

Tracy Twyman

**Communing With
The Demon Masters
Of The Elite
& The Plan To Open
The Gates Of Hell**

BROUGHT TO YOU BY:

onspiraTees.net

1
00:00:04,100 --> 00:00:02,180
hey what's up Craig it's Kevin Megan's

2
00:00:07,460 --> 00:00:04,110
all the way from Holland just wanna let

3
00:00:09,589 --> 00:00:07,470
you know I just subscribe to tha plush

4
00:00:11,690 --> 00:00:09,599
like literally five minutes ago the

5
00:00:46,439 --> 00:00:11,700
reason being is love what you're doing

6
00:00:50,890 --> 00:00:49,149
holy hell higher side shatters it is a

7
00:00:52,900 --> 00:00:50,900
beautiful day in the neighborhood just

8
00:00:54,939 --> 00:00:52,910
drinking a little drink smoking a little

9
00:00:57,310 --> 00:00:54,949
smoke here in sunny San Diego i'm greg

10
00:00:59,110 --> 00:00:57,320
carl wood and i love this episode

11
00:01:00,880 --> 00:00:59,120
because as a guy who's been digging

12
00:01:02,410 --> 00:01:00,890
around the depths of the conspiracy and

13
00:01:04,320 --> 00:01:02,420

paranormal world for a while now

14

00:01:06,609 --> 00:01:04,330

sometimes things that used to be

15

00:01:09,100 --> 00:01:06,619

sensational can start to get a bit

16

00:01:10,990 --> 00:01:09,110

mundane but there's still a few waves

17

00:01:13,090 --> 00:01:11,000

left on the conspiracy ocean that rock

18

00:01:15,249 --> 00:01:13,100

my boat and one of them is the idea that

19

00:01:18,070 --> 00:01:15,259

at the top of these fraternal orders and

20

00:01:21,219 --> 00:01:18,080

secret societies they're worshipping or

21

00:01:23,680 --> 00:01:21,229

communing or taking orders from some

22

00:01:27,490 --> 00:01:23,690

type of non-human intelligence call them

23

00:01:29,800 --> 00:01:27,500

entities or aliens or demons I'm not

24

00:01:31,570 --> 00:01:29,810

sure what it is and I'm really not that

25

00:01:33,699 --> 00:01:31,580

comfortable with a lot of the religious

26

00:01:36,070 --> 00:01:33,709

context but I still think if you set

27

00:01:38,979 --> 00:01:36,080

that aside you will see something very

28

00:01:41,260 --> 00:01:38,989

dark and otherworldly going on look at

29

00:01:43,900 --> 00:01:41,270

the rituals of Moloch at Bohemian Grove

30

00:01:45,850 --> 00:01:43,910

the stories of child sacrifice the

31

00:01:47,830 --> 00:01:45,860

altars in the basement of record studios

32

00:01:49,749 --> 00:01:47,840

the professor Griff confirmed for us a

33

00:01:51,729 --> 00:01:49,759

few months back something's going on

34

00:01:54,010 --> 00:01:51,739

there and because I don't personally

35

00:01:55,979 --> 00:01:54,020

understand it I have dismissed a lot of

36

00:01:58,690 --> 00:01:55,989

those rituals and hooded meetings as

37

00:02:01,660 --> 00:01:58,700

something the elite do out of tradition

38

00:02:03,669 --> 00:02:01,670

or superstition but would they really

39

00:02:05,859 --> 00:02:03,679

keep it up if they weren't getting some

40

00:02:07,690 --> 00:02:05,869

results maybe they're making the

41

00:02:09,249 --> 00:02:07,700

proverbial deal with the devil maybe the

42

00:02:11,410 --> 00:02:09,259

reason the capstone with the all-seeing

43

00:02:13,479 --> 00:02:11,420

eye is lifted off the pyramid is because

44

00:02:15,880 --> 00:02:13,489

the top layer isn't in this realm

45

00:02:18,010 --> 00:02:15,890

maybe the elite are so focused on life

46

00:02:20,500 --> 00:02:18,020

extension and transhumanism that they

47

00:02:22,300 --> 00:02:20,510

can advance away from draining the blood

48

00:02:23,949 --> 00:02:22,310

of children to prolong their life and

49

00:02:25,570 --> 00:02:23,959

just straight-up transfer their minds

50

00:02:27,459 --> 00:02:25,580

into the machine so they never have to

51
00:02:29,589 --> 00:02:27,469
pay the piper or for the Christian folks

52
00:02:31,690 --> 00:02:29,599
they never have to face God's judgment

53
00:02:32,620 --> 00:02:31,700
or for the New Agers they won't have to

54
00:02:34,480 --> 00:02:32,630
endure their car

55
00:02:35,890 --> 00:02:34,490
well however you want to say it I guess

56
00:02:37,450 --> 00:02:35,900
I just mean that there's a lot of

57
00:02:39,040 --> 00:02:37,460
cultures to talk about these types of

58
00:02:41,400 --> 00:02:39,050
things and maybe that's for a reason

59
00:02:43,810 --> 00:02:41,410
because maybe there are powerful

60
00:02:45,970 --> 00:02:43,820
manipulative entities just beyond the

61
00:02:47,920 --> 00:02:45,980
veil of reality and maybe there is some

62
00:02:49,840 --> 00:02:47,930
great cosmic power struggle going on

63
00:02:51,610 --> 00:02:49,850

where our shadowy puppet masters are

64

00:02:52,990 --> 00:02:51,620

really just puppets themselves to the

65

00:02:56,110 --> 00:02:53,000

bloodthirsty demons of the underworld

66

00:02:58,120 --> 00:02:56,120

realm aching for release coaxing

67

00:03:00,340 --> 00:02:58,130

presidents and kings and Pharaohs and

68

00:03:02,410 --> 00:03:00,350

Templars and Mason's and Satanists to

69

00:03:04,660 --> 00:03:02,420

open up the gates of Hell or say

70

00:03:06,790 --> 00:03:04,670

Beetlejuice Beetlejuice Beetlejuice I

71

00:03:09,040 --> 00:03:06,800

don't claim to know and it's seeming

72

00:03:10,210 --> 00:03:09,050

pretty ignorant to dismiss anything in

73

00:03:12,190 --> 00:03:10,220

this weird world anymore

74

00:03:13,570 --> 00:03:12,200

but today's guest was curious to get

75

00:03:15,730 --> 00:03:13,580

some of these answers to these questions

76

00:03:17,140 --> 00:03:15,740

herself so she decided to get it

77

00:03:19,510 --> 00:03:17,150

straight from the horse's mouth or

78

00:03:21,700 --> 00:03:19,520

should I say the goat because she spent

79

00:03:23,800 --> 00:03:21,710

13 years trying to contact these cosmic

80

00:03:26,440 --> 00:03:23,810

string pullers of the elite particularly

81

00:03:28,660 --> 00:03:26,450

the infamous Baphomet himself and the

82

00:03:30,700 --> 00:03:28,670

results were really really interesting

83

00:03:32,680 --> 00:03:30,710

but I think this is going to be a Lovat

84

00:03:34,720 --> 00:03:32,690

hated or be deathly afraid of a type of

85

00:03:36,400 --> 00:03:34,730

episode and let's just get down to it

86

00:03:38,530 --> 00:03:36,410

this is not the show that I had really

87

00:03:40,750 --> 00:03:38,540

prepared for but once we went down this

88

00:03:43,300 --> 00:03:40,760

path I thought screw it let's go down as

89

00:03:44,860 --> 00:03:43,310

far as we can so here we go people pack

90

00:03:46,240 --> 00:03:44,870

your glass and park your ass and let's

91

00:03:48,910 --> 00:03:46,250

see where this goes with the great

92

00:03:50,090 --> 00:03:48,920

author and researcher Tracy Twyman on

93

00:03:51,580 --> 00:03:50,100

the other side

94

00:03:55,350 --> 00:03:51,590

no pun intended

95

00:03:59,920 --> 00:03:55,360

when I find myself at times of trouble

96

00:04:04,600 --> 00:03:59,930

mr. car would comes to me speaking words

97

00:04:06,530 --> 00:04:04,610

of wisdom THC

98

00:04:09,850 --> 00:04:06,540

da

99

00:04:15,430 --> 00:04:09,860

see th see

100

00:04:17,840 --> 00:04:15,440

see speaking words of wisdom

101
00:04:20,490 --> 00:04:17,850
HC

102
00:04:22,710 --> 00:04:20,500
folks we know we've been sold a boring

103
00:04:24,510 --> 00:04:22,720
rigid worker be life we're magic and

104
00:04:26,730 --> 00:04:24,520
otherworldly entities are best left to

105
00:04:28,560 --> 00:04:26,740
Hollywood but yet we see many events

106
00:04:30,030 --> 00:04:28,570
symbols and cryptic quotes over the

107
00:04:32,070 --> 00:04:30,040
years that lead one to believe that the

108
00:04:33,930 --> 00:04:32,080
global elite operate in a reality far

109
00:04:36,060 --> 00:04:33,940
weirder than the one they've prepackaged

110
00:04:38,400 --> 00:04:36,070
for us a reality that considers magic

111
00:04:40,440 --> 00:04:38,410
and ritual powerful tools a reality that

112
00:04:42,630 --> 00:04:40,450
value sigil making astrology and

113
00:04:44,100 --> 00:04:42,640

powerful entities beyond this plane and

114

00:04:46,260 --> 00:04:44,110

today's guest has been tracking these

115

00:04:48,090 --> 00:04:46,270

occult moments in history and as carried

116

00:04:50,250 --> 00:04:48,100

out Nisa Taric journey of her own for

117

00:04:51,750 --> 00:04:50,260

many years her name is Tracey Twyman

118

00:04:54,060 --> 00:04:51,760

author of several books that deal with

119

00:04:56,850 --> 00:04:54,070

magic in the occult and approach history

120

00:04:59,040 --> 00:04:56,860

from the esoteric perspective Tracey's

121

00:05:01,050 --> 00:04:59,050

also pioneered what she calls Alcon

122

00:05:03,120 --> 00:05:01,060

omics the study of the relationship

123

00:05:04,860 --> 00:05:03,130

between alchemy economics and the

124

00:05:06,659 --> 00:05:04,870

evolution of money which can be read

125

00:05:08,490 --> 00:05:06,669

about and her older book money grows on

126
00:05:10,770 --> 00:05:08,500
the tree of knowledge as well as some

127
00:05:13,230 --> 00:05:10,780
previous writings ooh but her newest

128
00:05:15,000 --> 00:05:13,240
book clock shavings describes her 13

129
00:05:16,620 --> 00:05:15,010
years of personal communication with

130
00:05:18,390 --> 00:05:16,630
several entities from the great beyond

131
00:05:20,700 --> 00:05:18,400
and the insights they have given her

132
00:05:22,590 --> 00:05:20,710
into the plans of the elite the state of

133
00:05:24,840 --> 00:05:22,600
our reality and the hidden history that

134
00:05:26,310 --> 00:05:24,850
got us here it is a wild ride I can't

135
00:05:29,159 --> 00:05:26,320
wait to take and I'm honored to have her

136
00:05:32,550 --> 00:05:29,169
here Tracey welcome to THC uh thank you

137
00:05:35,280 --> 00:05:32,560
so much oh that makes me sound so

138
00:05:36,810 --> 00:05:35,290

exciting we know how it is in these

139

00:05:39,120 --> 00:05:36,820

attention spans you got to grab them

140

00:05:40,980 --> 00:05:39,130

quick but you are worthy of it thanks

141

00:05:43,140 --> 00:05:40,990

for being here this is a real treat I am

142

00:05:45,330 --> 00:05:43,150

a big fan of your work into alchemy and

143

00:05:47,159 --> 00:05:45,340

money and I'm sure we can eventually get

144

00:05:49,530 --> 00:05:47,169

into that but to start us off this new

145

00:05:51,750 --> 00:05:49,540

book clock shavings is very interesting

146

00:05:53,880 --> 00:05:51,760

because I've heard your interviews over

147

00:05:56,159 --> 00:05:53,890

the years and it's clear that you have a

148

00:05:58,980 --> 00:05:56,169

deep understanding of magic certain

149

00:06:00,810 --> 00:05:58,990

entities and invocation rituals but you

150

00:06:02,790 --> 00:06:00,820

seem to deflect a lot of the questions

151
00:06:04,320 --> 00:06:02,800
that are asked about your own personal

152
00:06:06,719 --> 00:06:04,330
experiences didn't really want to talk

153
00:06:09,300 --> 00:06:06,729
about that journey a whole lot but now

154
00:06:11,340 --> 00:06:09,310
you have laid it all out there and man

155
00:06:13,560 --> 00:06:11,350
does it include some far-out stuff I've

156
00:06:15,750 --> 00:06:13,570
read several excerpts from it it is very

157
00:06:18,690 --> 00:06:15,760
interesting but to start us out I guess

158
00:06:21,180 --> 00:06:18,700
I would ask you know what was it that

159
00:06:23,280 --> 00:06:21,190
got you to start taking this spirit

160
00:06:25,440 --> 00:06:23,290
entity communication stuff more

161
00:06:27,779 --> 00:06:25,450
seriously in a culture that at least on

162
00:06:30,540 --> 00:06:27,789
the surface really writes it off is

163
00:06:31,140 --> 00:06:30,550

largely silliness well you know actually

164

00:06:32,460 --> 00:06:31,150

it would just

165

00:06:34,320 --> 00:06:32,470

be the fact that it worked the first

166

00:06:36,180 --> 00:06:34,330

time the first time I worked you know

167

00:06:38,790 --> 00:06:36,190

that intrigued me and it was pretty much

168

00:06:41,190 --> 00:06:38,800

impossible to leave the subject alone

169

00:06:43,410 --> 00:06:41,200

from that point so yeah yeah it's just

170

00:06:45,000 --> 00:06:43,420

personal experience I guess I hadn't

171

00:06:45,570 --> 00:06:45,010

really spent too much time thinking

172

00:06:47,790 --> 00:06:45,580

about it

173

00:06:50,880 --> 00:06:47,800

before we did it you know which is

174

00:06:52,410 --> 00:06:50,890

basically it started with my husband

175

00:06:54,510 --> 00:06:52,420

well he wasn't my husband at the time my

176

00:06:56,010 --> 00:06:54,520

husband-to-be we were you know roommates

177

00:06:58,140 --> 00:06:56,020

at the time and we were running the

178

00:07:01,500 --> 00:06:58,150

magazine dagger bears revenge together

179

00:07:03,690 --> 00:07:01,510

and we were doing some research into you

180

00:07:06,420 --> 00:07:03,700

know Holy Grail related studies priority

181

00:07:09,060 --> 00:07:06,430

of Zion things like that and morning and

182

00:07:11,250 --> 00:07:09,070

at the time you know we were one of not

183

00:07:13,530 --> 00:07:11,260

too many people really pursuing that

184

00:07:16,020 --> 00:07:13,540

subject and we were I would say you know

185

00:07:19,110 --> 00:07:16,030

among the experts on the topic at the

186

00:07:20,370 --> 00:07:19,120

time we were emerging into that field me

187

00:07:23,070 --> 00:07:20,380

and some of the other writers for the

188

00:07:24,630 --> 00:07:23,080

magazine so we really just wanted to

189

00:07:27,180 --> 00:07:24,640

know more about the subject we what and

190

00:07:29,490 --> 00:07:27,190

I think they were there I'm sure you've

191

00:07:32,490 --> 00:07:29,500

looked into that subject yourself many

192

00:07:35,520 --> 00:07:32,500

of the listeners have probably it's it's

193

00:07:37,950 --> 00:07:35,530

a very intriguing but confusing subject

194

00:07:41,220 --> 00:07:37,960

you know you can just spend years

195

00:07:43,770 --> 00:07:41,230

following trails of clues and kind of

196

00:07:46,500 --> 00:07:43,780

get dizzy after a while it all seems so

197

00:07:49,680 --> 00:07:46,510

interesting and meaningful but you know

198

00:07:51,930 --> 00:07:49,690

you don't really know where what it's

199

00:07:53,220 --> 00:07:51,940

all leading agree so it's just like

200

00:07:55,860 --> 00:07:53,230

something that can be kind of

201
00:07:57,660 --> 00:07:55,870
exasperating and at the time we just

202
00:07:59,760 --> 00:07:57,670
thought well wouldn't it be great if you

203
00:08:02,280 --> 00:07:59,770
could actually talk to one of the the

204
00:08:04,800 --> 00:08:02,290
guys that was supposedly involved with

205
00:08:06,990 --> 00:08:04,810
the Priory of Zion who was the artist

206
00:08:09,120 --> 00:08:07,000
Jean Cocteau we were looking into a lot

207
00:08:12,780 --> 00:08:09,130
of his stuff at the time we were trying

208
00:08:16,550 --> 00:08:12,790
to decode some of his paintings and

209
00:08:18,960 --> 00:08:16,560
films and writings to see if it

210
00:08:21,270 --> 00:08:18,970
pertained in any way to the Priory of

211
00:08:23,070 --> 00:08:21,280
Zion that or the mystery of

212
00:08:25,530 --> 00:08:23,080
rennes-le-chateau the story of the

213
00:08:28,020 --> 00:08:25,540

Merovingian bloodline the Grail and

214

00:08:31,020 --> 00:08:28,030

other occult subjects and we were just

215

00:08:33,030 --> 00:08:31,030

trying to find a greater insight into

216

00:08:35,310 --> 00:08:33,040

that so we decided to talk to the guy on

217

00:08:37,140 --> 00:08:35,320

the Ouija board and you know we did get

218

00:08:40,050 --> 00:08:37,150

a response right away and we talked to

219

00:08:42,120 --> 00:08:40,060

him several times but I would say we got

220

00:08:44,010 --> 00:08:42,130

a very weak response in comparison to

221

00:08:44,759 --> 00:08:44,020

what came next he basically told us that

222

00:08:46,109 --> 00:08:44,769

we if we

223

00:08:48,960 --> 00:08:46,119

really wanted to get the answers to our

224

00:08:51,629 --> 00:08:48,970

questions we had to talk to Kane Wow uh

225

00:08:53,639 --> 00:08:51,639

so um he came from the Bible

226

00:08:55,699 --> 00:08:53,649

yeah Kane of Cain and Abel right I mean

227

00:08:59,429 --> 00:08:55,709

that's a pretty powerful entity there

228

00:09:00,900 --> 00:08:59,439

you know and well I knew that from some

229

00:09:03,629 --> 00:09:00,910

of the research I had been doing and

230

00:09:07,039 --> 00:09:03,639

writing I had been doing that Cain seems

231

00:09:10,350 --> 00:09:07,049

at least according to some other

232

00:09:13,679 --> 00:09:10,360

historians basically they think that

233

00:09:15,079 --> 00:09:13,689

maybe Cain was based on a you know real

234

00:09:19,530 --> 00:09:15,089

historical figure that can be found

235

00:09:21,079 --> 00:09:19,540

certainly in the history of Mesopotamia

236

00:09:22,979 --> 00:09:21,089

but also there seemed to be

237

00:09:26,340 --> 00:09:22,989

recollections of this figure in history

238

00:09:27,479 --> 00:09:26,350

from other cultures as well that you

239

00:09:29,999 --> 00:09:27,489

know this is really one of the first

240

00:09:32,340 --> 00:09:30,009

kings and the king of an empire really

241

00:09:34,319 --> 00:09:32,350

and that it may have been basically the

242

00:09:36,359 --> 00:09:34,329

same Empire that's remembered in the

243

00:09:38,100 --> 00:09:36,369

story of Atlantis Wow

244

00:09:41,939 --> 00:09:38,110

that you know he may have been like the

245

00:09:44,220 --> 00:09:41,949

king of a very large Kingdom and very

246

00:09:46,049 --> 00:09:44,230

influential in history and then the

247

00:09:48,329 --> 00:09:46,059

story the story and the Bible is really

248

00:09:49,289 --> 00:09:48,339

just a thumbnail and a metaphor for what

249

00:09:51,449 --> 00:09:49,299

happened with Cain

250

00:09:53,879 --> 00:09:51,459

so anyway you know I knew a little bit

251
00:09:55,109 --> 00:09:53,889
about that stuff but obviously I learned

252
00:09:58,579 --> 00:09:55,119
a lot more once I started actually

253
00:10:01,650 --> 00:09:58,589
talking to Cain so but I would say that

254
00:10:04,259 --> 00:10:01,660
things really got rolling a few months

255
00:10:05,910 --> 00:10:04,269
into the conversations with Cocteau when

256
00:10:07,590 --> 00:10:05,920
we wouldn't we called up Cain instead

257
00:10:10,410 --> 00:10:07,600
and started really getting very

258
00:10:12,329 --> 00:10:10,420
interesting responses wow this is wild

259
00:10:14,249 --> 00:10:12,339
stuff and it's so awesome that you got

260
00:10:16,889 --> 00:10:14,259
that personal validation at an early

261
00:10:18,359 --> 00:10:16,899
stage because it's so key for people to

262
00:10:19,619 --> 00:10:18,369
not just write it off because when it

263
00:10:22,109 --> 00:10:19,629

comes to people's thoughts on

264

00:10:24,299 --> 00:10:22,119

communicating with entities like this I

265

00:10:26,400 --> 00:10:24,309

think the mainstream if you divided them

266

00:10:28,139 --> 00:10:26,410

up the majority would probably give no

267

00:10:30,389 --> 00:10:28,149

credibility to it think it's just

268

00:10:32,009 --> 00:10:30,399

silliness and then the second largest

269

00:10:33,480 --> 00:10:32,019

group I'd say are folks who probably

270

00:10:36,299 --> 00:10:33,490

believe it has power but are very

271

00:10:38,100 --> 00:10:36,309

fearful or superstitious about it and to

272

00:10:40,019 --> 00:10:38,110

me that's the biggest clue that it's

273

00:10:42,600 --> 00:10:40,029

something to pay attention to because it

274

00:10:44,699 --> 00:10:42,610

seems like classic propaganda you know

275

00:10:46,109 --> 00:10:44,709

first deny all existence of it and

276

00:10:47,970 --> 00:10:46,119

aggressively claim that it's just a

277

00:10:50,549 --> 00:10:47,980

bunch of nonsense but when that doesn't

278

00:10:52,679 --> 00:10:50,559

work you say oh well yes it does f power

279

00:10:54,629 --> 00:10:52,689

but stay away from it because it's all

280

00:10:56,039 --> 00:10:54,639

dangerous and evil and right there

281

00:10:58,140 --> 00:10:56,049

you've probably got 90% of the

282

00:11:00,660 --> 00:10:58,150

population to avoid it for one reason

283

00:11:02,850 --> 00:11:00,670

another doesn't really matter why but do

284

00:11:06,990 --> 00:11:02,860

you think that's kind of what happened

285

00:11:09,630 --> 00:11:07,000

over time well basically if you can talk

286

00:11:13,800 --> 00:11:09,640

to spirits from beyond you're getting

287

00:11:17,190 --> 00:11:13,810

one type of glimpse of what's going on

288

00:11:21,480 --> 00:11:17,200

beyond our visible reality here I'm

289

00:11:23,760 --> 00:11:21,490

saying that like we live very much cut

290

00:11:26,490 --> 00:11:23,770

off from the bigger picture of what's

291

00:11:28,620 --> 00:11:26,500

going on right and we're meant to it's

292

00:11:32,010 --> 00:11:28,630

clear to me that we're that we're in

293

00:11:34,110 --> 00:11:32,020

some kind of prison basically and you

294

00:11:35,910 --> 00:11:34,120

know we're being deliberately blinded

295

00:11:36,660 --> 00:11:35,920

from everything else that's really going

296

00:11:39,240 --> 00:11:36,670

on yeah

297

00:11:43,650 --> 00:11:39,250

and I've only gotten just a tiny taste

298

00:11:46,230 --> 00:11:43,660

of you know what the truth might be and

299

00:11:47,790 --> 00:11:46,240

I so basically I'm saying yeah of course

300

00:11:49,710 --> 00:11:47,800

it's taboo yeah of course they try to

301
00:11:52,260 --> 00:11:49,720
keep you away from it and who are they I

302
00:11:54,210 --> 00:11:52,270
mean I you know the government's

303
00:11:57,240 --> 00:11:54,220
throughout history the religions that

304
00:12:00,420 --> 00:11:57,250
they foster and propagate always trying

305
00:12:01,860 --> 00:12:00,430
to keep this you know the keys to the

306
00:12:03,900 --> 00:12:01,870
kingdoms of Heaven and Hell basically

307
00:12:06,840 --> 00:12:03,910
out of the hands of the general

308
00:12:09,990 --> 00:12:06,850
population yeah and you could say that's

309
00:12:13,100 --> 00:12:10,000
a you know that they're trying to

310
00:12:15,570 --> 00:12:13,110
control everybody which is true and also

311
00:12:17,580 --> 00:12:15,580
in a way what they say is right - and

312
00:12:18,900 --> 00:12:17,590
that you know it is dangerous because

313
00:12:20,250 --> 00:12:18,910

you're you don't know what you're I

314

00:12:21,780 --> 00:12:20,260

don't know what I'm getting involved in

315

00:12:23,160 --> 00:12:21,790

no one no one else does either I don't

316

00:12:24,750 --> 00:12:23,170

think how could you possibly know you're

317

00:12:26,280 --> 00:12:24,760

just like grasping you're reaching

318

00:12:27,210 --> 00:12:26,290

through the veil you're grasping around

319

00:12:29,780 --> 00:12:27,220

you don't know what's on the other side

320

00:12:33,680 --> 00:12:29,790

or what it's going to do to your hand

321

00:12:36,480 --> 00:12:33,690

reaching through so it is dangerous

322

00:12:38,880 --> 00:12:36,490

scary oh I can see why people see it

323

00:12:41,010 --> 00:12:38,890

that way you know yeah yeah I mean it is

324

00:12:42,900 --> 00:12:41,020

funny because I can get most people to

325

00:12:44,820 --> 00:12:42,910

acknowledge that most of history has

326

00:12:46,500 --> 00:12:44,830

been dominated by powerful secret

327

00:12:47,940 --> 00:12:46,510

societies and clubs and I can also

328

00:12:49,830 --> 00:12:47,950

usually get them to acknowledge that

329

00:12:51,810 --> 00:12:49,840

these groups put a lot of energy and

330

00:12:54,090 --> 00:12:51,820

symbolism and occult rituals and

331

00:12:56,970 --> 00:12:54,100

practices of these magical arts or

332

00:12:59,250 --> 00:12:56,980

secret scientists but people tend to not

333

00:13:01,560 --> 00:12:59,260

make the connection that maybe the magic

334

00:13:03,570 --> 00:13:01,570

or this communication with entities is a

335

00:13:07,380 --> 00:13:03,580

major reason why these groups have kept

336

00:13:10,440 --> 00:13:07,390

the power for so long you know well this

337

00:13:11,940 --> 00:13:10,450

is what has really been so revealing to

338

00:13:14,610 --> 00:13:11,950

me I mean the experience of

339

00:13:16,829 --> 00:13:14,620

to them myself and also seeing the

340

00:13:18,329 --> 00:13:16,839

things that they tried to get me to do

341

00:13:20,960 --> 00:13:18,339

the unit because they did try to

342

00:13:24,720 --> 00:13:20,970

persuade me to do certain things Wow and

343

00:13:28,050 --> 00:13:24,730

they you know they have a different I

344

00:13:30,600 --> 00:13:28,060

would say heretical perspective or a

345

00:13:33,060 --> 00:13:30,610

different version of almost every story

346

00:13:35,610 --> 00:13:33,070

from Scripture and it's always you know

347

00:13:37,730 --> 00:13:35,620

to portraying a different character you

348

00:13:41,100 --> 00:13:37,740

know usually the bad guy is the good guy

349

00:13:43,230 --> 00:13:41,110

you know this yeah I would think so so

350

00:13:46,769 --> 00:13:43,240

gender it's what I'm saying yeah there's

351

00:13:49,050 --> 00:13:46,779

definitely an agenda and it's really

352

00:13:50,670 --> 00:13:49,060

given me a glimpse into I think they

353

00:13:53,220 --> 00:13:50,680

deal with other people this way I think

354

00:13:54,870 --> 00:13:53,230

they deal with the people in the secret

355

00:13:56,610 --> 00:13:54,880

societies you're describing this way

356

00:13:58,350 --> 00:13:56,620

especially the leadership and I and I

357

00:14:00,060 --> 00:13:58,360

realize basically what a lot of these

358

00:14:03,540 --> 00:14:00,070

secret societies are based on which is

359

00:14:07,250 --> 00:14:03,550

yes this this communication the packs

360

00:14:09,960 --> 00:14:07,260

that people make with these entities the

361

00:14:12,960 --> 00:14:09,970

basically the whole structure of of an

362

00:14:14,670 --> 00:14:12,970

organization like say the Masons is

363

00:14:16,560 --> 00:14:14,680

probably based on something like this

364

00:14:18,750 --> 00:14:16,570

where and they're probably dealing with

365

00:14:21,720 --> 00:14:18,760

the same entity because after I was

366

00:14:23,610 --> 00:14:21,730

talking to Kane for a long time we

367

00:14:26,009 --> 00:14:23,620

eventually got referred to Baphomet and

368

00:14:27,810 --> 00:14:26,019

that's where you know we really got I

369

00:14:30,600 --> 00:14:27,820

would say even more insightful

370

00:14:33,360 --> 00:14:30,610

information about oh all sorts of things

371

00:14:36,420 --> 00:14:33,370

about history magic and that is a really

372

00:14:38,699 --> 00:14:36,430

powerful name but I'm kind of curious

373

00:14:42,030 --> 00:14:38,709

you said that this communication kind of

374

00:14:44,310 --> 00:14:42,040

intensified with each you know new being

375

00:14:46,680 --> 00:14:44,320

you that you interact with how how did

376

00:14:48,600 --> 00:14:46,690

it kind of evolve and intensify was it a

377

00:14:50,490 --> 00:14:48,610

changing of methods or was it just way

378

00:14:52,949 --> 00:14:50,500

more obvious that that a being was

379

00:14:54,420 --> 00:14:52,959

interacting with you well no it was

380

00:14:56,009 --> 00:14:54,430

obvious the whole time that we were

381

00:14:58,259 --> 00:14:56,019

interacting with something but like

382

00:15:01,439 --> 00:14:58,269

Cocteau for instance had a very hard

383

00:15:03,449 --> 00:15:01,449

time communicating I would say most of

384

00:15:07,170 --> 00:15:03,459

what he would say is kind of nonsense

385

00:15:09,780 --> 00:15:07,180

numbers and letters then there was

386

00:15:11,400 --> 00:15:09,790

speaking in French and I didn't even

387

00:15:14,360 --> 00:15:11,410

follow a lot of it because I didn't

388

00:15:19,019 --> 00:15:14,370

388 speak French very well at the time and

389

00:15:20,490 --> 00:15:19,029

also just weakness it didn't seem weak

390

00:15:21,180 --> 00:15:20,500

in the beginning because it was my first

391

00:15:24,689 --> 00:15:21,190

experience

392

00:15:25,769 --> 00:15:24,699

but after communicating with Kane for

393

00:15:27,540 --> 00:15:25,779

instance

394

00:15:30,210 --> 00:15:27,550

I immediately notice a difference of

395

00:15:32,460 --> 00:15:30,220

yeah intensity in because you can feel

396

00:15:35,009 --> 00:15:32,470

the presence of the spirit as it's

397

00:15:37,230 --> 00:15:35,019

talking as it's moving the planchette

398

00:15:39,780 --> 00:15:37,240

around on the Ouija board you know it

399

00:15:41,249 --> 00:15:39,790

with a weak spirit that's having a hard

400

00:15:43,319 --> 00:15:41,259

time communicating and a hard time I

401
00:15:45,569 --> 00:15:43,329
guess garnishing the energy needed to

402
00:15:48,119 --> 00:15:45,579
communicate it will for one thing have a

403
00:15:49,949 --> 00:15:48,129
hard time spelling out words correctly a

404
00:15:52,860 --> 00:15:49,959
hard time saying the right thing will

405
00:15:54,960 --> 00:15:52,870
forget how to say things and then for

406
00:15:57,059 --> 00:15:54,970
another thing the planchette just

407
00:15:59,009 --> 00:15:57,069
doesn't move as quickly or as powerfully

408
00:16:02,069 --> 00:15:59,019
and when it really gets going when it's

409
00:16:03,840 --> 00:16:02,079
very powerful it sometimes moves you

410
00:16:07,290 --> 00:16:03,850
know scoots out from under your fingers

411
00:16:09,269 --> 00:16:07,300
even they move so quickly that you can't

412
00:16:11,160 --> 00:16:09,279
follow what it's saying you have to have

413
00:16:12,600 --> 00:16:11,170

someone else writing down the words the

414

00:16:14,759 --> 00:16:12,610

letters as they're being spelled and

415

00:16:17,639 --> 00:16:14,769

ideally this is what we ended up doing

416

00:16:19,619 --> 00:16:17,649

it videotaping just so that we can go

417

00:16:22,319 --> 00:16:19,629

back and get an accurate transcript Wow

418

00:16:23,970 --> 00:16:22,329

and you know so you you'd be getting

419

00:16:25,619 --> 00:16:23,980

these messages and there's no way that

420

00:16:28,559 --> 00:16:25,629

you or any of the other people could be

421

00:16:31,470 --> 00:16:28,569

projecting it it's not coming from your

422

00:16:33,299 --> 00:16:31,480

subconscious or anything because I don't

423

00:16:35,100 --> 00:16:33,309

have any of that information and there

424

00:16:36,689 --> 00:16:35,110

was some really complicated stuff that I

425

00:16:39,449 --> 00:16:36,699

couldn't have possibly known no one else

426
00:16:42,240 --> 00:16:39,459
there knew I don't have the imagination

427
00:16:44,749 --> 00:16:42,250
to come up with that I'm not that poetic

428
00:16:46,860 --> 00:16:44,759
as some of the things they said and

429
00:16:49,769 --> 00:16:46,870
furthermore it's just moving so fast

430
00:16:51,840 --> 00:16:49,779
that your mind can't spell out words

431
00:16:53,879 --> 00:16:51,850
that quickly and a lot of times they'll

432
00:16:55,860 --> 00:16:53,889
misspell things and then they'll go back

433
00:16:58,710 --> 00:16:55,870
and correct themselves do so interesting

434
00:17:00,960 --> 00:16:58,720
let's let's talk about the Ouija board a

435
00:17:02,249 --> 00:17:00,970
bit because I think for some people this

436
00:17:04,620 --> 00:17:02,259
is a red flag

437
00:17:06,210 --> 00:17:04,630
even people who believe in a cult

438
00:17:08,309 --> 00:17:06,220

communication I mean I hear a lot of

439

00:17:11,189 --> 00:17:08,319

people say that they doubt the Ouija

440

00:17:12,569 --> 00:17:11,199

board in particular and I think part of

441

00:17:15,000 --> 00:17:12,579

the reason in that up for that is

442

00:17:16,710 --> 00:17:15,010

because it's made by a giant toy making

443

00:17:18,029 --> 00:17:16,720

corporation today even though they

444

00:17:20,220 --> 00:17:18,039

didn't come up with it they only bought

445

00:17:22,529 --> 00:17:20,230

the patent from a guy who had it once

446

00:17:24,569 --> 00:17:22,539

it's out you know once he died he the

447

00:17:26,250 --> 00:17:24,579

family sold it to them but really I mean

448

00:17:28,620 --> 00:17:26,260

these powerful corporations they know

449

00:17:30,750 --> 00:17:28,630

plenty about the esoteric arts and

450

00:17:32,760 --> 00:17:30,760

anyone who examines their logos will see

451

00:17:34,889 --> 00:17:32,770

that but in terms of the Ouija board

452

00:17:37,440 --> 00:17:34,899

what might you say to someone who doubts

453

00:17:38,910 --> 00:17:37,450

the usefulness of it or the accuracy of

454

00:17:41,010 --> 00:17:38,920

it

455

00:17:43,500 --> 00:17:41,020

well I don't know what you mean by

456

00:17:45,660 --> 00:17:43,510

accuracy but as far as when you're

457

00:17:46,170 --> 00:17:45,670

trying to define divine e.message from

458

00:17:49,260 --> 00:17:46,180

beyond

459

00:17:50,520 --> 00:17:49,270

I would say it's the most accurate in

460

00:17:53,220 --> 00:17:50,530

that it'll give you a message

461

00:17:54,390 --> 00:17:53,230

you know spelled out in words that you

462

00:17:57,300 --> 00:17:54,400

can interpret you can have a whole

463

00:18:00,270 --> 00:17:57,310

conversation where as and what else can

464

00:18:02,460 --> 00:18:00,280

you do like that except channeling

465

00:18:03,960 --> 00:18:02,470

directly in which I think is even more

466

00:18:06,210 --> 00:18:03,970

dangerous because then you're actually

467

00:18:09,150 --> 00:18:06,220

kind of letting something more into you

468

00:18:10,890 --> 00:18:09,160

then then I think you are when you're

469

00:18:13,560 --> 00:18:10,900

playing with a Ouija board but not only

470

00:18:15,990 --> 00:18:13,570

that the accuracy of channeling is just

471

00:18:18,120 --> 00:18:16,000

harder I think to gauge because it's

472

00:18:20,820 --> 00:18:18,130

coming through your own mind you're

473

00:18:22,440 --> 00:18:20,830

really kind of put I think you run a

474

00:18:25,260 --> 00:18:22,450

risk of really putting things in your

475

00:18:27,570 --> 00:18:25,270

own words or interpreting editing while

476
00:18:28,800 --> 00:18:27,580
you're channeling so I think when you're

477
00:18:33,270 --> 00:18:28,810
doing the Ouija board with another

478
00:18:35,520 --> 00:18:33,280
person it really kind of objectifies the

479
00:18:37,290 --> 00:18:35,530
whole thing pulls you out of yourself a

480
00:18:41,370 --> 00:18:37,300
little bit and you just basically become

481
00:18:43,230 --> 00:18:41,380
a tool you and your partner whereby

482
00:18:46,020 --> 00:18:43,240
they're able to write out messages that

483
00:18:50,190 --> 00:18:46,030
can be very clearly read now if you're

484
00:18:53,610 --> 00:18:50,200
trying to you know interpret coffee

485
00:18:56,250 --> 00:18:53,620
grounds or in pig entrails or something

486
00:18:57,510 --> 00:18:56,260
if you're trying to read tarot cards you

487
00:19:00,450 --> 00:18:57,520
know it's much more open to

488
00:19:02,070 --> 00:19:00,460

interpretation and also just vague I

489

00:19:06,000 --> 00:19:02,080

mean what you can't get very specific

490

00:19:07,380 --> 00:19:06,010

answers to specific questions so I just

491

00:19:09,900 --> 00:19:07,390

think if you want to actually talk to

492

00:19:12,420 --> 00:19:09,910

them so I talked to something from

493

00:19:15,900 --> 00:19:12,430

beyond that might have the perspective

494

00:19:18,060 --> 00:19:15,910

of a being from the other side this is

495

00:19:20,030 --> 00:19:18,070

going to be the most useful tool and as

496

00:19:22,710 --> 00:19:20,040

far as the you know the William Fuld

497

00:19:25,440 --> 00:19:22,720

Parker Brothers Ouija board I mean

498

00:19:30,300 --> 00:19:25,450

that's that's what we started off with

499

00:19:32,970 --> 00:19:30,310

with Cocteau but very quickly discovered

500

00:19:35,730 --> 00:19:32,980

that they had their own ideas in mind

501

00:19:38,160 --> 00:19:35,740

Baphomet actually dictated a design a

502

00:19:41,970 --> 00:19:38,170

new we G board design which we produced

503

00:19:43,590 --> 00:19:41,980

it's a lot more interesting and you can

504

00:19:45,300 --> 00:19:43,600

see that there's a little picture of it

505

00:19:47,070 --> 00:19:45,310

in the book and we're going to put out a

506

00:19:50,130 --> 00:19:47,080

larger version of it the people can use

507

00:19:51,630 --> 00:19:50,140

if they want to I find it easier to use

508

00:19:52,530 --> 00:19:51,640

because you have a little bit more space

509

00:19:55,620 --> 00:19:52,540

to move around

510

00:19:57,390 --> 00:19:55,630

then it's easier to set the letters

511

00:19:59,280 --> 00:19:57,400

apart the interesting thing about the

512

00:20:01,230 --> 00:19:59,290

design that was given to us by Baphomet

513

00:20:04,770 --> 00:20:01,240

I didn't understand the meaning of it

514

00:20:08,820 --> 00:20:04,780

for months or maybe even a year until

515

00:20:09,570 --> 00:20:08,830

you know after it was given because for

516

00:20:13,250 --> 00:20:09,580

a long time

517

00:20:15,690 --> 00:20:13,260

Cain and Baphomet both kept emphasizing

518

00:20:20,600 --> 00:20:15,700

the alphabet itself they kept going

519

00:20:23,430 --> 00:20:20,610

through from A to Z and then B to Y and

520

00:20:25,200 --> 00:20:23,440

all the way like that from the beginning

521

00:20:27,420 --> 00:20:25,210

to the end and inverting it basically

522

00:20:28,710 --> 00:20:27,430

you know mm-hmm-hmm

523

00:20:29,970 --> 00:20:28,720

and I was wondering what is the meaning

524

00:20:33,810 --> 00:20:29,980

of that we kept asking them what does it

525

00:20:35,910 --> 00:20:33,820

mean we got different answers finally I

526

00:20:37,770 --> 00:20:35,920

just was doing some reading one day and

527

00:20:43,170 --> 00:20:37,780

I realized though that's the atbash

528

00:20:46,680 --> 00:20:43,180

cipher that those has been interpreted

529

00:20:51,050 --> 00:20:46,690

as being connected to Baphomet name the

530

00:20:53,580 --> 00:20:51,060

fact is you can put the name Baphomet I

531

00:20:55,920 --> 00:20:53,590

think it's if you convert it to Aramaic

532

00:20:59,070 --> 00:20:55,930

and put it through the Aramaic version

533

00:21:03,240 --> 00:20:59,080

of atbash then the result that comes out

534

00:21:04,200 --> 00:21:03,250

is is Baphomet Wow oh no it's Sophia and

535

00:21:06,330 --> 00:21:04,210

Baphomet that's right now the

536

00:21:08,250 --> 00:21:06,340

interpretation is that Baphomet

537

00:21:11,820 --> 00:21:08,260

basically is a code word for holy wisdom

538

00:21:14,460 --> 00:21:11,830

divine wisdom and that that maybe even

539

00:21:17,310 --> 00:21:14,470

the Templars were using this this cipher

540

00:21:19,050 --> 00:21:17,320

basically so it's a cipher cipher that

541

00:21:21,900 --> 00:21:19,060

for one reason or another is associated

542

00:21:23,850 --> 00:21:21,910

with Baphomet it's been printed in book

543

00:21:25,940 --> 00:21:23,860

they even reference this in the The Da

544

00:21:29,580 --> 00:21:25,950

Vinci Code I seem to remember that the

545

00:21:31,920 --> 00:21:29,590

character that sofía you know they at

546

00:21:34,230 --> 00:21:31,930

one point mentioned that her name was

547

00:21:36,720 --> 00:21:34,240

convertible into the name Baphomet via

548

00:21:38,430 --> 00:21:36,730

this cipher so huh but I had totally

549

00:21:39,960 --> 00:21:38,440

forgotten I didn't I didn't realize what

550

00:21:41,580 --> 00:21:39,970

the atbash cipher was I remembered

551
00:21:43,950 --> 00:21:41,590
reading about it but I didn't know that

552
00:21:46,710 --> 00:21:43,960
what you do to make that cipher is you

553
00:21:51,120 --> 00:21:46,720
invert the alphabet so that's what they

554
00:21:52,110 --> 00:21:51,130
wanted us to do on the board and so it's

555
00:21:55,410 --> 00:21:52,120
been that way ever since we've been

556
00:21:57,030 --> 00:21:55,420
using it and it's interesting because it

557
00:22:00,110 --> 00:21:57,040
makes different patterns actually the

558
00:22:02,250 --> 00:22:00,120
way they zip around on the board

559
00:22:05,580 --> 00:22:02,260
it just makes interesting patterns

560
00:22:06,270 --> 00:22:05,590
because the way the alphabet is arranged

561
00:22:09,330 --> 00:22:06,280
sometimes

562
00:22:11,340 --> 00:22:09,340
that's cool so I mean I thought your

563
00:22:13,320 --> 00:22:11,350

conversations with Baphomet were pretty

564

00:22:15,480 --> 00:22:13,330

intense and pretty interesting most

565

00:22:17,010 --> 00:22:15,490

people will know this entity is the

566

00:22:19,050 --> 00:22:17,020

goat-headed hermaphrodite largely

567

00:22:21,060 --> 00:22:19,060

associated with the pentagram and evil

568

00:22:22,530 --> 00:22:21,070

things like Satanism but how would you

569

00:22:24,480 --> 00:22:22,540

describe alpha do you think some of

570

00:22:27,180 --> 00:22:24,490

those ideas are misconceptions obviously

571

00:22:28,860 --> 00:22:27,190

you know you were saying that the good

572

00:22:30,750 --> 00:22:28,870

guys become the bad guys and there's a

573

00:22:32,940 --> 00:22:30,760

lot of manipulation involved with is

574

00:22:37,320 --> 00:22:32,950

that is Bob from it a victim of some of

575

00:22:40,560 --> 00:22:37,330

that well I'd say that Baphomet is you

576

00:22:42,390 --> 00:22:40,570

know a is the devil in a way Wow but

577

00:22:45,480 --> 00:22:42,400

it's a particular expression or

578

00:22:51,510 --> 00:22:45,490

interpret of the devil so it's the

579

00:22:54,420 --> 00:22:51,520

Alchemist basically and he's kind of a I

580

00:22:55,950 --> 00:22:54,430

say he just it's I don't know because

581

00:22:59,250 --> 00:22:55,960

that seems easier to me but the truth is

582

00:23:02,550 --> 00:22:59,260

that every time Cain or Baphomet would

583

00:23:07,530 --> 00:23:02,560

refer to Baphomet they would use refer

584

00:23:09,240 --> 00:23:07,540

to Baphomet in feminine so as but as I

585

00:23:13,170 --> 00:23:09,250

think you mentioned it's a

586

00:23:15,150 --> 00:23:13,180

hermaphroditic entity I think that may

587

00:23:18,210 --> 00:23:15,160

be the most important facts to

588

00:23:21,900 --> 00:23:18,220

understand what Baphomet is as an

589

00:23:25,170 --> 00:23:21,910

expression of the devil is to go back to

590

00:23:25,980 --> 00:23:25,180

that you may have seen this sigil of

591

00:23:28,440 --> 00:23:25,990

Baphomet

592

00:23:32,340 --> 00:23:28,450

I believe that goes back to this

593

00:23:33,840 --> 00:23:32,350

magician named Stanislaus take Goethe I

594

00:23:36,330 --> 00:23:33,850

hope I'm pronouncing that correctly like

595

00:23:40,260 --> 00:23:36,340

that at anyway he had in one of his

596

00:23:42,990 --> 00:23:40,270

books these sigils that were expressions

597

00:23:44,970 --> 00:23:43,000

of Baphomet and on one of them on one

598

00:23:48,060 --> 00:23:44,980

basically the front side of it it had

599

00:23:50,760 --> 00:23:48,070

the goat headed Baphomet inside of a

600

00:23:53,520 --> 00:23:50,770

pentagram the inverted pentagram and it

601
00:23:57,300 --> 00:23:53,530
said Leviathan around it oh and it also

602
00:23:59,490 --> 00:23:57,310
has the names Lilith and Samael which

603
00:24:01,710 --> 00:23:59,500
are two demons that I'll describe in a

604
00:24:05,730 --> 00:24:01,720
moment and then on the other side you

605
00:24:08,100 --> 00:24:05,740
have Adam and Eve they actually it's it

606
00:24:11,250 --> 00:24:08,110
has like the upward-pointing

607
00:24:13,410 --> 00:24:11,260
pentagram and it has a picture of a man

608
00:24:16,710 --> 00:24:13,420
and then it says Adam and Eve now the

609
00:24:19,980 --> 00:24:16,720
reference to Lilith and semi L is

610
00:24:22,350 --> 00:24:19,990
important because the the way they

611
00:24:24,120 --> 00:24:22,360
Kabbalist described Lilith and Samael

612
00:24:26,190 --> 00:24:24,130
these demons they're like the primordial

613
00:24:28,200 --> 00:24:26,200

demons they say basically these guys are

614

00:24:31,230 --> 00:24:28,210

the serpent in the Garden of Eden and

615

00:24:34,530 --> 00:24:31,240

it's a hermaphroditic serpent that has

616

00:24:37,650 --> 00:24:34,540

both male and female aspects the male is

617

00:24:39,540 --> 00:24:37,660

Samael the female of Lilith and that

618

00:24:42,930 --> 00:24:39,550

basically these two guys were split

619

00:24:45,660 --> 00:24:42,940

purposely by God and resulted in Samael

620

00:24:47,880 --> 00:24:45,670

basically being castrated and separated

621

00:24:48,840 --> 00:24:47,890

eternally from Lilith so that they can't

622

00:24:52,080 --> 00:24:48,850

make anymore

623

00:24:53,910 --> 00:24:52,090

they can't have sex because somehow if

624

00:24:56,970 --> 00:24:53,920

they do it will result in the

625

00:25:00,060 --> 00:24:56,980

destruction of the universe so you have

626
00:25:02,940 --> 00:25:00,070
these you know formerly United serpents

627
00:25:05,730 --> 00:25:02,950
now separated and you know in pain of

628
00:25:09,660 --> 00:25:05,740
separation from each other and sexual

629
00:25:11,580 --> 00:25:09,670
frustration and what it appears happened

630
00:25:15,270 --> 00:25:11,590
according to if you piece together all

631
00:25:17,070 --> 00:25:15,280
the different rabbinical cabbalistic

632
00:25:18,450 --> 00:25:17,080
stories about the Garden of Eden the

633
00:25:20,550 --> 00:25:18,460
things that went on there and then also

634
00:25:22,470 --> 00:25:20,560
afterwards after the fall the things

635
00:25:23,630 --> 00:25:22,480
that happened to Cain and Abel you start

636
00:25:26,160 --> 00:25:23,640
looking through all these things

637
00:25:30,270 --> 00:25:26,170
basically seems to tell the story that

638
00:25:34,160 --> 00:25:30,280

that Samael impregnated Eve and was

639

00:25:38,250 --> 00:25:34,170

probably the father of Cain and also a

640

00:25:40,830 --> 00:25:38,260

reflexively Lilith also seduced Adam and

641

00:25:42,930 --> 00:25:40,840

was his wife and they have lots of demon

642

00:25:44,640 --> 00:25:42,940

children together that are out there in

643

00:25:47,790 --> 00:25:44,650

the ether somewhere and their menacing

644

00:25:50,070 --> 00:25:47,800

mankind they're always trying to cause

645

00:25:52,110 --> 00:25:50,080

trouble for humans and one of the things

646

00:25:54,080 --> 00:25:52,120

they're always trying to do the llamas

647

00:25:57,630 --> 00:25:54,090

are called the daughters of Lilith is

648

00:26:01,950 --> 00:25:57,640

incarnate into human bloodlines they

649

00:26:04,830 --> 00:26:01,960

seduce men they find they their children

650

00:26:07,550 --> 00:26:04,840

are born and actually grow up in royal

651
00:26:11,010 --> 00:26:07,560
families there she's basically

652
00:26:12,870 --> 00:26:11,020
infiltrating royal and holy families to

653
00:26:14,850 --> 00:26:12,880
try to get her children in line for

654
00:26:17,310 --> 00:26:14,860
those Thrones and you see this going on

655
00:26:20,550 --> 00:26:17,320
in the Bible and I think it's probably

656
00:26:22,610 --> 00:26:20,560
going on today Wow yeah yeah that's like

657
00:26:25,620 --> 00:26:22,620
that's intense I mean obviously

658
00:26:27,120 --> 00:26:25,630
bloodlines for the elite have been super

659
00:26:29,010 --> 00:26:27,130
important throughout history and to

660
00:26:31,440 --> 00:26:29,020
think that maybe they're communicating

661
00:26:32,940 --> 00:26:31,450
with some otherworldly entities and

662
00:26:36,060 --> 00:26:32,950
they're being influenced or

663
00:26:39,060 --> 00:26:36,070

Joost and that they're being infiltrated

664

00:26:41,100 --> 00:26:39,070

I mean that's pretty intense but it fits

665

00:26:43,230 --> 00:26:41,110

the story because when you look at the

666

00:26:44,759 --> 00:26:43,240

deeper levels of the elite they seem to

667

00:26:48,240 --> 00:26:44,769

be in communication with something for

668

00:26:51,000 --> 00:26:48,250

some reason well both Cain and Baphomet

669

00:26:53,940 --> 00:26:51,010

have a lot of interest in their human

670

00:26:56,279 --> 00:26:53,950

descendants on earth and in fact that

671

00:26:58,830 --> 00:26:56,289

was their only interest they wanted to

672

00:27:00,360 --> 00:26:58,840

basically kill everyone else except

673

00:27:04,850 --> 00:27:00,370

their own descendants and that doesn't

674

00:27:08,850 --> 00:27:04,860

mean their dissonance are safe but that

675

00:27:10,740 --> 00:27:08,860

what I when I say that there's some evil

676

00:27:14,539 --> 00:27:10,750

coming from these spirits the ones that

677

00:27:18,629 --> 00:27:14,549

I talk to anyway I would say what really

678

00:27:21,259 --> 00:27:18,639

made me believe that you know was that

679

00:27:24,659 --> 00:27:21,269

they basically just displayed a very

680

00:27:28,769 --> 00:27:24,669

hateful anti human attitude and it had

681

00:27:33,200 --> 00:27:28,779

everything to do they said with God's

682

00:27:37,830 --> 00:27:33,210

preference for us basically the serpent

683

00:27:40,139 --> 00:27:37,840

was offended that he was asked because

684

00:27:42,690 --> 00:27:40,149

he used to be an angel he was asked by

685

00:27:46,440 --> 00:27:42,700

God to bow down to his new creation Adam

686

00:27:48,539 --> 00:27:46,450

and he didn't like that this is a story

687

00:27:50,129 --> 00:27:48,549

that's in the Koran you can also find it

688

00:27:52,710 --> 00:27:50,139

in a book called the books of Adam and

689

00:27:54,330 --> 00:27:52,720

Eve which is older than the Quran hmm

690

00:27:58,289 --> 00:27:54,340

and then this is a story that was told

691

00:28:01,049 --> 00:27:58,299

to us again by Baphomet and then kind of

692

00:28:05,490 --> 00:28:01,059

referenced several times later like this

693

00:28:07,529 --> 00:28:05,500

is the real reason why I hate you and so

694

00:28:09,600 --> 00:28:07,539

it's like nothing personal even really

695

00:28:11,879 --> 00:28:09,610

it's like yeah we're just the preferred

696

00:28:14,789 --> 00:28:11,889

younger brother basically or Adam was

697

00:28:17,580 --> 00:28:14,799

and were the children of Adam and that's

698

00:28:20,279 --> 00:28:17,590

the source of the frustration also of

699

00:28:22,799 --> 00:28:20,289

course they were cast into hell and it

700

00:28:25,080 --> 00:28:22,809

seems that that happened after the

701
00:28:28,980 --> 00:28:25,090
Fallen Angels the demons actually tried

702
00:28:30,299 --> 00:28:28,990
to mate with humans or did did

703
00:28:32,700 --> 00:28:30,309
successfully mate with humans and

704
00:28:36,090 --> 00:28:32,710
apparently this was a problem for God

705
00:28:38,669 --> 00:28:36,100
and so he cast them into some sort of

706
00:28:40,289 --> 00:28:38,679
prison that's under our underneath

707
00:28:42,379 --> 00:28:40,299
somehow the world that we live in now

708
00:28:45,029 --> 00:28:42,389
maybe in some other realm or something

709
00:28:46,200 --> 00:28:45,039
obviously in some other room and so

710
00:28:48,450 --> 00:28:46,210
they're very mad about that

711
00:28:51,810 --> 00:28:48,460
and they really want out and I think

712
00:28:53,610 --> 00:28:51,820
that they're trying to manipulate people

713
00:28:56,820 --> 00:28:53,620

that they have under their control here

714

00:28:58,680 --> 00:28:56,830

to get them out and you know they

715

00:29:01,730 --> 00:28:58,690

basically they're right now they're

716

00:29:04,260 --> 00:29:01,740

working with secret societies and

717

00:29:07,250 --> 00:29:04,270

utilizing all of the mechanisms they

718

00:29:10,950 --> 00:29:07,260

have available including the media

719

00:29:13,290 --> 00:29:10,960

economics you know all sorts of you know

720

00:29:16,110 --> 00:29:13,300

aspects of civilization basically that

721

00:29:19,740 --> 00:29:16,120

they now control demons are using people

722

00:29:21,720 --> 00:29:19,750

and to try to construct a situation that

723

00:29:25,200 --> 00:29:21,730

will somehow allow them to have one big

724

00:29:27,420 --> 00:29:25,210

jailbreak and I'll get out but um but in

725

00:29:29,610 --> 00:29:27,430

the meantime they they're still always

726

00:29:32,790 --> 00:29:29,620

trying to get out or to get one little

727

00:29:34,530 --> 00:29:32,800

foothold in this world and then what it

728

00:29:36,960 --> 00:29:34,540

took me a while to realize but after

729

00:29:38,910 --> 00:29:36,970

analyzing the transcripts repeatedly

730

00:29:40,890 --> 00:29:38,920

over the years and looking at other

731

00:29:43,740 --> 00:29:40,900

clues as well and in history and

732

00:29:46,350 --> 00:29:43,750

mythology is that they basically they're

733

00:29:50,010 --> 00:29:46,360

not alive right they're in some sort of

734

00:29:53,700 --> 00:29:50,020

nether realm mm-hmm they're extensive

735

00:29:56,400 --> 00:29:53,710

and and at what point can't even said

736

00:29:58,140 --> 00:29:56,410

this you know I am NOT alive don't don't

737

00:29:59,850 --> 00:29:58,150

talk to me as though I'm alive I can't

738

00:30:02,190 --> 00:29:59,860

relate to what you're saying because I'm

739

00:30:06,360 --> 00:30:02,200

not alive because they're not alive they

740

00:30:08,640 --> 00:30:06,370

need to somehow or they desire to feed

741

00:30:11,460 --> 00:30:08,650

off of the life that we have here mm-hmm

742

00:30:14,130 --> 00:30:11,470

and when they can get a little bit of

743

00:30:16,530 --> 00:30:14,140

that they hungrily feast on it and also

744

00:30:18,780 --> 00:30:16,540

they just desperately want to get a

745

00:30:20,160 --> 00:30:18,790

foothold in this world where and one of

746

00:30:22,530 --> 00:30:20,170

the ways that they do that is through

747

00:30:25,620 --> 00:30:22,540

people that they are able to possess so

748

00:30:27,240 --> 00:30:25,630

oh yeah they just sometimes they

749

00:30:29,010 --> 00:30:27,250

literally their motivation is just to be

750

00:30:31,650 --> 00:30:29,020

able to you know breathe air and eat

751
00:30:34,800 --> 00:30:31,660
food and smoke cigarettes experience

752
00:30:36,480 --> 00:30:34,810
life for a little while yeah man this is

753
00:30:38,880 --> 00:30:36,490
where it gets really interesting to me

754
00:30:40,800 --> 00:30:38,890
because I've had several guests who talk

755
00:30:42,660 --> 00:30:40,810
about the constant references to the

756
00:30:45,120 --> 00:30:42,670
abyss or the Great Beast and there's

757
00:30:46,770 --> 00:30:45,130
tons of 666 symbolism out there I mean

758
00:30:49,620 --> 00:30:46,780
it's the logo for a monster energy drink

759
00:30:52,140 --> 00:30:49,630
it's the logo for the Chrome browser and

760
00:30:54,660 --> 00:30:52,150
the CERN Center and I think it was also

761
00:30:57,040 --> 00:30:54,670
at the Emmys the stage was formed by

762
00:30:59,410 --> 00:30:57,050
three sixes on top of each other and

763
00:31:01,120 --> 00:30:59,420

it's it's weird I don't necessarily get

764

00:31:03,040 --> 00:31:01,130

it and I'm also skeptical of anything

765

00:31:04,690 --> 00:31:03,050

that comes kind of from the Christian

766

00:31:07,180 --> 00:31:04,700

perspective because I grew up that way

767

00:31:08,740 --> 00:31:07,190

and you know felt like it was a lot of

768

00:31:10,690 --> 00:31:08,750

manipulation but it does seem like

769

00:31:12,790 --> 00:31:10,700

there's something deeper there that it's

770

00:31:16,660 --> 00:31:12,800

built upon I mean is do you think that's

771

00:31:19,480 --> 00:31:16,670

accurate yeah I mean sure you know I'm

772

00:31:21,040 --> 00:31:19,490

not here to promote any religious point

773

00:31:24,250 --> 00:31:21,050

of view I'm just kind of saying what

774

00:31:28,450 --> 00:31:24,260

they said and how it does seem to match

775

00:31:30,700 --> 00:31:28,460

up with what a lot of Orthodox religions

776

00:31:32,080 --> 00:31:30,710

will tell you about how the world works

777

00:31:34,290 --> 00:31:32,090

was being what the what's the universe

778

00:31:36,520 --> 00:31:34,300

what's going on and most of the

779

00:31:38,380 --> 00:31:36,530

religions will tell you you know there's

780

00:31:40,120 --> 00:31:38,390

a realm below and a realm above and

781

00:31:41,410 --> 00:31:40,130

there's good guys and bad guys and

782

00:31:44,530 --> 00:31:41,420

here's what the bad guys are trying to

783

00:31:47,920 --> 00:31:44,540

do and honestly so much of that was

784

00:31:49,240 --> 00:31:47,930

confirmed by these beings and it wasn't

785

00:31:52,750 --> 00:31:49,250

something that came out in the first

786

00:31:54,040 --> 00:31:52,760

conversation you know but because we had

787

00:31:57,880 --> 00:31:54,050

a lot to talk about you know I knew I

788

00:31:59,800 --> 00:31:57,890

had a lot of knowledge already about you

789

00:32:03,040 --> 00:31:59,810

know occultism secret societies and

790

00:32:06,400 --> 00:32:03,050

things like that so there was I think

791

00:32:09,810 --> 00:32:06,410

quite a lot of bases too for us to build

792

00:32:13,120 --> 00:32:09,820

a rapport I guess with each other and so

793

00:32:14,560 --> 00:32:13,130

um I was able to kind of milk this stuff

794

00:32:19,090 --> 00:32:14,570

out of them I guess and also I think

795

00:32:21,460 --> 00:32:19,100

they lose their ability to lie after a

796

00:32:23,800 --> 00:32:21,470

while you know or they things just slip

797

00:32:25,150 --> 00:32:23,810

out you know or they they get

798

00:32:26,560 --> 00:32:25,160

comfortable talking to you and they just

799

00:32:30,370 --> 00:32:26,570

kind of tell you oh by the way we hate

800

00:32:33,130 --> 00:32:30,380

humans we're training Wow whereas they

801
00:32:39,160 --> 00:32:33,140
you know after after months of talking

802
00:32:41,440 --> 00:32:39,170
about scriptures and and like esoteric

803
00:32:43,360 --> 00:32:41,450
analysis of things that you know though

804
00:32:46,750 --> 00:32:43,370
this this kind of stuff will just slip

805
00:32:48,730 --> 00:32:46,760
out every now innit so that's so

806
00:32:51,700 --> 00:32:48,740
interesting I mean do you think some of

807
00:32:54,040 --> 00:32:51,710
these 666 references that we see in the

808
00:32:55,690 --> 00:32:54,050
mainstream culture are part of this

809
00:32:58,390 --> 00:32:55,700
foothold that you were talking about

810
00:33:00,880 --> 00:32:58,400
that they're trying to get yeah but I

811
00:33:03,490 --> 00:33:00,890
mean I don't want to be too alarmist

812
00:33:05,230 --> 00:33:03,500
because of course it's ever since Jesus

813
00:33:07,780 --> 00:33:05,240

basically people have been saying that

814

00:33:10,930 --> 00:33:07,790

the Second Coming is happening and the

815

00:33:12,610 --> 00:33:10,940

end times are coming so you know I get

816

00:33:14,740 --> 00:33:12,620

it could it could very well be they're

817

00:33:17,170 --> 00:33:14,750

always coming you know this is an aspect

818

00:33:21,130 --> 00:33:17,180

of life I think there's some truth to

819

00:33:23,110 --> 00:33:21,140

that that the end is always near but um

820

00:33:24,880 --> 00:33:23,120

but it does seem like in popular culture

821

00:33:27,610 --> 00:33:24,890

people are so comfortable with it now

822

00:33:31,870 --> 00:33:27,620

and if you really want to be paranoid

823

00:33:35,380 --> 00:33:31,880

sometimes just watch fiction television

824

00:33:37,390 --> 00:33:35,390

shows and movies sometimes even don't

825

00:33:39,220 --> 00:33:37,400

watch but like look to the side and just

826

00:33:41,920 --> 00:33:39,230

listen to the dialogue mm-hmm you'll

827

00:33:44,170 --> 00:33:41,930

pick up on things that mean so much more

828

00:33:46,120 --> 00:33:44,180

outside of the context of the film

829

00:33:47,770 --> 00:33:46,130

itself you know that you you can think

830

00:33:51,730 --> 00:33:47,780

that sometimes I think these films the

831

00:33:53,740 --> 00:33:51,740

story itself is like the just the first

832

00:33:56,380 --> 00:33:53,750

layer you know that was the public to

833

00:33:59,350 --> 00:33:56,390

consume and then if you look deeper

834

00:34:02,410 --> 00:33:59,360

there's an entirely different not just

835

00:34:05,650 --> 00:34:02,420

plot but message and and so what I find

836

00:34:06,010 --> 00:34:05,660

is I say for instance he-man okay right

837

00:34:11,110 --> 00:34:06,020

on

838

00:34:12,850 --> 00:34:11,120

really loves watching he-man so we've

839

00:34:14,560 --> 00:34:12,860

been watching the whole thing I've seen

840

00:34:16,960 --> 00:34:14,570

these episodes over and over again every

841

00:34:18,700 --> 00:34:16,970

single he-man is about the same thing

842

00:34:21,100 --> 00:34:18,710

it's about the fall of Eden and it's

843

00:34:22,840 --> 00:34:21,110

about the apocalypse which are connected

844

00:34:24,640 --> 00:34:22,850

events and possibly the same thing in a

845

00:34:27,850 --> 00:34:24,650

way the end is connected to the

846

00:34:31,720 --> 00:34:27,860

beginning mm-hmm just there's you know

847

00:34:33,550 --> 00:34:31,730

there's beast man there's a Skeletor

848

00:34:35,740 --> 00:34:33,560

there's that there's an others a beast

849

00:34:36,880 --> 00:34:35,750

Island I believe at one point and so

850

00:34:40,090 --> 00:34:36,890

what you see over and over again is the

851
00:34:42,760 --> 00:34:40,100
story of there's the the demons or the

852
00:34:45,790 --> 00:34:42,770
bad guys that are somehow in imprisoned

853
00:34:48,130 --> 00:34:45,800
on an island in a castle in the in the

854
00:34:50,830 --> 00:34:48,140
dungeons they're forced to work in the

855
00:34:53,260 --> 00:34:50,840
mines and then they're you know they're

856
00:34:54,400 --> 00:34:53,270
always plotting to get out and then what

857
00:34:57,820 --> 00:34:54,410
are the what do they want to do they

858
00:35:02,740 --> 00:34:57,830
want to sack Eternia Eternia is eaten

859
00:35:05,350 --> 00:35:02,750
and this is what umm the story that Cain

860
00:35:06,970 --> 00:35:05,360
kept telling us and which a lot a large

861
00:35:09,430 --> 00:35:06,980
portion of clock shavings is really

862
00:35:13,210 --> 00:35:09,440
devoted to and analyzing this story

863
00:35:15,310 --> 00:35:13,220

mm-hmm is about the fall of Eden he said

864

00:35:17,470 --> 00:35:15,320

the game of chess is actually based on

865

00:35:19,720 --> 00:35:17,480

this that is that was an interesting

866

00:35:22,810 --> 00:35:19,730

aspect to it yeah the UH the different

867

00:35:24,250 --> 00:35:22,820

colored tiles are actually like you know

868

00:35:26,609 --> 00:35:24,260

the merging

869

00:35:29,859 --> 00:35:26,619

the two realms or something like that I

870

00:35:31,830 --> 00:35:29,869

yeah I think so well it's it's it's kind

871

00:35:34,630 --> 00:35:31,840

of complicated still we're still

872

00:35:39,010 --> 00:35:34,640

figuring out some of the meaning of what

873

00:35:40,690 --> 00:35:39,020

was told to us but the story that first

874

00:35:44,170 --> 00:35:40,700

came out the way Kane described it he

875

00:35:46,720 --> 00:35:44,180

said that the fall of Eden in the fall

876
00:35:49,660 --> 00:35:46,730
of Atlantis were the same thing and that

877
00:35:53,560 --> 00:35:49,670
it was really a war and that war

878
00:35:57,340 --> 00:35:53,570
resulted in the submerging of this

879
00:36:00,520 --> 00:35:57,350
kingdom where at that Kingdom there was

880
00:36:03,040 --> 00:36:00,530
this thing called the ark now in the

881
00:36:05,230 --> 00:36:03,050
story of Noah's Ark the the Ark is a

882
00:36:07,359 --> 00:36:05,240
boat and then of course in the story of

883
00:36:10,390 --> 00:36:07,369
the Ark of the Covenant the Ark is a you

884
00:36:15,280 --> 00:36:10,400
know something that contains the essence

885
00:36:16,780 --> 00:36:15,290
of God mm-hmm well the way Cain and also

886
00:36:17,890 --> 00:36:16,790
some of the other beings described

887
00:36:19,780 --> 00:36:17,900
because they all talked about the ark

888
00:36:21,340 --> 00:36:19,790

and what they all said is that basically

889

00:36:22,420 --> 00:36:21,350

the Ark was this what they called one

890

00:36:24,880 --> 00:36:22,430

box of things

891

00:36:26,770 --> 00:36:24,890

it is the treasure box it has all the

892

00:36:29,800 --> 00:36:26,780

power in it all that all the things that

893

00:36:32,109 --> 00:36:29,810

you would want the Pandora's box exactly

894

00:36:34,900 --> 00:36:32,119

the Holy Grail and really the all these

895

00:36:36,760 --> 00:36:34,910

symbols the Grail that you've heard the

896

00:36:38,680 --> 00:36:36,770

Grail can be a stone or the Grail can be

897

00:36:41,230 --> 00:36:38,690

a cup well it's because it's it's all

898

00:36:44,020 --> 00:36:41,240

part of the same contraction it's a box

899

00:36:45,820 --> 00:36:44,030

that somehow contains something that can

900

00:36:47,380 --> 00:36:45,830

give you anything you want something

901
00:36:50,560 --> 00:36:47,390
that can it is ultimate power like

902
00:36:52,540 --> 00:36:50,570
godlike power and in once I started

903
00:36:54,910 --> 00:36:52,550
looking into the Eden story a little bit

904
00:36:56,859 --> 00:36:54,920
more not only in the Bible but then also

905
00:36:58,750 --> 00:36:56,869
some of the way some of the secret

906
00:37:01,330 --> 00:36:58,760
societies portray it in their rituals

907
00:37:03,640 --> 00:37:01,340
I got a bigger idea of what he was

908
00:37:05,920 --> 00:37:03,650
talking about and the idea is that yes

909
00:37:08,230 --> 00:37:05,930
this there was at one point the the

910
00:37:12,490 --> 00:37:08,240
beginning is thought of as eating there

911
00:37:14,470 --> 00:37:12,500
was this treasure box there that

912
00:37:17,020 --> 00:37:14,480
contains like I'm saying this this Holy

913
00:37:19,720 --> 00:37:17,030

Grail sort of object and really the

914

00:37:22,090 --> 00:37:19,730

value it had was that it was it could

915

00:37:25,120 --> 00:37:22,100

give eternal life that was really what

916

00:37:27,790 --> 00:37:25,130

Cain cared about hmm and he said that he

917

00:37:29,440 --> 00:37:27,800

was trying to he wanted youth for

918

00:37:31,120 --> 00:37:29,450

himself he wanted eternal youth and he

919

00:37:34,540 --> 00:37:31,130

was trying to save Eve his mother he

920

00:37:37,720 --> 00:37:34,550

didn't want to watch her die so that you

921

00:37:39,820 --> 00:37:37,730

know his lust to contain and control

922

00:37:41,380 --> 00:37:39,830

this box which then makes you sort of

923

00:37:44,109 --> 00:37:41,390

the controller of everything if you have

924

00:37:46,420 --> 00:37:44,119

the box again makes you in charge of

925

00:37:48,070 --> 00:37:46,430

everything someone that's he kept

926

00:37:50,410 --> 00:37:48,080

describing a tell-all so as the throne

927

00:37:52,599 --> 00:37:50,420

of Adam so he said that there was this

928

00:37:54,760 --> 00:37:52,609

war in Eden over the throne of Adam

929

00:37:57,940 --> 00:37:54,770

which was and it was also the Ark and

930

00:37:59,740 --> 00:37:57,950

the war was between him and children of

931

00:38:01,930 --> 00:37:59,750

his actually descendants of his that had

932

00:38:04,480 --> 00:38:01,940

grown up and had their own kingdoms hmm

933

00:38:07,450 --> 00:38:04,490

you know so and he said it is what kind

934

00:38:10,690 --> 00:38:07,460

of war is this what kind of weapons are

935

00:38:11,950 --> 00:38:10,700

you using he said swords and axes so you

936

00:38:15,130 --> 00:38:11,960

know and then I'm thinking like Lord of

937

00:38:19,810 --> 00:38:15,140

the Rings about all these guys like in

938

00:38:23,260 --> 00:38:19,820

some sort of fent fantasy realm having

939

00:38:25,630 --> 00:38:23,270

an old-fashioned war yeah we've had but

940

00:38:29,050 --> 00:38:25,640

then and then but then somehow that

941

00:38:29,680 --> 00:38:29,060

results in this whole kingdom going

942

00:38:32,590 --> 00:38:29,690

underwater

943

00:38:34,770 --> 00:38:32,600

Eden years later I looked into this

944

00:38:38,320 --> 00:38:34,780

whole story a lot more like I said and

945

00:38:40,390 --> 00:38:38,330

piecing it together also with the the

946

00:38:43,030 --> 00:38:40,400

Mesopotamian stories of the flood and

947

00:38:45,609 --> 00:38:43,040

they also then all those stories linked

948

00:38:48,130 --> 00:38:45,619

up to this this object the plant of

949

00:38:50,380 --> 00:38:48,140

immortality supposedly that was there in

950

00:38:53,140 --> 00:38:50,390

the realm of the gods what it seems like

951
00:38:56,080 --> 00:38:53,150
is that almost all of Eden got submerged

952
00:38:57,609 --> 00:38:56,090
but then there's this one part the what

953
00:39:01,450 --> 00:38:57,619
the Rosicrucians refer to as the

954
00:39:03,640 --> 00:39:01,460
supernal Eden that was preserved like

955
00:39:05,530 --> 00:39:03,650
you know in the Bible it says God put

956
00:39:08,080 --> 00:39:05,540
the flaming sword around the Tree of

957
00:39:09,940 --> 00:39:08,090
Life to keep it from Adam and Eve after

958
00:39:11,440 --> 00:39:09,950
they the tree of knowledge all of a

959
00:39:12,700 --> 00:39:11,450
sudden God became concerned that they

960
00:39:15,970 --> 00:39:12,710
would eat from the tree of life and

961
00:39:19,180 --> 00:39:15,980
become a mortal and then nothing would

962
00:39:21,400 --> 00:39:19,190
be impossible for them he said like they

963
00:39:22,690 --> 00:39:21,410

have the knowledge of God now and now if

964

00:39:24,520 --> 00:39:22,700

they can just live forever they'll be

965

00:39:26,470 --> 00:39:24,530

able to do whatever they want so I'm not

966

00:39:29,680 --> 00:39:26,480

gonna let them do that okay right Oh

967

00:39:31,930 --> 00:39:29,690

whole realm where the Tree of Life is

968

00:39:34,140 --> 00:39:31,940

whatever that is mm-hmm it gets really

969

00:39:36,580 --> 00:39:34,150

tough because it's all seeped in

970

00:39:39,460 --> 00:39:36,590

symbolism and you know it's probably not

971

00:39:42,370 --> 00:39:39,470

a literal tree but it's something it

972

00:39:44,500 --> 00:39:42,380

gets it gets kind of hairy well it's

973

00:39:46,510 --> 00:39:44,510

probably not a literal tree yeah but I'm

974

00:39:49,599 --> 00:39:46,520

getting glimpses the more I look into it

975

00:39:51,670 --> 00:39:49,609

of what is it you know and why how does

976

00:39:55,120 --> 00:39:51,680

it provide immortality

977

00:39:57,640 --> 00:39:55,130

and it's a strangely it has something to

978

00:40:01,000 --> 00:39:57,650

do with the consumption of blood and the

979

00:40:02,440 --> 00:40:01,010

consumption of vital energy Wow now this

980

00:40:04,180 --> 00:40:02,450

is something that we hear about all the

981

00:40:06,190 --> 00:40:04,190

time in the conspiracy world that the

982

00:40:08,590 --> 00:40:06,200

elite are doing I've heard really creepy

983

00:40:11,020 --> 00:40:08,600

stories about them doing full blood

984

00:40:14,530 --> 00:40:11,030

transfusion rituals with children so the

985

00:40:16,600 --> 00:40:14,540

idea this vampiric idea of consuming

986

00:40:19,540 --> 00:40:16,610

blood is not that it's not really that

987

00:40:22,900 --> 00:40:19,550

far removed from modern times no no I

988

00:40:25,360 --> 00:40:22,910

mean I think every day if I went looking

989

00:40:27,880 --> 00:40:25,370

for it I could probably find some news

990

00:40:30,310 --> 00:40:27,890

story that connects to this wha whether

991

00:40:31,960 --> 00:40:30,320

it's like a story of someone that

992

00:40:35,290 --> 00:40:31,970

attacked another person to drink their

993

00:40:37,810 --> 00:40:35,300

blood or just a science story that comes

994

00:40:39,640 --> 00:40:37,820

out oh by the way you know there's this

995

00:40:42,790 --> 00:40:39,650

great anti-aging technique that comes

996

00:40:44,440 --> 00:40:42,800

from drinking the blood young people and

997

00:40:46,480 --> 00:40:44,450

I mean I there was a story about that

998

00:40:48,040 --> 00:40:46,490

just a few months ago and similar things

999

00:40:50,320 --> 00:40:48,050

all the time so yeah I mean it's true

1000

00:40:52,630 --> 00:40:50,330

and it's almost obvious if you think

1001
00:40:54,220 --> 00:40:52,640
about it but it's something that's been

1002
00:40:56,250 --> 00:40:54,230
known about forever that you know this

1003
00:40:59,770 --> 00:40:56,260
is a this is one of the ways of

1004
00:41:01,600 --> 00:40:59,780
preserving yourself is to consume the

1005
00:41:04,270 --> 00:41:01,610
essence of things that are already young

1006
00:41:05,890 --> 00:41:04,280
in a weird way if you think about the

1007
00:41:07,450 --> 00:41:05,900
efficiency of the universe you know I

1008
00:41:09,910 --> 00:41:07,460
have a lot of guests that talk about the

1009
00:41:12,220 --> 00:41:09,920
universe being a perfect system and all

1010
00:41:15,070 --> 00:41:12,230
this it's kind of morbid but it's almost

1011
00:41:16,930 --> 00:41:15,080
like a checks and balances system for

1012
00:41:18,610 --> 00:41:16,940
the population because if you want to

1013
00:41:19,720 --> 00:41:18,620

keep the older people around longer

1014

00:41:22,080 --> 00:41:19,730

you're going to have to kill the younger

1015

00:41:24,400 --> 00:41:22,090

people it's like almost like a weird

1016

00:41:25,810 --> 00:41:24,410

balancing act to make sure that too many

1017

00:41:26,950 --> 00:41:25,820

people aren't around because you can't

1018

00:41:28,330 --> 00:41:26,960

have one without the other you're going

1019

00:41:29,110 --> 00:41:28,340

to have young people growing up or

1020

00:41:31,170 --> 00:41:29,120

you're going to have old people

1021

00:41:34,360 --> 00:41:31,180

sacrificing young people to stay around

1022

00:41:39,120 --> 00:41:34,370

well I mean what's the it's hard to

1023

00:41:43,000 --> 00:41:39,130

justify the value of keeping a

1024

00:41:45,550 --> 00:41:43,010

population of elderly and not allowing

1025

00:41:49,660 --> 00:41:45,560

young people to live a great degree I

1026

00:41:51,030 --> 00:41:49,670

mean and of course it's that's why I

1027

00:41:52,960 --> 00:41:51,040

objected to what you were saying about

1028

00:41:54,490 --> 00:41:52,970

keeping some kind of balance I mean how

1029

00:41:56,500 --> 00:41:54,500

is it any kind of balance of course old

1030

00:41:58,210 --> 00:41:56,510

people that are doing that are

1031

00:42:02,200 --> 00:41:58,220

participating in the system like that

1032

00:42:04,140 --> 00:42:02,210

are basically just refusing to die or to

1033

00:42:06,330 --> 00:42:04,150

age and

1034

00:42:08,790 --> 00:42:06,340

they're always going to just of course

1035

00:42:10,710 --> 00:42:08,800

because they're any any old person any

1036

00:42:13,380 --> 00:42:10,720

person who's an adult is stronger than a

1037

00:42:15,240 --> 00:42:13,390

child and is able to overcome them and

1038

00:42:17,190 --> 00:42:15,250

so if they choose you know to just

1039

00:42:20,070 --> 00:42:17,200

blatantly take something away from that

1040

00:42:23,010 --> 00:42:20,080

child including their life the child has

1041

00:42:24,930 --> 00:42:23,020

no defense so there's no way that in a

1042

00:42:27,270 --> 00:42:24,940

system like that you're ever going it's

1043

00:42:28,590 --> 00:42:27,280

not it's not balancing out really it's

1044

00:42:30,000 --> 00:42:28,600

just the old people are going to feed

1045

00:42:32,490 --> 00:42:30,010

off of the young until there aren't any

1046

00:42:35,070 --> 00:42:32,500

left oh right right that's what I think

1047

00:42:37,140 --> 00:42:35,080

is the inevitable result of that yeah I

1048

00:42:38,490 --> 00:42:37,150

mean I definitely don't endorse that or

1049

00:42:40,230 --> 00:42:38,500

anything but it's kind of like a weird

1050

00:42:42,150 --> 00:42:40,240

cause-and-effect you know it's not

1051
00:42:44,880 --> 00:42:42,160
something where like the elite gaining

1052
00:42:46,440 --> 00:42:44,890
mortality by eating a lot of pears you

1053
00:42:50,220 --> 00:42:46,450
know it's like the cause of their

1054
00:42:52,290 --> 00:42:50,230
sticking around would also affect the

1055
00:42:55,080 --> 00:42:52,300
upcoming population of the planet it's

1056
00:42:56,790 --> 00:42:55,090
just a strange cause and effect but I

1057
00:42:59,100 --> 00:42:56,800
also did want to ask you about one

1058
00:43:01,850 --> 00:42:59,110
real-world example of this agenda of the

1059
00:43:04,290 --> 00:43:01,860
elite and or maybe they're being

1060
00:43:05,760 --> 00:43:04,300
controlled by the beans that they're

1061
00:43:08,250 --> 00:43:05,770
communicating with but you wrote about

1062
00:43:10,410 --> 00:43:08,260
Obama's recent trip to Stonehenge saying

1063
00:43:11,910 --> 00:43:10,420

that it was a further effort for from

1064

00:43:14,460 --> 00:43:11,920

the elite to open up a portal between

1065

00:43:15,900 --> 00:43:14,470

this world and the next and I've had

1066

00:43:17,130 --> 00:43:15,910

other guests who talk about this kind of

1067

00:43:19,650 --> 00:43:17,140

thing and that being one of the major

1068

00:43:20,820 --> 00:43:19,660

agendas of the elite can you expand on

1069

00:43:23,160 --> 00:43:20,830

that trip at all do you have any

1070

00:43:27,420 --> 00:43:23,170

insights as to how it was more than just

1071

00:43:30,510 --> 00:43:27,430

a trip to an interesting Monument but

1072

00:43:35,340 --> 00:43:30,520

more it was like a an actual attempt to

1073

00:43:37,140 --> 00:43:35,350

further this agenda well I'm just sort

1074

00:43:39,870 --> 00:43:37,150

of reading into things that appear in

1075

00:43:42,630 --> 00:43:39,880

the news and in pop culture these days

1076

00:43:46,170 --> 00:43:42,640

like I said you see what can be

1077

00:43:47,730 --> 00:43:46,180

interpreted as references to both these

1078

00:43:51,330 --> 00:43:47,740

events and eating eaten that I'm

1079

00:43:54,420 --> 00:43:51,340

describing and also a future apocalyptic

1080

00:43:57,510 --> 00:43:54,430

event and just like you said it's a one

1081

00:44:01,320 --> 00:43:57,520

of one of the what the event really is

1082

00:44:03,330 --> 00:44:01,330

is this opening of opening probably of

1083

00:44:06,090 --> 00:44:03,340

Hell but also it's more like the

1084

00:44:08,310 --> 00:44:06,100

collapsing of a pillar so there's this

1085

00:44:12,620 --> 00:44:08,320

image there's this idea that there's a

1086

00:44:14,820 --> 00:44:12,630

pillar between heaven and hell and earth

1087

00:44:17,740 --> 00:44:14,830

connecting all these three realms and

1088

00:44:19,210 --> 00:44:17,750

that if it's disturbed in any way

1089

00:44:22,150 --> 00:44:19,220

then it will collapse and they will all

1090

00:44:23,830 --> 00:44:22,160

sort of join together and some people

1091

00:44:26,140 --> 00:44:23,840

think that this is what CERN is going to

1092

00:44:27,520 --> 00:44:26,150

do and in fact CERN is on the people

1093

00:44:30,490 --> 00:44:27,530

that run it are basically saying well we

1094

00:44:32,110 --> 00:44:30,500

don't know it might happen so and then

1095

00:44:33,760 --> 00:44:32,120

of you Steven Steven Hawking the other

1096

00:44:37,000 --> 00:44:33,770

day of saying well that that is what's

1097

00:44:38,410 --> 00:44:37,010

going to happen but as far as the the

1098

00:44:40,390 --> 00:44:38,420

Stonehenge thing yeah I mean it's weird

1099

00:44:42,820 --> 00:44:40,400

you know these guys never just do

1100

00:44:44,530 --> 00:44:42,830

anything off-the-cuff of course there

1101
00:44:45,520 --> 00:44:44,540
was a meaning to it a reason why you

1102
00:44:48,490 --> 00:44:45,530
know I'm subscribed to the Whitehouse

1103
00:44:50,170 --> 00:44:48,500
YouTube channel and I always get pissed

1104
00:44:52,000 --> 00:44:50,180
off every day like this why you make a

1105
00:44:53,800 --> 00:44:52,010
video about that but you don't make a

1106
00:44:55,950 --> 00:44:53,810
video about this and it's always some

1107
00:44:58,200 --> 00:44:55,960
kind of self congratulatory

1108
00:45:01,180 --> 00:44:58,210
advertisement for how great Obama is

1109
00:45:02,650 --> 00:45:01,190
it's still disgusting so anyway this is

1110
00:45:04,660 --> 00:45:02,660
one of those he's supposed to make him

1111
00:45:07,960 --> 00:45:04,670
look cool and look at me and it still

1112
00:45:09,370 --> 00:45:07,970
hinged but um you know yeah they choose

1113
00:45:11,230 --> 00:45:09,380

which ones they're gonna do every day

1114

00:45:14,110 --> 00:45:11,240

and the way they presented this one it

1115

00:45:16,150 --> 00:45:14,120

definitely looked like he's he walks in

1116

00:45:17,920 --> 00:45:16,160

and he's like getting the information

1117

00:45:20,380 --> 00:45:17,930

from the curator of the place about

1118

00:45:22,000 --> 00:45:20,390

where's the exact center of the monument

1119

00:45:24,190 --> 00:45:22,010

and where was where's the Sun on the

1120

00:45:27,130 --> 00:45:24,200

Solstice it's over there oh okay and

1121

00:45:29,500 --> 00:45:27,140

like as though he's like this Master

1122

00:45:32,470 --> 00:45:29,510

Mason you know who has this deep

1123

00:45:34,510 --> 00:45:32,480

understanding of sacred geometry he's

1124

00:45:35,260 --> 00:45:34,520

like it's so wonderful being here I can

1125

00:45:39,370 --> 00:45:35,270

feel the power

1126

00:45:40,990 --> 00:45:39,380

mm-hmm and and then he got winks at the

1127

00:45:43,750 --> 00:45:41,000

camera too as he's doing this he's like

1128

00:45:45,070 --> 00:45:43,760

spreading his arms out pointing towards

1129

00:45:47,410 --> 00:45:45,080

where the Sun would be during the

1130

00:45:50,170 --> 00:45:47,420

solstice and he winks at the camera and

1131

00:45:51,700 --> 00:45:50,180

it's just kind of I don't know maybe it

1132

00:45:54,940 --> 00:45:51,710

was meant to make him look like some

1133

00:45:57,070 --> 00:45:54,950

sort of deity yeah he did being yes I

1134

00:45:59,050 --> 00:45:57,080

get that I mean for someone who's

1135

00:46:00,760 --> 00:45:59,060

looking into this type of thing you got

1136

00:46:02,470 --> 00:46:00,770

a raise your eyebrow to something like

1137

00:46:04,240 --> 00:46:02,480

that with all the things going on in the

1138

00:46:05,950 --> 00:46:04,250

world we're supposed to be so afraid of

1139

00:46:08,050 --> 00:46:05,960

Isis we're supposed to be so afraid of

1140

00:46:10,240 --> 00:46:08,060

Russia you're going to Stonehenge the

1141

00:46:12,340 --> 00:46:10,250

leader of our country is hanging out at

1142

00:46:14,230 --> 00:46:12,350

Stonehenge it does make make you seem a

1143

00:46:16,720 --> 00:46:14,240

little skeptical if you're clued into

1144

00:46:19,300 --> 00:46:16,730

this occult stuff yeah and so yeah I do

1145

00:46:21,910 --> 00:46:19,310

I do see a lot of references really that

1146

00:46:25,030 --> 00:46:21,920

could be interpreted as assuring in a

1147

00:46:26,620 --> 00:46:25,040

new age that's literally collapsing

1148

00:46:28,240 --> 00:46:26,630

these pillars and merging the worlds

1149

00:46:30,070 --> 00:46:28,250

like I'm talking about and opening up

1150

00:46:31,420 --> 00:46:30,080

the gates of Hell which is another thing

1151

00:46:33,160 --> 00:46:31,430

that is emerged in the new

1152

00:46:35,230 --> 00:46:33,170

lately you know Joseph Biden said it oh

1153

00:46:37,720 --> 00:46:35,240

we're gonna oh we're going to follow

1154

00:46:39,220 --> 00:46:37,730

Isis to the gates of Hell and he repeats

1155

00:46:41,319 --> 00:46:39,230

it like two or three times to the very

1156

00:46:45,460 --> 00:46:41,329

gates of Hell yeah hell is where they'll

1157

00:46:50,170 --> 00:46:45,470

reside yeah I saw that too I mean you

1158

00:46:51,910 --> 00:46:50,180

know it could be nothing but um you know

1159

00:46:55,809 --> 00:46:51,920

I just have my eyes open like I said and

1160

00:46:58,870 --> 00:46:55,819

and as far as is this something they're

1161

00:47:00,490 --> 00:46:58,880

trying to do well just from my own

1162

00:47:02,680 --> 00:47:00,500

experience I told you that they you know

1163

00:47:05,290 --> 00:47:02,690

persuaded me to do certain things and it

1164

00:47:07,329 --> 00:47:05,300

wasn't just laid out in the beginning it

1165

00:47:10,690 --> 00:47:07,339

was like I followed a path I was pulled

1166

00:47:12,190 --> 00:47:10,700

along like a fish on a hook mm-hmm this

1167

00:47:14,859 --> 00:47:12,200

and you'll get this do that and it was

1168

00:47:16,420 --> 00:47:14,869

all about like write a book about this

1169

00:47:18,579 --> 00:47:16,430

write an article about this and

1170

00:47:21,160 --> 00:47:18,589

presented in this way or present this

1171

00:47:23,680 --> 00:47:21,170

information and and then they wanted

1172

00:47:26,020 --> 00:47:23,690

they I had a you know this whole all the

1173

00:47:28,510 --> 00:47:26,030

spirit communications was sort of under

1174

00:47:30,250 --> 00:47:28,520

the auspices of what my friends and I

1175

00:47:32,020 --> 00:47:30,260

were calling the Ordo laps at excellast

1176

00:47:34,540 --> 00:47:32,030

this was our little secret society group

1177

00:47:36,880 --> 00:47:34,550

and eventually these spirits persuaded

1178

00:47:39,250 --> 00:47:36,890

us to open it up to the public take

1179

00:47:41,289 --> 00:47:39,260

members from the public get blood oaths

1180

00:47:42,190 --> 00:47:41,299

from them sent to us through the mail

1181

00:47:45,069 --> 00:47:42,200

yikes

1182

00:47:49,510 --> 00:47:45,079

and then they wanted me to write a book

1183

00:47:52,870 --> 00:47:49,520

for the second-degree members of the

1184

00:47:55,089 --> 00:47:52,880

order so I basically went into a trance

1185

00:47:58,480 --> 00:47:55,099

one day and didn't wrote this thing in

1186

00:48:00,250 --> 00:47:58,490

one day I didn't quite finish it and

1187

00:48:02,620 --> 00:48:00,260

because I got scared at the end actually

1188

00:48:04,720 --> 00:48:02,630

yeah it was a really freaky thing yeah

1189

00:48:06,819 --> 00:48:04,730

the document was really scares me even

1190

00:48:09,039 --> 00:48:06,829

to this day and but I put excerpts from

1191

00:48:10,870 --> 00:48:09,049

that large excerpts most of most of the

1192

00:48:12,700 --> 00:48:10,880

document really ended up in clock

1193

00:48:17,760 --> 00:48:12,710

shavings the the thing was called the

1194

00:48:21,000 --> 00:48:17,770

strange service manual and in there I

1195

00:48:22,990 --> 00:48:21,010

just it's a manual for what the

1196

00:48:25,720 --> 00:48:23,000

quartermaster's of the order who are

1197

00:48:28,510 --> 00:48:25,730

also eligible to be priests if they

1198

00:48:30,730 --> 00:48:28,520

wanted to we had we were trying to form

1199

00:48:34,089 --> 00:48:30,740

an organized a priesthood as we called

1200

00:48:37,809 --> 00:48:34,099

it and in writing magic rituals for how

1201
00:48:41,890 --> 00:48:37,819
to contact Baphomet and then form a

1202
00:48:44,950 --> 00:48:41,900
contract with him for your local lodge

1203
00:48:47,740 --> 00:48:44,960
and you and your local

1204
00:48:50,050 --> 00:48:47,750
could do all these rituals and you know

1205
00:48:51,640 --> 00:48:50,060
he it would have various results so the

1206
00:48:54,670 --> 00:48:51,650
book had all these rituals in it and

1207
00:48:56,020 --> 00:48:54,680
also the is the description of what the

1208
00:48:57,370 --> 00:48:56,030
orders purpose was and what it was

1209
00:49:01,440 --> 00:48:57,380
trying to do what the purpose of the

1210
00:49:06,310 --> 00:49:04,359
so what it ended up being like one of

1211
00:49:09,430 --> 00:49:06,320
the last chapters of the book was all

1212
00:49:11,950 --> 00:49:09,440
about what was called the Divine Right

1213
00:49:13,510 --> 00:49:11,960

mm-hmm I'm channeling all this you know

1214

00:49:15,490 --> 00:49:13,520

this is the only thing that I've ever

1215

00:49:17,200 --> 00:49:15,500

written where I would say it was as

1216

00:49:21,760 --> 00:49:17,210

close to automatic writing as I've ever

1217

00:49:23,920 --> 00:49:21,770

gotten Wow um and anyway so what it was

1218

00:49:27,220 --> 00:49:23,930

is the Divine Right is this thing that

1219

00:49:31,480 --> 00:49:27,230

we would do once a year around December

1220

00:49:36,099 --> 00:49:31,490

23rd where we would do a ritual

1221

00:49:40,510 --> 00:49:36,109

pretending to be crowning the Grail King

1222

00:49:43,870 --> 00:49:40,520

and that every year as we would do the

1223

00:49:46,329 --> 00:49:43,880

ritual goes like this that you crown him

1224

00:49:48,870 --> 00:49:46,339

and then you sacrifice him and then he

1225

00:49:51,490 --> 00:49:48,880

is possessed with the spirit of Baphomet

1226

00:49:53,700 --> 00:49:51,500

laughing that through him and he becomes

1227

00:49:56,200 --> 00:49:53,710

this transcendent transcendent being

1228

00:49:58,540 --> 00:49:56,210

Andrew you know becomes then the lord of

1229

00:50:01,060 --> 00:49:58,550

the earth somehow and is able to rule

1230

00:50:02,950 --> 00:50:01,070

the earth Wow well you know crowning him

1231

00:50:05,440 --> 00:50:02,960

and sacrificing him where are we seeing

1232

00:50:12,040 --> 00:50:05,450

that before you know that's Jesus right

1233

00:50:14,320 --> 00:50:12,050

there yeah yeah well yeah it's at any

1234

00:50:17,589 --> 00:50:14,330

rate so the idea was that we do this

1235

00:50:19,599 --> 00:50:17,599

every year and at the time we were also

1236

00:50:22,089 --> 00:50:19,609

the order laps at Excellus actually

1237

00:50:23,560 --> 00:50:22,099

became connected to this other thing

1238

00:50:27,670 --> 00:50:23,570

called the dragon court that I was

1239

00:50:30,490 --> 00:50:27,680

involved in at the time and guy running

1240

00:50:32,470 --> 00:50:30,500

it at the time was Nicolas de Vere he

1241

00:50:34,990 --> 00:50:32,480

called himself Prince Nicholas de Vere

1242

00:50:36,550 --> 00:50:35,000

von der dragon bird and he said that

1243

00:50:39,609 --> 00:50:36,560

there he was the king of this kingdom

1244

00:50:41,500 --> 00:50:39,619

called drakensberg and that it was like

1245

00:50:44,260 --> 00:50:41,510

this right well first of all he said

1246

00:50:46,329 --> 00:50:44,270

that he was a dragon dragons are like

1247

00:50:48,190 --> 00:50:46,339

basically descendants of these fallen

1248

00:50:49,750 --> 00:50:48,200

angels that I'm talking about and he

1249

00:50:53,200 --> 00:50:49,760

believed that they people of this

1250

00:50:55,510 --> 00:50:53,210

bloodline had extra special magical

1251
00:50:58,599 --> 00:50:55,520
powers and that they were the rightful

1252
00:51:01,989 --> 00:50:58,609
heirs to certain Thrones but he

1253
00:51:04,329 --> 00:51:01,999
called the the kingdom that they that he

1254
00:51:07,630 --> 00:51:04,339
ruled supposedly Drakon burg and he said

1255
00:51:10,749 --> 00:51:07,640
that he actually went around saying that

1256
00:51:12,430 --> 00:51:10,759
like the the government of England and

1257
00:51:15,069 --> 00:51:12,440
other people and governments throughout

1258
00:51:17,380 --> 00:51:15,079
the world would recognized his kingdom

1259
00:51:19,239 --> 00:51:17,390
and that once it was created they would

1260
00:51:22,539 --> 00:51:19,249
they would you know give an official

1261
00:51:24,729 --> 00:51:22,549
recognition hmm so we were connected

1262
00:51:27,279 --> 00:51:24,739
with these people at the time and so

1263
00:51:30,910 --> 00:51:27,289

when we were talking about creating the

1264

00:51:33,099 --> 00:51:30,920

Grail Kingdom we actually had this in

1265

00:51:35,589 --> 00:51:33,109

mind literally that this guy was going

1266

00:51:37,809 --> 00:51:35,599

to be the Grail King and he put on the

1267

00:51:39,339 --> 00:51:37,819

throne and then basically you know play

1268

00:51:42,849 --> 00:51:39,349

out what seemed to be the role of the

1269

00:51:45,579 --> 00:51:42,859

Antichrist once you think about it and

1270

00:51:47,559 --> 00:51:45,589

the reason why we took his claim

1271

00:51:50,229 --> 00:51:47,569

seriously at all it was simply because

1272

00:51:52,749 --> 00:51:50,239

that's what Baphomet was at the time I

1273

00:51:54,519 --> 00:51:52,759

was friends with this guy I was trying

1274

00:51:55,989 --> 00:51:54,529

to help him publish a book all rights

1275

00:51:57,729 --> 00:51:55,999

told him I was going to help him publish

1276

00:52:01,329 --> 00:51:57,739

a book but I really wasn't trying very

1277

00:52:04,660 --> 00:52:01,339

hard I was busy with other things and at

1278

00:52:08,529 --> 00:52:04,670

one point Baphomet told us that she

1279

00:52:11,109 --> 00:52:08,539

Baphomet had cursed us because we hadn't

1280

00:52:13,509 --> 00:52:11,119

fulfilled our requirements to Nicolas de

1281

00:52:15,009 --> 00:52:13,519

Vere to help him publish the book and we

1282

00:52:18,339 --> 00:52:15,019

said you know why you care about Nicolas

1283

00:52:21,210 --> 00:52:18,349

de Vere and she were told because she is

1284

00:52:24,039 --> 00:52:21,220

related Baphomet is related to Nick so

1285

00:52:27,249 --> 00:52:24,049

the the spirits basically told us at the

1286

00:52:29,229 --> 00:52:27,259

time that they were corroborating in

1287

00:52:31,150 --> 00:52:29,239

large part what Nicholas was saying

1288

00:52:33,220 --> 00:52:31,160

about himself and if you think about a

1289

00:52:34,900 --> 00:52:33,230

dragon Berg is probably hell you know

1290

00:52:36,640 --> 00:52:34,910

that's what that's actually the

1291

00:52:38,559 --> 00:52:36,650

conclusion that I came to as I was

1292

00:52:41,440 --> 00:52:38,569

writing this book and what gave me

1293

00:52:42,549 --> 00:52:41,450

enough chills to put down my pen and say

1294

00:52:44,589 --> 00:52:42,559

okay I have to think about what I'm

1295

00:52:46,420 --> 00:52:44,599

doing here you know this isn't basically

1296

00:52:48,849 --> 00:52:46,430

yeah I mean a ritual that would open up

1297

00:52:51,249 --> 00:52:48,859

the gates of Hell let this being

1298

00:52:55,299 --> 00:52:51,259

Baphomet come through and possess this

1299

00:52:56,680 --> 00:52:55,309

person man yeah Obama doesn't need to go

1300

00:52:57,400 --> 00:52:56,690

to Stonehenge you're gonna do the work

1301
00:53:01,029 --> 00:52:57,410
for him

1302
00:53:03,999 --> 00:53:01,039
yeah well fortunately maybe fortunately

1303
00:53:06,130 --> 00:53:04,009
I guess Nick didn't seem to have become

1304
00:53:08,349 --> 00:53:06,140
the Antichrist oh he he's dead now so

1305
00:53:10,989 --> 00:53:08,359
right hon someone else will have to play

1306
00:53:11,960 --> 00:53:10,999
that role okay I wanted to double back a

1307
00:53:14,960 --> 00:53:11,970
little bit

1308
00:53:16,580 --> 00:53:14,970
to the pillars pillars collapsing

1309
00:53:19,010 --> 00:53:16,590
symbolism because of course we're

1310
00:53:21,109 --> 00:53:19,020
recording this on September 10th it's

1311
00:53:22,849 --> 00:53:21,119
going to go up in a couple of days you

1312
00:53:25,580 --> 00:53:22,859
know I'm kind of sick of the 9/11 thing

1313
00:53:27,650 --> 00:53:25,590

over so many years and I don't want to

1314

00:53:29,480 --> 00:53:27,660

do a 9/11 show every year on this date

1315

00:53:31,010 --> 00:53:29,490

but it's interesting do you think there

1316

00:53:33,589 --> 00:53:31,020

is any type of a cult

1317

00:53:36,170 --> 00:53:33,599

you know connection or symbolism between

1318

00:53:38,810 --> 00:53:36,180

the Twin Towers collapsing and the elite

1319

00:53:41,599 --> 00:53:38,820

trying to usher in this type of portal

1320

00:53:43,160 --> 00:53:41,609

opening probably I mean really you know

1321

00:53:46,520 --> 00:53:43,170

yeah if that event was planned and even

1322

00:53:48,890 --> 00:53:46,530

if it wasn't as conspiracy of the

1323

00:53:50,540 --> 00:53:48,900

governments it was probably somehow

1324

00:53:52,520 --> 00:53:50,550

could see so many things are being

1325

00:53:54,770 --> 00:53:52,530

coordinated by demons I realize now you

1326

00:53:56,690 --> 00:53:54,780

know I mean I don't mean I I know it

1327

00:53:58,400 --> 00:53:56,700

sounds crackpot urge to just declare

1328

00:54:00,339 --> 00:53:58,410

that but I mean honestly this is just

1329

00:54:02,810 --> 00:54:00,349

what I think is going on there are these

1330

00:54:04,609 --> 00:54:02,820

weird coincidences that happen

1331

00:54:06,650 --> 00:54:04,619

and you think how could the conspiracy

1332

00:54:09,710 --> 00:54:06,660

be that vast but it isn't they're just

1333

00:54:13,250 --> 00:54:09,720

the workings for people's minds mmm in

1334

00:54:15,440 --> 00:54:13,260

very subtle ways so uh you know anything

1335

00:54:19,550 --> 00:54:15,450

really you know could be interpreted as

1336

00:54:21,320 --> 00:54:19,560

somehow being an omen of of what might

1337

00:54:23,270 --> 00:54:21,330

be coming down the pike here and it's

1338

00:54:26,720 --> 00:54:23,280

frightening to think about because I

1339

00:54:29,870 --> 00:54:26,730

enjoy living and I don't I don't want

1340

00:54:32,260 --> 00:54:29,880

time to stop for anything and I keep

1341

00:54:35,510 --> 00:54:32,270

talking about is not just some

1342

00:54:36,859 --> 00:54:35,520

apocalyptic mass death and things like

1343

00:54:39,589 --> 00:54:36,869

that although that's part of the story

1344

00:54:42,500 --> 00:54:39,599

that's just part of it and yeah like you

1345

00:54:44,470 --> 00:54:42,510

said pillar is collapsing that's like

1346

00:54:48,260 --> 00:54:44,480

the really the end of the story where

1347

00:54:50,300 --> 00:54:48,270

what it results in finally is basically

1348

00:54:53,150 --> 00:54:50,310

a separation like an alchemical

1349

00:54:55,040 --> 00:54:53,160

separation of elements of the good guys

1350

00:54:57,650 --> 00:54:55,050

in the bad guys the good souls and the

1351
00:54:58,900 --> 00:54:57,660
bad souls and they get put into the

1352
00:55:02,900 --> 00:54:58,910
things that are going to get preserved

1353
00:55:04,940 --> 00:55:02,910
get put into the ark into the one box of

1354
00:55:07,160 --> 00:55:04,950
things and this is described in

1355
00:55:08,810 --> 00:55:07,170
Revelation as the New Jerusalem it's

1356
00:55:11,930 --> 00:55:08,820
this cubic City that descends from the

1357
00:55:15,230 --> 00:55:11,940
sky and all the righteous people go

1358
00:55:17,480 --> 00:55:15,240
inside and their names are written in

1359
00:55:18,710 --> 00:55:17,490
the book of life if your name isn't

1360
00:55:20,839 --> 00:55:18,720
written there it's like you don't exist

1361
00:55:24,400 --> 00:55:20,849
you're stuck outside the gates of the

1362
00:55:29,050 --> 00:55:24,410
cube and outside is chaos

1363
00:55:31,030 --> 00:55:29,060

yeah and so this is what I think is

1364

00:55:32,920 --> 00:55:31,040

happening and there's a game being

1365

00:55:34,740 --> 00:55:32,930

played right now where the demons the

1366

00:55:38,530 --> 00:55:34,750

ones that are trapped on the lower realm

1367

00:55:40,540 --> 00:55:38,540

think that they can play this game right

1368

00:55:43,870 --> 00:55:40,550

in such a way that they will be the ones

1369

00:55:48,520 --> 00:55:43,880

on the inside piloting the ark in

1370

00:55:50,050 --> 00:55:48,530

control of reality at the end but how to

1371

00:55:53,440 --> 00:55:50,060

play their cards just right because

1372

00:55:55,980 --> 00:55:53,450

otherwise everything that the book of

1373

00:55:58,210 --> 00:55:55,990

Revelation says will happen which is the

1374

00:56:01,240 --> 00:55:58,220

preservation of these few righteous

1375

00:56:03,490 --> 00:56:01,250

souls in this cubic City as it's called

1376

00:56:05,320 --> 00:56:03,500

it's not really I mean it's a city in a

1377

00:56:08,980 --> 00:56:05,330

very weird sense not in a traditional

1378

00:56:13,390 --> 00:56:08,990

sense but everything outside it's going

1379

00:56:16,840 --> 00:56:13,400

to be utterly annihilated so does not

1380

00:56:18,790 --> 00:56:16,850

sound good no I mean and it's not and

1381

00:56:21,520 --> 00:56:18,800

also - you think Falls is they'll be

1382

00:56:22,780 --> 00:56:21,530

annihilated so it'll be no big deal you

1383

00:56:24,280 --> 00:56:22,790

know at the end you know if you've been

1384

00:56:25,600 --> 00:56:24,290

annihilated you won't know it because

1385

00:56:27,100 --> 00:56:25,610

you won't be there right yeah that's

1386

00:56:28,390 --> 00:56:27,110

right but for something yeah I don't

1387

00:56:30,130 --> 00:56:28,400

think that's the end of it I mean it's

1388

00:56:33,730 --> 00:56:30,140

described as the lake of fire they

1389

00:56:36,940 --> 00:56:33,740

describe this eternal pain damnation so

1390

00:56:39,310 --> 00:56:36,950

and I think it's kind of like the realm

1391

00:56:41,140 --> 00:56:39,320

that they're in now only maybe worse you

1392

00:56:44,350 --> 00:56:41,150

know because the real that they're in

1393

00:56:46,300 --> 00:56:44,360

now they they say that they don't exist

1394

00:56:47,590 --> 00:56:46,310

or that they're not alive and yet you

1395

00:56:49,780 --> 00:56:47,600

can communicate with them and they're

1396

00:56:51,730 --> 00:56:49,790

doing things so it means that they're

1397

00:56:55,480 --> 00:56:51,740

somehow having to endure the pain of

1398

00:56:58,990 --> 00:56:55,490

death but they're still there's still

1399

00:57:00,990 --> 00:56:59,000

some consciousness there so I think that

1400

00:57:05,910 --> 00:57:01,000

somehow that's what happens in the end

1401
00:57:07,600 --> 00:57:05,920
and yeah so I'd rather it happen later

1402
00:57:11,350 --> 00:57:07,610
yeah of course

1403
00:57:13,210 --> 00:57:11,360
um man this is also fascinating and it's

1404
00:57:15,280 --> 00:57:13,220
a whole different take on a lot of

1405
00:57:17,140 --> 00:57:15,290
things that are talked about and the

1406
00:57:19,180 --> 00:57:17,150
conspiracy world all the time but

1407
00:57:21,520 --> 00:57:19,190
without this added context so they seem

1408
00:57:23,440 --> 00:57:21,530
a little bit off one example I've heard

1409
00:57:25,450 --> 00:57:23,450
you say in other interviews that you

1410
00:57:27,970 --> 00:57:25,460
don't think it makes sense for the elite

1411
00:57:29,770 --> 00:57:27,980
to just leave us a code you know a lot

1412
00:57:31,150 --> 00:57:29,780
of people talk about oh well all these

1413
00:57:32,440 --> 00:57:31,160

symbols and stuff they're telling us

1414

00:57:34,300 --> 00:57:32,450

what they're doing they're leaving us a

1415

00:57:35,740 --> 00:57:34,310

code to figure out and I'm with you I

1416

00:57:38,080 --> 00:57:35,750

don't really think that makes much sense

1417

00:57:39,490 --> 00:57:38,090

at all and you kind of alluded that it's

1418

00:57:41,320 --> 00:57:39,500

probably the reason we see it is

1419

00:57:44,560 --> 00:57:41,330

probably just for the sake of the magic

1420

00:57:46,450 --> 00:57:44,570

itself and one more thing about 911 that

1421

00:57:48,220 --> 00:57:46,460

I'm curious about is you know a lot of

1422

00:57:49,870 --> 00:57:48,230

people talk about these references to it

1423

00:57:51,970 --> 00:57:49,880

that have existed in movies and

1424

00:57:54,430 --> 00:57:51,980

television way before the actual event

1425

00:57:56,740 --> 00:57:54,440

you know in the Matrix Neos passport

1426

00:57:59,140 --> 00:57:56,750

expires on September 11th 2001

1427

00:58:00,820 --> 00:57:59,150

it's the Simpsons had a reference to it

1428

00:58:04,150 --> 00:58:00,830

the Rugrats movie had a reference to it

1429

00:58:06,910 --> 00:58:04,160

and now I'm almost wondering if this is

1430

00:58:10,450 --> 00:58:06,920

the demonic muse you know the influence

1431

00:58:13,510 --> 00:58:10,460

of the the subconscious of humanity

1432

00:58:16,090 --> 00:58:13,520

trying to push us towards that type of

1433

00:58:18,070 --> 00:58:16,100

event just a weird thought but I think

1434

00:58:19,480 --> 00:58:18,080

that actually makes more sense than the

1435

00:58:21,910 --> 00:58:19,490

idea that the elite have just been

1436

00:58:26,560 --> 00:58:21,920

laying out the breadcrumbs way before

1437

00:58:30,280 --> 00:58:26,570

the event yeah I think that this is

1438

00:58:32,410 --> 00:58:30,290

beyond human planning basically so yeah

1439

00:58:34,270 --> 00:58:32,420

all these little breadcrumbs as they're

1440

00:58:36,130 --> 00:58:34,280

thought of yeah the way they are

1441

00:58:38,920 --> 00:58:36,140

breadcrumbs because I do think that

1442

00:58:40,960 --> 00:58:38,930

these things are meant you're meant to

1443

00:58:42,580 --> 00:58:40,970

meditate on them and kind of be

1444

00:58:47,650 --> 00:58:42,590

entranced by them and be affected by

1445

00:58:50,860 --> 00:58:47,660

them but the purpose really is to but

1446

00:58:52,510 --> 00:58:50,870

through your mind contemplating it that

1447

00:58:55,750 --> 00:58:52,520

affects reality see this is the this is

1448

00:58:58,990 --> 00:58:55,760

the role I think we play why they they

1449

00:59:01,480 --> 00:58:59,000

the demons resent us and also need to

1450

00:59:04,510 --> 00:59:01,490

somehow take what we have and control it

1451
00:59:07,210 --> 00:59:04,520
is because we were put in the position

1452
00:59:09,970 --> 00:59:07,220
of interpreting reality and thereby in

1453
00:59:11,740 --> 00:59:09,980
awake and defining it if not creating it

1454
00:59:14,920 --> 00:59:11,750
you know gods the creator but somehow

1455
00:59:18,490 --> 00:59:14,930
we're very instrumental and create in

1456
00:59:20,230 --> 00:59:18,500
defining it yes our perception that's

1457
00:59:23,500 --> 00:59:20,240
what they that's one of the things they

1458
00:59:26,490 --> 00:59:23,510
need us for and they're trying to

1459
00:59:28,870 --> 00:59:26,500
utilize us drive us like a vehicle to

1460
00:59:30,610 --> 00:59:28,880
not only do certain things but believe

1461
00:59:33,520 --> 00:59:30,620
certain things because when we believe

1462
00:59:37,720 --> 00:59:33,530
them it makes them true Yeah right

1463
00:59:39,700 --> 00:59:37,730

so yeah I think that some of these these

1464

00:59:41,460 --> 00:59:39,710

stories and archetypes that we get

1465

00:59:43,420 --> 00:59:41,470

exposed to over and over again just

1466

00:59:45,040 --> 00:59:43,430

that's the effect that it has it has

1467

00:59:46,990 --> 00:59:45,050

like you said a magical effect every

1468

00:59:50,890 --> 00:59:47,000

time we're exposed to it it is a ritual

1469

00:59:54,760 --> 00:59:53,049

it doesn't necessarily matter whether

1470

00:59:56,799 --> 00:59:54,770

we're consciously aware of what it means

1471

00:59:59,170 --> 00:59:56,809

or not right although more and more

1472

01:00:00,490 --> 00:59:59,180

people are becoming consciously aware of

1473

01:00:03,760 --> 01:00:00,500

it but it's almost too late at this

1474

01:00:05,529 --> 01:00:03,770

point I mean I'm out of my depth

1475

01:00:07,029 --> 01:00:05,539

completely when it comes to trying to

1476

01:00:08,980 --> 01:00:07,039

analyze this stuff I mean for one thing

1477

01:00:12,099 --> 01:00:08,990

I'm not really as plugged into pop

1478

01:00:15,609 --> 01:00:12,109

culture as others so I don't know what's

1479

01:00:18,069 --> 01:00:15,619

going on in music and I I don't even I

1480

01:00:19,510 --> 01:00:18,079

had to cancel my TV subscription a

1481

01:00:22,510 --> 01:00:19,520

couple weeks ago I never even watched it

1482

01:00:24,309 --> 01:00:22,520

so I don't know what's what all's going

1483

01:00:25,930 --> 01:00:24,319

on but now every time I look into it you

1484

01:00:27,279 --> 01:00:25,940

know I'm just overwhelmed this I

1485

01:00:30,190 --> 01:00:27,289

couldn't I could spend the rest of my

1486

01:00:31,599 --> 01:00:30,200

life analyzing this stuff and I would

1487

01:00:32,980 --> 01:00:31,609

never there would be so much more

1488

01:00:36,400 --> 01:00:32,990

produced in the time that I spent

1489

01:00:38,470 --> 01:00:36,410

writing about it yeah it is definitely

1490

01:00:40,870 --> 01:00:38,480

confusing at times but so let's say you

1491

01:00:42,730 --> 01:00:40,880

got these demons or these fallen angels

1492

01:00:44,680 --> 01:00:42,740

these entities and they've been

1493

01:00:46,660 --> 01:00:44,690

persistent for who knows how long

1494

01:00:48,549 --> 01:00:46,670

thousands of years maybe hundreds of

1495

01:00:50,410 --> 01:00:48,559

thousands of years and now they're

1496

01:00:52,539 --> 01:00:50,420

getting help from the powerful puppet

1497

01:00:55,630 --> 01:00:52,549

masters on the planet I mean it seems

1498

01:00:59,620 --> 01:00:55,640

like things are ramping up and this is a

1499

01:01:02,470 --> 01:00:59,630

weird time but I mean what can we do to

1500

01:01:04,329 --> 01:01:02,480

I guess fight back and not just like

1501

01:01:05,890 --> 01:01:04,339

acknowledge it and sit and wait for it

1502

01:01:07,870 --> 01:01:05,900

to happen I mean it seems like a pretty

1503

01:01:10,990 --> 01:01:07,880

devastating time I mean is it inevitable

1504

01:01:14,559 --> 01:01:11,000

is there anything we can do to have a

1505

01:01:17,289 --> 01:01:14,569

more positive outcome here I I think it

1506

01:01:20,890 --> 01:01:17,299

might be inevitable yeah ouch

1507

01:01:23,589 --> 01:01:20,900

if it's gonna happen so I mean you know

1508

01:01:25,210 --> 01:01:23,599

as little things like trying to well

1509

01:01:27,010 --> 01:01:25,220

even that I was going to say you know a

1510

01:01:29,319 --> 01:01:27,020

few weeks a few years ago I used to do

1511

01:01:31,690 --> 01:01:29,329

interviews sometimes about economics and

1512

01:01:33,789 --> 01:01:31,700

people would say what can we do and you

1513

01:01:36,250 --> 01:01:33,799

know I would give advice about me you

1514

01:01:38,950 --> 01:01:36,260

know somehow trying to have you know a

1515

01:01:41,730 --> 01:01:38,960

revolution or create self-sufficiency

1516

01:01:44,230 --> 01:01:41,740

for yourself but that's just about

1517

01:01:47,400 --> 01:01:44,240

preserving yourself from financial ruin

1518

01:01:52,359 --> 01:01:47,410

and obviously there's no advice if

1519

01:01:55,029 --> 01:01:52,369

there's a mass death from nuclear war or

1520

01:01:59,470 --> 01:01:55,039

diseases these things seem like they're

1521

01:02:00,940 --> 01:01:59,480

impending and coming and then the larger

1522

01:02:03,250 --> 01:02:00,950

thing of course is the collapsing of the

1523

01:02:04,450 --> 01:02:03,260

pillars I really don't think we can do

1524

01:02:06,750 --> 01:02:04,460

anything about that

1525

01:02:09,339 --> 01:02:06,760

it's a much larger plan and it's been in

1526

01:02:11,890 --> 01:02:09,349

the works from the beginning this is all

1527

01:02:14,740 --> 01:02:11,900

programmed in from the beginning man

1528

01:02:16,270 --> 01:02:14,750

so I guess let me ask you then if can

1529

01:02:19,960 --> 01:02:16,280

you give us any other examples of events

1530

01:02:22,480 --> 01:02:19,970

in modern times that to you might might

1531

01:02:23,980 --> 01:02:22,490

point to possible attempts to open

1532

01:02:26,680 --> 01:02:23,990

portals or have some type of

1533

01:02:31,180 --> 01:02:26,690

relationship to doing the work of these

1534

01:02:33,880 --> 01:02:31,190

entities well you know everything that I

1535

01:02:40,660 --> 01:02:33,890

might list would just be sort of a

1536

01:02:43,060 --> 01:02:40,670

ritual and hypnotic effort and there's

1537

01:02:46,450 --> 01:02:43,070

many of those but as far as actually

1538

01:02:49,060 --> 01:02:46,460

trying to break open the gates

1539

01:02:50,500 --> 01:02:49,070

it's CERN I mean they've said that

1540

01:02:53,770 --> 01:02:50,510

that's what they're doing and it's all

1541

01:02:56,589 --> 01:02:53,780

throughout their logos and what they

1542

01:02:58,300 --> 01:02:56,599

choose to call their projects the

1543

01:03:01,180 --> 01:02:58,310

interviews that they do is what they say

1544

01:03:04,120 --> 01:03:01,190

they're their experiments are they talk

1545

01:03:07,030 --> 01:03:04,130

about literally opening portals but they

1546

01:03:09,190 --> 01:03:07,040

say oh they're so tiny I don't worry

1547

01:03:11,320 --> 01:03:09,200

about early open for a little bit of

1548

01:03:13,210 --> 01:03:11,330

time just at a fraction of a second wait

1549

01:03:16,960 --> 01:03:13,220

I mean how long does it take for the

1550

01:03:19,570 --> 01:03:16,970

universe to end how much of an opening

1551

01:03:21,910 --> 01:03:19,580

you have to make I don't think that that

1552

01:03:23,380 --> 01:03:21,920

can be measured or described right I

1553

01:03:25,060 --> 01:03:23,390

don't know what makes they're so

1554

01:03:26,560 --> 01:03:25,070

confident about it I mean I guess maybe

1555

01:03:29,500 --> 01:03:26,570

they're they've got big balls because

1556

01:03:31,720 --> 01:03:29,510

they've done so many things working with

1557

01:03:32,859 --> 01:03:31,730

the models of theoretical physics and

1558

01:03:34,829 --> 01:03:32,869

they've been right or they feel like

1559

01:03:37,000 --> 01:03:34,839

they've been right but I also think that

1560

01:03:39,579 --> 01:03:37,010

I've always just thought theoretical

1561

01:03:42,010 --> 01:03:39,589

physics is just kind of that's totally

1562

01:03:47,260 --> 01:03:42,020

crackpot ish but just as you're

1563

01:03:49,900 --> 01:03:47,270

exploring the quantum realms of atoms I

1564

01:03:50,620 --> 01:03:49,910

think they just keep finding what

1565

01:03:53,560 --> 01:03:50,630

they're looking for

1566

01:03:55,120 --> 01:03:53,570

mm-hmm and maybe that's isn't that part

1567

01:03:57,220 --> 01:03:55,130

of the description of what quantum

1568

01:03:59,430 --> 01:03:57,230

reality is that you're projecting so

1569

01:04:02,320 --> 01:03:59,440

much of it right at the observer effect

1570

01:04:05,579 --> 01:04:02,330

well I mean it seems to me you know this

1571

01:04:09,810 --> 01:04:05,589

is my just amateur observations that

1572

01:04:13,810 --> 01:04:09,820

they keep coming up with imaginary

1573

01:04:17,140 --> 01:04:13,820

particles and then they find them and I

1574

01:04:18,430 --> 01:04:17,150

don't know what the failure rate is but

1575

01:04:19,780 --> 01:04:18,440

it just seems like

1576

01:04:20,770 --> 01:04:19,790

the more they look the more they find

1577

01:04:23,320 --> 01:04:20,780

what they think they're going to find

1578

01:04:26,260 --> 01:04:23,330

yeah like the more the more energy or

1579

01:04:28,660 --> 01:04:26,270

the more the more detailed the concept

1580

01:04:31,570 --> 01:04:28,670

you know as the concept or idea

1581

01:04:33,220 --> 01:04:31,580

the theory gets more defined then

1582

01:04:35,530 --> 01:04:33,230

eventually they find it maybe that

1583

01:04:39,450 --> 01:04:35,540

speaks to the human's ability to

1584

01:04:43,870 --> 01:04:39,460

co-create the universe it probably does

1585

01:04:45,430 --> 01:04:43,880

but yeah I can't I don't I don't

1586

01:04:47,350 --> 01:04:45,440

understand what they're doing and I

1587

01:04:49,330 --> 01:04:47,360

don't think that very many people do and

1588

01:04:50,740 --> 01:04:49,340

that's really what's scary about it no

1589

01:04:52,560 --> 01:04:50,750

one knew what the people with the atom

1590

01:04:55,840 --> 01:04:52,570

bomb we're doing really you couldn't

1591

01:04:57,250 --> 01:04:55,850

it's very hard to just to wrap your mind

1592

01:04:59,560 --> 01:04:57,260

around it when they're doing to describe

1593

01:05:01,810 --> 01:04:59,570

what they did to make that bomb well and

1594

01:05:03,640 --> 01:05:01,820

that's how that was a you know a long

1595

01:05:07,030 --> 01:05:03,650

time ago what they're doing now is way

1596

01:05:10,630 --> 01:05:07,040

more complicated right and again I just

1597

01:05:13,060 --> 01:05:10,640

don't necessarily believe that they have

1598

01:05:14,710 --> 01:05:13,070

a handle on the consequences plus you

1599

01:05:19,180 --> 01:05:14,720

got to think we what if these guys are

1600

01:05:22,030 --> 01:05:19,190

just possessed mad scientist's what I

1601
01:05:24,670 --> 01:05:22,040
experienced with the way that talking to

1602
01:05:27,340 --> 01:05:24,680
demons changed my perspective what I

1603
01:05:30,760 --> 01:05:27,350
thought was reasonable and what I would

1604
01:05:33,010 --> 01:05:30,770
be willing to do basically just be and I

1605
01:05:35,050 --> 01:05:33,020
basically thought I was just following

1606
01:05:36,970 --> 01:05:35,060
the program because hey it's working you

1607
01:05:39,550 --> 01:05:36,980
know they're talking to me I'm learning

1608
01:05:41,800 --> 01:05:39,560
the secrets of magic I might as well

1609
01:05:44,050 --> 01:05:41,810
just follow the program because learning

1610
01:05:46,270 --> 01:05:44,060
so much well if they're under a similar

1611
01:05:49,930 --> 01:05:46,280
spell whether they realize it or not

1612
01:05:54,100 --> 01:05:49,940
from demons then their perspective of

1613
01:05:56,650 --> 01:05:54,110

what they should go ahead and try is is

1614

01:05:59,110 --> 01:05:56,660

warp and they may know that they're

1615

01:06:01,330 --> 01:05:59,120

opening a portal and think Oh it'll be

1616

01:06:03,280 --> 01:06:01,340

great oh you know we'll bring the demons

1617

01:06:05,830 --> 01:06:03,290

in and they'll it'll be a revolution you

1618

01:06:09,430 --> 01:06:05,840

know like you've read them the book of

1619

01:06:13,620 --> 01:06:09,440

the law and right away Aleister Crowley

1620

01:06:16,030 --> 01:06:13,630

portrays the apocalypse I mean obviously

1621

01:06:19,690 --> 01:06:16,040

he was being told basically he and his

1622

01:06:24,700 --> 01:06:19,700

friends are going to be you know the top

1623

01:06:26,200 --> 01:06:24,710

[h__\h] in the New World Order and it's

1624

01:06:28,600 --> 01:06:26,210

okay that everyone else is dying because

1625

01:06:30,610 --> 01:06:28,610

you'll be you'll have your own seats of

1626

01:06:32,100 --> 01:06:30,620

power and you'll be wealthy and be able

1627

01:06:37,440 --> 01:06:32,110

to do whatever you want

1628

01:06:41,310 --> 01:06:37,450

oh I doubt that once once the gate is

1629

01:06:45,450 --> 01:06:41,320

open basically there's no restraint from

1630

01:06:47,400 --> 01:06:45,460

these beings and right I don't yeah

1631

01:06:49,410 --> 01:06:47,410

they're not going to hold their promises

1632

01:06:51,600 --> 01:06:49,420

it's kind of like the sequel to Aladdin

1633

01:06:53,460 --> 01:06:51,610

because we know Jafar turns into a genie

1634

01:06:55,800 --> 01:06:53,470

and all-powerful genie and he's put in

1635

01:06:58,290 --> 01:06:55,810

the lamp and then he has to coax someone

1636

01:06:59,640 --> 01:06:58,300

to bring him out and then once he's out

1637

01:07:01,200 --> 01:06:59,650

he's like I don't give a [h__h] about you

1638

01:07:03,510 --> 01:07:01,210

I'm gonna kill you you know I'm gonna

1639

01:07:05,130 --> 01:07:03,520

just own everything you're screwed now

1640

01:07:09,810 --> 01:07:05,140

oh yeah

1641

01:07:12,870 --> 01:07:09,820

well man yes this has been a real blast

1642

01:07:16,530 --> 01:07:12,880

I mean it's depressing it's definitely

1643

01:07:18,810 --> 01:07:16,540

dark but I always am willing to explore

1644

01:07:21,090 --> 01:07:18,820

what's going on beneath the veil beneath

1645

01:07:22,740 --> 01:07:21,100

the surface and if that stuff is dark

1646

01:07:24,540 --> 01:07:22,750

then so be it it doesn't mean it should

1647

01:07:26,730 --> 01:07:24,550

be avoided it means it should be talked

1648

01:07:28,500 --> 01:07:26,740

about and understood so I really

1649

01:07:30,720 --> 01:07:28,510

appreciate the conversation I had like

1650

01:07:32,700 --> 01:07:30,730

eight pages of questions here we got to

1651

01:07:35,340 --> 01:07:32,710

page two and then just went off into

1652

01:07:37,320 --> 01:07:35,350

crazy land and I loved it I loved it but

1653

01:07:39,150 --> 01:07:37,330

I hope someday we can have another

1654

01:07:41,700 --> 01:07:39,160

conversation and talk more about the

1655

01:07:43,350 --> 01:07:41,710

alchemical properties of money and the

1656

01:07:45,810 --> 01:07:43,360

control system there because that's a

1657

01:07:47,130 --> 01:07:45,820

whole can of worms as well but before I

1658

01:07:48,540 --> 01:07:47,140

really do let you go do you want to let

1659

01:07:50,100 --> 01:07:48,550

the people know again about your website

1660

01:07:53,130 --> 01:07:50,110

and where they can pick up some of your

1661

01:07:57,930 --> 01:07:53,140

previous books and your newest book yes

1662

01:08:02,280 --> 01:07:57,940

yes Tracy Twyman comm is my website is

1663

01:08:03,870 --> 01:08:02,290

easy to find too by googling and all my

1664

01:08:05,880 --> 01:08:03,880

books are at this point I'm just

1665

01:08:08,880 --> 01:08:05,890

forwarding everyone to Amazon for almost

1666

01:08:10,890 --> 01:08:08,890

all my books except the new one I'm

1667

01:08:13,920 --> 01:08:10,900

still selling autographed pre selling

1668

01:08:16,740 --> 01:08:13,930

autographed copies so in about a week

1669

01:08:18,060 --> 01:08:16,750

I'll be able to the books will come from

1670

01:08:20,460 --> 01:08:18,070

the printer finally and I'll be able to

1671

01:08:21,960 --> 01:08:20,470

ship off all the pre-orders and so

1672

01:08:24,210 --> 01:08:21,970

anyone who wants an autographed copy can

1673

01:08:25,860 --> 01:08:24,220

buy one in the next week or so and then

1674

01:08:27,510 --> 01:08:25,870

I'll probably I'll probably at that

1675

01:08:29,820 --> 01:08:27,520

point just shut it shut it off and just

1676

01:08:30,180 --> 01:08:29,830

send everyone to Amazon after that right

1677

01:08:32,940 --> 01:08:30,190

on

1678

01:08:34,710 --> 01:08:32,950

awesome well Tracy thanks again I mean

1679

01:08:36,540 --> 01:08:34,720

be careful out there don't let yourself

1680

01:08:39,900 --> 01:08:36,550

become some tool for the maestro of the

1681

01:08:41,810 --> 01:08:39,910

Apocalypse well I'll try okay

1682

01:08:44,820 --> 01:08:41,820

all right well take care thanks a lot

1683

01:08:45,840 --> 01:08:44,830

there we have it people man I really

1684

01:08:47,790 --> 01:08:45,850

love that show

1685

01:08:51,090 --> 01:08:47,800

communing with the demon masters of the

1686

01:08:52,890 --> 01:08:51,100

elite Baphomet and Cain a dark new twist

1687

01:08:55,460 --> 01:08:52,900

on the Asian alien story child

1688

01:08:57,780 --> 01:08:55,470

sacrifices for immortality he-man

1689

01:09:00,360 --> 01:08:57,790

Obama's trip to Stonehenge portal

1690

01:09:02,730 --> 01:09:00,370

opening in CERN I mean Jesus Christ

1691

01:09:05,310 --> 01:09:02,740

well even Jesus Christ was in there

1692

01:09:07,140 --> 01:09:05,320

somewhere but man deep level darkness I

1693

01:09:08,880 --> 01:09:07,150

thought it was interesting that boffin

1694

01:09:10,620 --> 01:09:08,890

had delivered his own cipher there's

1695

01:09:12,450 --> 01:09:10,630

something to these codes of language

1696

01:09:14,580 --> 01:09:12,460

Marty Leeds really woke me up to that

1697

01:09:16,680 --> 01:09:14,590

one and here it is showing up again just

1698

01:09:18,060 --> 01:09:16,690

a few weeks later but if you enjoyed the

1699

01:09:20,790 --> 01:09:18,070

first half of that show please consider

1700

01:09:23,310 --> 01:09:20,800

signing up for THC plus and getting the

1701

01:09:26,250 --> 01:09:23,320

second half of not only this one but all

1702

01:09:28,500 --> 01:09:26,260

the shows we do now for just 5 bucks a

1703

01:09:30,270 --> 01:09:28,510

month one dollar a show less than you

1704

01:09:32,640 --> 01:09:30,280

would tip your bartender for a month of

1705

01:09:34,110 --> 01:09:32,650

conspiracy goodness I hope you find it

1706

01:09:35,760 --> 01:09:34,120

worth the price of admission and if you

1707

01:09:37,349 --> 01:09:35,770

can't afford it but really want to hear

1708

01:09:39,210 --> 01:09:37,359

the second hour I'm sure we can work

1709

01:09:42,240 --> 01:09:39,220

something out email me at the higher

1710

01:09:44,900 --> 01:09:42,250

side chats at gmail.com but I really

1711

01:09:47,730 --> 01:09:44,910

think of this as a one-on-one

1712

01:09:49,710 --> 01:09:47,740

interaction between you the specific

1713

01:09:52,500 --> 01:09:49,720

listener and me if you think the show is

1714

01:09:55,320 --> 01:09:52,510

worth it you know it is a small price to

1715

01:09:57,360 --> 01:09:55,330

pay but in the plus episode for this

1716

01:09:59,180 --> 01:09:57,370

show we went deeper into how some

1717

01:10:01,350 --> 01:09:59,190

mainstream news stories might manipulate

1718

01:10:03,420 --> 01:10:01,360

populations to keep us away from these

1719

01:10:05,340 --> 01:10:03,430

portals that are opening up how demonic

1720

01:10:08,670 --> 01:10:05,350

occult influences were a big part of the

1721

01:10:10,830 --> 01:10:08,680

Nazis quest how the Isis and Osiris myth

1722

01:10:13,080 --> 01:10:10,840

is a story of sexual congress through a

1723

01:10:15,480 --> 01:10:13,090

proxy which could allude to the nature

1724

01:10:17,610 --> 01:10:15,490

of the sex rituals of the elite some of

1725

01:10:19,470 --> 01:10:17,620

the biblical stories from this other

1726

01:10:22,290 --> 01:10:19,480

perspective that the characters may have

1727

01:10:24,450 --> 01:10:22,300

been flipped or trying to get deep into

1728

01:10:26,670 --> 01:10:24,460

the religion of the elite the CIA's

1729

01:10:28,860 --> 01:10:26,680

involvement with Berlin terrorist groups

1730

01:10:30,960 --> 01:10:28,870

like Isis both myths message that the

1731

01:10:33,420 --> 01:10:30,970

gates of Hell have opened just like Siri

1732

01:10:35,790 --> 01:10:33,430

predicted right around the end of July

1733

01:10:38,310 --> 01:10:35,800

it's a lot more darkness to brighten up

1734

01:10:39,810 --> 01:10:38,320

your day so for the plus people I hope

1735

01:10:41,730 --> 01:10:39,820

you thought the second hour was worth a

1736

01:10:43,470 --> 01:10:41,740

dollar in value and for the free folks I

1737

01:10:45,420 --> 01:10:43,480

hope you'll join the club the money bomb

1738

01:10:47,580 --> 01:10:45,430

is coming along thanks to a few generous

1739

01:10:50,610 --> 01:10:47,590

donations one of a hundred dollars

1740

01:10:52,740 --> 01:10:50,620

thanks to a specific listener who left

1741

01:10:55,500 --> 01:10:52,750

the busy life in New York City to buy

1742

01:10:57,720 --> 01:10:55,510

and renovate a villa in Sicily how cool

1743

01:10:59,700 --> 01:10:57,730

does that sound I get these messages all

1744

01:11:01,500 --> 01:10:59,710

the time that just by doing the

1745

01:11:03,360 --> 01:11:01,510

show shining some light in the darkness

1746

01:11:05,640 --> 01:11:03,370

poking around for answers but also

1747

01:11:07,470 --> 01:11:05,650

realizing that as [h__h] up as a game is

1748

01:11:09,600 --> 01:11:07,480

there are other ways to deal with it

1749

01:11:11,310 --> 01:11:09,610

that can be more in line with your

1750

01:11:14,190 --> 01:11:11,320

vision of paradise and I think a lot of

1751
01:11:16,280 --> 01:11:14,200
people are inspired by just that aspect

1752
01:11:19,380 --> 01:11:16,290
of the message because it's heard so

1753
01:11:21,959 --> 01:11:19,390
rarely and this gets into that scary

1754
01:11:24,000 --> 01:11:21,969
stuff about enlightening yourself eating

1755
01:11:25,680 --> 01:11:24,010
the wrong Apple and getting that

1756
01:11:27,120 --> 01:11:25,690
knowledge and the truth is just when you

1757
01:11:29,220 --> 01:11:27,130
spend years working on yourself

1758
01:11:30,570 --> 01:11:29,230
excelling in what you want learning

1759
01:11:32,250 --> 01:11:30,580
about the world you might be in a

1760
01:11:34,350 --> 01:11:32,260
position of power somehow I mean you

1761
01:11:36,060 --> 01:11:34,360
might be a stronger more intelligent

1762
01:11:38,310 --> 01:11:36,070
more knowledgeable person and that alone

1763
01:11:40,050 --> 01:11:38,320

has its power but you don't have to use

1764

01:11:42,030 --> 01:11:40,060

it to manipulate and enslave the people

1765

01:11:43,560 --> 01:11:42,040

let me try to throw something out here

1766

01:11:45,360 --> 01:11:43,570

let's imagine there's a secret Masonic

1767

01:11:47,280 --> 01:11:45,370

Society of chefs where they learn to

1768

01:11:49,560 --> 01:11:47,290

cook like Mason's know how to build

1769

01:11:51,930 --> 01:11:49,570

Gordon Ramsay would be the goddamn Grand

1770

01:11:54,060 --> 01:11:51,940

Master he knows he's awesome he demands

1771

01:11:55,860 --> 01:11:54,070

excellence for himself he's achieved a

1772

01:11:58,110 --> 01:11:55,870

high level of artistry in this life

1773

01:12:00,900 --> 01:11:58,120

higher than many people ever will but he

1774

01:12:02,940 --> 01:12:00,910

uses it to do these shows where he shows

1775

01:12:04,500 --> 01:12:02,950

failing businesses how to have those

1776

01:12:06,450 --> 01:12:04,510

types of standards for themselves he's

1777

01:12:09,450 --> 01:12:06,460

an example and I think an inspiration

1778

01:12:12,120 --> 01:12:09,460

for discipline focus drive and what it

1779

01:12:14,100 --> 01:12:12,130

means for an enlightened person to share

1780

01:12:16,110 --> 01:12:14,110

that gift to create a win-win for

1781

01:12:18,690 --> 01:12:16,120

everyone he's the Jesus of the food

1782

01:12:19,200 --> 01:12:18,700

world or maybe the Lucifer I don't know

1783

01:12:21,720 --> 01:12:19,210

anymore

1784

01:12:24,330 --> 01:12:21,730

so I guess to get back to it nothing can

1785

01:12:26,550 --> 01:12:24,340

go wrong by you expanding your reach

1786

01:12:29,160 --> 01:12:26,560

knowledge opportunity and excellence and

1787

01:12:31,500 --> 01:12:29,170

some people will use convenient excuses

1788

01:12:34,080 --> 01:12:31,510

like oh that occult stuff is bad or evil

1789

01:12:36,060 --> 01:12:34,090

to keep us from doing the hard work or

1790

01:12:38,430 --> 01:12:36,070

operating on a higher level but I say

1791

01:12:40,229 --> 01:12:38,440

take up the magician's mindset command

1792

01:12:41,550 --> 01:12:40,239

the universe to your will and live the

1793

01:12:44,430 --> 01:12:41,560

life you want to live I mean what do you

1794

01:12:47,010 --> 01:12:44,440

here for but it's not easy you really do

1795

01:12:49,140 --> 01:12:47,020

have to do hard work to manifest the

1796

01:12:51,330 --> 01:12:49,150

things you want but unfortunately a lot

1797

01:12:53,040 --> 01:12:51,340

of the people who do the work end up

1798

01:12:55,770 --> 01:12:53,050

using it against the ignorant but we're

1799

01:12:57,810 --> 01:12:55,780

not going to stop them by being ignorant

1800

01:12:59,400 --> 01:12:57,820

we have to rise to powerful positions

1801
01:13:01,740 --> 01:12:59,410
ourselves in one way or another and

1802
01:13:04,020 --> 01:13:01,750
harness the same tools and education and

1803
01:13:06,300 --> 01:13:04,030
lighten ourselves and then make better

1804
01:13:08,430 --> 01:13:06,310
choices less selfish choices bring

1805
01:13:11,010 --> 01:13:08,440
ourselves up to the table rather than

1806
01:13:12,390 --> 01:13:11,020
complaining from the floor like when Joe

1807
01:13:13,660 --> 01:13:12,400
Rogan says do you ever notice how the

1808
01:13:14,950 --> 01:13:13,670
hippy people who just want to

1809
01:13:17,410 --> 01:13:14,960
share everything never have anything to

1810
01:13:18,970 --> 01:13:17,420
contribute that's the stigma I want to

1811
01:13:20,800 --> 01:13:18,980
change I hate when I hear thoughts like

1812
01:13:22,930 --> 01:13:20,810
that that's the stigma we need to change

1813
01:13:24,939 --> 01:13:22,940

so let's fight the good fight and make

1814

01:13:26,950 --> 01:13:24,949

yourself a stronger player 14 people

1815

01:13:27,700 --> 01:13:26,960

we're gonna need it so that's it for me

1816

01:13:30,939 --> 01:13:27,710

this week

1817

01:13:37,860 --> 01:13:30,949

your move Bachman your [h__h] move

1818

01:13:42,010 --> 01:13:37,870

sweet dreams are made of these where my

1819

01:13:47,370 --> 01:13:42,020

to disagree

1820

01:13:54,400 --> 01:13:47,380

travel the world and seven seas

1821

01:14:00,689 --> 01:13:54,410

everybody's looking for something some

1822

01:14:08,650 --> 01:14:00,699

of them want to use you some of them

1823

01:14:35,140 --> 01:14:08,660

wanna buy you some I don't want to abuse

1824

01:14:35,150 --> 01:14:47,239

you

1825

01:15:01,319 --> 01:14:54,620

sweet dreams are made of these Who am I

1826

01:15:08,640 --> 01:15:01,329

to disagree travel the world and the

1827

01:15:16,790 --> 01:15:08,650

seven seas everybody's looking for

1828

01:15:36,630 --> 01:15:23,600

something wanna gain by you some of them
