1
00:00:06,539 --> 00:00:02,899

[Music]

2
00:00:08,310 --> 00:00:06,549

on the higher side chats we explore the

3
00:00:10,620 --> 00:00:08,320

world's deepest conspiracies its

4
00:00:12,509 --> 00:00:10,630

mysteries and the all-around fringe on a

5
00:00:14,520 --> 00:00:12,519

quest that can't be sponsored by anyone

6
00:00:16,650 --> 00:00:14,530

but the loyal listeners looking to take

7
00:00:18,390 --> 00:00:16,660

that ride so if you enjoyed the first

8
00:00:20,490 --> 00:00:18,400

hour of the show courtesy of those

9
00:00:23,070 --> 00:00:20,500

subscribers we hope that you'll consider

10
00:00:25,470 --> 00:00:23,080

becoming one for just \$5 a month and

11
00:00:27,750 --> 00:00:25,480

you'll get a second hour of each THC

12
00:00:29,640 --> 00:00:27,760

episode where we pack in twice as much

13
00:00:31,830 --> 00:00:29,650

interesting content with all our great

14

00:00:33,810 --> 00:00:31,840

guests just sign up on our members

15

00:00:36,420 --> 00:00:33,820

website at the higher side chats plus

16

00:00:39,240 --> 00:00:36,430

calm they'll have instant access to all

17

00:00:41,010 --> 00:00:39,250

the extended content since plus began an

18

00:00:43,830 --> 00:00:41,020

opportunity to make topics and guest

19

00:00:45,480 --> 00:00:43,840

suggestions and your own custom RSS feed

20

00:00:48,060 --> 00:00:45,490

where you'll hear the full two hours

21

00:00:51,510 --> 00:00:48,070

show in one convenient uninterrupted

22

00:00:53,100 --> 00:00:51,520

file and most importantly you won't hear

23

00:00:54,660 --> 00:00:53,110

this repetitive reminder at the start of

24

00:00:57,210 --> 00:00:54,670

every show that listener-supported

25

00:00:59,430 --> 00:00:57,220

communities are the future of media and

26
00:01:05,199 --> 00:00:59,440
entertainment and you want to be part of

27
00:01:37,000 --> 00:01:29,540
[Music]

28
00:01:41,510 --> 00:01:39,710
here we go our side chatters welcome to

29
00:01:43,130 --> 00:01:41,520
the show drinking a little drink smoking

30
00:01:45,230 --> 00:01:43,140
a little smoke and having a heck of a

31
00:01:46,970 --> 00:01:45,240
Valentine's Day in sunny San Diego I'm

32
00:01:49,220 --> 00:01:46,980
Greg Karl wood and we are taking back

33
00:01:51,650 --> 00:01:49,230
this Hallmark holiday today in a big way

34
00:01:54,080 --> 00:01:51,660
this is probably an episode some of our

35
00:01:55,580 --> 00:01:54,090
networks might skip a show you might not

36
00:01:58,640 --> 00:01:55,590
want to share with the whole family not

37
00:02:00,200 --> 00:01:58,650
one for the kids it's not overly vulgar

38
00:02:02,030 --> 00:02:00,210

or anything but we're talking about sex

39

00:02:05,600 --> 00:02:02,040

for two hours so if you're easily

40

00:02:07,640 --> 00:02:05,610

offended why even try for the rest of us

41

00:02:10,060 --> 00:02:07,650

I think this is a pretty fun topic and

42

00:02:12,800 --> 00:02:10,070

when new page sent over Jason's book

43

00:02:14,440 --> 00:02:12,810

v-day special was my first thought and

44

00:02:17,180 --> 00:02:14,450

here we are the thought has been

45

00:02:19,310 --> 00:02:17,190

manifested the only other thing I would

46

00:02:21,290 --> 00:02:19,320

mention is that we started on skype and

47

00:02:23,360 --> 00:02:21,300

then after two questions moved over to

48

00:02:25,340 --> 00:02:23,370

the landline phone because we had some

49

00:02:27,620 --> 00:02:25,350

odd connection problems it was cutting

50

00:02:28,910 --> 00:02:27,630

out in a weird way at key moments so

51

00:02:30,320 --> 00:02:28,920

instead of just dealing with it I

52

00:02:32,000 --> 00:02:30,330

thought it'd be better to make the

53

00:02:33,979 --> 00:02:32,010

change pretty early on I want to let you

54

00:02:36,080 --> 00:02:33,989

know that that happens and from there

55

00:02:37,430 --> 00:02:36,090

it's pretty smooth sailing so let's dive

56

00:02:39,650 --> 00:02:37,440

into it I know a lot of people have

57

00:02:41,960 --> 00:02:39,660

emailed me being like when is that sex

58

00:02:44,870 --> 00:02:41,970

magic show coming out so here it comes

59

00:02:48,840 --> 00:02:44,880

sex magic tantric sorcery or monkey Lai

60

00:02:53,490 --> 00:02:48,850

and more with Jason Miller enjoy

61

00:02:57,330 --> 00:02:53,500

I want to use you some of them want a

62

00:03:03,270 --> 00:02:57,340

can you find you some of them want to

63

00:03:07,650 --> 00:03:03,280

abuse you some of them want to be

64

00:03:11,590 --> 00:03:09,820

[Music]

65

00:03:13,660 --> 00:03:11,600

all right people it has been a long

66

00:03:15,550 --> 00:03:13,670

journey for us at THC and of all the

67

00:03:17,710 --> 00:03:15,560

vast subjects we dive into one of the

68

00:03:19,570 --> 00:03:17,720

most intriguing for me is magic and at

69

00:03:21,100 --> 00:03:19,580

this point we've talked with many magic

70

00:03:22,930 --> 00:03:21,110

practitioners and a whole host of

71

00:03:24,700 --> 00:03:22,940

different schools and techniques and

72

00:03:27,460 --> 00:03:24,710

themes and today we're going to get back

73

00:03:30,100 --> 00:03:27,470

to the magical ogia THC today's guest

74

00:03:32,440 --> 00:03:30,110

Jason Miller was my guest over two years

75

00:03:34,600 --> 00:03:32,450

ago on only our 31st episode talking

76

00:03:36,550 --> 00:03:34,610

about financial sorcery and now he's

77

00:03:38,950 --> 00:03:36,560

back to shed some light on magic for the

78

00:03:40,930 --> 00:03:38,960

lovers Jason's new book is called sex

79

00:03:43,060 --> 00:03:40,940

sorcery and spirit the secrets of

80

00:03:45,010 --> 00:03:43,070

esoteric magic and he's just the guy to

81

00:03:47,230 --> 00:03:45,020

write it Jason's been peeking behind the

82

00:03:49,390 --> 00:03:47,240

veil since his early teens studying with

83

00:03:51,610 --> 00:03:49,400

ceremonial magicians root workers

84

00:03:53,140 --> 00:03:51,620

witches tantric Lamas and more all

85

00:03:55,390 --> 00:03:53,150

before hidden the legal drinking age

86

00:03:57,430 --> 00:03:55,400

eventually Jason's magical pursuit

87

00:03:59,110 --> 00:03:57,440

brought him to a stint in the OTO and a

88

00:04:00,430 --> 00:03:59,120

journey to Nepal where he took things up

89

00:04:02,230 --> 00:04:00,440

a notch and found a way to incorporate

90

00:04:03,940 --> 00:04:02,240

the best of the best from several

91

00:04:05,890 --> 00:04:03,950

traditions both east and west and

92

00:04:07,900 --> 00:04:05,900

developed a style all his own that I'm

93

00:04:10,540 --> 00:04:07,910

psyched to talk more about today Jason

94

00:04:13,690 --> 00:04:10,550

my man welcome back to THC thanks for

95

00:04:15,640 --> 00:04:13,700

having me I'm excited to be back yeah

96

00:04:17,920 --> 00:04:15,650

man this is great thanks for doing it uh

97

00:04:19,900 --> 00:04:17,930

I think it's gonna be a blast you were

98

00:04:21,640 --> 00:04:19,910

my first guest on magic I knew almost

99

00:04:23,620 --> 00:04:21,650

nothing at the time I feel way more

100

00:04:27,130 --> 00:04:23,630

equipped to have that conversation now

101
00:04:29,140 --> 00:04:27,140
but um let me have you reintroduce you

102
00:04:30,730 --> 00:04:29,150
our philosophy and approach to magic and

103
00:04:32,620 --> 00:04:30,740
sorcery in general for the people

104
00:04:34,390 --> 00:04:32,630
because everybody's different and I find

105
00:04:35,830 --> 00:04:34,400
it's a good way to understand where

106
00:04:40,060 --> 00:04:35,840
someone is coming from right out of the

107
00:04:44,110 --> 00:04:40,070
gate all right so my philosophy of magic

108
00:04:48,600 --> 00:04:44,120
is pretty purely pragmatic whether you

109
00:04:51,940 --> 00:04:48,610
are talking about spiritual evolution or

110
00:04:54,159 --> 00:04:51,950
effects in the outer world like finances

111
00:04:56,230 --> 00:04:54,169
from the last one I'm about getting

112
00:04:58,810 --> 00:04:56,240
things done what making change with

113
00:05:02,890 --> 00:04:58,820

stuff that you do not stuff that you

114

00:05:06,070 --> 00:05:02,900

believe not stuff that has no effect on

115

00:05:10,290 --> 00:05:06,080

you personally as far as you know what

116

00:05:14,350 --> 00:05:10,300

you think the emanations of reality are

117

00:05:17,620 --> 00:05:14,360

so I choose the term sorcerer because it

118

00:05:22,090 --> 00:05:17,630

is it implies someone who is doing

119

00:05:24,090 --> 00:05:22,100

something not on a purely mystical level

120

00:05:27,170 --> 00:05:24,100

mm-hm and

121

00:05:30,960 --> 00:05:27,180

uh my philosophy also strongly

122

00:05:36,360 --> 00:05:30,970

incorporates the magical and the mundane

123

00:05:38,540 --> 00:05:36,370

together much more so integrated closer

124

00:05:42,780 --> 00:05:38,550

than in any other system that I'm aware

125

00:05:44,580 --> 00:05:42,790

so while lots of magical systems will

126

00:05:47,070 --> 00:05:44,590

say well you know here's a spell for

127

00:05:50,370 --> 00:05:47,080

giving a job and then you should go out

128

00:05:54,630 --> 00:05:50,380

and look for a job magical systems based

129

00:05:58,380 --> 00:05:54,640

upon doing is felled to find a job then

130

00:06:01,590 --> 00:05:58,390

doing a spell for each step of finding a

131

00:06:04,860 --> 00:06:01,600

job and then also putting as much

132

00:06:09,510 --> 00:06:04,870

thought and effort into how you're doing

133

00:06:11,250 --> 00:06:09,520

that as you do the magical limb so you

134

00:06:13,080 --> 00:06:11,260

know that's why in my last book

135

00:06:16,370 --> 00:06:13,090

financial sorcery I went on and on about

136

00:06:18,300 --> 00:06:16,380

how to put together resumes and how to

137

00:06:21,990 --> 00:06:18,310

manage money and so on

138

00:06:25,320 --> 00:06:22,000

more more even than the magical end and

139

00:06:28,920 --> 00:06:25,330

so in this new book on sex magic the

140

00:06:32,570 --> 00:06:28,930

same thing there's a lot of technical

141

00:06:36,240 --> 00:06:32,580

expertise for the sex act married with

142

00:06:37,740 --> 00:06:36,250

energetic and spiritual functions up I

143

00:06:39,570 --> 00:06:37,750

know you've gone through a lot of

144

00:06:41,370 --> 00:06:39,580

traditional schools but I guess would

145

00:06:45,540 --> 00:06:41,380

you consider yourself now somewhat of a

146

00:06:49,890 --> 00:06:45,550

chaos magician no um there's there's

147

00:06:52,350 --> 00:06:49,900

several differences between chaos with

148

00:06:57,120 --> 00:06:52,360

magic and what I do you know in a way

149

00:06:59,190 --> 00:06:57,130

it's a shame because ever since the

150

00:07:02,610 --> 00:06:59,200

advent of chaos magic people have tended

151
00:07:06,600 --> 00:07:02,620
to look at anyone that combines multiple

152
00:07:09,870 --> 00:07:06,610
systems or or is involved in multiple

153
00:07:11,670 --> 00:07:09,880
systems as chaos magician but people

154
00:07:14,900 --> 00:07:11,680
have been doing this for thousands of

155
00:07:17,640 --> 00:07:14,910
years you know yeah go back and call the

156
00:07:21,210 --> 00:07:17,650
the people that wrote the Greek magical

157
00:07:23,070 --> 00:07:21,220
papyri chaos magicians so or for that

158
00:07:25,590 --> 00:07:23,080
matter the the people that put together

159
00:07:27,540 --> 00:07:25,600
Tibetan Buddhism Nate century you know

160
00:07:29,580 --> 00:07:27,550
they're not chaos magicians they're

161
00:07:32,909 --> 00:07:29,590
people that interface with multiple

162
00:07:34,860 --> 00:07:32,919
systems because when you're doing magic

163
00:07:36,990 --> 00:07:34,870

it's not about boom it's not about

164

00:07:37,690 --> 00:07:37,000

considering the one solution it's about

165

00:07:41,140 --> 00:07:37,700

the

166

00:07:43,300 --> 00:07:41,150

all of us were confronted so a magician

167

00:07:46,800 --> 00:07:43,310

should have no more trouble putting

168

00:07:51,850 --> 00:07:46,810

together say you know compliments of

169

00:07:55,270 --> 00:07:51,860

Tibetan magic and say Western magic or

170

00:07:57,970 --> 00:07:55,280

Greek magic then one would going to New

171

00:08:00,750 --> 00:07:57,980

York City hopping into a cab driven by a

172

00:08:06,400 --> 00:08:00,760

Greek driver and coming and dropping off

173

00:08:08,950 --> 00:08:06,410

it's all it's all been so great so the

174

00:08:12,660 --> 00:08:08,960

aspects of Chaos magic that I appreciate

175

00:08:15,640 --> 00:08:12,670

are the aspects that streamline

176

00:08:18,970 --> 00:08:15,650

processes to not get caught up in a

177

00:08:21,880 --> 00:08:18,980

bunch of baroque ritualism but the

178

00:08:25,450 --> 00:08:21,890

aspects that I reject have to do with

179

00:08:26,380 --> 00:08:25,460

not really giving any reality to any

180

00:08:30,520 --> 00:08:26,390

spirit

181

00:08:32,140 --> 00:08:30,530

beyond Vermont so whereas a chaos

182

00:08:36,340 --> 00:08:32,150

magician might feel perfectly

183

00:08:40,480 --> 00:08:36,350

comfortable invoking Scrooge McDuck burn

184

00:08:43,210 --> 00:08:40,490

money I think that's a little silly and

185

00:08:48,220 --> 00:08:43,220

I find a definite difference between

186

00:08:51,460 --> 00:08:48,230

Scrooge McDuck and say Jupiter whereas

187

00:08:55,170 --> 00:08:51,470

the chaos magician would say that you

188

00:08:59,140 --> 00:08:55,180

know more people quote believe in

189

00:09:00,850 --> 00:08:59,150

Superman than in Helios in today's well

190

00:09:04,110 --> 00:09:00,860

I would say that's not true

191

00:09:08,140 --> 00:09:04,120

no one believes in Superman tensions

192

00:09:10,810 --> 00:09:08,150

gotcha so belief itself is also less of

193

00:09:13,240 --> 00:09:10,820

a function in my world than it is in

194

00:09:18,210 --> 00:09:13,250

chaos meant most of the magic that IU

195

00:09:24,670 --> 00:09:23,290

prerequisite an archetype or a memetic

196

00:09:26,080 --> 00:09:24,680

entity but I understand that

197

00:09:28,720 --> 00:09:26,090

incorporating that into a serious

198

00:09:30,220 --> 00:09:28,730

practice I guess it just sort of depends

199

00:09:32,410 --> 00:09:30,230

on how the individual views the

200

00:09:34,150 --> 00:09:32,420

mechanics of magic as to if those type

201
00:09:36,130 --> 00:09:34,160
of workings would have any merit or not

202
00:09:38,380 --> 00:09:36,140
but I appreciate you laying out some of

203
00:09:40,270 --> 00:09:38,390
your ideas on magic and sorcery it's an

204
00:09:41,830 --> 00:09:40,280
important first step in a conversation

205
00:09:44,410 --> 00:09:41,840
about something that can be very

206
00:09:46,000 --> 00:09:44,420
individualized and I also have to

207
00:09:48,040 --> 00:09:46,010
apologize to those listening because I

208
00:09:49,840 --> 00:09:48,050
know the microphone Jason is using

209
00:09:51,369 --> 00:09:49,850
sounds good but we're having some weird

210
00:09:53,529 --> 00:09:51,379
distortion problem

211
00:09:55,359 --> 00:09:53,539
probably due to the connection somehow

212
00:09:56,889 --> 00:09:55,369
so we're gonna pick this up on the

213
00:09:59,379 --> 00:09:56,899

landline and I think we're gonna have a

214

00:10:02,409 --> 00:09:59,389

lot more consistency without those weird

215

00:10:04,839 --> 00:10:02,419

drops and that said I really do want to

216

00:10:06,759 --> 00:10:04,849

get into the topic at hand of sex magic

217

00:10:08,649 --> 00:10:06,769

but I just got to ask you first about

218

00:10:11,049 --> 00:10:08,659

studying in the Himalayas I mean

219

00:10:12,819 --> 00:10:11,059

obviously a guy from New Jersey making

220

00:10:14,669 --> 00:10:12,829

the pilgrimage to the exotic lands of

221

00:10:17,799 --> 00:10:14,679

Nepal and a quest for magical knowledge

222

00:10:20,710 --> 00:10:17,809

sounds very sexy very provocative and

223

00:10:22,210 --> 00:10:20,720

fairly unique so I gotta ask you to tell

224

00:10:26,739 --> 00:10:22,220

us a little bit about that what was that

225

00:10:29,739 --> 00:10:26,749

adventure like man it was amazing it was

226

00:10:33,460 --> 00:10:29,749

it was amazing but but far from unique

227

00:10:36,069 --> 00:10:33,470

in fact I remember one moment walking

228

00:10:39,819 --> 00:10:36,079

away from treating nor boots a which is

229

00:10:41,949 --> 00:10:39,829

a big bump o monastery outside of SLAM

230

00:10:44,919 --> 00:10:41,959

boo Nam and I was walking with my

231

00:10:48,339 --> 00:10:44,929

teacher lama Vadra Natha whose name is

232

00:10:51,099 --> 00:10:48,349

john real name is john reynolds and he

233

00:10:53,229 --> 00:10:51,109

is also from new jersey I met him when I

234

00:10:57,999 --> 00:10:53,239

was still a teenager and we were walking

235

00:11:01,629 --> 00:10:58,009

with a guy that's an explorer into that

236

00:11:04,599 --> 00:11:01,639

John bellezza and he is also from New

237

00:11:09,929 --> 00:11:04,609

Jersey no we should where we were like

238

00:11:13,210 --> 00:11:09,939

three generations of Jersey guys walking

239

00:11:15,549 --> 00:11:13,220

through Nepal near this bumpo monastery

240

00:11:19,869 --> 00:11:15,559

it was it was pretty wild but it was

241

00:11:21,939 --> 00:11:19,879

fantastic I had someone who was able to

242

00:11:24,309 --> 00:11:21,949

unlock a lot of doors for me before I

243

00:11:26,319 --> 00:11:24,319

went over there and as well as

244

00:11:29,799 --> 00:11:26,329

connections I had made myself in the

245

00:11:33,189 --> 00:11:29,809

preceding year so once I hit Kathmandu a

246

00:11:36,759 --> 00:11:33,199

lot of doors started opening I moved out

247

00:11:38,799 --> 00:11:36,769

to the foothills and lived with the

248

00:11:42,699 --> 00:11:38,809

famous Ngoc butter which is like a

249

00:11:44,710 --> 00:11:42,709

Tibetan sorcerer non monastic you know

250

00:11:49,210 --> 00:11:44,720

contract sorcerer and I lived with

251
00:11:51,579 --> 00:11:49,220
conveying dorje for a month and then

252
00:11:56,379 --> 00:11:51,589
came back to the city and did other

253
00:11:57,969 --> 00:11:56,389
studies and you know it was Ill when I

254
00:12:00,830 --> 00:11:57,979
was young I was a little bit of a comic

255
00:12:03,770 --> 00:12:00,840
book geek and

256
00:12:06,790 --> 00:12:03,780
all the great mystical superheroes they

257
00:12:09,680 --> 00:12:06,800
get their powers from Tibet and then

258
00:12:13,940 --> 00:12:09,690
Mandrake the Magician Tibet the shadow

259
00:12:18,680 --> 00:12:13,950
Tibet Doctor Strange Tibet even Doctor

260
00:12:20,680 --> 00:12:18,690
Doom Tibet so I just figured hey you

261
00:12:24,260 --> 00:12:20,690
know if I'm gonna you know I've taken

262
00:12:26,420 --> 00:12:24,270
the Western tradition as far as I can

263
00:12:28,700 --> 00:12:26,430

take it right now and I feel like I'm

264

00:12:31,930 --> 00:12:28,710

being pulled in this direction I should

265

00:12:34,850 --> 00:12:31,940

go as close to that as I can of course

266

00:12:37,370 --> 00:12:34,860

nowadays most of the Tibetans that are

267

00:12:40,520 --> 00:12:37,380

actually able to teach are not in Tibet

268

00:12:41,860 --> 00:12:40,530

there in the call or in India so that

269

00:12:45,380 --> 00:12:41,870

was the place to go

270

00:12:48,170 --> 00:12:45,390

that's very cool so let's get into it

271

00:12:49,790 --> 00:12:48,180

erotic alchemy and sex magic people

272

00:12:52,100 --> 00:12:49,800

might come into this thinking all sorts

273

00:12:54,530 --> 00:12:52,110

of things having a bunch of preconceived

274

00:12:56,690 --> 00:12:54,540

notions about it or what it might be so

275

00:12:58,370 --> 00:12:56,700

how would you define and introduce this

276
00:13:01,160 --> 00:12:58,380
to somebody who isn't familiar with the

277
00:13:03,950 --> 00:13:01,170
slice of the sorcery pie well the first

278
00:13:07,580 --> 00:13:03,960
thing that I would say is that we want

279
00:13:11,900 --> 00:13:07,590
to separate it out from love magic so

280
00:13:14,770 --> 00:13:11,910
this is not magic to get a lover it is

281
00:13:16,940 --> 00:13:14,780
not magic to get laid that is a

282
00:13:18,890 --> 00:13:16,950
different kind of thing so in other

283
00:13:21,500 --> 00:13:18,900
words if you're casting spells or

284
00:13:25,340 --> 00:13:21,510
summoning spirits in order to find

285
00:13:27,860 --> 00:13:25,350
romance or to you know find someone to

286
00:13:30,320 --> 00:13:27,870
have sex with that's a whole other ball

287
00:13:32,720 --> 00:13:30,330
of wax nothing wrong with that might you

288
00:13:33,800 --> 00:13:32,730

know I've done that myself might write

289

00:13:36,800 --> 00:13:33,810

about it in the future

290

00:13:39,530 --> 00:13:36,810

but not what we're talking about here

291

00:13:43,070 --> 00:13:39,540

what we're talking about here is the use

292

00:13:46,160 --> 00:13:43,080

of sex as a tool in magic

293

00:13:48,170 --> 00:13:46,170

so the magic could be aimed at anything

294

00:13:51,020 --> 00:13:48,180

it could be aimed at spiritual evolution

295

00:13:54,050 --> 00:13:51,030

it could be aimed at finding a job

296

00:13:58,520 --> 00:13:54,060

it could be aimed at getting even with

297

00:14:04,360 --> 00:13:58,530

your neighbors of whatever sex is the

298

00:14:09,370 --> 00:14:04,370

tool and the idea here is that sex is

299

00:14:14,300 --> 00:14:09,380

just a powerful potent and primordial

300

00:14:14,720 --> 00:14:14,310

thing and when you think about it on on

301

00:14:16,660 --> 00:14:14,730

all

302

00:14:20,449 --> 00:14:16,670

different levels it makes total sense

303

00:14:26,000 --> 00:14:20,459

first of all on the physical level sex

304

00:14:29,439 --> 00:14:26,010

is what create people so it is an act of

305

00:14:33,079 --> 00:14:29,449

creation so if you think of your

306

00:14:36,889 --> 00:14:33,089

intended result as a quote-unquote

307

00:14:38,930 --> 00:14:36,899

magical child then it totally makes

308

00:14:43,160 --> 00:14:38,940

sense that if you divert the energies of

309

00:14:46,759 --> 00:14:43,170

sex towards this goal then you're able

310

00:14:49,819 --> 00:14:46,769

to manifest it on the energetic level I

311

00:14:55,370 --> 00:14:49,829

think even even people that are not a

312

00:15:01,519 --> 00:14:55,380

cultist not magicians not even New Agers

313

00:15:04,370 --> 00:15:01,529

or Yogi's or or yoga practitioners or

314

00:15:06,290 --> 00:15:04,380

martial artists other people who get

315

00:15:08,629 --> 00:15:06,300

used to sort of feeling and projecting

316

00:15:11,120 --> 00:15:08,639

energy I think even if you're not one of

317

00:15:14,000 --> 00:15:11,130

those people you feel the energies of

318

00:15:18,079 --> 00:15:14,010

the body during sex right you know

319

00:15:20,629 --> 00:15:18,089

people can feel the energy move in their

320

00:15:23,590 --> 00:15:20,639

body we can feel it in their head they

321

00:15:28,040 --> 00:15:23,600

can feel it in their you know in their

322

00:15:31,879 --> 00:15:28,050

sexy parts and you know they can feel it

323

00:15:35,870 --> 00:15:31,889

sort of gather and move and flow so

324

00:15:38,900 --> 00:15:35,880

there is this intense amount of energy

325

00:15:42,740 --> 00:15:38,910

that you're working with and then there

326

00:15:45,829 --> 00:15:42,750

is this huge mental thing first of all

327

00:15:49,069 --> 00:15:45,839

sex itself is a primordial Drive so we

328

00:15:52,879 --> 00:15:49,079

entered the mental energy that accompany

329

00:15:57,379 --> 00:15:52,889

sex is hugely powerful but also that

330

00:16:00,379 --> 00:15:57,389

moment of orgasm that explodes the ego

331

00:16:03,680 --> 00:16:00,389

which is why the French call it the

332

00:16:07,280 --> 00:16:03,690

petite more the little death because the

333

00:16:11,240 --> 00:16:07,290

mind just shatters at that moment and it

334

00:16:13,970 --> 00:16:11,250

opens this gateway into this other state

335

00:16:18,110 --> 00:16:13,980

you know the whole idea of contract

336

00:16:22,069 --> 00:16:18,120

Buddhism is that Buddhahood is not that

337

00:16:26,569 --> 00:16:22,079

far away that you can explore it and

338

00:16:28,430 --> 00:16:26,579

reach it not only through sort of the

339

00:16:31,730 --> 00:16:28,440

ordinary means

340

00:16:34,340 --> 00:16:31,740

uh you know renunciation and slowly

341

00:16:36,920 --> 00:16:34,350

slowly building your way there but you

342

00:16:40,450 --> 00:16:36,930

can sort of blast your way there or I'll

343

00:16:43,880 --> 00:16:40,460

chemically transform your way there by

344

00:16:46,100 --> 00:16:43,890

experiencing these states that are close

345

00:16:48,140 --> 00:16:46,110

to it in one of those states in one of

346

00:16:51,370 --> 00:16:48,150

the most easily accessed of those states

347

00:16:54,260 --> 00:16:51,380

is the sex act is the moment of orgasm

348

00:16:56,180 --> 00:16:54,270

yeah man I agree with you I know for me

349

00:16:57,860 --> 00:16:56,190

personally I am pretty energetically

350

00:17:00,680 --> 00:16:57,870

dense I don't seem to feel the same

351
00:17:02,900 --> 00:17:00,690
effects from Reiki or locations where

352
00:17:04,819 --> 00:17:02,910
people say they feel a high energy or

353
00:17:06,140 --> 00:17:04,829
from being around crystals or any of

354
00:17:08,420 --> 00:17:06,150
those types of things but when people

355
00:17:10,540 --> 00:17:08,430
start talking about the Kundalini or the

356
00:17:12,890 --> 00:17:10,550
chakras or energy systems in the body

357
00:17:14,630 --> 00:17:12,900
again it's not something I felt much in

358
00:17:16,069 --> 00:17:14,640
my life with the exception of course of

359
00:17:18,020 --> 00:17:16,079
the orgasm and then that's what really

360
00:17:19,610 --> 00:17:18,030
makes it more interesting because we

361
00:17:21,170 --> 00:17:19,620
don't really consider the feeling of the

362
00:17:23,240 --> 00:17:21,180
orgasm that much we take it for granted

363
00:17:25,910 --> 00:17:23,250

but it is weird and it's very very

364

00:17:28,069 --> 00:17:25,920

powerful there's nothing else like it at

365

00:17:30,230 --> 00:17:28,079

least not in sober reality that I know

366

00:17:32,150 --> 00:17:30,240

of and you could interpret that as a

367

00:17:33,740 --> 00:17:32,160

clue from the universe that there's more

368

00:17:36,080 --> 00:17:33,750

out there or you could say it's like the

369

00:17:38,030 --> 00:17:36,090

lowest hanging fruit on a vast tree of

370

00:17:40,910 --> 00:17:38,040

energetic possibilities and no one

371

00:17:43,730 --> 00:17:40,920

really ever goes above that lowest rung

372

00:17:45,380 --> 00:17:43,740

so it probably is worth being curious

373

00:17:48,050 --> 00:17:45,390

about and exploring the deeper

374

00:17:49,790 --> 00:17:48,060

possibilities of as well as occasionally

375

00:17:52,390 --> 00:17:49,800

having a conscious intention for that

376

00:17:55,510 --> 00:17:52,400

energy transfer it does make sense to me

377

00:17:59,510 --> 00:17:55,520

Sega and virtually speaking it's very

378

00:18:01,550 --> 00:17:59,520

appropriate for those of us that are not

379

00:18:03,470 --> 00:18:01,560

monks you know one of the stories I tell

380

00:18:07,190 --> 00:18:03,480

at the beginning of the book is the the

381

00:18:11,930 --> 00:18:07,200

origin of the gruesome Asha Tantra and

382

00:18:15,350 --> 00:18:11,940

in this King Indra beauty sees birds

383

00:18:18,350 --> 00:18:15,360

flying north into the Himalayas every

384

00:18:21,200 --> 00:18:18,360

night and South down into India every

385

00:18:24,620 --> 00:18:21,210

morning and he asked his ministers

386

00:18:26,930 --> 00:18:24,630

what's going on and they say oh that's

387

00:18:29,450 --> 00:18:26,940

not Birds at all that the Buddha and

388

00:18:30,260 --> 00:18:29,460

he's flying north into the Himalayas to

389

00:18:33,370 --> 00:18:30,270

do secret

390

00:18:35,660 --> 00:18:33,380

yoga's at night and then flies back to

391

00:18:41,200 --> 00:18:35,670

Varanasi in the morning to teach

392

00:18:44,560 --> 00:18:41,210

Buddhism so in djibouti invites him

393

00:18:46,450 --> 00:18:44,570

to the kingdom to teach and he spends a

394

00:18:49,899 --> 00:18:46,460

few days teaching the Buddhism that we

395

00:18:53,860 --> 00:18:49,909

all know you know renouncing sex and

396

00:18:55,960 --> 00:18:53,870

drinking you know all the fun stuff and

397

00:18:57,789 --> 00:18:55,970

you know quitting your job and becoming

398

00:18:59,740 --> 00:18:57,799

a monk and all that kind of jazz and

399

00:19:01,720 --> 00:18:59,750

finally the king is like well look you

400

00:19:03,940 --> 00:19:01,730

know this is all well and good but I'm

401
00:19:07,180 --> 00:19:03,950
the king you know my wife would be

402
00:19:08,950 --> 00:19:07,190
really pissed at me I've got many

403
00:19:12,100 --> 00:19:08,960
children who would be left fatherless

404
00:19:14,230 --> 00:19:12,110
I've got a kingdom to run and and it

405
00:19:16,720 --> 00:19:14,240
would just cause all kinds of strife if

406
00:19:17,980 --> 00:19:16,730
I were to suddenly say you know what I'm

407
00:19:20,590 --> 00:19:17,990
going to become a monk

408
00:19:23,470 --> 00:19:20,600
is there no other way to achieve

409
00:19:27,630 --> 00:19:23,480
enlightenment and the Buddha smiled and

410
00:19:33,460 --> 00:19:27,640
instantly transformed into this glorious

411
00:19:37,360 --> 00:19:33,470
three-headed six-armed awesome contract

412
00:19:39,580 --> 00:19:37,370
being who had then another contract

413
00:19:42,690 --> 00:19:39,590

being on his lap but he was having sex

414

00:19:45,909 --> 00:19:42,700

with and all the are haunts that

415

00:19:48,399 --> 00:19:45,919

accompany the Buddha fated straightaway

416

00:19:53,350 --> 00:19:48,409

which explains why none of this is in

417

00:19:55,269 --> 00:19:53,360

the sutras and he then explained to the

418

00:20:01,120 --> 00:19:55,279

King how you can achieve enlightenment

419

00:20:05,889 --> 00:20:01,130

through tantric sex so it's a it's a

420

00:20:08,680 --> 00:20:05,899

path that is open and effective to those

421

00:20:11,230 --> 00:20:08,690

of us that have you know worldly

422

00:20:14,019 --> 00:20:11,240

commitments that are not have chosen for

423

00:20:16,960 --> 00:20:14,029

whatever reason not to renounce the

424

00:20:17,560 --> 00:20:16,970

world yeah I actually I really like that

425

00:20:20,470 --> 00:20:17,570

story

426
00:20:22,060 --> 00:20:20,480
and it does speak to one of the

427
00:20:25,090 --> 00:20:22,070
questions I had for you which is why we

428
00:20:27,760 --> 00:20:25,100
see enlightenment so often equated with

429
00:20:30,460 --> 00:20:27,770
celibacy among monks and everything but

430
00:20:32,200 --> 00:20:30,470
yet they have this school of of sex

431
00:20:34,269 --> 00:20:32,210
magic that I guess has just tucked away

432
00:20:36,039 --> 00:20:34,279
and not really talked about why is it

433
00:20:38,830 --> 00:20:36,049
that we always see celibacy is such a

434
00:20:40,990 --> 00:20:38,840
big deal with monks well you know it's

435
00:20:41,649 --> 00:20:41,000
not even that it's not talked about the

436
00:20:44,169 --> 00:20:41,659
sex

437
00:20:46,690 --> 00:20:44,179
imagery is very prevalent in Tibetan

438
00:20:50,350 --> 00:20:46,700

Buddhism you can walk into any monastery

439

00:20:57,460 --> 00:20:50,360

and see images of the deities having

440

00:21:01,420 --> 00:20:57,470

but the idea is that it's not safe the

441

00:21:05,380 --> 00:21:01,430

safe way is the monastic way the safe

442

00:21:09,160 --> 00:21:05,390

way is you know to slowly cultivate

443

00:21:11,200 --> 00:21:09,170

positive qualities to slowly get rid of

444

00:21:13,900 --> 00:21:11,210

negative qualities to renounce those

445

00:21:16,150 --> 00:21:13,910

negative qualities this is the safer way

446

00:21:21,610 --> 00:21:16,160

this is the way that is most appropriate

447

00:21:24,520 --> 00:21:21,620

to most people or at least it was back

448

00:21:27,490 --> 00:21:24,530

in the day but there are many writings

449

00:21:30,730 --> 00:21:27,500

that indicate that we are no longer in

450

00:21:33,490 --> 00:21:30,740

such an era where these things are the

451
00:21:37,650 --> 00:21:33,500
most appropriate but even today I would

452
00:21:40,720 --> 00:21:37,660
not recommend sex magic as the path to

453
00:21:43,720 --> 00:21:40,730
everyone or even to most people out

454
00:21:48,400 --> 00:21:43,730
there but that's no reason to keep it

455
00:21:50,880 --> 00:21:48,410
utterly hidden and secret mm-hmm agreed

456
00:21:53,710 --> 00:21:50,890
now there are some things you talk about

457
00:21:55,840 --> 00:21:53,720
sexual yoga in the book and Himalayan

458
00:21:58,020 --> 00:21:55,850
Tantra is there a difference between

459
00:22:02,560 --> 00:21:58,030
these two things

460
00:22:06,430 --> 00:22:02,570
well you know sexual yo yoga is just

461
00:22:10,000 --> 00:22:06,440
means really practices you know you can

462
00:22:13,060 --> 00:22:10,010
go to an ashram or a Dharma Center and

463
00:22:14,830 --> 00:22:13,070

they'll give you Karma Yoga say you know

464

00:22:20,950 --> 00:22:14,840

do some karma yoga what they're telling

465

00:22:25,180 --> 00:22:20,960

you is clean up the shrine and so you

466

00:22:28,810 --> 00:22:25,190

know everything is a yoga not just hatha

467

00:22:31,660 --> 00:22:28,820

yoga of bending yourself and to you know

468

00:22:35,230 --> 00:22:31,670

cool asanas and stuff like that so yoga

469

00:22:38,440 --> 00:22:35,240

is sort of a general term for practices

470

00:22:40,900 --> 00:22:38,450

originating in India and and and also

471

00:22:43,660 --> 00:22:40,910

the Himalayas you can't and you know

472

00:22:48,040 --> 00:22:43,670

kontrick Buddhism contract sex practices

473

00:22:50,650 --> 00:22:48,050

are a yoga you know kamamoto yoga would

474

00:22:55,360 --> 00:22:50,660

fall under that but these you know sex

475

00:22:58,870 --> 00:22:55,370

practices are not limited to this region

476
00:23:00,190 --> 00:22:58,880
by any sense there's lots of Taoist sex

477
00:23:05,560 --> 00:23:00,200
magic

478
00:23:09,310 --> 00:23:05,570
Western tradition more recently we have

479
00:23:11,409 --> 00:23:09,320
the traditions originated by Pascal

480
00:23:15,039 --> 00:23:11,419
Beverly Randolph and carried on by

481
00:23:20,430 --> 00:23:15,049
Aleister Crowley and so on but we also

482
00:23:23,409 --> 00:23:20,440
have hint of sex magic practice or

483
00:23:25,810 --> 00:23:23,419
sexual spirituality and early

484
00:23:28,840 --> 00:23:25,820
Christianity with the sacrament of the

485
00:23:31,950 --> 00:23:28,850
bridal chamber and so on but we you know

486
00:23:35,350 --> 00:23:31,960
a lot of that has been lost to history

487
00:23:39,490 --> 00:23:35,360
and persecution and purging of

488
00:23:41,560 --> 00:23:39,500

historical records so so true so true

489

00:23:44,409 --> 00:23:41,570

and that damage applies to so many

490

00:23:46,269 --> 00:23:44,419

things but one one thing you did talk

491

00:23:48,399 --> 00:23:46,279

about in the book from a historical

492

00:23:50,830 --> 00:23:48,409

context within religions is the idea of

493

00:23:52,600 --> 00:23:50,840

having sex with gods of course it's huge

494

00:23:55,029 --> 00:23:52,610

in Greek mythology and Egyptian

495

00:23:57,789 --> 00:23:55,039

mythology and even Christianity not only

496

00:24:00,430 --> 00:23:57,799

with the Nephilim but also the story of

497

00:24:03,009 --> 00:24:00,440

Jesus you have Mary being impregnated by

498

00:24:04,990 --> 00:24:03,019

God I find that interesting that so many

499

00:24:08,409 --> 00:24:05,000

religions have that theme of sex with

500

00:24:09,820 --> 00:24:08,419

the gods or non-human entities and today

501
00:24:12,070 --> 00:24:09,830
I think a lot of people will probably

502
00:24:13,870 --> 00:24:12,080
find that to be crazy or impossible but

503
00:24:15,549 --> 00:24:13,880
that might just be a product of our

504
00:24:18,039 --> 00:24:15,559
current culture to think that it's not

505
00:24:21,070 --> 00:24:18,049
possible but there are some reasons to

506
00:24:23,289 --> 00:24:21,080
think that it might be right well you

507
00:24:25,029 --> 00:24:23,299
know I mean it is certainly within the

508
00:24:28,899 --> 00:24:25,039
realm of possibility if you believe in

509
00:24:33,600 --> 00:24:28,909
these things it is also I ensure you

510
00:24:36,639 --> 00:24:33,610
know that many an unwanted pregnancy or

511
00:24:39,700 --> 00:24:36,649
you know child born by rape or something

512
00:24:42,519 --> 00:24:39,710
like that was sort of you know in in old

513
00:24:47,009 --> 00:24:42,529

days reported as an immaculate

514

00:24:52,360 --> 00:24:47,019

conception of some kind or another but

515

00:24:54,909 --> 00:24:52,370

there are multitude of ways that this

516

00:24:57,970 --> 00:24:54,919

happened so for instance in the in the

517

00:25:00,490 --> 00:24:57,980

medieval Christian tradition you have a

518

00:25:03,580 --> 00:25:00,500

lot of writings about kinky buses and

519

00:25:07,330 --> 00:25:03,590

succubus as demons that come and steal

520

00:25:08,799 --> 00:25:07,340

the sexual essence the Incubus of course

521

00:25:12,039 --> 00:25:08,809

meaning laying

522

00:25:15,610 --> 00:25:12,049

on top so it's the male demon that

523

00:25:18,340 --> 00:25:15,620

mounts emails in their sleep and then

524

00:25:22,090 --> 00:25:18,350

the succubus meaning laying underneath

525

00:25:25,690 --> 00:25:22,100

the female demon who takes male nightly

526

00:25:29,379 --> 00:25:25,700

missions the explanation for wet dreams

527

00:25:31,419 --> 00:25:29,389

and then you have but a lot of

528

00:25:33,810 --> 00:25:31,429

modern-day examples you know I talked

529

00:25:37,779 --> 00:25:33,820

about this woman in Iceland who

530

00:25:41,320 --> 00:25:37,789

allegedly had sex with elves and Ida

531

00:25:44,320 --> 00:25:41,330

Craddock who lived in Philadelphia and

532

00:25:48,159 --> 00:25:44,330

wrote extensively about heavenly

533

00:25:51,609 --> 00:25:48,169

bridegroom's how to take an angel as a

534

00:25:56,049 --> 00:25:51,619

lover and and how this itself was a type

535

00:25:59,710 --> 00:25:56,059

of holy practice a yoga if you will that

536

00:26:02,769 --> 00:25:59,720

having sex with this being that is you

537

00:26:05,080 --> 00:26:02,779

know in nature close to God brings you

538

00:26:07,749 --> 00:26:05,090

by proxy closer to God

539

00:26:10,090 --> 00:26:07,759

yeah I don't was an interesting one I

540

00:26:13,359 --> 00:26:10,100

guess she she felt like she was married

541

00:26:15,119 --> 00:26:13,369

to an angel named Soph or something like

542

00:26:17,739 --> 00:26:15,129

something close to that

543

00:26:20,560 --> 00:26:17,749

Wow I guess she felt like she had enough

544

00:26:23,739 --> 00:26:20,570

sustained contact with this being to

545

00:26:25,359 --> 00:26:23,749

actually commit to them in a physical

546

00:26:29,560 --> 00:26:25,369

relationship that's pretty wild

547

00:26:33,159 --> 00:26:29,570

yeah what a lot of good books about

548

00:26:35,889 --> 00:26:33,169

autocratically and I I think you know

549

00:26:38,769 --> 00:26:35,899

folks in the OTO and the selamat

550

00:26:41,159 --> 00:26:38,779

community in general deserve a lot of

551

00:26:44,080 --> 00:26:41,169

credit because while she was not

552

00:26:46,029 --> 00:26:44,090

particularly you know I don't even know

553

00:26:49,779 --> 00:26:46,039

she was even aware of Aleister Crowley

554

00:26:51,609 --> 00:26:49,789

at all but her writings have been mostly

555

00:26:54,669 --> 00:26:51,619

brought to light through the efforts of

556

00:26:57,310 --> 00:26:54,679

people in that community and of course

557

00:27:01,930 --> 00:26:57,320

Crowley wrote very positively about her

558

00:27:05,109 --> 00:27:01,940

work so kudos to them for you know they

559

00:27:08,889 --> 00:27:05,119

sometimes get accused and rightly so of

560

00:27:11,440 --> 00:27:08,899

being a little too stuck on the writings

561

00:27:14,680 --> 00:27:11,450

of Crowley but at least they have gone

562

00:27:16,409 --> 00:27:14,690

so far as to shed more light on Randolph

563

00:27:20,310 --> 00:27:16,419

and on

564

00:27:23,489 --> 00:27:20,320

in recent years so huh you know one step

565

00:27:25,590 --> 00:27:23,499

removed yeah well let's talk about the

566

00:27:27,539 --> 00:27:25,600

OTO a little bit you you have had

567

00:27:29,460 --> 00:27:27,549

first-hand experience you've been with

568

00:27:31,739 --> 00:27:29,470

them for a little while I guess in the

569

00:27:33,529 --> 00:27:31,749

book you say that you were kind of you

570

00:27:36,029 --> 00:27:33,539

were kind of frustrated with the

571

00:27:38,430 --> 00:27:36,039

progression with the time length of the

572

00:27:40,259 --> 00:27:38,440

progression throughout it but what can

573

00:27:41,820 --> 00:27:40,269

you tell us about the OTO and your

574

00:27:45,210 --> 00:27:41,830

experience with them as it pertains to

575

00:27:48,239 --> 00:27:45,220

two sects in the magical practice well

576

00:27:52,109 --> 00:27:48,249

you know I I would have to save it I

577

00:27:55,019 --> 00:27:52,119

mean the church I mean the timeline of

578

00:27:57,720 --> 00:27:55,029

how one progresses from mineral to ninth

579

00:28:00,869 --> 00:27:57,730

degree was a matter of frustration that

580

00:28:03,119 --> 00:28:00,879

was not my main reason for for departing

581

00:28:05,399 --> 00:28:03,129

but I left on good terms and I think of

582

00:28:08,190 --> 00:28:05,409

them fondly and recommend them to people

583

00:28:10,139 --> 00:28:08,200

that are interested in that and have

584

00:28:14,609 --> 00:28:10,149

nothing but a you know a positive

585

00:28:19,139 --> 00:28:14,619

experience that said the OTO nowadays

586

00:28:22,320 --> 00:28:19,149

has largely forgotten its original

587

00:28:25,619 --> 00:28:22,330

mission of spreading sex magic teachings

588

00:28:28,889 --> 00:28:25,629

in favour of spreading the law of belief

589

00:28:32,999 --> 00:28:28,899

so it is much more a vehicle for the

590

00:28:35,909 --> 00:28:33,009

philosophy / religion really stemming

591

00:28:37,919 --> 00:28:35,919

from Alastair crow so that I'm not

592

00:28:41,119 --> 00:28:37,929

particularly interested in so I

593

00:28:44,849 --> 00:28:41,129

eventually got a lot of the teachings

594

00:28:48,590 --> 00:28:44,859

that the OTO gives through a secondary

595

00:28:52,190 --> 00:28:48,600

order called the cathodic Iranian and

596

00:28:57,239 --> 00:28:52,200

overall the the sex magic teachings of

597

00:29:02,849 --> 00:28:57,249

Aleister Crowley are interesting but in

598

00:29:05,220 --> 00:29:02,859

my opinion they lack a key element that

599

00:29:08,460 --> 00:29:05,230

I found in in the east and that is the

600

00:29:12,570 --> 00:29:08,470

element of inner heat western sex magic

601
00:29:16,440 --> 00:29:12,580
looks at alchemy for how they believe

602
00:29:18,899 --> 00:29:16,450
sex magic to work and and rightly so and

603
00:29:23,340 --> 00:29:18,909
so they look at the act of sex as the

604
00:29:26,310 --> 00:29:23,350
heating as the sublimation of the elixir

605
00:29:28,049 --> 00:29:26,320
or the elements you know the gross

606
00:29:29,670 --> 00:29:28,059
element which will produce the elixir

607
00:29:33,540 --> 00:29:29,680
and if they're right about that

608
00:29:36,120 --> 00:29:33,550
as well but in practice they interpret

609
00:29:37,050 --> 00:29:36,130
this heating is simply having sex for a

610
00:29:39,870 --> 00:29:37,060
long time

611
00:29:43,410 --> 00:29:39,880
you know one of the people to spell this

612
00:29:46,980 --> 00:29:43,420
out very very plainly for the West was

613
00:29:48,900 --> 00:29:46,990

Don Michael Craig and his modern magic

614

00:29:52,710 --> 00:29:48,910

and then later in his book about sex

615

00:29:55,200 --> 00:29:52,720

magic and he he speaks about it almost

616

00:29:59,780 --> 00:29:55,210

purely in terms of length you're having

617

00:30:03,390 --> 00:29:59,790

sex for a minimum of 20 to 40 minutes

618

00:30:07,140 --> 00:30:03,400

and that this is what what is the

619

00:30:09,090 --> 00:30:07,150

heating process but that's not the case

620

00:30:13,050 --> 00:30:09,100

in the east in the case in the East is

621

00:30:17,070 --> 00:30:13,060

that very specific movement of energy

622

00:30:20,870 --> 00:30:17,080

and breath creates the heat and then you

623

00:30:23,190 --> 00:30:20,880

bring that into the sexual area so

624

00:30:25,230 --> 00:30:23,200

that's the element that's sort of

625

00:30:27,690 --> 00:30:25,240

missing and then the other thing about

626

00:30:31,770 --> 00:30:27,700

curly is that a lot of the sexual

627

00:30:35,580 --> 00:30:31,780

teachings are masked in alchemical terms

628

00:30:38,790 --> 00:30:35,590

and hidden away as was needed during the

629

00:30:41,520 --> 00:30:38,800

Victorian age you know but we are not in

630

00:30:45,630 --> 00:30:41,530

the Victorian age you know you can talk

631

00:30:49,350 --> 00:30:45,640

plainly about these things nowadays and

632

00:30:52,860 --> 00:30:49,360

not have ladies collapsing into piles of

633

00:30:55,050 --> 00:30:52,870

crinoline at the shock you know we live

634

00:30:58,010 --> 00:30:55,060

in the era of two girls one cup there is

635

00:31:05,970 --> 00:30:58,020

nothing in sex magic that is shocking

636

00:31:09,210 --> 00:31:05,980

anymore happen so it's uh the time for

637

00:31:13,590 --> 00:31:09,220

like giggling and discussing these in

638

00:31:16,320 --> 00:31:13,600

coded terms it's just silly I mean it's

639

00:31:18,480 --> 00:31:16,330

it yet people still do it in some of

640

00:31:22,620 --> 00:31:18,490

these communities act like this is some

641

00:31:25,140 --> 00:31:22,630

really big titillating deal when you

642

00:31:28,140 --> 00:31:25,150

know it sixth graders are discussing

643

00:31:33,900 --> 00:31:28,150

things with more Frank and frankness and

644

00:31:38,520 --> 00:31:33,910

tender so let's maybe mention a couple

645

00:31:41,340 --> 00:31:38,530

of sexual sorcery 101 things before we

646

00:31:43,560 --> 00:31:41,350

kind of get into maybe some actual ideas

647

00:31:46,799 --> 00:31:43,570

for the practice for example I guess

648

00:31:49,859 --> 00:31:46,809

something people might not realize is

649

00:31:52,590 --> 00:31:49,869

that a big part of this is realizing

650

00:31:55,289 --> 00:31:52,600

that the orgasm and the ejaculation are

651
00:31:57,629 --> 00:31:55,299
two separate processes for the male they

652
00:31:59,729 --> 00:31:57,639
come really close together but it's a

653
00:32:01,229 --> 00:31:59,739
fundamental thing to realize that that

654
00:32:03,659 --> 00:32:01,239
length of time between the two can be

655
00:32:05,639 --> 00:32:03,669
greatly expanded and played with to

656
00:32:08,969 --> 00:32:05,649
really understand what kind of things

657
00:32:13,649 --> 00:32:08,979
people are doing right exactly exactly

658
00:32:15,149 --> 00:32:13,659
and this is um you know this goes into

659
00:32:18,119 --> 00:32:15,159
what I was saying before about that

660
00:32:21,799 --> 00:32:18,129
moment of orgasm you know that moment of

661
00:32:27,180 --> 00:32:21,809
orgasm is that that magical mind

662
00:32:32,549 --> 00:32:27,190
splitting egos shattering moment and so

663
00:32:36,749 --> 00:32:32,559

if you can extend that if you can make

664

00:32:41,369 --> 00:32:36,759

make its effects deeper and to last

665

00:32:45,719 --> 00:32:41,379

longer than you've really come on to

666

00:32:49,710 --> 00:32:45,729

something and so recognizing that you

667

00:32:52,680 --> 00:32:49,720

can have an orgasm without physical

668

00:32:55,499 --> 00:32:52,690

ejaculation is one of the keys to

669

00:32:59,129 --> 00:32:55,509

retaining energy what the Chinese called

670

00:33:01,710 --> 00:32:59,139

Jing your generative energy they believe

671

00:33:04,229 --> 00:33:01,720

that you don't get any more generative

672

00:33:07,769 --> 00:33:04,239

energy throughout your life that you

673

00:33:10,859 --> 00:33:07,779

only have a certain amount so you know

674

00:33:14,029 --> 00:33:10,869

we have these practices whereby we have

675

00:33:18,180 --> 00:33:14,039

the orgasm but we do reverse the flow of

676

00:33:20,700 --> 00:33:18,190

the fluid and the energy rather than

677

00:33:25,139 --> 00:33:20,710

this down having everything flow down

678

00:33:29,669 --> 00:33:25,149

and out we can reverse it to go upward

679

00:33:33,779 --> 00:33:29,679

and inward this is a little bit like the

680

00:33:38,009 --> 00:33:33,789

best description is plugging your your

681

00:33:40,409 --> 00:33:38,019

groin into your brain directly yeah

682

00:33:42,989 --> 00:33:40,419

you're taking your lower centers and

683

00:33:45,269 --> 00:33:42,999

your upper centers that are normally

684

00:33:48,509 --> 00:33:45,279

connected through your you're shushing

685

00:33:51,529 --> 00:33:48,519

nun and and through the levels of the

686

00:33:52,790 --> 00:33:51,539

chakras and so on and you're basically

687

00:33:58,800 --> 00:33:52,800

just

688

00:34:03,360 --> 00:33:58,810

connecting a direct line and damn it's

689

00:34:06,170 --> 00:34:03,370

an amazing experience and and even more

690

00:34:09,570 --> 00:34:06,180

sexually gratifying than the normal

691

00:34:13,200 --> 00:34:09,580

release of orgasm and of course this

692

00:34:16,980 --> 00:34:13,210

feeds into why there's so much sex

693

00:34:19,020 --> 00:34:16,990

instruction for men in not only because

694

00:34:23,250 --> 00:34:19,030

of the patriarchy which is probably the

695

00:34:27,180 --> 00:34:23,260

biggest reason but because men lose our

696

00:34:29,580 --> 00:34:27,190

fluid at orgasm and women don't we tend

697

00:34:33,990 --> 00:34:29,590

to feel physically exhausted after

698

00:34:36,419 --> 00:34:34,000

orgasm women don't we are generally not

699

00:34:38,820 --> 00:34:36,429

predisposed towards multiple orgasms

700

00:34:47,180 --> 00:34:38,830

unless we are able to control ourselves

701
00:34:49,980 --> 00:34:47,190
well women are so we need now so this is

702
00:34:54,450 --> 00:34:49,990
yeah that's that's spot-on that that

703
00:34:57,090 --> 00:34:54,460
window between that the two can be can

704
00:35:01,320 --> 00:34:57,100
be played with a very specific way

705
00:35:03,750 --> 00:35:01,330
mm-hmm man is of course you know sex and

706
00:35:05,790 --> 00:35:03,760
magic even separately are two are the

707
00:35:08,070 --> 00:35:05,800
biggest taboos our society has had

708
00:35:10,230 --> 00:35:08,080
throughout history but you can't deny

709
00:35:12,900 --> 00:35:10,240
and modern times you'd be a fool to deny

710
00:35:15,660 --> 00:35:12,910
you don't like an orgasm and the how

711
00:35:18,240 --> 00:35:15,670
could the idea of lengthening that or

712
00:35:20,040 --> 00:35:18,250
gaining more control over that how could

713
00:35:21,870 --> 00:35:20,050

that not be intriguing to someone you

714

00:35:25,980 --> 00:35:21,880

know life is about experience and about

715

00:35:27,660 --> 00:35:25,990

pleasure and I I think that you know

716

00:35:29,490 --> 00:35:27,670

you're lying to yourself if someone were

717

00:35:31,470 --> 00:35:29,500

to say they aren't intrigued by that

718

00:35:35,160 --> 00:35:31,480

although it does seem like daunting work

719

00:35:38,040 --> 00:35:35,170

I will say it is it is daunting work it

720

00:35:43,250 --> 00:35:38,050

is and that's the thing about this book

721

00:35:45,740 --> 00:35:43,260

is that it presents the challenge of

722

00:35:49,830 --> 00:35:45,750

something that you're going to have to

723

00:35:51,810 --> 00:35:49,840

do exercises for a lot of the things in

724

00:35:55,230 --> 00:35:51,820

this book the things that are the most

725

00:35:57,600 --> 00:35:55,240

important in this book are things that

726

00:36:00,030 --> 00:35:57,610

you will have to train to do that that

727

00:36:01,320 --> 00:36:00,040

you will have to you know when you're

728

00:36:03,099 --> 00:36:01,330

going to the bathroom you're gonna have

729

00:36:06,339 --> 00:36:03,109

to stop and start your urine

730

00:36:07,749 --> 00:36:06,349

just and exercise that muscle to be able

731

00:36:10,120 --> 00:36:07,759

to control you're going to have to get

732

00:36:15,069 --> 00:36:10,130

used to breathing in a different way

733

00:36:22,150 --> 00:36:15,079

while still being active so this is

734

00:36:24,249 --> 00:36:22,160

probably going to be one of my you know

735

00:36:26,829 --> 00:36:24,259

I hope not but but one of my least

736

00:36:30,579 --> 00:36:26,839

popular books in the end although it's

737

00:36:33,339 --> 00:36:30,589

well reviewed because it presents

738

00:36:36,670 --> 00:36:33,349

something that most people are just not

739

00:36:39,970 --> 00:36:36,680

going to put the time and effort and

740

00:36:43,749 --> 00:36:39,980

especially nowadays where when men are

741

00:36:47,410 --> 00:36:43,759

losing interest in sex even even just

742

00:36:49,989 --> 00:36:47,420

ordinary sex in favor of you know

743

00:36:54,009 --> 00:36:49,999

watching porn use the accessibility of

744

00:36:57,809 --> 00:36:54,019

porn so to give them the challenge not

745

00:37:02,289 --> 00:36:57,819

only of getting laid but of actually

746

00:37:07,210 --> 00:37:02,299

having to do all this work it just might

747

00:37:08,979 --> 00:37:07,220

not like not pan out it's tough enough

748

00:37:11,940 --> 00:37:08,989

for some people just to get sex and now

749

00:37:15,519 --> 00:37:11,950

you want people to try to master it

750

00:37:16,930 --> 00:37:15,529

exactly but it is well worth it it is

751
00:37:20,499 --> 00:37:16,940
well worth it

752
00:37:22,900 --> 00:37:20,509
I'm sure and you brought up porn and I

753
00:37:24,640 --> 00:37:22,910
did have an interesting take away from

754
00:37:27,549 --> 00:37:24,650
your book learning about this study of

755
00:37:30,430 --> 00:37:27,559
supernormal stimuli and how it's

756
00:37:32,200 --> 00:37:30,440
affected birds and animals this kind of

757
00:37:33,819 --> 00:37:32,210
you made a connection to porn and how it

758
00:37:35,589 --> 00:37:33,829
might be affecting us but can you tell

759
00:37:36,370 --> 00:37:35,599
the people a little bit about that study

760
00:37:38,049 --> 00:37:36,380
because I thought that was an

761
00:37:42,220 --> 00:37:38,059
interesting angle on the way we could

762
00:37:45,130 --> 00:37:42,230
maybe think about porn well you know I I

763
00:37:47,410 --> 00:37:45,140

don't even I don't have the specific

764

00:37:48,880 --> 00:37:47,420

study in front of me right now and of

765

00:37:50,499 --> 00:37:48,890

course when you're writing a book you

766

00:37:53,259 --> 00:37:50,509

have all this stuff in front of you for

767

00:37:56,229 --> 00:37:53,269

easy reference and then so you know

768

00:38:00,150 --> 00:37:56,239

forgive me if I if I miss any details at

769

00:38:04,950 --> 00:38:00,160

all but in general you know supernormal

770

00:38:08,559 --> 00:38:04,960

stimuli are things that you will

771

00:38:11,890 --> 00:38:08,569

ordinarily come across in the course of

772

00:38:15,790 --> 00:38:11,900

your life but represent exaggerated

773

00:38:19,870 --> 00:38:15,800

versions of the things that

774

00:38:23,350 --> 00:38:19,880

excite you show examples that were given

775

00:38:25,360 --> 00:38:23,360

were sort of you know they figured out

776

00:38:28,120 --> 00:38:25,370

that that I think it's like beak size

777

00:38:31,540 --> 00:38:28,130

and thing in seagulls that are

778

00:38:34,300 --> 00:38:31,550

particularly attractive so they made

779

00:38:39,220 --> 00:38:34,310

these fake seagulls with these really

780

00:38:43,990 --> 00:38:39,230

colorful and bright deep and men wood or

781

00:38:46,750 --> 00:38:44,000

male seagulls would shun actual females

782

00:38:51,670 --> 00:38:46,760

in favor of being dummies because they

783

00:38:53,740 --> 00:38:51,680

had the fake part this was there were

784

00:38:56,140 --> 00:38:53,750

there were numerous examples of this

785

00:38:59,260 --> 00:38:56,150

that I think I cited in the book but

786

00:39:03,400 --> 00:38:59,270

overall the idea is that the more you

787

00:39:05,740 --> 00:39:03,410

program your brain to react to the

788

00:39:08,680 --> 00:39:05,750

supernormal stimuli the less they're

789

00:39:11,620 --> 00:39:08,690

going to react to normals than you and

790

00:39:15,010 --> 00:39:11,630

of course there's always been

791

00:39:19,780 --> 00:39:15,020

pornography you know but it's never been

792

00:39:22,630 --> 00:39:19,790

the case that you know you could I mean

793

00:39:26,620 --> 00:39:22,640

while sitting writing the book it would

794

00:39:29,320 --> 00:39:26,630

take me less than two seconds if I

795

00:39:32,260 --> 00:39:29,330

wanted to watch some kind of pornography

796

00:39:34,300 --> 00:39:32,270

right you know you wouldn't have to go

797

00:39:37,390 --> 00:39:34,310

to extraordinary lengths anymore

798

00:39:39,940 --> 00:39:37,400

it's just blink it's there any kind that

799

00:39:42,730 --> 00:39:39,950

you can possibly imagine and of course

800

00:39:44,860 --> 00:39:42,740

what people report is that tastes get

801
00:39:47,430 --> 00:39:44,870
more and more extreme so they start

802
00:39:51,550 --> 00:39:47,440
watching a little bit of pornography and

803
00:39:54,190 --> 00:39:51,560
then that doesn't do it anymore so they

804
00:39:57,580 --> 00:39:54,200
need something stronger and they need

805
00:40:01,510 --> 00:39:57,590
something you know this is how sort of

806
00:40:03,670 --> 00:40:01,520
extreme pace develop and there's nothing

807
00:40:06,640 --> 00:40:03,680
wrong with extreme taste I think you

808
00:40:10,980 --> 00:40:06,650
know I mean I as far as it I'm concerned

809
00:40:13,530 --> 00:40:10,990
if it's safe and consensual and involves

810
00:40:22,080 --> 00:40:13,540
adult

811
00:40:26,380 --> 00:40:22,090
fine but you know the reality is that

812
00:40:28,589 --> 00:40:26,390
surgically enhanced people that are

813
00:40:31,870 --> 00:40:28,599

submitting to

814

00:40:35,109 --> 00:40:31,880

whatever kind of fetish you can imagine

815

00:40:38,140 --> 00:40:35,119

for money are probably not the person

816

00:40:40,510 --> 00:40:38,150

that you're dating or married to right

817

00:40:43,480 --> 00:40:40,520

you know even those people you know

818

00:40:45,760 --> 00:40:43,490

they're doing it for for money for your

819

00:40:49,210 --> 00:40:45,770

entertainment they're probably not only

820

00:40:52,559 --> 00:40:49,220

doing that in their bedroom so in turn

821

00:40:58,089 --> 00:40:52,569

you can lose more and more interest in

822

00:40:59,829 --> 00:40:58,099

actual people and this is harmful you

823

00:41:04,450 --> 00:40:59,839

know I don't think this is a good thing

824

00:41:07,990 --> 00:41:04,460

for for society but that said moderation

825

00:41:10,599 --> 00:41:08,000

is the key not ditching things I did not

826

00:41:13,920 --> 00:41:10,609

write that because I am against porn or

827

00:41:17,079 --> 00:41:13,930

anti-porn I didn't suddenly become prude

828

00:41:21,150 --> 00:41:17,089

prudish because I have children it's

829

00:41:25,210 --> 00:41:21,160

just simply a fact that just like food

830

00:41:29,349 --> 00:41:25,220

we're drinking or anything else we need

831

00:41:32,559 --> 00:41:29,359

to monitor our intake see what is

832

00:41:36,550 --> 00:41:32,569

actually enjoyable and what is actually

833

00:41:37,809 --> 00:41:36,560

harming us mm-hmm yeah well said so

834

00:41:40,540 --> 00:41:37,819

let's dive into it a little bit if

835

00:41:41,920 --> 00:41:40,550

somebody is interested in doing this or

836

00:41:43,630 --> 00:41:41,930

trying this out where would someone

837

00:41:49,210 --> 00:41:43,640

start or where would I guess a couple

838

00:41:53,589 --> 00:41:49,220

start with this well you know the first

839

00:41:55,859 --> 00:41:53,599

of all we could grab my book and the

840

00:42:00,370 --> 00:41:55,869

first thing that you would want to do is

841

00:42:03,670 --> 00:42:00,380

master not master but gain competency

842

00:42:07,750 --> 00:42:03,680

and then this is this this difference

843

00:42:09,760 --> 00:42:07,760

between mastery and competency is key to

844

00:42:13,000 --> 00:42:09,770

one of the great keys of life quite

845

00:42:16,300 --> 00:42:13,010

frankly but you want to gain competency

846

00:42:19,150 --> 00:42:16,310

in the vaz breathing technique in the

847

00:42:20,650 --> 00:42:19,160

inner fire technique and everything that

848

00:42:22,450 --> 00:42:20,660

you know that I laid out in the

849

00:42:26,050 --> 00:42:22,460

beginning is that is going to help you

850

00:42:29,020 --> 00:42:26,060

regulate your energy it's going to help

851
00:42:32,170 --> 00:42:29,030
you regulate your excitement and in the

852
00:42:35,130 --> 00:42:32,180
case of well both men and women it's

853
00:42:38,279 --> 00:42:35,140
going to help you

854
00:42:42,479 --> 00:42:38,289
the flow of energy and in the case and

855
00:42:45,959 --> 00:42:42,489
then the flow of fluid during the sex

856
00:42:48,120 --> 00:42:45,969
magical app so you know that would be

857
00:42:51,809 --> 00:42:48,130
the keys to get working on that aspect

858
00:42:56,699 --> 00:42:51,819
of it also meditation is key I say this

859
00:43:02,729 --> 00:42:56,709
about everything it evens it is this one

860
00:43:05,609 --> 00:43:02,739
huge aspect that just makes everything

861
00:43:08,029 --> 00:43:05,619
in every aspect of life better and in

862
00:43:11,940 --> 00:43:08,039
this case is very important because

863
00:43:14,729 --> 00:43:11,950

through sex magic and through the inner

864

00:43:17,699 --> 00:43:14,739

fire technique you are going to be

865

00:43:19,640 --> 00:43:17,709

turning the volume up on the energies of

866

00:43:22,559 --> 00:43:19,650

the body and the mind

867

00:43:26,069 --> 00:43:22,569

this doesn't mean just the good stuff

868

00:43:28,799 --> 00:43:26,079

this is also the bad stuff this is why

869

00:43:32,759 --> 00:43:28,809

you know they have people do a hundred

870

00:43:34,890 --> 00:43:32,769

thousand prostrations or go through long

871

00:43:39,630 --> 00:43:34,900

limb or something like that some kind of

872

00:43:42,959 --> 00:43:39,640

training or purification practice before

873

00:43:46,079 --> 00:43:42,969

engaging in Tantra practice like this so

874

00:43:49,890 --> 00:43:46,089

in this case meditation is key because

875

00:43:52,620 --> 00:43:49,900

you want to be able to recognize thought

876

00:43:54,630 --> 00:43:52,630

patterns when you're distracted when

877

00:43:57,089 --> 00:43:54,640

you're obsessed and be able to instantly

878

00:44:00,239 --> 00:43:57,099

disengage in those and that that only

879

00:44:02,400 --> 00:44:00,249

comes with practice so I would say the

880

00:44:04,949 --> 00:44:02,410

place to start is the key practices

881

00:44:06,989 --> 00:44:04,959

towards the beginning then after that

882

00:44:08,579 --> 00:44:06,999

when you get into the sex practices you

883

00:44:11,430 --> 00:44:08,589

can decide what you're interested in

884

00:44:13,410 --> 00:44:11,440

there's there's a whole host of

885

00:44:17,249 --> 00:44:13,420

practices in them and our practice is

886

00:44:20,640 --> 00:44:17,259

where you're invoking gods and spirits

887

00:44:24,209 --> 00:44:20,650

into yourself and then uniting sexually

888

00:44:27,449 --> 00:44:24,219

as those gods so for instance you know a

889

00:44:32,160 --> 00:44:27,459

female can invoke Aphrodite a male can

890

00:44:34,529 --> 00:44:32,170

look aries and unite them both in the

891

00:44:36,979 --> 00:44:34,539

course of a ritual as a devotional act

892

00:44:39,509 --> 00:44:36,989

or is a magical act then there are

893

00:44:44,210 --> 00:44:39,519

rituals in there for the creation of

894

00:44:49,870 --> 00:44:44,220

spirit there's rituals in there for

895

00:44:53,329 --> 00:44:49,880

for creating the elixir for creating the

896

00:44:56,839 --> 00:44:53,339

yeah well the elixir that is made from

897

00:44:58,940 --> 00:44:56,849

the combined sexual fluid the Amrita in

898

00:45:03,620 --> 00:44:58,950

the east it would be called but the idea

899

00:45:07,250 --> 00:45:03,630

that the magically charged fluid of the

900

00:45:12,730 --> 00:45:07,260

male and female combined is a powerful

901
00:45:16,329 --> 00:45:12,740
medicine in an old one that seems to

902
00:45:21,170 --> 00:45:16,339
appear in many places throughout history

903
00:45:22,849 --> 00:45:21,180
mm-hmm yeah I had a real great time

904
00:45:25,910 --> 00:45:22,859
reading through all the vast

905
00:45:28,480 --> 00:45:25,920
possibilities and one thing I thought

906
00:45:32,150 --> 00:45:28,490
was pretty interesting was your idea for

907
00:45:33,829 --> 00:45:32,160
body painting sigils because I'm kind of

908
00:45:36,290 --> 00:45:33,839
into the sigil magic thing actually to

909
00:45:39,410 --> 00:45:36,300
be honest with you I still have a sigil

910
00:45:41,270 --> 00:45:39,420
from your financial sorcery book taped

911
00:45:44,150 --> 00:45:41,280
up on my monitor it's been there for I

912
00:45:45,680 --> 00:45:44,160
don't know two plus years I haven't

913
00:45:47,990 --> 00:45:45,690

really done much with it but look at it

914

00:45:49,550 --> 00:45:48,000

occasionally but I thought that was a

915

00:45:51,349 --> 00:45:49,560

pretty interesting idea because the

916

00:45:55,609 --> 00:45:51,359

sigil magic thing kind of resonates with

917

00:45:57,680 --> 00:45:55,619

me and body painting would be taking it

918

00:45:59,450 --> 00:45:57,690

to a new level well you know this is

919

00:46:02,450 --> 00:45:59,460

this is one of those things that I

920

00:46:06,620 --> 00:46:02,460

developed you know during my teenage

921

00:46:09,740 --> 00:46:06,630

years I of course like many other people

922

00:46:12,950 --> 00:46:09,750

read modern magic where they talk about

923

00:46:16,010 --> 00:46:12,960

the technique of looking at a sigil at

924

00:46:18,319 --> 00:46:16,020

the moment of orgasm and then when I got

925

00:46:21,650 --> 00:46:18,329

into the chaos magic stuff I really

926

00:46:24,890 --> 00:46:21,660

opened up my practice where again you're

927

00:46:27,920 --> 00:46:24,900

you're doing the sigil you're posting it

928

00:46:30,349 --> 00:46:27,930

up somewhere and you're looking at it at

929

00:46:32,180 --> 00:46:30,359

the moment of orgasm but most people

930

00:46:34,910 --> 00:46:32,190

were doing this is like you know they

931

00:46:37,849 --> 00:46:34,920

would put this up on an altar and then

932

00:46:40,609 --> 00:46:37,859

have to remember to look at it you know

933

00:46:45,920 --> 00:46:40,619

when they're about to about to explode

934

00:46:48,650 --> 00:46:45,930

and you know my thought was well why

935

00:46:51,109 --> 00:46:48,660

would I want it on an altar or even on

936

00:46:54,550 --> 00:46:51,119

you know why wouldn't I want it on my

937

00:46:59,130 --> 00:46:54,560

partner so that I could absorb myself

938

00:47:01,260 --> 00:46:59,140

into the person that I'm having

939

00:47:03,570 --> 00:47:01,270

so this is a technique that I had

940

00:47:06,570 --> 00:47:03,580

developed you know pretty early on

941

00:47:09,030 --> 00:47:06,580

before before I was drinking age where

942

00:47:12,690 --> 00:47:09,040

you would put the vigil not only on the

943

00:47:16,200 --> 00:47:12,700

viewer and your partner's forehead but

944

00:47:18,300 --> 00:47:16,210

back side Jeff you know wherever you

945

00:47:21,300 --> 00:47:18,310

might be looking wherever whenever

946

00:47:25,680 --> 00:47:21,310

you're doing whatever you're doing there

947

00:47:28,970 --> 00:47:25,690

should be a sigil there yeah it's it's a

948

00:47:33,570 --> 00:47:28,980

really creative way of updating some

949

00:47:37,500 --> 00:47:33,580

magical ideas but um what can you tell

950

00:47:44,130 --> 00:47:37,510

us about invocation and sex well you

951
00:47:48,540 --> 00:47:44,140
know onion the invocation in sexes in be

952
00:47:54,180 --> 00:47:48,550
calling down of a deity into yourself

953
00:47:58,260 --> 00:47:54,190
and then having sex because the moment

954
00:47:59,970 --> 00:47:58,270
of orgasm is again not to keep beating

955
00:48:05,550 --> 00:47:59,980
this dead horse but is this ego

956
00:48:08,490 --> 00:48:05,560
shattering moment right it is what in

957
00:48:11,220 --> 00:48:08,500
the East they call a completion stage

958
00:48:14,190 --> 00:48:11,230
practice so imagine this you're doing

959
00:48:19,620 --> 00:48:14,200
your invocation you visualize your

960
00:48:23,550 --> 00:48:19,630
astral body as say I don't know take a

961
00:48:26,010 --> 00:48:23,560
deity or spirit you know you you you

962
00:48:33,330 --> 00:48:26,020
imagine your astral body or whatever to

963
00:48:36,300 --> 00:48:33,340

be Cthulhu and so then you are so you

964

00:48:39,900 --> 00:48:36,310

have formed the habitat and then perhaps

965

00:48:43,950 --> 00:48:39,910

you have decorated the temple to create

966

00:48:46,830 --> 00:48:43,960

a habitat with elder signs or whatever

967

00:48:50,370 --> 00:48:46,840

kind of stuff you're doing obviously I'm

968

00:48:53,550 --> 00:48:50,380

not advocating Cthulhu so you know using

969

00:48:57,060 --> 00:48:53,560

a planetary Association let's do Mars

970

00:49:01,980 --> 00:48:57,070

you are perhaps wearing some kind of red

971

00:49:04,520 --> 00:49:01,990

robe and the the room that maybe has red

972

00:49:08,030 --> 00:49:04,530

light bulbs and you've got a big old

973

00:49:11,849 --> 00:49:08,040

star on the ground a five-pointed star

974

00:49:16,420 --> 00:49:11,859

you know you're you're calling upon

975

00:49:22,390 --> 00:49:16,430

Aries then you do your prayer you you o

976

00:49:26,950 --> 00:49:22,400

Aries you know big old got a war you

977

00:49:30,640 --> 00:49:26,960

know come on down and you know enter me

978

00:49:33,400 --> 00:49:30,650

and share your your wisdom and racks and

979

00:49:36,490 --> 00:49:33,410

all that kind of jazz all this is what

980

00:49:40,030 --> 00:49:36,500

in the Eastern terms would be generation

981

00:49:44,650 --> 00:49:40,040

stage in other words it's all stuff that

982

00:49:49,630 --> 00:49:44,660

is contrived by the mind to achieve

983

00:49:53,829 --> 00:49:49,640

something right mm-hmm so then you you

984

00:49:56,620 --> 00:49:53,839

open it up now in a normal invocation

985

00:49:59,230 --> 00:49:56,630

this is where all that there is to the

986

00:50:03,010 --> 00:49:59,240

completion stage is that you open it up

987

00:50:05,710 --> 00:50:03,020

and you become receptive okay

988

00:50:10,000 --> 00:50:05,720

so this would be the completion stage

989

00:50:12,329 --> 00:50:10,010

and this exists in Contra too but if

990

00:50:15,510 --> 00:50:12,339

we're to do something more there are

991

00:50:19,120 --> 00:50:15,520

practices that are completion stage and

992

00:50:21,609 --> 00:50:19,130

sex yoga is one of these practices that

993

00:50:26,260 --> 00:50:21,619

is completion stage so if you are Aries

994

00:50:30,010 --> 00:50:26,270

now so now you are Aries is writing you

995

00:50:31,780 --> 00:50:30,020

probably not full possession as in you

996

00:50:34,299 --> 00:50:31,790

don't know where you are in Aries is

997

00:50:36,880 --> 00:50:34,309

stomping around your house and looking

998

00:50:41,680 --> 00:50:36,890

for a sword or some [h__\h] like that but

999

00:50:46,890 --> 00:50:41,690

you are sharing consciousness with Aries

1000

00:50:51,039 --> 00:50:46,900

or you know you have this sense of

1001
00:50:53,349 --> 00:50:51,049
martial energy entering you or know

1002
00:50:55,450 --> 00:50:53,359
whatever degree and in my strategic

1003
00:50:58,089 --> 00:50:55,460
sorcery course I talked about the

1004
00:51:01,120 --> 00:50:58,099
different degrees that there are it's

1005
00:51:02,680 --> 00:51:01,130
not really a matter of something happens

1006
00:51:07,569 --> 00:51:02,690
something doesn't happen it's a matter

1007
00:51:12,240 --> 00:51:07,579
of happening in degree so then you

1008
00:51:16,510 --> 00:51:12,250
engage in a sex magic practice and now

1009
00:51:19,950 --> 00:51:16,520
you have you know you build this inner

1010
00:51:23,020 --> 00:51:19,960
fire you inner fire is a sublimation

1011
00:51:24,570 --> 00:51:23,030
practice alchemically you are making

1012
00:51:29,550 --> 00:51:24,580
something literally

1013
00:51:32,640 --> 00:51:29,560

more so so you are taking your your

1014

00:51:34,680 --> 00:51:32,650

aspheric body in your astral body into a

1015

00:51:38,730 --> 00:51:34,690

certain extent your physical body and

1016

00:51:41,520 --> 00:51:38,740

you are refining it you are burning away

1017

00:51:46,320 --> 00:51:41,530

the physical draws this allows that

1018

00:51:49,020 --> 00:51:46,330

spiritual essence to take a greater

1019

00:51:51,390 --> 00:51:49,030

presence greater whole thus it is a

1020

00:51:53,490 --> 00:51:51,400

completion stage practice you don't need

1021

00:51:57,060 --> 00:51:53,500

to contrive it with the mind you don't

1022

00:51:59,910 --> 00:51:57,070

need to talk about it you do it and it

1023

00:52:02,370 --> 00:51:59,920

happens whether you believe in it or not

1024

00:52:05,310 --> 00:52:02,380

you don't need to believe in the process

1025

00:52:08,450 --> 00:52:05,320

any more than you believe in starting

1026
00:52:11,850 --> 00:52:08,460
your car it happens because it happened

1027
00:52:14,400 --> 00:52:11,860
then the sex magic aspect of it you had

1028
00:52:17,670 --> 00:52:14,410
you bring you know you you reach this

1029
00:52:22,050 --> 00:52:17,680
moment of orgasm and that's the that's

1030
00:52:25,470 --> 00:52:22,060
the key moment the ego shatters and what

1031
00:52:29,490 --> 00:52:25,480
is waiting to be filled fills you up Wow

1032
00:52:30,060 --> 00:52:29,500
and so now you've gotten out of your own

1033
00:52:33,120 --> 00:52:30,070
way

1034
00:52:38,610 --> 00:52:33,130
you've blown apart your ego momentarily

1035
00:52:43,350 --> 00:52:38,620
and what are.what instantly realises is

1036
00:52:47,040 --> 00:52:43,360
this presence of Ares or Cthulhu or

1037
00:52:52,080 --> 00:52:47,050
whatever and then then your own ego will

1038
00:52:55,560 --> 00:52:52,090

naturally assert itself because you know

1039

00:52:59,880 --> 00:52:55,570

you're still attached to this body right

1040

00:53:04,230 --> 00:52:59,890

right so yeah so that's sort of why sex

1041

00:53:08,040 --> 00:53:04,240

is so powerful a method for invocation

1042

00:53:10,260 --> 00:53:08,050

it is a completion stage practice rather

1043

00:53:15,360 --> 00:53:10,270

than just leaving the completion stage

1044

00:53:17,580 --> 00:53:15,370

open to okay now be here yeah I mean

1045

00:53:19,740 --> 00:53:17,590

that's that's pretty well yeah you know

1046

00:53:22,140 --> 00:53:19,750

I mean a lot of people put on airs about

1047

00:53:24,810 --> 00:53:22,150

how they're you know ours you know

1048

00:53:27,120 --> 00:53:24,820

ridden maybe some people are telling the

1049

00:53:29,940 --> 00:53:27,130

truth about being fully possessed and

1050

00:53:33,780 --> 00:53:29,950

certainly I seen possession happen in

1051
00:53:36,630 --> 00:53:33,790
group ceremonies but a lot of people are

1052
00:53:39,210 --> 00:53:36,640
faking it till they're naked too

1053
00:53:40,349 --> 00:53:39,220
I think that it sounds good to me of

1054
00:53:42,000 --> 00:53:40,359
course I've never experienced anything

1055
00:53:45,120 --> 00:53:42,010
like that but it sounds like a good work

1056
00:53:49,109 --> 00:53:45,130
have you had any some pretty intense

1057
00:53:53,099 --> 00:53:49,119
experiences with invocation using the

1058
00:53:56,609 --> 00:53:53,109
sex magic oh goodness yes some of some

1059
00:53:58,470 --> 00:53:56,619
of the most powerful experiences of my

1060
00:54:05,130 --> 00:53:58,480
life have been been brought about by

1061
00:54:08,960 --> 00:54:05,140
this you know but I I try not to discuss

1062
00:54:14,009 --> 00:54:08,970
them too much I get that yeah because

1063
00:54:17,250 --> 00:54:14,019

you know it's very they're important to

1064

00:54:19,380 --> 00:54:17,260

me and they because they really happen

1065

00:54:21,299 --> 00:54:19,390

to me but once you start reporting them

1066

00:54:23,579 --> 00:54:21,309

to other people then it's really just

1067

00:54:27,120 --> 00:54:23,589

about look how awesome I am

1068

00:54:30,240 --> 00:54:27,130

I did this I you know had this into I

1069

00:54:32,099 --> 00:54:30,250

felt you know I saw myself flying and

1070

00:54:35,609 --> 00:54:32,109

and could actually see into people's

1071

00:54:38,250 --> 00:54:35,619

houses and you know Ares himself entered

1072

00:54:40,019 --> 00:54:38,260

me and you know whatever whatever it is

1073

00:54:44,670 --> 00:54:40,029

and amazing things can happen

1074

00:54:48,349 --> 00:54:44,680

the most amazing thing by far is the

1075

00:54:53,400 --> 00:54:48,359

natural clarity that can arise from

1076
00:54:56,099 --> 00:54:53,410
operations like me but by talking about

1077
00:54:58,499 --> 00:54:56,109
it it doesn't really benefit anyone

1078
00:55:02,309 --> 00:54:58,509
because the specifics are never going to

1079
00:55:05,120 --> 00:55:02,319
be repeated right I get that it's all

1080
00:55:08,039 --> 00:55:05,130
sort of just look at how awesome I am

1081
00:55:09,960 --> 00:55:08,049
yeah it's these things a lot of times

1082
00:55:12,029 --> 00:55:09,970
our personal experiences but what can

1083
00:55:14,460 --> 00:55:12,039
you tell us about cycling energy this

1084
00:55:15,990 --> 00:55:14,470
sounds like a pretty high level sexual

1085
00:55:18,180 --> 00:55:16,000
experience I have to say that was

1086
00:55:20,759 --> 00:55:18,190
probably the most interesting to me well

1087
00:55:23,880 --> 00:55:20,769
you know the cycling of energy between

1088
00:55:27,299 --> 00:55:23,890

people is I guess you could call it a

1089

00:55:30,990 --> 00:55:27,309

high-level practice but I try not to

1090

00:55:34,289 --> 00:55:31,000

think of things that way I try instead

1091

00:55:35,880 --> 00:55:34,299

to think of things as here's how you do

1092

00:55:39,779 --> 00:55:35,890

it and once you get the basics down

1093

00:55:41,789 --> 00:55:39,789

enough to do it then you give it a try

1094

00:55:43,470 --> 00:55:41,799

and at first you're not going to be

1095

00:55:47,249 --> 00:55:43,480

excellent at it and then later you'll be

1096

00:55:49,049 --> 00:55:47,259

excellent you'll be excellent at it or

1097

00:55:52,289 --> 00:55:49,059

you'll be competent at it and gain

1098

00:55:55,259 --> 00:55:52,299

results but then people obviously who

1099

00:55:57,599 --> 00:55:55,269

spends years and years doing it get

1100

00:55:59,279 --> 00:55:57,609

amazing amazing results just like

1101
00:56:02,039 --> 00:55:59,289
martial arts you know you can get

1102
00:56:04,140 --> 00:56:02,049
wonderful wonderful benefit from going

1103
00:56:07,410 --> 00:56:04,150
to kung fu three nights a week

1104
00:56:11,490 --> 00:56:07,420
for ten years you know you're going to

1105
00:56:13,589 --> 00:56:11,500
be a heck of a fighter and and gain some

1106
00:56:15,319 --> 00:56:13,599
wonderful health benefits from kung fu

1107
00:56:20,759 --> 00:56:15,329
but you're not going to be a shower

1108
00:56:24,059 --> 00:56:20,769
right so we have to recognize the role

1109
00:56:25,680 --> 00:56:24,069
of confidence mastery and perfection and

1110
00:56:29,700 --> 00:56:25,690
what we're in what we're actually

1111
00:56:34,680 --> 00:56:29,710
seeking so the energy practices are

1112
00:56:37,799 --> 00:56:34,690
basically this it it is the idea that we

1113
00:56:40,529 --> 00:56:37,809

can unite with someone you know if it's

1114

00:56:44,519 --> 00:56:40,539

a male and female pairing or people that

1115

00:56:47,759 --> 00:56:44,529

are running the male-female polarity

1116

00:56:50,509 --> 00:56:47,769

which same-sex couples have have said

1117

00:56:58,019 --> 00:56:50,519

that they can do and I have no reason to

1118

00:57:01,710 --> 00:56:58,029

to doubt that then you are you are

1119

00:57:05,059 --> 00:57:01,720

creating something greater than what you

1120

00:57:09,349 --> 00:57:05,069

can do within your own self you are

1121

00:57:14,759 --> 00:57:09,359

benefiting from someone else's energy

1122

00:57:18,690 --> 00:57:14,769

that complements your own and hopefully

1123

00:57:22,529 --> 00:57:18,700

they are benefitting from yours and that

1124

00:57:25,890 --> 00:57:22,539

you both grow and create something

1125

00:57:29,220 --> 00:57:25,900

through this experience so the cycling

1126

00:57:31,470 --> 00:57:29,230

of energy is simply a way to to take

1127

00:57:34,589 --> 00:57:31,480

what is already happening and make it

1128

00:57:37,200 --> 00:57:34,599

better stronger more conscious so for

1129

00:57:40,859 --> 00:57:37,210

instance there are you know in the book

1130

00:57:43,200 --> 00:57:40,869

I talk about just moving energy and see

1131

00:57:45,089 --> 00:57:43,210

glaze out your mouth into the mouth of

1132

00:57:48,509 --> 00:57:45,099

your partner down through their central

1133

00:57:51,720 --> 00:57:48,519

channel out through their through their

1134

00:57:55,380 --> 00:57:51,730

you know sexual organs into yours and

1135

00:57:57,660 --> 00:57:55,390

keep this spiral flowing then there are

1136

00:57:59,670 --> 00:57:57,670

certain mantra practices where you see

1137

00:58:02,520 --> 00:57:59,680

this happen where you're actually saying

1138

00:58:05,490 --> 00:58:02,530

mantra internally and there are very

1139

00:58:07,920 --> 00:58:05,500

specific energies that are circulated

1140

00:58:11,910 --> 00:58:07,930

this way so that it gains the strength

1141

00:58:14,960 --> 00:58:11,920

of everyone's you know of the worlds

1142

00:58:17,880 --> 00:58:14,970

within worlds that exist within us and

1143

00:58:21,150 --> 00:58:17,890

you know create something magnificent

1144

00:58:23,819 --> 00:58:21,160

mm-hmm yeah I really thought that was

1145

00:58:26,400 --> 00:58:23,829

pretty interesting the idea of a Sikh

1146

00:58:27,930 --> 00:58:26,410

Euler loop of euphoria between sexual

1147

00:58:31,410 --> 00:58:27,940

partners and building that energy

1148

00:58:33,900 --> 00:58:31,420

because the idea of invoking entities is

1149

00:58:37,710 --> 00:58:33,910

very interesting but I think most people

1150

00:58:41,099 --> 00:58:37,720

if they were to look into sex magic it

1151
00:58:42,900 --> 00:58:41,109
would be more about increasing pleasure

1152
00:58:46,260 --> 00:58:42,910
between the two partners rather than it

1153
00:58:51,359 --> 00:58:46,270
would be bringing in some ethereal third

1154
00:58:54,089 --> 00:58:51,369
party yeah well you know I mean the

1155
00:58:56,760 --> 00:58:54,099
great benefit of most of these practices

1156
00:59:00,000 --> 00:58:56,770
is that we do result in increased

1157
00:59:01,440 --> 00:59:00,010
pleasure and and so on I almost want to

1158
00:59:03,240 --> 00:59:01,450
have a second

1159
00:59:06,329 --> 00:59:03,250
you know subtitle for the book you know

1160
00:59:10,859 --> 00:59:06,339
like you know sex sorcery and spirit

1161
00:59:16,740 --> 00:59:10,869
ribbed for her pleasure written for her

1162
00:59:20,400 --> 00:59:16,750
pleasure you know so it's you do have

1163
00:59:23,819 --> 00:59:20,410

this ways to increase the forea

1164

00:59:25,799 --> 00:59:23,829

again it's all about taking the act that

1165

00:59:28,530 --> 00:59:25,809

is already pretty damn awesome and

1166

00:59:31,799 --> 00:59:28,540

making it even more awesome making it go

1167

00:59:35,039 --> 00:59:31,809

deeper more intense and longer mm-hmm

1168

00:59:37,620 --> 00:59:35,049

and it seems like to do that the two

1169

00:59:39,839 --> 00:59:37,630

introductory things that most males need

1170

00:59:41,339 --> 00:59:39,849

to do is the breathing you know the

1171

00:59:42,839 --> 00:59:41,349

breathing becomes a huge part of it and

1172

00:59:45,599 --> 00:59:42,849

then the fluid retention would you say

1173

00:59:49,920 --> 00:59:45,609

those are the gateways to some of these

1174

00:59:52,859 --> 00:59:49,930

higher forms of it they are they are now

1175

00:59:56,339 --> 00:59:52,869

the fluid retention thing is something a

1176

00:59:58,500 --> 00:59:56,349

lot of people get really really into

1177

01:00:03,960 --> 00:59:58,510

this so you get people that are into the

1178

01:00:06,480 --> 01:00:03,970

Dallas stuff and they they will also in

1179

01:00:07,340 --> 01:00:06,490

contract you know there are some Contras

1180

01:00:10,250 --> 01:00:07,350

that

1181

01:00:13,940 --> 01:00:10,260

one of the vows is to never again drop

1182

01:00:17,900 --> 01:00:13,950

your seed thanks and you have you know

1183

01:00:19,850 --> 01:00:17,910

you have Dallas that including some

1184

01:00:22,220 --> 01:00:19,860

Westerners that are just sort of you

1185

01:00:25,310 --> 01:00:22,230

know studying on their own that take

1186

01:00:29,240 --> 01:00:25,320

these vows to just retain semen and

1187

01:00:33,830 --> 01:00:29,250

never ever let the fluid drop they

1188

01:00:38,810 --> 01:00:33,840

report amazing health benefits from it

1189

01:00:41,780 --> 01:00:38,820

some people do not whatever you know I

1190

01:00:47,180 --> 01:00:41,790

will let the science hash itself out on

1191

01:00:49,640 --> 01:00:47,190

that what I can say is that it's not

1192

01:00:52,010 --> 01:00:49,650

like a montage Chia thing in my book

1193

01:00:55,370 --> 01:00:52,020

where you must never ever do this again

1194

01:00:57,580 --> 01:00:55,380

it's about being able to control it it's

1195

01:01:00,430 --> 01:00:57,590

about if you're gonna let the fluid go

1196

01:01:01,580 --> 01:01:00,440

then you should be able to control when

1197

01:01:03,470 --> 01:01:01,590

mm-hm

1198

01:01:08,330 --> 01:01:03,480

or you should be able to have an orgasm

1199

01:01:11,740 --> 01:01:08,340

and not let it go and and to be able to

1200

01:01:15,280 --> 01:01:11,750

then keep having sex after this intense

1201
01:01:18,530 --> 01:01:15,290
magnificent experience you know this is

1202
01:01:22,070 --> 01:01:18,540
why we do what we do with the female

1203
01:01:25,520 --> 01:01:22,080
attention not as sort of a a long time

1204
01:01:27,890 --> 01:01:25,530
now but many people do take this long

1205
01:01:28,970 --> 01:01:27,900
time though and I guess the way people

1206
01:01:31,400 --> 01:01:28,980
get started with it it's pretty

1207
01:01:33,830 --> 01:01:31,410
self-explanatory you just block it off

1208
01:01:36,950 --> 01:01:33,840
you know that you talk about the term

1209
01:01:39,200 --> 01:01:36,960
locking which is basically just holding

1210
01:01:43,910 --> 01:01:39,210
chamber so it's not gonna come out that

1211
01:01:46,010 --> 01:01:43,920
seems painful it's not though it's not

1212
01:01:48,050 --> 01:01:46,020
painful that's interesting you know it's

1213
01:01:51,050 --> 01:01:48,060

not painful the next time you're you're

1214

01:01:52,700 --> 01:01:51,060

having sex you know you can put your

1215

01:01:55,940 --> 01:01:52,710

fingers down there do the three finger

1216

01:01:58,190 --> 01:01:55,950

lock and see for yourself it's not

1217

01:02:00,200 --> 01:01:58,200

painful that said there's more to it

1218

01:02:02,300 --> 01:02:00,210

than just the withholding of the fluid

1219

01:02:04,400 --> 01:02:02,310

you want to be able to use you know it's

1220

01:02:04,820 --> 01:02:04,410

not just that one lock there are three

1221

01:02:07,370 --> 01:02:04,830

locks

1222

01:02:10,400 --> 01:02:07,380

there's the lock the the throat lock

1223

01:02:13,640 --> 01:02:10,410

which forces the upward flowing on a

1224

01:02:15,920 --> 01:02:13,650

downward and then the the root lock

1225

01:02:18,200 --> 01:02:15,930

which not only blocks the fluid but

1226
01:02:20,750 --> 01:02:18,210
sends it upward so you want to master

1227
01:02:20,970 --> 01:02:20,760
those but seriously you know the next

1228
01:02:23,720 --> 01:02:20,980
time

1229
01:02:27,300 --> 01:02:23,730
having sex if your or for that matter

1230
01:02:30,810 --> 01:02:27,310
giving the old Pamela Henderson yourself

1231
01:02:33,870 --> 01:02:30,820
you can you can reach down and just put

1232
01:02:37,680 --> 01:02:33,880
pressure on the perineum and then hold

1233
01:02:39,510 --> 01:02:37,690
your breath and then withdraw all of the

1234
01:02:43,050 --> 01:02:39,520
lock system and it will withdraw the

1235
01:02:47,040 --> 01:02:43,060
fluid back into the bladder but the

1236
01:02:49,020 --> 01:02:47,050
energy will flow up into the brain

1237
01:02:52,890 --> 01:02:49,030
you'll you'll feel it it's it's almost

1238
01:02:55,380 --> 01:02:52,900

you can't not that's so interesting so

1239

01:02:57,420 --> 01:02:55,390

it's a it's a an orgasm still occurs but

1240

01:02:59,910 --> 01:02:57,430

it basically sends the energy to

1241

01:03:01,560 --> 01:02:59,920

different parts of your body exactly

1242

01:03:04,370 --> 01:03:01,570

eggs on man

1243

01:03:06,690 --> 01:03:04,380

very easy to practice with someone

1244

01:03:09,450 --> 01:03:06,700

giving you oral because they're already

1245

01:03:12,870 --> 01:03:09,460

down there and they can reach up and do

1246

01:03:15,630 --> 01:03:12,880

the job themselves easy if you're doing

1247

01:03:18,960 --> 01:03:15,640

it yourself if you're actually having

1248

01:03:21,120 --> 01:03:18,970

like missionary position sex or doggy

1249

01:03:23,280 --> 01:03:21,130

style when it becomes a you know a more

1250

01:03:25,260 --> 01:03:23,290

difficult thing to reach down with your

1251

01:03:28,890 --> 01:03:25,270

hand and block it which is why you

1252

01:03:31,440 --> 01:03:28,900

should practice the perineum lock your

1253

01:03:33,480 --> 01:03:31,450

you know flex the perineum muscle mm-hmm

1254

01:03:35,069 --> 01:03:33,490

and when you do this successfully you

1255

01:03:37,430 --> 01:03:35,079

don't have the same feelings of

1256

01:03:39,960 --> 01:03:37,440

exhaustion you're able to continue

1257

01:03:42,690 --> 01:03:39,970

usually you're able to continue maybe

1258

01:03:44,940 --> 01:03:42,700

not at first not your first few time

1259

01:03:47,220 --> 01:03:44,950

right it's a frack but after a while yes

1260

01:03:49,319 --> 01:03:47,230

you'll you'll be able to have this

1261

01:03:51,780 --> 01:03:49,329

experience you know yeah I'm not saying

1262

01:03:55,890 --> 01:03:51,790

you're gonna like keep going full force

1263

01:03:59,309 --> 01:03:55,900

you back it down back it down to not you

1264

01:04:01,500 --> 01:03:59,319

know use the slow hand you you know and

1265

01:04:06,359 --> 01:04:01,510

then you you build it back up and you

1266

01:04:08,430 --> 01:04:06,369

you head at it again man I just I never

1267

01:04:10,020 --> 01:04:08,440

really considered kink in that hose but

1268

01:04:12,420 --> 01:04:10,030

I guess it's worth a shot

1269

01:04:14,910 --> 01:04:12,430

well don't don't actually kink the hose

1270

01:04:17,579 --> 01:04:14,920

that's that's that's an emergency room

1271

01:04:20,910 --> 01:04:17,589

visit right right right

1272

01:04:23,910 --> 01:04:20,920

that's not quite so literally it is

1273

01:04:26,250 --> 01:04:23,920

about that time I had an awesome time

1274

01:04:28,079 --> 01:04:26,260

I've learned a lot I really enjoyed your

1275

01:04:30,809 --> 01:04:28,089

book I thought it was super interesting

1276

01:04:32,160 --> 01:04:30,819

and a lot of fun and before we really

1277

01:04:34,140 --> 01:04:32,170

get out of here would you like to remind

1278

01:04:34,980 --> 01:04:34,150

the people about your website where to

1279

01:04:36,589 --> 01:04:34,990

get the book and

1280

01:04:40,290 --> 01:04:36,599

and some other things you got going on

1281

01:04:42,480 --> 01:04:40,300

well the book is available through

1282

01:04:45,240 --> 01:04:42,490

Amazon and is available through Barnes &

1283

01:04:46,820 --> 01:04:45,250

Noble's and is available the best place

1284

01:04:49,829 --> 01:04:46,830

to get it is of course your local

1285

01:04:52,410 --> 01:04:49,839

independent bookseller if you have one

1286

01:04:54,420 --> 01:04:52,420

your local independent occult store if

1287

01:04:55,200 --> 01:04:54,430

you have one most places desperately

1288

01:04:57,839 --> 01:04:55,210

need your support

1289

01:05:00,990 --> 01:04:57,849

otherwise it's available through any

1290

01:05:03,990 --> 01:05:01,000

kind of major bookseller my books that

1291

01:05:06,359 --> 01:05:04,000

are done with new page I do not sell

1292

01:05:10,260 --> 01:05:06,369

myself so I am the one place you can't

1293

01:05:12,900 --> 01:05:10,270

get it unless you happen to be at a

1294

01:05:15,000 --> 01:05:12,910

teaching that I'm physically at and then

1295

01:05:18,420 --> 01:05:15,010

I physically have copies that I can tell

1296

01:05:20,880 --> 01:05:18,430

which happens every now and then but in

1297

01:05:23,400 --> 01:05:20,890

general you want to get it from your

1298

01:05:27,570 --> 01:05:23,410

local bookseller as for me you can find

1299

01:05:29,550 --> 01:05:27,580

me at strategic sorcery net or just

1300

01:05:32,790 --> 01:05:29,560

Google strategic sorcery and you'll find

1301

01:05:34,530 --> 01:05:32,800

the blog I keep and all the other things

1302

01:05:36,900 --> 01:05:34,540

going on and of course the strategic

1303

01:05:41,820 --> 01:05:36,910

sorcery course which is sort of a

1304

01:05:46,320 --> 01:05:41,830

gateway into my community my nice system

1305

01:05:48,780 --> 01:05:46,330

of doing things it's a one-year course

1306

01:05:52,349 --> 01:05:48,790

that cost a hundred and fifty dollars

1307

01:05:56,280 --> 01:05:52,359

and it's fifty two lessons of just

1308

01:05:58,950 --> 01:05:56,290

hardcore practical magic right on well

1309

01:06:01,109 --> 01:05:58,960

we did cover a lot of grounds a lot of

1310

01:06:02,849 --> 01:06:01,119

interesting topics do you have any final

1311

01:06:07,849 --> 01:06:02,859

thoughts to leave the people with on the

1312

01:06:11,930 --> 01:06:07,859

subject of sex magic no just practice

1313

01:06:17,630 --> 01:06:11,940

safe sane consensual and and

1314

01:06:20,630 --> 01:06:17,640

enthusiastic and fun sex don't let the

1315

01:06:24,420 --> 01:06:20,640

technology the technical aspects

1316

01:06:26,550 --> 01:06:24,430

withdraw from the passion there's a lot

1317

01:06:29,460 --> 01:06:26,560

of even sex magic writers out there to

1318

01:06:30,930 --> 01:06:29,470

talk about passionless sex that you know

1319

01:06:34,470 --> 01:06:30,940

you need to be focused on the goal

1320

01:06:38,220 --> 01:06:34,480

that's bold Dinky the passion needs to

1321

01:06:41,280 --> 01:06:38,230

be there for it to work so Master the

1322

01:06:44,160 --> 01:06:41,290

tech but don't let it extinguish the

1323

01:06:45,750 --> 01:06:44,170

flame of passion well said

1324

01:06:47,790 --> 01:06:45,760

an awesome thing to leave on Jason

1325

01:06:48,720 --> 01:06:47,800

thanks again had a great time keep doing

1326

01:06:50,150 --> 01:06:48,730

what you do out there

1327

01:06:53,730 --> 01:06:50,160

and take care of yourself all right man

1328

01:06:56,040 --> 01:06:53,740

thanks for having me you got it there we

1329

01:06:59,099 --> 01:06:56,050

have it folks Jason Miller and the taboo

1330

01:07:00,450 --> 01:06:59,109

topic that is sex magic I hope it was

1331

01:07:02,190 --> 01:07:00,460

interesting for you I think there's

1332

01:07:03,780 --> 01:07:02,200

definitely meat on those bones lots of

1333

01:07:05,910 --> 01:07:03,790

stuff I hadn't heard before just in the

1334

01:07:09,030 --> 01:07:05,920

first hour getting that internal heat

1335

01:07:11,070 --> 01:07:09,040

going cycling that energy doing your

1336

01:07:13,740 --> 01:07:11,080

breathing exercises getting those locks

1337

01:07:15,330 --> 01:07:13,750

in place and from there in the plus show

1338

01:07:18,180 --> 01:07:15,340

we talked about some of the more far out

1339

01:07:20,280 --> 01:07:18,190

stuff like erotic comatose lucidity

1340

01:07:22,500 --> 01:07:20,290

that's a trippy one the earthenware

1341

01:07:24,270 --> 01:07:22,510

virgin technique and other ideas and

1342

01:07:27,930 --> 01:07:24,280

rituals for creating your own her monk

1343

01:07:30,300 --> 01:07:27,940

ulis or spiritual entity out of the

1344

01:07:32,370 --> 01:07:30,310

sexual fluids we talked about Jack

1345

01:07:34,260 --> 01:07:32,380

Parsons and Al ron Hubbard's personal

1346

01:07:36,270 --> 01:07:34,270

attempts to create a moon child or monk

1347

01:07:38,310 --> 01:07:36,280

ulis we talked about some possible

1348

01:07:42,620 --> 01:07:38,320

connections between cryptids and magic

1349

01:07:45,630 --> 01:07:42,630

or spirits the patrolling mudra which is

1350

01:07:47,609 --> 01:07:45,640

creating a suction effect with the penis

1351

01:07:49,770 --> 01:07:47,619

the Yogi's of India have demonstrated

1352

01:07:52,440 --> 01:07:49,780

this ability in a lot of ways one being

1353

01:07:54,810 --> 01:07:52,450

sucking out fuel and shooting it into a

1354

01:07:56,190 --> 01:07:54,820

fire that's one thing they do I mean

1355

01:07:57,570 --> 01:07:56,200

they don't have cable over there people

1356

01:08:00,300 --> 01:07:57,580

so what do you want

1357

01:08:02,430 --> 01:08:00,310

we also discussed the sixth Dalai Lama

1358

01:08:04,530 --> 01:08:02,440

who is not keen on the celibacy thing

1359

01:08:06,930 --> 01:08:04,540

and we got into Crowley's adventures

1360

01:08:08,820 --> 01:08:06,940

into sexual alchemy and a couple other

1361

01:08:10,770 --> 01:08:08,830

cool things so check that out and

1362

01:08:12,840 --> 01:08:10,780

support the show at the same time I'm

1363

01:08:15,840 --> 01:08:12,850

glad we could do it I think sex magic

1364

01:08:17,640 --> 01:08:15,850

like any form is a tool and interesting

1365

01:08:19,320 --> 01:08:17,650

to get a sense of what types of energies

1366

01:08:21,599 --> 01:08:19,330

and effects can be achieved through

1367

01:08:23,309 --> 01:08:21,609

sexual rituals obviously we hear a lot

1368

01:08:25,710 --> 01:08:23,319

of rumors about the shadowy elite

1369

01:08:27,870 --> 01:08:25,720

partaking in sexual rituals of a darker

1370

01:08:29,670 --> 01:08:27,880

tone and of course that's not what this

1371

01:08:32,220 --> 01:08:29,680

was about but getting a little knowledge

1372

01:08:33,870 --> 01:08:32,230

on this stuff on a 101 level I think

1373

01:08:35,840 --> 01:08:33,880

helps us to get a better understanding

1374

01:08:37,999 --> 01:08:35,850

of some of those rumors perhaps maybe

1375

01:08:40,800 --> 01:08:38,009

gives us a little bit of discernment

1376

01:08:42,780 --> 01:08:40,810

when hearing some of those wilder

1377

01:08:44,430 --> 01:08:42,790

stories and maybe it just gives you a

1378

01:08:45,900 --> 01:08:44,440

great opportunity to bring stuff like

1379

01:08:47,550 --> 01:08:45,910

this up to your partner without being

1380

01:08:48,840 --> 01:08:47,560

creepy you know it's not like you were

1381

01:08:50,490 --> 01:08:48,850

out there looking this stuff up on the

1382

01:08:52,349 --> 01:08:50,500

internet it just happened to come up on

1383

01:08:54,690 --> 01:08:52,359

a podcast you like and it got you

1384

01:08:55,530 --> 01:08:54,700

thinking about it being about a boom I

1385

01:08:57,360 --> 01:08:55,540

don't have to have the whole

1386

01:08:59,430 --> 01:08:57,370

conversation for you but I hope that you

1387

01:09:00,720 --> 01:08:59,440

do have a great Valentine's Day and you

1388

01:09:02,370 --> 01:09:00,730

take the opportunity to make your

1389

01:09:04,110 --> 01:09:02,380

partner feel good

1390

01:09:05,640 --> 01:09:04,120

if you're single well take the

1391

01:09:07,200 --> 01:09:05,650

opportunity to do something that makes

1392

01:09:09,539 --> 01:09:07,210

you a more appealing partner when

1393

01:09:11,849 --> 01:09:09,549

someone does come around we can all make

1394

01:09:13,349 --> 01:09:11,859

those improvements and I myself I gotta

1395

01:09:15,419 --> 01:09:13,359

get out of here I got a dinner to make

1396

01:09:18,629 --> 01:09:15,429

for that little special somebody in my

1397

01:09:20,729 --> 01:09:18,639

own life so take care and I will see you

1398

01:09:22,620 --> 01:09:20,739

in just a few days with a cryptozoology

1399

01:09:24,120 --> 01:09:22,630

show that I think it's pretty fun and a

1400

01:09:25,709 --> 01:09:24,130

little bit different with a great guest

1401

01:09:28,410 --> 01:09:25,719

you might have heard of on coast to

1402

01:09:30,419 --> 01:09:28,420

coast by the name of Jacy Johnson and to

1403

01:09:33,599 --> 01:09:30,429

play us out today is a very special

1404

01:09:36,329 --> 01:09:33,609

treat Nick tetra has altered the words

1405

01:09:38,309 --> 01:09:36,339

to a classic song and made it about THC

1406

01:09:40,890 --> 01:09:38,319

which is great so if anyone else can

1407

01:09:43,110 --> 01:09:40,900

make a THC themed cover song and tweak

1408

01:09:44,879 --> 01:09:43,120

it in a similar way I would be so happy

1409

01:09:46,590 --> 01:09:44,889

I will definitely give you a shout out

1410

01:09:48,059 --> 01:09:46,600

so please send me any of those if you

1411

01:09:50,970 --> 01:09:48,069

can at the higher side shots at

1412

01:09:52,950 --> 01:09:50,980

gmail.com I'll also include a link to

1413

01:09:56,060 --> 01:09:52,960

more of Nick's stuff with this episode

1414

01:10:01,339 --> 01:09:56,070

and that said I guess I'm out of here so

1415

01:10:10,180 --> 01:10:05,450

we're calling them out on

1416

01:10:11,960 --> 01:10:10,190

uncovering secrets and conspiracies

1417

01:10:18,920 --> 01:10:11,970

everybody's

1418

01:10:22,850 --> 01:10:18,930

I want to use you some of them want to

1419

01:10:33,180 --> 01:10:22,860

get used by you some of them want to

1420

01:10:35,220 --> 01:10:35,020

[Music]

1421

01:10:36,780 --> 01:10:35,230

[Applause]

1422

01:10:47,370 --> 01:10:36,790

[Music]

1423

01:10:51,460 --> 01:10:49,820

Green

1424

01:10:52,350 --> 01:10:51,470

and

1425

01:10:54,570 --> 01:10:52,360

[Music]

1426

01:10:58,060 --> 01:10:54,580

[Applause]

1427

01:11:00,150 --> 01:10:58,070

the Sunday

1428

01:11:01,580 --> 01:11:00,160

see you

1429

01:11:05,520 --> 01:11:01,590

[Applause]
