:41,590 --> 00:46:37,490

this this isn't widely reported in you

1016

00:46:44,830 --> 00:46:41,600

know since I was a kid reports of alien

1017

00:46:49,060 --> 00:46:44,840

site of sightings of ufos and you know i

1018

00:46:51,640 --> 00:46:49,070

mean the back in 1947 was roswell and so

1019

00:46:54,720 --> 00:46:51,650

from that point on I through the 50s so

1020

00:46:58,000 --> 00:46:54,730

before I was born there was all kinds of

1021

00:46:59,950 --> 00:46:58,010

sightings and things being reported in

1022

00:47:02,680 --> 00:46:59,960

the air and maybe they were military

1023

00:47:07,110 --> 00:47:02,690

planes I don't know I have no idea but

1024

00:47:10,780 --> 00:47:07,120

there wasn't a hysteria about UFOs so

1025

00:47:14,470 --> 00:47:10,790

during the 60s when I grew up they were

1026  
00:47:17,110 --> 00:47:14,480  
kind of trying to make people would say

1027  
00:47:21,340 --> 00:47:17,120  
that they saw UFOs or aliens or anything

1028  
00:47:25,840 --> 00:47:21,350  
look crazy so that's kind of the

1029  
00:47:29,200 --> 00:47:25,850  
atmosphere I grew up in so what you

1030  
00:47:33,400 --> 00:47:29,210  
would hear often x is 0 if there's UFOs

1031  
00:47:35,470 --> 00:47:33,410  
how come you know people responsible

1032  
00:47:36,810 --> 00:47:35,480  
people don't you know you don't hear

1033  
00:47:39,180 --> 00:47:36,820  
from a woman

1034  
00:47:42,180 --> 00:47:39,190  
dumb redneck right right because

1035  
00:47:44,580 --> 00:47:42,190  
responsible people would lose their jobs

1036  
00:47:46,950 --> 00:47:44,590  
if they you know talk about it it right

1037  
00:47:49,380 --> 00:47:46,960  
there winders their stories about pilots

1038  
00:47:53,550 --> 00:47:49,390

they're afraid of losing their jobs the

1039

00:47:56,400 --> 00:47:53,560

military people uh oh lord what's that

1040

00:48:00,840 --> 00:47:56,410

radio that famous radio host who was

1041

00:48:05,190 --> 00:48:00,850

shot by the cops I'm back really yeah

1042

00:48:07,110 --> 00:48:05,200

yeah he used to the hour of the time was

1043

00:48:11,390 --> 00:48:07,120

the name of the show oh he wasn't the

1044

00:48:14,580 --> 00:48:11,400

Navy and he saw a UFO and the Navy and

1045

00:48:17,160 --> 00:48:14,590

they brought him in and said no you

1046

00:48:20,550 --> 00:48:17,170

didn't see that he's like yeah I did

1047

00:48:22,920 --> 00:48:20,560

like no you don't understand you didn't

1048

00:48:26,340 --> 00:48:22,930

see it all of a sudden he said oh oh i

1049

00:48:28,620 --> 00:48:26,350

get it i hear no Cooper Cooper was to go

1050

00:48:30,510 --> 00:48:28,630

oh yeah i heard tell Cooper he wrote

1051  
00:48:33,180 --> 00:48:30,520  
beyond the pale horse if I'm not right

1052  
00:48:34,500 --> 00:48:33,190  
right a pale horse right i was i read

1053  
00:48:38,280 --> 00:48:34,510  
about half that book and it i just

1054  
00:48:41,040 --> 00:48:38,290  
couldn't take it anymore but it does

1055  
00:48:45,800 --> 00:48:41,050  
have a lot of interesting information in

1056  
00:48:49,050 --> 00:48:45,810  
it and when somebody of that stature

1057  
00:48:51,690 --> 00:48:49,060  
somebody who was in space comes out says

1058  
00:48:55,620 --> 00:48:51,700  
yeah I believe there are aliens and I

1059  
00:48:59,370 --> 00:48:55,630  
believe they visited earth why are the

1060  
00:49:02,970 --> 00:48:59,380  
newspapers putting that everywhere huge

1061  
00:49:05,190 --> 00:49:02,980  
news so yeah there there's a conspiracy

1062  
00:49:07,320 --> 00:49:05,200  
the media wants to keep things quiet

1063  
00:49:10,470 --> 00:49:07,330

they don't want you to know because they

1064

00:49:14,550 --> 00:49:10,480

still want you to say oh you up folks

1065

00:49:17,910 --> 00:49:14,560

nobody with any kind of real expertise

1066

00:49:20,610 --> 00:49:17,920

has ever seen that you of all and I saw

1067

00:49:23,970 --> 00:49:20,620

one when I was like 11 years old I saw

1068

00:49:25,290 --> 00:49:23,980

one so really what was that like I was

1069

00:49:28,470 --> 00:49:25,300

strange i was walking home from school

1070

00:49:31,430 --> 00:49:28,480

and there was this little park i used to

1071

00:49:34,860 --> 00:49:31,440

cut across it was a on a corner so you

1072

00:49:38,430 --> 00:49:34,870

make the diagonal cut it short in your

1073

00:49:41,550 --> 00:49:38,440

walk and i looked up in the sky and and

1074

00:49:44,820 --> 00:49:41,560

there was this desk it's probably maybe

1075

00:49:46,950 --> 00:49:44,830

i don't know three or four thousand feet

1076

00:49:48,630 --> 00:49:46,960

but it's hard to say because as you

1077

00:49:50,579 --> 00:49:48,640

don't know the size of the desk so i

1078

00:49:53,700 --> 00:49:50,589

have no idea how big it was

1079

00:49:58,049 --> 00:49:53,710

but it was rated about the level where

1080

00:50:00,269 --> 00:49:58,059

cumulus clouds start to form and it's

1081

00:50:02,940 --> 00:50:00,279

just all of a sudden I looked up I saw

1082

00:50:06,870 --> 00:50:02,950

it four by three or four seconds and it

1083

00:50:09,329 --> 00:50:06,880

was gone Wow weird and I said wow that

1084

00:50:11,279 --> 00:50:09,339

was weird and then I just I walked home

1085

00:50:14,309 --> 00:50:11,289

and kind of forgot about it and never

1086

00:50:16,049 --> 00:50:14,319

really said much about it but it's

1087

00:50:18,539 --> 00:50:16,059

always you know been something that I've

1088

00:50:21,059 --> 00:50:18,549

seen that you know it wasn't an airplane

1089

00:50:24,539 --> 00:50:21,069

I know what airplanes look like it

1090

00:50:26,670 --> 00:50:24,549

wasn't uh it wasn't a balloon loans

1091

00:50:29,190 --> 00:50:26,680

don't just vanish like that and it

1092

00:50:31,109 --> 00:50:29,200

didn't vanish it it you know flew off

1093

00:50:32,999 --> 00:50:31,119

real fast that's what i mean by

1094

00:50:35,519 --> 00:50:33,009

advantage to just now it was so fast

1095

00:50:39,660 --> 00:50:35,529

that you know a second it was out of

1096

00:50:41,190 --> 00:50:39,670

sight yeah that's awesome well you know

1097

00:50:43,319 --> 00:50:41,200

we're getting close to the end our but

1098

00:50:44,849 --> 00:50:43,329

before we got there I wanted to let you

1099

00:50:46,349 --> 00:50:44,859

talk a little bit about some other

1100

00:50:50,309 --> 00:50:46,359

experiences you had when you were a kid

1101  
00:50:52,410 --> 00:50:50,319  
some experiences with mine dynamics he

1102  
00:50:55,739 --> 00:50:52,420  
tell us what was mine dynamics my

1103  
00:50:58,950 --> 00:50:55,749  
dynamics was a meditation group

1104  
00:51:02,089 --> 00:50:58,960  
basically it was started by a company

1105  
00:51:05,579 --> 00:51:02,099  
called holiday magic holiday magic was a

1106  
00:51:07,289 --> 00:51:05,589  
cleaning company and they sold cleaners

1107  
00:51:11,009 --> 00:51:07,299  
that were biodegradable stuff like that

1108  
00:51:15,959 --> 00:51:11,019  
and this was back in nineteen seventy

1109  
00:51:20,519 --> 00:51:15,969  
one and what they wanted was they wanted

1110  
00:51:23,579 --> 00:51:20,529  
for their sales people to use positive

1111  
00:51:25,170 --> 00:51:23,589  
thinking to help raise their sales so

1112  
00:51:28,890 --> 00:51:25,180  
they would teach you the power of

1113  
00:51:31,950 --> 00:51:28,900

positive thinking and through it my

1114

00:51:36,589 --> 00:51:31,960

dynamics which was a meditation which

1115

00:51:41,700 --> 00:51:36,599

would do things like improve your memory

1116

00:51:43,529 --> 00:51:41,710

remote viewing this kind of stuff one of

1117

00:51:47,039 --> 00:51:43,539

the one of the other things that we used

1118

00:51:48,779 --> 00:51:47,049

to do was we call readings on people and

1119

00:51:50,700 --> 00:51:48,789

so you would learn to meditate and

1120

00:51:52,349 --> 00:51:50,710

there's there's a method to this

1121

00:51:56,729 --> 00:51:52,359

meditation that I still use to this day

1122

00:51:59,339 --> 00:51:56,739

and then what you what we had was a

1123

00:52:02,340 --> 00:51:59,349

group of cards and there'd be people's

1124

00:52:04,290 --> 00:52:02,350

names on the card in

1125

00:52:05,610 --> 00:52:04,300

somebody that you were working with you

1126  
00:52:07,110 --> 00:52:05,620  
would meditate somebody that you were

1127  
00:52:09,180 --> 00:52:07,120  
working with would look at the card and

1128  
00:52:12,660 --> 00:52:09,190  
you would tell them who that person was

1129  
00:52:14,640 --> 00:52:12,670  
their sex was approximate age and then

1130  
00:52:20,190 --> 00:52:14,650  
you would tell them what was wrong with

1131  
00:52:24,150 --> 00:52:20,200  
them and it's surprising it's amazing

1132  
00:52:27,360 --> 00:52:24,160  
how accurate we were when we when we

1133  
00:52:29,280 --> 00:52:27,370  
would do this and these weren't any

1134  
00:52:31,260 --> 00:52:29,290  
teach parlor tricks or anything this is

1135  
00:52:32,850 --> 00:52:31,270  
just you meditating and concentrating

1136  
00:52:34,800 --> 00:52:32,860  
and asking the universe to send you this

1137  
00:52:37,800 --> 00:52:34,810  
information and then you would send them

1138  
00:52:41,370 --> 00:52:37,810

light white light in an effort to try to

1139

00:52:44,400 --> 00:52:41,380

heal them and that's what got mine

1140

00:52:46,740 --> 00:52:44,410

dynamics in trouble my dynamics was

1141

00:52:52,080 --> 00:52:46,750

basically busted for practicing medicine

1142

00:52:55,410 --> 00:52:52,090

without a license really and so they are

1143

00:52:59,490 --> 00:52:55,420

no they are defunct now but through this

1144

00:53:06,470 --> 00:52:59,500

I learned the practice of meditation

1145

00:53:13,260 --> 00:53:10,980

beings or consciousness on the you know

1146

00:53:16,860 --> 00:53:13,270

on a different level consciousness in

1147

00:53:20,730 --> 00:53:16,870

another dimension and another plane and

1148

00:53:23,010 --> 00:53:20,740

i would talk to my guides and you know

1149

00:53:25,680 --> 00:53:23,020

i'm sure you've done a lot of things I'd

1150

00:53:27,240 --> 00:53:25,690

guides and stuff like that yeah i've had

1151  
00:53:29,400 --> 00:53:27,250  
people talk to me about them I've just

1152  
00:53:33,170 --> 00:53:29,410  
I've never experienced a guide I've

1153  
00:53:36,690 --> 00:53:33,180  
never sensed a presence I'm writing

1154  
00:53:40,020 --> 00:53:36,700  
right up wait you actually need to kind

1155  
00:53:42,420 --> 00:53:40,030  
of work at it but um I I don't I can't I

1156  
00:53:45,210 --> 00:53:42,430  
can't I really have a difficulty doing

1157  
00:53:49,290 --> 00:53:45,220  
it anymore not as clearly as I was doing

1158  
00:53:51,690 --> 00:53:49,300  
back then and what happened is as I got

1159  
00:53:56,100 --> 00:53:51,700  
older as I was started to reach puberty

1160  
00:54:03,530 --> 00:53:56,110  
I started to get a sense that there was

1161  
00:54:10,920 --> 00:54:07,680  
reach out to me and it started getting

1162  
00:54:14,160 --> 00:54:10,930  
me paranoid because I felt nervous I

1163  
00:54:15,610 --> 00:54:14,170

felt like this wasn't a good presence

1164

00:54:20,520 --> 00:54:15,620

that was looking for me

1165

00:54:23,800 --> 00:54:20,530

and then I started I was starting to try

1166

00:54:26,830 --> 00:54:23,810

telekinesis to get things to to move and

1167

00:54:31,390 --> 00:54:26,840

of course I couldn't do that but then

1168

00:54:33,640 --> 00:54:31,400

one night I fell out of bed I was woken

1169

00:54:36,910 --> 00:54:33,650

up the bed was shaking I fell out of bed

1170

00:54:39,540 --> 00:54:36,920

I looked at the bed the bed was maybe

1171

00:54:45,190 --> 00:54:39,550

three or four inches off the ground and

1172

00:54:48,250 --> 00:54:45,200

I totally freaked out then the bed kind

1173

00:54:51,190 --> 00:54:48,260

of slammed to the ground and I got up

1174

00:54:55,270 --> 00:54:51,200

and I said you know what I'm not doing

1175

00:55:01,300 --> 00:54:55,280

it anymore I'm cutting myself off yeah I

1176  
00:55:04,270 --> 00:55:01,310  
just stopped meditating and I stopped

1177  
00:55:07,870 --> 00:55:04,280  
even trying anymore because it scared me

1178  
00:55:11,110 --> 00:55:07,880  
that much I was really really frightened

1179  
00:55:13,390 --> 00:55:11,120  
by the by the experience and so how did

1180  
00:55:15,010 --> 00:55:13,400  
how did you get that how's your parents

1181  
00:55:16,960 --> 00:55:15,020  
let you get involved with my dynamics

1182  
00:55:19,450 --> 00:55:16,970  
did they know what was going on yeah my

1183  
00:55:23,700 --> 00:55:19,460  
mom worked for a holiday magic oh right

1184  
00:55:26,590 --> 00:55:23,710  
on and I would go out and sell their

1185  
00:55:28,150 --> 00:55:26,600  
products and I'd get quite a bit of

1186  
00:55:31,300 --> 00:55:28,160  
business because I was a cute little kid

1187  
00:55:33,880 --> 00:55:31,310  
you know here I can get these doors to

1188  
00:55:36,010 --> 00:55:33,890

these young housewives and oh look at

1189

00:55:38,140 --> 00:55:36,020

the cute little boy oh yeah buy

1190

00:55:44,950 --> 00:55:38,150

something from you you know how it is

1191

00:55:48,130 --> 00:55:44,960

course so oh the other the biggest thing

1192

00:55:50,920 --> 00:55:48,140

that happened to me was this was 1971 I

1193

00:55:56,080 --> 00:55:50,930

was 11 years old and up until that point

1194

00:56:00,490 --> 00:55:56,090

I had asthma very bad I had to go every

1195

00:56:02,350 --> 00:56:00,500

two weeks were shocked and I had to type

1196

00:56:04,420 --> 00:56:02,360

types of medicine i had read medicine

1197

00:56:05,830 --> 00:56:04,430

which i took every day and i had yellow

1198

00:56:09,040 --> 00:56:05,840

medicine which i would take in case of

1199

00:56:11,290 --> 00:56:09,050

it of asthma attack and when I was a

1200

00:56:12,910 --> 00:56:11,300

baby I had an asthma attack that was so

1201  
00:56:15,640 --> 00:56:12,920  
bad and I turned blue when they had to

1202  
00:56:17,890 --> 00:56:15,650  
rush me to the hospital oh I remember

1203  
00:56:19,930 --> 00:56:17,900  
going to the doctor's office and he

1204  
00:56:22,720 --> 00:56:19,940  
would give me oxygen and he told me I

1205  
00:56:25,060 --> 00:56:22,730  
was being launched into outer space you

1206  
00:56:29,030 --> 00:56:25,070  
know he was giving me oxygen because I'd

1207  
00:56:31,070 --> 00:56:29,040  
have the mask over my face and stuff so

1208  
00:56:33,020 --> 00:56:31,080  
as I progressed through this and this

1209  
00:56:35,260 --> 00:56:33,030  
was the big reason my mom took me as I

1210  
00:56:37,520 --> 00:56:35,270  
progressed through this mine dynamics

1211  
00:56:39,800 --> 00:56:37,530  
within a week I told my mom you know

1212  
00:56:42,680 --> 00:56:39,810  
what I'm done having asthma now we're

1213  
00:56:45,260 --> 00:56:42,690

going to have it again sure enough i did

1214

00:56:49,010 --> 00:56:45,270

not have another asthma attack until I

1215

00:56:50,810 --> 00:56:49,020

was 20 years old that in college man I

1216

00:56:52,700 --> 00:56:50,820

do think there is something to the power

1217

00:56:56,170 --> 00:56:52,710

of self healing I get the impression

1218

00:56:59,990 --> 00:56:56,180

that all these things like crystals and

1219

00:57:01,670 --> 00:57:00,000

making offerings to Jupiter and all

1220

00:57:03,850 --> 00:57:01,680

these different new-age practices are

1221

00:57:06,620 --> 00:57:03,860

really just ways to manifest into third

1222

00:57:10,640 --> 00:57:06,630

third dimension reality a way to project

1223

00:57:12,260 --> 00:57:10,650

that ability to just heal ourselves you

1224

00:57:14,420 --> 00:57:12,270

know if you put faith in something and

1225

00:57:16,280 --> 00:57:14,430

then turn you you really do it yourself

1226

00:57:17,690 --> 00:57:16,290

um maybe instead of Jupiter you should

1227

00:57:20,630 --> 00:57:17,700

make it out to suits I think for the

1228

00:57:23,480 --> 00:57:20,640

same yeah I mean to me it's all just

1229

00:57:26,240 --> 00:57:23,490

like whatever I mean I I love to hear

1230

00:57:27,980 --> 00:57:26,250

about it but you know Zeus Jupiter Jesus

1231

00:57:30,170 --> 00:57:27,990

uh and what I don't doesn't mean

1232

00:57:32,810 --> 00:57:30,180

anything to me really but hey you know I

1233

00:57:34,370 --> 00:57:32,820

think we've we've hit all the bases

1234

00:57:35,630 --> 00:57:34,380

connected all the dots dumped out all

1235

00:57:37,400 --> 00:57:35,640

the kool-aid but I mean is there

1236

00:57:39,830 --> 00:57:37,410

anything else you wanted to say to the

1237

00:57:42,380 --> 00:57:39,840

people yeah can I talk about my books /

1238

00:57:45,920 --> 00:57:42,390

solutely okay I right under the name

1239

00:57:49,880 --> 00:57:45,930

Matthew bellotti and I have five ebooks

1240

00:57:52,790 --> 00:57:49,890

available on Amazon three of them are a

1241

00:57:55,280 --> 00:57:52,800

trilogy it's called the black blade

1242

00:57:58,370 --> 00:57:55,290

trilogy in book one is the colors of a

1243

00:58:00,860 --> 00:57:58,380

birria book 2 is the legacy of the

1244

00:58:03,680 --> 00:58:00,870

tarick's a book 3 is the power of attack

1245

00:58:05,960 --> 00:58:03,690

and then I have two horrors one called

1246

00:58:09,470 --> 00:58:05,970

the weed years and one called the edge

1247

00:58:12,200 --> 00:58:09,480

of sanity anyway give those a give those

1248

00:58:14,360 --> 00:58:12,210

a looksie and sure tell us what the

1249

00:58:16,700 --> 00:58:14,370

overarching theme of the trilogy is of

1250

00:58:21,340 --> 00:58:16,710

the fantasy children okay it takes place

1251  
00:58:23,840 --> 00:58:21,350  
at a planet called El birria and it's

1252  
00:58:26,810 --> 00:58:23,850  
750 years ago they were looking for a

1253  
00:58:28,780 --> 00:58:26,820  
source of energy and so they invented

1254  
00:58:32,600 --> 00:58:28,790  
this telescope to look into black holes

1255  
00:58:34,640 --> 00:58:32,610  
and the black hole was another dimension

1256  
00:58:37,580 --> 00:58:34,650  
inside a black hole and it follows the

1257  
00:58:43,700 --> 00:58:37,590  
beam back to the planet and infuses the

1258  
00:58:53,270 --> 00:58:48,840  
magical science I guess that that the

1259  
00:58:56,190 --> 00:58:53,280  
that is in that other dimension so the

1260  
00:58:58,100 --> 00:58:56,200  
these manifest in different colors in

1261  
00:59:01,800 --> 00:58:58,110  
different colors have different powers

1262  
00:59:03,960 --> 00:59:01,810  
and then there's a there's the glowing

1263  
00:59:05,760 --> 00:59:03,970

colors that are the colors that are life

1264

00:59:08,970 --> 00:59:05,770

and then there's the dark colors which

1265

00:59:10,740 --> 00:59:08,980

are colors that are death and different

1266

00:59:13,670 --> 00:59:10,750

people control the light colors and

1267

00:59:17,100 --> 00:59:13,680

they're battling the dark colors nice

1268

00:59:19,170 --> 00:59:17,110

that sounds interesting very cool well

1269

00:59:20,880 --> 00:59:19,180

we will never stop until we

1342

01:02:51,280 --> 01:02:49,870

getting some

1343

01:03:02,770 --> 01:02:51,290

that we should all be

1344

01:03:07,510 --> 01:03:05,140

again

1345

01:03:10,750 --> 01:03:07,520

think the we should all be fine

1346

01:03:13,540 --> 01:03:10,760

bank account is fraud there's some

1355

01:03:37,780 --> 01:03:35,050

killers at large and they're in offices

1356

01:03:40,570 --> 01:03:37,790

commander in chief of this process when

1357

01:03:42,850 --> 01:03:40,580

the coffins dispensed we need to take em

1358

01:03:46,000 --> 01:03:42,860

1363

01:03:58,870 --> 01:03:56,090

composure

1364

01:04:01,300 --> 01:03:58,880

novotel is over but you can try two

1365

01:04:04,330 --> 01:04:01,310

lawyers they're all over your bulldozer

1366

01:04:06,670 --> 01:04:04,340

cuz you can never knock us down because

1367

01:04:10,030 --> 01:04:06,680

we love the picture we will all stand

1368

01:04:22,770 --> 01:04:10,040

our ground and you ain't got nothing to

1369

01:04:27,510 --> 01:04:25,170

again

1370

01:04:31,660 --> 01:04:27,520

say that we should not be

1371

01:04:36,960 --> 01:04:31,670

we will we will

1372

01:04:36,970 --> 01:04:41,140

we take it off again

1373

01:04:52,270 --> 01:04:43,510

say that we should all be
