

Episode 62: The Anunnaki,
Ancient Sound Technology, &
The Long History Of Monetary Enslavement
w/ Michael Tellinger

BROUGHT TO YOU BY:

conspiraTees.net

1
00:00:10,070 --> 00:00:08,310
in the 1930s president franklin delano

2
00:00:12,470 --> 00:00:10,080
roosevelt the dress the nation through a

3
00:00:13,270 --> 00:00:12,480
series of radio broadcasts known as the

4
00:00:15,990 --> 00:00:13,280
fireside

5
00:00:17,910 --> 00:00:16,000
chats his aim was to reassure the common

6
00:00:21,670 --> 00:00:17,920
man that our society would recover from

7
00:00:25,429 --> 00:00:23,990
a different kind of fire for a new era

8
00:00:28,390 --> 00:00:25,439
of worldly frustration

9
00:00:32,630 --> 00:00:28,400
we offer a fresh conversation i'm greg

10
00:00:36,470 --> 00:00:34,630
welcome to thc people drinking a little

11
00:00:38,709 --> 00:00:36,480
drink smoking a little smoke from san

12
00:00:40,709 --> 00:00:38,719
diego i'm greg carlwood and as you well

13
00:00:41,510 --> 00:00:40,719

know we talk about a lot of subjects on

14

00:00:43,350 --> 00:00:41,520

this show

15

00:00:44,709 --> 00:00:43,360

usually stemming from one of the many

16

00:00:46,630 --> 00:00:44,719

branches of corruption

17

00:00:48,150 --> 00:00:46,640

lies and cover-ups on the shady tree of

18

00:00:49,830 --> 00:00:48,160

human exploitation

19

00:00:51,510 --> 00:00:49,840

and it's a great thing to examine these

20

00:00:53,270 --> 00:00:51,520

branches in depth but it's hard to make

21

00:00:54,950 --> 00:00:53,280

much progress on the branches if

22

00:00:57,189 --> 00:00:54,960

nobody's hacking at the root

23

00:00:59,029 --> 00:00:57,199

and it's my opinion that the composition

24

00:01:01,029 --> 00:00:59,039

of these dark and sprawling roots on the

25

00:01:03,510 --> 00:01:01,039

shady tree of human exploitation is the

26

00:01:05,350 --> 00:01:03,520

monetary systems that we've always

27

00:01:07,670 --> 00:01:05,360

been under and they've been the basis

28

00:01:10,149 --> 00:01:07,680

for the control it's money that allows

29

00:01:11,830 --> 00:01:10,159

these crooked branches to grow now this

30

00:01:13,510 --> 00:01:11,840

is probably the area where i find myself

31

00:01:15,030 --> 00:01:13,520

most at odds with 90 percent of the

32

00:01:16,710 --> 00:01:15,040

great guests we have here on the higher

33

00:01:18,469 --> 00:01:16,720

side chats but not today

34

00:01:20,390 --> 00:01:18,479

today's guest has seen the horrors of

35

00:01:21,990 --> 00:01:20,400

living within a monetary system both in

36

00:01:24,070 --> 00:01:22,000

the ancient and modern world and is

37

00:01:25,510 --> 00:01:24,080

brave enough to be speaking out about it

38

00:01:27,190 --> 00:01:25,520

michael tellinger is an author

39

00:01:29,190 --> 00:01:27,200

researcher and scientist often

40

00:01:31,350 --> 00:01:29,200

considered a real-life indiana jones

41

00:01:33,270 --> 00:01:31,360

his deep level of archaeological study

42

00:01:34,469 --> 00:01:33,280

has made him an authority on the origins

43

00:01:36,149 --> 00:01:34,479

of mankind

44

00:01:37,830 --> 00:01:36,159

he's laid out this research in several

45

00:01:39,749 --> 00:01:37,840

books entitled

46

00:01:41,990 --> 00:01:39,759

slave species of the gods adam's

47

00:01:43,429 --> 00:01:42,000

calendar and temples of the african gods

48

00:01:44,069 --> 00:01:43,439

and i'm psyched as hell to have him here

49

00:01:45,749 --> 00:01:44,079

on the line

50

00:01:48,710 --> 00:01:45,759

all the way from south africa michael

51
00:01:52,710 --> 00:01:50,630
hi greg nice to be talking to you all

52
00:01:55,030 --> 00:01:52,720
the way in san diego

53
00:01:56,630 --> 00:01:55,040
absolutely man it's a real pleasure i

54
00:01:57,830 --> 00:01:56,640
know we set this up kind of last minute

55
00:02:00,069 --> 00:01:57,840
because you're busy getting ready for a

56
00:02:01,670 --> 00:02:00,079
long us lecture tour and your work is so

57
00:02:02,789 --> 00:02:01,680
vast we could talk about all sorts of

58
00:02:04,230 --> 00:02:02,799
things but i'm hoping

59
00:02:06,550 --> 00:02:04,240
we can start by talking about the

60
00:02:08,389 --> 00:02:06,560
ancient world and how we became a slave

61
00:02:10,790 --> 00:02:08,399
species of the gods as your book puts it

62
00:02:12,229 --> 00:02:10,800
and then transition to the notion that

63
00:02:13,750 --> 00:02:12,239

a notion that people are a little bit

64

00:02:15,589 --> 00:02:13,760

less comfortable with and that's that

65

00:02:17,750 --> 00:02:15,599

we're still a slave species today

66

00:02:19,270 --> 00:02:17,760

so you know with that let's shred up the

67

00:02:20,070 --> 00:02:19,280

conventional history can you give us

68

00:02:22,309 --> 00:02:20,080

some clues

69

00:02:24,229 --> 00:02:22,319

into the great human puzzle a little

70

00:02:26,710 --> 00:02:24,239

overview into our origins if you'd be so

71

00:02:30,229 --> 00:02:28,470

yeah thanks very much greg and thanks

72

00:02:31,030 --> 00:02:30,239

for that intro because it's really

73

00:02:34,390 --> 00:02:31,040

important to

74

00:02:36,949 --> 00:02:34,400

um to bring together as you as you

75

00:02:37,509 --> 00:02:36,959

introduced it the the past and the

76

00:02:40,070 --> 00:02:37,519

present

77

00:02:40,550 --> 00:02:40,080

and what is fascinating i find at some

78

00:02:43,509 --> 00:02:40,560

of the

79

00:02:45,430 --> 00:02:43,519

presentations i did in the usa last year

80

00:02:48,790 --> 00:02:45,440

when i started pulling in the

81

00:02:51,670 --> 00:02:48,800

the current events of of today and the

82

00:02:53,830 --> 00:02:51,680

the the complete and utter enslavement

83

00:02:54,710 --> 00:02:53,840

that we find ourselves in as a species

84

00:02:56,949 --> 00:02:54,720

today

85

00:02:58,470 --> 00:02:56,959

um towards the end of our presentation

86

00:03:00,790 --> 00:02:58,480

some people got a little

87

00:03:01,589 --> 00:03:00,800

um confused and then they approached me

88

00:03:03,350 --> 00:03:01,599

afterwards and said

89

00:03:05,750 --> 00:03:03,360

why are you bringing politics into

90

00:03:07,509 --> 00:03:05,760

archaeology and origins of humankind you

91

00:03:09,670 --> 00:03:07,519

know why are you mixing the two

92

00:03:10,630 --> 00:03:09,680

right and i was astounded to hear that

93

00:03:12,390 --> 00:03:10,640

because it's

94

00:03:15,110 --> 00:03:12,400

what is really critical for us to

95

00:03:16,149 --> 00:03:15,120

realize is that we are a product of our

96

00:03:18,309 --> 00:03:16,159

past

97

00:03:19,830 --> 00:03:18,319

and if we don't know who we are and

98

00:03:21,830 --> 00:03:19,840

where we come from

99

00:03:23,350 --> 00:03:21,840

how could we possibly think we know

100

00:03:25,670 --> 00:03:23,360

where we are going

101
00:03:27,830 --> 00:03:25,680
and that might not make sense to be to

102
00:03:28,789 --> 00:03:27,840
some people now but believe me by the

103
00:03:31,270 --> 00:03:28,799
time you've gone

104
00:03:32,229 --> 00:03:31,280
through this body of information

105
00:03:34,149 --> 00:03:32,239
especially

106
00:03:36,390 --> 00:03:34,159
what i'm going to discuss with you today

107
00:03:38,869 --> 00:03:36,400
about the origins of humankind

108
00:03:40,070 --> 00:03:38,879
that we find here in south africa and in

109
00:03:42,550 --> 00:03:40,080
southern africa

110
00:03:43,910 --> 00:03:42,560
there can be no more guessing or doubt

111
00:03:47,030 --> 00:03:43,920
about that we present

112
00:03:49,430 --> 00:03:47,040
physical and scientific evidence you see

113
00:03:49,750 --> 00:03:49,440

that it's a continuum and a continuation

114

00:03:51,990 --> 00:03:49,760

for

115

00:03:54,949 --> 00:03:52,000

thousands and thousands of years of

116

00:03:57,429 --> 00:03:54,959

control and abuse of the human race

117

00:03:58,070 --> 00:03:57,439

that results in who we are and what's

118

00:04:01,429 --> 00:03:58,080

happening

119

00:04:05,030 --> 00:04:01,439

to our species today and

120

00:04:07,429 --> 00:04:05,040

that's critical so let's get back to

121

00:04:08,949 --> 00:04:07,439

um your first question or what you

122

00:04:10,630 --> 00:04:08,959

started off with the origins of

123

00:04:13,110 --> 00:04:10,640

humankind in southern africa

124

00:04:14,149 --> 00:04:13,120

sure you know the this is a fascinating

125

00:04:15,750 --> 00:04:14,159

subject you know

126

00:04:17,749 --> 00:04:15,760

i don't think there's anyone alive today

127

00:04:19,990 --> 00:04:17,759

that hasn't asked themselves

128

00:04:21,349 --> 00:04:20,000

the the three sort of holy grail

129

00:04:23,110 --> 00:04:21,359

questions i guess you can call them what

130

00:04:25,110 --> 00:04:23,120

i call the great human puzzle

131

00:04:26,550 --> 00:04:25,120

who are we where do we come from and why

132

00:04:29,030 --> 00:04:26,560

are we here

133

00:04:29,909 --> 00:04:29,040

and the moment you ask those questions

134

00:04:31,590 --> 00:04:29,919

and you start

135

00:04:33,110 --> 00:04:31,600

scratching around and looking for

136

00:04:35,110 --> 00:04:33,120

answers and clues

137

00:04:36,550 --> 00:04:35,120

very quickly you realize that that is a

138

00:04:39,590 --> 00:04:36,560

bottomless pit

139

00:04:42,070 --> 00:04:39,600

of layer upon layer of clues

140

00:04:44,469 --> 00:04:42,080

and disinformation and misinformation

141

00:04:48,310 --> 00:04:44,479

and you've got to wade your way

142

00:04:51,270 --> 00:04:48,320

through these layers of very interesting

143

00:04:51,749 --> 00:04:51,280

research and stuff and that's why it is

144

00:06:16,710 --> 00:04:51,759

a

145

00:06:19,909 --> 00:06:16,720

steps

146

00:06:21,670 --> 00:06:19,919

there is no missing link and that that

147

00:06:22,710 --> 00:06:21,680

never ending quest for the missing link

148

00:06:26,469 --> 00:06:22,720

continues

149

00:06:29,189 --> 00:06:26,479

until you step outside of that box

150

00:06:30,230 --> 00:06:29,199

and you come to where i now am and find

151
00:06:33,270 --> 00:06:30,240
myself

152
00:06:34,469 --> 00:06:33,280
in the mountains of umalanga and you

153
00:06:36,469 --> 00:06:34,479
start looking

154
00:06:37,510 --> 00:06:36,479
at the vanished civilizations or the

155
00:06:40,550 --> 00:06:37,520
mysterious

156
00:06:41,749 --> 00:06:40,560
stone circles of southern africa and

157
00:06:44,230 --> 00:06:41,759
suddenly

158
00:06:46,309 --> 00:06:44,240
everything that you've read in all the

159
00:06:48,390 --> 00:06:46,319
books of zechariah sitchin

160
00:06:50,469 --> 00:06:48,400
that many people still are trying to you

161
00:06:54,070 --> 00:06:50,479
know prove to be false and

162
00:06:54,629 --> 00:06:54,080
and so forth and um once you realize

163
00:06:57,189 --> 00:06:54,639

that

164

00:06:59,270 --> 00:06:57,199

we have i've now presented the physical

165

00:07:00,629 --> 00:06:59,280

evidence of what zechariah sitchin has

166

00:07:04,070 --> 00:07:00,639

been writing about for

167

00:07:05,830 --> 00:07:04,080

40 years 50 years before he died and the

168

00:07:08,070 --> 00:07:05,840

texts of the sumerian

169

00:07:09,270 --> 00:07:08,080

that clay tablets and the translations

170

00:07:12,629 --> 00:07:09,280

that speak about the

171

00:07:15,830 --> 00:07:12,639

abzu and the the great gold mining

172

00:07:17,270 --> 00:07:15,840

empire of the sumerian entity enki that

173

00:07:19,589 --> 00:07:17,280

established this vast

174

00:07:20,390 --> 00:07:19,599

gold mining empire in this place called

175

00:07:21,990 --> 00:07:20,400

abzu

176
00:07:23,430 --> 00:07:22,000
and you start connecting the dots you

177
00:07:26,150 --> 00:07:23,440
realize that this is it

178
00:07:27,749 --> 00:07:26,160
we have found and i present the physical

179
00:07:30,550 --> 00:07:27,759
evidence of the abzu

180
00:07:33,110 --> 00:07:30,560
irrefutable evidence of gold mining

181
00:07:36,309 --> 00:07:33,120
stone tools and artifacts that go back

182
00:07:38,629 --> 00:07:36,319
way over 200 000 years

183
00:07:40,070 --> 00:07:38,639
and i think we close the loop of any

184
00:07:43,430 --> 00:07:40,080
speculation

185
00:07:44,070 --> 00:07:43,440
or or hesitation that this is this must

186
00:07:46,550 --> 00:07:44,080
be

187
00:07:48,469 --> 00:07:46,560
what the sumerian tablets refer to as

188
00:07:50,950 --> 00:07:48,479

the the gold mining empire of the

189

00:07:53,189 --> 00:07:50,960

so-called anunnaki

190

00:07:54,309 --> 00:07:53,199

and um once you get into the sumerian

191

00:07:56,469 --> 00:07:54,319

tablets um

192

00:07:57,990 --> 00:07:56,479

you realize that that's that's really

193

00:07:59,350 --> 00:07:58,000

what they deal with they deal with the

194

00:08:01,029 --> 00:07:59,360

anunna gods

195

00:08:03,110 --> 00:08:01,039

these beings are derived from some

196

00:08:05,189 --> 00:08:03,120

distant planet there's still

197

00:08:07,990 --> 00:08:05,199

much speculation as to what the planet

198

00:08:09,990 --> 00:08:08,000

was called some people call it nibiru

199

00:08:11,990 --> 00:08:10,000

zechariah sitchin calls it nibiru and

200

00:08:14,950 --> 00:08:12,000

all his work

201
00:08:15,430 --> 00:08:14,960
the anunna gods the gods of heaven and

202
00:08:17,029 --> 00:08:15,440
earth

203
00:08:18,550 --> 00:08:17,039
and therefore sachin calls him the

204
00:08:21,350 --> 00:08:18,560
anunnaki as in un

205
00:08:23,029 --> 00:08:21,360
in heaven and ki being earth so the

206
00:08:23,990 --> 00:08:23,039
anunnaki the gods of heaven and earth

207
00:08:26,230 --> 00:08:24,000
that came to earth

208
00:08:27,830 --> 00:08:26,240
looking for gold and they found it in

209
00:08:31,029 --> 00:08:27,840
huge quantities

210
00:08:33,430 --> 00:08:31,039
right here in southern africa so

211
00:08:35,350 --> 00:08:33,440
um yeah that's that's really what what i

212
00:08:39,589 --> 00:08:35,360
present and

213
00:08:41,190 --> 00:08:39,599

and it just grows into a beautiful story

214

00:08:43,350 --> 00:08:41,200

the deeper you dig

215

00:08:44,790 --> 00:08:43,360

yeah i mean it is fascinating to think

216

00:08:46,630 --> 00:08:44,800

back the first time i heard about this

217

00:08:48,310 --> 00:08:46,640

material i started thinking about just

218

00:08:51,590 --> 00:08:48,320

our culture in general

219

00:08:54,150 --> 00:08:51,600

uh the worship of gold which is just so

220

00:08:55,750 --> 00:08:54,160

odd uh even in the ancient world

221

00:08:57,509 --> 00:08:55,760

everything being made of gold and

222

00:08:59,990 --> 00:08:57,519

it goes today like everybody's talking

223

00:09:01,990 --> 00:09:00,000

about dumping your uh us currencies or

224

00:09:03,829 --> 00:09:02,000

your western currencies to get into gold

225

00:09:04,230 --> 00:09:03,839

because gold is where the real value is

226

00:09:06,790 --> 00:09:04,240

and

227

00:09:08,630 --> 00:09:06,800

it's really no different than another

228

00:09:10,470 --> 00:09:08,640

you know element or another

229

00:09:11,990 --> 00:09:10,480

thing you would pull out of the ground

230

00:09:15,590 --> 00:09:12,000

but maybe this

231

00:09:19,590 --> 00:09:15,600

um this fascination with gold comes from

232

00:09:22,870 --> 00:09:19,600

an ancient teacher like the anunnaki

233

00:09:25,350 --> 00:09:22,880

yeah it's critical to to

234

00:09:27,509 --> 00:09:25,360

to also draw a distinction between the

235

00:09:30,630 --> 00:09:27,519

anunnaki or the the gods

236

00:09:33,030 --> 00:09:30,640

of ancient times and uh all our ancient

237

00:09:33,269 --> 00:09:33,040

texts which includes the bible the quran

238

00:09:37,269 --> 00:09:33,279

and

239

00:09:40,310 --> 00:09:37,279

all the the the the hebrew writings

240

00:09:43,430 --> 00:09:40,320

um from the mahabharata the

241

00:09:45,110 --> 00:09:43,440

vedas and the the mayan texts they all

242

00:09:47,350 --> 00:09:45,120

talk about the gods

243

00:09:49,590 --> 00:09:47,360

all ancient cultures talk about our

244

00:09:50,470 --> 00:09:49,600

ancestry the human ancestry coming from

245

00:09:54,790 --> 00:09:50,480

the stars

246

00:09:56,070 --> 00:09:54,800

that the gods came down from the sky and

247

00:09:58,710 --> 00:09:56,080

created the humans now

248

00:09:59,829 --> 00:09:58,720

ev every single ancient culture talks

249

00:10:03,030 --> 00:09:59,839

about that

250

00:10:04,069 --> 00:10:03,040

we have somehow been taught and slowly

251
00:10:05,509 --> 00:10:04,079
but surely over

252
00:10:07,269 --> 00:10:05,519
a few hundred years been told that

253
00:10:10,230 --> 00:10:07,279
that's all a bunch of nonsense

254
00:10:10,790 --> 00:10:10,240
and that we know exactly how this this

255
00:10:13,350 --> 00:10:10,800
this

256
00:10:14,949 --> 00:10:13,360
human race came to be and we started

257
00:10:16,389 --> 00:10:14,959
started teaching our children this you

258
00:10:18,630 --> 00:10:16,399
know the story about

259
00:10:19,990 --> 00:10:18,640
the eight man on all fours slowly but

260
00:10:21,829 --> 00:10:20,000
surely standing up and then walking

261
00:10:24,389 --> 00:10:21,839
upright sitting behind a computer

262
00:10:25,590 --> 00:10:24,399
that's all all as nonsensical as

263
00:10:27,590 --> 00:10:25,600

anything else you can

264

00:10:29,430 --> 00:10:27,600

come up with that's just another theory

265

00:10:31,350 --> 00:10:29,440

that has never really been proven

266

00:10:32,949 --> 00:10:31,360

and i need to remind people out which i

267

00:10:34,710 --> 00:10:32,959

do in my presentations that still

268

00:10:36,630 --> 00:10:34,720

remains a theory of evolution

269

00:10:38,150 --> 00:10:36,640

it is not a fact of evolution it remains

270

00:10:40,310 --> 00:10:38,160

a theory of evolution

271

00:10:41,670 --> 00:10:40,320

but we started teaching it as fact and

272

00:10:43,750 --> 00:10:41,680

many people now believe that it's a

273

00:10:46,470 --> 00:10:43,760

scientific fact which it is not

274

00:10:48,550 --> 00:10:46,480

just like it's the you know the theory

275

00:10:50,550 --> 00:10:48,560

of the origins of of the universe has

276

00:10:52,230 --> 00:10:50,560

now been put to the big bang the big

277

00:10:53,350 --> 00:10:52,240

bang is where the universe comes from

278

00:10:54,870 --> 00:10:53,360

well that's just the theory

279

00:10:56,870 --> 00:10:54,880

we don't know where the universe comes

280

00:10:59,110 --> 00:10:56,880

from so all these things and even

281

00:11:01,750 --> 00:10:59,120

einstein's theory of relativity

282

00:11:03,430 --> 00:11:01,760

these are all theories but because our

283

00:11:04,630 --> 00:11:03,440

education system is completely and

284

00:11:06,949 --> 00:11:04,640

utterly controlled by

285

00:11:09,110 --> 00:11:06,959

those who print the money and we're

286

00:11:12,310 --> 00:11:09,120

going to come back to that

287

00:11:14,630 --> 00:11:12,320

you realize what the agenda is and

288

00:11:16,470 --> 00:11:14,640

and once you start seeing the the

289

00:11:17,750 --> 00:11:16,480

obsession with gold the control of

290

00:11:19,829 --> 00:11:17,760

humanity

291

00:11:21,910 --> 00:11:19,839

how humans have been controlled and

292

00:11:22,710 --> 00:11:21,920

manipulated over thousands and thousands

293

00:11:25,030 --> 00:11:22,720

of years

294

00:11:26,470 --> 00:11:25,040

to where it leads to today the same

295

00:11:27,269 --> 00:11:26,480

group of people that were controlling

296

00:11:29,590 --> 00:11:27,279

the money

297

00:11:31,750 --> 00:11:29,600

six thousand years ago was when we found

298

00:11:33,910 --> 00:11:31,760

the first sumerian clay tablets

299

00:11:34,870 --> 00:11:33,920

and the first references of money and

300

00:11:37,590 --> 00:11:34,880

banks

301
00:11:39,110 --> 00:11:37,600
and the temples in sumeria that acted as

302
00:11:41,829 --> 00:11:39,120
banks and the priests kings

303
00:11:43,670 --> 00:11:41,839
that acted as the first bankers it's

304
00:11:44,949 --> 00:11:43,680
spectacular when you start putting that

305
00:11:46,949 --> 00:11:44,959
together

306
00:11:49,190 --> 00:11:46,959
you realize that nothing has changed you

307
00:11:50,230 --> 00:11:49,200
know it it is crazy i mean

308
00:11:52,230 --> 00:11:50,240
we talked a little bit about the

309
00:11:54,069 --> 00:11:52,240
physical geological evidence the stone

310
00:11:57,110 --> 00:11:54,079
circles the gold mining

311
00:11:57,829 --> 00:11:57,120
things that you found the tools um but

312
00:12:00,949 --> 00:11:57,839
you also

313
00:12:02,870 --> 00:12:00,959

suggest that it's not that this uh

314

00:12:05,110 --> 00:12:02,880

this alien race came down here and just

315

00:12:07,430 --> 00:12:05,120

found some stupid people and

316

00:12:08,870 --> 00:12:07,440

uh tricked them into this big gold

317

00:12:10,870 --> 00:12:08,880

mining operation

318

00:12:13,110 --> 00:12:10,880

there's apparently evidence that we were

319

00:12:14,629 --> 00:12:13,120

actually genetically engineered

320

00:12:18,790 --> 00:12:14,639

um can you go through some of that

321

00:12:22,870 --> 00:12:21,350

oh absolutely and you know that this

322

00:12:25,509 --> 00:12:22,880

this dna

323

00:12:27,750 --> 00:12:25,519

evidence has been lurking uh in the

324

00:12:29,829 --> 00:12:27,760

background for many decades

325

00:12:32,470 --> 00:12:29,839

it's just the people that discovered the

326

00:12:34,470 --> 00:12:32,480

dna you know what's fascinating is that

327

00:12:36,150 --> 00:12:34,480

how much of it is watson or crick or

328

00:12:37,350 --> 00:12:36,160

both of them that admitted that they

329

00:12:41,350 --> 00:12:37,360

were both high on

330

00:12:41,990 --> 00:12:41,360

dmt or or um or acid when they actually

331

00:12:44,150 --> 00:12:42,000

came to

332

00:12:46,310 --> 00:12:44,160

to to see the imagery and and discover

333

00:12:48,550 --> 00:12:46,320

the double helix of the dna

334

00:12:50,389 --> 00:12:48,560

what's fascinating is that we get the

335

00:12:52,710 --> 00:12:50,399

the sumerian translations

336

00:12:54,150 --> 00:12:52,720

especially in sitchin's work is

337

00:12:55,910 --> 00:12:54,160

absolutely specific about

338

00:12:57,509 --> 00:12:55,920

how the human race came to be how the

339

00:13:00,150 --> 00:12:57,519

annunaki found the gold

340

00:13:01,590 --> 00:13:00,160

they mined it themselves for a long time

341

00:13:02,470 --> 00:13:01,600

until they realized they weren't getting

342

00:13:04,790 --> 00:13:02,480

enough of it

343

00:13:06,230 --> 00:13:04,800

and they needed help so they decided to

344

00:13:08,150 --> 00:13:06,240

clone a new species

345

00:13:10,230 --> 00:13:08,160

specifically for the purpose to help

346

00:13:11,829 --> 00:13:10,240

them mine the gold to be the slaves in

347

00:13:13,990 --> 00:13:11,839

the gold mining operation

348

00:13:15,190 --> 00:13:14,000

and that's where humanity suddenly makes

349

00:13:17,030 --> 00:13:15,200

its appearance

350

00:13:18,389 --> 00:13:17,040

and many of the things that i present in

351

00:13:20,710 --> 00:13:18,399

my work and my research

352

00:13:22,710 --> 00:13:20,720

points to that event especially the

353

00:13:24,790 --> 00:13:22,720

discovery of adam's calendar

354

00:13:27,350 --> 00:13:24,800

as a flagship among the millions and

355

00:13:29,110 --> 00:13:27,360

millions of stone circular ruins

356

00:13:30,870 --> 00:13:29,120

and i need to just put this into context

357

00:13:33,269 --> 00:13:30,880

i'm not talking about a few hundred or a

358

00:13:35,990 --> 00:13:33,279

few thousand circular stone structures

359

00:13:36,790 --> 00:13:36,000

i'm talking more than 10 million stone

360

00:13:38,230 --> 00:13:36,800

circles

361

00:13:40,310 --> 00:13:38,240

scattered throughout south africa and

362

00:13:41,910 --> 00:13:40,320

zimbabwe and parts of botswana and

363

00:13:44,389 --> 00:13:41,920

mozambique

364

00:13:45,829 --> 00:13:44,399

more than 10 million in fact you know in

365

00:13:47,590 --> 00:13:45,839

in the latest few lectures i've been

366

00:13:47,990 --> 00:13:47,600

talking about this probably closer to 20

367

00:13:50,949 --> 00:13:48,000

million

368

00:13:51,670 --> 00:13:50,959

based on my latest sort of gut feel

369

00:13:54,470 --> 00:13:51,680

after i

370

00:13:55,829 --> 00:13:54,480

sort of did a first analysis calculation

371

00:13:57,829 --> 00:13:55,839

and i was trying to be as scientific

372

00:14:00,389 --> 00:13:57,839

about it as i could

373

00:14:03,189 --> 00:14:00,399

using um averages and averaging it from

374

00:14:04,389 --> 00:14:03,199

a small number of ruins per hectare then

375

00:14:06,790 --> 00:14:04,399

take it up to a

376

00:14:08,389 --> 00:14:06,800

you know a square kilometer and then and

377

00:14:09,910 --> 00:14:08,399

larger and larger getting averages and

378

00:14:10,949 --> 00:14:09,920

then averaging it out over the whole

379

00:14:12,389 --> 00:14:10,959

area that i've

380

00:14:14,710 --> 00:14:12,399

found these stone circles throughout

381

00:14:16,230 --> 00:14:14,720

southern africa it adds up to more than

382

00:14:17,910 --> 00:14:16,240

10 million now

383

00:14:19,590 --> 00:14:17,920

that immediately tells us that there's a

384

00:14:21,430 --> 00:14:19,600

vanished civilization that we know

385

00:14:23,030 --> 00:14:21,440

absolutely nothing about

386

00:14:24,550 --> 00:14:23,040

you know you know we can't deny it

387

00:14:28,629 --> 00:14:24,560

anymore right

388

00:14:29,990 --> 00:14:28,639

and um and so this connects us to

389

00:14:32,550 --> 00:14:30,000

the fact that you know they're more than

390

00:14:34,470 --> 00:14:32,560

75 000 gold mines discovered

391

00:14:36,150 --> 00:14:34,480

just around one little town of

392

00:14:38,470 --> 00:14:36,160

leidenberg which is about

393

00:14:40,389 --> 00:14:38,480

50 miles from where i live and if you

394

00:14:41,590 --> 00:14:40,399

start extrapolating that to many of the

395

00:14:44,310 --> 00:14:41,600

other mines that i've

396

00:14:45,350 --> 00:14:44,320

discovered and spoken to people making

397

00:14:48,550 --> 00:14:45,360

discoveries

398

00:14:51,189 --> 00:14:48,560

uh you know of ancient gold mines in the

399

00:14:53,110 --> 00:14:51,199

20s and 30s already in south africa

400

00:14:54,710 --> 00:14:53,120

you start extrapolating that we got

401
00:14:57,030 --> 00:14:54,720
millions of gold mines

402
00:14:58,310 --> 00:14:57,040
vanished you know gold mines that no

403
00:14:59,670 --> 00:14:58,320
longer can be seen

404
00:15:01,590 --> 00:14:59,680
and every now and then we accidentally

405
00:15:04,230 --> 00:15:01,600
stumble upon these gold mines

406
00:15:05,269 --> 00:15:04,240
one such example i must tell you was uh

407
00:15:08,629 --> 00:15:05,279
was in the

408
00:15:11,189 --> 00:15:08,639
early 70s when uh the father of the guy

409
00:15:12,870 --> 00:15:11,199
that actually is our legal advisor

410
00:15:15,590 --> 00:15:12,880
raymond dix his father worked for the

411
00:15:17,829 --> 00:15:15,600
mining industry on the west strand

412
00:15:19,990 --> 00:15:17,839
in a town called carltonville a lot of

413
00:15:22,069 --> 00:15:20,000

all the early gold mines in the 60s and

414

00:15:23,189 --> 00:15:22,079

70s that's where they arose in south

415

00:15:25,110 --> 00:15:23,199

africa and all

416

00:15:26,870 --> 00:15:25,120

a lot of the global gold came from that

417

00:15:29,110 --> 00:15:26,880

area i grew up in those areas

418

00:15:31,269 --> 00:15:29,120

on the gold fields and i actually called

419

00:15:34,150 --> 00:15:31,279

gold fields believe it or not

420

00:15:35,670 --> 00:15:34,160

and and uh and he told me that one day

421

00:15:38,470 --> 00:15:35,680

they went into a sinkhole

422

00:15:40,230 --> 00:15:38,480

the carltonville area is a sinkhole sort

423

00:15:40,550 --> 00:15:40,240

of world well known for its sinkholes

424

00:15:42,150 --> 00:15:40,560

and

425

00:15:44,069 --> 00:15:42,160

they just suddenly appear out of nowhere

426

00:15:45,509 --> 00:15:44,079

and you know houses disappear and tennis

427

00:15:46,710 --> 00:15:45,519

courts and people disappear into the

428

00:15:49,030 --> 00:15:46,720

sinkholes and

429

00:15:50,310 --> 00:15:49,040

uh it used to be a very unsafe area at

430

00:15:52,310 --> 00:15:50,320

one stage

431

00:15:53,670 --> 00:15:52,320

and um especially when i was growing up

432

00:15:56,949 --> 00:15:53,680

there in the in the

433

00:15:59,189 --> 00:15:56,959

late 60s and throughout the 70s and uh

434

00:16:00,470 --> 00:15:59,199

and raymond's father told me that in

435

00:16:02,150 --> 00:16:00,480

early 70s

436

00:16:04,069 --> 00:16:02,160

he was part of this rescue team who are

437

00:16:04,389 --> 00:16:04,079

really well trained well equipped to go

438

00:16:06,230 --> 00:16:04,399

down

439

00:16:08,069 --> 00:16:06,240

underground into the mines and rescue

440

00:16:09,749 --> 00:16:08,079

miners if they are trapped or if they're

441

00:16:11,269 --> 00:16:09,759

fires or whatever

442

00:16:12,870 --> 00:16:11,279

and they were messing around testing

443

00:16:14,310 --> 00:16:12,880

their equipment they went down into one

444

00:16:16,790 --> 00:16:14,320

of these sinkholes

445

00:16:18,790 --> 00:16:16,800

about 20 meters deep so it'd make about

446

00:16:21,430 --> 00:16:18,800

60 feet deep and at the bottom of it

447

00:16:23,749 --> 00:16:21,440

they found one of the sides was caved in

448

00:16:25,590 --> 00:16:23,759

they made they cleared it out and made

449

00:16:26,389 --> 00:16:25,600

their way into what they found to be a

450

00:16:28,470 --> 00:16:26,399

tunnel

451
00:16:30,629 --> 00:16:28,480
there was perfectly paved with these

452
00:16:33,269 --> 00:16:30,639
perfect

453
00:16:34,310 --> 00:16:33,279
bricks or bathing stones all the way

454
00:16:36,790 --> 00:16:34,320
around

455
00:16:38,069 --> 00:16:36,800
and several meters into the dark tunnel

456
00:16:41,110 --> 00:16:38,079
they discovered

457
00:16:41,910 --> 00:16:41,120
uh an exact replica statue what you find

458
00:16:44,550 --> 00:16:41,920
often

459
00:16:45,590 --> 00:16:44,560
uh in ancient books and in in uh in

460
00:16:49,350 --> 00:16:45,600
south america

461
00:16:51,590 --> 00:16:49,360
of viracocha the the inca god viracocha

462
00:16:52,949 --> 00:16:51,600
who's inextricably linked to the mining

463
00:16:56,389 --> 00:16:52,959

of gold

464

00:16:58,150 --> 00:16:56,399

so that is just incredible you know i

465

00:17:00,949 --> 00:16:58,160

also present the physical evidence that

466

00:17:02,870 --> 00:17:00,959

you can link every ancient civilization

467

00:17:04,549 --> 00:17:02,880

from the sumerians the phoenicians the

468

00:17:08,069 --> 00:17:04,559

romans the greeks

469

00:17:10,150 --> 00:17:08,079

the this um the hindu dravidians from

470

00:17:13,270 --> 00:17:10,160

southern india and sri lanka

471

00:17:15,510 --> 00:17:13,280

to the uh

472

00:17:17,350 --> 00:17:15,520

to the incas as i mentioned and also the

473

00:17:19,110 --> 00:17:17,360

dogon people of mali

474

00:17:21,189 --> 00:17:19,120

you can connect and link them to the

475

00:17:23,750 --> 00:17:21,199

activity here in south africa

476

00:17:25,829 --> 00:17:23,760

many many thousands of years ago and the

477

00:17:28,950 --> 00:17:25,839

egyptians as well were they unc

478

00:17:31,029 --> 00:17:28,960

and various other symbols um to the

479

00:17:32,630 --> 00:17:31,039

activity here in south africa long long

480

00:17:36,150 --> 00:17:32,640

before the other so-called

481

00:17:37,830 --> 00:17:36,160

cultures and civilizations arose and

482

00:17:39,990 --> 00:17:37,840

i can say that because i've looked at

483

00:17:40,549 --> 00:17:40,000

the the the carvings that they left

484

00:17:42,470 --> 00:17:40,559

behind

485

00:17:44,789 --> 00:17:42,480

that indicate their presidency of those

486

00:17:45,510 --> 00:17:44,799

people where those civilizations arise

487

00:17:47,430 --> 00:17:45,520

from

488

00:17:49,270 --> 00:17:47,440

and you if you just look at the erosion

489

00:17:51,029 --> 00:17:49,280

on these carvings you realize we're

490

00:17:52,150 --> 00:17:51,039

dealing with something extremely old

491

00:17:53,830 --> 00:17:52,160

it's not something that

492

00:17:55,190 --> 00:17:53,840

you know was carved just a few thousand

493

00:17:57,590 --> 00:17:55,200

years ago

494

00:17:59,350 --> 00:17:57,600

but i think just to come back to our

495

00:18:01,270 --> 00:17:59,360

digress a bit from the genetic cloning

496

00:18:03,110 --> 00:18:01,280

side because

497

00:18:04,390 --> 00:18:03,120

there are a lot of geneticists that are

498

00:18:06,230 --> 00:18:04,400

that have um

499

00:18:07,430 --> 00:18:06,240

unfortunately it's such a vast subject

500

00:18:10,630 --> 00:18:07,440

it's very easy to sli

501
00:18:12,390 --> 00:18:10,640
slip away into a sideline and get

502
00:18:15,270 --> 00:18:12,400
carried off of course that's a positive

503
00:18:17,270 --> 00:18:15,280
thing that's a good thing

504
00:18:18,789 --> 00:18:17,280
yeah exactly so to come back to the

505
00:18:21,110 --> 00:18:18,799
genetic cloning side of it

506
00:18:23,029 --> 00:18:21,120
it's really you know the whole human dna

507
00:18:25,190 --> 00:18:23,039
is a huge mystery there's so many

508
00:18:27,270 --> 00:18:25,200
anomalies to do with

509
00:18:28,870 --> 00:18:27,280
what's going on with our dna the fact

510
00:18:31,830 --> 00:18:28,880
that we use so little of it and yet

511
00:18:34,150 --> 00:18:31,840
there's so much potential encoded in it

512
00:18:35,909 --> 00:18:34,160
what came first the rna the dna

513
00:18:39,190 --> 00:18:35,919

um how did it all happen how did we get

514

00:18:41,750 --> 00:18:39,200

to to be to be this very bright species

515

00:18:43,590 --> 00:18:41,760

uh while all the others are completely

516

00:18:45,990 --> 00:18:43,600

you know far removed from our

517

00:18:47,270 --> 00:18:46,000

level of understanding intelligence and

518

00:18:49,510 --> 00:18:47,280

and and um

519

00:18:51,029 --> 00:18:49,520

why do we have uh 23 pairs of

520

00:18:53,190 --> 00:18:51,039

chromosomes and the

521

00:18:54,549 --> 00:18:53,200

species have 24 pairs of chromosomes and

522

00:18:57,830 --> 00:18:54,559

so it goes

523

00:19:00,950 --> 00:18:57,840

and many geneticists have have um

524

00:19:04,070 --> 00:19:00,960

put out categorical statements

525

00:19:07,270 --> 00:19:04,080

on record that our dna is not

526

00:19:09,750 --> 00:19:07,280

of this planet our dna is of an alien

527

00:19:11,990 --> 00:19:09,760

source now obviously the mainstream

528

00:19:13,190 --> 00:19:12,000

media and education departments and the

529

00:19:15,110 --> 00:19:13,200

textbooks at school

530

00:19:16,710 --> 00:19:15,120

are not going to pick up on that they're

531

00:19:17,669 --> 00:19:16,720

going to continue printing and teaching

532

00:19:19,270 --> 00:19:17,679

the children

533

00:19:21,909 --> 00:19:19,280

and our students what they want us to

534

00:19:23,909 --> 00:19:21,919

believe so you're not going to find that

535

00:19:24,630 --> 00:19:23,919

in mainstream education until you start

536

00:19:26,549 --> 00:19:24,640

looking

537

00:19:28,549 --> 00:19:26,559

at those who are working on the fringes

538

00:19:31,590 --> 00:19:28,559

and doing some ridiculously

539

00:19:33,029 --> 00:19:31,600

exciting and interesting research and

540

00:19:35,430 --> 00:19:33,039

one such researcher

541

00:19:37,510 --> 00:19:35,440

now works with nasim haramain in hawaii

542

00:19:39,590 --> 00:19:37,520

his name is william brown and he's a

543

00:19:40,710 --> 00:19:39,600

one of the brightest lights in the field

544

00:19:43,750 --> 00:19:40,720

of genetics and

545

00:19:45,750 --> 00:19:43,760

and dna research and william

546

00:19:47,750 --> 00:19:45,760

uh you know if you just look him up and

547

00:19:49,590 --> 00:19:47,760

go to his website you'll get a lot of

548

00:19:50,230 --> 00:19:49,600

interesting information about our dna

549

00:19:57,830 --> 00:19:50,240

and

550

00:19:59,669 --> 00:19:57,840

formed in completely different ways uh

551
00:20:02,950 --> 00:19:59,679
to what we believe

552
00:20:05,510 --> 00:20:02,960
and that makes it even more interesting

553
00:20:07,270 --> 00:20:05,520
and exciting because that brings us to

554
00:20:08,789 --> 00:20:07,280
the the many belief systems that we find

555
00:20:10,630 --> 00:20:08,799
in ancient cultures not only that

556
00:20:12,070 --> 00:20:10,640
human race was created by the gods that

557
00:20:13,669 --> 00:20:12,080
came down from the sky

558
00:20:15,590 --> 00:20:13,679
that all ancient cultures keep telling

559
00:20:18,230 --> 00:20:15,600
us about and we keep denying it

560
00:20:19,430 --> 00:20:18,240
because our textbooks say so but they

561
00:20:21,750 --> 00:20:19,440
also tell us about

562
00:20:23,590 --> 00:20:21,760
how the universe was created and how

563
00:20:25,510 --> 00:20:23,600

everything came into being and at the

564

00:20:27,830 --> 00:20:25,520

at the foundation of that is this thing

565

00:20:29,909 --> 00:20:27,840

called sound or resonance

566

00:20:32,789 --> 00:20:29,919

and that's fantastic because you start

567

00:20:35,190 --> 00:20:32,799

seeing very important breakthroughs in

568

00:20:37,430 --> 00:20:35,200

some of the leading scientific research

569

00:20:39,990 --> 00:20:37,440

especially also nasi maharaj

570

00:20:40,470 --> 00:20:40,000

with his resonance project and more and

571

00:20:43,029 --> 00:20:40,480

more

572

00:20:44,870 --> 00:20:43,039

um breakthrough research like for

573

00:20:47,830 --> 00:20:44,880

example even nerve endings

574

00:20:48,789 --> 00:20:47,840

you know share their their information

575

00:20:51,510 --> 00:20:48,799

with the nerves

576
00:20:52,230 --> 00:20:51,520
and the synapses that in our brains uh

577
00:20:54,710 --> 00:20:52,240
are actually

578
00:20:55,430 --> 00:20:54,720
information gets transferred transferred

579
00:20:59,029 --> 00:20:55,440
via

580
00:21:00,710 --> 00:20:59,039
sound waves and sound patterns and

581
00:21:02,310 --> 00:21:00,720
and you start realizing that sound is at

582
00:21:03,750 --> 00:21:02,320
the core of all these things

583
00:21:05,510 --> 00:21:03,760
and that's really critical because

584
00:21:07,830 --> 00:21:05,520
that's what i discovered these millions

585
00:21:10,710 --> 00:21:07,840
of stone circles are all about

586
00:21:11,909 --> 00:21:10,720
they generate huge amounts of sound

587
00:21:14,950 --> 00:21:11,919
energy

588
00:21:16,470 --> 00:21:14,960

and um and that that that then leads to

589

00:21:19,350 --> 00:21:16,480

the conclusion that

590

00:21:20,710 --> 00:21:19,360

whoever built these were incredibly

591

00:21:22,950 --> 00:21:20,720

advanced in their knowledge their

592

00:21:25,909 --> 00:21:22,960

understanding of the laws of nature

593

00:21:27,430 --> 00:21:25,919

and um and then what they did with it

594

00:21:29,270 --> 00:21:27,440

and then obviously the obvious

595

00:21:29,990 --> 00:21:29,280

conclusion is in the evidence point it

596

00:21:33,669 --> 00:21:30,000

was all

597

00:21:35,270 --> 00:21:33,679

about the gold yeah i mean let's talk

598

00:21:36,950 --> 00:21:35,280

about the uh

599

00:21:38,710 --> 00:21:36,960

you know you mentioned sound a little

600

00:21:40,710 --> 00:21:38,720

bit you've put a lot of emphasis

601
00:21:41,990 --> 00:21:40,720
on the power of sound and resonance in

602
00:21:44,310 --> 00:21:42,000
some of your speeches

603
00:21:45,990 --> 00:21:44,320
and it seems like most of the knowledge

604
00:21:46,870 --> 00:21:46,000
that our ancestors had whether you're

605
00:21:48,870 --> 00:21:46,880
talking about

606
00:21:50,549 --> 00:21:48,880
this sound technology or the flower of

607
00:21:52,149 --> 00:21:50,559
life knowledge or the things that

608
00:21:52,789 --> 00:21:52,159
they've embedded in some of the ancient

609
00:21:54,310 --> 00:21:52,799
symbols

610
00:21:56,070 --> 00:21:54,320
a lot of that's been lost or gone

611
00:21:58,070 --> 00:21:56,080
underground but um

612
00:21:59,669 --> 00:21:58,080
can you tell us a bit about this about

613
00:22:01,590 --> 00:21:59,679

sound and what you've discovered about

614

00:22:05,110 --> 00:22:01,600

it i mean you seem to consider it a lost

615

00:22:06,710 --> 00:22:05,120

energy system well yeah absolutely

616

00:22:08,549 --> 00:22:06,720

because yeah i really believe that this

617

00:22:10,549 --> 00:22:08,559

is what nikola tesla discovered

618

00:22:12,390 --> 00:22:10,559

well i must just tell you you know just

619

00:22:13,430 --> 00:22:12,400

in case your listeners are still not

620

00:22:15,430 --> 00:22:13,440

getting it

621

00:22:17,190 --> 00:22:15,440

every one of these stunt circles the 10

622

00:22:19,909 --> 00:22:17,200

million circles or more

623

00:22:21,909 --> 00:22:19,919

more than 10 million circles is a sound

624

00:22:24,149 --> 00:22:21,919

energy generating device

625

00:22:26,630 --> 00:22:24,159

okay there's no doubt about it there's

626

00:22:29,750 --> 00:22:26,640

scientific measurements um

627

00:22:31,110 --> 00:22:29,760

uh and each one resonates at very very

628

00:22:32,870 --> 00:22:31,120

high sound frequency

629

00:22:35,029 --> 00:22:32,880

in the gigahertz the lowest we've

630

00:22:37,830 --> 00:22:35,039

measured now this is the lowest

631

00:22:39,110 --> 00:22:37,840

is around 10 gigahertz now this is

632

00:22:41,190 --> 00:22:39,120

insane you don't

633

00:22:42,789 --> 00:22:41,200

you don't measure sound frequencies in

634

00:22:45,830 --> 00:22:42,799

the gigahertz in nature

635

00:22:48,310 --> 00:22:45,840

it just doesn't happen right

636

00:22:50,950 --> 00:22:48,320

remember that our hearing only goes up

637

00:22:53,909 --> 00:22:50,960

to about 16 000 hertz

638

00:22:55,990 --> 00:22:53,919

so you know the gigahertz gigahertz is

639

00:22:56,950 --> 00:22:56,000

way up there it's extremely high

640

00:22:59,430 --> 00:22:56,960

frequencies

641

00:23:01,430 --> 00:22:59,440

with extremely high energies the higher

642

00:23:04,070 --> 00:23:01,440

the frequency the higher the energy

643

00:23:04,950 --> 00:23:04,080

so as a result of these very high sound

644

00:23:08,070 --> 00:23:04,960

frequencies

645

00:23:10,310 --> 00:23:08,080

that these stud circles vibrate at

646

00:23:11,830 --> 00:23:10,320

um they generate huge amounts of

647

00:23:13,830 --> 00:23:11,840

electromagnetic energy and

648

00:23:14,310 --> 00:23:13,840

electromagnetic fields that we've also

649

00:23:15,990 --> 00:23:14,320

measured

650

00:23:17,510 --> 00:23:16,000

so this is not just speculation this is

651
00:23:19,590 --> 00:23:17,520
scientifically measured

652
00:23:20,950 --> 00:23:19,600
proven and shown in the work that i've

653
00:23:22,950 --> 00:23:20,960
done and

654
00:23:24,789 --> 00:23:22,960
so we've got free energy devices sitting

655
00:23:27,750 --> 00:23:24,799
here staring us in the face

656
00:23:29,669 --> 00:23:27,760
and we don't know how to use them except

657
00:23:31,990 --> 00:23:29,679
i believe this is exactly

658
00:23:33,430 --> 00:23:32,000
what nikola tesla found when he built

659
00:23:36,310 --> 00:23:33,440
his uh you know

660
00:23:38,390 --> 00:23:36,320
tesla tower on long island in 1902 or

661
00:23:40,870 --> 00:23:38,400
radio 3 whatever it was

662
00:23:41,590 --> 00:23:40,880
and i believe he actually discovered uh

663
00:23:43,430 --> 00:23:41,600

the sound

664

00:23:45,510 --> 00:23:43,440

frequency and the resonance of planet

665

00:23:47,830 --> 00:23:45,520

earth and was able to tap into it and

666

00:23:51,430 --> 00:23:47,840

then convert that sound energy

667

00:23:53,909 --> 00:23:51,440

to his radiant or or

668

00:23:54,630 --> 00:23:53,919

his non-lethal form of energy that he

669

00:23:57,190 --> 00:23:54,640

could be

670

00:23:58,870 --> 00:23:57,200

anywhere around the world and could put

671

00:24:01,190 --> 00:23:58,880

to use whether it was in airplanes or

672

00:24:04,310 --> 00:24:01,200

ships or cars or lights or whatever

673

00:24:07,430 --> 00:24:04,320

um without killing anyone and

674

00:24:09,029 --> 00:24:07,440

and and that's why it was removed from

675

00:24:10,789 --> 00:24:09,039

the face of the earth because you

676

00:24:13,269 --> 00:24:10,799

couldn't charge for it you know

677

00:24:14,710 --> 00:24:13,279

and uh jp morgan obviously wanted to

678

00:24:16,830 --> 00:24:14,720

make sure he could charge people for the

679

00:24:20,470 --> 00:24:16,840

electricity that tesla

680

00:24:23,350 --> 00:24:20,480

developed so you start seeing the

681

00:24:25,190 --> 00:24:23,360

the the layers of deception and control

682

00:24:26,950 --> 00:24:25,200

creeping in here and crawling in here

683

00:24:29,110 --> 00:24:26,960

and um

684

00:24:30,149 --> 00:24:29,120

uh i've been asked on several occasions

685

00:24:31,510 --> 00:24:30,159

to

686

00:24:34,789 --> 00:24:31,520

i'm lying i've been asked on two

687

00:24:37,190 --> 00:24:34,799

occasions to to appear on ancient daily

688

00:24:38,870 --> 00:24:37,200

on on the tv show ancient aliens yeah

689

00:24:40,710 --> 00:24:38,880

and after about a month

690

00:24:42,390 --> 00:24:40,720

yeah after about a month of talking to

691

00:24:43,830 --> 00:24:42,400

the producers of ancient aliens suddenly

692

00:24:45,510 --> 00:24:43,840

i get an email saying sorry we'll no

693

00:24:47,350 --> 00:24:45,520

longer be interviewing you

694

00:24:50,149 --> 00:24:47,360

and i've been wondering about why that

695

00:24:52,630 --> 00:24:50,159

is and it suddenly hit me that

696

00:24:54,230 --> 00:24:52,640

you know most of what they talk about on

697

00:24:55,750 --> 00:24:54,240

ancient aliens is

698

00:24:58,149 --> 00:24:55,760

really exciting and interesting

699

00:25:01,029 --> 00:24:58,159

information and it has

700

00:25:03,430 --> 00:25:01,039

incredible discoveries and so forth but

701
00:25:06,310 --> 00:25:03,440
when you get to showing

702
00:25:06,950 --> 00:25:06,320
physical evidence of ancient sites that

703
00:25:09,269 --> 00:25:06,960
actually

704
00:25:10,549 --> 00:25:09,279
are energy generating devices that still

705
00:25:13,110 --> 00:25:10,559
give us energy that

706
00:25:14,470 --> 00:25:13,120
cannot be you know denied we show it

707
00:25:17,269 --> 00:25:14,480
scientifically

708
00:25:17,990 --> 00:25:17,279
that changes the the game completely

709
00:25:21,510 --> 00:25:18,000
doesn't it

710
00:25:24,310 --> 00:25:21,520
it does yes it really does um

711
00:25:26,549 --> 00:25:24,320
and and it's no longer speculation it's

712
00:25:27,990 --> 00:25:26,559
no longer maybe it was or maybe they

713
00:25:29,750 --> 00:25:28,000

were doing that with it

714

00:25:31,830 --> 00:25:29,760

because now we know exactly what they

715

00:25:33,590 --> 00:25:31,840

were doing and my gut feel is that

716

00:25:35,350 --> 00:25:33,600

remember that the history channel is

717

00:25:36,230 --> 00:25:35,360

still controlled by the same illuminati

718

00:25:39,350 --> 00:25:36,240

families

719

00:25:41,430 --> 00:25:39,360

that run the global media syndicate and

720

00:25:42,789 --> 00:25:41,440

they sort of drip feed the information

721

00:25:45,430 --> 00:25:42,799

to the mainstream

722

00:25:46,470 --> 00:25:45,440

and to the to the global populace and i

723

00:25:48,230 --> 00:25:46,480

think that

724

00:25:49,590 --> 00:25:48,240

telling the global people that we're

725

00:25:51,750 --> 00:25:49,600

sitting on 10 million

726
00:25:53,350 --> 00:25:51,760
free energy generating devices in south

727
00:25:55,510 --> 00:25:53,360
africa and they're not just here

728
00:25:59,430 --> 00:25:55,520
i find them all over the world in fact

729
00:26:01,190 --> 00:25:59,440
area 51 has got a bunch of them as well

730
00:26:02,950 --> 00:26:01,200
once that information gets out there

731
00:26:04,230 --> 00:26:02,960
that's not going to be good for those

732
00:26:06,070 --> 00:26:04,240
who control the energy

733
00:26:08,149 --> 00:26:06,080
grid and the enslavement of the human

734
00:26:09,110 --> 00:26:08,159
race through controlling the energy

735
00:26:11,990 --> 00:26:09,120
supply

736
00:26:12,789 --> 00:26:12,000
well let's talk about how how did uh the

737
00:26:14,710 --> 00:26:12,799
situation

738
00:26:16,470 --> 00:26:14,720

change you have the anunnaki here you

739

00:26:16,789 --> 00:26:16,480

have a slave race of humans that have

740

00:26:19,590 --> 00:26:16,799

been

741

00:26:21,590 --> 00:26:19,600

engineered uh was there a rebellion what

742

00:26:26,230 --> 00:26:21,600

happened to the anunnaki did they leave

743

00:26:29,830 --> 00:26:29,029

very important question and a very very

744

00:26:31,909 --> 00:26:29,840

uh

745

00:26:33,350 --> 00:26:31,919

question that doesn't really have very

746

00:26:35,669 --> 00:26:33,360

clear answers

747

00:26:36,470 --> 00:26:35,679

uh the the big let's let's move

748

00:26:39,669 --> 00:26:36,480

backwards

749

00:26:41,990 --> 00:26:39,679

what is happening with the gold today

750

00:26:43,750 --> 00:26:42,000

it seems like there is no gold on earth

751

00:26:45,190 --> 00:26:43,760

all the gold's missing right

752

00:26:46,870 --> 00:26:45,200

right think about what's going on with

753

00:26:48,070 --> 00:26:46,880

the gold all the countries that are

754

00:26:49,990 --> 00:26:48,080

suddenly looking for gold

755

00:26:51,430 --> 00:26:50,000

from the united states who are deposited

756

00:26:53,350 --> 00:26:51,440

in the with the usa

757

00:26:54,710 --> 00:26:53,360

germany last year was looking for their

758

00:26:55,669 --> 00:26:54,720

gold and well told sorry we don't have

759

00:26:56,870 --> 00:26:55,679

any gold

760

00:26:58,630 --> 00:26:56,880

it's i think it was about three and a

761

00:27:00,789 --> 00:26:58,640

half thousand tons of gold that germany

762

00:27:03,830 --> 00:27:00,799

had deposited with the usa

763

00:27:04,710 --> 00:27:03,840

and that gold is gone um brazil wanted

764

00:27:06,470 --> 00:27:04,720

its gold

765

00:27:07,990 --> 00:27:06,480

they were told we don't have your gold

766

00:27:11,350 --> 00:27:08,000

venezuela

767

00:27:13,750 --> 00:27:11,360

chavez wanted his gold and you know what

768

00:27:14,549 --> 00:27:13,760

why do you think the the western

769

00:27:17,590 --> 00:27:14,559

leadership

770

00:27:19,190 --> 00:27:17,600

was so vehemently opposed to hugo chavez

771

00:27:20,870 --> 00:27:19,200

who was a darling of the people in

772

00:27:22,950 --> 00:27:20,880

venezuela because he was completely

773

00:27:25,029 --> 00:27:22,960

opposed to the draconian

774

00:27:26,470 --> 00:27:25,039

control of the of the re of the people

775

00:27:29,269 --> 00:27:26,480

by the rest of the global

776

00:27:31,110 --> 00:27:29,279

um powers and he was moving in opposite

777

00:27:33,029 --> 00:27:31,120

directions so of course they didn't like

778

00:27:35,750 --> 00:27:33,039

him

779

00:27:36,710 --> 00:27:35,760

and uh and then so so the gold is a big

780

00:27:39,750 --> 00:27:36,720

question

781

00:27:41,190 --> 00:27:39,760

uh what's interesting um this is just

782

00:27:42,549 --> 00:27:41,200

what came up the other day in one of my

783

00:27:45,190 --> 00:27:42,559

presentations is when you

784

00:27:46,070 --> 00:27:45,200

spell the word gold if you take the l

785

00:27:49,350 --> 00:27:46,080

out of gold

786

00:27:51,590 --> 00:27:49,360

you get god and l as an el

787

00:27:53,110 --> 00:27:51,600

is shortened version of the elohim the

788

00:27:57,590 --> 00:27:53,120

gods of the bible

789

00:27:59,510 --> 00:27:57,600

a plural so it's always the gods never

790

00:28:00,630 --> 00:27:59,520

singular god as it was incorrectly

791

00:28:02,630 --> 00:28:00,640

translated

792

00:28:03,990 --> 00:28:02,640

or manipulated into incorrect

793

00:28:06,149 --> 00:28:04,000

translation

794

00:28:08,549 --> 00:28:06,159

so you start realizing that even in some

795

00:28:09,350 --> 00:28:08,559

of the lang encoded language that we use

796

00:28:10,950 --> 00:28:09,360

there's a very

797

00:28:12,710 --> 00:28:10,960

interesting crossover and this might

798

00:28:13,510 --> 00:28:12,720

sound like a silly little remark that

799

00:28:16,149 --> 00:28:13,520

i'm making

800

00:28:17,029 --> 00:28:16,159

let me reassure you this is not a silly

801
00:28:20,149 --> 00:28:17,039
little

802
00:28:23,350 --> 00:28:20,159
sideline issue this is deeply encoded

803
00:28:25,750 --> 00:28:23,360
numeric energetic structure that is

804
00:28:28,870 --> 00:28:25,760
encoded into our language

805
00:28:30,630 --> 00:28:28,880
that we are completely unaware of

806
00:28:32,389 --> 00:28:30,640
and that is directly connected to the

807
00:28:33,350 --> 00:28:32,399
so-called tower of babel incident where

808
00:28:35,350 --> 00:28:33,360
the god said

809
00:28:37,029 --> 00:28:35,360
let us go down and confuse their

810
00:28:38,149 --> 00:28:37,039
language because if they can do this

811
00:28:40,870 --> 00:28:38,159
they can become like

812
00:28:42,230 --> 00:28:40,880
us it has nothing to do with changing

813
00:28:43,669 --> 00:28:42,240

the people's languages so that they

814

00:28:43,990 --> 00:28:43,679

can't understand each other it's got

815

00:28:48,470 --> 00:28:44,000

everything

816

00:28:51,590 --> 00:28:48,480

to do with manipulating the energetic

817

00:28:52,630 --> 00:28:51,600

effect of the letters and the that make

818

00:28:54,230 --> 00:28:52,640

up the words

819

00:28:55,909 --> 00:28:54,240

so that they lose their meaning and

820

00:28:58,630 --> 00:28:55,919

their power to actually

821

00:29:00,710 --> 00:28:58,640

manifest matter throughout the sound

822

00:29:02,389 --> 00:29:00,720

frequencies that they generate

823

00:29:03,830 --> 00:29:02,399

i know i'm going a little over the top

824

00:29:04,310 --> 00:29:03,840

here but let me tell you this is why

825

00:29:07,190 --> 00:29:04,320

this

826

00:29:09,190 --> 00:29:07,200

research is so mind-blowingly exciting

827

00:29:11,590 --> 00:29:09,200

because it takes you down these

828

00:29:13,750 --> 00:29:11,600

weird channels of research that you

829

00:29:16,950 --> 00:29:13,760

never imagined you'd go into

830

00:29:18,630 --> 00:29:16,960

and discover this whole new vast volume

831

00:29:20,630 --> 00:29:18,640

of research

832

00:29:22,149 --> 00:29:20,640

into energy fields and sound frequency

833

00:29:24,310 --> 00:29:22,159

and manifestation and

834

00:29:25,510 --> 00:29:24,320

vortexes and the vacuum and you know

835

00:29:27,190 --> 00:29:25,520

quantum physics and

836

00:29:29,430 --> 00:29:27,200

metaphysics and so forth and you realize

837

00:29:32,630 --> 00:29:29,440

it's it's all connected

838

00:29:34,149 --> 00:29:32,640

so that's right where's the gold yeah

839

00:29:35,430 --> 00:29:34,159

where where is the goal you know where's

840

00:29:37,029 --> 00:29:35,440

the poke

841

00:29:38,630 --> 00:29:37,039

the gold is not here is it in the

842

00:29:40,870 --> 00:29:38,640

vatican

843

00:29:42,389 --> 00:29:40,880

no well i guess the much of it is

844

00:29:43,669 --> 00:29:42,399

probably hidden and stored in the

845

00:29:47,510 --> 00:29:43,679

vatican

846

00:29:50,789 --> 00:29:47,520

um oh boy the gold the gold

847

00:29:52,149 --> 00:29:50,799

that's the big thing remember that our

848

00:29:54,870 --> 00:29:52,159

obsession with the gold

849

00:29:56,870 --> 00:29:54,880

human obsession with gold is not a human

850

00:29:58,070 --> 00:29:56,880

obsession we inherited that from the

851
00:30:01,430 --> 00:29:58,080
gods

852
00:30:04,549 --> 00:30:01,440
bible the elohim

853
00:30:07,110 --> 00:30:04,559
god comes to to in genesis 2

854
00:30:09,110 --> 00:30:07,120
when adam is alone on earth eve had not

855
00:30:11,830 --> 00:30:09,120
yet been fashioned from his rib

856
00:30:12,950 --> 00:30:11,840
so adam is alone on earth he's never

857
00:30:16,149 --> 00:30:12,960
heard of gold

858
00:30:16,549 --> 00:30:16,159
he's got no worries about gold right i'm

859
00:30:19,350 --> 00:30:16,559
not

860
00:30:20,549 --> 00:30:19,360
going with the flow of the story and god

861
00:30:23,590 --> 00:30:20,559
comes to adam

862
00:30:26,789 --> 00:30:23,600
and it's god or the elohim the gods

863
00:30:27,110 --> 00:30:26,799

that bring up the matter of gold they

864

00:30:29,750 --> 00:30:27,120

too

865

00:30:30,710 --> 00:30:29,760

they tell adam about this land called

866

00:30:32,789 --> 00:30:30,720

havilah

867

00:30:33,830 --> 00:30:32,799

where the land is good the water is good

868

00:30:37,350 --> 00:30:33,840

and by the way

869

00:30:40,149 --> 00:30:37,360

there is gold so

870

00:30:41,750 --> 00:30:40,159

it's critical to realize that humans

871

00:30:43,510 --> 00:30:41,760

were not the ones that found their

872

00:30:44,310 --> 00:30:43,520

obsession with gold we inherited it from

873

00:30:46,470 --> 00:30:44,320

the gods

874

00:30:48,310 --> 00:30:46,480

and that becomes very critical when you

875

00:30:51,350 --> 00:30:48,320

start reading the

876

00:30:51,830 --> 00:30:51,360

the ancient records uh from 500 years

877

00:30:53,990 --> 00:30:51,840

ago

878

00:30:55,830 --> 00:30:54,000

were not ancient just the other day when

879

00:30:56,549 --> 00:30:55,840

the conquistadors and the thugs from

880

00:30:58,549 --> 00:30:56,559

europa

881

00:30:59,830 --> 00:30:58,559

started conquering the the native uh

882

00:31:02,630 --> 00:30:59,840

people of the world

883

00:31:03,909 --> 00:31:02,640

under the um the control of the vatican

884

00:31:05,990 --> 00:31:03,919

and they started arriving in the

885

00:31:09,750 --> 00:31:06,000

americas and africa and

886

00:31:11,750 --> 00:31:09,760

and india asia wherever they arrived

887

00:31:13,669 --> 00:31:11,760

they found the native populations had

888

00:31:16,149 --> 00:31:13,679

vast amounts of gold

889

00:31:18,149 --> 00:31:16,159

isn't that fascinating it is it's really

890

00:31:20,549 --> 00:31:18,159

really strange i mean do you

891

00:31:22,470 --> 00:31:20,559

do you think that uh the annunaki and

892

00:31:25,590 --> 00:31:22,480

somehow in the shadows is still picking

893

00:31:29,669 --> 00:31:27,830

absolutely there's not no doubt about it

894

00:31:31,750 --> 00:31:29,679

really and and

895

00:31:32,950 --> 00:31:31,760

no doubt about it and that the gold is

896

00:31:34,950 --> 00:31:32,960

still leaving this planet

897

00:31:36,630 --> 00:31:34,960

it's not here it's not on this planet

898

00:31:38,310 --> 00:31:36,640

it's going off planet

899

00:31:39,750 --> 00:31:38,320

and and just because it's not on eight

900

00:31:41,750 --> 00:31:39,760

o'clock news and you're not seeing it on

901
00:31:44,310 --> 00:31:41,760
cnn doesn't mean it's not happening

902
00:31:45,750 --> 00:31:44,320
remember that if nasa did a launch of

903
00:31:46,710 --> 00:31:45,760
the space shuttle and they didn't share

904
00:31:49,590 --> 00:31:46,720
it on tv

905
00:31:49,990 --> 00:31:49,600
nobody would know about it that's true

906
00:31:52,230 --> 00:31:50,000
man

907
00:31:54,070 --> 00:31:52,240
it's that simple it really is and this

908
00:31:56,549 --> 00:31:54,080
kind of touches on you know the famous

909
00:31:58,710 --> 00:31:56,559
david ike stuff that the global elite

910
00:31:59,669 --> 00:31:58,720
are descendants of the anunnaki and i've

911
00:32:01,669 --> 00:31:59,679
always thought

912
00:32:03,269 --> 00:32:01,679
motivation wise you know what is the

913
00:32:05,909 --> 00:32:03,279

motivation for some of these global

914

00:32:07,909 --> 00:32:05,919

elite to keep going to meetings to keep

915

00:32:09,750 --> 00:32:07,919

uh controlling the population because if

916

00:32:11,990 --> 00:32:09,760

i had a billion dollars in the bank i

917

00:32:12,389 --> 00:32:12,000

wouldn't give a [h__h] what anybody else

918

00:32:14,870 --> 00:32:12,399

did

919

00:32:16,149 --> 00:32:14,880

i would just secure my own freedom hole

920

00:32:17,350 --> 00:32:16,159

up and do my own thing but you know

921

00:32:19,269 --> 00:32:17,360

these people are still like

922

00:32:20,870 --> 00:32:19,279

basically working a nine to five and

923

00:32:21,509 --> 00:32:20,880

there's got to be a motivation behind

924

00:32:23,669 --> 00:32:21,519

that

925

00:32:25,509 --> 00:32:23,679

it's all about total control it's all

926
00:32:26,310 --> 00:32:25,519
about total and absolute control of the

927
00:32:28,310 --> 00:32:26,320
human race

928
00:32:30,470 --> 00:32:28,320
and this is where it comes to where we

929
00:32:32,870 --> 00:32:30,480
are today so it started out with

930
00:32:34,389 --> 00:32:32,880
annunaki arriving here some 500 000

931
00:32:36,470 --> 00:32:34,399
years ago i don't know those numbers are

932
00:32:37,269 --> 00:32:36,480
very fuzzy so don't you know don't take

933
00:32:40,389 --> 00:32:37,279
it

934
00:32:44,070 --> 00:32:40,399
exactly

935
00:32:46,230 --> 00:32:44,080
um and uh and at around 300 000 years

936
00:32:49,110 --> 00:32:46,240
ago and that that seems to be reasonably

937
00:32:51,909 --> 00:32:49,120
accurate at about 300 000 years ago

938
00:32:53,509 --> 00:32:51,919

although there are various uh periods

939

00:32:55,350 --> 00:32:53,519

during which they seem to have created

940

00:32:57,990 --> 00:32:55,360

different types of beings

941

00:32:59,830 --> 00:32:58,000

so that becomes fuzzy again but at

942

00:33:01,830 --> 00:32:59,840

around 300 000 years ago we see the

943

00:33:04,149 --> 00:33:01,840

sudden appearance of homo sapiens or

944

00:33:05,190 --> 00:33:04,159

or the species that we seem to belong to

945

00:33:07,909 --> 00:33:05,200

today

946

00:33:09,269 --> 00:33:07,919

um they weren't there weren't many races

947

00:33:11,029 --> 00:33:09,279

there was one race

948

00:33:12,389 --> 00:33:11,039

okay so that becomes another huge

949

00:33:13,909 --> 00:33:12,399

question well where do the different

950

00:33:15,509 --> 00:33:13,919

race groups come from if we all come

951
00:33:17,590 --> 00:33:15,519
from the same seed

952
00:33:19,350 --> 00:33:17,600
that's a huge problem okay i'll ask any

953
00:33:20,870 --> 00:33:19,360
geneticist that's really looked into

954
00:33:23,029 --> 00:33:20,880
this that's a big problem

955
00:33:25,110 --> 00:33:23,039
um where different race groups come from

956
00:33:26,870 --> 00:33:25,120
and then and and the annunaki created

957
00:33:28,950 --> 00:33:26,880
this this new species and

958
00:33:30,710 --> 00:33:28,960
this is by the way where adam's calendar

959
00:33:31,590 --> 00:33:30,720
comes in that was discovered by johann

960
00:33:34,389 --> 00:33:31,600
heine

961
00:33:36,310 --> 00:33:34,399
um my initial colleague in the research

962
00:33:37,509 --> 00:33:36,320
into the stone circles john heiner

963
00:33:39,990 --> 00:33:37,519

rediscovered

964

00:33:41,430 --> 00:33:40,000

um adam's calendar which i called it

965

00:33:42,389 --> 00:33:41,440

adam's calendar after i started

966

00:33:45,750 --> 00:33:42,399

researching it

967

00:33:46,789 --> 00:33:45,760

in 2003 by accident and later i

968

00:33:49,509 --> 00:33:46,799

discovered that it's an

969

00:33:51,590 --> 00:33:49,519

ancient site known by the african shaman

970

00:33:51,990 --> 00:33:51,600

especially the the famous zulu shaman

971

00:33:54,630 --> 00:33:52,000

kratom

972

00:33:55,190 --> 00:33:54,640

utwa who is probably the preeminent

973

00:33:58,789 --> 00:33:55,200

chairman

974

00:34:01,269 --> 00:33:58,799

in in africa one of the most important

975

00:34:02,389 --> 00:34:01,279

knowledge keepers of african and human

976
00:34:05,110 --> 00:34:02,399
history

977
00:34:05,990 --> 00:34:05,120
credo makes it very clear to me and to

978
00:34:08,389 --> 00:34:06,000
everyone else that

979
00:34:09,430 --> 00:34:08,399
adam's calendar as he calls it insalo

980
00:34:12,710 --> 00:34:09,440
yelanga

981
00:34:16,470 --> 00:34:12,720
which means birthplace of the sun as in

982
00:34:19,430 --> 00:34:16,480
son the son of the gods this is where

983
00:34:21,909 --> 00:34:19,440
humanity was created by the gods and

984
00:34:23,190 --> 00:34:21,919
that's that's it it's as simple as it is

985
00:34:24,869 --> 00:34:23,200
if you don't want to believe it that's

986
00:34:25,829 --> 00:34:24,879
fine that's your own problem get on with

987
00:34:28,869 --> 00:34:25,839
your life get

988
00:34:30,310 --> 00:34:28,879

go to your 95 job and you know retire

989

00:34:34,629 --> 00:34:30,320

and die

990

00:34:37,109 --> 00:34:34,639

otherwise get caught up in this amazing

991

00:34:37,750 --> 00:34:37,119

new wave of information that's reaching

992

00:34:41,349 --> 00:34:37,760

us

993

00:34:42,869 --> 00:34:41,359

and

994

00:34:45,349 --> 00:34:42,879

intriguing than we could have ever

995

00:34:46,629 --> 00:34:45,359

imagined so here we find ourselves at

996

00:34:49,829 --> 00:34:46,639

adam's calendar

997

00:34:52,310 --> 00:34:49,839

or insalo and that is the flagship among

998

00:34:54,230 --> 00:34:52,320

all these millions of stone ruins

999

00:34:56,230 --> 00:34:54,240

because that i believe is actually one

1000

00:34:57,430 --> 00:34:56,240

of the portals that they use to beam the

1001
00:34:59,430 --> 00:34:57,440
gold up from

1002
00:35:00,829 --> 00:34:59,440
and i have plenty of scientific evidence

1003
00:35:03,910 --> 00:35:00,839
for making such a

1004
00:35:07,030 --> 00:35:03,920
ridiculous and outlandish suggestion

1005
00:35:10,069 --> 00:35:07,040
so it gets really exciting so

1006
00:35:13,270 --> 00:35:10,079
i believe the gold is still leaving but

1007
00:35:15,349 --> 00:35:13,280
there is still huge amounts of gold on

1008
00:35:16,550 --> 00:35:15,359
this planet buried in underground

1009
00:35:20,069 --> 00:35:16,560
tunnels

1010
00:35:22,550 --> 00:35:20,079
uh in secret places and southern africa

1011
00:35:24,630 --> 00:35:22,560
is one of those places where probably

1012
00:35:27,430 --> 00:35:24,640
most of that buried gold

1013
00:35:29,750 --> 00:35:27,440

is found the mesoamericas and south

1014

00:35:33,030 --> 00:35:29,760

america peru

1015

00:35:35,510 --> 00:35:33,040

peru bolivia and so forth those

1016

00:35:37,510 --> 00:35:35,520

that part of the world is also has got

1017

00:35:39,430 --> 00:35:37,520

huge amounts of underground tunnels with

1018

00:35:41,030 --> 00:35:39,440

huge amounts of buried gold i'm talking

1019

00:35:44,230 --> 00:35:41,040

about processed gold

1020

00:35:45,349 --> 00:35:44,240

not gold in order processed gold bars

1021

00:35:47,750 --> 00:35:45,359

and coins

1022

00:35:49,670 --> 00:35:47,760

that are lying in these tunnels now the

1023

00:35:51,829 --> 00:35:49,680

technology to find that exists there are

1024

00:35:54,950 --> 00:35:51,839

many people that have this technology

1025

00:35:57,109 --> 00:35:54,960

and i've been privy to to such

1026
00:35:58,069 --> 00:35:57,119
information from the guys that have been

1027
00:36:00,870 --> 00:35:58,079
researching it and

1028
00:36:01,589 --> 00:36:00,880
when you start seeing the amount of gold

1029
00:36:03,910 --> 00:36:01,599
that is hidden

1030
00:36:05,910 --> 00:36:03,920
in these tunnels it raises a whole lot

1031
00:36:07,270 --> 00:36:05,920
of questions

1032
00:36:09,109 --> 00:36:07,280
the fact that they're still processing

1033
00:36:12,550 --> 00:36:09,119
it and getting it off this planet

1034
00:36:15,589 --> 00:36:12,560
um under the cover of of night or

1035
00:36:17,510 --> 00:36:15,599
um away from you know out of sight

1036
00:36:19,990 --> 00:36:17,520
and making sure that those areas are

1037
00:36:20,550 --> 00:36:20,000
secured and the gold gets extracted and

1038
00:36:23,270 --> 00:36:20,560

removed

1039

00:36:25,270 --> 00:36:23,280

and nobody knows about it yeah that is

1040

00:36:27,430 --> 00:36:25,280

really wild i mean

1041

00:36:29,109 --> 00:36:27,440

i mean so we got this system where you

1042

00:36:30,710 --> 00:36:29,119

know we've been programmed to worship

1043

00:36:33,030 --> 00:36:30,720

gold we've been programmed

1044

00:36:34,630 --> 00:36:33,040

to be controlled by money um and let's

1045

00:36:35,270 --> 00:36:34,640

switch gears a little bit and talk about

1046

00:36:37,510 --> 00:36:35,280

money

1047

00:36:39,109 --> 00:36:37,520

um in the modern world you know i have a

1048

00:36:39,589 --> 00:36:39,119

ton of guests that come through and talk

1049

00:36:41,750 --> 00:36:39,599

about

1050

00:36:42,870 --> 00:36:41,760

lies and corruption and ending the fed

1051

00:36:44,710 --> 00:36:42,880

et cetera but

1052

00:36:46,390 --> 00:36:44,720

nine out of 10 times when i try to take

1053

00:36:48,310 --> 00:36:46,400

it a step further and say we should get

1054

00:36:49,670 --> 00:36:48,320

beyond capitalism altogether

1055

00:36:50,950 --> 00:36:49,680

it's like a switch goes off in their

1056

00:36:52,710 --> 00:36:50,960

head and they immediately start

1057

00:36:54,390 --> 00:36:52,720

defending capitalism as if they're on

1058

00:36:57,510 --> 00:36:54,400

trial during the red scare

1059

00:37:00,790 --> 00:36:57,520

i mean can you break down for the people

1060

00:37:02,950 --> 00:37:00,800

how uh how money and capitalism are like

1061

00:37:05,190 --> 00:37:02,960

a big part of the foundation of our

1062

00:37:07,030 --> 00:37:05,200

problems

1063

00:37:09,109 --> 00:37:07,040

okay absolutely and that's critical

1064

00:37:11,750 --> 00:37:09,119

because once you've you know become

1065

00:37:13,589 --> 00:37:11,760

uh comfortable and gone over the shock

1066

00:37:14,550 --> 00:37:13,599

that we are slave species created by

1067

00:37:16,870 --> 00:37:14,560

these gods these

1068

00:37:18,310 --> 00:37:16,880

these beings and remember this is also i

1069

00:37:19,990 --> 00:37:18,320

just need to also draw the distinction

1070

00:37:21,430 --> 00:37:20,000

for a lot of people that might find

1071

00:37:23,589 --> 00:37:21,440

themselves lost from a spiritual

1072

00:37:25,349 --> 00:37:23,599

perspective this is where you draw the

1073

00:37:26,230 --> 00:37:25,359

very clear distinction between god or

1074

00:37:28,069 --> 00:37:26,240

the big g

1075

00:37:29,829 --> 00:37:28,079

or the divine creative force behind the

1076

00:37:32,069 --> 00:37:29,839

universe and all the beautiful

1077

00:37:33,349 --> 00:37:32,079

things in it the divine creation if you

1078

00:37:35,430 --> 00:37:33,359

want to call it that the god

1079

00:37:36,950 --> 00:37:35,440

which i call the god with a big g and i

1080

00:37:37,670 --> 00:37:36,960

also have a feeling that this is where

1081

00:37:42,470 --> 00:37:37,680

the the

1082

00:37:43,990 --> 00:37:42,480

big g and they symbol the grant the

1083

00:37:45,829 --> 00:37:44,000

the grand architect or the great

1084

00:37:47,910 --> 00:37:45,839

architect i believe that they're

1085

00:37:51,270 --> 00:37:47,920

actually referring to a similar kind of

1086

00:37:52,870 --> 00:37:51,280

entity or the sound the arm the arm or

1087

00:37:54,390 --> 00:37:52,880

the word of god

1088

00:37:56,069 --> 00:37:54,400

that created the universe and all things

1089

00:37:57,510 --> 00:37:56,079

in it and you draw a big distinction

1090

00:37:59,190 --> 00:37:57,520

between the god with the big g and the

1091

00:38:00,310 --> 00:37:59,200

gods with the small g the gods of the

1092

00:38:02,710 --> 00:38:00,320

bible

1093

00:38:03,589 --> 00:38:02,720

that you most come into contact with and

1094

00:38:05,589 --> 00:38:03,599

the gods

1095

00:38:06,870 --> 00:38:05,599

that we read about in all ancient

1096

00:38:08,870 --> 00:38:06,880

cultures

1097

00:38:09,910 --> 00:38:08,880

that just were advanced beings from

1098

00:38:12,310 --> 00:38:09,920

another planet

1099

00:38:13,430 --> 00:38:12,320

and and probably many other planets that

1100

00:38:16,470 --> 00:38:13,440

came to earth

1101
00:38:18,390 --> 00:38:16,480
found gold manipulated their way abused

1102
00:38:19,589 --> 00:38:18,400
a species that they created for their

1103
00:38:22,630 --> 00:38:19,599
own benefit

1104
00:38:24,870 --> 00:38:22,640
and and created all these rules and

1105
00:38:26,630 --> 00:38:24,880
regulations so that they could carry on

1106
00:38:28,390 --> 00:38:26,640
controlling the people and the beings

1107
00:38:30,310 --> 00:38:28,400
that they created

1108
00:38:33,349 --> 00:38:30,320
all the time knowing and being very

1109
00:38:34,069 --> 00:38:33,359
acutely aware of what we have been told

1110
00:38:36,630 --> 00:38:34,079
in great

1111
00:38:37,990 --> 00:38:36,640
detail for more than 50 years now by

1112
00:38:39,829 --> 00:38:38,000
star trek

1113
00:38:41,589 --> 00:38:39,839

and if your listeners don't know this

1114

00:38:44,790 --> 00:38:41,599

yet most of the stuff you ever see

1115

00:38:48,230 --> 00:38:44,800

in star trek is accurate and true

1116

00:38:49,910 --> 00:38:48,240

yeah yeah and one of the one of the key

1117

00:38:52,550 --> 00:38:49,920

things that we are taught in star trek

1118

00:38:54,470 --> 00:38:52,560

is this universal law called the prime

1119

00:38:57,030 --> 00:38:54,480

directive

1120

00:38:57,750 --> 00:38:57,040

now i talked quite a great deal about

1121

00:38:59,990 --> 00:38:57,760

this in my

1122

00:39:01,430 --> 00:39:00,000

sort of full day workshops because it's

1123

00:39:03,030 --> 00:39:01,440

critical to start pulling all these

1124

00:39:04,710 --> 00:39:03,040

things together and understanding

1125

00:39:06,790 --> 00:39:04,720

how the manipulation of the human race

1126
00:39:08,950 --> 00:39:06,800
is taking place today and that the prime

1127
00:39:10,550 --> 00:39:08,960
directive is being used and abused and

1128
00:39:12,310 --> 00:39:10,560
manipulated

1129
00:39:13,670 --> 00:39:12,320
to the benefit of those who are tr who

1130
00:39:15,190 --> 00:39:13,680
are the manipulators

1131
00:39:17,750 --> 00:39:15,200
of the human race with a full

1132
00:39:19,109 --> 00:39:17,760
understanding by them that if they cross

1133
00:39:23,030 --> 00:39:19,119
the prime directive

1134
00:39:25,109 --> 00:39:23,040
if they do not abide by it by it

1135
00:39:27,030 --> 00:39:25,119
it will cause their own demise and this

1136
00:39:27,990 --> 00:39:27,040
is critical information that i'm sharing

1137
00:39:29,750 --> 00:39:28,000
with you here because

1138
00:39:31,430 --> 00:39:29,760

once you start understanding the the

1139

00:39:33,589 --> 00:39:31,440

resonance the morphogenic field

1140

00:39:34,790 --> 00:39:33,599

the way that the entire universe and

1141

00:39:37,910 --> 00:39:34,800

everything in creation

1142

00:39:38,870 --> 00:39:37,920

vibrates in sympathetic harmony once you

1143

00:39:42,069 --> 00:39:38,880

realize that

1144

00:39:44,390 --> 00:39:42,079

contradicts that that

1145

00:39:46,710 --> 00:39:44,400

is not in sympathetic harmony that is

1146

00:39:48,390 --> 00:39:46,720

not in resonance that is in dissonance

1147

00:39:50,230 --> 00:39:48,400

will cause its own destruction and

1148

00:39:50,790 --> 00:39:50,240

demise i don't know if it's making sense

1149

00:39:54,069 --> 00:39:50,800

to you

1150

00:39:55,349 --> 00:39:54,079

no yes it is yeah so it's really a very

1151

00:39:59,430 --> 00:39:55,359

simple principle

1152

00:40:01,510 --> 00:39:59,440

so um so the guys call them the anunnaki

1153

00:40:03,270 --> 00:40:01,520

remnants or whoever they've become

1154

00:40:04,950 --> 00:40:03,280

it is really unclear because they

1155

00:40:07,349 --> 00:40:04,960

masters that deception

1156

00:40:09,030 --> 00:40:07,359

and uh you know a lot of people have

1157

00:40:11,030 --> 00:40:09,040

gone on record and made these

1158

00:40:12,550 --> 00:40:11,040

bold statements and then find out later

1159

00:40:13,589 --> 00:40:12,560

that they weren't exactly right so let's

1160

00:40:15,030 --> 00:40:13,599

just realize that

1161

00:40:17,030 --> 00:40:15,040

somebody is pulling the strings

1162

00:40:20,630 --> 00:40:17,040

manipulating us on this physical

1163

00:40:23,190 --> 00:40:20,640

level enslaving us physically mentally

1164

00:40:25,109 --> 00:40:23,200

emotionally and more most importantly

1165

00:40:25,910 --> 00:40:25,119

spiritually making us forget that we are

1166

00:40:28,550 --> 00:40:25,920

part

1167

00:40:30,630 --> 00:40:28,560

infinite fractals of the divine creator

1168

00:40:33,030 --> 00:40:30,640

that god is within us that we have the

1169

00:40:35,670 --> 00:40:33,040

same capacity to create and manifest

1170

00:40:36,870 --> 00:40:35,680

the same way that great you know

1171

00:40:39,750 --> 00:40:36,880

prophets like

1172

00:40:40,550 --> 00:40:39,760

joshua or jesus or yeshua call him what

1173

00:40:42,150 --> 00:40:40,560

you want and

1174

00:40:43,990 --> 00:40:42,160

many others that came before him and

1175

00:40:45,270 --> 00:40:44,000

since him have told us that god is

1176

00:40:48,150 --> 00:40:45,280

within you that you

1177

00:40:49,910 --> 00:40:48,160

can move mountains if you have faith and

1178

00:40:51,030 --> 00:40:49,920

that faith is not believing in a guy

1179

00:40:53,430 --> 00:40:51,040

with a white stick

1180

00:40:54,470 --> 00:40:53,440

a white beard and a stick in the clouds

1181

00:40:56,710 --> 00:40:54,480

that that means

1182

00:40:59,270 --> 00:40:56,720

believing and understanding that you are

1183

00:41:01,430 --> 00:40:59,280

one with the divine creator that you're

1184

00:41:03,270 --> 00:41:01,440

that you're a fractal of the divine

1185

00:41:04,069 --> 00:41:03,280

creator i hear what you're saying give

1186

00:41:05,910 --> 00:41:04,079

me let me ask

1187

00:41:07,589 --> 00:41:05,920

you uh one quick question though about

1188

00:41:08,870 --> 00:41:07,599

this is we're talking about spirituality

1189

00:41:11,030 --> 00:41:08,880

before we get into uh

1190

00:41:12,309 --> 00:41:11,040

some of the the monetary control stuff i

1191

00:41:15,349 --> 00:41:12,319

mean i

1192

00:41:17,030 --> 00:41:15,359

completely understand how you know some

1193

00:41:19,430 --> 00:41:17,040

people think we are

1194

00:41:20,150 --> 00:41:19,440

you know bodies are vessels for infinite

1195

00:41:22,390 --> 00:41:20,160

consciousness

1196

00:41:23,750 --> 00:41:22,400

here to experience you know a 3d

1197

00:41:26,470 --> 00:41:23,760

material plane

1198

00:41:26,950 --> 00:41:26,480

you know we are fractals of the great

1199

00:41:29,349 --> 00:41:26,960

god

1200

00:41:31,190 --> 00:41:29,359

or you know what have you um i

1201

00:41:33,270 --> 00:41:31,200

understand that but then

1202

00:41:35,349 --> 00:41:33,280

also the fact that we are genetically

1203

00:41:37,109 --> 00:41:35,359

engineered it almost seems like the two

1204

00:41:39,030 --> 00:41:37,119

are in opposition i can't seem to

1205

00:41:40,710 --> 00:41:39,040

rationalize that because in the same way

1206

00:41:43,510 --> 00:41:40,720

we make computers

1207

00:41:44,630 --> 00:41:43,520

uh you know it's like they made us and

1208

00:41:46,470 --> 00:41:44,640

it's i see like

1209

00:41:48,470 --> 00:41:46,480

we wouldn't have a natural place in the

1210

00:41:52,150 --> 00:41:48,480

universe so how do we then become

1211

00:41:54,710 --> 00:41:52,160

uh beings of consciousness

1212

00:41:55,589 --> 00:41:54,720

right and this is where the work of enki

1213

00:41:57,910 --> 00:41:55,599

comes in

1214

00:41:59,750 --> 00:41:57,920

and i believe that i have some sort of a

1215

00:42:02,470 --> 00:41:59,760

metaphysical connection to

1216

00:42:04,230 --> 00:42:02,480

n key and a lot of this information is

1217

00:42:07,109 --> 00:42:04,240

either revealed to me in

1218

00:42:08,950 --> 00:42:07,119

in weird ways or or in in other

1219

00:42:10,550 --> 00:42:08,960

literature and so forth and um

1220

00:42:12,069 --> 00:42:10,560

and i guess this is why i've been making

1221

00:42:14,550 --> 00:42:12,079

these discoveries

1222

00:42:16,069 --> 00:42:14,560

because this is all enki's work that i'm

1223

00:42:17,670 --> 00:42:16,079

sharing with the world this mining

1224

00:42:19,910 --> 00:42:17,680

operation here and so forth

1225

00:42:21,030 --> 00:42:19,920

enki was also the the guy that had the

1226

00:42:24,069 --> 00:42:21,040

knowledge to create

1227

00:42:24,550 --> 00:42:24,079

to do the the genetic um uh coding and

1228

00:42:30,790 --> 00:42:24,560

the

1229

00:42:32,069 --> 00:42:30,800

species and zechariah city goes into

1230

00:42:34,470 --> 00:42:32,079

great detail in men

1231

00:42:35,510 --> 00:42:34,480

in more than 14 of his books into how

1232

00:42:37,510 --> 00:42:35,520

this all happened

1233

00:42:39,990 --> 00:42:37,520

and this is where enki's work comes in

1234

00:42:42,470 --> 00:42:40,000

he realized that that by

1235

00:42:43,430 --> 00:42:42,480

creating a primitive species that was

1236

00:42:46,230 --> 00:42:43,440

trapped

1237

00:42:46,870 --> 00:42:46,240

and could not evolve consciously he

1238

00:42:51,030 --> 00:42:46,880

would be

1239

00:42:51,829 --> 00:42:51,040

directive and therefore he created a

1240

00:42:53,829 --> 00:42:51,839

creature

1241

00:42:55,670 --> 00:42:53,839

and it's very clear in the translations

1242

00:42:57,030 --> 00:42:55,680

of sichuan and this is fantastic when

1243

00:42:58,230 --> 00:42:57,040

you start putting these pieces of the

1244

00:43:00,870 --> 00:42:58,240

puzzle together

1245

00:43:02,470 --> 00:43:00,880

where you read where he encoded that and

1246

00:43:03,589 --> 00:43:02,480

and i love the name that the the

1247

00:43:05,589 --> 00:43:03,599

sumerians

1248

00:43:07,349 --> 00:43:05,599

tablets give the dna they call it the

1249

00:43:10,069 --> 00:43:07,359

entwined essence

1250

00:43:10,630 --> 00:43:10,079

which is so much more eloquent than dna

1251
00:43:13,750 --> 00:43:10,640
isn't it

1252
00:43:16,870 --> 00:43:13,760
yeah that's good um and uh

1253
00:43:20,390 --> 00:43:16,880
so when he gave the entwined essence

1254
00:43:22,069 --> 00:43:20,400
more um parts that would allow the

1255
00:43:24,950 --> 00:43:22,079
creature to grow

1256
00:43:25,430 --> 00:43:24,960
and to evolve and to become and to

1257
00:43:28,630 --> 00:43:25,440
become

1258
00:43:30,390 --> 00:43:28,640
wise and etc so he allowed the creature

1259
00:43:31,990 --> 00:43:30,400
to grow in its own consciousness and

1260
00:43:33,750 --> 00:43:32,000
reach high levels of consciousness

1261
00:43:35,349 --> 00:43:33,760
and then join at some stage in the

1262
00:43:38,069 --> 00:43:35,359
future join the

1263
00:43:39,030 --> 00:43:38,079

universal community of conscious beings

1264

00:43:40,870 --> 00:43:39,040

okay so

1265

00:43:43,030 --> 00:43:40,880

that is really the process that he

1266

00:43:44,150 --> 00:43:43,040

started knowing that at some stage they

1267

00:43:46,550 --> 00:43:44,160

would lose control

1268

00:43:47,990 --> 00:43:46,560

of the slave race that they created

1269

00:43:49,190 --> 00:43:48,000

allowing them to become beings of their

1270

00:43:51,670 --> 00:43:49,200

own consciousness

1271

00:43:53,349 --> 00:43:51,680

that was overridden by those who didn't

1272

00:43:55,670 --> 00:43:53,359

want to let go

1273

00:43:57,109 --> 00:43:55,680

and didn't want to allow this new

1274

00:44:01,430 --> 00:43:57,119

species to reach

1275

00:44:03,349 --> 00:44:01,440

their own universal harmonious

1276

00:44:05,349 --> 00:44:03,359

consciousness with with the divine

1277

00:44:08,790 --> 00:44:05,359

source from which we come

1278

00:44:10,710 --> 00:44:08,800

and it is that control that is now

1279

00:44:12,470 --> 00:44:10,720

being imposed on us and has been imposed

1280

00:44:14,150 --> 00:44:12,480

on us for thousands of years

1281

00:44:16,230 --> 00:44:14,160

and i think it probably started

1282

00:44:17,750 --> 00:44:16,240

happening from my research seems to

1283

00:44:19,190 --> 00:44:17,760

indicate that it started to happen that

1284

00:44:21,990 --> 00:44:19,200

control started to happen

1285

00:44:23,030 --> 00:44:22,000

after the great flood about 12 000 to 13

1286

00:44:26,230 --> 00:44:23,040

000 years ago

1287

00:44:26,950 --> 00:44:26,240

or around that period after which a lot

1288

00:44:29,109 --> 00:44:26,960

of this

1289

00:44:30,550 --> 00:44:29,119

this whole vast gold mining empire was

1290

00:44:32,309 --> 00:44:30,560

destroyed by the flood

1291

00:44:33,589 --> 00:44:32,319

a lot of that evidence is found here

1292

00:44:38,069 --> 00:44:33,599

that i present in my

1293

00:44:40,870 --> 00:44:38,079

in my workshops and presentations and um

1294

00:44:41,990 --> 00:44:40,880

and and so enki allowed us to grow

1295

00:44:43,750 --> 00:44:42,000

consciously

1296

00:44:46,309 --> 00:44:43,760

and it is now at that we're at that

1297

00:44:49,349 --> 00:44:46,319

point where we are we're discovering

1298

00:44:52,550 --> 00:44:49,359

our our divine seed

1299

00:44:55,750 --> 00:44:52,560

in our in our dna and that we

1300

00:45:00,069 --> 00:44:55,760

are ultimately destined for

1301
00:45:02,309 --> 00:45:00,079
um you know rejoining the the the source

1302
00:45:04,069 --> 00:45:02,319
and and i believe that many of the

1303
00:45:05,990 --> 00:45:04,079
breakthroughs that we've had in

1304
00:45:07,670 --> 00:45:06,000
science and physics especially quantum

1305
00:45:09,670 --> 00:45:07,680
physics i believe that like for example

1306
00:45:11,990 --> 00:45:09,680
the double set experiment is a

1307
00:45:13,589 --> 00:45:12,000
beautiful example that actually is the

1308
00:45:16,710 --> 00:45:13,599
is the

1309
00:45:18,470 --> 00:45:16,720
key and critical evidence and that gives

1310
00:45:21,910 --> 00:45:18,480
us the tools to understand

1311
00:45:24,790 --> 00:45:21,920
uh or allow us to move back and and and

1312
00:45:25,910 --> 00:45:24,800
and allows the understanding to reunite

1313
00:45:27,750 --> 00:45:25,920

with source

1314

00:45:28,950 --> 00:45:27,760

uh once we start understanding the

1315

00:45:31,589 --> 00:45:28,960

really strange

1316

00:45:33,829 --> 00:45:31,599

nature of matter at a quantum level that

1317

00:45:37,109 --> 00:45:33,839

it completely contradicts the

1318

00:45:39,589 --> 00:45:37,119

you know newtonian physics and

1319

00:45:41,030 --> 00:45:39,599

and supports uh much of what ancient

1320

00:45:44,069 --> 00:45:41,040

culture has been talking about

1321

00:45:45,990 --> 00:45:44,079

talking to us about uh and about the

1322

00:45:49,030 --> 00:45:46,000

power of thought and mind and how we can

1323

00:45:51,349 --> 00:45:49,040

manifest and so forth so

1324

00:45:52,790 --> 00:45:51,359

yeah it's critical i think that what the

1325

00:45:55,670 --> 00:45:52,800

annunaki also did

1326

00:45:57,190 --> 00:45:55,680

is they they did a lot of a lot of

1327

00:45:58,870 --> 00:45:57,200

damage on this planet

1328

00:46:00,390 --> 00:45:58,880

there's no doubt about that but at the

1329

00:46:02,470 --> 00:46:00,400

same time i think there are

1330

00:46:04,470 --> 00:46:02,480

many of them who are still around

1331

00:46:05,349 --> 00:46:04,480

possibly not in a physical form but a

1332

00:46:08,309 --> 00:46:05,359

higher level

1333

00:46:09,990 --> 00:46:08,319

spiritual form that are doing as much as

1334

00:46:13,030 --> 00:46:10,000

they can to

1335

00:46:13,990 --> 00:46:13,040

help millions of us wake up and realize

1336

00:46:16,710 --> 00:46:14,000

that uh

1337

00:46:18,470 --> 00:46:16,720

we can and have the potential and and

1338

00:46:19,190 --> 00:46:18,480

have the ability to step out of this

1339

00:46:21,990 --> 00:46:19,200

trap

1340

00:46:23,430 --> 00:46:22,000

and this enslavement and money is the

1341

00:46:24,630 --> 00:46:23,440

tool of enslavement so let's come back

1342

00:46:28,309 --> 00:46:24,640

to this money

1343

00:46:30,470 --> 00:46:28,319

i think it's important absolutely um

1344

00:46:31,589 --> 00:46:30,480

it's it's very important and for those

1345

00:46:34,390 --> 00:46:31,599

of you and

1346

00:46:35,829 --> 00:46:34,400

if you if you in the united states uh

1347

00:46:38,069 --> 00:46:35,839

during the month of july

1348

00:46:39,990 --> 00:46:38,079

uh and august please look at my website

1349

00:46:43,109 --> 00:46:40,000

where i'm gonna be presenting

1350

00:46:46,230 --> 00:46:43,119

um i've got 16 or 18 venues

1351

00:46:48,710 --> 00:46:46,240

um in mostly in sort of

1352

00:46:49,670 --> 00:46:48,720

western united states and uh and and the

1353

00:46:51,829 --> 00:46:49,680

south

1354

00:46:53,750 --> 00:46:51,839

um and come and look at one of our

1355

00:46:55,109 --> 00:46:53,760

presentations to to get a

1356

00:46:56,870 --> 00:46:55,119

better perspective of what i'm talking

1357

00:47:00,790 --> 00:46:56,880

about but money

1358

00:47:03,510 --> 00:47:00,800

is not what people think okay the entire

1359

00:47:04,550 --> 00:47:03,520

global monetary system was created by

1360

00:47:07,670 --> 00:47:04,560

the annunaki

1361

00:47:10,230 --> 00:47:07,680

and given to the sumerian priest kings

1362

00:47:12,230 --> 00:47:10,240

when you read the sumerian tablets there

1363

00:47:14,230 --> 00:47:12,240

is no mention of money at all among the

1364

00:47:15,829 --> 00:47:14,240

anunnaki or the anunna gods

1365

00:47:18,069 --> 00:47:15,839

the only time money comes into question

1366

00:47:18,950 --> 00:47:18,079

is when they talk and deal with human

1367

00:47:21,829 --> 00:47:18,960

beings

1368

00:47:23,589 --> 00:47:21,839

suddenly money appears and it is very

1369

00:47:24,069 --> 00:47:23,599

clear now from our research that the

1370

00:47:26,790 --> 00:47:24,079

first

1371

00:47:27,510 --> 00:47:26,800

money appeared shortly after the flood

1372

00:47:31,190 --> 00:47:27,520

money is

1373

00:47:34,549 --> 00:47:31,200

not a process or part of evolution

1374

00:47:36,309 --> 00:47:34,559

um so-called evolution that is what the

1375

00:47:37,670 --> 00:47:36,319

the historians and those who are trying

1376

00:47:39,510 --> 00:47:37,680

to deceive us with

1377

00:47:41,430 --> 00:47:39,520

writing disinformation in our history

1378

00:47:42,069 --> 00:47:41,440

books have tried to deceive us they try

1379

00:47:45,670 --> 00:47:42,079

to

1380

00:47:46,309 --> 00:47:45,680

evolution of the human race and that is

1381

00:47:47,829 --> 00:47:46,319

not true

1382

00:47:49,589 --> 00:47:47,839

because that will make us believe that

1383

00:47:51,270 --> 00:47:49,599

sort of it's hand in hand that

1384

00:47:52,710 --> 00:47:51,280

money evolved out of thousands of years

1385

00:47:55,910 --> 00:47:52,720

of barter and trade that is an

1386

00:47:58,870 --> 00:47:55,920

absolute lie that is not true money

1387

00:48:01,270 --> 00:47:58,880

suddenly and mysteriously and overnight

1388

00:48:04,870 --> 00:48:01,280

appeared

1389

00:48:06,549 --> 00:48:04,880

in humanity and i found the the physical

1390

00:48:08,390 --> 00:48:06,559

evidence for this

1391

00:48:10,069 --> 00:48:08,400

uh the other day it is brand new

1392

00:48:11,910 --> 00:48:10,079

information and

1393

00:48:13,270 --> 00:48:11,920

you know you've got to scratch and look

1394

00:48:14,870 --> 00:48:13,280

around for these things

1395

00:48:16,870 --> 00:48:14,880

and it's once again in the form of a

1396

00:48:19,030 --> 00:48:16,880

sumerian clay tablet

1397

00:48:20,069 --> 00:48:19,040

that is in the british museum of all

1398

00:48:22,230 --> 00:48:20,079

places right

1399

00:48:23,510 --> 00:48:22,240

there in plain sight as it always is

1400

00:48:26,710 --> 00:48:23,520

isn't it

1401

00:48:29,109 --> 00:48:26,720

and um and this clay tablets this

1402

00:48:30,390 --> 00:48:29,119

what first of all what happened after

1403

00:48:32,549 --> 00:48:30,400

the flood is when we

1404

00:48:33,430 --> 00:48:32,559

first see the appearance of kings and

1405

00:48:35,510 --> 00:48:33,440

priest kings

1406

00:48:36,870 --> 00:48:35,520

this is when kingdoms on earth appear

1407

00:48:39,910 --> 00:48:36,880

suddenly out of the blue

1408

00:48:42,150 --> 00:48:39,920

you suddenly see kings rule the world

1409

00:48:43,670 --> 00:48:42,160

and that's just the most bizarre

1410

00:48:45,670 --> 00:48:43,680

mysterious thing that could

1411

00:48:47,990 --> 00:48:45,680

ever happen all you got to do is ask

1412

00:48:50,390 --> 00:48:48,000

yourself how did these kings come to be

1413

00:48:51,109 --> 00:48:50,400

who were they and how were they so

1414

00:48:52,390 --> 00:48:51,119

powerful

1415

00:48:54,390 --> 00:48:52,400

that they could suddenly impose

1416

00:48:56,790 --> 00:48:54,400

themselves and all the other people

1417

00:48:58,790 --> 00:48:56,800

with whom they must have lived before

1418

00:49:02,230 --> 00:48:58,800

they became kings

1419

00:49:04,790 --> 00:49:02,240

right so here i am i'm living i'm living

1420

00:49:06,390 --> 00:49:04,800

in my community in my village or my town

1421

00:49:07,910 --> 00:49:06,400

everyone's living together and suddenly

1422

00:49:09,030 --> 00:49:07,920

tomorrow morning i wake up and i have a

1423

00:49:11,030 --> 00:49:09,040

bright idea and i

1424

00:49:12,230 --> 00:49:11,040

call everybody togetherness and i tell

1425

00:49:15,349 --> 00:49:12,240

them listen

1426

00:49:16,549 --> 00:49:15,359

um as of tomorrow i'm gonna be this

1427

00:49:18,630 --> 00:49:16,559

thing called a king

1428

00:49:20,069 --> 00:49:18,640

i'm gonna rule over all of you here in

1429

00:49:23,109 --> 00:49:20,079

this town and village

1430

00:49:25,190 --> 00:49:23,119

and all this land now belongs to me and

1431

00:49:26,470 --> 00:49:25,200

you're gonna have to work my land to be

1432

00:49:26,790 --> 00:49:26,480

able to live on it and you're gonna have

1433

00:49:29,430 --> 00:49:26,800

to

1434

00:49:29,990 --> 00:49:29,440

pay me taxes or bring me food so that

1435

00:49:32,390 --> 00:49:30,000

you can live

1436

00:49:34,069 --> 00:49:32,400

on this land that now belongs to me what

1437

00:49:35,349 --> 00:49:34,079

do you think the rest of the people in

1438

00:49:36,549 --> 00:49:35,359

the community are going to do to you if

1439

00:49:37,910 --> 00:49:36,559

you're trying to impose yourself like

1440

00:49:39,670 --> 00:49:37,920

that on them

1441

00:49:42,710 --> 00:49:39,680

yeah you'd think they'd be uh coming at

1442

00:49:47,190 --> 00:49:45,750

exactly so how kingdoms suddenly

1443

00:49:49,510 --> 00:49:47,200

appeared out of the blue

1444

00:49:50,390 --> 00:49:49,520

is a great mystery and yet the sumerian

1445

00:49:52,710 --> 00:49:50,400

tablets give us

1446

00:49:54,630 --> 00:49:52,720

once again as they always seem to do

1447

00:49:56,549 --> 00:49:54,640

give us a very clear indication

1448

00:49:59,030 --> 00:49:56,559

that the kingdom was lowered to earth

1449

00:50:01,990 --> 00:49:59,040

from heaven when the gods came down

1450

00:50:02,790 --> 00:50:02,000

and appointed kings from among the men

1451
00:50:06,390 --> 00:50:02,800
to rule

1452
00:50:07,750 --> 00:50:06,400
over the people and these priest kings

1453
00:50:10,069 --> 00:50:07,760
they were also the priests because they

1454
00:50:11,510 --> 00:50:10,079
were the the the communicator between

1455
00:50:13,510 --> 00:50:11,520
the gods and the people

1456
00:50:15,829 --> 00:50:13,520
these priests early priest kings that

1457
00:50:18,230 --> 00:50:15,839
suddenly appear after the flood

1458
00:50:19,030 --> 00:50:18,240
were given huge knowledge they were

1459
00:50:22,230 --> 00:50:19,040
given

1460
00:50:23,589 --> 00:50:22,240
like magic magical tricks that they

1461
00:50:25,750 --> 00:50:23,599
could perform

1462
00:50:27,510 --> 00:50:25,760
with which they could subdue and control

1463
00:50:28,710 --> 00:50:27,520

the people and that is how they took

1464

00:50:31,990 --> 00:50:28,720

control of the people

1465

00:50:35,750 --> 00:50:32,000

through fear and and subordination and

1466

00:50:38,150 --> 00:50:35,760

and and and subjugation right

1467

00:50:40,309 --> 00:50:38,160

the people didn't willingly you know

1468

00:50:43,030 --> 00:50:40,319

enslave themselves to the kings

1469

00:50:44,790 --> 00:50:43,040

they were forced into working for these

1470

00:50:46,150 --> 00:50:44,800

new priests kings that had these weird

1471

00:50:47,910 --> 00:50:46,160

magical powers

1472

00:50:50,390 --> 00:50:47,920

and the first thing that these priests

1473

00:50:55,030 --> 00:50:50,400

kings did

1474

00:50:57,750 --> 00:50:55,040

they introduced money and the concept

1475

00:50:58,549 --> 00:50:57,760

of money and remunerating people with

1476
00:51:01,829 --> 00:50:58,559
money

1477
00:51:05,270 --> 00:51:01,839
was never

1478
00:51:07,349 --> 00:51:05,280
in the form of gold money was always in

1479
00:51:07,910 --> 00:51:07,359
the form of silver because the money

1480
00:51:11,270 --> 00:51:07,920
belong

1481
00:51:12,950 --> 00:51:11,280
the ancient cultures

1482
00:51:14,790 --> 00:51:12,960
told the the conquistadors when they

1483
00:51:16,390 --> 00:51:14,800
arrived in the americas when they asked

1484
00:51:18,309 --> 00:51:16,400
who does all the gold belong to they

1485
00:51:20,230 --> 00:51:18,319
were told the gold belongs to the gods

1486
00:51:21,589 --> 00:51:20,240
just as they did in africa and in india

1487
00:51:24,150 --> 00:51:21,599
everywhere

1488
00:51:25,910 --> 00:51:24,160

so the gold was never used for money and

1489

00:51:26,470 --> 00:51:25,920

silver was always the first form of

1490

00:51:29,190 --> 00:51:26,480

money

1491

00:51:31,150 --> 00:51:29,200

now the clay tablet that i show is a

1492

00:51:35,030 --> 00:51:31,160

beautiful example from

1493

00:51:37,430 --> 00:51:35,040

2046 bc from a sumerian temple

1494

00:51:38,549 --> 00:51:37,440

where the priest kings were operating as

1495

00:51:40,549 --> 00:51:38,559

the bankers

1496

00:51:41,910 --> 00:51:40,559

and the sumerian temples were already

1497

00:51:44,630 --> 00:51:41,920

operating as the first

1498

00:51:45,750 --> 00:51:44,640

banks and this great tablet is probably

1499

00:51:49,030 --> 00:51:45,760

the oldest

1500

00:51:52,630 --> 00:51:49,040

bill of exchange that is available

1501
00:51:53,829 --> 00:51:52,640
to be seen today it's spectacular and it

1502
00:51:56,470 --> 00:51:53,839
records

1503
00:51:58,630 --> 00:51:56,480
in writing in a collect tablet the

1504
00:52:01,510 --> 00:51:58,640
deposit of eight silver shekels

1505
00:52:02,470 --> 00:52:01,520
into the bank into the temple to the

1506
00:52:05,589 --> 00:52:02,480
priest king

1507
00:52:07,910 --> 00:52:05,599
by this guy and and in return he gets

1508
00:52:11,109 --> 00:52:07,920
given this clay tablet

1509
00:52:13,670 --> 00:52:11,119
it's spectacular nothing has changed

1510
00:52:14,549 --> 00:52:13,680
yeah that is crazy and it's i guess the

1511
00:52:16,230 --> 00:52:14,559
hardest thing to

1512
00:52:18,069 --> 00:52:16,240
wrap your head around for some people is

1513
00:52:20,390 --> 00:52:18,079

that the same mechanism

1514

00:52:21,990 --> 00:52:20,400

would have lasted so long but i feel

1515

00:52:23,589 --> 00:52:22,000

like you can look into some

1516

00:52:25,510 --> 00:52:23,599

some neighborhoods just here in southern

1517

00:52:27,910 --> 00:52:25,520

california you can see families

1518

00:52:29,270 --> 00:52:27,920

of old money that has been there for how

1519

00:52:29,829 --> 00:52:29,280

many generations you know i mean it

1520

00:52:33,030 --> 00:52:29,839

doesn't

1521

00:52:34,790 --> 00:52:33,040

faith to see that

1522

00:52:37,030 --> 00:52:34,800

when something is instilled on people

1523

00:52:38,950 --> 00:52:37,040

that it doesn't go away without some

1524

00:52:40,790 --> 00:52:38,960

type of real radical change it's still

1525

00:52:43,430 --> 00:52:40,800

here today

1526

00:52:45,349 --> 00:52:43,440

yeah so you know once you start

1527

00:52:45,990 --> 00:52:45,359

realizing that money was synthetically

1528

00:52:48,470 --> 00:52:46,000

introduced

1529

00:52:49,190 --> 00:52:48,480

as a tool of enslavement and i mean of

1530

00:52:53,910 --> 00:52:49,200

absolute

1531

00:52:55,829 --> 00:52:53,920

replaces physical enslavement you still

1532

00:52:56,549 --> 00:52:55,839

have to work for those who control the

1533

00:53:00,710 --> 00:52:56,559

money

1534

00:53:02,710 --> 00:53:00,720

ancient times the priest kings

1535

00:53:04,309 --> 00:53:02,720

who wrote the bills of exchange the

1536

00:53:05,510 --> 00:53:04,319

priest kings people couldn't read and

1537

00:53:06,950 --> 00:53:05,520

write in those days

1538

00:53:08,870 --> 00:53:06,960

people could only read and write from

1539

00:53:10,950 --> 00:53:08,880

very recently people

1540

00:53:12,870 --> 00:53:10,960

very recent years there's still millions

1541

00:53:14,630 --> 00:53:12,880

and millions of large percentages of

1542

00:53:16,790 --> 00:53:14,640

uneducated

1543

00:53:18,390 --> 00:53:16,800

and illiterate people in the world so

1544

00:53:20,870 --> 00:53:18,400

only those in ancient times

1545

00:53:22,870 --> 00:53:20,880

only the priests then the priests kings

1546

00:53:24,870 --> 00:53:22,880

and their scribes could write and could

1547

00:53:26,630 --> 00:53:24,880

issue these bills of exchange

1548

00:53:29,109 --> 00:53:26,640

so they could do what they want with

1549

00:53:31,109 --> 00:53:29,119

those people and put the royal seal on

1550

00:53:31,510 --> 00:53:31,119

it and take total control of the people

1551
00:53:34,390 --> 00:53:31,520
for

1552
00:53:35,990 --> 00:53:34,400
already more than 4 000 years ago that's

1553
00:53:39,270 --> 00:53:36,000
how far the evidence goes and i believe

1554
00:53:42,549 --> 00:53:39,280
it goes a lot further back in time

1555
00:53:44,549 --> 00:53:42,559
so the same system goes today those

1556
00:53:46,549 --> 00:53:44,559
royal bloodlines have been in power and

1557
00:53:47,670 --> 00:53:46,559
control of this planet for thousands and

1558
00:53:49,990 --> 00:53:47,680
thousands of years

1559
00:53:51,510 --> 00:53:50,000
david ike has shown that in great detail

1560
00:53:53,349 --> 00:53:51,520
and many other researchers

1561
00:53:55,109 --> 00:53:53,359
i don't have to redo that i'm just

1562
00:53:57,589 --> 00:53:55,119
picking up and showing the link of

1563
00:53:59,589 --> 00:53:57,599

money and how that's been controlled

1564

00:54:01,190 --> 00:53:59,599

together with the origins of humankind

1565

00:54:03,109 --> 00:54:01,200

the gold mining empire of southern

1566

00:54:06,390 --> 00:54:03,119

africa and where we are today

1567

00:54:08,829 --> 00:54:06,400

and unless we get rid of money

1568

00:54:10,309 --> 00:54:08,839

and unless we stop using this form of

1569

00:54:12,630 --> 00:54:10,319

control that

1570

00:54:14,630 --> 00:54:12,640

these banking families are imposing on

1571

00:54:15,510 --> 00:54:14,640

every single living breathing human

1572

00:54:16,950 --> 00:54:15,520

being

1573

00:54:19,190 --> 00:54:16,960

through our governments through our

1574

00:54:21,910 --> 00:54:19,200

large multinational corporations

1575

00:54:24,230 --> 00:54:21,920

until we stop using their private money

1576

00:54:26,309 --> 00:54:24,240

we will remain forever enslaved

1577

00:54:27,990 --> 00:54:26,319

that is the big awakening i believe we

1578

00:54:29,910 --> 00:54:28,000

all have to go through

1579

00:54:31,430 --> 00:54:29,920

man i completely agree with you there

1580

00:54:33,670 --> 00:54:31,440

and that's what's so

1581

00:54:34,790 --> 00:54:33,680

uh scary to me and off-putting when

1582

00:54:37,829 --> 00:54:34,800

somebody

1583

00:54:39,589 --> 00:54:37,839

defends capitalism so aggressively and

1584

00:54:42,069 --> 00:54:39,599

refuses to think that there could be an

1585

00:54:43,670 --> 00:54:42,079

evolution beyond that but you actually

1586

00:54:46,710 --> 00:54:43,680

before we go i want to talk about the

1587

00:54:49,990 --> 00:54:46,720

system that you suppose which is uh

1588

00:54:53,190 --> 00:54:50,000

ubuntu contributionism can you tell us a

1589

00:54:55,190 --> 00:54:53,200

bit about what that is

1590

00:54:56,950 --> 00:54:55,200

yeah it's it's a simple system has been

1591

00:54:58,150 --> 00:54:56,960

used for thousands of years by native

1592

00:55:00,549 --> 00:54:58,160

people of the world

1593

00:55:01,990 --> 00:55:00,559

every native population around the world

1594

00:55:05,750 --> 00:55:02,000

used the system of

1595

00:55:08,390 --> 00:55:05,760

what africans call ubuntu and

1596

00:55:10,309 --> 00:55:08,400

i called it contributionism when i first

1597

00:55:11,990 --> 00:55:10,319

wrote slave species of the gods

1598

00:55:13,990 --> 00:55:12,000

i realized that we need to move beyond

1599

00:55:14,630 --> 00:55:14,000

money that money is the absolute tool of

1600

00:55:17,190 --> 00:55:14,640

control

1601
00:55:19,030 --> 00:55:17,200
it is the hurdle to all progress and you

1602
00:55:19,589 --> 00:55:19,040
know without money we can't seem to do

1603
00:55:21,750 --> 00:55:19,599
anything

1604
00:55:23,270 --> 00:55:21,760
the moment you remove money and you just

1605
00:55:25,349 --> 00:55:23,280
put people there and their will

1606
00:55:26,470 --> 00:55:25,359
to create and to to develop and to

1607
00:55:29,430 --> 00:55:26,480
initiate to

1608
00:55:30,789 --> 00:55:29,440
to to invent and to build and to

1609
00:55:34,069 --> 00:55:30,799
construct

1610
00:55:36,630 --> 00:55:34,079
you suddenly have this huge abundance so

1611
00:55:37,109 --> 00:55:36,640
i propose that the system of ubuntu

1612
00:55:40,230 --> 00:55:37,119
which

1613
00:55:40,870 --> 00:55:40,240

has the five-point mantra no money no

1614

00:55:43,990 --> 00:55:40,880

barter

1615

00:55:45,750 --> 00:55:44,000

no trade no value attached to anything

1616

00:55:47,510 --> 00:55:45,760

greater than anything else because all

1617

00:55:48,309 --> 00:55:47,520

of our contributions are and should

1618

00:55:51,430 --> 00:55:48,319

always be

1619

00:55:53,030 --> 00:55:51,440

equally valuable and finally a system

1620

00:55:55,109 --> 00:55:53,040

and a society where everybody

1621

00:55:57,349 --> 00:55:55,119

contributes their god-given talents

1622

00:55:58,630 --> 00:55:57,359

or their acquired skills and passions to

1623

00:56:01,910 --> 00:55:58,640

the greatest benefit

1624

00:56:04,069 --> 00:56:01,920

of everyone and all in their community

1625

00:56:06,710 --> 00:56:04,079

it's as simple as that

1626
00:56:07,589 --> 00:56:06,720
you don't need money we need love we

1627
00:56:10,950 --> 00:56:07,599
need food

1628
00:56:12,630 --> 00:56:10,960
we need water shelter we need science we

1629
00:56:14,470 --> 00:56:12,640
need architecture we need

1630
00:56:16,230 --> 00:56:14,480
a beautiful we need arts and culture we

1631
00:56:17,589 --> 00:56:16,240
need all the beautiful things that we

1632
00:56:19,750 --> 00:56:17,599
can imagine in the world

1633
00:56:21,589 --> 00:56:19,760
the one thing we don't need is money

1634
00:56:22,870 --> 00:56:21,599
that is the one thing and the hurdle

1635
00:56:24,789 --> 00:56:22,880
that prevents us

1636
00:56:26,470 --> 00:56:24,799
from getting all those beautiful things

1637
00:56:27,670 --> 00:56:26,480
that we've all been imagining in our

1638
00:56:29,829 --> 00:56:27,680

lives

1639

00:56:31,270 --> 00:56:29,839

and and to maybe finish because i see

1640

00:56:33,829 --> 00:56:31,280

we've done an hour already yeah

1641

00:56:34,390 --> 00:56:33,839

just it's really important to to realize

1642

00:56:36,150 --> 00:56:34,400

that

1643

00:56:37,990 --> 00:56:36,160

a lot of people argue say oh it's not

1644

00:56:38,390 --> 00:56:38,000

money is not the evil it's the love of

1645

00:56:40,069 --> 00:56:38,400

money

1646

00:56:42,230 --> 00:56:40,079

no you're still disillusioned you're

1647

00:56:45,349 --> 00:56:42,240

still trying to find some sort of a

1648

00:56:46,710 --> 00:56:45,359

you know uh an answer that money should

1649

00:56:48,870 --> 00:56:46,720

be used no

1650

00:56:51,030 --> 00:56:48,880

money is the reason why we are so

1651

00:56:53,750 --> 00:56:51,040

screwed up money is the cause

1652

00:56:54,710 --> 00:56:53,760

for all the problems it's the presence

1653

00:56:57,990 --> 00:56:54,720

of money

1654

00:57:00,470 --> 00:56:58,000

creates all the problems

1655

00:57:02,549 --> 00:57:00,480

the moment you remove money all our

1656

00:57:04,470 --> 00:57:02,559

problems the crime the greed the

1657

00:57:07,270 --> 00:57:04,480

gluttony the seven deadly sins

1658

00:57:08,710 --> 00:57:07,280

the envy all that disappears no hoarding

1659

00:57:10,470 --> 00:57:08,720

you don't have to worry about

1660

00:57:12,309 --> 00:57:10,480

anything because everything is available

1661

00:57:15,030 --> 00:57:12,319

to everyone all the time

1662

00:57:15,910 --> 00:57:15,040

now in my new book which is about to be

1663

00:57:17,190 --> 00:57:15,920

released

1664

00:57:19,510 --> 00:57:17,200

probably in the next week or two

1665

00:57:21,270 --> 00:57:19,520

hopefully before i go to the usa

1666

00:57:23,190 --> 00:57:21,280

it will be released as an e-book first

1667

00:57:25,270 --> 00:57:23,200

so check out my website for that

1668

00:57:27,190 --> 00:57:25,280

in there i'll go into great detail about

1669

00:57:29,030 --> 00:57:27,200

the history of this how it all connects

1670

00:57:30,870 --> 00:57:29,040

and how we should start moving and

1671

00:57:32,069 --> 00:57:30,880

thinking about moving into these ubuntu

1672

00:57:34,789 --> 00:57:32,079

communities

1673

00:57:35,589 --> 00:57:34,799

that work without money and creating

1674

00:57:38,710 --> 00:57:35,599

abundance

1675

00:57:40,789 --> 00:57:38,720

on every level of human endeavor

1676
00:57:42,549 --> 00:57:40,799
man that is awesome and that book in

1677
00:57:43,910 --> 00:57:42,559
particular is something i definitely

1678
00:57:45,670 --> 00:57:43,920
would like to get my hands on

1679
00:57:47,190 --> 00:57:45,680
i mean this is something that i've been

1680
00:57:50,150 --> 00:57:47,200
preaching for a while

1681
00:57:52,150 --> 00:57:50,160
and you i face so much resistance and

1682
00:57:53,670 --> 00:57:52,160
and talking about the fact that money

1683
00:57:55,349 --> 00:57:53,680
is the problem and one of the biggest

1684
00:57:58,549 --> 00:57:55,359
points of resistance if we can get

1685
00:58:00,230 --> 00:57:58,559
say a few more things before we go um

1686
00:58:01,750 --> 00:58:00,240
is that a lot of people would argue that

1687
00:58:04,069 --> 00:58:01,760
we don't have the technology or

1688
00:58:05,430 --> 00:58:04,079

resources to have unlimited energy water

1689

00:58:05,990 --> 00:58:05,440

and food for everyone on the planet and

1690

00:58:07,990 --> 00:58:06,000

that

1691

00:58:10,630 --> 00:58:08,000

money is an artificial barrier between

1692

00:58:12,470 --> 00:58:10,640

people and resources which is necessary

1693

00:58:13,750 --> 00:58:12,480

evil to manage those resources but what

1694

00:58:14,470 --> 00:58:13,760

would you say to those people that's

1695

00:58:17,510 --> 00:58:14,480

just a

1696

00:58:20,230 --> 00:58:18,950

it's absolute hogwash they don't know

1697

00:58:21,910 --> 00:58:20,240

what they're talking about they're just

1698

00:58:22,710 --> 00:58:21,920

they're just regurgitating the

1699

00:58:24,309 --> 00:58:22,720

propaganda

1700

00:58:26,710 --> 00:58:24,319

they they hear on the news or reading

1701

00:58:27,670 --> 00:58:26,720

the papers it's it's it's absolutely

1702

00:58:30,549 --> 00:58:27,680

insane

1703

00:58:31,910 --> 00:58:30,559

we live on a planet of abundance

1704

00:58:35,190 --> 00:58:31,920

abundance i mean

1705

00:58:38,230 --> 00:58:35,200

there are people that grow enough food

1706

00:58:40,549 --> 00:58:38,240

in in in six square meters to feed a

1707

00:58:43,109 --> 00:58:40,559

whole family for a whole year

1708

00:58:43,910 --> 00:58:43,119

you know it's they're examples of

1709

00:58:46,470 --> 00:58:43,920

abundance

1710

00:58:47,829 --> 00:58:46,480

around us but unfortunately those

1711

00:58:49,589 --> 00:58:47,839

examples are never shown

1712

00:58:51,589 --> 00:58:49,599

they are suppressed people are prevented

1713

00:58:52,309 --> 00:58:51,599

from growing their own food some places

1714

00:58:53,910 --> 00:58:52,319

in the world

1715

00:58:56,230 --> 00:58:53,920

you're not allowed to grow your own food

1716

00:58:57,670 --> 00:58:56,240

anymore monsanto is destroying our

1717

00:58:59,430 --> 00:58:57,680

natural crops and our

1718

00:59:01,589 --> 00:58:59,440

and our eaten seeds if you can call them

1719

00:59:03,670 --> 00:59:01,599

that so they can control the food supply

1720

00:59:05,589 --> 00:59:03,680

it's all about absolute control of the

1721

00:59:06,789 --> 00:59:05,599

human race so we can continue being

1722

00:59:09,190 --> 00:59:06,799

enslaved

1723

00:59:10,230 --> 00:59:09,200

um we live on a planet of abundance the

1724

00:59:12,950 --> 00:59:10,240

moment you start

1725

00:59:14,390 --> 00:59:12,960

working stop spending 90 percent of your

1726

00:59:17,910 --> 00:59:14,400

energy chasing money because

1727

00:59:19,430 --> 00:59:17,920

at the end of the day that's what 90

1728

00:59:21,109 --> 00:59:19,440

of the global population does from the

1729

00:59:24,150 --> 00:59:21,119

moment we open our eyes

1730

00:59:25,910 --> 00:59:24,160

to the moment we go to bed we are doing

1731

00:59:26,950 --> 00:59:25,920

something that is going to bring us

1732

00:59:29,270 --> 00:59:26,960

money so we can

1733

00:59:30,950 --> 00:59:29,280

pay the rent pay the mortgage pay the

1734

00:59:32,870 --> 00:59:30,960

electricity buy the bread and the milk

1735

00:59:34,309 --> 00:59:32,880

and somehow survive until the end of the

1736

00:59:37,270 --> 00:59:34,319

month and then do it all

1737

00:59:39,030 --> 00:59:37,280

over again that is not why we were

1738

00:59:42,069 --> 00:59:39,040

brought into this planet that is how we

1739

00:59:43,990 --> 00:59:42,079

were enslaved to live on this planet

1740

00:59:45,829 --> 00:59:44,000

and this is why the ancient cultures

1741

00:59:48,789 --> 00:59:45,839

lived in absolute harmony

1742

00:59:50,069 --> 00:59:48,799

when the when the when the conquistadors

1743

00:59:53,270 --> 00:59:50,079

came to america

1744

00:59:55,510 --> 00:59:53,280

there was no hunger there was no poverty

1745

00:59:57,430 --> 00:59:55,520

people had as much food as they as as

1746

00:59:58,950 --> 00:59:57,440

they wanted to create for themselves in

1747

01:00:00,950 --> 00:59:58,960

africa people lived in

1748

01:00:02,150 --> 01:00:00,960

abundant communities of absolute

1749

01:00:04,710 --> 01:00:02,160

abundance there was

1750

01:00:05,750 --> 01:00:04,720

no starvation there was no no

1751

01:00:08,069 --> 01:00:05,760

homelessness

1752

01:00:09,589 --> 01:00:08,079

there was no begging on the streets that

1753

01:00:11,349 --> 01:00:09,599

does that's a western

1754

01:00:13,990 --> 01:00:11,359

capitalist construct that has just

1755

01:00:15,670 --> 01:00:14,000

completely destroyed the planet

1756

01:00:17,430 --> 01:00:15,680

um and i know that a lot of people

1757

01:00:20,470 --> 01:00:17,440

struggle with this you know we're

1758

01:00:22,390 --> 01:00:20,480

we're so poisoned by capitalism that we

1759

01:00:23,910 --> 01:00:22,400

forget to look at how it totally and

1760

01:00:25,670 --> 01:00:23,920

utterly controls our lives

1761

01:00:27,430 --> 01:00:25,680

and i think one of the biggest things

1762

01:00:28,710 --> 01:00:27,440

when you talk to people about a world

1763

01:00:31,030 --> 01:00:28,720

without money

1764

01:00:32,150 --> 01:00:31,040

they associate money with wealth and

1765

01:00:34,309 --> 01:00:32,160

having stuff

1766

01:00:35,910 --> 01:00:34,319

so they think that a lack of money means

1767

01:00:39,109 --> 01:00:35,920

poverty and starvation

1768

01:00:40,950 --> 01:00:39,119

no no no it's completely the opposite

1769

01:00:42,630 --> 01:00:40,960

a world without money means a world

1770

01:00:43,430 --> 01:00:42,640

without obstacles and hurdles to

1771

01:00:45,910 --> 01:00:43,440

progress

1772

01:00:47,349 --> 01:00:45,920

it means that when everybody wakes up in

1773

01:00:48,150 --> 01:00:47,359

the morning they live in a place they

1774

01:00:49,910 --> 01:00:48,160

choose to live

1775

01:00:51,430 --> 01:00:49,920

they do what they choose to do because

1776

01:00:53,030 --> 01:00:51,440

that is what they're best at that's

1777

01:00:54,630 --> 01:00:53,040

their natural talents with which they

1778

01:00:56,390 --> 01:00:54,640

contribute towards the greater

1779

01:00:57,990 --> 01:00:56,400

welfare of their own community and

1780

01:00:59,910 --> 01:00:58,000

therefore they are well respected and

1781

01:01:03,829 --> 01:00:59,920

loved by the people in the community

1782

01:01:06,069 --> 01:01:03,839

and not you know envied or whatever um

1783

01:01:07,510 --> 01:01:06,079

and and they spent very little time and

1784

01:01:09,349 --> 01:01:07,520

energy on chasing money because there's

1785

01:01:11,829 --> 01:01:09,359

no money to chase

1786

01:01:13,910 --> 01:01:11,839

in the ubuntu communities i call this a

1787

01:01:16,150 --> 01:01:13,920

labor of love there are no jobs

1788

01:01:17,750 --> 01:01:16,160

there no careers you have a labor of

1789

01:01:18,549 --> 01:01:17,760

love and that is who you are and that's

1790

01:01:21,589 --> 01:01:18,559

what your life

1791

01:01:24,150 --> 01:01:21,599

is and you don't have to worry about

1792

01:01:25,510 --> 01:01:24,160

retiring and saving money so you can

1793

01:01:28,150 --> 01:01:25,520

retire because

1794

01:01:30,069 --> 01:01:28,160

the communities look after each other

1795

01:01:32,470 --> 01:01:30,079

and they look after each other and there

1796

01:01:35,030 --> 01:01:32,480

is well-being and there's abundance

1797

01:01:35,910 --> 01:01:35,040

from from rocket science if you think

1798

01:01:38,549 --> 01:01:35,920

about if you

1799

01:01:39,750 --> 01:01:38,559

let the scientists and the inventors and

1800

01:01:42,309 --> 01:01:39,760

the farmers

1801

01:01:45,510 --> 01:01:42,319

lose and there was no restriction on how

1802

01:01:48,950 --> 01:01:45,520

much they can develop design and grow

1803

01:01:50,870 --> 01:01:48,960

what you think is going to happen right

1804

01:01:51,990 --> 01:01:50,880

when you when you start when you start

1805

01:01:53,589 --> 01:01:52,000

going when you come to my

1806

01:01:55,109 --> 01:01:53,599

presentation i start taking you through

1807

01:01:57,270 --> 01:01:55,119

this you realize very quickly

1808

01:01:58,710 --> 01:01:57,280

we're gonna have to slow down because if

1809

01:02:00,470 --> 01:01:58,720

you spend more than

1810

01:02:01,750 --> 01:02:00,480

in our work with sacred geometry on some

1811

01:02:03,510 --> 01:02:01,760

of these models because it's important

1812

01:02:03,990 --> 01:02:03,520

to bring sacred geometry into some of

1813

01:02:06,549 --> 01:02:04,000

these

1814

01:02:08,150 --> 01:02:06,559

relationships with who we are and how we

1815

01:02:11,750 --> 01:02:08,160

how we live on this planet

1816

01:02:14,309 --> 01:02:11,760

we need to live within the the natural

1817

01:02:15,670 --> 01:02:14,319

um order of things which which is what i

1818

01:02:17,190 --> 01:02:15,680

call it as well and this is why you

1819

01:02:19,270 --> 01:02:17,200

can't screw it up because we're actually

1820

01:02:22,549 --> 01:02:19,280

tapping into the natural order of things

1821

01:02:24,069 --> 01:02:22,559

so i i propose that we only we only

1822

01:02:25,589 --> 01:02:24,079

apply our labor of love

1823

01:02:27,589 --> 01:02:25,599

for the community that you choose to

1824

01:02:29,109 --> 01:02:27,599

live in for three hours a day

1825

01:02:30,390 --> 01:02:29,119

so whether you whether you're a rocket

1826
01:02:32,630 --> 01:02:30,400
scientist and you're building rockets or

1827
01:02:34,950 --> 01:02:32,640
developing free energy

1828
01:02:36,789 --> 01:02:34,960
levitation devices to being a farmer and

1829
01:02:38,710 --> 01:02:36,799
developing the most amazing

1830
01:02:41,109 --> 01:02:38,720
ways to grow food hydroponically or

1831
01:02:43,910 --> 01:02:41,119
whichever way abundance beyond belief

1832
01:02:45,349 --> 01:02:43,920
whether you're a shoemaker or a builder

1833
01:02:47,029 --> 01:02:45,359
or designing new

1834
01:02:48,789 --> 01:02:47,039
technology to build dwellings or

1835
01:02:51,029 --> 01:02:48,799
purifying water you

1836
01:02:53,029 --> 01:02:51,039
there are millions and millions of

1837
01:02:55,990 --> 01:02:53,039
labors of love that people do

1838
01:02:56,710 --> 01:02:56,000

that incidentally in today's society are

1839

01:02:58,710 --> 01:02:56,720

not

1840

01:03:00,470 --> 01:02:58,720

financially viable that's why people

1841

01:03:01,910 --> 01:03:00,480

don't do them people don't do

1842

01:03:03,510 --> 01:03:01,920

things today because they don't want to

1843

01:03:04,870 --> 01:03:03,520

do them they don't do stuff

1844

01:03:06,470 --> 01:03:04,880

millions of things that we should be

1845

01:03:08,390 --> 01:03:06,480

doing we don't do it because it's not

1846

01:03:10,470 --> 01:03:08,400

financially viable

1847

01:03:12,150 --> 01:03:10,480

not because we don't need it it's

1848

01:03:14,789 --> 01:03:12,160

another thing to

1849

01:03:15,349 --> 01:03:14,799

get out of get our heads out of there

1850

01:03:16,710 --> 01:03:15,359

many

1851

01:03:18,150 --> 01:03:16,720

millions of people that want to do

1852

01:03:20,069 --> 01:03:18,160

certain things that they know be good

1853

01:03:21,990 --> 01:03:20,079

for the community good for developing

1854

01:03:23,349 --> 01:03:22,000

or improving this sector or that sector

1855

01:03:25,190 --> 01:03:23,359

but they're not allowed to do that

1856

01:03:27,910 --> 01:03:25,200

because it's not financially viable

1857

01:03:29,910 --> 01:03:27,920

or it'll undermine the mining or the the

1858

01:03:30,309 --> 01:03:29,920

energy companies or the oil companies or

1859

01:03:33,510 --> 01:03:30,319

the

1860

01:03:36,230 --> 01:03:33,520

drug companies you know so

1861

01:03:37,910 --> 01:03:36,240

um you got to slow down three hours a

1862

01:03:38,710 --> 01:03:37,920

day i believe is all that we would have

1863

01:03:40,549 --> 01:03:38,720

to do

1864

01:03:41,990 --> 01:03:40,559

doing our labor of love what it is you

1865

01:03:43,990 --> 01:03:42,000

love to do

1866

01:03:45,589 --> 01:03:44,000

and then after that you still got 18

1867

01:03:46,789 --> 01:03:45,599

hours a day to do other things you love

1868

01:03:49,750 --> 01:03:46,799

to do

1869

01:03:51,990 --> 01:03:49,760

in your own community it seems so great

1870

01:03:54,870 --> 01:03:52,000

abundance

1871

01:03:55,589 --> 01:03:54,880

well yeah at the moment i see greg the

1872

01:03:59,750 --> 01:03:55,599

moment

1873

01:04:01,430 --> 01:03:59,760

system it explodes with abundance

1874

01:04:03,190 --> 01:04:01,440

that's the most exciting thing that

1875

01:04:05,910 --> 01:04:03,200

people need to recognize

1876

01:04:07,750 --> 01:04:05,920

and it's the fear unfortunately it's the

1877

01:04:09,589 --> 01:04:07,760

fear factor when you say the word

1878

01:04:11,430 --> 01:04:09,599

a world without money people think oh

1879

01:04:13,349 --> 01:04:11,440

poverty living in starvation living in

1880

01:04:16,390 --> 01:04:13,359

caves going back to the dark ages

1881

01:04:17,349 --> 01:04:16,400

no use your brain please people if you

1882

01:04:19,430 --> 01:04:17,359

remove money

1883

01:04:22,069 --> 01:04:19,440

you're turning it upside down you

1884

01:04:22,870 --> 01:04:22,079

exploding the potential you're allowing

1885

01:04:24,630 --> 01:04:22,880

people

1886

01:04:26,549 --> 01:04:24,640

to develop things that we can't even

1887

01:04:29,109 --> 01:04:26,559

imagine about developing

1888

01:04:31,029 --> 01:04:29,119

free energy and and ways of life that we

1889

01:04:31,910 --> 01:04:31,039

cannot even we can't even dream of it

1890

01:04:35,029 --> 01:04:31,920

today because we

1891

01:04:37,029 --> 01:04:35,039

can't allow ourselves to think that far

1892

01:04:39,349 --> 01:04:37,039

it is ridiculous i mean we everybody

1893

01:04:39,990 --> 01:04:39,359

knows now about the technology of 3d

1894

01:04:43,270 --> 01:04:40,000

printers

1895

01:04:45,829 --> 01:04:43,280

and i mean if every town had a community

1896

01:04:47,349 --> 01:04:45,839

center a library of 3d printers i don't

1897

01:04:49,190 --> 01:04:47,359

understand how you'd still have a

1898

01:04:51,670 --> 01:04:49,200

walmart or need slave labor from

1899

01:04:53,349 --> 01:04:51,680

overseas when you can make your utensils

1900

01:04:55,190 --> 01:04:53,359

in this in this machine i mean it's

1901

01:04:57,349 --> 01:04:55,200

directly opposed to capitalism

1902

01:04:58,870 --> 01:04:57,359

and i wonder how i mean these things are

1903

01:05:00,390 --> 01:04:58,880

definitely butting heads i don't know

1904

01:05:03,190 --> 01:05:00,400

how they're going to institute

1905

01:05:04,470 --> 01:05:03,200

uh 3d printing where you can make things

1906

01:05:09,430 --> 01:05:04,480

when they're abundant

1907

01:05:11,349 --> 01:05:09,440

and uh and keep capitalism around

1908

01:05:13,190 --> 01:05:11,359

no well you know capitalism is only

1909

01:05:14,710 --> 01:05:13,200

around because it's controlled by the

1910

01:05:15,829 --> 01:05:14,720

royal banking bloodlines that have been

1911

01:05:16,710 --> 01:05:15,839

around for thousands of years and

1912

01:05:18,789 --> 01:05:16,720

remember

1913

01:05:19,750 --> 01:05:18,799

they make money out of there it's that

1914

01:05:21,270 --> 01:05:19,760

simple they just

1915

01:05:23,349 --> 01:05:21,280

print as much money as they want to

1916

01:05:24,710 --> 01:05:23,359

print so they can play this game for as

1917

01:05:27,510 --> 01:05:24,720

long as they want

1918

01:05:28,549 --> 01:05:27,520

and for as long as we allow them to so

1919

01:05:30,230 --> 01:05:28,559

it's up to us

1920

01:05:31,910 --> 01:05:30,240

to say listen buddy we're on to you we

1921

01:05:34,150 --> 01:05:31,920

know what you're doing your time's up

1922

01:05:36,549 --> 01:05:34,160

you know you've had 6 000 years of

1923

01:05:38,870 --> 01:05:36,559

fun and that's not coming to an end and

1924

01:05:39,349 --> 01:05:38,880

this is why i believe that this 2012

1925

01:05:41,589 --> 01:05:39,359

period

1926

01:05:42,549 --> 01:05:41,599

is truly that where we've entered the

1927

01:05:44,549 --> 01:05:42,559

new age

1928

01:05:46,390 --> 01:05:44,559

and where people are waking up rapidly

1929

01:05:47,910 --> 01:05:46,400

and realizing what's what's been done to

1930

01:05:50,309 --> 01:05:47,920

the human race for

1931

01:05:52,150 --> 01:05:50,319

such a long long period of time and

1932

01:05:52,710 --> 01:05:52,160

standing up and saying okay that's it no

1933

01:05:54,309 --> 01:05:52,720

more

1934

01:05:55,910 --> 01:05:54,319

we've had enough we're going to take

1935

01:05:57,190 --> 01:05:55,920

black back this planet

1936

01:05:59,029 --> 01:05:57,200

we're going to turn it back into the

1937

01:06:01,670 --> 01:05:59,039

paradise it's supposed to be

1938

01:06:02,710 --> 01:06:01,680

and live our lives the way that god our

1939

01:06:05,029 --> 01:06:02,720

creator

1940

01:06:05,990 --> 01:06:05,039

intended us to live our lives in

1941

01:06:08,789 --> 01:06:06,000

abundance

1942

01:06:10,549 --> 01:06:08,799

and giving effect and using our

1943

01:06:12,870 --> 01:06:10,559

god-given talents with which

1944

01:06:15,349 --> 01:06:12,880

each and everyone is born because that

1945

01:06:17,190 --> 01:06:15,359

is what we are supposed to do to use our

1946

01:06:19,109 --> 01:06:17,200

talents

1947

01:06:21,029 --> 01:06:19,119

man it's fascinating stuff and i know

1948

01:06:23,349 --> 01:06:21,039

it's about that time before we go i

1949

01:06:24,870 --> 01:06:23,359

guess my last big question for you is uh

1950

01:06:27,109 --> 01:06:24,880

what are some of the concrete ways you

1951

01:06:29,430 --> 01:06:27,119

would suggest we transition into this

1952

01:06:31,750 --> 01:06:29,440

society because i'm a very cynical

1953

01:06:33,109 --> 01:06:31,760

and depressed person because i i just

1954

01:06:36,150 --> 01:06:33,119

don't think that people

1955

01:06:38,230 --> 01:06:36,160

are waking up at the rate they must or

1956

01:06:40,710 --> 01:06:38,240

waking up to enough of the facts because

1957

01:06:43,109 --> 01:06:40,720

it's hard to get past that last

1958

01:06:44,069 --> 01:06:43,119

that last layer which is uh the monetary

1959

01:06:45,910 --> 01:06:44,079

system how would you

1960

01:06:50,150 --> 01:06:45,920

institute these changes how could we

1961

01:06:56,390 --> 01:06:53,349

uh there are going to have to be

1962

01:06:59,510 --> 01:06:56,400

several and multiple prongs

1963

01:06:59,990 --> 01:06:59,520

of approach but i want to use the word

1964

01:07:01,990 --> 01:07:00,000

attack

1965

01:07:03,910 --> 01:07:02,000

because that's negative so let's use we

1966

01:07:04,950 --> 01:07:03,920

got to stop you first of all we got to

1967

01:07:07,430 --> 01:07:04,960

find ways

1968

01:07:08,710 --> 01:07:07,440

to stop using the money that's printed

1969

01:07:10,630 --> 01:07:08,720

by the private banking

1970

01:07:12,230 --> 01:07:10,640

by the private bankers that's a tall

1971

01:07:15,270 --> 01:07:12,240

order but

1972

01:07:17,430 --> 01:07:15,280

we're going to start planning um an

1973

01:07:19,349 --> 01:07:17,440

alternative currency system first of all

1974

01:07:21,270 --> 01:07:19,359

we're not going to go from zero to hero

1975

01:07:23,910 --> 01:07:21,280

overnight they're going to have to be

1976

01:07:25,589 --> 01:07:23,920

several transitional steps and stages

1977

01:07:27,589 --> 01:07:25,599

that we have to go through

1978

01:07:31,029 --> 01:07:27,599

as a society and different communities

1979

01:07:33,349 --> 01:07:31,039

to go from complete enslavement

1980

01:07:35,190 --> 01:07:33,359

by money and capitalism and weaning

1981

01:07:37,349 --> 01:07:35,200

ourselves off to the point where we

1982

01:07:38,870 --> 01:07:37,359

don't use money at all and realize

1983

01:07:41,190 --> 01:07:38,880

that we have abundance beyond our

1984

01:07:42,390 --> 01:07:41,200

wildest dreams and we don't even think

1985

01:07:44,470 --> 01:07:42,400

about money

1986

01:07:45,430 --> 01:07:44,480

so i believe that the small towns and

1987

01:07:48,549 --> 01:07:45,440

villages

1988

01:07:49,750 --> 01:07:48,559

and communities that are you know far

1989

01:07:52,870 --> 01:07:49,760

out of the urban

1990

01:07:53,990 --> 01:07:52,880

city areas could be the seeds of this

1991

01:07:57,109 --> 01:07:54,000

off the grid

1992

01:07:59,270 --> 01:07:57,119

completely um self-sufficient and

1993

01:08:00,950 --> 01:07:59,280

self-sustained communities that start to

1994

01:08:02,630 --> 01:08:00,960

spring up from there

1995

01:08:04,549 --> 01:08:02,640

uh once you've got fresh water and

1996

01:08:06,150 --> 01:08:04,559

you're generating your own energy

1997

01:08:07,990 --> 01:08:06,160

and hopefully free energy will be here

1998

01:08:11,109 --> 01:08:08,000

very soon and that'll collapse the

1999

01:08:11,750 --> 01:08:11,119

the cartel very quickly um i believe

2000

01:08:13,829 --> 01:08:11,760

that

2001
01:08:14,870 --> 01:08:13,839
once you start creating once a community

2002
01:08:18,149 --> 01:08:14,880
comes together

2003
01:08:18,789 --> 01:08:18,159
and pulls its its money on a monthly

2004
01:08:21,430 --> 01:08:18,799
basis

2005
01:08:22,950 --> 01:08:21,440
and starts to dictate to the authorities

2006
01:08:24,709 --> 01:08:22,960
whether it's the municipality or the

2007
01:08:26,229 --> 01:08:24,719
council whoever controls

2008
01:08:28,390 --> 01:08:26,239
the supply of the services the

2009
01:08:31,590 --> 01:08:28,400
electricity the water whatever

2010
01:08:33,669 --> 01:08:31,600
so to dictate to the councils of

2011
01:08:35,590 --> 01:08:33,679
of what the community wants i call it

2012
01:08:37,749 --> 01:08:35,600
the council of elders appoint a council

2013
01:08:40,149 --> 01:08:37,759

of elders from within your community

2014

01:08:41,590 --> 01:08:40,159

make it a sacred geometry number 12

2015

01:08:46,229 --> 01:08:41,600

around one like the 12

2016

01:08:49,189 --> 01:08:46,239

disciples around christ or buddha or

2017

01:08:50,709 --> 01:08:49,199

and let that council of elders the

2018

01:08:52,630 --> 01:08:50,719

wisest people that you have that

2019

01:08:53,749 --> 01:08:52,640

everybody trusts in your community let

2020

01:08:57,189 --> 01:08:53,759

them that they

2021

01:08:58,470 --> 01:08:57,199

make them the spokes body on behalf of

2022

01:09:01,349 --> 01:08:58,480

the whole community so

2023

01:09:02,789 --> 01:09:01,359

they can go and make demands on behalf

2024

01:09:03,749 --> 01:09:02,799

of the community if those demands are

2025

01:09:06,070 --> 01:09:03,759

not met

2026

01:09:07,110 --> 01:09:06,080

then start pooling your money into a

2027

01:09:10,789 --> 01:09:07,120

trust fund

2028

01:09:13,749 --> 01:09:10,799

or a trust account that the the elders

2029

01:09:15,269 --> 01:09:13,759

keep control of and stop paying the

2030

01:09:17,189 --> 01:09:15,279

those who are supposed to

2031

01:09:19,110 --> 01:09:17,199

provide your services until certain

2032

01:09:21,030 --> 01:09:19,120

things get delivered what can also then

2033

01:09:22,470 --> 01:09:21,040

happen is you can have a vote of no

2034

01:09:23,590 --> 01:09:22,480

confidence in your local council or

2035

01:09:25,510 --> 01:09:23,600

municipality

2036

01:09:26,950 --> 01:09:25,520

and replace the mayor and replace the

2037

01:09:27,990 --> 01:09:26,960

council and replace them with your own

2038

01:09:30,630 --> 01:09:28,000

council of elders

2039

01:09:32,390 --> 01:09:30,640

and very soon very quickly you can then

2040

01:09:34,390 --> 01:09:32,400

have your own council that then

2041

01:09:35,510 --> 01:09:34,400

controls the well-being and the

2042

01:09:37,510 --> 01:09:35,520

expansion growth

2043

01:09:38,870 --> 01:09:37,520

for the benefit of the town that's on

2044

01:09:41,430 --> 01:09:38,880

the sort of political

2045

01:09:42,630 --> 01:09:41,440

front now that that kind of maneuver on

2046

01:09:44,470 --> 01:09:42,640

the other side

2047

01:09:47,030 --> 01:09:44,480

start pooling the money in the community

2048

01:09:49,030 --> 01:09:47,040

and start developing community projects

2049

01:09:50,630 --> 01:09:49,040

obviously the obvious important projects

2050

01:09:53,829 --> 01:09:50,640

whether it's free energy

2051

01:09:55,830 --> 01:09:53,839

food and water and

2052

01:09:57,590 --> 01:09:55,840

everything to do with creating whether

2053

01:09:59,830 --> 01:09:57,600

it's building materials and whatever the

2054

01:10:01,669 --> 01:09:59,840

community can create

2055

01:10:02,870 --> 01:10:01,679

and start making that available for a

2056

01:10:04,470 --> 01:10:02,880

fraction of the cost

2057

01:10:05,950 --> 01:10:04,480

to those who participate in the

2058

01:10:07,430 --> 01:10:05,960

community that's why it's called

2059

01:10:08,950 --> 01:10:07,440

contributionism

2060

01:10:11,030 --> 01:10:08,960

right you contribute your time and

2061

01:10:13,990 --> 01:10:11,040

skills and you get the reward

2062

01:10:15,990 --> 01:10:14,000

of whatever else that community creates

2063

01:10:17,510 --> 01:10:16,000

and it's not a barter or trade if i give

2064

01:10:19,270 --> 01:10:17,520

you 10 eggs i'm gonna get one

2065

01:10:20,950 --> 01:10:19,280

one you know loaf of bread or whatever

2066

01:10:21,830 --> 01:10:20,960

it's none of that it's you contribute

2067

01:10:23,990 --> 01:10:21,840

what you're good at

2068

01:10:25,030 --> 01:10:24,000

and that entitles you to have access to

2069

01:10:26,390 --> 01:10:25,040

all the other things that are being

2070

01:10:28,310 --> 01:10:26,400

contributed by all those

2071

01:10:30,070 --> 01:10:28,320

who are contributing so it's like a

2072

01:10:31,350 --> 01:10:30,080

pooling of resources that everybody

2073

01:10:34,149 --> 01:10:31,360

benefits from

2074

01:10:34,790 --> 01:10:34,159

so once your community is is created

2075

01:10:37,830 --> 01:10:34,800

amount

2076

01:10:39,430 --> 01:10:37,840

so much food and bread and cheese and

2077

01:10:41,270 --> 01:10:39,440

building materials and windows or

2078

01:10:43,110 --> 01:10:41,280

whatever you let your mind run

2079

01:10:44,229 --> 01:10:43,120

wild right and you've made that

2080

01:10:45,110 --> 01:10:44,239

available to everyone in your own

2081

01:10:47,110 --> 01:10:45,120

community

2082

01:10:48,709 --> 01:10:47,120

all the the rest of the stuff because

2083

01:10:50,550 --> 01:10:48,719

you've got to make a lot more

2084

01:10:53,350 --> 01:10:50,560

you make the rest of the stuff available

2085

01:10:55,270 --> 01:10:53,360

to the people outside your community

2086

01:10:57,110 --> 01:10:55,280

at a farmers market or something that

2087

01:10:57,990 --> 01:10:57,120

you establish that the neighboring

2088

01:11:00,870 --> 01:10:58,000

communities will come

2089

01:11:02,070 --> 01:11:00,880

to and get from you at a much lower cost

2090

01:11:03,110 --> 01:11:02,080

than they can get it from their own

2091

01:11:04,790 --> 01:11:03,120

community

2092

01:11:07,990 --> 01:11:04,800

the moment you've achieved that you've

2093

01:11:09,510 --> 01:11:08,000

created the domino effect

2094

01:11:11,510 --> 01:11:09,520

and it's going to become impossible for

2095

01:11:11,990 --> 01:11:11,520

your neighboring communities to continue

2096

01:11:13,750 --> 01:11:12,000

operating

2097

01:11:15,189 --> 01:11:13,760

on a capitalistic system their

2098

01:11:17,990 --> 01:11:15,199

businesses will collapse

2099

01:11:19,510 --> 01:11:18,000

and either they will have to a pro adopt

2100

01:11:20,149 --> 01:11:19,520

the same system that you've got in your

2101
01:11:22,390 --> 01:11:20,159
village

2102
01:11:24,070 --> 01:11:22,400
and your community all their businesses

2103
01:11:26,070 --> 01:11:24,080
will go belly up

2104
01:11:27,270 --> 01:11:26,080
and that is i believe the trigger point

2105
01:11:30,310 --> 01:11:27,280
and the

2106
01:11:33,270 --> 01:11:30,320
the the tipping point and in

2107
01:11:34,470 --> 01:11:33,280
in all truth and reality i believe it

2108
01:11:37,030 --> 01:11:34,480
only takes

2109
01:11:38,630 --> 01:11:37,040
one town or one community with

2110
01:11:40,550 --> 01:11:38,640
sufficient influence in its

2111
01:11:42,470 --> 01:11:40,560
in its surrounding communities to

2112
01:11:44,070 --> 01:11:42,480
achieve that domino effect

2113
01:11:46,550 --> 01:11:44,080

if you start thinking about this i think

2114

01:11:49,430 --> 01:11:46,560

it will become very clear to you

2115

01:11:51,590 --> 01:11:49,440

yeah man those that's actually great um

2116

01:11:53,189 --> 01:11:51,600

some of those ideas are really inspiring

2117

01:11:55,030 --> 01:11:53,199

i mean this has been a real refreshing

2118

01:11:56,630 --> 01:11:55,040

talk for me it seems like finding guests

2119

01:11:58,310 --> 01:11:56,640

that are willing to abandon money are

2120

01:12:00,470 --> 01:11:58,320

few and far between there's

2121

01:12:02,390 --> 01:12:00,480

this mental block where they start to

2122

01:12:03,990 --> 01:12:02,400

resort to calling me a communist or a

2123

01:12:05,590 --> 01:12:04,000

socialist which is stupid because those

2124

01:12:07,270 --> 01:12:05,600

are still systems of authoritarian

2125

01:12:08,070 --> 01:12:07,280

leadership and control by money but

2126

01:12:10,630 --> 01:12:08,080

that's the program

2127

01:12:12,390 --> 01:12:10,640

response so that's what you get before

2128

01:12:13,189 --> 01:12:12,400

we go in we definitely need to talk a

2129

01:12:15,990 --> 01:12:13,199

little bit about

2130

01:12:17,510 --> 01:12:16,000

uh this big us and canada tour coming up

2131

01:12:18,390 --> 01:12:17,520

in just a couple weeks tell us what's

2132

01:12:20,310 --> 01:12:18,400

going on there

2133

01:12:22,070 --> 01:12:20,320

you know where can people get more

2134

01:12:23,669 --> 01:12:22,080

information how can people come out to

2135

01:12:27,830 --> 01:12:23,679

support these ideas

2136

01:12:31,030 --> 01:12:30,630

well and thanks very much greg yeah we

2137

01:12:33,830 --> 01:12:31,040

be

2138

01:12:36,470 --> 01:12:33,840

leaving for the usa arriving doing my

2139

01:12:39,189 --> 01:12:36,480

first presentation on the 14th of

2140

01:12:40,070 --> 01:12:39,199

july that's at the lightning in a bottle

2141

01:12:43,270 --> 01:12:40,080

um

2142

01:12:45,910 --> 01:12:43,280

annual festival in southern california

2143

01:12:47,070 --> 01:12:45,920

and then i go and uh if you go onto my

2144

01:12:48,830 --> 01:12:47,080

website first of all

2145

01:12:51,910 --> 01:12:48,840

michaeltillinger.com

2146

01:12:53,590 --> 01:12:51,920

see a button just click on it and

2147

01:12:55,830 --> 01:12:53,600

they'll take you to the

2148

01:12:57,110 --> 01:12:55,840

the the page and the blog spot with all

2149

01:12:59,590 --> 01:12:57,120

the information

2150

01:13:00,550 --> 01:12:59,600

of the tour uh with all the venues we

2151
01:13:04,229 --> 01:13:00,560
got all the

2152
01:13:07,350 --> 01:13:04,239
venues in the usa the the major venue

2153
01:13:10,550 --> 01:13:07,360
the major event i'm doing is um

2154
01:13:12,310 --> 01:13:10,560
uh contact in the desert at joshua tree

2155
01:13:14,229 --> 01:13:12,320
with uh some of the biggest names in the

2156
01:13:17,910 --> 01:13:14,239
sort of field of research from

2157
01:13:18,390 --> 01:13:17,920
um george newry will be there as well uh

2158
01:13:21,990 --> 01:13:18,400
um

2159
01:13:25,590 --> 01:13:22,000
jim mars graham hancock uh stephen greer

2160
01:13:27,110 --> 01:13:25,600
uh david wilcock um giorgio tsukolos the

2161
01:13:29,270 --> 01:13:27,120
the founder and presenter of ancient

2162
01:13:31,910 --> 01:13:29,280
aliens he's gonna be there as well

2163
01:13:32,550 --> 01:13:31,920

and and some other amazing presenters

2164

01:13:34,229 --> 01:13:32,560

one of my

2165

01:13:36,310 --> 01:13:34,239

favorite people that i've met at my

2166

01:13:40,790 --> 01:13:36,320

first visit to the usa

2167

01:13:43,430 --> 01:13:40,800

um celeste yarnell who was actually a

2168

01:13:45,430 --> 01:13:43,440

hollywood star who's who was in star

2169

01:13:47,270 --> 01:13:45,440

trek many years ago

2170

01:13:50,870 --> 01:13:47,280

and she's going to be speaking there as

2171

01:13:54,550 --> 01:13:53,430

william henry and the host of amazing

2172

01:13:57,510 --> 01:13:54,560

researchers so

2173

01:13:59,110 --> 01:13:57,520

check out contact in the desert and try

2174

01:14:00,630 --> 01:13:59,120

and make it to that i'll be doing three

2175

01:14:03,030 --> 01:14:00,640

presentations there

2176

01:14:04,709 --> 01:14:03,040

uh so a lot of time to get a lot of this

2177

01:14:06,470 --> 01:14:04,719

information across

2178

01:14:07,990 --> 01:14:06,480

and then we'll be following we'll be

2179

01:14:09,430 --> 01:14:08,000

doing the following cities i'll just

2180

01:14:11,350 --> 01:14:09,440

rattle them off but you'll see them on

2181

01:14:13,350 --> 01:14:11,360

my website we're doing

2182

01:14:15,430 --> 01:14:13,360

hawaii and where i'm presenting to

2183

01:14:17,189 --> 01:14:15,440

nassim haram and his research team all

2184

01:14:19,669 --> 01:14:17,199

my research on the sound and the

2185

01:14:20,950 --> 01:14:19,679

energy devices that i've discovered here

2186

01:14:22,630 --> 01:14:20,960

and that's going to blow their mind i

2187

01:14:23,830 --> 01:14:22,640

know once they see what we've got here

2188

01:14:25,590 --> 01:14:23,840

it's going to just

2189

01:14:29,270 --> 01:14:25,600

it's a whole new paradigm shift that

2190

01:14:33,510 --> 01:14:29,280

your brain does you know

2191

01:14:37,189 --> 01:14:33,520

so we do santa barbara

2192

01:14:40,550 --> 01:14:37,199

san francisco sacramento portland

2193

01:14:42,950 --> 01:14:40,560

salt lake city las vegas

2194

01:14:44,229 --> 01:14:42,960

and then contact in the desert and then

2195

01:14:48,070 --> 01:14:44,239

we go to

2196

01:14:54,310 --> 01:14:51,669

phoenix sedona

2197

01:14:55,270 --> 01:14:54,320

boulder and then down to dallas and

2198

01:14:57,590 --> 01:14:55,280

austin

2199

01:14:59,510 --> 01:14:57,600

and we end up in chattanooga tennessee

2200

01:15:00,790 --> 01:14:59,520

and before we fly out to a tour of

2201

01:15:03,510 --> 01:15:00,800

england for another month

2202

01:15:05,030 --> 01:15:03,520

so it's crazy very cool man i'm

2203

01:15:07,350 --> 01:15:05,040

definitely hoping to come out in san

2204

01:15:08,950 --> 01:15:07,360

diego and see you do you have a venue

2205

01:15:11,270 --> 01:15:08,960

picked because it seems like on the

2206

01:15:14,310 --> 01:15:11,280

website i looked at there wasn't a venue

2207

01:15:16,229 --> 01:15:14,320

listed for san diego

2208

01:15:17,910 --> 01:15:16,239

oh yeah no we have a venue it's you know

2209

01:15:21,590 --> 01:15:17,920

i find fascinating is that that

2210

01:15:23,590 --> 01:15:21,600

a few of the freemason halls offering

2211

01:15:25,510 --> 01:15:23,600

that their halls up for my presentations

2212

01:15:27,990 --> 01:15:25,520

i find that fascinating yeah

2213

01:15:29,750 --> 01:15:28,000

and it just brings you actually that

2214

01:15:31,189 --> 01:15:29,760

that opens up a whole new debate as to

2215

01:15:33,189 --> 01:15:31,199

what the original intention of the

2216

01:15:34,630 --> 01:15:33,199

freemasons was and i believe it is not

2217

01:15:36,229 --> 01:15:34,640

necessarily as dark and

2218

01:15:38,709 --> 01:15:36,239

and sinister as many people would like

2219

01:15:41,270 --> 01:15:38,719

to make it out to be um

2220

01:15:42,550 --> 01:15:41,280

so it's fascinating in san diego i'll be

2221

01:15:45,189 --> 01:15:42,560

talking at uh

2222

01:15:46,630 --> 01:15:45,199

at the scottish rite freeman mason hall

2223

01:15:48,310 --> 01:15:46,640

i don't know what the address is but

2224

01:15:49,030 --> 01:15:48,320

it'll be on the website uh in the next

2225

01:15:51,350 --> 01:15:49,040

day up to

2226

01:15:52,229 --> 01:15:51,360

all right very cool man well it's been

2227

01:15:54,310 --> 01:15:52,239

awesome again

2228

01:15:55,910 --> 01:15:54,320

thank you keep fighting the good fight

2229

01:15:57,350 --> 01:15:55,920

hopefully we'll catch you on the tour

2230

01:16:00,470 --> 01:15:57,360

and we can talk about your new book

2231

01:16:02,390 --> 01:16:00,480

maybe when you get back home

2232

01:16:04,229 --> 01:16:02,400

that'll be awesome yeah my new book will

2233

01:16:06,310 --> 01:16:04,239

be available as an ebook on my website

2234

01:16:09,030 --> 01:16:06,320

hopefully very very soon so

2235

01:16:10,630 --> 01:16:09,040

yeah got the garden and get the ebook

2236

01:16:12,310 --> 01:16:10,640

and then the printed version will will

2237

01:16:14,550 --> 01:16:12,320

be out about two or three months after

2238

01:16:16,149 --> 01:16:14,560

that as soon as we can get it printed

2239

01:16:17,350 --> 01:16:16,159

greg thanks so much appreciate it being

2240

01:16:19,510 --> 01:16:17,360

great chatting to you my friend

2241

01:16:21,510 --> 01:16:19,520

absolutely thank you

2242

01:16:23,510 --> 01:16:21,520

wow i love that episode michael

2243

01:16:25,110 --> 01:16:23,520

telling what an awesome guy

2244

01:16:27,110 --> 01:16:25,120

yeah i really wanted to help him get the

2245

01:16:27,590 --> 01:16:27,120

word out about his lecture tour please

2246

01:16:29,350 --> 01:16:27,600

please

2247

01:16:31,669 --> 01:16:29,360

check out his website and see if he'll

2248

01:16:33,990 --> 01:16:31,679

be stopping anywhere near where you live

2249

01:16:35,590 --> 01:16:34,000

i know i'll be attending an sd you

2250

01:16:38,950 --> 01:16:35,600

really should check out that

2251
01:16:39,750 --> 01:16:38,960
roster for contact in the desert because

2252
01:16:42,229 --> 01:16:39,760
that looks

2253
01:16:43,990 --> 01:16:42,239
ridiculous thanks for making it all the

2254
01:16:45,830 --> 01:16:44,000
way to the end of the show with me guys

2255
01:16:47,910 --> 01:16:45,840
i'm super thankful i'm getting so many

2256
01:16:49,910 --> 01:16:47,920
positive emails i'm sorry if i can't

2257
01:16:52,709 --> 01:16:49,920
respond to each one but i still

2258
01:16:54,310 --> 01:16:52,719
work somewhere 45 hours a week i'm

2259
01:16:56,229 --> 01:16:54,320
working on killing that cancer and

2260
01:16:56,870 --> 01:16:56,239
that's where conspiracies comes in if

2261
01:16:59,350 --> 01:16:56,880
you like

2262
01:17:01,189 --> 01:16:59,360
the subjects we talk about my t-shirt

2263
01:17:03,510 --> 01:17:01,199

brand conspiratees

2264

01:17:04,229 --> 01:17:03,520

is available at conspiracies.net and all

2265

01:17:07,350 --> 01:17:04,239

over

2266

01:17:09,270 --> 01:17:07,360

the god damn place i learned a lot about

2267

01:17:11,270 --> 01:17:09,280

t-shirts to be able to put these out i'm

2268

01:17:13,110 --> 01:17:11,280

running super low on a lot of designs

2269

01:17:14,070 --> 01:17:13,120

and sizes because i'm trying to get my

2270

01:17:16,550 --> 01:17:14,080

shop set up

2271

01:17:18,470 --> 01:17:16,560

so i can do all these shirts by hand

2272

01:17:20,070 --> 01:17:18,480

start going to trade shows get a deal

2273

01:17:22,709 --> 01:17:20,080

with hot topic and well

2274

01:17:23,669 --> 01:17:22,719

you know but it all takes time and money

2275

01:17:25,750 --> 01:17:23,679

you know how it is

2276

01:17:26,709 --> 01:17:25,760

99 problems but i'm just happy to be
