

[www.freemantv.com](http://www.freemantv.com)

1  
00:00:05,910 --> 00:00:04,150  
how's it going folks greg carl wood here

2  
00:00:08,470 --> 00:00:05,920  
your humble host of the higher side

3  
00:00:10,150 --> 00:00:08,480  
chats podcast a marijuana fueled rom

4  
00:00:12,230 --> 00:00:10,160  
through the worlds of conspiracy the

5  
00:00:13,749 --> 00:00:12,240  
paranormal and the all-around fringe

6  
00:00:15,110 --> 00:00:13,759  
where i focus on trying to provide the

7  
00:00:16,070 --> 00:00:15,120  
best interviews with the most

8  
00:00:17,750 --> 00:00:16,080  
interesting guests

9  
00:00:19,510 --> 00:00:17,760  
on a whole host of strange and

10  
00:00:21,670 --> 00:00:19,520  
suppressed topics and to celebrate our

11  
00:00:24,230 --> 00:00:21,680  
100th episode we had 13 of my favorite

12  
00:00:25,029 --> 00:00:24,240  
guests pop in for short 10 to 15 minute

13  
00:00:26,630 --> 00:00:25,039

segments

14

00:00:28,070 --> 00:00:26,640

and some of them were so interesting

15

00:00:29,669 --> 00:00:28,080

that i wanted to pull them out of that

16

00:00:31,669 --> 00:00:29,679

massive three-hour show

17

00:00:33,910 --> 00:00:31,679

and let them be appreciated on their own

18

00:00:35,110 --> 00:00:33,920

in a way that's easier to find and share

19

00:00:36,870 --> 00:00:35,120

and all that good stuff

20

00:00:38,549 --> 00:00:36,880

so pack your glass and park your ass

21

00:00:40,950 --> 00:00:38,559

people and get your mind right for the

22

00:00:50,069 --> 00:00:40,960

journey ahead because these my friends

23

00:00:53,670 --> 00:00:51,750

all right guys freeman fly is here

24

00:00:55,830 --> 00:00:53,680

making an appearance on the big thc

25

00:00:58,630 --> 00:00:55,840

special you might remember freeman from

26

00:01:00,310 --> 00:00:58,640

episode 78 satanic celebrity rituals

27

00:01:03,349 --> 00:01:00,320

disney and aleister crowley

28

00:01:05,189 --> 00:01:03,359

one of my favorite researchers uh also

29

00:01:06,950 --> 00:01:05,199

one of the authors behind weird stuff

30

00:01:08,469 --> 00:01:06,960

him and jamie put that out i think weird

31

00:01:10,149 --> 00:01:08,479

stuff volume two is coming out right

32

00:01:12,789 --> 00:01:10,159

around the corner am i right man

33

00:01:13,830 --> 00:01:12,799

absolutely we are digging deep man

34

00:01:16,390 --> 00:01:13,840

running hard

35

00:01:17,270 --> 00:01:16,400

very cool so yeah i really wanted to

36

00:01:18,710 --> 00:01:17,280

talk to you about

37

00:01:19,830 --> 00:01:18,720

something we didn't get to touch on when

38

00:01:21,429 --> 00:01:19,840

you were here last but it's a

39

00:01:23,429 --> 00:01:21,439

fascinating thread of research and

40

00:01:25,030 --> 00:01:23,439

that's this idea that obama might

41

00:01:26,390 --> 00:01:25,040

actually be a clone of the egyptian

42

00:01:27,830 --> 00:01:26,400

pharaoh akhenaten

43

00:01:29,749 --> 00:01:27,840

i know that you've been looking into

44

00:01:31,190 --> 00:01:29,759

this possibility for a long time but

45

00:01:32,870 --> 00:01:31,200

it's pretty far out man i mean what's

46

00:01:34,950 --> 00:01:32,880

the evidence for this

47

00:01:36,149 --> 00:01:34,960

you know and and that's the the amazing

48

00:01:37,910 --> 00:01:36,159

part for me is

49

00:01:39,749 --> 00:01:37,920

is i wish that this thing would just

50

00:01:41,990 --> 00:01:39,759

drop uh because

51  
00:01:43,990 --> 00:01:42,000  
you know i lost a lot of listeners when

52  
00:01:46,069 --> 00:01:44,000  
i started really pushing this i'm like

53  
00:01:47,590 --> 00:01:46,079  
you guys you've got to see this you

54  
00:01:49,109 --> 00:01:47,600  
really need to understand what i'm

55  
00:01:52,550 --> 00:01:49,119  
trying to say to you

56  
00:01:55,510 --> 00:01:52,560  
uh realize that yes it's been six years

57  
00:01:55,830 --> 00:01:55,520  
that i've been talking about this and i

58  
00:01:59,030 --> 00:01:55,840  
i

59  
00:02:00,630 --> 00:01:59,040  
barack and

60  
00:02:02,550 --> 00:02:00,640  
you know cut the obama face and the

61  
00:02:03,749 --> 00:02:02,560  
akhenaten face in half and they were an

62  
00:02:06,550 --> 00:02:03,759  
exact match

63  
00:02:07,190 --> 00:02:06,560

found queen t which would be akhenaten's

64

00:02:09,990 --> 00:02:07,200

mothers

65

00:02:11,670 --> 00:02:10,000

and she was an exact match for michelle

66

00:02:13,110 --> 00:02:11,680

i mean when i saw the picture of queen t

67

00:02:14,790 --> 00:02:13,120

i was blown away

68

00:02:16,630 --> 00:02:14,800

because i didn't know i was gonna find

69

00:02:18,309 --> 00:02:16,640

this you know and

70

00:02:20,390 --> 00:02:18,319

when you see a picture of queen t you'll

71

00:02:21,030 --> 00:02:20,400

see what i mean she's identical i mean

72

00:02:23,110 --> 00:02:21,040

she is

73

00:02:25,270 --> 00:02:23,120

michelle obama but this would make

74

00:02:28,790 --> 00:02:25,280

michelle

75

00:02:31,190 --> 00:02:28,800

uh barack's mother right yeah

76

00:02:33,270 --> 00:02:31,200

so then when we started getting a little

77

00:02:34,630 --> 00:02:33,280

deeper and and jamie looks over at me

78

00:02:36,470 --> 00:02:34,640

and she says you're not gonna believe

79

00:02:38,150 --> 00:02:36,480

this but you know akhenaten is always

80

00:02:40,550 --> 00:02:38,160

shown with his two daughters

81

00:02:42,229 --> 00:02:40,560

and i'm like oh you're so right so you

82

00:02:43,670 --> 00:02:42,239

know we just went and got the pictures

83

00:02:46,630 --> 00:02:43,680

of the two daughters and

84

00:02:48,470 --> 00:02:46,640

oh my god they're malaya and sasha so

85

00:02:49,350 --> 00:02:48,480

now i'm freaking out i'm like but i have

86

00:02:52,390 --> 00:02:49,360

no evidence

87

00:02:53,509 --> 00:02:52,400

you know because one thing the kv-55

88

00:02:56,470 --> 00:02:53,519

mummy mystery

89

00:02:57,750 --> 00:02:56,480

look into it for a hundred plus years

90

00:03:01,030 --> 00:02:57,760

akhenaten's body

91

00:03:03,910 --> 00:03:01,040

has been denied they had found a mummy

92

00:03:06,229 --> 00:03:03,920

in this tomb they call the the kings

93

00:03:09,270 --> 00:03:06,239

valley 55

94

00:03:10,229 --> 00:03:09,280

and the the the issue was that all of

95

00:03:13,030 --> 00:03:10,239

akhenaten's

96

00:03:14,790 --> 00:03:13,040

cartouches and names have been scratched

97

00:03:18,070 --> 00:03:14,800

ritually from the walls

98

00:03:21,110 --> 00:03:18,080

so that no sign of him was left weird

99

00:03:24,309 --> 00:03:21,120

and then the tomb was resealed

100

00:03:27,190 --> 00:03:24,319

it was desecrated and resealed without

101  
00:03:28,949 --> 00:03:27,200  
anything being stolen you know queen t's

102  
00:03:31,270 --> 00:03:28,959  
toilet was still there

103  
00:03:32,710 --> 00:03:31,280  
malaya and sasha's parts were still

104  
00:03:35,430 --> 00:03:32,720  
there everything or

105  
00:03:37,910 --> 00:03:35,440  
you know his daughters yeah everything

106  
00:03:39,830 --> 00:03:37,920  
was still there so they had desecrated

107  
00:03:42,869 --> 00:03:39,840  
akhenaten's tomb and then

108  
00:03:44,869 --> 00:03:42,879  
resealed it and so for a hundred plus

109  
00:03:45,430 --> 00:03:44,879  
years this has been an archaeological

110  
00:03:47,910 --> 00:03:45,440  
mystery

111  
00:03:49,430 --> 00:03:47,920  
was it akhenaten or wasn't it when the

112  
00:03:51,670 --> 00:03:49,440  
archaeologist sent the

113  
00:03:52,869 --> 00:03:51,680

the mummy to a doctor well he first had

114

00:03:54,789 --> 00:03:52,879

a doctor come in

115

00:03:55,990 --> 00:03:54,799

to the tomb and the doctor said well

116

00:03:58,390 --> 00:03:56,000

this is a woman

117

00:04:00,390 --> 00:03:58,400

because the hips were so wide then he

118

00:04:01,190 --> 00:04:00,400

sent parts of the mummy out to a doctor

119

00:04:03,030 --> 00:04:01,200

and he

120

00:04:04,949 --> 00:04:03,040

looked into it and said well no this is

121

00:04:06,789 --> 00:04:04,959

a man so this whole

122

00:04:08,470 --> 00:04:06,799

problem of deciding whether that was

123

00:04:10,949 --> 00:04:08,480

actually akhenaten's mummy

124

00:04:12,309 --> 00:04:10,959

arose right from the beginning and there

125

00:04:14,550 --> 00:04:12,319

was a debate that ran

126

00:04:16,550 --> 00:04:14,560

now akhenaten was always described as

127

00:04:17,749 --> 00:04:16,560

having these weird big hips and looking

128

00:04:20,710 --> 00:04:17,759

like some uh

129

00:04:21,349 --> 00:04:20,720

well people say he had marfan's syndrome

130

00:04:23,270 --> 00:04:21,359

which

131

00:04:25,030 --> 00:04:23,280

doesn't fit the bill because he was a

132

00:04:27,670 --> 00:04:25,040

very articulate poet

133

00:04:28,870 --> 00:04:27,680

and a very uh amazing statesman to the

134

00:04:31,749 --> 00:04:28,880

point that the

135

00:04:32,390 --> 00:04:31,759

secret societies still revere him to

136

00:04:34,469 --> 00:04:32,400

this day

137

00:04:35,510 --> 00:04:34,479

so the rosicrucians have a shrine to

138

00:04:38,070 --> 00:04:35,520

akhenaten

139

00:04:39,670 --> 00:04:38,080

every free masonic grand lodge has a

140

00:04:43,350 --> 00:04:39,680

shrine to akhenaten

141

00:04:45,830 --> 00:04:43,360

the uh 33rd degree mason uh manly p hall

142

00:04:47,270 --> 00:04:45,840

was saying that akhenaten was born 2 000

143

00:04:50,390 --> 00:04:47,280

years too soon

144

00:04:52,310 --> 00:04:50,400

so he is their man well as

145

00:04:54,310 --> 00:04:52,320

i started to put this all out to the

146

00:04:55,350 --> 00:04:54,320

world and say look i believe these

147

00:04:58,390 --> 00:04:55,360

people are clones

148

00:05:01,029 --> 00:04:58,400

why because there are four faces that i

149

00:05:01,590 --> 00:05:01,039

have put together of a single family in

150

00:05:04,629 --> 00:05:01,600

egypt

151

00:05:05,270 --> 00:05:04,639

3 500 years ago and the single first

152

00:05:08,310 --> 00:05:05,280

family

153

00:05:10,469 --> 00:05:08,320

of now and they all match exactly that

154

00:05:11,909 --> 00:05:10,479

is a physical impossibility

155

00:05:13,670 --> 00:05:11,919

if you could come up with a better

156

00:05:16,870 --> 00:05:13,680

explanation than cloning

157

00:05:18,870 --> 00:05:16,880

i would love to hear it now let me just

158

00:05:21,590 --> 00:05:18,880

say that i was putting all of this out

159

00:05:22,550 --> 00:05:21,600

before they had announced that they

160

00:05:25,670 --> 00:05:22,560

actually had

161

00:05:27,990 --> 00:05:25,680

akhenaten's dna it was

162

00:05:28,870 --> 00:05:28,000

see i tried to get the story out before

163

00:05:31,909 --> 00:05:28,880

obama

164

00:05:33,909 --> 00:05:31,919

came forward about human cloning which

165

00:05:35,830 --> 00:05:33,919

you'll you can get that in my dvd

166

00:05:37,189 --> 00:05:35,840

most people didn't even know the

167

00:05:39,990 --> 00:05:37,199

president came out

168

00:05:42,629 --> 00:05:40,000

and released the restrictions on stem

169

00:05:44,950 --> 00:05:42,639

cell research leading to human cloning

170

00:05:46,950 --> 00:05:44,960

it was this has been a battle since

171

00:05:48,870 --> 00:05:46,960

schwarzenegger and bush were battling

172

00:05:51,749 --> 00:05:48,880

over the human clone project

173

00:05:54,550 --> 00:05:51,759

while raelians were talking about it in

174

00:05:58,309 --> 00:05:54,560

congress in their puffy white spacesuits

175

00:06:01,029 --> 00:05:58,319

right you know yeah this was the

176  
00:06:02,950 --> 00:06:01,039  
the advocate for human cloning raw elle

177  
00:06:04,790 --> 00:06:02,960  
wearing his white puffy spacesuit with a

178  
00:06:05,110 --> 00:06:04,800  
star david and a swastika around his

179  
00:06:07,189 --> 00:06:05,120  
neck

180  
00:06:08,950 --> 00:06:07,199  
speaking before congress saying we are

181  
00:06:10,550 --> 00:06:08,960  
going to clone people whether you want

182  
00:06:14,469 --> 00:06:10,560  
it or not because it's not

183  
00:06:14,870 --> 00:06:14,479  
hard you can clone the first clone was

184  
00:06:17,510 --> 00:06:14,880  
made

185  
00:06:19,189 --> 00:06:17,520  
with a baby's hair the man took a piece

186  
00:06:21,350 --> 00:06:19,199  
of his baby's hair and he split

187  
00:06:23,189 --> 00:06:21,360  
a frog's egg in half and he utilized

188  
00:06:26,550 --> 00:06:23,199

that to make the first clone

189

00:06:29,670 --> 00:06:26,560

okay that's how simple this is yes wow

190

00:06:30,150 --> 00:06:29,680

that's nuts yeah that's how simple but

191

00:06:33,350 --> 00:06:30,160

wait

192

00:06:35,189 --> 00:06:33,360

it gets better sure because all of a

193

00:06:35,990 --> 00:06:35,199

sudden they announce that they have the

194

00:06:37,590 --> 00:06:36,000

dna

195

00:06:39,029 --> 00:06:37,600

they announce it on the discovery

196

00:06:42,230 --> 00:06:39,039

channel under king tut

197

00:06:44,230 --> 00:06:42,240

unwrapped they show you the kv-55 mummy

198

00:06:46,230 --> 00:06:44,240

dna and say yes we have it

199

00:06:47,510 --> 00:06:46,240

the head of the giza plateau comes

200

00:06:49,830 --> 00:06:47,520

forward and says to all the

201  
00:06:51,510 --> 00:06:49,840  
archaeologists who are now upset

202  
00:06:52,950 --> 00:06:51,520  
saying wait a minute you know you had

203  
00:06:55,589 --> 00:06:52,960  
akhenaten all along

204  
00:06:56,550 --> 00:06:55,599  
zahi hawas the giza plateau secretary

205  
00:06:58,950 --> 00:06:56,560  
says well yes

206  
00:07:01,830 --> 00:06:58,960  
it was a national security secret and

207  
00:07:03,110 --> 00:07:01,840  
until i built my own dna lab under the

208  
00:07:04,469 --> 00:07:03,120  
cairo museum

209  
00:07:06,309 --> 00:07:04,479  
i did not want to release this

210  
00:07:08,390 --> 00:07:06,319  
information to the world

211  
00:07:09,830 --> 00:07:08,400  
okay so now we got the dna now we got

212  
00:07:12,950 --> 00:07:09,840  
the the lab below

213  
00:07:16,150 --> 00:07:12,960

the the giza museum

214

00:07:18,309 --> 00:07:16,160

or the cairo museum and i'm still saying

215

00:07:21,510 --> 00:07:18,319

wait a minute there's one person still

216

00:07:24,710 --> 00:07:21,520

missing here and that is uh

217

00:07:25,350 --> 00:07:24,720

akhenaten's wife yeah the lovely

218

00:07:28,629 --> 00:07:25,360

beautiful

219

00:07:31,350 --> 00:07:28,639

nefertiti right right well

220

00:07:33,990 --> 00:07:31,360

so two three weeks ago i decided to

221

00:07:37,189 --> 00:07:34,000

release my image of nefertiti

222

00:07:38,390 --> 00:07:37,199

with beyonce and i'm blown away again

223

00:07:40,629 --> 00:07:38,400

because once again

224

00:07:42,790 --> 00:07:40,639

they are an exact match and i knew it

225

00:07:45,510 --> 00:07:42,800

would be beyonce you know she came out

226  
00:07:48,230 --> 00:07:45,520  
singing at my at last my love has come

227  
00:07:49,189 --> 00:07:48,240  
at the inauguration she was you know

228  
00:07:51,830 --> 00:07:49,199  
singing

229  
00:07:53,909 --> 00:07:51,840  
ava maria in the great pyramids at last

230  
00:07:57,189 --> 00:07:53,919  
my love has come that's a very uh

231  
00:07:58,309 --> 00:07:57,199  
prophetic song to sing can you can you

232  
00:08:01,110 --> 00:07:58,319  
deny this stuff

233  
00:08:03,510 --> 00:08:01,120  
right right well all of a sudden i

234  
00:08:05,430 --> 00:08:03,520  
release this image of beyonce as

235  
00:08:05,830 --> 00:08:05,440  
nefertiti and again they're a perfect

236  
00:08:08,550 --> 00:08:05,840  
match

237  
00:08:09,270 --> 00:08:08,560  
now we're talking five faces of a single

238  
00:08:12,629 --> 00:08:09,280

family

239

00:08:14,869 --> 00:08:12,639

and five faces when all lo and behold

240

00:08:17,670 --> 00:08:14,879

french newspapers come forward saying

241

00:08:18,950 --> 00:08:17,680

barack obama and beyonce are having an

242

00:08:22,790 --> 00:08:18,960

affair

243

00:08:23,350 --> 00:08:22,800

boom boom boom two weeks after i

244

00:08:25,110 --> 00:08:23,360

released

245

00:08:26,790 --> 00:08:25,120

yeah as soon as i heard that affair

246

00:08:27,749 --> 00:08:26,800

thing i knew i was like freeman's gonna

247

00:08:30,629 --> 00:08:27,759

love this

248

00:08:33,190 --> 00:08:30,639

it fits right in well you know and it

249

00:08:36,149 --> 00:08:33,200

came two weeks after i released the idea

250

00:08:36,870 --> 00:08:36,159

i went on the air and said hey nefert or

251

00:08:40,230 --> 00:08:36,880

beyonce

252

00:08:43,190 --> 00:08:40,240

would be barack's true wife because

253

00:08:45,430 --> 00:08:43,200

michelle would be his mother and then

254

00:08:48,870 --> 00:08:45,440

boom that story broke

255

00:08:51,990 --> 00:08:48,880

yeah the part that seems uh to fit

256

00:08:54,230 --> 00:08:52,000

the least or the weirdest part is that

257

00:08:56,550 --> 00:08:54,240

michelle obama would be his mother is

258

00:08:58,870 --> 00:08:56,560

there any uh reason for that

259

00:09:00,550 --> 00:08:58,880

well that's not that unusual in egypt to

260

00:09:03,269 --> 00:09:00,560

be honest with you

261

00:09:03,990 --> 00:09:03,279

and the truth of the matter is that uh

262

00:09:05,990 --> 00:09:04,000

queen t

263

00:09:07,829 --> 00:09:06,000

and amenotep iii who would be

264

00:09:10,630 --> 00:09:07,839

akhenaten's

265

00:09:11,750 --> 00:09:10,640

they were the first grandiose uh

266

00:09:15,269 --> 00:09:11,760

pharonic

267

00:09:17,509 --> 00:09:15,279

couple now queen t she's she's a mystery

268

00:09:18,389 --> 00:09:17,519

she had been in power since she was four

269

00:09:20,389 --> 00:09:18,399

years old

270

00:09:22,389 --> 00:09:20,399

she came from nowhere no one really

271

00:09:25,670 --> 00:09:22,399

knows much about her

272

00:09:27,030 --> 00:09:25,680

her past she's a nubian so she was kind

273

00:09:29,430 --> 00:09:27,040

of tossed into this

274

00:09:30,230 --> 00:09:29,440

mix out of nowhere she's the mystery

275

00:09:31,990 --> 00:09:30,240

card

276

00:09:34,470 --> 00:09:32,000

but they have what they call the

277

00:09:36,949 --> 00:09:34,480

colossus of memnon

278

00:09:38,550 --> 00:09:36,959

and these are two massive massive

279

00:09:42,150 --> 00:09:38,560

statues of amenitep

280

00:09:43,110 --> 00:09:42,160

iii and queen t showing little people at

281

00:09:45,350 --> 00:09:43,120

their feet

282

00:09:47,509 --> 00:09:45,360

but they are the first mammoth

283

00:09:50,870 --> 00:09:47,519

depictions of this pharonic

284

00:09:51,190 --> 00:09:50,880

line and now they are called the howling

285

00:09:54,230 --> 00:09:51,200

or

286

00:09:58,230 --> 00:09:54,240

singing colossi of memnon

287

00:10:01,269 --> 00:09:58,240

because uh they now whistle or sing

288

00:10:03,430 --> 00:10:01,279

when the wind blows through hmm

289

00:10:05,509 --> 00:10:03,440

well another thing that fuels this fire

290

00:10:07,990 --> 00:10:05,519

uh obama has a scar

291

00:10:10,069 --> 00:10:08,000

on his head right there's a lot of

292

00:10:12,230 --> 00:10:10,079

speculation about what that's about

293

00:10:14,389 --> 00:10:12,240

yeah akhenaten was always known as the

294

00:10:15,190 --> 00:10:14,399

extraterrestrial king yeah there's even

295

00:10:17,590 --> 00:10:15,200

a book called

296

00:10:19,750 --> 00:10:17,600

akhenaten the extraterrestrial king he's

297

00:10:22,230 --> 00:10:19,760

the one the go-to guy for people with

298

00:10:26,069 --> 00:10:22,240

ancient alien hypotheses because

299

00:10:29,350 --> 00:10:26,079

he had this cone head and these big hips

300

00:10:31,670 --> 00:10:29,360

and uh was somewhat hermaphroditic yikes

301

00:10:33,990 --> 00:10:31,680

that's why they had the whole trouble

302

00:10:35,829 --> 00:10:34,000

and of course the first questions that

303

00:10:36,870 --> 00:10:35,839

started coming to me when i proposed

304

00:10:39,750 --> 00:10:36,880

this theory

305

00:10:40,470 --> 00:10:39,760

was well why doesn't he have a cone head

306

00:10:43,110 --> 00:10:40,480

and

307

00:10:44,470 --> 00:10:43,120

you know the daughters of akhenaten also

308

00:10:45,829 --> 00:10:44,480

had cone heads

309

00:10:47,670 --> 00:10:45,839

so we'll have to see what happens when

310

00:10:50,870 --> 00:10:47,680

they start to lose their hair but

311

00:10:52,870 --> 00:10:50,880

certainly when barack obama began losing

312

00:10:53,910 --> 00:10:52,880

his hair as all our presidents do under

313

00:10:57,030 --> 00:10:53,920

that stress

314

00:10:58,949 --> 00:10:57,040

we see these weird head scars and i'm

315

00:11:01,030 --> 00:10:58,959

like well there you go

316

00:11:02,949 --> 00:11:01,040

yeah they fixed it you could see almost

317

00:11:04,550 --> 00:11:02,959

perfectly where they would have cut out

318

00:11:06,949 --> 00:11:04,560

this cone

319

00:11:09,350 --> 00:11:06,959

and and but that is so there it was

320

00:11:12,550 --> 00:11:09,360

again and so the evidence just keeps

321

00:11:15,590 --> 00:11:12,560

piling up over and over that i can't

322

00:11:17,350 --> 00:11:15,600

seem to drop the story

323

00:11:19,750 --> 00:11:17,360

and there is some type of correlation

324

00:11:21,269 --> 00:11:19,760

with the first family's code names right

325

00:11:23,509 --> 00:11:21,279

with the secret service

326

00:11:24,550 --> 00:11:23,519

absolutely i mean that was another thing

327

00:11:26,790 --> 00:11:24,560

all right so

328

00:11:28,310 --> 00:11:26,800

ochnotnum was known as the renegade

329

00:11:30,710 --> 00:11:28,320

pharaoh because he

330

00:11:33,670 --> 00:11:30,720

uh flipped egypt on its head he did away

331

00:11:36,550 --> 00:11:33,680

with the the multi-pantheon of gods and

332

00:11:38,310 --> 00:11:36,560

and brought in the idea of monotheism to

333

00:11:38,710 --> 00:11:38,320

the point that sigmund freud thought

334

00:11:41,670 --> 00:11:38,720

that

335

00:11:44,310 --> 00:11:41,680

akhenaten was moises you can find a lot

336

00:11:46,389 --> 00:11:44,320

of work about akhenaten being moises now

337

00:11:47,509 --> 00:11:46,399

that puts a whole other play on this i'm

338

00:11:50,629 --> 00:11:47,519

saying therefore

339

00:11:52,949 --> 00:11:50,639

yeah obama is mooses right

340

00:11:53,910 --> 00:11:52,959

but akhenaten was the renegade pharaoh

341

00:11:56,470 --> 00:11:53,920

because he destroyed

342

00:11:57,670 --> 00:11:56,480

or changed everything you know destroyed

343

00:11:59,910 --> 00:11:57,680

for the priest craft

344

00:12:01,670 --> 00:11:59,920

what their way of life and and moved the

345

00:12:02,870 --> 00:12:01,680

capital even did everything so they

346

00:12:05,030 --> 00:12:02,880

called him the renegade

347

00:12:07,430 --> 00:12:05,040

and that's uh what they call barack

348

00:12:09,750 --> 00:12:07,440

obama in the secret service

349

00:12:11,110 --> 00:12:09,760

now that's a very unique name to give to

350

00:12:13,670 --> 00:12:11,120

a president meaning

351

00:12:15,269 --> 00:12:13,680

that the definition of renegade is one

352

00:12:18,069 --> 00:12:15,279

that turns on his people

353

00:12:18,870 --> 00:12:18,079

or his political party everything you

354

00:12:21,829 --> 00:12:18,880

could think

355

00:12:23,750 --> 00:12:21,839

as far as a turn coat anything look up

356

00:12:23,990 --> 00:12:23,760

the definition of renegade and you've

357

00:12:26,069 --> 00:12:24,000

got

358

00:12:27,750 --> 00:12:26,079

this turn code so now they're giving

359

00:12:28,790 --> 00:12:27,760

that name to our president one that will

360

00:12:31,110 --> 00:12:28,800

turn on his friends

361

00:12:33,110 --> 00:12:31,120

political family parties and family

362

00:12:35,990 --> 00:12:33,120

that's the definition of renegade

363

00:12:37,269 --> 00:12:36,000

and then michelle she was given the name

364

00:12:39,430 --> 00:12:37,279

renaissance

365

00:12:40,790 --> 00:12:39,440

now this means rebirth brought back to

366

00:12:43,750 --> 00:12:40,800

life true

367

00:12:45,990 --> 00:12:43,760

uh so we got that in there and then when

368

00:12:48,550 --> 00:12:46,000

you see the picture of akhenaten with

369

00:12:49,829 --> 00:12:48,560

nefertiti and the two daughters with

370

00:12:51,829 --> 00:12:49,839

coneheads

371

00:12:54,790 --> 00:12:51,839

they are there's two other things in the

372

00:12:56,230 --> 00:12:54,800

picture and that is the rays of the sun

373

00:12:59,030 --> 00:12:56,240

god coming down

374

00:13:01,110 --> 00:12:59,040

the attend and that was the rays of the

375

00:13:04,310 --> 00:13:01,120

sun with the daughters holding up

376

00:13:06,870 --> 00:13:04,320

the rosebuds to the rays and of course

377

00:13:07,350 --> 00:13:06,880

malaya and sasha's secret service names

378

00:13:09,990 --> 00:13:07,360

are

379

00:13:11,269 --> 00:13:10,000

radiance for the rays of the sun and

380

00:13:14,710 --> 00:13:11,279

rosebud

381

00:13:18,069 --> 00:13:14,720

damn it fits i mean

382

00:13:19,670 --> 00:13:18,079

you can't make this stuff up yeah it's

383

00:13:21,509 --> 00:13:19,680

creepy stuff though man i mean

384

00:13:23,990 --> 00:13:21,519

i wonder what the motivation is behind

385

00:13:26,310 --> 00:13:24,000

that just to do it i mean i know that

386

00:13:28,230 --> 00:13:26,320

behind the scenes all these high-level

387

00:13:29,030 --> 00:13:28,240

elites they worship all this ancient

388

00:13:30,870 --> 00:13:29,040

stuff

389

00:13:32,470 --> 00:13:30,880

so maybe it just has to do with that but

390

00:13:34,069 --> 00:13:32,480

if akhenaten really was

391

00:13:35,750 --> 00:13:34,079

some type of extraterrestrial i mean

392

00:13:37,670 --> 00:13:35,760

they could be tapping into an et

393

00:13:40,629 --> 00:13:37,680

bloodline

394

00:13:42,389 --> 00:13:40,639

yeah yeah exactly i mean like i say they

395

00:13:45,110 --> 00:13:42,399

they venerate this man

396

00:13:46,389 --> 00:13:45,120

hugely to the point that every masonic

397

00:13:49,670 --> 00:13:46,399

grand lodge

398

00:13:52,550 --> 00:13:49,680

has a temple to akhenaten uh

399

00:13:53,910 --> 00:13:52,560

and very interesting extraterrestrial

400

00:13:56,629 --> 00:13:53,920

connections as well

401  
00:13:58,870 --> 00:13:56,639  
so within the philadelphia lodge which

402  
00:14:01,030 --> 00:13:58,880  
would be benjamin franklin's lodge

403  
00:14:02,870 --> 00:14:01,040  
which he was then disallowed to enter

404  
00:14:04,790 --> 00:14:02,880  
after he left for france and joined the

405  
00:14:06,710 --> 00:14:04,800  
hell's fire club but that's the way our

406  
00:14:09,189 --> 00:14:06,720  
president's role

407  
00:14:11,189 --> 00:14:09,199  
but within the philadelphia lodge i walk

408  
00:14:13,750 --> 00:14:11,199  
into the akhenaten room

409  
00:14:14,470 --> 00:14:13,760  
the grand ball egyptian room they have

410  
00:14:17,430 --> 00:14:14,480  
there

411  
00:14:18,790 --> 00:14:17,440  
and i immediately see that in each of

412  
00:14:23,110 --> 00:14:18,800  
the corners of the room

413  
00:14:25,430 --> 00:14:23,120

is the the blazing star of freemasonry

414

00:14:26,150 --> 00:14:25,440

now the blazing star of freemasonry is

415

00:14:30,150 --> 00:14:26,160

the star

416

00:14:32,069 --> 00:14:30,160

sirius and they are very into serious

417

00:14:34,310 --> 00:14:32,079

and they're very serious about sirius

418

00:14:36,870 --> 00:14:34,320

but in the in the middle of the

419

00:14:37,509 --> 00:14:36,880

ceiling in the akhenaten room there was

420

00:14:40,629 --> 00:14:37,519

also

421

00:14:42,629 --> 00:14:40,639

the dogon this tribe from mali africa

422

00:14:44,230 --> 00:14:42,639

that claims that they had been contacted

423

00:14:47,350 --> 00:14:44,240

by a fish race

424

00:14:50,150 --> 00:14:47,360

from sirius and they were given a symbol

425

00:14:51,990 --> 00:14:50,160

to depict sirius and that symbol is in

426  
00:14:53,509 --> 00:14:52,000  
the ceiling of the akhenaten room in the

427  
00:14:55,990 --> 00:14:53,519  
grand lodge of freemasonry in

428  
00:14:57,269 --> 00:14:56,000  
philadelphia as well surrounded by the

429  
00:15:00,870 --> 00:14:57,279  
blazing stars which

430  
00:15:03,110 --> 00:15:00,880  
equate to sirius as well man

431  
00:15:03,910 --> 00:15:03,120  
it's it all kind of fits together man

432  
00:15:07,030 --> 00:15:03,920  
it's uh

433  
00:15:09,990 --> 00:15:07,040  
it would be such a crazy revelation

434  
00:15:10,949 --> 00:15:10,000  
that the whole first family is egyptian

435  
00:15:12,470 --> 00:15:10,959  
clones but

436  
00:15:15,350 --> 00:15:12,480  
you're putting those pieces together man

437  
00:15:17,590 --> 00:15:15,360  
and uh the picture is getting more clear

438  
00:15:19,790 --> 00:15:17,600

and and the truth would be that the free

439

00:15:22,629 --> 00:15:19,800

masonic order would actually be an

440

00:15:22,949 --> 00:15:22,639

extraterrestrial secret society that has

441

00:15:24,949 --> 00:15:22,959

uh

442

00:15:26,230 --> 00:15:24,959

contacts and roots that go all the way

443

00:15:30,629 --> 00:15:26,240

back to this

444

00:15:33,670 --> 00:15:30,639

ancient contact wow icing on the cake

445

00:15:35,350 --> 00:15:33,680

yeah damn well man i know this is just a

446

00:15:37,030 --> 00:15:35,360

quick spot i really appreciate you

447

00:15:37,590 --> 00:15:37,040

coming on you never fail to bring your a

448

00:15:39,910 --> 00:15:37,600

game

449

00:15:41,030 --> 00:15:39,920

thanks for being part of the 100th

450

00:15:43,269 --> 00:15:41,040

episode thc

451  
00:15:44,790 --> 00:15:43,279  
special always a pleasure before i let

452  
00:15:46,150 --> 00:15:44,800  
you go i know weird stuff too is coming

453  
00:15:47,430 --> 00:15:46,160  
out we mentioned that you want to give

454  
00:15:49,110 --> 00:15:47,440  
the people a little bit of information

455  
00:15:49,509 --> 00:15:49,120  
on what that's going to contain and when

456  
00:15:52,310 --> 00:15:49,519  
it

457  
00:15:54,629 --> 00:15:52,320  
might actually be releasing certainly

458  
00:15:56,069 --> 00:15:54,639  
and thank you greg man thc is a great

459  
00:15:58,230 --> 00:15:56,079  
thing i'm i'm really honored to be a

460  
00:16:00,629 --> 00:15:58,240  
part of your 100th episode so i

461  
00:16:03,509 --> 00:16:00,639  
thank you for that too kind you know

462  
00:16:04,069 --> 00:16:03,519  
everything is at freemantv.com so if you

463  
00:16:05,590 --> 00:16:04,079

want to check

464

00:16:07,910 --> 00:16:05,600

all of this stuff out it's all right

465

00:16:09,990 --> 00:16:07,920

there weird stuff part two is gonna get

466

00:16:12,150 --> 00:16:10,000

a bit darker y'all you know we're

467

00:16:13,990 --> 00:16:12,160

into the the belly of the beast at this

468

00:16:16,550 --> 00:16:14,000

point as the trilogy goes

469

00:16:18,470 --> 00:16:16,560

and this one is getting into

470

00:16:21,110 --> 00:16:18,480

trauma-based mind control

471

00:16:22,230 --> 00:16:21,120

and the social effects of trauma-based

472

00:16:24,870 --> 00:16:22,240

mind control

473

00:16:26,710 --> 00:16:24,880

the uh it gets to the lighter side as

474

00:16:29,749 --> 00:16:26,720

well showing that humanity

475

00:16:30,710 --> 00:16:29,759

is actually good that it is a it

476  
00:16:32,629 --> 00:16:30,720  
requires

477  
00:16:33,990 --> 00:16:32,639  
trauma-based mind control to get the

478  
00:16:35,990 --> 00:16:34,000  
human to kill

479  
00:16:38,230 --> 00:16:36,000  
so this is something that we cover very

480  
00:16:39,350 --> 00:16:38,240  
deeply showing that humanity is not a

481  
00:16:41,269 --> 00:16:39,360  
killer race

482  
00:16:42,870 --> 00:16:41,279  
and that it actually requires great

483  
00:16:45,269 --> 00:16:42,880  
effort to to make us

484  
00:16:47,030 --> 00:16:45,279  
into killers so this will be the big

485  
00:16:49,030 --> 00:16:47,040  
part and i'll tell you we shared it with

486  
00:16:50,310 --> 00:16:49,040  
uh trauma-based mind control victim

487  
00:16:53,590 --> 00:16:50,320  
kathy o'brien

488  
00:16:56,069 --> 00:16:53,600

who was abused by dick cheney and

489

00:16:56,710 --> 00:16:56,079

she said it was the best most concise

490

00:16:59,030 --> 00:16:56,720

version

491

00:17:02,069 --> 00:16:59,040

of trauma-based mind control that she

492

00:17:03,990 --> 00:17:02,079

had ever seen now she is not allowed to

493

00:17:05,510 --> 00:17:04,000

say anything publicly about it and i

494

00:17:07,590 --> 00:17:05,520

hope i don't get her in trouble for

495

00:17:08,630 --> 00:17:07,600

her giving me this comment but she

496

00:17:10,390 --> 00:17:08,640

thought you know

497

00:17:12,069 --> 00:17:10,400

it was one of the best things she had

498

00:17:15,590 --> 00:17:12,079

ever read on the topic

499

00:17:17,909 --> 00:17:15,600

so uh that's pretty good yeah

500

00:17:19,429 --> 00:17:17,919

that's a huge endorsement all right well

501

00:17:21,270 --> 00:17:19,439

thanks again man you're a champion of

502

00:17:22,949 --> 00:17:21,280

the cause to inject wonder back into the

503

00:17:24,470 --> 00:17:22,959

world i love your research

504

00:17:26,390 --> 00:17:24,480

and i don't even know what the hell to
