

EPISODE 50:  
THE ROCKEFELLERS,  
THE ROTHSCHILDS,  
& THE BIG CONSPIRACY  
W/ JOHN SCURA

Battle Hymn

REVELATIONS OF THE SINISTER PLAN  
FOR A NEW WORLD ORDER

John Scura  
Dane Phillips

BROUGHT TO YOU BY:

onspiraTees.net

1  
00:00:07,990 --> 00:00:06,389  
we're here because we don't buy into the

2  
00:00:09,830 --> 00:00:08,000  
[h\_\_\h] of mainstream culture

3  
00:00:11,190 --> 00:00:09,840  
we're tired of the mundane passionless

4  
00:00:12,870 --> 00:00:11,200  
careers we've been shuffled into as a

5  
00:00:13,910 --> 00:00:12,880  
result of this orchestrated debt-based

6  
00:00:15,350 --> 00:00:13,920  
system of rule

7  
00:00:17,029 --> 00:00:15,360  
and the stranglehold on education

8  
00:00:18,470 --> 00:00:17,039  
entertainment by gold soulless

9  
00:00:21,590 --> 00:00:18,480  
corporations

10  
00:00:24,070 --> 00:00:21,600  
people yes we are frustrated yes

11  
00:00:25,429 --> 00:00:24,080  
we are tired and we reject the free

12  
00:00:27,830 --> 00:00:25,439  
approved tranquilizers that are monday

13  
00:00:29,990 --> 00:00:27,840

night football and an ice cold budweiser

14

00:00:31,189 --> 00:00:30,000

we have to stop hiding stop hiding

15

00:00:33,110 --> 00:00:31,199

behind the headphones in the cherry

16

00:00:34,709 --> 00:00:33,120

popper 420 username

17

00:00:36,709 --> 00:00:34,719

let the world see that the resistance is

18

00:00:38,549 --> 00:00:36,719

strong and society is changing

19

00:00:40,229 --> 00:00:38,559

there was a time to be anonymous but

20

00:00:41,750 --> 00:00:40,239

that time has passed

21

00:00:43,750 --> 00:00:41,760

and so the higher side chats would like

22

00:00:45,590 --> 00:00:43,760

to present conspiracies as the dawning

23

00:00:46,869 --> 00:00:45,600

of this new paradigm in the uniform of

24

00:00:48,389 --> 00:00:46,879

the revolution

25

00:00:50,549 --> 00:00:48,399

because bold fashion should mean more

26  
00:00:52,229 --> 00:00:50,559  
than some celebrity meat dress or frappu

27  
00:00:54,389 --> 00:00:52,239  
and a silly pink polo

28  
00:00:55,990 --> 00:00:54,399  
conspirates redefines bold fashion as

29  
00:00:57,029 --> 00:00:56,000  
having the balls to project socially

30  
00:00:58,869 --> 00:00:57,039  
uncomfortable

31  
00:01:00,389 --> 00:00:58,879  
and unpopular truths from your radiant

32  
00:01:03,830 --> 00:01:00,399  
chest all

33  
00:01:06,230 --> 00:01:03,840  
[h\_\_\h] day conspiracies.net

34  
00:01:07,510 --> 00:01:06,240  
let them know that you know bold designs

35  
00:01:15,990 --> 00:01:07,520  
for trouble times

36  
00:01:16,000 --> 00:01:19,749  
in the 1930s

37  
00:01:24,630 --> 00:01:21,429  
the nation through a series of radio

38  
00:01:26,710 --> 00:01:24,640

broadcasts known as the fireside chess

39

00:01:28,550 --> 00:01:26,720

his aim was to reassure the common man

40

00:01:33,749 --> 00:01:28,560

that our society would recover from its

41

00:01:44,789 --> 00:01:36,230

for a new era of worldly frustration we

42

00:01:48,789 --> 00:01:46,710

here we go our side chatters drinking a

43

00:01:51,109 --> 00:01:48,799

little drink smoking a little smoke from

44

00:01:53,190 --> 00:01:51,119

san diego i'm greg carlwood celebrating

45

00:01:55,270 --> 00:01:53,200

50 glorious episodes of the higher side

46

00:01:57,510 --> 00:01:55,280

chats it has been a wild ride

47

00:01:59,190 --> 00:01:57,520

thanks everyone for all your help in

48

00:02:00,550 --> 00:01:59,200

making the show what it is today i can't

49

00:02:02,870 --> 00:02:00,560

believe there's been so many great

50

00:02:05,030 --> 00:02:02,880

guests on thc just in the first

51  
00:02:07,429 --> 00:02:05,040  
50 episodes i mean i've spoken with

52  
00:02:09,749 --> 00:02:07,439  
comedian zari shafir and joey diaz

53  
00:02:10,630 --> 00:02:09,759  
vice presidential candidate judge jim

54  
00:02:12,470 --> 00:02:10,640  
gray

55  
00:02:14,470 --> 00:02:12,480  
to people like philip copens jacques

56  
00:02:15,350 --> 00:02:14,480  
fresco and nick redfern we've covered so

57  
00:02:17,350 --> 00:02:15,360  
many topics

58  
00:02:19,670 --> 00:02:17,360  
including ufos time travel ancient

59  
00:02:21,910 --> 00:02:19,680  
technologies secret government projects

60  
00:02:22,869 --> 00:02:21,920  
and resource-based economies but i

61  
00:02:25,270 --> 00:02:22,879  
thought we could take

62  
00:02:27,030 --> 00:02:25,280  
the time with episode 50 to do a little

63  
00:02:29,990 --> 00:02:27,040

the groundwork we may have glossed over

64

00:02:31,509 --> 00:02:30,000

at times a conspiracy 101 if you will

65

00:02:32,710 --> 00:02:31,519

and i could think of none better than

66

00:02:34,550 --> 00:02:32,720

john scrow author of the

67

00:02:36,390 --> 00:02:34,560

all-encompassing textbook to the global

68

00:02:37,430 --> 00:02:36,400

elite battle him to guide us through

69

00:02:39,430 --> 00:02:37,440

that hour

70

00:02:41,830 --> 00:02:39,440

john screw is a journalist author and

71

00:02:43,589 --> 00:02:41,840

emmy nominated tv producer he's produced

72

00:02:45,750 --> 00:02:43,599

shows for merv griffin jone rivers and

73

00:02:47,350 --> 00:02:45,760

arsenio hall just to name a few

74

00:02:49,350 --> 00:02:47,360

before he partnered up with long time

75

00:02:51,430 --> 00:02:49,360

friend dane phillips to comprise what i

76

00:02:52,229 --> 00:02:51,440

would respectfully call a conspiracy

77

00:02:54,390 --> 00:02:52,239

textbook

78

00:02:56,470 --> 00:02:54,400

called battle hem coming in at just over

79

00:02:57,910 --> 00:02:56,480

400 pages it's the best resource i've

80

00:02:59,030 --> 00:02:57,920

come across for learning of who these

81

00:03:00,630 --> 00:02:59,040

elite families are

82

00:03:03,509 --> 00:03:00,640

how they manipulate world events and

83

00:03:05,110 --> 00:03:03,519

what their plans are a phenomenal expose

84

00:03:07,030 --> 00:03:05,120

on the puppet masters and a perfect

85

00:03:08,390 --> 00:03:07,040

topic for such an important milestone as

86

00:03:10,949 --> 00:03:08,400

the 50th episode

87

00:03:12,149 --> 00:03:10,959

john welcome to the show uh hi greg

88

00:03:14,630 --> 00:03:12,159

thank you for having me

89

00:03:16,070 --> 00:03:14,640  
absolutely the book is great it's a

90

00:03:18,229 --> 00:03:16,080  
phenomenal book

91

00:03:19,430 --> 00:03:18,239  
not a single useless sentence jam-packed

92

00:03:21,350 --> 00:03:19,440  
with information

93

00:03:23,110 --> 00:03:21,360  
but i am curious to hear what got you

94

00:03:25,030 --> 00:03:23,120  
out of producing tv shows for people

95

00:03:25,589 --> 00:03:25,040  
like merv griffin arsenio hall and into

96

00:03:27,670 --> 00:03:25,599  
such

97

00:03:28,869 --> 00:03:27,680  
isolating subject matter as the global

98

00:03:31,110 --> 00:03:28,879  
elite

99

00:03:31,990 --> 00:03:31,120  
yeah well you know i spent 20 years

100

00:03:34,949 --> 00:03:32,000  
doing uh doing

101  
00:03:35,589 --> 00:03:34,959  
tv and you know i i didn't choose you

102  
00:03:38,070 --> 00:03:35,599  
know

103  
00:03:39,990 --> 00:03:38,080  
when i was uh getting out of college to

104  
00:03:41,589 --> 00:03:40,000  
produce the tv shows talk shows and

105  
00:03:42,470 --> 00:03:41,599  
stuff like that but it was a comfortable

106  
00:03:46,229 --> 00:03:42,480  
living

107  
00:03:48,789 --> 00:03:46,239  
um anyway i uh you know i i just went

108  
00:03:50,229 --> 00:03:48,799  
i went i was in print before i got into

109  
00:03:53,429 --> 00:03:50,239  
television i was a journalist

110  
00:03:56,789 --> 00:03:53,439  
and so uh after tv i went back to it and

111  
00:03:59,670 --> 00:03:56,799  
uh this was kind of the logical outcome

112  
00:03:59,990 --> 00:03:59,680  
right on well i mean i mentioned to you

113  
00:04:02,070 --> 00:04:00,000

in

114

00:04:03,670 --> 00:04:02,080

our emails and earlier we brought up

115

00:04:05,750 --> 00:04:03,680

that we haven't really done a broad

116

00:04:07,429 --> 00:04:05,760

overview of the puppet master families

117

00:04:09,190 --> 00:04:07,439

there are political groups secret

118

00:04:10,710 --> 00:04:09,200

societies and think tanks

119

00:04:11,670 --> 00:04:10,720

i think a lot of people recognize the

120

00:04:13,110 --> 00:04:11,680

names of these families and

121

00:04:15,589 --> 00:04:13,120

organizations but they

122

00:04:17,670 --> 00:04:15,599

don't really know much else and i know a

123

00:04:19,430 --> 00:04:17,680

lot of the crossover gets hazy for me i

124

00:04:20,949 --> 00:04:19,440

think the one thing i love about battle

125

00:04:22,310 --> 00:04:20,959

hymn is that you you say it wasn't

126

00:04:24,150 --> 00:04:22,320

written for the believer it's written to

127

00:04:25,510 --> 00:04:24,160

be a wake-up call for those who haven't

128

00:04:25,990 --> 00:04:25,520

explored this type of material and

129

00:04:27,510 --> 00:04:26,000

that's

130

00:04:29,830 --> 00:04:27,520

what i'd like to do with the show in a

131

00:04:30,629 --> 00:04:29,840

sense provide a nice informational chunk

132

00:04:32,230 --> 00:04:30,639

of audio

133

00:04:34,629 --> 00:04:32,240

that someone can share with friends or

134

00:04:37,030 --> 00:04:34,639

family who might not take this situation

135

00:04:37,749 --> 00:04:37,040

seriously so let's take the trip let's

136

00:04:39,670 --> 00:04:37,759

start out with

137

00:04:40,950 --> 00:04:39,680

probably the most infamous family of all

138

00:04:43,110 --> 00:04:40,960

the rockefellers

139

00:04:44,390 --> 00:04:43,120

what'd you find out about them yeah sure

140

00:04:46,230 --> 00:04:44,400

the rockefellers

141

00:04:47,830 --> 00:04:46,240

i started i started out the book with

142

00:04:50,950 --> 00:04:47,840

them because they are so

143

00:04:52,550 --> 00:04:50,960

active and have been for generations in

144

00:04:55,830 --> 00:04:52,560

uh creating uh

145

00:04:58,150 --> 00:04:55,840

a a sort of uh one world government

146

00:04:59,590 --> 00:04:58,160

that's what they've been after

147

00:05:01,670 --> 00:04:59,600

you know it all starts with john d

148

00:05:05,909 --> 00:05:01,680

rockefeller um everybody

149

00:05:09,430 --> 00:05:05,919

i think is uh familiar with him in 1863

150

00:05:12,230 --> 00:05:09,440

he uh he built his first refinery and uh

151  
00:05:13,909 --> 00:05:12,240  
and seven years later he incorporated

152  
00:05:17,110 --> 00:05:13,919  
standard oil of ohio

153  
00:05:19,350 --> 00:05:17,120  
he hated competition uh and loved

154  
00:05:21,270 --> 00:05:19,360  
monopoly so he formed

155  
00:05:22,870 --> 00:05:21,280  
his first monopoly in this business

156  
00:05:24,070 --> 00:05:22,880  
through the national city bank of

157  
00:05:26,070 --> 00:05:24,080  
cleveland which

158  
00:05:28,150 --> 00:05:26,080  
was owned by the rothschilds according

159  
00:05:30,230 --> 00:05:28,160  
to a congressional hearing

160  
00:05:31,590 --> 00:05:30,240  
uh the rothschilds we will have to hear

161  
00:05:33,110 --> 00:05:31,600  
about more later because

162  
00:05:35,189 --> 00:05:33,120  
obviously it's a foreign family a

163  
00:05:37,430 --> 00:05:35,199

banking family that has been

164

00:05:39,749 --> 00:05:37,440

for decades trying to insinuate itself

165

00:05:43,430 --> 00:05:39,759

into the american fabric

166

00:05:45,189 --> 00:05:43,440

uh by 1880 john d owned or controlled 95

167

00:05:47,110 --> 00:05:45,199

percent of the oil produced in the

168

00:05:49,029 --> 00:05:47,120

united states and you know that's

169

00:05:52,790 --> 00:05:49,039

mind-boggling right there because right

170

00:05:53,189 --> 00:05:52,800

basically uh 17 years uh he maintained

171

00:05:55,990 --> 00:05:53,199

this

172

00:05:57,909 --> 00:05:56,000

monopoly despite attempts of congress uh

173

00:06:00,390 --> 00:05:57,919

the ohio supreme court

174

00:06:02,230 --> 00:06:00,400

and the u.s supreme court and to uh to

175

00:06:05,189 --> 00:06:02,240

break up standard oil

176

00:06:05,990 --> 00:06:05,199

he uh eventually passed along control to

177

00:06:09,830 --> 00:06:06,000

his son john

178

00:06:11,590 --> 00:06:09,840

d rockefeller jr in 1922 and it was

179

00:06:12,629 --> 00:06:11,600

junior who got the corporation involved

180

00:06:14,870 --> 00:06:12,639

in philanthropic

181

00:06:17,430 --> 00:06:14,880

organizations basically to ease the

182

00:06:19,749 --> 00:06:17,440

public's impression of the firm

183

00:06:20,870 --> 00:06:19,759

the rockefeller foundation for instance

184

00:06:24,550 --> 00:06:20,880

chaired by john

185

00:06:26,469 --> 00:06:24,560

rockefeller iii donated huge sums to

186

00:06:27,749 --> 00:06:26,479

various charities and causes

187

00:06:30,230 --> 00:06:27,759

particularly

188

00:06:32,309 --> 00:06:30,240

the population council and other uh

189

00:06:35,029 --> 00:06:32,319

entities for most promoting

190

00:06:36,309 --> 00:06:35,039

eugenics which was a rockefeller family

191

00:06:39,110 --> 00:06:36,319

interest for

192

00:06:41,590 --> 00:06:39,120

the previous three generations now um

193

00:06:43,270 --> 00:06:41,600

rockefeller's famous descendants uh

194

00:06:45,029 --> 00:06:43,280

uh among the most famous of course was

195

00:06:46,469 --> 00:06:45,039

nelson rockefeller because he almost

196

00:06:49,029 --> 00:06:46,479

became our president

197

00:06:51,189 --> 00:06:49,039

right uh he began he began uh government

198

00:06:53,189 --> 00:06:51,199

work in the latin america affairs which

199

00:06:55,350 --> 00:06:53,199

was an intelligence position during the

200

00:06:58,230 --> 00:06:55,360

fdr administration uh

201  
00:07:00,309 --> 00:06:58,240  
intending to monopolize raw materials in

202  
00:07:02,629 --> 00:07:00,319  
latin america for the u.s

203  
00:07:03,990 --> 00:07:02,639  
while excluding the europeans by the end

204  
00:07:06,230 --> 00:07:04,000  
of world war ii nelson

205  
00:07:07,670 --> 00:07:06,240  
dealt with uh germans living in south

206  
00:07:10,070 --> 00:07:07,680  
america which was a

207  
00:07:11,830 --> 00:07:10,080  
potential embarrassment and david

208  
00:07:14,309 --> 00:07:11,840  
ben-gurion

209  
00:07:14,870 --> 00:07:14,319  
took advantage of this essentially the

210  
00:07:16,950 --> 00:07:14,880  
israeli

211  
00:07:18,870 --> 00:07:16,960  
faction blackmailed nelson rockefeller

212  
00:07:20,309 --> 00:07:18,880  
into using his tremendous influence with

213  
00:07:22,550 --> 00:07:20,319

the latin nations

214

00:07:24,309 --> 00:07:22,560

to line up their votes in favor of

215

00:07:27,189 --> 00:07:24,319

creating the israeli state

216

00:07:28,870 --> 00:07:27,199

by the u.n resolution this was revealed

217

00:07:31,110 --> 00:07:28,880

by john loftis and mark

218

00:07:32,390 --> 00:07:31,120

arons in their book called the secret

219

00:07:35,749 --> 00:07:32,400

war against the jews

220

00:07:36,790 --> 00:07:35,759

and they had eyewitnesses and cia

221

00:07:39,749 --> 00:07:36,800

documentary

222

00:07:41,749 --> 00:07:39,759

documentation to back this up so anyway

223

00:07:42,950 --> 00:07:41,759

back to nelson he served four terms as a

224

00:07:44,790 --> 00:07:42,960

new york governor

225

00:07:46,469 --> 00:07:44,800

but failed three times to be nominated

226

00:07:49,830 --> 00:07:46,479

for the presidency

227

00:07:50,629 --> 00:07:49,840

he uh he made vice president in 1974

228

00:07:53,189 --> 00:07:50,639

when

229

00:07:54,390 --> 00:07:53,199

gerald ford replaced nixon in 1979 of

230

00:07:55,830 --> 00:07:54,400

course nelson died an

231

00:07:57,990 --> 00:07:55,840

apparent heart attack while he was

232

00:08:01,270 --> 00:07:58,000

having sex with a female staffer named

233

00:08:03,510 --> 00:08:01,280

megan marshak who in his will received

234

00:08:04,950 --> 00:08:03,520

fifty thousand dollars on the deed to a

235

00:08:07,990 --> 00:08:04,960

new york town house

236

00:08:10,629 --> 00:08:08,000

convenient yeah uh the most uh

237

00:08:11,430 --> 00:08:10,639

influential of the rockefellers is david

238

00:08:13,589 --> 00:08:11,440

who

239

00:08:14,869 --> 00:08:13,599

just won't go away he's well into his

240

00:08:17,830 --> 00:08:14,879

90s now

241

00:08:18,950 --> 00:08:17,840

and uh still exercising an incredible

242

00:08:21,909 --> 00:08:18,960

amount of influence

243

00:08:22,309 --> 00:08:21,919

on policy and our government right up to

244

00:08:25,589 --> 00:08:22,319

the top

245

00:08:26,550 --> 00:08:25,599

levels david attended the london school

246

00:08:28,150 --> 00:08:26,560

of economics

247

00:08:30,150 --> 00:08:28,160

which was funded by the rockefeller

248

00:08:30,790 --> 00:08:30,160

foundation and was heavily influenced

249

00:08:33,509 --> 00:08:30,800

there

250

00:08:35,190 --> 00:08:33,519

by haralafsky of britain britain's

251  
00:08:38,149 --> 00:08:35,200  
socialist party

252  
00:08:40,949 --> 00:08:38,159  
david worked for the osf in north africa

253  
00:08:42,790 --> 00:08:40,959  
during the war and uh

254  
00:08:45,350 --> 00:08:42,800  
this explains his intelligence ties

255  
00:08:48,150 --> 00:08:45,360  
today and they are strong believe me

256  
00:08:49,829 --> 00:08:48,160  
uh he became a board chairman and ceo of

257  
00:08:52,470 --> 00:08:49,839  
chase manhattan corporation

258  
00:08:55,350 --> 00:08:52,480  
uh and he joined the council on foreign

259  
00:08:58,949 --> 00:08:55,360  
relations which we call the cfr now

260  
00:09:01,110 --> 00:08:58,959  
as early as 1941 and 30 years later he

261  
00:09:02,790 --> 00:09:01,120  
formed the trilateral commission

262  
00:09:04,790 --> 00:09:02,800  
with generous donations from the

263  
00:09:07,750 --> 00:09:04,800

rockefeller brothers fund

264

00:09:09,269 --> 00:09:07,760

which had a refocused one-world strategy

265

00:09:11,509 --> 00:09:09,279

that's something that they wrote

266

00:09:13,110 --> 00:09:11,519

in their own report david wrote in his

267

00:09:16,150 --> 00:09:13,120

memoir and i'm quoting this

268

00:09:17,350 --> 00:09:16,160

quote some even believe we are part of a

269

00:09:19,190 --> 00:09:17,360

secret cabal

270

00:09:20,630 --> 00:09:19,200

working against the best interest of the

271

00:09:23,310 --> 00:09:20,640

united states

272

00:09:24,949 --> 00:09:23,320

characterizing my family and me as

273

00:09:27,750 --> 00:09:24,959

internationalists

274

00:09:29,350 --> 00:09:27,760

and of conspiring with the others around

275

00:09:32,070 --> 00:09:29,360

the world to bring

276

00:09:33,590 --> 00:09:32,080

more integrated uh a global political

277

00:09:36,230 --> 00:09:33,600

and economic structure

278

00:09:37,269 --> 00:09:36,240

uh one world if you will and then he

279

00:09:39,350 --> 00:09:37,279

closes by saying

280

00:09:41,509 --> 00:09:39,360

if that's the charge i stand guilty and

281

00:09:44,310 --> 00:09:41,519

i am proud of it

282

00:09:45,910 --> 00:09:44,320

yeah that is a very telling quote it's

283

00:09:47,910 --> 00:09:45,920

it's one of the best out there but your

284

00:09:49,670 --> 00:09:47,920

book is full of great quotes which

285

00:09:51,190 --> 00:09:49,680

i think makes it awesome for someone

286

00:09:52,550 --> 00:09:51,200

who's a bit of a skeptic

287

00:09:55,269 --> 00:09:52,560

who might be reading through and they

288

00:09:57,190 --> 00:09:55,279

can see these people themselves

289

00:09:58,870 --> 00:09:57,200

you know making the case that they're

290

00:10:01,030 --> 00:09:58,880

part of this conspiracy

291

00:10:03,269 --> 00:10:01,040

i did want to revisit if we could nelson

292

00:10:04,069 --> 00:10:03,279

rockefeller's dealings with nazis in

293

00:10:07,030 --> 00:10:04,079

south america

294

00:10:09,430 --> 00:10:07,040

because it's a story of essentially how

295

00:10:10,470 --> 00:10:09,440

israel became a country which is a huge

296

00:10:14,150 --> 00:10:10,480

source of

297

00:10:16,470 --> 00:10:14,160

of conflict and problems even today

298

00:10:18,069 --> 00:10:16,480

yeah yeah well you know uh there were a

299

00:10:21,190 --> 00:10:18,079

tremendous number of

300

00:10:23,910 --> 00:10:21,200

uh nazis uh who would

301  
00:10:25,030 --> 00:10:23,920  
escape to south america of course and

302  
00:10:27,670 --> 00:10:25,040  
nelson was

303  
00:10:28,790 --> 00:10:27,680  
you know dealing with them um you know

304  
00:10:30,630 --> 00:10:28,800  
this is immediately

305  
00:10:32,550 --> 00:10:30,640  
you know actually during the war as well

306  
00:10:35,829 --> 00:10:32,560  
as immediately afterwards

307  
00:10:38,550 --> 00:10:35,839  
so um this is obviously an embarrassment

308  
00:10:39,110 --> 00:10:38,560  
and uh ben gurion and the uh israeli

309  
00:10:41,670 --> 00:10:39,120  
faction

310  
00:10:43,190 --> 00:10:41,680  
uh used this against nelson to basically

311  
00:10:46,710 --> 00:10:43,200  
blackmail him

312  
00:10:50,310 --> 00:10:46,720  
um and as i said you know this is

313  
00:10:50,870 --> 00:10:50,320

is supported by eyewitnesses who are

314

00:10:52,790 --> 00:10:50,880

there

315

00:10:54,870 --> 00:10:52,800

as well as cia documents that have been

316

00:10:56,230 --> 00:10:54,880

released

317

00:10:58,470 --> 00:10:56,240

yeah it's so crazy because they

318

00:10:59,110 --> 00:10:58,480

basically said this is what we want we

319

00:11:01,350 --> 00:10:59,120

want

320

00:11:02,310 --> 00:11:01,360

you know our a nation state right here

321

00:11:05,509 --> 00:11:02,320

on this

322

00:11:06,870 --> 00:11:05,519

sacred area in the middle east and they

323

00:11:08,550 --> 00:11:06,880

got it now i've always thought it was a

324

00:11:11,030 --> 00:11:08,560

bit weird why

325

00:11:12,389 --> 00:11:11,040

america is in such lockstep with that

326

00:11:12,870 --> 00:11:12,399

whole thing you point out in the book

327

00:11:16,949 --> 00:11:12,880

that

328

00:11:19,110 --> 00:11:16,959

still come out today well yeah yeah i i

329

00:11:21,190 --> 00:11:19,120

don't think it's as powerful as a sort

330

00:11:21,910 --> 00:11:21,200

of damocles over our heads as it was

331

00:11:24,230 --> 00:11:21,920

back then

332

00:11:25,910 --> 00:11:24,240

because you know a lot of americans are

333

00:11:27,509 --> 00:11:25,920

are they what they already know that

334

00:11:28,069 --> 00:11:27,519

operation paper clip took place and

335

00:11:30,069 --> 00:11:28,079

there was

336

00:11:31,269 --> 00:11:30,079

more to it than just you know taking

337

00:11:33,430 --> 00:11:31,279

rocket scientists

338

00:11:35,350 --> 00:11:33,440

they were they were taking nazi doctors

339

00:11:38,389 --> 00:11:35,360

who you know committed the most

340

00:11:40,470 --> 00:11:38,399

uh outrageous uh and heinous acts

341

00:11:41,910 --> 00:11:40,480

in in their experiments they took

342

00:11:43,350 --> 00:11:41,920

everybody they could find they took

343

00:11:45,590 --> 00:11:43,360

people who were you know

344

00:11:47,590 --> 00:11:45,600

were developing sarin gas and then you

345

00:11:50,310 --> 00:11:47,600

know other nerve agents

346

00:11:51,910 --> 00:11:50,320

right well um anyway that's kind of

347

00:11:54,629 --> 00:11:51,920

known now but back then

348

00:11:54,949 --> 00:11:54,639

you know it was explosive and basically

349

00:11:58,629 --> 00:11:54,959

they

350

00:12:00,230 --> 00:11:58,639

rockefeller with this stuff and said hey

351

00:12:02,629 --> 00:12:00,240

you know play ball with us

352

00:12:03,670 --> 00:12:02,639

uh we want the south american nations

353

00:12:06,069 --> 00:12:03,680

voting uh

354

00:12:07,829 --> 00:12:06,079

for an israeli state uh or else we're

355

00:12:10,949 --> 00:12:07,839

gonna release this

356

00:12:12,629 --> 00:12:10,959

yeah it's so crazy that that nelson had

357

00:12:12,949 --> 00:12:12,639

the power to just be like all right you

358

00:12:14,790 --> 00:12:12,959

know

359

00:12:16,870 --> 00:12:14,800

get off my back with this stuff and it's

360

00:12:17,910 --> 00:12:16,880

such a huge thing to be able to deliver

361

00:12:19,670 --> 00:12:17,920

votes for that but

362

00:12:21,990 --> 00:12:19,680

let's uh get into of course the other

363

00:12:24,470 --> 00:12:22,000

historic family the rothschilds

364

00:12:25,910 --> 00:12:24,480

how did they get so powerful well yeah

365

00:12:28,870 --> 00:12:25,920

it all starts uh

366

00:12:32,629 --> 00:12:28,880

uh with meyer amshal bauer uh who was

367

00:12:35,829 --> 00:12:32,639

born in frankfurt way back in 1744.

368

00:12:38,710 --> 00:12:35,839

uh he apprenticed at a banking house and

369

00:12:39,829 --> 00:12:38,720

uh finally somehow became court

370

00:12:42,150 --> 00:12:39,839

financier

371

00:12:43,670 --> 00:12:42,160

to william the night of hesse castle

372

00:12:46,150 --> 00:12:43,680

wayne the knight was a mason

373

00:12:47,110 --> 00:12:46,160

and to ingratiate himself with his

374

00:12:50,629 --> 00:12:47,120

employer

375

00:12:52,470 --> 00:12:50,639

meyer became a mason himself and

376

00:12:55,110 --> 00:12:52,480

this set the family pattern of doing

377

00:12:56,870 --> 00:12:55,120

business with reigning houses of europe

378

00:12:58,310 --> 00:12:56,880

now the family fortune began when

379

00:13:00,710 --> 00:12:58,320

william of hesse received

380

00:13:02,550 --> 00:13:00,720

a lot of money from england during the

381

00:13:03,910 --> 00:13:02,560

american revolution to supply his

382

00:13:05,910 --> 00:13:03,920

hessian troops

383

00:13:07,910 --> 00:13:05,920

uh he gave this money from that he

384

00:13:09,269 --> 00:13:07,920

received from england to meyer to be

385

00:13:11,670 --> 00:13:09,279

invested but meyer

386

00:13:13,509 --> 00:13:11,680

instead gave it to his son nathan to

387

00:13:15,269 --> 00:13:13,519

establish himself as head of the family

388

00:13:17,910 --> 00:13:15,279

business in london

389

00:13:20,389 --> 00:13:17,920

he eventually repaid william but only

390

00:13:23,110 --> 00:13:20,399

after nathan had been set up

391

00:13:23,829 --> 00:13:23,120

now according to nathan rothschild he

392

00:13:26,069 --> 00:13:23,839

increased

393

00:13:29,750 --> 00:13:26,079

the 20 000 pounds that his dad gave him

394

00:13:33,190 --> 00:13:29,760

to 50 million pounds in just a few years

395

00:13:34,790 --> 00:13:33,200

by 1815 nathan was principal financier

396

00:13:36,310 --> 00:13:34,800

of the british government and the bank

397

00:13:38,230 --> 00:13:36,320

of england uh

398

00:13:39,910 --> 00:13:38,240

later the rothschilds took control of

399

00:13:41,509 --> 00:13:39,920

the bank of england

400

00:13:43,430 --> 00:13:41,519

uh you're probably familiar with the

401  
00:13:43,829 --> 00:13:43,440  
waterloo story that you read in the book

402  
00:13:47,269 --> 00:13:43,839  
right

403  
00:13:49,590 --> 00:13:47,279  
sure bob

404  
00:13:50,629 --> 00:13:49,600  
well yeah what happened was nathan had

405  
00:13:51,990 --> 00:13:50,639  
agents

406  
00:13:55,030 --> 00:13:52,000  
first of all he gave money to both

407  
00:13:58,150 --> 00:13:55,040  
napoleon and to the british

408  
00:14:01,350 --> 00:13:58,160  
army and he had agents there

409  
00:14:03,670 --> 00:14:01,360  
on the front with both people and so

410  
00:14:05,430 --> 00:14:03,680  
when wellington defeated napoleon at

411  
00:14:07,670 --> 00:14:05,440  
waterloo the final defeat

412  
00:14:09,990 --> 00:14:07,680  
nathan had the information a day before

413  
00:14:13,110 --> 00:14:10,000

everybody else and he play acted

414

00:14:14,949 --> 00:14:13,120

like uh he was disappointed and

415

00:14:16,470 --> 00:14:14,959

all the investors you know with a sharp

416

00:14:20,310 --> 00:14:16,480

eye on nathan

417

00:14:23,430 --> 00:14:20,320

sold and nathan bought things

418

00:14:25,990 --> 00:14:23,440

at pennies on the dollar uh so when the

419

00:14:27,829 --> 00:14:26,000

the truth came out that you know the

420

00:14:28,389 --> 00:14:27,839

other investors were snooker then nathan

421

00:14:29,990 --> 00:14:28,399

had

422

00:14:32,470 --> 00:14:30,000

basically a controlling interest in the

423

00:14:34,389 --> 00:14:32,480

bank of england

424

00:14:36,470 --> 00:14:34,399

yeah i mean that seems to be the

425

00:14:38,389 --> 00:14:36,480

rothschild strategy all along is i mean

426

00:14:40,310 --> 00:14:38,399

obviously it's more complicated than

427

00:14:42,629 --> 00:14:40,320

buy low sell high but it seems like

428

00:14:44,870 --> 00:14:42,639

they've just been notorious for

429

00:14:46,470 --> 00:14:44,880

manipulating the way investors feel and

430

00:14:47,750 --> 00:14:46,480

the way investors act and then

431

00:14:49,590 --> 00:14:47,760

capitalizing

432

00:14:51,590 --> 00:14:49,600

when the market is low it's kind of

433

00:14:52,230 --> 00:14:51,600

crazy but i think a big problem skeptics

434

00:14:54,550 --> 00:14:52,240

have

435

00:14:57,189 --> 00:14:54,560

with with these families is that john d

436

00:15:00,389 --> 00:14:57,199

rockefeller was building his oil empire

437

00:15:02,150 --> 00:15:00,399

in like 1860 and mayor rothschild rose

438

00:15:03,750 --> 00:15:02,160

to wealth and power in the 1800s as well

439

00:15:05,990 --> 00:15:03,760

it seems hard to believe

440

00:15:07,670 --> 00:15:06,000

that almost 200 years later we're still

441

00:15:08,470 --> 00:15:07,680

stuck under the control of just a few

442

00:15:09,750 --> 00:15:08,480

families but

443

00:15:12,150 --> 00:15:09,760

how have they progressed through the

444

00:15:13,910 --> 00:15:12,160

years have they maintained this power

445

00:15:15,910 --> 00:15:13,920

well yeah it's you know i mean they've

446

00:15:17,750 --> 00:15:15,920

been uh this is part of a plan and it's

447

00:15:19,189 --> 00:15:17,760

generational the rothschilds go back to

448

00:15:21,110 --> 00:15:19,199

the 18th century

449

00:15:22,629 --> 00:15:21,120

and you know they had that have they had

450

00:15:25,910 --> 00:15:22,639

a very clear

451

00:15:27,829 --> 00:15:25,920

uh agenda you know which is to keep

452

00:15:28,790 --> 00:15:27,839

getting more and more power and more and

453

00:15:30,949 --> 00:15:28,800

more control

454

00:15:31,910 --> 00:15:30,959

over the royal houses and other

455

00:15:35,030 --> 00:15:31,920

governments of the

456

00:15:37,910 --> 00:15:35,040

world and they have succeeded

457

00:15:39,670 --> 00:15:37,920

uh tremendously you know around 1804

458

00:15:42,790 --> 00:15:39,680

meyer changed the family name

459

00:15:44,790 --> 00:15:42,800

from bauer to rothschild which was

460

00:15:47,509 --> 00:15:44,800

which means red shield it was taken from

461

00:15:49,670 --> 00:15:47,519

the emblem on the homes of his ancestors

462

00:15:50,550 --> 00:15:49,680

this was due probably because of the

463

00:15:52,949 --> 00:15:50,560

reigning

464

00:15:54,870 --> 00:15:52,959

anti-semitism in europe at the time

465

00:15:56,710 --> 00:15:54,880

meyer's other sons the sites of nathan

466

00:15:58,150 --> 00:15:56,720

established themselves in banking

467

00:16:01,030 --> 00:15:58,160

sectors of paris

468

00:16:03,110 --> 00:16:01,040

vienna and naples and the family's power

469

00:16:04,710 --> 00:16:03,120

and riches grew until they could receive

470

00:16:06,629 --> 00:16:04,720

titles of nobility from

471

00:16:08,230 --> 00:16:06,639

the indebted royal families you know you

472

00:16:10,470 --> 00:16:08,240

have to understand something uh

473

00:16:11,350 --> 00:16:10,480

the whole point of a bank is to create

474

00:16:13,829 --> 00:16:11,360

debt

475

00:16:15,829 --> 00:16:13,839

right and um when you're dealing with

476  
00:16:16,870 --> 00:16:15,839  
royal houses and governments i mean

477  
00:16:18,949 --> 00:16:16,880  
you've got

478  
00:16:20,949 --> 00:16:18,959  
the most powerful institutions in the

479  
00:16:23,910 --> 00:16:20,959  
entire world indebted to you

480  
00:16:24,629 --> 00:16:23,920  
right so you get to call the tune many

481  
00:16:26,550 --> 00:16:24,639  
times

482  
00:16:28,069 --> 00:16:26,560  
now the rough girls have always seen

483  
00:16:31,030 --> 00:16:28,079  
america as a plum

484  
00:16:33,189 --> 00:16:31,040  
that they wanted um they financed the

485  
00:16:33,590 --> 00:16:33,199  
carnegies the vanderbilts the harrimans

486  
00:16:35,030 --> 00:16:33,600  
uh

487  
00:16:36,790 --> 00:16:35,040  
you know in their railroad and steel

488  
00:16:37,670 --> 00:16:36,800

businesses in addition to the morgans

489

00:16:39,590 --> 00:16:37,680

they were

490

00:16:40,790 --> 00:16:39,600

really tied close to the morgans by the

491

00:16:43,829 --> 00:16:40,800

way uh

492

00:16:47,670 --> 00:16:43,839

the morgans uh were almost like like

493

00:16:49,990 --> 00:16:47,680

employees as powerful as jp morgan was

494

00:16:52,150 --> 00:16:50,000

it was almost a rothschild employee so

495

00:16:53,350 --> 00:16:52,160

in 1837 the rossignol sent august

496

00:16:56,470 --> 00:16:53,360

schoenberg to the

497

00:16:58,550 --> 00:16:56,480

united states as their agent schoenberg

498

00:17:00,629 --> 00:16:58,560

changed his name to august belmont

499

00:17:02,629 --> 00:17:00,639

and started buying u.s government bonds

500

00:17:04,710 --> 00:17:02,639

with no apparent source of capital

501  
00:17:06,630 --> 00:17:04,720  
belmont made generous contributions to

502  
00:17:07,590 --> 00:17:06,640  
the democratic party which led to his

503  
00:17:10,230 --> 00:17:07,600  
appointment as u.s

504  
00:17:11,990 --> 00:17:10,240  
representative to the hague between 1853

505  
00:17:15,750 --> 00:17:12,000  
and 1857

506  
00:17:17,429 --> 00:17:15,760  
uh he married commodore perry's daughter

507  
00:17:18,949 --> 00:17:17,439  
matthew perry's daughter which cemented

508  
00:17:20,870 --> 00:17:18,959  
his social standing and he became

509  
00:17:22,470 --> 00:17:20,880  
president of the jockey club as a reward

510  
00:17:23,350 --> 00:17:22,480  
for bringing thoroughbred racing to

511  
00:17:25,350 --> 00:17:23,360  
america

512  
00:17:26,549 --> 00:17:25,360  
um belmont park in new york still bears

513  
00:17:28,870 --> 00:17:26,559

his name

514

00:17:29,830 --> 00:17:28,880

but uh in any case he was uh he was

515

00:17:32,870 --> 00:17:29,840

definitely a

516

00:17:35,830 --> 00:17:32,880

rothschild agent uh you know making

517

00:17:37,590 --> 00:17:35,840

moves for them here in the united states

518

00:17:39,430 --> 00:17:37,600

man do you think there's a certain

519

00:17:41,669 --> 00:17:39,440

amount of luck involved with acquiring

520

00:17:44,070 --> 00:17:41,679

this much power and influence

521

00:17:44,950 --> 00:17:44,080

no i think it was a plan set down in the

522

00:17:47,909 --> 00:17:44,960

very beginning

523

00:17:49,270 --> 00:17:47,919

um if you read the epilogue of the book

524

00:17:52,710 --> 00:17:49,280

you'll see there are

525

00:17:55,270 --> 00:17:52,720

i think 25 uh instructions on how

526  
00:17:56,310 --> 00:17:55,280  
to gain and cement power over

527  
00:17:57,909 --> 00:17:56,320  
governments

528  
00:17:59,350 --> 00:17:57,919  
right i mean but they've kind of gotten

529  
00:18:01,830 --> 00:17:59,360  
lucky in that they've never

530  
00:18:02,950 --> 00:18:01,840  
really gotten exposed or completely

531  
00:18:04,950 --> 00:18:02,960  
taken out i mean

532  
00:18:06,870 --> 00:18:04,960  
considering that the group is so small

533  
00:18:07,190 --> 00:18:06,880  
if someone really found this information

534  
00:18:09,590 --> 00:18:07,200  
out

535  
00:18:11,190 --> 00:18:09,600  
early enough you feel like a handful of

536  
00:18:14,230 --> 00:18:11,200  
bullets could put a stop to

537  
00:18:16,470 --> 00:18:14,240  
most of it well one of the uh one of the

538  
00:18:17,350 --> 00:18:16,480

instructions in the 25 that i mentioned

539

00:18:20,870 --> 00:18:17,360

was to

540

00:18:22,870 --> 00:18:20,880

control the press and they do

541

00:18:24,789 --> 00:18:22,880

you know the press as i mentioned in the

542

00:18:26,830 --> 00:18:24,799

book is controlled

543

00:18:27,990 --> 00:18:26,840

in the western world by just six

544

00:18:29,909 --> 00:18:28,000

corporations

545

00:18:31,590 --> 00:18:29,919

here in america it's just five the sixth

546

00:18:33,430 --> 00:18:31,600

corporation is a german corporation that

547

00:18:35,190 --> 00:18:33,440

controls most of

548

00:18:36,789 --> 00:18:35,200

in fact nearly all of the major

549

00:18:38,310 --> 00:18:36,799

publishing houses here in the united

550

00:18:40,710 --> 00:18:38,320

states and overseas

551  
00:18:41,430 --> 00:18:40,720  
but uh you know all of the mainstream

552  
00:18:43,750 --> 00:18:41,440  
media

553  
00:18:45,430 --> 00:18:43,760  
is controlled by five corporations here

554  
00:18:47,350 --> 00:18:45,440  
in the united states

555  
00:18:49,510 --> 00:18:47,360  
right i think people are definitely wise

556  
00:18:51,590 --> 00:18:49,520  
to that at least they should be by now

557  
00:18:52,870 --> 00:18:51,600  
that that whole section of what we're

558  
00:18:53,510 --> 00:18:52,880  
talking about is completely off the

559  
00:18:55,270 --> 00:18:53,520  
table

560  
00:18:56,950 --> 00:18:55,280  
the biggest problem we have i mean i've

561  
00:18:59,190 --> 00:18:56,960  
got friends who

562  
00:19:00,150 --> 00:18:59,200  
are economic majors and they don't study

563  
00:19:01,909 --> 00:19:00,160

this it's just

564

00:19:03,110 --> 00:19:01,919

it's out of the schools as well let's

565

00:19:05,830 --> 00:19:03,120

talk a little bit about how they have

566

00:19:08,230 --> 00:19:05,840

manipulated education in this country

567

00:19:08,950 --> 00:19:08,240

oh education well yeah yeah i mean first

568

00:19:10,230 --> 00:19:08,960

of all you've got

569

00:19:12,150 --> 00:19:10,240

they're doing it through the federal

570

00:19:14,310 --> 00:19:12,160

government you have to understand that

571

00:19:15,750 --> 00:19:14,320

these people have tremendous amount of

572

00:19:18,630 --> 00:19:15,760

control over the uh

573

00:19:20,230 --> 00:19:18,640

policies of uh this government through

574

00:19:21,990 --> 00:19:20,240

organizations like the council on

575

00:19:23,270 --> 00:19:22,000

foreign relations and the trilateral

576

00:19:26,230 --> 00:19:23,280

commission

577

00:19:27,990 --> 00:19:26,240

literally hundreds of these members are

578

00:19:29,909 --> 00:19:28,000

in the upper administration

579

00:19:31,029 --> 00:19:29,919

as appointees in every single

580

00:19:34,630 --> 00:19:31,039

administration

581

00:19:37,029 --> 00:19:34,640

going back to the 1920s

582

00:19:38,950 --> 00:19:37,039

so anyway the purpose of education today

583

00:19:39,430 --> 00:19:38,960

is not to educate but to indoctrinate

584

00:19:42,310 --> 00:19:39,440

children

585

00:19:43,830 --> 00:19:42,320

into collectivism uh doing away with

586

00:19:46,789 --> 00:19:43,840

national sovereignty

587

00:19:48,310 --> 00:19:46,799

that's the goal and you know they're

588

00:19:49,590 --> 00:19:48,320

teaching dependence upon the state and

589

00:19:52,870 --> 00:19:49,600

not the family and they

590

00:19:54,390 --> 00:19:52,880

seek to destroy belief in god uh you can

591

00:19:57,270 --> 00:19:54,400

see this over and over again

592

00:19:57,830 --> 00:19:57,280

you know taking uh you know basically

593

00:20:00,470 --> 00:19:57,840

just

594

00:20:02,950 --> 00:20:00,480

taking all reference to god and religion

595

00:20:05,350 --> 00:20:02,960

out of the curriculum here

596

00:20:06,789 --> 00:20:05,360

um the national education association

597

00:20:08,789 --> 00:20:06,799

the nea

598

00:20:10,549 --> 00:20:08,799

creates most of america's educational

599

00:20:12,950 --> 00:20:10,559

programs today

600

00:20:15,190 --> 00:20:12,960

uh this nea was created by john d

601  
00:20:17,190 --> 00:20:15,200  
rockefeller who once said quote

602  
00:20:19,510 --> 00:20:17,200  
i don't want a nation of thinkers i want

603  
00:20:21,990 --> 00:20:19,520  
a nation of workers

604  
00:20:22,870 --> 00:20:22,000  
um so and the real purpose of the goals

605  
00:20:25,029 --> 00:20:22,880  
2000

606  
00:20:25,990 --> 00:20:25,039  
educate america act which was passed

607  
00:20:28,710 --> 00:20:26,000  
during the clinton

608  
00:20:31,270 --> 00:20:28,720  
presidency in 1994 is simply to legalize

609  
00:20:34,149 --> 00:20:31,280  
federal jurisdiction over curriculum

610  
00:20:36,390 --> 00:20:34,159  
so we have you know uh the kenya

611  
00:20:38,630 --> 00:20:36,400  
continuing pattern of centralization

612  
00:20:39,750 --> 00:20:38,640  
and i think most people have noticed

613  
00:20:42,310 --> 00:20:39,760

that right now

614

00:20:44,470 --> 00:20:42,320

uh you know administration after

615

00:20:47,909 --> 00:20:44,480

administration including this one

616

00:20:49,909 --> 00:20:47,919

uh keeps moving towards centralizing

617

00:20:51,669 --> 00:20:49,919

while stepping all over the uh bill of

618

00:20:52,950 --> 00:20:51,679

rights the constitution and states

619

00:20:54,549 --> 00:20:52,960

rights

620

00:20:56,230 --> 00:20:54,559

let's switch gears a little bit to talk

621

00:20:57,990 --> 00:20:56,240

about something i mean if you look into

622

00:20:59,909 --> 00:20:58,000

the most basic of conspiracy information

623

00:21:02,070 --> 00:20:59,919

you're gonna come across bohemian grove

624

00:21:02,950 --> 00:21:02,080

with the iconic image of the giant owl

625

00:21:04,950 --> 00:21:02,960

statue

626  
00:21:07,870 --> 00:21:04,960  
but can you tell us a bit about the

627  
00:21:09,830 --> 00:21:07,880  
bohemian grove club it started in what

628  
00:21:11,909 --> 00:21:09,840  
1872

629  
00:21:13,909 --> 00:21:11,919  
uh yeah yeah well first of all i want to

630  
00:21:15,110 --> 00:21:13,919  
point out that i didn't find a bohemian

631  
00:21:18,149 --> 00:21:15,120  
grove

632  
00:21:19,909 --> 00:21:18,159  
that evil you know it's more like i

633  
00:21:20,950 --> 00:21:19,919  
don't know it's like a silly collection

634  
00:21:23,830 --> 00:21:20,960  
of you know

635  
00:21:24,789 --> 00:21:23,840  
old guys acting like like frac frat guys

636  
00:21:26,789 --> 00:21:24,799  
you know um

637  
00:21:28,950 --> 00:21:26,799  
my former boss murph griffin was a

638  
00:21:30,390 --> 00:21:28,960

member of the bohemian grove and stuff

639

00:21:32,310 --> 00:21:30,400

like that so

640

00:21:34,390 --> 00:21:32,320

it's you know i mean they go through

641

00:21:34,789 --> 00:21:34,400

yeah they have uh you know a ceremony

642

00:21:37,270 --> 00:21:34,799

that

643

00:21:39,669 --> 00:21:37,280

uh includes the owl and everything else

644

00:21:41,270 --> 00:21:39,679

and basically uh you know it's just

645

00:21:44,310 --> 00:21:41,280

it's every year it happens annually in

646

00:21:46,310 --> 00:21:44,320

july up in northern california

647

00:21:47,590 --> 00:21:46,320

and the one thing that is somewhat

648

00:21:49,990 --> 00:21:47,600

disturbing is that these

649

00:21:51,750 --> 00:21:50,000

hugely powerful men are all together and

650

00:21:53,590 --> 00:21:51,760

you know are making policy without

651  
00:21:54,789 --> 00:21:53,600  
dealing with congress or voters or

652  
00:21:56,470 --> 00:21:54,799  
anything like that

653  
00:21:58,070 --> 00:21:56,480  
well i mean yeah you said i guess the

654  
00:21:59,669 --> 00:21:58,080  
all the last 15

655  
00:22:01,830 --> 00:21:59,679  
presidents have all been members like

656  
00:22:04,630 --> 00:22:01,840  
that's obviously a powerful group

657  
00:22:06,470 --> 00:22:04,640  
oh definitely yeah no i believe me it's

658  
00:22:07,830 --> 00:22:06,480  
you know it's the power brokers of the

659  
00:22:10,070 --> 00:22:07,840  
of the world you know people like

660  
00:22:13,110 --> 00:22:10,080  
kissinger are lifelong members almost

661  
00:22:13,909 --> 00:22:13,120  
um but you know when you when you stand

662  
00:22:16,230 --> 00:22:13,919  
back from it

663  
00:22:17,750 --> 00:22:16,240

i mean what's really the difference

664

00:22:20,070 --> 00:22:17,760

between that

665

00:22:21,750 --> 00:22:20,080

and a bunch of really rich guys getting

666

00:22:23,669 --> 00:22:21,760

together on a golf course and you know

667

00:22:26,149 --> 00:22:23,679

working things out for themselves

668

00:22:27,830 --> 00:22:26,159

that's true you know i i i just i

669

00:22:29,350 --> 00:22:27,840

couldn't find it that evil

670

00:22:31,270 --> 00:22:29,360

yeah it's just it's a bit bizarre

671

00:22:32,230 --> 00:22:31,280

there's a lot of homosexuality involved

672

00:22:34,549 --> 00:22:32,240

in the you know

673

00:22:35,350 --> 00:22:34,559

the shenanigans that go on there well

674

00:22:41,110 --> 00:22:35,360

and

675

00:22:43,430 --> 00:22:41,120

freemasons i mean in the section about

676

00:22:45,190 --> 00:22:43,440

the secret masonic uh agenda you

677

00:22:46,789 --> 00:22:45,200

mentioned that the masons at the highest

678

00:22:48,870 --> 00:22:46,799

level are rumored to know

679

00:22:50,870 --> 00:22:48,880

chunks of hidden knowledge coming from

680

00:22:52,390 --> 00:22:50,880

ancient egypt or pythagoras

681

00:22:53,909 --> 00:22:52,400

can you elaborate on do you have any

682

00:22:54,870 --> 00:22:53,919

idea what some of that knowledge might

683

00:22:56,549 --> 00:22:54,880

be

684

00:22:58,950 --> 00:22:56,559

well no i you know tell you the truth i

685

00:23:01,110 --> 00:22:58,960

didn't delve into the ancient secrets

686

00:23:03,029 --> 00:23:01,120

uh i tried to keep this very you know

687

00:23:07,350 --> 00:23:03,039

sort of university

688

00:23:10,390 --> 00:23:07,360

and uh you know i i avoided religious

689

00:23:12,549 --> 00:23:10,400

stuff of any kind but uh

690

00:23:13,590 --> 00:23:12,559

anything with the illuminati um you know i

691

00:23:15,350 --> 00:23:13,600

mean they

692

00:23:17,110 --> 00:23:15,360

you know the organization may go back to

693

00:23:18,149 --> 00:23:17,120

ancient times but i just traced it to

694

00:23:20,870 --> 00:23:18,159

adam weishaupt

695

00:23:22,230 --> 00:23:20,880

who started the bavarian uh illuminati

696

00:23:25,350 --> 00:23:22,240

on may 1st

697

00:23:25,909 --> 00:23:25,360

in 1776 and note the date may 1st is may

698

00:23:29,110 --> 00:23:25,919

day

699

00:23:32,149 --> 00:23:29,120

course in the communist

700

00:23:34,789 --> 00:23:32,159

and socialist realm

701  
00:23:35,430 --> 00:23:34,799  
anyway vice helped form this with help

702  
00:23:37,190 --> 00:23:35,440  
from

703  
00:23:38,710 --> 00:23:37,200  
good old william of william of hassan

704  
00:23:41,990 --> 00:23:38,720  
ross charles benefactor

705  
00:23:43,750 --> 00:23:42,000  
and uh in 77 in 1773 uh

706  
00:23:45,750 --> 00:23:43,760  
records of a speech that maya ross

707  
00:23:47,830 --> 00:23:45,760  
charles made to 12 wealthy europeans in

708  
00:23:49,830 --> 00:23:47,840  
frankfurt show his plan to gain

709  
00:23:51,669 --> 00:23:49,840  
control of most of the world's riches

710  
00:23:53,430 --> 00:23:51,679  
and resources thereby controlling most

711  
00:23:55,590 --> 00:23:53,440  
of the world population

712  
00:23:56,710 --> 00:23:55,600  
uh this is the 25 instructions i was

713  
00:23:59,669 --> 00:23:56,720

talking about which are

714

00:24:00,950 --> 00:23:59,679

in the uh the back of the book uh

715

00:24:03,590 --> 00:24:00,960

rothschild basically are

716

00:24:04,789 --> 00:24:03,600

using these to foment a revolution in

717

00:24:07,269 --> 00:24:04,799

france

718

00:24:07,830 --> 00:24:07,279

because of uh the potential riches he

719

00:24:10,390 --> 00:24:07,840

could gain

720

00:24:12,149 --> 00:24:10,400

from such a chaotic event and you know

721

00:24:15,430 --> 00:24:12,159

that proved to be the case

722

00:24:17,590 --> 00:24:15,440

so vice put the plan into motion in 1784

723

00:24:19,590 --> 00:24:17,600

with his own document

724

00:24:20,630 --> 00:24:19,600

which was sort of a copy of the 25

725

00:24:23,269 --> 00:24:20,640

instructions but

726

00:24:23,909 --> 00:24:23,279

uh oddly enough bavarian authorities got

727

00:24:27,430 --> 00:24:23,919

hold of it

728

00:24:29,909 --> 00:24:27,440

he had given it to a messenger and

729

00:24:30,789 --> 00:24:29,919

this talk about fate the messenger was

730

00:24:33,909 --> 00:24:30,799

struck

731

00:24:36,070 --> 00:24:33,919

by lightning and killed on horseback and

732

00:24:36,950 --> 00:24:36,080

somebody found you know this these

733

00:24:39,830 --> 00:24:36,960

documents

734

00:24:41,110 --> 00:24:39,840

gave them to the bavarian authorities

735

00:24:43,269 --> 00:24:41,120

and so they cracked down on the

736

00:24:45,190 --> 00:24:43,279

illuminati there in bavaria and

737

00:24:46,789 --> 00:24:45,200

you know basically chased them all out

738

00:24:49,029 --> 00:24:46,799

if they didn't imprison them

739

00:24:51,029 --> 00:24:49,039

uh most of them infiltrated the masonic

740

00:24:54,070 --> 00:24:51,039

lodges in france

741

00:24:55,990 --> 00:24:54,080

and in a few years they uh illuminized

742

00:24:57,029 --> 00:24:56,000

the freemasons there they were actively

743

00:25:00,070 --> 00:24:57,039

creating food

744

00:25:02,070 --> 00:25:00,080

heritage shortages and

745

00:25:04,230 --> 00:25:02,080

that would lead to the masses to revolt

746

00:25:06,149 --> 00:25:04,240

in france the duke of orleans

747

00:25:07,510 --> 00:25:06,159

who was grand master of the french

748

00:25:09,590 --> 00:25:07,520

masonry

749

00:25:12,230 --> 00:25:09,600

uh purchased all the grain in the french

750

00:25:13,669 --> 00:25:12,240

harvest of 1789 and either sold it or

751  
00:25:16,310 --> 00:25:13,679  
brought or hid it

752  
00:25:16,950 --> 00:25:16,320  
and this led to starvation coupled with

753  
00:25:18,870 --> 00:25:16,960  
the near

754  
00:25:20,390 --> 00:25:18,880  
bankruptcy of france following its

755  
00:25:22,549 --> 00:25:20,400  
expenditures and

756  
00:25:24,310 --> 00:25:22,559  
aiding the american revolution led to

757  
00:25:26,789 --> 00:25:24,320  
the upheaval in paris that we know

758  
00:25:27,430 --> 00:25:26,799  
as the french revolution now oddly

759  
00:25:30,630 --> 00:25:27,440  
enough

760  
00:25:34,070 --> 00:25:30,640  
not surprisingly uh the radical jacobins

761  
00:25:35,669 --> 00:25:34,080  
uh were mainly freemasons and uh so was

762  
00:25:37,750 --> 00:25:35,679  
the majority of the estate

763  
00:25:39,590 --> 00:25:37,760

general after the uh you know after they

764

00:25:42,310 --> 00:25:39,600

deposed the king

765

00:25:42,950 --> 00:25:42,320

now in the wars that would follow for

766

00:25:46,070 --> 00:25:42,960

literally

767

00:25:46,710 --> 00:25:46,080

a quarter of a century international

768

00:25:48,789 --> 00:25:46,720

bankers

769

00:25:50,149 --> 00:25:48,799

and especially the rothschilds enriched

770

00:25:52,470 --> 00:25:50,159

themselves

771

00:25:54,149 --> 00:25:52,480

through interest laden loans to the

772

00:25:56,390 --> 00:25:54,159

governments at war

773

00:25:57,909 --> 00:25:56,400

and you know by the time napoleon fell

774

00:26:00,149 --> 00:25:57,919

as i said the rothschilds had become

775

00:26:02,630 --> 00:26:00,159

masters of european finance and thereby

776

00:26:04,710 --> 00:26:02,640

you know masters of europe itself i

777

00:26:06,310 --> 00:26:04,720

think it was rothschild who said give me

778

00:26:08,310 --> 00:26:06,320

control of a nation's currency and i

779

00:26:11,190 --> 00:26:08,320

care not who makes its laws

780

00:26:12,230 --> 00:26:11,200

exactly exactly it seems like such a

781

00:26:15,350 --> 00:26:12,240

simple plan it's

782

00:26:17,110 --> 00:26:15,360

it's kind of ridiculous that

783

00:26:19,269 --> 00:26:17,120

everyone just stood by he must look at

784

00:26:21,430 --> 00:26:19,279

the rothschilds must look at us as the

785

00:26:23,350 --> 00:26:21,440

the dumbest planet ever like to just be

786

00:26:26,230 --> 00:26:23,360

able to seize control like that

787

00:26:28,870 --> 00:26:26,240

well yeah yeah they uh they uh in the 25

788

00:26:33,430 --> 00:26:28,880

instructions they actually use a word

789

00:26:34,870 --> 00:26:33,440

that translates to livestock cattle

790

00:26:37,110 --> 00:26:34,880

you know when referring to the general

791

00:26:39,269 --> 00:26:37,120

population yeah

792

00:26:41,590 --> 00:26:39,279

so yeah they hold they hold the uh they

793

00:26:43,029 --> 00:26:41,600

hold us all in low regard believe me

794

00:26:44,630 --> 00:26:43,039

so it seems like because of the

795

00:26:45,990 --> 00:26:44,640

infiltration of the masons

796

00:26:47,510 --> 00:26:46,000

by the alumni because i think there's a

797

00:26:48,230 --> 00:26:47,520

lot of confusion about these two groups

798

00:26:50,789 --> 00:26:48,240

would you say

799

00:26:52,390 --> 00:26:50,799

in modern times they're somewhat the

800

00:26:53,750 --> 00:26:52,400

same group when it when you get to the

801  
00:26:55,669 --> 00:26:53,760  
top levels

802  
00:26:57,669 --> 00:26:55,679  
well yeah as i said the uh you know the

803  
00:26:59,590 --> 00:26:57,679  
freemasons in france at the top levels

804  
00:27:02,390 --> 00:26:59,600  
became illuminized you know the

805  
00:27:03,750 --> 00:27:02,400  
illuminati moved in there but yeah and

806  
00:27:05,750 --> 00:27:03,760  
freeman you know i mean a lot of people

807  
00:27:07,510 --> 00:27:05,760  
still think today that freemason

808  
00:27:09,510 --> 00:27:07,520  
freemasonry is simply a collection of

809  
00:27:11,029 --> 00:27:09,520  
guys uh dedicated to strengthening the

810  
00:27:12,870 --> 00:27:11,039  
brotherhood of mankind

811  
00:27:14,710 --> 00:27:12,880  
right you know this is blatantly

812  
00:27:16,630 --> 00:27:14,720  
disproved by history uh

813  
00:27:18,389 --> 00:27:16,640

including recent history you know the

814

00:27:21,909 --> 00:27:18,399

masonic lodge of italy called

815

00:27:23,830 --> 00:27:21,919

p2 um it's uh that's based

816

00:27:25,269 --> 00:27:23,840

that's the italian word propaganda

817

00:27:27,590 --> 00:27:25,279

masonica doule

818

00:27:29,110 --> 00:27:27,600

became a state within the state under

819

00:27:31,350 --> 00:27:29,120

the leadership of uh

820

00:27:32,389 --> 00:27:31,360

lichio gayle according to an italian

821

00:27:34,710 --> 00:27:32,399

court indictment

822

00:27:36,669 --> 00:27:34,720

the organization boasted members among

823

00:27:39,510 --> 00:27:36,679

italy's cabinet ministers

824

00:27:41,350 --> 00:27:39,520

parliamentarians army generals admirals

825

00:27:43,750 --> 00:27:41,360

industrial bankers journalists

826

00:27:46,230 --> 00:27:43,760

diplomats and police chiefs this was all

827

00:27:48,149 --> 00:27:46,240

revealed in the 1981 probe

828

00:27:49,830 --> 00:27:48,159

now the basic plan was to create an

829

00:27:51,909 --> 00:27:49,840

atmosphere of terror

830

00:27:53,909 --> 00:27:51,919

in which the italian people would favor

831

00:27:56,789 --> 00:27:53,919

more authoritarian governments

832

00:27:58,389 --> 00:27:56,799

uh you'll recall after the war the uh

833

00:27:59,190 --> 00:27:58,399

there was a danger of italy going

834

00:28:02,230 --> 00:27:59,200

communist

835

00:28:03,669 --> 00:28:02,240

the marxist party uh was it was very

836

00:28:06,710 --> 00:28:03,679

powerful there and a lot of

837

00:28:09,830 --> 00:28:06,720

its members were in the italian uh

838

00:28:12,149 --> 00:28:09,840

resistance against the nazi occupation

839

00:28:14,470 --> 00:28:12,159

so terrorist acts were committed and

840

00:28:16,549 --> 00:28:14,480

blamed upon these leftist organizations

841

00:28:18,470 --> 00:28:16,559

uh these are false flag attacks the plan

842

00:28:20,710 --> 00:28:18,480

was a spin-off of an earlier american

843

00:28:21,750 --> 00:28:20,720

operation created by the cia's james

844

00:28:24,070 --> 00:28:21,760

jesus angleton

845

00:28:25,830 --> 00:28:24,080

shortly after world war ii it was called

846

00:28:27,590 --> 00:28:25,840

operation gladio

847

00:28:29,990 --> 00:28:27,600

uh this called for an alliance between

848

00:28:32,710 --> 00:28:30,000

the mafia and the vatican and

849

00:28:34,230 --> 00:28:32,720

stanching the communist threat in italy

850

00:28:36,470 --> 00:28:34,240

false flag bombings

851  
00:28:38,070 --> 00:28:36,480  
made and planted by nato personnel and

852  
00:28:40,310 --> 00:28:38,080  
blamed on the communists to kill

853  
00:28:42,310 --> 00:28:40,320  
civilians throughout europe

854  
00:28:44,470 --> 00:28:42,320  
these astonishing charges were proved in

855  
00:28:45,830 --> 00:28:44,480  
italian courts by documents and later

856  
00:28:47,909 --> 00:28:45,840  
corroborated by

857  
00:28:48,870 --> 00:28:47,919  
former italian president francesco

858  
00:28:50,789 --> 00:28:48,880  
koziga

859  
00:28:52,950 --> 00:28:50,799  
who admitted to founding the italian

860  
00:28:55,029 --> 00:28:52,960  
gladial operation

861  
00:28:56,149 --> 00:28:55,039  
now over the centuries charges of

862  
00:28:57,909 --> 00:28:56,159  
satanism have

863  
00:28:59,830 --> 00:28:57,919

been leveled at uh higher degrees of

864

00:29:01,750 --> 00:28:59,840

freedom masonry right

865

00:29:02,950 --> 00:29:01,760

um you know modern authors like ralph

866

00:29:05,190 --> 00:29:02,960

epperson believe that

867

00:29:06,149 --> 00:29:05,200

uh lucifer is the secret god of the

868

00:29:08,310 --> 00:29:06,159

masons and

869

00:29:09,190 --> 00:29:08,320

uh you know his basic plan is the other

870

00:29:11,750 --> 00:29:09,200

destruction of

871

00:29:12,870 --> 00:29:11,760

christianity yeah you know there's been

872

00:29:14,789 --> 00:29:12,880

rumors of that and

873

00:29:15,830 --> 00:29:14,799

i was really glad to see that in your

874

00:29:17,190 --> 00:29:15,840

book it's something people have been

875

00:29:18,070 --> 00:29:17,200

talking about but there's a lot of

876

00:29:19,990 --> 00:29:18,080

suggestion that

877

00:29:21,750 --> 00:29:20,000

catholicism itself is a front for

878

00:29:24,070 --> 00:29:21,760

satanic worship i mean right down to the

879

00:29:25,669 --> 00:29:24,080

mass where a human sacrifices worship

880

00:29:27,430 --> 00:29:25,679

being jesus on a cross and then his

881

00:29:28,630 --> 00:29:27,440

blood and flesh is feasted upon by the

882

00:29:31,110 --> 00:29:28,640

congregation

883

00:29:31,990 --> 00:29:31,120

is that not a similar type front in a

884

00:29:35,590 --> 00:29:32,000

way

885

00:29:37,909 --> 00:29:35,600

well yeah i i mean there are elements

886

00:29:39,110 --> 00:29:37,919

at the very top in the vatican who are

887

00:29:42,389 --> 00:29:39,120

you know not very

888

00:29:44,389 --> 00:29:42,399

saintly let's put it that way um but uh

889

00:29:45,750 --> 00:29:44,399

yeah yeah and of course you know charges

890

00:29:47,590 --> 00:29:45,760

have been leveled at the jesuits for

891

00:29:49,430 --> 00:29:47,600

centuries i mean they were actually

892

00:29:51,510 --> 00:29:49,440

excommunicated at one point by the

893

00:29:52,950 --> 00:29:51,520

church itself and of course our new pope

894

00:29:54,549 --> 00:29:52,960

is a former jesuit

895

00:29:57,190 --> 00:29:54,559

right i was gonna say i mean of course

896

00:29:58,870 --> 00:29:57,200

it's not in the books it's so recent but

897

00:30:01,350 --> 00:29:58,880

considering there's always an

898

00:30:02,630 --> 00:30:01,360

alternative story there seems to be

899

00:30:04,149 --> 00:30:02,640

you've done a lot of research into that

900

00:30:04,870 --> 00:30:04,159

kind of thing do you have any thoughts

901  
00:30:06,470 --> 00:30:04,880  
about the

902  
00:30:08,389 --> 00:30:06,480  
pope's resignation and the election of

903  
00:30:10,389 --> 00:30:08,399  
this new pope it seems to be

904  
00:30:11,669 --> 00:30:10,399  
pretty a pretty different situation for

905  
00:30:14,470 --> 00:30:11,679  
the catholics to be in

906  
00:30:15,830 --> 00:30:14,480  
well yeah i'm not i can't buy the uh the

907  
00:30:18,389 --> 00:30:15,840  
story that uh

908  
00:30:18,950 --> 00:30:18,399  
that benedict uh resigned due to health

909  
00:30:21,750 --> 00:30:18,960  
because

910  
00:30:23,510 --> 00:30:21,760  
many many many popes had bad health and

911  
00:30:25,350 --> 00:30:23,520  
just stayed until the end

912  
00:30:27,430 --> 00:30:25,360  
uh so there may have been something some

913  
00:30:30,549 --> 00:30:27,440

there have been whispers like uh

914

00:30:31,590 --> 00:30:30,559

you know maybe it was due to his lack of

915

00:30:34,789 --> 00:30:31,600

uh

916

00:30:36,870 --> 00:30:34,799

with

917

00:30:38,789 --> 00:30:36,880

molested children and stuff like that

918

00:30:40,789 --> 00:30:38,799

right um there's also been whispers

919

00:30:41,990 --> 00:30:40,799

about you know again the masons getting

920

00:30:43,909 --> 00:30:42,000

involved

921

00:30:45,190 --> 00:30:43,919

you'll remember uh they were you know

922

00:30:46,789 --> 00:30:45,200

there was a huge scandal

923

00:30:49,990 --> 00:30:46,799

in which the masons were you know

924

00:30:52,950 --> 00:30:50,000

involved in the vatican bank

925

00:30:53,669 --> 00:30:52,960

and um i i did but these are just rumors

926  
00:30:56,789 --> 00:30:53,679  
right now and

927  
00:30:57,350 --> 00:30:56,799  
i haven't seen anything uh that's you

928  
00:30:59,909 --> 00:30:57,360  
know that

929  
00:31:01,269 --> 00:30:59,919  
that's nothing inclusive definitively

930  
00:31:03,830 --> 00:31:01,279  
that this is why he

931  
00:31:05,509 --> 00:31:03,840  
resigned yeah it makes you think though

932  
00:31:07,669 --> 00:31:05,519  
considering all the

933  
00:31:09,509 --> 00:31:07,679  
alternative stories and all the hidden

934  
00:31:10,789 --> 00:31:09,519  
power battles

935  
00:31:12,710 --> 00:31:10,799  
there's got to be something else there

936  
00:31:13,990 --> 00:31:12,720  
but bring us up to date

937  
00:31:15,590 --> 00:31:14,000  
and talk about some things that are

938  
00:31:17,269 --> 00:31:15,600

affecting people in the present what are

939

00:31:20,149 --> 00:31:17,279

some of the ways these puppet masters

940

00:31:22,549 --> 00:31:20,159

are affecting individuals today

941

00:31:23,669 --> 00:31:22,559

well first of all they uh you know they

942

00:31:26,710 --> 00:31:23,679

populate

943

00:31:27,830 --> 00:31:26,720

every administration right uh so so

944

00:31:29,830 --> 00:31:27,840

they're making policy

945

00:31:30,870 --> 00:31:29,840

even though these are almost all of them

946

00:31:33,190 --> 00:31:30,880

are unelected

947

00:31:34,789 --> 00:31:33,200

it's it's gotten away from a government

948

00:31:35,350 --> 00:31:34,799

of the people by the people and for the

949

00:31:38,070 --> 00:31:35,360

people

950

00:31:38,549 --> 00:31:38,080

it's uh it's now a government uh you

951  
00:31:41,029 --> 00:31:38,559  
know

952  
00:31:41,750 --> 00:31:41,039  
basically a ruling by uh almost by

953  
00:31:44,710 --> 00:31:41,760  
decree

954  
00:31:45,669 --> 00:31:44,720  
so i'll give you an example the cfr um

955  
00:31:47,909 --> 00:31:45,679  
you know uh

956  
00:31:49,830 --> 00:31:47,919  
you you look through history uh you know

957  
00:31:52,389 --> 00:31:49,840  
they've they started in the early 20s

958  
00:31:55,190 --> 00:31:52,399  
and they've produced a stunning list of

959  
00:31:57,509 --> 00:31:55,200  
presidents and presidential candidates

960  
00:31:59,110 --> 00:31:57,519  
and usually these cfr members are

961  
00:32:00,870 --> 00:31:59,120  
running against each other

962  
00:32:03,110 --> 00:32:00,880  
for instance eisenhower and adlai

963  
00:32:03,909 --> 00:32:03,120

stevenson were both cfr members as were

964

00:32:06,789 --> 00:32:03,919

jfk

965

00:32:08,789 --> 00:32:06,799

and nixon hubert humphrey and nixon

966

00:32:11,350 --> 00:32:08,799

george mcgovern and nixon

967

00:32:12,549 --> 00:32:11,360

ford and carter bush senior and michael

968

00:32:14,950 --> 00:32:12,559

dukakis

969

00:32:16,470 --> 00:32:14,960

clinton and bush in 92 and clinton and

970

00:32:18,630 --> 00:32:16,480

dole in 96

971

00:32:19,830 --> 00:32:18,640

you know and since 1952 only one

972

00:32:21,830 --> 00:32:19,840

presidential election

973

00:32:23,830 --> 00:32:21,840

featured non-cfr members from both

974

00:32:24,710 --> 00:32:23,840

parties that was the johnson goldwater

975

00:32:27,990 --> 00:32:24,720

ticket

976  
00:32:29,110 --> 00:32:28,000  
uh election and uh when johnson won he

977  
00:32:32,870 --> 00:32:29,120  
turned around and

978  
00:32:36,710 --> 00:32:32,880  
and appointed 370 387

979  
00:32:39,269 --> 00:32:36,720  
cfr members into his administration

980  
00:32:41,110 --> 00:32:39,279  
so you know the cfr you know and the

981  
00:32:44,070 --> 00:32:41,120  
trilaterals

982  
00:32:44,549 --> 00:32:44,080  
they populate the uh policy-making arm

983  
00:32:48,149 --> 00:32:44,559  
of

984  
00:32:49,669 --> 00:32:48,159  
our government yeah it's

985  
00:32:51,190 --> 00:32:49,679  
it's definitely messed up i mean i know

986  
00:32:53,909 --> 00:32:51,200  
when obama was elected

987  
00:32:55,909 --> 00:32:53,919  
i was the first time i was holding out

988  
00:32:57,430 --> 00:32:55,919

hope that he was the internet candidate

989

00:32:58,950 --> 00:32:57,440

who rose up against

990

00:33:00,950 --> 00:32:58,960

hillary clinton who i thought was the

991

00:33:02,149 --> 00:33:00,960

establishment candidate and i was

992

00:33:03,669 --> 00:33:02,159

pretty interested in things he was

993

00:33:04,950 --> 00:33:03,679

saying but as soon as he chose his

994

00:33:06,630 --> 00:33:04,960

cabinet and that was a little bit

995

00:33:07,269 --> 00:33:06,640

sketchy too because he held off for a

996

00:33:08,549 --> 00:33:07,279

long time

997

00:33:10,310 --> 00:33:08,559

until he made those announcements and a

998

00:33:13,029 --> 00:33:10,320

lot of people were expecting

999

00:33:14,549 --> 00:33:13,039

real pioneers and economics and science

1000

00:33:16,070 --> 00:33:14,559

to really get good places in the

1001

00:33:18,630 --> 00:33:16,080

administration of course

1002

00:33:20,549 --> 00:33:18,640

it was all cfr and that that's where i

1003

00:33:22,630 --> 00:33:20,559

knew it was just going to be another

1004

00:33:24,789 --> 00:33:22,640

you know same course that we've been on

1005

00:33:27,110 --> 00:33:24,799

yeah yeah and in the book i lift

1006

00:33:27,830 --> 00:33:27,120

uh all the people in his upper cabinet

1007

00:33:35,190 --> 00:33:27,840

uh

1008

00:33:36,950 --> 00:33:35,200

all three

1009

00:33:38,789 --> 00:33:36,960

and you know i mean yeah he made a lot

1010

00:33:39,509 --> 00:33:38,799

of promises about you know i'm not going

1011

00:33:41,430 --> 00:33:39,519

to you know

1012

00:33:42,950 --> 00:33:41,440

let wall street run this government and

1013

00:33:45,029 --> 00:33:42,960

i'm not going to

1014

00:33:46,389 --> 00:33:45,039

let uh you know lobbyists run and then

1015

00:33:48,070 --> 00:33:46,399

he turned around i point nothing

1016

00:33:50,149 --> 00:33:48,080

appointed nothing but wall street and

1017

00:33:51,750 --> 00:33:50,159

lobbyist people right

1018

00:33:54,070 --> 00:33:51,760

to be there that was his first you know

1019

00:33:56,230 --> 00:33:54,080

in his first term

1020

00:33:58,789 --> 00:33:56,240

reagan's first first term administration

1021

00:34:00,870 --> 00:33:58,799

featured 313 cfr members

1022

00:34:02,630 --> 00:34:00,880

clinton's administration numbered nearly

1023

00:34:05,430 --> 00:34:02,640

100 cfr members

1024

00:34:07,190 --> 00:34:05,440

obama is not cfr but the top levels as i

1025

00:34:09,030 --> 00:34:07,200

said this administration are filled with

1026

00:34:11,829 --> 00:34:09,040

cfr members

1027

00:34:13,829 --> 00:34:11,839

um so there are there are people who

1028

00:34:15,669 --> 00:34:13,839

blew the whistle on the cfr because you

1029

00:34:16,629 --> 00:34:15,679

know they claim to be just basically a

1030

00:34:20,550 --> 00:34:16,639

think tank

1031

00:34:21,990 --> 00:34:20,560

okay um but a former member uh admiral

1032

00:34:24,550 --> 00:34:22,000

chester ward said

1033

00:34:25,829 --> 00:34:24,560

the single objective of the cfr is to

1034

00:34:27,030 --> 00:34:25,839

bring about the surrender of the

1035

00:34:29,430 --> 00:34:27,040

sovereignty and the national

1036

00:34:32,790 --> 00:34:29,440

independence of the united states

1037

00:34:35,430 --> 00:34:32,800

um that's the single goal

1038

00:34:36,950 --> 00:34:35,440

um you know they're aiming for something

1039

00:34:38,629 --> 00:34:36,960

like the european union they want a

1040

00:34:40,310 --> 00:34:38,639

north american union

1041

00:34:41,909 --> 00:34:40,320

they sugarcoat it and make it all sound

1042

00:34:44,069 --> 00:34:41,919

so wonderful and

1043

00:34:45,750 --> 00:34:44,079

modern but really what you're doing

1044

00:34:47,349 --> 00:34:45,760

there once you lose sovereignty of the

1045

00:34:49,030 --> 00:34:47,359

united states is

1046

00:34:50,869 --> 00:34:49,040

say goodbye to the constitution and the

1047

00:34:52,629 --> 00:34:50,879

bill of rights because

1048

00:34:53,909 --> 00:34:52,639

you know it's no longer the united

1049

00:34:57,030 --> 00:34:53,919

states

1050

00:34:59,270 --> 00:34:57,040

um and they will rule by uh by decree

1051  
00:35:00,870 --> 00:34:59,280  
obviously they got positions of power

1052  
00:35:02,790 --> 00:35:00,880  
one of their biggest tools

1053  
00:35:04,870 --> 00:35:02,800  
against us is the central banks we've

1054  
00:35:07,349 --> 00:35:04,880  
covered that before on the show

1055  
00:35:08,470 --> 00:35:07,359  
uh but how are they getting closer to

1056  
00:35:09,750 --> 00:35:08,480  
this north american union because i've

1057  
00:35:12,550 --> 00:35:09,760  
heard it talked about

1058  
00:35:13,510 --> 00:35:12,560  
uh in the in the 90s in the early 2000s

1059  
00:35:15,190 --> 00:35:13,520  
and it kind of

1060  
00:35:16,870 --> 00:35:15,200  
it kind of went away i haven't heard as

1061  
00:35:17,670 --> 00:35:16,880  
much about it in recent years but

1062  
00:35:20,630 --> 00:35:17,680  
they're still

1063  
00:35:21,990 --> 00:35:20,640

progressing on this track right oh yeah

1064

00:35:23,829 --> 00:35:22,000

the uh

1065

00:35:25,349 --> 00:35:23,839

they are they've they've taken so many

1066

00:35:27,190 --> 00:35:25,359

steps to this

1067

00:35:28,390 --> 00:35:27,200

uh you know to form this north american

1068

00:35:30,230 --> 00:35:28,400

union i mean

1069

00:35:31,670 --> 00:35:30,240

it's frightening really uh what has

1070

00:35:35,109 --> 00:35:31,680

already been put in place

1071

00:35:37,349 --> 00:35:35,119

to uh to make this happen i i i a great

1072

00:35:39,030 --> 00:35:37,359

uh guy to read on this is daniel estelin

1073

00:35:41,190 --> 00:35:39,040

uh he's been following uh the

1074

00:35:44,230 --> 00:35:41,200

bilderbergs for a long time

1075

00:35:47,910 --> 00:35:44,240

and you know he's canadian and he uh

1076

00:35:50,310 --> 00:35:47,920

he revealed that uh canada very nearly

1077

00:35:51,349 --> 00:35:50,320

in the in the 90s became part of the

1078

00:35:54,150 --> 00:35:51,359

united states

1079

00:35:55,589 --> 00:35:54,160

uh he said in the 1996 bilderberg

1080

00:35:57,190 --> 00:35:55,599

meeting in toronto

1081

00:35:59,829 --> 00:35:57,200

they discussed the imminent breakup of

1082

00:36:02,390 --> 00:35:59,839

canada according to him that

1083

00:36:04,230 --> 00:36:02,400

the quebec independence vote took place

1084

00:36:06,470 --> 00:36:04,240

in 1997

1085

00:36:07,430 --> 00:36:06,480

and the plan was that would set the

1086

00:36:09,430 --> 00:36:07,440

stage for

1087

00:36:11,750 --> 00:36:09,440

a canadian angelus into the united

1088

00:36:14,550 --> 00:36:11,760

states by 2000

1089

00:36:16,069 --> 00:36:14,560

but the the media firestorm prevented it

1090

00:36:16,870 --> 00:36:16,079

and you know henry kissinger who was

1091

00:36:20,470 --> 00:36:16,880

pushing for this

1092

00:36:21,910 --> 00:36:20,480

uh actually browbeat uh the canadian uh

1093

00:36:24,310 --> 00:36:21,920

prime minister at the time john

1094

00:36:26,069 --> 00:36:24,320

corinthian he said that he would quote

1095

00:36:27,030 --> 00:36:26,079

be damned if someone was going to screw

1096

00:36:29,990 --> 00:36:27,040

this up for him

1097

00:36:30,950 --> 00:36:30,000

unquote this was uh this was reported by

1098

00:36:33,109 --> 00:36:30,960

a witness

1099

00:36:35,430 --> 00:36:33,119

who was in the bilderberg meeting when

1100

00:36:38,710 --> 00:36:35,440

kissinger said that

1101  
00:36:41,750 --> 00:36:38,720  
um anyway escuelin has found

1102  
00:36:42,470 --> 00:36:41,760  
evidence that there's a three-step plan

1103  
00:36:45,990 --> 00:36:42,480  
to break up

1104  
00:36:47,910 --> 00:36:46,000  
canada and include independence for

1105  
00:36:50,550 --> 00:36:47,920  
french-speaking quebec

1106  
00:36:51,589 --> 00:36:50,560  
so the uh whatever is not quebec would

1107  
00:36:53,829 --> 00:36:51,599  
be uh

1108  
00:36:56,310 --> 00:36:53,839  
joined to the u.s you know like the 51st

1109  
00:36:57,430 --> 00:36:56,320  
state ontario would be the 52nd state

1110  
00:36:59,910 --> 00:36:57,440  
according to escalin

1111  
00:37:01,430 --> 00:36:59,920  
and canadian prairies would be the 53rd

1112  
00:37:02,870 --> 00:37:01,440  
in british columbia

1113  
00:37:04,790 --> 00:37:02,880

and the northern territories would be

1114

00:37:07,190 --> 00:37:04,800

the 54th state now the

1115

00:37:08,310 --> 00:37:07,200

north american free trade association

1116

00:37:11,510 --> 00:37:08,320

which was signed in

1117

00:37:14,150 --> 00:37:11,520

1987 was the initial step

1118

00:37:14,950 --> 00:37:14,160

along this path the original text of

1119

00:37:17,190 --> 00:37:14,960

this has never

1120

00:37:19,030 --> 00:37:17,200

been seen by the public it laid

1121

00:37:20,710 --> 00:37:19,040

groundwork for eventual combination of

1122

00:37:23,829 --> 00:37:20,720

canada mexico and the u.s

1123

00:37:26,390 --> 00:37:23,839

into the north american union and

1124

00:37:28,470 --> 00:37:26,400

you know this nafta it's called the

1125

00:37:31,670 --> 00:37:28,480

north american free trade

1126

00:37:33,510 --> 00:37:31,680

uh went into effect uh january 1st 1994

1127

00:37:35,030 --> 00:37:33,520

the same day congress approved the u.s

1128

00:37:36,950 --> 00:37:35,040

membership in the world trade

1129

00:37:38,550 --> 00:37:36,960

organization

1130

00:37:41,589 --> 00:37:38,560

since then more than a dozen agreements

1131

00:37:44,230 --> 00:37:41,599

have unified trade travel security and

1132

00:37:46,310 --> 00:37:44,240

other vital elements in creating a union

1133

00:37:48,310 --> 00:37:46,320

and ending national sovereignty

1134

00:37:49,510 --> 00:37:48,320

the security and prosperity partnership

1135

00:37:53,510 --> 00:37:49,520

of north america

1136

00:37:56,310 --> 00:37:53,520

known as the sbp was signed in 2005.

1137

00:37:58,230 --> 00:37:56,320

it contains more than 300 initiatives to

1138

00:38:00,310 --> 00:37:58,240

harmonize policies on everything from

1139

00:38:01,990 --> 00:38:00,320

food to transportation

1140

00:38:04,390 --> 00:38:02,000

there was no debate in congress on the

1141

00:38:06,150 --> 00:38:04,400

fdp instead corporate leaders and

1142

00:38:07,990 --> 00:38:06,160

unelected cabinet members

1143

00:38:09,430 --> 00:38:08,000

from each country received permanent

1144

00:38:12,470 --> 00:38:09,440

positions on the sbp

1145

00:38:13,750 --> 00:38:12,480

directorship uh you know ron paul called

1146

00:38:16,710 --> 00:38:13,760

this a quasi-government

1147

00:38:17,270 --> 00:38:16,720

organization not not a treaty it's you

1148

00:38:19,430 --> 00:38:17,280

know this

1149

00:38:21,349 --> 00:38:19,440

uh this spp was an agreement not a

1150

00:38:23,270 --> 00:38:21,359

treaty so there was no need for congress

1151

00:38:24,790 --> 00:38:23,280

to ratify the spp

1152

00:38:27,750 --> 00:38:24,800

uh with the necessary two-thirds

1153

00:38:29,750 --> 00:38:27,760

majority uh instead a handful of uh

1154

00:38:31,589 --> 00:38:29,760

elites bypassed the legislature and

1155

00:38:33,910 --> 00:38:31,599

ignored the constitution

1156

00:38:35,829 --> 00:38:33,920

which grants congress the sole authority

1157

00:38:37,910 --> 00:38:35,839

to regulate international trade

1158

00:38:39,750 --> 00:38:37,920

since nafta is headquartered in mexico

1159

00:38:41,190 --> 00:38:39,760

its activities are independent of

1160

00:38:43,910 --> 00:38:41,200

congress

1161

00:38:45,030 --> 00:38:43,920

so you see it's still going right

1162

00:38:46,630 --> 00:38:45,040

obviously

1163

00:38:48,710 --> 00:38:46,640

these people have positions of power

1164

00:38:51,430 --> 00:38:48,720

they have a one world agenda

1165

00:38:52,550 --> 00:38:51,440

they're dumbing us down with education

1166

00:38:54,630 --> 00:38:52,560

let's talk about a couple of the other

1167

00:38:56,150 --> 00:38:54,640

things i mean particularly fluoride i

1168

00:38:57,829 --> 00:38:56,160

know a lot of people aren't convinced

1169

00:38:58,630 --> 00:38:57,839

about the dangers of fluoride it seems

1170

00:39:00,950 --> 00:38:58,640

too big

1171

00:39:02,230 --> 00:39:00,960

and too hard to get away with but what'd

1172

00:39:02,950 --> 00:39:02,240

you find when you really looked into

1173

00:39:04,950 --> 00:39:02,960

that

1174

00:39:07,510 --> 00:39:04,960

well first of all fluoride is a

1175

00:39:10,630 --> 00:39:07,520

byproduct of the

1176

00:39:12,829 --> 00:39:10,640

manufacture of aluminum okay

1177

00:39:14,870 --> 00:39:12,839

and it is the active ingredient rack

1178

00:39:17,670 --> 00:39:14,880

poison all right

1179

00:39:19,190 --> 00:39:17,680

okay so yeah you know well you know i've

1180

00:39:22,069 --> 00:39:19,200

talked to doctors who said

1181

00:39:22,550 --> 00:39:22,079

you know there's absolutely no benefit

1182

00:39:28,710 --> 00:39:22,560

uh

1183

00:39:29,910 --> 00:39:28,720

okay you know i mean for anybody who's

1184

00:39:30,870 --> 00:39:29,920

not a child anymore you're getting

1185

00:39:33,510 --> 00:39:30,880

fluoride

1186

00:39:34,069 --> 00:39:33,520

it doesn't do any good uh the question

1187

00:39:35,990 --> 00:39:34,079

is how much

1188

00:39:37,990 --> 00:39:36,000

bad is it doing well there's or there's

1189

00:39:39,670 --> 00:39:38,000

a condition called sclerosis

1190

00:39:41,270 --> 00:39:39,680

you know that's pretty widespread now

1191

00:39:43,190 --> 00:39:41,280

and it's even among teenagers where the

1192

00:39:47,109 --> 00:39:43,200

enamel has gone off their teeth

1193

00:39:53,589 --> 00:39:50,230

you know fluoride was used to pacify

1194

00:39:55,670 --> 00:39:53,599

people the russians the soviets

1195

00:39:57,030 --> 00:39:55,680

discovered this trait and used it in

1196

00:39:59,589 --> 00:39:57,040

their gulags to

1197

00:40:01,349 --> 00:39:59,599

you know keep the inmates uh calm and

1198

00:40:02,870 --> 00:40:01,359

not troublesome

1199

00:40:05,190 --> 00:40:02,880

yeah you say it calms aggressive

1200

00:40:06,309 --> 00:40:05,200

tendencies and lowers iqs of children i

1201

00:40:09,030 --> 00:40:06,319

mean that's pretty

1202

00:40:10,870 --> 00:40:09,040

damning you know yeah i know but it all

1203

00:40:12,870 --> 00:40:10,880

it also kind of fits in

1204

00:40:15,109 --> 00:40:12,880

with you know the goals uh you know

1205

00:40:16,069 --> 00:40:15,119

definitely yeah definitely it's you know

1206

00:40:17,589 --> 00:40:16,079

they they don't want

1207

00:40:19,510 --> 00:40:17,599

intelligent people they want good

1208

00:40:21,430 --> 00:40:19,520

workers you know

1209

00:40:23,910 --> 00:40:21,440

another modern conspiracy a popular

1210

00:40:25,750 --> 00:40:23,920

motif in pop culture is the paranoid

1211

00:40:26,069 --> 00:40:25,760

conspiracy theorist who's freaking out

1212

00:40:29,109 --> 00:40:26,079

about

1213

00:40:31,990 --> 00:40:29,119

rfid chips but it seems like this should

1214

00:40:34,230 --> 00:40:32,000

be a real concern of people's today no

1215

00:40:35,750 --> 00:40:34,240

well yeah because the rfid chip when

1216

00:40:40,470 --> 00:40:35,760

tested on mice caused

1217

00:40:42,390 --> 00:40:40,480

tumors and it's like uh

1218

00:40:43,829 --> 00:40:42,400

you know i questioned a guy and he said

1219

00:40:44,630 --> 00:40:43,839

well you know well there's a difference

1220

00:40:47,109 --> 00:40:44,640

between mice

1221

00:40:48,069 --> 00:40:47,119

and humans and i go yeah okay would you

1222

00:40:50,069 --> 00:40:48,079

let your kids

1223

00:40:52,390 --> 00:40:50,079

be chipped and you thought for a second

1224

00:40:55,910 --> 00:40:52,400

and he said no no

1225

00:40:58,630 --> 00:40:55,920

so you know come on um

1226

00:41:00,230 --> 00:40:58,640

it's it's it's shown to cause tumors

1227

00:41:01,670 --> 00:41:00,240

okay nobody wants tumors

1228

00:41:03,750 --> 00:41:01,680

you know nobody wants something in them

1229

00:41:06,550 --> 00:41:03,760

that cause tumors that's just one reason

1230

00:41:07,589 --> 00:41:06,560

the other thing is you know how it can

1231

00:41:10,230 --> 00:41:07,599

be used

1232

00:41:11,030 --> 00:41:10,240

the rockefellers have this idea that if

1233

00:41:13,910 --> 00:41:11,040

everybody gets

1234

00:41:14,710 --> 00:41:13,920

chipped then you know they can have

1235

00:41:17,750 --> 00:41:14,720

access to

1236

00:41:19,589 --> 00:41:17,760

all of their financial and health admin

1237

00:41:21,270 --> 00:41:19,599

you know information right stuff like

1238

00:41:23,030 --> 00:41:21,280

that and if somebody

1239

00:41:24,790 --> 00:41:23,040

becomes obnoxious they just turn off the

1240

00:41:26,550 --> 00:41:24,800

chip and all of a sudden the guy can't

1241

00:41:27,990 --> 00:41:26,560

he can't get a job he can't get social

1242

00:41:29,750 --> 00:41:28,000

security he can't get anything

1243

00:41:31,910 --> 00:41:29,760

he can't get a license a driver's

1244

00:41:34,150 --> 00:41:31,920

license he's been made a non-person

1245

00:41:36,069 --> 00:41:34,160

yeah it's a scary thing but i mean it's

1246

00:41:36,630 --> 00:41:36,079

already in passports it's it's there

1247

00:41:40,390 --> 00:41:36,640

with no

1248

00:41:42,870 --> 00:41:40,400

not much resistance and i do think this

1249

00:41:45,030 --> 00:41:42,880

is going to be a real challenge i guess

1250

00:41:46,630 --> 00:41:45,040

when i look at the the big overarching

1251  
00:41:47,109 --> 00:41:46,640  
theme here it's like they seem to be

1252  
00:41:49,349 --> 00:41:47,119  
getting

1253  
00:41:51,190 --> 00:41:49,359  
super close to their objectives but this

1254  
00:41:52,950 --> 00:41:51,200  
the trump card seems to be the hardest

1255  
00:41:54,630 --> 00:41:52,960  
to get over it seems like

1256  
00:41:57,670 --> 00:41:54,640  
you know that might be the wake up call

1257  
00:42:00,950 --> 00:41:57,680  
that people need but i cannot see

1258  
00:42:02,950 --> 00:42:00,960  
the whole country willingly getting

1259  
00:42:04,309 --> 00:42:02,960  
you know a radio transmitter implanted

1260  
00:42:05,829 --> 00:42:04,319  
in them i just i cannot see that

1261  
00:42:06,470 --> 00:42:05,839  
happening but it is in the health care

1262  
00:42:09,750 --> 00:42:06,480  
bill that

1263  
00:42:11,510 --> 00:42:09,760

out a few years ago now well

1264

00:42:13,349 --> 00:42:11,520

yeah yeah and of course you know i got

1265

00:42:15,030 --> 00:42:13,359

uh i got a lot of uh

1266

00:42:16,630 --> 00:42:15,040

flak for for mentioning that because

1267

00:42:19,270 --> 00:42:16,640

apparently they took it out

1268

00:42:21,589 --> 00:42:19,280

before they uh actually passed the bill

1269

00:42:24,150 --> 00:42:21,599

um you know i wrote this in 2010

1270

00:42:26,390 --> 00:42:24,160

and it was still in there then so uh you

1271

00:42:28,710 --> 00:42:26,400

know i just didn't change it but uh

1272

00:42:30,069 --> 00:42:28,720

yeah um the way it was written

1273

00:42:32,950 --> 00:42:30,079

originally was that

1274

00:42:34,470 --> 00:42:32,960

you know it's not mandatory but if you

1275

00:42:37,829 --> 00:42:34,480

want obamacare

1276

00:42:40,150 --> 00:42:37,839

you have to have it you know so in fact

1277

00:42:41,910 --> 00:42:40,160

it is mandatory basically

1278

00:42:43,910 --> 00:42:41,920

and you know they may have taken it out

1279

00:42:45,030 --> 00:42:43,920

of the build because of the heat on it

1280

00:42:46,950 --> 00:42:45,040

but

1281

00:42:48,550 --> 00:42:46,960

it's the it's the motivation that's

1282

00:42:49,270 --> 00:42:48,560

important you know why why put it in

1283

00:42:50,790 --> 00:42:49,280

there at all

1284

00:42:52,470 --> 00:42:50,800

clearly they want this in there and you

1285

00:42:53,349 --> 00:42:52,480

know maybe it got caught this time in

1286

00:42:54,870 --> 00:42:53,359

this

1287

00:42:56,470 --> 00:42:54,880

hundred page bill they put out but

1288

00:42:59,349 --> 00:42:56,480

they'll put it in again

1289

00:43:00,150 --> 00:42:59,359

and yeah they'll they'll find a way to

1290

00:43:01,589 --> 00:43:00,160

sneak it in

1291

00:43:03,829 --> 00:43:01,599

that's what they do with all these bills

1292

00:43:04,230 --> 00:43:03,839

you know they're all 2000 pages long and

1293

00:43:05,910 --> 00:43:04,240

the

1294

00:43:07,750 --> 00:43:05,920

congress has you know basically 10

1295

00:43:08,950 --> 00:43:07,760

minutes to read them so anyway that's

1296

00:43:12,069 --> 00:43:08,960

the sad state of our

1297

00:43:13,910 --> 00:43:12,079

our democracy right now yeah um

1298

00:43:15,510 --> 00:43:13,920

but yeah yeah that's frightening you

1299

00:43:17,670 --> 00:43:15,520

know i have this uh funny thing where

1300

00:43:19,750 --> 00:43:17,680

they have this uh this actually this

1301  
00:43:20,950 --> 00:43:19,760  
truck you know that goes around chipping

1302  
00:43:22,630 --> 00:43:20,960  
people

1303  
00:43:24,069 --> 00:43:22,640  
it's like you know like a cool thing to

1304  
00:43:26,550 --> 00:43:24,079  
do you know get chipped

1305  
00:43:28,630 --> 00:43:26,560  
you know and uh right i wish people

1306  
00:43:29,109 --> 00:43:28,640  
would you know just stop and think for a

1307  
00:43:32,309 --> 00:43:29,119  
moment

1308  
00:43:35,349 --> 00:43:32,319  
what are the connotations of this yeah

1309  
00:43:37,829 --> 00:43:35,359  
another another area people worry about

1310  
00:43:38,550 --> 00:43:37,839  
in modern conspiracy is the vaccines and

1311  
00:43:40,150 --> 00:43:38,560  
you have

1312  
00:43:42,470 --> 00:43:40,160  
a chapter in battle him called the

1313  
00:43:44,069 --> 00:43:42,480

cancer dance everybody today realizes

1314

00:43:45,270 --> 00:43:44,079

there's been a serious spike in cancer

1315

00:43:46,150 --> 00:43:45,280

and everyone has a different theory as

1316

00:43:47,589 --> 00:43:46,160

to why

1317

00:43:50,390 --> 00:43:47,599

but i guess there seems to be a link

1318

00:43:54,150 --> 00:43:50,400

between the polio vaccine

1319

00:43:54,630 --> 00:43:54,160

and a spike in soft tissue cancer uh

1320

00:43:58,630 --> 00:43:54,640

yeah

1321

00:43:59,510 --> 00:43:58,640

information from edward haslam the

1322

00:44:01,910 --> 00:43:59,520

author

1323

00:44:02,950 --> 00:44:01,920

um the polio vaccine introduced by

1324

00:44:06,390 --> 00:44:02,960

albert

1325

00:44:08,630 --> 00:44:06,400

sabin in 1955 was accidentally laced

1326  
00:44:10,030 --> 00:44:08,640  
with a carcinoid carcinogenic pathogen

1327  
00:44:13,589 --> 00:44:10,040  
called symbian virus

1328  
00:44:16,790 --> 00:44:13,599  
740 or sv 40

1329  
00:44:18,790 --> 00:44:16,800  
uh a massive vaccination program spread

1330  
00:44:21,190 --> 00:44:18,800  
sv40 to an entire generation

1331  
00:44:23,270 --> 00:44:21,200  
and when this was discovered cancer

1332  
00:44:25,349 --> 00:44:23,280  
research was redoubled in expectation of

1333  
00:44:27,990 --> 00:44:25,359  
a spike in soft tissue cancer

1334  
00:44:29,750 --> 00:44:28,000  
that has since occurred in the meantime

1335  
00:44:30,790 --> 00:44:29,760  
the new polio vaccine was quietly

1336  
00:44:32,470 --> 00:44:30,800  
removed

1337  
00:44:33,910 --> 00:44:32,480  
and but the news spurred military and

1338  
00:44:36,069 --> 00:44:33,920

intelligence communities to begin

1339

00:44:38,230 --> 00:44:36,079

research into weaponizing cancer

1340

00:44:40,069 --> 00:44:38,240

prime target of course was fidel castro

1341

00:44:42,150 --> 00:44:40,079

at the time

1342

00:44:44,710 --> 00:44:42,160

a large lab was set up in new orleans at

1343

00:44:48,230 --> 00:44:44,720

the u.s health service hospital

1344

00:44:50,870 --> 00:44:48,240

it was supervised by dr alton osner

1345

00:44:51,510 --> 00:44:50,880

who was a right wing anti-castro

1346

00:44:53,030 --> 00:44:51,520

activist

1347

00:44:55,190 --> 00:44:53,040

uh who actually became head of the

1348

00:44:58,230 --> 00:44:55,200

american cancer society

1349

00:45:01,190 --> 00:44:58,240

um one of his uh his workers dr

1350

00:45:02,470 --> 00:45:01,200

mary sherman held a high position in the

1351  
00:45:05,030 --> 00:45:02,480  
in the clinic

1352  
00:45:07,230 --> 00:45:05,040  
uh which was closed and dismantled when

1353  
00:45:10,390 --> 00:45:07,240  
she died this suspicious death in

1354  
00:45:12,150 --> 00:45:10,400  
1964. in 63

1355  
00:45:13,670 --> 00:45:12,160  
ochsner founded the international

1356  
00:45:17,030 --> 00:45:13,680  
council of americas or

1357  
00:45:18,150 --> 00:45:17,040  
inca inca it was an anti-communist

1358  
00:45:19,829 --> 00:45:18,160  
propaganda outlet

1359  
00:45:21,589 --> 00:45:19,839  
protecting the interests of american

1360  
00:45:23,510 --> 00:45:21,599  
fruit and shipping companies depended on

1361  
00:45:26,550 --> 00:45:23,520  
latin american stability

1362  
00:45:27,829 --> 00:45:26,560  
uh naturally uh you know in august 1963

1363  
00:45:30,870 --> 00:45:27,839

inca began

1364

00:45:33,430 --> 00:45:30,880

demonizing lee oswald as a pro-castro

1365

00:45:35,750 --> 00:45:33,440

traitor

1366

00:45:37,990 --> 00:45:35,760

dr ochsner himself produced a record

1367

00:45:40,390 --> 00:45:38,000

album of the radio discussion between

1368

00:45:42,550 --> 00:45:40,400

oswald and an anti-cuban

1369

00:45:44,470 --> 00:45:42,560

spokesman oxner's picture is right on

1370

00:45:45,990 --> 00:45:44,480

the back of the cover there

1371

00:45:47,670 --> 00:45:46,000

but it's clear that oswald was doing

1372

00:45:50,390 --> 00:45:47,680

business with oxner

1373

00:45:51,430 --> 00:45:50,400

um years after the jfk murder uh the

1374

00:45:53,990 --> 00:45:51,440

garrison probe

1375

00:45:56,309 --> 00:45:54,000

uncovered a second secret lab attempting

1376  
00:45:58,550 --> 00:45:56,319  
to weaponize cancer in new orleans uh

1377  
00:46:00,390 --> 00:45:58,560  
this was run by right-wing extremists

1378  
00:46:02,950 --> 00:46:00,400  
and located in the apartment

1379  
00:46:05,270 --> 00:46:02,960  
rented by david ferry who had known

1380  
00:46:06,390 --> 00:46:05,280  
oswald since lee was a teenager in the

1381  
00:46:09,829 --> 00:46:06,400  
new orleans civil

1382  
00:46:11,670 --> 00:46:09,839  
air patrol the ferry lab employed a

1383  
00:46:13,750 --> 00:46:11,680  
gifted young researcher named judith

1384  
00:46:16,390 --> 00:46:13,760  
baker who was recruited right out of

1385  
00:46:19,349 --> 00:46:16,400  
high school by ochsner

1386  
00:46:21,270 --> 00:46:19,359  
to work on weaponizing cancer now baker

1387  
00:46:24,390 --> 00:46:21,280  
uh and oswald had an affair

1388  
00:46:26,630 --> 00:46:24,400

in 1963 partially corroborated by their

1389

00:46:27,510 --> 00:46:26,640

pay slips from the riley uh coffee

1390

00:46:30,309 --> 00:46:27,520

company

1391

00:46:31,910 --> 00:46:30,319

which was their cover job baker claims

1392

00:46:34,150 --> 00:46:31,920

oswald

1393

00:46:37,270 --> 00:46:34,160

introduced her to ferry who admitted

1394

00:46:39,670 --> 00:46:37,280

knowing ochsner and mary sherman

1395

00:46:40,870 --> 00:46:39,680

oswald also introduced judy baker to a

1396

00:46:42,230 --> 00:46:40,880

guy banister who

1397

00:46:44,470 --> 00:46:42,240

coordinated the training of the

1398

00:46:47,910 --> 00:46:44,480

anti-castro cubans in the

1399

00:46:49,910 --> 00:46:47,920

nearby lake panchar train uh baker

1400

00:46:53,190 --> 00:46:49,920

claims that banister admitted

1401

00:46:54,950 --> 00:46:53,200

oswald was working for him and she also

1402

00:46:55,990 --> 00:46:54,960

claims that oswald went into oxner's

1403

00:46:58,309 --> 00:46:56,000

office before she was

1404

00:46:59,270 --> 00:46:58,319

allowed to meet the doctor indicating

1405

00:47:02,630 --> 00:46:59,280

that oswald

1406

00:47:03,270 --> 00:47:02,640

knew oxner well baker admits that she

1407

00:47:06,309 --> 00:47:03,280

bred a

1408

00:47:08,870 --> 00:47:06,319

quote vicious galloping cancer in quotes

1409

00:47:09,990 --> 00:47:08,880

the reports and samples of what she and

1410

00:47:12,309 --> 00:47:10,000

oswald took to mary

1411

00:47:14,309 --> 00:47:12,319

sherman to be further perfected through

1412

00:47:15,829 --> 00:47:14,319

radiation at the u.s public health

1413

00:47:17,750 --> 00:47:15,839

service hospital

1414

00:47:20,549 --> 00:47:17,760

baker claims oswald and ferry then

1415

00:47:21,270 --> 00:47:20,559

introduced her to sparky rubenstein who

1416

00:47:23,910 --> 00:47:21,280

she says

1417

00:47:25,270 --> 00:47:23,920

told her he'd known oswell since he was

1418

00:47:27,349 --> 00:47:25,280

a little boy

1419

00:47:31,910 --> 00:47:27,359

it was only after oswald's murder did

1420

00:47:38,390 --> 00:47:35,270

i know it's just an amazing story um

1421

00:47:40,790 --> 00:47:38,400

this uh the baker interview was on uh an

1422

00:47:43,910 --> 00:47:40,800

hour-long program on the history channel

1423

00:47:45,109 --> 00:47:43,920

it's i recommend it highly uh according

1424

00:47:47,270 --> 00:47:45,119

to her clay shaw

1425

00:47:49,670 --> 00:47:47,280

arranged the hotel rooms where she and

1426

00:47:51,589 --> 00:47:49,680

oswald had their love trift

1427

00:47:52,870 --> 00:47:51,599

uh the connections between oswald shaw

1428

00:47:55,670 --> 00:47:52,880

oxner ferry

1429

00:47:57,750 --> 00:47:55,680

ruby sherman and bannister they've never

1430

00:47:59,990 --> 00:47:57,760

been broached in official investigations

1431

00:48:02,390 --> 00:48:00,000

of the jfk murder

1432

00:48:04,390 --> 00:48:02,400

baker was upset to learn that her

1433

00:48:05,990 --> 00:48:04,400

developed cancer virus would be tested

1434

00:48:08,630 --> 00:48:06,000

on human guinea pigs

1435

00:48:09,829 --> 00:48:08,640

from the angola penitentiary uh they

1436

00:48:12,030 --> 00:48:09,839

were transported

1437

00:48:14,630 --> 00:48:12,040

these you know the inmates were

1438

00:48:15,430 --> 00:48:14,640

transported to a mental hospital in

1439

00:48:18,230 --> 00:48:15,440

jackson

1440

00:48:20,150 --> 00:48:18,240

and infected there and when baker

1441

00:48:22,230 --> 00:48:20,160

complained about this to oxnary

1442

00:48:23,670 --> 00:48:22,240

on a note he furiously told her that she

1443

00:48:26,230 --> 00:48:23,680

and oswald were expendable he didn't

1444

00:48:29,270 --> 00:48:26,240

want any of this in writing

1445

00:48:30,790 --> 00:48:29,280

on august 31st 1863 baker says oswald

1446

00:48:32,630 --> 00:48:30,800

drove her to see the results of her

1447

00:48:35,270 --> 00:48:32,640

virus on the prisoners

1448

00:48:37,430 --> 00:48:35,280

one man was so ill she said that uh just

1449

00:48:38,309 --> 00:48:37,440

72 hours after the injection he didn't

1450

00:48:41,270 --> 00:48:38,319

know where he was

1451

00:48:43,349 --> 00:48:41,280

and he would die 25 days later would

1452

00:48:44,950 --> 00:48:43,359

this oxnard convince baker to return to

1453

00:48:46,790 --> 00:48:44,960

her florida home

1454

00:48:47,990 --> 00:48:46,800

now the plan was for oswald to take the

1455

00:48:50,470 --> 00:48:48,000

virus to mexico

1456

00:48:51,190 --> 00:48:50,480

city where he would hand it to a medical

1457

00:48:53,510 --> 00:48:51,200

technician

1458

00:48:55,589 --> 00:48:53,520

and from mexico it would go to havana

1459

00:48:56,549 --> 00:48:55,599

and pass to a member of castro's medical

1460

00:48:59,670 --> 00:48:56,559

team who had

1461

00:49:02,150 --> 00:48:59,680

been turned when castro went to mexico

1462

00:49:04,069 --> 00:49:02,160

i'm sorry when oswald went to mexico he

1463

00:49:05,510 --> 00:49:04,079

he never found his contact though

1464

00:49:07,190 --> 00:49:05,520

and his attempts to bring the material

1465

00:49:08,950 --> 00:49:07,200

to cuba himself failed because he

1466

00:49:11,750 --> 00:49:08,960

couldn't secure a visa

1467

00:49:13,190 --> 00:49:11,760

so he uh returned and he was sent to

1468

00:49:14,870 --> 00:49:13,200

dallas

1469

00:49:17,270 --> 00:49:14,880

his new cover job at the school book

1470

00:49:18,950 --> 00:49:17,280

depository and his handlers told him

1471

00:49:20,710 --> 00:49:18,960

that the castro mission had been aborted

1472

00:49:21,670 --> 00:49:20,720

due to damage in cuba by a recent

1473

00:49:23,510 --> 00:49:21,680

hurricane

1474

00:49:26,470 --> 00:49:23,520

so oswell continued to speak to baker

1475

00:49:29,109 --> 00:49:26,480

via special phone line set up by ferry

1476

00:49:31,190 --> 00:49:29,119

through his mafia contacts uh at least

1477

00:49:33,829 --> 00:49:31,200

14 conversations between dallas and

1478

00:49:35,750 --> 00:49:33,839

miami took place according to baker

1479

00:49:37,829 --> 00:49:35,760

who said oswald's tone became more

1480

00:49:39,829 --> 00:49:37,839

desperate as time passed

1481

00:49:41,109 --> 00:49:39,839

he told her that he'd penetrated a ring

1482

00:49:43,910 --> 00:49:41,119

with the help of shaw

1483

00:49:45,109 --> 00:49:43,920

and ferry that required him to pretend

1484

00:49:47,990 --> 00:49:45,119

he wanted to see

1485

00:49:49,270 --> 00:49:48,000

jfk eliminated uh baker claims that

1486

00:49:51,190 --> 00:49:49,280

oswald told her

1487

00:49:53,190 --> 00:49:51,200

of three locations in dallas where the

1488

00:49:54,790 --> 00:49:53,200

hit was being set up

1489

00:49:56,630 --> 00:49:54,800

baker claims oswald said he wasn't

1490

00:49:57,990 --> 00:49:56,640

afraid of dying but feared he would be

1491

00:49:59,430 --> 00:49:58,000

blamed for jfk's death

1492

00:50:01,430 --> 00:49:59,440

and that his kids would never know the

1493

00:50:04,710 --> 00:50:01,440

truth uh

1494

00:50:07,349 --> 00:50:04,720

the the pair last spoke on november 20th

1495

00:50:09,430 --> 00:50:07,359

1963 when oswald assured her that

1496

00:50:11,589 --> 00:50:09,440

he was not alone in trying to save jfk

1497

00:50:12,230 --> 00:50:11,599

and that there was one and perhaps two

1498

00:50:14,390 --> 00:50:12,240

others

1499

00:50:15,990 --> 00:50:14,400

with the same goal but he added that it

1500

00:50:17,990 --> 00:50:16,000

was impossible to remove himself from

1501  
00:50:19,990 --> 00:50:18,000  
the situation he penetrated because he

1502  
00:50:22,870 --> 00:50:20,000  
and his family would be killed

1503  
00:50:24,870 --> 00:50:22,880  
uh they ended this last phone call by

1504  
00:50:27,030 --> 00:50:24,880  
reciting the lord's prayer

1505  
00:50:29,109 --> 00:50:27,040  
and we all know what happened after that

1506  
00:50:31,349 --> 00:50:29,119  
a lot of good that did them

1507  
00:50:32,790 --> 00:50:31,359  
yeah man you know somebody that is

1508  
00:50:34,309 --> 00:50:32,800  
that's a really fascinating story that

1509  
00:50:35,109 --> 00:50:34,319  
was one of my favorite sections in the

1510  
00:50:37,190 --> 00:50:35,119  
book but

1511  
00:50:38,710 --> 00:50:37,200  
some of these attacks on people may be a

1512  
00:50:39,349 --> 00:50:38,720  
bit hard to believe but you write in the

1513  
00:50:40,870 --> 00:50:39,359

book that

1514

00:50:42,790 --> 00:50:40,880

congressional investigations have

1515

00:50:44,950 --> 00:50:42,800

revealed that there have been over 20

1516

00:50:46,870 --> 00:50:44,960

000 secret experiments and tests carried

1517

00:50:48,870 --> 00:50:46,880

out on american citizens since 1910.

1518

00:50:51,190 --> 00:50:48,880

that is a lot man

1519

00:50:53,030 --> 00:50:51,200

yeah yeah and uh you know i mean that's

1520

00:50:55,829 --> 00:50:53,040

probably just the tip of the iceberg

1521

00:50:56,390 --> 00:50:55,839

you know what's on the record um you

1522

00:50:58,790 --> 00:50:56,400

know and they

1523

00:50:59,910 --> 00:50:58,800

they continue to go on i mean you look

1524

00:51:02,309 --> 00:50:59,920

at that and you see

1525

00:51:03,430 --> 00:51:02,319

uh you know an unbroken history of just

1526  
00:51:05,910 --> 00:51:03,440  
no regard

1527  
00:51:06,630 --> 00:51:05,920  
for the safety and the rights of

1528  
00:51:08,470 --> 00:51:06,640  
citizens

1529  
00:51:10,870 --> 00:51:08,480  
it's sickening i mean we all know about

1530  
00:51:13,750 --> 00:51:10,880  
uh syphilis experiments

1531  
00:51:15,430 --> 00:51:13,760  
on the uh the black people in right in

1532  
00:51:17,750 --> 00:51:15,440  
the south and

1533  
00:51:19,109 --> 00:51:17,760  
uh you know just giving them for people

1534  
00:51:20,309 --> 00:51:19,119  
who don't know they basically just gave

1535  
00:51:22,630 --> 00:51:20,319  
him a placebo

1536  
00:51:24,150 --> 00:51:22,640  
and watched the effects kill exactly

1537  
00:51:25,670 --> 00:51:24,160  
yeah yeah the whole point of the thing

1538  
00:51:29,190 --> 00:51:25,680

was just to see how the

1539

00:51:30,710 --> 00:51:29,200

the disease developed ah hands

1540

00:51:32,710 --> 00:51:30,720

and of course you know they picked the

1541

00:51:34,390 --> 00:51:32,720

poorest people they could find uh

1542

00:51:36,069 --> 00:51:34,400

just totally helpless and somewhat

1543

00:51:37,990 --> 00:51:36,079

ignorant i guess but

1544

00:51:40,230 --> 00:51:38,000

um you know it just shows the

1545

00:51:41,829 --> 00:51:40,240

ruthlessness that's involved in

1546

00:51:43,349 --> 00:51:41,839

yeah i mean it goes back to these

1547

00:51:44,069 --> 00:51:43,359

families at the top of the pyramid

1548

00:51:46,230 --> 00:51:44,079

they've

1549

00:51:47,349 --> 00:51:46,240

gained control and maintained return

1550

00:51:50,150 --> 00:51:47,359

control for

1551  
00:51:51,829 --> 00:51:50,160  
a couple hundred years now and it's it's

1552  
00:51:52,630 --> 00:51:51,839  
ridiculous i mean it's odd that they can

1553  
00:51:54,309 --> 00:51:52,640  
get their

1554  
00:51:56,549 --> 00:51:54,319  
families on board you know that they can

1555  
00:51:57,349 --> 00:51:56,559  
just get their kids to carry on their

1556  
00:51:59,430 --> 00:51:57,359  
legacy

1557  
00:52:00,630 --> 00:51:59,440  
you know because it is such a patient

1558  
00:52:04,630 --> 00:52:00,640  
plan

1559  
00:52:07,349 --> 00:52:04,640  
right it's generational and

1560  
00:52:08,470 --> 00:52:07,359  
i'm i don't know how close it is to

1561  
00:52:12,549 --> 00:52:08,480  
fruition

1562  
00:52:14,470 --> 00:52:12,559  
but i am disturbed deeply by you know

1563  
00:52:15,910 --> 00:52:14,480

our government agencies purchasing all

1564

00:52:18,549 --> 00:52:15,920

this weaponry and

1565

00:52:19,589 --> 00:52:18,559

uh you know ammunition well an odd thing

1566

00:52:21,829 --> 00:52:19,599

about that is that

1567

00:52:23,349 --> 00:52:21,839

that's a story that's being pushed forth

1568

00:52:25,670 --> 00:52:23,359

in the mainstream news now

1569

00:52:27,349 --> 00:52:25,680

that the government's stockpiling

1570

00:52:28,710 --> 00:52:27,359

weapons and stockpiling ammunition

1571

00:52:29,270 --> 00:52:28,720

that's odd that they would report on

1572

00:52:30,950 --> 00:52:29,280

that

1573

00:52:32,230 --> 00:52:30,960

well it might be a warning too of

1574

00:52:33,910 --> 00:52:32,240

obviously they're doing that because

1575

00:52:35,030 --> 00:52:33,920

they're expecting some sort of major

1576

00:52:36,470 --> 00:52:35,040

social unrest

1577

00:52:37,910 --> 00:52:36,480

it's all pretty damning stuff i mean

1578

00:52:39,030 --> 00:52:37,920

what do you think is next on the agenda

1579

00:52:40,950 --> 00:52:39,040

obviously they're pushing towards the

1580

00:52:42,870 --> 00:52:40,960

one world government and obama seems to

1581

00:52:44,710 --> 00:52:42,880

have moved the needle pretty damn far

1582

00:52:46,309 --> 00:52:44,720

in the global elites direction but do

1583

00:52:47,990 --> 00:52:46,319

you think there'll be a catalyst that

1584

00:52:50,309 --> 00:52:48,000

prompts them to start filling up these

1585

00:52:52,790 --> 00:52:50,319

fema camps people hear about

1586

00:52:55,829 --> 00:52:52,800

yes i do i don't know what it'll be but

1587

00:52:57,990 --> 00:52:55,839

some sort of emergency will be fomented

1588

00:52:58,870 --> 00:52:58,000

in other words created by uh these

1589

00:53:01,109 --> 00:52:58,880

people

1590

00:53:02,150 --> 00:53:01,119

i it could be you know another terrorist

1591

00:53:04,710 --> 00:53:02,160

attack

1592

00:53:06,230 --> 00:53:04,720

it could be a worldwide infection you

1593

00:53:08,549 --> 00:53:06,240

know disease

1594

00:53:10,870 --> 00:53:08,559

um it could be a number of things the

1595

00:53:11,670 --> 00:53:10,880

purpose being to give them an excuse to

1596

00:53:13,589 --> 00:53:11,680

enact

1597

00:53:15,109 --> 00:53:13,599

these in their emergency measures that

1598

00:53:17,030 --> 00:53:15,119

are already in place

1599

00:53:18,790 --> 00:53:17,040

you know which basically end the

1600

00:53:20,549 --> 00:53:18,800

democratic system

1601  
00:53:21,910 --> 00:53:20,559  
man you know i think skeptics look at

1602  
00:53:23,990 --> 00:53:21,920  
this and they

1603  
00:53:25,510 --> 00:53:24,000  
they hear people talking about it and it

1604  
00:53:28,150 --> 00:53:25,520  
seems like every

1605  
00:53:29,030 --> 00:53:28,160  
major event for the past couple hundred

1606  
00:53:31,349 --> 00:53:29,040  
years

1607  
00:53:32,630 --> 00:53:31,359  
is completely orchestrated by these

1608  
00:53:35,670 --> 00:53:32,640  
families and that's

1609  
00:53:36,470 --> 00:53:35,680  
that's uh a tough pill to swallow for a

1610  
00:53:38,549 --> 00:53:36,480  
lot of people be

1611  
00:53:40,309 --> 00:53:38,559  
that some somebody has that much power

1612  
00:53:43,270 --> 00:53:40,319  
but it seems like there's no

1613  
00:53:44,549 --> 00:53:43,280

nothing just happens in this world yeah

1614

00:53:46,309 --> 00:53:44,559

yeah well i still think

1615

00:53:47,829 --> 00:53:46,319

you know some sometimes things just

1616

00:53:49,589 --> 00:53:47,839

happen but these people know how to take

1617

00:53:51,510 --> 00:53:49,599

advantage of it very quickly

1618

00:53:52,790 --> 00:53:51,520

war is good news for the bankers you

1619

00:53:54,630 --> 00:53:52,800

know that means

1620

00:53:56,069 --> 00:53:54,640

nations have to borrow huge amounts of

1621

00:53:59,030 --> 00:53:56,079

money and then turn around

1622

00:53:59,430 --> 00:53:59,040

and use that money to uh you know buy

1623

00:54:03,910 --> 00:53:59,440

and

1624

00:54:05,589 --> 00:54:03,920

they own the munitions companies

1625

00:54:07,510 --> 00:54:05,599

so you know they're getting their money

1626  
00:54:09,190 --> 00:54:07,520  
back the principal right away

1627  
00:54:10,790 --> 00:54:09,200  
plus they're charging ridiculous

1628  
00:54:12,309 --> 00:54:10,800  
interest on the loans

1629  
00:54:14,390 --> 00:54:12,319  
so you know they're making money hand

1630  
00:54:15,349 --> 00:54:14,400  
over foot the governments are completely

1631  
00:54:18,230 --> 00:54:15,359  
at their uh

1632  
00:54:19,589 --> 00:54:18,240  
mercy and you know war is just good

1633  
00:54:22,230 --> 00:54:19,599  
business

1634  
00:54:23,430 --> 00:54:22,240  
man when when our governments can't even

1635  
00:54:25,670 --> 00:54:23,440  
overcome this

1636  
00:54:27,430 --> 00:54:25,680  
this power structure it seems tough

1637  
00:54:28,790 --> 00:54:27,440  
almost impossible for the individual do

1638  
00:54:30,069 --> 00:54:28,800

you think there's a way to beat them

1639

00:54:31,990 --> 00:54:30,079

there's a lot of talk about

1640

00:54:34,309 --> 00:54:32,000

resource-based economies and getting

1641

00:54:36,630 --> 00:54:34,319

beyond a monetary system

1642

00:54:38,069 --> 00:54:36,640

it seems like that really is the only

1643

00:54:41,109 --> 00:54:38,079

solution because

1644

00:54:43,589 --> 00:54:41,119

their value or their power is determined

1645

00:54:46,470 --> 00:54:43,599

by the perceived value of currency like

1646

00:54:48,390 --> 00:54:46,480

if we were able to flip that switch

1647

00:54:49,910 --> 00:54:48,400

it seems like their power would kind of

1648

00:54:51,109 --> 00:54:49,920

dissipate i mean is there any other way

1649

00:54:54,950 --> 00:54:51,119

to get around this

1650

00:54:58,390 --> 00:54:54,960

well yeah yeah i i would start by uh uh

1651  
00:55:00,549 --> 00:54:58,400  
abolishing the federal reserve system

1652  
00:55:01,510 --> 00:55:00,559  
um that's a privately owned corporation

1653  
00:55:04,549 --> 00:55:01,520  
right right

1654  
00:55:06,950 --> 00:55:04,559  
um you know they charge

1655  
00:55:08,950 --> 00:55:06,960  
a lot of money to in interest to just to

1656  
00:55:09,910 --> 00:55:08,960  
print our money when our own treasury

1657  
00:55:11,990 --> 00:55:09,920  
department could

1658  
00:55:14,710 --> 00:55:12,000  
very easily do it and legally do it for

1659  
00:55:17,270 --> 00:55:14,720  
free they've done it before

1660  
00:55:19,270 --> 00:55:17,280  
as i pointed out in the book i'm not you

1661  
00:55:20,710 --> 00:55:19,280  
know i'm not making any suggestions here

1662  
00:55:22,150 --> 00:55:20,720  
but there were two there are only two

1663  
00:55:25,349 --> 00:55:22,160

presidents who

1664

00:55:27,589 --> 00:55:25,359

who went around uh the central bank

1665

00:55:29,510 --> 00:55:27,599

and printed uh had the treasury

1666

00:55:31,109 --> 00:55:29,520

department print our own money

1667

00:55:32,710 --> 00:55:31,119

that was abraham lincoln when he did the

1668

00:55:35,829 --> 00:55:32,720

greenbacks in the

1669

00:55:37,910 --> 00:55:35,839

in the civil war and john f kennedy uh

1670

00:55:40,870 --> 00:55:37,920

when he used our silver reserves to

1671

00:55:43,670 --> 00:55:40,880

create 4.5 billion dollars of

1672

00:55:45,030 --> 00:55:43,680

federal treasury printed bills um

1673

00:55:47,829 --> 00:55:45,040

neither one of them

1674

00:55:50,230 --> 00:55:47,839

made it okay both were killed publicly

1675

00:55:52,150 --> 00:55:50,240

in office

1676

00:55:53,430 --> 00:55:52,160

that should send a message shouldn't it

1677

00:55:55,510 --> 00:55:53,440

well yeah and you know i

1678

00:55:57,190 --> 00:55:55,520

i try to point out to people that you

1679

00:55:58,470 --> 00:55:57,200

know john kennedy if they wanted to

1680

00:56:00,309 --> 00:55:58,480

you know get rid of them they could have

1681

00:56:01,910 --> 00:56:00,319

always poisoned them you know

1682

00:56:03,990 --> 00:56:01,920

and it would have looked he was a sick

1683

00:56:06,309 --> 00:56:04,000

man anyway very ill so

1684

00:56:07,910 --> 00:56:06,319

you know it could have been you know

1685

00:56:10,390 --> 00:56:07,920

natural causes but

1686

00:56:12,150 --> 00:56:10,400

no they they publicly executed him as if

1687

00:56:14,789 --> 00:56:12,160

to send a message

1688

00:56:16,470 --> 00:56:14,799

you know that makes me wonder why a guy

1689

00:56:19,589 --> 00:56:16,480

like ron paul who's doing

1690

00:56:20,870 --> 00:56:19,599

more to stir up anti-sentiment against

1691

00:56:23,510 --> 00:56:20,880

the federal reserve like

1692

00:56:25,190 --> 00:56:23,520

why is he even allowed to talk you know

1693

00:56:26,390 --> 00:56:25,200

if you off that one man it seems like

1694

00:56:27,190 --> 00:56:26,400

that would have gone away a couple of

1695

00:56:28,870 --> 00:56:27,200

years ago

1696

00:56:30,789 --> 00:56:28,880

well yeah if ron paul had won the

1697

00:56:31,510 --> 00:56:30,799

election you you would see something

1698

00:56:33,430 --> 00:56:31,520

different

1699

00:56:34,870 --> 00:56:33,440

but he's inconsequential to them now

1700

00:56:37,670 --> 00:56:34,880

he's an old guy

1701  
00:56:39,670 --> 00:56:37,680  
he he did very poorly in the election so

1702  
00:56:42,870 --> 00:56:39,680  
yeah

1703  
00:56:44,309 --> 00:56:42,880  
much to the credit of the media for not

1704  
00:56:44,630 --> 00:56:44,319  
covering them in a lot of cases well

1705  
00:56:46,309 --> 00:56:44,640  
yeah

1706  
00:56:48,150 --> 00:56:46,319  
i mean he's portrayed as some kind of

1707  
00:56:49,829 --> 00:56:48,160  
goofball right

1708  
00:56:51,270 --> 00:56:49,839  
as all of us are you know anyone who's

1709  
00:56:52,069 --> 00:56:51,280  
looking into this field is portrayed

1710  
00:56:53,750 --> 00:56:52,079  
that way

1711  
00:56:55,670 --> 00:56:53,760  
well sure yeah i mean look at the you

1712  
00:56:58,789 --> 00:56:55,680  
know how they portrayed goldwater

1713  
00:56:59,430 --> 00:56:58,799

in 1964 is you know some nuclear cowboy

1714

00:57:01,910 --> 00:56:59,440

he was you know

1715

00:57:03,829 --> 00:57:01,920

going to start world war three and you

1716

00:57:05,910 --> 00:57:03,839

know also that he's you know a kraken

1717

00:57:07,109 --> 00:57:05,920

and so johnson's in the meantime is

1718

00:57:10,069 --> 00:57:07,119

running on the peace

1719

00:57:11,349 --> 00:57:10,079

campaign and as soon as he wins we have

1720

00:57:12,950 --> 00:57:11,359

the credibility gaps

1721

00:57:15,510 --> 00:57:12,960

you know where he just turns right

1722

00:57:17,670 --> 00:57:15,520

around and kicks up the vietnam war

1723

00:57:20,390 --> 00:57:17,680

man is there any point where you would

1724

00:57:23,510 --> 00:57:20,400

get out of the country

1725

00:57:26,230 --> 00:57:23,520

well me personally yeah

1726

00:57:28,230 --> 00:57:26,240

no not yet not yet i mean well that's

1727

00:57:29,109 --> 00:57:28,240

the whole uh talk about world war ii is

1728

00:57:30,309 --> 00:57:29,119

that there were a lot of jews that

1729

00:57:33,430 --> 00:57:30,319

wanted to get out but

1730

00:57:34,230 --> 00:57:33,440

they waited too long yeah yeah well it's

1731

00:57:35,990 --> 00:57:34,240

a bit different

1732

00:57:37,990 --> 00:57:36,000

suddenly you know martial law is

1733

00:57:39,990 --> 00:57:38,000

instituted yeah yeah that's serious

1734

00:57:41,829 --> 00:57:40,000

yeah it seems like there might be when

1735

00:57:43,510 --> 00:57:41,839

it happens i think it might all happen

1736

00:57:44,549 --> 00:57:43,520

at once and it might be tougher to get

1737

00:57:45,990 --> 00:57:44,559

out of the country but

1738

00:57:47,750 --> 00:57:46,000

i'm just curious because you've done so

1739

00:57:49,030 --> 00:57:47,760

much work into it i know people look

1740

00:57:49,910 --> 00:57:49,040

into this and they start to get a bit

1741

00:57:51,910 --> 00:57:49,920

paranoid

1742

00:57:53,510 --> 00:57:51,920

i actually been considering getting away

1743

00:57:55,589 --> 00:57:53,520

to somewhere a little more

1744

00:57:56,630 --> 00:57:55,599

a little more tropical a little less

1745

00:57:58,789 --> 00:57:56,640

under the control of

1746

00:58:00,309 --> 00:57:58,799

of these families but it seems like

1747

00:58:01,190 --> 00:58:00,319

there's really not anywhere to go and

1748

00:58:02,950 --> 00:58:01,200

still having

1749

00:58:04,950 --> 00:58:02,960

some type of modern convenience of any

1750

00:58:06,549 --> 00:58:04,960

kind right yeah especially if there's a

1751

00:58:08,630 --> 00:58:06,559

north american union so you have to get

1752

00:58:11,750 --> 00:58:08,640

the heck out of north america completely

1753

00:58:14,230 --> 00:58:11,760

but um you know dane phillips uh is

1754

00:58:15,990 --> 00:58:14,240

uh very serious about that he's actually

1755

00:58:19,190 --> 00:58:16,000

bought a lot of survival stuff

1756

00:58:22,549 --> 00:58:19,200

he's prepared to hit the road me

1757

00:58:24,549 --> 00:58:22,559

i'm just i'm just sitting back here

1758

00:58:26,230 --> 00:58:24,559

watching things happen i guess there

1759

00:58:28,470 --> 00:58:26,240

certainly are some people who uh

1760

00:58:29,750 --> 00:58:28,480

you know are making preparations yeah i

1761

00:58:32,069 --> 00:58:29,760

mean it does seem

1762

00:58:33,430 --> 00:58:32,079

like a very daunting task but on one

1763

00:58:35,190 --> 00:58:33,440

hand it's like why

1764

00:58:36,950 --> 00:58:35,200

have the knowledge if you're still to be

1765

00:58:38,950 --> 00:58:36,960

a victim to

1766

00:58:41,589 --> 00:58:38,960

to the plan to some extent you know if

1767

00:58:43,829 --> 00:58:41,599

it were to go a little bit further

1768

00:58:46,069 --> 00:58:43,839

yeah yeah well i feel like i've done

1769

00:58:47,430 --> 00:58:46,079

some good by just alerting people by

1770

00:58:50,150 --> 00:58:47,440

writing this book

1771

00:58:51,430 --> 00:58:50,160

absolutely trying to present things in a

1772

00:58:54,630 --> 00:58:51,440

very

1773

00:58:56,950 --> 00:58:54,640

factual and easy to digest manner

1774

00:58:58,150 --> 00:58:56,960

um you know uh because the material in

1775

00:59:00,710 --> 00:58:58,160

here is somewhat shocking

1776

00:59:01,670 --> 00:59:00,720

and it's it's difficult for people to to

1777

00:59:04,630 --> 00:59:01,680

accept it even

1778

00:59:05,829 --> 00:59:04,640

even with the journalistic uh packing

1779

00:59:09,030 --> 00:59:05,839

you know and the uh

1780

00:59:10,630 --> 00:59:09,040

the sources that i i present so

1781

00:59:13,109 --> 00:59:10,640

anyway i you know i've done that at

1782

00:59:15,109 --> 00:59:13,119

least yeah i mean that's

1783

00:59:16,150 --> 00:59:15,119

the step one you know is education of

1784

00:59:17,910 --> 00:59:16,160

course but that

1785

00:59:19,190 --> 00:59:17,920

pretty much does it man wow that was a

1786

00:59:21,030 --> 00:59:19,200

great talk for anyone who

1787

00:59:22,549 --> 00:59:21,040

who hasn't looked at battle him you

1788

00:59:24,230 --> 00:59:22,559

really should there's so much we didn't

1789

00:59:25,270 --> 00:59:24,240

cover there's so much you can't cover in

1790

00:59:26,950 --> 00:59:25,280

just an hour

1791

00:59:28,630 --> 00:59:26,960

we just kind of took some points and

1792

00:59:30,789 --> 00:59:28,640

tried to create a bit of a

1793

00:59:31,910 --> 00:59:30,799

cohesive story here but excellent

1794

00:59:33,589 --> 00:59:31,920

conversation man you're very

1795

00:59:35,109 --> 00:59:33,599

knowledgeable i'm really impressed with

1796

00:59:37,190 --> 00:59:35,119

the book i recommend it

1797

00:59:39,430 --> 00:59:37,200

obviously to anyone anyone who has

1798

00:59:40,470 --> 00:59:39,440

people who are a little bit on the fence

1799

00:59:41,910 --> 00:59:40,480

you know i think you could give them

1800

00:59:42,710 --> 00:59:41,920

this book and kind of bring them to our

1801  
00:59:44,470 --> 00:59:42,720  
side

1802  
00:59:46,470 --> 00:59:44,480  
can i tell your audience can i tell your

1803  
00:59:48,470 --> 00:59:46,480  
audience where to get it absolutely

1804  
00:59:49,990 --> 00:59:48,480  
uh you know aside from the usual online

1805  
00:59:51,670 --> 00:59:50,000  
place really the best place is just to

1806  
00:59:55,190 --> 00:59:51,680  
get it straight from the publisher

1807  
00:59:58,309 --> 00:59:55,200  
go to uh [blackrosewriting.com](http://blackrosewriting.com)

1808  
01:00:00,950 --> 00:59:58,319  
that's [blackrosewriting.com](http://blackrosewriting.com)

1809  
01:00:02,630 --> 01:00:00,960  
and it's cheaper there for you you'll

1810  
01:00:04,710 --> 01:00:02,640  
get it you'll get a better deal there

1811  
01:00:06,230 --> 01:00:04,720  
yeah we're getting screwed enough right

1812  
01:00:08,150 --> 01:00:06,240  
yeah any little

1813  
01:00:09,670 --> 01:00:08,160

any little thing helps but is there

1814

01:00:10,789 --> 01:00:09,680

anything this obviously this book's a

1815

01:00:13,109 --> 01:00:10,799

couple years old are you working on

1816

01:00:14,870 --> 01:00:13,119

anything new in this area

1817

01:00:16,390 --> 01:00:14,880

not in this area no i'm i'm working on

1818

01:00:17,430 --> 01:00:16,400

another book it's another non-fiction

1819

01:00:19,030 --> 01:00:17,440

book

1820

01:00:20,789 --> 01:00:19,040

all right well um do you want to tell

1821

01:00:23,030 --> 01:00:20,799

people a little bit about that or

1822

01:00:24,470 --> 01:00:23,040

well no because you know i'm still in

1823

01:00:26,789 --> 01:00:24,480

the research this stage

1824

01:00:27,510 --> 01:00:26,799

i like to keep things close to the vest

1825

01:00:30,710 --> 01:00:27,520

until it's

1826

01:00:32,230 --> 01:00:30,720

published and copyright smart all right

1827

01:00:34,069 --> 01:00:32,240

well is there anywhere people can keep

1828

01:00:35,670 --> 01:00:34,079

up with you online or check in on what

1829

01:00:38,230 --> 01:00:35,680

you're doing well yeah

1830

01:00:39,030 --> 01:00:38,240

actually uh i'm not associated with

1831

01:00:42,349 --> 01:00:39,040

james

1832

01:00:43,910 --> 01:00:42,359

website which is battlehim.com and

1833

01:00:47,750 --> 01:00:43,920

bbnworldnews.com

1834

01:00:50,950 --> 01:00:47,760

but uh you know it is a parallel um

1835

01:00:51,589 --> 01:00:50,960

uh you know website uh we share the same

1836

01:00:53,270 --> 01:00:51,599

interests

1837

01:00:55,349 --> 01:00:53,280

and dane takes a little bit more of a

1838

01:00:58,470 --> 01:00:55,359

religious slant on it

1839

01:00:59,430 --> 01:00:58,480

but um anyway if uh you know they're

1840

01:01:01,349 --> 01:00:59,440

interested

1841

01:01:03,670 --> 01:01:01,359

in seeing more you know battleground.com

1842

01:01:06,789 --> 01:01:03,680

and bbnworldnews.com or

1843

01:01:07,750 --> 01:01:06,799

good sites nice well that about does it

1844

01:01:09,990 --> 01:01:07,760

for us man again

1845

01:01:11,589 --> 01:01:10,000

thanks for dedicating yourself to such a

1846

01:01:13,109 --> 01:01:11,599

thorough examination into some of the

1847

01:01:16,470 --> 01:01:13,119

most hidden information out there

1848

01:01:18,230 --> 01:01:16,480

really was great uh any final comments

1849

01:01:20,150 --> 01:01:18,240

uh no just thank you for having me greg

1850

01:01:20,630 --> 01:01:20,160

and uh you know maybe we'll chat again

1851

01:01:23,030 --> 01:01:20,640

soon

1852

01:01:24,870 --> 01:01:23,040

absolutely thank you john take care

1853

01:01:26,789 --> 01:01:24,880

bye-bye greg bye

1854

01:01:27,910 --> 01:01:26,799

whoop there it is guys hopefully now

1855

01:01:29,510 --> 01:01:27,920

you've gotten a good chunk of

1856

01:01:31,990 --> 01:01:29,520

alternative history or

1857

01:01:33,589 --> 01:01:32,000

actual history i should say john's very

1858

01:01:35,190 --> 01:01:33,599

knowledgeable with a great ability to

1859

01:01:37,270 --> 01:01:35,200

remember names and dates in a way that

1860

01:01:39,109 --> 01:01:37,280

makes me feel completely inferior

1861

01:01:40,630 --> 01:01:39,119

that's why he's such a great guest the

1862

01:01:42,390 --> 01:01:40,640

name of the book is battle him and it

1863

01:01:43,829 --> 01:01:42,400

really is a textbook for understanding

1864

01:01:44,950 --> 01:01:43,839

these families and their actions over

1865

01:01:46,309 --> 01:01:44,960

the last 200 years

1866

01:01:48,309 --> 01:01:46,319

it was a real honor to have him on the

1867

01:01:49,270 --> 01:01:48,319

show today i also consider the 50th

1868

01:01:51,109 --> 01:01:49,280

episode to be

1869

01:01:52,789 --> 01:01:51,119

pretty special on its own right thanks

1870

01:01:54,390 --> 01:01:52,799

for providing enough encouragement over

1871

01:01:56,390 --> 01:01:54,400

the last year and a half to keep

1872

01:01:58,069 --> 01:01:56,400

pushing through there have been some

1873

01:01:59,430 --> 01:01:58,079

weeks where a guest would cancel or i'd

1874

01:02:00,470 --> 01:01:59,440

get called into work and miss an

1875

01:02:01,750 --> 01:02:00,480

important interview

1876

01:02:03,109 --> 01:02:01,760

and i just think what the hell am i

1877

01:02:04,870 --> 01:02:03,119

doing you know i don't have time for

1878

01:02:06,549 --> 01:02:04,880

this it's affecting my friendships i'm

1879

01:02:08,150 --> 01:02:06,559

always researching for the next episode

1880

01:02:10,630 --> 01:02:08,160

or editing the last one

1881

01:02:11,750 --> 01:02:10,640

on top of the 50 hours at my cog in the

1882

01:02:13,750 --> 01:02:11,760

wheel job

1883

01:02:15,829 --> 01:02:13,760

it's been pretty tough at times but the

1884

01:02:16,950 --> 01:02:15,839

messages the emails the tweets the

1885

01:02:19,349 --> 01:02:16,960

itunes reviews

1886

01:02:20,309 --> 01:02:19,359

they've all been huge motivators and i

1887

01:02:21,910 --> 01:02:20,319

think

1888

01:02:23,349 --> 01:02:21,920

maybe i'm approaching these subjects in

1889

01:02:24,230 --> 01:02:23,359

a different way than some other people

1890

01:02:25,990 --> 01:02:24,240

and of course

1891

01:02:28,069 --> 01:02:26,000

that's the goal so thanks everyone who's

1892

01:02:30,230 --> 01:02:28,079

helped me to continue on

1893

01:02:31,430 --> 01:02:30,240

i gotta thank my special lady teresa she

1894

01:02:33,829 --> 01:02:31,440

bought me my first mic

1895

01:02:35,349 --> 01:02:33,839

stand and when this was all just talk

1896

01:02:37,029 --> 01:02:35,359

she's put up with all the stress and

1897

01:02:38,309 --> 01:02:37,039

frustration that goes along with a

1898

01:02:39,750 --> 01:02:38,319

project like this

1899

01:02:41,430 --> 01:02:39,760

i've also got to thank my good friend

1900

01:02:42,230 --> 01:02:41,440

kyle prinneville who's been there since

1901

01:02:43,910 --> 01:02:42,240

the beginning

1902

01:02:45,510 --> 01:02:43,920

my other two co-hosts and bloggers that

1903

01:02:46,870 --> 01:02:45,520

have helped keep the site updated adam

1904

01:02:49,190 --> 01:02:46,880

go rightly and jake bender

1905

01:02:50,710 --> 01:02:49,200

thank you there's also a few other names

1906

01:02:51,670 --> 01:02:50,720

that really helped in the first year

1907

01:02:54,230 --> 01:02:51,680

gordon downes

1908

01:02:55,910 --> 01:02:54,240

great comedian hermo west fernando bob

1909

01:02:58,230 --> 01:02:55,920

hanson and paul herman

1910

01:02:59,990 --> 01:02:58,240

just to name a few it's funny when you

1911

01:03:01,589 --> 01:03:00,000

start side projects like this because

1912

01:03:03,750 --> 01:03:01,599

you'll have some friends that encourage

1913

01:03:04,870 --> 01:03:03,760

you and help push the project out there

1914

01:03:06,789 --> 01:03:04,880

then you'll have friends who couldn't

1915

01:03:07,029 --> 01:03:06,799

give a [h\_\_h] they'll tweet about how the

1916

01:03:08,870 --> 01:03:07,039

st

1917

01:03:11,029 --> 01:03:08,880

louis cardinals did or how bad the snow

1918

01:03:11,910 --> 01:03:11,039

is but they just don't care to help a

1919

01:03:13,430 --> 01:03:11,920

friend out

1920

01:03:15,109 --> 01:03:13,440

it hurts at times you know to see

1921

01:03:16,870 --> 01:03:15,119

friends post clips from some of the most

1922

01:03:18,470 --> 01:03:16,880

popular podcasts on the net

1923

01:03:19,910 --> 01:03:18,480

who don't need the promotions and you

1924

01:03:21,510 --> 01:03:19,920

want to say hey man

1925

01:03:22,950 --> 01:03:21,520

you know we've been friends for 20 years

1926

01:03:23,910 --> 01:03:22,960

can you listen to one of my [\h\_\_\h]

1927

01:03:25,910 --> 01:03:23,920

shows

1928

01:03:27,109 --> 01:03:25,920

uh you know say one nice thing about

1929

01:03:30,069 --> 01:03:27,119

what i'm doing

1930

01:03:31,510 --> 01:03:30,079

and you know i believe there's also egos

1931

01:03:32,870 --> 01:03:31,520

involved that get upset

1932

01:03:34,549 --> 01:03:32,880

that they're not doing something on

1933

01:03:35,109 --> 01:03:34,559

their own you know and if you have

1934

01:03:37,029 --> 01:03:35,119

friends

1935

01:03:38,470 --> 01:03:37,039

that are working hard on their art keep

1936

01:03:40,230 --> 01:03:38,480

in mind a simple

1937

01:03:42,390 --> 01:03:40,240

word of encouragement or a [\h\_\_\h]

1938

01:03:44,710 --> 01:03:42,400

facebook like as stupid as it is

1939

01:03:46,549 --> 01:03:44,720

could be the difference between crushed

1940

01:03:47,670 --> 01:03:46,559

spirits that give up and really pushing

1941

01:03:49,349 --> 01:03:47,680

through one more day

1942

01:03:50,710 --> 01:03:49,359

that might be the crucial day they need

1943

01:03:52,470 --> 01:03:50,720

to really get noticed

1944

01:03:54,549 --> 01:03:52,480

and for anyone struggling to make their

1945

01:03:55,670 --> 01:03:54,559

passion a feasible full-time job and

1946

01:03:57,430 --> 01:03:55,680

source of income

1947

01:03:59,510 --> 01:03:57,440

remember that you just gotta keep

1948

01:04:01,109 --> 01:03:59,520

pushing through despite the haters and

1949

01:04:02,309 --> 01:04:01,119

the thousands of other people pushing

1950

01:04:04,710 --> 01:04:02,319

their [h\_\_h]

1951

01:04:06,390 --> 01:04:04,720

you gotta make it work if you ever wanna

1952

01:04:08,710 --> 01:04:06,400

get out from under the control of these

1953

01:04:11,029 --> 01:04:08,720

families or your corporate job

1954

01:04:12,470 --> 01:04:11,039

it's really the only path to happiness

1955

01:04:14,309 --> 01:04:12,480

as far as i'm concerned

1956

01:04:16,470 --> 01:04:14,319

and it's the only thing worth working

1957

01:04:17,109 --> 01:04:16,480

for what's worth working for if not that

1958

01:04:18,390 --> 01:04:17,119

right

1959

01:04:20,390 --> 01:04:18,400

you give 40 hours a week to a

1960

01:04:21,510 --> 01:04:20,400

passionless job you could do the same

1961

01:04:23,109 --> 01:04:21,520

for yourself

1962

01:04:24,630 --> 01:04:23,119

that's enough preaching thanks for

1963

01:04:26,710 --> 01:04:24,640

attending the church at carl wood

1964

01:04:29,309 --> 01:04:26,720

check out thehiresidechats.com and of

1965

01:04:30,950 --> 01:04:29,319

course my conspiracy t-shirt company

1966

01:04:33,750 --> 01:04:30,960

conspiratees.net

1967

01:04:35,829 --> 01:04:33,760

please if you have the extra flow a

1968

01:04:37,829 --> 01:04:35,839

small donation would be great but

1969

01:04:39,349 --> 01:04:37,839

really buy yourself a t-shirt you might

1970

01:04:42,230 --> 01:04:39,359

as well get something

1971

01:04:44,150 --> 01:04:42,240

for for your money if you can't do that

1972

01:04:45,670 --> 01:04:44,160

i've said it before the currency of the

1973

01:04:49,109 --> 01:04:45,680

internet is likes

1974

01:04:49,829 --> 01:04:49,119

shares retweets and [h\_\_h] itunes

1975

01:04:51,829 --> 01:04:49,839

reviews

1976

01:04:53,510 --> 01:04:51,839

if you can provide me with one of those

1977

01:04:56,470 --> 01:04:53,520

that does

1978

01:04:58,870 --> 01:04:56,480

more and goes farther and lasts longer

1979

01:05:01,589 --> 01:04:58,880

than five dollars and

1980

01:05:02,390 --> 01:05:01,599

it means a hell of a [h\_\_h] lot so

1981

01:05:05,029 --> 01:05:02,400

there it is

1982

01:05:06,710 --> 01:05:05,039

episode 50. we've traveled down this

1983

01:05:09,109 --> 01:05:06,720

rabbit hole quite a bit

1984

01:05:11,349 --> 01:05:09,119

thanks for traveling with me i will see
