1
00:00:08,240 --> 00:00:06,409
we're here because we don't buy into the

2
00:00:10,130 --> 00:00:08,250
[h__\h] of mainstream culture we're

3
00:00:11,660 --> 00:00:10,140
tired of the mundane passionless careers

4
00:00:13,280 --> 00:00:11,670
we've been shuffled into as a result of

5
00:00:15,320 --> 00:00:13,290
this orchestrated death based system of

6
00:00:16,970 --> 00:00:15,330
rule and the stranglehold on education

7
00:00:20,029 --> 00:00:16,980
entertainment by cold soulless

8
00:00:23,210 --> 00:00:20,039
corporations people yes we are

9
00:00:25,069 --> 00:00:23,220
frustrated yes we are tired and we

10
00:00:26,390 --> 00:00:25,079
reject the pre-approved tranquilizers

11
00:00:28,519 --> 00:00:26,400
that are Monday Night Football and a

12
00:00:30,800 --> 00:00:28,529
nice cold blood laser we have to stop

13
00:00:33,380 --> 00:00:30,810

hiding stop hiding behind the headphones

14

00:00:34,729 --> 00:00:33,390

in the cherry popper 4/20 user name let

15

00:00:37,220 --> 00:00:34,739

the world see that the resistance is

16

00:00:39,110 --> 00:00:37,230

strong in society as changing it was a

17

00:00:41,540 --> 00:00:39,120

time to be anonymous and that time has

18

00:00:43,340 --> 00:00:41,550

passed and so the higher side chats

19

00:00:45,080 --> 00:00:43,350

would like to present conspiracies as

20

00:00:47,479 --> 00:00:45,090

the dawning of this new paradigm in the

21

00:00:48,889 --> 00:00:47,489

uniform of the revolution because bold

22

00:00:50,779 --> 00:00:48,899

fashion should be more than some

23

00:00:53,630 --> 00:00:50,789

celebrity lead dress for Atlanta

24

00:00:55,160 --> 00:00:53,640

sleeping : and spirit ease redefines

25

00:00:57,169 --> 00:00:55,170

bold fashion as having the balls to

26

00:00:59,150 --> 00:00:57,179

reject socially uncomfortable and

27

00:01:01,560 --> 00:00:59,160

unpopular truths from the Iranian chest

28

00:01:04,600 --> 00:01:01,570

all bugging

29

00:01:06,940 --> 00:01:04,610

it's garetty's dotnet let him know that

30

00:01:08,230 --> 00:01:06,950

you know bolt designs for trouble times

31

00:01:44,060 --> 00:01:08,240

hard truths

32

00:01:48,630 --> 00:01:46,499

welcome to the show higher side shatters

33

00:01:49,200 --> 00:01:48,640

drinking a little drink smoking a little

34

00:01:51,240 --> 00:01:49,210

smoke

35

00:01:52,800 --> 00:01:51,250

I'm Greg Carl Wood here to help you wade

36

00:01:54,270 --> 00:01:52,810

through the rough waters and mysteries

37

00:01:56,550 --> 00:01:54,280

and conspiracies our silly little

38

00:01:59,040 --> 00:01:56,560

species has concocted during our brief

39

00:02:00,840 --> 00:01:59,050

stay at the motel earth what topic is

40

00:02:02,969 --> 00:02:00,850

more drenched with both mystery and

41

00:02:05,669 --> 00:02:02,979

conspiracy than our very own origins and

42

00:02:08,550 --> 00:02:05,679

ancient past folks our history has been

43

00:02:10,620 --> 00:02:08,560

twisted mistranslated rewritten omitted

44

00:02:12,600 --> 00:02:10,630

and redacted so much that my biggest

45

00:02:13,229 --> 00:02:12,610

concern is that it might be beyond

46

00:02:15,690 --> 00:02:13,239

repair

47

00:02:17,400 --> 00:02:15,700

but today's guest dr. Rita Louise is

48

00:02:19,199 --> 00:02:17,410

gonna help us search through the rubble

49

00:02:20,370 --> 00:02:19,209

and piece this story back together as

50

00:02:22,350 --> 00:02:20,380

best we can

51
00:02:24,210 --> 00:02:22,360
as if funding the Institute of Applied

52
00:02:26,069 --> 00:02:24,220
energetics and paying the bills as a

53
00:02:28,620 --> 00:02:26,079
medical intuitive and clairvoyant

54
00:02:30,539 --> 00:02:28,630
weren't exciting enough dr. rita louise

55
00:02:32,729 --> 00:02:30,549
has turned a lifelong fascination with

56
00:02:35,100 --> 00:02:32,739
ancient archaeology mythology and

57
00:02:37,110 --> 00:02:35,110
culture into her incredible new book

58
00:02:39,750 --> 00:02:37,120
man-made The Chronicles of our

59
00:02:41,910 --> 00:02:39,760
extraterrestrial gods a mere 15 days

60
00:02:44,670 --> 00:02:41,920
from the next evolution of man dr. rita

61
00:02:46,530 --> 00:02:44,680
louise how are you I am great great

62
00:02:49,470 --> 00:02:46,540
thanks for having me on the show and wow

63
00:02:51,210 --> 00:02:49,480

what a wonderful intro I love it well

64

00:02:52,650 --> 00:02:51,220

thank you Rita you know I like to put

65

00:02:54,990 --> 00:02:52,660

the pedal to the metal you got to grab

66

00:02:56,250 --> 00:02:55,000

him quick are you gonna lose him but I

67

00:02:58,440 --> 00:02:56,260

guess because I brought it up you know

68

00:03:00,270 --> 00:02:58,450

December 21st is right around the corner

69

00:03:02,580 --> 00:03:00,280

I'm a little disappointed in the lack of

70

00:03:03,900 --> 00:03:02,590

conversation I mean what do you think is

71

00:03:05,970 --> 00:03:03,910

that the start date of the darting of a

72

00:03:07,530 --> 00:03:05,980

new age of humanity are just another 9

73

00:03:11,099 --> 00:03:07,540

to 5 workweek because I've been waiting

74

00:03:13,380 --> 00:03:11,109

to buy my Christmas presents well I mean

75

00:03:15,630 --> 00:03:13,390

I I don't think that we're going to blow

76

00:03:18,090 --> 00:03:15,640

up or the world's coming to an end

77

00:03:20,849 --> 00:03:18,100

although you know my little conspiracy

78

00:03:22,920 --> 00:03:20,859

theory mind goes if something is going

79

00:03:24,569 --> 00:03:22,930

to happen I could see the government

80

00:03:27,990 --> 00:03:24,579

going hey well you know that sounds like

81

00:03:30,550 --> 00:03:28,000

a good day you know hit the red button

82

00:03:33,310 --> 00:03:30,560

but as far as what's happening

83

00:03:37,690 --> 00:03:33,320

organically I don't think so

84

00:03:40,240 --> 00:03:37,700

with that said there are I'm going to

85

00:03:43,000 --> 00:03:40,250

say so many people okay everybody at

86

00:03:44,890 --> 00:03:43,010

least any in the United States that have

87

00:03:47,350 --> 00:03:44,900

really been holding their breath for the

88

00:03:50,500 --> 00:03:47,360

last couple of years and I'm looking for

89

00:03:53,920 --> 00:03:50,510

us all to have the opportunity to

90

00:03:56,080 --> 00:03:53,930

finally exhale and start breathing again

91

00:03:59,140 --> 00:03:56,090

and move out of this place of fear that

92

00:04:01,570 --> 00:03:59,150

we have been held captive to so that we

93

00:04:03,460 --> 00:04:01,580

can actually have another day you know

94

00:04:05,650 --> 00:04:03,470

it will be the dawn of another day be

95

00:04:09,060 --> 00:04:05,660

you know on that level because we will

96

00:04:11,170 --> 00:04:09,070

be free from that level of oppression

97

00:04:12,730 --> 00:04:11,180

well that would be nice if that was the

98

00:04:14,620 --> 00:04:12,740

effect that had I mean I'm gonna have

99

00:04:16,810 --> 00:04:14,630

fun with it it will be the dawning of a

100

00:04:18,520 --> 00:04:16,820

new age for this man no more soda no

101
00:04:20,110 --> 00:04:18,530
more fast food a more conscious

102
00:04:22,420 --> 00:04:20,120
attention and getting myself where I

103
00:04:24,520 --> 00:04:22,430
want to be so it's really just a choice

104
00:04:26,590 --> 00:04:24,530
and on a personal level you can decide

105
00:04:28,150 --> 00:04:26,600
if the Mayans were right kind of like a

106
00:04:29,830 --> 00:04:28,160
New Year's resolution but it lasts your

107
00:04:32,370 --> 00:04:29,840
whole goddamn life not just halfway to

108
00:04:35,710 --> 00:04:32,380
Valentine's Day you know what I mean

109
00:04:39,490 --> 00:04:35,720
well I think you know December 21st this

110
00:04:42,909 --> 00:04:39,500
year is going to be more pivotable

111
00:04:45,400 --> 00:04:42,919
pivotal definitely much more remembered

112
00:04:48,430 --> 00:04:45,410
than New Year's Day this year is going

113
00:04:51,070 --> 00:04:48,440

to be well yes I hope at least that that

114

00:04:52,810 --> 00:04:51,080

is true but I do wish it was treated

115

00:04:54,370 --> 00:04:52,820

more like a global near-miss car

116

00:04:56,260 --> 00:04:54,380

accident where you know you take a

117

00:04:59,590 --> 00:04:56,270

breath you wipe your brain like man okay

118

00:05:01,360 --> 00:04:59,600

now where do we want to go you know if

119

00:05:02,950 --> 00:05:01,370

we're living our life what do we want to

120

00:05:05,260 --> 00:05:02,960

do with it instead of waiting for this

121

00:05:06,880 --> 00:05:05,270

cosmic event to happen this

122

00:05:09,700 --> 00:05:06,890

predetermined event where we rescued

123

00:05:11,650 --> 00:05:09,710

from our predicament and you know I just

124

00:05:13,210 --> 00:05:11,660

the whole thing it just seems like

125

00:05:14,650 --> 00:05:13,220

no-one's talking about it doesn't seem

126

00:05:16,780 --> 00:05:14,660

to be out in the collective unconscious

127

00:05:20,890 --> 00:05:16,790

like I really wanted it to be and hoped

128

00:05:22,990 --> 00:05:20,900

it would be but really it is thanks I

129

00:05:24,730 --> 00:05:23,000

you know one of the things about it you

130

00:05:26,440 --> 00:05:24,740

know like not that long ago Harold

131

00:05:28,150 --> 00:05:26,450

Camping came out with these predictions

132

00:05:30,730 --> 00:05:28,160

that you know the rapture was gonna

133

00:05:33,040 --> 00:05:30,740

happen and you know the apocalypse it

134

00:05:36,360 --> 00:05:33,050

was gonna begin and there were circles

135

00:05:39,790 --> 00:05:36,370

of people that had heard of his

136

00:05:41,709 --> 00:05:39,800

predictions but I think the 2012 thing

137

00:05:44,199 --> 00:05:41,719

has really gotten

138

00:05:47,829 --> 00:05:44,209

AirPlay you know even in commercials

139

00:05:50,319 --> 00:05:47,839

that there is an inkling you know I

140

00:05:53,199 --> 00:05:50,329

think just about in the United States

141

00:05:56,169 --> 00:05:53,209

especially that most people the majority

142

00:05:59,379 --> 00:05:56,179

of people have heard something about it

143

00:06:01,979 --> 00:05:59,389

and when you have something that they

144

00:06:04,089 --> 00:06:01,989

put out there in this manner manner

145

00:06:06,969 --> 00:06:04,099

regardless of what you think is going to

146

00:06:10,499 --> 00:06:06,979

happen there's still that little shred

147

00:06:13,269 --> 00:06:10,509

of well the world could end you know

148

00:06:15,069 --> 00:06:13,279

Armageddon could begin you know I mean

149

00:06:17,109 --> 00:06:15,079

because we don't know it's you know and

150

00:06:19,179 --> 00:06:17,119

so there's what we believe and then

151
00:06:22,689 --> 00:06:19,189
there's still that where we doubt

152
00:06:24,129 --> 00:06:22,699
ourselves yes I hear you I want to

153
00:06:26,199 --> 00:06:24,139
switch gears a little bit to talk about

154
00:06:28,540 --> 00:06:26,209
your book the reason why you are here

155
00:06:30,969 --> 00:06:28,550
before we do that tell me a bit about

156
00:06:34,569 --> 00:06:30,979
this medical intuitive thing that's your

157
00:06:36,339 --> 00:06:34,579
9 to 5 you say and what kind of effects

158
00:06:38,679 --> 00:06:36,349
have you seen is this energy healing

159
00:06:41,489 --> 00:06:38,689
what what's going on here well I mean

160
00:06:43,749 --> 00:06:41,499
you know medical intuition is a

161
00:06:46,779 --> 00:06:43,759
assessment tool so it's like going and

162
00:06:50,429 --> 00:06:46,789
getting an x-ray or an MRI you know in a

163
00:06:53,979 --> 00:06:50,439

very classical traditional look at it

164

00:06:56,859 --> 00:06:53,989

because the medical intuitive's job is

165

00:06:59,079 --> 00:06:56,869

to look at the individual body and give

166

00:07:01,540 --> 00:06:59,089

them some feedback as to what's going on

167

00:07:04,029 --> 00:07:01,550

and so it's kind of it's different from

168

00:07:06,669 --> 00:07:04,039

getting reiki done or healing work done

169

00:07:08,350 --> 00:07:06,679

because it's not a healing modality it's

170

00:07:12,759 --> 00:07:08,360

a it's more like getting a psychic

171

00:07:14,949 --> 00:07:12,769

reading you know it's a and so you know

172

00:07:17,350 --> 00:07:14,959

but it's it's still really cool and one

173

00:07:19,929 --> 00:07:17,360

of the things that I I feel I bring to

174

00:07:22,629 --> 00:07:19,939

the table for people in addition to

175

00:07:25,179 --> 00:07:22,639

being able to look at the physical body

176

00:07:27,699 --> 00:07:25,189

and say well you know I see this there's

177

00:07:30,309 --> 00:07:27,709

inflammation here you know there's this

178

00:07:32,559 --> 00:07:30,319

bump here you know like I can

179

00:07:34,479 --> 00:07:32,569

energetically kind of remote for you and

180

00:07:35,919 --> 00:07:34,489

touch their organs and you know I'll

181

00:07:37,779 --> 00:07:35,929

touch their kidney and they might have a

182

00:07:41,290 --> 00:07:37,789

kidney infection going on I'll be like

183

00:07:44,379 --> 00:07:41,300

wow wow wow because wow I can feel the

184

00:07:46,619 --> 00:07:44,389

pain in their body you know so there's

185

00:07:49,209 --> 00:07:46,629

that aspect to it which is pretty cool

186

00:07:54,699 --> 00:07:49,219

but one of the other things is that I'm

187

00:07:55,540 --> 00:07:54,709

able to feel into their emotional energy

188

00:07:58,240 --> 00:07:55,550

and help

189

00:08:02,340 --> 00:07:58,250

them understand what the thoughts and

190

00:08:04,800 --> 00:08:02,350

beliefs are that are causing them to

191

00:08:07,810 --> 00:08:04,810

manifest the illness in the first place

192

00:08:11,860 --> 00:08:07,820

you know I I believe that you know 80

193

00:08:15,160 --> 00:08:11,870

plus percent of all illness or you know

194

00:08:17,170 --> 00:08:15,170

stuff there is a psycho spiritual

195

00:08:20,680 --> 00:08:17,180

component I mean you know there are

196

00:08:22,630 --> 00:08:20,690

things called colds and viruses that you

197

00:08:25,240 --> 00:08:22,640

know you get a cold you get a virus you

198

00:08:28,330 --> 00:08:25,250

know you break your leg you know there's

199

00:08:30,280 --> 00:08:28,340

not this whole big emotional piece even

200

00:08:32,200 --> 00:08:30,290

though there are the individuals who say

201
00:08:34,030 --> 00:08:32,210
well there were there was a reason that

202
00:08:36,370 --> 00:08:34,040
you broke your leg it's like well no

203
00:08:40,480 --> 00:08:36,380
that's really not right now what I'm

204
00:08:42,250 --> 00:08:40,490
looking for in a person many times you

205
00:08:45,310 --> 00:08:42,260
you know there you are

206
00:08:50,970 --> 00:08:45,320
you know I'm looking more for beliefs

207
00:08:53,290 --> 00:08:50,980
like I hate myself or I hate my mother

208
00:08:56,920 --> 00:08:53,300
well because those are the things that

209
00:08:59,680 --> 00:08:56,930
limit the flow of energy through the

210
00:09:02,230 --> 00:08:59,690
subtle body and create the disease in

211
00:09:04,420 --> 00:09:02,240
the first place I mean it seems logical

212
00:09:06,370 --> 00:09:04,430
to me I'm a definite believer that

213
00:09:09,010 --> 00:09:06,380

people can make themselves sick I mean I

214

00:09:11,560 --> 00:09:09,020

loathe my day job and when I'm on my way

215

00:09:14,320 --> 00:09:11,570

to work I'll usually manifest myself a

216

00:09:16,720 --> 00:09:14,330

headache or a stuffy nose or something

217

00:09:18,250 --> 00:09:16,730

and you know I'm like am i allergic to

218

00:09:20,800 --> 00:09:18,260

this place but really it's just a mental

219

00:09:23,490 --> 00:09:20,810

thing and I mean even a force like

220

00:09:25,450 --> 00:09:23,500

stress an unseen force is pretty

221

00:09:26,950 --> 00:09:25,460

accepted by the general medical

222

00:09:30,690 --> 00:09:26,960

community the mainstream medical

223

00:09:33,610 --> 00:09:30,700

community that there is a stress effect

224

00:09:36,640 --> 00:09:33,620

well I mean but to me stress is like

225

00:09:38,500 --> 00:09:36,650

such a generic global thing it's like

226

00:09:40,150 --> 00:09:38,510

what are you stressed about that's

227

00:09:41,830 --> 00:09:40,160

that's really where it becomes the key

228

00:09:43,450 --> 00:09:41,840

you know and I'm gonna throw this out

229

00:09:45,940 --> 00:09:43,460

because you know I have another book

230

00:09:48,340 --> 00:09:45,950

called avoiding the cosmic 2x4 that goes

231

00:09:51,340 --> 00:09:48,350

into this topic in much much greater

232

00:09:53,140 --> 00:09:51,350

detail you know oh and if you want I can

233

00:09:56,560 --> 00:09:53,150

send you copy that and we maybe do a

234

00:09:58,960 --> 00:09:56,570

show excuse me around that topic yeah

235

00:10:01,030 --> 00:09:58,970

absolutely that'd be awesome I'd love to

236

00:10:02,290 --> 00:10:01,040

take a look at that book let's talk

237

00:10:04,600 --> 00:10:02,300

about the book actually that you just

238

00:10:07,510 --> 00:10:04,610

recently wrote man made the reason for

239

00:10:09,280 --> 00:10:07,520

your visit to THC I really do want to

240

00:10:11,110 --> 00:10:09,290

get into the chronology

241

00:10:13,990 --> 00:10:11,120

of our extraterrestrial gods this

242

00:10:15,400 --> 00:10:14,000

timeline but first tell the people a

243

00:10:17,620 --> 00:10:15,410

little bit about the work and the

244

00:10:19,210 --> 00:10:17,630

research and the dedication it took to

245

00:10:21,100 --> 00:10:19,220

get this book out I mean we're not

246

00:10:26,259 --> 00:10:21,110

messing around here you did quite a bit

247

00:10:28,240 --> 00:10:26,269

of research am i right oh yeah one of

248

00:10:31,389 --> 00:10:28,250

the things that we did is we would get a

249

00:10:34,889 --> 00:10:31,399

clue you know like what about this you

250

00:10:38,710 --> 00:10:34,899

know what about the gods you know and

251
00:10:41,079 --> 00:10:38,720
excuse me you know we would just follow

252
00:10:43,300 --> 00:10:41,089
the clue and follow it and then you know

253
00:10:46,660 --> 00:10:43,310
you might find a clue taking you over to

254
00:10:48,400 --> 00:10:46,670
this area and so we follow that clue I

255
00:10:51,430 --> 00:10:48,410
mean because you would end up hitting

256
00:10:54,120 --> 00:10:51,440
some kind of a wall or a dead end or it

257
00:10:56,470 --> 00:10:54,130
would just end you would find you know

258
00:10:59,199 --> 00:10:56,480
more than enough information than you

259
00:11:01,840 --> 00:10:59,209
need to really answer the question that

260
00:11:04,900 --> 00:11:01,850
you have and so we that's really how we

261
00:11:07,420 --> 00:11:04,910
address this was by you know we would

262
00:11:09,160 --> 00:11:07,430
find a myth in one culture and then look

263
00:11:11,819 --> 00:11:09,170

to a different culture around the world

264

00:11:15,550 --> 00:11:11,829

to see if we could find parallel myths

265

00:11:20,500 --> 00:11:15,560

there too one of the things that we were

266

00:11:23,710 --> 00:11:20,510

adamant about was finding multiple myths

267

00:11:25,990 --> 00:11:23,720

that referred in essence to the same

268

00:11:29,350 --> 00:11:26,000

event that we were talking about in the

269

00:11:32,379 --> 00:11:29,360

book because us that validated that

270

00:11:35,019 --> 00:11:32,389

there was truth and we're not talking

271

00:11:36,370 --> 00:11:35,029

about there's a Greek story and a Roman

272

00:11:38,710 --> 00:11:36,380

story you know we're talking about

273

00:11:41,199 --> 00:11:38,720

there's a Greek story and and maybe an

274

00:11:45,400 --> 00:11:41,209

Indian story or a story that comes out

275

00:11:47,590 --> 00:11:45,410

of the Americas to say okay we're

276

00:11:50,740 --> 00:11:47,600

talking about a global story not just a

277

00:11:54,280 --> 00:11:50,750

local story right absolutely and that is

278

00:11:55,800 --> 00:11:54,290

the most fascinating thing is that at a

279

00:11:57,910 --> 00:11:55,810

time when cross-continental

280

00:11:59,710 --> 00:11:57,920

communication and travel was off the

281

00:12:02,679 --> 00:11:59,720

table as far as conventional history is

282

00:12:04,329 --> 00:12:02,689

concerned these societies on different

283

00:12:07,960 --> 00:12:04,339

parts of the globe seem to have similar

284

00:12:09,939 --> 00:12:07,970

stories and myths and I guess it creates

285

00:12:10,960 --> 00:12:09,949

a unified narrative but you know walk us

286

00:12:18,519 --> 00:12:10,970

through it let's take it from the top

287

00:12:22,400 --> 00:12:18,529

where does this origin story start well

288

00:12:27,259 --> 00:12:25,189

if you read the narratives and it moves

289

00:12:31,430 --> 00:12:27,269

forward in time I mean one of the things

290

00:12:35,780 --> 00:12:31,440

that we were so blown away with were the

291

00:12:39,110 --> 00:12:35,790

parallels that we found around the world

292

00:12:41,749 --> 00:12:39,120

you know starting with in the beginning

293

00:12:43,540 --> 00:12:41,759

you know where the you know there the

294

00:12:47,990 --> 00:12:43,550

beginning of their creation narrative

295

00:12:52,069 --> 00:12:48,000

starts with you know this null and void

296

00:12:57,079 --> 00:12:52,079

or talking about energy on the water I

297

00:13:01,460 --> 00:12:57,089

mean there were a few images that came

298

00:13:03,679 --> 00:13:01,470

up over and over again which says well

299

00:13:06,230 --> 00:13:03,689

unless they're talking about the same

300

00:13:09,050 --> 00:13:06,240

thing then it would have to be right

301
00:13:11,780 --> 00:13:09,060
they would be different they would they

302
00:13:14,629 --> 00:13:11,790
would buy by necessity be different of

303
00:13:16,069 --> 00:13:14,639
course and these these stories were

304
00:13:19,100 --> 00:13:16,079
talking about these earliest stories are

305
00:13:20,540 --> 00:13:19,110
these the the Sumerian texts because to

306
00:13:25,759 --> 00:13:20,550
my knowledge there's nothing older

307
00:13:29,300 --> 00:13:25,769
correct well you know there is the

308
00:13:32,929 --> 00:13:29,310
written chronicles that go back to the

309
00:13:35,629 --> 00:13:32,939
Sumerians but the narratives we believe

310
00:13:38,900 --> 00:13:35,639
went back much much much further in time

311
00:13:41,360 --> 00:13:38,910
and were carried forward through oral

312
00:13:46,670 --> 00:13:41,370
traditions but I'm going to throw a

313
00:13:49,699 --> 00:13:46,680

little caveat in here as to where these

314

00:13:51,860 --> 00:13:49,709

the earliest of stories you know talking

315

00:13:54,079 --> 00:13:51,870

about the beginning of the planet and

316

00:13:58,960 --> 00:13:54,089

the very early history on the planet

317

00:14:05,870 --> 00:13:58,970

prior to mankind as we know mankind

318

00:14:09,679 --> 00:14:05,880

being created came from so there is a

319

00:14:13,249 --> 00:14:09,689

gentleman named burl Perseus

320

00:14:15,049 --> 00:14:13,259

he was a Babylonian priest who lived

321

00:14:17,629 --> 00:14:15,059

during the time of Alexander the Great

322

00:14:22,610 --> 00:14:17,639

and one of the things that he mentions

323

00:14:25,040 --> 00:14:22,620

is that there were these creatures that

324

00:14:26,569 --> 00:14:25,050

were called ona's or at least one of

325

00:14:28,879 --> 00:14:26,579

them was called own as they were not

326

00:14:31,759 --> 00:14:28,889

quite sure if he would that was a proper

327

00:14:35,090 --> 00:14:31,769

name or the name of these creatures but

328

00:14:36,050 --> 00:14:35,100

the first one's name was owned as and he

329

00:14:38,450 --> 00:14:36,060

came during

330

00:14:43,970 --> 00:14:38,460

prehistory so this was prior to the

331

00:14:47,420 --> 00:14:43,980

flood and taught mankind stuff and so

332

00:14:50,390 --> 00:14:47,430

according to verse he these creatures

333

00:14:53,210 --> 00:14:50,400

appeared six different times on the

334

00:14:55,190 --> 00:14:53,220

earth three times before the flood three

335

00:14:58,720 --> 00:14:55,200

times after the flood and it's also

336

00:15:03,590 --> 00:14:58,730

described by him that these creatures

337

00:15:06,890 --> 00:15:03,600

taught mankind their history we have a

338

00:15:08,840 --> 00:15:06,900

parallel story ok so we have this you

339

00:15:10,460 --> 00:15:08,850

know half-man half-fish you know and

340

00:15:13,490 --> 00:15:10,470

there's this whole group of gods that

341

00:15:17,080 --> 00:15:13,500

are tied to the water you know and have

342

00:15:20,660 --> 00:15:17,090

this like fish like reptilian like

343

00:15:23,420 --> 00:15:20,670

characteristic but we go across the

344

00:15:26,600 --> 00:15:23,430

ocean and we find you know like the

345

00:15:28,640 --> 00:15:26,610

Aztecs for example say that causal

346

00:15:32,210 --> 00:15:28,650

quarrel the feathered serpent taught

347

00:15:35,200 --> 00:15:32,220

them the history their history and so we

348

00:15:39,230 --> 00:15:35,210

have you know stories of the gods

349

00:15:42,410 --> 00:15:39,240

telling mankind their history and so one

350

00:15:46,730 --> 00:15:42,420

of the things that we contend excuse me

351

00:15:50,570 --> 00:15:46,740

is that the stories we have these most

352

00:15:53,330 --> 00:15:50,580

ancient of legends aren't our stories

353

00:15:56,510 --> 00:15:53,340

about the gods but actually the gods

354

00:15:59,060 --> 00:15:56,520

telling us their stories their own

355

00:16:02,150 --> 00:15:59,070

history you know it you know and there's

356

00:16:06,020 --> 00:16:02,160

a number of reasons why that we think

357

00:16:11,060 --> 00:16:06,030

are supported when you look at myths

358

00:16:14,540 --> 00:16:11,070

where mankind is involved jason and the

359

00:16:19,780 --> 00:16:14,550

argonauts or you know any of the stories

360

00:16:25,580 --> 00:16:23,060

when this when they talk about when the

361

00:16:27,410 --> 00:16:25,590

narrator talks about the gods they're

362

00:16:30,020 --> 00:16:27,420

always separate they're always on Mount

363

00:16:32,500 --> 00:16:30,030

Olympus and when humankind interacts

364

00:16:36,500 --> 00:16:32,510

with them they're always in this

365

00:16:39,710 --> 00:16:36,510

subservient kind of position you know or

366

00:16:42,170 --> 00:16:39,720

you look at the like the beta is in

367

00:16:44,300 --> 00:16:42,180

India you know they're praying to the

368

00:16:46,850 --> 00:16:44,310

gods it's like oh god please make

369

00:16:49,730 --> 00:16:46,860

migraine go good you know kind of like

370

00:16:53,060 --> 00:16:49,740

we pray today you know hoping for Sal

371

00:16:55,790 --> 00:16:53,070

nation from the gods but when you look

372

00:16:58,250 --> 00:16:55,800

at these earliest stories the narrative

373

00:17:01,160 --> 00:16:58,260

isn't that way the person telling the

374

00:17:04,720 --> 00:17:01,170

story is just right there in the middle

375

00:17:08,270 --> 00:17:04,730

of the action and he doesn't have this

376

00:17:11,420 --> 00:17:08,280

positioning of awe and veneration toward

377

00:17:14,060 --> 00:17:11,430

the gods and you know the stories that

378

00:17:16,240 --> 00:17:14,070

come from this earliest period the gods

379

00:17:20,150 --> 00:17:16,250

are represented as being really pretty

380

00:17:22,400 --> 00:17:20,160

pretty awful you know they're killing

381

00:17:25,010 --> 00:17:22,410

each other and conspiring against each

382

00:17:28,040 --> 00:17:25,020

other in destroying worlds and the

383

00:17:30,800 --> 00:17:28,050

narrator isn't really even shocked by

384

00:17:34,130 --> 00:17:30,810

their bad behavior you know and the only

385

00:17:37,880 --> 00:17:34,140

way that you could see that as being

386

00:17:42,500 --> 00:17:37,890

okay is if that was part of your culture

387

00:17:44,570 --> 00:17:42,510

and an analogy I like to make is you

388

00:17:49,310 --> 00:17:44,580

know if you're a member of a criminal

389

00:17:51,770 --> 00:17:49,320

gang you know in in East LA or Harlem or

390

00:17:54,260 --> 00:17:51,780

you know wherever they hang out and

391

00:17:55,670 --> 00:17:54,270

you're writing about your life you know

392

00:17:58,130 --> 00:17:55,680

and the activities that are happening

393

00:18:01,220 --> 00:17:58,140

around you you know ah you know there

394

00:18:02,390 --> 00:18:01,230

was a drive-by shooting yesterday casual

395

00:18:04,870 --> 00:18:02,400

you know yeah

396

00:18:08,510 --> 00:18:04,880

but that's how those stories are

397

00:18:11,060 --> 00:18:08,520

presented as oh yeah there was a tripod

398

00:18:14,300 --> 00:18:11,070

you know the the Crips went after the

399

00:18:16,160 --> 00:18:14,310

Bloods and and and these guys and one of

400

00:18:18,010 --> 00:18:16,170

the Crips over here was like doing you

401
00:18:20,540 --> 00:18:18,020
know that's how those stories read

402
00:18:22,010 --> 00:18:20,550
absolutely agree going to Catholic

403
00:18:23,960 --> 00:18:22,020
school growing up reading the Bible I

404
00:18:25,490 --> 00:18:23,970
thought death was handled so casually

405
00:18:27,500 --> 00:18:25,500
you know killing people left and right I

406
00:18:30,020 --> 00:18:27,510
want to throw this [h__\h] to the Lions

407
00:18:31,490 --> 00:18:30,030
I want you to kill your kid you know I

408
00:18:34,700 --> 00:18:31,500
got plagues coming out to everybody

409
00:18:37,720 --> 00:18:34,710
sacrificing their firstborn crosses you

410
00:18:42,200 --> 00:18:37,730
know death is so casual in the Bible I

411
00:18:45,320 --> 00:18:42,210
just want to know when in our history in

412
00:18:50,510 --> 00:18:45,330
mankind's history did God go from being

413
00:18:54,050 --> 00:18:50,520

this like mean you know bump everybody

414

00:18:57,380 --> 00:18:54,060

off kind of person to he's a kind and

415

00:18:59,390 --> 00:18:57,390

loving God well yeah see that's the

416

00:19:02,510 --> 00:18:59,400

point right there that I think Catholics

417

00:19:03,859 --> 00:19:02,520

decided to use their religion for

418

00:19:06,019 --> 00:19:03,869

control through

419

00:19:07,729 --> 00:19:06,029

it seems like that was the time where

420

00:19:09,919 --> 00:19:07,739

they Rinna went around stamping out

421

00:19:12,229 --> 00:19:09,929

other religions anything pagan became

422

00:19:13,219 --> 00:19:12,239

satanic and were taught in school that

423

00:19:16,190 --> 00:19:13,229

they were just spreading their religion

424

00:19:18,200 --> 00:19:16,200

but they were rewriting history by force

425

00:19:20,719 --> 00:19:18,210

killing anyone who wouldn't accept this

426

00:19:22,269 --> 00:19:20,729

newly designed control framework that to

427

00:19:25,279 --> 00:19:22,279

me is why there's such an emphasis on

428

00:19:26,930 --> 00:19:25,289

record destroying that's the one that I

429

00:19:28,729 --> 00:19:26,940

remember from school is everywhere they

430

00:19:30,710 --> 00:19:28,739

came through just destroy those records

431

00:19:31,820 --> 00:19:30,720

I mean that's something you need to do

432

00:19:34,489 --> 00:19:31,830

if you were trying to rewrite their

433

00:19:38,180 --> 00:19:34,499

history and then you make God a jealous

434

00:19:40,279 --> 00:19:38,190

angry power-hungry monster and then you

435

00:19:42,710 --> 00:19:40,289

I make forced people to try to identify

436

00:19:46,159 --> 00:19:42,720

with that creating a huge internal

437

00:19:48,200 --> 00:19:46,169

conflict and creating an excuse for bad

438

00:19:51,799 --> 00:19:48,210

behavior well you know that's what we

439

00:19:54,710 --> 00:19:51,809

reward in this society and to me that

440

00:19:57,289 --> 00:19:54,720

was more about that oh I I totally agree

441

00:20:01,029 --> 00:19:57,299

I mean fortunately you know there are

442

00:20:04,129 --> 00:20:01,039

still some ancient sources that are left

443

00:20:08,229 --> 00:20:04,139

you know that have come down to us but

444

00:20:11,210 --> 00:20:08,239

then we get a certain amount of

445

00:20:13,129 --> 00:20:11,220

literature you know from the Americas

446

00:20:15,259 --> 00:20:13,139

that were written down by the early

447

00:20:18,109 --> 00:20:15,269

Spanish chroniclers which are my

448

00:20:23,330 --> 00:20:18,119

favorite I love these guys because they

449

00:20:25,249 --> 00:20:23,340

are so prejudiced no I'm talking and can

450

00:20:28,839 --> 00:20:25,259

I just read you this one little portion

451
00:20:31,580 --> 00:20:28,849
yeah yes in in this in this one passage

452
00:20:33,710 --> 00:20:31,590
one you can see that the myth that

453
00:20:36,219 --> 00:20:33,720
they're talking about was actually part

454
00:20:39,560 --> 00:20:36,229
of their cosmology because this

455
00:20:42,979 --> 00:20:39,570
chronicler has such a level of disbelief

456
00:20:45,259 --> 00:20:42,989
in in the narrative he's hearing and so

457
00:20:47,930 --> 00:20:45,269
this is this is like one of my favorite

458
00:20:50,029 --> 00:20:47,940
passages according to the most certain

459
00:20:52,159 --> 00:20:50,039
and true opinion there could not have

460
00:20:54,560 --> 00:20:52,169
been inhabitants in this land before the

461
00:20:57,769 --> 00:20:54,570
universal deluge for it is certain that

462
00:20:59,899 --> 00:20:57,779
all men sprang from our Father Adam and

463
00:21:02,599 --> 00:20:59,909

that in the period between Adam and Noah

464

00:21:05,149 --> 00:21:02,609

so wide a dispersal could not have taken

465

00:21:07,399 --> 00:21:05,159

place how is it possible that these

466

00:21:09,560 --> 00:21:07,409

Indians could have any knowledge of the

467

00:21:12,259 --> 00:21:09,570

deluge yeah Wow

468

00:21:15,649 --> 00:21:12,269

you know which says to me they have a

469

00:21:17,570 --> 00:21:15,659

flood story yeah you know and it must

470

00:21:20,540 --> 00:21:17,580

have sounded pretty much like

471

00:21:24,110 --> 00:21:20,550

Christian story because this guy doesn't

472

00:21:25,340 --> 00:21:24,120

believe them well yeah I mean it backs

473

00:21:27,290 --> 00:21:25,350

up what I was saying before but also

474

00:21:29,000 --> 00:21:27,300

that sounds like the same kind of [h__h]

475

00:21:32,960 --> 00:21:29,010

Sean Hannity's putting out today you

476

00:21:35,180 --> 00:21:32,970

know everyone is so cocksure so pompous

477

00:21:36,920 --> 00:21:35,190

so sure that the stuff they've been

478

00:21:38,600 --> 00:21:36,930

brainwashed with must be the truth and

479

00:21:42,260 --> 00:21:38,610

that's why I'm not really sure of

480

00:21:46,180 --> 00:21:42,270

[h__h] anything Oh me either you know

481

00:21:48,530 --> 00:21:46,190

and what I find interesting is that

482

00:21:50,450 --> 00:21:48,540

there are so many people and you know

483

00:21:52,430 --> 00:21:50,460

please don't send any mean cards or

484

00:21:54,320 --> 00:21:52,440

letters anybody that's listening but

485

00:21:57,880 --> 00:21:54,330

there are so many people that feel a

486

00:22:03,700 --> 00:21:57,890

need to hang on to the biblical text to

487

00:22:06,440 --> 00:22:03,710

justify biblical tacks through myth that

488

00:22:09,350 --> 00:22:06,450

it just doesn't work I mean one of the

489

00:22:11,600 --> 00:22:09,360

things that we did was we put our Bible

490

00:22:14,300 --> 00:22:11,610

and our preconceived notions to the side

491

00:22:20,360 --> 00:22:14,310

because there was no way to allow the

492

00:22:22,850 --> 00:22:20,370

myths to talk if we were going to try to

493

00:22:24,350 --> 00:22:22,860

prove something else we didn't go in

494

00:22:28,790 --> 00:22:24,360

trying to prove anything

495

00:22:29,840 --> 00:22:28,800

we went in trying to just uncover what

496

00:22:33,590 --> 00:22:29,850

were they saying

497

00:22:36,140 --> 00:22:33,600

what what is our history without bias

498

00:22:38,810 --> 00:22:36,150

and let me tell you we there were areas

499

00:22:42,770 --> 00:22:38,820

that we thought you know we were gonna

500

00:22:45,110 --> 00:22:42,780

go and it turned around that that was

501
00:22:48,710 --> 00:22:45,120
not what the myth set period it was like

502
00:22:51,680 --> 00:22:48,720
hmm yeah well let's get into these myths

503
00:22:54,020 --> 00:22:51,690
let's go back to before humans because a

504
00:22:56,120 --> 00:22:54,030
big part of the old stories is genetic

505
00:22:58,880 --> 00:22:56,130
manipulation and the creation of humans

506
00:23:00,920 --> 00:22:58,890
let's talk about that who created us how

507
00:23:03,050 --> 00:23:00,930
did they get here where did they come

508
00:23:05,780 --> 00:23:03,060
from and where do these stories come

509
00:23:08,450 --> 00:23:05,790
from you know what's the deal well you

510
00:23:11,750 --> 00:23:08,460
know I the stories I think came from the

511
00:23:14,870 --> 00:23:11,760
gods you know that they told us there

512
00:23:19,570 --> 00:23:14,880
are multiple chat or multiple texts that

513
00:23:25,400 --> 00:23:21,910

one of the things that you find is that

514

00:23:27,320 --> 00:23:25,410

there were actually multiple instances

515

00:23:29,240 --> 00:23:27,330

you know and I'm just kind of

516

00:23:31,470 --> 00:23:29,250

summarizing and you know the conclusion

517

00:23:33,870 --> 00:23:31,480

I've come to based on this

518

00:23:36,509 --> 00:23:33,880

we offer everyone to make their own

519

00:23:38,700 --> 00:23:36,519

conclusions reading the material but

520

00:23:41,009 --> 00:23:38,710

this is the conclusion that we have come

521

00:23:43,110 --> 00:23:41,019

to is that there have been multiple

522

00:23:46,110 --> 00:23:43,120

rounds of genetic engineering that have

523

00:23:48,840 --> 00:23:46,120

happened with mankind being the most

524

00:23:51,149 --> 00:23:48,850

recent round of genetic engineering that

525

00:23:53,299 --> 00:23:51,159

happened you know but the narratives

526

00:24:00,600 --> 00:23:53,309

tell us that the gods created mankind

527

00:24:05,060 --> 00:24:00,610

and they you know we were not the you

528

00:24:07,919 --> 00:24:05,070

know first and only iteration we find in

529

00:24:11,460 --> 00:24:07,929

like in the Popol Vuh that comes out of

530

00:24:14,039 --> 00:24:11,470

Mesoamerica that there were multiple

531

00:24:16,649 --> 00:24:14,049

creations they made one man out of mud

532

00:24:19,769 --> 00:24:16,659

and when it rained he he disintegrated

533

00:24:22,019 --> 00:24:19,779

and they they made another man out of

534

00:24:23,940 --> 00:24:22,029

sticks but he was really stupid and so

535

00:24:26,340 --> 00:24:23,950

they got rid of him you know and then

536

00:24:29,580 --> 00:24:26,350

finally they decided to use corn to make

537

00:24:32,909 --> 00:24:29,590

mankind and they made mankind using four

538

00:24:36,450 --> 00:24:32,919

different color corn white red black and

539

00:24:39,320 --> 00:24:36,460

yellow kinda interesting thinking about

540

00:24:41,909 --> 00:24:39,330

the demographics on the planet yeah

541

00:24:44,490 --> 00:24:41,919

especially when you consider what we're

542

00:24:46,919 --> 00:24:44,500

told about civilization at the time they

543

00:24:48,330 --> 00:24:46,929

couldn't have traveled around the globe

544

00:24:49,830 --> 00:24:48,340

they couldn't have known all the races

545

00:24:52,560 --> 00:24:49,840

on the planet how do they nail down all

546

00:24:53,789 --> 00:24:52,570

the different races without that

547

00:24:56,070 --> 00:24:53,799

knowledge without cross-continental

548

00:24:59,070 --> 00:24:56,080

travel you know well that's because it

549

00:25:06,509 --> 00:24:59,080

was just corn it wasn't you know races

550

00:25:08,639 --> 00:25:06,519

right I'm being ridiculous right but but

551
00:25:10,889 --> 00:25:08,649
then you look at like the Sumerian text

552
00:25:13,200 --> 00:25:10,899
and they talk about again multiple

553
00:25:16,789 --> 00:25:13,210
creations and you know one of them

554
00:25:19,110 --> 00:25:16,799
couldn't stand up by himself one of them

555
00:25:22,139 --> 00:25:19,120
urinated you know couldn't hold its

556
00:25:24,450 --> 00:25:22,149
urine they made a female one that was

557
00:25:27,060 --> 00:25:24,460
not able to conceive and they went

558
00:25:31,860 --> 00:25:27,070
through six or seven different versions

559
00:25:33,600 --> 00:25:31,870
of man until we were finally created you

560
00:25:36,810 --> 00:25:33,610
know so there's a pretty consistent

561
00:25:39,240 --> 00:25:36,820
storyline of these multiple creations

562
00:25:44,759 --> 00:25:39,250
around the world and why do you think

563
00:25:45,390 --> 00:25:44,769

they created man as a slave race I like

564

00:25:48,390 --> 00:25:45,400

to use

565

00:25:51,840 --> 00:25:48,400

different word gentler word you know I

566

00:25:54,660 --> 00:25:51,850

believe that mankind is a domesticated

567

00:25:59,220 --> 00:25:54,670

race now when you're domesticated you

568

00:26:03,390 --> 00:25:59,230

work you know like we have horses are

569

00:26:05,970 --> 00:26:03,400

domesticated donkeys are domesticated

570

00:26:09,900 --> 00:26:05,980

camels are domesticated and they are

571

00:26:12,180 --> 00:26:09,910

domesticated work animals now thank God

572

00:26:14,070 --> 00:26:12,190

we're like not domesticated to have for

573

00:26:19,170 --> 00:26:14,080

lunch right I just don't really want to

574

00:26:22,080 --> 00:26:19,180

be an alien burger but I you know and so

575

00:26:25,590 --> 00:26:22,090

slave kind of a strong word

576
00:26:28,890 --> 00:26:25,600
but a domesticated work animal yeah I

577
00:26:31,140 --> 00:26:28,900
think so hmm I think so that could

578
00:26:33,690 --> 00:26:31,150
really describe us today still well we

579
00:26:36,900 --> 00:26:33,700
have such a strong work ethic you know

580
00:26:40,770 --> 00:26:36,910
we you look at like dogs and there are

581
00:26:44,670 --> 00:26:40,780
certain dogs that are bred to herd

582
00:26:49,470 --> 00:26:44,680
animals or hunt you know chase after

583
00:26:52,440 --> 00:26:49,480
birds or whatever and a friend of mine

584
00:26:54,630 --> 00:26:52,450
has had this one dog there you know we I

585
00:26:58,710 --> 00:26:54,640
have a little dog you know I'm always

586
00:27:01,790 --> 00:26:58,720
telling dog stories anyway and so it was

587
00:27:05,400 --> 00:27:01,800
a Sheltie which is a hurting dog and

588
00:27:06,810 --> 00:27:05,410

when her kids were young if she wanted

589

00:27:11,040 --> 00:27:06,820

one of the kids to come over the dog

590

00:27:14,370 --> 00:27:11,050

would go and heard the kids over because

591

00:27:18,810 --> 00:27:14,380

it's just bread into it and we as humans

592

00:27:20,640 --> 00:27:18,820

are so bred to work if we're not busy

593

00:27:24,960 --> 00:27:20,650

doing something we feel like there's

594

00:27:27,240 --> 00:27:24,970

something wrong yeah but it's true

595

00:27:29,190 --> 00:27:27,250

no right there's plenty of people that

596

00:27:30,270 --> 00:27:29,200

think if people aren't busy doing

597

00:27:32,460 --> 00:27:30,280

something then there's something wrong

598

00:27:37,800 --> 00:27:32,470

especially if your last name's

599

00:27:40,080 --> 00:27:37,810

Rothschild yeah well from these stories

600

00:27:42,330 --> 00:27:40,090

you know you push back human history far

601
00:27:43,710 --> 00:27:42,340
further than the conventional I think

602
00:27:48,150 --> 00:27:43,720
the number is one point five to three

603
00:27:51,270 --> 00:27:48,160
million years ago in the book right

604
00:27:53,520 --> 00:27:51,280
correct well which text were you reading

605
00:27:54,810 --> 00:27:53,530
that got you to that timeframe

606
00:27:56,670 --> 00:27:54,820
I know these stories came from the

607
00:27:58,860 --> 00:27:56,680
creator race but where would someone go

608
00:28:02,299 --> 00:27:58,870
what could they read to study the

609
00:28:05,640 --> 00:28:02,309
source material if they were interested

610
00:28:09,870 --> 00:28:05,650
well one of the things that we did was

611
00:28:15,060 --> 00:28:09,880
look at the mythology and then go where

612
00:28:17,160 --> 00:28:15,070
does that place us in you know human

613
00:28:18,750 --> 00:28:17,170

evolution of what we know of human

614

00:28:20,880 --> 00:28:18,760

evolution I mean there are a lot of

615

00:28:23,010 --> 00:28:20,890

authors that say oh well there was the

616

00:28:25,049 --> 00:28:23,020

alien intervention-- it like 40,000

617

00:28:27,150 --> 00:28:25,059

years ago or a hundred thousand years

618

00:28:30,330 --> 00:28:27,160

ago you know I mean they they throw a

619

00:28:34,140 --> 00:28:30,340

bunch of dates out but when you look at

620

00:28:36,330 --> 00:28:34,150

some of the myths for example there is

621

00:28:38,880 --> 00:28:36,340

the story of Prometheus the very famous

622

00:28:42,980 --> 00:28:38,890

story of Prometheus and Prometheus gives

623

00:28:46,650 --> 00:28:42,990

mankind fire and because of his

624

00:28:48,810 --> 00:28:46,660

digression he is changeful rock and

625

00:28:51,060 --> 00:28:48,820

every night and eel comes and eats his

626
00:28:53,640 --> 00:28:51,070
liver which grows back the net you know

627
00:28:56,669 --> 00:28:53,650
by the next day so that that you can

628
00:29:00,960 --> 00:28:56,679
come and eat it again

629
00:29:05,220 --> 00:29:00,970
and so 40,000 years ago we definitely

630
00:29:08,580 --> 00:29:05,230
had fire a hundred thousand years ago we

631
00:29:11,669 --> 00:29:08,590
had fire and so our thinking because

632
00:29:14,880 --> 00:29:11,679
there is this common narrative of the

633
00:29:17,850 --> 00:29:14,890
gods miscellaneous ones around the world

634
00:29:21,810 --> 00:29:17,860
of the gods giving us fire so our

635
00:29:24,270 --> 00:29:21,820
thought was well when did we have

636
00:29:27,540 --> 00:29:24,280
control of fire or when were we using

637
00:29:29,250 --> 00:29:27,550
fire you know maybe not making it

638
00:29:31,980 --> 00:29:29,260

because we know that was a later

639

00:29:34,320 --> 00:29:31,990

development but using it in a controlled

640

00:29:37,260 --> 00:29:34,330

way because there's evidence of mankind

641

00:29:39,419 --> 00:29:37,270

using fire in a controlled way and that

642

00:29:43,530 --> 00:29:39,429

took us back to about you know between

643

00:29:46,260 --> 00:29:43,540

1.5 million years ago and 3 million

644

00:29:48,690 --> 00:29:46,270

years ago you know one of the other line

645

00:29:52,410 --> 00:29:48,700

in myth is that they gave us tools to

646

00:29:57,750 --> 00:29:52,420

work with and you know the earliest tool

647

00:30:00,120 --> 00:29:57,760

users were home was Homo habilis he was

648

00:30:03,120 --> 00:30:00,130

3 million years ago you know and there

649

00:30:07,640 --> 00:30:03,130

and and right around that same time in

650

00:30:11,070 --> 00:30:07,650

between Homo habilis and Homo erectus

651

00:30:14,130 --> 00:30:11,080

tied to that are a number of genetic

652

00:30:18,160 --> 00:30:14,140

changes that also happen

653

00:30:21,880 --> 00:30:18,170

until when we get to Homo erectus it's

654

00:30:25,030 --> 00:30:21,890

kind of like the all of the major

655

00:30:27,580 --> 00:30:25,040

changes we're walking completely upright

656

00:30:29,650 --> 00:30:27,590

we you know our toes are in alignment we

657

00:30:32,410 --> 00:30:29,660

don't have a big toe that sticks out to

658

00:30:35,740 --> 00:30:32,420

the side anymore we don't have any hair

659

00:30:39,430 --> 00:30:35,750

anymore we are starting to live in small

660

00:30:43,390 --> 00:30:39,440

cultural groups we are live you know

661

00:30:46,270 --> 00:30:43,400

building little tents or houses to stay

662

00:30:49,480 --> 00:30:46,280

in temporary shelters which are the very

663

00:30:53,080 --> 00:30:49,490

beginnings of culture and then there was

664

00:30:57,040 --> 00:30:53,090

one little egg Matic text that I thought

665

00:31:01,210 --> 00:30:57,050

was very interesting in the Bible when

666

00:31:04,720 --> 00:31:01,220

God cakes Adam and Eve out of Eden God

667

00:31:08,020 --> 00:31:04,730

makes them clothes out of animal hair

668

00:31:09,970 --> 00:31:08,030

animal skins to wear and so if we're

669

00:31:12,970 --> 00:31:09,980

talking about a more contemporary time

670

00:31:17,440 --> 00:31:12,980

for even Adam and Eve we weren't wearing

671

00:31:21,160 --> 00:31:17,450

animal skins mm-hmm yeah you know and so

672

00:31:26,140 --> 00:31:21,170

but the animal skins fit in with that

673

00:31:27,580 --> 00:31:26,150

Homo erectus time period yeah you know

674

00:31:30,070 --> 00:31:27,590

that's what's so interesting and awesome

675

00:31:32,320 --> 00:31:30,080

about these old texts and myths is that

676

00:31:34,330 --> 00:31:32,330

were taught that they're just stories

677

00:31:36,520 --> 00:31:34,340

but when you lay them out on the

678

00:31:38,020 --> 00:31:36,530

timeline there they might show a little

679

00:31:41,560 --> 00:31:38,030

bit of truth I mean I just finished

680

00:31:42,910 --> 00:31:41,570

Philip Coppins new book and he talks

681

00:31:44,500 --> 00:31:42,920

about the Iliad in the Odyssey that's

682

00:31:47,260 --> 00:31:44,510

this example and for so many years

683

00:31:49,840 --> 00:31:47,270

people thought Homer was just making up

684

00:31:52,600 --> 00:31:49,850

stories but they found some geographical

685

00:31:54,220 --> 00:31:52,610

evidence and locations that fit the

686

00:31:56,590 --> 00:31:54,230

descriptions of Homer and you know we

687

00:31:58,030 --> 00:31:56,600

figured out Troy was a real place and so

688

00:32:00,130 --> 00:31:58,040

you wonder how much of it is just an

689

00:32:01,570 --> 00:32:00,140

historical account mm-hmm but then you

690

00:32:02,890 --> 00:32:01,580

got other parts of the stories that get

691

00:32:05,740 --> 00:32:02,900

really weird with a guy getting his

692

00:32:07,810 --> 00:32:05,750

liver eaten out every day and you just

693

00:32:10,570 --> 00:32:07,820

got to say yeah I guess I took some

694

00:32:12,910 --> 00:32:10,580

poetic license with that one but

695

00:32:17,650 --> 00:32:12,920

Prometheus was a God and so he was

696

00:32:20,440 --> 00:32:17,660

immortal well okay you know when I'm

697

00:32:23,830 --> 00:32:20,450

hearing the word gods in this context

698

00:32:25,690 --> 00:32:23,840

I'm just thinking humanoid alien is I

699

00:32:26,690 --> 00:32:25,700

mean you know humanoid beings that came

700

00:32:28,930 --> 00:32:26,700

here in the past

701

00:32:31,310 --> 00:32:28,940

is that not what we're talking about

702

00:32:34,789 --> 00:32:31,320

well I think that the original

703

00:32:36,710 --> 00:32:34,799

progenitor gods that came here you know

704

00:32:39,619 --> 00:32:36,720

which goes back even further than the

705

00:32:42,019 --> 00:32:39,629

three million years ago were definitely

706

00:32:45,349 --> 00:32:42,029

alien you know they they can you know it

707

00:32:47,930 --> 00:32:45,359

seems pretty clear to me at least that

708

00:32:51,529 --> 00:32:47,940

they came in some kind of a ship but

709

00:32:55,549 --> 00:32:51,539

from that annal group there have been a

710

00:32:57,200 --> 00:32:55,559

number of - saharan count here you know

711

00:32:59,960 --> 00:32:57,210

- other groups

712

00:33:02,119 --> 00:32:59,970

prior to mankind that we believe were

713

00:33:05,299 --> 00:33:02,129

genetically engineered by this

714

00:33:11,419 --> 00:33:05,309

progenitor group with mankind being the

715

00:33:14,960 --> 00:33:11,429

final group and so are they alien not so

716

00:33:16,430 --> 00:33:14,970

much but are they human no I you know

717

00:33:18,889 --> 00:33:16,440

that's like no capital letters

718

00:33:22,399 --> 00:33:18,899

underlined exclamation point they were

719

00:33:24,310 --> 00:33:22,409

definitely not human right are you we

720

00:33:26,509 --> 00:33:24,320

talking like a transdimensional

721

00:33:28,519 --> 00:33:26,519

multi-dimensional being like beings of

722

00:33:33,440 --> 00:33:28,529

light that kind of I mean really hard to

723

00:33:36,169 --> 00:33:33,450

say you know one of the later groups

724

00:33:37,369 --> 00:33:36,179

that were created actually three groups

725

00:33:39,919 --> 00:33:37,379

oh I'm gonna take that back there were

726

00:33:42,080 --> 00:33:39,929

three groups prior to man one of the

727

00:33:44,389 --> 00:33:42,090

groups that was created were the Giants

728

00:33:46,489 --> 00:33:44,399

now they're in mythology there are two

729

00:33:48,649 --> 00:33:46,499

sets of giants there are the titan

730

00:33:50,509 --> 00:33:48,659

giants which you know i like to joke

731

00:33:52,489 --> 00:33:50,519

around you know they're big like they

732

00:33:57,139 --> 00:33:52,499

can pick you up and bite your head off

733

00:34:00,919 --> 00:33:57,149

big they were giants you know and then

734

00:34:03,310 --> 00:34:00,929

there were the 7 to 9 foot 12 foot

735

00:34:05,840 --> 00:34:03,320

giants that we're hearing a lot about

736

00:34:08,419 --> 00:34:05,850

these days you know and they're finding

737

00:34:11,419 --> 00:34:08,429

bones but they were much more recent you

738

00:34:14,839 --> 00:34:11,429

know they were around during this period

739

00:34:17,659 --> 00:34:14,849

of Adam and Eve and the flood and you

740

00:34:21,109 --> 00:34:17,669

know they got annihilated during the

741

00:34:23,299 --> 00:34:21,119

flood and I loved how so many multiple

742

00:34:25,789 --> 00:34:23,309

cultures have flood stories stories of

743

00:34:27,770 --> 00:34:25,799

battles in the sky stuff like that but

744

00:34:31,369 --> 00:34:27,780

it gets real hazy for me because it's

745

00:34:33,020 --> 00:34:31,379

never really laid out in a timeline so

746

00:34:35,329 --> 00:34:33,030

let's say you got this first group of

747

00:34:38,210 --> 00:34:35,339

aliens who come here they start trying

748

00:34:39,000 --> 00:34:38,220

to create a worker race a domesticated

749

00:34:41,430 --> 00:34:39,010

man and they end up

750

00:34:44,040 --> 00:34:41,440

making us what's next they start

751
00:34:45,690 --> 00:34:44,050
entering our women mating with the women

752
00:34:48,210 --> 00:34:45,700
they find fair is that the next

753
00:34:51,629 --> 00:34:48,220
milestone the next bullet point in the

754
00:34:53,190 --> 00:34:51,639
story okay so they make us so we have

755
00:34:56,850 --> 00:34:53,200
like the Adam and Eve story and they're

756
00:34:58,590 --> 00:34:56,860
kicked out of Eden okay okay and you

757
00:35:02,580 --> 00:34:58,600
know it now and I'll just use the

758
00:35:04,410 --> 00:35:02,590
biblical narrative here because so you

759
00:35:06,800 --> 00:35:04,420
know there were people that were on the

760
00:35:09,510 --> 00:35:06,810
land and you know this isn't just

761
00:35:11,850 --> 00:35:09,520
biblical but the gods are getting pissed

762
00:35:15,300 --> 00:35:11,860
off because they're not worshipping them

763
00:35:18,710 --> 00:35:15,310

or venerating them in the way that they

764

00:35:21,780 --> 00:35:18,720

wanted they were really picky about that

765

00:35:24,900 --> 00:35:21,790

you know in the biblical narrative the

766

00:35:27,510 --> 00:35:24,910

reason of the flood is because the sons

767

00:35:33,360 --> 00:35:27,520

of gods made it with the daughters of

768

00:35:36,420 --> 00:35:33,370

men and you know brought forth the men

769

00:35:38,310 --> 00:35:36,430

of renown now I just want to like throw

770

00:35:43,140 --> 00:35:38,320

this out there because there are a lot

771

00:35:46,410 --> 00:35:43,150

of people that claim that the offspring

772

00:35:50,190 --> 00:35:46,420

of the sons of God and the daughters of

773

00:35:55,040 --> 00:35:50,200

men are the Nephilim they are the Giants

774

00:35:58,250 --> 00:35:55,050

and I highly highly highly disagree

775

00:36:01,290 --> 00:35:58,260

because if you read the the narrative

776
00:36:04,320 --> 00:36:01,300
you know what I was talking about just a

777
00:36:07,740 --> 00:36:04,330
second ago earlier was that the Giants

778
00:36:10,410 --> 00:36:07,750
the Earthborn the Nephilim were in

779
00:36:13,320 --> 00:36:10,420
existence prior to the creation of Adam

780
00:36:16,380 --> 00:36:13,330
and Eve so if you read the line in those

781
00:36:19,410 --> 00:36:16,390
days the Nephilim walked the earth you

782
00:36:21,690 --> 00:36:19,420
know the answer would be yes in those

783
00:36:24,660 --> 00:36:21,700
days the Nephilim walked the earth and

784
00:36:28,200 --> 00:36:24,670
so how could a group that was already in

785
00:36:30,000 --> 00:36:28,210
existence be born out of the torrid

786
00:36:33,180 --> 00:36:30,010
relationship between the sons of God and

787
00:36:35,670 --> 00:36:33,190
the daughters of men true okay now okay

788
00:36:37,950 --> 00:36:35,680

however well sorry but how did the

789

00:36:40,950 --> 00:36:37,960

Nephilim get here were they already they

790

00:36:45,300 --> 00:36:40,960

were already here oh they were in Greek

791

00:36:47,460 --> 00:36:45,310

mythology the Earthborn were born of the

792

00:36:50,160 --> 00:36:47,470

blood of the castrated you're honest

793

00:36:51,800 --> 00:36:50,170

that fell on the earth oh my god you

794

00:36:54,410 --> 00:36:51,810

know so they were yet another

795

00:36:56,240 --> 00:36:54,420

ethically manipulated group you know one

796

00:37:00,050 --> 00:36:56,250

of the things that we believe is that

797

00:37:02,120 --> 00:37:00,060

the the earlier gods the Titan gods the

798

00:37:06,200 --> 00:37:02,130

giant giant gods and the other ones that

799

00:37:08,450 --> 00:37:06,210

came before them we're not able to live

800

00:37:11,060 --> 00:37:08,460

on the surface of the planet that there

801
00:37:13,700 --> 00:37:11,070
was some issue you know we think it

802
00:37:17,960 --> 00:37:13,710
might have been something having to do

803
00:37:19,970 --> 00:37:17,970
with ultraviolet radiation but they did

804
00:37:22,190 --> 00:37:19,980
not live on the surface because all of

805
00:37:25,610 --> 00:37:22,200
the stories refer to them living in the

806
00:37:28,550 --> 00:37:25,620
sky living deep beneath the water or

807
00:37:32,570 --> 00:37:28,560
living deep within the earth and there

808
00:37:35,780 --> 00:37:32,580
really aren't stories of those earlier

809
00:37:38,930 --> 00:37:35,790
gods walking on the surface of the

810
00:37:41,090 --> 00:37:38,940
planet yeah that's an interesting aspect

811
00:37:43,880 --> 00:37:41,100
because a big criticism of the alien

812
00:37:45,950 --> 00:37:43,890
conspiracies of today is you've got

813
00:37:47,840 --> 00:37:45,960

these stories of both the good aliens

814

00:37:49,460 --> 00:37:47,850

trying to influence us to take care of

815

00:37:52,610 --> 00:37:49,470

each other and the planet from behind

816

00:37:55,250 --> 00:37:52,620

the scenes and also the evil David Icke

817

00:37:57,860 --> 00:37:55,260

II and reptile aliens and slave control

818

00:37:59,720 --> 00:37:57,870

and reign over us also from the shadows

819

00:38:01,400 --> 00:37:59,730

so it is interesting that even in the

820

00:38:03,170 --> 00:38:01,410

old text they weren't just out in the

821

00:38:05,750 --> 00:38:03,180

open all that much seems to be a common

822

00:38:07,310 --> 00:38:05,760

thread that's been going on for a while

823

00:38:09,920 --> 00:38:07,320

now mm-hmm

824

00:38:13,100 --> 00:38:09,930

well and it was interesting I've already

825

00:38:16,400 --> 00:38:13,110

have two pages of notes for a revised

826

00:38:18,440 --> 00:38:16,410

and expanded edition because I'll be

827

00:38:21,350 --> 00:38:18,450

talking to someone or be in the middle

828

00:38:23,540 --> 00:38:21,360

of an interview and you know someone

829

00:38:26,480 --> 00:38:23,550

will throw something out like well have

830

00:38:29,510 --> 00:38:26,490

you heard this and I'm like hmm no but

831

00:38:32,840 --> 00:38:29,520

let me make a note so I can go research

832

00:38:36,140 --> 00:38:32,850

it because you know we took it as far as

833

00:38:38,600 --> 00:38:36,150

we could go but then you get people that

834

00:38:40,490 --> 00:38:38,610

are you know will throw you know like

835

00:38:42,650 --> 00:38:40,500

somebody was saying Edgar Cayce talked

836

00:38:45,920 --> 00:38:42,660

about genetic engineering and Atlantis

837

00:38:48,020 --> 00:38:45,930

which you know I have some beliefs about

838

00:38:50,150 --> 00:38:48,030

the nature of Atlantis in the first

839

00:38:52,070 --> 00:38:50,160

place but that was yet another tie

840

00:38:56,150 --> 00:38:52,080

another parallel from another source

841

00:38:58,400 --> 00:38:56,160

anyway well what do you think about

842

00:39:00,110 --> 00:38:58,410

Atlantis because I've had several guests

843

00:39:01,820 --> 00:39:00,120

talk about their Atlantis theories do

844

00:39:03,710 --> 00:39:01,830

you think it was just a culture that was

845

00:39:05,090 --> 00:39:03,720

slightly more advanced that passed some

846

00:39:07,520 --> 00:39:05,100

of their

847

00:39:09,880 --> 00:39:07,530

knowledge on to the Egyptians because

848

00:39:12,350 --> 00:39:09,890

that seems to be the most common belief

849

00:39:13,880 --> 00:39:12,360

well see you read the book so I think

850

00:39:16,990 --> 00:39:13,890

you're gonna like this I mean obviously

851

00:39:21,110 --> 00:39:17,000

we did not address it in the book right

852

00:39:24,560 --> 00:39:21,120

but this was this was a that the

853

00:39:26,360 --> 00:39:24,570

original thought came from and I'm gonna

854

00:39:28,820 --> 00:39:26,370

give him credit Giorgio zukul oh so I'm

855

00:39:31,910 --> 00:39:28,830

one of the episodes of inches who was

856

00:39:34,640 --> 00:39:31,920

talking about Atlantis and his comment

857

00:39:36,770 --> 00:39:34,650

was when the flood was happening and I'm

858

00:39:38,870 --> 00:39:36,780

not I'm just gonna use what he said but

859

00:39:42,400 --> 00:39:38,880

when the flood was happening you know

860

00:39:46,370 --> 00:39:42,410

Atlantis as opposed to sinking took off

861

00:39:50,720 --> 00:39:46,380

because it wasn't a an island it was a

862

00:39:55,490 --> 00:39:50,730

ship and when he said it I thought well

863

00:39:59,350 --> 00:39:55,500

that's stupid this little ship account

864

00:40:03,200 --> 00:39:59,360

for an island right it just really

865

00:40:04,820 --> 00:40:03,210

didn't yeah it is far-fetched but have

866

00:40:08,690 --> 00:40:04,830

you found any evidence to support that

867

00:40:11,060 --> 00:40:08,700

possibility oh oh no I mean in thinking

868

00:40:15,500 --> 00:40:11,070

about it you know of course after the

869

00:40:18,320 --> 00:40:15,510

fact okay so one of the things that we

870

00:40:21,530 --> 00:40:18,330

learned from mythology is about the home

871

00:40:24,800 --> 00:40:21,540

of the gods you know heaven the home of

872

00:40:27,650 --> 00:40:24,810

the gods and these homes are you know

873

00:40:31,040 --> 00:40:27,660

it's not like you know Zeus has a condo

874

00:40:34,400 --> 00:40:31,050

in heaven you know Zeus has this palace

875

00:40:38,090 --> 00:40:34,410

and all of the other gods have palaces

876

00:40:40,220 --> 00:40:38,100

that are huge and palatial and and there

877

00:40:44,390 --> 00:40:40,230

are trees and there are animals and

878

00:40:47,750 --> 00:40:44,400

there's you know gardens and farms in

879

00:40:50,600 --> 00:40:47,760

heaven in in the Indian text they talk

880

00:40:52,010 --> 00:40:50,610

about these Saba's and the smallest one

881

00:40:54,260 --> 00:40:52,020

without going through this whole thing

882

00:40:57,110 --> 00:40:54,270

the smallest one in American

883

00:41:03,320 --> 00:40:57,120

measurements would be according to the

884

00:41:07,280 --> 00:41:03,330

Mahabharata 300 miles wide by 500 miles

885

00:41:09,620 --> 00:41:07,290

long so it's huge now even if it's

886

00:41:11,480 --> 00:41:09,630

exaggerated they still describe it as

887

00:41:15,350 --> 00:41:11,490

being able to house hundreds of

888

00:41:17,300 --> 00:41:15,360

thousands of people now if one of these

889

00:41:20,180 --> 00:41:17,310

okay so

890

00:41:22,940 --> 00:41:20,190

all right so we have these these ships

891

00:41:25,790 --> 00:41:22,950

or we have heaven now mythology clearly

892

00:41:27,650 --> 00:41:25,800

tells us that these things could go

893

00:41:31,100 --> 00:41:27,660

anywhere they wanted to under the water

894

00:41:32,510 --> 00:41:31,110

in the air at the will of the owner okay

895

00:41:34,850 --> 00:41:32,520

so we got these ships that are going

896

00:41:35,930 --> 00:41:34,860

around but if you think about it take it

897

00:41:37,940 --> 00:41:35,940

to the next step

898

00:41:40,370 --> 00:41:37,950

okay so Atlantis was in the middle of

899

00:41:42,830 --> 00:41:40,380

the ocean so who controls the ocean

900

00:41:45,110 --> 00:41:42,840

Anke controls the ocean he's the god of

901
00:41:47,360 --> 00:41:45,120
water the god of fertility he's

902
00:41:52,610 --> 00:41:47,370
associated with Poseidon the god of the

903
00:41:56,150 --> 00:41:52,620
oceans his home is in the water

904
00:41:59,240 --> 00:41:56,160
Anke is also tied to the creation of

905
00:42:00,980 --> 00:41:59,250
mankind story the little tidbit which

906
00:42:03,230 --> 00:42:00,990
really kind of nailed it even though I

907
00:42:05,800 --> 00:42:03,240
haven't researched it was that Edgar

908
00:42:09,290 --> 00:42:05,810
Cayce talked about genetic engineering

909
00:42:11,780 --> 00:42:09,300
happening in Atlantis while Enki is the

910
00:42:17,060 --> 00:42:11,790
god that was responsible for the genetic

911
00:42:22,970 --> 00:42:17,070
engineering of man huh so could Atlantis

912
00:42:27,440 --> 00:42:22,980
have been Enki's home yeah it is a

913
00:42:29,180 --> 00:42:27,450

possibility it's possible yeah now you

914

00:42:30,530 --> 00:42:29,190

know the two things I always hear are

915

00:42:32,600 --> 00:42:30,540

we're talking about the flood here the

916

00:42:35,360 --> 00:42:32,610

flood story is very prominent but also

917

00:42:36,860 --> 00:42:35,370

the giant battles in the sky the wars in

918

00:42:42,800 --> 00:42:36,870

the sky which one of these things came

919

00:42:45,710 --> 00:42:42,810

first the alien war stories okay so they

920

00:42:50,060 --> 00:42:45,720

created humans then there was this big

921

00:42:52,820 --> 00:42:50,070

power struggle big war happened and then

922

00:42:56,410 --> 00:42:52,830

the flood so how much time passed here

923

00:43:01,010 --> 00:42:56,420

well actually the war happens first and

924

00:43:03,770 --> 00:43:01,020

then they create man oh oh [h__\h] okay

925

00:43:07,400 --> 00:43:03,780

because once mankind like I've just

926
00:43:11,270 --> 00:43:07,410
started reading the Mahabharata and so

927
00:43:15,920 --> 00:43:11,280
I'm not quite sure how that story fits

928
00:43:17,720 --> 00:43:15,930
into what's going on because you know

929
00:43:19,640 --> 00:43:17,730
that's the story where it has all the

930
00:43:21,770 --> 00:43:19,650
ships flying around and all the stuff

931
00:43:24,890 --> 00:43:21,780
going on why you know I'm not really

932
00:43:28,700 --> 00:43:24,900
right and I'm not really sure where that

933
00:43:30,800 --> 00:43:28,710
fits in timewise yet yeah that's where

934
00:43:32,150 --> 00:43:30,810
it gets hazy for me too because I just

935
00:43:34,400 --> 00:43:32,160
try to put this into a time line and

936
00:43:35,810 --> 00:43:34,410
they never really say and of course they

937
00:43:37,130 --> 00:43:35,820
didn't use the same calendar so it's

938
00:43:39,920 --> 00:43:37,140

pretty much impossible for them to say

939

00:43:41,690 --> 00:43:39,930

but after thousands of years it's it's

940

00:43:43,850 --> 00:43:41,700

even harder for us to conceive of

941

00:43:46,700 --> 00:43:43,860

putting this all together but the

942

00:43:48,650 --> 00:43:46,710

majority of the wars that happened

943

00:43:52,370 --> 00:43:48,660

especially when you know the big war the

944

00:43:57,050 --> 00:43:52,380

big war for control between the sky God

945

00:44:00,250 --> 00:43:57,060

and the earth God happened millions of

946

00:44:02,930 --> 00:44:00,260

years ago you know we put it at four I

947

00:44:05,270 --> 00:44:02,940

have to see here and think for a second

948

00:44:07,940 --> 00:44:05,280

four hundred and fifty million years ago

949

00:44:10,070 --> 00:44:07,950

Wow hundred thirty-two million years ago

950

00:44:14,210 --> 00:44:10,080

okay so where does that number come from

951
00:44:16,700 --> 00:44:14,220
because that's such a long time ago well

952
00:44:20,210 --> 00:44:16,710
one of the things that you find is that

953
00:44:22,640 --> 00:44:20,220
there is okay let me just throw this in

954
00:44:25,040 --> 00:44:22,650
so there's the original race of gods the

955
00:44:27,950 --> 00:44:25,050
progenitor gods who create a race of

956
00:44:29,950 --> 00:44:27,960
beings who are the Titans those giants

957
00:44:32,630 --> 00:44:29,960
that can bite your head off and so

958
00:44:36,200 --> 00:44:32,640
they're in control they're in control of

959
00:44:38,980 --> 00:44:36,210
the earth and so another group which is

960
00:44:41,840 --> 00:44:38,990
the sky gods now want to have control

961
00:44:45,620 --> 00:44:41,850
over the earth and this is where we have

962
00:44:49,940 --> 00:44:45,630
this giant war that happens now tied to

963
00:44:51,800 --> 00:44:49,950

this story of an epic battle is you know

964

00:44:55,760 --> 00:44:51,810

one of the things we did was we looked

965

00:44:59,360 --> 00:44:55,770

for commonalities within the narrative

966

00:45:01,880 --> 00:44:59,370

you know there was a flood this period

967

00:45:03,980 --> 00:45:01,890

is known as the Golden Age you know and

968

00:45:07,520 --> 00:45:03,990

and there were these these like tag

969

00:45:11,480 --> 00:45:07,530

lines in narrative and one of the things

970

00:45:13,610 --> 00:45:11,490

that we use to identify this war because

971

00:45:17,780 --> 00:45:13,620

there were multiple Wars

972

00:45:20,210 --> 00:45:17,790

was the tag line that says and then the

973

00:45:24,200 --> 00:45:20,220

gods put the Sun the moon and the stars

974

00:45:28,850 --> 00:45:24,210

into the sky okay so that was that gave

975

00:45:31,400 --> 00:45:28,860

us the placement okay but one of the

976

00:45:34,690 --> 00:45:31,410

things that is also tied to this story

977

00:45:39,890 --> 00:45:34,700

is about terraforming the planet and so

978

00:45:43,610 --> 00:45:39,900

Tiamat and Sumerian literature is killed

979

00:45:44,810 --> 00:45:43,620

by Marv Duke or Anki or Enloe and her

980

00:45:46,910 --> 00:45:44,820

body is cut in half

981

00:45:49,070 --> 00:45:46,920

and her you know half of her body

982

00:45:51,140 --> 00:45:49,080

becomes the surface of the earth and it

983

00:45:53,750 --> 00:45:51,150

becomes the mountains and the trees and

984

00:45:56,060 --> 00:45:53,760

her blood becomes the water you know

985

00:45:59,570 --> 00:45:56,070

which sounds like it was terraforming

986

00:46:02,530 --> 00:45:59,580

but when did all of that happen in the

987

00:46:05,900 --> 00:46:02,540

chronology of the planet when were trees

988

00:46:09,080 --> 00:46:05,910

created when when did life move from

989

00:46:11,360 --> 00:46:09,090

under the water to the surface of the

990

00:46:15,350 --> 00:46:11,370

earth and it all happens around that

991

00:46:16,640 --> 00:46:15,360

four point five four point four hundred

992

00:46:21,710 --> 00:46:16,650

and fifty four hundred and

993

00:46:25,070 --> 00:46:21,720

thirtysomething million years ago and so

994

00:46:26,810 --> 00:46:25,080

that is why we put it at that period and

995

00:46:28,670 --> 00:46:26,820

what was interesting is when I started

996

00:46:30,680 --> 00:46:28,680

researching that period you know because

997

00:46:33,620 --> 00:46:30,690

they talk about the mountains and the

998

00:46:36,290 --> 00:46:33,630

land being built during that time the

999

00:46:38,300 --> 00:46:36,300

earth was really the bulk of it was

1000

00:46:40,850 --> 00:46:38,310

covered with water and that was one of

1001
00:46:45,050 --> 00:46:40,860
the biggest periods of mountain building

1002
00:46:48,140 --> 00:46:45,060
on the planet hmm was during that period

1003
00:46:50,690 --> 00:46:48,150
of time right on so okay we got the

1004
00:46:53,360 --> 00:46:50,700
flood is that the time when most of

1005
00:46:56,990 --> 00:46:53,370
these alien races these other races left

1006
00:47:00,170 --> 00:46:57,000
the main stage after this giant water

1007
00:47:02,480 --> 00:47:00,180
Cataclysm very much so I mean they

1008
00:47:06,530 --> 00:47:02,490
definitely backed off into the

1009
00:47:09,860 --> 00:47:06,540
background one of the things you know it

1010
00:47:12,440 --> 00:47:09,870
gets a little sketchy in parts but one

1011
00:47:15,020 --> 00:47:12,450
of the things is that we feel like the

1012
00:47:18,700 --> 00:47:15,030
gods by necessity had to back off

1013
00:47:22,640 --> 00:47:18,710

because there is you know so many died

1014

00:47:25,580 --> 00:47:22,650

because of the flood because you know

1015

00:47:29,450 --> 00:47:25,590

they all didn't get off the planet and

1016

00:47:30,350 --> 00:47:29,460

so because there aren't that many in

1017

00:47:32,450 --> 00:47:30,360

numbers

1018

00:47:36,620 --> 00:47:32,460

you know mankind was pretty much left on

1019

00:47:39,260 --> 00:47:36,630

his own and you know so we believe that

1020

00:47:43,030 --> 00:47:39,270

the gods came back and you know taught

1021

00:47:45,950 --> 00:47:43,040

mankind stuff you know taught mankind

1022

00:47:49,190 --> 00:47:45,960

civilization taught mankind all of this

1023

00:47:52,280 --> 00:47:49,200

stuff and just kind of worked in the

1024

00:47:56,090 --> 00:47:52,290

background and that's you know because

1025

00:47:57,420 --> 00:47:56,100

there's kind of a blank period after the

1026

00:48:00,750 --> 00:47:57,430

flood

1027

00:48:03,180 --> 00:48:00,760

you know I'm told like civilization

1028

00:48:04,680 --> 00:48:03,190

civilization that happens unless you go

1029

00:48:07,890 --> 00:48:04,690

with that you know the flood happened

1030

00:48:10,559 --> 00:48:07,900

6,000 BC well let's take a second here

1031

00:48:12,750 --> 00:48:10,569

because this is December of 2012 after

1032

00:48:14,880 --> 00:48:12,760

all and if you think of time as sic

1033

00:48:16,950 --> 00:48:14,890

euler if we did have a huge global

1034

00:48:18,690 --> 00:48:16,960

disaster what would happen well the

1035

00:48:20,700 --> 00:48:18,700

world's elite would be protected in

1036

00:48:22,980 --> 00:48:20,710

secret underground bunkers that we can't

1037

00:48:25,170 --> 00:48:22,990

get access to then when the smoke and

1038

00:48:27,630 --> 00:48:25,180

chaos cleared they could come out and

1039

00:48:29,460 --> 00:48:27,640

establish an economy and a society and

1040

00:48:32,910 --> 00:48:29,470

start their reign all over again so i

1041

00:48:35,849 --> 00:48:32,920

could see really how that could be the

1042

00:48:38,549 --> 00:48:35,859

reality but it would be such a long time

1043

00:48:42,299 --> 00:48:38,559

for these bloodlines to maintain power

1044

00:48:43,859 --> 00:48:42,309

and secret however well no I'm not

1045

00:48:46,260 --> 00:48:43,869

necessarily disagreeing with you but I

1046

00:48:48,450 --> 00:48:46,270

have a little however let me have the

1047

00:48:51,569 --> 00:48:48,460

ones that are in power are not the

1048

00:48:55,020 --> 00:48:51,579

underground ones it's the sky gods who

1049

00:48:58,020 --> 00:48:55,030

do we venerate who do we look up to who

1050

00:49:01,079 --> 00:48:58,030

you know yeah just the phrase look up

1051

00:49:03,240 --> 00:49:01,089

it's not the underground ones right up

1052

00:49:06,980 --> 00:49:03,250

is good down is evil they're they're

1053

00:49:08,339 --> 00:49:06,990

they're vilified yeah they're evil

1054

00:49:10,230 --> 00:49:08,349

incarnate

1055

00:49:14,520 --> 00:49:10,240

yeah well history is written by the

1056

00:49:16,980 --> 00:49:14,530

winners that's right exactly not a very

1057

00:49:19,230 --> 00:49:16,990

popular thought but I think it's true I

1058

00:49:23,039 --> 00:49:19,240

mean I feel like you know even in

1059

00:49:25,319 --> 00:49:23,049

mythology that fertility God the one

1060

00:49:28,740 --> 00:49:25,329

that's associated with the creation of

1061

00:49:34,799 --> 00:49:28,750

mankind and teaching mankind which was

1062

00:49:37,890 --> 00:49:34,809

why the angels quote-unquote fell is

1063

00:49:40,680 --> 00:49:37,900

usually associated with the you know

1064

00:49:45,150 --> 00:49:40,690

with the Anki character and you know and

1065

00:49:46,859 --> 00:49:45,160

that he's a trickster you know which in

1066

00:49:48,420 --> 00:49:46,869

and of itself has kind of a bad

1067

00:49:53,339 --> 00:49:48,430

connotation that he's doing something

1068

00:49:55,530 --> 00:49:53,349

bad but the reality is is that that

1069

00:49:58,079 --> 00:49:55,540

character that was looking after

1070

00:50:01,799 --> 00:49:58,089

mankind's best interest and I feel like

1071

00:50:05,460 --> 00:50:01,809

that person was acting from their

1072

00:50:08,970 --> 00:50:05,470

conscience versus acting from a place of

1073

00:50:11,160 --> 00:50:08,980

power and control well not to take this

1074

00:50:13,470 --> 00:50:11,170

into a weird place but yes history is

1075

00:50:15,569 --> 00:50:13,480

by the winners so if Lucifer lost a

1076
00:50:17,220 --> 00:50:15,579
great battle then of course he would be

1077
00:50:20,309 --> 00:50:17,230
written as the enemy and sometimes I

1078
00:50:22,410 --> 00:50:20,319
wonder if there's not at least a little

1079
00:50:24,599 --> 00:50:22,420
bit going on in our historical accounts

1080
00:50:27,180 --> 00:50:24,609
of world war two because yes Hitler was

1081
00:50:29,099 --> 00:50:27,190
a bad guy killed a lot of people but the

1082
00:50:31,440 --> 00:50:29,109
side I'm interested in the aspects I

1083
00:50:32,670 --> 00:50:31,450
care about is this the occult stuff that

1084
00:50:35,370 --> 00:50:32,680
I've heard about I mean there are a lot

1085
00:50:37,289 --> 00:50:35,380
of parallels to me between ancient alien

1086
00:50:39,750 --> 00:50:37,299
bloodlines and seeking to bring that

1087
00:50:42,000 --> 00:50:39,760
back through breeding a master race

1088
00:50:43,859 --> 00:50:42,010

mm-hmm it seems like in Hitler's inner

1089

00:50:45,780 --> 00:50:43,869

circle there was a belief in the occult

1090

00:50:48,240 --> 00:50:45,790

and resurrecting ancient technologies

1091

00:50:50,329 --> 00:50:48,250

but our side has done such a good job as

1092

00:50:52,890 --> 00:50:50,339

painting him as just an evil monster and

1093

00:50:55,200 --> 00:50:52,900

it seems like it could be a convenient

1094

00:50:57,780 --> 00:50:55,210

tactic to take the focus away from those

1095

00:50:59,220 --> 00:50:57,790

ideas and just say look he was an evil

1096

00:51:00,960 --> 00:50:59,230

racist and if you start looking into

1097

00:51:03,240 --> 00:51:00,970

this you're an evil racist too so don't

1098

00:51:05,760 --> 00:51:03,250

do it but do you think there could be

1099

00:51:08,220 --> 00:51:05,770

any connection between the Nazi concepts

1100

00:51:09,660 --> 00:51:08,230

of a master race and some belief that

1101
00:51:12,809 --> 00:51:09,670
they were only trying to get back to

1102
00:51:16,680 --> 00:51:12,819
that pure Nephilim bloodline I mean it

1103
00:51:18,390 --> 00:51:16,690
could be I mean I think that and this is

1104
00:51:21,870 --> 00:51:18,400
one of the topics that I have planned

1105
00:51:26,039 --> 00:51:21,880
for yet another book which is going to

1106
00:51:29,700 --> 00:51:26,049
look at the underworld as well as ritual

1107
00:51:32,970 --> 00:51:29,710
and prayer because even when you go back

1108
00:51:37,349 --> 00:51:32,980
to some of the very early myths there is

1109
00:51:40,230 --> 00:51:37,359
this requirement by the gods so we have

1110
00:51:42,900 --> 00:51:40,240
the progenitor gods and they create you

1111
00:51:46,020 --> 00:51:42,910
know their first race of beings but

1112
00:51:48,990 --> 00:51:46,030
there are issues about veneration about

1113
00:51:52,319 --> 00:51:49,000

ritual about sacrifice you know and I

1114

00:51:54,270 --> 00:51:52,329

don't understand why and and I there's

1115

00:51:58,770 --> 00:51:54,280

something there there's something so

1116

00:52:01,020 --> 00:51:58,780

there anyway I figure what the question

1117

00:52:03,299 --> 00:52:01,030

was no big deal

1118

00:52:05,460 --> 00:52:03,309

I was just getting weird with the Nazis

1119

00:52:07,049 --> 00:52:05,470

but there is a split in the way that we

1120

00:52:08,940 --> 00:52:07,059

see the past because you have some who

1121

00:52:10,490 --> 00:52:08,950

describe these ancient cultures is more

1122

00:52:14,460 --> 00:52:10,500

Harmonist ik they had superior

1123

00:52:15,960 --> 00:52:14,470

technologies that were more natural they

1124

00:52:18,450 --> 00:52:15,970

were able to move these huge stones you

1125

00:52:20,220 --> 00:52:18,460

know framed societies are almost framed

1126

00:52:22,260 --> 00:52:20,230

it's like a paradise and then you have a

1127

00:52:24,960 --> 00:52:22,270

more mainstream idea that people were

1128

00:52:27,060 --> 00:52:24,970

barbaric performing human sacrifices

1129

00:52:29,640 --> 00:52:27,070

for breakfast lunch and dinner dropping

1130

00:52:32,359 --> 00:52:29,650

virgins in the volcano you know and I

1131

00:52:38,190 --> 00:52:32,369

just wonder what were they really like

1132

00:52:40,080 --> 00:52:38,200

what the joke is is that human sacrifice

1133

00:52:42,089 --> 00:52:40,090

was done all over the world I mean it's

1134

00:52:44,070 --> 00:52:42,099

not just you know we did you know the

1135

00:52:47,790 --> 00:52:44,080

Europeans just hadn't done it in a long

1136

00:52:50,460 --> 00:52:47,800

time so you know they're pretty

1137

00:52:52,140 --> 00:52:50,470

judgmental about that and even you know

1138

00:52:55,050 --> 00:52:52,150

you were talking about Hitler

1139

00:52:57,450 --> 00:52:55,060

you know the eugenics movement which was

1140

00:53:01,920 --> 00:52:57,460

about you know selectively breeding

1141

00:53:03,750 --> 00:53:01,930

individuals which shocked me originated

1142

00:53:06,900 --> 00:53:03,760

in the u.s. really

1143

00:53:10,320 --> 00:53:06,910

I think that's news to me yeah that was

1144

00:53:12,359 --> 00:53:10,330

a Stan Freedman and Kathleen Morden they

1145

00:53:14,820 --> 00:53:12,369

had done a whole chapter in a book

1146

00:53:16,770 --> 00:53:14,830

talking about the eugenics movement but

1147

00:53:18,210 --> 00:53:16,780

yeah it was started in the US and it's

1148

00:53:20,460 --> 00:53:18,220

like well then how can we say that they

1149

00:53:23,820 --> 00:53:20,470

were bad if we started it in the first

1150

00:53:25,920 --> 00:53:23,830

place and you know we had concentration

1151
00:53:27,960 --> 00:53:25,930
camps to most people know that so again

1152
00:53:30,120 --> 00:53:27,970
history rewritten as the winners of the

1153
00:53:31,800 --> 00:53:30,130
conflict like it the heroes beat the bad

1154
00:53:34,140 --> 00:53:31,810
guys doesn't really matter who did what

1155
00:53:36,510 --> 00:53:34,150
and there are no stories in history

1156
00:53:38,849 --> 00:53:36,520
where the bad guys win I'm funny how

1157
00:53:40,620 --> 00:53:38,859
that is mm-hmm but let's get back to the

1158
00:53:43,849 --> 00:53:40,630
good stuff you know what would you say

1159
00:53:45,990 --> 00:53:43,859
is your favorite story of man

1160
00:53:49,770 --> 00:53:46,000
interacting with an extraterrestrial

1161
00:53:51,839 --> 00:53:49,780
race about May and interacting or just

1162
00:53:54,120 --> 00:53:51,849
one of my favorite mythological stories

1163
00:53:55,380 --> 00:53:54,130

well a mythological story that you think

1164

00:53:58,770 --> 00:53:55,390

that might have some validity or

1165

00:54:03,089 --> 00:53:58,780

describe an actual event okay then I

1166

00:54:08,910 --> 00:54:03,099

would have to say Moses Moses Moses

1167

00:54:10,560 --> 00:54:08,920

Moses no I mean I remember reading the

1168

00:54:12,480 --> 00:54:10,570

Old Testament all right not the whole

1169

00:54:15,390 --> 00:54:12,490

Testament but parts of the Old Testament

1170

00:54:18,960 --> 00:54:15,400

especially Genesis I because I just find

1171

00:54:23,010 --> 00:54:18,970

that book fascinating but my favorite

1172

00:54:25,520 --> 00:54:23,020

part is Moses is in the in the you know

1173

00:54:28,470 --> 00:54:25,530

has led everybody out of Egypt and

1174

00:54:31,050 --> 00:54:28,480

they're in the desert and he goes to

1175

00:54:35,510 --> 00:54:31,060

Mount Sinai and you know he's going to

1176

00:54:38,160 --> 00:54:35,520

go hang out with God on Mount Sinai and

1177

00:54:38,820 --> 00:54:38,170

you know and then it starts thundering

1178

00:54:42,150 --> 00:54:38,830

and light

1179

00:54:44,910 --> 00:54:42,160

the top of Mount Sinai is surrounded in

1180

00:54:47,700 --> 00:54:44,920

a cloud and God wants to talk to the

1181

00:54:49,470 --> 00:54:47,710

people and and starts you know talking

1182

00:54:52,110 --> 00:54:49,480

directly to them and it scares the crap

1183

00:54:54,450 --> 00:54:52,120

out of everybody and so they tell Moses

1184

00:54:57,390 --> 00:54:54,460

like no no no you talk for us you talk

1185

00:54:59,970 --> 00:54:57,400

for us we want to get out of here you

1186

00:55:01,920 --> 00:54:59,980

know and so many people say oh well I

1187

00:55:03,870 --> 00:55:01,930

mean they forget that part that there

1188

00:55:08,250 --> 00:55:03,880

were other people involved and not just

1189

00:55:11,730 --> 00:55:08,260

Moses in that whole story and from a

1190

00:55:14,970 --> 00:55:11,740

Jewish perspective you know that is one

1191

00:55:16,680 --> 00:55:14,980

of the reasons why they celebrate

1192

00:55:18,660 --> 00:55:16,690

Passover I mean you know there is

1193

00:55:22,680 --> 00:55:18,670

passing you know having the spirit of

1194

00:55:27,020 --> 00:55:22,690

death Passover but it's also tie - you

1195

00:55:31,080 --> 00:55:27,030

know this interaction this one-on-one

1196

00:55:34,380 --> 00:55:31,090

interaction with God that you know why

1197

00:55:38,160 --> 00:55:34,390

would a group make up such a far-fetched

1198

00:55:41,040 --> 00:55:38,170

story and then make it so important that

1199

00:55:44,360 --> 00:55:41,050

that story is passed down parents a

1200

00:55:48,390 --> 00:55:44,370

child generation the generation and

1201

00:55:50,460 --> 00:55:48,400

infinitum true and another weird thing

1202

00:55:53,460 --> 00:55:50,470

that comes up a lot in these cultures is

1203

00:55:55,050 --> 00:55:53,470

stories of a return you know even you

1204

00:55:57,720 --> 00:55:55,060

know the Jesus story he's supposed to

1205

00:55:59,730 --> 00:55:57,730

return what piccolo supposed to return

1206

00:56:01,920 --> 00:55:59,740

what's up with that do you think that

1207

00:56:04,700 --> 00:56:01,930

there there is a return coming do you

1208

00:56:07,800 --> 00:56:04,710

think it was an evil iddat II of that

1209

00:56:14,430 --> 00:56:07,810

there is definitely a consistency of

1210

00:56:16,470 --> 00:56:14,440

that storyline and I well you're kind of

1211

00:56:18,120 --> 00:56:16,480

a conspiracy guy so I'm just gonna throw

1212

00:56:20,250 --> 00:56:18,130

it this time I'm just gonna throw this

1213

00:56:24,000 --> 00:56:20,260

out there I wish I was so not put in the

1214

00:56:28,530 --> 00:56:24,010

book I'm ready okay

1215

00:56:31,160 --> 00:56:28,540

so you know the flood happens now the

1216

00:56:33,540 --> 00:56:31,170

gods are priming us and and

1217

00:56:35,760 --> 00:56:33,550

domesticating us I mean because we're

1218

00:56:38,040 --> 00:56:35,770

pretty freaking domesticated you take

1219

00:56:39,930 --> 00:56:38,050

away our internet internet and we're

1220

00:56:41,550 --> 00:56:39,940

we're a lost cause and the younger

1221

00:56:43,580 --> 00:56:41,560

generation I don't know how old you are

1222

00:56:47,280 --> 00:56:43,590

Craig but you know the young my kids

1223

00:56:50,520 --> 00:56:47,290

would be lost no internet no cell phone

1224

00:56:51,839 --> 00:56:50,530

no remote control you know and so I feel

1225

00:56:54,839 --> 00:56:51,849

like there has been yet

1226

00:56:57,989 --> 00:56:54,849

this nether next level of the you know

1227

00:57:00,989 --> 00:56:57,999

of domestication where Oh putting your

1228

00:57:03,779 --> 00:57:00,999

personal stuff out on the cloud you know

1229

00:57:05,640 --> 00:57:03,789

I'm sorry I I just have an issue with

1230

00:57:06,539 --> 00:57:05,650

that you know and they're just like oh

1231

00:57:08,309 --> 00:57:06,549

it's okay

1232

00:57:10,620 --> 00:57:08,319

well look but you can put all your songs

1233

00:57:12,479 --> 00:57:10,630

out there and I'm like yeah and then the

1234

00:57:15,539 --> 00:57:12,489

government can just peer in I don't

1235

00:57:18,509 --> 00:57:15,549

think so and the cloud is such a happy

1236

00:57:22,529 --> 00:57:18,519

word I know well that's where the gods

1237

00:57:24,870 --> 00:57:22,539

are all right anyway you know somebody

1238

00:57:27,120 --> 00:57:24,880

said but that you know the gods kind of

1239

00:57:29,339 --> 00:57:27,130

drop off the map a really long time ago

1240

00:57:30,809 --> 00:57:29,349

I mean if you think about like Moses's

1241

00:57:36,390 --> 00:57:30,819

encounter with the gods

1242

00:57:39,059 --> 00:57:36,400

what 1500 BC something in that area not

1243

00:57:42,150 --> 00:57:39,069

too much interaction that we find after

1244

00:57:45,599 --> 00:57:42,160

that point time don't really know about

1245

00:57:48,269 --> 00:57:45,609

Native American sources if you know they

1246

00:57:49,920 --> 00:57:48,279

have more current encounters but you

1247

00:57:54,029 --> 00:57:49,930

know we can kind of place Moses

1248

00:57:57,870 --> 00:57:54,039

somewhere but that's only that's not

1249

00:58:02,160 --> 00:57:57,880

even 5,000 years and so in the life of

1250

00:58:05,209 --> 00:58:02,170

the gods that's like the next day and so

1251

00:58:08,130 --> 00:58:05,219

could they be just waiting for us to

1252

00:58:11,249 --> 00:58:08,140

become even more domesticated so they

1253

00:58:13,769 --> 00:58:11,259

can come back in and do whatever right I

1254

00:58:15,120 --> 00:58:13,779

think it's entirely possible well and

1255

00:58:17,190 --> 00:58:15,130

there's some people who speculate that

1256

00:58:20,640 --> 00:58:17,200

the whole theme of the greys that the

1257

00:58:22,709 --> 00:58:20,650

greys are actually kind of genetically

1258

00:58:25,140 --> 00:58:22,719

manipulated creatures from a different

1259

00:58:27,239 --> 00:58:25,150

race who sends them forth to do these

1260

00:58:28,979 --> 00:58:27,249

abductions and to create these problems

1261

00:58:31,620 --> 00:58:28,989

and to create a fear around them and

1262

00:58:33,420 --> 00:58:31,630

then this other race so you don't see

1263

00:58:35,910 --> 00:58:33,430

will come in and save us from their own

1264

00:58:38,009 --> 00:58:35,920

creation as the good guys you know

1265

00:58:40,709 --> 00:58:38,019

that's a popular theme but you know if

1266

00:58:43,019 --> 00:58:40,719

you had to speculate about aliens

1267

00:58:44,489 --> 00:58:43,029

interaction with us today would you say

1268

00:58:46,589 --> 00:58:44,499

it's non-existent is it in the

1269

00:58:47,519 --> 00:58:46,599

background is it there are they are they

1270

00:58:49,410 --> 00:58:47,529

the ruling elite

1271

00:58:52,109 --> 00:58:49,420

what would you speculate you know I've

1272

00:58:55,130 --> 00:58:52,119

never really been a big UFO person and

1273

00:58:58,999 --> 00:58:55,140

I'm just saying that up front but after

1274

00:59:02,579 --> 00:58:59,009

researching this book my belief that

1275

00:59:05,550 --> 00:59:02,589

they were definitely here in the past

1276

00:59:09,180 --> 00:59:05,560

that they definitely

1277

00:59:11,640 --> 00:59:09,190

had significant all right all the

1278

00:59:16,590 --> 00:59:11,650

control over everything that happened on

1279

00:59:19,110 --> 00:59:16,600

this planet I you know they weren't just

1280

00:59:21,180 --> 00:59:19,120

like doing a flyby and just coming in

1281

00:59:23,550 --> 00:59:21,190

and and just doing something and then

1282

00:59:25,740 --> 00:59:23,560

leaving again because historically

1283

00:59:27,300 --> 00:59:25,750

speaking they've been here since the

1284

00:59:28,560 --> 00:59:27,310

beginning of time you know and

1285

00:59:29,400 --> 00:59:28,570

definitely since the beginning of

1286

00:59:32,130 --> 00:59:29,410

mankind

1287

00:59:34,770 --> 00:59:32,140

so why would they just go why would you

1288

00:59:37,650 --> 00:59:34,780

give that up you know with that said you

1289

00:59:40,260 --> 00:59:37,660

know we hear stories of bases you know

1290

00:59:45,240 --> 00:59:40,270

alien bases underground we hear stories

1291

00:59:47,160 --> 00:59:45,250

of us OS you know of ships coming out

1292

00:59:48,870 --> 00:59:47,170

from under the water and obviously we

1293

00:59:52,950 --> 00:59:48,880

have ships that are flying around in the

1294

00:59:56,280 --> 00:59:52,960

air which those three areas and only

1295

00:59:58,260 --> 00:59:56,290

those three areas parallel the three

1296

01:00:01,320 --> 00:59:58,270

major areas that you find the gods in

1297

01:00:03,350 --> 01:00:01,330

myth right I had stand day I want a

1298

01:00:06,180 --> 01:00:03,360

couple of weeks ago and he talks about a

1299

01:00:08,040 --> 01:00:06,190

you know black ops facility that he had

1300

01:00:10,560 --> 01:00:08,050

worked at and then then he left it and

1301

01:00:12,750 --> 01:00:10,570

his his Intel from people who were still

1302

01:00:14,130 --> 01:00:12,760

there is that Grey's came in they worked

1303

01:00:16,050 --> 01:00:14,140

with them and then the gray is sort of

1304

01:00:17,910 --> 01:00:16,060

like marginalized us and pushed us out

1305

01:00:20,430 --> 01:00:17,920

and that the these underground bases in

1306

01:00:22,440 --> 01:00:20,440

some cases are actually controlled by an

1307

01:00:26,010 --> 01:00:22,450

extraterrestrial race but I guess I just

1308

01:00:27,990 --> 01:00:26,020

wonder why like why what's their

1309

01:00:31,590 --> 01:00:28,000

motivation why would they spend their

1310

01:00:34,860 --> 01:00:31,600

life hiding out in a cement bunker

1311

01:00:36,600 --> 01:00:34,870

underground to somehow influence us you

1312

01:00:37,860 --> 01:00:36,610

know it's like why would why wouldn't

1313

01:00:40,200 --> 01:00:37,870

they just come out and say hey we're

1314

01:00:42,000 --> 01:00:40,210

here we are smarter more intelligent

1315

01:00:44,850 --> 01:00:42,010

have better technology and you'll serve

1316

01:00:47,280 --> 01:00:44,860

us yeah you know and and what their

1317

01:00:49,350 --> 01:00:47,290

motives are I mean why they came here in

1318

01:00:51,390 --> 01:00:49,360

the first place it is kind of like the

1319

01:00:54,360 --> 01:00:51,400

ninety-four thousand dollar question

1320

01:00:58,440 --> 01:00:54,370

don't know there there is absolutely

1321

01:01:02,340 --> 01:00:58,450

nothing that even remotely goes into

1322

01:01:04,410 --> 01:01:02,350

that topic mythologically speaking it's

1323

01:01:06,180 --> 01:01:04,420

a story that I want to be true I would

1324

01:01:08,460 --> 01:01:06,190

love there to be base is underground

1325

01:01:11,220 --> 01:01:08,470

controlled by aliens but it's got to

1326

01:01:13,710 --> 01:01:11,230

make sense and even though if you go

1327

01:01:15,180 --> 01:01:13,720

ahead you know but if you think about it

1328

01:01:17,700 --> 01:01:15,190

from it see this is kind of where I'm

1329

01:01:18,650 --> 01:01:17,710

going with my veneration thing it's like

1330

01:01:22,700 --> 01:01:18,660

when you

1331

01:01:25,700 --> 01:01:22,710

something you are willingly giving it

1332

01:01:26,960 --> 01:01:25,710

your energy you know and it's kind of

1333

01:01:29,720 --> 01:01:26,970

like you know it makes me think of

1334

01:01:32,150 --> 01:01:29,730

Monsters Inc yes you know if you're

1335

01:01:34,910 --> 01:01:32,160

scared you produce a lot of emotional

1336

01:01:37,100 --> 01:01:34,920

energy if you laugh you produce a lot of

1337

01:01:40,160 --> 01:01:37,110

emotional energy well when you are in

1338

01:01:43,550 --> 01:01:40,170

deep prayer there's a lot of emotional

1339

01:01:46,970 --> 01:01:43,560

energy and intention going to whoever or

1340

01:01:49,220 --> 01:01:46,980

whatever you're sending it to you know

1341

01:01:51,710 --> 01:01:49,230

and so do they not disclose themselves

1342

01:01:54,230 --> 01:01:51,720

because they want to keep receiving our

1343

01:01:55,730 --> 01:01:54,240

energy right and there's a lot of

1344

01:01:57,500 --> 01:01:55,740

speculation that I mean there's a lot of

1345

01:02:00,710 --> 01:01:57,510

weird stuff about Disney Walt Disney was

1346

01:02:03,080 --> 01:02:00,720

a Mason blah blah blah and I've seen

1347

01:02:06,380 --> 01:02:03,090

I've seen a lot of material on the fact

1348

01:02:08,870 --> 01:02:06,390

that Monsters Inc is a symbolic

1349

01:02:12,410 --> 01:02:08,880

representation of what these elite do

1350

01:02:14,210 --> 01:02:12,420

you know they feed off our energy well

1351
01:02:19,100 --> 01:02:14,220
and I'm just gonna throw something out

1352
01:02:21,920 --> 01:02:19,110
there that is even a little more weird

1353
01:02:23,480 --> 01:02:21,930
you know be like we're you know I mean

1354
01:02:26,030 --> 01:02:23,490
and I'm not talking about channeled

1355
01:02:29,540 --> 01:02:26,040
information okay I'm just gonna put that

1356
01:02:33,500 --> 01:02:29,550
over there to the side you know but

1357
01:02:35,120 --> 01:02:33,510
there is I mean you know my origin comes

1358
01:02:36,950 --> 01:02:35,130
out of the New Age community even though

1359
01:02:39,620 --> 01:02:36,960
or you know at least that's what I do

1360
01:02:42,620 --> 01:02:39,630
for a living and that's where I I was

1361
01:02:44,780 --> 01:02:42,630
for a very long time you know and

1362
01:02:46,730 --> 01:02:44,790
there's the whole concept of listening

1363
01:02:48,770 --> 01:02:46,740

to your inner voice or listening to your

1364

01:02:50,720 --> 01:02:48,780

higher self or communicating with your

1365

01:02:55,250 --> 01:02:50,730

spirit guides you know that whole genre

1366

01:02:57,650 --> 01:02:55,260

and I have okay so I get very dirty

1367

01:03:00,050 --> 01:02:57,660

looks from people when I make this

1368

01:03:02,450 --> 01:03:00,060

comment but it's it's a valid point I'm

1369

01:03:04,220 --> 01:03:02,460

sorry but how do you know who your

1370

01:03:05,360 --> 01:03:04,230

spirit guides are I mean you know

1371

01:03:07,700 --> 01:03:05,370

hopefully they're giving you good

1372

01:03:09,770 --> 01:03:07,710

information but if they if you're

1373

01:03:12,560 --> 01:03:09,780

listening to them and I mean I listen to

1374

01:03:14,960 --> 01:03:12,570

my guys I listen to you know the

1375

01:03:17,120 --> 01:03:14,970

direction I mean I laugh it's like well

1376

01:03:20,270 --> 01:03:17,130

people go why'd you write this book it's

1377

01:03:24,610 --> 01:03:20,280

like well they told me to oh you know

1378

01:03:28,400 --> 01:03:24,620

and so if I'm allowing these beings God

1379

01:03:30,980 --> 01:03:28,410

spirit guides or whoever to control my

1380

01:03:32,000 --> 01:03:30,990

life right that's the same thing that

1381

01:03:34,700 --> 01:03:32,010

they've been they were talking to

1382

01:03:37,660 --> 01:03:34,710

you know well who are they and is it

1383

01:03:40,910 --> 01:03:37,670

really like God God or is it these

1384

01:03:44,750 --> 01:03:40,920

extraterrestrials you know pushing me

1385

01:03:47,030 --> 01:03:44,760

into their agenda right now always good

1386

01:03:53,150 --> 01:03:47,040

to be skeptical I don't know that I want

1387

01:03:55,370 --> 01:03:53,160

to know it's it is a weird thing but you

1388

01:03:56,800 --> 01:03:55,380

know I do I do love the book I love that

1389

01:03:59,030 --> 01:03:56,810

you kind of stayed away from the

1390

01:04:01,190 --> 01:03:59,040

geological formations because we hear so

1391

01:04:02,990 --> 01:04:01,200

much about them and just focused on the

1392

01:04:06,710 --> 01:04:03,000

mythology because I there's some

1393

01:04:11,600 --> 01:04:06,720

fascinating old stories and I love to

1394

01:04:12,920 --> 01:04:11,610

hear them but it's so tough to to really

1395

01:04:14,840 --> 01:04:12,930

see like these things are passed down

1396

01:04:17,390 --> 01:04:14,850

for thousands of years within the tribe

1397

01:04:20,150 --> 01:04:17,400

like it's like a long game a telephone

1398

01:04:21,560 --> 01:04:20,160

it just seems weird to think that you

1399

01:04:25,490 --> 01:04:21,570

know their accuracy would still be

1400

01:04:29,470 --> 01:04:25,500

intact I hope it is mm-hmm

1401

01:04:32,420 --> 01:04:29,480

well I but I mean I think that they are

1402

01:04:33,830 --> 01:04:32,430

you know I mean I think that they are I

1403

01:04:36,800 --> 01:04:33,840

mean obviously you know there are

1404

01:04:39,830 --> 01:04:36,810

differences that happen in one area to

1405

01:04:42,440 --> 01:04:39,840

another you know and then there's

1406

01:04:46,910 --> 01:04:42,450

translating issues you know I mean they

1407

01:04:48,680 --> 01:04:46,920

if there are issues but I feel like you

1408

01:04:54,020 --> 01:04:48,690

know I feel like the story was actually

1409

01:04:56,570 --> 01:04:54,030

much bigger and much richer than what we

1410

01:04:58,340 --> 01:04:56,580

have and some people some groups kept

1411

01:05:02,000 --> 01:04:58,350

this peace some groups kind of

1412

01:05:05,150 --> 01:05:02,010

overlooked this piece you know but when

1413

01:05:08,240 --> 01:05:05,160

taken in whole I think you get a much

1414

01:05:13,120 --> 01:05:08,250

bigger and richer picture of what was

1415

01:05:16,390 --> 01:05:13,130

going on you know one of the things that

1416

01:05:19,130 --> 01:05:16,400

people have commented on you know is

1417

01:05:21,140 --> 01:05:19,140

they have just really appreciated that

1418

01:05:24,860 --> 01:05:21,150

someone has gone through all those dry

1419

01:05:26,750 --> 01:05:24,870

and dusty books that normally just sit

1420

01:05:31,370 --> 01:05:26,760

on your shelf because nobody wants to

1421

01:05:33,680 --> 01:05:31,380

read them and and made you know took the

1422

01:05:35,920 --> 01:05:33,690

material and one put it together but

1423

01:05:39,140 --> 01:05:35,930

also making in a very readable format

1424

01:05:42,350 --> 01:05:39,150

you know because we made a very sincere

1425

01:05:45,410 --> 01:05:42,360

decision right up front to not have this

1426

01:05:48,950 --> 01:05:45,420

book be academic in tone but

1427

01:05:51,109 --> 01:05:48,960

very reader friendly so that you enjoy

1428

01:05:53,359 --> 01:05:51,119

reading it like reading it Aesop's fee

1429

01:05:56,539 --> 01:05:53,369

berry tael's you know you enjoy reading

1430

01:05:58,930 --> 01:05:56,549

it and not you know like you're taking a

1431

01:06:01,760 --> 01:05:58,940

college course which would be boring

1432

01:06:03,770 --> 01:06:01,770

well I mean I've taken a lot more boring

1433

01:06:07,280 --> 01:06:03,780

college courses I wish that was a course

1434

01:06:09,470 --> 01:06:07,290

offered I might have stuck with school

1435

01:06:11,870 --> 01:06:09,480

if that was the case yeah me too

1436

01:06:14,030 --> 01:06:11,880

oh wait I did but that was cuz those

1437

01:06:18,530 --> 01:06:14,040

guys kept telling me you need to go back

1438

01:06:19,730 --> 01:06:18,540

to school go back to school okay we're

1439

01:06:22,579 --> 01:06:19,740

getting down to but I want to ask you

1440

01:06:25,520 --> 01:06:22,589

one more question do you think at the

1441

01:06:28,039 --> 01:06:25,530

highest levels of Catholicism do you

1442

01:06:29,750 --> 01:06:28,049

think there are people that know the

1443

01:06:31,460 --> 01:06:29,760

real translation of the Bible because it

1444

01:06:33,470 --> 01:06:31,470

seems to be fairly cryptic do you think

1445

01:06:35,750 --> 01:06:33,480

that there are things built into it so

1446

01:06:37,520 --> 01:06:35,760

that someone could pull a higher priest

1447

01:06:38,839 --> 01:06:37,530

aside and say hey here's what we're

1448

01:06:40,400 --> 01:06:38,849

talking about you know this means this

1449

01:06:42,289 --> 01:06:40,410

this means this but don't tell the

1450

01:06:45,289 --> 01:06:42,299

people that do you think that goes on I

1451

01:06:47,030 --> 01:06:45,299

mean I think that is totally possible I

1452

01:06:49,460 --> 01:06:47,040

mean if you even think about secret

1453

01:06:52,880 --> 01:06:49,470

societies you know they have little code

1454

01:06:56,960 --> 01:06:52,890

words or symbols that have a much deeper

1455

01:06:58,849 --> 01:06:56,970

understanding or representation than

1456

01:07:00,079 --> 01:06:58,859

what you see on the surface or the

1457

01:07:01,760 --> 01:07:00,089

little bit that they're willing to share

1458

01:07:04,940 --> 01:07:01,770

with you so I mean it's entirely

1459

01:07:06,500 --> 01:07:04,950

possible yeah it's a weird thing but

1460

01:07:08,420 --> 01:07:06,510

then when you think about that you say

1461

01:07:10,220 --> 01:07:08,430

well if the secret societies can keep

1462

01:07:13,520 --> 01:07:10,230

these stories intact you know why

1463

01:07:15,740 --> 01:07:13,530

couldn't the Dogons mm-hmm you know but

1464

01:07:17,270 --> 01:07:15,750

it's not really the Catholics really

1465

01:07:18,770 --> 01:07:17,280

where you really have to take it is into

1466

01:07:20,510 --> 01:07:18,780

the Jewish faith because the Old

1467

01:07:25,609 --> 01:07:20,520

Testament we're all the all the really

1468

01:07:30,589 --> 01:07:25,619

good stuff is is you know they've been

1469

01:07:35,059 --> 01:07:30,599

so terrorized over the years you know it

1470

01:07:38,450 --> 01:07:35,069

moved in and whatever you know while it

1471

01:07:41,750 --> 01:07:38,460

is possible there there might have been

1472

01:07:46,940 --> 01:07:41,760

issues just in preserving the ancient

1473

01:07:49,789 --> 01:07:46,950

wisdom mm-hmm not to mention all the the

1474

01:07:52,010 --> 01:07:49,799

conquistadors burning books and records

1475

01:07:53,510 --> 01:07:52,020

of any tribes they came across ah that

1476

01:07:56,230 --> 01:07:53,520

is such a design the Library of

1477

01:07:59,059 --> 01:07:56,240

Alexandria by I mean could you imagine

1478

01:08:01,549 --> 01:07:59,069

you know a library that

1479

01:08:05,509 --> 01:08:01,559

was constructed you know at the at the

1480

01:08:09,529 --> 01:08:05,519

turn of would it be the millennium you

1481

01:08:13,160 --> 01:08:09,539

know at zero around zero ad you know way

1482

01:08:16,189 --> 01:08:13,170

back then and having all of these

1483

01:08:17,599 --> 01:08:16,199

documents stole there for us you know

1484

01:08:20,269 --> 01:08:17,609

because they were collecting old

1485

01:08:25,999 --> 01:08:20,279

documents and putting him in the library

1486

01:08:28,879 --> 01:08:26,009

could you imagine oh my god I know it's

1487

01:08:31,609 --> 01:08:28,889

it's really tragic that some just grunt

1488

01:08:33,439 --> 01:08:31,619

soldier who's told to go burn down this

1489

01:08:36,109 --> 01:08:33,449

thing would just go ahead and do it and

1490

01:08:39,680 --> 01:08:36,119

such you know they influenced the

1491

01:08:41,120 --> 01:08:39,690

culture forever you know it's it really

1492

01:08:42,169 --> 01:08:41,130

was a pivotal moment I'm sure they

1493

01:08:44,419 --> 01:08:42,179

didn't think well you know and the same

1494

01:08:47,180 --> 01:08:44,429

thing happened in China also and I don't

1495

01:08:51,499 --> 01:08:47,190

remember what Emperor it was but it was

1496

01:08:53,749 --> 01:08:51,509

around 300 AD that this one Emperor went

1497

01:08:56,510 --> 01:08:53,759

into power and he wanted to basically

1498

01:09:01,010 --> 01:08:56,520

rewrite history and so he burned all the

1499

01:09:05,450 --> 01:09:01,020

books and so what burned there to who

1500

01:09:07,939 --> 01:09:05,460

knows right so many people have tried to

1501
01:09:09,530 --> 01:09:07,949
erase and then rewrite history for their

1502
01:09:11,870 --> 01:09:09,540
own ego service and it's a sad reality

1503
01:09:13,249 --> 01:09:11,880
but you know we got people like you

1504
01:09:17,089 --> 01:09:13,259
writing books trying to piece this thing

1505
01:09:20,030 --> 01:09:17,099
back together and I appreciate it well

1506
01:09:22,129 --> 01:09:20,040
Rita it has been a great talk I really

1507
01:09:23,479 --> 01:09:22,139
enjoyed having you on is there would you

1508
01:09:26,930 --> 01:09:23,489
like to tell the people about your other

1509
01:09:34,490 --> 01:09:26,940
work well I like to just share that my

1510
01:09:39,289 --> 01:09:34,500
personal website is wwl MSS o UL h EA I

1511
01:09:42,620 --> 01:09:39,299
ER comm and basically it is the portal

1512
01:09:45,620 --> 01:09:42,630
to everything rita Louise so you can get

1513
01:09:47,749 --> 01:09:45,630

information about the book I have three

1514

01:09:50,359 --> 01:09:47,759

other books that are on that website my

1515

01:09:52,849 --> 01:09:50,369

books there is information about my

1516

01:09:55,520 --> 01:09:52,859

radio show there is information about

1517

01:09:58,209 --> 01:09:55,530

the services I offer including medical

1518

01:10:01,280 --> 01:09:58,219

intuition evaluations and energy work

1519

01:10:03,020 --> 01:10:01,290

courses that I teach everything like I

1520

01:10:07,549 --> 01:10:03,030

said if you want to know anything that

1521

01:10:09,290 --> 01:10:07,559

I'm involved in go there but man man

1522

01:10:12,310 --> 01:10:09,300

made the Chronicles is also available on

1523

01:10:14,020 --> 01:10:12,320

amazon.com and barnesandnoble.com

1524

01:10:16,330 --> 01:10:14,030

we have released it in the Kindle

1525

01:10:20,589 --> 01:10:16,340

version as well so the King you can get

1526

01:10:22,510 --> 01:10:20,599

the Kindle version there also but if you

1527

01:10:25,839 --> 01:10:22,520

want an autographed copy you would have

1528

01:10:30,160 --> 01:10:25,849

to order that book directly from me so

1529

01:10:32,500 --> 01:10:30,170

nice very cool well thanks so much Rita

1530

01:10:34,660 --> 01:10:32,510

mythology as history one of my favorite

1531

01:10:36,339 --> 01:10:34,670

topics to explore and we seem to find

1532

01:10:39,339 --> 01:10:36,349

more truth in these myths all the time

1533

01:10:40,720 --> 01:10:39,349

and you know and hopefully we can talk

1534

01:10:42,790 --> 01:10:40,730

more again in the future about some of

1535

01:10:45,129 --> 01:10:42,800

your other work and you know good luck

1536

01:10:48,399 --> 01:10:45,139

in the New Age of humanity can you

1537

01:10:49,479 --> 01:10:48,409

believe it it's finally here all right

1538

01:10:52,240 --> 01:10:49,489

well thanks have a good one

1539

01:10:54,310 --> 01:10:52,250

all right thank you bye well whoop there

1540

01:10:57,640 --> 01:10:54,320

to his higher side chatters dr. Rita

1541

01:10:59,950 --> 01:10:57,650

Louise the pleasure was all mine it has

1542

01:11:01,350 --> 01:10:59,960

been a while since the last THC and it

1543

01:11:04,060 --> 01:11:01,360

took me forever to get this one online

1544

01:11:05,919 --> 01:11:04,070

there our little sweatshop slaves in

1545

01:11:08,350 --> 01:11:05,929

India that look at my day job and

1546

01:11:11,379 --> 01:11:08,360

they're saying no [h__h] way and they

1547

01:11:13,450 --> 01:11:11,389

feel sorry for me if you'd believe it my

1548

01:11:15,669 --> 01:11:13,460

last two yes of 2012 had to cancel

1549

01:11:17,709 --> 01:11:15,679

Philip coffins of ancient aliens wrote a

1550

01:11:20,200 --> 01:11:17,719

great book on the lost civilization

1551

01:11:22,030 --> 01:11:20,210

enigma and the day before our talk he

1552

01:11:24,640 --> 01:11:22,040

was diagnosed with a very rare form of

1553

01:11:27,430 --> 01:11:24,650

cancer I don't know much about it it's

1554

01:11:30,310 --> 01:11:27,440

called angiosarcoma and he's been

1555

01:11:32,500 --> 01:11:30,320

hospitalized for four weeks so please

1556

01:11:34,990 --> 01:11:32,510

let him know you care he's very active

1557

01:11:38,169 --> 01:11:35,000

on his Facebook when he can me and I'm

1558

01:11:41,589 --> 01:11:38,179

sure he would appreciate some messages

1559

01:11:43,660 --> 01:11:41,599

of kindness and for what it's worth you

1560

01:11:46,990 --> 01:11:43,670

know I was hoping I'd have this grand

1561

01:11:48,760 --> 01:11:47,000

finale at the end of 2012 my last guest

1562

01:11:50,530 --> 01:11:48,770

of the year was to be Jacque fresco of

1563

01:11:53,800 --> 01:11:50,540

The Venus Project who was going to be on

1564

01:11:56,439 --> 01:11:53,810

THC but he fell and broke his hip but at

1565

01:11:58,120 --> 01:11:56,449

97 years old these things happen but

1566

01:12:00,609 --> 01:11:58,130

he's doing great speeding through

1567

01:12:02,649 --> 01:12:00,619

therapy should be on THC in just a few

1568

01:12:05,260 --> 01:12:02,659

weeks you guys are great keep listening

1569

01:12:07,359 --> 01:12:05,270

reviewing and sharing THC it's all very

1570

01:12:08,919 --> 01:12:07,369

helpful check out kidspirit he's done

1571

01:12:11,020 --> 01:12:08,929

that for some of the new shirts

1572

01:12:12,729 --> 01:12:11,030

available have a happy Christmas and

1573

01:12:14,800 --> 01:12:12,739

hopefully I'll talk to you again before

1574

01:12:18,120 --> 01:12:14,810

the podcast Awards announcement on

1575

01:12:20,919 --> 01:12:18,130

January 7th in Vegas and you know

1576

01:12:22,209 --> 01:12:20,929

sometimes people submit music to me and

1577

01:12:24,459 --> 01:12:22,219

I don't think they've ever listened to

1578

01:12:26,380 --> 01:12:24,469

the show but that is when I say [\h__\h] it

1579

01:12:29,440 --> 01:12:26,390

here's

1580

01:12:31,240 --> 01:12:29,450

with chain-drive love it when you shine

1581

01:12:33,340 --> 01:12:31,250

in drape the night of diamonds that

1582

01:12:35,620 --> 01:12:33,350

means you can't afford the rewards of

1583

01:12:37,840 --> 01:12:35,630

the grinding never get bored move

1584

01:12:40,120 --> 01:12:37,850

forward keep climbing then we gonna keep

1585

01:12:42,160 --> 01:12:40,130

chasing and wait until we can find obey

1586

01:12:42,640 --> 01:12:42,170

and be right behind them we can smell

1587

01:12:44,560 --> 01:12:42,650

success

1588

01:12:46,960 --> 01:12:44,570

plus I'm looking like [\h__\h] cuz I'm

1589

01:12:49,120 --> 01:12:46,970

busting out my dress women like no other

1590

01:12:51,100 --> 01:12:49,130

know the power of the flesh I'm fresh

1591

01:12:53,290 --> 01:12:51,110

about the shower whiskey sour on my

1592

01:12:55,390 --> 01:12:53,300

bread oh not a gold digger but I'm

1593

01:12:57,280 --> 01:12:55,400

looking for some depth I just happen to

1594

01:12:59,980 --> 01:12:57,290

know this frozen moments on your chest

1595

01:13:02,500 --> 01:12:59,990

[\h__\h] so potent that you gotta respect

1596

01:13:05,380 --> 01:13:02,510

it way better than visa everywhere it's

1597

01:13:07,750 --> 01:13:05,390

accepted my lights are movie that you

1598

01:13:10,120 --> 01:13:07,760

directed I can add you to the list of

1599

01:13:12,340 --> 01:13:10,130

the people I slept with I just use the

1600

01:13:14,200 --> 01:13:12,350

gifts that I'm already blessed with but

1601

01:13:16,540 --> 01:13:14,210

you are limit if this you need you a

1602

01:13:18,550 --> 01:13:16,550

necklace I have sent a car to spy

1603

01:13:38,939 --> 01:13:18,560

someone they have sex with when all I

1604

01:13:49,240 --> 01:13:46,450

but you know we go be so careless with

1605

01:13:53,589 --> 01:13:49,250

his dick [h__h] ba-baby Mollison beneath a

1606

01:13:55,990 --> 01:13:53,599

cow like 16 and I'm supposed to ain't

1607

01:13:58,450 --> 01:13:56,000

like [h__h] poking holes in the rubbles

1608

01:14:00,640 --> 01:13:58,460

paint maker happy turning holes in the

1609

01:14:03,220 --> 01:14:00,650

loveless I'm on that boomerang checking

1610

01:14:05,770 --> 01:14:03,230

toes under covers that's some real women

1611

01:14:08,560 --> 01:14:05,780

but the holes are among us we go hold it

1612

01:14:10,720 --> 01:14:08,570

down in this show simple numbers we like

1613

01:14:12,970 --> 01:14:10,730

tearing and it goes for the plumber the

1614

01:14:15,910 --> 01:14:12,980

carpenters and mechanics and it keeps

1615

01:14:18,250 --> 01:14:15,920

going if you can't show me [h__h] it gets

1616

01:14:20,680 --> 01:14:18,260

going cuz I don't wanna tell it to chick

1617

01:14:22,810 --> 01:14:20,690

got beat throwing spinning it as real as

1618

01:14:24,669 --> 01:14:22,820

it gets ending up knowing it won't be

1619

01:14:27,069 --> 01:14:24,679

enough to channel your fits cuz I'm

1620

01:14:29,050 --> 01:14:27,079

going a million ways I can get rich

1621

01:14:31,930 --> 01:14:29,060

you're just one so you should stop

1622

01:14:34,149 --> 01:14:31,940

trying to resist and get some joy just

1623

01:14:36,790 --> 01:14:34,159

to light up your wrist and trip from and

1624

01:14:39,640 --> 01:14:36,800

it's like you don't exist in

1625

01:14:42,189 --> 01:14:39,650

then you can try to get piston just gone

1626

01:14:44,890 --> 01:14:42,199

but you still think I'm the [\h__\h] so I

1627

01:14:48,310 --> 01:14:44,900

won even if you think I'm a [\h__\h] I'm
