

The Higherside Chats 38: Time Travel w/ Marie D. Jones

Presented By:

onspiraTees.net

1
00:00:08,070 --> 00:00:06,389
we're here because we don't buy into the

2
00:00:09,830 --> 00:00:08,080
[h__\h] of mainstream culture

3
00:00:11,270 --> 00:00:09,840
we're tired of the mundane passionless

4
00:00:12,870 --> 00:00:11,280
careers we've been shuffled into as a

5
00:00:13,910 --> 00:00:12,880
result of this orchestrated debt-based

6
00:00:15,350 --> 00:00:13,920
system of rule

7
00:00:17,029 --> 00:00:15,360
and the stranglehold on education

8
00:00:18,470 --> 00:00:17,039
entertainment by cold soulless

9
00:00:21,590 --> 00:00:18,480
corporations

10
00:00:23,910 --> 00:00:21,600
people yes we are frustrated yes

11
00:00:25,189 --> 00:00:23,920
we are tired and we reject the

12
00:00:26,150 --> 00:00:25,199
pre-approved tranquilizers that are

13
00:00:28,310 --> 00:00:26,160

monday night football

14

00:00:29,429 --> 00:00:28,320

and an ice cold budweiser we have to

15

00:00:33,110 --> 00:00:29,439

stop hiding

16

00:00:34,709 --> 00:00:33,120

cherry popper 420 username

17

00:00:36,709 --> 00:00:34,719

let the world see that the resistance is

18

00:00:38,630 --> 00:00:36,719

strong and society is changing

19

00:00:40,229 --> 00:00:38,640

there was a time to be anonymous but

20

00:00:41,750 --> 00:00:40,239

that time has passed

21

00:00:43,830 --> 00:00:41,760

and so the higher side chats would like

22

00:00:45,590 --> 00:00:43,840

to present conspiracies as the dawning

23

00:00:46,869 --> 00:00:45,600

of this new paradigm in the uniform of

24

00:00:48,389 --> 00:00:46,879

the revolution

25

00:00:50,549 --> 00:00:48,399

because bold fashion should mean more

26
00:00:52,229 --> 00:00:50,559
than some celebrity meat dresser frappe

27
00:00:54,389 --> 00:00:52,239
and a silly pink polo

28
00:00:56,069 --> 00:00:54,399
conspiracy redefines bold fashion as

29
00:00:58,310 --> 00:00:56,079
having the balls to project socially

30
00:00:59,670 --> 00:00:58,320
uncomfortable and unpopular truths from

31
00:01:03,830 --> 00:00:59,680
your radiant chest

32
00:01:06,230 --> 00:01:03,840
all [h__h] day conspirates.net

33
00:01:07,510 --> 00:01:06,240
let them know that you know bold designs

34
00:01:15,990 --> 00:01:07,520
for trouble times

35
00:01:21,429 --> 00:01:19,749
in the 1930s

36
00:01:23,749 --> 00:01:21,439
the nation through a series of radio

37
00:01:26,550 --> 00:01:23,759
broadcasts known as the fireside

38
00:01:28,390 --> 00:01:26,560

chats his aim was to reassure the common

39

00:01:33,749 --> 00:01:28,400

man that our society would recover from

40

00:01:38,390 --> 00:01:36,230

for a new era of worldly frustration we

41

00:01:44,469 --> 00:01:38,400

offer a fresh conversation

42

00:01:48,149 --> 00:01:46,310

here we go again people drinking a

43

00:01:50,389 --> 00:01:48,159

little drink smoking a little smoke from

44

00:01:51,910 --> 00:01:50,399

san diego i'm greg carlwood and today

45

00:01:53,749 --> 00:01:51,920

we're going to discuss one of the most

46

00:01:55,670 --> 00:01:53,759

interesting and mysterious phenomenons

47

00:01:57,670 --> 00:01:55,680

up the magical sleeve of the universe

48

00:01:59,270 --> 00:01:57,680

and that my friends is time

49

00:02:01,190 --> 00:01:59,280

as we march along the seemingly

50

00:02:03,109 --> 00:02:01,200

inevitable one-way street of cradle to

51
00:02:04,389 --> 00:02:03,119
grave one can't help but wonder about

52
00:02:06,389 --> 00:02:04,399
the nature of time

53
00:02:08,389 --> 00:02:06,399
and the rules and properties it operates

54
00:02:09,430 --> 00:02:08,399
on and whether or not these things may

55
00:02:10,710 --> 00:02:09,440
be alterable

56
00:02:12,390 --> 00:02:10,720
if your fingers on the pulse of

57
00:02:13,990 --> 00:02:12,400
government black ops technology are the

58
00:02:16,550 --> 00:02:14,000
cutting edge scientific experiments

59
00:02:18,470 --> 00:02:16,560
going on the answer is resounding maybe

60
00:02:19,910 --> 00:02:18,480
which i've always grown up to assume is

61
00:02:21,430 --> 00:02:19,920
basically a yes

62
00:02:23,670 --> 00:02:21,440
but today's guest might have a more

63
00:02:24,790 --> 00:02:23,680

educated analysis than yours truly which

64

00:02:26,949 --> 00:02:24,800

isn't saying much

65

00:02:27,990 --> 00:02:26,959

but she is the author of this book is

66

00:02:29,910 --> 00:02:28,000

from the future

67

00:02:31,830 --> 00:02:29,920

journey through portals relativity

68

00:02:32,550 --> 00:02:31,840

wormholes and other adventures and time

69

00:02:34,630 --> 00:02:32,560

travel

70

00:02:36,150 --> 00:02:34,640

she's also the host of the ever popular

71

00:02:38,790 --> 00:02:36,160

dreamland radio show

72

00:02:39,830 --> 00:02:38,800

spent 15 years as a mufon ufo

73

00:02:42,070 --> 00:02:39,840

investigator

74

00:02:44,550 --> 00:02:42,080

and has authored other books such as

75

00:02:47,750 --> 00:02:44,560

11-11 the time prompt phenomenon

76
00:02:50,150 --> 00:02:47,760
2013 end of days or a new beginning and

77
00:02:51,910 --> 00:02:50,160
science how new discoveries in quantum

78
00:02:53,430 --> 00:02:51,920
physics and new science may explain

79
00:02:55,110 --> 00:02:53,440
paranormal phenomenon

80
00:02:56,550 --> 00:02:55,120
her name is marie d jones and i think

81
00:02:58,710 --> 00:02:56,560
it's about time we get this party

82
00:03:00,790 --> 00:02:58,720
started marie say hello to the people

83
00:03:03,509 --> 00:03:00,800
well hello there thank you for having me

84
00:03:05,990 --> 00:03:03,519
on of course thanks for coming but

85
00:03:07,110 --> 00:03:06,000
what a background marie jesus uh you've

86
00:03:09,350 --> 00:03:07,120
written about

87
00:03:10,630 --> 00:03:09,360
so many interesting things but first let

88
00:03:13,030 --> 00:03:10,640

me ask you a bit about

89

00:03:14,869 --> 00:03:13,040

uh mufon the mutual ufo network because

90

00:03:16,149 --> 00:03:14,879

i've thought about joining myself but i

91

00:03:17,670 --> 00:03:16,159

haven't because i'm not sure

92

00:03:19,270 --> 00:03:17,680

being part of an organization will

93

00:03:20,630 --> 00:03:19,280

really get me any closer to having a

94

00:03:22,949 --> 00:03:20,640

personal experience but

95

00:03:24,229 --> 00:03:22,959

i mean you worked with him for 15 years

96

00:03:27,350 --> 00:03:24,239

what was that like

97

00:03:28,630 --> 00:03:27,360

i loved it because i i've been out for a

98

00:03:29,990 --> 00:03:28,640

while because i've been writing full

99

00:03:33,030 --> 00:03:30,000

time and i kind of felt like

100

00:03:35,110 --> 00:03:33,040

the writing was my new approach to you

101

00:03:38,149 --> 00:03:35,120

know some of these anomalies but

102

00:03:39,750 --> 00:03:38,159

i was in mufon in the 80s all the way

103

00:03:43,270 --> 00:03:39,760

through the end of the 90s

104

00:03:45,270 --> 00:03:43,280

and i loved it because i was in

105

00:03:47,350 --> 00:03:45,280

at the time that the whole abduction

106

00:03:49,190 --> 00:03:47,360

phenomenon was really sort of

107

00:03:50,789 --> 00:03:49,200

coming to the surface i mean there had

108

00:03:52,470 --> 00:03:50,799

been abductions obviously

109

00:03:53,910 --> 00:03:52,480

you know betty barney all the way back

110

00:03:56,949 --> 00:03:53,920

into the 60s and

111

00:03:59,030 --> 00:03:56,959

40s and what have you but it was just

112

00:04:02,149 --> 00:03:59,040

starting to really

113

00:04:05,110 --> 00:04:02,159

explode and what happened was

114

00:04:07,110 --> 00:04:05,120

i ran i was part of a huge buffon

115

00:04:08,470 --> 00:04:07,120

organization in los angeles but when i

116

00:04:10,309 --> 00:04:08,480

moved back to san diego

117

00:04:11,589 --> 00:04:10,319

kind of would go back and forth between

118

00:04:13,990 --> 00:04:11,599

the two

119

00:04:15,190 --> 00:04:14,000

i ran a group with another gal named

120

00:04:19,349 --> 00:04:15,200

laura

121

00:04:21,030 --> 00:04:19,359

and we were constantly being approached

122

00:04:22,870 --> 00:04:21,040

all of a sudden you know not just

123

00:04:25,510 --> 00:04:22,880

getting calls from people who had seen

124

00:04:27,670 --> 00:04:25,520

ufos or had you know some type of an

125

00:04:29,830 --> 00:04:27,680

experience seeing a craft

126

00:04:31,510 --> 00:04:29,840

but we started getting contacted by

127

00:04:35,350 --> 00:04:31,520

people that were talking about

128

00:04:37,430 --> 00:04:35,360

this abduction thing wow this was such a

129

00:04:38,870 --> 00:04:37,440

it was like such a virgin thing at the

130

00:04:39,909 --> 00:04:38,880

time that we didn't really know what to

131

00:04:43,430 --> 00:04:39,919

do with these people

132

00:04:44,950 --> 00:04:43,440

or with their cases and luckily um bud

133

00:04:46,469 --> 00:04:44,960

hopkins was

134

00:04:48,790 --> 00:04:46,479

at the time taking a lot of

135

00:04:50,390 --> 00:04:48,800

hypnotherapists under his wing and

136

00:04:52,150 --> 00:04:50,400

getting them trained to deal with

137

00:04:54,950 --> 00:04:52,160

hypnotic regression with abduct

138

00:04:55,990 --> 00:04:54,960

with abductees so i had the real good

139

00:04:58,950 --> 00:04:56,000

fortune of being

140

00:05:00,310 --> 00:04:58,960

able to send a lot of these cases to

141

00:05:02,710 --> 00:05:00,320

yvonne smith who

142

00:05:03,830 --> 00:05:02,720

uh you know just was is just one of the

143

00:05:06,950 --> 00:05:03,840

premier

144

00:05:09,270 --> 00:05:06,960

uh hypnotherapists in ufology but it was

145

00:05:10,629 --> 00:05:09,280

just really interesting to see how it

146

00:05:13,990 --> 00:05:10,639

went from the

147

00:05:16,550 --> 00:05:14,000

nuts and bolts ufo reports you know

148

00:05:18,469 --> 00:05:16,560

lights in the sky would have to this

149

00:05:20,870 --> 00:05:18,479

whole new bizarre

150

00:05:22,710 --> 00:05:20,880

take on what might be going on and

151

00:05:24,469 --> 00:05:22,720

people that were really in

152

00:05:26,150 --> 00:05:24,479

in distress because they didn't know

153

00:05:28,390 --> 00:05:26,160

what was happening to them i mean they

154

00:05:31,029 --> 00:05:28,400

really had no clue

155

00:05:33,270 --> 00:05:31,039

man i mean that is a a theme that has

156

00:05:35,029 --> 00:05:33,280

come up a lot on this show and in the

157

00:05:39,990 --> 00:05:35,039

looking into the conspiracy stuff that

158

00:05:43,749 --> 00:05:42,070

definitely seems to you know it gets

159

00:05:44,870 --> 00:05:43,759

stranger the more you look into it but

160

00:05:46,710 --> 00:05:44,880

it seems to be

161

00:05:48,550 --> 00:05:46,720

uh as nick references connected to

162

00:05:51,430 --> 00:05:48,560

almost all the paranormal

163

00:05:52,469 --> 00:05:51,440

uh phenomenons out there and see at the

164

00:05:55,749 --> 00:05:52,479

time

165

00:05:58,950 --> 00:05:55,759

really sort of

166

00:06:01,110 --> 00:05:58,960

categorized in its own little corner you

167

00:06:03,189 --> 00:06:01,120

know just ufo abductions

168

00:06:05,430 --> 00:06:03,199

and then over time and i got out of

169

00:06:07,990 --> 00:06:05,440

mufon in the late 90s

170

00:06:09,990 --> 00:06:08,000

90s early like around year 2000 and

171

00:06:13,110 --> 00:06:10,000

started writing non-fiction

172

00:06:15,830 --> 00:06:13,120

and i just remember you know

173

00:06:16,469 --> 00:06:15,840

again at around that time people started

174

00:06:18,870 --> 00:06:16,479

really

175

00:06:21,990 --> 00:06:18,880

associating commonalities with with

176
00:06:25,110 --> 00:06:22,000
ghosts and the paranormal with cryptids

177
00:06:26,710 --> 00:06:25,120
with uh even some of the really amazing

178
00:06:28,790 --> 00:06:26,720
and bizarre theories in quantum and

179
00:06:31,430 --> 00:06:28,800
theoretical physics like multiple

180
00:06:33,350 --> 00:06:31,440
universes and other dimensions of

181
00:06:35,270 --> 00:06:33,360
reality that we might be dealing with

182
00:06:37,590 --> 00:06:35,280
and the holographic theory

183
00:06:38,550 --> 00:06:37,600
and just all of this stuff just started

184
00:06:41,990 --> 00:06:38,560
being

185
00:06:45,029 --> 00:06:42,000
attached onto what was real basic

186
00:06:46,150 --> 00:06:45,039
at first in the field of ufology right

187
00:06:49,189 --> 00:06:46,160
on yeah i mean

188
00:06:50,230 --> 00:06:49,199

uh well did you ever have a personal ufo

189

00:06:52,390 --> 00:06:50,240

experience did your

190

00:06:54,309 --> 00:06:52,400

time in mufon ever like warrant you the

191

00:06:55,830 --> 00:06:54,319

chance to see something interesting

192

00:06:57,510 --> 00:06:55,840

this is what's so funny because you know

193

00:06:57,990 --> 00:06:57,520

you have people who go out ghost hunting

194

00:07:01,589 --> 00:06:58,000

right

195

00:07:03,430 --> 00:07:01,599

to

196

00:07:04,870 --> 00:07:03,440

have something happen while they're in a

197

00:07:06,790 --> 00:07:04,880

particular location

198

00:07:08,230 --> 00:07:06,800

i always tell people with ufos you can't

199

00:07:09,990 --> 00:07:08,240

go ufo hunting

200

00:07:12,070 --> 00:07:10,000

yeah morphology is a field where

201
00:07:12,950 --> 00:07:12,080
everything is unfortunately after the

202
00:07:15,029 --> 00:07:12,960
fact

203
00:07:16,070 --> 00:07:15,039
somebody will report something you go

204
00:07:18,230 --> 00:07:16,080
investigate it

205
00:07:20,230 --> 00:07:18,240
you know if the craft is still there hey

206
00:07:21,589 --> 00:07:20,240
that's that's awesome but usually what

207
00:07:23,589 --> 00:07:21,599
you're doing is

208
00:07:25,189 --> 00:07:23,599
interviewing witnesses looking for some

209
00:07:27,749 --> 00:07:25,199
physical traces

210
00:07:29,830 --> 00:07:27,759
so everything's already happened what we

211
00:07:33,589 --> 00:07:29,840
did have though which was really kind of

212
00:07:36,230 --> 00:07:33,599
interesting is we had a hoax

213
00:07:37,830 --> 00:07:36,240

situation going on in northern san diego

214

00:07:38,950 --> 00:07:37,840

county and it went on for a couple of

215

00:07:41,270 --> 00:07:38,960

months

216

00:07:43,830 --> 00:07:41,280

where somebody was setting off these

217

00:07:46,550 --> 00:07:43,840

like chinese

218

00:07:47,909 --> 00:07:46,560

and yeah but they had them designed in a

219

00:07:49,430 --> 00:07:47,919

way that it was really hard to

220

00:07:51,589 --> 00:07:49,440

we knew what they were but it was really

221

00:07:53,110 --> 00:07:51,599

hard for the average public you know the

222

00:07:56,309 --> 00:07:53,120

person to look up in the sky and

223

00:07:59,749 --> 00:07:56,319

identify it they looked really bizarre

224

00:08:02,469 --> 00:07:59,759

and it was just so cool to see

225

00:08:03,029 --> 00:08:02,479

how the media and the public just jumped

226

00:08:05,110 --> 00:08:03,039

on this

227

00:08:06,629 --> 00:08:05,120

even though it ended up being proven to

228

00:08:08,550 --> 00:08:06,639

be something else

229

00:08:12,070 --> 00:08:08,560

and again this was at a time when we did

230

00:08:13,110 --> 00:08:12,080

not have cell phones where you could i

231

00:08:15,749 --> 00:08:13,120

mean how

232

00:08:17,749 --> 00:08:15,759

unfortunate were we that you could see

233

00:08:19,510 --> 00:08:17,759

something in the sky at that time and if

234

00:08:20,309 --> 00:08:19,520

you didn't happen to have a video camera

235

00:08:23,350 --> 00:08:20,319

in your pocket

236

00:08:24,070 --> 00:08:23,360

which back then nobody did that wouldn't

237

00:08:27,510 --> 00:08:24,080

fit

238

00:08:29,749 --> 00:08:27,520

blown opportunity right now you've got

239

00:08:31,670 --> 00:08:29,759

youtube's up the yin yang you know

240

00:08:33,750 --> 00:08:31,680

right because everybody's got something

241

00:08:35,589 --> 00:08:33,760

that they can snap a picture with

242

00:08:37,909 --> 00:08:35,599

or video something although i would

243

00:08:38,949 --> 00:08:37,919

definitely say that 99.9 of all that

244

00:08:40,589 --> 00:08:38,959

stuff is

245

00:08:41,990 --> 00:08:40,599

it's just misinterpretation

246

00:08:43,750 --> 00:08:42,000

misidentification

247

00:08:45,350 --> 00:08:43,760

yeah that's the unfortunate thing but

248

00:08:48,870 --> 00:08:45,360

but i will tell you this

249

00:08:50,389 --> 00:08:48,880

okay so one time i was driving home and

250

00:08:53,190 --> 00:08:50,399

it had nothing to do with move on

251
00:08:54,790 --> 00:08:53,200
i don't know where i was coming from but

252
00:08:57,590 --> 00:08:54,800
i was driving in la costa

253
00:08:58,310 --> 00:08:57,600
down here diego lacosta at the time

254
00:09:00,150 --> 00:08:58,320
there was

255
00:09:01,829 --> 00:09:00,160
nothing in this particular section it

256
00:09:03,430 --> 00:09:01,839
was off um

257
00:09:05,590 --> 00:09:03,440
oh gosh i don't even remember the over

258
00:09:07,190 --> 00:09:05,600
the san olivo hills area which are now

259
00:09:08,870 --> 00:09:07,200
very much built up there was nothing

260
00:09:11,590 --> 00:09:08,880
there was just rolling hills

261
00:09:13,430 --> 00:09:11,600
and it was dusk and i out of the corner

262
00:09:15,750 --> 00:09:13,440
of my eye saw something

263
00:09:17,269 --> 00:09:15,760

and it was four lights two in the front

264

00:09:19,110 --> 00:09:17,279

two in the back and the two in the back

265

00:09:20,389 --> 00:09:19,120

were flipping end over end

266

00:09:21,910 --> 00:09:20,399

you know and then the two in the front

267

00:09:22,630 --> 00:09:21,920

would be in the back and they would flip

268

00:09:24,230 --> 00:09:22,640

over

269

00:09:26,150 --> 00:09:24,240

and i was able to see that there was a

270

00:09:28,310 --> 00:09:26,160

solid object that was doing these sort

271

00:09:31,350 --> 00:09:28,320

of weird cartwheels but it was

272

00:09:33,350 --> 00:09:31,360

still too far away that i could really

273

00:09:34,949 --> 00:09:33,360

identify what it was and there were no

274

00:09:37,190 --> 00:09:34,959

roads at the time

275

00:09:39,350 --> 00:09:37,200

for me to go chase it down that is the

276

00:09:40,870 --> 00:09:39,360

closest because i had really good move

277

00:09:42,550 --> 00:09:40,880

on training and that's what i loved

278

00:09:44,630 --> 00:09:42,560

about mufon is you had

279

00:09:45,910 --> 00:09:44,640

tests that you had to take and a manual

280

00:09:47,750 --> 00:09:45,920

that you had to follow

281

00:09:49,750 --> 00:09:47,760

and we were really encouraged to read

282

00:09:52,870 --> 00:09:49,760

like jane's defense

283

00:09:53,430 --> 00:09:52,880

magazine and identify not just you know

284

00:09:56,310 --> 00:09:53,440

regular

285

00:09:58,470 --> 00:09:56,320

aircraft and and airships and things but

286

00:10:00,310 --> 00:09:58,480

military prototypes would keep up on

287

00:10:03,030 --> 00:10:00,320

what's being tested where because i live

288

00:10:05,350 --> 00:10:03,040

in san diego it's full of military stuff

289

00:10:06,790 --> 00:10:05,360

um but to this day i still have no clue

290

00:10:09,430 --> 00:10:06,800

what that was and

291

00:10:10,310 --> 00:10:09,440

it's always kind of haunted me a little

292

00:10:11,590 --> 00:10:10,320

but

293

00:10:13,670 --> 00:10:11,600

you know for me to come out and say it

294

00:10:15,509 --> 00:10:13,680

was an alien ship well no

295

00:10:17,509 --> 00:10:15,519

probably not but it was really cool

296

00:10:19,670 --> 00:10:17,519

whatever it was

297

00:10:22,710 --> 00:10:19,680

i was one of those unfortunate mufun

298

00:10:24,310 --> 00:10:22,720

people that never saw anything

299

00:10:26,389 --> 00:10:24,320

well at least you're honest i mean i've

300

00:10:28,230 --> 00:10:26,399

only lived in san diego like i live in

301

00:10:31,509 --> 00:10:28,240

san diego too i live in pacific beach

302

00:10:33,509 --> 00:10:31,519

um honey yeah i'm in san marcos nice

303

00:10:34,949 --> 00:10:33,519

uh i've only been here for like three

304

00:10:36,870 --> 00:10:34,959

years but i came from

305

00:10:39,030 --> 00:10:36,880

missouri and you know crossing the

306

00:10:40,630 --> 00:10:39,040

desert i'm always watching i'm like man

307

00:10:41,590 --> 00:10:40,640

this is the place this is the place you

308

00:10:44,630 --> 00:10:41,600

see stuff

309

00:10:46,550 --> 00:10:44,640

but no i don't know what it is some

310

00:10:49,590 --> 00:10:46,560

people just seem to attract that stuff

311

00:10:50,949 --> 00:10:49,600

and others repel it well that it's

312

00:10:51,350 --> 00:10:50,959

interesting you say that because that to

313

00:10:53,430 --> 00:10:51,360

me

314

00:10:55,430 --> 00:10:53,440

makes it kind of fishy that's what i

315

00:10:56,230 --> 00:10:55,440

hate is that i i'll talk to some people

316

00:10:58,710 --> 00:10:56,240

and you know

317

00:10:59,590 --> 00:10:58,720

they're doing uh you know channeling on

318

00:11:02,230 --> 00:10:59,600

monday

319

00:11:03,030 --> 00:11:02,240

talking to ufos on tuesday and i'm just

320

00:11:05,269 --> 00:11:03,040

like

321

00:11:07,110 --> 00:11:05,279

what where where are these things oh

322

00:11:08,150 --> 00:11:07,120

it's like can you teach me but you know

323

00:11:09,670 --> 00:11:08,160

what i'll tell you something that's

324

00:11:13,269 --> 00:11:09,680

really interesting

325

00:11:14,230 --> 00:11:13,279

the this idea that you could go through

326

00:11:15,750 --> 00:11:14,240

the desert with

327

00:11:17,430 --> 00:11:15,760

you know the starry night sky where

328

00:11:18,550 --> 00:11:17,440

everything is so clear that you can see

329

00:11:20,790 --> 00:11:18,560

everything

330

00:11:22,550 --> 00:11:20,800

and not see anything but somebody else

331

00:11:24,389 --> 00:11:22,560

could be right behind you in a car

332

00:11:25,670 --> 00:11:24,399

and actually see something you know

333

00:11:28,630 --> 00:11:25,680

there's actually something

334

00:11:29,990 --> 00:11:28,640

to that and and my co-author larry

335

00:11:30,949 --> 00:11:30,000

flaxman and i the book that we're

336

00:11:32,790 --> 00:11:30,959

writing now

337

00:11:35,670 --> 00:11:32,800

we're trying to look at what might

338

00:11:37,030 --> 00:11:35,680

happen on two levels that cause some

339

00:11:39,190 --> 00:11:37,040

people to have paranormal

340

00:11:41,430 --> 00:11:39,200

experiences and others could be standing

341

00:11:43,350 --> 00:11:41,440

right next to them and they don't

342

00:11:45,110 --> 00:11:43,360

really believe that their environmental

343

00:11:48,069 --> 00:11:45,120

influence is going on

344

00:11:49,670 --> 00:11:48,079

and there are physiological influences

345

00:11:52,710 --> 00:11:49,680

they're all lined up

346

00:11:54,710 --> 00:11:52,720

somebody has an experience and you could

347

00:11:57,269 --> 00:11:54,720

be standing right next to them

348

00:11:59,110 --> 00:11:57,279

and you will not what are those

349

00:12:01,509 --> 00:11:59,120

mechanisms what are those triggers

350

00:12:04,069 --> 00:12:01,519

because it really is frustrating

351
00:12:05,829 --> 00:12:04,079
when uh maybe not so much in the ufo

352
00:12:07,590 --> 00:12:05,839
field but definitely in like the

353
00:12:09,910 --> 00:12:07,600
paranormal the ghost

354
00:12:11,430 --> 00:12:09,920
field where you have 10 people in a

355
00:12:14,389 --> 00:12:11,440
quote-unquote

356
00:12:16,790 --> 00:12:14,399
haunted location and some of them will

357
00:12:19,030 --> 00:12:16,800
have legitimate experiences

358
00:12:20,470 --> 00:12:19,040
and others will have nothing and and

359
00:12:22,069 --> 00:12:20,480
that's happened i've been in

360
00:12:24,629 --> 00:12:22,079
i've been on the queen mary several

361
00:12:26,790 --> 00:12:24,639
times not one thing has ever happened

362
00:12:28,550 --> 00:12:26,800
and yet people next to me are screaming

363
00:12:30,790 --> 00:12:28,560

you know

364

00:12:33,110 --> 00:12:30,800

are spying are they making it up i don't

365

00:12:35,030 --> 00:12:33,120

know maybe not

366

00:12:37,350 --> 00:12:35,040

well one thing i'm a big terrence

367

00:12:38,550 --> 00:12:37,360

mckenna fan and he used to have

368

00:12:41,030 --> 00:12:38,560

these talks and one of the things he

369

00:12:42,710 --> 00:12:41,040

used to say was that

370

00:12:45,190 --> 00:12:42,720

people have an operating system and if

371

00:12:47,590 --> 00:12:45,200

you don't like someone who's a rigid

372

00:12:48,550 --> 00:12:47,600

conservative catholic might see a ufo

373

00:12:50,389 --> 00:12:48,560

and just it won't

374

00:12:51,750 --> 00:12:50,399

process for their brains it doesn't fit

375

00:12:52,069 --> 00:12:51,760

into their framework and i'm like well

376

00:12:54,389 --> 00:12:52,079

that

377

00:12:55,990 --> 00:12:54,399

is not the case with me i'm down show me

378

00:12:58,550 --> 00:12:56,000

something

379

00:12:59,829 --> 00:12:58,560

everything yeah but still it's kind of

380

00:13:01,509 --> 00:12:59,839

sad but either way uh

381

00:13:03,910 --> 00:13:01,519

let's get on to the subject of time in

382

00:13:05,910 --> 00:13:03,920

your newest book i guess which is

383

00:13:08,150 --> 00:13:05,920

this book is from the future a few weeks

384

00:13:10,389 --> 00:13:08,160

back i spoke with stan dayo about some

385

00:13:13,269 --> 00:13:10,399

of the anti-gravity craft that he worked

386

00:13:15,750 --> 00:13:13,279

on secretly for government projects

387

00:13:16,670 --> 00:13:15,760

he spoke a bit about this technology

388

00:13:18,550 --> 00:13:16,680

involved

389

00:13:20,310 --> 00:13:18,560

electromagnetism and time altering

390

00:13:21,350 --> 00:13:20,320

fields and there seems to be a definite

391

00:13:24,790 --> 00:13:21,360

link between

392

00:13:26,389 --> 00:13:24,800

ufos or electromagnetism and time have

393

00:13:27,110 --> 00:13:26,399

you heard about any other cases or

394

00:13:29,509 --> 00:13:27,120

examples of

395

00:13:30,150 --> 00:13:29,519

absolutely that's kind of fun yeah i

396

00:13:32,470 --> 00:13:30,160

mean there's

397

00:13:34,470 --> 00:13:32,480

there are a lot of theories that the

398

00:13:37,190 --> 00:13:34,480

manipulating the em field

399

00:13:38,470 --> 00:13:37,200

and and even a manipulation of gravity

400

00:13:40,389 --> 00:13:38,480

is how the

401
00:13:41,750 --> 00:13:40,399
craft if you want to call them that get

402
00:13:42,550 --> 00:13:41,760
from wherever they're coming from to

403
00:13:45,590 --> 00:13:42,560
hear

404
00:13:46,949 --> 00:13:45,600
and seem to do so by defying our known

405
00:13:48,790 --> 00:13:46,959
laws of physics which

406
00:13:49,990 --> 00:13:48,800
you know seem to limit us from not doing

407
00:13:52,550 --> 00:13:50,000
these same things

408
00:13:54,389 --> 00:13:52,560
but i truly believe that because you

409
00:13:54,870 --> 00:13:54,399
know time and space are interconnected

410
00:13:56,069 --> 00:13:54,880
so

411
00:13:58,389 --> 00:13:56,079
if you're going to talk about the

412
00:14:01,269 --> 00:13:58,399
manipulation of space

413
00:14:03,350 --> 00:14:01,279

which would allow a ufo to come from

414

00:14:04,949 --> 00:14:03,360

either one part of this universe to this

415

00:14:07,030 --> 00:14:04,959

part or another universe

416

00:14:08,550 --> 00:14:07,040

to our universe and you also have to

417

00:14:11,509 --> 00:14:08,560

take into account they may be coming

418

00:14:12,870 --> 00:14:11,519

from another time

419

00:14:14,629 --> 00:14:12,880

you know if you talk about things like

420

00:14:16,230 --> 00:14:14,639

wormholes that connect different points

421

00:14:19,350 --> 00:14:16,240

in the universe they could also

422

00:14:21,670 --> 00:14:19,360

connect different universes and

423

00:14:23,750 --> 00:14:21,680

they can connect different times because

424

00:14:26,069 --> 00:14:23,760

everything is interconnected so

425

00:14:28,150 --> 00:14:26,079

why would we not think that an advanced

426
00:14:29,189 --> 00:14:28,160
civilization that has figured out how to

427
00:14:32,389 --> 00:14:29,199
do this

428
00:14:34,629 --> 00:14:32,399
stuff that we're trying to do that they

429
00:14:35,189 --> 00:14:34,639
would not also be able to manipulate and

430
00:14:38,310 --> 00:14:35,199
alter

431
00:14:39,670 --> 00:14:38,320
the timeline as well so i absolutely

432
00:14:42,949 --> 00:14:39,680
think that that's

433
00:14:44,230 --> 00:14:42,959
that's a huge um interest i guess you

434
00:14:46,389 --> 00:14:44,240
could say

435
00:14:47,750 --> 00:14:46,399
and and a lot of the conspiracies

436
00:14:50,310 --> 00:14:47,760
involving time travel

437
00:14:51,110 --> 00:14:50,320
project montauk and what have you even

438
00:14:52,949 --> 00:14:51,120

um

439

00:14:54,550 --> 00:14:52,959

the philadelphia experiment whether you

440

00:14:56,470 --> 00:14:54,560

believe anything happened or not

441

00:14:58,790 --> 00:14:56,480

it did involve the manipulation of the

442

00:14:59,990 --> 00:14:58,800

am field so just leave this stuff's been

443

00:15:02,710 --> 00:15:00,000

around for a while

444

00:15:05,269 --> 00:15:02,720

somebody knows that it's a real good

445

00:15:07,590 --> 00:15:05,279

avenue to you know to go

446

00:15:09,110 --> 00:15:07,600

and i think that um you know you have to

447

00:15:11,590 --> 00:15:09,120

include time with that it's not just

448

00:15:13,670 --> 00:15:11,600

about manipulating space

449

00:15:14,710 --> 00:15:13,680

even more conventional experiments have

450

00:15:16,870 --> 00:15:14,720

happened like uh

451

00:15:18,069 --> 00:15:16,880

the was it the half-life heating

452

00:15:20,470 --> 00:15:18,079

experiment

453

00:15:21,590 --> 00:15:20,480

right where they send uh two planes

454

00:15:23,350 --> 00:15:21,600

around the world

455

00:15:24,710 --> 00:15:23,360

and yeah and they're able to show that

456

00:15:26,949 --> 00:15:24,720

there is a little bit of time

457

00:15:30,150 --> 00:15:26,959

difference that occurs and yeah how does

458

00:15:34,470 --> 00:15:32,150

how can i ever release this was that

459

00:15:36,470 --> 00:15:34,480

just uh you know i mean basically

460

00:15:38,470 --> 00:15:36,480

the faster they go i mean the the clocks

461

00:15:40,150 --> 00:15:38,480

kind of slowed by a few nanoseconds

462

00:15:41,829 --> 00:15:40,160

it's time dilation i mean you know like

463

00:15:42,710 --> 00:15:41,839

the einstein stuff we learned in high

464

00:15:44,550 --> 00:15:42,720

school the idea

465

00:15:45,829 --> 00:15:44,560

that the faster the closer you come to

466

00:15:47,430 --> 00:15:45,839

the speed of light even if it's

467

00:15:49,670 --> 00:15:47,440

incremental

468

00:15:50,710 --> 00:15:49,680

the slower time will appear to the

469

00:15:53,350 --> 00:15:50,720

person who is

470

00:15:54,870 --> 00:15:53,360

in motion that doesn't occur to the

471

00:15:56,790 --> 00:15:54,880

person who's the um

472

00:15:58,389 --> 00:15:56,800

stationary observer and of course that's

473

00:16:00,470 --> 00:15:58,399

the whole relativity thing

474

00:16:02,310 --> 00:16:00,480

but i think what is need to be

475

00:16:04,470 --> 00:16:02,320

emphasized is again it's our natural

476
00:16:05,670 --> 00:16:04,480
tendency to think that space and time

477
00:16:07,189 --> 00:16:05,680
are separate

478
00:16:10,150 --> 00:16:07,199
so it's like okay well things that we

479
00:16:12,150 --> 00:16:10,160
can do in a spatial sense

480
00:16:13,350 --> 00:16:12,160
we don't include time into that but we

481
00:16:15,269 --> 00:16:13,360
have to i mean

482
00:16:16,870 --> 00:16:15,279
they're they're interwoven and that's

483
00:16:20,150 --> 00:16:16,880
what the physicists tell us

484
00:16:23,030 --> 00:16:20,160
based on this is a an interwoven fabric

485
00:16:25,590 --> 00:16:23,040
or continuum and so what you do to one

486
00:16:27,350 --> 00:16:25,600
you have to be able to do to the other

487
00:16:29,749 --> 00:16:27,360
well what are a couple of your

488
00:16:32,870 --> 00:16:29,759

favorite more recent time discoveries or

489

00:16:34,470 --> 00:16:32,880

experiments that have happened

490

00:16:36,389 --> 00:16:34,480

well unfortunately they didn't lead

491

00:16:38,230 --> 00:16:36,399

anywhere well yeah

492

00:16:40,310 --> 00:16:38,240

i know well you know i think they do

493

00:16:41,990 --> 00:16:40,320

though i think even the failures like

494

00:16:44,710 --> 00:16:42,000

last year everybody was screaming and

495

00:16:46,069 --> 00:16:44,720

yelling over this the opera facility in

496

00:16:49,110 --> 00:16:46,079

italy and

497

00:16:50,710 --> 00:16:49,120

yeah and the possibility that we have

498

00:16:53,509 --> 00:16:50,720

found a particle

499

00:16:54,389 --> 00:16:53,519

that could uh you know breach faster

500

00:16:56,550 --> 00:16:54,399

than light

501
00:16:57,990 --> 00:16:56,560
speed and that was the neutrino which is

502
00:16:59,590 --> 00:16:58,000
really cool because that's a particle

503
00:17:01,110 --> 00:16:59,600
that has no mass

504
00:17:02,629 --> 00:17:01,120
right how they were able to measure it

505
00:17:05,350 --> 00:17:02,639
you know i'm not even going to get into

506
00:17:07,270 --> 00:17:05,360
i don't even but you know so they had

507
00:17:10,069 --> 00:17:07,280
they did an experiment they

508
00:17:10,870 --> 00:17:10,079
they duplicated it actually several

509
00:17:12,710 --> 00:17:10,880
times

510
00:17:14,630 --> 00:17:12,720
and that's what got everybody excited oh

511
00:17:16,789 --> 00:17:14,640
my god we finally found a particle

512
00:17:18,710 --> 00:17:16,799
that can go faster than the speed of

513
00:17:20,630 --> 00:17:18,720

light well what happened was

514

00:17:23,029 --> 00:17:20,640

they also eventually discovered that

515

00:17:25,669 --> 00:17:23,039

there were some technical glitches with

516

00:17:26,150 --> 00:17:25,679

the track the gps tracking system of

517

00:17:29,350 --> 00:17:26,160

course the

518

00:17:30,950 --> 00:17:29,360

cable something as dumb as a cable and

519

00:17:33,029 --> 00:17:30,960

why they kept getting the same result is

520

00:17:35,430 --> 00:17:33,039

just simply because they didn't know

521

00:17:37,430 --> 00:17:35,440

that those anomalies existed so the test

522

00:17:40,230 --> 00:17:37,440

just kept coming out positive

523

00:17:43,110 --> 00:17:40,240

um but the interesting thing is is it

524

00:17:44,950 --> 00:17:43,120

opened the door to the possibility that

525

00:17:46,789 --> 00:17:44,960

there are particles out there like you

526
00:17:47,750 --> 00:17:46,799
know the mysterious tachyon that

527
00:17:50,870 --> 00:17:47,760
everybody used to

528
00:17:53,909 --> 00:17:50,880
call uh talk about that may

529
00:17:55,270 --> 00:17:53,919
be proven one day through these amazing

530
00:17:57,430 --> 00:17:55,280
experiments

531
00:17:59,029 --> 00:17:57,440
to go faster than light and if that's

532
00:18:01,590 --> 00:17:59,039
the case

533
00:18:02,710 --> 00:18:01,600
you could extrapolate that to possibly

534
00:18:05,110 --> 00:18:02,720
mean a bigger

535
00:18:06,070 --> 00:18:05,120
object made up of many particles could

536
00:18:08,710 --> 00:18:06,080
do that

537
00:18:10,070 --> 00:18:08,720
um michio kaku my my favorite

538
00:18:11,909 --> 00:18:10,080

theoretical fist

539

00:18:13,110 --> 00:18:11,919

i mean he said really and i'm totally

540

00:18:15,029 --> 00:18:13,120

paraphrasing here

541

00:18:17,270 --> 00:18:15,039

that it all comes down to the

542

00:18:17,669 --> 00:18:17,280

engineering time travel is possible but

543

00:18:20,150 --> 00:18:17,679

it's an

544

00:18:22,230 --> 00:18:20,160

engineering problem now it's like okay

545

00:18:23,990 --> 00:18:22,240

theoretically we know a lot of different

546

00:18:27,830 --> 00:18:24,000

ways that it could possibly work

547

00:18:30,390 --> 00:18:27,840

but we need to think we need to actually

548

00:18:31,110 --> 00:18:30,400

build quote unquote the machine so to

549

00:18:32,789 --> 00:18:31,120

speak

550

00:18:34,230 --> 00:18:32,799

yeah that is a great way to say it that

551

00:18:36,230 --> 00:18:34,240

it's an engineering problem

552

00:18:38,390 --> 00:18:36,240

yeah now you know what if he's saying

553

00:18:38,950 --> 00:18:38,400

that right well that's the thing i was

554

00:18:41,110 --> 00:18:38,960

gonna say

555

00:18:42,150 --> 00:18:41,120

i used to i used to really love him and

556

00:18:44,710 --> 00:18:42,160

then i just got

557

00:18:45,750 --> 00:18:44,720

way deep down the rabbit hole and now i

558

00:18:48,630 --> 00:18:45,760

mean he seems

559

00:18:50,150 --> 00:18:48,640

boring you know no offense to him no

560

00:18:51,909 --> 00:18:50,160

offense to him but you know the

561

00:18:53,110 --> 00:18:51,919

conventional seems just a bit boring

562

00:18:53,990 --> 00:18:53,120

when you're looking into some of this

563

00:18:55,750 --> 00:18:54,000

crazy stuff

564

00:18:57,270 --> 00:18:55,760

can you imagine i mean think about the

565

00:18:58,549 --> 00:18:57,280

things he talks about and how

566

00:19:00,470 --> 00:18:58,559

you know how they would have played a

567

00:19:04,230 --> 00:19:00,480

hundred years ago people would have true

568

00:19:06,150 --> 00:19:04,240

harry potter you know yeah that's true

569

00:19:08,390 --> 00:19:06,160

well given the research that you have

570

00:19:10,390 --> 00:19:08,400

done how would you describe time is it a

571

00:19:12,310 --> 00:19:10,400

fourth dimension or more of an illusion

572

00:19:15,110 --> 00:19:12,320

created by the mind

573

00:19:15,830 --> 00:19:15,120

both right well you know we do treat it

574

00:19:19,430 --> 00:19:15,840

as a

575

00:19:20,470 --> 00:19:19,440

dimension separate uh the temporal

576

00:19:22,710 --> 00:19:20,480

dimension

577

00:19:25,110 --> 00:19:22,720

along with our three spatial but again

578

00:19:26,310 --> 00:19:25,120

when we talk about time space we include

579

00:19:29,750 --> 00:19:26,320

all four

580

00:19:32,310 --> 00:19:29,760

but the thing is is that the only uh

581

00:19:34,549 --> 00:19:32,320

place that linear time the arrow of time

582

00:19:37,830 --> 00:19:34,559

from past present to future

583

00:19:38,789 --> 00:19:37,840

really occurs is within the structures

584

00:19:42,950 --> 00:19:38,799

of

585

00:19:45,350 --> 00:19:42,960

the human brain and in a cosmic sense

586

00:19:47,029 --> 00:19:45,360

and in a quantum sense there is no

587

00:19:49,190 --> 00:19:47,039

linear time

588

00:19:50,710 --> 00:19:49,200

we as human beings and all living things

589

00:19:53,990 --> 00:19:50,720

i think we all have brains

590

00:19:55,590 --> 00:19:54,000

you know even little little creatures

591

00:19:57,270 --> 00:19:55,600

our brains are designed that way for a

592

00:19:57,750 --> 00:19:57,280

reason and that is functionality and

593

00:19:59,669 --> 00:19:57,760

that is

594

00:20:02,070 --> 00:19:59,679

to be able to survive and reproduce and

595

00:20:03,909 --> 00:20:02,080

have lives that have order

596

00:20:05,830 --> 00:20:03,919

and and have some meaning i mean there's

597

00:20:07,270 --> 00:20:05,840

a purpose for life and that is really to

598

00:20:10,310 --> 00:20:07,280

reproduce itself

599

00:20:13,029 --> 00:20:10,320

and whatever destiny we may be moving

600

00:20:14,789 --> 00:20:13,039

towards as a species the goal is to keep

601
00:20:16,870 --> 00:20:14,799
reproducing and in order to do that

602
00:20:17,909 --> 00:20:16,880
there has to be a very structured

603
00:20:20,070 --> 00:20:17,919
timeline

604
00:20:21,190 --> 00:20:20,080
but beyond the brain when we get to

605
00:20:23,830 --> 00:20:21,200
things like mind

606
00:20:25,270 --> 00:20:23,840
and consciousness when we get out there

607
00:20:25,830 --> 00:20:25,280
in the universe where the laws of

608
00:20:27,909 --> 00:20:25,840
physics

609
00:20:29,270 --> 00:20:27,919
may not necessarily all be the same the

610
00:20:32,710 --> 00:20:29,280
further out you go when we

611
00:20:35,669 --> 00:20:32,720
talk about other universes and you know

612
00:20:37,510 --> 00:20:35,679
excuse me other laws of physics that may

613
00:20:38,710 --> 00:20:37,520

apply there that will look like magic to

614

00:20:41,990 --> 00:20:38,720

us

615

00:20:43,830 --> 00:20:42,000

time is fluid it's not fixed it doesn't

616

00:20:45,750 --> 00:20:43,840

exist in a linear fashion

617

00:20:46,950 --> 00:20:45,760

past present and future are all laid out

618

00:20:49,430 --> 00:20:46,960

at once

619

00:20:51,029 --> 00:20:49,440

which means that we should be able to

620

00:20:53,110 --> 00:20:51,039

access information

621

00:20:55,029 --> 00:20:53,120

from the past present and future anytime

622

00:20:57,430 --> 00:20:55,039

we want if we could figure out

623

00:20:59,430 --> 00:20:57,440

how to do so which yeah larry and i

624

00:21:00,789 --> 00:20:59,440

think that we kind of have in a way

625

00:21:03,270 --> 00:21:00,799

and that's where all the mental time

626

00:21:05,350 --> 00:21:03,280

travel stuff kind of comes into play

627

00:21:07,350 --> 00:21:05,360

nice i mean it is tough to discuss

628

00:21:08,310 --> 00:21:07,360

theories of time travel and time itself

629

00:21:10,070 --> 00:21:08,320

really without

630

00:21:12,390 --> 00:21:10,080

trying to define the framework of

631

00:21:14,390 --> 00:21:12,400

reality itself i mean considering

632

00:21:15,909 --> 00:21:14,400

that your book touches on you touch on

633

00:21:18,070 --> 00:21:15,919

so many of the major theories like

634

00:21:20,070 --> 00:21:18,080

string theory the multiverse or membrane

635

00:21:23,110 --> 00:21:20,080

theory the holographic universe

636

00:21:24,870 --> 00:21:23,120

which seems most plausible to you

637

00:21:27,270 --> 00:21:24,880

how would you try to explain reality

638

00:21:29,590 --> 00:21:27,280

well okay i'm not a physicist oh explain

639

00:21:33,510 --> 00:21:29,600

reality

640

00:21:36,230 --> 00:21:33,520

it's illusion um you know okay

641

00:21:37,590 --> 00:21:36,240

on so many levels yeah i really think

642

00:21:39,590 --> 00:21:37,600

that

643

00:21:42,149 --> 00:21:39,600

all right here's the deal i think

644

00:21:45,750 --> 00:21:42,159

reality is made up of many levels

645

00:21:47,909 --> 00:21:45,760

and we exist in one mainly again for

646

00:21:50,950 --> 00:21:47,919

functionality and survival purposes but

647

00:21:53,029 --> 00:21:50,960

we have access to on occasion

648

00:21:54,950 --> 00:21:53,039

those other realities and i we call them

649

00:21:57,750 --> 00:21:54,960

paranormal we call them

650

00:21:59,510 --> 00:21:57,760

uh anomalous phenomenon we call them

651
00:22:02,549 --> 00:21:59,520
dreams and deja vu

652
00:22:04,070 --> 00:22:02,559
and cognition and remote viewing inside

653
00:22:06,230 --> 00:22:04,080
those are the real clues

654
00:22:07,270 --> 00:22:06,240
yeah yeah but see think about it we're

655
00:22:09,029 --> 00:22:07,280
not meant to

656
00:22:10,549 --> 00:22:09,039
always be able to do that stuff because

657
00:22:12,149 --> 00:22:10,559
if we did

658
00:22:13,590 --> 00:22:12,159
we wouldn't be able to have one

659
00:22:15,270 --> 00:22:13,600
functional life with

660
00:22:17,990 --> 00:22:15,280
the purpose of which is to continue to

661
00:22:21,190 --> 00:22:18,000
reproduce to keep the species going

662
00:22:23,029 --> 00:22:21,200
um so to me and this is what uh

663
00:22:25,430 --> 00:22:23,039

our next book is about we it's called

664

00:22:26,310 --> 00:22:25,440

the grid exploring the hidden

665

00:22:29,190 --> 00:22:26,320

infrastructure

666

00:22:29,750 --> 00:22:29,200

of reality believe it or not that sounds

667

00:22:30,950 --> 00:22:29,760

great

668

00:22:32,549 --> 00:22:30,960

yeah well what we're going to do it's

669

00:22:33,510 --> 00:22:32,559

sort of an introductory book where we're

670

00:22:35,430 --> 00:22:33,520

going to bring together

671

00:22:37,029 --> 00:22:35,440

a lot of these theories and a lot of our

672

00:22:39,590 --> 00:22:37,039

research and

673

00:22:40,470 --> 00:22:39,600

try to show how if there were a visible

674

00:22:41,750 --> 00:22:40,480

structure

675

00:22:43,430 --> 00:22:41,760

what it might be like because you know

676

00:22:45,270 --> 00:22:43,440

we're visual creatures and we like to

677

00:22:46,789 --> 00:22:45,280

have symbols and images

678

00:22:48,230 --> 00:22:46,799

so we thought of a three-dimensional

679

00:22:48,710 --> 00:22:48,240

grid and the way you have these

680

00:22:51,750 --> 00:22:48,720

different

681

00:22:52,310 --> 00:22:51,760

levels and you've got connectors you

682

00:22:54,710 --> 00:22:52,320

know to

683

00:22:56,470 --> 00:22:54,720

connect each level so we're on one of

684

00:22:59,190 --> 00:22:56,480

those right that's our

685

00:23:01,110 --> 00:22:59,200

day-to-day normal reality but we can go

686

00:23:01,909 --> 00:23:01,120

up and down then side to side on those

687

00:23:04,070 --> 00:23:01,919

connectors

688

00:23:06,390 --> 00:23:04,080

and experience other realities on

689

00:23:08,230 --> 00:23:06,400

occasion and possibly death is just

690

00:23:09,990 --> 00:23:08,240

another level of the grid yeah

691

00:23:11,990 --> 00:23:10,000

you go one up or you go one down

692

00:23:13,750 --> 00:23:12,000

whatever i assume you would talk a

693

00:23:16,549 --> 00:23:13,760

little bit about psychedelics in

694

00:23:17,270 --> 00:23:16,559

in that regard absolutely because those

695

00:23:19,909 --> 00:23:17,280

are

696

00:23:20,870 --> 00:23:19,919

triggers or mechanisms if you will by

697

00:23:23,750 --> 00:23:20,880

which

698

00:23:24,950 --> 00:23:23,760

the brain sort of is pushed into

699

00:23:27,270 --> 00:23:24,960

experiencing

700

00:23:28,470 --> 00:23:27,280

other levels of reality that normally it

701
00:23:29,909 --> 00:23:28,480
would not be aware of

702
00:23:31,750 --> 00:23:29,919
and again that's because of

703
00:23:32,549 --> 00:23:31,760
functionality i mean if we were always

704
00:23:35,430 --> 00:23:32,559
tripping out i

705
00:23:36,230 --> 00:23:35,440
always saw the room you know most of us

706
00:23:38,950 --> 00:23:36,240
would not get

707
00:23:39,510 --> 00:23:38,960
anything accomplished we wouldn't you

708
00:23:43,029 --> 00:23:39,520
know have

709
00:23:45,510 --> 00:23:43,039
babies and species going and

710
00:23:46,470 --> 00:23:45,520
so yeah definitely um things like

711
00:23:49,510 --> 00:23:46,480
meditation

712
00:23:50,070 --> 00:23:49,520
chanting oh my gosh anything shamanism

713
00:23:52,870 --> 00:23:50,080

where they do

714

00:23:54,950 --> 00:23:52,880

drumming and anything that takes uh

715

00:23:56,950 --> 00:23:54,960

consciousness or takes your brain waves

716

00:23:59,350 --> 00:23:56,960

and elevates them so that you can

717

00:24:02,470 --> 00:23:59,360

experience something other than

718

00:24:04,710 --> 00:24:02,480

the normal everyday waking state i

719

00:24:05,909 --> 00:24:04,720

i mean i've had a couple of psychedelic

720

00:24:07,590 --> 00:24:05,919

experiences that

721

00:24:09,110 --> 00:24:07,600

to some friends of mine who haven't they

722

00:24:10,789 --> 00:24:09,120

write them off as a hallucination

723

00:24:12,630 --> 00:24:10,799

because that's the conventional

724

00:24:14,390 --> 00:24:12,640

model but you know when you have the

725

00:24:16,310 --> 00:24:14,400

experience it just seems

726

00:24:18,390 --> 00:24:16,320

it seems so real like your internal

727

00:24:18,950 --> 00:24:18,400

dialogue is kept intact you can still

728

00:24:21,269 --> 00:24:18,960

think

729

00:24:22,549 --> 00:24:21,279

but you're just like man something is

730

00:24:23,750 --> 00:24:22,559

off you know

731

00:24:26,390 --> 00:24:23,760

yeah well you know what's funny there

732

00:24:28,149 --> 00:24:26,400

was an article i think god last week

733

00:24:29,190 --> 00:24:28,159

that you talk about hallucinations so

734

00:24:32,310 --> 00:24:29,200

ironic

735

00:24:33,590 --> 00:24:32,320

that talked about how you know again for

736

00:24:36,870 --> 00:24:33,600

the longest time people thought

737

00:24:40,630 --> 00:24:36,880

hallucinations were just a triviality

738

00:24:43,669 --> 00:24:40,640

and yet they like dreams can seem

739

00:24:45,510 --> 00:24:43,679

100 real to the brain

740

00:24:48,310 --> 00:24:45,520

so the brain doesn't differentiate

741

00:24:51,350 --> 00:24:48,320

between a very vivid hallucination or

742

00:24:53,190 --> 00:24:51,360

say a really vivid dream and

743

00:24:55,510 --> 00:24:53,200

you and i talking right now and what we

744

00:24:57,590 --> 00:24:55,520

consider to be our waking state

745

00:25:00,310 --> 00:24:57,600

those are different realities to the

746

00:25:02,230 --> 00:25:00,320

brain and you know if you've had um

747

00:25:04,070 --> 00:25:02,240

a dream where you've you something

748

00:25:05,750 --> 00:25:04,080

really sad happens you cry you feel

749

00:25:09,110 --> 00:25:05,760

emotion in dreams you feel

750

00:25:09,909 --> 00:25:09,120

terror uh you know there are sexual

751
00:25:12,789 --> 00:25:09,919
dreams

752
00:25:13,510 --> 00:25:12,799
i mean our bodies and our brains react

753
00:25:16,549 --> 00:25:13,520
to those

754
00:25:18,350 --> 00:25:16,559
experiences as if they were just as real

755
00:25:20,470 --> 00:25:18,360
as the waking state so even

756
00:25:23,190 --> 00:25:20,480
hallucinations now are being taken a

757
00:25:25,190 --> 00:25:23,200
little more seriously it's about time

758
00:25:26,310 --> 00:25:25,200
yeah it's it dreams are a messed up

759
00:25:27,590 --> 00:25:26,320
thing because you know you'll

760
00:25:29,029 --> 00:25:27,600
you'll be sleeping with your partner and

761
00:25:30,549 --> 00:25:29,039
you have a dream that they cheated on

762
00:25:31,190 --> 00:25:30,559
you and you wake up and you're kind of

763
00:25:33,590 --> 00:25:31,200

like

764

00:25:34,390 --> 00:25:33,600

what the [h__\h] yeah you know but and

765

00:25:37,830 --> 00:25:34,400

they're getting

766

00:25:39,750 --> 00:25:37,840

all testy like you what did you do

767

00:25:41,190 --> 00:25:39,760

and you you know it's stupid but it's

768

00:25:43,110 --> 00:25:41,200

like you know you can't

769

00:25:44,710 --> 00:25:43,120

you wake up in a slightly bad mood it

770

00:25:47,669 --> 00:25:44,720

takes a minute to shake it off

771

00:25:48,630 --> 00:25:47,679

it does and that proves just how

772

00:25:50,549 --> 00:25:48,640

realistic

773

00:25:51,750 --> 00:25:50,559

what happens on the other side of sleep

774

00:25:53,750 --> 00:25:51,760

really is it's

775

00:25:54,870 --> 00:25:53,760

i love it i think it's so cool because

776

00:25:57,269 --> 00:25:54,880

you know when i

777

00:25:58,950 --> 00:25:57,279

started to realize i never bought into

778

00:25:59,909 --> 00:25:58,960

that whole thing about how dreams are

779

00:26:01,909 --> 00:25:59,919

just your

780

00:26:04,070 --> 00:26:01,919

subconscious trying to you know the

781

00:26:05,750 --> 00:26:04,080

freudian stuff try to speak to you

782

00:26:07,190 --> 00:26:05,760

yeah well and i do think that does

783

00:26:09,990 --> 00:26:07,200

happen but i

784

00:26:12,230 --> 00:26:10,000

really think of dreams as more of

785

00:26:13,990 --> 00:26:12,240

experiences of other universes other

786

00:26:15,590 --> 00:26:14,000

realities maybe we're slipping into the

787

00:26:17,269 --> 00:26:15,600

multiverse and we're

788

00:26:18,549 --> 00:26:17,279

you know and that's why things seem so

789

00:26:20,549 --> 00:26:18,559

bizarre in dreams because we're

790

00:26:22,470 --> 00:26:20,559

operating in those multiverses

791

00:26:23,990 --> 00:26:22,480

with different laws of physics so it

792

00:26:27,430 --> 00:26:24,000

looks like magic you can turn into

793

00:26:30,710 --> 00:26:27,440

a pink pony you know or you can fly

794

00:26:31,909 --> 00:26:30,720

i mean yeah i'm sure freud was right on

795

00:26:33,110 --> 00:26:31,919

some of that stuff i'm

796

00:26:34,950 --> 00:26:33,120

pretty sure if you keep dreaming of

797

00:26:35,909 --> 00:26:34,960

plane crashes it means your life is a

798

00:26:38,549 --> 00:26:35,919

mess

799

00:26:40,549 --> 00:26:38,559

but at the same time i think people know

800

00:26:41,269 --> 00:26:40,559

the difference between maybe a symbolic

801
00:26:43,190 --> 00:26:41,279
dream

802
00:26:44,549 --> 00:26:43,200
and one where they're really they're in

803
00:26:46,070 --> 00:26:44,559
another world

804
00:26:47,750 --> 00:26:46,080
yeah i mean i know you're familiar with

805
00:26:50,789 --> 00:26:47,760
anthony peake

806
00:26:54,390 --> 00:26:50,799
yes yes a lot of the similar uh work

807
00:26:56,789 --> 00:26:54,400
too true came out is about time and

808
00:26:58,230 --> 00:26:56,799
deja vu and all that stuff oh he's great

809
00:27:00,390 --> 00:26:58,240
uh i talked to him

810
00:27:02,230 --> 00:27:00,400
a while ago maybe maybe it was even

811
00:27:03,750 --> 00:27:02,240
almost a year ago but uh

812
00:27:06,149 --> 00:27:03,760
something i discussed with him it's like

813
00:27:07,909 --> 00:27:06,159

i like the idea that our dreams are just

814

00:27:09,510 --> 00:27:07,919

as real as our waking life it's just a

815

00:27:11,909 --> 00:27:09,520

different type of reality but

816

00:27:14,149 --> 00:27:11,919

right when you you know when you have

817

00:27:16,950 --> 00:27:14,159

sex with someone you know in a dream

818

00:27:17,269 --> 00:27:16,960

and you see that person i feel like they

819

00:27:21,110 --> 00:27:17,279

sh

820

00:27:21,590 --> 00:27:21,120

is that not them is it a manifestation

821

00:27:23,750 --> 00:27:21,600

of them

822

00:27:25,029 --> 00:27:23,760

they're doppelganger you know that's a

823

00:27:26,630 --> 00:27:25,039

really good question

824

00:27:29,430 --> 00:27:26,640

and the thing is well either they don't

825

00:27:32,470 --> 00:27:29,440

want to admit that they know

826

00:27:34,310 --> 00:27:32,480

or you know i think that there are

827

00:27:35,750 --> 00:27:34,320

people that are more sensitive to these

828

00:27:37,830 --> 00:27:35,760

other realities

829

00:27:38,950 --> 00:27:37,840

so it could be that they didn't even you

830

00:27:39,590 --> 00:27:38,960

know you have dreams that you don't

831

00:27:43,990 --> 00:27:39,600

remember

832

00:27:46,870 --> 00:27:44,000

years

833

00:27:50,389 --> 00:27:46,880

i have waking life i don't remember i

834

00:27:53,669 --> 00:27:51,830

i don't know i think that's a really

835

00:27:54,789 --> 00:27:53,679

good question but i think it could be

836

00:27:57,269 --> 00:27:54,799

either

837

00:27:58,630 --> 00:27:57,279

um they're just not on the same

838

00:28:01,350 --> 00:27:58,640

wavelength so to speak

839

00:28:02,389 --> 00:28:01,360

in terms of remembering dreams or it

840

00:28:04,630 --> 00:28:02,399

wasn't quite

841

00:28:06,070 --> 00:28:04,640

them in this reality it was them in a

842

00:28:08,389 --> 00:28:06,080

parallel universe

843

00:28:09,669 --> 00:28:08,399

so consciously they don't have memory of

844

00:28:11,669 --> 00:28:09,679

it but for some

845

00:28:13,909 --> 00:28:11,679

you do i don't know that's a good

846

00:28:16,950 --> 00:28:13,919

question usually that's called date rape

847

00:28:20,230 --> 00:28:16,960

but it's some form of dream rape i guess

848

00:28:23,269 --> 00:28:22,549

wait let's talk a little bit about some

849

00:28:25,350 --> 00:28:23,279

of the

850

00:28:27,430 --> 00:28:25,360

time mysteries and the conspiracies that

851

00:28:29,669 --> 00:28:27,440

you wrote about um

852

00:28:31,830 --> 00:28:29,679

what about the the john teeter situation

853

00:28:34,389 --> 00:28:31,840

how what's your opinion of him

854

00:28:34,950 --> 00:28:34,399

well you know i gotta be honest with you

855

00:28:40,789 --> 00:28:34,960

i

856

00:28:43,029 --> 00:28:40,799

2000s you know for those of you who

857

00:28:45,830 --> 00:28:43,039

don't know who john teeter is he

858

00:28:46,630 --> 00:28:45,840

was a excuse me alleged time traveler

859

00:28:48,710 --> 00:28:46,640

that showed up

860

00:28:50,149 --> 00:28:48,720

on internet bulletin boards back in i

861

00:28:52,630 --> 00:28:50,159

think the year 2000

862

00:28:54,230 --> 00:28:52,640

yeah 2001 and just all of a sudden

863

00:28:57,110 --> 00:28:54,240

started posting

864

00:28:58,950 --> 00:28:57,120

um that he was a time traveler from the

865

00:29:00,950 --> 00:28:58,960

year 2036

866

00:29:03,110 --> 00:29:00,960

he was trying to get home he had been

867

00:29:04,230 --> 00:29:03,120

sent here from the future to pick up an

868

00:29:07,430 --> 00:29:04,240

archaic

869

00:29:08,549 --> 00:29:07,440

ibm computer system from like the 1970s

870

00:29:12,070 --> 00:29:08,559

for whatever reason

871

00:29:13,909 --> 00:29:12,080

yeah that was sketchy yeah and you know

872

00:29:15,990 --> 00:29:13,919

for some reason he he didn't go home

873

00:29:16,950 --> 00:29:16,000

right away so he ended up posting all

874

00:29:18,870 --> 00:29:16,960

kinds of

875

00:29:20,870 --> 00:29:18,880

information about this time machine that

876

00:29:22,950 --> 00:29:20,880

he had created and how it

877

00:29:24,310 --> 00:29:22,960

how it worked how it was manufactured by

878

00:29:25,990 --> 00:29:24,320

ge

879

00:29:29,590 --> 00:29:26,000

and you know a lot of his science was

880

00:29:33,110 --> 00:29:29,600

right on the money i mean he obviously

881

00:29:33,750 --> 00:29:33,120

excuse me new um a lot of the research

882

00:29:35,669 --> 00:29:33,760

that was

883

00:29:37,750 --> 00:29:35,679

being conducted into different time

884

00:29:39,669 --> 00:29:37,760

travel theories and mechanisms by which

885

00:29:41,029 --> 00:29:39,679

you could create a time travel device he

886

00:29:43,430 --> 00:29:41,039

was up on all that

887

00:29:44,710 --> 00:29:43,440

but he started also posting like

888

00:29:47,510 --> 00:29:44,720

predictions and

889

00:29:48,230 --> 00:29:47,520

and right prophecies very few of them

890

00:29:49,750 --> 00:29:48,240

came true

891

00:29:50,870 --> 00:29:49,760

most of them were so vague that they

892

00:29:51,430 --> 00:29:50,880

could have come true you never would

893

00:29:54,789 --> 00:29:51,440

have known

894

00:29:56,070 --> 00:29:54,799

right and apparently he kept a time

895

00:29:58,630 --> 00:29:56,080

travel device in a

896

00:29:59,590 --> 00:29:58,640

back of a 1967 chevy corvette

897

00:30:01,350 --> 00:29:59,600

convertible

898

00:30:03,110 --> 00:30:01,360

and i only giggle just because it's you

899

00:30:04,070 --> 00:30:03,120

know but he did post a little back to

900

00:30:06,710 --> 00:30:04,080

the future

901
00:30:08,389 --> 00:30:06,720
yeah he posted diagrams in an

902
00:30:09,909 --> 00:30:08,399
instruction manual a lot of people that

903
00:30:11,669 --> 00:30:09,919
looked at it said hey you know there may

904
00:30:13,990 --> 00:30:11,679
be something to this

905
00:30:15,669 --> 00:30:14,000
i know he was on coast to coast um art

906
00:30:16,789 --> 00:30:15,679
bell had faxes with him and

907
00:30:19,510 --> 00:30:16,799
conversations but

908
00:30:20,389 --> 00:30:19,520
then he just kind of vanished and went

909
00:30:23,350 --> 00:30:20,399
home

910
00:30:26,310 --> 00:30:23,360
yeah probably yeah or maybe he went back

911
00:30:27,830 --> 00:30:26,320
to 1975 to get another ibm and got stuck

912
00:30:29,510 --> 00:30:27,840
there who knows but

913
00:30:31,669 --> 00:30:29,520

there's there was a lot of speculation

914

00:30:33,990 --> 00:30:31,679

as to who he might be or if it was just

915

00:30:36,389 --> 00:30:34,000

one big it was the beginning of the

916

00:30:38,870 --> 00:30:36,399

viral internet fraud who knows

917

00:30:40,470 --> 00:30:38,880

yeah he was just one of many people that

918

00:30:42,950 --> 00:30:40,480

have shown up

919

00:30:44,389 --> 00:30:42,960

claiming to be time travelers or

920

00:30:46,470 --> 00:30:44,399

claiming to

921

00:30:47,830 --> 00:30:46,480

have been part of uh some government

922

00:30:51,590 --> 00:30:47,840

experiment

923

00:30:53,669 --> 00:30:51,600

some uh you know top secret time

924

00:30:55,510 --> 00:30:53,679

experiment and the thing is is that how

925

00:30:57,029 --> 00:30:55,520

do you prove that they were and how do

926

00:30:58,789 --> 00:30:57,039

you prove that they weren't

927

00:31:00,230 --> 00:30:58,799

i know i mean another one of those

928

00:31:00,549 --> 00:31:00,240

another one of those guys a pretty out

929

00:31:05,590 --> 00:31:00,559

there

930

00:31:07,190 --> 00:31:05,600

time travel conspiracy is the uh andy

931

00:31:08,549 --> 00:31:07,200

i have such i'm italian i have a hard

932

00:31:11,669 --> 00:31:08,559

time saying his name andrew andrew

933

00:31:15,269 --> 00:31:14,070

the project pegasus let's say it that

934

00:31:17,909 --> 00:31:15,279

way but um

935

00:31:19,590 --> 00:31:17,919

i definitely think weird time travel

936

00:31:21,350 --> 00:31:19,600

experiments have happened

937

00:31:23,269 --> 00:31:21,360

and been done in secret but i wrote a

938

00:31:24,789 --> 00:31:23,279

pretty disapproving piece after i

939

00:31:25,430 --> 00:31:24,799

attended one of his lectures in san

940

00:31:27,269 --> 00:31:25,440

diego

941

00:31:29,110 --> 00:31:27,279

hey did you ever actually hear him speak

942

00:31:30,789 --> 00:31:29,120

okay so yes yeah

943

00:31:32,389 --> 00:31:30,799

i just think i think he's full of [h__h]

944

00:31:34,230 --> 00:31:32,399

but i can never be 100

945

00:31:36,070 --> 00:31:34,240

sure but it's just that he gives a

946

00:31:37,750 --> 00:31:36,080

presentation in 2011

947

00:31:39,269 --> 00:31:37,760

saying that carter clinton bush and

948

00:31:41,430 --> 00:31:39,279

obama would all be president well where

949

00:31:44,070 --> 00:31:41,440

was that presentation in 1970

950

00:31:45,509 --> 00:31:44,080

you know when it mattered like after the

951
00:31:46,470 --> 00:31:45,519
fact or when we're pretty sure we could

952
00:31:48,630 --> 00:31:46,480
have made the same

953
00:31:50,310 --> 00:31:48,640
addiction and when i asked who well when

954
00:31:51,430 --> 00:31:50,320
i asked him who is net who the next

955
00:31:52,070 --> 00:31:51,440
president would be i'm like give me

956
00:31:53,990 --> 00:31:52,080
something

957
00:31:55,590 --> 00:31:54,000
in the future you know you well you time

958
00:31:56,549 --> 00:31:55,600
traveled up until today and that's all

959
00:31:58,549 --> 00:31:56,559
you know

960
00:32:00,070 --> 00:31:58,559
he said he would be the next president

961
00:32:00,470 --> 00:32:00,080
he expected himself to be the next

962
00:32:03,350 --> 00:32:00,480
person

963
00:32:04,470 --> 00:32:03,360

that he's running i swear to you he's

964

00:32:07,909 --> 00:32:04,480

running for president

965

00:32:10,230 --> 00:32:07,919

for 2016. well it's just

966

00:32:11,509 --> 00:32:10,240

i mean yeah you can run but let's work

967

00:32:13,269 --> 00:32:11,519

on this campaign

968

00:32:14,710 --> 00:32:13,279

no i mean i laugh too because i feel

969

00:32:16,389 --> 00:32:14,720

just like you do

970

00:32:18,389 --> 00:32:16,399

i've listened to interviews i've i've

971

00:32:20,549 --> 00:32:18,399

heard him i've seen the youtubes

972

00:32:22,310 --> 00:32:20,559

what he's really what's really

973

00:32:23,909 --> 00:32:22,320

intriguing about him is the level of

974

00:32:26,710 --> 00:32:23,919

detail that he retains

975

00:32:28,950 --> 00:32:26,720

on these um experiences because you

976

00:32:31,029 --> 00:32:28,960

think about you know when people lie

977

00:32:33,029 --> 00:32:31,039

and they they make stuff up they don't

978

00:32:34,549 --> 00:32:33,039

always remember the fine details unless

979

00:32:36,389 --> 00:32:34,559

they have one of these photographic

980

00:32:37,750 --> 00:32:36,399

memories or it's all written down and

981

00:32:39,830 --> 00:32:37,760

they're reading off a script

982

00:32:41,750 --> 00:32:39,840

true so and i've heard a lot of people

983

00:32:45,830 --> 00:32:41,760

say i was blown away by

984

00:32:48,630 --> 00:32:45,840

his detail the the level of recall but

985

00:32:50,070 --> 00:32:48,640

the stuff that he was saying was just

986

00:32:52,470 --> 00:32:50,080

ridiculous and

987

00:32:54,710 --> 00:32:52,480

is you know stating that he was in this

988

00:32:55,430 --> 00:32:54,720

like we have it in the book this picture

989

00:32:58,230 --> 00:32:55,440

that

990

00:33:00,310 --> 00:32:58,240

gettysburg of a little kid yes and it's

991

00:33:01,430 --> 00:33:00,320

like that's just a picture of somebody

992

00:33:03,430 --> 00:33:01,440

that's nothing

993

00:33:04,870 --> 00:33:03,440

you know that could be anybody right he

994

00:33:06,310 --> 00:33:04,880

claims he time traveled to the

995

00:33:07,750 --> 00:33:06,320

gettysburg address and there is a

996

00:33:09,190 --> 00:33:07,760

picture of him captured and then it was

997

00:33:11,830 --> 00:33:09,200

in time magazine for those who don't

998

00:33:14,389 --> 00:33:11,840

know yeah it's just a picture of a kid

999

00:33:15,110 --> 00:33:14,399

in in during the gettysburg address i

1000

00:33:17,750 --> 00:33:15,120

guess

1001
00:33:18,549 --> 00:33:17,760
yeah claiming that the kid is dressed in

1002
00:33:21,750 --> 00:33:18,559
a way with

1003
00:33:23,430 --> 00:33:21,760
like these big street shoes

1004
00:33:25,669 --> 00:33:23,440
where you would be able to identify him

1005
00:33:26,630 --> 00:33:25,679
as not being of that time but i looked

1006
00:33:30,389 --> 00:33:26,640
at that

1007
00:33:31,990 --> 00:33:30,399
clothing and he looks like he could fit

1008
00:33:34,549 --> 00:33:32,000
into that time frame

1009
00:33:36,549 --> 00:33:34,559
perfectly and there have been other uh

1010
00:33:38,470 --> 00:33:36,559
time travel you know urban legends of

1011
00:33:40,070 --> 00:33:38,480
people that looked like they were out of

1012
00:33:41,750 --> 00:33:40,080
time they were dressed

1013
00:33:43,669 --> 00:33:41,760

differently but they've always been

1014

00:33:44,310 --> 00:33:43,679

discredited by somebody who said you

1015

00:33:45,990 --> 00:33:44,320

know

1016

00:33:47,990 --> 00:33:46,000

at that time there were clothes

1017

00:33:50,549 --> 00:33:48,000

available that look like that

1018

00:33:52,310 --> 00:33:50,559

so it's just our weird desire i guess to

1019

00:33:53,669 --> 00:33:52,320

believe that the government is always

1020

00:33:54,710 --> 00:33:53,679

way ahead of the game which they very

1021

00:33:57,190 --> 00:33:54,720

well could be

1022

00:33:58,630 --> 00:33:57,200

i definitely think they are yeah but

1023

00:33:59,590 --> 00:33:58,640

some of these people that claim that

1024

00:34:02,549 --> 00:33:59,600

they were child

1025

00:34:03,509 --> 00:34:02,559

you know chrononauts back in the 70s and

1026
00:34:08,550 --> 00:34:03,519
the 80s

1027
00:34:11,829 --> 00:34:10,550
chair that you sat in that manipulated

1028
00:34:14,869 --> 00:34:11,839
the em field and

1029
00:34:17,349 --> 00:34:14,879
and another thing that was funny

1030
00:34:18,389 --> 00:34:17,359
is that i guess this chair this montauk

1031
00:34:20,550 --> 00:34:18,399
chair

1032
00:34:21,510 --> 00:34:20,560
fell kind of fell into a wormhole

1033
00:34:23,190 --> 00:34:21,520
beneath it

1034
00:34:24,550 --> 00:34:23,200
but it didn't actually fall it was more

1035
00:34:27,030 --> 00:34:24,560
of a

1036
00:34:28,629 --> 00:34:27,040
a mental thing i guess but how funny

1037
00:34:30,069 --> 00:34:28,639
that that sounds just like that carl

1038
00:34:33,270 --> 00:34:30,079

sagan movie contact

1039

00:34:34,950 --> 00:34:33,280

true jeffy's you've seen it yeah yeah

1040

00:34:36,869 --> 00:34:34,960

she's sitting in the chair and the be

1041

00:34:38,149 --> 00:34:36,879

below her are the gyroscopes spinning

1042

00:34:39,909 --> 00:34:38,159

and spinning

1043

00:34:42,069 --> 00:34:39,919

and then the chair drops into the

1044

00:34:44,149 --> 00:34:42,079

wormhole but

1045

00:34:45,190 --> 00:34:44,159

the observers see nothing happen the

1046

00:34:47,109 --> 00:34:45,200

chair is up

1047

00:34:48,470 --> 00:34:47,119

but she feels that it drops so i don't

1048

00:34:49,510 --> 00:34:48,480

know i thought that was a little bit

1049

00:34:51,349 --> 00:34:49,520

coincidental

1050

00:34:53,030 --> 00:34:51,359

yeah i've watched it again in modern

1051

00:34:54,790 --> 00:34:53,040

times and i like it a lot better but at

1052

00:34:57,670 --> 00:34:54,800

the time i was so young

1053

00:34:59,430 --> 00:34:57,680

uh i mean i that was like 91 or

1054

00:35:01,510 --> 00:34:59,440

something i think i was in like

1055

00:35:03,270 --> 00:35:01,520

second grade and i was just pissed that

1056

00:35:03,829 --> 00:35:03,280

there weren't aliens until the last five

1057

00:35:05,910 --> 00:35:03,839

minutes

1058

00:35:07,510 --> 00:35:05,920

i know a lot of people crap about that

1059

00:35:09,349 --> 00:35:07,520

and that was based on his novel which

1060

00:35:10,710 --> 00:35:09,359

had been out but he really wanted to try

1061

00:35:13,109 --> 00:35:10,720

to

1062

00:35:14,630 --> 00:35:13,119

you know do like a more realistic yeah

1063

00:35:16,069 --> 00:35:14,640

it's good now i mean when you think

1064

00:35:16,870 --> 00:35:16,079

about it in those terms it is a really

1065

00:35:19,030 --> 00:35:16,880

good movie

1066

00:35:20,870 --> 00:35:19,040

because the alien took on the guys of

1067

00:35:21,990 --> 00:35:20,880

her father so that it didn't scare the

1068

00:35:23,589 --> 00:35:22,000

crap out of her

1069

00:35:26,550 --> 00:35:23,599

which you know if they're really that

1070

00:35:27,829 --> 00:35:26,560

intelligent that that makes sense

1071

00:35:29,670 --> 00:35:27,839

something else that's in your book that

1072

00:35:30,470 --> 00:35:29,680

i found interesting that i'd never heard

1073

00:35:33,589 --> 00:35:30,480

about before

1074

00:35:35,349 --> 00:35:33,599

is uh chronostasia can you explain that

1075

00:35:36,870 --> 00:35:35,359

yeah that's where things got really cool

1076

00:35:38,390 --> 00:35:36,880

for me and larry because you know

1077

00:35:40,550 --> 00:35:38,400

all this stuff is fascinating the

1078

00:35:42,710 --> 00:35:40,560

science can give you a real big headache

1079

00:35:44,230 --> 00:35:42,720

the conspiracies are fun but we always

1080

00:35:46,150 --> 00:35:44,240

felt like

1081

00:35:47,910 --> 00:35:46,160

we wanted to look at the more paranormal

1082

00:35:50,230 --> 00:35:47,920

aspects of time travel

1083

00:35:52,550 --> 00:35:50,240

and we were really really lucky that our

1084

00:35:53,270 --> 00:35:52,560

uh publisher new page books let us put

1085

00:35:55,670 --> 00:35:53,280

this in there

1086

00:35:56,470 --> 00:35:55,680

because eventually originally they just

1087

00:35:59,670 --> 00:35:56,480

wanted us to

1088

00:36:01,349 --> 00:35:59,680

do like straight science no no we're

1089

00:36:03,430 --> 00:36:01,359

already time traveling we want to talk

1090

00:36:06,470 --> 00:36:03,440

about that too

1091

00:36:08,390 --> 00:36:06,480

so chronesthesia mental time travel

1092

00:36:10,950 --> 00:36:08,400

really encompasses

1093

00:36:11,990 --> 00:36:10,960

so many things we're not talking about

1094

00:36:13,829 --> 00:36:12,000

memory okay

1095

00:36:15,109 --> 00:36:13,839

people say well memory is a form of time

1096

00:36:18,230 --> 00:36:15,119

travel yes it is

1097

00:36:20,470 --> 00:36:18,240

but memory is tainted by the present

1098

00:36:21,589 --> 00:36:20,480

in other words what you look back on in

1099

00:36:23,030 --> 00:36:21,599

your past

1100

00:36:25,109 --> 00:36:23,040

chances are that's not what really

1101
00:36:26,150 --> 00:36:25,119
happened memory morphs and changes over

1102
00:36:29,270 --> 00:36:26,160
time i agree

1103
00:36:31,030 --> 00:36:29,280
anesthesia though is it's it's a

1104
00:36:33,030 --> 00:36:31,040
a way of the brain to travel back and

1105
00:36:35,270 --> 00:36:33,040
forth in time it does it mentally but it

1106
00:36:38,630 --> 00:36:35,280
does it in subjective time

1107
00:36:41,990 --> 00:36:38,640
it's a lot more realistic there's a lot

1108
00:36:43,910 --> 00:36:42,000
greater detail of recall

1109
00:36:45,190 --> 00:36:43,920
perception and memory and all that stuff

1110
00:36:46,710 --> 00:36:45,200
can really again

1111
00:36:48,550 --> 00:36:46,720
kind of taint what it is that you

1112
00:36:51,190 --> 00:36:48,560
remember like if you remember getting in

1113
00:36:52,950 --> 00:36:51,200

a fight with a girlfriend two years ago

1114

00:36:55,030 --> 00:36:52,960

chances are you're you're adding and

1115

00:36:56,069 --> 00:36:55,040

embellishing some things and she'll do

1116

00:36:58,950 --> 00:36:56,079

the same

1117

00:36:59,750 --> 00:36:58,960

um but chronesthesia allows the brain to

1118

00:37:01,910 --> 00:36:59,760

literally

1119

00:37:03,829 --> 00:37:01,920

go back and see how it really was so

1120

00:37:05,990 --> 00:37:03,839

that's just something that a lot of

1121

00:37:07,030 --> 00:37:06,000

uh you know i guess in the the

1122

00:37:09,510 --> 00:37:07,040

neurological

1123

00:37:12,069 --> 00:37:09,520

community the brain research is looking

1124

00:37:13,670 --> 00:37:12,079

at subjective time travel and again

1125

00:37:15,670 --> 00:37:13,680

we want to do it physically because

1126
00:37:16,310 --> 00:37:15,680
we're physical creatures we want to be

1127
00:37:17,910 --> 00:37:16,320
able to get

1128
00:37:20,069 --> 00:37:17,920
in a little craft and go back to the

1129
00:37:22,310 --> 00:37:20,079
past or into the future but

1130
00:37:23,750 --> 00:37:22,320
how cool is it that maybe the real

1131
00:37:25,910 --> 00:37:23,760
research

1132
00:37:28,150 --> 00:37:25,920
should be in how we're already doing it

1133
00:37:29,990 --> 00:37:28,160
with our brains and our minds

1134
00:37:31,829 --> 00:37:30,000
well i'd say how does that work because

1135
00:37:33,910 --> 00:37:31,839
you have to have

1136
00:37:35,190 --> 00:37:33,920
uh you know even in even in quantum

1137
00:37:36,310 --> 00:37:35,200
physics there needs to be a

1138
00:37:37,829 --> 00:37:36,320

they're coming to the terms that it

1139

00:37:39,109 --> 00:37:37,839

needs to be a conscious observer like

1140

00:37:41,510 --> 00:37:39,119

how would you go back

1141

00:37:43,270 --> 00:37:41,520

without just mentally without being a

1142

00:37:47,270 --> 00:37:43,280

conscious observer don't you need

1143

00:37:50,550 --> 00:37:47,280

a vessel even if it is just a body

1144

00:37:53,430 --> 00:37:50,560

you know i think we go back to the past

1145

00:37:54,790 --> 00:37:53,440

all the time in terms of mind or

1146

00:37:55,990 --> 00:37:54,800

consciousness or whatever it is that

1147

00:37:58,230 --> 00:37:56,000

we're projecting

1148

00:37:59,270 --> 00:37:58,240

well okay i mean we can't prove that

1149

00:38:01,190 --> 00:37:59,280

they're real but

1150

00:38:04,470 --> 00:38:01,200

some people when they have deja vu they

1151

00:38:06,470 --> 00:38:04,480

have a deja vu in a particular location

1152

00:38:07,670 --> 00:38:06,480

where they really get this overwhelming

1153

00:38:09,829 --> 00:38:07,680

feeling that they've been

1154

00:38:11,349 --> 00:38:09,839

in that location before but maybe during

1155

00:38:12,950 --> 00:38:11,359

you know the top building of the

1156

00:38:15,109 --> 00:38:12,960

pyramids or what have you

1157

00:38:16,310 --> 00:38:15,119

and it really just feels so realistic

1158

00:38:18,150 --> 00:38:16,320

that they can actually

1159

00:38:20,069 --> 00:38:18,160

identify places that you know they've

1160

00:38:23,750 --> 00:38:20,079

never been to before

1161

00:38:26,470 --> 00:38:23,760

so how is the brain accessing that it's

1162

00:38:28,470 --> 00:38:26,480

it's as if there's a part of us and i

1163

00:38:29,430 --> 00:38:28,480

really do believe that mind is separate

1164

00:38:33,109 --> 00:38:29,440

from the brain

1165

00:38:33,990 --> 00:38:33,119

i'm one of those that can transcend the

1166

00:38:36,390 --> 00:38:34,000

physical

1167

00:38:38,390 --> 00:38:36,400

limitations of the way that we have to

1168

00:38:41,109 --> 00:38:38,400

perceive linear time

1169

00:38:42,470 --> 00:38:41,119

and can kind of go beyond the body into

1170

00:38:44,630 --> 00:38:42,480

the future like when you have a

1171

00:38:46,870 --> 00:38:44,640

precognitive dream of a car crash that

1172

00:38:48,950 --> 00:38:46,880

ends up happening two weeks later

1173

00:38:50,950 --> 00:38:48,960

or back into the past when you see

1174

00:38:54,069 --> 00:38:50,960

yourself so vividly in another

1175

00:38:56,310 --> 00:38:54,079

lifetime maybe that that you're able to

1176

00:38:57,750 --> 00:38:56,320

corroborate even

1177

00:38:59,349 --> 00:38:57,760

and that's happened so many times that

1178

00:39:01,510 --> 00:38:59,359

it's hard to discount those kinds of

1179

00:39:03,109 --> 00:39:01,520

experiences so i think

1180

00:39:05,109 --> 00:39:03,119

it's it's different than just

1181

00:39:06,630 --> 00:39:05,119

remembering it's different from reading

1182

00:39:07,670 --> 00:39:06,640

about something and then recalling what

1183

00:39:10,390 --> 00:39:07,680

you read

1184

00:39:11,589 --> 00:39:10,400

it's you know so deeply experiential and

1185

00:39:13,510 --> 00:39:11,599

yet

1186

00:39:14,630 --> 00:39:13,520

there are ways that you can corroborate

1187

00:39:17,030 --> 00:39:14,640

for example there have been people

1188

00:39:19,510 --> 00:39:17,040

who've had past life visions where

1189

00:39:20,230 --> 00:39:19,520

they've children even where they've seen

1190

00:39:22,390 --> 00:39:20,240

people they've

1191

00:39:24,230 --> 00:39:22,400

heard names they've street names and

1192

00:39:26,390 --> 00:39:24,240

they've been able to

1193

00:39:27,990 --> 00:39:26,400

literally corroborate that those people

1194

00:39:29,670 --> 00:39:28,000

existed the streets existed

1195

00:39:32,550 --> 00:39:29,680

at the time the vision occurred blah

1196

00:39:35,589 --> 00:39:32,560

blah blah and again precognition

1197

00:39:37,990 --> 00:39:35,599

i mean there are people that

1198

00:39:38,790 --> 00:39:38,000

can predict a future event i've done it

1199

00:39:42,150 --> 00:39:38,800

myself

1200

00:39:45,190 --> 00:39:42,160

not in a way that is real grand but

1201

00:39:46,470 --> 00:39:45,200

i have had gut hunches

1202

00:39:47,829 --> 00:39:46,480

where i knew there was going to be an

1203

00:39:50,310 --> 00:39:47,839

earthquake in a few days now maybe it

1204

00:39:51,750 --> 00:39:50,320

was my body reacting to seismic activity

1205

00:39:53,270 --> 00:39:51,760

you know just below the surface what

1206

00:39:54,870 --> 00:39:53,280

have you impossible

1207

00:39:56,470 --> 00:39:54,880

you know people who said that they were

1208

00:39:57,270 --> 00:39:56,480

supposed to get on one of those planes

1209

00:40:00,470 --> 00:39:57,280

at 9 11

1210

00:40:03,510 --> 00:40:00,480

and they just knew not to

1211

00:40:04,950 --> 00:40:03,520

to me that's precognition yeah

1212

00:40:07,109 --> 00:40:04,960

what about the people who did get on the

1213

00:40:08,870 --> 00:40:07,119

plane are they just not tuned in

1214

00:40:10,790 --> 00:40:08,880

yeah you know there's there's two ways

1215

00:40:12,230 --> 00:40:10,800

to look at that either they did get the

1216

00:40:13,910 --> 00:40:12,240

same signals but they ignored them

1217

00:40:17,030 --> 00:40:13,920

because how many times do we do that

1218

00:40:18,790 --> 00:40:17,040

right got to get to work yeah exactly my

1219

00:40:19,670 --> 00:40:18,800

can't have my boss fire me i can't lose

1220

00:40:21,510 --> 00:40:19,680

my job

1221

00:40:23,829 --> 00:40:21,520

or they didn't because again of what we

1222

00:40:25,349 --> 00:40:23,839

talked about earlier where there may be

1223

00:40:26,870 --> 00:40:25,359

you know certain physiological

1224

00:40:29,910 --> 00:40:26,880

differences between

1225

00:40:30,390 --> 00:40:29,920

the person who got the kick in the gut

1226
00:40:33,430 --> 00:40:30,400
to say

1227
00:40:34,870 --> 00:40:33,440
no don't get on that plane and the one

1228
00:40:37,510 --> 00:40:34,880
who maybe got a little bit of an

1229
00:40:37,990 --> 00:40:37,520
inkling that something was off that day

1230
00:40:39,349 --> 00:40:38,000
but it

1231
00:40:41,349 --> 00:40:39,359
wasn't strong enough for them to

1232
00:40:43,030 --> 00:40:41,359
pinpoint or the association with getting

1233
00:40:45,589 --> 00:40:43,040
on a plane

1234
00:40:47,910 --> 00:40:45,599
so i mean to me that's just differences

1235
00:40:51,349 --> 00:40:47,920
in the way that we're made

1236
00:40:54,790 --> 00:40:51,359
i really like the idea of following um

1237
00:40:56,470 --> 00:40:54,800
you know some type of communication with

1238
00:40:58,230 --> 00:40:56,480

the universe you know there's actually a

1239

00:40:59,829 --> 00:40:58,240

movie called jeff who lives at home with

1240

00:41:01,190 --> 00:40:59,839

uh jason siegel it's kind of a comedy

1241

00:41:02,630 --> 00:41:01,200

movie but it's a little weird so it

1242

00:41:04,790 --> 00:41:02,640

didn't really reach the mainstream but

1243

00:41:06,710 --> 00:41:04,800

he basically follows all these

1244

00:41:08,550 --> 00:41:06,720

all these messages like he gets a wrong

1245

00:41:09,910 --> 00:41:08,560

somebody calls and asks for michael and

1246

00:41:11,430 --> 00:41:09,920

it's a wrong number so then throughout

1247

00:41:13,190 --> 00:41:11,440

the day he's looking for a michael

1248

00:41:15,510 --> 00:41:13,200

he sees a guy with it on his jersey

1249

00:41:17,670 --> 00:41:15,520

follows that guy and you know

1250

00:41:19,990 --> 00:41:17,680

it's a pretty damn cool movie and like i

1251

00:41:21,829 --> 00:41:20,000

would have to look for a netflix

1252

00:41:23,510 --> 00:41:21,839

or something yeah yeah i wish i could

1253

00:41:26,150 --> 00:41:23,520

live like that but

1254

00:41:27,270 --> 00:41:26,160

it just there's so many commitments see

1255

00:41:29,349 --> 00:41:27,280

that's the thing and it gets

1256

00:41:32,309 --> 00:41:29,359

into a little bit of a metaphysical

1257

00:41:34,390 --> 00:41:32,319

arena here but the thing is is that

1258

00:41:36,470 --> 00:41:34,400

i think you know and getting back to

1259

00:41:39,510 --> 00:41:36,480

even time and the perception of linear

1260

00:41:42,870 --> 00:41:39,520

time i think we are constantly bombarded

1261

00:41:45,430 --> 00:41:42,880

with opportunities to look beyond

1262

00:41:47,430 --> 00:41:45,440

the five senses at that deeper reality

1263

00:41:48,790 --> 00:41:47,440

to get beyond the illusion of reality

1264

00:41:50,470 --> 00:41:48,800

which is nothing but our

1265

00:41:52,870 --> 00:41:50,480

conditioning and beliefs and our

1266

00:41:55,910 --> 00:41:52,880

perception all of which is

1267

00:41:58,069 --> 00:41:55,920

messed up and and we get those little

1268

00:42:01,030 --> 00:41:58,079

glimpses but here's the thing

1269

00:42:02,069 --> 00:42:01,040

how often do you slow down long enough

1270

00:42:03,750 --> 00:42:02,079

to pay attention to

1271

00:42:05,750 --> 00:42:03,760

them when you've got and i'm not just

1272

00:42:07,829 --> 00:42:05,760

saying you i mean you you know

1273

00:42:09,910 --> 00:42:07,839

the royal you yeah when we're on the

1274

00:42:11,750 --> 00:42:09,920

computer we're on facebook we've got our

1275

00:42:13,190 --> 00:42:11,760

faces buried in our cell phones we don't

1276

00:42:15,430 --> 00:42:13,200

even talk to each other

1277

00:42:16,390 --> 00:42:15,440

how do we ever slow down long enough to

1278

00:42:19,750 --> 00:42:16,400

get the

1279

00:42:22,870 --> 00:42:19,760

signals synchronicities um

1280

00:42:24,710 --> 00:42:22,880

the you know intuition even instinct is

1281

00:42:27,589 --> 00:42:24,720

trying to tell you something and i

1282

00:42:29,510 --> 00:42:27,599

really know so many people that blow

1283

00:42:30,150 --> 00:42:29,520

right over all that communication from

1284

00:42:32,630 --> 00:42:30,160

the universe

1285

00:42:34,150 --> 00:42:32,640

because they're focused on getting to

1286

00:42:35,910 --> 00:42:34,160

work getting the kids to school

1287

00:42:37,430 --> 00:42:35,920

you know finding something to eat

1288

00:42:39,270 --> 00:42:37,440

fighting with their spouse or their

1289

00:42:41,670 --> 00:42:39,280

girlfriend or boy you know

1290

00:42:45,030 --> 00:42:41,680

i think everybody gets those signals but

1291

00:42:46,309 --> 00:42:45,040

not everybody will pay attention true

1292

00:42:47,990 --> 00:42:46,319

there's actually another strange

1293

00:42:50,710 --> 00:42:48,000

phenomenon in your book that people make

1294

00:42:52,390 --> 00:42:50,720

claims to which is uh the time slips

1295

00:42:54,230 --> 00:42:52,400

yeah what are some of the more

1296

00:42:54,550 --> 00:42:54,240

interesting cases like the principles of

1297

00:42:57,910 --> 00:42:54,560

st

1298

00:42:59,829 --> 00:42:57,920

you know it's funny because the reason

1299

00:43:00,870 --> 00:42:59,839

why we wanted to include that is because

1300

00:43:02,710 --> 00:43:00,880

we were talking about

1301
00:43:04,230 --> 00:43:02,720
missing time and lauren i've written

1302
00:43:06,069 --> 00:43:04,240
about missing time because we both had

1303
00:43:06,950 --> 00:43:06,079
missing time experiences that were very

1304
00:43:09,030 --> 00:43:06,960
similar

1305
00:43:11,030 --> 00:43:09,040
where we lost we you know he was with a

1306
00:43:13,430 --> 00:43:11,040
group of people that actually lost

1307
00:43:15,670 --> 00:43:13,440
two hours of time together i was myself

1308
00:43:17,910 --> 00:43:15,680
on a freeway in los angeles

1309
00:43:19,990 --> 00:43:17,920
so you know i'm a huge fan of jenny

1310
00:43:21,670 --> 00:43:20,000
randall's and the work that she does

1311
00:43:22,069 --> 00:43:21,680
she's written some brilliant books her

1312
00:43:24,950 --> 00:43:22,079
book

1313
00:43:27,030 --> 00:43:24,960

time storms looks at time slips time

1314

00:43:29,750 --> 00:43:27,040

slips time travel time shifts

1315

00:43:32,309 --> 00:43:29,760

time anomalies of the yin yang but a

1316

00:43:35,349 --> 00:43:32,319

time slip is nothing more than

1317

00:43:37,510 --> 00:43:35,359

you might be at a particular location or

1318

00:43:38,630 --> 00:43:37,520

you may be out walking or riding a bike

1319

00:43:41,910 --> 00:43:38,640

driving a car

1320

00:43:44,150 --> 00:43:41,920

and suddenly it's as if you're zapped

1321

00:43:46,069 --> 00:43:44,160

into another time frame and it could be

1322

00:43:49,430 --> 00:43:46,079

the past it could be the future

1323

00:43:52,230 --> 00:43:49,440

uh it could also happen that you are

1324

00:43:52,710 --> 00:43:52,240

you come out of this sort of disoriented

1325

00:43:55,670 --> 00:43:52,720

fog

1326
00:43:56,630 --> 00:43:55,680
and your 500 miles up the road it's 10

1327
00:43:58,069 --> 00:43:56,640
hours later

1328
00:43:59,910 --> 00:43:58,079
but all you were doing was going to the

1329
00:44:01,030 --> 00:43:59,920
corner store which should have taken 10

1330
00:44:02,309 --> 00:44:01,040
minutes so they're like time

1331
00:44:05,190 --> 00:44:02,319
disorienting

1332
00:44:06,550 --> 00:44:05,200
experiences i guess you could say um but

1333
00:44:07,990 --> 00:44:06,560
some of the ones that

1334
00:44:09,910 --> 00:44:08,000
that we looked at occurred in the

1335
00:44:11,589 --> 00:44:09,920
victorian era

1336
00:44:13,190 --> 00:44:11,599
oh gosh let me see if i can remember

1337
00:44:15,190 --> 00:44:13,200
some of the details

1338
00:44:17,030 --> 00:44:15,200

um yeah well consider the most famous

1339

00:44:20,150 --> 00:44:17,040

time slip is the story of

1340

00:44:22,150 --> 00:44:20,160

um two english women that

1341

00:44:24,150 --> 00:44:22,160

apparently had a time slip this is way

1342

00:44:26,870 --> 00:44:24,160

back in 1901 while they were walking

1343

00:44:28,470 --> 00:44:26,880

through the gardens of versailles france

1344

00:44:30,470 --> 00:44:28,480

looking for a path to go to one

1345

00:44:31,829 --> 00:44:30,480

particular place that they wanted to

1346

00:44:33,270 --> 00:44:31,839

visit

1347

00:44:35,829 --> 00:44:33,280

uh which was the palace of marie

1348

00:44:36,630 --> 00:44:35,839

antoinette and they both had just the

1349

00:44:39,510 --> 00:44:36,640

same feeling

1350

00:44:41,589 --> 00:44:39,520

of disorientation which is always

1351
00:44:42,069 --> 00:44:41,599
associated with time slips and i can

1352
00:44:45,190 --> 00:44:42,079
attest

1353
00:44:47,030 --> 00:44:45,200
even that to missing time that right

1354
00:44:48,150 --> 00:44:47,040
before my missing time i had an

1355
00:44:49,829 --> 00:44:48,160
incredible

1356
00:44:51,510 --> 00:44:49,839
period of disorientation to the point

1357
00:44:54,309 --> 00:44:51,520
where i couldn't open a door

1358
00:44:56,069 --> 00:44:54,319
the door kept closing on me wow yeah it

1359
00:44:58,790 --> 00:44:56,079
was really freaky

1360
00:44:59,829 --> 00:44:58,800
um so anyway they apparently showed up

1361
00:45:01,910 --> 00:44:59,839
at some

1362
00:45:03,670 --> 00:45:01,920
deserted farmhouse there were people

1363
00:45:05,910 --> 00:45:03,680

that they talked to and came in contact

1364

00:45:09,030 --> 00:45:05,920

with that were all dressed very much in

1365

00:45:12,069 --> 00:45:09,040

in uh you know victorian type clothing

1366

00:45:13,829 --> 00:45:12,079

and they had conversations

1367

00:45:16,230 --> 00:45:13,839

and then of course when they came out of

1368

00:45:17,829 --> 00:45:16,240

it they really felt like

1369

00:45:19,349 --> 00:45:17,839

you know something and here's the thing

1370

00:45:20,069 --> 00:45:19,359

if it would have just happened to one of

1371

00:45:22,390 --> 00:45:20,079

them

1372

00:45:24,150 --> 00:45:22,400

we could easily pass it off as well you

1373

00:45:25,349 --> 00:45:24,160

know maybe she had low blood sugar it

1374

00:45:27,030 --> 00:45:25,359

was just a little yeah

1375

00:45:29,270 --> 00:45:27,040

two people though it happened to two

1376

00:45:31,109 --> 00:45:29,280

people now that's an older story

1377

00:45:32,309 --> 00:45:31,119

for some really interesting newer

1378

00:45:34,550 --> 00:45:32,319

stories i again

1379

00:45:36,550 --> 00:45:34,560

highly suggest jenny randall's book time

1380

00:45:38,309 --> 00:45:36,560

storms because she covers

1381

00:45:39,589 --> 00:45:38,319

a lot of really current cases where

1382

00:45:43,190 --> 00:45:39,599

people enter this

1383

00:45:45,750 --> 00:45:43,200

weird electrical fog it could be

1384

00:45:47,030 --> 00:45:45,760

greenish even where there's a lot of

1385

00:45:49,990 --> 00:45:47,040

static a lot of

1386

00:45:51,510 --> 00:45:50,000

um electromagnetic anomalies occur

1387

00:45:53,190 --> 00:45:51,520

people's watches stop

1388

00:45:55,349 --> 00:45:53,200

if they're in a car the car dies what

1389

00:45:57,109 --> 00:45:55,359

have you in this weird fog

1390

00:45:58,470 --> 00:45:57,119

and then when the fog lifts or they come

1391

00:46:01,589 --> 00:45:58,480

out the other side

1392

00:46:02,710 --> 00:46:01,599

that time slip has occurred so what is

1393

00:46:04,230 --> 00:46:02,720

up with that because if

1394

00:46:05,990 --> 00:46:04,240

you know anybody who knows anything

1395

00:46:07,670 --> 00:46:06,000

about the bermuda triangle

1396

00:46:09,030 --> 00:46:07,680

yep there's the association with

1397

00:46:11,349 --> 00:46:09,040

electronic fogs

1398

00:46:13,270 --> 00:46:11,359

a lot of ufo cases and that's another

1399

00:46:16,150 --> 00:46:13,280

thing about time slips and missing time

1400

00:46:19,190 --> 00:46:16,160

is there's a lot of association

1401
00:46:19,670 --> 00:46:19,200
with ufos sightings abductions what have

1402
00:46:22,230 --> 00:46:19,680
you

1403
00:46:23,910 --> 00:46:22,240
so it's just some really cool time

1404
00:46:26,390 --> 00:46:23,920
anomaly stuff that

1405
00:46:27,589 --> 00:46:26,400
that's out there already happening to

1406
00:46:29,109 --> 00:46:27,599
people where they could be time

1407
00:46:30,470 --> 00:46:29,119
traveling and not really want to do it

1408
00:46:32,870 --> 00:46:30,480
in the first place

1409
00:46:34,390 --> 00:46:32,880
yeah i mean another recent guest nick

1410
00:46:35,670 --> 00:46:34,400
redfern he wrote about in his most

1411
00:46:37,990 --> 00:46:35,680
recent book the world's worst

1412
00:46:38,950 --> 00:46:38,000
weirdest places uh he talks about the

1413
00:46:40,870 --> 00:46:38,960

bermuda triangle

1414

00:46:43,270 --> 00:46:40,880

i mean i'm sure you know he also writes

1415

00:46:46,950 --> 00:46:43,280

about uh you know your ideas about

1416

00:46:50,309 --> 00:46:46,960

of these uh possible gateways or these

1417

00:46:53,430 --> 00:46:50,319

portals nick he's awesome and he's

1418

00:46:53,750 --> 00:46:53,440

one of the groundbreakers of um when i

1419

00:46:56,309 --> 00:46:53,760

wrote

1420

00:46:57,510 --> 00:46:56,319

my book science which was my first real

1421

00:46:59,430 --> 00:46:57,520

big non-fiction book i

1422

00:47:01,990 --> 00:46:59,440

interviewed him for it we got on the

1423

00:47:03,990 --> 00:47:02,000

conversation of things like tulpas

1424

00:47:06,069 --> 00:47:04,000

uh creatures that are literally created

1425

00:47:08,150 --> 00:47:06,079

out of collective consciousness and

1426
00:47:09,670 --> 00:47:08,160
yeah all the multiverse because again at

1427
00:47:13,190 --> 00:47:09,680
the time we were just thinking

1428
00:47:15,990 --> 00:47:13,200
of ufos as being you know

1429
00:47:17,270 --> 00:47:16,000
from just venus metal craft yeah oh

1430
00:47:20,870 --> 00:47:17,280
there you go

1431
00:47:22,549 --> 00:47:20,880
yeah so he's crazy a lot of good stories

1432
00:47:25,589 --> 00:47:22,559
that

1433
00:47:27,430 --> 00:47:25,599
yeah and even

1434
00:47:28,950 --> 00:47:27,440
even the the bermuda triangle there is

1435
00:47:31,670 --> 00:47:28,960
that the same

1436
00:47:32,390 --> 00:47:31,680
consistency with that weird green fog it

1437
00:47:35,270 --> 00:47:32,400
seems so

1438
00:47:36,150 --> 00:47:35,280

sci-fi yeah but that's what people talk

1439

00:47:39,990 --> 00:47:36,160

about

1440

00:47:41,990 --> 00:47:40,000

research and experiments of uh

1441

00:47:43,589 --> 00:47:42,000

cornell's university's daryl byrne i

1442

00:47:45,750 --> 00:47:43,599

thought that was pretty interesting

1443

00:47:47,750 --> 00:47:45,760

at cornell and ithaca they have managed

1444

00:47:48,549 --> 00:47:47,760

to find a way to manipulate the

1445

00:47:52,549 --> 00:47:48,559

microwave

1446

00:47:55,750 --> 00:47:52,559

the light spectrum

1447

00:47:57,589 --> 00:47:55,760

to cloak two and now three dimensional

1448

00:47:59,829 --> 00:47:57,599

objects and at first they were only able

1449

00:48:02,150 --> 00:47:59,839

to partially cloak them

1450

00:48:03,030 --> 00:48:02,160

but i think recently within the last

1451

00:48:05,589 --> 00:48:03,040

month or so

1452

00:48:07,109 --> 00:48:05,599

they did succeed in completely cloaking

1453

00:48:10,309 --> 00:48:07,119

and we're talking very small

1454

00:48:12,150 --> 00:48:10,319

you know minuscule things but what's

1455

00:48:13,829 --> 00:48:12,160

what that is applied to again and what

1456

00:48:15,829 --> 00:48:13,839

the philadelphia experiment had to do

1457

00:48:18,870 --> 00:48:15,839

with that is the idea of rendering

1458

00:48:21,270 --> 00:48:18,880

uh ships invisible to an enemy radar

1459

00:48:23,430 --> 00:48:21,280

can do that and if you think about where

1460

00:48:24,950 --> 00:48:23,440

cloaking came from think back to star

1461

00:48:27,990 --> 00:48:24,960

trek you know

1462

00:48:29,990 --> 00:48:28,000

and the cloaking devices and uh god i

1463

00:48:30,630 --> 00:48:30,000

think even star wars use that as a

1464

00:48:33,829 --> 00:48:30,640

device

1465

00:48:34,390 --> 00:48:33,839

but yeah cornell is doing a lot of cool

1466

00:48:42,870 --> 00:48:34,400

stuff

1467

00:48:45,109 --> 00:48:42,880

uh deja vu oh what else quantum physics

1468

00:48:46,470 --> 00:48:45,119

uh putting particles into place at once

1469

00:48:48,870 --> 00:48:46,480

which they were

1470

00:48:49,670 --> 00:48:48,880

the dual slit experiment i'm thinking

1471

00:48:52,069 --> 00:48:49,680

you know

1472

00:48:54,230 --> 00:48:52,079

if there's any university in the country

1473

00:48:56,549 --> 00:48:54,240

that is really at the edge of

1474

00:48:57,829 --> 00:48:56,559

of the most cutting edge of science it's

1475

00:48:59,349 --> 00:48:57,839

got to be them

1476

00:49:01,510 --> 00:48:59,359

well it's awesome that some of these

1477

00:49:03,109 --> 00:49:01,520

more conventional universities are

1478

00:49:05,190 --> 00:49:03,119

taking a look at the paranormal stuff

1479

00:49:06,870 --> 00:49:05,200

because for a long time they weren't and

1480

00:49:09,109 --> 00:49:06,880

i mean whether you're of the opinion of

1481

00:49:12,309 --> 00:49:09,119

it or not i definitely think there is a

1482

00:49:14,870 --> 00:49:12,319

group of people uh powerful people who

1483

00:49:16,870 --> 00:49:14,880

have some type of knowledge and

1484

00:49:17,270 --> 00:49:16,880

information that we don't have and we're

1485

00:49:20,710 --> 00:49:17,280

kind of

1486

00:49:22,870 --> 00:49:20,720

operating without that but it seems like

1487

00:49:25,030 --> 00:49:22,880

there are some really interesting

1488

00:49:27,910 --> 00:49:25,040

experiments going on with some really

1489

00:49:29,349 --> 00:49:27,920

intense results that kind of do show us

1490

00:49:31,109 --> 00:49:29,359

the underlying

1491

00:49:32,390 --> 00:49:31,119

rules of the universe that we might not

1492

00:49:34,309 --> 00:49:32,400

have understood before

1493

00:49:36,150 --> 00:49:34,319

absolutely and the thing is like you

1494

00:49:39,030 --> 00:49:36,160

said you hit it right on the head

1495

00:49:40,950 --> 00:49:39,040

this is just what we know about yeah so

1496

00:49:43,990 --> 00:49:40,960

just like the universities where

1497

00:49:46,950 --> 00:49:44,000

they publicly publish their research

1498

00:49:47,829 --> 00:49:46,960

so we can imagine what might be being

1499

00:49:50,230 --> 00:49:47,839

done

1500

00:49:51,510 --> 00:49:50,240

under the radar where you have

1501
00:49:53,829 --> 00:49:51,520
universities that are working in

1502
00:49:57,349 --> 00:49:53,839
conjunction with darpa and

1503
00:50:02,309 --> 00:49:57,359
saic and other other you know

1504
00:50:05,829 --> 00:50:03,589
doing the same research but they're

1505
00:50:07,589 --> 00:50:05,839
probably 20 30 years ahead of what we

1506
00:50:08,870 --> 00:50:07,599
publicly are aware of yeah

1507
00:50:10,950 --> 00:50:08,880
and that's really frustrating too

1508
00:50:13,109 --> 00:50:10,960
because i think that you know it's like

1509
00:50:14,390 --> 00:50:13,119
we never know if we're getting what's

1510
00:50:16,069 --> 00:50:14,400
happening now or if

1511
00:50:18,790 --> 00:50:16,079
we have to add like 20 years of

1512
00:50:21,030 --> 00:50:18,800
technology to what's coming out exactly

1513
00:50:23,270 --> 00:50:21,040

to get the but the thing is i don't know

1514

00:50:25,990 --> 00:50:23,280

if they really had a time travel device

1515

00:50:29,270 --> 00:50:26,000

i really think that we would have some

1516

00:50:31,270 --> 00:50:29,280

leaking of you know documents or

1517

00:50:34,470 --> 00:50:31,280

pictures and i've never seen anything

1518

00:50:36,150 --> 00:50:34,480

that really convincing i mean how can

1519

00:50:38,069 --> 00:50:36,160

people say well yeah that government can

1520

00:50:39,910 --> 00:50:38,079

keep secrets well no they can't because

1521

00:50:41,349 --> 00:50:39,920

there's always conspiracy theorists

1522

00:50:43,510 --> 00:50:41,359

breathing down their necks

1523

00:50:45,910 --> 00:50:43,520

a time machine that would be the

1524

00:50:47,990 --> 00:50:45,920

ultimate you would have to figure

1525

00:50:48,950 --> 00:50:48,000

somebody would have a picture a video

1526

00:50:51,829 --> 00:50:48,960

some

1527

00:50:54,069 --> 00:50:51,839

i don't know diagrams blueprints you

1528

00:50:55,910 --> 00:50:54,079

would think anything

1529

00:50:57,510 --> 00:50:55,920

you know well one of another terrence

1530

00:50:58,230 --> 00:50:57,520

mckenna idea i mean i'm sure it's an

1531

00:51:00,150 --> 00:50:58,240

idea that

1532

00:51:02,069 --> 00:51:00,160

has been around but i heard about it

1533

00:51:03,430 --> 00:51:02,079

first from him was the idea of a time

1534

00:51:06,230 --> 00:51:03,440

travel that

1535

00:51:08,230 --> 00:51:06,240

um you know you wouldn't see any

1536

00:51:09,349 --> 00:51:08,240

evidence of it up until the invention of

1537

00:51:11,270 --> 00:51:09,359

the time machine

1538

00:51:12,390 --> 00:51:11,280

and then at that moment you'd see time

1539

00:51:14,630 --> 00:51:12,400

machines just popping up

1540

00:51:16,309 --> 00:51:14,640

every freaking place because that's as

1541

00:51:18,470 --> 00:51:16,319

far back as you could go

1542

00:51:19,990 --> 00:51:18,480

that is an interesting idea and he he

1543

00:51:20,710 --> 00:51:20,000

also kind of theorized that that could

1544

00:51:26,150 --> 00:51:20,720

be

1545

00:51:28,390 --> 00:51:26,160

that was interesting well he says you

1546

00:51:29,829 --> 00:51:28,400

know it's a it's a time where it's a new

1547

00:51:32,630 --> 00:51:29,839

age of humanity and

1548

00:51:33,190 --> 00:51:32,640

what what would be you know more worth

1549

00:51:35,670 --> 00:51:33,200

noting

1550

00:51:37,510 --> 00:51:35,680

than the time branching off into a

1551
00:51:39,430 --> 00:51:37,520
thousand different ways because of this

1552
00:51:41,910 --> 00:51:39,440
new found technology i mean

1553
00:51:43,670 --> 00:51:41,920
well that's the multiverse theory and

1554
00:51:45,670 --> 00:51:43,680
that's adding the dimension of time to

1555
00:51:47,510 --> 00:51:45,680
that theory which is just so popular in

1556
00:51:48,950 --> 00:51:47,520
the physics community

1557
00:51:50,710 --> 00:51:48,960
so i mean if you're gonna have alternate

1558
00:51:52,309 --> 00:51:50,720
universes you've got to have alternate

1559
00:51:54,390 --> 00:51:52,319
timelines to go with them

1560
00:51:56,870 --> 00:51:54,400
and they can be infinite in number which

1561
00:51:59,510 --> 00:51:56,880
is kind of hurt your head to think about

1562
00:52:01,430 --> 00:51:59,520
well you also did write that book 2013.

1563
00:52:02,630 --> 00:52:01,440

um and let me ask you about it just for

1564

00:52:04,470 --> 00:52:02,640

the simple fact that

1565

00:52:06,069 --> 00:52:04,480

in less than two months we can't really

1566

00:52:06,870 --> 00:52:06,079

be asked again you know we're getting

1567

00:52:08,870 --> 00:52:06,880

close to it

1568

00:52:09,910 --> 00:52:08,880

oh they'll just find a new date to pick

1569

00:52:11,750 --> 00:52:09,920

on true

1570

00:52:13,670 --> 00:52:11,760

true but it is kind of exciting to live

1571

00:52:15,670 --> 00:52:13,680

in a time where i mean there's always

1572

00:52:17,510 --> 00:52:15,680

predictions but very few have as much

1573

00:52:19,190 --> 00:52:17,520

weight to them as this mayan prediction

1574

00:52:20,230 --> 00:52:19,200

and the i ching calendar also kind of

1575

00:52:21,829 --> 00:52:20,240

hints at this date

1576

00:52:23,510 --> 00:52:21,839

it's an exciting time to live through

1577

00:52:25,829 --> 00:52:23,520

even if nothing happens but

1578

00:52:27,430 --> 00:52:25,839

i mean what are your thoughts on

1579

00:52:29,589 --> 00:52:27,440

december 21st 2012

1580

00:52:31,270 --> 00:52:29,599

just another day i think for the

1581

00:52:33,190 --> 00:52:31,280

majority of people

1582

00:52:35,190 --> 00:52:33,200

it's going to be another day you have to

1583

00:52:37,030 --> 00:52:35,200

figure you know israel may still be

1584

00:52:39,270 --> 00:52:37,040

bombing the gaza strip

1585

00:52:40,230 --> 00:52:39,280

unfortunately yeah there'll be poverty

1586

00:52:41,910 --> 00:52:40,240

in somalia

1587

00:52:44,829 --> 00:52:41,920

for most people on the planet it's

1588

00:52:47,109 --> 00:52:44,839

another day but for the people that are

1589

00:52:49,109 --> 00:52:47,119

aware you've you know you've got the

1590

00:52:49,589 --> 00:52:49,119

three camps you've got the camp that

1591

00:52:50,710 --> 00:52:49,599

says

1592

00:52:53,270 --> 00:52:50,720

nothing's going to happen there's

1593

00:52:55,910 --> 00:52:53,280

nothing to it you've got the camp that

1594

00:52:57,829 --> 00:52:55,920

is more uh the doom and gloom

1595

00:52:58,950 --> 00:52:57,839

apocalyptic crowd that it's going to be

1596

00:53:01,589 --> 00:52:58,960

they

1597

00:53:03,109 --> 00:53:01,599

literally misinterpreted mayan mythology

1598

00:53:05,910 --> 00:53:03,119

by adding on

1599

00:53:07,750 --> 00:53:05,920

judeo-christian tradition and they're

1600

00:53:09,270 --> 00:53:07,760

expecting the end of the world okay

1601
00:53:12,069 --> 00:53:09,280
they're going to be raptured though so

1602
00:53:14,069 --> 00:53:12,079
it's not going to affect them of course

1603
00:53:16,309 --> 00:53:14,079
and then you have the new age

1604
00:53:18,470 --> 00:53:16,319
metaphysical more spiritual camp that

1605
00:53:21,990 --> 00:53:18,480
thinks that this is a time of

1606
00:53:24,710 --> 00:53:22,000
ascension uh expansion of consciousness

1607
00:53:26,230 --> 00:53:24,720
activation of d junk dna where we will

1608
00:53:29,030 --> 00:53:26,240
become more capable

1609
00:53:30,950 --> 00:53:29,040
i'll tell you where i fall i fall into

1610
00:53:34,630 --> 00:53:30,960
the novelty theory

1611
00:53:37,030 --> 00:53:34,640
singularity you know the the idea that

1612
00:53:37,910 --> 00:53:37,040
time is accelerating because the human

1613
00:53:39,510 --> 00:53:37,920

brain

1614

00:53:41,670 --> 00:53:39,520

is being exposed to more and more

1615

00:53:43,030 --> 00:53:41,680

information that it must process

1616

00:53:45,670 --> 00:53:43,040

and determine whether or not it's

1617

00:53:48,470 --> 00:53:45,680

important enough to uh you know

1618

00:53:50,790 --> 00:53:48,480

add to the our reality so it feels like

1619

00:53:52,790 --> 00:53:50,800

time is speeding up even though it's not

1620

00:53:54,790 --> 00:53:52,800

and we're at a point where very soon

1621

00:53:56,069 --> 00:53:54,800

technology will overcome our humanity

1622

00:53:59,750 --> 00:53:56,079

where our brains will

1623

00:54:01,990 --> 00:53:59,760

not be able to process the share of

1624

00:54:03,829 --> 00:54:02,000

volume of information that is coming at

1625

00:54:05,910 --> 00:54:03,839

us and that's when the moment of

1626
00:54:08,150 --> 00:54:05,920
singularity occurs so either our brains

1627
00:54:09,990 --> 00:54:08,160
are going to completely shut down

1628
00:54:11,589 --> 00:54:10,000
or they're going to have to somehow

1629
00:54:14,950 --> 00:54:11,599
adapt to this

1630
00:54:16,630 --> 00:54:14,960
new amount of information and i think

1631
00:54:17,990 --> 00:54:16,640
that's what we're leading towards it's

1632
00:54:20,230 --> 00:54:18,000
more of a

1633
00:54:21,670 --> 00:54:20,240
an expansion of the ability of the brain

1634
00:54:25,349 --> 00:54:21,680
the capacity

1635
00:54:27,349 --> 00:54:25,359
of the of what the brain can process

1636
00:54:29,190 --> 00:54:27,359
um yeah i would really love that to be

1637
00:54:31,670 --> 00:54:29,200
true i mean the way

1638
00:54:33,349 --> 00:54:31,680

i've i've got some friends that you know

1639

00:54:34,950 --> 00:54:33,359

look at the dvd collection i have and

1640

00:54:36,549 --> 00:54:34,960

they just roll their eyes and i'm like

1641

00:54:39,109 --> 00:54:36,559

look look i mean

1642

00:54:39,990 --> 00:54:39,119

i kind of think of it as terms of if you

1643

00:54:41,990 --> 00:54:40,000

were in the

1644

00:54:43,990 --> 00:54:42,000

the first day of the renaissance it

1645

00:54:45,829 --> 00:54:44,000

would seem like just another day

1646

00:54:47,270 --> 00:54:45,839

you know right but when you look at that

1647

00:54:49,589 --> 00:54:47,280

period in history you can

1648

00:54:50,710 --> 00:54:49,599

you can find a time a day where it where

1649

00:54:53,190 --> 00:54:50,720

it kind of started

1650

00:54:54,789 --> 00:54:53,200

and i think that yeah i think december

1651

00:54:56,230 --> 00:54:54,799

21st might be

1652

00:54:57,589 --> 00:54:56,240

something like that because we're just

1653

00:54:59,190 --> 00:54:57,599

going to think of it as another day but

1654

00:55:00,630 --> 00:54:59,200

when you look at it maybe 100 years in

1655

00:55:01,910 --> 00:55:00,640

the future you'll be like that was the

1656

00:55:03,349 --> 00:55:01,920

catalyst right there

1657

00:55:05,430 --> 00:55:03,359

agree with you because i'm always saying

1658

00:55:08,950 --> 00:55:05,440

to people there's nothing

1659

00:55:12,309 --> 00:55:08,960

there is nothing in the mayan mythology

1660

00:55:13,190 --> 00:55:12,319

in their cosmology in their origin

1661

00:55:16,470 --> 00:55:13,200

stories

1662

00:55:17,589 --> 00:55:16,480

there is nothing that says the world is

1663

00:55:20,309 --> 00:55:17,599

going to end

1664

00:55:22,150 --> 00:55:20,319

that is not what they say that has been

1665

00:55:23,510 --> 00:55:22,160

that is interpretation that has been

1666

00:55:26,630 --> 00:55:23,520

added on over

1667

00:55:28,309 --> 00:55:26,640

last couple of thousand years by western

1668

00:55:29,829 --> 00:55:28,319

you know trying to apply the gregorian

1669

00:55:30,870 --> 00:55:29,839

calendar to their calendar which is

1670

00:55:32,870 --> 00:55:30,880

impossible

1671

00:55:34,309 --> 00:55:32,880

changing dates manipulating forgetting

1672

00:55:34,789 --> 00:55:34,319

about leap year this that and the other

1673

00:55:37,910 --> 00:55:34,799

thing

1674

00:55:39,190 --> 00:55:37,920

and then piling on judeo christian or

1675

00:55:42,309 --> 00:55:39,200

western

1676
00:55:43,510 --> 00:55:42,319
belief onto a very pagan mythology but

1677
00:55:45,750 --> 00:55:43,520
here's the thing

1678
00:55:47,430 --> 00:55:45,760
they did believe in cycles they did

1679
00:55:49,109 --> 00:55:47,440
believe in world ages

1680
00:55:51,430 --> 00:55:49,119
they did believe we are coming to the

1681
00:55:55,030 --> 00:55:51,440
end of one but in their eyes

1682
00:55:58,309 --> 00:55:55,040
it was the end of life as we know it

1683
00:56:00,309 --> 00:55:58,319
and the beginning of life you know a

1684
00:56:02,150 --> 00:56:00,319
paradigm shift which makes me really

1685
00:56:03,670 --> 00:56:02,160
like the idea that a time machine would

1686
00:56:03,990 --> 00:56:03,680
pop up there because then you don't need

1687
00:56:05,750 --> 00:56:04,000
to

1688
00:56:07,829 --> 00:56:05,760

keep track of the cycles anymore because

1689

00:56:09,270 --> 00:56:07,839

it's totally off the radar you know

1690

00:56:11,190 --> 00:56:09,280

yeah and also i mean a lot of people

1691

00:56:12,870 --> 00:56:11,200

really feel like the shift that's going

1692

00:56:15,990 --> 00:56:12,880

to occur is going to open

1693

00:56:18,230 --> 00:56:16,000

up some of the doors that have been uh

1694

00:56:19,109 --> 00:56:18,240

limiting and inhibiting us from

1695

00:56:21,829 --> 00:56:19,119

controlling

1696

00:56:22,630 --> 00:56:21,839

the the temporal dimension oh that'd be

1697

00:56:25,990 --> 00:56:22,640

great

1698

00:56:28,230 --> 00:56:26,000

and even we will go beyond even a

1699

00:56:29,910 --> 00:56:28,240

three-dimensional experience i mean

1700

00:56:30,950 --> 00:56:29,920

there's so much talk in the physics

1701
00:56:34,710 --> 00:56:30,960
community

1702
00:56:38,150 --> 00:56:34,720
of hypercubes and fifth dimension and

1703
00:56:40,549 --> 00:56:38,160
beyond sometimes even talk of 22 32

1704
00:56:42,309 --> 00:56:40,559
an infinite number of other dimensions

1705
00:56:45,270 --> 00:56:42,319
you know our brains can only perceive

1706
00:56:46,069 --> 00:56:45,280
three so maybe something will force the

1707
00:56:49,349 --> 00:56:46,079
brain to

1708
00:56:50,630 --> 00:56:49,359
adapt to perceiving new spatial and

1709
00:56:53,990 --> 00:56:50,640
temporal dimensions

1710
00:56:54,789 --> 00:56:54,000
because we're too primitive or too

1711
00:56:57,750 --> 00:56:54,799
archaic

1712
00:56:59,670 --> 00:56:57,760
right now to continue to be able to

1713
00:57:01,030 --> 00:56:59,680

process all of the information that is

1714

00:57:03,270 --> 00:57:01,040

coming at the brain

1715

00:57:05,030 --> 00:57:03,280

technology is gonna in 10 years

1716

00:57:08,309 --> 00:57:05,040

technology will look like magic

1717

00:57:11,750 --> 00:57:08,319

to those of us now pretty damn cool

1718

00:57:14,230 --> 00:57:11,760

you know right we don't keep up in

1719

00:57:15,750 --> 00:57:14,240

in terms of our mind our mental ability

1720

00:57:19,030 --> 00:57:15,760

to deal with this stuff

1721

00:57:21,109 --> 00:57:19,040

we're we're in trouble well and also

1722

00:57:22,390 --> 00:57:21,119

before we go i did want to switch gears

1723

00:57:24,549 --> 00:57:22,400

a little bit and ask you

1724

00:57:26,069 --> 00:57:24,559

about one of your other books the 11 11

1725

00:57:28,309 --> 00:57:26,079

time prompt phenomenon because i have a

1726

00:57:29,829 --> 00:57:28,319

friend who swears by this phenomenon he

1727

00:57:30,789 --> 00:57:29,839

says when he looks at the time or the

1728

00:57:33,349 --> 00:57:30,799

odometer

1729

00:57:34,150 --> 00:57:33,359

he sees it's on 11 11 both the last

1730

00:57:36,390 --> 00:57:34,160

names of him

1731

00:57:38,069 --> 00:57:36,400

and his wife they both have double I

1732

00:57:41,030 --> 00:57:38,079

which he finds meaning in

1733

00:57:43,030 --> 00:57:41,040

um what do you make of this 11-11 thing

1734

00:57:44,549 --> 00:57:43,040

i never knew it even existed before we

1735

00:57:45,190 --> 00:57:44,559

were asked to write the book that was

1736

00:57:47,030 --> 00:57:45,200

actually

1737

00:57:48,870 --> 00:57:47,040

in our publisher which was really cool

1738

00:57:50,710 --> 00:57:48,880

but um

1739

00:57:52,150 --> 00:57:50,720

i i see them all the time i posted

1740

00:57:54,870 --> 00:57:52,160

something on facebook that

1741

00:57:56,549 --> 00:57:54,880

my coffee machine the clock won't work

1742

00:57:59,430 --> 00:57:56,559

now so every time i look at it it says

1743

00:58:00,309 --> 00:57:59,440

11 11 or 333 which is another time

1744

00:58:02,309 --> 00:58:00,319

prompt that yes

1745

00:58:04,069 --> 00:58:02,319

a lot of people experience but the thing

1746

00:58:05,589 --> 00:58:04,079

about 11 11 is you've got millions of

1747

00:58:07,430 --> 00:58:05,599

people all over the world for the last

1748

00:58:08,549 --> 00:58:07,440

40 50 years because this has gone on for

1749

00:58:10,630 --> 00:58:08,559

quite a while

1750

00:58:12,390 --> 00:58:10,640

we see this this number sequence and it

1751

00:58:12,950 --> 00:58:12,400

can be on a digital clock it can be on a

1752

00:58:15,990 --> 00:58:12,960

receipt

1753

00:58:17,190 --> 00:58:16,000

whatever a billboard and where

1754

00:58:19,829 --> 00:58:17,200

larry and i were able to make the

1755

00:58:21,990 --> 00:58:19,839

connection is that whatever happens on

1756

00:58:25,589 --> 00:58:22,000

december 21st 2012

1757

00:58:28,150 --> 00:58:25,599

next month the winter solstice which was

1758

00:58:29,430 --> 00:58:28,160

critical to the uh mayan you know to

1759

00:58:32,630 --> 00:58:29,440

their um

1760

00:58:34,710 --> 00:58:32,640

world view is said to

1761

00:58:36,630 --> 00:58:34,720

occur the moment the winter solstice

1762

00:58:39,190 --> 00:58:36,640

begins is that 11 11

1763

00:58:41,510 --> 00:58:39,200

greenwich mean time according to the

1764

00:58:42,230 --> 00:58:41,520

naval observatory's atomic clock which

1765

00:58:46,309 --> 00:58:42,240

is the most

1766

00:58:48,950 --> 00:58:46,319

action clock on the planet so

1767

00:58:50,789 --> 00:58:48,960

people feel like the 11 11s are prompts

1768

00:58:52,549 --> 00:58:50,799

or pokes like

1769

00:58:54,870 --> 00:58:52,559

little prods from the universe saying

1770

00:58:58,309 --> 00:58:54,880

pay attention get ready

1771

00:58:59,750 --> 00:58:58,319

wake up something's coming and that that

1772

00:59:02,390 --> 00:58:59,760

moment

1773

00:59:04,470 --> 00:59:02,400

who knows what will happen maybe nothing

1774

00:59:06,470 --> 00:59:04,480

but maybe people's minds and

1775

00:59:08,150 --> 00:59:06,480

their brains will just shift and we'll

1776

00:59:09,510 --> 00:59:08,160

suddenly start seeing the sixth

1777

00:59:12,069 --> 00:59:09,520

dimension you know

1778

00:59:14,150 --> 00:59:12,079

that would be the best i mean yeah for

1779

00:59:16,069 --> 00:59:14,160

someone as lazy as myself i would love

1780

00:59:18,309 --> 00:59:16,079

to just wake up one day and like

1781

00:59:19,990 --> 00:59:18,319

now i can see crazy [h__\h] that'd be great

1782

00:59:22,549 --> 00:59:20,000

i've ascended

1783

00:59:23,109 --> 00:59:22,559

right but just have to make breakfast

1784

00:59:25,430 --> 00:59:23,119

you know

1785

00:59:27,349 --> 00:59:25,440

go to work but no i i think that a lot

1786

00:59:29,750 --> 00:59:27,359

of people feel like they're

1787

00:59:31,190 --> 00:59:29,760

wake-up calls to just get present pay

1788

00:59:32,950 --> 00:59:31,200

attention to what's going on and you

1789

00:59:35,430 --> 00:59:32,960

know what that's not a bad thing to do

1790

00:59:38,870 --> 00:59:35,440

anyway regardless of december 21st

1791

00:59:41,510 --> 00:59:38,880

correct yeah well marie you have an

1792

00:59:43,030 --> 00:59:41,520

amazing body of work but i'm sure

1793

00:59:44,549 --> 00:59:43,040

um you're not just kicking back and

1794

00:59:45,750 --> 00:59:44,559

waiting for the apocalypse what else are

1795

00:59:47,910 --> 00:59:45,760

you working on

1796

00:59:49,990 --> 00:59:47,920

well larry and i just signed with a new

1797

00:59:50,390 --> 00:59:50,000

publisher hampton roads seraphant to

1798

00:59:52,309 --> 00:59:50,400

write

1799

00:59:55,750 --> 00:59:52,319

the book the grid which is about our

1800

00:59:59,030 --> 00:59:55,760

attempt to give a structure to reality

1801

01:00:00,950 --> 00:59:59,040

and um oh gosh we've got a couple of

1802

01:00:03,430 --> 01:00:00,960

screenplays that we've optioned that are

1803

01:00:04,470 --> 01:00:03,440

one is in pre-production called 19 hertz

1804

01:00:06,150 --> 01:00:04,480

oh that's interesting

1805

01:00:10,390 --> 01:00:06,160

yeah it's based on our book the

1806

01:00:12,870 --> 01:00:10,400

resonance key about the power of sound

1807

01:00:14,870 --> 01:00:12,880

just all kinds of stuff yeah next year

1808

01:00:16,710 --> 01:00:14,880

is going to be a busy year

1809

01:00:18,230 --> 01:00:16,720

all right so where can people uh check

1810

01:00:19,190 --> 01:00:18,240

up on you you have obviously you have a

1811

01:00:29,270 --> 01:00:19,200

website

1812

01:00:31,990 --> 01:00:29,280

explorers p-a-r-a paraexplorers.com

1813

01:00:32,549 --> 01:00:32,000

um i'm on facebook marie d jones author

1814

01:00:34,870 --> 01:00:32,559

twitter

1815

01:00:36,950 --> 01:00:34,880

linkedin and larry and i have a facebook

1816

01:00:38,870 --> 01:00:36,960

page for pear explorers so

1817

01:00:42,069 --> 01:00:38,880

we're everywhere you gotta have it all

1818

01:00:44,069 --> 01:00:42,079

these days i know

1819

01:00:46,069 --> 01:00:44,079

marie it's been an amazing conversation

1820

01:00:48,470 --> 01:00:46,079

i really loved it

1821

01:00:50,390 --> 01:00:48,480

thank you yeah i i wish you the best of

1822

01:00:51,990 --> 01:00:50,400

luck hopefully we can talk again uh when

1823

01:00:53,910 --> 01:00:52,000

your new book comes out the grid sounds

1824

01:00:54,950 --> 01:00:53,920

amazing very matrixy which i'm really

1825

01:00:57,670 --> 01:00:54,960

into

1826

01:00:59,349 --> 01:00:57,680

absolutely well hey people check out

1827

01:01:01,270 --> 01:00:59,359

this book is from the future and all of

1828

01:01:01,990 --> 01:01:01,280

marie's books i'm sure something will

1829

01:01:03,670 --> 01:01:02,000

interest you

1830

01:01:05,670 --> 01:01:03,680

and again it's been a real pleasure

1831

01:01:08,470 --> 01:01:05,680

thanks oh thank you so much

1832

01:01:09,990 --> 01:01:08,480

all right enjoy your day you too there

1833

01:01:12,789 --> 01:01:10,000

it is higher side chatters

1834

01:01:13,670 --> 01:01:12,799

miss marie d jones a real sweetheart and

1835

01:01:15,190 --> 01:01:13,680

a great author

1836

01:01:17,510 --> 01:01:15,200

thanks again for listening everybody

1837

01:01:19,109 --> 01:01:17,520

help thc grow and share the show with

1838

01:01:21,190 --> 01:01:19,119

your friends and family

1839

01:01:23,109 --> 01:01:21,200

check out my t-shirt brand conspiracies

1840

01:01:23,670 --> 01:01:23,119

at conspiracies.net if you like this

1841

01:01:25,430 --> 01:01:23,680

show

1842

01:01:26,950 --> 01:01:25,440

you've got to like some shirts there and

1843

01:01:29,750 --> 01:01:26,960

it is the christmas season

1844

01:01:31,190 --> 01:01:29,760

so uh you know it's all about giving you

1845

01:01:31,910 --> 01:01:31,200

know the shirts are great the prints are

1846

01:01:33,510 --> 01:01:31,920

nice

1847

01:01:34,789 --> 01:01:33,520

buying one helps keep the roof over my

1848

01:01:36,069 --> 01:01:34,799

head and the dick's out of my mouth so

1849

01:01:38,789 --> 01:01:36,079

it's a real good cause

1850

01:01:39,510 --> 01:01:38,799

here's a magical opus from bromello and

1851
01:01:41,750 --> 01:01:39,520
friends

1852
01:01:42,789 --> 01:01:41,760
they keep pressing on me and they do

1853
01:01:59,670 --> 01:01:42,799
don't they

1854
01:02:04,309 --> 01:02:02,630
they keep pressing on me they keep

1855
01:02:08,710 --> 01:02:04,319
pressing on me

1856
01:02:11,910 --> 01:02:08,720
these financial insecurities

1857
01:02:12,549 --> 01:02:11,920
if it's the fbi the tsa subway

1858
01:02:15,109 --> 01:02:12,559
commission

1859
01:02:17,670 --> 01:02:15,119
we don't play they just trying to take

1860
01:02:20,789 --> 01:02:17,680
our rights

1861
01:02:21,349 --> 01:02:20,799
a shooting here shooting there somebody

1862
01:02:24,549 --> 01:02:21,359
dead

1863
01:02:28,150 --> 01:02:24,559

everywhere and this is supposed to

1864

01:02:45,829 --> 01:02:28,160

be all right they keep pressing on me

1865

01:02:45,839 --> 01:02:50,870

these financials

1866

01:02:55,109 --> 01:02:54,069

i know an oppressor when i see one on

1867

01:02:57,670 --> 01:02:55,119

the move

1868

01:02:58,150 --> 01:02:57,680

they take what you're having and they

1869

01:03:05,910 --> 01:02:58,160

make

1870

01:03:13,589 --> 01:03:10,549

these financial insecurities they

1871

01:03:14,549 --> 01:03:13,599

keep pressing on me they keep pressing

1872

01:03:42,829 --> 01:03:14,559

on me

1873

01:03:42,839 --> 01:03:56,549

is
