1
00:00:05,349 --> 00:00:02,950
hey greg i just wanted to say uh i love

2
00:00:07,190 --> 00:00:05,359
the episode with uh robert morningwood

3
00:00:09,190 --> 00:00:07,200
probably the best episode i think i've

4
00:00:11,190 --> 00:00:09,200
listened to most of them need to get

5
00:00:13,030 --> 00:00:11,200
that guy on again and

6
00:00:20,150 --> 00:00:13,040
do about a six-hour episode i'll listen

7
00:00:20,160 --> 00:00:24,390
in the 1930s

8
00:00:28,790 --> 00:00:26,310
through a series of radio broadcasts

9
00:00:30,870 --> 00:00:28,800
known as the fireside chats

10
00:00:32,709 --> 00:00:30,880
his aim was to reassure the common man

11
00:00:37,830 --> 00:00:32,719
that our society would recover from its

12
00:00:47,670 --> 00:00:40,389
for a new era of worldly frustration we

13
00:00:51,990 --> 00:00:49,910

hallelujah higher side chatters we are

14

00:00:54,310 --> 00:00:52,000

back in the saddle drinking my drink

15

00:00:56,950 --> 00:00:54,320

smoking my smoke from sunny san diego

16

00:00:59,110 --> 00:00:56,960

i'm greg carl wood and i am so psyched

17

00:01:01,590 --> 00:00:59,120

to finally be launching thc plus with

18

00:01:03,110 --> 00:01:01,600

this show so people who have subscribed

19

00:01:05,590 --> 00:01:03,120

for five dollars a month will be able to

20

00:01:06,750 --> 00:01:05,600

hear two hours today

21

00:01:10,390 --> 00:01:06,760

at

22

00:01:12,070 --> 00:01:10,400

thanks so much for helping me out by the

23

00:01:14,390 --> 00:01:12,080

way and if you're listening to

24

00:01:16,870 --> 00:01:14,400

traditional means the free show will be

25

00:01:18,950 --> 00:01:16,880

a one hour show but this is a great one

26
00:01:20,789 --> 00:01:18,960
to launch with nick redfearn the amazing

27
00:01:23,350 --> 00:01:20,799
author and researcher that i'm sure all

28
00:01:25,429 --> 00:01:23,360
of you know is here and today every

29
00:01:28,310 --> 00:01:25,439
conspiracy we talk about involves either

30
00:01:30,310 --> 00:01:28,320
some missing files or strange deaths and

31
00:01:32,069 --> 00:01:30,320
these are two factors that oftentimes

32
00:01:34,469 --> 00:01:32,079
are missed because the files or the

33
00:01:36,870 --> 00:01:34,479
people don't go missing

34
00:01:38,950 --> 00:01:36,880
sometimes until years after the events

35
00:01:40,149 --> 00:01:38,960
or while the shadowy puppet masters are

36
00:01:42,230 --> 00:01:40,159
out there doing some cleanup that

37
00:01:44,950 --> 00:01:42,240
nobody's paying attention to some of

38
00:01:46,630 --> 00:01:44,960

these cases we talk about are really new

39

00:01:48,950 --> 00:01:46,640

to me and are pretty interesting and

40

00:01:51,510 --> 00:01:48,960

some of the conspiracies we talk about

41

00:01:53,190 --> 00:01:51,520

are pretty legendary also but even on

42

00:01:55,429 --> 00:01:53,200

something like roswell even though i've

43

00:01:59,109 --> 00:01:55,439

heard the story a thousand times i still

44

00:02:00,870 --> 00:01:59,119

wonder if it's a real space alien story

45

00:02:02,870 --> 00:02:00,880

of course i leaned towards yes but it

46

00:02:04,870 --> 00:02:02,880

can't really be proven at this point

47

00:02:07,109 --> 00:02:04,880

that said when you hear about files that

48

00:02:09,350 --> 00:02:07,119

have been taken or destroyed and a

49

00:02:11,910 --> 00:02:09,360

series of witness deaths and stuff that

50

00:02:13,430 --> 00:02:11,920

can be proven it forms a stronger and

51
00:02:16,070 --> 00:02:13,440
stronger case and that's what this

52
00:02:18,790 --> 00:02:16,080
episode is largely about and both hours

53
00:02:21,270 --> 00:02:18,800
contain some great stories wilhelm reich

54
00:02:23,510 --> 00:02:21,280
marilyn monroe and aleister crowley oh

55
00:02:25,510 --> 00:02:23,520
my i also want to throw out there that

56
00:02:27,589 --> 00:02:25,520
i'm looking for more theme songs and

57
00:02:30,070 --> 00:02:27,599
more independent artists and bands that

58
00:02:32,150 --> 00:02:30,080
want to hear their own music on the

59
00:02:34,710 --> 00:02:32,160
outros so i'm trying to set up an

60
00:02:36,630 --> 00:02:34,720
archive to use and avoid copy written

61
00:02:38,550 --> 00:02:36,640
music because a show of this nature

62
00:02:41,350 --> 00:02:38,560
specifically really shouldn't have such

63
00:02:43,270 --> 00:02:41,360

a huge vulnerability like that and so

64

00:02:45,589 --> 00:02:43,280

we're going to fight the system by

65

00:02:47,430 --> 00:02:45,599

making our own archive of usable music

66

00:02:49,670 --> 00:02:47,440

by the artists and fans that like the

67

00:02:52,470 --> 00:02:49,680

show so you can read more about it at

68

00:02:54,550 --> 00:02:52,480

thehiresidechats.commusic

69

00:02:57,470 --> 00:02:54,560

or you could just submit your own tunes

70

00:02:59,030 --> 00:02:57,480

to the show via email at

71

00:03:00,550 --> 00:02:59,040

mymusiconthc

72

00:03:02,550 --> 00:03:00,560

gmail.com

73

00:03:04,149 --> 00:03:02,560

and if we get a lot of music in there

74

00:03:05,910 --> 00:03:04,159

you know we have a lot of fans that have

75

00:03:08,070 --> 00:03:05,920

submitted stuff over the years it just

76

00:03:10,630 --> 00:03:08,080

gets so convoluted with all the emails i

77

00:03:13,190 --> 00:03:10,640

get i miss things i lose things but

78

00:03:15,830 --> 00:03:13,200

having it all at this email having only

79

00:03:17,589 --> 00:03:15,840

this email dedicated to accepting song

80

00:03:18,390 --> 00:03:17,599

submissions it's gonna make it so much

81

00:03:21,350 --> 00:03:18,400

easier

82

00:03:23,350 --> 00:03:21,360

and if it gets bigger i see no reason

83

00:03:26,229 --> 00:03:23,360

why we shouldn't open it up to other

84

00:03:28,790 --> 00:03:26,239

shows because putting such huge prices

85

00:03:31,830 --> 00:03:28,800

on mainstream copyrighted music is just

86

00:03:34,630 --> 00:03:31,840

a system to ensure that huge networks

87

00:03:35,910 --> 00:03:34,640

and companies like sony music universal

88

00:03:38,229 --> 00:03:35,920

paramount

89
00:03:40,390 --> 00:03:38,239
these companies have access to things we

90
00:03:42,949 --> 00:03:40,400
independent artists don't have access to

91
00:03:45,110 --> 00:03:42,959
and can't get access to and it's clearly

92
00:03:48,309 --> 00:03:45,120
the most popular well-produced music

93
00:03:50,550 --> 00:03:48,319
available so that puts a ceiling on

94
00:03:53,030 --> 00:03:50,560
independent artists in the same way that

95
00:03:55,670 --> 00:03:53,040
a large amount of regulations and red

96
00:03:57,589 --> 00:03:55,680
tapes and liquor licenses keep people

97
00:03:59,429 --> 00:03:57,599
from being able to open restaurants and

98
00:04:01,350 --> 00:03:59,439
compete with the big boys and the big

99
00:04:03,830 --> 00:04:01,360
chains that have already solved those

100
00:04:06,070 --> 00:04:03,840
problems nationwide so i don't like that

101
00:04:07,910 --> 00:04:06,080
[h__h] so i'm gonna try to circumvent it

102
00:04:10,869 --> 00:04:07,920
and i hope you're with me and i hope the

103
00:04:13,910 --> 00:04:10,879
artists out there also appreciate the

104
00:04:15,910 --> 00:04:13,920
chance to be on a national global stage

105
00:04:17,909 --> 00:04:15,920
and it doesn't cost them anything

106
00:04:19,670 --> 00:04:17,919
i think it's a win-win so let's do the

107
00:04:21,509 --> 00:04:19,680
damn thing the money bomb is still

108
00:04:23,510 --> 00:04:21,519
growing strong if you want to hear the

109
00:04:24,670 --> 00:04:23,520
extended show and haven't signed up yet

110
00:04:26,870 --> 00:04:24,680
please go to the

111
00:04:28,790 --> 00:04:26,880
highersidechatsplus.com it supports me

112
00:04:30,550 --> 00:04:28,800
keeps a roof over my head and keeps the

113
00:04:32,629 --> 00:04:30,560

good times flowing

114

00:04:36,469 --> 00:04:32,639

but let's just get down to it and dive

115

00:04:38,469 --> 00:04:36,479

right into a ocean of weirdness and a

116

00:04:40,070 --> 00:04:38,479

sea of strange coincidence

117

00:04:44,070 --> 00:04:40,080

with nick redfern

118

00:04:48,390 --> 00:04:44,080

when i find myself in times of trouble

119

00:04:49,990 --> 00:04:48,400

mr carlwood comes to me speaking words

120

00:04:52,070 --> 00:04:50,000

of wisdom

121

00:04:53,830 --> 00:04:52,080

thc

122

00:04:55,110 --> 00:04:53,840

all right folks as you well know when

123

00:04:57,590 --> 00:04:55,120

we're talking about things like

124

00:04:59,749 --> 00:04:57,600

extraterrestrial contact high profile

125

00:05:01,350 --> 00:04:59,759

assassinations and secret mind control

126

00:05:02,950 --> 00:05:01,360

programs you get many different

127

00:05:04,629 --> 00:05:02,960

perspectives and angles to these stories

128

00:05:06,629 --> 00:05:04,639

and it's very hard to get any type of

129

00:05:08,550 --> 00:05:06,639

absolute proof add in the fact that the

130

00:05:10,310 --> 00:05:08,560

keepers of these secrets actively employ

131

00:05:11,909 --> 00:05:10,320

disinformation agents to throw us off

132

00:05:13,990 --> 00:05:11,919

the scent and it makes you wonder if

133

00:05:15,990 --> 00:05:14,000

we'll ever know the truth well today's

134

00:05:18,070 --> 00:05:16,000

guest the returning champion of the

135

00:05:19,909 --> 00:05:18,080

appearances is nick redfern the author

136

00:05:21,830 --> 00:05:19,919

and investigator very well known for his

137

00:05:24,310 --> 00:05:21,840

level-headed approach to fringe research

138

00:05:26,390 --> 00:05:24,320

and subjects like cryptozoology ufos and

139

00:05:27,990 --> 00:05:26,400

government secrets he's released two

140

00:05:30,469 --> 00:05:28,000

books since his last appearance on the

141

00:05:32,230 --> 00:05:30,479

show for nobody's eyes only missing

142

00:05:33,749 --> 00:05:32,240

government files and hidden archives to

143

00:05:36,390 --> 00:05:33,759

document the truth behind the most

144

00:05:38,310 --> 00:05:36,400

enduring conspiracy theories and close

145

00:05:40,230 --> 00:05:38,320

encounters of the fatal kind suspicious

146

00:05:42,710 --> 00:05:40,240

deaths mysterious murders and bizarre

147

00:05:44,390 --> 00:05:42,720

disappearances in ufo history we're

148

00:05:46,230 --> 00:05:44,400

about to talk about both of them today

149

00:05:48,150 --> 00:05:46,240

lots of interesting info contained

150

00:05:49,670 --> 00:05:48,160

within those pages i know i'm psyched to

151
00:05:51,350 --> 00:05:49,680
have them here the ladies love them the

152
00:05:53,350 --> 00:05:51,360
guys want to be them nick read from a

153
00:05:55,189 --> 00:05:53,360
man how the hell are you

154
00:05:57,830 --> 00:05:55,199
hey greg doing good thanks

155
00:06:00,150 --> 00:05:57,840
doing all right yeah man good it is

156
00:06:02,230 --> 00:06:00,160
great to have you back i i really enjoy

157
00:06:04,230 --> 00:06:02,240
both of these books i initially thought

158
00:06:06,390 --> 00:06:04,240
they were going to be very different but

159
00:06:07,590 --> 00:06:06,400
the commonality that i think is so

160
00:06:09,990 --> 00:06:07,600
important is that you're looking at some

161
00:06:12,469 --> 00:06:10,000
of these major ufo and conspiracy events

162
00:06:15,350 --> 00:06:12,479
with a wider scope and looking to see if

163
00:06:17,670 --> 00:06:15,360

there's been either some strange deaths

164

00:06:19,990 --> 00:06:17,680

associated with events or evidence that

165

00:06:22,390 --> 00:06:20,000

has been deleted or removed files and

166

00:06:24,150 --> 00:06:22,400

those are huge indications that there's

167

00:06:25,909 --> 00:06:24,160

more to some of these stories than the

168

00:06:28,230 --> 00:06:25,919

cover stories would suggest is that kind

169

00:06:29,189 --> 00:06:28,240

of the approach you had in mind

170

00:06:31,029 --> 00:06:29,199

yeah well

171

00:06:33,270 --> 00:06:31,039

when i'm when i'm writing any book i

172

00:06:35,270 --> 00:06:33,280

guess you want to be able to bring

173

00:06:37,270 --> 00:06:35,280

something new to the reader you know if

174

00:06:39,350 --> 00:06:37,280

they're going to go out and spend 15 on

175

00:06:41,270 --> 00:06:39,360

a book you want to be able to provide

176
00:06:44,230 --> 00:06:41,280
something new and of course people say

177
00:06:45,830 --> 00:06:44,240
well what could be said new about say

178
00:06:47,749 --> 00:06:45,840
roswell for example you know hasn't it

179
00:06:49,510 --> 00:06:47,759
already been said well it sort of

180
00:06:51,909 --> 00:06:49,520
depends on

181
00:06:53,749 --> 00:06:51,919
how you look into it how you dig into it

182
00:06:56,070 --> 00:06:53,759
and that's why with for nobody's eyes

183
00:06:57,270 --> 00:06:56,080
only instead of just doing an overview

184
00:06:59,510 --> 00:06:57,280
of the case

185
00:07:02,309 --> 00:06:59,520
i did a study the chapter in that book

186
00:07:04,469 --> 00:07:02,319
is a study of how we can prove that

187
00:07:06,150 --> 00:07:04,479
certain files on the case and certain

188
00:07:09,189 --> 00:07:06,160

files from the roswell base from that

189

00:07:11,270 --> 00:07:09,199

crucial period of 47 have gone

190

00:07:14,230 --> 00:07:11,280

and then in the the new book close

191

00:07:16,790 --> 00:07:14,240

encounters of fatal kind that deals with

192

00:07:18,790 --> 00:07:16,800

again not an overview of the case

193

00:07:21,350 --> 00:07:18,800

but a study of people who died under

194

00:07:22,870 --> 00:07:21,360

mysterious circumstances in connection

195

00:07:24,469 --> 00:07:22,880

with the case so

196

00:07:26,469 --> 00:07:24,479

that's what i always try and do whatever

197

00:07:29,749 --> 00:07:26,479

the subject is even if it's an old

198

00:07:32,150 --> 00:07:29,759

subject you try and bring something new

199

00:07:34,070 --> 00:07:32,160

and sort of worthwhile to the reader

200

00:07:35,749 --> 00:07:34,080

yeah man and you do a great job i mean

201
00:07:37,110 --> 00:07:35,759
you write more books than anyone i know

202
00:07:39,589 --> 00:07:37,120
that's why we've had you on so many

203
00:07:42,390 --> 00:07:39,599
times you've always got new material and

204
00:07:44,070 --> 00:07:42,400
it it can be challenging probably to

205
00:07:45,830 --> 00:07:44,080
find new angles but i mean you do a

206
00:07:48,309 --> 00:07:45,840
great job i'm surprised there's actually

207
00:07:50,469 --> 00:07:48,319
so much crossover and subjects between

208
00:07:53,350 --> 00:07:50,479
the two books because many of these

209
00:07:55,110 --> 00:07:53,360
topics have dead bodies and missing

210
00:07:57,110 --> 00:07:55,120
documents which is

211
00:07:59,110 --> 00:07:57,120
kind of funny yeah

212
00:08:00,550 --> 00:07:59,120
yeah and well a lot of it is i kind of

213
00:08:02,309 --> 00:08:00,560

take sort of a

214

00:08:04,550 --> 00:08:02,319

the same approach my background is sort

215

00:08:06,950 --> 00:08:04,560

of in regular journalism so i don't tend

216

00:08:07,830 --> 00:08:06,960

to sort of take the same approach

217

00:08:09,510 --> 00:08:07,840

to

218

00:08:11,189 --> 00:08:09,520

investigate in

219

00:08:13,350 --> 00:08:11,199

roswell or randallston forest or

220

00:08:15,990 --> 00:08:13,360

whatever as i would

221

00:08:19,589 --> 00:08:16,000

any kind of story you know if it was a

222

00:08:21,110 --> 00:08:19,599

local murder or you know a fraud case a

223

00:08:22,309 --> 00:08:21,120

magazine or a newspaper wanted me to

224

00:08:23,990 --> 00:08:22,319

cover that

225

00:08:26,710 --> 00:08:24,000

i would i sort of use the same

226

00:08:29,350 --> 00:08:26,720

techniques and i think if you sort of go

227

00:08:31,589 --> 00:08:29,360

looking and instead of just

228

00:08:33,029 --> 00:08:31,599

you know just relying on the internet or

229

00:08:34,469 --> 00:08:33,039

whatever and you think you know it's all

230

00:08:37,110 --> 00:08:34,479

there because well it's on the internet

231

00:08:39,110 --> 00:08:37,120

so it's obviously all there you know you

232

00:08:41,350 --> 00:08:39,120

provide you don't take that approach

233

00:08:43,909 --> 00:08:41,360

then it actually

234

00:08:45,430 --> 00:08:43,919

isn't difficult to come up with

235

00:08:48,630 --> 00:08:45,440

other information it just means you've

236

00:08:50,710 --> 00:08:48,640

got to sort of be persistent yeah i get

237

00:08:51,990 --> 00:08:50,720

that and well let's go ahead and dive

238

00:08:53,829 --> 00:08:52,000

into some of this stuff man i think

239

00:08:55,590 --> 00:08:53,839

roswell is a great place to start

240

00:08:57,670 --> 00:08:55,600

because it pops up in both books and

241

00:09:00,550 --> 00:08:57,680

you've uncovered several interesting

242

00:09:02,630 --> 00:09:00,560

side plots to the roswell saga and it

243

00:09:03,990 --> 00:09:02,640

contains a combo of strange deaths and

244

00:09:06,790 --> 00:09:04,000

missing files but let's start with the

245

00:09:08,790 --> 00:09:06,800

sexy stuff the strange deaths uh one

246

00:09:10,710 --> 00:09:08,800

that i thought was pretty interesting

247

00:09:12,470 --> 00:09:10,720

was the story of glenn davis and his

248

00:09:14,310 --> 00:09:12,480

mystery nurse can you tell us about how

249

00:09:15,990 --> 00:09:14,320

that unfolded

250

00:09:18,310 --> 00:09:16,000

yeah well there's a lot of people over

251
00:09:21,030 --> 00:09:18,320
the years have come forward with varying

252
00:09:24,389 --> 00:09:21,040
accounts in relation to what happened at

253
00:09:26,790 --> 00:09:24,399
roswell and many of them didn't come

254
00:09:29,190 --> 00:09:26,800
forward until sort of literally decades

255
00:09:31,110 --> 00:09:29,200
later i mean roswell was 47. some of

256
00:09:35,350 --> 00:09:31,120
these people didn't come forward till

257
00:09:37,590 --> 00:09:35,360
like 87 88 to 40 years after when even

258
00:09:40,310 --> 00:09:37,600
if they're only sort of mid 20s then

259
00:09:42,310 --> 00:09:40,320
they'll be sort of pushing 70 by you

260
00:09:44,389 --> 00:09:42,320
know as the 80s sort of got further and

261
00:09:45,990 --> 00:09:44,399
further along well

262
00:09:48,070 --> 00:09:46,000
one of these people was a guy named

263
00:09:50,949 --> 00:09:48,080

glenn dennis and glenn dennis was

264

00:09:52,949 --> 00:09:50,959

actually the the mortar assistant um at

265

00:09:55,269 --> 00:09:52,959

the ballard funeral home in the town of

266

00:09:57,750 --> 00:09:55,279

roswell in the summer of 47.

267

00:09:59,750 --> 00:09:57,760

and he got this weird phone call out of

268

00:10:02,230 --> 00:09:59,760

the blue from the base

269

00:10:04,949 --> 00:10:02,240

asking if he got any small caskets

270

00:10:07,910 --> 00:10:04,959

child-sized caskets and they were after

271

00:10:10,070 --> 00:10:07,920

like four or five of them and he clearly

272

00:10:11,829 --> 00:10:10,080

realized you know this isn't something

273

00:10:14,150 --> 00:10:11,839

in like a little sleepy town as it was

274

00:10:16,150 --> 00:10:14,160

back then aside from the base that's not

275

00:10:18,550 --> 00:10:16,160

the sort of thing you hear every day

276
00:10:19,509 --> 00:10:18,560
so he realized something unusual had

277
00:10:21,750 --> 00:10:19,519
happened

278
00:10:23,590 --> 00:10:21,760
and so what um

279
00:10:25,750 --> 00:10:23,600
glenn dennis did he drove out to the

280
00:10:28,150 --> 00:10:25,760
base and he said there's all sorts of

281
00:10:30,630 --> 00:10:28,160
stuff going on and people running around

282
00:10:31,430 --> 00:10:30,640
and clearly something major was going

283
00:10:33,509 --> 00:10:31,440
down

284
00:10:36,389 --> 00:10:33,519
when he was stopped and said you know

285
00:10:37,670 --> 00:10:36,399
i got a call i'm the mortar assistant

286
00:10:40,389 --> 00:10:37,680
they let him through you know they

287
00:10:41,269 --> 00:10:40,399
assumed that somebody called him to the

288
00:10:42,630 --> 00:10:41,279

base

289

00:10:44,790 --> 00:10:42,640

which actually wasn't the case he just

290

00:10:47,030 --> 00:10:44,800

gone there on his own volition so to

291

00:10:49,190 --> 00:10:47,040

speak and when he got there he met a

292

00:10:50,630 --> 00:10:49,200

nurse of his uh friend of his there was

293

00:10:53,430 --> 00:10:50,640

a nurse at the base

294

00:10:54,949 --> 00:10:53,440

and she ushered him into like one side

295

00:10:56,630 --> 00:10:54,959

and said you know you've got to get out

296

00:10:58,069 --> 00:10:56,640

and she basically

297

00:11:00,790 --> 00:10:58,079

confided in

298

00:11:02,790 --> 00:11:00,800

the bones of the story which was that

299

00:11:05,509 --> 00:11:02,800

some strange bodies had been found in

300

00:11:07,750 --> 00:11:05,519

the desert small humanoid bodies nobody

301
00:11:08,630 --> 00:11:07,760
knew what they were even where they were

302
00:11:11,509 --> 00:11:08,640
from

303
00:11:13,030 --> 00:11:11,519
all they knew was that like a large

304
00:11:15,190 --> 00:11:13,040
field of wreckage had been found and

305
00:11:16,310 --> 00:11:15,200
these small bodies and that's really all

306
00:11:18,550 --> 00:11:16,320
they knew

307
00:11:20,550 --> 00:11:18,560
so they brought the bodies in for study

308
00:11:22,389 --> 00:11:20,560
and she told glenn dennis that you know

309
00:11:24,949 --> 00:11:22,399
you got to get out of here now glenn

310
00:11:26,550 --> 00:11:24,959
dennis did tell a few friends about this

311
00:11:28,069 --> 00:11:26,560
who've since come forward

312
00:11:30,710 --> 00:11:28,079
and they've confirmed that he told them

313
00:11:33,910 --> 00:11:30,720

sort of 48-49 but then he went totally

314

00:11:36,389 --> 00:11:33,920

quiet and said nothing until 89

315

00:11:38,470 --> 00:11:36,399

and it was in 1989 that glenn dennis

316

00:11:43,269 --> 00:11:38,480

finally decided to speak out and

317

00:11:46,630 --> 00:11:43,279

confided in a couple of ufo researchers

318

00:11:49,110 --> 00:11:46,640

and what happened was that the story

319

00:11:51,430 --> 00:11:49,120

then sort of got bigger and bigger and

320

00:11:53,430 --> 00:11:51,440

glenn dennis didn't want to reveal the

321

00:11:54,870 --> 00:11:53,440

nurse's name he wanted his story out

322

00:11:56,949 --> 00:11:54,880

because he thought it was important and

323

00:11:58,150 --> 00:11:56,959

he wanted people to know how he got the

324

00:12:00,710 --> 00:11:58,160

story

325

00:12:02,710 --> 00:12:00,720

but he sort of obfuscated and

326

00:12:05,110 --> 00:12:02,720

uh sort of skirted around the edges when

327

00:12:08,230 --> 00:12:05,120

people asked for a real name but he used

328

00:12:09,110 --> 00:12:08,240

a pseudonym for it for her of her naomi

329

00:12:10,949 --> 00:12:09,120

self

330

00:12:13,110 --> 00:12:10,959

and he said well

331

00:12:15,030 --> 00:12:13,120

when people ask is that a real name you

332

00:12:16,710 --> 00:12:15,040

know he kind of said well

333

00:12:17,670 --> 00:12:16,720

it's up to you to look into it that kind

334

00:12:18,710 --> 00:12:17,680

of thing

335

00:12:21,430 --> 00:12:18,720

um

336

00:12:24,629 --> 00:12:21,440

and over the years because he didn't

337

00:12:27,030 --> 00:12:24,639

reveal the name it became hard to um to

338

00:12:29,350 --> 00:12:27,040

figure out who it was well

339

00:12:31,829 --> 00:12:29,360

the family of a woman named miriam bush

340

00:12:35,829 --> 00:12:31,839

who wasn't a nurse at the base

341

00:12:37,829 --> 00:12:35,839

um but she actually did hold a major

342

00:12:40,790 --> 00:12:37,839

medical position at the base she was

343

00:12:43,829 --> 00:12:40,800

executive secretary at the base hospital

344

00:12:46,150 --> 00:12:43,839

and she uh her family have actually gone

345

00:12:48,550 --> 00:12:46,160

on the record of stating that literally

346

00:12:50,310 --> 00:12:48,560

right days after roswell occurred she

347

00:12:52,470 --> 00:12:50,320

told her family the story about seeing

348

00:12:53,990 --> 00:12:52,480

these strange bodies and they're brought

349

00:12:55,269 --> 00:12:54,000

in and she got to see everything and

350

00:12:57,590 --> 00:12:55,279

they were sort of

351
00:12:59,750 --> 00:12:57,600
horrible and terrifying to look at

352
00:13:02,629 --> 00:12:59,760
and almost certainly

353
00:13:05,990 --> 00:13:02,639
miriam bush was naomi self the the

354
00:13:08,230 --> 00:13:06,000
pseudonym that glenn dennis created now

355
00:13:10,230 --> 00:13:08,240
it turns out that like apparently like a

356
00:13:12,230 --> 00:13:10,240
lot of the people who were on site at

357
00:13:13,590 --> 00:13:12,240
roswell and we're not just the guys who

358
00:13:15,750 --> 00:13:13,600
sort of went out days later and picked

359
00:13:18,069 --> 00:13:15,760
the wreckage up but the ones who

360
00:13:20,629 --> 00:13:18,079
really were exposed to pretty much the

361
00:13:22,629 --> 00:13:20,639
full picture like million bush she just

362
00:13:23,750 --> 00:13:22,639
sort of descended into

363
00:13:28,470 --> 00:13:23,760

like a

364

00:13:29,430 --> 00:13:28,480

psychological collapse where she had

365

00:13:31,509 --> 00:13:29,440

like a

366

00:13:33,670 --> 00:13:31,519

nervous breakdown she became very

367

00:13:35,910 --> 00:13:33,680

stressed became very paranoid and

368

00:13:37,990 --> 00:13:35,920

probably with a lot of um

369

00:13:40,310 --> 00:13:38,000

reason that she was being watched and

370

00:13:42,389 --> 00:13:40,320

followed and she descended into like

371

00:13:46,710 --> 00:13:42,399

complete alcoholism

372

00:13:49,990 --> 00:13:46,720

and by 1989 when glenn dennis surfaced

373

00:13:50,790 --> 00:13:50,000

she was in her late 60s then

374

00:13:52,949 --> 00:13:50,800

and

375

00:13:54,870 --> 00:13:52,959

she actually told her family that she

376

00:13:56,629 --> 00:13:54,880

thought someone was watching her even

377

00:13:58,710 --> 00:13:56,639

more now she didn't really elaborate on

378

00:14:00,389 --> 00:13:58,720

why but she she was sure that somebody

379

00:14:02,389 --> 00:14:00,399

was either trying to find or track it

380

00:14:03,910 --> 00:14:02,399

down as if you know they'd lost track of

381

00:14:06,150 --> 00:14:03,920

her over the years

382

00:14:08,949 --> 00:14:06,160

and that life was in danger

383

00:14:11,269 --> 00:14:08,959

well on one particular day in late 1989

384

00:14:13,750 --> 00:14:11,279

she checked into a hotel

385

00:14:15,430 --> 00:14:13,760

uh or a motel excuse me uh funnily

386

00:14:16,389 --> 00:14:15,440

enough under her sister's name and

387

00:14:17,910 --> 00:14:16,399

address

388

00:14:19,269 --> 00:14:17,920

and she was actually found the next

389

00:14:21,110 --> 00:14:19,279

morning dead

390

00:14:22,790 --> 00:14:21,120

in the hotel room with a plastic bag

391

00:14:25,829 --> 00:14:22,800

over her head and bruises on her arms

392

00:14:28,069 --> 00:14:25,839

and her family have actually spoken out

393

00:14:30,470 --> 00:14:28,079

stating that you know they felt there

394

00:14:32,550 --> 00:14:30,480

was something suspicious about this and

395

00:14:34,870 --> 00:14:32,560

what's intriguing is that she killed

396

00:14:37,430 --> 00:14:34,880

herself just before the end of 1989 or

397

00:14:39,189 --> 00:14:37,440

was always killed i should say and glenn

398

00:14:41,030 --> 00:14:39,199

dennis only went public with his story

399

00:14:42,949 --> 00:14:41,040

about three months earlier

400

00:14:44,389 --> 00:14:42,959

so in other words

401
00:14:46,629 --> 00:14:44,399
he went public with the story but not

402
00:14:48,389 --> 00:14:46,639
the name and he was right around that

403
00:14:49,990 --> 00:14:48,399
time but then she said that this sort of

404
00:14:52,550 --> 00:14:50,000
surveillance and

405
00:14:55,910 --> 00:14:52,560
angle of somebody trying to find her

406
00:14:57,110 --> 00:14:55,920
really increased big time and i think

407
00:14:58,710 --> 00:14:57,120
somebody

408
00:15:00,550 --> 00:14:58,720
knew that she was possibly one of the

409
00:15:02,389 --> 00:15:00,560
last people left who could really blow

410
00:15:04,310 --> 00:15:02,399
the lid on the whole thing

411
00:15:07,030 --> 00:15:04,320
um you know not just guys picking up

412
00:15:08,150 --> 00:15:07,040
strange wreckage in the desert where you

413
00:15:09,590 --> 00:15:08,160

know the government could say well it

414

00:15:10,870 --> 00:15:09,600

was just weather blue materials but

415

00:15:13,509 --> 00:15:10,880

somebody actually

416

00:15:15,590 --> 00:15:13,519

was a very credible person and who could

417

00:15:17,750 --> 00:15:15,600

say yes i saw the bodies and this is

418

00:15:19,509 --> 00:15:17,760

what they they were like so

419

00:15:21,910 --> 00:15:19,519

her death is sort of very very

420

00:15:23,910 --> 00:15:21,920

suspicious one yeah i would say so i

421

00:15:25,670 --> 00:15:23,920

mean she's a prime candidate she's had

422

00:15:28,150 --> 00:15:25,680

as a medical background she saw the

423

00:15:29,670 --> 00:15:28,160

bodies yeah that would be a problem for

424

00:15:33,189 --> 00:15:29,680

people who wanted to keep this stuff a

425

00:15:34,870 --> 00:15:33,199

secret but um just like her there were

426

00:15:37,030 --> 00:15:34,880

a lot of people involved that seemed to

427

00:15:38,870 --> 00:15:37,040

have long-term alcohol abuse problems

428

00:15:40,310 --> 00:15:38,880

eating disorders mental breakdowns

429

00:15:42,629 --> 00:15:40,320

seemed to be a lot of stress-induced

430

00:15:44,389 --> 00:15:42,639

people who only saw apparently a weather

431

00:15:46,230 --> 00:15:44,399

balloon right

432

00:15:47,430 --> 00:15:46,240

well yeah i mean another one of the ones

433

00:15:49,509 --> 00:15:47,440

who died

434

00:15:51,670 --> 00:15:49,519

not necessarily suspiciously in the

435

00:15:53,829 --> 00:15:51,680

sense of being murdered but just

436

00:15:55,269 --> 00:15:53,839

suspiciously basically what you said

437

00:15:57,189 --> 00:15:55,279

that if it was just a weather balloon it

438

00:15:59,749 --> 00:15:57,199

wouldn't have happened was um

439

00:16:01,910 --> 00:15:59,759

mr brancherson the rancher matt brazil

440

00:16:04,069 --> 00:16:01,920

who worked the foster ranch in lincoln

441

00:16:05,590 --> 00:16:04,079

county where the wreckage and reportedly

442

00:16:08,230 --> 00:16:05,600

the bodies was found

443

00:16:09,910 --> 00:16:08,240

um he had a son named fern brazil and at

444

00:16:11,990 --> 00:16:09,920

the time of the crash vern was only like

445

00:16:14,230 --> 00:16:12,000

eight years old but he used to help his

446

00:16:15,189 --> 00:16:14,240

dad on the ranch you know he's enjoyed

447

00:16:17,189 --> 00:16:15,199

um

448

00:16:21,030 --> 00:16:17,199

sort of going around and rounding up the

449

00:16:23,509 --> 00:16:21,040

the cattle or the sheep or whatever and

450

00:16:25,269 --> 00:16:23,519

he apparently the rumor is that

451
00:16:27,910 --> 00:16:25,279
his dad actually stumbled upon not just

452
00:16:30,870 --> 00:16:27,920
the wreckage but possibly one or more

453
00:16:33,350 --> 00:16:30,880
decomposing bodies in the desert and he

454
00:16:35,590 --> 00:16:33,360
had a major traumatic effect actually on

455
00:16:38,069 --> 00:16:35,600
both of them you know which is uh not

456
00:16:41,509 --> 00:16:38,079
surprising um

457
00:16:43,189 --> 00:16:41,519
and so the the story is that it sort of

458
00:16:45,350 --> 00:16:43,199
very psychologically affected him and

459
00:16:46,629 --> 00:16:45,360
when he became legally old enough he

460
00:16:49,430 --> 00:16:46,639
actually left

461
00:16:51,350 --> 00:16:49,440
um new mexico roswell behind him

462
00:16:53,829 --> 00:16:51,360
traveled around a little bit almost like

463
00:16:56,069 --> 00:16:53,839

in a on the road so to speak

464

00:16:57,670 --> 00:16:56,079

ended up in california and blew his

465

00:16:59,670 --> 00:16:57,680

brains out with a pistol when he was

466

00:17:01,509 --> 00:16:59,680

just like 23.

467

00:17:02,870 --> 00:17:01,519

and um

468

00:17:05,189 --> 00:17:02,880

and again but we'll probably never

469

00:17:07,350 --> 00:17:05,199

really know the full story behind

470

00:17:08,870 --> 00:17:07,360

fern but i mean he does sound like

471

00:17:12,150 --> 00:17:08,880

somebody who is sort of psychologically

472

00:17:15,189 --> 00:17:12,160

scarred another one um

473

00:17:16,150 --> 00:17:15,199

was an another person who also sort of

474

00:17:21,750 --> 00:17:16,160

um

475

00:17:24,150 --> 00:17:21,760

the whole angle of alcoholism as well

476

00:17:26,309 --> 00:17:24,160

and again this just sort of um

477

00:17:28,789 --> 00:17:26,319

demonstrates it wasn't just one person

478

00:17:30,870 --> 00:17:28,799

this was a guy named d procter who again

479

00:17:32,950 --> 00:17:30,880

was just young at the age of the at the

480

00:17:35,029 --> 00:17:32,960

time of the event and again sort of

481

00:17:38,230 --> 00:17:35,039

plunged into a state where he developed

482

00:17:41,750 --> 00:17:38,240

alcoholism and also an eating disorder

483

00:17:43,510 --> 00:17:41,760

and and died a young and tragic age and

484

00:17:46,150 --> 00:17:43,520

you know essentially became like a

485

00:17:48,070 --> 00:17:46,160

hermit refusing to talk about anything

486

00:17:50,630 --> 00:17:48,080

to do with the the crash and sort of

487

00:17:53,510 --> 00:17:50,640

lived a almost like a paranoid

488

00:17:55,350 --> 00:17:53,520

fear-filled life as well yeah there's a

489

00:17:57,110 --> 00:17:55,360

long list of those it's pretty

490

00:17:59,350 --> 00:17:57,120

compelling anecdotal evidence that

491

00:18:01,029 --> 00:17:59,360

something serious happened but another

492

00:18:02,950 --> 00:18:01,039

another aspect that shows that the

493

00:18:05,190 --> 00:18:02,960

weather balloon cover story is probably

494

00:18:07,029 --> 00:18:05,200

a bit flimsy comes from

495

00:18:09,750 --> 00:18:07,039

the book of missing files and the story

496

00:18:11,350 --> 00:18:09,760

of congressman stephen schiff who he did

497

00:18:12,630 --> 00:18:11,360

exactly what i would want to do if i was

498

00:18:14,549 --> 00:18:12,640

elected to office which is try to

499

00:18:16,390 --> 00:18:14,559

unearth some dirt on the roswell crash

500

00:18:18,150 --> 00:18:16,400

but uh tell us a little bit about his

501
00:18:20,630 --> 00:18:18,160
story and his trouble with trying to

502
00:18:23,669 --> 00:18:20,640
find the files

503
00:18:25,750 --> 00:18:23,679
yeah well sure well steven schiff um

504
00:18:28,950 --> 00:18:25,760
you make a good point there he could do

505
00:18:30,789 --> 00:18:28,960
what nobody in the ufo field can do you

506
00:18:32,950 --> 00:18:30,799
know he was a congressman he had the

507
00:18:34,789 --> 00:18:32,960
ability to open doors and

508
00:18:37,750 --> 00:18:34,799
push people and influence people and so

509
00:18:39,110 --> 00:18:37,760
on and um one of the things he did

510
00:18:41,830 --> 00:18:39,120
because he was a congressman for new

511
00:18:43,830 --> 00:18:41,840
mexico he had a lot of constituents who

512
00:18:45,750 --> 00:18:43,840
said you know my grandfather was

513
00:18:48,070 --> 00:18:45,760

involved in in this incident and was

514

00:18:49,669 --> 00:18:48,080

threatened and silenced or or even some

515

00:18:51,909 --> 00:18:49,679

of the old-timers themselves told him

516

00:18:53,750 --> 00:18:51,919

look you know this is what we saw

517

00:18:55,350 --> 00:18:53,760

um and we want to put the record

518

00:18:57,110 --> 00:18:55,360

straight because we're retired military

519

00:18:59,190 --> 00:18:57,120

people and we're you know we're ending

520

00:19:01,830 --> 00:18:59,200

up looking stupid or whatever

521

00:19:03,350 --> 00:19:01,840

and so what congressman schmidt did he

522

00:19:05,430 --> 00:19:03,360

approached what today is called the

523

00:19:07,270 --> 00:19:05,440

government accountability office but

524

00:19:08,710 --> 00:19:07,280

back in 94 was called the general

525

00:19:10,950 --> 00:19:08,720

accounting office

526
00:19:13,110 --> 00:19:10,960
and the gao is very powerful

527
00:19:14,390 --> 00:19:13,120
organization it literally has the

528
00:19:15,190 --> 00:19:14,400
ability

529
00:19:16,630 --> 00:19:15,200
to

530
00:19:18,950 --> 00:19:16,640
essentially knock on the door of any

531
00:19:20,549 --> 00:19:18,960
government agency and say we want to see

532
00:19:23,029 --> 00:19:20,559
your files on this subject or that

533
00:19:26,070 --> 00:19:23,039
subject to see if there's been proper

534
00:19:27,110 --> 00:19:26,080
rules and regulations and accountability

535
00:19:28,070 --> 00:19:27,120
followed

536
00:19:31,350 --> 00:19:28,080
and

537
00:19:34,150 --> 00:19:31,360
so what the the gao did it wasn't so

538
00:19:35,669 --> 00:19:34,160

much an investigation of the crash but

539

00:19:37,590 --> 00:19:35,679

it was more

540

00:19:40,070 --> 00:19:37,600

any files you've got you will hand over

541

00:19:41,669 --> 00:19:40,080

to us for review and we will see if

542

00:19:43,909 --> 00:19:41,679

proper rules and regulations are

543

00:19:46,630 --> 00:19:43,919

followed

544

00:19:49,510 --> 00:19:46,640

now every agency of government report

545

00:19:50,789 --> 00:19:49,520

apart from the fbi who found a one-page

546

00:19:53,110 --> 00:19:50,799

document which had been in the public

547

00:19:54,070 --> 00:19:53,120

domain for years anyway and which talked

548

00:19:57,669 --> 00:19:54,080

about

549

00:19:59,510 --> 00:19:57,679

uh the weather below theory and um

550

00:20:01,590 --> 00:19:59,520

and the idea of the story that something

551
00:20:03,350 --> 00:20:01,600
was being transferred to another base

552
00:20:06,870 --> 00:20:03,360
for study but it wasn't you know there

553
00:20:09,270 --> 00:20:06,880
was no smoking gun there um and other

554
00:20:11,830 --> 00:20:09,280
than that nothing surfaced from the fbi

555
00:20:14,230 --> 00:20:11,840
the air force cia nobody they all came

556
00:20:16,630 --> 00:20:14,240
back totally blank now the air force

557
00:20:17,909 --> 00:20:16,640
interestingly enough did make one i want

558
00:20:19,909 --> 00:20:17,919
to call it discovery because if you

559
00:20:21,350 --> 00:20:19,919
discover something you find something

560
00:20:22,390 --> 00:20:21,360
what actually happened was that they

561
00:20:24,230 --> 00:20:22,400
found

562
00:20:25,990 --> 00:20:24,240
that there was something missing

563
00:20:29,669 --> 00:20:26,000

and what was missing

564

00:20:31,990 --> 00:20:29,679

was a massive files covering the key

565

00:20:33,430 --> 00:20:32,000

period in question and also a year two

566

00:20:36,070 --> 00:20:33,440

before and after

567

00:20:38,230 --> 00:20:36,080

of all the outgoing messages

568

00:20:40,870 --> 00:20:38,240

from the roswell army air force base

569

00:20:42,230 --> 00:20:40,880

from that period are just gone and

570

00:20:44,070 --> 00:20:42,240

they're still gone to this day they

571

00:20:45,190 --> 00:20:44,080

cannot be found

572

00:20:47,750 --> 00:20:45,200

and

573

00:20:50,310 --> 00:20:47,760

on top of that um a bunch of other files

574

00:20:51,510 --> 00:20:50,320

are missing as well now

575

00:20:56,789 --> 00:20:51,520

the

576

00:20:58,630 --> 00:20:56,799

gao investigation which essentially

577

00:21:00,390 --> 00:20:58,640

turned up nothing

578

00:21:01,669 --> 00:21:00,400

the ga as the air force put out their

579

00:21:04,470 --> 00:21:01,679

own report

580

00:21:05,909 --> 00:21:04,480

and they came to the conclusion that

581

00:21:09,190 --> 00:21:05,919

what was found was something called a

582

00:21:11,110 --> 00:21:09,200

mogul balloon mogul balloons were it was

583

00:21:13,590 --> 00:21:11,120

part of a classified balloon based

584

00:21:16,149 --> 00:21:13,600

operation back then and the idea was to

585

00:21:18,870 --> 00:21:16,159

launch these huge balloon arrays which

586

00:21:20,789 --> 00:21:18,880

would monitor for early atomic bomb

587

00:21:22,070 --> 00:21:20,799

detect uh detonations by the soviet

588

00:21:24,070 --> 00:21:22,080

union in other words they go high in the

589

00:21:27,510 --> 00:21:24,080

atmosphere and they could

590

00:21:30,549 --> 00:21:27,520

monitor for like radiation atomic tests

591

00:21:33,909 --> 00:21:30,559

uh by the soviets and the air force

592

00:21:35,909 --> 00:21:33,919

concluded that is what the the roswell

593

00:21:37,990 --> 00:21:35,919

event was now

594

00:21:39,830 --> 00:21:38,000

a lot of people sort of point the finger

595

00:21:42,230 --> 00:21:39,840

at the air force and call them the bad

596

00:21:45,110 --> 00:21:42,240

guys and say they were outright lying

597

00:21:46,630 --> 00:21:45,120

about the mughal theory and also a

598

00:21:48,710 --> 00:21:46,640

second theory that the bodies were crash

599

00:21:50,789 --> 00:21:48,720

test dummies used in parachute

600

00:21:52,390 --> 00:21:50,799

experiments i kind of take a little bit

601
00:21:54,230 --> 00:21:52,400
of a different approach and this is

602
00:21:55,510 --> 00:21:54,240
something that is like a theme that runs

603
00:21:58,710 --> 00:21:55,520
through the book

604
00:22:00,789 --> 00:21:58,720
i truly don't believe that the air force

605
00:22:03,669 --> 00:22:00,799
are the bad guys when it comes to

606
00:22:06,310 --> 00:22:03,679
roswell what i think is that when the

607
00:22:08,149 --> 00:22:06,320
gao went knocking on every door the air

608
00:22:09,430 --> 00:22:08,159
force felt because it was it would we

609
00:22:11,270 --> 00:22:09,440
know it was the air force that handled

610
00:22:13,990 --> 00:22:11,280
the case back in the 40s they felt the

611
00:22:14,870 --> 00:22:14,000
onus and responsibility was on them

612
00:22:18,149 --> 00:22:14,880
to

613
00:22:19,190 --> 00:22:18,159

should know the air force should

614

00:22:20,710 --> 00:22:19,200

now

615

00:22:22,710 --> 00:22:20,720

when the air force went looking and

616

00:22:23,830 --> 00:22:22,720

couldn't find anything

617

00:22:25,669 --> 00:22:23,840

i still think they felt the

618

00:22:27,590 --> 00:22:25,679

responsibility was on them to at least

619

00:22:29,430 --> 00:22:27,600

try and come up with that explanation

620

00:22:31,430 --> 00:22:29,440

and i think that's why they came up with

621

00:22:33,750 --> 00:22:31,440

the mughal balloon one because from

622

00:22:35,270 --> 00:22:33,760

their perspective it fitted at least

623

00:22:36,789 --> 00:22:35,280

some of the facts

624

00:22:39,590 --> 00:22:36,799

now i think there's enough data to

625

00:22:41,590 --> 00:22:39,600

suggest it wasn't a mogul balloon but

626

00:22:42,789 --> 00:22:41,600

some researchers then

627

00:22:45,430 --> 00:22:42,799

you know they're like our way to the big

628

00:22:47,430 --> 00:22:45,440

bad air force line to us what i think

629

00:22:50,390 --> 00:22:47,440

is that probably at some point in the

630

00:22:51,270 --> 00:22:50,400

50s or 60s but certainly no later the

631

00:22:54,070 --> 00:22:51,280

whole

632

00:22:55,750 --> 00:22:54,080

the sort of the really deep ufo program

633

00:22:56,950 --> 00:22:55,760

was sort of taken out the hands of

634

00:22:58,870 --> 00:22:56,960

governments in the military it was

635

00:23:00,149 --> 00:22:58,880

handed over to

636

00:23:02,789 --> 00:23:00,159

very powerful sort of private

637

00:23:05,430 --> 00:23:02,799

corporations with multinational links

638

00:23:07,350 --> 00:23:05,440

and old money and power players

639

00:23:09,190 --> 00:23:07,360

and you know that's that's not to say

640

00:23:11,029 --> 00:23:09,200

they're hiding underground they're also

641

00:23:12,390 --> 00:23:11,039

hiding in plain sight but

642

00:23:15,029 --> 00:23:12,400

but i think

643

00:23:17,029 --> 00:23:15,039

that today's air force probably may not

644

00:23:18,870 --> 00:23:17,039

know hardly any more than we do about

645

00:23:20,950 --> 00:23:18,880

roswell they may have suspicions and

646

00:23:22,630 --> 00:23:20,960

fragments of stories but i don't think

647

00:23:24,149 --> 00:23:22,640

they're the bad guys hiding from

648

00:23:26,789 --> 00:23:24,159

schmidt's congressman schmidt what

649

00:23:28,789 --> 00:23:26,799

happened i think they went looking

650

00:23:30,630 --> 00:23:28,799

found nothing and we have to remember it

651
00:23:32,149 --> 00:23:30,640
was the air force who pointed out that

652
00:23:33,350 --> 00:23:32,159
all the records had gone i think if they

653
00:23:34,789 --> 00:23:33,360
were the ones

654
00:23:36,950 --> 00:23:34,799
engaged in the conspiracy they would

655
00:23:38,630 --> 00:23:36,960
hardly have said well the records have

656
00:23:40,310 --> 00:23:38,640
vanished you know that just makes it

657
00:23:41,190 --> 00:23:40,320
look even more suspicious so i think

658
00:23:43,029 --> 00:23:41,200
that

659
00:23:45,350 --> 00:23:43,039
i think we've got like a shadow

660
00:23:48,070 --> 00:23:45,360
government or a shadow agency that is

661
00:23:50,070 --> 00:23:48,080
overseeing all this and the people we

662
00:23:51,990 --> 00:23:50,080
assume are hiding the truth like the

663
00:23:54,230 --> 00:23:52,000

pentagon the air force you know they

664

00:23:56,549 --> 00:23:54,240

could be sitting now on a lunch break a

665

00:23:58,950 --> 00:23:56,559

coffee break at the pentagon saying

666

00:24:00,630 --> 00:23:58,960

yeah we really don't know what happened

667

00:24:02,149 --> 00:24:00,640

but everybody thinks we do and i think

668

00:24:03,190 --> 00:24:02,159

that's how the secret's being kept

669

00:24:04,710 --> 00:24:03,200

because

670

00:24:07,590 --> 00:24:04,720

the governments aren't the bad guys the

671

00:24:09,669 --> 00:24:07,600

air force aren't the cia isn't it's it

672

00:24:12,549 --> 00:24:09,679

is really this sort of shadow

673

00:24:14,870 --> 00:24:12,559

group that operates outside the law

674

00:24:16,950 --> 00:24:14,880

outside of congressional oversight there

675

00:24:18,950 --> 00:24:16,960

isn't really a part of government it's

676

00:24:21,669 --> 00:24:18,960

it really is like its own

677

00:24:23,909 --> 00:24:21,679

unique entity but the difficult thing is

678

00:24:26,630 --> 00:24:23,919

the concept of wrapping your head around

679

00:24:28,390 --> 00:24:26,640

that scenario that how could that happen

680

00:24:30,310 --> 00:24:28,400

that there could be a government

681

00:24:32,630 --> 00:24:30,320

within or without a government but i

682

00:24:33,909 --> 00:24:32,640

think that's really what there is oh i

683

00:24:35,669 --> 00:24:33,919

think there's plenty of evidence to

684

00:24:37,430 --> 00:24:35,679

suggest that there is a group that is

685

00:24:40,070 --> 00:24:37,440

just designed to be cleaners of these

686

00:24:42,870 --> 00:24:40,080

type of activities i mean uh men in

687

00:24:44,470 --> 00:24:42,880

black seem to be a part of this but yeah

688

00:24:48,549 --> 00:24:44,480

there seems to be quite a bit of

689

00:24:51,510 --> 00:24:48,559

evidence that if not sectors of these

690

00:24:54,870 --> 00:24:51,520

military uh or alphabet agencies then

691

00:24:56,870 --> 00:24:54,880

maybe there's a separate one that just

692

00:24:58,390 --> 00:24:56,880

cleans up all the messes as they happen

693

00:25:00,549 --> 00:24:58,400

globally

694

00:25:02,310 --> 00:25:00,559

yeah and i think also that it's not just

695

00:25:05,190 --> 00:25:02,320

that there's a shadow agency that cleans

696

00:25:08,310 --> 00:25:05,200

up things but i think you know people

697

00:25:10,549 --> 00:25:08,320

if you look back to the 40s and 50s um

698

00:25:12,870 --> 00:25:10,559

we have a lot of reports about alien

699

00:25:15,269 --> 00:25:12,880

bodies being seen by military personnel

700

00:25:17,110 --> 00:25:15,279

in sort of like cryogenic storage or in

701
00:25:18,950 --> 00:25:17,120
formaldehyde or something like that

702
00:25:21,110 --> 00:25:18,960
preserved and stored away

703
00:25:22,549 --> 00:25:21,120
those stories kind of tail off

704
00:25:23,750 --> 00:25:22,559
interestingly enough for the for the

705
00:25:25,990 --> 00:25:23,760
most part

706
00:25:28,470 --> 00:25:26,000
by the time the 70s came around

707
00:25:30,470 --> 00:25:28,480
and so again that's why i think we're

708
00:25:31,510 --> 00:25:30,480
dealing with like a shadow group

709
00:25:33,510 --> 00:25:31,520
you know i don't think it's a

710
00:25:35,430 --> 00:25:33,520
coincidence that a lot of most of those

711
00:25:37,430 --> 00:25:35,440
reports have tailed off and nobody

712
00:25:38,870 --> 00:25:37,440
really sees those bodies again like

713
00:25:40,789 --> 00:25:38,880

wright-patterson

714

00:25:42,390 --> 00:25:40,799

which is one the main main place in the

715

00:25:44,950 --> 00:25:42,400

40s and 50s where

716

00:25:46,950 --> 00:25:44,960

you know a lot of people came forward um

717

00:25:48,870 --> 00:25:46,960

so that's why i think their bodies and

718

00:25:50,070 --> 00:25:48,880

so on and the wreckage are probably held

719

00:25:52,470 --> 00:25:50,080

by

720

00:25:54,549 --> 00:25:52,480

you know very powerful corporations and

721

00:25:56,870 --> 00:25:54,559

industries that do

722

00:25:59,110 --> 00:25:56,880

sort of defense contract work

723

00:26:01,510 --> 00:25:59,120

you know developing new aircraft systems

724

00:26:04,070 --> 00:26:01,520

weapon systems and i think i really

725

00:26:06,630 --> 00:26:04,080

think it's been farmed out to them you

726

00:26:08,549 --> 00:26:06,640

know i don't think there are like

727

00:26:10,549 --> 00:26:08,559

four mile the high bodies of aliens

728

00:26:13,190 --> 00:26:10,559

preserved under the pentagon but if you

729

00:26:15,190 --> 00:26:13,200

ask me a private corporation that

730

00:26:18,870 --> 00:26:15,200

develops new

731

00:26:21,510 --> 00:26:18,880

um propulsion systems for spacecraft or

732

00:26:23,510 --> 00:26:21,520

that does viral research and biological

733

00:26:25,029 --> 00:26:23,520

research that's probably where the

734

00:26:26,070 --> 00:26:25,039

bodies are held today and again that's

735

00:26:28,070 --> 00:26:26,080

why

736

00:26:29,750 --> 00:26:28,080

we don't find them because

737

00:26:31,590 --> 00:26:29,760

they're no longer held at the military

738

00:26:32,390 --> 00:26:31,600

bases or whatever again it's some sort

739

00:26:35,350 --> 00:26:32,400

of

740

00:26:38,149 --> 00:26:35,360

um

741

00:26:40,070 --> 00:26:38,159

secret agency outside of government with

742

00:26:41,510 --> 00:26:40,080

but with networks and links all around

743

00:26:43,830 --> 00:26:41,520

the planet but

744

00:26:46,230 --> 00:26:43,840

that is so powerful it is it is like a

745

00:26:48,390 --> 00:26:46,240

government but it's not viewable in

746

00:26:50,549 --> 00:26:48,400

plain sight if you like yeah i think

747

00:26:53,190 --> 00:26:50,559

that makes a lot more sense too and you

748

00:26:55,510 --> 00:26:53,200

also write a little bit about

749

00:26:57,590 --> 00:26:55,520

uh missing documents pertaining to

750

00:26:59,990 --> 00:26:57,600

philip corso who is a pretty explosive

751
00:27:01,750 --> 00:27:00,000
roswell whistleblower for the people who

752
00:27:03,830 --> 00:27:01,760
might need a refresher remind us of his

753
00:27:05,830 --> 00:27:03,840
story and what you found interesting

754
00:27:07,350 --> 00:27:05,840
about his fbi files before they were

755
00:27:08,710 --> 00:27:07,360
suspiciously omitted from the new

756
00:27:09,750 --> 00:27:08,720
archive

757
00:27:11,830 --> 00:27:09,760
yeah well

758
00:27:13,750 --> 00:27:11,840
uh lieutenant colonel felix

759
00:27:15,029 --> 00:27:13,760
corso or i should say american

760
00:27:17,510 --> 00:27:15,039
lieutenant

761
00:27:20,630 --> 00:27:17,520
that was my english accent man

762
00:27:22,549 --> 00:27:20,640
but lieutenant uh philip corso

763
00:27:24,950 --> 00:27:22,559

was the author of the book with bill

764

00:27:27,110 --> 00:27:24,960

burns of the day after roswell

765

00:27:29,510 --> 00:27:27,120

and corsair had a very controversial

766

00:27:33,029 --> 00:27:29,520

story he claimed that he was involved in

767

00:27:35,350 --> 00:27:33,039

a program to essentially seed the alien

768

00:27:37,190 --> 00:27:35,360

technology from roswell into the u.s

769

00:27:39,590 --> 00:27:37,200

science technological and defense

770

00:27:42,149 --> 00:27:39,600

industries to try and further the u.s

771

00:27:44,070 --> 00:27:42,159

military's technological power you know

772

00:27:45,909 --> 00:27:44,080

if you could introduce alien technology

773

00:27:47,510 --> 00:27:45,919

and we could understand it

774

00:27:49,510 --> 00:27:47,520

that would give you a key major

775

00:27:51,029 --> 00:27:49,520

kickstart on everybody else on the

776

00:27:52,230 --> 00:27:51,039

planet so that was basically the theme

777

00:27:54,710 --> 00:27:52,240

of the book and

778

00:27:57,269 --> 00:27:54,720

you know it must be said as i point out

779

00:27:58,710 --> 00:27:57,279

in in my book and for nobody's eyes only

780

00:28:00,950 --> 00:27:58,720

that um

781

00:28:02,950 --> 00:28:00,960

there are people who support corso's

782

00:28:05,430 --> 00:28:02,960

story just as as much as there are

783

00:28:07,669 --> 00:28:05,440

people who don't support it and and it's

784

00:28:09,510 --> 00:28:07,679

one of these that sort of polarized the

785

00:28:11,029 --> 00:28:09,520

field of ufo research but what's

786

00:28:11,909 --> 00:28:11,039

interesting is that

787

00:28:15,029 --> 00:28:11,919

um

788

00:28:17,430 --> 00:28:15,039

there's an fbi file on corso

789

00:28:20,630 --> 00:28:17,440

and the fbi loaded it up to their

790

00:28:22,230 --> 00:28:20,640

website um something like about ten

791

00:28:24,310 --> 00:28:22,240

seven eight years ago something like

792

00:28:26,230 --> 00:28:24,320

that and uh it gives a lot of background

793

00:28:28,630 --> 00:28:26,240

on what hoover thought about

794

00:28:30,870 --> 00:28:28,640

uh corso and his military background and

795

00:28:32,870 --> 00:28:30,880

things like this now just a couple of

796

00:28:35,350 --> 00:28:32,880

years later um

797

00:28:37,269 --> 00:28:35,360

the fbi created a new website called the

798

00:28:39,029 --> 00:28:37,279

vault which is a really good

799

00:28:40,389 --> 00:28:39,039

website which i recommend to anyone

800

00:28:43,669 --> 00:28:40,399

that's interested

801
00:28:45,510 --> 00:28:43,679
in the history of the fbi's involvement

802
00:28:49,190 --> 00:28:45,520
in all manner of things you can find

803
00:28:51,750 --> 00:28:49,200
files on for example the early

804
00:28:53,110 --> 00:28:51,760
years of gangsters like bonnie and clyde

805
00:28:55,909 --> 00:28:53,120
and

806
00:28:57,510 --> 00:28:55,919
operations to arrest german spies in the

807
00:28:59,269 --> 00:28:57,520
second world war and

808
00:29:01,430 --> 00:28:59,279
and soviet spies at the height of the

809
00:29:04,710 --> 00:29:01,440
cold war and it's a really it's a really

810
00:29:06,870 --> 00:29:04,720
fascinating um website very historical

811
00:29:09,190 --> 00:29:06,880
and you know the fbi did a great job of

812
00:29:11,909 --> 00:29:09,200
uploading all these files in pdf format

813
00:29:14,389 --> 00:29:11,919

and you can download them all for free

814

00:29:17,830 --> 00:29:14,399

but what's interesting and intriguing is

815

00:29:20,470 --> 00:29:17,840

that when there was this transfer from

816

00:29:22,389 --> 00:29:20,480

the old website to the new one yes a lot

817

00:29:24,710 --> 00:29:22,399

of the files got transferred but a

818

00:29:27,110 --> 00:29:24,720

number of files interesting enough on

819

00:29:28,950 --> 00:29:27,120

people in the ufo subject didn't get

820

00:29:31,750 --> 00:29:28,960

transferred um

821

00:29:34,230 --> 00:29:31,760

for example we if we have a course house

822

00:29:35,430 --> 00:29:34,240

file you can still get it but for some

823

00:29:37,669 --> 00:29:35,440

weird reason

824

00:29:38,950 --> 00:29:37,679

he didn't make the transfer from website

825

00:29:41,990 --> 00:29:38,960

to website

826
00:29:43,110 --> 00:29:42,000
when so nearly like 97 98 percent of the

827
00:29:44,710 --> 00:29:43,120
others did

828
00:29:46,789 --> 00:29:44,720
another person who was heavily involved

829
00:29:47,590 --> 00:29:46,799
in ufology and whose file didn't make

830
00:29:48,950 --> 00:29:47,600
the

831
00:29:50,230 --> 00:29:48,960
transfer

832
00:29:52,230 --> 00:29:50,240
with somebody

833
00:29:53,269 --> 00:29:52,240
who i guess more than anything else has

834
00:29:55,750 --> 00:29:53,279
been come

835
00:29:58,470 --> 00:29:55,760
and known for his research into the uh

836
00:29:59,909 --> 00:29:58,480
field of cloud busting as it's known now

837
00:30:04,310 --> 00:29:59,919
cloud busting

838
00:30:06,470 --> 00:30:04,320

um essentially is the ability to affect

839

00:30:08,470 --> 00:30:06,480

the weather and change the weather and

840

00:30:11,190 --> 00:30:08,480

certainly the one person more than any

841

00:30:13,669 --> 00:30:11,200

other was i guess a leading early

842

00:30:17,269 --> 00:30:13,679

proponent and pioneer in this field was

843

00:30:19,190 --> 00:30:17,279

dr wilhelm reich now reich um had an

844

00:30:21,669 --> 00:30:19,200

extensive fbi file it runs to like

845

00:30:22,630 --> 00:30:21,679

nearly a thousand pages and that was on

846

00:30:25,110 --> 00:30:22,640

file

847

00:30:28,149 --> 00:30:25,120

um at the old website but that didn't

848

00:30:30,870 --> 00:30:28,159

make it to the new one either and um

849

00:30:33,669 --> 00:30:30,880

reich was someone who also was heavily

850

00:30:35,590 --> 00:30:33,679

involved in studying the ufo phenomenon

851
00:30:37,590 --> 00:30:35,600
so you know there are a couple of cases

852
00:30:38,710 --> 00:30:37,600
like that where files

853
00:30:40,710 --> 00:30:38,720
we can still get them through the

854
00:30:42,149 --> 00:30:40,720
freedom information they're not denied

855
00:30:45,190 --> 00:30:42,159
it's just they're not

856
00:30:47,190 --> 00:30:45,200
profiled online anymore which you know

857
00:30:49,590 --> 00:30:47,200
obviously makes makes it difficult for a

858
00:30:51,669 --> 00:30:49,600
lot of people to know they even exist

859
00:30:53,510 --> 00:30:51,679
yeah reich is an interesting guy he

860
00:30:56,310 --> 00:30:53,520
actually from what i understand thought

861
00:30:58,389 --> 00:30:56,320
that cloudbuster gun could also fight

862
00:30:59,350 --> 00:30:58,399
ufos and he thought that the good and

863
00:31:01,029 --> 00:30:59,360

bad

864

00:31:02,950 --> 00:31:01,039

entities had different propulsion

865

00:31:05,029 --> 00:31:02,960

systems something like that

866

00:31:07,430 --> 00:31:05,039

yeah well wilhelm wright was a very sort

867

00:31:09,590 --> 00:31:07,440

of fascinating character a fringe

868

00:31:11,830 --> 00:31:09,600

scientist who was very much

869

00:31:14,230 --> 00:31:11,840

ahead of his time he felt number one

870

00:31:16,549 --> 00:31:14,240

that the weather could be manipulated um

871

00:31:18,630 --> 00:31:16,559

he created these technologies called

872

00:31:20,310 --> 00:31:18,640

cloudbusters which essentially

873

00:31:21,590 --> 00:31:20,320

could alter the weather

874

00:31:23,830 --> 00:31:21,600

but he also

875

00:31:26,950 --> 00:31:23,840

had a fascination with something that he

876

00:31:29,510 --> 00:31:26,960

called orgone energy and he believed

877

00:31:30,470 --> 00:31:29,520

that orgone energy was sort of like the

878

00:31:33,350 --> 00:31:30,480

the

879

00:31:34,950 --> 00:31:33,360

primordial life force energy that

880

00:31:37,830 --> 00:31:34,960

essentially was the engine behind the

881

00:31:40,310 --> 00:31:37,840

entire universe and everything in it and

882

00:31:43,110 --> 00:31:40,320

he believed that this energy was being

883

00:31:45,750 --> 00:31:43,120

sort of adapted and used by

884

00:31:46,389 --> 00:31:45,760

what he called uh well essentially good

885

00:31:49,669 --> 00:31:46,399

and

886

00:31:50,950 --> 00:31:49,679

bad ufo entities um

887

00:31:53,590 --> 00:31:50,960

in other words

888

00:31:55,909 --> 00:31:53,600

energy that could be utilized as a power

889

00:31:59,269 --> 00:31:55,919

source as a weapon

890

00:32:01,750 --> 00:31:59,279

as an energy and he felt that this one

891

00:32:03,509 --> 00:32:01,760

particular form of orgo and energy sort

892

00:32:05,269 --> 00:32:03,519

of the positive one couldn't be used

893

00:32:07,830 --> 00:32:05,279

against these negative entities and he

894

00:32:10,070 --> 00:32:07,840

claimed that on a number of occasions he

895

00:32:11,590 --> 00:32:10,080

literally kind of

896

00:32:13,509 --> 00:32:11,600

entered into like a war of the world

897

00:32:15,590 --> 00:32:13,519

scenario where he would he would be able

898

00:32:17,909 --> 00:32:15,600

to tell where ufos were in the skies of

899

00:32:20,549 --> 00:32:17,919

like the southwest desert areas and he

900

00:32:22,789 --> 00:32:20,559

could blast them with this positive

901
00:32:24,710 --> 00:32:22,799
orgone energy you know almost like i

902
00:32:25,990 --> 00:32:24,720
said like h.g wells war of the worlds

903
00:32:28,710 --> 00:32:26,000
and um

904
00:32:31,909 --> 00:32:28,720
but he died in prison um sort of a

905
00:32:34,389 --> 00:32:31,919
broken man and um all his scientific

906
00:32:35,990 --> 00:32:34,399
papers were destroyed and um a very

907
00:32:36,950 --> 00:32:36,000
weird story

908
00:32:40,149 --> 00:32:36,960
yeah

909
00:32:42,230 --> 00:32:40,159
it sounds so odd but for a guy who is a

910
00:32:44,470 --> 00:32:42,240
player at that level i mean obviously he

911
00:32:46,950 --> 00:32:44,480
was a smart intelligent man i mean who

912
00:32:49,110 --> 00:32:46,960
am i to say that that he can't do this

913
00:32:50,789 --> 00:32:49,120

kind of stuff with that argon energy you

914

00:32:52,870 --> 00:32:50,799

know it's it's kind of crazy but he also

915

00:32:54,630 --> 00:32:52,880

felt like he was set up was what put him

916

00:32:57,269 --> 00:32:54,640

in prison right

917

00:32:59,269 --> 00:32:57,279

well yeah i mean the the thing is with

918

00:33:02,310 --> 00:32:59,279

right um as i said there were a lot of

919

00:33:04,549 --> 00:33:02,320

weird aspects to his story now one of

920

00:33:05,590 --> 00:33:04,559

the i guess one of the strangest ones of

921

00:33:06,470 --> 00:33:05,600

all

922

00:33:11,830 --> 00:33:06,480

was

923

00:33:14,230 --> 00:33:11,840

put him in prison and he sort of i won't

924

00:33:16,149 --> 00:33:14,240

say it's totally unique because it

925

00:33:19,110 --> 00:33:16,159

wasn't totally unique but it was one of

926

00:33:22,789 --> 00:33:19,120

these situations where it sort of did

927

00:33:25,909 --> 00:33:22,799

um raise eyebrows now what happened was

928

00:33:28,389 --> 00:33:25,919

that he was essentially jailed for

929

00:33:31,350 --> 00:33:28,399

refusing to come to court or to go to

930

00:33:33,830 --> 00:33:31,360

court on what were called interstate

931

00:33:34,950 --> 00:33:33,840

commerce and fraud charges

932

00:33:37,590 --> 00:33:34,960

basically

933

00:33:40,630 --> 00:33:37,600

all he was doing was traveling across

934

00:33:42,549 --> 00:33:40,640

state lines with his technology in the

935

00:33:44,230 --> 00:33:42,559

back of his big truck

936

00:33:45,269 --> 00:33:44,240

but because he sold

937

00:33:47,269 --> 00:33:45,279

um

938

00:33:49,029 --> 00:33:47,279

this technology or technologies to

939

00:33:50,549 --> 00:33:49,039

people who may want to buy it and that

940

00:33:53,029 --> 00:33:50,559

included his books

941

00:33:55,990 --> 00:33:53,039

that was perceived as interstate

942

00:33:57,750 --> 00:33:56,000

commerce and um you know that

943

00:34:00,310 --> 00:33:57,760

fraud charges and the reason for the

944

00:34:03,269 --> 00:34:00,320

fraud angle was because

945

00:34:05,909 --> 00:34:03,279

officially it was disputed that his

946

00:34:08,470 --> 00:34:05,919

ideas had any validity to them so in

947

00:34:10,389 --> 00:34:08,480

other words denying that validity that

948

00:34:11,669 --> 00:34:10,399

was perceived as fraud you know he was

949

00:34:12,550 --> 00:34:11,679

writing books

950

00:34:14,230 --> 00:34:12,560

and

951
00:34:15,829 --> 00:34:14,240
because the scenario was well there's

952
00:34:17,430 --> 00:34:15,839
nothing to this then he's going to be

953
00:34:19,669 --> 00:34:17,440
fraud and then when he's traveling

954
00:34:21,430 --> 00:34:19,679
across state lines that's when you have

955
00:34:22,629 --> 00:34:21,440
this other angle coming

956
00:34:25,349 --> 00:34:22,639
so

957
00:34:27,990 --> 00:34:25,359
you know that in itself is what got him

958
00:34:30,230 --> 00:34:28,000
uh in trouble and then admittedly part

959
00:34:31,190 --> 00:34:30,240
of it was his own fault by refusing to

960
00:34:33,829 --> 00:34:31,200
actually

961
00:34:36,470 --> 00:34:33,839
um you know attend the the hearing and

962
00:34:38,869 --> 00:34:36,480
so on and then so he got arrested and

963
00:34:41,510 --> 00:34:38,879

ended up in jail and so part of his

964

00:34:44,230 --> 00:34:41,520

sentence was the fact that he refused

965

00:34:46,310 --> 00:34:44,240

you know to come to court but i mean you

966

00:34:48,149 --> 00:34:46,320

could make the analogy i mean let's say

967

00:34:50,869 --> 00:34:48,159

hypothetically somebody wrote a book

968

00:34:53,190 --> 00:34:50,879

tomorrow um like corso you know let's

969

00:34:54,389 --> 00:34:53,200

say another corso comes along and writes

970

00:34:56,790 --> 00:34:54,399

a book saying

971

00:34:58,870 --> 00:34:56,800

i was a biologist and i was involved in

972

00:35:01,109 --> 00:34:58,880

autopsy in the you know the roswell

973

00:35:02,470 --> 00:35:01,119

aliens well let's say that old guy went

974

00:35:04,870 --> 00:35:02,480

on a tour

975

00:35:07,109 --> 00:35:04,880

us

976

00:35:09,190 --> 00:35:07,119

and somebody came up with valid reasons

977

00:35:11,030 --> 00:35:09,200

they thought why he was lying you know

978

00:35:12,710 --> 00:35:11,040

you somebody could then make the claim

979

00:35:14,790 --> 00:35:12,720

all this books fraud

980

00:35:16,950 --> 00:35:14,800

and he's peddling it across state lines

981

00:35:18,710 --> 00:35:16,960

and so on you see what i mean

982

00:35:21,190 --> 00:35:18,720

that is essentially all that really

983

00:35:23,270 --> 00:35:21,200

happened with right you know it wasn't

984

00:35:25,109 --> 00:35:23,280

like he was robbing banks or anything

985

00:35:26,950 --> 00:35:25,119

well you got to go to court man i mean

986

00:35:28,470 --> 00:35:26,960

if i learned anything i almost had my

987

00:35:30,230 --> 00:35:28,480

life ruined because i didn't go to court

988

00:35:32,550 --> 00:35:30,240

for a couple of speeding tickets you

989

00:35:34,790 --> 00:35:32,560

gotta go to court yeah that that was

990

00:35:36,710 --> 00:35:34,800

that was his downfall but the problem

991

00:35:38,230 --> 00:35:36,720

was it wasn't like he was just like you

992

00:35:40,630 --> 00:35:38,240

said i mean you know a speeding ticket

993

00:35:41,990 --> 00:35:40,640

or one that's bad enough you know if you

994

00:35:43,670 --> 00:35:42,000

don't want to

995

00:35:45,670 --> 00:35:43,680

not go to court and then end up with

996

00:35:47,910 --> 00:35:45,680

even bigger problems from a smaller one

997

00:35:50,150 --> 00:35:47,920

but that was one of made rike's major

998

00:35:51,670 --> 00:35:50,160

problems and because it was a problem

999

00:35:54,390 --> 00:35:51,680

and then he had these other things

1000

00:35:56,870 --> 00:35:54,400

interstate fraud charges which isn't you

1001
00:35:58,390 --> 00:35:56,880
know is isn't like just jumping a red

1002
00:36:00,310 --> 00:35:58,400
light or whatever

1003
00:36:03,270 --> 00:36:00,320
that sort of really

1004
00:36:05,270 --> 00:36:03,280
just amplified the trouble he was in

1005
00:36:06,630 --> 00:36:05,280
yeah you just can't ignore the chords

1006
00:36:08,710 --> 00:36:06,640
unless of course you're someone like

1007
00:36:11,109 --> 00:36:08,720
dick cheney then you can just uh ignore

1008
00:36:12,790 --> 00:36:11,119
anything that comes your way another

1009
00:36:14,310 --> 00:36:12,800
thing that's interesting about prominent

1010
00:36:16,230 --> 00:36:14,320
people who have

1011
00:36:18,550 --> 00:36:16,240
huge chunks of files missing where there

1012
00:36:20,630 --> 00:36:18,560
should be some information on them uh

1013
00:36:22,790 --> 00:36:20,640

there was a pretty important document

1014

00:36:24,630 --> 00:36:22,800

that went missing of marilyn monroe i

1015

00:36:26,790 --> 00:36:24,640

mean she she apparently had a lot of

1016

00:36:29,349 --> 00:36:26,800

secrets and she had a diary that no one

1017

00:36:32,390 --> 00:36:29,359

seems to be able to find now right

1018

00:36:33,270 --> 00:36:32,400

yeah well marilyn monroe um

1019

00:36:36,310 --> 00:36:33,280

you know

1020

00:36:37,190 --> 00:36:36,320

died in 1962 when she was only 36

1021

00:36:39,270 --> 00:36:37,200

and

1022

00:36:42,230 --> 00:36:39,280

i guess from her movie she kind of has

1023

00:36:44,550 --> 00:36:42,240

this reputation as you know sort of this

1024

00:36:46,630 --> 00:36:44,560

dizzy-headed blonde and didn't really

1025

00:36:47,670 --> 00:36:46,640

know much you know and so which is

1026

00:36:49,430 --> 00:36:47,680

actually

1027

00:36:52,069 --> 00:36:49,440

totally wrong that that's sort of the

1028

00:36:54,310 --> 00:36:52,079

person that he suggests me the um

1029

00:36:56,550 --> 00:36:54,320

sort of the you know the image that's

1030

00:36:58,550 --> 00:36:56,560

that in the public domain of her but the

1031

00:37:01,190 --> 00:36:58,560

reality is that she was a very

1032

00:37:04,790 --> 00:37:01,200

clever woman she was uh she was used to

1033

00:37:07,670 --> 00:37:04,800

read extensively and in 1955

1034

00:37:10,230 --> 00:37:07,680

she actually applied for a visa to visit

1035

00:37:12,710 --> 00:37:10,240

what then was the soviet union because

1036

00:37:14,470 --> 00:37:12,720

she was interested in it and she wanted

1037

00:37:16,550 --> 00:37:14,480

to know what it was really like versus

1038

00:37:18,550 --> 00:37:16,560

what people said it was like this

1039

00:37:20,710 --> 00:37:18,560

actually raised eyebrows with j edgar

1040

00:37:23,829 --> 00:37:20,720

hoover and it was one of the reasons why

1041

00:37:27,109 --> 00:37:23,839

her file was opened um

1042

00:37:28,550 --> 00:37:27,119

but because she she made this um request

1043

00:37:30,069 --> 00:37:28,560

to see if she could go to the soviet

1044

00:37:31,349 --> 00:37:30,079

union of course she was already a famous

1045

00:37:33,030 --> 00:37:31,359

actress so that

1046

00:37:35,270 --> 00:37:33,040

would have sort of raised eyebrows even

1047

00:37:37,510 --> 00:37:35,280

more now

1048

00:37:38,870 --> 00:37:37,520

as one of the things i talk about in the

1049

00:37:40,390 --> 00:37:38,880

book i mean there are many aspects to

1050

00:37:43,829 --> 00:37:40,400

her life and death that are sort of all

1051
00:37:45,430 --> 00:37:43,839
filled with intrigue but we know that at

1052
00:37:47,430 --> 00:37:45,440
certain points we don't even know the

1053
00:37:49,109 --> 00:37:47,440
sort of the four years or the full story

1054
00:37:51,750 --> 00:37:49,119
probably never will but she certainly

1055
00:37:53,670 --> 00:37:51,760
had an affairs or relationships have you

1056
00:37:56,230 --> 00:37:53,680
on a tournament with both president

1057
00:37:59,030 --> 00:37:56,240
kennedy and his brother robert kennedy

1058
00:38:01,109 --> 00:37:59,040
and one of the things that they actually

1059
00:38:02,710 --> 00:38:01,119
didn't know she did but she kept a lot

1060
00:38:04,950 --> 00:38:02,720
of journals you know a lot of people

1061
00:38:06,550 --> 00:38:04,960
write journals and she did that as well

1062
00:38:08,870 --> 00:38:06,560
but she also had this other one which

1063
00:38:11,510 --> 00:38:08,880

was called became known as a red book

1064

00:38:14,069 --> 00:38:11,520

and the red book was contained contained

1065

00:38:15,829 --> 00:38:14,079

all the stuff that the kennedys told her

1066

00:38:17,510 --> 00:38:15,839

and people surrounding the kennedys who

1067

00:38:18,550 --> 00:38:17,520

she might have met at parties and things

1068

00:38:21,190 --> 00:38:18,560

like that

1069

00:38:24,230 --> 00:38:21,200

and reportedly it was filled with sort

1070

00:38:26,550 --> 00:38:24,240

of a sort of sensational top secrets

1071

00:38:28,550 --> 00:38:26,560

that kennedy essentially told us to try

1072

00:38:30,390 --> 00:38:28,560

and lure into the bedroom i guess you

1073

00:38:33,349 --> 00:38:30,400

know impress her with how would you like

1074

00:38:35,030 --> 00:38:33,359

to hear this you know and um

1075

00:38:37,270 --> 00:38:35,040

and it sort of related to things like

1076

00:38:38,470 --> 00:38:37,280

plans to invite cuba and assassinate

1077

00:38:39,829 --> 00:38:38,480

castro

1078

00:38:41,750 --> 00:38:39,839

uh invade

1079

00:38:43,670 --> 00:38:41,760

sort of the relationship with the soviet

1080

00:38:45,030 --> 00:38:43,680

union and how things were going with

1081

00:38:48,069 --> 00:38:45,040

them and

1082

00:38:51,190 --> 00:38:48,079

space missions all sorts of stuff and

1083

00:38:54,550 --> 00:38:51,200

there is um a story that supposedly

1084

00:38:55,750 --> 00:38:54,560

kennedy told marilyn monroe about a trip

1085

00:38:57,990 --> 00:38:55,760

he made to

1086

00:39:00,470 --> 00:38:58,000

uh an air base somewhere in the u.s to

1087

00:39:03,510 --> 00:39:00,480

see a crashed spacecraft and some dead

1088

00:39:05,510 --> 00:39:03,520

bodies now this actually this story

1089

00:39:06,630 --> 00:39:05,520

comes from a document that didn't

1090

00:39:09,670 --> 00:39:06,640

surface through the freedom of

1091

00:39:12,310 --> 00:39:09,680

information act but there was given to

1092

00:39:14,390 --> 00:39:12,320

um an american author is now dead named

1093

00:39:16,150 --> 00:39:14,400

milo spiriglio he wrote three

1094

00:39:19,030 --> 00:39:16,160

non-fiction books on the death of

1095

00:39:21,190 --> 00:39:19,040

marilyn monroe uh all of which sort of

1096

00:39:24,109 --> 00:39:21,200

supported the conspiracy theory behind

1097

00:39:27,670 --> 00:39:24,119

the death and he was given a document in

1098

00:39:29,990 --> 00:39:27,680

1995 it was purportedly a leaked cia

1099

00:39:33,349 --> 00:39:30,000

document of a wiretap

1100

00:39:34,950 --> 00:39:33,359

between um two particular individuals

1101

00:39:38,150 --> 00:39:34,960

one um

1102

00:39:41,109 --> 00:39:38,160

dorothy kilgallon dorothy kilgallon

1103

00:39:43,430 --> 00:39:41,119

was a famous journalist in the 1950s and

1104

00:39:45,349 --> 00:39:43,440

60s it was actually the last person to

1105

00:39:48,150 --> 00:39:45,359

interview chat ruby who shot the rv

1106

00:39:50,870 --> 00:39:48,160

oswald well this document is reportedly

1107

00:39:52,790 --> 00:39:50,880

a wiretap transcript of a conversation

1108

00:39:54,710 --> 00:39:52,800

between dorothy kilgallon and a man

1109

00:39:57,270 --> 00:39:54,720

named howard rothberg who was a mutual

1110

00:39:59,430 --> 00:39:57,280

friend of dorothy kilgall and marilyn

1111

00:40:02,470 --> 00:39:59,440

monroe and it's in this conversation

1112

00:40:03,430 --> 00:40:02,480

that kill gallon and rothberg talk about

1113

00:40:05,910 --> 00:40:03,440

um

1114

00:40:08,150 --> 00:40:05,920

this conversation or this story that

1115

00:40:10,790 --> 00:40:08,160

marilyn monroe had supposedly told both

1116

00:40:13,109 --> 00:40:10,800

of them about this crashed object and

1117

00:40:15,109 --> 00:40:13,119

these strange bodies or dead bodies

1118

00:40:17,670 --> 00:40:15,119

and um

1119

00:40:18,950 --> 00:40:17,680

the the story is that marilyn monroe

1120

00:40:20,390 --> 00:40:18,960

because of the way she'd been treated by

1121

00:40:21,910 --> 00:40:20,400

the kennedys threatened to blow the

1122

00:40:22,870 --> 00:40:21,920

whistle on everything it was going to go

1123

00:40:24,790 --> 00:40:22,880

public

1124

00:40:26,470 --> 00:40:24,800

with all these stories that kennedy told

1125

00:40:28,390 --> 00:40:26,480

her that were in the red book well of

1126
00:40:30,230 --> 00:40:28,400
course that never happened because she

1127
00:40:32,950 --> 00:40:30,240
was found dead in august

1128
00:40:35,829 --> 00:40:32,960
1962 in the first week of august this

1129
00:40:39,349 --> 00:40:35,839
document is actually dated just two days

1130
00:40:41,109 --> 00:40:39,359
before she died and so that in itself is

1131
00:40:43,829 --> 00:40:41,119
potentially suspicious

1132
00:40:46,710 --> 00:40:43,839
but a number of people who worked in the

1133
00:40:49,750 --> 00:40:46,720
coroner's office and um

1134
00:40:52,230 --> 00:40:49,760
in the city in the police department and

1135
00:40:54,150 --> 00:40:52,240
in the mortuary all said that they saw

1136
00:40:56,790 --> 00:40:54,160
this red book as it was known it was

1137
00:40:58,870 --> 00:40:56,800
like a thick red journal and they said

1138
00:41:00,710 --> 00:40:58,880

it was brought into the uh coroner's

1139

00:41:02,309 --> 00:41:00,720

office with a lot of her own sort of

1140

00:41:04,870 --> 00:41:02,319

personal possessions

1141

00:41:07,349 --> 00:41:04,880

and um but it vanished from there after

1142

00:41:10,550 --> 00:41:07,359

about two days and nobody knows what

1143

00:41:12,630 --> 00:41:10,560

happened to his nobody at all now

1144

00:41:15,190 --> 00:41:12,640

so in other words that is probably the

1145

00:41:17,670 --> 00:41:15,200

most important piece of documented

1146

00:41:19,109 --> 00:41:17,680

evidence on marilyn monroe that's gone

1147

00:41:21,750 --> 00:41:19,119

now the fbi

1148

00:41:24,069 --> 00:41:21,760

they've released now hundreds of pages

1149

00:41:26,309 --> 00:41:24,079

of material on her and i think

1150

00:41:27,910 --> 00:41:26,319

um you know a lot of most of the stuff

1151

00:41:29,990 --> 00:41:27,920

we're gonna get on her from the fbi i

1152

00:41:31,190 --> 00:41:30,000

think we've already got now we certainly

1153

00:41:32,950 --> 00:41:31,200

don't have

1154

00:41:35,510 --> 00:41:32,960

what is rumored to exist which is like

1155

00:41:38,710 --> 00:41:35,520

endless reams of transcripts of

1156

00:41:40,390 --> 00:41:38,720

conversations between her and jfk

1157

00:41:42,550 --> 00:41:40,400

but we do know that a lot of hoover's

1158

00:41:45,109 --> 00:41:42,560

files were shredded in the early 70s his

1159

00:41:47,589 --> 00:41:45,119

personal files so it's possible that

1160

00:41:49,829 --> 00:41:47,599

that's where a lot of her papers went

1161

00:41:51,990 --> 00:41:49,839

but there is another angle as well

1162

00:41:53,589 --> 00:41:52,000

the early fbi files that have been

1163

00:41:55,670 --> 00:41:53,599

declassified or which you can read at

1164

00:41:57,829 --> 00:41:55,680

the vault several of them several of

1165

00:42:00,790 --> 00:41:57,839

them actually have the director of the

1166

00:42:03,910 --> 00:42:00,800

cia copied on the documents so the cia

1167

00:42:05,829 --> 00:42:03,920

should have those documents on file but

1168

00:42:07,589 --> 00:42:05,839

today they cannot be found in the

1169

00:42:09,510 --> 00:42:07,599

headquarters of the cia in other words

1170

00:42:12,069 --> 00:42:09,520

there are fbi files on marilyn monroe

1171

00:42:14,309 --> 00:42:12,079

that were photocopied and forwarded to

1172

00:42:15,430 --> 00:42:14,319

the cia because marilyn monroe was

1173

00:42:16,950 --> 00:42:15,440

looking to

1174

00:42:19,430 --> 00:42:16,960

to go to russia

1175

00:42:21,109 --> 00:42:19,440

so that's another puzzling thing is that

1176

00:42:22,390 --> 00:42:21,119

why are these documents which are fairly

1177

00:42:25,030 --> 00:42:22,400

innocuous today there's nothing

1178

00:42:27,750 --> 00:42:25,040

sensational about them why is it those

1179

00:42:29,990 --> 00:42:27,760

files which we can prove from the fbi's

1180

00:42:32,309 --> 00:42:30,000

own records ironically was sent to me

1181

00:42:34,950 --> 00:42:32,319

cia why can't they be found now it

1182

00:42:36,150 --> 00:42:34,960

almost sounds like again this sort of

1183

00:42:39,190 --> 00:42:36,160

shadow

1184

00:42:40,790 --> 00:42:39,200

agency went in and sanitized everything

1185

00:42:43,589 --> 00:42:40,800

and in the same way that the air force

1186

00:42:45,750 --> 00:42:43,599

are baffled by their lack of roswell

1187

00:42:46,710 --> 00:42:45,760

records the cia are baffled by the fact

1188

00:42:49,430 --> 00:42:46,720

that

1189

00:42:51,670 --> 00:42:49,440

something on marilyn monroe because the

1190

00:42:53,510 --> 00:42:51,680

fbi sent it to them but

1191

00:42:56,069 --> 00:42:53,520

those files have gone so who knows how

1192

00:42:59,430 --> 00:42:56,079

many others you know might have been

1193

00:43:01,109 --> 00:42:59,440

polled 30 40 50 years ago we just don't

1194

00:43:03,109 --> 00:43:01,119

really know when it could have happened

1195

00:43:05,670 --> 00:43:03,119

yeah that is a real shame but it's an

1196

00:43:07,030 --> 00:43:05,680

interesting little saga and do you put

1197

00:43:08,790 --> 00:43:07,040

any stock i know you've been looking at

1198

00:43:10,950 --> 00:43:08,800

this stuff for a long time do you put

1199

00:43:13,109 --> 00:43:10,960

any stock at all in the old legend that

1200

00:43:15,030 --> 00:43:13,119

kennedy was taken out over his plan to

1201

00:43:16,710 --> 00:43:15,040

disclose some information on alien

1202

00:43:18,230 --> 00:43:16,720

contacts and ufos because if marilyn

1203

00:43:20,630 --> 00:43:18,240

monroe was killed because she was going

1204

00:43:22,309 --> 00:43:20,640

to disclose i guess you could say it

1205

00:43:23,430 --> 00:43:22,319

would make sense that if he decided he

1206

00:43:25,109 --> 00:43:23,440

wanted to

1207

00:43:26,630 --> 00:43:25,119

he would go as well

1208

00:43:28,630 --> 00:43:26,640

well yeah i mean i've got an entire

1209

00:43:31,430 --> 00:43:28,640

chapter on this in the close encounters

1210

00:43:33,589 --> 00:43:31,440

of the fatal kind book and um i mean it

1211

00:43:35,750 --> 00:43:33,599

sounds to some people even within

1212

00:43:36,950 --> 00:43:35,760

ufology you know it sounds too extreme

1213

00:43:38,630 --> 00:43:36,960

to imagine that

1214

00:43:40,630 --> 00:43:38,640

the world's probably the two biggest

1215

00:43:41,990 --> 00:43:40,640

conspiracies the kennedy assassination

1216

00:43:43,270 --> 00:43:42,000

and ufos

1217

00:43:45,910 --> 00:43:43,280

the idea that they could actually be

1218

00:43:47,589 --> 00:43:45,920

just part of one big conspiracy that's

1219

00:43:50,230 --> 00:43:47,599

sort of too much for even people in the

1220

00:43:52,309 --> 00:43:50,240

ufo subject often take but

1221

00:43:54,630 --> 00:43:52,319

the fact is that the more we look into

1222

00:43:56,550 --> 00:43:54,640

the ufo subject and the kennedy

1223

00:43:57,589 --> 00:43:56,560

assassination the more we actually do

1224

00:44:00,870 --> 00:43:57,599

find

1225

00:44:02,710 --> 00:44:00,880

um a lot of crossover tangents i mean to

1226

00:44:06,870 --> 00:44:02,720

give you on one example

1227

00:44:08,470 --> 00:44:06,880

um back in 1947 in a place called mori

1228

00:44:12,390 --> 00:44:08,480

island washington state

1229

00:44:15,829 --> 00:44:12,400

there was a story uh june the 20th 1947

1230

00:44:18,069 --> 00:44:15,839

of a like a squadron of ufos seen flying

1231

00:44:20,390 --> 00:44:18,079

over the harbor of maury island

1232

00:44:23,190 --> 00:44:20,400

and reportedly one of these ufos

1233

00:44:25,589 --> 00:44:23,200

exploded in the air and and sort of all

1234

00:44:27,510 --> 00:44:25,599

this strange wreckage was sort of strewn

1235

00:44:30,309 --> 00:44:27,520

into the harbour area and collected by a

1236

00:44:32,390 --> 00:44:30,319

guy named harold dahl harold doll handed

1237

00:44:35,030 --> 00:44:32,400

it over to a man named fred chrisman he

1238

00:44:37,829 --> 00:44:35,040

was very shadowy unusual actually quite

1239

00:44:40,790 --> 00:44:37,839

weird character who had a lot of ties to

1240

00:44:43,270 --> 00:44:40,800

the intelligence community and um

1241

00:44:46,390 --> 00:44:43,280

sort of off the record ties as well it

1242

00:44:48,069 --> 00:44:46,400

turns out that um fred christman who

1243

00:44:50,069 --> 00:44:48,079

picked up this weird wreckage and shared

1244

00:44:53,510 --> 00:44:50,079

it with the military actually turns up

1245

00:44:56,550 --> 00:44:53,520

in the kennedy assassination in fact um

1246

00:44:58,230 --> 00:44:56,560

jim garrison the district attorney of

1247

00:45:00,870 --> 00:44:58,240

new orleans who was played by kevin

1248

00:45:02,230 --> 00:45:00,880

costner in the jfk movie he actually

1249

00:45:04,470 --> 00:45:02,240

came to believe

1250

00:45:05,990 --> 00:45:04,480

that chrisman was one of the gunmen of

1251

00:45:08,630 --> 00:45:06,000

the grassy knoll

1252

00:45:10,470 --> 00:45:08,640

now on top of that another man who is

1253

00:45:14,069 --> 00:45:10,480

known to chrisman and also known to lee

1254

00:45:16,790 --> 00:45:14,079

rv oswald was a former fbi agent named

1255

00:45:19,190 --> 00:45:16,800

guy bannister who's also played

1256

00:45:21,349 --> 00:45:19,200

or portrayed i should say the jfk movie

1257

00:45:24,710 --> 00:45:21,359

by uh ed asner

1258

00:45:26,069 --> 00:45:24,720

and guy bannister um was somebody who

1259

00:45:28,230 --> 00:45:26,079

extensively

1260

00:45:30,710 --> 00:45:28,240

uh researched and studied the ufo

1261

00:45:32,550 --> 00:45:30,720

subject for the fbi in the summer of 47

1262

00:45:34,230 --> 00:45:32,560

when the whole thing kicked off and he

1263

00:45:36,790 --> 00:45:34,240

said his ufo files have now been

1264

00:45:39,109 --> 00:45:36,800

declassified and uh and at one point in

1265

00:45:42,630 --> 00:45:39,119

july 47 he actually got a

1266

00:45:44,309 --> 00:45:42,640

uh behind closed doors briefing on ufos

1267

00:45:46,230 --> 00:45:44,319

by the military

1268

00:45:48,710 --> 00:45:46,240

and we have a lot of things like this

1269

00:45:52,230 --> 00:45:48,720

where people who are in the intel world

1270

00:45:54,950 --> 00:45:52,240

in 47 in relation to ufos popped up

1271

00:45:58,230 --> 00:45:54,960

years later in the kennedy assassination

1272

00:46:01,030 --> 00:45:58,240

now in relation to kennedy himself

1273

00:46:02,950 --> 00:46:01,040

um there are as you said rumors that um

1274

00:46:05,510 --> 00:46:02,960

he wanted to go public

1275

00:46:08,390 --> 00:46:05,520

with what he knew about ufos the stories

1276

00:46:09,990 --> 00:46:08,400

there were two reasons one he felt

1277

00:46:12,069 --> 00:46:10,000

he was important enough alone for the

1278

00:46:14,150 --> 00:46:12,079

general public to know he felt the idea

1279

00:46:16,309 --> 00:46:14,160

that if there is alien life out there

1280

00:46:17,910 --> 00:46:16,319

we've got something even it's just a few

1281

00:46:19,030 --> 00:46:17,920

bones and bodies and fragments of

1282

00:46:21,589 --> 00:46:19,040

wreckage

1283

00:46:23,829 --> 00:46:21,599

then he felt everybody should know

1284

00:46:25,190 --> 00:46:23,839

but there was also allegedly at least

1285

00:46:26,630 --> 00:46:25,200

another reason

1286

00:46:28,150 --> 00:46:26,640

he felt that

1287

00:46:30,550 --> 00:46:28,160

at the height of the cold war where we'd

1288

00:46:31,750 --> 00:46:30,560

all got nuclear weapons the reason why

1289

00:46:33,910 --> 00:46:31,760

there wasn't a third world war is

1290

00:46:35,990 --> 00:46:33,920

because neither side would dare risk

1291

00:46:38,069 --> 00:46:36,000

launching them because they both despite

1292

00:46:40,790 --> 00:46:38,079

all the bluff and bravado both the

1293

00:46:43,349 --> 00:46:40,800

soviets and nato knew that neither could

1294

00:46:45,109 --> 00:46:43,359

defeat each other you know but just

1295

00:46:46,309 --> 00:46:45,119

seconds after we launched our missiles

1296

00:46:48,630 --> 00:46:46,319

and they launched

1297

00:46:50,150 --> 00:46:48,640

bears we would be able to detect you

1298

00:46:52,150 --> 00:46:50,160

know that they were flying and we'd just

1299

00:46:55,109 --> 00:46:52,160

fire back and everybody would die

1300

00:46:56,870 --> 00:46:55,119

and so kennedy felt if we had

1301

00:46:59,910 --> 00:46:56,880

access to highly advanced alien

1302

00:47:01,430 --> 00:46:59,920

technology and the russians found out

1303

00:47:04,309 --> 00:47:01,440

they might be so frightened that they

1304

00:47:06,950 --> 00:47:04,319

actually might risk a first strike

1305

00:47:08,950 --> 00:47:06,960

um and so the story is that kennedy

1306

00:47:10,390 --> 00:47:08,960

wanted to share the alien technology

1307

00:47:12,870 --> 00:47:10,400

with the russians as well to keep a

1308

00:47:14,710 --> 00:47:12,880

balance of power as as hard as it might

1309

00:47:16,230 --> 00:47:14,720

sound but it also kind of makes a degree

1310

00:47:18,790 --> 00:47:16,240

of sense as well

1311

00:47:20,870 --> 00:47:18,800

um and so to the people who were sort of

1312

00:47:21,829 --> 00:47:20,880

hiding the truth the so-called you know

1313

00:47:24,150 --> 00:47:21,839

that became known as the

1314

00:47:27,349 --> 00:47:24,160

military-industrial complex the story is

1315

00:47:29,750 --> 00:47:27,359

that this was just too much and and he

1316

00:47:31,430 --> 00:47:29,760

had to go you know the countdown was on

1317

00:47:35,109 --> 00:47:31,440

um now

1318

00:47:38,230 --> 00:47:35,119

had kennedy um decided to go public you

1319

00:47:39,910 --> 00:47:38,240

know the you you would rationalize that

1320

00:47:41,990 --> 00:47:39,920

in the build-up to doing that he would

1321

00:47:44,630 --> 00:47:42,000

want to meet with people who

1322

00:47:46,390 --> 00:47:44,640

were in a place and a position to share

1323

00:47:48,630 --> 00:47:46,400

information with him

1324

00:47:50,710 --> 00:47:48,640

so he could have a full picture and that

1325

00:47:53,190 --> 00:47:50,720

actually seems to be what we have for

1326

00:47:54,309 --> 00:47:53,200

example the day before he was shot kenny

1327

00:47:56,270 --> 00:47:54,319

was shot on

1328

00:47:59,190 --> 00:47:56,280

november 22nd

1329

00:48:01,030 --> 00:47:59,200

1963 in daly plaza as everybody knows

1330

00:48:03,349 --> 00:48:01,040

well the day before

1331

00:48:05,990 --> 00:48:03,359

he made a visit with jackie kennedy

1332

00:48:08,630 --> 00:48:06,000

to brooks air force base which is also

1333

00:48:10,870 --> 00:48:08,640

in texas and he was there to open a new

1334

00:48:12,550 --> 00:48:10,880

wing and this particular wing was

1335

00:48:14,309 --> 00:48:12,560

dedicated to

1336

00:48:16,790 --> 00:48:14,319

uh one of the time was called space

1337

00:48:18,069 --> 00:48:16,800

medicine the idea was that you know bear

1338

00:48:20,630 --> 00:48:18,079

in mind this was the early years of the

1339

00:48:21,910 --> 00:48:20,640
space race and we didn't really

1340

00:48:23,109 --> 00:48:21,920
know how

1341

00:48:26,309 --> 00:48:23,119
people would

1342

00:48:27,270 --> 00:48:26,319
be affected by exposure to for example

1343

00:48:30,230 --> 00:48:27,280
um

1344

00:48:31,430 --> 00:48:30,240
low gravity or no gravity or cosmic rays

1345

00:48:33,030 --> 00:48:31,440
you know how would you affect your blood

1346

00:48:35,430 --> 00:48:33,040
pressure your pulse your heart your

1347

00:48:37,349 --> 00:48:35,440
organs so this space medicine branch was

1348

00:48:39,750 --> 00:48:37,359
set up to research

1349

00:48:42,790 --> 00:48:39,760
all that sort of stuff now one of the

1350

00:48:45,589 --> 00:48:42,800
people who held a senior position there

1351
00:48:47,190 --> 00:48:45,599
was a major general theodore bedwell

1352
00:48:51,109 --> 00:48:47,200
well it turns out that in the summer of

1353
00:48:53,990 --> 00:48:51,119
1947 major general bedwell actually held

1354
00:48:56,390 --> 00:48:54,000
a major or significant um medical

1355
00:48:58,549 --> 00:48:56,400
position at right field as it is today

1356
00:49:00,470 --> 00:48:58,559
right paterson air force base and he

1357
00:49:02,549 --> 00:49:00,480
would have been somebody in the summer

1358
00:49:04,390 --> 00:49:02,559
47 when he worked there had been a prime

1359
00:49:06,710 --> 00:49:04,400
position to see the alien bodies when

1360
00:49:07,670 --> 00:49:06,720
they were reportedly taken to that very

1361
00:49:09,910 --> 00:49:07,680
base

1362
00:49:12,390 --> 00:49:09,920
and we know that kennedy had a behind

1363
00:49:14,309 --> 00:49:12,400

closed doors meeting with bedwell on

1364

00:49:17,109 --> 00:49:14,319

that day but another person he spoke

1365

00:49:20,630 --> 00:49:17,119

with on that same day um

1366

00:49:23,270 --> 00:49:20,640

held a significant um medical position

1367

00:49:26,549 --> 00:49:23,280

also at a place called fort dietrich in

1368

00:49:29,349 --> 00:49:26,559

maryland now fort dietrich is where even

1369

00:49:31,510 --> 00:49:29,359

today um the government undertakes all

1370

00:49:35,109 --> 00:49:31,520

its sort of research into biological

1371

00:49:38,630 --> 00:49:35,119

warfare exotic virus uh viruses you know

1372

00:49:40,309 --> 00:49:38,640

essentially to ensure that if somebody

1373

00:49:42,630 --> 00:49:40,319

like you know some hostile nation tries

1374

00:49:44,549 --> 00:49:42,640

to attack us with a deadly virus we have

1375

00:49:47,349 --> 00:49:44,559

some way to combat it now there have

1376

00:49:50,470 --> 00:49:47,359

been theories and stories about alien

1377

00:49:53,349 --> 00:49:50,480

bodies taken to fort dietrich um that

1378

00:49:55,109 --> 00:49:53,359

displayed some sort of deadly alien

1379

00:49:56,870 --> 00:49:55,119

virus one against which we probably

1380

00:49:59,589 --> 00:49:56,880

wouldn't have any kind of

1381

00:50:02,390 --> 00:49:59,599

defense at all well it turns out that on

1382

00:50:04,950 --> 00:50:02,400

the same day that he that kennedy met uh

1383

00:50:06,710 --> 00:50:04,960

major general bedwell he also met at

1384

00:50:07,910 --> 00:50:06,720

brooks a man named colonel harold

1385

00:50:14,790 --> 00:50:07,920

ellingson

1386

00:50:16,470 --> 00:50:14,800

the post surgeon and hospital commander

1387

00:50:17,349 --> 00:50:16,480

at fort dietrich

1388

00:50:19,829 --> 00:50:17,359

and

1389

00:50:22,630 --> 00:50:19,839

so again he would have been somebody

1390

00:50:26,150 --> 00:50:22,640

in a prime position to have access to

1391

00:50:29,589 --> 00:50:26,160

alien bodies with a viral angle and when

1392

00:50:31,589 --> 00:50:29,599

we see that it's sort of just 24 hours

1393

00:50:33,750 --> 00:50:31,599

before he was shot dead that kennedy's

1394

00:50:36,069 --> 00:50:33,760

meeting all these people traveling to a

1395

00:50:38,829 --> 00:50:36,079

base dealing with outer space fringe

1396

00:50:41,750 --> 00:50:38,839

technologies and viruses and space

1397

00:50:43,430 --> 00:50:41,760

technology 24 hours later he's dead you

1398

00:50:45,589 --> 00:50:43,440

know and then we have stories of fred

1399

00:50:49,109 --> 00:50:45,599

christman and guy bannister

1400

00:50:51,589 --> 00:50:49,119

involved at the in daley plaza and both

1401

00:50:54,390 --> 00:50:51,599

of those guys have a ufo history going

1402

00:50:56,630 --> 00:50:54,400

back to 47. so you know there are a lot

1403

00:50:58,549 --> 00:50:56,640

of strands like that

1404

00:51:01,109 --> 00:50:58,559

yeah it's it's just a weird one because

1405

00:51:02,790 --> 00:51:01,119

he he was ruffling so many feathers of

1406

00:51:05,030 --> 00:51:02,800

powerful people who were capable of

1407

00:51:08,309 --> 00:51:05,040

doing something like that and i think

1408

00:51:11,270 --> 00:51:08,319

the ufo connections seem to be the most

1409

00:51:13,670 --> 00:51:11,280

uh numerous but i guess one big

1410

00:51:17,510 --> 00:51:13,680

criticism i would say would just be that

1411

00:51:20,069 --> 00:51:17,520

24 hours is not a lot of time to plan

1412

00:51:23,270 --> 00:51:20,079

such a high profile murder but maybe

1413

00:51:26,470 --> 00:51:23,280

maybe i'm naive well no i don't i no i'd

1414

00:51:29,270 --> 00:51:26,480

agree with you on that but i i think

1415

00:51:32,470 --> 00:51:29,280

i mean if a theory has merits i think

1416

00:51:34,470 --> 00:51:32,480

the argument would possibly be that

1417

00:51:36,790 --> 00:51:34,480

they knew what he was going to be right

1418

00:51:38,069 --> 00:51:36,800

into what he was gonna do and maybe they

1419

00:51:41,109 --> 00:51:38,079

knew he was gonna sort of blow the

1420

00:51:43,430 --> 00:51:41,119

whistle on i know november 28th or 29th

1421

00:51:44,630 --> 00:51:43,440

so maybe it was just a case of well

1422

00:51:46,549 --> 00:51:44,640

let's he's going to speak to these

1423

00:51:48,710 --> 00:51:46,559

people regardless and we're just going

1424

00:51:50,870 --> 00:51:48,720

to get him on the 22nd in daley plaza

1425

00:51:53,190 --> 00:51:50,880

and his big speech on the 29th will

1426
00:51:54,549 --> 00:51:53,200
never happen anyway but i would actually

1427
00:51:56,630 --> 00:51:54,559
agree with you when you said he ruffled

1428
00:51:58,150 --> 00:51:56,640
a lot of feathers with a lot of people i

1429
00:51:59,270 --> 00:51:58,160
think actually what is probably more

1430
00:52:01,270 --> 00:51:59,280
likely

1431
00:52:03,430 --> 00:52:01,280
is that there were people in the ufo

1432
00:52:06,230 --> 00:52:03,440
program who wanted him gone there may

1433
00:52:08,549 --> 00:52:06,240
have been people in you know other

1434
00:52:10,390 --> 00:52:08,559
offices who wanted him gone that could

1435
00:52:12,150 --> 00:52:10,400
have been well we know that a lot of

1436
00:52:13,670 --> 00:52:12,160
people in the mafia didn't like him in

1437
00:52:14,790 --> 00:52:13,680
cuba and there may have been vested

1438
00:52:16,870 --> 00:52:14,800

interests

1439

00:52:19,190 --> 00:52:16,880

in having all these people kind of on

1440

00:52:22,150 --> 00:52:19,200

board um you know a bunch of people

1441

00:52:24,150 --> 00:52:22,160

wanted him gone and sometimes you know

1442

00:52:27,190 --> 00:52:24,160

countries and agencies work with the

1443

00:52:30,710 --> 00:52:27,200

enemy for what they see is like a bigger

1444

00:52:32,710 --> 00:52:30,720

you know goal i mean like the kgb and

1445

00:52:36,309 --> 00:52:32,720

and and the us have worked together at

1446

00:52:37,589 --> 00:52:36,319

times uh against china um you know the

1447

00:52:40,870 --> 00:52:37,599

there are a number of interesting

1448

00:52:42,710 --> 00:52:40,880

historical stories like that because

1449

00:52:43,670 --> 00:52:42,720

both of them sort of saw the chinese as

1450

00:52:45,430 --> 00:52:43,680

a threat

1451
00:52:46,950 --> 00:52:45,440
so you know it's not like we're all sort

1452
00:52:48,069 --> 00:52:46,960
of black and white

1453
00:52:49,270 --> 00:52:48,079
we're never going to talk with these

1454
00:52:51,190 --> 00:52:49,280
we're never going to do anything with

1455
00:52:52,470 --> 00:52:51,200
these you know it's not like that the

1456
00:52:54,710 --> 00:52:52,480
real world's

1457
00:52:57,270 --> 00:52:54,720
never been like that right yeah the

1458
00:52:59,670 --> 00:52:57,280
enemy of my enemy is my friend they say

1459
00:53:02,950 --> 00:52:59,680
but uh yeah let's jump to some of these

1460
00:53:04,710 --> 00:53:02,960
lesser-known ufo cases from that pop up

1461
00:53:07,109 --> 00:53:04,720
in these two books you have a great

1462
00:53:08,790 --> 00:53:07,119
story that took place right before the

1463
00:53:10,549 --> 00:53:08,800

kenneth arnold encounter a lot of people

1464

00:53:13,190 --> 00:53:10,559

know that as like the jumping off point

1465

00:53:14,390 --> 00:53:13,200

for a huge string of sightings uh in the

1466

00:53:16,950 --> 00:53:14,400

in this country

1467

00:53:18,790 --> 00:53:16,960

and uh this thing happened before

1468

00:53:20,710 --> 00:53:18,800

kenneth arnold's encounter in brazil

1469

00:53:22,549 --> 00:53:20,720

probably the creepiest ufo story i've

1470

00:53:23,910 --> 00:53:22,559

ever heard can you tell people about

1471

00:53:26,630 --> 00:53:23,920

what happened there

1472

00:53:30,069 --> 00:53:26,640

yeah well kenneth arnold's sighting uh

1473

00:53:31,910 --> 00:53:30,079

june the 24th 1947 was the one that

1474

00:53:33,750 --> 00:53:31,920

really kicked off the whole flying

1475

00:53:36,069 --> 00:53:33,760

saucer phenomenon i mean even to the

1476

00:53:38,630 --> 00:53:36,079

extent that before arnold siting the

1477

00:53:40,069 --> 00:53:38,640

term flying saucer didn't even exist

1478

00:53:42,230 --> 00:53:40,079

um just to give people a bit of

1479

00:53:44,470 --> 00:53:42,240

background who may not know kenneth

1480

00:53:46,790 --> 00:53:44,480

arnold was a pilot

1481

00:53:49,349 --> 00:53:46,800

and he had this sighting over mount

1482

00:53:52,790 --> 00:53:49,359

rainier in washington state in

1483

00:53:55,270 --> 00:53:52,800

on june 24 1947 of what we might call

1484

00:53:57,510 --> 00:53:55,280

like a squadron of ufos

1485

00:53:59,349 --> 00:53:57,520

and he didn't actually say they were

1486

00:54:01,109 --> 00:53:59,359

flying sources what he said was when

1487

00:54:03,190 --> 00:54:01,119

asked by a journalist he said they flew

1488

00:54:05,990 --> 00:54:03,200

like sources might if you skip them

1489

00:54:07,910 --> 00:54:06,000

across a body of water so like an undue

1490

00:54:10,870 --> 00:54:07,920

undulating motion and then an

1491

00:54:14,230 --> 00:54:10,880

enterprising journalist took those words

1492

00:54:15,990 --> 00:54:14,240

and created the term flying saucer um

1493

00:54:19,030 --> 00:54:16,000

but that doesn't mean that we didn't

1494

00:54:21,109 --> 00:54:19,040

have sightings or reports that predated

1495

00:54:24,069 --> 00:54:21,119

arnold we clearly do even in the modern

1496

00:54:27,349 --> 00:54:24,079

era and one of these occurred on the

1497

00:54:29,750 --> 00:54:27,359

night of march the 4th 1946

1498

00:54:32,549 --> 00:54:29,760

and um it occurred in a little uh

1499

00:54:35,990 --> 00:54:32,559

brazilian village and involved a man

1500

00:54:39,510 --> 00:54:36,000

named juao prestes filho and um

1501
00:54:41,670 --> 00:54:39,520
he was 44 years old at the time and um

1502
00:54:43,589 --> 00:54:41,680
he was a farmer in this little village

1503
00:54:45,750 --> 00:54:43,599
and he'd spent the day it was a day off

1504
00:54:47,510 --> 00:54:45,760
he spent the day fishing and you know

1505
00:54:49,750 --> 00:54:47,520
got a lot of food for his family and so

1506
00:54:51,910 --> 00:54:49,760
on and sort of walking back to the

1507
00:54:53,349 --> 00:54:51,920
village and the sun was setting it was

1508
00:54:54,470 --> 00:54:53,359
sort of crossed between dusk and

1509
00:54:56,950 --> 00:54:54,480
darkness

1510
00:54:59,270 --> 00:54:56,960
and uh he kind of had that feeling that

1511
00:55:00,870 --> 00:54:59,280
we all get tired from time to time when

1512
00:55:02,390 --> 00:55:00,880
you think someone's watching you and you

1513
00:55:04,150 --> 00:55:02,400

swing your head around and somebody is

1514

00:55:06,069 --> 00:55:04,160

you know you're like him in the line at

1515

00:55:07,670 --> 00:55:06,079

the checkout or something and you just

1516

00:55:09,349 --> 00:55:07,680

get that feeling and when you turn

1517

00:55:11,829 --> 00:55:09,359

around somebody's eyes are boring into

1518

00:55:14,069 --> 00:55:11,839

you from 60 feet away or whatever

1519

00:55:15,670 --> 00:55:14,079

he had that feeling but he couldn't he

1520

00:55:18,710 --> 00:55:15,680

didn't see anyone but he couldn't shake

1521

00:55:20,710 --> 00:55:18,720

it off that he was being watched and

1522

00:55:22,630 --> 00:55:20,720

we got back home

1523

00:55:25,430 --> 00:55:22,640

and he still felt it he still could not

1524

00:55:27,750 --> 00:55:25,440

get rid of this uh this feeling

1525

00:55:29,510 --> 00:55:27,760

and he sort of looked around the house

1526

00:55:32,150 --> 00:55:29,520

opened the door looked around and then

1527

00:55:35,190 --> 00:55:32,160

he opened one of the windows uh in the

1528

00:55:37,510 --> 00:55:35,200

house and he was suddenly sort of

1529

00:55:40,390 --> 00:55:37,520

behaved he's probably the best word to

1530

00:55:41,829 --> 00:55:40,400

uh to use like a bright glow or a beam

1531

00:55:43,990 --> 00:55:41,839

but it was coming from some sort of

1532

00:55:45,990 --> 00:55:44,000

object hovering high in the sky

1533

00:55:48,710 --> 00:55:46,000

but wasn't making any noise and you know

1534

00:55:49,990 --> 00:55:48,720

obviously hovering it wasn't moving um

1535

00:55:51,750 --> 00:55:50,000

so it could have been a helicopter

1536

00:55:53,510 --> 00:55:51,760

because if there's one things

1537

00:55:54,870 --> 00:55:53,520

helicopters do you and certainly about

1538

00:55:56,870 --> 00:55:54,880

there you know they make a hell of a lot

1539

00:55:59,589 --> 00:55:56,880

of noise now there are stories today

1540

00:56:02,789 --> 00:55:59,599

about agencies perfecting silent

1541

00:56:04,870 --> 00:56:02,799

helicopters but back in 47 you know they

1542

00:56:07,270 --> 00:56:04,880

would have made a huge rumbling noise

1543

00:56:09,910 --> 00:56:07,280

but this object was totally silent

1544

00:56:10,870 --> 00:56:09,920

well he got hit by this beam

1545

00:56:13,109 --> 00:56:10,880

and

1546

00:56:15,589 --> 00:56:13,119

he he was able to before he died he was

1547

00:56:16,630 --> 00:56:15,599

actually able to tell friends and

1548

00:56:19,670 --> 00:56:16,640

neighbors

1549

00:56:21,829 --> 00:56:19,680

that his body sort of started to heat up

1550

00:56:23,829 --> 00:56:21,839

and with hindsight it kind of sounds

1551

00:56:26,309 --> 00:56:23,839

like he was bathed in some sort of

1552

00:56:29,030 --> 00:56:26,319

microwave or buy some sort of microwave

1553

00:56:31,510 --> 00:56:29,040

technology now so when you cook food in

1554

00:56:33,510 --> 00:56:31,520

a microwave as everybody knows he always

1555

00:56:34,789 --> 00:56:33,520

says on the package let it stand for two

1556

00:56:36,630 --> 00:56:34,799

or three minutes

1557

00:56:39,030 --> 00:56:36,640

that's actually not just because the

1558

00:56:41,270 --> 00:56:39,040

food comes out super hot it's because

1559

00:56:43,349 --> 00:56:41,280

microwaves cook from the inside out so

1560

00:56:44,789 --> 00:56:43,359

in other words the food is actually

1561

00:56:46,549 --> 00:56:44,799

still cooking

1562

00:56:47,910 --> 00:56:46,559

during that period when you're taking it

1563

00:56:49,430 --> 00:56:47,920

out of the microwave that's why they let

1564

00:56:51,670 --> 00:56:49,440

it ask you to let it stand because

1565

00:56:53,589 --> 00:56:51,680

you're you're cooking you're eating food

1566

00:56:54,710 --> 00:56:53,599

otherwise where the microwaves are still

1567

00:56:56,069 --> 00:56:54,720

cooking it

1568

00:56:57,990 --> 00:56:56,079

and um

1569

00:57:00,390 --> 00:56:58,000

with hindsight as i said it sounds like

1570

00:57:01,829 --> 00:57:00,400

something along these lines happened to

1571

00:57:03,910 --> 00:57:01,839

him because

1572

00:57:05,510 --> 00:57:03,920

although obviously the beam went away

1573

00:57:08,950 --> 00:57:05,520

and the object went away

1574

00:57:10,789 --> 00:57:08,960

his skin continued to peel and burn

1575

00:57:12,870 --> 00:57:10,799

almost it began kind of like if you get

1576

00:57:15,030 --> 00:57:12,880

a bad sunburn in your skin peels but

1577

00:57:17,589 --> 00:57:15,040

then he got worse and worse and

1578

00:57:18,549 --> 00:57:17,599

portions of his skin started to blister

1579

00:57:20,950 --> 00:57:18,559

and then

1580

00:57:23,990 --> 00:57:20,960

little scabs would fall off and so on

1581

00:57:25,510 --> 00:57:24,000

and he was just bleeding and his family

1582

00:57:27,510 --> 00:57:25,520

and friends raced him to the nearest

1583

00:57:30,549 --> 00:57:27,520

hospital by the time they got there his

1584

00:57:33,750 --> 00:57:30,559

skin was literally starting to slide off

1585

00:57:36,870 --> 00:57:33,760

and he essentially melted away into like

1586

00:57:38,630 --> 00:57:36,880

a pile of pretty much nothing um in the

1587

00:57:40,870 --> 00:57:38,640

hospital now it sounds straight out of

1588

00:57:42,309 --> 00:57:40,880

like a sci-fi story but actually

1589

00:57:45,270 --> 00:57:42,319

and amazingly

1590

00:57:48,069 --> 00:57:45,280

and horrifically as well isn't um a

1591

00:57:49,910 --> 00:57:48,079

number of the military people um who

1592

00:57:51,829 --> 00:57:49,920

were involved and also the doctors have

1593

00:57:53,589 --> 00:57:51,839

come forward and said you know and

1594

00:57:55,670 --> 00:57:53,599

confirm their involvement and the fact

1595

00:57:58,069 --> 00:57:55,680

that yes this was all recorded and one

1596

00:58:01,589 --> 00:57:58,079

of them was a man named arasi gomeid who

1597

00:58:03,109 --> 00:58:01,599

was one of the medics um who was in

1598

00:58:06,549 --> 00:58:03,119

in the hospital at the time and actually

1599

00:58:09,589 --> 00:58:06,559

got to see um bilgo as he just literally

1600

00:58:11,589 --> 00:58:09,599

kind of disintegrated and um

1601
00:58:13,910 --> 00:58:11,599
you know when you look at a story like

1602
00:58:14,870 --> 00:58:13,920
this i mean that really doesn't seem to

1603
00:58:16,630 --> 00:58:14,880
be

1604
00:58:19,349 --> 00:58:16,640
any way to view it other than just

1605
00:58:21,109 --> 00:58:19,359
downright deliberate hostility for the

1606
00:58:23,589 --> 00:58:21,119
sake of it you know there doesn't need

1607
00:58:24,470 --> 00:58:23,599
to be any other explanation behind it at

1608
00:58:26,150 --> 00:58:24,480
all

1609
00:58:28,630 --> 00:58:26,160
yeah that one's pretty straightforward

1610
00:58:30,230 --> 00:58:28,640
and pretty creepy but uh it did remind

1611
00:58:31,910 --> 00:58:30,240
me of something that's not mentioned

1612
00:58:33,990 --> 00:58:31,920
much anymore but i used to when i was a

1613
00:58:35,589 --> 00:58:34,000

kid hear stories of spontaneous human

1614

00:58:37,670 --> 00:58:35,599

combustion where people are found in

1615

00:58:39,750 --> 00:58:37,680

just a pile of ash and that was always

1616

00:58:41,190 --> 00:58:39,760

like super terrifying to me i'm like why

1617

00:58:43,589 --> 00:58:41,200

even put my seatbelt on when i could

1618

00:58:44,710 --> 00:58:43,599

just explode at any minute

1619

00:58:46,069 --> 00:58:44,720

well actually it's funny if you bring

1620

00:58:48,950 --> 00:58:46,079

that up i mean i don't mention that

1621

00:58:50,950 --> 00:58:48,960

subject in the book but um there was

1622

00:58:54,789 --> 00:58:50,960

actually a large fbi file on a woman

1623

00:58:56,870 --> 00:58:54,799

named mary hardy reese who died of shc

1624

00:58:59,030 --> 00:58:56,880

in the early 50s

1625

00:59:01,109 --> 00:58:59,040

and that file has been declassified by

1626
00:59:03,510 --> 00:59:01,119
the fbi it's i think it's about 200

1627
00:59:05,750 --> 00:59:03,520
pages long or 150 pages long and it's

1628
00:59:08,069 --> 00:59:05,760
just sort of filled with the autopsy

1629
00:59:10,230 --> 00:59:08,079
report and newspaper clippings and

1630
00:59:12,630 --> 00:59:10,240
theories where members of the public had

1631
00:59:13,990 --> 00:59:12,640
written to the to jaguar and you know

1632
00:59:15,910 --> 00:59:14,000
come up with theories as to how it could

1633
00:59:18,470 --> 00:59:15,920
have happened it's sort of fascinating

1634
00:59:21,910 --> 00:59:18,480
almost like an early x-file uh like a

1635
00:59:24,150 --> 00:59:21,920
real x-file created by the fbi to

1636
00:59:26,150 --> 00:59:24,160
to study this woman who reportedly died

1637
00:59:27,829 --> 00:59:26,160
of spontaneous combustion

1638
00:59:29,750 --> 00:59:27,839

yeah wow

1639

00:59:31,430 --> 00:59:29,760

i don't hear much about that anymore but

1640

00:59:33,190 --> 00:59:31,440

there definitely were some weird stories

1641

00:59:36,309 --> 00:59:33,200

back in the day

1642

00:59:38,710 --> 00:59:36,319

another great ufo story that you have in

1643

00:59:41,349 --> 00:59:38,720

uh for nobody's eyes only because it

1644

00:59:44,150 --> 00:59:41,359

does involve some missing documents is

1645

00:59:46,789 --> 00:59:44,160

the ufo encounter over an iranian base

1646

00:59:49,510 --> 00:59:46,799

in 1976 i believe some interesting

1647

00:59:53,349 --> 00:59:49,520

details to that encounter aren't there

1648

00:59:57,349 --> 00:59:53,359

yeah the case itself alone is important

1649

00:59:59,030 --> 00:59:57,359

because it involves um a military pilot

1650

01:00:00,710 --> 00:59:59,040

chasing a ufo

1651
01:00:03,829 --> 01:00:00,720
and so

1652
01:00:05,430 --> 01:00:03,839
missing falls on its own alone is

1653
01:00:07,750 --> 01:00:05,440
profound enough but you know when you've

1654
01:00:09,270 --> 01:00:07,760
got something where almost like a dog

1655
01:00:11,589 --> 01:00:09,280
fight or i would say almost when a

1656
01:00:13,589 --> 01:00:11,599
literal dogfight sort of occurring in

1657
01:00:15,109 --> 01:00:13,599
the sky then and the father's going to

1658
01:00:17,670 --> 01:00:15,119
miss me in that situation that's even

1659
01:00:20,789 --> 01:00:17,680
more profound but this actually occurred

1660
01:00:24,390 --> 01:00:20,799
on september the 19th 1976

1661
01:00:26,150 --> 01:00:24,400
and iraq involved the iranian air force

1662
01:00:28,870 --> 01:00:26,160
and an event that occurred in iranian

1663
01:00:30,230 --> 01:00:28,880

airspace now this actually occurred when

1664

01:00:32,630 --> 01:00:30,240

we were on

1665

01:00:34,630 --> 01:00:32,640

i won't say you know friendly terms with

1666

01:00:37,670 --> 01:00:34,640

the iranians but certainly on cordial

1667

01:00:39,270 --> 01:00:37,680

terms with them to the extent that um

1668

01:00:42,150 --> 01:00:39,280

a large amount of

1669

01:00:43,270 --> 01:00:42,160

mcdonald douglas phantom f4 aircraft was

1670

01:00:46,710 --> 01:00:43,280

sold

1671

01:00:47,910 --> 01:00:46,720

by the us to the iranians um and so

1672

01:00:50,789 --> 01:00:47,920

that's what the iranians were flying

1673

01:00:53,349 --> 01:00:50,799

back then they were flying um us phantom

1674

01:00:54,829 --> 01:00:53,359

aircraft and on the night of september

1675

01:00:58,230 --> 01:00:54,839

the 19th

1676

01:00:59,829 --> 01:00:58,240

1976 we had this incident where

1677

01:01:02,470 --> 01:00:59,839

uh pilots one of these particular

1678

01:01:03,589 --> 01:01:02,480

aircraft reported seeing a bright light

1679

01:01:05,750 --> 01:01:03,599

in the sky

1680

01:01:07,670 --> 01:01:05,760

very almost sort of dazzlingly bright

1681

01:01:09,349 --> 01:01:07,680

couldn't actually sort of make a shape

1682

01:01:11,910 --> 01:01:09,359

out of it you know like a disc or a

1683

01:01:13,430 --> 01:01:11,920

globe or whatever but it clearly was no

1684

01:01:17,190 --> 01:01:13,440

normal object because the light

1685

01:01:19,990 --> 01:01:17,200

configuration alone told him that so he

1686

01:01:20,950 --> 01:01:20,000

uh attempted an interception of it

1687

01:01:23,990 --> 01:01:20,960

and

1688

01:01:26,710 --> 01:01:24,000

also um armed his weapon system ready

1689

01:01:29,349 --> 01:01:26,720

just in case he needed it as the pilot

1690

01:01:32,309 --> 01:01:29,359

got closer to it um

1691

01:01:33,990 --> 01:01:32,319

he's he actually uh

1692

01:01:36,069 --> 01:01:34,000

what what basically happened was he

1693

01:01:37,670 --> 01:01:36,079

treat the stories that he was gonna fire

1694

01:01:39,510 --> 01:01:37,680

on the objects there's actually a room

1695

01:01:41,589 --> 01:01:39,520

he may have fired on it but most people

1696

01:01:43,190 --> 01:01:41,599

take the view that he was thinking about

1697

01:01:45,589 --> 01:01:43,200

it but actually didn't

1698

01:01:47,190 --> 01:01:45,599

um but that

1699

01:01:49,349 --> 01:01:47,200

possibility or that scenario was

1700

01:01:52,470 --> 01:01:49,359

supposedly taken out of his hands when

1701
01:01:54,549 --> 01:01:52,480
the entire weapon system was disabled

1702
01:01:56,309 --> 01:01:54,559
by whatever this object was it seemed to

1703
01:01:58,150 --> 01:01:56,319
have the ability to

1704
01:02:00,950 --> 01:01:58,160
not sort of you know have the object

1705
01:02:03,910 --> 01:02:00,960
just drop out the sky by wiping out its

1706
01:02:06,069 --> 01:02:03,920
entire system but just focusing on the

1707
01:02:07,670 --> 01:02:06,079
weapon system so it was just essentially

1708
01:02:08,630 --> 01:02:07,680
rendered harmless

1709
01:02:12,710 --> 01:02:08,640
and

1710
01:02:14,870 --> 01:02:12,720
game that went on in the skies for quite

1711
01:02:17,510 --> 01:02:14,880
a while and finally the object shut away

1712
01:02:19,910 --> 01:02:17,520
at high speed not interesting enough to

1713
01:02:22,230 --> 01:02:19,920

into the skies but reportedly to the

1714

01:02:24,230 --> 01:02:22,240

ground and there were stories about this

1715

01:02:26,150 --> 01:02:24,240

object being seen lit up on the ground

1716

01:02:27,829 --> 01:02:26,160

and the next day the military going the

1717

01:02:29,430 --> 01:02:27,839

iranian military going out but not

1718

01:02:31,109 --> 01:02:29,440

finding anything or at least that's the

1719

01:02:33,589 --> 01:02:31,119

official story

1720

01:02:36,710 --> 01:02:33,599

so you know we have this sort of bizarre

1721

01:02:38,390 --> 01:02:36,720

incredible case involving a dog fight

1722

01:02:41,349 --> 01:02:38,400

between a ufo

1723

01:02:45,270 --> 01:02:41,359

and um an iranian

1724

01:02:46,470 --> 01:02:45,280

pilot which ended in almost death for

1725

01:02:48,710 --> 01:02:46,480

the pilot

1726

01:02:51,190 --> 01:02:48,720

and certainly disabling of his entire

1727

01:02:53,270 --> 01:02:51,200

weapon system and of course something

1728

01:02:56,069 --> 01:02:53,280

like that it's hardly surprising that

1729

01:02:58,870 --> 01:02:56,079

official files would be put together and

1730

01:03:00,470 --> 01:02:58,880

we do have two documents in the public

1731

01:03:02,470 --> 01:03:00,480

domain that have both surfaced through

1732

01:03:04,870 --> 01:03:02,480

the freedom of information act

1733

01:03:07,109 --> 01:03:04,880

and they're essentially summaries of the

1734

01:03:09,430 --> 01:03:07,119

case which i'll just sort of describe to

1735

01:03:11,750 --> 01:03:09,440

you though through intelligence channels

1736

01:03:13,990 --> 01:03:11,760

um you intel us intelligence agencies

1737

01:03:17,510 --> 01:03:14,000

were able to put together a degree of

1738

01:03:20,230 --> 01:03:17,520

the picture of what happened however um

1739

01:03:23,430 --> 01:03:20,240

two researchers barry greenwood and

1740

01:03:27,270 --> 01:03:23,440

larry fawcett they spent a lot of time

1741

01:03:29,510 --> 01:03:27,280

and man hours digging into the case and

1742

01:03:31,829 --> 01:03:29,520

putting together freedom of information

1743

01:03:33,510 --> 01:03:31,839

requests and essentially firing requests

1744

01:03:34,309 --> 01:03:33,520

off to just about every agency under the

1745

01:03:36,630 --> 01:03:34,319

sun

1746

01:03:38,789 --> 01:03:36,640

for files on it now although they didn't

1747

01:03:40,309 --> 01:03:38,799

get any files other than these two which

1748

01:03:42,069 --> 01:03:40,319

amounts about eight or nine pages

1749

01:03:44,069 --> 01:03:42,079

altogether

1750

01:03:45,270 --> 01:03:44,079

they did sort of attract somebody's

1751

01:03:46,150 --> 01:03:45,280

attention

1752

01:03:49,109 --> 01:03:46,160

and

1753

01:03:50,549 --> 01:03:49,119

they um were contacted by people within

1754

01:03:51,910 --> 01:03:50,559

government who said yeah there is more

1755

01:03:54,630 --> 01:03:51,920

to this story but you're not going to

1756

01:03:56,390 --> 01:03:54,640

get the files and they mentioned to it

1757

01:03:58,710 --> 01:03:56,400

now supposedly one of these files was

1758

01:04:00,950 --> 01:03:58,720

like one and a half inches thick like a

1759

01:04:03,430 --> 01:04:00,960

gigantic file that clearly must have

1760

01:04:05,829 --> 01:04:03,440

told the whole story and probably more

1761

01:04:09,109 --> 01:04:05,839

than we'll ever know and they tried to

1762

01:04:11,270 --> 01:04:09,119

get this file nobody would owe it up

1763

01:04:13,829 --> 01:04:11,280

not necessarily just own up to having a

1764

01:04:15,670 --> 01:04:13,839

copy but even that it existed

1765

01:04:17,910 --> 01:04:15,680

but fawcett and greenwood's sources were

1766

01:04:19,349 --> 01:04:17,920

saying yeah it does exist it's just

1767

01:04:20,710 --> 01:04:19,359

you're just never going to get it that's

1768

01:04:23,349 --> 01:04:20,720

it

1769

01:04:26,309 --> 01:04:23,359

yeah man and another interesting detail

1770

01:04:29,270 --> 01:04:26,319

to that ufo encounter was that to get

1771

01:04:31,670 --> 01:04:29,280

away from the pilots it actually landed

1772

01:04:34,150 --> 01:04:31,680

in the dark in the desert i guess but

1773

01:04:36,150 --> 01:04:34,160

when i had heard that that it went down

1774

01:04:37,750 --> 01:04:36,160

that way it made me tally a chalk mark

1775

01:04:40,150 --> 01:04:37,760

in the column for those who say that

1776

01:04:41,670 --> 01:04:40,160

these beans and crafts come from inside

1777

01:04:43,190 --> 01:04:41,680

the earth rather than outer space i

1778

01:04:44,630 --> 01:04:43,200

think that's a really interesting idea

1779

01:04:46,150 --> 01:04:44,640

but do you put any stock in those

1780

01:04:48,150 --> 01:04:46,160

theories at all

1781

01:04:50,069 --> 01:04:48,160

well i mean people said well there's no

1782

01:04:52,710 --> 01:04:50,079

way it could be you know like an

1783

01:04:55,270 --> 01:04:52,720

underground race but they're quite open

1784

01:04:57,349 --> 01:04:55,280

to the idea of races coming from some

1785

01:04:59,430 --> 01:04:57,359

you know millions of

1786

01:05:01,990 --> 01:04:59,440

light years away

1787

01:05:05,430 --> 01:05:02,000

you know i mean it's no more a stretch

1788

01:05:07,910 --> 01:05:05,440

of believability um but yeah i i do

1789

01:05:10,069 --> 01:05:07,920

actually think the idea of like an

1790

01:05:12,390 --> 01:05:10,079

underground race whether aliens living

1791

01:05:13,670 --> 01:05:12,400

underground or some people think the ufo

1792

01:05:15,589 --> 01:05:13,680

phenomenon

1793

01:05:17,349 --> 01:05:15,599

is actually nothing to do with aliens

1794

01:05:18,309 --> 01:05:17,359

but he's like an ancient terrestrial

1795

01:05:20,710 --> 01:05:18,319

race

1796

01:05:22,470 --> 01:05:20,720

that masquerades as aliens so they don't

1797

01:05:23,910 --> 01:05:22,480

find out who we re so we don't find out

1798

01:05:24,870 --> 01:05:23,920

who they really are

1799

01:05:26,309 --> 01:05:24,880

um

1800

01:05:28,630 --> 01:05:26,319

there are some

1801
01:05:31,510 --> 01:05:28,640
interesting theories being put forward

1802
01:05:35,270 --> 01:05:31,520
um for that scenario for example

1803
01:05:37,910 --> 01:05:35,280
you know you look at alien abductions um

1804
01:05:40,069 --> 01:05:37,920
it seems at least on the face of it that

1805
01:05:42,309 --> 01:05:40,079
the primary reason for abductions is

1806
01:05:43,270 --> 01:05:42,319
sort of genetic issues

1807
01:05:47,750 --> 01:05:43,280
where

1808
01:05:51,029 --> 01:05:47,760
you know um eggs sperm blood um dna is

1809
01:05:52,789 --> 01:05:51,039
taken and these things sort of cross

1810
01:05:53,750 --> 01:05:52,799
breed them if you like to make hybrids

1811
01:05:56,950 --> 01:05:53,760
and

1812
01:06:00,069 --> 01:05:56,960
we are expected to believe i guess that

1813
01:06:02,150 --> 01:06:00,079

um we're genetically almost compatible

1814

01:06:05,349 --> 01:06:02,160

with creatures born in

1815

01:06:07,750 --> 01:06:05,359

in a solar system 10 20 light years away

1816

01:06:09,430 --> 01:06:07,760

which kind of sounds unlikely when you

1817

01:06:11,430 --> 01:06:09,440

think of it like that but if we're

1818

01:06:14,390 --> 01:06:11,440

dealing with an ancient terrestrial race

1819

01:06:17,109 --> 01:06:14,400

which may not be homo sapien like we are

1820

01:06:19,190 --> 01:06:17,119

but maybe like an early offshoot that

1821

01:06:21,270 --> 01:06:19,200

gain technology not necessarily like

1822

01:06:23,190 --> 01:06:21,280

cro-magnon man or neanderthal but

1823

01:06:26,470 --> 01:06:23,200

something along those lines like a a

1824

01:06:29,029 --> 01:06:26,480

more advanced offshoot of us

1825

01:06:31,510 --> 01:06:29,039

um that lives underground and that

1826

01:06:33,190 --> 01:06:31,520

possibly uses us you know in the same

1827

01:06:35,670 --> 01:06:33,200

way that we perceive our aliens are

1828

01:06:37,829 --> 01:06:35,680

using us but they sort of living vast

1829

01:06:39,029 --> 01:06:37,839

caverns and caves and you know they have

1830

01:06:41,750 --> 01:06:39,039

an entire

1831

01:06:44,390 --> 01:06:41,760

underground civilization yes it does

1832

01:06:45,670 --> 01:06:44,400

sound incredible and unlikely but you

1833

01:06:47,430 --> 01:06:45,680

know as i said what's

1834

01:06:49,990 --> 01:06:47,440

what's less likely or more likely the

1835

01:06:52,630 --> 01:06:50,000

idea of aliens coming from however far

1836

01:06:54,630 --> 01:06:52,640

away and us being somehow so genetically

1837

01:06:57,750 --> 01:06:54,640

compatible and also the fact that in

1838

01:06:58,630 --> 01:06:57,760

many ufo cases you know the entities are

1839

01:07:01,190 --> 01:06:58,640

seen

1840

01:07:03,349 --> 01:07:01,200

without space suits without oxygen mask

1841

01:07:05,910 --> 01:07:03,359

or their equivalent and just walking

1842

01:07:07,190 --> 01:07:05,920

around in our air pressure you know the

1843

01:07:08,630 --> 01:07:07,200

it's kind of like if you go to the

1844

01:07:10,630 --> 01:07:08,640

bottom of the ocean

1845

01:07:11,750 --> 01:07:10,640

when you have a diver suit on your body

1846

01:07:13,670 --> 01:07:11,760

you'll die you know because they're

1847

01:07:16,630 --> 01:07:13,680

different in pressures and yet these

1848

01:07:17,910 --> 01:07:16,640

things seem perfectly functional in

1849

01:07:20,390 --> 01:07:17,920

our world

1850

01:07:21,910 --> 01:07:20,400

that again is another reason why we

1851

01:07:23,589 --> 01:07:21,920

might take the view that

1852

01:07:25,990 --> 01:07:23,599

the reason why they cannot operate in

1853

01:07:27,430 --> 01:07:26,000

our atmosphere in our oxygen levels and

1854

01:07:28,870 --> 01:07:27,440

in our pressure

1855

01:07:30,390 --> 01:07:28,880

is because

1856

01:07:32,470 --> 01:07:30,400

beth rob here

1857

01:07:33,990 --> 01:07:32,480

a friend of mine uh the like mactones

1858

01:07:36,150 --> 01:07:34,000

wrote a book on this called the crypto

1859

01:07:38,549 --> 01:07:36,160

terrestrials and uh and although it was

1860

01:07:40,549 --> 01:07:38,559

sort of very speculative mac did make a

1861

01:07:41,670 --> 01:07:40,559

lot of good points along these lines as

1862

01:07:44,150 --> 01:07:41,680

to why

1863

01:07:46,950 --> 01:07:44,160

the whole crypto terrestrial theory at

1864

01:07:48,150 --> 01:07:46,960

the very least should be studied

1865

01:07:50,710 --> 01:07:48,160

at the same level as the

1866

01:07:52,950 --> 01:07:50,720

extraterrestrial one if you know for no

1867

01:07:54,549 --> 01:07:52,960

other reason because both of them

1868

01:07:56,470 --> 01:07:54,559

you know a controversial one if you

1869

01:07:57,589 --> 01:07:56,480

think about it is really no less valid

1870

01:07:58,870 --> 01:07:57,599

than the other

1871

01:08:01,349 --> 01:07:58,880

yeah i mean the point you made about

1872

01:08:03,029 --> 01:08:01,359

compatibility of the biology it makes

1873

01:08:05,190 --> 01:08:03,039

you think you know it definitely should

1874

01:08:07,670 --> 01:08:05,200

the only reason that the

1875

01:08:09,190 --> 01:08:07,680

idea that they're they're based here

1876

01:08:11,109 --> 01:08:09,200

sounds more weird i think is just

1877

01:08:13,349 --> 01:08:11,119

because we hear it less than the space

1878

01:08:14,549 --> 01:08:13,359

alien theory but this has been awesome i

1879

01:08:16,309 --> 01:08:14,559

mean thanks for being one of the first

1880

01:08:18,149 --> 01:08:16,319

guys to do one of these longer shows

1881

01:08:20,870 --> 01:08:18,159

with me we had a whole ton of material

1882

01:08:25,110 --> 01:08:22,630

there's so many good stories there'd

1883

01:08:26,309 --> 01:08:25,120

never be enough time but uh before i cut

1884

01:08:27,910 --> 01:08:26,319

you loose would you like to tell the

1885

01:08:29,349 --> 01:08:27,920

people about any anything more about the

1886

01:08:30,950 --> 01:08:29,359

books or where they can keep up with you

1887

01:08:32,789 --> 01:08:30,960

and your other work

1888

01:08:34,870 --> 01:08:32,799

yeah um well the books we talked about

1889

01:08:37,189 --> 01:08:34,880

tonight were for nobody's eyes only and

1890

01:08:39,430 --> 01:08:37,199

close encounters of the fatal kind

1891

01:08:40,870 --> 01:08:39,440

both available on amazon and or you can

1892

01:08:42,870 --> 01:08:40,880

walk into barnes and noble and get them

1893

01:08:43,990 --> 01:08:42,880

off the shelves there as well

1894

01:08:46,309 --> 01:08:44,000

um

1895

01:08:47,910 --> 01:08:46,319

uh people want to contact me and contact

1896

01:08:49,590 --> 01:08:47,920

me through nick redfern at facebook

1897

01:08:53,189 --> 01:08:49,600

there are few nick redfearns on facebook

1898

01:08:54,870 --> 01:08:53,199

but you'll find me um i have a blog

1899

01:08:57,149 --> 01:08:54,880

which is called world of whatever which

1900

01:09:00,110 --> 01:08:57,159

is nick redfearn40 and

1901

01:09:02,550 --> 01:09:00,120

f-o-r-t-e-a-n redfern 40 and

1902

01:09:04,309 --> 01:09:02,560

blogspot.com and um i'm actually going

1903

01:09:06,390 --> 01:09:04,319

to be talking about some of the stuff we

1904

01:09:08,229 --> 01:09:06,400

talked about tonight at a conference

1905

01:09:09,829 --> 01:09:08,239

uh called the contact in the desert

1906

01:09:12,550 --> 01:09:09,839

conference on the weekend i think it's

1907

01:09:14,630 --> 01:09:12,560

august 6th in joshua tree so i'll be

1908

01:09:17,590 --> 01:09:14,640

there for that entire weekend

1909

01:09:19,590 --> 01:09:17,600

talking about um various books and so on

1910

01:09:21,829 --> 01:09:19,600

and uh so if anybody's coming out say

1911

01:09:23,349 --> 01:09:21,839

hello very cool yeah i

1912

01:09:24,390 --> 01:09:23,359

i forgot you were going to be a contact

1913

01:09:26,550 --> 01:09:24,400

in the desert i'm actually going to be

1914

01:09:28,789 --> 01:09:26,560

there myself but i'm just uh taking my

1915

01:09:30,709 --> 01:09:28,799

dad out for a good time so he can hear

1916

01:09:32,309 --> 01:09:30,719

some of these crazy speakers so i'm

1917

01:09:33,990 --> 01:09:32,319

going to be there in kind of a not a

1918

01:09:35,110 --> 01:09:34,000

professional sense but i'll stop by and

1919

01:09:36,390 --> 01:09:35,120

say hey

1920

01:09:38,550 --> 01:09:36,400

yeah well i have to get a conference

1921

01:09:41,430 --> 01:09:38,560

it's just a good time anyway yeah yeah

1922

01:09:43,030 --> 01:09:41,440

of course so well very cool thanks again

1923

01:09:44,309 --> 01:09:43,040

be careful out there digging up these

1924

01:09:45,910 --> 01:09:44,319

documents you got to take care of

1925

01:09:46,829 --> 01:09:45,920

yourself all right man

1926

01:09:47,990 --> 01:09:46,839

thanks

1927

01:09:50,390 --> 01:09:48,000

man later

1928

01:09:52,070 --> 01:09:50,400

there we have it people and man was it

1929

01:09:54,310 --> 01:09:52,080

great to be able to do an extended

1930

01:09:56,470 --> 01:09:54,320

two-hour show if you enjoyed the first

1931

01:09:59,430 --> 01:09:56,480

hour please sign up for the two-hour

1932

01:10:01,830 --> 01:09:59,440

show at thehiresidechatsplus.com

1933

01:10:03,750 --> 01:10:01,840

it's just five bucks a month for five

1934

01:10:06,149 --> 01:10:03,760

two hour shows with great guests like

1935

01:10:08,870 --> 01:10:06,159

nick in this week's second hour we went

1936

01:10:10,870 --> 01:10:08,880

on to discuss alien viruses associated

1937

01:10:12,870 --> 01:10:10,880

with the roswell wreckage aleister

1938

01:10:15,189 --> 01:10:12,880

crowley working for british intelligence

1939

01:10:17,750 --> 01:10:15,199

the huge strange string of scientist

1940

01:10:20,310 --> 01:10:17,760

deaths working on secret technology the

1941

01:10:21,910 --> 01:10:20,320

cia's operation often to explore

1942

01:10:24,149 --> 01:10:21,920

witchcraft which might have had a

1943

01:10:26,149 --> 01:10:24,159

presence in the death of princess diana

1944

01:10:27,990 --> 01:10:26,159

lots of weird great stuff we wouldn't

1945

01:10:30,310 --> 01:10:28,000

have even had time for in the past but

1946

01:10:31,590 --> 01:10:30,320

now for the hardcore fans it's there for

1947

01:10:34,630 --> 01:10:31,600

people who want to hear it and i've

1948

01:10:36,470 --> 01:10:34,640

recorded three plus shows so far and it

1949

01:10:38,070 --> 01:10:36,480

is a lot more work for me but if it's

1950

01:10:39,590 --> 01:10:38,080

gonna pay the bills eventually and i'm

1951

01:10:41,910 --> 01:10:39,600

not stressing over what the next money

1952

01:10:43,830 --> 01:10:41,920

bombs gonna be i think we're all happier

1953

01:10:45,510 --> 01:10:43,840

for it my parents feel a little bit

1954

01:10:47,350 --> 01:10:45,520

better about where my life might be

1955

01:10:48,870 --> 01:10:47,360

going my girlfriend isn't quite as

1956

01:10:50,149 --> 01:10:48,880

worried about if she fell in love and

1957

01:10:52,149 --> 01:10:50,159

partnered up with someone who's just

1958

01:10:53,990 --> 01:10:52,159

going to be broke all the time and i

1959

01:10:55,590 --> 01:10:54,000

might even be able to get some insurance

1960

01:10:57,669 --> 01:10:55,600

in the future who knows i don't want to

1961

01:10:59,270 --> 01:10:57,679

get too ahead of myself here but if you

1962

01:11:01,030 --> 01:10:59,280

do like the show

1963

01:11:02,910 --> 01:11:01,040

please sign up and again if you're a

1964

01:11:04,550 --> 01:11:02,920

musician please check out the

1965

01:11:07,669 --> 01:11:04,560

highersidechats.com

1966

01:11:09,669 --> 01:11:07,679

music to join the archive you can also

1967

01:11:12,750 --> 01:11:09,679

send your music to

1968

01:11:14,950 --> 01:11:12,760

my music on thc

1969

01:11:17,189 --> 01:11:14,960

gmail.com i'm going to make a big

1970

01:11:18,709 --> 01:11:17,199

archive of all the people that are

1971

01:11:20,870 --> 01:11:18,719

willing to share their music with the

1972

01:11:23,110 --> 01:11:20,880

show because that is something that us

1973

01:11:25,590 --> 01:11:23,120

independent producers and content

1974

01:11:28,310 --> 01:11:25,600

creators have to struggle with because

1975

01:11:29,910 --> 01:11:28,320

the big boys have created a barrier of

1976

01:11:33,110 --> 01:11:29,920

entry because clearly none of us are

1977

01:11:36,709 --> 01:11:33,120

able to afford the music that is popular

1978

01:11:39,110 --> 01:11:36,719

that everybody knows and this puts a cap

1979

01:11:40,390 --> 01:11:39,120

on the quality of a lot of independent

1980

01:11:42,790 --> 01:11:40,400

people's productions because we don't

1981

01:11:45,110 --> 01:11:42,800

have the same tools even though we have

1982

01:11:46,229 --> 01:11:45,120

just as much drive and creative

1983

01:11:48,550 --> 01:11:46,239

integrity

1984

01:11:50,790 --> 01:11:48,560

so for independent artists that are in

1985

01:11:53,030 --> 01:11:50,800

the musical area i figured we might be

1986

01:11:56,790 --> 01:11:53,040

able to collaborate and you can share

1987

01:11:57,910 --> 01:11:56,800

your music with us the podcasters and we

1988

01:12:01,110 --> 01:11:57,920

can

1989

01:12:03,030 --> 01:12:01,120

play your music as bumpers to flush out

1990

01:12:04,790 --> 01:12:03,040

our shows but also to give you a little

1991

01:12:07,669 --> 01:12:04,800

recognition as well

1992

01:12:10,390 --> 01:12:07,679

and propel you to a national global

1993

01:12:12,070 --> 01:12:10,400

stage and it doesn't cost anything so i

1994

01:12:14,630 --> 01:12:12,080

think this is going to be a great system

1995

01:12:16,950 --> 01:12:14,640

for everyone and i am really planning to

1996

01:12:19,350 --> 01:12:16,960

open this up to other podcasters maybe

1997

01:12:22,149 --> 01:12:19,360

make a big podcast musical

1998

01:12:25,030 --> 01:12:22,159

archive that everyone can use so either

1999

01:12:27,030 --> 01:12:25,040

way check it out and next week we have

2000

01:12:29,030 --> 01:12:27,040

an awesome guest that several people

2001
01:12:31,270 --> 01:12:29,040
have asked me to get and i know you're

2002
01:12:34,229 --> 01:12:31,280
gonna love it but i like to keep these

2003
01:12:35,750 --> 01:12:34,239
things a surprise so just be ready and

2004
01:12:38,229 --> 01:12:35,760
thanks again to those who have signed up

2005
01:12:39,990 --> 01:12:38,239
for plus i can't say it enough the few

2006
01:12:41,430 --> 01:12:40,000
people who have are already really

2007
01:12:42,790 --> 01:12:41,440
making a difference in my life and i

2008
01:12:44,870 --> 01:12:42,800
hope to make a difference in yours

2009
01:12:47,510 --> 01:12:44,880
somehow through these shows you are all

2010
01:12:50,070 --> 01:12:47,520
the best enjoy your day i've done my

2011
