

Episode 61: International Options For Avoiding The Economic Collapse w/ Jeff Berwick

BROUGHT TO YOU BY:

1
00:00:08,230 --> 00:00:06,390
we're here because we don't buy into the

2
00:00:10,150 --> 00:00:08,240
[h__\h] of mainstream culture we're

3
00:00:11,589 --> 00:00:10,160
tired of the mundane passionless careers

4
00:00:13,270 --> 00:00:11,599
we've been shuffled into as a result of

5
00:00:15,350 --> 00:00:13,280
this orchestrated debt-based system of

6
00:00:17,029 --> 00:00:15,360
rule and the stranglehold on education

7
00:00:18,470 --> 00:00:17,039
entertainment by cold soulless

8
00:00:21,990 --> 00:00:18,480
corporations

9
00:00:24,390 --> 00:00:22,000
people yes we are frustrated yes we are

10
00:00:25,670 --> 00:00:24,400
tired and we reject the brave route

11
00:00:27,830 --> 00:00:25,680
tranquilizers that are monday night

12
00:00:29,990 --> 00:00:27,840
football and an ice cold budweiser but

13
00:00:31,189 --> 00:00:30,000

we have to stop hiding stop hiding

14

00:00:33,110 --> 00:00:31,199

behind the headphones in the cherry

15

00:00:34,709 --> 00:00:33,120

popper 420 username

16

00:00:36,709 --> 00:00:34,719

let the world see that the resistance is

17

00:00:38,549 --> 00:00:36,719

strong and society is changing

18

00:00:40,229 --> 00:00:38,559

there was a time to be anonymous but

19

00:00:41,750 --> 00:00:40,239

that time has passed

20

00:00:43,750 --> 00:00:41,760

and so the higher side chats would like

21

00:00:45,510 --> 00:00:43,760

to present conspiracies as the dawning

22

00:00:46,869 --> 00:00:45,520

of this new paradigm in the uniform of

23

00:00:48,389 --> 00:00:46,879

the revolution

24

00:00:50,470 --> 00:00:48,399

because bold fashion should mean more

25

00:00:52,229 --> 00:00:50,480

than some celebrity meat dress or frappu

26

00:00:54,389 --> 00:00:52,239

and a silly pink polo

27

00:00:55,990 --> 00:00:54,399

conspirates redefines bold fashion as

28

00:00:58,310 --> 00:00:56,000

having the balls to project socially

29

00:00:59,670 --> 00:00:58,320

uncomfortable and unpopular truths from

30

00:01:02,229 --> 00:00:59,680

your radiant chest

31

00:01:03,830 --> 00:01:02,239

all [h__h] day

32

00:01:06,230 --> 00:01:03,840

conspiracies.net

33

00:01:24,710 --> 00:01:06,240

let them know that you know bold designs

34

00:01:28,550 --> 00:01:26,710

his aim was to reassure the common man

35

00:01:33,749 --> 00:01:28,560

that our society would recover from its

36

00:01:44,149 --> 00:01:36,230

for a new era of worldly frustration we

37

00:01:47,749 --> 00:01:45,910

welcome back our side chatters drinking

38

00:01:49,670 --> 00:01:47,759

a little drink smoking a little smoke

39

00:01:51,429 --> 00:01:49,680

from san diego i'm greg carlwood and i'm

40

00:01:53,429 --> 00:01:51,439

really excited about the information in

41

00:01:55,429 --> 00:01:53,439

today's show because a lot of us out

42

00:01:57,190 --> 00:01:55,439

there can see that life in the western

43

00:01:59,030 --> 00:01:57,200

world seems a little less appealing

44

00:02:01,429 --> 00:01:59,040

every day whether we're keen to the

45

00:02:03,429 --> 00:02:01,439

constant subtext that our economy is on

46

00:02:04,950 --> 00:02:03,439

seriously shaky ground with a population

47

00:02:06,389 --> 00:02:04,960

that's literally held hostage by the

48

00:02:08,550 --> 00:02:06,399

operators of the federal reserve and

49

00:02:10,309 --> 00:02:08,560

their band of merry men or maybe it's

50

00:02:12,470 --> 00:02:10,319

the recent revelation that every major

51
00:02:14,229 --> 00:02:12,480
communications company is providing the

52
00:02:16,309 --> 00:02:14,239
nsa with a back door into your phone

53
00:02:18,470 --> 00:02:16,319
computer and goddamn xbox that has you

54
00:02:19,990 --> 00:02:18,480
rattled the list of concerns goes on and

55
00:02:22,229 --> 00:02:20,000
on but whatever it is most of us are

56
00:02:23,670 --> 00:02:22,239
stuck inside the american bubble without

57
00:02:25,510 --> 00:02:23,680
the knowledge or resources and how to

58
00:02:27,270 --> 00:02:25,520
best keep ourselves from being victims

59
00:02:29,030 --> 00:02:27,280
of a problem we can see coming from a

60
00:02:30,790 --> 00:02:29,040
mile away and what good is that

61
00:02:32,229 --> 00:02:30,800
knowledge just to say i told you so to

62
00:02:34,550 --> 00:02:32,239
the people you're shackled to on the way

63
00:02:36,630 --> 00:02:34,560

to the fema camp well today's guest

64

00:02:39,350 --> 00:02:36,640

anarchist jeff berwick started a website

65

00:02:41,589 --> 00:02:39,360

called dollar vigilante with the tagline

66

00:02:43,110 --> 00:02:41,599

surviving and prospering during and

67

00:02:46,390 --> 00:02:43,120

after the collapse and that's what he's

68

00:02:48,070 --> 00:02:46,400

here to help us with today in 1994 jeff

69

00:02:51,110 --> 00:02:48,080

founded canada's largest financial

70

00:02:52,630 --> 00:02:51,120

website stockhouse.com and was ceo for

71

00:02:54,229 --> 00:02:52,640

eight years till he sold the company

72

00:02:55,750 --> 00:02:54,239

decided to travel the world visiting

73

00:02:57,509 --> 00:02:55,760

over a hundred countries and gaining

74

00:02:59,589 --> 00:02:57,519

knowledge that no broken school system

75

00:03:00,630 --> 00:02:59,599

could ever provide and i'm thankful that

76

00:03:02,390 --> 00:03:00,640

he's going to share some of that

77

00:03:04,710 --> 00:03:02,400

knowledge with us here today jeff my man

78

00:03:05,750 --> 00:03:04,720

welcome to thc oh thank you greg great

79

00:03:07,190 --> 00:03:05,760

to be here

80

00:03:08,869 --> 00:03:07,200

it's a real pleasure i'm glad you're

81

00:03:11,350 --> 00:03:08,879

here there's a ton of questions i have

82

00:03:13,430 --> 00:03:11,360

for you because as much as i like to

83

00:03:14,790 --> 00:03:13,440

talk about ufos and psychedelics i don't

84

00:03:16,710 --> 00:03:14,800

know how that's going to help me improve

85

00:03:18,149 --> 00:03:16,720

my life

86

00:03:19,910 --> 00:03:18,159

especially when i can barely pay the

87

00:03:21,350 --> 00:03:19,920

rent but to get this ball rolling let's

88

00:03:22,869 --> 00:03:21,360

talk about your travels i'm sure you

89

00:03:25,430 --> 00:03:22,879

have some great stories i know you had a

90

00:03:27,430 --> 00:03:25,440

pretty big hiccup near el salvador how

91

00:03:28,949 --> 00:03:27,440

did all that stuff happen

92

00:03:30,710 --> 00:03:28,959

well you brought up i started up

93

00:03:32,949 --> 00:03:30,720

stockhouse.com in canada still the

94

00:03:35,509 --> 00:03:32,959

largest financial website in canada so

95

00:03:37,190 --> 00:03:35,519

uh but i didn't know what about how

96

00:03:39,910 --> 00:03:37,200

bubbles were created so i wasn't paying

97

00:03:41,910 --> 00:03:39,920

attention to uh what greenspan was doing

98

00:03:44,789 --> 00:03:41,920

that bastard and he was creating a

99

00:03:47,110 --> 00:03:44,799

bubble in in tech and what happened is

100

00:03:48,550 --> 00:03:47,120

my company grew to a size of 240 million

101

00:03:50,550 --> 00:03:48,560

dollars and then a few weeks later it

102

00:03:52,149 --> 00:03:50,560

was almost worthless so i kind of had a

103

00:03:55,589 --> 00:03:52,159

few questions about that i was kind of

104

00:03:57,830 --> 00:03:55,599

curious what happened exactly and uh no

105

00:04:00,070 --> 00:03:57,840

one knew i went to brokers i went to

106

00:04:01,350 --> 00:04:00,080

your you know all these sort of mba

107

00:04:02,949 --> 00:04:01,360

types and everyone just shrugged their

108

00:04:04,869 --> 00:04:02,959

shoulders and they just said well that

109

00:04:07,030 --> 00:04:04,879

just happened sometimes and i said i

110

00:04:09,190 --> 00:04:07,040

don't think that's all there is to this

111

00:04:11,429 --> 00:04:09,200

and uh i was living in canada at the

112

00:04:13,110 --> 00:04:11,439

time and up there we have the cbc

113

00:04:15,030 --> 00:04:13,120

government news channel propaganda

114

00:04:16,949 --> 00:04:15,040

channel and i knew i wasn't getting the

115

00:04:19,830 --> 00:04:16,959

entire world view on what's going on

116

00:04:21,430 --> 00:04:19,840

from the cbc and so i thought well i

117

00:04:23,590 --> 00:04:21,440

have some time now i'm

118

00:04:25,189 --> 00:04:23,600

kind of done with this company and i

119

00:04:27,110 --> 00:04:25,199

have a little bit of money that i left

120

00:04:29,030 --> 00:04:27,120

from that whole collapse and so i bought

121

00:04:30,550 --> 00:04:29,040

a sailing catamaran and i thought i'm

122

00:04:32,150 --> 00:04:30,560

going to try to sail the world and see

123

00:04:33,430 --> 00:04:32,160

what's really going on through my own

124

00:04:34,629 --> 00:04:33,440

eyes and not through the lens of the

125

00:04:37,510 --> 00:04:34,639

media

126

00:04:39,909 --> 00:04:37,520

and so i started and it actually one

127

00:04:42,230 --> 00:04:39,919

year from the time i bought the boat i

128

00:04:43,590 --> 00:04:42,240

got down to el salvador and got caught

129

00:04:46,230 --> 00:04:43,600

up in some

130

00:04:48,469 --> 00:04:46,240

some stuff and pretty quickly my boat

131

00:04:50,790 --> 00:04:48,479

sank and i ended up on my surfboard

132

00:04:52,230 --> 00:04:50,800

and uh yeah and then some guys saved us

133

00:04:54,390 --> 00:04:52,240

obviously the government didn't save us

134

00:04:55,990 --> 00:04:54,400

we called the el salvadorian navy and

135

00:04:57,030 --> 00:04:56,000

they said ah maybe tomorrow we'll come

136

00:04:59,510 --> 00:04:57,040

look for you

137

00:05:01,270 --> 00:04:59,520

and but somehow some real uh real people

138

00:05:03,430 --> 00:05:01,280

came and saved us a couple americans and

139

00:05:04,550 --> 00:05:03,440

a guy from new zealand and uh not he

140

00:05:06,710 --> 00:05:04,560

didn't come from new zealand he just

141

00:05:08,390 --> 00:05:06,720

happened to be in the area and

142

00:05:09,990 --> 00:05:08,400

and uh when i got to the show it was an

143

00:05:12,230 --> 00:05:10,000

amazing feeling because everything i

144

00:05:13,909 --> 00:05:12,240

owned was on that boat and all i had was

145

00:05:15,670 --> 00:05:13,919

i actually saved my credit cards and my

146

00:05:17,990 --> 00:05:15,680

passport in my in my

147

00:05:19,990 --> 00:05:18,000

board shorts i had a zipper on them and

148

00:05:21,670 --> 00:05:20,000

i just bought a backpack and it was

149

00:05:23,350 --> 00:05:21,680

amazing feeling so i was completely free

150

00:05:24,469 --> 00:05:23,360

it's like do i even go to the left do i

151
00:05:26,629 --> 00:05:24,479
go to the right i don't even know where

152
00:05:28,230 --> 00:05:26,639
i am to begin with and i just thought

153
00:05:30,390 --> 00:05:28,240
i'm going to buy a backpack and travel

154
00:05:31,990 --> 00:05:30,400
the world for at least a few years and

155
00:05:34,150 --> 00:05:32,000
it turned out to be about four or five

156
00:05:36,550 --> 00:05:34,160
years and just and live completely

157
00:05:37,990 --> 00:05:36,560
spontaneously i would literally go to a

158
00:05:40,150 --> 00:05:38,000
airport sometimes and say what's the

159
00:05:41,270 --> 00:05:40,160
next flight you've got and a few times i

160
00:05:42,950 --> 00:05:41,280
actually got on flights i didn't even

161
00:05:45,189 --> 00:05:42,960
know where i was going those two places

162
00:05:47,350 --> 00:05:45,199
ended up being uh sharjah i don't know

163
00:05:49,270 --> 00:05:47,360

if you know where that is no no neither

164

00:05:51,510 --> 00:05:49,280

did i it's actually pretty much a suburb

165

00:05:54,629 --> 00:05:51,520

of dubai i didn't even know that and the

166

00:05:56,310 --> 00:05:54,639

other time i was in sri lanka and i i

167

00:05:57,909 --> 00:05:56,320

hopped on a plane actually the sri

168

00:06:00,469 --> 00:05:57,919

lankan airport had just got bombed that

169

00:06:01,990 --> 00:06:00,479

day by the tamil tigers

170

00:06:03,510 --> 00:06:02,000

and i thought my flight would be delayed

171

00:06:04,469 --> 00:06:03,520

i actually woke up in the morning and i

172

00:06:06,150 --> 00:06:04,479

turn on the news and they say the

173

00:06:08,150 --> 00:06:06,160

airport's being bombed by the tigers the

174

00:06:09,990 --> 00:06:08,160

freedom fighters or whatever which is

175

00:06:11,510 --> 00:06:10,000

sort of over now but

176
00:06:13,270 --> 00:06:11,520
so i thought oh good i can sleep a few

177
00:06:14,309 --> 00:06:13,280
more hours so because my flight's

178
00:06:15,270 --> 00:06:14,319
obviously going to be delayed and i

179
00:06:16,710 --> 00:06:15,280
showed up and they're like no your

180
00:06:17,909 --> 00:06:16,720
flight's gone i'm like you didn't even

181
00:06:19,110 --> 00:06:17,919
delay the flights when you're getting

182
00:06:21,430 --> 00:06:19,120
bombed they're like no that happens all

183
00:06:23,189 --> 00:06:21,440
the time i'm like okay so i go what's

184
00:06:25,430 --> 00:06:23,199
your next flight and they said chennai

185
00:06:27,590 --> 00:06:25,440
have you ever heard of chennai nope okay

186
00:06:28,790 --> 00:06:27,600
me either so it actually turns out to be

187
00:06:30,790 --> 00:06:28,800
uh

188
00:06:32,790 --> 00:06:30,800

madras is what it used to be called in

189

00:06:34,550 --> 00:06:32,800

india i knew i was going to india but i

190

00:06:36,469 --> 00:06:34,560

didn't know where so i actually got that

191

00:06:38,629 --> 00:06:36,479

into chennai and got on the internet and

192

00:06:40,790 --> 00:06:38,639

did it actually google maps i don't

193

00:06:42,710 --> 00:06:40,800

think even existed back then in 2004 or

194

00:06:45,350 --> 00:06:42,720

maybe it did but it was more like map

195

00:06:47,029 --> 00:06:45,360

quest back then and figure out where i

196

00:06:49,270 --> 00:06:47,039

was and yeah so i lived that way for a

197

00:06:51,270 --> 00:06:49,280

number of years and i really opened my

198

00:06:53,029 --> 00:06:51,280

eyes i really got to see what's really

199

00:06:55,350 --> 00:06:53,039

going on in the world and along the way

200

00:06:57,110 --> 00:06:55,360

i discovered austrian economics and that

201
00:06:58,230 --> 00:06:57,120
explained completely what happened with

202
00:06:59,670 --> 00:06:58,240
the tech bubble

203
00:07:00,710 --> 00:06:59,680
explained completely what happened with

204
00:07:03,510 --> 00:07:00,720
the housing

205
00:07:05,909 --> 00:07:03,520
bubble and collapse in the u.s and it's

206
00:07:07,350 --> 00:07:05,919
going to soon explain why all the fiat

207
00:07:09,270 --> 00:07:07,360
currencies are all going to collapse in

208
00:07:11,029 --> 00:07:09,280
the next few years

209
00:07:13,029 --> 00:07:11,039
yeah i mean that's crazy why don't you

210
00:07:14,870 --> 00:07:13,039
tell us a little bit about the bubbles i

211
00:07:17,589 --> 00:07:14,880
mean we've talked at length about the

212
00:07:19,909 --> 00:07:17,599
federal reserve and you know the

213
00:07:21,670 --> 00:07:19,919

fractional reserve banking system

214

00:07:23,830 --> 00:07:21,680

but in terms of economics these bubbles

215

00:07:25,909 --> 00:07:23,840

that happen how are they completely

216

00:07:27,830 --> 00:07:25,919

manufactured

217

00:07:29,350 --> 00:07:27,840

well it's all money printing

218

00:07:31,110 --> 00:07:29,360

one thing that you might notice in your

219

00:07:34,150 --> 00:07:31,120

government indoctrination camps your 12

220

00:07:35,909 --> 00:07:34,160

years of child slavery and and getting

221

00:07:37,270 --> 00:07:35,919

your badge of obedience after 12 years

222

00:07:38,390 --> 00:07:37,280

is they never talk about the money

223

00:07:39,830 --> 00:07:38,400

system and that's because they don't

224

00:07:41,350 --> 00:07:39,840

want you to know

225

00:07:44,469 --> 00:07:41,360

ford who created obviously the

226

00:07:46,309 --> 00:07:44,479

automobile he said that if if if people

227

00:07:47,909 --> 00:07:46,319

in the u.s understood how the monetary

228

00:07:49,830 --> 00:07:47,919

system worked there'd be a revolution

229

00:07:51,110 --> 00:07:49,840

tomorrow and he's right and that's why

230

00:07:52,309 --> 00:07:51,120

they don't want them to know but now

231

00:07:54,230 --> 00:07:52,319

thanks to the internet people are

232

00:07:56,390 --> 00:07:54,240

finding out how it all works it's a

233

00:07:57,990 --> 00:07:56,400

cabal it's it's uh completely controlled

234

00:07:59,909 --> 00:07:58,000

actually central banks are a tenant of

235

00:08:01,749 --> 00:07:59,919

communism they have nothing to do with

236

00:08:03,990 --> 00:08:01,759

free markets or capitalism or anything

237

00:08:05,430 --> 00:08:04,000

to do with that uh it's it's a way to

238

00:08:07,749 --> 00:08:05,440

control the money system it's a way to

239

00:08:08,790 --> 00:08:07,759

pay for communism by printing money it's

240

00:08:10,309 --> 00:08:08,800

a way to

241

00:08:12,390 --> 00:08:10,319

pay for wars you couldn't have all these

242

00:08:13,830 --> 00:08:12,400

wars there's no way that

243

00:08:16,309 --> 00:08:13,840

not even to call them wars more like

244

00:08:18,869 --> 00:08:16,319

occupations but uh you know you wouldn't

245

00:08:20,629 --> 00:08:18,879

have this iraq war afghanistan war libya

246

00:08:22,790 --> 00:08:20,639

and other that are getting involved in

247

00:08:24,070 --> 00:08:22,800

syria you wouldn't have these if every

248

00:08:26,550 --> 00:08:24,080

single u.s

249

00:08:27,990 --> 00:08:26,560

subject uh got a check in the mail or a

250

00:08:29,990 --> 00:08:28,000

bill in the mail every month for all the

251

00:08:31,510 --> 00:08:30,000

wars that they would all be over within

252

00:08:32,870 --> 00:08:31,520

a matter of days

253

00:08:34,870 --> 00:08:32,880

but because they can print money they

254

00:08:36,630 --> 00:08:34,880

can kind of continue to do these things

255

00:08:39,029 --> 00:08:36,640

and and uh alan greenspan i'm sorry not

256

00:08:40,709 --> 00:08:39,039

alan greenspan i hate to

257

00:08:43,269 --> 00:08:40,719

miss misquote him with uh ron paul who

258

00:08:44,149 --> 00:08:43,279

is who i really meant uh ron paul stated

259

00:08:47,910 --> 00:08:44,159

that

260

00:08:50,070 --> 00:08:47,920

total war coincided with the century of

261

00:08:52,070 --> 00:08:50,080

central banking uh you can't have uh

262

00:08:55,110 --> 00:08:52,080

world war one world war ii uh you look

263

00:08:57,190 --> 00:08:55,120

at world war one that started uh in 1914

264

00:09:00,470 --> 00:08:57,200

1913 is when the federal reserve was

265

00:09:03,590 --> 00:09:00,480

founded uh so this is all a part of uh

266

00:09:05,990 --> 00:09:03,600

this system of warfare uh control

267

00:09:08,310 --> 00:09:06,000

oppression uh that we still have today

268

00:09:10,710 --> 00:09:08,320

and hopefully uh the the 100th

269

00:09:13,030 --> 00:09:10,720

anniversary of the federal reserve is

270

00:09:15,030 --> 00:09:13,040

this uh coming christmas eve and

271

00:09:16,630 --> 00:09:15,040

hopefully uh that

272

00:09:18,870 --> 00:09:16,640

will be uh the end of the federal

273

00:09:20,070 --> 00:09:18,880

reserve uh by the 100th year it might

274

00:09:21,430 --> 00:09:20,080

not happen that fast but it's definitely

275

00:09:23,030 --> 00:09:21,440

going to happen the next few years and

276

00:09:25,030 --> 00:09:23,040

you can see it uprising all over the

277

00:09:27,110 --> 00:09:25,040

place with what's happened with ron paul

278

00:09:28,710 --> 00:09:27,120

calling for an end to the fed 10 years

279

00:09:30,150 --> 00:09:28,720

ago 20 years ago people wouldn't even

280

00:09:31,509 --> 00:09:30,160

know what the federal reserve was but

281

00:09:32,470 --> 00:09:31,519

they're waking up now thanks to the

282

00:09:35,030 --> 00:09:32,480

internet

283

00:09:37,430 --> 00:09:35,040

that is totally true but man this is

284

00:09:38,949 --> 00:09:37,440

crazy you've seen a lot of places you've

285

00:09:41,350 --> 00:09:38,959

observed a bunch of governments and

286

00:09:43,350 --> 00:09:41,360

economies gained some serious insight

287

00:09:44,790 --> 00:09:43,360

and you know on some particularly

288

00:09:46,310 --> 00:09:44,800

frustrating days i've said to the

289

00:09:48,470 --> 00:09:46,320

audience let's just get 10 percent of

290

00:09:50,230 --> 00:09:48,480

the people listening to move somewhere

291

00:09:51,829 --> 00:09:50,240

and i get a bunch of responses from

292

00:09:53,590 --> 00:09:51,839

people hungry for something else but the

293

00:09:54,949 --> 00:09:53,600

reality is that i just don't know enough

294

00:09:56,550 --> 00:09:54,959

about the world

295

00:09:58,550 --> 00:09:56,560

uh but there are places in the world

296

00:09:59,750 --> 00:09:58,560

where disgruntled americans are moving

297

00:10:01,910 --> 00:09:59,760

to right i mean can you tell us about

298

00:10:03,910 --> 00:10:01,920

some of these places well absolutely

299

00:10:05,910 --> 00:10:03,920

this is a big movement going on and it's

300

00:10:07,910 --> 00:10:05,920

almost like a migration it's almost like

301

00:10:09,350 --> 00:10:07,920

i call it defecting now because that's

302

00:10:11,670 --> 00:10:09,360

how it used to be in the soviet union

303

00:10:13,269 --> 00:10:11,680

the u.s is getting this bad now that you

304

00:10:16,470 --> 00:10:13,279

should really look to defect before it's

305

00:10:17,990 --> 00:10:16,480

too late that border that that gate or

306

00:10:19,829 --> 00:10:18,000

fence on the mexican border isn't to

307

00:10:21,670 --> 00:10:19,839

keep mexicans out it's to keep americans

308

00:10:23,829 --> 00:10:21,680

in as you can see with what homeland

309

00:10:25,590 --> 00:10:23,839

insecurities doing now buying billions

310

00:10:27,190 --> 00:10:25,600

of hollow-point bullets

311

00:10:27,910 --> 00:10:27,200

buying tanks

312

00:10:31,110 --> 00:10:27,920

so

313

00:10:32,310 --> 00:10:31,120

of people are realizing that if they're

314

00:10:33,670 --> 00:10:32,320

going to get out they should get out

315

00:10:35,910 --> 00:10:33,680

fairly quickly

316

00:10:38,069 --> 00:10:35,920

i realized this about 10 years ago not

317

00:10:39,829 --> 00:10:38,079

completely but i definitely uh was

318

00:10:42,310 --> 00:10:39,839

sensing that i should get out and at

319

00:10:45,509 --> 00:10:42,320

least see what's going on and

320

00:10:47,990 --> 00:10:45,519

i so i left canada in 2004

321

00:10:49,269 --> 00:10:48,000

and many people and i mostly live in

322

00:10:50,870 --> 00:10:49,279

mexico now

323

00:10:53,110 --> 00:10:50,880

i live i'm actually coming in today from

324

00:10:55,750 --> 00:10:53,120

acapulco mexico uh but i'm actually

325

00:10:57,910 --> 00:10:55,760

building a expat community in chile

326

00:10:59,829 --> 00:10:57,920

chile is an amazing place

327

00:11:01,910 --> 00:10:59,839

it's uh the government is nowhere near

328

00:11:04,230 --> 00:11:01,920

as oppressive they've moved much more

329

00:11:06,949 --> 00:11:04,240

towards free markets the government has

330

00:11:08,710 --> 00:11:06,959

no debt it has no deficits uh the

331

00:11:09,590 --> 00:11:08,720

central bank isn't even keynesian

332

00:11:11,350 --> 00:11:09,600

they're

333

00:11:13,430 --> 00:11:11,360

friedmanites which is better it's still

334

00:11:16,150 --> 00:11:13,440

not perfect it'd be perfect if they just

335

00:11:17,750 --> 00:11:16,160

closed the central bank but uh it's the

336

00:11:19,269 --> 00:11:17,760

economy is booming down there and so

337

00:11:20,790 --> 00:11:19,279

many people are gravitating down there

338

00:11:23,430 --> 00:11:20,800

and so i've actually started a community

339

00:11:26,150 --> 00:11:23,440

down there called gold skull gold skulls

340

00:11:28,150 --> 00:11:26,160

chile and it's fashioned after iran's

341

00:11:29,910 --> 00:11:28,160

book atlas shrugged where all the same

342

00:11:31,670 --> 00:11:29,920

stuff happened in an atlas shrugged

343

00:11:33,910 --> 00:11:31,680

where the the world or at least the us

344

00:11:36,150 --> 00:11:33,920

had become completely oppressive

345

00:11:38,310 --> 00:11:36,160

socialist massive taxes massive

346

00:11:40,630 --> 00:11:38,320

regulations and no one could uh get

347

00:11:42,630 --> 00:11:40,640

ahead and so many of the producers all

348

00:11:44,150 --> 00:11:42,640

went to a place called gold skulch in

349

00:11:45,750 --> 00:11:44,160

the book which was written in the 50s

350

00:11:46,870 --> 00:11:45,760

that was in colorado so we can't do that

351

00:11:48,710 --> 00:11:46,880

anymore but

352

00:11:50,389 --> 00:11:48,720

chile is sort of the new place that a

353

00:11:52,790 --> 00:11:50,399

lot of people are going to and i highly

354

00:11:54,790 --> 00:11:52,800

recommend people look into it

355

00:11:57,509 --> 00:11:54,800

man you know i've considered moving to

356

00:11:59,590 --> 00:11:57,519

mexico or costa rica but i've been

357

00:12:01,990 --> 00:11:59,600

worried about a few things mainly safety

358

00:12:03,910 --> 00:12:02,000

internet connection and cost of living

359

00:12:05,269 --> 00:12:03,920

and i know that it's kind of tough

360

00:12:07,430 --> 00:12:05,279

because i want to find a place that has

361

00:12:09,030 --> 00:12:07,440

reliable internet but isn't so saturated

362

00:12:11,030 --> 00:12:09,040

that the cost of living is like what i'm

363

00:12:13,269 --> 00:12:11,040

experiencing in san diego i want

364

00:12:15,110 --> 00:12:13,279

something similar weather-wise to san

365

00:12:16,870 --> 00:12:15,120

diego where i could maybe make some

366

00:12:18,870 --> 00:12:16,880

money in real estate or just relax and

367

00:12:21,030 --> 00:12:18,880

do my show

368

00:12:22,949 --> 00:12:21,040

chile has a similar climate to san diego

369

00:12:24,870 --> 00:12:22,959

if i'm not mistaken right that's right

370

00:12:27,350 --> 00:12:24,880

well chile is a very long country it's

371

00:12:29,030 --> 00:12:27,360

like thousands of miles long but in the

372

00:12:30,949 --> 00:12:29,040

area around santiago which is where

373

00:12:33,350 --> 00:12:30,959

galt's gulch is that's a southern

374

00:12:34,710 --> 00:12:33,360

california climate yes and to answer

375

00:12:36,629 --> 00:12:34,720

some of your concerns you brought up

376

00:12:38,470 --> 00:12:36,639

internet connection i'm coming in from

377

00:12:40,629 --> 00:12:38,480

acapulco our connection's incredibly

378

00:12:43,350 --> 00:12:40,639

clear i'm in a 100 megabit line here

379

00:12:45,350 --> 00:12:43,360

which costs i believe about 60 dollars a

380

00:12:46,470 --> 00:12:45,360

month um

381

00:12:48,629 --> 00:12:46,480

what was some of the other because oh

382

00:12:51,269 --> 00:12:48,639

cost of living uh it's much cheaper to

383

00:12:52,550 --> 00:12:51,279

live here uh talk about medical for one

384

00:12:54,629 --> 00:12:52,560

example

385

00:12:56,389 --> 00:12:54,639

almost every pharmacy in mexico has a

386

00:12:58,310 --> 00:12:56,399

doctor on staff so if you do want to

387

00:13:01,030 --> 00:12:58,320

talk to somebody about something it

388

00:13:02,629 --> 00:13:01,040

costs 25 pesos which is about two

389

00:13:03,590 --> 00:13:02,639

dollars

390

00:13:04,949 --> 00:13:03,600

you know

391

00:13:06,150 --> 00:13:04,959

the things that are going on in the u.s

392

00:13:07,910 --> 00:13:06,160

most people in the us don't realize

393

00:13:11,110 --> 00:13:07,920

they're just being completely raped and

394

00:13:13,030 --> 00:13:11,120

oppressed and and uh destroyed uh the

395

00:13:15,430 --> 00:13:13,040

money system is being destroyed all the

396

00:13:17,190 --> 00:13:15,440

regulations obamacare is coming into

397

00:13:19,030 --> 00:13:17,200

effect soon which is they're talking

398

00:13:20,870 --> 00:13:19,040

about the cheapest plan that a family

399

00:13:23,350 --> 00:13:20,880

can get is twenty thousand dollars per

400

00:13:25,269 --> 00:13:23,360

year uh it's just it's unbelievable it's

401
00:13:27,269 --> 00:13:25,279
fascism it's communism all mixed into

402
00:13:29,990 --> 00:13:27,279
one uh the world is much better outside

403
00:13:31,910 --> 00:13:30,000
the us and uh another one is safety

404
00:13:33,990 --> 00:13:31,920
you talk about that the us government

405
00:13:35,829 --> 00:13:34,000
and the u.s media is trying like crazy

406
00:13:38,230 --> 00:13:35,839
to make mexico look dangerous

407
00:13:39,350 --> 00:13:38,240
chicago every single day 30 people get

408
00:13:41,190 --> 00:13:39,360
shot

409
00:13:43,030 --> 00:13:41,200
you know when i go up to the us from

410
00:13:44,870 --> 00:13:43,040
mexico everyone tells me be really

411
00:13:46,790 --> 00:13:44,880
careful because they they see all the

412
00:13:48,629 --> 00:13:46,800
news about places like chicago and new

413
00:13:50,470 --> 00:13:48,639

york and you even look at boston what

414

00:13:53,509 --> 00:13:50,480

happened there and i was actually in new

415

00:13:55,430 --> 00:13:53,519

york when the boston uh false flag event

416

00:13:57,189 --> 00:13:55,440

happened and uh

417

00:13:58,310 --> 00:13:57,199

yeah and i don't know if not many people

418

00:13:59,910 --> 00:13:58,320

know this but when they were looking for

419

00:14:01,350 --> 00:13:59,920

that 19 year old boy who was super

420

00:14:02,870 --> 00:14:01,360

dangerous because he had some cooking

421

00:14:04,389 --> 00:14:02,880

equipment apparently and he was throwing

422

00:14:06,550 --> 00:14:04,399

them out of cars

423

00:14:07,990 --> 00:14:06,560

they they said for one moment they said

424

00:14:09,910 --> 00:14:08,000

we can't find him but we think he might

425

00:14:11,990 --> 00:14:09,920

have gone to new york and bloomberg

426

00:14:13,910 --> 00:14:12,000

actually stated he said if if he's here

427

00:14:16,230 --> 00:14:13,920

we're going to shut down this city so i

428

00:14:17,990 --> 00:14:16,240

was sitting there uh you know in new

429

00:14:19,509 --> 00:14:18,000

york just sweating and all my mexican

430

00:14:21,269 --> 00:14:19,519

friends were like you got to get out of

431

00:14:23,430 --> 00:14:21,279

there i'm like i know i'm crazy for even

432

00:14:25,990 --> 00:14:23,440

having come here i don't even know why i

433

00:14:29,509 --> 00:14:26,000

did it um you know it's it's so much

434

00:14:31,509 --> 00:14:29,519

safer down here it's unbelievably safer

435

00:14:32,710 --> 00:14:31,519

the um

436

00:14:34,230 --> 00:14:32,720

uh

437

00:14:35,910 --> 00:14:34,240

it's just you can do anything you want

438

00:14:37,670 --> 00:14:35,920

there's no real rules that's another

439

00:14:39,430 --> 00:14:37,680

reason i think the us government wants

440

00:14:41,189 --> 00:14:39,440

to make mexico look dangerous is because

441

00:14:43,030 --> 00:14:41,199

it's so close to the us and it's such a

442

00:14:44,629 --> 00:14:43,040

freer country and so you have a lot of

443

00:14:46,230 --> 00:14:44,639

the spring breaker kids and stuff like

444

00:14:47,750 --> 00:14:46,240

that come down here and they're like

445

00:14:49,269 --> 00:14:47,760

you know talking to people they're like

446

00:14:50,470 --> 00:14:49,279

yeah we're from the land of the free and

447

00:14:51,269 --> 00:14:50,480

it's like oh

448

00:14:52,629 --> 00:14:51,279

uh

449

00:14:54,310 --> 00:14:52,639

what can you do there and they're like

450

00:14:55,750 --> 00:14:54,320

well nothing like what we can do here

451
00:14:57,430 --> 00:14:55,760
and you know they start to wake up a

452
00:14:59,750 --> 00:14:57,440
little bit it's like oh you can actually

453
00:15:01,590 --> 00:14:59,760
drink a beer outside in mexico you can

454
00:15:04,230 --> 00:15:01,600
actually go to a club after two in the

455
00:15:06,230 --> 00:15:04,240
morning you can you know all it's much

456
00:15:09,430 --> 00:15:06,240
much freer and so yeah it's all that

457
00:15:12,389 --> 00:15:09,440
stuff it's total propaganda i feel much

458
00:15:14,389 --> 00:15:12,399
safer here in mexico then in the u.s by

459
00:15:15,829 --> 00:15:14,399
far i actually try not to even go to the

460
00:15:17,590 --> 00:15:15,839
u.s anymore especially when you go

461
00:15:19,590 --> 00:15:17,600
through the tsa

462
00:15:21,269 --> 00:15:19,600
then you get through and the police are

463
00:15:23,269 --> 00:15:21,279

everywhere watching for you seeing if

464

00:15:24,790 --> 00:15:23,279

you drive a little too fast or a little

465

00:15:26,790 --> 00:15:24,800

too slow they'll stop you for either one

466

00:15:28,790 --> 00:15:26,800

you have to drive the exact arbitrary

467

00:15:31,509 --> 00:15:28,800

speed limit that they say or they'll

468

00:15:33,509 --> 00:15:31,519

accost you and you know search your car

469

00:15:35,030 --> 00:15:33,519

and you know it's very very

470

00:15:36,150 --> 00:15:35,040

you've seen it i'm sure everyone's seen

471

00:15:37,990 --> 00:15:36,160

in the u.s

472

00:15:40,710 --> 00:15:38,000

and um

473

00:15:42,230 --> 00:15:40,720

so yeah it's just insane uh that people

474

00:15:44,949 --> 00:15:42,240

actually think that it's it's actually

475

00:15:47,430 --> 00:15:44,959

scary going to places like costa rica or

476

00:15:49,590 --> 00:15:47,440

mexico or anywhere really the only i

477

00:15:51,030 --> 00:15:49,600

actually sat down at a uh at a bar in

478

00:15:53,430 --> 00:15:51,040

aruba once

479

00:15:55,430 --> 00:15:53,440

and i stopped beside a woman from new

480

00:15:57,590 --> 00:15:55,440

york and i told her that i'd been to

481

00:15:59,430 --> 00:15:57,600

about 100 countries and she said wow you

482

00:16:01,590 --> 00:15:59,440

must have seen so many scary and

483

00:16:02,949 --> 00:16:01,600

dangerous things and actually sat back

484

00:16:04,550 --> 00:16:02,959

in my chair and i thought about it for a

485

00:16:06,389 --> 00:16:04,560

second i'd never had that question asked

486

00:16:09,110 --> 00:16:06,399

to me and i thought you know i can't

487

00:16:11,030 --> 00:16:09,120

think of one scary or dangerous thing

488

00:16:13,269 --> 00:16:11,040

i've ever seen in my travels and then i

489

00:16:15,189 --> 00:16:13,279

said oh wait no there was two times that

490

00:16:16,949 --> 00:16:15,199

i actually feared for my life a little

491

00:16:20,230 --> 00:16:16,959

bit and she said oh yeah where was that

492

00:16:22,710 --> 00:16:20,240

and i said both times it was in new york

493

00:16:24,310 --> 00:16:22,720

well it's funny because you know uh as a

494

00:16:25,990 --> 00:16:24,320

stoner sometimes and i grew up in

495

00:16:27,829 --> 00:16:26,000

missouri now i'm in california where i

496

00:16:29,829 --> 00:16:27,839

don't have as many problems but in

497

00:16:31,590 --> 00:16:29,839

missouri you know if you're smoking a

498

00:16:33,670 --> 00:16:31,600

bowl with some friends in a car in a

499

00:16:35,509 --> 00:16:33,680

park you're looking around at other cars

500

00:16:37,430 --> 00:16:35,519

you're only worried that that other car

501
00:16:39,509 --> 00:16:37,440
will be a cop or that that person will

502
00:16:41,670 --> 00:16:39,519
call cops like you're not really worried

503
00:16:43,509 --> 00:16:41,680
about regular people

504
00:16:45,990 --> 00:16:43,519
yeah i called slave on slave action when

505
00:16:47,990 --> 00:16:46,000
the actual other people were actually

506
00:16:49,990 --> 00:16:48,000
you know calling the cops on you it's

507
00:16:52,310 --> 00:16:50,000
unbelievable not many people know this

508
00:16:54,629 --> 00:16:52,320
in mexico all drugs are legal you're

509
00:16:56,550 --> 00:16:54,639
allowed to have any drug you want uh

510
00:16:58,870 --> 00:16:56,560
even in this area but i've actually gone

511
00:17:00,629 --> 00:16:58,880
to cops in the past a few years ago when

512
00:17:03,030 --> 00:17:00,639
my more younger wilder days and getting

513
00:17:05,270 --> 00:17:03,040

a little older now and if you run out of

514

00:17:06,470 --> 00:17:05,280

weed or any any drug you want you can

515

00:17:08,150 --> 00:17:06,480

just go to the cops and they'll call

516

00:17:09,590 --> 00:17:08,160

someone for you

517

00:17:11,669 --> 00:17:09,600

okay well let's talk about the cops in

518

00:17:13,909 --> 00:17:11,679

mexico because um

519

00:17:16,230 --> 00:17:13,919

you know the conventional

520

00:17:17,909 --> 00:17:16,240

attitude is that they are corrupt i mean

521

00:17:20,230 --> 00:17:17,919

of course our police are corrupt too but

522

00:17:22,230 --> 00:17:20,240

they're apparently they'll stop you on

523

00:17:24,470 --> 00:17:22,240

the road and ask for money or if they

524

00:17:26,390 --> 00:17:24,480

see a playstation on the seat i've heard

525

00:17:28,069 --> 00:17:26,400

someone tell me that the cops demanded

526

00:17:30,230 --> 00:17:28,079

the playstation to be let go when they

527

00:17:31,669 --> 00:17:30,240

weren't breaking any laws

528

00:17:33,909 --> 00:17:31,679

what do you think of that is that all is

529

00:17:35,590 --> 00:17:33,919

that wrong is that perception wrong uh

530

00:17:38,070 --> 00:17:35,600

there's mexico is a huge country and

531

00:17:39,830 --> 00:17:38,080

there is places that i've heard are

532

00:17:41,350 --> 00:17:39,840

not that great tijuana i've heard

533

00:17:43,430 --> 00:17:41,360

recently is really bad so a lot of the

534

00:17:45,669 --> 00:17:43,440

places that are kind of close to the us

535

00:17:47,270 --> 00:17:45,679

those border cities there is a fair

536

00:17:49,029 --> 00:17:47,280

amount of that kind of stuff i still

537

00:17:51,190 --> 00:17:49,039

prefer it though however to the u.s

538

00:17:52,549 --> 00:17:51,200

where i've been in handcuffs many times

539

00:17:54,150 --> 00:17:52,559

i've been

540

00:17:56,390 --> 00:17:54,160

they were going to kidnap me put me in a

541

00:17:58,230 --> 00:17:56,400

cage for just doing little things like

542

00:18:00,470 --> 00:17:58,240

walking out of a bar with a drink or one

543

00:18:02,390 --> 00:18:00,480

time i was walking in palm springs

544

00:18:04,950 --> 00:18:02,400

just walking down the street of just

545

00:18:07,110 --> 00:18:04,960

going to another bar after one and five

546

00:18:09,350 --> 00:18:07,120

squad cars all surrounding me with uh

547

00:18:10,870 --> 00:18:09,360

floodlights on me put me immediately in

548

00:18:12,470 --> 00:18:10,880

handcuffs i said what's going on they

549

00:18:15,029 --> 00:18:12,480

said we got a call

550

00:18:17,830 --> 00:18:15,039

that you're uh drunk and i said well is

551
00:18:18,950 --> 00:18:17,840
it illegal to be drunk you know like you

552
00:18:20,789 --> 00:18:18,960
know i was just walking on the street i

553
00:18:22,549 --> 00:18:20,799
was like yeah i've had some drinks i'm

554
00:18:24,789 --> 00:18:22,559
pretty buzzed i'm not like falling down

555
00:18:27,270 --> 00:18:24,799
drunk i'm just you know walking along

556
00:18:28,470 --> 00:18:27,280
buzzed and so now it's much scarier

557
00:18:29,990 --> 00:18:28,480
there because of course you can't get

558
00:18:31,590 --> 00:18:30,000
out of that you can't i actually prefer

559
00:18:33,830 --> 00:18:31,600
corruption if you're going to have cops

560
00:18:35,430 --> 00:18:33,840
and i i'd highly advise people not to

561
00:18:37,029 --> 00:18:35,440
ever have them but if if you're going to

562
00:18:39,750 --> 00:18:37,039
have them i'd much rather that they

563
00:18:42,150 --> 00:18:39,760

would accept 20 or 10 dollars just to

564

00:18:43,750 --> 00:18:42,160

let you go then end up in a cage with so

565

00:18:45,430 --> 00:18:43,760

many of my friends have ended up i was

566

00:18:47,909 --> 00:18:45,440

in las vegas and we wrote about this on

567

00:18:50,310 --> 00:18:47,919

our blog at dollarvigilante.com

568

00:18:52,310 --> 00:18:50,320

a friend of mine spilt a drink and the

569

00:18:53,909 --> 00:18:52,320

security escorted him out and he asked

570

00:18:55,510 --> 00:18:53,919

for his money back because he had just

571

00:18:57,830 --> 00:18:55,520

entered and

572

00:18:59,990 --> 00:18:57,840

he paid 30 dollars and he accidentally

573

00:19:01,510 --> 00:19:00,000

spilled a drink and he said he was sorry

574

00:19:03,190 --> 00:19:01,520

and he wanted his money back and they

575

00:19:05,510 --> 00:19:03,200

called the cops and he ended up for

576

00:19:07,750 --> 00:19:05,520

almost 24 hours in what he called almost

577

00:19:09,909 --> 00:19:07,760

torture like conditions

578

00:19:13,029 --> 00:19:09,919

in some sort of dungeon basically one of

579

00:19:14,070 --> 00:19:13,039

those typical uh city jails or whatever

580

00:19:15,750 --> 00:19:14,080

they have

581

00:19:17,190 --> 00:19:15,760

that's much more scary to me than

582

00:19:19,350 --> 00:19:17,200

anything that i've ever seen here in

583

00:19:21,029 --> 00:19:19,360

mexico now of course there is places

584

00:19:23,029 --> 00:19:21,039

there is certain times you might have

585

00:19:25,909 --> 00:19:23,039

some small problems but it's nothing

586

00:19:27,190 --> 00:19:25,919

that uh uh 20 or 50 can't fix which i

587

00:19:29,110 --> 00:19:27,200

much prefer

588

00:19:31,190 --> 00:19:29,120

yeah i mean i've i've been to tijuana

589

00:19:33,510 --> 00:19:31,200

actually my girlfriend had a few too

590

00:19:35,270 --> 00:19:33,520

many mimosas one breakfast and she

591

00:19:38,549 --> 00:19:35,280

flipped over her handlebars and knocked

592

00:19:40,789 --> 00:19:38,559

her front teeth out and yeah without uh

593

00:19:42,630 --> 00:19:40,799

without insurance uh we thought hey like

594

00:19:44,310 --> 00:19:42,640

this is a good time to test that whole

595

00:19:46,150 --> 00:19:44,320

theory of going to get dental work done

596

00:19:47,590 --> 00:19:46,160

in mexico we hear people talk about it

597

00:19:50,070 --> 00:19:47,600

and i was like i'll go for a cleaning

598

00:19:51,909 --> 00:19:50,080

what the hell and uh we went down there

599

00:19:53,830 --> 00:19:51,919

and the most off-putting thing was just

600

00:19:56,630 --> 00:19:53,840

how aggressive the cab drivers were

601
00:19:58,630 --> 00:19:56,640
about wanting to take some white people

602
00:20:00,630 --> 00:19:58,640
anywhere you know and and that's not

603
00:20:02,549 --> 00:20:00,640
necessarily a bad thing aggressive cab

604
00:20:04,310 --> 00:20:02,559
drivers overall i thought it was great

605
00:20:06,230 --> 00:20:04,320
when we got to the place

606
00:20:08,230 --> 00:20:06,240
it was just as nice as any facility i've

607
00:20:09,909 --> 00:20:08,240
ever been to i mean the dentist didn't

608
00:20:11,190 --> 00:20:09,919
speak english but he had a translator

609
00:20:13,350 --> 00:20:11,200
right there because they're so

610
00:20:16,070 --> 00:20:13,360
accustomed to having americans come down

611
00:20:18,310 --> 00:20:16,080
there and uh yeah i thought it was

612
00:20:20,230 --> 00:20:18,320
quite different than the perception that

613
00:20:22,150 --> 00:20:20,240

people might have about it yeah i hear

614

00:20:23,830 --> 00:20:22,160

that a lot about a lot of americans come

615

00:20:25,270 --> 00:20:23,840

down they say oh i can't believe it like

616

00:20:26,710 --> 00:20:25,280

so many people are just offering me

617

00:20:28,870 --> 00:20:26,720

stuff and i'm like if that's your

618

00:20:30,950 --> 00:20:28,880

biggest problem is that you're being

619

00:20:32,789 --> 00:20:30,960

offered too many things i think you know

620

00:20:35,029 --> 00:20:32,799

that's not a really bad day it's like oh

621

00:20:37,029 --> 00:20:35,039

i got offered drugs i got offered to

622

00:20:38,549 --> 00:20:37,039

take to a strip club i got offered this

623

00:20:39,990 --> 00:20:38,559

i got offered that it's like oh that's

624

00:20:41,669 --> 00:20:40,000

terrible you know like

625

00:20:43,990 --> 00:20:41,679

it's not really all that bad and of

626

00:20:45,350 --> 00:20:44,000

course if you go into touristy areas

627

00:20:47,350 --> 00:20:45,360

you'll get that a lot more and of course

628

00:20:48,390 --> 00:20:47,360

tijuana is a lot more like that if you

629

00:20:50,390 --> 00:20:48,400

stay a little bit outside of the

630

00:20:53,110 --> 00:20:50,400

touristy areas it's not like that at all

631

00:20:55,590 --> 00:20:53,120

and your average amer sorry mexican is

632

00:20:57,190 --> 00:20:55,600

very nice to foreigners they just want

633

00:20:58,950 --> 00:20:57,200

to help they do want to help you get

634

00:21:01,350 --> 00:20:58,960

whatever you want and a funny story

635

00:21:03,350 --> 00:21:01,360

about dental work just last week my

636

00:21:06,310 --> 00:21:03,360

friend who's a bit of an idiot was at a

637

00:21:09,990 --> 00:21:06,320

strip club here in acapulco and the girl

638

00:21:11,830 --> 00:21:10,000

i wanted uh uh eight dollars for uh

639

00:21:13,909 --> 00:21:11,840

for sitting with him for 30 minutes and

640

00:21:15,909 --> 00:21:13,919

my friend was uh he's a real idiot

641

00:21:17,909 --> 00:21:15,919

sometimes when he drinks and he was like

642

00:21:19,270 --> 00:21:17,919

no i'm not paying it that's too much and

643

00:21:20,710 --> 00:21:19,280

she got really mad and this is not

644

00:21:22,070 --> 00:21:20,720

normal by the way i've never had this

645

00:21:23,750 --> 00:21:22,080

happen to me i've been to strip clubs

646

00:21:24,549 --> 00:21:23,760

here thousands of times

647

00:21:26,470 --> 00:21:24,559

but

648

00:21:28,149 --> 00:21:26,480

she got mad and like swung her purse at

649

00:21:29,270 --> 00:21:28,159

him and actually like chipped his front

650

00:21:32,149 --> 00:21:29,280

tooth

651
00:21:33,990 --> 00:21:32,159
and uh and so my friend left and and the

652
00:21:35,750 --> 00:21:34,000
next day he walks up and he goes man

653
00:21:37,270 --> 00:21:35,760
that girl chipped my tooth last night

654
00:21:38,470 --> 00:21:37,280
and i go oh let me see and he goes i

655
00:21:41,029 --> 00:21:38,480
already got it fixed i went to the

656
00:21:42,390 --> 00:21:41,039
dentist and they already like put i

657
00:21:44,789 --> 00:21:42,400
didn't even know you could do it that

658
00:21:46,149 --> 00:21:44,799
fast and he said yeah and like half half

659
00:21:47,830 --> 00:21:46,159
my front tooth was missing and now it's

660
00:21:49,590 --> 00:21:47,840
fine and i was like wow that was fast

661
00:21:52,149 --> 00:21:49,600
and i go how much did it cost he said

662
00:21:53,830 --> 00:21:52,159
about 30 dollars jesus

663
00:21:56,149 --> 00:21:53,840

so i mean let's talk about the police

664

00:21:57,990 --> 00:21:56,159

force and the laws in chile because i

665

00:21:59,909 --> 00:21:58,000

have i do have a long history of shitty

666

00:22:01,750 --> 00:21:59,919

interactions with the police in fact my

667

00:22:04,149 --> 00:22:01,760

girlfriend just today literally today

668

00:22:06,070 --> 00:22:04,159

she woke up with a ticket on her car

669

00:22:08,390 --> 00:22:06,080

because the wheels weren't turned enough

670

00:22:10,390 --> 00:22:08,400

towards the curb this is the stupid [h__h]

671

00:22:12,070 --> 00:22:10,400

i deal with every day like i don't i'm

672

00:22:13,430 --> 00:22:12,080

sick of it and i also you know don't

673

00:22:14,870 --> 00:22:13,440

obviously don't want to get hassled over

674

00:22:16,149 --> 00:22:14,880

a little weed either i mean are those

675

00:22:17,350 --> 00:22:16,159

types of problems people would have in

676
00:22:18,230 --> 00:22:17,360
chile

677
00:22:21,029 --> 00:22:18,240
no

678
00:22:23,510 --> 00:22:21,039
it's possible but highly highly unlikely

679
00:22:25,110 --> 00:22:23,520
same in mexico

680
00:22:27,669 --> 00:22:25,120
you know my my american friends are

681
00:22:29,669 --> 00:22:27,679
always asking me both in chile and here

682
00:22:30,950 --> 00:22:29,679
in mexico when they when they stop their

683
00:22:33,110 --> 00:22:30,960
car they say

684
00:22:34,549 --> 00:22:33,120
okay uh well you know where's the meters

685
00:22:36,630 --> 00:22:34,559
and i'm like there is no meters you just

686
00:22:38,230 --> 00:22:36,640
if there's a space you just park there

687
00:22:39,590 --> 00:22:38,240
and there's definitely no if your wheels

688
00:22:41,830 --> 00:22:39,600

are turned the wrong way you're going to

689

00:22:44,470 --> 00:22:41,840

get in trouble or anything like that no

690

00:22:47,270 --> 00:22:44,480

it's very much americans have no idea

691

00:22:49,669 --> 00:22:47,280

how oppressive the police is in the u.s

692

00:22:51,909 --> 00:22:49,679

it's one of the worst places on earth i

693

00:22:53,510 --> 00:22:51,919

really just don't ever want to go there

694

00:22:56,950 --> 00:22:53,520

just for for that reason i'm constantly

695

00:23:00,390 --> 00:22:56,960

being hassled i'm either smoking within

696

00:23:02,870 --> 00:23:00,400

30 feet of a doorway outside and being

697

00:23:04,549 --> 00:23:02,880

hassled or it's just unbelievable and no

698

00:23:06,870 --> 00:23:04,559

you won't have any problems uh as far as

699

00:23:09,510 --> 00:23:06,880

marijuana goes as i told you in mexico

700

00:23:12,149 --> 00:23:09,520

it's actually legal it's fine uh we're

701

00:23:13,909 --> 00:23:12,159

at a local bar here that's i go to quite

702

00:23:15,909 --> 00:23:13,919

a bit and um

703

00:23:18,310 --> 00:23:15,919

one of my friends is from holland and of

704

00:23:19,590 --> 00:23:18,320

course he likes weed a lot and and he

705

00:23:21,430 --> 00:23:19,600

said can i smoke in here i said yeah of

706

00:23:22,950 --> 00:23:21,440

course it's mexico and he smoked and

707

00:23:25,510 --> 00:23:22,960

actually the manager came up and he said

708

00:23:28,070 --> 00:23:25,520

i'm he was super apologetic he said i'm

709

00:23:31,029 --> 00:23:28,080

so so sorry uh would you mind smoking

710

00:23:32,710 --> 00:23:31,039

that outside and i i asked him i said

711

00:23:34,470 --> 00:23:32,720

why what's going on like this is not

712

00:23:36,310 --> 00:23:34,480

normal behavior and he's like i'm really

713

00:23:38,549 --> 00:23:36,320

sorry but there's a family at the booth

714

00:23:40,070 --> 00:23:38,559

next to you and they don't like it and i

715

00:23:41,909 --> 00:23:40,080

said okay well if you know if they don't

716

00:23:43,669 --> 00:23:41,919

like it that's no problem

717

00:23:45,990 --> 00:23:43,679

we can go outside and do it but he

718

00:23:47,669 --> 00:23:46,000

apologized the whole rest of the night

719

00:23:50,390 --> 00:23:47,679

so that's the kind of lifestyle you have

720

00:23:52,549 --> 00:23:50,400

in these sort of places i mean it sounds

721

00:23:53,830 --> 00:23:52,559

great what can you tell me about like

722

00:23:55,590 --> 00:23:53,840

getting there i mean how about getting

723

00:23:57,110 --> 00:23:55,600

citizenship or residency in some of

724

00:23:58,470 --> 00:23:57,120

these places i know you have services

725

00:24:00,149 --> 00:23:58,480

for that on your website but like what

726

00:24:02,310 --> 00:24:00,159

does it entail what could someone expect

727

00:24:03,990 --> 00:24:02,320

to pay how long does it take

728

00:24:05,830 --> 00:24:04,000

well i really recommend that most people

729

00:24:07,590 --> 00:24:05,840

try to live something that i've been

730

00:24:10,149 --> 00:24:07,600

living for 10 years now which is called

731

00:24:12,310 --> 00:24:10,159

a permanent traveler or prior taxpayer

732

00:24:14,070 --> 00:24:12,320

lifestyle so i actually try not to be a

733

00:24:16,390 --> 00:24:14,080

resident where i live

734

00:24:17,750 --> 00:24:16,400

so for mexico i'm not a resident at all

735

00:24:20,390 --> 00:24:17,760

when you enter mexico you get a

736

00:24:21,750 --> 00:24:20,400

six-month tourist visa and i travel more

737

00:24:23,269 --> 00:24:21,760

than every

738

00:24:25,190 --> 00:24:23,279

you know six months i travel almost

739

00:24:26,950 --> 00:24:25,200

every month or every few weeks outside

740

00:24:29,510 --> 00:24:26,960

of the country so i never have a problem

741

00:24:31,110 --> 00:24:29,520

with that if you do want to stay longer

742

00:24:32,549 --> 00:24:31,120

they really don't care you can actually

743

00:24:34,230 --> 00:24:32,559

go you could i have friends who've

744

00:24:36,710 --> 00:24:34,240

stayed here for five or ten years and on

745

00:24:39,269 --> 00:24:36,720

their six-month visa and when you leave

746

00:24:41,110 --> 00:24:39,279

what i recommend is fly up to tijuana

747

00:24:42,870 --> 00:24:41,120

and walk across the border into the u.s

748

00:24:44,630 --> 00:24:42,880

they don't even have any mexican people

749

00:24:46,390 --> 00:24:44,640

checking your tourist visas or anything

750

00:24:47,909 --> 00:24:46,400

at that point and even if you do want to

751
00:24:49,510 --> 00:24:47,919
leave through an airport or something

752
00:24:51,830 --> 00:24:49,520
they'll usually ask for some sort of a

753
00:24:53,430 --> 00:24:51,840
fee it's usually not too much

754
00:24:54,950 --> 00:24:53,440
or there's other ways i actually know

755
00:24:56,549 --> 00:24:54,960
many tricks

756
00:24:57,430 --> 00:24:56,559
how to get around all that stuff of

757
00:24:59,590 --> 00:24:57,440
course

758
00:25:00,870 --> 00:24:59,600
so i i really wouldn't even worry about

759
00:25:03,110 --> 00:25:00,880
that sort of thing

760
00:25:05,029 --> 00:25:03,120
chile is a little bit different they're

761
00:25:07,750 --> 00:25:05,039
a little bit stricter on the tourist

762
00:25:09,830 --> 00:25:07,760
visas i believe it is still six months

763
00:25:11,430 --> 00:25:09,840

um i just i was just in chile and we

764

00:25:12,870 --> 00:25:11,440

have at our place there gold sculpts we

765

00:25:13,669 --> 00:25:12,880

have a number of employees and a few of

766

00:25:15,669 --> 00:25:13,679

them

767

00:25:16,870 --> 00:25:15,679

are no it's three months in chile and

768

00:25:18,470 --> 00:25:16,880

they uh

769

00:25:19,190 --> 00:25:18,480

they just both of them just stuff took

770

00:25:25,430 --> 00:25:19,200

us

771

00:25:27,669 --> 00:25:25,440

one of them wanted to save a bit of

772

00:25:28,710 --> 00:25:27,679

money uh and so every three months uh

773

00:25:30,950 --> 00:25:28,720

they take

774

00:25:32,870 --> 00:25:30,960

a 45 minute flight or a few hour bus

775

00:25:35,350 --> 00:25:32,880

ride to argentina just to renew their

776

00:25:37,909 --> 00:25:35,360

tourist visa uh so you can do that or in

777

00:25:39,430 --> 00:25:37,919

chile it's very easy it's not very

778

00:25:40,870 --> 00:25:39,440

incredibly easy to get some sort of

779

00:25:42,710 --> 00:25:40,880

residency visa

780

00:25:45,029 --> 00:25:42,720

you just have to have some sort of

781

00:25:46,390 --> 00:25:45,039

income or have some sort of a job or

782

00:25:48,310 --> 00:25:46,400

something like that and all that stuff

783

00:25:49,909 --> 00:25:48,320

of course can be very easily faked if

784

00:25:52,230 --> 00:25:49,919

you want uh

785

00:25:53,590 --> 00:25:52,240

so yeah there's it's all very simple and

786

00:25:54,950 --> 00:25:53,600

this is kind of stuff i've done for

787

00:25:57,110 --> 00:25:54,960

decades and that's actually what i write

788

00:25:58,630 --> 00:25:57,120

about in our newsletter a lot is how to

789

00:26:01,430 --> 00:25:58,640

do these kind of things and how to live

790

00:26:03,510 --> 00:26:01,440

free in this unfree world and i've

791

00:26:06,870 --> 00:26:03,520

actually made it so i don't have to pay

792

00:26:09,269 --> 00:26:06,880

taxes anywhere all by and legally all by

793

00:26:11,350 --> 00:26:09,279

uh living this lifestyle by i actually

794

00:26:14,149 --> 00:26:11,360

am a resident of a country that doesn't

795

00:26:15,750 --> 00:26:14,159

have any taxes and then i just uh am a

796

00:26:17,510 --> 00:26:15,760

tourist everywhere else i live and i

797

00:26:18,870 --> 00:26:17,520

just don't live in canada anymore which

798

00:26:21,029 --> 00:26:18,880

is where i'm from and i still the

799

00:26:22,710 --> 00:26:21,039

passport of and if i live outside of the

800

00:26:23,990 --> 00:26:22,720

country they don't actually tax me

801
00:26:26,549 --> 00:26:24,000
that's different for americans

802
00:26:28,870 --> 00:26:26,559
unfortunately but they do have a 90 000

803
00:26:30,390 --> 00:26:28,880
per year that you're allowed up to that

804
00:26:32,630 --> 00:26:30,400
you don't have to pay taxes on as long

805
00:26:34,549 --> 00:26:32,640
as you are

806
00:26:36,149 --> 00:26:34,559
supposedly living in another country or

807
00:26:37,590 --> 00:26:36,159
have residency in another country and so

808
00:26:39,909 --> 00:26:37,600
what you do is you become a resident of

809
00:26:41,190 --> 00:26:39,919
a place like paraguay which really has

810
00:26:43,430 --> 00:26:41,200
no income tax and you can get a

811
00:26:44,870 --> 00:26:43,440
residency visa they're quite cheap uh we

812
00:26:46,870 --> 00:26:44,880
can help people with that we actually

813
00:26:48,470 --> 00:26:46,880

help people get passports if you want

814

00:26:49,430 --> 00:26:48,480

for people who have more money and want

815

00:26:50,470 --> 00:26:49,440

to

816

00:26:53,590 --> 00:26:50,480

get

817

00:26:56,230 --> 00:26:53,600

actually even renounce their u.s

818

00:26:58,510 --> 00:26:56,240

citizenship which i highly recommend

819

00:27:01,190 --> 00:26:58,520

so yeah we have that at something called

820

00:27:03,190 --> 00:27:01,200

tdvpassports.com if anyone's interested

821

00:27:05,190 --> 00:27:03,200

well all right so a lot of this stuff

822

00:27:07,750 --> 00:27:05,200

sounds great seems like you live an

823

00:27:09,430 --> 00:27:07,760

ideal life um you know but you're a man

824

00:27:11,430 --> 00:27:09,440

with money and a lot of this seems like

825

00:27:13,110 --> 00:27:11,440

it might be outside of

826

00:27:14,710 --> 00:27:13,120

the resources of most people you know

827

00:27:17,190 --> 00:27:14,720

let's pretend you're in my boat which i

828

00:27:18,630 --> 00:27:17,200

wouldn't wish on my worst enemy

829

00:27:20,630 --> 00:27:18,640

i mean i make i'm bringing in about two

830

00:27:22,470 --> 00:27:20,640

thousand dollars a month i could do much

831

00:27:24,390 --> 00:27:22,480

better if i we moved it away from the

832

00:27:25,990 --> 00:27:24,400

beach but you know the girlfriend wants

833

00:27:26,789 --> 00:27:26,000

to live by the goddamn beach so what can

834

00:27:29,110 --> 00:27:26,799

you do

835

00:27:30,950 --> 00:27:29,120

but um how would i get started i mean i

836

00:27:33,029 --> 00:27:30,960

thought about maybe four in real estate

837

00:27:34,470 --> 00:27:33,039

how i mean i feel trapped you know like

838

00:27:36,390 --> 00:27:34,480

what are the steps what would someone

839

00:27:37,909 --> 00:27:36,400

who's broke do if you were me and you

840

00:27:40,390 --> 00:27:37,919

didn't really have a lot of resources

841

00:27:42,070 --> 00:27:40,400

what would your steps be

842

00:27:44,470 --> 00:27:42,080

well really the first thing i would say

843

00:27:45,909 --> 00:27:44,480

to anyone is stop being broke find a way

844

00:27:47,830 --> 00:27:45,919

to make some money i know it's

845

00:27:49,669 --> 00:27:47,840

incredibly hard in the us and this is

846

00:27:51,350 --> 00:27:49,679

one of the things that so many people

847

00:27:53,830 --> 00:27:51,360

don't understand is it used to be the

848

00:27:56,549 --> 00:27:53,840

land of opportunity and now it's not to

849

00:27:59,590 --> 00:27:56,559

open a lemonade stand in the u.s now

850

00:28:01,990 --> 00:27:59,600

john stossel did a little look into it

851

00:28:03,830 --> 00:28:02,000

it costs about 60 thousand dollars to

852

00:28:06,149 --> 00:28:03,840

open up a lemonade a child's lemonade

853

00:28:07,190 --> 00:28:06,159

stand because of all the regulations the

854

00:28:09,909 --> 00:28:07,200

safety

855

00:28:12,389 --> 00:28:09,919

inspections you need you need insurance

856

00:28:14,070 --> 00:28:12,399

it's insane uh in most other places you

857

00:28:15,669 --> 00:28:14,080

can just open up a lemonade stand or

858

00:28:17,909 --> 00:28:15,679

open up a restaurant or open a bar i

859

00:28:20,470 --> 00:28:17,919

would go to a place like cambodia where

860

00:28:22,789 --> 00:28:20,480

it's incredibly cheap it's unbelievably

861

00:28:24,310 --> 00:28:22,799

cheap and it's going to get so much

862

00:28:26,549 --> 00:28:24,320

better there the economy is booming now

863

00:28:29,110 --> 00:28:26,559

that it's it's back to being a very free

864

00:28:31,029 --> 00:28:29,120

market you could actually open a bar in

865

00:28:32,070 --> 00:28:31,039

cambodia and actually we're going to

866

00:28:34,310 --> 00:28:32,080

write about

867

00:28:35,430 --> 00:28:34,320

a place in cambodia that's going to be

868

00:28:37,430 --> 00:28:35,440

booming soon because they're going to

869

00:28:39,669 --> 00:28:37,440

open an international airport you can

870

00:28:41,110 --> 00:28:39,679

open a bar there for probably about 200

871

00:28:42,950 --> 00:28:41,120

really all you have to do is rent a

872

00:28:45,510 --> 00:28:42,960

space yeah rent a space and just buy

873

00:28:48,470 --> 00:28:45,520

some tequila and beers and you have a

874

00:28:49,750 --> 00:28:48,480

bar that's all there is to it um

875

00:28:50,870 --> 00:28:49,760

and

876

00:28:52,070 --> 00:28:50,880

it you know these are the kinds of

877

00:28:54,470 --> 00:28:52,080

things you can do and you can do that in

878

00:28:56,710 --> 00:28:54,480

a place like mexico as well there's uh

879

00:28:58,310 --> 00:28:56,720

there's no real rules or regulations so

880

00:28:59,750 --> 00:28:58,320

so that's one thing and then another

881

00:29:02,389 --> 00:28:59,760

thing is we have the internet and the

882

00:29:04,070 --> 00:29:02,399

internet has a lot of opportunities um i

883

00:29:05,830 --> 00:29:04,080

don't know if you want to answer

884

00:29:08,470 --> 00:29:05,840

personally but do you make most of your

885

00:29:10,950 --> 00:29:08,480

income over the internet uh no i

886

00:29:12,549 --> 00:29:10,960

actually make most of my income edit and

887

00:29:14,710 --> 00:29:12,559

i don't mind answering any question i'm

888

00:29:16,870 --> 00:29:14,720

not shy about that stuff but i make most

889

00:29:19,029 --> 00:29:16,880

of my money at a day job a corporate day

890

00:29:20,710 --> 00:29:19,039

job yeah where my salary is obviously

891

00:29:23,269 --> 00:29:20,720

capped there's not much anywhere i can

892

00:29:25,510 --> 00:29:23,279

go um and all my money comes from

893

00:29:27,190 --> 00:29:25,520

essentially one resource but i do sell

894

00:29:29,430 --> 00:29:27,200

t-shirts that are conspiracy related

895

00:29:31,110 --> 00:29:29,440

that's a side business that um you know

896

00:29:33,350 --> 00:29:31,120

helps pay for the show and stuff and i'm

897

00:29:35,750 --> 00:29:33,360

trying to make that transition to you

898

00:29:37,750 --> 00:29:35,760

know self-made rather than getting my

899

00:29:40,630 --> 00:29:37,760

money from a corporation and trusting

900

00:29:42,789 --> 00:29:40,640

them to be there for me um i don't want

901
00:29:44,149 --> 00:29:42,799
to do that but that's where i'm at

902
00:29:46,230 --> 00:29:44,159
yeah it's really interesting because

903
00:29:48,230 --> 00:29:46,240
that's what most people in the u.s have

904
00:29:50,230 --> 00:29:48,240
been bred to do that's what the public

905
00:29:52,630 --> 00:29:50,240
indoctrination camps were set up to do

906
00:29:54,549 --> 00:29:52,640
was to create factory workers and really

907
00:29:56,870 --> 00:29:54,559
obedient slaves who will show up at nine

908
00:29:59,430 --> 00:29:56,880
in the morning uh leave at five not ask

909
00:30:01,430 --> 00:29:59,440
too many questions uh that's what

910
00:30:02,630 --> 00:30:01,440
they're being trained to do but the real

911
00:30:04,310 --> 00:30:02,640
way to make money is to be an

912
00:30:06,549 --> 00:30:04,320
entrepreneur and of course you may have

913
00:30:09,269 --> 00:30:06,559

noticed yet again in all those 12 years

914

00:30:10,710 --> 00:30:09,279

of education that they never even talked

915

00:30:13,190 --> 00:30:10,720

about how to start up your own business

916

00:30:15,029 --> 00:30:13,200

or how to create your own uh enterprise

917

00:30:16,470 --> 00:30:15,039

or even be a private contractor or

918

00:30:18,310 --> 00:30:16,480

anything like that

919

00:30:20,070 --> 00:30:18,320

these are the real ways to make some

920

00:30:22,230 --> 00:30:20,080

money and thanks to the internet there's

921

00:30:23,590 --> 00:30:22,240

so many opportunities and i would again

922

00:30:24,950 --> 00:30:23,600

this is stuff that we write about all

923

00:30:27,909 --> 00:30:24,960

the time at our newsletter dollar

924

00:30:30,470 --> 00:30:27,919

vigilante and almost every week we have

925

00:30:32,149 --> 00:30:30,480

ideas for how people can make money uh

926

00:30:34,870 --> 00:30:32,159

in different countries or over the

927

00:30:36,789 --> 00:30:34,880

internet uh just one example this week

928

00:30:38,230 --> 00:30:36,799

i'm going to write and this will be a

929

00:30:39,830 --> 00:30:38,240

little bit out of your price range

930

00:30:41,029 --> 00:30:39,840

probably a fair amount out of your price

931

00:30:42,710 --> 00:30:41,039

range but for anyone who has a little

932

00:30:44,950 --> 00:30:42,720

bit of money or maybe they can get a

933

00:30:47,430 --> 00:30:44,960

loan from their parents or somebody uh

934

00:30:49,190 --> 00:30:47,440

in chile it's growing so fast but they

935

00:30:50,870 --> 00:30:49,200

have they don't have like 7-elevens or

936

00:30:53,269 --> 00:30:50,880

convenience stores it's unbelievable in

937

00:30:55,110 --> 00:30:53,279

santiago which is booming if i want some

938

00:30:57,430 --> 00:30:55,120

cigarettes i end up walking like 10

939

00:30:59,990 --> 00:30:57,440

blocks and they're usually some little

940

00:31:02,950 --> 00:31:00,000

side cart thing that's usually closed at

941

00:31:04,710 --> 00:31:02,960

10 at night they need like 7-elevens or

942

00:31:06,149 --> 00:31:04,720

convenience stores there

943

00:31:07,990 --> 00:31:06,159

of course that's going to cost more than

944

00:31:09,830 --> 00:31:08,000

a few thousand to start up but you know

945

00:31:11,669 --> 00:31:09,840

if you can get uh some capital from you

946

00:31:13,590 --> 00:31:11,679

know a lot of people

947

00:31:15,190 --> 00:31:13,600

ask their parents for their parents save

948

00:31:17,269 --> 00:31:15,200

up for college education that's just

949

00:31:18,630 --> 00:31:17,279

four more years of wasting your time and

950

00:31:20,950 --> 00:31:18,640

then a lot of people go into student

951
00:31:22,789 --> 00:31:20,960
loan debt get outside of that tell your

952
00:31:24,710 --> 00:31:22,799
parents you know

953
00:31:26,310 --> 00:31:24,720
don't put me in college uh best

954
00:31:27,750 --> 00:31:26,320
education is actually travel and

955
00:31:29,990 --> 00:31:27,760
starting your own business both at the

956
00:31:30,950 --> 00:31:30,000
same time preferably and

957
00:31:32,230 --> 00:31:30,960
yeah so

958
00:31:34,310 --> 00:31:32,240
maybe get a loan or actually an

959
00:31:35,590 --> 00:31:34,320
investment i i actually uh definitely

960
00:31:37,430 --> 00:31:35,600
don't think of it as your parents giving

961
00:31:39,190 --> 00:31:37,440
you money i don't actually like uh

962
00:31:40,549 --> 00:31:39,200
charity i think people should invest in

963
00:31:42,870 --> 00:31:40,559

other people

964

00:31:44,549 --> 00:31:42,880

and i i have two children of my own and

965

00:31:45,750 --> 00:31:44,559

if they ever want to start their own

966

00:31:47,509 --> 00:31:45,760

business

967

00:31:48,870 --> 00:31:47,519

and they're looking for investment i

968

00:31:50,070 --> 00:31:48,880

might invest in their business i'll of

969

00:31:51,750 --> 00:31:50,080

course want to make sure that they've

970

00:31:53,190 --> 00:31:51,760

done the research and all that kind of

971

00:31:55,430 --> 00:31:53,200

thing but that's the way that people

972

00:31:57,029 --> 00:31:55,440

should be thinking and

973

00:31:58,470 --> 00:31:57,039

there's so many opportunities out there

974

00:32:00,470 --> 00:31:58,480

especially once you get outside the us

975

00:32:02,310 --> 00:32:00,480

you can see so many opportunities here

976
00:32:03,509 --> 00:32:02,320
in mexico i'll give you another example

977
00:32:05,909 --> 00:32:03,519
and this is something i've written about

978
00:32:08,630 --> 00:32:05,919
before on our newsletter i started a

979
00:32:10,710 --> 00:32:08,640
hotel with zero money down what i did

980
00:32:12,710 --> 00:32:10,720
was i there's they're really bad in

981
00:32:15,590 --> 00:32:12,720
mexico at marketing real estate they had

982
00:32:16,789 --> 00:32:15,600
they're very behind the times most real

983
00:32:17,830 --> 00:32:16,799
estate companies don't even have a

984
00:32:20,070 --> 00:32:17,840
website

985
00:32:23,269 --> 00:32:20,080
so i would i went to the local real

986
00:32:25,269 --> 00:32:23,279
estate uh company and i said um

987
00:32:27,190 --> 00:32:25,279
i i found out what they're offering and

988
00:32:29,509 --> 00:32:27,200

i just listed on the internet in english

989

00:32:31,590 --> 00:32:29,519

which you know would be obvious you

990

00:32:32,950 --> 00:32:31,600

would think to most people but they

991

00:32:34,470 --> 00:32:32,960

never even thought of it and all of a

992

00:32:36,470 --> 00:32:34,480

sudden i'm bringing clients all the time

993

00:32:38,070 --> 00:32:36,480

and i get a commission and so what i did

994

00:32:39,990 --> 00:32:38,080

was there was a bunch of condos in one

995

00:32:42,070 --> 00:32:40,000

building and i started selling them

996

00:32:44,389 --> 00:32:42,080

and i'd make commission on the sale and

997

00:32:45,990 --> 00:32:44,399

then i uh renovated them uh with the

998

00:32:47,669 --> 00:32:46,000

money from the buyer so i would say to

999

00:32:49,750 --> 00:32:47,679

the buyer if you renovate this to a

1000

00:32:51,590 --> 00:32:49,760

certain standard which costs about

1001

00:32:53,669 --> 00:32:51,600

fifteen thousand dollars which isn't a

1002

00:32:56,630 --> 00:32:53,679

lot of money for a lot of uh you know

1003

00:32:57,509 --> 00:32:56,640

americans uh that um i'll rent it out

1004

00:32:58,870 --> 00:32:57,519

for you

1005

00:33:00,470 --> 00:32:58,880

and i've been doing this and now the

1006

00:33:02,430 --> 00:33:00,480

hotel's growing it's called la stories

1007

00:33:04,630 --> 00:33:02,440

hamilla's private suites

1008

00:33:07,750 --> 00:33:04,640

ltgps.com if you want to check it out

1009

00:33:09,430 --> 00:33:07,760

and my condo company is akkacondos.com

1010

00:33:11,110 --> 00:33:09,440

these are i started with zero money down

1011

00:33:13,190 --> 00:33:11,120

i never put a penny of my own money into

1012

00:33:15,750 --> 00:33:13,200

it and now i have a real estate company

1013

00:33:17,350 --> 00:33:15,760

and a hotel uh and it and you can do

1014

00:33:19,509 --> 00:33:17,360

that almost anywhere in mexico you can

1015

00:33:21,509 --> 00:33:19,519

do that almost anywhere in latin america

1016

00:33:22,789 --> 00:33:21,519

and uh these are the kinds of ideas the

1017

00:33:24,870 --> 00:33:22,799

kinds of things that you can do of

1018

00:33:27,350 --> 00:33:24,880

course it's not easy nothing ever is

1019

00:33:30,230 --> 00:33:27,360

easy in business it took a few years to

1020

00:33:32,230 --> 00:33:30,240

really get to be making good money uh

1021

00:33:33,990 --> 00:33:32,240

but um you know these are the kinds of

1022

00:33:36,310 --> 00:33:34,000

things you can be doing out there

1023

00:33:37,669 --> 00:33:36,320

yeah man that's crazy the cambodia thing

1024

00:33:39,590 --> 00:33:37,679

is stuck in my head that you could open

1025

00:33:41,190 --> 00:33:39,600

up a bar for so little i mean and what

1026
00:33:43,350 --> 00:33:41,200
you did in mexico is pretty impressive

1027
00:33:45,269 --> 00:33:43,360
too but i guess my girlfriend and i you

1028
00:33:46,630 --> 00:33:45,279
know if we had a couple of months we're

1029
00:33:48,389 --> 00:33:46,640
pretty sure that the apartment we live

1030
00:33:50,389 --> 00:33:48,399
in now is the last

1031
00:33:52,149 --> 00:33:50,399
apartment we want to rent if we were we

1032
00:33:53,990 --> 00:33:52,159
we want to buy something but then we're

1033
00:33:55,269 --> 00:33:54,000
like we don't want to buy something here

1034
00:33:57,029 --> 00:33:55,279
we don't want to buy something in this

1035
00:33:59,350 --> 00:33:57,039
country you know and just have it be

1036
00:34:01,190 --> 00:33:59,360
taken away or watch the value drain out

1037
00:34:03,509 --> 00:34:01,200
of it but we just don't have the

1038
00:34:05,669 --> 00:34:03,519

knowledge on necessarily where to go but

1039

00:34:07,430 --> 00:34:05,679

we could put together like ten fifteen

1040

00:34:09,669 --> 00:34:07,440

thousand dollars in a in a matter of

1041

00:34:11,270 --> 00:34:09,679

months and maybe take off for cambodia

1042

00:34:13,510 --> 00:34:11,280

and open up a bar

1043

00:34:15,270 --> 00:34:13,520

oh that's uh ten or fifteen thousand in

1044

00:34:16,470 --> 00:34:15,280

place like cambodia or if you wanna stay

1045

00:34:19,829 --> 00:34:16,480

on this side of the world a bit more

1046

00:34:21,589 --> 00:34:19,839

nicaragua it's really growing very cheap

1047

00:34:23,349 --> 00:34:21,599

i really like it there it's incredibly

1048

00:34:25,430 --> 00:34:23,359

nice beautiful

1049

00:34:28,149 --> 00:34:25,440

there's so many places where 10 or 15

1050

00:34:29,510 --> 00:34:28,159

000 is a large amount of capital that

1051
00:34:31,270 --> 00:34:29,520
you can definitely

1052
00:34:33,030 --> 00:34:31,280
start up a business

1053
00:34:35,589 --> 00:34:33,040
that will do quite well

1054
00:34:36,550 --> 00:34:35,599
where do you think people would go for

1055
00:34:38,149 --> 00:34:36,560
um

1056
00:34:39,909 --> 00:34:38,159
the most information or the most

1057
00:34:41,349 --> 00:34:39,919
knowledge i mean are you doing all right

1058
00:34:42,869 --> 00:34:41,359
with the stuff you're doing with the

1059
00:34:44,629 --> 00:34:42,879
dollar vigilante the articles you're

1060
00:34:46,550 --> 00:34:44,639
writing are you are you writing those

1061
00:34:49,270 --> 00:34:46,560
kind of things for people who don't have

1062
00:34:51,589 --> 00:34:49,280
a lot of resources on what they can do

1063
00:34:53,669 --> 00:34:51,599

yeah i do for everyone all the way from

1064

00:34:55,270 --> 00:34:53,679

broke to incredibly rich we've got some

1065

00:34:57,190 --> 00:34:55,280

billionaires who are subscribers and i

1066

00:34:59,829 --> 00:34:57,200

have ideas for them

1067

00:35:01,510 --> 00:34:59,839

we have a lot of very broke young people

1068

00:35:03,349 --> 00:35:01,520

who just have no capital at the moment

1069

00:35:04,870 --> 00:35:03,359

and so that these are some of the ideas

1070

00:35:06,150 --> 00:35:04,880

that i'm giving them i really want to

1071

00:35:08,150 --> 00:35:06,160

help a lot of people out because i

1072

00:35:09,829 --> 00:35:08,160

really see a lot of the people who've

1073

00:35:12,550 --> 00:35:09,839

grown up in the west they're they're

1074

00:35:14,310 --> 00:35:12,560

feeling very depressed they really see

1075

00:35:16,390 --> 00:35:14,320

no future for themselves and and there

1076

00:35:18,150 --> 00:35:16,400

really is no future for them in the us

1077

00:35:19,670 --> 00:35:18,160

for sure it's going to get nothing but

1078

00:35:21,109 --> 00:35:19,680

worse from here

1079

00:35:22,550 --> 00:35:21,119

all the opportunities most of them are

1080

00:35:23,910 --> 00:35:22,560

gone there is still opportunities but

1081

00:35:25,910 --> 00:35:23,920

you need a fair amount of capital to

1082

00:35:28,230 --> 00:35:25,920

even try to do those things and then

1083

00:35:29,829 --> 00:35:28,240

after all the regulations and taxes uh

1084

00:35:31,829 --> 00:35:29,839

it's really hard to get into almost any

1085

00:35:33,829 --> 00:35:31,839

business in the us anymore so i'm really

1086

00:35:36,310 --> 00:35:33,839

saying to people uh just like the people

1087

00:35:38,550 --> 00:35:36,320

uh for the last hundred years all went

1088

00:35:40,950 --> 00:35:38,560

to the us because it was the you know

1089

00:35:42,950 --> 00:35:40,960

home of the free and land of opportunity

1090

00:35:45,270 --> 00:35:42,960

uh it used to be it's not anymore and

1091

00:35:47,430 --> 00:35:45,280

now much of the rest of the world is

1092

00:35:50,950 --> 00:35:47,440

more like that you look at the soviet

1093

00:35:52,630 --> 00:35:50,960

union uh russia uh you look at china uh

1094

00:35:54,870 --> 00:35:52,640

you look at what edward snowden did

1095

00:35:57,829 --> 00:35:54,880

recently with the nsa he actually

1096

00:36:00,870 --> 00:35:57,839

defected to china to to get away from

1097

00:36:02,630 --> 00:36:00,880

political oppression in the us this is

1098

00:36:04,790 --> 00:36:02,640

the whole world has flipped in the last

1099

00:36:06,630 --> 00:36:04,800

40 years um

1100

00:36:09,349 --> 00:36:06,640

so yeah you really have to get outside

1101
00:36:11,109 --> 00:36:09,359
of the the headspace of of how things

1102
00:36:14,030 --> 00:36:11,119
used to be and realize that everything's

1103
00:36:15,990 --> 00:36:14,040
changing and you you see i we we run

1104
00:36:18,630 --> 00:36:16,000
tddpassports.com we have hundreds of

1105
00:36:20,310 --> 00:36:18,640
clients who want out of the us so

1106
00:36:22,710 --> 00:36:20,320
everyone's fleeing the us now and

1107
00:36:25,030 --> 00:36:22,720
rightly so if you're smart you should

1108
00:36:27,030 --> 00:36:25,040
look to get out we also write another

1109
00:36:29,109 --> 00:36:27,040
newsletter just so you know called tdv

1110
00:36:30,710 --> 00:36:29,119
homegrown and that's for people who want

1111
00:36:32,470 --> 00:36:30,720
to stay in the us they don't want to

1112
00:36:34,870 --> 00:36:32,480
leave or they can't leave and we give

1113
00:36:37,030 --> 00:36:34,880

them tips every month and ideas on how

1114

00:36:38,870 --> 00:36:37,040

to survive how to make money still even

1115

00:36:41,430 --> 00:36:38,880

though it's it's very hard nowadays to

1116

00:36:44,310 --> 00:36:41,440

do so and that only costs 40 a year so

1117

00:36:47,829 --> 00:36:44,320

we're trying to really uh

1118

00:36:49,670 --> 00:36:47,839

help as many people as possible try to

1119

00:36:52,310 --> 00:36:49,680

wake up as many people as possible show

1120

00:36:53,750 --> 00:36:52,320

them that how the world's changing and

1121

00:36:55,589 --> 00:36:53,760

and i've been out here doing it for 10

1122

00:36:58,310 --> 00:36:55,599

years so that's uh i've got a quite a

1123

00:37:00,470 --> 00:36:58,320

perspective on uh how to survive and how

1124

00:37:02,390 --> 00:37:00,480

to prosper outside of the us or even

1125

00:37:03,670 --> 00:37:02,400

inside the u.s and we have writers who

1126

00:37:06,230 --> 00:37:03,680

are in the u.s

1127

00:37:08,630 --> 00:37:06,240

who have lots of ideas all the time on

1128

00:37:09,910 --> 00:37:08,640

how you can still survive how you can

1129

00:37:11,829 --> 00:37:09,920

still make money

1130

00:37:13,349 --> 00:37:11,839

in the u.s and how you can

1131

00:37:15,109 --> 00:37:13,359

stay safe because it's going to become

1132

00:37:16,150 --> 00:37:15,119

very dangerous in the next few years in

1133

00:37:17,829 --> 00:37:16,160

the us

1134

00:37:20,069 --> 00:37:17,839

yeah that's such a funny thing you say

1135

00:37:22,069 --> 00:37:20,079

that because it's hard to

1136

00:37:23,990 --> 00:37:22,079

get past this mental block or i guess

1137

00:37:26,790 --> 00:37:24,000

this programming that a place like

1138

00:37:29,349 --> 00:37:26,800

cambodia or acapulco is super dangerous

1139

00:37:30,790 --> 00:37:29,359

when really the danger is probably going

1140

00:37:33,109 --> 00:37:30,800

to be knocking on your door in a few

1141

00:37:35,910 --> 00:37:33,119

years wearing a police vest

1142

00:37:38,390 --> 00:37:35,920

yeah totally uh but i compare the us

1143

00:37:40,470 --> 00:37:38,400

today i call it the ussa i compare it to

1144

00:37:42,390 --> 00:37:40,480

the soviet union uh when during its

1145

00:37:44,550 --> 00:37:42,400

collapse the biggest difference between

1146

00:37:47,109 --> 00:37:44,560

the soviet union during its final years

1147

00:37:49,030 --> 00:37:47,119

and the us is that in the soviet union

1148

00:37:51,430 --> 00:37:49,040

everyone knew that everything they were

1149

00:37:53,670 --> 00:37:51,440

seeing was wrong and was propaganda

1150

00:37:56,230 --> 00:37:53,680

there used to be two propaganda sources

1151
00:37:58,870 --> 00:37:56,240
in the ussr one was called azvestia and

1152
00:38:00,390 --> 00:37:58,880
one was called pravda and one meant the

1153
00:38:02,390 --> 00:38:00,400
truth and the other meant the news and

1154
00:38:04,470 --> 00:38:02,400
there used to be a saying in the soviet

1155
00:38:06,470 --> 00:38:04,480
union that there's no news in the truth

1156
00:38:08,310 --> 00:38:06,480
and there's no truth in the news the

1157
00:38:10,150 --> 00:38:08,320
biggest difference with the us today is

1158
00:38:11,990 --> 00:38:10,160
people have been so propagandized and

1159
00:38:13,430 --> 00:38:12,000
brainwashed for all their lives that

1160
00:38:15,430 --> 00:38:13,440
they actually still believe it's the

1161
00:38:17,270 --> 00:38:15,440
land of the free home of the brave you

1162
00:38:18,710 --> 00:38:17,280
know in boston where millions of people

1163
00:38:20,630 --> 00:38:18,720

hide in their houses when there's a

1164

00:38:21,670 --> 00:38:20,640

little boy with a pressure cooker from

1165

00:38:23,910 --> 00:38:21,680

his kitchen

1166

00:38:24,950 --> 00:38:23,920

running around supposedly land of the

1167

00:38:27,670 --> 00:38:24,960

brave

1168

00:38:30,069 --> 00:38:27,680

home of the free with uh eight times uh

1169

00:38:32,230 --> 00:38:30,079

the average prison population ninety

1170

00:38:34,230 --> 00:38:32,240

percent of people in

1171

00:38:36,069 --> 00:38:34,240

prison camps in the us are there for

1172

00:38:37,030 --> 00:38:36,079

victims crimes which means it's not a

1173

00:38:39,109 --> 00:38:37,040

crime

1174

00:38:41,109 --> 00:38:39,119

so people don't see it they've been

1175

00:38:44,790 --> 00:38:41,119

really amazingly brainwashed but they

1176
00:38:47,510 --> 00:38:44,800
are slowly waking up and uh it really is

1177
00:38:50,310 --> 00:38:47,520
this i look at the usa today just like

1178
00:38:51,910 --> 00:38:50,320
the ussr in the in the 80s and uh the

1179
00:38:53,910 --> 00:38:51,920
only difference is that a lot of

1180
00:38:56,550 --> 00:38:53,920
american subjects or slaves as i call

1181
00:38:59,030 --> 00:38:56,560
them uh really haven't woken up yet to

1182
00:39:02,950 --> 00:38:59,040
realize they actually are living in in

1183
00:39:04,870 --> 00:39:02,960
an empire that is going to collapse

1184
00:39:06,710 --> 00:39:04,880
i i totally agree with you i mean let's

1185
00:39:07,829 --> 00:39:06,720
talk about the people who who aren't

1186
00:39:09,510 --> 00:39:07,839
ready to move you said you do some

1187
00:39:11,750 --> 00:39:09,520
things for them let's talk about how

1188
00:39:13,589 --> 00:39:11,760

they would get ahead economically

1189

00:39:15,589 --> 00:39:13,599

i've heard bitcoin is pretty popular but

1190

00:39:17,670 --> 00:39:15,599

everybody says you know buy gold but

1191

00:39:19,190 --> 00:39:17,680

gold is is over a thousand dollars an

1192

00:39:20,710 --> 00:39:19,200

ounce like it's gonna take me a couple

1193

00:39:22,230 --> 00:39:20,720

months to get to an ounce of gold you

1194

00:39:23,829 --> 00:39:22,240

know i feel like there's not much room

1195

00:39:25,829 --> 00:39:23,839

for growth there for someone who doesn't

1196

00:39:27,589 --> 00:39:25,839

have a lot of capital to put into

1197

00:39:29,829 --> 00:39:27,599

something but i know you're involved in

1198

00:39:32,310 --> 00:39:29,839

some bitcoin projects right

1199

00:39:34,150 --> 00:39:32,320

i was i'm a huge fan of bitcoin uh

1200

00:39:36,790 --> 00:39:34,160

before i talk about bitcoin just to talk

1201

00:39:39,190 --> 00:39:36,800

briefly on gold sure uh yeah golden is

1202

00:39:41,270 --> 00:39:39,200

more of a way to conserve your wealth

1203

00:39:42,710 --> 00:39:41,280

it's uh it's more for safety so i

1204

00:39:44,550 --> 00:39:42,720

wouldn't look at it as a way to make a

1205

00:39:45,349 --> 00:39:44,560

lot of money although it will go up for

1206

00:39:46,950 --> 00:39:45,359

sure

1207

00:39:49,270 --> 00:39:46,960

gold will go up it'll probably hit a

1208

00:39:50,870 --> 00:39:49,280

trillion dollars an ounce in five or ten

1209

00:39:52,630 --> 00:39:50,880

years but at that point a big mac will

1210

00:39:54,710 --> 00:39:52,640

cost a billion dollars

1211

00:39:56,230 --> 00:39:54,720

but it's a way to conserve or to save

1212

00:39:58,230 --> 00:39:56,240

your wealth uh if you don't have any

1213

00:40:00,470 --> 00:39:58,240

wealth that's probably not the way to

1214

00:40:03,270 --> 00:40:00,480

make a lot of money bitcoin is very

1215

00:40:04,870 --> 00:40:03,280

interesting uh it's very speculative the

1216

00:40:06,870 --> 00:40:04,880

reason i like it so much is it's a free

1217

00:40:09,109 --> 00:40:06,880

market money it's created by the private

1218

00:40:10,710 --> 00:40:09,119

enterprise it's not uh controlled by

1219

00:40:13,750 --> 00:40:10,720

central banks it can't be controlled by

1220

00:40:15,589 --> 00:40:13,760

government

1221

00:40:17,270 --> 00:40:15,599

and people used to ask me actually a few

1222

00:40:18,550 --> 00:40:17,280

years ago they would say well you're

1223

00:40:19,910 --> 00:40:18,560

saying the us dollar is going to

1224

00:40:22,230 --> 00:40:19,920

collapse and all fiat currencies are

1225

00:40:23,670 --> 00:40:22,240

going to collapse well what will happen

1226

00:40:25,750 --> 00:40:23,680

what will people use for money after

1227

00:40:26,950 --> 00:40:25,760

that and i used to say well probably

1228

00:40:28,630 --> 00:40:26,960

gold and silver and some sort of

1229

00:40:31,349 --> 00:40:28,640

derivative some sort of digital gold and

1230

00:40:32,710 --> 00:40:31,359

digital silver uh and uh and i always

1231

00:40:34,230 --> 00:40:32,720

used to say it and i'm sure the free

1232

00:40:37,109 --> 00:40:34,240

market private enterprise will come up

1233

00:40:39,430 --> 00:40:37,119

with solutions as they always do and so

1234

00:40:41,510 --> 00:40:39,440

bitcoin has really uh vindicated me on

1235

00:40:43,349 --> 00:40:41,520

that because that's a pr private free

1236

00:40:45,670 --> 00:40:43,359

market money that's really catching on

1237

00:40:47,670 --> 00:40:45,680

now whether you want to invest in it i

1238

00:40:50,069 --> 00:40:47,680

don't know what it's trading at today

1239

00:40:52,230 --> 00:40:50,079

but as a way to make a lot of money

1240

00:40:54,150 --> 00:40:52,240

that's speculative for sure uh but you

1241

00:40:56,390 --> 00:40:54,160

could if bitcoin catches on it'll

1242

00:40:58,550 --> 00:40:56,400

definitely go much higher a lot higher

1243

00:41:00,150 --> 00:40:58,560

uh but you know it's being under it's

1244

00:41:01,670 --> 00:41:00,160

under attack big time by the us

1245

00:41:04,069 --> 00:41:01,680

government and the central banks right

1246

00:41:06,630 --> 00:41:04,079

now uh in the us and europe they're

1247

00:41:08,150 --> 00:41:06,640

really attacking especially the u.s

1248

00:41:09,910 --> 00:41:08,160

they can't bring bitcoin down but they

1249

00:41:10,790 --> 00:41:09,920

can make it very hard for people to use

1250

00:41:12,390 --> 00:41:10,800

but

1251
00:41:14,069 --> 00:41:12,400
people all over the world have begun to

1252
00:41:16,470 --> 00:41:14,079
use it especially in places where they

1253
00:41:19,030 --> 00:41:16,480
have capital controls uh like outward

1254
00:41:21,829 --> 00:41:19,040
capital controls like real solid capital

1255
00:41:23,670 --> 00:41:21,839
controls like argentina or iran uh

1256
00:41:24,950 --> 00:41:23,680
people started to use it there and the

1257
00:41:26,470 --> 00:41:24,960
more the people use it the value will

1258
00:41:28,470 --> 00:41:26,480
definitely go up so that's definitely

1259
00:41:30,710 --> 00:41:28,480
something to look at what i would do is

1260
00:41:32,950 --> 00:41:30,720
look into a bitcoin related business uh

1261
00:41:34,630 --> 00:41:32,960
there's so many if one get into bitcoin

1262
00:41:36,790 --> 00:41:34,640
start using it once you start using it

1263
00:41:38,630 --> 00:41:36,800

you'll start to realize there's so many

1264

00:41:40,470 --> 00:41:38,640

businesses that that need to be created

1265

00:41:41,910 --> 00:41:40,480

there needs to be bitcoin insurance

1266

00:41:44,710 --> 00:41:41,920

companies there need to be bitcoin

1267

00:41:47,030 --> 00:41:44,720

dispute resolution companies there needs

1268

00:41:48,710 --> 00:41:47,040

thousands bitcoin payment companies

1269

00:41:50,870 --> 00:41:48,720

i thought of many of them actually got

1270

00:41:53,030 --> 00:41:50,880

involved in something called bitcoin atm

1271

00:41:54,790 --> 00:41:53,040

for a period of time uh but the us

1272

00:41:57,349 --> 00:41:54,800

government really shut it down uh they

1273

00:41:59,430 --> 00:41:57,359

called uh if you're going to be uh have

1274

00:42:01,190 --> 00:41:59,440

a bitcoin atm where you can put money in

1275

00:42:02,390 --> 00:42:01,200

for bitcoins or take money out of your

1276

00:42:04,069 --> 00:42:02,400

bitcoin account

1277

00:42:06,150 --> 00:42:04,079

uh they say in the us you're actually

1278

00:42:08,230 --> 00:42:06,160

under four or five different regulatory

1279

00:42:10,309 --> 00:42:08,240

agencies of course that's just how they

1280

00:42:12,790 --> 00:42:10,319

keep uh the small guys out of business

1281

00:42:14,390 --> 00:42:12,800

it's called fascism and the banks and

1282

00:42:16,230 --> 00:42:14,400

the central banks don't want people to

1283

00:42:18,390 --> 00:42:16,240

get involved in this and to start up a

1284

00:42:20,470 --> 00:42:18,400

bitcoin atm i was told by a team of

1285

00:42:22,230 --> 00:42:20,480

lawyers that it would cost a minimum of

1286

00:42:24,790 --> 00:42:22,240

25 million dollars just to get an

1287

00:42:27,109 --> 00:42:24,800

insurance bond as a money transmitter in

1288

00:42:29,190 --> 00:42:27,119

the us however you could start up a

1289

00:42:30,470 --> 00:42:29,200

bitcoin business in another country and

1290

00:42:32,710 --> 00:42:30,480

get it going

1291

00:42:33,990 --> 00:42:32,720

there's so many opportunities

1292

00:42:35,829 --> 00:42:34,000

i would definitely if you don't haven't

1293

00:42:38,069 --> 00:42:35,839

looked into bitcoin look into it because

1294

00:42:39,750 --> 00:42:38,079

this could turn out to be a future money

1295

00:42:41,670 --> 00:42:39,760

that is used and it's going to be

1296

00:42:44,390 --> 00:42:41,680

massive billion dollar potential

1297

00:42:46,390 --> 00:42:44,400

opportunities if this catches on

1298

00:42:48,630 --> 00:42:46,400

and it's going to be very interesting

1299

00:42:50,309 --> 00:42:48,640

and if i i am an entrepreneur but i'm

1300

00:42:52,630 --> 00:42:50,319

i'm so busy doing my other businesses

1301

00:42:54,390 --> 00:42:52,640

that i don't have time to focus if i did

1302

00:42:55,589 --> 00:42:54,400

i'd be starting up bitcoin related

1303

00:42:56,950 --> 00:42:55,599

businesses all the time and i wrote

1304

00:42:58,870 --> 00:42:56,960

about this in our newsletter recently

1305

00:43:00,069 --> 00:42:58,880

and i don't like to give out all of our

1306

00:43:01,510 --> 00:43:00,079

uh

1307

00:43:02,950 --> 00:43:01,520

secrets or all of the things that our

1308

00:43:04,870 --> 00:43:02,960

subscribers pay for but i'll give you

1309

00:43:07,829 --> 00:43:04,880

one uh

1310

00:43:09,990 --> 00:43:07,839

idea uh poker sites uh

1311

00:43:11,349 --> 00:43:10,000

online poker was made illegal by the us

1312

00:43:13,510 --> 00:43:11,359

government a few years ago which is

1313

00:43:16,390 --> 00:43:13,520

unbelievable that they did that but of

1314

00:43:18,790 --> 00:43:16,400

course they had uh harry reid in nevada

1315

00:43:20,630 --> 00:43:18,800

under the thumb of the casinos who said

1316

00:43:22,630 --> 00:43:20,640

use your guns to make sure that no one

1317

00:43:24,069 --> 00:43:22,640

can have online poker because it's

1318

00:43:26,309 --> 00:43:24,079

hurting our business and we want to get

1319

00:43:28,630 --> 00:43:26,319

into that business but we're too slow so

1320

00:43:30,230 --> 00:43:28,640

give us a year or two to get it set up

1321

00:43:32,390 --> 00:43:30,240

and shut everyone down

1322

00:43:33,990 --> 00:43:32,400

so for the last few years americans

1323

00:43:36,550 --> 00:43:34,000

couldn't play online poker and it's a

1324

00:43:38,470 --> 00:43:36,560

very popular uh thing to do it's very

1325

00:43:41,349 --> 00:43:38,480

popular hobby or sport i used to play it

1326

00:43:43,430 --> 00:43:41,359

all the time i love poker yeah

1327

00:43:45,990 --> 00:43:43,440

start up a bitcoin poker site and make

1328

00:43:49,510 --> 00:43:46,000

it so it's it's impossible to shut down

1329

00:43:51,829 --> 00:43:49,520

uh put it put it in ways offshore put it

1330

00:43:53,030 --> 00:43:51,839

uh make it uh over torrents these are

1331

00:43:55,109 --> 00:43:53,040

all things that a lot of techie people

1332

00:43:56,630 --> 00:43:55,119

would understand but uh bitcoin poker

1333

00:43:58,870 --> 00:43:56,640

site and then any american could play

1334

00:44:00,470 --> 00:43:58,880

using bitcoin uh so these are there's

1335

00:44:01,829 --> 00:44:00,480

tons of opportunities out right out

1336

00:44:04,309 --> 00:44:01,839

there right now especially thanks to the

1337

00:44:06,150 --> 00:44:04,319

internet and uh so both through the

1338

00:44:07,510 --> 00:44:06,160

internet and through looking at other

1339

00:44:08,550 --> 00:44:07,520

countries where there's so much more

1340

00:44:09,910 --> 00:44:08,560

opportunity

1341

00:44:11,270 --> 00:44:09,920

there's a lot of money that people could

1342

00:44:13,589 --> 00:44:11,280

be making but the more you stay in the

1343

00:44:14,950 --> 00:44:13,599

u.s and work your your day job and just

1344

00:44:16,550 --> 00:44:14,960

get your check and then the government

1345

00:44:17,910 --> 00:44:16,560

takes a bunch of money off the check and

1346

00:44:21,190 --> 00:44:17,920

then you have to pay your

1347

00:44:23,190 --> 00:44:21,200

all kinds of other sales taxes and and

1348

00:44:24,950 --> 00:44:23,200

taxes on cigarettes and alcohol and all

1349

00:44:27,750 --> 00:44:24,960

those sort of things you basically have

1350

00:44:29,510 --> 00:44:27,760

no way to get ahead uh that way and uh

1351

00:44:30,630 --> 00:44:29,520

so yeah look at these other options for

1352

00:44:33,109 --> 00:44:30,640

sure

1353

00:44:36,309 --> 00:44:33,119

man you know we did do a show on bitcoin

1354

00:44:38,390 --> 00:44:36,319

but i was still kind of left feeling

1355

00:44:39,990 --> 00:44:38,400

like i didn't have a clear path on how

1356

00:44:41,829 --> 00:44:40,000

exactly to get involved with it what are

1357

00:44:44,230 --> 00:44:41,839

some of the trusted exchanges or how

1358

00:44:47,030 --> 00:44:44,240

would you advise someone to start making

1359

00:44:48,630 --> 00:44:47,040

a safer safer less risky investment in

1360

00:44:50,230 --> 00:44:48,640

bitcoins

1361

00:44:52,870 --> 00:44:50,240

well i don't call it investment i call

1362

00:44:55,589 --> 00:44:52,880

it a speculation because

1363

00:44:56,790 --> 00:44:55,599

yeah i although i did get into bitcoin i

1364

00:44:59,510 --> 00:44:56,800

wrote about it at first in our

1365

00:45:01,910 --> 00:44:59,520

newsletter and on our blog uh in 2011 at

1366

00:45:04,150 --> 00:45:01,920

that time was trading at six dollars it

1367

00:45:06,309 --> 00:45:04,160

since went to fifty dollars it's now

1368

00:45:07,829 --> 00:45:06,319

around a hundred dollars uh it could go

1369

00:45:10,390 --> 00:45:07,839

to a thousand dollars or it could go to

1370

00:45:12,309 --> 00:45:10,400

zero um but i think it's it's more like

1371

00:45:14,230 --> 00:45:12,319

it goes to a thousand or ten thousand

1372

00:45:17,349 --> 00:45:14,240

dollars um it but it's not going to be

1373

00:45:19,349 --> 00:45:17,359

easy uh definitely look into it um

1374

00:45:22,950 --> 00:45:19,359

the the very first thing to do is just

1375

00:45:24,470 --> 00:45:22,960

to uh open a bitcoin account uh through

1376

00:45:26,870 --> 00:45:24,480

there's so many different places i use

1377

00:45:29,589 --> 00:45:26,880

something called blockchain.net to get a

1378

00:45:31,510 --> 00:45:29,599

wallet uh start to uh

1379

00:45:33,430 --> 00:45:31,520

trade in it offer if you have a little

1380

00:45:35,270 --> 00:45:33,440

business offer your products in it i

1381

00:45:37,270 --> 00:45:35,280

start to use it and as you use it you'll

1382

00:45:39,270 --> 00:45:37,280

start to see so many opportunities in

1383

00:45:40,950 --> 00:45:39,280

that world this is a a completely new

1384

00:45:42,069 --> 00:45:40,960

monetary system being created by the

1385

00:45:43,910 --> 00:45:42,079

free market

1386

00:45:45,589 --> 00:45:43,920

and if you get in now

1387

00:45:47,270 --> 00:45:45,599

and not necessarily as an investment not

1388

00:45:48,870 --> 00:45:47,280

just investing in bitcoin although that

1389

00:45:51,270 --> 00:45:48,880

has a lot of potential to make a lot of

1390

00:45:53,750 --> 00:45:51,280

money uh but start up a little business

1391

00:45:55,750 --> 00:45:53,760

uh create this there's i think it's one

1392

00:45:58,309 --> 00:45:55,760

probably every week that i can't believe

1393

00:45:59,589 --> 00:45:58,319

no one's thought of yet uh so but and

1394

00:46:00,950 --> 00:45:59,599

you ca but you can't really think of

1395

00:46:02,790 --> 00:46:00,960

these things until you get involved in

1396

00:46:05,349 --> 00:46:02,800

it because even i couldn't think of them

1397

00:46:06,950 --> 00:46:05,359

but once you start using it you go oh

1398

00:46:09,589 --> 00:46:06,960

this needs this or this needs some sort

1399

00:46:11,190 --> 00:46:09,599

of payment processor because uh some

1400

00:46:12,630 --> 00:46:11,200

people are complaining you know of this

1401
00:46:14,710 --> 00:46:12,640
problem and you know you just find a

1402
00:46:17,349 --> 00:46:14,720
problem and fix it and you can uh

1403
00:46:19,990 --> 00:46:17,359
potentially make a lot of money

1404
00:46:21,589 --> 00:46:20,000
yeah man it sounds sounds so easy you

1405
00:46:23,750 --> 00:46:21,599
make it seem like the simplest thing

1406
00:46:25,510 --> 00:46:23,760
ever but uh you know let's talk a little

1407
00:46:28,150 --> 00:46:25,520
bit about your forecast for the western

1408
00:46:29,510 --> 00:46:28,160
economy obviously it's gloomy but uh you

1409
00:46:30,950 --> 00:46:29,520
know what kind of time frame do you

1410
00:46:32,069 --> 00:46:30,960
think we're working with i mean what do

1411
00:46:34,069 --> 00:46:32,079
you think people are gonna see in the

1412
00:46:38,309 --> 00:46:34,079
next five to ten years who do decide to

1413
00:46:41,589 --> 00:46:40,230

it's uh

1414

00:46:43,990 --> 00:46:41,599

you know if you would ask me that five

1415

00:46:46,069 --> 00:46:44,000

years ago i would have said

1416

00:46:47,750 --> 00:46:46,079

i'm not sure it could turn out okay uh

1417

00:46:49,670 --> 00:46:47,760

but everything that's going on right now

1418

00:46:51,430 --> 00:46:49,680

with uh everything the us government's

1419

00:46:53,190 --> 00:46:51,440

doing with you know buying hollow-point

1420

00:46:56,710 --> 00:46:53,200

bullets buying tanks setting up fema

1421

00:46:59,190 --> 00:46:56,720

camps it's not looking good at all and

1422

00:47:01,589 --> 00:46:59,200

the economy cannot do well because the

1423

00:47:03,190 --> 00:47:01,599

us government has so much debt now it's

1424

00:47:05,190 --> 00:47:03,200

actually taking most of the capital out

1425

00:47:06,630 --> 00:47:05,200

of the out of the economy and basically

1426

00:47:09,030 --> 00:47:06,640

destroying it and putting into things

1427

00:47:10,710 --> 00:47:09,040

like wars which are just bombs that are

1428

00:47:12,550 --> 00:47:10,720

constantly going off all over the world

1429

00:47:15,750 --> 00:47:12,560

thanks to the terrorist acts of the us

1430

00:47:18,230 --> 00:47:15,760

government barack obama

1431

00:47:20,150 --> 00:47:18,240

it's not going to be good i

1432

00:47:21,349 --> 00:47:20,160

but however i will say this

1433

00:47:23,750 --> 00:47:21,359

there's going to be pockets of

1434

00:47:27,030 --> 00:47:23,760

opportunity during the collapse i would

1435

00:47:29,430 --> 00:47:27,040

stay out of major cities for sure

1436

00:47:31,109 --> 00:47:29,440

once it starts to collapse however and

1437

00:47:32,470 --> 00:47:31,119

once the u.s government and the military

1438

00:47:34,870 --> 00:47:32,480

and the homeland insecurity and the

1439

00:47:36,630 --> 00:47:34,880

police start to lose control there's

1440

00:47:38,870 --> 00:47:36,640

going to be massive opportunities in the

1441

00:47:40,309 --> 00:47:38,880

u.s however you have to get through that

1442

00:47:42,069 --> 00:47:40,319

transition it's very much like what

1443

00:47:44,309 --> 00:47:42,079

happened in the soviet union

1444

00:47:46,230 --> 00:47:44,319

if you were there near the end it got

1445

00:47:47,589 --> 00:47:46,240

really messy

1446

00:47:49,990 --> 00:47:47,599

it

1447

00:47:51,349 --> 00:47:50,000

was fairly chaotic for a period of time

1448

00:47:53,270 --> 00:47:51,359

and then a lot of people just started

1449

00:47:54,470 --> 00:47:53,280

just taking over stuff they actually use

1450

00:47:56,550 --> 00:47:54,480

violence which i don't like at all

1451
00:47:58,470 --> 00:47:56,560
they'd come in with guns and and say oh

1452
00:48:00,390 --> 00:47:58,480
this is my copper mine now

1453
00:48:01,750 --> 00:48:00,400
but uh but there is going to be and a

1454
00:48:03,510 --> 00:48:01,760
lot of those people are billionaires now

1455
00:48:04,950 --> 00:48:03,520
there's more billionaires in moscow now

1456
00:48:06,550 --> 00:48:04,960
than any other city on earth and it's

1457
00:48:09,589 --> 00:48:06,560
because of that and that hopefully

1458
00:48:11,430 --> 00:48:09,599
doesn't become that bad hopefully

1459
00:48:12,710 --> 00:48:11,440
you have to remember too that the soviet

1460
00:48:14,230 --> 00:48:12,720
uh people

1461
00:48:16,230 --> 00:48:14,240
have been raised for generations on

1462
00:48:18,230 --> 00:48:16,240
communism which is very violent and they

1463
00:48:20,950 --> 00:48:18,240

don't understand that actual free

1464

00:48:23,109 --> 00:48:20,960

markets and and trade is is a good thing

1465

00:48:25,190 --> 00:48:23,119

and actually is way more lucrative than

1466

00:48:27,750 --> 00:48:25,200

just stealing and using violence against

1467

00:48:29,829 --> 00:48:27,760

people so that was their main reaction

1468

00:48:32,710 --> 00:48:29,839

but a lot of the americans still have a

1469

00:48:35,190 --> 00:48:32,720

faint idea that free markets and freedom

1470

00:48:36,549 --> 00:48:35,200

are a really good thing and you could

1471

00:48:38,470 --> 00:48:36,559

see and a lot of people are very

1472

00:48:39,910 --> 00:48:38,480

entrepreneurial they're still

1473

00:48:41,990 --> 00:48:39,920

so many people in the u.s are way more

1474

00:48:43,349 --> 00:48:42,000

entrepreneurial than most other places

1475

00:48:45,270 --> 00:48:43,359

on earth and that's why there's

1476

00:48:47,430 --> 00:48:45,280

opportunities in other places if you're

1477

00:48:49,349 --> 00:48:47,440

entrepreneurial minded but what we could

1478

00:48:51,270 --> 00:48:49,359

see is a collapse happen and and

1479

00:48:53,910 --> 00:48:51,280

millions of entrepreneurs just pop in

1480

00:48:55,910 --> 00:48:53,920

and fill any need people have a lot of

1481

00:48:58,390 --> 00:48:55,920

people say oh we have no food because

1482

00:48:59,510 --> 00:48:58,400

the transportation system stops and some

1483

00:49:01,190 --> 00:48:59,520

people have already thought of this

1484

00:49:03,510 --> 00:49:01,200

they'll have farms they'll start selling

1485

00:49:05,750 --> 00:49:03,520

them food maybe not for dollars but in

1486

00:49:07,510 --> 00:49:05,760

exchange for silver coins or whatever

1487

00:49:09,510 --> 00:49:07,520

for matches who knows it might get to

1488

00:49:11,109 --> 00:49:09,520

some sort of barter system or bitcoin

1489

00:49:12,150 --> 00:49:11,119

hopefully is where it would be at that

1490

00:49:14,710 --> 00:49:12,160

point that's why i'm trying to get as

1491

00:49:16,630 --> 00:49:14,720

many people on bitcoin as possible to

1492

00:49:18,230 --> 00:49:16,640

make this transition as smooth as

1493

00:49:19,670 --> 00:49:18,240

possible but yeah there could be a lot

1494

00:49:22,790 --> 00:49:19,680

of opportunities but it's also going to

1495

00:49:24,950 --> 00:49:22,800

be very crazy in the transition

1496

00:49:26,710 --> 00:49:24,960

yeah you know i talk about

1497

00:49:28,549 --> 00:49:26,720

the collapse once in a while on this

1498

00:49:30,790 --> 00:49:28,559

show and you know i've said you know if

1499

00:49:32,790 --> 00:49:30,800

someone comes up to me after the

1500

00:49:34,230 --> 00:49:32,800

collapse with a with a bar of gold i'll

1501
00:49:35,829 --> 00:49:34,240
be like get that out of here i can't do

1502
00:49:37,109 --> 00:49:35,839
anything with that give me a sandwich

1503
00:49:39,990 --> 00:49:37,119
you know

1504
00:49:42,390 --> 00:49:40,000
and uh sometimes i think a barter system

1505
00:49:44,309 --> 00:49:42,400
rising out of the ashes is gonna be like

1506
00:49:47,270 --> 00:49:44,319
really what people need to get by day to

1507
00:49:49,190 --> 00:49:47,280
day gold really isn't going to do it

1508
00:49:51,750 --> 00:49:49,200
well there's many ways to look at it i

1509
00:49:52,870 --> 00:49:51,760
definitely if you have assets that's one

1510
00:49:54,470 --> 00:49:52,880
great way to

1511
00:49:56,069 --> 00:49:54,480
continue to hold your assets for example

1512
00:49:57,750 --> 00:49:56,079
if you just held let's say you have a

1513
00:49:59,190 --> 00:49:57,760

hundred thousand dollars if you just

1514

00:50:00,870 --> 00:49:59,200

have that in a bank account somewhere in

1515

00:50:02,309 --> 00:50:00,880

u.s dollars that's going to be gone in

1516

00:50:03,589 --> 00:50:02,319

the next few years it'll just be taken

1517

00:50:05,589 --> 00:50:03,599

just like in cyprus they're already

1518

00:50:07,430 --> 00:50:05,599

putting the plans into place to do it

1519

00:50:09,510 --> 00:50:07,440

uh so if you have that put it into gold

1520

00:50:10,870 --> 00:50:09,520

so at least you can save your wealth um

1521

00:50:13,030 --> 00:50:10,880

but there's going to be so many

1522

00:50:15,030 --> 00:50:13,040

opportunities back in weimar republic in

1523

00:50:16,549 --> 00:50:15,040

germany in the 1920s they went through a

1524

00:50:19,589 --> 00:50:16,559

hyperinflation where the currency

1525

00:50:21,750 --> 00:50:19,599

collapsed and there's uh you know wives

1526

00:50:23,670 --> 00:50:21,760

tales or maybe urban myths or maybe it's

1527

00:50:25,990 --> 00:50:23,680

true that you could go around to buy

1528

00:50:27,589 --> 00:50:26,000

like hotels like nice hotels for one or

1529

00:50:29,190 --> 00:50:27,599

two gold coins

1530

00:50:31,349 --> 00:50:29,200

this is totally possible because as

1531

00:50:33,990 --> 00:50:31,359

people start to lose

1532

00:50:36,870 --> 00:50:34,000

their ability to transact they become

1533

00:50:38,069 --> 00:50:36,880

very desperate and during a collapse you

1534

00:50:39,670 --> 00:50:38,079

have a hotel obviously there's not going

1535

00:50:41,430 --> 00:50:39,680

to be any guess because no one has any

1536

00:50:43,510 --> 00:50:41,440

money right um

1537

00:50:45,109 --> 00:50:43,520

so you could if you have some assets you

1538

00:50:47,270 --> 00:50:45,119

could walk up at that point and say hey

1539

00:50:48,710 --> 00:50:47,280

i'll give you a gold coin worth today

1540

00:50:51,109 --> 00:50:48,720

about a thousand thirteen hundred

1541

00:50:52,549 --> 00:50:51,119

dollars for your hotel and and you might

1542

00:50:54,150 --> 00:50:52,559

get it these are the kind of

1543

00:50:55,670 --> 00:50:54,160

opportunities that happen during these

1544

00:50:57,030 --> 00:50:55,680

massive collapses it's really sad

1545

00:50:59,270 --> 00:50:57,040

because a lot of people are going to get

1546

00:51:01,190 --> 00:50:59,280

hurt especially in the u.s this is going

1547

00:51:02,309 --> 00:51:01,200

to be one of the worst collapses ever in

1548

00:51:03,829 --> 00:51:02,319

my opinion i think this is going to be

1549

00:51:05,670 --> 00:51:03,839

the biggest event in human history when

1550

00:51:06,950 --> 00:51:05,680

the u.s dollar collapses

1551
00:51:08,069 --> 00:51:06,960
however there's going to be tons of

1552
00:51:09,750 --> 00:51:08,079
opportunities millionaires and

1553
00:51:12,470 --> 00:51:09,760
billionaires and real money not dollars

1554
00:51:17,270 --> 00:51:15,750
created during and after this collapse

1555
00:51:19,030 --> 00:51:17,280
but it's going but you have to stay on

1556
00:51:20,549 --> 00:51:19,040
top of it and you have to be aware of

1557
00:51:21,829 --> 00:51:20,559
what's going on and that's a really big

1558
00:51:23,270 --> 00:51:21,839
part of it most people are going to be

1559
00:51:24,870 --> 00:51:23,280
caught totally

1560
00:51:26,549 --> 00:51:24,880
blindsided by this

1561
00:51:27,829 --> 00:51:26,559
those who are at least aware that this

1562
00:51:28,950 --> 00:51:27,839
is going to happen will have a huge

1563
00:51:31,670 --> 00:51:28,960

advantage

1564

00:51:33,589 --> 00:51:31,680

is there a catalyst a specific catalyst

1565

00:51:35,349 --> 00:51:33,599

that we should be looking for because i

1566

00:51:38,710 --> 00:51:35,359

mean i know that it's coming but it

1567

00:51:40,069 --> 00:51:38,720

could be a year could be eight years

1568

00:51:42,790 --> 00:51:40,079

it's uh

1569

00:51:44,710 --> 00:51:42,800

i always say it's better to plan uh

1570

00:51:47,589 --> 00:51:44,720

two years too early than one day too

1571

00:51:49,990 --> 00:51:47,599

late and and we're getting so close now

1572

00:51:52,390 --> 00:51:50,000

it's not even worth uh trying to walk

1573

00:51:56,549 --> 00:51:52,400

the fine line it's it's like being

1574

00:51:58,230 --> 00:51:56,559

in in germany in 1942 as a jewish person

1575

00:51:59,589 --> 00:51:58,240

and saying ah maybe

1576

00:52:01,430 --> 00:51:59,599

we have a couple years left it's like no

1577

00:52:04,069 --> 00:52:01,440

just just leave you know it's not a good

1578

00:52:06,710 --> 00:52:04,079

environment to be in at the moment

1579

00:52:08,230 --> 00:52:06,720

just get out of there um really it's too

1580

00:52:09,750 --> 00:52:08,240

close uh what's going to be the catalyst

1581

00:52:12,470 --> 00:52:09,760

no one knows these these collapses

1582

00:52:15,030 --> 00:52:12,480

happen always very you look at the 2007

1583

00:52:16,309 --> 00:52:15,040

collapse 2008 that sort of came out of

1584

00:52:19,190 --> 00:52:16,319

the blue

1585

00:52:21,109 --> 00:52:19,200

but of course i was predicting it

1586

00:52:23,030 --> 00:52:21,119

the the economy and the financial system

1587

00:52:25,510 --> 00:52:23,040

is so massive uh the economy in

1588

00:52:27,270 --> 00:52:25,520

particular that you never you can't look

1589

00:52:29,349 --> 00:52:27,280

at all the variables so it's impossible

1590

00:52:30,950 --> 00:52:29,359

there's billions of of actors in the

1591

00:52:32,950 --> 00:52:30,960

economy you never know where it's going

1592

00:52:34,630 --> 00:52:32,960

to happen you look at the um

1593

00:52:36,150 --> 00:52:34,640

the uh the thing that happened in the

1594

00:52:38,710 --> 00:52:36,160

middle east a few years ago the arab

1595

00:52:40,230 --> 00:52:38,720

spring that all started because of a

1596

00:52:41,910 --> 00:52:40,240

tunisian

1597

00:52:43,829 --> 00:52:41,920

guy in a market who was selling some

1598

00:52:45,670 --> 00:52:43,839

sort of fruit or something and the

1599

00:52:47,670 --> 00:52:45,680

government was constantly taking away

1600

00:52:49,190 --> 00:52:47,680

most of almost all his profits so he

1601
00:52:50,710 --> 00:52:49,200
really couldn't live and he got to the

1602
00:52:52,390 --> 00:52:50,720
point where he said that's it i can't

1603
00:52:54,870 --> 00:52:52,400
take this anymore and he lit himself on

1604
00:52:56,230 --> 00:52:54,880
fire that started revolutions all across

1605
00:52:57,430 --> 00:52:56,240
the middle east so you never know where

1606
00:52:58,829 --> 00:52:57,440
these things are going to happen no one

1607
00:53:01,750 --> 00:52:58,839
could have predicted it would be a

1608
00:53:03,030 --> 00:53:01,760
tunisian uh market guy a little

1609
00:53:05,430 --> 00:53:03,040
fruit seller in the market who would

1610
00:53:07,030 --> 00:53:05,440
start all that uh but i really think if

1611
00:53:08,470 --> 00:53:07,040
you look at the economics if you're

1612
00:53:10,710 --> 00:53:08,480
really up to date on what's going on if

1613
00:53:12,230 --> 00:53:10,720

you pay attention um

1614

00:53:13,589 --> 00:53:12,240

this system is very close now you look

1615

00:53:15,750 --> 00:53:13,599

at what's happening in japan i think

1616

00:53:17,829 --> 00:53:15,760

japan is going to probably be the first

1617

00:53:19,430 --> 00:53:17,839

of the western style

1618

00:53:21,270 --> 00:53:19,440

countries that have a central bank and

1619

00:53:22,870 --> 00:53:21,280

have done keynesian

1620

00:53:25,190 --> 00:53:22,880

central planning

1621

00:53:26,630 --> 00:53:25,200

and have a democracy all the things very

1622

00:53:27,430 --> 00:53:26,640

similar to the u.s

1623

00:53:33,030 --> 00:53:27,440

they're

1624

00:53:35,270 --> 00:53:33,040

economy is just dying uh for a number of

1625

00:53:37,030 --> 00:53:35,280

reasons right now that the central bank

1626
00:53:38,950 --> 00:53:37,040
has said they're going to double the yen

1627
00:53:40,870 --> 00:53:38,960
money supply in the next two years which

1628
00:53:43,030 --> 00:53:40,880
is completely insane that's basically

1629
00:53:45,670 --> 00:53:43,040
saying they're going to devalue the

1630
00:53:48,470 --> 00:53:45,680
value of the yen by 50 in two years and

1631
00:53:50,710 --> 00:53:48,480
they think that's a good thing um

1632
00:53:52,390 --> 00:53:50,720
they have so much debt uh there's their

1633
00:53:54,710 --> 00:53:52,400
population is aging i think that's going

1634
00:53:56,230 --> 00:53:54,720
to come to a head very quickly

1635
00:53:57,750 --> 00:53:56,240
that of course will send off a lot of

1636
00:54:00,790 --> 00:53:57,760
shock waves you look at what's going on

1637
00:54:03,109 --> 00:54:00,800
in europe it's a massive mess

1638
00:54:03,990 --> 00:54:03,119

you know france now has a 100 top tax

1639

00:54:07,349 --> 00:54:04,000

rate

1640

00:54:08,790 --> 00:54:07,359

uh they've gone full economy uh and

1641

00:54:10,390 --> 00:54:08,800

you know these governments are running

1642

00:54:12,309 --> 00:54:10,400

you know socialism always runs its

1643

00:54:13,510 --> 00:54:12,319

course and all these governments are

1644

00:54:15,910 --> 00:54:13,520

various

1645

00:54:17,270 --> 00:54:15,920

levels of socialist including the us

1646

00:54:19,750 --> 00:54:17,280

and they're all running out of other

1647

00:54:21,990 --> 00:54:19,760

people's money now and uh it's going to

1648

00:54:23,190 --> 00:54:22,000

be a huge giant mess you don't know

1649

00:54:25,270 --> 00:54:23,200

where it's going to start but it's

1650

00:54:28,470 --> 00:54:25,280

definitely going to happen and it's

1651

00:54:30,069 --> 00:54:28,480

better to prepare now and uh and

1652

00:54:31,910 --> 00:54:30,079

you know we really could be talking a

1653

00:54:33,670 --> 00:54:31,920

year from now and

1654

00:54:36,470 --> 00:54:33,680

it could be complete chaos in the u.s

1655

00:54:39,670 --> 00:54:36,480

complete riots everywhere

1656

00:54:41,750 --> 00:54:39,680

just unbelievable chaos collapse uh the

1657

00:54:44,710 --> 00:54:41,760

economy could go to zero almost

1658

00:54:46,470 --> 00:54:44,720

overnight it could become a complete 100

1659

00:54:47,270 --> 00:54:46,480

police state like boston did a few weeks

1660

00:54:49,829 --> 00:54:47,280

ago

1661

00:54:51,430 --> 00:54:49,839

this could all happen very quickly so um

1662

00:54:53,030 --> 00:54:51,440

and you can tell by the actions of the

1663

00:54:54,549 --> 00:54:53,040

government that they're preparing very

1664

00:54:56,870 --> 00:54:54,559

quickly for it

1665

00:54:59,829 --> 00:54:56,880

uh so they seem to know that something's

1666

00:55:02,549 --> 00:54:59,839

going to break fairly soon and uh so to

1667

00:55:03,990 --> 00:55:02,559

to think oh i'll just

1668

00:55:06,470 --> 00:55:04,000

see what happens with the next few years

1669

00:55:08,870 --> 00:55:06,480

i think that's really being uh dangerous

1670

00:55:10,710 --> 00:55:08,880

it's really being risky uh i you know

1671

00:55:12,630 --> 00:55:10,720

you live in san diego is that correct

1672

00:55:14,710 --> 00:55:12,640

correct so you're pretty good you could

1673

00:55:16,950 --> 00:55:14,720

actually hop in a kayak and go to

1674

00:55:19,910 --> 00:55:16,960

tijuana if you had

1675

00:55:21,829 --> 00:55:19,920

yeah good idea um when i was stuck in

1676
00:55:23,349 --> 00:55:21,839
new york during that boston thing i was

1677
00:55:26,309 --> 00:55:23,359
starting to wonder how i was going to

1678
00:55:27,829 --> 00:55:26,319
get out and i had to go to i was i had

1679
00:55:29,430 --> 00:55:27,839
plans to go to san diego a few days

1680
00:55:30,870 --> 00:55:29,440
later and i kept thinking oh i wish i

1681
00:55:33,190 --> 00:55:30,880
was in san diego right now at least i

1682
00:55:36,150 --> 00:55:33,200
could swim to mexico you know just get

1683
00:55:39,030 --> 00:55:36,160
out somehow uh so but many people live

1684
00:55:40,390 --> 00:55:39,040
in places like new york or chicago and

1685
00:55:42,069 --> 00:55:40,400
you know

1686
00:55:43,910 --> 00:55:42,079
it's going to be very hard to get out if

1687
00:55:45,030 --> 00:55:43,920
things get really crazy so

1688
00:55:46,309 --> 00:55:45,040

these are the kinds of things we have to

1689

00:55:48,069 --> 00:55:46,319

think about this is going to happen

1690

00:55:49,670 --> 00:55:48,079

there's absolutely no doubt it's going

1691

00:55:51,910 --> 00:55:49,680

to happen there's no way i've done all

1692

00:55:53,990 --> 00:55:51,920

the numbers now for years i've published

1693

00:55:55,670 --> 00:55:54,000

them all in my newsletter on my blog i

1694

00:55:57,430 --> 00:55:55,680

speak at conferences

1695

00:56:00,390 --> 00:55:57,440

i've never had anyone show me any way

1696

00:56:01,510 --> 00:56:00,400

that this can this won't happen

1697

00:56:03,990 --> 00:56:01,520

man

1698

00:56:05,430 --> 00:56:04,000

let's close this out on uh on something

1699

00:56:06,950 --> 00:56:05,440

a little more positive on a little more

1700

00:56:08,230 --> 00:56:06,960

on the solution size i mean i know you

1701

00:56:09,510 --> 00:56:08,240

got a lot of them and those are

1702

00:56:11,670 --> 00:56:09,520

fascinating to me the ones you've

1703

00:56:14,069 --> 00:56:11,680

brought up but something anyone can can

1704

00:56:15,510 --> 00:56:14,079

do you know let's say an american's got

1705

00:56:16,870 --> 00:56:15,520

they're just going to take their next

1706

00:56:18,069 --> 00:56:16,880

paycheck and they're gonna take off

1707

00:56:19,750 --> 00:56:18,079

they're gonna get that check for

1708

00:56:22,069 --> 00:56:19,760

whatever it is a thousand two thousand

1709

00:56:23,990 --> 00:56:22,079

dollars and they're like i'm done here

1710

00:56:26,150 --> 00:56:24,000

i'm gonna have to go somewhere you know

1711

00:56:29,190 --> 00:56:26,160

with with so little where where would

1712

00:56:30,870 --> 00:56:29,200

you advise people um set up shop

1713

00:56:33,030 --> 00:56:30,880

yeah it's really hard on one or two

1714

00:56:34,789 --> 00:56:33,040

thousand dollars uh however what do you

1715

00:56:36,789 --> 00:56:34,799

think the minimum is someone needs five

1716

00:56:38,390 --> 00:56:36,799

thousand

1717

00:56:39,829 --> 00:56:38,400

it really depends on what you're willing

1718

00:56:42,710 --> 00:56:39,839

to put up with if you're willing to live

1719

00:56:44,710 --> 00:56:42,720

in hostels and willing to take buses

1720

00:56:47,190 --> 00:56:44,720

yeah five or ten thousand is probably

1721

00:56:49,910 --> 00:56:47,200

doable just take a bus down to mexico or

1722

00:56:52,390 --> 00:56:49,920

to nicaragua or wherever

1723

00:56:54,150 --> 00:56:52,400

but one thing to keep in mind is that

1724

00:56:56,390 --> 00:56:54,160

the people who came to ellis island

1725

00:56:59,030 --> 00:56:56,400

about 100 years ago in new york

1726

00:57:01,270 --> 00:56:59,040

the average person showed up with no

1727

00:57:02,870 --> 00:57:01,280

shoes uh the total amount of money they

1728

00:57:06,950 --> 00:57:02,880

had in their pocket in in today's

1729

00:57:09,589 --> 00:57:06,960

dollars was 90 90 that was the average

1730

00:57:10,789 --> 00:57:09,599

and so those people uh really took a lot

1731

00:57:12,309 --> 00:57:10,799

of risk they didn't even know where they

1732

00:57:14,870 --> 00:57:12,319

were really going there was no internet

1733

00:57:17,109 --> 00:57:14,880

they'd just been told there's this place

1734

00:57:18,309 --> 00:57:17,119

that has some opportunity and some

1735

00:57:19,750 --> 00:57:18,319

freedom and the government isn't

1736

00:57:22,069 --> 00:57:19,760

incredibly oppressive like where they

1737

00:57:24,309 --> 00:57:22,079

live and they just said let's do it

1738

00:57:27,109 --> 00:57:24,319

let's get on a boat and just go

1739

00:57:29,990 --> 00:57:27,119

so those people back then had a lot more

1740

00:57:31,910 --> 00:57:30,000

balls a lot more cajones it seems like

1741

00:57:32,950 --> 00:57:31,920

nowadays people are very scared oh

1742

00:57:35,510 --> 00:57:32,960

what's what

1743

00:57:37,910 --> 00:57:35,520

who will make sure that i'm safe it's

1744

00:57:40,309 --> 00:57:37,920

it's it's it's a little sad in a way um

1745

00:57:41,750 --> 00:57:40,319

but we have so many things today you

1746

00:57:43,430 --> 00:57:41,760

know we have the internet so let's say

1747

00:57:44,950 --> 00:57:43,440

you you have five thousand dollars and

1748

00:57:46,470 --> 00:57:44,960

you go to mexico and it doesn't work out

1749

00:57:48,710 --> 00:57:46,480

and now you're out of money

1750

00:57:50,230 --> 00:57:48,720

well go to the internet cafe be really

1751

00:57:51,910 --> 00:57:50,240

nice to them say i have no money can i

1752

00:57:54,470 --> 00:57:51,920

just get on send an email to one of my

1753

00:57:56,549 --> 00:57:54,480

friends or family and and just ask them

1754

00:57:58,069 --> 00:57:56,559

to buy me a bus ticket back home and

1755

00:58:00,309 --> 00:57:58,079

then i'll work it out from back there

1756

00:58:01,270 --> 00:58:00,319

you know like these we have so many

1757

00:58:03,270 --> 00:58:01,280

uh

1758

00:58:05,109 --> 00:58:03,280

you know so many much

1759

00:58:07,270 --> 00:58:05,119

easier ways to do these things so much

1760

00:58:08,870 --> 00:58:07,280

more opportunity and ease of doing these

1761

00:58:10,309 --> 00:58:08,880

things you know back when people went to

1762

00:58:12,069 --> 00:58:10,319

ellis island they're taking a boat for

1763

00:58:14,150 --> 00:58:12,079

weeks or sometimes months and then

1764

00:58:15,430 --> 00:58:14,160

they'd get to the us and then they'd it

1765

00:58:17,030 --> 00:58:15,440

took them

1766

00:58:18,390 --> 00:58:17,040

years to travel across the u.s to

1767

00:58:19,910 --> 00:58:18,400

california if that's where they wanted

1768

00:58:22,950 --> 00:58:19,920

to go to the gold rush or wherever they

1769

00:58:24,390 --> 00:58:22,960

want to go um you know people are

1770

00:58:26,309 --> 00:58:24,400

thinking way too safe and i think

1771

00:58:27,670 --> 00:58:26,319

they're they've been coddled into this

1772

00:58:29,270 --> 00:58:27,680

thing that

1773

00:58:30,630 --> 00:58:29,280

that there is safety and actually there

1774

00:58:32,470 --> 00:58:30,640

is no there's not going to be any

1775

00:58:34,549 --> 00:58:32,480

government safety in the next few years

1776

00:58:36,309 --> 00:58:34,559

and it's going to be very dangerous in

1777

00:58:38,630 --> 00:58:36,319

my opinion in the us

1778

00:58:40,549 --> 00:58:38,640

and so i would be more open to taking a

1779

00:58:42,150 --> 00:58:40,559

few risks now than later because it's

1780

00:58:43,589 --> 00:58:42,160

going to be a lot easier now that once

1781

00:58:46,230 --> 00:58:43,599

they really start shutting down the

1782

00:58:48,309 --> 00:58:46,240

borders and really start to put in

1783

00:58:50,309 --> 00:58:48,319

implement the police state

1784

00:58:52,710 --> 00:58:50,319

yeah i agree and it's it's tough to know

1785

00:58:54,870 --> 00:58:52,720

exactly how much is enough but i do

1786

00:58:56,390 --> 00:58:54,880

think that a lot of times it's fear

1787

00:58:58,470 --> 00:58:56,400

rather than finances you know the

1788

00:59:01,030 --> 00:58:58,480

economic situation that you're in might

1789

00:59:03,030 --> 00:59:01,040

be a good excuse to stay stagnant

1790

00:59:05,109 --> 00:59:03,040

you know it's a good uh convenient

1791

00:59:06,710 --> 00:59:05,119

excuse to not do anything but even with

1792

00:59:08,789 --> 00:59:06,720

little resources i guess there are

1793

00:59:10,549 --> 00:59:08,799

options i like cambodia

1794

00:59:12,630 --> 00:59:10,559

you want we've started up something

1795

00:59:15,190 --> 00:59:12,640

called tdv groups and you can get access

1796

00:59:18,549 --> 00:59:15,200

to it through our dollar vigilante basic

1797

00:59:20,870 --> 00:59:18,559

newsletter which costs about 150 a year

1798

00:59:22,789 --> 00:59:20,880

uh you can pay it quarterly so like 30

1799

00:59:24,390 --> 00:59:22,799

or something like that a quarter with

1800

00:59:26,150 --> 00:59:24,400

that we actually have people all around

1801
00:59:29,030 --> 00:59:26,160
the world who are very like-minded like

1802
00:59:30,789 --> 00:59:29,040
myself and who have expatriated from

1803
00:59:33,349 --> 00:59:30,799
from the west and they now live we have

1804
00:59:35,589 --> 00:59:33,359
people in lagos nigeria we have people

1805
00:59:37,990 --> 00:59:35,599
in cambodia we have of 30 different

1806
00:59:40,710 --> 00:59:38,000
countries right now and people actually

1807
00:59:41,990 --> 00:59:40,720
will join these groups and you can do it

1808
00:59:44,470 --> 00:59:42,000
through various different ways through

1809
00:59:46,230 --> 00:59:44,480
our system and you can just ask them

1810
00:59:48,549 --> 00:59:46,240
questions and say hey what's going on in

1811
00:59:50,789 --> 00:59:48,559
argentina right now we had one of our

1812
00:59:53,510 --> 00:59:50,799
subscribers he just got on a group about

1813
00:59:55,109 --> 00:59:53,520

argentina a guy in argentina actually

1814

00:59:56,789 --> 00:59:55,119

was from france originally he had a

1815

00:59:58,470 --> 00:59:56,799

hotel there and he said you know i'm

1816

01:00:00,069 --> 00:59:58,480

looking for someone to manage my hotel

1817

01:00:02,470 --> 01:00:00,079

who can speak decent english because we

1818

01:00:04,390 --> 01:00:02,480

have a fair amount of english uh

1819

01:00:06,230 --> 01:00:04,400

people so he got a job down there very

1820

01:00:08,390 --> 01:00:06,240

quickly this has happened dozens of

1821

01:00:10,710 --> 01:00:08,400

times now so you can just join

1822

01:00:12,789 --> 01:00:10,720

vigilante.com basic newsletters the

1823

01:00:14,390 --> 01:00:12,799

cheapest one and you can get access to

1824

01:00:15,990 --> 01:00:14,400

these groups and almost everyone that i

1825

01:00:17,349 --> 01:00:16,000

know of is looking for decent people in

1826

01:00:19,030 --> 01:00:17,359

these countries because they have a very

1827

01:00:20,549 --> 01:00:19,040

hard time finding

1828

01:00:22,230 --> 01:00:20,559

english-speaking people who understand

1829

01:00:23,670 --> 01:00:22,240

how to do business this is what i was

1830

01:00:25,670 --> 01:00:23,680

explaining before in a lot of these

1831

01:00:27,430 --> 01:00:25,680

countries even mexico mexico not so much

1832

01:00:29,109 --> 01:00:27,440

but nicaragua

1833

01:00:30,630 --> 01:00:29,119

argentina they don't really know how to

1834

01:00:32,150 --> 01:00:30,640

do business and

1835

01:00:34,069 --> 01:00:32,160

so many of the expats who have gone

1836

01:00:36,069 --> 01:00:34,079

there they're looking for help

1837

01:00:37,990 --> 01:00:36,079

particularly younger people who are

1838

01:00:40,549 --> 01:00:38,000

willing to work for quite cheap

1839

01:00:42,630 --> 01:00:40,559

to start with and then work their way up

1840

01:00:44,069 --> 01:00:42,640

as they grow with the business

1841

01:00:46,309 --> 01:00:44,079

there's tons of opportunities you just

1842

01:00:47,270 --> 01:00:46,319

have to get out there and uh start doing

1843

01:00:48,950 --> 01:00:47,280

them

1844

01:00:51,109 --> 01:00:48,960

amen man i mean are there are there any

1845

01:00:53,190 --> 01:00:51,119

services online

1846

01:00:55,109 --> 01:00:53,200

that specifically help people with the

1847

01:00:56,150 --> 01:00:55,119

logistics of finding those international

1848

01:00:57,910 --> 01:00:56,160

opportunities is that what the

1849

01:00:59,190 --> 01:00:57,920

newsletters you put out do

1850

01:01:00,710 --> 01:00:59,200

yeah that's all included in our

1851

01:01:02,789 --> 01:01:00,720

newsletter we're constantly putting out

1852

01:01:04,309 --> 01:01:02,799

ideas we connect you with people around

1853

01:01:06,549 --> 01:01:04,319

the world who've expatriated started

1854

01:01:08,710 --> 01:01:06,559

their own businesses they're very open

1855

01:01:10,789 --> 01:01:08,720

it's incredibly open they're very happy

1856

01:01:12,710 --> 01:01:10,799

to hear from a young guy in the us who's

1857

01:01:15,670 --> 01:01:12,720

who knows what's going on in the u.s who

1858

01:01:16,950 --> 01:01:15,680

wants to get out and and

1859

01:01:18,870 --> 01:01:16,960

very often they can find them

1860

01:01:21,349 --> 01:01:18,880

opportunities or at least give them some

1861

01:01:23,670 --> 01:01:21,359

idea of how they could go to a place

1862

01:01:26,470 --> 01:01:23,680

anywhere any country on earth really and

1863

01:01:28,470 --> 01:01:26,480

uh and and survive and prosper and uh

1864

01:01:29,430 --> 01:01:28,480

yeah we do all those kind of things

1865

01:01:31,990 --> 01:01:29,440

wow

1866

01:01:33,829 --> 01:01:32,000

well man i i really appreciate your time

1867

01:01:35,349 --> 01:01:33,839

that about does it for us jeff i mean i

1868

01:01:37,990 --> 01:01:35,359

hope a lot of listeners are pirating

1869

01:01:40,390 --> 01:01:38,000

rosetta stone as we speak hopefully

1870

01:01:41,750 --> 01:01:40,400

after the crash course in spanish we can

1871

01:01:43,510 --> 01:01:41,760

get the hell out of dodge before it's

1872

01:01:45,510 --> 01:01:43,520

too late you know i mean appreciate your

1873

01:01:46,870 --> 01:01:45,520

time all the all the info you've shared

1874

01:01:47,990 --> 01:01:46,880

with the people i mean is there anything

1875

01:01:49,829 --> 01:01:48,000

else you want to

1876

01:01:51,109 --> 01:01:49,839

uh share with them any other advice or

1877

01:01:52,470 --> 01:01:51,119

maybe tell them about your website a

1878

01:01:53,430 --> 01:01:52,480

little more or anything

1879

01:01:54,789 --> 01:01:53,440

sure

1880

01:01:55,910 --> 01:01:54,799

one great thing you just brought up so a

1881

01:01:57,510 --> 01:01:55,920

lot of people are wondering what can i

1882

01:01:59,670 --> 01:01:57,520

be doing now even if i'm not going to do

1883

01:02:01,270 --> 01:01:59,680

something over the next few months yeah

1884

01:02:04,150 --> 01:02:01,280

start learning another language that's a

1885

01:02:05,990 --> 01:02:04,160

huge thing spanish is a is a definite

1886

01:02:07,750 --> 01:02:06,000

number one in my opinion because there's

1887

01:02:09,030 --> 01:02:07,760

so many countries in the in the latin

1888

01:02:10,870 --> 01:02:09,040

american world

1889

01:02:12,630 --> 01:02:10,880

and so many opportunities and so many

1890

01:02:13,990 --> 01:02:12,640

good ones including chile so yeah

1891

01:02:15,430 --> 01:02:14,000

definitely start learning a language

1892

01:02:17,190 --> 01:02:15,440

start improving yourself start learning

1893

01:02:18,309 --> 01:02:17,200

skills whatever it is start to learn how

1894

01:02:19,349 --> 01:02:18,319

to become a mechanic or something

1895

01:02:21,670 --> 01:02:19,359

something that you can do almost

1896

01:02:23,510 --> 01:02:21,680

anywhere you go and at least survive and

1897

01:02:24,309 --> 01:02:23,520

until you can get your feet on the

1898

01:02:25,549 --> 01:02:24,319

ground

1899

01:02:27,670 --> 01:02:25,559

um yeah so just go to

1900

01:02:29,510 --> 01:02:27,680

dollarvigilante.com we have a free blog

1901

01:02:30,950 --> 01:02:29,520

there sign up for the basic newsletter

1902

01:02:32,390 --> 01:02:30,960

if you want access to the groups and all

1903

01:02:34,390 --> 01:02:32,400

these business ideas we have and

1904

01:02:35,270 --> 01:02:34,400

expatriation ideas and if you want to

1905

01:02:36,710 --> 01:02:35,280

get out

1906

01:02:38,710 --> 01:02:36,720

you have a little bit of money or you

1907

01:02:40,630 --> 01:02:38,720

are your family has money go to uh

1908

01:02:42,230 --> 01:02:40,640

goldschultz chile.com we're building an

1909

01:02:43,430 --> 01:02:42,240

ex back community in chile we're going

1910

01:02:45,670 --> 01:02:43,440

to need a lot of people down there to

1911

01:02:46,630 --> 01:02:45,680

help us once it gets off the ground

1912

01:02:47,829 --> 01:02:46,640

so there's going to be tons of

1913

01:02:49,510 --> 01:02:47,839

opportunity and those are some of the

1914

01:02:51,829 --> 01:02:49,520

ways that you can

1915

01:02:52,630 --> 01:02:51,839

find out about those opportunities

1916

01:02:54,630 --> 01:02:52,640

amen

1917

01:02:56,950 --> 01:02:54,640

you know if you need uh any

1918

01:02:58,710 --> 01:02:56,960

any good marijuana farmers in chile i

1919

01:03:01,349 --> 01:02:58,720

mean i've got a bit of a green thumb you

1920

01:03:03,349 --> 01:03:01,359

know no pun intended but um yeah man

1921

01:03:05,190 --> 01:03:03,359

that's awesome i really appreciate it i

1922

01:03:06,950 --> 01:03:05,200

hope people feel like a little bit of

1923

01:03:08,789 --> 01:03:06,960

relief like there are some options out

1924

01:03:10,549 --> 01:03:08,799

there if you internationalize yourself

1925

01:03:12,470 --> 01:03:10,559

rather than stay

1926

01:03:15,510 --> 01:03:12,480

in a single country that's uh kind of

1927

01:03:16,789 --> 01:03:15,520

looks like a sinking ship right now

1928

01:03:19,029 --> 01:03:16,799

yeah definitely there's lots of

1929

01:03:20,470 --> 01:03:19,039

opportunity i think americans are some

1930

01:03:22,069 --> 01:03:20,480

of the last people to see it right now

1931

01:03:23,750 --> 01:03:22,079

you talk to you look at chinese people

1932

01:03:25,270 --> 01:03:23,760

they everywhere you go you can be in the

1933

01:03:26,630 --> 01:03:25,280

back woods of brazil and there'll be a

1934

01:03:29,349 --> 01:03:26,640

little chinese restaurant the guy

1935

01:03:30,230 --> 01:03:29,359

doesn't even speak uh portuguese

1936

01:03:31,510 --> 01:03:30,240

you know these they're very

1937

01:03:33,270 --> 01:03:31,520

entrepreneurial they get out there and

1938

01:03:35,430 --> 01:03:33,280

do it americans seem to be some of the

1939

01:03:36,710 --> 01:03:35,440

least uh open to that because they've

1940

01:03:38,710 --> 01:03:36,720

they've been told by the government that

1941

01:03:40,470 --> 01:03:38,720

the world's scary for so long that it

1942

01:03:41,829 --> 01:03:40,480

really uh stops them and that's that's

1943

01:03:42,829 --> 01:03:41,839

the plan of the government the media is

1944

01:03:45,750 --> 01:03:42,839

to keep you

1945

01:03:48,309 --> 01:03:45,760

there true that all right jeff well i i

1946

01:03:49,510 --> 01:03:48,319

appreciate it again thank you and uh

1947

01:03:51,349 --> 01:03:49,520

hopefully we can talk again in the

1948

01:03:52,789 --> 01:03:51,359

future good luck yeah my pleasure it's

1949

01:03:55,109 --> 01:03:52,799

been fun thanks greg all right man have

1950

01:03:56,870 --> 01:03:55,119

a good one peace

1951

01:03:59,829 --> 01:03:56,880

there you have it boys and girls another

1952

01:04:01,990 --> 01:03:59,839

thc bites the dust please pass the info

1953

01:04:03,589 --> 01:04:02,000

along review the show on itunes add me

1954

01:04:06,150 --> 01:04:03,599

to your favorites all the good stuff

1955

01:04:08,069 --> 01:04:06,160

facebook twitter yada yada

1956

01:04:09,990 --> 01:04:08,079

if this chat didn't have an effect on

1957

01:04:12,470 --> 01:04:10,000

you then check out my conspiracy theme

1958

01:04:14,230 --> 01:04:12,480

t-shirts at conspiracies.net i try to

1959

01:04:16,789 --> 01:04:14,240

put out cool designs on really good

1960

01:04:18,549 --> 01:04:16,799

quality shirts no flea market [h__h] nice

1961

01:04:20,470 --> 01:04:18,559

stuff it helps me

1962

01:04:23,109 --> 01:04:20,480

pay the bills keep the show going

1963

01:04:25,109 --> 01:04:23,119

smoothly all that stuff if this chat did

1964

01:04:27,029 --> 01:04:25,119

have an effect on you save the 20 bucks

1965

01:04:29,270 --> 01:04:27,039

for the first bottle of jack and i'll

1966

01:07:49,829 --> 01:04:29,280

see your ass in cambodia
