BROUGHT TO YOU BY:

1
00:00:36,200 --> 00:00:34,790
how's it going higher side chatters you

2
00:00:37,940 --> 00:00:36,210
know the drill smoking a little smoke

3
00:00:39,710 --> 00:00:37,950
drinking a little drink from sunny San

4
00:00:41,750 --> 00:00:39,720
Diego I'm Greg Carl wood and today we're

5
00:00:43,580 --> 00:00:41,760
gonna swing back into the dark world of

6
00:00:45,710 --> 00:00:43,590
esoteric secret societies and their

7
00:00:48,440 --> 00:00:45,720
manipulation of everything we know

8
00:00:50,510 --> 00:00:48,450
spirituality culture language commerce

9
00:00:52,250 --> 00:00:50,520
education nearly every aspect of the

10
00:00:54,170 --> 00:00:52,260
modern human experience has been shaped

11
00:00:55,880 --> 00:00:54,180
by their grubby little fingers and I for

12
00:00:57,500 --> 00:00:55,890
one want to know more about it but for

13
00:00:59,330 --> 00:00:57,510

an outsider understanding the clear

14

00:01:01,700 --> 00:00:59,340

truth is like navigating a near infinite

15

00:01:03,500 --> 00:01:01,710

labyrinth of smoke and mirrors and lucky

16

00:01:05,569 --> 00:01:03,510

for us today's guest Frye directs is a

17

00:01:07,670 --> 00:01:05,579

member of over nine secret societies and

18

00:01:09,559 --> 00:01:07,680

esoteric orders and he's gonna break it

19

00:01:11,389 --> 00:01:09,569

down for us the best he can but my

20

00:01:13,160 --> 00:01:11,399

feeble mind just isn't qualified to go

21

00:01:14,809 --> 00:01:13,170

it alone so joining me here in the THC

22

00:01:17,179 --> 00:01:14,819

studio is my good friend and occasional

23

00:01:19,340 --> 00:01:17,189

co-host publisher of paranoia magazine

24

00:01:20,840 --> 00:01:19,350

the Holy Scriptures themselves you know

25

00:01:22,940 --> 00:01:20,850

him you love them Ron Pat and how the

26

00:01:24,620 --> 00:01:22,950

hell are you hey I'm doing quite well

27

00:01:27,559 --> 00:01:24,630

Greg thanks for having me on

28

00:01:30,289 --> 00:01:27,569

of course well man it's it's been a sad

29

00:01:33,739 --> 00:01:30,299

48 hours for me honestly I mean just two

30

00:01:35,959 --> 00:01:33,749

nights ago on the eve of the Blood Moon

31

00:01:37,910 --> 00:01:35,969

one of the boldest voices for the

32

00:01:40,399 --> 00:01:37,920

voiceless a brilliant teller of truth

33

00:01:43,129 --> 00:01:40,409

and a powerful guest we had on THC just

34

00:01:45,349 --> 00:01:43,139

two months ago Michael C Rupert signed

35

00:01:48,019 --> 00:01:45,359

off from his own podcast a lifeboat hour

36

00:01:49,969 --> 00:01:48,029

and took his own life with a gunshot to

37

00:01:51,469 --> 00:01:49,979

the head and it really pains me because

38

00:01:53,449 --> 00:01:51,479

I feel like Mike was dealing with the

39

00:01:55,219 --> 00:01:53,459

frustration of dedicating himself to

40

00:01:57,319 --> 00:01:55,229

fighting the corrupt power structure for

41

00:02:00,109 --> 00:01:57,329

decades watching the planet in society

42

00:02:01,940 --> 00:02:00,119

decay and seeing 95% of people stand by

43

00:02:04,249 --> 00:02:01,950

and do nothing and I sympathize with

44

00:02:07,399 --> 00:02:04,259

that and it's just kind of a sad day for

45

00:02:09,680 --> 00:02:07,409

our team isn't it yeah Michael's been

46

00:02:13,070 --> 00:02:09,690

around for a while and I think he's had

47

00:02:16,310 --> 00:02:13,080

a lot of profound influence on a lot of

48

00:02:18,650 --> 00:02:16,320

conspiracy researchers and he's

49

00:02:21,260 --> 00:02:18,660

definitely stood the test of time

50

00:02:25,850 --> 00:02:21,270

as far as his credibility and his

51
00:02:28,820 --> 00:02:25,860
willingness to reveal the truth yeah man

52
00:02:31,460 --> 00:02:28,830
I've already seen several alternative

53
00:02:34,220 --> 00:02:31,470
news sites and people come out and say

54
00:02:36,470 --> 00:02:34,230
you know don't believe the hype that it

55
00:02:38,750 --> 00:02:36,480
was a suicide and I just say you know

56
00:02:41,480 --> 00:02:38,760
sometimes things really are just what

57
00:02:43,610 --> 00:02:41,490
they seem to be and I'm not really

58
00:02:45,320 --> 00:02:43,620
surprised that he would do that it seems

59
00:02:47,600 --> 00:02:45,330
like if you watched apocalypse man if

60
00:02:49,580 --> 00:02:47,610
you listened to his recent interviews he

61
00:02:51,590 --> 00:02:49,590
seemed like he had given up I mean he

62
00:02:53,090 --> 00:02:51,600
said in the in our interview I asked him

63
00:02:55,520 --> 00:02:53,100

you know where's the hope for the future

64

00:02:57,350 --> 00:02:55,530

and he basically said there is none we

65

00:03:00,550 --> 00:02:57,360

are in a situation of accepting defeat

66

00:03:02,660 --> 00:03:00,560

and when someone is in that mind state

67

00:03:04,670 --> 00:03:02,670

to hear something like this would happen

68

00:03:06,910 --> 00:03:04,680

isn't super surprising although it is

69

00:03:09,560 --> 00:03:06,920

super frustrating to lose such a

70

00:03:11,300 --> 00:03:09,570

powerful voice in the alternative

71

00:03:12,740 --> 00:03:11,310

movement you know someone I really think

72

00:03:16,010 --> 00:03:12,750

we needed when our numbers aren't very

73

00:03:17,510 --> 00:03:16,020

strong anyway right and you know

74

00:03:22,730 --> 00:03:17,520

unfortunately there's a lot of

75

00:03:25,880 --> 00:03:22,740

conspiracy theorists out there who every

76

00:03:28,120 --> 00:03:25,890

time there's some sort of big event or

77

00:03:30,470 --> 00:03:28,130

you know somebody in the conspiracy

78

00:03:34,040 --> 00:03:30,480

research community dies they

79

00:03:37,550 --> 00:03:34,050

automatically think that you know it was

80

00:03:40,010 --> 00:03:37,560

a conspiracy but what I like to do is

81

00:03:43,550 --> 00:03:40,020

wait for a while and let things kind of

82

00:03:46,060 --> 00:03:43,560

filter through and you know look at

83

00:03:50,120 --> 00:03:46,070

information from both sides and sort of

84

00:03:53,720 --> 00:03:50,130

weed out the the crap and then hold on

85

00:03:55,699 --> 00:03:53,730

to it to what seems credible and you

86

00:03:58,130 --> 00:03:55,709

know again unfortunately I think he did

87

00:04:00,530 --> 00:03:58,140

take his own life and you know if you

88

00:04:02,600 --> 00:04:00,540

don't have hope I mean what do you have

89

00:04:05,900 --> 00:04:02,610

to live for really that's what it comes

90

00:04:09,170 --> 00:04:05,910

down to but I myself am hopeful and

91

00:04:14,300 --> 00:04:09,180

hopefully I'll stay that way but you

92

00:04:17,240 --> 00:04:14,310

know rest in peace Michael Rupert yeah

93

00:04:18,949 --> 00:04:17,250

man well depressing news aside before we

94

00:04:22,640 --> 00:04:18,959

bring Frederick's in here what's been

95

00:04:26,320 --> 00:04:22,650

going on in the paranoia world well I

96

00:04:29,620 --> 00:04:26,330

recently moved to a bigger store it's in

97

00:04:32,120 --> 00:04:29,630

basically it's in the same building on

98

00:04:37,820 --> 00:04:32,130

630 C Street in downtown

99

00:04:40,160 --> 00:04:37,830

San Diego so that's good and then I last

100

00:04:43,730 --> 00:04:40,170

night I just put together the the final

101
00:04:45,740 --> 00:04:43,740
roster for the upcoming paranoia con

102
00:04:49,520 --> 00:04:45,750
which is going to be August 2nd and 3rd

103
00:04:51,590 --> 00:04:49,530
and in the same building I have my store

104
00:04:53,720 --> 00:04:51,600
in so I'm pretty excited about that so

105
00:05:14,930 --> 00:04:53,730
I'll have that all that information on

106
00:05:21,020 --> 00:05:18,260
mind control in the art of Illusion so

107
00:05:24,800 --> 00:05:21,030
I'm really excited about those two

108
00:05:26,990 --> 00:05:24,810
upcoming events yeah man those things

109
00:05:28,820 --> 00:05:27,000
sound awesome the first paranoia con was

110
00:05:30,170 --> 00:05:28,830
great spend a lot of time hanging out

111
00:05:31,580 --> 00:05:30,180
with Adam go Riley I know a lot of

112
00:05:33,170 --> 00:05:31,590
Phillips who the audience should be

113
00:05:35,510 --> 00:05:33,180

familiar with it was also the place

114

00:05:37,940 --> 00:05:35,520

where I met Lennon on ER who has been

115

00:05:40,550 --> 00:05:37,950

one of my favorite guests on the show so

116

00:05:42,440 --> 00:05:40,560

I would really encourage people to come

117

00:05:45,320 --> 00:05:42,450

out to that and support the alternative

118

00:05:47,900 --> 00:05:45,330

movement and meet some of these speakers

119

00:05:50,480 --> 00:05:47,910

that you hear on podcast such as this

120

00:05:52,100 --> 00:05:50,490

one well anyway that said I'm really

121

00:05:53,840 --> 00:05:52,110

looking forward to it and Fredericks

122

00:05:56,180 --> 00:05:53,850

today's guest is going to be a speaker

123

00:05:58,040 --> 00:05:56,190

there and I think he is ready that for

124

00:06:00,470 --> 00:05:58,050

us to bring them in so here's a little

125

00:06:01,940 --> 00:06:00,480

plug for the THC Money bomb for anyone

126
00:06:03,980 --> 00:06:01,950
wants to play the game and help the show

127
00:06:06,230 --> 00:06:03,990
at the same time and Ron and I will be

128
00:06:09,830 --> 00:06:06,240
on the other side with secret society

129
00:06:10,820 --> 00:06:09,840
socialite Frederick's hey people I gotta

130
00:06:12,350 --> 00:06:10,830
take a second to tell you about

131
00:06:14,840 --> 00:06:12,360
something we do around here called the

132
00:06:17,000 --> 00:06:14,850
THC Money bomb what I do is every five

133
00:06:18,500 --> 00:06:17,010
episodes total up the donations I've

134
00:06:20,510 --> 00:06:18,510
gotten in that period of time a half

135
00:06:22,580 --> 00:06:20,520
keeps me and the show going I take the

136
00:06:24,950 --> 00:06:22,590
other half my gift that back to a random

137
00:06:26,540 --> 00:06:24,960
listener so far we're hitting about 500

138
00:06:27,050 --> 00:06:26,550

each round and I couldn't be happier

139

00:06:28,730 --> 00:06:27,060

about it

140

00:06:30,320 --> 00:06:28,740

so consider throwing in five or ten

141

00:06:31,970 --> 00:06:30,330

bucks it's cheaper than a hand at the

142

00:06:33,770 --> 00:06:31,980

blackjack table with better odds and a

143

00:06:35,240 --> 00:06:33,780

scratch-off ticket plus you know half

144

00:06:36,800 --> 00:06:35,250

supports the show you like and at the

145

00:06:38,720 --> 00:06:36,810

very least half will go to a like-minded

146

00:06:39,780 --> 00:06:38,730

person who could probably use a nice

147

00:06:42,060 --> 00:06:39,790

surprise

148

00:06:43,740 --> 00:06:42,070

times when you make a donation I can see

149

00:06:45,510 --> 00:06:43,750

your email address and that's how I pick

150

00:06:47,220 --> 00:06:45,520

the winner but to keep things kosher you

151
00:06:49,350 --> 00:06:47,230
can also get in the pool by sending your

152
00:06:53,130 --> 00:06:49,360
info on a postcard to me Gregg Karl

153
00:06:59,070 --> 00:06:53,140
would p.o box 6 3 5 2 2 3 San Diego

154
00:07:00,690 --> 00:06:59,080
California 9 2 1 6 3 like I've snow paid

155
00:07:01,050 --> 00:07:00,700
bonus shows and I want to keep it that

156
00:07:02,760 --> 00:07:01,060
way

157
00:07:04,740 --> 00:07:02,770
on principle but I'm not a millionaire

158
00:07:06,630 --> 00:07:04,750
at the podcast on the side this is it

159
00:07:09,450 --> 00:07:06,640
for me and I'm the only one I know is

160
00:07:11,670 --> 00:07:09,460
trying to help the people out as well so

161
00:07:13,200 --> 00:07:11,680
help me help you if you want to play

162
00:07:14,970 --> 00:07:13,210
along go to the higher side shad stack

163
00:07:18,000 --> 00:07:14,980

Cobb / donate and get in the game

164

00:07:31,160 --> 00:07:18,010

dollars bitcoins it's all good to me and

165

00:07:35,430 --> 00:07:33,570

alright people I'll say it again but as

166

00:07:37,200 --> 00:07:35,440

backwards as this world may seem it

167

00:07:39,330 --> 00:07:37,210

hasn't happened by accident our modern

168

00:07:41,580 --> 00:07:39,340

society is the result of centuries worth

169

00:07:43,560 --> 00:07:41,590

of careful crafting by powerful groups

170

00:07:45,360 --> 00:07:43,570

that blanket our history Entertainment

171

00:07:47,130 --> 00:07:45,370

education and damn near everything with

172

00:07:48,750 --> 00:07:47,140

their influence and while we live in a

173

00:07:50,580 --> 00:07:48,760

powerful age of information it's

174

00:07:52,620 --> 00:07:50,590

increasingly difficult to find the truth

175

00:07:54,540 --> 00:07:52,630

and clarity among the various roadblocks

176

00:07:56,430 --> 00:07:54,550

of propaganda and misinformation and

177

00:07:58,110 --> 00:07:56,440

that is one of the main reasons we

178

00:08:00,390 --> 00:07:58,120

brought in today's guest a crucial

179

00:08:02,310 --> 00:08:00,400

researcher lecturer and author for these

180

00:08:04,470 --> 00:08:02,320

troubled times and a personal member of

181

00:08:06,330 --> 00:08:04,480

nine different esoteric orders including

182

00:08:08,010 --> 00:08:06,340

the Knights Templar the ancient order of

183

00:08:09,630 --> 00:08:08,020

the Druids and the masonic rows of

184

00:08:11,820 --> 00:08:09,640

christians just to name a few

185

00:08:14,160 --> 00:08:11,830

he's a master of masonry a secret

186

00:08:15,960 --> 00:08:14,170

society socialite and a teller of sacred

187

00:08:18,960 --> 00:08:15,970

truth Frederick's welcome to the show ah

188

00:08:20,490 --> 00:08:18,970

thank you so much Greg I'm just excited

189

00:08:21,750 --> 00:08:20,500

to be here I'm glad that we could

190

00:08:24,330 --> 00:08:21,760

finally get this interview I'm sorry

191

00:08:26,520 --> 00:08:24,340

about the reschedule but you know when

192

00:08:29,400 --> 00:08:26,530

you get sick nature takes over you can't

193

00:08:31,710 --> 00:08:29,410

really call the shots you know yeah man

194

00:08:33,390 --> 00:08:31,720

no worries no worries I'm super psyched

195

00:08:36,060 --> 00:08:33,400

to have you here as well and I have to

196

00:08:38,100 --> 00:08:36,070

say I like you and I like your work but

197

00:08:41,100 --> 00:08:38,110

a lot of listeners will hear member of

198

00:08:42,780 --> 00:08:41,110

nine secret orders and get a little bit

199

00:08:44,610 --> 00:08:42,790

skeptical I mean we've had Mason's on

200

00:08:46,800 --> 00:08:44,620

the show before who usually paint their

201
00:08:48,690 --> 00:08:46,810
Brotherhood in a positive light kind of

202
00:08:50,130 --> 00:08:48,700
equating them to nothing more than a

203
00:08:51,510 --> 00:08:50,140
couple of buddies having a beer and

204
00:08:53,820 --> 00:08:51,520
reading up on the Hermetic

205
00:08:55,860 --> 00:08:53,830
but clearly some of these folks they've

206
00:08:57,900 --> 00:08:55,870
shaped our world for the worse

207
00:08:59,250 --> 00:08:57,910
with so much deceit how can you tell

208
00:09:02,040 --> 00:08:59,260
who's really on the right side of the

209
00:09:03,210 --> 00:09:02,050
people man well you know that's that's a

210
00:09:05,460 --> 00:09:03,220
really good question and that's what

211
00:09:07,860 --> 00:09:05,470
we'll set about to do in this chat today

212
00:09:10,590 --> 00:09:07,870
you know it's trying to unpack that and

213
00:09:12,960 --> 00:09:10,600

you know rest assured all your listeners

214

00:09:16,250 --> 00:09:12,970

can think of me as an infiltrator I mean

215

00:09:18,660 --> 00:09:16,260

I'm about on the precipice of complete

216

00:09:20,850 --> 00:09:18,670

resignation from most of the Masonic

217

00:09:23,190 --> 00:09:20,860

orders as we speak I've already started

218

00:09:25,590 --> 00:09:23,200

to withdraw from different orders you

219

00:09:27,390 --> 00:09:25,600

know and and honestly one of the main

220

00:09:28,920 --> 00:09:27,400

reasons is economics you got to keep up

221

00:09:30,780 --> 00:09:28,930

with these dues and all these orders it

222

00:09:32,520 --> 00:09:30,790

cost a lot of money and I really can't

223

00:09:33,930 --> 00:09:32,530

afford it personally I mean the whole

224

00:09:36,480 --> 00:09:33,940

quest I had was a quest for knowledge

225

00:09:39,090 --> 00:09:36,490

and quest for understanding to try to

226

00:09:41,250 --> 00:09:39,100

demystify this whole this whole thing

227

00:09:42,960 --> 00:09:41,260

and you know you exactly as you said

228

00:09:45,510 --> 00:09:42,970

there there are plenty of people that

229

00:09:47,430 --> 00:09:45,520

can tell you oh you know masonry is just

230

00:09:50,190 --> 00:09:47,440

a bunch of whole guys planning a

231

00:09:52,710 --> 00:09:50,200

barbecue or a pancake breakfast you know

232

00:09:54,480 --> 00:09:52,720

and charitable organizations and yeah it

233

00:09:56,490 --> 00:09:54,490

is all that - but what people don't

234

00:09:58,620 --> 00:09:56,500

realize is that when somebody joins

235

00:10:01,200 --> 00:09:58,630

masonry that opens them up for

236

00:10:04,170 --> 00:10:01,210

membership and some say over a thousand

237

00:10:05,940 --> 00:10:04,180

different side orders and organizations

238

00:10:09,000 --> 00:10:05,950

that you don't even know exist until

239

00:10:10,680 --> 00:10:09,010

they tap you to join yeah man that's one

240

00:10:14,190 --> 00:10:10,690

of the weirdest aspects of it and

241

00:10:16,050 --> 00:10:14,200

sometimes it seems almost like like

242

00:10:17,940 --> 00:10:16,060

trivial all these different offshoots

243

00:10:19,920 --> 00:10:17,950

kind of like offshoots of religions you

244

00:10:21,360 --> 00:10:19,930

know Baptist Lutheran and it's like a

245

00:10:23,790 --> 00:10:21,370

little bit silly it's like what do you

246

00:10:26,250 --> 00:10:23,800

what what's so different like why do we

247

00:10:29,010 --> 00:10:26,260

need all this and I kind of get that

248

00:10:31,680 --> 00:10:29,020

vibe from masonry secret societies as

249

00:10:33,330 --> 00:10:31,690

well but I mean what are the major

250

00:10:34,590 --> 00:10:33,340

differences here and I mean are at the

251
00:10:36,600 --> 00:10:34,600
top are they all kind of working

252
00:10:38,400 --> 00:10:36,610
together towards the same goal or are

253
00:10:40,230 --> 00:10:38,410
they all kind of fighting for pieces of

254
00:10:43,290 --> 00:10:40,240
the power pie or how exactly is this

255
00:10:45,030 --> 00:10:43,300
situation structured well I think it's a

256
00:10:46,590 --> 00:10:45,040
little bit of both those things but I

257
00:10:48,450 --> 00:10:46,600
think it's you can think of it as one of

258
00:10:50,280 --> 00:10:48,460
those Russian dolls where the the doll

259
00:10:51,810 --> 00:10:50,290
fits inside the doll which fits in size

260
00:10:54,510 --> 00:10:51,820
it all all the way down you know until

261
00:10:56,070 --> 00:10:54,520
you got this really tiny doll that's

262
00:10:57,990 --> 00:10:56,080
like the smallest little group of

263
00:11:00,330 --> 00:10:58,000

bankster thugs you know what I mean that

264

00:11:02,340 --> 00:11:00,340

are like in this little side order

265

00:11:03,170 --> 00:11:02,350

called the Brotherhood of banksters or

266

00:11:04,280 --> 00:11:03,180

whatever I don't

267

00:11:05,750 --> 00:11:04,290

know what they are because I'm not a

268

00:11:08,270 --> 00:11:05,760

bankster you know what I mean but you

269

00:11:10,580 --> 00:11:08,280

got to be one to join right and that's

270

00:11:14,180 --> 00:11:10,590

how it is it's these it's it's all about

271

00:11:16,310 --> 00:11:14,190

you know misdirection of awareness and

272

00:11:18,260 --> 00:11:16,320

keep the you know keep three-card Monte

273

00:11:20,870 --> 00:11:18,270

follow the Queen keep it moving you know

274

00:11:23,210 --> 00:11:20,880

so you never really know well you know

275

00:11:25,970 --> 00:11:23,220

is one guy seems to be a member of all

276

00:11:28,010 --> 00:11:25,980

these specific groups and he's also in

277

00:11:30,980 --> 00:11:28,020

the trilateral commission or the you

278

00:11:33,080 --> 00:11:30,990

know Council on Foreign Relations or

279

00:11:35,000 --> 00:11:33,090

he's in the Century Club or he's you

280

00:11:37,850 --> 00:11:35,010

know former CIA you know which is not

281

00:11:39,770 --> 00:11:37,860

real you can't really be former CIA but

282

00:11:43,250 --> 00:11:39,780

right at the very top of Masonic

283

00:11:45,920 --> 00:11:43,260

education in America today is s Brent

284

00:11:48,260 --> 00:11:45,930

Morris who I personally met outside of

285

00:11:52,130 --> 00:11:48,270

Washington DC who told me right to my

286

00:11:53,870 --> 00:11:52,140

face that he was a in a CIA cryptography

287

00:11:55,400 --> 00:11:53,880

department and that he was you know

288

00:11:57,830 --> 00:11:55,410

that's is that was his job when he

289

00:12:00,350 --> 00:11:57,840

wasn't writing the complete idiots guide

290

00:12:01,940 --> 00:12:00,360

to Freemasonry which is what he wrote

291

00:12:04,550 --> 00:12:01,950

and that's what he's he's the guy you

292

00:12:06,560 --> 00:12:04,560

see the ball guy on History Channel or

293

00:12:09,080 --> 00:12:06,570

any other ones with a has a bird face

294

00:12:10,880 --> 00:12:09,090

with glasses yeah yeah and he's

295

00:12:15,710 --> 00:12:10,890

freakishly tall too by the way I don't

296

00:12:18,380 --> 00:12:15,720

know if anything but yeah guys I mean

297

00:12:20,300 --> 00:12:18,390

bottom line is there is a secret war on

298

00:12:22,820 --> 00:12:20,310

human consciousness and that's my battle

299

00:12:24,110 --> 00:12:22,830

cry right now I'm promoting that I wrote

300

00:12:26,060 --> 00:12:24,120

an article that was published in

301

00:12:29,270 --> 00:12:26,070

paranoia magazine the the fall issue I

302

00:12:31,610 --> 00:12:29,280

was so psyched to be a part of the 50th

303

00:12:34,430 --> 00:12:31,620

anniversary JFK assassination issue of

304

00:12:36,740 --> 00:12:34,440

paranoia magazine and you know which I

305

00:12:39,140 --> 00:12:36,750

consider a prestigious conspiracy reader

306

00:12:41,840 --> 00:12:39,150

among all the other literature out there

307

00:12:43,550 --> 00:12:41,850

you know and I'm glad to have our friend

308

00:12:47,360 --> 00:12:43,560

Ron Patton with us right yeah

309

00:12:49,190 --> 00:12:47,370

hey Frederick's I'm really honored that

310

00:12:52,910 --> 00:12:49,200

you were able to write for us for that

311

00:12:55,520 --> 00:12:52,920

particular issue and you have a another

312

00:12:57,490 --> 00:12:55,530

article coming up don't you yeah you're

313

00:13:00,140 --> 00:12:57,500

like come on now where is it

314

00:13:02,270 --> 00:13:00,150

yeah I'm working on a new article it's

315

00:13:04,910 --> 00:13:02,280

calling it fallen angels

316

00:13:06,950 --> 00:13:04,920

basically it's Giants monsters and dark

317

00:13:08,600 --> 00:13:06,960

occulted mystics in America where I'm

318

00:13:12,290 --> 00:13:08,610

talking about this very thing you know

319

00:13:14,720 --> 00:13:12,300

looking at the dark side of politics and

320

00:13:16,850 --> 00:13:14,730

social engineering you know and and how

321

00:13:18,500 --> 00:13:16,860

it all fits in with these four

322

00:13:21,650 --> 00:13:18,510

colonel you know Western tradition

323

00:13:24,680 --> 00:13:21,660

fraternal orders and how the concentric

324

00:13:27,650 --> 00:13:24,690

rings line up really you know and lead

325

00:13:29,600 --> 00:13:27,660

us to this military-industrial complex

326

00:13:33,680 --> 00:13:29,610

Empire we're all you know trying to

327

00:13:34,970 --> 00:13:33,690

survive in today right right so what are

328

00:13:38,720 --> 00:13:34,980

you gonna be talking about it the

329

00:13:40,610 --> 00:13:38,730

paranoiac on this coming August well you

330

00:13:43,160 --> 00:13:40,620

know I actually just came back from

331

00:13:45,200 --> 00:13:43,170

Austin Texas where I kind of touched

332

00:13:49,060 --> 00:13:45,210

upon a lot of the stuff that I'm gonna

333

00:13:51,590 --> 00:13:49,070

go over in the in the research I mean we

334

00:13:53,030 --> 00:13:51,600

basically everything I had to say it was

335

00:13:56,060 --> 00:13:53,040

funny it was like they were just so

336

00:13:57,740 --> 00:13:56,070

receptive to the talks about well first

337

00:13:59,420 --> 00:13:57,750

of all let's talk about the Nephilim I

338

00:14:01,250 --> 00:13:59,430

don't know how many people out there

339

00:14:03,650 --> 00:14:01,260

even know what this term is but it's a

340

00:14:06,890 --> 00:14:03,660

real hot topic right now as a matter of

341

00:14:09,650 --> 00:14:06,900

fact it's one of the tag terms that is

342

00:14:13,010 --> 00:14:09,660

the highest hitter on my all my you know

343

00:14:16,400 --> 00:14:13,020

media outlets online that Nephilim

344

00:14:18,230 --> 00:14:16,410

fallen angels Noah the flood you know

345

00:14:21,860 --> 00:14:18,240

black magic all these things are

346

00:14:24,410 --> 00:14:21,870

connected and I just did a show about

347

00:14:27,140 --> 00:14:24,420

Noah the Nephilim in the flood on a

348

00:14:29,210 --> 00:14:27,150

different radio interview and it's

349

00:14:31,610 --> 00:14:29,220

online you can find it very easily just

350

00:14:34,070 --> 00:14:31,620

by real quick search but we're gonna

351

00:14:35,750 --> 00:14:34,080

touch upon a lot of this in the new

352

00:14:38,600 --> 00:14:35,760

article and presentation at the

353

00:14:40,400 --> 00:14:38,610

paranoiac on we're gonna talk about the

354

00:14:42,890 --> 00:14:40,410

it says it's like a hidden history

355

00:14:45,680 --> 00:14:42,900

that's right with it you know hidden in

356

00:14:48,110 --> 00:14:45,690

plain sight once again but excised from

357

00:14:50,750 --> 00:14:48,120

the Bible for example but in many

358

00:14:53,390 --> 00:14:50,760

cultures around the world and it turns

359

00:14:55,490 --> 00:14:53,400

out right here in America it turns out

360

00:14:58,310 --> 00:14:55,500

you know in the nineteenth century they

361

00:15:01,490 --> 00:14:58,320

were digging up giant and weird strange

362

00:15:03,740 --> 00:15:01,500

creature remains all over America and

363

00:15:05,780 --> 00:15:03,750

with impunity and everyone was

364

00:15:08,120 --> 00:15:05,790

completely ok with the idea that there

365

00:15:10,430 --> 00:15:08,130

was races of giants running around in

366

00:15:13,070 --> 00:15:10,440

North America thousands of years ago I

367

00:15:16,430 --> 00:15:13,080

mean even Abraham Lincoln gave a speech

368

00:15:19,220 --> 00:15:16,440

in the 1840s where he mentioned the

369

00:15:21,170 --> 00:15:19,230

Giants who were peering at the mound a

370

00:15:23,420 --> 00:15:21,180

mound building Giants of North America

371

00:15:24,890 --> 00:15:23,430

and they're you know how long ago they

372

00:15:26,960 --> 00:15:24,900

had been looking at Niagara Falls

373

00:15:29,090 --> 00:15:26,970

because he was at Niagara Falls given a

374

00:15:30,590 --> 00:15:29,100

speech and he so he made this offhand

375

00:15:32,389 --> 00:15:30,600

reference to the Giants and the

376

00:15:33,910 --> 00:15:32,399

connection with the mound builders which

377

00:15:36,110 --> 00:15:33,920

people who don't realize there are

378

00:15:38,090 --> 00:15:36,120

thousands you know there are mounds all

379

00:15:40,129 --> 00:15:38,100

over North America which have been

380

00:15:42,499 --> 00:15:40,139

attributed to various cultures and

381

00:15:44,629 --> 00:15:42,509

tribes of Indians and ancient you know

382

00:15:47,269 --> 00:15:44,639

civilizations that it just goes on and

383

00:15:50,059 --> 00:15:47,279

on the speculation but what we know for

384

00:15:52,340 --> 00:15:50,069

certain is that the evidence has been

385

00:15:54,800 --> 00:15:52,350

suppressed every every account I've

386

00:15:56,449 --> 00:15:54,810

looked into with talks of giants or

387

00:15:59,059 --> 00:15:56,459

strange creatures that have been dug up

388

00:16:00,650 --> 00:15:59,069

in America we find the Smithsonian

389

00:16:02,180 --> 00:16:00,660

Institute steps in and takes over

390

00:16:04,249 --> 00:16:02,190

everything takes all the evidence and

391

00:16:06,439 --> 00:16:04,259

sweeps it all away and it's like rolled

392

00:16:07,970 --> 00:16:06,449

into that big room where they've got the

393

00:16:09,530 --> 00:16:07,980

you know the Ark of the Covenant with

394

00:16:15,139 --> 00:16:09,540

all the boxes with no labels on them you

395

00:16:17,629 --> 00:16:15,149

know they out there in California right

396

00:16:20,540 --> 00:16:17,639

on Catalina Island off the coast of LA

397

00:16:22,910 --> 00:16:20,550

there was a giant museum that was run by

398

00:16:26,439 --> 00:16:22,920

the Wrigley family until the 30s in a

399

00:16:28,970 --> 00:16:26,449

matter really yeah they actually exhumed

400

00:16:31,129 --> 00:16:28,980

thousands of giant remains out of

401
00:16:33,769 --> 00:16:31,139
caverns on Catalina Island created a

402
00:16:35,929 --> 00:16:33,779
giant Museum and they were selling

403
00:16:39,559 --> 00:16:35,939
pieces of giant bones in the gift shop

404
00:16:41,210 --> 00:16:39,569
oh yeah they had five hundred photos of

405
00:16:43,189 --> 00:16:41,220
all the evidence people from all over

406
00:16:45,230 --> 00:16:43,199
the world came and in viewed them and

407
00:16:47,210 --> 00:16:45,240
then the Smithsonian Institute carted

408
00:16:47,960 --> 00:16:47,220
away all the remains after they shut it

409
00:16:50,030 --> 00:16:47,970
down in the 30s

410
00:16:52,519 --> 00:16:50,040
never saw any of that stuff again just

411
00:16:54,410 --> 00:16:52,529
gone I mean there was there was uh there

412
00:16:56,780 --> 00:16:54,420
was one giant remain that was pulled out

413
00:16:58,970 --> 00:16:56,790

of a hole in the ground in Ojai right on

414

00:17:01,189 --> 00:16:58,980

the border of Ohio and Indiana that was

415

00:17:04,819 --> 00:17:01,199

18 feet tall

416

00:17:07,429 --> 00:17:04,829

he had a nine foot long iron sword and

417

00:17:09,169 --> 00:17:07,439

an iron helmet and people from all

418

00:17:11,149 --> 00:17:09,179

around hundreds of people came and

419

00:17:13,370 --> 00:17:11,159

viewed it in a big you know they sold

420

00:17:15,439 --> 00:17:13,380

tickets for tourists to come and look at

421

00:17:16,970 --> 00:17:15,449

it and then it was carted off by the

422

00:17:19,640 --> 00:17:16,980

Smithsonian Institute and never to be

423

00:17:21,439 --> 00:17:19,650

seen again I mean it just keeps going on

424

00:17:23,329 --> 00:17:21,449

and on now why do I keep talking about

425

00:17:25,840 --> 00:17:23,339

Giants I mentioned the Nephilim right

426

00:17:29,419 --> 00:17:25,850

well in the scripture in Bible Old

427

00:17:33,320 --> 00:17:29,429

Testament Genesis chapter six there is a

428

00:17:35,210 --> 00:17:33,330

reference to when when the when men

429

00:17:38,419 --> 00:17:35,220

began to multiply on the earth and the

430

00:17:40,580 --> 00:17:38,429

daughters of Adam were born the sons of

431

00:17:42,590 --> 00:17:40,590

God or the sons of heaven saw how

432

00:17:44,270 --> 00:17:42,600

beautiful the daughters were and so they

433

00:17:46,160 --> 00:17:44,280

took them for their wives

434

00:17:48,020 --> 00:17:46,170

and they bred with them and they created

435

00:17:49,370 --> 00:17:48,030

these what they said in one you know it

436

00:17:52,490 --> 00:17:49,380

depending on the translation one of them

437

00:17:53,900 --> 00:17:52,500

says Giants monsters strange beasts

438

00:17:58,220 --> 00:17:53,910

heroes of renown

439

00:18:01,010 --> 00:17:58,230

monsters and strange beasts and Giants

440

00:18:03,590 --> 00:18:01,020

you know like Hercules or you know Percy

441

00:18:07,940 --> 00:18:03,600

answer the CCS or any of those guys and

442

00:18:09,410 --> 00:18:07,950

and what we have is a real dot connector

443

00:18:11,480 --> 00:18:09,420

if you will because you start realizing

444

00:18:12,830 --> 00:18:11,490

that when you look in all the cultures

445

00:18:16,250 --> 00:18:12,840

of the world you have these stories of

446

00:18:18,650 --> 00:18:16,260

demigods like heroes and supermen that

447

00:18:19,640 --> 00:18:18,660

do these amazing things and you wonder

448

00:18:22,520 --> 00:18:19,650

where that comes from

449

00:18:25,450 --> 00:18:22,530

well there's this mono myth maybe that

450

00:18:28,700 --> 00:18:25,460

these giants or these beings came down

451

00:18:30,740 --> 00:18:28,710

from the heavens and bred with the

452

00:18:33,050 --> 00:18:30,750

daughters of Adam right and had

453

00:18:35,180 --> 00:18:33,060

half-breed hybrids that they called the

454

00:18:37,070 --> 00:18:35,190

Nephilim the beings that came down in

455

00:18:40,100 --> 00:18:37,080

the scripture like in the Book of Enoch

456

00:18:41,090 --> 00:18:40,110

which is a non mechanical text and you

457

00:18:42,920 --> 00:18:41,100

know meaning it doesn't it's not

458

00:18:44,810 --> 00:18:42,930

included in the Bible Canon but it was

459

00:18:47,150 --> 00:18:44,820

still a book that you know Jesus

460

00:18:49,670 --> 00:18:47,160

mentioned Enochs something like Brian

461

00:18:51,530 --> 00:18:49,680

30-plus times in the New Testament I

462

00:18:53,600 --> 00:18:51,540

mean he was a very important figure but

463

00:18:55,520 --> 00:18:53,610

for some reason they saw fit to excise

464

00:18:57,440 --> 00:18:55,530

that book but at the Book of Enoch of

465

00:19:01,070 --> 00:18:57,450

course was in the Dead Sea Scrolls and

466

00:19:03,440 --> 00:19:01,080

it was in fact you know it was it was a

467

00:19:07,250 --> 00:19:03,450

book that was very very important you

468

00:19:10,610 --> 00:19:07,260

know but according to the Book of Enoch

469

00:19:13,610 --> 00:19:10,620

the that was the real reason for the

470

00:19:14,840 --> 00:19:13,620

flood was that these these Watchers came

471

00:19:16,640 --> 00:19:14,850

down that's what they were called the

472

00:19:18,560 --> 00:19:16,650

Watchers the fallen angels they came

473

00:19:21,140 --> 00:19:18,570

down they bred with the humans and they

474

00:19:23,510 --> 00:19:21,150

also taught him a bunch of dark spooky

475

00:19:25,850 --> 00:19:23,520

stuff okay according to the Book of

476
00:19:28,070 --> 00:19:25,860
Enoch they taught him black magic and

477
00:19:30,100 --> 00:19:28,080
necromancy and all the strange arts that

478
00:19:32,930 --> 00:19:30,110
that were you know out of order with

479
00:19:34,760 --> 00:19:32,940
heaven and the order of things at a time

480
00:19:37,430 --> 00:19:34,770
that's now we're just looking at one

481
00:19:39,200 --> 00:19:37,440
version of events but yes but you know

482
00:19:41,720 --> 00:19:39,210
there's more than one if you look across

483
00:19:44,270 --> 00:19:41,730
the cultures into the even in America

484
00:19:47,090 --> 00:19:44,280
back with the Mesoamerican tribes you

485
00:19:49,400 --> 00:19:47,100
had many Indian cultures the the Paiute

486
00:19:51,230 --> 00:19:49,410
Indians there was a book written in the

487
00:19:53,810 --> 00:19:51,240
nineteenth century called life with the

488
00:19:55,940 --> 00:19:53,820

Paiutes where they talked about fighting

489

00:19:58,130 --> 00:19:55,950

a giant race they had to actually kill

490

00:19:59,960 --> 00:19:58,140

them because they were eating here

491

00:20:01,670 --> 00:19:59,970

there were cannibals they were you know

492

00:20:02,930 --> 00:20:01,680

and they were eating all the food and

493

00:20:05,030 --> 00:20:02,940

eating the humans and they were monsters

494

00:20:06,350 --> 00:20:05,040

so they had to drive him into a big

495

00:20:07,910 --> 00:20:06,360

cavern in the ground and then they

496

00:20:10,010 --> 00:20:07,920

burned him up they thought they burned

497

00:20:12,380 --> 00:20:10,020

him out and I mean that's that's the

498

00:20:14,240 --> 00:20:12,390

Paiute said so every culture has this

499

00:20:17,120 --> 00:20:14,250

reference to killing off Giants a long

500

00:20:19,790 --> 00:20:17,130

time ago so okay what's the point the

501
00:20:21,470 --> 00:20:19,800
point is when you look at secret

502
00:20:24,710 --> 00:20:21,480
societies one of the main reasons why I

503
00:20:26,720 --> 00:20:24,720
got involved in researching the rituals

504
00:20:29,180 --> 00:20:26,730
and the ceremonies is because the

505
00:20:31,610 --> 00:20:29,190
secrets that are contained within secret

506
00:20:33,080 --> 00:20:31,620
society what were this you know what are

507
00:20:35,540 --> 00:20:33,090
the secrets what's the kernel

508
00:20:38,210 --> 00:20:35,550
what's the seed truth in the very center

509
00:20:40,490 --> 00:20:38,220
that his whole system has been unfolded

510
00:20:42,890 --> 00:20:40,500
and you know developed out of well what

511
00:20:46,070 --> 00:20:42,900
you find when you look in the center is

512
00:20:48,950 --> 00:20:46,080
you find a perennial theme over and over

513
00:20:52,010 --> 00:20:48,960

again certain symbols certain emblems

514

00:20:55,730 --> 00:20:52,020

certain themes being repeated and one of

515

00:20:58,460 --> 00:20:55,740

them is interaction with preternatural

516

00:21:00,560 --> 00:20:58,470

beings that are extra dimensional if you

517

00:21:04,460 --> 00:21:00,570

will a hyperdimensional they call them

518

00:21:06,680 --> 00:21:04,470

eat grigory's it's a strange term it

519

00:21:09,440 --> 00:21:06,690

comes from the Greek it goes back to

520

00:21:11,660 --> 00:21:09,450

though the Watchers to the angels to the

521

00:21:14,090 --> 00:21:11,670

you've angelicum the messengers of the

522

00:21:17,000 --> 00:21:14,100

divine but it's a it's a sort of you

523

00:21:19,370 --> 00:21:17,010

know it's a dark side to it you know it

524

00:21:20,810 --> 00:21:19,380

basically how it goes is this in the

525

00:21:22,820 --> 00:21:20,820

Book of Enoch it talks about God

526

00:21:24,710 --> 00:21:22,830

actually caused the flood to happen to

527

00:21:27,560 --> 00:21:24,720

wipe out all the blasphemy all the all

528

00:21:29,750 --> 00:21:27,570

the abominations that have occurred with

529

00:21:31,670 --> 00:21:29,760

the reading of the angels and man and

530

00:21:35,800 --> 00:21:31,680

this you know I imagined it as the time

531

00:21:38,810 --> 00:21:35,810

of like Conan you know with like sort of

532

00:21:40,340 --> 00:21:38,820

all kinds of crazy stuff going on but

533

00:21:42,410 --> 00:21:40,350

during that time they wiped them out you

534

00:21:44,210 --> 00:21:42,420

know and and that's the thing about

535

00:21:46,670 --> 00:21:44,220

these Nephilim these offsprings of

536

00:21:50,270 --> 00:21:46,680

angels and man they're half divine and

537

00:21:52,970 --> 00:21:50,280

half earthbound half mortal so when they

538

00:21:54,800 --> 00:21:52,980

were killed off their souls were bound

539

00:21:56,930 --> 00:21:54,810

to the earth this is the legend that's

540

00:21:59,270 --> 00:21:56,940

in the Book of Enoch they could not be

541

00:22:01,280 --> 00:21:59,280

they could not be released so these

542

00:22:03,440 --> 00:22:01,290

spirits of the dead Nephilim actually

543

00:22:05,390 --> 00:22:03,450

become in my thinking in and many other

544

00:22:07,550 --> 00:22:05,400

people's thinking the evil spirits that

545

00:22:09,560 --> 00:22:07,560

haunted Humanity for the last couple

546

00:22:11,570 --> 00:22:09,570

millennium and you know one more thing

547

00:22:14,420 --> 00:22:11,580

to say to to cap that off but people

548

00:22:16,430 --> 00:22:14,430

realize is the Nephilim and the moochers

549

00:22:18,740 --> 00:22:16,440

were interacting on the earth for over a

550

00:22:21,230 --> 00:22:18,750

millennium because from the time of

551

00:22:24,050 --> 00:22:21,240

Jared in the Bible to the time of Noah

552

00:22:25,730 --> 00:22:24,060

and Noah was 600 years old they said in

553

00:22:27,530 --> 00:22:25,740

the Bible when the flood happened from

554

00:22:29,780 --> 00:22:27,540

the time of Jared to that time of Noah

555

00:22:32,750 --> 00:22:29,790

who Jared was Noah's great-great-great

556

00:22:34,700 --> 00:22:32,760

grandfather his name means born in the

557

00:22:36,740 --> 00:22:34,710

time of the descent meaning the time of

558

00:22:40,490 --> 00:22:36,750

the Watchers descent so from that time

559

00:22:42,830 --> 00:22:40,500

to Noah was 1,000 196 years that's how

560

00:22:46,190 --> 00:22:42,840

long the Watchers in interacted with

561

00:22:48,290 --> 00:22:46,200

humanity before the flood happened so so

562

00:22:50,780 --> 00:22:48,300

you think about that these evil spirits

563

00:22:52,340 --> 00:22:50,790

and you wonder about rituals and groups

564

00:22:54,590 --> 00:22:52,350

of people that come together and do a

565

00:22:56,600 --> 00:22:54,600

thing in ritual pattern over and over

566

00:22:59,150 --> 00:22:56,610

again and what kind of energy thought

567

00:23:01,550 --> 00:22:59,160

being would form around especially with

568

00:23:05,060 --> 00:23:01,560

the intent of some individuals not being

569

00:23:07,430 --> 00:23:05,070

you know the best intentions yeah man

570

00:23:09,050 --> 00:23:07,440

that's that's a powerful story there I

571

00:23:12,050 --> 00:23:09,060

mean I've heard a lot of that before

572

00:23:14,210 --> 00:23:12,060

from other guests who talk about some of

573

00:23:16,310 --> 00:23:14,220

the secrets within these orders and it

574

00:23:19,040 --> 00:23:16,320

just it seems weird to me because I

575

00:23:20,720 --> 00:23:19,050

wonder what the real goal is because in

576

00:23:23,870 --> 00:23:20,730

modern times I would assume it's just

577

00:23:26,600 --> 00:23:23,880

wealth and power and control but it

578

00:23:29,300 --> 00:23:26,610

always seems to be so rooted in things

579

00:23:32,360 --> 00:23:29,310

in like biblical texts and ancient texts

580

00:23:35,090 --> 00:23:32,370

and traditions and symbols and I just

581

00:23:38,200 --> 00:23:35,100

wonder if all that is really so

582

00:23:41,270 --> 00:23:38,210

necessary for wealth control and power

583

00:23:45,050 --> 00:23:41,280

well I think I think you know what

584

00:23:46,460 --> 00:23:45,060

happened is a long time ago what what

585

00:23:48,320 --> 00:23:46,470

happened really you know if you want to

586

00:23:51,020 --> 00:23:48,330

put it into a grand scale a grand scale

587

00:23:53,960 --> 00:23:51,030

for expansive view right now of the let

588

00:23:55,910 --> 00:23:53,970

the latest human history I think 10 to

589

00:23:58,940 --> 00:23:55,920

13 thousand years ago there was a giant

590

00:24:01,460 --> 00:23:58,950

worldwide Cataclysm probably one of many

591

00:24:03,140 --> 00:24:01,470

but a really big one and it really wiped

592

00:24:05,180 --> 00:24:03,150

out a lot of stuff I mean it wiped

593

00:24:06,950 --> 00:24:05,190

everything out and most people 90%

594

00:24:09,080 --> 00:24:06,960

probably and the ones that were left

595

00:24:11,750 --> 00:24:09,090

were like in post-traumatic stress

596

00:24:14,450 --> 00:24:11,760

disorder shock you know and so I mean

597

00:24:15,980 --> 00:24:14,460

all of humanity as a whole collective

598

00:24:19,250 --> 00:24:15,990

consciousness was probably knocked

599

00:24:22,820 --> 00:24:19,260

offline and at that point there was some

600

00:24:24,659 --> 00:24:22,830

other extra species consciousness I

601
00:24:27,869 --> 00:24:24,669
don't know if it was outside or inside

602
00:24:31,249 --> 00:24:27,879
but it was a pathogen a mind virus that

603
00:24:33,989 --> 00:24:31,259
infested our species and this predator

604
00:24:36,299 --> 00:24:33,999
understood human mindscape and

605
00:24:38,909 --> 00:24:36,309
understood that we could be you know

606
00:24:41,369 --> 00:24:38,919
brought back online in a safe mode like

607
00:24:43,769 --> 00:24:41,379
after a computer crashes and kept in a

608
00:24:45,690 --> 00:24:43,779
really really simple applications and

609
00:24:48,299 --> 00:24:45,700
platforms you know and that then like

610
00:24:50,009 --> 00:24:48,309
this collective disorder was that you

611
00:24:53,129 --> 00:24:50,019
know would divert enough of humanity

612
00:24:55,279 --> 00:24:53,139
away from its tribal hunter-gatherer

613
00:24:57,950 --> 00:24:55,289

subsistence existence into a you know

614

00:25:00,599 --> 00:24:57,960

city-state control structure where

615

00:25:03,029 --> 00:25:00,609

accumulation and profit is gold you know

616

00:25:05,190 --> 00:25:03,039

and that existence where Authority was

617

00:25:07,470 --> 00:25:05,200

justified by a select priesthood that

618

00:25:09,989 --> 00:25:07,480

was use it for its obedience and its

619

00:25:12,749 --> 00:25:09,999

skill with perpetuating the ruling

620

00:25:14,729 --> 00:25:12,759

paradigm that just reinforced by

621

00:25:17,489 --> 00:25:14,739

military might of the state whether it

622

00:25:19,200 --> 00:25:17,499

be a dictatorship or a Republican a

623

00:25:21,090 --> 00:25:19,210

Republican really makes no difference

624

00:25:23,070 --> 00:25:21,100

right because it's just you just need to

625

00:25:25,259 --> 00:25:23,080

have like the control meme you know like

626

00:25:28,379 --> 00:25:25,269

a civic mythology that just keeps

627

00:25:30,539 --> 00:25:28,389

everybody in line and so we are really

628

00:25:33,029 --> 00:25:30,549

really susceptible to suggestion

629

00:25:35,369 --> 00:25:33,039

humanity as a species we're very very

630

00:25:37,440 --> 00:25:35,379

highly prone to error we make mistake

631

00:25:40,109 --> 00:25:37,450

you know we make mistake I make mistakes

632

00:25:42,210 --> 00:25:40,119

over time right and we're prone to that

633

00:25:43,710 --> 00:25:42,220

and we're prone to novelty to we're

634

00:25:46,019 --> 00:25:43,720

prone to doing crazy things that

635

00:25:47,789 --> 00:25:46,029

completely off the wall and out of left

636

00:25:49,379 --> 00:25:47,799

field like didn't see that one coming

637

00:25:50,700 --> 00:25:49,389

you know what I mean that's that's a

638

00:25:52,680 --> 00:25:50,710

good thing though really that's what's

639

00:25:54,180 --> 00:25:52,690

gonna save us in my mind because the

640

00:25:55,830 --> 00:25:54,190

control structures don't know what to do

641

00:25:57,810 --> 00:25:55,840

with novelty they don't know how to

642

00:26:00,180 --> 00:25:57,820

handle you know completely off the wall

643

00:26:02,340 --> 00:26:00,190

behavior on you know you know

644

00:26:04,590 --> 00:26:02,350

unpredictable behavior non-compliance

645

00:26:06,119 --> 00:26:04,600

unpredictable non-compliance is the is

646

00:26:10,049 --> 00:26:06,129

the way of the revolution as far as I'm

647

00:26:11,759 --> 00:26:10,059

concerned I'm with you man and that that

648

00:26:14,609 --> 00:26:11,769

explanation makes a lot of sense to me

649

00:26:16,739 --> 00:26:14,619

too I mean considering the secretive

650

00:26:19,349 --> 00:26:16,749

nature of these orders and the Masonic

651
00:26:21,149 --> 00:26:19,359
connections to being architects and

652
00:26:23,549 --> 00:26:21,159
builders there seems to be an element of

653
00:26:26,220 --> 00:26:23,559
pushing the planet towards a global

654
00:26:28,379 --> 00:26:26,230
disaster like another Cataclysm today so

655
00:26:30,299 --> 00:26:28,389
that they can come in and once the slate

656
00:26:31,830 --> 00:26:30,309
has been wiped clean now their

657
00:26:33,629 --> 00:26:31,840
traditions of building and architecture

658
00:26:35,820 --> 00:26:33,639
would be very useful and they could

659
00:26:37,379 --> 00:26:35,830
quickly start rebuilding and get us

660
00:26:38,040 --> 00:26:37,389
under their thumb again you think that's

661
00:26:40,590 --> 00:26:38,050
the reason

662
00:26:44,250 --> 00:26:40,600
for these orders remain such secrecy

663
00:26:46,560 --> 00:26:44,260

over centuries and generations to be in

664

00:26:48,630 --> 00:26:46,570

that power position absolutely your

665

00:26:50,910 --> 00:26:48,640

hidden your hidden upon some really

666

00:26:53,810 --> 00:26:50,920

important factors because see what we

667

00:26:56,370 --> 00:26:53,820

know is is that a long time ago

668

00:26:59,610 --> 00:26:56,380

catastrophe was commandeered and

669

00:27:02,520 --> 00:26:59,620

utilized to coerce humanity through fear

670

00:27:05,570 --> 00:27:02,530

intellect routine patterns of mediocrity

671

00:27:08,160 --> 00:27:05,580

you know steeped in narrow bandwidth of

672

00:27:09,840 --> 00:27:08,170

potentiality like what's possible what

673

00:27:11,760 --> 00:27:09,850

can we really accomplish right so the

674

00:27:13,710 --> 00:27:11,770

people would stay you know in a herded

675

00:27:15,990 --> 00:27:13,720

mentality you know keep your head down

676
00:27:17,340 --> 00:27:16,000
and watch out for the disasters you know

677
00:27:19,500 --> 00:27:17,350
we're we're here to help we're here to

678
00:27:22,560 --> 00:27:19,510
save and and these secret orders have

679
00:27:25,890 --> 00:27:22,570
utilized for building tools absolutely

680
00:27:28,380 --> 00:27:25,900
not only is it involved it invokes you

681
00:27:30,390 --> 00:27:28,390
know it retro actively invokes a genetic

682
00:27:32,820 --> 00:27:30,400
memory and us all because who were the

683
00:27:35,760 --> 00:27:32,830
most important people after disasters

684
00:27:37,620 --> 00:27:35,770
builders people who can rebuild you want

685
00:27:40,410 --> 00:27:37,630
the guy that knows how to build right up

686
00:27:43,740 --> 00:27:40,420
front and he's had him calling the shots

687
00:27:46,110 --> 00:27:43,750
so who becomes the leader a builder you

688
00:27:47,820 --> 00:27:46,120

know cuz he can call the shots he tells

689

00:27:49,530 --> 00:27:47,830

you what to do you guys go over there

690

00:27:51,240 --> 00:27:49,540

and get rocks you guys go over there and

691

00:27:52,590 --> 00:27:51,250

get wood you guys start digging a hole

692

00:27:53,610 --> 00:27:52,600

we're gonna make a house right here you

693

00:27:56,370 --> 00:27:53,620

know what I mean that's the way it is

694

00:27:58,050 --> 00:27:56,380

and so that's why they assume the

695

00:28:00,390 --> 00:27:58,060

position of hierarchy you know that the

696

00:28:02,580 --> 00:28:00,400

priesthood is the builders and so

697

00:28:04,590 --> 00:28:02,590

they're invoking that memory in us from

698

00:28:07,590 --> 00:28:04,600

the past but absolutely keeping us

699

00:28:10,050 --> 00:28:07,600

always anxious for the the coming

700

00:28:12,180 --> 00:28:10,060

shortage the great limitation of

701
00:28:14,370 --> 00:28:12,190
Cataclysm that's coming everybody be

702
00:28:16,230 --> 00:28:14,380
afraid be very afraid it's gonna happen

703
00:28:20,670 --> 00:28:16,240
any second the world's gonna will open

704
00:28:23,580 --> 00:28:20,680
up wide we're all gonna fall in yeah man

705
00:28:25,650 --> 00:28:23,590
it's it seems like fixing society today

706
00:28:27,600 --> 00:28:25,660
would be insurmountable hard because the

707
00:28:29,580 --> 00:28:27,610
manipulation is so powerful and

708
00:28:31,500 --> 00:28:29,590
multi-layered and so embedded in our

709
00:28:33,030 --> 00:28:31,510
culture and our knowledge of history and

710
00:28:35,070 --> 00:28:33,040
our even our very language is

711
00:28:37,020 --> 00:28:35,080
manipulated to make us think one way or

712
00:28:38,610 --> 00:28:37,030
another it seems so hard to get the

713
00:28:42,480 --> 00:28:38,620

programming out of anyone I mean do you

714

00:28:43,980 --> 00:28:42,490

think this could ever be done yeah you

715

00:28:45,660 --> 00:28:43,990

know George Orwell wrote a wrote an

716

00:28:47,790 --> 00:28:45,670

article called the politics of language

717

00:28:50,970 --> 00:28:47,800

you know and there's a book called

718

00:28:52,770 --> 00:28:50,980

general semantics by Alfred Korzybski

719

00:28:55,590 --> 00:28:52,780

which is talks about how language is

720

00:28:57,210 --> 00:28:55,600

used to structure reality Robert Anton

721

00:29:00,210 --> 00:28:57,220

Wilson talks a lot about that as well

722

00:29:03,570 --> 00:29:00,220

you know that this is the reality folks

723

00:29:06,060 --> 00:29:03,580

we are living in the most mentally

724

00:29:07,730 --> 00:29:06,070

controlled period of humanity I think

725

00:29:09,780 --> 00:29:07,740

and it's you know it's helped along

726

00:29:12,030 --> 00:29:09,790

tremendously by the internet obviously

727

00:29:14,100 --> 00:29:12,040

because I mean for every service the

728

00:29:15,990 --> 00:29:14,110

internet provides it also enslaves us

729

00:29:18,659 --> 00:29:16,000

all because we're all caught up in a

730

00:29:20,310 --> 00:29:18,669

consensual reality right hundred percent

731

00:29:21,780 --> 00:29:20,320

agrees I'm seeing that more and more I

732

00:29:24,330 --> 00:29:21,790

used to think the internet was the

733

00:29:27,270 --> 00:29:24,340

global elites biggest mistake but now

734

00:29:29,039 --> 00:29:27,280

I'm seeing more tools of use for it for

735

00:29:31,169 --> 00:29:29,049

their side because they all everybody

736

00:29:32,640 --> 00:29:31,179

rebels in the Information Age and it's a

737

00:29:34,680 --> 00:29:32,650

delightful time but I feel like we're

738

00:29:36,600 --> 00:29:34,690

falling into another Dark Age you know I

739

00:29:38,070 --> 00:29:36,610

mean we're really people are you know

740

00:29:39,780 --> 00:29:38,080

you know in the land of the blind the

741

00:29:46,620 --> 00:29:39,790

one-eyed man is king and I'm feeling

742

00:29:48,210 --> 00:29:46,630

pretty kingly I mean that's what it

743

00:29:49,380 --> 00:29:48,220

comes down to and you know getting into

744

00:29:52,409 --> 00:29:49,390

it what you talk about is there any hope

745

00:29:55,169 --> 00:29:52,419

you know it's like I don't know Greg I

746

00:29:57,450 --> 00:29:55,179

don't know because men listen we we had

747

00:29:58,980 --> 00:29:57,460

a revolution in this country 250 years

748

00:30:01,049 --> 00:29:58,990

ago you know give or take or whatever

749

00:30:03,870 --> 00:30:01,059

you know but what happened right I mean

750

00:30:06,090 --> 00:30:03,880

before the revolution even ended the

751
00:30:08,220 --> 00:30:06,100
bankster thugs already had a charter for

752
00:30:09,990 --> 00:30:08,230
a central bank set up in America before

753
00:30:12,330 --> 00:30:10,000
they even sign the Treaty of Paris and

754
00:30:14,340 --> 00:30:12,340
then that's the real core issue here I

755
00:30:18,120 --> 00:30:14,350
keep talking about banksters thugs

756
00:30:20,310 --> 00:30:18,130
because it is that mentality of creating

757
00:30:22,590 --> 00:30:20,320
wealth out of nothing and feeding upon

758
00:30:24,360 --> 00:30:22,600
the production of others that's what

759
00:30:28,230 --> 00:30:24,370
banks are all about their wealth

760
00:30:31,140 --> 00:30:28,240
extraction devices they're brought in to

761
00:30:33,510 --> 00:30:31,150
prevent people from prospering I mean

762
00:30:35,850 --> 00:30:33,520
that's the key and we saw it happen in

763
00:30:37,289 --> 00:30:35,860

America right away first you know the

764

00:30:40,440 --> 00:30:37,299

first central bank in America was

765

00:30:42,710 --> 00:30:40,450

founded by Alexander Hamilton right you

766

00:30:45,690 --> 00:30:42,720

know he was thought to be a friggin

767

00:30:48,720 --> 00:30:45,700

Illuminati agent even then Rothschild

768

00:30:51,270 --> 00:30:48,730

agent right he sets up a central bank it

769

00:30:53,280 --> 00:30:51,280

fails completely they didn't even renew

770

00:30:56,250 --> 00:30:53,290

the first charter because all I did was

771

00:30:58,049 --> 00:30:56,260

call caused financial ruin in its wake I

772

00:30:59,610 --> 00:30:58,059

mean it was the worst possible thing

773

00:31:01,140 --> 00:30:59,620

that could have happened and so what do

774

00:31:03,000 --> 00:31:01,150

they do they set up another one right

775

00:31:05,190 --> 00:31:03,010

they set up another one it goes they

776

00:31:07,169 --> 00:31:05,200

this time they give it a longer

777

00:31:09,990 --> 00:31:07,179

so it can't be shut down as quick right

778

00:31:12,029 --> 00:31:10,000

same thing 1811 when they were supposed

779

00:31:13,980 --> 00:31:12,039

to renew the Charter they wouldn't renew

780

00:31:16,289 --> 00:31:13,990

it congresswoman and guess who made a

781

00:31:19,110 --> 00:31:16,299

big stink about it Nathan Rothschild

782

00:31:20,880 --> 00:31:19,120

English banker from international bank

783

00:31:23,010 --> 00:31:20,890

store thugs he actually threatened

784

00:31:25,440 --> 00:31:23,020

America and said if you don't do this

785

00:31:27,659 --> 00:31:25,450

then we're gonna friggin you know you'll

786

00:31:30,060 --> 00:31:27,669

be blood in the streets right everybody

787

00:31:32,700 --> 00:31:30,070

knows what happened 1812 we went to war

788

00:31:34,500 --> 00:31:32,710

and what happens when we go to war we go

789

00:31:36,390 --> 00:31:34,510

into debt to bankers because we borrow

790

00:31:38,070 --> 00:31:36,400

money for the war and then when we got

791

00:31:39,750 --> 00:31:38,080

out of the war when they cut me know he

792

00:31:41,250 --> 00:31:39,760

wrote up the papers inside we had to

793

00:31:42,240 --> 00:31:41,260

sign a charter for another central bank

794

00:31:44,279 --> 00:31:42,250

right then and there

795

00:31:46,470 --> 00:31:44,289

that's how the whole thing was planned

796

00:31:48,899 --> 00:31:46,480

to get us back onto a central banking

797

00:31:50,639 --> 00:31:48,909

system so that we get to when to the to

798

00:31:52,560 --> 00:31:50,649

the turn of the century you know Jekyll

799

00:31:54,840 --> 00:31:52,570

Island and the the birth of the Federal

800

00:31:57,120 --> 00:31:54,850

Reserve banking system which is the

801
00:31:59,639 --> 00:31:57,130
perfection of wealth extraction and the

802
00:32:02,909 --> 00:31:59,649
first thing that happens right in 1933

803
00:32:06,720 --> 00:32:02,919
are FDR's made president they go ahead

804
00:32:08,039 --> 00:32:06,730
and they put out the 1934 gold act which

805
00:32:10,110 --> 00:32:08,049
tells all Americans they have to

806
00:32:11,970 --> 00:32:10,120
surrender their gold immediately or

807
00:32:15,690 --> 00:32:11,980
they'll be put in jail for 10 years and

808
00:32:17,789 --> 00:32:15,700
they get \$20 and 66 cents per ounce of

809
00:32:19,320 --> 00:32:17,799
gold that they turn in right so when the

810
00:32:21,210 --> 00:32:19,330
Federal Reserve ends up with all the

811
00:32:23,880 --> 00:32:21,220
gold then they turn around in two years

812
00:32:26,639 --> 00:32:23,890
later they raise the rate of gold from

813
00:32:28,560 --> 00:32:26,649

20 dollars and 60 cents to 35 dollars an

814

00:32:31,110 --> 00:32:28,570

ounce which makes a three billion dollar

815

00:32:33,360 --> 00:32:31,120

profit for the Federal Reserve and then

816

00:32:34,889 --> 00:32:33,370

after that that's the last time they

817

00:32:37,110 --> 00:32:34,899

audit the gold in Fort Knox

818

00:32:39,539 --> 00:32:37,120

nobody even realizes that what happens

819

00:32:42,570 --> 00:32:39,549

very quietly for the next 50 years is

820

00:32:44,370 --> 00:32:42,580

they shift the gold from Fort Knox into

821

00:32:47,010 --> 00:32:44,380

the vaults of the Federal Reserve under

822

00:32:49,440 --> 00:32:47,020

the auspices of collateral for continued

823

00:32:51,240 --> 00:32:49,450

money production and the you know the

824

00:32:53,430 --> 00:32:51,250

debt that's created from the interest on

825

00:32:55,740 --> 00:32:53,440

the bills that they're printing for us

826

00:32:57,659 --> 00:32:55,750

and so when Ronald Reagan tries to bring

827

00:32:59,159 --> 00:32:57,669

us back on the gold standard they do an

828

00:33:00,510 --> 00:32:59,169

audit well they can't even do a real

829

00:33:01,769 --> 00:33:00,520

audit they're not allowed to it's like

830

00:33:03,690 --> 00:33:01,779

all these you know red tape and

831

00:33:05,789 --> 00:33:03,700

everything but what they find out number

832

00:33:08,370 --> 00:33:05,799

one is there is no gold in Fort Knox

833

00:33:10,320 --> 00:33:08,380

it's all in the Federal Reserve and

834

00:33:12,029 --> 00:33:10,330

they're holding it as collateral for all

835

00:33:14,279 --> 00:33:12,039

the money that we you know that we owe

836

00:33:16,320 --> 00:33:14,289

them now for them doing what Congress

837

00:33:18,390 --> 00:33:16,330

can already do according to the

838

00:33:20,190 --> 00:33:18,400

Constitution right yeah but

839

00:33:22,800 --> 00:33:20,200

that's really what it's about and it's

840

00:33:24,390 --> 00:33:22,810

the sad and simple truth I used to think

841

00:33:27,510 --> 00:33:24,400

there was some you know I mean there is

842

00:33:29,280 --> 00:33:27,520

there is some dramatic and scary stuff

843

00:33:31,560 --> 00:33:29,290

that are going on all over the place we

844

00:33:33,990 --> 00:33:31,570

can speculate and recount all kinds of

845

00:33:36,630 --> 00:33:34,000

crazy tales of dark occult and mysticism

846

00:33:38,730 --> 00:33:36,640

everywhere but in the bottom line it

847

00:33:43,550 --> 00:33:38,740

seems as if it's really just about money

848

00:33:46,530 --> 00:33:43,560

and banks and greed right and fraud or X

849

00:33:49,410 --> 00:33:46,540

there has it with in recent history

850

00:33:53,400 --> 00:33:49,420

there's been a few conspiracy

851
00:33:56,100 --> 00:33:53,410
researchers who've surmised that they're

852
00:33:58,230 --> 00:33:56,110
like 13 Illuminati families that

853
00:34:01,860 --> 00:33:58,240
essentially run the world

854
00:34:04,650 --> 00:34:01,870
one being Johnny Todd back in the 1980s

855
00:34:07,020 --> 00:34:04,660
and more recently Fritz Spring Meyer who

856
00:34:09,899 --> 00:34:07,030
wrote a book called the 13 Illuminati

857
00:34:13,409 --> 00:34:09,909
bloodlines what do you think of that

858
00:34:14,880 --> 00:34:13,419
theory is there any credence to it well

859
00:34:18,210 --> 00:34:14,890
I think so at first of all I've met

860
00:34:20,399 --> 00:34:18,220
Fritz at the freemind conference - he's

861
00:34:22,470 --> 00:34:20,409
a really great guy there's a gentle

862
00:34:23,909 --> 00:34:22,480
spirit I mean the man is just amazing

863
00:34:25,950 --> 00:34:23,919

his life story and what he's gone

864

00:34:27,840 --> 00:34:25,960

through and his ability to be is

865

00:34:29,700 --> 00:34:27,850

positive his he is it's amazing it

866

00:34:31,380 --> 00:34:29,710

really is a testament I think to you

867

00:34:34,200 --> 00:34:31,390

know what the human will can accomplish

868

00:34:36,240 --> 00:34:34,210

and overcome you know but he definitely

869

00:34:37,680 --> 00:34:36,250

has hit upon something I don't know what

870

00:34:39,870 --> 00:34:37,690

the numbers are I've heard all kinds of

871

00:34:43,649 --> 00:34:39,880

different you know 80 families I've

872

00:34:45,570 --> 00:34:43,659

heard the 13 families but in the end

873

00:34:47,880 --> 00:34:45,580

yeah there's definitely a it's a

874

00:34:50,909 --> 00:34:47,890

bankster family that's what it is it's a

875

00:34:54,060 --> 00:34:50,919

financial institution family a legacy of

876

00:34:55,800 --> 00:34:54,070

Finance ears who are you know the ones

877

00:34:57,510 --> 00:34:55,810

set in the standards you know that just

878

00:34:58,890 --> 00:34:57,520

basically probably possess all about

879

00:35:02,100 --> 00:34:58,900

most important resources and all the

880

00:35:04,080 --> 00:35:02,110

gold yeah and do it and you're free your

881

00:35:06,210 --> 00:35:04,090

mind conference presentation you did a

882

00:35:08,070 --> 00:35:06,220

great job of breaking down all the false

883

00:35:09,720 --> 00:35:08,080

flags that have dragged us down a

884

00:35:12,780 --> 00:35:09,730

warpath for almost all of America's

885

00:35:16,320 --> 00:35:12,790

existence which you just Kron alized in

886

00:35:18,000 --> 00:35:16,330

terms of financing and in gold but this

887

00:35:19,590 --> 00:35:18,010

stuff I guess it shouldn't be news to

888

00:35:22,560 --> 00:35:19,600

anyone here you know we should all be

889

00:35:26,130 --> 00:35:22,570

kind of a awakened to that pattern but

890

00:35:27,690 --> 00:35:26,140

how do you see them twisting it for

891

00:35:29,310 --> 00:35:27,700

modern times I mean what's the

892

00:35:30,870 --> 00:35:29,320

trajectory of their plan do you see any

893

00:35:32,070 --> 00:35:30,880

new tricks that they're working on that

894

00:35:34,470 --> 00:35:32,080

we should be aware of

895

00:35:38,280 --> 00:35:34,480

well I think that it's it's an old

896

00:35:40,220 --> 00:35:38,290

tricks being rehashed and reapply and

897

00:35:44,760 --> 00:35:40,230

re-entered in it's always about

898

00:35:48,960 --> 00:35:44,770

co-opting trends and and cycles you know

899

00:35:50,250 --> 00:35:48,970

and and fads and pointy thing sorry to

900

00:35:52,470 --> 00:35:50,260

cut you off but do you think that that

901
00:35:55,260 --> 00:35:52,480
right there is there management of that

902
00:35:56,610 --> 00:35:55,270
novelty you were talking about that's

903
00:35:59,520 --> 00:35:56,620
the way that I think that's the way that

904
00:36:01,490 --> 00:35:59,530
they keep us captivated is by inserting

905
00:36:04,550 --> 00:36:01,500
as much of their own you know

906
00:36:07,680 --> 00:36:04,560
counterfeit stimuli right alongside

907
00:36:09,600 --> 00:36:07,690
whatever's driving the latest novelty so

908
00:36:12,030 --> 00:36:09,610
there's constantly and overlaying and

909
00:36:13,500 --> 00:36:12,040
overlaying and overlaying of repetitive

910
00:36:16,590 --> 00:36:13,510
themes that's why you see so many

911
00:36:18,600 --> 00:36:16,600
formulaic media you know vehicles it's

912
00:36:21,270 --> 00:36:18,610
all formulaic it's all retrofit

913
00:36:23,520 --> 00:36:21,280

retrograde for you keep seeing remakes

914

00:36:25,590 --> 00:36:23,530

of everything and you know there's you

915

00:36:27,510 --> 00:36:25,600

see the new version of an old theme it's

916

00:36:28,980 --> 00:36:27,520

always like that because that keeps us

917

00:36:31,680 --> 00:36:28,990

thinking in those ways so that when they

918

00:36:33,390 --> 00:36:31,690

put out a deliberate evocative theme

919

00:36:35,730 --> 00:36:33,400

something they want you to think about

920

00:36:39,540 --> 00:36:35,740

like exploiting Masonic or Egyptian

921

00:36:41,880 --> 00:36:39,550

iconography using that in 1970s are I

922

00:36:43,710 --> 00:36:41,890

the Stanford Research there is they put

923

00:36:45,500 --> 00:36:43,720

out a report telling the government that

924

00:36:47,970 --> 00:36:45,510

the best way to hurt the American

925

00:36:50,940 --> 00:36:47,980

collective consciousness was to use

926

00:36:52,770 --> 00:36:50,950

Masonic and an Egyptian economy you know

927

00:36:55,440 --> 00:36:52,780

and that we were all headed in the 21st

928

00:36:57,180 --> 00:36:55,450

century to a mass awakening and if you

929

00:36:59,340 --> 00:36:57,190

wanted to Shepherd us in one direction

930

00:37:02,130 --> 00:36:59,350

or another then you better use these

931

00:37:03,900 --> 00:37:02,140

symbols and emblems to do it and look

932

00:37:07,170 --> 00:37:03,910

what happened look at the movies and

933

00:37:09,660 --> 00:37:07,180

music and television saturated in

934

00:37:13,110 --> 00:37:09,670

Masonic and Egyptian iconography for the

935

00:37:14,730 --> 00:37:13,120

last 30 years 40 years right yeah yeah

936

00:37:16,830 --> 00:37:14,740

it's weird because I do see that

937

00:37:18,930 --> 00:37:16,840

symbolism but I want to talk about that

938

00:37:21,360 --> 00:37:18,940

for a little bit because I mean we're

939

00:37:22,860 --> 00:37:21,370

used to seeing the symbolism used by

940

00:37:26,220 --> 00:37:22,870

secret orders and corporate overlords

941

00:37:28,380 --> 00:37:26,230

and media and movies and it almost seems

942

00:37:30,090 --> 00:37:28,390

like superstitious in a way I mean can

943

00:37:31,650 --> 00:37:30,100

you how would you explain the power of

944

00:37:33,750 --> 00:37:31,660

symbolism to people and is there a way

945

00:37:36,870 --> 00:37:33,760

people can use the same energies that

946

00:37:39,720 --> 00:37:36,880

apparently back these symbols for good

947

00:37:41,550 --> 00:37:39,730

in their own life okay well one way to

948

00:37:43,950 --> 00:37:41,560

look at it I think is this with all

949

00:37:45,840 --> 00:37:43,960

spiritual or metaphysical systems like

950

00:37:49,050 --> 00:37:45,850

systems of approach that are trying to

951
00:37:51,330 --> 00:37:49,060
make contact with be all that which lays

952
00:37:53,850 --> 00:37:51,340
beyond the physical beyond the five

953
00:37:56,310 --> 00:37:53,860
senses right so you're trying to make

954
00:37:58,800 --> 00:37:56,320
contact or have an effect or impact from

955
00:38:01,440 --> 00:37:58,810
that direction and in doing so it's a

956
00:38:05,790 --> 00:38:01,450
reflective nature the whole as above so

957
00:38:08,730 --> 00:38:05,800
below right so it's it's reflective what

958
00:38:13,260 --> 00:38:08,740
symbols represent to us here are our

959
00:38:16,560 --> 00:38:13,270
ideas and people are the living things

960
00:38:18,900 --> 00:38:16,570
but in the spiritual realm the symbols

961
00:38:22,320 --> 00:38:18,910
and the emblems are the living things

962
00:38:25,080 --> 00:38:22,330
and people represent aspects or ideas of

963
00:38:27,390 --> 00:38:25,090

characteristics of self is that does

964

00:38:29,250 --> 00:38:27,400

that make sense it does it does but I

965

00:38:31,740 --> 00:38:29,260

just wonder if people haven't been

966

00:38:33,990 --> 00:38:31,750

introduced to the meanings behind these

967

00:38:36,540 --> 00:38:34,000

symbols how does it still have an effect

968

00:38:38,520 --> 00:38:36,550

because it's already imprinted in us I

969

00:38:40,920 --> 00:38:38,530

believe in genetic memory we are

970

00:38:42,780 --> 00:38:40,930

consciousness we we have a core

971

00:38:45,840 --> 00:38:42,790

consciousness that we're all rooted to I

972

00:38:49,800 --> 00:38:45,850

believe we're all slices or divisions or

973

00:38:52,740 --> 00:38:49,810

copies or you know clones if you will of

974

00:38:55,230 --> 00:38:52,750

a greater of a greater whole and and in

975

00:38:58,080 --> 00:38:55,240

the division contained within each piece

976

00:39:00,120 --> 00:38:58,090

is the the whole entirety you know the

977

00:39:01,890 --> 00:39:00,130

greater reality within each piece mm-hmm

978

00:39:04,800 --> 00:39:01,900

in that in that sense you know if you if

979

00:39:07,410 --> 00:39:04,810

you grasp the fractal reality you know

980

00:39:09,450 --> 00:39:07,420

yeah yeah and so so in that sense we

981

00:39:13,290 --> 00:39:09,460

have everything contained within us we

982

00:39:16,800 --> 00:39:13,300

are in fact a living symbol ourselves of

983

00:39:18,600 --> 00:39:16,810

the divine on that level so we are the

984

00:39:19,860 --> 00:39:18,610

living symbol ourselves and contained

985

00:39:22,680 --> 00:39:19,870

within almost like a living breathing

986

00:39:26,820 --> 00:39:22,690

sigil which is a layered symbol a symbol

987

00:39:29,670 --> 00:39:26,830

upon symbol upon symbol so it's a little

988

00:39:32,250 --> 00:39:29,680

abstract I know but in the end we have

989

00:39:35,550 --> 00:39:32,260

those symbols already imprinted or

990

00:39:38,190 --> 00:39:35,560

encoded within our consciousness yeah I

991

00:39:39,480 --> 00:39:38,200

mean that seems to make sense as I start

992

00:39:41,250 --> 00:39:39,490

to learn more about the symbols

993

00:39:43,590 --> 00:39:41,260

themselves in the history behind them

994

00:39:45,870 --> 00:39:43,600

starts to be easier to step outside of

995

00:39:47,640 --> 00:39:45,880

the situation and kind of look at what's

996

00:39:49,410 --> 00:39:47,650

happening and that is something I've had

997

00:39:52,170 --> 00:39:49,420

a previous guest say as well that by

998

00:39:54,840 --> 00:39:52,180

exposing the magic by exposing the

999

00:39:56,730 --> 00:39:54,850

symbols they're spell is is lessened

1000

00:39:58,290 --> 00:39:56,740

which I think that's part of all of our

1001
00:39:59,700 --> 00:39:58,300
awakening process and I guess that's

1002
00:40:02,670 --> 00:39:59,710
really the best thing we can do

1003
00:40:05,190 --> 00:40:02,680
with it yes it is it is because it sort

1004
00:40:08,430 --> 00:40:05,200
of demystifies you know it sort of

1005
00:40:10,800 --> 00:40:08,440
dispels the effect we are under a global

1006
00:40:14,010 --> 00:40:10,810
enchantment here it's a mass enchantment

1007
00:40:17,250 --> 00:40:14,020
you know and you know true secret

1008
00:40:19,170 --> 00:40:17,260
societies in the best sense was about

1009
00:40:21,120 --> 00:40:19,180
sequestering and preserving human

1010
00:40:23,490 --> 00:40:21,130
knowledge while humanity went through

1011
00:40:25,620 --> 00:40:23,500
whatever dark age it was currently under

1012
00:40:27,630 --> 00:40:25,630
the throes of and then what sort of like

1013
00:40:29,640 --> 00:40:27,640

an ebb and flow to human consciousness

1014

00:40:32,099 --> 00:40:29,650

there's a time when humanity kind of

1015

00:40:34,500 --> 00:40:32,109

just like you know shrinks back into

1016

00:40:37,109 --> 00:40:34,510

caves and underground and wants nothing

1017

00:40:39,030 --> 00:40:37,119

to do with anything - or higher thinking

1018

00:40:40,800 --> 00:40:39,040

you know it's all barbaric or whatever

1019

00:40:42,780 --> 00:40:40,810

right and then and then and then

1020

00:40:44,849 --> 00:40:42,790

eventually people start to come back to

1021

00:40:47,339 --> 00:40:44,859

that way of wanting to explore those

1022

00:40:49,500 --> 00:40:47,349

other other concepts and higher ideals

1023

00:40:51,750 --> 00:40:49,510

and so the secret societies or just

1024

00:40:53,280 --> 00:40:51,760

groups that form around the ideas to

1025

00:40:55,920 --> 00:40:53,290

maintain and preserve that was the

1026

00:40:58,170 --> 00:40:55,930

intention the problem is is that there

1027

00:41:00,030 --> 00:40:58,180

are those who were involved in that who

1028

00:41:02,190 --> 00:41:00,040

broke away and decided that they were

1029

00:41:04,109 --> 00:41:02,200

going to use those same tools to enslave

1030

00:41:06,900 --> 00:41:04,119

and entrap people you know it's a you

1031

00:41:08,640 --> 00:41:06,910

could say to use simplified terms it's

1032

00:41:11,220 --> 00:41:08,650

like having the light in the dark side

1033

00:41:13,710 --> 00:41:11,230

of the Star Wars you know yeah you got

1034

00:41:16,920 --> 00:41:13,720

the illuminators the illuminators are

1035

00:41:19,020 --> 00:41:16,930

the Jedi they they are the wayshowers

1036

00:41:22,079 --> 00:41:19,030

the light guides the ones that lead

1037

00:41:24,599 --> 00:41:22,089

people to their own full integration and

1038

00:41:27,210 --> 00:41:24,609

self-actualization you know while the

1039

00:41:29,670 --> 00:41:27,220

other school the Sith you know they're

1040

00:41:32,849 --> 00:41:29,680

like the Illuminati the captivate errs

1041

00:41:37,170 --> 00:41:32,859

they entrap and enslave their inherence

1042

00:41:39,240 --> 00:41:37,180

bind them to false realities to lies to

1043

00:41:41,579 --> 00:41:39,250

dead whole dead end rabbit holes and

1044

00:41:43,440 --> 00:41:41,589

little coldest acts of awareness and

1045

00:41:45,870 --> 00:41:43,450

knowledge that keeps them you know

1046

00:41:48,450 --> 00:41:45,880

caught up in the simulated inorganic

1047

00:41:50,670 --> 00:41:48,460

chaos yeah the Greeks had a term for it

1048

00:41:53,400 --> 00:41:50,680

they called it the stereo MA

1049

00:41:55,829 --> 00:41:53,410

the stereo Moe was the the counter clock

1050

00:41:58,740 --> 00:41:55,839

world that philip k dick talks about and

1051
00:42:00,630 --> 00:41:58,750
and you know I think we all know which

1052
00:42:02,910 --> 00:42:00,640
one the so-called masters of this world

1053
00:42:04,170 --> 00:42:02,920
the powers that shouldn't be prefer you

1054
00:42:06,210 --> 00:42:04,180
know what school they're using right

1055
00:42:08,339 --> 00:42:06,220
yeah I mean that's what I was going to

1056
00:42:10,560 --> 00:42:08,349
ask you next is it seems today that

1057
00:42:12,540 --> 00:42:10,570
whenever I see these symbols used it's

1058
00:42:13,940 --> 00:42:12,550
always by a powerful organization or

1059
00:42:16,290 --> 00:42:13,950
rich organization

1060
00:42:18,750 --> 00:42:16,300
extracting more wealth from the masses

1061
00:42:21,300 --> 00:42:18,760
and I'm wondering I mean are there

1062
00:42:22,920 --> 00:42:21,310
illuminators left or is it all just the

1063
00:42:25,680 --> 00:42:22,930

dark side I mean is there anyone

1064

00:42:28,020 --> 00:42:25,690

fighting for good still well you know I

1065

00:42:30,660 --> 00:42:28,030

mean George Carlin said once you know

1066

00:42:33,030 --> 00:42:30,670

it's not all of humanity's bad it's just

1067

00:42:34,380 --> 00:42:33,040

enough or bad to screw it up for the

1068

00:42:37,650 --> 00:42:34,390

rest of us but he used a different term

1069

00:42:39,360 --> 00:42:37,660

you know what I mean it's like just

1070

00:42:41,550 --> 00:42:39,370

enough or bad to tip the scales in the

1071

00:42:43,980 --> 00:42:41,560

wrong direction it seems I like to think

1072

00:42:46,650 --> 00:42:43,990

you know yeah I hear you Greg I mean who

1073

00:42:49,290 --> 00:42:46,660

knows I have I come from an optimistic

1074

00:42:50,880 --> 00:42:49,300

position I have four children I have a

1075

00:42:52,920 --> 00:42:50,890

wife I have a family oh we're trying to

1076

00:42:54,990 --> 00:42:52,930

raise people in this world so I believe

1077

00:42:56,400 --> 00:42:55,000

that there that in my experience most

1078

00:42:58,260 --> 00:42:56,410

people are good that I've come into

1079

00:43:00,210 --> 00:42:58,270

contact with most people that I cross

1080

00:43:02,340 --> 00:43:00,220

paths with every day are just good

1081

00:43:04,080 --> 00:43:02,350

law-abiding citizens that you know for

1082

00:43:05,940 --> 00:43:04,090

the most part that you can less the laws

1083

00:43:07,560 --> 00:43:05,950

are stupid and they're you know but they

1084

00:43:09,270 --> 00:43:07,570

but they they go about their business

1085

00:43:11,160 --> 00:43:09,280

they don't want to harm people they

1086

00:43:12,810 --> 00:43:11,170

don't want to exploit people they just

1087

00:43:14,400 --> 00:43:12,820

want to be left to do what they want to

1088

00:43:14,850 --> 00:43:14,410

do you know and there's nothing wrong

1089

00:43:16,830 --> 00:43:14,860

with that

1090

00:43:19,440 --> 00:43:16,840

that's so my experience has been that

1091

00:43:22,320 --> 00:43:19,450

humanity is not fallen is not evil is

1092

00:43:25,260 --> 00:43:22,330

good but the power that controls

1093

00:43:27,810 --> 00:43:25,270

humanity is corrupt and a corruption

1094

00:43:30,750 --> 00:43:27,820

that is in the core of the system it

1095

00:43:31,950 --> 00:43:30,760

bleeds out into all the extremities so

1096

00:43:33,660 --> 00:43:31,960

that we're all under that we're all

1097

00:43:35,670 --> 00:43:33,670

under the effect of it you can't even

1098

00:43:37,950 --> 00:43:35,680

get up and go out into the world without

1099

00:43:39,990 --> 00:43:37,960

being an accomplice a co-conspirator and

1100

00:43:42,540 --> 00:43:40,000

this evil that were engaged in you know

1101

00:43:44,970 --> 00:43:42,550

I mean a great point it is I mean and

1102

00:43:47,490 --> 00:43:44,980

it's sad to say but we can do something

1103

00:43:50,520 --> 00:43:47,500

as like we were saying non-compliance

1104

00:43:52,470 --> 00:43:50,530

you know abstract non-compliance

1105

00:43:55,620 --> 00:43:52,480

I remember watching an old an old

1106

00:43:57,030 --> 00:43:55,630

Terence Mckenna video from back in the

1107

00:43:58,860 --> 00:43:57,040

80s he was that like the II salon

1108

00:44:01,020 --> 00:43:58,870

Institute or something he was breaking

1109

00:44:03,150 --> 00:44:01,030

down you know probably the similar stuff

1110

00:44:04,860 --> 00:44:03,160

that we've talked about right here today

1111

00:44:06,480 --> 00:44:04,870

you know and he was putting it out there

1112

00:44:07,680 --> 00:44:06,490

and he was saying just about exactly

1113

00:44:09,810 --> 00:44:07,690

like I'm saying like we're totally

1114

00:44:11,670 --> 00:44:09,820

screwed man right and the guy in the

1115

00:44:13,350 --> 00:44:11,680

audience goes well what do we do man

1116

00:44:15,210 --> 00:44:13,360

what's the answer if that's the case you

1117

00:44:17,010 --> 00:44:15,220

know what's the what's the solution and

1118

00:44:18,120 --> 00:44:17,020

without even batting an eyelash without

1119

00:44:20,550 --> 00:44:18,130

even thinking about it

1120

00:44:23,310 --> 00:44:20,560

McKenna shouts right back or you know he

1121

00:44:27,030 --> 00:44:23,320

throws it right back at him art art is

1122

00:44:27,740 --> 00:44:27,040

the answer creativity you know total

1123

00:44:30,600 --> 00:44:27,750

novel

1124

00:44:33,750 --> 00:44:30,610

humor that's the answer that really is

1125

00:44:37,170 --> 00:44:33,760

that's why you know that's our hope is

1126
00:44:38,610 --> 00:44:37,180
that we have that luminous epinoia that

1127
00:44:40,650 --> 00:44:38,620
the Greeks call the creative

1128
00:44:42,330 --> 00:44:40,660
visualization and imagination that's

1129
00:44:44,370 --> 00:44:42,340
like a spark within each one of us and

1130
00:44:46,530 --> 00:44:44,380
it can't be controlled

1131
00:44:49,410 --> 00:44:46,540
it can't be harnessed except by the

1132
00:44:51,180 --> 00:44:49,420
individual who possesses it and then

1133
00:44:53,910 --> 00:44:51,190
expresses it to everybody else and

1134
00:44:56,580 --> 00:44:53,920
that's our only hope is that each one of

1135
00:44:58,170 --> 00:44:56,590
us gets in touch with that and says you

1136
00:45:00,360 --> 00:44:58,180
know what I'm not gonna play your stupid

1137
00:45:02,520 --> 00:45:00,370
reindeer games I'm gonna do this instead

1138
00:45:04,290 --> 00:45:02,530

that's what John lash Hill wrote a book

1139

00:45:07,290 --> 00:45:04,300

called not in His image and he has a

1140

00:45:09,270 --> 00:45:07,300

website called meta history org he talks

1141

00:45:11,820 --> 00:45:09,280

about that that the Greeks predicted the

1142

00:45:13,890 --> 00:45:11,830

Gnostics predicted that at the last

1143

00:45:15,540 --> 00:45:13,900

minute at the eleventh hour when all

1144

00:45:17,400 --> 00:45:15,550

hope seems lost

1145

00:45:19,830 --> 00:45:17,410

right before humanity goes into the

1146

00:45:21,030 --> 00:45:19,840

abyss we'll just say you know what we'll

1147

00:45:22,710 --> 00:45:21,040

lift our heads and we'll be like this is

1148

00:45:24,300 --> 00:45:22,720

a bunch of [h__h] we're out of here

1149

00:45:25,050 --> 00:45:24,310

and we'll just shrug off the yokes and

1150

00:45:26,550 --> 00:45:25,060

walk away

1151
00:45:29,760 --> 00:45:26,560
and go off into the woods you know and

1152
00:45:31,380 --> 00:45:29,770
give it up and that's ope to me yeah

1153
00:45:32,460 --> 00:45:31,390
man I mean that sounds that sounds

1154
00:45:33,840 --> 00:45:32,470
excellent

1155
00:45:35,130 --> 00:45:33,850
and when you're talking about the

1156
00:45:36,540 --> 00:45:35,140
corruption being in the center of the

1157
00:45:39,090 --> 00:45:36,550
system and it bleeds out I mean I

1158
00:45:41,130 --> 00:45:39,100
completely vibe with that because I hear

1159
00:45:43,140 --> 00:45:41,140
a lot of people talking about little

1160
00:45:45,720 --> 00:45:43,150
things that are wrong this or that on

1161
00:45:49,830 --> 00:45:45,730
different layers of the onion and they

1162
00:45:51,690 --> 00:45:49,840
pose a solution that to me is like no

1163
00:45:54,120 --> 00:45:51,700

way will that change things and I start

1164

00:45:55,920 --> 00:45:54,130

to think about how huge a change we

1165

00:45:59,400 --> 00:45:55,930

would need to really root out that

1166

00:46:03,680 --> 00:45:59,410

corruption because it is so it's so

1167

00:46:07,200 --> 00:46:03,690

systemic it has created a system that

1168

00:46:09,060 --> 00:46:07,210

incentivizes evil behavior you know

1169

00:46:12,060 --> 00:46:09,070

capitalism itself you know the worship

1170

00:46:13,800 --> 00:46:12,070

of money I mean we all of us in America

1171

00:46:15,270 --> 00:46:13,810

should feel a little guilty today

1172

00:46:16,710 --> 00:46:15,280

because people are dying on the other

1173

00:46:19,080 --> 00:46:16,720

side of the planet so we can have a

1174

00:46:21,510 --> 00:46:19,090

prettier nicer cleaner cage than the

1175

00:46:23,490 --> 00:46:21,520

rest of the planet and their whole world

1176

00:46:27,510 --> 00:46:23,500

is kind of just waiting for us to stop

1177

00:46:29,100 --> 00:46:27,520

being okay with it you know the only the

1178

00:46:31,350 --> 00:46:29,110

only point only problem is is that

1179

00:46:32,910 --> 00:46:31,360

American public has been stripped of its

1180

00:46:36,000 --> 00:46:32,920

cleaner critical thinking and the

1181

00:46:37,440 --> 00:46:36,010

American public has no capacity to

1182

00:46:39,870 --> 00:46:37,450

critically think its way out of the

1183

00:46:41,220 --> 00:46:39,880

situation I mean it's not surprising

1184

00:46:43,890 --> 00:46:41,230

because there was a cyst

1185

00:46:45,870 --> 00:46:43,900

put into effect a long time ago that was

1186

00:46:47,580 --> 00:46:45,880

you know there's a guy named John Taylor

1187

00:46:49,140 --> 00:46:47,590

Gatto he wrote a bunch of books a couple

1188

00:46:50,760 --> 00:46:49,150

of them one was called underground

1189

00:46:52,590 --> 00:46:50,770

history of American education

1190

00:46:54,570 --> 00:46:52,600

that's an excellent book but he also got

1191

00:46:57,930 --> 00:46:54,580

another one a little book called dumbing

1192

00:46:59,940 --> 00:46:57,940

us down and in this book he speculates

1193

00:47:01,950 --> 00:46:59,950

that in colonial America at the time of

1194

00:47:06,170 --> 00:47:01,960

the Revolution at least among the non

1195

00:47:09,480 --> 00:47:06,180

slave citizens that literacy was nearly

1196

00:47:11,660 --> 00:47:09,490

100 percent he believes that you know

1197

00:47:14,220 --> 00:47:11,670

let that sink in for a moment everybody

1198

00:47:17,280 --> 00:47:14,230

100% literacy okay

1199

00:47:19,640 --> 00:47:17,290

now among the slave classes he said

1200

00:47:22,980 --> 00:47:19,650

there was 75%

1201
00:47:26,220 --> 00:47:22,990
literacy now we know that literacy was

1202
00:47:27,720 --> 00:47:26,230
high because yeah propaganda was what

1203
00:47:29,970 --> 00:47:27,730
was the way that the Revolution was

1204
00:47:33,530 --> 00:47:29,980
fought the famous pamphleteers like

1205
00:47:37,230 --> 00:47:33,540
Thomas Paine whose common sense sold

1206
00:47:39,780 --> 00:47:37,240
600,000 copies to 3 million colonists

1207
00:47:42,180 --> 00:47:39,790
that's a lot of copies to a small you

1208
00:47:44,070 --> 00:47:42,190
know only 3 million people 600,000 you

1209
00:47:46,470 --> 00:47:44,080
know those people handed those out to

1210
00:47:48,750 --> 00:47:46,480
somebody else so probably 50% of the

1211
00:47:50,940 --> 00:47:48,760
population got a copy of that right and

1212
00:47:54,440 --> 00:47:50,950
that means that if you're a read common

1213
00:47:56,970 --> 00:47:54,450

sense that is not light reading

1214

00:48:00,720 --> 00:47:56,980

that's not James Patterson or Judith

1215

00:48:03,300 --> 00:48:00,730

Krantz which but that brings up another

1216

00:48:05,040 --> 00:48:03,310

point which is the literacy the scale of

1217

00:48:07,170 --> 00:48:05,050

the literacy standard and you try to

1218

00:48:09,599 --> 00:48:07,180

define literacy today in America I

1219

00:48:12,599 --> 00:48:09,609

couldn't do it I can't find out a proper

1220

00:48:15,870 --> 00:48:12,609

scale to go on you know you can't find a

1221

00:48:18,420 --> 00:48:15,880

qualified speculations based on it so

1222

00:48:20,160 --> 00:48:18,430

it's all varied criteria like it seems

1223

00:48:23,370 --> 00:48:20,170

literacy illiteracy standard today is

1224

00:48:25,530 --> 00:48:23,380

based more on a simplified approach to

1225

00:48:27,840 --> 00:48:25,540

writing as in you are considered

1226

00:48:30,530 --> 00:48:27,850

literate if you can read and follow

1227

00:48:33,630 --> 00:48:30,540

instructions on how to build a barbecue

1228

00:48:36,780 --> 00:48:33,640

yeah and the other thing Frederick's is

1229

00:48:41,609 --> 00:48:36,790

that our just our whole education system

1230

00:48:43,859 --> 00:48:41,619

is so linearly based you know critical

1231

00:48:47,730 --> 00:48:43,869

thinking or logical thinking is pretty

1232

00:48:50,220 --> 00:48:47,740

much thrown out the door and so we just

1233

00:48:52,190 --> 00:48:50,230

pretty much go by you know rote style of

1234

00:48:54,870 --> 00:48:52,200

learning when do you agree absolutely

1235

00:48:56,880 --> 00:48:54,880

absolutely I would have it's all

1236

00:48:59,519 --> 00:48:56,890

our education system is in America is

1237

00:49:01,920 --> 00:48:59,529

obedience training you learn three

1238

00:49:03,480 --> 00:49:01,930

things in any school any public school

1239

00:49:05,579 --> 00:49:03,490

in most private schools I would say

1240

00:49:07,589 --> 00:49:05,589

because I've been to both and most of

1241

00:49:10,499 --> 00:49:07,599

them have only three things to teach you

1242

00:49:13,589 --> 00:49:10,509

number one show up on time don't be

1243

00:49:16,170 --> 00:49:13,599

tardy don't be late that's like a moral

1244

00:49:18,450 --> 00:49:16,180

offense it's a moral dilemma you better

1245

00:49:22,049 --> 00:49:18,460

show up on time that's building bad work

1246

00:49:24,390 --> 00:49:22,059

skills you know for the future that's

1247

00:49:26,309 --> 00:49:24,400

the number one rule number two you

1248

00:49:28,799 --> 00:49:26,319

better observe your you know obey your

1249

00:49:30,809 --> 00:49:28,809

keeper obey the master obey the teacher

1250

00:49:32,309 --> 00:49:30,819

do what you're told and then you know

1251

00:49:35,730 --> 00:49:32,319

that that's key number two

1252

00:49:39,029 --> 00:49:35,740

obedience number three do some mindless

1253

00:49:40,349 --> 00:49:39,039

rote activity till the bell rings and

1254

00:49:41,789 --> 00:49:40,359

then walk away don't take it with you

1255

00:49:44,519 --> 00:49:41,799

like it never happened that's what you

1256

00:49:46,559 --> 00:49:44,529

learned in America first man I totally

1257

00:49:47,880 --> 00:49:46,569

agree and another element of schooling

1258

00:49:50,220 --> 00:49:47,890

that's interesting is we're talking

1259

00:49:52,109 --> 00:49:50,230

about these secret societies that have

1260

00:49:54,450 --> 00:49:52,119

been running the show for generations

1261

00:49:56,789 --> 00:49:54,460

and they're built on a model of

1262

00:49:58,589 --> 00:49:56,799

cooperation yet if you cooperate with in

1263

00:50:00,240 --> 00:49:58,599

school it's called cheating and it's one

1264

00:50:02,519 --> 00:50:00,250

of the worst things you can do it's all

1265

00:50:04,680 --> 00:50:02,529

individuals but yet behind the scenes

1266

00:50:07,259 --> 00:50:04,690

it's it's these groups that really run

1267

00:50:09,539 --> 00:50:07,269

the show exactly exactly and you know

1268

00:50:10,559 --> 00:50:09,549

you find when I've studied this I'm

1269

00:50:12,930 --> 00:50:10,569

writing a book right now called the

1270

00:50:14,759 --> 00:50:12,940

secret war inside Freemasonry and you

1271

00:50:17,130 --> 00:50:14,769

know I'm looking at the early founding

1272

00:50:18,749 --> 00:50:17,140

of compulsion schooling in America I

1273

00:50:20,370 --> 00:50:18,759

talked a little bit about it in my

1274

00:50:22,200 --> 00:50:20,380

article in paranoia and I've talked

1275

00:50:24,210 --> 00:50:22,210

about it in my different presentations

1276

00:50:26,970 --> 00:50:24,220

but what we find when we look closely

1277

00:50:29,099 --> 00:50:26,980

it's crazy there was this one guy he was

1278

00:50:32,249 --> 00:50:29,109

uh his name was Davis he was a minister

1279

00:50:34,890 --> 00:50:32,259

in Rochester New York in 1830 you know

1280

00:50:37,319 --> 00:50:34,900

right after the William Morgan affair

1281

00:50:40,019 --> 00:50:37,329

and he got run out of town he was a

1282

00:50:42,749 --> 00:50:40,029

Unitarian minister who was accused of

1283

00:50:45,240 --> 00:50:42,759

having a Lodge of the Illuminati held in

1284

00:50:47,940 --> 00:50:45,250

his church and so he was connected to

1285

00:50:50,910 --> 00:50:47,950

what's this mysterious group of Mason's

1286

00:50:52,859 --> 00:50:50,920

called Scotch Masons who consider

1287

00:50:55,410 --> 00:50:52,869

themselves above reproach from any other

1288

00:50:57,390 --> 00:50:55,420

made they're like a high-class mason

1289

00:50:58,759 --> 00:50:57,400

within masonry that has you know like

1290

00:51:01,319 --> 00:50:58,769

it's almost like the Supreme Council

1291

00:51:03,329 --> 00:51:01,329

33rd they can't be answerable to anybody

1292

00:51:05,490 --> 00:51:03,339

else that's what these Scotch Masons are

1293

00:51:08,340 --> 00:51:05,500

in history were called and and so

1294

00:51:10,320 --> 00:51:08,350

basically he was associated with them he

1295

00:51:12,720 --> 00:51:10,330

runs for his life from Rochester he goes

1296

00:51:16,140 --> 00:51:12,730

across the great lake regions and ends

1297

00:51:19,080 --> 00:51:16,150

up in Michigan where he's appointed the

1298

00:51:22,770 --> 00:51:19,090

first Minister of Education in the state

1299

00:51:24,270 --> 00:51:22,780

of Michigan's new education system which

1300

00:51:26,820 --> 00:51:24,280

was the first compulsion schooling

1301
00:51:29,520 --> 00:51:26,830
system in America and he becomes the

1302
00:51:32,250 --> 00:51:29,530
first Minister of Education to try out

1303
00:51:33,720 --> 00:51:32,260
this new fledgling compulsion schooling

1304
00:51:35,580 --> 00:51:33,730
system that that was then you know

1305
00:51:39,300 --> 00:51:35,590
stepped up and expanded across the

1306
00:51:41,330 --> 00:51:39,310
entire nation yeah god it just seems so

1307
00:51:43,730 --> 00:51:41,340
hard to fight a machine that's that

1308
00:51:46,770 --> 00:51:43,740
calculated and it's been that well-oiled

1309
00:51:49,320 --> 00:51:46,780
but um I want to talk a little bit

1310
00:51:50,990 --> 00:51:49,330
before we go about magic and these

1311
00:51:54,450 --> 00:51:51,000
elements in these secret societies

1312
00:51:56,250 --> 00:51:54,460
because we hear about this past and when

1313
00:51:59,490 --> 00:51:56,260

you touched on it earlier a past where

1314

00:52:03,260 --> 00:51:59,500

positive magic Gnosticism was common

1315

00:52:06,690 --> 00:52:03,270

among the people and we have this this

1316

00:52:10,410 --> 00:52:06,700

idea in our heads of a past human

1317

00:52:13,230 --> 00:52:10,420

paradise and I just wonder if this magic

1318

00:52:15,000 --> 00:52:13,240

was used today reintroduced to the

1319

00:52:17,220 --> 00:52:15,010

people because it's made it been it's

1320

00:52:18,960 --> 00:52:17,230

made to sound almost worthless in modern

1321

00:52:20,580 --> 00:52:18,970

society at least for commoners but if it

1322

00:52:23,120 --> 00:52:20,590

was reintroduced in a positive way and

1323

00:52:26,280 --> 00:52:23,130

people started practicing some of this

1324

00:52:28,410 --> 00:52:26,290

occult knowledge and a widespread way

1325

00:52:31,200 --> 00:52:28,420

what kind of effect do you think it

1326
00:52:33,660 --> 00:52:31,210
would have is it really that strong well

1327
00:52:36,120 --> 00:52:33,670
I think that it's important to realize

1328
00:52:38,250 --> 00:52:36,130
that magic hasn't gone anywhere I mean

1329
00:52:40,620 --> 00:52:38,260
it may not be in the forefront of our

1330
00:52:42,930 --> 00:52:40,630
consciousness right right but it's just

1331
00:52:45,770 --> 00:52:42,940
a term you know the idea is that these

1332
00:52:47,960 --> 00:52:45,780
terms like a cult magic hermetic

1333
00:52:51,180 --> 00:52:47,970
esoteric they've all been misapplied

1334
00:52:53,220 --> 00:52:51,190
misused and misdirected so much that

1335
00:52:57,270 --> 00:52:53,230
it's clouded to true meanings of these

1336
00:53:01,560 --> 00:52:57,280
things and magic for the working

1337
00:53:03,420 --> 00:53:01,570
definition is merely causing change in

1338
00:53:04,710 --> 00:53:03,430

accordance with will whether it be

1339

00:53:07,860 --> 00:53:04,720

change of your own personal

1340

00:53:11,550 --> 00:53:07,870

consciousness or change in your in your

1341

00:53:13,770 --> 00:53:11,560

general environment around you and it's

1342

00:53:16,200 --> 00:53:13,780

that's a very pragmatic and utilitarian

1343

00:53:19,170 --> 00:53:16,210

definition of it and in that way we are

1344

00:53:20,130 --> 00:53:19,180

all conducting magical operations every

1345

00:53:22,109 --> 00:53:20,140

day of our lives

1346

00:53:24,059 --> 00:53:22,119

because you're all we're all engaging

1347

00:53:26,970 --> 00:53:24,069

in activities in which we're using our

1348

00:53:27,930 --> 00:53:26,980

will to cause change you know and that's

1349

00:53:30,630 --> 00:53:27,940

really what it's about

1350

00:53:33,630 --> 00:53:30,640

but what the difference is is that magic

1351
00:53:36,269 --> 00:53:33,640
launches from the belief that potential

1352
00:53:40,109 --> 00:53:36,279
and possibilities are limitless and that

1353
00:53:41,970 --> 00:53:40,119
we have an ability away a route to the

1354
00:53:45,450 --> 00:53:41,980
metaphysical or the greater reality

1355
00:53:48,299 --> 00:53:45,460
beyond the five senses so magic takes it

1356
00:53:50,549 --> 00:53:48,309
is a tacit belief just like religion

1357
00:53:53,009 --> 00:53:50,559
does that there is a metaphysical

1358
00:53:55,019 --> 00:53:53,019
reality a reality beyond this physical

1359
00:53:57,839 --> 00:53:55,029
reality that we're all engaged in and so

1360
00:54:01,289 --> 00:53:57,849
once a person has that belief magic

1361
00:54:04,440 --> 00:54:01,299
merely is a toolbox for which they might

1362
00:54:06,870 --> 00:54:04,450
become more acquainted with that

1363
00:54:09,450 --> 00:54:06,880

metaphysical reality and so from that

1364

00:54:12,059 --> 00:54:09,460

perspective for myself I believe that

1365

00:54:15,359 --> 00:54:12,069

magical teachings esoteric system

1366

00:54:17,249 --> 00:54:15,369

spiritual systems occult Sciences all

1367

00:54:19,620 --> 00:54:17,259

those you know aromatic arts whatever

1368

00:54:22,170 --> 00:54:19,630

you want to call them the the Western

1369

00:54:23,880 --> 00:54:22,180

occult tradition or the hidden teachings

1370

00:54:26,819 --> 00:54:23,890

that were forbidden and suppressed for

1371

00:54:30,569 --> 00:54:26,829

so long by the church these are methods

1372

00:54:33,210 --> 00:54:30,579

for anyone who feels so inclined to

1373

00:54:36,299 --> 00:54:33,220

become greater acquainted with their own

1374

00:54:38,910 --> 00:54:36,309

inner self and we know that that is

1375

00:54:41,339 --> 00:54:38,920

really you know above the the Oracle of

1376

00:54:43,829 --> 00:54:41,349

Delphi was the quote of fail ease which

1377

00:54:45,870 --> 00:54:43,839

said know thyself and know the secrets

1378

00:54:49,259 --> 00:54:45,880

of the universe you know that's that's

1379

00:54:52,440 --> 00:54:49,269

that's an implied teaching and hermetics

1380

00:54:56,460 --> 00:54:52,450

like as above so below and so these

1381

00:54:59,009 --> 00:54:56,470

things are totally relevant because I

1382

00:55:00,779 --> 00:54:59,019

believe as do many other thinkers out

1383

00:55:03,299 --> 00:55:00,789

there and Joseph Campbell was one of

1384

00:55:05,279 --> 00:55:03,309

them John lash I spoke of earlier and

1385

00:55:08,099 --> 00:55:05,289

many other researchers and writers and

1386

00:55:10,349 --> 00:55:08,109

media content providers all believe that

1387

00:55:13,109 --> 00:55:10,359

we've had something vital stripped from

1388

00:55:15,239 --> 00:55:13,119

our awareness it was part of the process

1389

00:55:17,370 --> 00:55:15,249

of getting to where we are today in this

1390

00:55:20,039 --> 00:55:17,380

postmodern world of completely

1391

00:55:23,099 --> 00:55:20,049

controlled factors and you know the

1392

00:55:25,319 --> 00:55:23,109

optimizing of production value you know

1393

00:55:27,180 --> 00:55:25,329

of the human resources mm-hmm and that's

1394

00:55:29,370 --> 00:55:27,190

really where it all happened with the

1395

00:55:31,829 --> 00:55:29,380

Industrial Revolution and that's when

1396

00:55:33,760 --> 00:55:31,839

you know things shifted where we began

1397

00:55:35,160 --> 00:55:33,770

to shift and they was really in

1398

00:55:38,020 --> 00:55:35,170

important you mentioned earlier about

1399

00:55:40,150 --> 00:55:38,030

inhumane acts where it was really

1400

00:55:42,160 --> 00:55:40,160

important to condition the human animal

1401
00:55:45,610 --> 00:55:42,170
first of all to see himself as an animal

1402
00:55:48,910 --> 00:55:45,620
and to condition himself to be willing

1403
00:55:51,340 --> 00:55:48,920
and capable to perform inhumane acts

1404
00:55:53,770 --> 00:55:51,350
against his environment and his fellow

1405
00:55:56,500 --> 00:55:53,780
species because that's where profit

1406
00:55:58,330 --> 00:55:56,510
comes from you know is the how far are

1407
00:56:00,670 --> 00:55:58,340
you willing to go son you know are you a

1408
00:56:02,650 --> 00:56:00,680
company man yeah that's what it's all

1409
00:56:05,200 --> 00:56:02,660
about and so that's the the definition

1410
00:56:06,850 --> 00:56:05,210
of success is the man who is willing to

1411
00:56:09,960 --> 00:56:06,860
step on the next and exploit everyone

1412
00:56:12,670 --> 00:56:09,970
around him you know the the egalitarian

1413
00:56:14,650 --> 00:56:12,680

spirit that started the fraternal orders

1414

00:56:16,870 --> 00:56:14,660

that were then co-opted turned into what

1415

00:56:18,850 --> 00:56:16,880

they are today had the other idea was

1416

00:56:21,100 --> 00:56:18,860

the idea as we said before with the

1417

00:56:23,470 --> 00:56:21,110

illuminators the idea that we all are

1418

00:56:25,450 --> 00:56:23,480

you know a family or Brotherhood of

1419

00:56:27,670 --> 00:56:25,460

humanity and that we hatched we should

1420

00:56:29,680 --> 00:56:27,680

have a safe place where we could come

1421

00:56:31,990 --> 00:56:29,690

together and and enjoy each other's

1422

00:56:35,020 --> 00:56:32,000

fellowship and not fear being preyed

1423

00:56:37,060 --> 00:56:35,030

upon by your fellow man sitting next to

1424

00:56:39,040 --> 00:56:37,070

you because that's the society we live

1425

00:56:40,270 --> 00:56:39,050

in today where nobody wants to know

1426
00:56:42,010 --> 00:56:40,280
their neighbors because they might be

1427
00:56:47,410 --> 00:56:42,020
just casing the joint trying to rip me

1428
00:56:48,910 --> 00:56:47,420
off you know yeah I mean it's we are all

1429
00:56:50,500 --> 00:56:48,920
so scared of each other and that's what

1430
00:56:52,780 --> 00:56:50,510
makes it even harder again with this

1431
00:56:54,430 --> 00:56:52,790
cooperation thing you know the secret

1432
00:56:55,930 --> 00:56:54,440
society is they're cooperating they're

1433
00:56:59,050 --> 00:56:55,940
working together they have loyalty to

1434
00:57:00,760 --> 00:56:59,060
each other above all else and on the

1435
00:57:02,620 --> 00:57:00,770
outside and the mainstream people are

1436
00:57:05,530 --> 00:57:02,630
afraid of their goddamn neighbors you

1437
00:57:07,030 --> 00:57:05,540
know that seems like the mission

1438
00:57:08,910 --> 00:57:07,040

accomplished where do we go from here

1439

00:57:11,440 --> 00:57:08,920

you're gonna be hopeful for the future

1440

00:57:13,630 --> 00:57:11,450

where do we attack them what systems do

1441

00:57:15,430 --> 00:57:13,640

we need to overcome well I guess I just

1442

00:57:17,590 --> 00:57:15,440

keep the same battle cry it's the same

1443

00:57:19,000 --> 00:57:17,600

mantra cultivating wisdom and critical

1444

00:57:21,130 --> 00:57:19,010

thinking within is the only hope for

1445

00:57:23,320 --> 00:57:21,140

each person to be able to really

1446

00:57:25,600 --> 00:57:23,330

cultivate a sense of knowledge and

1447

00:57:28,330 --> 00:57:25,610

wisdom from what's available around you

1448

00:57:30,160 --> 00:57:28,340

so that you can discern the BS that's

1449

00:57:31,900 --> 00:57:30,170

being presented to you by the state and

1450

00:57:34,210 --> 00:57:31,910

by those who would you know call

1451
00:57:36,370 --> 00:57:34,220
themselves your keeper and and that's if

1452
00:57:38,200 --> 00:57:36,380
you are aware enough or in passion

1453
00:57:39,850 --> 00:57:38,210
enough to even care because a lot of

1454
00:57:41,590 --> 00:57:39,860
people today are just asleep behind

1455
00:57:44,080 --> 00:57:41,600
their digital devices I mean it's just

1456
00:57:47,140 --> 00:57:44,090
and we're all lulled into this false

1457
00:57:49,990 --> 00:57:47,150
sense of security but it's

1458
00:57:52,450 --> 00:57:50,000
tired in a really terrible sense of

1459
00:57:54,430 --> 00:57:52,460
shortage and scarcity you know we're all

1460
00:57:56,410 --> 00:57:54,440
convinced by the petrochemical companies

1461
00:57:59,200 --> 00:57:56,420
that the only viable energy we have

1462
00:58:01,570 --> 00:57:59,210
comes from this really limited resource

1463
00:58:03,850 --> 00:58:01,580

you know this petroleum and coal you

1464

00:58:05,650 --> 00:58:03,860

know by all whatever resource right but

1465

00:58:07,420 --> 00:58:05,660

it's ridiculous we're surrounded by

1466

00:58:09,370 --> 00:58:07,430

energy all around us but we all have

1467

00:58:11,890 --> 00:58:09,380

been lulled into this narrow bandwidth

1468

00:58:14,320 --> 00:58:11,900

of potential possibilities where we

1469

00:58:17,380 --> 00:58:14,330

won't believe you know what Mark Twain

1470

00:58:19,450 --> 00:58:17,390

said Mark Twain said it is far easier to

1471

00:58:22,780 --> 00:58:19,460

fool a man than to convince him he's

1472

00:58:24,820 --> 00:58:22,790

being fooled yeah that's that's a great

1473

00:58:27,130 --> 00:58:24,830

statement I love that quote yeah but I

1474

00:58:28,630 --> 00:58:27,140

guess the only thing is to me sometimes

1475

00:58:31,600 --> 00:58:28,640

I get frustrated that we're in a

1476

00:58:33,640 --> 00:58:31,610

perpetual state of Education and you

1477

00:58:36,280 --> 00:58:33,650

know if I was in the elite and I was

1478

00:58:39,430 --> 00:58:36,290

running the show and some of the slaves

1479

00:58:42,640 --> 00:58:39,440

started to listen to shows like this and

1480

00:58:44,320 --> 00:58:42,650

listen to researchers like yourself as

1481

00:58:46,540 --> 00:58:44,330

long as they just did that and there was

1482

00:58:48,490 --> 00:58:46,550

no real action I guess I'd be okay with

1483

00:58:52,270 --> 00:58:48,500

it you know sometimes I worry that this

1484

00:58:54,280 --> 00:58:52,280

the community as a whole is it's like in

1485

00:58:57,100 --> 00:58:54,290

this educational circle-jerk

1486

00:58:58,840 --> 00:58:57,110

and meanwhile we're still every day

1487

00:59:00,640 --> 00:58:58,850

being manipulated in the same way Oh

1488

00:59:01,960 --> 00:59:00,650

Greg you make a great point I think it's

1489

00:59:03,670 --> 00:59:01,970

really important we watch out for that

1490

00:59:05,590 --> 00:59:03,680

we're always in the potential for

1491

00:59:07,330 --> 00:59:05,600

atrophy you know with every moment of

1492

00:59:09,850 --> 00:59:07,340

growth and expansion there's contraction

1493

00:59:12,190 --> 00:59:09,860

you know and expect expiration I mean

1494

00:59:13,960 --> 00:59:12,200

it's happening all around us and it's

1495

00:59:17,230 --> 00:59:13,970

easy to be lulled into it you know

1496

00:59:20,020 --> 00:59:17,240

another false sense of reality and and

1497

00:59:23,530 --> 00:59:20,030

we're that's why in the end right I mean

1498

00:59:26,500 --> 00:59:23,540

I really fall back on novelty humor so

1499

00:59:28,540 --> 00:59:26,510

you know irony yeah irony have fun with

1500

00:59:31,060 --> 00:59:28,550

it guys because guess what that's you

1501
00:59:32,500 --> 00:59:31,070
know it's like that movie what was the

1502
00:59:34,990 --> 00:59:32,510
life is good the guy that was trying to

1503
00:59:36,550 --> 00:59:35,000
cha you know make his kid feel good on

1504
00:59:39,190 --> 00:59:36,560
the way to the gas chamber or whatever

1505
00:59:41,530 --> 00:59:39,200
you know and it was like I mean in a way

1506
00:59:43,120 --> 00:59:41,540
it's what do we really believe about

1507
00:59:45,280 --> 00:59:43,130
reality that's what it comes down to

1508
00:59:47,440 --> 00:59:45,290
because I believe once you start looking

1509
00:59:49,630 --> 00:59:47,450
at these higher higher concepts that are

1510
00:59:52,150 --> 00:59:49,640
you know packaged within these systems

1511
00:59:55,240 --> 00:59:52,160
and become acquainted with and come into

1512
00:59:57,820 --> 00:59:55,250
contact with the real true circuitry of

1513
01:00:00,370 --> 00:59:57,830

the cosmos you start to find yourself

1514

01:00:00,940 --> 01:00:00,380

realizing that we're just coagulated

1515

01:00:03,069 --> 01:00:00,950

light

1516

01:00:05,650 --> 01:00:03,079

that we merely are slowed down white

1517

01:00:09,940 --> 01:00:05,660

light waves that are existing in a you

1518

01:00:12,400 --> 01:00:09,950

know a photonic soup of other bent light

1519

01:00:14,380 --> 01:00:12,410

waves and you know particles and

1520

01:00:16,540 --> 01:00:14,390

molecules that are all intermingling and

1521

01:00:18,339 --> 01:00:16,550

you know what when you look at it from a

1522

01:00:20,290 --> 01:00:18,349

totally different perspective you end up

1523

01:00:22,180 --> 01:00:20,300

realize it sort of takes you off the

1524

01:00:23,560 --> 01:00:22,190

hook about worrying about things so what

1525

01:00:25,780 --> 01:00:23,570

the Zen Buddhists have it right man

1526
01:00:26,740 --> 01:00:25,790
there's a very famous Cullen I memorized

1527
01:00:29,109 --> 01:00:26,750
a long time ago

1528
01:00:31,450 --> 01:00:29,119
it says sitting quietly doing nothing

1529
01:00:34,120 --> 01:00:31,460
spring comes and the grass grows all by

1530
01:00:37,290 --> 01:00:34,130
itself is that's important I mean that's

1531
01:00:40,599 --> 01:00:37,300
really important as far as I'm concerned

1532
01:00:42,040 --> 01:00:40,609
Wow well man it has been a blast I've

1533
01:00:44,319 --> 01:00:42,050
really enjoyed this interview I've

1534
01:00:45,819 --> 01:00:44,329
learned a lot ron's learned a lot the

1535
01:00:47,800 --> 01:00:45,829
people have learned a lot would you like

1536
01:00:49,660 --> 01:00:47,810

1537

broadcasting for a few years on but

1554
01:01:35,290 --> 01:01:33,589
basically I'm looking forward to August

1555
01:01:36,550 --> 01:01:35,300
we were gonna be we're gonna be in the

conference in Albuquerque New Mexico and

1559
01:01:47,800 --> 01:01:44,690
to take some footage and be preparing

1560
01:01:49,990 --> 01:01:47,810
for the release of another media vehicle

1561
01:01:51,160 --> 01:01:50,000
which is conspiracy science theater

1562
01:01:52,210 --> 01:01:51,170
which will be brought from Freeman

1563
01:01:54,720 --> 01:01:52,220

tv.com

1564

01:01:57,550 --> 01:01:54,730

and it's gonna be a variety truther

1565

01:01:59,710 --> 01:01:57,560

conspiracy video program you know a

1566

01:02:00,970 --> 01:01:59,720

video variety show yeah it's gonna be

1567

01:02:02,559 --> 01:02:00,980

really cool and we're gonna do some

1568

01:02:04,000 --> 01:02:02,569

there's going to be the video the the

1569

01:02:05,680 --> 01:02:04,010

middle chamber video series is going to

1570

01:02:07,540 --> 01:02:05,690

be on that and where I'm gonna shoot

1571

01:02:09,880 --> 01:02:07,550

some footage of the you know summ summer

1572

01:02:11,829 --> 01:02:09,890

footage from our travels we're gonna be

1573

01:02:14,370 --> 01:02:11,839

going to San Diego in August for the

1574

01:02:18,330 --> 01:02:14,380

paranoia con and also we're now

1575

01:02:20,850 --> 01:02:18,340

on build to go to the Olympia Washington

1576

01:02:23,490 --> 01:02:20,860

Olympia cinq summit which will be a

1577

01:02:25,530 --> 01:02:23,500

conference for all the sinc book writers

1578

01:02:27,390 --> 01:02:25,540

from the sinc book press are going to be

1579

01:02:31,260 --> 01:02:27,400

meeting in Olympia Washington down on

1580

01:02:33,420 --> 01:02:31,270

August 8th and 9th I guess so we've got

1581

01:02:35,550 --> 01:02:33,430

a lot of stuff for and of course I'm

1582

01:02:37,380 --> 01:02:35,560

working on a new article for paranoid

1583

01:02:39,360 --> 01:02:37,390

paranoia magazine probably won't make it

1584

01:02:43,380 --> 01:02:39,370

a little summer issue at this point Ron

1585

01:02:47,160 --> 01:02:43,390

unfortunately hey that's okay no problem

1586

01:02:48,690 --> 01:02:47,170

look forward to it right oh man well I

1587

01:02:50,190 --> 01:02:48,700

totally appreciate you coming on the

1588

01:02:52,110 --> 01:02:50,200

show I'm looking forward to seeing you

1589

01:02:54,000 --> 01:02:52,120

here in San Diego at the paranoia con in

1590

01:02:56,310 --> 01:02:54,010

just a few months and until then and

1591

01:02:57,570 --> 01:02:56,320

take care excellent thanks again I hope

1592

01:02:59,160 --> 01:02:57,580

to come back on and give you an update

1593

01:03:01,590 --> 01:02:59,170

in the future of all the great stuff

1594

01:03:04,860 --> 01:03:01,600

that's happening absolutely man enjoy

1595

01:03:06,840 --> 01:03:04,870

the day thank you sir you too Wow well

1596

01:03:08,340 --> 01:03:06,850

there we go people pretty enlightening

1597

01:03:11,340 --> 01:03:08,350

stuff Ron what'd you think of that one

1598

01:03:16,560 --> 01:03:11,350

you like that I thought it was excellent

1599

01:03:19,590 --> 01:03:16,570

Fred or X is a very articulate yes

1600

01:03:23,310 --> 01:03:19,600

compelling it was really mind boggling

1601
01:03:26,730 --> 01:03:23,320
though I enjoyed how he was able to

1602
01:03:29,430 --> 01:03:26,740
break things down you know as far as the

1603
01:03:33,120 --> 01:03:29,440
evolution and D evolution of human

1604
01:03:35,010 --> 01:03:33,130
consciousness and the usurping of you

1605
01:03:38,040 --> 01:03:35,020
know knowledge and wisdom so it was a

1606
01:03:41,160 --> 01:03:38,050
great show yeah I mean I loved it and I

1607
01:03:44,010 --> 01:03:41,170
can never get tired of looking into that

1608
01:03:46,170 --> 01:03:44,020
stuff I mean the alternative is is

1609
01:03:49,950 --> 01:03:46,180
pretty vast and it seems like we've been

1610
01:03:53,190 --> 01:03:49,960
manipulated to believe a whole wrong end

1611
01:03:55,470 --> 01:03:53,200
of the spectrum and it's never boring to

1612
01:03:57,030 --> 01:03:55,480
go deep into what's possibly the true

1613
01:03:58,950 --> 01:03:57,040

reality but I wanted to give you a

1614

01:04:01,170 --> 01:03:58,960

minute to talk about paranoia Kahn

1615

01:04:02,700 --> 01:04:01,180

before we get out of here and you've got

1616

01:04:05,970 --> 01:04:02,710

a pretty decent lineup I think you've

1617

01:04:07,890 --> 01:04:05,980

got most of it kind of fleshed out you

1618

01:04:09,990 --> 01:04:07,900

got some topics as well you want to give

1619

01:04:11,970 --> 01:04:10,000

those to the people sure once again the

1620

01:04:14,940 --> 01:04:11,980

paranoia con will happen

1621

01:04:17,310 --> 01:04:14,950

WWE Magazine comm for updates on the

1656
01:06:05,400 --> 01:06:01,720
paranoia con and it'll be reasonably

1657
01:06:08,010 --> 01:06:05,410
priced as well that's awesome man I hope

1658
01:06:10,109 --> 01:06:08,020
we can really blow this one up I we got

1659
01:06:11,819 --> 01:06:10,119
to get out there and hang some posters

1660
01:06:12,990 --> 01:06:11,829
with that kind of with the stuff you

1661
01:06:15,839 --> 01:06:13,000
just mentioned because I don't have a

1662
01:06:18,210 --> 01:06:15,849
job now so um put me to work man we can

1663
01:06:20,280 --> 01:06:18,220

definitely make it happen but I love

1664

01:06:21,660 --> 01:06:20,290

today's episode thanks to both Frey

1665

01:06:23,550 --> 01:06:21,670

1666

01:06:25,290 --> 01:06:23,560

today I can't wait for the con that

1667

01:06:26,970 --> 01:06:25,300

about does it for us people you know I'm

1668

01:06:29,430 --> 01:06:26,980

Hawking t-shirts over at conspiracies

1669

01:06:31,410 --> 01:06:29,440

net I know I'm out of a lot of sizes and

1670

01:06:33,329 --> 01:06:31,420

designs I'm sorry about that I'm getting

1671

01:06:34,920 --> 01:06:33,339

closer to having new designs every day

1672

01:06:36,450 --> 01:06:34,930

and of course we're getting to the

1673

01:06:38,609 --> 01:06:36,460

halfway point of this round of the money

1674

01:06:40,349 --> 01:06:38,619

bomb we're already at the \$200 mark so

1675

01:06:41,339 --> 01:06:40,359

100 bucks for me and 100 bucks for one

1676

01:06:43,049 --> 01:06:41,349

of you because this is

1677

01:06:45,180 --> 01:06:43,059

biotic relationship I couldn't do it

1678

01:06:47,759 --> 01:06:45,190

without you fine people and with that

1679

01:06:49,440 --> 01:06:47,769

take care of yourself out there and keep

1680

01:06:50,969 --> 01:06:49,450

the wise words of Michael Rupert with
