

Episode 58: Conspiracy Con w/ Brian William Hall

BROUGHT TO YOU BY:

onspiraTees.net

1
00:00:04,640 --> 00:00:02,960
are you mad as hell and don't want to

2
00:00:07,160 --> 00:00:04,650
take this anymore tired of lies and

3
00:00:10,009 --> 00:00:07,170
agendas by the one-percent the powers

4
00:00:13,039 --> 00:00:10,019
that be if so come to the event that

5
00:00:16,250 --> 00:00:13,049
exposes the global conspiracy and offers

6
00:00:17,720 --> 00:00:16,260
real answers conspiracy con returns to

7
00:00:20,000 --> 00:00:17,730
the bay area for a cutting-edge

8
00:00:22,790 --> 00:00:20,010
thirteenth year discover the truth about

9
00:00:27,529 --> 00:00:22,800
mind control weather control Sandy Hook

10
00:00:30,019 --> 00:00:27,539
911 the Fed chemtrails JFK and more see

11
00:00:33,350 --> 00:00:30,029
foster gamble of thrive Marshall summers

12
00:00:36,440 --> 00:00:33,360
bill still jim fetzer freeman true ott

13
00:00:38,450 --> 00:00:36,450

and more plus swami beyond ananda the

14

00:00:41,720 --> 00:00:38,460

cosmic comic along with other great

15

00:00:43,790 --> 00:00:41,730

special guests conspiracy con 2013 at

16

00:00:48,170 --> 00:00:43,800

the MU pitas crowne plaza june first and

17

00:00:52,459 --> 00:00:48,180

second for more info call 925 449 68 44

18

00:00:56,000 --> 00:00:52,469

that's 925 for 4968 44 or visit

19

00:00:58,970 --> 00:00:56,010

conspiracy con-com conspiracy con-com

20

00:01:36,740 --> 00:00:58,980

where other conferences and conspiracy

21

00:01:41,820 --> 00:01:39,660

people people people welcome back once

22

00:01:43,679 --> 00:01:41,830

again to the show we call THC drinking a

23

00:01:45,359 --> 00:01:43,689

little drink smoking a substantial

24

00:01:46,980 --> 00:01:45,369

amount of smoke I'm that Greg Carr wood

25

00:01:49,260 --> 00:01:46,990

guy and as the world spins wildly

26
00:01:50,460 --> 00:01:49,270
through the abyss many of us may very

27
00:01:52,109 --> 00:01:50,470
well be dealing with some of the

28
00:01:54,089 --> 00:01:52,119
unfortunate ramifications of the

29
00:01:55,800 --> 00:01:54,099
awakened mind these side effects may

30
00:01:57,539 --> 00:01:55,810
include an unwillingness to participate

31
00:01:58,979 --> 00:01:57,549
in the game a strong desire to quit one

32
00:02:01,229 --> 00:01:58,989
job and an increased level of

33
00:02:03,059 --> 00:02:01,239
self-medication as well as the most

34
00:02:05,479 --> 00:02:03,069
unfortunate i civilization from

35
00:02:07,260 --> 00:02:05,489
uninitiated friends and family

36
00:02:08,550 --> 00:02:07,270
fortunately today's guest has been

37
00:02:09,930 --> 00:02:08,560
working on the treatment for these

38
00:02:11,940 --> 00:02:09,940

negative effects for over 13 years

39

00:02:13,710 --> 00:02:11,950

creating havens for the higher mine

40

00:02:16,319 --> 00:02:13,720

retreats for the rebellious and

41

00:02:18,509 --> 00:02:16,329

sanctuaries for the same minority stuck

42

00:02:19,949 --> 00:02:18,519

living in the sixth society and that man

43

00:02:21,599 --> 00:02:19,959

is Brian William all the creator and

44

00:02:23,640 --> 00:02:21,609

organizer of the 13 year running

45

00:02:26,009 --> 00:02:23,650

conspiracy con which is taking place

46

00:02:27,390 --> 00:02:26,019

this upcoming weekend June 1st and 2nd

47

00:02:31,229 --> 00:02:27,400

in San Jose area at the crowne plaza

48

00:02:33,479 --> 00:02:31,239

hotel Brian my man how are you hey Greg

49

00:02:36,680 --> 00:02:33,489

thanks so much for being on on your show

50

00:02:39,720 --> 00:02:36,690

excellent introduction I am impressed

51
00:02:41,759 --> 00:02:39,730
thanks man I try to make them a little

52
00:02:43,259 --> 00:02:41,769
different but hopefully you're doing

53
00:02:45,270 --> 00:02:43,269
good I'm doing great I'm psyched to have

54
00:02:48,030 --> 00:02:45,280
you here I'm a big fan of lectures and

55
00:02:49,770 --> 00:02:48,040
conferences and expose and I've been to

56
00:02:51,509 --> 00:02:49,780
quite a few but nothing quite like what

57
00:02:52,979 --> 00:02:51,519
you got going on a conspiracy con it's

58
00:02:55,470 --> 00:02:52,989
very impressive that it's been running

59
00:02:56,970 --> 00:02:55,480
13 years I mean let's talk about your

60
00:02:59,699 --> 00:02:56,980
path to waking up what was it that

61
00:03:00,990 --> 00:02:59,709
started to pull you away from the

62
00:03:05,789 --> 00:03:01,000
official story and into the big

63
00:03:07,680 --> 00:03:05,799

conspiracy like everybody else just

64

00:03:09,210 --> 00:03:07,690

about everybody else and I'll qualify

65

00:03:11,879 --> 00:03:09,220

that at least in this country for

66

00:03:17,690 --> 00:03:11,889

roughly the first 30 years of my life I

67

00:03:20,130 --> 00:03:17,700

grew up under the mental if you will and

68

00:03:22,950 --> 00:03:20,140

intellectual constraints of

69

00:03:27,330 --> 00:03:22,960

what the mainstream taught me that is

70

00:03:29,880 --> 00:03:27,340

the political machine the education

71

00:03:32,900 --> 00:03:29,890

machine the media machine all of these

72

00:03:37,590 --> 00:03:32,910

industrial complexes that are in place

73

00:03:39,960 --> 00:03:37,600

that for years if not decades in merely

74

00:03:43,380 --> 00:03:39,970

indoctrinate and program people the

75

00:03:45,300 --> 00:03:43,390

elites of this world know that our

76

00:03:47,610 --> 00:03:45,310

brains are like computers and they can

77

00:03:50,940 --> 00:03:47,620

be programmed especially during those

78

00:03:55,020 --> 00:03:50,950

formative early years and most people

79

00:03:56,760 --> 00:03:55,030

are indeed products of years of not

80

00:04:00,110 --> 00:03:56,770

decades of programming and

81

00:04:03,240 --> 00:04:00,120

indoctrination I was no exception until

82

00:04:06,330 --> 00:04:03,250

until a Jedi Master approached me so I'm

83

00:04:10,229 --> 00:04:06,340

sorry haha no but some very interesting

84

00:04:12,270 --> 00:04:10,239

friends of mine approached me about uh

85

00:04:13,440 --> 00:04:12,280

some material that you know flew in the

86

00:04:15,949 --> 00:04:13,450

face of everything that we've been

87

00:04:20,190 --> 00:04:15,959

taught everything we thought we knew and

88

00:04:22,800 --> 00:04:20,200

in this case it was about UFOs ah this

89

00:04:27,360 --> 00:04:22,810

was roughly this was a roughly almost

90

00:04:29,070 --> 00:04:27,370

two decades ago and a lot of people have

91

00:04:32,100 --> 00:04:29,080

you know kind of a minor interest or

92

00:04:34,140 --> 00:04:32,110

fascination in that subject be it from a

93

00:04:37,940 --> 00:04:34,150

sci-fi fantasy standpoint or from

94

00:04:40,830 --> 00:04:37,950

genuine interest and research well i

95

00:04:43,890 --> 00:04:40,840

once i was approached i instead of

96

00:04:46,860 --> 00:04:43,900

resisting like most people do and saying

97

00:04:49,200 --> 00:04:46,870

no I decided okay this person is taking

98

00:04:52,050 --> 00:04:49,210

it very seriously he or she is hoping

99

00:04:53,670 --> 00:04:52,060

that I will too I said yes I'll take a

100

00:04:56,310 --> 00:04:53,680

look at it with an open mind and I

101
00:04:59,010 --> 00:04:56,320
follow through with my promise well what

102
00:05:01,710 --> 00:04:59,020
I found was that it made its case very

103
00:05:05,130 --> 00:05:01,720
very well and I wanted more information

104
00:05:07,170 --> 00:05:05,140
about that topic and others of its ilk

105
00:05:09,480 --> 00:05:07,180
and I kept digging around I started

106
00:05:11,790 --> 00:05:09,490
myself reading the books getting two

107
00:05:14,100 --> 00:05:11,800
tapes getting the dvds going to the

108
00:05:16,680 --> 00:05:14,110
lectures and the conference's that other

109
00:05:20,340 --> 00:05:16,690
people mention that you mentioned are

110
00:05:23,520 --> 00:05:20,350
going on out there and I discovered that

111
00:05:26,490 --> 00:05:23,530
there's this giant sphere of knowledge

112
00:05:28,589 --> 00:05:26,500
uh and while I was swimming around in

113
00:05:30,060 --> 00:05:28,599

there you know I entered through the UFO

114

00:05:32,909 --> 00:05:30,070

door but there were a lot of other doors

115

00:05:33,540 --> 00:05:32,919

as well and I checked out this door and

116

00:05:36,090 --> 00:05:33,550

that door

117

00:05:40,760 --> 00:05:36,100

and I realized that while there might be

118

00:05:44,430 --> 00:05:40,770

something going on extraterrestrial II

119

00:05:47,400 --> 00:05:44,440

if you will I learned that we also are

120

00:05:49,380 --> 00:05:47,410

facing some terrestrial concerns there

121

00:05:52,500 --> 00:05:49,390

are not just cover-ups of perhaps

122

00:05:54,360 --> 00:05:52,510

visitations from other worlds and the

123

00:05:57,090 --> 00:05:54,370

suppression of the technology that would

124

00:05:59,670 --> 00:05:57,100

get these entities from point A to point

125

00:06:02,610 --> 00:05:59,680

B across the universe if not the

126

00:06:04,050 --> 00:06:02,620

multiverse but there there's a lot of

127

00:06:05,870 --> 00:06:04,060

suppression going on with what's

128

00:06:10,230 --> 00:06:05,880

happening right here on terra firma

129

00:06:12,540 --> 00:06:10,240

there are indeed real conspiracies real

130

00:06:15,360 --> 00:06:12,550

hidden agendas and if there's a cover-up

131

00:06:18,900 --> 00:06:15,370

if anybody covers up anything you can

132

00:06:21,930 --> 00:06:18,910

bet there's a conspiracy to cover up so

133

00:06:24,180 --> 00:06:21,940

you know the two go hand-in-hand and I

134

00:06:26,630 --> 00:06:24,190

found that out very very quickly there

135

00:06:28,920 --> 00:06:26,640

is an ongoing effort by the mainstream

136

00:06:31,500 --> 00:06:28,930

epidermal government that you can see

137

00:06:34,200 --> 00:06:31,510

the administration along with that

138

00:06:36,360 --> 00:06:34,210

entity infamously known as the secret

139

00:06:38,910 --> 00:06:36,370

government are indeed covering up these

140

00:06:41,850 --> 00:06:38,920

technologies whether little green men

141

00:06:44,850 --> 00:06:41,860

exist or not the ability to traverse

142

00:06:47,600 --> 00:06:44,860

space and defy Newtonian physics perhaps

143

00:06:50,760 --> 00:06:47,610

time travel deep space travel a

144

00:06:52,470 --> 00:06:50,770

teleportation you name it that's going

145

00:06:54,390 --> 00:06:52,480

on in what's called the secret space

146

00:06:56,880 --> 00:06:54,400

program which I learned about studying

147

00:06:59,130 --> 00:06:56,890

UFOs but that's bringing me a little bit

148

00:07:01,250 --> 00:06:59,140

closer to home to a lot of things that

149

00:07:03,810 --> 00:07:01,260

are happening right here with regards to

150

00:07:07,140 --> 00:07:03,820

Planet Earth and its history what's been

151
00:07:10,170 --> 00:07:07,150
going on with humanity and I realize as

152
00:07:13,650 --> 00:07:10,180
I did more studying passively just to

153
00:07:15,720 --> 00:07:13,660
educate myself that one cannot have a

154
00:07:18,650 --> 00:07:15,730
fundamental understanding of Earth

155
00:07:21,420 --> 00:07:18,660
history or current global geopolitics

156
00:07:24,890 --> 00:07:21,430
unless one acknowledges the existence

157
00:07:27,180 --> 00:07:24,900
and influence there in of that which is

158
00:07:28,740 --> 00:07:27,190
colloquially known as the secret

159
00:07:31,110 --> 00:07:28,750
government or there's been the shadow

160
00:07:34,650 --> 00:07:31,120
government you cannot have a fundamental

161
00:07:37,530 --> 00:07:34,660
understanding of what we call life on

162
00:07:40,410 --> 00:07:37,540
earth until you realize that there are

163
00:07:43,290 --> 00:07:40,420

groups and individuals along with their

164

00:07:45,900 --> 00:07:43,300

institutions in place whose decisions

165

00:07:46,830 --> 00:07:45,910

affect all of us yet they answer to none

166

00:07:50,370 --> 00:07:46,840

of us

167

00:07:53,280 --> 00:07:50,380

let me tell you friends they do not have

168

00:07:56,670 --> 00:07:53,290

your interest or mine at heart and that

169

00:07:58,379 --> 00:07:56,680

is putting it very nicely I thought you

170

00:08:00,450 --> 00:07:58,389

know where can I find out more

171

00:08:03,180 --> 00:08:00,460

information about that it's felt more

172

00:08:05,340 --> 00:08:03,190

urgent than say UFOs or even the UFO

173

00:08:07,170 --> 00:08:05,350

cover-up yes and I looked around and I

174

00:08:10,260 --> 00:08:07,180

and I gone to all kinds of conferences

175

00:08:12,750 --> 00:08:10,270

on that topic on other topics I didn't

176

00:08:15,450 --> 00:08:12,760

see anybody doing anything on hardcore

177

00:08:17,520 --> 00:08:15,460

conspiracy anyway I had a few dollars in

178

00:08:19,350 --> 00:08:17,530

this crazy idea I was with a group of my

179

00:08:21,900 --> 00:08:19,360

peers who also produce events here in

180

00:08:24,510 --> 00:08:21,910

the San Francisco Bay Area and this was

181

00:08:27,320 --> 00:08:24,520

back in the year 2000 I said guys I've

182

00:08:30,629 --> 00:08:27,330

got this Lackey idea how about a

183

00:08:32,790 --> 00:08:30,639

conference on conspiracies and the room

184

00:08:34,409 --> 00:08:32,800

lit up everybody realized wait a minute

185

00:08:37,140 --> 00:08:34,419

that's that's where we're all headed

186

00:08:39,839 --> 00:08:37,150

that's that's the thing to do and so we

187

00:08:42,600 --> 00:08:39,849

we got the website and call it

188

00:08:46,230 --> 00:08:42,610

conspiracy con and we are now at our

189

00:08:49,260 --> 00:08:46,240

13th event that's coming up next weekend

190

00:08:52,350 --> 00:08:49,270

June first and second and you know since

191

00:08:54,480 --> 00:08:52,360

then we have been along with the help of

192

00:08:56,760 --> 00:08:54,490

speakers researchers concerned citizens

193

00:08:59,310 --> 00:08:56,770

across the country if not the world they

194

00:09:01,769 --> 00:08:59,320

will come to this humble gathering and

195

00:09:05,340 --> 00:09:01,779

share with an audience over the course

196

00:09:08,190 --> 00:09:05,350

of one weekend under one roof hardcore

197

00:09:10,370 --> 00:09:08,200

truth about what's going on in this

198

00:09:12,960 --> 00:09:10,380

world what's been happening to us and

199

00:09:16,829 --> 00:09:12,970

offering potential courses of action and

200

00:09:20,910 --> 00:09:16,839

possible solutions to these incredible

201
00:09:22,350 --> 00:09:20,920
challenges we face you know and I know

202
00:09:24,449 --> 00:09:22,360
that's a tough pill for some people to

203
00:09:26,190 --> 00:09:24,459
swallow perhaps not your int break I

204
00:09:28,740 --> 00:09:26,200
know that's a tough pill to swallow but

205
00:09:30,630 --> 00:09:28,750
the human race better wake up and take a

206
00:09:33,390 --> 00:09:30,640
look at some sobering things because

207
00:09:35,220 --> 00:09:33,400
time she is running out you know when

208
00:09:39,240 --> 00:09:35,230
parents tuck their kids in bed at night

209
00:09:41,760 --> 00:09:39,250
and tell them that monsters don't exist

210
00:09:45,390 --> 00:09:41,770
I'm sorry but that's erroneous monsters

211
00:09:48,920 --> 00:09:45,400
do exist Greg and they run things yeah

212
00:09:51,570 --> 00:09:48,930
and I feel it's important to facilitate

213
00:09:53,880 --> 00:09:51,580

awareness which is the key your first

214

00:09:56,730 --> 00:09:53,890

best destiny and mine is to educate

215

00:09:58,590 --> 00:09:56,740

ourselves and as many others as possible

216

00:10:00,450 --> 00:09:58,600

they're the light at the end of the

217

00:10:03,030 --> 00:10:00,460

tunnel is that there is

218

00:10:05,190 --> 00:10:03,040

drinks in numbers so we've got to keep

219

00:10:08,940 --> 00:10:05,200

it up keep up your form which is this

220

00:10:12,000 --> 00:10:08,950

wonderful podcast if I can if people

221

00:10:13,830 --> 00:10:12,010

support my efforts I will keep up the

222

00:10:16,260 --> 00:10:13,840

the conspiracy conference here in the

223

00:10:18,030 --> 00:10:16,270

Bay Area that's a general overview but I

224

00:10:20,100 --> 00:10:18,040

think that's a good idea of where I'm

225

00:10:22,260 --> 00:10:20,110

coming from and what I've been up to and

226

00:10:23,550 --> 00:10:22,270

why yeah man that's awesome you know a

227

00:10:26,490 --> 00:10:23,560

theme that's been coming up on the show

228

00:10:28,440 --> 00:10:26,500

on the past few episodes is that a lot

229

00:10:31,230 --> 00:10:28,450

of times these things come out of an

230

00:10:33,060 --> 00:10:31,240

isolation you know I've as a kid in high

231

00:10:35,250 --> 00:10:33,070

school and and I was pretty rebellious

232

00:10:37,230 --> 00:10:35,260

and felt somewhat isolated felt like I

233

00:10:40,200 --> 00:10:37,240

was in a different type of page and now

234

00:10:41,790 --> 00:10:40,210

you know with events like conspiracy con

235

00:10:43,860 --> 00:10:41,800

there's other like-minded people there

236

00:10:46,080 --> 00:10:43,870

with this show growing in numbers it's

237

00:10:48,870 --> 00:10:46,090

like wow I'm in my little world turning

238

00:10:52,020 --> 00:10:48,880

the tide from a place it started out of

239

00:10:53,940 --> 00:10:52,030

isolation and now it's growing the to my

240

00:10:55,770 --> 00:10:53,950

worldview not necessarily my worldview

241

00:10:57,540 --> 00:10:55,780

but the opinions of the people that I

242

00:10:58,800 --> 00:10:57,550

find really interesting you know I'm

243

00:11:00,540 --> 00:10:58,810

sharing those with people and they're

244

00:11:01,830 --> 00:11:00,550

getting more onboard mnet's it's pretty

245

00:11:04,710 --> 00:11:01,840

cool but like you said you put this

246

00:11:06,900 --> 00:11:04,720

event on for 13 years which what

247

00:11:09,060 --> 00:11:06,910

ironically is what set off the year of

248

00:11:10,530 --> 00:11:09,070

my real awakening at least the first

249

00:11:12,690 --> 00:11:10,540

time I started thinking about the degree

250

00:11:15,470 --> 00:11:12,700

to which events and society are really

251
00:11:18,930 --> 00:11:15,480
manipulated and of course that would be

252
00:11:22,080 --> 00:11:18,940
911 and I guess your first conspiracy

253
00:11:24,420 --> 00:11:22,090
con would be the one pre 911 conspiracy

254
00:11:26,430 --> 00:11:24,430
con that has to be somewhat interesting

255
00:11:31,020 --> 00:11:26,440
what was that like what was the first

256
00:11:33,720 --> 00:11:31,030
one like uh it was um I it was yet

257
00:11:37,740 --> 00:11:33,730
indeed as I look back on it it perhaps

258
00:11:42,870 --> 00:11:37,750
was prophetic uh by accident by design

259
00:11:46,770 --> 00:11:42,880
uh you know who knows but even by the

260
00:11:48,660 --> 00:11:46,780
mid to late 90s I began to realize that

261
00:11:50,700 --> 00:11:48,670
something was very very wrong and this

262
00:11:54,780 --> 00:11:50,710
is approaching the time when I became

263
00:11:57,000 --> 00:11:54,790

more proactive when it came to this kind

264

00:11:59,190 --> 00:11:57,010

of research this kind of knowledge how

265

00:12:01,080 --> 00:11:59,200

important it really is and a lot of

266

00:12:04,830 --> 00:12:01,090

people still poopoo the idea of

267

00:12:07,790 --> 00:12:04,840

conspiracies but again ladies and

268

00:12:11,640 --> 00:12:07,800

gentlemen that's called programming

269

00:12:13,320 --> 00:12:11,650

congratulations congratulations on yes

270

00:12:14,370 --> 00:12:13,330

your your Giants but you're sleeping

271

00:12:17,340 --> 00:12:14,380

giants

272

00:12:19,230 --> 00:12:17,350

and hopefully you'll wake up soon um but

273

00:12:22,200 --> 00:12:19,240

that's the robot thinking and it's time

274

00:12:24,570 --> 00:12:22,210

like uh the great conspiracy researcher

275

00:12:27,450 --> 00:12:24,580

David Icke says with his book it's time

276

00:12:28,920 --> 00:12:27,460

for a robot's rebellion and I've had

277

00:12:31,680 --> 00:12:28,930

David Icke he was that as a matter of

278

00:12:34,620 --> 00:12:31,690

fact he was at our first conference in

279

00:12:36,150 --> 00:12:34,630

may of 2001 just a couple months before

280

00:12:37,800 --> 00:12:36,160

nine eleven we have some other great

281

00:12:40,110 --> 00:12:37,810

speakers like the great Jordan Maxwell

282

00:12:43,020 --> 00:12:40,120

Mark Phillips cathy o'brien they talked

283

00:12:46,380 --> 00:12:43,030

about mind control we were talking about

284

00:12:48,030 --> 00:12:46,390

chemtrails at the time uh but one of our

285

00:12:51,270 --> 00:12:48,040

researchers and it could have been David

286

00:12:54,060 --> 00:12:51,280

Icke was predicting that something like

287

00:12:57,630 --> 00:12:54,070

this like 911 what happened he said just

288

00:12:59,640 --> 00:12:57,640

you watch folks just you watch sunk

289

00:13:01,920 --> 00:12:59,650

there's going to be a very very large

290

00:13:04,710 --> 00:13:01,930

event and it will probably be blamed on

291

00:13:06,570 --> 00:13:04,720

terrorists i believe it was either he or

292

00:13:10,770 --> 00:13:06,580

another speaker who said that we

293

00:13:13,310 --> 00:13:10,780

probably got it archived on DVD because

294

00:13:15,990 --> 00:13:13,320

we record all these these presentations

295

00:13:18,390 --> 00:13:16,000

one to make them available for those who

296

00:13:21,270 --> 00:13:18,400

couldn't attend to it's important to

297

00:13:23,940 --> 00:13:21,280

archive this stuff right and anyway that

298

00:13:26,750 --> 00:13:23,950

was said and sure enough um you know

299

00:13:31,470 --> 00:13:26,760

about two to three months later BAM um

300

00:13:35,640 --> 00:13:31,480

the biggest false flag in our lifetimes

301
00:13:39,600 --> 00:13:35,650
was orchestrated by the very elites that

302
00:13:41,220 --> 00:13:39,610
I and my colleagues expose with this

303
00:13:44,820 --> 00:13:41,230
conference and of course with their own

304
00:13:46,890 --> 00:13:44,830
respective research but this is a place

305
00:13:49,890 --> 00:13:46,900
for people to get together not just to

306
00:13:51,870 --> 00:13:49,900
your lectures but as you alluded it's a

307
00:13:54,330 --> 00:13:51,880
very good place to network with like

308
00:13:55,830 --> 00:13:54,340
minds to meet other people if you're

309
00:13:57,210 --> 00:13:55,840
alone out there and going god I'm

310
00:13:59,700 --> 00:13:57,220
starting to think that maybe something's

311
00:14:02,730 --> 00:13:59,710
wrong in this world is there a place I

312
00:14:03,960 --> 00:14:02,740
can go yes there is ladies and gentlemen

313
00:14:05,880 --> 00:14:03,970

there is a place you can go where you

314

00:14:09,660 --> 00:14:05,890

can meet other people and not feel so

315

00:14:11,250 --> 00:14:09,670

damned alone we are out there there is

316

00:14:12,480 --> 00:14:11,260

indeed a renaissance sweeping this

317

00:14:14,330 --> 00:14:12,490

planet Greg it sounds like you're

318

00:14:17,310 --> 00:14:14,340

talking to them as well I know I do

319

00:14:18,960 --> 00:14:17,320

especially every every time I produce

320

00:14:21,450 --> 00:14:18,970

this conference when that time of year

321

00:14:26,199 --> 00:14:21,460

rolls around I talk to people all around

322

00:14:29,799 --> 00:14:26,209

the country and let me assure yes

323

00:14:33,939 --> 00:14:29,809

that's matrix red pill is indeed tough

324

00:14:38,290 --> 00:14:33,949

to swallow okay yes the rabbit hole goes

325

00:14:41,079 --> 00:14:38,300

very very deep but you're not alone it

326

00:14:44,290 --> 00:14:41,089

won't be ridiculed it's it's it's

327

00:14:48,009 --> 00:14:44,300

happening now those who still believe

328

00:14:50,049 --> 00:14:48,019

that oswald was the lone gunman those

329

00:14:52,809 --> 00:14:50,059

who still believe in the official

330

00:14:54,669 --> 00:14:52,819

version of 911 those who still believe

331

00:14:56,530 --> 00:14:54,679

in the official version of just about

332

00:14:59,699 --> 00:14:56,540

everything in between those events and

333

00:15:03,600 --> 00:14:59,709

Beyond are not tomorrow but today

334

00:15:08,290 --> 00:15:03,610

becoming dinosaurs and it's not because

335

00:15:10,359 --> 00:15:08,300

we wacko conspiracy theorists a damage

336

00:15:13,259 --> 00:15:10,369

control label courtesy of the very

337

00:15:15,970 --> 00:15:13,269

forces we work to expose of course uh

338

00:15:18,249 --> 00:15:15,980

not because we conspiracy theorists just

339

00:15:20,230 --> 00:15:18,259

happen to be more convincing because we

340

00:15:22,210 --> 00:15:20,240

can debate our case whether right or

341

00:15:26,530 --> 00:15:22,220

wrong a lot better than the mainstream

342

00:15:30,189 --> 00:15:26,540

ha now we have a little thing to back us

343

00:15:33,189 --> 00:15:30,199

up it's called the truth or at least

344

00:15:36,460 --> 00:15:33,199

we're a lot closer to the truth we are

345

00:15:39,100 --> 00:15:36,470

at least in honest pursuit of the truth

346

00:15:42,069 --> 00:15:39,110

other than the so-called Fourth Estate

347

00:15:45,819 --> 00:15:42,079

the mainstream media of the press which

348

00:15:48,789 --> 00:15:45,829

has absolutely betrayed us and that's

349

00:15:51,730 --> 00:15:48,799

why Greg what you do is so important to

350

00:15:54,809 --> 00:15:51,740

keep a forum for people who enjoy

351

00:15:57,819 --> 00:15:54,819

listening to broadcast like this going

352

00:15:59,919 --> 00:15:57,829

so that they have at least a choice it's

353

00:16:02,710 --> 00:15:59,929

it's it's important to at least have a

354

00:16:04,569 --> 00:16:02,720

choice and thank goodness for podcasts

355

00:16:06,639 --> 00:16:04,579

for the Internet at least you know what

356

00:16:10,030 --> 00:16:06,649

kind of information freedoms we've got

357

00:16:13,989 --> 00:16:10,040

left use it keep using it keep doing it

358

00:16:16,480 --> 00:16:13,999

and I will to at least with regards to a

359

00:16:19,780 --> 00:16:16,490

mecca if people actually want to get

360

00:16:21,669 --> 00:16:19,790

together absolutely men and you know you

361

00:16:23,439 --> 00:16:21,679

are kind of in a unique situation having

362

00:16:25,299 --> 00:16:23,449

run this for 13 years you know my girl

363

00:16:27,039 --> 00:16:25,309

used to criticize me for my decision to

364

00:16:28,419 --> 00:16:27,049

double down on the conspiracy theme

365

00:16:30,970 --> 00:16:28,429

because she thought it was a little too

366

00:16:32,949 --> 00:16:30,980

taboo and she doubted my ability to gain

367

00:16:35,259 --> 00:16:32,959

a worthwhile following with such niche

368

00:16:36,909 --> 00:16:35,269

material but proud to say that I've

369

00:16:39,579 --> 00:16:36,919

pretty much proven her wrong on that one

370

00:16:39,830 --> 00:16:39,589

but of course with what I'm doing there

371

00:16:43,490 --> 00:16:39,840

are

372

00:16:45,170 --> 00:16:43,500

with organizing something like a

373

00:16:46,550 --> 00:16:45,180

conference putting on this event I would

374

00:16:48,350 --> 00:16:46,560

think gives you a pretty good insight

375

00:16:50,300 --> 00:16:48,360

into how the community has changed and

376

00:16:51,980 --> 00:16:50,310

grown over the past decade I mean you

377

00:16:53,660 --> 00:16:51,990

know you see it wait I see people waking

378

00:16:56,210 --> 00:16:53,670

up now of course the Internet has helped

379

00:16:58,250 --> 00:16:56,220

but as far as conference attendees have

380

00:17:00,410 --> 00:16:58,260

you seen any changes in demographic over

381

00:17:05,210 --> 00:17:00,420

the past decade or the size of the

382

00:17:08,390 --> 00:17:05,220

audience um not not so much you know the

383

00:17:10,670 --> 00:17:08,400

size has remained about the same I was

384

00:17:13,280 --> 00:17:10,680

hoping that we would have grown a lot

385

00:17:17,500 --> 00:17:13,290

more perhaps one of the things that

386

00:17:22,160 --> 00:17:17,510

stifling is that cycling that is our

387

00:17:25,250 --> 00:17:22,170

absolutely manipulated economy the

388

00:17:29,450 --> 00:17:25,260

number one form of terrorism Greg is

389

00:17:31,880 --> 00:17:29,460

across the globe is economic the global

390

00:17:35,420 --> 00:17:31,890

elites would love to if they could in

391

00:17:36,890 --> 00:17:35,430

one fell swoop overtly enslave us well

392

00:17:39,950 --> 00:17:36,900

they realize they can't do that because

393

00:17:43,310 --> 00:17:39,960

you can see and identify your enemy you

394

00:17:46,040 --> 00:17:43,320

can fight it okay so they have operated

395

00:17:48,140 --> 00:17:46,050

behind the proverbial curtain that's why

396

00:17:50,300 --> 00:17:48,150

it's important folks to re-watch the

397

00:17:52,330 --> 00:17:50,310

Wizard of Oz and look at the powerful

398

00:17:54,650 --> 00:17:52,340

subtext that film is telling you the

399

00:17:57,380 --> 00:17:54,660

yellow brick road it's all about gold

400

00:17:59,680 --> 00:17:57,390

The Wizard of Oz is odds what's that

401
00:18:02,770 --> 00:17:59,690
that's ounces we measure gold in ounces

402
00:18:06,260 --> 00:18:02,780
wow I never thought of it that way oh

403
00:18:09,020 --> 00:18:06,270
absolutely and so they've had to enslave

404
00:18:11,210 --> 00:18:09,030
us covertly and the number one form of

405
00:18:12,710 --> 00:18:11,220
doing that is economically now there are

406
00:18:15,800 --> 00:18:12,720
a lot of people who are talking about

407
00:18:19,100 --> 00:18:15,810
how the current White House occupant is

408
00:18:21,920 --> 00:18:19,110
doing everything he can to you know

409
00:18:24,410 --> 00:18:21,930
lower taxes or reduce the budget but I'm

410
00:18:27,020 --> 00:18:24,420
sorry um the current White House

411
00:18:29,510 --> 00:18:27,030
occupant who may allegedly be more

412
00:18:32,240 --> 00:18:29,520
eloquent and well-spoken and intelligent

413
00:18:35,000 --> 00:18:32,250

than his predecessor is no less a puppet

414

00:18:38,950 --> 00:18:35,010

and he knows that if he were to try to

415

00:18:42,500 --> 00:18:38,960

engage in any kind of monetary reform

416

00:18:46,370 --> 00:18:42,510

like his predecessors link and Garfield

417

00:18:48,830 --> 00:18:46,380

McKinley and Kennedy he too would find a

418

00:18:52,400 --> 00:18:48,840

bullet in his brain and so he's not

419

00:18:53,720 --> 00:18:52,410

going to do that okay um a hidden tax on

420

00:18:57,110 --> 00:18:53,730

this country is

421

00:18:59,030 --> 00:18:57,120

courtesy of a cancerous parasite that is

422

00:19:02,240 --> 00:18:59,040

leached itself onto a sovereign nation

423

00:19:04,460 --> 00:19:02,250

in this case the US and that entity is

424

00:19:07,700 --> 00:19:04,470

called the Federal Reserve it is a

425

00:19:11,330 --> 00:19:07,710

private bank with foreign investors no

426

00:19:14,510 --> 00:19:11,340

American citizens along with his equally

427

00:19:18,650 --> 00:19:14,520

private goon squad collection agency the

428

00:19:20,750 --> 00:19:18,660

IRS okay this is a hidden tax by an

429

00:19:24,560 --> 00:19:20,760

entity that is private that does nothing

430

00:19:27,350 --> 00:19:24,570

but create debt debt and death and human

431

00:19:29,390 --> 00:19:27,360

suffering there are more suffering is

432

00:19:32,120 --> 00:19:29,400

the result of this particular private

433

00:19:35,240 --> 00:19:32,130

banking entity than any other it funds

434

00:19:37,370 --> 00:19:35,250

wars it creates them it foments them it

435

00:19:40,250 --> 00:19:37,380

profits from them it profits from the

436

00:19:42,680 --> 00:19:40,260

post-war restoration it collapses

437

00:19:44,450 --> 00:19:42,690

nations and it's happened again and

438

00:19:48,130 --> 00:19:44,460

again and again whenever there is a

439

00:19:50,690 --> 00:19:48,140

central bank okay it is a hidden tax and

440

00:19:53,300 --> 00:19:50,700

the reason we are having so many

441

00:19:56,570 --> 00:19:53,310

economic woes is not by accident folks

442

00:19:59,840 --> 00:19:56,580

it just doesn't happen it happens by

443

00:20:01,940 --> 00:19:59,850

design the mainstream media reported

444

00:20:04,460 --> 00:20:01,950

between two thousand eight and two

445

00:20:05,960 --> 00:20:04,470

thousand ten at least they were honest

446

00:20:08,900 --> 00:20:05,970

in this but they didn't go into

447

00:20:12,100 --> 00:20:08,910

specifics they reported that twenty

448

00:20:14,690 --> 00:20:12,110

percent a whopping one-fifth of

449

00:20:18,350 --> 00:20:14,700

America's wealth and when I say that I

450

00:20:21,050 --> 00:20:18,360

mean uh collectively of belonging to the

451
00:20:22,700 --> 00:20:21,060
middle class and poor one-fifth twenty

452
00:20:25,370 --> 00:20:22,710
percent of america's wealth between two

453
00:20:27,620 --> 00:20:25,380
thousand eight and twenty ten literally

454
00:20:31,190 --> 00:20:27,630
and virtually disappeared now we know

455
00:20:34,190 --> 00:20:31,200
that doesn't just happen but we also

456
00:20:37,190 --> 00:20:34,200
know that there is that crazy one

457
00:20:40,340 --> 00:20:37,200
percent that the Occupy people have been

458
00:20:43,010 --> 00:20:40,350
talking about I would submit that there

459
00:20:45,080 --> 00:20:43,020
is a one percent behind the one percent

460
00:20:48,290 --> 00:20:45,090
let's go up a little bit higher folks on

461
00:20:50,960 --> 00:20:48,300
this pyramid planet and find out who's

462
00:20:54,190 --> 00:20:50,970
pulling the strings the kind of strings

463
00:20:58,070 --> 00:20:54,200

that can do that to the collective

464

00:20:59,390 --> 00:20:58,080

personal economies of thousands tens of

465

00:21:02,600 --> 00:20:59,400

thousands hundreds of thousands if not

466

00:21:06,080 --> 00:21:02,610

millions of Americans and other people

467

00:21:07,580 --> 00:21:06,090

across the globe and so a lot of people

468

00:21:09,680 --> 00:21:07,590

are experiencing that and there

469

00:21:12,769 --> 00:21:09,690

having it having a difficult time just

470

00:21:15,049 --> 00:21:12,779

surviving and I have noticed that I hear

471

00:21:17,360 --> 00:21:15,059

from people who want to attend but they

472

00:21:19,730 --> 00:21:17,370

have been devastated we have people who

473

00:21:22,370 --> 00:21:19,740

have lost their homes their jobs their

474

00:21:25,880 --> 00:21:22,380

bank accounts their 401ks this is

475

00:21:27,529 --> 00:21:25,890

happening by design so when it comes to

476

00:21:31,490 --> 00:21:27,539

demographics when it comes to attendance

477

00:21:34,610 --> 00:21:31,500

uh yes 13 years is is extraordinary I'd

478

00:21:36,890 --> 00:21:34,620

like to say if I may myself considering

479

00:21:40,100 --> 00:21:36,900

how difficult the elites are making it

480

00:21:42,440 --> 00:21:40,110

for all of us but I for John because I

481

00:21:45,830 --> 00:21:42,450

have to I find a way to make this

482

00:21:47,990 --> 00:21:45,840

conference happen because we do get

483

00:21:51,620 --> 00:21:48,000

enough people to keep keep it going just

484

00:21:54,110 --> 00:21:51,630

barely just barely it's a struggle it's

485

00:21:57,289 --> 00:21:54,120

a fight and we're going to do it again

486

00:22:00,019 --> 00:21:57,299

and we hope that people will join us

487

00:22:02,570 --> 00:22:00,029

this year so that we can continue this

488

00:22:04,130 --> 00:22:02,580

if you if you're just now hearing about

489

00:22:05,870 --> 00:22:04,140

this and you want something like this to

490

00:22:08,419 --> 00:22:05,880

continue or if you've been attending and

491

00:22:11,389 --> 00:22:08,429

you want this to continue ladies and

492

00:22:12,950 --> 00:22:11,399

gentlemen I I plead with you come to

493

00:22:16,100 --> 00:22:12,960

this conference and support our efforts

494

00:22:18,110 --> 00:22:16,110

it's the only way it can happen I agree

495

00:22:20,930 --> 00:22:18,120

with you I've seen many failed ventures

496

00:22:23,810 --> 00:22:20,940

in the conspiracy space I really liked

497

00:22:25,880 --> 00:22:23,820

this show with Kevin Nealon conspiracy

498

00:22:27,919 --> 00:22:25,890

zone on I think it was on some network

499

00:22:29,600 --> 00:22:27,929

TV show it was on for such a short

500

00:22:31,010 --> 00:22:29,610

amount of time and I was like man you

501
00:22:33,440 --> 00:22:31,020
know Kevin Nealon is really the perfect

502
00:22:34,909 --> 00:22:33,450
kind of host for for what I'd like to

503
00:22:37,070 --> 00:22:34,919
see but people didn't support it and it

504
00:22:38,630 --> 00:22:37,080
went away and I mean you got to follow

505
00:22:40,940 --> 00:22:38,640
the money is what people say you know

506
00:22:43,010 --> 00:22:40,950
and by funding the ability even if it's

507
00:22:44,690 --> 00:22:43,020
hard if you fund the ability for authors

508
00:22:47,500 --> 00:22:44,700
and speakers and artists to make a

509
00:22:49,789 --> 00:22:47,510
living in this conspiracy space

510
00:22:51,350 --> 00:22:49,799
professionals will explore it more and

511
00:22:53,539 --> 00:22:51,360
the effects will reverberate outward

512
00:22:56,769 --> 00:22:53,549
because right now there may be a lot of

513
00:22:59,840 --> 00:22:56,779

people who have and you know they're

514

00:23:01,130 --> 00:22:59,850

they're writing for money magazine but

515

00:23:02,899 --> 00:23:01,140

in their back of their head they have an

516

00:23:05,659 --> 00:23:02,909

interest in UFOs but they know that can

517

00:23:08,419 --> 00:23:05,669

make a lot more money you know talking

518

00:23:11,990 --> 00:23:08,429

about Google stock and apple stock then

519

00:23:14,360 --> 00:23:12,000

they can discussing the ramble arrest

520

00:23:15,950 --> 00:23:14,370

UFO case but they may want to do that

521

00:23:18,620 --> 00:23:15,960

but they need to know that they're going

522

00:23:20,750 --> 00:23:18,630

to be supported by an audience and that

523

00:23:21,379 --> 00:23:20,760

can only be done by the people and by

524

00:23:23,899 --> 00:23:21,389

the money

525

00:23:26,690 --> 00:23:23,909

you know stop funding the corporations

526

00:23:29,209 --> 00:23:26,700

that are incrementally making our

527

00:23:32,690 --> 00:23:29,219

situations worse with more invasive

528

00:23:35,209 --> 00:23:32,700

products and you know lower wages as

529

00:23:38,690 --> 00:23:35,219

well as more job requirements every year

530

00:23:40,909 --> 00:23:38,700

and the same jobs like stop powering

531

00:23:43,489 --> 00:23:40,919

them with your money give it to give it

532

00:23:45,799 --> 00:23:43,499

to the conspiracy side I'd say yeah I

533

00:23:49,239 --> 00:23:45,809

ate thank you very much for following

534

00:23:52,159 --> 00:23:49,249

through with what I said um you know

535

00:23:55,699 --> 00:23:52,169

right now the truth is a hard sell it

536

00:23:58,009 --> 00:23:55,709

really is especially in and out so silly

537

00:24:00,709 --> 00:23:58,019

hiding in it yeah in a system in a

538

00:24:04,369 --> 00:24:00,719

matrix built on a foundation of Lies

539

00:24:06,379 --> 00:24:04,379

deceit corruption murder famine crimes

540

00:24:08,779 --> 00:24:06,389

against humanity and mother herself the

541

00:24:10,249 --> 00:24:08,789

likes of which if people were to realize

542

00:24:12,859 --> 00:24:10,259

that their heads would spin right off

543

00:24:15,079 --> 00:24:12,869

their shoulders they would realize oh my

544

00:24:17,239 --> 00:24:15,089

god I live on a science-fiction planet

545

00:24:20,060 --> 00:24:17,249

and don't even know it we really do

546

00:24:22,339 --> 00:24:20,070

folks this is everything is opposite

547

00:24:24,319 --> 00:24:22,349

you're in a mirror world it's like

548

00:24:27,099 --> 00:24:24,329

alison wonderland ladies and gentlemen

549

00:24:29,239 --> 00:24:27,109

black is white up is down left is right

550

00:24:32,839 --> 00:24:29,249

you're inside the the looking-glass

551
00:24:35,629 --> 00:24:32,849
looking out this is fantasy land it's

552
00:24:38,719 --> 00:24:35,639
kooky land it's crazy land and again

553
00:24:41,029 --> 00:24:38,729
that's by the design of people and their

554
00:24:43,129 --> 00:24:41,039
institutions you have never met people

555
00:24:46,310 --> 00:24:43,139
who operate behind as mentioned the

556
00:24:48,649 --> 00:24:46,320
curtain the proverbial veil a veil that

557
00:24:50,479 --> 00:24:48,659
you pierced greg i have pierced that

558
00:24:52,759 --> 00:24:50,489
veil my colleagues have speakers

559
00:24:54,829 --> 00:24:52,769
concerned citizens everybody I've worked

560
00:24:58,669 --> 00:24:54,839
with everybody is starting to wake up

561
00:25:00,799 --> 00:24:58,679
now people are even those in the waking

562
00:25:02,690 --> 00:25:00,809
up process still have their own paradigm

563
00:25:04,969 --> 00:25:02,700

and worldview and I respect that I

564

00:25:07,099 --> 00:25:04,979

should qualify everything that I say

565

00:25:09,379 --> 00:25:07,109

right now by saying this is my world

566

00:25:12,769 --> 00:25:09,389

view right now at this moment it could

567

00:25:15,739 --> 00:25:12,779

change in five years it could change in

568

00:25:18,469 --> 00:25:15,749

five minutes okay I could look at

569

00:25:21,019 --> 00:25:18,479

something that would make me it would

570

00:25:23,839 --> 00:25:21,029

force me to reconsider everything I

571

00:25:26,869 --> 00:25:23,849

thought I knew the truth and reality are

572

00:25:29,690 --> 00:25:26,879

not solid they are constantly flowing

573

00:25:33,229 --> 00:25:29,700

and changing and ebbing and tithing just

574

00:25:35,260 --> 00:25:33,239

like rowing that proverbial boat gently

575

00:25:38,860 --> 00:25:35,270

down the stream

576

00:25:42,670 --> 00:25:38,870

a um nobody but nobody has a monopoly on

577

00:25:46,030 --> 00:25:42,680

the truth and seeking it is not a

578

00:25:48,720 --> 00:25:46,040

destination it is an ongoing lifelong

579

00:25:52,180 --> 00:25:48,730

journey and whether or not this

580

00:25:56,230 --> 00:25:52,190

conference continues I will continue

581

00:25:58,870 --> 00:25:56,240

that journey in some way myself um but I

582

00:26:00,970 --> 00:25:58,880

wanted to qualify that because there are

583

00:26:03,640 --> 00:26:00,980

people I know who acknowledged the

584

00:26:05,950 --> 00:26:03,650

rabbit hole exists okay and some people

585

00:26:07,510 --> 00:26:05,960

stop there and they think oh no that's

586

00:26:12,640 --> 00:26:07,520

the truth I don't need to go any further

587

00:26:14,290 --> 00:26:12,650

and wrong sorry with all due respect you

588

00:26:16,780 --> 00:26:14,300

if you've acknowledged the rabbit hole

589

00:26:19,060 --> 00:26:16,790

and you want to know the truth it's time

590

00:26:20,920 --> 00:26:19,070

to take your first few steps down okay

591

00:26:23,200 --> 00:26:20,930

and I've met a few people who've taken

592

00:26:25,060 --> 00:26:23,210

it for their first few steps down and

593

00:26:28,990 --> 00:26:25,070

that's great but I've also worked with

594

00:26:31,000 --> 00:26:29,000

people who've gone way way way down and

595

00:26:33,400 --> 00:26:31,010

let me tell you something as far down as

596

00:26:36,610 --> 00:26:33,410

my colleagues have gone the rabbit hole

597

00:26:39,940 --> 00:26:36,620

still continues to go deeper and deeper

598

00:26:44,500 --> 00:26:39,950

and deeper it is like a layered onion

599

00:26:48,820 --> 00:26:44,510

that you must peel away peel away peel

600

00:26:50,620 --> 00:26:48,830

away um and I'm not to I'm not afraid to

601
00:26:53,650 --> 00:26:50,630
find the truth no matter how

602
00:26:56,560 --> 00:26:53,660
controversial it is I want to know do we

603
00:26:58,180 --> 00:26:56,570
not fear that which we do not know more

604
00:27:00,520 --> 00:26:58,190
than anything else a lot of people think

605
00:27:02,200 --> 00:27:00,530
oh that's fear-based talking about

606
00:27:04,930 --> 00:27:02,210
conspiracy oh I don't want to get I

607
00:27:06,670 --> 00:27:04,940
don't want to get that my power I don't

608
00:27:09,730 --> 00:27:06,680
want to empower the conspiracy that's

609
00:27:12,400 --> 00:27:09,740
negative I'm sorry but when is talking

610
00:27:15,400 --> 00:27:12,410
about conspiracy or the truth no matter

611
00:27:18,370 --> 00:27:15,410
how dark it might be when it how is that

612
00:27:20,560 --> 00:27:18,380
negative it is what it is it's how you

613
00:27:23,470 --> 00:27:20,570

perceive it it's how you interpret it

614

00:27:27,250 --> 00:27:23,480

it's how you deal with it I would submit

615

00:27:30,460 --> 00:27:27,260

Greg that those who are able to seek the

616

00:27:33,370 --> 00:27:30,470

truth in both the light and very dimly

617

00:27:36,790 --> 00:27:33,380

lit places have the most intellectual

618

00:27:39,100 --> 00:27:36,800

and spiritual fortitude on this planet

619

00:27:40,390 --> 00:27:39,110

and its and again it's time for us to

620

00:27:42,460 --> 00:27:40,400

grow up and take a look at some

621

00:27:44,320 --> 00:27:42,470

disturbing things but if we can do it

622

00:27:46,440 --> 00:27:44,330

together it won't be that difficult

623

00:27:49,030 --> 00:27:46,450

there is strength in numbers

624

00:27:51,430 --> 00:27:49,040

unfortunately even with this Renaissance

625

00:27:55,330 --> 00:27:51,440

waking up around the planet the truth

626
00:27:57,940 --> 00:27:55,340
movement whatever it is uh it were still

627
00:28:00,340 --> 00:27:57,950
embryonic we still bear the burden of

628
00:28:02,620 --> 00:28:00,350
knowing these things while desperately

629
00:28:06,330 --> 00:28:02,630
trying to wake up everybody else around

630
00:28:09,730 --> 00:28:06,340
us because we we really do uh base our

631
00:28:12,580 --> 00:28:09,740
conclusions on a lot of facts testimony

632
00:28:15,100 --> 00:28:12,590
documentation history pattern it's not

633
00:28:17,320 --> 00:28:15,110
like we're saying oh I believe in UFOs

634
00:28:20,230 --> 00:28:17,330
and conspiracies I believe I'm a

635
00:28:23,710 --> 00:28:20,240
conspiracy buff this is fun this is cute

636
00:28:25,600 --> 00:28:23,720
I'm part of a club no no it's it's it's

637
00:28:27,310 --> 00:28:25,610
not fun it is difficult to bear the

638
00:28:29,530 --> 00:28:27,320

burden of knowing these things but it's

639

00:28:31,780 --> 00:28:29,540

also not about belief system and that's

640

00:28:34,120 --> 00:28:31,790

another trick alongside using the term

641

00:28:36,430 --> 00:28:34,130

conspiracy theorists that the media

642

00:28:38,890 --> 00:28:36,440

likes to use they like to use well that

643

00:28:41,440 --> 00:28:38,900

that's what these people believe I know

644

00:28:44,320 --> 00:28:41,450

what you believe has little or nothing

645

00:28:47,470 --> 00:28:44,330

to do with the truth I would like to say

646

00:28:49,510 --> 00:28:47,480

that I have concluded based upon all

647

00:28:52,150 --> 00:28:49,520

available evidence testimony

648

00:28:54,370 --> 00:28:52,160

documentation history and patterns that

649

00:28:58,360 --> 00:28:54,380

there is something to the conspiracy and

650

00:29:01,360 --> 00:28:58,370

that there is a very good reason to

651
00:29:03,640 --> 00:29:01,370
continue pursuing it and exposing the

652
00:29:06,690 --> 00:29:03,650
real problems and the real problem

653
00:29:09,850 --> 00:29:06,700
makers of this world and there is enough

654
00:29:13,420 --> 00:29:09,860
documentation Greg if anybody wants to

655
00:29:14,890 --> 00:29:13,430
look for it to sink 12 Titanic's you

656
00:29:16,990 --> 00:29:14,900
don't have to go digging around deep

657
00:29:20,170 --> 00:29:17,000
dark dungeons anymore to find the truth

658
00:29:22,240 --> 00:29:20,180
alongside Indiana Jones you don't it's

659
00:29:23,290 --> 00:29:22,250
right there on the internet or if you

660
00:29:25,330 --> 00:29:23,300
know how to read between the lines

661
00:29:28,030 --> 00:29:25,340
purchase and newspapers sometimes you'll

662
00:29:30,340 --> 00:29:28,040
find it there it's everywhere and the

663
00:29:33,610 --> 00:29:30,350

best place to hide things in plain sight

664

00:29:35,980 --> 00:29:33,620

just look at the world with focus lenses

665

00:29:38,710 --> 00:29:35,990

and try to understand the symbols around

666

00:29:40,930 --> 00:29:38,720

you that's how the elites operate it's

667

00:29:42,580 --> 00:29:40,940

right there in front of our eyes they

668

00:29:45,130 --> 00:29:42,590

know they can get away with it because

669

00:29:47,110 --> 00:29:45,140

they also know that 99 percent of the

670

00:29:51,960 --> 00:29:47,120

people walking the surface of the earth

671

00:29:57,670 --> 00:29:51,970

our symbol illiterate get to know why uh

672

00:30:01,000 --> 00:29:57,680

the the CBS logo is an i get to know why

673

00:30:02,830 --> 00:30:01,010

there is a pyramid an all-seeing eye on

674

00:30:07,870 --> 00:30:02,840

the back of the dollar bill get to

675

00:30:10,900 --> 00:30:07,880

why there is so much Sun symbolism in so

676

00:30:15,340 --> 00:30:10,910

much of what we see and the list goes on

677

00:30:17,500 --> 00:30:15,350

it's everywhere anyway i could go on

678

00:30:19,240 --> 00:30:17,510

until the cows come home greg if there's

679

00:30:21,160 --> 00:30:19,250

anything you want to inject at this

680

00:30:23,050 --> 00:30:21,170

point well i'd say let's dive into this

681

00:30:24,970 --> 00:30:23,060

content a little bit i mean when i look

682

00:30:26,950 --> 00:30:24,980

at some of the past guests I definitely

683

00:30:29,140 --> 00:30:26,960

recognize a lot of the big names you

684

00:30:31,270 --> 00:30:29,150

know David Icke Douglas Dietrich Jordan

685

00:30:32,470 --> 00:30:31,280

Maxwell Michael to sorry on but what

686

00:30:36,070 --> 00:30:32,480

have been some of your favorite

687

00:30:37,630 --> 00:30:36,080

presentations of the years past well

688

00:30:39,580 --> 00:30:37,640

I'll tell you one of the people who has

689

00:30:43,300 --> 00:30:39,590

influenced me the most is the great

690

00:30:45,610 --> 00:30:43,310

Jordan Maxwell some would find him a

691

00:30:49,570 --> 00:30:45,620

very controversial I I find him

692

00:30:51,310 --> 00:30:49,580

perfectly controversy oh uh I was

693

00:30:52,900 --> 00:30:51,320

introduced to his materials in the mid

694

00:30:55,450 --> 00:30:52,910

to late 90s and I finally got a chance

695

00:30:57,640 --> 00:30:55,460

to see and meet him around that time and

696

00:30:59,050 --> 00:30:57,650

I knew that if I were to ever do

697

00:31:01,150 --> 00:30:59,060

anything I would want to work with that

698

00:31:04,630 --> 00:31:01,160

man and I was fortunate enough to have

699

00:31:08,590 --> 00:31:04,640

done so my first year he spoke that that

700

00:31:10,930 --> 00:31:08,600

2001 just before nine eleven and when it

701
00:31:13,270 --> 00:31:10,940
comes to symbolism when it comes to

702
00:31:16,510 --> 00:31:13,280
words and terms and the symbols and

703
00:31:18,310 --> 00:31:16,520
logos and emblems all these the little

704
00:31:20,560 --> 00:31:18,320
bits of flotsam and jetsam that we use

705
00:31:23,940 --> 00:31:20,570
to communicate with each other all have

706
00:31:26,620 --> 00:31:23,950
origins and they are extraordinary and

707
00:31:28,480 --> 00:31:26,630
for those who understand the origins and

708
00:31:31,090 --> 00:31:28,490
for those who have been operating on an

709
00:31:33,400 --> 00:31:31,100
elite scale they use them to an even dig

710
00:31:35,260 --> 00:31:33,410
greater degree that we are taught to use

711
00:31:38,710 --> 00:31:35,270
them and again as i alluded our

712
00:31:41,080 --> 00:31:38,720
education is completely controlled we

713
00:31:43,660 --> 00:31:41,090

are not told anything that would truly

714

00:31:46,270 --> 00:31:43,670

empower us however there are good people

715

00:31:49,030 --> 00:31:46,280

like Jordan Maxwell who have been doing

716

00:31:50,890 --> 00:31:49,040

this for over 50 years he's been doing

717

00:31:52,750 --> 00:31:50,900

this he's been researching this and

718

00:31:56,020 --> 00:31:52,760

sharing his information and findings

719

00:32:00,070 --> 00:31:56,030

since nineteen fifty-nine flash 60 okay

720

00:32:02,470 --> 00:32:00,080

and uh he's still with us he's still up

721

00:32:04,360 --> 00:32:02,480

there doing it and I've worked with tim

722

00:32:08,470 --> 00:32:04,370

three times now I would definitely

723

00:32:10,930 --> 00:32:08,480

encourage your listeners to take a look

724

00:32:12,340 --> 00:32:10,940

at Jordan Maxwell find him on the

725

00:32:14,950 --> 00:32:12,350

internet I think it's jordan maxwell

726

00:32:16,630 --> 00:32:14,960

calm or you can google him he has been a

727

00:32:18,010 --> 00:32:16,640

huge influence on me he's

728

00:32:21,640 --> 00:32:18,020

been a huge influence on Michael

729

00:32:25,090 --> 00:32:21,650

caesarean Michael tazarian yes uh comes

730

00:32:28,030 --> 00:32:25,100

comes from Ireland and he has his own

731

00:32:30,580 --> 00:32:28,040

amazing perspective on the control grid

732

00:32:33,040 --> 00:32:30,590

all around us and who or what is behind

733

00:32:36,520 --> 00:32:33,050

it I've worked with Michael about two or

734

00:32:39,580 --> 00:32:36,530

three times as well and a lot of his

735

00:32:42,340 --> 00:32:39,590

research is on the the the form of mind

736

00:32:45,250 --> 00:32:42,350

control and the secret societies that

737

00:32:47,080 --> 00:32:45,260

are behind it and and let me just on

738

00:32:48,880 --> 00:32:47,090

that particular subject we've covered

739

00:32:51,340 --> 00:32:48,890

mind control we've had researchers in

740

00:32:54,400 --> 00:32:51,350

the subject whether it's MKULTRA project

741

00:32:59,410 --> 00:32:54,410

monarch or even more exotic things like

742

00:33:03,850 --> 00:32:59,420

the Montauk Project on the East Coast

743

00:33:06,040 --> 00:33:03,860

Upper East Coast we've had people from

744

00:33:08,080 --> 00:33:06,050

you know a victimization people who said

745

00:33:14,320 --> 00:33:08,090

that they have been part of these

746

00:33:16,630 --> 00:33:14,330

programs be it a MK ULTRA or electronic

747

00:33:19,120 --> 00:33:16,640

surveillance harassment voice to skull

748

00:33:21,190 --> 00:33:19,130

when people talk about hearing voices in

749

00:33:24,070 --> 00:33:21,200

their head look the technologies exist

750

00:33:25,690 --> 00:33:24,080

and it legitimizes the question when

751
00:33:27,610 --> 00:33:25,700
this kind when somebody claims it is it

752
00:33:30,010 --> 00:33:27,620
real or is it Memorex when you're

753
00:33:31,840 --> 00:33:30,020
hearing something is the ghosts or is it

754
00:33:35,020 --> 00:33:31,850
the secret government testing this new

755
00:33:37,630 --> 00:33:35,030
exotic technology but when it comes to

756
00:33:39,670 --> 00:33:37,640
mind control in general this is how the

757
00:33:41,770 --> 00:33:39,680
elites can this is how a handful of

758
00:33:43,990 --> 00:33:41,780
elites control the masses a lot of

759
00:33:45,930 --> 00:33:44,000
people ask me Brian how can they do that

760
00:33:49,210 --> 00:33:45,940
they can't control everybody uh-uh-uh

761
00:33:52,750 --> 00:33:49,220
yes they can we're talking about the

762
00:33:55,060 --> 00:33:52,760
ultimate powers that be again those who

763
00:33:56,650 --> 00:33:55,070

operate secretly and they operate behind

764

00:34:00,910 --> 00:33:56,660

the scenes they have access to

765

00:34:02,950 --> 00:34:00,920

incredible technologies and uh but it

766

00:34:04,240 --> 00:34:02,960

we're not touch talking about electronic

767

00:34:06,760 --> 00:34:04,250

technologies we're talking about all

768

00:34:09,460 --> 00:34:06,770

manner of technology everything at their

769

00:34:11,320 --> 00:34:09,470

disposal to mass mind control people

770

00:34:14,050 --> 00:34:11,330

they understand the mind is a computer

771

00:34:16,750 --> 00:34:14,060

and that's how they do it they can they

772

00:34:19,540 --> 00:34:16,760

do it through mind control we are all to

773

00:34:22,030 --> 00:34:19,550

some degree even yours truly I will

774

00:34:24,430 --> 00:34:22,040

admit it to a degree because I have been

775

00:34:26,320 --> 00:34:24,440

through that programming am still mind

776

00:34:29,280 --> 00:34:26,330

controlled and I'm trying like a lot of

777

00:34:30,409 --> 00:34:29,290

people to work my way out of it with

778

00:34:31,789 --> 00:34:30,419

this

779

00:34:33,980 --> 00:34:31,799

conference you know with your radio

780

00:34:37,490 --> 00:34:33,990

program with all the great researchers

781

00:34:39,079 --> 00:34:37,500

to get this this information out another

782

00:34:41,899 --> 00:34:39,089

person that stands out of course is

783

00:34:43,960 --> 00:34:41,909

David Icke and he has been I guess if

784

00:34:47,809 --> 00:34:43,970

you will advertise as the most

785

00:34:51,289 --> 00:34:47,819

controversial a researcher on earth I

786

00:34:54,710 --> 00:34:51,299

would say that is for the most part true

787

00:34:57,200 --> 00:34:54,720

there may be others who have a similar

788

00:35:00,289 --> 00:34:57,210

notoriety but I have yet to hear about

789

00:35:04,160 --> 00:35:00,299

them so much information and so many

790

00:35:06,289 --> 00:35:04,170

participants so little time but David

791

00:35:09,039 --> 00:35:06,299

lcke has come to a conclusion that there

792

00:35:10,849 --> 00:35:09,049

are non-human entities that operate

793

00:35:13,339 --> 00:35:10,859

inter-dimensionally that control both

794

00:35:15,920 --> 00:35:13,349

this world and the next and I think he

795

00:35:18,549 --> 00:35:15,930

might be right I don't know you know he

796

00:35:21,349 --> 00:35:18,559

is saying that it is a reptilian species

797

00:35:23,210 --> 00:35:21,359

well I would agree that there is a level

798

00:35:25,789 --> 00:35:23,220

of consciousness operating on this

799

00:35:28,640 --> 00:35:25,799

planet ah inside this planet and perhaps

800

00:35:30,319 --> 00:35:28,650

offworld that has been manipulating

801

00:35:34,280 --> 00:35:30,329

human affairs for thousands of

802

00:35:36,620 --> 00:35:34,290

generations it would explain a lot of

803

00:35:39,109 --> 00:35:36,630

the controlled chaos throughout human

804

00:35:41,210 --> 00:35:39,119

history it really would is it not easier

805

00:35:43,309 --> 00:35:41,220

to send a species other than your own

806

00:35:47,329 --> 00:35:43,319

like sheep and cattle to the slaughter

807

00:35:50,030 --> 00:35:47,339

well perhaps they quote unquote can do

808

00:35:55,730 --> 00:35:50,040

what they do to us so easily because

809

00:35:57,589 --> 00:35:55,740

perhaps they are not us now i don't know

810

00:36:00,049 --> 00:35:57,599

if it's reptilian i don't know if it's

811

00:36:01,940 --> 00:36:00,059

satanic i don't know if it's demonic i

812

00:36:04,010 --> 00:36:01,950

don't know if it's interdimensional i

813

00:36:06,620 --> 00:36:04,020

don't know if it's alien i'm not i'm not

814

00:36:10,130 --> 00:36:06,630

quite there yet it could be but it ain't

815

00:36:12,950 --> 00:36:10,140

us I think that considering the way we

816

00:36:15,200 --> 00:36:12,960

have been treated they they whoever they

817

00:36:18,079 --> 00:36:15,210

are have not treated us humanely or

818

00:36:20,180 --> 00:36:18,089

humanely and David Icke has been talking

819

00:36:23,210 --> 00:36:20,190

about this for a very long time and how

820

00:36:25,940 --> 00:36:23,220

they have operated this planet like a

821

00:36:27,859 --> 00:36:25,950

corporate pyramid they operate it at the

822

00:36:30,109 --> 00:36:27,869

top and these are probably those who

823

00:36:34,549 --> 00:36:30,119

operate in the hovering all seeing on I

824

00:36:36,640 --> 00:36:34,559

above the highly a cultic symbol on the

825

00:36:39,559 --> 00:36:36,650

back of the dollar bill that i

826

00:36:43,220 --> 00:36:39,569

represents a lot of different things but

827

00:36:44,359 --> 00:36:43,230

i think it represents uh those who

828

00:36:47,569 --> 00:36:44,369

really are

829

00:36:52,489 --> 00:36:47,579

have global intentions for this planet

830

00:36:54,200 --> 00:36:52,499

and uh they notice how they have placed

831

00:36:56,329 --> 00:36:54,210

themselves above the rest of the pyramid

832

00:36:58,849 --> 00:36:56,339

yes but they control the pyramid they

833

00:37:00,620 --> 00:36:58,859

control all aspects of it down one side

834

00:37:02,329 --> 00:37:00,630

you've got politics down another you've

835

00:37:04,579 --> 00:37:02,339

got media down another you've got

836

00:37:07,279 --> 00:37:04,589

military down another you've got

837

00:37:10,430 --> 00:37:07,289

education than science than religion

838

00:37:13,249 --> 00:37:10,440

every aspect of our lives has been

839

00:37:15,950 --> 00:37:13,259

touched by their tentacles very little

840

00:37:18,799 --> 00:37:15,960

very little has been painted that's the

841

00:37:22,220 --> 00:37:18,809

kind of matrix we're in that movie it's

842

00:37:24,680 --> 00:37:22,230

it's it's it's it's not fiction the

843

00:37:26,599 --> 00:37:24,690

matrix ain't just a movie and David Icke

844

00:37:29,900 --> 00:37:26,609

is written a book called children of the

845

00:37:33,559 --> 00:37:29,910

matrix that we are indeed inside a grand

846

00:37:35,779 --> 00:37:33,569

illusion a hologram um I will have a

847

00:37:39,109 --> 00:37:35,789

speaker this year who agrees her name is

848

00:37:41,660 --> 00:37:39,119

Sonja Barrett and she has she has

849

00:37:44,329 --> 00:37:41,670

written about this she had her own radio

850

00:37:47,269 --> 00:37:44,339

program she is aware that essentially

851

00:37:50,380 --> 00:37:47,279

the universe and our place in it is

852

00:37:54,789 --> 00:37:50,390

nothing but a giant hologram that is or

853

00:37:59,170 --> 00:37:54,799

operated like a corporate structure and

854

00:38:01,670 --> 00:37:59,180

we are basically pawns in that matrix

855

00:38:03,950 --> 00:38:01,680

David Icke has said that i have actually

856

00:38:05,870 --> 00:38:03,960

sent that after having done this for a

857

00:38:08,720 --> 00:38:05,880

very long time and we're going to cover

858

00:38:11,450 --> 00:38:08,730

that Sonja is incredibly eloquent she's

859

00:38:13,579 --> 00:38:11,460

very aware that there is science to back

860

00:38:16,130 --> 00:38:13,589

it up I'm not saying that because who

861

00:38:19,700 --> 00:38:16,140

need oh isn't that interesting no there

862

00:38:21,289 --> 00:38:19,710

is actual science we've got physicists

863

00:38:23,599 --> 00:38:21,299

in quantum theorists now with their

864

00:38:26,569 --> 00:38:23,609

slide rules and calculators determining

865

00:38:29,809 --> 00:38:26,579

that other dimensions exist that's

866

00:38:32,359 --> 00:38:29,819

extraordinary well that just made space

867

00:38:33,950 --> 00:38:32,369

a lot bigger it you know when it comes

868

00:38:36,769 --> 00:38:33,960

to the universe when it comes to the

869

00:38:40,039 --> 00:38:36,779

multiverse it's not that nothing is

870

00:38:42,170 --> 00:38:40,049

impossible it's that everything is all

871

00:38:44,210 --> 00:38:42,180

that consciousness came first before the

872

00:38:46,309 --> 00:38:44,220

physical world and folks if you've

873

00:38:50,029 --> 00:38:46,319

thought of something you probably just

874

00:38:51,950 --> 00:38:50,039

created it that's spark either has made

875

00:38:53,870 --> 00:38:51,960

it happen sometime in the past or it's

876

00:38:56,690 --> 00:38:53,880

happening in the present somewhere or it

877

00:38:58,170 --> 00:38:56,700

will or as some would say if time is an

878

00:39:00,870 --> 00:38:58,180

illusion everything is happening

879

00:39:03,510 --> 00:39:00,880

at once david icke don't you Barrett

880

00:39:05,460 --> 00:39:03,520

even Michael to Syrian and a handful of

881

00:39:07,800 --> 00:39:05,470

others would agree that that's what's

882

00:39:09,780 --> 00:39:07,810

going on it's it's a huge picture it's

883

00:39:12,060 --> 00:39:09,790

not just a big picture it's a huge

884

00:39:14,100 --> 00:39:12,070

picture and these people have been very

885

00:39:17,160 --> 00:39:14,110

influential on me and that is why it's

886

00:39:20,100 --> 00:39:17,170

an honor to continue to to to work with

887

00:39:22,050 --> 00:39:20,110

them um and we've got a lot of other

888

00:39:23,520 --> 00:39:22,060

interesting people this year I mean if

889

00:39:26,160 --> 00:39:23,530

for those who are familiar with the

890

00:39:28,220 --> 00:39:26,170

Thrive movement of von der gamble who's

891

00:39:32,640 --> 00:39:28,230

a member of the Procter & Gamble

892

00:39:36,690 --> 00:39:32,650

business he has created a film called

893

00:39:38,760 --> 00:39:36,700

thrive yeah guy who himself was part of

894

00:39:39,990 --> 00:39:38,770

the establishment but realized that you

895

00:39:44,130 --> 00:39:40,000

know hey we don't need to do this

896

00:39:46,380 --> 00:39:44,140

anymore uh there are free energies you

897

00:39:49,410 --> 00:39:46,390

know we may have tapped into some

898

00:39:51,300 --> 00:39:49,420

incredible technologies courtesy of of

899

00:39:53,970 --> 00:39:51,310

what's out there if we're not alone

900

00:39:58,440 --> 00:39:53,980

maybe we're getting this from elsewhere

901
00:40:01,260 --> 00:39:58,450
and we can use it for all kinds of

902
00:40:03,630 --> 00:40:01,270
applications here at home it's just a

903
00:40:05,190 --> 00:40:03,640
matter of overcoming the challenges and

904
00:40:08,250 --> 00:40:05,200
the institutions that would resist

905
00:40:09,780 --> 00:40:08,260
something like that absolutely um yeah

906
00:40:11,970 --> 00:40:09,790
you know when it comes to UFO technology

907
00:40:13,980 --> 00:40:11,980
folks again it doesn't matter whether

908
00:40:17,280 --> 00:40:13,990
little green men exists or not the

909
00:40:19,020 --> 00:40:17,290
technology does and someone's got it but

910
00:40:20,580 --> 00:40:19,030
the first step on the road to freedom

911
00:40:22,440 --> 00:40:20,590
Greg and I would say this to you and

912
00:40:26,010 --> 00:40:22,450
your audience is to realize that you are

913
00:40:28,530 --> 00:40:26,020

all slaves at least in the jaundiced of

914

00:40:30,300 --> 00:40:28,540

our so-called masters up on high mm-hmm

915

00:40:32,580 --> 00:40:30,310

and they are not going to share one

916

00:40:35,490 --> 00:40:32,590

thing that it's going to help set you

917

00:40:37,470 --> 00:40:35,500

free when it comes to auditing the

918

00:40:39,420 --> 00:40:37,480

Federal Reserve or abolishing it you

919

00:40:42,390 --> 00:40:39,430

know for the Ron Paul is out there and

920

00:40:44,550 --> 00:40:42,400

the Fed and the Fed I agree but they are

921

00:40:46,650 --> 00:40:44,560

going to fight tooth and nail they are

922

00:40:49,020 --> 00:40:46,660

also not going to when it comes to the

923

00:40:52,020 --> 00:40:49,030

UFO disclosure movement the government

924

00:40:54,210 --> 00:40:52,030

is not going to disclose because you

925

00:40:57,210 --> 00:40:54,220

know look it's the year 2013 where's my

926

00:40:59,130 --> 00:40:57,220

flying car where's my time-traveling

927

00:41:01,440 --> 00:40:59,140

delorean well I'm not going to get one

928

00:41:03,270 --> 00:41:01,450

so long as the Illuminati still exists

929

00:41:05,100 --> 00:41:03,280

because they are going to ord that

930

00:41:06,870 --> 00:41:05,110

technology they're going to keep it for

931

00:41:08,490 --> 00:41:06,880

themselves they're not going to share it

932

00:41:10,410 --> 00:41:08,500

with you or me and we've talked about

933

00:41:11,820 --> 00:41:10,420

that as well we've talked about these

934

00:41:14,730 --> 00:41:11,830

technologies

935

00:41:16,200 --> 00:41:14,740

don't don't kid yourself technologically

936

00:41:18,000 --> 00:41:16,210

ladies and gentlemen we live in a three

937

00:41:19,740 --> 00:41:18,010

tiered society there's the crap that you

938

00:41:22,350 --> 00:41:19,750

and I have access to our cars or

939

00:41:24,030 --> 00:41:22,360

toasters things that break down then

940

00:41:26,850 --> 00:41:24,040

there's the stuff the military has which

941

00:41:28,830 --> 00:41:26,860

is anywhere from 15 to 50 years in

942

00:41:31,710 --> 00:41:28,840

advance of what they'll announce then

943

00:41:33,240 --> 00:41:31,720

there's the really exotic stuff that

944

00:41:35,070 --> 00:41:33,250

only those to the top of the pyramid

945

00:41:38,970 --> 00:41:35,080

have access to and we've talked about

946

00:41:40,350 --> 00:41:38,980

that as well we talked about the secret

947

00:41:42,930 --> 00:41:40,360

space program we've talked about the

948

00:41:44,930 --> 00:41:42,940

fact that the moon itself is a highly

949

00:41:47,910 --> 00:41:44,940

anomalous neighbor our nearest neighbor

950

00:41:50,400 --> 00:41:47,920

may be an artificial construct David

951
00:41:52,950 --> 00:41:50,410
Icke talks about that that the control

952
00:41:54,870 --> 00:41:52,960
grid operates off world and that our

953
00:41:57,840 --> 00:41:54,880
nearest neighbor may be an intimate part

954
00:42:01,490 --> 00:41:57,850
of that the moon folks the moon folks is

955
00:42:05,550 --> 00:42:01,500
one big giant anomaly i would submit

956
00:42:08,040 --> 00:42:05,560
forget roswell the biggest UFO story the

957
00:42:11,100 --> 00:42:08,050
biggest UFO conspiracy is that which

958
00:42:12,870 --> 00:42:11,110
shines brightly 13 times a year it's

959
00:42:15,270 --> 00:42:12,880
right over our heads there is something

960
00:42:18,210 --> 00:42:15,280
very wrong with that I've had Jose

961
00:42:20,610 --> 00:42:18,220
Escamilla on the moon I've had Alfred

962
00:42:22,590 --> 00:42:20,620
Weber talk about the Moon and Mars I've

963
00:42:25,080 --> 00:42:22,600

had Richard Hoagland come and talk about

964

00:42:27,720 --> 00:42:25,090

the moon last year I had the great jay

965

00:42:30,900 --> 00:42:27,730

Weidner who did a Kubrick's Odyssey the

966

00:42:34,200 --> 00:42:30,910

fantastic document yes about the moon

967

00:42:37,590 --> 00:42:34,210

jay Weidner he talked about how NASA

968

00:42:39,270 --> 00:42:37,600

Commission the great one of the all time

969

00:42:41,760 --> 00:42:39,280

if not the greatest directors of all

970

00:42:44,400 --> 00:42:41,770

time Stanley Kubrick once he was working

971

00:42:48,210 --> 00:42:44,410

on 2001 they commissioned him to help

972

00:42:50,910 --> 00:42:48,220

fake the moon shot and there's a lot of

973

00:42:52,500 --> 00:42:50,920

question with in ufology and the

974

00:42:54,270 --> 00:42:52,510

conspiracy truth movement as to whether

975

00:42:56,280 --> 00:42:54,280

or not we went to the moon well I would

976

00:42:58,080 --> 00:42:56,290

submit we did go to the moon we

977

00:43:01,080 --> 00:42:58,090

certainly have had the technology to do

978

00:43:04,620 --> 00:43:01,090

so but we were not shown the real moon

979

00:43:07,140 --> 00:43:04,630

because there's something very very very

980

00:43:08,820 --> 00:43:07,150

wrong with it and we won't be covering

981

00:43:11,400 --> 00:43:08,830

the moon this year but I covered it many

982

00:43:13,050 --> 00:43:11,410

times and i hope to in the future so

983

00:43:15,000 --> 00:43:13,060

that's it that's just a little bit more

984

00:43:16,320 --> 00:43:15,010

of the kinds of things that concern me

985

00:43:18,170 --> 00:43:16,330

and that we've covered at this

986

00:43:20,640 --> 00:43:18,180

conference and will continue to

987

00:43:24,240 --> 00:43:20,650

absolutely man i mean that's all great

988

00:43:25,680 --> 00:43:24,250

stuff you know i'm a big fan of of most

989

00:43:27,560 --> 00:43:25,690

of those people that she

990

00:43:30,390 --> 00:43:27,570

you hit you did you mentioned I mean

991

00:43:31,950 --> 00:43:30,400

Sonya Barrett was new to me and when I

992

00:43:34,050 --> 00:43:31,960

looked into some of her recent

993

00:43:35,940 --> 00:43:34,060

interviews talking about the mind

994

00:43:37,440 --> 00:43:35,950

control in the programming and how

995

00:43:38,610 --> 00:43:37,450

easily were affected by it she did

996

00:43:39,960 --> 00:43:38,620

really get me thinking about kind of

997

00:43:42,870 --> 00:43:39,970

what you said the Machine rebellion

998

00:43:44,760 --> 00:43:42,880

David Ickes lines that that Hollywood

999

00:43:46,260 --> 00:43:44,770

motif of the machines rising up in

1000

00:43:48,180 --> 00:43:46,270

rebellious like the Terminator or

1001
00:43:50,160 --> 00:43:48,190
Battlestar Galactica or the matrix

1002
00:43:51,720 --> 00:43:50,170
something people talk about and they

1003
00:43:53,460 --> 00:43:51,730
wonder about the technological

1004
00:43:56,340 --> 00:43:53,470
singularity you know the reycarts well

1005
00:43:58,110 --> 00:43:56,350
stuff but if you have you come from the

1006
00:43:59,910 --> 00:43:58,120
angle that we were originally created as

1007
00:44:01,770 --> 00:43:59,920
a slave race or just to keep it simple

1008
00:44:03,870 --> 00:44:01,780
we're definitely treated like gears and

1009
00:44:05,910 --> 00:44:03,880
cogs by the corporate overlords I mean

1010
00:44:07,950 --> 00:44:05,920
maybe the rise of machines is a symbolic

1011
00:44:10,350 --> 00:44:07,960
representation of the worker class

1012
00:44:12,660 --> 00:44:10,360
rather than the technology of the

1013
00:44:14,310 --> 00:44:12,670

working class and or maybe we're just

1014

00:44:16,770 --> 00:44:14,320

repeating the same cycle you know we're

1015

00:44:18,240 --> 00:44:16,780

created as a slave race we rise up we

1016

00:44:20,370 --> 00:44:18,250

create our own technology that

1017

00:44:22,290 --> 00:44:20,380

technology rises up then they make slave

1018

00:44:24,300 --> 00:44:22,300

machines and then those machines rise up

1019

00:44:26,880 --> 00:44:24,310

because I guess by nature when you're

1020

00:44:28,230 --> 00:44:26,890

creating workers there's always going to

1021

00:44:29,790 --> 00:44:28,240

be more of them than there are going to

1022

00:44:33,630 --> 00:44:29,800

be at the top and when they get smart

1023

00:44:35,970 --> 00:44:33,640

enough they'll overcome that that is a

1024

00:44:39,180 --> 00:44:35,980

very fascinating concept Greg um

1025

00:44:41,610 --> 00:44:39,190

interesting how you would suggest that

1026

00:44:44,250 --> 00:44:41,620

the robots rebellion would be the very

1027

00:44:47,130 --> 00:44:44,260

machines that we slaves create a lot

1028

00:44:49,950 --> 00:44:47,140

Battlestar Galactica which was a very a

1029

00:44:53,670 --> 00:44:49,960

very good show and an excellent allegory

1030

00:44:56,430 --> 00:44:53,680

for just the concept you addressed David

1031

00:44:58,500 --> 00:44:56,440

Icke talks about a time loop that we are

1032

00:45:01,440 --> 00:44:58,510

in a loop that all of this is cyclical

1033

00:45:04,710 --> 00:45:01,450

and we need to break that cycle I have

1034

00:45:07,440 --> 00:45:04,720

often thought that as enlightened as it

1035

00:45:09,390 --> 00:45:07,450

is to consider reincarnation that even

1036

00:45:11,910 --> 00:45:09,400

reincarnation if we keep coming back

1037

00:45:15,000 --> 00:45:11,920

again and again and again isn't itself a

1038

00:45:18,320 --> 00:45:15,010

mutation it's a trap it's a trick we

1039

00:45:21,300 --> 00:45:18,330

keep incarnated on this prison planet um

1040

00:45:24,330 --> 00:45:21,310

and you know every time we do we don't

1041

00:45:26,670 --> 00:45:24,340

remember our life between lives we don't

1042

00:45:28,650 --> 00:45:26,680

remember our past lives unless you find

1043

00:45:31,230 --> 00:45:28,660

an expert who can hypnotize you and do

1044

00:45:33,930 --> 00:45:31,240

those things but as a rule we're born

1045

00:45:36,270 --> 00:45:33,940

into a society with institutions in

1046

00:45:39,450 --> 00:45:36,280

place to ensure we forget those things

1047

00:45:42,300 --> 00:45:39,460

that we forget ourselves to disconnect

1048

00:45:44,760 --> 00:45:42,310

does from consciousness we are drops of

1049

00:45:47,040 --> 00:45:44,770

water in a sea and we don't even know

1050

00:45:49,650 --> 00:45:47,050

we're part of the sea mm-hmm we are

1051
00:45:52,740 --> 00:45:49,660
indeed disconnected we are individuals

1052
00:45:54,690 --> 00:45:52,750
you know we feel that as humans it you

1053
00:45:56,880 --> 00:45:54,700
know to be human is to be subjective in

1054
00:46:00,030 --> 00:45:56,890
nature we're all different we're all

1055
00:46:02,460 --> 00:46:00,040
separate well supposedly technically

1056
00:46:04,880 --> 00:46:02,470
scientifically spiritually consciously

1057
00:46:07,710 --> 00:46:04,890
were not and that's where we need to go

1058
00:46:09,810 --> 00:46:07,720
we can talk about the mechanics of

1059
00:46:12,150 --> 00:46:09,820
what's happening right here in this

1060
00:46:15,150 --> 00:46:12,160
particular vibrational frequency this

1061
00:46:20,250 --> 00:46:15,160
plane on earth but perhaps something

1062
00:46:22,770 --> 00:46:20,260
higher is is is going on and and there's

1063
00:46:24,510 --> 00:46:22,780

that cycle you know we we we are built

1064

00:46:26,880 --> 00:46:24,520

as a slave race and then we build

1065

00:46:29,100 --> 00:46:26,890

machines and then they may be become

1066

00:46:31,230 --> 00:46:29,110

self-aware and they feel like a la

1067

00:46:33,570 --> 00:46:31,240

Galactica yeah that they were slave race

1068

00:46:35,520 --> 00:46:33,580

that need to rebel and now were the bad

1069

00:46:37,890 --> 00:46:35,530

guys you know it's it's interesting

1070

00:46:40,560 --> 00:46:37,900

below it's a matter of perspective who's

1071

00:46:42,330 --> 00:46:40,570

who's the bad guy well you know maybe

1072

00:46:44,820 --> 00:46:42,340

maybe we're on some course sort of

1073

00:46:48,960 --> 00:46:44,830

cosmic food chain I you know that I

1074

00:46:50,460 --> 00:46:48,970

consider that as well but I also I stick

1075

00:46:53,220 --> 00:46:50,470

to my convictions that something is very

1076
00:46:56,900 --> 00:46:53,230
very wrong and that we are indeed being

1077
00:46:59,310 --> 00:46:56,910
taken advantage of and that a

1078
00:47:01,170 --> 00:46:59,320
win-win-win scenario can be achieved

1079
00:47:03,060 --> 00:47:01,180
it's just that there is someone or

1080
00:47:07,170 --> 00:47:03,070
something out there that does not want

1081
00:47:08,970 --> 00:47:07,180
that achieved non one iota and you know

1082
00:47:10,770 --> 00:47:08,980
we only have so much time on this planet

1083
00:47:13,830 --> 00:47:10,780
to learn these things before we

1084
00:47:16,620 --> 00:47:13,840
transition and there's a lot of talk

1085
00:47:18,900 --> 00:47:16,630
about if we have souls what do you do

1086
00:47:20,940 --> 00:47:18,910
when you die I would submission is

1087
00:47:23,130 --> 00:47:20,950
submit folks that if the universe if not

1088
00:47:25,440 --> 00:47:23,140

the multiverse is that big you've got

1089

00:47:27,990 --> 00:47:25,450

options there are folks in the spiritual

1090

00:47:29,940 --> 00:47:28,000

meta community who say go to the light

1091

00:47:33,300 --> 00:47:29,950

go to the light well what if the light

1092

00:47:36,050 --> 00:47:33,310

is a trick what if it's a trap what if

1093

00:47:38,970 --> 00:47:36,060

that's where you go to be reprogrammed

1094

00:47:40,650 --> 00:47:38,980

where you have your memory filaments

1095

00:47:42,660 --> 00:47:40,660

removed so that you've forgotten

1096

00:47:46,710 --> 00:47:42,670

everything and then you can just be sent

1097

00:47:49,350 --> 00:47:46,720

right back to this factory uh this sweat

1098

00:47:52,080 --> 00:47:49,360

house called Earth to do it all over

1099

00:47:53,460 --> 00:47:52,090

again says I would submit folks if you

1100

00:47:57,690 --> 00:47:53,470

find yourself having trains

1101
00:48:00,450 --> 00:47:57,700
stop hold your horses look around and

1102
00:48:05,640 --> 00:48:00,460
check your options ask for your higher

1103
00:48:07,950 --> 00:48:05,650
self okay and ask go within because at

1104
00:48:10,410 --> 00:48:07,960
this if that process is part of a loop

1105
00:48:13,050 --> 00:48:10,420
that keeps bringing us back here I say

1106
00:48:15,720 --> 00:48:13,060
screw them find someplace else to go

1107
00:48:19,380 --> 00:48:15,730
don't come back if you're just going to

1108
00:48:23,220 --> 00:48:19,390
end up being enslaved just a thought a

1109
00:48:25,020 --> 00:48:23,230
suggestion no that's awesome you know

1110
00:48:26,730 --> 00:48:25,030
another great speaker that is going to

1111
00:48:28,230 --> 00:48:26,740
be at this year's conference I'm hoping

1112
00:48:30,720 --> 00:48:28,240
that I can catch him in the hallways and

1113
00:48:31,950 --> 00:48:30,730

do a little conversating with his

1114

00:48:33,690 --> 00:48:31,960

Freeman you know he's pretty awesome

1115

00:48:36,210 --> 00:48:33,700

he's loaded with little interesting

1116

00:48:38,339 --> 00:48:36,220

nuggets one of my favorite things that

1117

00:48:40,020 --> 00:48:38,349

I've heard from him that's been tagged

1118

00:48:41,730 --> 00:48:40,030

in my mind came from his lengthy

1119

00:48:43,620 --> 00:48:41,740

interview where you're talking about

1120

00:48:45,180 --> 00:48:43,630

programming in the occult influence of

1121

00:48:47,820 --> 00:48:45,190

Disney films and he said you know that

1122

00:48:49,440 --> 00:48:47,830

song when you wish upon a star well what

1123

00:48:51,330 --> 00:48:49,450

do you think a star is it's a pentagram

1124

00:48:53,609 --> 00:48:51,340

they're literally talking about

1125

00:48:54,660 --> 00:48:53,619

performing magic and I just thought that

1126

00:48:56,940 --> 00:48:54,670

seemed pretty damn interesting

1127

00:48:58,589 --> 00:48:56,950

especially among the other examples he

1128

00:49:00,599 --> 00:48:58,599

was given and I believe his talk is

1129

00:49:05,280 --> 00:49:00,609

going to be on similar things this year

1130

00:49:07,560 --> 00:49:05,290

as well right yes he's absolutely

1131

00:49:11,010 --> 00:49:07,570

correct when it comes to the occultic

1132

00:49:13,560 --> 00:49:11,020

nature of the kinds of films and

1133

00:49:17,520 --> 00:49:13,570

programming that Disney and the Disney

1134

00:49:20,550 --> 00:49:17,530

Corporation subjects are our eyes ears

1135

00:49:23,339 --> 00:49:20,560

and minds to especially those of young

1136

00:49:27,180 --> 00:49:23,349

children those formative years I

1137

00:49:30,480 --> 00:49:27,190

mentioned earlier and indeed the media

1138

00:49:36,050 --> 00:49:30,490

entertainment occult industrial complex

1139

00:49:40,050 --> 00:49:36,060

continues to subject us to incredible

1140

00:49:43,470 --> 00:49:40,060

ideas concepts symbolism again go back

1141

00:49:48,089 --> 00:49:43,480

to what Jordan Maxwell is researched but

1142

00:49:51,780 --> 00:49:48,099

Freeman is uber aware of this as well

1143

00:49:54,800 --> 00:49:51,790

and he's going to be covering basically

1144

00:49:57,540 --> 00:49:54,810

how how the the nation is being

1145

00:50:00,720 --> 00:49:57,550

controlled by people involved in the

1146

00:50:04,820 --> 00:50:00,730

Satanic movement that they use a cult

1147

00:50:06,940 --> 00:50:04,830

technology they use mind control on to

1148

00:50:09,700 --> 00:50:06,950

basically have there

1149

00:50:12,310 --> 00:50:09,710

way with us I mean we we are to them the

1150

00:50:17,380 --> 00:50:12,320

sheep and cattle we are we are puppets

1151
00:50:19,630 --> 00:50:17,390
we are pawns we we are in a global game

1152
00:50:21,849 --> 00:50:19,640
of chess played by the worst of tyrants

1153
00:50:24,069 --> 00:50:21,859
and I would submit to anybody listening

1154
00:50:26,620 --> 00:50:24,079
to this conversation those who represent

1155
00:50:29,650 --> 00:50:26,630
Oh a one of the alphabet soup agencies

1156
00:50:32,380 --> 00:50:29,660
those that are whose job it is out of

1157
00:50:34,599 --> 00:50:32,390
area 51 or Utah or wherever to monitor

1158
00:50:37,300 --> 00:50:34,609
transmissions let me tell you something

1159
00:50:39,550 --> 00:50:37,310
in this global game of chess when we

1160
00:50:43,270 --> 00:50:39,560
pawns are no longer when there are none

1161
00:50:45,880 --> 00:50:43,280
of us you too as rooks knights and even

1162
00:50:48,490 --> 00:50:45,890
bishops will be sacrificed in order to

1163
00:50:50,589 --> 00:50:48,500

protect the king and queen absolutely I

1164

00:50:53,020 --> 00:50:50,599

like to say that I I like to put that

1165

00:50:55,270 --> 00:50:53,030

out there to anybody whose job it is to

1166

00:50:58,420 --> 00:50:55,280

listen to us because we conspiracy

1167

00:50:59,980 --> 00:50:58,430

theorists are the so-called bad guys uh

1168

00:51:01,870 --> 00:50:59,990

sorry but we're trying to save this

1169

00:51:03,310 --> 00:51:01,880

nation folks absolute and Freeman is

1170

00:51:05,740 --> 00:51:03,320

going to be a very important part of

1171

00:51:07,170 --> 00:51:05,750

that because as I said earlier how can a

1172

00:51:09,640 --> 00:51:07,180

handful of elites control the masses

1173

00:51:11,109 --> 00:51:09,650

they have mapped and tapped into one of

1174

00:51:13,300 --> 00:51:11,119

the biggest mysteries known to humankind

1175

00:51:15,880 --> 00:51:13,310

and that's which rests between your ears

1176

00:51:18,609 --> 00:51:15,890

and right behind your eyes and folks

1177

00:51:21,040 --> 00:51:18,619

every single nano second of every day

1178

00:51:22,870 --> 00:51:21,050

they are working you and it's important

1179

00:51:25,540 --> 00:51:22,880

to wake up from that ancient slumber and

1180

00:51:28,240 --> 00:51:25,550

see guys like Freeman he's a young guy

1181

00:51:29,800 --> 00:51:28,250

and he gets it interestingly though he

1182

00:51:31,660 --> 00:51:29,810

comes with an interesting pedigree his

1183

00:51:34,630 --> 00:51:31,670

father was involved in a lot of this

1184

00:51:37,120 --> 00:51:34,640

stuff and while Freeman was growing up

1185

00:51:39,069 --> 00:51:37,130

he began to wake up to that fact so he's

1186

00:51:40,780 --> 00:51:39,079

kind of got a double whammy there's the

1187

00:51:42,730 --> 00:51:40,790

stuff that he's learned from his own

1188

00:51:45,059 --> 00:51:42,740

father and family and then there's his

1189

00:51:47,230 --> 00:51:45,069

own research which is incredible

1190

00:51:49,120 --> 00:51:47,240

absolutely and you know we've got a lot

1191

00:51:51,970 --> 00:51:49,130

of other great great people with us uh

1192

00:51:53,980 --> 00:51:51,980

you know James Fetzer who is one of the

1193

00:51:58,540 --> 00:51:53,990

best researchers into the JFK

1194

00:52:01,559 --> 00:51:58,550

assassination and 911 yeah there's 50

1195

00:52:05,740 --> 00:52:01,569

years a half century since the elites

1196

00:52:07,359 --> 00:52:05,750

killed JFK and again people are people

1197

00:52:08,770 --> 00:52:07,369

people are getting that you know not

1198

00:52:10,870 --> 00:52:08,780

just with the help of oliver stone's

1199

00:52:13,480 --> 00:52:10,880

movie but people are really getting that

1200

00:52:16,180 --> 00:52:13,490

we are being lied to and that Oswald was

1201
00:52:18,309 --> 00:52:16,190
not the lone gunman and that of the

1202
00:52:20,890 --> 00:52:18,319
official version of JFK is as much

1203
00:52:23,530 --> 00:52:20,900
hogwash as the official version of nine

1204
00:52:25,420 --> 00:52:23,540
11 and so much more jim fetzer is one of

1205
00:52:27,940 --> 00:52:25,430
ego two guys when it comes to that he's

1206
00:52:30,310 --> 00:52:27,950
got some updates and brand new

1207
00:52:33,280 --> 00:52:30,320
revelations about what happened that day

1208
00:52:37,450 --> 00:52:33,290
while I it happened by whom and what

1209
00:52:39,220 --> 00:52:37,460
their plans since are for this country

1210
00:52:43,060 --> 00:52:39,230
it's almost like the assassination of

1211
00:52:44,920 --> 00:52:43,070
America it really is and it's important

1212
00:52:46,660 --> 00:52:44,930
to talk about that it's important to you

1213
00:52:48,760 --> 00:52:46,670

know if we don't it's I know this is a

1214

00:52:50,290 --> 00:52:48,770

cliche perhaps but if we don't remember

1215

00:52:52,890 --> 00:52:50,300

our lessons of history we're doomed to

1216

00:52:55,990 --> 00:52:52,900

repeat them and so James is is a

1217

00:52:59,310 --> 00:52:56,000

wonderful historian in in in that regard

1218

00:53:03,280 --> 00:52:59,320

and we should not forget JFK because of

1219

00:53:05,740 --> 00:53:03,290

what was done to him uh he was you know

1220

00:53:10,450 --> 00:53:05,750

he wasn't perfect he was born into a

1221

00:53:11,770 --> 00:53:10,460

corrupt family no doubt but he didn't

1222

00:53:13,360 --> 00:53:11,780

have the programming that his older

1223

00:53:15,820 --> 00:53:13,370

brother went through courtesy of their

1224

00:53:17,470 --> 00:53:15,830

father Joseph their oldest the oldest

1225

00:53:19,810 --> 00:53:17,480

son was being groomed for the presidency

1226

00:53:22,780 --> 00:53:19,820

and that involves a lot of that

1227

00:53:25,450 --> 00:53:22,790

programming during the early formative

1228

00:53:27,490 --> 00:53:25,460

years well John didn't have that Jack

1229

00:53:30,460 --> 00:53:27,500

didn't have that neither did Bobby and

1230

00:53:34,540 --> 00:53:30,470

so when Joseph had to go with his second

1231

00:53:36,490 --> 00:53:34,550

choice after his eldest died Jack and

1232

00:53:38,290 --> 00:53:36,500

Bobby actually became wild cards and

1233

00:53:40,710 --> 00:53:38,300

they started doing some good things they

1234

00:53:43,870 --> 00:53:40,720

started arresting the mob they started

1235

00:53:46,960 --> 00:53:43,880

producing silver certificates debt-free

1236

00:53:50,740 --> 00:53:46,970

money against the will of the Federal

1237

00:53:54,010 --> 00:53:50,750

Reserve our central bank Jack threatened

1238

00:53:56,080 --> 00:53:54,020

the CIA he fired the then director allen

1239

00:53:59,200 --> 00:53:56,090

dulles he promised to get out of Vietnam

1240

00:54:01,060 --> 00:53:59,210

in five years which of course threatened

1241

00:54:03,760 --> 00:54:01,070

the military intelligence occult

1242

00:54:06,040 --> 00:54:03,770

industrial complex which of course is

1243

00:54:09,100 --> 00:54:06,050

owned and controlled by the bankers uh

1244

00:54:11,020 --> 00:54:09,110

and he was making incredible speeches

1245

00:54:13,090 --> 00:54:11,030

across the nation telling the truth and

1246

00:54:15,100 --> 00:54:13,100

and and saying that he would expose the

1247

00:54:17,470 --> 00:54:15,110

conspiracy can you believe it there was

1248

00:54:19,780 --> 00:54:17,480

a president that was saying this yeah

1249

00:54:21,640 --> 00:54:19,790

you know he was out there talking about

1250

00:54:24,760 --> 00:54:21,650

the conspiracy a president of the United

1251
00:54:26,860 --> 00:54:24,770
States well they couldn't have that they

1252
00:54:29,320 --> 00:54:26,870
couldn't have that and so they put a

1253
00:54:31,750 --> 00:54:29,330
bullet in his brain for all to see all

1254
00:54:34,330 --> 00:54:31,760
to see they did it with Lincoln's they

1255
00:54:37,210 --> 00:54:34,340
did it with McCarthy uh with

1256
00:54:39,310 --> 00:54:37,220
inle with Garfield all of them defied

1257
00:54:43,810 --> 00:54:39,320
the central bankers of their time so a

1258
00:54:45,640 --> 00:54:43,820
message had to be sent and it's and the

1259
00:54:49,720 --> 00:54:45,650
message is is loud and clear for those

1260
00:54:52,780 --> 00:54:49,730
who can who can read it this is what

1261
00:54:54,360 --> 00:54:52,790
happens when you put excuse me this is

1262
00:54:56,890 --> 00:54:54,370
what happens when you mess with us

1263
00:54:58,390 --> 00:54:56,900

anyway James was going to talk about

1264

00:55:03,520 --> 00:54:58,400

what happened and the historical

1265

00:55:05,800 --> 00:55:03,530

ramifications of JFK and we've got

1266

00:55:07,030 --> 00:55:05,810

Donald Fox who's going to be on nine

1267

00:55:09,010 --> 00:55:07,040

eleven this year there's been a huge

1268

00:55:12,120 --> 00:55:09,020

debate Greg about what precisely brought

1269

00:55:14,590 --> 00:55:12,130

down the Twin Towers Donald talks who's

1270

00:55:17,410 --> 00:55:14,600

spoke eloquently at the Vancouver

1271

00:55:19,420 --> 00:55:17,420

hearings on 911 last year I think he's

1272

00:55:23,740 --> 00:55:19,430

got the answer I think he's got the one

1273

00:55:26,320 --> 00:55:23,750

thing that will hopefully put a lot of

1274

00:55:28,690 --> 00:55:26,330

debate aside in the 911 truth move

1275

00:55:30,430 --> 00:55:28,700

really unites us but there has been

1276

00:55:32,140 --> 00:55:30,440

there has been a huge schism about

1277

00:55:34,360 --> 00:55:32,150

precisely what brought down the Twin

1278

00:55:37,960 --> 00:55:34,370

Towers there there are those who say

1279

00:55:39,460 --> 00:55:37,970

that it was just uh nano-thermite but

1280

00:55:41,980 --> 00:55:39,470

that that did it there are those that

1281

00:55:44,230 --> 00:55:41,990

say it could have been directed energy

1282

00:55:48,370 --> 00:55:44,240

weapons well I'll give you I'll give you

1283

00:55:51,940 --> 00:55:48,380

a little bit of a hint folks based on

1284

00:55:55,740 --> 00:55:51,950

the science based on solid physics and

1285

00:55:58,960 --> 00:55:55,750

science there is a huge nuclear

1286

00:56:00,760 --> 00:55:58,970

signature involved in in the Twin Towers

1287

00:56:02,110 --> 00:56:00,770

really and I think it's going to I think

1288

00:56:04,030 --> 00:56:02,120

it's going to settle the argument once

1289

00:56:06,250 --> 00:56:04,040

and for all and Donald has the science

1290

00:56:08,530 --> 00:56:06,260

and you know if you've been disputing

1291

00:56:10,090 --> 00:56:08,540

that or if you agree with that he's the

1292

00:56:12,580 --> 00:56:10,100

person to see he's going to have some

1293

00:56:16,870 --> 00:56:12,590

incredible material and when it comes to

1294

00:56:19,600 --> 00:56:16,880

911 um you know there's you and I could

1295

00:56:21,310 --> 00:56:19,610

probably talk forever about what's wrong

1296

00:56:23,470 --> 00:56:21,320

with the official version but this

1297

00:56:25,390 --> 00:56:23,480

particular issue has divided much of the

1298

00:56:28,060 --> 00:56:25,400

911 truth it has I thought it was very

1299

00:56:29,770 --> 00:56:28,070

important and I think Donald Fox is

1300

00:56:32,950 --> 00:56:29,780

going to settle that debate once and for

1301

00:56:35,250 --> 00:56:32,960

all we hope people come see him you know

1302

00:56:37,990 --> 00:56:35,260

when it comes to technologies their

1303

00:56:40,540 --> 00:56:38,000

weather modification technologies are

1304

00:56:41,920 --> 00:56:40,550

real we talked about HAARP in the past

1305

00:56:44,650 --> 00:56:41,930

we've talked about chemtrails in the

1306

00:56:46,450 --> 00:56:44,660

past we talked about what they're doing

1307

00:56:48,370 --> 00:56:46,460

to the weather we just had hurricane

1308

00:56:51,400 --> 00:56:48,380

sandy well I've got a guy named doc

1309

00:56:54,549 --> 00:56:51,410

true OTT who with the science will prove

1310

00:56:57,609 --> 00:56:54,559

that there is an identifiable signature

1311

00:56:59,950 --> 00:56:57,619

proving that tectonic events atmospheric

1312

00:57:02,920 --> 00:56:59,960

events have a signature that they are

1313

00:57:05,140 --> 00:57:02,930

indeed man-made and we're going to cover

1314

00:57:08,460 --> 00:57:05,150

that as well the powers that be are

1315

00:57:10,690 --> 00:57:08,470

going to harness mother nature as a

1316

00:57:13,720 --> 00:57:10,700

weapon of war and they're going to use

1317

00:57:16,990 --> 00:57:13,730

it against us and it's very clever you

1318

00:57:20,230 --> 00:57:17,000

have to give them credit because they

1319

00:57:22,329 --> 00:57:20,240

can destroy regions and everyone will

1320

00:57:24,910 --> 00:57:22,339

blame mother nature instead of the real

1321

00:57:28,329 --> 00:57:24,920

culprits we've got to realize that these

1322

00:57:31,180 --> 00:57:28,339

technologies have been developed for a

1323

00:57:33,190 --> 00:57:31,190

very long time there were super powers

1324

00:57:34,900 --> 00:57:33,200

that signed a pact in the late 70s

1325

00:57:36,519 --> 00:57:34,910

declaring that they would not use these

1326

00:57:38,980 --> 00:57:36,529

technologies well if that was back in

1327

00:57:43,539 --> 00:57:38,990

the late 70s imagine what they have now

1328

00:57:45,009 --> 00:57:43,549

we can't ignore this therefore who were

1329

00:57:48,249 --> 00:57:45,019

talking about health freedom we've got

1330

00:57:53,200 --> 00:57:48,259

Obamacare coming up we've got we've got

1331

00:57:56,019 --> 00:57:53,210

iatrogenic literally manslaughter that's

1332

00:57:59,109 --> 00:57:56,029

occurring in mainstream medicine and now

1333

00:58:02,200 --> 00:57:59,119

they want to force a more of it down our

1334

00:58:03,880 --> 00:58:02,210

throats and we've got dr. Lynn saputo

1335

00:58:06,670 --> 00:58:03,890

he's a local guy here in the bay area

1336

00:58:09,700 --> 00:58:06,680

that's been all for health freedom he is

1337

00:58:11,470 --> 00:58:09,710

going to be talking about that and then

1338

00:58:13,029 --> 00:58:11,480

there's another controversial subject

1339

00:58:15,279 --> 00:58:13,039

and if you want controversy this

1340

00:58:17,799 --> 00:58:15,289

conference is it I've got a gal named

1341

00:58:19,390 --> 00:58:17,809

Sophia small storm and now Greg you may

1342

00:58:22,390 --> 00:58:19,400

have heard of her she has researched

1343

00:58:24,249 --> 00:58:22,400

everything from 9-11 to chem trails and

1344

00:58:25,990 --> 00:58:24,259

that's all that the air assault the

1345

00:58:27,999 --> 00:58:26,000

clandestine aerosol spraying that's

1346

00:58:31,839 --> 00:58:28,009

going on above our skies the streets

1347

00:58:33,579 --> 00:58:31,849

King the you know are the the vanilla

1348

00:58:36,609 --> 00:58:33,589

sky and there was even a movie called

1349

00:58:38,460 --> 00:58:36,619

that with Tom Cruise sophia has

1350

00:58:41,349 --> 00:58:38,470

researched both of those topics

1351

00:58:44,859 --> 00:58:41,359

amazingly but this year sandy hook

1352

00:58:47,079 --> 00:58:44,869

caught her eye and the rabbit hole goes

1353

00:58:49,539 --> 00:58:47,089

very deep with that as well we're

1354

00:58:52,150 --> 00:58:49,549

looking at based on all available

1355

00:58:54,519 --> 00:58:52,160

evidence your classic false flag events

1356

00:58:57,309 --> 00:58:54,529

whether it's the shooting in the Aurora

1357

00:59:02,109 --> 00:58:57,319

Colorado theater sandy hook or the

1358

00:59:04,049 --> 00:59:02,119

recent Boston bombing there are earmarks

1359

00:59:08,019 --> 00:59:04,059

these are false flag events especially

1360

00:59:12,309 --> 00:59:08,029

when there are drills going on by any

1361

00:59:14,529 --> 00:59:12,319

agency du jour that involve the

1362

00:59:18,940 --> 00:59:14,539

so-called tragedy either before or the

1363

00:59:21,279 --> 00:59:18,950

very day of the tragedy close by or just

1364

00:59:23,279 --> 00:59:21,289

even the same day that should raise a

1365

00:59:26,319 --> 00:59:23,289

red flag for a lot of people right there

1366

00:59:29,529 --> 00:59:26,329

Sandy Hook is no exception of course 911

1367

00:59:34,089 --> 00:59:29,539

FEMA was there the night before Sandy

1368

00:59:35,950 --> 00:59:34,099

Hook is no exception I understand Boston

1369

00:59:39,099 --> 00:59:35,960

the Boston bombings they were having

1370

00:59:41,920 --> 00:59:39,109

test explosions there the same way of

1371

00:59:44,079 --> 00:59:41,930

true yeah we've got you know we've got

1372

00:59:46,960 --> 00:59:44,089

crisis actors that are showing up people

1373

00:59:49,839 --> 00:59:46,970

that you know don't shed one tier at all

1374

00:59:52,960 --> 00:59:49,849

it's completely fake it's phony it's a

1375

00:59:55,499 --> 00:59:52,970

movie folks it's it's it's it's like the

1376

00:59:58,779 --> 00:59:55,509

illusion creating an illusion this is

1377

01:00:00,519 --> 00:59:58,789

that Leonardo DiCaprio film but the the

1378

01:00:04,390 --> 01:00:00,529

nolan subs on the dream within a dream

1379

01:00:06,880 --> 01:00:04,400

Oh an inception exactly yeah we're

1380

01:00:09,190 --> 01:00:06,890

looking at an inception kind of scenario

1381

01:00:11,650 --> 01:00:09,200

an illusion within an illusion a lie

1382

01:00:14,739 --> 01:00:11,660

within a lie and again you gotta peel

1383

01:00:17,229 --> 01:00:14,749

back and peel back those layers and go

1384

01:00:20,349 --> 01:00:17,239

down the rabbit hole Sophia small storms

1385

01:00:22,390 --> 01:00:20,359

going to do that in spades it's going to

1386

01:00:24,670 --> 01:00:22,400

be a visually rich presentation I know

1387

01:00:26,920 --> 01:00:24,680

that's uncomfortable for people to think

1388

01:00:29,920 --> 01:00:26,930

that you know we would challenge a

1389

01:00:32,529 --> 01:00:29,930

scenario a tragic looking scenario in

1390

01:00:34,359 --> 01:00:32,539

which children were murdered but what if

1391

01:00:37,630 --> 01:00:34,369

they weren't or what if we're not being

1392

01:00:40,539 --> 01:00:37,640

told about who or what really happened I

1393

01:00:42,700 --> 01:00:40,549

think it's important definitely have

1394

01:00:45,759 --> 01:00:42,710

partial summers but Marshall summers

1395

01:00:47,650 --> 01:00:45,769

will be with us this year he's uh he's

1396

01:00:50,049 --> 01:00:47,660

been involved in a lot of spiritual

1397

01:00:51,700 --> 01:00:50,059

teachings he too like Sonja Barrett is

1398

01:00:54,160 --> 01:00:51,710

aware that there is something bigger

1399

01:00:56,979 --> 01:00:54,170

going on that the control grid stretches

1400

01:00:58,690 --> 01:00:56,989

beyond this planet for those who are

1401

01:01:00,400 --> 01:00:58,700

concerned about the Federal Reserve and

1402

01:01:02,680 --> 01:01:00,410

our fiat currency we've got the great

1403

01:01:04,660 --> 01:01:02,690

bills he'll one of the best

1404

01:01:07,180 --> 01:01:04,670

documentaries on the subject he made was

1405

01:01:10,450 --> 01:01:07,190

called the money masters produced and

1406

01:01:13,120 --> 01:01:10,460

narrated it back in the 90s required

1407

01:01:16,090 --> 01:01:13,130

viewing for all America up I mean that

1408

01:01:18,730 --> 01:01:16,100

was very good rig yeah a lot of folks

1409

01:01:20,650 --> 01:01:18,740

ask me Greg you know Brian what's the

1410

01:01:23,560 --> 01:01:20,660

one issue what's the one issue we could

1411

01:01:24,880 --> 01:01:23,570

attack that would really start the ball

1412

01:01:28,480 --> 01:01:24,890

rolling and I've asked myself that

1413

01:01:32,440 --> 01:01:28,490

question I thought what what one Domino

1414

01:01:35,290 --> 01:01:32,450

can we knock over by which all the

1415

01:01:38,080 --> 01:01:35,300

others will begin to fall and you know

1416

01:01:41,770 --> 01:01:38,090

they always say follow the money and if

1417

01:01:44,020 --> 01:01:41,780

we can just wake up America to how our

1418

01:01:45,700 --> 01:01:44,030

economy has been sabotage and

1419

01:01:47,310 --> 01:01:45,710

interestingly we're looking at the 50th

1420

01:01:50,800 --> 01:01:47,320

anniversary of the JFK assassination

1421

01:01:53,110 --> 01:01:50,810

this year marks the 100th anniversary of

1422

01:01:55,720 --> 01:01:53,120

the federal reserve act which was signed

1423

01:01:57,790 --> 01:01:55,730

quietly into existence by just a few

1424

01:01:59,740 --> 01:01:57,800

members of congress and president during

1425

01:02:01,330 --> 01:01:59,750

the holiday season when most of our

1426
01:02:06,550 --> 01:02:01,340
representatives were at home with their

1427
01:02:10,540 --> 01:02:06,560
families this is a an act that was

1428
01:02:13,330 --> 01:02:10,550
created in secrecy on Dzeko isle off the

1429
01:02:15,820 --> 01:02:13,340
coast of georgia in 1910 ladies and

1430
01:02:19,750 --> 01:02:15,830
gentlemen this country central bank was

1431
01:02:22,660 --> 01:02:19,760
forged in secrecy hello and it was

1432
01:02:24,700 --> 01:02:22,670
secretly signed into existence and

1433
01:02:27,630 --> 01:02:24,710
people wonder what's happened to our

1434
01:02:29,950 --> 01:02:27,640
country this was the most powerful

1435
01:02:32,590 --> 01:02:29,960
industrialized nation in modern history

1436
01:02:35,170 --> 01:02:32,600
we are now the largest debtor nation

1437
01:02:38,410 --> 01:02:35,180
again that doesn't happen and bill still

1438
01:02:40,570 --> 01:02:38,420

he's the man if you want to understand

1439

01:02:42,760 --> 01:02:40,580

it he is the man he knows it in and out

1440

01:02:45,310 --> 01:02:42,770

very exam and a whole bunch of other

1441

01:02:46,710 --> 01:02:45,320

people yeah uh we've got a we've got

1442

01:02:48,850 --> 01:02:46,720

other people we've got entertainment

1443

01:02:50,950 --> 01:02:48,860

Saturday night we've got a banquet you

1444

01:02:52,000 --> 01:02:50,960

can reach your speakers you know just

1445

01:02:53,830 --> 01:02:52,010

because we're going to talk about this

1446

01:02:56,320 --> 01:02:53,840

stuff doesn't mean that we're not going

1447

01:02:58,240 --> 01:02:56,330

to have some fun try to have fun out

1448

01:02:59,680 --> 01:02:58,250

there folks that's what we do with this

1449

01:03:02,410 --> 01:02:59,690

conference if you can make it or not

1450

01:03:04,390 --> 01:03:02,420

don't let this stuff scare you know that

1451

01:03:06,130 --> 01:03:04,400

you know once you overcome your fears

1452

01:03:07,960 --> 01:03:06,140

it's because you've learned about

1453

01:03:11,110 --> 01:03:07,970

something you gain knowledge about

1454

01:03:13,330 --> 01:03:11,120

something um and in a way it's

1455

01:03:17,050 --> 01:03:13,340

liberating um I know what is really knew

1456

01:03:19,930 --> 01:03:17,060

Greg uh yeah I totally agree because if

1457

01:03:23,350 --> 01:03:19,940

you show yeah and and well you know

1458

01:03:25,090 --> 01:03:23,360

you'll see what the conspiracy t-shirts

1459

01:03:27,130 --> 01:03:25,100

I have conspiracies I attack that

1460

01:03:29,500 --> 01:03:27,140

monetary system and the economic slavery

1461

01:03:30,070 --> 01:03:29,510

pretty hard it's like half the designs

1462

01:03:34,870 --> 01:03:30,080

are

1463

01:03:36,010 --> 01:03:34,880

would ask you before we try to wrap the

1464

01:03:37,930 --> 01:03:36,020

set up you mentioned earlier that

1465

01:03:39,850 --> 01:03:37,940

everything you know black is white up is

1466

01:03:42,370 --> 01:03:39,860

down left is right and I totally agree I

1467

01:03:45,220 --> 01:03:42,380

mean we have a situation where the media

1468

01:03:48,100 --> 01:03:45,230

hides news pharmaceutical companies are

1469

01:03:50,620 --> 01:03:48,110

making people sick schools are making

1470

01:03:53,020 --> 01:03:50,630

people stupid I mean but what would you

1471

01:03:55,240 --> 01:03:53,030

propose in terms of solutions you know

1472

01:03:58,090 --> 01:03:55,250

can we overcome such a structure as this

1473

01:04:00,310 --> 01:03:58,100

you know what can we do well again I

1474

01:04:03,250 --> 01:04:00,320

said it before and I have no problem

1475

01:04:05,530 --> 01:04:03,260

repeating myself the light at the end of

1476

01:04:09,580 --> 01:04:05,540

the tunnel is that there is strength in

1477

01:04:11,980 --> 01:04:09,590

numbers and education is indeed your

1478

01:04:15,280 --> 01:04:11,990

first best destiny and its mind about

1479

01:04:18,820 --> 01:04:15,290

all of these things awareness is the key

1480

01:04:23,190 --> 01:04:18,830

to know a thing I believe is to change a

1481

01:04:27,510 --> 01:04:23,200

thing it's too it's akin to being um uh

1482

01:04:31,780 --> 01:04:27,520

forewarned mm-hmm if you are forewarned

1483

01:04:35,230 --> 01:04:31,790

you are for armed if your enemy knows

1484

01:04:36,930 --> 01:04:35,240

that you know he's going to attack he

1485

01:04:40,480 --> 01:04:36,940

will think twice about attacking

1486

01:04:42,670 --> 01:04:40,490

awareness is the key there were recent

1487

01:04:44,470 --> 01:04:42,680

meetings of the bilderbergs and some of

1488

01:04:45,790 --> 01:04:44,480

your audience might know that these are

1489

01:04:48,580 --> 01:04:45,800

institutions that are in place to

1490

01:04:51,180 --> 01:04:48,590

represent the elite goals okay the

1491

01:04:54,160 --> 01:04:51,190

bilderbergs meet secretly once a year

1492

01:04:57,610 --> 01:04:54,170

every year the Council on Foreign

1493

01:05:00,730 --> 01:04:57,620

Relations that is also an organization

1494

01:05:02,860 --> 01:05:00,740

that is in place to destroy this

1495

01:05:05,950 --> 01:05:02,870

information and others it has no good

1496

01:05:07,570 --> 01:05:05,960

intentions there were recent meetings at

1497

01:05:11,290 --> 01:05:07,580

the bilderbergs and council on foreign

1498

01:05:15,250 --> 01:05:11,300

relations in which they begrudgingly had

1499

01:05:18,700 --> 01:05:15,260

to share with each other that we as a

1500

01:05:22,060 --> 01:05:18,710

planet are becoming more geo politically

1501

01:05:25,330 --> 01:05:22,070

savvy and that was not good news for

1502

01:05:28,270 --> 01:05:25,340

them but it is good news for us they are

1503

01:05:29,740 --> 01:05:28,280

concerned about that awareness and Greg

1504

01:05:31,720 --> 01:05:29,750

have you noticed that the agenda seems

1505

01:05:34,690 --> 01:05:31,730

to be speeding up faster and faster and

1506

01:05:36,400 --> 01:05:34,700

faster yeah I would submit that we're

1507

01:05:38,080 --> 01:05:36,410

nothing all these false flags and the

1508

01:05:39,610 --> 01:05:38,090

agenda shoved down her face faster and

1509

01:05:42,100 --> 01:05:39,620

faster and faster because that's what

1510

01:05:43,810 --> 01:05:42,110

the elites do that's what the Illuminati

1511

01:05:45,910 --> 01:05:43,820

does yes it is

1512

01:05:48,880 --> 01:05:45,920

but I would submit like a physics

1513

01:05:50,650 --> 01:05:48,890

equation the very famous one for every

1514

01:05:54,580 --> 01:05:50,660

action there is an equal and opposite

1515

01:05:55,930 --> 01:05:54,590

reaction be the powers that be armed and

1516

01:05:58,360 --> 01:05:55,940

again these are blanket terms but I

1517

01:06:01,540 --> 01:05:58,370

think your audience gets the idea they

1518

01:06:05,170 --> 01:06:01,550

are not acting they are reacting to our

1519

01:06:07,360 --> 01:06:05,180

action we are waking up it is happening

1520

01:06:09,370 --> 01:06:07,370

we are becoming indeed more

1521

01:06:12,760 --> 01:06:09,380

geopolitically savvy they've admitted it

1522

01:06:15,160 --> 01:06:12,770

amongst themselves through leaked

1523

01:06:16,750 --> 01:06:15,170

documents leaked videos I've seen it

1524

01:06:19,960 --> 01:06:16,760

I've heard it I've met the people who

1525

01:06:22,300 --> 01:06:19,970

were there to report on this they're not

1526

01:06:25,210 --> 01:06:22,310

unhappy about it so guess what it's

1527

01:06:27,340 --> 01:06:25,220

working that's why I'm doing what I'm

1528

01:06:29,260 --> 01:06:27,350

doing that's why you need to continue

1529

01:06:32,500 --> 01:06:29,270

what you're doing education and

1530

01:06:34,720 --> 01:06:32,510

awareness are key that's the answer I'll

1531

01:06:36,520 --> 01:06:34,730

finish with this before I'd like to give

1532

01:06:39,790 --> 01:06:36,530

out my phone number and web address

1533

01:06:43,060 --> 01:06:39,800

absolutely more interested people say

1534

01:06:45,100 --> 01:06:43,070

Brian damn it you know we've heard the

1535

01:06:48,520 --> 01:06:45,110

bad news we just keep hearing bad news

1536

01:06:51,280 --> 01:06:48,530

what's the good news my response is the

1537

01:06:55,120 --> 01:06:51,290

good news is that you have heard the bad

1538

01:06:56,550 --> 01:06:55,130

news okay yes I yeah what what what's

1539

01:07:00,400 --> 01:06:56,560

the best kind of medicine Greg

1540

01:07:04,030 --> 01:07:00,410

preventative if there is a cancer

1541

01:07:06,130 --> 01:07:04,040

invading in this case the body politic

1542

01:07:08,110 --> 01:07:06,140

wouldn't you want to know as soon as

1543

01:07:09,730 --> 01:07:08,120

possible wouldn't you want to know as

1544

01:07:11,890 --> 01:07:09,740

soon as possible so that you could

1545

01:07:14,980 --> 01:07:11,900

diagnose it earlier sure and treat it

1546

01:07:19,120 --> 01:07:14,990

much easier you know now the cancer it's

1547

01:07:21,490 --> 01:07:19,130

been it's been the body politic has been

1548

01:07:25,420 --> 01:07:21,500

riddled with it for quite some time so

1549

01:07:27,910 --> 01:07:25,430

I'm not sure if the patient can be saved

1550

01:07:31,210 --> 01:07:27,920

but if the patient's still alive and it

1551

01:07:32,890 --> 01:07:31,220

is there's hope and that's my answer to

1552

01:07:34,870 --> 01:07:32,900

your question what do we do about it

1553

01:07:38,350 --> 01:07:34,880

well we got to grow up and become adults

1554

01:07:40,840 --> 01:07:38,360

we got to hear the bad news and that can

1555

01:07:43,570 --> 01:07:40,850

be an incredible driving force it what

1556

01:07:46,060 --> 01:07:43,580

is what drove me to invest thousands of

1557

01:07:48,550 --> 01:07:46,070

dollars of my own money into a crazy

1558

01:07:52,360 --> 01:07:48,560

thing called a conspiracy conference and

1559

01:07:54,610 --> 01:07:52,370

Here I am 13 years later I'm still doing

1560

01:07:57,520 --> 01:07:54,620

it I have the respect of my friends and

1561

01:07:59,800 --> 01:07:57,530

colleagues and uh nobody's

1562

01:08:02,350 --> 01:07:59,810

calling me alone nobody's calling me a

1563

01:08:04,450 --> 01:08:02,360

nut uh as a matter of fact if anything

1564

01:08:07,480 --> 01:08:04,460

more and more people are going you know

1565

01:08:12,010 --> 01:08:07,490

what you're right wow this is going on

1566

01:08:14,290 --> 01:08:12,020

and so that's what motivates me I think

1567

01:08:15,790 --> 01:08:14,300

that's the answer to your question if

1568

01:08:18,370 --> 01:08:15,800

people want to find out great can I

1569

01:08:23,050 --> 01:08:18,380

please give up some absolutely let's do

1570

01:08:26,289 --> 01:08:23,060

it ok this is the 13th annual conspiracy

1571

01:08:28,240 --> 01:08:26,299

conference and 13 is actually a sacred

1572

01:08:30,670 --> 01:08:28,250

number it's a lucky number folks don't

1573

01:08:33,490 --> 01:08:30,680

don't think otherwise it backwards

1574

01:08:36,190 --> 01:08:33,500

Appetit yeah it takes indeed backwards

1575

01:08:38,860 --> 01:08:36,200

it takes place at the newly upgraded

1576

01:08:42,760 --> 01:08:38,870

crowne plaza hotel in Milpitas

1577

01:08:45,550 --> 01:08:42,770

California that's in California's famous

1578

01:08:48,520 --> 01:08:45,560

silicon valley in the South Bay of the

1579

01:08:52,900 --> 01:08:48,530

San Francisco Bay Area it occurs june

1580

01:08:55,900 --> 01:08:52,910

first and second 2013 for more

1581

01:09:03,309 --> 01:08:55,910

information please give me a call my

1582

01:09:06,130 --> 01:09:03,319

office number is area code 925 449 684

1583

01:09:13,440 --> 01:09:06,140

for I'll repeat that that's area code 9

1584

01:09:20,440 --> 01:09:13,450

25 for 4968 44 or visit us on the web at

1585

01:09:23,110 --> 01:09:20,450

ww.com spiracy con-com that's conspiracy

1586

01:09:27,099 --> 01:09:23,120

than co n short for conference or

1587

01:09:28,809 --> 01:09:27,109

convention conspiracy con-com click

1588

01:09:30,190 --> 01:09:28,819

anywhere on the main page graphic to

1589

01:09:32,890 --> 01:09:30,200

enter from there you can find out more

1590

01:09:36,280 --> 01:09:32,900

information on speakers schedule tickets

1591

01:09:38,320 --> 01:09:36,290

etc we hope to see you there I had

1592

01:09:40,420 --> 01:09:38,330

commented earlier about these gatherings

1593

01:09:43,180 --> 01:09:40,430

being a solution for isolation and in

1594

01:09:44,980 --> 01:09:43,190

this area and you know when I do go to

1595

01:09:47,770 --> 01:09:44,990

these events or lectures in the crowd is

1596

01:09:49,510 --> 01:09:47,780

lacking or I'm the only guy under 40 it

1597

01:09:50,829 --> 01:09:49,520

actually cuts much deeper so it is

1598

01:09:52,650 --> 01:09:50,839

important that people actually show

1599

01:09:54,640 --> 01:09:52,660

that's an important part of the puzzle

1600

01:09:56,140 --> 01:09:54,650

but Brian you know it's been a real

1601
01:09:57,730 --> 01:09:56,150
pleasure I'm really pumped for next

1602
01:09:59,230 --> 01:09:57,740
weekend i'm taking a little mini road

1603
01:10:01,360 --> 01:09:59,240
trip to san francisco a couple days

1604
01:10:03,880 --> 01:10:01,370
before and then BOOM conspiracy con 2013

1605
01:10:05,650 --> 01:10:03,890
my special lady and i will be selling

1606
01:10:07,720 --> 01:10:05,660
conspiracies at the booth next to the

1607
01:10:10,780 --> 01:10:07,730
lecture room I believe and I'm trying to

1608
01:10:11,260 --> 01:10:10,790
gather some audio video to mold in the

1609
01:10:12,910 --> 01:10:11,270
next week

1610
01:10:14,650 --> 01:10:12,920
episode or maybe I might have to skip a

1611
01:10:17,860 --> 01:10:14,660
week but if I can gather some stuff in

1612
01:10:19,870 --> 01:10:17,870
between the the speaker's then maybe

1613
01:10:22,000 --> 01:10:19,880

I'll put together an episode for next

1614

01:10:23,830 --> 01:10:22,010

week but if anybody is going and wants

1615

01:10:25,960 --> 01:10:23,840

to be a cameraman for me hit me up and

1616

01:10:27,760 --> 01:10:25,970

Brian I'll be seeing you there anything

1617

01:10:29,830 --> 01:10:27,770

else you'd like to leave the people with

1618

01:10:32,260 --> 01:10:29,840

before we go I just want to let your

1619

01:10:33,790 --> 01:10:32,270

audience know that indeed you will be

1620

01:10:36,250 --> 01:10:33,800

there with us so if there are people who

1621

01:10:40,450 --> 01:10:36,260

follow you and your show if anything

1622

01:10:41,800 --> 01:10:40,460

come up to see Greg and again it's not

1623

01:10:44,050 --> 01:10:41,810

just about the network's it's about

1624

01:10:46,240 --> 01:10:44,060

seeing greg it's about talking to the

1625

01:10:48,490 --> 01:10:46,250

other exhibitors talking to the speakers

1626

01:10:50,770 --> 01:10:48,500

they will have a table in the exhibit

1627

01:10:53,380 --> 01:10:50,780

area it's an excellent place to network

1628

01:10:55,620 --> 01:10:53,390

and if you do feel alone you will meet

1629

01:10:58,510 --> 01:10:55,630

fast friends for the rest of your life

1630

01:10:59,830 --> 01:10:58,520

dominant man well awesome I appreciate

1631

01:11:02,590 --> 01:10:59,840

you coming on the show it's been a great

1632

01:11:06,190 --> 01:11:02,600

talk take care and I guess I'll see you

1633

01:11:07,690 --> 01:11:06,200

in a week thank you Greg and thank you

1634

01:11:11,530 --> 01:11:07,700

to your audience will see you all soon

1635

01:11:13,690 --> 01:11:11,540

alright man take care there we go people

1636

01:11:15,610 --> 01:11:13,700

another one bites the dust there may or

1637

01:11:17,200 --> 01:11:15,620

may not be a show next week we'll see

1638

01:11:18,640 --> 01:11:17,210

what happens to the con thanks for

1639

01:11:20,530 --> 01:11:18,650

listening and sharing and all the

1640

01:11:21,790 --> 01:11:20,540

amazing things you do I'm getting really

1641

01:11:23,380 --> 01:11:21,800

into the vents this here because I think

1642

01:11:25,330 --> 01:11:23,390

that's where the power is and the

1643

01:11:27,610 --> 01:11:25,340

community is and I hope to see some of

1644

01:11:29,320 --> 01:11:27,620

you listeners there and we'll smoke a
