

EPISODE 57: FREE ENERGY SUPPRESSION,  
EXTRATERRESTRIAL CONTACT,  
& THE THRIVE MOVEMENT  
W/ FOSTER GAMBLE

BROUGHT TO YOU BY:  
  
onspiraTees.net

1  
00:00:10,070 --> 00:00:08,230  
in the 1930s president franklin delano

2  
00:00:12,470 --> 00:00:10,080  
roosevelt addressed the nation through a

3  
00:00:15,589 --> 00:00:12,480  
series of radio broadcasts known as the

4  
00:00:17,189 --> 00:00:15,599  
fireside chats his aim was to reassure

5  
00:00:23,189 --> 00:00:17,199  
the common man that our society would

6  
00:00:33,830 --> 00:00:25,670  
for a new era of worldly frustration we

7  
00:00:37,350 --> 00:00:35,510  
welcome to the show higher side chatters

8  
00:00:39,590 --> 00:00:37,360  
drinking a little drink smoking a little

9  
00:00:40,950 --> 00:00:39,600  
smoke from sunny san diego i'm greg

10  
00:00:42,869 --> 00:00:40,960  
carlwood today we're going to be talking

11  
00:00:44,630 --> 00:00:42,879  
to foster gamble the main attraction at

12  
00:00:46,869 --> 00:00:44,640  
this year's conspiracy con and the

13  
00:00:48,549 --> 00:00:46,879

creator of the thrive documentary as

14

00:00:50,310 --> 00:00:48,559

well as the thrive movement which is

15

00:00:53,350 --> 00:00:50,320

attempting to move us from the matrix of

16

00:00:54,950 --> 00:00:53,360

corruption manipulation slavery into a

17

00:00:56,630 --> 00:00:54,960

system that works with rather than

18

00:00:58,869 --> 00:00:56,640

against the natural state of the planet

19

00:00:59,910 --> 00:00:58,879

which should be thriving but before we

20

00:01:01,670 --> 00:00:59,920

bring them in we're going to catch up a

21

00:01:03,189 --> 00:01:01,680

bit with the co-host and contributor

22

00:01:04,390 --> 00:01:03,199

kyle prinneville common man how's it

23

00:01:06,390 --> 00:01:04,400

hanging

24

00:01:07,830 --> 00:01:06,400

i'm doing really well

25

00:01:08,710 --> 00:01:07,840

despite the thing yeah

26

00:01:10,789 --> 00:01:08,720

yes

27

00:01:12,390 --> 00:01:10,799

yeah there's a lot of weird crazy [h\_\_h]

28

00:01:14,950 --> 00:01:12,400

going on out there our rights are

29

00:01:16,950 --> 00:01:14,960

definitely being infringed upon uh

30

00:01:19,109 --> 00:01:16,960

domestic terrorists are being

31

00:01:20,550 --> 00:01:19,119

assassinated without trial

32

00:01:21,749 --> 00:01:20,560

um

33

00:01:25,190 --> 00:01:21,759

but you know

34

00:01:27,350 --> 00:01:25,200

uh kitchen nightmares was cool this week

35

00:01:29,749 --> 00:01:27,360

yeah that was a good one solid episode

36

00:01:31,749 --> 00:01:29,759

so what's up with you man

37

00:01:33,910 --> 00:01:31,759

um i don't know i mean speaking of tv

38

00:01:35,590 --> 00:01:33,920

i've been getting into uh this show

39

00:01:37,429 --> 00:01:35,600

adventure time

40

00:01:41,030 --> 00:01:37,439

really and i've heard about that show

41

00:01:43,429 --> 00:01:41,040

but it seems it seems kind of juvenile

42

00:01:45,590 --> 00:01:43,439

i think uh on one level it is like some

43

00:01:47,590 --> 00:01:45,600

episodes have that appeal but there's a

44

00:01:50,789 --> 00:01:47,600

dual theme because some episodes have

45

00:01:52,310 --> 00:01:50,799

such rich symbolism and deep meaning i'm

46

00:01:53,670 --> 00:01:52,320

like blown away

47

00:01:55,510 --> 00:01:53,680

with some of them i pondered these

48

00:01:57,670 --> 00:01:55,520

episodes for days afterwards trying to

49

00:01:58,870 --> 00:01:57,680

figure out what they meant really

50

00:02:05,429 --> 00:01:58,880

do you have a

51  
00:02:08,070 --> 00:02:05,439  
um so there's this one uh episode where

52  
00:02:09,830 --> 00:02:08,080  
jake and finn are the main characters

53  
00:02:10,869 --> 00:02:09,840  
they're the boy and the dog okay and

54  
00:02:13,589 --> 00:02:10,879  
they're trying

55  
00:02:15,190 --> 00:02:13,599  
to build a battle dock a kind of like

56  
00:02:16,869 --> 00:02:15,200  
doc you go through it there's all these

57  
00:02:18,309 --> 00:02:16,879  
obstacles super dangerous and then you

58  
00:02:20,470 --> 00:02:18,319  
jump into the water

59  
00:02:22,150 --> 00:02:20,480  
and so they it's taken them forever

60  
00:02:23,589 --> 00:02:22,160  
but an iceberg comes and these

61  
00:02:24,390 --> 00:02:23,599  
businessmen

62  
00:02:26,150 --> 00:02:24,400  
uh

63  
00:02:27,830 --> 00:02:26,160

are found they thaw them out and then

64

00:02:29,910 --> 00:02:27,840

these businessmen are all wearing suits

65

00:02:31,430 --> 00:02:29,920

and have briefcases and they immediately

66

00:02:33,750 --> 00:02:31,440

want to go to work

67

00:02:35,110 --> 00:02:33,760

and so jake and fenn you know decide to

68

00:02:36,790 --> 00:02:35,120

put him to work

69

00:02:38,550 --> 00:02:36,800

and uh these guys

70

00:02:40,229 --> 00:02:38,560

build the battle dock for them this is

71

00:02:41,990 --> 00:02:40,239

the first thing that they do and they're

72

00:02:43,190 --> 00:02:42,000

great at it they finish it in no time

73

00:02:45,430 --> 00:02:43,200

and

74

00:02:47,190 --> 00:02:45,440

uh it's just cool because the metaphor

75

00:02:49,990 --> 00:02:47,200

for this then jake and fenn actually go

76  
00:02:51,910 --> 00:02:50,000  
through the dock and what happens is

77  
00:02:55,270 --> 00:02:51,920  
they're jumping over obstacles they're

78  
00:02:57,430 --> 00:02:55,280  
saw blades axes trying to you know chop

79  
00:02:59,509 --> 00:02:57,440  
them up they get cut and bruised they

80  
00:03:01,030 --> 00:02:59,519  
jump through this fire ring and they

81  
00:03:02,630 --> 00:03:01,040  
just barely escape and they get into the

82  
00:03:04,149 --> 00:03:02,640  
water and then they're like huffing and

83  
00:03:05,670 --> 00:03:04,159  
puffing and all bruised and we're like

84  
00:03:08,149 --> 00:03:05,680  
whoa that was sweet

85  
00:03:10,229 --> 00:03:08,159  
but you know on the surface that that

86  
00:03:12,149 --> 00:03:10,239  
means nothing the episode just moves on

87  
00:03:13,990 --> 00:03:12,159  
but i think about this and what the

88  
00:03:16,550 --> 00:03:14,000

businessmen were able to

89

00:03:19,990 --> 00:03:16,560

create was something that was dangerous

90

00:03:21,670 --> 00:03:20,000

was extremely risky was

91

00:03:24,390 --> 00:03:21,680

only fun because you felt like you were

92

00:03:26,149 --> 00:03:24,400

gonna die and at the end of it was

93

00:03:28,949 --> 00:03:26,159

ultimately pointless and even if you

94

00:03:31,030 --> 00:03:28,959

succeed you come out damaged

95

00:03:32,869 --> 00:03:31,040

yeah

96

00:03:35,030 --> 00:03:32,879

that's what business men do

97

00:03:36,390 --> 00:03:35,040

that is what businessmen are [h\_\_h]

98

00:03:37,509 --> 00:03:36,400

great at

99

00:03:39,589 --> 00:03:37,519

that's what they've constructed this

100

00:03:41,509 --> 00:03:39,599

whole world to be

101

00:03:44,390 --> 00:03:41,519

yeah i mean that's cool there it you

102

00:03:46,229 --> 00:03:44,400

used to see that uh symbolism that dual

103

00:03:48,550 --> 00:03:46,239

dual meaning the double entendre and a

104

00:03:50,149 --> 00:03:48,560

lot of old looney tunes cartoons but i

105

00:03:52,789 --> 00:03:50,159

feel like that's kind of

106

00:03:54,070 --> 00:03:52,799

uh lost in a lot of today's [h\_\_h] but

107

00:03:56,149 --> 00:03:54,080

adventure time definitely has a

108

00:03:58,149 --> 00:03:56,159

following and i i wonder if that's part

109

00:04:03,190 --> 00:03:58,159

of the reason why but i can't get past

110

00:04:07,350 --> 00:04:05,110

i don't know what's up with you man

111

00:04:09,910 --> 00:04:07,360

uh you know same old same old doing the

112

00:04:11,910 --> 00:04:09,920

thing but um you know a mutual friend of

113

00:04:14,869 --> 00:04:11,920

ours fernando is gonna be coming out to

114

00:04:17,030 --> 00:04:14,879

san diego to visit and apparently this

115

00:04:19,590 --> 00:04:17,040

is going to be my initiation into the

116

00:04:21,349 --> 00:04:19,600

world of dmt

117

00:04:22,870 --> 00:04:21,359

oh well congratulations

118

00:04:25,110 --> 00:04:22,880

yeah you know i'm kind of psyched about

119

00:04:27,189 --> 00:04:25,120

that on the heels of your last article

120

00:04:28,710 --> 00:04:27,199

for the helpful tips for psychedelic

121

00:04:30,550 --> 00:04:28,720

trips i mean

122

00:04:33,110 --> 00:04:30,560

you've obviously been experienced you've

123

00:04:36,790 --> 00:04:33,120

been initiated into the

124

00:04:38,550 --> 00:04:36,800

the dmt cult if you will but

125

00:04:40,629 --> 00:04:38,560

what do you think i should expect i'm

126

00:04:43,350 --> 00:04:40,639

kind of psyched i'm kind of nervous but

127

00:04:44,870 --> 00:04:43,360

i'm definitely ready i feel like got a

128

00:04:46,469 --> 00:04:44,880

lot more knowledge about it than a lot

129

00:04:48,070 --> 00:04:46,479

of other people do before they go into

130

00:04:49,990 --> 00:04:48,080

it maybe but what do you think what

131

00:04:52,550 --> 00:04:50,000

should i be ready for

132

00:04:55,189 --> 00:04:52,560

well i borrowed the uh dmt spirit

133

00:04:57,990 --> 00:04:55,199

molecule book by uh rick strassman from

134

00:05:00,310 --> 00:04:58,000

you true so that was sweet and one thing

135

00:05:01,990 --> 00:05:00,320

that they go into in that book during

136

00:05:03,590 --> 00:05:02,000

the sessions is that because it's a

137

00:05:05,830 --> 00:05:03,600

laboratory setting

138

00:05:08,629 --> 00:05:05,840

it can become kind of like uncomfortable

139

00:05:11,029 --> 00:05:08,639

or that sometimes interferes sometimes

140

00:05:12,070 --> 00:05:11,039

with the experience that people have

141

00:05:13,590 --> 00:05:12,080

and so

142

00:05:15,189 --> 00:05:13,600

tying it with my article what i would

143

00:05:16,310 --> 00:05:15,199

say is just

144

00:05:18,790 --> 00:05:16,320

just do a

145

00:05:20,230 --> 00:05:18,800

relaxing setting this is not i mean it's

146

00:05:22,710 --> 00:05:20,240

not like acid it's not like mushrooms or

147

00:05:24,790 --> 00:05:22,720

something you're not gonna pop some dmt

148

00:05:26,230 --> 00:05:24,800

and then go hang out at a bar or

149

00:05:27,430 --> 00:05:26,240

anything like that like you're going to

150

00:05:29,510 --> 00:05:27,440

lay down

151  
00:05:31,830 --> 00:05:29,520  
and part of you is going to die and you

152  
00:05:33,029 --> 00:05:31,840  
are going to face your own death in a

153  
00:05:34,870 --> 00:05:33,039  
certain way

154  
00:05:37,590 --> 00:05:34,880  
understanding that like it's not a

155  
00:05:39,590 --> 00:05:37,600  
physical actual dying but it's some kind

156  
00:05:41,189 --> 00:05:39,600  
of transformation where

157  
00:05:43,590 --> 00:05:41,199  
you leave

158  
00:05:45,670 --> 00:05:43,600  
all sensory experience

159  
00:05:49,110 --> 00:05:45,680  
and delve into

160  
00:05:50,390 --> 00:05:49,120  
a new form of sensory experience that

161  
00:05:52,790 --> 00:05:50,400  
once you're there really feels like

162  
00:05:54,950 --> 00:05:52,800  
words are impossible to define what it

163  
00:05:56,950 --> 00:05:54,960

actually was that happened

164

00:05:58,390 --> 00:05:56,960

but that's awesome you're gonna enjoy it

165

00:06:01,110 --> 00:05:58,400

man i don't know what to tell you to

166

00:06:02,870 --> 00:06:01,120

expect i don't know how it actually

167

00:06:04,469 --> 00:06:02,880

translates into language well when

168

00:06:06,629 --> 00:06:04,479

you've done it what

169

00:06:08,070 --> 00:06:06,639

what was the most unexpected thing to

170

00:06:09,990 --> 00:06:08,080

you if you can even

171

00:06:12,390 --> 00:06:10,000

if you can even say

172

00:06:13,270 --> 00:06:12,400

my reflections now are

173

00:06:16,390 --> 00:06:13,280

that

174

00:06:18,870 --> 00:06:16,400

after the first time i experienced

175

00:06:21,909 --> 00:06:18,880

permanent or at least lasting i can't

176

00:06:23,590 --> 00:06:21,919

say permanent but lasting over a long

177

00:06:26,870 --> 00:06:23,600

duration of my life the course of my

178

00:06:29,270 --> 00:06:26,880

life is steered into a more emotionally

179

00:06:32,230 --> 00:06:29,280

honest point of view i'm more honest

180

00:06:36,150 --> 00:06:32,240

with myself i cry more freely at random

181

00:06:39,029 --> 00:06:36,160

things like not random but

182

00:06:40,469 --> 00:06:39,039

when meaning comes at me in my life when

183

00:06:42,629 --> 00:06:40,479

i notice coincidences and

184

00:06:44,550 --> 00:06:42,639

synchronicities and things happen in a

185

00:06:47,590 --> 00:06:44,560

certain order that it's almost

186

00:06:51,590 --> 00:06:47,600

impossible how events lined up this way

187

00:06:54,790 --> 00:06:51,600

that really touches me and i release uh

188

00:06:56,790 --> 00:06:54,800

truth and honesty and sometimes i

189

00:06:59,589 --> 00:06:56,800

you know sometimes it scares people like

190

00:07:02,469 --> 00:06:59,599

i worked this last job i just quit my

191

00:07:04,070 --> 00:07:02,479

last the day i decided to just quit

192

00:07:05,990 --> 00:07:04,080

it was because i cried in front of

193

00:07:07,830 --> 00:07:06,000

everybody and these other dudes my god

194

00:07:10,390 --> 00:07:07,840

you think they've never seen a guy cry

195

00:07:12,710 --> 00:07:10,400

before yeah i mean it's definitely

196

00:07:15,189 --> 00:07:12,720

something that's kind of frowned upon

197

00:07:17,029 --> 00:07:15,199

you know guys guys can't be [h\_\_\h] man

198

00:07:18,710 --> 00:07:17,039

guy's got everybody is so good at

199

00:07:20,629 --> 00:07:18,720

playing this hey nobody ever cries

200

00:07:22,870 --> 00:07:20,639

[h\_\_\h] and we pretend oh okay we can

201

00:07:25,029 --> 00:07:22,880

all we i can hang with that i'm a guy

202

00:07:26,469 --> 00:07:25,039

but after you smoke dmt man it might be

203

00:07:28,150 --> 00:07:26,479

like you know what [h\_\_h] that game i'm

204

00:07:30,070 --> 00:07:28,160

tired of that game and sometimes i gotta

205

00:07:31,749 --> 00:07:30,080

cry

206

00:07:33,350 --> 00:07:31,759

yeah i mean i guess if it makes you more

207

00:07:35,350 --> 00:07:33,360

genuine that's obviously a positive

208

00:07:37,029 --> 00:07:35,360

thing i mean i just recently read a

209

00:07:39,430 --> 00:07:37,039

mckenna quote that i thought was pretty

210

00:07:41,990 --> 00:07:39,440

good and probably relevant that

211

00:07:44,150 --> 00:07:42,000

to deal with this society and keep your

212

00:07:45,510 --> 00:07:44,160

sanity requires a certain level of

213

00:07:47,029 --> 00:07:45,520

alienation

214

00:07:48,629 --> 00:07:47,039

and that's kind of what you're talking

215

00:07:50,629 --> 00:07:48,639

about

216

00:07:54,230 --> 00:07:50,639

it's that's alienation for the people

217

00:07:56,869 --> 00:07:54,240

who face it who face truth or you can

218

00:07:58,390 --> 00:07:56,879

just numb and this is what the majority

219

00:08:00,150 --> 00:07:58,400

and this is what even people who are

220

00:08:01,350 --> 00:08:00,160

awakened or going down the path they

221

00:08:03,909 --> 00:08:01,360

numb themselves too everybody

222

00:08:07,270 --> 00:08:03,919

self-medicates to some degree but like

223

00:08:08,629 --> 00:08:07,280

numbing emotion numbing how you actually

224

00:08:10,230 --> 00:08:08,639

feel

225

00:08:11,029 --> 00:08:10,240

not expressing what you actually want to

226

00:08:13,350 --> 00:08:11,039

say

227

00:08:14,950 --> 00:08:13,360

like all that stuff there's a there's a

228

00:08:18,070 --> 00:08:14,960

certain level of numbing you have to do

229

00:08:19,909 --> 00:08:18,080

to fit in with society oh 100 gotta be

230

00:08:22,070 --> 00:08:19,919

totally alienated

231

00:08:23,830 --> 00:08:22,080

yeah i mean i totally agree the the

232

00:08:26,150 --> 00:08:23,840

numbing aspect i mean that is the nine

233

00:08:27,510 --> 00:08:26,160

to five for most people i mean i inside

234

00:08:29,430 --> 00:08:27,520

a lot of days

235

00:08:31,909 --> 00:08:29,440

i try not to be i try to control the

236

00:08:33,750 --> 00:08:31,919

emotion but a lot of times inside i am

237

00:08:35,350 --> 00:08:33,760

boiling at the [h\_\_\h] and the

238

00:08:37,269 --> 00:08:35,360

stupidity of what i'm dealing with at

239

00:08:39,029 --> 00:08:37,279

work but of course like hey how you

240

00:08:42,149 --> 00:08:39,039

doing welcome anything i can help you

241

00:08:43,110 --> 00:08:42,159

find you guys doing all right today all

242

00:08:45,350 --> 00:08:43,120

right

243

00:08:46,790 --> 00:08:45,360

um and you know i [\h\_\_\h] hate that [\h\_\_\h]

244

00:08:48,949 --> 00:08:46,800

you know because inside i'm just like

245

00:08:51,670 --> 00:08:48,959

wow i am

246

00:08:53,910 --> 00:08:51,680

a slave i'm a [\h\_\_\h] organ grinding

247

00:08:56,470 --> 00:08:53,920

monkey you know i'm just collecting

248

00:08:58,470 --> 00:08:56,480

change for some other dude

249

00:08:59,430 --> 00:08:58,480

we we talk about that kind of [\h\_\_\h] a lot

250

00:09:02,710 --> 00:08:59,440

but

251

00:09:04,949 --> 00:09:02,720

i am excited to to do dmt

252

00:09:09,269 --> 00:09:04,959

i feel like it's something that a person

253

00:09:11,430 --> 00:09:09,279

in my position kind of needs to do and

254

00:09:13,750 --> 00:09:11,440

you know we'll see how it goes i i

255

00:09:15,509 --> 00:09:13,760

appreciate him bringing it out but i'm

256

00:09:17,350 --> 00:09:15,519

definitely prepared for something

257

00:09:18,949 --> 00:09:17,360

somewhat similar to salvia but more

258

00:09:21,670 --> 00:09:18,959

intense

259

00:09:24,150 --> 00:09:21,680

and we'll see how it goes but foster

260

00:09:26,230 --> 00:09:24,160

gamble is calling me right now so i'm

261

00:09:27,030 --> 00:09:26,240

going to not answer that call but at

262

00:09:29,750 --> 00:09:27,040

least

263

00:09:31,910 --> 00:09:29,760

wrap up this and then bring him in

264

00:09:33,509 --> 00:09:31,920

all right well looks like foster is here

265

00:09:35,829 --> 00:09:33,519

as planned so let's get him in here

266

00:09:38,070 --> 00:09:35,839

after i torture you once again with the

267

00:09:40,550 --> 00:09:38,080

same boring ad for my conspiracy t-shirt

268

00:09:42,230 --> 00:09:40,560

brand conspiracies right now it's the

269

00:09:44,150 --> 00:09:42,240

only way to really support the show

270

00:09:46,310 --> 00:09:44,160

other than a donation via paypal on the

271

00:09:49,110 --> 00:09:46,320

higher side chat's website and it's

272

00:09:50,949 --> 00:09:49,120

something that helps me immensely and

273

00:09:52,630 --> 00:09:50,959

i've worked really hard to have designs

274

00:09:54,230 --> 00:09:52,640

and a level of quality that i'm really

275

00:09:56,070 --> 00:09:54,240

proud of and kyle can vouch for the

276

00:09:57,829 --> 00:09:56,080

quality can you not

277

00:09:59,829 --> 00:09:57,839

i dig these shirts i wear these shirts

278

00:10:02,070 --> 00:09:59,839

in coffee bars and people are saying hey

279

00:10:03,910 --> 00:10:02,080

man why the hell is there a pope's miter

280

00:10:07,110 --> 00:10:03,920

on top of an all-seeing eye with squid

281

00:10:08,790 --> 00:10:07,120

tentacles i'm like you know you know why

282

00:10:10,550 --> 00:10:08,800

that's that's awesome man i definitely

283

00:10:12,310 --> 00:10:10,560

get some crazy looks when i'm wearing a

284

00:10:13,990 --> 00:10:12,320

quit your job shirt or a what's after

285

00:10:16,470 --> 00:10:14,000

capitalism shirt

286

00:10:18,630 --> 00:10:16,480

or a shirt with a giant sheep's head and

287

00:10:20,230 --> 00:10:18,640

a suit people like what does that mean

288

00:10:22,470 --> 00:10:20,240

you know i had someone at a hotel a

289

00:10:24,550 --> 00:10:22,480

person working at a hotel that asked me

290

00:10:26,790 --> 00:10:24,560

what it means i'm like well it's it's a

291

00:10:29,110 --> 00:10:26,800

mirror in some ways

292

00:10:30,230 --> 00:10:29,120

and they just were like they did not get

293

00:10:32,870 --> 00:10:30,240

that at all but i'm like you know we're

294

00:10:34,550 --> 00:10:32,880

all corporate sheep and this is kind of

295

00:10:37,110 --> 00:10:34,560

just trying to put that out there that

296

00:10:40,630 --> 00:10:37,120

the corporate job is not as

297

00:10:42,470 --> 00:10:40,640

great and wonderful and happy as

298

00:10:44,230 --> 00:10:42,480

the people who give you the job say it's

299

00:10:46,389 --> 00:10:44,240

going to be or the people who there's

300

00:10:49,350 --> 00:10:46,399

this like the culture of pretending you

301  
00:10:51,910 --> 00:10:49,360  
know and i feel like the the sheephead

302  
00:10:53,190 --> 00:10:51,920  
shirt is a bit of honesty a bit of bold

303  
00:10:55,910 --> 00:10:53,200  
honesty

304  
00:10:57,190 --> 00:10:55,920  
for those who are uh on that level and

305  
00:10:58,630 --> 00:10:57,200  
other people it's just gonna go right

306  
00:11:02,389 --> 00:10:58,640  
over their head or look like something

307  
00:11:04,790 --> 00:11:02,399  
weird and that's fine but i love the

308  
00:11:06,870 --> 00:11:04,800  
shirts i make the shirts for you

309  
00:11:08,470 --> 00:11:06,880  
you buy the shirts for me it's a it's a

310  
00:11:10,069 --> 00:11:08,480  
beautiful partnership

311  
00:11:17,110 --> 00:11:10,079  
and we're gonna be right back with

312  
00:11:20,470 --> 00:11:18,630  
we're here because we don't buy into the

313  
00:11:22,389 --> 00:11:20,480

[h\_\_\h] of mainstream culture we're

314

00:11:23,829 --> 00:11:22,399

tired of the mundane passionless careers

315

00:11:25,509 --> 00:11:23,839

we've been shuffled into as a result of

316

00:11:27,590 --> 00:11:25,519

this orchestrated debt-based system of

317

00:11:29,350 --> 00:11:27,600

rule and the stranglehold on education

318

00:11:30,790 --> 00:11:29,360

entertainment by cold soulless

319

00:11:34,310 --> 00:11:30,800

corporations

320

00:11:36,710 --> 00:11:34,320

people yes we are frustrated yes we are

321

00:11:37,990 --> 00:11:36,720

tired and we reject the pre-approved

322

00:11:40,310 --> 00:11:38,000

tranquilizers that are monday night

323

00:11:42,470 --> 00:11:40,320

football and an ice-cold budweiser we

324

00:11:44,310 --> 00:11:42,480

have to stop hiding stop hiding behind

325

00:11:45,350 --> 00:11:44,320

the headphones in the cherry popper 420

326

00:11:47,030 --> 00:11:45,360

username

327

00:11:49,430 --> 00:11:47,040

let the world see that the resistance is

328

00:11:51,430 --> 00:11:49,440

strong and society is changing if it was

329

00:11:52,470 --> 00:11:51,440

a time to be anonymous but that time has

330

00:11:54,069 --> 00:11:52,480

passed

331

00:11:56,069 --> 00:11:54,079

and so the higher side chats would like

332

00:11:57,829 --> 00:11:56,079

to present conspiracies as the dawning

333

00:11:59,110 --> 00:11:57,839

of this new paradigm in the uniform of

334

00:12:00,710 --> 00:11:59,120

the revolution

335

00:12:02,790 --> 00:12:00,720

because bold fashion should mean more

336

00:12:04,550 --> 00:12:02,800

than some celebrity meat dress or frappe

337

00:12:06,710 --> 00:12:04,560

in a sleeping problem

338

00:12:08,310 --> 00:12:06,720

conspiracy redefines bold fashion as

339

00:12:10,629 --> 00:12:08,320

having the balls to project socially

340

00:12:14,470 --> 00:12:10,639

uncomfortable and unpopular truths from

341

00:12:16,150 --> 00:12:14,480

your radiant chest all [h\_\_h] day

342

00:12:18,550 --> 00:12:16,160

conspirates.net

343

00:12:19,829 --> 00:12:18,560

let them know that you know bold designs

344

00:12:24,150 --> 00:12:19,839

for troubled times

345

00:12:27,990 --> 00:12:25,910

here we go higher side chatters joining

346

00:12:29,829 --> 00:12:28,000

kyle and i today is foster gamble the

347

00:12:31,829 --> 00:12:29,839

man behind the thrive movie which

348

00:12:34,389 --> 00:12:31,839

follows foster's path of awakening to

349

00:12:36,470 --> 00:12:34,399

the big conspiracy from the discovery of

350

00:12:38,069 --> 00:12:36,480

a natural and sustainable energy system

351

00:12:39,910 --> 00:12:38,079

which appears throughout nature and is

352

00:12:42,069 --> 00:12:39,920

embedded in ancient sites in modern day

353

00:12:43,910 --> 00:12:42,079

crop circles to the realization that

354

00:12:45,910 --> 00:12:43,920

this information is being aggressively

355

00:12:47,590 --> 00:12:45,920

suppressed by multinational corporations

356

00:12:49,750 --> 00:12:47,600

in the banking elite because it would

357

00:12:51,110 --> 00:12:49,760

all but shatter the perpetuated lie that

358

00:12:53,110 --> 00:12:51,120

we live in a world of scarcity and

359

00:12:55,269 --> 00:12:53,120

limited resources which must be

360

00:12:57,110 --> 00:12:55,279

carefully managed by the unjust monetary

361

00:12:59,190 --> 00:12:57,120

structure of bondage they just so happen

362

00:13:00,790 --> 00:12:59,200

to have handy well lucky us

363

00:13:02,629 --> 00:13:00,800

and foster is also one of the main

364

00:13:03,509 --> 00:13:02,639

attractions at this year's conspiracy

365

00:13:05,829 --> 00:13:03,519

con

366

00:13:07,269 --> 00:13:05,839

taking place in the san jose area june

367

00:13:08,790 --> 00:13:07,279

1st and 2nd which is where i'll be

368

00:13:10,710 --> 00:13:08,800

hanging out as well foster welcome to

369

00:13:12,389 --> 00:13:10,720

thc how are you

370

00:13:15,190 --> 00:13:12,399

i'm doing great greg thanks for having

371

00:13:17,190 --> 00:13:15,200

me on absolutely it's a real pleasure my

372

00:13:19,269 --> 00:13:17,200

man i'm a huge fan of the

373

00:13:21,829 --> 00:13:19,279

make a documentary and follow up with a

374

00:13:23,190 --> 00:13:21,839

movement strategy which i only only

375

00:13:25,750 --> 00:13:23,200

really see it with you guys and the

376

00:13:27,829 --> 00:13:25,760

zeitgeist movement and venus project but

377

00:13:29,750 --> 00:13:27,839

you all do a great job of showing how

378

00:13:31,509 --> 00:13:29,760

screwed up our society is and that it's

379

00:13:33,829 --> 00:13:31,519

not a coincidence and that things won't

380

00:13:36,629 --> 00:13:33,839

be fixed until we have some really

381

00:13:37,990 --> 00:13:36,639

radical changes to the system itself

382

00:13:39,590 --> 00:13:38,000

yeah well that was our intention

383

00:13:41,990 --> 00:13:39,600

actually with the movie the movie was

384

00:13:44,069 --> 00:13:42,000

intended to be a flyer for the i mean a

385

00:13:45,430 --> 00:13:44,079

trailer for the website right that's

386

00:13:47,190 --> 00:13:45,440

awesome because you know even if you see

387

00:13:48,870 --> 00:13:47,200

a movie three or four times which a lot

388

00:13:51,030 --> 00:13:48,880

of people are with thrive because it's

389

00:13:53,030 --> 00:13:51,040

very information rich

390

00:13:54,870 --> 00:13:53,040

still then you've seen the movie and and

391

00:13:56,550 --> 00:13:54,880

then what and we didn't want to just you

392

00:13:58,230 --> 00:13:56,560

know wake people up to a lot of bad news

393

00:14:00,870 --> 00:13:58,240

and abandon them so we really wanted to

394

00:14:02,790 --> 00:14:00,880

provide the tools on the website for

395

00:14:05,990 --> 00:14:02,800

people getting it as informed as they

396

00:14:07,910 --> 00:14:06,000

need to and then being facilitated in uh

397

00:14:09,350 --> 00:14:07,920

getting active but you can't really be

398

00:14:10,870 --> 00:14:09,360

effective in the solutions unless you

399

00:14:13,350 --> 00:14:10,880

know what's going on

400

00:14:16,470 --> 00:14:13,360

of course you know what sets thrive

401  
00:14:18,790 --> 00:14:16,480  
apart is the central theme of the torres

402  
00:14:20,710 --> 00:14:18,800  
energy field you know that's that's

403  
00:14:23,110 --> 00:14:20,720  
obviously not found in those other those

404  
00:14:24,710 --> 00:14:23,120  
other films with a similar theme but

405  
00:14:26,949 --> 00:14:24,720  
let's get the party started there can

406  
00:14:28,629 --> 00:14:26,959  
you kind of explain a bit uh what the

407  
00:14:30,150 --> 00:14:28,639  
torres energy field is and tell us how

408  
00:14:31,910 --> 00:14:30,160  
you were able to learn about this energy

409  
00:14:33,430 --> 00:14:31,920  
system amongst all the attempts to keep

410  
00:14:35,910 --> 00:14:33,440  
it covered up

411  
00:14:38,870 --> 00:14:35,920  
sure that's one of my favorite topics uh

412  
00:14:41,189 --> 00:14:38,880  
because really it it's the icon of

413  
00:14:43,670 --> 00:14:41,199

wholeness and i think wholeness is the

414

00:14:46,150 --> 00:14:43,680

key to all of the solutions and the

415

00:14:47,829 --> 00:14:46,160

taurus t-o-r-u-s this is not the

416

00:14:50,310 --> 00:14:47,839

astrological sign

417

00:14:53,430 --> 00:14:50,320

the the taurus is a

418

00:14:56,069 --> 00:14:53,440

donut-shaped whirlpool vortex

419

00:14:58,949 --> 00:14:56,079

that it turns out uh is the single

420

00:15:01,350 --> 00:14:58,959

pattern that nature uses to sustain a

421

00:15:03,509 --> 00:15:01,360

healthy system as far as we can tell at

422

00:15:05,509 --> 00:15:03,519

every known level of the universe you

423

00:15:08,230 --> 00:15:05,519

know from subatomic particles to

424

00:15:10,710 --> 00:15:08,240

clusters of galaxy it's all toroidal

425

00:15:13,670 --> 00:15:10,720

fields and including fruits and humans

426

00:15:14,710 --> 00:15:13,680

and planets in between

427

00:15:16,790 --> 00:15:14,720

so

428

00:15:19,670 --> 00:15:16,800

it's not just an interesting scientific

429

00:15:21,829 --> 00:15:19,680

phenomenon if our evolutionary

430

00:15:24,310 --> 00:15:21,839

imperative really to survive much less

431

00:15:26,470 --> 00:15:24,320

thrive on a healthy planet right now is

432

00:15:27,509 --> 00:15:26,480

to learn how to create sustainable

433

00:15:29,829 --> 00:15:27,519

systems

434

00:15:31,990 --> 00:15:29,839

then i think it would be really useful

435

00:15:34,470 --> 00:15:32,000

uh if we had a template if we had a

436

00:15:36,870 --> 00:15:34,480

blueprint for how to do that well the

437

00:15:39,670 --> 00:15:36,880

universe it turns out is providing one

438

00:15:42,470 --> 00:15:39,680

at every place we can look

439

00:15:45,990 --> 00:15:42,480

if we simply learn how to see

440

00:15:47,670 --> 00:15:46,000

and i was first introduced to this uh by

441

00:15:50,310 --> 00:15:47,680

i would say a mystical experience when i

442

00:15:51,910 --> 00:15:50,320

was 14 years old and riding on a school

443

00:15:54,470 --> 00:15:51,920

bus and gazing out the window and i

444

00:15:55,350 --> 00:15:54,480

think that the blinking lights uh

445

00:15:58,949 --> 00:15:55,360

through the

446

00:16:00,470 --> 00:15:58,959

helped put me in kind of a trance-like

447

00:16:02,389 --> 00:16:00,480

state and

448

00:16:04,470 --> 00:16:02,399

i had been pondering a lot of questions

449

00:16:07,269 --> 00:16:04,480

about energy because i was really afraid

450

00:16:09,670 --> 00:16:07,279

of uh nuclear holocaust

451  
00:16:11,110 --> 00:16:09,680  
after being trained in duck and cover

452  
00:16:12,230 --> 00:16:11,120  
right i was in elementary school i

453  
00:16:13,829 --> 00:16:12,240  
figured that wasn't going to work

454  
00:16:15,189 --> 00:16:13,839  
classic so anyway i'm riding along the

455  
00:16:17,749 --> 00:16:15,199  
school bus and all of a sudden i'm

456  
00:16:18,710 --> 00:16:17,759  
seeing this vision out the window

457  
00:16:20,790 --> 00:16:18,720  
of this

458  
00:16:22,710 --> 00:16:20,800  
vortex that is

459  
00:16:25,269 --> 00:16:22,720  
uh an atom

460  
00:16:27,590 --> 00:16:25,279  
and i'm seeing this hot nucleus in the

461  
00:16:30,069 --> 00:16:27,600  
center and with the electrons going

462  
00:16:32,629 --> 00:16:30,079  
around around the outside and then it

463  
00:16:34,230 --> 00:16:32,639

morphed into a solar system with the hot

464

00:16:36,949 --> 00:16:34,240

sun at the center and the planets going

465

00:16:39,509 --> 00:16:36,959

on around the outside and i somehow got

466

00:16:42,310 --> 00:16:39,519

the sense that that that those two

467

00:16:44,629 --> 00:16:42,320

patterns were not only the same but i

468

00:16:46,710 --> 00:16:44,639

was somehow that same pattern you know

469

00:16:49,350 --> 00:16:46,720

roughly halfway between in scale between

470

00:16:51,990 --> 00:16:49,360

a tiny atom and a you know a vast solar

471

00:16:54,629 --> 00:16:52,000

system and i became

472

00:16:56,949 --> 00:16:54,639

i would say obsessed with that pattern

473

00:16:59,110 --> 00:16:56,959

and i would spend all my

474

00:17:01,189 --> 00:16:59,120

free time after sports in the afternoon

475

00:17:03,189 --> 00:17:01,199

up in the physics lab building i was

476

00:17:04,549 --> 00:17:03,199

building this sculpture

477

00:17:05,750 --> 00:17:04,559

nobody knew what i was building

478

00:17:07,990 --> 00:17:05,760

including me

479

00:17:10,230 --> 00:17:08,000

but i was taking blocks of glass that

480

00:17:12,870 --> 00:17:10,240

would reflect refract a strong light

481

00:17:15,189 --> 00:17:12,880

beam and i kept arranging them until it

482

00:17:17,189 --> 00:17:15,199

refracted the beam all the way around in

483

00:17:19,590 --> 00:17:17,199

a circle until the light went in on

484

00:17:21,669 --> 00:17:19,600

itself and just created this glowing

485

00:17:23,189 --> 00:17:21,679

circle and i turned off the lights and i

486

00:17:25,829 --> 00:17:23,199

knew that that was it that's what i had

487

00:17:28,230 --> 00:17:25,839

to build you know i felt like uh the guy

488

00:17:29,590 --> 00:17:28,240

in close encounters of the third kind

489

00:17:31,190 --> 00:17:29,600

who had to build the mountain out of

490

00:17:32,710 --> 00:17:31,200

mashed potatoes like i don't know what

491

00:17:33,990 --> 00:17:32,720

this is but you know my friends were

492

00:17:36,549 --> 00:17:34,000

saying you know it's beautiful but what

493

00:17:38,230 --> 00:17:36,559

is it and i said i don't know but that i

494

00:17:39,830 --> 00:17:38,240

think might be the fundamental energy

495

00:17:41,029 --> 00:17:39,840

pattern of the universe

496

00:17:44,070 --> 00:17:41,039

so i

497

00:17:46,630 --> 00:17:44,080

i went to my physics teacher and he said

498

00:17:48,310 --> 00:17:46,640

thank goodness what a fascinating idea

499

00:17:50,230 --> 00:17:48,320

let me know you know keep following that

500

00:17:51,510 --> 00:17:50,240

let me know what you come up with i just

501  
00:17:53,029 --> 00:17:51,520  
didn't know i was going to be following

502  
00:17:54,310 --> 00:17:53,039  
it you know for the next

503  
00:17:56,549 --> 00:17:54,320  
50 years

504  
00:17:59,029 --> 00:17:56,559  
but it really led to the to the movie

505  
00:18:01,190 --> 00:17:59,039  
thrive and the reason we started with it

506  
00:18:03,669 --> 00:18:01,200  
is because it is the template

507  
00:18:05,430 --> 00:18:03,679  
for solutions and

508  
00:18:07,190 --> 00:18:05,440  
as we have looked at the problems

509  
00:18:10,150 --> 00:18:07,200  
anybody's gone on our website and sees

510  
00:18:12,549 --> 00:18:10,160  
that we explore all what we call the 12

511  
00:18:14,789 --> 00:18:12,559  
main sectors of human endeavor and we've

512  
00:18:16,390 --> 00:18:14,799  
explored them all in depth we've

513  
00:18:18,150 --> 00:18:16,400

identified the most critical issues

514

00:18:21,110 --> 00:18:18,160

we've followed the money in every issue

515

00:18:22,310 --> 00:18:21,120

and and every sector recommend solution

516

00:18:24,710 --> 00:18:22,320

strategies

517

00:18:27,029 --> 00:18:24,720

and what we found was that the good news

518

00:18:29,190 --> 00:18:27,039

is that every one of those problems

519

00:18:31,430 --> 00:18:29,200

is human made

520

00:18:33,590 --> 00:18:31,440

therefore it can be human fixed it's not

521

00:18:35,110 --> 00:18:33,600

like we've got some giant meteor coming

522

00:18:36,710 --> 00:18:35,120

toward planet earth or something like

523

00:18:39,750 --> 00:18:36,720

that these are all things that we've

524

00:18:42,070 --> 00:18:39,760

done either through intention or our own

525

00:18:44,549 --> 00:18:42,080

ignorance and what we've basically done

526

00:18:47,190 --> 00:18:44,559

is break apart whole systems whether

527

00:18:50,870 --> 00:18:47,200

it's an economic system an agricultural

528

00:18:53,430 --> 00:18:50,880

system uh an ecosystem a media system

529

00:18:55,350 --> 00:18:53,440

whatever we've broken the wholeness but

530

00:18:57,830 --> 00:18:55,360

if we look to the principles that are

531

00:19:00,789 --> 00:18:57,840

embedded in the taurus principles like

532

00:19:03,750 --> 00:19:00,799

centeredness integrity balance their

533

00:19:06,230 --> 00:19:03,760

reciprocal flow of energy in and out

534

00:19:09,990 --> 00:19:06,240

things like that then we can look to see

535

00:19:11,430 --> 00:19:10,000

how do we redesign our own systems in a

536

00:19:12,630 --> 00:19:11,440

healthy

537

00:19:14,150 --> 00:19:12,640

whole way

538

00:19:15,510 --> 00:19:14,160

and you asked about the energy

539

00:19:18,070 --> 00:19:15,520

application

540

00:19:20,470 --> 00:19:18,080

what i found in my pursuit of new

541

00:19:22,950 --> 00:19:20,480

physics you know for decades was i was

542

00:19:25,350 --> 00:19:22,960

finally led to some inventors who were

543

00:19:28,230 --> 00:19:25,360

aware of this toroidal dynamic

544

00:19:30,710 --> 00:19:28,240

and were applying it with absolutely

545

00:19:33,909 --> 00:19:30,720

exquisite technologies that were

546

00:19:36,390 --> 00:19:33,919

accessing energy in a clean

547

00:19:38,710 --> 00:19:36,400

safe and limitless way

548

00:19:40,549 --> 00:19:38,720

and as opposed to our usual ways of

549

00:19:43,270 --> 00:19:40,559

accessing energy which is you know

550

00:19:46,549 --> 00:19:43,280

burning things or crushing things or

551  
00:19:47,750 --> 00:19:46,559  
exploding things it's a very old macho

552  
00:19:50,390 --> 00:19:47,760  
paradigm

553  
00:19:52,710 --> 00:19:50,400  
of you know control and manipulation and

554  
00:19:55,270 --> 00:19:52,720  
what we mentioned in the movie is that

555  
00:19:57,110 --> 00:19:55,280  
the opportunity now is to learn to to

556  
00:19:59,750 --> 00:19:57,120  
have a more feminine approach more

557  
00:20:02,630 --> 00:19:59,760  
accepting of what nature is able to be

558  
00:20:03,590 --> 00:20:02,640  
humble enough to dance with that pattern

559  
00:20:08,950 --> 00:20:03,600  
so

560  
00:20:11,510 --> 00:20:08,960  
energy or new energy labs and the ones

561  
00:20:13,270 --> 00:20:11,520  
that i've seen that are being successful

562  
00:20:16,310 --> 00:20:13,280  
every single one of them before and

563  
00:20:18,710 --> 00:20:16,320

after the movie uh are somehow creating

564

00:20:20,950 --> 00:20:18,720

and mimicking this toroidal pattern and

565

00:20:23,830 --> 00:20:20,960

then just tuning the device

566

00:20:25,270 --> 00:20:23,840

into a level of resonance with its

567

00:20:27,750 --> 00:20:25,280

environment almost like you know a

568

00:20:29,669 --> 00:20:27,760

couple of guitarists and a tuning up and

569

00:20:32,310 --> 00:20:29,679

when you hit those right frequencies the

570

00:20:35,110 --> 00:20:32,320

universe just starts pouring out as much

571

00:20:37,110 --> 00:20:35,120

energy as you need out of these systems

572

00:20:40,149 --> 00:20:37,120

so it's not just a wonderful technology

573

00:20:42,630 --> 00:20:40,159

it's a it's an actual paradigm shift of

574

00:20:44,630 --> 00:20:42,640

if we blend with the way energy moves in

575

00:20:46,230 --> 00:20:44,640

the universe uh there is infinite

576

00:20:47,750 --> 00:20:46,240

abundance

577

00:20:48,549 --> 00:20:47,760

yeah it's interesting that you mentioned

578

00:20:50,230 --> 00:20:48,559

the

579

00:20:52,149 --> 00:20:50,240

masculine feminine

580

00:20:53,669 --> 00:20:52,159

uh aspects to this energy because in the

581

00:20:55,190 --> 00:20:53,679

pre-show me and kyle were just talking

582

00:20:57,990 --> 00:20:55,200

about how his experiences with

583

00:21:00,630 --> 00:20:58,000

psychedelics have kind of opened up

584

00:21:03,110 --> 00:21:00,640

an emotional blockage that is kind of

585

00:21:05,190 --> 00:21:03,120

perpetuated by our society that you know

586

00:21:07,190 --> 00:21:05,200

men should be more bottled up and it's

587

00:21:09,510 --> 00:21:07,200

kind of the feminine energy that allows

588

00:21:11,909 --> 00:21:09,520

for um you know a wide range of emotions

589

00:21:14,070 --> 00:21:11,919

so that's an interesting tie-in but

590

00:21:16,390 --> 00:21:14,080

you know this let me just follow up on

591

00:21:19,430 --> 00:21:16,400

that for sure because that is such

592

00:21:22,149 --> 00:21:19,440

a core and important point that you know

593

00:21:23,830 --> 00:21:22,159

these devices are are wonderful but

594

00:21:26,630 --> 00:21:23,840

really ultimately we're talking about

595

00:21:28,630 --> 00:21:26,640

aligning with our own life force with

596

00:21:31,430 --> 00:21:28,640

our consciousness with our emotions with

597

00:21:34,149 --> 00:21:31,440

our uh thinking with our breathing and

598

00:21:36,149 --> 00:21:34,159

so forth and i think that that's a great

599

00:21:38,149 --> 00:21:36,159

example of whether it's whether you're

600

00:21:40,230 --> 00:21:38,159

trying out uh

601  
00:21:41,909 --> 00:21:40,240  
in theogenes you know psychotropics

602  
00:21:43,590 --> 00:21:41,919  
which will alter your consciousness and

603  
00:21:44,950 --> 00:21:43,600  
give you a glimpse of other

604  
00:21:47,190 --> 00:21:44,960  
realms or whether you're doing it in

605  
00:21:50,070 --> 00:21:47,200  
meditation or therapy or

606  
00:21:52,470 --> 00:21:50,080  
sports or dancing or whatever

607  
00:21:55,350 --> 00:21:52,480  
fundamentally it's that quality of

608  
00:21:57,590 --> 00:21:55,360  
aligning with resonating with the life

609  
00:21:59,590 --> 00:21:57,600  
force that opens up

610  
00:22:02,789 --> 00:21:59,600  
the possibility of really a thriving

611  
00:22:04,549 --> 00:22:02,799  
life at all scales so i just wanted to

612  
00:22:05,750 --> 00:22:04,559  
you know put a shine a light on what

613  
00:22:07,669 --> 00:22:05,760

kyle said because i don't think there's

614

00:22:09,750 --> 00:22:07,679

a more important point especially bring

615

00:22:11,669 --> 00:22:09,760

it back to our own human lives

616

00:22:13,909 --> 00:22:11,679

absolutely

617

00:22:15,590 --> 00:22:13,919

well said yourself but as far as the

618

00:22:18,630 --> 00:22:15,600

free energy is concerned you know this

619

00:22:20,149 --> 00:22:18,640

is a a topic of intense debate among

620

00:22:21,590 --> 00:22:20,159

people in my life that i've tried to

621

00:22:23,510 --> 00:22:21,600

introduce to the conspiracy world

622

00:22:24,950 --> 00:22:23,520

because a lot of times people look at

623

00:22:26,710 --> 00:22:24,960

everything that's screwed up and they

624

00:22:28,149 --> 00:22:26,720

know it's screwed up but they accept it

625

00:22:30,470 --> 00:22:28,159

because they're under the impression

626

00:22:32,789 --> 00:22:30,480

that alternative energy sources are

627

00:22:34,710 --> 00:22:32,799

underdeveloped and too costly so to

628

00:22:36,149 --> 00:22:34,720

really make the leap from well the

629

00:22:38,230 --> 00:22:36,159

governments and companies are doing the

630

00:22:40,070 --> 00:22:38,240

best they can with what they have to you

631

00:22:41,990 --> 00:22:40,080

know something like no they're purposely

632

00:22:43,830 --> 00:22:42,000

suppressing free energy technologies

633

00:22:45,350 --> 00:22:43,840

that could wield unlimited power and

634

00:22:47,190 --> 00:22:45,360

energy for everyone and they keep us

635

00:22:49,430 --> 00:22:47,200

shackled under a grid of their control

636

00:22:50,950 --> 00:22:49,440

to make that leap really requires the

637

00:22:53,909 --> 00:22:50,960

fact that this technology and these

638

00:22:55,350 --> 00:22:53,919

devices are ready now you know but yes

639

00:22:57,110 --> 00:22:55,360

what have you seen from your research

640

00:23:00,710 --> 00:22:57,120

that could make the case to people who

641

00:23:02,390 --> 00:23:00,720

might not be all the way convinced yet

642

00:23:04,230 --> 00:23:02,400

well there's a few things that you can

643

00:23:05,909 --> 00:23:04,240

say that help with the discussion but

644

00:23:07,669 --> 00:23:05,919

nothing is going to convince a lot of

645

00:23:10,070 --> 00:23:07,679

people until they're sitting in front of

646

00:23:12,070 --> 00:23:10,080

a device which isn't plugged in and it's

647

00:23:14,149 --> 00:23:12,080

just pouring out clean energy that's

648

00:23:16,549 --> 00:23:14,159

fine and i know the first time that i

649

00:23:17,990 --> 00:23:16,559

took my wife to one of the labs and she

650

00:23:20,149 --> 00:23:18,000

saw it for the first time she just

651  
00:23:22,710 --> 00:23:20,159  
started crying you know it's just such a

652  
00:23:25,110 --> 00:23:22,720  
moving experience to realize

653  
00:23:27,350 --> 00:23:25,120  
the beauty of nature in that way and to

654  
00:23:31,110 --> 00:23:27,360  
realize that human beings have learned

655  
00:23:33,669 --> 00:23:31,120  
how to access that there is no necessity

656  
00:23:35,750 --> 00:23:33,679  
to be burning fossil fuels and polluting

657  
00:23:38,149 --> 00:23:35,760  
the skies and causing asthma and you

658  
00:23:39,669 --> 00:23:38,159  
know fighting over taking oil from other

659  
00:23:41,510 --> 00:23:39,679  
people's land and all that stuff it's

660  
00:23:43,750 --> 00:23:41,520  
totally obsolete

661  
00:23:46,149 --> 00:23:43,760  
in terms of what's actually manifest

662  
00:23:48,870 --> 00:23:46,159  
right now so it's much more actually a

663  
00:23:51,590 --> 00:23:48,880

political and strategic challenge than

664

00:23:54,149 --> 00:23:51,600

it is a technical one i can't talk about

665

00:23:55,590 --> 00:23:54,159

specific devices at this point because

666

00:23:57,270 --> 00:23:55,600

it wouldn't be safe for the inventors

667

00:23:59,669 --> 00:23:57,280

and i'm also under non-disclosure

668

00:24:02,630 --> 00:23:59,679

agreements with virtually all of the the

669

00:24:04,789 --> 00:24:02,640

best inventors but i can simply say my

670

00:24:06,950 --> 00:24:04,799

own opinion from my own experience and i

671

00:24:09,669 --> 00:24:06,960

visited labs with you know highly

672

00:24:11,110 --> 00:24:09,679

skilled scientists physicists engineers

673

00:24:14,149 --> 00:24:11,120

and so forth

674

00:24:16,070 --> 00:24:14,159

is that the technology is available

675

00:24:18,470 --> 00:24:16,080

my sources tell me that the shadow

676

00:24:22,070 --> 00:24:18,480

government has had this technology for

677

00:24:22,870 --> 00:24:22,080

at least 50 or 60 years

678

00:24:25,990 --> 00:24:22,880

and

679

00:24:27,669 --> 00:24:26,000

that's one of the reasons why they know

680

00:24:29,350 --> 00:24:27,679

who to suppress

681

00:24:30,950 --> 00:24:29,360

because they know that this technology

682

00:24:32,870 --> 00:24:30,960

is real so that if they find out about

683

00:24:35,190 --> 00:24:32,880

someone accessing it in the correct

684

00:24:37,110 --> 00:24:35,200

fashion and being successful

685

00:24:39,510 --> 00:24:37,120

unfortunately in the past those people

686

00:24:41,350 --> 00:24:39,520

have gotten their doors kicked down and

687

00:24:43,750 --> 00:24:41,360

uh they've been threatened

688

00:24:45,750 --> 00:24:43,760

and their equipment has been stolen you

689

00:24:46,870 --> 00:24:45,760

know repeatedly and some of the the

690

00:24:49,990 --> 00:24:46,880

inventors

691

00:24:52,310 --> 00:24:50,000

have you know been injured or or

692

00:24:55,190 --> 00:24:52,320

killed or or just disappeared so it's a

693

00:24:56,710 --> 00:24:55,200

very very real situation that we're in

694

00:24:57,750 --> 00:24:56,720

right now and that's why these inventors

695

00:24:59,029 --> 00:24:57,760

need to be

696

00:25:02,310 --> 00:24:59,039

so careful

697

00:25:03,750 --> 00:25:02,320

right someone asked me um in a uh

698

00:25:05,750 --> 00:25:03,760

interview recently

699

00:25:07,909 --> 00:25:05,760

what did i think would be the kind of

700

00:25:09,909 --> 00:25:07,919

time frame for this and i just found

701  
00:25:10,950 --> 00:25:09,919  
what coming up what came out of my mouth

702  
00:25:12,950 --> 00:25:10,960  
was that i

703  
00:25:14,710 --> 00:25:12,960  
honestly believe from what i'm seeing

704  
00:25:17,669 --> 00:25:14,720  
that within five years there will be at

705  
00:25:22,230 --> 00:25:17,679  
least 200 companies around the world who

706  
00:25:24,710 --> 00:25:22,240  
are uh selling various types of uh over

707  
00:25:27,269 --> 00:25:24,720  
unity new energy devices

708  
00:25:29,750 --> 00:25:27,279  
wow yeah that's that's huge we actually

709  
00:25:31,590 --> 00:25:29,760  
had a guest not long ago uh stan deo who

710  
00:25:34,230 --> 00:25:31,600  
has a wild story about

711  
00:25:37,269 --> 00:25:34,240  
creating flying saucers using a similar

712  
00:25:39,190 --> 00:25:37,279  
type of vortex and you know once he was

713  
00:25:41,350 --> 00:25:39,200

talking about possibly filing a patent

714

00:25:43,269 --> 00:25:41,360

that's when people in suits came to him

715

00:25:45,350 --> 00:25:43,279

and said you know maybe we should just

716

00:25:47,350 --> 00:25:45,360

show you what we're working on you know

717

00:25:49,190 --> 00:25:47,360

because you're stumbling upon it and it

718

00:25:52,549 --> 00:25:49,200

is weird but that it almost seems like

719

00:25:54,230 --> 00:25:52,559

that patent system is a gateway to

720

00:25:55,909 --> 00:25:54,240

you know really highlighting who's

721

00:25:57,269 --> 00:25:55,919

messing around with stuff that the

722

00:25:59,669 --> 00:25:57,279

government might not want to messing

723

00:26:03,990 --> 00:25:59,679

around with exactly the

724

00:26:08,789 --> 00:26:04,000

the patent office has uh basically taken

725

00:26:11,190 --> 00:26:08,799

over 5 000 patents uh applications for

726

00:26:13,909 --> 00:26:11,200

uh alternative energy devices and just

727

00:26:15,990 --> 00:26:13,919

forbidden their inventors to continue

728

00:26:17,190 --> 00:26:16,000

so you know the obvious question is why

729

00:26:18,870 --> 00:26:17,200

is that when we're having all these

730

00:26:20,630 --> 00:26:18,880

struggles over oil why don't they just

731

00:26:22,470 --> 00:26:20,640

let this stuff come through

732

00:26:25,669 --> 00:26:22,480

but i think your listeners would have a

733

00:26:27,190 --> 00:26:25,679

very sophisticated understanding of the

734

00:26:29,350 --> 00:26:27,200

fact that

735

00:26:32,390 --> 00:26:29,360

first of all these technologies

736

00:26:33,590 --> 00:26:32,400

uh which can democratize energy so

737

00:26:35,510 --> 00:26:33,600

quickly where people can have

738

00:26:37,830 --> 00:26:35,520

independent off-the-grid devices that

739

00:26:39,750 --> 00:26:37,840

run their homes their villages their

740

00:26:42,230 --> 00:26:39,760

cities whatever

741

00:26:44,789 --> 00:26:42,240

uh that threatens the

742

00:26:47,750 --> 00:26:44,799

a multi-trillion dollar piggy bank of

743

00:26:50,149 --> 00:26:47,760

the oil gas coal and nuclear industries

744

00:26:51,029 --> 00:26:50,159

which still want to be able to sell

745

00:26:52,789 --> 00:26:51,039

their

746

00:26:54,950 --> 00:26:52,799

uh the resources that they're

747

00:26:57,029 --> 00:26:54,960

controlling so that's level one level

748

00:26:59,350 --> 00:26:57,039

two is uh those

749

00:27:01,269 --> 00:26:59,360

industries are also controlled by the

750

00:27:03,350 --> 00:27:01,279

the same kind of central banking

751  
00:27:05,590 --> 00:27:03,360  
families that we describe when we follow

752  
00:27:07,430 --> 00:27:05,600  
the money in thrive and those people

753  
00:27:09,269 --> 00:27:07,440  
aren't just interested in money they're

754  
00:27:11,830 --> 00:27:09,279  
interested in controlling people's lives

755  
00:27:14,230 --> 00:27:11,840  
through energy as well as food and media

756  
00:27:17,350 --> 00:27:14,240  
education uh money

757  
00:27:19,269 --> 00:27:17,360  
etc but the the last reason that i'm

758  
00:27:20,950 --> 00:27:19,279  
mentioned because some of the people in

759  
00:27:24,549 --> 00:27:20,960  
the conspiracy realm have not

760  
00:27:26,230 --> 00:27:24,559  
necessarily explored the et

761  
00:27:28,230 --> 00:27:26,240  
domain very much

762  
00:27:30,549 --> 00:27:28,240  
and adam trombley says it very clearly

763  
00:27:33,269 --> 00:27:30,559

in our movie that the suppression of

764

00:27:36,470 --> 00:27:33,279

free energy and the suppression of ufo

765

00:27:39,029 --> 00:27:36,480

and et information goes hand in hand

766

00:27:40,310 --> 00:27:39,039

because if people recognize

767

00:27:42,710 --> 00:27:40,320

that

768

00:27:44,070 --> 00:27:42,720

there are beings here from

769

00:27:46,149 --> 00:27:44,080

uh other

770

00:27:49,029 --> 00:27:46,159

planets other

771

00:27:52,070 --> 00:27:49,039

solar systems other galaxies much less

772

00:27:53,909 --> 00:27:52,080

other you know dimensional realms uh the

773

00:27:55,590 --> 00:27:53,919

first thing they're gonna ask is how'd

774

00:27:58,310 --> 00:27:55,600

they get here i don't think they're

775

00:28:00,389 --> 00:27:58,320

burning chevron fossil fuel you know for

776

00:28:03,510 --> 00:28:00,399

30 000 years to come from the nearest

777

00:28:05,350 --> 00:28:03,520

solar system right so they're obviously

778

00:28:07,669 --> 00:28:05,360

accessing energy

779

00:28:09,430 --> 00:28:07,679

from anywhere in space and have

780

00:28:10,789 --> 00:28:09,440

developed some sort of

781

00:28:12,789 --> 00:28:10,799

fuelless

782

00:28:14,789 --> 00:28:12,799

propulsion and this ties in with the

783

00:28:16,389 --> 00:28:14,799

comment that you said your your prior

784

00:28:18,950 --> 00:28:16,399

guest had mentioned

785

00:28:20,870 --> 00:28:18,960

uh that the also the free energy devices

786

00:28:23,350 --> 00:28:20,880

tend to go hand in hand with

787

00:28:26,310 --> 00:28:23,360

anti-gravity devices because when you

788

00:28:28,470 --> 00:28:26,320

start rotating these magnetic fields at

789

00:28:32,230 --> 00:28:28,480

certain frequencies

790

00:28:35,510 --> 00:28:32,240

they will uh number one uh develop a low

791

00:28:39,190 --> 00:28:35,520

pressure area above them and start to

792

00:28:41,990 --> 00:28:39,200

rise and and secondly um

793

00:28:43,909 --> 00:28:42,000

they will tend to disconnect from the

794

00:28:45,830 --> 00:28:43,919

space-time continuum that we're

795

00:28:48,870 --> 00:28:45,840

accustomed to and that's why they're you

796

00:28:51,269 --> 00:28:48,880

know just hundreds and hundreds of uh

797

00:28:53,590 --> 00:28:51,279

reputable ufo sightings where people

798

00:28:55,110 --> 00:28:53,600

talk about the these ships going

799

00:28:57,110 --> 00:28:55,120

thousands of miles an hour and all of a

800

00:28:58,870 --> 00:28:57,120

sudden making a you know a right angle

801  
00:29:01,110 --> 00:28:58,880  
turn which would obviously in

802  
00:29:04,149 --> 00:29:01,120  
traditional physics crush any being that

803  
00:29:06,950 --> 00:29:04,159  
was inside that uh even the materials

804  
00:29:09,110 --> 00:29:06,960  
themselves so something else is going on

805  
00:29:10,830 --> 00:29:09,120  
and i've had the privilege to talk with

806  
00:29:15,110 --> 00:29:10,840  
some very credible

807  
00:29:18,310 --> 00:29:15,120  
uh people who have been either abducted

808  
00:29:20,710 --> 00:29:18,320  
uh or invited onto

809  
00:29:22,870 --> 00:29:20,720  
et ships and several of them were

810  
00:29:25,110 --> 00:29:22,880  
offered the opportunity because of the

811  
00:29:28,549 --> 00:29:25,120  
relationship that was developed to be

812  
00:29:30,149 --> 00:29:28,559  
shown the drive on the ship and that's

813  
00:29:31,909 --> 00:29:30,159

what we uh

814

00:29:34,310 --> 00:29:31,919

illustrate with the computer graphics

815

00:29:36,710 --> 00:29:34,320

briefly and thrive also every single one

816

00:29:38,870 --> 00:29:36,720

of them has repeated this as

817

00:29:41,590 --> 00:29:38,880

the story about this same

818

00:29:45,110 --> 00:29:41,600

double taurus rainbow dynamic that not

819

00:29:47,350 --> 00:29:45,120

only propels the ship but it creates an

820

00:29:50,789 --> 00:29:47,360

independent gravitational field around

821

00:29:52,710 --> 00:29:50,799

the ship that that protects

822

00:29:55,430 --> 00:29:52,720

anyone who's in it

823

00:29:57,669 --> 00:29:55,440

yeah it is really hard to

824

00:29:58,389 --> 00:29:57,679

find a clear narrative when it comes to

825

00:30:03,350 --> 00:29:58,399

the

826  
00:30:05,669 --> 00:30:03,360  
even as far back as nikola tesla people

827  
00:30:07,990 --> 00:30:05,679  
were talking about he he had credited

828  
00:30:09,669 --> 00:30:08,000  
some of his discoveries with messages

829  
00:30:12,470 --> 00:30:09,679  
from other beings there's a lot of

830  
00:30:14,070 --> 00:30:12,480  
speculation that this this taurus energy

831  
00:30:17,269 --> 00:30:14,080  
is the same kind of thing that helped

832  
00:30:19,110 --> 00:30:17,279  
build the pyramids and uh i guess where

833  
00:30:21,110 --> 00:30:19,120  
it gets kind of weird is you've got

834  
00:30:22,630 --> 00:30:21,120  
abduction stories that are

835  
00:30:24,149 --> 00:30:22,640  
positive like the ones you're describing

836  
00:30:26,789 --> 00:30:24,159  
then you've got some that are extremely

837  
00:30:29,750 --> 00:30:26,799  
negative with harnessing or you know

838  
00:30:31,510 --> 00:30:29,760

extracting dna and extracting uh you

839

00:30:33,830 --> 00:30:31,520

know messing with their sexual organs to

840

00:30:36,230 --> 00:30:33,840

create hybrids i mean and there's you as

841

00:30:38,470 --> 00:30:36,240

you know there's tons of disinformation

842

00:30:40,710 --> 00:30:38,480

in this realm it's hard to really

843

00:30:42,630 --> 00:30:40,720

know what's true and what's not true but

844

00:30:44,149 --> 00:30:42,640

i find it hard to believe that if

845

00:30:47,830 --> 00:30:44,159

they're trying to present us with this

846

00:30:49,269 --> 00:30:47,840

information that it would be so

847

00:30:50,470 --> 00:30:49,279

mild i feel like they would do it in a

848

00:30:52,549 --> 00:30:50,480

bolder way

849

00:30:55,269 --> 00:30:52,559

do you have any explanation for why it's

850

00:30:58,950 --> 00:30:56,789

you mean from the point of view of

851

00:31:01,590 --> 00:30:58,960

extraterrestrial beings right like it's

852

00:31:04,389 --> 00:31:01,600

they the the contact seems very subtle

853

00:31:06,389 --> 00:31:04,399

in the form of crop circles or you know

854

00:31:07,350 --> 00:31:06,399

small scale abductions

855

00:31:09,830 --> 00:31:07,360

yes

856

00:31:12,230 --> 00:31:09,840

well um i'm certainly not an expert in

857

00:31:13,909 --> 00:31:12,240

this area but i've been looking into it

858

00:31:15,909 --> 00:31:13,919

for quite a while and particularly since

859

00:31:19,909 --> 00:31:15,919

thrive i've had the opportunity to speak

860

00:31:21,510 --> 00:31:19,919

to some very knowledgeable uh people and

861

00:31:27,990 --> 00:31:21,520

the

862

00:31:31,430 --> 00:31:28,000

species

863

00:31:34,389 --> 00:31:31,440

uh of other beings who are visiting us

864

00:31:35,590 --> 00:31:34,399

you know that there are uh the five most

865

00:31:38,630 --> 00:31:35,600

commonly

866

00:31:41,110 --> 00:31:38,640

uh spoken of beings from

867

00:31:43,590 --> 00:31:41,120

people from cultures all over the world

868

00:31:47,190 --> 00:31:43,600

are you know the grays and the felines

869

00:31:49,990 --> 00:31:47,200

and the reptilians and the

870

00:31:50,789 --> 00:31:50,000

mantids and the nordics

871

00:31:51,909 --> 00:31:50,799

and

872

00:31:52,950 --> 00:31:51,919

uh

873

00:31:54,870 --> 00:31:52,960

they

874

00:31:55,750 --> 00:31:54,880

there are many other species i think as

875

00:31:57,430 --> 00:31:55,760

well

876

00:32:00,070 --> 00:31:57,440

jacques valet one of the premier

877

00:32:01,830 --> 00:32:00,080

researchers says that probably 80 or

878

00:32:04,549 --> 00:32:01,840

extraterrestrial contact is simply

879

00:32:07,430 --> 00:32:04,559

telepathic it's not actual incarnate

880

00:32:09,909 --> 00:32:07,440

beings in some sort of material ships

881

00:32:12,149 --> 00:32:09,919

flying around it's actually simply

882

00:32:14,230 --> 00:32:12,159

beings that are on different frequency

883

00:32:17,029 --> 00:32:14,240

levels who are connecting with with us

884

00:32:19,830 --> 00:32:17,039

in uh our consciousness and that's

885

00:32:21,430 --> 00:32:19,840

becoming more and more common people are

886

00:32:23,669 --> 00:32:21,440

doing this channeling and downloading

887

00:32:25,909 --> 00:32:23,679

this information and so forth all over

888

00:32:27,350 --> 00:32:25,919

the world and there's you know there's a

889

00:32:29,830 --> 00:32:27,360

lot of hosters out there but there's

890

00:32:32,549 --> 00:32:29,840

also a lot of people who are

891

00:32:33,990 --> 00:32:32,559

very genuine in this very skilled and

892

00:32:36,630 --> 00:32:34,000

the information that they're bringing

893

00:32:39,430 --> 00:32:36,640

through is quite consistent and one of

894

00:32:42,389 --> 00:32:39,440

the things that they talk about is that

895

00:32:43,750 --> 00:32:42,399

these various et species have different

896

00:32:45,990 --> 00:32:43,760

agendas

897

00:32:48,470 --> 00:32:46,000

so from our point of view some of them

898

00:32:49,430 --> 00:32:48,480

may feel very benevolent others might

899

00:32:52,310 --> 00:32:49,440

feel

900

00:32:53,990 --> 00:32:52,320

even abusive and i asked john mack who

901  
00:32:56,630 --> 00:32:54,000  
was the the

902  
00:32:58,549 --> 00:32:56,640  
harvard psychiatrist who kind of

903  
00:33:01,830 --> 00:32:58,559  
literally wrote the book on the

904  
00:33:03,430 --> 00:33:01,840  
credibility of ufo e.t abductions i

905  
00:33:05,029 --> 00:33:03,440  
asked him i got a chance to meet him

906  
00:33:07,590 --> 00:33:05,039  
before he

907  
00:33:08,470 --> 00:33:07,600  
was killed recently

908  
00:33:11,269 --> 00:33:08,480  
and

909  
00:33:11,990 --> 00:33:11,279  
i asked him that question are are et's

910  
00:33:14,310 --> 00:33:12,000  
uh

911  
00:33:16,230 --> 00:33:14,320  
benevolent since there's obviously way

912  
00:33:18,710 --> 00:33:16,240  
more advanced than we are

913  
00:33:21,590 --> 00:33:18,720

uh in terms of technology so i'm

914

00:33:23,750 --> 00:33:21,600

assuming in in aspects of consciousness

915

00:33:25,509 --> 00:33:23,760

and he said well you don't assume that

916

00:33:28,789 --> 00:33:25,519

because he said look how far human

917

00:33:30,789 --> 00:33:28,799

beings are beyond rats in terms of the

918

00:33:32,710 --> 00:33:30,799

evolution of our consciousness and then

919

00:33:34,149 --> 00:33:32,720

look how some of us treat them in our

920

00:33:35,590 --> 00:33:34,159

laboratories

921

00:33:38,950 --> 00:33:35,600

so some of them are here doing

922

00:33:41,590 --> 00:33:38,960

experiments or you know looking to for a

923

00:33:43,269 --> 00:33:41,600

habitable planet or looking to gather

924

00:33:45,590 --> 00:33:43,279

some of the resources that we have on

925

00:33:48,070 --> 00:33:45,600

our planet that they need and there are

926

00:33:50,470 --> 00:33:48,080

others who are here to protect us uh

927

00:33:52,230 --> 00:33:50,480

from some of those other species or from

928

00:33:54,549 --> 00:33:52,240

flares from the sun or whatever or from

929

00:33:56,630 --> 00:33:54,559

nuclear weapons there's evidence of all

930

00:33:59,029 --> 00:33:56,640

of the things that that i just mentioned

931

00:34:01,190 --> 00:33:59,039

so i i've come from you know thinking

932

00:34:04,470 --> 00:34:01,200

that you know little green men from mars

933

00:34:07,190 --> 00:34:04,480

is a crazy uh notion to recognize and of

934

00:34:09,190 --> 00:34:07,200

course there's intelligent life in this

935

00:34:11,990 --> 00:34:09,200

almost boundless cosmos

936

00:34:13,829 --> 00:34:12,000

uh to realizing that we're actually

937

00:34:15,109 --> 00:34:13,839

probably living pretty much in the star

938

00:34:15,909 --> 00:34:15,119

wars bar

939

00:34:18,069 --> 00:34:15,919

wow

940

00:34:19,990 --> 00:34:18,079

but but you're right it's quite subtle

941

00:34:20,869 --> 00:34:20,000

right now i think for various reasons

942

00:34:28,069 --> 00:34:20,879

for

943

00:34:30,069 --> 00:34:28,079

of disclosure as far as as i've been

944

00:34:31,829 --> 00:34:30,079

able to learn there have been

945

00:34:34,389 --> 00:34:31,839

contracts made between the shadow

946

00:34:36,069 --> 00:34:34,399

government and certain e.t species to to

947

00:34:38,790 --> 00:34:36,079

keep things secret for a certain length

948

00:34:40,869 --> 00:34:38,800

of time while that shadow government was

949

00:34:42,629 --> 00:34:40,879

was learning from their technologies and

950

00:34:45,030 --> 00:34:42,639

making certain trades with them and so

951  
00:34:47,750 --> 00:34:45,040  
forth so it's a very complex issue that

952  
00:34:50,069 --> 00:34:47,760  
i think is starting to come out

953  
00:34:52,069 --> 00:34:50,079  
more and more rapidly now as many

954  
00:34:53,990 --> 00:34:52,079  
countries i think there's 15 countries

955  
00:34:56,230 --> 00:34:54,000  
which have actually opened their ufo

956  
00:34:57,589 --> 00:34:56,240  
files and that recent citizen hearing

957  
00:34:58,630 --> 00:34:57,599  
that took place just a couple of weeks

958  
00:35:01,270 --> 00:34:58,640  
ago in

959  
00:35:02,470 --> 00:35:01,280  
uh in washington dc had

960  
00:35:04,950 --> 00:35:02,480  
fantastic

961  
00:35:07,349 --> 00:35:04,960  
uh expert testimony that's going to be

962  
00:35:08,790 --> 00:35:07,359  
turned into a feature-length film that's

963  
00:35:11,589 --> 00:35:08,800

going to tour in theaters and so forth

964

00:35:14,390 --> 00:35:11,599

so the the time is definitely coming

965

00:35:16,710 --> 00:35:14,400

nice it's very exciting uh all of these

966

00:35:18,950 --> 00:35:16,720

people are kind of um finding new ways

967

00:35:22,870 --> 00:35:18,960

of saying it because i feel like for so

968

00:35:25,109 --> 00:35:22,880

long our cultural belief systems about

969

00:35:27,510 --> 00:35:25,119

this topic prevented us from ever

970

00:35:29,270 --> 00:35:27,520

exploring it honestly and it was

971

00:35:32,710 --> 00:35:29,280

everybody who was into this was

972

00:35:33,990 --> 00:35:32,720

dismissed as being crazy or

973

00:35:36,230 --> 00:35:34,000

some kind of you know all these

974

00:35:37,430 --> 00:35:36,240

different terms that television used to

975

00:35:39,270 --> 00:35:37,440

try to

976  
00:35:41,190 --> 00:35:39,280  
make people feel paranoid about what

977  
00:35:44,390 --> 00:35:41,200  
they had experienced

978  
00:35:46,630 --> 00:35:44,400  
but it has gone by so many names i i

979  
00:35:47,910 --> 00:35:46,640  
think about um you're talking about the

980  
00:35:50,950 --> 00:35:47,920  
possibility that there's all these

981  
00:35:54,950 --> 00:35:50,960  
different alien humanoids with different

982  
00:35:57,270 --> 00:35:54,960  
agendas communing with people and

983  
00:35:59,589 --> 00:35:57,280  
how similar that is in my mind to when

984  
00:36:00,790 --> 00:35:59,599  
you get inspiration when you have a new

985  
00:36:02,550 --> 00:36:00,800  
idea

986  
00:36:04,630 --> 00:36:02,560  
it's like you suddenly come upon a

987  
00:36:06,630 --> 00:36:04,640  
thought where did that come from when

988  
00:36:07,910 --> 00:36:06,640

they wrote like the odyssey and iliad

989

00:36:10,390 --> 00:36:07,920

i've talked about this in previous

990

00:36:12,069 --> 00:36:10,400

episodes but they talked about in in

991

00:36:13,750 --> 00:36:12,079

those times there's a consciousness that

992

00:36:16,470 --> 00:36:13,760

people kind of felt like the gods were

993

00:36:19,190 --> 00:36:16,480

communing with them you could

994

00:36:20,790 --> 00:36:19,200

by different you know acts just by

995

00:36:23,270 --> 00:36:20,800

drinking too much you commune with

996

00:36:25,589 --> 00:36:23,280

certain uh intelligences you become

997

00:36:27,349 --> 00:36:25,599

different you take on changes is because

998

00:36:29,510 --> 00:36:27,359

you're almost like channeling is tied

999

00:36:31,990 --> 00:36:29,520

into this as well but yeah there's so

1000

00:36:34,870 --> 00:36:32,000

many different um

1001

00:36:36,470 --> 00:36:34,880

kind of like i don't know it it's

1002

00:36:38,630 --> 00:36:36,480

we're trying to explain what this

1003

00:36:41,270 --> 00:36:38,640

phenomena is but science has prevented

1004

00:36:43,829 --> 00:36:41,280

us from exploring it for so long that it

1005

00:36:45,510 --> 00:36:43,839

everything immediately gets dismissed is

1006

00:36:46,870 --> 00:36:45,520

like oh here we go again with this

1007

00:36:49,510 --> 00:36:46,880

nonsense but

1008

00:36:51,349 --> 00:36:49,520

really it's it's we're encroaching upon

1009

00:36:53,430 --> 00:36:51,359

it it's coming from every direction and

1010

00:36:55,030 --> 00:36:53,440

it's almost like it's going to overgrow

1011

00:36:56,150 --> 00:36:55,040

these belief systems are going to have

1012

00:36:58,069 --> 00:36:56,160

to decay

1013

00:37:01,030 --> 00:36:58,079

because they no longer like serve us as

1014

00:37:05,750 --> 00:37:02,950

same agenda we were talking about with

1015

00:37:07,910 --> 00:37:05,760

the suppression of ufo information and

1016

00:37:09,510 --> 00:37:07,920

free energy and and that type of thing

1017

00:37:12,390 --> 00:37:09,520

because i believe that the ultimate

1018

00:37:15,109 --> 00:37:12,400

suppression is of people's consciousness

1019

00:37:17,829 --> 00:37:15,119

because if people are

1020

00:37:18,870 --> 00:37:17,839

if children are supported in

1021

00:37:20,950 --> 00:37:18,880

being

1022

00:37:22,630 --> 00:37:20,960

healthy critical thinkers

1023

00:37:24,550 --> 00:37:22,640

then they're going to be questioning the

1024

00:37:27,030 --> 00:37:24,560

whole notion of authority

1025

00:37:29,030 --> 00:37:27,040

uh and our culture is set up so that

1026

00:37:31,109 --> 00:37:29,040

through the state-run schools and

1027

00:37:33,750 --> 00:37:31,119

through the the churches basically

1028

00:37:35,430 --> 00:37:33,760

people are indoctrinated from a very

1029

00:37:37,190 --> 00:37:35,440

young age virtually every day of the

1030

00:37:38,470 --> 00:37:37,200

week you know six days of the week for a

1031

00:37:40,069 --> 00:37:38,480

lot of people

1032

00:37:41,990 --> 00:37:40,079

many hours a day

1033

00:37:44,390 --> 00:37:42,000

into believing in things that they might

1034

00:37:46,790 --> 00:37:44,400

not otherwise believe in and the

1035

00:37:50,550 --> 00:37:46,800

fundamental tenet of both the church and

1036

00:37:52,630 --> 00:37:50,560

the uh most churches uh and of

1037

00:37:56,150 --> 00:37:52,640

the government is that

1038

00:37:58,069 --> 00:37:56,160

uh you're not whole and sufficient and

1039

00:37:59,910 --> 00:37:58,079

therefore we're going to have authority

1040

00:38:01,510 --> 00:37:59,920

over you we're going to take care of you

1041

00:38:03,670 --> 00:38:01,520

but we're going to also have to tell you

1042

00:38:05,030 --> 00:38:03,680

what you need to believe uh we're going

1043

00:38:07,030 --> 00:38:05,040

to tell you what's true and we're going

1044

00:38:08,150 --> 00:38:07,040

to tell you what you can and can't do

1045

00:38:09,910 --> 00:38:08,160

and we're going to take some of your

1046

00:38:13,349 --> 00:38:09,920

stuff basically what you know whenever

1047

00:38:14,950 --> 00:38:13,359

we want and as people are waking up and

1048

00:38:17,030 --> 00:38:14,960

you know kimberly and i've had the

1049

00:38:20,950 --> 00:38:17,040

privilege to be traveling to you know

1050

00:38:23,270 --> 00:38:20,960

over 30 cities in the last year

1051

00:38:25,910 --> 00:38:23,280

with the thrive movie and with solutions

1052

00:38:29,190 --> 00:38:25,920

uh workshops and so forth and everywhere

1053

00:38:31,750 --> 00:38:29,200

we go it's packed houses of people who

1054

00:38:33,270 --> 00:38:31,760

get it uh you know because they have you

1055

00:38:35,030 --> 00:38:33,280

know watched thrive or they've listened

1056

00:38:36,950 --> 00:38:35,040

to shows like yours you know other

1057

00:38:38,950 --> 00:38:36,960

independent sources of media and they're

1058

00:38:40,710 --> 00:38:38,960

doing their own thinking and they're

1059

00:38:42,790 --> 00:38:40,720

waking up and they've been going through

1060

00:38:44,950 --> 00:38:42,800

that challenge of

1061

00:38:47,030 --> 00:38:44,960

wow this is tough information i'm not

1062

00:38:48,550 --> 00:38:47,040

sure i want to know this but maybe i

1063

00:38:50,150 --> 00:38:48,560

should and they're talking with their

1064

00:38:51,990 --> 00:38:50,160

friends and then some of their friends

1065

00:38:53,349 --> 00:38:52,000

might you know start to reject them

1066

00:38:55,190 --> 00:38:53,359

because they're talking about stuff

1067

00:38:57,589 --> 00:38:55,200

that's been you know insulted and

1068

00:39:00,069 --> 00:38:57,599

demeaned in our in our culture so it's a

1069

00:39:02,069 --> 00:39:00,079

real challenge to wake up but we are

1070

00:39:03,510 --> 00:39:02,079

really heartened by the fact that

1071

00:39:04,630 --> 00:39:03,520

millions and millions of people are

1072

00:39:07,430 --> 00:39:04,640

waking up

1073

00:39:09,109 --> 00:39:07,440

across the planet and as they wake up

1074

00:39:11,109 --> 00:39:09,119

they want to take action

1075

00:39:14,790 --> 00:39:11,119

so that's where the the

1076

00:39:17,349 --> 00:39:14,800

uh the whole conspiracy movement

1077

00:39:19,990 --> 00:39:17,359

that you're so familiar with has really

1078

00:39:23,270 --> 00:39:20,000

uh kind of tilled the soil

1079

00:39:25,510 --> 00:39:23,280

so that the seeds of real solutions

1080

00:39:26,870 --> 00:39:25,520

could find fertile ground and then

1081

00:39:28,310 --> 00:39:26,880

really grow

1082

00:39:31,270 --> 00:39:28,320

and that's what what i'm going to be

1083

00:39:34,950 --> 00:39:31,280

talking about at the conspiracy con

1084

00:39:35,750 --> 00:39:34,960

is that the thrive movement is intended

1085

00:39:41,190 --> 00:39:35,760

to

1086

00:39:43,910 --> 00:39:41,200

conspiracy or conspiracies and so we're

1087

00:39:45,910 --> 00:39:43,920

literally looking to turn that turn the

1088

00:39:48,310 --> 00:39:45,920

conspiracy inside out the global

1089

00:39:51,430 --> 00:39:48,320

domination agenda and if you took a

1090

00:39:53,990 --> 00:39:51,440

glove if you took a left-handed glove

1091

00:39:56,470 --> 00:39:54,000

and you turned it inside out

1092

00:39:58,470 --> 00:39:56,480

you you'd look at it and you'd see a

1093

00:40:01,990 --> 00:39:58,480

right-handed glove yeah because it's

1094

00:40:04,630 --> 00:40:02,000

literally reversed itself and we're in a

1095

00:40:06,550 --> 00:40:04,640

sense doing the same thing because in my

1096

00:40:08,150 --> 00:40:06,560

decades of research i

1097

00:40:08,950 --> 00:40:08,160

came to realize

1098

00:40:10,470 --> 00:40:08,960

that

1099

00:40:13,030 --> 00:40:10,480

despite what people

1100

00:40:15,109 --> 00:40:13,040

think or want to believe uh the people

1101

00:40:17,910 --> 00:40:15,119

running the agenda are not stupid or

1102

00:40:20,550 --> 00:40:17,920

incompetent they are uh

1103

00:40:22,790 --> 00:40:20,560

very smart they're really shrewd they're

1104

00:40:25,430 --> 00:40:22,800

also really nasty but they're very

1105

00:40:27,510 --> 00:40:25,440

competent in trying to accomplish their

1106

00:40:29,589 --> 00:40:27,520

agenda what they're lacking is the

1107

00:40:32,310 --> 00:40:29,599

wisdom the heart the connection to the

1108

00:40:33,910 --> 00:40:32,320

life force the ability to love and tell

1109

00:40:36,150 --> 00:40:33,920

the truth and all that kind of stuff so

1110

00:40:38,550 --> 00:40:36,160

they're at a significant disadvantage

1111

00:40:40,310 --> 00:40:38,560

ultimately but interimly they've conned

1112

00:40:43,030 --> 00:40:40,320

the whole planet into giving them power

1113

00:40:44,870 --> 00:40:43,040

over money uh and military and media and

1114

00:40:47,270 --> 00:40:44,880

all the rest of it so they're in a

1115

00:40:49,510 --> 00:40:47,280

tremendous position of control and it's

1116

00:40:51,349 --> 00:40:49,520

well documented that they have set out

1117

00:40:54,069 --> 00:40:51,359

to to take over

1118

00:40:56,069 --> 00:40:54,079

all of the 12 sectors that we identify

1119

00:40:58,630 --> 00:40:56,079

and that's education and media and

1120

00:41:00,790 --> 00:40:58,640

science and arts and economics and

1121

00:41:01,670 --> 00:41:00,800

governance and though really the whole

1122

00:41:02,630 --> 00:41:01,680

picture

1123

00:41:05,589 --> 00:41:02,640

and they

1124

00:41:07,270 --> 00:41:05,599

they are almost done with that task so

1125

00:41:09,190 --> 00:41:07,280

what we're

1126

00:41:10,870 --> 00:41:09,200

wanting to offer through the thrive

1127

00:41:13,750 --> 00:41:10,880

movement and the just the tools and

1128

00:41:16,150 --> 00:41:13,760

information that we make available

1129

00:41:19,589 --> 00:41:16,160

is the opportunity to be just as

1130

00:41:22,390 --> 00:41:19,599

organized to really approach all 12

1131

00:41:23,990 --> 00:41:22,400

sectors but to approach it with the goal

1132

00:41:26,550 --> 00:41:24,000

of liberation

1133

00:41:28,790 --> 00:41:26,560

rather than domination and to align it

1134

00:41:31,190 --> 00:41:28,800

with the life force rather than go

1135

00:41:34,230 --> 00:41:31,200

against the life force and to have the

1136

00:41:37,109 --> 00:41:34,240

movement be really transparent rather

1137

00:41:40,390 --> 00:41:37,119

than secret society you know covert uh

1138

00:41:43,910 --> 00:41:40,400

hidden agendas and people are responding

1139

00:41:45,349 --> 00:41:43,920

so enthusiastically to that opportunity

1140

00:41:46,230 --> 00:41:45,359

and i'll say one more thing about that

1141

00:41:47,030 --> 00:41:46,240

which is

1142

00:41:49,750 --> 00:41:47,040

uh

1143

00:41:51,990 --> 00:41:49,760

it's not just an idea as we were making

1144

00:41:55,750 --> 00:41:52,000

thrive we had actually worked with

1145

00:41:57,670 --> 00:41:55,760

uh barbara mark's hubbard and a number

1146

00:41:59,990 --> 00:41:57,680

of other uh

1147

00:42:01,510 --> 00:42:00,000

organizations and uh kind of thought

1148

00:42:03,589 --> 00:42:01,520

leaders for

1149

00:42:05,990 --> 00:42:03,599

over a decade

1150

00:42:07,030 --> 00:42:06,000

in developing this 12 sector model

1151

00:42:13,030 --> 00:42:07,040

and

1152

00:42:14,790 --> 00:42:13,040

cruz in 2007 these planes started coming

1153

00:42:17,589 --> 00:42:14,800

out of monterey which is the neighboring

1154

00:42:21,349 --> 00:42:17,599

county uh and droning over our heads at

1155

00:42:23,670 --> 00:42:21,359

night and dropping unknown chemicals

1156

00:42:25,190 --> 00:42:23,680

over the entire county

1157

00:42:26,069 --> 00:42:25,200

and uh

1158

00:42:28,550 --> 00:42:26,079

they

1159

00:42:30,390 --> 00:42:28,560

announced in the news that you know this

1160

00:42:32,550 --> 00:42:30,400

was a very safe thing it was just a

1161

00:42:35,030 --> 00:42:32,560

synthetic pheromone you know it was a

1162

00:42:36,790 --> 00:42:35,040

scent just to confuse a certain moth

1163

00:42:38,870 --> 00:42:36,800

that was going to be devastating

1164

00:42:40,710 --> 00:42:38,880

california agriculture of course and it

1165

00:42:42,230 --> 00:42:40,720

was perfectly safe except we it would

1166

00:42:44,630 --> 00:42:42,240

probably be a good idea to stay indoors

1167

00:42:47,750 --> 00:42:44,640

include and close your

1168

00:42:50,630 --> 00:42:47,760

window wow uh so of course we got very

1169

00:42:52,790 --> 00:42:50,640

suspicious of this and uh babies started

1170

00:42:55,030 --> 00:42:52,800

getting sick and birds started uh

1171

00:42:57,910 --> 00:42:55,040

dropping out of the sky bees were dying

1172

00:42:59,910 --> 00:42:57,920

by the uh by the masses fish were

1173

00:43:01,670 --> 00:42:59,920

washing up on the shores of the streams

1174

00:43:03,990 --> 00:43:01,680

and the oceans nearby

1175

00:43:05,670 --> 00:43:04,000

so uh people were kind of running around

1176  
00:43:08,069 --> 00:43:05,680  
a lot of us were running around kind of

1177  
00:43:11,270 --> 00:43:08,079  
in a panic about this this whole thing

1178  
00:43:12,390 --> 00:43:11,280  
and it we weren't really being effective

1179  
00:43:14,150 --> 00:43:12,400  
so finally

1180  
00:43:15,670 --> 00:43:14,160  
kimberly bless her heart said why don't

1181  
00:43:17,750 --> 00:43:15,680  
we gather

1182  
00:43:19,750 --> 00:43:17,760  
some of the local activist leaders in

1183  
00:43:21,589 --> 00:43:19,760  
our living room and show them

1184  
00:43:23,910 --> 00:43:21,599  
uh this sector model and see if that

1185  
00:43:26,550 --> 00:43:23,920  
would help get organized so

1186  
00:43:28,309 --> 00:43:26,560  
a few few days later we had 30 people in

1187  
00:43:30,950 --> 00:43:28,319  
our living room we showed them this

1188  
00:43:32,790 --> 00:43:30,960

sector model and they loved it so three

1189

00:43:35,510 --> 00:43:32,800

nights after that we had a town hall

1190

00:43:38,069 --> 00:43:35,520

meeting in santa cruz where 300 people

1191

00:43:39,270 --> 00:43:38,079

showed up and uh we had some informative

1192

00:43:41,589 --> 00:43:39,280

lectures

1193

00:43:44,630 --> 00:43:41,599

from some experts on toxic sprays and so

1194

00:43:46,550 --> 00:43:44,640

forth and then we had 12 sign up tables

1195

00:43:47,990 --> 00:43:46,560

so the lawyers could go sign up if they

1196

00:43:49,589 --> 00:43:48,000

wanted to do something about this the

1197

00:43:51,750 --> 00:43:49,599

lawyers could sign up at the justice

1198

00:43:53,670 --> 00:43:51,760

table and the artists at the arts table

1199

00:43:55,270 --> 00:43:53,680

the media people you know reporters

1200

00:43:57,349 --> 00:43:55,280

investigators and so forth could sign up

1201  
00:43:59,829 --> 00:43:57,359  
at the the media table and we had

1202  
00:44:02,390 --> 00:43:59,839  
scientists and environmentalists uh and

1203  
00:44:04,790 --> 00:44:02,400  
so we formed teams and

1204  
00:44:06,150 --> 00:44:04,800  
uh i was on the economics team because

1205  
00:44:08,470 --> 00:44:06,160  
i've had a lot of experience of

1206  
00:44:11,270 --> 00:44:08,480  
following the money and

1207  
00:44:13,990 --> 00:44:11,280  
so anyway that day was when

1208  
00:44:17,270 --> 00:44:14,000  
random well-meaning but ineffective

1209  
00:44:20,950 --> 00:44:17,280  
activism turned into like a laser beam

1210  
00:44:22,790 --> 00:44:20,960  
of effectiveness and within a few weeks

1211  
00:44:24,790 --> 00:44:22,800  
i had followed the money back to the

1212  
00:44:27,670 --> 00:44:24,800  
source and unfortunately it was just

1213  
00:44:29,990 --> 00:44:27,680

what i suspected it was a a personal ear

1214

00:44:31,430 --> 00:44:30,000

mark from george bush junior

1215

00:44:33,910 --> 00:44:31,440

um to

1216

00:44:35,990 --> 00:44:33,920

appropriate up to a billion dollars from

1217

00:44:38,550 --> 00:44:36,000

homeland security run it through the

1218

00:44:41,349 --> 00:44:38,560

usda which is totally you know in bed

1219

00:44:43,670 --> 00:44:41,359

with monsanto and gets uh royalties on

1220

00:44:45,270 --> 00:44:43,680

gmo foods and so forth then that would

1221

00:44:46,790 --> 00:44:45,280

go through the california department of

1222

00:44:48,710 --> 00:44:46,800

food and agriculture and then they would

1223

00:44:51,270 --> 00:44:48,720

spray us with this stuff well the first

1224

00:44:54,790 --> 00:44:51,280

thing we did was uh we did a petition

1225

00:44:57,190 --> 00:44:54,800

and got governor schwarzenegger to

1226

00:44:59,750 --> 00:44:57,200

uh stop the spray uh

1227

00:45:01,750 --> 00:44:59,760

you know interimly and make them tell us

1228

00:45:02,630 --> 00:45:01,760

what was in it because they had refused

1229

00:45:03,829 --> 00:45:02,640

to

1230

00:45:06,069 --> 00:45:03,839

well it turned out there were 10

1231

00:45:07,190 --> 00:45:06,079

chemicals and six of them were toxic

1232

00:45:12,390 --> 00:45:07,200

there were

1233

00:45:13,990 --> 00:45:12,400

mutagens which alter your genes uh and

1234

00:45:16,390 --> 00:45:14,000

there were endocrine disruptors which

1235

00:45:18,470 --> 00:45:16,400

can render you infertile so it's exactly

1236

00:45:20,870 --> 00:45:18,480

the kind of dumbing down making sick

1237

00:45:22,870 --> 00:45:20,880

depopulation agenda that i had been

1238

00:45:24,630 --> 00:45:22,880

really afraid of but not you know

1239

00:45:25,910 --> 00:45:24,640

willing to speak publicly about because

1240

00:45:26,710 --> 00:45:25,920

people hadn't seen thrive and most

1241

00:45:29,270 --> 00:45:26,720

people would have thought i was

1242

00:45:31,829 --> 00:45:29,280

completely nuts anyway the long and

1243

00:45:33,670 --> 00:45:31,839

short of it is that our scientists went

1244

00:45:35,430 --> 00:45:33,680

to new zealand where they had a previous

1245

00:45:37,589 --> 00:45:35,440

incident environmentalists started

1246

00:45:39,510 --> 00:45:37,599

collecting data the doctors were were

1247

00:45:41,589 --> 00:45:39,520

checking out people's health issues and

1248

00:45:44,150 --> 00:45:41,599

so forth and

1249

00:45:45,430 --> 00:45:44,160

um the mothers got involved in in

1250

00:45:47,270 --> 00:45:45,440

protests and

1251

00:45:49,670 --> 00:45:47,280

we had a protest that took over the

1252

00:45:50,550 --> 00:45:49,680

golden gate bridge one day

1253

00:45:53,589 --> 00:45:50,560

and

1254

00:45:55,910 --> 00:45:53,599

uh within six months

1255

00:45:57,990 --> 00:45:55,920

we had entirely stopped the program we

1256

00:45:59,589 --> 00:45:58,000

had won one lawsuit and another big one

1257

00:46:00,470 --> 00:45:59,599

was pending

1258

00:46:02,550 --> 00:46:00,480

and

1259

00:46:04,390 --> 00:46:02,560

uh at that time schwarzenegger pulled

1260

00:46:06,790 --> 00:46:04,400

out his support for the

1261

00:46:09,109 --> 00:46:06,800

uh for the spraying plan and uh and

1262

00:46:10,550 --> 00:46:09,119

ultimately they declared a moratorium on

1263

00:46:12,710 --> 00:46:10,560

the spring and

1264

00:46:14,870 --> 00:46:12,720

a billion dollar program direct from the

1265

00:46:17,430 --> 00:46:14,880

president and homeland security was

1266

00:46:19,109 --> 00:46:17,440

stopped with volunteer activity and

1267

00:46:22,550 --> 00:46:19,119

probably about thirty to forty thousand

1268

00:46:26,230 --> 00:46:22,560

dollars uh in funding so it's a really

1269

00:46:29,430 --> 00:46:26,240

clear example of how

1270

00:46:32,470 --> 00:46:29,440

important it is for us to be organized

1271

00:46:35,270 --> 00:46:32,480

in fact our kind of uh main trophy for

1272

00:46:37,270 --> 00:46:35,280

this besides you know clean skies

1273

00:46:39,349 --> 00:46:37,280

uh was that we through a freedom of

1274

00:46:42,790 --> 00:46:39,359

information act request we got some

1275

00:46:44,630 --> 00:46:42,800

internal emails from the cdfa and one of

1276

00:46:46,550 --> 00:46:44,640

them said

1277

00:46:48,550 --> 00:46:46,560

you know we're kind of shocked we were

1278

00:46:50,550 --> 00:46:48,560

expecting some resistance from santa

1279

00:46:52,150 --> 00:46:50,560

cruz but we had no idea they'd be so

1280

00:46:54,870 --> 00:46:52,160

well organized

1281

00:46:57,349 --> 00:46:54,880

wow so that's the same uh strategy now

1282

00:46:59,109 --> 00:46:57,359

that we're looking to teach to you know

1283

00:47:01,349 --> 00:46:59,119

budding solution areas all over the

1284

00:47:03,190 --> 00:47:01,359

world and probably

1285

00:47:06,309 --> 00:47:03,200

in late summer or early fall we're going

1286

00:47:08,630 --> 00:47:06,319

to be launching a global campaign

1287

00:47:10,550 --> 00:47:08,640

to teach people over the internet how to

1288

00:47:12,630 --> 00:47:10,560

use this model and we're going to use

1289

00:47:14,390 --> 00:47:12,640

chemtrails as the example because

1290

00:47:16,470 --> 00:47:14,400

basically chemtrails is the same issue

1291

00:47:19,109 --> 00:47:16,480

it's got the same sort of toxins in it

1292

00:47:21,270 --> 00:47:19,119

but instead of being done over you know

1293

00:47:23,109 --> 00:47:21,280

11 counties and 7 million people in

1294

00:47:26,069 --> 00:47:23,119

northern california it's being done

1295

00:47:27,990 --> 00:47:26,079

around the entire globe from 30 000 feet

1296

00:47:30,710 --> 00:47:28,000

instead of you know a thousand feet but

1297

00:47:32,950 --> 00:47:30,720

it's really the the same type of agenda

1298

00:47:35,670 --> 00:47:32,960

and we can stop that issue in that same

1299

00:47:39,670 --> 00:47:35,680

way but more importantly these types of

1300

00:47:42,309 --> 00:47:39,680

strategies can be used uh in any issue

1301

00:47:44,550 --> 00:47:42,319

and on our solutions hub

1302

00:47:48,069 --> 00:47:44,560

which we launched on our website uh over

1303

00:47:49,829 --> 00:47:48,079

six months ago there are now over 750

1304

00:47:52,710 --> 00:47:49,839

groups have signed up

1305

00:47:56,710 --> 00:47:52,720

uh from around the world and uh they're

1306

00:48:00,390 --> 00:47:56,720

working on over 120 different issues

1307

00:48:02,230 --> 00:48:00,400

and uh in 90 different countries and now

1308

00:48:04,309 --> 00:48:02,240

through our website they're beginning to

1309

00:48:05,829 --> 00:48:04,319

connect with each other and share best

1310

00:48:08,390 --> 00:48:05,839

practices so if somebody's done a

1311

00:48:10,150 --> 00:48:08,400

lawsuit they can share that paperwork if

1312

00:48:12,150 --> 00:48:10,160

somebody's done a petition or they've

1313

00:48:13,990 --> 00:48:12,160

got flyers or artwork or health

1314

00:48:15,910 --> 00:48:14,000

information or whatever everybody

1315

00:48:17,910 --> 00:48:15,920

doesn't have to be recreating the same

1316

00:48:20,230 --> 00:48:17,920

wheel people can just learn from each

1317

00:48:21,430 --> 00:48:20,240

other and then also tie together through

1318

00:48:23,589 --> 00:48:21,440

all of these

1319

00:48:25,030 --> 00:48:23,599

sectors throughout the world

1320

00:48:27,349 --> 00:48:25,040

wow man yeah i mean that's pretty

1321

00:48:29,990 --> 00:48:27,359

inspiring that story uh you and you make

1322

00:48:33,430 --> 00:48:30,000

some excellent points you know on on one

1323

00:48:35,270 --> 00:48:33,440

hand i get super frustrated that

1324

00:48:37,270 --> 00:48:35,280

we're being manipulated meanwhile we're

1325

00:48:38,870 --> 00:48:37,280

having a debate if it's even going on

1326

00:48:41,430 --> 00:48:38,880

but then on the other hand you can get

1327

00:48:43,270 --> 00:48:41,440

lost in just analyzing the manipulation

1328

00:48:44,950 --> 00:48:43,280

and just identifying it at deeper and

1329

00:48:46,549 --> 00:48:44,960

deeper levels and

1330

00:48:48,870 --> 00:48:46,559

you know like you said that's not really

1331

00:48:49,990 --> 00:48:48,880

getting anyone anywhere either so it was

1332

00:48:51,910 --> 00:48:50,000

really important to turn it into

1333

00:48:54,470 --> 00:48:51,920

something solutions based

1334

00:48:56,790 --> 00:48:54,480

which you know the thrive movement seems

1335

00:48:58,470 --> 00:48:56,800

to be the way to go i mean i know when i

1336

00:49:00,390 --> 00:48:58,480

was involved in the occupy movement they

1337

00:49:02,950 --> 00:49:00,400

had a similar setup in terms of

1338

00:49:05,109 --> 00:49:02,960

different groups you know media law

1339

00:49:06,790 --> 00:49:05,119

outreach and

1340

00:49:09,270 --> 00:49:06,800

the problem there is that it just seemed

1341

00:49:11,190 --> 00:49:09,280

paralyzed by a lack of leadership

1342

00:49:13,109 --> 00:49:11,200

because everyone is so used to being

1343

00:49:14,870 --> 00:49:13,119

told what to do here's a bunch of

1344

00:49:15,990 --> 00:49:14,880

willing people standing around saying if

1345

00:49:18,549 --> 00:49:16,000

someone would just tell me what to do

1346

00:49:20,549 --> 00:49:18,559

i'll go do it but uh you know it's just

1347

00:49:22,230 --> 00:49:20,559

paralyzed by an action

1348

00:49:25,430 --> 00:49:22,240

and of course one of the things one of

1349

00:49:29,510 --> 00:49:25,440

the approaches that we're taking is uh

1350

00:49:31,829 --> 00:49:29,520

not to try to to create and grow and

1351  
00:49:33,349 --> 00:49:31,839  
manage some big global organization

1352  
00:49:35,829 --> 00:49:33,359  
that's centrally controlled that's

1353  
00:49:36,950 --> 00:49:35,839  
exactly you know the one of the major

1354  
00:49:39,030 --> 00:49:36,960  
problems right

1355  
00:49:40,230 --> 00:49:39,040  
so from from the get-go we have wanted

1356  
00:49:43,510 --> 00:49:40,240  
to

1357  
00:49:45,589 --> 00:49:43,520  
empower self-creating movements so we're

1358  
00:49:48,790 --> 00:49:45,599  
not out there telling anybody what to do

1359  
00:49:50,870 --> 00:49:48,800  
and if people want to join uh into our

1360  
00:49:54,470 --> 00:49:50,880  
network they only need to agree to two

1361  
00:49:57,109 --> 00:49:54,480  
things one is if they're using sectors

1362  
00:49:59,510 --> 00:49:57,119  
we we ask that they use the same sector

1363  
00:50:02,790 --> 00:49:59,520

names because that allows us to

1364

00:50:05,030 --> 00:50:02,800

coordinate very powerfully uh worldwide

1365

00:50:07,589 --> 00:50:05,040

and secondly that their solutions not

1366

00:50:09,990 --> 00:50:07,599

include any violations

1367

00:50:12,630 --> 00:50:10,000

uh so that it it's not a matter of

1368

00:50:15,190 --> 00:50:12,640

creating some new tax or going out with

1369

00:50:17,510 --> 00:50:15,200

you know a a militia to force people to

1370

00:50:20,230 --> 00:50:17,520

do something you know using force to

1371

00:50:21,829 --> 00:50:20,240

protect uh individual rights might be

1372

00:50:24,309 --> 00:50:21,839

necessary at

1373

00:50:26,630 --> 00:50:24,319

points and i i totally support that if

1374

00:50:28,790 --> 00:50:26,640

it's needed but using force to tell

1375

00:50:31,829 --> 00:50:28,800

anyone what to do or to take their money

1376

00:50:34,470 --> 00:50:31,839

against their will is absolutely uh the

1377

00:50:36,790 --> 00:50:34,480

problem that's taken our civilization to

1378

00:50:38,470 --> 00:50:36,800

the brink of total self-destruction so i

1379

00:50:39,589 --> 00:50:38,480

encourage people if you're interested go

1380

00:50:40,349 --> 00:50:39,599

browse

1381

00:50:41,990 --> 00:50:40,359

go to

1382

00:50:44,950 --> 00:50:42,000

thrivemovement.com

1383

00:50:46,390 --> 00:50:44,960

and then go to the get involved section

1384

00:50:47,829 --> 00:50:46,400

and you'll see

1385

00:50:50,309 --> 00:50:47,839

in that section there's something called

1386

00:50:53,430 --> 00:50:50,319

engage in solutions and when you go to

1387

00:50:55,430 --> 00:50:53,440

that page you'll be able to

1388

00:50:57,670 --> 00:50:55,440

to see the different groups from all

1389

00:51:00,710 --> 00:50:57,680

over the world you can search by zip

1390

00:51:02,309 --> 00:51:00,720

code or by sector or by issue and find

1391

00:51:04,390 --> 00:51:02,319

the people who are already working on

1392

00:51:05,750 --> 00:51:04,400

what you want to work on and then see do

1393

00:51:07,589 --> 00:51:05,760

you want to learn from them do you have

1394

00:51:09,190 --> 00:51:07,599

things to share with them do you want to

1395

00:51:11,270 --> 00:51:09,200

join one of those groups do you want to

1396

00:51:14,549 --> 00:51:11,280

start your own group

1397

00:51:17,109 --> 00:51:14,559

it's really about empowering people to

1398

00:51:18,390 --> 00:51:17,119

self-create not telling anyone what to

1399

00:51:20,230 --> 00:51:18,400

do

1400

00:51:22,069 --> 00:51:20,240

that's awesome i mean i love that

1401  
00:51:24,150 --> 00:51:22,079  
approach i mean and it's something i've

1402  
00:51:25,589 --> 00:51:24,160  
considered doing and if we could build

1403  
00:51:27,589 --> 00:51:25,599  
free energy devices it would be a lot

1404  
00:51:29,589 --> 00:51:27,599  
easier but have you ever considered look

1405  
00:51:31,510 --> 00:51:29,599  
saying you know look i'm not getting any

1406  
00:51:33,430 --> 00:51:31,520  
younger the system is too established

1407  
00:51:34,950 --> 00:51:33,440  
and powerful to overcome quickly so

1408  
00:51:36,790 --> 00:51:34,960  
we're going to buy a big plot of land

1409  
00:51:37,990 --> 00:51:36,800  
and some tropical place without much of

1410  
00:51:40,069 --> 00:51:38,000  
a government we're going to build some

1411  
00:51:41,990 --> 00:51:40,079  
free energy devices and organic gardens

1412  
00:51:43,910 --> 00:51:42,000  
and build a perfect free society and

1413  
00:51:45,990 --> 00:51:43,920

then just invite more people until it

1414

00:51:47,190 --> 00:51:46,000

expands to a size that can't be shut

1415

00:51:48,549 --> 00:51:47,200

down

1416

00:51:51,670 --> 00:51:48,559

have you ever considered something like

1417

00:51:54,069 --> 00:51:51,680

that no absolutely um it's uh i think

1418

00:51:55,030 --> 00:51:54,079

it's a great idea because it starts

1419

00:51:56,549 --> 00:51:55,040

building

1420

00:51:57,910 --> 00:51:56,559

the communities

1421

00:52:00,870 --> 00:51:57,920

and the

1422

00:52:03,430 --> 00:52:00,880

the the

1423

00:52:06,150 --> 00:52:03,440

uh alternative whole systems approaches

1424

00:52:07,829 --> 00:52:06,160

to energy and to community and to food

1425

00:52:10,470 --> 00:52:07,839

and all that kind of stuff it's an

1426  
00:52:13,750 --> 00:52:10,480  
embodiment of the kinds of approaches

1427  
00:52:15,910 --> 00:52:13,760  
that we need to have already functioning

1428  
00:52:17,670 --> 00:52:15,920  
and growing when the old systems

1429  
00:52:18,790 --> 00:52:17,680  
collapse because the old systems are

1430  
00:52:20,630 --> 00:52:18,800  
collapsing

1431  
00:52:23,270 --> 00:52:20,640  
very dramatically

1432  
00:52:24,950 --> 00:52:23,280  
and it's not just incompetence they the

1433  
00:52:27,270 --> 00:52:24,960  
powers that be as far as i can tell they

1434  
00:52:29,270 --> 00:52:27,280  
want the economy to collapse uh they

1435  
00:52:30,630 --> 00:52:29,280  
want the food systems to collapse you

1436  
00:52:32,230 --> 00:52:30,640  
know they would they want the

1437  
00:52:34,309 --> 00:52:32,240  
independence of the internet to collapse

1438  
00:52:36,069 --> 00:52:34,319

and so forth so

1439

00:52:37,750 --> 00:52:36,079

i i'm not under the illusion that

1440

00:52:40,630 --> 00:52:37,760

there's anywhere in the world where you

1441

00:52:42,710 --> 00:52:40,640

can really go and hide a very large

1442

00:52:45,270 --> 00:52:42,720

community that is running on free energy

1443

00:52:47,190 --> 00:52:45,280

and and liberty principles

1444

00:52:49,589 --> 00:52:47,200

but at the same time

1445

00:52:52,069 --> 00:52:49,599

this is the right time to be creating

1446

00:52:53,750 --> 00:52:52,079

them and i think that very soon there

1447

00:52:56,790 --> 00:52:53,760

will be so many of them that they can't

1448

00:52:58,470 --> 00:52:56,800

be shut down and the old powers are

1449

00:53:02,069 --> 00:52:58,480

losing their power

1450

00:53:02,950 --> 00:53:02,079

so that i you know the the western uh

1451

00:53:05,349 --> 00:53:02,960

uh

1452

00:53:08,710 --> 00:53:05,359

banking cabal that's been running this

1453

00:53:12,150 --> 00:53:08,720

fiat you know federal reserve uh system

1454

00:53:13,829 --> 00:53:12,160

uh is crumbling as we speak either their

1455

00:53:18,710 --> 00:53:13,839

banks are hundreds of trillions of

1456

00:53:21,349 --> 00:53:18,720

dollars in debt um and they uh

1457

00:53:22,870 --> 00:53:21,359

they're in in debt uh to

1458

00:53:25,109 --> 00:53:22,880

not only

1459

00:53:27,990 --> 00:53:25,119

um other

1460

00:53:29,750 --> 00:53:28,000

corporations individuals and all of that

1461

00:53:31,589 --> 00:53:29,760

but also to

1462

00:53:34,230 --> 00:53:31,599

asian countries who've been loaning most

1463

00:53:37,510 --> 00:53:34,240

of the money to make that possible and

1464

00:53:40,870 --> 00:53:37,520

are continuing to on an ongoing basis so

1465

00:53:44,069 --> 00:53:40,880

fortunately my sources tell me that

1466

00:53:47,670 --> 00:53:44,079

there are very large and well-funded

1467

00:53:50,790 --> 00:53:47,680

groups in china and japan and indonesia

1468

00:53:53,670 --> 00:53:50,800

the philippines and so forth who are

1469

00:53:56,950 --> 00:53:53,680

coming closer and closer to

1470

00:53:59,910 --> 00:53:56,960

sharing some vast wealth with the world

1471

00:54:01,589 --> 00:53:59,920

in very humanitarian ways and using the

1472

00:54:03,670 --> 00:54:01,599

leverage that they've got through the

1473

00:54:05,670 --> 00:54:03,680

gold that they own through the the

1474

00:54:08,309 --> 00:54:05,680

nuclear weapons that they have and the

1475

00:54:10,470 --> 00:54:08,319

you know the million man armies to to

1476

00:54:12,790 --> 00:54:10,480

protect themselves from the

1477

00:54:14,309 --> 00:54:12,800

scourge of the kind of imperialist

1478

00:54:18,230 --> 00:54:14,319

invasions that have been going on over

1479

00:54:20,150 --> 00:54:18,240

the you know the last 50 years um

1480

00:54:23,910 --> 00:54:20,160

and they are

1481

00:54:25,030 --> 00:54:23,920

interested i'm being told in on not only

1482

00:54:28,069 --> 00:54:25,040

converting

1483

00:54:29,910 --> 00:54:28,079

the world to asset-backed economies

1484

00:54:31,670 --> 00:54:29,920

which are going to be way better than

1485

00:54:34,069 --> 00:54:31,680

these fiat currencies which put all the

1486

00:54:37,030 --> 00:54:34,079

power in the hands of a few but they're

1487

00:54:40,390 --> 00:54:37,040

also interested in using their wealth

1488

00:54:42,069 --> 00:54:40,400

to fund uh the best humanitarian

1489

00:54:44,790 --> 00:54:42,079

projects that they can find around the

1490

00:54:45,670 --> 00:54:44,800

planet now i've been hearing this from

1491

00:54:51,109 --> 00:54:45,680

uh

1492

00:54:53,670 --> 00:54:51,119

private sources for quite a while and

1493

00:54:55,750 --> 00:54:53,680

now i'm beginning to see things come out

1494

00:54:58,950 --> 00:54:55,760

even in the public media

1495

00:55:01,270 --> 00:54:58,960

that are showing evidence of this

1496

00:55:04,150 --> 00:55:01,280

there's a woman who used to be a general

1497

00:55:06,950 --> 00:55:04,160

counsel to the world bank a woman named

1498

00:55:08,390 --> 00:55:06,960

karen judes who just came out a few days

1499

00:55:09,670 --> 00:55:08,400

ago um

1500

00:55:11,750 --> 00:55:09,680

uh

1501  
00:55:13,109 --> 00:55:11,760  
announcing this that there are banks all

1502  
00:55:15,829 --> 00:55:13,119  
over the world that are already in the

1503  
00:55:18,150 --> 00:55:15,839  
process of converting to

1504  
00:55:21,030 --> 00:55:18,160  
uh not only using precious metals as

1505  
00:55:24,710 --> 00:55:21,040  
currency but using them as the backing

1506  
00:55:26,150 --> 00:55:24,720  
of a paper currency and i think this is

1507  
00:55:27,829 --> 00:55:26,160  
getting to the level now where it's

1508  
00:55:29,670 --> 00:55:27,839  
unstoppable so this is going to be a

1509  
00:55:31,750 --> 00:55:29,680  
dynamic transition

1510  
00:55:33,910 --> 00:55:31,760  
um but just what you said i think the

1511  
00:55:35,349 --> 00:55:33,920  
more people are building their own

1512  
00:55:37,589 --> 00:55:35,359  
community just like the free state

1513  
00:55:39,829 --> 00:55:37,599

project in new hampshire and gold's

1514

00:55:41,829 --> 00:55:39,839

gulch down in chile and now you know

1515

00:55:45,030 --> 00:55:41,839

there's they're emerging all over the

1516

00:55:47,190 --> 00:55:45,040

place and these are the seeds of

1517

00:55:49,510 --> 00:55:47,200

the culture literally of thrive the

1518

00:55:50,950 --> 00:55:49,520

thriving cultures of the future based on

1519

00:55:52,309 --> 00:55:50,960

the principles of integrity and

1520

00:55:54,549 --> 00:55:52,319

wholeness

1521

00:55:55,910 --> 00:55:54,559

yeah let's on the subject of banking

1522

00:55:57,430 --> 00:55:55,920

because that's something that's a huge

1523

00:55:59,109 --> 00:55:57,440

huge thing for me i mean the venus

1524

00:56:00,789 --> 00:55:59,119

project and the zeitgeist movements that

1525

00:56:02,710 --> 00:56:00,799

pretty much convinced me that to really

1526

00:56:05,030 --> 00:56:02,720

weed out greed corruption and power

1527

00:56:07,030 --> 00:56:05,040

struggles we have to overcome any

1528

00:56:08,470 --> 00:56:07,040

monetary system which of course has its

1529

00:56:09,349 --> 00:56:08,480

own challenges but

1530

00:56:10,789 --> 00:56:09,359

uh

1531

00:56:12,549 --> 00:56:10,799

and of course you want to do away with a

1532

00:56:15,510 --> 00:56:12,559

fractional reserve system but in your

1533

00:56:17,190 --> 00:56:15,520

perfect world how is a monetary system

1534

00:56:20,230 --> 00:56:17,200

being used i mean how can you protect

1535

00:56:22,950 --> 00:56:20,240

its integrity in the long run

1536

00:56:23,990 --> 00:56:22,960

well it's a really important point um

1537

00:56:28,789 --> 00:56:24,000

and

1538

00:56:30,549 --> 00:56:28,799

some of the other people from the

1539

00:56:32,789 --> 00:56:30,559

zeitgeist movement because

1540

00:56:33,750 --> 00:56:32,799

i i really admire so much of what

1541

00:56:35,589 --> 00:56:33,760

they've done

1542

00:56:38,230 --> 00:56:35,599

it's just been a huge wake-up call to

1543

00:56:40,870 --> 00:56:38,240

the planet the that series of of movies

1544

00:56:43,510 --> 00:56:40,880

uh and the movement uh it turns out that

1545

00:56:45,430 --> 00:56:43,520

this is one area they uh getting rid of

1546

00:56:47,670 --> 00:56:45,440

money that i am not in alignment with

1547

00:56:48,630 --> 00:56:47,680

their uh approach

1548

00:56:51,750 --> 00:56:48,640

because

1549

00:56:55,030 --> 00:56:51,760

i think that the the problem is not

1550

00:56:57,510 --> 00:56:55,040

money the problem is dishonest money

1551  
00:57:00,150 --> 00:56:57,520  
and i you know i've invited some of them

1552  
00:57:02,150 --> 00:57:00,160  
who whom i've talked to recently to just

1553  
00:57:04,230 --> 00:57:02,160  
start using no money anytime they want

1554  
00:57:06,630 --> 00:57:04,240  
and see how it goes right

1555  
00:57:09,670 --> 00:57:06,640  
so if you need a

1556  
00:57:11,670 --> 00:57:09,680  
uh a program for your computer

1557  
00:57:13,990 --> 00:57:11,680  
uh or a new computer

1558  
00:57:16,069 --> 00:57:14,000  
and you're living in the the fields of

1559  
00:57:17,829 --> 00:57:16,079  
kansas and you what you've got is a lot

1560  
00:57:21,030 --> 00:57:17,839  
of corn and cows

1561  
00:57:22,789 --> 00:57:21,040  
uh and you try to affect that trade with

1562  
00:57:24,390 --> 00:57:22,799  
someone from somewhere else on the

1563  
00:57:26,870 --> 00:57:24,400

planet who happens to have made just the

1564

00:57:29,109 --> 00:57:26,880

program or the hardware that you need

1565

00:57:31,349 --> 00:57:29,119

uh good luck you know in accomplishing

1566

00:57:33,430 --> 00:57:31,359

that there's a lot of inconveniences and

1567

00:57:36,069 --> 00:57:33,440

i we don't want to throw the baby out

1568

00:57:39,829 --> 00:57:36,079

with the bath water the a real uh an

1569

00:57:41,270 --> 00:57:39,839

honest monetary system is genuinely a an

1570

00:57:43,750 --> 00:57:41,280

honest

1571

00:57:46,710 --> 00:57:43,760

medium of exchange so instead of having

1572

00:57:49,750 --> 00:57:46,720

to trade cows for software programs you

1573

00:57:51,510 --> 00:57:49,760

can actually trade

1574

00:57:53,829 --> 00:57:51,520

you know some sort of currency or you

1575

00:57:55,430 --> 00:57:53,839

can trade some sort of credits or you

1576  
00:57:57,510 --> 00:57:55,440  
can trade bitcoins or whatever you want

1577  
00:57:59,750 --> 00:57:57,520  
to call it you can you know trade puka

1578  
00:58:02,069 --> 00:57:59,760  
shells but at least you've got some sort

1579  
00:58:03,510 --> 00:58:02,079  
of medium that's mutually recognized

1580  
00:58:04,630 --> 00:58:03,520  
that makes it a heck of a lot more

1581  
00:58:06,549 --> 00:58:04,640  
convenient

1582  
00:58:09,750 --> 00:58:06,559  
so what i asked the people from the

1583  
00:58:12,870 --> 00:58:09,760  
zeitgeist movement is

1584  
00:58:16,150 --> 00:58:12,880  
this whole notion of moving beyond money

1585  
00:58:18,390 --> 00:58:16,160  
is it voluntary or mandatory because if

1586  
00:58:19,829 --> 00:58:18,400  
it's mandatory and i have real concerns

1587  
00:58:22,230 --> 00:58:19,839  
about that because they talk about these

1588  
00:58:23,589 --> 00:58:22,240

re-education camps and and so forth well

1589

00:58:25,750 --> 00:58:23,599

you know that's what the nazis talked

1590

00:58:27,829 --> 00:58:25,760

about that's what the u.s government did

1591

00:58:30,950 --> 00:58:27,839

to the japanese and so forth that's

1592

00:58:32,789 --> 00:58:30,960

scary stuff to to me and fortunately

1593

00:58:35,349 --> 00:58:32,799

they have assured me some of them

1594

00:58:37,430 --> 00:58:35,359

recently that know all of that and the

1595

00:58:39,510 --> 00:58:37,440

you know circular city planning and all

1596

00:58:41,109 --> 00:58:39,520

that stuff that would all be voluntary

1597

00:58:43,670 --> 00:58:41,119

it would just be the technical

1598

00:58:46,069 --> 00:58:43,680

facilitation of progress and i said

1599

00:58:49,349 --> 00:58:46,079

great then i'm all for it but the key

1600

00:58:51,349 --> 00:58:49,359

word for me always is voluntary

1601  
00:58:52,870 --> 00:58:51,359  
if if somebody's trying to make me do

1602  
00:58:55,270 --> 00:58:52,880  
something other than stop hurting

1603  
00:58:57,109 --> 00:58:55,280  
someone else or or taking their stuff

1604  
00:58:58,470 --> 00:58:57,119  
then we've got the seeds of tyranny

1605  
00:59:02,789 --> 00:58:58,480  
which have led us to the brink of

1606  
00:59:05,430 --> 00:59:02,799  
destruction so i'm i'm excited about

1607  
00:59:07,589 --> 00:59:05,440  
coordinating with movements like

1608  
00:59:09,030 --> 00:59:07,599  
the thrive movement because obviously

1609  
00:59:11,270 --> 00:59:09,040  
there's tremendous potential for

1610  
00:59:13,349 --> 00:59:11,280  
organization in the alignment of

1611  
00:59:15,349 --> 00:59:13,359  
pre-existing groups so one of the things

1612  
00:59:16,069 --> 00:59:15,359  
we're working on with the solutions hub

1613  
00:59:18,549 --> 00:59:16,079

is

1614

00:59:21,589 --> 00:59:18,559

developing the protocol where groups can

1615

00:59:24,230 --> 00:59:21,599

interact uh and share information

1616

00:59:27,270 --> 00:59:24,240

without ever having to give up their own

1617

00:59:28,870 --> 00:59:27,280

moral philosophy or the trust of their

1618

00:59:29,990 --> 00:59:28,880

own uh

1619

00:59:32,390 --> 00:59:30,000

internet

1620

00:59:34,630 --> 00:59:32,400

network because anyone who has a large

1621

00:59:37,510 --> 00:59:34,640

following has developed that because

1622

00:59:40,069 --> 00:59:37,520

people are aligned with their philosophy

1623

00:59:42,150 --> 00:59:40,079

and they trust their behavior so nobody

1624

00:59:44,230 --> 00:59:42,160

wants to give that up

1625

00:59:46,069 --> 00:59:44,240

and so you don't want to be forced to

1626  
00:59:47,829 --> 00:59:46,079  
share information that you don't believe

1627  
00:59:49,589 --> 00:59:47,839  
in so one of the things that we're doing

1628  
00:59:52,950 --> 00:59:49,599  
is encouraging groups

1629  
00:59:55,510 --> 00:59:52,960  
to coordinate in networks but then have

1630  
00:59:58,309 --> 00:59:55,520  
the coordinators of the groups be able

1631  
01:00:01,190 --> 00:59:58,319  
to gate any particular information that

1632  
01:00:02,710 --> 01:00:01,200  
gets sent out so if if somebody sends me

1633  
01:00:04,630 --> 01:00:02,720  
something about they've got this

1634  
01:00:06,549 --> 01:00:04,640  
wonderful idea for a solution and all

1635  
01:00:08,390 --> 01:00:06,559  
it'll take is another you know trillion

1636  
01:00:10,549 --> 01:00:08,400  
dollars in taxes that's now going to be

1637  
01:00:12,470 --> 01:00:10,559  
laid on the backs involuntarily of the

1638  
01:00:14,069 --> 01:00:12,480

people well i don't have any interest in

1639

01:00:15,990 --> 01:00:14,079

sending that out to my group and i would

1640

01:00:18,069 --> 01:00:16,000

let them know that but that doesn't mean

1641

01:00:21,030 --> 01:00:18,079

that i couldn't coordinate with them

1642

01:00:22,789 --> 01:00:21,040

on other projects in our three-stage

1643

01:00:24,390 --> 01:00:22,799

solution strategy that we lay out

1644

01:00:26,870 --> 01:00:24,400

briefly in the movie but in much more

1645

01:00:28,630 --> 01:00:26,880

depth on the website

1646

01:00:29,829 --> 01:00:28,640

there are really three tracks and the

1647

01:00:31,670 --> 01:00:29,839

first track

1648

01:00:33,829 --> 01:00:31,680

honors the best of the progressive

1649

01:00:35,829 --> 01:00:33,839

movement which is basically using other

1650

01:00:37,190 --> 01:00:35,839

people's money to be compassionate you

1651  
01:00:39,750 --> 01:00:37,200  
know to take care of people who've been

1652  
01:00:42,309 --> 01:00:39,760  
most uh screwed over by the system and

1653  
01:00:45,030 --> 01:00:42,319  
to provide subsidies to go back to

1654  
01:00:47,190 --> 01:00:45,040  
organic uh farming and to

1655  
01:00:49,109 --> 01:00:47,200  
uh you know to provide health care to

1656  
01:00:51,190 --> 01:00:49,119  
those who are so damaged that they are

1657  
01:00:53,109 --> 01:00:51,200  
not uh in a place of prosperity where

1658  
01:00:55,670 --> 01:00:53,119  
they can afford it but that's all a

1659  
01:00:58,630 --> 01:00:55,680  
transition stage and the money doesn't

1660  
01:01:01,510 --> 01:00:58,640  
come from creating new theft from of

1661  
01:01:04,789 --> 01:01:01,520  
people's wages it comes from money that

1662  
01:01:07,670 --> 01:01:04,799  
is now being spent on waging war and i

1663  
01:01:10,230 --> 01:01:07,680

you know paying uh unnecessary interest

1664

01:01:12,950 --> 01:01:10,240

to a corrupt federal reserve there's

1665

01:01:14,630 --> 01:01:12,960

enough money in doing just the reduction

1666

01:01:20,390 --> 01:01:14,640

of those two things

1667

01:01:23,750 --> 01:01:20,400

to not only restore uh health prosperity

1668

01:01:26,230 --> 01:01:23,760

uh and the the environment in the united

1669

01:01:29,829 --> 01:01:26,240

states but literally all over the world

1670

01:01:32,710 --> 01:01:29,839

so that's phase one meanwhile phase two

1671

01:01:34,789 --> 01:01:32,720

or track two is already in process and

1672

01:01:37,829 --> 01:01:34,799

that's the shrinking down

1673

01:01:39,910 --> 01:01:37,839

of this involuntary government to just

1674

01:01:41,829 --> 01:01:39,920

the protection of human rights and the

1675

01:01:44,390 --> 01:01:41,839

commons so the government isn't out

1676

01:01:47,270 --> 01:01:44,400

there telling you what you have to do

1677

01:01:49,589 --> 01:01:47,280

uh their only role is to protect you

1678

01:01:52,069 --> 01:01:49,599

from being violated and to protect the

1679

01:01:54,230 --> 01:01:52,079

wholeness of ecosystems in the same way

1680

01:01:56,789 --> 01:01:54,240

and then finally i believe that there

1681

01:01:59,109 --> 01:01:56,799

will be so much success and prosperity

1682

01:02:02,230 --> 01:01:59,119

and security and and freedom

1683

01:02:04,309 --> 01:02:02,240

as those two phases are going along that

1684

01:02:05,950 --> 01:02:04,319

people will finally realize that there

1685

01:02:08,549 --> 01:02:05,960

are independent

1686

01:02:09,990 --> 01:02:08,559

non-authoritarian ways to solve all of

1687

01:02:12,069 --> 01:02:10,000

these problems and handle all the

1688

01:02:15,270 --> 01:02:12,079

different systems and so forth such that

1689

01:02:18,150 --> 01:02:15,280

we'll end up growing beyond uh any need

1690

01:02:21,190 --> 01:02:18,160

for involuntary taxation or involuntary

1691

01:02:23,190 --> 01:02:21,200

authoritarian government

1692

01:02:26,390 --> 01:02:23,200

yeah i'm really interested in these

1693

01:02:28,309 --> 01:02:26,400

areas that we have to just by force we

1694

01:02:29,829 --> 01:02:28,319

have to play by these rules we have to

1695

01:02:32,630 --> 01:02:29,839

go along with it you got to pay your

1696

01:02:34,630 --> 01:02:32,640

taxes and you have to do everything that

1697

01:02:36,470 --> 01:02:34,640

they're telling you to do it's all

1698

01:02:38,470 --> 01:02:36,480

because we feel like

1699

01:02:40,789 --> 01:02:38,480

we're on board it's kind of like you're

1700

01:02:43,670 --> 01:02:40,799

on board the uss america it's like hey

1701

01:02:45,510 --> 01:02:43,680

we're all on board the same ship but

1702

01:02:47,589 --> 01:02:45,520

certain guys are in charge of the ship

1703

01:02:49,750 --> 01:02:47,599

and certain guys own the ship but

1704

01:02:51,910 --> 01:02:49,760

because you're on this ship you have to

1705

01:02:53,109 --> 01:02:51,920

play by our rules otherwise we're

1706

01:02:55,030 --> 01:02:53,119

kicking you off and you're basically

1707

01:02:56,549 --> 01:02:55,040

going to drown because like if you're if

1708

01:02:59,349 --> 01:02:56,559

you're cut off that's part of what the

1709

01:03:01,910 --> 01:02:59,359

system does to people is just says

1710

01:03:03,990 --> 01:03:01,920

well if you can't make it then you're

1711

01:03:05,589 --> 01:03:04,000

the problem and it's your fault and

1712

01:03:07,750 --> 01:03:05,599

you're just a criminal and now we'll

1713

01:03:09,030 --> 01:03:07,760

just apply a label and say well we don't

1714

01:03:11,030 --> 01:03:09,040

really have to deal with these this

1715

01:03:12,789 --> 01:03:11,040

whole class of people and we'll just

1716

01:03:14,309 --> 01:03:12,799

call them uh you know these these are

1717

01:03:16,870 --> 01:03:14,319

the guys that

1718

01:03:18,870 --> 01:03:16,880

made their own problems but really it's

1719

01:03:20,710 --> 01:03:18,880

that the government has no systems

1720

01:03:22,470 --> 01:03:20,720

approach for actually care

1721

01:03:24,789 --> 01:03:22,480

caretaking for anybody

1722

01:03:27,589 --> 01:03:24,799

or for the environment or for

1723

01:03:29,510 --> 01:03:27,599

our happiness is just totally left out

1724

01:03:31,109 --> 01:03:29,520

nobody even addresses the fact that

1725

01:03:32,950 --> 01:03:31,119

nobody's happy and we all have to

1726

01:03:34,230 --> 01:03:32,960

self-medicate to deal with the way

1727

01:03:36,630 --> 01:03:34,240

things are

1728

01:03:38,470 --> 01:03:36,640

and but how do we get to honesty how do

1729

01:03:41,829 --> 01:03:38,480

we

1730

01:03:44,069 --> 01:03:41,839

moment's rest

1731

01:03:46,789 --> 01:03:44,079

so many people are so busy like when do

1732

01:03:48,549 --> 01:03:46,799

you get the time to be contemplative to

1733

01:03:50,630 --> 01:03:48,559

relax to

1734

01:03:52,309 --> 01:03:50,640

express how you're honestly frustrated

1735

01:03:54,230 --> 01:03:52,319

with the way the world is

1736

01:03:56,630 --> 01:03:54,240

yes and that situation that you're

1737

01:03:58,549 --> 01:03:56,640

describing as you know is no accident if

1738

01:04:00,230 --> 01:03:58,559

you want to control people you know you

1739

01:04:01,589 --> 01:04:00,240

dumb them down you keep them sick you

1740

01:04:03,029 --> 01:04:01,599

you keep them in debt you keep them

1741

01:04:04,870 --> 01:04:03,039

afraid and confused and they're going to

1742

01:04:06,069 --> 01:04:04,880

be easier to control but you're not

1743

01:04:06,950 --> 01:04:06,079

going to have a thriving world and

1744

01:04:09,029 --> 01:04:06,960

ultimately you're going to have a

1745

01:04:10,309 --> 01:04:09,039

revolution and hopefully it can be a

1746

01:04:12,710 --> 01:04:10,319

peaceful

1747

01:04:15,349 --> 01:04:12,720

revolution but really that's the

1748

01:04:17,990 --> 01:04:15,359

opportunity that we have now to move

1749

01:04:20,549 --> 01:04:18,000

beyond this whole illusion that anyone

1750

01:04:22,630 --> 01:04:20,559

should have authority uh to coerce

1751

01:04:24,470 --> 01:04:22,640

anyone else uh

1752

01:04:27,029 --> 01:04:24,480

and to use

1753

01:04:29,910 --> 01:04:27,039

violence to initiate force for anything

1754

01:04:33,109 --> 01:04:29,920

other than uh self-protection or or the

1755

01:04:34,710 --> 01:04:33,119

protection of the environment so i i

1756

01:04:36,950 --> 01:04:34,720

believe that that's the most important

1757

01:04:38,789 --> 01:04:36,960

conversation on the on the planet right

1758

01:04:41,910 --> 01:04:38,799

now it's the one i'm especially

1759

01:04:43,990 --> 01:04:41,920

dedicated to being involved in uh the

1760

01:04:47,430 --> 01:04:44,000

rest of my life you know along with the

1761

01:04:49,829 --> 01:04:47,440

specific solutions and the free energy

1762

01:04:51,910 --> 01:04:49,839

and making people aware of the the

1763

01:04:53,990 --> 01:04:51,920

predicament that we're in ultimately

1764

01:04:55,190 --> 01:04:54,000

since i think all of the solutions are

1765

01:04:57,190 --> 01:04:55,200

based on

1766

01:04:59,510 --> 01:04:57,200

aligning with the torus which is

1767

01:05:01,670 --> 01:04:59,520

honoring wholeness which is honoring the

1768

01:05:04,230 --> 01:05:01,680

wholeness of human beings therefore

1769

01:05:06,710 --> 01:05:04,240

freedom i really think all the solutions

1770

01:05:08,309 --> 01:05:06,720

are based on that so you know as you

1771

01:05:11,990 --> 01:05:08,319

mentioned i have the opportunity to

1772

01:05:13,589 --> 01:05:12,000

speak at the conspiracy con uh coming up

1773

01:05:16,470 --> 01:05:13,599

uh next weekend

1774

01:05:18,390 --> 01:05:16,480

and i i'll be there on saturday i mean

1775

01:05:20,150 --> 01:05:18,400

sunday i'll be there all weekend but

1776

01:05:22,309 --> 01:05:20,160

i'll be speaking on sunday afternoon and

1777

01:05:24,470 --> 01:05:22,319

then participating in the speaker's

1778

01:05:26,710 --> 01:05:24,480

panel i think it's the last event on

1779

01:05:27,910 --> 01:05:26,720

sunday evening so i'll be there if

1780

01:05:31,270 --> 01:05:27,920

people want to come and you know hear

1781

01:05:33,349 --> 01:05:31,280

that are my talk and and involve

1782

01:05:34,950 --> 01:05:33,359

themselves in the question and answer

1783

01:05:37,349 --> 01:05:34,960

but also i'll have a

1784

01:05:39,750 --> 01:05:37,359

booth where we can just chat about these

1785

01:05:42,950 --> 01:05:39,760

kinds of issues because i've been very

1786

01:05:45,349 --> 01:05:42,960

informed and supported and

1787

01:05:46,710 --> 01:05:45,359

inspired by the whole conspiracy

1788

01:05:48,950 --> 01:05:46,720

movement

1789

01:05:50,390 --> 01:05:48,960

and i think it's laid the groundwork

1790

01:05:52,789 --> 01:05:50,400

where now we can take all that

1791

01:05:55,829 --> 01:05:52,799

information and as i mentioned turn it

1792

01:05:57,990 --> 01:05:55,839

inside out and move on together

1793

01:05:59,750 --> 01:05:58,000

towards these solutions you know learn

1794

01:06:02,069 --> 01:05:59,760

how to have these conversations really

1795

01:06:03,670 --> 01:06:02,079

effectively with people without losing

1796

01:06:06,870 --> 01:06:03,680

our friendships i'll be talking about

1797

01:06:08,710 --> 01:06:06,880

that in in my talk there uh how to have

1798

01:06:11,270 --> 01:06:08,720

these difficult conversations about

1799

01:06:12,789 --> 01:06:11,280

these strange topics with people without

1800

01:06:14,789 --> 01:06:12,799

you know totally turning them off in

1801  
01:06:18,549 --> 01:06:14,799  
fact you know getting on the same page

1802  
01:06:20,789 --> 01:06:18,559  
and having them uh as allies so i invite

1803  
01:06:23,670 --> 01:06:20,799  
people to to come to the conference uh

1804  
01:06:25,349 --> 01:06:23,680  
and stop by and say hello if you can i'm

1805  
01:06:26,549 --> 01:06:25,359  
gonna need to get to leave in just a

1806  
01:06:29,109 --> 01:06:26,559  
couple of minutes

1807  
01:06:31,109 --> 01:06:29,119  
so i want to thank you guys for having

1808  
01:06:33,750 --> 01:06:31,119  
me on your show i really admire what

1809  
01:06:36,309 --> 01:06:33,760  
you're doing i think life that uh

1810  
01:06:38,789 --> 01:06:36,319  
that the lifeblood of the transformation

1811  
01:06:40,390 --> 01:06:38,799  
that's needed is independent media and

1812  
01:06:42,710 --> 01:06:40,400  
courageous people like yourselves who

1813  
01:06:45,349 --> 01:06:42,720

are willing to go anywhere in an honest

1814

01:06:47,910 --> 01:06:45,359

respectful and commiserate and uh and on

1815

01:06:49,270 --> 01:06:47,920

purpose conversation oh thank you sir i

1816

01:06:51,029 --> 01:06:49,280

appreciate that of course i'm gonna be

1817

01:06:52,630 --> 01:06:51,039

at the conspiracy con as well i'm gonna

1818

01:06:55,510 --> 01:06:52,640

be selling some t-shirts and definitely

1819

01:06:57,029 --> 01:06:55,520

listening to the speakers uh i made the

1820

01:06:58,549 --> 01:06:57,039

point in the last episode talking about

1821

01:07:00,470 --> 01:06:58,559

conspiracy con that

1822

01:07:02,069 --> 01:07:00,480

people really do need to support

1823

01:07:04,390 --> 01:07:02,079

the alternative movement because you

1824

01:07:06,870 --> 01:07:04,400

know you see people spending hundreds of

1825

01:07:08,309 --> 01:07:06,880

dollars to go to coachella or hundreds

1826

01:07:10,150 --> 01:07:08,319

of dollars to go to burning man which

1827

01:07:12,789 --> 01:07:10,160

burning man is kind of a little bit more

1828

01:07:14,150 --> 01:07:12,799

noble of a cause but um you know i don't

1829

01:07:15,829 --> 01:07:14,160

want to go to these conspiracy

1830

01:07:18,390 --> 01:07:15,839

conferences and see them

1831

01:07:20,630 --> 01:07:18,400

see them empty you know or see an older

1832

01:07:22,710 --> 01:07:20,640

generation and no no young people coming

1833

01:07:24,309 --> 01:07:22,720

in taking the helm i'm often times i'm

1834

01:07:26,390 --> 01:07:24,319

the youngest person at these lectures

1835

01:07:28,309 --> 01:07:26,400

and you know we got here in san diego we

1836

01:07:30,710 --> 01:07:28,319

have uh comic con coming up which is one

1837

01:07:33,829 --> 01:07:30,720

of the biggest events in the country

1838

01:07:36,470 --> 01:07:33,839

just so you can be the first one to see

1839

01:07:38,630 --> 01:07:36,480

the new spider-man trailer or the new

1840

01:07:40,950 --> 01:07:38,640

you know or you pay money to go into

1841

01:07:43,829 --> 01:07:40,960

what's considered a private mall where

1842

01:07:45,349 --> 01:07:43,839

people are just selling batman figurines

1843

01:07:49,270 --> 01:07:45,359

you know yeah it's like you're paying

1844

01:07:50,069 --> 01:07:49,280

money to get into a a consumerist fest

1845

01:07:51,829 --> 01:07:50,079

and

1846

01:07:53,910 --> 01:07:51,839

there's no benefit to that well so spend

1847

01:07:55,589 --> 01:07:53,920

your money come on to the conspiracy con

1848

01:07:57,190 --> 01:07:55,599

better yourself

1849

01:08:00,069 --> 01:07:57,200

learn some things buy some of my

1850

01:08:02,309 --> 01:08:00,079

t-shirts you know the important things

1851

01:08:04,390 --> 01:08:02,319

well i'm happy to report that

1852

01:08:05,750 --> 01:08:04,400

people don't need to deny themselves

1853

01:08:08,870 --> 01:08:05,760

what they're particularly interested in

1854

01:08:10,710 --> 01:08:08,880

but what's happening is uh the these

1855

01:08:13,589 --> 01:08:10,720

various interests are starting to

1856

01:08:15,430 --> 01:08:13,599

overlap and synergize kimberly and i

1857

01:08:18,789 --> 01:08:15,440

have been invited to and have gone to

1858

01:08:20,789 --> 01:08:18,799

numerous festivals uh to present uh

1859

01:08:24,550 --> 01:08:20,799

thrive and discussions around these

1860

01:08:26,550 --> 01:08:24,560

topics including burning man um and

1861

01:08:28,709 --> 01:08:26,560

what's happened is these festivals have

1862

01:08:31,030 --> 01:08:28,719

been very effective in

1863

01:08:33,349 --> 01:08:31,040

uh basically giving people a place to

1864

01:08:36,630 --> 01:08:33,359

celebrate a place to learn about

1865

01:08:38,229 --> 01:08:36,640

themselves and be creative and

1866

01:08:40,789 --> 01:08:38,239

you know meditate and dance and that

1867

01:08:43,590 --> 01:08:40,799

kind of thing so it's raised the energy

1868

01:08:44,550 --> 01:08:43,600

and the camaraderie to to a very high

1869

01:08:47,990 --> 01:08:44,560

level

1870

01:08:50,870 --> 01:08:48,000

um and now what they have have done is

1871

01:08:52,950 --> 01:08:50,880

taken that level and really said amongst

1872

01:08:55,510 --> 01:08:52,960

themselves okay we need to take this

1873

01:08:57,669 --> 01:08:55,520

energy into transforming the outside

1874

01:08:58,950 --> 01:08:57,679

world as well and that because i was

1875

01:09:00,709 --> 01:08:58,960

surprised frankly that they were

1876

01:09:03,189 --> 01:09:00,719

inviting us to all these conferences but

1877

01:09:06,229 --> 01:09:03,199

we've been really well received by

1878

01:09:09,510 --> 01:09:06,239

very uh you know open-minded bright

1879

01:09:11,669 --> 01:09:09,520

audiences so i'm seeing an integration

1880

01:09:13,430 --> 01:09:11,679

going on and i think the same thing is

1881

01:09:15,910 --> 01:09:13,440

going to happen with conspiracy con that

1882

01:09:17,990 --> 01:09:15,920

people who have been duped into thinking

1883

01:09:20,390 --> 01:09:18,000

that there aren't conspiracies out there

1884

01:09:22,229 --> 01:09:20,400

the evidence is so overwhelming in any

1885

01:09:23,669 --> 01:09:22,239

media even mainstream media now it's

1886

01:09:25,990 --> 01:09:23,679

becoming obvious

1887

01:09:29,030 --> 01:09:26,000

that people are starting to show up and

1888

01:09:30,390 --> 01:09:29,040

and validate these conversations uh and

1889

01:09:32,390 --> 01:09:30,400

i think more and more people will be

1890

01:09:34,630 --> 01:09:32,400

turning out to hear the experts you know

1891

01:09:36,390 --> 01:09:34,640

share their knowledge absolutely well

1892

01:09:38,070 --> 01:09:36,400

hey i'm going to let you go it's been an

1893

01:09:39,510 --> 01:09:38,080

excellent talk obviously if people

1894

01:09:41,510 --> 01:09:39,520

haven't seen thrive they should

1895

01:09:42,789 --> 01:09:41,520

definitely check that out and i will say

1896

01:09:44,390 --> 01:09:42,799

it's available for free at

1897

01:09:46,309 --> 01:09:44,400

thrivemovement.com

1898

01:09:47,990 --> 01:09:46,319

and i encourage you to buy the dvds as

1899

01:09:49,749 --> 01:09:48,000

well because you can share it then with

1900

01:09:52,070 --> 01:09:49,759

your friends and support the movement

1901

01:09:54,550 --> 01:09:52,080

yes and i i was going to say i think one

1902

01:09:55,990 --> 01:09:54,560

fact that really helps your credibility

1903

01:09:58,390 --> 01:09:56,000

is that you've made the movie available

1904

01:09:59,830 --> 01:09:58,400

to watch online for free it speaks

1905

01:10:01,270 --> 01:09:59,840

volumes about your integrity because

1906

01:10:02,550 --> 01:10:01,280

i've seen a couple documentaries come

1907

01:10:03,910 --> 01:10:02,560

out where they make the claim that they

1908

01:10:05,590 --> 01:10:03,920

just want to help people get knowledge

1909

01:10:07,030 --> 01:10:05,600

out there meanwhile they're hyping up

1910

01:10:09,189 --> 01:10:07,040

parts of the film to be more than what

1911

01:10:11,350 --> 01:10:09,199

they really are charging ten dollars for

1912

01:10:12,950 --> 01:10:11,360

a stream stuff like that so really i

1913

01:10:14,390 --> 01:10:12,960

think that should be noted and i commend

1914

01:10:16,870 --> 01:10:14,400

you for being so cool about letting

1915

01:10:19,350 --> 01:10:16,880

people see your hard work for free

1916

01:10:21,110 --> 01:10:19,360

well thank you very much our number one

1917

01:10:23,350 --> 01:10:21,120

goal was to have as many people benefit

1918

01:10:24,870 --> 01:10:23,360

from it as possible uh for the

1919

01:10:27,430 --> 01:10:24,880

filmmakers out there i have to

1920

01:10:30,070 --> 01:10:27,440

acknowledge that it was a huge huge hit

1921

01:10:32,149 --> 01:10:30,080

in our revenue uh where we actually had

1922

01:10:34,229 --> 01:10:32,159

to let go of a lot of our staff just to

1923

01:10:36,229 --> 01:10:34,239

keep the movement going because people

1924

01:10:38,709 --> 01:10:36,239

say well people will will donate they'll

1925

01:10:40,870 --> 01:10:38,719

send you you know money anyway and some

1926

01:10:43,750 --> 01:10:40,880

people do but we are not in a culture

1927

01:10:47,590 --> 01:10:43,760

yet that does that at a level that can

1928

01:10:50,790 --> 01:10:47,600

uh can support uh a a piece of art and

1929

01:10:53,430 --> 01:10:50,800

information that was as as expensive as

1930

01:10:56,070 --> 01:10:53,440

thrive was to make and the movement is

1931

01:10:58,149 --> 01:10:56,080

to sustain so i encourage all of you to

1932

01:11:01,590 --> 01:10:58,159

you know support the movement by buying

1933

01:11:03,430 --> 01:11:01,600

dvds uh or donating to to helping this

1934

01:11:04,950 --> 01:11:03,440

information uh and the strategies and

1935

01:11:06,790 --> 01:11:04,960

tools get out there

1936

01:11:08,310 --> 01:11:06,800

excellent thank you kyle and thank you

1937

01:11:09,669 --> 01:11:08,320

greg it's really great having a chance

1938

01:11:10,470 --> 01:11:09,679

to converse with you and i hope to see

1939

01:11:12,630 --> 01:11:10,480

you at

1940

01:11:14,310 --> 01:11:12,640

uh conspiracy con absolutely we'll talk

1941

01:11:16,550 --> 01:11:14,320

to you then thanks again

1942

01:11:18,310 --> 01:11:16,560

okay bye-bye all right take care

1943

01:11:19,669 --> 01:11:18,320

well there it is kyle that was pretty

1944

01:11:21,270 --> 01:11:19,679

good how'd you feel about that little

1945

01:11:23,430 --> 01:11:21,280

chat there

1946

01:11:26,550 --> 01:11:23,440

it was good i really liked the topics

1947

01:11:28,470 --> 01:11:26,560

that we touched on and uh i really felt

1948

01:11:30,709 --> 01:11:28,480

there was a connectedness there was uh

1949

01:11:33,990 --> 01:11:30,719

we're talking about big themes here not

1950

01:11:35,590 --> 01:11:34,000

so much dialing down on specific

1951

01:11:37,830 --> 01:11:35,600

yeah i agree you know i

1952

01:11:39,669 --> 01:11:37,840

i don't talk much about the show itself

1953

01:11:42,630 --> 01:11:39,679

um but the reason i started the show is

1954

01:11:45,510 --> 01:11:42,640

because i'm a huge fan of coast to coast

1955

01:11:47,750 --> 01:11:45,520

and even alex jones to an extent

1956

01:11:49,750 --> 01:11:47,760

but i just feel like

1957

01:11:51,669 --> 01:11:49,760

the guests that are on the show are

1958

01:11:53,669 --> 01:11:51,679

always so more so much more interesting

1959

01:11:57,669 --> 01:11:53,679

than the host and i wanted to create a

1960

01:11:59,430 --> 01:11:57,679

show that let the guests speak and also

1961

01:12:00,870 --> 01:11:59,440

it's you know it's not about me

1962

01:12:02,709 --> 01:12:00,880

confirming

1963

01:12:04,310 --> 01:12:02,719

with my own independent research what

1964

01:12:06,390 --> 01:12:04,320

they say you know because that's all

1965

01:12:08,149 --> 01:12:06,400

alex jones ever has people on to do is

1966

01:12:10,229 --> 01:12:08,159

confirm his own independent research

1967

01:12:12,470 --> 01:12:10,239

which is just ego service and then on

1968

01:12:14,950 --> 01:12:12,480

coast to coast i feel like

1969

01:12:16,870 --> 01:12:14,960

uh it's all softball questions there's

1970

01:12:19,030 --> 01:12:16,880

no and i'm not trying to have a gotcha

1971

01:12:20,950 --> 01:12:19,040

show but i want to get deeply into the

1972

01:12:23,189 --> 01:12:20,960

material you know just

1973

01:12:25,750 --> 01:12:23,199

the the questions on coast to coast seem

1974

01:12:27,750 --> 01:12:25,760

way too vague way too broad and you

1975

01:12:29,590 --> 01:12:27,760

never really get into the meat of things

1976

01:12:32,950 --> 01:12:29,600

and that's why i think people call him

1977

01:12:36,390 --> 01:12:35,110

but it is what it is i think that a lot

1978

01:12:38,149 --> 01:12:36,400

of people have been reaching out to me

1979

01:12:40,630 --> 01:12:38,159

lately and saying that they love the way

1980

01:12:42,870 --> 01:12:40,640

thc approaches these interviews and

1981

01:12:44,870 --> 01:12:42,880

approaches these subjects and i think

1982

01:12:47,590 --> 01:12:44,880

that's great i'm glad that uh without

1983

01:12:50,149 --> 01:12:47,600

even saying much about it that the

1984

01:12:51,830 --> 01:12:50,159

the concept behind thg is kind of uh

1985

01:12:54,550 --> 01:12:51,840

shining through you know we're

1986

01:12:57,590 --> 01:12:54,560

we're a conspiracy and paranormal show

1987

01:12:59,590 --> 01:12:57,600

for the non-religious right because when

1988

01:13:01,830 --> 01:12:59,600

you get down to it it's really odd and

1989

01:13:03,830 --> 01:13:01,840

hypocritical that someone would identify

1990

01:13:05,669 --> 01:13:03,840

with the conservative or religious right

1991

01:13:08,790 --> 01:13:05,679

because you're talking about

1992

01:13:10,630 --> 01:13:08,800

uh conspiracy 101 is that

1993

01:13:12,229 --> 01:13:10,640

it's a shell game between two talking

1994

01:13:14,950 --> 01:13:12,239

puppets that don't mean anything it's a

1995

01:13:17,590 --> 01:13:14,960

pro wrestling theatrical performance and

1996

01:13:20,630 --> 01:13:17,600

these two sides are just there to keep

1997

01:13:23,110 --> 01:13:20,640

us in uh intention and so you know that

1998

01:13:24,790 --> 01:13:23,120

that's there to just keep tension high

1999

01:13:26,790 --> 01:13:24,800

but yet you're still identifying with

2000

01:13:29,510 --> 01:13:26,800

one side and criticizing the other side

2001

01:13:31,669 --> 01:13:29,520

it seems completely stupid

2002

01:13:33,350 --> 01:13:31,679

it's it's ridiculous i mean people are

2003

01:13:36,310 --> 01:13:33,360

listening to too much

2004

01:13:38,550 --> 01:13:36,320

nonsense content to watch too much tv if

2005

01:13:40,550 --> 01:13:38,560

you're watching the cable news

2006

01:13:42,149 --> 01:13:40,560

it's a big problem

2007

01:13:44,630 --> 01:13:42,159

because none of that stuff it's all

2008

01:13:46,070 --> 01:13:44,640

pre-filtered so it's not gonna be good

2009

01:13:47,510 --> 01:13:46,080

good information that way but i feel

2010

01:13:49,750 --> 01:13:47,520

like it's a generational thing the

2011

01:13:52,390 --> 01:13:49,760

younger people are doing new media the

2012

01:13:54,390 --> 01:13:52,400

younger people know about podcasts the

2013

01:13:56,709 --> 01:13:54,400

older people there's some who are hip to

2014

01:13:58,870 --> 01:13:56,719

it and then there's vast numbers who

2015

01:14:01,669 --> 01:13:58,880

have been stuck doing what they do day

2016

01:14:02,870 --> 01:14:01,679

after day forever and they just can't

2017

01:14:05,990 --> 01:14:02,880

they're gonna have a little bit tougher

2018

01:14:08,950 --> 01:14:06,000

time breaking out of their paradigm

2019

01:14:11,430 --> 01:14:08,960

and the biggest criticism of thrive that

2020

01:14:14,149 --> 01:14:11,440

people have is they say oh you know it

2021

01:14:16,390 --> 01:14:14,159

has a pretty heavy new age feel to it

2022

01:14:18,630 --> 01:14:16,400

and i'm not going to deny that and there

2023

01:14:21,189 --> 01:14:18,640

is a certain amount of cheese to that

2024

01:14:23,430 --> 01:14:21,199

approach in my opinion but i mean i

2025

01:14:26,070 --> 01:14:23,440

would say that's a pretty petty reason

2026

01:14:27,830 --> 01:14:26,080

to ignore or fail to pass on tons of

2027

01:14:30,630 --> 01:14:27,840

great information i mean i'm sure

2028

01:14:32,870 --> 01:14:30,640

monsanto and ge would be thrilled to see

2029

01:14:35,110 --> 01:14:32,880

the conversation be about the appeal of

2030

01:14:36,790 --> 01:14:35,120

thrive's style rather than getting

2031

01:14:38,709 --> 01:14:36,800

hammered with questions pertaining to

2032

01:14:40,709 --> 01:14:38,719

the content you know i mean who gives a

2033

01:14:42,709 --> 01:14:40,719

[h\_\_\h] about

2034

01:14:44,229 --> 01:14:42,719

the stylings of it ver you know versus

2035

01:14:45,750 --> 01:14:44,239

zeitgeist versus thrive i mean the

2036

01:14:47,750 --> 01:14:45,760

information is

2037

01:14:51,430 --> 01:14:47,760

is pretty much the same and that's what

2038

01:14:54,550 --> 01:14:51,440

we need to attack yeah i feel like um

2039

01:14:56,709 --> 01:14:54,560

with each iteration like uh with thrive

2040

01:14:58,470 --> 01:14:56,719

and then this serious documentary even

2041

01:15:00,870 --> 01:14:58,480

if some of these things aren't what we

2042

01:15:02,470 --> 01:15:00,880

they thought we would they would be or

2043

01:15:04,229 --> 01:15:02,480

maybe there's another zeitgeist movie

2044

01:15:07,669 --> 01:15:04,239

and it's maybe not as good as the third

2045

01:15:10,470 --> 01:15:07,679

one was you know but each time there

2046

01:15:12,229 --> 01:15:10,480

another thing comes out it kind of like

2047

01:15:13,750 --> 01:15:12,239

further enriches

2048

01:15:15,189 --> 01:15:13,760

this meme

2049

01:15:16,229 --> 01:15:15,199

this big

2050

01:15:20,149 --> 01:15:16,239

you know

2051

01:15:21,590 --> 01:15:20,159

what a lot of these people are talking

2052

01:15:22,470 --> 01:15:21,600

about what the higher side chats is all

2053

01:15:25,590 --> 01:15:22,480

about

2054

01:15:28,070 --> 01:15:25,600

is uh this is really the truth and for

2055

01:15:29,750 --> 01:15:28,080

some reason we have been taught that we

2056

01:15:31,750 --> 01:15:29,760

can't handle the truth

2057

01:15:33,910 --> 01:15:31,760

that the truth in a lot of different

2058

01:15:35,990 --> 01:15:33,920

areas like oh what the military knows

2059

01:15:37,189 --> 01:15:36,000

yeah you guys can't can't know that [h\_\_\h]

2060

01:15:39,189 --> 01:15:37,199

like what we're actually doing you can't

2061

01:15:41,350 --> 01:15:39,199

know that [h\_\_\h] because that's all state

2062

01:15:43,510 --> 01:15:41,360

classified uh you know

2063

01:15:45,510 --> 01:15:43,520

it's the whole idea that there's certain

2064

01:15:48,630 --> 01:15:45,520

things that are off limits for you to

2065

01:15:50,550 --> 01:15:48,640

know for your own good that is not i

2066

01:15:52,790 --> 01:15:50,560

can't trust that i cannot put faith in

2067

01:15:55,350 --> 01:15:52,800

that anymore and it makes me feel really

2068

01:15:57,350 --> 01:15:55,360

creeped out and it's like why are you

2069

01:15:59,750 --> 01:15:57,360

why are these authority figures in a

2070

01:16:02,630 --> 01:15:59,760

position where they control my life and

2071

01:16:04,470 --> 01:16:02,640

yet no decision i make influences their

2072

01:16:06,390 --> 01:16:04,480

lives

2073

01:16:08,310 --> 01:16:06,400

i mean that's a great point

2074

01:16:10,310 --> 01:16:08,320

you know kyle my man it's always a

2075

01:16:12,790 --> 01:16:10,320

pleasure you know by the next time i

2076

01:16:14,950 --> 01:16:12,800

talk to you i'll probably have finally

2077

01:16:16,709 --> 01:16:14,960

granted my consciousness the pleasure of

2078

01:16:18,709 --> 01:16:16,719

melting into the astral dimension and

2079

01:16:21,270 --> 01:16:18,719

coming face to face with the totality of

2080

01:16:23,430 --> 01:16:21,280

the universe in whatever strange way i

2081

01:16:26,070 --> 01:16:23,440

decide to present myself to myself

2082

01:16:27,669 --> 01:16:26,080

whatever the [h\_\_h] that means um but i'm

2083

01:16:29,510 --> 01:16:27,679

gonna smoke some dmt and hopefully i'll

2084

01:16:32,229 --> 01:16:29,520

be a better man for it so that's a

2085

01:16:34,630 --> 01:16:32,239

pretty exciting thing um do you do you

2086

01:16:36,470 --> 01:16:34,640

think i should should i film that

2087

01:16:38,709 --> 01:16:36,480

do not film it do not film it it'd be

2088

01:16:42,070 --> 01:16:38,719

embarrassing i believe

2089

01:16:43,669 --> 01:16:42,080

it's not a oh man you gotta melt

2090

01:16:45,189 --> 01:16:43,679

talk about you're what your body's gonna

2091

01:16:47,830 --> 01:16:45,199

look like while you're in a different

2092

01:16:49,030 --> 01:16:47,840

dimension you really need to melt right

2093

01:16:50,630 --> 01:16:49,040

you're not going to be worried so much

2094

01:16:52,310 --> 01:16:50,640

about filming yourself i got to make

2095

01:16:56,070 --> 01:16:52,320

sure that my hair looks good if i'm

2096

01:16:57,990 --> 01:16:56,080

going to really be astral projecting

2097

01:16:59,830 --> 01:16:58,000

yeah well if you're going to make an

2098

01:17:01,669 --> 01:16:59,840

appearance into the spirit realms you

2099

01:17:02,870 --> 01:17:01,679

better make sure it's a good first

2100

01:17:03,830 --> 01:17:02,880

impression

2101  
01:17:06,390 --> 01:17:03,840  
no but

2102  
01:17:09,189 --> 01:17:06,400  
of course i i would like to i would like

2103  
01:17:10,709 --> 01:17:09,199  
to have some type of

2104  
01:17:11,990 --> 01:17:10,719  
i would like it to be

2105  
01:17:17,350 --> 01:17:12,000  
a

2106  
01:17:19,189 --> 01:17:17,360  
looks like

2107  
01:17:20,950 --> 01:17:19,199  
falling asleep you know while something

2108  
01:17:22,709 --> 01:17:20,960  
crazy is going on in the mind because

2109  
01:17:23,590 --> 01:17:22,719  
obviously it doesn't translate visually

2110  
01:17:25,510 --> 01:17:23,600  
but

2111  
01:17:27,910 --> 01:17:25,520  
it might be a good idea to capture some

2112  
01:17:29,990 --> 01:17:27,920  
audio immediately after the event maybe

2113  
01:17:31,590 --> 01:17:30,000

i'll have fernando maybe i'll pre-write

2114

01:17:32,709 --> 01:17:31,600

some questions and give them the

2115

01:17:33,830 --> 01:17:32,719

fernando

2116

01:17:36,149 --> 01:17:33,840

um

2117

01:17:39,830 --> 01:17:36,159

and then maybe coming out of the state

2118

01:17:41,990 --> 01:17:39,840

we'll we'll do a reverse interview

2119

01:17:43,590 --> 01:17:42,000

i don't know ideas these are just these

2120

01:17:45,030 --> 01:17:43,600

are just ideas i'm spitballing i'm

2121

01:17:47,270 --> 01:17:45,040

throwing [h\_\_h] out you can catch it you

2122

01:17:49,189 --> 01:17:47,280

let it drop throw it back do what you do

2123

01:17:51,030 --> 01:17:49,199

but you know as always people check out

2124

01:17:53,189 --> 01:17:51,040

kyle prinneville's weekly column

2125

01:17:54,950 --> 01:17:53,199

conversations with the other on the

2126

01:17:57,030 --> 01:17:54,960

newly redesigned higher side chats

2127

01:17:59,270 --> 01:17:57,040

website the highersidechats.com kyle

2128

01:18:01,189 --> 01:17:59,280

covers some great topics provides an

2129

01:18:03,430 --> 01:18:01,199

insight that enriches my mind on a

2130

01:18:05,350 --> 01:18:03,440

weekly basis and man i thank you for

2131

01:18:06,870 --> 01:18:05,360

putting so much time and effort into

2132

01:18:08,950 --> 01:18:06,880

making thc

2133

01:18:10,470 --> 01:18:08,960

something more than just a podcast it's

2134

01:18:13,110 --> 01:18:10,480

it's awesome

2135

01:18:15,750 --> 01:18:13,120

thank you man i really appreciate that i

2136

01:18:17,750 --> 01:18:15,760

like the format i like to uh

2137

01:18:20,229 --> 01:18:17,760

get tweeted out to so many of the

2138

01:18:22,390 --> 01:18:20,239

followers of the show and uh if you saw

2139

01:18:23,910 --> 01:18:22,400

the comment that somebody left i haven't

2140

01:18:24,630 --> 01:18:23,920

responded back to it but i really want

2141

01:18:27,270 --> 01:18:24,640

to

2142

01:18:29,990 --> 01:18:27,280

and they uh helpful tips for psychedelic

2143

01:18:32,870 --> 01:18:30,000

trips blog post there's a really honest

2144

01:18:34,630 --> 01:18:32,880

comment from a mom she says yeah i go

2145

01:18:36,550 --> 01:18:34,640

through this yeah i take my kids to

2146

01:18:38,790 --> 01:18:36,560

school and i i

2147

01:18:41,110 --> 01:18:38,800

work the job and i get i pay the bills

2148

01:18:43,110 --> 01:18:41,120

you know doing all the same [h\_\_h] but

2149

01:18:44,950 --> 01:18:43,120

underneath it all i know the truth

2150

01:18:46,950 --> 01:18:44,960

because of what i experienced through my

2151

01:18:48,870 --> 01:18:46,960

own psychedelic journeying

2152

01:18:50,390 --> 01:18:48,880

and uh yeah you were talking about that

2153

01:18:52,709 --> 01:18:50,400

kind of intro to the show too how

2154

01:18:54,790 --> 01:18:52,719

there's this duality there's two lives

2155

01:18:56,550 --> 01:18:54,800

going on the one part of you that knows

2156

01:18:58,870 --> 01:18:56,560

the truth and the one that plays the

2157

01:19:00,950 --> 01:18:58,880

character that has to

2158

01:19:03,350 --> 01:19:00,960

be a character in order to survive in

2159

01:19:05,669 --> 01:19:03,360

society because you know as foster said

2160

01:19:07,430 --> 01:19:05,679

you can't live without money

2161

01:19:08,790 --> 01:19:07,440

touche

2162

01:19:10,950 --> 01:19:08,800

you know all right people you know

2163

01:19:12,950 --> 01:19:10,960

that's a wrap because am just showed up

2164

01:19:14,870 --> 01:19:12,960

on netflix and i got a weed brownie with

2165

01:19:18,229 --> 01:19:14,880

my name on it so i really gotta get

2166

01:19:20,149 --> 01:19:18,239

going but i love you guys i i don't

2167

01:19:22,149 --> 01:19:20,159

feel worthy of your time but then here

2168

01:19:24,790 --> 01:19:22,159

we are when you could be watching kazam

2169

01:19:27,669 --> 01:19:24,800

too so okay then i will see you at the

2170

01:19:57,189 --> 01:19:27,679

con con 2013.
