NOTHING MORE DANGEROUS
THAN A PEACEFUL PROTEST

1
00:00:37,280 --> 00:00:35,630
how the hell are you our side shatters

2
00:00:39,770 --> 00:00:37,290
drinking hell drink smokin a little

3
00:00:42,170 --> 00:00:39,780
smoke and join a sunny San Diego day I'm

4
00:00:44,060 --> 00:00:42,180
Craig Karl wood and after a solid string

5
00:00:45,710 --> 00:00:44,070
of heavy conspiracy shows dealing with

6
00:00:47,510 --> 00:00:45,720
the multitude of damage done by the

7
00:00:49,250 --> 00:00:47,520
well-oiled manipulation machine we call

8
00:00:51,620 --> 00:00:49,260
reality I thought it would be good to

9
00:00:53,960 --> 00:00:51,630
get back into a fun weird and kind of

10
00:00:56,060 --> 00:00:53,970
creepy cryptid topic and Linda Godfrey

11
00:00:58,910 --> 00:00:56,070
today's guest is the queen bee when it

12
00:01:01,580 --> 00:00:58,920
comes to canine style wolfish man

13
00:01:02,569 --> 00:01:01,590

creature sightings and I really love

14

00:01:04,369 --> 00:01:02,579

this show it's a little less

15

00:01:06,530 --> 00:01:04,379

controversial than the last with Jordan

16

00:01:08,210 --> 00:01:06,540

Maxwell I haven't gotten that stark a

17

00:01:10,010 --> 00:01:08,220

divide between the lovers and the haters

18

00:01:13,010 --> 00:01:10,020

since Michael Rupert and we know how

19

00:01:14,510 --> 00:01:13,020

that went but I know not everyone is

20

00:01:16,849 --> 00:01:14,520

gonna like every guess but I hope that

21

00:01:18,289 --> 00:01:16,859

you like the way I do things here enough

22

00:01:20,840 --> 00:01:18,299

that even on a show that might not be

23

00:01:22,129 --> 00:01:20,850

your favorite topic or guests we keep it

24

00:01:24,590 --> 00:01:22,139

interesting enough for you to get

25

00:01:26,300 --> 00:01:24,600

through it at least that's my goal but I

26
00:01:28,489 --> 00:01:26,310
received so much mail about the Jordan

27
00:01:30,469 --> 00:01:28,499
Maxwell episode and his personal legal

28
00:01:32,209 --> 00:01:30,479
situation so many people have linked me

29
00:01:34,489 --> 00:01:32,219
to the other guy's side of the story and

30
00:01:36,679 --> 00:01:34,499
I really wish people would utilize the

31
00:01:38,959 --> 00:01:36,689
subreddit instead of just emailing me

32
00:01:40,760 --> 00:01:38,969
because then we can get a thread going

33
00:01:42,469 --> 00:01:40,770
where we really look at both sides and

34
00:01:45,559 --> 00:01:42,479
discuss some of the controversy as a

35
00:01:47,270 --> 00:01:45,569
group and then it's not so dead-end as

36
00:01:48,709 --> 00:01:47,280
an email but consider that if you have

37
00:01:50,359 --> 00:01:48,719
something to say about an episode try

38
00:01:52,399 --> 00:01:50,369

starting a thread on the subreddit or

39

00:01:54,349 --> 00:01:52,409

the higher side chats Facebook page if

40

00:01:56,569 --> 00:01:54,359

you're not quite as familiar with Reddit

41

00:01:58,429 --> 00:01:56,579

and the way it works and we can all get

42

00:02:00,289 --> 00:01:58,439

involved in talking about some of these

43

00:02:04,669 --> 00:02:00,299

shows there's a lot of content in them

44

00:02:07,129 --> 00:02:04,679

and I feel like that aspect of the show

45

00:02:08,660 --> 00:02:07,139

is kind of missing so that's my

46

00:02:09,980 --> 00:02:08,670

suggestions for that but all I really

47

00:02:12,740 --> 00:02:09,990

wanted to say about the Jordan Maxwell

48

00:02:15,680 --> 00:02:12,750

thing is yes maybe Jordan Maxwell isn't

49

00:02:17,690 --> 00:02:15,690

his given name maybe he signed a

50

00:02:18,600 --> 00:02:17,700

business deal that didn't go well but

51
00:02:20,460 --> 00:02:18,610
everyone knows who

52
00:02:22,050 --> 00:02:20,470
and even if it's a stage name we have a

53
00:02:25,320 --> 00:02:22,060
situation where there is someone else

54
00:02:27,870 --> 00:02:25,330
selling his books at Jordan Maxwell comm

55
00:02:30,330 --> 00:02:27,880
soliciting donations at Jordan Maxwell

56
00:02:33,360 --> 00:02:30,340
comm and the man we all know is Jordan

57
00:02:35,760 --> 00:02:33,370
Maxwell sees none of it that's wrong

58
00:02:38,070 --> 00:02:35,770
that's [h__\h] up I don't know if he got

59
00:02:39,750 --> 00:02:38,080
tricked into signing it away or what

60
00:02:41,850 --> 00:02:39,760
happened but just those simple facts

61
00:02:43,740 --> 00:02:41,860
aren't right it's dishonest to represent

62
00:02:45,420 --> 00:02:43,750
yourself as someone else and regardless

63
00:02:47,790 --> 00:02:45,430

of anything else no one should be doing

64

00:02:49,800 --> 00:02:47,800

that go right to ten conspiracy books of

65

00:02:51,630 --> 00:02:49,810

your own and do a thousand of your own

66

00:02:54,210 --> 00:02:51,640

lectures and says swindle them away from

67

00:02:56,160 --> 00:02:54,220

someone who did regardless of what's on

68

00:02:57,960 --> 00:02:56,170

paper just doesn't seem right but I love

69

00:02:59,610 --> 00:02:57,970

the way Jordan breaks down language and

70

00:02:59,940 --> 00:02:59,620

either way that's why I had him on the

71

00:03:02,910 --> 00:02:59,950

show

72

00:03:04,620 --> 00:03:02,920

I wish the men the best that said most

73

00:03:06,720 --> 00:03:04,630

people have been riding the THC train

74

00:03:08,400 --> 00:03:06,730

for a while know that I try to avoid or

75

00:03:11,070 --> 00:03:08,410

correct a lot of the issues found in

76
00:03:14,340 --> 00:03:11,080
podcasting poor quality poor preparation

77
00:03:16,949 --> 00:03:14,350
lack of editing drawn-out repetitive ads

78
00:03:19,230 --> 00:03:16,959
meandering intros like this one and I

79
00:03:20,730 --> 00:03:19,240
think I do okay I mean we have a few ads

80
00:03:22,530 --> 00:03:20,740
here and there but they're all show

81
00:03:25,290 --> 00:03:22,540
related and I try to jazz them up a bit

82
00:03:27,990 --> 00:03:25,300
I move them around I try not to use them

83
00:03:30,330 --> 00:03:28,000
for every episode but another issue I

84
00:03:32,490 --> 00:03:30,340
find with shows I like is a release

85
00:03:34,470 --> 00:03:32,500
scheduled shows just sort of come out

86
00:03:36,240 --> 00:03:34,480
randomly and I'm gonna try something

87
00:03:39,600 --> 00:03:36,250
different I'm gonna try to commit to a

88
00:03:42,060 --> 00:03:39,610

new THC on the first 5th 10th 15th 20th

89

00:03:44,070 --> 00:03:42,070

and 25th of each month so a new show

90

00:03:45,990 --> 00:03:44,080

every five days and you should know when

91

00:03:48,090 --> 00:03:46,000

they're coming out but I still like to

92

00:03:49,530 --> 00:03:48,100

keep the guests a surprise for the most

93

00:03:51,990 --> 00:03:49,540

part because I just think it's more fun

94

00:03:54,540 --> 00:03:52,000

that way so let's just get to it no need

95

00:03:56,130 --> 00:03:54,550

for the ads today there is a new option

96

00:03:58,860 --> 00:03:56,140

for the Money bomb though that I will

97

00:04:01,080 --> 00:03:58,870

mention where you can make a 5 10 or \$20

98

00:04:02,910 --> 00:04:01,090

automatic monthly donation which is

99

00:04:05,009 --> 00:04:02,920

great for me because I like to know how

100

00:04:07,140 --> 00:04:05,019

much money I have coming in and a little

101
00:04:09,330 --> 00:04:07,150
more of a consistent fashion than it has

102
00:04:11,490 --> 00:04:09,340
been and you get put into every Money

103
00:04:13,890 --> 00:04:11,500
bomb automatically which usually happens

104
00:04:16,860 --> 00:04:13,900
every 20 days or so so you're really

105
00:04:18,599 --> 00:04:16,870
getting into a few without putting in

106
00:04:20,640 --> 00:04:18,609
money so think of it as a good

107
00:04:22,409 --> 00:04:20,650
compromise if you want to support the

108
00:04:24,060 --> 00:04:22,419
show regularly and might want to win

109
00:04:26,310 --> 00:04:24,070
some money back and you don't want to

110
00:04:27,510 --> 00:04:26,320
have to continually read Onate every

111
00:04:30,240 --> 00:04:27,520
round which is something people have

112
00:04:31,980 --> 00:04:30,250
complained about so tough it's tough out

113
00:04:33,990 --> 00:04:31,990

there who's got the time

114

00:04:35,850 --> 00:04:34,000

that's about all that's new from me so

115

00:04:38,760 --> 00:04:35,860

let's dive into the wild world of

116

00:04:41,960 --> 00:04:38,770

Wolfman k9 cryptids and other paranormal

117

00:04:48,390 --> 00:04:41,970

creatures right now with Linda Godfrey

118

00:04:51,690 --> 00:04:48,400

thanks everybody okay what are we doing

119

00:04:53,700 --> 00:04:51,700

today yeah I say give me some that says

120

00:04:55,770 --> 00:04:53,710

I get up every morning at 5:30 and

121

00:04:58,140 --> 00:04:55,780

commute around a half a so [h__h] job

122

00:04:59,490 --> 00:04:58,150

my jagoff boss expects me to kiss his

123

00:05:01,330 --> 00:04:59,500

balls all day just so I can afford to

124

00:05:02,860 --> 00:05:01,340

keep my ungrateful screaming kids

125

00:05:04,750 --> 00:05:02,870

doubt and Dora the Explorer's [h__h] my

126

00:05:06,220 --> 00:05:04,760

wife her fat ass and self-help videos

127

00:05:09,470 --> 00:05:06,230

until the day I get up the courage to

128

00:05:17,730 --> 00:05:13,920

right here yeah that's it that's the one

129

00:05:19,200 --> 00:05:17,740

all right people we know the world is

130

00:05:20,580 --> 00:05:19,210

much weirder than it appears on the

131

00:05:22,080 --> 00:05:20,590

surface and today we're taking a

132

00:05:24,030 --> 00:05:22,090

microscope to one slice of the

133

00:05:25,740 --> 00:05:24,040

paranormal pie and that's these legend

134

00:05:28,710 --> 00:05:25,750

sightings and encounters with strange

135

00:05:30,240 --> 00:05:28,720

unknown canines dog men werewolves or

136

00:05:32,129 --> 00:05:30,250

whatever other name you want to give to

137

00:05:33,900 --> 00:05:32,139

these elusive entities and we have a

138

00:05:35,460 --> 00:05:33,910

guest today who was undoubtedly the

139

00:05:37,200 --> 00:05:35,470

leading author and investigator into

140

00:05:39,210 --> 00:05:37,210

these creatures as well as several other

141

00:05:41,010 --> 00:05:39,220

paranormal and strange topics which I'm

142

00:05:42,900 --> 00:05:41,020

sure we'll touch on as well her name is

143

00:05:45,300 --> 00:05:42,910

Linda Godfrey and out of her many books

144

00:05:47,640 --> 00:05:45,310

several focus on these wolf men beans

145

00:05:50,040 --> 00:05:47,650

including hunting the American werewolf

146

00:05:52,650 --> 00:05:50,050

real Wolfman true encounters in modern

147

00:05:54,360 --> 00:05:52,660

America the Michigan Dogman and the one

148

00:05:56,490 --> 00:05:54,370

that got the ball rolling the beast of

149

00:05:58,110 --> 00:05:56,500

Bray Road it's gonna be a wild ride and

150

00:06:00,570 --> 00:05:58,120

I'm psyched to be on it Linda welcome to

151
00:06:03,690 --> 00:06:00,580
THC thanks so much for having me Greg

152
00:06:06,390 --> 00:06:03,700
yeah I mean I'm excited for this thanks

153
00:06:08,969 --> 00:06:06,400
for being here my pleasure I'm always

154
00:06:10,980 --> 00:06:08,979
looking for fringe topics to cover on

155
00:06:13,350 --> 00:06:10,990
this show and I like each episode to be

156
00:06:15,659 --> 00:06:13,360
kind of wildly different from the next

157
00:06:17,520 --> 00:06:15,669
and I had a listener suggest that I have

158
00:06:19,170 --> 00:06:17,530
you on and I honestly thought the topic

159
00:06:21,300 --> 00:06:19,180
of werewolves and the like was a little

160
00:06:23,760 --> 00:06:21,310
too goofy to be taken seriously although

161
00:06:26,010 --> 00:06:23,770
I'm definitely a fan of cryptids in

162
00:06:28,529 --> 00:06:26,020
general but as I dug into the reports of

163
00:06:30,150 --> 00:06:28,539

upright-walking canine encounters I

164

00:06:31,379 --> 00:06:30,160

found that there's a lot more meat on

165

00:06:32,969 --> 00:06:31,389

these bones than I would have thought

166

00:06:34,980 --> 00:06:32,979

and I'm sure you had similar feelings

167

00:06:36,480 --> 00:06:34,990

when you started out but now it seems

168

00:06:38,339 --> 00:06:36,490

like you're the go-to researcher for

169

00:06:39,990 --> 00:06:38,349

these types of sightings so was this

170

00:06:44,250 --> 00:06:40,000

something you always took seriously or

171

00:06:46,170 --> 00:06:44,260

was it more of a process oh no I mean it

172

00:06:48,540 --> 00:06:46,180

was I've always had some interest in

173

00:06:51,089 --> 00:06:48,550

things like UFOs and you know when I was

174

00:06:54,629 --> 00:06:51,099

a kid I was out always glued to my fairy

175

00:06:57,150 --> 00:06:54,639

tale books you know so I've had an

176

00:06:59,339 --> 00:06:57,160

interest in otherworldly things on my

177

00:07:01,980 --> 00:06:59,349

life but I had never honestly given a

178

00:07:03,300 --> 00:07:01,990

thought to werewolves until it just so

179

00:07:06,779 --> 00:07:03,310

happened that I was working as a

180

00:07:09,300 --> 00:07:06,789

newspaper reporter in Walworth County

181

00:07:11,730 --> 00:07:09,310

Wisconsin for a countywide weekly and

182

00:07:14,580 --> 00:07:11,740

heard these rumors that people in my own

183

00:07:17,010 --> 00:07:14,590

hometown of Elkhorn were reporting

184

00:07:18,570 --> 00:07:17,020

seeing something that they described for

185

00:07:19,780 --> 00:07:18,580

lack of a better word as a werewolf

186

00:07:23,070 --> 00:07:19,790

I would along this

187

00:07:25,780 --> 00:07:23,080

a two-mile stretch of country road and

188

00:07:28,000 --> 00:07:25,790

you know I thought it was funny but I

189

00:07:30,400 --> 00:07:28,010

just for fun kind of checked into it a

190

00:07:32,890 --> 00:07:30,410

little bit and discovered that indeed

191

00:07:37,870 --> 00:07:32,900

people were talking about it and not

192

00:07:41,020 --> 00:07:37,880

only that that our county animal control

193

00:07:43,870 --> 00:07:41,030

officer actually had a file folder

194

00:07:45,850 --> 00:07:43,880

marked werewolf which is news which is

195

00:07:48,070 --> 00:07:45,860

news in itself I went in to see him and

196

00:07:50,320 --> 00:07:48,080

he showed it to me and it was full of

197

00:07:52,390 --> 00:07:50,330

the names and addresses and reports from

198

00:07:54,460 --> 00:07:52,400

people who had been calling him and

199

00:07:56,290 --> 00:07:54,470

basically saying I saw this thing I

200

00:07:58,330 --> 00:07:56,300

don't know what it is but if there was

201
00:08:00,670 --> 00:07:58,340
such a thing as a werewolf you know this

202
00:08:02,920 --> 00:08:00,680
would be it and he was of course

203
00:08:06,850 --> 00:08:02,930
skeptical himself too but he couldn't

204
00:08:09,430 --> 00:08:06,860
come up with any explanation and that

205
00:08:11,140 --> 00:08:09,440
made me really start thinking well you

206
00:08:13,900 --> 00:08:11,150
know if this was just a joke or some

207
00:08:15,190 --> 00:08:13,910
hoaxer I mean I even knew of one or two

208
00:08:17,020 --> 00:08:15,200
of the people in there I knew they were

209
00:08:19,450 --> 00:08:17,030
just regular people around the time I

210
00:08:22,330 --> 00:08:19,460
thought people who are perpetrating a

211
00:08:23,830 --> 00:08:22,340
hoax don't really call the authorities

212
00:08:26,500 --> 00:08:23,840
and give them all their contact

213
00:08:28,920 --> 00:08:26,510

information you know so that that was

214

00:08:31,750 --> 00:08:28,930

one little red flag at the beginning and

215

00:08:34,800 --> 00:08:31,760

then I thought well you know even if

216

00:08:38,110 --> 00:08:34,810

it's just some sort of dangerous

217

00:08:39,820 --> 00:08:38,120

unidentifiable you know predator that

218

00:08:42,100 --> 00:08:39,830

surround people certainly have a right

219

00:08:43,900 --> 00:08:42,110

to know that if it's true and if it's

220

00:08:47,380 --> 00:08:43,910

just some weird folklore well you know

221

00:08:49,390 --> 00:08:47,390

I'll write it up and and it will be some

222

00:08:50,980 --> 00:08:49,400

sort of maybe local legend but we'll

223

00:08:53,950 --> 00:08:50,990

never probably go any farther I remember

224

00:08:55,960 --> 00:08:53,960

the editor and I sing saying that and

225

00:08:58,060 --> 00:08:55,970

nothing was ever farther from the truth

226

00:09:00,610 --> 00:08:58,070

because once it came out it went

227

00:09:02,770 --> 00:09:00,620

national much our shock and surprise in

228

00:09:05,020 --> 00:09:02,780

about two weeks and I started hearing

229

00:09:07,060 --> 00:09:05,030

from people all over the country telling

230

00:09:09,850 --> 00:09:07,070

me that they had the same thing in their

231

00:09:12,190 --> 00:09:09,860

area even if it was sometimes known by a

232

00:09:14,980 --> 00:09:12,200

different name but I soon recognized

233

00:09:18,540 --> 00:09:14,990

that everyone was talking basically

234

00:09:22,560 --> 00:09:18,550

about the same creature the same modus

235

00:09:25,720 --> 00:09:22,570

motive operating the same behavior and

236

00:09:27,610 --> 00:09:25,730

they just didn't know that other people

237

00:09:30,490 --> 00:09:27,620

had it or that anyone else had seen it

238

00:09:33,639 --> 00:09:30,500

in many cases and I realized it was

239

00:09:37,059 --> 00:09:33,649

quite a bigger thing and felt

240

00:09:39,100 --> 00:09:37,069

sort of obligated to keep track of it

241

00:09:42,939 --> 00:09:39,110

you know because it didn't seem that

242

00:09:45,609 --> 00:09:42,949

anyone else was paying attention to this

243

00:09:49,449 --> 00:09:45,619

phenomena and you know it was openly

244

00:09:50,530 --> 00:09:49,459

scoffed at by many people right from the

245

00:09:53,079 --> 00:09:50,540

beginning because it just sounds

246

00:09:54,790 --> 00:09:53,089

outrageous you know I mean werewolf's it

247

00:09:58,150 --> 00:09:54,800

doesn't sound like a real thing well I

248

00:10:00,129 --> 00:09:58,160

never I say in all my books and I still

249

00:10:02,829 --> 00:10:00,139

say I don't believe in actual

250

00:10:04,660 --> 00:10:02,839

traditional werewolves you know where

251

00:10:06,730 --> 00:10:04,670

there's like Lon Chaney's sprouting

252

00:10:08,739 --> 00:10:06,740

whiskers turning all of his bones and

253

00:10:10,929 --> 00:10:08,749

muscles from a human into a into a

254

00:10:13,929 --> 00:10:10,939

canine you know I just don't believe

255

00:10:15,939 --> 00:10:13,939

that and honestly in most cases

256

00:10:17,739 --> 00:10:15,949

somewhere in the high 90s in mind you

257

00:10:19,480 --> 00:10:17,749

it's over 20 years later and I'm still

258

00:10:21,970 --> 00:10:19,490

getting an average of one to three a

259

00:10:26,379 --> 00:10:21,980

week from all from all over the place

260

00:10:29,679 --> 00:10:26,389

most cases report nothing that couldn't

261

00:10:31,840 --> 00:10:29,689

be a natural animal behaving weirdly you

262

00:10:34,359 --> 00:10:31,850

know there's nothing Supernatural about

263

00:10:36,509 --> 00:10:34,369

any canine walking on its hind legs they

264

00:10:38,799 --> 00:10:36,519

just don't normally do it because their

265

00:10:41,350 --> 00:10:38,809

skeletal and muscular structures aren't

266

00:10:43,989 --> 00:10:41,360

really designed well for it but they can

267

00:10:47,110 --> 00:10:43,999

you can go on YouTube and you know

268

00:10:49,449 --> 00:10:47,120

search for dancing dancing dog or you

269

00:10:51,309 --> 00:10:49,459

know running dog and find all kinds of

270

00:10:53,889 --> 00:10:51,319

great examples where they do it but

271

00:10:56,019 --> 00:10:53,899

normally they don't unless people have

272

00:10:57,879 --> 00:10:56,029

either trained and motivated them or in

273

00:10:58,960 --> 00:10:57,889

the wild perhaps they've missed that

274

00:11:01,059 --> 00:10:58,970

they're missing a four limb or something

275

00:11:03,579 --> 00:11:01,069

and nobody's ever reported one missing a

276
00:11:06,669 --> 00:11:03,589
four loop that was walking so the great

277
00:11:09,910 --> 00:11:06,679
question that still drives me is why do

278
00:11:12,819 --> 00:11:09,920
people keep seeing this and the

279
00:11:16,269 --> 00:11:12,829
secondary one probably just is equally

280
00:11:19,569 --> 00:11:16,279
important is you know why do there seem

281
00:11:21,429 --> 00:11:19,579
to be large canine type creatures

282
00:11:24,189 --> 00:11:21,439
walking around other hind legs when

283
00:11:28,840 --> 00:11:24,199
there's no real scientific record or

284
00:11:30,549 --> 00:11:28,850
fossil record for anything like this Wow

285
00:11:31,660 --> 00:11:30,559
I mean that's pretty interesting

286
00:11:35,109 --> 00:11:31,670
so you've been looking at this for over

287
00:11:36,669 --> 00:11:35,119
20 years I mean with so many cases that

288
00:11:39,400 --> 00:11:36,679

people come to you with what is

289

00:11:41,919 --> 00:11:39,410

consistent about the appearance and the

290

00:11:44,530 --> 00:11:41,929

behavior more so the behavior is kind of

291

00:11:45,939 --> 00:11:44,540

what I'm interested in but um what what

292

00:11:47,560 --> 00:11:45,949

do you see happening time and time again

293

00:11:52,329 --> 00:11:47,570

is it people being attacked

294

00:11:54,189 --> 00:11:52,339

- are they running away from humans in

295

00:11:57,490 --> 00:11:54,199

over 20 years I've never had anyone

296

00:11:59,710 --> 00:11:57,500

other than one man who was scratched and

297

00:12:00,280 --> 00:11:59,720

he feels it was accidentally up in

298

00:12:02,829 --> 00:12:00,290

Canada

299

00:12:04,600 --> 00:12:02,839

nobody even when they feel that they

300

00:12:07,720 --> 00:12:04,610

were in imminent danger of being eaten

301
00:12:10,650 --> 00:12:07,730
was ever actually even harmed in the

302
00:12:14,999 --> 00:12:10,660
slightest way the creature intimidates

303
00:12:16,809 --> 00:12:15,009
almost acts like territorial aggression

304
00:12:19,329 --> 00:12:16,819
sometimes people feel they're getting

305
00:12:21,189 --> 00:12:19,339
strange messages from it like stay away

306
00:12:23,710 --> 00:12:21,199
or I'm superior to you that kind of

307
00:12:26,410 --> 00:12:23,720
thing it intimidates people but it

308
00:12:30,370 --> 00:12:26,420
doesn't hurt them as far as of any

309
00:12:32,379 --> 00:12:30,380
examples that I know of and that's you

310
00:12:35,170 --> 00:12:32,389
know that's kind of unusual in itself

311
00:12:37,030 --> 00:12:35,180
but it's also explainable by you know a

312
00:12:39,069 --> 00:12:37,040
predator defending its territory and

313
00:12:42,249 --> 00:12:39,079

wanting wanting its privacy for some

314

00:12:44,590 --> 00:12:42,259

reason it's just that there's again with

315

00:12:47,379 --> 00:12:44,600

the behavior people will say things to

316

00:12:49,389 --> 00:12:47,389

me like I felt like it was angry that I

317

00:12:51,249 --> 00:12:49,399

saw it you know I felt that it was

318

00:12:53,590 --> 00:12:51,259

telling me it could jump on my car if it

319

00:12:56,170 --> 00:12:53,600

wanted to now how often do you ever hear

320

00:12:57,639 --> 00:12:56,180

somebody who is reporting seeing a bear

321

00:12:58,780 --> 00:12:57,649

in the wild I've seen bears in the

322

00:12:59,980 --> 00:12:58,790

ditches you know in northern Wisconsin

323

00:13:02,530 --> 00:12:59,990

that kind of thing

324

00:13:04,660 --> 00:13:02,540

I can't imagine saying to somebody I

325

00:13:06,250 --> 00:13:04,670

felt the bear was angry that I saw it

326

00:13:07,900 --> 00:13:06,260

you know or I thought the bear was

327

00:13:11,139 --> 00:13:07,910

sending me this message that it wanted

328

00:13:13,329 --> 00:13:11,149

to jump on my car and yet I hear that

329

00:13:15,550 --> 00:13:13,339

time and time are people will say you

330

00:13:17,680 --> 00:13:15,560

know it's I felt its eyes we're boring

331

00:13:19,150 --> 00:13:17,690

right through me you know that kind of

332

00:13:23,400 --> 00:13:19,160

thing there's there seems to be this

333

00:13:25,960 --> 00:13:23,410

kind of secondary psychoactive element

334

00:13:28,960 --> 00:13:25,970

to many of the sightings that's just

335

00:13:32,379 --> 00:13:28,970

that's that's weird and the other thing

336

00:13:35,290 --> 00:13:32,389

is the behavior of it always it'll run

337

00:13:37,750 --> 00:13:35,300

right at someone or chase someone or

338

00:13:39,429 --> 00:13:37,760

look fierce and then at the last second

339

00:13:41,889 --> 00:13:39,439

it runs into whatever cover there is

340

00:13:45,160 --> 00:13:41,899

it's almost always seen near some type

341

00:13:47,079 --> 00:13:45,170

of either a cornfield or woods or you

342

00:13:50,110 --> 00:13:47,089

know something that it can jump into and

343

00:13:53,620 --> 00:13:50,120

hide so so that's what's really

344

00:13:57,280 --> 00:13:53,630

consistent and in appearance that also

345

00:13:59,949 --> 00:13:57,290

is strangely consistent the appearance

346

00:14:01,420 --> 00:13:59,959

will vary about the same that you'd

347

00:14:03,760 --> 00:14:01,430

expect to see within an ad

348

00:14:07,740 --> 00:14:03,770

trol wolf pack or between certain large

349

00:14:11,290 --> 00:14:07,750

dog breeds you know the the fur is

350

00:14:13,180 --> 00:14:11,300

usually described as dark brown shaggy

351
00:14:15,240 --> 00:14:13,190
is the most common but sometimes it's

352
00:14:17,889 --> 00:14:15,250
gray and a little you know closer cut

353
00:14:20,170 --> 00:14:17,899
people will normally describe the head

354
00:14:23,710 --> 00:14:20,180
is very like a German Shepherd or a wolf

355
00:14:26,560 --> 00:14:23,720
with upright triangular ears a long

356
00:14:27,579 --> 00:14:26,570
muzzle fangs if they can you know if

357
00:14:30,130 --> 00:14:27,589
they can see them all that all they

358
00:14:33,550 --> 00:14:30,140
usually describe things they describe

359
00:14:35,079 --> 00:14:33,560
claws and paws not hands you know it's

360
00:14:36,430 --> 00:14:35,089
very different from from Bigfoot

361
00:14:38,350 --> 00:14:36,440
especially in that way often there's

362
00:14:42,040 --> 00:14:38,360
sort of a rough on the back of the neck

363
00:14:43,660 --> 00:14:42,050

a tail they'll say things like its legs

364

00:14:45,760 --> 00:14:43,670

it was running really well on its hind

365

00:14:47,829 --> 00:14:45,770

legs but the legs were bent backwards

366

00:14:51,370 --> 00:14:47,839

and by that I know what they mean that

367

00:14:54,190 --> 00:14:51,380

the dog well they call it the dog

368

00:14:56,380 --> 00:14:54,200

specialist would call it a hawk but we

369

00:15:00,070 --> 00:14:56,390

would call it the ankle and heel bone

370

00:15:02,320 --> 00:15:00,080

joint area we expect that to be on the

371

00:15:04,900 --> 00:15:02,330

ground but in a canine they run on their

372

00:15:06,370 --> 00:15:04,910

toe pads so it's actually up in the air

373

00:15:09,430 --> 00:15:06,380

where we're expecting to see a knee

374

00:15:10,960 --> 00:15:09,440

bending forward right you know it's it's

375

00:15:12,730 --> 00:15:10,970

a different part of their Anatomy there

376

00:15:14,380 --> 00:15:12,740

so that's why it always looks like

377

00:15:16,900 --> 00:15:14,390

they're running with legs bent backwards

378

00:15:20,620 --> 00:15:16,910

and that's what I hear over and over and

379

00:15:23,800 --> 00:15:20,630

the other thing is unless it's one of

380

00:15:25,630 --> 00:15:23,810

the very small percentage that fall into

381

00:15:27,610 --> 00:15:25,640

what I call the the supernatural range

382

00:15:31,420 --> 00:15:27,620

you know and it's not a large number at

383

00:15:35,590 --> 00:15:31,430

all they exhibit the normal eyesight for

384

00:15:37,269 --> 00:15:35,600

canine which is yellow green gold so in

385

00:15:40,030 --> 00:15:37,279

every in every way it's not like they

386

00:15:41,890 --> 00:15:40,040

have human faces or you know if you

387

00:15:42,850 --> 00:15:41,900

killed one it would look part human or

388

00:15:45,069 --> 00:15:42,860

anything like that

389

00:15:46,780 --> 00:15:45,079

if you if you did kill one eye I think

390

00:15:49,300 --> 00:15:46,790

it would just look like a big strange

391

00:15:51,490 --> 00:15:49,310

wolf or wolf dog hybrid and they may

392

00:15:55,150 --> 00:15:51,500

well be wolfdog hybrids there's a lot of

393

00:15:59,110 --> 00:15:55,160

evidence in in the reports to my mind

394

00:16:01,810 --> 00:15:59,120

for that possibility but you know it's

395

00:16:05,350 --> 00:16:01,820

just so odd that I mean I've talked to

396

00:16:07,329 --> 00:16:05,360

wolf experts and scientists and no one's

397

00:16:12,160 --> 00:16:07,339

ever been able to give me an answer as

398

00:16:14,889 --> 00:16:12,170

to why a natural wolf would or or wolf

399

00:16:16,689 --> 00:16:14,899

dog would adapt itself to run upright

400

00:16:19,359 --> 00:16:16,699

you know why there are no proven

401
00:16:22,869 --> 00:16:19,369
examples of this you know in scientific

402
00:16:25,329 --> 00:16:22,879
lore right so that's that's the big

403
00:16:27,910 --> 00:16:25,339
question you know and then there's

404
00:16:29,710 --> 00:16:27,920
there's another paradigm completely when

405
00:16:32,319 --> 00:16:29,720
I interview Native Americans about it

406
00:16:34,199 --> 00:16:32,329
they say oh yes this animal is known to

407
00:16:38,079 --> 00:16:34,209
our ancestors the walking upright

408
00:16:40,989 --> 00:16:38,089
wolf-like creature and it's actually

409
00:16:42,489 --> 00:16:40,999
part partly physical and partly in the

410
00:16:44,799 --> 00:16:42,499
spirit world and it can go back and

411
00:16:47,079 --> 00:16:44,809
forth between them and they believe the

412
00:16:49,119 --> 00:16:47,089
same thing about Bigfoot you know and

413
00:16:51,939 --> 00:16:49,129

actually it would it would explain a lot

414

00:16:54,549 --> 00:16:51,949

of things about both creatures right so

415

00:16:55,359 --> 00:16:54,559

I just try to report everything and keep

416

00:16:57,939 --> 00:16:55,369

an open mind

417

00:16:59,499 --> 00:16:57,949

personally I you know I just wanna just

418

00:17:01,150 --> 00:16:59,509

what I think the evidence has gone over

419

00:17:02,859 --> 00:17:01,160

to one side or the other I learn

420

00:17:06,189 --> 00:17:02,869

something different that'll make me go

421

00:17:07,750 --> 00:17:06,199

hmm well maybe not you know and and the

422

00:17:11,559 --> 00:17:07,760

other thing is I like to keep an open

423

00:17:13,779 --> 00:17:11,569

mind because I think that as soon as you

424

00:17:15,610 --> 00:17:13,789

declare unless you've got really good

425

00:17:17,590 --> 00:17:15,620

evidence for it you know and I still

426

00:17:19,600 --> 00:17:17,600

never had one in front of me

427

00:17:22,210 --> 00:17:19,610

to say this with any certainty but as

428

00:17:25,199 --> 00:17:22,220

soon as you declare that it's for sure

429

00:17:27,850 --> 00:17:25,209

natural or for sure a spirit animal

430

00:17:29,560 --> 00:17:27,860

you're not investigating anymore then

431

00:17:32,500 --> 00:17:29,570

you're just working you're just working

432

00:17:35,080 --> 00:17:32,510

to confirm your own biases and you know

433

00:17:38,830 --> 00:17:35,090

I try to keep my reporter hat on as as

434

00:17:42,010 --> 00:17:38,840

best I can and kind of you know not

435

00:17:43,570 --> 00:17:42,020

succumb to that line of thinking right

436

00:17:45,130 --> 00:17:43,580

and that's why I like your approach to

437

00:17:47,139 --> 00:17:45,140

it because I've heard you talk about the

438

00:17:48,580 --> 00:17:47,149

Native American side of it a couple of

439

00:17:50,159 --> 00:17:48,590

times before and that is really

440

00:17:55,389 --> 00:17:50,169

interesting to me I've always enjoyed

441

00:17:58,090 --> 00:17:55,399

looking into any kind of folklore that's

442

00:18:00,010 --> 00:17:58,100

been around for a long time you know we

443

00:18:01,990 --> 00:18:00,020

have Europeans of a history of wiping

444

00:18:04,029 --> 00:18:02,000

that stuff away as soon as they take

445

00:18:06,360 --> 00:18:04,039

over an area but it seems like all the

446

00:18:09,130 --> 00:18:06,370

other cultures of the world have those

447

00:18:11,590 --> 00:18:09,140

long-standing stories of kind of

448

00:18:13,360 --> 00:18:11,600

paranormal stuff so I thought that was a

449

00:18:15,279 --> 00:18:13,370

pretty interesting element and it also

450

00:18:17,110 --> 00:18:15,289

kind of is in line with what you got

451
00:18:22,029 --> 00:18:17,120
from a government trained remote viewer

452
00:18:24,399 --> 00:18:22,039
one time isn't it well sort of he's got

453
00:18:26,830 --> 00:18:24,409
a different tack yeah and this was a man

454
00:18:28,960 --> 00:18:26,840
who was you know employed at one time by

455
00:18:30,640 --> 00:18:28,970
the government as a remote viewer

456
00:18:35,470 --> 00:18:30,650
and still works in some freelance

457
00:18:38,260 --> 00:18:35,480
capacities for them and he went in and

458
00:18:40,060 --> 00:18:38,270
did remote viewing based on a sketch

459
00:18:42,399 --> 00:18:40,070
that I made that is kind of a composite

460
00:18:45,520 --> 00:18:42,409
witness sketch that appears in several

461
00:18:48,330 --> 00:18:45,530
of my books and what he came up with was

462
00:18:53,140 --> 00:18:48,340
that they were actually extraterrestrial

463
00:18:55,230 --> 00:18:53,150

in origin and that the ones scattered

464

00:19:01,950 --> 00:18:55,240

over the planet Earth that are here now

465

00:19:05,610 --> 00:19:01,960

were left millennia ago as sort of

466

00:19:09,730 --> 00:19:05,620

ranging Scouts for for whatever

467

00:19:11,799 --> 00:19:09,740

civilization this is and that you know

468

00:19:14,440 --> 00:19:11,809

that's why they're not really supposed

469

00:19:16,630 --> 00:19:14,450

to be seen and why they don't want to be

470

00:19:19,930 --> 00:19:16,640

seen and why they're held back from

471

00:19:22,659 --> 00:19:19,940

hurting people but that they're just

472

00:19:25,590 --> 00:19:22,669

kind of waiting for their civilization

473

00:19:28,060 --> 00:19:25,600

to come back one of these days so I I

474

00:19:31,450 --> 00:19:28,070

you know I don't know what to think of

475

00:19:33,070 --> 00:19:31,460

that did stop viewing because he kind of

476

00:19:34,810 --> 00:19:33,080

felt they were sort of reverse viewing

477

00:19:37,930 --> 00:19:34,820

him after a while you know and that he

478

00:19:39,600 --> 00:19:37,940

was discovered and and got very nervous

479

00:19:43,480 --> 00:19:39,610

and won't view them anymore

480

00:19:45,520 --> 00:19:43,490

that's weird but I mean to me ETS and

481

00:19:47,830 --> 00:19:45,530

spiritual beings and these guardians

482

00:19:50,620 --> 00:19:47,840

they're all kind of the same at least I

483

00:19:53,380 --> 00:19:50,630

kind of categorize them as as similar

484

00:19:55,419 --> 00:19:53,390

yeah many similarities right mm-hmm I

485

00:19:57,720 --> 00:19:55,429

mean when people take ayahuasca or

486

00:20:00,940 --> 00:19:57,730

certain psychedelics they're they see

487

00:20:02,830 --> 00:20:00,950

human-animal hybrids as well so I wonder

488

00:20:05,950 --> 00:20:02,840

if that doesn't open up a doorway to

489

00:20:07,480 --> 00:20:05,960

make you more able to see these kind of

490

00:20:09,720 --> 00:20:07,490

things but maybe they show up in our

491

00:20:12,549 --> 00:20:09,730

waking life once in a while or maybe

492

00:20:15,070 --> 00:20:12,559

some people's brains release the right

493

00:20:16,990 --> 00:20:15,080

chemicals naturally and the stars align

494

00:20:20,529 --> 00:20:17,000

and they can see through to some other

495

00:20:22,210 --> 00:20:20,539

dimension they see a Wolfman yeah I you

496

00:20:24,370 --> 00:20:22,220

know I don't know what it is I do ask

497

00:20:28,390 --> 00:20:24,380

most witnesses or many of them volunteer

498

00:20:31,210 --> 00:20:28,400

you know as to their sobriety level and

499

00:20:33,310 --> 00:20:31,220

and almost to a person you know with

500

00:20:35,140 --> 00:20:33,320

very few exceptions they will say they

501
00:20:36,940 --> 00:20:35,150
were driving there or whatever they were

502
00:20:40,090 --> 00:20:36,950
perfectly sober they don't drink they

503
00:20:42,549 --> 00:20:40,100
don't take drugs so that's really the

504
00:20:44,169 --> 00:20:42,559
predominant the one guy who said

505
00:20:45,999 --> 00:20:44,179
yes I'd been drinking when I was on my

506
00:20:49,899 --> 00:20:46,009
way home but when I saw that I sobered

507
00:20:51,970 --> 00:20:49,909
up really fast you know and and why if

508
00:20:54,159 --> 00:20:51,980
you think about it um many people there

509
00:20:56,019 --> 00:20:54,169
are many people who have had the

510
00:20:56,409 --> 00:20:56,029
experience of having had too much to

511
00:20:59,830 --> 00:20:56,419
drink

512
00:21:02,739 --> 00:20:59,840
did you see walking wolves you know it's

513
00:21:04,860 --> 00:21:02,749

right right I mean it's not it's not

514

00:21:08,289 --> 00:21:04,870

what happens normally when you get drunk

515

00:21:10,450 --> 00:21:08,299

and there aren't too many people walking

516

00:21:12,460 --> 00:21:10,460

around America on ayahuasca that's kind

517

00:21:15,779 --> 00:21:12,470

of you know I know I know I know some

518

00:21:18,369 --> 00:21:15,789

people who have traveled you know to

519

00:21:20,350 --> 00:21:18,379

Central and South America and gone

520

00:21:22,149 --> 00:21:20,360

through the procedure and it's really

521

00:21:24,190 --> 00:21:22,159

kind of a long drawn-out unpleasant

522

00:21:26,950 --> 00:21:24,200

thing you know it's not something you do

523

00:21:30,430 --> 00:21:26,960

for social recreation not actually not

524

00:21:32,249 --> 00:21:30,440

not no not in the US so you know so I

525

00:21:34,659 --> 00:21:32,259

can't blame it on anything like that

526

00:21:36,519 --> 00:21:34,669

many times there's more than one witness

527

00:21:38,139 --> 00:21:36,529

you know there'll be it'll be a car

528

00:21:40,749 --> 00:21:38,149

driving past with several people in it

529

00:21:44,499 --> 00:21:40,759

or a couple of people out hiking or

530

00:21:47,080 --> 00:21:44,509

hunting or or whatever and they see the

531

00:21:50,139 --> 00:21:47,090

same thing you know so it's it's not

532

00:21:53,320 --> 00:21:50,149

like a singular hallucination I don't

533

00:21:55,509 --> 00:21:53,330

believe that in most cases a mass

534

00:21:58,499 --> 00:21:55,519

hallucination would be applicable it's

535

00:22:01,239 --> 00:21:58,509

you know it's not the same thing as as I

536

00:22:03,489 --> 00:22:01,249

mean where you have a mass crowd that's

537

00:22:05,440 --> 00:22:03,499

somewhere for a worshipful purpose and

538

00:22:07,539 --> 00:22:05,450

they all are staring into the Sun and

539

00:22:09,759 --> 00:22:07,549

all see something yeah I mean that's a

540

00:22:11,980 --> 00:22:09,769

very very in most cases these are just

541

00:22:15,190 --> 00:22:11,990

normal great people going about their

542

00:22:17,980 --> 00:22:15,200

lives and they see this thing and it

543

00:22:20,019 --> 00:22:17,990

kind of changes their their worldview

544

00:22:22,119 --> 00:22:20,029

forever yeah it makes it even more

545

00:22:23,859 --> 00:22:22,129

interesting that they're not expecting

546

00:22:25,659 --> 00:22:23,869

to look for anything they're not hunting

547

00:22:28,989 --> 00:22:25,669

anything it just kind of shows up but

548

00:22:31,629 --> 00:22:28,999

can you write out some of the details of

549

00:22:37,509 --> 00:22:31,639

maybe an encounter or two that you found

550

00:22:40,149 --> 00:22:37,519

to be really intriguing well you know

551
00:22:42,039 --> 00:22:40,159
they're they're almost all intriguing to

552
00:22:44,289 --> 00:22:42,049
me I mean their each one's a little bit

553
00:22:46,810 --> 00:22:44,299
different a lot of them do happen when

554
00:22:49,389 --> 00:22:46,820
people are driving at night and they see

555
00:22:52,419 --> 00:22:49,399
it by the roadside and it either stands

556
00:22:54,759 --> 00:22:52,429
up on its either crouching and then

557
00:22:56,259 --> 00:22:54,769
stands up and sometimes runs after them

558
00:22:58,690 --> 00:22:56,269
or the the opposite it

559
00:23:01,119 --> 00:22:58,700
be running along on its hind legs and

560
00:23:03,609 --> 00:23:01,129
then drop down to a horse when it knows

561
00:23:06,969 --> 00:23:03,619
it's being observed but one of the most

562
00:23:08,799 --> 00:23:06,979
spectacular is recounted in my book real

563
00:23:12,310 --> 00:23:08,809

Wolfman true encounters in modern

564

00:23:14,649 --> 00:23:12,320

America and although they don't give

565

00:23:17,949 --> 00:23:14,659

credit the sci-fi show paranormal

566

00:23:19,989 --> 00:23:17,959

witness actually did did an episode on

567

00:23:22,509 --> 00:23:19,999

that called the Maine Wolf Pack which

568

00:23:24,129 --> 00:23:22,519

was was my title yeah you don't you

569

00:23:26,649 --> 00:23:24,139

won't know from watching the TV show and

570

00:23:27,849 --> 00:23:26,659

the TV show was sensationalized yeah

571

00:23:30,159 --> 00:23:27,859

they all are it's kind of it's

572

00:23:32,919 --> 00:23:30,169

unfortunate yeah I've gotten pretty

573

00:23:37,209 --> 00:23:32,929

jaded about what the TV shows about this

574

00:23:40,690 --> 00:23:37,219

subject but in this occurrence there was

575

00:23:42,999 --> 00:23:40,700

a very nice middle-aged professional

576

00:23:46,089 --> 00:23:43,009

couple sitting on the front porch of

577

00:23:48,009 --> 00:23:46,099

this farmhouse that they rented you know

578

00:23:50,289 --> 00:23:48,019

very just nice salt-of-the-earth people

579

00:23:52,269 --> 00:23:50,299

I've gotten I've talked many many times

580

00:23:55,209 --> 00:23:52,279

with these witnesses and and they're

581

00:23:56,859 --> 00:23:55,219

just great people they're sitting on the

582

00:23:58,869 --> 00:23:56,869

front porch it was their habit to sit

583

00:24:02,499 --> 00:23:58,879

out and have a late night cup of coffee

584

00:24:03,069 --> 00:24:02,509

and they would keep up kind of a

585

00:24:06,039 --> 00:24:03,079

floodlight

586

00:24:07,810 --> 00:24:06,049

slash flashlight on on the porch next to

587

00:24:09,190 --> 00:24:07,820

them because there was a pond and they

588

00:24:10,839 --> 00:24:09,200

liked to shine it down there once in a

589

00:24:13,029 --> 00:24:10,849

while and see the deer that would come

590

00:24:14,440 --> 00:24:13,039

drinking at the pond well they're

591

00:24:17,949 --> 00:24:14,450

sitting there and they both just got

592

00:24:20,519 --> 00:24:17,959

this ominous dread feeling and they

593

00:24:25,629 --> 00:24:20,529

shone the flashlight out in the yard and

594

00:24:28,389 --> 00:24:25,639

saw three upright dog or wolf like

595

00:24:31,810 --> 00:24:28,399

creatures that they could tell where at

596

00:24:34,749 --> 00:24:31,820

least seven feet tall creeping toward

597

00:24:36,339 --> 00:24:34,759

them on their hind legs and they shown

598

00:24:38,139 --> 00:24:36,349

it in a different direction and there

599

00:24:41,469 --> 00:24:38,149

were two more so there were a total of

600

00:24:44,769 --> 00:24:41,479

five of these things silently sneaking

601
00:24:46,269 --> 00:24:44,779
up on them on the front porch and when

602
00:24:48,219 --> 00:24:46,279
they when they shined the light the the

603
00:24:51,339 --> 00:24:48,229
creatures stopped and kind of backed up

604
00:24:53,199 --> 00:24:51,349
and they were able to get into the house

605
00:24:56,499 --> 00:24:53,209
the man's guns were locked up in an

606
00:24:57,759 --> 00:24:56,509
outdoor utility building and and so he

607
00:25:02,019 --> 00:24:57,769
didn't really have any weapons they

608
00:25:04,930 --> 00:25:02,029
called 911 never been able to get the

609
00:25:08,649 --> 00:25:04,940
911 call released the TV show tried we

610
00:25:11,140 --> 00:25:08,659
tried they tried but they did call 9-1-1

611
00:25:14,150 --> 00:25:11,150
911 told them to

612
00:25:15,860 --> 00:25:14,160
the local game warden and the game

613
00:25:18,710 --> 00:25:15,870

warden told them just stay in the house

614

00:25:21,380 --> 00:25:18,720

and shut the doors and neither one ever

615

00:25:22,730 --> 00:25:21,390

came out to investigate and they did

616

00:25:25,130 --> 00:25:22,740

find they were up all night

617

00:25:27,980 --> 00:25:25,140

their daughter was asleep upstairs in

618

00:25:30,020 --> 00:25:27,990

the TV show it shows them sleeping with

619

00:25:31,850 --> 00:25:30,030

axes and knives you know they didn't do

620

00:25:34,700 --> 00:25:31,860

that but they were but they were pretty

621

00:25:36,800 --> 00:25:34,710

terrified and then they found the next

622

00:25:39,430 --> 00:25:36,810

morning they found these large

623

00:25:42,290 --> 00:25:39,440

impressions in the grass where the

624

00:25:44,270 --> 00:25:42,300

creatures had walked on the TV Shaw it

625

00:25:45,470 --> 00:25:44,280

shows perfect footprints in mud you know

626

00:25:47,120 --> 00:25:45,480

but it wasn't like that

627

00:25:50,750 --> 00:25:47,130

that was you know a lot more than they

628

00:25:52,100 --> 00:25:50,760

had but that was a pretty amazing thing

629

00:25:54,700 --> 00:25:52,110

the creatures stayed there all night too

630

00:25:58,310 --> 00:25:54,710

because every once in a while

631

00:25:59,870 --> 00:25:58,320

Shelley and Erik would look out and see

632

00:26:01,280 --> 00:25:59,880

that they were still there you know they

633

00:26:03,050 --> 00:26:01,290

could they'd shine the light out and

634

00:26:06,020 --> 00:26:03,060

they get all these pairs of eyes looking

635

00:26:07,580 --> 00:26:06,030

back at them Wow and they slunk away

636

00:26:10,220 --> 00:26:07,590

sometime you know when it started

637

00:26:12,500 --> 00:26:10,230

getting light out yeah that's a really

638

00:26:15,170 --> 00:26:12,510

good one because usually with cryptids

639

00:26:17,660 --> 00:26:15,180

you only see one and that's kind of been

640

00:26:19,670 --> 00:26:17,670

my one of my beefs with the whole field

641

00:26:22,100 --> 00:26:19,680

is you know if they're animals you think

642

00:26:23,990 --> 00:26:22,110

you'd see families or young ones here

643

00:26:25,940 --> 00:26:24,000

and there but it really always just

644

00:26:28,460 --> 00:26:25,950

seems to be one that shows up in a town

645

00:26:30,080 --> 00:26:28,470

for a couple of years maybe or a couple

646

00:26:32,750 --> 00:26:30,090

of months and then it just disappears

647

00:26:35,390 --> 00:26:32,760

but to see three at once that is pretty

648

00:26:37,310 --> 00:26:35,400

interesting actually that was five and

649

00:26:40,280 --> 00:26:37,320

there was another yeah there was I've

650

00:26:43,400 --> 00:26:40,290

had as many as four before that's that's

651
00:26:45,650 --> 00:26:43,410
the record there was another woman who

652
00:26:48,710 --> 00:26:45,660
passed a lie-detector test

653
00:26:53,840 --> 00:26:48,720
a very stringently applied polygraph

654
00:26:56,840 --> 00:26:53,850
expert gave the test it was on the first

655
00:26:59,840 --> 00:26:56,850
Monster quest episode on this and she

656
00:27:01,670 --> 00:26:59,850
saw one by itself and then she and her

657
00:27:04,670 --> 00:27:01,680
friends she was with three other friends

658
00:27:06,650 --> 00:27:04,680
they all saw it drove away from there

659
00:27:10,400 --> 00:27:06,660
and then encountered three more that

660
00:27:13,160 --> 00:27:10,410
were drinking and a stream and have had

661
00:27:14,930 --> 00:27:13,170
people in upstate New York see two of

662
00:27:18,230 --> 00:27:14,940
them jogging along a highway there have

663
00:27:19,870 --> 00:27:18,240

been there was an incident down in in a

664

00:27:23,060 --> 00:27:19,880

southern part of the country where

665

00:27:24,140 --> 00:27:23,070

somebody observed a female and three

666

00:27:26,240 --> 00:27:24,150

little ones crossing

667

00:27:28,430 --> 00:27:26,250

rode all upright even the little ones

668

00:27:32,450 --> 00:27:28,440

I've had I've had other small ones

669

00:27:33,650 --> 00:27:32,460

observed by themselves so it does sort

670

00:27:36,080 --> 00:27:33,660

of indicate that there's a breeding

671

00:27:37,430 --> 00:27:36,090

population right so there you go

672

00:27:38,900 --> 00:27:37,440

I don't hear about that as much

673

00:27:40,940 --> 00:27:38,910

especially with other cryptids but

674

00:27:42,920 --> 00:27:40,950

that's pretty compelling that you found

675

00:27:44,540 --> 00:27:42,930

that and another thing I noticed while

676
00:27:46,820 --> 00:27:44,550
looking into this preparing for the show

677
00:27:50,120 --> 00:27:46,830
is there seems to be some cases of

678
00:27:52,940 --> 00:27:50,130
people who have like lifelong continued

679
00:27:54,950 --> 00:27:52,950
sightings the way that UFO abductees

680
00:27:56,150 --> 00:27:54,960
claim that it happens over and over

681
00:27:57,920 --> 00:27:56,160
again and there are some people that

682
00:28:00,950 --> 00:27:57,930
have these reoccurring sightings of

683
00:28:02,810 --> 00:28:00,960
wolf-men have you found that at all yeah

684
00:28:05,780 --> 00:28:02,820
there are some you know and it's odd

685
00:28:09,140 --> 00:28:05,790
because people who go out looking and

686
00:28:13,010 --> 00:28:09,150
hunting for it almost never see it right

687
00:28:16,100 --> 00:28:13,020
but but the ones who do see it seem to

688
00:28:18,290 --> 00:28:16,110

be the the few that will run into it you

689

00:28:20,720 --> 00:28:18,300

know again and again or it may hitch ooh

690

00:28:22,910 --> 00:28:20,730

eight if they have a farm or rural area

691

00:28:26,210 --> 00:28:22,920

especially I've had several situations

692

00:28:30,140 --> 00:28:26,220

like this one in Ohio one in northern

693

00:28:32,270 --> 00:28:30,150

Wisconsin where it hangs seems to hang

694

00:28:34,160 --> 00:28:32,280

around for years and kind of you know

695

00:28:36,470 --> 00:28:34,170

just worries at the chickens and the the

696

00:28:38,750 --> 00:28:36,480

livestock and they can hear it walking

697

00:28:40,970 --> 00:28:38,760

around at night might be scratching this

698

00:28:42,650 --> 00:28:40,980

the siding you know that kind of thing

699

00:28:46,220 --> 00:28:42,660

but it never leaves anything really

700

00:28:49,300 --> 00:28:46,230

concrete enough for proof it they do

701

00:28:52,580 --> 00:28:49,310

seem to react to floodlights

702

00:28:54,650 --> 00:28:52,590

particularly and a lot of people have

703

00:28:55,970 --> 00:28:54,660

tried things like religious blessings

704

00:29:00,200 --> 00:28:55,980

you know either

705

00:29:03,800 --> 00:29:00,210

Christians leaving holy oil or water

706

00:29:07,100 --> 00:29:03,810

crosses marking all the doorways or the

707

00:29:08,930 --> 00:29:07,110

Native American sage ceremonies they do

708

00:29:10,460 --> 00:29:08,940

seem to get some relief from these -

709

00:29:12,710 --> 00:29:10,470

which makes you wonder if they're

710

00:29:14,300 --> 00:29:12,720

natural animals why would that help you

711

00:29:17,030 --> 00:29:14,310

know and maybe it's coincidental maybe

712

00:29:19,520 --> 00:29:17,040

the things are just ready to go anyway

713

00:29:22,040 --> 00:29:19,530

but having flood lights or something

714

00:29:24,710 --> 00:29:22,050

like that does definitely seem didn't

715

00:29:27,590 --> 00:29:24,720

help yeah I guess the there's a wide

716

00:29:30,920 --> 00:29:27,600

range of opinions on if these are more

717

00:29:34,010 --> 00:29:30,930

intelligent beings or alien guardians or

718

00:29:37,100 --> 00:29:34,020

animals but the thing you said about

719

00:29:37,850 --> 00:29:37,110

people having a feeling that it does

720

00:29:41,900 --> 00:29:37,860

that it was

721

00:29:43,940 --> 00:29:41,910

interesting to me it's almost in line

722

00:29:47,750 --> 00:29:43,950

with some type of telepathic

723

00:29:49,460 --> 00:29:47,760

communication but has anyone described

724

00:29:54,289 --> 00:29:49,470

it to you that way or is it more or less

725

00:29:57,560 --> 00:29:54,299

just a fleeting feeling no they'll they

726

00:30:00,230 --> 00:29:57,570

will say you know they won't really say

727

00:30:02,870 --> 00:30:00,240

they'll say that I felt this was what it

728

00:30:06,850 --> 00:30:02,880

was telling me not in words but you know

729

00:30:09,380 --> 00:30:06,860

just in a specific message that I

730

00:30:12,500 --> 00:30:09,390

certainly understood you know and

731

00:30:14,419 --> 00:30:12,510

they'll say I I thought I was crazy

732

00:30:16,310 --> 00:30:14,429

telling myself to get a grip on it one

733

00:30:18,020 --> 00:30:16,320

one recent woman that wrote was telling

734

00:30:20,750 --> 00:30:18,030

me that she was saying to herself get a

735

00:30:22,850 --> 00:30:20,760

grip don't talk about it you know don't

736

00:30:25,280 --> 00:30:22,860

tell anybody that kind of thing

737

00:30:27,110 --> 00:30:25,290

but they don't they don't say it was a

738

00:30:30,169 --> 00:30:27,120

message in the King's English it was a

739

00:30:34,159 --> 00:30:30,179

specific impression that was imparted to

740

00:30:35,720 --> 00:30:34,169

them and and usually very threatening

741

00:30:37,520 --> 00:30:35,730

and I've heard that Bigfoot witnesses

742

00:30:39,070 --> 00:30:37,530

will sometimes say the same things but

743

00:30:43,039 --> 00:30:39,080

they're they're usually not so

744

00:30:45,500 --> 00:30:43,049

aggressively threatening as the ones

745

00:30:47,600 --> 00:30:45,510

from the dog man so I don't and I've

746

00:30:50,419 --> 00:30:47,610

speculated that perhaps when if you're

747

00:30:53,770 --> 00:30:50,429

in a moment of fear and panic that I

748

00:30:57,460 --> 00:30:53,780

guess it's possible that people could be

749

00:30:59,840 --> 00:30:57,470

you know reading the body language and

750

00:31:01,640 --> 00:30:59,850

sort of getting an impression that way

751
00:31:02,990 --> 00:31:01,650
but those that I've spoken to you know

752
00:31:04,880 --> 00:31:03,000
when I've said to the witnesses well how

753
00:31:07,460 --> 00:31:04,890
about this they'll say no it wasn't like

754
00:31:10,580 --> 00:31:07,470
that at all I really felt I was getting

755
00:31:12,890 --> 00:31:10,590
this direct mental message of some kind

756
00:31:15,980 --> 00:31:12,900
you know and even though it felt crazy

757
00:31:17,690 --> 00:31:15,990
that's what I thought it was right it is

758
00:31:21,049 --> 00:31:17,700
possible that people are projecting that

759
00:31:24,230 --> 00:31:21,059
but it does seem consistent with reports

760
00:31:28,070 --> 00:31:24,240
of other types of beans in this realm of

761
00:31:31,789 --> 00:31:28,080
cryptozoology and paranormal that it's a

762
00:31:34,250 --> 00:31:31,799
consistent type of communication the way

763
00:31:36,370 --> 00:31:34,260

they describe it yeah of course it's not

764

00:31:38,900 --> 00:31:36,380

in English but it's more of just

765

00:31:43,159 --> 00:31:38,910

overarching feelings or emotions that

766

00:31:45,409 --> 00:31:43,169

are kind of transferred it's interesting

767

00:31:47,390 --> 00:31:45,419

so weird dynamic - it makes me think

768

00:31:50,390 --> 00:31:47,400

that there might be something more to

769

00:31:51,650 --> 00:31:50,400

them than just animals because animals

770

00:31:53,360 --> 00:31:51,660

you know

771

00:31:55,100 --> 00:31:53,370

they can't animals are not quite as

772

00:31:58,100 --> 00:31:55,110

elusive as some of these cryptids seem

773

00:32:00,380 --> 00:31:58,110

to be no no and the longer that I study

774

00:32:03,200 --> 00:32:00,390

them the more I kind of lean that way I

775

00:32:05,300 --> 00:32:03,210

mean they sure they don't do anything

776

00:32:09,110 --> 00:32:05,310

overtly that a natural animal couldn't

777

00:32:12,740 --> 00:32:09,120

do but it's these impressions of the

778

00:32:15,590 --> 00:32:12,750

witnesses and the oddity of them and

779

00:32:18,530 --> 00:32:15,600

this and their behavior that is just

780

00:32:21,110 --> 00:32:18,540

really out of the box you know that that

781

00:32:23,450 --> 00:32:21,120

makes me just wonder if they have some

782

00:32:25,790 --> 00:32:23,460

other element to them that we perhaps

783

00:32:27,470 --> 00:32:25,800

haven't even guessed yet you know it's

784

00:32:29,150 --> 00:32:27,480

it's hard to say because some of the

785

00:32:32,810 --> 00:32:29,160

message our messages are quite specific

786

00:32:34,970 --> 00:32:32,820

there was one woman who felt it was

787

00:32:37,460 --> 00:32:34,980

saying to her I know where you live and

788

00:32:39,410 --> 00:32:37,470

if you tell anyone about me I will come

789

00:32:40,820 --> 00:32:39,420

and get you and she was so terrified

790

00:32:41,510 --> 00:32:40,830

that she didn't tell her husband for

791

00:32:44,540 --> 00:32:41,520

like three days

792

00:32:46,760 --> 00:32:44,550

and when I came to interview her a week

793

00:32:48,380 --> 00:32:46,770

later she was still shaking and started

794

00:32:51,380 --> 00:32:48,390

crying when she told about it you know

795

00:32:53,210 --> 00:32:51,390

it the effect was that strong upon her

796

00:32:55,040 --> 00:32:53,220

or you know another woman said I was

797

00:32:57,770 --> 00:32:55,050

driving by and I saw it and it looked in

798

00:32:59,510 --> 00:32:57,780

my eyes and I felt it was saying I could

799

00:33:03,860 --> 00:32:59,520

jump on your car right now if I wanted

800

00:33:05,510 --> 00:33:03,870

to huh yeah that's that's freaky stuff

801
00:33:07,430 --> 00:33:05,520
you know when's the last time you heard

802
00:33:09,950 --> 00:33:07,440
somebody say well I saw coyote and I

803
00:33:12,020 --> 00:33:09,960
thought it was saying to me I could you

804
00:33:15,050 --> 00:33:12,030
know dance on your head or what whatever

805
00:33:17,090 --> 00:33:15,060
if I liked it it's just I see a lot of

806
00:33:19,790 --> 00:33:17,100
animals in the wild and and I've just

807
00:33:21,350 --> 00:33:19,800
never even thought of something like

808
00:33:23,540 --> 00:33:21,360
that even when people have been scared

809
00:33:25,790 --> 00:33:23,550
you know my husband's a hunter he's had

810
00:33:27,380 --> 00:33:25,800
a bear come up to his tree blind and

811
00:33:30,020 --> 00:33:27,390
that kind of thing he just thought oh

812
00:33:31,670 --> 00:33:30,030
there's a bear you know and right it's

813
00:33:34,430 --> 00:33:31,680

it's not the sort of thing you don't

814

00:33:37,160 --> 00:33:34,440

feel like you're getting impressed

815

00:33:38,990 --> 00:33:37,170

messages from them it seems pretty clear

816

00:33:40,730 --> 00:33:39,000

that the people who see these things it

817

00:33:43,430 --> 00:33:40,740

isn't like seeing an animal they're hit

818

00:33:45,890 --> 00:33:43,440

with a wave of emotion a wave of

819

00:33:47,810 --> 00:33:45,900

feelings and it's clear on the onset

820

00:33:49,250 --> 00:33:47,820

that they're seeing something special

821

00:33:52,100 --> 00:33:49,260

something that's weird

822

00:33:55,310 --> 00:33:52,110

they recognize it yeah they recognize it

823

00:33:57,470 --> 00:33:55,320

as something special which is you know

824

00:33:59,450 --> 00:33:57,480

something to definitely make note of but

825

00:34:02,720 --> 00:33:59,460

to take this into a weirder direction I

826

00:34:04,670 --> 00:34:02,730

mean lately I've had a few guests on and

827

00:34:05,650 --> 00:34:04,680

done a few shows about a cult magic and

828

00:34:08,050 --> 00:34:05,660

Aleister Crowley

829

00:34:10,480 --> 00:34:08,060

and you hear about these guys summoning

830

00:34:11,889 --> 00:34:10,490

demons and conjuring up entities of one

831

00:34:13,810 --> 00:34:11,899

type or another and I get a little

832

00:34:15,639 --> 00:34:13,820

skeptical of that stuff because we don't

833

00:34:17,950 --> 00:34:15,649

have monsters running in the streets or

834

00:34:19,840 --> 00:34:17,960

stage shows where demons are summoned up

835

00:34:21,850 --> 00:34:19,850

but you have you ever given any thought

836

00:34:25,060 --> 00:34:21,860

to some of these Wolfman sightings being

837

00:34:27,000 --> 00:34:25,070

related to conjuring at all well you

838

00:34:29,500 --> 00:34:27,010

know there are several different

839

00:34:32,350 --> 00:34:29,510

supernatural possibilities a conjuring

840

00:34:33,940 --> 00:34:32,360

type of thing is is one of them I ask

841

00:34:36,070 --> 00:34:33,950

you to that would be like the Native

842

00:34:40,300 --> 00:34:36,080

American skinwalker where medicine men

843

00:34:42,220 --> 00:34:40,310

can project an astral or spirit double

844

00:34:45,040 --> 00:34:42,230

body that either goes out from them and

845

00:34:48,669 --> 00:34:45,050

mimics a creature like that or sort of

846

00:34:51,220 --> 00:34:48,679

covers them like a spirit suit but I

847

00:34:53,560 --> 00:34:51,230

don't think there is enough of that

848

00:34:55,780 --> 00:34:53,570

activity going on to account for all of

849

00:34:57,880 --> 00:34:55,790

the sightings that I see and normally

850

00:35:00,340 --> 00:34:57,890

you know if people report a creature

851
00:35:02,620 --> 00:35:00,350
that has hands instead of paws or red

852
00:35:05,650 --> 00:35:02,630
eyes you know are there are several

853
00:35:08,740 --> 00:35:05,660
other markers that it just it may not

854
00:35:10,780 --> 00:35:08,750
have a tail or it might have more of a

855
00:35:13,690 --> 00:35:10,790
man-like body with actual shoulders

856
00:35:16,930 --> 00:35:13,700
rather than just well-developed upper

857
00:35:19,200 --> 00:35:16,940
four limbs those those are the kind of

858
00:35:22,000 --> 00:35:19,210
markers and there again it's maybe

859
00:35:26,050 --> 00:35:22,010
probably less than 5% of the ones that I

860
00:35:28,830 --> 00:35:26,060
get but taken together I think there

861
00:35:32,320 --> 00:35:28,840
there's sort of a second subset of

862
00:35:35,020 --> 00:35:32,330
sightings that make sense but they can't

863
00:35:37,800 --> 00:35:35,030

explain all of them by any means you

864

00:35:40,630 --> 00:35:37,810

know now are there any interesting

865

00:35:42,220 --> 00:35:40,640

commonalities between the hot spots that

866

00:35:44,770 --> 00:35:42,230

these things are cited at or does it

867

00:35:49,780 --> 00:35:44,780

seem just to be kind of random wooded

868

00:35:52,240 --> 00:35:49,790

areas well they can appear in they're

869

00:35:56,020 --> 00:35:52,250

not always wooded areas sometimes they

870

00:36:00,370 --> 00:35:56,030

they are seen in fairly urban places

871

00:36:02,200 --> 00:36:00,380

it's you know it's surprising but there

872

00:36:03,760 --> 00:36:02,210

are some commonalities and the

873

00:36:06,220 --> 00:36:03,770

interesting thing is that a lot of them

874

00:36:10,390 --> 00:36:06,230

are the same sorts of places that in

875

00:36:12,970 --> 00:36:10,400

Europe are considered haunted haunted

876

00:36:15,100 --> 00:36:12,980

places or places where phantom black

877

00:36:19,120 --> 00:36:15,110

dogs or other creatures are seen and

878

00:36:22,540 --> 00:36:19,130

these include crossroads

879

00:36:24,010 --> 00:36:22,550

Terri's in lieu of crossroads sometimes

880

00:36:25,360 --> 00:36:24,020

these days there's I'm getting more and

881

00:36:30,810 --> 00:36:25,370

more reports of them being seen on

882

00:36:37,900 --> 00:36:34,810

churchyards military areas especially in

883

00:36:40,810 --> 00:36:37,910

the old sacred places but beyond that

884

00:36:44,410 --> 00:36:40,820

also there's almost always water a good

885

00:36:48,990 --> 00:36:44,420

water a lot of water source some kind of

886

00:36:51,700 --> 00:36:49,000

cover for these for the dog men and

887

00:36:53,710 --> 00:36:51,710

usually there's some sort of prey that

888

00:36:56,350 --> 00:36:53,720

they're after either farm animals or

889

00:36:59,020 --> 00:36:56,360

deer a lot of times they've been seen

890

00:37:02,170 --> 00:36:59,030

and reported running away carrying a

891

00:37:03,850 --> 00:37:02,180

haunch of a deer or a small animal or

892

00:37:06,190 --> 00:37:03,860

something like that I had some ladies in

893

00:37:08,140 --> 00:37:06,200

northern Illinois here their cat

894

00:37:10,420 --> 00:37:08,150

screaming when I they went it had been

895

00:37:13,930 --> 00:37:10,430

outside and they went to the patio door

896

00:37:15,910 --> 00:37:13,940

and saw this six foot tall dog or wolf

897

00:37:17,950 --> 00:37:15,920

like creatures standing there on its

898

00:37:21,370 --> 00:37:17,960

hind legs with their cat in its mouth oh

899

00:37:23,110 --> 00:37:21,380

no I love cats well this has a happy

900

00:37:24,400 --> 00:37:23,120

ending they startled it so much by

901
00:37:26,710 --> 00:37:24,410
screaming and pounding on the glass that

902
00:37:33,100 --> 00:37:26,720
it dropped it dropped the cat and ran

903
00:37:35,050 --> 00:37:33,110
off oh man yeah yeah so I guess one of

904
00:37:38,020 --> 00:37:35,060
my big issues with cryptids in general

905
00:37:40,600 --> 00:37:38,030
is that all the stories I hear are

906
00:37:42,010 --> 00:37:40,610
generally from the past and I was

907
00:37:45,100 --> 00:37:42,020
wondering is there anything that people

908
00:37:47,050 --> 00:37:45,110
are reporting to you now that like

909
00:37:48,790 --> 00:37:47,060
pockets of weird sightings that maybe

910
00:37:50,740 --> 00:37:48,800
you've heard about in the past year or

911
00:37:52,690 --> 00:37:50,750
two it doesn't even have to be in the

912
00:37:54,370 --> 00:37:52,700
canine family but just any kind of weird

913
00:37:54,820 --> 00:37:54,380

entity that people are reporting to you

914

00:37:56,740 --> 00:37:54,830

recently

915

00:37:59,770 --> 00:37:56,750

oh sure these things go on all the time

916

00:38:03,310 --> 00:37:59,780

and they go up to present I've I had my

917

00:38:05,140 --> 00:38:03,320

last sighting of something not on Bray

918

00:38:09,130 --> 00:38:05,150

Road but in that vicinity was February

919

00:38:11,860 --> 00:38:09,140

20th from a really reliable area

920

00:38:14,230 --> 00:38:11,870

resident and and kind of an amazing

921

00:38:17,890 --> 00:38:14,240

sighting yeah he saw it at 3 a.m.

922

00:38:19,240 --> 00:38:17,900

chasing a coyote through a field Wow

923

00:38:21,040 --> 00:38:19,250

well there's your contrast you know

924

00:38:23,080 --> 00:38:21,050

there's clearly what a coyote looks like

925

00:38:25,330 --> 00:38:23,090

and then here's this thing exactly there

926

00:38:27,490 --> 00:38:25,340

was no comparison and he was a

927

00:38:30,670 --> 00:38:27,500

non-believer total skeptic I'm you know

928

00:38:32,590 --> 00:38:30,680

until that happened I've had I found a

929

00:38:36,280 --> 00:38:32,600

new book coming out in August

930

00:38:38,530 --> 00:38:36,290

called American monsters history of the

931

00:38:41,170 --> 00:38:38,540

light sightings Laura legends of

932

00:38:44,860 --> 00:38:41,180

monsters in America and I've got a

933

00:38:48,360 --> 00:38:44,870

really amazing huge bird sighting that

934

00:38:50,920 --> 00:38:48,370

happened you know within a few years ago

935

00:38:52,690 --> 00:38:50,930

in northern Wisconsin that you know

936

00:38:56,440 --> 00:38:52,700

hasn't been published anywhere else that

937

00:38:57,640 --> 00:38:56,450

I think will surprise people a lot one

938

00:38:59,290 --> 00:38:57,650

thing I discovered when I was

939

00:39:02,430 --> 00:38:59,300

researching that book is that there are

940

00:39:05,530 --> 00:39:02,440

a lot more sightings of weird huge

941

00:39:07,420 --> 00:39:05,540

flying things than you'd imagine whether

942

00:39:10,000 --> 00:39:07,430

they look like whether they look like

943

00:39:11,860 --> 00:39:10,010

the ancient pterosaurs or they look like

944

00:39:14,050 --> 00:39:11,870

some kind of furry thing with bat wings

945

00:39:16,630 --> 00:39:14,060

that they that's usually called bat

946

00:39:20,290 --> 00:39:16,640

squatcher uncle I've had one called man

947

00:39:22,860 --> 00:39:20,300

bat that I call man bat or whether

948

00:39:25,990 --> 00:39:22,870

they're just like the impossibly huge

949

00:39:29,380 --> 00:39:26,000

stork or condor like you know feather

950

00:39:31,390 --> 00:39:29,390

feathered Birds there's more than you

951
00:39:34,000 --> 00:39:31,400
would think I was absolutely stunned and

952
00:39:36,520 --> 00:39:34,010
how many I came up with yeah that's

953
00:39:38,470 --> 00:39:36,530
definitely my favorite area of cryptids

954
00:39:40,390 --> 00:39:38,480
the flying ones and the ones that are in

955
00:39:42,730 --> 00:39:40,400
the water because both those areas like

956
00:39:44,350 --> 00:39:42,740
we don't know we don't know as much

957
00:39:45,850 --> 00:39:44,360
about the creatures that live in them

958
00:39:47,680 --> 00:39:45,860
you know it's it's it seems kind of

959
00:39:49,330 --> 00:39:47,690
tired especially especially the water

960
00:39:51,310 --> 00:39:49,340
creatures I've I've written a whole book

961
00:39:55,000 --> 00:39:51,320
on I've got a book called awakened sea

962
00:39:57,910 --> 00:39:55,010
monsters with a different Chelsea house

963
00:40:00,370 --> 00:39:57,920

press but I had to look up a lot of

964

00:40:03,460 --> 00:40:00,380

those too and the thing is you start

965

00:40:05,530 --> 00:40:03,470

realizing that there are these really

966

00:40:07,000 --> 00:40:05,540

deep areas of the ocean that you know we

967

00:40:08,700 --> 00:40:07,010

just haven't been able to penetrate and

968

00:40:12,610 --> 00:40:08,710

we really don't know what's down there

969

00:40:16,270 --> 00:40:12,620

you know it turns out there are squid

970

00:40:18,190 --> 00:40:16,280

huge squid so much bigger than any

971

00:40:20,860 --> 00:40:18,200

scientist ever predicted and that were

972

00:40:22,270 --> 00:40:20,870

scoffed at and not believed until you

973

00:40:25,060 --> 00:40:22,280

know we were able to start recognizing

974

00:40:27,730 --> 00:40:25,070

and retrieving their carcasses when they

975

00:40:29,620 --> 00:40:27,740

washed up yeah giant squids are super

976

00:40:31,570 --> 00:40:29,630

interesting also of course Loch Ness

977

00:40:33,250 --> 00:40:31,580

monster type beans it's not just in Loch

978

00:40:35,170 --> 00:40:33,260

Ness but apparently these things are

979

00:40:39,190 --> 00:40:35,180

sited in areas all over the place even

980

00:40:41,110 --> 00:40:39,200

in lake tahoe supposedly right yeah yeah

981

00:40:43,480 --> 00:40:41,120

I mean they're just so common lake

982

00:40:46,390 --> 00:40:43,490

monsters are everywhere it makes me

983

00:40:48,640 --> 00:40:46,400

sometimes wonder if either these are

984

00:40:50,800 --> 00:40:48,650

also you know the spirit animals coming

985

00:40:53,350 --> 00:40:50,810

back and forth Native Americans believed

986

00:40:56,590 --> 00:40:53,360

that anybody of water a river or a lake

987

00:40:58,330 --> 00:40:56,600

with freshwater Springs on those Springs

988

00:41:02,430 --> 00:40:58,340

were the doors back and forth to the

989

00:41:06,220 --> 00:41:02,440

spirit world or is it that there are

990

00:41:08,800 --> 00:41:06,230

well hidden subterranean underwater

991

00:41:10,630 --> 00:41:08,810

passages you know between you know

992

00:41:13,530 --> 00:41:10,640

connecting them to larger bodies of

993

00:41:15,930 --> 00:41:13,540

water or out to the ocean or or whatever

994

00:41:19,480 --> 00:41:15,940

right yeah that's also a possibility

995

00:41:20,620 --> 00:41:19,490

they're crazy but I wanted to ask you

996

00:41:22,480 --> 00:41:20,630

about a little bit more of your other

997

00:41:24,910 --> 00:41:22,490

work because it sounds right up my alley

998

00:41:26,740 --> 00:41:24,920

I live in San Diego now but I grew up in

999

00:41:29,290 --> 00:41:26,750

st. Louis Missouri and I've taken trips

1000

00:41:31,420 --> 00:41:29,300

all over the Midwest and I saw a few

1001
00:41:33,220 --> 00:41:31,430
years ago that she wrote weird Michigan

1002
00:41:35,560 --> 00:41:33,230
and weird Wisconsin their travel guides

1003
00:41:37,480 --> 00:41:35,570
the area's local legends and best-kept

1004
00:41:39,070 --> 00:41:37,490
secrets and a couple of other books on

1005
00:41:41,800 --> 00:41:39,080
various strange stuff in those two

1006
00:41:44,230 --> 00:41:41,810
states and I hoped you could give us an

1007
00:41:45,490 --> 00:41:44,240
interesting anecdote or two about some

1008
00:41:47,050 --> 00:41:45,500
of the other stuff you've looked into

1009
00:41:48,670 --> 00:41:47,060
what are the kinds of weirdness have you

1010
00:41:52,690 --> 00:41:48,680
found interesting in those Midwest

1011
00:41:54,070 --> 00:41:52,700
states oh those books were just so much

1012
00:41:58,380 --> 00:41:54,080
fun they got me into so many different

1013
00:42:02,620 --> 00:41:58,390

areas for one thing they have a lot on

1014

00:42:04,300 --> 00:42:02,630

outsider artists which visionary artists

1015

00:42:06,400 --> 00:42:04,310

which is really one of my top favorite

1016

00:42:09,400 --> 00:42:06,410

subjects and so you get to go interview

1017

00:42:11,830 --> 00:42:09,410

these really interesting people who have

1018

00:42:15,220 --> 00:42:11,840

just turned their entire lawns and

1019

00:42:17,350 --> 00:42:15,230

acres into outdoor museum is full of

1020

00:42:21,070 --> 00:42:17,360

these crazy sculptures and things that

1021

00:42:22,900 --> 00:42:21,080

they put together but I also because the

1022

00:42:26,650 --> 00:42:22,910

topics were sort of preordained with

1023

00:42:28,330 --> 00:42:26,660

those books I had to do a lot of ghost

1024

00:42:31,330 --> 00:42:28,340

investigations which wasn't something

1025

00:42:34,630 --> 00:42:31,340

it's not really my my big thing I I'm

1026
00:42:39,010 --> 00:42:34,640
not not super into the ghost hunting and

1027
00:42:40,900 --> 00:42:39,020
I didn't really expect to to see

1028
00:42:42,820 --> 00:42:40,910
anything frankly I've had some

1029
00:42:44,500 --> 00:42:42,830
experiences as a child that left me a

1030
00:42:47,320 --> 00:42:44,510
little bit scared of these things and

1031
00:42:50,440 --> 00:42:47,330
once in Michigan and once in Wisconsin I

1032
00:42:52,270 --> 00:42:50,450
actually saw a ghostly figure and I

1033
00:42:55,060 --> 00:42:52,280
don't know I'm hesitant to call them

1034
00:42:56,680 --> 00:42:55,070
ghosts in the traditional sense of you

1035
00:42:58,330 --> 00:42:56,690
know are these roaming dead people's

1036
00:42:59,770 --> 00:42:58,340
spirits because I don't know what

1037
00:43:01,030 --> 00:42:59,780
they're they could be

1038
00:43:03,390 --> 00:43:01,040

changed manifestations of

1039

00:43:06,310 --> 00:43:03,400

electromagnetic energy interacting with

1040

00:43:09,360 --> 00:43:06,320

the the person's consciousness they

1041

00:43:12,160 --> 00:43:09,370

could be who knows what you know strange

1042

00:43:15,340 --> 00:43:12,170

other forms of life I don't know what I

1043

00:43:19,630 --> 00:43:15,350

don't know what they are but in one in

1044

00:43:21,750 --> 00:43:19,640

one case I was probably the weirder of

1045

00:43:25,780 --> 00:43:21,760

the two tails I was in Manistee Michigan

1046

00:43:27,280 --> 00:43:25,790

and investigating a place I had just

1047

00:43:28,570 --> 00:43:27,290

learned about that day I had gone to

1048

00:43:30,700 --> 00:43:28,580

visit the tones of story and he said

1049

00:43:32,140 --> 00:43:30,710

I'll go down the block and there's this

1050

00:43:34,630 --> 00:43:32,150

brick building that used to be this

1051

00:43:37,990 --> 00:43:34,640

German tavern and they've got this ghost

1052

00:43:41,050 --> 00:43:38,000

named basement Billie and so I went down

1053

00:43:43,240 --> 00:43:41,060

there and it turned out was now offices

1054

00:43:44,680 --> 00:43:43,250

but at one time this big German family

1055

00:43:46,630 --> 00:43:44,690

had built it they had a tavern

1056

00:43:49,450 --> 00:43:46,640

on the main floor they had an apartment

1057

00:43:52,210 --> 00:43:49,460

upstairs where two of the daughters

1058

00:43:54,240 --> 00:43:52,220

lived and the whole place was supposed

1059

00:43:58,090 --> 00:43:54,250

to be incredibly haunted and the owner

1060

00:44:00,400 --> 00:43:58,100

who had no idea I was coming or that

1061

00:44:00,910 --> 00:44:00,410

really that anybody even ever knew about

1062

00:44:05,080 --> 00:44:00,920

it

1063

00:44:07,750 --> 00:44:05,090

she took me into the basement to meet

1064

00:44:10,000 --> 00:44:07,760

basement Billy who supposedly was a

1065

00:44:13,060 --> 00:44:10,010

young son of that family who had died of

1066

00:44:16,870 --> 00:44:13,070

typhoid when he was a young teenager and

1067

00:44:18,940 --> 00:44:16,880

was quite the act of poltergeist you

1068

00:44:21,310 --> 00:44:18,950

know unscrewing lightbulbs and he used

1069

00:44:23,350 --> 00:44:21,320

to swipe would swipe all the glassware

1070

00:44:24,850 --> 00:44:23,360

off of an antique store shelf when there

1071

00:44:26,320 --> 00:44:24,860

was a store an antique store in there

1072

00:44:28,420 --> 00:44:26,330

during the night while it was locked

1073

00:44:31,060 --> 00:44:28,430

that kind of thing and people would

1074

00:44:34,500 --> 00:44:31,070

sometimes see him you know dressed as a

1075

00:44:38,350 --> 00:44:34,510

young man in early turn-of-the-century

1076
00:44:40,630 --> 00:44:38,360
clothing just outside of the building so

1077
00:44:42,820 --> 00:44:40,640
we're down in this big basement and I

1078
00:44:44,320 --> 00:44:42,830
said well let's just turn the lights off

1079
00:44:46,150 --> 00:44:44,330
and see if anything shows up I had no

1080
00:44:47,560 --> 00:44:46,160
big hopes for anything I just really

1081
00:44:50,860 --> 00:44:47,570
needed some pictures you know for the

1082
00:44:52,810 --> 00:44:50,870
book and there was almost nothing in

1083
00:44:54,760 --> 00:44:52,820
there was a gigantic space any of the

1084
00:44:57,070 --> 00:44:54,770
ductwork was covered by brown paper so

1085
00:44:59,080 --> 00:44:57,080
there was no reflective surface there

1086
00:45:01,980 --> 00:44:59,090
was one little bear light bulb behind us

1087
00:45:05,380 --> 00:45:01,990
and one at the other end of this

1088
00:45:07,570 --> 00:45:05,390

basement and that was it and she turned

1089

00:45:08,800 --> 00:45:07,580

him off and it was pitch black literally

1090

00:45:11,110 --> 00:45:08,810

couldn't see anything

1091

00:45:12,670 --> 00:45:11,120

and we stood there a couple of minutes

1092

00:45:13,630 --> 00:45:12,680

and I was just about to say we'll turn

1093

00:45:18,490 --> 00:45:13,640

the lights back on

1094

00:45:21,640 --> 00:45:18,500

all of a sudden this round light light

1095

00:45:23,349 --> 00:45:21,650

like orb and I say light like because it

1096

00:45:25,809 --> 00:45:23,359

wasn't emitting light it was sort of

1097

00:45:27,309 --> 00:45:25,819

like it was drying in light if that

1098

00:45:30,720 --> 00:45:27,319

makes any sense it was about the size of

1099

00:45:33,579 --> 00:45:30,730

a basketball it was just below the

1100

00:45:36,370 --> 00:45:33,589

7-foot ceiling maybe about eight feet

1101

00:45:39,099 --> 00:45:36,380

away from me and it had some little

1102

00:45:41,980 --> 00:45:39,109

projections on the side sides of it and

1103

00:45:44,170 --> 00:45:41,990

I had this feeling that it was curious

1104

00:45:47,680 --> 00:45:44,180

or sentient or no you know that it had

1105

00:45:49,509 --> 00:45:47,690

some sort of intelligence to it and I

1106

00:45:50,740 --> 00:45:49,519

was so shocked I thought this my eyes

1107

00:45:52,839 --> 00:45:50,750

are playing tricks this is crazy I

1108

00:45:54,910 --> 00:45:52,849

looked away shut my eyes look back and

1109

00:45:58,089 --> 00:45:54,920

it was still there kind of hanging there

1110

00:46:00,009 --> 00:45:58,099

like no I'm here I'm here and I was so

1111

00:46:01,690 --> 00:46:00,019

shocked by the time I thought of pulling

1112

00:46:03,880 --> 00:46:01,700

my you know my camera was hanging around

1113

00:46:05,380 --> 00:46:03,890

my neck by the time I pulled it up to

1114

00:46:07,599 --> 00:46:05,390

into position to take the picture then

1115

00:46:10,420 --> 00:46:07,609

it faded away mmm

1116

00:46:13,480 --> 00:46:10,430

and I've heard that before too yeah yeah

1117

00:46:15,730 --> 00:46:13,490

it's a typical thing and the interesting

1118

00:46:18,099 --> 00:46:15,740

thing about that is that you know I

1119

00:46:20,200 --> 00:46:18,109

heard the the owner kind of gasp she

1120

00:46:24,519 --> 00:46:20,210

also saw but she saw it as the fully

1121

00:46:27,490 --> 00:46:24,529

dressed entity that people expect to see

1122

00:46:29,529 --> 00:46:27,500

the the young man now that made me think

1123

00:46:31,120 --> 00:46:29,539

why would I see I who had no

1124

00:46:33,370 --> 00:46:31,130

preconceptions and wasn't expecting

1125

00:46:36,460 --> 00:46:33,380

anything saw it as sort of a raw pure

1126
00:46:43,269 --> 00:46:36,470
form of energy where she saw it as the

1127
00:46:45,490 --> 00:46:43,279
fully articulated young man so it makes

1128
00:46:47,499 --> 00:46:45,500
me wonder if if it is some sort of

1129
00:46:50,109 --> 00:46:47,509
energy that does interact with our

1130
00:46:55,359 --> 00:46:50,119
consciousness you know and and partly

1131
00:46:57,519 --> 00:46:55,369
fills our expectations yeah I'm with you

1132
00:46:58,930 --> 00:46:57,529
on that that's an interesting thread to

1133
00:47:00,849 --> 00:46:58,940
these type of sightings I would love to

1134
00:47:02,740 --> 00:47:00,859
see something like that but it just

1135
00:47:05,049 --> 00:47:02,750
hasn't happened I've actually took the

1136
00:47:07,299 --> 00:47:05,059
show on a ghost hunt in one of the first

1137
00:47:10,749 --> 00:47:07,309
attempts at doing a like a video in the

1138
00:47:12,880 --> 00:47:10,759

field episode and it went all night to

1139

00:47:14,499 --> 00:47:12,890

like four in the morning and nothing I

1140

00:47:16,539 --> 00:47:14,509

saw nothing of course the people I was

1141

00:47:18,069 --> 00:47:16,549

with they felt like they saw some things

1142

00:47:20,319 --> 00:47:18,079

and heard some things and wondered why I

1143

00:47:21,460 --> 00:47:20,329

didn't do the show and I was like well

1144

00:47:23,230 --> 00:47:21,470

there's nothing to do

1145

00:47:25,269 --> 00:47:23,240

I could either over sensationalize it

1146

00:47:27,460 --> 00:47:25,279

like they do on television right or I

1147

00:47:30,520 --> 00:47:27,470

could just put out

1148

00:47:32,470 --> 00:47:30,530

a bunch of night-vision shots of nothing

1149

00:47:35,650 --> 00:47:32,480

for an hour and see how interesting that

1150

00:47:37,240 --> 00:47:35,660

is right it's yeah and it's very my

1151
00:47:38,020 --> 00:47:37,250
friends are Ghost Hunters say that's how

1152
00:47:40,570 --> 00:47:38,030
it normally is

1153
00:47:42,760 --> 00:47:40,580
yeah and their joke is if you want it if

1154
00:47:43,810 --> 00:47:42,770
you want to see a ghost don't stand next

1155
00:47:45,670 --> 00:47:43,820
to a ghost hunter

1156
00:47:48,370 --> 00:47:45,680
you know because they'll never see one

1157
00:47:51,790 --> 00:47:48,380
so that's why I went in an awful lot of

1158
00:47:56,349 --> 00:47:51,800
other haunted places and that you know I

1159
00:47:58,420 --> 00:47:56,359
just had the two experiences but it is a

1160
00:48:00,250 --> 00:47:58,430
good question of why and it's the same

1161
00:48:02,470 --> 00:48:00,260
thing with the creatures people will go

1162
00:48:05,250 --> 00:48:02,480
hunting for them don't normally run into

1163
00:48:07,870 --> 00:48:05,260

them it's it's a kind of a conundrum

1164

00:48:10,420 --> 00:48:07,880

yeah well we are getting pretty deep

1165

00:48:12,070 --> 00:48:10,430

into this interview and I was hoping you

1166

00:48:13,930 --> 00:48:12,080

could give the people a little bit of

1167

00:48:16,330 --> 00:48:13,940

information about your first book the

1168

00:48:18,310 --> 00:48:16,340

poison widow because I actually know

1169

00:48:20,920 --> 00:48:18,320

someone who told me about this book a

1170

00:48:22,270 --> 00:48:20,930

couple of years ago and the story kind

1171

00:48:24,820 --> 00:48:22,280

of stuck with me because it's pretty

1172

00:48:26,349 --> 00:48:24,830

creepy but it wasn't until we had

1173

00:48:27,849 --> 00:48:26,359

already had this interview scheduled

1174

00:48:29,890 --> 00:48:27,859

that I found out that you wrote that

1175

00:48:32,230 --> 00:48:29,900

book and that it was your first book so

1176
00:48:33,310 --> 00:48:32,240
that's kind of synchronistic but um can

1177
00:48:36,609 --> 00:48:33,320
you tell the people a little bit about

1178
00:48:39,430 --> 00:48:36,619
her story yeah it's called the poison

1179
00:48:43,420 --> 00:48:39,440
widow a true story of sin strychnine and

1180
00:48:45,940 --> 00:48:43,430
murder and it's the story of this petite

1181
00:48:46,450 --> 00:48:45,950
attractive little woman named Myrtle

1182
00:48:48,849 --> 00:48:46,460
shouta

1183
00:48:51,099 --> 00:48:48,859
who was married to the pillar of the

1184
00:48:54,310 --> 00:48:51,109
local Methodist Church in whitewater

1185
00:48:56,400 --> 00:48:54,320
Wisconsin he was a milkman had a little

1186
00:48:59,290 --> 00:48:56,410
little dairy they had four beautiful

1187
00:49:02,680 --> 00:48:59,300
wonderful children and they started

1188
00:49:04,480 --> 00:49:02,690

taking in boarders from the nearby they

1189

00:49:07,930 --> 00:49:04,490

called it a normal normal school now

1190

00:49:09,970 --> 00:49:07,940

it's uw-whitewater and she started she

1191

00:49:11,410 --> 00:49:09,980

had an affair with one of these student

1192

00:49:13,810 --> 00:49:11,420

boarders and between the two of them

1193

00:49:16,089 --> 00:49:13,820

they killed her husband with strychnine

1194

00:49:18,910 --> 00:49:16,099

and she would have gotten away with it

1195

00:49:22,000 --> 00:49:18,920

except then he wasn't so keen on having

1196

00:49:23,920 --> 00:49:22,010

the ready-made family and so she tried

1197

00:49:26,770 --> 00:49:23,930

to kill her four children as well and

1198

00:49:30,089 --> 00:49:26,780

then things just went really crazy Lea

1199

00:49:33,010 --> 00:49:30,099

right and it's just this it ends up just

1200

00:49:36,790 --> 00:49:33,020

nutty I did six years of research on it

1201

00:49:40,690 --> 00:49:36,800

and I discovered that she sort of

1202

00:49:41,170 --> 00:49:40,700

wheeled her way out of prison and got

1203

00:49:43,569 --> 00:49:41,180

out

1204

00:49:45,160 --> 00:49:43,579

and a whole another family who didn't

1205

00:49:46,809 --> 00:49:45,170

have the slightest idea who she was or

1206

00:49:48,880 --> 00:49:46,819

what she had done until I tracked them

1207

00:49:52,089 --> 00:49:48,890

down and basically said I know what your

1208

00:49:53,710 --> 00:49:52,099

granny did last century that is so

1209

00:49:57,490 --> 00:49:53,720

interesting like you did it yourself

1210

00:49:59,880 --> 00:49:57,500

like man that's powerful well you know I

1211

00:50:03,370 --> 00:49:59,890

just I really wanted to know how a woman

1212

00:50:05,200 --> 00:50:03,380

like her who I could find nothing in her

1213

00:50:07,960 --> 00:50:05,210

background you know - she grew up in

1214

00:50:10,410 --> 00:50:07,970

this you know happy close-knit farm

1215

00:50:13,359 --> 00:50:10,420

family with you know strong church ties

1216

00:50:15,970 --> 00:50:13,369

other than the fact that at age 17 she

1217

00:50:17,799 --> 00:50:15,980

married a 34 year old man you know so

1218

00:50:21,339 --> 00:50:17,809

there was kind of an and he was sort of

1219

00:50:23,890 --> 00:50:21,349

an authoritarian but well-liked and

1220

00:50:25,780 --> 00:50:23,900

well-respected man I couldn't find any

1221

00:50:27,910 --> 00:50:25,790

big thing in her history you know to

1222

00:50:29,799 --> 00:50:27,920

suggest why she might turn out like this

1223

00:50:31,329 --> 00:50:29,809

and and I wanted to know what what

1224

00:50:33,339 --> 00:50:31,339

happened to her and where she went

1225

00:50:36,520 --> 00:50:33,349

you know and that nobody seemed to know

1226

00:50:40,660 --> 00:50:36,530

so I just took it upon myself to keep

1227

00:50:42,910 --> 00:50:40,670

researching that and yeah I that there's

1228

00:50:44,530 --> 00:50:42,920

still really no rhyme or reason one of

1229

00:50:47,109 --> 00:50:44,540

the interesting things though is that I

1230

00:50:50,380 --> 00:50:47,119

discovered almost every place connected

1231

00:50:53,079 --> 00:50:50,390

with where she lived has now some

1232

00:50:56,740 --> 00:50:53,089

haunted aspect or some weird legend with

1233

00:50:59,079 --> 00:50:56,750

it oh that's interesting the part of the

1234

00:51:01,510 --> 00:50:59,089

case that that really stuck with me was

1235

00:51:04,270 --> 00:51:01,520

hearing the way she tried to get rid of

1236

00:51:06,520 --> 00:51:04,280

her four kids I mean didn't she yeah she

1237

00:51:08,289 --> 00:51:06,530

cooked she baked them some treats and

1238

00:51:11,640 --> 00:51:08,299

just put him in a car and hoped that

1239

00:51:15,000 --> 00:51:11,650

they would just all die him on the ride

1240

00:51:17,859 --> 00:51:15,010

well yeah actually she went downtown

1241

00:51:21,039 --> 00:51:17,869

whitewater and bought some four

1242

00:51:23,020 --> 00:51:21,049

beautiful big chocolate bonbons you know

1243

00:51:24,789 --> 00:51:23,030

that were with a filling because

1244

00:51:26,410 --> 00:51:24,799

strychnine is very bitter you have to

1245

00:51:27,760 --> 00:51:26,420

put it in something really sweet to

1246

00:51:29,740 --> 00:51:27,770

disguise that she had given it to her

1247

00:51:32,200 --> 00:51:29,750

husband and prune juice but kids weren't

1248

00:51:34,780 --> 00:51:32,210

gonna drink that so she got these

1249

00:51:36,400 --> 00:51:34,790

wonderful treats and back in the 20s you

1250

00:51:39,069 --> 00:51:36,410

know it wasn't like today's kids were

1251

00:51:41,309 --> 00:51:39,079

candies on it you know at on hand all

1252

00:51:45,010 --> 00:51:41,319

the time these were really special and

1253

00:51:47,920 --> 00:51:45,020

the oldest boy 16 Ralph was going to

1254

00:51:49,660 --> 00:51:47,930

drive and her plan was that they would

1255

00:51:51,130 --> 00:51:49,670

she told them not to eat the candy until

1256

00:51:54,860 --> 00:51:51,140

they were out in the country she sent

1257

00:51:56,390 --> 00:51:54,870

them out to buy potatoes and of course

1258

00:51:59,390 --> 00:51:56,400

her plan was that they would crash the

1259

00:52:00,740 --> 00:51:59,400

car and they would all get killed by the

1260

00:52:02,510 --> 00:52:00,750

strychnine but people would think it was

1261

00:52:04,220 --> 00:52:02,520

the car crash that killed them and she

1262

00:52:05,330 --> 00:52:04,230

didn't even use her own car she didn't

1263

00:52:07,880 --> 00:52:05,340

want her car to get wrecked so she

1264

00:52:10,430 --> 00:52:07,890

pretended hers was in the garage and

1265

00:52:12,470 --> 00:52:10,440

asked a professor who lived next door if

1266

00:52:14,360 --> 00:52:12,480

they could use his car hmm

1267

00:52:17,570 --> 00:52:14,370

so I mean you can see just how

1268

00:52:20,720 --> 00:52:17,580

calculating she was and the only trouble

1269

00:52:22,520 --> 00:52:20,730

was being kids and being so excited to

1270

00:52:26,510 --> 00:52:22,530

have this wonderful candy they all

1271

00:52:28,670 --> 00:52:26,520

immediately started eating it and the

1272

00:52:30,200 --> 00:52:28,680

little ones bit into it and they all

1273

00:52:31,760 --> 00:52:30,210

started spitting it out except the

1274

00:52:36,320 --> 00:52:31,770

teenager being a teenager gulped the

1275

00:52:38,510 --> 00:52:36,330

whole thing down and she and she still

1276
00:52:40,100 --> 00:52:38,520
let them go no I guess she thought well

1277
00:52:43,130 --> 00:52:40,110
he's driving he'll still probably crash

1278
00:52:45,350 --> 00:52:43,140
the car you know maybe though they'll

1279
00:52:47,660 --> 00:52:45,360
all be dead anyway was probably what she

1280
00:52:50,510 --> 00:52:47,670
was thinking so she let them go and he's

1281
00:52:52,760 --> 00:52:50,520
sure enough he started convulsing the 13

1282
00:52:54,260 --> 00:52:52,770
year old managed to commandeer the

1283
00:52:56,900 --> 00:52:54,270
steering wheel and get them back to town

1284
00:53:00,460 --> 00:52:56,910
to the doctors and luckily the children

1285
00:53:03,740 --> 00:53:00,470
were all saved but that brought in the

1286
00:53:05,870 --> 00:53:03,750
district attorney who again

1287
00:53:08,050 --> 00:53:05,880
synchronistically happened to be related

1288
00:53:11,180 --> 00:53:08,060

to my husband's family

1289

00:53:13,730 --> 00:53:11,190

yeah and it's it was kind of a weird

1290

00:53:15,890 --> 00:53:13,740

thing and she told him that this candy

1291

00:53:18,080 --> 00:53:15,900

lady from Milwaukee was sold her the

1292

00:53:21,260 --> 00:53:18,090

bonbons and so there there was this

1293

00:53:24,920 --> 00:53:21,270

multi countywide manhunt for this evil

1294

00:53:27,460 --> 00:53:24,930

poison candy lady mmm and nobody else

1295

00:53:29,540 --> 00:53:27,470

had seen her and so you know that she

1296

00:53:33,020 --> 00:53:29,550

Myrtle finally broke down and confessed

1297

00:53:36,380 --> 00:53:33,030

and that's when things went went awry

1298

00:53:37,940 --> 00:53:36,390

yeah I could not imagine you know some

1299

00:53:39,830 --> 00:53:37,950

woman coming to my door and being like

1300

00:53:41,300 --> 00:53:39,840

hey this is the backstory for your

1301

00:53:43,510 --> 00:53:41,310

grandmother because I'd be like wow

1302

00:53:46,700 --> 00:53:43,520

she's made a lot of food that I've eaten

1303

00:53:50,270 --> 00:53:46,710

that was exactly what they said you know

1304

00:53:52,790 --> 00:53:50,280

it was like because she had been sort of

1305

00:53:54,500 --> 00:53:52,800

the they had a family business and her

1306

00:53:56,750 --> 00:53:54,510

job was to sort of stay home and do all

1307

00:53:59,260 --> 00:53:56,760

the cooking and they said oh all those

1308

00:54:01,970 --> 00:53:59,270

meals we ate and the weirdest thing was

1309

00:54:04,490 --> 00:54:01,980

they said she would watch them sometimes

1310

00:54:06,680 --> 00:54:04,500

when she would introduce a new dish or

1311

00:54:09,230 --> 00:54:06,690

whatever she'd watch them eating it and

1312

00:54:13,670 --> 00:54:09,240

she'd be saying is it

1313

00:54:15,410 --> 00:54:13,680

is it good like that so I mean there's

1314

00:54:17,540 --> 00:54:15,420

and there's a lot more to the story than

1315

00:54:19,760 --> 00:54:17,550

that it's an incredible story and I

1316

00:54:23,660 --> 00:54:19,770

think would have been far more deserving

1317

00:54:25,280 --> 00:54:23,670

of a movie or a TV show than the beast

1318

00:54:27,320 --> 00:54:25,290

of Bray Road movie that's out there you

1319

00:54:31,610 --> 00:54:27,330

know it's it's it's already got all the

1320

00:54:33,320 --> 00:54:31,620

horror and intrigue just intrinsic to it

1321

00:54:37,160 --> 00:54:33,330

you know you wouldn't need to make up a

1322

00:54:39,560 --> 00:54:37,170

horror slasher film yeah that is pretty

1323

00:54:41,900 --> 00:54:39,570

creepy but I guess on that uplifting and

1324

00:54:43,490 --> 00:54:41,910

positive note it has been a great time

1325

00:54:45,770 --> 00:54:43,500

talking to you Linda a lot of

1326

00:54:47,660 --> 00:54:45,780

interesting stuff you've definitely

1327

00:54:49,430 --> 00:54:47,670

gotten me to take these Wolfman

1328

00:54:51,170 --> 00:54:49,440

encounters a little more seriously which

1329

00:54:52,880 --> 00:54:51,180

you'd like to give the people a little

1330

00:54:54,230 --> 00:54:52,890

bit of info about your website or tell

1331

00:54:55,640 --> 00:54:54,240

them about anything else you're
