

The Higherside Chats 33: Judge Jim Gray

Brought to you by:
 **ConspiraTees.net**

www.GaryJohnson2012.com

1
00:00:08,230 --> 00:00:06,389
we're here because we don't buy into the

2
00:00:10,150 --> 00:00:08,240
[h__\h] of mainstream culture we're

3
00:00:11,589 --> 00:00:10,160
tired of the mundane passionless careers

4
00:00:13,270 --> 00:00:11,599
we've been shuffled into as a result of

5
00:00:15,350 --> 00:00:13,280
this orchestrated debt-based system of

6
00:00:17,029 --> 00:00:15,360
rule and the stranglehold on education

7
00:00:18,470 --> 00:00:17,039
entertainment by gold soulless

8
00:00:21,990 --> 00:00:18,480
corporations

9
00:00:24,390 --> 00:00:22,000
people yes we are frustrated yes we are

10
00:00:25,670 --> 00:00:24,400
tired and we reject the free approved

11
00:00:27,990 --> 00:00:25,680
tranquilizers that are monday night

12
00:00:30,230 --> 00:00:28,000
football and an ice cold budweiser we

13
00:00:31,990 --> 00:00:30,240

have to stop hiding stop hiding behind

14

00:00:33,110 --> 00:00:32,000

the headphones in the cherry popper 420

15

00:00:34,709 --> 00:00:33,120

username

16

00:00:37,110 --> 00:00:34,719

let the world see that the resistance is

17

00:00:39,110 --> 00:00:37,120

strong and society is changing there was

18

00:00:40,229 --> 00:00:39,120

a time to be anonymous but that time has

19

00:00:41,750 --> 00:00:40,239

passed

20

00:00:43,750 --> 00:00:41,760

and so the higher side chats would like

21

00:00:45,590 --> 00:00:43,760

to present conspiracies as the dawning

22

00:00:46,869 --> 00:00:45,600

of this new paradigm in the uniform of

23

00:00:48,389 --> 00:00:46,879

the revolution

24

00:00:50,549 --> 00:00:48,399

because bold fashion should mean more

25

00:00:52,229 --> 00:00:50,559

than some celebrity meat dress or frappu

26

00:00:54,389 --> 00:00:52,239

and a silly pink polo

27

00:00:55,990 --> 00:00:54,399

conspirates redefines bold fashion as

28

00:00:58,310 --> 00:00:56,000

having the balls to project socially

29

00:01:00,389 --> 00:00:58,320

uncomfortable and unpopular truths from

30

00:01:02,229 --> 00:01:00,399

your radiant chest all

31

00:01:03,830 --> 00:01:02,239

[h__\h] day

32

00:01:06,230 --> 00:01:03,840

conspiracies.net

33

00:01:15,990 --> 00:01:06,240

let them know that you know bold designs

34

00:01:16,000 --> 00:01:19,749

in the 1930s

35

00:01:24,630 --> 00:01:21,429

the nation through a series of radio

36

00:01:26,710 --> 00:01:24,640

broadcasts known as the fireside chess

37

00:01:28,550 --> 00:01:26,720

his aim was to reassure the common man

38

00:01:33,749 --> 00:01:28,560

that our society would recover from its

39

00:01:44,069 --> 00:01:36,230

for a new era of worldly frustration we

40

00:01:47,910 --> 00:01:45,830

you know people we spend a lot of time

41

00:01:49,590 --> 00:01:47,920

on the higher side chats dissecting the

42

00:01:51,109 --> 00:01:49,600

infinite layers of corruption within our

43

00:01:52,870 --> 00:01:51,119

government and 20 days before the

44

00:01:55,109 --> 00:01:52,880

national election on the heels of the

45

00:01:56,870 --> 00:01:55,119

propaganda machine we call a debate the

46

00:01:58,550 --> 00:01:56,880

illusion of choice has never been clear

47

00:02:00,550 --> 00:01:58,560

but the chorus line of corporate media

48

00:02:02,149 --> 00:02:00,560

has many tricks and maybe our cynicism

49

00:02:02,950 --> 00:02:02,159

allows us to fall victim to a different

50

00:02:06,630 --> 00:02:02,960

lie

51
00:02:08,630 --> 00:02:06,640
on every ballot in the country there is

52
00:02:10,469 --> 00:02:08,640
a ticket that msnbc and fox news won't

53
00:02:11,910 --> 00:02:10,479
tell you about and for me that's a very

54
00:02:14,309 --> 00:02:11,920
telling sign they just might be the

55
00:02:16,550 --> 00:02:14,319
right choice today's insanely special

56
00:02:18,229 --> 00:02:16,560
guest is here to make that case a former

57
00:02:20,390 --> 00:02:18,239
superior court judge in the great state

58
00:02:22,710 --> 00:02:20,400
of california and the vice presidential

59
00:02:24,790 --> 00:02:22,720
nominee for the libertarian ticket

60
00:02:26,630 --> 00:02:24,800
running mate of governor gary johnson he

61
00:02:29,190 --> 00:02:26,640
is literally the man with the plan judge

62
00:02:31,030 --> 00:02:29,200
jim gray thanks for being here

63
00:02:32,869 --> 00:02:31,040

well thank you greg it's always good to

64

00:02:34,390 --> 00:02:32,879

be with good people and

65

00:02:35,910 --> 00:02:34,400

unfortunately i agree with your

66

00:02:38,630 --> 00:02:35,920

assessment

67

00:02:40,470 --> 00:02:38,640

we really do have the answers

68

00:02:41,750 --> 00:02:40,480

we really do have the most qualified

69

00:02:44,070 --> 00:02:41,760

person to be president of the united

70

00:02:46,470 --> 00:02:44,080

states that i know of and governor gary

71

00:02:48,630 --> 00:02:46,480

johnson more administrative experience

72

00:02:50,949 --> 00:02:48,640

at this moment than both governor romney

73

00:02:52,790 --> 00:02:50,959

and president obama combined i'm proud

74

00:02:54,790 --> 00:02:52,800

to be his running mate and you can ask

75

00:02:57,350 --> 00:02:54,800

me any question you want and i have kind

76

00:02:58,710 --> 00:02:57,360

of a defect in effect as a candidate

77

00:03:01,030 --> 00:02:58,720

because i'll tell you the truth i'm just

78

00:03:03,350 --> 00:03:01,040

too old to change so so let's do this

79

00:03:05,910 --> 00:03:03,360

thing and uh we'll just talk talk

80

00:03:07,270 --> 00:03:05,920

serious things perfect yeah so let's

81

00:03:08,790 --> 00:03:07,280

just dive in and start with a question

82

00:03:10,390 --> 00:03:08,800

that i know would probably make mitt

83

00:03:11,910 --> 00:03:10,400

romney wet himself but i know you're

84

00:03:13,830 --> 00:03:11,920

comfortable with it and that is simply

85

00:03:15,670 --> 00:03:13,840

put the higher side chats audience

86

00:03:17,670 --> 00:03:15,680

really likes two things exposing

87

00:03:21,030 --> 00:03:17,680

corruption and marijuana why would they

88

00:03:23,750 --> 00:03:21,040

vote for gary johnson and jim gray

89

00:03:25,509 --> 00:03:23,760

well let me count the ways uh again

90

00:03:27,830 --> 00:03:25,519

beside our qualifications because

91

00:03:30,229 --> 00:03:27,840

governor johnson actually is so much

92

00:03:31,750 --> 00:03:30,239

more qualified than barack obama who's

93

00:03:33,990 --> 00:03:31,760

actually been president for three and

94

00:03:36,229 --> 00:03:34,000

something years right more than george

95

00:03:38,949 --> 00:03:36,239

romney as well uh he has practical

96

00:03:41,190 --> 00:03:38,959

experience he has was a very successful

97

00:03:43,589 --> 00:03:41,200

highly successful governor of new mexico

98

00:03:45,270 --> 00:03:43,599

and honestly uh i am more qualified than

99

00:03:47,190 --> 00:03:45,280

joe biden who's actually been president

100

00:03:49,509 --> 00:03:47,200

for three and something years as well

101
00:03:51,350 --> 00:03:49,519
paul ryan hasn't even had a job outside

102
00:03:53,429 --> 00:03:51,360
of the government since he graduated

103
00:03:55,670 --> 00:03:53,439
from college biden hasn't been outside

104
00:03:56,630 --> 00:03:55,680
of government since the 1970s you lose

105
00:03:58,070 --> 00:03:56,640
touch

106
00:03:59,830 --> 00:03:58,080
i was in the peace corps i'll be the

107
00:04:01,509 --> 00:03:59,840
first peace corps volunteer to be

108
00:04:03,270 --> 00:04:01,519
elected to national office and i'm proud

109
00:04:04,550 --> 00:04:03,280
of that i'm the only one of the six of

110
00:04:06,229 --> 00:04:04,560
us running for president of vice

111
00:04:08,550 --> 00:04:06,239
presidents has served in the military i

112
00:04:10,630 --> 00:04:08,560
think that brings a real perspective as

113
00:04:12,309 --> 00:04:10,640

a federal prosecutor in los angeles

114

00:04:14,070 --> 00:04:12,319

trial court judge in orange county for

115

00:04:16,629 --> 00:04:14,080

25 years and i think that all of that

116

00:04:18,310 --> 00:04:16,639

brings thanks to the table but not only

117

00:04:20,710 --> 00:04:18,320

that we really

118

00:04:23,270 --> 00:04:20,720

have as our watchword our slogan for the

119

00:04:24,790 --> 00:04:23,280

campaign is good government is easy

120

00:04:27,590 --> 00:04:24,800

watch and that's what governor gary

121

00:04:29,749 --> 00:04:27,600

johnson has done and so i met him

122

00:04:31,670 --> 00:04:29,759

because he took a very public stand

123

00:04:34,629 --> 00:04:31,680

against our nation's drug policy back in

124

00:04:36,950 --> 00:04:34,639

1999 you know as a sitting governor said

125

00:04:39,189 --> 00:04:36,960

he held his audit as he called it found

126
00:04:41,990 --> 00:04:39,199
out that the war on drugs is not working

127
00:04:43,749 --> 00:04:42,000
and took the public airways said that

128
00:04:45,830 --> 00:04:43,759
was the fact i didn't have any

129
00:04:47,270 --> 00:04:45,840
constituency to do that took some heat

130
00:04:49,510 --> 00:04:47,280
for it but it was the right thing to do

131
00:04:51,189 --> 00:04:49,520
and that's what he did and he did turn

132
00:04:52,950 --> 00:04:51,199
things around in new mexico for the

133
00:04:55,830 --> 00:04:52,960
needle exchange program stopped the

134
00:04:58,310 --> 00:04:55,840
arrest for non-violent drug offenders to

135
00:05:00,790 --> 00:04:58,320
a major degree of course i had done the

136
00:05:02,230 --> 00:05:00,800
same thing in 1992 since holding a press

137
00:05:04,790 --> 00:05:02,240
conference saying our nation's war and

138
00:05:07,670 --> 00:05:04,800

drugs isn't working so so we share that

139

00:05:10,469 --> 00:05:07,680

in fact we sponsor we endorse those

140

00:05:12,070 --> 00:05:10,479

three initiatives in colorado washington

141

00:05:14,230 --> 00:05:12,080

and oregon to treat marijuana like

142

00:05:15,189 --> 00:05:14,240

alcohol for heaven's sake that's the way

143

00:05:17,350 --> 00:05:15,199

to go

144

00:05:20,310 --> 00:05:17,360

treat him like cotton for heaven's sakes

145

00:05:23,110 --> 00:05:20,320

again it's just so abundantly clear but

146

00:05:24,870 --> 00:05:23,120

it's money greg it's money in fact i had

147

00:05:27,990 --> 00:05:24,880

two sitting congressmen from orange

148

00:05:29,749 --> 00:05:28,000

county republicans tell me years ago jim

149

00:05:31,909 --> 00:05:29,759

you don't understand most people in

150

00:05:34,390 --> 00:05:31,919

washington realize the war on drugs is

151
00:05:36,469 --> 00:05:34,400
not winnable but it's eminently fundable

152
00:05:37,990 --> 00:05:36,479
and they're addicted to drug war funding

153
00:05:39,990 --> 00:05:38,000
so we've got to go over the heads of

154
00:05:42,150 --> 00:05:40,000
congress to the people we are we're

155
00:05:44,390 --> 00:05:42,160
making progress and anybody that wants

156
00:05:47,749 --> 00:05:44,400
for example to have a medical marijuana

157
00:05:50,070 --> 00:05:47,759
clinic survive in the next year or two

158
00:05:52,390 --> 00:05:50,080
the only hope is governor gary johnson

159
00:05:53,670 --> 00:05:52,400
you can elect romney you can elect obama

160
00:05:55,430 --> 00:05:53,680
they're not going to have any medical

161
00:05:57,830 --> 00:05:55,440
marijuana dispensaries in the country

162
00:06:00,550 --> 00:05:57,840
within a year or two in fact romney and

163
00:06:03,029 --> 00:06:00,560

obama are so close together on so many

164

00:06:05,510 --> 00:06:03,039

things we call them robot they're almost

165

00:06:07,189 --> 00:06:05,520

interchangeable keeping our military in

166

00:06:09,510 --> 00:06:07,199

conflicts all around the world it just

167

00:06:11,189 --> 00:06:09,520

goes on and on we say we're not going to

168

00:06:13,430 --> 00:06:11,199

attack anybody we're not going to be at

169

00:06:15,590 --> 00:06:13,440

war with anybody unless they attack us

170

00:06:18,309 --> 00:06:15,600

or our allies so there's so many

171

00:06:19,830 --> 00:06:18,319

parallels between romney and obama and

172

00:06:21,350 --> 00:06:19,840

we're on the other side i mean i can go

173

00:06:23,430 --> 00:06:21,360

on and on which i have been doing i

174

00:06:25,670 --> 00:06:23,440

guess for a few minutes but but it's so

175

00:06:28,309 --> 00:06:25,680

vividly true that i'm proud to be the

176

00:06:29,749 --> 00:06:28,319

running mate this guy he's the right guy

177

00:06:32,710 --> 00:06:29,759

and uh we're going to get this thing

178

00:06:35,110 --> 00:06:32,720

going can you explain how although obama

179

00:06:36,550 --> 00:06:35,120

frames himself as soft on weed by saying

180

00:06:39,189 --> 00:06:36,560

he's inhaled and he does these little

181

00:06:41,110 --> 00:06:39,199

skits with harold and kumar for the dnc

182

00:06:42,870 --> 00:06:41,120

but in reality the past four years have

183

00:06:45,029 --> 00:06:42,880

gotten actually tougher for marijuana

184

00:06:47,749 --> 00:06:45,039

users isn't that true

185

00:06:50,070 --> 00:06:47,759

yes indeed oh my goodness sakes and he

186

00:06:51,909 --> 00:06:50,080

even acknowledged in his book that he

187

00:06:53,670 --> 00:06:51,919

used marijuana regularly when he was

188

00:06:55,110 --> 00:06:53,680

working in chicago in fact he even

189

00:06:57,430 --> 00:06:55,120

acknowledged his book that he used

190

00:06:59,670 --> 00:06:57,440

cocaine and now and then of course he

191

00:07:01,350 --> 00:06:59,680

had his attorney general eric holder who

192

00:07:03,430 --> 00:07:01,360

issued that memorandum which i really

193

00:07:05,189 --> 00:07:03,440

took encouragement with saying you know

194

00:07:07,189 --> 00:07:05,199

we're not going to use federal resources

195

00:07:09,510 --> 00:07:07,199

to rest convict

196

00:07:11,430 --> 00:07:09,520

anyone for medical marijuana as long as

197

00:07:13,589 --> 00:07:11,440

they're in compliance with state and

198

00:07:14,950 --> 00:07:13,599

local law which i found refreshing and

199

00:07:17,430 --> 00:07:14,960

appropriate now of course they're

200

00:07:19,110 --> 00:07:17,440

they're really attacking even some of

201
00:07:21,270 --> 00:07:19,120
the best of the medical marijuana

202
00:07:23,350 --> 00:07:21,280
dispensaries because he's lost control

203
00:07:26,230 --> 00:07:23,360
of his government or for whatever reason

204
00:07:29,430 --> 00:07:26,240
yes we have an arrest for marijuana

205
00:07:31,990 --> 00:07:29,440
every 43 seconds in our country every 43

206
00:07:34,950 --> 00:07:32,000
seconds and 85 percent of those arrests

207
00:07:37,029 --> 00:07:34,960
are from simple or only possession it's

208
00:07:39,430 --> 00:07:37,039
just disgusting it's outrageous we're

209
00:07:40,950 --> 00:07:39,440
spending resources on this when

210
00:07:43,110 --> 00:07:40,960
literally we could and should be

211
00:07:44,950 --> 00:07:43,120
spending them on robbery rape and murder

212
00:07:46,869 --> 00:07:44,960
and so it really this is the thing greg

213
00:07:48,629 --> 00:07:46,879

that pushed me over to come out publicly

214

00:07:50,790 --> 00:07:48,639

against this the tougher we get with

215

00:07:52,710 --> 00:07:50,800

regard to non-violent drug offenses

216

00:07:54,869 --> 00:07:52,720

literally the softer we get with regards

217

00:07:56,550 --> 00:07:54,879

to prosecution of things like robbery

218

00:07:58,629 --> 00:07:56,560

rape and murder because we only have so

219

00:08:01,350 --> 00:07:58,639

many resources in the criminal justice

220

00:08:02,710 --> 00:08:01,360

system let's spend the money to

221

00:08:05,589 --> 00:08:02,720

take those out of commission that are

222

00:08:08,629 --> 00:08:05,599

causing us harm is absolutely outrageous

223

00:08:11,270 --> 00:08:08,639

we're going to change it and they're not

224

00:08:13,189 --> 00:08:11,280

amen you know i've seen also i've seen a

225

00:08:14,790 --> 00:08:13,199

lot of videos online and you've written

226

00:08:16,629 --> 00:08:14,800

a book where you talk about the failings

227

00:08:18,790 --> 00:08:16,639

of drug prohibition which is great and i

228

00:08:20,469 --> 00:08:18,800

encourage everyone to seek that stuff

229

00:08:23,110 --> 00:08:20,479

out but i wanted to ask you some

230

00:08:25,350 --> 00:08:23,120

questions that i don't hear asked but

231

00:08:27,430 --> 00:08:25,360

are important to me for example how do

232

00:08:29,110 --> 00:08:27,440

you feel about julian assange and

233

00:08:30,869 --> 00:08:29,120

bradley manning in the situation that

234

00:08:33,029 --> 00:08:30,879

occurred there

235

00:08:33,990 --> 00:08:33,039

well it's just no different particularly

236

00:08:37,670 --> 00:08:34,000

than

237

00:08:39,190 --> 00:08:37,680

any of these other things we we simply

238

00:08:41,670 --> 00:08:39,200

we're hypocritical

239

00:08:44,310 --> 00:08:41,680

we are we're simply using resources and

240

00:08:46,230 --> 00:08:44,320

squandering them we need to hold people

241

00:08:48,389 --> 00:08:46,240

accountable for their actions and

242

00:08:50,550 --> 00:08:48,399

governor gary johnson and i believe that

243

00:08:52,870 --> 00:08:50,560

but but you know squandering these

244

00:08:56,070 --> 00:08:52,880

things on on other things just like

245

00:08:58,310 --> 00:08:56,080

these cases is simply contrary to reason

246

00:08:59,350 --> 00:08:58,320

contrary to what people should do

247

00:09:01,030 --> 00:08:59,360

within

248

00:09:04,230 --> 00:09:01,040

with their critically important

249

00:09:06,470 --> 00:09:04,240

discretion in the entire justice system

250

00:09:08,550 --> 00:09:06,480

it bothers me because currently it seems

251
00:09:10,949 --> 00:09:08,560
like secrecy

252
00:09:13,030 --> 00:09:10,959
is more important than morality within

253
00:09:14,710 --> 00:09:13,040
our government so if you were to expose

254
00:09:16,070 --> 00:09:14,720
something immoral

255
00:09:17,910 --> 00:09:16,080
you know you're going to spend your life

256
00:09:19,590 --> 00:09:17,920
in a dark hole somewhere and no one's

257
00:09:21,910 --> 00:09:19,600
going to hear about you do you think

258
00:09:24,230 --> 00:09:21,920
that whistleblowers should have some

259
00:09:26,790 --> 00:09:24,240
type of protection

260
00:09:29,430 --> 00:09:26,800
absolutely you know

261
00:09:31,910 --> 00:09:29,440
the answer of course is yes uh

262
00:09:35,910 --> 00:09:33,670
you just have to focus i've been in the

263
00:09:37,670 --> 00:09:35,920

criminal justice system i am a

264

00:09:38,710 --> 00:09:37,680

prosecutor criminal defense attorney

265

00:09:41,670 --> 00:09:38,720

judge

266

00:09:43,910 --> 00:09:41,680

bureaucracies are really really good at

267

00:09:46,470 --> 00:09:43,920

one thing and that is increasing the

268

00:09:48,389 --> 00:09:46,480

size the power uh the control of

269

00:09:51,190 --> 00:09:48,399

bureaucracies and that's where we're

270

00:09:53,750 --> 00:09:51,200

going and it's just outrageous really as

271

00:09:56,230 --> 00:09:53,760

we as citizens see what our government

272

00:09:58,790 --> 00:09:56,240

is doing and and you can go back to the

273

00:10:01,030 --> 00:09:58,800

to thomas jefferson the hero of mine who

274

00:10:03,030 --> 00:10:01,040

said you know if you have the people

275

00:10:05,590 --> 00:10:03,040

afraid of their government that's

276

00:10:07,910 --> 00:10:05,600

tyranny but if you have the government

277

00:10:09,670 --> 00:10:07,920

afraid of the people that's democracy

278

00:10:11,509 --> 00:10:09,680

greg guess where we are today the

279

00:10:13,509 --> 00:10:11,519

government continues to have us

280

00:10:16,230 --> 00:10:13,519

intentionally continues to have us live

281

00:10:17,910 --> 00:10:16,240

in fear and and they're pushing that

282

00:10:19,750 --> 00:10:17,920

it's for their own benefit but certainly

283

00:10:22,470 --> 00:10:19,760

not for ours we're going to a police

284

00:10:24,470 --> 00:10:22,480

state we are in a tyranny situation we

285

00:10:26,710 --> 00:10:24,480

need to gather back

286

00:10:28,470 --> 00:10:26,720

and reclaim the soul of the united

287

00:10:30,470 --> 00:10:28,480

states of america which is our freedoms

288

00:10:32,870 --> 00:10:30,480

and our liberties and our soul is under

289

00:10:35,030 --> 00:10:32,880

attack for so many reasons by our very

290

00:10:36,790 --> 00:10:35,040

own government and it's just something

291

00:10:39,750 --> 00:10:36,800

that the founding fathers who probably

292

00:10:42,310 --> 00:10:39,760

take up arms against us uh we're really

293

00:10:44,790 --> 00:10:42,320

really giving away our liberties without

294

00:10:46,470 --> 00:10:44,800

much of a fight shame on us shame on us

295

00:10:48,550 --> 00:10:46,480

eternally

296

00:10:50,630 --> 00:10:48,560

i agree i mean we did see a spike in

297

00:10:52,310 --> 00:10:50,640

protesting and activism this year with

298

00:10:54,389 --> 00:10:52,320

the occupy movement

299

00:10:56,470 --> 00:10:54,399

which was mocked by the media ignored by

300

00:10:58,389 --> 00:10:56,480

the leaders and eradicated by an

301
00:10:59,990 --> 00:10:58,399
aggressive police force but

302
00:11:01,750 --> 00:11:00,000
what are your thoughts on the occupy

303
00:11:03,430 --> 00:11:01,760
protests and how would you guys have

304
00:11:04,949 --> 00:11:03,440
handled you and gary johnson if you were

305
00:11:08,150 --> 00:11:04,959
in office

306
00:11:10,230 --> 00:11:08,160
well we are so much in line with so many

307
00:11:12,710 --> 00:11:10,240
different movements uh the ron paul

308
00:11:15,269 --> 00:11:12,720
movement yes uh the the tea party

309
00:11:17,829 --> 00:11:15,279
movement in addition of the occupy

310
00:11:20,389 --> 00:11:17,839
movements as well why well because we

311
00:11:23,269 --> 00:11:20,399
really would for example do away with

312
00:11:25,110 --> 00:11:23,279
crony capitalism you know the idea of

313
00:11:26,310 --> 00:11:25,120

the government paying people not to

314

00:11:28,550 --> 00:11:26,320

raise corn

315

00:11:30,550 --> 00:11:28,560

paying oil companies to drill for oil

316

00:11:33,030 --> 00:11:30,560

you know all of this stuff it's it's

317

00:11:35,190 --> 00:11:33,040

simply not within the libertarian

318

00:11:37,269 --> 00:11:35,200

tradition whatsoever that certainly

319

00:11:39,269 --> 00:11:37,279

appeals to the occupy movements to the

320

00:11:42,550 --> 00:11:39,279

tea party all these folks that's what we

321

00:11:44,550 --> 00:11:42,560

do uh the military you know putting our

322

00:11:46,790 --> 00:11:44,560

military in harm's way spending all of

323

00:11:49,190 --> 00:11:46,800

this money in afghanistan we would bring

324

00:11:51,030 --> 00:11:49,200

out our troops from afghanistan now well

325

00:11:52,790 --> 00:11:51,040

that appeals of course to these other

326

00:11:55,590 --> 00:11:52,800

groups that i'm talking about it just

327

00:11:58,069 --> 00:11:55,600

goes on and on this war on drugs and war

328

00:12:00,870 --> 00:11:58,079

on marijuana we would endorse in fact we

329

00:12:03,829 --> 00:12:00,880

will have on the ballot i'm assured in

330

00:12:06,550 --> 00:12:03,839

california in 2014 an initiative to

331

00:12:08,790 --> 00:12:06,560

treat marijuana like wine that certainly

332

00:12:10,629 --> 00:12:08,800

appeals to so many of these other groups

333

00:12:13,030 --> 00:12:10,639

i was a federal prosecutor as i said in

334

00:12:14,470 --> 00:12:13,040

los angeles ended up heading a unit

335

00:12:17,030 --> 00:12:14,480

prosecuting frauds against the

336

00:12:19,030 --> 00:12:17,040

government the fha va i prosecuted a lot

337

00:12:21,430 --> 00:12:19,040

of bank vice president governor gary

338

00:12:23,509 --> 00:12:21,440

johnson and i believe in responsibility

339

00:12:25,190 --> 00:12:23,519

at all levels of society and a higher

340

00:12:27,430 --> 00:12:25,200

position of trust the higher position of

341

00:12:29,430 --> 00:12:27,440

responsibility the higher standard you

342

00:12:31,269 --> 00:12:29,440

should be held to that's what we believe

343

00:12:33,990 --> 00:12:31,279

that appeals of course to the move on to

344

00:12:36,230 --> 00:12:34,000

the occupy movement to the key party we

345

00:12:38,629 --> 00:12:36,240

have all of these things in common and

346

00:12:40,629 --> 00:12:38,639

we would repeal that so-called patriot

347

00:12:42,470 --> 00:12:40,639

act that direct frontal assault on our

348

00:12:45,269 --> 00:12:42,480

civil liberties it's been embraced by

349

00:12:46,870 --> 00:12:45,279

obama supported by romney we would

350

00:12:49,269 --> 00:12:46,880

repeal it the national defense

351

00:12:51,030 --> 00:12:49,279

authorization act so-called which is

352

00:12:54,230 --> 00:12:51,040

again a direct attack on our civil

353

00:12:55,829 --> 00:12:54,240

liberties anyone you mean more likely me

354

00:12:57,590 --> 00:12:55,839

could be labeled to be a terrorist by

355

00:13:00,069 --> 00:12:57,600

the executive department i could be

356

00:13:02,550 --> 00:13:00,079

detained translation i could be arrested

357

00:13:04,949 --> 00:13:02,560

held without charges ever deported to a

358

00:13:07,110 --> 00:13:04,959

foreign country this is not what the

359

00:13:09,750 --> 00:13:07,120

united states of america stands for we

360

00:13:11,990 --> 00:13:09,760

stand for its repeal robomny embrace it

361

00:13:14,710 --> 00:13:12,000

as their own this appeals to these

362

00:13:17,430 --> 00:13:14,720

people so we have so much in common we

363

00:13:19,110 --> 00:13:17,440

have the answers we are great we are in

364

00:13:21,030 --> 00:13:19,120

the mainstream of american political

365

00:13:23,829 --> 00:13:21,040

thought today we're both financially

366

00:13:25,350 --> 00:13:23,839

responsible and socially tolerant no one

367

00:13:27,190 --> 00:13:25,360

is going to accuse obama of being

368

00:13:29,030 --> 00:13:27,200

financially responsible and no one's

369

00:13:31,750 --> 00:13:29,040

going to accuse romney of being socially

370

00:13:33,990 --> 00:13:31,760

liberal we are in that mainstream all we

371

00:13:35,990 --> 00:13:34,000

need to do is show that we're viable and

372

00:13:37,910 --> 00:13:36,000

then we would win this election we've

373

00:13:40,150 --> 00:13:37,920

been in these debates which are just

374

00:13:41,910 --> 00:13:40,160

about to wrap up now we're still trying

375

00:13:43,670 --> 00:13:41,920

we filed another lawsuit to try to get

376

00:13:46,230 --> 00:13:43,680

the governor in the last debate on

377

00:13:48,389 --> 00:13:46,240

monday but if we were seen as viable in

378

00:13:50,949 --> 00:13:48,399

those days we'd be the odds on favor to

379

00:13:53,350 --> 00:13:50,959

win this election because of that final

380

00:13:55,670 --> 00:13:53,360

comment on that regard is we will do

381

00:13:57,350 --> 00:13:55,680

something that the american people crave

382

00:13:59,269 --> 00:13:57,360

and if they understood it's possible

383

00:14:01,189 --> 00:13:59,279

they would demand and that is we will

384

00:14:03,350 --> 00:14:01,199

put in a coalition government you know

385

00:14:05,189 --> 00:14:03,360

yes libertarians and independents highly

386

00:14:07,509 --> 00:14:05,199

placed in our administration but also

387

00:14:08,710 --> 00:14:07,519

republicans and democrats assuming that

388

00:14:10,389 --> 00:14:08,720

they agree with our approach of

389

00:14:12,550 --> 00:14:10,399

financial responsibility and social

390

00:14:14,629 --> 00:14:12,560

tolerance and then can we have all of

391

00:14:16,470 --> 00:14:14,639

this bipolar politics going on this

392

00:14:18,629 --> 00:14:16,480

selfish squibbling and stuff amongst

393

00:14:19,910 --> 00:14:18,639

themselves or their own political game

394

00:14:21,509 --> 00:14:19,920

we would have some of their colleagues

395

00:14:23,350 --> 00:14:21,519

in our administration go out and talk to

396

00:14:25,269 --> 00:14:23,360

the republicans talk to the democrats

397

00:14:27,110 --> 00:14:25,279

hey guys get on board this is a good

398

00:14:29,430 --> 00:14:27,120

idea we'll give credit to anybody that

399

00:14:31,189 --> 00:14:29,440

has a good idea anybody that embraces a

400

00:14:33,910 --> 00:14:31,199

good idea and will actually join

401
00:14:35,509 --> 00:14:33,920
together and work for america instead of

402
00:14:38,470 --> 00:14:35,519
working for this selfish political

403
00:14:40,870 --> 00:14:38,480
self-interest stuff so we will be able

404
00:14:42,949 --> 00:14:40,880
to do that we're not in the debate so

405
00:14:44,790 --> 00:14:42,959
our exposure is limited we're going to

406
00:14:48,069 --> 00:14:44,800
continue to do this and put this to the

407
00:14:50,310 --> 00:14:48,079
american people follow up till 2016. i'm

408
00:14:53,030 --> 00:14:50,320
committed to this man gary johnson he's

409
00:14:54,310 --> 00:14:53,040
the right guy he's what we need and by

410
00:14:55,509 --> 00:14:54,320
thunder we're going to get him into

411
00:14:56,870 --> 00:14:55,519
office

412
00:14:59,509 --> 00:14:56,880
well you know i've always liked

413
00:15:01,670 --> 00:14:59,519

libertarian ideas about drug laws and

414

00:15:03,670 --> 00:15:01,680

freedom but i do have real concerns

415

00:15:05,269 --> 00:15:03,680

about how a libertarian economy would

416

00:15:07,189 --> 00:15:05,279

run and it's probably just due to my own

417

00:15:09,430 --> 00:15:07,199

ignorance but can you walk us through

418

00:15:12,790 --> 00:15:09,440

some of the major changes gary johnson

419

00:15:15,110 --> 00:15:12,800

yourself would would make in the economy

420

00:15:17,750 --> 00:15:15,120

of course and thank you and today like i

421

00:15:20,150 --> 00:15:17,760

was yesterday in tulane university uh in

422

00:15:21,910 --> 00:15:20,160

houston now excuse me in new orleans now

423

00:15:24,629 --> 00:15:21,920

i'm flying to houston but

424

00:15:26,550 --> 00:15:24,639

you know i i greeted this group

425

00:15:28,870 --> 00:15:26,560

unfortunately i think bad news you're

426

00:15:30,470 --> 00:15:28,880

bankrupt for every dollar today the

427

00:15:32,710 --> 00:15:30,480

federal government is spending we're

428

00:15:35,189 --> 00:15:32,720

borrowing 43 cents i don't care your

429

00:15:36,949 --> 00:15:35,199

political philosophy you will understand

430

00:15:38,870 --> 00:15:36,959

that no company could possibly do this

431

00:15:40,389 --> 00:15:38,880

and stand business no household could

432

00:15:42,470 --> 00:15:40,399

possibly do this without going through

433

00:15:44,629 --> 00:15:42,480

bankruptcy let me tell you a secret no

434

00:15:46,790 --> 00:15:44,639

country can either i mean we're greece

435

00:15:49,189 --> 00:15:46,800

and it doesn't help you to have your

436

00:15:51,829 --> 00:15:49,199

economy simply die because the biggest

437

00:15:53,509 --> 00:15:51,839

security threat to our country is a bad

438

00:15:55,670 --> 00:15:53,519

failed economy and that's where we're

439

00:15:57,670 --> 00:15:55,680

going so we're going to have to actually

440

00:15:59,189 --> 00:15:57,680

have an audit of the entire federal

441

00:16:00,710 --> 00:15:59,199

government we're going to have to reduce

442

00:16:03,110 --> 00:16:00,720

spending

443

00:16:04,790 --> 00:16:03,120

strongly and so what are we going to do

444

00:16:07,030 --> 00:16:04,800

we have that audit which has never

445

00:16:09,030 --> 00:16:07,040

happened before using generally accepted

446

00:16:10,870 --> 00:16:09,040

accounting principles just like any

447

00:16:12,470 --> 00:16:10,880

public corporation is required to do

448

00:16:14,230 --> 00:16:12,480

that every year they're going to do the

449

00:16:15,829 --> 00:16:14,240

same thing for the government that

450

00:16:17,829 --> 00:16:15,839

includes the pentagon by the way and

451
00:16:19,189 --> 00:16:17,839
they scream oh no oh no national

452
00:16:20,949 --> 00:16:19,199
security to say we're not going to give

453
00:16:22,949 --> 00:16:20,959
away any national secrets but we're

454
00:16:24,230 --> 00:16:22,959
going to have an audit and one of the

455
00:16:26,550 --> 00:16:24,240
things then that we're going to do is

456
00:16:28,389 --> 00:16:26,560
look at all the money we're spending of

457
00:16:30,389 --> 00:16:28,399
our troops fighting these wars all

458
00:16:32,470 --> 00:16:30,399
around the world we've spent a trillion

459
00:16:34,310 --> 00:16:32,480
dollars because of afghanistan and the

460
00:16:36,949 --> 00:16:34,320
answer is we can't afford it we can't be

461
00:16:39,189 --> 00:16:36,959
the worst policeman we simply anything

462
00:16:41,189 --> 00:16:39,199
we can accomplish in afghanistan we have

463
00:16:43,269 --> 00:16:41,199

we'll bring those troops home now you

464

00:16:45,670 --> 00:16:43,279

know something great we are actually

465

00:16:48,150 --> 00:16:45,680

nation building fixing the roads and the

466

00:16:49,670 --> 00:16:48,160

schools and the pipe pipelines of

467

00:16:51,269 --> 00:16:49,680

foreign countries halfway around the

468

00:16:52,710 --> 00:16:51,279

world we're going to spend that money

469

00:16:54,550 --> 00:16:52,720

here instead we need our own

470

00:16:56,230 --> 00:16:54,560

infrastructure to be fixed so that's

471

00:16:58,710 --> 00:16:56,240

part of that 43

472

00:17:01,509 --> 00:16:58,720

we have military bases break something

473

00:17:03,430 --> 00:17:01,519

on the order of 900 to 1 000 military

474

00:17:05,829 --> 00:17:03,440

bases in foreign countries today now

475

00:17:07,270 --> 00:17:05,839

we're not isolationist i say if any of

476

00:17:09,510 --> 00:17:07,280

those bases are necessary for our

477

00:17:12,230 --> 00:17:09,520

security terrific reinforce them as far

478

00:17:14,069 --> 00:17:12,240

as that's concerned but me probably we

479

00:17:15,669 --> 00:17:14,079

could close down 80 percent of those

480

00:17:16,710 --> 00:17:15,679

without even scratching our heads more

481

00:17:18,390 --> 00:17:16,720

than once

482

00:17:20,949 --> 00:17:18,400

because they're not necessary for our

483

00:17:22,710 --> 00:17:20,959

security i i swear to you that germany

484

00:17:24,549 --> 00:17:22,720

is not going to be attacked by austria

485

00:17:26,789 --> 00:17:24,559

in my lifetime let's bring those troops

486

00:17:29,110 --> 00:17:26,799

home station them in san diego or

487

00:17:31,430 --> 00:17:29,120

nebraska or new jersey or whatever

488

00:17:32,549 --> 00:17:31,440

station them in our homeland instead of

489

00:17:34,390 --> 00:17:32,559

theirs

490

00:17:36,549 --> 00:17:34,400

again they're necessary for our security

491

00:17:38,950 --> 00:17:36,559

that's different i actually read a

492

00:17:40,549 --> 00:17:38,960

magazine article about two months ago

493

00:17:42,870 --> 00:17:40,559

quoting a woman who lives in a small

494

00:17:45,029 --> 00:17:42,880

town in germany next to another us army

495

00:17:47,110 --> 00:17:45,039

base and she was horrified of the idea

496

00:17:49,669 --> 00:17:47,120

that we might close that army base but

497

00:17:51,350 --> 00:17:49,679

she said oh wait a minute about 92

498

00:17:53,510 --> 00:17:51,360

percent of the revenue from our small

499

00:17:55,029 --> 00:17:53,520

town comes from the u.s army i say you

500

00:17:56,950 --> 00:17:55,039

know you're probably right but we're

501
00:17:59,590 --> 00:17:56,960
going to instead spend that money in our

502
00:18:01,909 --> 00:17:59,600
home instead of theirs so so these

503
00:18:04,150 --> 00:18:01,919
that's part of that 43 percent savings

504
00:18:06,789 --> 00:18:04,160
that we simply must do and then we'll

505
00:18:08,390 --> 00:18:06,799
again conduct that audit of our all of

506
00:18:09,990 --> 00:18:08,400
our federal agencies

507
00:18:12,070 --> 00:18:10,000
for example we have the department of

508
00:18:14,710 --> 00:18:12,080
energy that's now choosing winners and

509
00:18:16,950 --> 00:18:14,720
losers in the marketplace ethanol you

510
00:18:17,909 --> 00:18:16,960
know it's just maybe 10 of the gasoline

511
00:18:20,950 --> 00:18:17,919
we use

512
00:18:22,710 --> 00:18:20,960
in california has been discreet by the

513
00:18:24,870 --> 00:18:22,720

federal government department of energy

514

00:18:27,110 --> 00:18:24,880

you have to use corn for that well wait

515

00:18:28,789 --> 00:18:27,120

a minute first of all the corn crop and

516

00:18:30,230 --> 00:18:28,799

i've been through illinois indiana the

517

00:18:32,390 --> 00:18:30,240

drought is severe

518

00:18:35,350 --> 00:18:32,400

why dictate what the corn beet is for

519

00:18:38,070 --> 00:18:35,360

that instead of for feeding hogs and uh

520

00:18:40,549 --> 00:18:38,080

and tortilla marketing the rest instead

521

00:18:42,549 --> 00:18:40,559

in fact i was on a

522

00:18:45,270 --> 00:18:42,559

radio talk show out of iowa maybe a

523

00:18:46,630 --> 00:18:45,280

couple years ago and a man called in and

524

00:18:49,430 --> 00:18:46,640

said you know i'm going to talk against

525

00:18:52,230 --> 00:18:49,440

my own economic self-interest mr gray i

526
00:18:54,549 --> 00:18:52,240
raise porn however i'm here to tell you

527
00:18:57,190 --> 00:18:54,559
that an acre of him would result in a

528
00:18:59,750 --> 00:18:57,200
great deal more ethanol per acre than an

529
00:19:02,150 --> 00:18:59,760
acre of cornwood and cornwall quadrotor

530
00:19:04,230 --> 00:19:02,160
carburetors and employment well it's not

531
00:19:06,710 --> 00:19:04,240
my field i don't know but let the market

532
00:19:08,710 --> 00:19:06,720
figure out which crop is best to use

533
00:19:10,630 --> 00:19:08,720
ethanol we don't need the department of

534
00:19:12,789 --> 00:19:10,640
energy it's it's counterproductive it's

535
00:19:14,549 --> 00:19:12,799
inappropriate we'll close it down and

536
00:19:15,909 --> 00:19:14,559
that's a big savings that's part of the

537
00:19:17,750 --> 00:19:15,919
43

538
00:19:19,190 --> 00:19:17,760

it goes on and on i would close down a

539

00:19:20,950 --> 00:19:19,200

whole lot of the bureau of indian

540

00:19:22,630 --> 00:19:20,960

affairs for several heaven's sake now

541

00:19:24,549 --> 00:19:22,640

you can talk to native americans and

542

00:19:26,390 --> 00:19:24,559

i've talked to probably 50 in the last

543

00:19:28,470 --> 00:19:26,400

couple of years you ask them a question

544

00:19:31,270 --> 00:19:28,480

what do you think about the bia they

545

00:19:33,430 --> 00:19:31,280

despite it i mean wouldn't you right if

546

00:19:35,750 --> 00:19:33,440

they don't trust you to educate your own

547

00:19:37,990 --> 00:19:35,760

children off or baby we'll do it for you

548

00:19:40,470 --> 00:19:38,000

nonsense it's insulting we'll close that

549

00:19:42,630 --> 00:19:40,480

down so we just look at things we'll

550

00:19:44,630 --> 00:19:42,640

disclose everything very publicly and

551
00:19:46,549 --> 00:19:44,640
say wait a minute this one isn't working

552
00:19:49,110 --> 00:19:46,559
this one's duplicative we've got to

553
00:19:51,029 --> 00:19:49,120
reinforce our economy because that's our

554
00:19:53,110 --> 00:19:51,039
security threat and we're going to give

555
00:19:55,110 --> 00:19:53,120
an honest look to it and reduce that

556
00:19:57,190 --> 00:19:55,120
obese federal government simply doing

557
00:19:59,350 --> 00:19:57,200
things that are inappropriate it goes on

558
00:20:01,750 --> 00:19:59,360
and on but i think you get the idea yeah

559
00:20:04,470 --> 00:20:01,760
i mean i i agree just the just the

560
00:20:06,549 --> 00:20:04,480
changes in ending the wars and the drug

561
00:20:08,870 --> 00:20:06,559
prohibition i mean that alone would do

562
00:20:11,270 --> 00:20:08,880
wonders for the economy and plug up some

563
00:20:12,070 --> 00:20:11,280

holes of just where we're bleeding money

564

00:20:14,630 --> 00:20:12,080

you know

565

00:20:17,190 --> 00:20:14,640

well let me let me again insert that

566

00:20:19,190 --> 00:20:17,200

we actually have uh in our initiative to

567

00:20:21,750 --> 00:20:19,200

regulate marijuana like wine you don't

568

00:20:23,750 --> 00:20:21,760

have to listen to me it was the the

569

00:20:25,590 --> 00:20:23,760

language from the depart the

570

00:20:27,750 --> 00:20:25,600

attorney general's office that if we

571

00:20:29,909 --> 00:20:27,760

were to treat marijuana like wine we

572

00:20:31,909 --> 00:20:29,919

would save tens of millions of dollars

573

00:20:33,990 --> 00:20:31,919

every year in enforcement costs that's

574

00:20:35,590 --> 00:20:34,000

just for the state of california alone

575

00:20:38,310 --> 00:20:35,600

and hundreds of millions of dollars

576
00:20:40,470 --> 00:20:38,320
would be gained by taxation so we could

577
00:20:42,310 --> 00:20:40,480
use that money to pay our firefighters

578
00:20:44,950 --> 00:20:42,320
their teachers fix our highways i mean

579
00:20:47,029 --> 00:20:44,960
that's just one thing but it's huge it's

580
00:20:49,029 --> 00:20:47,039
just absolutely huge the united states

581
00:20:50,950 --> 00:20:49,039
of america leads the world in the

582
00:20:53,110 --> 00:20:50,960
incarceration of our people both by

583
00:20:55,669 --> 00:20:53,120
sheer numbers as well as per capita and

584
00:20:57,669 --> 00:20:55,679
here i assure you that we're number one

585
00:20:59,270 --> 00:20:57,679
does not make me proud we're ruining

586
00:21:02,549 --> 00:20:59,280
people's lives

587
00:21:04,789 --> 00:21:02,559
in california alone tens of thousands of

588
00:21:06,470 --> 00:21:04,799

people are in prison as we speak that

589

00:21:08,870 --> 00:21:06,480

simply should not be there very

590

00:21:10,630 --> 00:21:08,880

expensive past time prison guards union

591

00:21:13,110 --> 00:21:10,640

of course is savoring it and they're

592

00:21:16,070 --> 00:21:13,120

thriving but it's simply harmful we

593

00:21:18,149 --> 00:21:16,080

can't afford it it's inhuman uh we're

594

00:21:20,149 --> 00:21:18,159

breaking up families taking

595

00:21:22,710 --> 00:21:20,159

parents away from children the rest of

596

00:21:24,230 --> 00:21:22,720

that so let's focus on what people do

597

00:21:25,990 --> 00:21:24,240

and what they instead of what they put

598

00:21:28,310 --> 00:21:26,000

into their bodies and then we'll be a

599

00:21:30,310 --> 00:21:28,320

lot more successful so again this is

600

00:21:31,750 --> 00:21:30,320

exciting craig you know this is the most

601
00:21:33,669 --> 00:21:31,760
exciting thing that's happened to me

602
00:21:36,230 --> 00:21:33,679
since the birth of my children and this

603
00:21:38,230 --> 00:21:36,240
is the right guy he cares about people

604
00:21:40,310 --> 00:21:38,240
again i do too i was in the peace corps

605
00:21:42,230 --> 00:21:40,320
we're going to make sure yes we have a

606
00:21:44,070 --> 00:21:42,240
safety net for our people but government

607
00:21:45,990 --> 00:21:44,080
will be the last resort instead of the

608
00:21:47,990 --> 00:21:46,000
first resort but when it comes down to

609
00:21:49,830 --> 00:21:48,000
it nobody is going to be starving in our

610
00:21:52,549 --> 00:21:49,840
state or country nobody is going to be

611
00:21:54,230 --> 00:21:52,559
bleeding or not have medical care but

612
00:21:55,909 --> 00:21:54,240
government's the last resort instead of

613
00:21:59,270 --> 00:21:55,919

the first resort and we're going to

614

00:22:01,270 --> 00:21:59,280

spend money uh get a lot more value for

615

00:22:03,909 --> 00:22:01,280

that money and really

616

00:22:05,750 --> 00:22:03,919

tear down this obese intrusive

617

00:22:08,149 --> 00:22:05,760

federal government that we now have

618

00:22:09,590 --> 00:22:08,159

taking away our liberties etc so again

619

00:22:11,909 --> 00:22:09,600

it's just an exciting thing and i'm

620

00:22:13,990 --> 00:22:11,919

proud to be involved of course what you

621

00:22:16,070 --> 00:22:14,000

just said is really really important to

622

00:22:18,950 --> 00:22:16,080

me about the safety net because i do

623

00:22:20,390 --> 00:22:18,960

worry um on the federal level with the

624

00:22:21,909 --> 00:22:20,400

changes that you make with the drug

625

00:22:24,950 --> 00:22:21,919

policy in the military i mean that's

626
00:22:27,669 --> 00:22:24,960
gonna decrease the deficit and you know

627
00:22:30,070 --> 00:22:27,679
stop us from bleeding money

628
00:22:31,270 --> 00:22:30,080
as a country but individuals i worry

629
00:22:33,350 --> 00:22:31,280
about some of the programs that

630
00:22:35,029 --> 00:22:33,360
libertarians talk about cutting because

631
00:22:36,950 --> 00:22:35,039
without short-term unemployment or

632
00:22:39,669 --> 00:22:36,960
government assistance how could i

633
00:22:43,110 --> 00:22:39,679
suddenly lose my job and not also lose

634
00:22:45,110 --> 00:22:43,120
my home before i found another one

635
00:22:47,110 --> 00:22:45,120
well i understand and unfortunately it

636
00:22:49,110 --> 00:22:47,120
was the government that really created

637
00:22:52,230 --> 00:22:49,120
this problem with the banking and the

638
00:22:56,470 --> 00:22:53,830

housing and the rest of that stuff

639

00:22:58,630 --> 00:22:56,480

because we actually insured risky loans

640

00:23:00,549 --> 00:22:58,640

or loans that transparently we're not

641

00:23:02,950 --> 00:23:00,559

going to think we're not going to take

642

00:23:05,029 --> 00:23:02,960

place but once again and just talk about

643

00:23:06,070 --> 00:23:05,039

health care when it comes down to it

644

00:23:07,830 --> 00:23:06,080

we're going to

645

00:23:09,110 --> 00:23:07,840

get the government out of our healthcare

646

00:23:11,430 --> 00:23:09,120

for people to come take care of

647

00:23:13,110 --> 00:23:11,440

themselves craig i don't i know neither

648

00:23:15,029 --> 00:23:13,120

you nor i wants to depart from motor

649

00:23:16,789 --> 00:23:15,039

vehicles to be monitoring intake and

650

00:23:19,430 --> 00:23:16,799

doing our health care but when it comes

651
00:23:21,590 --> 00:23:19,440
down to it again when

652
00:23:22,549 --> 00:23:21,600
if people simply cannot take care of

653
00:23:24,310 --> 00:23:22,559
themselves

654
00:23:26,149 --> 00:23:24,320
we're going to have health care for them

655
00:23:28,310 --> 00:23:26,159
we're going to put in under at least as

656
00:23:30,310 --> 00:23:28,320
far as i am concerned government clinics

657
00:23:32,710 --> 00:23:30,320
are sponsored by the government

658
00:23:35,029 --> 00:23:32,720
to provide medicines nurses and

659
00:23:37,430 --> 00:23:35,039
hospitals people and doctors instead of

660
00:23:39,350 --> 00:23:37,440
administration bureaucracy and fraud and

661
00:23:41,350 --> 00:23:39,360
you know if you can call it socialized

662
00:23:43,590 --> 00:23:41,360
medicine if you want to but that will be

663
00:23:45,029 --> 00:23:43,600

the ultimate safety net where we're

664

00:23:46,870 --> 00:23:45,039

going to spend money on doctors and

665

00:23:48,630 --> 00:23:46,880

medicines etc

666

00:23:50,630 --> 00:23:48,640

and you can call it socialized medicine

667

00:23:53,190 --> 00:23:50,640

if you want to i lived in a socialized

668

00:23:54,870 --> 00:23:53,200

medicine facility for four years it's

669

00:23:56,870 --> 00:23:54,880

great socialistic enterprise called the

670

00:23:58,789 --> 00:23:56,880

united states navy where i or my

671

00:24:01,110 --> 00:23:58,799

dependents can go to the naval clinic we

672

00:24:02,630 --> 00:24:01,120

could get pretty good health care uh and

673

00:24:04,870 --> 00:24:02,640

when it comes down to it that's what

674

00:24:07,909 --> 00:24:04,880

we'll do but today and we've had this

675

00:24:10,310 --> 00:24:07,919

for last of bureaucracy this obamacare

676

00:24:12,549 --> 00:24:10,320

is increasing the bureaucracy driving

677

00:24:14,310 --> 00:24:12,559

medical doctors out of the field of

678

00:24:17,190 --> 00:24:14,320

throttling our whole mental health care

679

00:24:19,350 --> 00:24:17,200

system the answer is no the answer is no

680

00:24:21,750 --> 00:24:19,360

we will repeal that when it comes down

681

00:24:23,750 --> 00:24:21,760

to it again i promise you i have

682

00:24:25,750 --> 00:24:23,760

anything to say about it at all i know

683

00:24:27,430 --> 00:24:25,760

governor johnson feels the same we're

684

00:24:28,950 --> 00:24:27,440

going to have that safety net the

685

00:24:30,470 --> 00:24:28,960

government will be the last resort

686

00:24:31,590 --> 00:24:30,480

instead of the first resort it's going

687

00:24:34,070 --> 00:24:31,600

to work

688

00:24:35,510 --> 00:24:34,080

well let's actually discuss corporations

689

00:24:37,750 --> 00:24:35,520

for a minute because this is another

690

00:24:40,549 --> 00:24:37,760

issue i love that libertarians

691

00:24:42,310 --> 00:24:40,559

deregulate things for the individual

692

00:24:44,549 --> 00:24:42,320

you know shrink the size of government

693

00:24:46,070 --> 00:24:44,559

but they also

694

00:24:48,310 --> 00:24:46,080

get rid of some of the regulation on

695

00:24:49,990 --> 00:24:48,320

corporations and it's my opinion that

696

00:24:51,669 --> 00:24:50,000

corporations are moralists when it comes

697

00:24:53,590 --> 00:24:51,679

to their bottom line that's why our food

698

00:24:56,310 --> 00:24:53,600

becomes cheaper and less nutritious it's

699

00:24:58,310 --> 00:24:56,320

why at my day job out of the 11 store

700

00:25:00,710 --> 00:24:58,320

managers in my district working 50 hours

701
00:25:03,590 --> 00:25:00,720
a week running million dollar stores

702
00:25:05,430 --> 00:25:03,600
zero of them can afford to be homeowners

703
00:25:07,830 --> 00:25:05,440
but do you really think less regulation

704
00:25:09,269 --> 00:25:07,840
on corporations and eliminating the

705
00:25:10,870 --> 00:25:09,279
minimum wage which is something i've

706
00:25:13,190 --> 00:25:10,880
heard about do you think that'll help

707
00:25:15,830 --> 00:25:13,200
the american people

708
00:25:17,830 --> 00:25:15,840
uh the answer is yes uh governor gary

709
00:25:19,430 --> 00:25:17,840
johnson when he was the

710
00:25:21,750 --> 00:25:19,440
governor of new mexico actually

711
00:25:23,830 --> 00:25:21,760
streamlined regulations look we need

712
00:25:25,590 --> 00:25:23,840
government no question about it we need

713
00:25:26,830 --> 00:25:25,600

regulations but they need to be more

714

00:25:28,549 --> 00:25:26,840

user-friendly

715

00:25:30,710 --> 00:25:28,559

understandable i mean you can look at

716

00:25:32,710 --> 00:25:30,720

these supposed regulations going back to

717

00:25:34,149 --> 00:25:32,720

medical marijuana dispensaries nobody

718

00:25:36,310 --> 00:25:34,159

understands what they are and i

719

00:25:37,909 --> 00:25:36,320

sympathize with the police certainly the

720

00:25:40,070 --> 00:25:37,919

dispensary owners and certainly the

721

00:25:41,430 --> 00:25:40,080

patients nobody really knows what to

722

00:25:43,510 --> 00:25:41,440

expect they don't know what the

723

00:25:45,990 --> 00:25:43,520

regulations are we will streamline them

724

00:25:48,149 --> 00:25:46,000

make them understandable user friendly

725

00:25:50,230 --> 00:25:48,159

and of course we need regulations

726

00:25:52,149 --> 00:25:50,240

when governor johnson was in new mexico

727

00:25:54,549 --> 00:25:52,159

he did streamline regulations and that

728

00:25:55,750 --> 00:25:54,559

resulted in the creation of more private

729

00:25:58,390 --> 00:25:55,760

jobs

730

00:26:01,909 --> 00:25:58,400

in the in the economy are per capita

731

00:26:03,909 --> 00:26:01,919

than any other state so you know again

732

00:26:05,590 --> 00:26:03,919

we need regulations i'm not going to go

733

00:26:07,269 --> 00:26:05,600

back to laissez faire and say oh you

734

00:26:08,070 --> 00:26:07,279

know corporations bless your corporate

735

00:26:09,590 --> 00:26:08,080

heart

736

00:26:11,510 --> 00:26:09,600

they will take advantage of the system

737

00:26:13,590 --> 00:26:11,520

just like individuals will they need

738

00:26:15,269 --> 00:26:13,600

responsibility we need antitrust laws i

739

00:26:18,230 --> 00:26:15,279

mean that sort of thing but they have to

740

00:26:21,269 --> 00:26:18,240

be streamlined because bureaucracies

741

00:26:23,590 --> 00:26:21,279

again can tend to expand tend to to

742

00:26:25,350 --> 00:26:23,600

invade your privacy invade your world

743

00:26:27,430 --> 00:26:25,360

because they really need to justify

744

00:26:29,430 --> 00:26:27,440

their existence and we need to pair that

745

00:26:31,430 --> 00:26:29,440

back we'll still have it but we'll have

746

00:26:33,430 --> 00:26:31,440

it more streamlined more understandable

747

00:26:36,549 --> 00:26:33,440

and more fair in fact if you're worried

748

00:26:37,350 --> 00:26:36,559

about creation of jobs we have

749

00:26:41,430 --> 00:26:37,360

we

750

00:26:42,789 --> 00:26:41,440

spending hundreds of millions of dollars

751
00:26:44,950 --> 00:26:42,799
on their ass you've seen them on

752
00:26:46,710 --> 00:26:44,960
television right have you seen any of

753
00:26:48,710 --> 00:26:46,720
them to talk about their records say i'm

754
00:26:50,390 --> 00:26:48,720
running on my record the answer is no

755
00:26:52,630 --> 00:26:50,400
they don't have a record to run on are

756
00:26:54,710 --> 00:26:52,640
they talking about new and good ideas no

757
00:26:56,149 --> 00:26:54,720
they don't have any ideas what they are

758
00:26:58,070 --> 00:26:56,159
only doing is spending hundreds of

759
00:26:59,909 --> 00:26:58,080
millions of dollars showing how inept

760
00:27:02,149 --> 00:26:59,919
the other one is and honestly we agree

761
00:27:04,149 --> 00:27:02,159
with both of them they just don't have

762
00:27:06,310 --> 00:27:04,159
any ideas the only idea they have is

763
00:27:08,870 --> 00:27:06,320

they want to be elected we would for

764

00:27:10,470 --> 00:27:08,880

example repeal the income tax oh wait a

765

00:27:12,149 --> 00:27:10,480

minute what's the connection here we

766

00:27:14,630 --> 00:27:12,159

will bring in millions and millions of

767

00:27:16,390 --> 00:27:14,640

jobs simplify our lives frank do you

768

00:27:23,110 --> 00:27:16,400

believe that the income tax today is

769

00:27:25,990 --> 00:27:24,149

well i was going to say i've seen

770

00:27:28,389 --> 00:27:26,000

documentaries that say the income tax

771

00:27:30,870 --> 00:27:28,399

isn't even uh formally on the books as a

772

00:27:35,510 --> 00:27:33,830

well uh i don't know how true it

773

00:27:37,110 --> 00:27:35,520

we do have the 16th amendment some

774

00:27:38,630 --> 00:27:37,120

people say it was never ratified but one

775

00:27:40,950 --> 00:27:38,640

way or the other we would repeal the

776

00:27:44,310 --> 00:27:40,960

16th amendment and put in a retail

777

00:27:45,830 --> 00:27:44,320

consumption tax now look today our goods

778

00:27:47,750 --> 00:27:45,840

for example have a competitive

779

00:27:49,510 --> 00:27:47,760

disadvantage because they have paid

780

00:27:51,350 --> 00:27:49,520

taxes on them through the companies that

781

00:27:53,830 --> 00:27:51,360

make them uh before they leave our

782

00:27:56,070 --> 00:27:53,840

shores as exports you know income taxes

783

00:27:57,830 --> 00:27:56,080

if they payroll taxes et cetera

784

00:27:59,510 --> 00:27:57,840

competing against goods around the world

785

00:28:01,750 --> 00:27:59,520

that have not paid taxes on them is a

786

00:28:03,669 --> 00:28:01,760

competitive disadvantage same deal in

787

00:28:05,430 --> 00:28:03,679

reverse we have a lot of goods coming in

788

00:28:08,470 --> 00:28:05,440

from other countries i don't care

789

00:28:10,230 --> 00:28:08,480

singapore japan argentina whatever

790

00:28:11,990 --> 00:28:10,240

they've not paid taxes on them competing

791

00:28:13,510 --> 00:28:12,000

with our domestic goods that have and

792

00:28:15,510 --> 00:28:13,520

then all of them pay the same sales

793

00:28:17,750 --> 00:28:15,520

taxes if you were to repeal the income

794

00:28:20,310 --> 00:28:17,760

tax and then have a retail consumption

795

00:28:22,710 --> 00:28:20,320

tax instead you'd have all of the goods

796

00:28:24,789 --> 00:28:22,720

paying the same taxes and it would it

797

00:28:26,710 --> 00:28:24,799

would level the playing field i was in

798

00:28:28,310 --> 00:28:26,720

an airplane recently sitting next to an

799

00:28:30,470 --> 00:28:28,320

executive from nike you know the shoe

800

00:28:32,310 --> 00:28:30,480

manufacturer he said

801
00:28:34,310 --> 00:28:32,320
zeiss got big and he said judge greatest

802
00:28:36,230 --> 00:28:34,320
is sensational we were to repeal the

803
00:28:38,230 --> 00:28:36,240
income tax most companies would bring

804
00:28:40,710 --> 00:28:38,240
their manufacturing back to the united

805
00:28:43,029 --> 00:28:40,720
states of america translation that means

806
00:28:45,590 --> 00:28:43,039
millions and millions of jobs so it's a

807
00:28:48,310 --> 00:28:45,600
reverse outsourcing but wait a minute

808
00:28:50,950 --> 00:28:48,320
wouldn't this in effect be a tax on the

809
00:28:53,190 --> 00:28:50,960
poor unduly regressive on the four and

810
00:28:55,750 --> 00:28:53,200
the answer is governor gary johnson will

811
00:28:58,149 --> 00:28:55,760
take care of that for example how much

812
00:28:59,669 --> 00:28:58,159
would this retail consumption tax be i

813
00:29:01,269 --> 00:28:59,679

don't know let's say ten percent

814

00:29:03,750 --> 00:29:01,279

probably be somewhere between eight and

815

00:29:05,590 --> 00:29:03,760

ten percent rate and twelve percent if

816

00:29:07,430 --> 00:29:05,600

it were ten percent first of all

817

00:29:09,430 --> 00:29:07,440

understand greg that everybody that's

818

00:29:11,750 --> 00:29:09,440

working and receives a payroll check

819

00:29:14,070 --> 00:29:11,760

would no longer have any withholding for

820

00:29:15,350 --> 00:29:14,080

income tax for social security all of

821

00:29:16,470 --> 00:29:15,360

that money would stay in their pocket

822

00:29:18,230 --> 00:29:16,480

because it would be paid by the

823

00:29:20,470 --> 00:29:18,240

consumption tax so people will have more

824

00:29:23,190 --> 00:29:20,480

money to begin with that's a good thing

825

00:29:24,950 --> 00:29:23,200

however what about the poor if governor

826

00:29:27,190 --> 00:29:24,960

johnson is in there he will actually

827

00:29:29,350 --> 00:29:27,200

have a rebate to every adult in the

828

00:29:30,389 --> 00:29:29,360

country every month say for an amount of

829

00:29:32,389 --> 00:29:30,399

100

830

00:29:34,389 --> 00:29:32,399

that means that if you spend a thousand

831

00:29:36,230 --> 00:29:34,399

dollars a month on goods and services

832

00:29:37,750 --> 00:29:36,240

you'd end up paying no taxes at all if

833

00:29:39,430 --> 00:29:37,760

you're really poor and spend less than

834

00:29:41,590 --> 00:29:39,440

that you'll actually make money on the

835

00:29:43,590 --> 00:29:41,600

deal so that will that will certainly

836

00:29:47,110 --> 00:29:43,600

take care of the poor and then everybody

837

00:29:48,710 --> 00:29:47,120

will pay the same 10 cents tax on every

838

00:29:50,950 --> 00:29:48,720

dollar they spend over a thousand

839

00:29:52,710 --> 00:29:50,960

dollars bill gates on down now i think

840

00:29:54,389 --> 00:29:52,720

you would agree with me that people that

841

00:29:55,750 --> 00:29:54,399

have money spend more money than people

842

00:29:58,149 --> 00:29:55,760

that don't so they're going to pay a

843

00:30:00,870 --> 00:29:58,159

larger amount of taxes it's really going

844

00:30:02,630 --> 00:30:00,880

to work it will simplify our lives you

845

00:30:05,029 --> 00:30:02,640

can make business decisions for business

846

00:30:07,110 --> 00:30:05,039

reasons instead of tax reasons and by

847

00:30:09,190 --> 00:30:07,120

the way there are numbers of companies

848

00:30:11,269 --> 00:30:09,200

that have mastered the system have all

849

00:30:13,190 --> 00:30:11,279

these tax breaks before them they don't

850

00:30:15,110 --> 00:30:13,200

pay taxes at all think general electric

851
00:30:17,750 --> 00:30:15,120
if you want to that would change that

852
00:30:20,149 --> 00:30:17,760
dynamic so that people actually will pay

853
00:30:21,830 --> 00:30:20,159
a lot more it will be fair people can

854
00:30:24,389 --> 00:30:21,840
make personal decisions for personal

855
00:30:25,909 --> 00:30:24,399
reasons instead of tax reasons now the

856
00:30:28,630 --> 00:30:25,919
problem is that the republicans the

857
00:30:30,870 --> 00:30:28,640
democrats will never put this in why

858
00:30:32,630 --> 00:30:30,880
because these people in congress are

859
00:30:35,029 --> 00:30:32,640
absolutely adamant in keeping our

860
00:30:37,510 --> 00:30:35,039
present failed system because they get

861
00:30:39,430 --> 00:30:37,520
enormous political power by voting for

862
00:30:41,190 --> 00:30:39,440
tax breaks to their wealthy constituents

863
00:30:42,630 --> 00:30:41,200

and that's across the board all of them

864

00:30:44,950 --> 00:30:42,640

do it and they don't want to give up

865

00:30:47,350 --> 00:30:44,960

that power when we win this election

866

00:30:49,590 --> 00:30:47,360

we'll get such attention nationwide that

867

00:30:51,350 --> 00:30:49,600

people will absolutely watch this and

868

00:30:53,110 --> 00:30:51,360

see and any of their elected officials

869

00:30:54,870 --> 00:30:53,120

that don't vote for this will be putting

870

00:30:56,389 --> 00:30:54,880

their selfish political interests ahead

871

00:30:58,310 --> 00:30:56,399

of the people we're going to say you

872

00:31:00,070 --> 00:30:58,320

know go talk to your representatives and

873

00:31:02,230 --> 00:31:00,080

straighten them out this is something

874

00:31:03,990 --> 00:31:02,240

that will work for everybody and

875

00:31:05,990 --> 00:31:04,000

simplify our lives there's a difference

876

00:31:08,230 --> 00:31:06,000

between simplification which i certainly

877

00:31:10,630 --> 00:31:08,240

favor and simplistic which of course is

878

00:31:12,870 --> 00:31:10,640

not this will simplify our lives and

879

00:31:15,430 --> 00:31:12,880

really make things work streamlined

880

00:31:17,669 --> 00:31:15,440

increase jobs and help really everybody

881

00:31:19,590 --> 00:31:17,679

across the board except people like h r

882

00:31:21,430 --> 00:31:19,600

block they don't like the idea i think

883

00:31:23,509 --> 00:31:21,440

we can live with that

884

00:31:24,389 --> 00:31:23,519

yeah i like a lot of what you're saying

885

00:31:25,830 --> 00:31:24,399

um

886

00:31:27,669 --> 00:31:25,840

but some something that really does

887

00:31:29,909 --> 00:31:27,679

concern me um

888

00:31:32,230 --> 00:31:29,919

in terms of corporations is we have a

889

00:31:34,389 --> 00:31:32,240

system where limited liability

890

00:31:36,230 --> 00:31:34,399

corporations like bayer for example this

891

00:31:38,470 --> 00:31:36,240

happened a few years ago they can find

892

00:31:40,389 --> 00:31:38,480

that they have hiv contaminated blood

893

00:31:42,070 --> 00:31:40,399

and because it's more profitable they

894

00:31:44,149 --> 00:31:42,080

can dump that on foreign markets and

895

00:31:45,750 --> 00:31:44,159

then pay the fine and still be trusted

896

00:31:47,350 --> 00:31:45,760

to put products on our shelves with

897

00:31:50,630 --> 00:31:47,360

nobody to hold accountable because of

898

00:31:52,470 --> 00:31:50,640

the limited liability is there any way

899

00:31:54,870 --> 00:31:52,480

to fix that because if a normal company

900

00:31:56,470 --> 00:31:54,880

with a normal owner had done something

901
00:31:58,310 --> 00:31:56,480
like that they would not be in business

902
00:32:00,470 --> 00:31:58,320
anymore

903
00:32:02,789 --> 00:32:00,480
i i've never heard that before i think

904
00:32:04,070 --> 00:32:02,799
that is that's not only inhuman that

905
00:32:07,190 --> 00:32:04,080
that's that's something simply that

906
00:32:08,789 --> 00:32:07,200
should be prosecuted that's a crime uh

907
00:32:11,269 --> 00:32:08,799
honestly i've never heard that happening

908
00:32:13,990 --> 00:32:11,279
before maybe yes maybe no but the answer

909
00:32:16,470 --> 00:32:14,000
is anybody that does that we would

910
00:32:18,710 --> 00:32:16,480
certainly release that information so

911
00:32:20,230 --> 00:32:18,720
fast if the people of the united states

912
00:32:21,830 --> 00:32:20,240
heard that one of our companies was

913
00:32:23,750 --> 00:32:21,840

doing that they'd go out of business

914

00:32:25,830 --> 00:32:23,760

because there'd be such outrage nobody

915

00:32:28,389 --> 00:32:25,840

buy their products and if they would be

916

00:32:30,070 --> 00:32:28,399

violating any of our laws by doing that

917

00:32:32,149 --> 00:32:30,080

we prosecute the

918

00:32:33,990 --> 00:32:32,159

devil out of them but you know i mean

919

00:32:35,990 --> 00:32:34,000

that that's just outrageous i don't have

920

00:32:37,750 --> 00:32:36,000

any personal information but that's not

921

00:32:40,389 --> 00:32:37,760

going to happen in our world

922

00:32:42,870 --> 00:32:40,399

we believe in responsibility at all

923

00:32:44,630 --> 00:32:42,880

levels again let me tell you i was a

924

00:32:46,230 --> 00:32:44,640

federal prosecutor for a number of years

925

00:32:48,310 --> 00:32:46,240

in los angeles right and yeah i

926

00:32:50,070 --> 00:32:48,320

prosecuted bank robberies and drug cases

927

00:32:52,310 --> 00:32:50,080

and stuff i was a drug warrior back then

928

00:32:53,669 --> 00:32:52,320

but i also ended up heading a unit

929

00:32:55,750 --> 00:32:53,679

prosecuting frauds against the

930

00:32:57,830 --> 00:32:55,760

government you know the fha the va i

931

00:32:59,990 --> 00:32:57,840

ended up prosecuting a lot of bank vice

932

00:33:01,350 --> 00:33:00,000

presidents and most people don't do that

933

00:33:04,470 --> 00:33:01,360

because they can actually defend

934

00:33:06,310 --> 00:33:04,480

themselves you know but so the

935

00:33:08,230 --> 00:33:06,320

success supposedly success rate and

936

00:33:10,549 --> 00:33:08,240

prosecution is lower but those are

937

00:33:12,389 --> 00:33:10,559

righteous prosecutions i believe

938

00:33:15,029 --> 00:33:12,399

governor gary johnson believes in

939

00:33:17,029 --> 00:33:15,039

responsibility at all levels of society

940

00:33:18,549 --> 00:33:17,039

and the higher level of responsibility

941

00:33:21,269 --> 00:33:18,559

you have the higher the level of

942

00:33:23,590 --> 00:33:21,279

scrutiny and so we have people today for

943

00:33:26,389 --> 00:33:23,600

example in these banking scandals who

944

00:33:28,870 --> 00:33:26,399

are donating fake time donations to both

945

00:33:30,230 --> 00:33:28,880

romney's campaign and obama's campaign

946

00:33:31,750 --> 00:33:30,240

you're going to expect payback at the

947

00:33:33,269 --> 00:33:31,760

end of the election you think these

948

00:33:36,389 --> 00:33:33,279

people are going to be investigated

949

00:33:37,830 --> 00:33:36,399

prosecuted the answer is no we will and

950

00:33:39,190 --> 00:33:37,840

i'm not saying anybody's committed

951
00:33:41,830 --> 00:33:39,200
violations of law but we're going to

952
00:33:43,430 --> 00:33:41,840
look into it if so we will prosecute

953
00:33:45,830 --> 00:33:43,440
them because we're responsive to the

954
00:33:48,149 --> 00:33:45,840
people and romney and obama they're

955
00:33:49,750 --> 00:33:48,159
interchangeable they're responsive to

956
00:33:51,909 --> 00:33:49,760
their private interests with regard to

957
00:33:55,110 --> 00:33:51,919
this and so many other things this will

958
00:33:56,389 --> 00:33:55,120
be refreshing you will be proud to

959
00:33:58,549 --> 00:33:56,399
have

960
00:34:01,029 --> 00:33:58,559
voted for and supported governor gary

961
00:34:02,789 --> 00:34:01,039
johnson to the degree that i tom i

962
00:34:04,789 --> 00:34:02,799
promise you everybody that votes for

963
00:34:06,230 --> 00:34:04,799

governor johnson in november will be

964

00:34:08,790 --> 00:34:06,240

proud within a year or two that they

965

00:34:12,389 --> 00:34:08,800

have done that and 60 of the people that

966

00:34:14,310 --> 00:34:12,399

did not will truly wish they had

967

00:34:15,909 --> 00:34:14,320

i don't disagree with that that's i mean

968

00:34:18,470 --> 00:34:15,919

i can't understand how someone would

969

00:34:20,149 --> 00:34:18,480

even put an obama sticker on their car

970

00:34:22,710 --> 00:34:20,159

after four years it's like what did you

971

00:34:24,629 --> 00:34:22,720

vote on him for uh you know if it was

972

00:34:26,069 --> 00:34:24,639

for getting rid of some of the like some

973

00:34:28,710 --> 00:34:26,079

of the secrecy in government which he

974

00:34:30,310 --> 00:34:28,720

talked about didn't happen uh if you if

975

00:34:32,950 --> 00:34:30,320

it's for ending the wars that didn't

976

00:34:35,270 --> 00:34:32,960

happen Guantanamo Bay that didn't happen

977

00:34:37,430 --> 00:34:35,280

soft on marijuana that didn't happen pro

978

00:34:39,349 --> 00:34:37,440

gay marriage that didn't happen what you

979

00:34:41,430 --> 00:34:39,359

know what puts that sticker on your car

980

00:34:44,069 --> 00:34:41,440

now four years later what did you get

981

00:34:46,869 --> 00:34:44,079

it's kind of well my view is very much

982

00:34:48,389 --> 00:34:46,879

like yours that no one within a half an

983

00:34:50,710 --> 00:34:48,399

ounce of understanding what's happened

984

00:34:52,389 --> 00:34:50,720

in the world that would vote for Obama

985

00:34:54,629 --> 00:34:52,399

unless they want money from the

986

00:34:57,430 --> 00:34:54,639

government they do he's really good at

987

00:34:59,430 --> 00:34:57,440

that he's pandering to the voters using

988

00:35:02,630 --> 00:34:59,440

our money to pay for

989

00:35:05,109 --> 00:35:02,640

them voting for him uh you know romney

990

00:35:08,550 --> 00:35:05,119

is so many ways the same you know it's

991

00:35:10,630 --> 00:35:08,560

just simply big-time politics we are the

992

00:35:12,710 --> 00:35:10,640

voice of people and i know that sounds

993

00:35:14,710 --> 00:35:12,720

trite but not only because of what

994

00:35:17,349 --> 00:35:14,720

governor johnson talks about but what he

995

00:35:20,310 --> 00:35:17,359

actually did in new mexico you know he

996

00:35:22,069 --> 00:35:20,320

ended up getting very high reviews from

997

00:35:24,230 --> 00:35:22,079

standing up for liberty for keeping the

998

00:35:26,710 --> 00:35:24,240

government out of our personal lives out

999

00:35:29,829 --> 00:35:26,720

of our bedrooms you know yes we would

1000

00:35:31,910 --> 00:35:29,839

close Guantanamo a bleeding sore on the

1001

00:35:33,750 --> 00:35:31,920

soul of the united states of america i

1002

00:35:35,990 --> 00:35:33,760

know obama said he would do that right

1003

00:35:38,310 --> 00:35:36,000

away he kind of went through the motions

1004

00:35:40,150 --> 00:35:38,320

but she sure adopted his own now you

1005

00:35:42,470 --> 00:35:40,160

know again there's patriot act that he's

1006

00:35:44,710 --> 00:35:42,480

adopted his own we come at obama from

1007

00:35:47,030 --> 00:35:44,720

the left we really do stand for liberal

1008

00:35:49,190 --> 00:35:47,040

values we really will get our military

1009

00:35:51,190 --> 00:35:49,200

troops out of this these conflicts all

1010

00:35:57,349 --> 00:35:51,200

the way around the world both romney and

1011

00:36:01,829 --> 00:35:59,910

his name escapes me paul ryan you know

1012

00:36:04,069 --> 00:36:01,839

they're almost out macholing each other

1013

00:36:06,230 --> 00:36:04,079

to see who's going to bomb iran first we

1014

00:36:07,990 --> 00:36:06,240

say no we're not going to bomb iran

1015

00:36:09,670 --> 00:36:08,000

unless they attack us or our allies

1016

00:36:11,750 --> 00:36:09,680

we're not going to go to war with iran

1017

00:36:13,430 --> 00:36:11,760

unless they attack us or our allies or

1018

00:36:15,670 --> 00:36:13,440

anybody else we're going to declare

1019

00:36:17,349 --> 00:36:15,680

peace i promise you though that if

1020

00:36:19,109 --> 00:36:17,359

somebody attacks us or our allies they

1021

00:36:20,550 --> 00:36:19,119

will truly wish they did not but

1022

00:36:22,870 --> 00:36:20,560

otherwise we're going to declare peace

1023

00:36:24,950 --> 00:36:22,880

around the world obama my goodness he's

1024

00:36:26,230 --> 00:36:24,960

even talking about i saw in the times a

1025

00:36:27,990 --> 00:36:26,240

little while ago he's talking about

1026
00:36:30,069 --> 00:36:28,000
putting our troops in mali for heaven's

1027
00:36:32,550 --> 00:36:30,079
sake do you believe mali is a security

1028
00:36:36,150 --> 00:36:32,560
threat to the united states or sudan or

1029
00:36:39,109 --> 00:36:36,160
yemen or whatever the answer is no so

1030
00:36:41,750 --> 00:36:39,119
we obama is not the one with liberal

1031
00:36:43,990 --> 00:36:41,760
values he simply isn't gay marriage you

1032
00:36:45,829 --> 00:36:44,000
know he came out at the end of his

1033
00:36:48,230 --> 00:36:45,839
administration a couple of you know a

1034
00:36:49,750 --> 00:36:48,240
couple of months ago oh sending his vice

1035
00:36:51,430 --> 00:36:49,760
president to meet the press and trying

1036
00:36:53,750 --> 00:36:51,440
to vote fine well you know maybe i'm

1037
00:36:55,510 --> 00:36:53,760
rethinking this whole idea of gay

1038
00:36:57,109 --> 00:36:55,520

marriage and the rest i don't speak for

1039

00:36:58,870 --> 00:36:57,119

the administration but you know maybe

1040

00:37:00,550 --> 00:36:58,880

i'm changing my thoughts let me sit back

1041

00:37:02,790 --> 00:37:00,560

and wait and see what kind of reaction

1042

00:37:04,150 --> 00:37:02,800

it is two days after that obama makes

1043

00:37:06,310 --> 00:37:04,160

the comment well i'm kind of

1044

00:37:08,390 --> 00:37:06,320

reconsidering this but but you know it's

1045

00:37:10,310 --> 00:37:08,400

a state issue translation i don't have

1046

00:37:12,550 --> 00:37:10,320

to do anything about it two days after

1047

00:37:14,790 --> 00:37:12,560

that he was at george clooney's house in

1048

00:37:16,150 --> 00:37:14,800

hollywood it raised 15 million dollars

1049

00:37:18,230 --> 00:37:16,160

basically from the gay and lesbian

1050

00:37:20,069 --> 00:37:18,240

community you know he's pandering he

1051
00:37:21,990 --> 00:37:20,079
really believed that he would have done

1052
00:37:25,030 --> 00:37:22,000
at the beginning of his administration

1053
00:37:27,270 --> 00:37:25,040
and we say wait a minute we believe in

1054
00:37:29,190 --> 00:37:27,280
their marriage equality it is the next

1055
00:37:30,150 --> 00:37:29,200
step from the progression between from

1056
00:37:32,710 --> 00:37:30,160
racial

1057
00:37:34,710 --> 00:37:32,720
equality to gender equality and now it's

1058
00:37:36,630 --> 00:37:34,720
marriage equality and it's a federal

1059
00:37:38,710 --> 00:37:36,640
issue it's a 14th amendment equal

1060
00:37:41,109 --> 00:37:38,720
protection issue we will enforce it

1061
00:37:42,790 --> 00:37:41,119
federally so we don't you can agree with

1062
00:37:44,630 --> 00:37:42,800
us or disagree with us but that's our

1063
00:37:47,109 --> 00:37:44,640

position you'll know what our positions

1064

00:37:49,510 --> 00:37:47,119

are and we actually believe this where

1065

00:37:52,069 --> 00:37:49,520

governor romney i know where he comes

1066

00:37:53,829 --> 00:37:52,079

down on that i disagree with that and

1067

00:37:55,750 --> 00:37:53,839

but obama i don't know what he believes

1068

00:37:57,910 --> 00:37:55,760

about anything he's just pandering to

1069

00:37:59,910 --> 00:37:57,920

people trying to get used their money

1070

00:38:01,829 --> 00:37:59,920

use their votes but he doesn't stand for

1071

00:38:04,150 --> 00:38:01,839

it we do

1072

00:38:06,310 --> 00:38:04,160

i agree um you know libertarians seem to

1073

00:38:08,550 --> 00:38:06,320

be about streamlining and simplification

1074

00:38:11,030 --> 00:38:08,560

but what about eliminating public

1075

00:38:13,030 --> 00:38:11,040

representatives and voting online so

1076

00:38:16,150 --> 00:38:13,040

that people don't have to worry about

1077

00:38:18,790 --> 00:38:16,160

uh campaign promises being kept

1078

00:38:21,030 --> 00:38:18,800

i i think that those ideas in fact i'll

1079

00:38:22,950 --> 00:38:21,040

take that three steps farther and i've

1080

00:38:25,430 --> 00:38:22,960

never thought of this before that on the

1081

00:38:26,950 --> 00:38:25,440

campaign trail about six seven days ago

1082

00:38:29,190 --> 00:38:26,960

i had a man come up to me and say you

1083

00:38:32,150 --> 00:38:29,200

know judge gray when we actually began

1084

00:38:34,230 --> 00:38:32,160

with our republic that we actually had

1085

00:38:36,710 --> 00:38:34,240

each representative from from the house

1086

00:38:39,430 --> 00:38:36,720

of representatives represented about 15

1087

00:38:42,630 --> 00:38:39,440

000 people in his or her district

1088

00:38:44,310 --> 00:38:42,640

and now of course the number of members

1089

00:38:47,270 --> 00:38:44,320

of house representative stays the same

1090

00:38:48,790 --> 00:38:47,280

as 435 that's not the constitution by

1091

00:38:50,390 --> 00:38:48,800

the way but now of course they're

1092

00:38:52,150 --> 00:38:50,400

representing hundreds of thousands of

1093

00:38:54,870 --> 00:38:52,160

people why don't we go back to the

1094

00:38:57,510 --> 00:38:54,880

original representation of having each

1095

00:38:59,510 --> 00:38:57,520

representative simply represent like 15

1096

00:39:00,550 --> 00:38:59,520

000 people i just quickly kind of

1097

00:39:03,270 --> 00:39:00,560

thought in my mind well that would

1098

00:39:05,829 --> 00:39:03,280

result in something like 2500 members of

1099

00:39:08,470 --> 00:39:05,839

congress said that's true but like you

1100

00:39:10,230 --> 00:39:08,480

say greg let's change this and allow

1101
00:39:11,910 --> 00:39:10,240
them to stay at home and have a home

1102
00:39:13,750 --> 00:39:11,920
office and they'll do business on the

1103
00:39:15,430 --> 00:39:13,760
internet yes they can conference with

1104
00:39:17,750 --> 00:39:15,440
each other they can listen to speakers

1105
00:39:19,510 --> 00:39:17,760
they can speak from home they can vote

1106
00:39:20,870 --> 00:39:19,520
from home they can have another job

1107
00:39:23,829 --> 00:39:20,880
along the way because they don't have to

1108
00:39:25,990 --> 00:39:23,839
go to washington and imagine this if we

1109
00:39:27,910 --> 00:39:26,000
were to do that you'd have local

1110
00:39:29,829 --> 00:39:27,920
representation you could actually talk

1111
00:39:32,630 --> 00:39:29,839
to your member of congress and actually

1112
00:39:35,109 --> 00:39:32,640
get a lot more responsiveness and those

1113
00:39:36,870 --> 00:39:35,119

lobbyists that are now in washington

1114

00:39:39,349 --> 00:39:36,880

they'd lose their control because they

1115

00:39:41,670 --> 00:39:39,359

they won't be able to pigeonhole and

1116

00:39:43,910 --> 00:39:41,680

talk to all around people from congress

1117

00:39:46,470 --> 00:39:43,920

they'll lose their influence the people

1118

00:39:48,069 --> 00:39:46,480

will gain influence the lobbyists will

1119

00:39:49,910 --> 00:39:48,079

lose influence because they'll simply be

1120

00:39:52,790 --> 00:39:49,920

too many people that they can have they

1121

00:39:55,190 --> 00:39:52,800

can affect it will result in democracy

1122

00:39:57,190 --> 00:39:55,200

like we've not seen it in decades i

1123

00:39:59,829 --> 00:39:57,200

think this is a sensational idea it's me

1124

00:40:02,390 --> 00:39:59,839

too yeah just thinking it out but

1125

00:40:04,309 --> 00:40:02,400

it can work you can vote from home you

1126
00:40:06,069 --> 00:40:04,319
know you can have another job so you'll

1127
00:40:07,910 --> 00:40:06,079
have to be realistic you'll be a lot

1128
00:40:09,750 --> 00:40:07,920
closer to the ground and the people and

1129
00:40:11,510 --> 00:40:09,760
the representation i think it's a

1130
00:40:12,950 --> 00:40:11,520
sensational idea

1131
00:40:15,270 --> 00:40:12,960
yeah i think that's great too i hadn't

1132
00:40:17,190 --> 00:40:15,280
thought of that myself um and judge

1133
00:40:19,670 --> 00:40:17,200
since you are actually at the airport

1134
00:40:23,589 --> 00:40:19,680
now what do you think about the tsa and

1135
00:40:29,430 --> 00:40:26,950
you know i i get infuriated uh for a

1136
00:40:31,030 --> 00:40:29,440
long time i would opt out of this nude

1137
00:40:32,950 --> 00:40:31,040
screening as i call it and i still don't

1138
00:40:34,790 --> 00:40:32,960

know how much radiation is coming into

1139

00:40:37,030 --> 00:40:34,800

my body it's not right but then the

1140

00:40:38,710 --> 00:40:37,040

indignity of them literally touching

1141

00:40:40,950 --> 00:40:38,720

every inch of your body first from the

1142

00:40:44,309 --> 00:40:40,960

front and then from the back i get so

1143

00:40:46,630 --> 00:40:44,319

upset that that i now go through the

1144

00:40:49,349 --> 00:40:46,640

screening thing instead but answer greg

1145

00:40:52,390 --> 00:40:49,359

is uh i'll give you two answers and the

1146

00:40:54,069 --> 00:40:52,400

first is that i was in line go through

1147

00:40:55,430 --> 00:40:54,079

tsa actually in orange county where i

1148

00:40:57,109 --> 00:40:55,440

live and i'm doing a lot of flying as

1149

00:40:58,790 --> 00:40:57,119

you can imagine there was a young man

1150

00:41:00,390 --> 00:40:58,800

ahead of me he had a backpack on his

1151
00:41:02,390 --> 00:41:00,400
back and he had this little emblem

1152
00:41:03,750 --> 00:41:02,400
little badge on his backpack my eyes

1153
00:41:05,430 --> 00:41:03,760
weren't good enough to see that i didn't

1154
00:41:07,349 --> 00:41:05,440
want to put my nose on his backpack so i

1155
00:41:09,109 --> 00:41:07,359
simply said you know what is the badge

1156
00:41:11,109 --> 00:41:09,119
he said oh well i work for homeland

1157
00:41:13,510 --> 00:41:11,119
security i said okay i mean they make

1158
00:41:15,349 --> 00:41:13,520
you go through screening too he said yes

1159
00:41:17,109 --> 00:41:15,359
and i said let me ask you a question is

1160
00:41:19,510 --> 00:41:17,119
taking my shoes off going to make us

1161
00:41:22,230 --> 00:41:19,520
safer on this flight and he looked at me

1162
00:41:24,790 --> 00:41:22,240
smiled and said something truly notable

1163
00:41:27,190 --> 00:41:24,800

which is ah the grand illusion of

1164

00:41:29,589 --> 00:41:27,200

security you know come on it does not

1165

00:41:31,030 --> 00:41:29,599

make us safer you can look in fact since

1166

00:41:33,589 --> 00:41:31,040

then i've spoken to a guy that worked

1167

00:41:35,349 --> 00:41:33,599

for tsa for five years he was actually

1168

00:41:36,790 --> 00:41:35,359

in civilian clothing and kind of

1169

00:41:38,870 --> 00:41:36,800

meandered through people and see if

1170

00:41:41,190 --> 00:41:38,880

anybody looks suspicious they said judge

1171

00:41:43,990 --> 00:41:41,200

great you cannot imagine how much

1172

00:41:46,230 --> 00:41:44,000

bureaucracy how much waste there is in

1173

00:41:48,309 --> 00:41:46,240

this gsa so the answer is we'll

1174

00:41:51,109 --> 00:41:48,319

privatize it we will do away with the

1175

00:41:53,430 --> 00:41:51,119

tsa privatize it and give the security

1176
00:41:55,510 --> 00:41:53,440
back to the airlines they have a vested

1177
00:41:57,670 --> 00:41:55,520
interest rate in keeping us safe in

1178
00:41:59,430 --> 00:41:57,680
order to put it mildly is bad press if

1179
00:42:12,069 --> 00:41:59,440
you have your airplanes falling out of

1180
00:42:17,750 --> 00:42:14,790
the answer is that we will bring cs we

1181
00:42:20,150 --> 00:42:17,760
will abolish the tsa will privatize it

1182
00:42:23,589 --> 00:42:20,160
and allow the airlines to oversee the

1183
00:42:27,510 --> 00:42:25,430
they will do it so that's just one of

1184
00:42:29,190 --> 00:42:27,520
the things as you hear i'm going to have

1185
00:42:32,870 --> 00:42:29,200
to get on my plane yeah of course greg

1186
00:42:36,790 --> 00:42:35,030
let me just close by saying that i

1187
00:42:38,950 --> 00:42:36,800
appreciate the opportunity to discuss

1188
00:42:40,150 --> 00:42:38,960

these issues we do have answers you know

1189

00:42:41,990 --> 00:42:40,160

we didn't talk about health care

1190

00:42:47,270 --> 00:42:42,000

particularly immigration which is a

1191

00:42:51,349 --> 00:42:49,589

so i can say in summation that that

1192

00:42:53,109 --> 00:42:51,359

governor gary johnson is the most

1193

00:42:55,829 --> 00:42:53,119

qualified person to be president than i

1194

00:42:57,270 --> 00:42:55,839

know of i am really excited by this the

1195

00:42:59,829 --> 00:42:57,280

most exciting thing that's happened to

1196

00:43:01,430 --> 00:42:59,839

me since the birth of my children and

1197

00:43:03,750 --> 00:43:01,440

they go back from the final quote to

1198

00:43:06,230 --> 00:43:03,760

thomas jefferson after we finally

1199

00:43:08,069 --> 00:43:06,240

ratified the constitution was quoted as

1200

00:43:10,550 --> 00:43:08,079

saying that look we're going to have to

1201
00:43:12,710 --> 00:43:10,560
have a revolution every generation in

1202
00:43:15,349 --> 00:43:12,720
our country to protect our fragile

1203
00:43:17,030 --> 00:43:15,359
democracy why because the private

1204
00:43:19,349 --> 00:43:17,040
interests will invigol their way into

1205
00:43:21,750 --> 00:43:19,359
power and sap our vitality and staff our

1206
00:43:23,910 --> 00:43:21,760
strength i deeply believe that the

1207
00:43:25,829 --> 00:43:23,920
revolution is finally here it's been so

1208
00:43:27,510 --> 00:43:25,839
many generations and it's here in the

1209
00:43:29,829 --> 00:43:27,520
presence of governor gary johnson and

1210
00:43:31,349 --> 00:43:29,839
judge james gray we will do things to

1211
00:43:33,750 --> 00:43:31,359
bring back to our country that

1212
00:43:35,829 --> 00:43:33,760
prosperity and equal opportunity and

1213
00:43:37,510 --> 00:43:35,839

freedom that literally is now skipping

1214

00:43:39,430 --> 00:43:37,520

through our grasp so thanks for the

1215

00:43:41,750 --> 00:43:39,440

opportunity greg look forward to talking

1216

00:43:43,510 --> 00:43:41,760

again soon and good luck to us all hey

1217

00:43:45,190 --> 00:43:43,520

thank you sir you won my vote i urge

1218

00:43:46,950 --> 00:43:45,200

everybody to go out check their

1219

00:43:48,870 --> 00:43:46,960

positions i mean i know this audience

1220

00:43:51,109 --> 00:43:48,880

isn't voting for romney or obama but

1221

00:43:52,710 --> 00:43:51,119

don't stay home there is an answer you

1222

00:43:54,309 --> 00:43:52,720

know instead of just bitching from home

1223

00:43:56,710 --> 00:43:54,319

on the internet let's go out there and

1224

00:43:58,390 --> 00:43:56,720

try to try to change things so yeah i

1225

00:43:59,910 --> 00:43:58,400

appreciate it's really been an honor i

1226

00:44:01,750 --> 00:43:59,920

appreciate your time so close to the

1227

00:44:04,309 --> 00:44:01,760

election i'd also highly suggest that

1228

00:44:06,069 --> 00:44:04,319

governor johnson yourself reach out to

1229

00:44:08,710 --> 00:44:06,079

joe rogan and duncan trussell they've

1230

00:44:10,790 --> 00:44:08,720

got some massively popular podcasts and

1231

00:44:13,349 --> 00:44:10,800

it'd be a good way to reach the people

1232

00:44:15,270 --> 00:44:13,359

and combat the media blackout that you

1233

00:44:18,150 --> 00:44:15,280

guys seem to be

1234

00:44:19,589 --> 00:44:18,160

victims of but thanks and best of luck

1235

00:44:21,990 --> 00:44:19,599

there were you were going to certainly

1236

00:44:24,069 --> 00:44:22,000

thank you and just call my scheduler and

1237

00:44:25,829 --> 00:44:24,079

we'd love to do it uh my life is not my

1238

00:44:27,990 --> 00:44:25,839

own at the moment but you know who my

1239

00:44:29,670 --> 00:44:28,000

scheduler is so call her and we'll see

1240

00:44:32,710 --> 00:44:29,680

what we can work out once again thank

1241

00:44:34,309 --> 00:44:32,720

you and good luck to us all right

1242

00:44:36,150 --> 00:44:34,319

there you have it people a vice

1243

00:44:38,150 --> 00:44:36,160

presidential nominee in a national

1244

00:44:40,790 --> 00:44:38,160

election taking the time to talk to us

1245

00:44:42,790 --> 00:44:40,800

on the silly stoner conspiracy show how

1246

00:44:44,630 --> 00:44:42,800

can i not vote for him i hope you feel

1247

00:44:46,390 --> 00:44:44,640

like i used the time well and asked some

1248

00:44:49,030 --> 00:44:46,400

good questions you care about but

1249

00:44:50,790 --> 00:44:49,040

seriously guys this is not a lesser of

1250

00:44:52,230 --> 00:44:50,800

two evil situation these guys really

1251

00:44:53,990 --> 00:44:52,240

care of course think for yourself but

1252

00:44:55,349 --> 00:44:54,000

i've been researching them all week we

1253

00:44:57,349 --> 00:44:55,359

can talk about the integrity of the

1254

00:44:59,030 --> 00:44:57,359

voting system on another show but

1255

00:45:00,630 --> 00:44:59,040

endless cynicism gets you nowhere and

1256

00:45:01,910 --> 00:45:00,640

gary johnson and jim gray are brave

1257

00:45:03,270 --> 00:45:01,920

enough to fight the battle for us if

1258

00:45:05,829 --> 00:45:03,280

we're willing to spread the word so

1259

00:45:07,910 --> 00:45:05,839

tweet on people here's a great track by

1260

00:45:10,309 --> 00:45:07,920

a very talented band called the high

1261

00:45:12,470 --> 00:45:10,319

cell it's called underachiever don't be

1262

00:45:36,069 --> 00:45:12,480

one and i'll catch you later seacrest

1263

00:45:41,829 --> 00:45:38,950

i'm striving to achieve the status that

1264

00:45:58,950 --> 00:45:41,839

they gave to me and it seems i'll always

1265

00:45:58,960 --> 00:46:08,630

it seems my luck has changed

1266

00:46:08,640 --> 00:46:23,190

looks like this man's blessings

1267

00:46:23,200 --> 00:46:27,109

motivation

1268

00:46:27,119 --> 00:46:40,829

sanity and pride

1269

00:46:46,710 --> 00:46:43,510

sustenance inform you that you're meant

1270

00:46:49,190 --> 00:46:46,720

for me and you have my sympathy and

1271

00:46:52,069 --> 00:46:49,200

adoration

1272

00:47:09,270 --> 00:46:52,079

i'm striving to achieve the status that

1273

00:47:09,280 --> 00:47:56,630

this that is

1274

00:47:56,640 --> 00:48:11,430

for me

1275

00:48:11,440 --> 00:48:25,910

oh
