Hard truths. Soft cotton.**

1
00:00:37,310 --> 00:00:35,479
hello again I our side chatters say it

2
00:00:39,410 --> 00:00:37,320
with me now drinking a little drink

3
00:00:41,389 --> 00:00:39,420
smoking a little smoke from sunny San

4
00:00:42,860 --> 00:00:41,399
Diego I'm Greg Carl would and I hope

5
00:00:45,470 --> 00:00:42,870
you're all tearing it up out there

6
00:00:47,479 --> 00:00:45,480
fighting for your piece of the crag man

7
00:00:49,369 --> 00:00:47,489
today's show is one I've been holding on

8
00:00:51,830 --> 00:00:49,379
to for a few weeks because the last

9
00:00:53,840 --> 00:00:51,840
couple I thought were more about things

10
00:00:56,330 --> 00:00:53,850
in the current news cycle whereas this

11
00:00:58,520 --> 00:00:56,340
one is more about the war on human

12
00:01:01,189 --> 00:00:58,530
consciousness the spiritual parasites of

13
00:01:03,080 --> 00:01:01,199

humanity the hijacking of Freemasonry

14

00:01:05,779 --> 00:01:03,090

and the ever-present manipulation of

15

00:01:06,170 --> 00:01:05,789

history modern culture and everything in

16

00:01:08,389 --> 00:01:06,180

between

17

00:01:10,820 --> 00:01:08,399

although I did bring up Ferguson and

18

00:01:12,050 --> 00:01:10,830

police brutality but then again just

19

00:01:13,790 --> 00:01:12,060

because it's out of the current news

20

00:01:16,339 --> 00:01:13,800

cycle doesn't really mean the problems

21

00:01:18,260 --> 00:01:16,349

with police are any better and that said

22

00:01:19,999 --> 00:01:18,270

it is also just good to have a friend on

23

00:01:22,040 --> 00:01:20,009

as a guest Frederick's is one of those

24

00:01:24,589 --> 00:01:22,050

guys I've gotten to know really well in

25

00:01:26,359 --> 00:01:24,599

the old conspiracy circle and I know I'm

26

00:01:28,430 --> 00:01:26,369

better off for it I think you guys are

27

00:01:30,889 --> 00:01:28,440

too so let's just dive into it the

28

00:01:33,050 --> 00:01:30,899

mysteries of masonry the secret war

29

00:01:34,249 --> 00:01:33,060

within it the parasite that's sucking

30

00:01:36,830 --> 00:01:34,259

the energy out of the path of

31

00:01:39,380 --> 00:01:36,840

enlightenment Giants Nephilim archons

32

00:01:46,680 --> 00:01:39,390

magic and more with the best of the best

33

00:01:56,850 --> 00:01:49,630

everything you need to know from

34

00:01:56,860 --> 00:02:03,820

conspiracy

35

00:02:08,170 --> 00:02:06,010

alright folks as we walk this winding

36

00:02:09,730 --> 00:02:08,180

road of reality and try to penetrate the

37

00:02:11,830 --> 00:02:09,740

global enchantment laid upon the

38

00:02:14,230 --> 00:02:11,840

population by the shadowy Sorcerer's of

39

00:02:16,270 --> 00:02:14,240

the power pyramid we know our puzzle is

40

00:02:18,130 --> 00:02:16,280

far from complete and to gather up more

41

00:02:20,170 --> 00:02:18,140

pieces we rely on examining the

42

00:02:22,450 --> 00:02:20,180

connections of these major groups as

43

00:02:23,830 --> 00:02:22,460

well as looking into the rare pockets of

44

00:02:26,050 --> 00:02:23,840

time where truth has surfaced

45

00:02:27,460 --> 00:02:26,060

unexpectedly and lucky for us today's

46

00:02:29,380 --> 00:02:27,470

guest is a good friend of mine with a

47

00:02:31,540 --> 00:02:29,390

natural tendency to unearth these very

48

00:02:33,130 --> 00:02:31,550

valuable fragments of the big bamboozle

49

00:02:33,670 --> 00:02:33,140

and that is what we're talking about

50

00:02:35,740 --> 00:02:33,680

today

51
00:02:38,110 --> 00:02:35,750
his name is Frederick's lecture of

52
00:02:39,760 --> 00:02:38,120
esoteric philosophies occult sciences

53
00:02:41,770 --> 00:02:39,770
and mystery traditions he's been a

54
00:02:43,660 --> 00:02:41,780
member of over nine different esoteric

55
00:02:45,580 --> 00:02:43,670
orders and he's written a brand-new book

56
00:02:47,980 --> 00:02:45,590
hot off the presses called the secret

57
00:02:50,140 --> 00:02:47,990
war inside Freemasonry you know I'm you

58
00:02:52,750 --> 00:02:50,150
love on Frederick's welcome back to THC

59
00:02:54,580 --> 00:02:52,760
thank you Greg it's great to be back I'm

60
00:02:56,110 --> 00:02:54,590
just really excited about our

61
00:02:58,950 --> 00:02:56,120
conversation today I've been looking

62
00:03:01,600 --> 00:02:58,960
forward to it all day and last night and

63
00:03:02,830 --> 00:03:01,610

it's amazes me how long it's been since

64

00:03:04,510 --> 00:03:02,840

the last we spoke

65

00:03:07,060 --> 00:03:04,520

I mean of course we've had our

66

00:03:09,040 --> 00:03:07,070

conversations in the in the ether sphere

67

00:03:10,960 --> 00:03:09,050

out there you know back and forth but it

68

00:03:12,460 --> 00:03:10,970

is been a while since our last official

69

00:03:15,250 --> 00:03:12,470

conversation so I'm really excited to

70

00:03:16,810 --> 00:03:15,260

catch up yeah man yeah the last show we

71

00:03:19,300 --> 00:03:16,820

did was great we also had a great time

72

00:03:21,790 --> 00:03:19,310

at the paranoiac on last year checked

73

00:03:24,040 --> 00:03:21,800

out the local Scottish Rite Center and I

74

00:03:26,140 --> 00:03:24,050

also smoked a few bowls backstage with

75

00:03:28,240 --> 00:03:26,150

Yann Irvin before our big on-air blow up

76

00:03:32,020 --> 00:03:28,250

yeah I actually have all that on audio

77

00:03:33,880 --> 00:03:32,030

too you know to go through some day it's

78

00:03:35,440 --> 00:03:33,890

weird how things turn out but this

79

00:03:38,560 --> 00:03:35,450

should be a lot less hostile show I

80

00:03:40,720 --> 00:03:38,570

think and I'm pumped up here man I love

81

00:03:43,210 --> 00:03:40,730

the book I think it clarifies a lot of

82

00:03:44,710 --> 00:03:43,220

the confusion people have because even

83

00:03:46,600 --> 00:03:44,720

on this show one week I'll interview a

84

00:03:47,830 --> 00:03:46,610

guy who is dead set on the idea that the

85

00:03:49,840 --> 00:03:47,840

Freemasons are the most evil

86

00:03:51,280 --> 00:03:49,850

organization on earth and then the next

87

00:03:53,350 --> 00:03:51,290

week I'll interview a guy who's been a

88

00:03:55,150 --> 00:03:53,360

Mason for 20 years and is more about

89

00:03:57,040 --> 00:03:55,160

sharing sacred geometry and ushering in

90

00:03:59,380 --> 00:03:57,050

enlightenment so it can get a little

91

00:04:01,000 --> 00:03:59,390

unclear on who we can trust and who we

92

00:04:03,310 --> 00:04:01,010

can when it comes to these secret

93

00:04:05,500 --> 00:04:03,320

societies you know and nailing down that

94

00:04:06,880 --> 00:04:05,510

aspect is a big part of it and that's

95

00:04:09,850 --> 00:04:06,890

also a big part of your book wouldn't

96

00:04:13,180 --> 00:04:09,860

you say absolutely you know it was of

97

00:04:14,830 --> 00:04:13,190

course my own personal voyage and in the

98

00:04:17,229 --> 00:04:14,840

journey the experience I tried to

99

00:04:19,240 --> 00:04:17,239

chronicle as best as possible as I

100

00:04:21,520 --> 00:04:19,250

and to be as objective as you can as a

101
00:04:23,320 --> 00:04:21,530
human being you know having emotions

102
00:04:25,930 --> 00:04:23,330
invested in your endeavors it was always

103
00:04:28,180 --> 00:04:25,940
an experience that required great

104
00:04:30,100 --> 00:04:28,190
sacrifice of money and time and having a

105
00:04:33,370 --> 00:04:30,110
family of being committed to these these

106
00:04:35,610 --> 00:04:33,380
lodges you know on one side but at the

107
00:04:38,409 --> 00:04:35,620
same time you know trying to gain

108
00:04:41,409 --> 00:04:38,419
understanding of the the myths and

109
00:04:43,150 --> 00:04:41,419
misconceptions woven into serious

110
00:04:45,850 --> 00:04:43,160
accounts and what was at the bottom of

111
00:04:48,249 --> 00:04:45,860
all this yeah man and it turned out

112
00:04:50,290 --> 00:04:48,259
great I think it's very clear when you

113
00:04:51,490 --> 00:04:50,300

get done with the book who you should be

114

00:04:54,100 --> 00:04:51,500

looking at who you should be pointing

115

00:04:55,960 --> 00:04:54,110

the finger at as sketchy organization

116

00:04:59,620 --> 00:04:55,970

but you know I did mention you've been

117

00:05:01,240 --> 00:04:59,630

in nine esoteric orders and sometimes

118

00:05:03,490 --> 00:05:01,250

people get sketched out on that I've had

119

00:05:05,170 --> 00:05:03,500

people in the comments section of given

120

00:05:06,520 --> 00:05:05,180

episodes be like you know I only had to

121

00:05:08,110 --> 00:05:06,530

get halfway through your introduction to

122

00:05:10,270 --> 00:05:08,120

know that I couldn't trust this guy and

123

00:05:12,700 --> 00:05:10,280

I don't want that to happen to you my

124

00:05:14,379 --> 00:05:12,710

man so at the paranoia con you disavowed

125

00:05:16,450 --> 00:05:14,389

your membership to these organizations

126
00:05:19,510 --> 00:05:16,460
why was that something you felt like you

127
00:05:22,330 --> 00:05:19,520
needed to do well as you've pointed out

128
00:05:24,070 --> 00:05:22,340
it is a very big knee-jerk reaction from

129
00:05:27,070 --> 00:05:24,080
a lot of people in the quote-unquote

130
00:05:29,409 --> 00:05:27,080
truth or community or those who would

131
00:05:31,719 --> 00:05:29,419
know the truth about these things and

132
00:05:33,610 --> 00:05:31,729
they everyone when they hear while you

133
00:05:35,140 --> 00:05:33,620
were associated with all these orders

134
00:05:37,300 --> 00:05:35,150
that's such a deep commitment to this

135
00:05:39,610 --> 00:05:37,310
thing how can we trust your you know

136
00:05:42,249 --> 00:05:39,620
your your integrity or your authenticity

137
00:05:44,140 --> 00:05:42,259
with what you have to say but I just

138
00:05:46,149 --> 00:05:44,150

remind everybody that I started out as

139

00:05:48,189 --> 00:05:46,159

one of those people who was skeptical

140

00:05:49,540 --> 00:05:48,199

and somebody who was questioning

141

00:05:51,339 --> 00:05:49,550

everything and coming to at it from a

142

00:05:53,920 --> 00:05:51,349

negative point of view based on all the

143

00:05:57,790 --> 00:05:53,930

negative press that's easily harvested

144

00:05:59,080 --> 00:05:57,800

from any casual web search online and I

145

00:06:00,969 --> 00:05:59,090

don't know about you Greg but I'm sure

146

00:06:04,990 --> 00:06:00,979

you and many of your listeners would

147

00:06:07,959 --> 00:06:05,000

agree with me here that what you get

148

00:06:10,360 --> 00:06:07,969

from the mainstream is oftentimes just

149

00:06:13,659 --> 00:06:10,370

you know misconceptions and

150

00:06:15,279 --> 00:06:13,669

misinformation and disinformation mixed

151

00:06:18,459 --> 00:06:15,289

in with truth mixed in with real

152

00:06:20,559 --> 00:06:18,469

accounts and what I found is I well I

153

00:06:23,409 --> 00:06:20,569

needed to know I did all that research I

154

00:06:26,810 --> 00:06:23,419

found too many conflicting ideas too

155

00:06:29,180 --> 00:06:26,820

much crossover stories of

156

00:06:31,190 --> 00:06:29,190

hi virtues and great achievements and

157

00:06:33,680 --> 00:06:31,200

ideas of the best that humanity had to

158

00:06:35,540 --> 00:06:33,690

offer versus these dark occulted mystics

159

00:06:37,340 --> 00:06:35,550

doing satanic rituals and you know

160

00:06:38,900 --> 00:06:37,350

riding goats and killing babies or

161

00:06:40,730 --> 00:06:38,910

something and all this other crazy talk

162

00:06:43,460 --> 00:06:40,740

and somewhere in the middle is the

163

00:06:45,380 --> 00:06:43,470

reality and I was so fascinated and

164

00:06:47,260 --> 00:06:45,390

fixated before I finally realized I

165

00:06:49,850 --> 00:06:47,270

discovered in my own family history

166

00:06:51,140 --> 00:06:49,860

there was a long line of people who had

167

00:06:53,330 --> 00:06:51,150

already been associated with these

168

00:06:54,710 --> 00:06:53,340

initiatory rights and in this

169

00:06:56,360 --> 00:06:54,720

conversation we might get into a little

170

00:06:58,070 --> 00:06:56,370

bit of that metaphysical reality and

171

00:07:01,280 --> 00:06:58,080

whether there's any truth to the idea

172

00:07:03,200 --> 00:07:01,290

that there is a destiny that's in the

173

00:07:04,910 --> 00:07:03,210

genes or in the bloodline you know and

174

00:07:07,520 --> 00:07:04,920

that a person might be drawn and called

175

00:07:09,410 --> 00:07:07,530

to a thing on a metaphysical level on a

176
00:07:11,930 --> 00:07:09,420
transcendental level that would cross

177
00:07:13,460 --> 00:07:11,940
over many lifetimes and is there any

178
00:07:15,500 --> 00:07:13,470
truth to that and could a person

179
00:07:18,050 --> 00:07:15,510
actually make contact with that in their

180
00:07:19,790 --> 00:07:18,060
own consciousness and then this is

181
00:07:21,770 --> 00:07:19,800
something that I don't get a lot into in

182
00:07:23,360 --> 00:07:21,780
the book I do kind of allude to that a

183
00:07:25,940 --> 00:07:23,370
bit because I do mention my family

184
00:07:27,350 --> 00:07:25,950
history but in reality it kind of seems

185
00:07:29,660 --> 00:07:27,360
that there might be some truth to that

186
00:07:32,780 --> 00:07:29,670
of course you combine that with the idea

187
00:07:35,600 --> 00:07:32,790
that there may be this Universal social

188
00:07:37,460 --> 00:07:35,610

mind control program going on where the

189

00:07:39,620 --> 00:07:37,470

government in league with many think

190

00:07:43,220 --> 00:07:39,630

tanks like the RAND Corporation or the

191

00:07:45,400 --> 00:07:43,230

SR I are involved in impregnating or

192

00:07:47,330 --> 00:07:45,410

imprinting us all through collective

193

00:07:50,810 --> 00:07:47,340

telecommunications and media with the

194

00:07:53,120 --> 00:07:50,820

ideas of Masonic symbols and Egyptian

195

00:07:55,280 --> 00:07:53,130

economy and so maybe it was all

196

00:07:56,750 --> 00:07:55,290

contrived back in the 70s when I was a

197

00:07:58,870 --> 00:07:56,760

little boy you know watching television

198

00:08:02,630 --> 00:07:58,880

and listened in a rock-and-roll I mean

199

00:08:04,820 --> 00:08:02,640

who knows right right but in the end I

200

00:08:06,560 --> 00:08:04,830

had to know I had to understand Greg and

201
00:08:08,780 --> 00:08:06,570
that's why I had to go in there and I

202
00:08:10,130 --> 00:08:08,790
had to be I had to allow myself to be

203
00:08:12,770 --> 00:08:10,140
initiated into these orders and I

204
00:08:15,080 --> 00:08:12,780
reasoned it a couple of ways once I

205
00:08:17,090 --> 00:08:15,090
found out that I had this family history

206
00:08:19,610 --> 00:08:17,100
I thought to myself it's almost like

207
00:08:21,620 --> 00:08:19,620
destiny to go through an initiatory

208
00:08:24,050 --> 00:08:21,630
experience in some way in my lifetime to

209
00:08:26,620 --> 00:08:24,060
kind of link me up and what they call

210
00:08:28,580 --> 00:08:26,630
the Brotherhood of the mystic tie this

211
00:08:31,220 --> 00:08:28,590
intergenerational connection with others

212
00:08:34,250 --> 00:08:31,230
and there's a many great thinkers in

213
00:08:36,050 --> 00:08:34,260

Western civilization who claimed that

214

00:08:38,810 --> 00:08:36,060

they they were also initiates in the

215

00:08:40,640 --> 00:08:38,820

mysteries and that is what Freemasonry

216

00:08:42,800 --> 00:08:40,650

knees other Western

217

00:08:44,810 --> 00:08:42,810

orders in America and in the British

218

00:08:48,080 --> 00:08:44,820

Isles that was what they claimed to be

219

00:08:50,330 --> 00:08:48,090

is ancient light in modern times mm-hmm

220

00:08:52,850 --> 00:08:50,340

yeah I mean I get it I have nothing

221

00:08:55,850 --> 00:08:52,860

wrong with that exploration I find it to

222

00:08:57,320 --> 00:08:55,860

be just a body of knowledge and when you

223

00:08:59,390 --> 00:08:57,330

have that knowledge you can use it to

224

00:09:01,550 --> 00:08:59,400

enslave or you can use it to enjoy your

225

00:09:04,250 --> 00:09:01,560

life and kind of take the reigns of your

226

00:09:06,140 --> 00:09:04,260

own universe and that's a noble thing

227

00:09:07,910 --> 00:09:06,150

but I did want to talk to you a little

228

00:09:10,190 --> 00:09:07,920

bit about your personal experiences as a

229

00:09:12,080 --> 00:09:10,200

Mason we did talk about this in person I

230

00:09:13,280 --> 00:09:12,090

even filmed a little bit of you talking

231

00:09:15,470 --> 00:09:13,290

about it but I couldn't use it because

232

00:09:17,780 --> 00:09:15,480

the fans in the room were too loud but I

233

00:09:21,020 --> 00:09:17,790

have had a few experiences with police

234

00:09:23,120 --> 00:09:21,030

that were were you just an average Joe

235

00:09:24,710 --> 00:09:23,130

you might have gotten a ticket or even

236

00:09:26,390 --> 00:09:24,720

been taken to jail but because you were

237

00:09:29,240 --> 00:09:26,400

part of the club that didn't happen

238

00:09:30,380 --> 00:09:29,250

right yeah absolutely you see woman I

239

00:09:32,330 --> 00:09:30,390

tell one of those stories that you're

240

00:09:34,640 --> 00:09:32,340

saying yeah yeah I'll let people get

241

00:09:36,710 --> 00:09:34,650

jealous okay well here's one the first

242

00:09:39,920 --> 00:09:36,720

time I ever really experienced that sort

243

00:09:41,690 --> 00:09:39,930

of like cronyism or nepotism or whatever

244

00:09:43,880 --> 00:09:41,700

you want to call it and being somebody

245

00:09:47,030 --> 00:09:43,890

is a working-class person in life you

246

00:09:49,550 --> 00:09:47,040

know I always struggled in America with

247

00:09:51,320 --> 00:09:49,560

like having ID and cash and paychecks

248

00:09:53,150 --> 00:09:51,330

and getting you know what I mean getting

249

00:09:55,220 --> 00:09:53,160

the money at the on payday so you can go

250

00:09:56,210 --> 00:09:55,230

buy stuff you want to buy right and

251
00:09:57,620 --> 00:09:56,220
you're always like you don't have the

252
00:09:59,780 --> 00:09:57,630
proper ID or you have to have three

253
00:10:01,100 --> 00:09:59,790
forms of ID or you don't have a bank

254
00:10:03,320 --> 00:10:01,110
account here so we're gonna charge

255
00:10:05,360 --> 00:10:03,330
you're we're not even gonna [h__h] all the

256
00:10:07,040 --> 00:10:05,370
crazy things you go through so I've been

257
00:10:08,930 --> 00:10:07,050
through all those - right and then I

258
00:10:11,390 --> 00:10:08,940
joined a lodge in this local city in the

259
00:10:13,790 --> 00:10:11,400
Midwest and I find myself on a Friday

260
00:10:16,190 --> 00:10:13,800
afternoon at almost five o'clock across

261
00:10:17,960 --> 00:10:16,200
town from my house without my wallet I

262
00:10:20,300 --> 00:10:17,970
don't have any ID but I have a paycheck

263
00:10:21,620 --> 00:10:20,310

and I don't want the whole paycheck I

264

00:10:22,850 --> 00:10:21,630

just need like 50 bucks

265

00:10:24,770 --> 00:10:22,860

you know what I mean to put gas in the

266

00:10:26,270 --> 00:10:24,780

car and get a six-pack of beer or

267

00:10:29,030 --> 00:10:26,280

whatever and go back to the house you

268

00:10:30,830 --> 00:10:29,040

know but I won't make it in time to get

269

00:10:32,180 --> 00:10:30,840

that wallet to get to the bank to get

270

00:10:34,160 --> 00:10:32,190

the money in the bank and get them to

271

00:10:37,670 --> 00:10:34,170

give me back the 50 bucks so I go into a

272

00:10:40,160 --> 00:10:37,680

local branch where I am I'm aware the

273

00:10:41,840 --> 00:10:40,170

president of this Bank in the city is a

274

00:10:44,660 --> 00:10:41,850

brother Mason he happens to be the

275

00:10:46,820 --> 00:10:44,670

master of the lodge where I'm in and I'm

276
00:10:48,740 --> 00:10:46,830
in the line and we were just sitting in

277
00:10:51,650 --> 00:10:48,750
the bank on the other side of town last

278
00:10:52,389 --> 00:10:51,660
Sunday rehearsing the ritual for the

279
00:10:54,610 --> 00:10:52,399
lodge

280
00:10:56,679 --> 00:10:54,620
so I know this guy's name and I walk in

281
00:10:58,360 --> 00:10:56,689
and I just go up to the tower I don't

282
00:11:01,389 --> 00:10:58,370
have an idea I have a paid so I have a

283
00:11:02,739 --> 00:11:01,399
payroll check with no ID and I'm walking

284
00:11:04,629 --> 00:11:02,749
in off the street I walk up to this

285
00:11:06,699 --> 00:11:04,639
young kid a college-age kid and I'm like

286
00:11:08,259 --> 00:11:06,709
look I don't have any idea I need to

287
00:11:09,819 --> 00:11:08,269
deposit this cheque and I need 50 you

288
00:11:12,489 --> 00:11:09,829

know fifty dollars back and I don't have

289

00:11:15,160 --> 00:11:12,499

any ID but I am an a close associate of

290

00:11:16,239 --> 00:11:15,170

the president of the bank so I'm hoping

291

00:11:17,650 --> 00:11:16,249

that you guys will go to work me and I

292

00:11:19,030 --> 00:11:17,660

do have a bank account here and I could

293

00:11:21,309 --> 00:11:19,040

tell you my name and my social security

294

00:11:23,170 --> 00:11:21,319

and I'm and all that stuff and the old

295

00:11:24,999 --> 00:11:23,180

gentleman standing behind the teller

296

00:11:26,379 --> 00:11:25,009

heard me say I'm a close associate of

297

00:11:29,259 --> 00:11:26,389

the president of the Bank and he goes

298

00:11:31,420 --> 00:11:29,269

really how are you associated and I said

299

00:11:33,040 --> 00:11:31,430

well I sit in Lodge Blanc you know and

300

00:11:34,660 --> 00:11:33,050

with him on the line and he goes freely

301
00:11:36,189 --> 00:11:34,670
he reaches around the corner and gives

302
00:11:38,619 --> 00:11:36,199
me the secret handshake and says I'm

303
00:11:40,449 --> 00:11:38,629
from Lodge so-and-so how can I help you

304
00:11:43,929 --> 00:11:40,459
brother and I walked out of there with

305
00:11:45,759 --> 00:11:43,939
\$50 in my deposited check a slip for the

306
00:11:47,259 --> 00:11:45,769
check so I could have been somebody that

307
00:11:48,579 --> 00:11:47,269
a lot you know completely lying he

308
00:11:50,410 --> 00:11:48,589
didn't verify any of that I could have

309
00:11:52,360 --> 00:11:50,420
stolen that check walked in there said I

310
00:11:54,309 --> 00:11:52,370
was that person if I knew the secret

311
00:11:56,019 --> 00:11:54,319
handshake said what I said and walked

312
00:12:00,790 --> 00:11:56,029
out with \$50 you know we're off the

313
00:12:02,350 --> 00:12:00,800

street I got away with that I find that

314

00:12:05,110 --> 00:12:02,360

amazing man it's something that people

315

00:12:07,210 --> 00:12:05,120

need to realize that the rules are only

316

00:12:09,280 --> 00:12:07,220

applicable to those that aren't in the

317

00:12:10,449 --> 00:12:09,290

club and you know we don't need to get

318

00:12:12,369 --> 00:12:10,459

into all the experiences but I know

319

00:12:13,540 --> 00:12:12,379

there are a couple with police you know

320

00:12:15,759 --> 00:12:13,550

you've been pulled over without a

321

00:12:17,530 --> 00:12:15,769

license given the hand signals show them

322

00:12:20,650 --> 00:12:17,540

the badge and you're good to go

323

00:12:22,150 --> 00:12:20,660

and that's kind of the angle that that I

324

00:12:23,679 --> 00:12:22,160

really got thinking about this morning

325

00:12:24,999 --> 00:12:23,689

because I see a lot of people the big

326

00:12:26,259 --> 00:12:25,009

thing going on right now a lot of people

327

00:12:29,439 --> 00:12:26,269

are talking about Ferguson and police

328

00:12:30,910 --> 00:12:29,449

brutality but people are kind of missing

329

00:12:32,619 --> 00:12:30,920

the mark if they don't experience it in

330

00:12:35,350 --> 00:12:32,629

their own life that they don't realize

331

00:12:37,749 --> 00:12:35,360

police and the system banking system is

332

00:12:40,240 --> 00:12:37,759

also very entangled with all this they

333

00:12:42,040 --> 00:12:40,250

don't treat people equally you know if

334

00:12:43,990 --> 00:12:42,050

you're a member that same Lodge then you

335

00:12:46,509 --> 00:12:44,000

get special privileges you get a free

336

00:12:48,489 --> 00:12:46,519

pass and even just being white does

337

00:12:50,259 --> 00:12:48,499

offer its advantages and it makes me so

338

00:12:51,699 --> 00:12:50,269

mad to hear people spouting off online

339

00:12:53,619 --> 00:12:51,709

with things like well I don't see a

340

00:12:56,110 --> 00:12:53,629

problem the police always treat me fine

341

00:12:57,759 --> 00:12:56,120

well not everyone experiences the same

342

00:12:59,439 --> 00:12:57,769

reality bro so maybe you should just

343

00:13:01,059 --> 00:12:59,449

stay out of this one because it's a new

344

00:13:03,009 --> 00:13:01,069

isn't your fight and I think I think

345

00:13:04,929 --> 00:13:03,019

those examples and having the privilege

346

00:13:06,160 --> 00:13:04,939

and masonry also just goes to show there

347

00:13:08,139 --> 00:13:06,170

are layers

348

00:13:11,019 --> 00:13:08,149

to how the system is going to treat you

349

00:13:12,610 --> 00:13:11,029

and if you are black you might be on one

350

00:13:15,069 --> 00:13:12,620

of those lower rungs and yeah I'd be

351
00:13:17,500 --> 00:13:15,079
upset too absolutely I mean we live in a

352
00:13:19,900 --> 00:13:17,510
stratosphere society a clade is a class

353
00:13:22,090 --> 00:13:19,910
system I was raised to be believed that

354
00:13:24,819 --> 00:13:22,100
it was a classless society but that's a

355
00:13:27,519 --> 00:13:24,829
false premise we live in a class system

356
00:13:30,670 --> 00:13:27,529
where clearly there's castes that are

357
00:13:32,829 --> 00:13:30,680
set and I grew up in a small town in New

358
00:13:34,360 --> 00:13:32,839
England where they had a golden circle

359
00:13:35,590 --> 00:13:34,370
that's what they called it just like the

360
00:13:37,300 --> 00:13:35,600
Knights of the Golden Circle that we

361
00:13:38,470 --> 00:13:37,310
talked about and I had never heard of

362
00:13:40,090 --> 00:13:38,480
the Knights they go in the circle when I

363
00:13:41,860 --> 00:13:40,100

already knew about the golden circle in

364

00:13:43,269 --> 00:13:41,870

the hometown and it's the fact that

365

00:13:44,949 --> 00:13:43,279

these same that same town where you talk

366

00:13:46,720 --> 00:13:44,959

about getting pulled over I mean I live

367

00:13:47,980 --> 00:13:46,730

in a town where a quarter or a third of

368

00:13:50,139 --> 00:13:47,990

the police department were brother

369

00:13:51,970 --> 00:13:50,149

Masons in the line so some of them I out

370

00:13:54,400 --> 00:13:51,980

ranked in the lodge and yet there are

371

00:13:57,280 --> 00:13:54,410

officers on the on the force pulling me

372

00:13:59,199 --> 00:13:57,290

over so see there's a little conflict of

373

00:14:00,819 --> 00:13:59,209

interest there right and I would get

374

00:14:03,340 --> 00:14:00,829

away with things because of that and

375

00:14:05,139 --> 00:14:03,350

other people were even worse I mean you

376

00:14:07,329 --> 00:14:05,149

know people could drive by a policeman

377

00:14:09,699 --> 00:14:07,339

wearing just a bathrobe and no shoes

378

00:14:11,199 --> 00:14:09,709

flying 100 miles an hour if he was in

379

00:14:13,300 --> 00:14:11,209

that Golden Circle they'd just be like

380

00:14:14,980 --> 00:14:13,310

they'd motioned to him to slow down you

381

00:14:16,630 --> 00:14:14,990

know as he went by there'd be no ticket

382

00:14:17,920 --> 00:14:16,640

there'd be no shakedown there'd be no

383

00:14:20,050 --> 00:14:17,930

racial profiling there be no

384

00:14:22,120 --> 00:14:20,060

brutalization there'd be no violation of

385

00:14:23,410 --> 00:14:22,130

civil rights whatsoever mm-hmm and

386

00:14:24,819 --> 00:14:23,420

that's what we're that's what you're

387

00:14:26,380 --> 00:14:24,829

that's what you're addressing and it is

388

00:14:27,610 --> 00:14:26,390

connected to this whole thing you know

389

00:14:29,590 --> 00:14:27,620

that we started this conversation

390

00:14:31,150 --> 00:14:29,600

talking about this book I released and

391

00:14:33,400 --> 00:14:31,160

one of the chapters in the book is a

392

00:14:35,259 --> 00:14:33,410

secret war on human consciousness and

393

00:14:37,030 --> 00:14:35,269

what we know is that we have the

394

00:14:39,610 --> 00:14:37,040

architects of our paradigm they're

395

00:14:42,460 --> 00:14:39,620

controlling the police are a brutal

396

00:14:44,949 --> 00:14:42,470

priesthood that reinforces the paradigm

397

00:14:46,420 --> 00:14:44,959

with the whip and the stick these are

398

00:14:49,000 --> 00:14:46,430

the ones that last is where the rubber

399

00:14:50,949 --> 00:14:49,010

meets the road literally and if you are

400

00:14:52,960 --> 00:14:50,959

out of line they will knock you back

401
00:14:55,180 --> 00:14:52,970
into line and you know people think that

402
00:14:56,920 --> 00:14:55,190
I love I had the same conversation you

403
00:14:59,139 --> 00:14:56,930
were just talking about debating with

404
00:15:00,550 --> 00:14:59,149
people who try to dismiss it as well I'm

405
00:15:02,139 --> 00:15:00,560
glad the police are out there you know

406
00:15:04,030 --> 00:15:02,149
if you don't do anything wrong you got

407
00:15:06,550 --> 00:15:04,040
nothing to fear well what about the

408
00:15:08,439 --> 00:15:06,560
falsely accused and what about the

409
00:15:10,960 --> 00:15:08,449
racially profiled and we know the

410
00:15:13,720 --> 00:15:10,970
justice system is blah blah blah no it's

411
00:15:14,949 --> 00:15:13,730
not the justice system is corrupt and we

412
00:15:16,300 --> 00:15:14,959
live in a society where you can buy a

413
00:15:17,510 --> 00:15:16,310

way out oh did you prove that you know

414

00:15:19,820 --> 00:15:17,520

any way you can get away

415

00:15:23,330 --> 00:15:19,830

with murder you know and this is just

416

00:15:25,310 --> 00:15:23,340

one high-profile case in a situation

417

00:15:28,310 --> 00:15:25,320

where we know on the local level people

418

00:15:30,560 --> 00:15:28,320

violate other people all the time in

419

00:15:32,660 --> 00:15:30,570

many various ways their rights and their

420

00:15:34,820 --> 00:15:32,670

person and get away with it because they

421

00:15:37,420 --> 00:15:34,830

are privileged you know like the various

422

00:15:39,950 --> 00:15:37,430

dark cases of the Kennedys or any other

423

00:15:41,810 --> 00:15:39,960

dynastic family that's afflicted

424

00:15:44,120 --> 00:15:41,820

themselves upon the American culture and

425

00:15:46,130 --> 00:15:44,130

they've you know the left victims in

426

00:15:47,990 --> 00:15:46,140

their wake because they're rich and

427

00:15:49,550 --> 00:15:48,000

privileged this is the culture we live

428

00:15:52,340 --> 00:15:49,560

in and I grew up in that little town

429

00:15:56,120 --> 00:15:52,350

where it was a resort town so there was

430

00:15:59,270 --> 00:15:56,130

a high high class a high calibre of

431

00:16:01,310 --> 00:15:59,280

people who had huge houses on the water

432

00:16:04,850 --> 00:16:01,320

Johnny Depp's got a house in my hometown

433

00:16:06,920 --> 00:16:04,860

you know and so this is the this is the

434

00:16:08,540 --> 00:16:06,930

the scene that I grew up in where you

435

00:16:11,060 --> 00:16:08,550

had people who were working-class folk

436

00:16:13,010 --> 00:16:11,070

right next to people who drove you know

437

00:16:16,280 --> 00:16:13,020

the kids drove Mercedes to high school

438

00:16:18,020 --> 00:16:16,290

you know and they drove Bentley's you

439

00:16:19,520 --> 00:16:18,030

know and these are teenagers you know

440

00:16:21,710 --> 00:16:19,530

they had credit cards and stuff they had

441

00:16:23,840 --> 00:16:21,720

more nicer clothes than the parents of

442

00:16:26,180 --> 00:16:23,850

the rid of the working-class kids and so

443

00:16:28,190 --> 00:16:26,190

there's also a high rate of suicide in

444

00:16:30,500 --> 00:16:28,200

this town because that that that's that

445

00:16:33,320 --> 00:16:30,510

secret war on human consciousness is

446

00:16:35,210 --> 00:16:33,330

convincing everyone that you know to be

447

00:16:37,370 --> 00:16:35,220

rich to be wealthy and to be able to buy

448

00:16:39,230 --> 00:16:37,380

all the products that's really the goal

449

00:16:41,360 --> 00:16:39,240

right I mean that's really enlightenment

450

00:16:45,350 --> 00:16:41,370

in an in America that's the enlightened

451
00:16:48,140 --> 00:16:45,360
state isn't it human Excelsior you know

452
00:16:50,210 --> 00:16:48,150
homo excelsis state is to be successful

453
00:16:52,520 --> 00:16:50,220
in rich and have all the trappings but

454
00:16:54,770 --> 00:16:52,530
in the end we know that can't be

455
00:16:56,630 --> 00:16:54,780
satisfying because we hear all the cases

456
00:16:58,700 --> 00:16:56,640
of people who take their lives who have

457
00:17:01,370 --> 00:16:58,710
everything you know perceive I have a

458
00:17:03,980 --> 00:17:01,380
friend who inherited millions of dollars

459
00:17:06,350 --> 00:17:03,990
when he was 16 years old he killed

460
00:17:09,290 --> 00:17:06,360
himself when he was 29 you know I mean

461
00:17:11,920 --> 00:17:09,300
13 years later so he had everything he

462
00:17:15,560 --> 00:17:11,930
killed himself in his Maserati you know

463
00:17:17,060 --> 00:17:15,570

so this is the this is the the world any

464

00:17:19,310 --> 00:17:17,070

when you hear about the Heath Ledger's

465

00:17:22,670 --> 00:17:19,320

or the Chris Farley's or there any other

466

00:17:24,590 --> 00:17:22,680

number of celebrities the Robin Williams

467

00:17:27,079 --> 00:17:24,600

who have everything and it really

468

00:17:29,540 --> 00:17:27,089

doesn't it doesn't pay off because the

469

00:17:31,250 --> 00:17:29,550

the the the bottom line to that what

470

00:17:33,920 --> 00:17:31,260

they're selling that then

471

00:17:37,910 --> 00:17:33,930

myth of progress is shallow it isn't it

472

00:17:40,850 --> 00:17:37,920

you know false enlightenment yeah and

473

00:17:42,980 --> 00:17:40,860

we're all though those of us who drink

474

00:17:46,160 --> 00:17:42,990

the kool-aid and buy into that who give

475

00:17:48,230 --> 00:17:46,170

ourselves willingly over to that pursuit

476

00:17:49,940 --> 00:17:48,240

of material isn't that so-called pursuit

477

00:17:52,640 --> 00:17:49,950

of happiness that's talked about in the

478

00:17:55,850 --> 00:17:52,650

in the sacred papers of America right

479

00:17:57,770 --> 00:17:55,860

well when we give in to that I think a

480

00:18:00,470 --> 00:17:57,780

lot of times we are disappointed which

481

00:18:02,990 --> 00:18:00,480

is why in the end we want to cultivate

482

00:18:05,840 --> 00:18:03,000

some sort of richer inner experience and

483

00:18:08,930 --> 00:18:05,850

this is what we talked about you know

484

00:18:11,030 --> 00:18:08,940

also amidst all the other you know that

485

00:18:13,280 --> 00:18:11,040

the conspiracy car at the paranoia con

486

00:18:14,900 --> 00:18:13,290

throwing ideas around about the

487

00:18:17,330 --> 00:18:14,910

dark-coated mystics we also talked about

488

00:18:20,420 --> 00:18:17,340

the hope of enlightenment and the true

489

00:18:23,660 --> 00:18:20,430

idea of non-compliance right Craig of

490

00:18:25,820 --> 00:18:23,670

you know writing this book I am in my

491

00:18:27,680 --> 00:18:25,830

own way a revolutionary because I put

492

00:18:30,050 --> 00:18:27,690

forth an experience where I infiltrated

493

00:18:32,690 --> 00:18:30,060

these lodges I went in there and I

494

00:18:34,460 --> 00:18:32,700

learned their secrets and I come to

495

00:18:36,620 --> 00:18:34,470

everyone right now today and I say guess

496

00:18:38,690 --> 00:18:36,630

what two things number one the guys

497

00:18:41,420 --> 00:18:38,700

inside the lodge barely know what they

498

00:18:44,030 --> 00:18:41,430

have they barely understand anything

499

00:18:46,250 --> 00:18:44,040

number one and number two they don't

500

00:18:48,740 --> 00:18:46,260

corner the market on enlightenment guys

501
00:18:51,770 --> 00:18:48,750
what they what you think they possess

502
00:18:53,990 --> 00:18:51,780
you already possess just like all of us

503
00:18:54,560 --> 00:18:54,000
it's just unreal eyes potential within

504
00:18:57,680 --> 00:18:54,570
us all

505
00:19:00,020 --> 00:18:57,690
Amen men well said I love that the term

506
00:19:01,670 --> 00:19:00,030
midlife crisis because to me that's just

507
00:19:03,350 --> 00:19:01,680
when you finally wake up you know you

508
00:19:05,330 --> 00:19:03,360
don't get to go back in time and get

509
00:19:07,280 --> 00:19:05,340
your your life back but you realize that

510
00:19:08,600 --> 00:19:07,290
you're 3/4 of the way through the race

511
00:19:10,520 --> 00:19:08,610
and you don't even want to keep running

512
00:19:14,030 --> 00:19:10,530
you know that's what the midlife crisis

513
00:19:15,980 --> 00:19:14,040

really signifies to me absolutely even

514

00:19:19,280 --> 00:19:15,990

calling the police a brutal priesthood I

515

00:19:20,810 --> 00:19:19,290

love it and being my masonic authority I

516

00:19:22,580 --> 00:19:20,820

had to ask you about this because I saw

517

00:19:24,170 --> 00:19:22,590

this online you know a lot of people

518

00:19:25,490 --> 00:19:24,180

with this know not to harp on this

519

00:19:26,990 --> 00:19:25,500

Ferguson thing but a lot of people are

520

00:19:30,020 --> 00:19:27,000

saying the elite are trying to usher in

521

00:19:32,030 --> 00:19:30,030

this race warp perhaps and that well in

522

00:19:33,740 --> 00:19:32,040

fact may be true I'm not sure but I'm

523

00:19:35,660 --> 00:19:33,750

also not sure if you saw this but my man

524

00:19:37,550 --> 00:19:35,670

Isaac Weiss hapa has been on the show

525

00:19:39,800 --> 00:19:37,560

before from Illuminati watcher calm he

526

00:19:42,440 --> 00:19:39,810

posted a piece about how this hands up

527

00:19:44,120 --> 00:19:42,450

don't shoot hand sign actually has its

528

00:19:44,899 --> 00:19:44,130

roots in masonry apparently it's called

529

00:19:47,479 --> 00:19:44,909

the grand

530

00:19:49,430 --> 00:19:47,489

sign of distress and the fact that this

531

00:19:52,129 --> 00:19:49,440

is now coming up in a different way it's

532

00:19:53,779 --> 00:19:52,139

kind of weird it might be a nod to some

533

00:19:56,950 --> 00:19:53,789

of those powerful people that shows that

534

00:19:59,269 --> 00:19:56,960

it is being manufactured perhaps

535

00:20:02,180 --> 00:19:59,279

absolutely the Grande hailing sign of

536

00:20:05,109 --> 00:20:02,190

distress basically it is the hands up

537

00:20:07,879 --> 00:20:05,119

don't shoot sign but it's a three-stage

538

00:20:09,889 --> 00:20:07,889

descent from that point so you put your

539

00:20:12,710 --> 00:20:09,899

hands at your side you raise them up and

540

00:20:15,259 --> 00:20:12,720

then they say you know Oh Lord God is

541

00:20:17,269 --> 00:20:15,269

there no hope for the widow's son and as

542

00:20:18,919 --> 00:20:17,279

you say those words you lower your hands

543

00:20:21,619 --> 00:20:18,929

in two stages to the middle and then

544

00:20:23,330 --> 00:20:21,629

down to your sides so that's the that's

545

00:20:25,519 --> 00:20:23,340

the that's the sign that Joseph Smith

546

00:20:27,830 --> 00:20:25,529

supposedly gave before they mowed him

547

00:20:29,389 --> 00:20:27,840

down with rifles or hey you know and he

548

00:20:31,549 --> 00:20:29,399

jumped out the second floor of the

549

00:20:34,460 --> 00:20:31,559

Carthage Courthouse to his death along

550

00:20:35,869 --> 00:20:34,470

with his brother Hyrum so this is you

551
00:20:37,580 --> 00:20:35,879
know they say that there was Masonic

552
00:20:40,519 --> 00:20:37,590
rings wielding the fingers of the

553
00:20:43,969 --> 00:20:40,529
triggers of those rifles you know but

554
00:20:45,769 --> 00:20:43,979
yeah right you this is a grand hailing

555
00:20:47,629 --> 00:20:45,779
sign of distress is like a gang sign you

556
00:20:49,909 --> 00:20:47,639
throw down at that checkpoint if you're

557
00:20:52,009 --> 00:20:49,919
trying to escape from some you know so

558
00:20:53,839 --> 00:20:52,019
social upheaval or whatever or you're

559
00:20:56,239 --> 00:20:53,849
being intercepted by a law enforcement

560
00:20:58,430 --> 00:20:56,249
official or other military official

561
00:21:01,669 --> 00:20:58,440
because don't forget many many military

562
00:21:04,039 --> 00:21:01,679
people are personnel are also brother

563
00:21:05,869 --> 00:21:04,049

Masons or and and there's you know

564

00:21:07,729 --> 00:21:05,879

there's female orders too there's Co

565

00:21:10,669 --> 00:21:07,739

masonry which accepts women and then

566

00:21:12,619 --> 00:21:10,679

there's the sub orders the subordinate

567

00:21:14,599 --> 00:21:12,629

orders to Freemasonry that have women

568

00:21:17,299 --> 00:21:14,609

the jobs daughters and the order of the

569

00:21:18,379 --> 00:21:17,309

Easter star but we wanted to get back to

570

00:21:19,909 --> 00:21:18,389

one of the questions I don't think I

571

00:21:22,789 --> 00:21:19,919

answered the second part of and the

572

00:21:24,289 --> 00:21:22,799

reason why I felt a need to expose the

573

00:21:25,759 --> 00:21:24,299

secrets of Freemasonry because and I

574

00:21:27,580 --> 00:21:25,769

just mentioned women you know that's one

575

00:21:31,519 --> 00:21:27,590

of the one of the reasons is because

576

00:21:34,099 --> 00:21:31,529

women are excluded from Freemasonry as

577

00:21:37,430 --> 00:21:34,109

if there's some this archaic patriarchal

578

00:21:39,769 --> 00:21:37,440

idea that women don't deserve the light

579

00:21:42,219 --> 00:21:39,779

of Freemasonry for some reason they're

580

00:21:46,460 --> 00:21:42,229

subordinate or on unruhe you know

581

00:21:50,299 --> 00:21:46,470

undeserving and that's so Victorian and

582

00:21:53,329 --> 00:21:50,309

older and so outdated that it really it

583

00:21:56,450 --> 00:21:53,339

begs to be pointed at and derided I

584

00:21:58,190 --> 00:21:56,460

think and criticized as a approach that

585

00:21:58,470 --> 00:21:58,200

needs to be let go of it doesn't really

586

00:22:00,419 --> 00:21:58,480

hole

587

00:22:03,390 --> 00:22:00,429

water that that idea but the second

588

00:22:06,150 --> 00:22:03,400

reason is because Freemasonry came forth

589

00:22:07,890 --> 00:22:06,160

as this this light to man right we're

590

00:22:10,620 --> 00:22:07,900

bringing forth these ideas the lights of

591

00:22:12,960 --> 00:22:10,630

the mysteries of ancient times and I

592

00:22:14,850 --> 00:22:12,970

really feel like in human society

593

00:22:17,039 --> 00:22:14,860

especially here in America and also in

594

00:22:19,110 --> 00:22:17,049

the British Isles that Freemasonry has

595

00:22:21,450 --> 00:22:19,120

failed to bring that light that it's

596

00:22:23,190 --> 00:22:21,460

actually instead contributed to the

597

00:22:25,620 --> 00:22:23,200

darkness and has brought about the chaos

598

00:22:28,200 --> 00:22:25,630

that then it will then bring forth some

599

00:22:32,220 --> 00:22:28,210

false order that's contrived and

600

00:22:34,500 --> 00:22:32,230

designed to control us all yeah man and

601
00:22:35,669 --> 00:22:34,510
and that is a big revelation that came

602
00:22:37,890 --> 00:22:35,679
out in your book I mean a lot of people

603
00:22:39,659 --> 00:22:37,900
might have that impression but to

604
00:22:42,030 --> 00:22:39,669
actually have been on the inside you

605
00:22:44,100 --> 00:22:42,040
know it's a more respectable opinion a

606
00:22:46,020 --> 00:22:44,110
more educated opinion and to get into

607
00:22:48,210 --> 00:22:46,030
the details of kind of the overarching

608
00:22:49,980 --> 00:22:48,220
theme of the book when you do unravel

609
00:22:51,330 --> 00:22:49,990
all this tangled up information on

610
00:22:54,120 --> 00:22:51,340
masonry and you see these connections

611
00:22:55,590 --> 00:22:54,130
and you separate the true history from

612
00:22:57,510 --> 00:22:55,600
what some of these groups are doing

613
00:23:00,450 --> 00:22:57,520

they're trying to manufacture backdate

614

00:23:02,820 --> 00:23:00,460

history for their own purposes when you

615

00:23:05,730 --> 00:23:02,830

look at all this who do you see as the

616

00:23:09,870 --> 00:23:05,740

major troublemakers in this saga okay

617

00:23:14,580 --> 00:23:09,880

well there is in fact a group of

618

00:23:17,039 --> 00:23:14,590

individuals that we knowingly refer to

619

00:23:18,299 --> 00:23:17,049

as the Illuminati but this is not that

620

00:23:22,380 --> 00:23:18,309

this is not how they would label

621

00:23:25,370 --> 00:23:22,390

themselves and this is not how they were

622

00:23:28,350 --> 00:23:25,380

labeled officially you know in their

623

00:23:29,730 --> 00:23:28,360

whatever organizations they would find

624

00:23:32,010 --> 00:23:29,740

themselves in but for the sake of

625

00:23:33,060 --> 00:23:32,020

discussion and for the sake of giving

626

00:23:36,770 --> 00:23:33,070

people an idea of what we're talking

627

00:23:40,650 --> 00:23:36,780

about there is an Illuminati like

628

00:23:43,530 --> 00:23:40,660

organism that has travelled downs riding

629

00:23:44,820 --> 00:23:43,540

sidecar along with human history you

630

00:23:47,250 --> 00:23:44,830

know and it all goes back to a time

631

00:23:50,100 --> 00:23:47,260

probably the early days after a great

632

00:23:51,990 --> 00:23:50,110

cataclysm and I broke this down at other

633

00:23:54,330 --> 00:23:52,000

in other works I've done besides this

634

00:23:56,700 --> 00:23:54,340

book I've talked about it you know the

635

00:23:58,710 --> 00:23:56,710

idea that in the last days of the flood

636

00:24:01,289 --> 00:23:58,720

they know the waters receded and the wet

637

00:24:04,110 --> 00:24:01,299

mud still stand sit on the lands who

638

00:24:07,260 --> 00:24:04,120

would be you know the most important

639

00:24:09,090 --> 00:24:07,270

people to know if not the builders and

640

00:24:11,730 --> 00:24:09,100

architects right the people who could

641

00:24:14,789 --> 00:24:11,740

rebuild they're the guys you want around

642

00:24:16,799 --> 00:24:14,799

so their tools became an integral part

643

00:24:19,350 --> 00:24:16,809

of the allegories of all those these

644

00:24:20,940 --> 00:24:19,360

secret societies for a reason and they

645

00:24:22,260 --> 00:24:20,950

drew upon these traditions because a lot

646

00:24:24,180 --> 00:24:22,270

of these orders also drew their

647

00:24:26,880 --> 00:24:24,190

traditions from the ancient Roman common

648

00:24:28,889 --> 00:24:26,890

scene guilds the Kama scene guilds were

649

00:24:30,659 --> 00:24:28,899

the cathedral builders the early

650

00:24:32,600 --> 00:24:30,669

Cathedral builders and the great

651

00:24:36,299 --> 00:24:32,610

architects of ancient times and they

652

00:24:38,880 --> 00:24:36,309

they had hermetics the the science of

653

00:24:42,269 --> 00:24:38,890

the occult forbidden arts woven into

654

00:24:46,830 --> 00:24:42,279

their you know and and that that is at

655

00:24:49,470 --> 00:24:46,840

the root of all these orders you know at

656

00:24:52,919 --> 00:24:49,480

the basis of it all you have this this

657

00:24:55,740 --> 00:24:52,929

need to keep things in symmetry this

658

00:24:59,130 --> 00:24:55,750

idea of reflecting the divine and the

659

00:25:02,850 --> 00:24:59,140

idea of attracting excellence it's all

660

00:25:05,279 --> 00:25:02,860

woven into a myth that's dangled like a

661

00:25:08,039 --> 00:25:05,289

carrot to the every man who walks in the

662

00:25:10,680 --> 00:25:08,049

door of a lodge and and and behind it

663

00:25:12,659 --> 00:25:10,690

are these these orders and so you ask

664

00:25:14,250 --> 00:25:12,669

who who is it well I can tell you from

665

00:25:16,590 --> 00:25:14,260

in my book I speak a lot in the

666

00:25:18,029 --> 00:25:16,600

histories Freemasonry ancient craft

667

00:25:21,210 --> 00:25:18,039

masonry is it as we understand it is

668

00:25:24,299 --> 00:25:21,220

born in the British Isles in the early

669

00:25:26,279 --> 00:25:24,309

1700s it quickly migrates to the

670

00:25:29,399 --> 00:25:26,289

continent and when it migrates to the

671

00:25:33,389 --> 00:25:29,409

continent it explodes like an infection

672

00:25:35,490 --> 00:25:33,399

it becomes an amazing phenomenon of what

673

00:25:40,680 --> 00:25:35,500

they call that the generation of multi

674

00:25:43,980 --> 00:25:40,690

degrees that basically turn into well an

675

00:25:45,330 --> 00:25:43,990

average French or German itinerant Mason

676
00:25:48,000 --> 00:25:45,340
a man traveling from village to village

677
00:25:50,730 --> 00:25:48,010
if you had that you know a trade or if

678
00:25:52,500 --> 00:25:50,740
he was just a shiftless hunter or

679
00:25:54,000 --> 00:25:52,510
whatever you know you could travel from

680
00:25:55,590 --> 00:25:54,010
town to town and show up in a local

681
00:25:57,600 --> 00:25:55,600
lodge if he was already a brother Mason

682
00:25:59,519 --> 00:25:57,610
in the first three degrees he could

683
00:26:02,279 --> 00:25:59,529
bring these extra new Murray degrees

684
00:26:04,889 --> 00:26:02,289
with him and sell them peddle them to

685
00:26:06,180 --> 00:26:04,899
the other Mason's in the lodge so it

686
00:26:08,700 --> 00:26:06,190
would basically sell them pieces of

687
00:26:11,159 --> 00:26:08,710
paper with fancy seals on them and an

688
00:26:12,810 --> 00:26:11,169

archaic symbols and words and teach them

689

00:26:15,029 --> 00:26:12,820

a few secret handshakes and give them

690

00:26:16,590 --> 00:26:15,039

some pseudo history and a secret word

691

00:26:17,340 --> 00:26:16,600

and then and then they pay him like a

692

00:26:19,590 --> 00:26:17,350

couple bucks

693

00:26:21,990 --> 00:26:19,600

you know he'd go on to the next town

694

00:26:24,950 --> 00:26:22,000

that would be his industry really oh the

695

00:26:27,110 --> 00:26:24,960

degree peddlers and so

696

00:26:29,600 --> 00:26:27,120

that's one aspect but eventually that

697

00:26:32,000 --> 00:26:29,610

this tradition all produced hundreds and

698

00:26:33,980 --> 00:26:32,010

thousands of various degrees that kind

699

00:26:36,380 --> 00:26:33,990

of organized in these little councils

700

00:26:37,909 --> 00:26:36,390

and rites and orders that's why these

701
00:26:40,310 --> 00:26:37,919
that's what these words mean they're

702
00:26:43,039 --> 00:26:40,320
like the grouping up of degrees in two

703
00:26:45,340 --> 00:26:43,049
different traditions and keeping them

704
00:26:48,110 --> 00:26:45,350
together and in these little groups

705
00:26:50,630 --> 00:26:48,120
hierarchy of forms around the group and

706
00:26:53,210 --> 00:26:50,640
then the leadership you know asserts its

707
00:26:55,010 --> 00:26:53,220
authority and so that's what all the

708
00:26:57,799 --> 00:26:55,020
various histories of all these varying

709
00:27:00,649 --> 00:26:57,809
degrees and rights and orders and all

710
00:27:03,740 --> 00:27:00,659
this is connected to different

711
00:27:07,010 --> 00:27:03,750
leadership's vying for authority and

712
00:27:09,139 --> 00:27:07,020
control over the either Freemasonry

713
00:27:11,899 --> 00:27:09,149

proper ancient craft masonry or some

714

00:27:14,120 --> 00:27:11,909

other sub group of it you know some

715

00:27:17,539 --> 00:27:14,130

other side group and the Scottish Rite

716

00:27:20,720 --> 00:27:17,549

is a huge part of this the Scottish Rite

717

00:27:23,450 --> 00:27:20,730

was one of these groups that it was it

718

00:27:25,850 --> 00:27:23,460

born out of that same European tradition

719

00:27:27,710 --> 00:27:25,860

the Scottish Rite was implanted it was

720

00:27:31,399 --> 00:27:27,720

sort of injected or inoculated into the

721

00:27:33,380 --> 00:27:31,409

American culture in the late 18th

722

00:27:37,370 --> 00:27:33,390

century in the form of what was called

723

00:27:40,039 --> 00:27:37,380

the ineffable degrees or the the lodge

724

00:27:44,149 --> 00:27:40,049

of perfection you know the the Rite of

725

00:27:46,100 --> 00:27:44,159

perfection and so it sort of evolved in

726

00:27:48,500 --> 00:27:46,110

the early days before the Civil War and

727

00:27:50,690 --> 00:27:48,510

then through and after the Civil War the

728

00:27:53,149 --> 00:27:50,700

Civil War it evolved into the Scottish

729

00:27:56,750 --> 00:27:53,159

Rite it was first called the Scottish

730

00:27:57,350 --> 00:27:56,760

Rite in 1861 by Albert Pike very very

731

00:28:00,169 --> 00:27:57,360

infamous

732

00:28:03,260 --> 00:28:00,179

/ famous you know Civil War Brigadier

733

00:28:06,019 --> 00:28:03,270

General who you know ends up being the

734

00:28:08,899 --> 00:28:06,029

basically the guy who really puts the

735

00:28:11,090 --> 00:28:08,909

Scottish Rite on the map mm-hmm so to

736

00:28:13,250 --> 00:28:11,100

speak and that and this in my book we

737

00:28:15,680 --> 00:28:13,260

map it out we talk about there the

738

00:28:19,070 --> 00:28:15,690

Scottish Rite agents at odds with what

739

00:28:21,440 --> 00:28:19,080

we call the York Rite which is the more

740

00:28:23,659 --> 00:28:21,450

Americanized version of that ancient

741

00:28:27,169 --> 00:28:23,669

craft masonry that was brought over here

742

00:28:29,060 --> 00:28:27,179

in the early 18th century by English

743

00:28:31,250 --> 00:28:29,070

soldiers a lot of them in séjour noir

744

00:28:33,379 --> 00:28:31,260

lodges where the military would bring

745

00:28:35,120 --> 00:28:33,389

over versions of masonry that they

746

00:28:37,070 --> 00:28:35,130

carried with them into the colonies and

747

00:28:38,690 --> 00:28:37,080

then they would convert the locals

748

00:28:40,700 --> 00:28:38,700

they'd initiate them into the law

749

00:28:42,380 --> 00:28:40,710

and then they would form a lodge right

750

00:28:43,970 --> 00:28:42,390

there in that local area and that's how

751
00:28:47,840 --> 00:28:43,980
lodges were transplanted into the

752
00:28:50,299 --> 00:28:47,850
colonies interesting yeah I think it's

753
00:28:53,060 --> 00:28:50,309
it's such a fascinating saga a lot of

754
00:28:55,370 --> 00:28:53,070
infiltration it seems to be kind of

755
00:28:57,770 --> 00:28:55,380
their same blueprint for control just

756
00:28:58,880 --> 00:28:57,780
applied to infiltrating secret societies

757
00:29:01,010 --> 00:28:58,890
and getting in there just like they

758
00:29:03,380 --> 00:29:01,020
might have done with the you know the

759
00:29:05,960 --> 00:29:03,390
sixties revolution you get in there you

760
00:29:07,610 --> 00:29:05,970
infiltrate it you steer people to where

761
00:29:09,200 --> 00:29:07,620
you want them steered basically in

762
00:29:11,840 --> 00:29:09,210
Scottish Rite it seems like they just

763
00:29:15,560 --> 00:29:11,850

get people to continue paying their dues

764

00:29:17,150 --> 00:29:15,570

and walk along a road to nowhere because

765

00:29:19,430 --> 00:29:17,160

they kind of dangle that carrot and it

766

00:29:21,799 --> 00:29:19,440

never really comes it seems to be what I

767

00:29:23,600 --> 00:29:21,809

gathered out of Scottish right and so it

768

00:29:25,280 --> 00:29:23,610

begs the question on those upper levels

769

00:29:26,840 --> 00:29:25,290

what are they doing with all that money

770

00:29:28,460 --> 00:29:26,850

they're a huge organization you know

771

00:29:30,280 --> 00:29:28,470

they've they've definitely had their

772

00:29:33,350 --> 00:29:30,290

tentacles in a lot of different areas

773

00:29:34,940 --> 00:29:33,360

yeah there's all kinds of crazy stories

774

00:29:37,070 --> 00:29:34,950

about what happens with all the money

775

00:29:39,799 --> 00:29:37,080

they gather up they tell they claim to

776

00:29:41,570 --> 00:29:39,809

the world that they donate or they claim

777

00:29:43,159 --> 00:29:41,580

to the world that they give over a one

778

00:29:45,560 --> 00:29:43,169

and a half million dollars a day I

779

00:29:47,270 --> 00:29:45,570

believe to charitable endeavors let's

780

00:29:50,450 --> 00:29:47,280

talk about Masonic charities for just a

781

00:29:53,419 --> 00:29:50,460

moment the idea of Masonic charity began

782

00:29:55,240 --> 00:29:53,429

in the colonies of America with the

783

00:29:58,250 --> 00:29:55,250

notion that Masons helped one another

784

00:30:00,409 --> 00:29:58,260

written right within the initiatory

785

00:30:03,919 --> 00:30:00,419

obligations of the first three degrees

786

00:30:06,799 --> 00:30:03,929

in masonry you continually reinforce

787

00:30:09,020 --> 00:30:06,809

restate you know reestablish that you

788

00:30:11,510 --> 00:30:09,030

will fly to the general relief of a

789

00:30:14,390 --> 00:30:11,520

freemason a brother Mason who's in

790

00:30:16,730 --> 00:30:14,400

distress you know when you're able to do

791

00:30:20,150 --> 00:30:16,740

so and it won't cause you distress and

792

00:30:21,530 --> 00:30:20,160

you'll do it immediately especially if

793

00:30:24,110 --> 00:30:21,540

he applies to you for help

794

00:30:26,150 --> 00:30:24,120

so this tenant was was carried out by

795

00:30:27,530 --> 00:30:26,160

the early Masons in America so if a

796

00:30:29,690 --> 00:30:27,540

brother Mason down the road and Matt

797

00:30:32,030 --> 00:30:29,700

imagine a colony setting we're all

798

00:30:33,409 --> 00:30:32,040

homesteading really and you know I'm

799

00:30:35,480 --> 00:30:33,419

down the road and we're both in the

800

00:30:38,510 --> 00:30:35,490

lodge and and you need something I'd

801
00:30:41,210 --> 00:30:38,520
come help ya and that got around well in

802
00:30:43,520 --> 00:30:41,220
a small colony community if another

803
00:30:45,919 --> 00:30:43,530
person who wasn't in the lodge that

804
00:30:47,900 --> 00:30:45,929
needed help in those situations the

805
00:30:49,790 --> 00:30:47,910
average person out there today is pretty

806
00:30:51,700 --> 00:30:49,800
egalitarian I think and they would help

807
00:30:53,529 --> 00:30:51,710
somebody they saw a need if it

808
00:30:55,060 --> 00:30:53,539
wasn't gonna hurt them too bad you know

809
00:30:57,070 --> 00:30:55,070
and that's what would happen and

810
00:30:59,320 --> 00:30:57,080
eventually this idea this notion of

811
00:31:01,769 --> 00:30:59,330
charitable endeavor began but it always

812
00:31:05,649 --> 00:31:01,779
kind of stayed at that local level until

813
00:31:07,659 --> 00:31:05,659

around 1825 I believe it was when a

814

00:31:09,960 --> 00:31:07,669

certain captain William Morgan went

815

00:31:12,360 --> 00:31:09,970

disappeared on September 11th by the way

816

00:31:14,529 --> 00:31:12,370

when he disappeared

817

00:31:17,529 --> 00:31:14,539

Freemasonry almost got shut down in

818

00:31:19,180 --> 00:31:17,539

America it's basically the because what

819

00:31:21,220 --> 00:31:19,190

it was found out after the fact was is

820

00:31:23,169 --> 00:31:21,230

that several Mason's not only abducted

821

00:31:26,380 --> 00:31:23,179

him but they were involved in law

822

00:31:28,720 --> 00:31:26,390

enforcement and covered it up and so you

823

00:31:30,460 --> 00:31:28,730

know it was a drawn-out trial people

824

00:31:32,590 --> 00:31:30,470

don't realize they went on for years

825

00:31:35,710 --> 00:31:32,600

there was a dozens of indictments and

826

00:31:37,330 --> 00:31:35,720

many Mason's did go to jail but no one

827

00:31:39,130 --> 00:31:37,340

was ever found guilty of murder they

828

00:31:41,860 --> 00:31:39,140

were only ever found guilty of abduction

829

00:31:42,850 --> 00:31:41,870

and and you know he William Morgan was

830

00:31:45,700 --> 00:31:42,860

never seen again

831

00:31:47,350 --> 00:31:45,710

after that time Freemasonry shut down in

832

00:31:49,090 --> 00:31:47,360

places like Vermont New Hampshire in New

833

00:31:52,210 --> 00:31:49,100

York for a while where it's completely

834

00:31:54,730 --> 00:31:52,220

deactivated but as it began to resurface

835

00:31:57,220 --> 00:31:54,740

and there was also a huge social uproar

836

00:31:59,950 --> 00:31:57,230

a giant anti Mason party which was the

837

00:32:02,289 --> 00:31:59,960

first third party in America became the

838

00:32:04,269 --> 00:32:02,299

result of this anti Mason fervor that

839

00:32:06,669 --> 00:32:04,279

rose up from what happened in a place

840

00:32:09,460 --> 00:32:06,679

called Batavia New York in the Hudson

841

00:32:11,380 --> 00:32:09,470

River Valley region same place where the

842

00:32:13,060 --> 00:32:11,390

Sleepy Hollow you know in the same place

843

00:32:16,570 --> 00:32:13,070

where Joseph Smith came from which was

844

00:32:18,580 --> 00:32:16,580

Palmyra right next door so you know we

845

00:32:20,470 --> 00:32:18,590

also stayed there Mader X and I stayed

846

00:32:24,130 --> 00:32:20,480

there when we drove across country in

847

00:32:28,139 --> 00:32:24,140

the 90s late 90s we stayed in that same

848

00:32:30,940 --> 00:32:28,149

area ironically as where the captain

849

00:32:33,460 --> 00:32:30,950

William Morgan disappeared but when that

850

00:32:35,230 --> 00:32:33,470

happened they needed to churn out some

851
00:32:36,519 --> 00:32:35,240
sort of huge you can imagine right Greg

852
00:32:38,940 --> 00:32:36,529
they had to turn out some sort of huge

853
00:32:43,029 --> 00:32:38,950
PR campaign to turn this around you know

854
00:32:44,740 --> 00:32:43,039
spin this so Mason's began to give away

855
00:32:46,289 --> 00:32:44,750
stuff like nobody's business right I

856
00:32:48,850 --> 00:32:46,299
mean that's really why they're out there

857
00:32:50,470 --> 00:32:48,860
celebrating all the charitable part of

858
00:32:52,000 --> 00:32:50,480
it is they're helping people to put a

859
00:32:54,159 --> 00:32:52,010
good look on it right that's the surface

860
00:32:56,889 --> 00:32:54,169
but then behind the scenes we've talked

861
00:32:58,269 --> 00:32:56,899
to guys that are insiders in the

862
00:32:59,060 --> 00:32:58,279
leadership I mean there were people who

863
00:33:01,610 --> 00:32:59,070

were on

864

00:33:03,170 --> 00:33:01,620

well who are talking to me I interviewed

865

00:33:05,360 --> 00:33:03,180

a lot of people who wouldn't let me use

866

00:33:08,090 --> 00:33:05,370

their name you know they wouldn't let me

867

00:33:09,410 --> 00:33:08,100

reveal the source and I didn't include

868

00:33:11,210 --> 00:33:09,420

some of that stuff in the book because I

869

00:33:14,330 --> 00:33:11,220

didn't want to just throw out all kinds

870

00:33:16,010 --> 00:33:14,340

of baseless you know stuff without their

871

00:33:18,080 --> 00:33:16,020

verification but I can tell everybody

872

00:33:20,300 --> 00:33:18,090

right now that I heard all kinds of

873

00:33:22,100 --> 00:33:20,310

stories of corruption and nepotism and I

874

00:33:24,050 --> 00:33:22,110

heard stories of where they transferred

875

00:33:26,630 --> 00:33:24,060

funds back and forth between Masonic

876

00:33:28,010 --> 00:33:26,640

organizations as a laundering you know a

877

00:33:29,600 --> 00:33:28,020

back and forth to where you could lose

878

00:33:32,360 --> 00:33:29,610

thousands of dollars in the exchange

879

00:33:33,860 --> 00:33:32,370

here and there and it's all connected to

880

00:33:35,990 --> 00:33:33,870

this it's all hearsay right now on the

881

00:33:37,910 --> 00:33:36,000

radio I mean Who am I I'm just telling

882

00:33:39,320 --> 00:33:37,920

you what other people told me but the

883

00:33:41,240 --> 00:33:39,330

fact of the matter is is that there's

884

00:33:42,440 --> 00:33:41,250

even anybody out there who is these

885

00:33:44,600 --> 00:33:42,450

people who are high up leadership

886

00:33:46,730 --> 00:33:44,610

connected this isn't just idle

887

00:33:47,930 --> 00:33:46,740

information these are people that the

888

00:33:50,900 --> 00:33:47,940

average person is not going to get to

889

00:33:53,840 --> 00:33:50,910

say these things and so that's what

890

00:33:55,760 --> 00:33:53,850

we're doing with man so let's make it

891

00:33:57,320 --> 00:33:55,770

weird for a second let's let's get to

892

00:33:59,570 --> 00:33:57,330

some weird places what are your thoughts

893

00:34:00,950 --> 00:33:59,580

on the idea that at the top of these

894

00:34:02,990 --> 00:34:00,960

fraternal orders they're usually

895

00:34:05,600 --> 00:34:03,000

participating in some kind of sustained

896

00:34:07,010 --> 00:34:05,610

ongoing contact with some non-human

897

00:34:08,270 --> 00:34:07,020

entities do you think that's a big part

898

00:34:10,550 --> 00:34:08,280

of the high level secrets or is that

899

00:34:12,080 --> 00:34:10,560

just rumors no I and you know we did

900

00:34:14,240 --> 00:34:12,090

talk we covered this a little bit in our

901
00:34:16,880 --> 00:34:14,250
last conversation I feel like there's

902
00:34:18,590 --> 00:34:16,890
some huge substantiation to this I think

903
00:34:21,050 --> 00:34:18,600
that there's quite the possibility

904
00:34:23,240 --> 00:34:21,060
because from all of my researches and

905
00:34:25,730 --> 00:34:23,250
experiences and I've really looked at

906
00:34:28,750 --> 00:34:25,740
this a lot Greg I think that there is

907
00:34:31,730 --> 00:34:28,760
the the greatest possibility of a

908
00:34:34,490 --> 00:34:31,740
sustained contact as you put it from

909
00:34:35,090 --> 00:34:34,500
ritualized behavior with disembodied

910
00:34:37,909 --> 00:34:35,100
spirits

911
00:34:42,350 --> 00:34:37,919
that's absolutely plausible in my

912
00:34:43,610 --> 00:34:42,360
universe anyways well let's break it

913
00:34:45,230 --> 00:34:43,620

down a little for the listeners to kind

914

00:34:47,090 --> 00:34:45,240

of get more specific about what we're

915

00:34:47,720 --> 00:34:47,100

talking about here so there's a book out

916

00:34:49,460 --> 00:34:47,730

there called

917

00:34:51,919 --> 00:34:49,470

inside the magical Lodge written by a

918

00:34:54,050 --> 00:34:51,929

guy named John Michael Greer and in this

919

00:34:56,060 --> 00:34:54,060

book he is a man who spent decades

920

00:34:58,460 --> 00:34:56,070

working in the Golden Dawn magical

921

00:35:00,470 --> 00:34:58,470

system where they do ritual ceremonial

922

00:35:03,260 --> 00:35:00,480

magic on a regular basis which means

923

00:35:05,330 --> 00:35:03,270

they have a lodge space that they banish

924

00:35:07,850 --> 00:35:05,340

the energy they literally cleanse the

925

00:35:10,070 --> 00:35:07,860

energy creating a vacuum on an etheric

926
00:35:12,349 --> 00:35:10,080
level and we're getting weird right on

927
00:35:14,720 --> 00:35:12,359
an ambient energetic level

928
00:35:17,239 --> 00:35:14,730
they they just cleanse this area and

929
00:35:19,910 --> 00:35:17,249
what it's like Gregg it's like if you

930
00:35:22,400 --> 00:35:19,920
were to like in Dragon Ball Z right

931
00:35:24,710 --> 00:35:22,410
that's that you know calm a there's a

932
00:35:27,079 --> 00:35:24,720
particular right yeah the protective

933
00:35:28,670 --> 00:35:27,089
bubble around the characters right that

934
00:35:31,400 --> 00:35:28,680
that's what like you'd imagine a

935
00:35:33,950 --> 00:35:31,410
nine-foot sphere around you where you're

936
00:35:36,049 --> 00:35:33,960
saying I'm holding back all the cosmic

937
00:35:37,819 --> 00:35:36,059
energies in the universe for this time

938
00:35:39,950 --> 00:35:37,829

while I'm doing this magical ritual

939

00:35:42,259 --> 00:35:39,960

they'll all hold back outside that

940

00:35:45,589 --> 00:35:42,269

sphere and then you'll say I now allow

941

00:35:47,589 --> 00:35:45,599

only this this version of magic or this

942

00:35:49,819 --> 00:35:47,599

version of energy this current of

943

00:35:50,960 --> 00:35:49,829

energetic force to come into the circle

944

00:35:53,120 --> 00:35:50,970

and I work with it now and then I'll

945

00:35:55,519 --> 00:35:53,130

bring in this elemental force and I'll

946

00:35:57,739 --> 00:35:55,529

work with it now you know so you're

947

00:35:59,599 --> 00:35:57,749

you're you're basically and then at the

948

00:36:01,460 --> 00:35:59,609

end of it all when you banish the circle

949

00:36:03,499 --> 00:36:01,470

again when you're done all the energies

950

00:36:05,839 --> 00:36:03,509

of the cosmos splash back into that

951
00:36:08,089 --> 00:36:05,849
space because they h ER of a [h__\h] of

952
00:36:09,859 --> 00:36:08,099
vacuum and rushes back in and if you've

953
00:36:12,289 --> 00:36:09,869
done your magic right according to the

954
00:36:13,970 --> 00:36:12,299
magical tradition the the will the thing

955
00:36:16,549 --> 00:36:13,980
that you've manifested with your will

956
00:36:18,109 --> 00:36:16,559
will be buoyant in that current of

957
00:36:19,789 --> 00:36:18,119
cosmos and be carried to its destination

958
00:36:21,620 --> 00:36:19,799
it's likely course where it's supposed

959
00:36:24,160 --> 00:36:21,630
to go what you want to accomplish with

960
00:36:27,890 --> 00:36:24,170
the outcome of the results you seek so

961
00:36:29,359 --> 00:36:27,900
this guy john michael greer he had years

962
00:36:30,739 --> 00:36:29,369
and years of experience in doing this

963
00:36:33,380 --> 00:36:30,749

sort of thing with the groups of people

964

00:36:36,890 --> 00:36:33,390

in lodges because the golden dawn as

965

00:36:40,309 --> 00:36:36,900

with the OTO as with hundreds of other

966

00:36:42,769 --> 00:36:40,319

magical orders they meet in Masonic

967

00:36:45,440 --> 00:36:42,779

lodges in every city and state you know

968

00:36:47,059 --> 00:36:45,450

city in town in America mm-hmm so these

969

00:36:49,069 --> 00:36:47,069

that's what people need to keep in mind

970

00:36:50,390 --> 00:36:49,079

when you think well a guy will come on

971

00:36:52,400 --> 00:36:50,400

and say hey amazing they're just guys

972

00:36:53,930 --> 00:36:52,410

having barbecues and they're you know

973

00:36:56,210 --> 00:36:53,940

they're doing this that it's just about

974

00:36:57,349 --> 00:36:56,220

bake sales and pancake breakfast is and

975

00:36:59,210 --> 00:36:57,359

that's all it really is and you know

976

00:37:01,400 --> 00:36:59,220

raising funds and money charities for

977

00:37:03,589 --> 00:37:01,410

the children's funds and all that that's

978

00:37:05,930 --> 00:37:03,599

all well and fine that may be just quite

979

00:37:06,920 --> 00:37:05,940

so but they also rent that space the

980

00:37:08,620 --> 00:37:06,930

other nights of the week when they're

981

00:37:12,170 --> 00:37:08,630

not meeting two other

982

00:37:14,660 --> 00:37:12,180

quasi Masonic organisations and some of

983

00:37:16,460 --> 00:37:14,670

those include the OTO which was founded

984

00:37:18,829 --> 00:37:16,470

by or at least brought to America by

985

00:37:20,960 --> 00:37:18,839

Aleister Crowley and the Golden Dawn

986

00:37:23,269 --> 00:37:20,970

which is all the Victorian magicians

987

00:37:24,380 --> 00:37:23,279

from you know Scotland and Ireland and

988

00:37:26,359 --> 00:37:24,390

England and other place

989

00:37:29,240 --> 00:37:26,369

in Europe who also brought it over here

990

00:37:31,730 --> 00:37:29,250

to America so it's a lot of stuff's

991

00:37:34,279 --> 00:37:31,740

going on there that may not be you know

992

00:37:38,930 --> 00:37:34,289

quite what people expect in a Masonic

993

00:37:41,329 --> 00:37:38,940

Lodge and so ceremonial magic is part of

994

00:37:43,819 --> 00:37:41,339

this Greg and this book I wrote called

995

00:37:46,430 --> 00:37:43,829

inside the magical Lodge talks about how

996

00:37:48,740 --> 00:37:46,440

a ritual space a Masonic Lodge which has

997

00:37:50,750 --> 00:37:48,750

an altar which has a square box in the

998

00:37:53,059 --> 00:37:50,760

center of the room with the three lights

999

00:37:55,849 --> 00:37:53,069

of masonry around it you know each each

1000

00:37:56,299 --> 00:37:55,859

wall in the room is a direction on the

1001
00:37:58,490 --> 00:37:56,309
compass

1002
00:38:00,500 --> 00:37:58,500
you know north south east and west and

1003
00:38:02,120 --> 00:38:00,510
there there's a chair there and there's

1004
00:38:05,329 --> 00:38:02,130
a station there and that's all in

1005
00:38:07,519 --> 00:38:05,339
accordance with this idea of cross road

1006
00:38:09,650 --> 00:38:07,529
governors or demons you know like the

1007
00:38:11,329 --> 00:38:09,660
idea of there being 91 parts to the

1008
00:38:13,789 --> 00:38:11,339
earth that are all divided on this grid

1009
00:38:15,890 --> 00:38:13,799
and in every spot there's a governor a

1010
00:38:17,480 --> 00:38:15,900
king and a prince and that's what the

1011
00:38:19,819 --> 00:38:17,490
words are used according to John Dee's

1012
00:38:22,339 --> 00:38:19,829
system and you end up with this idea of

1013
00:38:25,430 --> 00:38:22,349

these entities these disembodied spirits

1014

00:38:28,730 --> 00:38:25,440

who literally govern that exact spot on

1015

00:38:30,980 --> 00:38:28,740

the earth so if you built a lodge for

1016

00:38:33,410 --> 00:38:30,990

example I'm one of those really potent

1017

00:38:36,200 --> 00:38:33,420

gridline criss-cross places where you

1018

00:38:38,900 --> 00:38:36,210

have a dozen governors and kings and

1019

00:38:41,240 --> 00:38:38,910

princes of the demonic world and demon

1020

00:38:43,249 --> 00:38:41,250

in the Greek means disembodied spirit

1021

00:38:45,109 --> 00:38:43,259

daemon is it is a disembodied spirit you

1022

00:38:47,269 --> 00:38:45,119

know so if you had a building that

1023

00:38:49,819 --> 00:38:47,279

you've built on that spot or a temple

1024

00:38:53,029 --> 00:38:49,829

you know or a church and then everybody

1025

00:38:55,730 --> 00:38:53,039

met regularly weekly daily monthly in

1026

00:38:57,499 --> 00:38:55,740

all these holy days and on the specific

1027

00:39:00,740 --> 00:38:57,509

kalindra chol days when all the all

1028

00:39:04,779 --> 00:39:00,750

everything you know works in a cycle

1029

00:39:08,329 --> 00:39:04,789

right so you have all the all the

1030

00:39:11,740 --> 00:39:08,339

zodiacal signs aligning and you all come

1031

00:39:15,609 --> 00:39:11,750

together and you do a ritual every that

1032

00:39:18,559 --> 00:39:15,619

attracts disembodied spirits that brings

1033

00:39:20,569 --> 00:39:18,569

disembodied spirits to that spot over

1034

00:39:22,519 --> 00:39:20,579

and over again and after a while they'll

1035

00:39:25,069 --> 00:39:22,529

take on a life of their own and they'll

1036

00:39:27,079 --> 00:39:25,079

start to see they want to keep that that

1037

00:39:28,849 --> 00:39:27,089

gathering going they want to keep that

1038

00:39:31,190 --> 00:39:28,859

activity going they want to attract new

1039

00:39:33,420 --> 00:39:31,200

members they want to bring the same

1040

00:39:36,120 --> 00:39:33,430

like-minded people into that room

1041

00:39:38,970 --> 00:39:36,130

keep them coming back so you see how

1042

00:39:42,390 --> 00:39:38,980

that would just keep evolving right yeah

1043

00:39:43,230 --> 00:39:42,400

man and this idea of magic in these

1044

00:39:45,000 --> 00:39:43,240

organizations

1045

00:39:46,650 --> 00:39:45,010

I like the interface between that and

1046

00:39:48,540 --> 00:39:46,660

money and you write a little bit about

1047

00:39:50,099 --> 00:39:48,550

the bank store thugs in this book and we

1048

00:39:51,750 --> 00:39:50,109

talked a little bit about it last time

1049

00:39:53,280 --> 00:39:51,760

but it's such an interesting area to me

1050

00:39:55,290 --> 00:39:53,290

because obviously the whole world is

1051
00:39:57,750 --> 00:39:55,300
operated by money but it wasn't always

1052
00:39:59,760 --> 00:39:57,760
finance and commerce had to be invented

1053
00:40:01,440 --> 00:39:59,770
and when you look back and you see this

1054
00:40:03,900 --> 00:40:01,450
super close association between

1055
00:40:06,480 --> 00:40:03,910
religions and monetary systems priests

1056
00:40:08,760 --> 00:40:06,490
and money changers it makes me even more

1057
00:40:10,410 --> 00:40:08,770
intrigued by this idea that money might

1058
00:40:13,170 --> 00:40:10,420
be the ultimate magic it might be some

1059
00:40:15,720 --> 00:40:13,180
direct manifestation from this sustained

1060
00:40:17,549 --> 00:40:15,730
contact of this like spiritual parasite

1061
00:40:19,650 --> 00:40:17,559
because it operates with almost the same

1062
00:40:20,490 --> 00:40:19,660
quality of possession in our world I

1063
00:40:23,250 --> 00:40:20,500

mean what do you think

1064

00:40:26,520 --> 00:40:23,260

well absolutely money is the talismanic

1065

00:40:29,160 --> 00:40:26,530

tool of the mind parasites right of the

1066

00:40:31,140 --> 00:40:29,170

the invading pathogen that has entered

1067

00:40:33,900 --> 00:40:31,150

human consciousness at some point along

1068

00:40:36,210 --> 00:40:33,910

our journey you know as a species this

1069

00:40:38,400 --> 00:40:36,220

outside or in inner or outer you know

1070

00:40:40,650 --> 00:40:38,410

intro species or outer species predator

1071

00:40:42,420 --> 00:40:40,660

showed up and one of the tools that is

1072

00:40:44,880 --> 00:40:42,430

used is this mystification this

1073

00:40:47,370 --> 00:40:44,890

captivation through sigil through

1074

00:40:49,530 --> 00:40:47,380

talisman through money money of the

1075

00:40:52,430 --> 00:40:49,540

dollar itself I mean the symbols all

1076

00:40:54,750 --> 00:40:52,440

over it it's it's it's you know

1077

00:40:56,490 --> 00:40:54,760

fascinating to think about in an

1078

00:40:58,230 --> 00:40:56,500

objective way but of course subjectively

1079

00:41:00,780 --> 00:40:58,240

you know we're enslaved by it it's

1080

00:41:02,549 --> 00:41:00,790

absolutely correct I still am struggling

1081

00:41:04,319 --> 00:41:02,559

with the way around us and let's not be

1082

00:41:07,620 --> 00:41:04,329

mistaken to all the listeners out there

1083

00:41:09,359 --> 00:41:07,630

you know my my motivation to know the

1084

00:41:11,370 --> 00:41:09,369

truth and to find the truth there was a

1085

00:41:13,470 --> 00:41:11,380

there was a mercenary side to it guys I

1086

00:41:15,240 --> 00:41:13,480

mean I wanted to be on the advantage

1087

00:41:17,700 --> 00:41:15,250

side instead of the disadvantage side

1088

00:41:20,250 --> 00:41:17,710

because I felt disempowered as a person

1089

00:41:22,680 --> 00:41:20,260

I felt them completely out of touch with

1090

00:41:25,620 --> 00:41:22,690

all this metaphysical reality or the

1091

00:41:27,990 --> 00:41:25,630

idea of any of this elemental nature or

1092

00:41:31,710 --> 00:41:28,000

any of it being real it's all it was all

1093

00:41:33,569 --> 00:41:31,720

fantastical and not not clearly not in

1094

00:41:35,670 --> 00:41:33,579

my everyday experience you know as a

1095

00:41:38,190 --> 00:41:35,680

person in the social structure of

1096

00:41:40,200 --> 00:41:38,200

America working and slaving away trying

1097

00:41:43,559 --> 00:41:40,210

to pay the bills but I felt like I

1098

00:41:46,559 --> 00:41:43,569

sought some sort of advantage I wanted

1099

00:41:46,950 --> 00:41:46,569

to be rien I thought to myself if there

1100

00:41:49,050 --> 00:41:46,960

you

1101

00:41:51,390 --> 00:41:49,060

using these tools and I believe that

1102

00:41:53,880 --> 00:41:51,400

they are the birthright of all of ours

1103

00:41:56,730 --> 00:41:53,890

Western people you know you Greg I

1104

00:41:59,760 --> 00:41:56,740

assume you're anglo-saxon you know just

1105

00:42:01,980 --> 00:41:59,770

sent mostly just like me so we are of

1106

00:42:03,780 --> 00:42:01,990

those what I call the European tribal

1107

00:42:06,300 --> 00:42:03,790

peoples you know like the ones that were

1108

00:42:08,609 --> 00:42:06,310

conquered in the same way that Plains

1109

00:42:10,560 --> 00:42:08,619

Indians of America were conquered these

1110

00:42:12,630 --> 00:42:10,570

these European people were conquered a

1111

00:42:15,300 --> 00:42:12,640

thousand years before by the same sort

1112

00:42:17,700 --> 00:42:15,310

of church system that Abrahamic

1113

00:42:20,040 --> 00:42:17,710

religious infestation which tries to

1114

00:42:22,109 --> 00:42:20,050

tell us all that were fallen and we need

1115

00:42:23,849 --> 00:42:22,119

Redemption and we need salvation you

1116

00:42:24,930 --> 00:42:23,859

know and not that we're born with

1117

00:42:26,760 --> 00:42:24,940

everything we need and we just need to

1118

00:42:28,890 --> 00:42:26,770

wake up and realize it you know and and

1119

00:42:31,620 --> 00:42:28,900

so when you asked about the the the

1120

00:42:33,630 --> 00:42:31,630

power brokers all ever since this

1121

00:42:35,760 --> 00:42:33,640

particular paradigm was launched which

1122

00:42:37,800 --> 00:42:35,770

probably happened 10,000 years ago just

1123

00:42:40,020 --> 00:42:37,810

to throw a number out there ever since

1124

00:42:42,839 --> 00:42:40,030

it was launched we've had a priesthood

1125

00:42:44,280 --> 00:42:42,849

in place that has used money or currency

1126

00:42:45,960 --> 00:42:44,290

in some form

1127

00:42:47,820 --> 00:42:45,970

you know the exchange of goods and

1128

00:42:51,930 --> 00:42:47,830

services has been a part of this plan

1129

00:42:54,390 --> 00:42:51,940

the accumulation of wealth the the

1130

00:42:57,300 --> 00:42:54,400

creation of scarcity and shortage in

1131

00:42:59,520 --> 00:42:57,310

order to get people enslaved to others

1132

00:43:02,010 --> 00:42:59,530

you know and the maintaining of that

1133

00:43:03,839 --> 00:43:02,020

myth of scarcity and shortages to keep

1134

00:43:06,329 --> 00:43:03,849

everybody really reinforcing that

1135

00:43:08,010 --> 00:43:06,339

paradigm and in America was no different

1136

00:43:10,859 --> 00:43:08,020

with the end of the revolution you know

1137

00:43:12,990 --> 00:43:10,869

you had America wide open and everybody

1138

00:43:14,460 --> 00:43:13,000

knows that the central banking in

1139

00:43:16,770 --> 00:43:14,470

America was established they had the

1140

00:43:19,260 --> 00:43:16,780

Charter signed before the Treaty of

1141

00:43:21,089 --> 00:43:19,270

Paris before they stopped the war

1142

00:43:22,560 --> 00:43:21,099

between America and England they already

1143

00:43:24,599 --> 00:43:22,570

had a center central bank for the new

1144

00:43:26,910 --> 00:43:24,609

government set up that's how important

1145

00:43:28,650 --> 00:43:26,920

this was right and then and this is the

1146

00:43:30,810 --> 00:43:28,660

priority and who was the guy that was

1147

00:43:32,609 --> 00:43:30,820

broker in that deal everybody our old

1148

00:43:34,589 --> 00:43:32,619

friend Alexander Hamilton who obviously

1149

00:43:37,020 --> 00:43:34,599

had connections with the Rothschilds in

1150

00:43:39,240 --> 00:43:37,030

the foreign banking exchanges and this

1151
00:43:40,800 --> 00:43:39,250
Rothschild connection I'm not I only

1152
00:43:42,210 --> 00:43:40,810
know what I've read just like everybody

1153
00:43:43,890 --> 00:43:42,220
else has read the Anthony Sutton books

1154
00:43:45,540 --> 00:43:43,900
out there and all the other material

1155
00:43:48,030 --> 00:43:45,550
that anybody could find to talk about

1156
00:43:50,010 --> 00:43:48,040
what we think is going on there whether

1157
00:43:52,109 --> 00:43:50,020
or not any of that's true what I know is

1158
00:43:53,730 --> 00:43:52,119
the results you know the results are

1159
00:43:56,190 --> 00:43:53,740
that a central bank was set up in

1160
00:43:58,480 --> 00:43:56,200
America that basically just totally

1161
00:43:59,890 --> 00:43:58,490
extracted the wealth everywhere around

1162
00:44:01,770 --> 00:43:59,900
to the point where it left such

1163
00:44:04,120 --> 00:44:01,780

financial ruin in its wake it wasn't

1164

00:44:06,430 --> 00:44:04,130

really did not renew the Charter for

1165

00:44:08,380 --> 00:44:06,440

that central bank that tells you that

1166

00:44:11,410 --> 00:44:08,390

wasn't effective for the people who

1167

00:44:13,630 --> 00:44:11,420

thought they had Liberty in America but

1168

00:44:15,520 --> 00:44:13,640

this is how it moves forward everybody

1169

00:44:16,930 --> 00:44:15,530

and everybody when you think about the

1170

00:44:19,840 --> 00:44:16,940

assassinated presidents in American

1171

00:44:21,190 --> 00:44:19,850

history you know the only president in

1172

00:44:23,140 --> 00:44:21,200

American history to ever fight the

1173

00:44:26,910 --> 00:44:23,150

central bank and not be shot in the head

1174

00:44:30,070 --> 00:44:26,920

in public was Andrew Jackson you know

1175

00:44:31,690 --> 00:44:30,080

he's the only one that's we remember

1176

00:44:33,550 --> 00:44:31,700

Andrew Jackson and they honor him by

1177

00:44:37,060 --> 00:44:33,560

putting him on the fiat currency he was

1178

00:44:39,070 --> 00:44:37,070

against exactly and what do we remember

1179

00:44:40,660 --> 00:44:39,080

about him he was a general he had an

1180

00:44:42,490 --> 00:44:40,670

army of standing army around him at all

1181

00:44:45,010 --> 00:44:42,500

times of Calvary now that's how he

1182

00:44:47,170 --> 00:44:45,020

enforced his policies really you know

1183

00:44:51,750 --> 00:44:47,180

and of course right in the end the irony

1184

00:44:56,320 --> 00:44:54,580

fascinating thread and the Knights

1185

00:44:58,120 --> 00:44:56,330

Templar a big part of it if you go back

1186

00:44:59,290 --> 00:44:58,130

further I know you were kind of involved

1187

00:45:00,670 --> 00:44:59,300

I think that was one of the groups who

1188

00:45:03,099 --> 00:45:00,680

were affiliated with the modern Knights

1189

00:45:04,630 --> 00:45:03,109

Templar but in the past it's a pretty

1190

00:45:06,010 --> 00:45:04,640

fascinating story because I as I

1191

00:45:08,410 --> 00:45:06,020

understand it they amassed a lot of

1192

00:45:10,450 --> 00:45:08,420

wealth using banking tricks and issuing

1193

00:45:11,500 --> 00:45:10,460

credit and then when King Philip

1194

00:45:14,080 --> 00:45:11,510

tortured them and burned him at the

1195

00:45:15,609 --> 00:45:14,090

stake they had to disclose a lot of

1196

00:45:17,800 --> 00:45:15,619

where those ideas came from and they

1197

00:45:19,450 --> 00:45:17,810

kept mentioning rituals he's communing

1198

00:45:21,430 --> 00:45:19,460

with some kind of entities that guided

1199

00:45:23,980 --> 00:45:21,440

him and it seems to be one of those rare

1200

00:45:25,630 --> 00:45:23,990

times where we get the kind of insight

1201

00:45:27,550 --> 00:45:25,640

we're looking for into this thread

1202

00:45:29,070 --> 00:45:27,560

okay so there's two parts to this

1203

00:45:32,080 --> 00:45:29,080

question and the answers are really

1204

00:45:34,540 --> 00:45:32,090

manifold because we have to consider

1205

00:45:36,640 --> 00:45:34,550

okay what we know about torture right I

1206

00:45:39,370 --> 00:45:36,650

mean I've never been tortured like

1207

00:45:40,990 --> 00:45:39,380

officially by any you know standard that

1208

00:45:42,130 --> 00:45:41,000

you could you know set as a torture

1209

00:45:43,750 --> 00:45:42,140

standard that's never happened to me I

1210

00:45:46,330 --> 00:45:43,760

don't know about you Greg but I can

1211

00:45:48,820 --> 00:45:46,340

imagine from what I've heard described

1212

00:45:50,440 --> 00:45:48,830

and read described that you know if I

1213

00:45:52,270 --> 00:45:50,450

was tortured I would just say whatever I

1214

00:45:54,220 --> 00:45:52,280

had to say to get it to stop and that's

1215

00:45:56,500 --> 00:45:54,230

what happened with these Knights Templar

1216

00:45:58,270 --> 00:45:56,510

I mean they literally burned the bottom

1217

00:46:01,330 --> 00:45:58,280

of their feet still the bones fell out

1218

00:46:03,820 --> 00:46:01,340

that's how it's described with hot hot

1219

00:46:05,410 --> 00:46:03,830

irons so they melted the bottom of their

1220

00:46:08,380 --> 00:46:05,420

feet until the little bones and their

1221

00:46:09,820 --> 00:46:08,390

feet fell out onto the floor so so

1222

00:46:11,390 --> 00:46:09,830

that's these are the guys that they got

1223

00:46:13,519 --> 00:46:11,400

all that information written down for

1224

00:46:15,319 --> 00:46:13,529

fair fair point it's good I guess it's

1225

00:46:16,730 --> 00:46:15,329

worth noting that we got a note that

1226

00:46:17,900 --> 00:46:16,740

ahead of time okay

1227

00:46:20,359 --> 00:46:17,910

but having said that there was

1228

00:46:22,870 --> 00:46:20,369

absolutely something heretical going on

1229

00:46:25,249 --> 00:46:22,880

within the Knights Templar of old

1230

00:46:28,249 --> 00:46:25,259

absolutely we know that that that is the

1231

00:46:29,900 --> 00:46:28,259

case we've we verified that but would as

1232

00:46:31,579 --> 00:46:29,910

to the specifics that were come you know

1233

00:46:34,069 --> 00:46:31,589

gotten from the torture confessions I

1234

00:46:36,230 --> 00:46:34,079

don't know how much I can you know deny

1235

00:46:38,660 --> 00:46:36,240

or a support there because of of that

1236

00:46:40,430 --> 00:46:38,670

fact about torture you know but putting

1237

00:46:42,200 --> 00:46:40,440

that aside for a second we know that the

1238

00:46:44,120 --> 00:46:42,210

Templars were absolutely the early

1239

00:46:46,400 --> 00:46:44,130

bankers they set up a currency so

1240

00:46:48,920 --> 00:46:46,410

basically if you were a rich Noble in

1241

00:46:50,089 --> 00:46:48,930

Europe you wanted to go to the Crusades

1242

00:46:52,039 --> 00:46:50,099

you want to go to the Holy Land or

1243

00:46:54,049 --> 00:46:52,049

whatever you could go to local Templar

1244

00:46:56,120 --> 00:46:54,059

commandery and and you could you know

1245

00:46:58,039 --> 00:46:56,130

deposit amount of gold in there

1246

00:47:00,980 --> 00:46:58,049

commander they would give you a sigil

1247

00:47:02,839 --> 00:47:00,990

ated piece of you know this CD a

1248

00:47:05,150 --> 00:47:02,849

certificate of deposit that would have

1249

00:47:06,920 --> 00:47:05,160

their fancy seal on it and you could

1250

00:47:08,809 --> 00:47:06,930

travel anywhere where there was another

1251
00:47:10,849 --> 00:47:08,819
Templar commandery and cash it in for

1252
00:47:13,039 --> 00:47:10,859
gold and that was the early currency

1253
00:47:15,640 --> 00:47:13,049
exchange so they add that now the order

1254
00:47:19,519 --> 00:47:15,650
I belong to is a little bit tricky

1255
00:47:22,880 --> 00:47:19,529
because the Masonic Knights Templar

1256
00:47:25,729 --> 00:47:22,890
order is not the original order of

1257
00:47:28,220 --> 00:47:25,739
Knights Templar it's not at all I mean

1258
00:47:30,079 --> 00:47:28,230
the ideas of the Holy Blood Holy Grail

1259
00:47:32,779 --> 00:47:30,089
notwithstanding any of that because

1260
00:47:36,019 --> 00:47:32,789
within the statement I must qualify that

1261
00:47:38,690 --> 00:47:36,029
there is I believe another you know

1262
00:47:40,970 --> 00:47:38,700
almost secret Templar tradition that's

1263
00:47:44,120 --> 00:47:40,980

traveling right alongside the official

1264

00:47:45,710 --> 00:47:44,130

Masonic Knights Templar order that may

1265

00:47:48,529 --> 00:47:45,720

have connections that go all the way

1266

00:47:50,720 --> 00:47:48,539

back at least to like you know King

1267

00:47:52,729 --> 00:47:50,730

Robert the Bruce and his Battle of

1268

00:47:54,769 --> 00:47:52,739

Veronica and where this mysterious

1269

00:47:56,630 --> 00:47:54,779

Calvary shows up and everybody claims

1270

00:48:00,259 --> 00:47:56,640

that's the Knights Templar who had fled

1271

00:48:03,200 --> 00:48:00,269

from the betrayal of Pope Clement and

1272

00:48:05,390 --> 00:48:03,210

King Philip the fair in France so that's

1273

00:48:07,759 --> 00:48:05,400

the that's the story and I've heard it

1274

00:48:10,279 --> 00:48:07,769

too but what I can tell you is best

1275

00:48:12,410 --> 00:48:10,289

being a former member of the Masonic

1276

00:48:14,450 --> 00:48:12,420

Knights Templar in America as that order

1277

00:48:16,519 --> 00:48:14,460

is not the original Knights Templar

1278

00:48:19,999 --> 00:48:16,529

order you know what it is is a

1279

00:48:21,890 --> 00:48:20,009

paramilitary order from like the you

1280

00:48:25,760 --> 00:48:21,900

know a Victorian era

1281

00:48:27,410 --> 00:48:25,770

you know Civil War mentality in America

1282

00:48:30,380 --> 00:48:27,420

you know and as a matter of fact Mark

1283

00:48:32,630 --> 00:48:30,390

Twain he actually blamed he said that we

1284

00:48:35,420 --> 00:48:32,640

that Walter Scott Sir Walter Scott who

1285

00:48:37,670 --> 00:48:35,430

wrote Ivanhoe and also wrote Rob Roy

1286

00:48:39,800 --> 00:48:37,680

should be blamed for the Civil War

1287

00:48:42,110 --> 00:48:39,810

because he infested the southern mind

1288

00:48:43,760 --> 00:48:42,120

with this idea of chivalry and the idea

1289

00:48:45,980 --> 00:48:43,770

of these Knights riding across the land

1290

00:48:47,780 --> 00:48:45,990

like our theory in Knights doing good

1291

00:48:49,520 --> 00:48:47,790

deeds and saving damsels and you know

1292

00:48:51,440 --> 00:48:49,530

defending Dixie and all this and this

1293

00:48:53,150 --> 00:48:51,450

was like the the core and so in the end

1294

00:48:55,640 --> 00:48:53,160

of the end days of that that time period

1295

00:48:57,590 --> 00:48:55,650

in America if you most most people were

1296

00:49:00,110 --> 00:48:57,600

affected by the Civil War most men who

1297

00:49:02,030 --> 00:49:00,120

were able-bodied served and so they got

1298

00:49:03,950 --> 00:49:02,040

that true to that experience but for

1299

00:49:05,690 --> 00:49:03,960

those who didn't they could join a

1300

00:49:08,360 --> 00:49:05,700

paramilitary order like the Knights

1301
00:49:10,850 --> 00:49:08,370
Templar in America and rub elbows with

1302
00:49:14,350 --> 00:49:10,860
the former Civil War veterans as equals

1303
00:49:16,220 --> 00:49:14,360
doing drills formations and marching in

1304
00:49:19,700 --> 00:49:16,230
paramilitary outfits that looked like

1305
00:49:20,930 --> 00:49:19,710
civil war officers so that was really

1306
00:49:23,060 --> 00:49:20,940
what it was going on there and that's

1307
00:49:24,470 --> 00:49:23,070
where we have this infestation of the

1308
00:49:26,900 --> 00:49:24,480
Illuminati that we alluded to before

1309
00:49:28,580 --> 00:49:26,910
when I talked about Albert Pike Albert

1310
00:49:32,210 --> 00:49:28,590
Pike had an associate in Europe named

1311
00:49:35,300 --> 00:49:32,220
Carlo Mazzini Mazzini was the head of

1312
00:49:36,820 --> 00:49:35,310
the Italian Illuminati quote-unquote you

1313
00:49:38,600 --> 00:49:36,830

know the inheritors of that same

1314

00:49:40,400 --> 00:49:38,610

tradition and what tradition are we

1315

00:49:43,970 --> 00:49:40,410

talking about we're not talking about

1316

00:49:45,800 --> 00:49:43,980

the specific system the ideology of Adam

1317

00:49:48,650 --> 00:49:45,810

West Schaaf what he presented was a

1318

00:49:51,920 --> 00:49:48,660

utopian ideology what we're talking

1319

00:49:54,680 --> 00:49:51,930

about is the PlayBook he used to

1320

00:49:57,890 --> 00:49:54,690

disseminate his order which was they

1321

00:50:00,500 --> 00:49:57,900

attached themselves to Freemasonry and

1322

00:50:03,980 --> 00:50:00,510

they recruited from the rank-and-file of

1323

00:50:06,440 --> 00:50:03,990

free Masonic lodges in Bavaria at the

1324

00:50:08,360 --> 00:50:06,450

time and that's exactly what Mazzini did

1325

00:50:10,220 --> 00:50:08,370

he did the same thing in Italy and they

1326
00:50:12,830 --> 00:50:10,230
created what were called young young

1327
00:50:14,540 --> 00:50:12,840
Italy lodges and these young Italians

1328
00:50:17,870 --> 00:50:14,550
were recruited from the ranks and

1329
00:50:20,600 --> 00:50:17,880
brought into what was like almost like

1330
00:50:22,760 --> 00:50:20,610
mind control like cha-cha gua in America

1331
00:50:24,470 --> 00:50:22,770
in the eighteen eighteen hundreds of

1332
00:50:25,930 --> 00:50:24,480
19th century where they traveled around

1333
00:50:28,490 --> 00:50:25,940
from city city and sort of like

1334
00:50:31,010 --> 00:50:28,500
disseminated mind control protocols

1335
00:50:32,900 --> 00:50:31,020
almost you know I guess basically social

1336
00:50:34,340 --> 00:50:32,910
engineering you know they're they're

1337
00:50:35,359 --> 00:50:34,350
putting out information that's

1338
00:50:37,849 --> 00:50:35,369

government can

1339

00:50:40,249 --> 00:50:37,859

I adore contrived by the architects who

1340

00:50:43,519 --> 00:50:40,259

are trying to get a desired social

1341

00:50:46,130 --> 00:50:43,529

result and so Mzee knees was to spread

1342

00:50:47,690 --> 00:50:46,140

insurrection to spread revolution you

1343

00:50:51,249 --> 00:50:47,700

know and and he was part of that

1344

00:50:57,109 --> 00:50:51,259

revolutionary spirit and he definitely

1345

00:50:59,029 --> 00:50:57,119

had a specific agenda in mind and being

1346

00:51:02,089 --> 00:50:59,039

a friend of Albert Pike's over here in

1347

00:51:04,220 --> 00:51:02,099

America Albert Pike was not only the

1348

00:51:05,870 --> 00:51:04,230

head of the Scottish Rite he was also

1349

00:51:08,299 --> 00:51:05,880

one of the heads of the Knights of the

1350

00:51:09,620 --> 00:51:08,309

Golden Circle that's how America found

1351
00:51:11,029 --> 00:51:09,630
out about the Knights of the Golden

1352
00:51:13,730 --> 00:51:11,039
Circle because of the Lincoln

1353
00:51:15,710 --> 00:51:13,740
assassination trials it was all brought

1354
00:51:18,890 --> 00:51:15,720
out and maybe we can get into that more

1355
00:51:21,680 --> 00:51:18,900
you know in the in the second hour here

1356
00:51:23,660 --> 00:51:21,690
right we can talk more about the ways in

1357
00:51:27,170 --> 00:51:23,670
which Albert Pike and Mazzini brought

1358
00:51:29,299 --> 00:51:27,180
you know all of this their specific

1359
00:51:31,249 --> 00:51:29,309
agenda onboard and recruited from the

1360
00:51:33,859 --> 00:51:31,259
rank-and-file of Freemasonry yeah right

1361
00:51:36,650 --> 00:51:33,869
on we definitely can do that but then

1362
00:51:38,720 --> 00:51:36,660
another element of masonry that comes

1363
00:51:40,430 --> 00:51:38,730

out in the conspiracy world that I'm

1364

00:51:43,549 --> 00:51:40,440

kind of curious about I want to ask you

1365

00:51:45,739 --> 00:51:43,559

about is this idea of the deity flip

1366

00:51:47,239 --> 00:51:45,749

that at the highest degrees in masonry

1367

00:51:50,599 --> 00:51:47,249

or even within the order of the church

1368

00:51:52,309 --> 00:51:50,609

you eventually learn that if they let

1369

00:51:54,140 --> 00:51:52,319

you get high enough that a negative

1370

00:51:56,269 --> 00:51:54,150

entity is what's really being worshipped

1371

00:51:58,549 --> 00:51:56,279

a negative god rather than this all

1372

00:52:00,349 --> 00:51:58,559

loving God they preach about and this

1373

00:52:03,380 --> 00:52:00,359

kind of gets into the idea that Lucifer

1374

00:52:05,390 --> 00:52:03,390

is the good guy and and the and Yahweh

1375

00:52:06,859 --> 00:52:05,400

is the bad but I find it pretty

1376
00:52:09,410 --> 00:52:06,869
interesting can you give us any insight

1377
00:52:11,239 --> 00:52:09,420
there as to what's going on well again I

1378
00:52:13,160 --> 00:52:11,249
think we're back at that whole 91 parts

1379
00:52:15,380 --> 00:52:13,170
of the earth and the crossroad demons

1380
00:52:18,049 --> 00:52:15,390
and the different grades that when I

1381
00:52:20,989 --> 00:52:18,059
talked about governors kings and princes

1382
00:52:23,630 --> 00:52:20,999
this terminology is a way to designate a

1383
00:52:26,029 --> 00:52:23,640
different level in a hierarchy you know

1384
00:52:27,650 --> 00:52:26,039
so these this is the thinking right good

1385
00:52:30,140 --> 00:52:27,660
right okay so these individuals they're

1386
00:52:33,410 --> 00:52:30,150
really operating with this belief that

1387
00:52:36,349 --> 00:52:33,420
they think in terms of a hierarchical

1388
00:52:38,170 --> 00:52:36,359

setup for power and that's really what

1389

00:52:42,079 --> 00:52:38,180

we're talking about here is power

1390

00:52:46,009 --> 00:52:42,089

elemental power and and so the fact that

1391

00:52:48,380 --> 00:52:46,019

the idea of a reversal of deity I like

1392

00:52:49,039 --> 00:52:48,390

that terminology because it's subtle it

1393

00:52:50,749 --> 00:52:49,049

really

1394

00:52:52,039 --> 00:52:50,759

when you come into a large system and

1395

00:52:54,049 --> 00:52:52,049

you start going through the first three

1396

00:52:56,179 --> 00:52:54,059

degrees there's no indication of

1397

00:52:57,499 --> 00:52:56,189

anything of the sort you really don't

1398

00:52:59,479 --> 00:52:57,509

get that you get this good-old-boy

1399

00:53:01,130 --> 00:52:59,489

experience with a bunch of Methodists

1400

00:53:02,959 --> 00:53:01,140

really I mean that's what it feels like

1401
00:53:04,639 --> 00:53:02,969
it feels like you're in church almost

1402
00:53:06,769 --> 00:53:04,649
it's that sort of boring kind of

1403
00:53:08,359 --> 00:53:06,779
vibration going on and a lot of it's

1404
00:53:10,009 --> 00:53:08,369
sort of silly and hokey and it seems

1405
00:53:11,599 --> 00:53:10,019
light-hearted but when you get into the

1406
00:53:13,459 --> 00:53:11,609
higher degrees and start to get into the

1407
00:53:15,620 --> 00:53:13,469
invitational orders that's when the

1408
00:53:17,689 --> 00:53:15,630
black cloaks with the hoods come out and

1409
00:53:20,299 --> 00:53:17,699
the burning incense and the candles you

1410
00:53:22,549 --> 00:53:20,309
know and the strange symbols appear on

1411
00:53:24,380 --> 00:53:22,559
the altar you know this this the

1412
00:53:26,719 --> 00:53:24,390
triangles and the circles and the stars

1413
00:53:30,620 --> 00:53:26,729

become more emphasized with the

1414

00:53:33,709 --> 00:53:30,630

different anagram achill words you know

1415

00:53:36,289 --> 00:53:33,719

so it's like a sigil and it seems like

1416

00:53:39,159 --> 00:53:36,299

you have these polyhedrons and these

1417

00:53:41,479 --> 00:53:39,169

strange mandala like geometrical

1418

00:53:44,719 --> 00:53:41,489

patterns or all the sudden applied to

1419

00:53:46,939 --> 00:53:44,729

the ritual and all of these things coax

1420

00:53:49,399 --> 00:53:46,949

the awareness and the consciousness into

1421

00:53:51,139 --> 00:53:49,409

a certain kind of frequency vibration so

1422

00:53:53,509 --> 00:53:51,149

it's completely plausible what you're

1423

00:53:55,549 --> 00:53:53,519

saying that the individuals at the core

1424

00:53:57,679 --> 00:53:55,559

of this the leadership in fact would be

1425

00:54:01,009 --> 00:53:57,689

contriving a system in which they could

1426

00:54:04,279 --> 00:54:01,019

literally attract certain energetic form

1427

00:54:06,620 --> 00:54:04,289

certain frequency vibrations to get what

1428

00:54:09,439 --> 00:54:06,630

to get more power right right I mean a

1429

00:54:12,019 --> 00:54:09,449

conduit to harvest power from

1430

00:54:13,849 --> 00:54:12,029

individuals average individuals yeah

1431

00:54:16,549 --> 00:54:13,859

it's super compelling because it also

1432

00:54:18,379 --> 00:54:16,559

explains why rumors of really dark

1433

00:54:20,539 --> 00:54:18,389

things like pedophilia and human

1434

00:54:22,699 --> 00:54:20,549

sacrifice plague the upper deck of these

1435

00:54:24,589 --> 00:54:22,709

powerful groups I mean even Jesus on the

1436

00:54:27,079 --> 00:54:24,599

cross eating his flesh and drinking his

1437

00:54:29,329 --> 00:54:27,089

blood that is a mock human sacrifice

1438

00:54:30,559 --> 00:54:29,339

every Sunday morning and in the typical

1439

00:54:32,839 --> 00:54:30,569

Church you know but it's so subtle

1440

00:54:34,729 --> 00:54:32,849

because it's based in tradition and we

1441

00:54:37,039 --> 00:54:34,739

don't we don't challenge it we don't ask

1442

00:54:38,929 --> 00:54:37,049

questions as to why we're eating the

1443

00:54:40,549 --> 00:54:38,939

flesh of the sky we worship because I

1444

00:54:42,109 --> 00:54:40,559

don't do that in my everyday life but

1445

00:54:44,329 --> 00:54:42,119

when you go to the church that's what's

1446

00:54:47,059 --> 00:54:44,339

going on so it really does make me

1447

00:54:48,919 --> 00:54:47,069

wonder well yeah the idea of sacrifice

1448

00:54:51,139 --> 00:54:48,929

is a deep-seated issue in our

1449

00:54:53,179 --> 00:54:51,149

consciousness there's so much to dislike

1450

00:54:55,459 --> 00:54:53,189

a whole other show we can talk about the

1451

00:54:57,319 --> 00:54:55,469

the you know what's really going on

1452

00:54:59,749 --> 00:54:57,329

there as far as what we're dealing with

1453

00:55:02,089 --> 00:54:59,759

with with people who buy into that

1454

00:55:02,420 --> 00:55:02,099

ideology and then the effects of it on

1455

00:55:07,220 --> 00:55:02,430

all

1456

00:55:10,130 --> 00:55:07,230

you know what we're suffering under the

1457

00:55:12,260 --> 00:55:10,140

consensual reality that that is formed

1458

00:55:14,420 --> 00:55:12,270

over time when enough people believe a

1459

00:55:16,670 --> 00:55:14,430

thing it's reinforced in the quote

1460

00:55:18,559 --> 00:55:16,680

unquote collective consciousness and

1461

00:55:21,530 --> 00:55:18,569

unconsciousness and everybody's sort of

1462

00:55:23,900 --> 00:55:21,540

buying into it after a while and the the

1463

00:55:27,650 --> 00:55:23,910

idea of okay so what it breaks down to

1464

00:55:30,170 --> 00:55:27,660

is like this you have linkages between

1465

00:55:33,020 --> 00:55:30,180

all things in the universe there was a

1466

00:55:35,960 --> 00:55:33,030

guy named Bruno who was a medieval her

1467

00:55:38,500 --> 00:55:35,970

medicine and he wrote a lot about these

1468

00:55:42,650 --> 00:55:38,510

linkages the correspondences between

1469

00:55:45,589 --> 00:55:42,660

things and he believed that magic the

1470

00:55:49,130 --> 00:55:45,599

idea of magic which defined magic merely

1471

00:55:51,710 --> 00:55:49,140

means causing change in accordance with

1472

00:55:53,630 --> 00:55:51,720

will whether you mean physically or just

1473

00:55:55,460 --> 00:55:53,640

in the level of consciousness it's

1474

00:55:57,680 --> 00:55:55,470

causing change in accordance with well

1475

00:56:00,890 --> 00:55:57,690

that's all magic is in the debt by

1476
00:56:02,720 --> 00:56:00,900
definition so having said that Bruno

1477
00:56:05,420 --> 00:56:02,730
believed that magic was fueled by

1478
00:56:09,680 --> 00:56:05,430
something a force and electrical grid or

1479
00:56:12,859 --> 00:56:09,690
whatever but he turned arrows like love

1480
00:56:15,170 --> 00:56:12,869
love from the from the Latin so so eros

1481
00:56:19,240 --> 00:56:15,180
right and or is it Greek it may be Greek

1482
00:56:22,309 --> 00:56:19,250
but the idea of this energy fueling

1483
00:56:24,200 --> 00:56:22,319
these linkages these correspondences

1484
00:56:26,390 --> 00:56:24,210
between different things all things in

1485
00:56:30,349 --> 00:56:26,400
the universe whether living organic or

1486
00:56:32,270 --> 00:56:30,359
inorganic so the idea of this was it

1487
00:56:34,819 --> 00:56:32,280
paints a picture when you think about

1488
00:56:38,839 --> 00:56:34,829

people who are involved in twisted

1489

00:56:41,990 --> 00:56:38,849

pedophilia or deviant sexual practices

1490

00:56:44,270 --> 00:56:42,000

or just the strange stuff we hear that

1491

00:56:47,120 --> 00:56:44,280

people end up doing in a cult-like

1492

00:56:51,020 --> 00:56:47,130

fashion because what we find is is that

1493

00:56:52,940 --> 00:56:51,030

if this is so in in this medieval model

1494

00:56:54,650 --> 00:56:52,950

that Bruno establishes that there is

1495

00:56:56,720 --> 00:56:54,660

these linkages between all things in the

1496

00:56:59,450 --> 00:56:56,730

universe and that it's fueled and in the

1497

00:57:01,940 --> 00:56:59,460

energy used to run the system that

1498

00:57:04,039 --> 00:57:01,950

brings about desired results desired

1499

00:57:07,160 --> 00:57:04,049

effects that changes in in accordance

1500

00:57:09,680 --> 00:57:07,170

with will is this eros this love

1501
00:57:12,410 --> 00:57:09,690
quote-unquote love energy well how

1502
00:57:15,150 --> 00:57:12,420
closely tied is that love energy to

1503
00:57:17,700 --> 00:57:15,160
sexuality right all right

1504
00:57:19,800 --> 00:57:17,710
so so you can see you can understand on

1505
00:57:21,150 --> 00:57:19,810
that level not that I'm at all condoning

1506
00:57:22,320 --> 00:57:21,160
any of this please I hope no one

1507
00:57:24,900 --> 00:57:22,330
misunderstands what I'm saying because

1508
00:57:27,300 --> 00:57:24,910
I'm not what I'm saying is this is a way

1509
00:57:29,130 --> 00:57:27,310
to understand why these people would go

1510
00:57:31,500 --> 00:57:29,140
down these twisted roads because they're

1511
00:57:34,230 --> 00:57:31,510
trying to access power through this so

1512
00:57:38,100 --> 00:57:34,240
this method this hermetic occult method

1513
00:57:40,740 --> 00:57:38,110

mm-hmm yeah that's a great point that I

1514

00:57:42,270 --> 00:57:40,750

really hadn't heard articulated yet to

1515

00:57:44,280 --> 00:57:42,280

get back to the book a little bit and

1516

00:57:46,770 --> 00:57:44,290

Scottish Rite specifically I mean it

1517

00:57:48,810 --> 00:57:46,780

seems like they're kind of a Trojan

1518

00:57:50,790 --> 00:57:48,820

horse of secret societies I mean you you

1519

00:57:52,500 --> 00:57:50,800

you pay your dues you do the rituals but

1520

00:57:54,420 --> 00:57:52,510

it's just a long road to nowhere while

1521

00:57:55,800 --> 00:57:54,430

the upper deck is rewriting history and

1522

00:57:58,200 --> 00:57:55,810

putting themselves in positions of

1523

00:58:00,990 --> 00:57:58,210

authority and amassing power on your

1524

00:58:02,550 --> 00:58:01,000

dime and it's like a big pyramid scheme

1525

00:58:05,400 --> 00:58:02,560

and last time we talked a little bit

1526
00:58:06,780 --> 00:58:05,410
about the Giants and the mounds that

1527
00:58:09,270 --> 00:58:06,790
were found in early America and the

1528
00:58:11,040 --> 00:58:09,280
Smithsonian's role in that and it's kind

1529
00:58:12,870 --> 00:58:11,050
of like the Scottish Rite is the

1530
00:58:14,610 --> 00:58:12,880
Smithsonian of secret societies because

1531
00:58:16,170 --> 00:58:14,620
they're both just fronts positioned as

1532
00:58:18,810 --> 00:58:16,180
authorities in their field and they're

1533
00:58:21,450 --> 00:58:18,820
secretly destroying or hiding the real

1534
00:58:25,640 --> 00:58:21,460
gold nuggets that is a great analogy

1535
00:58:27,990 --> 00:58:25,650
it's exactly like that and I am firmly

1536
00:58:30,390 --> 00:58:28,000
convinced I'll say with no

1537
00:58:31,800 --> 00:58:30,400
substantiation to prove this that that

1538
00:58:33,210 --> 00:58:31,810

within the house of the temple in

1539

00:58:35,430 --> 00:58:33,220

Washington DC there's probably the

1540

00:58:37,320 --> 00:58:35,440

greatest Masonic Secrets that I would

1541

00:58:39,030 --> 00:58:37,330

love to get my hands on to check out and

1542

00:58:41,250 --> 00:58:39,040

because they're hot they're to holding

1543

00:58:42,900 --> 00:58:41,260

them completely sequestered you know

1544

00:58:44,910 --> 00:58:42,910

it's just like we joked about last time

1545

00:58:46,500 --> 00:58:44,920

and I think about it this time with the

1546

00:58:48,720 --> 00:58:46,510

idea of just being put away into that

1547

00:58:50,430 --> 00:58:48,730

big room where they keep the Ark of the

1548

00:58:52,200 --> 00:58:50,440

Covenant and the spear of destiny you

1549

00:58:55,530 --> 00:58:52,210

know I mean with all the boxers with no

1550

00:58:57,600 --> 00:58:55,540

labels I mean the Vatican the Vatican

1551
00:59:00,180 --> 00:58:57,610
vault is another area where I'd love to

1552
00:59:02,730 --> 00:59:00,190
get my hands on exactly and because they

1553
00:59:05,100 --> 00:59:02,740
we know that we only have probably like

1554
00:59:07,410 --> 00:59:05,110
you know I'm not gonna be specific but

1555
00:59:10,020 --> 00:59:07,420
IND in all generalities you know the

1556
00:59:12,270 --> 00:59:10,030
smallest fraction of a percent of human

1557
00:59:13,920 --> 00:59:12,280
knowledge that we have access to you

1558
00:59:15,990 --> 00:59:13,930
know there's a whole bunch that we're

1559
00:59:18,240 --> 00:59:16,000
just not it's just not available and

1560
00:59:20,130 --> 00:59:18,250
when I entered the lodge system I found

1561
00:59:22,320 --> 00:59:20,140
that to be true

1562
00:59:25,290 --> 00:59:22,330
I discovered that there are many private

1563
00:59:26,820 --> 00:59:25,300

libraries that are sequestered all over

1564

00:59:27,549 --> 00:59:26,830

the landscape that people don't even

1565

00:59:30,279 --> 00:59:27,559

argument

1566

00:59:32,199 --> 00:59:30,289

exist where there's tons of material

1567

00:59:34,809 --> 00:59:32,209

just sitting on the shelves rotting not

1568

00:59:37,179 --> 00:59:34,819

being unused totally just sitting there

1569

00:59:39,099 --> 00:59:37,189

unused and it's a real shame

1570

00:59:41,679 --> 00:59:39,109

oh yeah it's probably one of the biggest

1571

00:59:43,900 --> 00:59:41,689

shames of our time Roderick's my friend

1572

00:59:45,429 --> 00:59:43,910

this has been awesome I'm glad you

1573

00:59:47,380 --> 00:59:45,439

finally got that book out I know how

1574

00:59:48,789 --> 00:59:47,390

hard that can be and it is full of

1575

00:59:50,289 --> 00:59:48,799

awesome info would you like to remind

1576

00:59:52,719 --> 00:59:50,299

the people where they can pick that up

1577

00:59:55,509 --> 00:59:52,729

so you can get the biggest margin on

1578

00:59:57,819 --> 00:59:55,519

that sale and also I guess your website

1579

00:59:59,769 --> 00:59:57,829

and podcast yeah of course it's at the

1580

01:00:01,269 --> 00:59:59,779

normal places Amazon has the book you

1581

01:00:03,579 --> 01:00:01,279

can just type in secret war inside

1582

01:00:05,170 --> 01:00:03,589

freemasonry freighter axe but we've

1583

01:00:08,620 --> 01:00:05,180

really are directing folks over to our

1584

01:00:10,509 --> 01:00:08,630

website middle chamber Mediacom because

1585

01:00:12,699 --> 01:00:10,519

it's right it's more direct support for

1586

01:00:15,489 --> 01:00:12,709

everything we're doing we have a family

1587

01:00:16,989 --> 01:00:15,499

I've had to take serious economic cuts

1588

01:00:19,749 --> 01:00:16,999

just to get the book out as you could

1589

01:00:21,519 --> 01:00:19,759

imagine and and that means taking time

1590

01:00:23,559 --> 01:00:21,529

off of regular work in order to make it

1591

01:00:24,910 --> 01:00:23,569

happen so we are asking folks to buy

1592

01:00:26,949 --> 01:00:24,920

directly from us because we get the

1593

01:00:28,839 --> 01:00:26,959

greater margin on the support it helps

1594

01:00:32,019 --> 01:00:28,849

us to move forward I've got some

1595

01:00:34,120 --> 01:00:32,029

exciting new projects coming from become

1596

01:00:36,699 --> 01:00:34,130

a living God calm look forward to a

1597

01:00:39,189 --> 01:00:36,709

whole new set of projects from them with

1598

01:00:41,410 --> 01:00:39,199

freighter X and of course I'm always

1599

01:00:43,089 --> 01:00:41,420

working with Freeman tv.com but to get

1600

01:00:45,069 --> 01:00:43,099

this book the secret war inside

1601
01:00:47,739 --> 01:00:45,079
Freemasonry you go on over to middle

1602
01:00:50,229 --> 01:00:47,749
chamber Mediacom and of course regular

1603
01:00:52,269 --> 01:00:50,239
updates if we have podcasts my wife Mae

1604
01:00:55,359 --> 01:00:52,279
directs who is also the editor of the

1605
01:00:57,370 --> 01:00:55,369
book her and I we do podcasts regularly

1606
01:00:59,380 --> 01:00:57,380
throughout the month of our own over at

1607
01:01:01,539 --> 01:00:59,390
the middle chamber and you can find that

1608
01:01:03,009 --> 01:01:01,549
links to that at the website and they're

1609
01:01:04,809 --> 01:01:03,019
constantly being updated all the time

1610
01:01:06,549 --> 01:01:04,819
and Gregg thank you for having me on I

1611
01:01:07,809 --> 01:01:06,559
would love to come back on some other

1612
01:01:10,299 --> 01:01:07,819
time and continue our awesome

1613
01:01:11,949 --> 01:01:10,309

conversations of course man it is always

1614

01:01:14,709 --> 01:01:11,959

fun and I'll definitely throw in links

1615

01:01:16,029 --> 01:01:14,719

with the episode that are the ones that

1616

01:01:17,019 --> 01:01:16,039

are really going to get you to the book

1617

01:01:19,539 --> 01:01:17,029

where you are gonna get the biggest

1618

01:01:22,900 --> 01:01:19,549

margin we can cut out the big giant

1619

01:01:24,519 --> 01:01:22,910

corporate middleman and yeah I mean but

1620

01:01:26,469 --> 01:01:24,529

it's been awesome we covered a lot of

1621

01:01:30,269 --> 01:01:26,479

ground you never yelled at me so it's a

1622

01:01:33,130 --> 01:01:30,279

good day I hope you never expected such

1623

01:01:34,719 --> 01:01:33,140

but I do wish you well man I know you're

1624

01:01:36,489 --> 01:01:34,729

doing a lot of great work your wealth of

1625

01:01:38,620 --> 01:01:36,499

information I know you and mater X have

1626

01:01:40,120 --> 01:01:38,630

four kids sometimes making sure that

1627

01:01:41,950 --> 01:01:40,130

there's a solid revenue stream

1628

01:01:45,160 --> 01:01:41,960

can get in the way of the research and

1629

01:01:47,710 --> 01:01:45,170

as it's designed to do but you've stayed

1630

01:01:49,990 --> 01:01:47,720

strong and you know I'd really like to

1631

01:01:52,180 --> 01:01:50,000

see the people connect with you and

1632

01:01:53,950 --> 01:01:52,190

support what you're doing even more so

1633

01:01:55,270 --> 01:01:53,960

than than other guests I've had because

1634

01:01:58,270 --> 01:01:55,280

I think you're awesome and we are

1635

01:01:59,650 --> 01:01:58,280

friends and hopefully they will so you

1636

01:02:01,240 --> 01:01:59,660

know keep doing what you do man until

1637

01:02:03,250 --> 01:02:01,250

the next show take care of yourself out

1638

01:02:04,360 --> 01:02:03,260

there you too Greg farewell and keep it

1639

01:02:05,680 --> 01:02:04,370

up brother you're doing that you're

1640

01:02:08,170 --> 01:02:05,690

fighting the good fight as well and I'm

1641

01:02:10,150 --> 01:02:08,180

really excited to know you man I'm glad

1642

01:02:12,820 --> 01:02:10,160

that we are able to do these awesome

1643

01:02:14,640 --> 01:02:12,830

conversations boom goes the dynamite

1644

01:02:16,870 --> 01:02:14,650

people hitting all the high notes

1645

01:02:18,610 --> 01:02:16,880

re-examining all the rumors and getting

1646

01:02:20,560 --> 01:02:18,620

some real insight into the things they

1647

01:02:22,570 --> 01:02:20,570

just don't want us to know glad when man

1648

01:02:24,490 --> 01:02:22,580

finally got the book out he's a blast to

1649

01:02:26,020 --> 01:02:24,500

talk to you and after all the things we

1650

01:02:28,060 --> 01:02:26,030

talked about in the first hour we went

1651

01:02:30,190 --> 01:02:28,070

on to elaborate more on the mound

1652

01:02:32,620 --> 01:02:30,200

builders of ancient america stories of

1653

01:02:34,470 --> 01:02:32,630

giant skeletons ley lines and natural

1654

01:02:36,490 --> 01:02:34,480

energy grids and just what the early

1655

01:02:38,560 --> 01:02:36,500

colonialist might have known about all

1656

01:02:40,810 --> 01:02:38,570

that stuff a possible connection between

1657

01:02:43,390 --> 01:02:40,820

the Nephilim the giant skeletons and

1658

01:02:45,130 --> 01:02:43,400

humanity's spiritual virus suppressed

1659

01:02:47,380 --> 01:02:45,140

stories from the Book of Enoch the lure

1660

01:02:49,360 --> 01:02:47,390

of changelings more about Albert Pike

1661

01:02:51,330 --> 01:02:49,370

and a little something some my dear

1662

01:02:54,010 --> 01:02:51,340

friend wrote about that follows some

1663

01:02:55,080 --> 01:02:54,020

MKULTRA funding right back to the

1664

01:02:58,930 --> 01:02:55,090

Scottish Rite

1665

01:03:01,000 --> 01:02:58,940

yikes all that and more at the higher

1666

01:03:03,130 --> 01:03:01,010

side chats plus calm

1667

01:03:04,660 --> 01:03:03,140

we have no ads we waste little time and

1668

01:03:06,820 --> 01:03:04,670

I don't ask for anything from you guys

1669

01:03:09,190 --> 01:03:06,830

without giving something back so double

1670

01:03:10,900 --> 01:03:09,200

your pleasure double your fun and for

1671

01:03:13,090 --> 01:03:10,910

five bucks get a second hour of the show

1672

01:03:15,280 --> 01:03:13,100

and every show now I'm very psyched

1673

01:03:17,440 --> 01:03:15,290

about next week's episode a Valentine's

1674

01:03:20,560 --> 01:03:17,450

Day special with an accomplished

1675

01:03:23,500 --> 01:03:20,570

sorcerer Jason Miller all about sex

1676
01:03:24,880 --> 01:03:23,510
magic not one for the kids unless you're

1677
01:03:27,190 --> 01:03:24,890
part of the political religious or

1678
01:03:29,430 --> 01:03:27,200
Hollywood elite put any way to great

1679
01:03:32,140 --> 01:03:29,440
return guests in a row how about that

1680
01:03:33,910 --> 01:03:32,150
people you've been too good to me thanks

1681
01:03:34,900 --> 01:03:33,920
so much keep listening I'll keep

1682
01:03:37,180 --> 01:03:34,910
churning them out

1683
01:03:40,300 --> 01:03:37,190
this is Greg Carl Wood punching out boss

1684
01:03:41,760 --> 01:03:40,310
and I'll see you love her soon your

1685
01:03:44,920 --> 01:03:41,770
moves got

1686
01:03:48,130 --> 01:03:44,930
I'm a walking worst-case scenario

1687
01:03:50,070 --> 01:03:48,140
most the time I've always crashed and

1688
01:03:52,690 --> 01:03:50,080

burned

1689

01:03:56,110 --> 01:03:52,700

started out in total confusion

1690

01:04:03,760 --> 01:03:56,120

don't look at worse with every screw I

1691

01:04:06,290 --> 01:04:03,770

turn but I've got older there's one

1692

01:04:10,320 --> 01:04:06,300

thing I have

1693

01:04:15,210 --> 01:04:10,330

goons on you get more and more out of it

1694

01:04:18,780 --> 01:04:15,220

than ever least it'd be amazing you get

1695

01:04:27,560 --> 01:04:18,790

out of it what do you put into it out of

1696

01:04:36,090 --> 01:04:31,100

depends on how you like yourself will be

1697

01:04:37,950 --> 01:04:36,100

well-done scrambled or fried which I

1698

01:04:42,680 --> 01:04:37,960

faked a should seem a least effective

1699

01:04:46,530 --> 01:04:42,690

rapid effect to reveal the man inside

1700

01:04:51,530 --> 01:04:46,540

but don't advertise your expectations

1701

01:04:56,670 --> 01:04:51,540

just identify

1702

01:04:59,420 --> 01:04:56,680

goes on you get more out of it I'm more

1703

01:05:03,750 --> 01:04:59,430

out of it never seen

1704

01:05:08,730 --> 01:05:03,760

you can top of it what you put into it I
