

Episode 84: The Anunnaki, The Archons, & The Great Awakening w/ James Gilliland

ROUGHT TO YOU BY:

ConspiraTees.net

1
00:00:04,849 --> 00:00:02,899
people I gotta tell you about a little

2
00:00:06,680 --> 00:00:04,859
something we're calling the THC Money

3
00:00:08,299 --> 00:00:06,690
bomb the way it works is I'm gonna pull

4
00:00:10,640 --> 00:00:08,309
up all the donations I get before

5
00:00:12,860 --> 00:00:10,650
episode 85 and I'm gonna give half back

6
00:00:14,839 --> 00:00:12,870
to one of you listeners so if you can

7
00:00:16,760 --> 00:00:14,849
consider donating five or ten bucks to

8
00:00:18,560 --> 00:00:16,770
THC you'll be supporting to show you

9
00:00:20,179 --> 00:00:18,570
love and know that half your donation is

10
00:00:22,310 --> 00:00:20,189
gonna go to some random fairly

11
00:00:24,259 --> 00:00:22,320
like-minded individual hell it might

12
00:00:25,730 --> 00:00:24,269
even be you the more people we get

13
00:00:27,710 --> 00:00:25,740

involved the bigger impact we can

14

00:00:29,570 --> 00:00:27,720

collectively have I'm really sort of

15

00:00:30,950 --> 00:00:29,580

tired of just talking about community

16

00:00:32,990 --> 00:00:30,960

and helping people and I would rather

17

00:00:35,150 --> 00:00:33,000

just do it so if you're with me go to

18

00:00:37,100 --> 00:00:35,160

the higher Sun chats calm slash donate

19

00:00:38,720 --> 00:00:37,110

and to keep things kosher I must also

20

00:00:40,610 --> 00:00:38,730

add that you can get into the pool

21

00:00:42,650 --> 00:00:40,620

without a donation if five dollars is

22

00:00:45,529 --> 00:00:42,660

too much just send me a letter with your

23

00:00:48,139 --> 00:00:45,539

info - Greg Carl would p.o box six three

24

00:00:51,470 --> 00:00:48,149

five two two three San Diego California

25

00:00:53,689 --> 00:00:51,480

nine two one six three so there it is

26

00:00:55,369 --> 00:00:53,699

and if you've donated already thanks so

27

00:00:57,139 --> 00:00:55,379

much keep an eye on your PayPal account

28

00:01:33,040 --> 00:00:57,149

I might just blow it up

29

00:01:37,220 --> 00:01:35,510

how's it going outside shatters drinking

30

00:01:39,590 --> 00:01:37,230

a little drink and smoking a little

31

00:01:40,850 --> 00:01:39,600

smoke in San Diego I'm Greg Carl wood I

32

00:01:43,160 --> 00:01:40,860

hope you're doing well

33

00:01:44,690 --> 00:01:43,170

I hope the commitments of the holidays

34

00:01:46,219 --> 00:01:44,700

aren't overwhelming you're already

35

00:01:49,100 --> 00:01:46,229

cramped schedule I hope you're not

36

00:01:50,660 --> 00:01:49,110

getting sucked into the madness forced

37

00:01:53,180 --> 00:01:50,670

to express your feelings with cheap

38

00:01:55,610 --> 00:01:53,190

plastic [\h__\h] and electronics mind by

39

00:01:58,010 --> 00:01:55,620

slave children it's a balancing act

40

00:02:00,380 --> 00:01:58,020

I know I've packed so many applications

41

00:02:02,540 --> 00:02:00,390

into the next few weeks it's some days I

42

00:02:04,490 --> 00:02:02,550

just want to walk away from it all but I

43

00:02:06,350 --> 00:02:04,500

can't do that this trains got to keep

44

00:02:08,990 --> 00:02:06,360

moving the higher side chats audience

45

00:02:11,270 --> 00:02:09,000

has been great this week a few episodes

46

00:02:13,100 --> 00:02:11,280

ago I asked for some iTunes reviews and

47

00:02:15,740 --> 00:02:13,110

now we have almost double what we had

48

00:02:17,420 --> 00:02:15,750

before more people are finding the show

49

00:02:20,330 --> 00:02:17,430

and I thank everyone who took a second

50

00:02:22,759 --> 00:02:20,340

to do that that's that's awesome we are

51
00:02:24,350 --> 00:02:22,769
entering the final days of the THC Money

52
00:02:26,150 --> 00:02:24,360
bomb I'm going to have a winner on the

53
00:02:27,830 --> 00:02:26,160
next episode hopefully they'll talk to

54
00:02:30,440 --> 00:02:27,840
me for a minute or two that's exciting

55
00:02:32,240 --> 00:02:30,450
thanks for all the donations I got some

56
00:02:33,979 --> 00:02:32,250
great guests booked in the next two

57
00:02:36,050 --> 00:02:33,989
months I'm really happy with how things

58
00:02:37,729 --> 00:02:36,060
are going thanks everyone for pushing

59
00:02:40,310 --> 00:02:37,739
the higher side chat so long we're

60
00:02:40,640 --> 00:02:40,320
getting some serious clout I appreciate

61
00:02:46,729 --> 00:02:40,650
it

62
00:02:48,380 --> 00:02:46,739
very valuable so I guess I'm gonna

63
00:02:49,960 --> 00:02:48,390

provide this week's higher education

64

00:02:51,920 --> 00:02:49,970

because no one's around to do it for me

65

00:02:54,830 --> 00:02:51,930

sometimes I think we should just drop

66

00:02:58,400 --> 00:02:54,840

this segment it is a lot of work but

67

00:03:00,770 --> 00:02:58,410

here we go Tila Tequila the former

68

00:03:03,470 --> 00:03:00,780

reality television star said that Paul

69

00:03:06,740 --> 00:03:03,480

Walker's murder was ritualistic and was

70

00:03:08,330 --> 00:03:06,750

just like the murder of ELISA Lam a 21

71

00:03:10,820 --> 00:03:08,340

year old Canadian woman who was found

72

00:03:13,940 --> 00:03:10,830

dead in the rooftop water tank and the

73

00:03:15,349 --> 00:03:13,950

Cecil Hotel in LA earlier this year if

74

00:03:19,220 --> 00:03:15,359

you haven't heard that story look that

75

00:03:21,350 --> 00:03:19,230

up but Tila said I know who killed ELISA

76

00:03:23,720 --> 00:03:21,360

I believe I'm the only person on this

77

00:03:25,789 --> 00:03:23,730

entire planet who knows what happened I

78

00:03:27,710 --> 00:03:25,799

knew it the first time news of the

79

00:03:29,839 --> 00:03:27,720

strange video started circulating the

80

00:03:32,030 --> 00:03:29,849

internet weeks ago I've just kept my

81

00:03:34,940 --> 00:03:32,040

mouth shut because there's a lot more to

82

00:03:37,009 --> 00:03:34,950

it and of course with cases like this I

83

00:03:39,320 --> 00:03:37,019

just did not want to draw any attention

84

00:03:41,420 --> 00:03:39,330

to myself but I know exactly why they

85

00:03:43,970 --> 00:03:41,430

did it and yes it was indeed a

86

00:03:47,600 --> 00:03:43,980

ritualistic murder just like Paul

87

00:03:51,080 --> 00:03:47,610

Walker's what however for a Lisa's case

88

00:03:53,449 --> 00:03:51,090

I have so much detail that it might blow

89

00:03:55,490 --> 00:03:53,459

your mind I know it blew my mind and

90

00:03:57,319 --> 00:03:55,500

that's why I was debating on whether or

91

00:03:59,119 --> 00:03:57,329

not I should blog about it at all

92

00:04:01,490 --> 00:03:59,129

because I didn't want to have anything

93

00:04:04,369 --> 00:04:01,500

to do with it except for the fact that

94

00:04:08,360 --> 00:04:04,379

this ritual murder was directly linked

95

00:04:09,920 --> 00:04:08,370

to my ritual murder last year so kind of

96

00:04:14,599 --> 00:04:09,930

makes it hard for me to talk about

97

00:04:16,849 --> 00:04:14,609

well Tila we wouldn't want to expose a

98

00:04:19,789 --> 00:04:16,859

entire criminal network of ritualistic

99

00:04:21,830 --> 00:04:19,799

Satanists because it's hard for you to

100

00:04:23,360 --> 00:04:21,840

talk about now I'm just [h__h] around I

101
00:04:25,400 --> 00:04:23,370
rarely ask the listeners for anything

102
00:04:27,140 --> 00:04:25,410
but I'd really like everyone to message

103
00:04:29,210 --> 00:04:27,150
Tila Tequila and tell her she has to

104
00:04:32,300 --> 00:04:29,220
come on this show I've been trying but

105
00:04:34,190 --> 00:04:32,310
she hasn't responded in music news

106
00:04:36,350 --> 00:04:34,200
people may have heard of the lost

107
00:04:39,710 --> 00:04:36,360
profits in their frontman Ian Watkins

108
00:04:41,719 --> 00:04:39,720
while he has now admitted to charges

109
00:04:44,960 --> 00:04:41,729
eleven charges actually including

110
00:04:47,510 --> 00:04:44,970
attempts to rape a baby conspiring to

111
00:04:50,870 --> 00:04:47,520
rape another baby and making child

112
00:04:54,170 --> 00:04:50,880
pornography Watkins is on trial in wales

113
00:04:56,210 --> 00:04:54,180

along with two female fans who the court

114

00:04:59,420 --> 00:04:56,220

was told sexually abused their own

115

00:05:01,520 --> 00:04:59,430

children upon the rockers request police

116

00:05:03,890 --> 00:05:01,530

investigating Watkins reportedly found

117

00:05:05,930 --> 00:05:03,900

many of the horrific encounters

118

00:05:07,610 --> 00:05:05,940

including the attempted rape were

119

00:05:09,469 --> 00:05:07,620

recorded on a disc

120

00:05:11,360 --> 00:05:09,479

walkin' said that he could not remember

121

00:05:13,219 --> 00:05:11,370

committing the acts according to the

122

00:05:14,839 --> 00:05:13,229

Guardian but the court was told that he

123

00:05:17,120 --> 00:05:14,849

likely could have been high at the time

124

00:05:19,939 --> 00:05:17,130

the singer is a cocaine and crystal meth

125

00:05:21,980 --> 00:05:19,949

user and discussed forcing his victims

126

00:05:24,260 --> 00:05:21,990

to use drugs as well so I wonder if this

127

00:05:26,390 --> 00:05:24,270

is an isolated incident or a peek behind

128

00:05:28,339 --> 00:05:26,400

the curtain of a vast network of child

129

00:05:30,830 --> 00:05:28,349

trafficking within the shadows of the

130

00:05:33,050 --> 00:05:30,840

entertainment and political classes the

131

00:05:34,820 --> 00:05:33,060

distraction classes keep the people folk

132

00:05:37,040 --> 00:05:34,830

on you and we'll let you rape some kids

133

00:05:38,870 --> 00:05:37,050

in fact in fact we demand that you do it

134

00:05:41,840 --> 00:05:38,880

so we can then blackmail you into doing

135

00:05:43,670 --> 00:05:41,850

anything we want forever maybe in

136

00:05:45,050 --> 00:05:43,680

Watkins has nothing to lose now and

137

00:05:48,550 --> 00:05:45,060

wouldn't mind talking about the dark

138

00:05:51,620 --> 00:05:48,560

underworld of child trafficking in these

139

00:05:54,320 --> 00:05:51,630

elite classes maybe we should get him to

140

00:05:56,420 --> 00:05:54,330

and in [h__h] the police News a witness

141

00:05:58,760 --> 00:05:56,430

says he heard the sarcastic final words

142

00:06:01,780 --> 00:05:58,770

of a Texas student moments before he was

143

00:06:04,730 --> 00:06:01,790

shot dead by a college police officer

144

00:06:06,890 --> 00:06:04,740

Robert Reedus 23 years old was killed

145

00:06:08,600 --> 00:06:06,900

when corporal Chris Carter opened fire

146

00:06:10,580 --> 00:06:08,610

on him in the early hours of Friday

147

00:06:13,040 --> 00:06:10,590

morning a few blocks away from the

148

00:06:15,650 --> 00:06:13,050

University of the Incarnate Word in San

149

00:06:18,140 --> 00:06:15,660

Antonio where Reid has studied set to

150

00:06:21,320 --> 00:06:18,150

graduate in May neighbor Mohammad had

151
00:06:23,570 --> 00:06:21,330
Aris told my San Antonio that he heard a

152
00:06:26,300 --> 00:06:23,580
tense exchange between Rita's and Carter

153
00:06:28,730 --> 00:06:26,310
60 seconds before shots rang out he told

154
00:06:32,600 --> 00:06:28,740
the website I heard a man say oh you're

155
00:06:34,550 --> 00:06:32,610
gonna shoot me like sarcastic almost the

156
00:06:36,080 --> 00:06:34,560
22 year old claims he heard gunshots

157
00:06:38,630 --> 00:06:36,090
less than a minute later and jumped into

158
00:06:41,210 --> 00:06:38,640
his closet naturally investigators say

159
00:06:42,770 --> 00:06:41,220
that an altercation began when Carter

160
00:06:45,590 --> 00:06:42,780
tried to pull Reedus over for speeding

161
00:06:47,090 --> 00:06:45,600
and driving erratically it is not clear

162
00:06:49,340 --> 00:06:47,100
where Carter first tried to pull over

163
00:06:51,200 --> 00:06:49,350

etus but they both ended up in the

164

00:06:53,450 --> 00:06:51,210

parking lot of the tree House Apartments

165

00:06:55,610 --> 00:06:53,460

a witness who lives in the tree house

166

00:06:58,279 --> 00:06:55,620

Apartments described hearing five or six

167

00:07:00,409 --> 00:06:58,289

gunshots but no verbal warnings I didn't

168

00:07:02,240 --> 00:07:00,419

hear him say anything like get down get

169

00:07:04,010 --> 00:07:02,250

on your hands get on your knees you know

170

00:07:06,290 --> 00:07:04,020

I didn't hear him say anything he just

171

00:07:10,790 --> 00:07:06,300

started shooting he emptied the gun on

172

00:07:14,779 --> 00:07:10,800

him he said boom boom boom when are we

173

00:07:16,909 --> 00:07:14,789

going to acknowledge nationwide that

174

00:07:20,420 --> 00:07:16,919

police are more trigger-happy than ever

175

00:07:23,029 --> 00:07:20,430

and it's a goddamn problem and we need

176

00:07:25,460 --> 00:07:23,039

to do something about it but there's

177

00:07:27,529 --> 00:07:25,470

your enlightening and inspiring news of

178

00:07:29,900 --> 00:07:27,539

the week now we're gonna move on to my

179

00:07:35,300 --> 00:07:29,910

interview with james gilliland

180

00:07:37,640 --> 00:07:35,310

enjoy okay people strap in for another

181

00:07:39,380 --> 00:07:37,650

wild ride we hear stories of beans in

182

00:07:41,060 --> 00:07:39,390

the inner earth and higher dimensions

183

00:07:43,340 --> 00:07:41,070

but to the uninitiated they're only

184

00:07:45,620 --> 00:07:43,350

stories lucky for us we have a man who's

185

00:07:47,360 --> 00:07:45,630

no stranger to UFO contact ET

186

00:07:50,330 --> 00:07:47,370

communication and a higher dimensional

187

00:07:52,730 --> 00:07:50,340

travel james gilliland founded the East

188

00:07:53,960 --> 00:07:52,740

SETI ranch in Trout Lake Washington were

189

00:07:55,610 --> 00:07:53,970

enlightened contact with

190

00:07:58,040 --> 00:07:55,620

extraterrestrial beings as an almost

191

00:08:00,140 --> 00:07:58,050

daily occurrence he's also a teacher and

192

00:08:02,480 --> 00:08:00,150

facilitator of many Eastern disciplines

193

00:08:04,430 --> 00:08:02,490

and is considered a visionary dedicated

194

00:08:05,450 --> 00:08:04,440

to the awakening and healing of humanity

195

00:08:07,580 --> 00:08:05,460

and the earth itself

196

00:08:09,260 --> 00:08:07,590

he's the Duncan Trussell of ufology and

197

00:08:11,720 --> 00:08:09,270

I'm super happy to have him here James

198

00:08:14,510 --> 00:08:11,730

welcome to THC I'm glad to be on the

199

00:08:16,280 --> 00:08:14,520

show yeah man I am so pumped for this

200

00:08:18,320 --> 00:08:16,290

lots of interesting things I want to ask

201
00:08:20,030 --> 00:08:18,330
you about and I don't want to just

202
00:08:22,190 --> 00:08:20,040
rehash the same questions you get asked

203
00:08:24,680 --> 00:08:22,200
all the time but we really have to start

204
00:08:26,180 --> 00:08:24,690
with ecity ever since I've heard about

205
00:08:28,250 --> 00:08:26,190
it I just wanted to go because I'm

206
00:08:29,810 --> 00:08:28,260
looking for that personal validation so

207
00:08:31,540 --> 00:08:29,820
for the people who aren't familiar with

208
00:08:35,920 --> 00:08:31,550
the ranch what can you tell us about it

209
00:08:39,409 --> 00:08:35,930
well it was founded in 1986 and

210
00:08:41,060 --> 00:08:39,419
basically on a vision where I kept

211
00:08:43,880 --> 00:08:41,070
seeing a beautiful mountain in front of

212
00:08:47,300 --> 00:08:43,890
me a big mountain and then a river and

213
00:08:49,250 --> 00:08:47,310

just a beautiful piece of property but I

214

00:08:51,290 --> 00:08:49,260

kept seeing the words little mountain in

215

00:08:53,350 --> 00:08:51,300

the vision it didn't make sense and

216

00:08:56,270 --> 00:08:53,360

there was a small mountain at the

217

00:08:59,780 --> 00:08:56,280

backside of the ranch if you go if you

218

00:09:02,870 --> 00:08:59,790

look towards the south so it was it was

219

00:09:04,730 --> 00:09:02,880

really interesting that when I found

220

00:09:06,590 --> 00:09:04,740

that ranch actually it ended up being on

221

00:09:09,920 --> 00:09:06,600

little mountain road so I didn't know

222

00:09:12,050 --> 00:09:09,930

why they kept giving me that message but

223

00:09:15,710 --> 00:09:12,060

I wanted to give a little heads up I am

224

00:09:18,320 --> 00:09:15,720

down in Mexico and and so it's you know

225

00:09:20,060 --> 00:09:18,330

it's it's the loud country I was just

226

00:09:22,400 --> 00:09:20,070

gonna say I'm hearing some some kind of

227

00:09:24,040 --> 00:09:22,410

animal a dog or something yeah yeah so

228

00:09:29,540 --> 00:09:24,050

you might hear that in the background

229

00:09:32,750 --> 00:09:29,550

okay hopefully it'll calm down yeah yes

230

00:09:36,310 --> 00:09:32,760

a little chihuahua that's fitting for

231

00:09:39,380 --> 00:09:36,320

Mexico yeah yeah yeah but anyway the

232

00:09:41,240 --> 00:09:39,390

basically is it was came from visions

233

00:09:42,890 --> 00:09:41,250

and I had a near-death experience blew

234

00:09:43,480 --> 00:09:42,900

me wide open and drowned and crossed

235

00:09:45,669 --> 00:09:43,490

over

236

00:09:48,460 --> 00:09:45,679

when I came back they left the door open

237

00:09:49,540 --> 00:09:48,470

so I have would be like an inner

238

00:09:52,689 --> 00:09:49,550

dimension of mind

239

00:09:54,160 --> 00:09:52,699

oh man and so I can go back and forth

240

00:09:55,749 --> 00:09:54,170

you know between the dimensions and

241

00:09:58,239 --> 00:09:55,759

experience the different beans on those

242

00:10:00,850 --> 00:09:58,249

dimensions yeah see that type of insight

243

00:10:02,919 --> 00:10:00,860

is super valuable and I'd like to

244

00:10:05,169 --> 00:10:02,929

extract as much as I can from that but

245

00:10:06,460 --> 00:10:05,179

as far as ESET he's concerned for people

246

00:10:09,999 --> 00:10:06,470

who aren't familiar I mean that is a

247

00:10:13,869 --> 00:10:10,009

you've built this ranch near Mount Adams

248

00:10:17,350 --> 00:10:13,879

in Washington Trout Lake and do you see

249

00:10:21,129 --> 00:10:17,360

orbs and UFOs all the time at this ranch

250

00:10:23,319 --> 00:10:21,139

correct yeah it's an ongoing thing we we

251
00:10:25,239 --> 00:10:23,329
have some law scientists come out and

252
00:10:27,280 --> 00:10:25,249
bring their equipment we have all kinds

253
00:10:29,889 --> 00:10:27,290
of you know third-generation military

254
00:10:31,840 --> 00:10:29,899
equipment night gear hooked up to

255
00:10:34,749 --> 00:10:31,850
cameras and hooked up to all kinds of

256
00:10:39,970 --> 00:10:34,759
things so it's it's something that's

257
00:10:42,489 --> 00:10:39,980
just basically ongoing and never you

258
00:10:45,400 --> 00:10:42,499
know it hasn't stopped I might have to

259
00:10:47,559 --> 00:10:45,410
move this location or yeah man is there

260
00:10:49,329 --> 00:10:47,569
a is there a quieter spot or a door or

261
00:10:51,999 --> 00:10:49,339
window you can close or anything like

262
00:10:54,280 --> 00:10:52,009
that unfortunately not with this one

263
00:10:57,069 --> 00:10:54,290

because I'm out on a patio and that's oh

264

00:11:01,569 --> 00:10:57,079

man available but well it'll probably

265

00:11:03,400 --> 00:11:01,579

calm down here yeah they usually do so

266

00:11:06,129 --> 00:11:03,410

that is kind of crazy though you be in

267

00:11:10,299 --> 00:11:06,139

Mexico I've you know living in America

268

00:11:12,699 --> 00:11:10,309

and seeing the matrix that were victims

269

00:11:14,049 --> 00:11:12,709

of in the middle class here I've often

270

00:11:15,549 --> 00:11:14,059

thought about going to some other

271

00:11:17,350 --> 00:11:15,559

country well how do you feel about

272

00:11:19,090 --> 00:11:17,360

Mexico down there what part are you in

273

00:11:21,879 --> 00:11:19,100

how much do you like it do you see the

274

00:11:26,350 --> 00:11:21,889

differences well yeah definitely

275

00:11:29,619 --> 00:11:26,360

the it's here it's you know funny people

276

00:11:31,900 --> 00:11:29,629

have all these things about fear and you

277

00:11:33,369 --> 00:11:31,910

know all these other things about Mexico

278

00:11:34,840 --> 00:11:33,379

I've been coming down here for probably

279

00:11:37,539 --> 00:11:34,850

eight years now and I actually feel

280

00:11:39,039 --> 00:11:37,549

safer here than I do in the States

281

00:11:40,480 --> 00:11:39,049

because I know in the states they're

282

00:11:43,389 --> 00:11:40,490

always looking for me and they're always

283

00:11:45,340 --> 00:11:43,399

you know pulling Pro stunts stunts with

284

00:11:48,460 --> 00:11:45,350

you know black helicopters and and

285

00:11:51,999 --> 00:11:48,470

satellites and putting up equipment and

286

00:11:53,739 --> 00:11:52,009

gear on another mountain so across from

287

00:11:55,749 --> 00:11:53,749

us so you know they're always playing

288

00:11:56,329 --> 00:11:55,759

around with psychotronics and you name

289

00:12:00,350 --> 00:11:56,339

it so

290

00:12:01,759 --> 00:12:00,360

you know here here I do a lot safer down

291

00:12:03,110 --> 00:12:01,769

in Mexico than I do with our own

292

00:12:05,059 --> 00:12:03,120

government

293

00:12:06,829 --> 00:12:05,069

that's so funny it's so backwards

294

00:12:10,369 --> 00:12:06,839

probably to a lot of people who are here

295

00:12:12,679 --> 00:12:10,379

think that there's no security in Mexico

296

00:12:14,269 --> 00:12:12,689

that it's just the Wild West but you

297

00:12:16,220 --> 00:12:14,279

know it's if anybody's gonna [h__h] with

298

00:12:18,110 --> 00:12:16,230

me here it's gonna be police you know

299

00:12:20,119 --> 00:12:18,120

regular people don't bother me it's

300

00:12:22,429 --> 00:12:20,129

always always police that are causing

301

00:12:23,989 --> 00:12:22,439

trouble in my life yeah it's true

302

00:12:26,420 --> 00:12:23,999

that's the way and you know it is it's

303

00:12:27,829 --> 00:12:26,430

here you know they just don't bother you

304

00:12:29,809 --> 00:12:27,839

don't bother him that they don't bother

305

00:12:31,759 --> 00:12:29,819

you and if you're not you know dealing

306

00:12:34,100 --> 00:12:31,769

drugs or doing something you know of a

307

00:12:35,119 --> 00:12:34,110

nefarious nature they just pretty much

308

00:12:38,090 --> 00:12:35,129

everybody leaves you alone

309

00:12:40,910 --> 00:12:38,100

oh man look that's that right there's a

310

00:12:41,480 --> 00:12:40,920

paradise in my eyes you just want to be

311

00:12:45,259 --> 00:12:41,490

left alone

312

00:12:47,689 --> 00:12:45,269

but anyway back to ISA T in this Mount

313

00:12:49,489 --> 00:12:47,699

Adams area I mean it has a long history

314

00:12:51,799 --> 00:12:49,499

of UFO activity right I mean some people

315

00:12:53,329 --> 00:12:51,809

claim that there's either an ET base in

316

00:12:54,889 --> 00:12:53,339

the mountain or there's some type of

317

00:12:57,949 --> 00:12:54,899

opening to the Inner Earth there what's

318

00:13:00,350 --> 00:12:57,959

your opinion yeah there's all the above

319

00:13:02,119 --> 00:13:00,360

it's it's basically a Stargate so we

320

00:13:04,730 --> 00:13:02,129

have things coming in from the top and

321

00:13:08,509 --> 00:13:04,740

then there's a door that opens up in the

322

00:13:11,299 --> 00:13:08,519

mountain itself and and so we get a lot

323

00:13:13,220 --> 00:13:11,309

of activity you know there and we've got

324

00:13:15,019 --> 00:13:13,230

that on film actually this huge light

325

00:13:18,919 --> 00:13:15,029

door opening up and ships coming in and

326

00:13:20,329 --> 00:13:18,929

out of the the doorway so so we have

327

00:13:22,009 --> 00:13:20,339

both going on we have the in earth

328

00:13:25,970 --> 00:13:22,019

connection going on there and the

329

00:13:27,710 --> 00:13:25,980

Stargate Wow I actually heard like as

330

00:13:29,629 --> 00:13:27,720

far as the Stargate is concerned there's

331

00:13:31,759 --> 00:13:29,639

there's researchers out there that talk

332

00:13:33,949 --> 00:13:31,769

about ley lines and at these certain

333

00:13:37,610 --> 00:13:33,959

energy nodes there are some type of

334

00:13:38,960 --> 00:13:37,620

natural dimensional gateways a lot of

335

00:13:41,869 --> 00:13:38,970

people suggest that that's what the

336

00:13:45,199 --> 00:13:41,879

Bermuda Triangle really is is this on

337

00:13:48,889 --> 00:13:45,209

some type of ley line or energy node

338

00:13:51,079 --> 00:13:48,899

that you know of yeah it is definitely a

339

00:13:53,569 --> 00:13:51,089

vortex and there's two major lines that

340

00:13:57,470 --> 00:13:53,579

cross there at the ranch and there's

341

00:13:59,509 --> 00:13:57,480

like an orb highway there that it's just

342

00:14:01,819 --> 00:13:59,519

amazing we go out at night we can see

343

00:14:04,369 --> 00:14:01,829

just you know literally thousands of

344

00:14:07,400 --> 00:14:04,379

orbs going by you know in in like a

345

00:14:09,950 --> 00:14:07,410

channel of energy that's amazing man I

346

00:14:11,810 --> 00:14:09,960

mean seeing all these tons of UFOs and

347

00:14:13,520 --> 00:14:11,820

rafts and orbs over a long period of

348

00:14:15,260 --> 00:14:13,530

time are there any sightings that really

349

00:14:20,240 --> 00:14:15,270

stand out to you from what you normally

350

00:14:22,340 --> 00:14:20,250

see there yeah I would say boy I mean

351

00:14:25,100 --> 00:14:22,350

we've had stuff come down and land on

352

00:14:27,200 --> 00:14:25,110

the mountain and morph into as many as 3

353

00:14:30,230 --> 00:14:27,210

& 4 ships and then go back to one again

354

00:14:32,540 --> 00:14:30,240

and then do it 3 or 4 times and then

355

00:14:36,380 --> 00:14:32,550

take off and then a military jet chase

356

00:14:39,050 --> 00:14:36,390

it and it just led the jet off and then

357

00:14:41,270 --> 00:14:39,060

it came back you know after the jet you

358

00:14:42,740 --> 00:14:41,280

know chased it off it just around pop

359

00:14:45,380 --> 00:14:42,750

right back on the mountain again it went

360

00:14:47,060 --> 00:14:45,390

about its business so we have we

361

00:14:49,790 --> 00:14:47,070

actually film the whole the whole event

362

00:14:52,340 --> 00:14:49,800

so we have a lot of things like that I

363

00:14:54,770 --> 00:14:52,350

think you know when when they make a

364

00:14:56,780 --> 00:14:54,780

right act right angle turn it you know

365

00:14:58,670 --> 00:14:56,790

several thousand miles an hour or they

366

00:15:01,760 --> 00:14:58,680

they come over and they flare up and

367

00:15:04,910 --> 00:15:01,770

respond to the people on the ground you

368

00:15:06,380 --> 00:15:04,920

know that to me is pretty amazing yeah

369

00:15:09,830 --> 00:15:06,390

I've seen a lot of those videos on your

370

00:15:13,010 --> 00:15:09,840

site and they do look pretty convincing

371

00:15:14,450 --> 00:15:13,020

nah it it's it's hard because when

372

00:15:16,520 --> 00:15:14,460

you're looking through the perspective

373

00:15:18,770 --> 00:15:16,530

of a camera it's not really the same and

374

00:15:20,510 --> 00:15:18,780

some of them look so far off in the

375

00:15:22,640 --> 00:15:20,520

distance and I know that when I filmed

376

00:15:24,860 --> 00:15:22,650

things outside before usually they look

377

00:15:29,300 --> 00:15:24,870

further in the camera than they do

378

00:15:30,710 --> 00:15:29,310

actually mm-hmm and but I mean still

379

00:15:32,000 --> 00:15:30,720

they they definitely look like

380

00:15:33,710 --> 00:15:32,010

something's going on there and I've seen

381

00:15:35,710 --> 00:15:33,720

the Jets scramble and tried to chase

382

00:15:38,090 --> 00:15:35,720

something so that's also compelling oh

383

00:15:39,980 --> 00:15:38,100

yeah we had on my birthday I was

384

00:15:41,600 --> 00:15:39,990

meditating and I asked him you know for

385

00:15:44,510 --> 00:15:41,610

a birthday present just fly over the

386

00:15:47,150 --> 00:15:44,520

house and they did and they they flew

387

00:15:49,490 --> 00:15:47,160

over the house and came in treetop level

388

00:15:51,860 --> 00:15:49,500

and then powered the ship up and just

389

00:15:53,780 --> 00:15:51,870

lit the whole sky up so Wow some of

390

00:15:56,000 --> 00:15:53,790

these things will have like four or five

391

00:15:58,160 --> 00:15:56,010

cameras on them sometimes two to three

392

00:16:00,860 --> 00:15:58,170

cameras or will have as many as 200

393

00:16:03,380 --> 00:16:00,870

people witnesses to go along with the

394

00:16:05,240 --> 00:16:03,390

footage so you know it's hard to deny

395

00:16:07,370 --> 00:16:05,250

especially when you have you know triple

396

00:16:10,670 --> 00:16:07,380

PhD Boeing engineers and skunkworks

397

00:16:12,590 --> 00:16:10,680

people and Lockheed and Air Force Base

398

00:16:14,450 --> 00:16:12,600

commanders and pilots you know all

399

00:16:18,470 --> 00:16:14,460

testifying that you know this is a

400

00:16:20,300 --> 00:16:18,480

really vent that is crazy man I mean why

401
00:16:22,190 --> 00:16:20,310
do you think this is occurring what you

402
00:16:23,780 --> 00:16:22,200
think is there there's obviously some

403
00:16:25,190 --> 00:16:23,790
type of contact telepath

404
00:16:28,040 --> 00:16:25,200
involved if you're calling them on your

405
00:16:30,290 --> 00:16:28,050
birthday to fly over yeah well we've had

406
00:16:32,240 --> 00:16:30,300
you know it's a big joke here because

407
00:16:33,170 --> 00:16:32,250
winds contact gonna happen and we always

408
00:16:36,230 --> 00:16:33,180
said well where have you been in the

409
00:16:39,140 --> 00:16:36,240
last 25 years but contacts been ongoing

410
00:16:40,820 --> 00:16:39,150
it's been going on even before Egyptian

411
00:16:43,460 --> 00:16:40,830
times and it's but you know well

412
00:16:46,940 --> 00:16:43,470
recorded back then and you know in the

413
00:16:48,980 --> 00:16:46,950

Mayan times and and so you know it's an

414

00:16:51,410 --> 00:16:48,990

ongoing thing it's a matter of rising to

415

00:16:55,160 --> 00:16:51,420

the occasion but if if you're gonna be

416

00:16:58,130 --> 00:16:55,170

brainwashed and and wait for the you

417

00:17:00,410 --> 00:16:58,140

know the officialdom to tell you that

418

00:17:02,570 --> 00:17:00,420

it's real and that contact is happening

419

00:17:03,920 --> 00:17:02,580

and things like that then you know

420

00:17:05,450 --> 00:17:03,930

you're giving your power where you're

421

00:17:08,120 --> 00:17:05,460

missing the boat because everything's

422

00:17:10,010 --> 00:17:08,130

external yeah and you're waiting for

423

00:17:12,470 --> 00:17:10,020

some external authority to tell you it's

424

00:17:15,350 --> 00:17:12,480

okay to to believe in what you already

425

00:17:18,950 --> 00:17:15,360

know is happening you know so it's kind

426
00:17:20,360 --> 00:17:18,960
of ridiculous yeah I mean let's back up

427
00:17:22,730 --> 00:17:20,370
a little bit can you give us a little

428
00:17:24,080 --> 00:17:22,740
history as it pertains to et conduct I

429
00:17:26,270 --> 00:17:24,090
mean there's a lot of researchers out

430
00:17:28,610 --> 00:17:26,280
there that are have been talking about

431
00:17:30,260 --> 00:17:28,620
this that this long timeline of

432
00:17:31,700 --> 00:17:30,270
intervention but I hear a lot of

433
00:17:33,200 --> 00:17:31,710
different versions of the story and I'd

434
00:17:35,240 --> 00:17:33,210
like to hear your perspective on the

435
00:17:37,820 --> 00:17:35,250
story of the Anunnaki and the archons

436
00:17:39,620 --> 00:17:37,830
and how there are still some effects of

437
00:17:43,880 --> 00:17:39,630
that history today if you wouldn't mind

438
00:17:46,180 --> 00:17:43,890

oh wow that's a long one yeah the the

439

00:17:48,320 --> 00:17:46,190

the basically you know we've been

440

00:17:51,560 --> 00:17:48,330

colonized you know there's been

441

00:17:54,410 --> 00:17:51,570

colonized for we have historical

442

00:17:57,530 --> 00:17:54,420

artifacts and things that go back 650

443

00:17:59,360 --> 00:17:57,540

million years and if you want to look up

444

00:18:01,910 --> 00:17:59,370

that just go to you know Michael Cremona

445

00:18:05,390 --> 00:18:01,920

work forbidden archeology yes you know

446

00:18:07,120 --> 00:18:05,400

that's all very well documented but you

447

00:18:09,770 --> 00:18:07,130

know one of the stories goes back to

448

00:18:12,800 --> 00:18:09,780

450,000 years which they talk about the

449

00:18:16,010 --> 00:18:12,810

Anunnaki who came here and they brought

450

00:18:17,930 --> 00:18:16,020

their own people the GG you know to to

451
00:18:19,790 --> 00:18:17,940
help mine for gold cuz they're creating

452
00:18:21,950 --> 00:18:19,800
gold as an aerosol to protect their

453
00:18:25,820 --> 00:18:21,960
planet mm-hmm and it swings around the

454
00:18:28,940 --> 00:18:25,830
Sun you know so they were doing a lot of

455
00:18:31,490 --> 00:18:28,950
lot of work on that level and they had a

456
00:18:33,730 --> 00:18:31,500
big rebellion so they they took a

457
00:18:36,920 --> 00:18:33,740
Neanderthal man a knuckle-dragger and

458
00:18:38,810 --> 00:18:36,930
they jumped his genetics up

459
00:18:41,930 --> 00:18:38,820
and so they here's a win-win situation

460
00:18:45,070 --> 00:18:41,940
basically because the the Neanderthal

461
00:18:49,490 --> 00:18:45,080
man got a huge leap in consciousness and

462
00:18:51,500 --> 00:18:49,500
evolution and and and they continued to

463
00:18:54,890 --> 00:18:51,510

work with them and continue to upgrade

464

00:18:57,290 --> 00:18:54,900

them as it went along and they got the

465

00:18:58,760 --> 00:18:57,300

labor they needed for the gold you know

466

00:19:01,400 --> 00:18:58,770

to get the gold they needed to save

467

00:19:05,300 --> 00:19:01,410

their planet and so the original

468

00:19:09,200 --> 00:19:05,310

Anunnaki were very aboveboard they

469

00:19:12,110 --> 00:19:09,210

operated under universal law they they

470

00:19:14,960 --> 00:19:12,120

were highly you know spiritual very very

471

00:19:16,910 --> 00:19:14,970

evolved in the hound a Council of twelve

472

00:19:20,150 --> 00:19:16,920

which were six men and six women on that

473

00:19:22,100 --> 00:19:20,160

Council and when they when they got what

474

00:19:26,270 --> 00:19:22,110

they need and they left they left a

475

00:19:28,250 --> 00:19:26,280

group of theirs behind and and the

476

00:19:29,810 --> 00:19:28,260

problem was is with the Fallen once the

477

00:19:31,910 --> 00:19:29,820

group they left behind they're the ones

478

00:19:34,040 --> 00:19:31,920

that screwed everything up you know when

479

00:19:36,530 --> 00:19:34,050

they left you know and they got into

480

00:19:38,150 --> 00:19:36,540

power tree trips and greed and you know

481

00:19:40,790 --> 00:19:38,160

they were the original Hatfield and

482

00:19:42,680 --> 00:19:40,800

McCoys they got into all kinds of turf

483

00:19:45,470 --> 00:19:42,690

wars and things like that but there was

484

00:19:48,680 --> 00:19:45,480

no council anymore to govern them so

485

00:19:50,450 --> 00:19:48,690

they kind of run amok and fell in

486

00:19:53,890 --> 00:19:50,460

consciousness and and we're still

487

00:19:57,080 --> 00:19:53,900

dealing with that today that impact of

488

00:19:59,480 --> 00:19:57,090

you know wrathful gods and loving

489

00:20:02,870 --> 00:19:59,490

creative gods and all these images the

490

00:20:06,500 --> 00:20:02,880

bearded gods you know all those images

491

00:20:09,290 --> 00:20:06,510

go back to the ancient Anunnaki and do

492

00:20:10,910 --> 00:20:09,300

you think the global elite of today the

493

00:20:14,600 --> 00:20:10,920

people who have run us from the shadows

494

00:20:18,050 --> 00:20:14,610

do you think they have at least taken up

495

00:20:19,790 --> 00:20:18,060

the example of these early beans or do

496

00:20:21,920 --> 00:20:19,800

you think that we're still under the

497

00:20:24,530 --> 00:20:21,930

control of these same bloodlines from

498

00:20:26,420 --> 00:20:24,540

some shadowy place yeah there's still

499

00:20:28,760 --> 00:20:26,430

there's when the problem was with the

500

00:20:32,930 --> 00:20:28,770

Anunnaki is one particular one named our

501
00:20:34,850 --> 00:20:32,940
Duke he he fell he wanted total control

502
00:20:35,990 --> 00:20:34,860
of the earth and even went to war

503
00:20:38,540 --> 00:20:36,000
against his own people

504
00:20:42,680 --> 00:20:38,550
and he made an alliance with these

505
00:20:44,870 --> 00:20:42,690
reptilian beings and so that is just a

506
00:20:46,940 --> 00:20:44,880
big mess it's still plaguing us to this

507
00:20:49,250 --> 00:20:46,950
day and that's what the Illuminati the

508
00:20:50,630 --> 00:20:49,260
you know the Fallen Illuminati those

509
00:20:51,980 --> 00:20:50,640
groups that's what they align

510
00:20:54,980 --> 00:20:51,990
selves with because all they care about

511
00:20:56,150 --> 00:20:54,990
is power and wealth and greed and power

512
00:20:58,280 --> 00:20:56,160
over others they don't care about

513
00:21:00,860 --> 00:20:58,290

anything else and and that's that that

514

00:21:03,740 --> 00:21:00,870

consciousness we know I've heard stories

515

00:21:05,840 --> 00:21:03,750

of Eisenhower meeting with the greys and

516

00:21:07,820 --> 00:21:05,850

exchanging technology for the ability to

517

00:21:11,570 --> 00:21:07,830

abduct a certain percentage of the

518

00:21:14,000 --> 00:21:11,580

population stories like that stories

519

00:21:17,000 --> 00:21:14,010

that you know they are at the higher

520

00:21:21,050 --> 00:21:17,010

levels making sacrifices to absorb the

521

00:21:22,820 --> 00:21:21,060

energy to these beans do you think our

522

00:21:24,290 --> 00:21:22,830

government has made these types of deals

523

00:21:25,460 --> 00:21:24,300

with certain et's or do you think

524

00:21:28,910 --> 00:21:25,470

they're just as clueless as the

525

00:21:31,070 --> 00:21:28,920

population in modern times no they've

526

00:21:32,990 --> 00:21:31,080

been trading genetics for technology for

527

00:21:35,990 --> 00:21:33,000

quite some time and that's where all the

528

00:21:38,390 --> 00:21:36,000

abduction scenario goes into and some of

529

00:21:41,150 --> 00:21:38,400

these low-level beans actually prey on

530

00:21:42,860 --> 00:21:41,160

the negativity they prey on the on the

531

00:21:45,080 --> 00:21:42,870

fear and the pain and the suffering you

532

00:21:47,540 --> 00:21:45,090

know that's they actually want all the

533

00:21:49,160 --> 00:21:47,550

wars and they want all the you know the

534

00:21:51,970 --> 00:21:49,170

poverty and the disease and everything

535

00:21:55,760 --> 00:21:51,980

else they actually feed off of that

536

00:21:57,620 --> 00:21:55,770

man you know I actually I love hearing

537

00:22:00,170 --> 00:21:57,630

about stories of higher-dimensional

538

00:22:02,780 --> 00:22:00,180

beans and positive ETS that can be

539

00:22:04,550 --> 00:22:02,790

guiding us from the shadows and you know

540

00:22:06,140 --> 00:22:04,560

or beans deep inside the earth that

541

00:22:08,000 --> 00:22:06,150

pushes towards a more peaceful and

542

00:22:10,130 --> 00:22:08,010

harmonious society but I just haven't

543

00:22:12,140 --> 00:22:10,140

got enough validation to commit to that

544

00:22:13,940 --> 00:22:12,150

idea I mean even though I love to hear

545

00:22:16,520 --> 00:22:13,950

about it I just worry that it might be a

546

00:22:18,620 --> 00:22:16,530

version of this tendency people have to

547

00:22:21,920 --> 00:22:18,630

look for leadership or a Savior because

548

00:22:25,520 --> 00:22:21,930

the truth of these negative entities the

549

00:22:27,950 --> 00:22:25,530

truth of how concise this control grid

550

00:22:29,420 --> 00:22:27,960

is it can be really overwhelming to deal

551
00:22:32,540 --> 00:22:29,430
with you know I mean what would you say

552
00:22:34,640 --> 00:22:32,550
to that well the good news is there are

553
00:22:36,590 --> 00:22:34,650
benevolent beans that are much more

554
00:22:38,930 --> 00:22:36,600
evolved much more powerful and they have

555
00:22:42,170 --> 00:22:38,940
they have creational energy technology

556
00:22:44,000 --> 00:22:42,180
they're far beyond these dark forces and

557
00:22:47,630 --> 00:22:44,010
they're their time is up I mean they

558
00:22:49,640 --> 00:22:47,640
they're actually they on the highest

559
00:22:52,700 --> 00:22:49,650
levels on the darkest levels you might

560
00:22:54,440 --> 00:22:52,710
say they're being taken out and you need

561
00:22:56,260 --> 00:22:54,450
the Fallen Anunnaki are actually being

562
00:22:58,310 --> 00:22:56,270
called before the council because the

563
00:23:01,250 --> 00:22:58,320

benevolent councils back they just

564

00:23:03,310 --> 00:23:01,260

returned and you're seeing a huge

565

00:23:05,530 --> 00:23:03,320

unraveling now of the power

566

00:23:07,750 --> 00:23:05,540

that were you know from the top down and

567

00:23:09,700 --> 00:23:07,760

and the Illuminati are doing their

568

00:23:12,490 --> 00:23:09,710

ceremonies and there's nobody there you

569

00:23:13,900 --> 00:23:12,500

know and they're calling on guidance now

570

00:23:15,400 --> 00:23:13,910

and you see that's why they're

571

00:23:18,460 --> 00:23:15,410

floundering and making so many mistakes

572

00:23:20,590 --> 00:23:18,470

and making so many screw-ups is because

573

00:23:22,270 --> 00:23:20,600

they don't have the connections anymore

574

00:23:24,730 --> 00:23:22,280

of the context because they're being

575

00:23:27,340 --> 00:23:24,740

removed from the top down is there

576

00:23:31,500 --> 00:23:27,350

anything that shows through in the

577

00:23:36,400 --> 00:23:31,510

mainstream that you know points to that

578

00:23:39,100 --> 00:23:36,410

well yeah you can see a lot of the the

579

00:23:41,470 --> 00:23:39,110

old program is totally unraveling you

580

00:23:43,330 --> 00:23:41,480

can see it you know with the banksters

581

00:23:48,250 --> 00:23:43,340

with everything else it's reached its

582

00:23:50,080 --> 00:23:48,260

apex of greed you know and and it just

583

00:23:52,030 --> 00:23:50,090

can't go any further and there's no

584

00:23:53,950 --> 00:23:52,040

foundation for it anymore there's

585

00:23:56,440 --> 00:23:53,960

there's nothing to feed this massive

586

00:23:58,030 --> 00:23:56,450

pyramid they've created so it's just a

587

00:24:00,100 --> 00:23:58,040

matter of time before that that

588

00:24:02,050 --> 00:24:00,110

collapses in on itself so that's going

589

00:24:05,080 --> 00:24:02,060

to implode all those power structures

590

00:24:06,670 --> 00:24:05,090

the mega corporations are imploding

591

00:24:08,560 --> 00:24:06,680

people are waking up you know you can

592

00:24:11,590 --> 00:24:08,570

see like month on Satan you know are

593

00:24:14,200 --> 00:24:11,600

Monsanto yeah really getting hammered

594

00:24:15,580 --> 00:24:14,210

right now from every angle and and I've

595

00:24:18,070 --> 00:24:15,590

been helping with that actually I've

596

00:24:20,410 --> 00:24:18,080

been helping some people that are

597

00:24:23,110 --> 00:24:20,420

actually writing legislation and getting

598

00:24:26,020 --> 00:24:23,120

it out there and and supporting that you

599

00:24:30,220 --> 00:24:26,030

know especially in Hawaii with some

600

00:24:32,080 --> 00:24:30,230

council uh Margaret Willy is one of them

601
00:24:34,720 --> 00:24:32,090
that wrote this legislation it's

602
00:24:38,440 --> 00:24:34,730
beginning to put a slowdown on all this

603
00:24:39,820 --> 00:24:38,450
stuff so you know it's it's you know

604
00:24:42,220 --> 00:24:39,830
people are waking up they're being

605
00:24:44,950 --> 00:24:42,230
educated because of shows like this and

606
00:24:48,430 --> 00:24:44,960
people are starting to rise up and just

607
00:24:50,620 --> 00:24:48,440
say enough is enough but the the reason

608
00:24:52,600 --> 00:24:50,630
people are awakened and rising is

609
00:24:55,000 --> 00:24:52,610
because the old grid the old

610
00:24:55,900 --> 00:24:55,010
consciousness grid is imploding that's

611
00:24:58,210 --> 00:24:55,910
falling apart

612
00:25:01,410 --> 00:24:58,220
and there's a new fifth dimensional grid

613
00:25:05,020 --> 00:25:01,420

pressing in hard and taking its place

614

00:25:08,110 --> 00:25:05,030

and when you say fifth dimensional grid

615

00:25:09,400 --> 00:25:08,120

do you it like you know I hear a lot of

616

00:25:12,160 --> 00:25:09,410

people talking about raising their

617

00:25:14,800 --> 00:25:12,170

vibration or resonating at a higher

618

00:25:16,620 --> 00:25:14,810

frequency through meditation and through

619

00:25:17,880 --> 00:25:16,630

some of these Eastern practices

620

00:25:22,980 --> 00:25:17,890

is this something you wouldn't recognize

621

00:25:25,650 --> 00:25:22,990

unless you were well and tuned well it

622

00:25:28,380 --> 00:25:25,660

there's a multi-level event going on so

623

00:25:31,800 --> 00:25:28,390

you'll see on a bass foundational one

624

00:25:33,300 --> 00:25:31,810

you'll see things getting exposed almost

625

00:25:35,910 --> 00:25:33,310

immediately you'll see almost like

626

00:25:37,590 --> 00:25:35,920

Instant Karma happening like the

627

00:25:40,970 --> 00:25:37,600

action-reaction principle is being

628

00:25:42,900 --> 00:25:40,980

accelerated you'll see a lot of

629

00:25:45,390 --> 00:25:42,910

relationship stuff where there's a lot

630

00:25:47,550 --> 00:25:45,400

of tyranny going on a lot of control

631

00:25:49,530 --> 00:25:47,560

issues coming up and you know the old

632

00:25:52,260 --> 00:25:49,540

wounds and traumas of the past are all

633

00:25:54,150 --> 00:25:52,270

surfacing you know to be healed and and

634

00:25:56,160 --> 00:25:54,160

there's waves of energy that are coming

635

00:25:57,750 --> 00:25:56,170

through and doing that and we just went

636

00:25:59,220 --> 00:25:57,760

through a huge wave of energy right

637

00:26:01,800 --> 00:25:59,230

after Thanksgiving and we're in the

638

00:26:05,190 --> 00:26:01,810

middle of it right now and and I I know

639

00:26:06,870 --> 00:26:05,200

my phone and emails are just off the

640

00:26:08,880 --> 00:26:06,880

scale with people saying what is

641

00:26:11,760 --> 00:26:08,890

happening like everything is coming up

642

00:26:15,000 --> 00:26:11,770

for me and my relationship and my work

643

00:26:17,040 --> 00:26:15,010

and and it's getting crazy out there and

644

00:26:20,640 --> 00:26:17,050

people are just having you know

645

00:26:24,330 --> 00:26:20,650

emotional outbursts and everything

646

00:26:26,280 --> 00:26:24,340

from-from deep sadness to you know anger

647

00:26:27,900 --> 00:26:26,290

and and a lot of people projecting their

648

00:26:30,660 --> 00:26:27,910

issues rather than owning and healing

649

00:26:33,630 --> 00:26:30,670

them so I that's I see it on it on a

650

00:26:37,650 --> 00:26:33,640

very base level just through you know

651
00:26:39,240 --> 00:26:37,660
the emails and phone and people asking

652
00:26:41,940 --> 00:26:39,250
for counseling for help to get through

653
00:26:43,830 --> 00:26:41,950
these times I mean I will be honest with

654
00:26:46,350 --> 00:26:43,840
you I have noticed an increased amount

655
00:26:48,210 --> 00:26:46,360
of synchronicities in the past I don't

656
00:26:49,950 --> 00:26:48,220
know three or four months in my life but

657
00:26:54,090 --> 00:26:49,960
I just I still struggle with how much

658
00:26:56,070 --> 00:26:54,100
value to give that well yeah it's it's I

659
00:26:58,740 --> 00:26:56,080
could just go for my own experience and

660
00:27:00,930 --> 00:26:58,750
having this pretty massive network that

661
00:27:04,530 --> 00:27:00,940
I'm connected into and doing counseling

662
00:27:07,290 --> 00:27:04,540
for like 35 years or so I'm just

663
00:27:09,000 --> 00:27:07,300

watching the uptick and and I know a lot

664

00:27:11,190 --> 00:27:09,010

of people that are extremely sensitive

665

00:27:12,750 --> 00:27:11,200

people that I trust you know they've

666

00:27:14,850 --> 00:27:12,760

been very active in the past and they're

667

00:27:17,670 --> 00:27:14,860

all coming up with the same information

668

00:27:20,700 --> 00:27:17,680

and I just got back from the star

669

00:27:23,370 --> 00:27:20,710

knowledge conference and we met with a

670

00:27:25,890 --> 00:27:23,380

lot of the elders there of the different

671

00:27:28,830 --> 00:27:25,900

nations you know in in the States and

672

00:27:30,900 --> 00:27:28,840

that was pretty amazing and they came up

673

00:27:33,030 --> 00:27:30,910

with the exact same information that we

674

00:27:34,740 --> 00:27:33,040

came up with that you know that'd be a

675

00:27:37,170 --> 00:27:34,750

huge shift of energy coming in right

676
00:27:39,000 --> 00:27:37,180
after Thanksgiving and another one right

677
00:27:41,940 --> 00:27:39,010
after Christmas that's going to really

678
00:27:43,980 --> 00:27:41,950
push everything out for people and and a

679
00:27:45,720 --> 00:27:43,990
lot of people if you're very dense in

680
00:27:49,320 --> 00:27:45,730
consciousness and you're holding on to a

681
00:27:51,060 --> 00:27:49,330
lot of aggression or control or energies

682
00:27:54,440 --> 00:27:51,070
you know or you've been deeply wounded

683
00:27:57,150 --> 00:27:54,450
all of that is surfacing right now yeah

684
00:27:59,850 --> 00:27:57,160
man I would want nothing more than a

685
00:28:02,460 --> 00:27:59,860
real wake away kaneen to take place uh I

686
00:28:04,860 --> 00:28:02,470
really hope that that's what we're what

687
00:28:06,810 --> 00:28:04,870
we're going through unemployable it's

688
00:28:08,790 --> 00:28:06,820

it's it's you know the old saying

689

00:28:11,550 --> 00:28:08,800

resistance is futile it's the Earth's

690

00:28:13,710 --> 00:28:11,560

destiny to go there and we have to

691

00:28:16,320 --> 00:28:13,720

become frequency specific to the Earth's

692

00:28:18,660 --> 00:28:16,330

you know evolutionary process and it's a

693

00:28:21,050 --> 00:28:18,670

you know cosmic event all the dimensions

694

00:28:23,820 --> 00:28:21,060

are involved in it so it's unavoidable

695

00:28:25,530 --> 00:28:23,830

there's nothing that can stop it we can

696

00:28:28,170 --> 00:28:25,540

just choose how gracefully we move

697

00:28:29,640 --> 00:28:28,180

through it yeah I wanted to step back to

698

00:28:32,130 --> 00:28:29,650

this council you said that they had just

699

00:28:34,230 --> 00:28:32,140

returned that they are you know the

700

00:28:35,700 --> 00:28:34,240

archons are being forced to go before

701

00:28:37,680 --> 00:28:35,710

this council is this something that's

702

00:28:39,360 --> 00:28:37,690

happening on a higher dimensional level

703

00:28:41,610 --> 00:28:39,370

or is this playing out on our third

704

00:28:43,860 --> 00:28:41,620

dimensional reality well most of it's

705

00:28:46,800 --> 00:28:43,870

happening on another dimension but Eli

706

00:28:48,710 --> 00:28:46,810

that's the sixth you know these are six

707

00:28:51,450 --> 00:28:48,720

dimensional beings that are coming in so

708

00:28:53,490 --> 00:28:51,460

but it is bleeding down you know and

709

00:28:55,440 --> 00:28:53,500

they're they're actually pulling these

710

00:28:56,970 --> 00:28:55,450

people off the fourth dimension and

711

00:28:58,620 --> 00:28:56,980

cleaning up the fourth dimension that's

712

00:29:02,250 --> 00:28:58,630

where all the lot of the negativity

713

00:29:03,600 --> 00:29:02,260

resides you know in in the unseen and a

714

00:29:05,520 --> 00:29:03,610

lot of people are stepping up to the

715

00:29:07,350 --> 00:29:05,530

plate and learning how to heal on seeing

716

00:29:10,230 --> 00:29:07,360

negative influences and not give them

717

00:29:12,350 --> 00:29:10,240

any more energy and not participate you

718

00:29:15,770 --> 00:29:12,360

know in the negativity so so it is

719

00:29:18,900 --> 00:29:15,780

building you know mm-hmm is building up

720

00:29:21,030 --> 00:29:18,910

you know I really have not been able to

721

00:29:22,530 --> 00:29:21,040

have very many experiences with

722

00:29:24,570 --> 00:29:22,540

meditation or anything like that but

723

00:29:26,280 --> 00:29:24,580

I've had a small handful of experiences

724

00:29:28,140 --> 00:29:26,290

that were fueled by psychedelics it

725

00:29:30,030 --> 00:29:28,150

seemed very much like contact

726

00:29:32,660 --> 00:29:30,040

experiences I mean what are your

727

00:29:38,930 --> 00:29:32,670

thoughts on using psychedelics that way

728

00:29:42,270 --> 00:29:38,940

well you know we try to we try to avoid

729

00:29:44,130 --> 00:29:42,280

any of that like I know I never used it

730

00:29:44,409 --> 00:29:44,140

myself I didn't need to because of the

731

00:29:47,919 --> 00:29:44,419

dry

732

00:29:51,190 --> 00:29:47,929

experiences right I know a lot of people

733

00:29:54,279 --> 00:29:51,200

have experiences like through ayahuasca

734

00:29:56,560 --> 00:29:54,289

and and you know some people are doing

735

00:29:58,090 --> 00:29:56,570

it the right way with the trained shaman

736

00:30:00,549 --> 00:29:58,100

you know out in the jungle once or twice

737

00:30:03,070 --> 00:30:00,559

a year but other people are just using

738

00:30:05,349 --> 00:30:03,080

it as a party tool yeah right yeah

739

00:30:07,450 --> 00:30:05,359

that's that's no good you know yeah and

740

00:30:09,970 --> 00:30:07,460

they open up doors and they get you know

741

00:30:12,039 --> 00:30:09,980

reptilian and greys and other you know

742

00:30:15,700 --> 00:30:12,049

discarnate beings hooked into their

743

00:30:18,580 --> 00:30:15,710

energy field so I I know they're safe

744

00:30:20,649 --> 00:30:18,590

natural ways of doing it and and you get

745

00:30:21,970 --> 00:30:20,659

you go much higher then you know you

746

00:30:25,210 --> 00:30:21,980

don't just go on to the fourth dimension

747

00:30:27,190 --> 00:30:25,220

and have all these crazy snakes and

748

00:30:28,330 --> 00:30:27,200

other beings and weird things happen to

749

00:30:31,479 --> 00:30:28,340

you you get into the higher dimensions

750

00:30:34,899 --> 00:30:31,489

and they're you're dealing with beans

751

00:30:37,539 --> 00:30:34,909

that are much more benevolent and much

752

00:30:39,369 --> 00:30:37,549

more advanced and what are some other

753

00:30:41,769 --> 00:30:39,379

techniques you would suggest for someone

754

00:30:44,379 --> 00:30:41,779

who wants to reach that type of natural

755

00:30:46,479 --> 00:30:44,389

communication other than I mean the

756

00:30:49,029 --> 00:30:46,489

generic meditation is what everyone says

757

00:30:51,099 --> 00:30:49,039

is there anything else well we do

758

00:30:53,619 --> 00:30:51,109

practices like Yi Gong that are

759

00:30:55,239 --> 00:30:53,629

extremely ancient practices that balance

760

00:30:57,789 --> 00:30:55,249

out the left and right side of the brain

761

00:31:00,940 --> 00:30:57,799

and get you into no mind where you're

762

00:31:02,379 --> 00:31:00,950

not just using your your mind all the

763

00:31:05,080 --> 00:31:02,389

time and get you back into the heart

764

00:31:07,080 --> 00:31:05,090

because the the souls resides right next

765

00:31:10,210 --> 00:31:07,090

to the heart and that's the connector to

766

00:31:13,029 --> 00:31:10,220

spirit and that's where all your past

767

00:31:15,849 --> 00:31:13,039

lives everything reside your memories

768

00:31:18,159 --> 00:31:15,859

you know in the astral level and you can

769

00:31:20,349 --> 00:31:18,169

go beyond that into the etheric or into

770

00:31:22,180 --> 00:31:20,359

what people call Christ Christ

771

00:31:25,180 --> 00:31:22,190

consciousness and there's levels beyond

772

00:31:26,859 --> 00:31:25,190

that even that you can connect into yeah

773

00:31:28,779 --> 00:31:26,869

I mean that's amazing I think a lot of

774

00:31:32,590 --> 00:31:28,789

people are really interested in trying

775

00:31:35,409 --> 00:31:32,600

to achieve those states but it seems

776

00:31:37,749 --> 00:31:35,419

like a daunting task that requires a lot

777

00:31:40,330 --> 00:31:37,759

of work a lot of inner work yeah the

778

00:31:42,279 --> 00:31:40,340

well the whole program here the Archon

779

00:31:45,340 --> 00:31:42,289

Network is programmed to keep you

780

00:31:47,950 --> 00:31:45,350

external and and so if you're watching

781

00:31:50,470 --> 00:31:47,960

TV and listen to radio all the time and

782

00:31:52,479 --> 00:31:50,480

if you're you know you know just yeah

783

00:31:55,070 --> 00:31:52,489

you have all kinds of crazy lyrics

784

00:31:57,769 --> 00:31:55,080

blasting through your head constantly

785

00:31:59,600 --> 00:31:57,779

and and you know your your program that

786

00:32:01,879 --> 00:31:59,610

you know if you buy the right there and

787

00:32:03,710 --> 00:32:01,889

drive the right car and get the big

788

00:32:05,479 --> 00:32:03,720

house and all these other things you're

789

00:32:08,210 --> 00:32:05,489

gonna get the women you're gonna get you

790

00:32:10,340 --> 00:32:08,220

know get laid basically the soybeans so

791

00:32:12,200 --> 00:32:10,350

they've got you program and they own the

792

00:32:15,139 --> 00:32:12,210

first three sets of chakras which are

793

00:32:16,820 --> 00:32:15,149

survival sex and power and we're getting

794

00:32:18,739 --> 00:32:16,830

blasted with all this information you

795

00:32:20,629 --> 00:32:18,749

should be very scared you know there's

796

00:32:22,729 --> 00:32:20,639

terrorists you know that's in your

797

00:32:25,700 --> 00:32:22,739

survival energies you know and they say

798

00:32:27,560 --> 00:32:25,710

oh if you if you buy this product you

799

00:32:29,239 --> 00:32:27,570

know you're gonna get blonde on the

800

00:32:31,639 --> 00:32:29,249

beach you know playing volleyball you

801
00:32:32,989 --> 00:32:31,649
know or if you get this and so they're

802
00:32:34,729 --> 00:32:32,999
they're you know you're gonna be

803
00:32:37,310 --> 00:32:34,739
powerful you know if you make more money

804
00:32:40,399 --> 00:32:37,320
you know and things like that and so

805
00:32:42,320 --> 00:32:40,409
they own that network and until you

806
00:32:44,060 --> 00:32:42,330
transcend that and get into the heart

807
00:32:46,879 --> 00:32:44,070
that's when you get out of the Archon

808
00:32:48,979 --> 00:32:46,889
Network so so and you do that through

809
00:32:51,739 --> 00:32:48,989
nature you get out in nature and do some

810
00:32:54,769 --> 00:32:51,749
a long time about nature and you you lie

811
00:32:57,440 --> 00:32:54,779
yourself to reset and reprogram but

812
00:33:00,349 --> 00:32:57,450
there are a lot of retreat centers you

813
00:33:03,139 --> 00:33:00,359

can go to and and break free of the of

814

00:33:05,450 --> 00:33:03,149

the network and you know break free of

815

00:33:07,460 --> 00:33:05,460

the first first three chakras which is

816

00:33:09,289 --> 00:33:07,470

what they they govern people with they

817

00:33:12,889 --> 00:33:09,299

manipulate people through you know

818

00:33:14,359 --> 00:33:12,899

survival sex and power yeah that makes a

819

00:33:18,229 --> 00:33:14,369

lot of sense I mean I've heard many

820

00:33:20,419 --> 00:33:18,239

times that the biggest purpose of the of

821

00:33:22,220 --> 00:33:20,429

their network is just that distraction

822

00:33:24,440 --> 00:33:22,230

to keep us infatuated with the third

823

00:33:27,229 --> 00:33:24,450

dimensional material world to keep us

824

00:33:28,849 --> 00:33:27,239

from realizing our true self because

825

00:33:31,519 --> 00:33:28,859

that's apparently where the real power

826

00:33:35,269 --> 00:33:31,529

is it is and you know if they can keep

827

00:33:37,249 --> 00:33:35,279

you off set and extremely busy and with

828

00:33:39,830 --> 00:33:37,259

your nose to the grindstone you know

829

00:33:41,629 --> 00:33:39,840

keeping you poor so you have to keep you

830

00:33:44,359 --> 00:33:41,639

know working so you don't have any quiet

831

00:33:46,580 --> 00:33:44,369

time or time in nature you know that is

832

00:33:49,879 --> 00:33:46,590

that whole program is just to keep you

833

00:33:51,889 --> 00:33:49,889

focused on everything external and then

834

00:33:54,139 --> 00:33:51,899

you don't do any internal process and

835

00:33:56,810 --> 00:33:54,149

that's where the real power is is when

836

00:33:58,549 --> 00:33:56,820

you start going internal now another

837

00:34:01,519 --> 00:33:58,559

subject I kind of wanted to get into the

838

00:34:03,680 --> 00:34:01,529

details of and that that's kind of you

839

00:34:05,299 --> 00:34:03,690

know the multitude of beings that people

840

00:34:07,950 --> 00:34:05,309

claim to be communicating with and

841

00:34:09,720 --> 00:34:07,960

receiving messages from I think

842

00:34:11,490 --> 00:34:09,730

there seems to be so many different

843

00:34:13,290 --> 00:34:11,500

beans the best way to probably do it is

844

00:34:14,760 --> 00:34:13,300

by levels I mean you've mentioned third

845

00:34:17,580 --> 00:34:14,770

fourth and fifth and so on

846

00:34:19,020 --> 00:34:17,590

dimensional beans and species apparently

847

00:34:20,160 --> 00:34:19,030

they seem to be very different can you

848

00:34:22,040 --> 00:34:20,170

walk us through some of these entities

849

00:34:25,110 --> 00:34:22,050

are like the graze on the lowest level

850

00:34:26,880 --> 00:34:25,120

well the problem with channeling I even

851
00:34:28,800 --> 00:34:26,890
wrote a book about this in reunion with

852
00:34:31,410 --> 00:34:28,810
source and I talked about safeguards for

853
00:34:34,320 --> 00:34:31,420
peer channeling and we were doing this

854
00:34:36,780 --> 00:34:34,330
back in the 70s you know channeling and

855
00:34:39,440 --> 00:34:36,790
and I stepped away from it because it

856
00:34:42,240 --> 00:34:39,450
started getting so convoluted and

857
00:34:43,800 --> 00:34:42,250
people's own egos were part of the

858
00:34:45,420 --> 00:34:43,810
channeling messages and their own

859
00:34:47,640 --> 00:34:45,430
desires were in there and some people

860
00:34:49,890 --> 00:34:47,650
were channeling from the lower astral

861
00:34:52,800 --> 00:34:49,900
levels where you do have the greys and

862
00:34:54,990 --> 00:34:52,810
reptilian and and discarnates spirits

863
00:34:56,640 --> 00:34:55,000

and and some people were channeling

864

00:34:58,800 --> 00:34:56,650

their own subconscious you know and they

865

00:35:01,290 --> 00:34:58,810

they weren't really they didn't go

866

00:35:03,510 --> 00:35:01,300

through enough training to access the

867

00:35:06,240 --> 00:35:03,520

higher consciousness and energy levels

868

00:35:08,220 --> 00:35:06,250

and also they were didn't know how to

869

00:35:09,930 --> 00:35:08,230

heal on seeing negative influences which

870

00:35:12,780 --> 00:35:09,940

is a must that's the first thing we

871

00:35:15,000 --> 00:35:12,790

teach before even meditating is how to

872

00:35:18,630 --> 00:35:15,010

clear your space and maintain your own

873

00:35:21,090 --> 00:35:18,640

self authority so that got so convoluted

874

00:35:23,310 --> 00:35:21,100

and it's still convoluted you know today

875

00:35:25,710 --> 00:35:23,320

as we speak and you know I hear people

876

00:35:27,750 --> 00:35:25,720

giving these feel-good messages and all

877

00:35:29,040 --> 00:35:27,760

they do is talk about the positive a

878

00:35:31,230 --> 00:35:29,050

nothing to worry about

879

00:35:33,180 --> 00:35:31,240

you know max right right max out your

880

00:35:36,420 --> 00:35:33,190

credit card we're gonna get beamed up

881

00:35:38,250 --> 00:35:36,430

next week or you know your package is in

882

00:35:40,950 --> 00:35:38,260

the mail you're gonna be funded next

883

00:35:43,560 --> 00:35:40,960

week with multi billion dollars and and

884

00:35:45,690 --> 00:35:43,570

it's again you're back in the external

885

00:35:47,940 --> 00:35:45,700

you're waiting for some external Saviour

886

00:35:50,700 --> 00:35:47,950

you know to come and take care of things

887

00:35:53,130 --> 00:35:50,710

and it's totally contrary to what the

888

00:35:54,860 --> 00:35:53,140

higher dimensional beings you know teach

889

00:35:57,450 --> 00:35:54,870

and how they operate because they're

890

00:35:59,580 --> 00:35:57,460

their whole program is to empower people

891

00:36:02,100 --> 00:35:59,590

to make their own personal you know God

892

00:36:03,960 --> 00:36:02,110

creator spirit connection and take

893

00:36:07,110 --> 00:36:03,970

responsibility for their choice choices

894

00:36:12,240 --> 00:36:07,120

and actions and and and move from that

895

00:36:16,620 --> 00:36:12,250

from that space interesting so I mean as

896

00:36:18,630 --> 00:36:16,630

far as these beans are concerned people

897

00:36:20,340 --> 00:36:18,640

describe physical characteristics of

898

00:36:21,930 --> 00:36:20,350

them I mean I've heard you talk about

899

00:36:25,440 --> 00:36:21,940

feline beans

900

00:36:27,059 --> 00:36:25,450

or yeah they can drop their frequencies

901
00:36:30,000 --> 00:36:27,069
down and actually walk right alongside

902
00:36:32,700 --> 00:36:30,010
of you many of them have that technology

903
00:36:35,520 --> 00:36:32,710
a lot of them are just out of phase with

904
00:36:38,970 --> 00:36:35,530
the Earth's frequency but they can phase

905
00:36:40,589 --> 00:36:38,980
into it and some can do it spiritually

906
00:36:44,160 --> 00:36:40,599
and some can do it through through

907
00:36:47,099 --> 00:36:44,170
technology so there's a lot going on but

908
00:36:50,250 --> 00:36:47,109
the vast majority of it is really other

909
00:36:51,960 --> 00:36:50,260
dimensional which I find it odd with a

910
00:36:54,120 --> 00:36:51,970
lot of the scientists nowadays they

911
00:36:56,220 --> 00:36:54,130
they're demanding physical proof of

912
00:36:58,349 --> 00:36:56,230
non-physical events and they know

913
00:37:00,809 --> 00:36:58,359

there's at least 11 dimensions out there

914

00:37:04,890 --> 00:37:00,819

you know filled with possibilities in

915

00:37:08,370 --> 00:37:04,900

life but they want physical proof you

916

00:37:11,910 --> 00:37:08,380

know 3d proof of non-physical events and

917

00:37:12,300 --> 00:37:11,920

maybe 40 50 60 70 on eighth ninth Z

918

00:37:16,290 --> 00:37:12,310

maybe

919

00:37:19,109 --> 00:37:16,300

ninth right so it's it's until science

920

00:37:21,540 --> 00:37:19,119

it stops this backwards self-defeating

921

00:37:23,370 --> 00:37:21,550

approach you know they said there's no

922

00:37:26,400 --> 00:37:23,380

physical proof of course there isn't

923

00:37:28,559 --> 00:37:26,410

they're non-physical events and so we

924

00:37:30,870 --> 00:37:28,569

have to rise the occasion and develop

925

00:37:33,680 --> 00:37:30,880

ourselves spiritually so we do have a

926
00:37:36,000 --> 00:37:33,690
multi-dimensional awareness or mind and

927
00:37:37,559 --> 00:37:36,010
then we can understand these things

928
00:37:41,160 --> 00:37:37,569
become educated in these higher

929
00:37:44,730 --> 00:37:41,170
dimensional experiences but with the old

930
00:37:48,210 --> 00:37:44,740
paradigm you know I want you know nuts

931
00:37:49,829 --> 00:37:48,220
and bolts on on ships that don't even

932
00:37:52,710 --> 00:37:49,839
use nuts and bolts a lot of them are

933
00:37:55,650 --> 00:37:52,720
actually organic and alive you know is a

934
00:37:58,109 --> 00:37:55,660
little crazy yeah I guess it does make

935
00:38:01,050 --> 00:37:58,119
it hard to define them as species and

936
00:38:03,089 --> 00:38:01,060
races you know when you're talking about

937
00:38:06,030 --> 00:38:03,099
beans that are you know and their

938
00:38:09,569 --> 00:38:06,040

highest self is way beyond a third

939

00:38:11,339 --> 00:38:09,579

dimensional shell but for some more

940

00:38:13,319 --> 00:38:11,349

details on these entities like maybe

941

00:38:15,120 --> 00:38:13,329

where they were they from do they are

942

00:38:16,829 --> 00:38:15,130

they from a certain location in this

943

00:38:19,470 --> 00:38:16,839

third dimension from a different planet

944

00:38:21,510 --> 00:38:19,480

or sector of the universe a lot of them

945

00:38:23,430 --> 00:38:21,520

are and a lot of just tell us we have no

946

00:38:26,069 --> 00:38:23,440

reference points whatsoever like I had a

947

00:38:27,569 --> 00:38:26,079

9th dimensional beam come in and I asked

948

00:38:29,010 --> 00:38:27,579

him where where he was from and he said

949

00:38:31,230 --> 00:38:29,020

there's no point because you have no

950

00:38:33,270 --> 00:38:31,240

reference points you know and in the

951
00:38:34,080 --> 00:38:33,280
name you've never heard before so it's

952
00:38:37,680 --> 00:38:34,090
really a

953
00:38:39,270 --> 00:38:37,690
relevant but a lot of them do a lot of

954
00:38:41,010 --> 00:38:39,280
them you know they'll come from the

955
00:38:42,450 --> 00:38:41,020
Pleiades system they'll come from the

956
00:38:45,210 --> 00:38:42,460
Ryan counselled light from the Orion

957
00:38:48,030 --> 00:38:45,220
system and some are coming from coming

958
00:38:51,120 --> 00:38:48,040
from from 3 and 4 D and 5 D but they're

959
00:38:55,050 --> 00:38:51,130
still in that system you know there's

960
00:38:59,310 --> 00:38:55,060
some coming from Sirius the feline beans

961
00:39:01,260 --> 00:38:59,320
and an ancient Lyra they're coming from

962
00:39:03,960 --> 00:39:01,270
a lot of different places that we would

963
00:39:05,880 --> 00:39:03,970

we would have a reference point to but

964

00:39:08,190 --> 00:39:05,890

they would actually be in a different

965

00:39:11,580 --> 00:39:08,200

time or a different dimension that then

966

00:39:13,020 --> 00:39:11,590

we're used to and so it gets tricky a

967

00:39:14,790 --> 00:39:13,030

lot of times when you ask somebody where

968

00:39:18,120 --> 00:39:14,800

they're from it's almost better say when

969

00:39:19,830 --> 00:39:18,130

when are you from you know yeah well let

970

00:39:21,600 --> 00:39:19,840

me ask you this then what are some of

971

00:39:24,030 --> 00:39:21,610

the characteristics of say a ninth

972

00:39:26,280 --> 00:39:24,040

dimensional being that separate it and

973

00:39:31,560 --> 00:39:26,290

make it distinguish ibly different from

974

00:39:34,590 --> 00:39:31,570

a sixth or seventh well let's say it's

975

00:39:36,390 --> 00:39:34,600

my understanding that the dimensions

976

00:39:39,870 --> 00:39:36,400

when you get into the fifth dimension

977

00:39:41,790 --> 00:39:39,880

you you're beyond the the polarities I

978

00:39:43,620 --> 00:39:41,800

mean they're still duality there's still

979

00:39:46,080 --> 00:39:43,630

male/female and things like that but you

980

00:39:48,450 --> 00:39:46,090

you've transcended all religious and

981

00:39:50,100 --> 00:39:48,460

cultural boundaries and you see the

982

00:39:53,220 --> 00:39:50,110

Creator in all creation and you're

983

00:39:55,710 --> 00:39:53,230

working you know on that level you know

984

00:39:57,840 --> 00:39:55,720

you're working on a much higher level

985

00:40:01,370 --> 00:39:57,850

it's funny I'm set near talkie right now

986

00:40:03,600 --> 00:40:01,380

this huge beetle is headed towards me

987

00:40:05,640 --> 00:40:03,610

you know we're talking about the

988

00:40:09,090 --> 00:40:05,650

Egyptians you know what I'm yeah if

989

00:40:10,470 --> 00:40:09,100

that's scarab yes it almost looks like

990

00:40:13,850 --> 00:40:10,480

one of those it looks like one of those

991

00:40:16,080 --> 00:40:13,860

old scarabs you know that's a universal

992

00:40:19,710 --> 00:40:16,090

synchronicity yeah I'm sending him back

993

00:40:25,500 --> 00:40:19,720

outside though and but anyway thanks for

994

00:40:27,720 --> 00:40:25,510

the message and he got it yeah he's it's

995

00:40:29,550 --> 00:40:27,730

interesting the-- now if you go back to

996

00:40:32,820 --> 00:40:29,560

the felines a good example is they were

997

00:40:35,070 --> 00:40:32,830

here and the earth used to be have some

998

00:40:36,870 --> 00:40:35,080

really advanced civilizations on them

999

00:40:38,910 --> 00:40:36,880

and they were there it was there

1000

00:40:42,030 --> 00:40:38,920

resonate at much higher dimension and

1001
00:40:44,200 --> 00:40:42,040
they fell and we see the in ancient

1002
00:40:45,760 --> 00:40:44,210
India they call them Nerissa you know

1003
00:40:48,490 --> 00:40:45,770
would be sitting there this huge

1004
00:40:50,589 --> 00:40:48,500
humanoid lion being that is the

1005
00:40:53,440 --> 00:40:50,599
protector of Lakshmi and all the other

1006
00:40:56,589 --> 00:40:53,450
gods and things like that in Egypt they

1007
00:40:58,599 --> 00:40:56,599
had segments and and Boston and a lot of

1008
00:41:00,670 --> 00:40:58,609
other ones and and they're walking right

1009
00:41:02,470 --> 00:41:00,680
alongside the Anunnaki you know they

1010
00:41:05,260 --> 00:41:02,480
were protectors of the gods and again

1011
00:41:07,180 --> 00:41:05,270
the Anunnaki the beard of God is where

1012
00:41:11,140 --> 00:41:07,190
we got that image you know of the beard

1013
00:41:13,120 --> 00:41:11,150

of God so so these beings are still

1014

00:41:16,240 --> 00:41:13,130

around they still exist they're just on

1015

00:41:19,060 --> 00:41:16,250

a different dimension and if you're of

1016

00:41:21,130 --> 00:41:19,070

the right frequency and and you can

1017

00:41:23,410 --> 00:41:21,140

actually experience them if you raise

1018

00:41:26,500 --> 00:41:23,420

your frequency can't go up and down on

1019

00:41:27,940 --> 00:41:26,510

the vibrational continuum which which I

1020

00:41:29,290 --> 00:41:27,950

can do just cut maybe because of my

1021

00:41:31,300 --> 00:41:29,300

death experience I had a couple

1022

00:41:33,550 --> 00:41:31,310

near-death experiences and the drowning

1023

00:41:35,680 --> 00:41:33,560

I left the door open I went to the

1024

00:41:39,040 --> 00:41:35,690

source itself and at this golden planet

1025

00:41:40,930 --> 00:41:39,050

bliss and you know went through all the

1026
00:41:42,670 --> 00:41:40,940
dimensions to get there and then and now

1027
00:41:44,950 --> 00:41:42,680
I seem to have the door open I can go

1028
00:41:46,750 --> 00:41:44,960
back and forth and experience these

1029
00:41:49,990 --> 00:41:46,760
different types of beans and actually

1030
00:41:53,020 --> 00:41:50,000
interface and interact with them wow man

1031
00:41:57,910 --> 00:41:53,030
that is that's trippy that's such an

1032
00:41:59,410 --> 00:41:57,920
experience let me ask you about the

1033
00:42:01,540 --> 00:41:59,420
earth itself I mean do you think that

1034
00:42:03,510 --> 00:42:01,550
we're unique here or are there are

1035
00:42:06,790 --> 00:42:03,520
millions of earths dealing with this

1036
00:42:09,640 --> 00:42:06,800
extraterrestrial tapestry probably

1037
00:42:11,589 --> 00:42:09,650
billions out there I know that the

1038
00:42:13,810 --> 00:42:11,599

latest research is they're getting up

1039

00:42:15,130 --> 00:42:13,820

and beyond the millions probably into

1040

00:42:19,359 --> 00:42:15,140

the billions when they're finding

1041

00:42:20,650 --> 00:42:19,369

planets now in Goldilocks orbits so you

1042

00:42:22,420 --> 00:42:20,660

know we just couldn't see them we're

1043

00:42:24,720 --> 00:42:22,430

seeing stars but we're not seeing the

1044

00:42:27,490 --> 00:42:24,730

planets revolving around the stars and

1045

00:42:28,990 --> 00:42:27,500

but now with the new Kepler and some of

1046

00:42:31,230 --> 00:42:29,000

these other infrared telescopes were

1047

00:42:33,970 --> 00:42:31,240

starting to map out you know all the

1048

00:42:37,150 --> 00:42:33,980

planets around the stars which is which

1049

00:42:39,190 --> 00:42:37,160

is pretty amazing but the yeah it's

1050

00:42:40,839 --> 00:42:39,200

happening everywhere there's beans that

1051
00:42:42,370 --> 00:42:40,849
are billions and years ahead of us and

1052
00:42:45,370 --> 00:42:42,380
evolution and there's some that are

1053
00:42:48,010 --> 00:42:45,380
catching up to us what do you think the

1054
00:42:50,079 --> 00:42:48,020
point is of manifest in here are we is

1055
00:42:52,420 --> 00:42:50,089
it to experience their dimensional

1056
00:42:54,670 --> 00:42:52,430
reality or are we is this like an

1057
00:42:56,920 --> 00:42:54,680
evolution along the path that we're

1058
00:42:57,730 --> 00:42:56,930
trying to reach a higher level or are we

1059
00:42:59,530 --> 00:42:57,740
coming down

1060
00:43:02,260 --> 00:42:59,540
from a higher level to experience third

1061
00:43:05,470 --> 00:43:02,270
dimension well we all started with the

1062
00:43:07,810 --> 00:43:05,480
source and so you know the Big Bang was

1063
00:43:10,270 --> 00:43:07,820

more of an inward implosion of

1064

00:43:12,280 --> 00:43:10,280

consciousness which created the light

1065

00:43:14,380 --> 00:43:12,290

beings you know which created the Suns

1066

00:43:17,680 --> 00:43:14,390

which created the planets which created

1067

00:43:20,080 --> 00:43:17,690

the and it goes on and on and on so so a

1068

00:43:22,330 --> 00:43:20,090

lot of people you know have a hard time

1069

00:43:23,800 --> 00:43:22,340

realizing that they may be used to be in

1070

00:43:26,109 --> 00:43:23,810

a drama Dhin you know which are

1071

00:43:28,000 --> 00:43:26,119

magnetized light beings that are eight

1072

00:43:31,000 --> 00:43:28,010

to ten foot tall beings with huge

1073

00:43:32,859 --> 00:43:31,010

energies like a magnet emanating from

1074

00:43:34,450 --> 00:43:32,869

them and people mythologically call them

1075

00:43:37,030 --> 00:43:34,460

Archangels because it looks like wings

1076

00:43:39,520 --> 00:43:37,040

but it's just the energy fields around

1077

00:43:41,850 --> 00:43:39,530

them and they actually went all the way

1078

00:43:45,400 --> 00:43:41,860

down through the physical and back and

1079

00:43:48,010 --> 00:43:45,410

and we're in that process as well so so

1080

00:43:49,900 --> 00:43:48,020

we all originated from the source and

1081

00:43:53,410 --> 00:43:49,910

dropped down through the dimensions and

1082

00:43:55,870 --> 00:43:53,420

now we're mastering the biggest test of

1083

00:43:59,260 --> 00:43:55,880

all which is you know powerful emotions

1084

00:44:01,150 --> 00:43:59,270

and and free will which you need to be a

1085

00:44:03,730 --> 00:44:01,160

creator you know you can't create

1086

00:44:07,000 --> 00:44:03,740

without those things and so if you're

1087

00:44:09,250 --> 00:44:07,010

going to go back to that that phase you

1088

00:44:11,290 --> 00:44:09,260

know that's what you need to do you know

1089

00:44:13,930 --> 00:44:11,300

to go to return to the source you know

1090

00:44:16,480 --> 00:44:13,940

with that under your belt a lot of

1091

00:44:18,430 --> 00:44:16,490

angelic energies don't have free will

1092

00:44:22,780 --> 00:44:18,440

they're just like wisps of light and

1093

00:44:25,420 --> 00:44:22,790

they just kind of are more like like

1094

00:44:27,700 --> 00:44:25,430

Autobots they just do whatever they're

1095

00:44:30,250 --> 00:44:27,710

told to do you might say or whatever

1096

00:44:32,830 --> 00:44:30,260

they're and they're they're hardware you

1097

00:44:35,370 --> 00:44:32,840

know is guided to do by other

1098

00:44:38,200 --> 00:44:35,380

dimensional beings so it's kind of like

1099

00:44:40,599 --> 00:44:38,210

this is master school this is the

1100

00:44:42,849 --> 00:44:40,609

biggest challenge of all they call it

1101
00:44:44,830 --> 00:44:42,859
the plane of demonstration where

1102
00:44:47,550 --> 00:44:44,840
consciousness creates reality and we get

1103
00:44:52,330 --> 00:44:47,560
to walk through our creations and

1104
00:44:54,480 --> 00:44:52,340
experience him in the physical man you

1105
00:44:57,700 --> 00:44:54,490
know for people who are stuck in the

1106
00:44:59,230 --> 00:44:57,710
nine-to-five rut playing the game of

1107
00:45:02,140 --> 00:44:59,240
economics and capitalism

1108
00:45:04,030 --> 00:45:02,150
I mean how a lot of people I think are

1109
00:45:05,710 --> 00:45:04,040
doing that on a daily basis but in their

1110
00:45:08,500 --> 00:45:05,720
off time they're listening to people

1111
00:45:10,420 --> 00:45:08,510
like you and they're wanting to step

1112
00:45:11,590 --> 00:45:10,430
outside of it but it's you know it's

1113
00:45:13,090 --> 00:45:11,600

very tough I mean

1114

00:45:15,310 --> 00:45:13,100

how do you feel about things like

1115

00:45:18,520 --> 00:45:15,320

manifesting your reality like can we

1116

00:45:20,770 --> 00:45:18,530

free ourselves by well the universe help

1117

00:45:22,360 --> 00:45:20,780

unfold a path before us to get us out of

1118

00:45:25,420 --> 00:45:22,370

such a rut if we're in the right mental

1119

00:45:26,680 --> 00:45:25,430

space you know it will but we have to

1120

00:45:29,170 --> 00:45:26,690

look at you know there's a lot of people

1121

00:45:30,700 --> 00:45:29,180

say you know I I just think it's so it

1122

00:45:33,520 --> 00:45:30,710

is you know and I create my own reality

1123

00:45:36,550 --> 00:45:33,530

and things like that you know and a lot

1124

00:45:39,070 --> 00:45:36,560

of the movies I came over that movie was

1125

00:45:42,040 --> 00:45:39,080

that movie not well there's the secret a

1126
00:45:44,650 --> 00:45:42,050
secret yeah well the the secret left out

1127
00:45:46,390 --> 00:45:44,660
the biggest secret of all and that is if

1128
00:45:48,460 --> 00:45:46,400
you're filled with wounds and traumas

1129
00:45:50,500 --> 00:45:48,470
and and wrong conclusions from past

1130
00:45:51,160 --> 00:45:50,510
experiences and fear and guilt and

1131
00:45:53,020 --> 00:45:51,170
unworthiness

1132
00:45:55,480 --> 00:45:53,030
you're not going to manifest quite

1133
00:45:57,670 --> 00:45:55,490
diddly because actually what you are

1134
00:45:59,350 --> 00:45:57,680
gonna manifest is everything that that

1135
00:46:01,630 --> 00:45:59,360
is in the way of what you're trying to

1136
00:46:03,940 --> 00:46:01,640
manifest you know all the guilt and

1137
00:46:06,880 --> 00:46:03,950
unworthiness and other things when you

1138
00:46:09,400 --> 00:46:06,890

start that process so it's real

1139

00:46:11,320 --> 00:46:09,410

important that we clean up our past you

1140

00:46:14,500 --> 00:46:11,330

know release the past and release all

1141

00:46:17,620 --> 00:46:14,510

this you know wrong conclusions limiting

1142

00:46:19,600 --> 00:46:17,630

mental concepts wounds and traumas you

1143

00:46:20,920 --> 00:46:19,610

know and then we do start creating we do

1144

00:46:23,500 --> 00:46:20,930

start manifesting and the

1145

00:46:25,720 --> 00:46:23,510

synchronicities start flowing you know

1146

00:46:28,840 --> 00:46:25,730

the closer we are in touch with who we

1147

00:46:30,220 --> 00:46:28,850

really are and we drop the program that

1148

00:46:31,990 --> 00:46:30,230

you were talking about you know where

1149

00:46:34,390 --> 00:46:32,000

people are just in the mainstream and

1150

00:46:36,580 --> 00:46:34,400

you know you know working all day within

1151
00:46:38,710 --> 00:46:36,590
for some corporation and coming home and

1152
00:46:40,750 --> 00:46:38,720
popping on the TV and getting a beer and

1153
00:46:44,170 --> 00:46:40,760
a pizza and going to bed doing the same

1154
00:46:48,090 --> 00:46:44,180
thing over again but that that world is

1155
00:46:51,280 --> 00:46:48,100
not yeah you could probably manifest

1156
00:46:53,260 --> 00:46:51,290
material existence you know that that is

1157
00:46:56,350 --> 00:46:53,270
keeping you along but spiritually it's

1158
00:46:59,050 --> 00:46:56,360
it's actually locking you into into

1159
00:47:02,770 --> 00:46:59,060
something that's not really in the

1160
00:47:04,600 --> 00:47:02,780
highest biskits of your evolution yeah I

1161
00:47:05,140 --> 00:47:04,610
mean I totally see where you're coming

1162
00:47:07,240 --> 00:47:05,150
from

1163
00:47:09,790 --> 00:47:07,250

I've heard people come on this show and

1164

00:47:13,720 --> 00:47:09,800

tell me oh you know if you have positive

1165

00:47:15,550 --> 00:47:13,730

thoughts and you know and you want to

1166

00:47:18,340 --> 00:47:15,560

get out of that Network the universe is

1167

00:47:20,890 --> 00:47:18,350

gonna unfold a path for you if you just

1168

00:47:22,260 --> 00:47:20,900

have the confidence and the trust in the

1169

00:47:23,700 --> 00:47:22,270

universe

1170

00:47:25,830 --> 00:47:23,710

and you know when they've needed money

1171

00:47:27,600 --> 00:47:25,840

money manifests when they've needed a

1172

00:47:30,770 --> 00:47:27,610

place to stay a place to stay

1173

00:47:34,050 --> 00:47:30,780

comes to fruition but there's a lot of

1174

00:47:36,120 --> 00:47:34,060

fear in just diving into such a

1175

00:47:38,820 --> 00:47:36,130

situation like that because you know our

1176

00:47:42,150 --> 00:47:38,830

our network is structured in in such a

1177

00:47:43,770 --> 00:47:42,160

way that if you fail you it's really

1178

00:47:46,770 --> 00:47:43,780

hard to get back even to where you were

1179

00:47:48,530 --> 00:47:46,780

yeah well I mean that's the Archon

1180

00:47:50,580 --> 00:47:48,540

network it's a very enslaving

1181

00:47:53,850 --> 00:47:50,590

disempowering Network and that's what

1182

00:47:56,040 --> 00:47:53,860

it's designed to do is to hold you you

1183

00:47:57,570 --> 00:47:56,050

know in a certain space and you might

1184

00:47:59,250 --> 00:47:57,580

get ahead a little bit you know and

1185

00:48:00,660 --> 00:47:59,260

you're doing okay and then whack you

1186

00:48:03,120 --> 00:48:00,670

know something comes along and then

1187

00:48:04,680 --> 00:48:03,130

you're you're starting over again and if

1188

00:48:05,160 --> 00:48:04,690

you really look at the way the system

1189

00:48:09,630 --> 00:48:05,170

set up

1190

00:48:11,070 --> 00:48:09,640

to become really totally abundant

1191

00:48:13,380 --> 00:48:11,080

because we don't reach a certain level

1192

00:48:14,820 --> 00:48:13,390

you know they come in and fleece all the

1193

00:48:17,790 --> 00:48:14,830

Sheep you know pull the rug out from

1194

00:48:20,370 --> 00:48:17,800

under you so that's part of the power

1195

00:48:22,650 --> 00:48:20,380

elites program you know is the American

1196

00:48:26,430 --> 00:48:22,660

Dream which is really a nightmare when

1197

00:48:29,640 --> 00:48:26,440

you get down to it well said man I mean

1198

00:48:32,310 --> 00:48:29,650

I totally agree with you I think that

1199

00:48:34,110 --> 00:48:32,320

it's kind of run in this a similar

1200

00:48:36,390 --> 00:48:34,120

fashion to a casino where you've got

1201

00:48:39,150 --> 00:48:36,400

thousands of people coming in and you've

1202

00:48:41,580 --> 00:48:39,160

got these pictures on the wall plastered

1203

00:48:44,250 --> 00:48:41,590

of John who got the big check you know

1204

00:48:47,100 --> 00:48:44,260

Murray won a hundred grand last year and

1205

00:48:48,390 --> 00:48:47,110

a car but yet not everybody's winning

1206

00:48:49,890 --> 00:48:48,400

that of course you know they're not

1207

00:48:51,690 --> 00:48:49,900

they're not building those places by

1208

00:48:53,430 --> 00:48:51,700

giving money away and I think capitalism

1209

00:48:56,490 --> 00:48:53,440

in our system is kind of similar in that

1210

00:48:59,580 --> 00:48:56,500

we're shown these Warren Buffett's and

1211

00:49:01,470 --> 00:48:59,590

these Rupert Murdoch's and yeah like hey

1212

00:49:03,960 --> 00:49:01,480

you know you can be just like them and

1213

00:49:05,700 --> 00:49:03,970

it's like no only a couple of people can

1214

00:49:08,550 --> 00:49:05,710

be like that you are not gonna get there

1215

00:49:11,220 --> 00:49:08,560

yeah not on this pyramid not the way

1216

00:49:13,620 --> 00:49:11,230

it's set up but it is it's a it's a big

1217

00:49:16,260 --> 00:49:13,630

it's a big scam it's a pyramid scheme

1218

00:49:18,900 --> 00:49:16,270

you know and people will claw you know

1219

00:49:20,400 --> 00:49:18,910

and step on the backs of their friends

1220

00:49:22,170 --> 00:49:20,410

and family and everything do you know

1221

00:49:24,600 --> 00:49:22,180

for those little white are little green

1222

00:49:27,660 --> 00:49:24,610

pieces of paper you know so it's it's

1223

00:49:29,250 --> 00:49:27,670

sad you know the what's created and and

1224

00:49:31,170 --> 00:49:29,260

you look at our system we're watching

1225

00:49:33,900 --> 00:49:31,180

today I went out to dinner here it was

1226

00:49:35,820 --> 00:49:33,910

down in Mexico and then all these TV

1227

00:49:37,740 --> 00:49:35,830

sets up on the wall and everybody's walk

1228

00:49:40,440 --> 00:49:37,750

in football and screaming and yelling

1229

00:49:42,060 --> 00:49:40,450

and don't get a mail em you know and

1230

00:49:43,680 --> 00:49:42,070

stuff like this I'm going god this is

1231

00:49:46,410 --> 00:49:43,690

like gladiator day right

1232

00:49:47,880 --> 00:49:46,420

Colosseum and I signed this guy and I

1233

00:49:49,110 --> 00:49:47,890

said you ever think about what's really

1234

00:49:52,050 --> 00:49:49,120

going on here he goes what do you mean I

1235

00:49:54,720 --> 00:49:52,060

go well okay so you got these huge grown

1236

00:49:57,420 --> 00:49:54,730

men and dressing up in tights trying to

1237

00:50:00,360 --> 00:49:57,430

inflict as much damage as possible on

1238

00:50:05,250 --> 00:50:00,370

the other guys over control of a dead

1239

00:50:06,660 --> 00:50:05,260

animal skin yeah you know and you know

1240

00:50:07,800 --> 00:50:06,670

they go I never thought about that way

1241

00:50:09,270 --> 00:50:07,810

and then they just went right back oh

1242

00:50:11,250 --> 00:50:09,280

did you see that you know you see that

1243

00:50:13,140 --> 00:50:11,260

cat you know right and everything and I

1244

00:50:16,440 --> 00:50:13,150

said I go this is just a big diversion

1245

00:50:18,930 --> 00:50:16,450

you know this is competition this is

1246

00:50:21,240 --> 00:50:18,940

like warring you know this is this is

1247

00:50:23,190 --> 00:50:21,250

just war on it on a lower level you know

1248

00:50:25,290 --> 00:50:23,200

they are pulling guns out there using

1249

00:50:27,600 --> 00:50:25,300

their bodies as weapons you know and

1250

00:50:29,820 --> 00:50:27,610

it's over control of resources which is

1251

00:50:32,370 --> 00:50:29,830

this dead animal skin which it really

1252

00:50:34,440 --> 00:50:32,380

isn't a resource at all so so they're

1253

00:50:36,870 --> 00:50:34,450

getting people to to just trash

1254

00:50:39,480 --> 00:50:36,880

themselves their body trash each other

1255

00:50:44,760 --> 00:50:39,490

other inflicted pain and suffering on

1256

00:50:46,440 --> 00:50:44,770

each other over a fictitious price you

1257

00:50:47,910 --> 00:50:46,450

know yeah in what's what's the

1258

00:50:50,760 --> 00:50:47,920

difference you know it's the same

1259

00:50:52,290 --> 00:50:50,770

program oh yeah I totally agree just

1260

00:50:53,640 --> 00:50:52,300

another distraction I've never

1261

00:50:55,770 --> 00:50:53,650

understood sports

1262

00:50:57,630 --> 00:50:55,780

it seems super silly like whenever I

1263

00:50:59,940 --> 00:50:57,640

meet someone new one of the first things

1264

00:51:01,260 --> 00:50:59,950

that gets brought up is you know what

1265

00:51:02,850 --> 00:51:01,270

what sports do you like and I'm like I

1266

00:51:04,680 --> 00:51:02,860

don't like any sports you know nobody

1267

00:51:07,620 --> 00:51:04,690

watches me go to work I'm not gonna go

1268

00:51:10,440 --> 00:51:07,630

watch them and I don't understand team

1269

00:51:12,810 --> 00:51:10,450

loyalty I don't understand how you can

1270

00:51:14,160 --> 00:51:12,820

like one group of random people better

1271

00:51:15,840 --> 00:51:14,170

than another group of random people

1272

00:51:17,430 --> 00:51:15,850

maybe just cuz they're from the city

1273

00:51:19,290 --> 00:51:17,440

you're from and most of them aren't even

1274

00:51:21,900 --> 00:51:19,300

from that city there they're brought in

1275

00:51:24,420 --> 00:51:21,910

on contracts to play for that team it's

1276

00:51:25,890 --> 00:51:24,430

all just random [h__h] it's it really

1277

00:51:28,380 --> 00:51:25,900

is a sad distraction if there was only

1278

00:51:30,030 --> 00:51:28,390

10% of the attention paid to sports to

1279

00:51:31,650 --> 00:51:30,040

some of the problems we have I'm sure

1280

00:51:34,500 --> 00:51:31,660

things would be a lot better for

1281

00:51:36,630 --> 00:51:34,510

everybody involved oh yeah I mean I I

1282

00:51:38,160 --> 00:51:36,640

was looking at some of these things and

1283

00:51:40,440 --> 00:51:38,170

I was talking about this guy's oh yeah

1284

00:51:42,510 --> 00:51:40,450

they're gonna send this probe they just

1285

00:51:44,910 --> 00:51:42,520

sent these two probes to the moon you

1286

00:51:46,089 --> 00:51:44,920

know or something in there and knowing

1287

00:51:47,650 --> 00:51:46,099

they got another

1288

00:51:49,150 --> 00:51:47,660

couple recruits going to Mars and I

1289

00:51:52,210 --> 00:51:49,160

think China's sending a probe to the

1290

00:51:54,729 --> 00:51:52,220

moon and and these things and I'm just

1291

00:51:58,200 --> 00:51:54,739

going okay so I go you know what's up

1292

00:52:01,059 --> 00:51:58,210

what's up with that yeah it's like

1293

00:52:02,710 --> 00:52:01,069

sending probes to Mars isn't interesting

1294

00:52:05,019 --> 00:52:02,720

when the Cowboys are playing the Rams on

1295

00:52:07,979 --> 00:52:05,029

Sunday who gives a [h__h] about the moon

1296

00:52:10,719 --> 00:52:07,989

we got the Cowboys play in the Rams

1297

00:52:12,819 --> 00:52:10,729

exactly it really is uh I mean if

1298

00:52:15,339 --> 00:52:12,829

there's any case to be made for sorcery

1299

00:52:18,549 --> 00:52:15,349

to me it's that because I just I don't

1300

00:52:20,140 --> 00:52:18,559

understand such passion for such trivial

1301

00:52:22,359 --> 00:52:20,150

[h__\h]

1302

00:52:23,890 --> 00:52:22,369

but you know one other thing I really

1303

00:52:25,930 --> 00:52:23,900

wanted to talk to you about was this

1304

00:52:27,190 --> 00:52:25,940

this idea of the Inner Earth you know

1305

00:52:29,229 --> 00:52:27,200

there's so many people who have

1306

00:52:32,499 --> 00:52:29,239

different perspectives on what that

1307

00:52:33,880 --> 00:52:32,509

could be like I mean when it comes to

1308

00:52:35,739 --> 00:52:33,890

these beans that are coming out of Mount

1309

00:52:36,819 --> 00:52:35,749

Adams do you think inside there it's

1310

00:52:38,529 --> 00:52:36,829

just are we talking about some deep

1311

00:52:39,999 --> 00:52:38,539

caves or do you think the earth is

1312

00:52:41,680 --> 00:52:40,009

hollow with people walking on the

1313

00:52:45,339 --> 00:52:41,690

opposite side of the Earth's crust like

1314

00:52:47,349 --> 00:52:45,349

I've heard some people talk about well

1315

00:52:49,450 --> 00:52:47,359

it's kind of interesting what's going on

1316

00:52:51,819 --> 00:52:49,460

there because I've gone there

1317

00:52:54,549 --> 00:52:51,829

out-of-body and had experiences and

1318

00:52:56,049 --> 00:52:54,559

there's a whole civilizations going on

1319

00:52:58,719 --> 00:52:56,059

there you know on the fourth and fifth

1320

00:53:00,999 --> 00:52:58,729

and sixth dimension and believe it or

1321

00:53:02,979 --> 00:53:01,009

not there are some of the mythological

1322

00:53:05,400 --> 00:53:02,989

animals that we thought you know work

1323

00:53:08,469 --> 00:53:05,410

didn't exist are still existing and

1324

00:53:11,499 --> 00:53:08,479

preserved in in on the Inner Earth and

1325

00:53:13,509 --> 00:53:11,509

slowly yeah and the ancient Atlanteans

1326

00:53:16,209 --> 00:53:13,519

and Lemurians that were caught in the

1327

00:53:18,729 --> 00:53:16,219

disasters actually went into the

1328

00:53:20,380 --> 00:53:18,739

interior to some of these huge

1329

00:53:23,259 --> 00:53:20,390

underground facilities that were already

1330

00:53:27,789 --> 00:53:23,269

there and have been there you know for

1331

00:53:29,319 --> 00:53:27,799

quite some time so so basically you know

1332

00:53:32,680 --> 00:53:29,329

it's it's something that's been around

1333

00:53:34,150 --> 00:53:32,690

in all all the ancient legends people

1334

00:53:36,459 --> 00:53:34,160

know about it's been around for a long

1335

00:53:37,959 --> 00:53:36,469

time and you know people go why don't

1336

00:53:39,640 --> 00:53:37,969

they come out on the surface and I said

1337

00:53:41,829 --> 00:53:39,650

well because we're really aggressive and

1338

00:53:44,440 --> 00:53:41,839

we're totally misusing technology and

1339

00:53:47,049 --> 00:53:44,450

all we care about is power over others

1340

00:53:49,839 --> 00:53:47,059

and and using technology to harm and

1341

00:53:51,819 --> 00:53:49,849

control and dominate and why would they

1342

00:53:53,859 --> 00:53:51,829

come out and it's the same thing with

1343

00:53:55,569 --> 00:53:53,869

the UFOs they said why don't they land

1344

00:53:58,440 --> 00:53:55,579

on the White House lawn we'll look at

1345

00:54:00,510 --> 00:53:58,450

the condition of our of our government

1346

00:54:02,700 --> 00:54:00,520

no and there's no real intelligent life

1347

00:54:05,250 --> 00:54:02,710

there I mean Congress has a six percent

1348

00:54:07,890 --> 00:54:05,260

approval rate rate right now you know

1349

00:54:09,690 --> 00:54:07,900

where where's the integrity levels that

1350

00:54:12,210 --> 00:54:09,700

it would take and the spiritual

1351
00:54:14,280 --> 00:54:12,220
advancement to really even understand

1352
00:54:16,920 --> 00:54:14,290
who they are and have a contact with

1353
00:54:19,290 --> 00:54:16,930
them it's just not present there well

1354
00:54:22,920 --> 00:54:19,300
what kind of gets me about the idea of

1355
00:54:25,980 --> 00:54:22,930
the inner earth beings is I feel like if

1356
00:54:29,069 --> 00:54:25,990
they were technologically advanced and

1357
00:54:32,520 --> 00:54:29,079
they were spiritually advanced it would

1358
00:54:35,010 --> 00:54:32,530
be very hard for them to not experience

1359
00:54:37,620 --> 00:54:35,020
sunlight and nature and the connection

1360
00:54:40,800 --> 00:54:37,630
to the earth I feel like that is why

1361
00:54:43,050 --> 00:54:40,810
they would retreat outward well you know

1362
00:54:45,329 --> 00:54:43,060
it's interesting because most advanced

1363
00:54:49,349 --> 00:54:45,339

racers actually live on their interior

1364

00:54:51,540 --> 00:54:49,359

because the surface can be very hostile

1365

00:54:53,520 --> 00:54:51,550

yeah very hostile on a lot of

1366

00:54:55,079 --> 00:54:53,530

environment you know because you look at

1367

00:54:57,630 --> 00:54:55,089

what's going on on our surface you know

1368

00:55:00,060 --> 00:54:57,640

with the tornadoes and with the coronal

1369

00:55:03,270 --> 00:55:00,070

mass ejections and the solar flares and

1370

00:55:05,130 --> 00:55:03,280

and you know just that alone and the

1371

00:55:06,630 --> 00:55:05,140

earthquakes and everything else that

1372

00:55:09,030 --> 00:55:06,640

that are happening you know the floods

1373

00:55:11,880 --> 00:55:09,040

the constant flooding and freezing and

1374

00:55:14,430 --> 00:55:11,890

and everything else if you had an inner

1375

00:55:16,559 --> 00:55:14,440

son you know or a way to regulate that

1376
00:55:18,540 --> 00:55:16,569
your your weather's constantly seventy

1377
00:55:20,370 --> 00:55:18,550
degrees and you know your food

1378
00:55:22,740 --> 00:55:20,380
production is constant you know

1379
00:55:24,809 --> 00:55:22,750
everything else is constant you know it

1380
00:55:27,059 --> 00:55:24,819
would be like a little utopia there so I

1381
00:55:29,339 --> 00:55:27,069
can see why they wouldn't want to come

1382
00:55:30,780 --> 00:55:29,349
out and and deal with that you know and

1383
00:55:33,690 --> 00:55:30,790
I apply that to my own life you know

1384
00:55:35,550 --> 00:55:33,700
right now when I left the up there in

1385
00:55:39,720 --> 00:55:35,560
Trout Lake it was ten degrees you know

1386
00:55:42,030 --> 00:55:39,730
so mm-hmm and and snow started to fall

1387
00:55:45,000 --> 00:55:42,040
up there too so it's like you know

1388
00:55:45,599 --> 00:55:45,010

what's the point you know the ranch is

1389

00:55:47,400 --> 00:55:45,609

closed

1390

00:55:50,120 --> 00:55:47,410

you know there's we can't really operate

1391

00:55:52,829 --> 00:55:50,130

or do anything there so we might as well

1392

00:55:54,809 --> 00:55:52,839

you know I might as well come down to a

1393

00:55:57,210 --> 00:55:54,819

place where I can still engage and help

1394

00:55:59,069 --> 00:55:57,220

people and and I do a lot of work down

1395

00:56:01,980 --> 00:55:59,079

here with the wheels and some of the

1396

00:56:04,620 --> 00:56:01,990

other Native American and the Indians

1397

00:56:07,319 --> 00:56:04,630

down here basically not Native American

1398

00:56:09,150 --> 00:56:07,329

but the Mexican Indians and and I do

1399

00:56:10,210 --> 00:56:09,160

lectures and things and the money goes

1400

00:56:15,430 --> 00:56:10,220

to the

1401
00:56:17,710 --> 00:56:15,440
fee you know stay fed and things like

1402
00:56:20,170 --> 00:56:17,720
that awesome man

1403
00:56:21,550 --> 00:56:20,180
well I also before we're getting kind of

1404
00:56:23,890 --> 00:56:21,560
close to the in here but I wanted to ask

1405
00:56:25,480 --> 00:56:23,900
you are there any other messages that

1406
00:56:27,430 --> 00:56:25,490
you've been given from these contact

1407
00:56:30,849 --> 00:56:27,440
experiences that would really be worth

1408
00:56:32,380 --> 00:56:30,859
relating to the people yeah definitely

1409
00:56:34,240 --> 00:56:32,390
you know the main message they've been

1410
00:56:36,400 --> 00:56:34,250
giving us that it's time to release the

1411
00:56:39,880 --> 00:56:36,410
past you know it's time to get back into

1412
00:56:41,710 --> 00:56:39,890
you know forgiving the past and moving

1413
00:56:43,930 --> 00:56:41,720

forward and focus on love and joy and

1414

00:56:46,330 --> 00:56:43,940

bliss you know until you become it get

1415

00:56:47,950 --> 00:56:46,340

out in nature and the main thing they

1416

00:56:49,540 --> 00:56:47,960

keep saying is the same thing that all

1417

00:56:51,370 --> 00:56:49,550

the Masters have been saying is it's

1418

00:56:54,099 --> 00:56:51,380

time to be kind and loving to each other

1419

00:56:55,810 --> 00:56:54,109

and and nowadays it's especially

1420

00:56:57,520 --> 00:56:55,820

important to set boundaries with those

1421

00:57:00,760 --> 00:56:57,530

who are not being kind and loving and

1422

00:57:03,070 --> 00:57:00,770

and stand stand in your own divinity and

1423

00:57:07,000 --> 00:57:03,080

not stand tall in the situation and and

1424

00:57:09,490 --> 00:57:07,010

it is time to to you know operating the

1425

00:57:13,320 --> 00:57:09,500

universal law and maybe remind those who

1426
00:57:15,550 --> 00:57:13,330
are not to get back with the program

1427
00:57:17,530 --> 00:57:15,560
it's kind of funny because on one hand

1428
00:57:19,870 --> 00:57:17,540
I'm like oh be kind to each other be

1429
00:57:20,980 --> 00:57:19,880
loving to each other that's it but then

1430
00:57:23,349 --> 00:57:20,990
on the other hand it's like we've been

1431
00:57:26,410 --> 00:57:23,359
getting that message for centuries and

1432
00:57:28,870 --> 00:57:26,420
we have yet to take that advice exactly

1433
00:57:31,420 --> 00:57:28,880
well I mean if you take any enlightened

1434
00:57:33,070 --> 00:57:31,430
master on this planet and put them on a

1435
00:57:34,900 --> 00:57:33,080
ship that's pretty much what you have

1436
00:57:37,420 --> 00:57:34,910
with these higher dimensional beings

1437
00:57:39,609 --> 00:57:37,430
they're extremely loving and kind

1438
00:57:41,560 --> 00:57:39,619

they're very concerned about the earth

1439

00:57:42,970 --> 00:57:41,570

and humanity and where we're going and

1440

00:57:45,190 --> 00:57:42,980

they're doing all they can to get us

1441

00:57:47,589 --> 00:57:45,200

through some very challenging time so

1442

00:57:49,089 --> 00:57:47,599

you know obviously would give us the

1443

00:57:51,609 --> 00:57:49,099

same message but you know they're also

1444

00:57:54,220 --> 00:57:51,619

give us a heads up that there is a huge

1445

00:57:57,310 --> 00:57:54,230

vibrational lifting going on a process

1446

00:58:00,130 --> 00:57:57,320

the earth is in and in what they call an

1447

00:58:02,470 --> 00:58:00,140

ascension process and actually going

1448

00:58:04,990 --> 00:58:02,480

into a different phase of her

1449

00:58:07,120 --> 00:58:05,000

evolutionary process and so we need to

1450

00:58:09,220 --> 00:58:07,130

become frequency specific to where the

1451

00:58:12,099 --> 00:58:09,230

earth is going if we're going to stay

1452

00:58:13,570 --> 00:58:12,109

here and if we don't start acting kind

1453

00:58:15,430 --> 00:58:13,580

and loving to each other in our

1454

00:58:16,060 --> 00:58:15,440

environment we we just aren't going to

1455

00:58:18,820 --> 00:58:16,070

be here

1456

00:58:21,040 --> 00:58:18,830

it's those the the people that are

1457

00:58:22,310 --> 00:58:21,050

resonating on that level are not going

1458

00:58:26,150 --> 00:58:22,320

to be here they're not going to make

1459

00:58:29,590 --> 00:58:26,160

shift well I mean that begs the question

1460

00:58:32,270 --> 00:58:29,600

you know I listen to a lot of similar

1461

00:58:35,330 --> 00:58:32,280

similar teachers a lot of Alan Watts

1462

00:58:36,920 --> 00:58:35,340

kind of stuff mom and I have a lot of

1463

00:58:39,110 --> 00:58:36,930

guests that talk about energy and the

1464

00:58:41,060 --> 00:58:39,120

vibrations and the higher consciousness

1465

00:58:42,950 --> 00:58:41,070

and I understand what they're saying and

1466

00:58:44,690 --> 00:58:42,960

I'm generally a good person I'm really

1467

00:58:47,090 --> 00:58:44,700

open-minded willing to accept most

1468

00:58:48,680 --> 00:58:47,100

possibilities but the energetic stuff

1469

00:58:50,870 --> 00:58:48,690

and the higher consciousness it just

1470

00:58:53,480 --> 00:58:50,880

doesn't seem to do anything for me on in

1471

00:58:54,890 --> 00:58:53,490

a physical way I mean what can someone

1472

00:58:56,240 --> 00:58:54,900

in my position which I think a lot of

1473

00:58:57,500 --> 00:58:56,250

the listeners are I mean is there any

1474

00:59:00,440 --> 00:58:57,510

other tips you can give us for how to

1475

00:59:02,630 --> 00:59:00,450

really feel that energy man you know I

1476

00:59:04,700 --> 00:59:02,640

think just be open to it but you know

1477

00:59:06,530 --> 00:59:04,710

what we do here we do transfer some

1478

00:59:09,260 --> 00:59:06,540

release sessions here where we actually

1479

00:59:11,420 --> 00:59:09,270

take people through past lives and clear

1480

00:59:13,460 --> 00:59:11,430

any blocks or patterns and from age one

1481

00:59:15,650 --> 00:59:13,470

on and clear any trauma or blocks and

1482

00:59:18,800 --> 00:59:15,660

patterns and at the end they're given an

1483

00:59:21,350 --> 00:59:18,810

initiation by these higher dimensional

1484

00:59:23,930 --> 00:59:21,360

beings and and it's a huge life changer

1485

00:59:26,900 --> 00:59:23,940

for their that that's one of the things

1486

00:59:29,030 --> 00:59:26,910

that we do to help that process but you

1487

00:59:31,550 --> 00:59:29,040

know I wouldn't sign up for that I just

1488

00:59:34,340 --> 00:59:31,560

give us a send us an email just go to

1489

00:59:36,620 --> 00:59:34,350

the the site you know Il settled org and

1490

00:59:38,830 --> 00:59:36,630

shoot us an email and tell me you want

1491

00:59:41,240 --> 00:59:38,840

to transfer some release process or or

1492

00:59:43,340 --> 00:59:41,250

you know a lot of these techniques and

1493

00:59:44,990 --> 00:59:43,350

methods are in the books reunion with

1494

00:59:46,670 --> 00:59:45,000

source and becoming gods and the

1495

00:59:48,920 --> 00:59:46,680

ultimate soldier and you know all the

1496

00:59:50,960 --> 00:59:48,930

information is there mm-hmm and as one

1497

00:59:52,610 --> 00:59:50,970

of those DVDs we have teachers and

1498

00:59:54,440 --> 00:59:52,620

healers from around the world that the

1499

00:59:56,960 --> 00:59:54,450

best of the best coming to the ranch and

1500

00:59:59,780 --> 00:59:56,970

and are actually have given their

1501

01:00:02,390 --> 00:59:59,790

information to help people so it's there

1502

01:00:04,430 --> 01:00:02,400

if you want to do the research and yeah

1503

01:00:07,310 --> 01:00:04,440

and we got to do the time and just get

1504

01:00:09,650 --> 01:00:07,320

out in nature and start start asking you

1505

01:00:11,330 --> 01:00:09,660

know if you meditate on love and joy and

1506

01:00:12,830 --> 01:00:11,340

bliss and send it out there and just say

1507

01:00:15,710 --> 01:00:12,840

I want to know I want to have an

1508

01:00:17,870 --> 01:00:15,720

experience and you do it on a regular

1509

01:00:19,700 --> 01:00:17,880

basis you are gonna have an experience

1510

01:00:21,380 --> 01:00:19,710

and knowledge is gonna come to you it it

1511

01:00:23,960 --> 01:00:21,390

might turn you upside down for the love

1512

01:00:26,780 --> 01:00:23,970

hood you will have experience eventually

1513

01:00:29,930 --> 01:00:26,790

that's awesome man well James this has

1514

01:00:32,120 --> 01:00:29,940

been completely fascinating I for one

1515

01:00:34,370 --> 01:00:32,130

really want to take an excursion to try

1516

01:00:36,339 --> 01:00:34,380

to find one of those inner earth cities

1517

01:00:38,559 --> 01:00:36,349

or I'd love to come out to the ranch

1518

01:00:41,200 --> 01:00:38,569

and record an episode with some type of

1519

01:00:45,849 --> 01:00:41,210

transpersonal release process I'm super

1520

01:00:47,890 --> 01:00:45,859

interested in that it is the when when

1521

01:00:50,319 --> 01:00:47,900

spring comes around do you open up the e

1522

01:00:52,779 --> 01:00:50,329

Sethi ranch again oh yeah yeah we'll be

1523

01:00:55,150 --> 01:00:52,789

open again and just have to give us a

1524

01:00:57,009 --> 01:00:55,160

you can call the number there on the

1525

01:00:59,920 --> 01:00:57,019

website it's five or nine three nine

1526

01:01:02,950 --> 01:00:59,930

five two oh nine two or just go to e

1527

01:01:04,900 --> 01:01:02,960

city org and all the information is

1528

01:01:06,660 --> 01:01:04,910

there and people that do come in the

1529

01:01:09,849 --> 01:01:06,670

ranch they they have life-changing

1530

01:01:12,130 --> 01:01:09,859

experiences and they they kind of leave

1531

01:01:13,839 --> 01:01:12,140

in awe you know like what just happened

1532

01:01:17,049 --> 01:01:13,849

you know and then have to process it so

1533

01:01:19,599 --> 01:01:17,059

that's all resting so it's not totally

1534

01:01:22,180 --> 01:01:19,609

open to the public right well people

1535

01:01:25,450 --> 01:01:22,190

just need to ask they need to ask for an

1536

01:01:28,150 --> 01:01:25,460

invite okay is a private ranch we had to

1537

01:01:29,710 --> 01:01:28,160

go totally private due to some of the

1538

01:01:32,739 --> 01:01:29,720

legalities and problems we're having

1539

01:01:34,329 --> 01:01:32,749

with the county but now it's a totally

1540

01:01:36,460 --> 01:01:34,339

private and you just have to ask for a

1541

01:01:40,029 --> 01:01:36,470

private invitation to come out to the

1542

01:01:41,859 --> 01:01:40,039

ranch awesome man cool well hey I really

1543

01:01:44,049 --> 01:01:41,869

appreciate your time I know it hasn't

1544

01:01:46,029 --> 01:01:44,059

been easy getting to a strong internet

1545

01:01:48,579 --> 01:01:46,039

connection there and you're in your spot

1546

01:01:50,170 --> 01:01:48,589

in Mexico thanks for sharing your

1547

01:01:52,749 --> 01:01:50,180

perspective with us it's been a real

1548

01:01:55,539 --> 01:01:52,759

blast are there any big upcoming events

1549

01:01:57,009 --> 01:01:55,549

or maybe other projects or websites

1550

01:01:57,549 --> 01:01:57,019

you'd like to tell people about before I

1551

01:01:59,859 --> 01:01:57,559

cut you loose

1552

01:02:01,690 --> 01:01:59,869

not really we're just we're kind of

1553

01:02:04,690 --> 01:02:01,700

chilling out until spring and then we're

1554

01:02:07,150 --> 01:02:04,700

gonna go out and hot and heavy then that

1555

01:02:10,059 --> 01:02:07,160

is an amazing luxury to just be able to

1556

01:02:12,160 --> 01:02:10,069

take off sometime yeah well thanks again

1557

01:02:14,829 --> 01:02:12,170

James tell the ETS I am ready to accept

1558

01:02:19,180 --> 01:02:14,839

them and I'm waiting the big reveal all

1559

01:02:19,890 --> 01:02:19,190

right man all right thanks man all right

1560

01:02:23,440 --> 01:02:19,900

take care

1561

01:02:25,390 --> 01:02:23,450

wow people james gilliland

1562

01:02:27,700 --> 01:02:25,400

I for one definitely want to head up to

1563

01:02:30,190 --> 01:02:27,710

the e Sethi ranch in the summer and see

1564

01:02:31,450 --> 01:02:30,200

what's going on that's it for me I wish

1565

01:02:33,670 --> 01:02:31,460

you the best in the multi-dimensional

1566

01:02:35,140 --> 01:02:33,680

battle for your consciousness please

1567

01:02:37,150 --> 01:02:35,150

share the show if you find it to your

1568

01:02:39,219 --> 01:02:37,160

liking you're all great may your

1569

01:02:41,380 --> 01:02:39,229

vacations be long and your pimp pants be

1570

01:02:44,859 --> 01:02:41,390

strong brace yourself for the awakening
