

Episode 66: Jon Rappoport Snowden Suspicions & Control Methods of the Elite

BROUGHT TO YOU BY:

 onspiraTees.net

1
00:00:08,230 --> 00:00:05,510

[Music]

2
00:00:10,070 --> 00:00:08,240

in the 1930s president franklin dylan

3
00:00:12,390 --> 00:00:10,080

roosevelt addressed the nation through a

4
00:00:15,589 --> 00:00:12,400

series of radio broadcasts known as the

5
00:00:17,189 --> 00:00:15,599

fireside chats his aim was to reassure

6
00:00:23,189 --> 00:00:17,199

the common man that our society would

7
00:00:28,310 --> 00:00:25,670

for a new era of worldly frustration we

8
00:00:33,590 --> 00:00:28,320

offer a fresh conversation i'm greg

9
00:00:37,350 --> 00:00:35,430

happy days are here again higher side

10
00:00:39,350 --> 00:00:37,360

chatters drinking a little drink smoking

11
00:00:41,270 --> 00:00:39,360

a lot of smoke i'm greg carl wood and

12
00:00:42,950 --> 00:00:41,280

i'm honored to have john rappaport on

13
00:00:44,150 --> 00:00:42,960

the show today one of the best

14

00:00:46,389 --> 00:00:44,160

investigative journalists in the

15

00:00:48,229 --> 00:00:46,399

conspiracy space he covers it all the

16

00:00:50,310 --> 00:00:48,239

global elite and their multi-pronged

17

00:00:52,470 --> 00:00:50,320

attacks suppress the true potential of

18

00:00:54,389 --> 00:00:52,480

the individual misinformation about

19

00:00:56,150 --> 00:00:54,399

health and he's great at pointing out

20

00:00:58,069 --> 00:00:56,160

fake news stories and what effects

21

00:00:59,270 --> 00:00:58,079

they're meant to have on the masses and

22

00:01:01,029 --> 00:00:59,280

we're going to cover as much of that

23

00:01:02,549 --> 00:01:01,039

ground as we can but first i've got my

24

00:01:04,229 --> 00:01:02,559

good friend and occasional co-host kyle

25

00:01:06,390 --> 00:01:04,239

pernville here with me to lay the base

26

00:01:07,910 --> 00:01:06,400

kyle my man what's happening

27

00:01:10,149 --> 00:01:07,920

oh it's good to be on the show again

28

00:01:12,070 --> 00:01:10,159

greg yeah man i love when you're able to

29

00:01:13,350 --> 00:01:12,080

do this otherwise i'm just sitting here

30

00:01:15,190 --> 00:01:13,360

by myself

31

00:01:16,789 --> 00:01:15,200

getting super high and popping bottles

32

00:01:18,149 --> 00:01:16,799

like i have any [h__\h] reason in my

33

00:01:20,710 --> 00:01:18,159

life to celebrate

34

00:01:21,670 --> 00:01:20,720

what can you do you know

35

00:01:24,550 --> 00:01:21,680

ah

36

00:01:25,990 --> 00:01:24,560

little mimosa to get the show started so

37

00:01:27,030 --> 00:01:26,000

what's new with you man what you've been

38

00:01:28,870 --> 00:01:27,040

up to

39

00:01:30,070 --> 00:01:28,880

well i wanted to share a funny story

40

00:01:31,749 --> 00:01:30,080

because

41

00:01:33,510 --> 00:01:31,759

you know we have this conditioning i

42

00:01:35,749 --> 00:01:33,520

write about this on my blog a lot we

43

00:01:36,789 --> 00:01:35,759

have a kind of a perpetual conditioning

44

00:01:39,590 --> 00:01:36,799

since we're

45

00:01:42,550 --> 00:01:39,600

born and it just keeps on churning out

46

00:01:45,030 --> 00:01:42,560

and we just make sure we keep uh

47

00:01:45,910 --> 00:01:45,040

re reevaluating our position within the

48

00:01:48,230 --> 00:01:45,920

group

49

00:01:50,550 --> 00:01:48,240

and uh one crystal clear example

50

00:01:52,789 --> 00:01:50,560

happened to me there's like a

51
00:01:54,870 --> 00:01:52,799
a public theater and they have some free

52
00:01:57,749 --> 00:01:54,880
seats way in the back in st louis called

53
00:01:59,749 --> 00:01:57,759
the muni and so we went to a show and we

54
00:02:01,830 --> 00:01:59,759
were sitting in the free seats and you

55
00:02:04,069 --> 00:02:01,840
know everybody's enjoying themselves and

56
00:02:07,190 --> 00:02:04,079
talking before the show starts and then

57
00:02:10,309 --> 00:02:07,200
over the speaker system you hear

58
00:02:11,110 --> 00:02:10,319
now rise for the national anthem

59
00:02:12,790 --> 00:02:11,120
and

60
00:02:15,430 --> 00:02:12,800
you see literally

61
00:02:17,910 --> 00:02:15,440
everyone stand up

62
00:02:20,229 --> 00:02:17,920
and to be honest i feel this part of

63
00:02:22,070 --> 00:02:20,239

myself stand up you know and this

64

00:02:23,910 --> 00:02:22,080

feeling in my chest at the upper middle

65

00:02:26,390 --> 00:02:23,920

part of my chest just as like okay it's

66

00:02:28,070 --> 00:02:26,400

time to stand up you're drunk

67

00:02:31,190 --> 00:02:28,080

i'm drawn in

68

00:02:33,350 --> 00:02:31,200

everybody's doing it i start to do it

69

00:02:35,430 --> 00:02:33,360

and then all of a sudden my wife carrie

70

00:02:37,190 --> 00:02:35,440

is like what are you doing no

71

00:02:38,550 --> 00:02:37,200

we're not doing this

72

00:02:40,070 --> 00:02:38,560

and so i'm like yeah [h__\h] the

73

00:02:42,390 --> 00:02:40,080

nationality why am i standing for the

74

00:02:45,110 --> 00:02:42,400

national anthem what is this

75

00:02:47,350 --> 00:02:45,120

and so we sat there and uh you could

76
00:02:48,470 --> 00:02:47,360
just feel that the people around us were

77
00:02:50,470 --> 00:02:48,480
like

78
00:02:53,110 --> 00:02:50,480
shocked scared

79
00:02:54,790 --> 00:02:53,120
uh startled upset with us

80
00:02:55,990 --> 00:02:54,800
total strangers you know you didn't

81
00:02:58,550 --> 00:02:56,000
stand

82
00:03:00,150 --> 00:02:58,560
you know and if we were in firm if we

83
00:03:01,830 --> 00:03:00,160
were like handicapped we might have got

84
00:03:04,229 --> 00:03:01,840
an exception but like the fact that we

85
00:03:06,470 --> 00:03:04,239
were able-bodied was like why didn't you

86
00:03:08,550 --> 00:03:06,480
stand right who decided that

87
00:03:11,670 --> 00:03:08,560
straightening your legs is necessary to

88
00:03:13,430 --> 00:03:11,680

show respect it's an empty gesture

89

00:03:16,070 --> 00:03:13,440

well it's like praying before a meal

90

00:03:17,589 --> 00:03:16,080

it's like uh this little ritual to make

91

00:03:18,710 --> 00:03:17,599

sure that we're all on the same team

92

00:03:21,110 --> 00:03:18,720

here

93

00:03:22,470 --> 00:03:21,120

and uh you know it's kind of purposeless

94

00:03:24,630 --> 00:03:22,480

we all agree we know the words we've

95

00:03:26,869 --> 00:03:24,640

done this a million times but that

96

00:03:28,710 --> 00:03:26,879

ritual in the moment we have to keep

97

00:03:30,630 --> 00:03:28,720

doing it in order to make sure we're all

98

00:03:32,309 --> 00:03:30,640

on the same page

99

00:03:34,149 --> 00:03:32,319

yeah it's funny because in high school

100

00:03:36,070 --> 00:03:34,159

there was a time where and you remember

101
00:03:37,589 --> 00:03:36,080
how it was at st pius before they kicked

102
00:03:39,430 --> 00:03:37,599
me out they were gunning for me for a

103
00:03:41,750 --> 00:03:39,440
long time but uh

104
00:03:43,910 --> 00:03:41,760
one winter night at a football game it

105
00:03:45,670 --> 00:03:43,920
was really [h__h] cold i had this tiny

106
00:03:46,869 --> 00:03:45,680
blanket and a hot chocolate up in the

107
00:03:49,110 --> 00:03:46,879
bleachers

108
00:03:50,869 --> 00:03:49,120
and i was all tucked in just right and

109
00:03:52,949 --> 00:03:50,879
they did the national anthem and i

110
00:03:55,750 --> 00:03:52,959
wasn't gonna stand up i didn't stand up

111
00:03:58,070 --> 00:03:55,760
and sure as [h__h] mr [h__h] zelonco was

112
00:03:59,990 --> 00:03:58,080
standing behind the bleachers and saw me

113
00:04:01,990 --> 00:04:00,000

calmly sitting there not making a scene

114

00:04:03,509 --> 00:04:02,000

at all and as soon as it ends he yells

115

00:04:05,429 --> 00:04:03,519

up to me that i just earned myself a

116

00:04:07,350 --> 00:04:05,439

detention so while school was not in

117

00:04:09,350 --> 00:04:07,360

progress i did something that got me

118

00:04:11,190 --> 00:04:09,360

punished at school which you know was a

119

00:04:13,830 --> 00:04:11,200

common thing back then you know that

120

00:04:16,069 --> 00:04:13,840

happened to me a lot so you know [h__\h]

121

00:04:18,229 --> 00:04:16,079

that place saint pius high school in

122

00:04:19,909 --> 00:04:18,239

festus missouri if you're sending your

123

00:04:22,870 --> 00:04:19,919

kids there you should be on trial for

124

00:04:25,350 --> 00:04:22,880

[h__\h] child abuse they kicked me out

125

00:04:26,629 --> 00:04:25,360

for really just resisting to comply with

126

00:04:29,110 --> 00:04:26,639

the rules

127

00:04:32,230 --> 00:04:29,120

and meanwhile they have several teachers

128

00:04:34,629 --> 00:04:32,240

that are allegedly [h__h] students

129

00:04:36,550 --> 00:04:34,639

allegedly i think we could both name at

130

00:04:38,310 --> 00:04:36,560

least two cases of male teachers

131

00:04:40,230 --> 00:04:38,320

slithering into the pants of young

132

00:04:42,390 --> 00:04:40,240

impressionable girls who look at these

133

00:04:44,469 --> 00:04:42,400

people for guidance and all they have in

134

00:04:46,710 --> 00:04:44,479

mind is dipping their demon [h__h] into

135

00:04:48,550 --> 00:04:46,720

the sweet nectar of an innocent

136

00:04:50,070 --> 00:04:48,560

you know that's cool

137

00:04:52,310 --> 00:04:50,080

so we have parents paying a thousand

138

00:04:53,909 --> 00:04:52,320

dollars a year thousands of dollars a

139

00:04:55,830 --> 00:04:53,919

year really i don't even know how much

140

00:04:58,150 --> 00:04:55,840

money that should be going to pay for

141

00:05:00,550 --> 00:04:58,160

all the tools needed to help their kid

142

00:05:02,070 --> 00:05:00,560

kick start their passion in life proper

143

00:05:04,550 --> 00:05:02,080

nutrition

144

00:05:06,469 --> 00:05:04,560

oh yeah i mean that too but you know if

145

00:05:07,670 --> 00:05:06,479

you're looking to the the point of this

146

00:05:08,950 --> 00:05:07,680

is to better

147

00:05:10,629 --> 00:05:08,960

your kids

148

00:05:12,310 --> 00:05:10,639

chances at success

149

00:05:14,629 --> 00:05:12,320

you know take that couple thousand and

150

00:05:16,469 --> 00:05:14,639

buy them a real quality movie camera if

151
00:05:18,469 --> 00:05:16,479
they want to be a director you know like

152
00:05:23,270 --> 00:05:18,479
do something for them

153
00:05:26,710 --> 00:05:24,629
yeah there's this kind of the

154
00:05:28,550 --> 00:05:26,720
indoctrination drops off after a certain

155
00:05:30,469 --> 00:05:28,560
point you know you become so conditioned

156
00:05:32,230 --> 00:05:30,479
you're saying yes sir yes ma'am okay i'm

157
00:05:33,670 --> 00:05:32,240
going along with the show going along

158
00:05:36,390 --> 00:05:33,680
with the program i followed all the

159
00:05:38,070 --> 00:05:36,400
rules but then when it gets to what am i

160
00:05:40,310 --> 00:05:38,080
supposed to do with my life that's where

161
00:05:42,150 --> 00:05:40,320
the programming ends they're like oh why

162
00:05:43,510 --> 00:05:42,160
are you asking me i don't give a damn

163
00:05:44,950 --> 00:05:43,520

why are you talking to me about what you

164

00:05:47,110 --> 00:05:44,960

should be doing you need to go get a job

165

00:05:48,710 --> 00:05:47,120

you need to figure it out for yourself

166

00:05:50,710 --> 00:05:48,720

it's like whoa i've been following the

167

00:05:52,469 --> 00:05:50,720

rules just on autopilot this whole

168

00:05:54,629 --> 00:05:52,479

[h__h] time and all of a sudden now

169

00:05:56,469 --> 00:05:54,639

it's like oh it's on me now it's on me

170

00:05:58,230 --> 00:05:56,479

to figure out what i'm gonna do to grind

171

00:05:59,749 --> 00:05:58,240

away to make a living in this world it's

172

00:06:01,830 --> 00:05:59,759

not that great

173

00:06:03,189 --> 00:06:01,840

you know where's the guidance now now i

174

00:06:04,710 --> 00:06:03,199

need somebody to say you know what you'd

175

00:06:07,510 --> 00:06:04,720

be a great painter yeah that's what you

176
00:06:09,830 --> 00:06:07,520
need to do effort and energy and money

177
00:06:11,990 --> 00:06:09,840
goes to an education filled with false

178
00:06:13,909 --> 00:06:12,000
information and the destruction of

179
00:06:15,670 --> 00:06:13,919
creativity and uniqueness

180
00:06:21,189 --> 00:06:15,680
yet i was the bad guy because i [h__h]

181
00:06:27,350 --> 00:06:22,950
yeah well did you tell him if you had a

182
00:06:30,390 --> 00:06:28,550
there's a

183
00:06:32,710 --> 00:06:30,400
these people have no respect for a hot

184
00:06:34,629 --> 00:06:32,720
chocolate and a blanket they just think

185
00:06:35,990 --> 00:06:34,639
this the national anthem supersedes all

186
00:06:37,670 --> 00:06:36,000
disgusting

187
00:06:38,790 --> 00:06:37,680
and you know that's kind of like we were

188
00:06:40,469 --> 00:06:38,800

talking about yesterday and you

189

00:06:42,070 --> 00:06:40,479

mentioned that

190

00:06:44,469 --> 00:06:42,080

everybody wants us to be on the same

191

00:06:46,309 --> 00:06:44,479

team you know people say our government

192

00:06:48,629 --> 00:06:46,319

our military but it's not ours has

193

00:06:51,670 --> 00:06:48,639

nothing to do with us it's their army

194

00:06:54,309 --> 00:06:51,680

they being uh highest elite and they

195

00:06:56,150 --> 00:06:54,319

have us use the term our because

196

00:06:57,590 --> 00:06:56,160

if we don't look at it

197

00:07:03,270 --> 00:06:57,600

from you know we won't look at it from

198

00:07:07,270 --> 00:07:06,150

yeah oh yeah i mean people travel across

199

00:07:08,550 --> 00:07:07,280

the world

200

00:07:10,550 --> 00:07:08,560

and they think

201
00:07:13,189 --> 00:07:10,560
that because they're an american that

202
00:07:16,070 --> 00:07:13,199
has some context but like

203
00:07:16,950 --> 00:07:16,080
it's so wrapped up in their identity

204
00:07:18,309 --> 00:07:16,960
that

205
00:07:19,830 --> 00:07:18,319
they just think these terrible things

206
00:07:21,990 --> 00:07:19,840
are going to happen to them to them if

207
00:07:25,110 --> 00:07:22,000
they travel but it's like

208
00:07:27,270 --> 00:07:25,120
people talk about our reputation across

209
00:07:29,350 --> 00:07:27,280
the world the uh oh we have a bad

210
00:07:32,629 --> 00:07:29,360
reputation like who is we

211
00:07:34,629 --> 00:07:32,639
if i personally as the individual go

212
00:07:37,029 --> 00:07:34,639
to chile do you think these people are

213
00:07:37,990 --> 00:07:37,039

mad at me because of the united states

214

00:07:40,710 --> 00:07:38,000

what are we talking about here we're

215

00:07:42,629 --> 00:07:40,720

talking about totally different things

216

00:07:44,469 --> 00:07:42,639

the people there was an egyptian protest

217

00:07:47,670 --> 00:07:44,479

sign that kind of went viral a picture

218

00:07:49,589 --> 00:07:47,680

of it that i saw many places but it said

219

00:07:51,510 --> 00:07:49,599

you know to the american government

220

00:07:53,510 --> 00:07:51,520

basically [h__h] you get the hell out of

221

00:07:55,749 --> 00:07:53,520

here we're sick of your [h__h] and then

222

00:07:58,390 --> 00:07:55,759

underneath that to the american people

223

00:07:59,830 --> 00:07:58,400

we got nothing but love for you

224

00:08:01,830 --> 00:07:59,840

and i thought that was pretty powerful

225

00:08:03,909 --> 00:08:01,840

but at the same time

226

00:08:05,510 --> 00:08:03,919

you have to accept some responsibility

227

00:08:07,350 --> 00:08:05,520

for your government you know people

228

00:08:08,869 --> 00:08:07,360

aren't worried about the reputation in

229

00:08:10,710 --> 00:08:08,879

turkey because turkey doesn't have a

230

00:08:12,629 --> 00:08:10,720

goddamn base in every country on the

231

00:08:15,189 --> 00:08:12,639

planet and isn't bombing the [h__h] out of

232

00:08:16,710 --> 00:08:15,199

the middle east you know

233

00:08:19,510 --> 00:08:16,720

you gotta like people aren't mad at

234

00:08:20,710 --> 00:08:19,520

canada or australia because they don't

235

00:08:22,950 --> 00:08:20,720

they don't let their governments

236

00:08:25,029 --> 00:08:22,960

completely run amok

237

00:08:26,790 --> 00:08:25,039

so i do think we do have some sense of

238

00:08:28,869 --> 00:08:26,800

responsibility

239

00:08:31,589 --> 00:08:28,879

uh at least that we should be

240

00:08:36,230 --> 00:08:31,599

resisting this we should be protesting

241

00:08:40,389 --> 00:08:37,909

yeah i think

242

00:08:42,949 --> 00:08:40,399

most civilians in other countries would

243

00:08:44,790 --> 00:08:42,959

be mad at us it's just

244

00:08:46,470 --> 00:08:44,800

i don't know it's like there's a really

245

00:08:49,990 --> 00:08:46,480

aggressive mean

246

00:08:52,389 --> 00:08:50,000

jock physically violent drunken jock

247

00:08:54,389 --> 00:08:52,399

who's in charge of our team and like

248

00:08:55,430 --> 00:08:54,399

everywhere our team goes

249

00:08:58,230 --> 00:08:55,440

he just

250

00:08:59,910 --> 00:08:58,240

is totally violent goes way overboard is

251

00:09:01,990 --> 00:08:59,920

he's totally

252

00:09:03,910 --> 00:09:02,000

racist and culturally insensitive and

253

00:09:05,110 --> 00:09:03,920

he's just getting in fights with people

254

00:09:06,790 --> 00:09:05,120

all the time

255

00:09:08,949 --> 00:09:06,800

and like this guy's on our team and he

256

00:09:10,310 --> 00:09:08,959

represents us everywhere we go

257

00:09:12,070 --> 00:09:10,320

and everybody else on the team is kind

258

00:09:13,829 --> 00:09:12,080

of sitting there like geez this guy's

259

00:09:15,829 --> 00:09:13,839

kind of an [h__\h] he's on the loose

260

00:09:18,070 --> 00:09:15,839

again you know who's going to stop him

261

00:09:19,030 --> 00:09:18,080

none of us can't stop him we just

262

00:09:21,030 --> 00:09:19,040

seem like we should have some

263

00:09:22,710 --> 00:09:21,040

responsibility because we're nearest to

264

00:09:24,230 --> 00:09:22,720

him you know

265

00:09:26,470 --> 00:09:24,240

but we're just as big of victims as

266

00:09:27,910 --> 00:09:26,480

anyone else yeah i mean he's our

267

00:09:29,110 --> 00:09:27,920

teammate

268

00:09:31,430 --> 00:09:29,120

but it's like we really don't have a

269

00:09:33,910 --> 00:09:31,440

coach you know in that analogy who's the

270

00:09:36,710 --> 00:09:33,920

guy from the outside perspective who

271

00:09:38,150 --> 00:09:36,720

knows what's right and is like okay well

272

00:09:39,910 --> 00:09:38,160

you're being really violent and

273

00:09:41,990 --> 00:09:39,920

aggressive it's out of line you know we

274

00:09:44,230 --> 00:09:42,000

need to re-strategize what our team is

275

00:09:46,550 --> 00:09:44,240

doing because this guy

276

00:09:49,110 --> 00:09:46,560

the military-industrial complex

277

00:09:50,949 --> 00:09:49,120

he's an uncaged being people i hope you

278

00:09:52,630 --> 00:09:50,959

really enjoy your support the troops

279

00:09:53,750 --> 00:09:52,640

bumper sticker because it's those very

280

00:09:55,829 --> 00:09:53,760

same troops that are going to be

281

00:09:57,590 --> 00:09:55,839

dragging your ass through the streets

282

00:09:59,350 --> 00:09:57,600

like the scum you are because they've

283

00:10:01,269 --> 00:09:59,360

been brainwashed to believe for whatever

284

00:10:02,630 --> 00:10:01,279

reason it will be at the time that we're

285

00:10:05,190 --> 00:10:02,640

the bad guy

286

00:10:08,310 --> 00:10:05,200

because we're not on that team so we can

287

00:10:10,550 --> 00:10:08,320

be shot and beaten and put into a camp

288

00:10:12,949 --> 00:10:10,560

the tide will turn and i feel like we're

289

00:10:15,430 --> 00:10:12,959

in the midst of that with all the spying

290

00:10:17,509 --> 00:10:15,440

and the drones uh the needing needing

291

00:10:18,389 --> 00:10:17,519

for justification of a domestic drone

292

00:10:20,630 --> 00:10:18,399

strike

293

00:10:21,670 --> 00:10:20,640

needing of justification to kill a

294

00:10:23,590 --> 00:10:21,680

person

295

00:10:24,949 --> 00:10:23,600

because the government has determined

296

00:10:26,870 --> 00:10:24,959

that they

297

00:10:28,630 --> 00:10:26,880

committed whatever crime

298

00:10:30,710 --> 00:10:28,640

they're supposed to have committed i

299

00:10:32,069 --> 00:10:30,720

mean when the person's dead going back

300

00:10:33,509 --> 00:10:32,079

and going over the evidence and putting

301
00:10:36,230 --> 00:10:33,519
them on trail really doesn't do a whole

302
00:10:37,829 --> 00:10:36,240
lot of good yeah murder i mean like with

303
00:10:38,870 --> 00:10:37,839
drone strikes

304
00:10:41,190 --> 00:10:38,880
or

305
00:10:42,310 --> 00:10:41,200
indefinite detention like at guantanamo

306
00:10:44,550 --> 00:10:42,320
bay

307
00:10:45,750 --> 00:10:44,560
yeah they can just seize people no

308
00:10:48,949 --> 00:10:45,760
charges

309
00:10:52,630 --> 00:10:48,959
no trial not but i think courts are just

310
00:10:54,389 --> 00:10:52,640
but there's just no way to undo the

311
00:10:56,150 --> 00:10:54,399
them putting you in a cage once they've

312
00:10:57,750 --> 00:10:56,160
put you in a cage you're there i don't

313
00:10:59,350 --> 00:10:57,760

know how you can houdini your way out of

314

00:11:00,870 --> 00:10:59,360

that right

315

00:11:03,670 --> 00:11:00,880

did you see that video that was going

316

00:11:05,590 --> 00:11:03,680

around of most staff going through the

317

00:11:07,590 --> 00:11:05,600

forced feeding procedures that they go

318

00:11:10,389 --> 00:11:07,600

through at guantanamo bay it was

319

00:11:12,550 --> 00:11:10,399

terrifying and yes i've seen that yeah

320

00:11:14,870 --> 00:11:12,560

it i had a few people comment on that

321

00:11:16,470 --> 00:11:14,880

saying like this is not that unusual

322

00:11:18,630 --> 00:11:16,480

this is what they do in the medical

323

00:11:21,590 --> 00:11:18,640

profession you know he's being pretty

324

00:11:22,470 --> 00:11:21,600

dramatic and i'm just like whoa whoa

325

00:11:25,590 --> 00:11:22,480

whoa

326

00:11:28,790 --> 00:11:25,600

like hold the [h__\h] up i mean

327

00:11:30,870 --> 00:11:28,800

shouldn't a person have the right to to

328

00:11:32,870 --> 00:11:30,880

die like i mean jesus christ i guess

329

00:11:35,030 --> 00:11:32,880

that's a big issue it is illegal it is

330

00:11:36,710 --> 00:11:35,040

definitely against the law but someone

331

00:11:39,030 --> 00:11:36,720

should have the right the

332

00:11:40,949 --> 00:11:39,040

the right to their own life to die you

333

00:11:43,110 --> 00:11:40,959

are force-feeding people that are

334

00:11:45,430 --> 00:11:43,120

protesting the conditions in which

335

00:11:47,430 --> 00:11:45,440

they're being held under which is no

336

00:11:50,389 --> 00:11:47,440

trial we don't even know their names

337

00:11:52,630 --> 00:11:50,399

they're locked away in a dungeon for the

338

00:11:54,870 --> 00:11:52,640

their entirety of their life i mean

339

00:11:57,350 --> 00:11:54,880

jesus christ i'm upset because 40 hours

340

00:12:00,230 --> 00:11:57,360

a week i have to go to work these people

341

00:12:03,590 --> 00:12:00,240

24 7 locked in a cage away from everyone

342

00:12:04,870 --> 00:12:03,600

they know their only escape

343

00:12:07,350 --> 00:12:04,880

is to die

344

00:12:09,350 --> 00:12:07,360

their only means of that is to not eat

345

00:12:12,310 --> 00:12:09,360

you know how [h__h] hard that must be

346

00:12:14,389 --> 00:12:12,320

to just [h__h] die of not eating and

347

00:12:16,470 --> 00:12:14,399

yet they get a tube shoved up their nose

348

00:12:17,590 --> 00:12:16,480

and they get [h__h]

349

00:12:20,870 --> 00:12:17,600

pate

350

00:12:22,790 --> 00:12:20,880

cat food [h__h] nasty ass

351

00:12:25,430 --> 00:12:22,800

blended meat

352

00:12:27,670 --> 00:12:25,440

put up their nose like that is got to be

353

00:12:30,310 --> 00:12:27,680

hell and they're only living because of

354

00:12:32,550 --> 00:12:30,320

that and they they can't die like jesus

355

00:12:34,629 --> 00:12:32,560

christ what kind of fail

356

00:12:36,870 --> 00:12:34,639

i mean that's that's ridiculous and then

357

00:12:40,150 --> 00:12:36,880

to have that be defended

358

00:12:42,230 --> 00:12:40,160

i it's impossible to defend it's insane

359

00:12:44,870 --> 00:12:42,240

but the only

360

00:12:47,269 --> 00:12:44,880

possible rationale is that the person

361

00:12:49,030 --> 00:12:47,279

who's force feeding the person who wants

362

00:12:51,670 --> 00:12:49,040

to voluntarily die

363

00:12:54,230 --> 00:12:51,680

the force feeder is actually the one who

364

00:12:56,710 --> 00:12:54,240

has their best interest in mind you know

365

00:12:58,470 --> 00:12:56,720

they really know what's best for you and

366

00:13:00,069 --> 00:12:58,480

it's kind of silly to commit suicide

367

00:13:01,829 --> 00:13:00,079

don't you think so i'm just going to

368

00:13:03,509 --> 00:13:01,839

give you a little bit of food up through

369

00:13:06,949 --> 00:13:03,519

the nose and we're just going to keep

370

00:13:08,790 --> 00:13:06,959

this show going but it's it's done

371

00:13:12,150 --> 00:13:08,800

you know and this is an analogy for

372

00:13:14,150 --> 00:13:12,160

religions too it's like i'm helping you

373

00:13:15,750 --> 00:13:14,160

accept my help because i know what's

374

00:13:17,590 --> 00:13:15,760

best for you and you don't even know

375

00:13:18,870 --> 00:13:17,600

what's good for yourself

376

00:13:20,150 --> 00:13:18,880

right

377

00:13:21,829 --> 00:13:20,160

you know something else i wanted to

378

00:13:22,710 --> 00:13:21,839

address before we bring the guest in is

379

00:13:24,629 --> 00:13:22,720

like

380

00:13:26,310 --> 00:13:24,639

you know i guess

381

00:13:28,069 --> 00:13:26,320

a lot of people look at the venus

382

00:13:29,670 --> 00:13:28,079

project or the zeitgeist movement they

383

00:13:30,389 --> 00:13:29,680

say that is a shell

384

00:13:33,190 --> 00:13:30,399

for

385

00:13:34,790 --> 00:13:33,200

the new world order because they want

386

00:13:41,269 --> 00:13:34,800

one world

387

00:13:42,790 --> 00:13:41,279

isn't the bad guy it's it's you know the

388

00:13:45,030 --> 00:13:42,800

authoritarian

389

00:13:46,230 --> 00:13:45,040

state you know the surveillance state

390

00:13:55,350 --> 00:13:46,240

the

391

00:13:57,829 --> 00:13:55,360

one and think that that's a bad thing

392

00:14:00,069 --> 00:13:57,839

it's all just about corrupt leadership

393

00:14:01,350 --> 00:14:00,079

and uh you know our guest today john

394

00:14:03,990 --> 00:14:01,360

rappaport he talks a lot about

395

00:14:06,150 --> 00:14:04,000

collectivism and we're kind of

396

00:14:09,030 --> 00:14:06,160

hinting on those topics on those themes

397

00:14:11,430 --> 00:14:09,040

because uh being on the same team

398

00:14:13,829 --> 00:14:11,440

creates a situation where that's how the

399

00:14:15,350 --> 00:14:13,839

nazis rose to power they created a space

400

00:14:17,350 --> 00:14:15,360

where everybody was like oh i want to be

401
00:14:19,269 --> 00:14:17,360
on that team and then you kind of put up

402
00:14:21,030 --> 00:14:19,279
with the bad things that the leadership

403
00:14:22,710 --> 00:14:21,040
of that team does you know that's

404
00:14:24,790 --> 00:14:22,720
exactly what it is to be an american you

405
00:14:26,870 --> 00:14:24,800
want to be on the american team you

406
00:14:29,269 --> 00:14:26,880
don't necessarily like the military or

407
00:14:30,710 --> 00:14:29,279
the drones or the surveillance but uh

408
00:14:32,310 --> 00:14:30,720
you know it's all part of being on the

409
00:14:34,069 --> 00:14:32,320
team and

410
00:14:36,069 --> 00:14:34,079
that group think is definitely

411
00:14:37,910 --> 00:14:36,079
detrimental and it's definitely a

412
00:14:39,829 --> 00:14:37,920
control mechanism

413
00:14:42,230 --> 00:14:39,839

but at the same time

414

00:14:45,269 --> 00:14:42,240

uh i really do think that

415

00:14:47,269 --> 00:14:45,279

creating a world uh that is unified

416

00:14:49,110 --> 00:14:47,279

would make it very hard for war to break

417

00:14:50,389 --> 00:14:49,120

out again you know you got to have

418

00:14:52,629 --> 00:14:50,399

people

419

00:14:54,710 --> 00:14:52,639

thinking of themselves as humanity

420

00:14:57,350 --> 00:14:54,720

rather than as white people black people

421

00:14:59,750 --> 00:14:57,360

americans middle easterns

422

00:15:03,430 --> 00:14:59,760

and that's pretty important but i guess

423

00:15:05,430 --> 00:15:03,440

john's bigger point is the

424

00:15:07,269 --> 00:15:05,440

suppression of the individual's power

425

00:15:08,710 --> 00:15:07,279

and yes obviously i think everyone

426
00:15:11,269 --> 00:15:08,720
should be able to do what they want to

427
00:15:12,949 --> 00:15:11,279
do i don't want any restrictions on the

428
00:15:14,790 --> 00:15:12,959
way a person lives their life but i

429
00:15:16,389 --> 00:15:14,800
think we should be working as a global

430
00:15:18,230 --> 00:15:16,399
unit and i don't care if that's

431
00:15:19,910 --> 00:15:18,240
something the new world order also wants

432
00:15:22,310 --> 00:15:19,920
because it's completely different in my

433
00:15:26,470 --> 00:15:24,550
i mean these guys want to control the

434
00:15:27,269 --> 00:15:26,480
banks and the money

435
00:15:30,470 --> 00:15:27,279
but

436
00:15:32,629 --> 00:15:30,480
they do so by uh divide and conquer they

437
00:15:33,829 --> 00:15:32,639
make little factions fight between each

438
00:15:36,710 --> 00:15:33,839

other

439

00:15:38,710 --> 00:15:36,720

and slowly they control everybody

440

00:15:41,030 --> 00:15:38,720

but i think that's quite a different

441

00:15:43,110 --> 00:15:41,040

thing from it a one world kind of like

442

00:15:45,750 --> 00:15:43,120

perspective where

443

00:15:49,509 --> 00:15:45,760

we looked at all life and all people's

444

00:15:51,110 --> 00:15:49,519

lives as valuable and if anybody is

445

00:15:52,949 --> 00:15:51,120

locked in the cage you're getting force

446

00:15:54,790 --> 00:15:52,959

fed tubes up their nose and none of us

447

00:15:56,230 --> 00:15:54,800

are really doing that great and we got

448

00:15:57,910 --> 00:15:56,240

some serious [h__h] we need to resolve

449

00:15:59,910 --> 00:15:57,920

still

450

00:16:02,150 --> 00:15:59,920

yeah i feel like the path of the

451
00:16:04,150 --> 00:16:02,160
individual though sometimes

452
00:16:05,749 --> 00:16:04,160
takes a right-wing

453
00:16:09,110 --> 00:16:05,759
libertarian

454
00:16:11,189 --> 00:16:09,120
kind of perspective and saying that you

455
00:16:13,189 --> 00:16:11,199
know everybody should have

456
00:16:16,230 --> 00:16:13,199
the right to live their life without any

457
00:16:17,749 --> 00:16:16,240
regulations and not all this red tape in

458
00:16:19,509 --> 00:16:17,759
the way of their dreams and that's

459
00:16:20,790 --> 00:16:19,519
something i agree with but at the same

460
00:16:22,069 --> 00:16:20,800
time

461
00:16:24,470 --> 00:16:22,079
you know if there's people in your

462
00:16:25,749 --> 00:16:24,480
community suffering do you really have

463
00:16:27,430 --> 00:16:25,759

security

464

00:16:29,110 --> 00:16:27,440

no and it's not even just about that but

465

00:16:31,350 --> 00:16:29,120

that's the way i try to reach them is

466

00:16:33,829 --> 00:16:31,360

saying you know you may not give a [h__h]

467

00:16:37,030 --> 00:16:33,839

about dave down the street who's uh

468

00:16:39,110 --> 00:16:37,040

taking cans out of your garbage to eat

469

00:16:40,389 --> 00:16:39,120

but uh the day there's no cans there he

470

00:16:42,150 --> 00:16:40,399

might just come in your house with a

471

00:16:44,230 --> 00:16:42,160

knife and say give me what's in your

472

00:16:46,470 --> 00:16:44,240

[h__h] wallet because i gotta eat and

473

00:16:48,069 --> 00:16:46,480

you don't want that that's a regulation

474

00:16:49,430 --> 00:16:48,079

of type that's some red tape to go

475

00:16:51,509 --> 00:16:49,440

through

476

00:16:54,069 --> 00:16:51,519

but i just hate when the coal i hate the

477

00:16:55,990 --> 00:16:54,079

cold-heartedness of the libertarian

478

00:16:58,790 --> 00:16:56,000

perspective

479

00:17:00,949 --> 00:16:58,800

yeah there's a cold-heartedness in

480

00:17:02,389 --> 00:17:00,959

almost every

481

00:17:04,630 --> 00:17:02,399

even the so-called bleeding heart

482

00:17:05,909 --> 00:17:04,640

liberals like everybody essentially has

483

00:17:08,069 --> 00:17:05,919

a cold heart

484

00:17:10,230 --> 00:17:08,079

and the regard that

485

00:17:13,510 --> 00:17:10,240

because we're so because the pace of our

486

00:17:15,350 --> 00:17:13,520

lives is so busy in order to just get by

487

00:17:17,189 --> 00:17:15,360

like we don't notice

488

00:17:20,309 --> 00:17:17,199

the well-being of the community around

489

00:17:22,630 --> 00:17:20,319

us and if we were just living with like

490

00:17:25,029 --> 00:17:22,640

no work schedule and no real like

491

00:17:27,590 --> 00:17:25,039

timelines we would the first thing that

492

00:17:29,669 --> 00:17:27,600

would kick back in is empathy and we'd

493

00:17:32,230 --> 00:17:29,679

look around and go [h__h] like these guys

494

00:17:34,310 --> 00:17:32,240

aren't doing so good and we would go

495

00:17:35,909 --> 00:17:34,320

towards those problems but you know in

496

00:17:36,789 --> 00:17:35,919

our day-to-day lives you kind of feel

497

00:17:38,950 --> 00:17:36,799

like

498

00:17:40,789 --> 00:17:38,960

well maybe there's some health agency

499

00:17:42,630 --> 00:17:40,799

that's helping them or some government

500

00:17:44,549 --> 00:17:42,640

group can help them or some church or

501
00:17:46,710 --> 00:17:44,559
something but i can't take time out of

502
00:17:48,230 --> 00:17:46,720
my day i can't dedicate my resources to

503
00:17:49,750 --> 00:17:48,240
helping other people

504
00:17:51,510 --> 00:17:49,760
true

505
00:17:54,549 --> 00:17:51,520
amen man

506
00:17:56,310 --> 00:17:54,559
the individual is forced to like

507
00:17:58,470 --> 00:17:56,320
like you're a rugged

508
00:18:00,630 --> 00:17:58,480
out there wild animal on your own just

509
00:18:02,549 --> 00:18:00,640
trying to fend for only yourself

510
00:18:04,710 --> 00:18:02,559
and yet the community around you falls

511
00:18:05,990 --> 00:18:04,720
apart tears down the property value

512
00:18:09,350 --> 00:18:06,000
around you

513
00:18:12,070 --> 00:18:09,360

it's it endangers everybody when people

514

00:18:14,950 --> 00:18:12,080

are poor and looking for food or drug

515

00:18:17,029 --> 00:18:14,960

crazy because they can't function in

516

00:18:18,549 --> 00:18:17,039

this world which is in my opinion

517

00:18:20,710 --> 00:18:18,559

totally legit it's a hard world to

518

00:18:22,950 --> 00:18:20,720

function in

519

00:18:24,870 --> 00:18:22,960

agreed man

520

00:18:25,830 --> 00:18:24,880

what can you do

521

00:18:27,590 --> 00:18:25,840

we can

522

00:18:29,190 --> 00:18:27,600

unleash the power of the individual and

523

00:18:31,750 --> 00:18:29,200

that's what i want to hear about and it

524

00:18:34,070 --> 00:18:31,760

looks like it's about that time um two

525

00:18:35,750 --> 00:18:34,080

bulls and three mimosas deep and we got

526

00:18:38,470 --> 00:18:35,760

to get the bills paid get john on the

527

00:18:40,710 --> 00:18:38,480

horn so let me tell you if you haven't

528

00:18:43,350 --> 00:18:40,720

checked them out yet mind comics is a

529

00:18:46,710 --> 00:18:43,360

company that puts on some great great

530

00:18:48,470 --> 00:18:46,720

little comics all in a pdf format for

531

00:18:50,310 --> 00:18:48,480

like a couple dollars a piece they have

532

00:18:52,150 --> 00:18:50,320

off-grid which we've talked about before

533

00:18:53,990 --> 00:18:52,160

it's a tale of in the not too distant

534

00:18:55,029 --> 00:18:54,000

future where a small pocket of freedom

535

00:18:57,190 --> 00:18:55,039

fighters

536

00:18:59,430 --> 00:18:57,200

are resisting and trying to keep it

537

00:19:00,870 --> 00:18:59,440

together against the enslaving drone

538

00:19:02,470 --> 00:19:00,880

happy government

539

00:19:04,870 --> 00:19:02,480

they also have psychonauts which i

540

00:19:07,750 --> 00:19:04,880

haven't read but it involves weed aliens

541

00:19:09,590 --> 00:19:07,760

video games based on the cover picture

542

00:19:10,789 --> 00:19:09,600

so that's a serious triple threat if you

543

00:19:12,630 --> 00:19:10,799

ask me

544

00:19:15,390 --> 00:19:12,640

so go explore the outer reaches of your

545

00:19:18,150 --> 00:19:15,400

mind at mindcomics.com

546

00:19:21,430 --> 00:19:18,160

mindcomics.com and use the coupon code

547

00:19:23,110 --> 00:19:21,440

thc to get 20 percent off and to let

548

00:19:24,710 --> 00:19:23,120

them know i sent you

549

00:19:26,310 --> 00:19:24,720

i also wanted to mention that if you're

550

00:19:28,710 --> 00:19:26,320

in missouri there's an event in lee

551
00:19:30,710 --> 00:19:28,720
summit which is way the [h__h] out there

552
00:19:33,270 --> 00:19:30,720
but it's this weekend it's the second

553
00:19:35,830 --> 00:19:33,280
annual mid-continent paranormal

554
00:19:37,590 --> 00:19:35,840
conference it's uh cheap and it's going

555
00:19:39,430 --> 00:19:37,600
on this weekend august second 3rd they

556
00:19:42,470 --> 00:19:39,440
wanted thc to have a presence there but

557
00:19:43,990 --> 00:19:42,480
it was just too hard to get that going

558
00:19:45,750 --> 00:19:44,000
we were going to send kyle out there to

559
00:19:47,750 --> 00:19:45,760
represent but even for a guy who lives

560
00:19:48,950 --> 00:19:47,760
in missouri at least summit it ain't

561
00:19:51,350 --> 00:19:48,960
close

562
00:19:53,590 --> 00:19:51,360
well i apologize i mean it just happened

563
00:19:56,789 --> 00:19:53,600

to be in a situation where my car needed

564

00:19:58,870 --> 00:19:56,799

to be fixed my tooth et cetera et cetera

565

00:20:01,669 --> 00:19:58,880

i would love to be at this con this is a

566

00:20:03,029 --> 00:20:01,679

wonderful con i support this con

567

00:20:04,710 --> 00:20:03,039

and perhaps

568

00:20:07,590 --> 00:20:04,720

you know by some stroke of fate they

569

00:20:09,110 --> 00:20:07,600

will see me there yeah

570

00:20:10,710 --> 00:20:09,120

that'd be nice but either way it's this

571

00:20:11,990 --> 00:20:10,720

weekend if you care i told them i would

572

00:20:13,510 --> 00:20:12,000

i would mention it you know because they

573

00:20:14,870 --> 00:20:13,520

wanted us to be involved i said i can't

574

00:20:16,789 --> 00:20:14,880

be involved but i can at least tell

575

00:20:19,029 --> 00:20:16,799

people about it but i can't make a habit

576

00:20:20,470 --> 00:20:19,039

of doing this for every [h__h] thing

577

00:20:22,070 --> 00:20:20,480

i know i've been plugging a shitload of

578

00:20:23,830 --> 00:20:22,080

events lately and it's because i want

579

00:20:26,310 --> 00:20:23,840

the alternative movement to gain some

580

00:20:27,990 --> 00:20:26,320

real world steam but i mean i'm gonna

581

00:20:29,830 --> 00:20:28,000

have to stop because the excitement and

582

00:20:31,830 --> 00:20:29,840

enjoyment i get out of these events is

583

00:20:34,630 --> 00:20:31,840

always trumped by my disappointment and

584

00:20:37,029 --> 00:20:34,640

how small and old the crowd is i can't

585

00:20:40,149 --> 00:20:37,039

find 20 people under the age of 30 at

586

00:20:42,230 --> 00:20:40,159

the one paranoiacon event ever yet the

587

00:20:43,990 --> 00:20:42,240

shitty baseball team can fill the stands

588

00:20:46,310 --> 00:20:44,000

three times a week it kind of pisses me

589

00:20:47,590 --> 00:20:46,320

off i want more out of all this you know

590

00:20:49,029 --> 00:20:47,600

but i think i'm just gonna have to be

591

00:20:50,789 --> 00:20:49,039

happy with the show and move out of the

592

00:20:53,029 --> 00:20:50,799

country where i can still broadcast and

593

00:20:54,470 --> 00:20:53,039

just hope for the best man

594

00:20:56,470 --> 00:20:54,480

amen

595

00:20:58,710 --> 00:20:56,480

anyway finally conspiracies my

596

00:21:01,110 --> 00:20:58,720

conspiracy themed high quality clothing

597

00:21:03,110 --> 00:21:01,120

brand is the best way to help thc and

598

00:21:04,950 --> 00:21:03,120

look good doing it i have a lot of

599

00:21:07,430 --> 00:21:04,960

different designs with a ton more on the

600

00:21:09,350 --> 00:21:07,440

way once i get good at the hand printing

601
00:21:11,909 --> 00:21:09,360
and unlike so many other things in the

602
00:21:15,590 --> 00:21:11,919
world of conspiracy i try to make

603
00:21:17,510 --> 00:21:15,600
these shirts stylish and high quality

604
00:21:19,190 --> 00:21:17,520
but i'll let the ad do what it does and

605
00:21:20,950 --> 00:21:19,200
we'll be getting deeper than a saint

606
00:21:23,830 --> 00:21:20,960
pius school teacher

607
00:21:25,830 --> 00:21:23,840
on the other side with john rappaport

608
00:21:29,960 --> 00:21:25,840
boom

609
00:21:29,960 --> 00:21:29,970
oh my god saint pius

610
00:21:29,970 --> 00:21:33,750
[Music]

611
00:21:37,110 --> 00:21:35,270
we're here because we don't buy into the

612
00:21:39,029 --> 00:21:37,120
[h__\h] of mainstream culture we're

613
00:21:40,470 --> 00:21:39,039

tired of the mundane passionless careers

614

00:21:42,149 --> 00:21:40,480

we've been shuffled into as a result of

615

00:21:44,230 --> 00:21:42,159

this orchestrated debt-based system of

616

00:21:45,990 --> 00:21:44,240

rule and the stranglehold on education

617

00:21:47,430 --> 00:21:46,000

entertainment by cold soulless

618

00:21:50,950 --> 00:21:47,440

corporations

619

00:21:51,909 --> 00:21:50,960

people yes we are frustrated yes we are

620

00:21:53,350 --> 00:21:51,919

tired

621

00:21:54,630 --> 00:21:53,360

and we reject the free approved

622

00:21:56,950 --> 00:21:54,640

tranquilizers that are monday night

623

00:21:58,390 --> 00:21:56,960

football and an ice cold budweiser we

624

00:21:59,909 --> 00:21:58,400

have to stop hiding

625

00:22:02,070 --> 00:21:59,919

stop hiding behind the headphones in the

626

00:22:03,669 --> 00:22:02,080

cherry popper 420 username

627

00:22:06,149 --> 00:22:03,679

let the world see that the resistance is

628

00:22:08,070 --> 00:22:06,159

strong and society is changing it was a

629

00:22:09,190 --> 00:22:08,080

time to be anonymous but that time has

630

00:22:10,710 --> 00:22:09,200

passed

631

00:22:12,789 --> 00:22:10,720

and so the higher side chats would like

632

00:22:14,549 --> 00:22:12,799

to present conspiracies as the dawning

633

00:22:15,830 --> 00:22:14,559

of this new paradigm in the uniform of

634

00:22:17,350 --> 00:22:15,840

the revolution

635

00:22:19,510 --> 00:22:17,360

because bold fashion should mean more

636

00:22:21,190 --> 00:22:19,520

than some celebrity meat dress or frappe

637

00:22:23,350 --> 00:22:21,200

and a silly pink color

638

00:22:24,950 --> 00:22:23,360

conspiracy redefines bold fashion as

639

00:22:27,270 --> 00:22:24,960

having the balls to project socially

640

00:22:29,350 --> 00:22:27,280

uncomfortable and unpopular truths from

641

00:22:31,190 --> 00:22:29,360

your radiant chest all

642

00:22:32,789 --> 00:22:31,200

[h__\h] day

643

00:22:35,190 --> 00:22:32,799

conspirates.net

644

00:22:40,149 --> 00:22:35,200

let them know that you know bold designs

645

00:22:41,830 --> 00:22:40,159

for troubled times hard truths softcup

646

00:22:43,990 --> 00:22:41,840

all right people let's get this party

647

00:22:45,909 --> 00:22:44,000

started welcome back to thc today is

648

00:22:47,909 --> 00:22:45,919

going to be another journey deep into

649

00:22:49,830 --> 00:22:47,919

the rabbit hole we all know that the

650

00:22:51,990 --> 00:22:49,840

mainstream news is as staged as an

651
00:22:53,990 --> 00:22:52,000
episode of storage wars but by studying

652
00:22:55,830 --> 00:22:54,000
these stories and the narrative put out

653
00:22:57,669 --> 00:22:55,840
by the corporate media we can get a

654
00:22:59,750 --> 00:22:57,679
little insight into how they're trying

655
00:23:01,510 --> 00:22:59,760
to influence the people and which cliff

656
00:23:03,190 --> 00:23:01,520
they're trying to march you off of this

657
00:23:04,390 --> 00:23:03,200
week so

658
00:23:06,390 --> 00:23:04,400
we're going to look at a few of these

659
00:23:08,230 --> 00:23:06,400
recent news stories these small branches

660
00:23:09,909 --> 00:23:08,240
the conspiracy tree and then hopefully

661
00:23:11,909 --> 00:23:09,919
we can broaden things out a bit and try

662
00:23:13,350 --> 00:23:11,919
to look at the tree as a whole the roots

663
00:23:15,430 --> 00:23:13,360

that help it grow and the people who

664

00:23:17,190 --> 00:23:15,440

water it and today's guest is just the

665

00:23:18,710 --> 00:23:17,200

man to take us on that trip john

666

00:23:20,149 --> 00:23:18,720

rappaport has been writing about the

667

00:23:23,070 --> 00:23:20,159

real news they don't want you to know

668

00:23:25,430 --> 00:23:23,080

about for many years on his website

669

00:23:27,510 --> 00:23:25,440

nomorefakenews.com and in his two

670

00:23:29,830 --> 00:23:27,520

massively large collections the matrix

671

00:23:31,990 --> 00:23:29,840

revealed an exit from the matrix he also

672

00:23:33,909 --> 00:23:32,000

does that as well john was a candidate

673

00:23:36,070 --> 00:23:33,919

for the u.s congressional seat in the

674

00:23:38,549 --> 00:23:36,080

29th district of california and has also

675

00:23:40,310 --> 00:23:38,559

been nominated for a pulitzer prize from

676

00:23:41,990 --> 00:23:40,320

right here in sunny san diego john

677

00:23:43,990 --> 00:23:42,000

welcome to thc

678

00:23:45,669 --> 00:23:44,000

great to be here thanks yeah man it's

679

00:23:47,669 --> 00:23:45,679

great to have you i'm really excited for

680

00:23:49,270 --> 00:23:47,679

this show some of the topics you talk

681

00:23:51,270 --> 00:23:49,280

about like the

682

00:23:53,990 --> 00:23:51,280

true creative power of the individual

683

00:23:55,669 --> 00:23:54,000

and the false reality we've bought into

684

00:23:57,909 --> 00:23:55,679

are really interesting and their

685

00:23:59,990 --> 00:23:57,919

conspiracy at its core really and i

686

00:24:01,750 --> 00:24:00,000

definitely want to build to that but let

687

00:24:03,590 --> 00:24:01,760

me kick this off by asking you about the

688

00:24:05,830 --> 00:24:03,600

edward snowden situation i've come to

689

00:24:08,070 --> 00:24:05,840

learn that if the mainstream media is

690

00:24:09,909 --> 00:24:08,080

covering any story at length across all

691

00:24:12,149 --> 00:24:09,919

networks and it's probably not a true

692

00:24:14,149 --> 00:24:12,159

story or the narrative has been altered

693

00:24:15,750 --> 00:24:14,159

and so as more and more the snowden

694

00:24:17,590 --> 00:24:15,760

story was being reported i started to

695

00:24:19,269 --> 00:24:17,600

wonder what's really going on here and

696

00:24:20,710 --> 00:24:19,279

it seems like we're getting real

697

00:24:22,310 --> 00:24:20,720

information but the media are the

698

00:24:23,510 --> 00:24:22,320

gatekeepers and they don't tell us what

699

00:24:25,669 --> 00:24:23,520

we're not supposed to know so

700

00:24:27,430 --> 00:24:25,679

something's not right you have a pretty

701
00:24:28,950 --> 00:24:27,440
interesting analysis of the situ of the

702
00:24:31,110 --> 00:24:28,960
situation yourself would you mind

703
00:24:32,950 --> 00:24:31,120
walking us down that path a little bit

704
00:24:35,590 --> 00:24:32,960
sure well i've written a number of

705
00:24:37,669 --> 00:24:35,600
articles on this and basically i took my

706
00:24:39,350 --> 00:24:37,679
cue from the breaking story in the

707
00:24:42,390 --> 00:24:39,360
guardian

708
00:24:44,310 --> 00:24:42,400
about snowden and his own statements

709
00:24:45,510 --> 00:24:44,320
about his background

710
00:24:48,390 --> 00:24:45,520
because

711
00:24:50,870 --> 00:24:48,400
many things seem strange to me

712
00:24:52,870 --> 00:24:50,880
starting with the fact that as a high

713
00:24:54,789 --> 00:24:52,880

school dropout

714

00:24:58,070 --> 00:24:54,799

he suddenly

715

00:25:00,870 --> 00:24:58,080

assumed a position with the cia

716

00:25:03,990 --> 00:25:00,880

was sent to geneva under diplomatic

717

00:25:06,630 --> 00:25:04,000

cover which is serious stuff and became

718

00:25:09,110 --> 00:25:06,640

kind of a supervisor there on

719

00:25:11,350 --> 00:25:09,120

system security

720

00:25:13,830 --> 00:25:11,360

then he claims that

721

00:25:16,549 --> 00:25:13,840

one of the key events that soured him on

722

00:25:18,070 --> 00:25:16,559

the cia was when

723

00:25:22,149 --> 00:25:18,080

in switzerland

724

00:25:26,470 --> 00:25:24,310

did something to a banker

725

00:25:28,470 --> 00:25:26,480

they encouraged him to get drunk and to

726

00:25:30,549 --> 00:25:28,480

drive and he got busted and then they

727

00:25:32,950 --> 00:25:30,559

bailed him out and they formed a bond

728

00:25:35,909 --> 00:25:32,960

and then eventually the banker started

729

00:25:37,110 --> 00:25:35,919

feeding the cia guys you know privileged

730

00:25:39,269 --> 00:25:37,120

information

731

00:25:40,870 --> 00:25:39,279

and i thought to myself wow that that

732

00:25:42,870 --> 00:25:40,880

doesn't bring true you're telling me a

733

00:25:44,549 --> 00:25:42,880

guy's working for the cia and an

734

00:25:47,190 --> 00:25:44,559

incident like that

735

00:25:49,750 --> 00:25:47,200

which is sort of you know just

736

00:25:52,549 --> 00:25:49,760

the very mildest of the kind of things

737

00:25:53,830 --> 00:25:52,559

that the cia does turn this kid against

738

00:25:56,310 --> 00:25:53,840

the cia

739

00:25:58,789 --> 00:25:56,320

and then he also claimed that even at

740

00:26:01,590 --> 00:25:58,799

that early date 2008 while he was in

741

00:26:04,070 --> 00:26:01,600

geneva he had enough information to take

742

00:26:07,029 --> 00:26:04,080

down the entire us intelligence network

743

00:26:08,470 --> 00:26:07,039

which to me seemed very dubious

744

00:26:11,669 --> 00:26:08,480

and then

745

00:26:13,430 --> 00:26:11,679

of course we have the whole episode uh

746

00:26:14,549 --> 00:26:13,440

i'm sort of shortcutting this there are

747

00:26:17,430 --> 00:26:14,559

other

748

00:26:19,990 --> 00:26:17,440

anomalies in this back story

749

00:26:21,909 --> 00:26:20,000

but then he goes to work uh as a

750

00:26:24,310 --> 00:26:21,919

contractor for booz allen and he's

751

00:26:26,870 --> 00:26:24,320

assigned to the nsa

752

00:26:29,990 --> 00:26:26,880

and we're supposed to believe

753

00:26:32,710 --> 00:26:30,000

that the nsa which is the most brilliant

754

00:26:35,510 --> 00:26:32,720

and comprehensive and meticulous

755

00:26:37,350 --> 00:26:35,520

spy agency in the world just happened to

756

00:26:38,549 --> 00:26:37,360

forget

757

00:26:40,789 --> 00:26:38,559

to put

758

00:26:41,669 --> 00:26:40,799

security measures in place within their

759

00:26:42,710 --> 00:26:41,679

own

760

00:26:45,590 --> 00:26:42,720

shop

761

00:26:46,789 --> 00:26:45,600

to prevent a loan systems analyst like

762

00:26:47,669 --> 00:26:46,799

snowden

763

00:26:49,830 --> 00:26:47,679

from

764

00:26:52,070 --> 00:26:49,840

stealing the farm with a thumb drive and

765

00:26:54,310 --> 00:26:52,080

walking out

766

00:26:56,710 --> 00:26:54,320

i highly doubt that that story is

767

00:26:59,110 --> 00:26:56,720

correct and uh

768

00:27:01,510 --> 00:26:59,120

i think that we have to keep in mind

769

00:27:03,510 --> 00:27:01,520

that the whole spying network

770

00:27:06,470 --> 00:27:03,520

are trained liars and they lie all the

771

00:27:08,230 --> 00:27:06,480

time so why should we believe such an

772

00:27:10,149 --> 00:27:08,240

improbable tale

773

00:27:12,390 --> 00:27:10,159

i don't think that's the way it happened

774

00:27:14,149 --> 00:27:12,400

at all i think that whatever snowden

775

00:27:17,190 --> 00:27:14,159

took

776

00:27:21,029 --> 00:27:17,200

he didn't have access to himself that

777

00:27:23,510 --> 00:27:21,039

the nsa really does compartmentalize its

778

00:27:29,350 --> 00:27:26,149

stashes and that it's very difficult for

779

00:27:32,070 --> 00:27:29,360

any one person to take down

780

00:27:34,710 --> 00:27:32,080

the whole system and to walk off with it

781

00:27:37,350 --> 00:27:34,720

thereby being able to expose

782

00:27:39,750 --> 00:27:37,360

everything that nsa does and how they do

783

00:27:40,630 --> 00:27:39,760

it the blueprint the whole shoot and

784

00:27:43,110 --> 00:27:40,640

match

785

00:27:45,269 --> 00:27:43,120

that in fact these documents were given

786

00:27:46,789 --> 00:27:45,279

to snowden as part of some kind of an

787

00:27:47,590 --> 00:27:46,799

operation

788

00:27:48,549 --> 00:27:47,600

and

789

00:27:51,269 --> 00:27:48,559

my

790

00:27:53,990 --> 00:27:51,279

hypothesis is that

791

00:27:55,909 --> 00:27:54,000

this could very well be the result of an

792

00:27:57,750 --> 00:27:55,919

internal turf war that's been going on

793

00:28:00,950 --> 00:27:57,760

for a very long time

794

00:28:03,750 --> 00:28:00,960

between the cia and the nsa

795

00:28:06,070 --> 00:28:03,760

because the nsa has proved to be the

796

00:28:07,909 --> 00:28:06,080

boss when it comes now to intelligence

797

00:28:09,350 --> 00:28:07,919

gathering because everything has gone

798

00:28:12,070 --> 00:28:09,360

electronic

799

00:28:14,710 --> 00:28:12,080

and the cia which formerly relied on

800

00:28:17,750 --> 00:28:14,720

human gathered intelligence

801
00:28:19,909 --> 00:28:17,760
was like the dinosaur in the club

802
00:28:21,590 --> 00:28:19,919
and they have resented that for a long

803
00:28:23,190 --> 00:28:21,600
time and this has to do with government

804
00:28:25,269 --> 00:28:23,200
budget money

805
00:28:28,630 --> 00:28:25,279
i quoted

806
00:28:31,350 --> 00:28:28,640
an incident up on the hill where we see

807
00:28:33,430 --> 00:28:31,360
that several billion dollars was taken

808
00:28:35,510 --> 00:28:33,440
away from the cia

809
00:28:37,830 --> 00:28:35,520
and at the same time

810
00:28:40,230 --> 00:28:37,840
added on to nsa

811
00:28:42,070 --> 00:28:40,240
these people in that community are

812
00:28:44,389 --> 00:28:42,080
extremely

813
00:28:45,669 --> 00:28:44,399

uh provincial in many respects

814

00:28:48,389 --> 00:28:45,679

that is

815

00:28:50,230 --> 00:28:48,399

internal warfare among agencies is the

816

00:28:52,149 --> 00:28:50,240

order of the day and so it wouldn't

817

00:28:55,430 --> 00:28:52,159

surprise me at all

818

00:28:58,389 --> 00:28:55,440

if snowden's former employees

819

00:29:00,310 --> 00:28:58,399

or somebody there then cia approached

820

00:29:02,310 --> 00:29:00,320

node and said look

821

00:29:05,350 --> 00:29:02,320

we know you're patriotic we know you

822

00:29:07,190 --> 00:29:05,360

have good intentions we think the nsa is

823

00:29:10,149 --> 00:29:07,200

getting out of hand here they're spying

824

00:29:12,710 --> 00:29:10,159

on everybody and we need a guy

825

00:29:15,350 --> 00:29:12,720

we need a guy who is willing to

826

00:29:16,230 --> 00:29:15,360

go to work for the nsa

827

00:29:18,070 --> 00:29:16,240

to

828

00:29:20,070 --> 00:29:18,080

pretend that he has no longer has any

829

00:29:22,389 --> 00:29:20,080

cia connections

830

00:29:24,549 --> 00:29:22,399

and we will provide that guy with

831

00:29:26,789 --> 00:29:24,559

documents that are going to

832

00:29:28,149 --> 00:29:26,799

hopefully punch a hole in the nsa's

833

00:29:31,350 --> 00:29:28,159

reputation

834

00:29:33,430 --> 00:29:31,360

and maybe we can take them down a notch

835

00:29:35,590 --> 00:29:33,440

are you that guy and these would have

836

00:29:38,310 --> 00:29:35,600

been a number of conversations to vet

837

00:29:40,789 --> 00:29:38,320

snowden and to decide that yeah he'll

838

00:29:42,230 --> 00:29:40,799

he's willing to go along with this

839

00:29:44,310 --> 00:29:42,240

there are a number of other potential

840

00:29:46,070 --> 00:29:44,320

explanations but the one that snowden

841

00:29:48,870 --> 00:29:46,080

himself gives

842

00:29:50,950 --> 00:29:48,880

uh to me is just simply

843

00:29:52,230 --> 00:29:50,960

too far out for example here's another

844

00:29:56,149 --> 00:29:52,240

one

845

00:29:59,269 --> 00:29:56,159

he enlists in the uh military service

846

00:30:01,269 --> 00:29:59,279

when he is i don't know 1819 still

847

00:30:03,190 --> 00:30:01,279

doesn't have a high school diploma

848

00:30:04,710 --> 00:30:03,200

and all of a sudden he's in special

849

00:30:06,630 --> 00:30:04,720

forces training

850

00:30:10,310 --> 00:30:06,640

i don't know how that happened but let's

851
00:30:12,470 --> 00:30:10,320
assume that it did and uh he then has a

852
00:30:15,350 --> 00:30:12,480
training accident he says

853
00:30:18,470 --> 00:30:15,360
where he broke both legs and therefore

854
00:30:20,389 --> 00:30:18,480
he was uh you know dismissed from the

855
00:30:23,110 --> 00:30:20,399
service

856
00:30:24,149 --> 00:30:23,120
well hold on a minute the only reason

857
00:30:25,990 --> 00:30:24,159
that he could have gotten into the

858
00:30:27,909 --> 00:30:26,000
special forces program in the first

859
00:30:30,710 --> 00:30:27,919
place as far as i can see

860
00:30:32,870 --> 00:30:30,720
is that he's a computer whiz

861
00:30:34,789 --> 00:30:32,880
and they certainly do need people like

862
00:30:36,870 --> 00:30:34,799
that but

863
00:30:38,470 --> 00:30:36,880

why would breaking two legs sudden i

864

00:30:41,350 --> 00:30:38,480

mean they call them into the office and

865

00:30:42,630 --> 00:30:41,360

they say gee ed you broke both legs so

866

00:30:45,830 --> 00:30:42,640

now we know

867

00:30:47,830 --> 00:30:45,840

you can't help us with computers anymore

868

00:30:49,750 --> 00:30:47,840

therefore when you heal up

869

00:30:50,789 --> 00:30:49,760

we're going to discharge you from the

870

00:30:52,630 --> 00:30:50,799

service

871

00:30:54,389 --> 00:30:52,640

it doesn't add up doesn't make any sense

872

00:30:55,590 --> 00:30:54,399

so you know i just put all of this

873

00:30:57,110 --> 00:30:55,600

together

874

00:30:58,950 --> 00:30:57,120

and said

875

00:31:00,630 --> 00:30:58,960

yes it's a good thing

876

00:31:03,190 --> 00:31:00,640

anytime we can take down the

877

00:31:05,590 --> 00:31:03,200

surveillance state a notch although

878

00:31:08,149 --> 00:31:05,600

i don't really see that happening it's a

879

00:31:11,029 --> 00:31:08,159

good thing to expose the nsa

880

00:31:13,909 --> 00:31:11,039

because there are a lot of americans who

881

00:31:15,830 --> 00:31:13,919

didn't know what was going on although

882

00:31:16,789 --> 00:31:15,840

a lot of us already knew all of this

883

00:31:18,630 --> 00:31:16,799

stuff

884

00:31:21,669 --> 00:31:18,640

okay fine great

885

00:31:24,710 --> 00:31:21,679

but let's not you know pin all of our

886

00:31:26,470 --> 00:31:24,720

hopes on one guy or think

887

00:31:28,710 --> 00:31:26,480

that we understand the real motivation

888

00:31:31,590 --> 00:31:28,720

behind this

889

00:31:33,110 --> 00:31:31,600

yeah i mean the idea of interagency war

890

00:31:35,510 --> 00:31:33,120

kind of makes sense because didn't the

891

00:31:37,110 --> 00:31:35,520

cia also expose the affair that general

892

00:31:39,029 --> 00:31:37,120

petraeus was having which made him

893

00:31:41,430 --> 00:31:39,039

resign from the fbi it's kind of a shot

894

00:31:43,350 --> 00:31:41,440

at the fbi right there

895

00:31:45,509 --> 00:31:43,360

well he had no he actually resigned from

896

00:31:47,269 --> 00:31:45,519

the cia so he could have been the other

897

00:31:50,789 --> 00:31:47,279

way around first reverse

898

00:31:53,029 --> 00:31:50,799

yeah so sure the fbi exposes this

899

00:31:53,990 --> 00:31:53,039

because they want to take the cia down a

900

00:31:55,269 --> 00:31:54,000

notch

901
00:31:57,750 --> 00:31:55,279
there's

902
00:32:00,549 --> 00:31:57,760
this behind the scenes interagency

903
00:32:03,269 --> 00:32:00,559
warfare is going on all the time because

904
00:32:04,630 --> 00:32:03,279
they're all battling over the same basic

905
00:32:06,470 --> 00:32:04,640
money pie

906
00:32:08,389 --> 00:32:06,480
that congress unlocks in the budget

907
00:32:10,549 --> 00:32:08,399
that's just one of the reasons that they

908
00:32:12,310 --> 00:32:10,559
battle with each other and the public

909
00:32:15,750 --> 00:32:12,320
isn't exposed to that but it's always

910
00:32:18,310 --> 00:32:15,760
going on yeah i mean the idea of these

911
00:32:20,070 --> 00:32:18,320
interagency power struggles it's kind of

912
00:32:21,830 --> 00:32:20,080
it's an example that i hear skeptical

913
00:32:24,310 --> 00:32:21,840

people use to say that there is no

914

00:32:25,830 --> 00:32:24,320

conspiracy there is no capstone to the

915

00:32:27,590 --> 00:32:25,840

pyramid if you will it's all just

916

00:32:29,990 --> 00:32:27,600

various groups fighting for power and

917

00:32:32,549 --> 00:32:30,000

money which does definitely seem true on

918

00:32:35,269 --> 00:32:32,559

one level but our society is only one

919

00:32:37,269 --> 00:32:35,279

level right i mean things seem to be set

920

00:32:38,950 --> 00:32:37,279

up so carefully with every detail

921

00:32:41,110 --> 00:32:38,960

considered i have a hard time believing

922

00:32:43,269 --> 00:32:41,120

that that's not the product of decades

923

00:32:45,029 --> 00:32:43,279

or even centuries of careful planning by

924

00:32:46,870 --> 00:32:45,039

powerful people no

925

00:32:49,350 --> 00:32:46,880

i agree absolutely

926
00:32:51,509 --> 00:32:49,360
it's all about levels it depends on

927
00:32:53,110 --> 00:32:51,519
where you plug in

928
00:32:54,950 --> 00:32:53,120
you see different

929
00:32:56,630 --> 00:32:54,960
events happening at different levels

930
00:32:59,029 --> 00:32:56,640
it's like being a you know in an

931
00:33:01,669 --> 00:32:59,039
elevator in a big building you go up to

932
00:33:03,190 --> 00:33:01,679
floor number three and you get out okay

933
00:33:05,110 --> 00:33:03,200
this is what you see

934
00:33:07,509 --> 00:33:05,120
but if you get back in and you go up to

935
00:33:11,430 --> 00:33:07,519
seven you're going to see other players

936
00:33:13,750 --> 00:33:11,440
doing other things for other reasons

937
00:33:15,350 --> 00:33:13,760
even though the events

938
00:33:17,029 --> 00:33:15,360

are the same

939

00:33:18,549 --> 00:33:17,039

they take on different coloration and

940

00:33:20,310 --> 00:33:18,559

different hue and different meaning and

941

00:33:23,669 --> 00:33:20,320

if you go up high enough

942

00:33:27,590 --> 00:33:23,679

now you're really looking at some

943

00:33:30,149 --> 00:33:27,600

serious planning long-range planning and

944

00:33:32,549 --> 00:33:30,159

you can also see the objectives

945

00:33:33,990 --> 00:33:32,559

so you can learn a lot more the higher

946

00:33:36,230 --> 00:33:34,000

you go

947

00:33:38,070 --> 00:33:36,240

absolutely that's a great analogy for it

948

00:33:39,350 --> 00:33:38,080

i mean i'm that's that's what i want to

949

00:33:41,590 --> 00:33:39,360

get to you know i want to get to the

950

00:33:42,710 --> 00:33:41,600

highest level of understanding you know

951
00:33:44,230 --> 00:33:42,720
and

952
00:33:46,149 --> 00:33:44,240
it seems to be the more the deeper i'm

953
00:33:48,070 --> 00:33:46,159
digging into some of the other things

954
00:33:49,990 --> 00:33:48,080
that have happened lately i mean sandy

955
00:33:51,590 --> 00:33:50,000
hook and the boston bombing there's a

956
00:33:53,830 --> 00:33:51,600
lot of people out there that are saying

957
00:33:55,909 --> 00:33:53,840
these weren't even real events that they

958
00:33:57,990 --> 00:33:55,919
were completely fabricated for the

959
00:33:59,750 --> 00:33:58,000
cameras with crisis actors i mean that's

960
00:34:00,950 --> 00:33:59,760
some pretty deep level stuff if that if

961
00:34:04,149 --> 00:34:00,960
that were to be true i mean that's

962
00:34:05,750 --> 00:34:04,159
pretty bold um have you have you looked

963
00:34:08,629 --> 00:34:05,760

into that aspect of it at all or seen

964

00:34:10,389 --> 00:34:08,639

any evidence of that to be true

965

00:34:12,389 --> 00:34:10,399

i've looked into it

966

00:34:13,909 --> 00:34:12,399

i've got to say that at this point i

967

00:34:18,069 --> 00:34:13,919

mean i'm always willing to change my

968

00:34:20,790 --> 00:34:18,079

mind but at this point everything i see

969

00:34:23,750 --> 00:34:20,800

i look at these events as having

970

00:34:25,829 --> 00:34:23,760

significant stage elements for

971

00:34:28,550 --> 00:34:25,839

particular purposes

972

00:34:30,710 --> 00:34:28,560

but i don't see them as

973

00:34:34,230 --> 00:34:30,720

things that never happened

974

00:34:37,589 --> 00:34:34,240

i don't see them as completely false

975

00:34:40,389 --> 00:34:37,599

although yes uh you know we've got this

976
00:34:42,950 --> 00:34:40,399
strange mixture of wood we're doing

977
00:34:45,109 --> 00:34:42,960
drills while the real thing is happening

978
00:34:47,909 --> 00:34:45,119
you know all that

979
00:34:50,790 --> 00:34:47,919
and in the drills uh crisis actors are

980
00:34:54,710 --> 00:34:50,800
used and so forth and there are even

981
00:34:56,790 --> 00:34:54,720
anomalies like that in the real scenes

982
00:34:58,150 --> 00:34:56,800
to make them seem worse

983
00:34:59,510 --> 00:34:58,160
than they were

984
00:35:02,470 --> 00:34:59,520
or to

985
00:35:04,470 --> 00:35:02,480
focus the public's attention but at this

986
00:35:05,349 --> 00:35:04,480
point i would have to say

987
00:35:07,270 --> 00:35:05,359
um

988
00:35:09,109 --> 00:35:07,280

that i think that these events actually

989

00:35:11,430 --> 00:35:09,119

happen in other words people died people

990

00:35:13,589 --> 00:35:11,440

were wounded and so forth

991

00:35:14,430 --> 00:35:13,599

and one of the reasons i would say that

992

00:35:17,829 --> 00:35:14,440

is

993

00:35:19,750 --> 00:35:17,839

because uh the people that stage these

994

00:35:21,670 --> 00:35:19,760

kinds of things have no compunctions

995

00:35:23,829 --> 00:35:21,680

about doing it right they don't care

996

00:35:26,550 --> 00:35:23,839

whether people die they don't have to go

997

00:35:28,390 --> 00:35:26,560

to just such elaborate lengths

998

00:35:31,430 --> 00:35:28,400

which would expose them to the

999

00:35:33,910 --> 00:35:31,440

possibility of being uh discovered you

1000

00:35:36,870 --> 00:35:33,920

know in some ultimate

1001

00:35:38,310 --> 00:35:36,880

simulation fabrication where

1002

00:35:40,150 --> 00:35:38,320

they're quite willing to kill real

1003

00:35:41,430 --> 00:35:40,160

people with real bullets

1004

00:35:45,430 --> 00:35:41,440

but

1005

00:35:48,790 --> 00:35:45,440

the staging of the events and even more

1006

00:35:51,430 --> 00:35:48,800

how they're being used after the fact

1007

00:35:53,510 --> 00:35:51,440

then we get into some real stuff about

1008

00:35:55,589 --> 00:35:53,520

social and political engineering of the

1009

00:35:58,470 --> 00:35:55,599

population for example you know the

1010

00:36:00,790 --> 00:35:58,480

whole second amendment gun issue we now

1011

00:36:03,510 --> 00:36:00,800

have to take the right of self-defense

1012

00:36:06,950 --> 00:36:03,520

of everybody away from everybody

1013

00:36:10,390 --> 00:36:06,960

because we've had these three incidents

1014

00:36:13,109 --> 00:36:10,400

you know at aurora sandy hook and boston

1015

00:36:15,670 --> 00:36:13,119

is completely absurd and there are other

1016

00:36:18,310 --> 00:36:15,680

agendas that are being promoted

1017

00:36:19,270 --> 00:36:18,320

at the same time which

1018

00:36:21,829 --> 00:36:19,280

you know

1019

00:36:25,190 --> 00:36:21,839

there's always the agenda of trying to

1020

00:36:27,030 --> 00:36:25,200

make people fearful right and to pull in

1021

00:36:30,870 --> 00:36:27,040

their

1022

00:36:33,589 --> 00:36:30,880

energies and to say we have to cede

1023

00:36:35,510 --> 00:36:33,599

authority to the leaders and the police

1024

00:36:37,829 --> 00:36:35,520

and the army and you know law

1025

00:36:39,589 --> 00:36:37,839

enforcement and everybody just so we can

1026
00:36:41,670 --> 00:36:39,599
stay safe

1027
00:36:44,790 --> 00:36:41,680
so keep us safe wake us up when it's

1028
00:36:48,670 --> 00:36:44,800
over and we won't cause any waves well

1029
00:36:50,310 --> 00:36:48,680
now that you're talking now about a huge

1030
00:36:53,270 --> 00:36:50,320
multi-pronged

1031
00:36:56,390 --> 00:36:53,280
campaign that's been going on for

1032
00:36:58,630 --> 00:36:56,400
a very long time which is to pacify

1033
00:37:01,829 --> 00:36:58,640
populations to put them in a state of

1034
00:37:06,870 --> 00:37:03,829
yeah i mean another

1035
00:37:09,109 --> 00:37:06,880
big level to these recent events i mean

1036
00:37:11,109 --> 00:37:09,119
yes gun control seems to be one of them

1037
00:37:13,109 --> 00:37:11,119
another one seems to be mental health

1038
00:37:15,190 --> 00:37:13,119

you know by saying that

1039

00:37:18,069 --> 00:37:15,200

some of these shooters are

1040

00:37:20,069 --> 00:37:18,079

on anti-depression medication and stuff

1041

00:37:22,150 --> 00:37:20,079

like that you can then take

1042

00:37:23,750 --> 00:37:22,160

mental health which is kind of

1043

00:37:25,349 --> 00:37:23,760

subjective you know you can it's a lot

1044

00:37:28,230 --> 00:37:25,359

of there's a lot of gray area there to

1045

00:37:29,990 --> 00:37:28,240

say someone isn't mentally healthy and

1046

00:37:31,109 --> 00:37:30,000

you can lock them up and do whatever you

1047

00:37:33,190 --> 00:37:31,119

want with them

1048

00:37:35,430 --> 00:37:33,200

you know they're now a threat

1049

00:37:36,470 --> 00:37:35,440

you bet i've written a lot about this i

1050

00:37:38,390 --> 00:37:36,480

mean

1051
00:37:40,150 --> 00:37:38,400
as much as i've written about any other

1052
00:37:42,069 --> 00:37:40,160
journalistic subject over the years i

1053
00:37:43,430 --> 00:37:42,079
guess you could say i've written

1054
00:37:46,950 --> 00:37:43,440
as much about

1055
00:37:50,710 --> 00:37:48,870
factor at so many different levels

1056
00:37:53,589 --> 00:37:50,720
within psychiatry

1057
00:37:55,430 --> 00:37:53,599
yes in the wake particularly of

1058
00:37:57,990 --> 00:37:55,440
sandy hook we saw

1059
00:37:59,910 --> 00:37:58,000
obama say okay

1060
00:38:02,550 --> 00:37:59,920
we're going to build new community

1061
00:38:04,790 --> 00:38:02,560
mental health centers across america

1062
00:38:06,550 --> 00:38:04,800
we're going to have much more careful

1063
00:38:08,870 --> 00:38:06,560

surveillance which plugs the

1064

00:38:11,430 --> 00:38:08,880

surveillance state into all of this so

1065

00:38:13,510 --> 00:38:11,440

that we can identify these people

1066

00:38:15,829 --> 00:38:13,520

as being mentally

1067

00:38:18,390 --> 00:38:15,839

ill before

1068

00:38:21,030 --> 00:38:18,400

they do these things and we can put them

1069

00:38:23,510 --> 00:38:21,040

away we can get them into treatment and

1070

00:38:25,990 --> 00:38:23,520

all of this is code

1071

00:38:29,829 --> 00:38:26,000

it's code for

1072

00:38:32,150 --> 00:38:29,839

making fake psychiatric diagnoses of

1073

00:38:35,349 --> 00:38:32,160

huge numbers of people in the population

1074

00:38:37,829 --> 00:38:35,359

calling them dangerous and mentally ill

1075

00:38:39,270 --> 00:38:37,839

putting them in psych wards

1076

00:38:41,990 --> 00:38:39,280

or

1077

00:38:43,430 --> 00:38:42,000

which amounts to something quite similar

1078

00:38:45,670 --> 00:38:43,440

putting them under the influence of

1079

00:38:47,750 --> 00:38:45,680

psychiatric drugs which also is like a

1080

00:38:49,750 --> 00:38:47,760

chemical straight jacket

1081

00:38:52,069 --> 00:38:49,760

and so now

1082

00:38:54,870 --> 00:38:52,079

that agenda has

1083

00:38:57,270 --> 00:38:54,880

upped the ante tremendously in america

1084

00:38:59,670 --> 00:38:57,280

as a result particularly of sandy hook

1085

00:39:02,069 --> 00:38:59,680

where the population for example we have

1086

00:39:03,430 --> 00:39:02,079

a state law that was passed immediately

1087

00:39:05,270 --> 00:39:03,440

in new york

1088

00:39:09,030 --> 00:39:05,280

saying that a psychiatrist any

1089

00:39:10,710 --> 00:39:09,040

psychiatrist had to report any patient

1090

00:39:12,550 --> 00:39:10,720

that he thought might be a danger to

1091

00:39:14,550 --> 00:39:12,560

himself or others

1092

00:39:16,790 --> 00:39:14,560

to the authorities and then if that

1093

00:39:19,109 --> 00:39:16,800

person owned a weapon

1094

00:39:21,829 --> 00:39:19,119

that weapon would be confiscated taken

1095

00:39:24,470 --> 00:39:21,839

away and he would be refused

1096

00:39:26,230 --> 00:39:24,480

any weapon in the future wow

1097

00:39:28,150 --> 00:39:26,240

all of a sudden now you've got the

1098

00:39:29,990 --> 00:39:28,160

surveillance state aligned with

1099

00:39:32,150 --> 00:39:30,000

psychiatrists

1100

00:39:33,670 --> 00:39:32,160

so that if a patient goes into a shrink

1101
00:39:35,829 --> 00:39:33,680
in new york state

1102
00:39:36,790 --> 00:39:35,839
and says off the top of his head you

1103
00:39:39,750 --> 00:39:36,800
know

1104
00:39:41,430 --> 00:39:39,760
i've had thoughts of killing my mother

1105
00:39:43,510 --> 00:39:41,440
oh now that psychiatrist is sitting

1106
00:39:45,750 --> 00:39:43,520
there thinking oh man

1107
00:39:48,390 --> 00:39:45,760
if i don't report this dude

1108
00:39:51,510 --> 00:39:48,400
and then he actually does something

1109
00:39:54,630 --> 00:39:51,520
now it's all on me with the new law

1110
00:39:57,670 --> 00:39:54,640
so i must err on the side of caution for

1111
00:40:00,470 --> 00:39:57,680
my own survival and start reporting

1112
00:40:02,470 --> 00:40:00,480
anybody who has any thoughts of violence

1113
00:40:04,950 --> 00:40:02,480

that he expresses to me

1114

00:40:07,069 --> 00:40:04,960

and now what we've got is

1115

00:40:09,589 --> 00:40:07,079

forget doctor patient

1116

00:40:11,670 --> 00:40:09,599

confidentiality that goes out the window

1117

00:40:15,910 --> 00:40:11,680

and now we've got really

1118

00:40:17,510 --> 00:40:15,920

a psychiatric state martial law state

1119

00:40:19,510 --> 00:40:17,520

and a

1120

00:40:22,150 --> 00:40:19,520

fantastic amount of control it's being

1121

00:40:25,589 --> 00:40:22,160

exercised over people through

1122

00:40:28,150 --> 00:40:25,599

doctors through the police working uh in

1123

00:40:28,870 --> 00:40:28,160

conjunction with each other so you bet i

1124

00:40:30,870 --> 00:40:28,880

mean

1125

00:40:33,030 --> 00:40:30,880

i could go off on this for a long time

1126

00:40:35,190 --> 00:40:33,040

but one thing i would say

1127

00:40:37,349 --> 00:40:35,200

and i've proved this over and over again

1128

00:40:39,109 --> 00:40:37,359

um had no more fake news with my

1129

00:40:42,790 --> 00:40:39,119

articles is

1130

00:40:46,950 --> 00:40:42,800

there is no mental disorder in the books

1131

00:40:48,310 --> 00:40:46,960

of which there are about 300 official

1132

00:40:51,670 --> 00:40:48,320

separate

1133

00:40:53,190 --> 00:40:51,680

labels of mental disorders there is no

1134

00:40:57,030 --> 00:40:53,200

mental disorder

1135

00:40:59,670 --> 00:40:57,040

that has any confirming diagnostic test

1136

00:41:02,150 --> 00:40:59,680

whatsoever no blood test no urine test

1137

00:41:05,670 --> 00:41:02,160

no saliva test no brain scan no genetic

1138

00:41:09,109 --> 00:41:05,680

tests nothing zilch zero

1139

00:41:10,630 --> 00:41:09,119

they're all fabrications and fictions

1140

00:41:13,190 --> 00:41:10,640

which is not to say that there aren't

1141

00:41:15,190 --> 00:41:13,200

people running around who have serious

1142

00:41:18,230 --> 00:41:15,200

problems or are

1143

00:41:20,870 --> 00:41:18,240

acting in bizarre fashion or who are

1144

00:41:23,510 --> 00:41:20,880

suffering for example from severe

1145

00:41:26,710 --> 00:41:23,520

allergies or nutritional deficiencies

1146

00:41:28,870 --> 00:41:26,720

or chemical poisoning etc or who are not

1147

00:41:31,190 --> 00:41:28,880

suffering and in pain emotional pain or

1148

00:41:33,670 --> 00:41:31,200

don't have problems you bet there are

1149

00:41:35,190 --> 00:41:33,680

but to chop all of that up now into

1150

00:41:38,950 --> 00:41:35,200

these distinct

1151

00:41:42,309 --> 00:41:38,960

disorder labels that require

1152

00:41:45,190 --> 00:41:42,319

the patient to receive toxic drugs

1153

00:41:45,910 --> 00:41:45,200

and they're all toxic the whole panoply

1154

00:41:48,710 --> 00:41:45,920

of

1155

00:41:49,750 --> 00:41:48,720

psychiatric drugs and to saddle them

1156

00:41:52,069 --> 00:41:49,760

with

1157

00:41:54,390 --> 00:41:52,079

false diagnoses

1158

00:41:57,750 --> 00:41:54,400

you are now talking about

1159

00:41:59,510 --> 00:41:57,760

a psyop a psychological operation aimed

1160

00:42:02,790 --> 00:41:59,520

at the population through this

1161

00:42:05,750 --> 00:42:02,800

pseudoscience called psychiatry which is

1162

00:42:09,190 --> 00:42:05,760

enormous and growing all the time

1163

00:42:11,030 --> 00:42:09,200

oh man that's sad stuff but uh

1164

00:42:14,870 --> 00:42:11,040

you know to get a little bit deeper into

1165

00:42:17,510 --> 00:42:14,880

this you know media manipulation and

1166

00:42:20,230 --> 00:42:17,520

government oppression is pretty easy to

1167

00:42:21,750 --> 00:42:20,240

grasp but let's talk about why these

1168

00:42:23,670 --> 00:42:21,760

things are going on why is this false

1169

00:42:25,829 --> 00:42:23,680

reality being presented i mean you talk

1170

00:42:27,910 --> 00:42:25,839

about the real goal being suppression of

1171

00:42:30,150 --> 00:42:27,920

human potential throwing our energy out

1172

00:42:32,309 --> 00:42:30,160

of whack destruction of the imagination

1173

00:42:34,630 --> 00:42:32,319

things like that and i see how it's

1174

00:42:36,550 --> 00:42:34,640

possible but i struggle with it because

1175

00:42:38,790 --> 00:42:36,560

you have books out there like the secret

1176
00:42:40,950 --> 00:42:38,800
and new agers who talk about manifesting

1177
00:42:41,829 --> 00:42:40,960
your reality and of course it sounds

1178
00:42:44,150 --> 00:42:41,839
good

1179
00:42:45,990 --> 00:42:44,160
but i just haven't seen enough evidence

1180
00:42:47,270 --> 00:42:46,000
of it to believe that that's possible i

1181
00:42:49,030 --> 00:42:47,280
mean how do you how did you come to

1182
00:42:50,710 --> 00:42:49,040
these conclusions about what's going on

1183
00:42:52,550 --> 00:42:50,720
at the core

1184
00:42:54,630 --> 00:42:52,560
okay well let me take up

1185
00:42:56,390 --> 00:42:54,640
that last statement you made because i

1186
00:42:58,470 --> 00:42:56,400
agree with you completely when it comes

1187
00:43:01,030 --> 00:42:58,480
to new age philosophy and the secret and

1188
00:43:03,510 --> 00:43:01,040

all that balderdash

1189

00:43:05,430 --> 00:43:03,520

because what those people are basically

1190

00:43:07,670 --> 00:43:05,440

saying is there's a trick

1191

00:43:09,670 --> 00:43:07,680

and if you learn the trick

1192

00:43:12,710 --> 00:43:09,680

then you can do the trick

1193

00:43:15,589 --> 00:43:12,720

such as you know i think this and then i

1194

00:43:17,270 --> 00:43:15,599

manifest what i want that's absurd

1195

00:43:19,030 --> 00:43:17,280

what i'm talking when i talk about

1196

00:43:20,550 --> 00:43:19,040

creative potentials i'm talking about a

1197

00:43:26,390 --> 00:43:20,560

creative life

1198

00:43:29,190 --> 00:43:26,400

which is a completely other thing has

1199

00:43:31,589 --> 00:43:29,200

nothing to do with the uh

1200

00:43:33,750 --> 00:43:31,599

you know short attention span version

1201
00:43:35,589 --> 00:43:33,760
which is just a kind of a sales gimmick

1202
00:43:37,430 --> 00:43:35,599
that is promoted by

1203
00:43:40,150 --> 00:43:37,440
people who are

1204
00:43:43,750 --> 00:43:40,160
have their own motives for doing it no

1205
00:43:46,630 --> 00:43:43,760
what i'm talking about is

1206
00:43:49,750 --> 00:43:46,640
the repression of

1207
00:43:50,630 --> 00:43:49,760
the basic core of what a person is which

1208
00:43:54,390 --> 00:43:50,640
is

1209
00:43:56,550 --> 00:43:54,400
individual power energy freedom creative

1210
00:44:00,230 --> 00:43:56,560
potential imagination

1211
00:44:03,030 --> 00:44:00,240
the ability to create new realities

1212
00:44:03,910 --> 00:44:03,040
and not just with a flick of the finger

1213
00:44:06,230 --> 00:44:03,920

but

1214

00:44:09,589 --> 00:44:06,240

you know through work through

1215

00:44:13,430 --> 00:44:09,599

a life lived through and by the

1216

00:44:16,390 --> 00:44:13,440

imagination to create what a person most

1217

00:44:18,309 --> 00:44:16,400

profoundly wants to create in life

1218

00:44:20,309 --> 00:44:18,319

and most people don't even have a clue

1219

00:44:21,750 --> 00:44:20,319

about what that would be so you're

1220

00:44:24,230 --> 00:44:21,760

really starting

1221

00:44:26,150 --> 00:44:24,240

from kindergarten with most people when

1222

00:44:28,790 --> 00:44:26,160

you even bring up this subject because

1223

00:44:30,630 --> 00:44:28,800

most people believe that imagination is

1224

00:44:32,309 --> 00:44:30,640

just a toy for children and when they

1225

00:44:34,550 --> 00:44:32,319

get to be a certain age then they're

1226
00:44:37,510 --> 00:44:34,560
taught okay that's the end of that and

1227
00:44:39,349 --> 00:44:37,520
now you have to fit in to society and

1228
00:44:41,910 --> 00:44:39,359
find a

1229
00:44:44,390 --> 00:44:41,920
niche for yourself and become an android

1230
00:44:48,710 --> 00:44:44,400
basically and live that life

1231
00:44:50,950 --> 00:44:48,720
well creating android is you might say

1232
00:44:53,589 --> 00:44:50,960
the ultimate goal

1233
00:44:57,270 --> 00:44:53,599
of globalism which now we're getting

1234
00:45:00,309 --> 00:44:57,280
into the upper floors of the elevator

1235
00:45:03,030 --> 00:45:00,319
the elites on this planet want to put

1236
00:45:05,990 --> 00:45:03,040
the entire planet under one management

1237
00:45:08,309 --> 00:45:06,000
system one political and economic

1238
00:45:10,790 --> 00:45:08,319

management system one military

1239

00:45:13,190 --> 00:45:10,800

management system one legal

1240

00:45:15,910 --> 00:45:13,200

management system one medical

1241

00:45:19,430 --> 00:45:15,920

management system and so forth

1242

00:45:22,230 --> 00:45:19,440

and this involves mega corporations and

1243

00:45:23,030 --> 00:45:22,240

governments acting in concert

1244

00:45:25,430 --> 00:45:23,040

and

1245

00:45:26,710 --> 00:45:25,440

the reason that these elites want to do

1246

00:45:29,109 --> 00:45:26,720

it

1247

00:45:31,109 --> 00:45:29,119

is first of all they want that power

1248

00:45:33,349 --> 00:45:31,119

they want to be at the top

1249

00:45:35,109 --> 00:45:33,359

of what people call a new world order or

1250

00:45:36,230 --> 00:45:35,119

whatever they want to call it but it's

1251
00:45:39,829 --> 00:45:36,240
basically

1252
00:45:41,829 --> 00:45:39,839
a management system we own the power

1253
00:45:43,589 --> 00:45:41,839
and we will give you what we want to

1254
00:45:45,510 --> 00:45:43,599
give you and we will take from you what

1255
00:45:47,910 --> 00:45:45,520
we want to take from you

1256
00:45:51,030 --> 00:45:47,920
all goods and services

1257
00:45:51,910 --> 00:45:51,040
distributed from a central point

1258
00:45:54,309 --> 00:45:51,920
through

1259
00:45:56,550 --> 00:45:54,319
algorithms that are developed

1260
00:45:58,870 --> 00:45:56,560
we decide who eats who doesn't eat who

1261
00:46:01,190 --> 00:45:58,880
has fresh water who doesn't when and

1262
00:46:03,910 --> 00:46:01,200
where

1263
00:46:05,990 --> 00:46:03,920

certain goods are going to be produced

1264

00:46:08,230 --> 00:46:06,000

and where they won't be produced

1265

00:46:11,190 --> 00:46:08,240

it's a planetary chess board and the

1266

00:46:15,510 --> 00:46:13,270

run it and they want to run it more

1267

00:46:16,870 --> 00:46:15,520

comprehensively and in order to be able

1268

00:46:19,109 --> 00:46:16,880

to do that

1269

00:46:20,470 --> 00:46:19,119

they have to subdue and pacify the

1270

00:46:24,550 --> 00:46:20,480

population

1271

00:46:27,270 --> 00:46:24,560

they have to promote certain

1272

00:46:29,270 --> 00:46:27,280

high sounding ideals that mask their

1273

00:46:30,870 --> 00:46:29,280

true intentions

1274

00:46:33,349 --> 00:46:30,880

and talk about we're all in this

1275

00:46:35,750 --> 00:46:33,359

together and humanity is one and it's

1276

00:46:37,670 --> 00:46:35,760

all unified and we have to raise

1277

00:46:40,710 --> 00:46:37,680

ourselves for that consciousness to see

1278

00:46:43,430 --> 00:46:40,720

that the individual is a myth that is no

1279

00:46:44,950 --> 00:46:43,440

longer necessary in our evolution and we

1280

00:46:48,230 --> 00:46:44,960

can discard it everything is the

1281

00:46:50,069 --> 00:46:48,240

collective in the group etc etc etc

1282

00:46:51,910 --> 00:46:50,079

now we're getting into the more upper

1283

00:46:56,950 --> 00:46:51,920

reaches of

1284

00:47:00,550 --> 00:46:58,630

i just wanted to say that from the

1285

00:47:03,030 --> 00:47:00,560

outlook of the

1286

00:47:05,190 --> 00:47:03,040

you know state apparatus and these

1287

00:47:07,910 --> 00:47:05,200

corporate uh model and how the

1288

00:47:09,589 --> 00:47:07,920

psychologists view us

1289

00:47:12,790 --> 00:47:09,599

it would seem like the creative

1290

00:47:14,390 --> 00:47:12,800

personality is itself kind of a disorder

1291

00:47:16,390 --> 00:47:14,400

and that from their point of view the

1292

00:47:18,950 --> 00:47:16,400

very robotic

1293

00:47:21,109 --> 00:47:18,960

kind of like going to and from

1294

00:47:23,109 --> 00:47:21,119

work driving in your car that's that's

1295

00:47:25,510 --> 00:47:23,119

considered completely normal

1296

00:47:27,910 --> 00:47:25,520

but the person who might experience pain

1297

00:47:30,150 --> 00:47:27,920

and emotion and have a long process

1298

00:47:32,150 --> 00:47:30,160

before they can finish a piece of work

1299

00:47:34,550 --> 00:47:32,160

that is definitely viewed as something

1300

00:47:37,670 --> 00:47:34,560

quite strange and possibly in need of

1301
00:47:38,710 --> 00:47:37,680
medication yeah they're unstable

1302
00:47:41,990 --> 00:47:38,720
you bet

1303
00:47:44,069 --> 00:47:42,000
you you've nailed it i mean

1304
00:47:48,069 --> 00:47:44,079
that is a major

1305
00:47:49,670 --> 00:47:48,079
facet of elite philosophy and

1306
00:47:54,470 --> 00:47:49,680
just to kind of flesh that out a little

1307
00:47:58,390 --> 00:47:56,470
the elites

1308
00:48:01,670 --> 00:47:58,400
look at humanity at large in the

1309
00:48:03,990 --> 00:48:01,680
population as dangerous

1310
00:48:07,910 --> 00:48:04,000
potentially dangerous

1311
00:48:11,750 --> 00:48:07,920
out of control biological machines

1312
00:48:14,870 --> 00:48:11,760
who are unpredictable unless reigned in

1313
00:48:18,390 --> 00:48:14,880

who have no impulse control who could go

1314

00:48:20,630 --> 00:48:18,400

off at any time in some mass revolts for

1315

00:48:24,230 --> 00:48:20,640

no apparent reason as

1316

00:48:26,230 --> 00:48:24,240

as if triggered by something see

1317

00:48:28,309 --> 00:48:26,240

and so therefore

1318

00:48:30,870 --> 00:48:28,319

according to their view

1319

00:48:33,510 --> 00:48:30,880

all this has to be brought under control

1320

00:48:35,829 --> 00:48:33,520

and order must prevail

1321

00:48:38,870 --> 00:48:35,839

and since they view us as having

1322

00:48:40,710 --> 00:48:38,880

absolutely no spiritual or creative

1323

00:48:44,390 --> 00:48:40,720

component that is

1324

00:48:45,270 --> 00:48:44,400

intrinsic to who we really are

1325

00:48:47,030 --> 00:48:45,280

then

1326

00:48:48,390 --> 00:48:47,040

in their thinking it's simply

1327

00:48:49,349 --> 00:48:48,400

substituting

1328

00:48:51,670 --> 00:48:49,359

one

1329

00:48:53,109 --> 00:48:51,680

mind control program for another in

1330

00:48:55,589 --> 00:48:53,119

other words they already look at

1331

00:48:56,950 --> 00:48:55,599

humanity as being

1332

00:48:58,150 --> 00:48:56,960

under

1333

00:49:01,589 --> 00:48:58,160

a

1334

00:49:03,990 --> 00:49:01,599

uh

1335

00:49:05,910 --> 00:49:04,000

not very good

1336

00:49:07,030 --> 00:49:05,920

mind control program that needs to be

1337

00:49:11,430 --> 00:49:07,040

changed

1338

00:49:13,109 --> 00:49:11,440

orderly and dominant

1339

00:49:14,870 --> 00:49:13,119

paradigm of

1340

00:49:17,349 --> 00:49:14,880

mind control

1341

00:49:20,309 --> 00:49:17,359

and then everything will be okay

1342

00:49:22,549 --> 00:49:20,319

once that's enacted fully

1343

00:49:24,309 --> 00:49:22,559

that's how they look at us so for the

1344

00:49:27,109 --> 00:49:24,319

kind of person that you're talking about

1345

00:49:30,470 --> 00:49:27,119

say who is an artist and who is

1346

00:49:33,190 --> 00:49:30,480

you know embarked on a major enterprise

1347

00:49:35,349 --> 00:49:33,200

of creativity

1348

00:49:37,670 --> 00:49:35,359

that's a disease of some kind that's an

1349

00:49:40,230 --> 00:49:37,680

aberration in the program that needs to

1350

00:49:44,390 --> 00:49:40,240

be treated that needs to be tranquilized

1351
00:49:46,710 --> 00:49:44,400
and sedated and put on the shelf because

1352
00:49:49,589 --> 00:49:46,720
that's unpredictable

1353
00:49:51,829 --> 00:49:49,599
yeah so you bet absolutely i mean it's a

1354
00:49:53,030 --> 00:49:51,839
topic that really hits home to me

1355
00:49:54,470 --> 00:49:53,040
because it's kyle and i were just

1356
00:49:56,870 --> 00:49:54,480
talking the pre-show we went to school

1357
00:50:00,150 --> 00:49:56,880
together in a private school and there's

1358
00:50:01,990 --> 00:50:00,160
tons of examples of little times where i

1359
00:50:04,309 --> 00:50:02,000
felt like i was doing something creative

1360
00:50:06,230 --> 00:50:04,319
that i was really into that kind of got

1361
00:50:07,990 --> 00:50:06,240
stripped away from me and i was told to

1362
00:50:10,390 --> 00:50:08,000
pay attention like we were i think like

1363
00:50:12,309 --> 00:50:10,400

four or five guys in our class in a in

1364

00:50:14,150 --> 00:50:12,319

the fifth grade we're writing novels we

1365

00:50:15,910 --> 00:50:14,160

were all writing these sci-fi novels and

1366

00:50:18,549 --> 00:50:15,920

we didn't give a [h__h] what was going on

1367

00:50:20,630 --> 00:50:18,559

in class we just wrote wrote and then we

1368

00:50:21,670 --> 00:50:20,640

showed each other after school like what

1369

00:50:24,150 --> 00:50:21,680

we were writing

1370

00:50:25,510 --> 00:50:24,160

and we all got called in to the office

1371

00:50:27,349 --> 00:50:25,520

like hey these kids aren't paying

1372

00:50:29,589 --> 00:50:27,359

attention in religion class because it's

1373

00:50:31,030 --> 00:50:29,599

a catholic school and you know this this

1374

00:50:32,549 --> 00:50:31,040

really needs to be addressed it's like

1375

00:50:35,109 --> 00:50:32,559

what are they doing well they're writing

1376

00:50:36,870 --> 00:50:35,119

these novels and my dad is like whoa

1377

00:50:38,630 --> 00:50:36,880

whoa whoa my fifth grader's trying to

1378

00:50:40,790 --> 00:50:38,640

write a book you better let that let

1379

00:50:42,309 --> 00:50:40,800

that be you know and it's like you're

1380

00:50:44,790 --> 00:50:42,319

paying thousands of dollars for this

1381

00:50:46,950 --> 00:50:44,800

so-called education to find some type of

1382

00:50:48,549 --> 00:50:46,960

inspiration for your life and

1383

00:50:51,829 --> 00:50:48,559

really what you're getting for your

1384

00:50:54,710 --> 00:50:51,839

money is the exact opposite

1385

00:50:58,230 --> 00:50:54,720

perfect example so

1386

00:51:00,630 --> 00:50:58,240

you know there was every chance

1387

00:51:02,230 --> 00:51:00,640

just making a few small adjustments that

1388

00:51:04,870 --> 00:51:02,240

you guys would all have been diagnosed

1389

00:51:07,349 --> 00:51:04,880

with adhd and dosed with riddles for

1390

00:51:09,510 --> 00:51:07,359

adderall because that's exactly the kind

1391

00:51:11,829 --> 00:51:09,520

of thing where a doctor

1392

00:51:14,470 --> 00:51:11,839

forget a doctor first a teacher

1393

00:51:16,390 --> 00:51:14,480

then a school counselor then a principal

1394

00:51:18,710 --> 00:51:16,400

then a shrink because all these are

1395

00:51:23,349 --> 00:51:18,720

referrals up the line would say oh

1396

00:51:26,790 --> 00:51:23,359

really i'm distracted bored

1397

00:51:29,910 --> 00:51:26,800

yeah okay well all right so you've got

1398

00:51:31,109 --> 00:51:29,920

in my menu here you see there's no test

1399

00:51:34,069 --> 00:51:31,119

for this

1400

00:51:35,670 --> 00:51:34,079

in my menu of behaviors you've got adhd

1401
00:51:36,390 --> 00:51:35,680
you're hyperactive

1402
00:51:39,030 --> 00:51:36,400
so

1403
00:51:41,349 --> 00:51:39,040
you need the following drug

1404
00:51:42,309 --> 00:51:41,359
ritalin or adderall so what are these

1405
00:51:46,870 --> 00:51:42,319
drugs

1406
00:51:51,349 --> 00:51:46,880
speed keeps speed

1407
00:51:53,270 --> 00:51:51,359
so you give a kid this and what happens

1408
00:51:56,069 --> 00:51:53,280
most of the time or at least some of the

1409
00:51:57,589 --> 00:51:56,079
time the immediate response is wow

1410
00:51:58,710 --> 00:51:57,599
clarity

1411
00:52:03,270 --> 00:51:58,720
wow

1412
00:52:04,870 --> 00:52:03,280
stuff see and so the kid goes along with

1413
00:52:06,390 --> 00:52:04,880

it and then

1414

00:52:08,230 --> 00:52:06,400

after a certain amount of time which

1415

00:52:11,670 --> 00:52:08,240

could be almost immediate or it could

1416

00:52:13,190 --> 00:52:11,680

take longer you get a speed crash

1417

00:52:15,270 --> 00:52:13,200

what does that mean

1418

00:52:19,349 --> 00:52:15,280

irritability

1419

00:52:21,750 --> 00:52:19,359

aggressiveness that is way out of line

1420

00:52:25,670 --> 00:52:23,030

sort of

1421

00:52:28,390 --> 00:52:25,680

in a totally antagonistic attitude about

1422

00:52:30,630 --> 00:52:28,400

everything jittery nervous

1423

00:52:31,430 --> 00:52:30,640

all the symptoms of a speed crash and

1424

00:52:34,470 --> 00:52:31,440

then

1425

00:52:37,270 --> 00:52:34,480

quite often you get

1426

00:52:40,069 --> 00:52:37,280

a state of sadness

1427

00:52:42,150 --> 00:52:40,079

kid withdraws withdrawal okay

1428

00:52:45,030 --> 00:52:42,160

mommy takes the kid back to the shrink

1429

00:52:47,670 --> 00:52:45,040

he looks at the kid and says uh-huh okay

1430

00:52:50,549 --> 00:52:47,680

so what we have here is a completely new

1431

00:52:52,309 --> 00:52:50,559

disorder called clinical depression

1432

00:52:54,230 --> 00:52:52,319

well doctor could this have anything to

1433

00:52:56,150 --> 00:52:54,240

do with the ritalin

1434

00:52:58,309 --> 00:52:56,160

absolutely nothing not connected

1435

00:53:01,270 --> 00:52:58,319

whatsoever this is the emergence which

1436

00:53:03,430 --> 00:53:01,280

we see quite often of a new condition

1437

00:53:06,790 --> 00:53:03,440

clinical depression so now what i have

1438

00:53:08,950 --> 00:53:06,800

to do is prescribe zoloft okay so now

1439

00:53:10,710 --> 00:53:08,960

one of the effects of zolok

1440

00:53:12,069 --> 00:53:10,720

is a manic

1441

00:53:14,870 --> 00:53:12,079

condition

1442

00:53:16,630 --> 00:53:14,880

and so now the kid begins to do the up

1443

00:53:18,230 --> 00:53:16,640

and the down and the up and the down the

1444

00:53:19,430 --> 00:53:18,240

up and down back to the shrink and he

1445

00:53:21,349 --> 00:53:19,440

says well

1446

00:53:23,190 --> 00:53:21,359

the clinical depression diagnosis was

1447

00:53:25,829 --> 00:53:23,200

only partially correct because now what

1448

00:53:27,430 --> 00:53:25,839

i see is this is really bipolar

1449

00:53:29,750 --> 00:53:27,440

so now what we have to do manic

1450

00:53:33,349 --> 00:53:29,760

depression i have to give the kid

1451
00:53:35,829 --> 00:53:33,359
uh valproate lithium now we're talking

1452
00:53:37,109 --> 00:53:35,839
about the possibility of

1453
00:53:39,109 --> 00:53:37,119
uh

1454
00:53:40,150 --> 00:53:39,119
you know stroke

1455
00:53:43,430 --> 00:53:40,160
death

1456
00:53:45,349 --> 00:53:43,440
from these drugs among other effects

1457
00:53:48,870 --> 00:53:45,359
so this is the latter that they put you

1458
00:53:50,390 --> 00:53:48,880
on and it's all part of this

1459
00:53:52,470 --> 00:53:50,400
you know that's on

1460
00:53:54,870 --> 00:53:52,480
you know we get off the elevator on 4-3

1461
00:53:56,470 --> 00:53:54,880
for that but if we go up to 7 and look

1462
00:54:00,390 --> 00:53:56,480
at the bigger picture now what we're

1463
00:54:02,790 --> 00:54:00,400

looking at is the creation of

1464

00:54:05,349 --> 00:54:02,800

the global state wherein the entire

1465

00:54:08,230 --> 00:54:05,359

population is put under

1466

00:54:10,950 --> 00:54:08,240

uh this kind of control one way or

1467

00:54:12,150 --> 00:54:10,960

another so that eventually

1468

00:54:14,790 --> 00:54:12,160

the end

1469

00:54:16,390 --> 00:54:14,800

desired result is passivity complete

1470

00:54:18,230 --> 00:54:16,400

passivity

1471

00:54:20,230 --> 00:54:18,240

yeah that's where they're going

1472

00:54:21,750 --> 00:54:20,240

it's super sad it's kind of funny

1473

00:54:23,349 --> 00:54:21,760

because you're just like you're reading

1474

00:54:25,910 --> 00:54:23,359

right off the script you know you could

1475

00:54:28,790 --> 00:54:25,920

be a doctor just by reading those words

1476

00:54:30,950 --> 00:54:28,800

and uh it's it's super sad but from the

1477

00:54:32,870 --> 00:54:30,960

globalist perspective from the elites

1478

00:54:34,630 --> 00:54:32,880

perspective it seems like it's really

1479

00:54:36,790 --> 00:54:34,640

hard work it's almost like a self

1480

00:54:38,630 --> 00:54:36,800

enslavement because you've got all the

1481

00:54:40,950 --> 00:54:38,640

money in the world just take your two

1482

00:54:42,470 --> 00:54:40,960

billion dollars by an island and just

1483

00:54:44,870 --> 00:54:42,480

carry out the rest of your life in

1484

00:54:46,390 --> 00:54:44,880

paradise you know you're still going

1485

00:54:48,790 --> 00:54:46,400

you're convincing yourself you have to

1486

00:54:50,630 --> 00:54:48,800

do this i don't know it just seems like

1487

00:54:52,230 --> 00:54:50,640

like i said self enslavement you should

1488

00:54:54,150 --> 00:54:52,240

just be worried about yourself and your

1489

00:54:56,390 --> 00:54:54,160

freedom with that kind of money

1490

00:54:57,990 --> 00:54:56,400

you would think so yeah but

1491

00:55:00,630 --> 00:54:58,000

if you look at

1492

00:55:02,630 --> 00:55:00,640

how they got the money

1493

00:55:05,349 --> 00:55:02,640

then i think that's another peak into

1494

00:55:07,589 --> 00:55:05,359

their psychology because for example

1495

00:55:10,549 --> 00:55:07,599

let's say we're talking about one level

1496

00:55:13,670 --> 00:55:10,559

of these elites uh the rockefeller

1497

00:55:15,190 --> 00:55:13,680

dynasty and all that it controls

1498

00:55:17,349 --> 00:55:15,200

okay so

1499

00:55:19,430 --> 00:55:17,359

in addition to just good old-fashioned

1500

00:55:22,069 --> 00:55:19,440

capitalism what we're also seeing here

1501
00:55:24,630 --> 00:55:22,079
is the commission of tremendous crimes

1502
00:55:26,950 --> 00:55:24,640
ongoing crimes that any

1503
00:55:29,910 --> 00:55:26,960
honest prosecutor would say to you this

1504
00:55:31,750 --> 00:55:29,920
is rico this is life in prison for the

1505
00:55:35,750 --> 00:55:31,760
whole family you know

1506
00:55:37,910 --> 00:55:35,760
the whole bunch of them right so

1507
00:55:40,470 --> 00:55:37,920
then having accumulated this vast

1508
00:55:43,109 --> 00:55:40,480
fortune they turn around with that kind

1509
00:55:45,750 --> 00:55:43,119
of history and there's a certain amount

1510
00:55:47,109 --> 00:55:45,760
of nervousness you might say even in the

1511
00:55:49,510 --> 00:55:47,119
psychopath

1512
00:55:52,309 --> 00:55:49,520
it's the nervousness over being exposed

1513
00:55:55,109 --> 00:55:52,319

or being caught or being found out being

1514

00:55:57,670 --> 00:55:55,119

discovered for what they did

1515

00:56:00,549 --> 00:55:57,680

and so they say well what's the solution

1516

00:56:02,950 --> 00:56:00,559

and how much power can i accumulate to

1517

00:56:04,549 --> 00:56:02,960

enact that solution and what they come

1518

00:56:07,109 --> 00:56:04,559

up with is well

1519

00:56:09,430 --> 00:56:07,119

you know and i mean this is really uh

1520

00:56:10,950 --> 00:56:09,440

psychopathic to the greatest degree we

1521

00:56:13,990 --> 00:56:10,960

have to put the whole planet under the

1522

00:56:15,430 --> 00:56:14,000

gun in order to ensure that we're safe

1523

00:56:16,950 --> 00:56:15,440

forever

1524

00:56:18,309 --> 00:56:16,960

right because we're at the top of the

1525

00:56:21,349 --> 00:56:18,319

heap now

1526

00:56:23,589 --> 00:56:21,359

and uh looking down it looks kind of

1527

00:56:25,829 --> 00:56:23,599

dangerous from here

1528

00:56:26,950 --> 00:56:25,839

uh you have to kind of take that point

1529

00:56:30,150 --> 00:56:26,960

of view

1530

00:56:32,470 --> 00:56:30,160

to get a peek into their own psychology

1531

00:56:35,910 --> 00:56:32,480

because as i said before they look down

1532

00:56:38,870 --> 00:56:35,920

at humanity and they say boy that's a

1533

00:56:40,549 --> 00:56:38,880

you know that's a forest of uh wild

1534

00:56:42,069 --> 00:56:40,559

animals running around there and we just

1535

00:56:45,910 --> 00:56:42,079

don't know what they're gonna do and

1536

00:56:48,789 --> 00:56:45,920

when they're gonna do it so we've got to

1537

00:56:49,910 --> 00:56:48,799

bring order out of chaos no matter what

1538

00:56:54,549 --> 00:56:49,920

it takes

1539

00:56:56,789 --> 00:56:54,559

no matter how many wars we have to

1540

00:56:58,710 --> 00:56:56,799

promote no matter how many countries we

1541

00:57:01,030 --> 00:56:58,720

have to make go bankrupt no matter how

1542

00:57:02,710 --> 00:57:01,040

we have to rig the money system of the

1543

00:57:05,349 --> 00:57:02,720

planet we have to do whatever is

1544

00:57:06,549 --> 00:57:05,359

necessary to eventually

1545

00:57:08,549 --> 00:57:06,559

make this

1546

00:57:11,589 --> 00:57:08,559

one nation

1547

00:57:14,710 --> 00:57:11,599

called earth undivided over which we

1548

00:57:17,109 --> 00:57:14,720

have ultimate power

1549

00:57:20,069 --> 00:57:17,119

i really feel like the fear

1550

00:57:21,910 --> 00:57:20,079

of human nature and what

1551

00:57:23,349 --> 00:57:21,920

human nature basically is are we

1552

00:57:26,470 --> 00:57:23,359

basically good

1553

00:57:29,109 --> 00:57:26,480

are we able to get along collectively or

1554

00:57:31,270 --> 00:57:29,119

communally i would prefer to say

1555

00:57:33,910 --> 00:57:31,280

or is it that we're dangerous and we

1556

00:57:35,910 --> 00:57:33,920

have to hold a club over our heads

1557

00:57:38,630 --> 00:57:35,920

alan watts has a beautiful quote about

1558

00:57:40,630 --> 00:57:38,640

this is that if you can't trust

1559

00:57:42,870 --> 00:57:40,640

your own nature

1560

00:57:44,230 --> 00:57:42,880

uh it's as if you have to hold a club

1561

00:57:45,990 --> 00:57:44,240

over your heads

1562

00:57:48,789 --> 00:57:46,000

and orders that we don't all rape our

1563

00:57:51,990 --> 00:57:48,799

own grandmothers

1564

00:57:53,670 --> 00:57:52,000

you bet that's exactly i mean you

1565

00:57:57,030 --> 00:57:53,680

this is

1566

00:57:58,309 --> 00:57:57,040

the great you know philosophical ethical

1567

00:58:00,390 --> 00:57:58,319

question

1568

00:58:01,670 --> 00:58:00,400

are people basically good or are they

1569

00:58:03,510 --> 00:58:01,680

bad

1570

00:58:06,630 --> 00:58:03,520

good or evil

1571

00:58:08,630 --> 00:58:06,640

it's left to their own devices

1572

00:58:10,069 --> 00:58:08,640

are they going to

1573

00:58:12,069 --> 00:58:10,079

basically

1574

00:58:13,430 --> 00:58:12,079

the overwhelming majority of them at any

1575

00:58:16,390 --> 00:58:13,440

rate

1576
00:58:18,069 --> 00:58:16,400
do good and reasonable things or not

1577
00:58:22,390 --> 00:58:18,079
and to me

1578
00:58:23,910 --> 00:58:22,400
the answer is fairly clear

1579
00:58:26,230 --> 00:58:23,920
on balance

1580
00:58:28,150 --> 00:58:26,240
they will do good things if not

1581
00:58:30,549 --> 00:58:28,160
manipulated into

1582
00:58:32,309 --> 00:58:30,559
doing bad things they can be manipulated

1583
00:58:34,630 --> 00:58:32,319
i mean there are all kinds of ways to do

1584
00:58:36,950 --> 00:58:34,640
that the invention of enemies and

1585
00:58:39,670 --> 00:58:36,960
threats and so forth now that's not to

1586
00:58:42,309 --> 00:58:39,680
say i'm not putting up some sort of

1587
00:58:46,309 --> 00:58:42,319
pollyannish view of

1588
00:58:49,589 --> 00:58:47,589

my

1589

00:58:52,950 --> 00:58:49,599

reading of history

1590

00:58:56,230 --> 00:58:52,960

or of what could have been history

1591

00:58:57,589 --> 00:58:56,240

alternative history is that

1592

00:59:00,710 --> 00:58:57,599

is kind of the principle of

1593

00:59:04,789 --> 00:59:01,589

if

1594

00:59:05,829 --> 00:59:04,799

certain people have made a society that

1595

00:59:07,589 --> 00:59:05,839

has

1596

00:59:08,950 --> 00:59:07,599

a certain amount of

1597

00:59:12,549 --> 00:59:08,960

freedom

1598

00:59:14,309 --> 00:59:12,559

of movement of activity of action of

1599

00:59:16,230 --> 00:59:14,319

commerce of

1600

00:59:17,589 --> 00:59:16,240

independent thought and so on and so

1601
00:59:20,630 --> 00:59:17,599
forth

1602
00:59:22,470 --> 00:59:20,640
of economic success

1603
00:59:24,630 --> 00:59:22,480
the best thing that that society can

1604
00:59:26,789 --> 00:59:24,640
possibly do is try to become

1605
00:59:28,150 --> 00:59:26,799
self-sufficient

1606
00:59:30,390 --> 00:59:28,160
in other words

1607
00:59:31,510 --> 00:59:30,400
we don't have to go great in in this

1608
00:59:33,829 --> 00:59:31,520
mythical

1609
00:59:35,349 --> 00:59:33,839
you know nation that we that i'm

1610
00:59:37,270 --> 00:59:35,359
imagining here

1611
00:59:39,670 --> 00:59:37,280
we don't have to go abroad we don't have

1612
00:59:40,789 --> 00:59:39,680
to go to great distances to try to get

1613
00:59:43,750 --> 00:59:40,799

stuff

1614

00:59:47,030 --> 00:59:43,760

and control people and do business and

1615

00:59:49,589 --> 00:59:47,040

politically influence what they're doing

1616

00:59:51,990 --> 00:59:49,599

what we need to do is to try to become

1617

00:59:54,150 --> 00:59:52,000

as self-sufficient as possible and this

1618

00:59:57,910 --> 00:59:54,160

is going to imply that we develop all

1619

01:00:00,390 --> 00:59:57,920

sorts of technologies and naturally

1620

01:00:01,829 --> 01:00:00,400

if self-sufficiency is our goal

1621

01:00:03,750 --> 01:00:01,839

as a nation

1622

01:00:06,069 --> 01:00:03,760

then the kinds of technologies that we

1623

01:00:08,390 --> 01:00:06,079

develop are going to be different from

1624

01:00:10,710 --> 01:00:08,400

what say we've got here in america in

1625

01:00:12,470 --> 01:00:10,720

2013. they're not going to be the same

1626

01:00:14,230 --> 01:00:12,480

technology because

1627

01:00:16,270 --> 01:00:14,240

the thrust is going to be aimed in other

1628

01:00:17,829 --> 01:00:16,280

directions for example energy

1629

01:00:19,750 --> 01:00:17,839

self-sufficiency

1630

01:00:23,430 --> 01:00:19,760

which could have been achieved many

1631

01:00:26,710 --> 01:00:23,440

moons ago in america without any sort of

1632

01:00:28,470 --> 01:00:26,720

wild esoteric uh you know speculation

1633

01:00:30,069 --> 01:00:28,480

coming into it there are all sorts of

1634

01:00:32,950 --> 01:00:30,079

ways of

1635

01:00:33,990 --> 01:00:32,960

having done that already

1636

01:00:36,710 --> 01:00:34,000

then

1637

01:00:38,150 --> 01:00:36,720

we look across the seas and we see other

1638

01:00:39,750 --> 01:00:38,160

societies

1639

01:00:40,870 --> 01:00:39,760

and we say wow

1640

01:00:42,710 --> 01:00:40,880

you know

1641

01:00:45,190 --> 01:00:42,720

man they just seem to be devoted to

1642

01:00:47,349 --> 01:00:45,200

killing each other or whatever it is

1643

01:00:49,670 --> 01:00:47,359

what are we going to do about that

1644

01:00:51,990 --> 01:00:49,680

well here's what we do about that if we

1645

01:00:53,270 --> 01:00:52,000

want a really good outcome

1646

01:00:55,910 --> 01:00:53,280

we say

1647

01:00:57,030 --> 01:00:55,920

we're not going to interfere in any

1648

01:00:59,910 --> 01:00:57,040

fashion

1649

01:01:02,549 --> 01:00:59,920

either politically militarily

1650

01:01:04,950 --> 01:01:02,559

economically we're not going to send uh

1651

01:01:07,510 --> 01:01:04,960

you know the cia in there to act as a

1652

01:01:10,150 --> 01:01:07,520

front for corporate interests and try to

1653

01:01:11,990 --> 01:01:10,160

convince these people to give up their

1654

01:01:13,270 --> 01:01:12,000

you know natural resources and most

1655

01:01:15,190 --> 01:01:13,280

fertile land we're not going to do any

1656

01:01:17,190 --> 01:01:15,200

of that stuff we're not going to engage

1657

01:01:20,549 --> 01:01:17,200

in any form of commerce

1658

01:01:22,789 --> 01:01:20,559

with these faraway places of any kind no

1659

01:01:24,470 --> 01:01:22,799

trade whatsoever which people you know

1660

01:01:25,670 --> 01:01:24,480

traditionally say well that makes you

1661

01:01:28,870 --> 01:01:25,680

some sort of a

1662

01:01:30,710 --> 01:01:28,880

isolationist fascist horrible person

1663

01:01:32,630 --> 01:01:30,720

quite the contrary

1664

01:01:34,789 --> 01:01:32,640

because now

1665

01:01:36,470 --> 01:01:34,799

we do actually become the shining

1666

01:01:38,789 --> 01:01:36,480

example on the hill

1667

01:01:40,870 --> 01:01:38,799

for real we're not just faking it

1668

01:01:42,950 --> 01:01:40,880

anymore with slogans and all kinds of

1669

01:01:44,470 --> 01:01:42,960

[h__h] you know which is the way we do

1670

01:01:47,990 --> 01:01:44,480

it now

1671

01:01:49,510 --> 01:01:48,000

so now we open the door to

1672

01:01:52,150 --> 01:01:49,520

knowledge

1673

01:01:55,109 --> 01:01:52,160

if you people in this distant land

1674

01:01:57,750 --> 01:01:55,119

called whatever it is we don't care

1675

01:02:00,069 --> 01:01:57,760

want to come from to us

1676

01:02:03,030 --> 01:02:00,079

or gain knowledge from us and learn by

1677

01:02:05,510 --> 01:02:03,040

example how we did what we did which is

1678

01:02:07,670 --> 01:02:05,520

authentic and genuine and real

1679

01:02:09,270 --> 01:02:07,680

we will give you

1680

01:02:11,510 --> 01:02:09,280

that knowledge

1681

01:02:13,270 --> 01:02:11,520

you can have it and you can do it at

1682

01:02:16,069 --> 01:02:13,280

what you will

1683

01:02:18,789 --> 01:02:16,079

of course if you decide to do something

1684

01:02:20,710 --> 01:02:18,799

threatening to us with it we're prepared

1685

01:02:22,710 --> 01:02:20,720

believe me so we're not going to give

1686

01:02:25,030 --> 01:02:22,720

you the whole farm at once

1687

01:02:26,870 --> 01:02:25,040

we just want to see what happens and

1688

01:02:29,190 --> 01:02:26,880

here's our political philosophy and of

1689

01:02:30,870 --> 01:02:29,200

course that's open to the world you can

1690

01:02:32,470 --> 01:02:30,880

do it for yourselves

1691

01:02:36,069 --> 01:02:32,480

or you can keep killing each other for

1692

01:02:37,750 --> 01:02:36,079

the next 300 years that's up to you

1693

01:02:39,910 --> 01:02:37,760

but we're not going to interfere because

1694

01:02:42,230 --> 01:02:39,920

once we start to interfere it's going to

1695

01:02:43,829 --> 01:02:42,240

get worse

1696

01:02:47,030 --> 01:02:43,839

and that's the lesson of history

1697

01:02:49,430 --> 01:02:47,040

basically it always gets worse when you

1698

01:02:51,349 --> 01:02:49,440

interfere it may not look like it gets

1699

01:02:54,069 --> 01:02:51,359

worse in the law in the short run but in

1700

01:02:56,390 --> 01:02:54,079

the long run that's always the case

1701

01:02:58,309 --> 01:02:56,400

and that's why

1702

01:03:00,390 --> 01:02:58,319

historically we've come to the place

1703

01:03:03,190 --> 01:03:00,400

that we're in

1704

01:03:05,589 --> 01:03:03,200

people are trying to dominate control

1705

01:03:07,030 --> 01:03:05,599

influence other people and of course

1706

01:03:08,870 --> 01:03:07,040

when you try to interfere with other

1707

01:03:09,910 --> 01:03:08,880

people's freedom no matter what that

1708

01:03:12,150 --> 01:03:09,920

freedom

1709

01:03:14,630 --> 01:03:12,160

uh is used to express

1710

01:03:17,510 --> 01:03:14,640

you're always going to get criminals and

1711

01:03:19,750 --> 01:03:17,520

liars whether they're religious liars or

1712

01:03:22,230 --> 01:03:19,760

economic liars or military or political

1713

01:03:24,230 --> 01:03:22,240

or whatever that go in there and say

1714

01:03:25,510 --> 01:03:24,240

we're here to help you and that's total

1715

01:03:27,829 --> 01:03:25,520

[h__\h]

1716

01:03:29,670 --> 01:03:27,839

we're here to steal from you

1717

01:03:30,390 --> 01:03:29,680

we're here to rob you we're here to kill

1718

01:03:32,390 --> 01:03:30,400

you

1719

01:03:33,990 --> 01:03:32,400

we're here to say that we're going to

1720

01:03:36,150 --> 01:03:34,000

bring you a better civilization but

1721

01:03:38,789 --> 01:03:36,160

that's a lie and that's always the case

1722

01:03:39,829 --> 01:03:38,799

it makes it worse not better

1723

01:03:41,589 --> 01:03:39,839

so

1724

01:03:43,829 --> 01:03:41,599

that's the way things could have

1725

01:03:46,150 --> 01:03:43,839

developed

1726

01:03:48,150 --> 01:03:46,160

would have been much better off

1727

01:03:50,309 --> 01:03:48,160

but it didn't happen that way

1728

01:03:52,069 --> 01:03:50,319

yeah it's a real shame because i do feel

1729

01:03:54,470 --> 01:03:52,079

like people are

1730

01:03:56,710 --> 01:03:54,480

inherently good or at least uh

1731

01:03:58,870 --> 01:03:56,720

disinterested in the lives of others as

1732

01:04:00,710 --> 01:03:58,880

long as they have enough resources you

1733

01:04:02,470 --> 01:04:00,720

know i mean lately we've done a few

1734

01:04:04,870 --> 01:04:02,480

shows about scarcity and how that's

1735

01:04:06,789 --> 01:04:04,880

manufactured mainly through the use of

1736

01:04:08,309 --> 01:04:06,799

currency really because the currency

1737

01:04:10,069 --> 01:04:08,319

seems to be what's scarce not the

1738

01:04:11,910 --> 01:04:10,079

resources the grocery store has plenty

1739

01:04:13,589 --> 01:04:11,920

of food on an acre of land you can grow

1740

01:04:15,510 --> 01:04:13,599

more food than you can eat we now have

1741

01:04:17,589 --> 01:04:15,520

3d printers and depending on who you

1742

01:04:19,750 --> 01:04:17,599

talk to free energy devices like you

1743

01:04:22,069 --> 01:04:19,760

kind of mentioned but the barrier of

1744

01:04:24,390 --> 01:04:22,079

entry is dollars their dollars and it

1745

01:04:26,069 --> 01:04:24,400

makes everything seem hard to come by

1746

01:04:27,910 --> 01:04:26,079

because you can't get anything without

1747

01:04:29,990 --> 01:04:27,920

the dollars i mean do you think that

1748

01:04:32,390 --> 01:04:30,000

might be part of the programming another

1749

01:04:34,710 --> 01:04:32,400

artificial limit put on our potential

1750

01:04:36,549 --> 01:04:34,720

you bet yeah no question about i mean

1751

01:04:38,630 --> 01:04:36,559

during the great depression

1752

01:04:40,950 --> 01:04:38,640

i did a little bit of research on this a

1753

01:04:43,270 --> 01:04:40,960

long time ago

1754

01:04:45,510 --> 01:04:43,280

and i was told that there were something

1755

01:04:47,510 --> 01:04:45,520

on the order of fifteen hundred private

1756

01:04:49,589 --> 01:04:47,520

currencies that came into existence

1757

01:04:52,069 --> 01:04:49,599

during the great depression local

1758

01:04:55,109 --> 01:04:52,079

currencies right so basically what

1759

01:04:57,109 --> 01:04:55,119

happened was the people in a community

1760

01:04:58,390 --> 01:04:57,119

got together and they sat in a room and

1761

01:05:01,349 --> 01:04:58,400

they looked at each other and they said

1762

01:05:01,359 --> 01:05:04,390

we're okay

1763

01:05:08,870 --> 01:05:05,990

the people in

1764

01:05:10,470 --> 01:05:08,880

washington or wherever it is

1765

01:05:13,270 --> 01:05:10,480

and the people in new york running the

1766

01:05:17,349 --> 01:05:13,280

stock market and all of that

1767

01:05:19,510 --> 01:05:17,359

they're in this fantasy world with money

1768

01:05:22,309 --> 01:05:19,520

and whatever they've been doing or

1769

01:05:26,069 --> 01:05:22,319

whatever manipulation however it works

1770

01:05:27,430 --> 01:05:26,079

they say the country has gone broke

1771

01:05:30,390 --> 01:05:27,440

so

1772

01:05:33,109 --> 01:05:30,400

let's ignore all that screw that

1773

01:05:35,270 --> 01:05:33,119

i can see here in this room we've got a

1774

01:05:37,829 --> 01:05:35,280

number of farmers we've got trades

1775

01:05:39,670 --> 01:05:37,839

people we've got craftsmen we've got all

1776

01:05:41,589 --> 01:05:39,680

kinds of you know this that we've got

1777

01:05:43,190 --> 01:05:41,599

land all this okay

1778

01:05:46,230 --> 01:05:43,200

so what do you say we develop our own

1779

01:05:48,710 --> 01:05:46,240

currency just as a means of basically

1780

01:05:50,390 --> 01:05:48,720

barter because that's what it is

1781

01:05:53,190 --> 01:05:50,400

and will issue a certain amount to

1782

01:05:54,150 --> 01:05:53,200

everybody and will use that

1783

01:05:55,029 --> 01:05:54,160

to

1784

01:05:57,270 --> 01:05:55,039

live

1785

01:05:59,990 --> 01:05:57,280

to exist and they did

1786

01:06:01,750 --> 01:06:00,000

and they did okay

1787

01:06:04,390 --> 01:06:01,760

so you bet

1788

01:06:06,549 --> 01:06:04,400

there's no question about that there's a

1789

01:06:09,270 --> 01:06:06,559

currency that still exists in ithaca new

1790

01:06:10,950 --> 01:06:09,280

york called ithaca hours

1791

01:06:13,510 --> 01:06:10,960

which was founded by a guy that i used

1792

01:06:15,510 --> 01:06:13,520

to know in los angeles paul glover and

1793

01:06:17,349 --> 01:06:15,520

it's been going now i think for probably

1794

01:06:19,109 --> 01:06:17,359

20 years

1795

01:06:21,349 --> 01:06:19,119

and it's basically

1796

01:06:22,470 --> 01:06:21,359

that sort of thing and they try of

1797

01:06:24,309 --> 01:06:22,480

course

1798

01:06:26,390 --> 01:06:24,319

i guess there's a slight political slant

1799

01:06:28,549 --> 01:06:26,400

there but they're basically oriented

1800

01:06:30,829 --> 01:06:28,559

toward local merchants and local

1801
01:06:33,029 --> 01:06:30,839
producers including

1802
01:06:35,670 --> 01:06:33,039
farmers and so

1803
01:06:38,309 --> 01:06:35,680
the last time i looked

1804
01:06:40,470 --> 01:06:38,319
you know they had a hospital or

1805
01:06:42,309 --> 01:06:40,480
a clinic that would take the money they

1806
01:06:43,190 --> 01:06:42,319
had local merchants who would accept the

1807
01:06:46,230 --> 01:06:43,200
money

1808
01:06:47,910 --> 01:06:46,240
it was getting out into the community

1809
01:06:49,589 --> 01:06:47,920
and one of the talk about human

1810
01:06:51,510 --> 01:06:49,599
potential one of the interesting things

1811
01:06:53,430 --> 01:06:51,520
that i noticed about it which i pointed

1812
01:06:56,230 --> 01:06:53,440
out to paul

1813
01:06:58,710 --> 01:06:56,240

he of course already noticed it himself

1814

01:07:00,950 --> 01:06:58,720

was they put out a newspaper sort of you

1815

01:07:02,470 --> 01:07:00,960

know testimonials and success stories by

1816

01:07:03,670 --> 01:07:02,480

people who were using the money in

1817

01:07:05,910 --> 01:07:03,680

ithaca

1818

01:07:08,710 --> 01:07:05,920

you found that people began to think

1819

01:07:12,390 --> 01:07:08,720

about what they wanted to do in life

1820

01:07:15,029 --> 01:07:12,400

in concert with using that money they're

1821

01:07:17,349 --> 01:07:15,039

sort of like magic wow so people began

1822

01:07:19,270 --> 01:07:17,359

to think well man i've got some new

1823

01:07:21,109 --> 01:07:19,280

money here maybe what i really want to

1824

01:07:23,750 --> 01:07:21,119

do in life instead of this thing over

1825

01:07:25,589 --> 01:07:23,760

here is that thing over there right yeah

1826

01:07:27,510 --> 01:07:25,599

that's what i want to do and maybe

1827

01:07:29,349 --> 01:07:27,520

somebody would pay me to do that in the

1828

01:07:33,109 --> 01:07:29,359

new money and lo and behold they

1829

01:07:34,870 --> 01:07:33,119

discover yes yeah somebody will pay you

1830

01:07:36,950 --> 01:07:34,880

and they can actually

1831

01:07:40,950 --> 01:07:36,960

partially at least make a living that

1832

01:07:43,670 --> 01:07:40,960

way so yeah you bet it goes hand in hand

1833

01:07:45,109 --> 01:07:43,680

you create scarcity of money you repress

1834

01:07:47,190 --> 01:07:45,119

human potential

1835

01:07:49,190 --> 01:07:47,200

you reverse that trend and so people

1836

01:07:51,589 --> 01:07:49,200

begin coming out of the closet of their

1837

01:07:53,270 --> 01:07:51,599

own psyches and saying

1838

01:07:55,829 --> 01:07:53,280

maybe i can think about what i truly

1839

01:07:58,150 --> 01:07:55,839

want to do in life and actually do it

1840

01:07:59,430 --> 01:07:58,160

yeah that's that's a pretty fascinating

1841

01:08:00,309 --> 01:07:59,440

example of

1842

01:08:01,829 --> 01:08:00,319

of

1843

01:08:04,230 --> 01:08:01,839

how it could be different you know i'm

1844

01:08:06,630 --> 01:08:04,240

at my wit's end i'm thinking about

1845

01:08:08,309 --> 01:08:06,640

making a move to some

1846

01:08:09,990 --> 01:08:08,319

smaller country where i still have

1847

01:08:12,470 --> 01:08:10,000

internet access and can still do the

1848

01:08:13,990 --> 01:08:12,480

show but i'm not constantly bombarded

1849

01:08:16,950 --> 01:08:14,000

with all the [h__\h] i mean but there's

1850

01:08:19,510 --> 01:08:16,960

an example right here

1851
01:08:22,149 --> 01:08:19,520
yeah that's pretty awesome i mean you

1852
01:08:23,829 --> 01:08:22,159
know another area of this multi-pronged

1853
01:08:25,910 --> 01:08:23,839
attack that i wanted to talk about that

1854
01:08:27,349 --> 01:08:25,920
you've researched a lot is is health you

1855
01:08:30,789 --> 01:08:27,359
know obviously it'd be health you know

1856
01:08:32,149 --> 01:08:30,799
we have chemtrails fluoride gmos all

1857
01:08:33,990 --> 01:08:32,159
hitting us in the same way through

1858
01:08:35,829 --> 01:08:34,000
various chemicals and you've done a lot

1859
01:08:37,590 --> 01:08:35,839
of digging into the health side of

1860
01:08:39,669 --> 01:08:37,600
things but what can you tell people

1861
01:08:41,430 --> 01:08:39,679
about real health and getting sick and i

1862
01:08:43,510 --> 01:08:41,440
mean are we victims to just chemicals

1863
01:08:44,950 --> 01:08:43,520

and bad science rather than viruses and

1864

01:08:45,990 --> 01:08:44,960

germs

1865

01:08:47,510 --> 01:08:46,000

oh yeah

1866

01:08:48,789 --> 01:08:47,520

no question about it

1867

01:08:51,910 --> 01:08:48,799

absolutely

1868

01:08:53,510 --> 01:08:51,920

man i'll give you an example uh i mean

1869

01:08:55,189 --> 01:08:53,520

this is a subject

1870

01:08:57,669 --> 01:08:55,199

you know we could talk for four hours

1871

01:08:59,669 --> 01:08:57,679

about this and cover the whole thing

1872

01:09:00,950 --> 01:08:59,679

i'll say two things one is

1873

01:09:03,430 --> 01:09:00,960

if you look at the medical

1874

01:09:08,550 --> 01:09:03,440

pharmaceutical cartel

1875

01:09:13,430 --> 01:09:11,110

doing market research

1876

01:09:15,669 --> 01:09:13,440

how can we invent a new disorder or a

1877

01:09:17,990 --> 01:09:15,679

new disease with a new label for which

1878

01:09:20,789 --> 01:09:18,000

we can then develop a drug and we don't

1879

01:09:22,390 --> 01:09:20,799

really care if the drug actually

1880

01:09:24,309 --> 01:09:22,400

cures the thing because it's an

1881

01:09:26,870 --> 01:09:24,319

invention to begin with all we care

1882

01:09:29,990 --> 01:09:26,880

about is drugging the population and

1883

01:09:32,229 --> 01:09:30,000

incidentally making gigantic profits

1884

01:09:34,709 --> 01:09:32,239

and so you get such an enormity of

1885

01:09:36,870 --> 01:09:34,719

toxicity in pharmaceuticals

1886

01:09:39,030 --> 01:09:36,880

that by a conservative estimate every

1887

01:09:41,110 --> 01:09:39,040

year in the u s a hundred and six

1888

01:09:44,070 --> 01:09:41,120

thousand people are killed

1889

01:09:47,110 --> 01:09:44,080
by pharmaceutical drugs directly

1890

01:09:48,709 --> 01:09:47,120
fda approved certified as safe

1891

01:09:51,030 --> 01:09:48,719
pharmaceutical drugs

1892

01:09:52,950 --> 01:09:51,040
that's a million over a million deaths

1893

01:09:54,709 --> 01:09:52,960
per decade

1894

01:09:56,149 --> 01:09:54,719
now that's a conservative estimate and

1895

01:09:59,430 --> 01:09:56,159
if people want to look that up they can

1896

01:10:01,830 --> 01:09:59,440
go to july 26 2000

1897

01:10:03,910 --> 01:10:01,840
journal the american medical association

1898

01:10:05,510 --> 01:10:03,920
a review called is u.s health really the

1899

01:10:08,149 --> 01:10:05,520
best in the world by dr barbara

1900

01:10:10,070 --> 01:10:08,159
starfield who at the time

1901

01:10:11,830 --> 01:10:10,080

was working at the Johns Hopkins school

1902

01:10:13,430 --> 01:10:11,840

of public health so everybody's

1903

01:10:14,310 --> 01:10:13,440

credentials all the way up and down the

1904

01:10:16,870 --> 01:10:14,320

line

1905

01:10:19,750 --> 01:10:16,880

were meticulous mainstream credentials

1906

01:10:21,110 --> 01:10:19,760

and that was her conservative estimate

1907

01:10:23,430 --> 01:10:21,120

based upon

1908

01:10:25,750 --> 01:10:23,440

much much research

1909

01:10:28,550 --> 01:10:25,760

so that just gives you

1910

01:10:30,950 --> 01:10:28,560

a a minor clue to the destruction being

1911

01:10:34,229 --> 01:10:30,960

caused by the system

1912

01:10:37,990 --> 01:10:34,239

but when we get to the question of

1913

01:10:40,149 --> 01:10:38,000

viruses and so on and so forth

1914

01:10:42,390 --> 01:10:40,159

here's the example i would give you a

1915

01:10:43,750 --> 01:10:42,400

recent paper published in the

1916

01:10:46,550 --> 01:10:43,760

bmj

1917

01:10:48,470 --> 01:10:46,560

british medical journal by peter doshi

1918

01:10:50,070 --> 01:10:48,480

d-o-s-h-i

1919

01:10:52,950 --> 01:10:50,080

examined

1920

01:10:55,430 --> 01:10:52,960

the flu in the united states

1921

01:10:58,070 --> 01:10:55,440

and what he discovered was the following

1922

01:11:00,470 --> 01:10:58,080

that every year hundreds of thousands of

1923

01:11:03,910 --> 01:11:00,480

samples are taken from patients

1924

01:11:06,149 --> 01:11:03,920

who are diagnosed with the flu up front

1925

01:11:07,990 --> 01:11:06,159

and are analyzed in various laboratories

1926

01:11:10,470 --> 01:11:08,000

and what they discover is that only

1927

01:11:12,390 --> 01:11:10,480

about 18

1928

01:11:15,430 --> 01:11:12,400

of those tests

1929

01:11:17,510 --> 01:11:15,440

come out positive for any flu virus

1930

01:11:18,310 --> 01:11:17,520

whatsoever wow

1931

01:11:20,390 --> 01:11:18,320

right

1932

01:11:22,070 --> 01:11:20,400

so what's happening is you're getting

1933

01:11:24,550 --> 01:11:22,080

all sorts of people and it isn't just

1934

01:11:26,870 --> 01:11:24,560

the flu diagnosed in the united states

1935

01:11:28,070 --> 01:11:26,880

as suffering from quote germ-caused

1936

01:11:30,870 --> 01:11:28,080

diseases

1937

01:11:33,189 --> 01:11:30,880

when the truth and the actuality of it

1938

01:11:35,030 --> 01:11:33,199

is is completely the opposite it's just

1939

01:11:36,470 --> 01:11:35,040

false it's just phony

1940

01:11:39,510 --> 01:11:36,480

and they're prescribed all kinds of

1941

01:11:40,390 --> 01:11:39,520

toxic drugs for this phony diagnosis and

1942

01:11:43,590 --> 01:11:40,400

they're being

1943

01:11:45,590 --> 01:11:43,600

herded into clinics to get vaccines to

1944

01:11:48,630 --> 01:11:45,600

present to prevent

1945

01:11:50,630 --> 01:11:48,640

this phony diagnosis and even if i were

1946

01:11:53,030 --> 01:11:50,640

to think which i don't that the flu

1947

01:11:55,110 --> 01:11:53,040

vaccine works at all

1948

01:11:57,110 --> 01:11:55,120

in the vast number of cases it certainly

1949

01:11:59,110 --> 01:11:57,120

wouldn't work because these people don't

1950

01:12:00,709 --> 01:11:59,120

even have any food viruses in their body

1951

01:12:02,950 --> 01:12:00,719

every year they're not getting sick from

1952

01:12:05,669 --> 01:12:02,960

the flu what are they getting sick from

1953

01:12:07,430 --> 01:12:05,679

well all sorts of possible things

1954

01:12:09,430 --> 01:12:07,440

they're eating bad food they're eating

1955

01:12:11,750 --> 01:12:09,440

food with chemicals in it

1956

01:12:13,669 --> 01:12:11,760

there are chemtrail residues coming out

1957

01:12:15,510 --> 01:12:13,679

of the sky they're already taking

1958

01:12:18,470 --> 01:12:15,520

medical drugs that are toxic that are

1959

01:12:20,709 --> 01:12:18,480

weakening their immune system etc etc

1960

01:12:22,870 --> 01:12:20,719

they're drinking water with fluorides we

1961

01:12:26,550 --> 01:12:22,880

could go on they're eating gmo foods etc

1962

01:12:28,630 --> 01:12:26,560

etc but you see germs make a tremendous

1963

01:12:30,950 --> 01:12:28,640

cover story and that's one of the things

1964

01:12:33,430 --> 01:12:30,960

that i've tried to press home in many

1965

01:12:35,669 --> 01:12:33,440

articles that i write it's a fabulous

1966

01:12:38,950 --> 01:12:35,679

cover story that is sold to the public

1967

01:12:40,470 --> 01:12:38,960

tiny invisible enemies attacking us and

1968

01:12:42,790 --> 01:12:40,480

we don't know where they're coming from

1969

01:12:44,470 --> 01:12:42,800

we can't see them we're victims of them

1970

01:12:46,950 --> 01:12:44,480

nothing can be done about it except to

1971

01:12:50,870 --> 01:12:46,960

go to your doctor and get a drug etc

1972

01:12:52,870 --> 01:12:50,880

it's a fantastic cover story for why

1973

01:12:54,229 --> 01:12:52,880

untold numbers of people are getting

1974

01:12:56,550 --> 01:12:54,239

sick

1975

01:13:00,550 --> 01:12:56,560

and so it works so in that sense the

1976

01:13:03,669 --> 01:13:00,560

medical system is the cover story for

1977

01:13:05,669 --> 01:13:03,679

whatever is really and it's multiple

1978

01:13:07,110 --> 01:13:05,679

factors that are really making people

1979

01:13:09,350 --> 01:13:07,120

sick

1980

01:13:10,870 --> 01:13:09,360

to me it all harkens back to

1981

01:13:13,189 --> 01:13:10,880

when you're a kid and you're going to

1982

01:13:15,350 --> 01:13:13,199

school if you've gone to a public school

1983

01:13:17,430 --> 01:13:15,360

it's amazing what you do learn about and

1984

01:13:19,270 --> 01:13:17,440

what you don't learn about because i

1985

01:13:21,430 --> 01:13:19,280

remember germs i remember constantly

1986

01:13:23,110 --> 01:13:21,440

being told that washing your hands with

1987

01:13:25,149 --> 01:13:23,120

chemical soaps is how you make them

1988

01:13:27,669 --> 01:13:25,159

clean if you keep a sandwich in a

1989

01:13:29,189 --> 01:13:27,679

petroleum-based plastic bag that's how

1990

01:13:32,310 --> 01:13:29,199

you keep it clean

1991

01:13:34,390 --> 01:13:32,320

and so on and so on but at the same time

1992

01:13:36,550 --> 01:13:34,400

there's some topics from school i

1993

01:13:39,110 --> 01:13:36,560

curiously missed out on i don't remember

1994

01:13:42,149 --> 01:13:39,120

gardening i don't remember nutrition

1995

01:13:44,070 --> 01:13:42,159

cooking eating balancing a checkbook how

1996

01:13:46,149 --> 01:13:44,080

to use you know the currency of the

1997

01:13:48,950 --> 01:13:46,159

world you have to use i don't remember

1998

01:13:50,709 --> 01:13:48,960

any of those topics and it's strange

1999

01:13:54,790 --> 01:13:50,719

because it doesn't really seem like they

2000

01:13:57,910 --> 01:13:54,800

are equipping children with any sense of

2001

01:14:00,470 --> 01:13:57,920

divinity whatsoever no spirituality in

2002

01:14:01,669 --> 01:14:00,480

school it's it's totally frowned upon

2003

01:14:04,630 --> 01:14:01,679

and uh

2004

01:14:07,030 --> 01:14:04,640

we've gone into a very very scientific

2005

01:14:08,870 --> 01:14:07,040

and it's like a myth of infallibility

2006

01:14:10,950 --> 01:14:08,880

it's a myth that all these instructions

2007

01:14:12,630 --> 01:14:10,960

coming down from the top down

2008

01:14:14,310 --> 01:14:12,640

these are the proper and right

2009

01:14:17,270 --> 01:14:14,320

instructions and they're coming down

2010

01:14:19,590 --> 01:14:17,280

from on high and you have to

2011

01:14:21,590 --> 01:14:19,600

accept them in order to like

2012

01:14:23,510 --> 01:14:21,600

be accepted into the clan that's going

2013

01:14:24,870 --> 01:14:23,520

on here yeah

2014

01:14:28,149 --> 01:14:24,880

oh you bet

2015

01:14:30,229 --> 01:14:28,159

i'll give you one illustration of that

2016

01:14:31,910 --> 01:14:30,239

in the very best

2017

01:14:35,270 --> 01:14:31,920

health food store

2018

01:14:38,470 --> 01:14:35,280

in san diego where i live

2019

01:14:40,950 --> 01:14:38,480

i mean their organic produce

2020

01:14:43,270 --> 01:14:40,960

is just far superior to anybody else's

2021

01:14:45,270 --> 01:14:43,280

for example as soon as you walk in the

2022

01:14:48,709 --> 01:14:45,280

door the first thing you see

2023

01:14:52,070 --> 01:14:48,719

is a dispenser for bacterial wipes

2024

01:14:53,350 --> 01:14:52,080

yeah hand sanitizer please take one it

2025

01:14:55,350 --> 01:14:53,360

says

2026

01:14:57,590 --> 01:14:55,360

are they kidding me

2027

01:14:59,030 --> 01:14:57,600

and you know

2028

01:15:00,709 --> 01:14:59,040

the people who are supposed to be the

2029

01:15:02,709 --> 01:15:00,719

most enlightened about health are

2030

01:15:04,310 --> 01:15:02,719

walking in there like robots and

2031

01:15:06,709 --> 01:15:04,320

grabbing one of these and wiping their

2032

01:15:09,590 --> 01:15:06,719

hands well that's exactly the [h__h] that

2033

01:15:11,430 --> 01:15:09,600

i don't want on the mango that i buy

2034

01:15:13,350 --> 01:15:11,440

that's being fingered by

2035

01:15:15,350 --> 01:15:13,360

somebody who wiped their hands on that

2036

01:15:16,310 --> 01:15:15,360

wipe good point you know

2037

01:15:19,270 --> 01:15:16,320

yeah

2038

01:15:20,950 --> 01:15:19,280

uh but there it is and that's exactly

2039

01:15:23,510 --> 01:15:20,960

what you're talking about it's this kind

2040

01:15:24,790 --> 01:15:23,520

of brainwashing which is one half

2041

01:15:27,350 --> 01:15:24,800

of

2042

01:15:28,870 --> 01:15:27,360

science is perfect and we all know you

2043

01:15:31,669 --> 01:15:28,880

know how to apply it and we're going to

2044

01:15:34,550 --> 01:15:31,679

show you what to do and just obey orders

2045

01:15:36,149 --> 01:15:34,560

which is a total fairy tale

2046

01:15:38,310 --> 01:15:36,159

you know that's we get that on the one

2047

01:15:41,030 --> 01:15:38,320

hand and then on the other hand it's the

2048

01:15:43,189 --> 01:15:41,040

omission as you say in education

2049

01:15:44,630 --> 01:15:43,199

of all of those things that could make

2050

01:15:46,470 --> 01:15:44,640

you

2051
01:15:47,910 --> 01:15:46,480
know how to operate in the world and

2052
01:15:50,310 --> 01:15:47,920
stay healthy

2053
01:15:52,229 --> 01:15:50,320
and you know i have to say for myself

2054
01:15:54,550 --> 01:15:52,239
that you know i was one of the

2055
01:15:55,750 --> 01:15:54,560
casualties of that system because when i

2056
01:15:59,270 --> 01:15:55,760
came out of school i didn't know

2057
01:16:01,669 --> 01:15:59,280
anything about anything i mean i knew

2058
01:16:02,790 --> 01:16:01,679
certain things that i was interested in

2059
01:16:03,590 --> 01:16:02,800
very much

2060
01:16:06,630 --> 01:16:03,600
but

2061
01:16:08,870 --> 01:16:06,640
nobody had ever sat me down and said

2062
01:16:11,910 --> 01:16:08,880
there's a thing called food

2063
01:16:14,790 --> 01:16:11,920

and let's talk about what food is

2064

01:16:16,550 --> 01:16:14,800

that never happened i had no clue about

2065

01:16:18,550 --> 01:16:16,560

any of that until you know i was

2066

01:16:19,430 --> 01:16:18,560

probably 30.

2067

01:16:21,510 --> 01:16:19,440

so

2068

01:16:22,950 --> 01:16:21,520

yeah that's the system that's the way

2069

01:16:24,310 --> 01:16:22,960

the system works

2070

01:16:26,229 --> 01:16:24,320

man it

2071

01:16:28,709 --> 01:16:26,239

it's kind of depressing but you know to

2072

01:16:31,990 --> 01:16:28,719

to wrap this up and try to end it on a

2073

01:16:34,149 --> 01:16:32,000

somewhat positive idea maybe is uh with

2074

01:16:36,070 --> 01:16:34,159

all these things being pushed on people

2075

01:16:38,310 --> 01:16:36,080

fluoride chemtrails and aggressive

2076

01:16:40,709 --> 01:16:38,320

police force trauma-based media

2077

01:16:41,830 --> 01:16:40,719

brainwashing education et cetera et

2078

01:16:44,470 --> 01:16:41,840

cetera

2079

01:16:46,470 --> 01:16:44,480

how can we reclaim a little bit of our

2080

01:16:48,390 --> 01:16:46,480

freedom and sanity i mean how can people

2081

01:16:49,910 --> 01:16:48,400

tap into their potential and circumvent

2082

01:16:51,030 --> 01:16:49,920

some of this stuff do you have any

2083

01:16:53,430 --> 01:16:51,040

advice

2084

01:16:56,790 --> 01:16:53,440

yeah i do um

2085

01:16:59,270 --> 01:16:56,800

let's see i'm going to try to give you

2086

01:17:00,709 --> 01:16:59,280

the nutshell of it you know yeah

2087

01:17:05,189 --> 01:17:00,719

a minute

2088

01:17:08,709 --> 01:17:07,110

each one of us has the potential to

2089

01:17:10,709 --> 01:17:08,719

create

2090

01:17:12,229 --> 01:17:10,719

endless numbers of realities that are

2091

01:17:14,550 --> 01:17:12,239

different from

2092

01:17:17,750 --> 01:17:14,560

the consensus reality that's out there

2093

01:17:19,590 --> 01:17:17,760

okay and each one of us knows

2094

01:17:22,070 --> 01:17:19,600

that we're looking at a charade out

2095

01:17:25,030 --> 01:17:22,080

there in so many respects of you know

2096

01:17:27,830 --> 01:17:25,040

con men that are just

2097

01:17:29,270 --> 01:17:27,840

criminals basically okay

2098

01:17:31,110 --> 01:17:29,280

so

2099

01:17:32,390 --> 01:17:31,120

here's what i want to see

2100

01:17:34,630 --> 01:17:32,400

and whatever

2101
01:17:36,390 --> 01:17:34,640
you can imagine and you have to imagine

2102
01:17:38,070 --> 01:17:36,400
in order to figure out what you can do

2103
01:17:39,990 --> 01:17:38,080
to lead up to this moment that i'm

2104
01:17:41,669 --> 01:17:40,000
talking about because it's a real moment

2105
01:17:44,630 --> 01:17:41,679
this is what i want to see

2106
01:17:47,030 --> 01:17:44,640
a presidential debate on television live

2107
01:17:49,750 --> 01:17:47,040
like they all are with an audience a

2108
01:17:51,669 --> 01:17:49,760
live audience in the hall okay

2109
01:17:53,669 --> 01:17:51,679
all the networks are covering it there's

2110
01:17:56,310 --> 01:17:53,679
no way they can't cover it they have to

2111
01:17:59,270 --> 01:17:56,320
cover it and the two candidates whoever

2112
01:18:01,270 --> 01:17:59,280
they are doesn't matter are talking

2113
01:18:04,550 --> 01:18:01,280

and as they're talking

2114

01:18:06,870 --> 01:18:04,560

laughter breaks out

2115

01:18:09,510 --> 01:18:06,880

and this isn't just a few chuckles and

2116

01:18:10,709 --> 01:18:09,520

guffaws it begins to grow no matter what

2117

01:18:13,110 --> 01:18:10,719

they say

2118

01:18:14,550 --> 01:18:13,120

people are beginning to laugh in great

2119

01:18:17,430 --> 01:18:14,560

numbers

2120

01:18:19,830 --> 01:18:17,440

falling out of your chair laughing

2121

01:18:22,630 --> 01:18:19,840

crying laughing thinking you're having a

2122

01:18:24,870 --> 01:18:22,640

heart attack laughing that grows and

2123

01:18:27,030 --> 01:18:24,880

grows and grows in the hall because all

2124

01:18:29,750 --> 01:18:27,040

these people can see directly through

2125

01:18:31,510 --> 01:18:29,760

the charade it's like looking at

2126
01:18:33,910 --> 01:18:31,520
somebody on the street and being able to

2127
01:18:38,149 --> 01:18:33,920
see their skeleton through their clothes

2128
01:18:40,470 --> 01:18:38,159
it's undeniable and it's a gigantic joke

2129
01:18:42,470 --> 01:18:40,480
if you're actually there and you're

2130
01:18:45,189 --> 01:18:42,480
seeing the way these con men are trying

2131
01:18:47,030 --> 01:18:45,199
to pass themselves off as being people

2132
01:18:50,070 --> 01:18:47,040
who really want to help you

2133
01:18:52,070 --> 01:18:50,080
and as this laughter grows and grows

2134
01:18:54,390 --> 01:18:52,080
what are the networks going to do

2135
01:18:56,390 --> 01:18:54,400
in the control rooms are they going to

2136
01:18:58,870 --> 01:18:56,400
suddenly

2137
01:19:00,790 --> 01:18:58,880
arbitrarily cut off the presidential

2138
01:19:03,590 --> 01:19:00,800

debate

2139

01:19:06,229 --> 01:19:03,600

and and then the outro that comes after

2140

01:19:07,750 --> 01:19:06,239

that like what happened there what

2141

01:19:10,390 --> 01:19:07,760

or are they what are they going to do

2142

01:19:13,110 --> 01:19:10,400

there's they don't know you know they're

2143

01:19:15,669 --> 01:19:13,120

screwed to the wall

2144

01:19:18,550 --> 01:19:15,679

and the laughter becomes infectious

2145

01:19:20,310 --> 01:19:18,560

throughout the entire country and the

2146

01:19:23,189 --> 01:19:20,320

world as people watching this on

2147

01:19:25,110 --> 01:19:23,199

television see what's really happening

2148

01:19:27,189 --> 01:19:25,120

because they too know that it's all

2149

01:19:30,070 --> 01:19:27,199

[h__\h] and it's all a charade and the

2150

01:19:32,630 --> 01:19:30,080

whole thing is completely false

2151
01:19:34,229 --> 01:19:32,640
and now what you're essentially getting

2152
01:19:36,790 --> 01:19:34,239
if you would think of it in electoral

2153
01:19:39,430 --> 01:19:36,800
terms is a vote of no confidence in the

2154
01:19:42,390 --> 01:19:39,440
entire presidential election it's all

2155
01:19:44,070 --> 01:19:42,400
the people saying it's all [h__h]

2156
01:19:46,070 --> 01:19:44,080
left right center

2157
01:19:48,790 --> 01:19:46,080
democrat republican it doesn't matter

2158
01:19:50,470 --> 01:19:48,800
it's all crazy and we're not going for

2159
01:19:52,229 --> 01:19:50,480
it in fact

2160
01:19:54,149 --> 01:19:52,239
it's just striking us as being

2161
01:19:56,229 --> 01:19:54,159
incredibly funny right now well the

2162
01:19:58,310 --> 01:19:56,239
power of that although there are

2163
01:20:00,709 --> 01:19:58,320

people's ah who cares that wouldn't

2164

01:20:02,830 --> 01:20:00,719

change anything believe me

2165

01:20:05,430 --> 01:20:02,840

that would do something

2166

01:20:06,870 --> 01:20:05,440

significant especially if it just kept

2167

01:20:09,189 --> 01:20:06,880

on rolling

2168

01:20:10,790 --> 01:20:09,199

and there were people who could make you

2169

01:20:13,270 --> 01:20:10,800

laugh in that way because they're

2170

01:20:16,149 --> 01:20:13,280

pointing out the obvious fabrication of

2171

01:20:18,070 --> 01:20:16,159

consensus reality that's one place where

2172

01:20:20,470 --> 01:20:18,080

the creative and imaginative potential

2173

01:20:22,229 --> 01:20:20,480

of the individual comes into full play

2174

01:20:24,070 --> 01:20:22,239

how are you going to do that how are you

2175

01:20:25,510 --> 01:20:24,080

going to wake people up in that way so

2176

01:20:27,750 --> 01:20:25,520

that they see

2177

01:20:29,750 --> 01:20:27,760

man we're living in a sea of [\h__\h]

2178

01:20:32,390 --> 01:20:29,760

and we're accepting it

2179

01:20:35,669 --> 01:20:32,400

isn't that completely insane should i

2180

01:20:38,550 --> 01:20:35,679

cry or laugh well why not laugh

2181

01:20:41,910 --> 01:20:38,560

and why what happens if that gets to be

2182

01:20:44,709 --> 01:20:41,920

a gigantic crescendo

2183

01:20:46,709 --> 01:20:44,719

and it's only the people who have zero

2184

01:20:48,229 --> 01:20:46,719

access to their own imaginations who

2185

01:20:50,390 --> 01:20:48,239

can't see that

2186

01:20:53,189 --> 01:20:50,400

as a possibility

2187

01:20:55,110 --> 01:20:53,199

who are so super serious that they just

2188

01:20:57,990 --> 01:20:55,120

can't see that that would make any

2189

01:21:00,630 --> 01:20:58,000

difference at all but to me

2190

01:21:01,990 --> 01:21:00,640

that's the completely natural response

2191

01:21:04,229 --> 01:21:02,000

among others

2192

01:21:07,030 --> 01:21:04,239

to what's going on now

2193

01:21:09,830 --> 01:21:07,040

the completely natural spontaneous

2194

01:21:11,189 --> 01:21:09,840

response of millions and even billions

2195

01:21:14,790 --> 01:21:11,199

of people

2196

01:21:16,790 --> 01:21:14,800

and that produces change

2197

01:21:18,870 --> 01:21:16,800

yeah man that's poetic that's beautiful

2198

01:21:20,870 --> 01:21:18,880

stuff i mean the phrase laughter is the

2199

01:21:23,590 --> 01:21:20,880

best medicine has never been truer than

2200

01:21:25,910 --> 01:21:23,600

anything yeah right i mean it really is

2201

01:21:27,669 --> 01:21:25,920

if like a lot of other things you can

2202

01:21:32,390 --> 01:21:27,679

take it far enough

2203

01:21:34,470 --> 01:21:32,400

just like what laughter actually is

2204

01:21:36,229 --> 01:21:34,480

there's the laughter where you go man

2205

01:21:38,790 --> 01:21:36,239

you know when you laugh and you stop

2206

01:21:40,790 --> 01:21:38,800

that was really funny yeah you know okay

2207

01:21:42,550 --> 01:21:40,800

but then there's that other laughter

2208

01:21:44,229 --> 01:21:42,560

where you don't exactly know why it's

2209

01:21:47,270 --> 01:21:44,239

happening or where it's coming from but

2210

01:21:50,149 --> 01:21:47,280

you can't friggin stop

2211

01:21:51,510 --> 01:21:50,159

because it's like what's happening then

2212

01:21:56,709 --> 01:21:51,520

is

2213

01:21:58,550 --> 01:21:56,719

yeah

2214

01:22:00,709 --> 01:21:58,560
and if you can remember which i

2215

01:22:03,430 --> 01:22:00,719
certainly can and it's happened to me as

2216

01:22:04,790 --> 01:22:03,440
both an adult and a child but as a child

2217

01:22:06,229 --> 01:22:04,800
i i remember

2218

01:22:08,070 --> 01:22:06,239
you know vividly

2219

01:22:10,870 --> 01:22:08,080
once that

2220

01:22:13,110 --> 01:22:10,880
starts that ocean starts

2221

01:22:14,629 --> 01:22:13,120
then everything is funny

2222

01:22:16,870 --> 01:22:14,639
it doesn't matter what happens after

2223

01:22:20,550 --> 01:22:16,880
that somebody says something in response

2224

01:22:22,709 --> 01:22:20,560
or tries to and that becomes yet another

2225

01:22:24,470 --> 01:22:22,719
somehow mysteriously

2226

01:22:26,709 --> 01:22:24,480

incredible joke where everybody then

2227

01:22:29,590 --> 01:22:26,719

goes into the sterics again right that

2228

01:22:31,830 --> 01:22:29,600

used to happen as a kid to me

2229

01:22:33,750 --> 01:22:31,840

you know maybe once a year with a bunch

2230

01:22:35,830 --> 01:22:33,760

of people

2231

01:22:37,189 --> 01:22:35,840

what's happening then is reality is

2232

01:22:42,390 --> 01:22:37,199

exploding

2233

01:22:45,669 --> 01:22:42,400

at once it's like a chain reaction it's

2234

01:22:47,189 --> 01:22:45,679

the good h-bomb

2235

01:22:50,470 --> 01:22:47,199

the l-bomb

2236

01:22:53,990 --> 01:22:52,390

hey that's an awesome way to end the

2237

01:22:55,669 --> 01:22:54,000

show man well do you want to give people

2238

01:22:59,830 --> 01:22:55,679

your website once again

2239

01:23:04,390 --> 01:23:01,430

you can come there you can read all

2240

01:23:06,629 --> 01:23:04,400

about what i've got going and you can

2241

01:23:09,510 --> 01:23:06,639

sign up for the free email list and all

2242

01:23:10,950 --> 01:23:09,520

of that perfect oh excellent talk man i

2243

01:23:12,390 --> 01:23:10,960

really hope we can have you back from

2244

01:23:13,990 --> 01:23:12,400

time to time to weigh in on current

2245

01:23:15,510 --> 01:23:14,000

affairs i really enjoyed you being here

2246

01:23:17,910 --> 01:23:15,520

and thanks again

2247

01:23:18,709 --> 01:23:17,920

thank you any time all right john take

2248

01:23:22,870 --> 01:23:18,719

care

2249

01:23:24,550 --> 01:23:22,880

damn that was pretty good man what'd you

2250

01:23:26,390 --> 01:23:24,560

think of that episode

2251

01:23:28,470 --> 01:23:26,400

i loved that episode i thought it was

2252

01:23:31,110 --> 01:23:28,480

great i thought it was so in line with

2253

01:23:33,510 --> 01:23:31,120

where my head's at lately and just

2254

01:23:35,510 --> 01:23:33,520

loved talking with john about it yeah

2255

01:23:37,110 --> 01:23:35,520

man i mean the laughter then at the end

2256

01:23:38,310 --> 01:23:37,120

was pretty great because

2257

01:23:40,629 --> 01:23:38,320

i don't know if you can remember

2258

01:23:43,350 --> 01:23:40,639

examples of this but i have always had a

2259

01:23:45,110 --> 01:23:43,360

problem with laughing in super serious

2260

01:23:46,629 --> 01:23:45,120

situations whether i'm being yelled at

2261

01:23:49,030 --> 01:23:46,639

by the principal

2262

01:23:51,030 --> 01:23:49,040

or in danger of getting my ass kicked

2263

01:23:53,189 --> 01:23:51,040

like i just start laughing i can

2264

01:23:54,950 --> 01:23:53,199

remember one example in particular we

2265

01:23:56,709 --> 01:23:54,960

were at a pizza hut we used to have

2266

01:23:58,229 --> 01:23:56,719

these gatherings on a friday night where

2267

01:24:00,149 --> 01:23:58,239

a couple of guys would just hang out and

2268

01:24:01,510 --> 01:24:00,159

eat pizza and and [\h__\h] i mean we

2269

01:24:03,270 --> 01:24:01,520

were literally like in the in the

2270

01:24:06,310 --> 01:24:03,280

seventh grade so it was cool just to be

2271

01:24:07,830 --> 01:24:06,320

alone for a night and uh

2272

01:24:10,550 --> 01:24:07,840

there was a group of guys that were

2273

01:24:13,270 --> 01:24:10,560

probably seniors in high school who

2274

01:24:14,709 --> 01:24:13,280

thought we were looking at them wrong so

2275

01:24:16,390 --> 01:24:14,719

when we were on our way outside they

2276

01:24:18,070 --> 01:24:16,400

stopped us and they got all up in our

2277

01:24:19,350 --> 01:24:18,080

face they started pushing us around like

2278

01:24:21,590 --> 01:24:19,360

we're gonna kick the [h__h] out of you

2279

01:24:24,229 --> 01:24:21,600

[h__h] and

2280

01:24:27,350 --> 01:24:24,239

as scared as i was man i could not get

2281

01:24:29,270 --> 01:24:27,360

the smile off my face which just enraged

2282

01:24:31,669 --> 01:24:29,280

these guys even more i think they end up

2283

01:24:33,669 --> 01:24:31,679

throwing a box of pizza in your face

2284

01:24:36,629 --> 01:24:33,679

in my face yeah

2285

01:24:39,270 --> 01:24:36,639

and i it's just so funny man because

2286

01:24:42,830 --> 01:24:39,280

again it's just it is the breakdown i'm

2287

01:24:46,310 --> 01:24:42,840

just like man why why so serious you

2288

01:24:47,910 --> 01:24:46,320

know it's a great response uh there's

2289

01:24:50,790 --> 01:24:47,920

actually

2290

01:24:53,110 --> 01:24:50,800

the laughing many is a concept that's in

2291

01:24:55,669 --> 01:24:53,120

uh like occult magic and that uh if

2292

01:24:58,070 --> 01:24:55,679

you're doing ritualistic magic

2293

01:25:00,310 --> 01:24:58,080

the way to break the spell is the

2294

01:25:01,910 --> 01:25:00,320

laughing many to just be laughed at

2295

01:25:03,350 --> 01:25:01,920

totally diminishes the power of the

2296

01:25:05,750 --> 01:25:03,360

spell

2297

01:25:07,590 --> 01:25:05,760

right and you know it's so cool in the

2298

01:25:09,669 --> 01:25:07,600

context of like everybody laughing at

2299

01:25:12,629 --> 01:25:09,679

the president which is totally natural

2300

01:25:14,790 --> 01:25:12,639

and should happen for god's sakes but

2301

01:25:16,950 --> 01:25:14,800

the idea that it would really

2302

01:25:18,709 --> 01:25:16,960

really shatter the whole spell it

2303

01:25:21,110 --> 01:25:18,719

reminds me of

2304

01:25:23,669 --> 01:25:21,120

deeply psychedelic states the onset of a

2305

01:25:26,790 --> 01:25:23,679

psychedelic state just makes you laugh

2306

01:25:28,550 --> 01:25:26,800

at what just prior to it was consensus

2307

01:25:30,709 --> 01:25:28,560

reality

2308

01:25:33,430 --> 01:25:30,719

yeah it just slips away and all of a

2309

01:25:36,149 --> 01:25:33,440

sudden it's like oh that was one version

2310

01:25:37,590 --> 01:25:36,159

but that's not the whole thing

2311

01:25:40,470 --> 01:25:37,600

right

2312

01:25:42,070 --> 01:25:40,480

and i mean isn't there also uh there's a

2313

01:25:43,990 --> 01:25:42,080

you told me about this but laughter

2314

01:25:46,070 --> 01:25:44,000

meditation is a thing where people just

2315

01:25:48,310 --> 01:25:46,080

get together and just force themselves

2316

01:25:51,270 --> 01:25:48,320

to laugh until it becomes contagious and

2317

01:25:54,149 --> 01:25:51,280

natural and that excel in itself

2318

01:25:56,709 --> 01:25:54,159

releases endorphins and positivity and

2319

01:25:59,910 --> 01:25:56,719

then you go on about your day

2320

01:26:01,750 --> 01:25:59,920

it's a fantastic meditation it's it's

2321

01:26:03,590 --> 01:26:01,760

better in groups it's kind of hard to do

2322

01:26:05,110 --> 01:26:03,600

by yourself right you know you can fake

2323

01:26:06,629 --> 01:26:05,120

it for a long time and you're just not

2324

01:26:08,390 --> 01:26:06,639

laughing and then you're like is anyone

2325

01:26:10,709 --> 01:26:08,400

listening to me what am i doing

2326

01:26:14,070 --> 01:26:10,719

yeah but with others it's great another

2327

01:26:15,590 --> 01:26:14,080

one i did oh my god this was on

2328

01:26:17,270 --> 01:26:15,600

under the influence of stylistic

2329

01:26:19,430 --> 01:26:17,280

mushrooms one time but it would work

2330

01:26:21,110 --> 01:26:19,440

without the mushrooms believe me i

2331

01:26:22,629 --> 01:26:21,120

believe with meditation this stuff works

2332

01:26:24,790 --> 01:26:22,639

without the

2333

01:26:25,590 --> 01:26:24,800

enhancement devices such as mushrooms

2334

01:26:28,709 --> 01:26:25,600

but

2335

01:26:31,750 --> 01:26:28,719

the trick is you get in a circle five or

2336

01:26:34,790 --> 01:26:31,760

so members each person lays down you put

2337

01:26:36,629 --> 01:26:34,800

your head on someone else's stomach

2338

01:26:39,669 --> 01:26:36,639

and you create a ring of ears on

2339

01:26:42,229 --> 01:26:39,679

stomachs and all of a sudden if anyone

2340

01:26:45,030 --> 01:26:42,239

starts laughing it is so

2341

01:26:47,270 --> 01:26:45,040

ridiculously contagious it feels so

2342

01:26:49,510 --> 01:26:47,280

weird and ridiculous

2343

01:26:51,750 --> 01:26:49,520

you start laughing the person's head is

2344

01:26:53,510 --> 01:26:51,760

on your laughing stomach and they start

2345

01:26:55,030 --> 01:26:53,520

uncontrollably laughing all around the

2346

01:26:55,910 --> 01:26:55,040

circle

2347

01:27:02,149 --> 01:26:55,920

it's

2348

01:27:05,030 --> 01:27:02,159

really funny and fun exercise to do

2349

01:27:06,629 --> 01:27:05,040

yeah it's so weird people just feel

2350

01:27:09,030 --> 01:27:06,639

uncomfortable

2351

01:27:10,629 --> 01:27:09,040

doing those kind of things

2352

01:27:12,709 --> 01:27:10,639

i guess because we're just so used to

2353

01:27:15,110 --> 01:27:12,719

being serious adults

2354

01:27:16,709 --> 01:27:15,120

and people can't pay attention yeah

2355

01:27:19,430 --> 01:27:16,719

people can't break that it's tough to

2356

01:27:22,470 --> 01:27:19,440

break away from that's why i think

2357

01:27:24,629 --> 01:27:22,480

these these vices or these uh chemicals

2358

01:27:26,790 --> 01:27:24,639

you know like alcohol marijuana these

2359

01:27:29,189 --> 01:27:26,800

it's escapism it's escaped from that

2360

01:27:32,470 --> 01:27:29,199

very seriousness

2361

01:27:34,229 --> 01:27:32,480

oh definitely and john i just really

2362

01:27:36,790 --> 01:27:34,239

love the way he laid it out because he

2363

01:27:39,830 --> 01:27:36,800

does make it seem so absurd he shows the

2364

01:27:43,189 --> 01:27:39,840

total ridiculousness and subjectivity of

2365

01:27:45,590 --> 01:27:43,199

psychology or psych uh yeah psychiatry

2366

01:27:48,550 --> 01:27:45,600

which then is taken as

2367

01:27:51,110 --> 01:27:48,560

top down totally factual this is

2368

01:27:52,629 --> 01:27:51,120

you know an expert said this an expert

2369

01:27:55,270 --> 01:27:52,639

said you have

2370

01:27:57,189 --> 01:27:55,280

what you bipolar and he's the expert

2371

01:27:59,510 --> 01:27:57,199

that's why we're paying him

2372

01:28:01,189 --> 01:27:59,520

and like you know it seems so serious to

2373

01:28:02,550 --> 01:28:01,199

people now but

2374

01:28:04,550 --> 01:28:02,560

you know what may seem kind of

2375

01:28:06,709 --> 01:28:04,560

ridiculous to somebody in a scientific

2376

01:28:09,189 --> 01:28:06,719

mindset is if your skin was your kid was

2377

01:28:11,189 --> 01:28:09,199

acting up in school and so they said

2378

01:28:12,629 --> 01:28:11,199

that's it you got to go to a reiki

2379

01:28:14,709 --> 01:28:12,639

specialist they're going to have to

2380

01:28:16,229 --> 01:28:14,719

realign your auras and they have color

2381

01:28:17,990 --> 01:28:16,239

therapy

2382

01:28:20,070 --> 01:28:18,000

and a scientist

2383

01:28:21,910 --> 01:28:20,080

you know somebody of the normal kind of

2384

01:28:24,790 --> 01:28:21,920

point of view might just look at that as

2385

01:28:25,750 --> 01:28:24,800

totally absurd and in the future i hope

2386

01:28:29,310 --> 01:28:25,760

that

2387

01:28:33,189 --> 01:28:29,320

people will look back on psychiatry and

2388

01:28:35,590 --> 01:28:33,199

pharmaceuticals as equally absurd

2389

01:28:37,110 --> 01:28:35,600

as color therapy

2390

01:28:39,350 --> 01:28:37,120

and just

2391

01:28:41,910 --> 01:28:39,360

it was in an era where it was taken to

2392

01:28:43,110 --> 01:28:41,920

be totally legit and scientific and

2393

01:28:45,030 --> 01:28:43,120

factual

2394

01:28:46,950 --> 01:28:45,040

and in the future we'll look back on it

2395

01:28:49,669 --> 01:28:46,960

and just laugh in the same way that we

2396

01:28:51,510 --> 01:28:49,679

look back on the mythologies of ancient

2397

01:28:53,030 --> 01:28:51,520

people and laugh and say oh they were so

2398

01:28:55,510 --> 01:28:53,040

primitive they were doing such stupid

2399

01:28:59,110 --> 01:28:57,590

it would be great it'd be great to have

2400

01:29:01,270 --> 01:28:59,120

people look at

2401
01:29:03,669 --> 01:29:01,280
currency that way you know then i think

2402
01:29:04,870 --> 01:29:03,679
that the third zeitgeist movie they talk

2403
01:29:06,790 --> 01:29:04,880
about

2404
01:29:09,110 --> 01:29:06,800
if we ever do get to a resource-based

2405
01:29:11,189 --> 01:29:09,120
economy can you imagine

2406
01:29:13,430 --> 01:29:11,199
sixth graders in school

2407
01:29:14,709 --> 01:29:13,440
learning about the old ways of

2408
01:29:17,669 --> 01:29:14,719
capitalism

2409
01:29:21,030 --> 01:29:17,679
or communism same [h__\h] thing of just

2410
01:29:22,950 --> 01:29:21,040
monetary systems and just laugh just be

2411
01:29:25,510 --> 01:29:22,960
like oh so you just let people die in

2412
01:29:27,830 --> 01:29:25,520
the streets outside of the grocery store

2413
01:29:29,669 --> 01:29:27,840

oh that's cool that makes sense well the

2414

01:29:31,430 --> 01:29:29,679

grocery store had to lock the dumpster

2415

01:29:32,870 --> 01:29:31,440

so that people wouldn't know how much

2416

01:29:33,669 --> 01:29:32,880

fresh food was actually going out of

2417

01:29:36,870 --> 01:29:33,679

there

2418

01:29:39,270 --> 01:29:36,880

yeah that was your way okay oh so you

2419

01:29:42,149 --> 01:29:39,280

you literally took the entire country

2420

01:29:44,550 --> 01:29:42,159

and took wires all the way across you

2421

01:29:46,790 --> 01:29:44,560

know mountains everything you put

2422

01:29:49,270 --> 01:29:46,800

literal wires to everyone's house and a

2423

01:29:52,550 --> 01:29:49,280

meter on each house so you knew exactly

2424

01:29:54,629 --> 01:29:52,560

how much to charge for the energy

2425

01:29:56,870 --> 01:29:54,639

that they're using which is generated by

2426

01:29:58,870 --> 01:29:56,880

a power plant which the power plant

2427

01:30:01,669 --> 01:29:58,880

doesn't know how much energy should cost

2428

01:30:04,149 --> 01:30:01,679

that's just a a barrier put on on

2429

01:30:06,390 --> 01:30:04,159

electricity uh oh that's the way you

2430

01:30:08,390 --> 01:30:06,400

guys lived oh adults lived like that too

2431

01:30:10,709 --> 01:30:08,400

okay cool

2432

01:30:13,590 --> 01:30:10,719

all right well i'm glad that uh my

2433

01:30:15,350 --> 01:30:13,600

parents didn't [\h__\h] a few years sooner

2434

01:30:17,110 --> 01:30:15,360

oh my god

2435

01:30:20,070 --> 01:30:17,120

born right at the edge of this because i

2436

01:30:22,229 --> 01:30:20,080

really feel like the youth are waking up

2437

01:30:24,310 --> 01:30:22,239

the youth in my opinion there's a real

2438

01:30:26,229 --> 01:30:24,320

opportunity they feel like they're

2439

01:30:28,950 --> 01:30:26,239

breaking out of the trance they're

2440

01:30:30,470 --> 01:30:28,960

starting to look back at literally all

2441

01:30:32,390 --> 01:30:30,480

of the behavior patterns of their

2442

01:30:34,470 --> 01:30:32,400

parents their parents parents all your

2443

01:30:36,870 --> 01:30:34,480

uncles aunts all these people act the

2444

01:30:38,390 --> 01:30:36,880

same all these people this is comes from

2445

01:30:40,470 --> 01:30:38,400

a culture

2446

01:30:42,870 --> 01:30:40,480

that got us to where we are now but now

2447

01:30:44,790 --> 01:30:42,880

we're looking back and thinking like

2448

01:30:46,070 --> 01:30:44,800

this [h__h] is insane like all these

2449

01:30:47,350 --> 01:30:46,080

things we've been doing are totally

2450

01:30:49,590 --> 01:30:47,360

insane

2451

01:30:51,030 --> 01:30:49,600

and a good analogy of this

2452

01:30:53,750 --> 01:30:51,040

is that i hope

2453

01:30:55,830 --> 01:30:53,760

it'll be like the youth become like

2454

01:30:58,070 --> 01:30:55,840

indigenous people the way indigenous

2455

01:31:00,310 --> 01:30:58,080

people might look at a missionary

2456

01:31:02,149 --> 01:31:00,320

who comes there and tells them what god

2457

01:31:04,149 --> 01:31:02,159

is all about and what they have to do

2458

01:31:05,910 --> 01:31:04,159

and what they're doing wrong and the

2459

01:31:08,629 --> 01:31:05,920

indigenous is like

2460

01:31:11,110 --> 01:31:08,639

you that is a whole different mythology

2461

01:31:13,350 --> 01:31:11,120

that's your mythology it's not mine i

2462

01:31:15,350 --> 01:31:13,360

wish i could be more optimistic i don't

2463

01:31:17,350 --> 01:31:15,360

know a lot of people i guess seem to be

2464

01:31:19,110 --> 01:31:17,360

waking up i like to look at the numbers

2465

01:31:20,790 --> 01:31:19,120

of the show honestly i don't talk about

2466

01:31:23,430 --> 01:31:20,800

it very much but there are tens of

2467

01:31:25,430 --> 01:31:23,440

thousands of people that listen to every

2468

01:31:28,229 --> 01:31:25,440

episode and it's kind of one-sided

2469

01:31:30,550 --> 01:31:28,239

because i don't get to hear their

2470

01:31:33,830 --> 01:31:30,560

opinion but i just have to assume that

2471

01:31:36,709 --> 01:31:33,840

by tuning in by listening every week

2472

01:31:38,550 --> 01:31:36,719

they're in agreement with at least

2473

01:31:41,270 --> 01:31:38,560

eighty percent of the [h__h] that i

2474

01:31:45,430 --> 01:31:41,280

say or that you know i have guests on to

2475

01:31:47,110 --> 01:31:45,440

kind of uh push these kind of ideas

2476

01:31:48,629 --> 01:31:47,120

and

2477

01:31:51,030 --> 01:31:48,639

that's

2478

01:31:52,950 --> 01:31:51,040

hopeful that gives me some optimism but

2479

01:31:54,470 --> 01:31:52,960

at the same time i mean you and i both

2480

01:31:56,550 --> 01:31:54,480

know the people that we know in our

2481

01:31:59,270 --> 01:31:56,560

regular lives the people we grew up with

2482

01:32:01,750 --> 01:31:59,280

the group of friends we had who was were

2483

01:32:04,709 --> 01:32:01,760

always down for laughter you know man

2484

01:32:08,310 --> 01:32:04,719

the the group we had in high school was

2485

01:32:09,990 --> 01:32:08,320

insanely fun and it all just broke apart

2486

01:32:11,830 --> 01:32:10,000

because

2487

01:32:13,590 --> 01:32:11,840

of the financial system you have to get

2488

01:32:14,870 --> 01:32:13,600

involved you can't live at home anymore

2489

01:32:17,910 --> 01:32:14,880

you got to start living on your own

2490

01:32:19,990 --> 01:32:17,920

which is shackles you down to a mortgage

2491

01:32:22,390 --> 01:32:20,000

or rent and you got to figure out a way

2492

01:32:24,070 --> 01:32:22,400

to pay for it and it sucks all the fun

2493

01:32:26,149 --> 01:32:24,080

out of life and

2494

01:32:28,229 --> 01:32:26,159

unfortunately we've never thought that

2495

01:32:30,550 --> 01:32:28,239

there might be a better system than that

2496

01:32:31,990 --> 01:32:30,560

it's a damn shame but when i look at the

2497

01:32:33,430 --> 01:32:32,000

numbers of the show

2498

01:32:35,669 --> 01:32:33,440

i am

2499

01:32:38,149 --> 01:32:35,679

encouraged that i'm not alone

2500

01:32:39,830 --> 01:32:38,159

but i wish we could take these people

2501

01:32:42,070 --> 01:32:39,840

and really do something you know i

2502

01:32:43,750 --> 01:32:42,080

really wish a community could start

2503

01:32:46,229 --> 01:32:43,760

that's what's so disheartening about

2504

01:32:48,310 --> 01:32:46,239

going to conspiracy con or paranoiacon

2505

01:32:49,510 --> 01:32:48,320

and seeing it be kind of barren

2506

01:32:52,229 --> 01:32:49,520

is

2507

01:32:54,629 --> 01:32:52,239

there are people out there but we got to

2508

01:32:56,870 --> 01:32:54,639

put real world energy into this [h__h] it

2509

01:32:58,470 --> 01:32:56,880

can't all just be listening to a podcast

2510

01:33:01,270 --> 01:32:58,480

or two you know there's got to be some

2511

01:33:03,430 --> 01:33:01,280

real world energy applied and it can be

2512

01:33:05,270 --> 01:33:03,440

fun at the same time if you get in the

2513

01:33:07,270 --> 01:33:05,280

right the right mindset and have the

2514

01:33:08,550 --> 01:33:07,280

right amount of people but

2515

01:33:11,510 --> 01:33:08,560

i don't know man

2516

01:33:13,110 --> 01:33:11,520

at times i go back and forth i want to

2517

01:33:15,350 --> 01:33:13,120

to create

2518

01:33:17,750 --> 01:33:15,360

a small community that

2519

01:33:19,510 --> 01:33:17,760

has these values at heart but then other

2520

01:33:21,990 --> 01:33:19,520

times i'm thinking i can't do it and i

2521

01:33:25,110 --> 01:33:22,000

just might as well retreat retreat to

2522

01:33:27,189 --> 01:33:25,120

mexico retreat to chile

2523

01:33:29,110 --> 01:33:27,199

take care of myself

2524

01:33:30,390 --> 01:33:29,120

retreat to mexico sounds pretty sweet to

2525

01:33:32,070 --> 01:33:30,400

me

2526

01:33:33,669 --> 01:33:32,080

yeah well maybe we could

2527

01:33:37,270 --> 01:33:33,679

organize that

2528

01:33:41,590 --> 01:33:39,350

it's coming together

2529

01:33:42,709 --> 01:33:41,600

i think we could start uh

2530

01:33:44,310 --> 01:33:42,719

i don't know i think you mentioned on

2531

01:33:47,189 --> 01:33:44,320

the show one time

2532

01:33:48,629 --> 01:33:47,199

we could have a higher side chats themed

2533

01:33:51,030 --> 01:33:48,639

resort

2534

01:33:52,870 --> 01:33:51,040

and some other country that we set up

2535

01:33:54,629 --> 01:33:52,880

and it would be legit

2536

01:33:56,070 --> 01:33:54,639

yeah i i don't know if i talked about

2537

01:33:57,990 --> 01:33:56,080

that on the show but it was definitely

2538

01:33:59,830 --> 01:33:58,000

an idea like if we took a place in

2539

01:34:01,110 --> 01:33:59,840

acapulco mexico or something and we

2540

01:34:02,310 --> 01:34:01,120

lived there and had a good internet

2541

01:34:03,350 --> 01:34:02,320

connection

2542

01:34:05,270 --> 01:34:03,360

and

2543

01:34:08,149 --> 01:34:05,280

maybe i don't i don't ever want to

2544

01:34:10,070 --> 01:34:08,159

charge for the show that's like i'm so

2545

01:34:11,990 --> 01:34:10,080

against that but at the same time like i

2546

01:34:14,229 --> 01:34:12,000

gotta get out of the nine-to-five job

2547

01:34:16,709 --> 01:34:14,239

and and really dedicate myself to this

2548

01:34:18,629 --> 01:34:16,719

project and there has to be some type of

2549

01:34:20,950 --> 01:34:18,639

funding for that and there just really

2550

01:34:22,310 --> 01:34:20,960

isn't right now but it would be amazing

2551
01:34:24,790 --> 01:34:22,320
to

2552
01:34:27,270 --> 01:34:24,800
fund a community where instead of doing

2553
01:34:29,910 --> 01:34:27,280
these interviews via skype which we

2554
01:34:31,590 --> 01:34:29,920
could still do we could also

2555
01:34:33,590 --> 01:34:31,600
bring people in

2556
01:34:37,110 --> 01:34:33,600
and this resort would just have a

2557
01:34:40,470 --> 01:34:37,120
constant flow of creative thinkers of

2558
01:34:42,229 --> 01:34:40,480
great minds coming and lecturing

2559
01:34:43,910 --> 01:34:42,239
it would be pretty awesome and people

2560
01:34:46,310 --> 01:34:43,920
could come and stay

2561
01:34:48,870 --> 01:34:46,320
and eventually i think a community like

2562
01:34:50,629 --> 01:34:48,880
that would could grow and grow bigger

2563
01:34:55,430 --> 01:34:50,639

and bigger until it just

2564

01:34:58,470 --> 01:34:55,440

negates the authoritarian police state

2565

01:35:01,350 --> 01:34:58,480

and it's it's not that our particular

2566

01:35:03,750 --> 01:35:01,360

group has to overcome the entirety of

2567

01:35:06,470 --> 01:35:03,760

the trance it just needs to carve out a

2568

01:35:08,790 --> 01:35:06,480

little space where we can be sovereign

2569

01:35:10,950 --> 01:35:08,800

we can have our own little mythology

2570

01:35:13,350 --> 01:35:10,960

our own idea of what a day should look

2571

01:35:15,430 --> 01:35:13,360

like and how much time should be spent

2572

01:35:17,189 --> 01:35:15,440

having fun as opposed to being extremely

2573

01:35:19,430 --> 01:35:17,199

serious

2574

01:35:22,390 --> 01:35:19,440

yeah i mean i don't want to [h__h] make

2575

01:35:25,430 --> 01:35:22,400

anybody do anything but i want to have

2576

01:35:26,870 --> 01:35:25,440

the freedom to enjoy life and that is

2577

01:35:28,550 --> 01:35:26,880

being

2578

01:35:30,950 --> 01:35:28,560

choked out of me

2579

01:35:33,350 --> 01:35:30,960

all the time

2580

01:35:36,709 --> 01:35:33,360

your power as john said

2581

01:35:39,750 --> 01:35:36,719

to manifest a new unique reality and

2582

01:35:40,950 --> 01:35:39,760

outlook and just to break the trance

2583

01:35:42,470 --> 01:35:40,960

you're already doing it man you're

2584

01:35:44,709 --> 01:35:42,480

carving new terrain

2585

01:35:46,390 --> 01:35:44,719

i feel like even if people aren't

2586

01:35:48,229 --> 01:35:46,400

totally in agreement with all the things

2587

01:35:51,510 --> 01:35:48,239

said on this show which can be at times

2588

01:35:53,270 --> 01:35:51,520

highly speculative yeah i think at least

2589

01:35:55,669 --> 01:35:53,280

we're having a narrative at least we're

2590

01:35:58,070 --> 01:35:55,679

having an ongoing conversation really

2591

01:35:59,750 --> 01:35:58,080

trying to map out let's chart it all out

2592

01:36:01,910 --> 01:35:59,760

what is [h__h] up about the way things

2593

01:36:04,550 --> 01:36:01,920

are what do we not like what are people

2594

01:36:06,149 --> 01:36:04,560

tired of what can we fix where can we go

2595

01:36:08,149 --> 01:36:06,159

from here

2596

01:36:11,430 --> 01:36:08,159

and uh it's it's moving it's got some

2597

01:36:13,669 --> 01:36:11,440

directionality to it i i know man it's

2598

01:36:16,310 --> 01:36:13,679

just about taking it from

2599

01:36:17,750 --> 01:36:16,320

the digital space into the 3d world it

2600

01:36:20,229 --> 01:36:17,760

just it's not

2601
01:36:23,189 --> 01:36:20,239
manifesting in the three dimensional

2602
01:36:25,510 --> 01:36:23,199
space like i wish it was but you know

2603
01:36:27,189 --> 01:36:25,520
two years in there's there's time

2604
01:36:29,669 --> 01:36:27,199
there's definitely time

2605
01:36:31,590 --> 01:36:29,679
kyle i definitely appreciate you being

2606
01:36:33,590 --> 01:36:31,600
here doing these little before and

2607
01:36:35,350 --> 01:36:33,600
afters with these interviews i think

2608
01:36:37,750 --> 01:36:35,360
it's great and i appreciate you taking

2609
01:36:40,149 --> 01:36:37,760
the time to do that with me

2610
01:36:41,990 --> 01:36:40,159
yeah i love doing it man you put me on

2611
01:36:44,390 --> 01:36:42,000
with some of these most interesting

2612
01:36:46,790 --> 01:36:44,400
researchers who got a really good grasp

2613
01:36:48,229 --> 01:36:46,800

of all kinds of stuff and it's an honor

2614

01:36:50,070 --> 01:36:48,239

and it's a pleasure

2615

01:36:52,629 --> 01:36:50,080

to be a part of the show and check out

2616

01:36:54,709 --> 01:36:52,639

my blogs as well they're legit uh it's a

2617

01:36:56,390 --> 01:36:54,719

process to write it's difficult and a

2618

01:36:57,990 --> 01:36:56,400

lot of times i ask for feedback from

2619

01:37:00,070 --> 01:36:58,000

people and i don't get it and i feel

2620

01:37:01,910 --> 01:37:00,080

like a piece of [h__h] but i'm gonna keep

2621

01:37:03,350 --> 01:37:01,920

turning them out so if you'd like to

2622

01:37:05,350 --> 01:37:03,360

give me feedback

2623

01:37:08,310 --> 01:37:05,360

that would be great as well kyle's

2624

01:37:10,470 --> 01:37:08,320

pieces conversations with the other are

2625

01:37:12,950 --> 01:37:10,480

up about once a week maybe once every 10

2626

01:37:15,030 --> 01:37:12,960

days at the highersidechats.com

2627

01:37:17,990 --> 01:37:15,040

i also tweet these things i put these

2628

01:37:20,870 --> 01:37:18,000

things on facebook give them a read

2629

01:37:22,870 --> 01:37:20,880

and and yeah comment respond

2630

01:37:24,709 --> 01:37:22,880

i do appreciate the emails and facebook

2631

01:37:27,030 --> 01:37:24,719

messages i get back

2632

01:37:28,950 --> 01:37:27,040

uh it's it's pretty overwhelming i try

2633

01:37:31,030 --> 01:37:28,960

to respond to as much of them as i can

2634

01:37:33,590 --> 01:37:31,040

just to let you know i got them and it's

2635

01:37:34,790 --> 01:37:33,600

great so you know all right people once

2636

01:37:36,629 --> 01:37:34,800

again

2637

01:37:38,870 --> 01:37:36,639

please share the show review the show

2638

01:37:41,109 --> 01:37:38,880

retweet it to your friends help me not

2639

01:37:43,590 --> 01:37:41,119

be a piece of [\h__\h] failure which is how

2640

01:37:45,790 --> 01:37:43,600

i feel like i am right now

2641

01:37:47,750 --> 01:37:45,800

you know also check out mind comics at

2642

01:37:49,270 --> 01:37:47,760

minecomics.com for some enlightening and

2643

01:37:52,149 --> 01:37:49,280

affordable entertainment and use the

2644

01:37:53,990 --> 01:37:52,159

coupon code thc to save 20 percent let

2645

01:37:56,790 --> 01:37:54,000

them know that i sent you

2646

01:37:58,310 --> 01:37:56,800

check out conspiracies for some badass

2647

01:38:00,390 --> 01:37:58,320

shirts and if you're in the midwest

2648

01:38:03,109 --> 01:38:00,400

check out the geographically accurate

2649

01:38:05,109 --> 01:38:03,119

mid-continent paranormal conference

2650

01:38:07,189 --> 01:38:05,119

there it is people the fat lady is

2651

01:38:09,189 --> 01:38:07,199

singing and i declare this meeting of
