1
00:00:38,790 --> 00:00:37,050
how's it going higher side chatters

2
00:00:40,979 --> 00:00:38,800
drinking a little drink smoking a little

3
00:00:42,630 --> 00:00:40,989
smoke from San Diego I'm Greg Carl wood

4
00:00:45,090 --> 00:00:42,640
and today we're going to go deeper than

5
00:00:48,029 --> 00:00:45,100
deep with Jay Widener scholar of Gnostic

6
00:00:50,130 --> 00:00:48,039
texts and alchemical traditions maker of

7
00:00:52,889 --> 00:00:50,140
films such as Kubrick's Odyssey in time

8
00:00:55,169 --> 00:00:52,899
way of 2013 and exposure of the ugly

9
00:00:57,599 --> 00:00:55,179
truth about the crypto terrestrials aka

10
00:01:00,569 --> 00:00:57,609
the archons aka the global elite in

11
00:01:02,610 --> 00:01:00,579
their final form but also back in the

12
00:01:04,439 --> 00:01:02,620
settle today is my occasional co-pilot

13
00:01:06,480 --> 00:01:04,449

Adam go rightly hot on the heels of a

14

00:01:08,550 --> 00:01:06,490

psychedelic symphony of high weirdness

15

00:01:10,800 --> 00:01:08,560

at the first annual paranoiac on in our

16

00:01:12,090 --> 00:01:10,810

first real world meet-and-greet always a

17

00:01:14,670 --> 00:01:12,100

pleasure to have him along for the ride

18

00:01:16,740 --> 00:01:14,680

at a man how you holding up good dude

19

00:01:19,130 --> 00:01:16,750

man you got a lot of energy this morning

20

00:01:22,200 --> 00:01:19,140

just having my second cup of coffee here

21

00:01:24,929 --> 00:01:22,210

yeah man it's it's tough but you know

22

00:01:26,249 --> 00:01:24,939

that's um it helps the show go along I

23

00:01:29,130 --> 00:01:26,259

mean you know it was great to see you in

24

00:01:32,100 --> 00:01:29,140

San Diego man um a lot of other bonafide

25

00:01:35,100 --> 00:01:32,110

pimps were there they can have a pretty

26
00:01:39,840 --> 00:01:35,110
good time yeah it was a blast enjoyed it

27
00:01:41,840 --> 00:01:39,850
there it was that place Cafe Sobotka or

28
00:01:44,459 --> 00:01:41,850
backyard you see that little Russian

29
00:01:48,440 --> 00:01:44,469
restaurant really like the scene there

30
00:01:52,230 --> 00:01:48,450
it was fun kind of a small intimate

31
00:01:54,810 --> 00:01:52,240
venue but ya got to interact with some

32
00:01:56,850 --> 00:01:54,820
of the other conspiracy type researchers

33
00:01:59,760 --> 00:01:56,860
and people there at the event so it was

34
00:02:01,529 --> 00:01:59,770
fun yeah man your set was pretty great

35
00:02:05,429 --> 00:02:01,539
it was nice to have a rock adela

36
00:02:07,170 --> 00:02:05,439
interlude to a series of to our talks I

37
00:02:08,940 --> 00:02:07,180
mean it's fascinating as they were you

38
00:02:13,380 --> 00:02:08,950

know it was good to jazz it up a little

39

00:02:15,839 --> 00:02:13,390

bit good yeah it helps break it up a bit

40

00:02:18,870 --> 00:02:15,849

and yeah I had a fun time playing the

41

00:02:22,010 --> 00:02:18,880

set with my buddy Joe so

42

00:02:24,330 --> 00:02:22,020

yeah he was a cool guy too

43

00:02:26,280 --> 00:02:24,340

while we're hitting on things paranoia

44

00:02:29,280 --> 00:02:26,290

you have a pretty awesome article in the

45

00:02:31,410 --> 00:02:29,290

new issue of paranoia magazine covers

46

00:02:33,030 --> 00:02:31,420

two of my favorite subjects conspiracy

47

00:02:34,740 --> 00:02:33,040

and comedians and it's titled

48

00:02:38,100 --> 00:02:34,750

appropriately the dead comedian

49

00:02:40,590 --> 00:02:38,110

conspiracy it's something rarely talked

50

00:02:42,630 --> 00:02:40,600

about but it's how I got into conspiracy

51
00:02:44,490 --> 00:02:42,640
topics from the work of Bill Hicks and

52
00:02:46,920 --> 00:02:44,500
George Carlin and it's funny because you

53
00:02:49,230 --> 00:02:46,930
hear about government agencies keeping a

54
00:02:51,600 --> 00:02:49,240
close eye on various musicians and

55
00:02:53,520 --> 00:02:51,610
musical acts in the 60s and 70s but

56
00:02:56,040 --> 00:02:53,530
never comedians who are just as capable

57
00:02:58,200 --> 00:02:56,050
of rattling cages and being just as

58
00:03:00,630 --> 00:02:58,210
influential which is a real problem for

59
00:03:02,850 --> 00:03:00,640
the establishment you know yeah the

60
00:03:05,370 --> 00:03:02,860
deeper I looked into it you know the

61
00:03:09,660 --> 00:03:05,380
more it seemed curious all the deaths of

62
00:03:12,120 --> 00:03:09,670
these different comedians who were in a

63
00:03:14,400 --> 00:03:12,130

sense you know comedians or philosophers

64

00:03:17,550 --> 00:03:14,410

or social activists they're the fly in

65

00:03:21,270 --> 00:03:17,560

the ointment and starting you know with

66

00:03:22,830 --> 00:03:21,280

Lenny Bruce his death was curious and he

67

00:03:25,590 --> 00:03:22,840

was definitely a target of the

68

00:03:27,890 --> 00:03:25,600

government and the fuzz back in the day

69

00:03:30,690 --> 00:03:27,900

and then you look at other people like

70

00:03:34,440 --> 00:03:30,700

Freddie Prinze he was into a lot of

71

00:03:36,780 --> 00:03:34,450

political stuff on and on you know they

72

00:03:39,990 --> 00:03:36,790

all fit the profile he mentioned Bill

73

00:03:45,270 --> 00:03:40,000

Hicks and the list goes on there's a

74

00:03:47,370 --> 00:03:45,280

many more that seemed to diet curiously

75

00:03:50,610 --> 00:03:47,380

it curious times and their careers right

76

00:03:53,190 --> 00:03:50,620

as they were getting ready to be

77

00:03:56,370 --> 00:03:53,200

catapulted to greater stardom and have a

78

00:03:58,110 --> 00:03:56,380

wider audience yeah another interesting

79

00:04:02,130 --> 00:03:58,120

part of that article I thought was that

80

00:04:04,200 --> 00:04:02,140

this this guy the certain corner he had

81

00:04:07,170 --> 00:04:04,210

been the man to perform a bunch of

82

00:04:08,820 --> 00:04:07,180

suspicious and high-profile autopsies

83

00:04:11,910 --> 00:04:08,830

back in the day I think Marilyn Monroe

84

00:04:13,890 --> 00:04:11,920

Robert Kennedy and where it comes into

85

00:04:15,120 --> 00:04:13,900

your article is John Belushi whose death

86

00:04:17,670 --> 00:04:15,130

I always thought was a pretty

87

00:04:19,470 --> 00:04:17,680

cut-and-dried drug overdose but it

88

00:04:21,390 --> 00:04:19,480

originally was reported as natural

89

00:04:23,220 --> 00:04:21,400

causes which is pretty highly suspicious

90

00:04:25,590 --> 00:04:23,230

right mm-hmm

91

00:04:28,530 --> 00:04:25,600

yeah this is a Thomas Noguchi you're

92

00:04:32,340 --> 00:04:28,540

talking about who's the corner corner in

93

00:04:34,170 --> 00:04:32,350

LA before holy smokes

94

00:04:38,670 --> 00:04:34,180

something like 30 years he handled all

95

00:04:41,490 --> 00:04:38,680

those high profile autopsies that you

96

00:04:44,360 --> 00:04:41,500

mentioned there that all of them that

97

00:04:46,670 --> 00:04:44,370

seemed are people suggest have

98

00:04:50,370 --> 00:04:46,680

conspiracies swirling around them

99

00:04:54,600 --> 00:04:50,380

Noguchi was modeled after the character

100

00:04:55,710 --> 00:04:54,610

the television show with oh god it

101
00:04:59,220 --> 00:04:55,720
escapes me now

102
00:05:00,840 --> 00:04:59,230
oh crap with Jack Klugman Jack Klugman

103
00:05:02,730 --> 00:05:00,850
is the corner what the hell was that

104
00:05:06,060 --> 00:05:02,740
call that was way before your time now

105
00:05:08,160 --> 00:05:06,070
and I'm lost yeah I had a little brain

106
00:05:10,710 --> 00:05:08,170
fart there but people know who I'm

107
00:05:13,980 --> 00:05:10,720
talking about who go back to those days

108
00:05:17,310 --> 00:05:13,990
but yeah the will come to me in a minute

109
00:05:20,520 --> 00:05:17,320
but yeah the Belushi one was real

110
00:05:22,830 --> 00:05:20,530
curious I first heard about from another

111
00:05:24,800 --> 00:05:22,840
comedian social activist Dick Gregory

112
00:05:27,810 --> 00:05:24,810
who's been knee-deep into all this

113
00:05:30,990 --> 00:05:27,820

conspiracy stuff for years and years and

114

00:05:33,150 --> 00:05:31,000

he claimed that Belushi around the time

115

00:05:35,880 --> 00:05:33,160

of his death was looking at into some

116

00:05:38,880 --> 00:05:35,890

other mysterious Hollywood deaths in

117

00:05:43,140 --> 00:05:38,890

particular Natalie Wood and William

118

00:05:46,800 --> 00:05:43,150

Holden and Gregory suggests that Belushi

119

00:05:49,290 --> 00:05:46,810

had information that William Holden was

120

00:05:51,870 --> 00:05:49,300

friends with Ronald Reagan in fact he

121

00:05:53,040 --> 00:05:51,880

was the best man at Reagan's wedding

122

00:05:56,040 --> 00:05:53,050

this was during the Reagan

123

00:05:58,470 --> 00:05:56,050

administration Holden had information

124

00:06:02,280 --> 00:05:58,480

about the Reagan White House that he

125

00:06:04,460 --> 00:06:02,290

shared with Natalie Wood Robert Wagner

126

00:06:07,050 --> 00:06:04,470

Wagner and that bunch

127

00:06:09,240 --> 00:06:07,060

Robert Wagner was in a show called

128

00:06:12,630 --> 00:06:09,250

heart-to-heart with Stefanie Powers and

129

00:06:14,250 --> 00:06:12,640

Stefanie Powers was William Holden's

130

00:06:16,860 --> 00:06:14,260

main squeeze all these people were

131

00:06:20,340 --> 00:06:16,870

connecting the corsa Natalie Wood died

132

00:06:23,070 --> 00:06:20,350

of a pretty suspicious death which it's

133

00:06:24,870 --> 00:06:23,080

been revived in the news recently as

134

00:06:28,830 --> 00:06:24,880

well I guess yeah

135

00:06:30,750 --> 00:06:28,840

Gregory claimed that they've got a cat

136

00:06:32,790 --> 00:06:30,760

here I got a kick out of the room it

137

00:06:39,330 --> 00:06:32,800

starts doing that there I got the damn

138

00:06:43,140 --> 00:06:39,340

thing hang on just sec damn they're

139

00:06:45,360 --> 00:06:43,150

worse than kids but and so yeah Gregory

140

00:06:50,490 --> 00:06:45,370

Dick Gregory contended that

141

00:06:54,050 --> 00:06:50,500

Belushi's supposed accidental overdose

142

00:06:57,780 --> 00:06:54,060

was much more than that

143

00:07:01,050 --> 00:06:57,790

yeah he was wasn't he supposed to meet

144

00:07:04,200 --> 00:07:01,060

just the night before he died yeah

145

00:07:05,879 --> 00:07:04,210

that's uh Dick Gregory said that he blew

146

00:07:09,210 --> 00:07:05,889

she had planned a meeting with the

147

00:07:13,350 --> 00:07:09,220

Gregory's buddy mark Lane mark Lane was

148

00:07:17,570 --> 00:07:13,360

the first guy to write a book critical

149

00:07:19,800 --> 00:07:17,580

the Warren Report back in I was the mid

150

00:07:24,960 --> 00:07:19,810

sixties one of the first book and he's

151

00:07:27,180 --> 00:07:24,970

been very active JFK assassination

152

00:07:30,029 --> 00:07:27,190

research or conspiracy researcher and

153

00:07:32,820 --> 00:07:30,039

Belushi parently had some information on

154

00:07:35,580 --> 00:07:32,830

the JFK assassination or the RFK I

155

00:07:39,330 --> 00:07:35,590

forget which one and he was supposed to

156

00:07:43,140 --> 00:07:39,340

meet with Mark Lane the next day and

157

00:07:46,159 --> 00:07:43,150

then once again he had that apparent

158

00:07:49,920 --> 00:07:46,169

overdose at the Chateau Marmont in LA

159

00:07:53,250 --> 00:07:49,930

which effectively perhaps silenced him

160

00:07:55,129 --> 00:07:53,260

yeah man it's wild I mean things I

161

00:07:58,500 --> 00:07:55,139

always thought were cut and dry are

162

00:07:59,940 --> 00:07:58,510

pretty crazy yeah and it it was Bill

163

00:08:02,219 --> 00:07:59,950

Hicks who really did get me in a

164

00:08:04,080 --> 00:08:02,229

conspiracy I was a huge huge fan of his

165

00:08:06,120 --> 00:08:04,090

and also into psychedelics you know

166

00:08:07,980 --> 00:08:06,130

because I he started talking about his

167

00:08:10,409 --> 00:08:07,990

use in psychedelics is kind of what

168

00:08:12,570 --> 00:08:10,419

brought him to these notions and I was

169

00:08:14,580 --> 00:08:12,580

like yeah I'm down let's go down that

170

00:08:17,370 --> 00:08:14,590

rabbit hole but have you ever seen this

171

00:08:20,370 --> 00:08:17,380

uh conspiracy that Bill Hicks is

172

00:08:22,740 --> 00:08:20,380

actually Alex Jones yeah it's a bunch of

173

00:08:25,140 --> 00:08:22,750

nonsense I know it really is it really

174

00:08:28,260 --> 00:08:25,150

is but it's I think the thing that

175

00:08:33,000 --> 00:08:28,270

offends me a little bit but I see you

176

00:08:34,920 --> 00:08:33,010

know the sounds a bit like Bill yeah

177

00:08:39,570 --> 00:08:34,930

into nations and whatnot but he

178

00:08:43,100 --> 00:08:39,580

certainly does and have the sunshi or a

179

00:08:46,230 --> 00:08:43,110

sense of humor that Bill Hicks had so

180

00:08:48,660 --> 00:08:46,240

you know Bill Hicks is near and dear to

181

00:08:51,000 --> 00:08:48,670

my heart because he had that psychedelic

182

00:08:53,150 --> 00:08:51,010

experience on shrooms with his buddy

183

00:08:57,060 --> 00:08:53,160

Kevin Boothe and some others where they

184

00:08:58,440 --> 00:08:57,070

made contact with something rather than

185

00:09:01,910 --> 00:08:58,450

I have a you know similar

186

00:09:05,400 --> 00:09:01,920

thing when I was growing up that made me

187

00:09:08,820 --> 00:09:05,410

question consensus reality a psychedelic

188

00:09:11,340 --> 00:09:08,830

you know visitation with a friend of

189

00:09:12,630 --> 00:09:11,350

mine with some with the other whatever

190

00:09:15,450 --> 00:09:12,640

that was

191

00:09:18,540 --> 00:09:15,460

who knows yeah he's a sacred cow in my

192

00:09:20,730 --> 00:09:18,550

mind it it would kill me I know that's a

193

00:09:23,310 --> 00:09:20,740

big part of the thing is they may look

194

00:09:25,320 --> 00:09:23,320

somewhat similar but he wouldn't become

195

00:09:28,320 --> 00:09:25,330

a skill like that or what I would say

196

00:09:30,720 --> 00:09:28,330

Alex Jones I mean I'm not a huge Alex

197

00:09:34,410 --> 00:09:30,730

Jones fan I think he's just a fear

198

00:09:38,670 --> 00:09:34,420

monger and he keeps people waiting

199

00:09:40,410 --> 00:09:38,680

he's like a fear porn guy you know and

200

00:09:42,330 --> 00:09:40,420

he's meant well he comes from family

201
00:09:45,270 --> 00:09:42,340
money and he's making Bank off his

202
00:09:49,680 --> 00:09:45,280
Empire and right seems a bit

203
00:09:51,270 --> 00:09:49,690
hypocritical if you pull up I don't know

204
00:09:54,210 --> 00:09:51,280
if you can find him anymore on the web

205
00:09:58,230 --> 00:09:54,220
but he owns this huge mansion out in

206
00:10:02,160 --> 00:09:58,240
Texas somewhere I mean a huge mansion

207
00:10:04,860 --> 00:10:02,170
that it's like Citizen Kane Citizen

208
00:10:06,870 --> 00:10:04,870
Hearst type of mansion really yeah

209
00:10:09,150 --> 00:10:06,880
damn I'm have to look into that yeah he

210
00:10:12,210 --> 00:10:09,160
definitely doesn't see him like his

211
00:10:15,750 --> 00:10:12,220
hearts in the right place there hey I've

212
00:10:19,880 --> 00:10:15,760
got on the web here this the television

213
00:10:23,910 --> 00:10:19,890

program hey he said after Noguchi was

214

00:10:26,010 --> 00:10:23,920

Quincy Quincy yeah Jack Klugman was in

215

00:10:26,490 --> 00:10:26,020

that I don't know before your time I

216

00:10:28,140 --> 00:10:26,500

guess

217

00:10:30,120 --> 00:10:28,150

right on yeah I mean I watched a lot of

218

00:10:31,530 --> 00:10:30,130

shows from that era that were on Nick at

219

00:10:33,450 --> 00:10:31,540

night because I watched a lot of that

220

00:10:36,720 --> 00:10:33,460

growing up but Quincy was didn't make it

221

00:10:38,420 --> 00:10:36,730

on there yeah a lot of like a lot of

222

00:10:43,380 --> 00:10:38,430

those shows it was kind of lame but

223

00:10:45,350 --> 00:10:43,390

based after the corner Robert Naboo char

224

00:10:48,630 --> 00:10:45,360

excuse me Thomas Noguchi

225

00:10:50,670 --> 00:10:48,640

all right on well before we bring Jay

226

00:10:53,690 --> 00:10:50,680

and I did want to ask you on the air I

227

00:10:56,460 --> 00:10:53,700

your book projects we're coming along oh

228

00:10:58,410 --> 00:10:56,470

they're coming along nothing to speak of

229

00:11:00,920 --> 00:10:58,420

yet you know I hate getting into them

230

00:11:06,630 --> 00:11:00,930

too deep until they actually get

231

00:11:09,120 --> 00:11:06,640

published the one that we'll see first

232

00:11:11,730 --> 00:11:09,130

out of these ones I'm working on is the

233

00:11:14,520 --> 00:11:11,740

history of discord ian is a minutes

234

00:11:18,180 --> 00:11:14,530

being laid out right now and working

235

00:11:19,830 --> 00:11:18,190

with the publisher it's pretty complex

236

00:11:24,570 --> 00:11:19,840

project because there's a lot of

237

00:11:26,520 --> 00:11:24,580

materials letters and illustrations and

238

00:11:28,950 --> 00:11:26,530

different thing these guys wrote who

239

00:11:31,740 --> 00:11:28,960

were involved in that scene back in the

240

00:11:34,170 --> 00:11:31,750

day so it's getting things all put

241

00:11:38,340 --> 00:11:34,180

together and captions and so it's moving

242

00:11:42,710 --> 00:11:38,350

along hopefully we'll see it published

243

00:11:46,560 --> 00:11:42,720

later this year and also working on a

244

00:11:48,750 --> 00:11:46,570

website for all these different related

245

00:11:51,660 --> 00:11:48,760

projects which will be historia

246

00:11:55,020 --> 00:11:51,670

discordia comm but it's not really

247

00:11:57,590 --> 00:11:55,030

active yet that's being put together and

248

00:12:00,780 --> 00:11:57,600

I think if you go there now you'll

249

00:12:03,960 --> 00:12:00,790

they'll just bring up page says Finn

250

00:12:06,060 --> 00:12:03,970

Lord but the things are coming good

251

00:12:07,800 --> 00:12:06,070

stuff man I'm glad you're able to stay

252

00:12:09,900 --> 00:12:07,810

motivated I'm trying to get a book done

253

00:12:14,550 --> 00:12:09,910

but I like weed and Gordon Ramsay shows

254

00:12:17,280 --> 00:12:14,560

too much it's sort of ironic mentally

255

00:12:18,690 --> 00:12:17,290

it's motivating but in three dimensional

256

00:12:21,150 --> 00:12:18,700

reality I'm just sitting there for hours

257

00:12:25,080 --> 00:12:21,160

on the couch not doing yeah it's a

258

00:12:26,910 --> 00:12:25,090

strange form of self talk but alright

259

00:12:29,190 --> 00:12:26,920

it's about that time that we steer this

260

00:12:30,840 --> 00:12:29,200

ship deep into the depths of conspiracy

261

00:12:33,150 --> 00:12:30,850

and examine as much of the ocean of

262

00:12:34,920 --> 00:12:33,160

information as we can with Jay Widener

263

00:12:36,960 --> 00:12:34,930

but first I'm going to pound your ears

264

00:12:39,060 --> 00:12:36,970

with the beat of my conspiracy clothing

265

00:12:41,100 --> 00:12:39,070

brand conspiracies and an ad we've all

266

00:12:42,270 --> 00:12:41,110

heard a thousand times maybe a thousand

267

00:12:44,610 --> 00:12:42,280

and one is going to be the great

268

00:12:46,650 --> 00:12:44,620

motivator for you and then I can eat

269

00:12:48,600 --> 00:12:46,660

again this week so here goes an atom and

270

00:12:55,560 --> 00:12:48,610

I'll be talking with the legendary Jay

271

00:12:59,710 --> 00:12:57,880

we're here because we don't buy into the

272

00:13:01,600 --> 00:12:59,720

[h__\h] of mainstream culture we're

273

00:13:03,130 --> 00:13:01,610

tired of the mundane passionless careers

274

00:13:04,750 --> 00:13:03,140

we've been shuffled into as a result of

275

00:13:06,790 --> 00:13:04,760

this orchestrated debt based system of

276

00:13:08,440 --> 00:13:06,800

rule and the stranglehold on education

277

00:13:11,500 --> 00:13:08,450

entertainment by cold soulless

278

00:13:14,680 --> 00:13:11,510

corporations people yes we are

279

00:13:16,540 --> 00:13:14,690

frustrated yes we are tired and we

280

00:13:17,860 --> 00:13:16,550

reject the brave group tranquilizers

281

00:13:19,990 --> 00:13:17,870

that are Monday Night Football and a

282

00:13:22,269 --> 00:13:20,000

nice cold Budweiser we have to stop

283

00:13:24,850 --> 00:13:22,279

hiding stop hiding behind the headphones

284

00:13:26,199 --> 00:13:24,860

in the cherry popper 4/20 user name let

285

00:13:28,660 --> 00:13:26,209

the world see that the resistance is

286

00:13:30,610 --> 00:13:28,670

strong and society is changing there was

287

00:13:31,060 --> 00:13:30,620

a time to be anonymous that time has

288

00:13:33,310 --> 00:13:31,070

passed

289

00:13:35,350 --> 00:13:33,320

and so the higher side chats would like

290

00:13:37,170 --> 00:13:35,360

to present conspiracies as the daunted

291

00:13:39,540 --> 00:13:37,180

of this new paradigm in the uniform

292

00:13:41,700 --> 00:13:39,550

revolution because both fashion should

293

00:13:44,400 --> 00:13:41,710

mean more than some celebrity Lee Tresor

294

00:13:46,260 --> 00:13:44,410

Atlanta sleeping throwing conspiracies

295

00:13:48,180 --> 00:13:46,270

redefines both fashion as having the

296

00:13:50,370 --> 00:13:48,190

balls to reject socially uncomfortable

297

00:13:54,420 --> 00:13:50,380

and unpopular truths from your radiant

298

00:13:57,420 --> 00:13:54,430

chest all [h__h] day its beauties

299

00:13:59,550 --> 00:13:57,430

dotnet let them know that you them both

300

00:14:02,320 --> 00:13:59,560

designs for trouble times hard truths

301

00:14:05,269 --> 00:14:02,330

soft rock

302

00:14:06,800 --> 00:14:05,279

all right we are back people and we know

303

00:14:08,720 --> 00:14:06,810

there are many layers to the conspiracy

304

00:14:11,210 --> 00:14:08,730

onion many branches on the conspiracy

305

00:14:12,860 --> 00:14:11,220

tree and I like to dive as deep into

306

00:14:14,750 --> 00:14:12,870

these weird waters as a guest will allow

307

00:14:16,670 --> 00:14:14,760

and today is going to be a real treat

308

00:14:18,200 --> 00:14:16,680

because Jay Widener is not afraid to

309

00:14:19,940 --> 00:14:18,210

throw off the floaties and take us to

310

00:14:22,340 --> 00:14:19,950

the bottom of the conspiratorial sea

311

00:14:24,530 --> 00:14:22,350

he's a real authority on hermetic and

312

00:14:26,240 --> 00:14:24,540

alchemical traditions hidden symbolism

313

00:14:28,579 --> 00:14:26,250

in both the ancient world and their more

314

00:14:30,980 --> 00:14:28,589

modern uses and he's a true scholar of

315

00:14:32,780 --> 00:14:30,990

the Gnostic texts he's written for years

316

00:14:34,400 --> 00:14:32,790

on these topics and produced numerous

317

00:14:36,920 --> 00:14:34,410

films the one that put him on my radar

318

00:14:39,200 --> 00:14:36,930

being Kubrick's *Odyssey* secrets hidden

319

00:14:41,090 --> 00:14:39,210

in the films of Stanley Kubrick which

320

00:14:42,530 --> 00:14:41,100

details Jays position that the elite

321

00:14:44,240 --> 00:14:42,540

commissioned Kubrick to fake the moon

322

00:14:46,519 --> 00:14:44,250

landing footage and it makes a pretty

323

00:14:48,500 --> 00:14:46,529

compelling case I must say he's a

324

00:14:50,750 --> 00:14:48,510

conspiratorial jack of all trades and

325

00:14:52,040 --> 00:14:50,760

master of enlightening media Jay thanks

326

00:14:54,590 --> 00:14:52,050

for being on the show

327

00:14:56,269 --> 00:14:54,600

hey no problem glad to be here you know

328

00:14:58,040 --> 00:14:56,279

a lot of times I find that a person puts

329

00:14:59,690 --> 00:14:58,050

out something interesting like Kubrick's

330

00:15:01,130 --> 00:14:59,700

Odyssey and I think man I really want to

331

00:15:02,960 --> 00:15:01,140

have him on the show to talk about that

332

00:15:04,820 --> 00:15:02,970

and then I start looking into their work

333

00:15:06,530 --> 00:15:04,830

and I find that it goes much deeper and

334

00:15:08,630 --> 00:15:06,540

sometimes it doesn't but in your case

335

00:15:10,040 --> 00:15:08,640

Kubrick's Odyssey is really just a drop

336

00:15:11,810 --> 00:15:10,050

in the bucket compared to the more

337

00:15:13,520 --> 00:15:11,820

paradigm changing information that

338

00:15:15,110 --> 00:15:13,530

you're privy to and the things that you

339

00:15:17,840 --> 00:15:15,120

share about the true nature of the

340

00:15:20,030 --> 00:15:17,850

elites their core goal which is not only

341

00:15:22,070 --> 00:15:20,040

their thinly veiled matrix of global

342

00:15:24,200 --> 00:15:22,080

enslavement but also the suppression of

343

00:15:26,240 --> 00:15:24,210

true human potential as well as some

344

00:15:29,150 --> 00:15:26,250

really interesting exposure on certain

345

00:15:30,950 --> 00:15:29,160

secrets within our solar system I hope

346

00:15:32,960 --> 00:15:30,960

we can cover a good amount of it in just

347

00:15:35,090 --> 00:15:32,970

a short hour man which is challenging in

348

00:15:37,640 --> 00:15:35,100

itself but since we're new to Jay

349

00:15:38,840 --> 00:15:37,650

Widener here on THC and I have a good

350

00:15:41,420 --> 00:15:38,850

idea of what's coming down the pike

351

00:15:43,340 --> 00:15:41,430

myself I'm curious as to how you came to

352

00:15:45,410 --> 00:15:43,350

uncover some of the hidden knowledge

353

00:15:47,329 --> 00:15:45,420

that you have so I got to ask you how

354

00:15:48,380 --> 00:15:47,339

did you get clued in on what's really

355

00:15:52,550 --> 00:15:48,390

going on out there

356

00:15:56,660 --> 00:15:52,560

well good question um actually I guess

357

00:16:00,560 --> 00:15:56,670

it started a long time ago in 1986 when

358

00:16:04,250 --> 00:16:00,570

I have profound shamanic experience in

359

00:16:07,220 --> 00:16:04,260

which all of my personal paradigms were

360

00:16:10,550 --> 00:16:07,230

blasted away and shattered in an

361

00:16:13,670 --> 00:16:10,560

overnight experience and then that made

362

00:16:15,289 --> 00:16:13,680

me realize that I was pretty much wrong

363

00:16:18,559 --> 00:16:15,299

about everything that I had hell

364

00:16:21,949 --> 00:16:18,569

true to that point in my life I was

365

00:16:25,189 --> 00:16:21,959

still a young man and I had to discard

366

00:16:28,369 --> 00:16:25,199

everything that I had been taught and

367

00:16:30,559 --> 00:16:28,379

then I discovered a book in a book stuck

368

00:16:32,959 --> 00:16:30,569

sale called mysteries of the cathedrals

369

00:16:35,629 --> 00:16:32,969

by a man named Vulcan le in the same

370

00:16:37,009 --> 00:16:35,639

year and I took the book home and I

371

00:16:39,859 --> 00:16:37,019

tried to read it I was a book about

372

00:16:41,899 --> 00:16:39,869

architecture and as I got the cathedrals

373

00:16:43,369 --> 00:16:41,909

that is and I took the book home and I

374

00:16:46,849 --> 00:16:43,379

realized it actually the book was about

375

00:16:49,009 --> 00:16:46,859

an arcane subject called alchemy and me

376

00:16:51,109 --> 00:16:49,019

being a practical scientific kind of guy

377

00:16:54,709 --> 00:16:51,119

knew that there could never be anything

378

00:16:57,799 --> 00:16:54,719

real like alchemy so I set out to debunk

379

00:17:01,959 --> 00:16:57,809

this very very clever intellectually

380

00:17:06,100 --> 00:17:01,969

driven book and the book debunked me and

381

00:17:09,439 --> 00:17:06,110

pretty soon I began realizing that

382

00:17:13,639 --> 00:17:09,449

science was pretty much wrong history

383

00:17:17,720 --> 00:17:13,649

was a lie and everywhere I went as I

384

00:17:21,350 --> 00:17:17,730

investigated this book to to refute it I

385

00:17:23,210 --> 00:17:21,360

instead found out that that that the

386

00:17:25,429 --> 00:17:23,220

book by full cannelli was right and that

387

00:17:27,289 --> 00:17:25,439

almost everything I had been taught in

388

00:17:31,869 --> 00:17:27,299

school in college and everything I had

389

00:17:35,060 --> 00:17:31,879

read was wrong wrong not just wrong but

390

00:17:37,609 --> 00:17:35,070

devised wrong in other words it was done

391

00:17:40,159 --> 00:17:37,619

on purpose it was it was wrong but it

392

00:17:41,960 --> 00:17:40,169

was wrong on purpose and that one took

393

00:17:44,330 --> 00:17:41,970

me about 20 years to really get my head

394

00:17:46,970 --> 00:17:44,340

around why anyone would write down false

395

00:17:49,100 --> 00:17:46,980

stories and false histories and of

396

00:17:54,799 --> 00:17:49,110

course that led me down into the rabbit

397

00:17:56,289 --> 00:17:54,809

hole of a million other things and um in

398

00:18:04,159 --> 00:17:56,299

the so I made an agreement with myself

399

00:18:06,619 --> 00:18:04,169

that in 1990 that if in 20 years I could

400

00:18:09,409 --> 00:18:06,629

look back and say no I probably not

401
00:18:11,600 --> 00:18:09,419
write about those conspiracies I was

402
00:18:13,549 --> 00:18:11,610
looking at all those times ago then I

403
00:18:17,560 --> 00:18:13,559
would just drop it and go living on

404
00:18:20,509 --> 00:18:17,570
alive but if in 20 years I look back and

405
00:18:25,100 --> 00:18:20,519
I said no it's even worse than I thought

406
00:18:29,080 --> 00:18:25,110
then I will go full bore into it and and

407
00:18:32,049 --> 00:18:29,090
and and devote my life to it and so in

408
00:18:37,700 --> 00:18:32,059
2006 on the twentieth anniversary of my

409
00:18:39,830 --> 00:18:37,710
of my awakening I had a long talk with

410
00:18:42,560 --> 00:18:39,840
myself I said okay do I believe it more

411
00:18:45,049 --> 00:18:42,570
or do I believe it less and the answer

412
00:18:49,190 --> 00:18:45,059
was resounding I not only believe it

413
00:18:51,669 --> 00:18:49,200

more I know it's true and so then I've

414

00:18:55,610 --> 00:18:51,679

gone from since 2006 last seven years

415

00:18:58,730 --> 00:18:55,620

pretty much confident that I know what

416

00:19:00,740 --> 00:18:58,740

I'm saying is right and going forth

417

00:19:04,909 --> 00:19:00,750

I knew that Kubrick had done the moon

418

00:19:06,799 --> 00:19:04,919

landings way before 2006 I knew in 2001

419

00:19:09,320 --> 00:19:06,809

that you've done it but I didn't have

420

00:19:13,129 --> 00:19:09,330

the confidence until after my

421

00:19:14,899 --> 00:19:13,139

twenty-year review for me to go forward

422

00:19:18,110 --> 00:19:14,909

and say that he had done it and then

423

00:19:20,870 --> 00:19:18,120

prove it so a lot of things solidified

424

00:19:27,669 --> 00:19:20,880

and I'm kind of actually happy to say

425

00:19:31,850 --> 00:19:27,679

that uh the world seems to be slowly

426

00:19:33,470 --> 00:19:31,860

coming towards the point of view of my

427

00:19:37,310 --> 00:19:33,480

point of view or our point of view or

428

00:19:40,190 --> 00:19:37,320

the wakened point of view and I actually

429

00:19:42,620 --> 00:19:40,200

sort of almost smell victory in the air

430

00:19:47,779 --> 00:19:42,630

so I don't know what to say besides that

431

00:19:53,180 --> 00:19:47,789

the Otherworld is um far more intricate

432

00:19:55,970 --> 00:19:53,190

and far more conspiratorial than anyone

433

00:19:58,549 --> 00:19:55,980

can possibly imagine man I agree with

434

00:20:00,620 --> 00:19:58,559

you but let's talk Kubrick for a couple

435

00:20:03,080 --> 00:20:00,630

minutes me I always thought there was

436

00:20:05,180 --> 00:20:03,090

something cryptic about the man and his

437

00:20:07,190 --> 00:20:05,190

films I mean Eyes Wide Shut is known to

438

00:20:10,549 --> 00:20:07,200

be soaked in symbolism and is a

439

00:20:13,250 --> 00:20:10,559

not-so-subtle expose on the pastimes of

440

00:20:15,980 --> 00:20:13,260

the elite and I know Adams written a bit

441

00:20:17,779 --> 00:20:15,990

about him as well but Jay tell us about

442

00:20:19,759 --> 00:20:17,789

Kubrick and his symbolism and his

443

00:20:21,950 --> 00:20:19,769

connections that put him in such a

444

00:20:22,810 --> 00:20:21,960

position to make a film like eyes wide

445

00:20:27,379 --> 00:20:22,820

shut

446

00:20:30,379 --> 00:20:27,389

yeah I mean um when I when I first had

447

00:20:33,379 --> 00:20:30,389

my revelation about mr. Kubrick was

448

00:20:36,560 --> 00:20:33,389

about three weeks after he died in 1999

449

00:20:39,799 --> 00:20:36,570

it was that he think it was April 1999

450

00:20:41,870 --> 00:20:39,809

when I started getting my first I guess

451
00:20:42,500 --> 00:20:41,880
you could say revelatory knowledge about

452
00:20:44,840 --> 00:20:42,510
what

453
00:20:47,270 --> 00:20:44,850
he was putting into his film and I wrote

454
00:20:51,020 --> 00:20:47,280
an article called alchemical Kubrick in

455
00:20:53,300 --> 00:20:51,030
April of 1999 it went out and literally

456
00:20:54,710 --> 00:20:53,310
had millions and millions of hits it was

457
00:20:56,980 --> 00:20:54,720
really the first article I'd ever

458
00:20:59,840 --> 00:20:56,990
written that got millions of hits and

459
00:21:02,450 --> 00:20:59,850
caused a huge amount of controversy and

460
00:21:06,980 --> 00:21:02,460
a lot of people wrote to me you know May

461
00:21:09,290 --> 00:21:06,990
June of 1999 going you're crazy you're

462
00:21:11,300 --> 00:21:09,300
reading too much into 2001 a Space

463
00:21:11,990 --> 00:21:11,310

Odyssey you don't know what you're

464

00:21:14,690 --> 00:21:12,000

talking about

465

00:21:16,760 --> 00:21:14,700

Kubrick wasn't into via call Kubrick

466

00:21:17,630 --> 00:21:16,770

resident uh the elites you don't know

467

00:21:20,420 --> 00:21:17,640

what you're talking about

468

00:21:22,310 --> 00:21:20,430

and I had to admit to myself that my

469

00:21:25,220 --> 00:21:22,320

critics were actually right I really had

470

00:21:26,960 --> 00:21:25,230

no evidence in any of his films that he

471

00:21:32,000 --> 00:21:26,970

was into the occult outside of the

472

00:21:35,270 --> 00:21:32,010

shining maybe and then on July 20th or

473

00:21:37,610 --> 00:21:35,280

July 16 1999 a few just a few months

474

00:21:40,460 --> 00:21:37,620

after I wrote my first article Eyes Wide

475

00:21:43,820 --> 00:21:40,470

Shut came out and there it was

476

00:21:46,580 --> 00:21:43,830

and it was like BAM whoa you know you're

477

00:21:48,560 --> 00:21:46,590

not only is he into the occult he's into

478

00:21:50,030 --> 00:21:48,570

revealing what the occult what the

479

00:21:53,090 --> 00:21:50,040

elites are doing and their occult

480

00:21:56,090 --> 00:21:53,100

rituals and then I thought I saw well

481

00:21:59,780 --> 00:21:56,100

why would he do that and then my answer

482

00:22:01,970 --> 00:21:59,790

came back because maybe possibly he

483

00:22:04,510 --> 00:22:01,980

attended some of these orgies some of

484

00:22:07,940 --> 00:22:04,520

these rituals and then I thought well

485

00:22:10,610 --> 00:22:07,950

okay does seem rather the movie itself

486

00:22:13,880 --> 00:22:10,620

is very autobiographical eyes wide shine

487

00:22:17,420 --> 00:22:13,890

in that he made the set designer design

488

00:22:20,060 --> 00:22:17,430

Tom and Nicole Cruz's apartment to look

489

00:22:22,370 --> 00:22:20,070

just like his apartment in the late 50s

490

00:22:24,530 --> 00:22:22,380

and Billy in the village there in New

491

00:22:28,390 --> 00:22:24,540

York and so there were all these

492

00:22:31,520 --> 00:22:28,400

parallels I was noticing him so then

493

00:22:37,280 --> 00:22:31,530

that caused me to take it even greater

494

00:22:41,150 --> 00:22:37,290

look at Stanley and so in 2001 in

495

00:22:44,600 --> 00:22:41,160

celebration of his great film 2001 they

496

00:22:48,110 --> 00:22:44,610

released the DVD of the movie 2001 I

497

00:22:50,330 --> 00:22:48,120

bought it I took it home and within the

498

00:22:52,340 --> 00:22:50,340

first 20 minutes of watching a movie I

499

00:22:54,890 --> 00:22:52,350

not only realized that he'd faked the

500

00:22:56,090 --> 00:22:54,900

moon landings but how he had done it and

501
00:23:00,230 --> 00:22:56,100
frontscreen projection

502
00:23:04,310 --> 00:23:00,240
among other things and then I sat on it

503
00:23:06,830 --> 00:23:04,320
for the next 10 years actually until

504
00:23:12,440 --> 00:23:06,840
2009 when I finally went public with my

505
00:23:15,500 --> 00:23:12,450
findings so uh that's how I got and what

506
00:23:20,180 --> 00:23:15,510
it was as Kubrick was kind of a the end

507
00:23:23,990 --> 00:23:20,190
of a full cycle a cycle that began with

508
00:23:26,900 --> 00:23:24,000
full Canali in 1986 and me being me

509
00:23:29,750 --> 00:23:26,910
having my previous world completely and

510
00:23:32,060 --> 00:23:29,760
utterly destroyed and having to find my

511
00:23:34,760 --> 00:23:32,070
balance losing my wife losing my family

512
00:23:36,230 --> 00:23:34,770
losing my friends and losing everyone

513
00:23:41,000 --> 00:23:36,240

just abandoning me because they thought

514

00:23:43,940 --> 00:23:41,010

I'd lost my mind to finally coming to

515

00:23:45,740 --> 00:23:43,950

grips with not only the conspiracy but

516

00:23:47,899 --> 00:23:45,750

that the conspiracy uses people like

517

00:23:51,320 --> 00:23:47,909

Stanley Kubrick and then how does it use

518

00:23:55,010 --> 00:23:51,330

it and I began to figure all that out

519

00:23:58,940 --> 00:23:55,020

and I think that that was a real shot

520

00:24:01,850 --> 00:23:58,950

across the bow um and I believe it was

521

00:24:03,980 --> 00:24:01,860

all planned by Kubrick he put the stuff

522

00:24:06,230 --> 00:24:03,990

in his films I think he thought it would

523

00:24:08,270 --> 00:24:06,240

take a little bit longer for someone to

524

00:24:10,909 --> 00:24:08,280

figure it out and find it and bring it

525

00:24:13,760 --> 00:24:10,919

out I don't think he was I think he was

526

00:24:16,100 --> 00:24:13,770

really surprised if he'd been alive that

527

00:24:17,180 --> 00:24:16,110

it happened so soon within 10 years

528

00:24:20,330 --> 00:24:17,190

after his death

529

00:24:21,830 --> 00:24:20,340

but it is and I'm not alone and like you

530

00:24:24,049 --> 00:24:21,840

said Adam go write Lee's writing about

531

00:24:25,940 --> 00:24:24,059

him and there's about a hundred other

532

00:24:28,279 --> 00:24:25,950

people that are combing through his

533

00:24:30,470 --> 00:24:28,289

films of the fine-tooth comb and we're

534

00:24:32,840 --> 00:24:30,480

finding out all the secrets that he lay

535

00:24:35,270 --> 00:24:32,850

buried in their secrets that he wanted

536

00:24:37,700 --> 00:24:35,280

to be found out secrets that he wanted

537

00:24:39,049 --> 00:24:37,710

revealed through pop culture so they

538

00:24:41,299 --> 00:24:39,059

could never be taken back

539

00:24:44,659 --> 00:24:41,309

it's actually quite brilliant and for a

540

00:24:45,200 --> 00:24:44,669

man with a 200 IQ like Stan Lee job well

541

00:24:48,440 --> 00:24:45,210

done

542

00:24:50,899 --> 00:24:48,450

you know yeah a.j do you think that he

543

00:24:54,919 --> 00:24:50,909

crossed the line with Eyes Wide Shut and

544

00:24:57,440 --> 00:24:54,929

was did away with because of that well

545

00:24:59,060 --> 00:24:57,450

you know I can't say because I wasn't

546

00:25:01,940 --> 00:24:59,070

there and he was still smoking

547

00:25:03,470 --> 00:25:01,950

cigarettes at 70 years old yeah and I

548

00:25:06,320 --> 00:25:03,480

know that shooting a movie because I'm

549

00:25:09,640 --> 00:25:06,330

just finishing one is a serious physical

550

00:25:12,160 --> 00:25:09,650

um can early break you down

551
00:25:14,680 --> 00:25:12,170
younger than he was and it's just about

552
00:25:18,040 --> 00:25:14,690
tore me into the ground so I don't know

553
00:25:20,290 --> 00:25:18,050
I do know this the fact that he died six

554
00:25:23,980 --> 00:25:20,300
hundred sixty six days before January

555
00:25:26,890 --> 00:25:23,990
1st 2001 really brings a lot of red

556
00:25:29,860 --> 00:25:26,900
flags and alarm bells in my head and I

557
00:25:33,520 --> 00:25:29,870
also talked to I don't know who this man

558
00:25:37,750 --> 00:25:33,530
was he called me anonymously and told me

559
00:25:40,150 --> 00:25:37,760
that Kubrick was in the lobby while the

560
00:25:42,640 --> 00:25:40,160
Warner Brothers executives were watching

561
00:25:44,890 --> 00:25:42,650
the cut of two of the highlights shot

562
00:25:46,600 --> 00:25:44,900
and Kubrick was walking back and forth

563
00:25:48,730 --> 00:25:46,610

in the lobby muttering to himself

564

00:25:50,050 --> 00:25:48,740

they're going to kill me they're going

565

00:25:51,940 --> 00:25:50,060

to see this film and they're going to

566

00:25:53,470 --> 00:25:51,950

get so pissed off they're going to kill

567

00:25:56,620 --> 00:25:53,480

me I don't know if he meant that

568

00:26:01,060 --> 00:25:56,630

figuratively for real but five days

569

00:26:05,170 --> 00:26:01,070

later he was dead Wow yeah I've seen the

570

00:26:08,760 --> 00:26:05,180

film you put together exposing you know

571

00:26:12,670 --> 00:26:08,770

the 2001 and the moon-landing using this

572

00:26:16,060 --> 00:26:12,680

frontscreen projection method and indeed

573

00:26:18,190 --> 00:26:16,070

I found that pretty damn compelling well

574

00:26:20,560 --> 00:26:18,200

it is what's amazing about it is is that

575

00:26:24,550 --> 00:26:20,570

there's all these people that are trying

576
00:26:27,430 --> 00:26:24,560
to debunk that those findings and what's

577
00:26:32,710 --> 00:26:27,440
funny is is they're debunking is just so

578
00:26:35,380 --> 00:26:32,720
pathetic like um they one guy's a nasa

579
00:26:38,050 --> 00:26:35,390
expert he's trying to rip me apart and

580
00:26:40,770 --> 00:26:38,060
he says well you know Widener finds all

581
00:26:43,450 --> 00:26:40,780
these geometries up in the sky you know

582
00:26:46,060 --> 00:26:43,460
above the moon and then what he does is

583
00:26:48,310 --> 00:26:46,070
he pulls out another photograph of I

584
00:26:50,050 --> 00:26:48,320
think it was Apollo 11 launching and

585
00:26:52,930 --> 00:26:50,060
says let's see I found the same thing

586
00:26:55,240 --> 00:26:52,940
here so here we have the sky of Florida

587
00:26:57,270 --> 00:26:55,250
you know this launch is going up and

588
00:27:01,960 --> 00:26:57,280

there are indeed some strange

589

00:27:03,610 --> 00:27:01,970

articulations up in the sky but dude I'm

590

00:27:05,440 --> 00:27:03,620

talking about on the moon I'm not

591

00:27:08,230 --> 00:27:05,450

talking about a photograph taken from

592

00:27:09,910 --> 00:27:08,240

the earth of the apollo watching i'm

593

00:27:12,520 --> 00:27:09,920

talking about on the moon it's not just

594

00:27:15,640 --> 00:27:12,530

one photograph it's literally hundreds

595

00:27:18,010 --> 00:27:15,650

and hundreds of photographs x if you

596

00:27:19,980 --> 00:27:18,020

don't if you want to tell me that that

597

00:27:22,120 --> 00:27:19,990

is not proof frontscreen projection

598

00:27:23,150 --> 00:27:22,130

crate what is it

599

00:27:24,890 --> 00:27:23,160

that

600

00:27:26,960 --> 00:27:24,900

than nothing because when you argue with

601
00:27:28,910 --> 00:27:26,970
imbeciles or when you debate with

602
00:27:30,980 --> 00:27:28,920
imbeciles you got to be careful and not

603
00:27:33,350 --> 00:27:30,990
look like an imbecile yourself because

604
00:27:34,850 --> 00:27:33,360
as Mark Twain said never get in an

605
00:27:36,370 --> 00:27:34,860
argument with a fool because anyone

606
00:27:40,250 --> 00:27:36,380
watching will have trouble finding out

607
00:27:42,710 --> 00:27:40,260
discovering who's who and and so I don't

608
00:27:46,210 --> 00:27:42,720
really go after my debugger xeni more I

609
00:27:48,650 --> 00:27:46,220
use shows like this to debunk them but

610
00:27:51,230 --> 00:27:48,660
actually I hate to say this but I

611
00:27:54,170 --> 00:27:51,240
haven't met one who seems to have a high

612
00:27:55,910 --> 00:27:54,180
enough IQ to even bother with arguing

613
00:27:59,030 --> 00:27:55,920

with oh snap

614

00:28:00,740 --> 00:27:59,040

but huh yes to clarify you you do think

615

00:28:03,680 --> 00:28:00,750

we went to the moon you just think the

616

00:28:06,350 --> 00:28:03,690

footage was face right yeah I mean I

617

00:28:08,180 --> 00:28:06,360

pretty much know that beyond any shadow

618

00:28:10,460 --> 00:28:08,190

of a doubt that we've had a secret space

619

00:28:14,150 --> 00:28:10,470

program since we brought the Nazis into

620

00:28:16,220 --> 00:28:14,160

a United States with the 50s and the

621

00:28:18,860 --> 00:28:16,230

Nazis if you know Joseph barrels work

622

00:28:20,270 --> 00:28:18,870

the Nazis were working on Stan Lee we're

623

00:28:22,910 --> 00:28:20,280

working on standard rocket technology

624

00:28:26,560 --> 00:28:22,920

but they were working on extremely

625

00:28:29,780 --> 00:28:26,570

exotic anti-gravitational vehicles and

626

00:28:32,180 --> 00:28:29,790

we scooped them all up I don't believe

627

00:28:34,100 --> 00:28:32,190

there was ever a cold war I believe that

628

00:28:36,820 --> 00:28:34,110

there's a third party on top of both the

629

00:28:39,350 --> 00:28:36,830

Soviet Union in the US and that they

630

00:28:40,820 --> 00:28:39,360

parceled out the research so that the

631

00:28:42,380 --> 00:28:40,830

United States did one part of the

632

00:28:44,330 --> 00:28:42,390

research in the Soviet Union there

633

00:28:46,100 --> 00:28:44,340

another part of the research and then

634

00:28:49,210 --> 00:28:46,110

they put them in competition against

635

00:28:53,870 --> 00:28:49,220

each other so that there would be faster

636

00:28:55,490 --> 00:28:53,880

turnarounds and almost is if they

637

00:28:57,980 --> 00:28:55,500

were in an emergency and they were

638

00:29:01,760 --> 00:28:57,990

working really fast to develop this

639

00:29:04,610 --> 00:29:01,770

technology and I believe that the red

640

00:29:07,370 --> 00:29:04,620

mercury that they discovered that the

641

00:29:09,080 --> 00:29:07,380

Nazis discovered was perfected I know it

642

00:29:11,510 --> 00:29:09,090

was by both the Soviet Union United

643

00:29:14,930 --> 00:29:11,520

States and that this is the source of

644

00:29:16,220 --> 00:29:14,940

the anti-gravity machines I'm not saying

645

00:29:17,930 --> 00:29:16,230

there's not a lens another thing

646

00:29:21,140 --> 00:29:17,940

anything like that I'm just saying that

647

00:29:23,000 --> 00:29:21,150

we have a lot of equipment that they

648

00:29:26,510 --> 00:29:23,010

don't want anyone to know that fact this

649

00:29:28,970 --> 00:29:26,520

is the ultimate conspiracy and they

650

00:29:32,510 --> 00:29:28,980

don't want anyone to find out about it

651
00:29:35,350 --> 00:29:32,520
and this technology is so astonishing

652
00:29:38,110 --> 00:29:35,360
because it's all derived from Tesla

653
00:29:39,760 --> 00:29:38,120
and the German scientists that literally

654
00:29:43,480 --> 00:29:39,770
we would never have an energy shortage

655
00:29:45,760 --> 00:29:43,490
we would never have a Fukushima it's a

656
00:29:48,220 --> 00:29:45,770
crime it is criminal what these guys are

657
00:29:51,210 --> 00:29:48,230
doing with this technology and we've got

658
00:29:53,860 --> 00:29:51,220
to find a way to get it released

659
00:29:55,600 --> 00:29:53,870
well said man and that is quite the

660
00:29:58,090 --> 00:29:55,610
challenge but I want to talk to you

661
00:30:01,630 --> 00:29:58,100
about they who they are the sinister

662
00:30:03,160 --> 00:30:01,640
ominous day that we hear about and this

663
00:30:04,810 --> 00:30:03,170

might be where the archons come in

664

00:30:06,549 --> 00:30:04,820

because you know a lot of people take

665

00:30:08,500 --> 00:30:06,559

this train up into the point where we're

666

00:30:10,960 --> 00:30:08,510

talking about bilderberg's the Vatican

667

00:30:13,090 --> 00:30:10,970

the world's banking elite even a secret

668

00:30:15,690 --> 00:30:13,100

space program but this is where they get

669

00:30:18,940 --> 00:30:15,700

off when we talk about a nonhuman entity

670

00:30:20,950 --> 00:30:18,950

at the top of the pyramid but I think

671

00:30:22,840 --> 00:30:20,960

the situation is more than a few rich

672

00:30:24,940 --> 00:30:22,850

white guys who got lucky putting money

673

00:30:27,220 --> 00:30:24,950

there's something strange going on and

674

00:30:29,680 --> 00:30:27,230

it seems to be the area you talk about

675

00:30:34,450 --> 00:30:29,690

with the archons so what is going on

676

00:30:36,640 --> 00:30:34,460

here man what's the deal well I mean we

677

00:30:38,470 --> 00:30:36,650

thought we're not really sure you know

678

00:30:40,870 --> 00:30:38,480

what the Gnostics said in the NAG

679

00:30:43,840 --> 00:30:40,880

Hammadi about the archons is that they

680

00:30:47,830 --> 00:30:43,850

were an off planet spiritual parasite

681

00:30:51,820 --> 00:30:47,840

that wouldn't get into human beings and

682

00:30:54,669 --> 00:30:51,830

change the way that they acted and the

683

00:30:58,330 --> 00:30:54,679

way that they acted after this invasion

684

00:31:01,360 --> 00:30:58,340

was a nonhuman way so what is a nonhuman

685

00:31:03,940 --> 00:31:01,370

way well they described it as non

686

00:31:08,169 --> 00:31:03,950

empathy empathic so they can't feel

687

00:31:12,580 --> 00:31:08,179

people's feelings um inability to walk

688

00:31:15,370 --> 00:31:12,590

in another guy's shoes the inability to

689

00:31:20,380 --> 00:31:15,380

think about anybody other than yourself

690

00:31:24,070 --> 00:31:20,390

and and the Greek translation of the

691

00:31:29,620 --> 00:31:24,080

word Archon just merely means rulers so

692

00:31:32,650 --> 00:31:29,630

um what I I think now is that um the

693

00:31:35,200 --> 00:31:32,660

earth may or may not have been invaded

694

00:31:39,270 --> 00:31:35,210

by off planet spiritual parasites I

695

00:31:43,030 --> 00:31:39,280

don't know but we know that there is a

696

00:31:46,030 --> 00:31:43,040

mental disorder called psychopathic

697

00:31:49,000 --> 00:31:46,040

behavior and it mimics exactly what the

698

00:31:52,330 --> 00:31:49,010

Gnostics used to describe the archive

699

00:31:54,310 --> 00:31:52,340

lack of empathy inability to see in

700

00:31:59,380 --> 00:31:54,320

somebody else's way somebody else's

701
00:32:01,150 --> 00:31:59,390
thinks manipulative cunning you know all

702
00:32:03,850 --> 00:32:01,160
the things that they use are exactly

703
00:32:05,980 --> 00:32:03,860
what we today uses terms to describe

704
00:32:09,010 --> 00:32:05,990
people with psychopathic behavior

705
00:32:11,440 --> 00:32:09,020
so I merely say okay if you don't want

706
00:32:13,510 --> 00:32:11,450
to make that leap into the off-planet

707
00:32:16,090 --> 00:32:13,520
spiritual parasite to totally understand

708
00:32:19,600 --> 00:32:16,100
it because it is a rather wacky concept

709
00:32:21,420 --> 00:32:19,610
but you cannot deny that there is one

710
00:32:24,550 --> 00:32:21,430
two four percent of the human population

711
00:32:28,510 --> 00:32:24,560
that is completely psychopathically

712
00:32:30,220 --> 00:32:28,520
driven and that the psychopaths are in

713
00:32:33,220 --> 00:32:30,230

positions of power ie

714

00:32:34,810 --> 00:32:33,230

rulers they are presidents they are the

715

00:32:38,290 --> 00:32:34,820

heads of the military they run

716

00:32:42,940 --> 00:32:38,300

corporations they're the head of all the

717

00:32:46,900 --> 00:32:42,950

Marxist states Stalin Mao Obama George W

718

00:32:48,940 --> 00:32:46,910

these are all psychopaths and they're

719

00:32:52,570 --> 00:32:48,950

never going to ever do what we want

720

00:32:54,580 --> 00:32:52,580

because they can't do what we want they

721

00:32:57,730 --> 00:32:54,590

can only do what they want or what

722

00:32:59,710 --> 00:32:57,740

they're being told and so my conclusion

723

00:33:02,770 --> 00:32:59,720

is is that the people that run this

724

00:33:05,680 --> 00:33:02,780

world in my view there are cons but if

725

00:33:08,290 --> 00:33:05,690

that offends you then we'll just agree

726

00:33:10,630 --> 00:33:08,300

that for Psychopaths if we're all cool

727

00:33:12,370 --> 00:33:10,640

on that then we now know that we're

728

00:33:15,120 --> 00:33:12,380

dealing with a bunch of people who are

729

00:33:17,890 --> 00:33:15,130

psychopaths at the very least off planet

730

00:33:22,240 --> 00:33:17,900

spiritual parasites at the very most and

731

00:33:24,850 --> 00:33:22,250

that we now can identify them and once

732

00:33:26,920 --> 00:33:24,860

Aidid we can begin getting rid of them I

733

00:33:29,020 --> 00:33:26,930

don't mean killing them I mean getting

734

00:33:31,180 --> 00:33:29,030

them out of society so they can no

735

00:33:33,690 --> 00:33:31,190

longer have their input and their

736

00:33:37,420 --> 00:33:33,700

fingers in everything like they have now

737

00:33:39,640 --> 00:33:37,430

right yeah I mean it is off-putting for

738

00:33:41,950 --> 00:33:39,650

a lot of people but I'm with you I think

739

00:33:45,100 --> 00:33:41,960

there's something very strange going on

740

00:33:46,860 --> 00:33:45,110

at the top that is more than just greedy

741

00:33:48,840 --> 00:33:46,870

people

742

00:33:51,700 --> 00:33:48,850

concentrating their power and wealth

743

00:33:54,730 --> 00:33:51,710

well it is I agree and here's why

744

00:33:57,220 --> 00:33:54,740

because I know a lot of wealthy people

745

00:33:59,740 --> 00:33:57,230

and wealthy people destroy their

746

00:34:01,930 --> 00:33:59,750

families the wealth destroys their

747

00:34:02,710 --> 00:34:01,940

families it may not be the first

748

00:34:07,630 --> 00:34:02,720

generation

749

00:34:12,820 --> 00:34:07,640

the wealth the families are drug addict

750

00:34:14,830 --> 00:34:12,830

sex addicts alcoholics divorce all sorts

751
00:34:16,480 --> 00:34:14,840
of perversions and everything that that

752
00:34:18,639 --> 00:34:16,490
is how it goes when you have a lot of

753
00:34:21,250 --> 00:34:18,649
money what's interesting about the

754
00:34:24,940 --> 00:34:21,260
release that we're talking about is it's

755
00:34:28,389 --> 00:34:24,950
transgenerational it does not fall apart

756
00:34:32,440 --> 00:34:28,399
it doesn't be generate the plan stays

757
00:34:34,330 --> 00:34:32,450
the plan everything stays on cue no

758
00:34:36,070 --> 00:34:34,340
matter if it was a hundred years ago

759
00:34:38,919 --> 00:34:36,080
when they did the Federal Reserve or

760
00:34:39,639 --> 00:34:38,929
it's today and they're doing their false

761
00:34:43,450 --> 00:34:39,649
Flags

762
00:34:46,810 --> 00:34:43,460
we continuously see the same plan being

763
00:34:50,349 --> 00:34:46,820

executed supposedly by generations of

764

00:34:52,419 --> 00:34:50,359

people and to me that is absolutely

765

00:34:55,119 --> 00:34:52,429

impossible human beings are just too

766

00:34:58,330 --> 00:34:55,129

much of a screw up to ever be able to

767

00:35:01,120 --> 00:34:58,340

carry out hundreds of years long plan

768

00:35:03,820 --> 00:35:01,130

and execute it perfectly without anybody

769

00:35:06,370 --> 00:35:03,830

getting their ego involved yet it is

770

00:35:11,109 --> 00:35:06,380

being done and so I have chosen that

771

00:35:13,210 --> 00:35:11,119

this 2,000 year old writings of the NAG

772

00:35:16,210 --> 00:35:13,220

Hammadi about the archons are the

773

00:35:18,640 --> 00:35:16,220

closest to what I perceive as to being

774

00:35:21,970 --> 00:35:18,650

the truth of anything else that I've

775

00:35:24,370 --> 00:35:21,980

seen yeah the NAG Hammadi that is the

776

00:35:25,990 --> 00:35:24,380

the document that I had heard so much

777

00:35:28,240 --> 00:35:26,000

about it was can you tell us about how

778

00:35:30,250 --> 00:35:28,250

that was found it was found in clay jars

779

00:35:37,260 --> 00:35:30,260

or something like that yeah in Egypt in

780

00:35:39,790 --> 00:35:37,270

1945 right when the Illuminati had won

781

00:35:43,000 --> 00:35:39,800

essentially the Illuminati had won their

782

00:35:45,070 --> 00:35:43,010

war they had won everything they were

783

00:35:46,810 --> 00:35:45,080

setting up their national security state

784

00:35:48,880 --> 00:35:46,820

were setting up the CIA they were

785

00:35:51,579 --> 00:35:48,890

setting up the United Nations they were

786

00:35:55,210 --> 00:35:51,589

setting everything up exactly at that

787

00:35:57,310 --> 00:35:55,220

time a little boy followed his goat into

788

00:36:00,190 --> 00:35:57,320

a cave on a hillside in Egypt and

789

00:36:01,780 --> 00:36:00,200

discovered these clay jars now what's

790

00:36:05,800 --> 00:36:01,790

interesting about these clay jars is

791

00:36:07,810 --> 00:36:05,810

they have writings and Scrolls in them

792

00:36:13,420 --> 00:36:07,820

and in these scrolls were writing and

793

00:36:15,650 --> 00:36:13,430

the writing have never been censored by

794

00:36:18,220 --> 00:36:15,660

Pope's or kings

795

00:36:22,610 --> 00:36:18,230

or politicians and so we could actually

796

00:36:25,100 --> 00:36:22,620

get a sense of what people 2,000 years

797

00:36:27,650 --> 00:36:25,110

ago thought of the world without anybody

798

00:36:30,230 --> 00:36:27,660

into the in-between times interfering

799

00:36:32,480 --> 00:36:30,240

like Constantine or the Pope's

800

00:36:34,850 --> 00:36:32,490

right and so we finally got a

801

00:36:37,880 --> 00:36:34,860

translation of what people in the old

802

00:36:40,430 --> 00:36:37,890

days really thought and completely at

803

00:36:42,830 --> 00:36:40,440

variance to all the other writings now

804

00:36:45,620 --> 00:36:42,840

here's the thing Widener's first law

805

00:36:47,810 --> 00:36:45,630

says that those ideas which are the most

806

00:36:50,630 --> 00:36:47,820

suppressed are most likely the closest

807

00:36:52,700 --> 00:36:50,640

to the truth so as soon as I found out

808

00:36:54,860 --> 00:36:52,710

about the NAG Hammadi like 15-20 years

809

00:36:57,710 --> 00:36:54,870

ago and started reading them assiduously

810

00:36:59,720 --> 00:36:57,720

I began wondering well who were these

811

00:37:02,690 --> 00:36:59,730

people that wrote all this stuff who

812

00:37:06,250 --> 00:37:02,700

were these Gnostics and I taken you know

813

00:37:08,570 --> 00:37:06,260

religious courses in college we were

814

00:37:11,300 --> 00:37:08,580

comparative religion courses and things

815

00:37:13,790 --> 00:37:11,310

and I didn't know what a gnostic was and

816

00:37:15,200 --> 00:37:13,800

i that pissed me off a little bit

817

00:37:17,330 --> 00:37:15,210

because I thought I was a pretty

818

00:37:19,910 --> 00:37:17,340

intelligent guy I never heard of these

819

00:37:21,650 --> 00:37:19,920

people so then I began looking and lo

820

00:37:23,900 --> 00:37:21,660

and behold I discovered that not only

821

00:37:25,850 --> 00:37:23,910

were they a huge religion 2,000 years

822

00:37:28,880 --> 00:37:25,860

ago but that they had been

823

00:37:31,460 --> 00:37:28,890

systematically wiped off the face of the

824

00:37:34,010 --> 00:37:31,470

earth and not just the people had been

825

00:37:36,530 --> 00:37:34,020

wiped off the face of everything they

826

00:37:38,090 --> 00:37:36,540

wrote had been burned and that is the

827

00:37:40,810 --> 00:37:38,100

reason why they burned the library at

828

00:37:44,630 --> 00:37:40,820

Alexandria because it was a gnostic

829

00:37:49,490 --> 00:37:44,640

residue of all that they thought about

830

00:37:52,400 --> 00:37:49,500

the world and the Christians burned down

831

00:37:54,170 --> 00:37:52,410

the library uh raped Hypatia in the

832

00:37:57,950 --> 00:37:54,180

middle of the streets of Alexandria and

833

00:38:00,440 --> 00:37:57,960

we went into the dark ages and they want

834

00:38:03,610 --> 00:38:00,450

us in the dark ages they want us stupid

835

00:38:06,290 --> 00:38:03,620

they don't want us figuring out anything

836

00:38:08,990 --> 00:38:06,300

man it is so refreshing you said this

837

00:38:11,840 --> 00:38:09,000

because even in in high school I can

838

00:38:14,360 --> 00:38:11,850

remember hearing about the you know your

839

00:38:17,120 --> 00:38:14,370

European expansion and the destruction

840

00:38:19,490 --> 00:38:17,130

of of any culture they came across and I

841

00:38:21,500 --> 00:38:19,500

always thought that was so suspicious

842

00:38:24,140 --> 00:38:21,510

like your first law says you know I

843

00:38:26,450 --> 00:38:24,150

think it's a clue to the truth to put so

844

00:38:27,750 --> 00:38:26,460

much energy into the slash-and-burn

845

00:38:30,810 --> 00:38:27,760

campaign

846

00:38:31,890 --> 00:38:30,820

and destroying all knowledge like you

847

00:38:34,770 --> 00:38:31,900

know they go when everywhere on the

848

00:38:37,260 --> 00:38:34,780

planet to destroy any hint of old

849

00:38:39,540 --> 00:38:37,270

knowledge and then covered it up so this

850

00:38:41,190 --> 00:38:39,550

nag Hammadi texts I mean finding these

851

00:38:42,990 --> 00:38:41,200

things is pretty incredible and is this

852

00:38:45,000 --> 00:38:43,000

where they talk about the archons is

853

00:38:48,030 --> 00:38:45,010

this what what do they say what's the

854

00:38:51,330 --> 00:38:48,040

storyline that they give out well they

855

00:38:52,950 --> 00:38:51,340

say that they have their creation story

856

00:38:55,560 --> 00:38:52,960

which is a very interesting creation

857

00:38:58,440 --> 00:38:55,570

story they say that there's these beings

858

00:39:01,470 --> 00:38:58,450

called Aeons who reside near the center

859

00:39:06,000 --> 00:39:01,480

of the galaxy and that one of these

860

00:39:10,410 --> 00:39:06,010

Aeons whose name was Sophia she decided

861

00:39:14,550 --> 00:39:10,420

that she was going to imbue matter the

862

00:39:18,240 --> 00:39:14,560

third dimension with em with spirit with

863

00:39:20,970 --> 00:39:18,250

a higher dimensional source to see if he

864

00:39:23,490 --> 00:39:20,980

could do it and the other Aeons were

865

00:39:25,320 --> 00:39:23,500

kind of transfixed by this whole idea

866

00:39:27,840 --> 00:39:25,330

and they watched as Sophia went out to

867

00:39:34,230 --> 00:39:27,850

the edge of the galaxy to a little rocky

868

00:39:36,270 --> 00:39:34,240

world and made life and um but when she

869

00:39:43,920 --> 00:39:36,280

made the life when she created the earth

870

00:39:48,030 --> 00:39:43,930

um she uh she created this place and it

871

00:39:52,290 --> 00:39:48,040

was just so chaotic um that nature was

872

00:39:55,680 --> 00:39:52,300

so entangled that we couldn't it was

873

00:39:57,660 --> 00:39:55,690

just beyond any hope as to there being

874

00:40:01,650 --> 00:39:57,670

any any hope for consciousness because

875

00:40:03,480 --> 00:40:01,660

there was so much entangled confusion

876

00:40:06,900 --> 00:40:03,490

within the nature within nature itself

877

00:40:14,100 --> 00:40:06,910

but when she created earth of life on

878

00:40:17,600 --> 00:40:14,110

Earth she also created archons it was an

879

00:40:21,060 --> 00:40:17,610

accident and the archons

880

00:40:23,700 --> 00:40:21,070

came to earth and they thought of

881

00:40:26,520 --> 00:40:23,710

themselves as kind of like a correction

882

00:40:31,290 --> 00:40:26,530

and so they decided they are going to

883

00:40:34,650 --> 00:40:31,300

correct Sophia's confused and tangled

884

00:40:36,270 --> 00:40:34,660

natural world and they were going to

885

00:40:40,470 --> 00:40:36,280

bring in some order

886

00:40:46,829 --> 00:40:40,480

ie rulers to this process

887

00:40:53,359 --> 00:40:46,839

and they began kind of coming in to us

888

00:40:57,089 --> 00:40:53,369

and forcing us into agriculture off of a

889

00:41:00,230 --> 00:40:57,099

off of a sort of a meat and vegetable

890

00:41:02,910 --> 00:41:00,240

died into a grain diet which weakened us

891

00:41:05,280 --> 00:41:02,920

there they created the religions

892

00:41:08,089 --> 00:41:05,290

especially the three Western religions

893

00:41:11,910 --> 00:41:08,099

they were all designed to enslave us and

894

00:41:15,660 --> 00:41:11,920

um and we saw it's actually an anti

895

00:41:18,300 --> 00:41:15,670

earth movement an anti nature movement

896

00:41:22,079 --> 00:41:18,310

the archons are they don't like nature

897

00:41:24,450 --> 00:41:22,089

they don't like human beings too much

898

00:41:26,849 --> 00:41:24,460

they don't like the fact that we can

899

00:41:29,550 --> 00:41:26,859

love each other unconditionally they

900

00:41:33,560 --> 00:41:29,560

don't like the fact that we have souls

901
00:41:37,380 --> 00:41:33,570
and they do not they just and so they

902
00:41:40,560 --> 00:41:37,390
want to control us they want to prove to

903
00:41:43,650 --> 00:41:40,570
themselves that they are better than us

904
00:41:46,740 --> 00:41:43,660
and that we're a bunch of fools and that

905
00:41:48,480 --> 00:41:46,750
if they just deny us knowledge and kill

906
00:41:50,760 --> 00:41:48,490
the people that are smart so that they

907
00:41:53,670 --> 00:41:50,770
can't pass knowledge on that they will

908
00:41:57,920 --> 00:41:53,680
control the human race and then kind of

909
00:42:02,010 --> 00:41:57,930
harvest their souls they believe that

910
00:42:04,770 --> 00:42:02,020
that they can they can take our essence

911
00:42:07,200 --> 00:42:04,780
from us and maybe they can I don't know

912
00:42:11,250 --> 00:42:07,210
I sense I'm not in our kind and so they

913
00:42:15,180 --> 00:42:11,260

create Wars and all these things that

914

00:42:17,010 --> 00:42:15,190

are extremely anti natural so everything

915

00:42:19,109 --> 00:42:17,020

that they do is unnatural they make

916

00:42:22,319 --> 00:42:19,119

straight lines instead of curved lines

917

00:42:25,319 --> 00:42:22,329

they created la for instance no offense

918

00:42:29,220 --> 00:42:25,329

oles great place but in la is the king

919

00:42:33,059 --> 00:42:29,230

of our conic the way that the archons

920

00:42:37,099 --> 00:42:33,069

would build a city they love sprawl they

921

00:42:40,109 --> 00:42:37,109

love horror movies and violence and

922

00:42:43,170 --> 00:42:40,119

perversions and right now they're on a

923

00:42:46,950 --> 00:42:43,180

full-scale effort to apparently pervert

924

00:42:49,849 --> 00:42:46,960

all of humanity so that we fall further

925

00:42:53,880 --> 00:42:49,859

and further away from our true source

926

00:42:58,650 --> 00:42:53,890

which is immortal and all-knowing and

927

00:43:01,890 --> 00:42:58,660

possible you know psychic abilities and

928

00:43:06,110 --> 00:43:01,900

things into basically animals and that's

929

00:43:09,030 --> 00:43:06,120

their goal a GI got a pretty simplistic

930

00:43:11,100 --> 00:43:09,040

question but throw it at you so what's

931

00:43:14,060 --> 00:43:11,110

the first step in overthrowing the

932

00:43:18,360 --> 00:43:14,070

archons for us no Nora :

933

00:43:21,060 --> 00:43:18,370

first step is to first identify them we

934

00:43:24,750 --> 00:43:21,070

have to start identifying the archons

935

00:43:27,510 --> 00:43:24,760

via the internet my friend Thomas

936

00:43:29,550 --> 00:43:27,520

Sheridan is a rider on psychopaths says

937

00:43:32,160 --> 00:43:29,560

that we should create like a Lord of the

938

00:43:35,520 --> 00:43:32,170

Rings map showing you where more dorias

939

00:43:38,460 --> 00:43:35,530

and stay away from Mordor right and then

940

00:43:40,740 --> 00:43:38,470

we have to realize that the culture that

941

00:43:43,950 --> 00:43:40,750

they have created if you want to call it

942

00:43:46,680 --> 00:43:43,960

a culture is a nightmare and it's not a

943

00:43:50,130 --> 00:43:46,690

culture at all it's just a rigged

944

00:43:55,700 --> 00:43:50,140

economic system and we need to create

945

00:44:00,690 --> 00:43:55,710

the parallel culture a parallel economy

946

00:44:03,150 --> 00:44:00,700

away from the arc otic a culture an

947

00:44:05,760 --> 00:44:03,160

economy and not really go head-to-head

948

00:44:07,230 --> 00:44:05,770

with them because our cons when you go

949

00:44:10,020 --> 00:44:07,240

ahead to head with them the drop nukes

950

00:44:11,790 --> 00:44:10,030

on you and stuff they're third they have

951
00:44:14,970 --> 00:44:11,800
no empathy so they really they'll kill

952
00:44:17,220 --> 00:44:14,980
everybody around you to to get to you so

953
00:44:20,640 --> 00:44:17,230
it's foolish to go up against them

954
00:44:23,100 --> 00:44:20,650
head-to-head so we have to identify them

955
00:44:24,930 --> 00:44:23,110
whether say oh he he's an Archon we

956
00:44:27,360 --> 00:44:24,940
better let her stay away from him

957
00:44:30,480 --> 00:44:27,370
completely because you cannot convert an

958
00:44:32,130 --> 00:44:30,490
Archon you cannot save a psychopath

959
00:44:34,590 --> 00:44:32,140
there's beyond saving

960
00:44:36,630 --> 00:44:34,600
don't even bother saving our star trying

961
00:44:38,460 --> 00:44:36,640
to convert one as soon as you realize

962
00:44:43,200 --> 00:44:38,470
that you're dealing with a psychopath

963
00:44:45,360 --> 00:44:43,210

you need to get away fast and that is

964

00:44:47,490 --> 00:44:45,370

what we have to do with them we need to

965

00:44:49,950 --> 00:44:47,500

get away from the culture they've

966

00:44:52,350 --> 00:44:49,960

created we need to create small enclaves

967

00:44:53,910 --> 00:44:52,360

of like-minded people who are growing

968

00:44:56,730 --> 00:44:53,920

their own food and living their own

969

00:45:00,630 --> 00:44:56,740

culture and create something that is so

970

00:45:03,540 --> 00:45:00,640

attractive that the Arcana culture will

971

00:45:05,370 --> 00:45:03,550

just dissipate on its own and right now

972

00:45:07,980 --> 00:45:05,380

we're losing the battle because the

973

00:45:11,010 --> 00:45:07,990

archons are feeding us power soo

974

00:45:14,010 --> 00:45:11,020

pickles are feeding us sex daily on TV

975

00:45:17,900 --> 00:45:14,020

at night and violence him and the full

976

00:45:21,990 --> 00:45:17,910

walk on full bore assault on humanity

977

00:45:24,420 --> 00:45:22,000

has started we are now in spiritual war

978

00:45:26,100 --> 00:45:24,430

it used to be that it was coming but

979

00:45:29,250 --> 00:45:26,110

it's here now and the reason it's here

980

00:45:32,400 --> 00:45:29,260

now is because we're identifying them

981

00:45:34,650 --> 00:45:32,410

and naming them and that is not what

982

00:45:36,960 --> 00:45:34,660

they expected and I'm really happy to

983

00:45:39,270 --> 00:45:36,970

say that even David Icke is now coming

984

00:45:41,790 --> 00:45:39,280

on board and identifying the archons so

985

00:45:44,430 --> 00:45:41,800

we get a voice like David Icke to get in

986

00:45:46,920 --> 00:45:44,440

there and help that could really throw

987

00:45:49,980 --> 00:45:46,930

it over for so I think the archons

988

00:45:52,859 --> 00:45:49,990

aren't actually beginning to get

989

00:45:55,080 --> 00:45:52,869

cornered and if you've ever had a dog an

990

00:45:58,770 --> 00:45:55,090

angry dog cornered you know how really

991

00:46:01,130 --> 00:45:58,780

vicious that experience can be so it's a

992

00:46:03,600 --> 00:46:01,140

dangerous time but at the same time

993

00:46:07,230 --> 00:46:03,610

archons don't know how to deal with

994

00:46:09,660 --> 00:46:07,240

courage and so when people stand up to

995

00:46:11,460 --> 00:46:09,670

them you get that you get fallacious

996

00:46:13,920 --> 00:46:11,470

arguments they won't debate you I

997

00:46:15,870 --> 00:46:13,930

guarantee it you will not get an Archon

998

00:46:18,150 --> 00:46:15,880

to debate you they will avoid debate at

999

00:46:20,790 --> 00:46:18,160

all costs because they can't debate they

1000

00:46:24,480 --> 00:46:20,800

cannot exchange intellectual ideas

1001
00:46:26,820 --> 00:46:24,490
because they're just shells of beings

1002
00:46:29,010 --> 00:46:26,830
are not real I wish I was pulled over by

1003
00:46:30,660 --> 00:46:29,020
more Archon police officers because they

1004
00:46:33,810 --> 00:46:30,670
seem to be very willing to debate me

1005
00:46:36,030 --> 00:46:33,820
unfortunately well there are so many

1006
00:46:37,500 --> 00:46:36,040
students of their philosophy whether you

1007
00:46:39,240 --> 00:46:37,510
know whether we're talking about literal

1008
00:46:43,140 --> 00:46:39,250
archons or not there's they've

1009
00:46:45,120 --> 00:46:43,150
definitely created a system where we are

1010
00:46:47,550 --> 00:46:45,130
students of their philosophy to a tee

1011
00:46:49,770 --> 00:46:47,560
their values if you know if you want to

1012
00:46:51,270 --> 00:46:49,780
call them values of any kind are put in

1013
00:46:53,220 --> 00:46:51,280

the forefront I mean that's that's

1014

00:46:54,720 --> 00:46:53,230

definite but you were talking mentioned

1015

00:46:57,200 --> 00:46:54,730

earlier right you mentioned David Icke

1016

00:46:59,760 --> 00:46:57,210

is he drawing a distinction between

1017

00:47:03,240 --> 00:46:59,770

reptilians and archons or is he changing

1018

00:47:04,590 --> 00:47:03,250

his view or these different echoes I'm

1019

00:47:06,720 --> 00:47:04,600

not going to speak for David because

1020

00:47:09,660 --> 00:47:06,730

there I can't tell you that but I will

1021

00:47:13,500 --> 00:47:09,670

say this according to Nagas body the

1022

00:47:16,859 --> 00:47:13,510

archons can create almost fictions in

1023

00:47:20,010 --> 00:47:16,869

all directions so you don't know what

1024

00:47:21,809 --> 00:47:20,020

you're looking at so um they could be

1025

00:47:26,370 --> 00:47:21,819

reptilian they are described as

1026
00:47:28,650 --> 00:47:26,380
Trillian in the NAG Hammadi so but once

1027
00:47:31,589 --> 00:47:28,660
you understand that the archives create

1028
00:47:33,870 --> 00:47:31,599
things out of thin air then you have to

1029
00:47:36,959 --> 00:47:33,880
start you have to kind of step way back

1030
00:47:41,459 --> 00:47:36,969
and go away and everything I'm looking

1031
00:47:43,289 --> 00:47:41,469
at is false and then from that premise

1032
00:47:46,890 --> 00:47:43,299
you can go forth and then figure out

1033
00:47:49,140 --> 00:47:46,900
reality once you say to yourself that a

1034
00:47:52,829 --> 00:47:49,150
I'm touching this but is it real and

1035
00:47:56,039 --> 00:47:52,839
then finding a way to understand what is

1036
00:47:58,229 --> 00:47:56,049
real real and what is just a narcotic

1037
00:48:00,930 --> 00:47:58,239
influence is really the trick and I

1038
00:48:04,999 --> 00:48:00,940

think that's the goal for all of us over

1039

00:48:09,120 --> 00:48:05,009

say the next five or ten years is this

1040

00:48:12,029 --> 00:48:09,130

drama and ensues I think we're going to

1041

00:48:13,829 --> 00:48:12,039

start identifying them on the Internet

1042

00:48:16,259 --> 00:48:13,839

we're going to start identifying well

1043

00:48:17,549 --> 00:48:16,269

everything about them and I think for

1044

00:48:19,949 --> 00:48:17,559

the next few years we're going to learn

1045

00:48:22,259 --> 00:48:19,959

more and more and more and they're and

1046

00:48:24,150 --> 00:48:22,269

they're even they even now know that

1047

00:48:26,309 --> 00:48:24,160

they're being identified they're putting

1048

00:48:28,439 --> 00:48:26,319

out movies like Seven Psychopaths to

1049

00:48:32,339 --> 00:48:28,449

show that they're actually cute and

1050

00:48:33,779 --> 00:48:32,349

cuddly and and funny and and they're

1051

00:48:35,549 --> 00:48:33,789

doing this all over the place there's

1052

00:48:38,400 --> 00:48:35,559

even a book out now about how

1053

00:48:40,410 --> 00:48:38,410

Psychopaths being a Psychopaths can help

1054

00:48:42,390 --> 00:48:40,420

you in the business world you know I

1055

00:48:43,589 --> 00:48:42,400

mean they're like really kind of trained

1056

00:48:46,469 --> 00:48:43,599

coming out coming out of the closet

1057

00:48:50,939 --> 00:48:46,479

right now and we can't let them get away

1058

00:48:53,640 --> 00:48:50,949

with this man well let's talk about the

1059

00:48:56,039 --> 00:48:53,650

real reality a myth word covered in all

1060

00:48:59,130 --> 00:48:56,049

their failed realities these false

1061

00:49:00,180 --> 00:48:59,140

paradigms these uh false values what

1062

00:49:03,029 --> 00:49:00,190

what do you think are some of the

1063

00:49:06,479 --> 00:49:03,039

biggest secrets that have been lost

1064

00:49:11,120 --> 00:49:06,489

today that they've covered up all that

1065

00:49:16,620 --> 00:49:11,130

we are the not only covered it up they

1066

00:49:19,079 --> 00:49:16,630

and the forces into dis using our

1067

00:49:22,620 --> 00:49:19,089

psychic abilities the Catholic Church we

1068

00:49:24,719 --> 00:49:22,630

went through Europe and killed everybody

1069

00:49:27,930 --> 00:49:24,729

who had psychic abilities everybody that

1070

00:49:30,359 --> 00:49:27,940

they found if you're even whispered that

1071

00:49:31,890 --> 00:49:30,369

you had some kind of unusual power you

1072

00:49:35,230 --> 00:49:31,900

were taken from the Inquisition and

1073

00:49:38,500 --> 00:49:35,240

killed there for a whole soir

1074

00:49:41,680 --> 00:49:38,510

the people with certain talents were

1075

00:49:46,720 --> 00:49:41,690

removed from and their progeny were

1076
00:49:49,359 --> 00:49:46,730
removed so that's one of the things the

1077
00:49:52,660 --> 00:49:49,369
other thing is is that they made us

1078
00:49:55,030 --> 00:49:52,670
aware of our racial differences so that

1079
00:49:57,190 --> 00:49:55,040
we now judge each other on our skin

1080
00:49:59,859 --> 00:49:57,200
color whereas before the archons we

1081
00:50:01,900 --> 00:49:59,869
didn't even care you can go look at the

1082
00:50:04,530 --> 00:50:01,910
Metropolitan Museum in New York or go to

1083
00:50:07,270 --> 00:50:04,540
London the British Museum and look at

1084
00:50:10,600 --> 00:50:07,280
paintings and engravings from ancient

1085
00:50:14,260 --> 00:50:10,610
Egypt from 2000 BC and you'll see that

1086
00:50:17,230 --> 00:50:14,270
all the races are being pictured in like

1087
00:50:20,080 --> 00:50:17,240
in the cities and the streets and stuff

1088
00:50:22,270 --> 00:50:20,090

there was no racism this is placed it on

1089

00:50:24,640 --> 00:50:22,280

us I got hatred of each other because of

1090

00:50:26,830 --> 00:50:24,650

religions is all an Archon trick

1091

00:50:29,770 --> 00:50:26,840

believing there's Messiah that's going

1092

00:50:32,320 --> 00:50:29,780

to come save you is the aliens or Obama

1093

00:50:33,430 --> 00:50:32,330

or Jesus if they were trick that's a

1094

00:50:37,870 --> 00:50:33,440

huge one that's one of their biggest

1095

00:50:41,140 --> 00:50:37,880

ones the archons are always beating you

1096

00:50:43,690 --> 00:50:41,150

up and nasty beating you up kicking your

1097

00:50:45,730 --> 00:50:43,700

guts and stomping on your face and then

1098

00:50:47,500 --> 00:50:45,740

when you when they get done doing it and

1099

00:50:49,960 --> 00:50:47,510

you look up and you say why did you do

1100

00:50:51,099 --> 00:50:49,970

that they look at you they say I did it

1101
00:50:54,340 --> 00:50:51,109
because I love you

1102
00:50:57,220 --> 00:50:54,350
that's the archons they that's their

1103
00:51:00,280 --> 00:50:57,230
idea of what love is it is to knock the

1104
00:51:01,480 --> 00:51:00,290
living snot out of you constantly and

1105
00:51:03,070 --> 00:51:01,490
telling you that they're doing it

1106
00:51:06,849 --> 00:51:03,080
because it's good for you and that

1107
00:51:10,030 --> 00:51:06,859
that's an Archon trick and this thing is

1108
00:51:13,150 --> 00:51:10,040
it's like endemic and it can be caught

1109
00:51:16,000 --> 00:51:13,160
and spread so a child is abused by his

1110
00:51:18,609 --> 00:51:16,010
dad and then he becomes abuser of his

1111
00:51:23,670 --> 00:51:18,619
children who then it begins abusing his

1112
00:51:26,800 --> 00:51:23,680
children and so the Archon interface um

1113
00:51:31,210 --> 00:51:26,810

there's a generational and continuous

1114

00:51:33,370 --> 00:51:31,220

and and it's contagious yeah man that

1115

00:51:35,200 --> 00:51:33,380

Savior motif that's a bad one I mean I

1116

00:51:37,030 --> 00:51:35,210

know you've worked with David Wilcock I

1117

00:51:39,880 --> 00:51:37,040

mean he's made me hopeful in the past

1118

00:51:41,710 --> 00:51:39,890

with ideas of covert wars playing out

1119

00:51:43,930 --> 00:51:41,720

where we have some good Illuminati that

1120

00:51:44,920 --> 00:51:43,940

are on the cusp of a real overthrow and

1121

00:51:46,390 --> 00:51:44,930

we're all going to get 10 million

1122

00:51:49,150 --> 00:51:46,400

dollars and everything will be revealed

1123

00:51:51,370 --> 00:51:49,160

and as much as I love those

1124

00:51:54,730 --> 00:51:51,380

ideas I just think I'm too cynical to

1125

00:51:56,260 --> 00:51:54,740

believe that that's going to happen yeah

1126

00:51:57,339 --> 00:51:56,270

actually I would have a lot of talks

1127

00:51:59,200 --> 00:51:57,349

with David lately

1128

00:52:02,500 --> 00:51:59,210

and I think even he's starting to

1129

00:52:04,329 --> 00:52:02,510

realize that there is a rogue group that

1130

00:52:06,700 --> 00:52:04,339

is fighting against the Illuminati

1131

00:52:08,829 --> 00:52:06,710

that's in our insiders I have no doubt

1132

00:52:12,160 --> 00:52:08,839

about that but I'm not convinced that

1133

00:52:13,329 --> 00:52:12,170

rogue group is anywhere on our side you

1134

00:52:16,510 --> 00:52:13,339

know I just just they're fighting for

1135

00:52:18,370 --> 00:52:16,520

themselves so you know do do I want them

1136

00:52:20,230 --> 00:52:18,380

to fight each other oh yeah

1137

00:52:23,500 --> 00:52:20,240

fight each other to death kill each

1138

00:52:25,539 --> 00:52:23,510

other guys do it you know don't don't no

1139

00:52:28,680 --> 00:52:25,549

collateral damage just kill each other

1140

00:52:31,900 --> 00:52:28,690

ID before that like no tomorrow but

1141

00:52:33,880 --> 00:52:31,910

unfortunately this thing is more

1142

00:52:36,339 --> 00:52:33,890

complicated and we could ever dream and

1143

00:52:39,099 --> 00:52:36,349

we're in the endgame right now it's

1144

00:52:41,410 --> 00:52:39,109

really kind of amazing to watch well

1145

00:52:43,210 --> 00:52:41,420

another area that is super fascinating

1146

00:52:45,220 --> 00:52:43,220

to me is I know you've worked with

1147

00:52:47,020 --> 00:52:45,230

Richard Hoagland on this stuff but he's

1148

00:52:49,839 --> 00:52:47,030

got some really interesting research on

1149

00:52:51,910 --> 00:52:49,849

space in our solar system and I've yet

1150

00:52:53,440 --> 00:52:51,920

to have him come on the show but what is

1151

00:52:55,089 --> 00:52:53,450

your take on the sources because it

1152

00:52:56,829 --> 00:52:55,099

seems to be that there's a lot of the

1153

00:52:59,799 --> 00:52:56,839

big lies that the archons have told us

1154

00:53:06,039 --> 00:52:59,809

revolve around the solar system the Moon

1155

00:53:09,940 --> 00:53:06,049

Mars even Saturn oh yeah I have a son a

1156

00:53:11,289 --> 00:53:09,950

week ago a third of the son went missing

1157

00:53:12,670 --> 00:53:11,299

I don't know if you know that I did see

1158

00:53:15,700 --> 00:53:12,680

that the other day that's a recent right

1159

00:53:18,099 --> 00:53:15,710

yeah yeah I mean the Sun is not what we

1160

00:53:21,039 --> 00:53:18,109

think it is the Sun is not a big huge

1161

00:53:24,730 --> 00:53:21,049

ball of nuclear fission the Sun is

1162

00:53:28,120 --> 00:53:24,740

actually Hollow and it's has an outer

1163

00:53:30,549 --> 00:53:28,130

edge which is plasma which is what we're

1164

00:53:32,799 --> 00:53:30,559

seeing and every time there's a Sun SPOT

1165

00:53:35,109 --> 00:53:32,809

you're looking into the hollow Sun it's

1166

00:53:37,740 --> 00:53:35,119

really the electric earth the electric

1167

00:53:40,539 --> 00:53:37,750

universe and these ideas will come forth

1168

00:53:42,190 --> 00:53:40,549

of yours come out too because the last

1169

00:53:44,799 --> 00:53:42,200

thing the archons want you to figure out

1170

00:53:46,750 --> 00:53:44,809

is that you're actually electricity more

1171

00:53:50,170 --> 00:53:46,760

than anything else that the world the

1172

00:53:54,190 --> 00:53:50,180

earth the solar system the galaxy is run

1173

00:53:56,140 --> 00:53:54,200

by electricity not by proteins or all

1174

00:53:57,519 --> 00:53:56,150

these other things and when we figure

1175

00:54:00,760 --> 00:53:57,529

that out then we're going to realize

1176
00:54:02,410 --> 00:54:00,770
that actually it's you know your health

1177
00:54:06,490 --> 00:54:02,420
is governed by this too

1178
00:54:08,290 --> 00:54:06,500
and there's a dr. Robert o Yong who is

1179
00:54:11,170 --> 00:54:08,300
writing books about how to electrify

1180
00:54:13,240 --> 00:54:11,180
yourself you know this guy's proof

1181
00:54:15,010 --> 00:54:13,250
positive that he's onto the right thing

1182
00:54:18,370 --> 00:54:15,020
because he's 62 years old looks like

1183
00:54:22,260 --> 00:54:18,380
he's about 40 or maybe 35 and his wife

1184
00:54:25,510 --> 00:54:22,270
is 61 and she's like she's about 30 and

1185
00:54:27,760 --> 00:54:25,520
and again these are all discoveries that

1186
00:54:29,650 --> 00:54:27,770
are coming out right now there's the

1187
00:54:32,080 --> 00:54:29,660
revolution that's occurring on the

1188
00:54:34,630 --> 00:54:32,090

Internet is a revolution against the

1189

00:54:37,360 --> 00:54:34,640

archons we just don't know it yet but we

1190

00:54:39,730 --> 00:54:37,370

will as time goes on we'll realize that

1191

00:54:41,980 --> 00:54:39,740

we don't need their medical system we

1192

00:54:44,380 --> 00:54:41,990

don't need their legal system we don't

1193

00:54:46,150 --> 00:54:44,390

need their economy we don't need their

1194

00:54:49,540 --> 00:54:46,160

crappy food we certainly don't need

1195

00:54:50,920 --> 00:54:49,550

their Wars or their lives and you know

1196

00:54:53,190 --> 00:54:50,930

so it's going to start out with just a

1197

00:54:56,980 --> 00:54:53,200

few people realizing this creating

1198

00:55:00,400 --> 00:54:56,990

parallel cultures probably via the

1199

00:55:03,790 --> 00:55:00,410

internet and then we're going to end up

1200

00:55:05,470 --> 00:55:03,800

being healthy and alive and the people

1201
00:55:07,540 --> 00:55:05,480
that don't believe in any of this stuff

1202
00:55:09,670 --> 00:55:07,550
are going to be fat and unhealthy and

1203
00:55:11,590 --> 00:55:09,680
they're going to die and that's like

1204
00:55:13,870 --> 00:55:11,600
unless the archives to start killing

1205
00:55:15,970 --> 00:55:13,880
everybody I knock that's where this is

1206
00:55:18,670 --> 00:55:15,980
going to end and it's going to be you 15

1207
00:55:21,850 --> 00:55:18,680
or 20 years before this happens but the

1208
00:55:23,770 --> 00:55:21,860
entire human race is wising up all at

1209
00:55:26,320 --> 00:55:23,780
the same time that's never happened

1210
00:55:28,660 --> 00:55:26,330
before in human history all the smartest

1211
00:55:31,420 --> 00:55:28,670
people on earth are all reaching the

1212
00:55:34,180 --> 00:55:31,430
same conclusions about reality all at

1213
00:55:36,760 --> 00:55:34,190

the same time right now and you know the

1214

00:55:38,230 --> 00:55:36,770

leading edge ones are looking at the

1215

00:55:40,630 --> 00:55:38,240

archons or the ones that art is

1216

00:55:42,910 --> 00:55:40,640

leading-edge are looking at say just the

1217

00:55:46,720 --> 00:55:42,920

Illuminati or corruption that kind of

1218

00:55:48,670 --> 00:55:46,730

thing but eventually every inquiring

1219

00:55:51,580 --> 00:55:48,680

mind is going to ask themselves you know

1220

00:55:53,530 --> 00:55:51,590

questions like how the hell are the

1221

00:55:57,970 --> 00:55:53,540

elites so smart that they can pull this

1222

00:56:00,040 --> 00:55:57,980

off and on and though we started going

1223

00:56:02,650 --> 00:56:00,050

down that road that's when you get into

1224

00:56:05,710 --> 00:56:02,660

dangerous areas of archons and

1225

00:56:09,010 --> 00:56:05,720

Psychopaths and off planet intelligences

1226

00:56:12,040 --> 00:56:09,020

and even demonic things you know Stanley

1227

00:56:15,710 --> 00:56:12,050

Kubrick I believe you approach the arcon

1228

00:56:19,760 --> 00:56:15,720

question in three different films

1229

00:56:21,470 --> 00:56:19,770

the first one was 2001 in which he

1230

00:56:23,990 --> 00:56:21,480

posited that they were off planet

1231

00:56:26,150 --> 00:56:24,000

intelligences the second movie where he

1232

00:56:28,010 --> 00:56:26,160

talks about the archons is in the

1233

00:56:30,380 --> 00:56:28,020

shining when he says that there are

1234

00:56:32,210 --> 00:56:30,390

demonic influences that can get inside

1235

00:56:34,520 --> 00:56:32,220

your head and turn you into you know

1236

00:56:37,820 --> 00:56:34,530

someone wants to kill your family the

1237

00:56:40,460 --> 00:56:37,830

third movie talking about the archons is

1238

00:56:42,890 --> 00:56:40,470

Eyes Wide Shut in which now positing

1239

00:56:46,460 --> 00:56:42,900

that the ruling elite are these archons

1240

00:56:48,950 --> 00:56:46,470

and I say it's all three I say it's off

1241

00:56:51,710 --> 00:56:48,960

planet intelligences who also appear to

1242

00:56:55,000 --> 00:56:51,720

look like demonic influences who are

1243

00:56:58,520 --> 00:56:55,010

also our ruling elites so it's all three

1244

00:57:00,470 --> 00:56:58,530

it is a an all-encompassing thing it's a

1245

00:57:02,360 --> 00:57:00,480

lot to take in but you I want to touch

1246

00:57:04,460 --> 00:57:02,370

on so you've mentioned electricity that

1247

00:57:07,430 --> 00:57:04,470

we are electricity and I think this gets

1248

00:57:09,710 --> 00:57:07,440

into the idea of true human potential

1249

00:57:11,930 --> 00:57:09,720

which is deep deep down that rabbit hole

1250

00:57:14,990 --> 00:57:11,940

the light body stuff like that because

1251

00:57:17,870 --> 00:57:15,000

on the deeper levels of diet and

1252

00:57:20,030 --> 00:57:17,880

vaccines and chemtrails and HAARP and

1253

00:57:22,220 --> 00:57:20,040

fluoride and all that stuff that affects

1254

00:57:23,930 --> 00:57:22,230

our biology it seems like the simple

1255

00:57:26,000 --> 00:57:23,940

explanation is well if if they're all

1256

00:57:28,280 --> 00:57:26,010

sick and tired all the time it makes it

1257

00:57:30,200 --> 00:57:28,290

hard for them to rebel and will remain

1258

00:57:32,180 --> 00:57:30,210

weak and docile which is true but on a

1259

00:57:34,040 --> 00:57:32,190

deeper level it seems like the archons

1260

00:57:36,530 --> 00:57:34,050

or the true elites are hitting us with

1261

00:57:38,450 --> 00:57:36,540

all these chemicals if they're beating

1262

00:57:40,370 --> 00:57:38,460

back a powerful force deep within the

1263

00:57:42,590 --> 00:57:40,380

individual I mean does that make is that

1264

00:57:45,800 --> 00:57:42,600

kind of where you come from yeah that's

1265

00:57:46,430 --> 00:57:45,810

it we are already fully realized we just

1266

00:57:49,690 --> 00:57:46,440

don't know it

1267

00:57:53,690 --> 00:57:49,700

we fully realize we are already on

1268

00:57:56,600 --> 00:57:53,700

extremely powerful beings I don't know

1269

00:57:58,280 --> 00:57:56,610

if you ever studied Taoism but now

1270

00:58:02,990 --> 00:57:58,290

there's a little bit actually watch

1271

00:58:04,220 --> 00:58:03,000

there's a movie on YouTube who's taken

1272

00:58:07,430 --> 00:58:04,230

with these two brothers and went to

1273

00:58:10,160 --> 00:58:07,440

Indonesia in the I think in the 70s with

1274

00:58:12,950 --> 00:58:10,170

their 16 millimeter camera and to show

1275

00:58:15,260 --> 00:58:12,960

you know what people were like these

1276
00:58:17,680 --> 00:58:15,270
spirit psychics and spiritual people and

1277
00:58:20,360 --> 00:58:17,690
they've got a Taoist master who

1278
00:58:22,850 --> 00:58:20,370
literally puts his hand over a piece of

1279
00:58:26,180 --> 00:58:22,860
paper and lights it on fire really three

1280
00:58:28,670 --> 00:58:26,190
from three feet away yeah on film and so

1281
00:58:29,220 --> 00:58:28,680
we have these abilities it's just that

1282
00:58:33,180 --> 00:58:29,230
these are

1283
00:58:36,330 --> 00:58:33,190
Conn's know that if we let they let

1284
00:58:37,950 --> 00:58:36,340
those abilities atrophy they're safe but

1285
00:58:41,390 --> 00:58:37,960
if we don't let those abilities

1286
00:58:45,680 --> 00:58:41,400
attribute we find ways to bring our

1287
00:58:49,650 --> 00:58:45,690
powerful beings to their full fruition

1288
00:58:51,630 --> 00:58:49,660

the archons are finished and they know

1289

00:58:53,010 --> 00:58:51,640

it and they're so frightened of that

1290

00:58:56,790 --> 00:58:53,020

they're so frightened of a great

1291

00:58:58,710 --> 00:58:56,800

awakening a spiritual liberation and we

1292

00:59:01,170 --> 00:58:58,720

have to all of us everybody listening

1293

00:59:03,840 --> 00:59:01,180

has to are all the soldiers in this

1294

00:59:06,300 --> 00:59:03,850

rebellion we're all frontline soldiers

1295

00:59:09,090 --> 00:59:06,310

we have to have courage we have to stand

1296

00:59:11,520 --> 00:59:09,100

up and we have to realize that we are so

1297

00:59:14,940 --> 00:59:11,530

much more powerful than we've been led

1298

00:59:17,460 --> 00:59:14,950

to believe take take the Arcana

1299

00:59:19,830 --> 00:59:17,470

Convention of evolution what is

1300

00:59:21,590 --> 00:59:19,840

evolution saying evolution is saying and

1301
00:59:24,150 --> 00:59:21,600
I'm not going to argue about the science

1302
00:59:26,880 --> 00:59:24,160
evolution is saying that there's

1303
00:59:30,630 --> 00:59:26,890
something in the future we're headed

1304
00:59:32,040 --> 00:59:30,640
towards and Sunday now if we treat

1305
00:59:34,200 --> 00:59:32,050
ourselves right and we do everything

1306
00:59:38,670 --> 00:59:34,210
right the human species is going to

1307
00:59:41,580 --> 00:59:38,680
evolve magically evolve into something

1308
00:59:43,980 --> 00:59:41,590
better well that's exactly the opposite

1309
00:59:48,390 --> 00:59:43,990
of the truth the truth is is that we're

1310
00:59:51,359 --> 00:59:48,400
all ready there they made us asleep we

1311
00:59:53,960 --> 00:59:51,369
need to wake up and once you wake up you

1312
00:59:57,000 --> 00:59:53,970
realize how really powerful you are and

1313
01:00:02,220 --> 00:59:57,010

that is the one thing that they cannot

1314

01:00:04,770 --> 01:00:02,230

ever let happen yeah Jay mentioned a

1315

01:00:07,590 --> 01:00:04,780

shamanic experience could you talk a bit

1316

01:00:10,260 --> 01:00:07,600

a little bit more about that and the

1317

01:00:12,960 --> 01:00:10,270

importance of shamanic experiences and

1318

01:00:19,010 --> 01:00:12,970

how these can help us break free of the

1319

01:00:21,720 --> 01:00:19,020

archons or the matrix yeah so you know

1320

01:00:23,910 --> 01:00:21,730

you can have it a shamanic experience

1321

01:00:26,460 --> 01:00:23,920

you know you go the jungle and you can

1322

01:00:29,160 --> 01:00:26,470

take ayahuasca there you can drum as

1323

01:00:31,320 --> 01:00:29,170

many ways that Ramana kyx perience but

1324

01:00:35,670 --> 01:00:31,330

what is the point of shamanic experience

1325

01:00:38,820 --> 01:00:35,680

the point is is to shatter your paradigm

1326

01:00:41,609 --> 01:00:38,830

to make you realize all the things that

1327

01:00:43,170 --> 01:00:41,619

you thought aren't really true and that

1328

01:00:46,020 --> 01:00:43,180

means that you got to go back to school

1329

01:00:48,720 --> 01:00:46,030

we'll start doing your homework okay so

1330

01:00:53,520 --> 01:00:48,730

I have minor shamanic experiences all

1331

01:00:55,589 --> 01:00:53,530

the time for instance I will go to the

1332

01:00:58,410 --> 01:00:55,599

library or bookstore and I will buy a

1333

01:01:00,960 --> 01:00:58,420

book on a subject that is exactly the

1334

01:01:02,849 --> 01:01:00,970

opposite of what I believe I will make

1335

01:01:05,730 --> 01:01:02,859

sure that I buy a book and read the book

1336

01:01:08,790 --> 01:01:05,740

that's exactly the opposite of my belief

1337

01:01:11,760 --> 01:01:08,800

system why do I do that it's to shatter

1338

01:01:13,079 --> 01:01:11,770

my belief system if I if I start reading

1339

01:01:15,180 --> 01:01:13,089

the books and fundamentalist

1340

01:01:17,430 --> 01:01:15,190

Christianity and I start finding myself

1341

01:01:19,170 --> 01:01:17,440

agreeing with 40 or 50 percent of what

1342

01:01:21,839 --> 01:01:19,180

I'm reading and I'm totally horrified

1343

01:01:22,859 --> 01:01:21,849

that I'm agreeing with it what is that

1344

01:01:25,680 --> 01:01:22,869

doing to my head

1345

01:01:27,150 --> 01:01:25,690

well it's I'm presenting new ideas into

1346

01:01:30,270 --> 01:01:27,160

my head that I never considered before

1347

01:01:31,500 --> 01:01:30,280

and that's causing me to rethink my

1348

01:01:34,890 --> 01:01:31,510

previous positions

1349

01:01:37,920 --> 01:01:34,900

that's a shamanism does it causes you to

1350

01:01:42,329 --> 01:01:37,930

preview to rethink the positions that

1351

01:01:45,900 --> 01:01:42,339

you held previously so I was a

1352

01:01:49,680 --> 01:01:45,910

journalist I believed in science I was

1353

01:01:52,200 --> 01:01:49,690

an atheist and I had a shamanic

1354

01:01:55,140 --> 01:01:52,210

experience which literally shattered me

1355

01:01:57,900 --> 01:01:55,150

into a billion pieces and I had it took

1356

01:01:59,910 --> 01:01:57,910

me years to regroup and when I regrouped

1357

01:02:02,490 --> 01:01:59,920

I was a completely different person I

1358

01:02:04,530 --> 01:02:02,500

didn't believe any of the things that I

1359

01:02:06,630 --> 01:02:04,540

believed before and now of course I

1360

01:02:09,870 --> 01:02:06,640

realized I was just Archon influences

1361

01:02:11,430 --> 01:02:09,880

from my from the colleges and teachers

1362

01:02:14,220 --> 01:02:11,440

and the churches and all the other

1363

01:02:16,829 --> 01:02:14,230

things that were part of my life and um

1364

01:02:18,539 --> 01:02:16,839

and so that's that's why it's really

1365

01:02:21,089 --> 01:02:18,549

important I think for everyone to have a

1366

01:02:23,579 --> 01:02:21,099

shamanic experience my old friend

1367

01:02:26,250 --> 01:02:23,589

Terence Mckenna is to say that not

1368

01:02:27,660 --> 01:02:26,260

having a shamanic experience is like

1369

01:02:30,450 --> 01:02:27,670

going through your entire life without

1370

01:02:32,190 --> 01:02:30,460

having sex I mean it's like you can't

1371

01:02:33,510 --> 01:02:32,200

describe what it's like to anybody if

1372

01:02:35,720 --> 01:02:33,520

they haven't had it completely

1373

01:02:39,599 --> 01:02:35,730

impossible to describe sex to a eunuch

1374

01:02:42,750 --> 01:02:39,609

so you know I encourage everyone to find

1375

01:02:45,150 --> 01:02:42,760

their own path and to Daniel Pinchbeck

1376

01:02:48,030 --> 01:02:45,160

says you know break open the head you'll

1377

01:02:50,670 --> 01:02:48,040

smash your head literally to smash your

1378

01:02:52,700 --> 01:02:50,680

psyche into a million pieces and regroup

1379

01:02:56,170 --> 01:02:52,710

I know it's a pain in the ass but um

1380

01:02:57,670 --> 01:02:56,180

you'll be better off for it amen

1381

01:03:01,089 --> 01:02:57,680

and let me ask you one more thing about

1382

01:03:03,790 --> 01:03:01,099

the light body because is it I'm really

1383

01:03:05,380 --> 01:03:03,800

into the control mechanisms and all

1384

01:03:08,319 --> 01:03:05,390

these things and then it always goes

1385

01:03:10,660 --> 01:03:08,329

into a sort of a new agey territory with

1386

01:03:13,450 --> 01:03:10,670

the light body and meditation and true

1387

01:03:16,030 --> 01:03:13,460

reality and this is where I'm having a

1388

01:03:17,650 --> 01:03:16,040

disconnect at least in my in my personal

1389

01:03:20,319 --> 01:03:17,660

life because I've gone to a Reiki Master

1390

01:03:22,660 --> 01:03:20,329

with no real effect and I worry that

1391

01:03:26,260 --> 01:03:22,670

this is another version of the Saviour

1392

01:03:28,059 --> 01:03:26,270

motif that it's all internal and explain

1393

01:03:30,640 --> 01:03:28,069

to me why it isn't and what can someone

1394

01:03:33,059 --> 01:03:30,650

do to really try to to find some

1395

01:03:38,530 --> 01:03:33,069

validation of this in their own life

1396

01:03:40,569 --> 01:03:38,540

well that's a great question um so there

1397

01:03:44,200 --> 01:03:40,579

is a way that you can do this and

1398

01:03:47,349 --> 01:03:44,210

validate it for yourself so I'll do it

1399

01:03:48,819 --> 01:03:47,359

like this so forget all the Lightbody

1400

01:03:51,299 --> 01:03:48,829

and meditation stuff you can go to that

1401

01:03:56,589 --> 01:03:51,309

later let's suppose try it this way

1402

01:04:00,280 --> 01:03:56,599

you're we I you Adam everybody listening

1403

01:04:03,730 --> 01:04:00,290

right now we are all in a dream we are

1404

01:04:06,099 --> 01:04:03,740

in a dream and we're dreaming and we're

1405

01:04:08,079 --> 01:04:06,109

not in control of our dream the

1406

01:04:10,390 --> 01:04:08,089

difference between dreaming and lucid

1407

01:04:13,270 --> 01:04:10,400

dreaming is that in a lucid dream you're

1408

01:04:15,400 --> 01:04:13,280

in control of your dream okay we are

1409

01:04:17,440 --> 01:04:15,410

none of us well maybe some of us but

1410

01:04:20,950 --> 01:04:17,450

most of us are just dreaming our dream

1411

01:04:22,809 --> 01:04:20,960

and not lucidly dreaming our dream okay

1412

01:04:25,599 --> 01:04:22,819

so let's just say that that's true let's

1413

01:04:28,329 --> 01:04:25,609

say that this is a dream okay now I'm

1414

01:04:30,940 --> 01:04:28,339

telling you that you can wake up in your

1415

01:04:35,079 --> 01:04:30,950

dream you can begin controlling your

1416

01:04:37,720 --> 01:04:35,089

dream lucidly controlling it so um I had

1417

01:04:41,500 --> 01:04:37,730

a very very very very advanced person

1418

01:04:42,940 --> 01:04:41,510

tell me this 20 years ago and I said

1419

01:04:44,680 --> 01:04:42,950

well you know that's all great and

1420

01:04:47,260 --> 01:04:44,690

everything and yeah you're successful

1421

01:04:50,319 --> 01:04:47,270

all that but I mean how do I prove it he

1422

01:04:52,569 --> 01:04:50,329

says just pick one thing just pick one

1423

01:04:54,220 --> 01:04:52,579

thing make sure it isn't greedy don't

1424

01:04:57,910 --> 01:04:54,230

don't wish for money because that's a

1425

01:05:01,690 --> 01:04:57,920

sure way to to to have this not succeed

1426

01:05:04,420 --> 01:05:01,700

just do something like you want your

1427

01:05:06,280 --> 01:05:04,430

little brother to be more successful or

1428

01:05:09,470 --> 01:05:06,290

you want to make sure he doesn't go to

1429

01:05:11,540 --> 01:05:09,480

prison or you want you know your sister

1430

01:05:14,270 --> 01:05:11,550

to find a man getting married something

1431

01:05:17,200 --> 01:05:14,280

like that just start working I and you

1432

01:05:20,210 --> 01:05:17,210

will see because this is testable that

1433

01:05:21,980 --> 01:05:20,220

you are in control of your dream that's

1434

01:05:24,320 --> 01:05:21,990

not gonna happen right away you'll take

1435

01:05:26,750 --> 01:05:24,330

a few months maybe even a year for the

1436

01:05:29,900 --> 01:05:26,760

for you to gain control of your dream

1437

01:05:32,599 --> 01:05:29,910

but it is entirely and absolutely

1438

01:05:35,359 --> 01:05:32,609

possible and I am living proof of it and

1439

01:05:37,550 --> 01:05:35,369

I'm not the only one I sense pass this

1440

01:05:40,609 --> 01:05:37,560

information on to many other people who

1441

01:05:42,950 --> 01:05:40,619

began lucidly living their life and when

1442

01:05:46,160 --> 01:05:42,960

they did they became in control of their

1443

01:05:49,099 --> 01:05:46,170

life and by gaining control of their

1444

01:05:51,740 --> 01:05:49,109

life they lost their uncertainty they

1445

01:05:54,980 --> 01:05:51,750

gained confidence this led them even

1446

01:05:59,480 --> 01:05:54,990

into larger amounts of control of their

1447

01:06:03,470 --> 01:05:59,490

life and until they become spiritually

1448

01:06:05,780 --> 01:06:03,480

aware and then the meditation the light

1449

01:06:06,890 --> 01:06:05,790

body and all the rest of it begins to

1450

01:06:08,840 --> 01:06:06,900

finally make sense

1451

01:06:11,240 --> 01:06:08,850

because what are you doing when you're

1452

01:06:14,060 --> 01:06:11,250

meditating you're pulling yourself out

1453

01:06:16,310 --> 01:06:14,070

of the life stream and you're going

1454

01:06:19,700 --> 01:06:16,320

inwards you're big you are you're

1455

01:06:22,190 --> 01:06:19,710

beginning to get the discipline

1456

01:06:28,060 --> 01:06:22,200

necessary to begin controlling your life

1457

01:06:29,990 --> 01:06:28,070

to living a lucid life and in the end we

1458

01:06:32,359 --> 01:06:30,000

finally get to the point where we

1459

01:06:35,300 --> 01:06:32,369

realize that it's possible for the human

1460

01:06:37,550 --> 01:06:35,310

mind to even make the human body

1461

01:06:40,640 --> 01:06:37,560

immortal I know this sounds all really

1462

01:06:42,200 --> 01:06:40,650

wild and crazy but it's all true and

1463

01:06:44,540 --> 01:06:42,210

it's based in fact and you can do it

1464

01:06:46,910 --> 01:06:44,550

yourself so start everyone start living

1465

01:06:49,220 --> 01:06:46,920

the life that you want to live not the

1466

01:06:50,840 --> 01:06:49,230

life they want you to live and then

1467

01:06:53,420 --> 01:06:50,850

you'll find as you live the life that

1468

01:06:56,720 --> 01:06:53,430

you want to live that everything you

1469

01:06:58,609 --> 01:06:56,730

want comes to fruition I mean that

1470

01:07:00,830 --> 01:06:58,619

sounds great I know there are a lot of

1471

01:07:03,080 --> 01:07:00,840

people out there that are shackled to

1472

01:07:05,390 --> 01:07:03,090

work working jobs they don't care about

1473

01:07:07,910 --> 01:07:05,400

they listen to us like this often during

1474

01:07:11,349 --> 01:07:07,920

that job and quit your job if you are

1475

01:07:14,450 --> 01:07:11,359

doing with livelihood that's so funny I

1476

01:07:16,250 --> 01:07:14,460

actually one of my I do a conspiracy

1477

01:07:17,870 --> 01:07:16,260

t-shirt brand as well and one of the

1478

01:07:20,060 --> 01:07:17,880

shirts is a homeless guy holding up a

1479

01:07:22,880 --> 01:07:20,070

sign and his sign says quit your job and

1480

01:07:24,829 --> 01:07:22,890

I love the symbolism of that instead

1481

01:07:26,680 --> 01:07:24,839

asking for something you say no you are

1482

01:07:29,390 --> 01:07:26,690

the one who I needs help

1483

01:07:32,120 --> 01:07:29,400

exactly you're not going to die it's not

1484

01:07:33,769 --> 01:07:32,130

going to kill you there's no there's

1485

01:07:36,049 --> 01:07:33,779

nothing to be afraid of that's the thing

1486

01:07:38,000 --> 01:07:36,059

is all kinds of built us into a prison

1487

01:07:40,460 --> 01:07:38,010

of fear so we don't want to go live our

1488

01:07:42,980 --> 01:07:40,470

own life and there is something to say a

1489

01:07:45,140 --> 01:07:42,990

lot of uh Zen philosophers talk about

1490

01:07:47,120 --> 01:07:45,150

living in the present moment and anytime

1491

01:07:48,230 --> 01:07:47,130

you get really fearful or anytime you

1492

01:07:50,059 --> 01:07:48,240

get really stressed out it's because

1493

01:07:53,059 --> 01:07:50,069

you're concentrating on a perceived

1494

01:07:54,289 --> 01:07:53,069

future that you can't really control but

1495

01:07:57,259 --> 01:07:54,299

you know you say I can't quit today

1496

01:07:58,609 --> 01:07:57,269

because rents due in 30 days well maybe

1497

01:08:00,519 --> 01:07:58,619

something's going to happen in that 30

1498

01:08:03,620 --> 01:08:00,529

days but it is one scary

1499

01:08:05,870 --> 01:08:03,630

it'll happen if you embrace it we all

1500

01:08:09,349 --> 01:08:05,880

the courage you can muster your rent

1501

01:08:11,390 --> 01:08:09,359

will get paid that's that's the leap I'm

1502

01:08:13,130 --> 01:08:11,400

real I'm right at the edge there and I

1503

01:08:15,589 --> 01:08:13,140

want to make that leaf and I want to

1504

01:08:18,110 --> 01:08:15,599

believe that to be true but I'm just I I

1505

01:08:21,019 --> 01:08:18,120

just I'm not sure it is funny cuz a

1506

01:08:22,610 --> 01:08:21,029

little a little anecdote about this is

1507

01:08:24,800 --> 01:08:22,620

the other day I was in a really negative

1508

01:08:26,749 --> 01:08:24,810

headspace and my girlfriend's a little

1509

01:08:28,550 --> 01:08:26,759

more on the side of this kind of stuff

1510

01:08:30,800 --> 01:08:28,560

and I said you know the last piece of

1511

01:08:31,879 --> 01:08:30,810

the puzzle is me getting a ticket and on

1512

01:08:34,519 --> 01:08:31,889

my way home from work

1513

01:08:35,809 --> 01:08:34,529

I actually made eye contact with a cop I

1514

01:08:37,519 --> 01:08:35,819

made eye contact with him and in that

1515

01:08:39,379 --> 01:08:37,529

moment I said he's getting me I know

1516

01:08:41,570 --> 01:08:39,389

he's [\h__\h] getting me and he got in

1517

01:08:43,070 --> 01:08:41,580

his car pulled me over and made me get

1518

01:08:45,229 --> 01:08:43,080

out of the car and sit on my hands

1519

01:08:46,999 --> 01:08:45,239

that's not symbolic enough and she's

1520

01:08:48,800 --> 01:08:47,009

like you manifested that I was like well

1521

01:08:50,629 --> 01:08:48,810

why can't I just [\h__\h] manifest some

1522

01:08:52,669 --> 01:08:50,639

good things you know it's always the

1523

01:08:57,050 --> 01:08:52,679

negative thoughts that seemed to come to

1524

01:08:59,059 --> 01:08:57,060

fruition yeah you they inserted yourself

1525

01:09:00,470 --> 01:08:59,069

yesterday pure so I need I need more

1526

01:09:01,450 --> 01:09:00,480

positive thoughts I guess that's what

1527

01:09:04,340 --> 01:09:01,460

we're getting at yeah

1528

01:09:07,970 --> 01:09:04,350

yeah you say really courage it's like

1529

01:09:09,649 --> 01:09:07,980

you just have to you know you use when I

1530

01:09:11,390 --> 01:09:09,659

get pulled over by a cop I just say you

1531

01:09:15,680 --> 01:09:11,400

know this is gonna be the most awesome

1532

01:09:17,629 --> 01:09:15,690

ticket I've ever done and then I talk to

1533

01:09:19,459 --> 01:09:17,639

the cop like he's a real human being and

1534

01:09:21,740 --> 01:09:19,469

all of a sudden sometimes I don't even

1535

01:09:24,410 --> 01:09:21,750

get a ticket because I dress them as

1536

01:09:25,550 --> 01:09:24,420

people and they are so appreciative of

1537

01:09:28,249 --> 01:09:25,560

that because usually they're just

1538

01:09:31,249 --> 01:09:28,259

everybody's afraid of them and they feed

1539

01:09:32,840 --> 01:09:31,259

on that just as much they do exactly

1540

01:09:35,170 --> 01:09:32,850

that's the key to understanding what the

1541

01:09:36,550 --> 01:09:35,180

archons its contagion and so the

1542

01:09:39,520 --> 01:09:36,560

cops themselves but they don't really

1543

01:09:41,860 --> 01:09:39,530

want to be that way nobody really wants

1544

01:09:44,560 --> 01:09:41,870

to be an archive of the archive yeah

1545

01:09:46,660 --> 01:09:44,570

it's that's crazy man but it's been

1546

01:09:47,740 --> 01:09:46,670

great talking to you but I mean Adam is

1547

01:09:48,970 --> 01:09:47,750

there anything you wanted to add before

1548

01:09:50,200 --> 01:09:48,980

it looks like we're getting to an hour

1549

01:09:52,600 --> 01:09:50,210

is there anything you want to throw out

1550

01:09:54,370 --> 01:09:52,610

that we could keep going and going but

1551

01:09:57,820 --> 01:09:54,380

yeah it's been a great hour talking to

1552

01:09:59,860 --> 01:09:57,830

you Jay that's been great well do you

1553

01:10:00,850 --> 01:09:59,870

have anything Jay that you're working on

1554

01:10:02,590 --> 01:10:00,860

you want to tell people about your

1555

01:10:05,350 --> 01:10:02,600

website some of your projects what you

1556

01:10:08,080 --> 01:10:05,360

got going on yeah if you really want to

1557

01:10:11,950 --> 01:10:08,090

wake up I am now the programming

1558

01:10:14,080 --> 01:10:11,960

director at online television streaming

1559

01:10:20,260 --> 01:10:14,090

network like Netflix only for people

1560

01:10:22,540 --> 01:10:20,270

1564

01:10:33,630 --> 01:10:30,470

there I'm going to be doing Charlotte

1565

01:10:35,650 --> 01:10:33,640

Richard Hoagland George Nori's on there

1566

01:10:38,470 --> 01:10:35,660

Daniel Pinchbeck you can have a show

1567

01:10:41,320 --> 01:10:38,480

soon we're really trying to bust the

1568

01:10:43,660 --> 01:10:41,330

paradigm loose as fast as we can so

1569

01:10:46,120 --> 01:10:43,670

that's the best way that you can do it

1570

01:10:48,400 --> 01:10:46,130

if you've got a skeptical family and

1571

01:10:50,530 --> 01:10:48,410

friends get them a sub subscription to

1572

01:10:52,870 --> 01:10:50,540

it and you know I found that after a

1573

01:10:56,410 --> 01:10:52,880

little while or watching this stuff they

1574

01:10:58,560 --> 01:10:56,420

don't begin changing yeah skip them all

1575

01:11:01,420 --> 01:10:58,570

and get them a subscription to Gaiam TV

1576

01:11:03,280 --> 01:11:01,430

ok excellent man well thanks again you

1577

01:11:05,170 --> 01:11:03,290

know it has been a fascinating show I

1578

01:11:06,990 --> 01:11:05,180

hope we can do it again sometime because

1579

01:11:09,790 --> 01:11:07,000

there's just so much more to talk about

1580

01:11:12,430 --> 01:11:09,800

yeah and now in jump go enjoy the rest

1581

01:11:15,280 --> 01:11:12,440

of your day you do that [h__h] you guys

1582

01:11:17,050 --> 01:11:15,290

okay take care of Jay wow man far-out

1583

01:11:17,830 --> 01:11:17,060

stuff how'd you how'd you feel about

1584

01:11:20,830 --> 01:11:17,840

that one

1585

01:11:24,550 --> 01:11:20,840

oh those that was cool enjoyed that

1586

01:11:26,530 --> 01:11:24,560

quite a bit I was somewhat familiar with

1587

01:11:29,580 --> 01:11:26,540

his work but this gave me a broader

1588

01:11:32,770 --> 01:11:29,590

perspective I was just familiar with the

1589

01:11:33,790 --> 01:11:32,780

Kubrick material but yeah yeah some

1590

01:11:36,010 --> 01:11:33,800

interesting ideas

1591

01:11:38,470 --> 01:11:36,020

the Kubrick branch on the conspiracy

1592

01:11:40,150 --> 01:11:38,480

tree is one that I definitely love

1593

01:11:42,760 --> 01:11:40,160

because I like to it's again the

1594

01:11:45,010 --> 01:11:42,770

synchronicity thing the of developing

1595

01:11:47,170 --> 01:11:45,020

the true a true view of the universe but

1596

01:11:48,640 --> 01:11:47,180

uh I loved Kubrick as a kid and I used

1597

01:11:50,800 --> 01:11:48,650

to want to be a film director so

1598

01:11:52,510 --> 01:11:50,810

I do think there's a part of me that

1599

01:11:54,130 --> 01:11:52,520

like really likes the Kubrick tie-in

1600

01:11:55,750 --> 01:11:54,140

with the conspiracy because I'm like oh

1601

01:11:57,250 --> 01:11:55,760

that's all synchronistic in my life

1602

01:11:59,830 --> 01:11:57,260

because I was interested in Kubrick when

1603

01:12:02,979 --> 01:11:59,840

I was 11 years old and here we are still

1604

01:12:04,419 --> 01:12:02,989

talking about him at 27 but you know Jay

1605

01:12:07,450 --> 01:12:04,429

points out a lot of information that's

1606

01:12:10,360 --> 01:12:07,460

just really solid yeah I agree it's fun

1607

01:12:11,560 --> 01:12:10,370

fun talking to them let me ask you let

1608

01:12:12,970 --> 01:12:11,570

me ask you how you feel about the

1609

01:12:18,000 --> 01:12:12,980

Enlightenment do you think people are

1610

01:12:24,880 --> 01:12:22,090

don't know I don't know it's tough it is

1611

01:12:26,260 --> 01:12:24,890

tough to say I mean I was I was

1612

01:12:28,750 --> 01:12:26,270

literally thinking about this yesterday

1613

01:12:31,090 --> 01:12:28,760

trying to determine where on the scale

1614

01:12:32,590 --> 01:12:31,100

of awakening I think we are because you

1615

01:12:34,030 --> 01:12:32,600

know there are some positives but there

1616

01:12:35,590 --> 01:12:34,040

are some huge negatives and I'm going

1617

01:12:37,419 --> 01:12:35,600

into the bank which is probably the

1618

01:12:40,209 --> 01:12:37,429

worst place for me to be thinking about

1619

01:12:42,189 --> 01:12:40,219

this stuff but that seems like we're

1620

01:12:45,760 --> 01:12:42,199

more enslaved in a lot of ways you know

1621

01:12:50,459 --> 01:12:45,770

agree everything with well yeah this is

1622

01:12:53,979 --> 01:12:50,469

the big matrix the banking the what

1623

01:12:57,280 --> 01:12:53,989

social media has evolved into all the

1624

01:12:59,649 --> 01:12:57,290

snooping that goes on right it's

1625

01:13:02,830 --> 01:12:59,659

infiltrated just as much what the media

1626
01:13:06,160 --> 01:13:02,840
is what's on television I mean whether

1627
01:13:09,160 --> 01:13:06,170
you believe that the archons are from

1628
01:13:13,180 --> 01:13:09,170
another planet or whatever there's that

1629
01:13:14,950 --> 01:13:13,190
negative influence in society which I

1630
01:13:19,000 --> 01:13:14,960
think we can find different ways to

1631
01:13:23,910 --> 01:13:19,010
break free of you know on a lot of the

1632
01:13:27,070 --> 01:13:23,920
levels and yeah that's just personal

1633
01:13:31,570 --> 01:13:27,080
what you eat each day what you consume

1634
01:13:33,130 --> 01:13:31,580
yes how you spend your time you know

1635
01:13:35,169 --> 01:13:33,140
yeah the food things really interesting

1636
01:13:37,090 --> 01:13:35,179
to me because you know we were talking

1637
01:13:39,310 --> 01:13:37,100
about talking to that guy Wheat Belly

1638
01:13:41,290 --> 01:13:39,320

and he yeah and Jay was talking about

1639

01:13:42,640 --> 01:13:41,300

you know wheat being a bad that I'm

1640

01:13:44,950 --> 01:13:42,650

hearing this more and more

1641

01:13:46,350 --> 01:13:44,960

yeah wheats bad for you and in fact one

1642

01:13:49,330 --> 01:13:46,360

interesting thing I heard recently

1643

01:13:51,820 --> 01:13:49,340

talking about religions being there for

1644

01:13:53,890 --> 01:13:51,830

control mechanisms is that fatty acids

1645

01:13:56,020 --> 01:13:53,900

are good for your brain and that is why

1646

01:13:57,580 --> 01:13:56,030

all religions have days where you don't

1647

01:14:00,270 --> 01:13:57,590

eat meat or they have things against

1648

01:14:02,970 --> 01:14:00,280

eating meat and well I got into

1649

01:14:05,460 --> 01:14:02,980

what is that yeah that there's a lot to

1650

01:14:09,150 --> 01:14:05,470

that week belly thing I got into that

1651

01:14:11,580 --> 01:14:09,160

I've changed my diet over the years and

1652

01:14:17,400 --> 01:14:11,590

the thing with the wheat had got

1653

01:14:20,880 --> 01:14:17,410

hybridized back in the 80s and it you

1654

01:14:24,150 --> 01:14:20,890

know basically what's put forth in the

1655

01:14:26,190 --> 01:14:24,160

book when you consume the wheat you know

1656

01:14:30,420 --> 01:14:26,200

we don't have the original wheat that

1657

01:14:34,710 --> 01:14:30,430

dates back thousands of years it's this

1658

01:14:38,490 --> 01:14:34,720

new hybrid is hybridized really happened

1659

01:14:40,380 --> 01:14:38,500

in the 80s or so which according to the

1660

01:14:43,410 --> 01:14:40,390

thesis of the guy who wrote the Wheat

1661

01:14:47,490 --> 01:14:43,420

Belly book is responsible for obesity

1662

01:14:49,500 --> 01:14:47,500

and bad health and all of this and you

1663

01:14:52,860 --> 01:14:49,510

know if you look at some of the data

1664

01:14:57,090 --> 01:14:52,870

when you consume wheat your body

1665

01:15:00,120 --> 01:14:57,100

produces a lot more sugar than you know

1666

01:15:02,790 --> 01:15:00,130

consuming straight sugar and it creates

1667

01:15:06,030 --> 01:15:02,800

this vicious cycle where you consume

1668

01:15:08,670 --> 01:15:06,040

more of wheat and these type of things

1669

01:15:11,760 --> 01:15:08,680

high fructose in your diet and all this

1670

01:15:14,730 --> 01:15:11,770

these nasty additives and that so what

1671

01:15:20,250 --> 01:15:14,740

is put forward in the book is more of a

1672

01:15:23,660 --> 01:15:20,260

paleo type net diet eating fruits and

1673

01:15:26,250 --> 01:15:23,670

vegetables and meat you know trying to

1674

01:15:28,230 --> 01:15:26,260

find meat that doesn't have a lot of

1675

01:15:30,960 --> 01:15:28,240

stuff pumped into it as well you know

1676

01:15:35,880 --> 01:15:30,970

the yeah that's a challenge brass fit

1677

01:15:38,490 --> 01:15:35,890

well it's not necessarily that difficult

1678

01:15:40,620 --> 01:15:38,500

just takes time preparing part of its

1679

01:15:44,400 --> 01:15:40,630

preparing your own meals each day in own

1680

01:15:46,860 --> 01:15:44,410

world a lot of people are strapped for

1681

01:15:49,890 --> 01:15:46,870

time you know with yes with living life

1682

01:15:51,960 --> 01:15:49,900

and now I'm a type I hear you mentioned

1683

01:15:54,360 --> 01:15:51,970

sometimes McDonald's and these type of

1684

01:15:57,930 --> 01:15:54,370

things definitely get the hell away from

1685

01:16:01,170 --> 01:15:57,940

yeah that there's some nasty stuff in

1686

01:16:02,850 --> 01:16:01,180

that and it's it's a vicious cycle

1687

01:16:05,250 --> 01:16:02,860

there's not a whole lot of good you can

1688

01:16:07,140 --> 01:16:05,260

find from the fast-food restaurant yeah

1689

01:16:08,820 --> 01:16:07,150

that was what I was saying I figured

1690

01:16:10,650 --> 01:16:08,830

you're referencing my facebook from the

1691

01:16:13,020 --> 01:16:10,660

other day or I said I managed to

1692

01:16:13,810 --> 01:16:13,030

resist McDonald's during the Monopoly

1693

01:16:15,040 --> 01:16:13,820

game which is real

1694

01:16:17,140 --> 01:16:15,050

tough for me because they're hitting two

1695

01:16:19,959 --> 01:16:17,150

of my addictions at one time gambling

1696

01:16:22,180 --> 01:16:19,969

and bad junk food mm-hmm but if you can

1697

01:16:24,040 --> 01:16:22,190

stay away then I mean I mean that's the

1698

01:16:26,379 --> 01:16:24,050

real empowerment of the human spirit I

1699

01:16:29,439 --> 01:16:26,389

guess the true triumph of the will

1700

01:16:31,810 --> 01:16:29,449

yeah I mean I would love to believe that

1701

01:16:33,459 --> 01:16:31,820

we waken up but some days like I was

1702

01:16:36,100 --> 01:16:33,469

going I went into that Bank and I go to

1703

01:16:37,990 --> 01:16:36,110

the teller and I say you know how you

1704

01:16:40,419 --> 01:16:38,000

doin man he's like oh you know I'm great

1705

01:16:42,100 --> 01:16:40,429

but I've really had to use the bathroom

1706

01:16:44,709 --> 01:16:42,110

for the past hour and just haven't been

1707

01:16:46,479 --> 01:16:44,719

able to go I go I'm a grown man not

1708

01:16:49,390 --> 01:16:46,489

being able to take a piss does not sound

1709

01:16:50,680 --> 01:16:49,400

great to me and he just he just stares

1710

01:16:52,689 --> 01:16:50,690

at me because well I mean what can you

1711

01:16:54,270 --> 01:16:52,699

do he's at work but I'm like I feel like

1712

01:16:58,450 --> 01:16:54,280

some people are getting closer to

1713

01:16:59,979 --> 01:16:58,460

robotic automated beings with a

1714

01:17:02,890 --> 01:16:59,989

plastered smile on their face and

1715

01:17:05,770 --> 01:17:02,900

they're empty inside and that that

1716

01:17:08,379 --> 01:17:05,780

offends me that bothers me well it

1717

01:17:10,750 --> 01:17:08,389

starts with you you know personally

1718

01:17:14,439 --> 01:17:10,760

break free then you can worry about the

1719

01:17:16,600 --> 01:17:14,449

others that is the challenge and I think

1720

01:17:19,990 --> 01:17:16,610

I'm about 60 days away from quitting

1721

01:17:21,700 --> 01:17:20,000

that corporate job but mmm you know yes

1722

01:17:24,010 --> 01:17:21,710

that's a scary thing but I guess you got

1723

01:17:27,310 --> 01:17:24,020

to go at it with positivity and

1724

01:17:30,700 --> 01:17:27,320

confidence and tell those archons to

1725

01:17:32,770 --> 01:17:30,710

[h__\h] off there you go all right man well

1726

01:17:34,720 --> 01:17:32,780

on that note I love having you on thanks

1727

01:17:36,280 --> 01:17:34,730

for your contributions to THD through

1728

01:17:38,080 --> 01:17:36,290

your blog transmissions from a dying

1729

01:17:39,729 --> 01:17:38,090

planet always nice to throw something

1730

01:17:43,870 --> 01:17:39,739

extra out to the people during the week

1731

01:17:46,899 --> 01:17:43,880

I do love that you do that right on this

1732

01:17:48,459 --> 01:17:46,909

was a good one yeah this was um so keep

1733

01:17:51,010 --> 01:17:48,469

rockin towards the free world and we'll

1734

01:17:53,500 --> 01:17:51,020

see you again man will talk ow we'll do

1735

01:17:53,979 --> 01:17:53,510

another interview next month okay sounds
