1
00:00:07,070 --> 00:00:02,149
Gregg another stellar episode episode

2
00:00:40,700 --> 00:00:07,080
116 was just incredible keep up the

3
00:00:45,360 --> 00:00:43,710
hello our side chatters Greg Carl wood

4
00:00:47,430 --> 00:00:45,370
here from sunny San Diego drinking

5
00:00:49,590 --> 00:00:47,440
little drinks smoking a little smoke and

6
00:00:51,750 --> 00:00:49,600
really really pumped for this show today

7
00:00:53,910 --> 00:00:51,760
you know we talk about a lot of strange

8
00:00:55,890 --> 00:00:53,920
subjects here on THC but discussing the

9
00:00:58,710 --> 00:00:55,900
depths of what might be the biggest

10
00:01:00,180 --> 00:00:58,720
secrets on the planet is by far my

11
00:01:02,789 --> 00:01:00,190
favorite thing to do and we're

12
00:01:04,890 --> 00:01:02,799
definitely diving deep deep down today

13
00:01:06,870 --> 00:01:04,900

with Stuart Swerdlow who is sharing

14

00:01:08,730 --> 00:01:06,880

information he's gotten from his strong

15

00:01:11,490 --> 00:01:08,740

family ties to the Russian government

16

00:01:13,350 --> 00:01:11,500

and the KGB as well as experiences

17

00:01:15,510 --> 00:01:13,360

Stuart claims to have had working for

18

00:01:18,150 --> 00:01:15,520

American blackops experiments and

19

00:01:21,210 --> 00:01:18,160

programs like the Montauk Project it is

20

00:01:23,730 --> 00:01:21,220

wild stuff involving reptilians the Lew

21

00:01:26,700 --> 00:01:23,740

Marion Star System secret changes of the

22

00:01:28,920 --> 00:01:26,710

solar system martians the hybridization

23

00:01:31,830 --> 00:01:28,930

programs of the Atlanteans the

24

00:01:34,470 --> 00:01:31,840

modern-day Illuminati secret deep level

25

00:01:36,570 --> 00:01:34,480

partnerships with ET races underground

26
00:01:38,910 --> 00:01:36,580
cities and bases the Hollow Earth

27
00:01:42,150 --> 00:01:38,920
Bigfoot dolphins and the frickin

28
00:01:44,730 --> 00:01:42,160
kitchen-sink people this is the type of

29
00:01:47,130 --> 00:01:44,740
show that gets me excited and before we

30
00:01:48,960 --> 00:01:47,140
get serious with mr. Swerdlow I'm going

31
00:01:50,790 --> 00:01:48,970
to mention the Money bomb where I give

32
00:01:53,460 --> 00:01:50,800
half the donations I get every five

33
00:01:54,990 --> 00:01:53,470
episodes to a listener or two and we're

34
00:01:57,480 --> 00:01:55,000
having another great month with that

35
00:01:59,220 --> 00:01:57,490
we're over 1,200 bucks just like I said

36
00:02:01,680 --> 00:01:59,230
last time if the listeners portion is

37
00:02:04,200 --> 00:02:01,690
over 500 we're splitting it up between

38
00:02:06,480 --> 00:02:04,210

two so right now we're going to have 2

39

00:02:09,029 --> 00:02:06,490

listeners getting at least 300 bucks

40

00:02:11,160 --> 00:02:09,039

each so strike while the iron's hot go

41

00:02:12,990 --> 00:02:11,170

to the higher side shots calm slash

42

00:02:15,570 --> 00:02:13,000

donate to get in the game and get all

43

00:02:17,759 --> 00:02:15,580

the gory details of how it works but I

44

00:02:19,890 --> 00:02:17,769

could really use a boost right now and

45

00:02:22,619 --> 00:02:19,900

there's nothing like it in podcasting so

46

00:02:24,239 --> 00:02:22,629

that's it let's do the damn thing strap

47

00:02:26,250 --> 00:02:24,249

yourself in and get ready to hear a

48

00:02:29,220 --> 00:02:26,260

version of history and reality

49

00:02:31,530 --> 00:02:29,230

and life itself that is very very

50

00:02:34,690 --> 00:02:31,540

different from the mainstream with

51
00:02:42,610 --> 00:02:38,280
when I find myself in times of trouble

52
00:02:47,119 --> 00:02:42,620
mr. Carwood comes to me speaking words

53
00:02:54,690 --> 00:02:47,129
of wisdom THC

54
00:03:01,040 --> 00:02:58,350
speaking words of wisdom

55
00:03:03,480 --> 00:03:01,050
hc'

56
00:03:05,580 --> 00:03:03,490
all right people we know the global

57
00:03:07,650 --> 00:03:05,590
elite have spent centuries carefully

58
00:03:09,380 --> 00:03:07,660
crafting the reality we live in today

59
00:03:11,880 --> 00:03:09,390
and have perfected the arts of deception

60
00:03:14,220 --> 00:03:11,890
manipulation and full-spectrum dominance

61
00:03:16,650 --> 00:03:14,230
this realization leaves the door wide

62
00:03:18,960 --> 00:03:16,660
open for a whole host of conspiratorial

63
00:03:21,240 --> 00:03:18,970

possibilities in nearly all aspects of

64

00:03:23,070 --> 00:03:21,250

life including suppressed information

65

00:03:25,890 --> 00:03:23,080

secret sciences and technologies

66

00:03:28,350 --> 00:03:25,900

alternative history sacred geometry and

67

00:03:29,700 --> 00:03:28,360

even stories of a Hollow Earth well

68

00:03:31,410 --> 00:03:29,710

today's guest is going to take full

69

00:03:32,730 --> 00:03:31,420

advantage of this scenario and take us

70

00:03:34,350 --> 00:03:32,740

on a ride that makes the world's

71

00:03:36,480 --> 00:03:34,360

scariest roller coaster look like the

72

00:03:38,310 --> 00:03:36,490

foodcourt carousel his name is Stuart

73

00:03:40,170 --> 00:03:38,320

Swerdlow and he has made quite a name

74

00:03:42,000 --> 00:03:40,180

for himself on the conspiracy circuit

75

00:03:43,590 --> 00:03:42,010

interesting aspects of his background

76

00:03:45,660 --> 00:03:43,600

include the fact that his great-uncle

77

00:03:47,940 --> 00:03:45,670

was the first president of the Soviet

78

00:03:49,560 --> 00:03:47,950

Union and his grandfather helped form

79

00:03:52,710 --> 00:03:49,570

the Communist Party in the United States

80

00:03:54,300 --> 00:03:52,720

in 1930 and to ensure Stuart's loyalty

81

00:03:56,580 --> 00:03:54,310

stayed with the US government he was

82

00:03:58,290 --> 00:03:56,590

recruited at a young age for specific

83

00:04:00,150 --> 00:03:58,300

government mind-control experiments

84

00:04:02,070 --> 00:04:00,160

including the famed Montauk Project

85

00:04:03,960 --> 00:04:02,080

after years under the thumb of

86

00:04:06,090 --> 00:04:03,970

government agencies and special interest

87

00:04:07,890 --> 00:04:06,100

groups he now spends his time revealing

88

00:04:09,540 --> 00:04:07,900

the many secrets he was exposed to and

89

00:04:11,340 --> 00:04:09,550

trying to wake humanity up to the

90

00:04:13,380 --> 00:04:11,350

stranger reality just beyond the veil

91

00:04:16,380 --> 00:04:13,390

and I can't wait to hear about it Stuart

92

00:04:18,420 --> 00:04:16,390

my man welcome to THC thank you great

93

00:04:19,800 --> 00:04:18,430

it's nice to be here well man this is a

94

00:04:21,300 --> 00:04:19,810

real treat for me because I've been

95

00:04:23,460 --> 00:04:21,310

listening to your lectures for quite

96

00:04:26,040 --> 00:04:23,470

some time I heard you on coast to coast

97

00:04:28,230 --> 00:04:26,050

something like seven years ago and ever

98

00:04:30,810 --> 00:04:28,240

since you've never failed to surprise me

99

00:04:33,710 --> 00:04:30,820

with weirdness ah well you know what

100

00:04:35,970 --> 00:04:33,720

they say I put the frickin frequency

101
00:04:37,650 --> 00:04:35,980
that's funny man you gotta have a sense

102
00:04:39,630 --> 00:04:37,660
of humor about some of this but I know

103
00:04:41,760 --> 00:04:39,640
there are a ton of topics that we could

104
00:04:43,050 --> 00:04:41,770
discuss but I'm really interested in

105
00:04:45,600 --> 00:04:43,060
hearing about some of the big secrets

106
00:04:47,790 --> 00:04:45,610
concerning the history of Atlantis and

107
00:04:49,830 --> 00:04:47,800
the Hollow Earth and the various races

108
00:04:52,860 --> 00:04:49,840
and hybrids that are involved with this

109
00:04:55,260 --> 00:04:52,870
story it is a huge topic we could spend

110
00:04:57,480 --> 00:04:55,270
the whole day on it but I guess the best

111
00:04:59,850 --> 00:04:57,490
place to start would be lumeria and

112
00:05:03,060 --> 00:04:59,860
Atlantis or can we go back even further

113
00:05:05,659 --> 00:05:03,070

than that well we could go back further

114

00:05:10,230 --> 00:05:05,669

even to the Lyrium star system where all

115

00:05:12,600 --> 00:05:10,240

humanity began eons ago and it was there

116

00:05:13,980 --> 00:05:12,610

that the reptilians from the Draco star

117

00:05:17,520 --> 00:05:13,990

system attacked

118

00:05:21,779 --> 00:05:17,530

and cause the dispersal through the rest

119

00:05:24,060 --> 00:05:21,789

of this galaxy of human type and that

120

00:05:27,270 --> 00:05:24,070

created many civilizations in many

121

00:05:31,499 --> 00:05:27,280

different star systems and on this

122

00:05:35,550 --> 00:05:31,509

planet of course they refugees from

123

00:05:37,830 --> 00:05:35,560

Lyrae Lyra actually colonized two

124

00:05:39,420 --> 00:05:37,840

planets in our solar system one being

125

00:05:44,279 --> 00:05:39,430

Mars which at the time was very

126
00:05:47,010 --> 00:05:44,289
earth-like and one planet that was and

127
00:05:49,710 --> 00:05:47,020
the further orbit from Mars which was

128
00:05:54,150 --> 00:05:49,720
called Maldek which was also very

129
00:05:56,730 --> 00:05:54,160
earth-like and the reptilians when they

130
00:05:59,540 --> 00:05:56,740
discovered these colonies many many

131
00:06:04,439 --> 00:05:59,550
millennia after the destruction of Lyra

132
00:06:06,990 --> 00:06:04,449
sent in an ice comet to our solar system

133
00:06:10,620 --> 00:06:07,000
which was pulled by a manufactured

134
00:06:15,300 --> 00:06:10,630
blackhole as a propulsion system if you

135
00:06:18,600 --> 00:06:15,310
will and that as that ice comet entered

136
00:06:22,350 --> 00:06:18,610
our solar system it caused the planet

137
00:06:27,750 --> 00:06:22,360
Uranus to start to flip on its axis it's

138
00:06:30,330 --> 00:06:27,760

the only known planet in anywhere that

139

00:06:32,750 --> 00:06:30,340

instead of going west to east in in its

140

00:06:37,010 --> 00:06:32,760

spin actually goes north to south

141

00:06:38,790 --> 00:06:37,020

because it was knocked off of its axis

142

00:06:41,969 --> 00:06:38,800

it then weird

143

00:06:44,909 --> 00:06:41,979

the ice comet then continued towards the

144

00:06:47,040 --> 00:06:44,919

center of the solar system were it

145

00:06:51,540 --> 00:06:47,050

between the gravitational pull of

146

00:06:54,480 --> 00:06:51,550

Jupiter the ice comet and the Sun it

147

00:06:57,719 --> 00:06:54,490

caused Maldek to explode which is why we

148

00:07:01,230 --> 00:06:57,729

have a an asteroid belt between Mars and

149

00:07:04,170 --> 00:07:01,240

Jupiter as it continued it pulled the

150

00:07:06,230 --> 00:07:04,180

oceans and atmosphere off of Mars which

151
00:07:10,080 --> 00:07:06,240
is why it has a thin atmosphere now and

152
00:07:12,870 --> 00:07:10,090
then it headed towards the earth which

153
00:07:15,300 --> 00:07:12,880
was at the time completely covered in

154
00:07:18,270 --> 00:07:15,310
water even the atmosphere is filled with

155
00:07:21,959 --> 00:07:18,280
water and the ice comet and the earth

156
00:07:25,140 --> 00:07:21,969
went into a rotation around each other

157
00:07:27,780 --> 00:07:25,150
which pause the oceans on the earth to

158
00:07:31,710 --> 00:07:27,790
polarize and freeze which is why we have

159
00:07:35,130 --> 00:07:31,720
the i-x caps and land the peered which

160
00:07:37,260 --> 00:07:35,140
became the Miriah and Atlantis and then

161
00:07:39,450 --> 00:07:37,270
the earth was pushed from the second

162
00:07:42,300 --> 00:07:39,460
position around the Sun to the third

163
00:07:44,700 --> 00:07:42,310

position where we are now and the ice

164

00:07:48,810 --> 00:07:44,710

comet took up the second position around

165

00:07:51,660 --> 00:07:48,820

the Sun and the ice because of the light

166

00:07:55,980 --> 00:07:51,670

refraction from the Sun started to melt

167

00:07:58,500 --> 00:07:55,990

and caused cloud cover and that became

168

00:08:02,940 --> 00:07:58,510

the planet Venus that we know now which

169

00:08:06,390 --> 00:08:02,950

is why it's covered in clouds huh yeah

170

00:08:09,390 --> 00:08:06,400

and then a little bit later on when I

171

00:08:12,150 --> 00:08:09,400

say little bit talking centuries the

172

00:08:15,300 --> 00:08:12,160

reptilians drove a vehicle back into

173

00:08:18,330 --> 00:08:15,310

this solar system to collar and colonize

174

00:08:20,730 --> 00:08:18,340

the earth and parked it in orbit around

175

00:08:23,160 --> 00:08:20,740

the earth and that is the moon that we

176

00:08:27,930 --> 00:08:23,170

have now which is actually an artificial

177

00:08:30,300 --> 00:08:27,940

object which is why only one side faces

178

00:08:33,750 --> 00:08:30,310

the earth at any time it does not spin

179

00:08:37,350 --> 00:08:33,760

like a natural object it only acts as a

180

00:08:38,969 --> 00:08:37,360

parked vehicle which it is and that's

181

00:08:41,040 --> 00:08:38,979

what we only have a light side and a

182

00:08:43,740 --> 00:08:41,050

dark side of the moon and from there

183

00:08:48,560 --> 00:08:43,750

they colonize the largest continent

184

00:08:52,710 --> 00:08:48,570

which we now know as Lemuria weird

185

00:08:55,080 --> 00:08:52,720

so Lemuria and Atlantis this is a story

186

00:08:57,960 --> 00:08:55,090

you know we've hear in myths and legends

187

00:08:59,730 --> 00:08:57,970

for a long time a lot of people hope

188

00:09:02,250 --> 00:08:59,740

that there's truth to it and apparently

189

00:09:03,990 --> 00:09:02,260

there is but is that so is that where

190

00:09:06,780 --> 00:09:04,000

Earth comes into play these two land

191

00:09:10,350 --> 00:09:06,790

masses Lemuria and Atlantis well it was

192

00:09:15,030 --> 00:09:10,360

actually Lemuria or some countries in

193

00:09:17,220 --> 00:09:15,040

Asia call that mu that the reptilians

194

00:09:18,930 --> 00:09:17,230

colonized and as we know the reptilians

195

00:09:22,200 --> 00:09:18,940

were androgynous there was male and

196

00:09:24,570 --> 00:09:22,210

female in one body and they lived here

197

00:09:26,790 --> 00:09:24,580

for many many millennia on their own

198

00:09:31,080 --> 00:09:26,800

they were the only occupants of this

199

00:09:34,950 --> 00:09:31,090

planet and it wasn't until thousands of

200

00:09:38,070 --> 00:09:34,960

years later that the refugees from the

201
00:09:41,280 --> 00:09:38,080
Lydian star system came to the earth and

202
00:09:43,110 --> 00:09:41,290
colonized what we now know as Atlantis

203
00:09:45,560 --> 00:09:43,120
which would have been in the Atlantic

204
00:09:48,150 --> 00:09:45,570
Ocean as we know it now

205
00:09:49,830 --> 00:09:48,160
interesting so were they they were whole

206
00:09:51,930 --> 00:09:49,840
different species altogether were they

207
00:09:55,290 --> 00:09:51,940
more like the humans we are today yeah

208
00:09:58,500 --> 00:09:55,300
exactly correct the Lemuria or the I

209
00:10:01,530 --> 00:09:58,510
should say the the those who became the

210
00:10:05,000 --> 00:10:01,540
Atlanteans we're very pure human not

211
00:10:07,920 --> 00:10:05,010
what we have now these were much taller

212
00:10:12,200 --> 00:10:07,930
much lighter skin lighter eyes lighter

213
00:10:16,160 --> 00:10:12,210

hair much more fear ik in their natural

214

00:10:19,410 --> 00:10:16,170

capacity but of course when you have

215

00:10:22,350 --> 00:10:19,420

mammalian species and a reptilian

216

00:10:25,920 --> 00:10:22,360

species they don't really belong in the

217

00:10:28,940 --> 00:10:25,930

same environment so eventually there was

218

00:10:34,410 --> 00:10:28,950

conflict between the Maria and Atlantis

219

00:10:36,810 --> 00:10:34,420

for eons of time and eventually Lemuria

220

00:10:40,530 --> 00:10:36,820

was destroyed by the Atlanteans because

221

00:10:42,990 --> 00:10:40,540

they had technology which disrupted the

222

00:10:47,250 --> 00:10:43,000

geomagnetic structure of the earth and

223

00:10:52,680 --> 00:10:47,260

caused Lemuria to sink into what now has

224

00:10:56,190 --> 00:10:52,690

become the Pacific Ocean dang so at this

225

00:10:57,450 --> 00:10:56,200

point the reptilians I've heard you say

226

00:11:01,560 --> 00:10:57,460

before that they went into the Inner

227

00:11:04,650 --> 00:11:01,570

Earth correct that's correct what people

228

00:11:06,690 --> 00:11:04,660

don't understand is that in planetary

229

00:11:10,440 --> 00:11:06,700

science which I have outlined in my book

230

00:11:13,680 --> 00:11:10,450

blue blood True Blood the earth and

231

00:11:18,000 --> 00:11:13,690

planets like it Mars Venus etc these

232

00:11:21,420 --> 00:11:18,010

were formed when molten material is

233

00:11:24,950 --> 00:11:21,430

ejected from its Sun and as the molten

234

00:11:29,700 --> 00:11:24,960

material spun in the coldness of space

235

00:11:35,370 --> 00:11:29,710

the centrifugal force forced the hot

236

00:11:39,300 --> 00:11:35,380

magma or liquid within the the ejection

237

00:11:42,390 --> 00:11:39,310

to harden on the outside into a globe

238

00:11:44,340 --> 00:11:42,400

global shape and inside the same thing

239

00:11:47,460 --> 00:11:44,350

happened except that the molten material

240

00:11:50,670 --> 00:11:47,470

started to push because of the speed and

241

00:11:54,780 --> 00:11:50,680

centrifugal force to the sides and the

242

00:11:56,580 --> 00:11:54,790

extra material was forced through a hole

243

00:11:59,550 --> 00:11:56,590

that opened up in what became the north

244

00:12:02,550 --> 00:11:59,560

and south pole and then the interior

245

00:12:06,840 --> 00:12:02,560

also hardened because of the coldness of

246

00:12:10,890 --> 00:12:06,850

space so what we have is an outer mantle

247

00:12:14,460 --> 00:12:10,900

and an inner mantle and in between is

248

00:12:17,930 --> 00:12:14,470

this molten material which is magma that

249

00:12:21,450 --> 00:12:17,940

we know of now and then the continental

250

00:12:24,810 --> 00:12:21,460

platforms be formed on top of this and

251
00:12:29,510 --> 00:12:24,820
it's same as above so below so we have a

252
00:12:32,520 --> 00:12:29,520
hollow space inside the planet we have

253
00:12:35,880 --> 00:12:32,530
an area of space between the inner

254
00:12:38,250 --> 00:12:35,890
mantle and the outer mantle and there

255
00:12:41,220 --> 00:12:38,260
are tunnel systems and caverns that have

256
00:12:44,810 --> 00:12:41,230
opened and formed in between and there

257
00:12:48,630 --> 00:12:44,820
are many many civilizations both in the

258
00:12:50,160 --> 00:12:48,640
inside of this planet as well as in the

259
00:12:53,940 --> 00:12:50,170
mantle between the inner and outer

260
00:12:55,260 --> 00:12:53,950
sections of the planet that is awesome

261
00:12:56,640 --> 00:12:55,270
and that's actually I discovered your

262
00:12:58,170 --> 00:12:56,650
work was looking into the Hollow Earth

263
00:13:01,170 --> 00:12:58,180

because that's one of my favourite

264

00:13:02,900 --> 00:13:01,180

mysteries and possibilities and I guess

265

00:13:06,660 --> 00:13:02,910

the way you describe it it's almost like

266

00:13:08,870 --> 00:13:06,670

the earth is a round lava Oreo with like

267

00:13:12,270 --> 00:13:08,880

a middle part of lava and then too hard

268

00:13:14,780 --> 00:13:12,280

outside edges that kind of accurate yes

269

00:13:17,900 --> 00:13:14,790

but in the very center where this where

270

00:13:22,130 --> 00:13:17,910

conventional sciences is the molten core

271

00:13:25,110 --> 00:13:22,140

actually is molten material left over

272

00:13:31,110 --> 00:13:25,120

from this formation of the planet so in

273

00:13:33,150 --> 00:13:31,120

effect we have an inner earth Sun which

274

00:13:35,850 --> 00:13:33,160

is just really molten material that's

275

00:13:40,260 --> 00:13:35,860

glowing hot so in the Inner Earth it's

276

00:13:44,130 --> 00:13:40,270

always liked now I I just recently last

277

00:13:46,680 --> 00:13:44,140

month did some work in Japan and there I

278

00:13:49,740 --> 00:13:46,690

met a scientists from the physics

279

00:13:53,250 --> 00:13:49,750

department of Tokyo University which is

280

00:13:55,920 --> 00:13:53,260

considered very elite and he personally

281

00:13:57,960 --> 00:13:55,930

told me that this information is known

282

00:13:59,910 --> 00:13:57,970

and they had verified it at Tokyo

283

00:14:01,980 --> 00:13:59,920

University and they know that it's true

284

00:14:03,920 --> 00:14:01,990

but they're not allowed to reveal this

285

00:14:06,780 --> 00:14:03,930

to the public because it would undermine

286

00:14:08,220 --> 00:14:06,790

science and biology and everything else

287

00:14:11,310 --> 00:14:08,230

that we know

288

00:14:12,990 --> 00:14:11,320

in modern science right yeah that's

289

00:14:15,360 --> 00:14:13,000

awesome to hear them there definitely

290

00:14:17,040 --> 00:14:15,370

are huge ramifications I mean everything

291

00:14:19,080 --> 00:14:17,050

we know about Newtonian physics would be

292

00:14:22,530 --> 00:14:19,090

off everything we know about gravity and

293

00:14:24,480 --> 00:14:22,540

mass would be definitely wrong we'd have

294

00:14:25,800 --> 00:14:24,490

to rewrite all that but another aspect

295

00:14:28,650 --> 00:14:25,810

of this that I thought was really

296

00:14:31,500 --> 00:14:28,660

fascinating is if the reptilians went

297

00:14:32,940 --> 00:14:31,510

into the Inner Earth at this time that

298

00:14:35,580 --> 00:14:32,950

I've heard you say this is where we get

299

00:14:39,180 --> 00:14:35,590

the stories of Hell and demons below and

300

00:14:40,800 --> 00:14:39,190

that sounds pretty interesting man yeah

301
00:14:42,450 --> 00:14:40,810
correct and you have to remember for a

302
00:14:46,220 --> 00:14:42,460
very very long time there was

303
00:14:48,720 --> 00:14:46,230
coexistence between Lemuria and Atlantis

304
00:14:50,220 --> 00:14:48,730
not that it was peaceful there was a lot

305
00:14:53,970 --> 00:14:50,230
of war between them and in fact the

306
00:14:56,370 --> 00:14:53,980
Indian Vedas the very ancient documents

307
00:14:59,780 --> 00:14:56,380
to talk about history from eons of time

308
00:15:02,430 --> 00:14:59,790
ago they talk about the vimana craft

309
00:15:04,680 --> 00:15:02,440
that were able to fly in the sky and

310
00:15:07,140 --> 00:15:04,690
they show and they talk about weapons

311
00:15:09,500 --> 00:15:07,150
that were lances that caused mushroom

312
00:15:12,210 --> 00:15:09,510
cloud so it talks about nuclear war

313
00:15:15,000 --> 00:15:12,220

between the miry and at lances and

314

00:15:18,840 --> 00:15:15,010

eventually the mauryans were destroyed

315

00:15:20,280 --> 00:15:18,850

but those who survived went into that

316

00:15:23,460 --> 00:15:20,290

tunnel system that I mentioned

317

00:15:25,860 --> 00:15:23,470

previously both into the inner crust of

318

00:15:29,340 --> 00:15:25,870

the world and also into the Inner Earth

319

00:15:32,600 --> 00:15:29,350

and that began the legends of Hell and

320

00:15:34,920 --> 00:15:32,610

demons underneath the planet because

321

00:15:38,220 --> 00:15:34,930

centuries and millennia after that

322

00:15:40,290 --> 00:15:38,230

occurred the the humans that were on the

323

00:15:42,570 --> 00:15:40,300

surface that no longer had a memory of

324

00:15:45,360 --> 00:15:42,580

what the reptilians look like so

325

00:15:48,120 --> 00:15:45,370

whenever they were seen they were

326

00:15:51,120 --> 00:15:48,130

considered demonic or could the devil

327

00:15:52,860 --> 00:15:51,130

underneath the earth yeah man that's

328

00:15:56,280 --> 00:15:52,870

that's a really compelling thread to me

329

00:15:59,130 --> 00:15:56,290

that I can see the connection there and

330

00:16:01,320 --> 00:15:59,140

another part of the story oh go ahead no

331

00:16:03,480 --> 00:16:01,330

no I'm just I'm not graying I know if

332

00:16:05,370 --> 00:16:03,490

people knew true world history which I

333

00:16:07,680 --> 00:16:05,380

actually my ways my latest book is

334

00:16:11,100 --> 00:16:07,690

called true world history it would be

335

00:16:13,140 --> 00:16:11,110

quite fascinating to them I agree man I

336

00:16:15,900 --> 00:16:13,150

can't get enough of this stuff it's it

337

00:16:17,520 --> 00:16:15,910

sounds so just different than than what

338

00:16:19,860 --> 00:16:17,530

we hear growing up it's a lot more

339

00:16:21,460 --> 00:16:19,870

interesting - it's pretty fantastical

340

00:16:23,350 --> 00:16:21,470

but another part of the store

341

00:16:25,690 --> 00:16:23,360

that I really find fascinating is this

342

00:16:27,700 --> 00:16:25,700

thread where the reptilian started

343

00:16:30,820 --> 00:16:27,710

messing with genetics and mixing

344

00:16:32,230 --> 00:16:30,830

humanity with various animal DNA can you

345

00:16:35,050 --> 00:16:32,240

tell us about that when did that start

346

00:16:38,530 --> 00:16:35,060

occurring after the big war well

347

00:16:41,640 --> 00:16:38,540

actually um during the height of the war

348

00:16:43,950 --> 00:16:41,650

between atlantis and lemuria there was a

349

00:16:47,530 --> 00:16:43,960

period of time where they try to

350

00:16:50,860 --> 00:16:47,540

co-exist and part of that coexistence

351

00:16:53,860 --> 00:16:50,870

was to create the third race which was a

352

00:16:56,380 --> 00:16:53,870

synthesis between the mammalian human

353

00:16:59,440 --> 00:16:56,390

and the reptilian drogyn is reptilian

354

00:17:02,830 --> 00:16:59,450

and that is why it says in Genesis in

355

00:17:04,930 --> 00:17:02,840

the Bible it says let us make man in our

356

00:17:08,350 --> 00:17:04,940

image it's all plural there's no

357

00:17:09,940 --> 00:17:08,360

singular God in the Bible especially if

358

00:17:12,750 --> 00:17:09,950

you know how to read the Bible in the

359

00:17:16,930 --> 00:17:12,760

original Aramaic and Hebrew forms all

360

00:17:19,330 --> 00:17:16,940

references to the God are plural and so

361

00:17:21,160 --> 00:17:19,340

that is why it was between the

362

00:17:23,860 --> 00:17:21,170

reptilians and the mammalian that they

363

00:17:27,100 --> 00:17:23,870

mix the genetics in order to create the

364

00:17:34,000 --> 00:17:27,110

human race as we know it now if you look

365

00:17:37,810 --> 00:17:34,010

at the at the gestational sections in

366

00:17:42,970 --> 00:17:37,820

humans in the womb you see that the

367

00:17:45,420 --> 00:17:42,980

first few weeks of fertilization this

368

00:17:47,830 --> 00:17:45,430

fetus is actually an androgynous

369

00:17:51,010 --> 00:17:47,840

reptilian it doesn't look human at all

370

00:17:54,030 --> 00:17:51,020

and it's only after six to eight weeks

371

00:17:58,270 --> 00:17:54,040

that mammalian features start to develop

372

00:18:00,340 --> 00:17:58,280

in the in the in the body and that's

373

00:18:04,660 --> 00:18:00,350

because the DNA is following the

374

00:18:08,350 --> 00:18:04,670

sequence in which the the genetics were

375

00:18:10,330 --> 00:18:08,360

were contributed unfortunately when when

376

00:18:14,130 --> 00:18:10,340

this mixture was created both the

377

00:18:16,420 --> 00:18:14,140

reptilians and the mammals put in

378

00:18:20,020 --> 00:18:16,430

instructions to the DNA to become

379

00:18:22,630 --> 00:18:20,030

dominant over the other and and that's

380

00:18:25,560 --> 00:18:22,640

why according to the church were born in

381

00:18:28,000 --> 00:18:25,570

sin because we were already conflicted

382

00:18:30,580 --> 00:18:28,010

when we're born because we have this

383

00:18:33,340 --> 00:18:30,590

conflictive the DNA between reptilian

384

00:18:35,170 --> 00:18:33,350

mammalian and so that's why we have all

385

00:18:39,430 --> 00:18:35,180

these psychological issues

386

00:18:42,160 --> 00:18:39,440

humanity now you know humans on this

387

00:18:44,380 --> 00:18:42,170

planet are unique because nowhere else

388

00:18:47,530 --> 00:18:44,390

is there this mixture between the

389

00:18:50,530 --> 00:18:47,540

reptilian and mammalian forms it's why

390

00:18:53,680 --> 00:18:50,540

we have a reptilian brain stem we have a

391

00:18:55,810 --> 00:18:53,690

reptilian lymphatic system even our

392

00:18:58,870 --> 00:18:55,820

heart even though it's four chambers has

393

00:19:02,520 --> 00:18:58,880

only three arteries feeding into it

394

00:19:05,290 --> 00:19:02,530

which is reptilian so our bodies are

395

00:19:08,140 --> 00:19:05,300

generally a foundation of reptilian

396

00:19:12,460 --> 00:19:08,150

genetics with mammalian added to it

397

00:19:14,050 --> 00:19:12,470

subsequently interesting and when I hear

398

00:19:17,200 --> 00:19:14,060

you talk about this this apparently can

399

00:19:19,450 --> 00:19:17,210

also explain the legends of ancient

400

00:19:21,280 --> 00:19:19,460

cultures communicating with merfolk and

401
00:19:22,840 --> 00:19:21,290
it can explain Bigfoot I mean were these

402
00:19:25,210 --> 00:19:22,850
experiments that went along with the

403
00:19:28,000 --> 00:19:25,220
creation of modern humans well actually

404
00:19:31,080 --> 00:19:28,010
those occurred after the destruction of

405
00:19:33,790 --> 00:19:31,090
the Myriah when the Atlanteans who

406
00:19:36,610 --> 00:19:33,800
contrary to New Age belief system were

407
00:19:39,430 --> 00:19:36,620
not very nice people they had very much

408
00:19:41,100 --> 00:19:39,440
interaction with alien species and they

409
00:19:44,080 --> 00:19:41,110
were very much interested in

410
00:19:47,080 --> 00:19:44,090
hybridization between human and other

411
00:19:50,860 --> 00:19:47,090
forms so according to it you mentioned

412
00:19:53,910 --> 00:19:50,870
the merfolk are actually a genetic mix

413
00:19:58,150 --> 00:19:53,920

between the dolphin and human genetics

414

00:20:03,280 --> 00:19:58,160

Bigfoot is a creation of human with bear

415

00:20:05,770 --> 00:20:03,290

genetics and in history we have had for

416

00:20:07,900 --> 00:20:05,780

example werewolf and that is a creation

417

00:20:11,170 --> 00:20:07,910

between human and wolf genetics and so

418

00:20:13,270 --> 00:20:11,180

on and so on and many of the anomalous

419

00:20:17,860 --> 00:20:13,280

life forms that are seen now and then on

420

00:20:20,250 --> 00:20:17,870

the earth are uh let's say a descendency

421

00:20:23,500 --> 00:20:20,260

of this Atlantean hybridization

422

00:20:25,390 --> 00:20:23,510

experimentation that is so fascinating

423

00:20:28,690 --> 00:20:25,400

to me man and also I mean the Roman

424

00:20:30,610 --> 00:20:28,700

culture they say their origin story

425

00:20:31,720 --> 00:20:30,620

involves coming from Wolf's right with

426

00:20:34,290 --> 00:20:31,730

the Romulus and Remus

427

00:20:39,040 --> 00:20:34,300

yeah Rama the twins Romulus and Remus

428

00:20:41,430 --> 00:20:39,050

the wolf parents yes some of the story

429

00:20:44,530 --> 00:20:41,440

is allegoric some of it is legitimate

430

00:20:47,590 --> 00:20:44,540

but that involved actually the Etruscan

431

00:20:48,230 --> 00:20:47,600

people who had the origins and the

432

00:20:52,160 --> 00:20:48,240

Arcturus

433

00:20:54,500 --> 00:20:52,170

star-system interesting so i mean does

434

00:20:56,390 --> 00:20:54,510

this explain all kinds of these these

435

00:20:59,060 --> 00:20:56,400

mythological creatures like minotaurs

436

00:21:02,180 --> 00:20:59,070

and satyrs I mean were these creations

437

00:21:04,310 --> 00:21:02,190

during this testing phase correct and

438

00:21:06,530 --> 00:21:04,320

these were representations of the

439

00:21:09,049 --> 00:21:06,540

hybridization program of Atlantis now

440

00:21:11,900 --> 00:21:09,059

remember many of these legends come from

441

00:21:15,799 --> 00:21:11,910

ancient Greece and ancient Greece was a

442

00:21:18,680 --> 00:21:15,809

colony of the Atlantean Empire which

443

00:21:20,419 --> 00:21:18,690

eventually rebelled against Atlantis and

444

00:21:22,940 --> 00:21:20,429

they were wars between the Greeks and

445

00:21:27,370 --> 00:21:22,950

the Atlanteans and that led eventually

446

00:21:30,770 --> 00:21:27,380

to the story of the Iliad and and the

447

00:21:31,910 --> 00:21:30,780

Odyssey Odyssey exactly and all the

448

00:21:34,700 --> 00:21:31,920

creatures that were mentioned there

449

00:21:37,280 --> 00:21:34,710

these are based on truth interesting so

450

00:21:39,380 --> 00:21:37,290

for this kind of stuff what timeline are

451
00:21:41,570 --> 00:21:39,390
we talking about when when Greece was

452
00:21:45,830 --> 00:21:41,580
fighting with Atlantis this would have

453
00:21:49,190 --> 00:21:45,840
been approximately 12,000 BC Wow oh oh

454
00:21:55,130 --> 00:21:49,200
go ahead no guy because Atlantis finally

455
00:21:58,060 --> 00:21:55,140
was destroyed in 10500 BC interesting

456
00:21:59,810 --> 00:21:58,070
so obviously conventional history puts

457
00:22:01,490 --> 00:21:59,820
civilization on the scene with the

458
00:22:04,130 --> 00:22:01,500
Sumerians and not long after the

459
00:22:06,200 --> 00:22:04,140
Egyptians both about 5000 years ago they

460
00:22:08,330 --> 00:22:06,210
and they many say that happened after

461
00:22:09,950 --> 00:22:08,340
like a global flood a catastrophe I mean

462
00:22:12,110 --> 00:22:09,960
is that part of the story accurate or

463
00:22:15,880 --> 00:22:12,120

where did these civilizations spring out

464

00:22:18,740 --> 00:22:15,890

of the story of the flood as it's

465

00:22:20,780 --> 00:22:18,750

mentioned in the Bible and actually in

466

00:22:23,450 --> 00:22:20,790

many stories of different civilizations

467

00:22:25,669 --> 00:22:23,460

around the world that is the story of

468

00:22:28,400 --> 00:22:25,679

the sinking of Atlantis which occurred

469

00:22:31,810 --> 00:22:28,410

quite rapidly Atlantis was destroyed

470

00:22:34,400 --> 00:22:31,820

over three basic time periods when they

471

00:22:37,850 --> 00:22:34,410

destroyed the Morpho genetic grid of the

472

00:22:42,850 --> 00:22:37,860

earth and caused collapse of continents

473

00:22:45,890 --> 00:22:42,860

and that kind of thing but certainly a

474

00:22:47,900 --> 00:22:45,900

Sumer is a little bit different and I

475

00:22:52,220 --> 00:22:47,910

wrote about this in blueblood book and

476
00:22:55,430 --> 00:22:52,230
in my true world history book Sumer kind

477
00:22:57,710 --> 00:22:55,440
of established itself overnight I mean

478
00:23:00,110 --> 00:22:57,720
one time it wasn't there all of a sudden

479
00:23:03,080 --> 00:23:00,120
it was there with a high technology soon

480
00:23:05,750 --> 00:23:03,090
was based on refugees from the

481
00:23:07,940 --> 00:23:05,760
underground of Mars after Mars had the

482
00:23:10,870 --> 00:23:07,950
atmosphere and oceans ripped off of it

483
00:23:15,740 --> 00:23:10,880
over a period of time the Martians

484
00:23:17,510 --> 00:23:15,750
created a mission to colonize the

485
00:23:20,330 --> 00:23:17,520
nearest planet which was earth which was

486
00:23:22,760 --> 00:23:20,340
now colonize Abel and they landed in

487
00:23:26,330 --> 00:23:22,770
Sumer and created a civilization there

488
00:23:29,210 --> 00:23:26,340

the interesting thing is if you put a

489

00:23:31,430 --> 00:23:29,220

Caucasian person in a deprivation

490

00:23:35,120 --> 00:23:31,440

chamber where there's no outside

491

00:23:38,870 --> 00:23:35,130

influence whatsoever there biorhythm

492

00:23:41,480 --> 00:23:38,880

goes to 26 hours which matches the day

493

00:23:44,930 --> 00:23:41,490

on Mars not the day on the earth which

494

00:23:49,040 --> 00:23:44,940

is 24 hours huh Wow that's pretty cool

495

00:23:51,470 --> 00:23:49,050

so these animal hybrid experiments did

496

00:23:53,510 --> 00:23:51,480

he's explain the different races I mean

497

00:23:55,730 --> 00:23:53,520

to the others genetics still coursing

498

00:23:57,860 --> 00:23:55,740

through the Earthlings blood in

499

00:24:01,580 --> 00:23:57,870

different ways like a different section

500

00:24:03,380 --> 00:24:01,590

of the planet yes yes but I have to

501
00:24:06,380 --> 00:24:03,390
explain that after the destruction of

502
00:24:09,380 --> 00:24:06,390
Atlantis there was a large period of

503
00:24:12,290 --> 00:24:09,390
time where civilization kind of fell

504
00:24:16,270 --> 00:24:12,300
backwards more into almost a Stone Age

505
00:24:19,970 --> 00:24:16,280
kind of presence and it was at that time

506
00:24:24,530 --> 00:24:19,980
that the various refugee civilizations

507
00:24:26,510 --> 00:24:24,540
and the galaxies started to come back to

508
00:24:30,110 --> 00:24:26,520
the earth and started to recreate

509
00:24:34,970 --> 00:24:30,120
versions of themselves in their own way

510
00:24:38,390 --> 00:24:34,980
that created the various at the groups

511
00:24:41,620 --> 00:24:38,400
of various religious groups etc that we

512
00:24:45,320 --> 00:24:41,630
now extrapolated to what we have now

513
00:24:47,960 --> 00:24:45,330

right on that's I mean the story seems

514

00:24:49,340 --> 00:24:47,970

to make sense as odd as it is but can

515

00:24:51,910 --> 00:24:49,350

you tell us a little bit about the link

516

00:24:55,100 --> 00:24:51,920

between the dolphin genetics and autism

517

00:24:57,890 --> 00:24:55,110

yeah that's a whole nother story

518

00:25:01,390 --> 00:24:57,900

the dolphin species as you know they

519

00:25:04,010 --> 00:25:01,400

have a higher brain capacity to body

520

00:25:07,820 --> 00:25:04,020

capacity and which makes them a higher

521

00:25:09,980 --> 00:25:07,830

intelligence than human beings I talk

522

00:25:12,080 --> 00:25:09,990

about they're being brought to the earth

523

00:25:14,530 --> 00:25:12,090

from the andromeda galaxy which is the

524

00:25:18,850 --> 00:25:14,540

nearest galaxy to the Milky Way

525

00:25:21,460 --> 00:25:18,860

in order to help the destruction of

526

00:25:26,920 --> 00:25:21,470

humanity help with the destruction of

527

00:25:31,540 --> 00:25:26,930

civilization and so during unfortunately

528

00:25:34,690 --> 00:25:31,550

modern times it was the Illuminati New

529

00:25:39,360 --> 00:25:34,700

World Order whichever term you want to

530

00:25:43,810 --> 00:25:39,370

use which in the last 30 years or so

531

00:25:45,970 --> 00:25:43,820

used dolphin genetics or opened up the

532

00:25:49,420 --> 00:25:45,980

dolphin genetics that the Atlanteans

533

00:25:52,660 --> 00:25:49,430

experimented with in humanity in order

534

00:25:55,450 --> 00:25:52,670

to see who could be a threat to the

535

00:25:57,760 --> 00:25:55,460

Illuminati in other words those who have

536

00:25:59,770 --> 00:25:57,770

a dolphin genetics actually have a

537

00:26:01,690 --> 00:25:59,780

higher intelligence and higher psychic

538

00:26:05,860 --> 00:26:01,700

ability which is a threat to the

539

00:26:08,260 --> 00:26:05,870

Illuminati so in the late 80s the

540

00:26:10,930 --> 00:26:08,270

Illuminati created a vaccine for

541

00:26:14,790 --> 00:26:10,940

newborns which would actually open up

542

00:26:18,160 --> 00:26:14,800

their Dolphin genetics and that is why

543

00:26:22,450 --> 00:26:18,170

since the late 80s we've had a 300 to

544

00:26:24,190 --> 00:26:22,460

400 percent increase in autism mostly in

545

00:26:27,520 --> 00:26:24,200

the United States but also across the

546

00:26:30,570 --> 00:26:27,530

world now autism for all intents and

547

00:26:34,960 --> 00:26:30,580

purposes is actually a dolphin

548

00:26:38,220 --> 00:26:34,970

intelligence inside a human body and so

549

00:26:41,590 --> 00:26:38,230

that is why they have a difficulty

550

00:26:42,820 --> 00:26:41,600

interacting with other people because

551
00:26:45,400 --> 00:26:42,830
they're actually trying to communicate

552
00:26:49,840 --> 00:26:45,410
in a dolphin format which is more mental

553
00:26:51,310 --> 00:26:49,850
and physical and actually I I work for

554
00:26:56,280 --> 00:26:51,320
several years as a developmental

555
00:26:59,320 --> 00:26:56,290
specialist in mental health clinics

556
00:27:00,940 --> 00:26:59,330
especially in the East Coast and so when

557
00:27:02,710 --> 00:27:00,950
I worked with dolphin genetics and

558
00:27:04,690 --> 00:27:02,720
dolphin frequencies with these people

559
00:27:07,120 --> 00:27:04,700
they were able to communicate in a much

560
00:27:10,150 --> 00:27:07,130
better way Wow

561
00:27:12,100 --> 00:27:10,160
so they're doing that for the people

562
00:27:13,420 --> 00:27:12,110
with dolphin genetics are they doing any

563
00:27:15,730 --> 00:27:13,430

having other any other kind of

564

00:27:18,250 --> 00:27:15,740

experiments or any kind of effect on

565

00:27:22,120 --> 00:27:18,260

other types of genetics other than the

566

00:27:26,710 --> 00:27:22,130

dolphin yeah you know since especially I

567

00:27:27,790 --> 00:27:26,720

will see the mid-1950s onward once the

568

00:27:31,020 --> 00:27:27,800

US government

569

00:27:34,090 --> 00:27:31,030

had extensive contact with various alien

570

00:27:36,340 --> 00:27:34,100

civilizations they created a lot of

571

00:27:39,550 --> 00:27:36,350

underground bases and they also

572

00:27:42,250 --> 00:27:39,560

experimented with hybridization between

573

00:27:44,590 --> 00:27:42,260

human and alien human insect human

574

00:27:47,770 --> 00:27:44,600

animal alien insect and Alex cetera

575

00:27:50,890 --> 00:27:47,780

every combination you can think of one

576

00:27:53,320 --> 00:27:50,900

of the most famous combinations that

577

00:27:56,500 --> 00:27:53,330

actually got out of hand was in the

578

00:27:58,510 --> 00:27:56,510

1960s the Mothman of West Virginia and

579

00:28:02,370 --> 00:27:58,520

Ohio you might remember that story

580

00:28:06,720 --> 00:28:02,380

yeah really and that was basically a

581

00:28:10,210 --> 00:28:06,730

genetic mix between human and and moth

582

00:28:13,960 --> 00:28:10,220

which created this Mothman which was

583

00:28:16,930 --> 00:28:13,970

seen in areas of southern Ohio and

584

00:28:19,930 --> 00:28:16,940

certain parts of West Virginia where the

585

00:28:23,110 --> 00:28:19,940

two states meet and there is an

586

00:28:26,260 --> 00:28:23,120

underground US military base and

587

00:28:28,000 --> 00:28:26,270

actually a storage facility where they

588

00:28:31,930 --> 00:28:28,010

had this creature who unfortunately

589

00:28:34,330 --> 00:28:31,940

escaped into the service Wow and created

590

00:28:36,820 --> 00:28:34,340

this issue and so if we're talking about

591

00:28:39,730 --> 00:28:36,830

the common population of the planet is

592

00:28:43,120 --> 00:28:39,740

it safe to say that all of us or most of

593

00:28:44,740 --> 00:28:43,130

us have some form of animal genetics and

594

00:28:47,110 --> 00:28:44,750

one of the major ones we talked about

595

00:28:49,540 --> 00:28:47,120

the dolphin and you know Bigfoot was a

596

00:28:51,520 --> 00:28:49,550

bear and maybe the Romans come from wolf

597

00:28:53,680 --> 00:28:51,530

but is there any other like what are the

598

00:28:58,090 --> 00:28:53,690

major types that are still prevalent in

599

00:29:00,040 --> 00:28:58,100

today's population you know there are

600

00:29:02,380 --> 00:29:00,050

many and I would say the ones you

601
00:29:04,750 --> 00:29:02,390
mentioned other are the major ones but

602
00:29:08,080 --> 00:29:04,760
there are also people with lion genetics

603
00:29:11,170 --> 00:29:08,090
people with insight genetics there's

604
00:29:14,050 --> 00:29:11,180
this quite a range that go back not only

605
00:29:18,940 --> 00:29:14,060
to the Lemurian time period but also to

606
00:29:21,700 --> 00:29:18,950
the current manipulation by the US and

607
00:29:23,380 --> 00:29:21,710
other governments who keep this secret

608
00:29:26,590 --> 00:29:23,390
and I've been doing this for at least 50

609
00:29:29,950 --> 00:29:26,600
or 60 years wow man so is there a way to

610
00:29:32,640 --> 00:29:29,960
tell what genetics we have like if I

611
00:29:36,280 --> 00:29:32,650
wanted to know what I was made up of

612
00:29:40,020 --> 00:29:36,290
yeah well you know of course in my work

613
00:29:41,620 --> 00:29:40,030

I have what we call DNA opening

614

00:29:44,170 --> 00:29:41,630

exercises which I

615

00:29:47,200 --> 00:29:44,180

leave you can watch the videos on

616

00:29:49,810 --> 00:29:47,210

YouTube and I teach you how to open your

617

00:29:52,810 --> 00:29:49,820

genetics and explore yourself to see

618

00:29:55,750 --> 00:29:52,820

what you have inside of you interesting

619

00:29:57,940 --> 00:29:55,760

yeah I'm very curious and I've heard you

620

00:30:00,130 --> 00:29:57,950

say that earth is kind of like the

621

00:30:04,240 --> 00:30:00,140

Afghanistan of the galaxy can you kind

622

00:30:08,740 --> 00:30:04,250

of explain that statement okay for

623

00:30:10,950 --> 00:30:08,750

example the u.s. back in 2003 decided

624

00:30:13,420 --> 00:30:10,960

that Iraq needed to be and I quote

625

00:30:16,360 --> 00:30:13,430

liberated you know so that it could be

626

00:30:18,880 --> 00:30:16,370

free from hostility and totalitarianism

627

00:30:21,670 --> 00:30:18,890

well out there in this galaxy and even

628

00:30:23,980 --> 00:30:21,680

in other galaxies the earth is

629

00:30:27,010 --> 00:30:23,990

considered to be a very hostile

630

00:30:28,840 --> 00:30:27,020

aggressive planet with a hostile

631

00:30:31,960 --> 00:30:28,850

aggressive species which needs to be

632

00:30:35,170 --> 00:30:31,970

corrected because we are considered to

633

00:30:37,750 --> 00:30:35,180

be a threat to the other civilizations

634

00:30:40,510 --> 00:30:37,760

that exist in many parts of this galaxy

635

00:30:44,740 --> 00:30:40,520

and other galaxies that is why there is

636

00:30:48,690 --> 00:30:44,750

an interest here so that is why we see

637

00:30:51,880 --> 00:30:48,700

different species different vehicles etc

638

00:30:53,740 --> 00:30:51,890

it's a big issue for the Illuminati or

639

00:30:55,690 --> 00:30:53,750

the new world order because they have

640

00:30:59,410 --> 00:30:55,700

alliances with some of these groups but

641

00:31:02,380 --> 00:30:59,420

not with all of them and in fact I talk

642

00:31:05,920 --> 00:31:02,390

I have spoken about recently and several

643

00:31:08,650 --> 00:31:05,930

years ago about this massing of a fleet

644

00:31:10,600 --> 00:31:08,660

in the Kuiper belt area which surrounds

645

00:31:13,150 --> 00:31:10,610

our solar system the border of our solar

646

00:31:16,000 --> 00:31:13,160

system and this is a threat to the

647

00:31:19,330 --> 00:31:16,010

Illuminati and then fact is sabotaging

648

00:31:21,850 --> 00:31:19,340

them in many ways and I've spoken about

649

00:31:25,000 --> 00:31:21,860

the plan of the Illuminati to have a

650

00:31:27,300 --> 00:31:25,010

staged alien invasion which in my

651
00:31:31,540 --> 00:31:27,310
opinion is already the process has begun

652
00:31:33,340 --> 00:31:31,550
but after that occurs and when I think

653
00:31:34,300 --> 00:31:33,350
in the next six months to a year we

654
00:31:37,600 --> 00:31:34,310
should see this

655
00:31:41,530 --> 00:31:37,610
invasion from the Kuiper belt and this

656
00:31:44,500 --> 00:31:41,540
is a huge group massing of many many

657
00:31:48,010 --> 00:31:44,510
civilizations both from our universe and

658
00:31:50,920 --> 00:31:48,020
others who want to change the way things

659
00:31:53,050 --> 00:31:50,930
are here yeah that is interesting

660
00:31:54,860 --> 00:31:53,060
so when you look at the power hierarchy

661
00:31:56,870 --> 00:31:54,870
on this planet

662
00:31:58,610 --> 00:31:56,880
can you give us some greater detail mean

663
00:32:00,950 --> 00:31:58,620

is it all reptilians are there different

664

00:32:03,140 --> 00:32:00,960

factions fighting are they one unified

665

00:32:07,310 --> 00:32:03,150

group against this maybe this Kuiper

666

00:32:09,920 --> 00:32:07,320

belt group well very interesting

667

00:32:12,440 --> 00:32:09,930

question because the answer is there are

668

00:32:14,930 --> 00:32:12,450

so many factions and factions within

669

00:32:17,780 --> 00:32:14,940

factions it's almost like a free-for-all

670

00:32:20,840 --> 00:32:17,790

at this point and that is why the

671

00:32:24,260 --> 00:32:20,850

Illuminati agenda which was supposed to

672

00:32:27,560 --> 00:32:24,270

be fulfilled two years ago in 2012 has

673

00:32:29,930 --> 00:32:27,570

still not fulfilled and now my latest

674

00:32:34,850 --> 00:32:29,940

information is that they're trying to do

675

00:32:38,180 --> 00:32:34,860

this by 2015-2016 so yes there are many

676
00:32:41,660 --> 00:32:38,190
many factions many many groups we also

677
00:32:45,140 --> 00:32:41,670
have to look at the Fourth Reich which

678
00:32:47,660 --> 00:32:45,150
is based in Antarctica which is waiting

679
00:32:49,490 --> 00:32:47,670
for the Illuminati to start chaos on the

680
00:32:52,820 --> 00:32:49,500
surface of the earth and then they are

681
00:32:55,520 --> 00:32:52,830
going to fulfill their own agenda there

682
00:32:58,280 --> 00:32:55,530
there's so many things going on from so

683
00:33:01,730 --> 00:32:58,290
many different areas it gets very

684
00:33:04,280 --> 00:33:01,740
confusing yeah I would think so and I

685
00:33:06,020 --> 00:33:04,290
wanted to hop back to Afghanistan for a

686
00:33:08,120 --> 00:33:06,030
second because people talked about there

687
00:33:09,500 --> 00:33:08,130
being huge cave systems there and if you

688
00:33:11,570 --> 00:33:09,510

buy into the idea of a Hollow Earth

689

00:33:13,790 --> 00:33:11,580

opening or cavern worlds does this kind

690

00:33:17,150 --> 00:33:13,800

of explain why global superpowers won't

691

00:33:19,490 --> 00:33:17,160

ever leave that area alone well it's not

692

00:33:22,130 --> 00:33:19,500

just there I mean these cave systems are

693

00:33:23,930 --> 00:33:22,140

global they're all over the earth they

694

00:33:27,650 --> 00:33:23,940

exist under the ocean they exist

695

00:33:29,540 --> 00:33:27,660

everywhere on this planet so we can't

696

00:33:31,610 --> 00:33:29,550

just say it's Afghanistan or anyplace

697

00:33:33,080 --> 00:33:31,620

else like that it's just global in

698

00:33:35,450 --> 00:33:33,090

nature gotcha

699

00:33:37,190 --> 00:33:35,460

it seems like they keep these places

700

00:33:38,930 --> 00:33:37,200

pretty well guarded though right or they

701
00:33:41,780 --> 00:33:38,940
keep them in turmoil to keep us from

702
00:33:45,320 --> 00:33:41,790
really discovering it don't they well

703
00:33:48,140 --> 00:33:45,330
this is especially true in Iraq because

704
00:33:52,580 --> 00:33:48,150
under the city of Baghdad

705
00:33:55,400 --> 00:33:52,590
there are huge stargates a technology

706
00:33:59,030 --> 00:33:55,410
that has been there for many thousands

707
00:34:01,810 --> 00:33:59,040
of years which enables someone who knows

708
00:34:04,970 --> 00:34:01,820
how to use it to actually connect

709
00:34:08,040 --> 00:34:04,980
energetically create wormholes from here

710
00:34:11,610 --> 00:34:08,050
to anyplace else in this universe

711
00:34:13,710 --> 00:34:11,620
so those who control that Stargate are I

712
00:34:17,940 --> 00:34:13,720
would have a lot of power yeah and

713
00:34:20,880 --> 00:34:17,950

that's why in 2003 when the u.s. invaded

714

00:34:24,960 --> 00:34:20,890

Iraq the first thing they did was go

715

00:34:27,210 --> 00:34:24,970

right to Baghdad they attacked or went

716

00:34:30,060 --> 00:34:27,220

right to the museum and Baghdad they

717

00:34:33,540 --> 00:34:30,070

took at all the displays that were

718

00:34:36,419 --> 00:34:33,550

involving ancient technology uh they and

719

00:34:40,110 --> 00:34:36,429

and in fact the museum curator said that

720

00:34:41,669 --> 00:34:40,120

the US Army people who went into the

721

00:34:43,740 --> 00:34:41,679

museum knew exactly where they were

722

00:34:46,040 --> 00:34:43,750

going they went right to the basement

723

00:34:48,300 --> 00:34:46,050

right to certain areas like they knew

724

00:34:50,730 --> 00:34:48,310

what they had to get and what they had

725

00:34:54,050 --> 00:34:50,740

to you know confiscate from from this

726

00:34:56,430 --> 00:34:54,060

museum and they controlled now the

727

00:34:58,710 --> 00:34:56,440

stargates that are underneath Baghdad

728

00:35:02,700 --> 00:34:58,720

which were connected to Nibiru the

729

00:35:05,250 --> 00:35:02,710

so-called you know rogue planet that

730

00:35:07,980 --> 00:35:05,260

goes through a solar system which by the

731

00:35:09,720 --> 00:35:07,990

way was destroyed in April 2003 there is

732

00:35:14,280 --> 00:35:09,730

no more Nibiru Wow

733

00:35:20,010 --> 00:35:14,290

2003 yeah yes that's direct well

734

00:35:26,400 --> 00:35:20,020

the Illuminati had a technology which

735

00:35:29,940 --> 00:35:26,410

they based near a Jupiter it was a

736

00:35:32,870 --> 00:35:29,950

particle beam accelerator and as Nibiru

737

00:35:37,260 --> 00:35:32,880

came close between Saturn and Jupiter

738

00:35:39,960 --> 00:35:37,270

they destroyed it and if you are able to

739

00:35:43,920 --> 00:35:39,970

still go back on the internet and see

740

00:35:46,230 --> 00:35:43,930

the information of the NASA Sun cams

741

00:35:48,990 --> 00:35:46,240

which were cameras that are focused on

742

00:35:52,710 --> 00:35:49,000

the Sun at that time let's say April May

743

00:35:55,500 --> 00:35:52,720

of 2003 you will see huge chunks of

744

00:35:57,990 --> 00:35:55,510

something headed towards the Sun and

745

00:36:02,130 --> 00:35:58,000

that is the remains of Nibiru which were

746

00:36:05,000 --> 00:36:02,140

exploded and dispersed and that is why

747

00:36:08,730 --> 00:36:05,010

even to this day there are huge

748

00:36:11,820 --> 00:36:08,740

meteorites and and and and asteroids

749

00:36:14,460 --> 00:36:11,830

which are passing by and near the earth

750

00:36:17,700 --> 00:36:14,470

which are remnants of that explosion huh

751

00:36:18,960 --> 00:36:17,710

that's that's pretty trippy so I want to

752

00:36:20,430 --> 00:36:18,970

talk to you more about these underground

753

00:36:21,690 --> 00:36:20,440

bases and you kind of mentioned that

754

00:36:23,970 --> 00:36:21,700

they've got some secret

755

00:36:25,590 --> 00:36:23,980

Genda there in iraq the ideas human are

756

00:36:27,780 --> 00:36:25,600

they reptilian or both because I hear

757

00:36:29,940 --> 00:36:27,790

conspiracy people talking about

758

00:36:34,170 --> 00:36:29,950

underground battles is that still going

759

00:36:36,960 --> 00:36:34,180

on well you know quite honestly some of

760

00:36:41,160 --> 00:36:36,970

the conspiracy information is a hype top

761

00:36:44,070 --> 00:36:41,170

I believe that you know but the truth is

762

00:36:46,170 --> 00:36:44,080

yes there are battles going on

763

00:36:49,230 --> 00:36:46,180

underneath your earth and and and you

764

00:36:51,570 --> 00:36:49,240

might remember a couple years ago almost

765

00:36:54,450 --> 00:36:51,580

every week it was some kind of mining

766

00:36:56,850 --> 00:36:54,460

disaster where miners were killed and

767

00:36:59,190 --> 00:36:56,860

never found and the mines collapsed and

768

00:37:02,550 --> 00:36:59,200

all this stuff going on that's really

769

00:37:06,860 --> 00:37:02,560

what the battles were about and that

770

00:37:09,690 --> 00:37:06,870

occurred all especially in Africa China

771

00:37:13,350 --> 00:37:09,700

the Appalachia Neriah of the United

772

00:37:18,150 --> 00:37:13,360

States that seems to have calmed down a

773

00:37:21,960 --> 00:37:18,160

bit but remember some Illuminati here

774

00:37:23,790 --> 00:37:21,970

which are hybrids of reptilian and human

775

00:37:27,360 --> 00:37:23,800

just as the rest of us are they're

776

00:37:28,200 --> 00:37:27,370

interested in creating a new Galactic

777

00:37:31,260 --> 00:37:28,210

Empire

778

00:37:33,630 --> 00:37:31,270

Oh which is going to which they want to

779

00:37:37,290 --> 00:37:33,640

take over from the original Draco

780

00:37:39,660 --> 00:37:37,300

reptilian Empire they want the earth to

781

00:37:42,720 --> 00:37:39,670

be its headquarters and then fan out

782

00:37:45,390 --> 00:37:42,730

from here this is interesting man I do

783

00:37:47,670 --> 00:37:45,400

two shows a week and I cannot remember

784

00:37:50,010 --> 00:37:47,680

having connection issues like we're

785

00:37:51,990 --> 00:37:50,020

having today what I'm interesting well

786

00:37:54,630 --> 00:37:52,000

Greg I will unfortunately tell you that

787

00:37:55,860 --> 00:37:54,640

every show I do has this issue right

788

00:37:58,350 --> 00:37:55,870

that's what you said hopefully

789

00:37:59,280 --> 00:37:58,360

everything doesn't blow up nah you know

790

00:38:02,160 --> 00:37:59,290

you mentioned in one of your

791

00:38:04,920 --> 00:38:02,170

presentations that there is a massive

792

00:38:06,450 --> 00:38:04,930

City under West Virginia is that right

793

00:38:09,210 --> 00:38:06,460

how can we get into that what's it like

794

00:38:12,270 --> 00:38:09,220

down there oh well you're not gonna get

795

00:38:14,970 --> 00:38:12,280

in there uh but it is the largest

796

00:38:19,100 --> 00:38:14,980

underground city in the world and you

797

00:38:23,190 --> 00:38:19,110

may recall after 9/11 happened

798

00:38:26,040 --> 00:38:23,200

CNN actually talked about it and they

799

00:38:29,010 --> 00:38:26,050

said that it there was an entrance from

800

00:38:31,590 --> 00:38:29,020

both the Virginia and West Virginia and

801
00:38:34,180 --> 00:38:31,600
they specifically mentioned the

802
00:38:35,950 --> 00:38:34,190
Greenbrier resort area and

803
00:38:39,430 --> 00:38:35,960
in West Virginia where there was a major

804
00:38:42,370 --> 00:38:39,440
entrance and they actually said that

805
00:38:45,400 --> 00:38:42,380
when George Bush was taken out of

806
00:38:47,620 --> 00:38:45,410
Washington DC after the attacks they

807
00:38:49,600 --> 00:38:47,630
said he was taken to this major

808
00:38:53,080 --> 00:38:49,610
underground city in West Virginia and

809
00:38:54,730 --> 00:38:53,090
shouldn't we all be glad that should

810
00:38:57,400 --> 00:38:54,740
anything happen to the United States

811
00:38:59,310 --> 00:38:57,410
that our government could go underground

812
00:39:02,410 --> 00:38:59,320
and still exist

813
00:39:07,090 --> 00:39:02,420

how convenient yeah why are we all happy

814

00:39:08,440 --> 00:39:07,100

about that yeah and uh man this is we're

815

00:39:10,810 --> 00:39:08,450

jumping all over the place but it's so

816

00:39:12,580 --> 00:39:10,820

fascinating and so much information that

817

00:39:15,040 --> 00:39:12,590

you know I just want to get a little

818

00:39:17,230 --> 00:39:15,050

piece of all of it but I heard you say

819

00:39:19,720 --> 00:39:17,240

that the lead or the Illuminati they're

820

00:39:21,880 --> 00:39:19,730

dealing with pretty much four or five

821

00:39:24,400 --> 00:39:21,890

different alien races in modern times

822

00:39:28,720 --> 00:39:24,410

can you give us some details on those

823

00:39:31,930 --> 00:39:28,730

groups yeah basically they're dealing

824

00:39:35,200 --> 00:39:31,940

with well let me just say there are four

825

00:39:38,680 --> 00:39:35,210

main groups I should say categories of

826

00:39:40,750 --> 00:39:38,690

aliens which the Illuminati deal with

827

00:39:43,270 --> 00:39:40,760

one is the tall Nordics or the tall

828

00:39:46,810 --> 00:39:43,280

blonds as they're called another is the

829

00:39:49,660 --> 00:39:46,820

reptilians another is the small greys

830

00:39:53,740 --> 00:39:49,670

that you've heard about and the fourth

831

00:39:56,050 --> 00:39:53,750

is the insectoids and with these are

832

00:39:59,380 --> 00:39:56,060

main categories because within these

833

00:40:02,410 --> 00:39:59,390

groups are many subcategories you have

834

00:40:05,110 --> 00:40:02,420

to remember that in our and our galaxy

835

00:40:09,490 --> 00:40:05,120

there are over a hundred billion stars

836

00:40:13,630 --> 00:40:09,500

and in our universe there are between

837

00:40:16,060 --> 00:40:13,640

100 and 200 billion galaxies each one

838

00:40:19,740 --> 00:40:16,070

with at least a hundred billion stars so

839

00:40:22,840 --> 00:40:19,750

the enormity of life in our universe is

840

00:40:26,560 --> 00:40:22,850

extravagant you can't even conceive of

841

00:40:29,200 --> 00:40:26,570

it so there are many many many different

842

00:40:31,570 --> 00:40:29,210

forms of life and of course I gave you

843

00:40:35,620 --> 00:40:31,580

the four main kinds but there are many

844

00:40:37,960 --> 00:40:35,630

others as well that exist you know there

845

00:40:39,940 --> 00:40:37,970

are there are species that look like and

846

00:40:43,390 --> 00:40:39,950

certain animals there are species that

847

00:40:47,350 --> 00:40:43,400

are etheric anything you can think of

848

00:40:47,950 --> 00:40:47,360

exists so our government deals with a

849

00:40:51,880 --> 00:40:47,960

proc

850

00:40:54,210 --> 00:40:51,890

simile four to six different races of

851
00:40:58,750 --> 00:40:54,220
the categories that I mentioned to you

852
00:41:01,660 --> 00:40:58,760
but they are aware of many others gotcha

853
00:41:03,900 --> 00:41:01,670
so yeah yeah I mean I've had a just

854
00:41:07,120 --> 00:41:03,910
recently I interviewed a woman who

855
00:41:09,190 --> 00:41:07,130
researchers researches contactees and

856
00:41:10,599 --> 00:41:09,200
yes all four of these groups seem to be

857
00:41:12,970 --> 00:41:10,609
coming up in people's contact

858
00:41:14,770 --> 00:41:12,980
experiences the ones we hear most often

859
00:41:17,320 --> 00:41:14,780
about are the grays and the tall whites

860
00:41:19,510 --> 00:41:17,330
and of course we kind of can we know

861
00:41:21,490 --> 00:41:19,520
what the reptilians role is but what are

862
00:41:23,589 --> 00:41:21,500
the what's the role of the tall whites

863
00:41:25,870 --> 00:41:23,599

or the greys or even the insectoids like

864

00:41:28,060 --> 00:41:25,880

do they all have similar motives or are

865

00:41:30,970 --> 00:41:28,070

they working with the Illuminati or

866

00:41:33,480 --> 00:41:30,980

against them ha

867

00:41:37,900 --> 00:41:33,490

well the answer is d all of the above

868

00:41:40,390 --> 00:41:37,910

because despite any alliances that both

869

00:41:44,020 --> 00:41:40,400

the US or Russian or Chinese governments

870

00:41:46,060 --> 00:41:44,030

have with these beings they're deceived

871

00:41:47,950 --> 00:41:46,070

and they know that they're deceived and

872

00:41:50,740 --> 00:41:47,960

there's a very tenuous agreement between

873

00:41:53,230 --> 00:41:50,750

all of these groups because the u.s.

874

00:41:54,730 --> 00:41:53,240

especially has certain agreements and

875

00:41:58,630 --> 00:41:54,740

then they find out these agreements are

876

00:42:01,300 --> 00:41:58,640

not being honored for example you have

877

00:42:03,220 --> 00:42:01,310

heard of the animal mutilations which

878

00:42:07,960 --> 00:42:03,230

came to the public light in the late

879

00:42:10,060 --> 00:42:07,970

1960s in Colorado yes yes and but what

880

00:42:12,760 --> 00:42:10,070

they don't tell the public is that there

881

00:42:14,980 --> 00:42:12,770

have been human mutilations that have

882

00:42:15,460 --> 00:42:14,990

been discovered all over the world as

883

00:42:19,859 --> 00:42:15,470

well

884

00:42:22,540 --> 00:42:19,869

ah so there are very hostile groups

885

00:42:23,770 --> 00:42:22,550

which do whatever the heck they want and

886

00:42:28,030 --> 00:42:23,780

they don't care what the government's

887

00:42:30,579 --> 00:42:28,040

agreements are and they take human

888

00:42:33,880 --> 00:42:30,589

beings in fact what are the most

889

00:42:37,359 --> 00:42:33,890

horrible human relations was found in

890

00:42:38,980 --> 00:42:37,369

Brazil I believe in the early 1980s

891

00:42:42,130 --> 00:42:38,990

where they found this man along a river

892

00:42:44,380 --> 00:42:42,140

his all the skin from his face had been

893

00:42:47,500 --> 00:42:44,390

removed his lips had been removed his

894

00:42:49,720 --> 00:42:47,510

genitalia had been removed his lymph

895

00:42:52,390 --> 00:42:49,730

glands under the arms had been removed

896

00:42:56,230 --> 00:42:52,400

and his body was just left on the banks

897

00:42:59,770 --> 00:42:56,240

of this river to be found Wow yeah and

898

00:43:01,150 --> 00:42:59,780

in addition I know that most people are

899

00:43:04,299 --> 00:43:01,160

aware of

900

00:43:07,770 --> 00:43:04,309

called Roswell crash in 1947 in New

901
00:43:10,660 --> 00:43:07,780
Mexico and there have been many

902
00:43:14,410 --> 00:43:10,670
so-called crashes around the earth at

903
00:43:16,990 --> 00:43:14,420
various times and locations but on some

904
00:43:20,049 --> 00:43:17,000
occasions some vehicles have been shot

905
00:43:23,049 --> 00:43:20,059
at and crashed and these some of these

906
00:43:25,270 --> 00:43:23,059
were full bred reptilian vehicles and

907
00:43:27,880 --> 00:43:25,280
when the vehicles crashed they found

908
00:43:30,789 --> 00:43:27,890
human corpses without arms without legs

909
00:43:32,680 --> 00:43:30,799
without heads without organs obviously

910
00:43:36,579 --> 00:43:32,690
human beings have been taken and

911
00:43:39,490 --> 00:43:36,589
harvested for nefarious purposes yeah

912
00:43:42,760 --> 00:43:39,500
yeah that's a that's kind of common

913
00:43:45,339 --> 00:43:42,770

knowledge these days that's a it's seems

914

00:43:48,549 --> 00:43:45,349

to be the greys main motivation seems to

915

00:43:50,140 --> 00:43:48,559

be abducting people but um man we are

916

00:43:51,849 --> 00:43:50,150

just breezing through this I kind of

917

00:43:53,799 --> 00:43:51,859

want to catch up to modern times I mean

918

00:43:55,480 --> 00:43:53,809

so what's what's the situation right now

919

00:43:56,859 --> 00:43:55,490

do you see the Illuminati or losing

920

00:44:00,940 --> 00:43:56,869

control you mentioned the Kuiper belt

921

00:44:02,740 --> 00:44:00,950

beans being out there how is the life

922

00:44:05,859 --> 00:44:02,750

going to be for us in the next ten years

923

00:44:08,859 --> 00:44:05,869

you think well that's the 64 million

924

00:44:11,859 --> 00:44:08,869

dollar question isn't it but I'm willing

925

00:44:14,170 --> 00:44:11,869

to take 10% of the 64 million if anyone

926

00:44:14,710 --> 00:44:14,180

was together sure sure I'll split it

927

00:44:16,930 --> 00:44:14,720

with us

928

00:44:18,549 --> 00:44:16,940

yeah I'm gonna take 1% for goodness sake

929

00:44:21,579 --> 00:44:18,559

anyway

930

00:44:24,880 --> 00:44:21,589

the answer is the Illuminati yes they

931

00:44:26,740 --> 00:44:24,890

realize that the gig is up that doesn't

932

00:44:30,240 --> 00:44:26,750

mean that it's going to be love light

933

00:44:33,970 --> 00:44:30,250

and peace on this planet absolutely not

934

00:44:37,660 --> 00:44:33,980

unfortunately because you may have heard

935

00:44:41,799 --> 00:44:37,670

of the Hadron Collider near Geneva

936

00:44:43,839 --> 00:44:41,809

Switzerland yeah and so called the

937

00:44:47,410 --> 00:44:43,849

purpose of it is the find I called the

938

00:44:49,480 --> 00:44:47,420

god mine particle but that's not the

939

00:44:53,019 --> 00:44:49,490

reason for it what they're trying to do

940

00:44:56,109 --> 00:44:53,029

is collapse various alternative or

941

00:44:58,240 --> 00:44:56,119

parallel universes into this one where

942

00:45:02,260 --> 00:44:58,250

the Illuminati have achieved their

943

00:45:04,750 --> 00:45:02,270

agenda because the looks of it is that

944

00:45:07,240 --> 00:45:04,760

in this particular timeline they're not

945

00:45:08,980 --> 00:45:07,250

going to achieve their agenda because

946

00:45:11,109 --> 00:45:08,990

they've been sabotaged with from

947

00:45:13,500 --> 00:45:11,119

humanity and from outside of this planet

948

00:45:15,099 --> 00:45:13,510

and I go again to the Kuiper belt group

949

00:45:17,470 --> 00:45:15,109

which of sabbith

950

00:45:19,450 --> 00:45:17,480

dodge the collider in Switzerland and

951

00:45:22,569 --> 00:45:19,460

there's also a Collider in Aurora

952

00:45:26,979 --> 00:45:22,579

Illinois and others around the Cologne

953

00:45:31,380 --> 00:45:26,989

and Texas etc and these are designed to

954

00:45:35,920 --> 00:45:31,390

create an influx of lower astral

955

00:45:38,729 --> 00:45:35,930

entities into into society in order for

956

00:45:41,920 --> 00:45:38,739

the Illuminati to fulfill their purpose

957

00:45:46,630 --> 00:45:41,930

the bottom line is the way I see it by

958

00:45:49,299 --> 00:45:46,640

2015 2016 the Illuminati will have

959

00:45:53,319 --> 00:45:49,309

already fulfilled their staged alien

960

00:45:55,150 --> 00:45:53,329

invasion and then a real invasion will

961

00:45:58,059 --> 00:45:55,160

occur from the Kuiper belt

962

00:46:00,519 --> 00:45:58,069

these beings in the Kuiper belt are

963

00:46:02,620 --> 00:46:00,529

aligned with the 4th right which is in

964

00:46:04,599 --> 00:46:02,630

Antarctica which is why the Illuminati

965

00:46:06,970 --> 00:46:04,609

no longer allow any information from

966

00:46:12,910 --> 00:46:06,980

Antarctica to be in the public news or

967

00:46:15,160 --> 00:46:12,920

media and my feeling is that the Kuiper

968

00:46:16,660 --> 00:46:15,170

belt beings who are quite advanced and

969

00:46:19,920 --> 00:46:16,670

there's their there are civilizations

970

00:46:23,289 --> 00:46:19,930

there we've never even heard of before

971

00:46:25,210 --> 00:46:23,299

we'll be successful and the Illuminati

972

00:46:28,420 --> 00:46:25,220

will have to either be eliminate or

973

00:46:30,789 --> 00:46:28,430

scattered to other locations but this

974

00:46:34,450 --> 00:46:30,799

planet then will be under the

975

00:46:39,279 --> 00:46:34,460

jurisdiction of a Fourth Reich type of

976
00:46:44,410 --> 00:46:39,289
environment under the umbrella of these

977
00:46:46,779 --> 00:46:44,420
Kuiper belt beings and you know you know

978
00:46:50,859 --> 00:46:46,789
what that will be like nobody knows at

979
00:46:53,489 --> 00:46:50,869
this point my feeling is my feeling is

980
00:46:55,960 --> 00:46:53,499
at some point in the future linearly

981
00:46:58,359 --> 00:46:55,970
human beings will take their power back

982
00:47:01,739 --> 00:46:58,369
and we will become independent you know

983
00:47:04,059 --> 00:47:01,749
when that happens it's up to humanity

984
00:47:06,279 --> 00:47:04,069
unfortunately Greg when I look out there

985
00:47:08,950 --> 00:47:06,289
at civilization I see a lot of stupid

986
00:47:10,690 --> 00:47:08,960
people people who believe what the media

987
00:47:13,120 --> 00:47:10,700
tells them they believe in global

988
00:47:16,839 --> 00:47:13,130

warming they believe in all the you know

989

00:47:17,920 --> 00:47:16,849

the you know the SARS virus and all

990

00:47:21,190 --> 00:47:17,930

these other things that they're told

991

00:47:24,249 --> 00:47:21,200

it's all a bunch of crap it doesn't

992

00:47:27,519 --> 00:47:24,259

exist in fact an ice age is coming to

993

00:47:29,080 --> 00:47:27,529

the planet not global warming so that's

994

00:47:31,150 --> 00:47:29,090

why we're seeing all these extreme

995

00:47:35,250 --> 00:47:31,160

has nothing to do with what the media is

996

00:47:38,560 --> 00:47:35,260

telling you so my advice is to go within

997

00:47:41,710 --> 00:47:38,570

to open up that 90 percent of the mind

998

00:47:44,080 --> 00:47:41,720

that you're not using the 97% of the DNA

999

00:47:47,260 --> 00:47:44,090

that's called junk DNA open it up and

1000

00:47:50,470 --> 00:47:47,270

use it because if we take our power back

1001
00:47:52,420 --> 00:47:50,480
then the Illuminati and Kuiper belt and

1002
00:47:54,760 --> 00:47:52,430
anything else is out there have no power

1003
00:47:57,970 --> 00:47:54,770
over us we have we have our own power

1004
00:47:59,860 --> 00:47:57,980
that internal strength yeah man it's

1005
00:48:01,510 --> 00:47:59,870
fascinating stuff and we're kind of

1006
00:48:03,580 --> 00:48:01,520
getting towards the end of the show here

1007
00:48:05,890 --> 00:48:03,590
and for a lot of this I mean I'm taking

1008
00:48:08,890 --> 00:48:05,900
your word for it I mean it's a tough

1009
00:48:11,920 --> 00:48:08,900
pill to swallow it's so unconventional I

1010
00:48:13,420 --> 00:48:11,930
mean I love the stories but I want

1011
00:48:15,280 --> 00:48:13,430
people to be able to entertain these

1012
00:48:16,990 --> 00:48:15,290
ideas and it is just so foreign from

1013
00:48:18,730 --> 00:48:17,000

conventional ideas some of these secrets

1014

00:48:20,650 --> 00:48:18,740

seem too big to keep I mean is there any

1015

00:48:23,890 --> 00:48:20,660

evidence you can point to to help sway

1016

00:48:26,770 --> 00:48:23,900

the skeptics out there you know Greg

1017

00:48:28,690 --> 00:48:26,780

listen to listen to what I say if people

1018

00:48:30,940 --> 00:48:28,700

don't believe in something I can show

1019

00:48:33,610 --> 00:48:30,950

them a living alien in person in front

1020

00:48:35,590 --> 00:48:33,620

of them and they won't believe it if you

1021

00:48:36,880 --> 00:48:35,600

have a knowing and you realize what's

1022

00:48:38,770 --> 00:48:36,890

out there you don't need to have

1023

00:48:41,710 --> 00:48:38,780

physical evidence because you know that

1024

00:48:44,800 --> 00:48:41,720

it's true so my job is not to convince

1025

00:48:46,390 --> 00:48:44,810

people of anything my job is to just

1026

00:48:48,610 --> 00:48:46,400

tell them what I know and they can

1027

00:48:53,230 --> 00:48:48,620

accept it or they can reject it it's up

1028

00:48:55,090 --> 00:48:53,240

to them see fair coin I say to people do

1029

00:48:57,880 --> 00:48:55,100

your own research because what you know

1030

00:48:59,170 --> 00:48:57,890

don't take my word for it do look at

1031

00:49:01,690 --> 00:48:59,180

that look what's out there

1032

00:49:03,670 --> 00:49:01,700

the physical evidence is there you know

1033

00:49:06,940 --> 00:49:03,680

the the monuments on the earth are

1034

00:49:09,460 --> 00:49:06,950

physically there the the genetics of

1035

00:49:11,980 --> 00:49:09,470

alien intervention-- in humanity it's

1036

00:49:13,810 --> 00:49:11,990

physically there just look at how humans

1037

00:49:18,550 --> 00:49:13,820

just stayed in the womb and you can see

1038

00:49:21,100 --> 00:49:18,560

it read the the symbolism that's in the

1039

00:49:23,020 --> 00:49:21,110

Bible do not take it literally but look

1040

00:49:25,390 --> 00:49:23,030

at the symbolism behind a look at the

1041

00:49:28,090 --> 00:49:25,400

Bible code which can only be deciphered

1042

00:49:29,920 --> 00:49:28,100

by computer these are these are evidence

1043

00:49:32,170 --> 00:49:29,930

to me you know that's why I go all over

1044

00:49:34,480 --> 00:49:32,180

the earth I've been to all all seven

1045

00:49:37,030 --> 00:49:34,490

continents I've been to almost every

1046

00:49:39,060 --> 00:49:37,040

country on this planet to find the real

1047

00:49:42,850 --> 00:49:39,070

information and I presented to people

1048

00:49:45,700 --> 00:49:42,860

but that's all I can do the

1049

00:49:50,350 --> 00:49:45,710

if the knowing has to come from you and

1050

00:49:54,790 --> 00:49:50,360

and here's what I say belief is in the

1051
00:49:58,300 --> 00:49:54,800
mind faith is in the heart but knowing

1052
00:50:01,780 --> 00:49:58,310
comes from your soul personality the

1053
00:50:04,510 --> 00:50:01,790
depths of you so go into that and go

1054
00:50:07,420 --> 00:50:04,520
into your knowing this regard the faith

1055
00:50:09,910 --> 00:50:07,430
and belief because that's superfluous go

1056
00:50:11,940 --> 00:50:09,920
into the depths of the knowing and see

1057
00:50:15,820 --> 00:50:11,950
who you are and where you come from

1058
00:50:16,990 --> 00:50:15,830
fair point so it seems like like if you

1059
00:50:19,240 --> 00:50:17,000
view it you've had privileged

1060
00:50:20,770 --> 00:50:19,250
information in your life of course but a

1061
00:50:22,810 --> 00:50:20,780
lot of this is it coming from your own

1062
00:50:25,510 --> 00:50:22,820
research or is this coming from inside

1063
00:50:28,600 --> 00:50:25,520

sources or is it a mixture all of the

1064

00:50:32,740 --> 00:50:28,610

above right because as you know my own

1065

00:50:35,530 --> 00:50:32,750

cousin my my my great uncle Yakov was

1066

00:50:40,270 --> 00:50:35,540

the first president of Soviet Union his

1067

00:50:42,310 --> 00:50:40,280

son Alexei began the KGB so I do have

1068

00:50:44,890 --> 00:50:42,320

you know what he considered fortunate or

1069

00:50:47,680 --> 00:50:44,900

unfortunate a connection to that and

1070

00:50:50,290 --> 00:50:47,690

they have extensively researched the

1071

00:50:53,140 --> 00:50:50,300

origins of humanity and history etc and

1072

00:50:55,390 --> 00:50:53,150

they have given me this information and

1073

00:50:58,210 --> 00:50:55,400

that's what I present that with plus my

1074

00:51:01,420 --> 00:50:58,220

own research my own mind work

1075

00:51:02,860 --> 00:51:01,430

I present to the public mm-hmm yes

1076

00:51:05,020 --> 00:51:02,870

that's I'm glad you brought that up

1077

00:51:07,150 --> 00:51:05,030

there at the end because my audience is

1078

00:51:10,300 --> 00:51:07,160

always writing me emails they're very

1079

00:51:12,610 --> 00:51:10,310

skeptical of any kind of government

1080

00:51:14,680 --> 00:51:12,620

affiliation and obviously you have huge

1081

00:51:17,290 --> 00:51:14,690

family government affiliations does that

1082

00:51:20,260 --> 00:51:17,300

ever affect you when you're trying to

1083

00:51:23,050 --> 00:51:20,270

talk about this stuff it depends where I

1084

00:51:26,230 --> 00:51:23,060

am you know when I'm in Russia I'm a

1085

00:51:28,420 --> 00:51:26,240

superstar you know like they actually I

1086

00:51:30,790 --> 00:51:28,430

had to ask to be Rutte I actually had

1087

00:51:31,300 --> 00:51:30,800

been asked to run for president of

1088

00:51:34,870 --> 00:51:31,310

Russia

1089

00:51:36,730 --> 00:51:34,880

believe it or not Wow but I refused to

1090

00:51:39,730 --> 00:51:36,740

do such a thing I've spoken to the

1091

00:51:42,880 --> 00:51:39,740

president of Iceland I have spoken to

1092

00:51:45,010 --> 00:51:42,890

officials in many many countries and

1093

00:51:47,350 --> 00:51:45,020

what they say in public is very

1094

00:51:50,800 --> 00:51:47,360

different than what they know behind the

1095

00:51:53,200 --> 00:51:50,810

scenes yeah and I realized I realized

1096

00:51:55,030 --> 00:51:53,210

that many people have an issue with any

1097

00:51:56,410 --> 00:51:55,040

information from the government and I

1098

00:51:59,710 --> 00:51:56,420

don't blame them

1099

00:52:04,840 --> 00:51:59,720

I also have issues with it but the

1100

00:52:06,760 --> 00:52:04,850

sources that I have go behind that and

1101

00:52:08,350 --> 00:52:06,770

they go to the true history the

1102

00:52:11,020 --> 00:52:08,360

information which is not available to

1103

00:52:13,150 --> 00:52:11,030

conventional media or history and so I

1104

00:52:14,890 --> 00:52:13,160

look at that plus my own research which

1105

00:52:17,110 --> 00:52:14,900

corroborates that and that's what I

1106

00:52:17,890 --> 00:52:17,120

present and again you don't have to

1107

00:52:20,110 --> 00:52:17,900

believe me

1108

00:52:22,090 --> 00:52:20,120

do your own research find that for

1109

00:52:25,210 --> 00:52:22,100

yourself and the know from within

1110

00:52:27,070 --> 00:52:25,220

yourself for sure do you here's it one

1111

00:52:28,390 --> 00:52:27,080

more question about this kind of topic

1112

00:52:30,160 --> 00:52:28,400

is do you ever worry about your safety

1113

00:52:33,660 --> 00:52:30,170

dogs it seems like the elite have killed

1114

00:52:36,130 --> 00:52:33,670

researchers and journalists for far less

1115

00:52:38,280 --> 00:52:36,140

absolutely and you know there have been

1116

00:52:40,450 --> 00:52:38,290

times when I was very close to death and

1117

00:52:42,280 --> 00:52:40,460

there have been times when I said hey

1118

00:52:44,200 --> 00:52:42,290

just kill me because I'm done with all

1119

00:52:46,990 --> 00:52:44,210

this crap and the sabotage you know I'm

1120

00:52:48,850 --> 00:52:47,000

done with it you know and so I used my

1121

00:52:51,130 --> 00:52:48,860

violet protection I use all the work

1122

00:52:54,910 --> 00:52:51,140

that I tell people to use in hyperspace

1123

00:52:57,580 --> 00:52:54,920

and Here I am I'm still alive now really

1124

00:53:01,330 --> 00:52:57,590

I am attacked almost on a daily basis

1125

00:53:03,460 --> 00:53:01,340

from many different places and that's

1126
00:53:05,860 --> 00:53:03,470
the truth I'm sabotage you've seen from

1127
00:53:08,380 --> 00:53:05,870
our own show today how we have been

1128
00:53:10,450 --> 00:53:08,390
sabotage on skype X and then the

1129
00:53:13,840 --> 00:53:10,460
internet where the show has been cut off

1130
00:53:16,450 --> 00:53:13,850
in many different places so yes it's

1131
00:53:19,840 --> 00:53:16,460
it's a constant struggle it's a constant

1132
00:53:21,640 --> 00:53:19,850
battle but we have to decide are we

1133
00:53:25,240 --> 00:53:21,650
going to give up are we going to be

1134
00:53:26,860 --> 00:53:25,250
victorious Amen man well that is true

1135
00:53:28,270 --> 00:53:26,870
the audience isn't going to notice it

1136
00:53:30,940 --> 00:53:28,280
very much because I'm going to stitch it

1137
00:53:33,640 --> 00:53:30,950
together but I cannot remember a time

1138
00:53:35,460 --> 00:53:33,650

honestly where I've had so many problems

1139

00:53:39,130 --> 00:53:35,470

with the internet connection and Skype

1140

00:53:40,960 --> 00:53:39,140

not connecting it was fairly strange I

1141

00:53:44,110 --> 00:53:40,970

know a lot of shows talk about that and

1142

00:53:46,660 --> 00:53:44,120

always joke or allude to interference

1143

00:53:48,730 --> 00:53:46,670

but eh I mean it's it's anecdotal but we

1144

00:53:51,220 --> 00:53:48,740

definitely did have more interference

1145

00:53:53,050 --> 00:53:51,230

that I'm used to but I really wish we

1146

00:53:54,700 --> 00:53:53,060

had a little more time to go on to

1147

00:53:56,650 --> 00:53:54,710

validate some of these stories but man I

1148

00:53:58,240 --> 00:53:56,660

appreciate you sharing them with us I

1149

00:53:59,980 --> 00:53:58,250

for one would really love to get some

1150

00:54:02,230 --> 00:53:59,990

evidence of the Hollow Earth or a city

1151
00:54:03,970 --> 00:54:02,240
under West Virginia but I guess they

1152
00:54:06,640 --> 00:54:03,980
keep that evidence pretty close to the

1153
00:54:08,710 --> 00:54:06,650
chest I would say you know a lot of

1154
00:54:10,240 --> 00:54:08,720
people tell me hey if I you know if I

1155
00:54:12,730 --> 00:54:10,250
started going to a cave and

1156
00:54:14,530 --> 00:54:12,740
going down what will I find you know

1157
00:54:16,390 --> 00:54:14,540
look they're not going to let people in

1158
00:54:18,160 --> 00:54:16,400
unless they want them to come in you're

1159
00:54:19,570 --> 00:54:18,170
not going to just start digging in and

1160
00:54:21,790 --> 00:54:19,580
there I found the roof of the

1161
00:54:24,280 --> 00:54:21,800
underground base not going to happen you

1162
00:54:27,400 --> 00:54:24,290
know physical proof of this thing it's

1163
00:54:29,520 --> 00:54:27,410

almost impossible to get that anyone who

1164

00:54:31,830 --> 00:54:29,530

does have that physical proof is dead

1165

00:54:34,750 --> 00:54:31,840

you know and that's the bottom line

1166

00:54:36,400 --> 00:54:34,760

hmm right on man well hey thanks again

1167

00:54:37,960 --> 00:54:36,410

hopefully we can do it again sometime

1168

00:54:39,280 --> 00:54:37,970

before we go would you like to give the

1169

00:54:40,650 --> 00:54:39,290

people your website and tell them a

1170

00:54:42,580 --> 00:54:40,660

little bit about what else you work on

1171

00:54:46,690 --> 00:54:42,590

yes thank you

1172

00:54:48,430 --> 00:54:46,700

1174

00:54:52,930 --> 00:54:50,780

information from history to organic

1175

00:54:55,360 --> 00:54:52,940

health information hyperspace

1176

00:54:57,090 --> 00:54:55,370

information color therapy everything you

1177

00:55:01,300 --> 00:54:57,100

can think of it's a one-stop shop

1178

00:55:04,090 --> 00:55:01,310

please go on there and see what you find

1179

00:55:06,970 --> 00:55:04,100

I recently came back from Japan where I

1180

00:55:09,850 --> 00:55:06,980

studied and looked into the connection

1181

00:55:11,530 --> 00:55:09,860

of the Emmanuelle a Christ figure who

1182

00:55:14,890 --> 00:55:11,540

went all the way to Japan and I actually

1183

00:55:17,890 --> 00:55:14,900

found the graves so look at the videos

1184

00:55:20,650 --> 00:55:17,900

online about that I'm going back to

1185

00:55:22,990 --> 00:55:20,660

Iceland I'm going to Poland in the next

1186

00:55:26,020 --> 00:55:23,000

couple of months a lot of information

1187

00:55:28,600 --> 00:55:26,030

coming up that I present to you come to

1188

00:55:31,300 --> 00:55:28,610

1189

00:55:33,040 --> 00:55:31,310

in August we have an annual seminar in

1190

00:55:35,650 --> 00:55:33,050

1193

00:55:42,850 --> 00:55:40,730

and we'll Stuart awesome stuff hey take

1194

00:55:45,520 --> 00:55:42,860

care of yourself out there and hopefully

1195

00:55:48,760 --> 00:55:45,530

we'll talk again I look forward to the

1196

00:55:51,130 --> 00:55:48,770

thank you great hi man there we have it

1197

00:55:53,200 --> 00:55:51,140

people big thanks to Stuart that is my

1198

00:55:55,510 --> 00:55:53,210

kind of ride who even knows what to

1199

00:55:58,420 --> 00:55:55,520

believe anymore also a reminder that THC

1200

00:56:00,490 --> 00:55:58,430

plus is coming August 1st the longer

1201
00:56:02,890 --> 00:56:00,500
two-hour show will be available for a

1202
00:56:04,690 --> 00:56:02,900
modest \$5 monthly subscription it

1203
00:56:07,120 --> 00:56:04,700
ensures that I can remain fully

1204
00:56:09,250 --> 00:56:07,130
dedicated to THC and that we will be

1205
00:56:11,800 --> 00:56:09,260
around as long as people are willing to

1206
00:56:14,230 --> 00:56:11,810
listen it isn't my favorite change to

1207
00:56:16,720 --> 00:56:14,240
make but I can tell you that if this

1208
00:56:19,480 --> 00:56:16,730
goes well I'll never have to change the

1209
00:56:21,310 --> 00:56:19,490
show again as far as I can tell audience

1210
00:56:23,230 --> 00:56:21,320
supported media is the way of the future

1211
00:56:24,400 --> 00:56:23,240
for uncensored content

1212
00:56:27,010 --> 00:56:24,410
that doesn't have to deal with the

1213
00:56:28,840 --> 00:56:27,020

standards and practices the gatekeepers

1214

00:56:31,240 --> 00:56:28,850

of the corporate world although it's a

1215

00:56:32,770 --> 00:56:31,250

concept as old as HBO the internet takes

1216

00:56:34,450 --> 00:56:32,780

it to a whole new level and if you're

1217

00:56:36,580 --> 00:56:34,460

paying attention to what's going on with

1218

00:56:38,080 --> 00:56:36,590

guys like Opie and Anthony right now one

1219

00:56:40,330 --> 00:56:38,090

of the biggest comedy shows in

1220

00:56:42,280 --> 00:56:40,340

broadcasting Anthony was fired for a

1221

00:56:44,680 --> 00:56:42,290

tweet he sent out not even something he

1222

00:56:46,030 --> 00:56:44,690

said on the air so even at that level if

1223

00:56:48,190 --> 00:56:46,040

you're playing the old game you just

1224

00:56:50,140 --> 00:56:48,200

don't have control over your own show or

1225

00:56:52,330 --> 00:56:50,150

over your own life but if they were to

1226

00:56:54,490 --> 00:56:52,340

just quit radio and start a \$5 monthly

1227

00:56:56,200 --> 00:56:54,500

subscription podcast they'd never have

1228

00:56:58,180 --> 00:56:56,210

to worry about any of these things again

1229

00:57:00,670 --> 00:56:58,190

but anyway that's the direction that I'm

1230

00:57:03,340 --> 00:57:00,680

hoping to go from my security THC

1231

00:57:05,890 --> 00:57:03,350

security and your own and you can hop

1232

00:57:07,510 --> 00:57:05,900

over to the higher side chats plus calm

1233

00:57:09,250 --> 00:57:07,520

right now where I have a little info

1234

00:57:10,660 --> 00:57:09,260

about the change and I try to address

1235

00:57:13,420 --> 00:57:10,670

some of the concerns I've gotten

1236

00:57:15,520 --> 00:57:13,430

although an overwhelming amount of the

1237

00:57:17,260 --> 00:57:15,530

emails and messages have been positive

1238

00:57:19,960 --> 00:57:17,270

from people willing to support the show

1239

00:57:21,730 --> 00:57:19,970

that are psyched to enjoy twice as much

1240

00:57:23,260 --> 00:57:21,740

from the guests I mean today's show is a

1241

00:57:25,359 --> 00:57:23,270

great example of one that could really

1242

00:57:27,609 --> 00:57:25,369

have benefited from a second hour but in

1243

00:57:29,050 --> 00:57:27,619

the meantime please share the show and

1244

00:57:31,390 --> 00:57:29,060

tell your friends and take care of

1245

00:57:33,340 --> 00:57:31,400

yourself out there it's a weird weird

1246

00:57:33,760 --> 00:57:33,350

world well I've done my part for the
