

Episode 74: Peter Moon The Montauk Project, Chi Gong Mastery, & The Secret Romanian Hall of Records

BROUGHT TO YOU BY:

 onspiraTees.net

1
00:00:08,249 --> 00:00:06,420
we're here because we don't buy into the

2
00:00:10,140 --> 00:00:08,259
[h__\h] of mainstream culture we're

3
00:00:11,640 --> 00:00:10,150
tired of the mundane passionless careers

4
00:00:13,259 --> 00:00:11,650
we've been shuffled into as a result of

5
00:00:15,330 --> 00:00:13,269
this orchestrated debt based system of

6
00:00:16,950 --> 00:00:15,340
rule and the stranglehold on education

7
00:00:20,010 --> 00:00:16,960
entertainment by cold soulless

8
00:00:23,220 --> 00:00:20,020
corporations people yes we are

9
00:00:25,080 --> 00:00:23,230
frustrated yes we are tired and we

10
00:00:26,370 --> 00:00:25,090
reject the pre-approved tranquilizers

11
00:00:28,529 --> 00:00:26,380
that are Monday Night Football and a

12
00:00:30,779 --> 00:00:28,539
nice cold blood wager we have to stop

13
00:00:33,360 --> 00:00:30,789

hiding stop hiding behind the headphone

14

00:00:34,710 --> 00:00:33,370

to the cherry popper 4/20 username let

15

00:00:37,170 --> 00:00:34,720

the world see that the resistance is

16

00:00:39,150 --> 00:00:37,180

strong and society is changing there was

17

00:00:41,819 --> 00:00:39,160

a time to be anonymous and that time has

18

00:00:43,770 --> 00:00:41,829

passed and so the higher side chats like

19

00:00:45,610 --> 00:00:43,780

to present conspiracies as the dawning

20

00:00:47,950 --> 00:00:45,620

of this new paradigm in

21

00:00:49,780 --> 00:00:47,960

the revolution because both fashion

22

00:00:51,930 --> 00:00:49,790

should be more than some celebrity Li

23

00:00:54,490 --> 00:00:51,940

Tresor Atlanta sleeping :

24

00:00:55,959 --> 00:00:54,500

conspiracies redefines bold fashion as

25

00:00:58,420 --> 00:00:55,969

having the balls to reject socially

26
00:01:01,950 --> 00:00:58,430
uncomfortable and unpopular truths from

27
00:01:04,630 --> 00:01:01,960
your radiant chest all [h__\h] day

28
00:01:06,940 --> 00:01:04,640
conspiracies dotnet let them know that

29
00:01:43,630 --> 00:01:06,950
you know both designs for trouble times

30
00:01:47,840 --> 00:01:45,890
how's it going higher side shatters from

31
00:01:49,970 --> 00:01:47,850
sunny San Diego drinking little drink

32
00:01:51,590 --> 00:01:49,980
smoking a little smoke on Greg Carl

33
00:01:53,540 --> 00:01:51,600
would and today is going to be a damn

34
00:01:55,580 --> 00:01:53,550
good show because we're going deep deep

35
00:01:56,990 --> 00:01:55,590
deep into conspiracy land to discuss

36
00:01:59,570 --> 00:01:57,000
some of the most far out sounding

37
00:02:02,300 --> 00:01:59,580
conspiracy staples out there involving

38
00:02:04,580 --> 00:02:02,310

time travel dimensional shifts and an

39

00:02:06,080 --> 00:02:04,590

intergalactic DNA bank but we're

40

00:02:07,070 --> 00:02:06,090

definitely going to get weird today and

41

00:02:08,180 --> 00:02:07,080

that's the way I like it

42

00:02:09,859 --> 00:02:08,190

today's guest is one of the most

43

00:02:11,630 --> 00:02:09,869

qualified people on the circuit to be

44

00:02:13,310 --> 00:02:11,640

talking about secret government programs

45

00:02:14,990 --> 00:02:13,320

such as the Philadelphia Experiment the

46

00:02:16,580 --> 00:02:15,000

Montauk Project and the cover-up of a

47

00:02:17,180 --> 00:02:16,590

secret chamber beneath the Romanian

48

00:02:19,550 --> 00:02:17,190

Sphinx

49

00:02:21,620 --> 00:02:19,560

his name is Peter moon publisher and

50

00:02:23,660 --> 00:02:21,630

author of many books but probably best

51
00:02:24,980 --> 00:02:23,670
known for a trilogy disclosing the

52
00:02:27,320 --> 00:02:24,990
details of the legendary secret

53
00:02:29,180 --> 00:02:27,330
government program known as the Montauk

54
00:02:31,250 --> 00:02:29,190
Project co-authored by the original

55
00:02:33,699 --> 00:02:31,260
Montauk Project whistleblower Preston

56
00:02:35,960 --> 00:02:33,709
Nichols as well as a more recent series

57
00:02:37,880 --> 00:02:35,970
revealing information about the strange

58
00:02:40,550 --> 00:02:37,890
contents of a secret chamber underground

59
00:02:42,440 --> 00:02:40,560
in Romania which he co-authored with

60
00:02:44,330 --> 00:02:42,450
radio cinema who is a member of the

61
00:02:46,490 --> 00:02:44,340
Romanian intelligence services occult

62
00:02:48,979 --> 00:02:46,500
department and again an original source

63
00:02:51,560 --> 00:02:48,989

for a fascinating story I'm for sure

64

00:02:54,080 --> 00:02:51,570

super excited so let's get to it Peter

65

00:02:55,070 --> 00:02:54,090

my man how's it going I'm good thanks

66

00:02:57,410 --> 00:02:55,080

it's nice to be here

67

00:02:59,240 --> 00:02:57,420

absolutely man thanks for being here you

68

00:03:00,590 --> 00:02:59,250

have such a history with two of the

69

00:03:03,170 --> 00:03:00,600

wildest stories out there and I really

70

00:03:04,580 --> 00:03:03,180

want to let those be our 2 main subjects

71

00:03:06,740 --> 00:03:04,590

for the show let's start with the

72

00:03:08,870 --> 00:03:06,750

Montauk Project one of several supposed

73

00:03:10,670 --> 00:03:08,880

secret government programs experimenting

74

00:03:12,380 --> 00:03:10,680

with time travel as well as other weird

75

00:03:14,780 --> 00:03:12,390

stuff and this thread of info about

76
00:03:16,250 --> 00:03:14,790
time-travel experiments it really seems

77
00:03:18,320 --> 00:03:16,260
to start with the Philadelphia

78
00:03:19,670 --> 00:03:18,330
Experiment another conspiracy staple

79
00:03:21,590 --> 00:03:19,680
that has many different versions and

80
00:03:23,090 --> 00:03:21,600
speculations but I know that you've

81
00:03:24,470 --> 00:03:23,100
looked into it and spoken about it quite

82
00:03:26,569 --> 00:03:24,480
a bit so maybe we should start there

83
00:03:27,770 --> 00:03:26,579
what would you consider the Philadelphia

84
00:03:28,820 --> 00:03:27,780
Experiment was that one of the first

85
00:03:31,100 --> 00:03:28,830
known inches inse to

86
00:03:34,910 --> 00:03:31,110
of such a project and what happened

87
00:03:37,430 --> 00:03:34,920
there whether or not it's a [h__\h] it's

88
00:03:39,760 --> 00:03:37,440

the first it's hard to say it's the

89

00:03:41,660 --> 00:03:39,770

first but it's certainly one of the most

90

00:03:44,030 --> 00:03:41,670

spectacular

91

00:03:45,920 --> 00:03:44,040

you know like app if a patient had a

92

00:03:48,830 --> 00:03:45,930

stroke did he have many strokes before

93

00:03:53,150 --> 00:03:48,840

that many strokes many strokes but but

94

00:03:56,120 --> 00:03:53,160

this was like a major gyration of the

95

00:04:00,290 --> 00:03:56,130

earth and it's very important that it

96

00:04:03,350 --> 00:04:00,300

occurred uh according to the lore in

97

00:04:06,350 --> 00:04:03,360

August of 1943 because there is a

98

00:04:08,930 --> 00:04:06,360

biorhythm which coincides with the so

99

00:04:12,199 --> 00:04:08,940

called birthday of Isis when the star

100

00:04:14,210 --> 00:04:12,209

Sirius is most direct it was the High

101
00:04:17,210 --> 00:04:14,220
Holy Days of ancient Egypt and and this

102
00:04:20,120 --> 00:04:17,220
period of August is when the star system

103
00:04:22,009 --> 00:04:20,130
Sirius is right there closest to us is a

104
00:04:24,050 --> 00:04:22,019
very sacred day we're gonna make

105
00:04:26,510 --> 00:04:24,060
different traditions now this is when it

106
00:04:29,510 --> 00:04:26,520
occurred so it's called a biorhythm that

107
00:04:32,180 --> 00:04:29,520
occurs every year but there's a major

108
00:04:36,440 --> 00:04:32,190
biorhythm every 20 years now this this

109
00:04:39,080 --> 00:04:36,450
is a gyration of the earth so not an

110
00:04:40,970 --> 00:04:39,090
earthquake but sort of like an

111
00:04:43,790 --> 00:04:40,980
earthquake in some regions it's like the

112
00:04:48,140 --> 00:04:43,800
meridian like the meridian system of the

113
00:04:51,770 --> 00:04:48,150

human body moves from one channel to the

114

00:04:54,290 --> 00:04:51,780

next the heart feeds the liver the liver

115

00:04:56,480 --> 00:04:54,300

feeds the heart etc so you have this

116

00:04:59,390 --> 00:04:56,490

cycles of energy moving through the

117

00:05:02,390 --> 00:04:59,400

earth and this was a big one so that's

118

00:05:04,159 --> 00:05:02,400

sort of an esoteric behind-the-scenes

119

00:05:07,400 --> 00:05:04,169

explanation of what was going on on a

120

00:05:09,860 --> 00:05:07,410

purely energetic basis when we translate

121

00:05:12,860 --> 00:05:09,870

energy into the human condition in the

122

00:05:16,810 --> 00:05:12,870

human drama where every person is a

123

00:05:19,340 --> 00:05:16,820

player on the stage we have government

124

00:05:23,140 --> 00:05:19,350

different governments the German

125

00:05:26,990 --> 00:05:23,150

government the having a hand in it the

126

00:05:29,480 --> 00:05:27,000

American government and the British

127

00:05:32,380 --> 00:05:29,490

would have been in there with all their

128

00:05:35,540 --> 00:05:32,390

secret departments which are being

129

00:05:38,150 --> 00:05:35,550

directed people don't when they look at

130

00:05:40,500 --> 00:05:38,160

world politics they like well you know

131

00:05:42,300 --> 00:05:40,510

obviously people will look at Obama and

132

00:05:43,710 --> 00:05:42,310

and the heads of state and then if they

133

00:05:45,690 --> 00:05:43,720

think they're going to get a little bit

134

00:05:48,600 --> 00:05:45,700

deeper they'll go to build a builder

135

00:05:52,140 --> 00:05:48,610

burgers and the Bohemian Grove

136

00:05:54,000 --> 00:05:52,150

sort of things but as I began to

137

00:05:56,100 --> 00:05:54,010

investigate this

138

00:05:59,660 --> 00:05:56,110

I had synchronicities with a cult

139

00:06:01,920 --> 00:05:59,670

phenomena and you had a occultist

140

00:06:03,930 --> 00:06:01,930

Aleister Crowley being one of them who

141

00:06:05,630 --> 00:06:03,940

turned up but he said something very

142

00:06:09,150 --> 00:06:05,640

interesting

143

00:06:11,490 --> 00:06:09,160

there are according to him you have this

144

00:06:15,450 --> 00:06:11,500

mj-12 stuff that everybody's pretty much

145

00:06:17,130 --> 00:06:15,460

sure what that is really an offshoot of

146

00:06:23,760 --> 00:06:17,140

is what they call the secret Chiefs

147

00:06:25,530 --> 00:06:23,770

those those mj-12 people were that mean

148

00:06:27,150 --> 00:06:25,540

oh they are their puppets just as much

149

00:06:29,430 --> 00:06:27,160

as they were players they were at

150

00:06:32,190 --> 00:06:29,440

important positions but theythey the

151
00:06:34,230 --> 00:06:32,200
real the secret Chiefs the secret Chiefs

152
00:06:36,060 --> 00:06:34,240
they're called an occultism and these

153
00:06:39,390 --> 00:06:36,070
are invisible characters you're not

154
00:06:42,060 --> 00:06:39,400
going to get too much of a glimpse of of

155
00:06:43,350 --> 00:06:42,070
course and yes so this is this is what

156
00:06:45,890 --> 00:06:43,360
we're dealing on the world stage of the

157
00:06:48,890 --> 00:06:45,900
Philadelphia Experiment where you have

158
00:06:52,980 --> 00:06:48,900
experimentation with Radar

159
00:06:56,870 --> 00:06:52,990
experimentation with D gowing a ship so

160
00:06:59,160 --> 00:06:56,880
that it does not appear on radar screens

161
00:07:00,870 --> 00:06:59,170
changing the electromagnetic field and

162
00:07:05,490 --> 00:07:00,880
that's what the Philadelphia Experiment

163
00:07:07,560 --> 00:07:05,500

was on the surface and then according to

164

00:07:09,900 --> 00:07:07,570

the the lore of what happened it

165

00:07:14,360 --> 00:07:09,910

disappeared it disappeared and left this

166

00:07:17,400 --> 00:07:14,370

dimension and the most important I guess

167

00:07:19,350 --> 00:07:17,410

evidence that they had was that the

168

00:07:22,760 --> 00:07:19,360

damage that it did to the crew and the

169

00:07:25,500 --> 00:07:22,770

crew was compromised mentally physically

170

00:07:28,050 --> 00:07:25,510

sometimes catching on fire and what we

171

00:07:31,830 --> 00:07:28,060

know now is spontaneous combustion with

172

00:07:33,630 --> 00:07:31,840

term as that sometimes having their body

173

00:07:36,570 --> 00:07:33,640

parts amalgamated into the bulk head of

174

00:07:38,130 --> 00:07:36,580

the ship and just suffering sometimes it

175

00:07:41,190 --> 00:07:38,140

was just mental trauma these these

176

00:07:43,850 --> 00:07:41,200

people were brought to various about

177

00:07:46,380 --> 00:07:43,860

three naval hospitals one of them or

178

00:07:48,260 --> 00:07:46,390

military hospitals one of which was in

179

00:07:50,839 --> 00:07:48,270

Camp Upton Long Island which was a

180

00:07:54,139 --> 00:07:50,849

convalescent hospital during World War

181

00:07:58,089 --> 00:07:54,149

one and it it was right adjacent to the

182

00:08:01,129 --> 00:07:58,099

old Nazi compound compounding the

183

00:08:02,389 --> 00:08:01,139

complexity of the secret German

184

00:08:04,730 --> 00:08:02,399

involvement with a Philadelphia

185

00:08:06,169 --> 00:08:04,740

Experiment which is in a book called the

186

00:08:10,159 --> 00:08:06,179

Philadelphia Experiment murder that I

187

00:08:11,839 --> 00:08:10,169

published but the so you have this is

188

00:08:14,869 --> 00:08:11,849

you have a confluence of different

189

00:08:18,499 --> 00:08:14,879

events on a bigger global scale and then

190

00:08:20,779 --> 00:08:18,509

the conspiracy of the government files

191

00:08:23,509 --> 00:08:20,789

and what happens is all gets kind of

192

00:08:27,109 --> 00:08:23,519

shredded and all kind of disappears but

193

00:08:30,559 --> 00:08:27,119

what you have is the acting out of on a

194

00:08:32,719 --> 00:08:30,569

lower level some you know bizarre play

195

00:08:34,490 --> 00:08:32,729

where everything's secret but you do

196

00:08:36,170 --> 00:08:34,500

have experiments going on behind the

197

00:08:39,529 --> 00:08:36,180

scenes that are experimenting with human

198

00:08:40,939 --> 00:08:39,539

beings um this isn't a time when you

199

00:08:43,040 --> 00:08:40,949

know we didn't have the abduction

200

00:08:46,189 --> 00:08:43,050

stories that are so prevalent today

201
00:08:50,420 --> 00:08:46,199
right you had this would be the

202
00:08:52,069 --> 00:08:50,430
precursor to that because any abductions

203
00:08:54,400 --> 00:08:52,079
that were going on back then whether

204
00:08:58,249 --> 00:08:54,410
they were being done by organized crime

205
00:09:02,240 --> 00:08:58,259
or by military or secret government

206
00:09:04,490 --> 00:09:02,250
stuff if they seem to be very reduced in

207
00:09:07,550 --> 00:09:04,500
number to the reports we get today's so

208
00:09:09,650 --> 00:09:07,560
the reports were fewer it would seem

209
00:09:11,929 --> 00:09:09,660
that there was relatively little going

210
00:09:15,620 --> 00:09:11,939
on compared to today so you have this

211
00:09:17,269 --> 00:09:15,630
going on not so much in 43 but you have

212
00:09:19,879 --> 00:09:17,279
a study of these people who went into

213
00:09:21,620 --> 00:09:19,889

other dimensions and suffer greatly and

214

00:09:24,740 --> 00:09:21,630

this becomes a great human factor study

215

00:09:26,600 --> 00:09:24,750

which takes place after the war in

216

00:09:29,030 --> 00:09:26,610

combination with the data that they

217

00:09:30,949 --> 00:09:29,040

studied from Josef Mengele who did all

218

00:09:34,970 --> 00:09:30,959

sorts of horrible experiments on human

219

00:09:37,600 --> 00:09:34,980

beings including little people sometimes

220

00:09:39,429 --> 00:09:37,610

known as dwarves are midgets doing

221

00:09:42,590 --> 00:09:39,439

experiments on twins

222

00:09:45,019 --> 00:09:42,600

yeah the psychic energy of twins and all

223

00:09:47,689 --> 00:09:45,029

of this evolved into the human factor

224

00:09:50,240 --> 00:09:47,699

study it at the old camp upton

225

00:09:52,579 --> 00:09:50,250

convalescent hospital which turn into

226

00:09:56,420 --> 00:09:52,589

Brookhaven National Laboratory was the

227

00:09:57,800 --> 00:09:56,430

top security site in the East Coast if

228

00:10:00,500 --> 00:09:57,810

not the nation it was the headquarters

229

00:10:03,829 --> 00:10:00,510

of where atomic energy was being studied

230

00:10:04,540 --> 00:10:03,839

it was owned by associated universities

231

00:10:05,829 --> 00:10:04,550

which was a

232

00:10:10,930 --> 00:10:05,839

ozzie government group not actually a

233

00:10:14,860 --> 00:10:10,940

government group so it it was a very

234

00:10:18,570 --> 00:10:14,870

interesting confluence of events and out

235

00:10:22,120 --> 00:10:18,580

of this human factor study at Brookhaven

236

00:10:24,519 --> 00:10:22,130

be get the Montauk Project but that

237

00:10:27,340 --> 00:10:24,529

early human factor study was engineered

238

00:10:28,960 --> 00:10:27,350

by John von Neumann mm-hmm and he was

239

00:10:32,800 --> 00:10:28,970

the engineer the Philadelphia Experiment

240

00:10:37,230 --> 00:10:32,810

who was also applying his studies of the

241

00:10:42,250 --> 00:10:40,540

electronics and computing to the human

242

00:10:48,480 --> 00:10:42,260

mind he invented the first modern

243

00:10:51,220 --> 00:10:48,490

computer and that was being used to

244

00:10:53,410 --> 00:10:51,230

study the human mind and get inputs and

245

00:10:55,000 --> 00:10:53,420

outputs on a computer right now this

246

00:10:56,800 --> 00:10:55,010

type of experimentation has been

247

00:10:58,870 --> 00:10:56,810

verified in fact it's rather mundane

248

00:11:01,720 --> 00:10:58,880

you'll even see certain aspects of it on

249

00:11:04,449 --> 00:11:01,730

the PDS sometimes where you'll see pipe

250

00:11:06,790 --> 00:11:04,459

fighter flight simulation and even

251

00:11:09,329 --> 00:11:06,800

stealth craft pilots where they can

252

00:11:12,790 --> 00:11:09,339

actually move the ship by thinking

253

00:11:15,130 --> 00:11:12,800

Bioman manipulation so this is was the

254

00:11:18,610 --> 00:11:15,140

early parts of the studies and as that

255

00:11:22,660 --> 00:11:18,620

went forward they established a control

256

00:11:26,199 --> 00:11:22,670

of the human mind through through

257

00:11:29,079 --> 00:11:26,209

electronics and this scared the Congress

258

00:11:30,670 --> 00:11:29,089

which outlawed it you're not going to

259

00:11:33,519 --> 00:11:30,680

see this in the Congressional Record of

260

00:11:35,230 --> 00:11:33,529

course but you it then went underground

261

00:11:38,440 --> 00:11:35,240

and ended up at Montauk Point New York

262

00:11:41,170 --> 00:11:38,450

in an in or about 1972 where really

263

00:11:44,079 --> 00:11:41,180

started going Montauk Point New York had

264

00:11:46,329 --> 00:11:44,089

an old Air Force Station Camp here it's

265

00:11:48,130 --> 00:11:46,339

called it smelled to our history goes

266

00:11:50,530 --> 00:11:48,140

back to World War one is Camp Wyckoff

267

00:11:52,150 --> 00:11:50,540

but but camp here has had a lot of

268

00:11:56,880 --> 00:11:52,160

strange things associated with it

269

00:11:59,670 --> 00:11:56,890

forever in a day it's a strange place

270

00:12:03,880 --> 00:11:59,680

and it's not necessarily a safe place

271

00:12:06,699 --> 00:12:03,890

but it's now a state park where you can

272

00:12:11,310 --> 00:12:06,709

go out and visit it you couldn't when we

273

00:12:13,750 --> 00:12:11,320

began investigating it we turned the

274

00:12:15,040 --> 00:12:13,760

applecart upside down here what we

275

00:12:19,480 --> 00:12:15,050

actually had

276

00:12:22,090 --> 00:12:19,490

a trial in town of East Hampton it was

277

00:12:26,079 --> 00:12:22,100

not me but Preston Nichols Duncan

278

00:12:28,690 --> 00:12:26,089

Cameron and another man mark who got

279

00:12:30,460 --> 00:12:28,700

involved in a trial because they were

280

00:12:33,220 --> 00:12:30,470

ticketed on this ground and they'd chase

281

00:12:37,420 --> 00:12:33,230

you off variant Lee in other words

282

00:12:39,819 --> 00:12:37,430

vehemently even violently they would

283

00:12:41,800 --> 00:12:39,829

chase you off of that ground why it was

284

00:12:43,690 --> 00:12:41,810

a state park but they were using it for

285

00:12:46,660 --> 00:12:43,700

something so there was a trial which

286

00:12:48,819 --> 00:12:46,670

preston nichols was serving as his own

287

00:12:51,040 --> 00:12:48,829

defense attorney and he actually won it

288

00:12:52,509 --> 00:12:51,050

was pretty funny really a transcript of

289

00:12:55,329 --> 00:12:52,519

the talk trials somewhere yes because

290

00:12:58,540 --> 00:12:55,339

the judge actually said to the radar

291

00:13:01,509 --> 00:12:58,550

operator but he was a radar operator

292

00:13:05,530 --> 00:13:01,519

actually was part please you know he

293

00:13:07,000 --> 00:13:05,540

said why can't these people go this is a

294

00:13:09,819 --> 00:13:07,010

state park you're supposed to have

295

00:13:11,050 --> 00:13:09,829

one-third of it dedicated at least

296

00:13:12,940 --> 00:13:11,060

two-thirds of its dedicated to the

297

00:13:14,920 --> 00:13:12,950

people they had confiscated much more

298

00:13:17,350 --> 00:13:14,930

why can't people go on there he says I

299

00:13:23,560 --> 00:13:17,360

walked my dog there so the judge

300

00:13:29,430 --> 00:13:23,570

actually ruled justly which is sometimes

301

00:13:31,930 --> 00:13:29,440

novel culture but he will just uh and it

302

00:13:33,670 --> 00:13:31,940

caused the precedent where Bernadette

303

00:13:36,790 --> 00:13:33,680

Castro who was at that time the parks

304

00:13:40,090 --> 00:13:36,800

commissioner actually purchased a copy

305

00:13:42,550 --> 00:13:40,100

of one of the videos that Preston

306

00:13:46,389 --> 00:13:42,560

Nichols sold through sky books and I

307

00:13:49,420 --> 00:13:46,399

actually sent her a UH a tape I sent her

308

00:13:53,710 --> 00:13:49,430

a tape which showed all this chicanery

309

00:13:56,949 --> 00:13:53,720

going on and she got Superfund money to

310

00:13:58,269 --> 00:13:56,959

clean up allegedly clean up the camp I'm

311

00:14:00,970 --> 00:13:58,279

not saying she would there's nothing

312

00:14:03,220 --> 00:14:00,980

wrong with what she did but she they had

313

00:14:05,110 --> 00:14:03,230

this very strange company the Parsons

314

00:14:06,699 --> 00:14:05,120

corporation come out from their

315

00:14:08,050 --> 00:14:06,709

headquarters from Pasadena they came out

316

00:14:10,480 --> 00:14:08,060

and did a whole cleanup study of

317

00:14:12,460 --> 00:14:10,490

munitions and whatnot with the the

318

00:14:14,290 --> 00:14:12,470

government was that the army the Army

319

00:14:15,939 --> 00:14:14,300

Corps of Engineers and that was a whole

320

00:14:18,090 --> 00:14:15,949

fiasco they tried to hide a public

321

00:14:20,680 --> 00:14:18,100

meeting which I was able to attend and

322

00:14:26,980 --> 00:14:20,690

this army guy was lying his pants off

323

00:14:28,570 --> 00:14:26,990

and and but anyway it was you know so

324

00:14:31,810 --> 00:14:28,580

anybody can go out there now

325

00:14:34,019 --> 00:14:31,820

right so this is uh of course they were

326

00:14:36,550 --> 00:14:34,029

doing experiments with the mind with

327

00:14:39,340 --> 00:14:36,560

eventually they were manifesting objects

328

00:14:42,269 --> 00:14:39,350

according to the stories manifesting

329

00:14:45,370 --> 00:14:42,279

objects because if you can manifest

330

00:14:47,590 --> 00:14:45,380

effect thoughts like there are reports

331

00:14:51,579 --> 00:14:47,600

of them changing the mood of people

332

00:14:54,220 --> 00:14:51,589

animals we not some video that shows

333

00:14:55,690 --> 00:14:54,230

strange animal behavior out there I even

334

00:14:57,280 --> 00:14:55,700

saw an abducted deep we're not an

335

00:14:59,139 --> 00:14:57,290

abductor what we call a mutilated deer

336

00:15:00,220 --> 00:14:59,149

out there which was a classic mutilation

337

00:15:03,100 --> 00:15:00,230

of a deer that looked like had been

338

00:15:04,600 --> 00:15:03,110

dumped from outer space or not

339

00:15:07,750 --> 00:15:04,610

I shouldn't say outer space I should say

340

00:15:09,730 --> 00:15:07,760

you know from a hundred yards you know a

341

00:15:13,630 --> 00:15:09,740

mile up it just went splat on the ground

342

00:15:15,790 --> 00:15:13,640

uh so doing strange things with you know

343

00:15:17,920 --> 00:15:15,800

parts taken out of it I've heard some

344

00:15:19,870 --> 00:15:17,930

really bold claims I mean where our

345

00:15:22,030 --> 00:15:19,880

government has so much secrecy it really

346

00:15:23,980 --> 00:15:22,040

does leave the door open for some of

347

00:15:25,449 --> 00:15:23,990

these things that could be possible what

348

00:15:27,790 --> 00:15:25,459

happened with the montauk chair because

349

00:15:29,949 --> 00:15:27,800

that's kind of what this conspiracy kind

350

00:15:31,449 --> 00:15:29,959

of surrounds is this Montauk chair did

351

00:15:35,110 --> 00:15:31,459

it come from

352

00:15:38,139 --> 00:15:35,120

uh you have a crashed UFO no the Montauk

353

00:15:40,569 --> 00:15:38,149

chair is a you know the information we

354

00:15:42,400 --> 00:15:40,579

have out I have about it is somewhat

355

00:15:44,620 --> 00:15:42,410

abstract particularly the procuring of

356

00:15:46,930 --> 00:15:44,630

it like I knew the man who claimed to

357

00:15:49,810 --> 00:15:46,940

have procured it and how he came into my

358

00:15:52,000 --> 00:15:49,820

life was very bizarre and but you know

359

00:15:54,100 --> 00:15:52,010

there's tangential ties to you that he

360

00:15:56,110 --> 00:15:54,110

worked he used to operate a portfolio

361

00:15:58,269 --> 00:15:56,120

name was George dicks and he's passed

362

00:16:02,170 --> 00:15:58,279

away last summer I wouldn't even mention

363

00:16:06,160 --> 00:16:02,180

it and he he never wanted this broadcast

364

00:16:07,780 --> 00:16:06,170

publicly but I met him and we're Duncan

365

00:16:09,250 --> 00:16:07,790

impressed and heard the story about that

366

00:16:11,500 --> 00:16:09,260

I told him about it they were shocked

367

00:16:12,850 --> 00:16:11,510

not because they hadn't heard of it but

368

00:16:14,980 --> 00:16:12,860

that he'd ever told anybody he was

369

00:16:17,410 --> 00:16:14,990

always very secret it was just between

370

00:16:19,240 --> 00:16:17,420

the three of them and he told me because

371

00:16:22,510 --> 00:16:19,250

I was putting the book together and he

372

00:16:24,699 --> 00:16:22,520

wanted me to know it and he had strange

373

00:16:30,910 --> 00:16:24,709

financial connections and you know he

374

00:16:32,680 --> 00:16:30,920

was a very unusual guy and so there was

375

00:16:34,900 --> 00:16:32,690

a lot of strange tentacles of people

376

00:16:39,519 --> 00:16:34,910

that I met behind the scenes but the

377

00:16:41,260 --> 00:16:39,529

Montauk chair was basically a lounge

378

00:16:45,130 --> 00:16:41,270

chair

379

00:16:47,110 --> 00:16:45,140

uh that had crystal radio receivers put

380

00:16:50,500 --> 00:16:47,120

around it so that it could pick up the

381

00:16:51,820 --> 00:16:50,510

thoughts of a psychic and be amplified

382

00:16:55,270 --> 00:16:51,830

out the gain hoard of the the

383

00:16:56,170 --> 00:16:55,280

transmitter tower out there Preston

384

00:16:57,970 --> 00:16:56,180

Nichols can give you a much better

385

00:16:59,530 --> 00:16:57,980

technical description of it than I can

386

00:17:01,660 --> 00:16:59,540

because he's expert in this stuff but

387

00:17:03,520 --> 00:17:01,670

basically it's like it's a it's an

388

00:17:05,860 --> 00:17:03,530

amplifier you know how if somebody's

389

00:17:08,110 --> 00:17:05,870

playing a guitar an electric guitar and

390

00:17:12,100 --> 00:17:08,120

they put an amplifier in an f-1 sound

391

00:17:14,140 --> 00:17:12,110

well the sound is is basically radio

392

00:17:15,610 --> 00:17:14,150

waves so you're doing the same thing

393

00:17:18,130 --> 00:17:15,620

with the mental waves and you're

394

00:17:20,410 --> 00:17:18,140

amplifying what's going out in the mind

395

00:17:22,660 --> 00:17:20,420

which includes emotions and includes

396

00:17:24,400 --> 00:17:22,670

modes other words a man the george used

397

00:17:25,840 --> 00:17:24,410

to give me the paper on martin canon who

398

00:17:27,880 --> 00:17:25,850

did a whole lot of research on being

399

00:17:31,210 --> 00:17:27,890

able to change the moods of people it

400

00:17:34,750 --> 00:17:31,220

was all sort of documented studies by

401

00:17:36,610 --> 00:17:34,760

martin canon and this stuff is kind of

402

00:17:39,130 --> 00:17:36,620

pedestrian nowadays at the time it was

403

00:17:42,240 --> 00:17:39,140

coming up in the 90's when when this was

404

00:17:46,900 --> 00:17:42,250

printed it was very controversial

405

00:17:49,540 --> 00:17:46,910

my control has been it's it's not

406

00:17:51,070 --> 00:17:49,550

featured too often on TV but it's

407

00:17:54,550 --> 00:17:51,080

mentioned now and then they've had shows

408

00:17:56,860 --> 00:17:54,560

on it and it's certainly a staple of

409

00:17:58,930 --> 00:17:56,870

conspiracy lore and in a staple of

410

00:18:02,080 --> 00:17:58,940

history there's even been what was it

411

00:18:03,730 --> 00:18:02,090

the CIA made a settlement with people at

412

00:18:06,700 --> 00:18:03,740

the Allen Memorial Institute in Montreal

413

00:18:08,650 --> 00:18:06,710

who had claims of mind-control being

414

00:18:11,740 --> 00:18:08,660

used against them by Duncan you and

415

00:18:13,060 --> 00:18:11,750

Cameron who was connected to Duncan

416

00:18:16,510 --> 00:18:13,070

Cameron of the film the Montauk Project

417

00:18:18,460 --> 00:18:16,520

but but this guy was was you know evil

418

00:18:20,200 --> 00:18:18,470

personified with what he did the CIA did

419

00:18:22,690 --> 00:18:20,210

not admit any wrongdoings in the payoffs

420

00:18:26,830 --> 00:18:22,700

it was all done in Canada where the CIA

421

00:18:28,780 --> 00:18:26,840

was not supposedly involved a P an alien

422

00:18:31,120 --> 00:18:28,790

so you get out of it by going to Canada

423

00:18:33,190 --> 00:18:31,130

and doing it but this stuff is

424

00:18:35,170 --> 00:18:33,200

pedestrian now the mind-control stuff

425

00:18:37,690 --> 00:18:35,180

that happened and surrounded the Montauk

426

00:18:41,470 --> 00:18:37,700

Project doesn't really have to be

427

00:18:43,860 --> 00:18:41,480

established as a we don't have to argue

428

00:18:47,650 --> 00:18:43,870

about the fact that mind control is a

429

00:18:49,270 --> 00:18:47,660

sub submarine subject sub subject of

430

00:18:52,810 --> 00:18:49,280

this now where it becomes very

431

00:18:55,150 --> 00:18:52,820

interesting is the components of time

432

00:18:58,120 --> 00:18:55,160

travel the technology of time

433

00:19:02,440 --> 00:18:58,130

yes and how mind control surrounds that

434

00:19:04,750 --> 00:19:02,450

because we live in a society where we

435

00:19:08,560 --> 00:19:04,760

are limited we are limited in the way we

436

00:19:12,160 --> 00:19:08,570

think the way we act we don't eat proper

437

00:19:13,750 --> 00:19:12,170

food there is not an adequate demand for

438

00:19:15,610 --> 00:19:13,760

proper food although there is a demand

439

00:19:17,680 --> 00:19:15,620

that's increasing but even that

440

00:19:19,180 --> 00:19:17,690

responses you know you go into New York

441

00:19:21,400 --> 00:19:19,190

City where I'll be in a couple of days

442

00:19:22,330 --> 00:19:21,410

and you see the they call it organic so

443

00:19:25,480 --> 00:19:22,340

they don't know what they're talking

444

00:19:27,310 --> 00:19:25,490

about in New York City some places might

445

00:19:29,590 --> 00:19:27,320

but by and large no people want to eat

446

00:19:31,750 --> 00:19:29,600

organic so though they'll have juices

447

00:19:34,780 --> 00:19:31,760

and they don't really understand in one

448

00:19:36,520 --> 00:19:34,790

island it's better but it's still

449

00:19:38,850 --> 00:19:36,530

there's a long way to go as far as

450

00:19:42,010 --> 00:19:38,860

teaching people how to eat properly uh

451
00:19:44,350 --> 00:19:42,020
so that their brains will think properly

452
00:19:45,970 --> 00:19:44,360
and they will function properly and this

453
00:19:50,830 --> 00:19:45,980
is a whole story that one can go into

454
00:19:56,020 --> 00:19:50,840
the holistic quality of a human being

455
00:19:59,860 --> 00:19:56,030
and there are a lot of lacks

456
00:20:02,680 --> 00:19:59,870
in the society we live in so true yes so

457
00:20:04,600 --> 00:20:02,690
we're so when when you talk about the

458
00:20:06,130 --> 00:20:04,610
subject of time well time is a

459
00:20:09,040 --> 00:20:06,140
perception and how do people perceive

460
00:20:11,830 --> 00:20:09,050
they perceive with their their brain and

461
00:20:15,340 --> 00:20:11,840
it's a filter and the brain is not even

462
00:20:17,710 --> 00:20:15,350
fully activated it's partially activated

463
00:20:20,230 --> 00:20:17,720

so this gets really down to more of the

464

00:20:23,790 --> 00:20:20,240

conspiracy is the human construct as

465

00:20:28,330 --> 00:20:23,800

opposed to shape-shifting reptilians

466

00:20:30,460 --> 00:20:28,340

Bilderbergers of international anchors

467

00:20:32,710 --> 00:20:30,470

and this sort of thing and they they

468

00:20:35,350 --> 00:20:32,720

don't help the problem but the real

469

00:20:37,840 --> 00:20:35,360

conspiracy and this is what I started

470

00:20:40,780 --> 00:20:37,850

off into as a young person was the

471

00:20:43,660 --> 00:20:40,790

conspiracy of your own circumstance of

472

00:20:46,330 --> 00:20:43,670

your own awareness this is the key focal

473

00:20:48,880 --> 00:20:46,340

point because conspiracy focuses too

474

00:20:50,350 --> 00:20:48,890

much on look what they're doing look at

475

00:20:52,060 --> 00:20:50,360

the power of the dollar bill and the eye

476
00:20:54,220 --> 00:20:52,070
in the Triangle in the dollar bill and

477
00:20:57,070 --> 00:20:54,230
this stuff that is really silly and has

478
00:20:58,420 --> 00:20:57,080
been over marketed on as the prison on

479
00:21:02,860 --> 00:20:58,430
the History Channel

480
00:21:05,410 --> 00:21:02,870
exactly and that whole concept of the

481
00:21:07,300 --> 00:21:05,420
eye in the Triangle that they show in

482
00:21:08,840 --> 00:21:07,310
the dollar bill that there's the symbol

483
00:21:10,640 --> 00:21:08,850
of the Illuminati

484
00:21:12,650 --> 00:21:10,650
that is the symbol of the illuminating

485
00:21:14,180 --> 00:21:12,660
illuminated being within yourself that

486
00:21:16,240 --> 00:21:14,190
you want that the mystery schools used

487
00:21:20,660 --> 00:21:16,250
to teach that gets convoluted and

488
00:21:21,920 --> 00:21:20,670

degraded over the centuries so that I am

489

00:21:25,040 --> 00:21:21,930

the triangle is what you want to wake up

490

00:21:29,390 --> 00:21:25,050

in yourself and as you do wake up you

491

00:21:31,220 --> 00:21:29,400

will see the conspiracy that's going

492

00:21:34,010 --> 00:21:31,230

around you just in terms of the way

493

00:21:36,380 --> 00:21:34,020

people eat conduct themselves in

494

00:21:38,870 --> 00:21:36,390

business and this sort of thing so this

495

00:21:40,700 --> 00:21:38,880

is what you know rather than focusing on

496

00:21:42,980 --> 00:21:40,710

all these nefarious acts that these

497

00:21:44,630 --> 00:21:42,990

people do and how they make this Batman

498

00:21:46,430 --> 00:21:44,640

shooting and what's that thing the Sandy

499

00:21:49,220 --> 00:21:46,440

Hook shooting and how it's all tied

500

00:21:51,110 --> 00:21:49,230

together and people are studying how

501
00:21:52,550 --> 00:21:51,120
it's all tied together yes it's all tied

502
00:21:55,100 --> 00:21:52,560
together and when you're studying how

503
00:21:56,570 --> 00:21:55,110
it's all tied together you're kind of

504
00:21:58,160 --> 00:21:56,580
missing what's going on inside of you

505
00:22:00,950 --> 00:21:58,170
you're still kind of within the

506
00:22:04,580 --> 00:22:00,960
framework your nature yeah yeah you're

507
00:22:06,290 --> 00:22:04,590
in the squirrel cage and yes it's all

508
00:22:08,600 --> 00:22:06,300
connected it was always connected you're

509
00:22:11,210 --> 00:22:08,610
just becoming aware of it it's better to

510
00:22:15,910 --> 00:22:11,220
become aware of what's going on with you

511
00:22:19,340 --> 00:22:15,920
and you could be improving yourself as

512
00:22:21,500 --> 00:22:19,350
opposed to unveiling this conspiracy

513
00:22:23,810 --> 00:22:21,510

which has been I said when they start

514

00:22:26,690 --> 00:22:23,820

unveiling it on the History Channel or

515

00:22:29,750 --> 00:22:26,700

the Jesse Ventura show or whatever this

516

00:22:31,040 --> 00:22:29,760

is like the shoemaker or the what is it

517

00:22:32,780 --> 00:22:31,050

the shoeshine boy telling you to buy

518

00:22:34,580 --> 00:22:32,790

stocks it's time to get head stock

519

00:22:38,480 --> 00:22:34,590

market it's time to get out of

520

00:22:44,720 --> 00:22:38,490

conspiracy because it's really we've got

521

00:22:46,850 --> 00:22:44,730

everybody doing it and you know I mean

522

00:22:50,780 --> 00:22:46,860

sure getting saturated a lot of a lot of

523

00:22:53,330 --> 00:22:50,790

areas are getting Sacher is a you know

524

00:22:55,610 --> 00:22:53,340

it helps me sell my books okay that's

525

00:22:58,580 --> 00:22:55,620

how I'm living but on the other hand

526

00:23:02,210 --> 00:22:58,590

it's it's also important to you know

527

00:23:03,980 --> 00:23:02,220

speak the truth and say what is what

528

00:23:05,630 --> 00:23:03,990

about what and this is sort of the

529

00:23:08,120 --> 00:23:05,640

situation and there's a lot of people

530

00:23:10,550 --> 00:23:08,130

that you know need to be more aware of

531

00:23:14,650 --> 00:23:10,560

what goes on that still believe in the

532

00:23:17,330 --> 00:23:14,660

goodness of you know what our government

533

00:23:19,820 --> 00:23:17,340

supposedly stands for as opposed to what

534

00:23:22,070 --> 00:23:19,830

it really stands for so there's a lot of

535

00:23:22,549 --> 00:23:22,080

you know people are waking up on

536

00:23:25,610 --> 00:23:22,559

different

537

00:23:28,610 --> 00:23:25,620

levels so this is you know the current

538

00:23:30,830 --> 00:23:28,620

level in my estimation is to you know

539

00:23:33,499 --> 00:23:30,840

shed the conspiracy shackles and start

540

00:23:35,330 --> 00:23:33,509

working on yourself that's you know I've

541

00:23:37,669 --> 00:23:35,340

had a lot of guests recently that I've

542

00:23:39,350 --> 00:23:37,679

kind of put that out there and we try to

543

00:23:41,389 --> 00:23:39,360

cover a lot more of the positive side

544

00:23:42,860 --> 00:23:41,399

then a lot of other shows I know Alex

545

00:23:45,710 --> 00:23:42,870

Jones one of the most popular shows out

546

00:23:47,450 --> 00:23:45,720

there it's always just uh it's just

547

00:23:49,159 --> 00:23:47,460

identifying little pieces within the

548

00:23:50,779 --> 00:23:49,169

framework and it doesn't really ever get

549

00:23:52,970 --> 00:23:50,789

you out of it there's not very much

550

00:23:55,340 --> 00:23:52,980

enlightening talk there so yeah I agree

551

00:23:57,590 --> 00:23:55,350

with you it is important to identify it

552

00:23:59,749 --> 00:23:57,600

and know what happened but also you know

553

00:24:01,070 --> 00:23:59,759

you got a you got to realize you know

554

00:24:02,239 --> 00:24:01,080

you're not going to fight this battle in

555

00:24:03,739 --> 00:24:02,249

the three-dimensional world it's a

556

00:24:06,379 --> 00:24:03,749

mental thing and if you can free your

557

00:24:08,600 --> 00:24:06,389

mind that's about as good as you can do

558

00:24:10,399 --> 00:24:08,610

I can't speak for Alex Jones I've

559

00:24:11,930 --> 00:24:10,409

certainly heard of him I've seen a few

560

00:24:14,799 --> 00:24:11,940

youtubes I've never listened to his show

561

00:24:18,169 --> 00:24:14,809

but then I've never listened to the

562

00:24:20,539 --> 00:24:18,179

heart bail show maybe I heard the David

563

00:24:21,980 --> 00:24:20,549

Andersen broadcast I looked those on

564

00:24:25,220 --> 00:24:21,990

youtube but I've never listened to any

565

00:24:26,810 --> 00:24:25,230

of these shows George Noory a no no

566

00:24:29,299 --> 00:24:26,820

never listen to them because they're not

567

00:24:32,629 --> 00:24:29,309

a valid source of information for what I

568

00:24:33,950 --> 00:24:32,639

would be interested in but uh well let's

569

00:24:36,379 --> 00:24:33,960

talk about that what are you interested

570

00:24:37,669 --> 00:24:36,389

in what message would you put out that

571

00:24:41,269 --> 00:24:37,679

you don't think people are hearing is

572

00:24:43,009 --> 00:24:41,279

something about about the is it's not

573

00:24:45,350 --> 00:24:43,019

even about Alex Jones if somebody did a

574

00:24:48,379 --> 00:24:45,360

whole diatribe on where his funding

575

00:24:51,169 --> 00:24:48,389

comes from right but not in relation to

576

00:24:53,149 --> 00:24:51,179

Alex Jones but it's the somebody also

577

00:24:56,090 --> 00:24:53,159

did a study of the ratings of these big

578

00:24:59,779 --> 00:24:56,100

conservative talk show hosts alike Sean

579

00:25:01,549 --> 00:24:59,789

Hannity and Rush Limbaugh and and some

580

00:25:05,029 --> 00:25:01,559

others I think it was that guy that

581

00:25:07,609 --> 00:25:05,039

Mormon guy he was really noisy on TV

582

00:25:10,009 --> 00:25:07,619

with short guy with a blond hair huh I

583

00:25:12,019 --> 00:25:10,019

think Glenn back yeah yeah gone back and

584

00:25:13,700 --> 00:25:12,029

somebody did a study and said that their

585

00:25:15,139 --> 00:25:13,710

ratings were completely bogus and false

586

00:25:17,779 --> 00:25:15,149

in other words your ankles not listening

587

00:25:19,190 --> 00:25:17,789

to their shows and that clip with it

588

00:25:20,570 --> 00:25:19,200

whatever the company I forget the name

589

00:25:23,090 --> 00:25:20,580

which was the biggest Broadcasting

590

00:25:26,930 --> 00:25:23,100

Company was paying them a huge salaries

591

00:25:29,149 --> 00:25:26,940

but it was all false ratings because

592

00:25:31,159 --> 00:25:29,159

they're thinking without a broadcast out

593

00:25:32,600 --> 00:25:31,169

there and people think that this is what

594

00:25:34,639 --> 00:25:32,610

people are thinking or thinking that

595

00:25:35,840 --> 00:25:34,649

they're agreeing now sure that does

596

00:25:37,790 --> 00:25:35,850

there are some people

597

00:25:41,690 --> 00:25:37,800

with it and buying into it but it's all

598

00:25:43,670 --> 00:25:41,700

sort of a scam in itself because the

599

00:25:46,510 --> 00:25:43,680

ratings aren't there but they disguise

600

00:25:49,070 --> 00:25:46,520

huge money so they can play the part but

601
00:25:50,660 --> 00:25:49,080
it's it's actually a controlling of the

602
00:25:53,870 --> 00:25:50,670
airwaves because nobody really wants to

603
00:25:57,140 --> 00:25:53,880
hear this bogus conservatism which isn't

604
00:25:59,630 --> 00:25:57,150
really conservative at all and so this

605
00:26:05,990 --> 00:25:59,640
is like what goes on in media and does

606
00:26:09,470 --> 00:26:06,000
it go on in the alternative media yes

607
00:26:12,970 --> 00:26:09,480
it's even probably more sinister there

608
00:26:16,940 --> 00:26:12,980
because people are being more fooled and

609
00:26:19,640 --> 00:26:16,950
most of your top line speakers have

610
00:26:24,110 --> 00:26:19,650
affiliations with secret societies yes

611
00:26:26,630 --> 00:26:24,120
that's true and it's it's like uh they

612
00:26:28,700 --> 00:26:26,640
just don't understand so I you're saying

613
00:26:31,850 --> 00:26:28,710

what am i interested in it's generally

614

00:26:35,840 --> 00:26:31,860

not what other people are interested in

615

00:26:37,700 --> 00:26:35,850

I was interested in time at a time when

616

00:26:40,400 --> 00:26:37,710

physicists weren't interested in time

617

00:26:44,030 --> 00:26:40,410

they were interested in holding their

618

00:26:48,140 --> 00:26:44,040

status quo with a few few tiny

619

00:26:50,570 --> 00:26:48,150

exceptions uh so now all the physicists

620

00:26:53,120 --> 00:26:50,580

are getting interested in time and it's

621

00:26:55,100 --> 00:26:53,130

become vogue to talk about the

622

00:27:00,110 --> 00:26:55,110

possibility of time travel although most

623

00:27:02,600 --> 00:27:00,120

of them are really in the dark ages not

624

00:27:04,100 --> 00:27:02,610

all of them but most of them so that

625

00:27:07,490 --> 00:27:04,110

this is like what am i interested in

626

00:27:09,620 --> 00:27:07,500

what human beings are interested in I

627

00:27:13,880 --> 00:27:09,630

mean you look at what's they watch on TV

628

00:27:15,890 --> 00:27:13,890

and whatnot uh you know it's it's kind

629

00:27:19,090 --> 00:27:15,900

of like peeling back the veil right now

630

00:27:21,710 --> 00:27:19,100

right my aim interest is in the Romanian

631

00:27:24,620 --> 00:27:21,720

adventure that I'm in involved in

632

00:27:27,160 --> 00:27:24,630

as wellas as well as Qi Gong a Taoist

633

00:27:30,560 --> 00:27:27,170

Qigong which I practice every day um

634

00:27:32,050 --> 00:27:30,570

which is all about energy well you

635

00:27:35,510 --> 00:27:32,060

started off kind of by mentioning that

636

00:27:37,100 --> 00:27:35,520

biorhythm that took place right around

637

00:27:38,870 --> 00:27:37,110

the time of the Philadelphia Experiment

638

00:27:40,760 --> 00:27:38,880

I wondered if maybe that had anything to

639

00:27:43,100 --> 00:27:40,770

do with creating a different effect when

640

00:27:45,080 --> 00:27:43,110

they're manipulating magnetic fields I

641

00:27:47,570 --> 00:27:45,090

mean you hear about ley lines you hear

642

00:27:49,280 --> 00:27:47,580

about certain energy nodes on the planet

643

00:27:51,500 --> 00:27:49,290

energy is the one area

644

00:27:54,110 --> 00:27:51,510

that I just it starts to get a little

645

00:27:56,300 --> 00:27:54,120

new agey I haven't felt any real effects

646

00:27:58,490 --> 00:27:56,310

of energy in my life have gone to Reiki

647

00:28:00,620 --> 00:27:58,500

before and had no tree little no effect

648

00:28:03,200 --> 00:28:00,630

I'm interested in it how could someone

649

00:28:06,170 --> 00:28:03,210

who is a bit of a skeptic actually feel

650

00:28:08,450 --> 00:28:06,180

a noticeable energy change is there a

651
00:28:11,570 --> 00:28:08,460
way just to verify I can tell you right

652
00:28:15,370 --> 00:28:11,580
now nice I can tell you uh if you were

653
00:28:18,710 --> 00:28:15,380
to take your hand and you were to press

654
00:28:21,020 --> 00:28:18,720
at the bottom of each finger you know

655
00:28:24,350 --> 00:28:21,030
where the finger meets the part of the

656
00:28:27,890 --> 00:28:24,360
hand you press each one of those bottom

657
00:28:29,540 --> 00:28:27,900
points of a finger and on each hand you

658
00:28:33,020 --> 00:28:29,550
press them and you rub them around for a

659
00:28:36,950 --> 00:28:33,030
bit and then you rub the centre the

660
00:28:38,210 --> 00:28:36,960
centre of the palm and then if you've

661
00:28:39,710 --> 00:28:38,220
done that tell me when you've done that

662
00:28:42,740 --> 00:28:39,720
on both hand I'm doing it

663
00:28:44,390 --> 00:28:42,750

okay now you take your fingernails and

664

00:28:46,760 --> 00:28:44,400

you rub the fingernails together like

665

00:28:48,380 --> 00:28:46,770

you were like they were sandpaper

666

00:28:51,110 --> 00:28:48,390

you know like you were rubbing sandpaper

667

00:28:52,340 --> 00:28:51,120

against you're like sitting your nails

668

00:28:54,650 --> 00:28:52,350

each one you're rubbing all your

669

00:28:56,030 --> 00:28:54,660

fingernails together and the thumbs you

670

00:28:57,710 --> 00:28:56,040

understand what I'm saying yeah yeah I'm

671

00:29:00,230 --> 00:28:57,720

doing it and the audience can do this

672

00:29:02,240 --> 00:29:00,240

and you do this for a while now when you

673

00:29:03,800 --> 00:29:02,250

do this and you keep doing it I'm going

674

00:29:06,050 --> 00:29:03,810

to have you open up your hands and

675

00:29:08,120 --> 00:29:06,060

you're going to feel an imaginary ball

676

00:29:10,610 --> 00:29:08,130

which will be about the size of a Nerf

677

00:29:11,720 --> 00:29:10,620

ball if you just open it up now open up

678

00:29:15,050 --> 00:29:11,730

the hand you feel the energy between

679

00:29:17,510 --> 00:29:15,060

your hands I dude I definitely do feel

680

00:29:19,310 --> 00:29:17,520

like a little tingle there yeah yeah

681

00:29:22,820 --> 00:29:19,320

you'll feel an energy that's achieve all

682

00:29:27,050 --> 00:29:22,830

she is lifeforce energy now you can take

683

00:29:28,370 --> 00:29:27,060

this and that you just feel that energy

684

00:29:32,390 --> 00:29:28,380

you can send that to any part of your

685

00:29:34,700 --> 00:29:32,400

body I once did this for an audience in

686

00:29:38,030 --> 00:29:34,710

Germany and and the woman had a hip

687

00:29:41,660 --> 00:29:38,040

plane or you know for what he call it up

688

00:29:43,490 --> 00:29:41,670

a cute hip pain and she did this

689

00:29:45,170 --> 00:29:43,500

exercise I said senator body and she was

690

00:29:47,150 --> 00:29:45,180

so happy she was healed she came up and

691

00:29:49,100 --> 00:29:47,160

gave me all these massage tools that she

692

00:29:51,440 --> 00:29:49,110

is in her percept profession he's you

693

00:29:54,320 --> 00:29:51,450

know about \$60 worth of massage tools as

694

00:29:55,700 --> 00:29:54,330

a gift for me because she was so you

695

00:29:59,030 --> 00:29:55,710

know I said wow this handled a long

696

00:30:01,760 --> 00:29:59,040

duration affliction that she had now

697

00:30:03,530 --> 00:30:01,770

where I could show you more proof and I

698

00:30:04,940 --> 00:30:03,540

I wouldn't brag about my own abilities

699

00:30:06,620 --> 00:30:04,950

because simply because I haven't tried

700

00:30:09,160 --> 00:30:06,630

it but there is something called a

701
00:30:13,550 --> 00:30:09,170
kangen water system that can cost up to

702
00:30:16,250 --> 00:30:13,560
\$10,000 that is increases the pH of the

703
00:30:18,050 --> 00:30:16,260
water and of course pH is very good for

704
00:30:20,390 --> 00:30:18,060
what to have high pH in your water

705
00:30:22,310 --> 00:30:20,400
because it will alkalize your body and

706
00:30:24,740 --> 00:30:22,320
disease has only happen when your bucks

707
00:30:26,480 --> 00:30:24,750
I've heard that it is a cancer cure that

708
00:30:28,940 --> 00:30:26,490
revolves around that oh yeah yeah

709
00:30:32,720 --> 00:30:28,950
totally so anyway there was a big

710
00:30:34,370 --> 00:30:32,730
martial arts you know seminar going down

711
00:30:36,560 --> 00:30:34,380
in North Carolina and my teacher was

712
00:30:39,500 --> 00:30:36,570
down there and this guy who is leading

713
00:30:42,260 --> 00:30:39,510

the seminar had a hang and water system

714

00:30:45,050 --> 00:30:42,270

and was showing how the pH get out my

715

00:30:47,210 --> 00:30:45,060

teacher went over there using this type

716

00:30:48,920 --> 00:30:47,220

of energy which that's there's much more

717

00:30:50,630 --> 00:30:48,930

that's just like an initial introduction

718

00:30:52,190 --> 00:30:50,640

to achieve all but he goes over there

719

00:30:55,280 --> 00:30:52,200

puts his hands are out the water and it

720

00:30:58,550 --> 00:30:55,290

had a higher ph then the the mckay and

721

00:31:02,750 --> 00:30:58,560

water system that's physical chi energy

722

00:31:04,280 --> 00:31:02,760

from from a chi gong grandmaster yeah

723

00:31:06,410 --> 00:31:04,290

I've seen some monks do some crazy

724

00:31:08,750 --> 00:31:06,420

things Bruce Lee was all about the Chi

725

00:31:10,790 --> 00:31:08,760

energy and he had powers that seemed to

726

00:31:12,530 --> 00:31:10,800

transcend you know what's normal his

727

00:31:14,510 --> 00:31:12,540

strength seemed to be ridiculously

728

00:31:17,180 --> 00:31:14,520

powerful and I've seen plenty of

729

00:31:19,550 --> 00:31:17,190

examples of it it's it just seems like

730

00:31:23,060 --> 00:31:19,560

it takes so much time and years and

731

00:31:24,440 --> 00:31:23,070

years of dedication to it let me let me

732

00:31:29,150 --> 00:31:24,450

put it this way I've been studying it

733

00:31:30,620 --> 00:31:29,160

for six years and according to what my

734

00:31:31,850 --> 00:31:30,630

teacher told me see because a lot of

735

00:31:33,290 --> 00:31:31,860

guys if you listen to Chuck Norris

736

00:31:34,340 --> 00:31:33,300

talking about the death of Bruce Lee he

737

00:31:37,220 --> 00:31:34,350

doesn't know what he's talking about

738

00:31:39,980 --> 00:31:37,230

because he's not really he'll talk about

739

00:31:42,320 --> 00:31:39,990

the medical reasons Bruce died uh and

740

00:31:43,700 --> 00:31:42,330

he's not really gemmed in on this sort

741

00:31:46,760 --> 00:31:43,710

of martial arts he's in this sort of

742

00:31:50,630 --> 00:31:46,770

kick-ass karate yeah let's learn in

743

00:31:52,430 --> 00:31:50,640

Korea and ah there's a lot of mystery

744

00:31:53,720 --> 00:31:52,440

surrounding Bruce Lee yes a lot against

745

00:31:58,700 --> 00:31:53,730

I'm just telling you what my teacher

746

00:32:01,640 --> 00:31:58,710

told me sure basically Bruce Lee was he

747

00:32:04,310 --> 00:32:01,650

was a great great athlete great martial

748

00:32:05,870 --> 00:32:04,320

artist but he was at odds with the

749

00:32:09,530 --> 00:32:05,880

Chinese they didn't want him to teach

750

00:32:13,550 --> 00:32:09,540

this at Morton or this story but he was

751

00:32:15,380 --> 00:32:13,560

also very cocky and disrespectful at

752

00:32:18,919 --> 00:32:15,390

times you know he pre

753

00:32:19,310 --> 00:32:18,929

tada yes he was it was very close to his

754

00:32:24,860 --> 00:32:19,320

heart

755

00:32:26,840 --> 00:32:24,870

and he was disrespectful and from the

756

00:32:30,320 --> 00:32:26,850

story I heard which is like insight

757

00:32:33,200 --> 00:32:30,330

martial arts he disrespected one of

758

00:32:36,200 --> 00:32:33,210

these masters you know and what I say

759

00:32:37,780 --> 00:32:36,210

disrespected him probably tweaked him

760

00:32:42,560 --> 00:32:37,790

physically I don't know what happened

761

00:32:46,700 --> 00:32:42,570

but one of his students was was was not

762

00:32:49,280 --> 00:32:46,710

very happy and hit Bruce Lee and the

763

00:32:54,799 --> 00:32:49,290

back of the head and actually hit him

764

00:32:56,630 --> 00:32:54,809

now this hit was not something that you

765

00:33:00,650 --> 00:32:56,640

know paralyzed Bruce Lee it was a chi

766

00:33:03,950 --> 00:33:00,660

blow she can be used to kill it can be

767

00:33:06,530 --> 00:33:03,960

used it's all about intent and this this

768

00:33:09,820 --> 00:33:06,540

was like was a reaction I don't know

769

00:33:13,159 --> 00:33:09,830

exactly what happened but that Chi

770

00:33:15,830 --> 00:33:13,169

knocking into Bruce Lee's head is what

771

00:33:18,860 --> 00:33:15,840

precipitated the whole medical situation

772

00:33:23,330 --> 00:33:18,870

in other words he was he was dead from

773

00:33:26,150 --> 00:33:23,340

Chi is you don't die like that if your

774

00:33:27,409 --> 00:33:26,160

if your Chi is working you know it's

775

00:33:29,150 --> 00:33:27,419

even with the synchronicity of the

776

00:33:31,430 --> 00:33:29,160

moment he got he bit off more than he

777

00:33:33,950 --> 00:33:31,440

could chew she's also got a curse

778

00:33:36,740 --> 00:33:33,960

against him his family supposedly but

779

00:33:38,960 --> 00:33:36,750

this Chi blow he was told what to do and

780

00:33:41,360 --> 00:33:38,970

to come back and get it heal and he did

781

00:33:44,419 --> 00:33:41,370

not come he did not pay attention he did

782

00:33:47,270 --> 00:33:44,429

not you know so as great as he was as

783

00:33:49,909 --> 00:33:47,280

brilliant as he was we all have our weak

784

00:33:51,530 --> 00:33:49,919

point you miss prideful yeah prideful

785

00:33:53,960 --> 00:33:51,540

and that's and you know he was good he

786

00:33:55,640 --> 00:33:53,970

would he would not teach pride but I

787

00:34:00,260 --> 00:33:55,650

mean the guy was good when you're that

788

00:34:02,480 --> 00:34:00,270

good uh you know it's it's you know it's

789

00:34:04,220 --> 00:34:02,490

it's not hard it's especially if you're

790

00:34:06,230 --> 00:34:04,230

a showman and an actor yeah you're among

791

00:34:08,270 --> 00:34:06,240

the masses who I know though you're

792

00:34:11,659 --> 00:34:08,280

showing he basically showing off that's

793

00:34:13,609 --> 00:34:11,669

a true and and he was a great inner from

794

00:34:14,869 --> 00:34:13,619

you know he was basically a great human

795

00:34:17,240 --> 00:34:14,879

being from everything I've heard about

796

00:34:21,139 --> 00:34:17,250

him but as they say when you get into

797

00:34:23,570 --> 00:34:21,149

some of these lofty or areas of what

798

00:34:26,480 --> 00:34:23,580

you're doing uh you know that's the

799

00:34:28,490 --> 00:34:26,490

story I know I wasn't there but when I

800

00:34:29,960 --> 00:34:28,500

do see his wife talking about

801
00:34:33,050 --> 00:34:29,970
or this or that or the other thing

802
00:34:35,149 --> 00:34:33,060
there's some blank spots there that the

803
00:34:37,629 --> 00:34:35,159
certain things they don't understand

804
00:34:40,850 --> 00:34:37,639
because they don't even talk in terms of

805
00:34:44,090 --> 00:34:40,860
Chi energy or really understanding what

806
00:34:47,899 --> 00:34:44,100
it is it's very powerful and of course

807
00:34:50,780 --> 00:34:47,909
in in the hands of the master is its its

808
00:34:52,820 --> 00:34:50,790
life-giving it's and that's really the

809
00:34:56,270 --> 00:34:52,830
point of it is to teach people like but

810
00:34:59,630 --> 00:34:56,280
it's so outside of the box of the way

811
00:35:02,270 --> 00:34:59,640
people think then some

812
00:35:03,950 --> 00:35:02,280
I saw a jujitsu master last night kind

813
00:35:06,170 --> 00:35:03,960

of really having some ontological shock

814

00:35:09,500 --> 00:35:06,180

about being shown certain things that

815

00:35:10,850 --> 00:35:09,510

just seem so stupid to him but not that

816

00:35:12,380 --> 00:35:10,860

he was saying they were stupid but it's

817

00:35:14,570 --> 00:35:12,390

like you know they're you know he knows

818

00:35:16,940 --> 00:35:14,580

these moves that are like conventional

819

00:35:20,210 --> 00:35:16,950

karate type moves and they just aren't

820

00:35:22,910 --> 00:35:20,220

going to work against certain principles

821

00:35:24,770 --> 00:35:22,920

of nature so it's like and there was

822

00:35:26,270 --> 00:35:24,780

even a story that's true of one guy

823

00:35:27,680 --> 00:35:26,280

getting thrown by a woman in our class

824

00:35:29,990 --> 00:35:27,690

and he checked into Bellevue he had

825

00:35:31,340 --> 00:35:30,000

ontological shock he thought he went in

826

00:35:33,800 --> 00:35:31,350

the rubber room he couldn't deal with it

827

00:35:35,960 --> 00:35:33,810

because some woman could outmaneuver him

828

00:35:39,320 --> 00:35:35,970

and he was like a nth degree black belt

829

00:35:40,550 --> 00:35:39,330

in whatever am so that this is like it's

830

00:35:42,770 --> 00:35:40,560

you know it's its energy and its people

831

00:35:45,140 --> 00:35:42,780

have fixed ideas so if you have people

832

00:35:49,130 --> 00:35:45,150

that are like well schooled in whether

833

00:35:51,440 --> 00:35:49,140

it's you know karate or or something

834

00:35:55,400 --> 00:35:51,450

more mundane like university education

835

00:35:58,100 --> 00:35:55,410

they're very and trained to think in a

836

00:36:00,800 --> 00:35:58,110

certain way you know all Chinese martial

837

00:36:01,910 --> 00:36:00,810

arts is trained in the wrong I'm telling

838

00:36:04,370 --> 00:36:01,920

you it's trained in the wrong way

839

00:36:06,140 --> 00:36:04,380

because I was taught by somebody who

840

00:36:07,700 --> 00:36:06,150

teaches it the right way and he can

841

00:36:10,220 --> 00:36:07,710

demonstrate why they do it the wrong way

842

00:36:12,410 --> 00:36:10,230

I also sometimes wonder about just the

843

00:36:14,090 --> 00:36:12,420

placebo effect in general and that if

844

00:36:15,710 --> 00:36:14,100

people have doubts if they've been

845

00:36:17,240 --> 00:36:15,720

taught that there's nothing to energy

846

00:36:18,920 --> 00:36:17,250

they aren't going to feel those effects

847

00:36:20,930 --> 00:36:18,930

because their mind is telling them

848

00:36:22,400 --> 00:36:20,940

there's nothing there kind of like same

849

00:36:24,890 --> 00:36:22,410

goes with crystals you know some people

850

00:36:28,310 --> 00:36:24,900

put a lot of faith in crystals and their

851
00:36:30,020 --> 00:36:28,320
properties and maybe it's maybe they're

852
00:36:31,910 --> 00:36:30,030
manifesting that because they have such

853
00:36:33,620 --> 00:36:31,920
faith in it sometimes I wonder about

854
00:36:35,840 --> 00:36:33,630
with crystals what you have to

855
00:36:36,910 --> 00:36:35,850
understand with crystals is that's how

856
00:36:39,860 --> 00:36:36,920
radios work

857
00:36:41,850 --> 00:36:39,870
rainbows true souls so it's kind of like

858
00:36:43,710 --> 00:36:41,860
they are a

859
00:36:46,260 --> 00:36:43,720
what you need a crystal to make a radio

860
00:36:49,470 --> 00:36:46,270
receipt so if you put it into the

861
00:36:53,130 --> 00:36:49,480
scientific reference frame then you have

862
00:36:54,570 --> 00:36:53,140
now I had a friend I don't know what

863
00:36:57,090 --> 00:36:54,580

happened to a Mark Roberts he's

864

00:36:58,830 --> 00:36:57,100

mentioned in my book a Montauk book the

865

00:37:01,040 --> 00:36:58,840

living he was a dowser a very

866

00:37:04,290 --> 00:37:01,050

interesting man but he he was doing a

867

00:37:07,710 --> 00:37:04,300

workshop here in New York and he took

868

00:37:09,900 --> 00:37:07,720

these two crystals that were flat

869

00:37:13,440 --> 00:37:09,910

they had flat I think they've been you

870

00:37:16,200 --> 00:37:13,450

know shaved the word I can't even

871

00:37:19,140 --> 00:37:16,210

remember cut what's the word sawed and

872

00:37:22,470 --> 00:37:19,150

they were flat bottoms and he rubbed

873

00:37:25,230 --> 00:37:22,480

them together in a dark room and we some

874

00:37:27,450 --> 00:37:25,240

light up wow that's awesome there's a

875

00:37:28,770 --> 00:37:27,460

piezo electric effect but he says I want

876

00:37:31,170 --> 00:37:28,780

you to see that this energy with

877

00:37:32,160 --> 00:37:31,180

crystals is not not the s he says he so

878

00:37:34,230 --> 00:37:32,170

he showed it and he wanted to

879

00:37:37,110 --> 00:37:34,240

demonstrate it and it would light up

880

00:37:38,310 --> 00:37:37,120

they were quartz crystals those are

881

00:37:40,350 --> 00:37:38,320

definitely interesting but people

882

00:37:43,710 --> 00:37:40,360

attribute some wild properties to them

883

00:37:45,300 --> 00:37:43,720

and I'm not so sure how far it goes you

884

00:37:47,550 --> 00:37:45,310

know the spectrum is very wide with

885

00:37:51,180 --> 00:37:47,560

crystals yeah it is well in terms of the

886

00:37:53,430 --> 00:37:51,190

clams yes it's it's uh but you know

887

00:37:55,050 --> 00:37:53,440

people that are freaking of you know

888

00:37:56,970 --> 00:37:55,060

sensitives they have different brain

889

00:37:58,530 --> 00:37:56,980

entrainment I don't mean that they're

890

00:38:01,740 --> 00:37:58,540

exaggerating but they they're sensitive

891

00:38:04,440 --> 00:38:01,750

so there is applications to them but

892

00:38:07,260 --> 00:38:04,450

that's a whole nother subject yeah but

893

00:38:09,540 --> 00:38:07,270

anyway well I do want to jump over to

894

00:38:11,880 --> 00:38:09,550

your other claim to fame man the the

895

00:38:13,830 --> 00:38:11,890

other great chunk of conspiracy goodness

896

00:38:15,480 --> 00:38:13,840

I mean that's the stuff that's going on

897

00:38:17,790 --> 00:38:15,490

in Romania you know the story of the

898

00:38:20,610 --> 00:38:17,800

Hall of Records as I understand it

899

00:38:22,440 --> 00:38:20,620

because of your work in describing the

900

00:38:24,210 --> 00:38:22,450

Montauk Project and time travel you were

901
00:38:25,890 --> 00:38:24,220
approached by this David Andersen guy

902
00:38:28,860 --> 00:38:25,900
who was impressed enough to bring you to

903
00:38:30,510 --> 00:38:28,870
Romania where you met this ratty cinema

904
00:38:32,220 --> 00:38:30,520
guy and he told you about the secret

905
00:38:34,590 --> 00:38:32,230
chamber are those kind of the cliff

906
00:38:37,170 --> 00:38:34,600
notes you want to tell people well it's

907
00:38:38,700 --> 00:38:37,180
it's it's not exactly accurate because

908
00:38:40,620 --> 00:38:38,710
well David is a very interesting

909
00:38:44,670 --> 00:38:40,630
character who I've known for some 14

910
00:38:46,560 --> 00:38:44,680
years now and he uh is a time control

911
00:38:48,180 --> 00:38:46,570
scientist who was very impressed with

912
00:38:50,130 --> 00:38:48,190
the Montauk Project in fact he made a

913
00:38:52,290 --> 00:38:50,140

point of it and when he read my last

914

00:38:54,630 --> 00:38:52,300

newsletter I do have a newsletter the

915

00:38:56,180 --> 00:38:54,640

Montauk pulse which is published once

916

00:38:59,150 --> 00:38:56,190

every Corps

917

00:39:01,160 --> 00:38:59,160

you can get it from sky books at sky

918

00:39:02,660 --> 00:39:01,170

books usa.com you can sign up for the

919

00:39:05,059 --> 00:39:02,670

newsletter its quarterly it's about

920

00:39:07,400 --> 00:39:05,069

twenty dollars a year there's four

921

00:39:09,710 --> 00:39:07,410

issues and I do updates on this stuff

922

00:39:11,539 --> 00:39:09,720

the next one will be on my adventures to

923

00:39:13,509 --> 00:39:11,549

Romania which will probably be touching

924

00:39:16,190 --> 00:39:13,519

on here in a few minutes but David uh

925

00:39:19,579 --> 00:39:16,200

there's a time control scientist and he

926
00:39:20,900 --> 00:39:19,589
even an incredible lecture on Costa Co

927
00:39:23,749 --> 00:39:20,910
not lecture a discussion on

928
00:39:25,819 --> 00:39:23,759
coast-to-coast about the capabilities of

929
00:39:27,950 --> 00:39:25,829
what he's up to now of course I've kind

930
00:39:30,650 --> 00:39:27,960
of followed him with this for 14 years

931
00:39:32,779 --> 00:39:30,660
and he can slow things down in time

932
00:39:34,970 --> 00:39:32,789
speed them up in time I saw a video at

933
00:39:37,279 --> 00:39:34,980
this at Montauk with about 20 other

934
00:39:39,710 --> 00:39:37,289
people we witnessed a video of this he's

935
00:39:41,509 --> 00:39:39,720
not been able to Lee yeah he's not been

936
00:39:44,539 --> 00:39:41,519
able to release that or a similar video

937
00:39:47,990 --> 00:39:44,549
due to uh what he calls bureaucratic

938
00:39:50,089 --> 00:39:48,000

issues red tape he called it man he's

939

00:39:51,380 --> 00:39:50,099

hoping to do like I thought he would

940

00:39:57,680 --> 00:39:51,390

have done it by now from what he said

941

00:40:00,589 --> 00:39:57,690

but release courses in time uh online

942

00:40:02,120 --> 00:40:00,599

courses on time studying time I don't

943

00:40:04,999 --> 00:40:02,130

have any idea what these courses are

944

00:40:07,370 --> 00:40:05,009

going to be but he was supposed to be

945

00:40:08,900 --> 00:40:07,380

doing courses online courses for people

946

00:40:10,910 --> 00:40:08,910

interested in time on I guess it would

947

00:40:15,140 --> 00:40:10,920

be on his website with the Anderson

948

00:40:20,990 --> 00:40:15,150

Institute but he was interested in time

949

00:40:24,289 --> 00:40:21,000

he was helping to fund a camp called

950

00:40:28,609 --> 00:40:24,299

Atlantic Ron in Romania that would meet

951
00:40:31,099 --> 00:40:28,619
every summer and it was artists writers

952
00:40:32,779 --> 00:40:31,109
and scientists who wouldn't meet their

953
00:40:34,309 --> 00:40:32,789
minds and some really incredible things

954
00:40:37,789 --> 00:40:34,319
come out of there but it's basically a

955
00:40:38,269 --> 00:40:37,799
camp for youth Romanian youth sixteen to

956
00:40:40,009 --> 00:40:38,279
thirty

957
00:40:42,859 --> 00:40:40,019
they have science fiction discussions

958
00:40:45,769 --> 00:40:42,869
there they have art workshops they have

959
00:40:48,559 --> 00:40:45,779
scientific discussions there's a man who

960
00:40:52,069 --> 00:40:48,569
brought neurology to Romania the science

961
00:40:55,849 --> 00:40:52,079
of neurology I see him every year

962
00:40:57,950 --> 00:40:55,859
I'm friends with him and his wife the

963
00:41:00,140 --> 00:40:57,960

complexity Studies Center Florine

964

00:41:02,150 --> 00:41:00,150

Montano who's like one of the most

965

00:41:04,609 --> 00:41:02,160

incredible professors in Romania these

966

00:41:06,470 --> 00:41:04,619

people have become my friends but and

967

00:41:09,019 --> 00:41:06,480

many of them have met David but I got to

968

00:41:11,509 --> 00:41:09,029

meet the the me

969

00:41:12,799 --> 00:41:11,519

the cosmonaut he's the only Romanian

970

00:41:14,809 --> 00:41:12,809

ever to go into space Romania's

971

00:41:16,609 --> 00:41:14,819

cosmonaut - go - so he's now a friend of

972

00:41:19,009 --> 00:41:16,619

mine and there's incredible people there

973

00:41:21,380 --> 00:41:19,019

he recently just started showing up at a

974

00:41:24,079 --> 00:41:21,390

glance akan so you have an incredible

975

00:41:28,339 --> 00:41:24,089

amount of some of the best minds in the

976

00:41:30,049 --> 00:41:28,349

world flow through that that camp and of

977

00:41:33,319 --> 00:41:30,059

course they're teaching young people I

978

00:41:35,329 --> 00:41:33,329

teach Qigong there and I lecture on sort

979

00:41:37,640 --> 00:41:35,339

of the stuff I'm with a more of a tilt

980

00:41:40,539 --> 00:41:37,650

toward sacred Romania but I lecture on

981

00:41:43,130 --> 00:41:40,549

all this all these type of things and

982

00:41:44,689 --> 00:41:43,140

the David so David Anderson brought me

983

00:41:47,390 --> 00:41:44,699

there he was there the first two summers

984

00:41:49,489 --> 00:41:47,400

and although he keeps tabs on me while

985

00:41:53,659 --> 00:41:49,499

I'm there he has not been present for

986

00:41:56,179 --> 00:41:53,669

the last four summers at Romania but he

987

00:41:58,939 --> 00:41:56,189

you know emails me now and then while

988

00:42:02,870 --> 00:41:58,949

I'm there even in real life he does but

989

00:42:04,399 --> 00:42:02,880

he's not we're waiting for something to

990

00:42:05,989 --> 00:42:04,409

come from his quarter the next thing I

991

00:42:07,909 --> 00:42:05,999

expected here is these these online

992

00:42:09,709 --> 00:42:07,919

courses but he's a real time control

993

00:42:11,419 --> 00:42:09,719

scientist and when he did the interview

994

00:42:12,949 --> 00:42:11,429

without bail he did say I asked him if

995

00:42:14,719 --> 00:42:12,959

they were putting people in the chamber

996

00:42:17,149 --> 00:42:14,729

and he said yes and he said it was very

997

00:42:20,419 --> 00:42:17,159

close to book before sending people back

998

00:42:23,179 --> 00:42:20,429

in time so to speak now he also will

999

00:42:26,630 --> 00:42:23,189

tell you in the same paragraph that what

1000

00:42:30,259 --> 00:42:26,640

you're told is you know the government

1001
00:42:31,729 --> 00:42:30,269
or the secret sector is 15-20 years

1002
00:42:33,380 --> 00:42:31,739
ahead of you Preston Nichols would say

1003
00:42:36,829 --> 00:42:33,390
30 years ahead of you what you don't

1004
00:42:40,099 --> 00:42:36,839
hear like the little tiny computers that

1005
00:42:41,509 --> 00:42:40,109
we have today I remember a guy connected

1006
00:42:44,390 --> 00:42:41,519
with Bell Labs tell me that they had

1007
00:42:46,819 --> 00:42:44,400
those in in the 1980s he was telling me

1008
00:42:49,609 --> 00:42:46,829
he says yeah it's all on a little box so

1009
00:42:51,380 --> 00:42:49,619
these discoveries are made way ahead of

1010
00:42:53,179 --> 00:42:51,390
time and then they're filtered out into

1011
00:42:55,370 --> 00:42:53,189
the military industrial complex who's

1012
00:42:58,009 --> 00:42:55,380
gonna sell them is it going to be you

1013
00:43:01,789 --> 00:42:58,019

know Sony is it going to be Samsung is

1014

00:43:06,289 --> 00:43:01,799

it going to be you know right whatever

1015

00:43:08,719 --> 00:43:06,299

company so these are you know the way

1016

00:43:10,909 --> 00:43:08,729

the world really is as opposed to the

1017

00:43:13,309 --> 00:43:10,919

way it appears to be but so David

1018

00:43:16,009 --> 00:43:13,319

Anderson brought me to Romania and he

1019

00:43:18,559 --> 00:43:16,019

didn't I did not meet a rad new cinema

1020

00:43:20,959 --> 00:43:18,569

in person I have had a correspondence

1021

00:43:22,870 --> 00:43:20,969

with him he approached a publisher who

1022

00:43:25,269 --> 00:43:22,880

published the Montauk Project Mike

1023

00:43:26,650 --> 00:43:25,279

in Romania who published it in the

1024

00:43:28,329 --> 00:43:26,660

Romanian language he approached him and

1025

00:43:30,460 --> 00:43:28,339

says would you like to do my book he did

1026

00:43:35,490 --> 00:43:30,470

and that that is how that book got

1027

00:43:36,819 --> 00:43:35,500

published in in Romania and then I

1028

00:43:40,839 --> 00:43:36,829

translated it

1029

00:43:45,660 --> 00:43:40,849

I had the books translated into English

1030

00:43:47,769 --> 00:43:45,670

and published in in english-language

1031

00:43:49,539 --> 00:43:47,779

Transylvania sunrise Transylvania

1032

00:43:52,089 --> 00:43:49,549

moonrise mystery of Egypt and the new

1033

00:43:54,039 --> 00:43:52,099

ones secret parchment so those books all

1034

00:43:55,839 --> 00:43:54,049

the whole series everything that he's

1035

00:43:58,930 --> 00:43:55,849

written is now in the English language

1036

00:44:01,120 --> 00:43:58,940

and it's a story that I also add to

1037

00:44:05,109 --> 00:44:01,130

because each year I've gone to Romania

1038

00:44:07,809 --> 00:44:05,119

and I add my two cents about you know

1039

00:44:10,210 --> 00:44:07,819

the veracity of his claims to the degree

1040

00:44:12,279 --> 00:44:10,220

that I can back them up yeah let's talk

1041

00:44:13,660 --> 00:44:12,289

about the content of those claims pretty

1042

00:44:19,029 --> 00:44:13,670

fascinating stuff

1043

00:44:22,210 --> 00:44:19,039

well the claims are that in the

1044

00:44:23,890 --> 00:44:22,220

mountains of Booch edge stub with shaggy

1045

00:44:27,579 --> 00:44:23,900

we'd say butch egg but they say butch

1046

00:44:30,009 --> 00:44:27,589

edge and that's in sort of on the border

1047

00:44:34,749 --> 00:44:30,019

of Transylvania is a big plateau right

1048

00:44:39,640 --> 00:44:34,759

Pantheon Mountains and the go around it

1049

00:44:41,519 --> 00:44:39,650

and on where the mountains meet going

1050

00:44:45,880 --> 00:44:41,529

north and south and east and west

1051
00:44:50,170 --> 00:44:45,890
approximately in that area is less than

1052
00:44:53,470 --> 00:44:50,180
50 miles as the crow flies is where you

1053
00:44:55,509 --> 00:44:53,480
know Count Dracula had his the castle

1054
00:44:57,160 --> 00:44:55,519
his fortress he did not have a castle

1055
00:44:59,380 --> 00:44:57,170
and the castle they have there is bogus

1056
00:45:02,319 --> 00:44:59,390
it's not his castle it's just a tourist

1057
00:45:04,930 --> 00:45:02,329
place with negative energy don't go

1058
00:45:08,650 --> 00:45:04,940
there it's not he had a fortress in the

1059
00:45:11,769 --> 00:45:08,660
mountains you can go there but it's it's

1060
00:45:14,019 --> 00:45:11,779
a hard road it's it's more obscure but

1061
00:45:16,870 --> 00:45:14,029
he had a fortress and that was from

1062
00:45:20,079 --> 00:45:16,880
people going in crossing the mountains

1063
00:45:22,749 --> 00:45:20,089

into Transylvania southern part of

1064

00:45:24,549 --> 00:45:22,759

Romania Slovakia with a W spell with the

1065

00:45:26,200 --> 00:45:24,559

W or locky he was the Prince of

1066

00:45:28,089 --> 00:45:26,210

Wallachia who's not the Prince of

1067

00:45:32,140 --> 00:45:28,099

Transylvania he did not come from

1068

00:45:35,380 --> 00:45:32,150

Transylvania he was born there when his

1069

00:45:36,250 --> 00:45:35,390

father was incarcerated by Hungarian but

1070

00:45:39,490 --> 00:45:36,260

there was a passage

1071

00:45:41,860 --> 00:45:39,500

there that goes in and out now about 50

1072

00:45:45,730 --> 00:45:41,870

miles as the crow flies it takes longer

1073

00:45:47,860 --> 00:45:45,740

than that by car is a sphinx the

1074

00:45:50,070 --> 00:45:47,870

Romanian sphinx which there's other

1075

00:45:53,410 --> 00:45:50,080

another megalith nearby they're called

1076
00:45:55,810 --> 00:45:53,420
Babel a which means old women it's it's

1077
00:46:00,940 --> 00:45:55,820
a sale by both sacred stone structures

1078
00:46:04,180 --> 00:46:00,950
the Sphinx looks like its profile the

1079
00:46:07,300 --> 00:46:04,190
left side of the space is a face of a

1080
00:46:09,160 --> 00:46:07,310
man on the right side you'll see it's

1081
00:46:12,670 --> 00:46:09,170
faded away eroded but it looks like a

1082
00:46:14,320 --> 00:46:12,680
Griffin or a lion it's much more rotor

1083
00:46:16,210 --> 00:46:14,330
than the left side and you have to get a

1084
00:46:18,100 --> 00:46:16,220
specific view on it to see it but it's

1085
00:46:21,270 --> 00:46:18,110
the most biggest tourist attraction in

1086
00:46:24,250 --> 00:46:21,280
Romania for the Romanians themselves and

1087
00:46:26,940 --> 00:46:24,260
it's beautiful up there it's it's you're

1088
00:46:29,230 --> 00:46:26,950

above the treeline and there's also like

1089

00:46:32,080 --> 00:46:29,240

some of my friends took a walk there I

1090

00:46:34,480 --> 00:46:32,090

took a hike I went back to the hotel

1091

00:46:36,820 --> 00:46:34,490

I've been I've been having six hours of

1092

00:46:39,190 --> 00:46:36,830

sleep for like weeks so I went back to

1093

00:46:41,530 --> 00:46:39,200

the hotel to rest and some of the small

1094

00:46:43,900 --> 00:46:41,540

contingent of our group went on a hike

1095

00:46:45,880 --> 00:46:43,910

away from the Sphinx and they ended up

1096

00:46:48,280 --> 00:46:45,890

in a area where their hair began to

1097

00:46:50,020 --> 00:46:48,290

stand on it weird their hair began to

1098

00:46:51,400 --> 00:46:50,030

stand on end and call it static

1099

00:46:53,320 --> 00:46:51,410

electricity it's supposed to be just

1100

00:46:55,750 --> 00:46:53,330

before lightning is I don't know if any

1101
00:46:57,910 --> 00:46:55,760
lightning yet but they did quite a time

1102
00:46:59,530 --> 00:46:57,920
of it there's a lot of energetic

1103
00:47:01,360 --> 00:46:59,540
anomalies up there and it's very

1104
00:47:05,440 --> 00:47:01,370
beautiful but this Sphinx and to get to

1105
00:47:07,600 --> 00:47:05,450
the story what you asked me is maybe

1106
00:47:10,090 --> 00:47:07,610
it's 300 yards underneath there is

1107
00:47:12,190 --> 00:47:10,100
according to the story which was found

1108
00:47:15,580 --> 00:47:12,200
with ground-penetrating radar from a

1109
00:47:19,030 --> 00:47:15,590
satellite was a chamber and this chamber

1110
00:47:22,210 --> 00:47:19,040
they couldn't get at it so they

1111
00:47:23,980 --> 00:47:22,220
approached the head of Department zero

1112
00:47:26,200 --> 00:47:23,990
which was the most secretive arm of

1113
00:47:29,290 --> 00:47:26,210

Romanian intelligence man named Caesar

1114

00:47:31,330 --> 00:47:29,300

Brad and the whole story is about how he

1115

00:47:33,730 --> 00:47:31,340

grew up under the psychic supervision of

1116

00:47:35,560 --> 00:47:33,740

a Chinese doctor who set up the

1117

00:47:37,060 --> 00:47:35,570

paranormal Department of Romania

1118

00:47:44,880 --> 00:47:37,070

Department zero he was from Red China

1119

00:47:47,440 --> 00:47:44,890

and he tutored uh basically Cesar Brad

1120

00:47:50,230 --> 00:47:47,450

to get into this position so that he

1121

00:47:53,350 --> 00:47:50,240

would actually help this

1122

00:47:54,850 --> 00:47:53,360

the Americans access this secret chamber

1123

00:47:56,920 --> 00:47:54,860

because the Americans discovered it and

1124

00:47:59,620 --> 00:47:56,930

there's negative force that sets it up

1125

00:48:02,470 --> 00:47:59,630

is Italian Freemasonry who tries to get

1126
00:48:04,060 --> 00:48:02,480
out of this character signore Mazzini

1127
00:48:06,850 --> 00:48:04,070
who tries to get at it and he's

1128
00:48:09,400 --> 00:48:06,860
portrayed as personified evil and he's

1129
00:48:11,380 --> 00:48:09,410
not successful in getting at the control

1130
00:48:14,440 --> 00:48:11,390
this chamber the chamber is controlled

1131
00:48:16,570 --> 00:48:14,450
by the Americans and the Romanians and

1132
00:48:20,320 --> 00:48:16,580
in joint activity now what's in this

1133
00:48:21,760 --> 00:48:20,330
chamber is very sci-fi if there's tables

1134
00:48:23,350 --> 00:48:21,770
in there which if you put your hand over

1135
00:48:27,190 --> 00:48:23,360
a part of the table it'll read out your

1136
00:48:29,470 --> 00:48:27,200
DNA in molecular form if you put it

1137
00:48:32,050 --> 00:48:29,480
closer it's an atomic form and if you

1138
00:48:36,070 --> 00:48:32,060

put your hand on another part of a table

1139

00:48:39,220 --> 00:48:36,080

it will show an alien DNA and it will

1140

00:48:41,290 --> 00:48:39,230

show it in microscopic or atomic form it

1141

00:48:43,600 --> 00:48:41,300

will also show the star system it came

1142

00:48:45,490 --> 00:48:43,610

from and this is all Halle Halle Halle

1143

00:48:47,260 --> 00:48:45,500

Griffey so you'll see the star system

1144

00:48:50,770 --> 00:48:47,270

you'll see the planet and it will tell

1145

00:48:52,840 --> 00:48:50,780

you that it came from there apparently

1146

00:48:54,190 --> 00:48:52,850

not I don't know if it's in the Romanian

1147

00:48:55,630 --> 00:48:54,200

language of the English language I don't

1148

00:48:59,200 --> 00:48:55,640

think language is involved I think it's

1149

00:49:00,910 --> 00:48:59,210

graphically portrayed and it's over at

1150

00:49:03,850 --> 00:49:00,920

the same time it'll read out a

1151
00:49:06,880 --> 00:49:03,860
hybridization of those two species now

1152
00:49:08,590 --> 00:49:06,890
this is this is non blind stuff it's

1153
00:49:11,530 --> 00:49:08,600
mind-blowing but it see it takes that

1154
00:49:13,030 --> 00:49:11,540
the myth of Noah's Ark and it says well

1155
00:49:15,400 --> 00:49:13,040
what's really going on Noah's Ark is a

1156
00:49:17,680 --> 00:49:15,410
watered-down story of something like

1157
00:49:19,360 --> 00:49:17,690
this and this is supposed to be fifty

1158
00:49:21,220 --> 00:49:19,370
thousand years old to the best of the

1159
00:49:22,120 --> 00:49:21,230
best educated guess this place is fifty

1160
00:49:23,950 --> 00:49:22,130
thousand years old

1161
00:49:25,690 --> 00:49:23,960
man I would I would suggest I would

1162
00:49:26,170 --> 00:49:25,700
think it would be much older that's kind

1163
00:49:28,480 --> 00:49:26,180

of crazy

1164

00:49:31,240 --> 00:49:28,490

well that's their educated guess they

1165

00:49:33,430 --> 00:49:31,250

don't really know yeah who is there any

1166

00:49:35,470 --> 00:49:33,440

indication of who built that or how it

1167

00:49:37,390 --> 00:49:35,480

came to be there that's a very sensitive

1168

00:49:38,950 --> 00:49:37,400

subject when they get in and they get

1169

00:49:41,470 --> 00:49:38,960

into the story and they try and find out

1170

00:49:45,150 --> 00:49:41,480

who built it uh you know with with

1171

00:49:47,920 --> 00:49:45,160

basically because there's also a time uh

1172

00:49:49,990 --> 00:49:47,930

would he call it history of the world in

1173

00:49:51,580 --> 00:49:50,000

holographic form there I think there's a

1174

00:49:53,350 --> 00:49:51,590

time device in there they have normally

1175

00:49:55,240 --> 00:49:53,360

described it but they do go there's

1176
00:49:57,220 --> 00:49:55,250
three tunnels in there one of which goes

1177
00:49:59,080 --> 00:49:57,230
to Egypt and underneath the Giza Plateau

1178
00:50:00,790 --> 00:49:59,090
they find a device which enables you to

1179
00:50:02,579 --> 00:50:00,800
travel in time with your consciousness

1180
00:50:04,559 --> 00:50:02,589
not with your physical body

1181
00:50:06,509 --> 00:50:04,569
and when they get to that subject of who

1182
00:50:10,229 --> 00:50:06,519
invented this stuff it gets very touchy

1183
00:50:11,700 --> 00:50:10,239
uh it's like a book or a movie they've

1184
00:50:13,140 --> 00:50:11,710
done in sci-fi called River world when

1185
00:50:15,180 --> 00:50:13,150
you get to the Masters of the world

1186
00:50:19,529 --> 00:50:15,190
they become shadowy and they don't want

1187
00:50:21,180 --> 00:50:19,539
you to know any more than the guy who's

1188
00:50:22,950 --> 00:50:21,190

running the haunted house that you're in

1189

00:50:24,359 --> 00:50:22,960

you know when you're a kid wants you to

1190

00:50:25,979 --> 00:50:24,369

know what the tricks are you know and

1191

00:50:27,209 --> 00:50:25,989

he's you know he's he's playing games

1192

00:50:29,279 --> 00:50:27,219

you know you're not you're not getting

1193

00:50:32,519 --> 00:50:29,289

to see behind the scenes there's an

1194

00:50:34,440 --> 00:50:32,529

orchestration going on there that was

1195

00:50:36,779 --> 00:50:34,450

hard to penetrate with regard to who

1196

00:50:38,459 --> 00:50:36,789

built it well let's talk a little bit

1197

00:50:40,289 --> 00:50:38,469

more about the the content of this

1198

00:50:42,450 --> 00:50:40,299

chamber I mean it's for people who

1199

00:50:45,359 --> 00:50:42,460

haven't heard it that the idea that

1200

00:50:48,259 --> 00:50:45,369

there's a piece of equipment there that

1201
00:50:50,849 --> 00:50:48,269
will holographically show you DNA of

1202
00:50:52,890 --> 00:50:50,859
yourself hybrids with other species I

1203
00:50:54,420 --> 00:50:52,900
mean that's pretty fascinating stuff is

1204
00:50:56,479 --> 00:50:54,430
there any other details about that you

1205
00:50:59,329 --> 00:50:56,489
can give us was any uh was there any

1206
00:51:03,620 --> 00:50:59,339
anything extrapolated from seeing

1207
00:51:07,529 --> 00:51:03,630
non-human DNA I have to tell you that

1208
00:51:12,089 --> 00:51:07,539
that book which the incident happens in

1209
00:51:14,190 --> 00:51:12,099
2003 that book was written from a point

1210
00:51:16,349 --> 00:51:14,200
about six weeks after the opening of the

1211
00:51:18,269 --> 00:51:16,359
chamber so that's about all the

1212
00:51:22,579 --> 00:51:18,279
information were offered is about six

1213
00:51:24,900 --> 00:51:22,589

weeks of intense investigation which was

1214

00:51:26,819 --> 00:51:24,910

relayed what the author was allowed to

1215

00:51:31,049 --> 00:51:26,829

relay into the book because he has a

1216

00:51:33,809 --> 00:51:31,059

sensor and that so he didn't tell us too

1217

00:51:36,809 --> 00:51:33,819

much most of the book is about the

1218

00:51:38,459 --> 00:51:36,819

political infighting and manipulation

1219

00:51:40,170 --> 00:51:38,469

into the into the background of Caesar

1220

00:51:42,059 --> 00:51:40,180

Brad who's the one who opens up the

1221

00:51:45,059 --> 00:51:42,069

chamber he allows writers Cinemark to

1222

00:51:48,930 --> 00:51:45,069

come in he hand selects him to to write

1223

00:51:50,910 --> 00:51:48,940

this story and people in Romania will

1224

00:51:54,809 --> 00:51:50,920

sometimes have very heated opinions of

1225

00:51:57,890 --> 00:51:54,819

whether this whether this chamber exists

1226

00:52:00,569 --> 00:51:57,900

in this reality or in another reality

1227

00:52:02,400 --> 00:52:00,579

but their their opinions are always too

1228

00:52:03,779 --> 00:52:02,410

heated for my liking in other words they

1229

00:52:05,370 --> 00:52:03,789

may be right or they may be wrong but I

1230

00:52:07,559 --> 00:52:05,380

don't think that he opinions should be

1231

00:52:08,660 --> 00:52:07,569

so heated I I don't have a heated

1232

00:52:11,400 --> 00:52:08,670

opinion about it

1233

00:52:13,499 --> 00:52:11,410

there is the second book Transylvanian

1234

00:52:15,880 --> 00:52:13,509

moonrise gives a lot of corroborated

1235

00:52:18,069 --> 00:52:15,890

information in terms of newspaper

1236

00:52:20,920 --> 00:52:18,079

articles and people that wrote into the

1237

00:52:23,529 --> 00:52:20,930

editor corroborating what had happened

1238

00:52:27,400 --> 00:52:23,539

we don't know exactly but the exact DNA

1239

00:52:28,990 --> 00:52:27,410

applications I'm kind of zeroing in this

1240

00:52:32,130 --> 00:52:29,000

happened in Atlantic Ron this summer and

1241

00:52:35,259 --> 00:52:32,140

I want to get more information I believe

1242

00:52:38,650 --> 00:52:35,269

some of the most important things that

1243

00:52:41,380 --> 00:52:38,660

might be gleaned from that chamber if I

1244

00:52:43,750 --> 00:52:41,390

don't think they've done it is the 24th

1245

00:52:47,200 --> 00:52:43,760

gene pair the so-called 24th gene pair

1246

00:52:49,839 --> 00:52:47,210

which human beings had 25 23 gene pair

1247

00:52:54,279 --> 00:52:49,849

right according to sound biological

1248

00:52:57,819 --> 00:52:54,289

theories there was once 24 and it's my

1249

00:53:00,900 --> 00:52:57,829

hypothesis that when that separate women

1250

00:53:03,730 --> 00:53:00,910

when they fused that it lessened the

1251

00:53:06,720 --> 00:53:03,740

ability of mankind and if we want to

1252

00:53:10,269 --> 00:53:06,730

take it one step further the ability to

1253

00:53:12,279 --> 00:53:10,279

change morphogenesis in other words

1254

00:53:15,880 --> 00:53:12,289

changed shape-shift now there was a

1255

00:53:17,620 --> 00:53:15,890

doctor actually he invited me to come

1256

00:53:20,259 --> 00:53:17,630

out at this campfire two o'clock in the

1257

00:53:22,630 --> 00:53:20,269

morning it's a very that this just this

1258

00:53:26,140 --> 00:53:22,640

summer and he's and so they were they've

1259

00:53:27,279 --> 00:53:26,150

just invited me to come out and because

1260

00:53:28,720 --> 00:53:27,289

I was there they're going to speak in

1261

00:53:30,220 --> 00:53:28,730

English normally they'd speak in

1262

00:53:31,990 --> 00:53:30,230

Romanian and it was dark there was no

1263

00:53:34,690 --> 00:53:32,000

campfires but we couldn't get the wood

1264

00:53:35,950 --> 00:53:34,700

so we're like out there and they say

1265

00:53:38,099 --> 00:53:35,960

well we're going to talk about the

1266

00:53:39,759 --> 00:53:38,109

Ascension of the human being a

1267

00:53:42,279 --> 00:53:39,769

transcendence of the human being

1268

00:53:44,259 --> 00:53:42,289

incisive will I started telling him

1269

00:53:47,410 --> 00:53:44,269

about book two the Transylvanian

1270

00:53:49,480 --> 00:53:47,420

moonrise which goes into the longevity

1271

00:53:54,339 --> 00:53:49,490

of living for hundreds or thousands of

1272

00:53:55,960 --> 00:53:54,349

years and out of that this doctor he's a

1273

00:53:58,569 --> 00:53:55,970

medical doctor he teaches medical

1274

00:54:00,339 --> 00:53:58,579

doctors took a very he came to my Qigong

1275

00:54:04,480 --> 00:54:00,349

class he took a very strong interest in

1276
00:54:07,180 --> 00:54:04,490
this 24th gene pair and then he because

1277
00:54:08,710 --> 00:54:07,190
he understood the science of it and then

1278
00:54:10,450 --> 00:54:08,720
we found this young girl and who is

1279
00:54:12,339 --> 00:54:10,460
studying biology she's saying biology

1280
00:54:14,589 --> 00:54:12,349
she says like I think she's just

1281
00:54:17,200 --> 00:54:14,599
starting college and I started telling

1282
00:54:18,970 --> 00:54:17,210
her about the tree of life and DNA and

1283
00:54:22,120 --> 00:54:18,980
she got interested and then she kind of

1284
00:54:24,039 --> 00:54:22,130
had this real scientific sort of

1285
00:54:26,019 --> 00:54:24,049
solution that impressed the doctor so

1286
00:54:27,519 --> 00:54:26,029
we're going to try and get that I'm not

1287
00:54:27,859 --> 00:54:27,529
going to go into the biology of it now

1288
00:54:30,230 --> 00:54:27,869

because

1289

00:54:31,970 --> 00:54:30,240

want him to explain it to me in concise

1290

00:54:33,710 --> 00:54:31,980

language so I don't have to go in and

1291

00:54:37,579 --> 00:54:33,720

he'll understand it more clearly and

1292

00:54:39,650 --> 00:54:37,589

it's basically there is a scientific

1293

00:54:41,239 --> 00:54:39,660

plausibility but between what we're

1294

00:54:45,319 --> 00:54:41,249

saying here to go into the deeper

1295

00:54:47,089 --> 00:54:45,329

science of it there and I said you know

1296

00:54:50,029 --> 00:54:47,099

once we do this we got to be careful

1297

00:54:51,259 --> 00:54:50,039

that you know maybe we're announcing a

1298

00:54:52,430 --> 00:54:51,269

discovery because somebody might else

1299

00:54:53,539 --> 00:54:52,440

might have discovered it you know it's

1300

00:54:56,749 --> 00:54:53,549

like these things happen simultaneously

1301
00:54:59,779 --> 00:54:56,759
as consciousness moves forward but the

1302
00:55:05,960 --> 00:54:59,789
point I was saying about about this is

1303
00:55:10,039 --> 00:55:05,970
very DNA driven and it's uh what it's

1304
00:55:12,920 --> 00:55:10,049
the morphogenesis of life it's changing

1305
00:55:14,390 --> 00:55:12,930
so life is changing we see life we don't

1306
00:55:17,420 --> 00:55:14,400
have the same disease as we had in the

1307
00:55:19,910 --> 00:55:17,430
50s that's not all because of

1308
00:55:23,319 --> 00:55:19,920
vaccinations just life changes diseases

1309
00:55:26,239 --> 00:55:23,329
change life is constantly changing so

1310
00:55:28,220 --> 00:55:26,249
what could be come out of this Dean if I

1311
00:55:29,870 --> 00:55:28,230
was going into that DNA bank and had

1312
00:55:33,259 --> 00:55:29,880
access to it I'd start asking these

1313
00:55:35,239 --> 00:55:33,269

questions and I'd certainly like to have

1314

00:55:38,029 --> 00:55:35,249

somebody who's more bursted in

1315

00:55:41,390 --> 00:55:38,039

biological terms than I am to be with me

1316

00:55:43,130 --> 00:55:41,400

to like this doctor everything who gets

1317

00:55:45,140 --> 00:55:43,140

it you know it's like people a lot of

1318

00:55:47,870 --> 00:55:45,150

their their scientists don't have the

1319

00:55:51,739 --> 00:55:47,880

prejudice that many of our scientists

1320

00:55:54,229 --> 00:55:51,749

were are still suffer from you know this

1321

00:55:57,200 --> 00:55:54,239

so what they've done with it to answer

1322

00:55:59,210 --> 00:55:57,210

your original question I don't know part

1323

00:56:01,700 --> 00:55:59,220

of me thinks that some of the best part

1324

00:56:03,890 --> 00:56:01,710

is gone into neglect but I don't know

1325

00:56:06,829 --> 00:56:03,900

that Oh that'd be a shame I don't know

1326
00:56:09,710 --> 00:56:06,839
that saying is you see or it's been

1327
00:56:14,089 --> 00:56:09,720
sequestrated and only in secret sectors

1328
00:56:17,329 --> 00:56:14,099
uh what's but it's this is the infinite

1329
00:56:21,759 --> 00:56:17,339
potential of life itself and the human

1330
00:56:27,859 --> 00:56:21,769
mind so even the idea of this concept is

1331
00:56:30,589 --> 00:56:27,869
is something that we look forward to

1332
00:56:32,059 --> 00:56:30,599
just as when they did the rocket to the

1333
00:56:35,900 --> 00:56:32,069
moon

1334
00:56:39,229 --> 00:56:35,910
that was a dream when I was a kid in the

1335
00:56:40,970 --> 00:56:39,239
1950s going up in 1969 we had a man on

1336
00:56:45,410 --> 00:56:40,980
the moon the problem with the

1337
00:56:47,540 --> 00:56:45,420
moon and the space program it's all

1338
00:56:49,609 --> 00:56:47,550

under censorship and what goes on out

1339

00:56:51,890 --> 00:56:49,619

there they don't tell us everything so

1340

00:56:54,130 --> 00:56:51,900

it's all it's all again it's censorship

1341

00:56:58,280 --> 00:56:54,140

which David Anderson has said is the key

1342

00:56:59,990 --> 00:56:58,290

component in modern warfare it is that's

1343

00:57:02,510 --> 00:57:00,000

our [h__h] yeah it is that's what I mean

1344

00:57:03,500 --> 00:57:02,520

that's kind of why you hear all kinds of

1345

00:57:06,560 --> 00:57:03,510

stories the deeper you get into

1346

00:57:09,349 --> 00:57:06,570

conspiracy you just hear wild wild

1347

00:57:10,880 --> 00:57:09,359

stories and you have to say well number

1348

00:57:12,260 --> 00:57:10,890

one I know the government lies to me I

1349

00:57:13,880 --> 00:57:12,270

know the government shrouds everything

1350

00:57:15,740 --> 00:57:13,890

in secrecy they have nefarious deeds

1351

00:57:18,349 --> 00:57:15,750

they have nefarious motivations that

1352

00:57:20,359 --> 00:57:18,359

opens the door to all kinds of wild

1353

00:57:22,670 --> 00:57:20,369

stories and some are true some aren't

1354

00:57:24,740 --> 00:57:22,680

it's impossible to really know because

1355

00:57:27,020 --> 00:57:24,750

no one's going to tell you the truth the

1356

00:57:30,080 --> 00:57:27,030

government is not going to give you any

1357

00:57:32,450 --> 00:57:30,090

information on it and it's like and so

1358

00:57:35,060 --> 00:57:32,460

this becomes the hallmark of the

1359

00:57:37,910 --> 00:57:35,070

individual is that he has to go in and

1360

00:57:41,410 --> 00:57:37,920

find his own answers if if you go

1361

00:57:44,960 --> 00:57:41,420

looking to the government for answers

1362

00:57:47,300 --> 00:57:44,970

it's like going to a you know it's it's

1363

00:57:49,130 --> 00:57:47,310

like going to a teacher for an answer

1364

00:57:50,900 --> 00:57:49,140

about something where they've just been

1365

00:57:54,170 --> 00:57:50,910

taught to teach you pedestrian

1366

00:57:57,410 --> 00:57:54,180

information exactly there they're there

1367

00:58:00,800 --> 00:57:57,420

to control and handle the population not

1368

00:58:02,540 --> 00:58:00,810

necessarily to benefit the individual on

1369

00:58:03,980 --> 00:58:02,550

these levels so you have to go in and

1370

00:58:06,020 --> 00:58:03,990

ask you so you have to learn how to ask

1371

00:58:11,390 --> 00:58:06,030

yourself questions and get your own

1372

00:58:14,510 --> 00:58:11,400

answers as opposed even by getting the

1373

00:58:16,310 --> 00:58:14,520

answers from books books will help you

1374

00:58:18,380 --> 00:58:16,320

and you can decide whether you're likely

1375

00:58:20,390 --> 00:58:18,390

information or not it's it's that you

1376

00:58:22,670 --> 00:58:20,400

just can't think and answers from a book

1377

00:58:24,680 --> 00:58:22,680

without inspecting it yourself of course

1378

00:58:26,450 --> 00:58:24,690

and something else I did want to ask you

1379

00:58:28,640 --> 00:58:26,460

about is you know you had mentioned

1380

00:58:32,180 --> 00:58:28,650

briefly that another part of that

1381

00:58:34,520 --> 00:58:32,190

chamber is an area that gives you the

1382

00:58:36,380 --> 00:58:34,530

content of the history of the world and

1383

00:58:38,320 --> 00:58:36,390

I've heard you describe before that it

1384

00:58:41,359 --> 00:58:38,330

comes from an individual's perspective

1385

00:58:42,859 --> 00:58:41,369

but I mean is there anything many more

1386

00:58:44,060 --> 00:58:42,869

details about that you can give the

1387

00:58:46,040 --> 00:58:44,070

people because that's pretty interesting

1388

00:58:47,930 --> 00:58:46,050

too it's a bio resident in other words

1389

00:58:49,580 --> 00:58:47,940

all the devices that are described in

1390

00:58:51,200 --> 00:58:49,590

these books of bio resonance so if you

1391

00:58:52,400 --> 00:58:51,210

sit in the chair to see the history of

1392

00:58:54,589 --> 00:58:52,410

the world it will be different than what

1393

00:58:57,529 --> 00:58:54,599

I see it will be different than

1394

00:58:59,029 --> 00:58:57,539

what the girl down the street sees would

1395

00:59:00,589 --> 00:58:59,039

be different than our parents would see

1396

00:59:02,870 --> 00:59:00,599

if they were there everybody has a

1397

00:59:07,160 --> 00:59:02,880

different perspective so it's bio

1398

00:59:10,069 --> 00:59:07,170

resident now this is very much akin to a

1399

00:59:13,249 --> 00:59:10,079

hallucinogenic principal whereas if you

1400

00:59:15,140 --> 00:59:13,259

take a hallucinogenic it's going to be a

1401

00:59:18,380 --> 00:59:15,150

different experience than I have if

1402

00:59:20,450 --> 00:59:18,390

we're both geared towards history and

1403

00:59:22,069 --> 00:59:20,460

we're both in separate chairs like that

1404

00:59:23,900 --> 00:59:22,079

Clockwork Orange that comes out of these

1405

00:59:25,190 --> 00:59:23,910

type of experiments with this

1406

00:59:28,749 --> 00:59:25,200

experiments that who were Clockwork

1407

00:59:31,279 --> 00:59:28,759

Orange the movie was based upon the book

1408

00:59:32,839 --> 00:59:31,289

you're going to get and we're steered

1409

00:59:34,279 --> 00:59:32,849

toward certain areas we're going to have

1410

00:59:36,309 --> 00:59:34,289

certain areas of commonality we're going

1411

00:59:41,299 --> 00:59:36,319

to have certain areas a difference so

1412

00:59:43,309 --> 00:59:41,309

what hallucinogenics such as LSD which

1413

00:59:46,460 --> 00:59:43,319

was used extensively in the early mind

1414

00:59:49,489 --> 00:59:46,470

controlled experiments was is a mind

1415

00:59:52,180 --> 00:59:49,499

amplifier it amplifies the mind it

1416

00:59:54,349 --> 00:59:52,190

exaggerated things it builds it up it

1417

00:59:55,640 --> 00:59:54,359

it's the same thing they were doing at

1418

00:59:57,349 --> 00:59:55,650

Montauk where they had highly

1419

01:00:01,519 --> 00:59:57,359

sophisticated mind amplifiers there are

1420

01:00:03,140 --> 01:00:01,529

two different ways to a meet they're two

1421

01:00:05,299 --> 01:00:03,150

different means to an end which is to

1422

01:00:09,349 --> 01:00:05,309

amplify the consciousness now I do not

1423

01:00:11,870 --> 01:00:09,359

advocate psychotronic amplification of

1424

01:00:14,390 --> 01:00:11,880

the mind I don't advocate hallucinogenic

1425

01:00:16,819 --> 01:00:14,400

drugs all of these things can be done

1426

01:00:19,309 --> 01:00:16,829

internally they can be done internally

1427

01:00:25,279 --> 01:00:19,319

and you want to develop them on your own

1428

01:00:28,539 --> 01:00:25,289

horsepower so lucid dreaming is a good

1429

01:00:31,039 --> 01:00:28,549

practice to indulge in if one wants to

1430

01:00:33,140 --> 01:00:31,049

expand their mind do you have any tips

1431

01:00:35,269 --> 01:00:33,150

for that I've had people try to give

1432

01:00:37,339 --> 01:00:35,279

them before but lucid dreaming is one

1433

01:00:38,749 --> 01:00:37,349

thing that I've I've had it happen at

1434

01:00:40,519 --> 01:00:38,759

random one or two times

1435

01:00:43,640 --> 01:00:40,529

how can you channel that how can you

1436

01:00:45,950 --> 01:00:43,650

induce that there are different ways one

1437

01:00:47,870 --> 01:00:45,960

way is to look at the details in the

1438

01:00:51,170 --> 01:00:47,880

environment like look at 30 details a

1439

01:00:55,819 --> 01:00:51,180

day like I'm looking over a hole in my

1440

01:00:59,779 --> 01:00:55,829

wall where there used to be a nail or

1441

01:01:01,309 --> 01:00:59,789

something fail yeah and and looking at

1442

01:01:04,370 --> 01:01:01,319

where a nail is sticking out in the wall

1443

01:01:06,829 --> 01:01:04,380

and and you look at 30 details in the

1444

01:01:08,059 --> 01:01:06,839

environment per day and the next thing

1445

01:01:10,069 --> 01:01:08,069

you know you'll be in your dream

1446

01:01:12,079 --> 01:01:10,079

looking at a detail and you said oh god

1447

01:01:14,989 --> 01:01:12,089

one detail I'm doing the drill oh I'm

1448

01:01:17,630 --> 01:01:14,999

away and once you become awake that's

1449

01:01:19,400 --> 01:01:17,640

one way to become awake and and of

1450

01:01:22,160 --> 01:01:19,410

course it's also a Qigong practice

1451

01:01:24,739 --> 01:01:22,170

because if you learned she'd um you

1452

01:01:26,509 --> 01:01:24,749

start doing Qigong in the dream and then

1453

01:01:29,660 --> 01:01:26,519

when you start doing Qigong you're

1454

01:01:32,390 --> 01:01:29,670

trying to maintain your dream state and

1455

01:01:36,380 --> 01:01:32,400

once you maintain the dream state that's

1456

01:01:37,910 --> 01:01:36,390

challenging it's it's challenging but

1457

01:01:42,319 --> 01:01:37,920

then once you can maintain that dream

1458

01:01:44,930 --> 01:01:42,329

state then you can start to explore that

1459

01:01:48,499 --> 01:01:44,940

area of your mind but that's one simple

1460

01:01:51,319 --> 01:01:48,509

way you can also every time you look at

1461

01:01:53,569 --> 01:01:51,329

a clock in real life you can say what

1462

01:01:55,939 --> 01:01:53,579

time is it is this a dream

1463

01:01:58,699 --> 01:01:55,949

can I fly and you look at every time you

1464

01:02:01,430 --> 01:01:58,709

see a clock in your life see what time

1465

01:02:05,410 --> 01:02:01,440

is it is this a dream can I fly and that

1466

01:02:08,299 --> 01:02:05,420

can wake you right up into a lucid state

1467

01:02:10,759 --> 01:02:08,309

it's such an interesting concept that

1468

01:02:12,589 --> 01:02:10,769

our minds trick us into thinking

1469

01:02:16,370 --> 01:02:12,599

something is real and we have to

1470

01:02:18,680 --> 01:02:16,380

consciously repetitiously ask ourselves

1471

01:02:20,660 --> 01:02:18,690

if it is and then one of these times

1472

01:02:22,309 --> 01:02:20,670

we're going to look around and we will

1473

01:02:24,140 --> 01:02:22,319

be in a dream but it's indistinguishable

1474

01:02:26,870 --> 01:02:24,150

from real life it's a fascinating and

1475

01:02:30,289 --> 01:02:26,880

element people don't explore dreams

1476

01:02:31,849 --> 01:02:30,299

enough it's pretty strange yeah it's

1477

01:02:35,269 --> 01:02:31,859

something you have to have a dedicated I

1478

01:02:37,339 --> 01:02:35,279

know uh there are certain substances

1479

01:02:39,799 --> 01:02:37,349

like melatonin which are supplements

1480

01:02:42,199 --> 01:02:39,809

that can help your dream state are the

1481

01:02:45,969 --> 01:02:42,209

first melatonin I took I hated I didn't

1482

01:02:48,799 --> 01:02:45,979

like it I made my dreams weird huh I

1483

01:02:51,199 --> 01:02:48,809

it'll help you sleep is you know as well

1484

01:02:53,239 --> 01:02:51,209

crazy man it's about that time that we

1485

01:02:54,680 --> 01:02:53,249

wrap up but to bring this back to the

1486

01:02:56,209 --> 01:02:54,690

beginning of the show I mean one thing

1487

01:02:57,890 --> 01:02:56,219

you mentioned about that chamber and

1488

01:02:59,930 --> 01:02:57,900

Romania is that some people are are

1489

01:03:03,019 --> 01:02:59,940
debating whether it exists in this

1490

01:03:05,390 --> 01:03:03,029
reality or another and I'd heard that

1491

01:03:07,609 --> 01:03:05,400
some claims that an experiment at

1492

01:03:09,380 --> 01:03:07,619
Montauk caused our reality to split and

1493

01:03:11,209 --> 01:03:09,390
we've been living within a manufactured

1494

01:03:13,069 --> 01:03:11,219
reality since then which gets into the

1495

01:03:15,140 --> 01:03:13,079
same thing as some leading scientists

1496

01:03:17,809 --> 01:03:15,150
talk about the holographic universe and

1497

01:03:19,579 --> 01:03:17,819
simulation theory it also talks that

1498

01:03:21,289 --> 01:03:19,589
also you know relates to the control

1499

01:03:22,010 --> 01:03:21,299
matrix but what are your thoughts on

1500

01:03:23,450 --> 01:03:22,020
that what type

1501

01:03:25,610 --> 01:03:23,460

what is reality are we with an

1502

01:03:28,310 --> 01:03:25,620

artificial construct did it come out of

1503

01:03:31,100 --> 01:03:28,320

the Montauk Project or you know is all

1504

01:03:34,610 --> 01:03:31,110

that just speculation well you know

1505

01:03:38,240 --> 01:03:34,620

people like to put four theories to

1506

01:03:42,980 --> 01:03:38,250

either to try to figure stuff out or to

1507

01:03:47,420 --> 01:03:42,990

try and impress one of the other and if

1508

01:03:48,890 --> 01:03:47,430

you go back into hindu mythology the

1509

01:03:52,490 --> 01:03:48,900

whole world is an illusion

1510

01:03:56,600 --> 01:03:52,500

they call it Maya mm-hmm so it's it's

1511

01:04:00,680 --> 01:03:56,610

all illusory and even the Tibetans talk

1512

01:04:02,450 --> 01:04:00,690

about the primordial essence of

1513

01:04:05,090 --> 01:04:02,460

non-existence everything is based upon

1514

01:04:10,130 --> 01:04:05,100

non-existence this world we see is

1515

01:04:13,720 --> 01:04:10,140

fallacious so to say that Montauk is the

1516

01:04:15,890 --> 01:04:13,730

creation of an artificial reality well

1517

01:04:18,680 --> 01:04:15,900

certainly it was creating an artificial

1518

01:04:20,900 --> 01:04:18,690

reality or superimposed reality from

1519

01:04:24,170 --> 01:04:20,910

within one but yes we're all

1520

01:04:28,880 --> 01:04:24,180

participants in a in a virtual reality

1521

01:04:32,240 --> 01:04:28,890

but the only reason reality is important

1522

01:04:33,740 --> 01:04:32,250

is because we have to answer to it we

1523

01:04:34,850 --> 01:04:33,750

have an answer to it if you don't eat

1524

01:04:39,980 --> 01:04:34,860

you're going to suffer

1525

01:04:43,700 --> 01:04:39,990

so we're hostage to reality because if

1526

01:04:46,520 --> 01:04:43,710

we do not take responsibility for our

1527

01:04:50,810 --> 01:04:46,530

interactions with it we will experience

1528

01:04:55,040 --> 01:04:50,820

suffering so if we don't want to suffer

1529

01:04:57,620 --> 01:04:55,050

we have to pay homage to reality and we

1530

01:05:02,180 --> 01:04:57,630

may not to pay homage to a god but we

1531

01:05:06,410 --> 01:05:02,190

have to pay homage to reality and one

1532

01:05:09,470 --> 01:05:06,420

of the most elusive or most challenging

1533

01:05:16,160 --> 01:05:09,480

gods in Greek mythology was Chronos or

1534

01:05:18,140 --> 01:05:16,170

we call him Saturn and Saturn was the he

1535

01:05:20,870 --> 01:05:18,150

ate all his pupils because he's time he

1536

01:05:22,730 --> 01:05:20,880

represents Chronos time so you know he

1537

01:05:24,740 --> 01:05:22,740

eats the pupils so when you get to time

1538

01:05:27,320 --> 01:05:24,750

you're going on well time we've got so

1539

01:05:30,800 --> 01:05:27,330

much time how much time do you have in a

1540

01:05:33,770 --> 01:05:30,810

physical body now one can go into the

1541

01:05:35,540 --> 01:05:33,780

precept of reincarnation and say wow I'm

1542

01:05:38,650 --> 01:05:35,550

going to reincarnate so I'll learn

1543

01:05:42,370 --> 01:05:38,660

and all this but now in this paradigm

1544

01:05:48,110 --> 01:05:42,380

all these this literature that I've been

1545

01:05:50,240 --> 01:05:48,120

writing and publishing is telling us by

1546

01:05:55,160 --> 01:05:50,250

the phenomena or stories encountered

1547

01:05:57,980 --> 01:05:55,170

that maybe we don't have to stop we

1548

01:06:00,380 --> 01:05:57,990

don't have to die in the same way we

1549

01:06:04,250 --> 01:06:00,390

thought we would die this is giving us

1550

01:06:07,580 --> 01:06:04,260

hope and helping us have a new paradigm

1551

01:06:10,990 --> 01:06:07,590

so it's it's it's life extension or the

1552

01:06:14,540 --> 01:06:11,000

concept of life extension the chi-gong

1553

01:06:17,330 --> 01:06:14,550

supplements that because you know your

1554

01:06:18,980 --> 01:06:17,340

organs are what basically cause old-age

1555

01:06:20,440 --> 01:06:18,990

they fail well if they're getting if

1556

01:06:23,330 --> 01:06:20,450

you're breathing with all of your lungs

1557

01:06:24,800 --> 01:06:23,340

which feed the Argan each lobe of the

1558

01:06:26,720 --> 01:06:24,810

lung feeds in organ you're not going to

1559

01:06:28,640 --> 01:06:26,730

die if you're breathing most people

1560

01:06:30,350 --> 01:06:28,650

aren't breathing they're breathing like

1561

01:06:31,910 --> 01:06:30,360

with five ten percent of their lung

1562

01:06:33,530 --> 01:06:31,920

capacity if they're doing a lot to doing

1563

01:06:36,920 --> 01:06:33,540

ten percent and this just doesn't work

1564

01:06:39,200 --> 01:06:36,930

so you can elongate your life through

1565

01:06:41,990 --> 01:06:39,210

practical means of breathing you can

1566

01:06:43,280 --> 01:06:42,000

also but there's also these alchemical

1567

01:06:45,830 --> 01:06:43,290

principles which are the subject of

1568

01:06:50,090 --> 01:06:45,840

Transylvania moonrise which suggests an

1569

01:06:51,980 --> 01:06:50,100

even longer capacity to live so that's

1570

01:06:53,570 --> 01:06:51,990

so artificial reality all fits into that

1571

01:06:55,580 --> 01:06:53,580

construct but I'm saying is because

1572

01:06:57,410 --> 01:06:55,590

somebody says this is a reality that

1573

01:06:59,920 --> 01:06:57,420

reality it's much more complicated than

1574

01:07:02,570 --> 01:06:59,930

just somebody saying at that but yes

1575

01:07:04,430 --> 01:07:02,580

it's all tied to an artificial reality

1576

01:07:05,690 --> 01:07:04,440

that we're creating then we have to

1577

01:07:07,640 --> 01:07:05,700

answer to I hope that answered your

1578

01:07:11,030 --> 01:07:07,650

question yeah yeah of course

1579

01:07:12,620 --> 01:07:11,040

um well man it's kind of about that time

1580

01:07:14,480 --> 01:07:12,630

I really appreciate you coming on to

1581

01:07:16,250 --> 01:07:14,490

talk about this stuff with me I mean

1582

01:07:18,170 --> 01:07:16,260

we've been kind of all over the place

1583

01:07:21,350 --> 01:07:18,180

Montauk the Romanian Hall of Records

1584

01:07:22,670 --> 01:07:21,360

chi-gong lucid dreams but that's the way

1585

01:07:24,530 --> 01:07:22,680

I like it you know I like it to be a

1586

01:07:25,910 --> 01:07:24,540

casual conversation some interesting

1587

01:07:28,790 --> 01:07:25,920

stuff comes out that I didn't think I

1588

01:07:30,200 --> 01:07:28,800

hear about that's great um so yeah thank

1589

01:07:33,080 --> 01:07:30,210

you for having me the website again is

1590

01:07:35,210 --> 01:07:33,090

sky books usa.com anybody would like any

1591

01:07:37,460 --> 01:07:35,220

of the books of course medical animus on

1592

01:07:39,440 --> 01:07:37,470

Amazon and many bookstores across the

1593

01:07:41,690 --> 01:07:39,450

country yeah and is there anything that

1594

01:07:43,070 --> 01:07:41,700

though anything you want to elaborate on

1595

01:07:45,740 --> 01:07:43,080

and that you're working on next that

1596

01:07:49,100 --> 01:07:45,750

people should be the next ready for the

1597

01:07:50,540 --> 01:07:49,110

next book is called which will be out

1598

01:07:52,550 --> 01:07:50,550

sometime next year the white bath the

1599

01:07:56,350 --> 01:07:52,560

alchemy of writing which will I'll have

1600

01:07:58,760 --> 01:07:56,360

this story that propelled all of this

1601
01:08:01,850 --> 01:07:58,770
happening and then where it leads which

1602
01:08:04,340 --> 01:08:01,860
will discuss my adventures in Romanian

1603
01:08:07,100 --> 01:08:04,350
this year and I will be also making a

1604
01:08:08,660 --> 01:08:07,110
shorter report in the newsletter montt

1605
01:08:11,300 --> 01:08:08,670
articles which is available through the

1606
01:08:14,660 --> 01:08:11,310
website if anybody would like it I also

1607
01:08:16,280 --> 01:08:14,670
have a blog which I don't I don't I'm

1608
01:08:17,960 --> 01:08:16,290
not too active on the blog but it does

1609
01:08:20,390 --> 01:08:17,970
have a lot of interesting information on

1610
01:08:23,810 --> 01:08:20,400
there and I do try to answer questions

1611
01:08:27,080 --> 01:08:23,820
on it it's called digital montauk calm

1612
01:08:28,430 --> 01:08:27,090
digital man calm excellent man well when

1613
01:08:30,200 --> 01:08:28,440

that next book comes out hopefully

1614

01:08:31,870 --> 01:08:30,210

you'll come back and talk to us about it

1615

01:08:34,340 --> 01:08:31,880

it's fascinating stuff
